TWO EXHAUSTED SEAMEN were removed from a Coast Guard vessel and rushed to the Charlevoix Hospital Wednesday—the only known survivors of the 35-man crew of the Bradley, 615-foot freighter which sank in heavy storms in northern Lake Michigan Tuesday evening.

According to the two survivors, the 14,800-ton boat was torn apart by 68-mile-an-hour winds and 20-foot waves, 60 miles west of the Mackinac Bridge. A stern section of the boat broke off and sank first, followed by an explosion of the boilers.

RUSSIA TOOK THE FIRST STEP Thursday to fold up four-power occupation of the former German capital of Berlin, defying Western determination to hold on in West Berlin.

Soviet Ambassador Andrei Smirnov called on West German Chancellor Konrad Adenauer in Bonn yesterday and served notice of "steps which the Soviet Government intends to take to realize the liquidation of the occupation status of Berlin."

West Berlin's Lord Mayor Brandt immediately told his 2,200,000 citizens to stand fast before coming hardships. He declared the U.S., Britain and France had pledged "clearly and without reservation" to defend the city.

Saturday, November 22
RUSSIA STARTED PULLING Army families and some soldiers out of Berlin Friday, vowing that all its troops will be out by Christmas.

Late Friday the Russians held a meeting of a six-man Soviet and East German commission established in East Berlin to turn over Soviet occupation controls to East Germany.

Sunday, November 30
PRESIDENT EISENHOWER, in a new move to cut spending, has ordered all federal agencies to live within Budget Bureau recommendations. The only exception is where national security would be jeopardized.

The president's instructions were sent to the heads of all departments and agencies. They deal with spending for the fiscal year starting July 1.

Monday, November 24
THE WEST IS CONSIDERING an emergency Big Three conference in West Berlin. This was revealed amid reliable reports that it already is prepared to start a new airlift to protect its position in Berlin against a Communist offensive.

The New York Times said an airlift was one of several precise, but still secret plans, drawn up as counter-measures to whatever action the Russians and East Germans will take against the U.S., Britain and France.

Tuesday, November 25
WESTERN EXPERTS Monday night studied, many with grave doubts, proposals to ram armed convoys through any Communist blockade of West Berlin.

In Washington, Secretary of State Dulles asserted the Western powers will act with "unity and firmness" to defend West Berlin against Communist threats.

In West Germany, officials are balking at a plan under study by the United States, Britain and France for accepting East German controls on a non-recognition basis. They say the "get-tough" policy is gaining ground among the Western allies.

FAMED INVENTOR Charles F. Kettering died yesterday afternoon at his home in Dayton, Ohio, at the age of 82. The former head of research at General Motors first complained of feeling ill, after returning Friday from a trip to Detroit to attend a dinner honoring retiring GM executive, and former Pointer, Harley Earl.

Urge Outdoor 'Christmas Street' Opening, Lighting for Christmas

Garden Council Sponsors Project to Make Pointe Beautiful for Yuletide

Last year the Grosse Pointe Garden Club Council launched a Christmas lighting project enlisting the cooperation and enthusiasm of residents, business men, municipalities and churches to have the community reflect the true beauty and spirit of the Yuletide season.

This year, the Council is again busy with plans for a similar effort which it is calling "Christmas Outdoors". The emphasis will continue to be on restraint, simplicity, harmony in design and balance and correct scale and type of decoration for style and size of home.

Program at Center
The first event will be a program presented at the Grosse Pointe War Memorial, 32 Lake Shore Drive, on Wednesday, December 10, at 2 p.m. This will be free of charge and open to the public. There will be a presentation of new colored slides prepared by Westinghouse which have been taken of homes in various parts of the United States. These will show the many possibilities of outdoor decorations and lighting for Christmas. There will also be a demonstration of the use of the newest colored bulbs and the effects of flood lights as

'Christmas Street' Opening, Santa's Arrival and Men's Night Planned for 'Village'

Merchants Along Kercheval in City Have Extensive Plans for Annual Observance of Pre-Holiday Shopping Season

An annual event of great importance in Grosse Pointe in "The Village," is "Men's Night"—a night put aside for the male of the family to do his Christmas shopping on his own, with plenty of skilled salespeople in the stores to answer his problems.

This year marks the thirteenth repeat of this popular annual event. As in the past, the male shopper will find all his Christmas wants in the Village, beautiful new fashions for milady, distinctive men's wear, lovely clothes and toys for the little ones, wondrous gifts of every description—indeed! Everything from parking to packaging has been planned to make this a night of pleasurable shopping.

Display of Cars
On Kercheval, from Cadieux to Neff road, there will be a complete display of the 1959 automobiles, choral groups and roving musicians will be throughout the festivities, modeling of fashions will take place in the stores along with sport celebrities to pose for camera shots or talk sports with the customers. Man-size refreshments will be waiting in most stores.

From 7 p.m. to 10 p.m. Monday, December 8, "The Village" will become a veritable "Garden of Adam"—make it a point to be there!

Parade This Friday
"Christmas Street," as that section of Kercheval from Neff to Cadieux is called, officially opens this Friday, November 28. There will be a big parade at 3 o'clock, from Fisher road down Kercheval to Cadieux. Santa Claus will thus arrive officially in "The Village."

Torches Turned Into Toss-Pots

The City Fire Department suffered the brunt of the strong breezes last week when it was on the receiving end of three separate calls, in as many days, for blazes begun by the wind.

All three instances were the result of the wind blowing over torch-pots, calling attention to the wooden barricades—and all occurred in the 500 block area of St. Clair avenue.

The first call came at 5:21 p.m. on Tuesday, November 18, in front of 526 St. Clair when a pot toppled over onto a barricade near some excavation in that vicinity. Some three hours later, a call came from down the block.

Mrs. Vidar E. Lindquist, at 519 St. Clair, told firemen that a pot had blown over and rolled under her house. The men caught it before it burned the building.

And on Thursday, November 20, the barricade at the corner of St. Clair and Maumee, in front of 503 St. Clair, caught fire from a spilled flare. It was extinguished by a booster line from one of the trucks, within minutes.

Chorus Set For Concert December 7

Widely Varied Program Prepared by Community Musical Organization for Sunday Event

The Grosse Pointe Community Chorus will present its sixth annual Christmas Concert on Sunday, December 7, at 3:30, in the auditorium of the Parcels Junior High School, Vernier and Mack Avenues.

Under the direction of Donald W. Simmons, vocal music teacher at Parcels and director of youth choirs at the Grosse Pointe Congregational Church, the chorus will present a varied program of Christmas choral music ranging from the "Alleluia" from Bach's "For Us a Child is Born," to the Harry Simeone arrangement of Clement Moore's "Twas the Night Before Christmas."

One of the special features of the concert will be the first performance of the "Slumber Song," composed and arranged by Verna Mae Bryant, Mrs. Bryant, a charter member of the Grosse Pointe Community Chorus, is active in musical organizations and teaches piano privately in Grosse Pointe. The "Slumber Song" is her first choral work, although she has previously composed in the field of sacred solo music.

Carols To Be Sung
Also outstanding in the program is a group of the lovely Alfred Burt carols. Some of

Muir Road Bats Well in Contest

Muir road is batting .1000 percent in the weekly drawings for gift certificates being conducted by the merchants in the Kercheval-on-the-Hill business district.

This week's winner, picked Tuesday morning by Mrs. John Sweeney, Jr., was Mrs. Alex Sheridan, of Muir road. Last week's winner was Mrs. Mabel Hilgendorf of the same street.

The winners are given \$50 gift certificates, which may be redeemed in any of the participating stores. Coupons for the drawings are given out by these stores between 9:30 a.m. and 1 p.m. each Friday, to adults only.

No purchase is required to obtain the coupons.

Election Costs Cut In Park with Use Of Ballot Machine

City Clerk's Report Discloses Streamlining of Voting Procedures Saves City Time and Money

The August primary cost \$888.50 and the general election of November 4 cost the Park only \$1,040, as compared to the \$7,016.67 spent during the elections of 1952 and 1953, City Clerk Charles Heise disclosed to the Park council on Monday, November 24.

The city clerk attributed the drop in the election cost to the streamlining of the voting process through the use of voting machines, and the cut in precinct personnel as a result of the machines.

Mr. Heise said that the November 4 ballots were quickly tabulated, and would have been in the office of the Wayne County Clerk at an early hour, if it were not for the counting of about 250 absentee ballots, which he said, according to State Law could not be counted until after the polls closed. The result was, he said, that the vote count was not in the County Clerk's office until about midnight.

Considering Change
It was said that the Michigan Legislature is debating a statute whereby absentee ballots can be counted as soon as they are received, which would expedite matters on election days.

In his report, Mr. Heise stated that the Park incorporated from a village to a city in 1950, and that the first elections after that were held in 1952 and 1953 at a cost of \$7,016.67, and were by paper ballot.

The elections held in 1954 and 1955 cost a little more, \$7,345.83, and were also by paper ballot.

After a conference with Everett B. Lane, city manager at the time, in which election costs were discussed, Mr. Lane ordered two different voting machines to be used for demonstration purposes. These were installed in the lobby of the city hall where they were shown and demonstrated to

Cottage Hospital Converts to Gas

Conversion to gas heat at Cottage Hospital completed an extensive two-year power plant modernization program, according to an announcement made by hospital officials. Power and heat output has been increased materially as a result of this expansion.

The power plant building at the hospital was expanded one-third and a high rated gas-fired boiler installed. In planning the new addition, space was provided for another boiler to be added at a later date.

In commenting on the hospital's conversion to gas fuel, William Denton, chief engineer at the hospital said, "Cottage will now have one of the cleanest operating plants in the area and one of the most efficient. We hope to cut our operating and maintenance costs substantially as a result of this expansion program."

Plan Muscular Dystrophy March for Tuesday Night

Women of the Pointe will conduct a house-to-house canvass this Tuesday evening, December 2, from 7 to 9 p.m., in an urgent plea to join the March on Muscular Dystrophy. The campaign will continue through Monday, December 15.

The local ladies, lending their support to this worthy cause, are organized within the five Pointe municipalities. Heading the March in the City of Grosse Pointe is Mrs. Murray Robertson, of 1022 Beaconsfield avenue. Her counterpart in the Park is Mrs. John McKey, of 859 Lakepointe.

Chairman of the Farms corps is Mrs. R. J. Ritter, of 388 Chalfonte drive, and Mrs. Verne B. Hamill, of 511 Shelton road, is in charge of the Shores crew. Mrs. Margaret Beel, who lives at 689 S. Renaud road, will organize the

Board Asks Approval for Continuation

Bills Lower This Year Because Debt Is Being Reduced Faster than Expected

The tax bills soon to be received by property owners in the Grosse Pointe School District will reflect the fact that school taxes are lower for the first time since 1950. Due to the school debt being retired at a faster than scheduled rate, the total levy for schools will be more than two mills less this year than last, school officials stated.

"Last year our levy for operation and debt totaled 23.72 mills on state equalized valuation," President Franklin D. Dougherty of the Board of Education said. "This year they total 21.71 mills, a reduction of 2.01 mills."

Collections Are Good

"Of this total, 3.77 mills are for debt and 17.95 mills are for current operating expenses," he said. "The reduction in the debt levy results from our high rate of collection, an exceptionally good record on the part of our residents, and increased property valuations. Overall, the decrease amounts to nearly an 8 1/2 per cent reduction in school taxes."

Mr. Dougherty indicated that nine of the 17.95 mills levied for operation were expiring this school year. This is the millage voters of the school district are being asked to renew at a special school election, Monday, December 2. Comprising, as they do, over one half of the tax levied for operation their importance cannot be over-emphasized, the Board president said.

Voters are reminded that all qualified, registered electors of the school district are eligible to vote in the special election. The polling place in each instance will be the public elementary school in the neighborhood in which they live. Polls will be open from 7 a.m. to 8 p.m., Monday, December 2.

Absentee Deadline Near

Absentee ballots may still be obtained by those who will be absent from the community on December 2. Arrangements for voting in this manner must be made prior to 2 p.m., Saturday, November 29. Contact Ray MacArthur, Director of Business and Finance, The Grosse Pointe Public School System, 389 St. Clair Avenue. Telephone TU 5-2000.

President Dougherty stated that the voters were being asked to approve an extension of the Board's authority to levy the expiring millage for five years. "School taxes will not rise if the voters approve a renewal of the nine mills," he said. "We have had permission from the voters to collect this tax for several years and are merely asking for a continuation of this authority."

"Rising costs and increased enrollments with a corresponding increase in staff have more than doubled our costs in the past ten years," Mr. Dougherty said. "We must have the nine mills renewed if our nationally recognized school program is to continue without serious curtailment. It is our hope the voters of the district will again indicate their approval and support of their school system by voting yes on this important issue."

May Be Delayed

The winter tax bills, normally mailed to property owners on December 1, may be slightly delayed this year. Municipal officials said that they hoped to have them ready sometime during the first week of the month but that a delay in receiving the tax bills and tax rolls from county officials has thrown them behind schedule.

In a letter addressed to all citizens of the Grosse Pointe Public School District and signed by the entire Board of Education the following statement was made:

"For the first time in eight years, your school tax will be down substantially as compared substantially as compared

(Continued on Page 2)

School Election Monday

(Continued from Page 1)
 pared with the year before.
 "This is good news and arises from the fact that, as had been expected, our school debt is being paid off at a faster rate than our bonding agreements required, due to increased state equalized property valuation and high tax collections.

"Last year your total tax for Grosse Pointe school operation and school debt was 23.72 mills and a \$2.72 tax for each thousand dollars of state equalized property valuation. This year, it will be 21.71 mills or a decrease of 2.01 mills or 8.4 per cent.

How Tax Is Split
 "The operating part of your school tax is computed as follows. Wayne County levies a 15 mill tax for school and county operation. Of this amount, the county keeps 6.05 mills for its use and allocates to the Grosse Pointe Public School System 8.95 mills for its operation.

"Since the latter is not enough to run our schools, during the past few years the voters in Grosse Pointe have authorized us to add 9 mills more to the school taxes in Grosse Pointe so we can provide first class public school education in this area.

"On December 2, we are asking the voters of Grosse Pointe to continue authorization of the 9 mills of operat-

ing taxes which they have approved before. The permission to levy these 9 mills runs out this year and we are asking for approval of this tax for another five years.

Is Not Increase
 "Just to be doubly clear — we are not requesting a tax increase but a continuation of our present tax for operating our schools.

"It is interesting to note that over-all school taxes (21.71 mills) in Grosse Pointe, operation and debt retirement included, are lower than such systems in this area as Birmingham with 22.45 mills, Wyandotte with 22.87 mills, Garden City with 27.00 mills, Lincoln Park with 23.006 mills, Redford Park with 30.60 mills.

"Places like Dearborn, Highland Park, and Royal Oak, with heavy industrial concentration, have lower rates.

"Some residential school districts in out-of-state areas very similar in character to ours, are taxed much higher for school purposes than we are. For instance, in Scarsdale, New York, the rate is 35.9 mills; in Great Neck, Long Island, it is 50.4; in Shaker Heights, Ohio, over 25 and in all first class districts in Colorado, the lowest is 22.2 and the highest 42.8."

 well as a display of the latest lighting equipment.

As there is little film material on outdoor Christmas decorations available, several well known residents who are camera enthusiasts will conduct "Screen Tours" during the holiday season. These men will take pictures, both at night and during the day, which exemplify beauty and good design. From these slides a lecture will be prepared of Grosse Pointe at Christmas, for future use.

Open to All
 The "Screen Tours" are also open to anyone interested in taking pictures and the Council will pay the cost of any slides accepted. Further information and details will be given at a later date.

Pointe municipalities and business men have already set the stage for their share of Christmas beauty in Grosse Pointe. The Garden Club Council members invite everyone to join them at the War Memorial on December 10 for new ideas in holiday decoration so every home may be included in the "Screen Tours".

 these have been presented by the chorus at previous concerts and are being repeated by request.

The history of these carols begins 30 years ago when the late Rev. Bates G. Burt adopted the custom of sending his friends an original carol as the family holiday greeting. When his son, Alfred, showed ability as a composer, the custom became a father-son tradition prevailing throughout the family's life in Pontiac, where Mr. Burt was Rector of All Saints' Episcopal Church.

Alfred and his wife continued the custom through his career in radio and television with the aid of Miss Whila Hutson, who wrote the lyrics. In this manner the most recent carols were produced until Alfred Burt's untimely death in California in February, 1954. The carols are some of the most significant contributions to contemporary Christmas music, being modern in harmony and yet old-fashioned and heart-felt in meaning and feeling.

Cook to Assist Setzer
 Milton Setzer, accompanist for the Community Chorus, will be assisted at the organ by Kenneth Cook, organist at Grosse Pointe Methodist Church. Mr. Setzer is on the staff of Wayne State University and recently appeared there as director of the musical "The Boyfriend." He teaches piano privately and is well known as a soloist and accompanist, having appeared in concerts with the Grosse Pointe, Wayne State and Detroit Symphony orchestras.

Tickets for the concert are available at the Grosse Pointe Book Store, 19459 Mack, and from members of the group. Admission is \$1 for adults and 50 cents for children and students. For further information, call TU 4-5964.

Park Cuts Election Costs

 the citizens of the Park for a one year period, Mr. Heise said.

Bought 21 Machines
 At the expiration of the one year, Mr. Lane recommended to the council that Shoup machines were superior, and the council authorized the purchase of 21 of these machines at a total of about \$35,000.

The first elections in which the machines were used, were held in 1956 and 1957, with the cost of the elections amounting to \$3,853.88, or \$3,162.79 less than the elections of 1952 and 1953; and \$3,491.95 less than in 1954 and 1955.

The August primary and the November 4 election cost \$888.50 and \$1,040, respectively, making the total cost \$1,928.50, Mr. Heise said.

"At each of the city's seven precincts," the city clerk said, "there were six inspectors for the general election. Two challengers, one from each political party, were also at each precinct, but had nothing to do with the operation of our election and may have given the impression that we had more help than needed."

Handle More Voters
 The city clerk disclosed that the State election law permits 800 voters to a paper, ballot precinct, and 1,400 to a machine precinct.

He said that he conferred with an elections official in Detroit, and found that that city used two machines and four inspectors in precincts of 700 voters; three machines and five inspectors in pre-

cincts of over 700; and four machines and six inspectors for precincts of 1,000 or more.

In the November election, Mr. Heise pointed out, the Park used three machines and six inspectors for each of its precincts, and that each of the precincts have more than 1,000 voters.

The council authorized City Manager Robert Slone and Mr. Heise to investigate whether more voting machines will be needed to carry on future elections, and to make a report on their findings to the council as soon as possible.

Thief Gets \$3,229 In Loot

 total insurance claim was for \$3,229.00.

Because 11 pieces were missing, and another 20 were left in the cabinet, police surmise the job was a rushed one, with the thief undoubtedly fleeing in the midst of it. Supporting this theory is the fact that, up until 7 o'clock that evening, when someone

was at the store, the telephone rang a total of three times, and each time it was answered, there was no voice heard at the other end — only the sound of heavy breathing.

A special watch was put on the shop for the remainder of the weekend, and a description of the stolen pieces of jewelry was given to all the local pawn shops.

Shores Police Chief Duemling said that when Leneez appears before Judge John Gillis on December 29, he will recommend that steps be taken to curb Leneez's driving and that the matter be referred to the Secretary of State's Office in Lansing.

Pointe Woman Seriously Injured in Park Accident

Mrs. Frances J. Jordan, 45, of 631 Washington road, is in Bon Secours Hospital in temporary serious condition following a traffic accident on Tuesday, November 25, in which she suffered severe gashes about the face, broken ribs and other chest injuries. Park police said that Mrs. Jordan was driving her car west on Vernor, when she was hit on the right side by a car driven by Mrs. Swannie Lusby, 55, of 1588 Harding, Detroit, who was going south on Berkshire.

The force of the impact, police said, knocked Mrs. Jordan to the passenger side of her car, and she lost control. Her vehicle jumped the curb on the southwest side of Vernor and crashed into a porch of a home under construction.

When her car smashed into the house, Mrs. Jordan's head went through the windshield, and the jagged glass cut her face severely, with one side of her face torn to the jawbone. Patrolman James LaPratt, who answered the call, said he found Mrs. Lusby in a state of shock. He said that after she hit the other woman's car, she got out of her vehicle and went to help Mrs. Jordan, but when she saw her condition, she returned to her own car and collapsed. She herself was not injured, the officer said.

The policeman said that several men working on the new house were not injured. Patrolman LaPratt said that a City police ambulance was called to assist in transporting the two women to the Hospital.

Three witnesses laid the blame of the accident on Mrs. Lusby, who they said, had stopped for the stop street on Berkshire, and then began edging out into Vernor.

As she started up, the witnesses said, Mrs. Jordan attempted to avoid a collision by swerving to the left, but was hit and lost control of her vehicle.

The officer said that he tried to stop the flow of blood from Mrs. Jordan's face, and that an unknown woman gave him a clean towel for that purpose, before the injured woman was taken to the hospital.

David E. Lyall of 28108 Elm-dale, St. Clair Shores, was found guilty on two accounts of speeding, for which he paid a fine and costs of \$17.50 on each count. He was ticketed on October 4 for speeding on Lake Shore, and again on October 31.

Neal H. Mabrey of 595 Newport, Detroit, was found guilty of ignoring a traffic light at Vernier road and Lake Shore, and ordered to pay costs of \$7.50, or face three days in jail. He paid the costs.

A fine of \$15 or three days in jail was levied against Francis E. Westley of 1281 N. Oxford, who was found guilty of failing to stop within an assured clear distance and causing an accident. The fine was paid.

William D. Richards of 1064 Vernier road, paid a fine of \$20 rather than spend five days in jail. He was found guilty of speeding on Lake Shore.

Albert N. Loest of 922 S. Brys drive, accused of not having his car under control and causing an accident, had the case dismissed when no witness could be found to testify.

Five warrants were signed for the arrest of motorists who did not show up in court to answer charges against them. They are:

Frank A. Ripepe of 2305 Park, Detroit; Michael D. Aggroff of 27180 Hickler lane, Mt. Clemens; Draske M. Vidie of 1353 Centre, Detroit; James C. McInnis of 33310 Jefferson, St. Clair Shores; and Johnnie Sanders of 2118 Parker, Detroit, all charged with speeding on Lake Shore.

Center to Show Skiing Movies

"Skiing in the Canadian Rockies," an excellent film in color by Fred Pessl will be shown at the Grosse Pointe War Memorial, 32 Lake Shore, Wednesday evening, December 10, at 8 o'clock.

Introducing the film and giving instructional commentary will be Wayne Mallory, senior ski instructor at Otsego Ski Club.

In addition to the movie and Wayne Mallory there will be

a display of the latest in ski fashions and equipment for both men and women by local sport shops.

In order to assist in defraying the expense of this program and to help regulate the crowd which will be limited to 175 there will be a nominal admission charge of 50 cents. Tickets may be purchased at the Center's office in advance.

Mr. Pessl's film will be shown throughout the United States and is currently being shown in Europe by outstanding skier Hans Gmoser.

Mr. Pessl and his son, Skip, are two of the Pointe's best known skiers on the national scene. Skip has served as ski instructor at Otsego and is well known for taking a Canadian exploration party out of the wilderness after the leader died. The Pessls will be on deck along with their film on this gala ski night at the Center.

Many Coincidences Found As Theater Prepares Play

Those who like to read significance into a series of unusual coincidences are having a "happy time" with the play which will be the Grosse Pointe Community Theatre's second production of the 1958-59 season next week.

A host of strange events surround the play, the director and the cast of "The Happy Time," a three-act comedy of family life which will be presented at the Grosse Pointe High School on Friday and Saturday, Dec. 5 and 6, at 8:30 p.m.

Phyllis Reeve, St. Clair Shores, was chosen by the GPCT board to direct the comedy by Samuel Taylor. Later, it was discovered that the play Mrs. Reeve had directed last year for the GPCT, "Sabrina Fair," was also a comedy by Samuel Taylor.

Richard C. Blackburn, 88 Touraine, a student at Grosse Pointe High School, was chosen by Mrs. Reeve for the part of Alfred, the young suitor in "Happy Time." Blackburn then revealed that his uncle, Richard Hart, played the role of Uncle Desmond in "Happy Time" when it opened on Broadway in 1950.

Two other teen-agers, Bob Hunter, 88 Handy, and Patricia Ann Groehn, 1007 Bedford, were cast in the "Happy Time" roles of Bibi, the son, and Sally, his next-door girl friend. It turned out that all three teen-agers have made an amateur movie together and have appeared in numerous productions of the Grosse Pointe Children's Theatre. Hunter and Blackburn even have the same numbers on their front doors.

Richard Rodgers and Oscar Hammerstein 2nd first presented "The Happy Time" at the Plymouth Theatre in New York City on Jan. 24, 1950. Eileen McCabe, Roseville, who plays the shrewish wife, Aunt Felice, in "Happy Time" appeared in several Rodgers and Hammerstein musical productions before her marriage.

The virtues of large families are humorously discussed in "Happy Time," which is the story of the loves and tribulations of the large, but closely-knit, French-Canadian Bonnard family. And, by coincidence, nearly every member of the GPCT cast, either has or comes from a large family.

Thief Samples Items from Car

Park police are investigating the theft of two leather sample cases taken from the unlocked trunk of a car belonging to Porter Strotcher of 798 Pemberton, and containing about \$325 worth of display samples of electrical equipment.

The cases and their contents were reported missing by Strotcher on Wednesday, November 19. He said his car was parked in the driveway alongside his home since 6 p.m. the previous evening. The thefts were discovered Wednesday morning.

One case was described as being black and rectangular, with a leatherette covering, 20 by 20 by 10 inches, and containing about \$125 worth of electrical equipment. The second is said to be of a gray, salt and pepper imitation leather, 20 by 16 by 10 inches, containing samples of wiring displays, relay timer clocks, indicators, and push button pilot lights, valued at a total of \$200.

Troop 85 Holds Court of Honor

In a simple but impressive candle ceremony, recognition was given to deserving boys of Boy Scout Troop 85 at Montclair School, Monday night, November 24, in their first Court of Honor of the season.

Advancement in rank was achieved by the following boys, with Scoutmaster Tony Jossens making the presentation: Second Class, Gary Gawurca, Eric Schorer, Howard Schorer; First Class, Larry Jossens, Bob Krawczak, Jim Lyle, Tom Parnell, Dan Rove, Craig Suwinski, Dave Verbeke; Star, Anthony Jossens, Lawrence Jossens, Bob Krawczak, Jim Lyle, Michael Miller, Dan Shanowski, Craig Suwinski; Eagle, Doug Takach.

Realizing that advancement of the boys depends on encouragement and cooperation of the parents, the troop presented miniature Star pins to the mothers of the boys attaining Star rank.

The Lutheran religious award, Pro Deo et Patria, was earned by senior Patrol Leader Dan Hall earlier in the year and publicly acknowledged at the Court of Honor.

Crowning a busy summer and autumn of scout work, merit awards were given as follows: Anthony Jossens, Basketball; Larry Jossens, Basketball; Canoeing, Citizenship, Cycling, Firemanship, Home Repairs, Reading, Rowing; Bob Krawczak, Canoeing, Forestry, Public Speaking; Jim Lyle, Basketball; Canoeing, Cycling, Lifesaving, Reading, Rowing, Swimming; Michael Miller, Canoeing, Forestry, Public Speaking, Reading; Dan Shanowski, Canoeing, Forestry; Craig Suwinski, Canoeing, Home Repairs; Doug Takach, Camping, Lifesaving, Metal Work, Personal Fitness, Public Health, Public Speaking, Safety, Swimming.

"Secret Cargo," a new movie of skin diving for a sunken Civil War treasure ship, was shown, and the evening was brought to a close by the serving of refreshments.

The committee of fathers who helped make the Court a success included C. E. Beach, Stephen Gawura, Scoutmaster Tony Jossens, Harry Lyle, Richard Parnell, Edmund Verbeke and Waldiner Wutzke.

The man who courts trouble has no reason to turn down the light.

4 Cases Heard In City Court

Judge Joseph P. Uvick presided over Grosse Pointe City's Traffic Court session last Tuesday evening, November 18. First on the docket was the case of Euclid J. Gouin, of 5125 Neff road, in Detroit.

Charged with not having his car under control, thereby causing an accident, the defendant pleaded not guilty. Judge Uvick deemed otherwise and fined him \$25 or 10 days in the Wayne County clink.

Vera Thelma Ray, of 823 University place, was in court on a charge of reckless driving which resulted in a pedestrian accident. She entered a plea of not guilty, with which the Judge agreed, and her case was dismissed.

Johnnie Mae Thompson, of 2508 Seyburn, in Detroit, was charged with entering an intersection without due caution, causing an accident. Although he pleaded not guilty, he was judged to be at fault and given the choice between a \$10 fine or five days in jail.

A plea of guilty was entered by James E. Carroll, of 29624 Rosebriar, in St. Clair Shores. Carroll, charged with reckless driving, and causing an acci-

Find 3 Guilty Of Assault

Three Detroit men, originally arrested for investigation of a possible holdup, were found guilty of assault and battery by Shores Judge John Gillis, who presided in the court of Park Judge C. Joseph Belanger on Saturday, November 22.

Guilty as charged were Robert L. Darnell, 22, and Billy B. Sawyer, 20, both of 4864 Commonwealth; and Landron Thompson, 25, of 702 Manistique.

Thompson was fined \$10, with an alternative of serving five days in the Wayne County Jail, and his two companions, because they were the instigators, were ordered to pay \$50 fines, and sentenced to five days, and to spend an additional 30 days in jail, if the fines were not paid. They paid.

The three were accused of beating Harold K. Smith, 26, of 32 Hendrie lane, in front of the Park Fire Department station, on the Saturday date.

One of the firemen witnessed the incident and thought a holdup was in progress and notified Park police authorities, but when a scout car crew

dent, was found guilty and fined \$35 or 10 days.

arrived, the three men were gone. However, they were arrested by Patrolmen Charles Slusser and John Trombley, when the officers saw their car and stopped them at Jefferson and Alter road.

Smith told police that the three men followed him from Crane and Vernor, in Detroit, calling him names and using obscene speech. He said he did not know his assailants, and had never seen them before.

Smith said he was followed through side streets in Detroit and the Park, and while trying to make a turn in front of the Park fire station, his car stalled.

In front of the station, Smith said, Darnell jumped into the back of his car (Smith's) and proceeded to hit him. Then Sawyer got into Smith's car, the front seat, and he too began hitting him, Smith said.

Sawyer was turned over to the Wayne County probation department, who wanted him for violation of probation, and Darnell was turned over to Detroit police, who have a warrant for him on a traffic violation charge.

Alma College Choir Coming

The Alma College A Cappella Choir, coming to the Grosse Pointe Memorial Church on Sunday, December 7, is now in its twenty-seventh year of existence. The choir will sing at both the 9:30 and 11 a.m. services of worship, under the direction of Dr. E. G. Sullivan of the Alma College faculty.

At these same services, Dr. Robert Swanson, president of Alma College, will be the guest speaker.

The choir is, and has been throughout its career, an integral part not only of the college music department but of the larger life of the college itself.

Founded in 1886, Alma is a Presbyterian college of 700 students. In the past 72 years, the school has grown to include a faculty of 60 members, and 16 buildings set on 50 acres of beautifully wooded campus in the very heart of the lower peninsula. It offers studies leading to the degrees Bachelor of Arts, Bachelor of Science, and Bachelor of Music Education. For each of these degrees the student is required to have a substantial background in both the sciences and humanities.

The college early recognized the importance of music in its curriculum and today employs six full time faculty members

in that department. Courses of instruction are offered for majors or minors and general college in vocal or instrumental music leading to either a Bachelor of Arts or Bachelor of Music Education degree.

The A Cappella Choir was organized in 1930, and from a humble beginning in that year, the group has grown to the present choir which is acclaimed by critics as one of the finest of its kind in the mid-west.

A cordial invitation is extended to interested persons throughout the community to attend these services.

Faulty blueprints are the stumbling block in any planned economy.

Literature Group To Hear Waldron

Robert E. Waldron will address the Grosse Pointe Council of Better Literature for Youth on Monday evening, December 1, at 8 o'clock.

Mr. Waldron is the Fourteenth District State Representative for Grosse Pointe and Harper Woods. His topic will be based upon legislation dealing with obscene literature, and is entitled, "Community Responsibility in Relation to Freedom of Speech and Press."

Rep. Waldron has stated, "In this field particularly, the community must do much, if not most of the policing, and insisting on high moral and ethical standards."

After graduating from Dartmouth, and the University of Michigan Law School, Rep.

Waldron served as a Captain in the Air Force. He is a member of the American, and Michigan Bar Associations. He is the father of three young children.

In the State Legislature, Rep. Waldron secured the establishment of a Central File Bureau, listing all persons having committed sex offenses, thereby leading the work in better control of sex deviates. He is also working to obtain better obscene literature laws.

The Grosse Pointe Council of Better Literature for Youth meets at the Central Branch of the Grosse Pointe Public Library, Fisher at Kercheval avenue. Meetings are open to the public, and all interested parents and citizens are invited to attend.

Motorist Faces Court Hearings

Charles J. Phillips, 52, 1621 Oxford road was arraigned before Woods Judge Don Goodrow on Saturday, November 22, and found guilty of violating the State Drunk Motor Law.

The judge levied a fine of \$100 against Phillips and revoked his operator's license for a period of three months.

Phillips will have to appear before Shores Judge John Gillis on Monday, December 8, on a similar charge.

Phillips was arrested by Shores police when he was spotted driving south on Lake Shore road.

It was not because he was

driving only 10 miles an hour on Lake Shore, a 35-mile an hour zone, but the fact that he was weaving from side to side that brought about his apprehension.

Police said that Phillips was stopped just south of Deep-lands, and when asked for his driver's license he became belligerent and abusive. The arresting officers said that he was definitely under the influence of alcohol.

Phillips, Shores police found out, had been arrested by Woods police on October 26, and charged with driving while drunk.

Shores police requested a bond of \$150 until a court hearing after which Phillips was released to the custody of his wife.

Delta Y-Teens Hold Induction

By Joan Vermeulen
GPHS Journalism Student

The lights dimmed in the lounge of the Grosse Pointe Memorial Church and 40 girls entered the room carrying lighted candles. This was the beginning of the solemn ceremony in which the girls became official members of Delta Y-Teens, one of Grosse Pointe High School's five Y-Teens groups.

The guest speaker at the November 17 induction was Reverend Ben Tallman, associate minister at Memorial Church, who spoke on the two words, talents and ideals.

"Talents are what we would

today call brains," he said. "Our ideals cause us to use our talents to achieve the best. It is extremely sad when those who have talents do not use them."

"Y-Teens," she said, "seek to understand Jesus, to share his love for all people, and to grow in knowledge and love of God."

A Detroit man, who had just been hired, suffered a fatal heart attack on Wednesday, November 19, four hours after starting work on a swimming pool under construction for a private Park home.

Pronounced dead on arrival at Bon Secours Hospital, where he was taken by police

ambulance, was Freddie M. Falls, Jr., 49, of 575 Gratiot avenue, Detroit.

Falls was hired to help in the building of a swimming

pool at 701 Balfour, by Anthony Maronto of 10151 Beaconsfield, Detroit contractor, who called police when Falls collapsed.

Pole Buzzer Given Ticket

A young driver was wending his way home on Thursday night, November 20, about 11 o'clock, when a local resident happened to spot him—bouncing off a light pole at the corner of University and Kercheval.

The resident called police to suggest they check on the happy wanderer, who had blithely continued on his way. City police picked up Louis Smith, of 1633 Hampton road, at the intersection of Washing-

ton and Kercheval — where he had buzzed another pole.

Church Picks Study Topics

"Christianity in Your Daily Life", composed of such practical topics as whether a man should put his career or his family first; personal ambition, and the conflicting loyalties of daily life will be the study topics December 3, 10 and 17 at Christ Episcopal Church, Grosse Pointe.

The annual adult Advent Study Series held in the parish house will use a study which has been prepared by the Rev. Scott I. Paradise, Associate director of the Detroit Industrial Mission. Hypothetical situations such as that of "Bill Black" who loves his job so much that he goes to his office Saturdays and Sundays and gets home week-nights at 7 p.m. or later and communicates with his wife by leaving notes on the pillow in their bedroom will be presented and then analyzed in small discussion groups.

Biblical and theological material will then be presented to the groups and they will attempt to apply the Christian principles to the actual problems of Grosse Pointe families.

The sessions are in charge of Mrs. William Shoemaker, Director of Adult Education at Christ Church. She will be assisted by other staff members including the Rector, Dr. E. H. Maynard; the vicar, the Rev. George Whitney, youth director, the Rev. Tom Masson, and the Rev. Richard Cockrell, newly arrived on the staff.

The study sessions will begin at 6:00 p.m. with a celebration of the Holy Communion followed by a buffet supper in the parish house at 6:30 and with group study and discussion in the same building from 7:30 to 9 p.m.

The study series is open to the community. Dinner reservations may be made by phoning TU 5-4841.

St. Matthew Group To Sponsor Event Dec. 4

Members of the Adoration Society of the Convent of Mary Reparatrix will sponsor a Chow Mein Luncheon and Card party on Thursday, December 4, at 12:30 p.m., in St. Matthew's Church auditorium, Whittier and Harper.

Donation is \$1.35. For reservation call, KE 2-6849.

Christmas music, Christmas decorations and Christmas cookies will be featured next Monday afternoon, December 1, at 1:45 o'clock at Christ Lutheran Church in Iroquois avenue at Vernor. The occasion is the traditional annual Musicales and Tea of the Detroit Chapter of the Valparaiso University Guild.

Mrs. Otto Auch of the program committee will introduce Mrs. William J. Elsholz who has planned a delightful presentation of organ music by Mrs. Robert Schmitz. She will accompany Mrs. Paul Metzger, the soloist who will sing familiar Carols. The guests will also have an opportunity to join their voices in the beloved Christmas hymns. Rev. E. Pieplow of Christ Church will give the Christmas message.

The sale of home-made Christmas cookies attractively wrapped is a special feature of this annual affair. Mrs. Enno Claus and Mrs. A. Taylor are in charge of this committee.

Mrs. Erwin Kurth, the chapter president, will conduct a short business meeting for members and their friends beginning at 12:45 p.m.

Vote "Yes" Monday

All Pointe taxpayers are urged to go to the polls Monday, December 2, for the special school election, and give approval to the request of the Board of Education for the continuance of the present nine-mill tax for operation of the local public school system.

It should be thoroughly understood that the School Board is not asking for any increase in taxes. The nine mills were approved by the voters for operational expenses during the last few years, and this permission expires this year. If a continuation of this tax is not approved by the voters, it will seriously hamper public education here and will mean a definite lowering of the standards which have made the Pointe system one of the tops in the nation.

As a matter of fact the school taxes are lower this year. The winter bills, which will be out shortly, will show a decrease of 2.01 mills or 8.48 percent in the school taxes. This reduction was made possible because the school debt is being retired faster than was expected or was required by the bonding agreements, due to increased state equalized property valuation and high tax collections.

The entire tax story is told in the lead news story on page one of this issue. It is recommended that all taxpayers read it and understand it thoroughly. It is also recommended that everyone eligible get out and vote for the request. The only thing which could defeat the proposal would be apathy and there is generally far too much of this in every school election. That apathy exists now has been evidenced by the reactions noted at P.T.A. gatherings and other meetings where the members of the Board of Education have appeared to explain the situation and ask support. The lack of questions possibly indicates disinterest.

We have also heard a report that some persons might hold the belief, due to publicity given a proposed county-wide plan for a special school tax, that this tax measure has already been passed, thus eliminating the need for the continuation of the nine mills in the Pointe. This is definitely not true, and does not affect the local situation at all.

It would be a pity to curtail the program built up by our system and to make it necessary to lower the standards in any way. It is extremely important that this request be granted. Get out and vote "Yes" on Monday. And remember, this does not constitute any increase in the present school taxes.

Porcupine Mountain Fight

The final round in the Porcupine Mountains battle is near at hand. The Conservation Commission will hold the final hearing in the argument in Lansing on December 4 in the Civic Auditorium. The decision will not be handed down until the January meeting.

The fight revolves around whether or not to open up Porcupine Mountain Park to copper mining. Conservationists claim this would ruin this beautiful state park of 58,000 acres, of which 46,000 acres contain the largest remaining stand of hardwood in the United States.

In addition to spoiling the natural beauty of the place, the conservationists see other grave menaces. Slag from the mining operations would be dumped into Lake Superior in the form of finely ground dust. Water pollution and damage to fish life would result, it is claimed. Canada is definitely interested in this threat of pollution to international waters.

We are wholeheartedly on the side of the conservationists. When this magnificent property was acquired by the state, it was dedicated to being held in perpetuity for the benefit of all the residents of Michigan, to remain forever as a natural shrine of beauty.

If the Conservation Commission, which is reportedly very much split over the question at hand, votes to grant a lease to the mining interests, the members will have forfeited the right to be called conservationists, and will have earned the stigma of despoilers of what should be one of the state's most prized possessions.

Letters to the Editor

November 18, 1958
Dear Sir:
In the Grosse Pointe News you printed a very misleading statement. You said, and I quote, "The first Junior High School newspaper in Grosse Pointe has made its debut. The publication, headed 'B-Line'..."
At Pierce Junior High School, in the Park, we have had a school paper since 1939, when our doors first opened. Currently the paper is called The Trojan and is printed three times a month. I have enclosed a copy and will send you one each issue.
We take pride in our publication.
Yours truly,
Chris Ostergren,
Student Editor,

Dear Editor:
Recently from 'time to time' there have appeared in your column letters condemning the actions of our local teenagers. I would, in contrast, like to relate my recent experience with a large group of them.
My daughter was fortunate enough to take part in the St. Ambrose Senior Play at Pierce Auditorium one night last week. After the performance she invited the entire Senior Class, in number about ninety, back to our home for a party.
The manner in which they conducted themselves inside and outside the premises is to be commented on. In fact, they were so orderly and quiet several of my neighbors called the next day and complimented me on their behaviour.
Through your column I would like to publicly commend the St. Ambrose Seniors, their parents and teachers.
Sincerely,
Mrs. J. E. Guillaumin

Dear Sir:
This is a belated acknowledgment of a very special kind of service from our Grosse Pointe Farms city authorities back on August 11, when Mr. Norman Rogers of this company was stricken with illness in our office.

"I took my girl to a fancy ball;
It was a social hop;
We waited till the folks got out,
And the music it did stop.
Then to a restaurant we went,
The best one on the street;
She said she wasn't hungry,
But this is what she eat:
A dozen raw, a plate of slaw,
A chicken and a roast,
Some applesauce, and sparagass,
And soft shelled crabs on toast.
A big box stew and crackers too;
Her appetite was immense!
When she called for pie,
I thought I'd DIE,
For I had but fifty cents!"

Dog Tricks

A local couple who WERE the proud possessors of a beautiful Labrador, had so many complaints from neighbors about his barking, that they were obliged (unhappily) to send him to a kennel... as a pet, not a boarder. Madame advised the kennel owner that the dog was smart as all get out and that he was capable of unlocking the most complicated cage or door. That worthy gent said not to give it a second thought... the animal would NEVER be able to unlock HIS type of pen.

Time marched on... and so did the dog. Within three days, Mr. Kennel Owner called our heroine and told her that her Labrador had not only managed to escape from his OWN sleeping pen... but had also gone around and unlocked all the other pens... so that the entire kennel of dogs were free to wander around! THIS animal might be a big hit at Alcatraz!

Dept. of "forgotten men"

The latest buzz in the High School set this week, is the fancy article in the Detroit News written by the incomparable Jane Schermerhorn... of whom there is no whomer. Much of the society page was devoted to the party given for Pat Kennedy on her sixteenth birthday... complete with pictures... and featuring Emmet Kelly, a guest at the party. The "buzz" (according to our spies in the Pointe) stemmed from the fact that while the birthday girl's lovely orchid was described in detail... the MAN WHAT BRUNG IT... Pat's date, no less, was the only one whose name was not on the list of guests attending! Soooo, Auntie Pryor (to keep the score straight) will announce it here and now. GARY DIMITRI escorted the gal and presented the orchid. So there now.

Wise-Crackin' Small Fry

One of the local school teachers told us she had a candidate for Art Linkletter's schoolroom show, in her class. The particular subject for the day was Heaven and how one should strive to be worthy enough to end us there for evermore. A poll was taken of the class, one by one, and all answers were to the effect that Heaven was indeed the ultimate goal. HOWEVER, one ten-year-old boy, who was almost the last one to answer... allowed as how he would just as soon not go there. When the teacher asked where he WOULD like to go... he replied: "Well, I don't know exactly... but I sure don't wanna go where these crazy characters are going!"

Alexander Graham Bell

A local dowager who was entertaining at dinner recently for some 10 or 12 guests, got the happy thought while having after dinner coffee... that she would call her son and daughter-in-law in California and have everyone speak to them on the phone. It is now 11 p.m. here and 8 on the Coast.

When the connection was put through, Mama dear talked for quite a bit before her son had the chance to tell her it was AWFULLY nice of her to call... but they had 25 guests and were about to sit down to dinner and... etc. etc. BUT Madame had different ideas.

She insisted she called so all her friends could say "hello"... which they did. We can only construct the picture from guess work as to what happened on the Coast. Polite son and daughter-in-law must have had to hang on the phone until the roast was well OVER-DONE... while they spoke to ten people they hardly knew.

This is not ALL. About two hours later, La Dowager decided to call the children BACK again, to see how they enjoyed their dinner... but happily for the West Coast, her friends talked her out of it.

Happy Thanksgiving to you all... and don't ANY-ONE telephone us during OUR roast! And remember... if you can't use Glem after every meal, just brush your teeth!

Farms Fire Department and within three minutes, Fireman Gerry Brosman was at Mr. Rogers' side administering oxygen. At almost the same moment, Officer "Babe" Parsons of the Police Department arrived. He and Fireman Brosman did all in their power to make Mr. Rogers comfortable until medical help could be summoned. They went to work quickly, efficiently, and in a most sympathetic and reassuring way. I can assure you that Mr. Rogers appreciated this—as did we all.

Through no fault of these men, Mr. Rogers failed to survive the attack—but, thanks to their good training and sincere interest in helping him, it appeared for a time that he had a chance. All of us here wish to express our deep appreciation for their earnest efforts in behalf of our associate and friend. I can assure you that only a succession of long business trips out of the city since that date has prevented an earlier expression of thanks from us.

These men certainly are a credit to their respective departments and to the community, and I feel that public mention should be made of the fact.
Sincerely,
THE DELMAN COMPANY

Ask for Study Of Labor Laws

Study of child labor laws to see if they fit today's condition is being recommended by the American Legion Auxiliary, according to Mrs. Evelyn Snyder, Child Welfare Chairman of the Grosse Pointe Unit 303 Auxiliary.

"Many of the child labor laws were adopted fifty or more years ago to prevent exploitation of children under conditions of those days," said Mrs. Snyder. "We of the Auxiliary are wondering if these old laws do not now work hardship on many young people who are unable to stay in school full-time by preventing them from obtaining employment. We think the situation should be given serious study and the laws amended if this is found desirable."

"Forty percent of our boys and girls drop out of school before graduation from high school. If they cannot obtain jobs because of labor laws, what can they do with themselves? Delinquency is high among this group of young people who are not in school but too young to work in many occupations. Laws of fifty years ago may not be what we need today."

Take One Fat Goose...

by Fred Kopp, R.Ph.

Goose grease used to be found in most medicine chests. For a long time, it was a common remedy for chest colds and pneumonia. The high mortality rate of lung patients proves how ineffective this remedy was. Modern medications—particularly the antibiotics—have drastically reduced the death toll of pneumonia victims, shortened hospital stays and relieved untold pain and suffering. So, don't medicate yourself. Let your physician go the diagnosing and prescribing. Then come to us for any medications he may recommend.

Miss Button Speaks Vows to Mr. Daniel

Wears Empire Waisted Taffeta and Peau D'Ange Lace For Her Wedding Saturday in Grosse Pointe Presbyterian Church; Reception at Home

Evelyn Ruth Button, daughter of the Walter E. Buttons, of Hidden lane, was married Saturday afternoon in Grosse Pointe Woods Presbyterian Church to Lawrence Rodney Daniel.

For her rites she chose a gown of bouquet taffeta fashioned with an empire waist, scooped neckline appliqued with peau d'ange lace and a chapel train. A fitted cap of silk and lace held her waist length veil

of illusion and she carried stephanotis and orchids. Janet Woita was maid of honor and the bridesmaids were Alice Riddle, and Mrs. Calvin Ernst, of Ann Arbor. They were gowned in copper-glow iridescent taffeta and matching headbands. Their bouquets were of bronze cysanthemums.

William Tyson was best man for the bridegroom, who is the son of the Earl E. Daniels, of Roslyn road. Ushering were John Silvestri, R. Murray MacDonald and Wayne Von Allmen.

For her daughter's wedding and the home reception, Mrs. Button wore royal blue sheer chiffon and a matching hat. Her flowers were orchids.

Mrs. Daniels was in willow green lace with a matching hat and her flowers were rosebuds.

When the couple left on a brief wedding trip the bride was wearing a royal blue wool suit and matching hat. They will live in St. Clair Shores.

Star of Sea Mart Set for December 6

Rosary Altar Society of Church Sponsoring Fourth Holiday Bazaar with Mrs. Clune Walsh as Chairman; Funds to Pay for Classroom

For the fourth year Our Lady Star of the Sea Church will be the scene of a gay holiday mart. The bazaar will be held Saturday, December 6 from 9 until 10 o'clock in the Church Club Room, Ballantyne and Fairfield roads.

Members of the Rosary Altar Society are sponsoring the Holiday Mart, under the guidance of the general chairman, Mrs. Clune Walsh. Many workshops and talented hands have been busy for the past six months making plans and attractive gifts for Christmas shopping. The Society's goal is to raise funds to complete payment on the 1958 Project—a school classroom.

Mrs. Joseph Holdreith, chairman of decorations, has planned a Winter Wonderland setting for the club room. A perfect snow man will be seen over each booth, surrounded by colorful evergreens. Figures of fantasy will appear to be floating in space in the form of shimmering satellites and heavenly pink and white angels.

Mrs. C. Pioronek is in charge of making these decorations, assisted by the following committee: Mrs. Zigmund Mrowczynski; Mrs. Joseph Kleefuss; Mrs. Marvin Keller; Mrs. Clarence Kramer; Mrs. John Bailey and Mrs. Emil Grob. This scene of holiday splendor will be background for your shopping at the following booths:

KITCHEN... COME HUNGRY! Chairman, Mrs. Stanley Evtz, working with a large staff of helpers, will be prepared to satisfy your appetite. Early shoppers will enjoy tasty sweet rolls when taking a coffee-break. Later on, you may choose from a variety of hot and cold sandwiches—Hot

dogs, sloppy joes, barbecued pork, ham sandwiches and pizza. For in between snacks or dessert, you will enjoy home-made cup cakes or cookies.

HANDCRAFT... Chairman, Mrs. Joseph Price and her talented members will be specializing in hand-knit infant's wear; frosty white organdy pinafores—hand painted, sizes 1, 2 and 3. A large selection of aprons in fine cotton and hand painted organdy aprons, the perfect gift for your favorite hostess.

CHRISTMAS DECORATIONS... Chairman, Miss Lorraine Moran, and her artistic group will feature an assortment of wreaths; fancy tree skirts; centerpieces for your table; decorative baskets for the door; stockings to hang for the entire family plus ribbons and fancy tie-ons for your gift wrapping.

LABOUTIQUE... chairman, Mrs. S. L. Brady, with her clever staff of workers, have gifts of distinction for the discriminating woman! Whimsical figures decorate Tote Bags, felt covered wicker baskets and match boxes. Colored sheets and cases, delicately trimmed with eyelet embroidery. Pictures made from dried garden flowers, pressed on a satin background, set in a shadow-box frame.

SURPRISE PACKAGES... Mrs. Martin Daher, chairman, and busy hands of members have been wrapping packages that are sure to make you inquisitive. Priced at 50 cents and \$1.00 and labeled for boy or girl, man or woman. That

extra gift, just right for the Christmas stocking is here for you. Solve your "small gift problems" at this booth.

BAKED GOODS... Mrs. Walter Orkiss, chairman, with a "kitchen staff" of excellent bakers, have prepared their favorite cake and cookie recipes. A popular brand of fruit cake, in great demand last year, will be available again. A special group of women have been baking a plentiful supply of cookies, already boxed for Holiday "good eating."

TEEN-AGERS... Chairman, Mrs. Christopher Verbiest, and many pairs of hands, have been knitting sweaters, making sets of half-hats and mittens, dressy head-bands and bedroom slippers. They have the teens' favorites—matching gifts of a scrap book, diary and address book; novelty baskets for letters and waste papers. For the young sport fan, a good supply of autographed hockey sticks and footballs.

DOLLS... Chairman, Mrs. James Aiuto, and her group know how to make dolls look "well-dressed" in attractive hand-made clothes. Small canopy beds have been completely outfitted, also basket beds with lining, mattress and doll. Soft stocking dolls and colorful bean bag clowns, all hand made.

TOYS... Chairman, Mrs. David Burnett and her assistants know just what will please the "small set." They will have an assortment of unusual new toys, small cars and guns etc. Clowns, bears and monkeys all dressed up in fancy suits. Hobby horses, clamping at the bit for a young owner to take home.

RELIGIOUS ARTICLES AND JEWELRY... Chairman, Mrs. Michael Kupiec, with many competent workers, have a complete selection of articles for adults and children that make appropriate gifts or to keep for your home. A fine selection of Holy pictures; prayer books; rosaries; medals and statues. New and Old editions of the Bible and an easy to read edition for children. Attractive jewelry, a welcome gift for children or adults.

CANDY... Mrs. Paul De Griek, chairman, assisted by women who know what good candy means at Christmas time, have been making lots of creamy fudge; clever candy sleds and candied apple suckers. Christmas stockings already filled for you; ribbon candy; boxed chocolates and a special treat for children—Penny Candy!

FISH POND, GAMES OF SKILL... James Babcock, chairman, assisted by many members intent on pleasing the young set, will be kept pretty busy in the school where these activities will be held. The Fish Pond will lure the children in to try for a good catch. Dart games of skill (one for the teen-agers) ring-toss and ball throwing games. Kiddie Land Rides—three of them for the tots.

Mrs. Elmer O'berski, in charge of the activities in the school, has made arrangements for Santa Claus to make a "special trip for that day" to greet his small friends with a cheery "hello" and he is sure to bring a little gift for all. A Puppet Show will be held in one of the classrooms. Show-time will be at 11 a.m.-1 p.m.-3 p.m.-5 p.m. and 7 o'clock. The following celebrities have been invited to appear for their pleasure: Gene Cronin and Joe Schmidt of the Detroit Lions Football Team; Hilarious Captain Jolly and riotous Johnny Ginger of T.V. fame.

Other members serving on the Holiday Mart Committee are: Mrs. Jasper Jamerino, in charge of finances and Mrs. Howard Stoneback, in charge of publicity, assisted by Mrs. John Hass.

Presents Jewel Collection

The fashion shop of Walton-Pierce, founded by MRS. WILLIAM RUST PIERCE, has come forward with another significant "first" achievement for Pointe shoppers, its own carefully selected collection of rare and real jewelry. These jewels are distinguished not only by their connoisseur quality and the fashionable appeal of their settings but by their variety and individuality. The assortment is composed of pieces which have appropriate and popular appeal for all purchasers interested in authentic jewelry.

Included in this collection are exquisitely designed pins, earrings, necklaces, bracelets, rings, watches and charms. The choice of jewels ranges through all precious and semi-precious stones. Gold is featured extensively throughout the collection and there is an extremely appealing assortment of original and unique imported jewelry. Both this group of jewels and the wide variety of cleverly designed charms present perfect possibilities for Christmas giving. Altogether, the entire collection, ranging from imports and antiques, through conventionally perfect matched cultured pearls and on to popularly-priced charms and St. Christopher medals presents wonderful suggestions for shoppers this holiday season.

This complete collection of precious jewelry is now on display at Walton-Pierce. It has also been announced by Mrs. William Rust Pierce, founder of the shops, that Walton-Pierce will stay open any early evening, by special appointment, in order to present the jewels and other gift items to men whose business engagements might make it inconvenient for them to shop during regular hours. Appointments may be made by telephoning Walton-Pierce: TU 4-1330.

Holiday Observed By Ball at GPYC

Elegant Gowns Worn by Guests for Dancing Saturday Night Under a Starlit Canopy at Grosse Pointe Yacht Club to Music of Jimmy Dorsey Band

Grosse Pointe Yacht Club members danced under the stars (star lights, that is) and to the music of stars (the Jimmy Dorsey Orchestra) at GPYC's sumptuous Thanksgiving Ball last Saturday.

Stunning floor length ballgowns vied with really short evening dresses as dancers twirled in the Grand Ballroom under a yellow and white streamer canopy, or strolled to nearby Venetian and Lake Shore Rooms for refreshment and to "sit this one out."

The beautiful star-shaped lights gleamed amid clusters of yellow and white balloons; chrysanthemum blooms were in the color theme; the Dorsey orchestra and Leader Lee Castle had an overall view from a three-tiered bandstand constructed especially for the festivity; busiest man was Entertainment Chairman Eugene Casaroli.

Commodore and Mrs. Charles L. Jacobson (she in a floor-touching gown of sapphire blue satin and chiffon) had the pleasant double duty of welcoming party-goers generally and entertaining their own group—their guests were the William J. Athansons, Mr. and Mrs. J. King Harness, the Tom H. Bartels, the Frank E. Kenneys, Mrs. Roy T. Mitchell, and the Frederick G. Richardsons.

Dinner—before—the ball was staged in main floor rooms—constant was the stream up the handsome wide staircase to the dance scene when the band struck up at 9 o'clock.

Mrs. John P. Mansfield was soignée in ice blue satin-black

taffeta, the long skirt intricately draped to reveal satin touches. The Mansfield's honored their week-end visitors, Mr. and Mrs. William Beck Morse, of Wilmette, Ill., also feting the Thomas Hammonds, the Henry deSegur Lauves (she in floor length emerald taffeta with big pouf bow at back), the S. R. Tuckers (formerly of New Orleans, now of the Pointe), and Dr. and Mrs. F. C. Jewell.

The Emmett J. McNamaras entertained a group, the petite, raven-haired hostess glistening in a day-short evening dress of white covered with crystal bugle beads. In their party: Dr. and Mrs. Lyle Waggoner and their week-end visitors, Dr. and Mrs. John Sawyer, of Midletown, O.; the Frederick A. Pecks, Dr. and Mrs. Charles W. Adams, the William M. Schmidts, Dr. and Mrs. J. G. Reid.

George M. Brooks, in the absence of his charming mate, carried off hosting duties with aplomb at a pre-ball cocktail and buffet dinner party in their Touraine Road home—before leaving November 13 for the Orient with her parents, the Alexander D. Blackwoods. Patty Brooks had her husband's promise he'd go through with their plans for the party. (Invitation from her parents came suddenly—Mr. Blackwood had to go on business and Patty and her mother would do the sightseeing—on the three-weeks itinerary: Alaska, Tokyo, Hong Kong,

Jr. Goodwill To Have Dance

"It's in the bag—now let's have fun" read the dinner-dance invitations which have gone out to the members of the Jr. Group of Goodwill Industries.

Having completed the most successful Antique Show of their career, they are in a mood to celebrate with husbands and guests at the dinner-dance to be held Saturday at the Park Shelton Hotel.

The night for the Goodwill girls and their men will be highlighted with a Champagne Waltz contest during which everyone will vie for honors in grace and skill.

The planning, decorating, and novel invitations have been the special project of Mrs. Horace Prunk who enlisted the aid of Mrs. Robert Reid, Mrs. Richard Wagner and Mrs. Donald Wing.

Guests whom Mrs. George Thom Jr. has invited to her home before proceeding to the dance include Mr. and Mrs. Kenneth Reichle, Mr. and Mrs. C. S. Barker, Mr. and Mrs. Harry Chapman, Mr. and Mrs. Paul Richmond, Mr. and Mrs. Frank A. Reid, Mr. and Mrs. Paul Mathewson, Mr. and Mrs. C. G. Brown, Mr. and Mrs. Oscar Keydel and Mrs. Arthur Evelyn.

Others joining the fun are Mesdames Frances M. Dewey Durand Mayer, Robert Campbell, John Moekle, Edgar Martner, Sam McCool, George James Croushore, Russel Kelly, B. Thompson, Wm. S. Cooper, George Gotshall, Douglas Macintosh, Wm. T. LaRue, Eric Horst, Robert A. Frye, Wm. Bridger, F. J. Meno II, Robert Webber, Bill Brink, Thomas Fox and their "dates."

Manila and Hawaii, traveling by air all the way.)

At the Brooks' dinner, Mr. and Mrs. Rex Brophy's eleventh wedding anniversary was marked by good wishes of the 34 close friends present, and a huge decorated cake created by GPYC's head chef, Dark-haired Mrs. Brophy was in evidence—sashed cummerbund and dainty slippers were palest pink satin.

The group went on to the ball subscription fashion. They included Vice Commodore and Mrs. Robert F. Weber (her off-

white silk had high-style short puffed skirt and off-shoulder bodice, the E. M. Gregorys Jr., Calvin Gausse Jr., Charles Gausse II, Howard Shaws, Thomas Foxes, Robert Nixons, Arthur Bartholomews Jr.

More were the Joseph Caskys (she so pretty in lemon yellow Chantilly lace over silk, the skirt harem-hemmed—and what a dancer she is!) Mrs. James P. Cleary, the Bill O. Brinks, Mr. and Mrs. T. A. Jacob, the Paul Barkers, George Giffilens Jr., Carl Andersons, Hans Gehrkes Jr., and the Mortimer Crocketts, of Chicago.

The Kendrick B. Browns entertained their group at the club for pre-dancing cocktails and dinner—the Browns were hosts to the Sam Kellers, Otis Walkers, George M. Endicotts, George Dickey, Philip K. Coes and Mr. and Mrs. Robert Powers.

Black Chantilly lace over beige silk fashioned Mrs. Harry J. Chapman's strapless ball dress—a sheath in front, and fine beige net fanning from the skirt's full back into a tiny train. The Chapmans' guests were the George R. Cooks, George L. Domines Jr., and Mr. and Mrs. Phillip Flanders of Bloomfield Hills.

Early cocktails were hosted by Mr. and Mrs. Fred J. Somes, Jr. in their Duval Road home to honor their week-end guests, the Harold Rockwells of Grand Rapids, before the group went on to

GPYC's festivity. In a Cassini dress of black peau de soie, chichi with flowing back panels, the hostess greeted the Charles E. Monahans, Russel Nutters, Mr. and Mrs. R. F. Kolowich and the Robert Woods.

The J. Earl Frasers were noted in a large group, Mrs. Fraser in lustrous deep gold satin. Mrs. James N. Motchall's turquoise, satin was ever so perky with stand-out back folds and sheath front, and Mrs. Carl Berndt's smart sheath was navy eyelet sheer—with the Motchalls and Berndts were the Arthur Ceres.

Pointers in Concert At Marygrove College

Grosse Pointe was well represented at Marygrove College last Sunday evening, November 23, when the "Grumys", a popular G. P. Glee Club entertained with several songs from their excellent repertoire.

Also, from Grosse Pointe was Janice Winkler, a music major from Michigan State University, who sang American Folk songs, accompanying herself on the guitar. She is now associated with the Campus Television Station WKAR, doing graduate work.

The program was sponsored by the Marygrove Dads' Club, who will be hosts on January 18 at the Ford Auditorium to the "Gaelic Singers" from Ireland.

Club at Center To Hold Dance

The Center Club of the Grosse Pointe War Memorial is busy making plans for its all-out Pre-Holiday Frolic to be held at 32 Lake Shore on Friday evening, December 5, from 9-12 p.m. On this occasion everyone is being encouraged to be on the dressy side though the function is in no way formal.

Unusual effort is going into the decorations this time and tiny Italian lights will sparkle from pine boughs to let everyone know that Santa is just around the corner.

The music for the evening will be furnished by Bill Knicy's orchestra and during intermission the familiar Christmas carols will sound throughout the Center's Great Hall for the first time this season.

Invitations have been sent to all young single business and professional people for whom the Center has addresses in the five Grosse Pointes. All others are cordially invited to attend and get their names on the mailing list.

The Center is asking those who have received cards to present them at the door so that records may more easily be kept. Though dates are not necessary, everyone is encouraged to bring a guest if he wishes. It is requested that all Grosse Pointers arrive with and introduce their guests.

Hazen Pingree To Claim Bride

Mr. and Mrs. E. R. Frederick, of Clawson, announce the engagement of their daughter, Maxine Neely, to Charles Hazen Pingree.

The bride-elect attended Michigan State University and her fiancé is an alumnus of Duke University. Mr. Pingree, grandson of the late Hazen Pingree, governor of Michigan, is the son of the Gilbert P. Pingrees, of Voltaire place. An April wedding is planned.

The Pilgrims may have gotten the idea for their day of thanks from the "harvest home" celebration of the folks back home. The English feasted on plum pudding and roast beef after the last load of grain had been carried home from the fields.

Jean Ann Howell Weds Mr. Douglas

Pair Speak Vows Saturday Evening in Grosse Pointe Woods Presbyterian Church; After Hawaiian Trip the Couple Will Make Their Home in Owosso

Jean Ann Howell wore Chantilly lace for her wedding Saturday evening in Grosse Pointe Woods Presbyterian Church to James Easterbrooke Douglas, Jr.

Her gown was fashioned with a sweetheart neckline and long sleeves, the bodice sashed with satin. A crown of seed pearls held her illusion veil and she carried white roses centered with a white orchid.

Mrs. David F. Griswold was her sister's matron of honor. They are the daughters of Mr. and Mrs. Glen H. Howell, of Fair court.

She was gowned in a ball-erina peacock blue velvet and satin frock with a matching headband and carried red roses.

The bridesmaids, also in peacock blue velvet, were Jean Stefani, Janet Russell and Janet Lancaster.

Mr. Douglas, son of Mrs. James E. Douglas, of Owosso, asked Dr. Lawrence Sweet to be best man. Seating the guests were Marvin Lewis, Jerry Desjardins and Dr. Robert Michels.

For her daughter's wedding and the reception at the War

Memorial Mrs. Howell wore dusty rose satin with a matching hat. Mrs. Douglas was in royal blue lace over taffeta. Both mothers wore white orchids.

For traveling to Hawaii the bride changed into a black costume with white and black accessories. They will live in Owosso.

fly orchids, stephanotis and ivy.

The bridesmaids, dressed like the honor attendant, were Mrs. Robert Connelly, Mrs. Thomas F. Horrigan, Jr., Sallie Murphy, Mrs. W. Quenby Reno, Jr. and Pauline Schmidt. Nancy McEwan, of Ft. Lauderdale, Fla., cousin of the bride, was an honorary bridesmaid.

Joseph Cavanaugh was best man for the bridegroom, son of George B. Bailey, of York-shire road, and the late Mrs. Bailey.

Ushering were Hugh Eidt, Bruce Hilton, Arthur Pulte, W. Quenby Reno, Jr., and John Saylor.

For her daughter's wedding Mrs. Horrigan wore a gold and beige brocade ensemble with matching accessories and cymbidium orchids.

Following a breakfast reception the pair left for Nassau. They will live in Grosse Pointe.

With the G. Bethune Duffields also today will be his brother and wife, Mr. and Mrs. Frederick H. Duffield, of Touraine court.

Housewarming

The Allan Schildhammers who moved here early this month from Wilmette, Ill., are welcoming the Edsel Loughlins, of La Grange, Ill., this Saturday evening. The party in their Lochmoor boulevard home will honor the visitors and also serve as a housewarming.

The Loughlins will be visiting his parents, the Thomas Loughlins, of Lakeshore road, and her brother and sister-in-law, the Charles MacMahons, of Birmingham over the holiday.

For Thanksgiving dinner the Schildhammers will be hosts to Mr. and Mrs. Jack Sturtevant and their children, Mark and Sandy, of Washington road.

Uphams Return

Former residents can't bear to relinquish ties with the Pointe, especially when they are as popular as the Robert Uphams, who moved so recently from their lovely white colonial in Rivard boulevard to Lake Forest, Ill.

They are here for the holiday and will be honored this Friday evening by the Herbert I. Lords, of Country Club lane, at dinner.

On Saturday evening the James Smiths, Jr., of Moran road have planned a welcome to the Pointe party

Alpha Gamma Delta To Hold Luncheon Dec. 2

The East Side Alumnae of Alpha Gamma Delta will meet for a luncheon at the Barrington road home of Mrs. Victor D. Johnson, Tuesday, December 2, at 12:30 p.m.

All members in the area are invited. Call the hostess at VA 1-3353. Work will be continued on smocks for children at the Orthopaedic Clinic. Final plans will be made for the installation of Alpha Pi Chapter on the campus of Wayne State University.

About 40 educators from 20 countries are arriving here for a one semester teacher training program at The University of Michigan's English Language Institute.

College Crowd Bid to Dance

The Grosse Pointe War Memorial is turning its main floor over to the Pointe's Collegians this Friday night, November 28, between 9 and 12 o'clock, for a happy Thanksgiving Reunion Dance.

Students from the different campuses will get a chance to see their friends, catch up on the latest goings-on and compare notes on each other's progress and activities at school.

It is always quite a chore to get word of this party to all the Collegians when many are home for such a short time at Thanksgiving. A hard working committee of local students has been making and distributing posters to attract the out-of-townners' attention as soon as they arrive home. Also they've

mailed cards to the students' homes wherever they had addresses.

Hugh Sheean, Charles Pischea, Tom Danbury, Dennis McGuire, Pat Cavanaugh, Carol Patten, Joyce Stay, Lina Carey, Sherry and Janet Sinclair, Marilyn Pharr and Joanne Rodefeld have comprised the hard working committee.

The Center has engaged Earle Perkins and his orchestra for the evening.

The turkey has been losing weight since 1930. In the past, the big size of the bird has limited it to such family feasts as Thanksgiving and Christmas. But turkey raisers now are growing smaller birds.

CAR RADIO STOLEN

Florence Allsbrook, of 2260 Middlebelt, Farmington, told Farms police on Tuesday, November 18, that while she was in London East, 124 Kercheval, someone took the radio from her car, parked across the street. The radio was a type that could be removed and used as a portable, and could only be removed with a key. The theft was discovered by George Adams, the doorman, who said the keys were left under the car seat. The value of the radio was not given.

show her audience a whole bag of simple, effective and inexpensive tricks to brighten the home for the holidays. Mrs. Montgomery is an expert at this and she is very charming in her explanations. Mrs. Montgomery first became interested in floral decoration and arrangements when she joined the Grosse Pointe Woods Garden Club many years ago.

Since then she has served as president of her garden club and won an impressive list of awards for her clever arrangements. In 1956-57 she held the sweepstakes for flower arranging in Grosse Pointe. She has also won blue ribbons at the flower shows held in the Ford Rotunda and the Historical Museum. Just last spring she garnered the first prize at the Flower Show at the State Fair Grounds.

Among the many clever items Mrs. Montgomery will show her audience how to make cone wreaths, Christmas trees made of teal weeds, mistletoe kissing rings and balloon mobiles.

The public is cordially invited and there is no admission.

At intermission time, while enjoying refreshments, the crowd will be entertained by specialty acts of guitarists and quartets. Throughout the evening Clark Reid will play whatever numbers are requested and will dedicate numbers when requested.

Records will be given out by Clark to dance contest winners and to the lucky winners of novelty games. The young people will be chaperoned by Mr. and Mrs. Haglund, Mr. and Mrs. Asmus, Mr. and Mrs. Whittingham, Mr. and Mrs. Pierce, and Mr. and Mrs. Qualls.

And joining the two girls from Chambersburg, Penna., where she is enrolled at Wilson College, is Sarge Eagan, who is the daughter of the Emmett Eagans, of Stephens road.

On the local campus Red Cross units carry out service projects of their own choosing and work cooperatively through the Council on other undertakings.

The special project of WSU Red Cross Unit this fall has been the sewing of hospital- bed-bags and equipping them with small toys and entertain- ment items for young hospital patients.

The Council will have two major projects this year; a variety show with a "Turn of the Century" theme, which will be given in residences for Senior Citizens, with the "tal- ent" providing refreshments and a social hour following the show; Christmas gift wrapping for patients at Northville State Hospital and assisting the pa- tients to address their personal Christmas cards.

Devil Swim Team Hopeful Of Winning League Crown

A good sprinkling of veterans has given Coach Paul Wheeler a solid nucleus around which to build the 1958-59 Grosse Pointe Blue Devil swimming team.

Eight lettermen, headed by six seniors; Jim Carne, John Nicholson, Bob Hill, John Mertz, Gerry Mehl and Heath Boyer, and supplemented by juniors Dick Law and Mark Gregory, appear to give the Devils a well rounded starting lineup that could give the school in Fisher road a Border Cities League championship.

Fifteen reserves have been brought up and are headed by juniors Mike Bremer and Chris Kimball.

Time Trials Good

To date time trials good surprised Coach Wheeler this early in the practice season and bit to make the mentor a bit optimistic.

Said Wheeler, "We open December 2 against a good Birmingham team in our own pool and three days later will travel to Ann Arbor for a night meet. We will meet our first two league opponents when we entertain a strong Fordson team on December 12 and then travel to Monroe to take on the Trojans on December 19 before the Christmas holidays."

He continued: "You can see we have four tough meets right off the bat but that's the way we want it. We will know right away just how good we are. If we can get past those first four meets we will be a contender come next March when the State meet is held at East Lansing."

Blue Devil varsity practice must be limited because of the limited pool facilities at the high school which has long ago outgrown the meager 20 yard pool. And with each succeeding semester the enrollment gets larger and the pool gets smaller, or so it seems.

Everyone Suffers

Not only does varsity practice suffer at the High School, but the students themselves suffer because the tank just isn't big enough and there are not enough hours to accommodate all of the students in swimming classes every day of the week.

To avoid interrupting varsity practice, Coach Wheeler and his Blue Devils are using the new pool at Brownell on Tuesday nights. The Devils would welcome parents to see these practice sessions.

Coach Wheeler hopes that sometime in the near future, possibly this season, that at least two night meets can be arranged so parents can see the Devils in action.

Something new is being added to the Border Cities League swimming this year. It will be a league meet the first Friday and Saturday in March and will bring all six schools of

Austin Champs Still Strong

You would think that when a school loses an All-State star like Dave De Busschere the student body would be feeling sorry for itself. But this is not the case at Austin High, the 1957-58 State Champion.

Coach Chuck Hollosy summed it up best when he said, "Sure we'll miss the Big Guy but my boys are determined to prove to one and all that they can win without De Busschere. Of course, we'll have to be more conservative, but our style of play won't be altered much except for a few new wrinkles we have added to compensate for the loss of the Big Guy."

To watch the Friars in practice you can't dispute Coach Hollosy's statement. Business is going on as usual and the Friars bounce around the Austin practice court as if they had springs in their legs. Every varsity player can jump as high as the basket rim and they can shoot, too.

Seven Veterans Back

Seven veterans have returned and are the nucleus around which the Friars are building what they hope will be another State Championship team. The veterans include Tommy Pine, 6-3 forward; Gary Ruprich, 6-2 center; Dave Johnson, 6-2 forward; Dave Miller, 6-0 forward; Tom Wright, 5-9 guard; Rich Handloser, 6-0 forward; and Dave Sobocinski, 5-11 guard.

Leading the bench strength will be Bill Hodgeman, a guard up from the reserve team; Paul Zosel, 6-3 forward; and possibly Bill Fitzgerald, 6-3 center who currently is trying to master the peculiarities of algebra by attending two classes a day in order to become eligible by the third game. A victory in the classroom will be a boon to the Friar cage squad.

Coach Hollosy figures Notre Dame and U. of D. to be the strongest rivals on the Friar schedule with St. Joseph the "Dark Horse" in the Central Division title chase.

Notre Dame has a veteran team back as does St. Joe but the latter is under a new coach this year and will remain a question mark until after the first two or three games.

Also Question Mark

U. of D. being new in the league, also is a question mark. In past years the Cubs have been a contender in the Detroit Metro League and should prove strong. In football this fall the Cubs carried off the Central Division title.

Notre Dame will play the Friars only once in league competition but will tackle them a second time late in the season on a non-league basis. This strange quirk was brought about when Austin saved one of its combined football-basketball games, which are limited to 24 by the State Athletic Association, in case the Friars qualified for the Catholic League football playoffs.

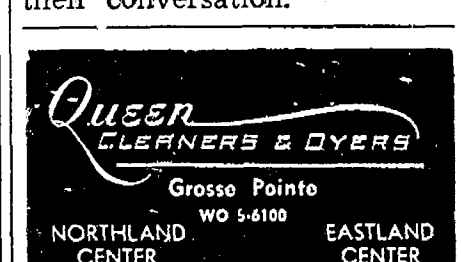

Inasmuch as Austin finished second in the Central League it was left with an extra game which could be added to the basketball schedule. Notre Dame got that date.

In all, the Friars will play four non-league games. The strongest non-league team it will face will be Mendel of Chicago which is an Augustinian school like Austin. By the January 10 game date, Mendel, which is not strangled by a limited basketball schedule like Michigan schools, will have played 20 games which includes two tournaments. Up to that date the Friars will have played only six games.

JUST TALK
The world is filled with people who never let ideas interfere with the easy flow of their conversation.

Boat Banter

The local winter yachting program will be getting off to a whirlwind start when the Detroit Yacht Club Corinthians present Alf Loomis and his movies of the 1958 Bermuda Race; the America's Cup Trials and the America's Cup Races on Tuesday, December 2, at the DYC at 8 p.m.

Alf, known the world over for his column in Yachting magazine, writes "These are the best pictures I have taken yet and I know all sailors will be interested in seeing them, particularly the America's Cup Trials."

The Corinthians are headed this year by Lynn G. Stedman, Jr., and with the valuable assistance of Al Gregory and Clarence Baker, both past presidents, was able to entice Loomis to come to the Great Lakes early in his busy lecture tour.

All Detroit River Yachting Association sailors are invited and the evening will cost you one buck.

The following night at the Detroit Yacht Club the Grosse Pointe Sail Club will hold its annual election meeting which will be followed by cocktails and dinner at which time the 1958 sailing awards will be made.

Nominated for 1958 Flag Officer posts are: Charles D. Todd, Jr., commodore; William Patrick Connolly, vice commodore; William McGraw and Nils P. Weeks, rear commodore. For the Board of Directors: Elmer Schmidt, Robert Verhelle, Philip Dickinson and William Flattery.

Following the election Commodore Bill Tousey will relinquish his flag of office to the unopposed Chuck Todd and join the ever swelling ranks of PAST Commodores.

The Grosse Pointe Sail Club is an interesting little organization that got its start some years ago in past Commodore Bud Miller's basement. Down through the years the GPSC, which is comprised almost entirely of Grosse Pointe residents, received permission to use the Grosse Pointe Park municipal beach facilities. That's where they stage their races and keep their boats.

Despite the clubs smallness it managed to attract the attention of local sailors, particularly catboaters, when it asked for and received a regatta date from the DRYA. That was a wonderful day for the GPSC sailors. The weatherman cooperated and the full-blown catboat regatta was a huge success. It was the biggest single gathering of the "one stringers" in many a moon.

The biggest day in the history of the GPSC was its acceptance to full membership in the DRYA. All this could not have been possible if it hadn't been for such energetic guys like Bud Miller, the first commodore; Duke Huber, Bill Tousey, Bill McGraw, George Genematis, Bud Wellman and Bob Connolly to name just a few. There were others and we are sure we have made a mistake in naming the men we did because we most certainly have overlooked someone. That's always the way it is when you try to give credit where credit is due.

The Detroit River Yachting Association will hold its annual election meeting at the Detroit Yacht Club, Friday, December 5, at 8:00 p.m.

Nominated to the 1959 Flag Officers posts are: John Detweiler (GPC), Commodore; Arthur Rautenberg (CSYC), Vice Commodore; Robert L. Benkert (BYC), S. W. Warner (DYC), Rear Commodore.

The Inter Lake Yachting Association winter meeting will be held in Lorain, Ohio on Saturday, December 6.

Other officers elected for 1959 include: Jim Stapleton, vice-president; Warren Jollymore, secretary; Pat Mullen, treasurer; Charles W. Casgrain, player agent; and Stan Kramer, minor league director. Charles Beltz was placed in charge of the 1959 game program.

The annual meeting approved the following coaches for the coming season: Ernie Collins for the defending champion Braves; Ed Devine, Cardinals; John Montgomery, Cubs; and George Wilson, Dodgers.

Other league officials to be appointed at a later date include the grounds chairman, equipment chairman, finance chairman, score keeper and assistant minor league director. These officials and the officers and coaches already named will compose the league board of directors for the season ahead.

Teeners Hurt As Brakes Fail

Five teen-aged girls were injured in an accident that occurred in the City of Grosse Pointe last Thursday, November 21, when the brakes on their car failed as they approached a busy intersection.

The injuries, which might well have been serious, were fortunately minor but all in the car were sent to Bon Secours Hospital. The accident took place at 11:45 a.m., during the students' lunch hour.

Driver of the doomed vehicle was Susan E. Williams, 17, of 15225 Essex boulevard, Grosse Pointe Park. She was headed south on Washington road, approaching Kercheval, when her brakes failed. The car slammed over the curb and into a city light pole.

Taken to the hospital were Miss Williams, with an injured right knee; Trudy Proefker, of 18556 East Ida lane, with a head injury; Sheila Slimon, of 437 Mason, who cut her right leg; Linda Wade, of 267 Moran road, suffering a cut on her left leg; and Peggy Dale, of 500 Ballantyne, who broke a finger on her right hand.

Richard K. Barton In Coast Maneuver

FORT LEWIS, WASH. — Army Specialist Four Richard K. Barton, 21, son of George H. Barton, 253 Moran road, Grosse Pointe, Mich., recently participated with the 39th Infantry in "Exercise Rocky Shoals", a joint Army-Navy maneuver held on the California coast.

Specialist Barton is regularly stationed at Fort Lewis, Wash., as a fire direction center computer in the infantry's Mortar Battery.

He entered the Army in April 1957 and completed basic combat training at Fort Lewis.

The 1955 Grosse Pointe High School graduate is a former student at the University of Michigan.

GPUS Cagers Facing Tough Schedule with Good Squad

Coach Bill Bellows is crossing his fingers these days while the football members of his 1958-59 cage team nurse late season bruises and work out muscle kinks in the G.P.U.S. gym.

The Black Knights have been working out on the hardwood court but at no time has Coach Bellows had all ten first string players on the floor at the same time. Consequently he is a bit reluctant to make predictions on the coming season.

However, Bellows pointed out that he has six returning veterans who, if they round into shape before the opening game against Lamphere on Tuesday, December 2, should give the Knights a winning combination.

Lettermen returning are George Haggarty 6-0, guard; Gordon O'Brien 6-2, center; Jack Pingrel 5-10, guard; Bob Wood 6-3, forward; and Dick Baron 6-0, guard. Helping out this quintet will be Dick Johnson 6-0, guard who failed to letter last year but has the experience of a veteran and should come through under varsity fire.

See Other Help

Help is expected from senior Dave Kelly who has played four years of Junior Varsity and Grieg Otte who also is a senior with a year of varsity experience. Tom Clark, a junior, should fit in nicely with Coach Bellows' plans for a race horse style of attack which depends mainly on smooth ball handling and a controlled offense.

Last year the Black Knights just barely managed a winning season on an 8-7 record over an independent schedule. Two of the losses came at the hands of Oak Park which is a Class A school. GPUS is class D. In both of these games Oak Park won on a combined total of six points. The most troublesome for GPUS has been Maumee who hasn't lost a game to the Knights since the series started.

In the Detroit Country Day game both schools throw past performances out the window. This is one of those traditional contests that has been going on for more years than Coach Bellows could remember and the outcome of these games have not always been decided until the final whistle.

Schedule Is Tough
Playing an independent schedule is tough as the Knights have found it hard to corner class D schools as opponents and for the most part have been forced to tackle class B and C schools. Maumee and Detroit Country Day are the only class D schools on the Black Knights' 1958-59 schedule.

GPUS will again compete in the Maumee Valley Invitational Tourney late in February. Last year the Knights captured the consolation title. The Knights do not compete in State competition as the school participates in many extra curricular activities and because the student enrollment is small. Many of the athletes do double duty which would not be possible if the cage season extended into March when the State competition takes place.

Dec. 5 Huron Away

Cub Scout Pack Has Big Meeting

Seven boys were officially welcomed by Cub Scout Pack 39 on Friday, November 21. They have now become Bobcats, beginning an interesting trail of scouting. Their leader is Akela, known to all scouts, and they will strive to become a Wolf, a Bear, a Lion, and next a Webelos, the highest rank in Cub Scouts.

These boys are: James Dutcher, Francis Addy, Robert DeSpir, Bill Stone, John Dempsey, David Martin, Dave Prendergast, and Steven May.

In the absence of Cubmaster Fosse, Mr. Edward Diedo conducted the meeting, distributing awards to many of the boys, showing much progress and many achievements made during the year. Announcement of the traditional Blue and Gold Dinner was made. It is to be held in St. Michael's Church, on February 5. Mr. and Mrs. George Thom are chairmen of this yearly event.

Den No. 5 presented an amusing skit, "News of the Day," depicting scenes from the daily events as announced, and including a press photographer. Characters were varied—including a baseball hero, a football star, "models" straight from Paris, Popeye, Olive Oil, Pluto, Dennis the Menace, Little Abner, and numerous others.

The Christmas party will be on Friday, December 5, and every boy is asked not to forget to bring a home-made ornament for the tree, and most important of all, a fifty cent gift to put under it. This date was made necessary because of election on December 2, regular meeting night.

It's a lot easier to find room for improvement than it is to find satisfactory building material.

When the French farmers were dosing themselves with herbs and Indian remedies in the 1860's three young doctors were making their mark in Detroit history. All three gave descendants to the Pointe where their names are still prominent.

Following the Civil War great strides were made in surgery and medicine and in Detroit some of our present hospitals were founded.

Dr. Theodore A. McGraw came out of the Army to begin private practice and find an interest in organization and teaching. He was one of the originators of the Detroit Medical College and the ideals he taught the nursing profession set new standards.

During his 40 years active practice Dr. McGraw invented many new surgical methods. He was an active supporter of vaccination giving the inoculations to his own family when that idea was still held in suspicion by many. Detroit suffered many smallpox epidemics which he tried to prevent. Dr. McGraw lived until he was 72, giving his son to the profession. Theodore McGraw, his grandson, lives today in Vendome road.

Uniting two medical families was the marriage of Dr. Theodore A. McGraw, Jr., and Esther Longyear, eldest daughter of Dr. Howard W. Longyear, first superintendent and resident physician of Harper Hospital. After young Dr. McGraw's death, she married Dr. Fred T. Murphy, who later married Mrs. Frederick M. Alger.

After studying in Vienna and Berlin Dr. Longyear came to Detroit to achieve fame. He was president of the American Medical Association. It was due to Dr. Longyear that antiseptic surgery was introduced at the hospital. He was a constant student and writer, one of his works being used as a text in many medical schools. In 1890 he went to England for further work and then became prominent in gynecology and abdominal surgery.

Dr. Longyear was one of the first local residents to summer at Huron Mountain, still a favorite retreat of Pointers. He died in 1921. A daughter, Mrs. Longyear Palmer, of Washington road, quite a name in the garden world, carries on his love of nature.

Dr. Longyear was a student of another popular Detroit doctor, Dr. David Osburn Farrand, son of a judge noted in Northwest Territorial days. He entered the Civil War and soon won a reputation as a surgeon. Over 5,000 soldiers were treated by Dr. Farrand, then in his twenties. After the war he was commissioned assistant surgeon in the regular army. He was General Lewis Cass' personal physician.

Very popular socially and with his students he won many civic and political honors before his life was cut short at 45. The Farrand Training School at Harper Hospital is a memorial to him. Mrs. William P. Herbert his granddaughter, and a great grandson, William Prescott Herbert, living in St. Clair avenue, carry on the Farrand tradition.

who, where and whatnot

Home from Europe in time for the holidays with some Copenhagen china and Danish silver coming to set beneath the Christmas tree are the Jack Frasers. They are regaling their friends with the tale of going through customs behind international beauty Zsa Zsa Gabor.

For the ladies, the lovely blond star was wearing a lush red wool empire frock and a full length mink coat (her famous chinchilla was packed). Miss Gabor took great exception to the customs'officials' careful scrutiny of her luggage . . . remarked to fellow passengers that she had never had such an inspection even behind the Iron Curtain . . . and that the scores of Dior ball gowns were at least five years old . . . she had flown from Paris on one of the new jet flights.

Another tale from the Continent concerns Mrs. Charles B. Warren, Jr., who won't be home for Christmas. She writes that she will have no difficulty remembering the new Pope, John XXIII, for her son's name is John and his birthday on the 23rd of the month.

Seven-year-olds can be very condescending as Mrs. Jean Mesritz discovered last week. Her second grade son George came home and informed her loftily that he had to write a composition. Mrs. M., who has a great deal of talent along this line herself, and trying to be helpful asked, "What will you write it on?" His reply, in a withering voice, "Oh, mother, on paper, of course."

The late Mrs. Arthur Maxwell Parker's home in Oldbrook lane was famed not only for its rare garden but for the portraits of her ancestors which hung throughout the house when they were not on loan to the Detroit Art Institute. She was a descendant of James Bowdoin, governor of Massachusetts in 1751 and Samuel Pitts, a guest at the Boston Tea Party. Many of the portraits are by the American painter, Copley. Mrs. Parker's father was Thomas Pitts who built one of the Pointe's early summer homes just this side of St. Paul's Church in 1873. "Bellehurst" was also owned by the H. A. Newlands and famed for its English gardens designed by Mr. Pitts, whose portrait is also a museum work.

PILFERINGS

Security is when I'm very much in love with somebody extraordinary who loves me back . . . Shelley Winters.

America is a large, friendly dog in a very small room. Every time it wags a tail, it knocks over a chair . . . Arnold Toynbee.

A fanatic is one who can't change his mind and won't change the subject. . . . Winston Churchill

The mother of a small boy told the school psychiatrist: "Well, I don't know whether or not he feels insecure, but every body else in the neighborhood certainly does."

The officious woman bounced into an art gallery and made a superficial tour of the exhibits. "Are these the masterpieces I have heard so much about?" she asked, in a scornful tone. "I don't see anything in them."

Quietly, the curator said, "Madam, don't you wish you could?"

MRS. CHARLES R. MURPHY, OF BEDFORD ROAD

—Picture by Fred Runnells

By Patricia Talbot

This bright Thanksgiving Day few will be the families bundling up in the old fashioned way to trek over the river to grandmother's house for the succulent dinner and great reunion. Most grandmothers are visiting themselves these holidays and few are prepared to set the famous tables of by-gone days.

But Mrs. Charles R. Murphy upholds the old standards. Of seven children, four will be on hand to eat turkey with their children at grandmother's house today.

For years the Murphys have enjoyed not only holiday reunions with their great and growing family but have welcomed them every Sunday to dinner. They keep 4 cribs in the upstairs bedroom for the toddlers among their 15 grandchildren who need naps after a hearty dinner.

Modern Kitchen Aids Old fashioned in sentiment but not in action is Mrs. Murphy who prepares well ahead for the turkey dinner. She relies on her deep freeze to keep candied sweet potatoes and other delights ready for the big day. She cooks every speck of the dinner herself except the traditional pies. Her eldest daughter's mother-in-law, Mrs. E. R. Granger insists on bringing those, but Mrs. Murphy loves to bake herself.

Serving 20 or 30 is no chore to this grandmother, who believes she has more fun with her family than anyone else.

When she first moved to Grosse Pointe over 30 years ago to a 15 bedroom house on Balfour road, she was almost in the country. Her Scotch nursemaid dressed the eight children in red caps so she could find them in the vast fields of Windmill Pointe. In those days family and friends often swelled the dinner table to 40.

Some Won't Be There Nowadays Mrs. Murphy is grateful for her children and grandchildren's visits on Sundays, Christmas and Thanksgiving. "I take them when I can get them," says this charming white-haired matron, with the open heart.

This year the Murphys' eldest daughter and her husband, the Theodore Grangers and their two daughters, Mr. Granger's parents, the Pat Murphys and their small one; the Baird Wilsons and their two and the John Murphys and their three will be sitting down to Thanksgiving dinner. In Chicago are the Ed Aldworths; in California, the Gus Wrights, and in Hartford, Conn., the Andrew Creamers. Family devotion which includes sewing stunning fashions for her granddaughters, does not prevent Mrs. Murphy from civic duties. She has worked for years for Sigma Gamma Association and Franklin Settlement, and is a sustaining member of Junior League.

Family First But her family remains her chief interest. Hoards of pictures deck the Murphys comfortable home showing chil-

no apology for it. The new generations of Murphys will have a fine memory of grandmother's Thanksgiving to cherish all year long.
