A New York schoolteachers strike yesterday disrupted classes and forced some schools to close entirely. Over 22,000 of the city's 40,000 teachers failed to report for work, and 4,300 pickets paraded before 595 schools. Approximately 15,000 of the teachers belong to the striking United Federation of Teachers, bargaining agent for all, and a large percentage of non-members refused to cross United Federation picket lines.

At some schools, unsupervised boys ran wild, throwing things out of school windows, tossing rocks and eggs, and pounding parked cars. The strikers urged that all schools be closed "for the protection of pupils and property," and heavy police guards were stationed at many picket lines.

Governor Rockefeller and Mayor Wagner blame each other for the situation, the Democratic mayor contending that the state has "short-changed" the city in financial aid, the Republican governor charging that Wagner is "passing the buck" and financial aid to the city this year has been greater than ever.

The teachers are striking for more pay: their salaries, at present, range from \$4,800 to \$8,600 a year, with bonuses in special categories, and the union wants an increase of \$5,400 to \$9,500 a year, plus bonuses. This is the largest-scale strike ever to hit New York city's school system.

THE STOCK MARKET fell to the lowest it has been all year yesterday, in the wake of United States Steel's announced \$6 per ton steel price boost and the Administration's anger over the increase in steel prices. In his Wednesday press conference, Mr. Kennedy described US Steel's action as showing utter contempt for public interest in pursuit of private power and profit, and stated that the price increase may add as much as \$1 billion dollars to the defense budget.

Roger M. Blough, chairman of the board of US Steel, held a news conference Thursday in an attempt to explain the factors involved in US Steel's decision to raise prices. Blough observed that costs have risen substantially since 1958, citing a 12 percent hourly employment cost increase among other increases over the four-year period between 1958 and 1962. "When costs keep moving upward and prices remain substantially the same for four years, the need for some change in the cost-price relationship should be apparent," Blough told newsmen, adding that Kennedy's \$1 billion defense increase figure was highly exaggerated. "There is nothing irresponsible about the action we have taken," Blough stated.

Attorney General Robert Kennedy has started an investigation of the steel pricing system and is examining the possibility that US Steel, leader in the industry, may be violating anti-trust laws. Commerce Secretary Luther Hodges terms the company's action a case of "US Steel first, USA second," and UAW chief Walter Reuther calls it "an economic Pearl Harbor."

SIXTY RANSOMED Cubans, veterans of last year's abortive anti-Castro invasion, landed in Miami International Airport today, pledged to "consider ourselves prisoners until the last one of our companions is at liberty." The ex-captives, many of them ill and wounded, had been "bought back" by the four-member Cuban Families Committee negotiating team, at a reported cost of over 2.5 million U. S. dollars. The committee revealed that attempts had been made to bargain with Castro, asking him to trade the prisoners for goods instead of money, but that the bearded dictator refused even to consider such a proposal. "He will talk only dollars," said negotiating team member Ernesto Freyre.

Tandem Cyclists Hit Passing Car

Two 13-year-old bicyclists escaped with only minor scratches when their tandem swung into a moving '61 Lincoln at the corner of Cadieux and Waterloo on Saturday, April 14.

The girls had been traveling north on Cadieux when they struck the car as it was attempting to pass their bicycle. Two witnesses absolved the Lincoln's driver, Zona Allard Axelsson, 15840 Windmill Pointe drive, of any blame.

Farms Council Hears Plea To Rebuild Burned Stores

The Farms council, sitting as a Board of Appeals on Monday, April 16, tentatively approved by a majority vote, to grant a permit to an owner of a fire-damaged property, to rebuild the structure.

The approval will hinge on an interpretation of the Zoning Ordinance by City Attorney George McKean, who will determine whether the Board can approve a permit by a simple majority vote, or by vote of three-fourths of the members. One councilman was absent from the meeting at the time the vote was taken, and did not show up until the action was approved.

The Board of Appeals vote was 4-2 in favor of granting Miss Mary LaBelle of 22961 Lake Shore drive, St. Clair Shores, a permit to reconstruct a two-

Students Give Troup Standing Ovation Following Special Performance of "Cosi Fan Tutte" in GPHS Auditorium

By Janet Mueller

Six hundred students from Grosse Pointe High, Liggett, Grosse Pointe University School, and the Academy of the Sacred Heart, had a special pre-Easter treat last Thursday, April 12, when the New York Metropolitan Opera's Studio Group presented a special performance of "Cosi Fan Tutte" in Grosse Pointe High School auditorium.

The six singers and their "orchestra," pianist and musical director Edwin Stahl, played to a packed house. Their audience, boys and girls dressed neatly but unpretentiously in everyday school clothes—skirts, shirts, sweaters, and loafers—looked, to the adult eye, much the same as an average teenage audience on "American Bandstand"—from a distance.

Could See Difference
Close up, you could see the difference.

Hair-dos, both masculine and feminine, were less extreme, Faces were more alive. They spilled into the auditorium as soon as the doors were opened, found seats quickly, and waited, with an air of suppressed excitement, for the performance to begin.

They had bought tickets; they were coming, not because of an "assignment" or a promise of "extra credit," but because they wanted to see the opera. They obviously expected to be entertained.

They were not disappointed. The studio group of six singers (three sopranos, a tenor, a baritone, and a bass) is not a collection of understudies. Its members are part of the regular New York Metropolitan Opera

Company. Performers take turns appearing in the Studio Group, visiting cities ahead of the regular Opera company, playing in high school and college auditoriums, wherever there is an audience.

Seven-Week Tour
They have just completed a seven-week national tour. They played to audiences as small as 60 people; the day following their Grosse Pointe High ap-

To Replace Old School Boilers

A contract to replace the boilers in Mason School was awarded by the Board of Education in a special meeting last Monday. The Wilbur N. Williams Co., a Grosse Pointe concern, was the successful, low bidder at \$18,650.

Eight plumbing and heating firms bid on the job. The bids varied from the low to a high of \$23,600.

Mr. Williams indicated to the board that work would begin as soon as the heat could safely be turned off in the school. Completion by the opening of school in September was promised.

Mason School was constructed and opened for use in 1929. The boilers being replaced are the original ones. Gas will be used to fire the new ones, when they go into operation next winter.

Bids were also received for permanent bleachers at the Grosse Pointe High School athletic field. Action was postponed until the May meeting so that a more complete study of the proposed 2,000-seat structure could be made.

President Robert F. Weber appointed trustees Edward Pongracz and Henry Haberkorn to head a committee of school officials and parent representatives to explore further the matter. The president of the Dad's Club, Mr. Jack Stephenson, athletic director Frank Banach and Director of Administrative Services Harold Husband will be invited to serve on the committee.

Center Drive Slows After Record Start

Campaign Thermometer Shows About \$25,000 Received from About 1,500 to Date

The Grosse Pointe War Memorial's 1962 Family Participation Campaign slowed this week after a record spurt of early donations. Campaign chairman, Thomas Munson, however, was optimistic. He assigned as the cause of the slow down the fact that many people were busy this week making their income tax returns. He also pointed out that all gifts to the Grosse Pointe War Memorial are income tax deductible.

With many families returning to the Pointe from winter vacations in time for Easter, Thomas E. Groehn, the Memorial Association's president, is confident of another upswing in giving. To that end a follow up letter and remittance envelope are being sent this week to all Grosse Pointe families from whom the Center has not as yet heard.

Businesses Show Posters

Campaign posters have been placed by the Center's Youth Council in most of the stores in the various business areas around the Pointes. The Center wishes to thank all the merchants and business people who have so cooperated with the drive effort.

The Grosse Pointe War Memorial's Campaign Thermometer erected at the entrance to the grounds stands at nearly \$25,000 representing gifts from approximately 1,500 families. The goal needed to balance the budget in this year of expansion is \$60,000 with the active campaign slated to wind up on Memorial Day, May 30.

The Center wishes to gratefully acknowledge the following additional donations received during the past week from:

Hospital Parking Lot Enlargement Approved by City

Bon Secours Given Green Light to Proceed with Extending Area to Within 25 Feet of Maumee and Notre Dame Avenue

A plan to expand Bon Secours Hospital's parking lot to within 25 feet of their property lines along Notre Dame and Maumee avenue was given the green light following a public hearing last Monday, April 16 at the Neighborhood Club.

Notice of the public hearing had been sent to all property owners within 300 feet of the proposed set-back change, and published twice in the NEWS. City Manager Lawrence C. Savage made it clear, in his introductory remarks, that the change had not been instigated by the Hospital.

Bon Secours was approached by the City of Grosse Pointe regarding the parking lot extension. The Hospital offered a plan to meet the City's conditions for parking while maintaining a 70-foot set-back on Maumee; this was vetoed by the Council, which preferred to include Maumee as well as Notre Dame in the parking lot extension program.

Spooks for Hospital
Prewitt Semmes spoke, in the absence of Bon Secours attorney Neil Hayes, on behalf of the Hospital. Text of his statement is as follows:

"The Hospital has no objection to the City's proposal for the rezoning of the property of the Hospital to expand the parking lot to within twenty-five feet of the property line along Maumee and Notre Dame. Also, the Hospital is prepared to proceed expeditiously with the additional parking which this expansion will permit."

"The Hospital has received City approval of its plans, prepared by Eichstedt & Grissim Associates, landscape architects, for a green screen. The contract has been awarded, and work has been started to erect a screen of 6-foot arborvitae planted three feet apart around the Notre Dame and Maumee sides of the parking lot."

Public Has Its Say

Seek Shoplifters Who Stole Coats

City police are looking for two female shoplifters who stole three coats from Peter Pan, Inc., 17015 Kercheval, last Thursday.

The women were seen leaving the store by the rear entrance, and were chased across the parking lot by employee Vincent Dickson. They dropped a Sears, Roebuck bag, in which they had stuffed two of the coats, in the lot, leapt into a brownish Buick driven by a man, and drove off, traveling north on St. Clair towards Mack.

Dickson recovered the dropped coats, but the thieves succeeded in making off with a girl's grey coat, valued at \$19.98.

All cars and stations have been notified, and Detroit police alerted to be on the lookout for these shoplifters.

Almost Hits Car
The officers said that at the Vernier intersection, Youngert ran a red light, forcing another car to swerve to avoid a collision.

Youngert turned onto Vernier, with Painter and Swartz in pursuit, at a 70 mile an hour clip. At Lochmoor boulevard, the youth turned off his car lights, turned left onto Lochmoor and sped down the thoroughfare at 65 miles an hour.

Youngsters to Face Trial For Stealing, Wrecking Car

A joyride in a stolen car ended abruptly on Saturday evening, April 7, when Detroit police recovered the vehicle, taken from the driveway of Leon's Hairdressers, Inc. early that afternoon.

Mrs. Robert Carver, 21123 Vernier, Harper Woods, reported the theft to City police shortly after 4 p.m. She had left her '60 Pontiac Catalina parked before the hair stylist's shop with the keys inside at approximately 2 p.m. She returned two hours later to find the car missing.

City police immediately broadcast a description of the copper-colored automobile, and at 7:40 p.m. Detroit police reported they had recovered the car and arrested its two occupants, a 15-year-old boy and 20-year-old William L. Wright,

Facilities Inadequate, Council Told

Resident Makes Accusation in Connection with Plan to Build School on Club Grounds

The Grosse Pointe City Council was accused of allowing the entire City to go along on a "free ride" so far as recreational facilities within the community are concerned at the Council's regular meeting on Monday evening, April 16.

Robert D. Dunwoodie, 663 University, addressed the Council, stating that he was present because he had been told that, at last month's meeting, the Council more or less discounted petitions requesting them to use their influence to discourage the erection of a Foundation for Exceptional Children school on Neighborhood Club property.

Dunwoodie said he had heard the petitions were dismissed with the statement: "People will sign any kind of petition."

Isn't Taking Sides

He wished to go on record as informing the Council that when he signed the petition, he meant it. Saying that he was neither pro Little League nor anti-Foundation, he expressed concern primarily over the fact that the City controls only one recreational facility—the waterfront park.

Dunwoodie observed that there are approximately 2,100 school and pre-school age children in the City of Grosse Pointe, and the municipal budget appropriates only approximately \$500 per year for recreational expenses, exclusive of Nef Memorial Park. This is less than \$25c per child per year.

He stated that the recreational facilities at Mair School are inadequate.

Objects of Charity

He expressed his concern over the fact that the Council has no control over Neighborhood Club property, that the Neighborhood Club receives funds via the United Foundation making Grosse Pointe City residents "objects of charity in an affluent community."

Dunwoodie thinks the Council has overlooked a serious responsibility, and by so doing permitted two excellent organizations to clash. He wants the land replaced if the Foundation is allowed to erect its building.

"You get just what you pay for, and we haven't been paying anything as far as our kids are concerned," Dunwoodie stated.

Mrs. Ethel Perkin, 325 Lakeland, and Mrs. E. Gieche, 754 Notre Dame, seconded Dunwoodie's words.

Mayor Allen Replies

Mayor Alonzo C. Allen observed that the situation was not quite as bad as Dunwoodie inferred, citing the \$165,000 presently being expended on the new swimming pool and other facilities in the waterfront park.

At this point, discussion on the Foundation appeared to be at an end, and the Council moved on to other matters, but 45 minutes later the subject was reopened in an out-of-order discussion, when residents in the audience objected to the fact that they had no opportunity to ask questions in the earlier discussion.

Demanding assurance that the issue would be discussed at a public hearing when and if the Foundation applies for a building permit, they asked if the Neighborhood Club property could not be condemned and purchased by the City for recreational purposes.

Would Mean Bond Issue
Councilman David E. Burgess said that the City is empowered to condemn for recreational purposes, but that it would mean floating a bond issue. Approximately one-half million dollars would be required for such a purpose, according to Mayor Allen, and, although the Council is acutely aware of the community's recreational needs, one-half million dollars is a lot of money.

ditch, ruining the right front steering mechanism.

The adult culprits were arraigned before City Judge Douglas L. Paterson at 1:30 p.m. on Wednesday, April 11. A complaint was signed, and the defendants stood mute. The Court entered a plea of not guilty.

Judge Paterson issued warrants for unlawfully driving away a car, and ordered the young men bound over to Circuit Court. Bail was set at \$2,500 for Butler and Wright, \$1,000 for Kner.

As none of the defendants was able to make bond, all were remanded to Wayne County Jail pending a Circuit Court hearing.

The juvenile was turned over to Juvenile Court authorities.

ment, the meeting was thrown open to public discussion.

Mrs. Robert H. Dreaan, 438 Notre Dame, asked for a description of arborvitae. She was told it is a tree, not a shrub, and will grow to be six feet tall with a minimum spread of 30 inches. It is often used for screening and windbreak purposes.

City Manager Savage read several letters from residents who could not be present at the public hearing; all but one favored the proposed set-back change.

The arborvitae planting has already been started, and work on the parking lot is scheduled to begin as soon as possible.

Money still talks, but it sometimes buys silence, which means that it has the last word.

thus enhancing the neighborhood and thereby increasing the value of property in the area. The store building was of non-conforming use according to the ordinance.

Mayor William Connolly informed the audience that the area was zoned residential about 14 years ago, and that the La-Belle store building had been at its present site for many years before the zoning ordinance went into effect.

Gerald Kane, attorney for Miss La-Belle, presented the Board of Appeals with dual plans, one for reconstruction of the building into a four-office structure, or rebuilding the edifice into a two-story building similar to that destroyed by the fire.

The building had housed the Beaupre Hardware and Sidney Cleaners, both totally destroyed by fire, the same night that a fire totally destroyed Al Green's, 123 Kercheval, last January. The Board turned thumbs down on a four-office building, although opposed to a store structure, championed Miss La-Belle's petition for a permit to rebuild.

Kane and the two residents stated that the present buildings would have still been standing, but for the fire, which was an "act of God."

City Clerk Dawson Nancy disclosed that a petition bearing the names of the residents opposed to the rebuilding, was presented to him just before the meeting.

This, too, will be ruled on by the city attorney, because it was impossible to check out the names of the petitions prior to the meeting.

Must Face Court

Painter and Swartz took Youngert to the Shores station where they issued the youth the reckless driving ticket. Youngert is scheduled for appearance in Shores court on April 30.

Shores Lt. Harold Zeeb radioed the Woods station and informed officers that they were holding Youngert for them, for the accident in the Woods.

Woods Patrolmen Everett Plumb and Thomas Kane picked up Youngert and took him to their station where they gave him a ticket for causing an accident. Youngert was then returned to the Shores, where he was released on a \$100 cash bond.

Fire Officials Attend School

Six fire officials from this area attended a two-day session of Fire Chiefs Firemanship Training sponsored by the University of Michigan Extension Service, Ann Arbor, on Monday and Tuesday, April 9-10.

Among the courses studied were new Inspection Training Methods and new Communication Methods developed by the Michigan Bell Telephone company. Receiving certificates on completion of the two-day conference were: Shores Chief Fred Duemling, Farms Fire Chief M. William Mason and Captain Raymond Snay; Woods Director of Public Safety Vern C. Bailey and Captain Donald Coats; and Harper Woods Chief Russell Teets.

swer to Dunwoodie's charge that "apparently, the Council runs the City, except for a small part," reiterated the fact that as long as the Neighborhood Club conforms to City ordinances, the Council cannot interfere.

Mayor Allen observed that he had only been sitting on the Council since 1949, that the Neighborhood Club had been giving City citizens a "free ride" since 1926, and that during that time any resident could have objected to the "free" aspect of the ride.

High boys worked all morning with props and lights, and, by 1 p.m. when the curtains parted on the first act "Cosi Fan Tutti," all technical problems had been ironed out successfully. Chairs and tables moved on and off the stage as easily as performers.

Excellent Acoustics

Acoustically, Grosse Pointe High School's small auditorium is excellent. You can hear the clink of glasses onstage in the last row of the balcony, and there are no "dead" spots. The singers' voices filled the room; the "orchestra" (a single piano) sounded full and rich.

Teacher Ralph Deal, whose Music Lit. classes spear-headed the drive for the Metropolitan Opera Studio Group's performance at Grosse Pointe High, described the small auditorium last Thursday as "a great lady refurbished for the occasion."

The balcony had been scrubbed and 23 seats repaired, but a general air of shabbiness still clung to the room. Chandeliers are seldom featured in newer high school auditoriums, and "intimacy" is not a word of generally applies to their excellently-designed, slightly antiseptic modern halls.

Grosse Pointe High School's small auditorium is shabby, old-fashioned, and seats only six hundred — but Mozart looked as well as sounded good there.

Standing Ovation

Unquestionably, the audience loved it. They gave the singers a standing ovation at the end of the performance, and, what is perhaps even more important, were attentive throughout the performance. They laughed in the right places. Pianist and director Edwin Stahl called them "by far the most responsive, intelligent audience to which we have played."

The opera was sung in English, and most of the students had "previewed" the music via recordings earlier in the week. They "knew what it was all about," were receptive, interested, entertained.

A student reception committee headed by Viki Heftler picked up the singers at a downtown Detroit hotel, ate with them at the special luncheon arranged by Mrs. Carolyn Scarborough's homemaking class, and assisted several "special guests" in finding seats.

Some Special Guests Included These special guests included Mrs. Henry Jones, Mrs. John Garlinghouse, Kurtz Myers, Mrs. Pierre Fuger, Mrs. Miles O'Brien, Frank Donovan, Mrs. John Gordon, and Mrs. Daniel Goodenough.

At the end of the performance, students Ronald Burns, David Robinson, and David Rupp presented bouquets to the female performers. Varsity ten-

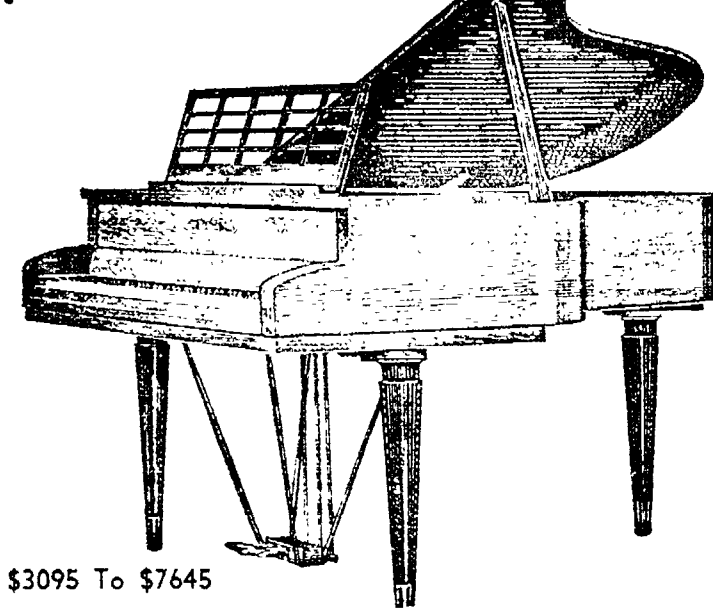

nis player Ron Burns drew the biggest laugh of the afternoon when he embellished his presentation by kissing the soprano to whom he gave his flowers — and was kissed back!

The boys and girls chattered as they left the auditorium.

They used the usual teenage superlatives; what they had just seen was "Great!...Wonderful!...T'riflic!...The same words they use on "American Bandstand."

But these boys and girls were talking about Mozart.

Phony Check Artist On Tipster's Informa

A phony check artist, who had been sought by Detroit area police, was arraigned before Detroit Recorder's Judge Joseph A. Gillis on Wednesday, April 11, six days after he was arrested by Mt. Pleasant police and released to Woods authorities.

Dennis G. Crooks, 23, of 448 Allard, waived examination and pled guilty to uttering and publishing, and was sentenced to the Wayne County Jail on default of \$2,000 bond, to await trial in Recorder's Court.

Crooks was arrested on April 7 by the Mt. Pleasant police at the request of Woods police, who had received a tip that Crooks had gone to Mt. Pleasant to visit a girl friend.

Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that the information of Crooks' whereabouts, came from a tipster, name withheld, who had read an article in the April 5 issue of the NEWS that Crooks was being sought for passing bad checks in the Woods, City, Farms, Harper Woods, Detroit and Birmingham. The informant told the detectives that the check artist was in Mt. Pleasant.

The Woods officers said that Crooks was released to Detroit authorities who will prosecute the man on the charge of forging and passing checks in Detroit in the amount of \$790. The checks were drawn on the National Bank of Detroit, whose officials signed the complaint.

Crooks passed approximately \$2,500 in checks in the Detroit area, and with the exception of

Phony Check Artist Nabbed On Tipster's Information

A phony check artist, who had been sought by Detroit area police, was arraigned before Detroit Recorder's Judge Joseph A. Gillis on Wednesday, April 11, six days after he was arrested by Mt. Pleasant police and released to Woods authorities.

Dennis G. Crooks, 23, of 448 Allard, waived examination and pled guilty to uttering and publishing, and was sentenced to the Wayne County Jail, on default of \$2,000 bond, to await trial in Recorder's Court.

Crooks was arrested on April 7 by the Mt. Pleasant police at the request of Woods police, who had received a tip that Crooks had gone to Mt. Pleasant to visit a girl friend.

Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobias said that the information of Crooks' whereabouts, came from a tipster, name withheld, who had read an article in the April 5 issue of the NEWS that Crooks was being sought for passing bad checks in the Woods, City, Farms, Harper Woods, Detroit and Birmingham. The informant told the detectives that the check artist was in Mt. Pleasant.

The Woods officers said that Crooks was released to Detroit authorities who will prosecute the man on the charge of forging and passing checks in Detroit in the amount of \$790.

The checks were drawn on the National Bank of Detroit, whose officials signed the complaint.

Crooks passed approximately \$2,500 in checks in the Detroit area, and with the exception of

those that he forged and passed in Detroit, used his own name.

The other communities compiled their complaints with that of Detroit's, and agreed to let Detroit prosecute because of the more serious charge of forgery.

Crooks can receive up to 15 years in prison, if convicted of the forgery charge, it was said.

Speech Students Capture Honors

Grosse Pointe High School students won in all five divisions of the district spring speech contest held Tuesday, April 3, at Highland Park High School, making GPHS the only school in the competition to place winners in every division.

Three of the Grosse Pointers placed first in their fields. Sally Lichtenstein '64 captured a first place in the declamation division, open only to sophomores, and Ann Hoch '62, won highest honors in dramatic reading.

Wolfgang Baer '62 talked his way into first place in the extempore division by arguing affirmatively on: "Should the United States Abolish All Protective Tariffs?"

Other winners include Jim Russell '62, who clinched third place in the extempore division by saying yes to the question: "Should Congressional Committees, such as the House Un-American Activities Committee, Have the Power to Issue Subpoenas and Initiate Contempt Proceedings?"

Greg McGregor '62 won third place in the original oratory division, presenting the oration he gave to a recent assembly, "All Men Are Created Different," and Diane Menendez '62, with a second place in humorous reading, qualified for the regional contest for the fourth straight year.

In the past three years, Diane has won in regional competition after placing second in declamation, oratory, and dramatic reading on a district level. If she wins the current contest, she will become the state's first four-time winner in spring speech competitions, according to speech coach Mrs. Geraldine Bertovick.

All first and second place winners are eligible to compete in the regional contest, pinnacle of spring speech activities. It will be held later this month at Hamtramck High School, and first-place winners will be awarded dictionaries with their names inscribed in gold.

Other schools competing in the district contest were Austin, Cass Tech, East Detroit, Hamtramck and Highland Park.

2,000 Attend 101 Adult Classes

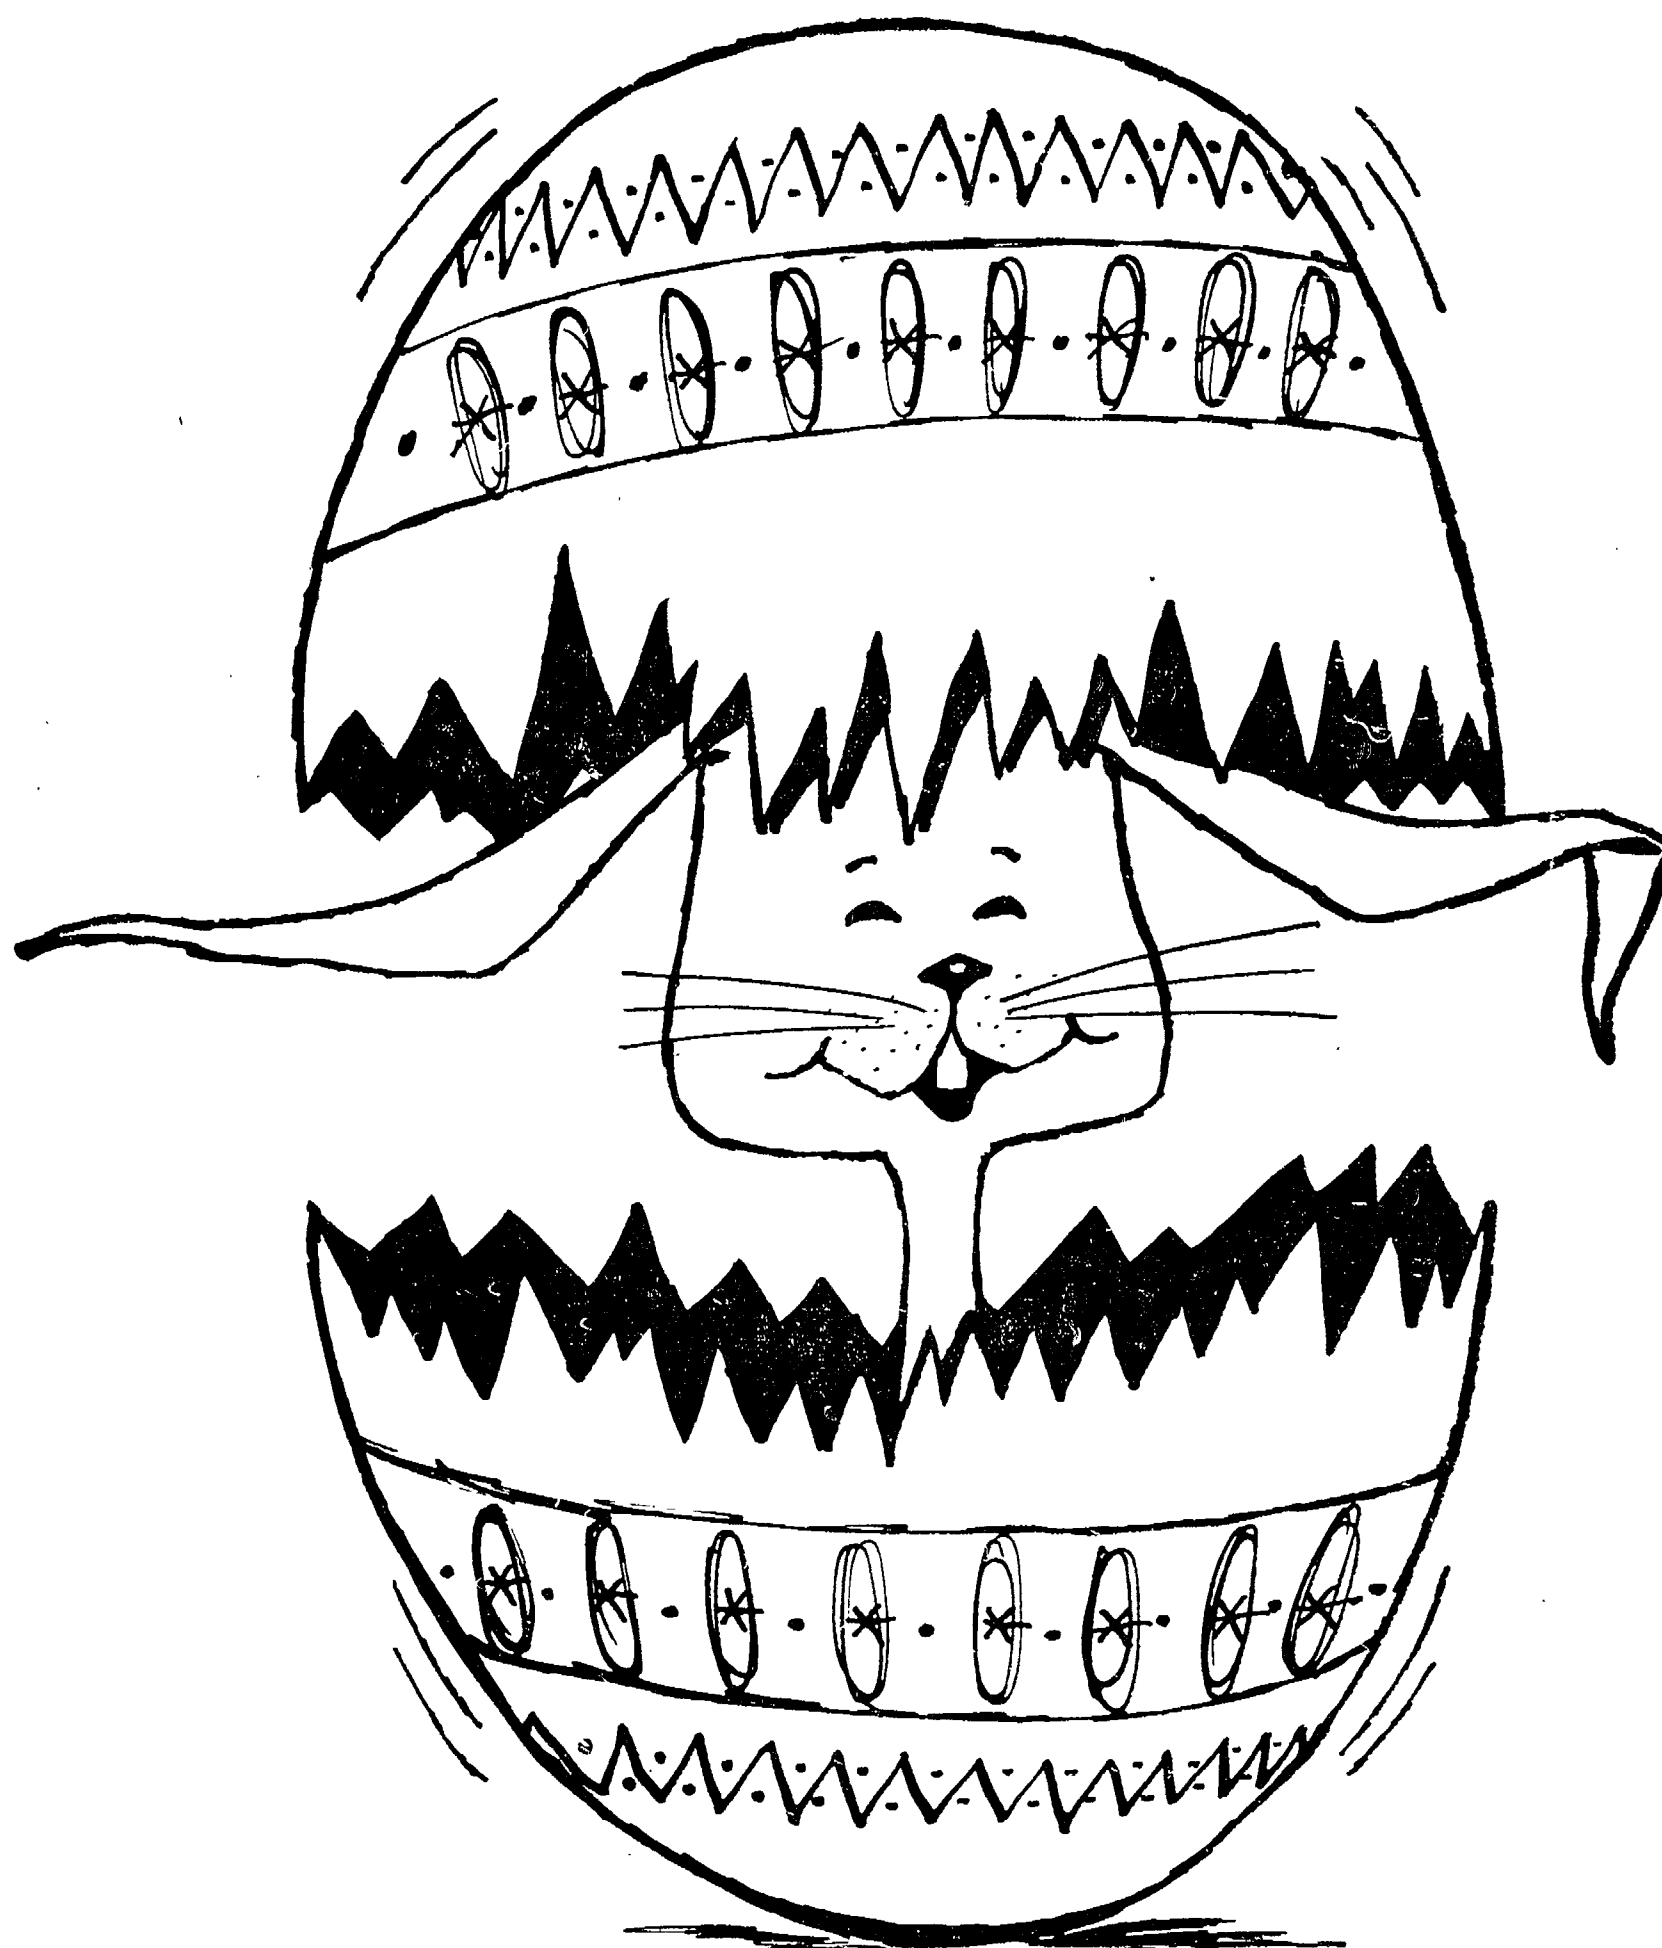

Over 2,000 Grosse Pointers enrolled in the Department of Community Services' winter term classes in Adult Education, and class sections in operation numbered 101. These figures do not include attendance in the monthly Traffic School sponsored by the local municipalities and Harper Woods, or the World Adventure Series, which attracted approximately 500 subscribers.

Forty evening sections and 16 day sections were held at the Community Service Center, 24 evening sections at Grosse Pointe High School, six evening sections at Parcels Junior High, and five evening sections at Brownell Junior High. Evening sections were also in operation at Pierce Junior High, Kerby, Maire, Barnes and Ferry Schools, and the Main Library.

Classes offered for the first time this term include Electric Typewriting, Advanced French Cooking, Business Communication—Reports, Geology—Rock and Mineral Identification, and Real Estate Building I.

Courses offered through the Department of Community Services Adult Education program cover diverse fields, ranging from Advanced Investment Procedures to Modern Interpretive Dance and Golf. All residents are urged to take advantage of this community service program.

Community Chorus to Give Spring Concert on April 29

An "All-American" concert, featuring music entirely by American composers will be a striking feature of the Grosse Pointe Community Chorus' tenth annual Spring Concert, to be staged in the auditorium of Parcels Junior High School, Mack at Vernier, on Sunday, April 29, at 3:30 p.m.

In its 18 previous semi-annual concerts the Chorus has covered a wide range of fine musical composition, but never anything quite like this, which will draw its featured numbers from the Revolutionary War period down to the work of contemporary composers.

The 100-plus voice chorus, most of the members Pointe residents, was founded 10 years ago by Malcolm McLean Johns and for the last five years has been under the direction of Don Simmons, conductor, with a comprehensive staff of officers, directors and committee chairmen. It is strictly non-profit in its organizational set-up, being co-sponsored by the Grosse Pointe Board of Education, Department of Community Services, and the directors of the Chorus.

Current officers and official staff are: William Lorenz, president; Earl Nelson, vice president and concert chairman; Marian Jones, secretary; Harold Sider, treasurer; Rachel Dreyer, librarian; Avis Watson, membership.

Other directors are Leonard Bartos, Ethelyn Burger, Carolyn DeGaetano, Bernice Frenard, Judy Huntington, Pat Nelson, Edward Rowady, Bernadette Schmidt and Nancy Williams.

Committee chairmen for the concert are in addition to the concert chairman Earl Nelson, Nancy Williams, reception:

Lois Myers, decorations; Ralph Kimble, publicity; Marian Jones, tickets, and Ron Houser, assistant rehearsal conductor.

The Chorus also wishes to express its thanks to the others who are cooperating and assisting: Forest Geary, Department of Community Services; J. Harold Husband, Grosse Pointe Board of Education; the Grosse Pointe High School "Y" Teens, and Parcels Girl Scout Troops 1459 and 425, ushers and reception assistants.

A reception for all attending the concert will be held in the gymnasium of Parcels Junior High School immediately following the concert. Tickets at \$1 for adults and 50c for students may be obtained from The Book Shelf, Kercheval on the Hill, from any member of the Chorus, or by phoning TUxedo 4-5964.

GPHS Musicians In Competition

Grosse Pointe High School's band and orchestra will compete in the Michigan Band and Orchestra State Festival, scheduled for April 28. The festival features instrumentalists from schools all over the state, and competition is expected to be stiff.

Over 300 musical groups, all qualified for state competition after winning first division ratings in the Michigan Band and Orchestra District Festivals last month, have entered the contest. They will each be required to give a 30-minute concert for festival judging.

MICHIGAN BELL

DOUBLE QUICK—that's what our telephone men are these days, thanks to a new development by the Bell Telephone Laboratories. The Bell Labs have come up with a new device called a "coil spring connector," making it possible for telephone men to connect and disconnect small wires in half the time it took previously. It's another example of Bell System teamwork that paid off. Finding better and faster ways of doing everyday telephone jobs like this helps Michigan Bell keep the cost of your service low, the quality high.

And what happier time to get a lovely new extension phone? It puts your calls close at hand in the bedroom, kitchen, den, or basement playroom. Think of the steps you'll save—for only pennies a day. And you can choose a style to fit your needs. A lovely PRINCESS phone—little, lovely, with a night light, too. Or a convenient wall phone for busy housewives. Or a desk phone for Dad in the den. All are available in colors to add springtime sparkle to your home. To order, just call our business office.

THE GOOD OLD DAYS may have been a housewife's dream where the prices of butter and eggs and a lot of household things were concerned, but here's an exception: Long Distance rates actually cost less today than they did then! In 1923, for example, a 3-minute evening station call from Lansing to San Francisco cost \$6.40. The charge tonight? Just \$1.65, plus tax. It's another way efficiencies in the telephone business make your service a bigger value than ever before.

Battling Drinker Injures Officers

A Woods police officer suffered a wrenched back and other injuries when he fought a drunken prisoner who resisted attempts to lock him up in the local cell.

The prisoner, Paul H. Van Tien, 35, of 4425 Harvard, Detroit, was booked and charged with being drunk and disorderly.

While using force to subdue Van Tien, Patrolman Bruce Cross wrenched his back. The officer, who was kicked by the arrested man, was Police Lt. Wilbert LeDuke.

The policemen said that they were called to the Nightingale Lounge, 20791 Mack avenue, by Jean Heabert, 38, of 871 Newport, Detroit, a waitress, who reported that Van Tien was annoying patrons and had refused to leave.

The officers said that they found Van Tien in an intoxicated condition, arguing with patrons and using abusive language in a loud voice. When they requested that Van Tien leave, the policemen said, the man refused and resisted their attempts to forcibly eject him from the premises.

Van Tien was taken to the station, fighting all the way, and in the station, he fought and kicked when LeDuke and Cross tried to put him in the cell. One of Van Tien's kicks smashed the glass of the police teletype machine.

Van Tien was tossed into the cell, still handcuffed, where for 40 minutes he continued yelling and kicking the cell door with his stocking feet. The handcuffs were not removed until he quieted down. It was said.

When he had sobered and quieted, Van Tien was released on a \$100 bond, pending an appearance date before Judge Don Goodrow.

Battling Drinker Injures Officers

A Woods police officer suffered a wrenched back and another received a bruised leg on Monday, April 9, when they battled a prisoner who resisted attempts to lock him up in the local cell.

The prisoner, Paul H. Van Tiem, 35, of 4425 Harvard, Detroit, was booked and charged with being drunk and disorderly.

While using force to subdue Van Tiem, Patrolman Bruce Cross wrenched his back. The officer, who was kicked by the arrested man, was Police Lt. Wilbert LeDuke.

The policemen said that they were called to the Nightingale Lounge, 20791 Mack avenue, by Jean Heubert, 38, of 871 Newport, Detroit, a waitress, who reported that Van Tiem was annoying patrons and had refused to leave.

Van Tiem was tossed into the cell, still handcuffed, where for 40 minutes he continued yelling and kicking the cell door with his stocking feet. The handcuffs were not removed until he quieted down, it was said.

Farms Fire Loss \$27,940

The Farms fire loss during March was estimated at \$27,940, according to a report submitted to the Farms council on Monday, April 16, by Fire Chief M. William Mason.

The total number of calls answered by the Fire Department was 31, of which five were for residential fires, the chief stated.

Endangered were residences valued at \$56,500, with estimated damage set at \$18,650. Contents in the homes were valued at \$25,000, of which an estimated \$9,250 worth was damaged.

Estimated damage to a car that caught fire was \$40, it was stated in the chief's report.

The department answered an alarm to one miscellaneous fire, no damage; also nine emergency calls with the utility truck and 15 calls with the ambulance.

There were no calls for assistance from outside communities, nor were there any false alarms during the month.

City to Purchase New Police Cars

Grosse Pointe City Council has voted to award bids for three police vehicles to low bidder Simms-Dawson.

Bids for the purchase of two four-door station wagons and one four-door sedan were received from seven bidders: Simms-Dawson (Ford), \$4,381.20; B. J. Ratigan (Plymouth), \$4,443.00; Roy O'Brien (Ford), \$4,496.49; Stotts Murphy (Ford), \$4,626.96; Dick Green (Plymouth), \$4,628.20; Alfred Steiner (Ford), \$4,642.00; and Ken Brown (Plymouth), \$4,868.00.

The sedan is generally replaced every two years, due to less use, while the two station wagons, used for patrol duty, are replaced annually.

One change was made this year in the replacement schedule. A 1954 Dodge pickup truck, used by the Fire Department for hydrant flushing, fire alarm box testing, fire prevention and building inspection and other miscellaneous uses, was used as a trade-in vehicle in the bids submitted.

The truck was in a state of disrepair, and the better of the two station wagons will henceforth take over the truck's duties, doubling as a police ambulance or rescue vehicle.

Warning Issued To Dog Owners

Farms Police Chief James D. Purton said that because of the wonderful response to his appeal to dog owners last year, to obtain dog licenses ahead of schedule, he is again asking for their cooperation.

He said he is appealing to the pet owners to obtain licenses for their animals early, so as to avoid the last minute rush. Dog licenses are not due until May 1, but owners may obtain the 1962 tags now, if they desire.

The chief stated that according to City Ordinance, new licenses are due on May 1 of each year. Notices are being sent to owners, informing them of their obligation, the chief said.

Persons failing to comply with the law within a given time, will be cited for court, Chief Purton said.

According to the Farms Dog Ordinance, all dogs four months of age, or older, must be vaccinated and licensed, and are prohibited from running at large. Owners taking their pets for walks, must have the animals on leashes and under control at all times.

Before tags can be sold, dog owners must present proof that their pets have been vaccinated. Owners' early compliance with the law would be greatly appreciated, the chief said.

Licenses are obtainable at the city clerk's office, 90 Kerby road, during regular office hours, 8:30 a.m. to 4:30 p.m.; and Wednesdays, to 6 p.m. The office is closed on Saturdays.

Seven Pay Fines In City Court

City Judge Joseph P. Uvick found five persons guilty of disorderly person charges on Tuesday, April 10. Appearing in Grosse Pointe City Justice Court were Gerald E. Dunn, 6101 Lonyo, Detroit; Chester J. Filipkowski, 4348 51st, Detroit; Robert George Rashid, 1431 Bedford; Charles T. McKinnon, Jr., 1214 Buckingham; and Joseph Anthony Szuba, 7640 Grantville, Detroit.

Judge Uvick ruled them all guilty of disorderly person. Dunn paid a \$7.50 fine; Filipkowski and Rashid were assessed \$5 each; McKinnon paid with \$15; and Szuba paid a \$10 fine.

Kathleen Dillon, 22809 Edgewood, St. Clair Shores, was found guilty of reckless driving and fined \$10.

Arthur H. Engstrom, 205 McMillan, charged with reckless driving, was found guilty of not having his car under control. He also paid a \$10 fine.

The case against Elliott Ernest Blank, 804 University, who pled not guilty to a reckless driving charge, was dismissed.

Fire Destroys Garage in Park

A garage and its contents were completely destroyed by fire on Wednesday, April 11. The contents were items destined for a religious mission in India.

Park Fire Chief George DeCaussin said that when his firefighters arrived at the scene, the fire was consuming the garage at a rapid rate. When fire hoses were turned on the garage, it collapsed.

The garage was at the rear of the property of the William J. Boesch, 1412 Devonshire. Mrs. Boesch had stored a number of items in the garage attic, preparatory to sending them to the mission.

Chief DeCaussin said that the fire was brought under control in 10 minutes, but was not completely out until about 40 minutes later. The origin of the fire is being investigated.

The amount of damage is not known.

Dinner Planned By Churchmen

The Rev. Orion C. Hopper, director of the Institute of the Presbytery of Detroit, will be the featured speaker April 25 at the first spring meeting of the Grosse Pointe Memorial Church Men's Association.

The meeting, a dinner affair starting at 6:30 p.m., will be held in the church's new Fellowship Hall.

James C. Stewart, president of the Association, said Mr. Hopper will discuss the problems of the inner-city church. As director of the Presbytery Institute, Mr. Hopper is involved in research related to long-range planning and strategy of the church.

A graduate of Yale University and Princeton Theological Seminary, Mr. Hopper held several pastorates in New Jersey before coming to Michigan. He was co-pastor of the Ecorse United Presbyterian Church and served as part of an experimental group studying the relationship of the church to industry.

The Presbytery Institute was formed three years ago to study the changes and growth pattern in Detroit and the tri-county area in which the Presbytery works. The Institute makes recommendations on location of churches, areas of need and co-operation among the churches and other agencies and institutions.

Of immediate concern to Memorial Church is the so-called "Eastern Sector," beginning at the conjunction of E. Jefferson avenue and Gratiot and extending to Mt. Clemens to include the area between those two thoroughfares.

Reservations for the dinner meeting may be made by calling the church office. President Stewart emphasized that the meeting is open to all men who attend Memorial Church and their guests.

Errant Driver Given Jail Term

Roy Midgely of 19677 Lancaster, Harper Woods, was sentenced to 30 days in the Wayne County Jail on Saturday, April 14, by Judge Don Goodrow, after Midgely pled guilty to operating a motor vehicle while his license was suspended.

The motorist was also ordered to pay a fine of \$75 and \$15 court costs.

Midgely was arrested at Mack and Newcastles by Woods Patrolmen Gaylord Golding and Jack Eberst for speeding. The officers said that Midgely had no driver's license or registration for his car. The officers also said that Midgely's car was not fit for safe driving.

Midgely was taken to the station, where a teletype was sent to Lansing. A reply from the Secretary of State's Office revealed that the man's license had been suspended because he was a second offender.

The car was impounded.

Blaze Blamed On Television

Mrs. Anne Peek, 30, of 2110 Fleetwood drive, was in the basement of her home on Wednesday, April 11, when she smelled smoke. She ran to the first floor and found the family room on fire.

Mrs. Peek ran to the second floor and rounded up her two sons, Thomas, 8, and Daniel, 7, from their bedroom, and ran outside with them. She then called the fire department.

When firemen arrived, the fire had spread to the kitchen and dining room, according to Public Safety Capt. Donald Coats. The blaze was brought under control within a few minutes. It was confined to the three rooms.

Capt. Coats said that it is believed that a short in the television set in the family room started the blaze. The set ignited, and the fire spread throughout the room, then into the kitchen and dining room. Damage to the three rooms was extensive, the captain said.

There also was extensive heat and smoke damage to the entire house, he added. The total amount is not known.

Pick Delegates For Convention

The 25th National Convention of the League of Women Voters of the United States will be held in Minneapolis, Minn., from April 30 to May 4. Mrs. J. Robert Jessup and Mrs. Dwight Hendrick will represent the Grosse Pointe League.

There will be a total of twenty-six delegates from the Detroit Metropolitan area.

These delegates will join approximately 1,500 other League members in 51 states, Main business of the convention is to approve a national program for the next two years, elect officers and directors, and adopt a budget.

Suggestions for the program originate with members, who make recommendations to the National board through their local and state Leagues. After full debate on the floor of the convention, decisions are made by vote of the delegates. The proposed program which delegates will consider includes two subjects. The first calls for "support of the United Nations with evaluation of means to strengthen it under present-day conditions." The second item involves "support of U.S. policies to expand opportunities for international and regional economic co-operation."

Delegates will also be asked to confirm national positions on issues to which the League has given sustained attention in the past. These include support of water-resources development, modification of federal loyalty-security programs, self-government for the District of Columbia, and authority for the President to veto items in appropriations bills, as well as opposition to constitutional limitation on tax rates and constitutional changes that would limit existing powers of the Executive and Congress over foreign relations.

On Wednesday morning, May 2, George Romney will address the delegates on the subject of the citizen's responsibility to his government. Mr. Romney was invited to speak because he has been a leading exponent of the growing practice among business firms of encouraging more active interest in public affairs.

Since accepting the League invitation, he has announced his candidacy for nomination for Governor of Michigan, but his appearance is a strictly non-political one, since the League of Women Voters is nonpartisan and does not support or oppose political parties or candidates.

On Thursday evening, May 3, delegates will hear an address by Walt W. Rostow, counselor and chairman of the Policy Planning Council of the Department of State, and former Deputy Special Assistant to President Kennedy. He will speak on the President's proposals for liberalization of U.S. trade policy, a subject in which the League has worked actively for many years.

Robert W. Sarnoff, chairman of the Board of the National Broadcasting Company, will speak Friday morning, May 4. He will be followed by Peter H. Odegard, professor of political science, author, and lecturer. Dr. Odegard is currently conducting NBC's television program "Continental Classroom" on the structure and functions of American government.

Proceeds raised will be turned over to the Home for use in furnishing the clinic in the new convalescent wing.

Assisting the chairman, Mrs. Herbert Path, on various committees are the following members from this area: Mrs. W. Martin, Mrs. William Ludwig, Mrs. J. Ross Busch, Mrs. Adeline Gott and Miss Emma Schuh.

Choral Offering At Memorial

The Grosse Pointe Memorial Church will hear the "Seven Last Words of Christ From the Cross" sung by the choir with accompaniment by the Knudsen String Quartet tonight, Thursday, at 8 p. m. before the Celebration of Communion.

This work, written by Heinrich Schuetz early in the Seventeenth Century, will be sung from the rear balcony of the church with antiphonal organ.

Soloists will be Fay G. Turner and Audrey J. Davidson, sopranos; Florence N. Ellison and Catherine Foster, Altos; William Kelly and Kenneth Ish, Tenors; and Richard Loftis and Arnold Wronski, Basses. Malcolm Johns will direct.

The Service, which is at 8 o'clock this evening, will also have a brief meditation by the minister, the Rev. Bertram de Atwood, entitled, "Murder in the Cathedral."

On Good Friday the annual Children's Service will be held in the Sanctuary with 100 of the children in the choir program singing at 10 a. m. From 1 to 3 o'clock tomorrow the ministers will conduct the traditional Good Friday Service, and will preach on "The Seven Last Words spoken by Jesus from the Cross."

Four services are planned for Easter Morning. The 6:30 a. m. Service will be held in the newly dedicated Barbour Chapel, with the Rev. Richard W. Mitchell preaching on "How Do You See Easter?" At 8:30, 9:30 and 11:15 a. m. the Rev. Bertram de Atwood will preach on "Winning Losers." The choirs of the Church, High School, Girls, Junior and Chancel choirs, will sing at one or more of the services.

Fido to Ride In High Style

Stray dogs and animals picked up within the city limits of the Farms, will soon be riding in style on their way to the dog pound. They'll be able to see where they are going.

On Monday, April 16, the Farms council accepted a bid from Verhoven Chevrolet, Inc. which offered to sell the city a "Police Utility Vehicle" (Dog Wagon) for the sum of \$1,983.90. Two lower bids were rejected because the bidders did not comply with the specifications. The new vehicle to be delivered is appropriately named the Suburban Carryall.

The vehicle will be a half-ton panel truck, with front doors for the driver and passenger, and doors at the rear, opening from the center to right and left—for the dogs.

Among the specifications are windows in the side panels, and a two-tone truck body.

Nothing but the best for "Fido."

Will Debate At Convention

Grosse Pointe High School's representative in debate competition at the State Schoolmasters Convention in Ann Arbor will be Tom Leonard '62, who with John Ditzler '62 won February's regional debate championship.

Because of his participation in the spring play, John decided not to continue his debate activities, but Tom will make a bid for one of \$2,800 worth of scholarships in the May 11 contest, sponsored jointly by a Detroit newspaper and the University of Michigan's Bureau of School Services.

The contestants, high school students who earlier won regional championships throughout Michigan, will argue the pros and cons of this year's topic: "Resolved: that the federal government should equalize educational opportunity by means of grants to the states for public elementary and secondary education."

MR. and MRS. THEODORE G. OSIUS have returned to their home in Sunningdale drive after a visit with their son and daughter-in-law, DR. and MRS. THEODORE G. OSIUS, JR., and their family, in San Francisco.

Reveal Winners Of Scholarships

Several Grosse Pointers have been selected as recipients of Regents-Alumni Scholarships to the University of Michigan. The stipends, ranging from an honorary \$50 entrance award to a \$560-per-year grant, vary according to the financial need of the winners, continuing for the normal length of each student's degree program if his academic record justifies renewal.

David L. Tennant and Paul Franseth served as alumni scholarship chairmen, assisting high school officials and the University Scholarship Committee in evaluating applicants' character, citizenship, academic record, financial need, and scores on a competitive test.

Grosse Pointe High School students receiving scholarships include Ann K. Bradley, 1670 Ford court, LS&A; Robert C. Bray, 1088 Lakepointe, LS&A; Norman F. Guice, 92 Mapleton, LS&A; Richard A. Hart, 342 Ridgmont, LS&A; and Sharon J. Pastor, 1150 S. Oxford, LS&A.

Others are Michael B. Simon, 528 Lakepointe, LS&A; James K. Todd, 905 Balfour, LS&A; and William K. Wright, 1410 Bishop, Music.

Steven A. Handlos, 317 Belanger, a student at St. Paul's High School, was awarded a Regents-Alumni scholarship in Natural Resources, and Grosse Pointe University School student Justine S. Trubey, 332 Stephens, received a LS&A scholarship.

Over 1,700 students applied for the awards, which are granted annually, and 649 received scholarships.

Park Employs New Fireman

William S. Walker, 25, of 1135 Nottingham, was hired as a probationary fireman by the Park Fire Department, to replace a man who resigned to work with another department. It was disclosed by Fire Chief George DeCassini.

Walker, a native of Detroit, replaces Alex Louzon, Jr., of 19552 Kenosha, Harper Woods, who resigned effective as of April 1, to become a firefighter with the Harper Woods Fire Department. Louzon was with the Park Department for three years.

The new Park recruit was hired on Friday, April 6.

Walker, a graduate of Grosse Pointe High School, is a two-year veteran of the U. S. Army, from which he was honorably discharged. He served at Fort Wayne from February 1959 to February 1961. He was a private first class.

He is married to the former Sally Ann Thorn of the Farms. They have a son, William Sheridan III.

Beware of the man who is so anxious to be certain that he does not take time to learn the facts.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will be read: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love, Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."

Mutt Show Dates Set

The NEWS is pleased to announce that it will sponsor its sixth annual, third consecutive Grosse Pointe Mutt Show. The event, open to all Grosse Pointe youngsters 14 and under, and to all local canines, be they mutt, semi-mongrel, or pure-bred, will be held on the Grosse Pointe High School football field from 9-12 a.m. on Saturday, May 19.

As always, the registration is limited to 100 entries and one may not enter more than two classes. Registration will be open, at the NEWS office, On-The-Hill, 99 Kercheval, as of this Friday, April 20. Entries may be made through Friday, May 11, allowing three weeks in all—after which no further names will be accepted.

Upon registering, the participants are asked to pick up their "Official Mutt Show Entry" ribbons, available also at the NEWS office. These ribbons MUST be worn by all contestants the day of the show. Postcards listing the Mutt Show Rules will be mailed each entrant upon his or her registration.

There will be a total of ten classes to choose from, with several new additions to this year's program. Poodles, always a popular class, will be offered again, as will largest and smallest dog, best-groomed, dog resembling his master, dog with the most doubtful ancestry, and the cutest puppy class. (The puppies must be between 3-8 months old). New this year is the oldest dog classification, the most originally named dog, and—what's anticipated to be a great spectator event, a trick class with a limitation of no more than two tricks. Again, it is stressed, one may enter no more than two events.

There will be further announcements regarding the show in subsequent issues of the GROSSE POINTE NEWS and any questions may be directed to Mrs. John R. Gordon, at TU 6-2817.

Letters to the Editor

Grosse Pointe News

Dear Sir:
This past June our family moved away from the Grosse Pointe area. Since then we have continued with the Grosse Pointe News and have enjoyed it very much.

In a recent issue of the paper appeared an article about "Exceptional Children." While in Grosse Pointe I worked as a volunteer from Y-Teens of Grosse Pointe High School, with these children. At that time they were located in the Quonset Hut situated between the Annex and Auditorium of the high school.

While with these children I came to love and enjoy working with them. I knew Miss Hain, Miss Linda, Aunt Bea and many of the other volunteers. The work that is done with these children is wonderful and a great deal of help to the children and their families.

In the short time that I spent with the children I, myself, could see the progress and achievements in the work and play of the children.

The need for teaching of this type of child is extraordinary. I have found this out through a great deal of research in the field of Occupational Therapy.

The work done by Miss Hain and others is greatly needed and a place for this work is in greater need. If a permanent building could be built for the use of these people, in my opinion, more facilities could be set up for a more extended educational and skillful background for the children.

I have read how there has been trouble in getting a building and if the people who don't want the building could realize how much work is being done, and how much more could be done, they too would be in favor of a permanent establishment for the Foundation for the Exceptional Children.

I would greatly appreciate it if you would publish this letter

to let others know how badly a building is needed. Thank you.

Sincerely,
Sue Bay,

Gentlemen:

In accordance with an official notice I received this morning, the City of Grosse Pointe is preparing to spray all City-owned elm trees to control the Dutch Elm disease.

The City has used a DDT spray, annually, for several years, which has checked the disease for a one-year period only.

Unfortunately the spray has been a highly efficient and wide-spread killer of robins and other songbirds. This is no good and a completely unnecessary. There are other effective Dutch Elm Disease sprays which do not kill birds.

I am not an amateur ornithologist or even a credited bird watcher, but this year a few robins, (the first in about four years), and some first timers—bright yellow grosbeaks, a flashy colored towhee, and a bunting, (identified with difficulty through a borrowed Audubon), — are visiting our garden.

The City is preparing to spray and these birds and most of their friends are going to be efficiently poisoned — results fatal.

Grosse Pointe is a beautiful home town and the trees and the birds are part of the beauty. I believe that a majority of Grosse Pointe citizens will join me in urging the City to spray to save the elms, but in support of anti-cruelty and beauty to save the birds by using a non-bird killing spray.

Sincerely,
D. D. MacMechan

What Goes On at Your Library

by Jean Taylor

Guest Columnist:
Virginia Leonard

Fore-edge paintings: does this expression mean anything to you? It certainly does to Mrs. Helen B. Landrum, formerly of the Fine Arts Department of the Detroit Public Library, who has recently given the Grosse Pointe Public Library a good half-dozen books with this type of edge decoration, with several lovely examples of gauffering.

Since early folded books were made imperfectly, and were often unbound, they were stacked on their sides, with their fore-edges out, rather than shelved as we do today. By the 15th and 16th centuries, this method of arrangement led to adornment with mottoes, religious phrases, titles, etc. on these exposed edges. Following this came other decorative techniques, such as staining, gilding, marbling and gauffering. Marbling consisted of floating pigment on amucilaginous preparation, stirred and stroked on the edge of the book. Gauffering was the process of impressing a design on the gilt edge with a warm pointed tool. This art started in Italy and moved into France, attaining its height in the 16th century.

Fore-edge painting was practiced chiefly in England, starting in the middle of the 17th century, with the finest examples seemingly coming from the brushwork of artists working for Edwards of Halifax, bookbinders in the latter 18th and early 19th centuries.

And how were these paintings executed? The leaves of the book were fanned out as widely as possible, with no broken surface. The design—such as landscapes, portraits, copies of famous paintings or famous buildings—was drawn, and then painted with water color. Restored to its closed position, the edges were then coated with gilt. The painting thus became invisible until the pages were fanned out again. There are even double fore-edge paintings; i.e., one picture is produced when the leaves are fanned to the right, and still another when they are fanned to the left. Sometimes the fore-edge painting pertains directly to the book on which it is painted, sometimes not. Books thus decorated were usually used by the aristocracy for gifts or prizes, and so were usually very well bound.

Mrs. Landrum's exquisite gifts to our Library include such items as:

1. Beckford, Peter; "Thoughts On Hunting," 1820. Double fore-edge painting of sporting scenes.

2. BIBLE, King James version, 1829. Fore-edge painting of Philadelphia Harbor.

3. Smalridge, George; SIXTY SERMONS, 1724. All edges gilt and handsomely gauffered.

4. "ORDER FOR THE ADMINISTRATION OF THE LORD'S SUPPER," 1718. Double fore-edge painting showing the Last Supper of Leonardo da Vinci and the Deposition of Fra Bartolommeo.

The books I have been discussing are kept in the Friends Room, Special Collections of the Grosse Pointe Public Library, and are available for inspection and perusal. Please contact the Director of Libraries, Mr. Robert M. Orr, if you are interested in seeing them.

Plan Workshops At Mason School

The Ferry School PTA announces new summer workshops in Creative English and Elementary Science for grades 3, 4, 5 and 6. Ferry will cooperate with Mason PTA in sponsoring the workshops, to be conducted mornings only at Mason School for a five-week period, June 25 through July 28.

Boys and girls who have completed grades 3 through 6 are eligible to enroll. The English workshop is intended for children interested in small group participation in creative writing, choral reading, dramatics, and related subjects.

The Science workshop is planned to appeal to boys and girls who would like more scientific opportunities than are usually available during the regular school year. Some natural science as well as basic physics and chemistry will be offered.

Neither workshop is intended to be remedial in nature, as remedial needs are answered through the regular school program. Neither is any duplication of the regular school curriculum intended.

Basic purpose of the workshops is to give interested children a chance to broaden and develop their experiences in English and Science in a somewhat leisurely and informal environment.

The workshops will be run in two sections each, providing enough interest is shown in grades 3-4 and 5-6 for each workshop. A fee of \$16 per child will be charged.

The program will be conducted under PTA auspices.

Ferry School PTA's new officers are Mr. Allan Neef, president; Mr. Tom Candler, father

vice president; Mrs. Henry Kuhlman, mother vice president; Miss Jean Harris, teacher vice president; Mrs. John Gilmore, secretary; and Mr. Robert Shannon, treasurer.

Workshop delegates at Ferry for the coming year are Mrs. Robert Everett, TU 4-1024, and Mrs. Allan Neef, TU 4-6974. Mason delegates are Mrs. George Calb, TU 4-5273, and Mrs. Webster Knight, TU 4-7793.

They are now taking reservations for the program, and registration forms may be obtained through them. All reservations will be on a first come, first serve basis, since the number of openings is limited.

"A Second Thought On First Aid"

By Fred Kopp, R. Ph.

We're constantly amazed at the number of children who cut, scrape and bruise themselves within sight (and sound) of our pharmacy. We do a big business in antiseptics, bandages, and other first-aid items. Same everywhere, probably. But sometimes we wonder if people don't depend too much on first aid — neglect proper medical attention. If there's the slightest question in your mind following what appears to be minor injuries, see your physician. First aid has definite limitations. You can only be sure of proper medical care by seeing your doctor. A prompt visit can save a half dozen later.

In spite of the pre-occupation with diets there are still hearty gourmets who enjoy the delights of the table with never a thought of the calorie count and among this group are 25 or so Grosse Pointe teachers.

About three years ago these gourmets banded together to seek out Detroit's gustatory delights, sampling the various restaurants in the metropolitan area. Each month one couple volunteers to scout for an interesting menu and arrange for an expedition. More than 20 such forays have netted some delightful dinners starring sea food, Italian lasagne, wiener schnitzel, Chinese sweet and sour pork, and smorgasbord.

Current members of the teachers gourmet club, who meet at one member's home before the dinner, include Dr. and Mrs. Marshall Jameson, Mr. and Mrs. John Hamel, Mr. and Mrs. Clynton Scott, Mr. and Mrs. George Gillis, Mr. and Mrs. Ted Jacobs, Mr. and Mrs. Don Lena and Miss Marlene Schmidt.

Others are Ted Ehlert, Mr. and Mrs. Ronald Buehler, Mr. and Mrs. Richard Olds, Mr. and Mrs. David Ehlert, Mr. and Mrs. Earl Penno, Mr. and Mrs. Charles Doll, Mr. and Mrs. John Brubacher and Mr. and Mrs. Jack Darvill.

A cap of lace and seed pearls caught her fingertip veil of illusion and she carried white sweetheart roses and stephanotis centered with a white orchid.

Severo Ballet Dances May 12

Saturday, May 12, at 8:30 o'clock in Ford Auditorium, the Severo Ballet will appear in the closing performance of its 1961-62 season. This event, with Wayne Dunlap conducting members of the Detroit Symphony Orchestra, will mark the most ambitious endeavor of the company in its 18-year history.

A highlight of the evening will be the Detroit premier of "Fiesta," a ballet of South American rhythms set to the music of Morton Gould's "Latin-American Symphonette." Choreography, decor and costumes by Enrique Martinez, Assistant Ballet Master of American Ballet Theater.

Included in the program will be "Serenade," a dance interpretation of Brahms' "Serenade No. 2 in A Major," and "Night Reflections," a dramatic ballet in modern idiom to Benjamin Britten's "Variations on a Theme of Frank Bridge." Both ballets were created by Sandra Severo, Artistic Director of Severo Ballet.

The fourth work to be presented will be "Rhapsody," a mood ballet set to the musical works of three contemporary American composers: Wayne Barlow, Bernard Rogers and Howard Hanson. Choreography by David McLain, Assistant to the Artistic Director of Severo Ballet.

Costumes and decor for "Serenade," "Night Reflections" and "Rhapsody" were designed by Wilmer Weiss of New York. Helen Markovitch, Wardrobe Mistress of the company, executed the designs of all the costumes.

Severo Ballet, Inc., was able to commission Mr. Martinez to stage "Fiesta" here in Detroit, because of the highly successful outcome of its current season's fund raising drive which was undertaken by the organization's Women's Committee headed by Mrs. William M. Day.

This performance marks the first time Severo Ballet has been able to present four such diversified, newly commissioned ballets in one season.

Tickets for the May 12 performance are available at Ford Auditorium, Grinnell's Downtown, Marwil's Northland and Eastland.

MEYER, of Mack avenue, will talk on "A Job Becomes a Profession" at the dinner meeting April 25 at the Detroit Boat Club of the Detroit Transcript Chapter of the National Secretaries Association.

Regans Mark Wedding Day

Mr. and Mrs. Rex Regan of Whittier road celebrated their 25th wedding anniversary Tuesday, April 10, but the party marking the important milestone took place on the 6th at the DAC.

The fete was a cocktail and dinner party. Reason it took place on the Friday before the actual anniversary date was so the Regans' son John and daughter Sheila could be present—they came from studies at Miami University at Oxford, O.

The cocktail party segment was in DAC's beautiful Pontchartrain Room, after which hosts and guests moved into the main room for a jolly evening of dinner and dancing.

Mrs. Regan and son John were hosts at one of the tables seating 14, and Mr. Regan and Sheila did the honors at the other table for 14, which was advantageously placed so the two groups, all close friends, could visit back and forth. Beautiful arrangements of white snapdragons and white and yellow iris decorated the tables.

Guests included Mr. and Mrs. Henry Robin of New York City, all the others being of Grosse Pointe. They were the Russell D. VanHoutens, the Richard Martins, Dr. and Mrs. Fred Watts, the Jack W. Hoopers, Dr. and Mrs. Edward J. Guenther, Dr. and Mrs. Clarence J. Williams, the E. D. Fine Cast to Present "Arsenic and Old Lace" in High School Auditorium Friday and Saturday, April 27 and 28.

"Arsenic and Old Lace," the celebrated comedy about merriment and mayhem opens next week in the auditorium of the Grosse Pointe High School. A skillful cast from the membership of the Grosse Pointe Community Theater rehearses for the 8:30 curtain Friday, April 27, and Saturday, the 28, under the direction of Mrs. Roger Shepard, who is also the secretary of this well known castside theatrical group.

The paradoxical title refers to the attire and the activities of the Brewster sisters, Abby and Martha (played by Lucella Wertz and Mrs. James Fielding, respectively) two of the most charming and lovable old ladies who ever filled a cellar full of cadavers.

During its three-and-a-half year run on Broadway, the Time Magazine critic wrote, "A violently funny and batty murder play."

The Brewsters come from a long line of sweetly nutty people. Their grandfather experimented on live members of the family because the authorities would not allow him to dig up the cemetery next door. Abby and Martha, kind hearted as they are, just can't stand to see lonely, old men without a nice home and like to send them to the Great Boarding House in the Sky, with a fare-

well drink of elderberry wine spiked with a little arsenic, a soupcon of cyanide and just a pinch of strychnine, to see them off.

Their nephew, Teddy, who is convinced he is really President Theodore Roosevelt, is busy digging the cellar into the Panama Canal and enjoys burying his aunt's "yellow fever victims." Complete with his own mustache, Henry Houston plays Teddy.

Another nephew, Jonathan, nutty but not sweet, suffers a severe blow to his pride when he discovers his record of 12 murders has been matched by the 12 graves in the cellar. Jonathan's disconcerting resemblance to movie-villain, Boris Karloff eventually gives him away to the police, thus leaving the score a tie. Or is it? George Wilson, who will have to suffer cotton pads up his nose, putty around his eyes and other

The play will be presented in the Brown Memorial Chapel of Temple Beth-El, Woodward and Gladstone, on Saturday and Sunday, April 28-29, and the following weekend, Saturday and Sunday, May 5 and 6. Curtain time is 8:30.

heavy make-up, plays the part of Jonathan.

In the role of Doctor Einstein, plastic surgeon for the underworld, whose weakness for whisky and motion pictures has resulted in Jonathan's unfortunate face, will be seen Al Berteck.

Mortimer, another nephew of the Brewster spinsters, who is the only sane member of the family even though he is a "ama critic, will be played by Arthur Brownell, and Josephine Reeve will be seen as Elaine, his fiancée.

Others in the cast are, Mason Weaver as Elaine's father, Dr. Harper; Dr. Warren Dunham in the role of Mr. Gibbs, a lonely, old man; Dick Bauhof as Lt. Rooney, Brooklyn's Finest include: Robert Blow, Jack Donachio, and Bill Boyd. Robert Potthoff is Mr. Witherspoon, superintendent of "Happydale" where Teddy must go if he blows his bugle once more.

The set design, which portrays one of Brooklyn's old brownstone houses, was executed by Roger Shepard, with set construction under the supervision of David Hadden. Doris Brownell (Mrs. Arthur) is producing, with assistant June Erskine aiding. Madeleine Fine is the stage manager, and her assistant is Mary Lou Beaufait.

Sandra Hockersmith is in charge of props and Harriet McQuillan is taking care of costumes. Make-up chairman is Mrs. John Peterson and set dressing is headed by Carol Still. Why Easter's Dates Change

Here's why Easter changes its date every year, according to a University of Michigan astronomer.

Essentially the date of Easter depends on the moon's phases, explains Associate Prof. Hazel M. Losh of the U-M Astronomy Department. This year Easter falls on Sunday, April 22.

It all began in 325 A.D., when the church fathers gathered in the Council of Nicaea and decreed that Easter was to be "kept on the first Sunday following the Paschal Full Moon which happens upon or next after the 21st of March."

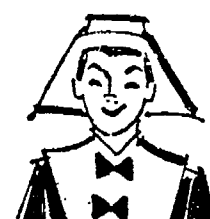

Explains Professor Losh, "The Paschal Full Moon is the 14th day of a lunar month reckoned according to an ancient ecclesiastical computation, and may vary from that of the actual, or astronomical, full moon by a day or so." The Paschal Full Moon this year is

Wednesday, April 18, and the astronomical full moon occurs the next day.

Since the Council of Nicaea, Easter date has fluctuated between March 22 and April 25. For example, the 1943 Easter came on the latest possible date, April 25, and it will happen again in 2038 A.D. In 1951, Easter came as early as March 25, and the earliest date of March 22 will not occur until 2285.

Because of the inconvenience of a changing Easter date, "considerable agitation has resulted for a fixed date to be set," Professor Losh notes.

One principal reason for choosing the full moon for reckoning Easter was to give the pilgrims to the Easter festivities the advantage of full moonlight for comparatively safe travel by night as well as by day, Professor Losh says.

Ted Petersen, Jack Chapin Win Tennis House Crown

Ted Petersen and Jack Chapin defeated Jack Lazare and Norman Sprock Sunday afternoon in the finals of the annual tournament which closed the popular Tennis House for another season.

After losing the first set, 6-2, Sprock and Lazare staged off a seemingly endless number of match points in the second set, and pulled out of trouble to win that set 9-7. In the third and final set Chapin and Petersen regained their touch and took a 6-2 victory and the championship. These two won the tournament two years ago, but were dethroned last year by Mike Ware and Walter (Pudge) Cavanaugh.

In the preceding rounds that led up to the finals, Ware and Cavanaugh defeated Jack and Ted Hodges, 6-1, 6-2; Dr. Geoffrey Brinkman and Dr. Pierce Smith eliminated Emmet Eagan and Charles Wright 6-4, 6-3; Don Mackay and Carl Grawn beat Bob and Butch Edgar, 7-5, 6-3; Charles Homer and Jack Potter defaulted to Chapin and Petersen; Wally Ford and Ralph McElvenny defeated Bill McBrearty and John Dadds 6-0, 6-2.

In other matches of the first round Harold Love and Dr. Bob Behan eliminated Cy Edwards and Dan Holley, 6-0, 6-1; Henry Gage and Dan Simmons beat Nick Angesen and Jack Failing.

Little League Players Named

By Bill Stuck

This year for the first time in the past 10, Farms Little League scheduled and completed FIVE practice tryouts. The weather on a couple was a "Little Cold" but no rain or snow on three successive weekends in March and April just is hard to believe.

At the completion of the tryouts the players draft was held under the direction of Chief Player's Agent Minard Muma. The following are the new boys being added to the eight teams in the Major Division. These are in addition to those carried over from previous seasons.

REDS — Mgr. Kinzie: Jeff Hadden, Paul B. Allen, Rick Schoew, Ted Turner, Garry Meyer, Norman Meyer, "Chip" Steiner, Daniel Griffin, Paul Conway.

TIGERS — Mgr. Oldani: Greg Boerner, Mark Boerner, Mark Tocco, Richard Hudson, Jonathan Dahl, Robert Ritter, Jay Cudia.

PIRATES — Mgr. Bockstanz: Baron Munchausen, William McGraw, Robert Messing Tom Spalding, Caryon Evans, Bob Knudson, Mike Sankovich.

RED SOX — Mgr. Caulkins: John Fraick, David Fromm, Bill Roberts, James Lipski, Dennis Hayes, Richard Loosvelt, Robert Goffredson.

PHILLIES — Mgr. Weyhing: Seth Bidwell, Allen Bidwell, Joe Black, Danny Barrett, Nathan England, Terry Kulka.

YANKEES — Mgr. Critchfield: Matt Courtney, Kurt Schmitt, Richard Parnell, Geo. Champagne, Michael Butler, George Bushnell.

INDIANS — Mgr. Reynolds: Bill Griffith, Ronald Sast, Tom Campbell, Robert Urtel, Phil Gerlach, Doug Schultz.

GIANTS — Mgr. Borland: John Fountain, Tom Hill, James Krieger, "Pep" Perry, Mike Smith, James Kotz.

The varying number of players chosen is due primarily to boys growing too old; moves from the Farms and dropping out for other reasons.

Boys not selected for the Major League team positions this year SHOULD NOT CALL to find out on what team they will be playing. Mr. Oldani, Triple AAA Director and Mr. Maddox, Class C Director, advise that the boys playing in these divisions should know by April 30th and possibly even before Easter Sunday. Again boys, please DO NOT CALL. Everyone of you that tried out will play.

Hats were off to Mark Goodheart, 273 Beaupre. He had two teeth knocked out on the FIRST DAY—and back he came on the second day.

The season starts May 12 with the Annual Little League Parade and opening ceremonies. Be sure and watch this paper for details.

Class at GPHS Visits Hospital

Representatives from Grosse Pointe High School's effective living classes paid a visit to Northville State Hospital last March 15. The 24 students observed patients' life in a modern mental institution, and heard hospital authorities discuss the uses of various forms of therapy, chemical drugs and tranquilizers.

One of six psychiatric hospitals operated by the Michigan Department of Mental Health, Northville has its own occupational therapy suites, snack bar, beauty salon, barber shop, dining rooms and gymnasium, in addition to offices and classrooms.

The Grosse Pointers were conducted on a guided tour, viewing the geriatrics ward, occupational therapy suites, and library. "It made me realize that these people are the same as anyone else and are being treated for their illness in a hospital just as anyone might be in a hospital for the treatment of physical illnesses," said Ellen West '62, speaking for all the students.

Effective living classes participate in many such field trips throughout the year in an effort to understand the problems and possibilities of the modern world.

The Detroit Yacht Club Corinthians will sponsor Bob Drean well known local authority on sailboat racing rules at the club, Wednesday, April 25, at 8 p.m. Drean will lecture and give a presentation of his slides on "Racing Rules".

Committee members John Lynch, Carl John and John Trost announced that the Corinthians have extended an invitation to attend to all skippers and crew members of D.R.Y.A. participating boats.

The Corinthians plan a report of George O'Day who filled the club's main ballroom recently with his movies and talk on Olympic Sailing. O'Day will return in November or December with movies of the American Cup Races which will take place later this year.

Sailing lost one of its most ardent supporters recently when Charles W. Beck, Jr. passed away. Beck one of the most famous men to participate in the sport was a giant among giants. He was well known for his king sized hand shake and slap on the back. He liked doing everything in the best manner known to man. Nothing short of winning and perfection interested him. The more difficult the task the more challenge the better he liked it.

From the days some fifteen odd years ago when Beck bought his first sailboat a six metre on through the eight metre CONWEGO, the series of HOSTESS' and his last boat a Raven, Beck was a competitor that stood out in front of the fleet.

This giant of a man who was known for his ability in business as in sports was also known for his big heart which was often compared to his overall size. Sailing will long remember the legend of Charlie Beck.

Popular Coach Off for South

"Well, he certainly deserves it!"

That was the comment of almost everyone when they heard of the Ed Lauers' vacation to Florida.

Sometime before or during Easter vacation, the beloved St. Paul High School coach, and his family will set out for the Sunshine State. There they will be the guests of the Robert Halls, former members of the parish now living in Jacksonville, Florida.

St. Paul's Dads' Club arranged for the trip and provided Mr. Lauer with the plane tickets. Recently, the high school held a bake sale and donated the proceeds to the same fund. Hot dogs, pop, potato chips, and bake goods by the bushel were consumed by Paulites eager to show their appreciation to Mr. Lauer.

Over the past two seasons, Coach Lauer has compiled an almost amazing 43-6 won-lost record. In the same two years, he brought two varsity basketball teams to Lansing in the state tournament. This year's graduating class has seen the Lakers go to Lansing three times in four years.

St. Paul's reputation of good sportsmanship as well as fine play can be traced right back to Ed Lauer. But besides being one of the best prep sports' pilots in the state, Mr. Lauer has been a friend to all Paulites, past and present. Bon voyage, Grandpa!

School Pools Used by Many

A total of 1,265 persons registered for the Winter Community Swimming Program operated by the Grosse Pointe Public School System through the Department of Community Services.

School age enrollments accounted for 1,172 of the swimmers; the remaining 93 were adults. Although no definite figures are available, it is estimated that many other residents participated in the swimming program through Family Nights and Family Open Swimming activities.

Besides this pool usage, students from St. Paul High School, Austin High School, Our Lady Star of the Sea High School, and the Boy Scouts of Grosse Pointe all use the swimming facilities after day school hours.

Estimated weekly participation by these groups is as follows: St. Paul's Boys—40; St. Paul's Girls—90; Austin—60; Our Lady Star of the Sea—60; Boy Scouts—100; making a total of 350.

Pick GP Schools

In Study Project
The Grosse Pointe school system is one of 40 specially selected Michigan school systems participating in a study project inquiring into the characteristics of a good teacher.
The study is being directed by the Teacher Education Project at Central Michigan University, a project supported jointly by the university and the Ford Foundation to discover better ways of educating teachers.
Taped interviews were conducted on Thursday, April 12, with Dr. James W. Bushong, superintendent; Jerry Gerlich, high school principal, and Frank Welchenbach, an elementary principal.

Films of Tibet

To Benefit AFS
Earl B. Brink, former resident of Berkshire road, will be back in town on April 25 to show his interesting color film "Trekking the Tibetan Border". The proceeds to be used for American Field Service work.
This movie will be shown at the auditorium of Parcels Junior High School at 8 p.m. Tickets are \$1 for adults and 50c for students.
Born in Okarchee, Oklahoma, Earl Brink received formal schooling only through the eighth grade. At that time, he went to work in a bank, putting in his first six months without pay. By the time he was in his early twenties, he not only owned the bank, but the town's other bank—and the Ford dealership as well.
From banking he went into insurance with Mutual of Omaha and in 1933 Michigan was his territory. Here he built the world's largest health and accident insurance agency, which he has entrusted to his sons, while he and Mrs. Brink hit the trails everywhere, camera in hand.

Sigma Delta Chi

To Give Awards
The Sigma Delta Chi National Awards Banquet, one of the country's top yearly journalistic events—will be held in Detroit for the first time on Saturday evening, May 12, at the Veterans' Memorial Building.
B. Dale Davis, Sunday and Feature Editor of The Detroit Free Press and general chairman of the event, invited all interested persons to attend, stressing that it will be an event of national significance. Davis lives at 509 Lincoln road, Grosse Pointe.
The program will include, besides presentation of top awards in 15 categories of newspaper, magazine, radio and television journalism, an address by a national speaker in communications and public life who will be announced soon.
Many prominent newsmen from around the nation will attend the dinner, sponsored by the Detroit Professional Chapter of SDX. Attending will be the Executive Council of Sigma Delta Chi, (national professional journalistic society). This year's president is Buren H. McCormack, vice president and editorial director of the Wall Street Journal, who will make the presentations.
"We wish to emphasize that a person need not be a member of Sigma Delta Chi to attend this banquet," Davis said. "We think it will prove fascinating to anyone connected with—or interested in—the communications business. Incidentally, ladies are most welcome."
The Detroit SDX Chapter earnestly hopes that a large number of people will turn out for this banquet because we want to make Detroit's first sponsorship of this important event an impressive success.
The banquet will begin at 7 p.m. Tickets may be obtained by contacting Harold Jackson, Sigma Delta Chi Dinner Ticket Chairman, 11-212 General Motors Building, Detroit 2. Those ordering tables (eight seats) can insure the best location.

Center Classes

Studying Opera
The last two meetings of the "Study of Opera" currently taking place on Sunday afternoons at the Grosse Pointe War Memorial will be held April 29, and May 13.
The reason for the omission of this coming Sunday, April 22, is, of course, due to Easter. May 6, will be skipped because instructor Professor Glenn D. McGeech, will be involved with the Annual Music Festival in Ann Arbor.
The class sessions scheduled from 2 to 4 p.m. on April 29, and May 13, will finish a study of "Così fan Tutti" and move to a review of Strauss' "Salome" and the familiar opera—"Aida", "Tosca" and "Madame Butterfly."
Single admissions are available for each of these last two sessions at the Center—adults \$2; students \$1.

June Bride

Mr. and Mrs. Angelo Meli, of Devonshire road, announce the engagement of their daughter, ANGELA MARIE, to Sam Lucido, son of the Sebastian Lucido's, of Van Antwerp road. The couple will be married June 30.

Symphony Aids

Hold Reception
The Women's Association for the Detroit Symphony Orchestra staged a lush reception and tea Wednesday afternoon in the Bloomfield Hills home of Mr. and Mrs. Edward S. Wellock to welcome new association members and honor Mrs. George W. Romney, general chairman of the Detroit Grand Opera Association.
The occasion served as a royal salute to the Metropolitan Opera's Detroit appearance May 21-26, and to the committee members who have made the seven glamorous performances possible. Donizetti's dazzling "Lucia di Lammermoor" will open the season, the gala first night benefit performance for the Detroit Symphony Orchestra's Maintenance Fund.
Miss Dorothy Humel, of the National Association of Women's Committees for Symphony Orchestras, shared honors with Mrs. Romney at the tea. Mrs. Francis W. Smith, Detroit Women's Association president and her board of directors, entertained Miss Humel earlier at a branch in the Bloomfield Hills Country Club.
Mrs. Robert B. Semple, wife of the Symphony board president, joined Mesdames Romney and Smith in the receiving line. Party arrangers included Mesdames Russell E. Bauer, William A. Bostick, Walker L. Cister, Winfield S. Jewell Jr., Oscar D. Schwartz, Richard W. Tucker, Aaron E. Wilcox, James B. Webber Jr. and Joseph A. Vance Jr.
Serving at the tea tables were Mesdames John F. Gordon, Dudley C. Hay, Alain Chailous, Frank W. Donovan, Glenn Bixby and Richard H. Webber.
Lovely background music was provided by a group headed by Detroit Symphony violinist Emily Mutter Adams.

WOODS CHURCH
Having Banquet
Plans are being completed for the Mother and Daughter Banquet at the Grosse Pointe Woods Presbyterian Church to be held on Friday, May 4.
The committee chairman is Mrs. Kenneth Smith, who will be assisted by Mrs. Charles Mullen, Mrs. Jack Gillan, Mrs. Harry Hausman, Mrs. Victor Craig and Mrs. Robert Brehm. The mistress of ceremonies will be Mrs. Gordon Cameron.
A special program will be presented by the Salem Memorial Bell Choir, directed by Mrs. Olive Walker. There are 25 hand bells which are played by a quick upward motion of the wrist. The group first rang the bells in 1957 at an outdoor Easter service and have been active in programs since 1958. They have performed at both national and international festivals.
The bells were cast by the Whitechapel Bell Foundry of London, England, which has made bells since the time of the first Queen Elizabeth in 1570. They have made such bells as the Liberty Bell, Big Ben, Great Bow and others on the Continent.
Reservations for the banquet may be made by calling Mrs. William Hill at TU 1-0139. The tickets are \$2.00 for mothers and \$1.00 for daughters under twelve years of age.

St. Joan of Arc Party Planned
The St. Joan of Arc Rosary Sodality will sponsor a luncheon-party at the Lochmoor Country Club on Wednesday, May 23, at 12 noon.
Mrs. Charles P. Ryan, chairman, Mrs. John A. Gillis, TU 1-3567, may be contacted for reservations to the "Lochmoor Luncheon." Donation is \$3.75.

DAC Teams To Fete Wives
Detroit Athletic Club's squash and handball groups, "The Blackballeders," will give a dinner and dancing party at the club April 24 to fete their wives.
The evening will start with 5 o'clock squash and handball matches, with the distaff side viewing the fast games from the galleries overlooking the courts.
At the same time, the men not involved in a game and the feminine contingent may join at the pre-dinner cocktail hour in the club's natatorium. Here there'll be groupings of small tables and chairs set around the swimming pool.
Their dinner and dancing in the main dining room will begin at 7:30 o'clock, and they'll have the benefit of the DAC's Easter floor show presenting Rolly Rols, pianist and comedian, and singer Gene Simms. Eric Correa and his orchestra will play.
About 120 are expected to attend and they'll be seated at four flower-decked tables. There'll be attractive favors for the distaff side.
In charge of plans are "The Blackballeders" president, William G. Lichtenberg, Jr.; vice president, Charles A. Bigelow, and secretary, William J. Ross.

Center Offers Puppet Classes
A final term of puppetry instruction will be offered Grosse Pointe youngsters at the Grosse Pointe War Memorial on Saturdays beginning April 28 from 1:30 to 3 p.m.
The sessions will be under the direction of Robert Rathbun, president of the Detroit Puppeteer's guild and art instructor at Pierce Junior High School. Puppet activities will continue at the Center through May 26.
The five week course is offered for \$7.50 plus a materials fee of \$1.50. Advance enrollment is requested at the Center, TU 1-7511, as the group is necessarily limited. Boys and girls ages 8 through 15 may apply.
Mr. Rathbun teaches the young people how to make hand, rod, and shadow puppets constructed in a highly imaginative manner from all sorts of material scraps. They also write original scripts and make story adaptations for their acts which are rehearsed under a stripe awnined Punch and Judy stage.
Everyone gets a chance at voice characterizations and later their acts are produced on the Center's terrace for the annual grammar school party.

wearing a yellow sports shirt, disembarked to the strains of the "Colonel Bogey" march from "The Bridge Over the River Kwai," and were met by a color guard of comrades-in-arms bearing the invasion brigade's own flag, the flag of the old Cuban Republic, and the Stars and Stripes. In a collective statement, the POW's emphasized their concern for the 1,119 captives left behind in Havana's Principe Prison, and the Cuban Families Committee also issued a statement, appealing for donations to free the remaining prisoners, still waiting for help "after a year of anguish and lost hopes."

DETROIT'S TWO major newspapers, the Detroit News and the Detroit Free Press, published a combined edition today, first paper to reach their subscribers since a Teamsters Union strike against the Free Press halted publication of both dailies last Wednesday. Teamsters president James R. Hoffa met with Free Press management briefly yesterday, left without reaching a settlement, and met with representatives of the News later in the day. Although not struck, the News halted publication "due to continuing difficulties obstructing normal and economic newspaper operation."

The Free Press contract with Teamsters Local 372, (circulation truck drivers), had been continued on a day-to-day basis since its expiration last November 15. Matters finally came to a head when new contract negotiations between the Free Press and Local 372 broke down a week ago, after 17 meetings, with the submission of 18 demands by Local President Clare O'Connor and Secretary-Treasurer Joseph Prebenda.

According to Publishers Association Executive Secretary Robert C. Butz, the demands constituted an ultimatum "which would have the net effect of putting the Teamsters in control of sales and distribution" at the Free Press. Teamsters officials countered with a statement that the demands were merely a "basic clarification" of contract and work rules already in effect, and threatened a strike if they (the demands) were not met by 4 p.m. last Wednesday. That strike is now in progress.

THE SHAH OF IRAN visited Cape Canaveral, Fla. yesterday, Mohammed Riza Pahlavi, whose Middle Eastern kingdom shares 1,500 miles of border with the Soviet Union, arrived in the United States last week on a state visit. Accompanied by his wife, Farah, the Iranian leader had come to discuss the possibility of increased military aid to assist his nation in enlarging its armed forces, and continued economic aid to help pull Iran out of its current economic slump. Following state dinners at the White House and the Iranian Embassy, the Shah addressed a joint session of Congress last Thursday. Speaking on the subject of foreign aid, Pahlavi told U. S. legislators that he recognizes it as a burden "but the need for it is not yet finished. The threat has not yet ended."

President Kennedy reviewed "aspects" of America's aid programs with the Shah Friday, and the two issued a joint communique.

At the turn of the century the horse and buggy trade kept Grosse Pointe burgeoning with trips back and forth to the resort colony's many roadhouses.

In Philemon D. Sabbe and Leon Buysse's book, "Belgians in America" there are some delightful reminiscences by Charles Verheyden, now the Pointe's honored mortician. His parents came to the Pointe aboard a sailing ship directly from the old country with the Cooks, Van Assches, Bryses and Peersmans. Joseph and Marie Verheyden are buried in St. Paul's cemetery in Moross road.

At their tavern on Cook road, a country bar with a hall for dancing above, there were cock fights and wrestling matches, at which the Pointe's elite bet heavily. To attract patrons young Charles sold tickets at 25c a piece and raffled off a horse. On the waterfront his father rented boats to fishermen and ice shanties in the winter.

Nearby, Charles's uncle and aunt, Catherine and Joseph Michie, owned the beach house, famed for its frog leg dinners. Mr. Verheyden remembers, "I bashed frogs in the tall grass with a barrel stave and sold frog legs to Uncle Joe for 10 cents a dozen."

Another uncle, Amandus Verheyden, built the first ice boat used on Lake St. Clair and Charles would ride from Gaulker's Point, where the Edsel Ford home is today, to Windmill Point on frosty winter afternoons. "We traveled 60 miles an hour and hit an air hole. Father saved our lives by throwing us out on the ice."

There were many ice boat fans in the Pointe in those years and so devoted were the sportsmen that they would crawl to their boats on hands and knees when the wind was strong.

Verheyden's father also held horse and cutter races on the ice. After the races many sportsmen would stop at Matt Kramer's saloon, which had been moved many times, until it finally located on the outskirts of the Pointe, for hot slings, a mixture of whiskey, sugar and hot water.

For the illegal cock fights tavern keeper Verheyden set up an octagonal burlap padded ring in his upstairs hall. The roosters were smuggled in from Canada and the proprietor always invited the sheriff to attend, but he always declined.

Charles Verheyden began his career as a florist delivery boy and this may have decided his life work. He also worked for a time in the Belle Isle Casino where he made as much as \$4.00 a Sunday. He has never forgotten his Belgian background, is among the most prominent citizens in a city which has a great Belgian heritage.

Dr. James Graves has turned to two scholarly pursuits for his hobbies. He is learning to play the recorder, a type of medieval flute, and also studying Greek.

The F. F. Stetekluhs decided on a different type of spring vacation. They have been cruising along 3,000 miles of the Mississippi and adjoining rivers aboard the "Delta Queen," the last of the paddle wheel river steamboats. As the boat pulls away from every river port the strains of an old fashioned calliope delight the loungers along the bank. A real Huckleberry Finn experience this has been for the Stetekluhs, including waiting patiently while the "Delta Queen" extricated itself from a sandbar, a rather common occurrence in steamboat travel along the Mississippi.

Jack Darvill, principal of Defer School, is a talented musician but he also has other artistic gifts. He recites, with a delightful Yorkshire accent, a rollicking music hall turn about a small lad, Albert, gobbled by a lion at Blackpool, the British Coney Island. Mr. D. claims he learned this tale at his grandfather's knee when a lad in Maine and has never forgotten a syllable.

The charitable minded are sometimes suspicious about the ultimate end of their gifts. This tale from Mrs. George Bowles is heartening. A year ago she gave one of her son's topcoats to the Grosse Pointe Memorial Church clothing drive and slipped in the pocket her name and address requesting the recipient to write her. This past week she received a delightful letter in English from an Arab in Jordan. He thanked her for the coat, explained he was a refugee from Palestine and had two baby sons. Evidently Arabs are not the picturesque figures depicted in "The Desert Song" for this one sounded quite tragic and must have been far below average height as the topcoat belonged to the Bowles' teen aged son.

John Bruce's new daughter, Robin, has been adopted by the Grosse Pointe High School English teacher's classes. To date she has been presented with a knit sweater set from his sixth hour class; a summer dress with booties and bib from his fourth hour class; a government bond from his second hour class and a pair of white booties and a pair of pink booties.

PILFERINGS

Supreme Court Justice Oliver Wendell Holmes was an avid scholar who never lost his zest for learning. One day when Holmes was 90, a friend found him reading Plato.

"Still studying at your age?" asked the friend. Explained the jurist, "I'm preparing for the final examination."

A Milwaukee lady was prodding her three-year-old nephew to show a friend of hers how smart he was. "Tell the lady how old you are," she said. "I can't the youngster retorted, 'I've got my mittens on.'"

Pointer of Interest

ELSA PURDY, OF BEAUPRE ROAD

by Patricia Talbot

Because she liked to weave rugs, tool cooper, play checkers and knit, when Elsa Purdy was searching for her life's work she very wisely decided to combine her various handicraft skills and her genuine desire to help people, and trained as an occupational therapist.

"I don't see why you should be paid a salary for playing all day," one of her brother's friends told her when he discovered what she did.

But her job is not quite that simple. She helps patients with physical disabilities learn to use the abilities they have left. With four other full time occupational therapists and a director, Elsa helps about 84 patients a day at the Rehabilitation Institute of Detroit at John R near Harper Hospital.

Long Training

Elsa trained thoroughly for her job. After graduation from Ohio Wesleyan University with a degree in elementary education she studied occupational therapy at Tufts University near Boston. Then she had 10 months experience in Ann Arbor, New York and Connecticut hospitals. Now she is studying nights at Wayne for her master's degree which would enable her to work with handicapped children. This is her real goal. With a teaching certificate and her O.T. degrees she hopes one day to join the staff of an institution like the Pointe's School for Exceptional Children for which she has high praise.

In her trim white uniform Elsa looks all business. In her off hours she enjoys swimming and ice skating, went skiing for the first time this winter. All crafts appeal to her and she believes she became interested in her present career while working as a counselor in a girls camp. There are always positions available for occupational therapists, Elsa promises to those

searching for uncrowded fields. She can choose her own job and city, which is always appealing to graduates.

Patients from 3 to 80

At the Rehabilitation Institute in Detroit Elsa works with patients from three years to 80. Most of the patients have suffered their injuries through accidents, strokes, or some were born with the disability. Instead of finding her work depressing, Elsa a young woman with worlds of patience and a serene disposition, finds their recovery and increasing skill inspiring.

Last winter she was even more impressed by the Institute and what it could offer when her own father, Remington Purdy, was a patient briefly in her center. Although the Institute is partially supported by the United Community Services and serves as a training ground for Wayne students, patients must pay a fairly stiff fee. For resident patients the charge is \$35 a day and for out patients the fee amounts to about \$10 an hour. But the training the physically handicapped receive here is invaluable and there are few centers to offer it.

Vacation in Europe

This summer Elsa will put away her starched white uniform and pack up colorful cottons and knits for a trip to Europe. The trip is a present from her parents for her graduation from Wesleyan, but until this summer she was too busy studying to take advantage of the gift. Elsa has been working for about a year at the Institute and this trip will come as a well-

come break in her strenuous schedule. She drives herself to work and two nights a week to Wayne, which leaves her little time for recreation.

Elsa is fortunate in discovering a career which gives her the satisfaction of helping others and the patients at the Institute are the recipients of her dedicated care and cheerful personality.

League Policy Demonstrated

The League of Women voters believes that a non-partisan policy is the cornerstone of League work, and only by maintaining it, and constantly reinterpreting it, can the League be effective.

In accordance with this belief, the Board of the League of Women Voters of Grosse Pointe accepted, with regret, the resignation of Mrs. Douglas Graham. One of the provisions of the non-partisan Board policy is that a Board member must resign her position if her husband accepts a responsible party position, and Mrs. Graham's husband plans to work actively for George Romney.

The League firmly believes that the party system is an integral part of our form of government. It urges its members to work as individuals in the parties of their choice, but its leaders, during their terms of League office, must abide by its non-partisan policies.
