SENATOR PHILIP A. HART, Michigan Democrat and a floor manager for the civil rights bill, will fight any moves to strengthen or weaken the bill by Senate amendment. He stated that what was needed is "the most effective bill possible as soon as possible."

Changes in the bill, already approved by the House, might send it back to the House Rules Committee and Virginia segregationist, Rep. Howard W. Smith. The civil rights bill would provide for uniform voting qualifications for Negroes and whites — it presumes a sixth grade education as evidence of literacy, and prohibit discrimination in public accommodations and employment.

SOVIET RUSSIA and **HUNGARY** denounced Communist China in strong, explicit terms Thursday. A 10,000 word statement in Pravda branded the Red Chinese as "the main danger to the unity of the world Communist movement," and called for a meeting of the Communists. The Russians charged the Chinese with trying to split the Communist party and alienate Premier Khrushchev from his people and the Party. In Budapest, where Khrushchev is making an official visit, the Hungarian Communist party also issued a similar statement that accused the Chinese Communists of weakening the Communist party and aiding "imperialism against the Soviet world."

A TORNADO RIPPED through the northwestern suburbs of Wichita Falls and Shepherd Air Force base in Texas Friday, killing at least seven persons and injuring 69 others. Property damage was estimated at \$1.5 million, and power and phone lines were knocked down. Gov. John Connally ordered 100 National Guardsmen to assist the devastated area. Three hundred people were left homeless and shelters were set up to assist the victims. Civil Defense estimated 200 homes were destroyed.

DETROIT'S 22,000 municipal employees will realize pay raises totaling at least \$5 million according to Mayor Cavanagh's recommendation in the 1964-65 budget. The budget will reflect an anticipated surplus of \$4 million for the current fiscal year, the first surplus since the administration of the late Mayor Albert E. Cobo. Provisions for hiring 150 policemen and 100 civilians to free that number of policemen for street duty are also included in the recommendation.

GENERAL DOUGLAS MACARTHUR died Sunday in Walter Reed Army Medical Center of acute kidney and liver failure following three major operations. As a tribute to the national hero, President Johnson ordered the American flag flown at half mast around the world until after the 84-year old warrior is buried in Norfolk, Va. The general's wife, Jean, his son Arthur, and Mrs. MacArthur's brother, Col. Howard Smith, were at the bedside of the General when he died. Nineteen years ago MacArthur was named commander of all the U. S. Army forces in the Pacific, and was leader of the final World War II assault on Japan. He had been Supreme Allied Commander in the Southwest Pacific.

NELSON A. ROCKEFELLER told guests at a Detroit Press Club luncheon Monday that he will not trespass into Michigan in his search for delegate votes at the Republican national convention. The announcement touched off loud applause and cheering from Republicans attending the luncheon. He stated further than Gov. Romney had asked for an unpledged delegation and that he had honored that request.

The Grosse Pointe News was honored in East Lansing last Friday when the Michigan Education Association presented a plaque and bell to the paper in recognition of "Distinguished, comprehensive, continuous and objective coverage of all phases of public education during 1963." On hand for the presentation were, left to right: **GEORGE T. EDDINGTON**, administrative assistant to the Superintendent of the

Grosse Pointe Public School System; **MRS. GEORGE GILLIS**, president of the Grosse Pointe Education Association; **MISS JANET MUELLER**, society and feature editor of the News, who accepted the award; and **ELMER WHITE**, executive secretary of the Michigan Press Association, presenting the Bell. The News also won the award in 1962, covering the year 1961.

School Board To Discuss Site Battle

Will Tell Reasons For Selecting Vanderburgh Farm and Rejecting Other Locations

The regular monthly meeting of the Grosse Pointe Board of Education is scheduled for 7:30 p.m. on Monday, April 13. As usual, the session will be held in the Board room of the school's administrative offices at 389 St. Clair.

The first portion of the meeting will be devoted to a public discussion concerning the selection of the site for a proposed second senior high school. Members of the Board and the administrative staff will give the background on the decision to utilize a 31.7 acre site in Grosse Pointe Woods. In addition, the speakers will discuss the various other sites that were rejected in the search for adequate land.

It has been reported that negotiations between attorneys for the Board of Education and the owners of the property, Frank and Ed Vanderburgh continue.

Following discussion on the high school site, the Board will review the Superintendent's Monthly Report.

FARMS BUYS CAR

At its regular meeting held Monday night, April 6, the Farms council authorized the purchase of a new car from Russ Milne Ford, Inc., for the sum of \$1,540.35, the lowest of six bids offered.

Arrest Three Teenagers Seeking Holdup Victims

Three teenage boys, one a 16-year-old, after their arrest on Tuesday, March 31, confessed to Park police that they were looking for victims to rob. A search of the youths' car turned up a race starter's blank pistol and two face masks.

The older boys, Gary L. Seymour, 18, of 1277 Newport, Detroit; and Joseph Englar, 19, of 140 Davis Wyandotte, were arraigned before Park Judge C. Joseph Belanger on Wednesday, April 1, and pled guilty to a charge of illegal possession and transportation of the pistol. They were arraigned on a warrant approved by the Wayne County Prosecutor's Office.

After accepting the youths' pleas, Judge Belanger sentenced each to pay a fine of \$50 or serve 20 days each in the

Farms Property Owners Call Meeting to Prepare Fight Against Tax Raises

Association to Gather at Pier-Park on April 15 to Map Strategy; Russell Parker Straightens Out Erroneous Quotations

The Grosse Pointe Farms Property Owners Association will hold a meeting on Wednesday, April 15, at 8 p.m., at the Farms Pier-Park boathouse, strictly for members only. It was disclosed that approximately 500 persons belong to the group.

Officials of the organization said the meeting will be held to determine the actual membership count and to consolidate action against the recent increase in property assessment which aroused a stormy protest by Farms citizens. It was not disclosed whether the group will take the matter to court.

The assessment of property resulted from the revaluation program recently completed in the Pointe, which brought all property to the Wayne County Equalized Assessment level, required by State Law.

The GPFPOA officials stated that support in their fight against the assessment increase is being received from various sources, some of them unexpected.

No Need For Jump

The organization contends that there is no need for the increase in tax assessed valuation, which would cost most taxpayers from 40 percent to 60 percent increase in taxes.

In a recent issue of the NEWS, Russell L. Parker of 18580 Mack avenue, was erroneously quoted as saying "that prior to the Farms incorporating as a city in 1949, there was no method of assessment of taxes, and taxes were about 20 percent lower then."

Driver Causes 5-Car Crackup

Five automobiles were damaged when a motorist lost control of his vehicle while driving on Mack avenue on Thursday, April 2, and hit a parked car, causing a chain reaction collision.

Woods police gave Frank S. Schwartz a violation ticket for not having his vehicle under control and causing an accident. He suffered bad cuts about the face and was taken to St. John Hospital for treatment.

According to a police accident report, Schwartz was traveling south on Mack avenue. When he neared the Woods Theatre, he somehow lost control of his car, which jumped the curb, hit and knocked down a parking meter, grazed an Edison light pole, drove back onto the street and smashed into the rear of a car owned by Grosse Pointe Farms, parked at the curb.

The Farms car, parked by Oscar Beaudry of 22011 Ridgeway, St. Clair Shores, crashed into a station wagon in front of it, driven and parked by Roy C. McDowell of 2600 East Grand boulevard, Detroit.

McDowell's car smashed into another parked car owned by Geraldine Schmitt of 2344 Stanhope, which in turn slammed into one owned by Rose Lee Louise Monroe of 22024 Shady lane, St. Clair Shores. All cars were extensively damaged, police said.

Schwartz is scheduled for a court hearing on May 23.

Easter Halts Progress of Center Drive

Holiday Blamed For Marked Slowdown in Contributions; All Urged To Donate Now

The Easter bunny laid an egg, as far as the Grosse Pointe War Memorial Center is concerned.

Two weeks ago the Center's "Family Participation Campaign" got off to a fast start. This is the drive in which Grosse Pointers make their once-a-year gift to keep the Center in healthy financial condition.

But with the Easter vacation, momentum sagged and what had been a healthy flow of gifts dwindled considerably.

"The change was quite marked," said Gerald C. Schroeder ruefully. "Many of the people in Grosse Pointe must have left town on Easter vacations, or had house guests, judging from what happened to our drive."

Mr. Schroeder, who is president of the War Memorial Association and the leader of the campaign, pointed to the first weekly report. It showed \$7,003.50 in gifts from 441 families in the Grosse Pointes. He contrasted that with the second weekly report. It showed \$12,354 from 750 families, about a thousand dollars under the same stage in last year's drive. The goal in the drive is \$60,000 to be reached by Memorial Day.

Job Looks Tougher

"The way we started out I knew we were going to make our goal, and easily. I still am sure we will, but I no longer believe it will be a breeze," said Mr. Schroeder.

The Center president then issued an earnest plea for a new surge of gifts to restore momentum to the campaign.

"I am sure the enthusiastic support the people of the community always have given the Center will be given again. Grosse Pointers use the center enthusiastically and they are not going to forget the drive, although they may have set aside the campaign brochure in the distractions of the holiday season."

Mr. Schroeder urged those who had not yet done so to use the envelopes provided with the campaign brochure to mail in their contributions to the Family Participation Campaign at War Memorial Center.

Past drives bear out the confidence of Mr. Schroeder. In the past 12 years there have

Preserving Pointe For Ideal Living Calls for Planning

Experts' Report to City Follows Long Survey Of Steps to Be Taken To Guard Against Deterioration of Area

Grosse Pointe City Mayor David E. Burgess and members of the City council and other local officials are determined to maintain the City's present and future individuality through a long range guide for community planning.

The City Council recently accepted and approved a 54-page report on an extensive survey, prepared by Scott Bagby and Associates of Grand Rapids, which has set a pattern to preserve the fine character of the community, and increase the prestige which the City, and its sister Pointes, now enjoy as one of the finest residential areas in the country.

Mayor Burgess stated that many valid reasons dictated the need for the study, including the changing character of neighborhoods and new areas being opened south of Jefferson, which require new street systems and zoning protections.

Mayor Writes Letter "Those who have participated in the formulation of this plan believe that to do nothing to plan for the future of our community would prove costly in terms of declining property values," Burgess stated in a letter to City residents.

"It has been the fate of many cities such as ours to be engulfed by the creeping influence of blight emanating from the core of a metropolitan area."

"The City of Grosse Pointe is competing with newer, more spacious residential areas. If our property values decline, we will witness an exodus to these newer and more carefully planned communities. By acting within the framework of a well-conceived, overall community plan, future day-to-day decisions can be made consistent with the established goals of the community," the mayor stated in the letter.

Four Categories The report is divided into four categories: — The Foundation for Future Planning; Trends and Targets; The Planning Program; and Carrying Out the Plan.

Under the first category, it was pointed out that a city is never a finished product. . . . Acceptability and desirability (Continued on Page 2)

Park Policeman Has Heart Attack

Park Patrolman George Blair, 43, of 905 Beaconsfield, is in Bon Secours Hospital, where he was admitted on Thursday, March 26, suffering from a heart attack.

He will be in the hospital for 30 days, but is not allowed visitors, it was disclosed by Police Chief Arthur Louwers.

On his release from the hospital, Blair will recuperate at his home for 60 days, before returning to his duties as traffic and school safety officer.

In the meantime, Police Lt. Gerard Kesteloot will assume some of Blair's duties until the officer returns to work, Chief Louwers said.

Pointe Symphony Presents Concert Sunday Afternoon

Arno Mariotti, principal oboist with the Detroit Symphony Orchestra, will be the guest soloist this Sunday afternoon with the Grosse Pointe Symphony Orchestra, which is presenting its third program in this season's concert series. The concert, directed by Conductor Felix Resnick will be at 3:30 p.m. in Parcels School Auditorium, Mack at Eight Mile road.

The April 12 concert is of particular interest as it is being sponsored jointly by the Grosse Pointe Symphony Association and by the Grosse Pointe Unitarian Church, which selected participation in the afternoon's concert as its community project for the year.

Eight Buildings In Pointe System To Be Centers In Big Immunization Campaign

Eight elementary school buildings of the Grosse Pointe Public School System have been designated as centers for the coming polio immunization program, it was disclosed by Dr. Thomas Davies, Pointe Health Commissioner, on Tuesday, April 7.

The program will be undertaken by health authorities in Wayne, Macomb and Oakland Counties, as a tri-county project, in which it is hoped that four million, or more, people will take an oral vaccine to combat polio, Dr. Davies said.

The health commissioner said that Dr. Paul E. Mawhinney, director of Pupil Personnel of the Pointe School System, in working to help set up the program, has designated the following schools as vaccine administration centers: Defer, Maire, Kerby, Monteith, Barnes, Ferry, Mason and Poupard, the latter in Harper Woods, but within the System's jurisdiction.

Other Centers Set Besides these schools, a center will be set up at Beacon School, Beaconsfield and Seven Mile road, Harper Woods, and at the Eastland Center. However, doses may be received at any center in the tri-county area.

Dr. Davies said that definite dates for the program has been set for Sunday, April 19, for the first dose of vaccine, and Sunday, June 14, for the second dose. The time on both days will be from 11 a.m. to 4 p.m.

Doctors, nurses, policemen to direct traffic and other volunteers are being organized to handle this vast undertaking, and all will be ready when the immunization program is set in motion, the doctor said.

The vaccine consists of live polio virus and is to be taken orally. Two drops of Trivalent (three-type vaccine) is put on a lump of sugar, the size of a small dice cube, for each dose. The vaccine has a strawberry flavoring, Dr. Davies said.

He said that the vaccine contains the three types of polio virus, and is far superior in immunizing against polio, than

Most Voters Shun Polls; 1,873 Ballot

McLeod Unopposed For Mayor; Boerner, Leah And Pinkos Returned To Council Seats

At a regular election in the Woods Monday, April 6, voters cast their ballots for mayor, three councilmen, and voted on an amendment to the City Charter. The turnout was very light. Out of a total of 11,059 registered voters, only 1,873 went to the polls.

Reelected to the office of mayor was Kenneth R. McLeod, who was unopposed. He received 1,524 votes. The three incumbent council members were re-elected. They were Kenneth W. Boerner with 1,135 votes, Thomas E. Leah with 1,027 votes, and Benjamin W. Pinkos with 980 votes.

Defeated in their bid for the council were Rex H. Johnston, who got 829 votes, Charles J. Little with 525 votes and Alma Wyatt with 398 votes.

The voters also cast their ballots on an amendment to the City Charter, ratifying it 1,091 to 560. The Charter will be so amended as to provide for the holding of biennial regular city elections in each even numbered year instead of holding such elections annually as now provided, and to provide that the Mayor be elected for a term of two years and the City Councilmen be elected for four year terms.

This means that in 1965, three councilmen will be running for a one year term and thereafter every even year, three councilmen will be running for four year terms.

Farms City Hall Alterations Lag

The Farms council on Monday, April 6, approved certain additions and changes to the contract for the remodeling of the Municipal Building, 90 Kerby road, that will add \$619 to the total project cost of \$236,779.

It was brought out at the meeting that the alterations and additions to the city hall are far behind schedule, which was due to the delay in the delivery of steel beams and other material by contracting companies. The project should have been completed by the end of December.

Minor work in the renovated police station has delayed the occupation of the quarters by police from April 15 to a new date of May 1, it was said. The temporary police station is in the old Kerby School next to the city hall.

The contract additions and changes authorized at Monday night's meeting, are: Provide wood access stair, hatch and railing in the Firemen's Dormitory, to allow access to mechanical equipment in attic above the Council Chambers, \$220.

Plaster the south and west walls in the passage hall in Fire Department with three-quarter plaster with metal casing beads adjacent to door casings, \$233.60.

Provide additional framing at ductwork where existing gable roof meets the new mansard roof at the Administration Wing, \$54.15.

Provide additional studwork at the Administration exterior walls requiring Marblecrete, \$111.54.

Last January 20, the Farms council authorized other additions and changes to the building which cost a total of \$1,321.

FORD PRODUCTION REPORT

Ford Motor Company built 188,079 passenger cars and 42,814 trucks in March, raising the company's 1964 car-truck production total to 668,477 units—a first quarter record. The company's car production for March and the 545,456 cars built during the quarter were the highest since comparable periods in 1955 when 201,807 cars were built in March, and 556,712 were built during the quarter. March, 1964, car production was up 19 percent over March, 1963.

City's Long Range Plans

(Continued from Page 1)

are all subject to change, though "rarely without advance sign-posts and danger signals". The city's life, the report disclosed, is dependent upon the action of the people.

A city will be able to control its own destiny if it is willing to continuously re-examine and reassess its own condition—"if it does not resist change when change is necessary—if it takes pride in and carefully protects its own important traditions".

The chief aim of a City Plan, it was stated, is the preservation of those basic elements which are sound and healthy and the "weeding out of those elements that can destroy".

"The City of Grosse Pointe

the Salk Vaccine, in which killed polio virus is used.

The doctor urged that every one, whether they have received the Salk Vaccine or not, take the Trivalent Vaccine, the first dose on April 19, and the second on June 14.

"I sincerely urge all parents to take part in this program, and have themselves and their children immunized by taking this vaccine," Dr. Davies said. "It is important that this be done, regardless of whether persons have received one, or all of the Salk Vaccine shots. All persons, from the age of one year and up, should take these oral doses to completely immunize themselves against this dread disease."

The health commissioner said that if children are with their parents when receiving the doses, the parents will have to sign a paper, tantamount to consenting to the administration of the vaccine to their offspring.

However, he added, if children, anyone under 21 years of age, come to the centers without their parents, they must have written consent signed by the parents, approving the administration of the vaccine on both days.

Dr. Davies said that each person is given the vaccine, volunteers will be at tables to record their names and addresses to keep a permanent record that the person has been immunized.

Persons who have received the vaccine are asked to contribute a minimum of 50 cents, or more if they desire, to help defray the cost of the vaccine. But, the doctor said, in no case will any one be forced to make, or be turned away for not making a contribution. The contributions will be strictly voluntary.

Dr. Davies also said that persons who fail to take advantage of, or who, for any reason, are unable to avail themselves of the services at the centers on the designated days, will have to see their own physicians to get the vaccine. Under the present program, there is no facility set up to take care of people who missed receiving the vaccine on the two days, he added.

Again he urged that people forget that they received Salk Vaccine shots, and start fresh by taking the Trivalent Vaccine.

will have to meet its needs and adjust to expected and unexpected changes, but change it will, whether it plans or not. However, in advance careful planning lies its best opportunity to accomplish its goals and to avoid unwanted and damage changes," Bagby and Associates stated.

Many people are inclined to think that city planning is equated with street planning, and that with almost all streets established, there is little need for future planning efforts. This is a fallacy.

The simplest city planning job would be to design a new community; the most difficult is to replan a completely built-up city, the city planners disclosed.

"The built-up community," the consultants stated, "has grown through the uncoordinated efforts of thousands of people. Instead of built-in protections, there are built-in dangers and liabilities which increasingly tear at, and eventually destroy all homes and business values unless they are corrected."

Impact Grows
Area grows and spreads, its impact will be felt in the Grosse Pointes in ever-increasing waves," Bagby said. "The Pointe communities must determine whether they are to continue their present prestige role in the Detroit area, or become a declining enlargement of the sprawling Detroit area."

"This is not a decision of only one of the Pointes, but all of them, and all will be affected by the deterioration of any single city in the group."

"Though each city has its own distinctive characteristics," the city planners added, "there are factors, attitudes and practices common to all American cities, which exert great force upon them. Understanding these factors is a necessary background for all city planning efforts."

Throughout the United States, the values of homes are determined by appraisers and by such agencies as the F.H.A. with the major stress on the age of the residence.

By setting certain standards, it is "an obvious conclusion that all communities must ultimately decline in progress," it was pointed out by Bagby and Associates.

Once fine suburban communities have been observed to decline from excellent to good to declining cities, it was stated, and yet, in each of these cities, there have been people who believe that the prestige of their community was so secure that decline was impossible.

As problems mounted and multiplied, these same people were frequently the first to leave for newer suburban communities where problems of decline had not yet occurred or were not so far advanced.

The decline in value as a home grows older, which is recognized by the best appraisers, is based on practical experience, and can occur in the City of Grosse Pointe, in fact, in all the Pointes, as the Detroit area expands.

Some Grow Better
The city planning firm disclosed that it has striking examples of areas developed in the 1920 period, which today have deteriorated into slums, and still other areas developed at the same time, which are more valuable today than they have ever been.

As the Detroit Metropolitan Area grows and spreads, its impact will be felt in the Grosse Pointes in ever-increasing waves. The Pointe communities must determine whether they are to continue their present role in the Detroit area, or become instead another declining enlargement of the sprawling Detroit area," Bagby stated.

"A positive course of action cannot be based on easy answers, but will require a high degree of citizen awareness and citizen participation."

"This Plan is based on the assumption that every present resident and taxpayer in all of the Pointes will be helped immeasurably by preserving and enhancing the present suburban character of the area; and on the assumption that decline of the Pointe community they know and love will be too costly in social values and in dollars for its citizens to permit such decline to occur."

"Realistically, 'we know that decline can occur anywhere, but just as realistically, we know that decline need not be inevitable,' the city planners said. (Next Week: Trends and Targets).

the tax loss on the estate properties."

"The point I was making," Parker said, "was that the assessor of Grosse Pointe Farms, after adoption of the Charter, was no longer controlled by the State Tax Commission and/or courts. The authority to raise or lower taxes, then and now, is his (assessor)."

Under the Charter, there is no set procedure or method of appraisal specified, leaving the assessor the all powerful controller of assessed values.

"The assessor is appointed by the council, not elected by the people, making the council directly responsible for the acts of its appointee, and therefore, equally responsible for the assessed value placed on the property," Parker said.

Parker claimed that some of the larger properties received a reduction in assessment. The over all increase was 10 percent, but most small homes and business properties were increased from 40 percent to 60 percent, making up the differential of reduction on the larger properties.

No Time to Protest

He also claimed that relief under protest is impossible because the public was not given enough time to be heard and receive an adjustment between the time of the official announcement and the closing of the tax rolls. State Law states that no assessor, or Board of Review, can grant a tax adjustment after the rolls are closed. Therefore, the Board of Review hearing on March 24, was held so that the taxpayer could be heard, not to receive an adjustment, he charged.

Parker said that his group protested against the Farms City Charter as written, prior

Blaze Blamed On Faulty Plug

A fire caused by a faulty wall plug broke out in the first floor, back bedroom of a two-family flat at 634 Neff road, Tuesday evening, March 31, about 9 o'clock.

When Grosse Pointe City firemen answered the report of smoke at the home of Miss Camilla Ayers, they found the bedroom filled with smoke. Bed springs, mattress, wall baseboards, and rug were afire. Firemen worked a half hour to extinguish the blaze. Fire Chief George Poupard estimated damages as possibly \$400.

Minor Accidents Occur in City

Two minor collisions occurred in the City during the last week. One accident was at Rivard boulevard and Goethe April 5 at 1:33 p.m. when William Henry Messner of 367 McMillan was driving east on Goethe and struck a car going south on Rivard. The other driver was Francis Palms Boyer, Jr., of 222 Coverly. Both cars were issued tickets and the Messner car was towed to a collision shop.

The accident occurred when Boyer stopped for the stop street but failed to see the car when he started across Goethe. He was charged with reckless driving and driving with an expired driver's license and failure to have his address changed on his license.

The other accident involved Robert Gerald of 43 Radnor circle, who was driving north on Cadieux April 2 at 6:25 p.m. and struck Rachel Anderson's car at the Waterloo intersection. She lives at 3837 Ashland, Detroit. There was minor damage to both cars, and Anderson was issued a ticket for reckless driving.

Grosse Pointe Squadron, Civil Air Patrol, urgently needs a Chaplain. The unit is in the process of changing to the new Cadet Program which requires an ordained minister to teach certain phases.

The Civil Air Patrol is a federally chartered volunteer organization, and is an auxiliary of the United States Air Force. Its membership consists of unpaid civilian volunteers with their own officers and chain of command. The organization is devoted to teaching young people to become the leaders of tomorrow.

Any ordained clergyman who is interested in serving in this capacity is asked to contact Lt. Robert Mann, at DR 1-6031, or visit a squadron meeting any Wednesday night, at Cannon Recreation, second floor, from 7 to 9:30 o'clock.

Farms Employes Seeking Pay Raise, Other Benefits

Farms Employes Council No. 77 (Department of Public Works), petitioned the Local 522 council on Monday, April 16, to consider several requests, including wage increases, when the city's 1964-65 fiscal budget is prepared. The city body accepted the petition for consideration and study.

Council No. 77 is affiliated with Local No. 522 of the American Federation of State, County and Municipal Employees, AFL-CIO.

Lawrence S. Stranahan, senior staff representative of Local No. 522, spokesman for the Farms employes, made the following requests, on behalf of the city workers:

1. That since Veterans Day, otherwise November 11, has been recognized as a holiday in the United States, the State, County and a majority of municipalities, the Farms employes be given the same consideration. (Employes already have six paid holidays a year.)

2. That the request for dues deduction be granted to all Local 522 employes on presentation of signed cards

and the money thus deducted be forwarded to the Local's authorized treasurer.

3. That retirees, or persons laid off for lack of work be paid their accumulated sick leave. The people laid off as to work are in a perilous position, as the Farms has no unemployment insurance for resources for the laid off employee.

4. Longevity pay has been recognized in farms around Grosse Pointe Farms as a reward for loyal service, as well as the fact the possibility of promotions are limited.

The plan used in most instances is the employes with five years of service receiving two percent of their regular gross pay; employes with 10 years of service, four percent of gross pay; with 15 years, six percent; 20 years, eight percent; and 25 years, 10 percent.

5. The members of Local 522 would appreciate it if arrangements could be made for bond deductions, for the purpose of United States Bonds. This could be considered a fringe benefit for the Federal Government, community and employees.

And 6. That all union members be granted a 21-cent pay adjustment.

The members of the Farms council stated that they did not recall when a DPW employee has ever been laid off because of lack of work in the city.

However, Stranahan said, this is always a possibility and asked that this item be considered with the other requests.

The council agreed to consider the proposals and let Local 522 know its decision after making a study of the demands.

Police Arrest 90-Mph Speeder

Park and Detroit police pursued a Detroit motorist through Detroit and Grosse Pointe Park streets at speeds up to 90 miles an hour, before the motorist was stopped by a road block at Mack and Canyon in Detroit.

Arrested and charged by police of both communities was Joseph A. Herl, 26, of 12800 Charlevoix, Detroit.

At 4:45 a.m. on Sunday, April 5, Park Patrolman Henry Wilson, while patrolling Vernon Highway, saw a Detroit scout car crew pursuing Herl at high speed. When the speeding driver and pursuing police passed him, Wilson joined the chase.

Wilson said that the speeding cars were going east on Vernon. During the chase, Herl ignored red traffic lights at Nottingham and at Cadieux, and at other intersections in the Park and Detroit. There were other cars on the road, and drivers hurried out of the way as Herl and police officers sped by, the Park officer said.

At one point, Wilson said, Herl narrowly escaped crashing into another car, but never slackened his speed.

The pursuit began on East Jefferson in Detroit, and while hearing a report of the chase on the police radio, Wilson saw the Detroit policemen chasing Herl on Vernon. Herl went through a red traffic light at Nottingham, and Wilson joined in the chase.

The speeder ignored lights at Buckingham, Audubon and Cadieux in his effort to elude capture. He sped to Washington, turned north on Washington to Mack, east on Mack and was stopped by a Detroit scout car whose crew blocked his way at Canyon.

Herl told the policemen that he was trying to avoid arrest because he was driving while his license was revoked. It was taken from him under the Financial Responsibility Law because of two previous convictions for driving while under the influence of alcohol. He was not drunk at the time of his latest arrest, Wilson said.

The Detroit officers took Herl to the Jefferson Station, Fifth Precinct, where he was booked on a charge of speeding and driving while his license was revoked.

The Detroit officers then took Herl to the Park station where Herl issued Herl a ticket for operating a motor vehicle without due care and caution and endangering life, limb and property, speeding, and driving while his operator's license was revoked.

Herl, who has a bad driving record, was scheduled to appear for a hearing before Park Judge C. Joseph Belanger yesterday, April 8.

City Policemen Get Promotions

Grosse Pointe City Police Chief Andrew Teetaert has announced four promotions within the department which were effective April 1.

Robert Van Tiem, of 1591 Alter road, was promoted to the rank of lieutenant. Lt. Van Tiem joined the police department in 1949, and was promoted to sergeant in 1961.

Blair Martin, of 468 Calvin; Thomas McLaughlin, of 20116 Rosedale, St. Clair Shores; and Duncan MacEachern, of 568 St. Clair, were promoted from the rank of patrolman to corporal.

Corporal Martin joined the department in 1948, and Corporal MacEachern was employed in 1949. Corporal McLaughlin has been with the Grosse Pointe City Police Department since 1958.

The promotions were based on the results of examinations taken on February 12 of this year.

Junior hostesses and ushers zanne Chase, Jana Berlanbach, include Martha McMahon, Tina Cora Dolgner and Nancy Sins-Gulevich, Jane Peebles, Su-kowski.

been a dozen drives, each reaching or surpassing its goal.
Has Some Income
The Center does have other income, the Campaign being a

means of filling out the budget. Roughly three-fourths of the institution's budget comes from its own "earnings," such as room fees charged paying groups and charges for meals

served to groups meeting at the Center. But none comes from United Fund money or tax coffers.

Grosse Pointe War Memorial Center serves as the community center for the Grosse Pointes, a meeting place for civic, youth, cultural and hobby groups. Last year attendance at functions there reached a total of 150,000. The Center evolved out of a library association that had given the stately Russell Alger residence at 32 Lake Shore road. In 1962 it added William Fries Auditorium, named for the donor, to the facilities.

Additional donors to this year's drive include:

New Hawaiian Films Offered

The travelogue audience of George Pierrot's World Adventure Series at the Parcels School, Mack and Vernier, will see and hear Willis Butler, with his film "Here's Hawaii", Wednesday evening, April 15.

It is more than just another new film of Hawaii. In addition to covering the most important tourist attractions and the special magic with which Hawaii lures increasing numbers of tourists, Willis Butler also looks at these aspects of Hawaiian life which holds the key to a better understanding of the 50th state and its people as they are today.

All four major islands, Kauai, Oahu, Maui, and Hawaii, are explored, showing the most important tourist sights on each.

Historically, "Here's Hawaii" starts with the immigration of early Hawaiians more than 1000 years ago. The audience will meet their awesome gods, and the missionaries who came in 1820 to constitute what historians say is "the most important single influence in Hawaii's development." And it will see Hawaii as it is today, a booming crossroads of the Pacific and a strategic military command post for almost half of the earth's surface.

Perhaps most important, the audience will meet the fascinating people of the Aloha state, in their homes, at work, at worship, and at play, and will see the special strength they contribute to America.

The World Adventure Series at the Parcels School is sponsored by the Grosse Pointe Community Series.

For reservations call TU 5-3808 or TE 2-7676. Curtain time is 8 o'clock.

Open Sundays 10:00 to 4:00

Driver Accused On Two Counts

Four persons received minor injuries in a two-car collision at Kensington and St. Paul on Tuesday, March 31. The driver of one car lost control after impact and crashed into a tree.

Park police accused George N. Letterman, 53, of 1034 Kensington, of being at fault and gave him two violation tickets, one for driving while drunk and another for entering an intersection without due care and caution.

Letterman suffered cuts on the left side of his face and nose, and a small cut on the finger of his left hand, from broken glass. He was conveyed to Bon Secours Hospital for treatment and after his release was taken to the Park station and charged.

Also treated at the hospital were Thomas A. Reilly, Jr., 21, driver of the other car; John Reilly, 20, both of whom suffered minor facial cuts; and Robert Reilly, 15, who suffered a snapped neck. All are brothers and live at 15675 East Jefferson.

Patrolmen Ralph Roek and Gary Mitchell who were dispatched to the accident scene, said they arrived to find Letterman's car against a tree, and Letterman behind the wheel.

The officers said that Letterman was "cocky and indifferent," and at the hospital, when presented a bill for services, crumpled the bill and threw it to the floor, stating he did not want it.

Roek and Mitchell said that they picked up the bill and gave it to Letterman at the station later.

The policemen said that enroute to the "kiosk, now-a-days are bad drivers and should stop for stop signs."

The officers said that when they were writing out the violation tickets, after charging Letterman, he became excited and wanted to press charges against the driver of the other vehicle. The man was informed that the accident was his fault and that he would remain in the station until he posts bond of \$50, pending a court hearing on April 22. The bond was posted.

A police report disclosed that Reilly was driving west on St. Paul and Letterman was traveling south on Kensington. Letterman entered the intersection without stopping and crashed into Reilly's car, then lost control and smashed into a tree.

Business Group Hears Talk On Child Guidance Clinic

Kercheval-On-The-Hill members heard Mrs. John B. Colletti, a member of the board and recording secretary of the North-Eastern Child Guidance Clinic, at their monthly business meeting at Lochmoor Country Club, last week.

In February, 1963 a special meeting was held to stimulate community interest in the formation of a new clinic. Those attending recognized the necessity for the establishment of a "publicity supported East Side Clinic." A steering committee and finally a board of directors has emerged.

The following officers have been elected.—president, Mrs. Alfred R. Glancy, Jr.; vice-president, Mrs. Donald A. Blomquist; vice-president, Clamor H. Worrell, M. D.; vice-president, Charles E. Blake, Ph. D.; treasurer, Ervin A. Steiner, Jr.; recording secretary, Mrs. John B. Colletti; corresponding secretary, Mrs. Gordon A. Weller; medical advisor, Thomas A. Petty, M. D.; legal advisor, George E. Bushnell, Jr.

In addition to the officers and advisors, members of the board of directors are: The Rev. Bertram deH. Atwood, James A. Baubie, Mrs. Willie Bugbee, Mrs. Douglas Campbell, Jr., Mrs. Paul S. Clapp, Jr., Armin Grams, Ph. D., Mrs. D. James Hill, Lawrence Kennedy, Mrs. Francis X. Marsh, The Rev. Erville B. Maynard, John A. McMahon, Msgr. Frank J. McPhillips, Mrs. Ledyard Mitchell, Jr., Prof. Jesse R. Pitts, John Prescott, Courtney Rankin, Miss Margaret Rice, Mrs. Douglas Sargent, Miss Mary K. Thorn.

The festival choir and orchestra will be conducted by Stephen Klyce. Admission is open to the public at no charge. For further information, call the church office, TU 2-8547, or the conductor, 869-4150.

Other organizations have endorsed the need to establish an East Side Guidance Clinic. They include the board of the Neighborhood Club, the Harper Woods Youth Protection Committee, the Grosse Pointe Kiwanis Club and the Area Study Committee of Children's Center.

Mrs. Colletti said that there is a total population of 81,000 children in the area the clinic will serve.

The cost of operating the clinic will be shared by the State of Michigan and local sources, she said.

And further, "An informed public that will not accept anything but the best for all its citizens is the crucial ingredient for the solution of any community problem. The cost of emotional disturbance in human misery, lost potential, and financial burden is too great to permit complacency."

To Present 'Messiah' At Christ 'Messiah'

Two performances of Handel's "Messiah" will be given at 8 p.m. April 18 and 19 at Christ Methodist Church, 15932 E. Warren at Haverhill, Detroit. The soloists are Audrey Davidson, soprano, Natalie Moeckel, contralto, Edward Kingins, tenor, and Thomas Pyle, baritone.

The festival choir and orchestra will be conducted by Stephen Klyce. Admission is open to the public at no charge. For further information, call the church office, TU 2-8547, or the conductor, 869-4150.

AWARDED CONTRACT

DeMeulnaere's Construction company will repair approximately 13,000 square feet of four-inch sidewalks throughout the Farms. The firm was awarded the contract by the Farms council on Monday, April 6, when it offered to do the job for \$7,150. Two other companies submitted identical bids, and another submitted a high bid, but the successful bidder was given the contract because it is located in the Farms.

To Face Court On Beer Charge

Three Detroit youths were arrested by Woods police on Thursday, March 26, and charged with illegal possession of alcoholic beverages.

Charged were William P. Boss, 20, of 14815 Artesian; Lawrence J. Shepanek, 19, of 17592 Sorrento; and Gregory C. LeMiere, 19, of Sunderland.

The trio were arrested and taken to the station by Police Sgt. Allen Selby and Patrolman Adrian Meeraeghs, who said they saw the boys entering a parked car in an alley east of Mack avenue, between Hampton and Roslyn. An investigation revealed that there was a six-pack beer in the car, the officers said.

At the station, the 30-year-old man purchased the beer for them from a small store at Puritan and Linwood in Detroit. When asked to identify the man, the youths changed their story and said another man purchased the beverage.

A check with Detroit's Palmer Park Police Precinct revealed that there was no licensed beer dealer at the location given by the boys.

The three young men were given violation tickets under Ordinance 85, and charged with illegal possession of beer. A court hearing was set for June 27.

Stanford Drive Quota Surpassed

Stanford University alumni and friends in the Detroit area have topped their quota of \$650,000 for Stanford's PACE campaign, Detroit Chairman Ralph T. McElvenny, of Cloverly road, announced.

McElvenny, president of Michigan Consolidated Gas Company, said gifts and pledges solicited by some 20 Stanford alumni volunteers totaled \$651,576. Personal appeals were made to nearly 300 alumni and friends living in the area.

Thomas J. Peterson of Bloomfield Hills was Advance Gifts chairman and Lee E. Gunnerson of Birmingham directed the general phase of the fund drive. McElvenny credited much of the local campaign success to their work, aided by committee workers.

He said an important factor in the overall campaign success, nationally as well as locally, is "the great respect in which Stanford's President Wallace Sterling is held throughout the country, both in educational and business circles."

The Stanford PACE Program (Plan of Action for a Challenging Era) was sparked in part by an incentive grant of \$25 million from the Ford Foundation, which offered to provide one dollar for each three raised by Stanford. Including the grant, the PACE campaign has brought gifts and pledges totaling more than \$110 million in less than three years to the University on the San Francisco Peninsula.

The funds are being used for faculty salaries and additions, scholarship and other student aids and services, library operations and a program of new construction and building renovations. The PACE objective is to attain new levels of quality in all phases of higher education.

Why can this 40-gallon heater give more hot water

than this 80-gallon one?

Because it's a Gas water heater, that's why. The 80-gallon heater is electric. And Gas heats so much faster than electricity you can actually get more hot water daily from a Gas heater than an electric one twice its size!

And Gas costs so much less, too—one more big reason why Gas water heaters are the overwhelming favorites of families in our area.

Dr. Hugh Stalker To Talk on Jade

For the jaded traveler who has been everywhere, the featured program on the "Meet the Travelers" series this month should be just the thing. Dr. Hugh Stalker of Lake Shore Road will give a highly informational, illustrated lecture on the subject of jade in Fries Auditorium the evening of Monday, April 20, at 8 o'clock.

Dr. Stalker first became interested in jade through heirlooms in the family and gifts. He then began to visit museums containing unusual collections. Included in the pictures shown will be priceless jade housed in the Fog Museum at Cambridge, the Boston Museum, Metropolitan Museum in New York, and the collection at Palm Beach.

As Dr. Stalker will point out, jade from the early 1700's on was so greatly admired in China that it became an integral part of Chinese life. Today, of course, it is next to impossible to get any jade out of China and for that reason those who have jade regard it as an increasingly precious possession.

Dr. Stalker will talk briefly on the historical background of jade pointing out its influence on the various dynasties of China. At times, jade was almost made a God and it has been the source of much Chinese poetry.

The pictures that Dr. Stalker will show illustrate the different kinds of jade, the chief of which divisions are Jadeite and Nephrite. The audience will be informed of the chemical composition of jade and the x-ray and chemical tests which are applied to it in order to classify it.

Pointers Urged To Plant Lilacs

Fragrant white lilacs are the choice of the Grosse Pointe Garden Club Council this year for the annual sale in connection with the Clean-Up, Plant-Up campaign.

These will be sold May 1 and May 2 at DePetris Florist, 270 Grosse Pointe boulevard.

According to Mrs. Clarence E. Maguire, chairman of the sale, there will be two varieties, one single flowers, and the second, double flowers. Both are Dutch hybrids. The single is named "Marie La Grey" and the double "General Sheridan". They will be balled and burlapped and will come 3' to 4' tall.

The Council holds this sale each spring as a community educational project to acquaint home gardeners with new and interesting varieties. There are a limited number of shrubs ordered so anyone interested in obtaining one should place an advanced order by calling ED 1-6642.

The Clean-Up Campaign will be held from May 1 to May 10 this year and it is hoped all citizens will cooperate as in the past to make Grosse Pointe a place of beauty.

agers as they emerged from the alley at Vernor in their car.

After questioning the boys, the officers ordered Seymour to open the trunk of the vehicle. When this was done, the policemen discovered gas siphoning equipment.

Roek and Mitchell were skeptical of the stories told by Seymour, Englar and the younger boy, and took them to the station.

A further search of Seymour's car turned up the starter pistol and the masks hidden under the front seat.

When quizzed by police, the trio confessed that they had met prior to their arrest, with the avowed intention of committing a holdup. On two occasions, the boys said, one of them got out of the car to look for likely victims, but without success.

Chief Louwers lauded the action of Roek and Mitchell, whose alertness nipped a crime in the bud before it was committed.

Church Offers Lutheran Film

Scheduled for showing, Sunday, April 12, at 7:30 p.m., at Christ the King Lutheran Church, Mack and Lochmoor, is a film entitled "A Letter to Nancy."

This is the first feature-length film to be produced in full color by the Lutheran Church—Missouri Synod.

Professionally produced in Hollywood on the stages of Paramount Studios and Family Films in full color, the new 80-minute film portrays the dramatic conflict in the heart and soul of a self-assured church member who was able to convince a jury at a trial for his defendant, but found it almost impossible to share his Christian conviction with a nine-year-old girl.

Everyone is invited to attend the showing to be held in the brand new parish hall, Sunday, April 12, at 7:30 p.m. There will be a free-will offering.

Family Affairs Month Observed

Nathan B. Goodnow, 75, Handy road, is serving as vice chairman of Family Affairs Month for the Greater Detroit area. Mr. Goodnow is the president of the State Bar of Michigan.

For the past four years lawyers have joined with three other fields—bankers, certified public accountants and insurance men to present to the public an informational program called Family Affairs Month.

The purpose of this program is to urge every head of a household to have a plan for his family's financial security. The four fields have made available a Family Balance Sheet and Check Sheet which enables the head of a household to figure out his net worth. Once this is done it can be a starting place from which a concrete plan can be made.

Food faddists swindle elderly Americans out of millions of dollars, says Dr. Dena C. Cedergren, chairman of nutrition at Michigan State University.

Parnell D'Hooge was promoted to the rank of lieutenant from sergeant. Lieutenant D'Hooge, of 588 St. Clair Avenue began his duties in January 1940, and was promoted to pipeman January 1941, and then, sergeant in April 1963. The promotions became effective April 1.

Weather Shifts League Tryouts

Due to the unseasonably cold weather tryouts were not held last weekend in the Grosse Pointe Babe Ruth Baseball League. Commissioners Kleene and Wilson announced that tryouts would be held on the weekends of April 11 and 12, and 18 and 19; 13-year-olds at 10 a.m. on Saturdays and 1 p.m. on Sundays; 14 and 15-year-olds on Saturday at 2 p.m. and Sundays at 3 p.m.

All 13-year-olds are definitely encouraged to try out since each of the 10 teams must have five 13-year-olds on their roster during the playing season. Registration forms should be obtained from Carle P. Cullerby, 907 University place, as all boys desiring to play must register regardless of whether they registered and played in 1963. Birth certificates or a copy must be shown at the time of registering.

American League Commissioner George Wilson announced a change in managers. John F. McNamara, Jr. will manage the White Sox in place of C. Campbell. Mr. Campbell will handle the Indians in place of Mr. Swink, who is not participating this season.

Banquet Planned To Fete Lakers

Two resolutions were authorized by the Farms council on Monday, April 6, one to honor St. Paul School's Ed Lauer for his 25 years as school athletic coach, and the other to honor the St. Paul Lakers Basketball Team, the new State High School Class C Prep Basketball Champions.

The resolutions will be presented to the coach and the team at a banquet to be held at the War Memorial Center on Monday, April 13, starting at 6:30 p.m. The banquet is to honor Lauer and his camp cagers.

A. J. O'Connor, chairman of the banquet-party and past President of the Grosse Pointe Optimist Club, was present at the city council meeting, and requested the resolutions. He extended an invitation to the council members to attend the banquet.

The Lakers became the Class C State Champions when they defeated Montrose in the quarter finals, 76-60, on March 18; Gaylord in the semifinals, 59-51, on March 20; and Byron Center in the finals, 53-39, on March 21.

Without Even Trying

How to win prizes without even trying . . . that's an accomplishment which has been chalked up by the Grosse Pointe News, thanks to the labors and talent of others not even connected with the paper.

For the second time in three years the News has been presented with the School Bell Award of the Michigan Education Association, "For Distinguished, Comprehensive and Continuous Coverage of Public Education During 1963."

While blushing accepting the honor, we hasten to point the finger at those who have been almost wholly responsible for winning the Bell. Two years ago it was Lawrence Kennedy, of the Public School System administrative staff, who did all the work which merited the award. This time it is George T. Eddington, who took over when Mr. Kennedy was promoted.

As assistant to the Superintendent of Schools, Dr. Charles Wilson, one of Mr. Eddington's duties is to prepare news and human interest stories and obtain pictures aimed at keeping the public informed about their schools. These are handed to us on a silver platter. The reports and stories are so well prepared they very seldom require any re-writing. It is merely a matter of editing and selecting which material we wish to use.

Fortunately we have the type of school system in which we can take great pride. We are anxious to share its achievements with our readers. And we are always eager to help when help is needed to attain goals in the continuous program of preservation of standards and constant search for improvement. Such help is made practically effortless by the cooperation and contributions of the Mr. Kennedys and Mr. Eddingtons who brighten our lives and gladden our hearts.

It's a pretty sneaky way to win an award, and the blushes are the product of a guilt complex engendered by grabbing a prize for being lazy.

Suggests Solution

George M. Zimmerman of Cloverly road has a suggestion aimed at solving the loose shopping cart nuisance which plagues users of the parking area in the Kercheval-on-the-Hill district. Mr. Zimmerman thinks that if each incoming customer of the market made it a point to collect a stray cart and return it to the store, the problem would vanish.

Letters to the Editor

To The Editor:

It is time Grosse Pointers took pen in hand to fight the flood of biased reporting, half truths, and exaggeration that is giving our town an unpleasant "image", to use that hateful, but oh, so current, phrase. We are all lumped together as rich, snobbish, selfish, and pleasure seeking. The truth is overlooked, mostly, we suspect, because it is dull, mundane, oh too ordinary.

The truth is:

The vast majority of Grosse Pointers are very ordinary, hard working people of moderate, admittedly comfortable means, who have worked hard, and are working hard, to be that way. We are largely business and professional people, many of us with large families. Nowhere is there a community where people give more selflessly of their time, talent—and money—to make this a pleasant place to live in and raise these families. The women—usually with families and little if any household help—give hours or their time to support schools, churches, community and civic causes, charities and fund drives. Their busy husbands give their most valued commodity—time—to these same and similar causes.

The result? Our renowned school system is the best known example, and one which most of us take full advantage of. This includes fine public libraries and play grounds, auditoriums and gymnasiums, for the use of all the community, not only school children. All communities in the P-inte have their own fine waterfront parks, with beach and docking facilities, as well as tennis courts and other recreational facilities in most cases—all public. We have the fine War Memorial with its program of cultural and educational, as well as recreation, activities. And soon, we hope to once more have our fine Neighborhood Club, which is temporarily closed. In the near neighborly spirit, our school system is helping them to continue their program until their building is repaired.

Our shops are pictured as serving only unlimited pocket-books, with a taste for the unusual, the beautiful, the expensive. These we have—and they are lovely. Unheralded are our many fine stores carrying large selections of fine quality, medium priced merchandise;

branches of our finest local stores, as well as some of Fifth Avenue's best, all geared to the moderate purse that yearns for quality and good taste. For the budget minded, 7-Mack Center offers many branches of budget stores of national repute. And we are but a short distance from Eastland—in fact, most of Grosse Pointe lies within a half hour of downtown, with its shopping facilities, civic center, and nearby cultural center. All these advantages lie within easy reach of our town.

Our churches are not just fine buildings housing Sunday services and semi-social activities, but are places to search the true meanings of life—to seek to serve not just this community, but the larger Metropolitan area about us—to take of what we have and try to bring a share of it to others. Many of our church members serve in various capacities in inner city organizations, trying to give a helping, brotherly, hand. An atmosphere of friendship, warmth, and helpfulness is far more typical of your Grosse Pointer than the cold, snobbish aura supposedly surrounding us.

Suburbanites in other communities, and anyone contemplating a move to our shore, might well ask, as I often do—where else could I find all this? AND have my husband fifteen minutes from his eastside downtown office, my children one block from an excellent elementary and Jr. High School, a public library, and two bus lines? With the above mentioned shops and park each a mile away, and other stores close by? AND neighbors who are friendly, but never intrusive—because, I suspect, they are too busy with all these activities.

It would be unfair to close without mentioning the many so-called "wealthy, society people" who also contribute most generously to these self same causes, without fan-fare, and without questioning their fellow workers' pocketbook, lineage, or social status. These are the real Grosse Pointe Socialites—and we are fortunate to have them. There are so many cases one hesitates to single out for example. But in this day of racial conscious, civil-rights thinking, one grand lady comes to mind; she is currently giving her time, money and talent to help this become a truly inte-

What Goes On at Your Library

By Virginia Leonard

Guest Columnist: Louise Leeson

There are many fine publications on the techniques of oral and written communication. Most of us have used them, trying to learn the magic words that lead to understanding of our neighbor, local or universal. How wonderful it would be to communicate honestly, precisely, fluently, making ourselves known as we wish to be. Much skill in semantics is required of the modern reader or speaker. We are persuaded, caajoled, alas, even seduced by contemporary modes of communication. Of course, an etiquette book, or the women's page of the daily Trumpet, can give us the proper phrase for the moment of truth, as when the roast duck takes flight from the carving knife, to nest in the lap of the honored guest. On every hand we are encouraged to enlarge the vocabulary and purify the grammar, and easy aids are offered on every hand to do so.

For some of us there is strong magic in a word. A word can nurture love or engender hate. The following titles are suggested for exploration in depth of the art of language, or to cope in part with semantics in the space age. These books are all obtainable at Grosse Pointe Public Library.

THE MAGIC AND MYSTERY OF WORDS, by J. Donald Adams: Mr. Adams, a writer, calls himself a professional user of words, rather than a linguistic scholar. In his short, witty and revealing book, he makes us feel his own enchantment with this magical mystery.

THE ADVENTURE OF LANGUAGE, by Michael Girsdan-sky: This one is a gem. Scholarly, but never dull, Mr. Girsdan-sky explores the "universe of words," sweeping the reader into new revelations on each page. Of particular interest is his information on the history of man tied in with the history of language.

THE LOOM OF LANGUAGE, by Frederick Bodmer: This is a classic textbook, that should have its place on all reading lists on the subject. Practical,

particularly for students or others engaged in writing, and a fine reference book.

STUDIES IN WORDS, by C. S. Lewis: A well known, gifted writer shows here another facet of his talent. In this work we meet him as the Oxford don, lecturing to his students. "Driving words from different languages abreast," our Oxford don gives us a new sense of responsibility to our language, adjuring us not to commit "verbi-cide," to seek always the precise and perfect imagery or definition.

SEMANTICS, by Hugh R. Walpole: The study of the meaning of words, referential and emotive language. Much skill in semantics is required of the modern reader, be it only the reader of newspapers and magazines, to cope with our complicated space-age.

In this category is **LANGUAGE IN THOUGHT AND ACTION**, by S. I. Hayakawa. Mr. Hayakawa translates the science of semantics into usable terms. His interpretations are both scientific and philosophical, to the enrichment of the reader.

SYMBOL, STATUS AND PERSONALITY, also by S. I. Hayakawa, published in 1963: A very recent addition to our collection, I have been unable to put my hands on it, so must quote a review. "Bright, buoyant, embattling," says Virginia Kirkus. "Concerns the sane and unsane ways of contemporary communication . . . an acute appraisal."

NO IDLE WORDS, and **HAVING THE LAST WORD**, by Ivor Brown: This is a delightful word anthology, that can be read without pain, but cannot be dismissed as "light" reading. The author says of his books that they can be "fitted into the corners of a fairly busy . . . life." From "Alien" to Yoicks, this word-spinner traps us in his web; we learn as we laugh.

To quote Mr. Brown, "With that kind of noise in our ears, I can end, dispensing with the cliché of 'a cheerful note.'"

"A Second Thought On First Aid"

By Fred Kopp, R. Ph.

We're constantly amazed at the number of children who cut, scrape and bruise themselves within sight (and sound) of our pharmacy. We do a big business in anti-septics, bandages, and other first-aid items. Same everywhere, probably. But sometimes we wonder if people don't depend too much on first aid—neglect proper medical attention. If there's the slightest question in your mind following what appears to be minor injuries, see your physician. First aid has definite limitations. You can only be sure of proper medical care by seeing your doctor. A prompt visit can save a half dozen later.

Concert to Benefit Music Settlement

Event Will Follow Dinner in Fries Auditorium on April 17; School Organized by Mrs. Edsel B. Ford, Helps Develop Musical Talent

The Board of Trustees of the Detroit Music Settlement School proudly presents two outstanding artists, Gizi Szanto, pianist, and Raymond Sharp, baritone, in a benefit concert, which will be held on Friday evening, April 17, at 8:30 o'clock, in the Fries Auditorium of the Grosse Pointe War Memorial.

Gizi Szanto will play the Sonata Op. 31, No. 2 in D minor by Beethoven and the Prelude in G sharp minor and two Moments Musicaux by Rachmaninoff.

Raymond Sharp will sing songs by A. Scarlatti, Mozart, Purcell, and J. S. Bach; a group of Richard Strauss songs and a group of English songs, Miss Szanto and Mr. Sharp are contributing their services to this commendable project.

"With everyone giving in the spirit of music" is the fund raising theme which will aid The Detroit Music Settlement School. General chairman of the Concert, Mrs. Frank Wellington Coolidge, and her committee report that the enthusiasm and interest shown indicates a sell-out success.

The Detroit Music Settlement School is a source of hope to young musicians without the financial resources necessary to pursue their musical interest. It is worthy of all the personal and public support which it receives. There is a great need for a school of this nature. It stimulates encouragement and provides a higher horizon's approach for culture to the disadvantaged.

A remarkable atmosphere prevails within the walls of the old building located on John R. and East Grand boulevard. The students have a feeling of some security—of belonging—that the school is theirs. There is never a problem of a delinquent nature.

It is not uncommon to see musical instruments set aside in a 1963 graduate of Austin Catholic Prep School. He was awarded a four-year scholarship to Villanova.

PAUL R. TRIGG, son of MR. and MRS. PAUL R. TRIGG, of Moross road, has been named social chairman of his residence hall at Grinnell College for the coming year. A junior at Grinnell, Trigg is a 1961 graduate of Grosse Pointe High School.

Concert tickets may be obtained by contacting Mrs. James K. Watkins at 210 Cloverly road, Grosse Pointe Farms 36 (TU 2-3311). Donation is \$2.50.

A 6:30 dinner, for those who wish it, will precede the concert in the Crystal Ballroom. Reservations may be made by contacting Mrs. Carl B. Grawn (by April 15) at 1008 Yorkshire road, Grosse Pointe Park 30 (TU 5-4634).

Miss McKnight Says Vows To Mr. Blome

Pair to Make Home in Chicago after Mexican Wedding Trip; Reception at Hawthorne House Follows Saturday Rites

Wearing a floor length gown of silk shantung, fashioned with a high bateau neckline accented by white braid, Phyllis McKnight spoke her marriage vows to Donald Armin Blome in Christ Episcopal Church Saturday.

A reception at the Hawthorne House followed the 2 o'clock ceremony.

The bride is the daughter of Mr. and Mrs. William Moriarty, of Beaupre road, and the late Claude A. McKnight. Her husband is the son of Mrs. Fred C. Blome, of Rochester, Mich., and the late Mr. Blome.

For her headpiece, the former Miss McKnight chose a two-tiered white lace pillbox, holding a short bouffant illusion veil. Her flowers were white roses, centered with a white orchid.

Her sister, Carole McKnight, was the honor attendant, in a hot pink shantung dress with a veiled, velvet bowed headpiece. Bridesmaid Patricia Molner wore an identical gown, and both attendants carried complementing flower cascades.

Joan Manning, the bridegroom's five-year-old niece, served as flower girl.

Fred Blome was his brother's best man, and in the usher corps were Robert Blome, another brother, and James Moriarty, brother of the bride.

For her daughter's wedding, Mrs. Moriarty chose a light blue brocade coat and dress ensemble

with matching light blue accessories. Mrs. Blome wore a beige brocade suit, with a beige flowered hat and beige accessories. Both mothers chose cymbidium orchid corsages.

The newlyweds will live in Chicago when they return from a wedding trip to Mexico.

April in Paris Theme of Party

"April in Paris" will be the theme of the International Dinner and evening's entertainment schedule at the Grosse Pointe War Memorial Friday evening, April 10 at 7 o'clock.

The French and Parisian theme is always one of the most popular and enjoyable on the International series.

The Center's cateress, Miss Helen Blair, has submitted the following menu for the evening and recipes for the principle dishes will be given to the guests. Beginning with the traditional Soupe A'l'Oignon, diners will be served Cote de Boeuf Wellington (a delicious Prime Rib Roast with Madeira Sauce). The Boeuf will be accompanied by Pomme de Terre Parisienne and Haricots Vertes Amandine. Following the Salade a delicious dessert of Baba au Rhum topped with Cream aux fraises Chantilly will conclude the banquet.

Because it is Friday those requiring fish in the diet will be served Filet de Poisson duguere if they so indicate at the time of their reservations. For entertainment, the Center announces that a program of delightful French songs and dances will be presented by a group from the International Institute. The evening will conclude with beautiful color films of the City of Light and the most romantic country in the world.

Clarence E. Day, Jr., president of Glynn Travel Agency, will as usual act as master of ceremonies.

Reservations for this gala are requested immediately.

More About Gardening

Mrs. John F. Hering was hostess in her Kercheval avenue home last week, at a charmingly appointed tea which paid tribute to committee members of District One of the Federated Garden Clubs of Michigan.

Dates of the 10th annual exhibition of table settings and flower arrangements under the auspices of Charles W. Warren & Co. were announced: October 14, 15 and 16.

Among those balancing tea cups, deciding on theme, schedule, and myriad other minute details, were Mrs. Longyear Palmer, Mrs. Frederick J. Schumann and Mrs. F. F. Stetekluh. Mrs. Hansel Dwight Wilson was expected to attend, but jury duty kept her tied up!

Apropos of the impending Wright Kay Flower Show, "Caravan to Cathay." Mrs. John Crawford Frost, Jr., entertained at a "Caravan" preview yesterday afternoon, from 3 to 5 o'clock, in her Firacres home.

The "Caravan to Cathay" exhibition is less than a month away, May 6 and 7, at Wright Kay's downtown.

"Last Words" On Gardening

The Detroit Garden Center is preparing for spring, with members busily engaged in planning the annual garden Pilgrimages through showplace yards in the Detroit area.

Meeting this week in chairman Mrs. J. E. McCaughey's Beaufait road home to start work on the May 23-24 Pilgrimage were members of the Pointe committee, including Mrs. Albert Law, Mrs. William Nixon, Mrs. Robert Whiteley, Mrs. Watson Beach, Mrs. George Goodheart, Mrs. William Block, Mrs. Reino Harkonen and Mrs. Pierre Heftler.

Mrs. Emil Leidich will open her home in Harvard road to members of the Grosse Pointe Park Garden Club on Monday, April 13, for a regular business meeting preceding a 12:30 o'clock luncheon.

Included on the afternoon's program is a talk, "Living With Roses," by Elmore Frank.

"Rich, Rich Grosse Pointe"

Well, here we are again — nationally exposed — spread out, this time, on the slick pages of Holiday magazine. The pictures are beautiful.

The text is clever, well written, and nothing new: we are, all of us, very rich, and very insular... "friendly," but "nervous," with "no sense of humor."

All in all, we come out better than usual; author Stephen Birmingham gives us credit at least as "a great place to live—for those who can afford it."

Ho-hum, however...

Guess I'll throw my old "shminko" back in the closet, toss my sable-lined poplin raincoat over my shoulders, go out and hurl myself into athletics...

Democratic Club Meets April 15

The Grosse Pointe Democratic Club will hold a general meeting Wednesday, April 15, at 8 p.m. in the Veterans Room at the Grosse Pointe War Memorial.

Ass't Prof. Faribora Fatemi of the Political Science Department at Wayne State University will speak on "The Welfare-Warfare State and U.S. Foreign Policy."

Guests are cordially invited.

Church Women
Consider City

Two outstanding speakers, the Rev. Edward Allardice and Sam Clark, will present a timely discussion of "The Changing City Challenges the Church" at the regular monthly meeting of the Women's Association of the Grosse Pointe Memorial Church on Tuesday, April 14, at 10:30 o'clock. Devotions will be given by Mrs. M. Lloyd Davis.

For five years, Mr. Allardice has been the minister of the Covenant Presbyterian Church, which is an integrated church, working with the Board of National Missions. In conjunction with social agencies in the community, several teen-age coffee houses have been started by the Church.

Mr. Allardice is a graduate of Colgate University and Yale Seminary. Preceding his work at the Covenant Church, he spent two years with the Dodge Community House. In addition to his pastoral duties, he is also the president of the Board of Presbyterian Neighborhood Services.

The problems that manifest themselves in the inner-city have been of special concern to Sam Clark since he came to Detroit in 1961 to work as a summer student with the Presbyterian Neighborhood Services. After working with Presbyterian Neighborhood Services, he obtained a job with the Fort Street Presbyterian Church as Student Assistant to the minister, and later as Youth Director.

Mr. Clark is now working for the Detroit Board of Education in the Greater Cities Improvement Project, in addition to attending Wayne State University. He is also a member of the Presbyterian Inter-Racial Council, the Synod of Michigan Young Adult Work Committee, and works with the Presbytery of Detroit Adult Work Committee. In the future, he plans to enter a theological school to study for the ministry.

Luncheon reservations for the April program meeting may be made with the Church Office before noon Friday, April 10. Nursery care will be provided. Please call Mrs. Richard T. Heglin, (VA 1-9139), for reservations.

Mrs. Joseph W. Hemple

In Immaculate Heart of Mary Church, Philadelphia, Pa., ELIZABETH ANNE MAHAN, daughter of Mr. and Mrs. Sylvester Aloysius Mahan, of Buckingham road, was married to Mr. Hemple, son of Mr. and Mrs. Joseph W. Hemple, of Philadelphia, Pa.

In addition to pillow talk on the side lines, soft drinks and cakes will be served. Refresh-

Grosse Pointe War Memorial Center 1964 FAMILY PARTICIPATION CAMPAIGN

THE CENTER OFFERS YOU

For Community Service — A meeting place for any Pointe organization — An auditorium and banquet hall — A cancer center — Free blood in emergencies — Free loan of hospital equipment — Scouting.

For Cultural Satisfaction — An art center — Concerts — Stimulating lectures — Motion pictures — Lessons.

For Fun — Luncheons, dinners — A garden center — Hobby, special interest groups — Dances, parties — Reunions.

A MAN WHO came only recently to Grosse Pointe gave a most apt description of the Grosse Pointe War Memorial Center. He called it "the family room" for the five Pointes.

This gathering place for the people of the Grosse Pointes is a focus for culture, for fun, for learning, for relaxation. It answers the needs of all ages and many interests.

The new William Fries Auditorium has been in full use for more than a year. This handsome building, with Alger House, provides unmatched community center facilities for the events which last year drew more than 150,000 to the Center.

Our need is \$60,000. Our hope is that every Grosse Pointe family will share in support of this institution which we think is without peer in function, size and facilities. Last year, as usual, we met our goal. This year we not only want to meet our goal but, more importantly, to broaden support for the Center so that virtually every family takes part.

The Center has something for everybody. It needs something from everybody.

YOUR PERSONAL INVITATIONS WILL ARRIVE SHORTLY. WON'T YOU SEND YOUR CHECK BY RETURN MAIL?

FOR THE COUNTY OF WAYNECIVIL ACTION
NO. 23381

IN THE MATTER OF the Petition of the
Board of Education of The Grosse Pointe
Public School System, Wayne County,
Michigan, a public corporation, or state
agency of the State of Michigan, for the
taking by condemnation of private property
for the use or benefit of the public (land for
a proposed new high school in the area
bounded by Vernier Road, Morningside Drive,
Hidden Lane and Fairway Lane).

ORDER FOR HEARING, FOR APPEARANCE,
FOR PUBLICATION AND TO SHOW CAUSE

At a session of said Court held in the City-County
Building, in the City of Detroit, County of Wayne
and State of Michigan, on the 25th day of March,
A.D. 1964.

PRESENT: HONORABLE MILES N. CULEHAN,
Circuit Judge

The above matter having come before this court by the filing of a complaint by
The Board of Education of The Grosse Pointe Public School System praying for the
acquisition of private property by condemnation for a school site for the use or benefit
of the public, and showing the private property set forth in said complaint as being
necessary to be taken for making said improvement for the use and benefit of the public,
and praying therein for a hearing;

On motion of THAVIS, WARREN & NAYER, by Bert Burgoyne, attorneys for The
Board of Education of The Grosse Pointe Public School System,

IT IS ORDERED that on the 1st day of May, 1964, at the opening of court at 11:00
A.M., Eastern Standard Time, in the Court House in the City of Detroit, this court will
hear the plaintiff and the persons named in such complaint as parties in interest, who
are: Edward Vanderbush, a single man, Frank Vanderbush, a single man, and John W.
Baker and Hazel Baker, husband and wife, concerning the matters set forth in said
complaint, the purpose thereof being the taking of private property without the consent
of the owners for a certain public improvement, to-wit: Acquisition of private property
by condemnation for a school site for the use or benefit of the public in the area bounded
by Vernier Road, Morningside Drive, Hidden Lane and Fairway Lane, in the City of
Grosse Pointe Woods, Wayne County, Michigan.

IT IS FURTHER ORDERED that the above named persons mentioned in said com-
plaint as parties in interest appear before this court on the aforementioned date of
hearing to show cause, if any they have, why the prayer in said complaint should not be
granted.

IT IS FURTHER ORDERED that a copy of this order be served in accordance with
the provisions of Act No. 149 of the Public Acts of 1911, as amended, upon all parties
named in said complaint as interested in the land described therein, at least six (6) days
before the day of such hearing, and that a copy of this order be published once each
week for three (3) successive weeks in the Grosse Pointe News, a newspaper published
and circulated in the County of Wayne, State of Michigan, and that the last publication
be before the day of such hearing.

MILES N. CULEHAN,
Circuit Judge.
A True Copy.
EDGAR M. BRANIGAN,
Clerk.
By WM. B. ROLAND,
Deputy Clerk.

The description of the property to be taken for said public improvement as set forth
in the foregoing order, and as described in the complaint on file in the above cause, and
in the Resolution of the Board of Education of the Grosse Pointe Public School System,
Wayne County, Michigan, and also the names of the owners, occupants and others having
a direct interest in said lands as far as the same can be ascertained, are stated below,
to-wit:

DESCRIPTION

Southern spies inform us that a portrait of Mrs. Jerome Earl, painted by Palm Beach artist Channing Hare, is hanging in a Worth avenue art gallery. Mrs. Earl and her husband left Renaud road several years ago, to make their permanent home in Florida. She is the daughter of Mr. and Mrs. Arthur Hoffman, of Windmill Pointe drive. Mr. Earl's parents are the Harley Earls, formerly of Grosse Pointe. The portrait, incidentally, is described as "a beautiful rendering of a beautiful subject."

Still in the South: The A. D. Wilkinsons' Easter Eve party at Ca's Coco, their Palm Beach home, was—as usual—a fabulous success. Even the weather cooperated, providing a perfect, balmy, tropical night. Among the hundred or so guests gathered around the Wilkinsons' pool for cocktails, dinner and dancing: Mr. and Mrs. Ralph McElvanny, she in a silk print gown, and the Wilber Macks . . . Mrs. E. Lloyd Ecclestone wearing yellow brocade, with Mr. Ecclestone . . . Mrs. Gerald Hahn in a chiffon print, Mrs. Lester Ruwe in yellow chiffon, and Mrs. Alfred J. Fisher, Jr., in orange taffeta, all accompanied by their husbands . . . Mr. and Mrs. Robert Hofer, Mrs. Hofer radiant in white brocade . . . Mr. and Mrs. Owen Skelton, (Mrs. Skelton chose a stunning red satin gown) . . . the Arthur Seders, Jr. . . Mr. and Mrs. Daniel Goodenough, she in red-and-white silk . . . and many, many more.

Back in the Pointe: "Perfect Host" honors to German Shepherd Rito von Liebestraum, who joined his master and mistress, Mr. and Mrs. Oliver Dewey Marcks, greeting guests at the recent dinner party the Marckses gave for departing German Consul Norman Dencker and departing French Consul Alain Chaillous, and their ladies. It was Rito's first "big" party, but he behaved beautifully, remained friendly yet not effusive throughout the evening, and is looking forward to "the next time we entertain . . ."

A-lines and Empire waists have turned local "ladies in waiting" into some of the Pointe's most fashionable, best-dressed matrons. Spotted recently: Mrs. Eugene Kornmeier, III, (who may have become the mother of a boy or girl before this goes to press—she already has "one of each," will welcome either sex gladly), in a plain, beautifully cut beige wool afternoon dress with a small round collar of beige beaver . . . Mrs. Robert F. Roney, two strands of dazzling white pearls at her neck, wearing simple black wool with a front-and-center bow defining the high-rise waist . . . Mrs. Peter Mercier, in a country-style blue and white print accented with small rows of white braid . . .

If you have a chance: Drop in at the NEWS office and see the magnificent azalea, an almost tree-sized mass of hot pink blooms, full-blown and breathtakingly lovely on the counter by the front door. Last year at blossom time, we put the plant in the window for every passer-by to admire, but hot sunshine and azaleas, (apparently), do not mix: the flowers were sunburned one long, bright weekend, and a Monday morning rescue attempt failed to restore their full beauty. So this year, azalea admirers will have to come inside, but are advised to pick a sunny day for their visit . . . fluorescent lights do NOTHING for azaleas!

Canteen Conversation

By Rick Mills

Grosse Pointe. To you it means home. But what does it mean to someone outside of Grosse Pointe? "The land of the rich." "A group of wealthy snobs who look down on all others and try to keep undesirable elements out of their community." "Cake eaters!" In some places in Detroit you would be a fool to walk down the street wearing a Grosse Pointe jacket. Without an army of 10 or 15 friends around, you wouldn't last 10 minutes. What is the meaning of this feeling? Why does it exist? What can we do about it?

Do you think that feeling of resentment is held toward people of Grosse Pointe by other communities?

John Perkin: "To some extent, yes. Some places near Grosse Pointe do show this feeling but I don't think it exists elsewhere."

John Little: "Yes! Grosse Pointe has a surprising reputation. In Detroit we are thought to be a group of rich snobs who don't care about anyone else. Even in other parts of the country we have such a reputation."

Sue Solvo: "It seems that almost everywhere I go I discover the reputation that Grosse Pointe has. Because of their prejudice, many people are astonished that I go so far as to talk to them or try to be friendly. This feeling exists in both the teenage and adult world. People hear of a few affluent people in Grosse Pointe and they think we are all wealthy snobs. Because of our higher standard of living they seem to be jealous of all who live in our community."

Do people have any real reason to feel this way about Grosse Pointe?

Doug Stanley: "Some of this resentment is our own fault. Sometimes we do act snobbish and show off what we have to others less fortunate than ourselves."

Sue Lane: "These feelings are based on the fact that a few wealthy people who live here have become known just for their wealth. Maybe we are better off than many people in other places, but the average Grosse Pointer is not what many people believe him to be."

John L.: "The average Grosse Pointer is not rich. A few of our most wealthy citizens receive much publicity and are always cited whenever someone speaks

of the 'rich land of Grosse Pointe'."

Is this image beneficial or harmful to Grosse Pointe?

John P.: "People who judge Grosse Pointe by a few of its inhabitants are certainly not showing much intelligence. I don't think the image created has much effect on the people of Grosse Pointe."

Juliet Spiere: "This image is not good for us. No one enjoys being called a snob."

Doug: "Some teens from Grosse Pointe don't get along with other people who live elsewhere. An example of this is the fighting that takes place at athletic events at school."

What, if anything, can we as teens do to combat this feeling toward Grosse Pointe?

Sue S.: "Don't brag to friends outside of Grosse Pointe about your new car, boat, or house. Don't display money you may have. Try acting as humble and friendly toward others as possible."

Sue L.: "Do more with other communities through church and school."

John L.: "We can try to project a more favorable image by abandoning discrimination. We must try to show that any bad opinion of Grosse Pointe is false."

Doug: "If we were more friendly to other communities and did not act snobbish, we could save ourselves a great deal of trouble."

Julie: "We should take a greater part in American Field Service and Red Cross work at school. If we stopped showing off our clothes and cars, I think our image could be improved."

John P.: "I think that an average Grosse Pointer, acting natural, can prove that this image is false."

Much of the impression of Grosse Pointe is based on fact. Publicity is almost always slanted toward the more outstanding and bizarre members of a community rather than the average. By and large, a community is judged by this publicity. The youth of Grosse Pointe have as much drive, ambition and ability as do those in any other location in the country. I think it is time for Grosse Pointe to be recognized not as a group of "R.B.s," but for the contribution of its professional people. Men and women who strive to make our city, state, and nation a power for good and the greatest example of freedom and democracy in the world today!

Pointer of Interest

MRS. ROBERT J. WHITTY, OF WHITTIER ROAD

Harnessed Energy and Dorothy Whitty are synonymous; this dark-haired, vibrant mother-of-five, (who, incidentally, looks like her daughter, Christine's, older sister), combines talent, ability and willingness to work with a built-in "time" control.

Mrs. Whitty thinks a wife should be available to her husband, a mother available to her children, a woman available to her community. She considers these three "availabilities" complimentary rather than contradictory, and has evolved a sane balance between them, a comfortably busy but never overwhelming schedule that includes time-and-to-spare for all of her interests.

This is her second year as chairman of the Austin Fiesta, a day-long carnival sponsored by the Mothers Club of Austin Catholic Preparatory School. It sounds—and is—a big job, but Dorothy Whitty has discovered the Secret of a Successful Chairmanship.

Knows How to Pick
"I get the biggest kick out of picking someone out, sitting back and watching them go," she says with a smile. About 250 mothers are working actively for the April 18 Fiesta, co-chairmen Mrs. Leo Marx and Mrs. Gregg Bader are perfect in their jobs, and the Austin boys themselves are a great help, selling tickets, bringing posters, and volunteering to set up decorations or work in the cafeteria the day of the fair.

Was Art Teacher
An ex-high school art teacher, Mrs. Whitty has "attempted" almost all the crafts. Her latest venture is a class in decoupage, with the projected output of trays and purses already earmarked for sale at The Top Drawer.

Several of her own paintings hang in her downstairs hall, but she has not picked up a palette lately. ("No time"), and the pastel portraits of her five children, focal points in her living room, were done by an "outside" artist.

She has tried her hand at upholstery, and knits beautifully. Last year, she executed a beautiful gold hand-knit coat; her current projects, nubby mohair sweaters in vivid colors and intricate designs, are being "made to order" for Fiesta patrons.

She began working seriously for the 1964 Fiesta last fall, when she had completed chores as finance chairman for the Christ Child Fair and chairman of the Christ Child Ball. Christ Child is Dorothy Whitty's "pet" charity; she has volunteered her services to the organization for the past 15 years, and all her children have grown up with the idea that they and their friends should do something for other children.

Home in Afternoons
When her boys and girls were small, Mrs. Whitty concentrated on telephoning and pick-up details. Even now, she allocates committee work to the mornings, and is always at home and available to her children by 3 o'clock.

She is captain of the Christ Child Bowling league, (last year, she was president of the golf league), has just completed a term on the Christ Child board of directors, is on the board of St. Clare's Archconfraternity, and has been involved with Girl Scouts, (Christine), and Cub Scouts, (the boys).

The Whitty family is active and athletic, likes to do things together and separately. Christine swims and bowls on Detroit Yacht Club junior teams. A few weeks ago, she joined with her father in a DYC-sponsored parent-child bowling tournament; the pair won the trophy, bowling 200 pins over their average.

Little League Mill
Mr. and Mrs. Whitty have been through the Little League mill, with "early suppers and late dinners and packed lunches," and feel Little League was a good experience for all their boys. They rarely miss an Austin baseball or basketball game, turn out to cheer Christine and Robby, both of whom sail for the DYC, (John is a sailor too . . . he has his eye on the Sun Fish featured at

this year's Fiesta), love to golf and enjoy a good game of bridge. Vacations are sometimes a family affair, sometimes a chance for mother and father to get away together. Dorothy Whitty and her husband visited Las Vegas a year ago, and have traveled alone to Sea Island, Ga., New Orleans, and other "adult" recreation centers.

Some years, they pack the whole family — and, usually, at least one "guest" — in the car, then head for a cottage on Loon Lake, about 60 miles north of Lansing. One memorable summer, the entire Whitty menage drove to Montreal to pick up Michael, returning via the St. Lawrence from a European holiday, then continued north, touring Quebec on their way home.

Actually, Dorothy Whitty is debating the desirability of picking up old pastimes—painting, piano playing, teaching, ("I loved every minute of school") — or trying out new possibilities — (law, portraiture, buying old houses and redecorating them for sale).

Like House Shopping
She and her husband like to ride around and look at houses; the family moves about every six years because Mrs. Whitty "gets restless." Do-it-yourselfers, they fix up their homes—Mr. Whitty has just finished painting, with the boys' help, one of the upstairs bedrooms. But all Whitty energies for the next 10 days will be centered on Fiesta.

Austin does a tremendous job, teaching boys to study IF there is any interest to be cultivated," Dorothy Whitty believes. Her oldest son, Mike, started high school a poor student, graduated from Austin a High Section scholar, and has maintained an enviable academic record at U of D.

Monies raised through Fiesta are used for general school maintenance, with special emphasis this year, according to the chairman, on building up Austin's biology lab facilities.

Fiesta is a big project, involving hundreds of people, and could, if Mrs. Whitty let it, take up a big amount of her time. But Dorothy Whitty views her work as coordination. She believes a chairman's duty, by definition, is to oversee, not to attend personally to every detail, to "pick people out, sit back and watch them go."

People like to work that way . . . they usually work well . . . and the chairman who concentrates on the forest rather than the trees has time-and-to-spare for both her project and her family.

York-Paradis Rites Revealed

A reception in the Cloverly road home of Mr. and Mrs. William C. Tost followed the wedding of Jean Dolores Paradis and Richard Mackay Brown York.

The pair were married Saturday, in St. Catherine's Chapel of Sts. Peter and Paul Jesuit Church. The bride is the daughter of Mr. and Mrs. Alden Paul Paradis, of Gimli, Manitoba.

Her husband is the son of Mrs. Geoffrey W. B. York, of Ottawa, Canada, and the late Dr. York.

Attendants were Helda Ramsay, of Ottawa, and Stephen F. York, brother of the bridegroom.

Following a wedding trip to Chicago, the newlyweds will make their home in Detroit.

Marie Bird's Beauty By-Line

Recommended reading — "The Lady with the Soft-Boiled Look" by Eugenia Sheppard in the April issue of TOWN and COUNTRY magazine. In a most provocative manner, Miss Sheppard joins the chorus of voices that are chanting the glories of the new wave of femininity that is sweeping the beauty and fashion picture.

March McCall's devoted it's beauty section to "Return to Curls — The New Hairdo" with full color pictures of some. Vogue had several articles along the same lines in January and February — good news indeed for women that were eager for a change of pace!

All the wonderful "glossies" are now saying things you have been reading in Beauty-By-Line since last summer. They had the message then—but working two to six months ahead of publication—and not having indulgent editors (such as the staff at the G. P. News) to let them squeak in under a last minute deadline their articles lost the timeliness and impact that can only be found in your newspapers.

Famous Artist Comes April 13

Richard Kozlow, internationally known artist, is coming to the Grosse Pointe War Memorial on April 13 at 8 o'clock to do a lecture and critique for the Grosse Pointe Artists' Association and their guests.

Mr. Kozlow was a graduate of Cass Technical High School and for a short time studied at Arts and Crafts. He gave up a promising career with a well known interior decorating concern as their art director to devote full time to painting.

Almost a year in Majorca, Spain, produced some of his most magnificent paintings of the mountains. He then moved his family (wife and four children), to San Miguel, Mexico, where his youngsters went to Spanish schools.

His first feeling for the beauty of the mountains was stimulated in Idaho while in training for Officer's Candidate School. After he finished his stint in the Navy he lived in New York City for awhile where he recently won acclaim for a one man show at the John Canaday Gallery.

Another recent showing was in Los Angeles. Richard Kozlow was awarded the Founder's Prize at the Detroit Institute of Arts for 1962 and 1963 plus the Popular Vote.

With all these qualifications this lecture will be well worth hearing as well as the criticisms he will give on various members' paintings.

Members will be admitted free; for others there will be \$1 admission.

Second Guitar Class Starting

So popular have the Folk Guitar classes at the Grosse Pointe War Memorial proved that Alexander Sucek, the instructor, has been persuaded to repeat them in another beginning session which will start on Wednesday, April 22.

Those wishing to be a part of this class are urged to get their paid enrollments in immediately. The class is offered for a fee of \$15 for 10 consecutive Wednesday evening meetings.

At the first class on April 22, all students are asked to be present at 8 o'clock promptly. If the class is too large, it will be divided into two sections at that time, neither of which section will be permitted to be larger than 20.

Mr. Sucek wishes to emphasize that these classes will be repetitions of the ones just concluding and are not designed as a continuation of the earlier sessions. The new classes will be restricted to persons 14 years of age and older, as it has been found that a certain amount of maturity and dexterity is necessary to keep up with the class's work.

As has been proved by the last classes anyone who can master the basic cord positions on the guitar and the essential strums and rhythms can learn to accompany himself and others in simple folk singing. Proof of this was given at a Hootenanny held last Thursday evening in Fries Auditorium where a few of the better students joined with more mature performers in giving a splendid performance.
