Thursday, January 2

The New Year was ushered in Michigan and over much of the nation as well with a snow storm that added inches to the already piled up snow and struck the south with its worst storm in years. Between 10 and 16 inches fell in Mississippi and Alabama, and the north was beset by heavy winds and freezing rain. Even in New Orleans, children were building snowmen, a rare sight. The Sugar Bowl stadium had to be cleared of snow before the traditional football game could be played. Birmingham, Ala., was almost paralyzed by the unexpected storm which halted buses and delayed trains for as much as four hours.

SECRETARY OF STATE Dean Rusk invited Russians to break new ground in trying to settle East-West problems by declaring that peace remains the most urgent business of mankind. In a news conference he stated that there are possibilities for new agreement on German and Berlin issues. Rusk ranked disarmament high on the list of priorities for East-West discussion.

BARRY GOLDWATER has announced his candidacy for the Republican presidential nomination and will begin his campaign in Grand Rapids Monday. He also announced that he intended to run again for U.S. Senator from Arizona. He assured Democrats that his campaign would be a "dogfight" and promised the voters "a choice, not an echo." Four years ago, Goldwater criticized President Johnson of political trickery when the Texan ran for both the Senate and the vice-presidency. He now states that he finds no incompatibility in running for the two offices at one time.

Sunday, January 5

A CAR BROKE THROUGH the ice on Lake Erie Saturday, resulting in the death of two men. Five other fishermen who were riding in the car escaped. Both of the men who died were employed by the Burroughs Corporation. The car plunged into the icy water about one-and-a-half miles offshore at a point about five miles north of Monroe. The other men, also Burroughs employees, were able to scramble to safety.

THE UNITED AUTO WORKERS president, Walter Reuther, will make a final try Monday at attempting to persuade former governor G. Mennen Williams to run for the top Michigan post. He plans to meet with Williams in Washington. The action indicates some dissatisfaction with Neil Staebeier, who has already announced his candidacy, at which time representatives of organized labor were noticable by their absence. Williams has already announced that he definitely will not run for governor in 1964.

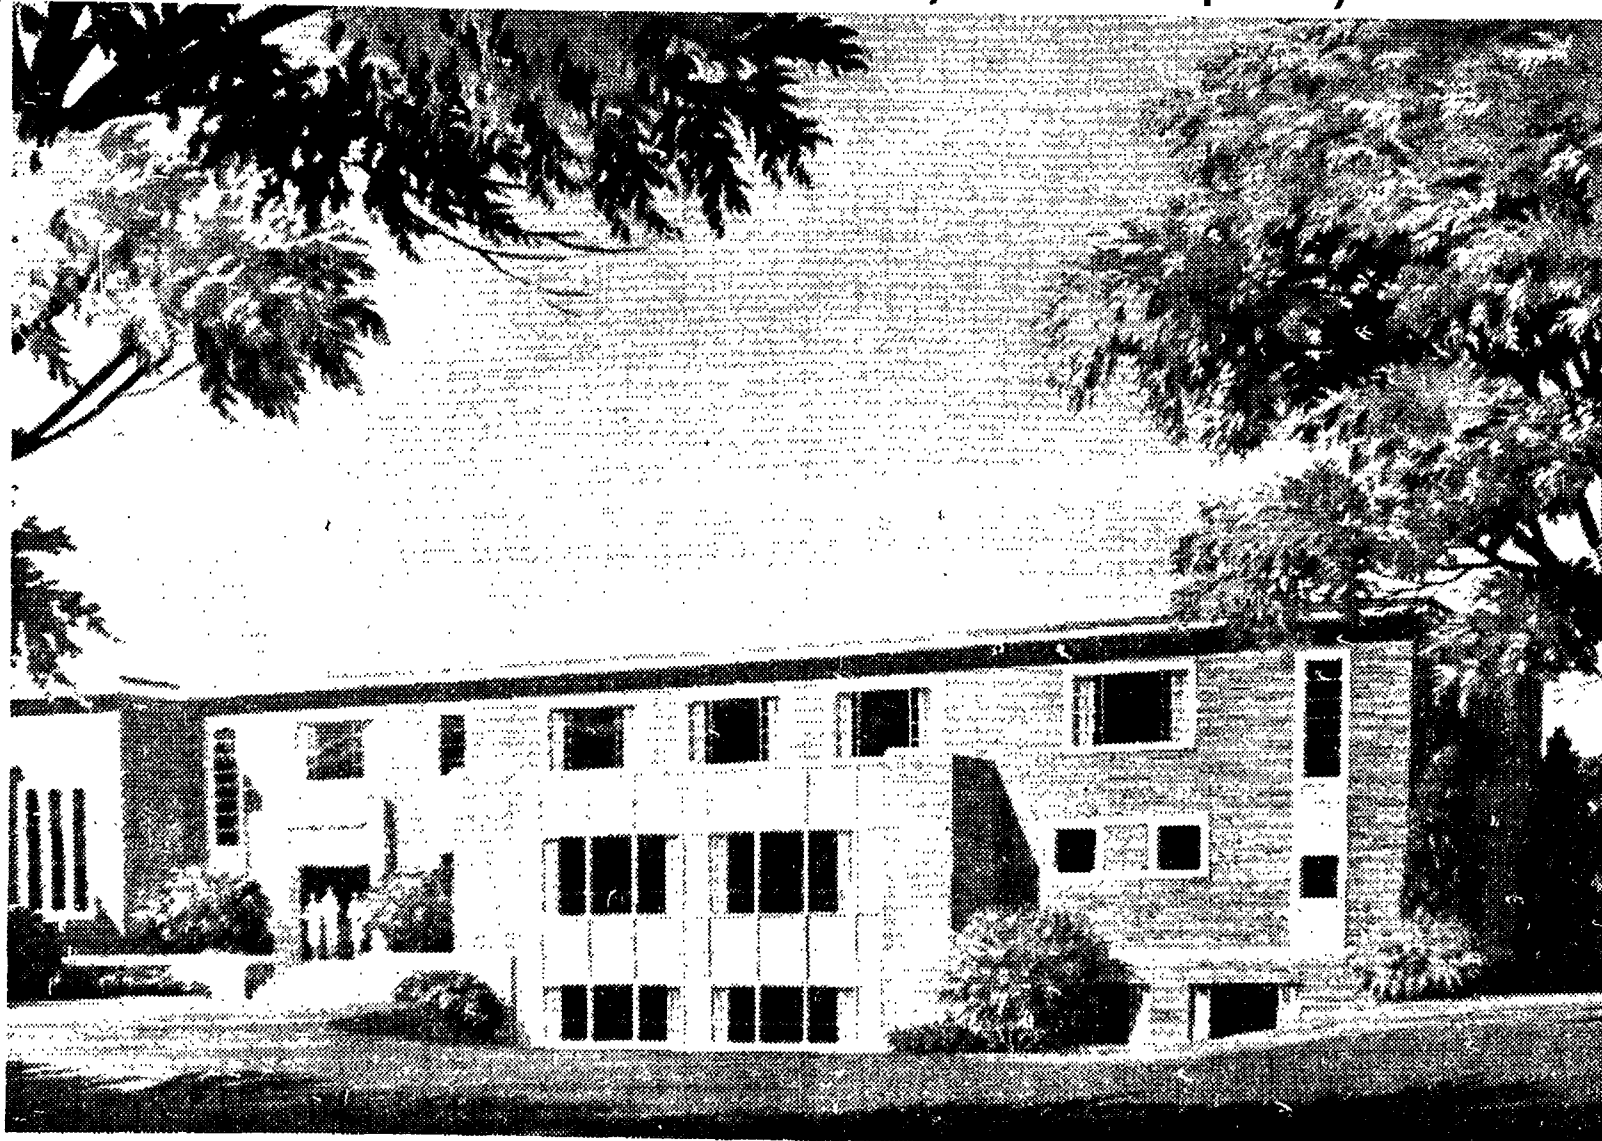

Monday, January 6

POPE PAUL, on a pilgrimage for peace in Jerusalem, called Sunday "an unforgettable day of my life." The pontiff was met with an unusual show of cooperation as he traveled freely between Arab Jordan and Jewish Israel and back again. Orthodox Patriarch Athenagoras greeted him on the Mount of Olives where the two men embraced in a symbolic gesture of friendship. It represented the first meeting between the two churches in nine centuries, or since 1054 A.D. when the two broke apart.

Tuesday, January 7

SENATOR BARRY GOLDWATER spoke in Grand Rapids Monday and stated that he feels the Republicans can win the 1964 presidential election and that he himself is more than two-thirds on his way to winning the GOP nomination. This was the launching of his campaign. He is called "Mr. Conservative" in the Republican party. More than 1,000 greeted him at the \$100 a plate dinner and 2,000 others gave him a rousing reception at the airport.

Addition to Church Ready for Occupancy

The First English Lutheran Church, Vernier and Wedgewood, will dedicate its new tri-level, \$200,000 Unit for Christian Education building on Sunday, January 12. The new addition will accommodate an enrollment of 400 children. After a brief 4 p.m. serv-

ice, an open house will be held for members and visitors with a buffet supper to follow at 5 p.m. The Rev. Paul F. Keppler is pastor of the church's congregation; Vincent Rodeck serves as president.

Country Club Asks Zoning Law Change

Farms Council Authorizes Amendment Permitting Switch to Recreational

Two representatives of the Country Club of Detroit, 220 Country Club drive, appeared before the Farms council Monday night, January 6, to plead for a change in the zoning ordinance.

Edward F. Lambrecht of 34 Beacon Hill, vice president of the club; and H. Gordon Wood of 240 Touraine, attorney, petitioned the council for an amendment to the ordinance which would permit the club property, and possibly all private club properties, be zoned recreational, rather than residential.

Under a recently passed revised City Zoning Ordinance, all clubs, churches and schools, presently located in residential areas, are considered to be in conforming use, that is, regarded as residents' property.

Development Restricted Under the revised ordinance, the Country Club of Detroit cannot develop, or expand its recreational facilities, because of the zoning restrictions.

The attorney and club vice president said that they had not spoken to, nor do they speak for other organizations in the Farms, regarding the change, but will confer with officials of these groups to obtain their opinions.

The council favored the amendment which would grant

MFC Approves Shores' Swimming Pool Bond Sale to Raise \$225,000

Funds to Pay for Facilities at the George Osius Lakefront Park; Work Scheduled to be Completed by Memorial Day

Attorney General Frank J. Kelley, chairman of the Michigan Municipal Finance Commission, disclosed on Friday, January 3, that the Commission approved the Shores' \$225,000 "General Obligation Swimming Pool Bonds," for the George Osius Lakefront Park.

"The proceeds from the sale of the bonds will be used to acquire, construct and equip a swimming pool and bathhouse and to develop the swimming pool site," the attorney general said. "These bonds are payable from ad valorem (in proportion to the value), taxes, in an amount necessary to pay principal and interest and will run until 1979."

Other members of the Municipal Finance Commission are Sanford A. Brown, State Treasurer; Billie S. Farnum, Auditor General; and Lynn M. Bartlett, Superintendent of Public Instruction.

Approved By Voters

The pool, bathhouse and facilities, including a hard surface parking lot, were authorized by the Shores resident-taxpayers, who voted for a bond issue to raise the \$225,000, at a special election last September 10.

Village Superintendent Thomas Jefferis said that he had been officially informed by the State officials several weeks ago, that approval for the sale of the bonds would be given without difficulties.

On this assumption, Village officials had approved a contract awarded to Harry White and Sons, Inc., of Pontiac, last December 9. The firm offered to dig the hole for the pool, dis-

pose of the dirt, and use fill-sand for a suitable foundation, for \$23,946.82. The company was not to be paid until the bonds were sold, it was said.

This phase of the project is underway, Jefferis said. A medium light brown sand will be tamped down in the excavation, and will be a firmer foundation than the original soil, he added.

Contracts Awarded On December 16, Village officials opened and tabulated bids for the actual construction of the pool and facilities, and the following day, the Village council approved the awarding of contracts to low bidders.

The construction of the pool, bathhouse and facilities was awarded to Muzin and Vincenti Company, who will do the work for \$99,940, lowest of six bids submitted.

The mechanical work will be

Church Set To Dedicate New Building

Addition for Christian Education, Costing \$200,000, Completed by Lutherans

Dedication of the new Unit for Christian Education of First English Lutheran Church, Vernier and Wedgewood Drive, is scheduled for Sunday, January 12. Rev. Paul F. Keppler is pastor of the congregation, with Vincent Rodeck serving as president.

Preaching for the morning service at 11 a.m. will be Rev. Herbert Brokering of the Parish Education Department of the American Lutheran Church. Following a brief afternoon service at 4 p.m., an open house will be held for members and visitors with a buffet supper at 5 p.m.

Ground was broken for the new addition on Sunday, April 21, 1963. Designed by the architectural firm of Merritt, Cole and McCallum at a cost of \$200,000, the building is approximately 40 by 80 feet on three levels. The new structure will accommodate an enrollment of 400 children.

The basement level provides space for the Nursery and Kindergarten Departments of the Sunday School as well as an area for Junior High members. A kitchenette for youth activities is attached to this room divided by folding doors. On this level is also a choir director's office and robing area.

Featured on the first floor is a church lounge with a kitchenette to the end. Paneled in birch with two large chandeliers the room will be used for meetings of various church groups. Across the hall is a pleasant Mother's Room arranged for the care of small children during worship. Next to this is an office for the vicar.

The second floor is designed entirely for Sunday School classrooms. Twelve rooms formed by folding doors will accommodate 12 to 15 children each, making an ideal size room for teaching.

General Chairman of the Building Committee is Kenneth Abrahamson. Members of the Design and Construction Group are Kenneth Horn, chairman, Walter Horn, Alan Miller, Gordon Pinder and Wm. Stopin. A Legal and Finance Group is composed of Oscar Kolberg, chairman, Erwin Linsenman, Robert Peterson, Earl Salomon and Herbert Siewert. Working on the Furnishings Committee are Donald Schroeder, chairman, Lillian Kasper, John Mortson, Hal Nelson, Louise Papke and Emory Wickline.

Arthur G. Elliott Second Lecturer On Center Series

"Politics — 1964" is Subject Being Discussed Each Tuesday Night; Zoltan Ferency was First Speaker Last Week

The second lecturer in the series "Politics . . . 1964" being held at the Fries Auditorium of the War Memorial will be Arthur G. Elliott, Republican State Chairman, on January 14. The lectures begin at 8:15.

Last week Zoltan A. Ferency, Democratic State Chairman, spoke on issues and candidates on a state level from the Democratic point of view. Mr. Elliott will speak on the same subject but from a Republican viewpoint.

Other speakers scheduled for the series on successive Tuesdays will be Arthur Schlesinger, Jr., Special Assistant to the late President Kennedy, Fred Clark Scribner, Jr., who is general counsel of the Republican National Committee; Lee Hills, vice-president and publisher of the Detroit Free Press and executive editor of the Knight Newspapers, Inc.; and Martin Hayden, editor of the Detroit News.

Is Native Hoosier

Arthur Elliott was born in Indianapolis, Ind. in 1916 and is married to the former Elizabeth Ann Vining. They have three sons and reside in Bloomfield Hills.

Mr. Elliott attended Lincoln High School in Ferndale and Highland Park Junior College and Michigan State University. He is a former realtor and businessman.

He has been active in the Ferndale Rotary Club, Chamber of Commerce, Boy Scouts and First Church of Christ Scientist in Birmingham. In addition he has served on several committees on a state level including being chairman of the Con Con Local Government Committee.

Was Romney's Manager

He was campaign manager for George Romney when he was running for governor and was also his special administrative assistant after his election. In 1962, he was elected Michigan Republican State Central Committee Chairman.

The lecture will be about one half hour in length, followed by a question and answer period. After that, refreshments will be served in the Crystal Ballroom and guests will have an opportunity to meet Mr. Elliott.

Tickets are available at the War Memorial or at the door for \$1.

George R. McMullen, who organized the series which is sponsored by the War Memorial Association introduces each of the speakers and directs the questions and answers period of the program.

DOG BITES MISTRESS

Police Officer Donald F. Fritz of Grosse Pointe took a report December 30 at 6:20 p.m. of a dog bite. Margaret P. Byron of 453 Rivard boulevard was bitten on the left forefinger by her own dog, a male springer spaniel, while in the home. She was taken to Bon Secours Hospital. The dog had been vaccinated in 1962 and was confined to the home for the 10 day's observation period.

School Officials Launch Search for New Teachers

Although it is still a long time until school begins in September, Lawrence F. Kennedy, Director of Professional Personnel for The Grosse Pointe Public School System, has set his sights upon possible teacher needs for the 1964-65 year.

To assist those central office administrators and building principals who will help in his search for educational talent throughout the nation later this winter and into the spring, Kennedy has prepared a "profile of The Grosse Pointe Public School System." Copies of the sheet will be included in each interviewer's materials as he prepares for his campus trips.

While the "profile sheet" is a simple innovation, Kennedy reports that the inexpensive 8 1/2 x 11 brown and yellow sheet

Parking Ban Impractical, Say Police

Farms Resident Would Clear Streets of All Cars in Early Morning Hours

A request from a Farms resident that the city council enact a law prohibiting on-street parking between the hours of 2 a.m. and 6 a.m., was turned down by the council at its regular meeting held Monday night, January 6.

The request for the parking ban was made by John F. Boyle of 424 McKinley, who referred to an article recently published in the NEWS in which it was disclosed that Grosse Pointe City police served notice that an ordinance prohibiting on-street parking during the morning hours will be enforced.

In his letter to the council, Boyle stated that on his street, parking is allowed on one side, the other is a fire route. All

Farms City Hall Remodeling Lags

The Farms council was informed on Monday, January 6, that the architectural work on the additions and alterations to the Municipal Building, 90 Kerby road, is approximately six weeks behind schedule, due to delay of delivery of steel and other materials from suppliers over a period of time. The weather was also included as a factor.

The council was also told that the roof over the section housing the police station, presently being remodeled, would cost approximately \$1,100 to replace, if a new roof is authorized, or \$523, if only repairs are affected.

It was disclosed by the contractor, William T. Kriehoff of 264 Kenwood court, that repair work on the roof would carry a guarantee of three years against defects, whereas, a new roof would be guaranteed for 20 years. The latter would require that the old roof be completely removed, and new material be used in the construction of a new one.

The council elected to have the roof repaired. It was disclosed that this project was one of the unforeseen situations that arises when building construction; especially remodeling, is undertaken.

Local Rates Not Changed By Proposal

Price Would Remain Same for School Children; First Adjustment Since 1959

Lake Shore Coach Lines, Inc., the bus company which serves the Grosse Pointe community has applied to the Michigan Public Service Commission to increase some of its rates, to become effective February 2. Action on the petition is expected sometime within the next two weeks.

Local rates, for service within the Pointes and St. Clair Shores, and rates for school children would not be changed under the proposed rate adjustment. The increases asked are for the runs from Detroit to the Pointes and beyond, with a flat 5-cent boost for those from Detroit to Thirteen Mile and East Jefferson. A 10-cent increase is asked for the runs from Detroit to the Dearborn Terminal, Venice Beach and Crocker Boulevard and East Jefferson. The maximum rates, now 35 cents, would be raised to 45 cents. They cover runs up to 25.4 miles from Downtown Detroit.

The present rate for the 7.3 miles from Downtown Detroit to Grosse Pointe Park is 25 cents. The bus company would like this raised to 30 cents. This same change would apply to all runs as far as Provençal and Lake Shore road. The present rate of 30 cents to Lake Shore and Vernier, and Lake Shore and Nine Mile, would be raised to 35 cents.

Top Would Be 45 Cents Where 35 cents is now the maximum fare for any Lake Shore Coach Lines run, this would be boosted to 40 cents for the runs to Eleven, Twelve and Thirteen Mile roads and E. Jefferson, and to 45 cents for those to the Dearborn Terminal, Venice Beach and Crocker Boulevard and E. Jefferson.

The application, filed with the Public Service Commission on January 3 by Edmund M. Brady, attorney for the bus company, cites many reasons for the proposed increases. Walter Schepke, president of the Lake Shore Coach Lines, Inc., feels that the reasons behind the request for the boost are so valid that the Commission will approve the adjustment without delay.

It is cited that employees of the company have had no wage raises since September 1959 and are admittedly entitled to an increase. The last wage adjustment was approved by the Public Service Commission at that time. The company's labor agreement, applicable to both drivers and mechanics, terminated on December 31, 1963 and the employees are threatening trouble because their existing compensation is less than the compensation of other comparable employees of other carriers performing a like service, and serving the metropolitan areas of Detroit.

More Using Cars The petition further cites that the company, like most business and governmental enterprises, has been confronted with increasing operating costs for labor and supplies since the last adjustment in September 1959, while at the same time, unlike most business enterprises, it has been confronted with a loss of business because more people are using private automobiles.

Lake Shore requires 41 buses to operate peak schedules, 27 of which have been purchased and put in operation since the last rate adjustment. The company has maintained its bus miles and service to the public. Last year it operated 1,978,986 bus miles, 6,000 more bus miles than the year before. And it is pointed out that the new buses purchased have greater seating capacity and made a greater number of seats available to the traveling public.

Lakeshore's rates, for comparable mileage distances, are the lowest per mile of any of the carriers serving Metropolitan Detroit under authority of the Commission. Its frequency of service equals and in certain instances betters the frequency of such other carriers, the petition states.

done by L. L. McConachie Company, for \$54,600, lowest of six bids; and the electrical project will be undertaken by the Colonial Electric Company, for \$17,787, lowest of three bids.

Architectural fees and unforeseen complications that come up on projects of this type, will use up the balance of the bond sale funds, Jeffers said.

To Be Set for Opening

The village superintendent said that the work on the pool is scheduled to be completed by the time the lakefront park officially opens on Memorial Day, May 30.

He said that there will be a deep section for experienced swimmers, and a shallow section for those who are interested in learning to swim. Instructors will be provided for the latter, Jeffers said.

The pool will also be used for swim meets between intra-city life guards, and for meets between other local groups, besides for the enjoyment of Village residents and their guests.

Busy Firemen

(Continued from Page 1)

At 11:04 a.m., when she discovered smoke in the basement of her home, Firemen found that an accumulation of lint in the gas dryer had ignited and was smoldering. The fire was put out and the dryer disconnected.

At 11:09 a.m., while the fire personnel were at the Marsh residence, an alarm came in from Vic Tanney's, 20835 Mack avenue. Smoke was reported in the building.

Firemen and equipment rushed to the scene. Here it was discovered that the motor of the exhaust fan in the steam room had overheated. This was taken care of in short order, after which all men and trucks returned to the station.

At 9:08 p.m., men and trucks were dispatched to the home of W. W. Wood, 550 Renaud, when residents smelled smoke in the house.

Again, the firefighters were not needed. According to a fire report someone was burning rubbish outside, and smoke was seeping through the ventilator fan in the Wood home.

Victim of Fall Asks Damages

Frances Saissline of 2009 Roslyn road claimed damages against the City of Grosse Pointe Woods for injuries incurred November 2, 1963.

She was walking on the public sidewalk in front of 1961 Roslyn road and got her foot caught in the sidewalk due to the state of disrepair that the public walk was in.

She fell, with great force, receiving, as a result, a fractured left arm, dislocated left shoulder, twisting of the back muscles, as well as lacerations, bruises and contusions, she reported.

Mrs. Saissline is 65 years of age and claims that she has already spent \$1,000 in hospital and doctor bills; further, that all her injuries are permanent and will require medical care for the rest of her life.

She claimed that she was using due care and caution at the time of her accident and was free from any negligence. Also, that she has been unable to do her necessary housework as a result of her injuries and requires outside help.

The City of Grosse Pointe Woods had been notified of the defects in the sidewalk several months before the accident and had failed to repair it, she claimed.

The matter came before the regular Council Meeting of the Woods January 6 and the case was turned over to the City's insurance agency.

MOTORIST ROBBED

Charles M. Reik, Jr., of 741 Barrington, called Farms police on Wednesday, January 1, and complained that someone broke into his automobile while he went to a gas station to purchase fuel for the vehicle. He said he ran out of gas at Harbor Hill and Lake Shore road. Taken from the car, he said, was a tape recorder valued at \$25; a red flasher and snow brush, a three-cell flashlight, and a can of de-icer spray.

Parking Ban

night parking is common practice, he said.

Would Be No Hardships

He said that it was his opinion that the 2-6 a.m. ban would not work a hardship on anyone, as ample driveway space can handle up to four cars.

At the request of the council, Police Chief James Furton made a study of the matter, and submitted a written opinion, in which he revealed that Boyle's suggestion was very good, "if it were possible to enact an ordinance of this kind and enforce it."

"We have numerous areas in this city where ample driveway space for all cars is not available, and even if it were available, it would put the residents to considerable trouble placing cars in the drive so the proper car could get out first," the chief stated in the letter.

Hard To Enforce

He said he felt that no ordinance should be enacted that would seem impossible to enforce.

"Signs would have to be erected at all entrances to the city," he stated, "or on each individual street, informing the people of the ordinance. The trend for some time has been to more cars per family, and I am sure that this will keep increasing each year."

Although Boyle's request was refused, the council, on recommendation of Councilman Benjamin Warren, directed City Clerk Dawson Nacy to forward a letter to Boyle, explaining the reason for turning down the ban, and thanking him for his interest in the matter.

Will Draft Amendment

City Attorney George McKean was authorized to draft a proposed amendment to permit the switch from residential to recreational, and to present it to the council at its next meeting on January 20, for further study and consideration.

If the proposed amendment is accepted by the city body, a public hearing date will be set, to give property owners in areas affected, an opportunity to speak for or against the change.

time staff members (537), the proportion of staff with advanced degrees (61%), the percentage of the elementary and secondary faculty which is male (21% and 60% respectively).

Salary provisions for the years 1964-65 show that minimum salaries for teachers with a BA will range from \$5200 to \$8800 and from \$5300 to \$9100 for 1965-66.

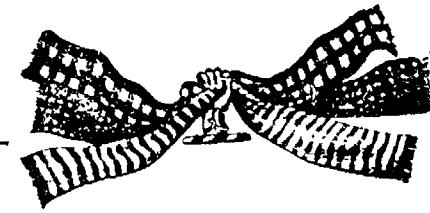

The third major heading of the profile sheet, "Professional

Activities of Staff," includes a brief listing of the locally conducted workshops and other opportunities for self-improvement, the provisions for attendance at professional meetings, the proximity to major universities.

In his last section, Kennedy lists the fact that 75-80% of the graduates of Grosse Pointe High School attend college, that more than 90% of ninth graders finish high school, that honors programs are conducted in all

academic fields.

"We have said many times in recent years that the qualified teacher is not interviewed by us," Kennedy remarked. "The teaching candidates we want are also in demand throughout the nation," he mentioned. "The profile sheet is just one tool in our kit of materials which attempts to give the prospective teacher at least a bit of an idea on Grosse Pointe and its schools."

Detroit Edison and the individual men and women who make up the company participate in a wide variety of educational, social and civic affairs.

It is a common practice for Edison employees to serve during business hours, and in what would otherwise be their leisure time. They are on boards of education, act as special instructors and visiting lecturers in many schools, accept appointive and elective offices. They are active in churchwork and charities.

Many of our engineers, staff and management people serve at state, national and international levels—in the development, for example, of electric power facilities and systems overseas.

Our company has a broad program of educational assistance. There are grants to Michigan schools of higher learning; scholarships—44 of them currently—for deserving students; the support of science fairs; the sending of student delegates and teachers to conferences on peaceful atomic development.

In the belief that good government depends upon the willingness of all to accept the responsibilities of citizenship, the company also has a non-partisan program of political education for interested employees.

The taxes Edison pays help build and maintain essential community services, schools and colleges. During 1962, for example, the company paid \$67-million in taxes to federal, state and more than 400 local governments. In many areas of southeastern Michigan, Edison is the largest single taxpayer.

We like to give our support in these many ways, by engaging in and encouraging others to participate in community work for the good of everyone.

Drunk Minors, Adults Arrested

Two Park detectives, assigned to late New Year duty, investigated a private party at Renni's Pizzeria, Wayburn and Mack, and broke up a drinking affair involving 12 minors who were arrested along with two adults.

The adults, Luigi Renni, 21, of 4311 Springle; and Donald L. Agbay, 23, of 3057 Lenox, both

of Detroit, were charged with contributing to the delinquency of minors.

Park Police Chief Arthur Louwers disclosed that Det. Lt. Arnold Hough and Det. James LaPratt were patrolling Mack avenue at about 3:33 a.m. January 1, when they noticed the drapes drawn across the windows of the pizzeria. A sign on the window revealed that a private party was in progress.

Hough and LaPratt became suspicious and decided to investigate. They rapped on the front door, and were admitted when they identified themselves as police officers.

The detectives said they found 12 minors, boys and girls, five of them under 16 years of age, and the others, ranging in age from 17 to 20 years, at the party. There was evidence that all had been drinking; there was whiskey and wine in plain view in the place, the policemen said.

The adults and minors were placed under arrest and taken to the station, where the adults were charged with contributing, and the minors were charged with illegal possession of liquor. Hough and LaPratt said that a few of the minors were so intoxicated, that en route to the station, a number of them passed out.

The five juveniles were released to their parents pending an appearance at the next session of Juvenile Court.

Renni and Agbay and the older minors were scheduled to appear before Park Judge C. Joseph Belanger yesterday, January 8, for their hearing.

Burglar Robs 2 Park Homes

A burglar broke into neighboring homes in the Park during the absence of residents and escaped with \$129 in cash and more than \$533 in jewelry, it was disclosed by Police Lt. Gerard Kesteloot.

The breakins were reported by Mrs. Phyllis Perry of 1300 Nottingham; and Mrs. Gertrude Krupp of 1339 Nottingham, both of whom told police that their homes had been completely ransacked.

Mrs. Perry said that she and her family were absent from home between 6:30 p.m. and 8:55 p.m. on Saturday, January 4, and when they returned, found the house had been entered.

Mrs. Krupp disclosed that she had been absent from her house for several hours and returned about midnight, to find her home had been ransacked from the basement to the attic.

The Perry residence was entered by the rear door. The burglar broke the back porch screen door and turned the latch, and walked through the inside door which was unlocked.

The thief dumped contents of dresser drawers on the beds of the bedrooms, after going through the entire house, police said.

Taken, Mrs. Perry said, were \$120 in cash; a woman's yellow gold diamond engagement ring, value not known; a lady's half-carat diamond ring with two

baquette diamonds on each side, in a white gold setting, valued at \$391; a lady's seven-diamond yellow gold wedding ring, valued at \$102.

A bank check in the amount of \$64, and a blouse that had been reported taken, was later found in the house by Mrs. Perry, police said.

Mrs. Krupp's home was entered through the rear door, when the burglar broke the door glass and unlatched the lock.

The woman said that all she found missing was her blue aquamarine dinner ring, valued at \$40; and five dollars in change and four silver dollars.

Police said that they tracked footprints in the snow from the backyards of the Perry residence to that of the Krupp home, and there is no doubt that the thief who robbed both homes is the same person. Mud tracks in both houses matched shoe prints left in the snow and soft earth, by the thief as he went from one house to the other, police said.

Tax Exemption For Vets Revised

The Veterans' Homestead Tax Exemption Law has been changed this year, affecting a great many veterans and widows.

The first change is that the recipient must own no taxable real or personal property in the state of Michigan of a greater value than \$10,000 state equalized valuation. Previously it had been \$7,500 of local assessment valuation.

Billie S. Farnum, auditor general for the state of Michigan, informed local assessors and treasurers in the state on October 31, 1963 that in the future his office will verify all information included in the affidavit to determine that the facts upon which the exemption have been granted were cor-

rectly given by the applicant. Therefore, he directed that each applicant should submit to the local authorities these items:—first, proof of status, or a death certificate or discharge paper; second, proof of ownership such as a land contract or a deed; and thirdly, proof of compensation, if any, such as a veterans' check, the check number and the date of such a check.

These qualifications must reflect the status of the applicant as of December 31, 1963.

Hospital Fund Given \$50,000

The D. M. Ferry, Jr. Trustee Corporation has contributed \$50,000 to the Children's Hospital Building Fund.

In reporting the foundation gift, Swaney said, "the name

Ferry has been identified with countless programs of cultural and civic improvement for Detroit."

"This very generous gift to Children's," he added, "is in the best tradition of the Ferry family's dedication to community service."

The fund currently is seeking \$4 million by public subscription to help finance a new Children's Hospital. Present facilities, apart from the outpatient building, date back to 1896 and 1926. The new six-story hospital, estimated to cost approximately \$8,000,000, is to be constructed as part of the projected Detroit Medical Center in the Woodward Corridor.

The Metropolitan Detroit Building Fund has allocated \$2,500,000 toward the project. Additional funds will be realized from the sale of the present hospital on St. Antoine Street and from an anticipated Federal grant under the Hill-Burton Act.

GPHS Orchestra Receives Honor

The Grosse Pointe High School Symphony Orchestra has been invited to present a special concert at the University of Michigan in Ann Arbor on Saturday, January 18.

They have been elected to represent the State of Michigan at the Midwest Conference of Music Educators which draws its attendance from the midwest states, including Illinois, Indiana, Ohio, Wisconsin and other states as far south as Texas.

This marks the second time that the orchestra has been elected to represent the State of Michigan at a major conference, the first occurring in 1961 when the orchestra appeared before 9,000 principals at the National Principals' Association Convention.

The orchestra will perform a varied program, including a selection written for piano, ensemble choir and orchestra by Director Richard H. Snook entitled "Symphony of Memories."

Susan Axson, 10th grade student at Grosse Pointe High School and the daughter of Mr. and Mrs. Russell H. Axson, 279 Vincennes Place, will appear as piano soloist.

The Choralers, a small vocal ensemble of 20 voices from the High School A cappella Choir under the direction of John Finch, will also appear with the orchestra in this selection. The orchestra will also perform, among others, the Aaron Copland "An Outdoor Overture," and the Dances des Bouffons, by Rimsky-Korsakov.

The orchestra will appear in the Ballroom of the Michigan Union at 1 p.m. on this date. The conference is open to the public without charge.

WSU Governors Receive Oaths

Circuit Judge Benjamin D. Burdick gave the oath of office for the Wayne State University Board of Governors Thursday, January 2, to Leonard Woodcock and Dr. Alfred H. Whittaker.

Burdick, a former member of the board until named a circuit judge last fall, administered the oath in the office of WSU President Clarence B. Hilberry. Judge Burdick was named a Governor Emeritus of WSU in December.

It was the second time that Woodcock, vice president, International Union, UAW-AFL-CIO, has taken the oath. He was first elected to the board in 1959 and was re-elected last April. Dr. Whittaker defeated Dr. Michael Ference Jr. in the same election.

Woodcock, 950 Pemberton, Grosse Pointe, served as chairman of the Board of Governors until Dr. Ference was elected chairman in 1963. He attended St. Wilfred's College, England, and Wayne State University.

Dr. Whittaker, 17000 E. Jefferson, Grosse Pointe, attended The University of Michigan and received his M.D. degree from Ohio State University. He was awarded an honorary Doctor of Arts degree from Wayne State University in 1957. He is the sponsor of the Whittaker Annual History Award at WSU, author of numerous history and medical articles, and co-author of "Occupational Health in America" published by the WSU Press in 1962. Dr. Whittaker is also president of the Wayne County Medical Society.

Kick Off March of Dimes With Traditional Ceremony

The March of Dimes kicked off its 1964 campaign January 2 when Mary Lou Graves, 5, of Flint, Mich., the National Poster Child, accepted a proclamation and the key to the city from Detroit's Mayor Jerome P. Cavanagh. She then attended a press luncheon at the Detroit Press Club thus officially inaugurating the Wayne County March of Dimes Campaign.

Charles Gehring, Wayne County Campaign chairman, and baseball Hall of Famer, reminded residents of Wayne County that again in 1964 more than a quarter of a million American babies will be born with a significant birth defect. Permanent disabilities and deformities will result in many cases.

"Support of the March of Dimes gives us a direct stake in the work of scientists seeking the means of preventing these crippling conditions," he declared. "In fact important clues to the causes of certain birth defects have already been turned up as a result of March of Dimes grants."

Children now afflicted with birth defects profit directly from a nationwide network of March of Dimes-financed treatment centers like the Birth Defects Center at the University of Michigan where improved treatment is available from teams of medical specialists.

"And," added Mr. Gehring, "the March of Dimes is also providing the same superior medical care and supporting an equally sound research program for the benefit of millions of children and adults suffering from arthritis or disabling rheumatic disease."

The campaign chairman also emphasized that funds are needed for continued aid to thousands of polio victims and for The Salk Institute for Biological Studies now under construction at San Diego, California.

The Mothers' March chairman for Grosse Pointe City is Mrs. Lawrence Smith, 843 Loraine, TU 4-2566. Mothers' March chairman for Grosse Pointe Farms is Mrs. W. J. Wills, 454 Cloverly road, TU 2-7707; Grosse Pointe Park, Mrs. Herbert Watts, 1005 Beaconsfield, VA 1-0905; Grosse Pointe Woods, Mrs. Christopher Quirk, 1158 Hawthorne, TU 6-0485.

Theater to Do Prize Winner

The Grosse Pointe Community Theatre presents another outstanding Pulitzer Prize-winning play, "Detective Story," by Sidney Kingsley, at the beautiful new Fries Theatre, January 24, 25, 31 and February 1.

Director George Wilson, of Woods lane, is proud to announce the cast of this absorbing case history of conscientious criminal-catchers. In the leading role of McLeod, the readjusting ruthless plainclothesman, is Dean F. Erskine. Shirley Shepard

will appear as detective McLeod's trapped wife who cannot obtain his forgiveness for a slip in her past.

Robert Pothoff, of Somerset road, will play the part of Brady, a fatherly detective who, in contrast to McLeod, mixes humanity with his criminal chasing. Others in the large cast of 30 will be Art Brownell of Washington road, Donald White, Joe Rice as other detectives; Hank Houston as the lieutenant in charge of their squad; Jack Petz of Lakepointe road, as a sharp criminal lawyer; Richard Bauhof of Rivard boulevard as a philosophical newspaper reporter; James Luber as a decent young man who weakly succumbed to the temptation of stealing from his boss; Ann Chase as the girl who loves him; Al Bertel of Radnor circle, and Art Seott of Country Club drive, as the two Cat-burglars.

Jo-Ann Moran will be seen as a shoplifter who had picked up a handbag in a department store before she knew what she was doing.

The entire action of the play occurs in one jammed-up night in a precinct station. The interesting set was designed by Dean F. Erskine. Tickets for "Detective Story" are now going on sale. They can be obtained by calling the Grosse Pointe Community Theatre's 24 hour answering service, TU, 4-2710. There are a limited number of Tri-Series tickets (tickets for the last three shows) still available at reduced prices.

Scholarship Won By Beth Murphy

Beth Murphy, 16-year-old junior in Grosse Pointe High School, Tuesday evening, January 7, was awarded first prize of a scholarship at the Detroit Business Institute for her entry in the Detroit Women's Advertising Club essay contest.

The essay theme was "I Went Back to School Because" . . . and the entry was limited to a maximum of 50 words.

Presentation of the award was made at a special dinner program sponsored by the Women's Advertising Club at the Sheraton Cadillac Hotel. Beth and the other winners of the essay contest were entertained at a pizza party in the Crystal Ballroom while club members held a regular dinner meeting in the Grand Ballroom. Presentations of awards was made following the dinner meeting at a special program in which the theme song, "Play It Cool, Stay in School," was sung and Toby David, guest entertainer, was the principal speaker.

The Women's Advertising Club has cooperated with the Detroit Board of Education in an all-out attempt to curb dropouts among high school and junior high school youngsters.

Speeder Nabbed By City Police

Robert Nathaniel Davis of 10410 East Jefferson avenue, Detroit, was taken into the Grosse Pointe City police station January 5 at 10:05 p.m. by Officer William Waldecker, Jr. and issued a ticket for reckless driving.

He had been traveling on 60 miles per hour on East Jefferson between Washington road and Notre Dame.

He was released on a \$50 cash bond and the car was held until the following morning when Davis returned to the station and the car was turned over to him.

Center Adding New Art Class

Steve Davis, popular drawing, oil painting and portrait teacher at the Grosse Pointe Memorial, is adding a new series of classes to his schedule at the Center.

This will be an evening class held on Wednesday from 7:30 to 10:30 which is especially designed for beginners who have never done painting in any media.

A requisite for the class will be an understanding of drawing, but from this point Mr. Davis will teach his students the basic elements of whatever media they wish to pursue.

The series is offered in terms of 12 weekly three hour lessons for \$33. Those interested should sign up at the Center.

Important Events of 1963 Culled from News Files

Many Organizations, Individuals and Special Events Contributed to Period of Great Activity and Considerable Achievement

The annual review of local events of greatest importance to Pointers during the year just ended, was started in last week's issue of the NEWS. It covered up through February. This is a continuation of the report of things that kept local residents busy during 1963.

April 18—Park and City firemen battled a two-alarm fire at the home of Lionel DeWolf, 1096 Bedford, for one and a half hours before bringing the blaze under control. The fire gutted the attic and all but one bedroom on the second floor. There was considerable smoke and water damage on the first floor of the house. DeWolf was calling in the alarm from his home phone when the fire burned the telephone wires, cutting him off before he could give the address. This gave the fire an additional four minutes start while he went to a neighbor's to use his phone.

April 25—Rickey Peterson, 11th grade student at Grosse Pointe High School, was selected as a participant in the National Science Foundation High School Institute held at Northeastern University, Boston, Mass. Director Charles M. Goolsby congratulated Peterson for his fine school record and informed him that he was one of 30 young men from 12 states selected from 150 final applicants from 19 states, with assignment to the Electrical Engineering Laboratory.

May 2—Delegates and members of 29 churches, representing 18,000 Congregationalists in the Metropolitan Detroit and surrounding areas, convened at the Grosse Pointe Congregational Church, to review a new United Church Curriculum. Eight different workshops are scheduled in the Detroit area to train the teaching staff of the various church schools. The Pointe Church hosted a training session for the Northeast area churches later in the month.

May 9—Officials of the Grosse Pointe-Clinton Refuse Disposal Authority completed

payment and received a deed to the 74-acre Hartman Property in Clinton Township at a ceremony held in the Lawyers Title Insurance Building in Detroit. The heirs to the property received the final payment of \$145,800, the balance due on the \$205,000 purchase price. Funds for the payment were raised through a bond sale. The bonds were bought by the National Bank of Detroit, which had offered to charge the lowest rate of interest, three per cent.

May 16—The Grosse Pointe Board of Education reshuffled its administrative staff following the resignation of Assistant Superintendent Elven Duval, who will be leaving to become Superintendent of Schools in Jackson, Mich. J. Harold Husband, director of Administrative Services, became Assistant Superintendent. Lawrence F. Kennedy, from Administrative Assistant to the new post of Director of Professional Personnel; and George T. Eddington, from foreign language teacher, to Administrative Assistant, succeeding Kennedy.

May 23—George N. Coriden, fire marshal of the City of Grosse Pointe, died of a heart attack while on duty at the City Fire Department. A native Pointer, he was with the City firefighters almost 33 years. He was named fire marshal on June 1, 1955 and was a member of the Metropolitan Club and Box 12.

May 30—The Park council approved vacating one block of Audubon road, between Mack and Charlevoix avenues, and the issuance of a building permit to St. Clare Montefalco Church. The council action cleared the way for the construction of an eight-classroom addition and a gymnasium, to the present school structure. Hundreds of signatures were obtained on petitions favoring the road closing. Only two persons voiced objections during a two-hour public hearing.

June 6—The Grosse Pointe War Memorial's 1963 Family Participation Campaign, to raise funds for the operation of the Center, went over the top. It was reported that 4,018 family givers donated \$63,105.94, with gifts still being recorded in the campaign office. The goal for the fiscal year 1963-64 was \$60,000. This was the second time in the fourteen-year history of the War Memorial that the goal had been reached before the target date, Memorial Day.

June 13—Dr. Charles H. Wilson, superintendent of the Grosse Pointe Public Schools, announced the appointment of Roger D. O'Connor, social studies teacher at Grosse Pointe High School, as the new principal of Barnes Elementary School. He succeeded Miss Florence Cummings, who headed Barnes since it opened in 1956, and who retired after 31 years

Introducing New Pointe Teachers

Shown examining instructional aids used in arithmetic experiences in grade 1 with Principal FRANK WELCHENBACH are new staff members at Trombley School. They are (left to right) CHRISTIE RASMUSSEN, French; LILLIAN MISSAKIAN, grade 1; CAROLYN HENNING, grade 5.

Frank J. Velcenbach, principal of Trombley Elementary School, has provided the background information on his staff's newcomers this week. His introduction of the Pointe's newest teachers includes Christie Rasmussen, Lillian Missakian, and Carolyn Henning.

Christie Rasmussen, who teaches French, is assigned also to Mason and Barnes Schools. A 1963 graduate of the University of Iowa, she spent the past summer teaching water sports at a camp in Switzerland. Home to her is De Witt, Iowa. Miss Rasmussen has also attended McGill University in Canada.

Lillian Missakian, who has taught grades 1 and 2 in Detroit, is a graduate of Wayne State University. She attended Highland Park Junior College and Great Lakes College. At Trombley Miss Missakian is assigned to a group of children in grade 1.

Carolyn Henning, a native Detroit, is a graduate of Grosse Pointe High School. She received her BA from the University of Michigan in June, 1963. She lists her interests as swimming, horseback riding, and traveling.

years of service with the Grosse Pointe Public School System. During the busy years, first at Cadieux School in 1928, and later at Richard School, she participated as a vital and contributing member to many phases of school life.

July 18—The Farms council voted to reject \$149,500 in Federal Government grants on the grounds that it would tend to destroy "the individuality, independence and sovereignty" of the Farms as a city. Farms officials had for months sought to obtain the funds, which were to have been matched by the city, under the Accelerated Public Works Act.

(To Be Continued)

Dr. George Buttrick to Preach at Memorial Church

Dr. George A. Buttrick, one of America's greatest preachers, will preach at The Grosse Pointe Memorial Church next Sunday, January 12, at 9:30 and 11:15 a.m. services.

Dr. Buttrick is presently professor of preaching at Garrett Biblical Seminary in Evanston, Ill. He was for many years minister of the Madison Avenue Presbyterian Church in New York, and then Preacher to the University, Harvard. Former president of the National Council of Churches, Dr. Buttrick was editor of the Interpreters' Bible, a 12-volume work that has received great acclaim.

This is the fourth year that night at a dessert at 8 o'clock Dr. Buttrick has come to the Grosse Pointe Memorial Church to speak on "Jesus the Teacher".

To Show Slides Taken in Japan

Mr. and Mrs. Ben W. Beyer will present a talk, illustrated with colored slides, "Journey to Japan" when Men's Garden Club of Grosse Pointe holds a special "Jadies night" Thursday, January 16, at 8 o'clock, in the Grosse Pointe War Memorial Center.

Beyer was one of the founders of the club, and served as its first vice-president and program chairman. Mrs. Beyer is now president of the Grosse Pointe Shores Garden Club and vice-president of the Women's City Club.

The Beyers journeyed by air from the United States to Japan in the fall of 1962, and visited the country from Nikko in the north to Nagasaki in the south. Their itinerary included two national festivals held in Nikko and Kyoto, as well as a "Chrysanthemum Doll Show".

Their talk will feature the miniature types of residential gardens, as well as the larger gardens in the shrines and about the public buildings. They will be introduced by Alfred R. Tapert, vice-president and program chairman.

All male gardeners in the area are invited to attend, and their wives are also welcome at this meeting.

Cleaners Report Customers' Loss

Paul Rosso of 17854 Mack avenue, the Valet Cleaners, reported to police December 27 at 12:30 p.m. that a car was stolen from in front of the store. It was a 1962 Pontiac white 4-door Catalina. The car belongs to William M. Carrato of 26551 Roan, Warren. The car was taken while he was making a delivery.

About the time that the vehicle was stolen, a young man wearing blue jeans and a brown and green sweater was seen loitering about the front of the store.

Three Minor Fires Reported

Three minor fires occurred in the City January 2. The first was at the Farms Market at 355 Fisher road at 9:56 a.m. The Fire Department responded to the report, which came in by telephone, with all apparatus. Smoke was coming from some faulty electrical wiring and there was no damage.

Another report came in at 10:39 a.m. from 797 Lincoln road. A smell of burning wires was the complaint. The trouble was in the dining room light fixture which firemen disconnected at the request of the owner, Mrs. Carl Scott.

At 7:13 p.m. a third telephone report was made by

James Standish at his home at 505 Lincoln. The fire had started in the kitchen stove.

Caught Speeding On Lake Shore

A 20-year-old Detroit motorist, who almost lost control of his automobile while speeding on Lake Shore drive, was arrested by Shores police on Tuesday, December 31, and given a traffic violation ticket.

Patrolman Harry Hamilton said that he arrested Michael W. Fillingier of 1150 Lenox, at 11:55 p.m., when he observed the youth speeding around the curve at 1100 Lake Shore. The officer said Fillingier's car swayed, and almost went out of control, but the youth continued his speed and passed approximately 15 other cars.

Hamilton said that he could not put an accurate pace on the youth's speed because of heavy traffic, but Fillingier was pulling away from him at 70 miles an hour.

The officer said that Fillingier ignored the flasher and siren of his scout car, and passed other cars from the right and left. Hamilton called for assistance, and Patrolmen Gordon Swartz and Chester Painter entered the chase.

Fillingier slowed and turned onto Oxford road, where he was stopped, but refused to get out of his car when ordered by the policemen. The officers said that the youth had been drinking and was abusive and belligerent.

The policemen said that Fillingier refused to permit them to drive his vehicle to the police pound at the rear of the station after being notified that he was under arrest. The car was parked and locked by the officers because no tow trucks were available.

Fillingier was taken to the station and issued a ticket for reckless driving. He was released after posting bond of \$125, pending an appearance in Shores court.

Buys Agency

THOMAS J. RONEY of Fisher road, has purchased the Stotts Murphy agency at 265 N. Gratiot avenue, in Mount Clemens.

Formerly associated with Frank Adam Lincoln Mercury, Roney Motors, Roseville and Roney Motors, Detroit, Mr. Roney has renamed the new agency Tom Roney, Inc., agency for Lincoln Continental, Mercury, Comet and English Ford Automobiles.

To maintain the high standard of service this agency is noted for, Mr. Roney will retain the present staff of employees. The new agency located minutes away from the Pointes, is the sole factory-authorized sales, service and parts outlet for the English Ford Lines in the east side of Detroit including Grosse Pointe.

Wyandotte Bears Defeat Blue Devil Five by 80-61

By Jim Blackburn

The Wyandotte Bears displayed a devastating offense and walloped the Grosse Pointe Blue Devils 80-61 in a one-sided basketball game Friday night at Wyandotte.

The home team held a 70-30 lead at the end of three quarters when the Devils scored 31 points against the Wyandotte substitutes to make the score respectable. In that fourth quarter Mike Conti scored 12 points and while these were his only scores of the game he led the Devils' scoring. He was the only Devil in double figures. The Bears were led by Larry Gudith with 18 points, Jim Cecil with 16, and Jeff Garrison and Jim Feldkamp with 14 each.

The Bears never trailed in the game, jumping off to a 6-1 lead in the opening minutes. In the first quarter, leading 18-10, the Bears scored eight straight points, and at the end of the first quarter the score was 26-11. Another string of 10 straight took the score from 26-14 to 36-14, and at the half the gap was 44-25. In the third quarter, with the score 53-30, the home team ripped off 17 straight points to put the game out of reach.

In the opening moments of the final quarter the Devils outscored their opponents 14-1. Conti, a sophomore guard, had 10 of these and Brian Davis, a junior forward, had four. Then with the score 80-52, Davis (3), Chuck Bruce (2), Jim Nevergold (2), and Tom Decker (2) scored the last nine points of the game.

The Grosse Pointe High School basketball team travelled to Livonia Bentley High School to play in the annual Northwest Suburban Invitational basketball tournament over the weekend of December 27, 28, and 30. Of the three games the Blue Devils won only one, but the team which beat Farmington and lost to Bentley and Southfield was a better one than their two win, five lost record indicated.

Against Farmington, the Devils were paced by 27 points from senior guard Mike Bielawski. Fifteen of these came in the third quarter when the Devils scored 20 points.

With the Devils behind by only two points, 20-18, in the second quarter Farmington put on a spurt which carried them to a 31-22 halftime lead. In the third quarter the Devils closed the gap to three points 45-42, and then Rod Luzi scored on a lay-up to make the score 47-47. The Devils went on to score four more points, two by Luzi and two by John Reynolds to

cap a surge of nine straight points and take a 51-47 lead. Farmington climbed to within three points 55-52, but when Bielawski sank three free throws to make it 58-52 the game was out of reach. The final score was Grosse Pointe 80, Farmington 61.

Against Bentley the Devils lost a close one 51-48. Fouls made the difference in the game. Jim Nevergold, Mike Conti, and Bob Miller all fouled out in the fourth quarter. In addition, while both teams had 16 field goals, the Devils were outscored at the free throw line 19-16. Of the Devil's 16 field goals, 12 belonged to Rod Luzi who led both teams with 29 points.

In this low scoring contest the score was only 10-4 Bentley at the end of the first quarter. But Conti and Luzi each scored on lay-ups to close the gap as the second quarter opened and later on Jeff VonSchwarz scored on a three-point play (fouled while scoring). The Devils took a 21-19 lead and led at halftime 22-21. In the third quarter the Devils led by as much as four points, 29-25, but Bentley put on a spurt which carried them to a 38-33 lead at the end of three quarters.

The host team withstood a determined Devil charge in the final quarter and held on to win.

The Southfield game was a thriller, with Pete McAlpine's free throw with 12 seconds left spelling defeat for the Devils 66-65. The game was a close one all the way, stages by as much as six points, but at halftime by only one, 31-30. In the third quarter, behind 35-34, the Devils scored 10 straight points, six by Rod Luzi, to take a nine point lead. Southfield closed the gap to 51-46 at the end of the third quarter.

But in the last quarter, with the Devils ahead 56-50, Southfield scored nine straight points and eventually went ahead 65-60. A jump shot by Mike Conti, two free throws by Greg Martin and one by Luzi tied the game 65-65. Then McAlpine's free throw put Southfield ahead and Luzi's jump shot at the buzzer bounced off the rim.

Devils Beaten By East Detroit

By Jim Blackburn

Rod Luzi scored 27 points, but it wasn't enough, and the Grosse Pointe High School basketball team dropped their fourth game, having won only one, to East Detroit Friday night, December 20, 75-57.

At halftime, with the Blue Devils trailing 38-23, Luzi had already accounted for 16 points, and of the Devils' first 30 points, 21 belonged to the senior forward. A more balanced attack on the part of the Shamrocks proved the difference. Dick Williamson scored 20 points and Glen Bradt 14 for the visitors.

After falling behind 17-10 at the end of the first quarter, the Devils trailed 28-14 in the second period. Then they climbed to within 9 on three points by Luzi and two by Brian Davis. With the score 32-23 the Shamrocks scored six straight points, increasing their lead to 15 points.

As the second half opened the Devils scored seven straight points, five by Luzi and two by sophomore Bob Miller. This surge cut the lead to 8 points, but by the end of the quarter the difference was 13 points.

Plan Ski Trip For Teenagers

Following an astoundingly well patronized and successful first ski trip last week to Mount Grampan, the new Ski Hi club for teenagers sponsored by the Grosse Pointe War Memorial and the Neighborhood Club is planning another all-day ski trip to Mount Grampan this Saturday, January 11, from 8:30 a.m. to 6 p.m.

Hoping to match the 210-member group which gathered to go to Brighton the Grampan trip will offer much the same set-up but at slightly lower fees. Those signing up will be asked to pay \$2 for bus transportation, \$1 for towels, \$1 for lessons and \$1 for equipment rental. An 80 cent fee for insurance is also required. This means that for those who know how to ski and have their equipment, the day will cost \$3.80. For those having to rent equipment and take lessons, the day will cost \$5.80. Paid reservations must be in at the Center today.

LICENSE PLATE STOLEN
Virginia Netschke of 686 Neff road reported to City police January 5 at 8:55 p.m. that while her car was parked in the driveway, someone stole the rear license plate.

Center Ski Club Plans Two Trips

The Grosse Pointe War Memorial Adult Ski Club this Saturday, January 11, will make an all-day pilgrimage to Alpine.

Members and guests are invited to go to the Center, 32 Lake Shore, at 8:30 a.m. for a hearty ham, egg and sweet roll breakfast, after which they will board a chartered bus for the slopes. There they will ski until 4:30 and return to the Center by 6 p.m. in time for evening engagements.

All of those who have been participating in the Center's free ski school taught by Rex and Edward Clavola are encouraged to come to this trip and try their wings on the runs. Group lessons will be available at Alpine. The cost of this trip is \$3 for members, \$3.50 for guests. Tow fees and lessons will be up to the individual. Paid reservations should be made at the Center immediately.

The following week the Grosse Pointe Ski Club is planning a trip to Boyne Mountain and Boyne Highlands. The group will leave the Center promptly at 6 p.m., Friday, January 17. Everyone will be given a hot box supper and will board a chartered bus to take them to Charlevoix where they will stay at wonderful Weatherlane Lodge.

The bus transportation, lodging for two nights, meals and all tow and lift charges will be included for \$40 for members and \$43 for guests. Saturday, they will ski at Boyne Highlands and Sunday at Boyne Mountain.

The bus will return the group to the Center by midnight, Sunday evening, January 19. Paid reservations for this weekend must also be made at the Center immediately.

CUTS RIGHT HAND
Diane Kampfer, 16, of 461 Calvin, babysitting at 412 Touraine, tripped over a kitchen chair and fell through a kitchen window, cutting her right hand. She was conveyed to Bon Secours Hospital by Farms police, where she was given a tetanus shot and released. No stitches were needed. The accident occurred on Saturday, January 4.

Babe Ruth Loop Launches Drive

Plans are now being formulated by the Board of Governors of the Woods-Shore Babe Ruth League to launch their registration drive for boys who wish to participate in the 1964 Baseball Program.

All boys who are permanent residents of either Grosse Pointe Woods or Shores at the time of registration and between the ages of thirteen (13) and fifteen (15) years are invited to join. The exact dates of registration will be announced in this newspaper and also at your local school.

A letter has been mailed to all eligible boys who played last year and to those boys who have completed their service in the Woods-Shore Little League Program, asking if they plan to return or join in the 1964 Campaign. This is to assist the Board of Governors in knowing approximately how many boys will be participating in 1964.

All parents are urged to have their sons complete this form and return it as quickly as possible in order to insure a greater participation for all boys in this years program.

It takes lots of horse sense to maintain a stable government.

Bus Fare Hike Justified

Opposed as we are to anything in the line of price increases, we must admit that the Lake Shore Coach Lines, Inc., has some very valid arguments in asking the Michigan Public Service Commission to approve a rate adjustment proposal that would increase some of the fares which the local bus company charges for the fine service it provides this community.

It is the first rate hike the carrier has asked since September 1959. The drivers and mechanics have not had a raise since that time and are admittedly entitled to compensation that would come closer to that paid by other lines operating in the Detroit Metropolitan area.

Lake Shore drivers get \$2.20 per hour and the mechanics draw \$2.42. Metropolitan Transit pays its drivers \$2.35 and its mechanics \$2.65 per hour. Great Lakes Transit Corporation pays drivers \$2.59 per hour. Metropolitan Transit's earnings per mile are reported as 56 cents. Great Lakes Transit earnings are listed at 65 cents per hour. Lake Shore says its earnings are 42½ cents per mile.

Continuing the comparisons, Great Lakes Transit has a top fare of 70 cents, for the 28 miles from Downtown to Pontiac. Metropolitan Transit's top fare is the 50 cents it charges on three runs of 18.1 miles, 23.5 miles and 20.1 miles respectively. Lake Shore's top rate is now 35 cents for its longest run of 25.4 miles. It is asking that this fare be raised but a dime, to a top of 45 cents.

Of great importance is the fact that Lake Shore wants no increase in fares for purely local runs, nor in the rates for school children.

Walter Schweikart, president of the petitioning bus company, has built up and maintained a reputation for laying his cards on the table whenever the public is effected by any changes which Lake Shore proposes. He has taken intense pride in the service his carrier has provided. During the last five years the bus miles operated by his equipment have varied between 2,030,150 and 1,972,993, which is a pretty fair indication that there has been no curtailment in service to the public. The newest buses, and there have been 27 since the last rate adjustment in 1959, have a greater seating capacity, which means more accommodations for the bus-riders.

We can't recall a single gripe being piped our way about the Lake Shore Coach Lines in far longer than the four plus years since the last rate boost went into effect. And when there are gripes we are usually the first to hear them. We have given the figures a fairly thorough going over and we share Mr. Schweikart's belief that the Public Service Commission will approve the adjustment. We trust the customers will not be too upset. They have been enjoying a considerable bargain in transportation for a long time.

What Goes On at Your Library

By Virginia Leonard

Have you noticed a new face or two on our Library Staff? We have two additional professional assistants — one at the Central Library and one at the Woods Branch. And yet, neither is "new" in the strictest sense of the word.

Joan Krausmann Gippich was a familiar figure at the Central Library back in 1952, when she worked as a clerk on the Circulation Staff. At that time, she held an A.B. degree from Marygrove, but five years later the lure of the Library Profession was too strong, and she left us to attend the Library School of Indiana University.

In 1959, with a brand new Master's Degree in Library Science tucked under her arm, she took a job with the Chrysler Engineering Library. In 1961-62 she transferred to the Defense Research Laboratory Library of the General Motors Corporation; later in the year she again switched to the Manufacturing Development Library in the Tech Center where she stayed until November, 1963.

At this point, Cupid had a hand in the proceedings, and Joan Krausmann became Mrs. Louis A. Gippich, wife of the District Manager of the Circulation Department of the Detroit News. After a Nassau honeymoon, Joan was welcomed back to the fold by the Grosse Pointe Library. If you want to renew an old acquaintance or make a friend, you can find her at the Woods Branch as a Professional Assistant. And she told me, confidentially, that she's really very happy to be back!

Mrs. Ada Booth, Central's most recent member of the Professional Staff, hails from North Carolina, receiving her A.B. Degree from Salem College at Winston-Salem. She added a B.S. in L.S. at Simmons, and then became Assistant Librarian at Meredith College in Raleigh, North Carolina. Ada's next stop was the University of Michigan where she eventually added a third degree (no pun intended!)—an A.M.L.S.

Safe Driver Award Given to John Kerby

The Wayne County Road Commission has presented Safe Driver awards to 15 employees, including John Kerby of 189 Lakeview road.

The awards were made to employees who have avoided a chargeable accident during working hours for 10 and 20 year periods.

Commission Chairman William E. Kreger told the men receiving awards, "We are proud of the records set by you men. You have saved the county thousands of dollars with these records."

The twenty year safe drivers received portable radios and the ten year safe drivers received wrist watches. The drivers compiled their records while driving an estimated combined mileage of nearly 3,000,000 miles.

Kerby was a 10-year award winner.

Following this, she worked in the General Library for a year and in the Clements Library for three years.

Once again we must make way for Dan Cupid. Ada met Bob (now Dr. Robert Booth, Associate Professor of Library Science at Wayne State University) in Library School, and they were married in 1944.

From 1946 to 1961, Ada took "time out" from Library endeavors to produce and raise two daughters, Meg and Ellen (aged 15 and 17 respectively). In 1961, the Grosse Pointe Public Library was fortunate enough to acquire her services in November 1963 as a full-time Professional Assistant.

We've been a little slow in giving these two girls a warm and welcoming hand in our Column, but they seem to have borne our seeming negligence with patience.

With the pressure of holiday activities, we have thus far not had an opportunity to mourn the loss of one of the best friends the Grosse Pointe Public Library ever had. We should like to pay tribute to Mrs. Marcelline Hemingway Sanford, well-known author and lecturer, and sister of the late Ernest Hemingway. Her book, *AT THE HEMINGWAYS*, which appeared in 1962, described family life with the Hemingways at the turn of the century. Our Library is proud to have, in addition to its regular circulating volumes, a copy of this, autographed, in its Local Authors' Collection in the Friends Room.

We all knew Mrs. Sanford. Her interest in our Libraries was boundless. At the time of her death, she was a member of the Board of Directors of the Friends of the Grosse Pointe Public Library, an organization in which she had always been most active. We will all miss her. As John Donne has said: "... any man's death diminishes me, because I am involved in mankind." To this extent, we become the poorer without her.

Will TV commercials be as dull in 1964? Who will the Republican party settle for? Will Liz marry Richard? There aren't any final answers yet to these questions. But, speaking for the Hill, we can say it will do much to cheer and serve you through 1964. And, from where we sit, it looks like an interesting year.

Back in "snow country" are the William H. Bundesens, of Lincoln road, who met their daughters, sons-in-law and grandchildren at the Bahamas Country Club, Nassau.

Arriving from the far north, (Newfoundland), were Captain and Mrs. Richard A. Stevenson, with Kimberly Ann and Richard A. Stevenson, Jr. The Stevensons — Mrs. S. is the former Ana Bundesen—already have been snowed in once this season, seven feet of solid white keeping them housebound for three days.

From Chicago came the Curtis A. Cormiers and son, David. The former Lilian Bundesen told her parents temperatures in the Windy City averaged 15 below zero when the Cormier family took off for their holiday under the southern sun.

The Bundesens, Stevensons and Cormiers celebrated Christmas and New Year's in the Bahamas, golfing and swimming while their northern neighbors plowed through snowdrifts.

Bliss will travel alone for several months, plans a reunion with ex-roommates from Miss Porter's School, Farmington, Conn., followed by more months of companionable travel before returning to the States in late August.

Their daughter's departure climaxes a busy period for the Caulkinses, who moved to a new address, Newberry place, in time for Christmas.

Judith Skae Weds Martin O'Brien, Jr.

Reception in Moross Road Home of Bride's Aunt And Uncle, Mr. and Mrs. James J. Phelan, Jr. Follows Saturday Ceremony

Heirloom lace belonging to her great-grandmother, Mrs. Frederick W. Hodges, trimmed the illusion veil worn by Judith Skae for her wedding Saturday in St. Paul's on the Lakeshore to Martin James O'Brien, Jr.

The bride, daughter of Mr. and Mrs. Edward Askin Skae, of Preston place, chose a wedding dress of white peau de soie with a portrait neckline and short sleeves outlined in heirloom lace.

Her full skirt ended in a cathedral train, and her court length veil was fashioned of bridal illusion. She carried a cluster of white butterfly orchids and stephanotis.

Anne B. Skae was her sister's maid of honor, in a long Shell pink satin dress with a portrait neckline and short sleeves. Her bell-shaped skirt featured panels, lined in Holiday pink, falling from tiny bows at the waistline to the floor.

The bridesmaids, wearing long Holiday pink satin dresses, identical to that of the honor attendant but with panels lined in Shell pink, were Susan Skae, Jane Ecclestone, Anne Ford, Suzanne Mitchell and Maureen O'Brien, sister of the bridegroom.

Their headpieces were fea-

tured hatlets in two-tone pink, and their flowers were red and white carnations.

J. Michael O'Brien served as his brother's best man. They are the sons of Mr. and Mrs. Martin James O'Brien, of Cleveland, O.

Ushering were Charles F. Sarkis, Raymond T. O'Keefe, Albert N. Farah, Rudrick G. Otto, Peter J. Fisher, Edward A. Skae, Jr. and John D. Skae, brothers of the bride.

For her daughter's wedding, Mrs. Skae chose a spruce green princess line Matlasse dress with matching shoes and hat. The bridegroom's mother wore a Colonial blue gown with matching hat. Both mothers wore white orchids.

A reception in the Moross road home of the bride's uncle and aunt, Mr. and Mrs. James J. Phelan, Jr., followed the morning ceremony.

After a wedding trip in the East, the couple will reside temporarily in Bayonne, N.J.

Alice Riddle Bride of Frederick E. Metry

Trip to Las Vegas and Scottsdale, Arizona, Follows Saturday Afternoon Ceremony in St. George Orthodox Church

Wearing a full skirted Bianchi gown of ivory satin, Alice Riddle, of South Renaud road, daughter of Mr. and Mrs. H. H. Riddle, of Pittsburgh, Pa., spoke her marriage vows to Frederick E. Metry in a Saturday afternoon ceremony at St. George Orthodox Church in East Grand boulevard.

He is the son of Mr. and Mrs. Salem J. Metry, of Buckingham road.

The bride's gown was fashioned with a beaded waistline, scoop neck and chapel train. Her shoulder length illusion veil fell from a white satin beaded bow. She carried a bouquet of white roses with stephanotis.

Maid of honor Patricia Laudino and bridesmaids Mary Ann Karp, of Jackson, Mrs. Gilbert E. Metry, sister-in-law of the bridegroom, and Mary Kay Rogers, of Lansing, wore floor length sheaths of gold peau de soie.

Their headpieces were veiled

gold bands, and they carried white poinsettias with Christmas greens.

Gilbert E. Metry served as his brother's best man. Ushering were Herbert Abrash, David T. Hunter, Terence Lynch, Robert D. Law and Samuel T. Sanom.

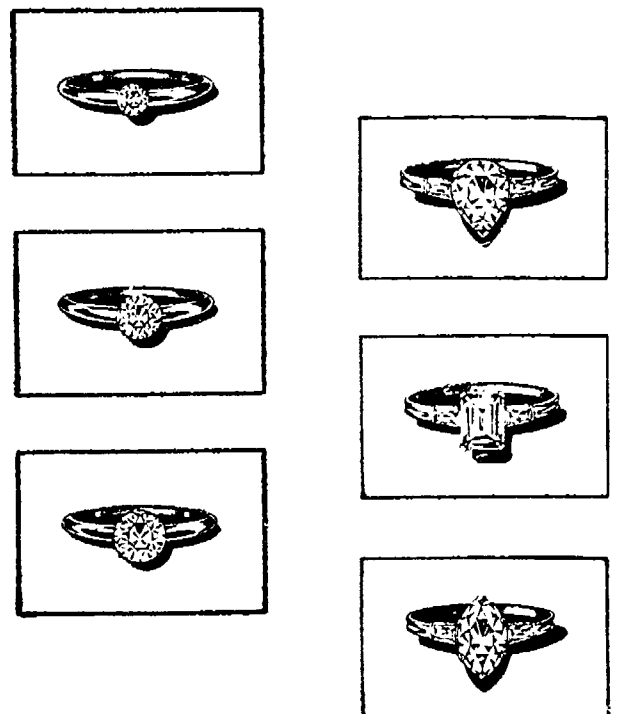

Mrs. Riddle and Mrs. Metry both chose brocade gowns, the mother of the bride wearing dusty gold, the mother of the bridegroom wearing red. Their flowers were white orchids.

Following a reception at the Essex Golf and Country Club, Windsor, the couple left for Las Vegas and Scottsdale, Ariz. They will make their home in Wavene street, Detroit.

Betsey Hammond Married In East

Daughter of Former Pointers Mr. and Mrs. John Smith Hammond, II, Weds Lieutenant (j.g.) Stephen Chapman Crooks in Germantown, Pa.

In the Unitarian Church of Germantown, Philadelphia, Pa. Betsey Jane Hammond and Lieutenant (j.g.) Stephen Chapman Crooks, USN, spoke their marriage vows last Saturday.

The couple will live in Newport, R.I., where Lt. Crooks, a graduate of the United States Naval Academy and the son of Mr. and Mrs. George Chapman Crooks, of Burlington, Vt., is attending the U.S. Navy Destroyer School.

The bride's parents, Mr. and Mrs. John Smith Hammond, II, formerly of Cambridge road, hosted a reception in their Meadowbrook, Pa., home following the afternoon ceremony.

The bride's gown was fashioned of antique white peau de soie with a fitted bodice, scoop neckline and bell shaped skirt. Her family heirloom Rosepointe lace cap and silk veil had been worn by her grandmother, mother and sister.

Her flowers were a cascade bouquet of bridal roses, carnations and English holly.

Mrs. Robert L. Filene, of Cambridge, Mass., the matron of honor, wore a red velvet gown similar in design to that of the bride. She carried white pom pom chrysanthemums and holly. Bridesmaid Mrs. Austin

Plunkett of Cambridge, Mass., sister of the bridegroom, wore an identical gown and carried matching flowers.

John Smith Hammond, III, of Los Angeles, Cal., brother of the bride, was best man, and ushers included Austin Pickard Platt and Norman Sopenuk, of Bethesda, Md., brother-in-law of the bride.

The bride's mother chose a dress of camellia pink Venetian lace with matching accessories and a corsage of pink camellias. Mrs. Crooks was in champagne brocade, with green accessories and white camellias.

For traveling to the Pocono Mountains, the new Mrs. Crooks wore a white mohair dress in the Empire style, topped by a scarlet tweed coat and matching accessories.

Youth Council Holding Dance

The Grosse Pointe War Memorial's Youth Council for teenagers in grades 9 to 12 in Grosse Pointe's public, private and parochial schools is scheduling the first dance of the New Year on Saturday, January 18, from 8:30 to 11:30 p.m. in Alger House of the Grosse Pointe War Memorial.

The members will make use of the new record player and public address set-up so generously donated by Dr. Robert Clarke, as the dance will be a record hop. The charge of \$1.50 per couple includes refreshments and entertainment for the evening.

The Youth Council in addition to planning these dances for the teen population of Grosse Pointe has recently set quite a record of community services at the Center. It was they who staged the Christmas Tree Lighting Ceremony and Program and who carried much of the burden of the New Resident's Reception given this past Sunday at the Center where they acted as car parkers, waitresses, check room attendants and ushers.

The 125 members of the Youth Council are chosen from the various high and prep schools of Grosse Pointe on the basis of academic standing, leadership and demonstrated interest in their community.

J. C. Holley, Jr. To Claim Bride

Mr. and Mrs. John N. Watt, Lake Placid Club, N.Y., have announced the engagement of their daughter, Patricia Ann Watt, to John Corliss Holley, Jr., son of Mr. and Mrs. John C. Holley, of Provencal road and Lake Placid, N.Y.

The bride-elect, who was graduated from the Northfield, Mass., School for Girls, is a student at Middlebury College, Middlebury, Vt. She is a member of Kappa Kappa Gamma.

Her fiancé, a graduate of the Holderness School, is also a student at Middlebury College, where he is a member of Delta Kappa Epsilon.

An August wedding is planned.

Newlywed Naglers To Live In Lansing

Carol Anne Krutz Weds Kenneth Erick Nagler
Saturday Afternoon in Grosse Pointe Church;
Reception Follows in Church Parlour

At home in East Lansing after a weekend wedding trip are Mr. and Mrs. Kenneth Eric Nagler, who were married Saturday afternoon in Grosse Pointe Methodist Church.

The Reverend James D. Nixon officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Fred Harry Krutz, of Ridgemont road, and Mr. and Mrs. Charles Nagler, of Harstdale, N.Y.

The bride, the former Carol Anne Krutz, wore a floor length gown of lusterless satin with a belled skirt and lace overjacket.

A crown of crystal beads caught her illusion veil, and she carried a Colonial bouquet of white roses.

Nancy Krutz, sister of the bride, served as maid of honor, and the bridesmaids were Mary Ann Chylinski and Dayl Nagler, sister of the bridegroom. They wore full length gowns of Copen blue velvet with matching headpieces, and carried nosegays fashioned of pink carnations and sweetheart roses.

Alon Lang was Mr. Nagler's best man. Ushers included

John Jay, William Adlhoeh and Mike Nash.

For her daughter's wedding and the reception in the Church Parlour, Mrs. Krutz chose a light bone dress with a lace top and chiffon skirt, a pink hat, bone accessories and pink camellias.

Mrs. Nagler wore a powder blue wool suit. Her flowers were pink carnations.

The new Mrs. Nagler was wearing a light blue wool suit with a mink collar when the couple left on their short wedding trip. Both are in their senior year at Michigan State University.

May Bride

At a holiday open house for the immediate family, the engagement of BARBARA ANN CARNAGHI to Joseph W. Shurmur was announced.

The bride-elect is the daughter of Mr. and Mrs. Raymond Carnaghi, of Cadieux road. Her fiancé is the son of Mr. and Mrs. Leonard Shurmur, of Wyandotte.

Miss Carnaghi was recently graduated from St. Joseph Mercy School of Nursing, Detroit. Mr. Shurmur, a graduate of Albion College, presently attends the University of Michigan Medical School.

A May 30 wedding is planned.

MR. and MRS. B. COURTNEY RANKIN, of Ridge road, visited his parents, Mr. and Mrs. Edgar V. Rankin, of Milton, Mass., during Christmas week.

Crowded Month On LWV Agenda

Members of the Grosse Pointe League of Women Voters will start the new year with a full schedule. On Wednesday, January 8, the board met at 9:30 o'clock in the Grosse Pointe War Memorial Center.

Mrs. Howard Hush will be hostess to Unit Leaders for a briefing meeting at 10 o'clock on Monday, January 13, at her home, 2063 Allard road.

Mrs. Hush is chairman of the unit for the study and evaluation of home rule for Wayne County, (Local Item 1). The study of local government by league members will, we hope, promote flexible solutions for metropolitan problems. Unit meetings to study this subject will be held as follows:

Monday, January 20, 1 o'clock, at 294 Ridgemont road. Hostess, Mrs. Eugene Sloane; leader, Mrs. Hamilton Stillade.

Tuesday, January 21, 8 o'clock, at 25 Radnor circle. Hostess, Mrs. Delmar Robertson; leader, Mrs. Carl Fischer.

Wednesday, January 22, 1 o'clock, at 1073 South Brys drive. Hostess, Mrs. Henry Evjen; leader, Mrs. David Teague.

Monday, January 27, 9:30 o'clock, at 945 Lakepointe avenue. Hostess, Mrs. J. Robert Jessup; leader, Mrs. William H. Kessler.

During the last week of the month there will be a series of morning coffees to honor new League members. Names of hostesses with dates and hours will be announced later.

Yesterday, Mrs. Roy D. Chapin, Jr. of Country Club drive, with whom Mrs. Fleming made her headquarters during a two-day Pointe visit, invited friends whose children are of an age to participate in the School's programs to meet the director and view a new color film of the Montagnola campus.

Ready For A Reminiscent Evening . . .

. . . of dancing, (the "old-fashioned" kind, where partners dance WITH each other), refreshments, (peanuts, popcorn, potato chips, "okie-dokes," etc.), and relaxed fun, (contrary to popular opinion, relaxation and recreation are NOT mutually exclusive terms)?

This Saturday night, couples who remember-how-it-used-to-be will gather at the Grosse Pointe Yacht Club for a swinging, swaying celebration at Eastwood Gardens Lives Again!

Glenn Miller, Tommy Dorsey, Artie Shaw, Xavier Cugat, Bunny Berigan and many, many other name bands will play — via tape — in GPYC's grand ballroom.

Chairman of the party, which begins with 7 o'clock dinner, followed by dancing from 8:30 until 11:30, is Edward C. Roney, Jr. Committee members include Rear Commodore John W. Paynter, George M. Brooks, Thomas C. Fox, R. Fred Kolowich and James H. Quello.

Dinner For Two . . .

. . . is the start of many a romance, and if, a half-century later, two people still enjoy taking each other across a private table — well, that's love!

A case in point: Mr. and Mrs. William C. Coelius, of Bedford road, who celebrated their 54th wedding anniversary January 3, with an intimate dinner at the Village Manor.

Native Detroiters, the Coeluses have been Grosse Pointe residents since 1924.

Mr. and Mrs. Robert Charles Moore, of Manor avenue, announce the engagement of their daughter, IMELDA (MIMI) MOORE, to William Madden, Jr., son of Mr. and Mrs. William Madden, of Washington, D.C.

Miss Moore is a graduate of the University of Michigan. Her fiancé, a graduate of Holy Cross College in Massachusetts, is a senior in the University of Michigan Law School.

They plan a May wedding.

AAUW Groups Plan Meetings

The January scheduling of group meetings is already under way as the Grosse Pointe Branch of the American Association of University Women holds its first 1964 board meeting today, January 9, at 9:30 a.m.

The board meets at the home of Mrs. Robert Snyder, 1367 Balfour. Co-hostesses are Mrs. Urban Borech and Mrs. Roy Erickson.

Three study groups met this past week. The Art Appreciation group met at the home of Mrs. H. Sanborn Brown to hear Mrs. Harold Merrill's report on "Expressionism." The Painting group met at the home of Mrs. Lee Corless and the Creating Writing group met at the home of Mrs. Robert B. Clarke.

Enthusiastic over the response to its display of creche figures in the central library during December, the Ceramic group will begin some new projects on Thursday, January 8, at 7:30 p.m. at the home of Mrs. Ralph Kimble.

The Choral group meets on Monday, January 13, at 7:30 p.m. at the home of Mrs. Emil Dauch.

"Intermarriage of Ethnic and Religious Groups" will be discussed by Mrs. David Pethick and Mrs. James Kennary at the Social and Economic Issues meeting on Wednesday, January 15, at 8:15 p.m. Hostess for the group will be Mrs. John Grylls, 610 University.

Engaged

At a family dinner Christmas Eve, the engagement of KAY SUZANNE STIEGLER to Edward Villiers Morse was announced by her mother, Mrs. Elwood Arthur Stiegler, of Lakepointe road.

The bride-elect, who is also the daughter of the late Mr. Stiegler, was graduated from Grosse Pointe High School and is presently a member of the Honors College at Michigan State University, where she is affiliated with the International Cooperation Committee.

Mr. Morse was graduated from Cranbrook School and is now a student at Michigan State University. He is the son of Mr. and Mrs. E. Nelson Kimball, of Bloomfield Hills, and the late William Henry Morse. A late summer wedding is planned.

Square Dance Offered Free

For the third consecutive year an annual free Square Dance will be sponsored by the Council of Grosse Pointe Square Dance Clubs to introduce Square Dancing to interested couples. The prior dances filled the school gym with enthusiastic beginners many of whom are now enjoying dancing with local clubs.

The dance will be held at 8 p.m. Monday, January 20, at Brownell Jr. High School, 260 Chalfonte. The dance is open to the public and is free of charge.

The introductory dance is a means of getting persons interested in learning to square dance together for an evening of dancing. The calls will be at a basic level, and everyone will be able to participate after a few minutes of instruction by Wes Rea, a well known East Side square dance caller. Experienced dancers from various clubs will also be present to assist the newcomers through the basic dance patterns.

The Council of Grosse Pointe Square Dance Clubs consists of five square dance clubs: Promenaders, Starmarkers, Fun Shop Squares, Silver Spurs and Sets-in-Order. The Chairmen of the Council are Walter and Lorine Forester, 807 Pemberton, members of the Promenaders Square Dance Club.

For those couples interested in taking square dance lessons, the Council is sponsoring a series of beginners' lessons starting Monday, January 27, at Mason School, Vernier road, one block east of Mack avenue. The instructors for the lessons will be Wes and Julie Rea. Dancers who take the lessons and attain sufficient proficiency in square dancing will be able to join one or more of the five sponsoring Square Dance Clubs. For additional information call TU 4-2988.

Do your fair share as you travel through life — those who sponge wipe out many a friendship.

To Be Bride

Mr. and Mrs. Milton A. Paw-sat of Bishop road, announce the engagement of their daughter, JACQUELINE, to Stanley Pifer, son of Mr. and Mrs. Clyde Pifer, of Harbor Springs, Mich.

Miss Pawsat is a graduate of Ferris State College. Her fiancé attended Western Michigan University.

Harper History Goes on Sale

Slightly less than 100 years ago, in December, 1864, the Detroit Free Press reported: "Patriotic ladies of the city provided another splendid dinner for the soldiers at Harper Hospital."

Harper's Auxiliary ladies are carrying on this tradition of service to humanity today. At the first Auxiliary meeting of 1964, next Monday, January 13, Frank B. Woodford and Philip P. Mason, authors of a beautifully bound and illustrated hospital history, "Harper of Detroit," will autograph first edition copies of the Auxiliary-sponsored book.

The meeting, scheduled for 11 o'clock at the Women's City Club, will be followed by a subscription luncheon at 1 in the afternoon. George E. Cartmill will address the group, speaking on "External Control on Organization in Harper Hospital."

"Harper of Detroit," priced at \$7.95, has been described as "institutional history of the finest type."

It includes an unusually excellent portrayal of the early history of the city as well as the hospital, and may be obtained in the Brush street lobby of Harper or by writing to: Mrs. Clarence Page, 23275 Outwood, Southfield, Mich.

Mrs. Pag served as chairman of the committee working on this project, assisted by Mrs. Richard Werner, co-chairman, and Mrs. Sheldon Flynn, Mrs. Charles Gorey, Mrs. Edward Shumaker and Mrs. Francis Walsh.

Paray Returns To Symphony

Paul Paray, conductor emeritus of The Detroit Symphony Orchestra, returns to the podium of the Orchestra this Thursday, January 9, for a four-week concert series.

When Paray accepted the position of conductor emeritus, the Orchestra's board of directors invited him to return to conduct annually. Although many conductors have been asked back to direct orchestras it is believed that this is the first time a major American orchestra has extended such an invitation on a continuing basis.

Paray became permanent conductor and music director of The Detroit Symphony Orchestra in 1952, one year after its reorganization under the now celebrated "Detroit Plan." Paray had been one of several guest conductors of the re-formed Orchestra and had quickly proven himself a special favorite with the Orchestra's audiences.

During his tenure as conductor, the Orchestra promptly returned to the ranks of major symphonies in the United States, became the resident orchestra for the annual Worcester Festival and acquired an international reputation through its recordings for Mercury Records. A number of these recordings were hailed by critics as definitive performances, and two received the coveted Grand Prix du Disque.

Paray's program for the concert on Thursday and Saturday includes: Weber's Overture to "Euryanthe," Tchaikovsky's Symphony No. 6 ("Pathétique"), Prokofiev's "Classical" Symphony, Respighi's Fountains of Rome and Enesco's Rumanian Rhapsody No. 1.

While Paray is conducting The Detroit Symphony Orchestra, the Orchestra's new music director—Sixten Ehrling—is in Chicago serving as guest conductor of the Chicago Symphony Orchestra after which he will return to Sweden briefly to take part in the 50th anniversary celebration of the Stockholm Philharmonic Orchestra.

Miss Reik attended the University of Michigan, where she is affiliated with Alpha Gamma Delta, and is currently teaching in Long Beach, Cal.

Mr. Martinez, son of Mrs. Abel Sandoval, of Albuquerque, N.M., attended the University of New Mexico and makes his home in Long Beach.

The pair plan an August wedding.

Church Women Meet Jan. 14

The Women's Association of Grosse Pointe Memorial Church will open its 1964 program with the Annual Meeting on Tuesday, January 14. The day's activities will begin at 10 o'clock with a Communion Service in Barbour Chapel.

The Reverend Bertram deHous Atwood will install new officers of the Association and the Board members' annual reports will be presented.

Guest speaker will be Mrs. Donald E. Zimmerman of LaGrange, Ill., who is President of United Presbyterian Women in the U.S.A.

An extraordinary active church woman, Mrs. Zimmerman has served in many key areas, both in America and abroad. Born in China of missionary parents, she returned to the Orient in the forties to work in the mission field with her husband. Recently, she made a world-wide tour of United Presbyterian missions.

A graduate of Yen Ching University and the College of Wooster, Mrs. Zimmerman also holds a Master of Arts degree from Eden Theological Seminary. She is a past president of the Detroit Presbyterian Society and of the United Church Women in Webster Groves, Mo. All women interested in hearing Mrs. Zimmerman are cordially invited to this meeting. Reservations for child care at the church and for luncheon following the program may be made by calling the Church office (TU 5-3773) before noon of Friday, January 10.

To Your Health!

This is much more than a popular toast to your pharmacist. Like your physician, he is dedicated to a single major cause—to keep you well and healthy.

The "ounce of prevention" adage is all important in preventive medicine. Annual physical examinations and prompt diagnosis of illness enable your doctor to save you precious time and money.

More and more people recognize the wisdom of regular medical checkups. It is the best way to put that "ounce of prevention" to practical use.

If a prescription is necessary, we are prepared to give you immediate service.

Miss Craig Says Vows To Dr. Smith

Bride Wears Ivory Satin for Rites Friday, December 27, in Henderson Memorial Methodist Church; Reception at Lochmoor Follows Ceremony

The Rev. James A. Craig officiated at the evening ceremony Friday, December 27, when his sister, Jeanette Ruth Craig, exchanged marriage vows with Dr. Stuart Burnham Smith in Henderson Memorial Methodist Church.

The bride is the daughter of Mr. and Mrs. James Craig, of Detroit. Her husband's parents are Dr. and Mrs. Stanley Lawson Smith, of Sunningdale drive.

For her wedding, the bride chose a floor length gown of ivory satin with a jewel neckline, long sleeves and Empire bodice. A Camellia headpiece in matching satin held her pure silk ivory illusion veil, and she carried white poinsettias.

Maid of honor Caroline E. Paklaian and bridesmaid Mrs. William F. Huettner, sister of the bridegroom, wore full length dresses with sapphire green velvet Empire bodices and matching peau de soie sheath skirts.

John Vail Campbell was Dr. Smith's best man, and ushers included Richard Lee Spindle, F. James Clatworthy and Robert A. Hackathorn, Jr.

Mrs. Craig greeted guests at the reception in the Lochmoor Country Club following the ceremony, wearing a soft gold peau de soie sheath. Mrs. Smith chose a sheath of willow green peau de soie with a lace bodice. Both mothers pinned orchids to their purses.

After a wedding trip to San Francisco, the newlyweds are making their home in Mill Valley, Cal.

START THE NEW YEAR OFF RIGHT WITH A NEW HOME

Room enough for everyone and everything and a real sense of pride in your home.

785 BEDFORD — Nearly new, custom built Colonial in Windmill Pointe area. 3 bedrooms, 2½ baths and a lovely Den. Carpeting only 3 months old.

850 N. BRYD DRIVE — A Superb Ranch in Superb condition. Lovely large library, attached garage and many additional features which will give you a great deal of comfort and pride.

1585 HAMPTON — 2 or 3 bedroom Colonial with good recreation room. Nicely decorated with new draperies and carpets.

115 HANDY — 2 bedroom and bath down, large bedroom, bath and expansion area up. Central Farms location, close to school and shopping.

412 LEXINGTON — Lovely 3 bedroom, 2 bath home with 17x24 family room featuring a raised hearth, a cheerful atmosphere and a lovely view of the yard.

521 MIDDLESEX — Executive's residence in Windmill Pointe section. 4 bedrooms, 3 baths with excellent carpeting, beautiful garden and many other desirable features.

561 PEACH TREE — Designed for comfort, enjoyment and efficiency. Perfect 4 bedroom, 2½ bath, ideal center entrance Colonial. Kitchen complete with built-ins.

58 PUTNAM — Outstanding Trilevel with family room, utility room, 4 bedrooms, 2 baths and 2 half baths, dishwasher, disposal, carpeting, drapes, alum storms and screens.

428 RIVARD — Lovely 3½ bath, 4 bedroom Colonial with all the luxuries of an older home. Lots of fireplaces, plenty of space, and an address you can be proud of.

611 ROSLYN — Why Build? Just like new, attractive, roomy Ranch with 3 bedrooms, 1½ baths, in excellent condition. Close to Lake Shore.

516 THORN TREE — A dream house. Really deluxe 4 bedroom 2½ bath. Walter Mast Colonial with family room, deluxe kitchen and utility room.

705 WASHINGTON — Dutch Colonial with 3 bedrooms, Den, large kitchen with antiques, wood cabinets and a separate breakfast room. Lovely carpeting throughout.

986 WESTCHESTER — An English dream. 3 full-sized bedrooms, surken-walled garden, patio, close to schools, churches and buses.

WITH ALL DUE respect to the other home owners in this neighborhood, we believe this center hall colonial on Roslyn Road is one of the better homes on the street. Situated on a wide and deep lot which affords plenty of privacy and play area, the three bedroom house also boasts a first floor lavatory and paneled den. Just \$24,900.

ONE OF A KIND offered in today's market. A town house with enormous room dimensions. Three bedrooms and two baths on the second floor, couple more bedrooms and a bath on the third. Double garage, and just enough yard. Let the association take care of your exterior maintenance and yard.

Center Staging Cruise Evening

The Grosse Pointe War Memorial's International Evenings will get off to a flying start in '64 with a Mediterranean Cruise scheduled for Friday, January 17, at 7 o'clock in the Crystal Ballroom.

The Center's caterer, Helen Blair, is concocting a mouth-watering ship-board buffet guaranteed to make even the most confirmed stay-at-home turn out. Featured on the menu will be such interesting items as stuffed grape leaves, ocean fish flaminco, marinated beef with wine and sour cream sauce, rice pilaf, and Mediterranean vegetables such as zucchini squash and Italian beans.

Following dinner, entertainment in the little theater will feature a band from Yugoslavia playing native instruments. Then there will be films of the sun-washed Mediterranean to take everyone away from the snow and ice scenes of Michigan.

Bud Day of Glynn Travel will as usual MC the program and will be giving final details on the Center's Castle Tour of Europe scheduled for this summer. Those who have been participating in the International Evenings and who wish to take part in this unusual tour will be asked to sign up at this time. The trip is designed to accommodate a maximum of 30 people only since many of the chateaux, Schlosses, and country estates can only house this number.

Paid reservations for this Mediterranean Cruise including both buffet and program for \$4 per person are requested at the Center no later than January 15.

High School Girls Feted At Luncheon

Sandra Cady and eight of her Grosse Pointe High school classmates, were guests at a special holiday luncheon, Monday, December 22, at the home of her aunt, Mrs. James G. Knight, of Indian Village Manor.

Enjoying the festivities with guest-of-honor Miss Cady were Grosse Pointes Suzanne Conner, Katherine Atkinson and Carole Wetering. From Harper Woods, guests included Rosemary Disler, Pamela Amorelli, Sharon Giza, Bonnie Burton, and Linda Larsen.

Adding to the gaiety of the luncheon, set in bright Christmas decor, was an animated four-foot Santa Claus. Complementing the jolly Santa, but given away as a prize was a lifelike toy barking-dog in a basket.

Suburban Women Golfers Set Mid-Winter Luncheon

The Suburban Women Golfers are holding their annual mid-winter luncheon at the Grosse Pointe Hunt Club, January 29.

At the last luncheon held in the fall, new officers were elected. They are: president of the Nine Hole Group, Mrs. John H. Brabb, Jr.; president of the Eighteen Hole Group, Mrs. George B. Wilson.

For reservations for the luncheon, call Mrs. Jack Billington, VA 3-1140 for the Eighteen Hole For the Nine Hole Group, call Mrs. Roy Ulbrich, TU 4-2792.

Myrna Denham To Wed Stuart W. Porter

Mr. and Mrs. Cecil Denham, of Saskatchewan, Canada, announce the engagement of their daughter, Myrna, of Chicago, Ill., to Stuart W. Porter, son of Mrs. Albert J. Towar, of Littlestone road, and the late Stuart Porter.

The bride-elect is a hostess with United Airlines. Her fiancée, a University of Michigan graduate, is studying for an advanced degree at the University of Chicago, and works for U.S. Gypsum in Chicago.

An early summer wedding is planned.

Josiah Harmar DAR To Have Luncheon

The General Josiah Harmar chapter of the D.A.R. will have a membership luncheon at the home of Miss Florence and Miss Ruth Pendell, 80 Girdle Street, on Saturday, January 18 at 12:30 o'clock.

A speaker from the International Institute will discuss Americanism.

Good Literature Board Convenes

The December meeting of the Executive Board of the Grosse Pointe Council of Better Literature for Youth was held at the home of Mrs. Jacob F. Wenzel in Cloverly road.

Dessert and coffee were served and a special holiday program was presented. Mrs. Carl Nolte gave an inspiring reading of an old Christmas legend, and Mrs. Mark Edgar recited a poignant Christmas poem that she has been reciting through the years to her children and grandchildren.

Mrs. Riford Johnson, president, introduced a guest who represented a Grosse Pointe organization vitally concerned with the problems of youth and interested in promoting wholesome reading material, Mrs. John H. Brabb, Jr. from St. Clair of Montefalco Church.

Mrs. Richard Jones, director and coordinator of the Grosse Pointe Council has been invited to speak at the meeting of the Italian American Lawyers Association on January 9 at 8 p.m. at Hospitality House in Kercheval avenue.

She is a junior at Randolph Macon Woman's College, Lynchburg, Va.

Mr. Houston is the grandson of the late Mr. and Mrs. Charles Board Houston, of Warwick, N.Y., and the late Mr. and Mrs. Robert Vanderbilt Squires, of Brooklyn, N.Y. A graduate of Polytechnic Institute of Brooklyn, N.Y., he is doing graduate work at the University of Pennsylvania.

Many a self-made man would have been more successful if he had called in outside help.

DYC Members Greet New Year

Hundreds of Detroit Yacht Club members greeted the New Year at a gala dinner dance, starting at 9:30 o'clock in the Yacht Club ballroom. Continuous music by Don Pablo's Orchestra plus a trio of strolling musicians kept toes tapping long into the early hours.

Imaginative decorations of silver, white and blue gave party-goers the impression they were dancing under the Northern Light. Favors, noisemakers and balloons added to the festivities.

At midnight Commodore John Carter sounded eight bells and the party rolled. Starting at 2:30 in the morning breakfast was served in the Yacht Club Grill.

Ellis-Huminski Betrothal Told

The engagement of Judith Ann Huminski to John Douglas Ellis, Jr., was announced by her parents, Dr. and Mrs. Thaddeus S. Huminski, of Devonshire road, at a recent cocktail party.

The bride-elect, a graduate of the Academy of the Sacred Heart, Grosse Pointe, is currently in her senior year at Loretto Heights College, Loretto, Col.

Her fiancé, son of the John D. Ellises, of Shreveport, La., will be graduated in June from the Colorado School of Mines. He is affiliated with Alpha Phi Omega and was recently elected to "Who's Who in American Colleges and Universities."

Power Squadron Class to Start

The winter class in navigation, small boat handling, and safety at sea will begin at the Grosse Pointe High School Annex, Room B48 on Monday, January 13, at 7:30 p.m.

This free course sponsored by the Grosse Pointe Power Squadron, which will run for 14 Monday evenings, is for all men and women and junior adults.

Center to Show Films of India

Mrs. Robert and Marjory McMillan of Wayne State and the University of Detroit faculties respectively will show their unusual films of India at the Grosse Pointe War Memorial's Fries Auditorium Monday evening, January 13, at 8 o'clock.

The Grosse Pointe public and their guests are cordially invited free of charge.

The film was made by the Goodmans during the year they both taught in India. The pictures do not follow the usual tourist routes from the Taj Mahal to the Ghat of the Ganges; rather they show how the people live in the rural areas of the many divergent parts of the sub-continent.

The effect of the caste system is shown. This in spite of the fact that it is supposed to have been outlawed. Also the primitive methods of farming are depicted which only now are beginning to be replaced with modern methods.

One can follow an Indian farm family from his fields to market, a pilgrimage which he makes weekly taking advantage of his visit to town by taking a bath and perhaps bringing home a vial of holy water from the Ganges.

Mrs. Ryckman To Host Louisa St. Clair DAR

Mrs. George F. Ryckman, of Rivard boulevard, will entertain the Americanism Committee of the Louisa St. Clair Chapter, Daughters of the American Revolution, Monday, January 13, at 12 o'clock noon.

Mrs. R. Frederick Shepherd and many other members from the Pointe will attend. The speaker will be Mrs. William Volker.

That wide-eyed, very young lady, symbol of "The Holiday Children" described in last week's Pointer of Interest, deserves to be identified. She is Sigrid Wormer—circa 1957. The delightful picture of Sigrid with Gi-Gi, her miniature French poodle, was discovered in NEWS files a few days before Christmas, our staff fell in love with it, and a quick call to Mrs. David G. Wormer brought an equally quick "O.K." to re-run the photograph. Sigrid is now 10 and Gi-Gi seven; the Wormer family has moved from Moran road to Merriweather in the intervening six years; but Christmas remains Christmas. Original occasion for the photo? Gi-Gi, aged one, had just become a mother for the first time, presenting the Wormers with three tiny puppies on December 1, and four-year-old Sigrid was ecstatic over these best-of-all Christmas presents.

Mrs. William A. Ternes, of Three Mile drive, dipped into a box and drew the winning name in Kopp Pharmacy's recent win-a-bottle-of-perfume-for-Christmas contest. The \$110 flask containing Jean D'Abret's "Eucoson" sparked under the tree in the Audubon road home of lucky Mrs. Charles Weiler.

Prize for this season's most fascinating indoor Christmas display goes to the Richard Dillowsays, of Huntington road, who refinished and refurbished a collection of paper mache animals against a canvas and wood-frame backdrop of mountain scenery. The tableau was conceived and executed by Mrs. Dillowsay's grandfather, Henry F. Rahe, in turn-of-the-century Cleveland, O., and remains a holiday tradition some 60 years after its first appearance.

Among our most faithful readers is Mrs. James D. Farley, of Buenos Aires, Argentina, who gets her copies six weeks after publication date but peruses the "stale" items avidly, in true transplanted Pointer tradition. The former Mary Kay Tracy, daughter of the Emmet E. Tracys, of Provençal road, and her husband always send a Family Picture Christmas card, so that their many friends north of the border can see how the growing Farley family looks in a tropical setting. The Farleys include a short resume of their year in the card, reporting momentous events . . . "Following what seems to have become an annual custom, a new addition, Kathryn Tracy Farley, joined our family in late September" . . . and describing day-to-day life . . . "Franny is already a very fastidious seniorita. At age three, she coordinates her own clothes, matching sweater-dress colors perfectly. Jimmy, 1½, is the strong, silent type. Being a boy, he loves to stomp in puddles, pound dogs' backs, etc." As this issue of the NEWS will reach Argentina in mid-February, Whoozit would like to take this opportunity to wish Mr. and Mrs. Farley a very happy Washington's Birthday!

After several months of persuasion, Aunt Agnes, a 92-year-old spinster, finally agreed to go to a rest home—but only on a two-week trial basis. She packed the basic essentials in a small overnight case and left for her "visit."

Several days later, Aunt Agnes telephoned her niece, demanding more clothes. "I want my lavender silk and my good blue print, and please bring my brown wool with the lace collar . . ."

Her astounded niece let Agnes run on for several minutes before attempting a brief interpolation. "But we thought you were only going to stay two weeks."

"Nonsense, Emily!" replied Aunt Agnes with spirit. "That was before I got here. There are MEN in this place!"

Sir Walter Scott, walking with Lady Scott one spring day in the fields near Abbotsford, stopped to admire some fine ewes and frolicking lambs.

"Ah," said Sir Walter, "it is no wonder that poets, from earliest ages, have made the lamb the emblem of peace and innocence."

"Delightful animals, indeed," agreed Lady Scott, "especially with mint sauce."

Canteen Conversation

By RICK MILLS

Grades. They represent an important part of a teenager's life. The future of an individual can be determined by what he learns in high school. A good job and social standing depend on the education you receive in your early life.

But what about the parents of the student? What can they do when their son or daughter comes home with poor marks on their report card? Here are some teenager's ideas on the subject.

Art Waters: "The action taken by the parents depends on the individual situation. If the teen has been a poor student all through school and doesn't have the ability to get high grades, there isn't much anyone can do to improve them. However, if the teen has been receiving good grades and suddenly gets low marks it is a sign he's just not trying. The parents should then clamp down on him until his grades are back up to his abilities."

Lindsay Acorn: "If the person has been goofing off in school while he should be studying, the teachers should take action. The parents should be contacted to find out why the grade was given and what can be done by the teen to improve it. The parents should also check on the study habits of their child and make sure that he actually does work when he goes off into some quiet corner of the house to 'study'."

Polly Atwood: "By the time person is in high school he should know what he wants in life. He knows what it means

to have a good education in today's competitive world and if he gets low grades, then what he does about it is up to him."

Craig Dykstra: "The parents should not inflict too harsh a punishment on the teen. It only promotes hostility. They should sit down with their son and talk over all the facts involving school and grades for his own good. Once this is accomplished the teen will do work on his own without the constant supervision of his parents."

Peggy Smothers: "If the teen is not doing his best the parents should step in and take away privileges. If he is trying his best then they should just encourage him to try to bring up his grades, keeping in mind that he is doing a good job according to his ability."

Report cards can be a thorn in the side of any teenager. You can go to school and dread the unhappy day you have to take home a progress report to your parents.

COMMODORE EDWARD C. BAGANZ, OF BARRINGTON ROAD

By Janet Mueller

Shanghaied at 15, Commodore of a fleet of more than 50 Great Lakes vessels less than 50 years later . . . Captain Edward C. Baganz' career might be the Dream-Come-True of countless boys who stand on the shores of Lake St. Clair and watch "the long ships passing."

In the summer of 1915, young Edward Baganz walked to the foot of Woodward avenue. He was employed by a Detroit architect, and had determined to become an architect himself, but this particular day he decided to spend his lunch hour watching ship activity on the river.

He headed for a sidewheeler docked alongside the pier. A ship's crewman approached the boy, said the Captain wanted to see him, and Edward Baganz, naturally curious and congratulating himself on this excellent opportunity to view the ship, scrambled aboard.

Dashes Too Late

He made for the forward end of the vessel, seeking out the Captain. Suddenly the ship's cockpit, apron in hand, loomed in front of him; the boy made a quick dash for the gangplank but arrived too late. The sidewheeler was under way.

Seven days later, in Port Huron, he managed to get ashore, call Detroit, explaining his whereabouts and tell what had happened.

It was a rough introduction to life aboard a Great Lakes vessel—but an introduction was all the would-be architect needed. He discovered he liked sailing, continued sea duty, and in 1917 joined the Pittsburgh Steamship Division Fleet as a wheelman on the Steamer "Ericson."

Last year Edward C. Baganz, master of Pittsburgh Steamship's "Philip R. Clarke," was named Commodore of the Division Fleet by Admiral Charles R. Khoury, president of this U.S. Steel Division.

The fourth master to be named Commodore of the Fleet, he succeeded Commodore A. M. Everett, who retired from active service January 31, 1962.

Travels 2.5 Million Miles

In the 48 years since he was shanghaied, Commodore Baganz has netted some 2.5 million miles of travel on the Great Lakes, connecting waterways and points as far east as Anticosti Island, Canada.

He progressed rapidly through the ranks, was promoted to Second Mate of the Steamer "Zenith City" in 1920, and six years later received his appointment as First Mate of the Steamer "Maritana."

In 1940 he was named master of the "Zenith City," and has since manned the skipper's bridge on 12 of the Division's vessels.

Commodore Baganz assumed command of the "Philip R. Clarke," now flagship of the Fleet, at fitout in 1959. One of the largest vessels on the Lakes, the "Clarke" is some 647 feet long and has an ore-carrying capacity of 20,300 gross tons.

Holds Two Records

The ship holds two records. In 1959, she was the first vessel to clear the Sault Ste. Marie locks, marking the opening of the inland navigation season—and the first downbound ship, (coming from Duluth), to open the "Soo" in 31 years.

In 1960, the "Philip R. Clarke" again led Lake vessels through "Soo" locks to signal the start of the shipping season. With the completion of the St. Lawrence Seaway, Commodore Baganz faced a major challenge. After 46 years on the Great Lakes, operating on a triangular route between Buffalo, Duluth and Chicago, he had to learn to navigate an entirely new territory.

The Seaway, and the change from hauling Minnesota Ore to Labrador Ore, revolutionized shipping routes and schedules for the lake freighters.

A round trip circuit, from Anticosti Island loading docks in the Gulf of St. Lawrence to

dore Baganz ever encountered, in November, 1940, found him in upper Lake Michigan, battling winds of a steady 100 miles per hour with 125-mile gusts.

Radar Was Useless

It was snowing, a foot of ice covered the pilot house, radar had become useless, and the ship rolled slowly in tremendous seas. Captain Baganz got as far as Sturgeon Bay Canal when the force of the storm turned his ship around, he tried to reach Green Bay, but couldn't find the "door" into comparatively calmer waters.

Meanwhile, radio broadcasts kept him apprised of marine news, including the fact that ships were sinking near Petoskey, and advised all vessels to stay clear of the storm area—"which was a great help at the time," the Commodore remarks dryly.

The freighter nearly ran aground on Gull Island before someone saw a light. The Captain hauled out immediately, took his bearings and struck a course for Lansing Shoals and the protection of Garden Island, where the ship missed disaster by inches when backwash from the shoal pushed it off the rocks and into the lee of the island. There her captain waited out the remainder of the storm.

Despite storms and "scarecagales," Commodore Baganz thoroughly enjoys his work. "I like a challenge, and I'm getting plenty of them," he maintains. "Life is really interesting when you know you can cope with any challenge that comes along."

The Seaway, beautiful, treacherous and thrilling, is the latest in a series of challenges met and overcome by the Commodore who was shanghaied into a life at sea.

Senior Men's Club Celebrating

The year 1964 ushers in the fifth year of the very active Senior Men's Club of Grosse Pointe, comprised of 350 members on Tuesday, January 14, at their regular luncheon meeting. The speaker will be Walter Fuller of the Detroit News whose subject, a timely one, is "Getting Out a Newspaper." On Tuesday, January 28, a Grosse Pointer, Walker Ciesler, president of The Detroit Edison Company, will speak on Russia, Greece and India.

A full attendance is expected at both meetings. In addition, the Sub-Group activities are being promoted fully and over 500 men will take part during the month.

COFFEE CREAM

Contributed by Mrs. Frederick Sibley, Jr.

1 T. gelatin
2 T. cold water
1½ C. strong black coffee
1 T. cocoa
½ t. vanilla
½ C. milk
¾ C. sugar
¼ t. salt
3 eggs

Soak gelatin in cold water, then dissolve in hot coffee. Add milk, salt, ½ the sugar; heat in double boiler. Add remainder of sugar to well beaten egg yolks, then add cocoa to sugar-egg mixture. Pour hot coffee mixture gradually into egg mixture. Return to double boiler and cook until slightly thickened (when coats metal spoon—about the consistency of soft custard). Cool. Add egg whites, beaten stiff, and vanilla. Pour into mold. Chill about two hours. Serve with plain or whipped cream. Makes six servings.
