HEADLINES

of the WEEK

As Compiled by the

Thursday, January 11
FORD MOTOR COMPANY DIRECTORS, meeting yesterday in Dearborn, voted a two-for-one split of all Ford stock. The board also recommended a dividend increase to 90 cents per share quarterly payable March 1, before the split becomes effective. A substantial advance over the previous 75-cent-a-share dividend rate. The split, affecting 250,000 individual and institutional stockholders who hold 20,726,000 shares of common stock, had been anticipated for two months in financial circles. As Ford Motor incorporation requires a special stockholder approval of a stock split, the board voted a special meeting for this purpose to be held in conjunction with the annual stockholders meeting in the Detroit area May 24. If approved, the stock split would become effective May 31, and distribution of additional share certificates would soon follow.

A COAL-MINE EXPLOSION in Herrin, Ill., has trapped at least 11 men in an underground gas and debris filled tunnel. Blue Blaze Mine Co. officials stated that they had no way of knowing immediately whether any miners survived Wednesday night's blast, but added that the situation "doesn't look good." Rescue workers have succeeded in rigging a makeshift elevator cage to replace one destroyed in the horrendous explosion and have begun salvage operations. The trapped men had been working at the 166-foot level, and were about 500 feet from the shaft when the blast occurred.

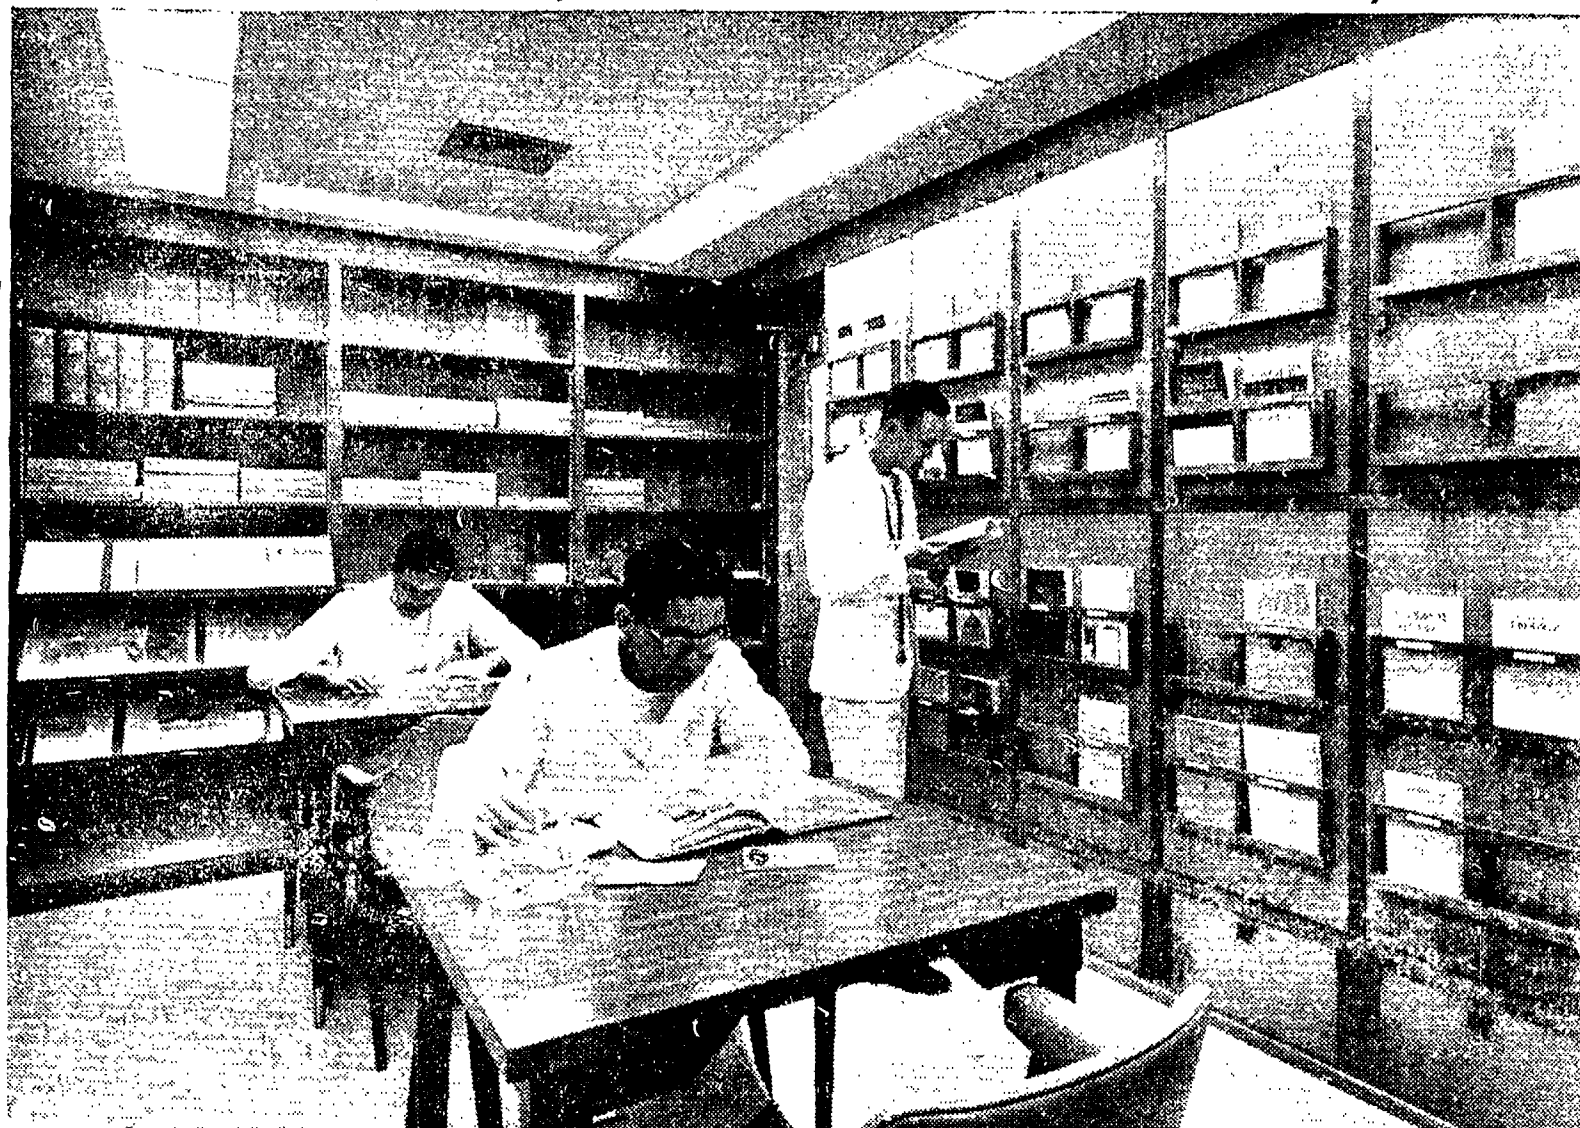

MOST OF THE NATION is still shivering under a blanket of Arctic cold, and the weather bureau promises only slight relief in the next few days. At least 95 lives have been lost in a brutal winter storm which swept through Dixie yesterday, dumping from one to seven inches of snow as far south as Ocala, Fla., and making highways icy and hazardous all the way to the Gulf of Mexico. Over 100 fires have been blamed on the cold wave, one of the bitterest of the century, and 50 persons are reported homeless.

Friday, January 12
PRESIDENT KENNEDY yesterday requested increased power to cut taxes and tariffs as part of a partnership for progress in an America "ready to seize the burden and the glory of freedom." The President's State of the Union message to Congress, while not precisely optimistic, had fewer dire predictions and more specific good news than his first message a year ago. Kennedy noted that major international problems remain unsolved, but reported an increase in United States military power during the past year, an Atlantic Alliance renaissance, improvement in United States balance of payments, and progress in underdeveloped countries. Congressional reaction to the President's message was split, largely along party lines, with the Democrats generally in favor of the proposed program and the Republicans sharply anti-tax and tariff cuts.

GOVERNOR SWAINSON yesterday chided the Michigan Legislature for procrastination, and urged the State lawmakers to buckle down and get to work to solve Michigan's problems. Sticking to broad generalities, the 36-year-old Governor called for aggressive action to meet mental health and higher education needs. He promised specific details of his program in separate messages to be delivered to the Legislature later—a new strategy designed to get maximum publicity for each separate recommendation. Swainson cited increased employment, expansion of industries and the electronics industry potential as bright facets of the Michigan State picture, but charged the lawmakers with failure to provide realistic appropriations "in most every area."

Cottage Hospital Has New Medical Library

Making good use of the new and modern medical library at the Cottage Hospital of Grosse Pointe are, left to right: DOCTORS JUSTINIANO DE LOS

SANTOS, GREGORIO R. CATURAY, and CATALINO C. VIZCARRA. For details of the new facility and how it was created, see story below.

Woods Plans Open House This Sunday

All Residents and Officials
Neighboring Municipalities
Invited to Attend

The Woods public, and officials of neighboring cities have been invited to an open house at the Woods Municipal Building, 2025 Mack avenue, to be held between 1 p.m. and 3 p.m. on Sunday, January 21.

The open house will give residents an opportunity to meet three new city officials who took office on November 1. They are City Manager Chester Petersen, City Controller Russell Manney, and City Assessor Warren DeCook.

Also on hand to greet the residents will be Mayor Kenneth Koppins and all the members of the city council, and the various heads of the city departments.

Invitations have been sent to all officials in the other Points, East Detroit, Harper Woods, St. Clair Shores and other communities.

There will be plenty of refreshments for everyone.

Seek Materials For Cancer Pads

The Pilot Club of Detroit, a professional woman's service organization, needs white materials (shirts, pillow cases, etc.) which can be cut into 16 by 16-inch squares, for use in making cancer bandages.

Anyone wishing to donate such material may call Mrs. George Lang, TU 2-5715, who will arrange for it to be picked up, or the material may be dropped off at Mrs. Lang's home, 465 Kerby road.

Farms Council Has Praise For Battlers of Big Fires

The Farms council on Monday, January 15, offered no official criticism, and appeared satisfied in the handling of the fire that destroyed Al Green's on the Hill restaurant.

During the course of the meeting, the council approved payment of a bill in the amount of \$1,375 to Detroit, for the use of four pieces of firefighting equipment dispatched to the scene of the fire when asked for help.

The Farms has a standby service contract with Detroit, for which it pays an annual fee of \$1,089, based on the assessed real property in the Farms.

Curriculum Specialists Take Challenging New View On Development of Pupils

Authors of Yearbook See Function of Education as Requirement to Give Students Chance to Achieve Greatest Potential

A challenging new view of pupil potentialities which can be developed by a new approach to the educational process is presented by a group of curriculum specialists in the 1962 yearbook of the Association for Supervision and Curriculum Development (ASCD).

Assistant Superintendent — Instruction H. Leroy Selmeier of the Pointe Schools is a member of the Publications Commission of the association.

The authors of the yearbook regard the function of education not as enabling the pupil to adjust to "average" conditions, (who wants to be average?), but rather as the development of the supremely competent individual personality, judged not in terms of averages, but of ultimates.

They use such terms as "fully functioning," "self actualizing" and "truly adequate" to describe such a person who might, in less esoteric language, be thought of as a well adjusted eager beaver. He is, says one of the authors, one person out of 100, but new approaches to education can produce more of his stripe.

Authoritarian Culture
The reason we do not have more of these people now, the authors contend, is largely because we have an authoritarian culture in the home, the school, and the church.

Parents regard infants as "things" which are in need of correction; teachers tend to regard pupils as "things" to be measured against preconceived standards, fitted into grade levels, molded to conform to what is expected of the average. Teaching pupils to conform, they teach them to withdraw into their own shells, rather than to expand their unique capabilities.

Churchmen, rather than

churches or religion itself, may have the same effect of shrinking the youthful personality.

Reacting defensively to this authoritarian environment, the child, in the process of growth, tends to learn—to perceive—only those things which promise to make him better off. The child shuns the venturesome or creative and comes to see himself as impoverished—and not able to do much about it.

More Positive View
On the other hand, that one child in 100 who is "extremely adequate, self actualizing" has a more positive view of himself. Such children "see themselves as persons who are liked, wanted, acceptable, able as persons of dignity, and integrity, worth and importance." They expect to be successful,

Nab Murderer of Bank Teller
Mrs. Nedra Anders, 45, head teller in the Kerecheval and St. Clair branch of the National Bank of Detroit, was found stabbed to death in her home, 5620 Wayburn, Wednesday night, January 10. Detroit police arrested the murderer, James Philip Ettel, 2517 Cadillac, at 3 a.m. Thursday.

Ettel, 21, an unemployed salesman, stated that he had come to the Anders' home to see Mrs. Anders' 15-year-old daughter, Carol. Mrs. Anders, a widow, allowed him to enter the house and telephone Carol, who was visiting a girl friend.

Old Laundry Converted to New Library

Modern Facility at Cottage Hospital Largely Paid for by Medical Staff

What once was the laundry in the original Cottage Hospital building has been remodeled into a modern doctors' library and reading room at "The Hospital On-The-Hill" in Grosse Pointe.

The library and reading room has been wood paneled, and has "shadowless" lighting, eliminating eye-strain and illuminating the reference material and books on the library shelves.

Periodical racks are mounted on doors in the library. There is storage space for back issues of the various medical periodicals behind the doors.

In addition to the doctors' library and reading room, the remodeling program included an office for the director of medical education.

Staff Footed Bill
The medical staff, according to Miss Carolyn Wicks, hospital administrator, contributed the major portion of the cost of remodeling, air conditioning and furnishing the library and reading room. The program was undertaken while Dr. Harold Cross was chief of staff.

Photographic portraits of staff physicians whose dedication and devotion have greatly contributed to the hospital's growth and services will be hung on the walls of the library and reading room," Miss Wicks said.

The first one to be so honored, she said, is the late Dr. Kenneth M. McColl, who was a prime mover in the hospital's resident education and training program. For many years Dr. McColl was chairman of the medical education committee of the medical staff.

Librarian Employed
The services of Miss Marjorie Darrach as medical librarian have been obtained. Miss Darrach was for many years medical librarian for the Detroit Medical Library before she retired from that position in 1960.

The hospital's medical staff has access to all medical books and special materials in the medical libraries of the Detroit area. Volumes and materials not contained in Cottage Hospital are picked up and delivered to and from Cottage Hospital by members of Cottage Hospital's auxiliary volunteers.

Doctors in the area who are not on the hospital staff may also make use of the new library and reading room, Miss Wicks said.

Traffic Accidents Cost Nine Lives in Pointe During 1961

Total of 1,008 Mishaps Recorded on Safety Records; City and Woods Get Through 12 Months' Period Without Fatalities

The Pointe recorded a total of 1,008 traffic accidents during 1961, in which nine persons lost their lives. One death is attributed to a non-collision type accident, and one death was that of a pedestrian.

There were three fatal accidents in the Farms in which four persons died; three in the Shores, four persons died; and one, the non-collision fatal, in the Park.

The first to die in Pointe traffic was the pedestrian, killed in the Farms while crossing Mack avenue on March 28. He was William J. Coulter, 70, of 461 Allard, who died of injuries, in St. John Hospital.

Airman Is Victim
Also killed in Farms traffic was Airman 2/c Eduardo Velez, Jr., 29, of 12811 East Warren, Detroit, and his passenger, Mrs. Faye Chandler Byrd, 31, of 884 Dickerson, Detroit. They died when their car crashed into a utility pole at Lake Shore road and Newberry.

And, Mrs. Margaret Davis, 31, of 45 Beverly road, who died on December 4, of injuries received in an accident at Ridge and Moran on November 21.

In the Shores, Donnie L. D. Duke, 23, of 6223 Fairview, and Eugene Nelson, 20, of 3575 Ly-caste, both of Detroit, died on May 13, when their car crashed into a tree in front of 1010 Lake Shore; Charles E. Nadeau, Jr., 39, of 21308 Raymond, St. Clair Shores, crashed into a tree at 1010 Lake Shore on August 7; and Richard M. Belmore, 18, of 22511 Thirteen Mile road, St. Clair Shores, killed on November 25.

Five Others Injured
Belmore died when his chest was crushed and a rib bone punctured his heart. Five youthful companions who were taking him to a hospital for treatment of an ailment, were injured, one critically.

The non-collision fatal is recorded against the Park. On December 19, Peter C. Bayer, Jr., 4, son of the Peter C. Bayer, of 689 Rivard boulevard, fell out of an automobile driven by his mother. The boy was in the front seat, next to his mother, when the car door suddenly flew open and the boy tumbled out and landed

Dr. Bushong Talks Tonight

Grosse Pointe High School Mothers' Club presents Parents Program Night, Thursday, January 18, in the new gym at 8 o'clock.

Dr. James W. Bushong, Superintendent of Public Schools, recently returned from a month of observation and study of the Russian educational system, will speak on "The Wall in the Russian Mind."

All fathers, mothers and interested citizens in the community are urged to hear Dr. Bushong tell us why he fears the Soviet schools. A reception and social hour follow the program. No charge.

Manhole Cover Blown Off Under Policemen's Noses

A manhole cover in front of the Woods Public Safety Building, 20775 Mack avenue, was blown several feet into the air Sunday evening, January 14, by an explosion caused by shorted electrical wires in the manhole.

The explosion occurred about 7:22 p.m. and was witnessed by officers in the station, who said that smoke and flames shot up from the manhole. The blast rattled windows in the neighborhood.

All scout car units and their crews were radioed to the scene for possible emergency service. The Woods has an integrated department, wherein policemen also double as firemen.

Doctors in the area who are not on the hospital staff may also make use of the new library and reading room, Miss Wicks said.

11 Aspirants Seek Vacant House Seat

Nine Democrats and Two Republicans Vie to Represent 14th District

Nine Democrats and two Republicans will seek the seat of the late Louis C. Rabaut, at a special Congressional election to be held on Tuesday, January 23.

Rabaut, United States Representative from the 14th Congressional District died November 12 while attending a testimonial dinner in Hamtramck, in honor of Federal Judge Thaddeus M. Machrowicz. Rabaut lived at 1015 Three Mile drive.

He was first elected in 1934 to the 74th Congress, and served on every Congress thereafter, with the exception of the 80th, until his death.

The Candidates
"Asking to fill the now vacant seat in the House of Representatives are Democrats Harold M. Ryan, presently State Senator; Louis Rabaut, son of the late congressman; Roland O'Hare, John A. Pfeiffer, Jerry Boglarski, Richard A. H. J. Guzowski, Chester J. Kaczmarek, Francis J. McDonald and John P. O'Brien.

The two Republicans are State Representative Robert E. Waldron, and Donald P. O'Keefe.

All qualified registered voters are urged to vote next Tuesday. Polls will be open from 7 a.m. to 8 p.m., and persons in line after the deadline will be permitted to cast their ballots.

Absentee Ballots
All city clerks also urge persons planning to vote through the absentee ballots, to be sure to have the ballots in by 2 p.m. Saturday, January 20. All ballots not in by then will be void.

The 14th Congressional District stretches from Field and the Detroit River to Van Dyke to Eight Mile and east to city limits in Detroit, and includes all of the Points and Harper Woods.

U-M Director To Speak Here

Parents and teachers of Grosse Pointe will be given an opportunity to hear Dr. Clyde Vroman, Director of Admissions, University of Michigan, speak on "Planning for College."

The program, which is being sponsored by The Grosse Pointe PTA council, will be at the Parcels Junior High School on Wednesday, January 24, and will begin at 8 p.m.

Dr. Vroman received his Bachelor's and Master's degrees, and Ph.D. in Education at the University of Michigan. Since 1949 he has held the position of Director of Admissions.

He also serves as chairman of the committee on School-College Articulation, chairman of the Project for Guidance of Superior and Talented Secondary-School Students in the Michigan area, member of the Board of Trustees of the College Entrance Examination Board, and Consultant to the School-College Relations Committee of the National Secondary Schools Principals Association.

He also taught in the Teacher Education program at the University for 13 years.

His talk will answer many of the questions that parents and students ask: Who should go to college? What are some of the major differences in colleges? What is a good college? What are some of the major differences in students? What are the unique roles of students, parents, and schools in preparing students for college?

What seems to be ahead in college admissions? There will be a question period at the conclusion of the meeting.

The PTA Council cordially invites the teaching staff, administrators, and parents of the community to attend.

CAR BRAKES REMOVED

Mrs. Herbert P. Eidt, 765 University, reported to City police on Tuesday, December 12, that some time during the preceding night, someone had entered her garage and pulled the emergency brake from her car, leaving handprints all over the dashboard. The matter is under investigation.

Nine Killed In Accidents

head first on the pavement. He died in Bon Secours Hospital.

Park Record Marred
According to National Safety Council regulations, the death must be recorded as a traffic fatality because the boy fell from a moving vehicle, it was disclosed by Park Police Chief Arthur Louwers. This marks the first traffic fatality in the Park in four years, the chief added.

These are the 1961 traffic accidents reports as submitted by the Pointe Police Department:

Park — total accidents, 289; 71 non-fatal accidents, (accidents in which persons were injured), 97 persons injured; one fatal; 210 property damage; nine pedestrians injured; six cyclists injured. Of the total accidents, 199 occurred on the main streets, and the balance on local streets.

28 Hit-Run Cases
There were 28 hit-and-run accidents, of which 14 were cleared through arrests. Nine persons were convicted, one found not guilty and three persons had charges against them dismissed.

City — total of 197 accidents; 38 non-fatal; 50 persons injured; 159 property damages; 377 vehicles involved; three pedestrian accidents, with one person injured; 73 violations issued, including to seven juveniles; 27 vehicles struck objects; one accident involved a motor bike and three involved bicycles.

193 Farms Accidents
Farms — total of 293 accidents; 51 non-fatal accidents; three fatalities; 244 property damage; one pedestrian fatal and five pedestrians injured.

Woods — total of 164 accidents; 71 non-fatal; nine persons injured; 19 injured from other type of accidents; eight hurt by cars while riding bicycles; three injured when cars ran off roadways.

Shores — total of 72 accidents; property damage 48; persons injured 21, non-fatal; 10 fatalities; 3 cars involved; 119 pedestrians; 2; and hit-and-run 2.

2 Escape Injury In LS Accident

John J. Guzdek, 22, of 17130 Mitchell, Detroit, and a passenger in his car, narrowly escaped serious injuries, when Guzdek's car ran off the road and went between a tree and a solid brick wall.

Shores police went to the Lake Shore road curve, near number 1100, on Sunday, January 14, where they found Guzdek and his passenger, Jerry Kucway, 20, of 4160 East Outer drive, Detroit, in their automobile, wedged between the tree and the wall. Neither of the youths was injured.

Guzdek said that he was driving about 35 miles an hour on Lake Shore, going north, when he lost control and his car jumped the curb. He claimed that another motorist cut in front of him, and forced him to swerve, causing the mishap.

The front end and both sides of the youth's car were damaged. Police said there was damage to the tree and the wall.

Curriculum Specialists Take Challenging New View

(Continued from Page 1)
and because they have the expectation of being successful they do the things that enable them to become successful.

Children often are now regarded, the authors say, as "a kind of enemy of schools," certain to go wrong unless somebody keeps them straight. Instead, they suggest, all people have a basic, innate need to grow that does not need to be imposed. The authors postulate a built-in thrust to health, a need to become fully a functioning adequate personality.

When this view is accepted the task of education "does not call for directing, controlling, remaking and molding," but instead teaching becomes a process of "facilitating, helping, assisting, aiding and encouraging" the pupil to do what the inner drives of the pupil suggest to him as good for his own growth.

Tremendous Implications
"This seems but a simple shift in our thinking," the book says, "but its implications are tremendous. . . . What a difference it makes when one can trust the persons with whom he works!"

"A trust in each individual's motivation toward health helps teachers to become more human and schools far pleasanter representations of the society they hope to advance. A student seeking to become the best person he can be is seeking for himself the same thing that teachers want for him.

"Teachers and students are not antagonists, (although, to be sure, they can be). Rather they are co-workers, cooperating people seeking the same ends, and decision-making becomes not only possible, but desirable. Methods of guidance, facilitation, cooperation, exploration, assistance and help become natural devices to carry out the educative process in place of force or coercion."

Four Scholars Give Views

In the preparation of the yearbook, titled "Perceiving, Behaving, Becoming: A New Focus for Education," ASCD, a department of the National Education Association, invited four scholars to contribute papers giving their description of that ideal person envisioned as the end product of education. These papers were contributed by Arthur W. Combs, professor of education, University of Florida, Gainesville; Earl C. Kelly, professor of education, Wayne State University, Detroit; Carl R. Rogers, professor of psychotherapy, University of Wisconsin,

Republican Club To Hear Hubbard

The Fourteenth District Young Republican Club is having as its guest speaker on Thursday evening, January 18, Mayor Orville Hubbard of Dearborn.

The meeting will begin at 8 p. m. and everyone who wishes may attend. The group assembles at the Republican Headquarters at East Warren and Beaconsfield avenues.

**Reckless Drivers
Pay Up in Court**

Harriet Ann Halas, 13505 Griener, Detroit, was fined \$50 for reckless driving by City Judge Joseph P. Uvick on Tuesday, January 9.

Woodrow William Praught, 485 Lincoln, and Carol Dolbridge, 696 University, both charged with reckless driving, were each found guilty on a reduced charge of car not under control. Miss Dolbridge paid a \$5 fine, and Praught was assessed \$20 plus \$12 in damages.

Running a red signal cost Frank J. McHugh Jr., 123 Mapleton, \$15. Cases against Rita Mary VerHoven, 8179 Monticue, Detroit, and John Henry Powers, 19389 Roscommon, Harper Woods, were dismissed.

Both were charged with reckless driving, but in neither instance did an officer see the accident, and the witnesses refused to testify.

**To Face Charges
Of Stealing Gas**

Scheduled for a court appearance on a charge of simple larceny are Richard S. Mountford, Jr., 4303 Nott, and Michael A. Salerno, 4619 Lodewyck, Detroit, both 17, who were discovered siphoning gas from a car parked at the rear of the Staelens Apts., 17540 Mack, on Sunday, January 14.

City police officers William Waldeck, Jr. and George Brackx observed Mountford and Salerno parked in separate cars at the rear of the Staelens Apts. on Sunday evening. The boys had placed a five-gallon gas can at the rear bumper of a '60 Falcon, with a hose running from the can to the filling spout of the Falcon.

Under questioning, they admitted taking the gas, and also confessed to a similar theft on January 5.

Both Mountford and Salerno were jailed and their parents notified to appear at the City police station at 10 a.m. on Monday, January 15. A 15-year-old girl, who was with the two boys at the time of the theft, was released to her parents Sunday night.

Mountford and Salerno, released Monday morning in the custody of their parents, are to appear in Court on Tuesday, January 23.

**Gym Club User's
Assets Reduced**

A 63-year-old male patron of a Woods reducing salon was the victim of a thief who used the patron's locker key to open a locker and help himself to the man's wallet and money.

Allen Trapold of 14492 Rosini, Detroit, was using the facilities at Vic Tanny's Gym and Health Club, Mack and Bournemouth, when the thief invaded his locker, according to information Trapold gave to Woods police.

Trapold said that he had hung his key on the same rack with his clothing and when he returned, he found the key missing. He said he went to his locker and found the key in the lock and his wallet and change purse missing.

The Detroitier said that the wallet contained \$45, his operator's license and personal papers, and the change purse had four single dollar bills and one dollar in change.

Be sure you have the ability—some people with a high aim in life never get a chance to shoot.

Exchange Club Installs New Officers

Newly elected officers watch with smiling approval as Metropolitan Exchange Council president ROBERT J. PRINS presents incoming Grosse Pointe Exchange Club president JOHN J. ZOLAD with the official

Club pin. From left to right: CHARLES R. REINOWSKI, JOHN J. ZOLAD, ROBERT W. SCOVILLE, ROBERT J. PRINS, and CALVIN T. MAGILL.

In a formal ceremony Tuesday at the Grosse Pointe War Memorial Center, the Exchange Club of Grosse Pointe installed its new officers for the coming term.

After an invocation given by Rev. Arnold D. Johnson, Metropolitan Exchange Council president Robert J. Prins administered the oath of office to the incoming officers.

John J. Zolad was presented with the president's gavel and pin. Serving with him are Charles R. Reinowski, vice-president; Robert W. Scoville, secretary; and Calvin T. Magill, treasurer.

Newly elected Board of Control members are H. Henning Freden, Alfred E. Lindbloom, Ervin J. Wile, W. R. Scott Orr, Robert H. Taylor and Clem Zmyslowski.

The National Exchange Club is established throughout the United States in over 1,600 chartered local clubs. Sixty of

these are in Michigan, 33 of which are in the greater Detroit area.

The Exchange Club of Grosse Pointe meets every Tuesday at the Grosse Pointe War Memorial Center, for dinner followed by a meeting. Their program is one of service dedicated to the youth of Grosse Pointe, and the sponsorship of local annual Fire and Crime Prevention Weeks.

INJURED IN FALL

Helen Escott of 4008 Devonshire, Detroit, slipped and fell on the icy sidewalk in front of 1412 Devonshire, at Charlevoix, on Thursday, December 28, and suffered a broken right ankle and lacerated knee cap. She was taken to Bon Secours Hospital by Park police.

New Branch Bank Holding Open House and Flower Exhibit

The Mack-Moross Road office of National Bank of Detroit is now located in this beautiful new building and is open for business. Exterior is beige-colored brick, aluminum and glass with the interior finished in walnut and pastel shades. Giffels and Rossetti are the architects. Complete banking and trust services and safe deposit facilities are available and adjacent parking has been provided. A new feature is drive-in banking with three windows for fast service.

To celebrate the opening an Open House and Flower Show

will be held January 17, 18 and 19 from 9:30 a.m. to 9 p.m. Residents of the area are invited. Floral arrangements are under the direction of Vincent R. dePetrus of Grosse Pointe Farms, nationally-known horticulturist. He will be available for questions and discussions daily from 10 a.m. to 3 p.m. and from 6:30 p.m. to 9 p.m. The exhibit will feature exotic tropical flowers from Hawaii, spring-blooming Michigan plants and many others. Lester V. Scherrer is manager of the Mack-Moross Road office and Philip K. Shea is assistant manager.

Shores Judge Hears 3 Cases

Shores Judge John Gillis passed sentences on three persons found guilty of infractions of the law. The violators appeared before him on Monday, January 8.

A heavy fine was imposed against James R. Courtright of 431 Bedley Crescent, Milan, Mich., who was found guilty of violating Village Ordinance 43, which prohibits hawking and peddling without a Village license.

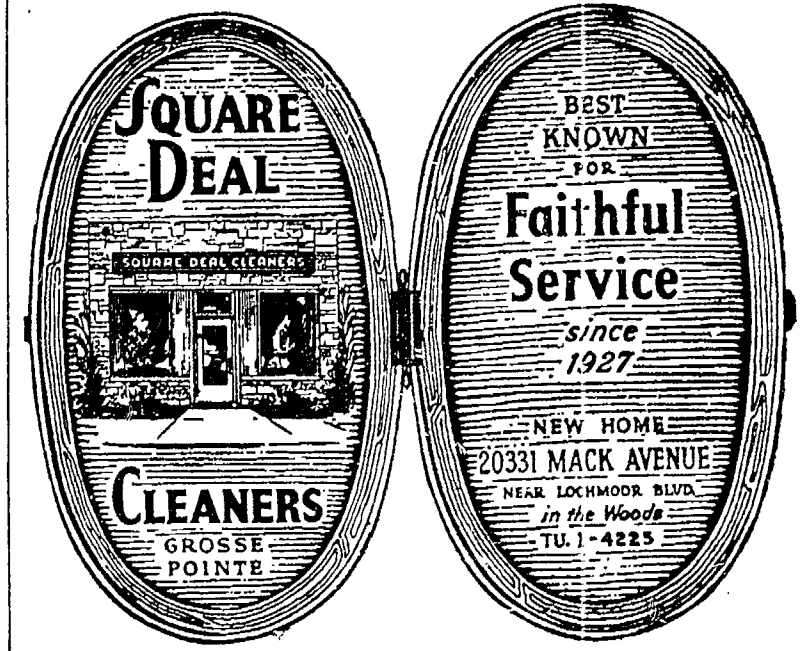

Courtright paid a fine of \$75, and was placed on probation with the Wayne County Probation Department for one year.

"Sponsored" research for government, industry, foundations, and individuals now has an annual dollar volume in excess of \$30 million at The University of Michigan.

In addition, he was instructed to report to Judge Gillis' court in one month.

Leta M. Bain of 12109 Wayburn, Detroit, was found guilty of not having her car under control and causing an accident in front of 627 Lake Shore road. She paid a fine of \$10.

Lucille S. Ewart of 1570 Bournemouth, was found guilty of driving 40 miles an hour on Vernier road, a 35-mile zone, and paid a fine of \$5.

invites you to join his deluxe

15-Day Tour to Mexico

FEBRUARY 24 \$493.50

Mexico offers the tourist one of the finest vacation areas in the world. It is certainly the perfect choice for the person interested in sampling a Latin American country. It offers a wonderful climate, luxurious hotels, good food, excellent beaches, unusual sports, good "buys," a great deal of "local color," magnificent scenery, and an interesting culture.

Feb. 24: Leave Detroit via American Airlines in the morning. Arrive in Mexico City after lunch. You will be met and transferred to the HOTEL ALFER.

Feb. 25: You will be taken by limousine to the Palace of Fine Arts to witness the Mexican Folklore Ballet, and then on to XOCHIMILCO, where you will enjoy a boat ride through the colorful "Floating Gardens." You will have lunch in a private Mexican home, following which, you will attend the bullfight in the world's largest bullfight arena.

Feb. 26: A sightseeing program has been set up to orient you. It will include a morning tour of the city, where you will see: the National Palace, the Cathedral, Zocalo, a glass factory, Chapultepec Castle, and the shopping and residential districts. Lunch will be provided in one of Mexico City's fine restaurants. In the afternoon, you will be taken to see the Shrine of Guadalupe and the famous pyramids, which are larger than the famous pyramids of Cheops, Egypt.

Feb. 27: A free day is provided for independent activities and shopping in the many colorful shopping centers of Mexico City.

Feb. 28: You will be driven by limousine to CUERNAVACA, Mexico City's fine residential suburb. Enroute, you will see

the beautiful University of Mexico. Lunch will be taken at Cortez' old Hacienda, the HACIENDA VISTA HERMOSA. You will arrive in TAXCO, with time remaining to begin your shopping in this quaint colonial mining village, famous for its silver. Your hotel for two nights is the HOTEL DE LA BORDA.

Mar. 1: A free day in TAXCO, to enjoy a typical Mexican village.

Mar. 2: Leave by limousine for ACAPULCO, where you will check into the ELCAÑO HOTEL. The route down is over a new super-highway, giving you the opportunity to see many Mexican towns and a great number of interesting sights.

Mar. 2 to Mar. 10: You will have eight full days and nights to enjoy this tropical paradise of the Pacific, called the "Riviera of the Americas." You will have a free sail-boat cruise, and you may consider bathing at one of many beaches, or in the hotel pool. Also available are deep-sea fishing, water skiing, jai alai games, interesting night clubs, and many more activities. If you prefer to relax, you can find no better place to do so.

Mar. 10: You will catch a late morning plane back to Mexico City in time to connect with the non-stop Mexico City-Chicago jet flight. You will arrive back in Detroit the same evening.

MICHIGAN BELL

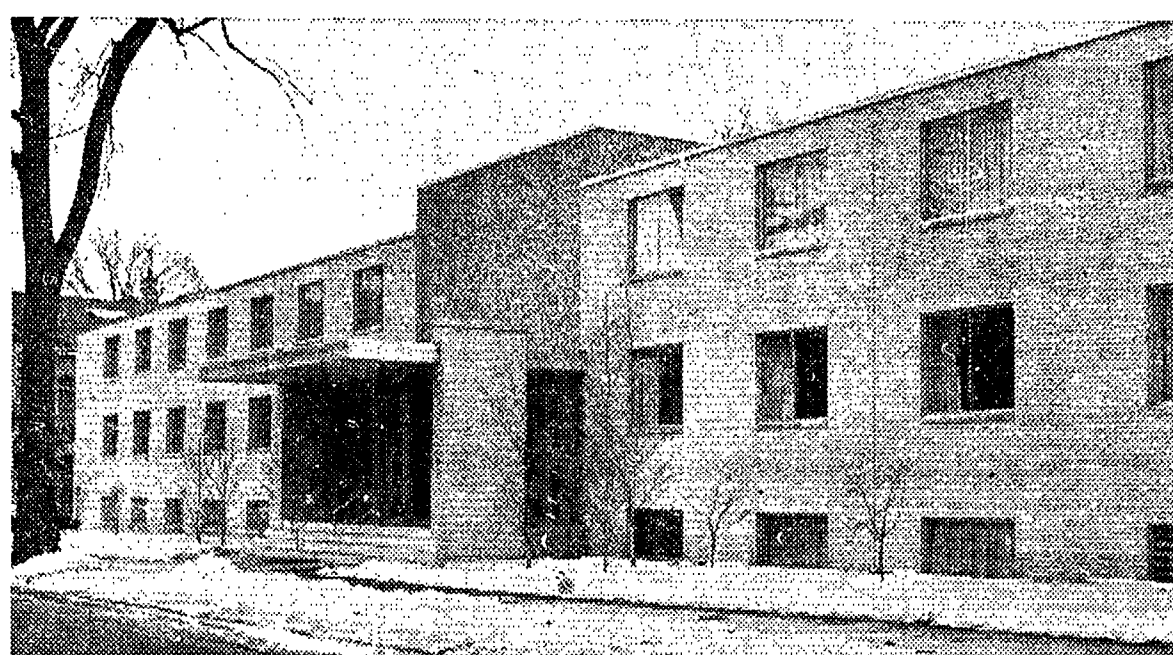

SOME OF THE THINGS you don't see when you look at your telephone are the facilities behind it which make your service the finest there is. Ten years ago, for example, Michigan Bell's investment in buildings, poles, cables and so on to link your phone with others amounted to \$247 per telephone. Now it's more than \$330. Last year alone we spent more than \$85 million to install new telephones, replace worn-out equipment and improve service. This money was spent in every city, town and village in the state where we do business—to make your telephone serve you better.

PROPRIETORS OF SMALL BUSINESSES, including farms, are discovering the value and convenience of Michigan Bell's new complete interphone system. With it, telephones used for regular calls can also be used for intercommunication between house or office and yard and outbuildings. It also provides for calls between locations within a building. A special speaker-microphone is available which lets a person who is called answer "hands free" without touching a telephone. For more information on how new interphone service can help you, just call us here at the business office.

HERE'S A GOOD example of how an apparently small change in your Telephone Company's way of doing things results in better service. Overhead phone cables used to be supported by a strong wire strung above them. Not any more. Now, in many cases a cable-wrapping machine winds the wire around the phone cable. It saves time, and cables last longer. Just one of the many ways Michigan Bell is furnishing better telephone service—and keeping down costs.

Pointe Doctor Builds Nursing Home

The Indian Village is the scene of this new home for "convalescing and senior citizens." It is the Moroun Nursing Home located at 675 Parker avenue of which Grosse Pointers, Dr. S. J. Moroun and his wife are the builders and owners. The interior appointments include fine furnishings throughout. Living rooms and activity rooms have great murals, sculptures, oil paintings and lighting equipment.

The home accommodates up to 100 guests, has an ample and thoroughly modern cafeteria, which is known as the Patio Room. It has elevator service and the guest rooms are wonderfully attractive. The outdoor area is landscaped and the walks are beautiful. It is staffed with a corps of nurses of which Mrs. Ann Lawson, R.N., is the supervisor. It will be open for registrations this week.

Friends Sponsor Van Gogh Film

"Lust for Life," a wide-screen motion picture in full color about the life of Vincent Van Gogh, will be shown free to Grosse Pointers at 9:15 p.m. Friday, January 19, in the main reading room of the Central Library.

This film, which critics termed "a fitting tribute to the great artist," is the exciting January offering of the Friends Film Forum, co-sponsored by the Grosse Pointe Public Library and the Friends of the Library.

The screenplay is based on Irving Stone's biography of the famous painter. It was photographed against the very scenes where Van Gogh lived and painted in Belgium, Holland, Paris and, finally, at Arles, in the south of France, where the vivid colors under the brilliant sun were reflected in the artist's work.

Adding to the glow of the photography is the reproduction in the film of more than 200 of Van Gogh's paintings, which breathe their own inner life onto the screen.

Kirk Douglas, who plays the part of Van Gogh with remarkable artistry, bears a striking resemblance to the painter, as shown by comparing him with some of the artist's self-portraits.

"But," said the Saturday Review in 1956, when the film first was released, "more extraordinary still is his projection of the inner turmoil of the artist, his restless search for a purpose in life, his rapt absorption in his work. Equally im-

pressive is Anthony Quinn's performance as Paul Guguin a self-centered, sensual artist who was one of Van Gogh's few friends."

"The film captures the fierce drive and bitter tragedy in the life of Van Gogh," said Time Magazine. "The artist completed more than 800 paintings in

his 37 years, sold only two, and lived on handouts from his brother. . . . The story builds relentlessly to Van Gogh's ear-slicing for its climax."

Those who may have seen the movie when it first was running in theaters will not want to miss this opportunity to see it again. For those who never have seen it, "Lust for Life" is a must.

Police Lodge Installs Officers

The Grosse Pointe Fraternal Order of Police, Lodge 102, installed its 1962 officers at ceremonies held in the Grosse Pointe Yacht Club on Monday, January 8.

Installation rites were conducted by Hamtramck Police Sgt. Norbert Jablonski, FOP State Secretary.

The new officers for the year are: Woods Patrolman Stephen Petrik, president; Park Patrolman Arthur Conlan, vice president; Harper Woods Patrolman John Reghi, secretary; Woods Patrolman Bruce Cross, treasurer; Harper Woods Patrolman Robert DeLorme, guard; and Harper Woods Patrolman Edward R. Smith, trustee (three-year term).

Woods Patrolman Don Sabel, who still had one year to serve as a trustee, and by virtue of this was to have been the chairman of trustees, resigned this post because of pressing outside activities that would have curtailed his duties.

Park Patrolman George McDowell was appointed to serve Sabel's unexpired term; and Harper Woods Patrolman Walter Dempsey, who still has two years to serve as a trustee, automatically became chairman.

Following the installation ceremony, President Petrik made the following appointments: Harper Woods Patrolman William Aull, assistant to the vice president; Shores Patrolman Donald Jacob, corresponding secretary; Woods Patrolman Kenneth Metcalf, chaplain; Woods Patrolman Thomas Kane, chairman of the Pistol Shoot Committee.

Woods Patrolman Jack Eberst, Lodge News Editor; Harper Woods Patrolman William Kohler, chairman of the Activities Committee; Woods Patrolman Harold Lanstra, chairman of the Entertainment Committee; Woods Patrolman Bruce Cross, chairman of the Associate Membership Committee and Woods Patrolman Jack Mast, chairman of the Golf Tournament Committee.

Adult Education Classes Listed

Winter classes in Adult Activities offer a great variety of interesting subjects for recreation and cultural pursuit.

Offered by the Department of Community Services of the Grosse Pointe Public School System, more than one-hundred courses in different areas are attended by over 6,500 persons during the three semester schedule.

Available now, and starting the week of January 22, are the following:

CONTRACT BRIDGE (Goren) on three levels; Beginning, Intermediate and Players. These classes are being taught by Mrs. Carrie Kiley who has instructed such classes in the Detroit area for many years, and for this program for five years.

ADULT DANCE CLASSES: Beginning and Advanced Ballroom and Advanced Latin American. Elsa and Art Erwin will again guide their students in the intricacies of the modern dance.

GUILDING—Art Objects and Pictorial Frames. Mr. Fred Schultz, one of the few recognized experts in this field, shows students how to create objects of art from discarded treasures.

PATTERN DRAFTING I (Clothing)—The art of Italian and French pattern drafting and the fine points of sewing and finishing are stressed in this class. This is a University of Michigan course, taught by Mrs. Virginia Standridge.

FOREIGN LANGUAGES—French, German, Italian, Russian and Spanish are offered conversationally. Students anticipating foreign travel find these classes very helpful in learning the basics of the language.

INVESTMENT PROCEDURES. Beginning and Advanced. This course is designed to help the layman understand and plan his personal investment program. Taught by Peter Logan, who is an active investment broker as well as instructor at Wayne State University.

READING IMPROVEMENT—A University of Michigan course designed to speed the

reading and increase the comprehension of the reader. Class limited to 24.

GEOLOGY—Rock and Mineral Identification. This class is conducted by Mrs. Jane Renaud, a working Geologist. In past years, the laboratory study of Rocks and Minerals has been offered only on the University campus. We are pleased to be able to offer it now, on our program. A University of Michigan course.

INTRODUCTION TO PHILOSOPHY—A general introduction to the main issues of philosophy as discussed in the works of major philosophers. Lectures and class discussions for students who like to exchange ideas with others. A University of Michigan course.

Additional information and class reservation may be obtained by calling the Department of Community Services, 43 Grosse Pointe Boulevard, at Tuxedo 5-3808 or Tuxedo 5-0271.

Church Installs New Officers

The new officers of St. James Lutheran Church, McMillan at Kercheval, were installed before the altar by George E. Kurz, pastor of the church, on Sunday morning, January 7.

They are: president, Roland Blank; vice-president, Marvin Assmus, Jr.; recording secretary, Richard Albrecht; financial secretary, Roy Hartmann; treasurer, Tom Couser; trustee, John Jamieson; elder for three-year term, Dr. James Kackley; elder for one year term, Edwin Trinklein; and Sunday school superintendent, Bert Treiber.

Bar Is Cited For Violation

Park police have filed charges with the State Liquor Control Commission against the management of Rustic Cabins, 15209 Kercheval avenue, accused of serving alcoholic beverages to minors.

Police Chief Arthur Louwers said that his department had received a complaint of a fight at the bar early Saturday morning, January 13.

Police Sgt. Charles French and Patrolman Richard Conover went to the bar and conducted separate investigations as to the cause of the alleged fight.

Chief Louwers did not give details of the fight, but did reveal that the upshot of the investigations uncovered evidence that liquor had been served to two minors, both of whom became intoxicated. One of the minors was a female, the chief said.

The chief said that the serving of the minors occurred between 12:01 a.m. and 12:30 a.m. on Friday, January 12; and about 1:06 a.m. on Saturday. Each minor was alone when served, the chief pointed out.

In each case, the chief stated, neither of the minors was asked for identification or proof of age.

Cinema League Offering Film

"Smiles and Miles of the British Isles" is the title of the unusual color movie which Leslie B. Eby will show at the next meeting of the Grosse Pointe Cinema League on Thursday evening, January 25, at 8 o'clock at the War Memorial Center.

Mr. Eby, a member of the Detroit Cinema Club, is an excellent and experienced photographer who has traveled in eighty countries of the world. He is a member of the Circumnavigators Club of New York and chairman of the International Relations Committee of the Motion Picture Division of the Photographic Society of America. Last fall he was one of a panel of five judges at the International Amateur Film Festival held in Cannes, France. The movie which Mr. Eby will show was filmed in 1960 on a 2,500 mile motor trip through the British Isles. The film is of special interest since it features places and scenes not included in the average tourist itinerary. Among the places which the audience will visit are the Isle of Wight, Plymouth, Lands End and the pirate caves on the Cornwall Peninsula, Jersey, Wales, and the rural districts of Scotland.

In addition to the feature film, a brief informative talk on "Sound on Your Movies" will be presented by Dr. Richard Pear, Vice-president of the Cinema League.

Any Grosse Pointe resident interested in photography is cordially invited to attend this meeting.

Farms Council Lauds Firemen

(Continued from Page 1)

Pointe and Harper Woods. Farms Fire Chief M. William Mason and Fire Capt. Raymond Shoy were summoned to the closed hearing and asked to report on the restaurant fire and a second serious fire at Beaupre Hardware, 366 Kercheval and Sidney Cleaners, 368 Kercheval.

Because they were occupied at the hardware and dry cleaning shop fires, the chief and his 20 firemen and two pieces of equipment were unable to arrive at the restaurant fire until about 10 p.m.

Chief Mason said that failure of the restaurant management to heed warnings about cooking grease collecting in the false ceiling was blamed for that fire.

The chief and his captain had high praise for Park Fire Chief George deCassassin's handling of the fire at the restaurant. The Park chief and men and equipment were at the scene during the first hour of the fire.

Two of the Farms councilmen favored spelling out in greater detail in the Mutual Fire Aid Pact exactly what officer has charge in any circumstances to void repetition of current charges of confusion over command.

One councilman's proposal that in future simultaneous fires a Farms fireman of lesser rank be put in charge of visiting firemen was not considered practical by other members of the council.

Chief deCassassin was instrumental in bringing about the Mutual Fire Aid Pact, which was formally adopted by the five Pointes and Harper Woods, following the \$250,000 fire at the Provencal road home of Dr. John Buell in December 1958.

Mayor William Connolly, Jr., said Monday night that he was convinced that the restaurant fire was "well handled" and that he was proud of the perfect cooperation shown in "our mutual aid pact."

The mayor said that he was considering writing letters of thanks to Chief deCassassin and other outside fire officers who took part in fighting the fire. He said he saw no reason to doubt that Chief deCassassin "took proper command."

The mayor also said that he was glad for Detroit's standby service, but did not favor a full-fledged metropolitan fire department.

Councilman Edward Roney, Jr., agreed with the mayor that Farms and visiting firemen should be credited with "doing everything humanly possible" to save the restaurant and the store buildings.

He said he was sure that Chief deCassassin assumed suitable command at the start of the restaurant fire, and Chief Mason was right in staying at the store fires because they contained explosive contents and adjoined a gas station.

The councilman said that the Farms chief was informed that the restaurant fire was minor and that all patrons safe by the time the first mutual aid alarm was sounded. He also defended Mason's going to the station to change into a dry uniform because of the freezing temperatures.

SKATER ROBBED

Peter Simpson, 12, of 395 Lakeland, reported to City police on Saturday, January 6, that while he was skating on the lake that afternoon, three boys in a pink Ford stole his black loafers, valued at \$10.95, and a pair of knitted gloves from the foot of Lakeland.

DOUSE CAR SEAT FIRE

H. T. White of 950 Shoreham, in checking the home of the Frederick Fords, 60 Renaud, called the Shores police department when he smelled smoke in the garage. Firemen arrived and backed out the car in the garage and doused a fire that had somehow started on the front seat. Damage is unknown.

4-Car Crackup Fault of Brakes

Power brake failure was blamed in a four-car accident at Moross road and Kercheval avenue on Tuesday, January 9. No one was injured.

According to a Farms accident report, Mrs. Agnes M. Elias, 42, of 46 Moorland drive, was driving south on Moross and attempted to stop for a signal light, when her brakes failed to hold. She slammed into the rear of a car driven by Virginia B. Gonyeau, 48, of 13159 Champaign, Warren, who was stopped for the light.

Mrs. Gonyeau in turn was pushed into an automobile in front of her, driven by Catherine A. Harger, 63, of 16826 Cranford lane, who was pushed into the rear of a car driven by John Milles, 20, of 450 University place. Damage to all cars was extensive, except to that driven by Milles. The car driven by Mrs. Elias and Mrs. Gonyeau, were not driveable and had to be towed to service stations. Police issued no ticket to Mrs. Elias, who assumed full responsibility and stated her insurance will cover all damages.

Police Accuse Young Driver

George R. Krogh, 18, of 81 Varrier road, was arrested by Woods police on Tuesday, January 9, and charged with reckless driving.

Lanstra said that he was driving west on Renaud and stopped at Wedgewood to see if the traffic was clear, when he noticed Krogh going through a stop street at South Oxford and Wedgewood, then proceed to Shoreham and then turn right.

The officer said that because of the icy pavement, by the time he reached Shoreham, Krogh was traveling east on Shoreham. However, the patrolman said he saw the youth going through a stop street at Wedgewood, and again failed to stop for Morningside, Lake Shore lane and Lake Shore road. Lanstra said that because of the icy pavement, he was not able to obtain an accurate pace on the youth, but did determine that Krogh was driving at least up to 40 miles an hour. On Shoreham, between Morningside and Lake Shore, the officer said, Krogh lost control of his automobile and slid

over a curb onto the lawn at that location.

Lanstra gave the youth a ticket for reckless driving with a court date set for Saturday, January 13.

ing officer of the Park's Auxiliary Police Corps as of Wednesday, January 10, according to Police Chief Arthur Louwers.

The appointment was made following an auxiliary police training session in the Park Municipal Building, 15115 East Jefferson.

The lieutenant's duties will include seeing to the training of the auxiliary, enforcing the rules and regulations and personal conduct of each member while on duty.

At its first meeting for 1962, held Wednesday night, the auxiliaries learned about first aid and what to do in emergencies when the siren arrives.

The first aid and the course on obstetrics was taught by Park Patrolman Henry Wilson, who is qualified to impart this knowledge through serving with the Army Medical Corps, and in Army Hospitals. He has four years of service experience behind him.

Chief Louwers said that Wednesday's session was the first of a two-part course in first aid and obstetrics.

THIEF TAKES SKIS
Marius Ketels, 67, of 823 Fairford, complained to Woods police on Tuesday, January 9, that someone entered the garage on his property and stole a pair of Dublex skis, valued at \$95. He said the skis were taken sometime since January 1. The garage door was open, he said.

Last year, more than 6,000 volunteers gave 335,926 recorded hours of community service through the Detroit Red Cross Chapter.

Volunteers choose the hours of the day and day of the week when they wish to accept assignments, with Motor Service and Gray Lady volunteers needed for regular duty evenings and week ends. Interested women are invited to call the Detroit Chapter at WO 1-3900 or one of the Regional Offices: Downriver, AV 2-2434; Northwest, GA 4-0220; West, CR 4-5450, between 10 a.m. and 3 p.m. to make appointments for interviews or for further information.

Volunteers receive an orientation to Red Cross programs and procedures and where specific training for her duties is necessary, it is provided.

Helpers Needed By Red Cross

The Detroit Red Cross Chapter is seeking to enroll new volunteers in order to maintain its present standard of service and provide additional service in some programs.

Mrs. John F. Hering, Chairman of Volunteers, says that personal situations change and as some become less active, other people find it possible to arrange their personal schedules to share some time in community service. The enrollment from January 29-February 9, has been planned to give these women an opportunity to become Red Cross volunteers.

Red Cross Gray Ladies perform non-medical, personal services for hospital patients. At the request of the management of the new Boulevard General Hospital, 1852 West Grand Boulevard (near Scovill) a Red Cross Gray Lady unit will be installed there after new volunteers for this Service have been enrolled and trained.

These volunteers will serve in the emergency, obstetrical and surgical-medical sections of the hospital. Gray Lady units at Detroit's Receiving Hospital, Lynn and People's Community Hospitals and the Veterans' Facility in Dearborn are in need of new recruits to bring their membership to full strength.

In addition to the need for Gray Ladies, Mrs. Hering says that volunteers are needed to drive Red Cross vehicles on necessary Red Cross business including transportation of personnel and equipment for the blood program, first aid, home nursing classes, Junior Red Cross activities, and for service in time of a possible disaster.

Volunteers in Canteen Service help in the blood program and are in readiness to serve in a possible disaster. Women who can help in the business offices of the Chapter either typing or filing and doing general office work, are also needed throughout the year. Each new volunteer receives an orientation to Red Cross programs and procedures and where specific training for her duties is necessary, it is provided.

Inside The Mothers' Club

The first meeting of the new year for the Grosse Pointe Mothers' Club executive board was January 8, at the High School with 15 members and the Christmas Tea chairman present. A Wayne State University student was also present to observe the meeting for one of her classes.

Most of the discussion was on the Parents' Program Night, January 18, at 8 o'clock. Dr. James W. Bushong will speak on "The Wall in the Russian Mind." This meeting is open to the public.

Mrs. Jack Frey, hospitality chairman, was asked to help with the question and answer period to follow Dr. Bushong's talk. Paper and pencils will be supplied to people wishing to ask questions of the speaker. The Social Chairman, Mrs. Robert Herdgen, discussed plans for serving the refreshments. It was thought that speed of service was more important than style on this occasion.

Mrs. Albert D. Law, the president, gave greetings and thanks to all board members for their past efforts and hoped all would work toward greater goals of service in the coming year. She then reported on some of her activities, i.e. attended the Board of Education meeting, met with the Spring Card Party chairman, attended the Christmas Musical Concert, and helped chaperone the New Year's Eve dance at the school.

The secretary, Mrs. William Hammond, was commended for her accurate minutes which she types in triplicate immediately after the meetings and the second vice-president, Mrs. Arthur Bartholomew, was thanked for her choice of Christmas gifts for the office clerk and maintenance personnel.

In early January, Mrs. Arthur Sherman, corresponding secretary, reported that 2,298 pieces of mail were sent out announcing Dr. Bushong's talk. Helping with this mailing mothers: Mrs. Norman Grenzke, Mrs. Wilbur Baetz, Mrs. Henry Kreider, Mrs. Eugene Eads, Mrs. Charles Begemann, Mrs. A. W. Colett, Mrs. Frank Hedge, Mrs. Robert Soderstrom, Mrs. Fred Hire, Mrs. Harlan Ingram, Mrs. Richard Studer, Mrs. Thomas Jefferis, Mrs. Robert Snow, Mrs. Albert Law and Mrs. C. Dahl.

A report sent in from Mrs. G. Gordon Cook places the Mothers' Club membership at over 1,200 and Mrs. John Bockstanz sent word that \$4.50 more had been received from the play tickets.

Neighborhood chairman, Mrs. Frederick Lang, reported 38 groups had contributed \$846.50 to the Scholarship Fund. Since nearly half of the contributions have not been sent in, there was discussion on the best time to collect. Most board members thought that the money should be paid at the beginning of the school year. Mrs. Lang said she would contact the groups who have not yet paid.

Bus chaperones chairman, Mrs. Monte Edelen, reported that six chaperones and two buses were provided for the Highland Park basketball game. Under new business it was recommended that the Mothers' Club arrange for a Service Committee headed by the historian, Mrs. Gerald Schroeder, to provide stage decorations for the Christmas Choral Program and for Commencement Exercises.

SIZE WITH XTRA ROOM AND IN BETWEEN PEOPLE SIZE JUST RIGHT FOR YOU FAMILY-RIGHT

Just what is the "right size" car for you and your family?

You are hearing a lot of noise today about the "right size."

How ridiculous can you get?

When you stop to think of it there is no such thing as the right size car for everybody any more than there is the right size shoe for everybody.

Chrysler Corporation offers six different makes of cars and a total of 84 body styles.

None is the right size, the right price, the right car for everybody.

Each is the right size, the right price, the right car for somebody.

Except for the sports jobs with bucket seats, all give you traditional six-passenger comfort.

All have what our engineers call "fat-free performance," which means a lot more action on a lot less gas.

All have the easy handling and riding qualities which get rave notices from the automotive writers.

All, in every price class, have something extra built into them which is the best way we know of to win new customers and sell more automobiles.

The right size is one thing. That depends naturally on the size of your family — and on whether this is to be your "main car" or a second car.

Other things you will naturally be interested in are these:

Are they easy to park?

Since Chrysler Corporation holds that you shouldn't have to struggle every time you park the car, the 1962 line includes 51 models of 202 inches of overall length, or less. And while these cars are more parkable, they still offer full six-passenger comfort.

Who drives the car?

Do you drive it long distances in business or for long vacation trips? Or is it to be used mainly by your wife for normal family errands, involving a lot of parking?

In either case Chrysler Corporation offers you in every price class a superlative road machine which rides and handles beautifully.

If it's to be used mainly for long trips you'll be interested in legroom. Did you know that the 1962 Plymouth, for example, gives front seat passengers more legroom than the most expensive American cars, excepting only our own luxury Imperial?

If you're feeling bewitched, bothered, and bewildered by all the 288 different models of cars available this year (not counting the foreign makes), here's how we can help you out.

To provide you with a quick and easy guide to selecting the "right car" for your family, your garage, and your pocketbook, we offer the following "Right-Car Chart" to better transportation.

Just see your dealer and, tell him we sent you for a "try-it-for-size" drive, without obligation, of course.

GPHS Students To Do Comedy

Grosse Pointe High students will present the first musical comedy in the school's history. "Follies of 1962", on March 24 and 25 in Parcells Junior High School auditorium.

A cast of 125, under the direction of instrumental music teacher Richard Snook, will be employed in the ambitious production. Mr. Snook emphasizes that the "Follies" will not be a revue or vaudeville-type show, but an original musical comedy involving plot, dialogue and music in equal proportions, with a cast drawn from the entire student body.

Set in the roaring '20's, the "Follies" will include a variety of singing and dancing acts as well as 12 major speaking roles, some of which necessitate singing. A 12-member chorus line and 24-piece "F

GPHS Students To Do Comedy

Grosse Pointe High students will present the first musical comedy in the school's history, "Follies of 1962", on March 24 and 25 in Parcels Junior High School auditorium.

A cast of 125, under the direction of instrumental music teacher Richard Snook, will be employed in the ambitious production. Mr. Snook emphasizes that the "Follies" will not be a revue or vaudeville-type show, but an original musical comedy involving plot, dialogue and music in equal proportions, with a cast drawn from the entire student body.

Set in the roaring '20's, the "Follies" will include a variety of singing and dancing acts as well as 12 major speaking roles, some of which necessitate singing. A 12-member chorus line and 24-piece "Follies Dance Band" will highlight the evening.

The story concerns two sisters who run away from home and attempt to break into show business. Tryouts for speaking parts and chorus line will be held next week; all other talented students who wish to participate in student acts will be auditioned the week after next.

A stage crew (from eight to ten persons) will handle the approximately 15 scenery changes.

Garden Club Plans Show

To formulate plans for the Woman's National Farm and Garden Association's Spring Flower Show in conjunction with Wright Kay Jewelers, Mrs. Carson M. Wallace, general chairman, opened her home in Colonial court for a luncheon on Friday.

Mrs. Carson asked the following to serve on her committee: Mesdames F. Gordon Davis, President of the Michigan Division of National Farm and Garden, L. Clancy Nanry, Ben W. Beyer, Kenneth Strang, Donald Williams, J. Dell Hutchinson, Harry Miller and Otis U. Walker.

The Committee promises a very interesting schedule for the Flower Show which will take place early in May.

Men's Chorus To Sing Friday

The 25 voice Grosse Pointe Men's Chorus will present an evening of music and cards at the Grosse Pointe War Memorial, 32 Lake Shore Road, the evening of Friday, January 26, beginning at 7:30.

Under the direction of John Finch, Head of Vocal Music at Grosse Pointe High School, the chorus will sing some songs long established in their repertoire as well as selections new to them this year. Included among the numbers will be "A Roving", "Away To Rio", "Eight Bells" and "Who's That Calling." The singers will be accompanied by Thomas Pettit.

In addition to a delightful concert guests will have warm refreshments and a full evening of cards. There will be door and table prizes too. All this is included for a nominal \$1.25 which goes to pay the chorus' music expenses. Ralph Morrison, president; Harold Sidey, vice president; Harry Taylor, secretary; and Harold Lyndrip, treasurer, all cordially invite Grosse Pointers who like music, fun and cards to join the group at the Center for this occasion.

Mrs. Loud Gives Art Classes

A new semester of children's art will be offered under the instruction of Mrs. Stirling Loud at the Grosse Pointe War Memorial Center on Tuesdays and Thursdays beginning January 30 and February 1 respectively after the regular school day. Tuesday's classes are for the younger group ages 6-11 and are held between 3:30 and 5:00 o'clock.

The Thursday class is open to students 9-14 and meets from 3:45 to 5:15 o'clock. This semester lasting through the first week of June is offered for \$27 plus \$3 materials charge.

Mrs. Loud is a Sarah Lawrence art major and did advance work in the field of art at the Corcoran Galleries School in Washington, D.C. She taught art at the National Cathedral School before coming to Grosse Pointe where she has taught art at the Grosse Pointe War Memorial and in the Community Services of the Board of Education for the past several years.

Mrs. Loud has also been a leader in the art organizations of the community in whose exhibits her works have won many prizes. She has served as an officer of the Grosse Pointe Artists Association, directed the work of the Junior League's Senior Center and been active in the Detroit Artists Market.

Nations will move ahead only when their past history counts less than their future progress.

Center Ski Club Slates Trips

The Grosse Pointe War Memorial Ski Club is offering a raft of ski trips this month.

First to leave will be this week-end's trip to Boyne Mt. and Nub's Nob. There are still a very few places left on the Greyhound if those interested act immediately by calling the Center, TU 1-7511. The bus leaves the Center, 32 Lake Shore Road, promptly at 5:30 p.m. this Friday, January 19. Hot box supper will be served on the bus.

The group will stay and eat at "This Ole House" at Conway, Michigan and be shuttled via bus to the slopes at Nub's Nob on Saturday and Boyne on Sunday. They will return to the Center midnight, Sunday the 21st.

The package for the week-end including round trip Greyhound transportation, shuttle service, room and meals and all ski lift charges is \$41.00 for Grosse Pointe Ski Club members; other interested skiers will be charged \$3.00 more.

Following the week-end trip, there will be two mid-week trips to Alpine and Mt. Holly. Both trips include hot box supper and round trip deluxe bus transportation between the Grosse Pointe War Memorial and the ski areas. The charge plus lift fee is \$3.50 for ski club members, \$1 more for guests.

The trip to Alpine leaves the Center at 6 p.m. Wednesday, January 24. The trip to Holly leaves at the same time on Wednesday, January 31. Paid reservations must be in to the Center the Monday's immediately prior to the trip.

U. of D. Student Council Staffed by 6 Pointers

The University of Detroit Student Council is staffed by six Grosse Pointe residents.

Judy Bonahoom, daughter of Mr. and Mrs. Alfred Bonahoom, of Lochmoor boulevard, is a member-at-large of the Student Affairs Committee. A sophomore majoring in Spanish, Miss Bonahoom is also a member of Kappa Beta Gamma, national social sorority. She is a 1960 graduate of Regina High School.

Members of the Finance Committee on the Council include:

George Reich, son of Mr. and Mrs. George Reich of Hidden lane, a senior in the College of Commerce and Finance; and Charles Dale, son of Mr. and Mrs. Robert J. Dale of Notre Dame avenue, a senior majoring in economics. Dale is also a member of Phi Sigma Kappa, national social fraternity and the Inter-Fraternity Council.

Dorothy Kotcher, daughter of Mr. and Mrs. Charles Kotcher of Stephens road, is secretary of the Public Relations Committee. A sophomore majoring in English, Miss Kotcher was recently named "Coed of the Month" by the student newspaper, the "Varsity News", for her various activities on the Homecoming Committee and the Spring Carnival Committee.

The Cabinet of the Student Council is staffed by: Duncan James, son of Mr. and Mrs. Duncan James of South Renaud road; and Dave DeGiustino, son of Dr. and Mrs. Caesar De Giustino of Berkshire road.

A senior in the College of Commerce and Finance, James is editor of the Student Directory and a 1957 graduate of Detroit Catholic Central High School.

Chairman of the Model United Nations, DeGiustino is a sophomore in the College of Arts and Sciences. A 1960 graduate of Austin Catholic Prep, he is also a member of the "Varsity News", student newspaper and Le Cercle Francaise.

The Student Council is the highest body of Student Government at the University. It represents the student body in matters of student concern.

DAR Chapter 69 Years Old

Sixty nine years ago, January 19, 1893, a group of Detroit women organized to preserve the American way of life, to help the new citizen coming into this country, to preserve and mark places where great historical events took place, and to establish schools in the mountains for children where there were no other means of education.

One of the most moving factors in this organization was the late Helen Newberry Joy, whose philanthropy reached down into every channel of life in Detroit and Grosse Pointe.

The birthday party, an annual event of the Louise St. Clair Chapter of the Daughters of the American Revolution, will be a luncheon at the McGregor Center of Wayne University, Saturday noon, January 20. This will be the first time this event has been held away from Newberry House which for the last twenty five years has housed this chapter.

Following the luncheon, there will be a musical program by a string quartet and a violin soloist. Members of the ensemble are students of the Dendro Royal Oak High School.

Among Grosse Pointe members attending will be Mrs. Neal M. Nyland, Mrs. William E. Osband, Mrs. Ralph Netting, Mrs. Clarence E. Carroll, Mrs. John Petrosky, Mrs. Richard H. Taylor, Mrs. Willard O. Wilson and Mrs. Clarence E. Maguire.

Purdue's Glee Club Coming

Songs and singing that have made the Purdue University Varsity Glee Club one of the most famous choral groups in America will be heard at Detroit's Ford Auditorium Friday night, January 26.

The glee club was brought to Michigan through the efforts of the Detroit Purdue Club, headed by Rufus B. Jones, Jr., president.

The Purdue Glee Club has won world fame since being formed shortly before the turn of the century. It has been enjoyed in practically every large U.S. city, on all radio and television networks and through a number of hit recordings. In addition to two highly successful European tours, the singing club has represented the U.S. State Department abroad, and has been honored by being chosen to sing at the inaugurations of Presidents Eisenhower and Truman.

Audience participation will be a part of the program when the club members do several "sing-along" numbers of favorite songs.

Directing the Purdue Glee Club is one of America's leading choral music personalities, Dr. Albert P. Stewart.

The ticket sale for the Detroit January 26 performance now is underway at Ford Auditorium. Proceeds will go to the university's scholarship foundation.

Get to the Polls Tuesday

Every election is important and the special primary scheduled for next Tuesday, January 23, is a particularly vital one. Nominees will be selected to run in the special election scheduled for February 13, when the winner will be named to fill the seat in Congress vacated by the death of Rep. Louis Rabaut.

The Fourteenth Congressional District is one of the largest in the country. It embraces most of Detroit's East Side, all of the five Pointes and Harper Woods, with a total of more than 220,000 registered voters. If things run true to form and expectations, not more than one out of 10 of these voters will take time to go to the polls next Tuesday, and not many more than that at the election on February 13.

We shall never cease to be amazed at the number of calls we get each year asking the name of the congressman or senators representing us in this district. The queries are usually prompted by the persons' desires to lodge complaints or ask favors. In a nebulous way most of the voters realize that the Congress of the United States is the most important law-making body in the world. Yet so few exercise the precious privilege of franchise to help make certain that their representative is the most capable one available for the office.

One of the dangers of next week's primary is that a total of 11 candidates, nine Democrats and two Republicans, are in the race. An unusually light vote could see most anything happen. It is the duty of every qualified elector to examine the capabilities of all the candidates, decide which one can do the best job for the district he will be representing, then get to the polls and cast a ballot. Those who fail to vote Tuesday, and again on February 13, will have forfeited the right to criticize should the urge arise later on.

Letters To The Editor

To the Editor:

I have read your Editorial in the January 11th edition of your paper, on the recent fire at Al Green's on the hill.

You state in one paragraph that the Park Chief had to request permission from the Parks Chief to order Fire Apparatus from the City of Detroit.

Such is not the case. According to the Mutual Aid Pact as set up by the Fire Chiefs. Whenever the Fire Department of one City is occupied with a fire of major proportions and another fire occurs in that City, the Chief of the Department responding to the second fire has complete authority at that time. If after arrival and size up at second fire, he deems it necessary to have help from the City of Detroit, he has but to call in to the Police Dispatcher of the City where fire is in progress. The Police Dispatcher in turn calls Detroit Fire Department, Telegraph Office, requesting the needed apparatus and they will respond immediately.

DIRECTOR AT FIRE

1. That is what I, as Fire Chief in charge, did. On my arrival at the fire I immediately called in, by radio, for two more pumps and an Aerial ladder truck. Their response was very prompt.

2. As the Detroit Fire Officers reported to me, I directed some to work in the front of the building, some to work in the rear and some to work on lines on the roof.

3. Then I ordered the Aerial Ladder to be raised at the front of the building and water played on the east wall of the drug store to protect the windows in the area way on the second floor from exposure.

This was very effective in keeping the windows from breaking and prevented fire from entering the Doctor's offices.

If you call this lack of Direction Mr. Editor, you have been misinformed.

Some of the Detroit Firemen that I worked with on this fire told me they had never worked on a more stubborn fire. And they are the men who should know.

The Chief of the Detroit Fire

Department told me that we were doing all right, and to keep it that way.

In conclusion I believe that there are many people that try to compare a small town Fire Department with a big City Department. They expect us to be just as good on any type fire. That doesn't make sense at all.

The large cities have multiple alarm fires many times a year. They get all kinds of experience. Where in a small city, the major fires occur only now and then. So those who compare us that way just don't know anything about fire fighting.

Respectfully yours,
George L. deCassain
Chief of Fire Dept.
Grosse Pointe Park.

Gentlemen:

The Jared W. Finney Research Committee of Finney Junior-Senior High School is asking the readers of the Grosse Pointe News to aid it.

The committee is researching the life of Jared Finney and would be interested if any readers could inform it if any of Jared Finney's relatives or descendants are now living in the Detroit area.

Sincerely,
Linda Weber

Evening Church Group To Have Pancake Supper

The Evening Group of the Women's Association of Grosse Pointe Memorial Church will hold a pancake supper at 6:30 o'clock on January 23.

The charge will be \$1.00 and husbands and friends are invited. William P. Nank, superintendent of the Speakers Bureau of the Detroit Edison Company, will talk on "Problems of the Future."

Mrs. W. L. Bowler, chairman, will be assisted by Mrs. William Hooge, Mrs. E. S. Robinson, Mrs. Fred Adams, Mrs. Frank Raphael and Mrs. Kenneth Locke. Reservations may be made with Mrs. Bowler, TU 5-1525.

The man who wishes to reform finds that it takes more than a coat of white-wash to cover his past.

What Goes On at Your Library

by Jean Taylor

It is only a few short years since the explosive introduction of the magnetic tape which is playing a leading part in modern communication media.

Pioneers in radio and TV, faced with early morning programs, had to be up and at it willy-nilly, until tape came to their rescue and made life easier in the entertainment world. With its uncanny ability "to plant now and dig later," this magic little reel makes it possible to do today what need not be put off until tomorrow, leaving manana free and clear.

In the instructional materials center of the modern school, tapes are playing an increasingly important role, and more and more families are enthusiastic users of tape recorders in the home.

Everyone seems to be jumping on the tape band wagon, and thanks to the "Friends," your library has joined this merry throng. A rental tape collection was established at the Central Library a few months ago, with a selection of stereophonic four track tapes, representing a varied assortment of pre-recorded classical music compositions.

In this basic collection you will find symphonies by Beethoven, Brahms, Mozart, Saint-Saens et al, as well as concerti for various instruments, by Grieg, Mendelssohn, Rachmaninoff, Brahms and others. There are also orchestral works by Berlioz, Copland, Prokofiev, Debussy, to name a few.

A list of the tapes available may be picked up at the charging desk of any of the three libraries. The rental charge is ten cents a day for one reel.

The "Friends" generous gift includes also complete tape recording equipment. This equipment is available to groups meeting at the Central Library. Anyone wishing information regarding this new service may call Mr. Tripp, the audio-visual

librarian at TU 4-2200.

Despite recurrent predictions that the disc, film or tape may replace the printed page, the book has managed not only to survive but to flourish. If you are interested in buying or installing a tape recorder, or if your equipment breaks down, where do you turn? To your best friend in time of trouble, the ever faithful book. Regardless of innovations, it continues quietly on its way. Heaven be praised, as commandant of all communication forces.

We list here four books which your library recommends if you are or would be a tape enthusiast:

HOW TO SELECT AND USE YOUR TAPE RECORDER, by Nathan Bruitenkant. This book will acquaint you with the use of magnetic tape recorders, and serve as a guide in selecting a machine that meets your individual requirements. It indicates what may be accomplished, and gives simplified instructions for using tape recorders in many applications.

YOUR TAPE RECORDER, by Robert Marshall. "A book for the amateur recordist, which tells how to select the right machine for the buyer's particular use, and how to use it with maximum effectiveness. Covers more than 55 magnetic recorders and specifications for each."

HOW TO SERVICE TAPE RECORDERS, by C. A. Tutthill. "The purpose of this book is to inform servicemen on the basic principles of magnetic tape recording, and on the maintenance and repair of specific makes of recorders. Although addressed to technicians, particularly, the book will be useful also to the individual owners of tape recorders who can read standard wiring diagrams."

HOW TO USE A TAPE RECORDER—In Your Business—In Your Home, by Dick Hodgson. A helpful handbook.

Institute to Hear Wilber Brucker

When International Institute holds its annual meeting Monday, January 22, at 111 E. Kirby, Grosse Pointe Wilber M. Brucker, former Governor of Michigan and former Secretary of the Army, will throw a new light on international relations from an individual viewpoint.

Based on his six-year experience in Washington as Secretary of the Army and as General Counsel of the Department of Defense, Mr. Brucker will tell Detroiters and visitors with foreign ties or foreign backgrounds some of the ways they can play a part in furthering the cause of world peace.

Jamil Anton, Iraqi government official; Italo Babini, first cellist in the Detroit Symphony orchestra, and Barbara Friedrich, 1961 winner of the Belle Isle soloist auditions, and Mrs. Mildred Doherty, her accompanist, will appear with Mr. Brucker on the Institute's program.

Noble D. Travis, president of the Institute, points out that Mr. Brucker will act as guest speaker on an occasion when

27 community leaders of foreign abstraction are up for election to the Institute's members' Council.

Nominated to serve for three year terms are Frederick C. Adams, Mrs. Eusebio Braganza, Miss Mable L. Conal, Miss Celeste Cummings, Miss Angelina DiMartino, Mrs. Ilga M. Echols, Curt Engstrom, Mrs. John Francis, John Kalam, Miss Barbara G. Kcklak, Arman Kitapci, Walton A. Lewis, Dr. George Lechler and George P. Messico.

Other 1962 council candidates are Mrs. Leonard P. Michaels, Mrs. Hans Moeller, Mrs. Margaret W. Montgomery, Dr. Vera Plotcheva, Mrs. Walter Prowall, Higdus Rudzitis, Albert A. Shirley, John Soderberg, Mrs. Douglas Sylvan, Dr. Sik Woo Ting, Paul Van Den Muisenberg, Mrs. Norman Winsky and Mrs. Leonia Wojciechowski.

Entertainment and exhibits will mark the Institute's January 22 Dinner Meeting, Travis said. The public is invited provided they make reservations in time.

Bishop Enrich Wins Award

ANN ARBOR. — Episcopal Bishop Richard S. Enrich and Neil Staebler, former chairman of the state Democratic Party, will receive honorary degrees at the University of Michigan Mid-year Graduation exercises, Saturday (Jan. 20).

Rev. Enrich, bishop of the Diocese of Michigan, will speak at the 2 p.m. exercises in Hill Auditorium. He will discuss principals of history as revealed in a current form of literature. U-M President Harlan Hatcher will preside.

Bishop Enrich, of Washington road, will receive a Doctor of Humane Letters degree. He will be cited for his "power of making simple and unalterable truths intelligible and active in our complex and often chaotic world."

A former professor and rector, Enrich has been bishop of the Diocese since 1948. Previously (1946-48) he had been suffragan (assistant) bishop. Staebler, 1926 graduate of the U-M, will receive a Doctor of Laws degree, honoring him as a "servant of the public weal,"

for his "high idealism," and as a "proponent of humane causes nationally."

Until his resignation in 1961, Staebler was chairman of the Michigan State Democratic Central Committee for 11 years. His other positions include service as chief of the building materials branch of the Office of Price Administration (1942-44).

In civic life he has been associated with the YMCA, National Conference of Christians and Jews, American Civil Liberties Union, NAACP, and other groups. An Ann Arbor businessman, he is founder and director of the Ann Arbor Citizens' Council.

CHORALE CONCERT SET
The Moody Choral, directed by Kerchal Armstrong, will present a concert of sacred music at the Bethel Baptist Church, 24600 Little Mack avenue in St. Clair Shores, on Sunday morning, January 21, at 10:30 o'clock. The public is cordially invited.

Club to Make This Decision

The Grosse Pointe City Council, meeting in regular session at the Neighborhood Club on Monday, January 15, heard representatives of the City Little League and the proposed School for Exceptional Children argue over the use to which a portion of Neighborhood Club property should be put.

The parcel of land in question, the northwest corner of Neighborhood Club property on Charlevoix and St. Clair, is desired by Little League for a baseball field. Little Leaguers now use the land, which is not graded, for practice.

The School for Exceptional Children, started six and a half years ago to help the mentally and physically retarded, wants to put up a building on the property. Their present facilities are overcrowded, and there is a serious need for expansion. The Council, while sympathizing with representatives from both organizations in their

search for suitable space in the crowded City of Grosse Pointe, observed that they had no authority to dictate Neighborhood Club policy.

The Neighborhood Club itself must decide what it wishes to do with the property in question.

"You know a good doctor for this?" By FRED KOPP, R.Ph.

It's a question we answer all the time. Sometimes it's someone new in the neighborhood. Sometimes it's an old friend who just doesn't happen to have a family physician. The boy sprains an ankle... the baby runs a temperature... Grandma has a bad cough. Troubled people often turn to us for help, and rightly so. We work closely with physicians, providing the medicines they prescribe and use in their offices. We know who they are, their specialties, their office hours. In an emergency we're glad people to ask. And we're always happy to be of service to our friends and patrons.

This is the 943th of a series of Editorial advertisements appearing in this paper each week.

From Another Pointe of View

By Patricia Talbot

Why travel to Switzerland or even Otsego when the ski slopes nearer home provide perfect sport? Over 400 ardent ski fans at Parcels and Pierce Junior High Schools have organized to take advantage of the local slopes.

Miss Christine Wells, the gym teacher at Pierce, reports an enthusiastic response to the formation of a ski club. This Saturday a group of parents will chauffeur Pierce skiers to Mt. Christie for a day on the slopes. Sponsors for the Pierce group are Mrs. Gordon Cook, Mrs. Henry Sadler, Mrs. Kenneth McMillin and Mrs. George Brand. The Pierce caravan will be heading toward Dryden on February 17.

Over at Brownell the ski club has a professional black, blue, white and gold skiers badge for each club member, and there are about 300 now.

The Brownell club sponsor is Mrs. Muriel Kreski, of the National Ski Patrol, Sylvan Knob, Gaylord. Miss Louise Lockeman and principal Charles Saltzer are also sponsors.

The Brownell ski safari is also scheduled for Saturday to Mt. Christie, with a date February 3, at Mt. Holly, and February 17 at Dryden.

Barbara Brown, Barb Stewart, Chuck Adams, Dick Stillwell, Art Colton and Denny Veitch are the student planning committee. Some of the faculty members are joining the beginning ski classes, too.

Johns Fly to Germany

Mr. and Mrs. Malcolm Johns are leaving this Friday for Berchtesgaden, Germany, where they will conduct the Church Music Institute for the Chaplains Corps of the U.S. Army.

The Institute is a six day retreat in Hitler's old vacation home, for 350 chaplains, organists, choir directors and singers who are in charge of the chapels in the European Army posts. Since there are many Army families living on these bases, requests were made for help in forming youth choirs for these children. To meet these requests Mrs. Johns was invited to join her husband on the staff of the Institute.

Archives Group Sets Lundi Gras Party

Invitations Out for March 5 Gourmet Dinner at London Chop House; to Benefit Archives of American Art, Which is Headquartered Here

In recognition of Detroit's Gallic Heritage the Archives of American Art committee has again decided to celebrate Lundi Gras with a benefit dinner.

Invitations have gone out to the black tie party which will be held at the London Chop House, March 5, the traditional "Fat Monday", day of feasting before Lent begins.

Bids to the gourmet dinner were printed on a facsimile of the Michigan Essay, August 31, 1809, believed to be the first territorial newspaper.

Mrs. C. Henry Johnson and F. Sibley Moore are co-chairmen of the dinner, which will cost the first 200 guests to respond \$50 a plate.

Mrs. Joseph Whelan and Milka Iconomoff are in charge of hostesses and decorations. The menu for the dinner has not been announced but will follow in the pattern of last season's successful party.

Plans are to offer the specialty dish of each major city visited on the Archives' tour of Europe last fall. They include Amsterdam, Rome, Paris and London.

Harold O. Love is the local head of the Archives of American Art, which has its national headquarters at the Detroit Institute of Art.

Mrs. Davis to Entertain Detroit Sorosis Tuesday

Mrs. Harold S. Davis will open her Harcourt road home on Tuesday for a meeting of Detroit Sorosis.

Mrs. Eugene Kempf will offer a program on "The Negro and the Spirituals." Soloist will be Mrs. John Mitchell with Mrs. John Slater, accompanist.

The bride-elect was graduated from the University of Detroit Dental School. Her fiancé is a student at Port Huron Junior College. A July 28 wedding is planned.

Success comes before work only in the dictionary.

Will Wed

Mr. and Mrs. Charles W. Ohly, of Sunningdale drive, announce the engagement of their daughter JANET MARIE, to Paul Albert Van Hull, son of Mrs. Joseph Moors, of Lakepointe avenue, and Albert Van Hull, of St. Clair S. ores. The engaged couple are attending the University of Michigan. No date has been set for the wedding.

Bride-Elect

Announcement is made of the engagement of JOANN KATHRYN KARNATZ, daughter of Mrs. Mabel Humphrey, of Barrington road, and Emory F. Karnatz, of Covington drive, to Paul Martin Koch, son of Dr. William F. Koch, of Detroit and Rio de Janeiro, Brazil, and the late Mrs. Koch. An April 14 wedding is planned.

Today's youngsters don't leave footprints on the sands of time—just tire tracks.

Betrothed

Mr. and Mrs. John Conway Cook of Lewistown road, announce the engagement of their daughter VIRGINIA, to Robert Leslie Bowen, son of the Frank Leslie Bowens, of Chicago. Virginia attended the Academy of the Sacred Heart, and was graduated from Grosse Pointe High School, before she attended the University of Detroit.

Mr. Bowen was graduated from Ignatius High School in Chicago, and from the University of Detroit, where he was president of the Student Council, and a member of Blue Key National Honor Society.

Officiating at the March 3 wedding will be the Very Reverend Laurence V. Britt, S.J., the bride's uncle, and President of the University of Detroit.

Before their return on February 4 the Johns will visit cathedrals, churches, publishing houses and choir schools in Zurich, Geneva, Salzburg, Vienna, Paris and London.

During their absence the Grosse Pointe Memorial Church will have standing in for the Johns, Mrs. Ben Tallman, organist, and Richard Lofts, bass of the chancel choir, who will direct the senior choir.

Sigma Gammas to Report

Sigma Gamma Association will hold its annual meeting this Friday at the Grosse Pointe War Memorial at 2 o'clock with Mrs. S. Pinkney Tuck, guest of honor.

Short talks by Miss Blakely, executive director of the Detroit Orthopedic Clinic, and Mrs. Spalding, president of the clinic will be followed by a panel discussion.

The Laura Butler Higbie Memorial Award will be presented to the senior member for outstanding service and other awards will be made to juniors volunteers.

Chatham Hall Launches Drive

Last Wednesday evening at the Country Club alumnae and parents of current Chatham Hall students met for a kick-off dinner to launch a fund drive for the school.

William W. Yardley, rector of Chatham Hall in Virginia, spoke at the dinner, one of several around the country. The school hopes to raise \$845,000 to build a new arts and science building and a dining-dormitory-infirmarium wing.

Heading the fund drive for the alumnae here is Mrs. James A. Humphrey, Jr., with Mrs. Laurie Dickson, Jr., Mrs. Henry Vaughn, Jr., and Mrs. William Wotherspoon on her committee.

Among the co-chairmen of the parents' division is Mrs. Douglas Campbell, with Mrs. Renville Wheat, Raymond Dykema, Dr. John Mateer and Mrs. Greene Fenley, Jr., on her committee.

To Plan Benefit

Mrs. Raymond Berry, of Lakeview court, has invited the board of the Historical Memorials Society and the planning committee to her home for a luncheon this Friday.

They will be organizing a fair, luncheon and bridge benefit for the Society set for February 22 at the War Memorial.

Mrs. Berry is home from a stay with her son-in-law and daughter, Mr. and Mrs. Edward A. Sillicre, of Bronxville, N.Y.

Smith Alumnae to Gather

The Detroit Smith College Club will meet this Tuesday at 8 o'clock at the War Memorial. Members are asked to bring their husbands to hear a talk on Canadian and Eskimo art by Kenneth Saltmarche, director of the Willstead Art Gallery, Windsor.

Before the meeting Mr. and Mrs. Perry TeWalt will entertain Mr. and Mrs. Saltmarche, the Robert Peirces (she's president of the Smith Club) and Mrs. David Mills, president of the Bryn Mawr College Club at dinner in their Lincoln road home.

Bryn Mawr College Club members and their husbands will be special guests for the evening meeting.

Watson Fords To Show Films

The Grosse Pointe public and their guests are cordially invited to the Grosse Pointe War Memorial, 32 Lake Shore road, without charge, Wednesday evening, January 30, at 8 o'clock, to visit the "Middle East" with Mr. and Mrs. Watson I. Ford through the medium of an illustrated lecture using colored slides.

The Ford's pictures and commentary will cover the countries of Turkey, Lebanon, Syria, Iraq and Iran. Beginning at Istanbul the mosque dominated city on the Bosphorus which is the gateway to the East, the Ford's will take their viewers to the Valley of Gorem where Byzantine monks carved elaborate buildings from rock walls in the second and third centuries.

Then it's on to Syria with a stop in the City of Aleppo nestled around its commanding citadel and then to Damascus the oldest continually inhabited city in the world. It is a city associated with St. Paul and is the place where John the Baptist was decapitated. It is a place of wonderful silks, brocades, embroideries and of course, damasks. The bazaars are fascinating.

Lebanon's chief attractions beside the modern port city of Beirut, which the Fords used as their headquarters, includes the world's most magnificent Roman ruins situated at Balbek and the world's first formed city, Byblos, the port of the ancient Phoenicians.

The Fords will move their audience via slides to Amman located in the hills of Jordan and next to a brief visit in the Holy Land's Bethlehem and Jerusalem.

The delightful evening will end in Iraq and Iran where beautiful rugs are found even in the streets and on the floors of taxicabs.

City Club to See Florida Fashionata

Latest Styles to Be Flown in for Luncheon Next Tuesday;
Dr. Smyd to Show Colored Movies of Russia
on January 25 Family Night

"Florida Fashionata," an original, colorful musical presentation of the latest Florida styles will be flown in for a luncheon at the Women's City Club of Detroit on Tuesday, January 23.

Mrs. Aaron E. Wilcox, chairman of the program committee that is sponsoring the show, suggests early reservations as the party is practically sold out at this time. Delta Air Lines will bring the clothes

and models from Florida and their coordinator of women's services, Fran Wheeler, is the producer and narrator.

Dr. E. S. Smyd, whose colored movies are often shown at the Grosse Pointe War Memorial,

will show his films on Russia at the City Club's popular Family Night on Thursday, Jan. 25, at 8 p.m. Reservations for dinner are recommended, but there is no charge for the program in the auditorium. Dr. Smyd will give a 30-minute introduction on the history, culture, anthropology and economies of the areas of Uzbekistan and Tajikistan (Russian Asiatic states he will cover), and native music will accompany the films. This program, too, is sponsored by the Club's Program Committee.

Miss Edith Lippert, new director of swimming at the City Club, is proud of the two championships the girls have won recently — the Midwest Swim League that includes the Club, Ann Arbor, Flint, Toledo, Battle Creek and Grand Rapids, and a new 800-yard Freestyle Relay for girls 16 and under in which four of the team participated.

Listed among the winners are co-captains, Debby Davis and Betsy Bauer, Pam McMaster, Mikie Shelton, Polly McGarvagh, Nancy Russ, Sandy McMaster, Beth Pankhurst, Martha Russ, Kathy Coolidge, Nancy Ward, Candy Shelton, Louise Brutell, Pam Curtis, Martha Kessler, Phoebe Bedford, Linda Darling, Sally Wickham and Martha Thomas. Five of the City Club Team were named on the All-Star Team for the Midwest League. So now the City Club has two trophies in its possession!

Personals

Here on Monday as guests of MRS. RENVILLE WHEAT, of Touraine road, were MRS. CHAUNCEY HULBERT and her sister, MRS. DONALD KING, directors of Aloha Camp for Girls and Lanakila Camp for Boys on opposite shores of Lake Moey in Vermont. MRS. ROY D. CHAPIN, JR., of Country Club lane, entertained Monday for the girl campers and MRS. LAWRENCE GOTTFREDSON, JR., of Washington road, had a get-together for the boys.

The C. HENRY BUHLIS, of Vendome road, entertained Friday evening with a dinner at the Detroit Club to honor Mr. and Mrs. EUGENE JOCHUM. Mr. Jochum is the renowned conductor of the Concertgebouw Orchestra of Amsterdam and will conduct the Detroit Symphony this Thursday and Saturday evenings.

To Say Vows

Mr. and Mrs. John R. Swetta, of Bournmouth road, announce the engagement of their daughter, MARJORIE LEE, to Donald Robert Worley, son of the John Kyle Worleys, of Merriweather road. The bride-elect attended Michigan State University and her fiancé was graduated from Yale University and attended the University of Michigan Graduate School. The couple plan a spring wedding.

Talks on Flower Art Offered

A series of six weekly lecture-demonstrations by Mrs. Richard Gerathy at the Grosse Pointe War Memorial will bear out the quote "if winter comes can Spring be far behind."

The classes will be held on Friday, beginning January 26. A morning class for less advanced students will be held from 9:30 a.m. to 12 noon.

An afternoon class from 1 p.m. to 3:30 is reserved for students who have had previous experience and have already acquired some skill in arranging.

Both classes are offered in terms of six 2 1/2 hour lessons terminating March 2. The fee is \$15 and advance enrollment is requested by calling the Center TU 1-7511.

Mrs. Gerathy is an extremely competent and qualified teacher. She is a certified flower show judge and not only has studied advanced flower arranging at the university level, but has won numerous prizes for her work and has taught arranging with wonderful reception for the past several years.

If you find life is empty, try putting something into it.

Plans Rites

At a New Year's Eve open house, Mr. and Mrs. Everett B. Hall of Rivard boulevard announced the engagement of their daughter, DARLENE SUZANNE, to Larry Vandegiesen, son of the Fred Vandegiesens of Hickory Corners, Mich.

The bride-elect attends Western Michigan University, Kalamazoo, where she is affiliated with Alpha Omicron Pi. Her fiancé was graduated from Western Michigan in 1960 and is presently stationed at Ft. Benning, Ga.

The wedding date is indefinite.

Health Council To Hear Expert

Speech problems as they effect Grosse Pointe school children will be the subject of a talk by Miss Ruth Curtis, speech therapist of the Grosse Pointe Board of Education, before the Grosse Pointe Mothers' Health Council on Monday, January 22, at 1 p.m. in the Central Library.

Thomas Tripp, audio-visual librarian, of the Central Library, will show two short films on the preparation for an atomic attack and the effects of atomic fallout.

At the last meeting of the Council, Mrs. Anita Leslie, a graduate of Grosse Pointe High School, and a member of the counseling staff of Grosse Pointe High School spoke on the counselor system and how it works. A lively question and answer period followed.

The best selling book in the world is the Bible with more than 25 million copies being printed annually.

Ferry to Give Pancake Supper

Ferry School youngsters, their parents and teachers are eagerly anticipating the second annual pancake supper to be held Wednesday, January 24, from 5:30 to 7:30 p.m. in the school gymnasium. Tickets may be purchased at the door.

The event is sponsored by the P.T.A. Chairmen Mr. and Mrs. Henry M. Kuhlman are being assisted by Harry R. Grabow and Mr. and Mrs. Robert Shannon, promotion; and Mr. and Mrs. Thomas E. Candler, personnel.

Ferry School fathers will serve the dinner and show movies. They include Messrs. Otto Leu, William Klingbeil, Clare Sober, Arthur Sherman, David Teague, Charles Swenson, Richard Marr, William Killbrev, Floyd Richardson, Thomas DeVries, Archibald McGlasson, Frederick Stewart, William Healy, Donald Cochell, Robert Hornbeck, Ted Jacobs, Guenther Buergel, John Deacon and Elmer Wyatt.

The Women's Association of the Grosse Pointe Woods Presbyterian Church will begin its new year with joint Association and Circle meetings to be held at the church on February 23.

The afternoon Circles will meet at 1 p.m., while the evening Circles will meet at 8 p.m. The theme of the program for this day will be "Keys to Open Doors" and will be under the direction of the Program Department.

After the program and short business meeting, the Circles will meet with their new leaders. The executive board will serve refreshments. The same program will be repeated for the evening Circles. Following are the names of the afternoon Circles and their leaders: Abigail, Mrs. Charles Brownell; Deborah, Mrs. Robert Brownson; Elizabeth, Mrs. Donald Doherty; Esther, Mrs. Gorton Evans; Hannah, Mrs. Fred Kniskern; Lydia, Mrs. Fred Kronig and Martha, Mrs. Lathrop Morse. The evening Circles are: Mary, Mrs. Donald Lindow; Miriam, Mrs. Chenoweth Watson and Naomi, Mrs. Fred Wilson.

The Association's new officers, who were installed at the December meeting, are: president, Mrs. Gerald C. Schroeder; first vice president, Mrs. Charles Bryant; second vice president, Mrs. Donald Neill; third vice president, Mrs. William Elliott; recording secretary, Mrs. Paul Nash; corresponding secretary, Mrs. Fred Grace; treasurer, Mrs. Fred Olmsted; and assistant treasurer, Mrs. Verne Adams.

Altar Society
The Annunciation Altar Society is sponsoring a mid-winter luncheon and card party Thursday, January 25 in the parish hall at noon. Mrs. A. J. Mong and Mrs. Frank Kidd are chairmen.

Mission Festival
St. Marks Methodist Church will give a smorgasbord followed by folk dancing and singing January 26. Dinner is from 5 to 7 o'clock.

Club to Make Brewery Tour

Next Tuesday evening, January 22, an enthusiastic group of members of the Grosse Pointe Hunt Club and their wives are looking forward to a plant tour and Rathskeller Party at the Stroh Brewery Company.

Arrangements have been made under the guidance of A. J. Kilek of Fontana road, as well as members of the riding committee of the club.

Miss Carpenter to Wed Michael Shaw in June

Mr. and Mrs. J. Willard Carpenter of East Jefferson avenue announced the engagement of their daughter, Mary Diane, to Michael Farrell Shaw, son of Mr. and Mrs. Allison Shaw, of Alter road.

Plans are being made for a wedding early in June.

Noah Webster began writing the dictionary in 1807 and finished in 1823.

Noted Author At Town Hall

Marguerite Cullman, diplomat's wife and author of best-seller, "Ninety Dozen Glasses," will appear at Detroit Town Hall Wednesday, January 24, at 11 a.m. in the Fisher Theater.

Mrs. Cullman is the wife of the U. S. Commissioner General to the Brussels World Fair and has always been well known as an expert hostess. She is also one of the theater's most celebrated "angels," four out of five plays she has backed becoming hits.

The list includes "Abe Lincoln in Illinois," "Arsenic and Old Lace," "The Voice of the Turtle," "I Remember Mama," "South Pacific," "No Time for Sergeants," "The King and I," "Music Man," to name but a few.

"Ninety Dozen Glasses," Mrs. Cullman's first book, has been sold for a Broadway musical.

The human heart rests about eight-tenths of a second between each contraction.

Pittman to Aid Liggett Drive

The appointment of Lansing M. Pittman to succeed Mrs. Frederick S. Ford as co-chairman of the Liggett Tomorrow Fund has been announced.

Mr. Pittman, of 70 Renaud road, will assume responsibility in the fund campaign for a new school in Grosse Pointe Woods, with Mrs. Ford's departure next week for her winter vacation in Florida.

Mr. Pittman said that, "Schools like Liggett fill a community need that is great and becoming greater all the time with mushrooming enrollments. We're going to need all the fine schools here at home that we can support."

Some people may think that paying tuition meets the need, but this is not the case. Someone in the past made Liggett's existence possible, and now it is our turn to assure its perpetuation on behalf of our grandchildren.

In announcing Mr. Pittman's appointment to the key campaign position, Mrs. H. Bradford Aarons, campaign chairman, expressed her "... heartfelt appreciation of the supportive job that Mrs. Ford has performed on behalf of the new

Liggett School, and my complete confidence in Mr. Pittman as a worthy successor. We greet his acceptance with enthusiasm and gratitude."

Mr. Pittman, 45, serves in numerous civic, philanthropic and social capacities in Detroit, including Red Cross Disaster Chairman for Wayne County, is a charter member of the 100-Club, and is a member of the Country Club of Detroit, the Old Club and the Grosse Pointe Club.

Mrs. Pittman, the former Sally Book, is a Liggett graduate in the Class of '37.

Lutherans Plan Parish Dinner

St. Paul's Lutheran women
have slated the monthly circle
meetings for January 23, 24
and 25 with the dual theme for
the year, "to know" and "to
do."

On Tuesday, January 23 the
Dorcas Circle will meet at the
church at 8 o'clock. Esther cir-
cle members will gather at the
Norwood drive home of Mrs.
Donald E. Bamberger at 8
o'clock.

Rachael Circle will meet at 8
o'clock at the Church and Lydia
circle will meet at the church
at 7:30 o'clock also on Tues-
day.

On Wednesday, January 24
Elizabeth circle will meet at the

Bergi at 8 o'clock. Sarah circle
will meet at the church on
Wednesday at 12:30 o'clock and
that same day at 8 o'clock mem-
bers of Miriam circle will meet
at church.

The only circle meeting on
Thursday will be the Ruth
group which will gather in the
church at 12:45 o'clock.

The first covered dish con-
gregational dinner will be held
Sunday, January 28 at the
church at 5 o'clock. The pro-
gram will feature slides and a
talk by Raymond Mittet on his
recent trip to New Delhi, India.

Center Offers Puppet Series

The Grosse Pointe War Me-
morial Puppeteers, under the
direction of Robert Rathbun
will be holding a series of meet-
ings for young people ages 9-15
who have had previous experi-
ence with puppets on Saturday
from 1:30 to 3 o'clock begin-
ning January 20. The five week-
ly meetings will be open to a
limited number for an entrance
fee of \$7.50 plus \$1.50 materials
charge.

Under Mr. Rathbun's direc-
tion, the young people will
learn to make imaginative hand,
rod and shadow puppets. They
will write their own scripts or
make adaption of stories and
plays for the Punch and Judy
Stage. Everyone will have an
opportunity to characterize sev-
eral puppets and perform be-
fore an audience.

Mr. Rathbun is the second
term president of the Detroit
Puppeteers Guild and recently
gave a program for the Nation-
al Convention of Puppeteers.
He is an art and history instruc-
tor at Pierce Junior High
School.

Need Volunteers For Big March

An urgent plea for Mothers'
March volunteers for the New
March of Dimes was issued to-
day by Anne Campbell Stark,
Wayne County Mothers' March
Chairman as final plans neared
completion for 40,000 Mothers
to march on Tuesday, January
30 from 7-9 p.m.

"We need additional workers
to wear the Golden Key in the
door to door Mothers' March
and we need them badly,"
Mrs. Stark said, indicating
that it takes about 40,000 volun-
teers to adequately cover
Wayne County. The Golden
Key symbolizes the need to un-
lock doors to new triumphs in
medical research over crippling
diseases, birth defects, arthri-
tis and polio.

The civic leader who has led
every Mothers' March for the
past 11 years said that the
Mothers' March for the New
March of Dimes is the greatest
single volunteer effort put
forth by the women of America
for any cause. "More than a
million women march each year
across the country to help the
National Foundation (March of
Dimes) raise funds to support
research, patient aid, and pro-
fessional education—the three
point program which developed
the Salk and Sabin vaccines
against Polio," Mrs. Stark
stated.

"These women who will be
identified by a golden key tag
give gladly of their time. They
know how vital the March of
Dimes program is to the 250,000
children born in this country
each year with significant birth
defects, the 11 million Ameri-
cans suffering from arthritis and
to the tens of thousands of polio
patients still in need of March
of Dimes (National Founda-
tion) help."

"Please say YES to our plea
for volunteers, march to pre-
vent crippling disease," urged
Mrs. Stark. To volunteer, call
March of Dimes Headquarters
at Woodward 1-4153.

Wilsons Enroll Dance Pupils

The Grosse Pointe War Me-
morial Association announces a
new series of young people's
Ballroom Dancing Classes un-
der the direction of Mr. and
Mrs. Bill Wilson to begin at the
Center on Friday, January 26.

There are five classes sched-
uled grouped according to age
and ability. The two Friday
afternoon classes, one at 4:30,
the other at 5:30 are reserved
for children in the fifth and
sixth grades. The seven o'clock
Friday evening class is for 7th
and 8th graders.

There is also an alternate Fri-
day evening class which begins
on January 26 and meets every
other Friday for two hours
from 8 to 10 o'clock. This class
is reserved for ninth and tenth
graders or very mature and
adept eighth graders.

For those who prefer a dif-
ferent day than Friday or who
cannot be included because of
full enrollments in the Friday
classes, there is a Monday eve-
ning class scheduled at 7:30
p.m.

The series of ballroom dan-
cing classes which also stress so-
cial behavior runs for fifteen
weeks concluding with a gala
party for the combined classes
which is complete with orche-
stra, favors and refreshments.
The cost for the series of 15
one hour lessons is \$15. Ad-
vance paid enrollments are re-
quested at the Center, TU
1-7511.

In 1884, the first private bath
was introduced in an American
hotel. In 1958, hotels and re-
sorts invested over \$19,000,000
in daily newspapers to inform
the public of their luxurious
accommodations.

Announcement of the show-
ings was made Wednesday at a
fun get-together working ses-
sion and luncheon for commit-
tee members at the Grosse
Pointe Hunt Club by Mrs. Fran-
cis W. Smith, association presi-
dent.

Everyone pitched in to get in-

vitations out early but all talk
was of the new innovations to
be revealed at the shows. Ad-
vance hints are of new shapes
and colors to intrigue Detroit's
fashion minded women, with
great emphasis on pale tones.

Tickets are limited but avail-
able while they last from the

Two Victories Keep Devils Near Top in League Race

By Dan Hall '62

Grosse Pointe's Blue Devil basketballers took a long step toward the championship last Friday in beating tough Dearborn Fordson 57-37. Fordson previously had been tied for first with Highland Park.

Fordson will take on the Parkers next Friday in a game that will mean much to Grosse Pointe. If the Devils manage a victory at Monroe, and if Fordson beats Highland Park, the result would be a three-way tie for first place between the Tractors and the Parkers.

Grosse Pointe's Coach Chuck Hollosy feels the Tractors could beat Highland Park. "There is a lot of psychology involved in this one," he said.

"It will be the last game for Fordson's January graduates," he explained, "and the team could be fired up enough to win."

Whatever happens between Highland Park and Fordson, the Devils still need to win at Monroe. "I understand Monroe has a much better team than they have shown," commented Coach Hollosy.

In Friday's game, Grosse Pointe ran up an early lead and never relinquished it. The score at the half was 30-15.

Despite the heavy deficit, Fordson did not give up. They applied pressure all through the third quarter, but could not dent the Devil defense for a substantial gain. The period ended with the score at 44-32.

The Tractors staged their last desperate try for victory midway through the final quarter. At one point during this rally Fordson narrowed Grosse Pointe's lead to only eight points, the smallest since the first period. The Devil defense stiffened again, however, and this, combined with Fordson's fouling, ended the threat.

Jim Seder took game scoring honors with 16 points. Gary Spade had 13, and Rick Brydges 12. Marc Lonesk was not among the high scorers, but dominated as a rebounder. Vic Dhooge's sharp ball handling set up many of Grosse Pointe's tallies.

Marc Lonesk scored a short

jump shot with one minute gone in the first period on Friday, January 5, and the Devils were ahead for keeps in their easy 62-44 over Royal Oak Dondoro.

The first period score was 15-10. The Blue Devils increased this lead to 28-17. The score shot up to 52-31 by the end of the third quarter.

Except for a brief first period flurry by the Acorns, the Devils dominated the entire game. With three minutes to go in the first quarter the Devils were resting on a 12-3 lead when Royal Oak got hot. Within the next 90 seconds the Acorns sliced Grosse Pointe's lead to a perilous 12-10, and the visiting fans were screaming for more.

The Devils quickly recovered, however, and coasted through the rest of the game.

Lonesk Top Scorer

Marc Lonesk scored 16 points and Jim Seder 11 for the Devils. In other BCL action, league leaders Highland Park and Fordson both staged second half rallies to score their third straight victories, over Wyandotte and Monroe.

Next week Grosse Pointe will attempt to knock Fordson out of their share of first place. Unless Monroe manages to upset Highland Park, however, the Devils cannot expect to rise in the standings until the Parkers come to Grosse Pointe next month. Although Fordson has so far posted a perfect league record, they should not be rated as strong contenders for the championship as are both Highland Park and Grosse Pointe.

BCL Basketball Standings

Pointe Hockey League Plans Second Anniversary Party

The Grosse Pointe Amateur Hockey League is celebrating its second year in existence and National Hockey week, January 20 to January 28, by sponsoring an "Ice Hop" on Sunday, January 28 from 6 to 8 p.m. at the Ice Rink located at Maryland and Charlevoix.

All parents and other interested supporters are invited to attend the party where they may skate to music and meet their favorite hockey players. Tickets are \$1.00 each for adults and 50 cents each for youngsters under 16. Refreshments will be available. All proceeds from the Hop will be used to assist in defraying the expenses of the League. Tickets may be obtained from any of the players or from the Ice Rink.

The following are the scores and standing of the Grosse Pointe Hockey League at the week ending January 13:

Scores				
Wolverines	6		
Cardinals	2		
Chiefs	14		
Ravens	3		

Standings				
	W	L	T	P
Chiefs	9	0	0	18
Cardinals	5	4	0	10
Wolverines	4	5	0	10
Ravens	0	9	0	0

Jack Hoag's Wolverines have their sights set on second place, and Ben Carbonetto says "Amen." As he watched the Wolverines take the measure of his Cardinals by the score of 6 to 2 Saturday morning at the Ice Rink, The Wolverines jumped to a quick 2 to 0 lead in the first period and never relinquished the lead thereafter. Bookstanz scored the hat trick (three goals). Schoew obtained two goals and Sandy Sides scored one to account for the Wolverine scores. Gage and Blackburn each scored for the Cardinals.

Griffin, on loan to the Ravens, scored the hat trick against his teammates, but his three goals were not enough as the Ravens lost their 9th game in a row, 14 to 3. Doug MacArthur scored three goals in pacing the Chiefs to their ninth consecutive win.

BANTAMS Scores

Standings

Rebels	8	0	1	17
Belltemp	4	4	0	8
Eagles	2	4	2	6
Hawks	0	6	1	1

The Belltemp, playing two games this week, met the Hawks Sunday evening and after scoring three quick first period goals had to hang on as the Hawks came back with one in goal getters for the Woods The.

the second period and one in the third period, but just couldn't get in the equalizer. Final score, three to two. Fox, McKenny and Beltz each scored a goal for the Belltemp.

The Belltemp and Eagles, tied for second place, met Saturday in a hard-fought game that saw the Belltemp win 5 to 4. The Belltemp had an aggressive, hard pressing attack in the first two periods, but the Eagles came back strong in the final period to score two goals.

Only the spectacular goal tending of Welch in the Belltemp net kept the Eagles from a win. Three goals by Fox and two by Beltz accounted for all Belltemp goals. Ritter had two goals, Murad and Vivers one each for the Eagles.

The Rebels took the measure of the Hawks Saturday evening, 8 to 2. Keller came up with a hat trick by scoring one for the Rebels in each period. The game was interrupted in the first period when the Rebels swarmed onto the ice to congratulate a teammate who had just scored his first G. P. Hockey League goal in two years of play. This young man, one of the most aggressive left wingers in the League, has seen spectacular saves on many of his shots, fanned on open nets, missed shots on open nets, playing good games, but never before able to place the puck into the net, finally scored from ten feet out. Congratulations, Keith Foucher.

Krimmel scored for the Hawks and played brilliant hockey for the full three periods of play. Bradley was the other goal getter for the Hawks.

Austin Cagers Win Two More

By Bob Moore

Austin High picked up two more league basketball victories last week as the Friars defeated De La Salle, 67-51, and Salesian, 71-36. The victories left Austin (5-1) tied for second place in the Central League behind U-D.

The La Salle game, on Tuesday, January 9, was expected to be a tough, close game between two of the top contenders for the league title. And, for the first few minutes, it was.

Then, Austin, sparked by Dan Steffes, hit eight straight points to take an 18-9 first quarter lead. They went on to take an overwhelming 36-16 half-time lead.

In the second half, the Pilots came back, fought to within nine points (56-47) of the Friars, and threatened to erase their large deficit. But two quick baskets by Bob Hitt and buckets by Tom Taras and Dan Steffes put out the Pilots' spirited rally.

La Salle's high-scoring Dennis Matulewicz led both teams with 20 points. He was the only Pilot in double figures. Sam McKnight, excelling offensively and defensively, led a balanced Friar attack with 15 points. Bob Hitt connected for 12, while Dan Steffes and Tom Taras both scored 10.

Then, last Friday, Austin overcame a sloppy first quarter to romp over Salesian, 71-36. The determined Knights grabbed a quick 8-0 margin and a 12-11 lead at the end of the first quarter. But Austin regained the lead in the first minute of the second quarter on Taras' long jumper and after that was never headed. At the half, the score was 25-18.

In the third quarter, Austin really came alive, outscoring Salesian 26-3. Coach Carroll emptied his bench in the final stanza, but the second and third stringers still outscored Salesian 20-15.

Austin forward Rick Pine led both teams with 18 points. Tom Taras was the only Friar in double figures as 12 Austin players scored. Taras had 11. Doug Winkworth and Dan Steffes each had seven.

Bob Hitt, Austin's star center, had a hand injury which somewhat hampered his effectiveness. High for Salesian was Chamberlain with 17 points.

Friday, Austin travels to Catholic Central to play last year's State Champs who are tied with Austin for second place.

GPUS Defeats Country Day

By Alan Hartwick
G.P.U.S. Sports Editor

Friday, January 12 saw the G.P.U.S. Knights defeat arch-rival, Detroit Country Day, 46-32. The Knights in winning their second game of the season made a very sharp showing.

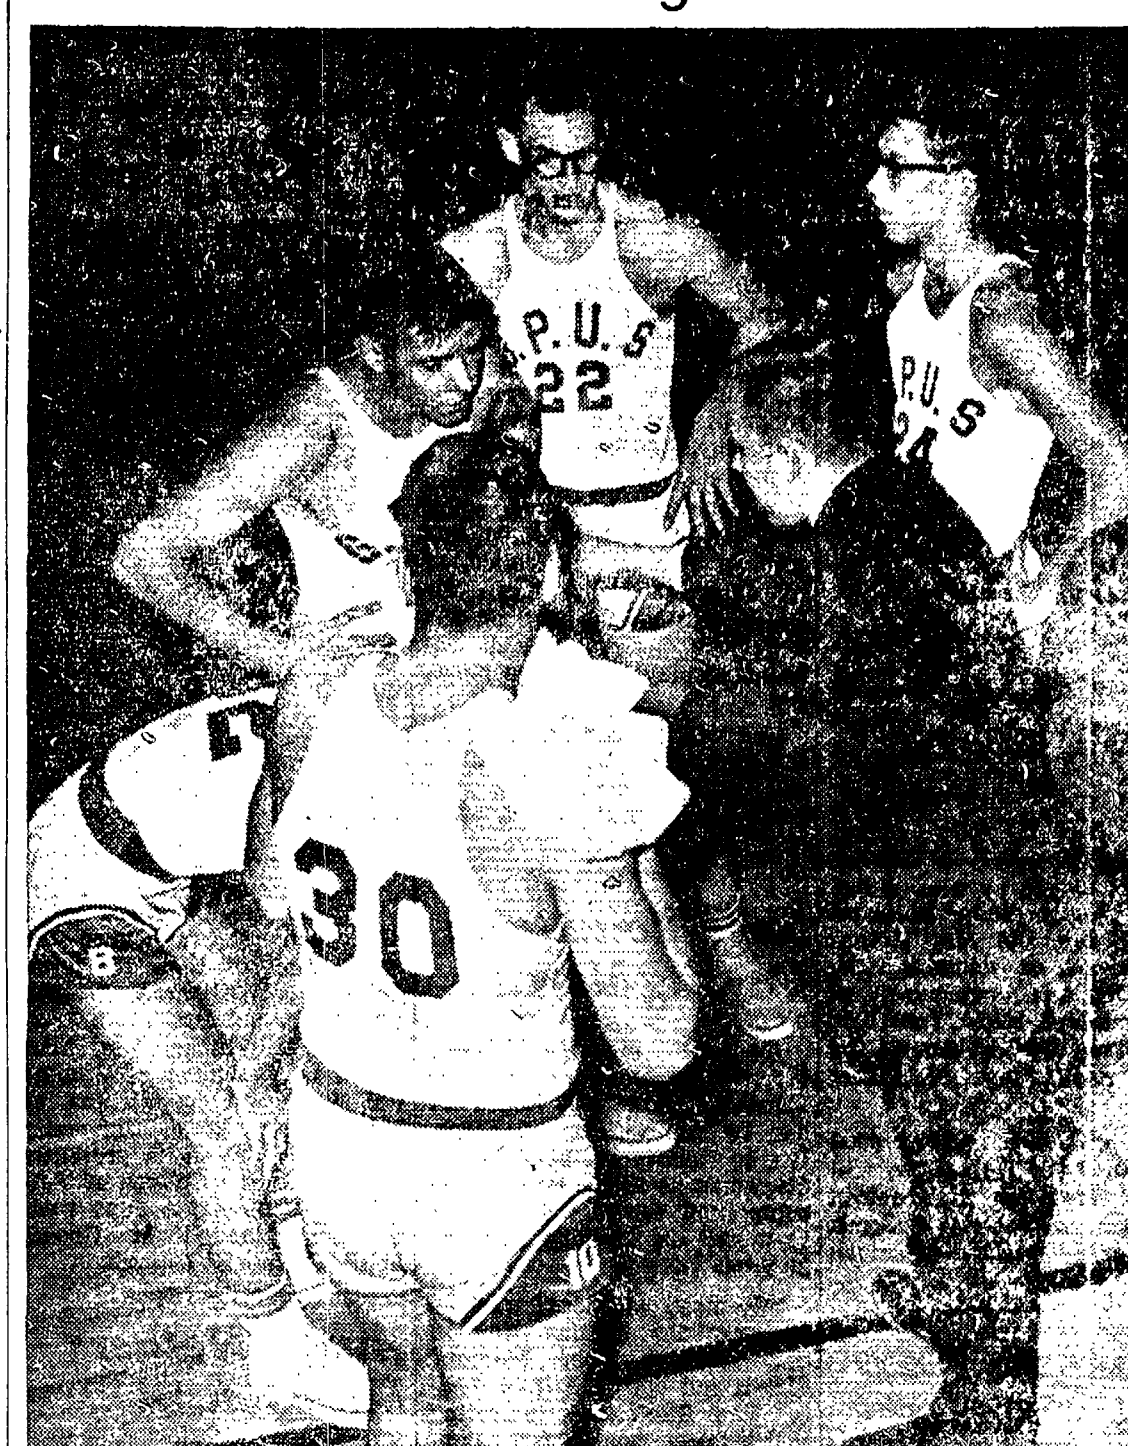

The start of the game was delayed some 15 minutes because of a broken basket. Starter George Perrin became a little over-zealous in dunking one shot. The Knights moved well and played a strong first half, holding D.C.D.S. to only 11 points. Perrin led the Knights to an early lead which they maintained throughout the game, with four quick baskets in the first quarter.

The G.P.U.S. defense repeatedly stole the ball and kept the Detroiters bottled up. Alan Hartwick hit on a set shot from mid-court to end the half and G.P.U.S. led 22-11.

Country Day was very strong at the start of the second half, scoring three times before the Knights could take a shot. The score was then 22-17. Suddenly Dave Hughes caught fire for the Knights and the defense tightened up considerably. The Knights then pulled away and coasted to the 46-32 win.

Captain Alan Hartwick and sophomore George Perrin led the Knights in scoring with 14 apiece. Dave Hughes was next with 12. Carl Kresge was high for Country Day with 12.

Coach Takes Advantage of Lull in Game

A TIME OUT during the Grosse Pointe University School game with Detroit Country Day provides a chance for COACH BILL LONG to make some changes in the G.P.U.S. offense. Changes weren't needed last Friday, however, since the Knights led all the way in a 46-32 victory over their arch-rival. Shown are left to right: GEORGE PERRIN, (30), ALAN HARTWICK, PAUL SHERIDAN, JOHN GOLANTY, DAVID HUGHES, and COACH LONG.

GPUS Reserves Double Winners

By BILL HAGMAN

With no time left on the score board clock, Jeff VonSchwarz calmly sank two free throws to give the Grosse Pointe High School reserves a 43-41 triumph over Fordson High School at Grosse Pointe, Friday, January 12.

Before VonSchwarz's game winning effort, the Devils, after leading 23-21 at the half, trailed all the way through the second half until Joe Brady and Greg Martin hit on jumpers to give Grosse Pointe a lead of 41-40 with 45 seconds remaining in the game.

Fordson then scored on a foul shot to tie the score at 41 all with 20 seconds left. The Devils were waiting for a last second shot when VonSchwarz was sprung loose but he was fouled in the act of shooting as time ran out. Under extreme pressure he sank both shots to give the reserves the victory.

The reserves have now won four games while dropping four. The strange thing about this record is that the Devils have won all four BCL games but have lost all non-conference contests.

On January 5, at Grosse Pointe High School, the Grosse Pointe reserves defeated the Royal Oak Dondoro reserves by the score of 51-38.

The reserves took an early lead and led 15-12 at the end of the first quarter. Jeff VonSchwarz and Rod Luzzi were hitting well as the Devils led at halftime 28-24.

The third quarter was the clincher as Grosse Pointe outscored the Acorns 14-5 to lead at the end of three periods 42-29. The final quarter saw each team collect nine points to make the final score 51-38 for the Devils.

Jeff VonSchwarz enjoyed his best night and also set the reserve scoring record so far this season by pouring in 21 points. Rod Luzzi had nine while Neal Engelhart and Greg Martin each had six points.

GPUS Swimmers Continue To Mow Down Opposition

By Dan Hall

Grosse Pointe's Blue Devil swimmers continued to mow down all opposition last Friday, beating Dearborn Fordson in their own pool.

The Devils have not been defeated in a league meet in more than two years. They took on Southfield in a non-league contest last Tuesday, but the results were in too late for this week's NEWS. They will resume league competition against a strong Monroe team this Friday. The Trojans are traditionally one of the stronger BCL teams.

New Pool Record
The Tractors grabbed an early lead last Friday when they took first place in the first two events, the 400 and 50-yard freestyles. Ron Pohlausk's time of 4:31.0 established a new pool record in the 400-yard freestyle.

Grosse Pointe took the lead for keeps in the next event, however, when John Woods and Jack Teetart slammed the 100-yard butterfly.

Two Devils set pool records. Bob Schelling swam the 100-yard breaststroke in 1:07.6. Mark Marsh stroked through the 100-yard freestyle in 52.5.

Grosse Pointe slammed two events, the 100-yard butterfly and diving, while Fordson did not manage to slam any.

Kings Circle Elects Officers, Plans Parties

Mrs. Paul Rutledge, of Lochmoor boulevard, opened her home last week for a meeting and election of officers for the Ada M. Kies Circle, Kings Daughters and Sons.

Mrs. Duane Krause is the new president and other officers include Mrs. Don Drysdale, Mrs. Donald Kordich, Mrs. Robert Johnston and Mrs. William Keegan.

The circle made final plans for the annual card party which will be held January 31 at the War Memorial. Mrs. Ronald Hicks, TU 1-0918, is taking reservations.

On February 14 Mrs. Drysdale will entertain a committee to plan the membership tea and theater party in her Paget court home.

200-yard freestyle relay — 1. Marsh, Lozelle, Brink, Sherwood (G.P.); 2. Assel, Kurnas, Hussak, Mennik (F). Time: 1:37.9.

Beat Royal Oak Dondoro
Grosse Pointe's Blue Devil swimmers swept to their third straight league victory on Friday, January 5, drowning Royal Oak Dondoro in their own pool 77-28.

Dondoro grabbed an early lead when star Dick Gilbert set a new pool record in the 400-yard freestyle. The Devils bounced back in the next event however, when Jim Lozelle and Barry Brink slammed the 40-yard freestyle, and Grosse Pointe never again fell behind.

Bob Sherwood and Mark Marsh continued their record-breaking performances. Sherwood's time of 53.6 set a pool record in the 100-yard freestyle. Marsh set a new record for the 200-yard freestyle, swimming the event in 2:00.5.

Brink, Lozelle, Marsh, and Sherwood combined to set a pool record in the 160-yard freestyle relay, with a time of 1:36.3.

Grosse Pointe will travel to Fordson in pursuit of their fourth victory.

There is no plaque or historical marker on the estates of Mrs. Standish Backus or the Alfred R. Glancy, Jr., to remind Pointers that these acres were once the property of Dudley Woodbridge, son of Michigan's second governor.

Dudley moved his wife and four daughters to Grosse Pointe in the mid-nineteenth century, several years before many Detroiters thought the Pointe suitable for year-round living.

Recently the last Woodbridge daughter, Mrs. Charles Metcalf, died in her daughter's St. Clair Shores home. She remembered "Belle Meade" when it was one of the most hospital homes along the lake road. Dudley, who had moved to the Pointe because he suffered from ill health, lived until 1901 and the family kept the property for some time. The first Lochmoor clubhouse was in one of the Woodbridge daughters' homes.

Dudley's father, William Woodbridge, was with Lewis Cass, Michigan's most prominent statesman of the territorial days. Born in Norwich, Conn., in 1780 he emigrated to Marietta, O., the jumping off spot for the Northwest Territory, when he was 11. He received a good education and had been practicing law for 10 years when he was appointed Secretary of the Michigan Territory by President Madison in 1814.

He arrived in Detroit that winter after an arduous horse back trip from Marietta and soon acquired one of the French ribbon farms on the west side of the city, which was forever after known as the Woodbridge farm. He developed a fine orchard, improved the land and built a magnificent mansion, in which he spent little time. For the next 35 years he served as secretary of the territory, collector of the port of Detroit, territorial delegate to Congress, territorial supreme court judge, governor of the state and United States Senator.

His wife was Juliana Trumbull, daughter of Connecticut's well known poet. For his father-in-law, Trumbull avenue, the site of the present Tiger Stadium was named. Deeply interested in education, Woodbridge was involved in the founding of the University of Michigan with Presbyterian minister John Monteith and Father Gabriel Richard.

Woodbridge was a prospective choice as a nominee for the Vice Presidency at the Whig National convention in 1848 but lost out to Millard Fillmore, of Buffalo, who eventually became president, when President Taylor died.

From Mrs. C. Henry Haberkorn, who should know, since her late father-in-law was his neighbor, we learn that the French chateau built by the late Col. Frank Hecker is still standing in Ferry avenue. In last week's "When the Pointe Was Growing Up" column we mentioned Col. Hecker's imposing residence as on the site of the present art museum. It's not, but across the street and now houses a music museum. The Freer house, nearby, is now part of Metcalf-Palmer School. The Haberkorn home, which once stood on Ferry near the Hecker menage is gone, however. Mrs. C. recalls there was a "demolition" party when the mansion was about to be torn down.

Learning all about teen aged culture at Grosse Pointe High School this winter is a lawyer's daughter from Bangkok, Thailand, who spent some of her school years at the Palace, in the same classroom atmosphere as "Anna and the King of Siam." Karnjantvut Athakorn is quite a mouthful for her Pointe classmates so she is nicknamed, "Tum." She met her American host, Dr. Lawrence Pratt, of Windmill Pointe drive, while he was on an around-the-world tour last year and the young Buddhist miss is over here to improve her already considerable proficiency with the English language.

In spite of the icy roads last week Sister Mary Neri, of St. Paul's High School, drove to the U of D High school to participate in a physics seminar entitled "This Is How I Do It." Sister Neri demonstrated how she teaches the theory of sound to her students.

M. WILLIAM MASON, GROSSE POINTE FARMS FIRE CHIEF

By Patricia Talbot

The Al Green's-on-the-hill fire was not all in a day's work to Fire Chief M. William Mason, who remembers only one fire that was worse in his six-year tenure as chief or his 32 years with the department.

Dr. John Buell's Provencal road home was gutted by fire which was fed by gas from a defective furnace at 3 o'clock in the morning two days before Christmas, 1958. The worst fire in the Farms' history brought out four fire departments, caused \$250,000 damage. Three children, Dr. Buell's wife and mother and the family cook were rescued from the burning mansion.

During a normal month, Chief Mason believes the department answers about 18-20 routine calls, usually involving electrical equipment such as a dishwasher or dryer. The night of January 4 was an exception. Fires with total damage of \$500,000 destroyed Al Green's, Beaupre Hardware and Sidney Cleaners.

Chief Watching TV

Fire broke out at the dry cleaners and hardware first, a mile from Al Green's where diners waited for steaks seared in a grease blazing kitchen. The fire alarms were turned in just half an hour apart. Chief Mason, who works from 8:30 o'clock to 4 o'clock five days a week, had finished his dinner in his home in Belanger road and was watching television when the Farms police called him about the hardware-dry cleaning fire. He hurried to the scene and then gave the order for more help, which came first from the Park and then from Detroit, with whom the Farms has a standby service contract.

Chief Mason, a one time athlete now a bit portly, doesn't climb ladders anymore. His job is to direct the fire fighters, all 19 of his department, who were called in for the two fires. In his day he has clambered across roofs. He fell from a ladder fighting a Rivard terrace fire in his rookie days and broke his arm. But the Farms department has never had a fire fatality.

Take Off the Boats

After 32 years Chief Mason is still not philosophical about fires. Grosse Pointe is more fortunate than Detroit. Firemen have few calls like the January 4 alarms. But there are special problems. Often when the lady of the house calls hysterically to say her dishwasher is smoking she will plead with the department not to bring sirens and the truck which will arouse the neighbors. Chief Mason recalls that several times homeowners have greeted his firemen at the door and begged them to remove their boots before fighting the fire, "to protect the carpets."

"We have special problems in fire fighting here," says Chief Mason. "We have to use a bit of discretion in answering these house calls when so many valuable furnishings are involved." But firemen can't fight a fire without their boots. The department now has a utility truck to answer some calls, when the full ladder and engine trucks are not needed.

Emergency Call

Chief Mason joined the fire department in 1929 when the late George Dansbury was chief. He answered a call for emergency help because of a bad flu epidemic which left the department short-handed. Then he entered the Detroit Training School, took his exams and be-

came a fireman. Ed Beaupre joined at the same time, and is now a lieutenant in the department.

Bill Mason grew up within a stone's throw of the fire department. His father was a councilman and former Farms police chief. The family, one of the Pointe's pioneers, once spelled the name, Maison, and a Farms street still bears this name.

Bill Mason attended St. Paul's and St. Ambrose, played varsity football, basketball and baseball. His father wanted him to go to college but he went to work, selling phonograph records before the fire department called for his help.

Until the Buell and Al Green fires the Farms had been fortunate. Probably the worst fire in his boyhood was the burning of the new Country Club in the late 20's. Chief Mason remembers running across the open meadows to watch the fighters vainly try to save the lavish structure. The other fire which remains fixed in his memory is the blaze at the Charles F. Delbridge home in Hendrie lane in April 30, 1955, caused by defective wiring and resulting in \$35,000 damage.

Delays Consolidation

Chief Mason believes that the current mutual aid pact among the five Pointe fire departments is effective. This pact could delay consolidation of the departments for another generation. "Consolidation won't come in my time," he assures those who feel the mutual aid pact, although an improvement, is not wholly successful.

In his off hours Chief Mason is a great sports fan, although he no longer plays any game more strenuous than a round of golf. His son, William John, was an all city football back, still plays shortstop. Daughters, Nancy Jane, now Mrs. Dennis Murphy, of Grand Rapids, Peggy, and Carol Ann, all played varsity basketball for St. Paul's.

Co-Op Nursery Gives Pot-Luck

Mrs. Richard S. Schmitz, president of the Grosse Pointe Congregational Co-Op Nursery School has announced that the members will gather this Thursday, January 18, for a potluck dinner at the Church.

Dr. George D. Barahal, Professor of Education and Clinical Psychology at Wayne State University, will join the fathers and mothers of the Co-Op for dinner and afterward will speak to the group.

Dr. Barahal's talk will concern the raising of mentally healthy and happy children.

Mrs. Lee G. Kitchen, vice-president, has arranged for an informal question period following the talk.

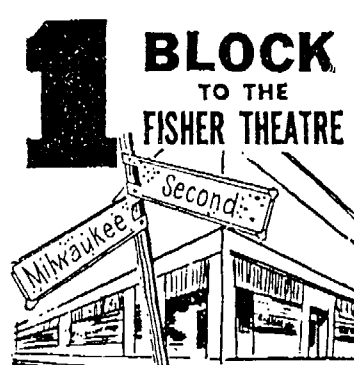

The thirty couples who are parents of the three and four year olds of the Nursery School and Mr. and Mrs. Harold Horneffer will gather for a four course buffet dinner. Mrs. Alan Neef and Mrs. Lewis Slater announce the diners will be seated at a different table for each course which will broaden the friendships within the group. Mrs. Horneffer is the director-teacher of the Nursery School.

Dr. Barahal joined the staff of Wayne State in 1950 from the position of Director of Psychological Services at Stanford University. Earlier in his career he was connected with the Detroit Board of Education as a counselor and teacher of "behavior problem" boys.

INJURED AT PLAY

Robert Hessler, 12, of 1354 Aline, slipped on the ice and lacerated his forehead while playing in the Ferry School playground. He was transported to St. John Hospital by Woods police, treated for the wound and released. The incident occurred on Tuesday, January 9.
