FOR THE FIRST TIME in its 17-year history, the foreign aid bill was passed Wednesday by the House of Representatives almost in the same form as it was presented by President Johnson. The roll-call vote that sent the \$3.5 billion foreign bill to the Senate was 230 to 175, a 55-vote margin. The bill calls for \$2.4 billion in economic assistance and \$1 billion in military aid for U.S. allies and friends, plus \$125 million to help set up the anti-Communist war in South Viet Nam.

IN AN EXCLUSIVE interview with a Dallas newspaper, Marina Oswald, wife of the late President Kennedy's alleged assassin, Lee Harvey Oswald, said that she may have argued her husband out of trying to kill former Vice President Richard Nixon. The Nixon threat came in April or May of 1963, shortly before the Oswalds left for New Orleans to live. She also said that her husband considered Gen. Edwin A. Walker an "extremist" and thought he had done the right thing when he shot at him on April 10, 1963. She also feels certain that he was the lone assassin of the late President.

AFTER ANNOUNCING yesterday at the Maryland Republican state convention that he was an active candidate for the Republican nomination for President, Pennsylvania Gov. William W. Scranton labeled the ideas of front-running Barry Goldwater of Arizona a "weird parody" of traditional GOP principles. He said he declared his candidacy because he was concerned about some of the votes in the Senate and about the future of the Republican party.

PREMIER PRINCE Souvanna Phouma of LAOS said Friday that U.S. reconnaissance planes will resume flights over his country in a day or two. In a reversal of a previous position, he said American armed fighters are welcome to fly over Laos. They are being permitted to be resumed because of important new advances by Communist Pathet Lao and North Vietnamese troops.

Sunday, June 14

IT WAS LEARNED yesterday that six U.S. Air Force jet fighters swept over central Laos last Tuesday and delivered an attack on Communist anti-aircraft artillery positions. Authorities say the pilots were almost certainly Americans since the jets bore the U.S. insignia and took off from the aircraft carrier Kitty Hawk off South Viet Nam. The attack had diplomatic implications, as well as military, because failure of Communist China to deal with open American assaults successfully could cause China to lose prestige in Southeast Asia.

Monday, June 15

THE NEW YORK TIMES reported Sunday that Ambassador Henry Cabot Lodge has asked to be relieved of his post in South Viet Nam within 30 days. If true, the request is so timed as to assure his return home one day before the start of the Republican National Convention in San Francisco on July 13. Lodge is a prominent candidate for president by virtue of his write-in ballots victory in the New Hampshire primary. The White House, however, reports that President Johnson has received no request from Lodge to be relieved of his duties.

IN A DECREE that apparently invalidates Michigan's present legislative districting plan and the State constitutional formula on which it was based, the U. S. Supreme Court ruled Monday that state senators and representatives must be elected on a strict population basis. Michigan Chief Justice Thomas M. Kavanagh said that the State high court will probably act immediately to bring Michigan's legislative apportionment scheme in line with the new requirements.

Neighbors Unite to Celebrate Flag Day

Photo by Al Evert

Flag Day was celebrated with a bang this year in the first block of Ridgmont road, just off Kercheval avenue. Mr. and Mrs. Herbert Bartlett, appalled at the "noticeable scarcity of red, white and blue displayed in our block on the past Memorial Day holiday," invited all their neighbors to observe June 14 at an old-fashioned, patriotic, family party picnic. The neighbors came, bringing their own food, beverages and children; the Bartletts supplied ice, coffee, charcoal fires (to grill on), and miscellaneous items (band aids, io-

dine, etc.); and everybody put out a flag at their own homes and waved a flag at the Bartletts. Among those picnicking, many dressed appropriately in red, white and blue outfits, were the Fred Wissmans, Marce D'Hondts, Ed Lemieux, Harry Webb, Alfred B. Morans, Edward Kleefusses, Leonard Monahans, Ed Leichts, Donald Blisses, Peg and Meg Hammond, the Robert E. Crosses, Mrs. Ruth Singer, Father Jerry Singer and Mrs. Henry Odbert.

Working On Pool Issue Referendum

Farms Voters Will Be
Asked to Ballot on Pro-
posal to Improve
Swimming Facili-
ties

Farms City Manager Sidney DeBoer has disclosed his office is preparing a referendum for the September or November ballot to bring the issue of a new swimming pool before the Farms voters.

It has not yet been decided when the proposal will appear on the ballot, or exactly how it will read. However, it will reportedly ask for bond issue support in the neighborhood of \$200,000 for the new pool.

Estimated costs of the pool have been set at \$230,000. This figure includes a relocation of the existing sand beach further out from its existing line to make room for the pool.

Have Some Blueprints

Though plans for the pool are subject to further revision, existing blueprints call for a 56-foot by 100-foot general swimming area, ranging in depth from three to five and a half feet. Extending off obliquely from the five-foot-deep end would be a diving area 10 to 14 feet in depth. Extending from the shallow end of the pool would be a shallow area for swimming instruction.

The diving area would be trapezoidal in shape, 35 and 75 feet long on its two sides and 40 feet wide. The swimming instruction area, also trapezoidal, (Continued on Page 4)

Honors Awarded, Diplomas Handed Out at High School To 777 Graduating Seniors

Traditional Ceremony Witnessed By 4,000 Proud
Parents and Friends Thursday in Gym-
nasium; Mrs. Flom Honored

By Anne Boynton

With each of the 777 graduating seniors allotted four tickets, approximately 4,000 people attended Grosse Pointe High School commencement exercises on Thursday, June 11, at 8:15 p.m. in the auditorium-gymnasium.

The school's largest class, which brought the total number of diplomas granted by the high school to 13,400, requested that "Pomp and Circumstance" be played by the Grosse Pointe High School Symphony Orchestra for the procession.

Dick Hagman, class president, then welcomed the class and guests.

Following the welcome, senior speakers Bob Brammer and Nancy Brown delivered their speeches on the topic "Man's Purpose Is to Make a Difference." Bob and Nancy were chosen from among 10 candidates nominated by the class. All had to write speeches on the assigned topic, to be judged by the senior officers, senior home-

Thief Subtracts Adding Machine

An adding machine, valued at \$395, was found to be missing from Robbins Insurance Agency at 17864 Mack Avenue on Monday morning, June 15.

It is thought by City Police that entrance was gained through the rear door of the office and that the missing machine was taken sometime during the weekend. Police are still investigating the case.

New Paint Job Nullified As Blaze Ruins Bedroom

A lighted cigaret touched off an inflammable solvent, causing a fire that destroyed a bedroom of a Woods home on Saturday, June 13. The solvent was being used to wipe away paint drippings on the floor, according to a fire report.

Firefighters arrived at the home of Thomas Stephenson, 1231 Torrey road, to find the upstairs bedroom, on the west side of the house in flames. The blaze was brought under control in minutes.

Two public safety officers, Sgt. Jack Mast and Patrolman Kenneth Metcalf, were treated at the scene for smoke inhalation, and returned to duty.

Stephenson, 24, who was

alone at home, told fire officials that he had completed painting two closets in the bedroom and was using the solvent to wipe up paint spots from the floor. He was smoking a cigaret, at the time he said. He said he accidentally touched a paint brush in an open can containing the solvent with the cigaret, and the brush ignited. Stephenson said he grabbed a blanket to throw over the burning brush and can and knocked over the container of solvent, which spilled over the floor. He called in the alarm.

The fire was confined to the bedroom, which was destroyed with its contents. The amount of damage is awaiting an insurance inventory, it was said.

room representatives, and senior English teachers. Jim Hanna was alternate speaker.

Poses Questions
Bob asked, "What if Abraham Lincoln had said, 'Why should I bother going into politics?' I'm doing well enough as a lawyer?" And if Franklin D. Roosevelt he'd said, "Someone better do something about the depression. I can't. I've got to worry about my health?"

Nancy urged her classmates to "make a difference" today for a better world tomorrow.

Class honors, usually awarded by Mr. Jerry J. Gerlich, principal, were bestowed by Mrs. Ruth Flom, Dean of Girls. Mrs. Flom, retiring after 33 years in the Grosse Pointe School System, was presented with a bouquet of red roses by Dick Hagman from the graduating class. She took the opportunity to express briefly what her association with the graduates and their parents has meant to her.

More Awards
Most of the awards and scholarships for the class of 1964 were announced at the two all-school honors assemblies, academic and extracurricular. Booklets were distributed listing the recipients of the various awards.

However, additional members of the class were awarded honors at the exercises.

The Grosse Pointe Rotary Club Service Award, a watch, was awarded to Jim Hanna, the student who, in the opinion of the faculty, has, during a three-year high school career, given evidence of the most unselfish service to the school.

Michael Bielawski was the recipient of the Plebeian Athletic Award. Mike was selected by the coaching staff for outstanding achievement in athletics over a three-year period.

Top Students Honored
Receiving an engraved thesaurus were 39 members of the class, representing the top five percent scholastically. They were: Judith Altman, Claire Ber-
teel, Robert Brammer, Nancy Brown, David Bullard, Karen Callaway, Suzanne Chase, Margaret Comly, Corliss Cubberly, Sandra DiBasio, Dianne Dilloway, Deborah Ferry, William Freedman, Kay Fuller, John

Operation Against Polio
Called Resounding Suc-
cess; Great Coopera-
tion Exhibited

The final phase of "Operation Sugar Cube" in the Grosse Pointe School District was termed a "resounding success" and "a fine example of community cooperation" by Dr. Paul E. Mawhinney, Director of Pupil Personnel for the system and area chairman of the clinic program.

Dr. Mawhinney cited the fine relationship between the schools' personnel, administrators, teachers, nurses, secretaries, and custodians—and the Wayne County Medical Society, sponsors of the entire program in the Detroit metropolitan area. He mentioned Mrs. Alberta Davis, R.N., as a key person in the total success of the local clinics.

"As in the April 19 clinics, we could not have done the job without the fine assistance and hard work of a host of other local volunteers. These doctors, nurses, pharmacists, bankers, P.T.A. members, and others did yeoman service. The entire community is indebted to them for their efforts," Mawhinney concluded.

The June 14 clinics, a follow-up of the April 19 feedings of polio vaccine, were held in eight of the elementary buildings of The Grosse Pointe Public School System.

Ignores Light; Causes Crash

A ticket for reckless driving causing an accident was issued to Earle B. Wilson of 4615 Nottingham, Detroit, on Saturday, June 12.

Wilson, driving east on Charlevoix, went through a red light and struck the right side of a car driven by Novell C. Swann of 17840 East Jefferson. Swann was going south on Neff when the accident occurred.

Preserving Pointe For Ideal Living Calls for Planning

Planners' Report to City Follows Length Study of
Necessary Steps to Guard Against
Deterioration of Area

(Editor's note: The series of articles prepared by Scott Bagby and Associates of Grand Rapids, City Planners, is continued in this issue of the NEWS. The report pertains to the planning needs of the entire Grosse Pointe community, and a long range guide for present and future community action. This is a continuation of the Planning Program.)

Community Facilities (continued): Since the Grosse Pointes have established and prefer to maintain an above average school system, and above average schools are a major factor in maintaining the values and characteristics which distinguish the Grosse Pointes, it is strongly urged that the School District meet above average standards by the development of all of its elementary schools as neighborhood community centers and neighborhood "School Parks."

An above average reputation can only be maintained by a continuous policy of adding to, or increasing, above average standards and services, the Associates pointed out.

The development of carefully planned School and Neighborhood recreation facilities in the modern School-Park has demonstrated its value wherever it has been properly done, and this is particularly true in communities where a large number of pupils do not attend public schools.

Cite Minimum Size

The ideal site for such a School-Park is 10 to 12 acres, which should be the minimum standard throughout the School District, the city planners stated.

The School-Park concept has been in existence since 1918, but only recently has it enjoyed wide acceptance. The School-Park is designed to avoid costly duplication of separate neighborhood playgrounds and neighborhood schoolground play areas. This is particularly pertinent in a built-in community where meeting any accepted standards for park or school sites will require removal of existing homes and vacation of existing streets.

The School-Park is designed as a neighborhood school, park and community center. It is (Continued on Page 6)

Recover Body Of Lake Victim

The body of a 17-year-old drowning victim was recovered off the Grosse Pointe Yacht Club on Sunday, June 14, by personnel of the St. Clair Shores Coast Guard Station.

The victim was Conwell D. Dodson of 2927 Lenox, Detroit. His body was discovered floating approximately 100 yards off the yacht club docks, and reported to Shores police, who called the Coast Guard.

The body was taken to the Coast Guard station and later released to the Macomb County Coroner's Office, where an autopsy disclosed that the boy had died from drowning.

Dodson was reported missing from the boat of a friend, Ronald Williams of 36057 Vaughn, Mt. Clemens, with whom he had gone pleasure riding on Lake St. Clair.

The youth was last seen on the boat just off St. Clair Shores at 12:29 p.m., on Tuesday, June 9. Williams had reported the boy missing.

Police Cite Importance Of Bicycle Safety Rules

Now that school is out, motorists, pedestrians and local police officials are concerned with the increased number of bicyclists who take to the roads or sidewalks to pursue their summer activities.

It is imperative, according to authorities, that bicycle riders observe all rules for bicycle safety, particularly during this period of outdoor activities and travel.

Parents are advised to caution their children about the use of their bicycles and to remind them of the rules set forth for their safety.

City Voters To Ballot on Bond Issues

Projects Include Sewers,
Public Works Garage
And Purchase of
Neighborhood
Club Land

In a three-pronged effort to make Grosse Pointe City an even more attractive and stable area in which to live, the City Council Monday night, June 15, approved formal resolutions which will place before the voters in the fall primary three bond issues, totaling \$1,625,000.

The action took place at the Council's regular monthly meeting.

All three bond issues are 20-year general obligation issues and are projects guaranteed for 40 years.

The first issue for \$200,000 would be used to purchase the open area of the property owned by the Neighborhood Club. The land would be used to expand the City's recreational facilities for its residents. An independent firm appraised the property at approximately \$200,000.

Would Repair Building
The Neighborhood Club, in turn, would use the money acquired from the sale to make the repairs necessary to put its building in usable and safe condition. City ownership of this area would insure residents that the property would be preserved and maintained as a recreation center.

A \$100,000 bond issue will be placed before the voters to finance the building of the Department of Public Works garage, which is already under construction directly behind the City offices. The City was forced to proceed with the construction of the building without allocated funds because of an October deadline for vacating its old property, now owned by the Unitarian Church.

Originally, City officials had hoped to help pay for the garage through matching funds from the federal government's Accelerated Public Works Program. The program, however, ran out of funds before the City's request was considered. (Continued on Page 4)

Club Closing Starts Fight By Citizens

Officials' Statements And
Explanations Challenged
By Irate Residents In
Heated Session

A group of irate residents scolded the Woods council Monday night for "secret conspiracy" and "open discrimination" in their recent decision to eliminate from their 1964-65 fiscal budget the operation of the Woods Community Center at Mack avenue and Hampton road.

After an hour and a half discussion, Woods Mayor Kenneth McLeod promised the question would be further studied by the council's Executive Committee "in the near future."

One of the citizens' group's chief spokesmen, Mrs. Dwight Hendricks, of 2168 Hampton road, charged, "With the Woods population increasing as fast as it is, it is extremely shortsighted of the council to eliminate any recreational facilities at this time."

Closed For Month

(According to Woods director of Parks and Recreation Donald Hallman, the center's doors have been closed since the middle of May. However, he reminded residents that a recreation director would be on duty on the Chene-Trombley playground adjacent to the center this summer.)

Residents at the meeting charged that not even the lights on the playground had been left on, and one suggested, "At least you could keep the outdoor drinking fountain on."

Several members of the council attempted to restate the group's reasons for the closure.

Mayor McLeod asserted "We felt that our money could be better spent through programs other than those we can provide at the Community Club."

He said the activities at the center were largely duplicated in summer programs in the schools and in the War Memorial.

Cites Vandalism
Mayor McLeod also referred to increasing incidents of vandalism and "immoral activity" in the area of the center as another factor in the council's decision.

Councilman Thomas E. Leah also spoke firmly in support of the council's actions. He said, "We've gone along for some time with a very limited activity there," and called the center "a little club" for residents in the immediate area.

Leah said he has taken an informal poll of three residents of the area, and that all three had been in favor of closing the center. He added:

"One of the three said, 'If you could hear some of the language that we hear, you'd have closed it up long ago.'"

Viewing the citizens' arguments that a full-time supervised schedule was needed at the center, Leah stated:

"These aren't valid arguments if you're genuinely interested in taking care of your children, but only if you're interested in dumping your children and running off somewhere."

Demands Explanation
The residents' group, with Mrs. Hendricks as their spokesman, demanded a reason why the Recreation Commission, appointed by the council to a purely advisory role, had "never even considered the closing."

Mrs. Hendricks said she had contacted five members of the six-man group, and that one had been opposed to the closure and the other four were not aware that it had been closed. She quoted one as saying to her, "It's all news to me."

Mrs. Hendricks stated that her group's primary concern was for youngsters of the upper elementary grade group. The summer programs in the schools, she stated, "are geared to the very young," and firmly avoided the older children.

Mrs. Hendricks said she had learned from the Mayor that the matter had been discussed by the council's Parks and Recreation Committee, comprised of Leah, chairman, and council-

men Frederick M. Maddock and Lathrop P. Morse.

She stated: "I called Councilman Morse, who said he thought he was on the Recreation Committee, and that he guessed that Councilman Leah was the head, and that he thought someone

else was on it, but wasn't sure who."

Program Requested
The citizens' group had submitted petitions signed by 281 residents (according to City Clerk Leona D. Liddle). They asked Monday night that a four-point program be enacted in re-examining the closing:

- First, they asked, a "professional recreation consultant should be called in to make a study of both the present and future recreation needs of the community."

- Second, the report should "be on hand" for study by the Recreation Commission and interested citizens, and the Commission should be asked to report to the council.

- Third, "well publicized hearings" should be held on both the report and the Recreation Commission's recommendation.

- And finally, efforts should be made in the meantime to repair the roof of the center and restore and maintain the center's program.

(Director Hallman confirmed that the center at present has a leaky roof.)

To Open Monday
The mayor and Hallman informed the residents that the center would be open from noon to 8 p.m. five days a week this summer, supervised by a physical education instructor from the Pointe school system, starting Monday, June 22.

The building has been closed from the middle of May to the present date, they confirmed. Mayor McLeod also asserted that the decision to close the center had been made by the council's Budget Committee, and only after lengthy consideration of the monies available for the 1964-65 budget.

Mrs. Hendricks replied that the "study was not very thorough," and that an outside consultant was needed for "a fair appraisal."

Another resident, Mrs. Joseph Hughes, of 2308 Hollywood road, stated after the meeting, "He (the mayor) has given the citizens of that area a second-rate badge."

Statement Challenged
During the meeting, Mrs.

Hughes had challenged Leah's reference to a poll of three residents, saying he couldn't have spoken to the three people he referred to because all three had signed the petition.

Mayor McLeod countered, "I object to anyone insinuating that one of our councilmen is lying," and said he would trust Leah's account.

Mrs. Hughes answered, "I wish you'd come right out and tell us what other use you have in mind for that land." (The mayor said no other use had yet been decided upon.)

Mrs. Hughes drew applause from the audience when she concluded her argument: "If you have money to spend on new boat wells, all I can say is I think children come first."

Music Director Paid High Honor

Richard H. Snook, Director of Instrumental Music at Grosse Pointe High School, has been invited to conduct the Central Michigan University Youth Symphony Orchestra for two weeks starting June 19.

Snook will also conduct the Michigan State University Youth Symphony Orchestra during the three week summer music camp held annually on the campus of Michigan State University. He conducted the Michigan State University Orchestra last summer during the same three week camp.

Welcome Wagon Awards Nursing Scholarship

A member of the 1964 graduating class of Grosse Pointe High School, Frances Elaine Smith, of Vernier road, is the recipient of a three-year nursing scholarship awarded by the Welcome Wagon Club of Grosse Pointe.

Miss Smith will attend the Harper Hospital School of Nursing in Detroit.

The Welcome Wagon Club, which meets monthly at the Pointe War Memorial and contributes to the War Memorial Fund, is also contributing to the YWCA McComb Camp Scholarship Fund, which will send several girls to Camp Cavell, Lexington, Mich.

Bike Safety

(Continued from Page 1)
shall not ride more than two abreast, except on paths or parts of highways set aside for the exclusive use of bicycles.

According to rule three, every bicycle shall be equipped with a lighted white lamp on the front, visible from a distance of 300 feet in front and shall also be equipped with a reflex mirror, reflector or lamp on the rear showing a red light visible from a distance of at least 200 feet to the rear for night riding. Rule six says that no person shall ride a bicycle unless it is equipped with a bell or horn capable of being heard at least 100 feet away. No siren or whistle is permitted on any bicycle.

Rule four states that no person shall ride a bicycle unless he is sitting on the seat permanently attached to it. In other words, two on a bicycle is unlawful.

A City Ordinance is spelled out in rule five which says that it shall be unlawful for any person to operate a bicycle upon the streets without first obtaining a license from the Police Department. The license is permanent and good for the life of the bicycle.

In rule seven, it is forbidden when riding any bicycle, coaster, roller skates, sled or toy vehicle to hitch on any other vehicle.

Riding on the sidewalks and not on the streets is mandatory until a child is 12 years old, under rule eight. And finally, rule nine tells the bicyclist not to carry any package, bundle or article which prevents him from keeping both hands upon the handle bars. (A wire basket on the handle bar will solve this problem.)

These are all rules written for the safety and protection of children and their parents. To prevent future tragedies and accidents it is essential for all bicyclists—young and old—to know them and observe them.

Pointe Theater Presenting Hit

A gala opening night is being planned for the Grosse Pointe Theater's production of the Broadway hit musical "Guys and Dolls," musical by Frank Loesser, book by Jo Swerling and Abe Burrows, based on a story by Damon Runyon, Thursday, June 18.

A glittering first night audience (black tie optional) will be entertained by outstanding performances by Don Bliss as Sky Masterson, Lorna Wildon as Sarah,

Cases Heard In City Court

Both Judge Douglas L. Paterson and Judge Malcolm J. Sutherland heard cases in Grosse Pointe City's Justice Court on Tuesday, June 9.

Judge Paterson found Edmund Pratt of 582 Neff Road guilty of being a disorderly person although Pratt pled not guilty. He was fined \$35 and placed on probation.

In the first of the seven remaining cases, which were tried before Judge Sutherland, Paul Irie Etheridge of 204227 Stafford, Detroit, failed to appear to answer charges of reckless driving. His \$25 bond was automatically forfeited.

Two cases, in which the defendants were accused of reckless driving, were dismissed because the plaintiffs refused to sign complaints. The defendants were Bertha Feys of 1348 Beaconsfield and Albert Delase Anderson of 1862 Allard.

Pleading not guilty to reckless driving charges, were Lenore Diana Hayes of 22730 O'Connor, St. Clair Shores, and John Russell Salmonson of 3787 Philip Detroit. Judge Sutherland found Miss Hayes guilty of driving without due care and fined her \$20. Salmonson was found guilty of his charge and fined \$25.

Ronald William Adam of 1381 South Renaud pled not guilty to a charge of speeding 35 m.p.h. in a 25 mile zone. He was found guilty but given a suspended sentence.

A fine of \$15 was imposed on Richard Joseph Todd of 4104

Woodhall, Detroit, who pled guilty to a charge of driving 45 m.p.h. in a 30 mile zone on Mack avenue.

Okay Stop Signs Along Chalfonte

A group of Chalfonte avenue residents succeeded in getting the Farms council to heed their third plea for at least two stop street signs on their street, as a possible means of discouraging speeders.

On Monday night, June 15, the residents presented a petition, signed by the citizens living along Chalfonte. The petition asked that the council authorize the installation of a stop sign at Bournemouth, and another at Barclay.

It was claimed that speeding on Chalfonte was becoming constantly worse, and that motorists, especially teenagers, have been using the avenue as a drag strip.

One resident pointed out that there are no traffic controls on the avenue, between Moross and Cook roads, and cars have been speeding between 60 and 70 miles an hour. The speeding occurs day and night, especially at night.

CTSC in Woods Studies School Crossing Problem

The Woods Citizens Traffic Safety Commission met Wednesday evening, June 10, to discuss present and future traffic problems regarding the Mack-Vernier intersection, to better protect pedestrians and especially students of Parcels Junior High and Mason Schools.

Cpl. Frank Simoneau of the Michigan State Police, at the invitation of Woods Police Sgt. Roland Symons, traffic safety officer, attended the session.

The Woods officer informed the commission that he had conducted a traffic survey of the intersection on May 29, 30 and 31, and June 1, 2, and 3.

The result of the survey, Symons said, showed that approximately 14,000 automobiles traverse the Mack-Vernier intersection; about 900 children cross Vernier daily; and approximately 300 bicycles cross the road.

At Wednesday night's meeting, the value of a blinking school zone light, tabled for further study at the May meeting, to be located in the Mason-Parcels area, was re-examined. The CTSC felt that a sign of this type would not be feasible, for two reasons—it would be too close to the intersection, and a blinking light to control speed would be ineffective.

Suggestions, a few of which were offered by Cpl. Simoneau, were debated by the commission members. These include:

1. Construction of an overhead pedestrian bridge in the Parcels area (Sgt. Symons and Patrolman Jack Patterson, school safety officer will discuss this with the school principals).
2. Reconstruction of the cross-over on Vernier road in front of Parcels to prevent vehicles approaching it from the Mason School side to turn left and discharge Parcels pupils.
3. The possibility of adding a third phase to the Mack-Vernier signal light to allow for right turns off Mack onto Vernier during school periods of high pedestrian crossings.
4. The suggestion (by the CTSC members) that the Department of Public Safety consider relocating the Mack-Vernier school crossing guards to Mack and Van Antwerp, on a trial basis, when school reopens in the fall.
5. Refresher courses for crossing guards.

The commission, which acts only in an advisory capacity, suggested that City Administrator Chester Petersen arrange with the State Highway Department to have the Vernier road curbs revamped in front of Parcels, to allow only turns for those driving east to go to west Vernier.

Also the commissioners suggested that the city administrator seek a meeting with the Wayne County Road Commission regarding a study of the value of the third phase in the signal at the Mack-Vernier intersection.

The hitch-hiking problem was discussed, and it was pointed out by Petersen that the ordinance prohibiting this mode of travel should be "tightened."

The CTSC recommended that the Woods Council prepare and adopt a proper resolution to be submitted to the County Road Commission requesting that:

1. It restudy and reevaluate the traffic signal needs on Mack avenue.
2. Install a new modern traffic and pedestrian signal system to be coordinated with the installation of the new street lighting system.
3. Wherever possible, eliminate all overhead guy wires and cables at street intersections, mounting signal heads and etc., on steel ornamental poles, with underground wiring and projecting steel mast arms, similar to those installed in the Park.

Present members of CTSC are: Martin W. Chamberlain of 1386 Roslyn, chairman; Donald C. Bangs of 2004 Hollywood, secretary; and George F. Lasher of 1629 Newcastle; Payard A. Clark of 1969 Van Antwerp; and James A. Sando of 1227 Roslyn.

The commission meets on the second Wednesday of the month. The next session by the group will be on September 9. There are no meetings during the summer months.

Pool Issue

(Continued from Page 1)
would have similar dimensions. If the present plans are accepted, the pool would be located with its lakeside edge almost exactly on a line with the existing walk at the rear of the bathing beach.

Also included in the planning is a 40-foot wide spray pool with eight spray heads, to be located between the existing bathhouse and the lakeside edge of the proposed pool.

More Mooring Spaces
Another improvement envisioned for the municipal pier is the addition of 150-200 boat mooring spaces on the east side of the park. "But the pool expansion is the first matter at hand," Mayor William Connolly reported.

As the move for the swimming pool gained further support from Farms residents, city officials are continuing discussion of site and financing details.

However, Monday night's council meeting in the Farms municipal offices passed without any discussion of the pool issue. The Farms Committee of the Whole met in private session after Monday's session, and the pool question may have found its way into that discussion.

Since then, the council has debated means of meeting this cost, among them a special bond issue, a relocation of existing municipal funds, or the charging of admission to the pool.

Agree on Bond Issue
The councilmen agreed after long discussion at their June 1 meeting that the bond issue would be the most advisable means.

Mayor Connolly stated Monday that the idea of diverting funds from an existing public reserve fund would "interfere with the ordinary projection of public improvements for future years."

This fund presently includes as its largest items street construction, capital equipment (maintenance equipment, trucks, etc.), and some short term expenditures such as the new municipal building and improvements to Kerby field.

In the projected fund for 1964-65, \$50,000 is seen to be available for pier park improvement, though it is up to the council's discretion whether to use these monies for the boat mooring or swimming improvements.

Awarded grants by various local clubs were: Frances Smith, a Welcome Wagon scholarship in a nursing program; one undesignated member of the class, a Lions Club financial-aid grant; Ronald Irwin and Dennis Bress, Lions Club financial-aid grants; David Verbeke, a Kiwanis Club scholarship; Ronald Irwin, a Woman's Club achievement award; and David Weamer, an Exchange Club scholarship.

Mothers' Club Thanked
Mrs. Flom also gave special recognition to the Grosse Pointe High School Mothers' Club, which has contributed tremendously to the total program of the school. Among its many projects is the awarding of college scholarships to deserving graduates. The first scholarship was a grant of \$200, awarded in 1931. Since then a total of \$70,000 has been given to 230 students, an average of \$300 per student. This year the Club awarded a total of \$5,600 to 16 students.

Mr. Gerich then certified that the members of the class of 1964 had met the requirements prescribed by the regulations of the Grosse Pointe Board of Education and presented the class to Dr. Charles H. Wilson, Superintendent of Schools.

Dr. Wilson Speaks
Before the presentation of diplomas, Dr. Wilson told the graduates that they had spent less than 10 percent of their lives in school and that "perhaps there were some other factors besides schools which have contributed to your education." He then recognized the parents and grandparents of the class of 1964.

Dr. Wilson also introduced members of the Grosse Pointe Board of Education. Seated on the stage were Robert Whately, president; Mrs. Alice Mary Hykes, secretary; Edward Pongracz, treasurer; Dr. Frank Parcells, trustee; Russell H. Peebles, trustee; Robert E. Weber, trustee; and Mrs. Barbara Thompson, newly elected trustee to take office in July. Unable to attend the ceremonies was Franklin D. Dougherty, vice-president.

Counselors announced the names of the graduates, who filed up to the stage. Dr. Wilson presented the diplomas, assisted by James Large, class representative.

The class president expressed the class's regret that one of its members, Susan Stahl, was unable to attend because of illness, and extended its sincerest best wishes to her.

Join in Song
Accompanied by the orchestra, the graduates then joined in the "Alma Mater" for the last time.

Finally, to the strains of "Pomp and Circumstance," diplomas in hand, the capped and gowned figures marched out of the auditorium, to fade into the ranks of alumni.

After the exercises, the Mothers' Club sponsored "Aloha," a buffet supper and dance at the Fries Auditorium. Lasting from 10-2 o'clock, the party featured Hawaiian decorations, dancing, "Notorious" a movie starring Cary Grant and Ingrid Bergman, and drawing for door prizes.

The garden and lakefront grounds were open to the seniors and their guests, and many members of the class considered the party to be the nicest of their three years at the high school.

MIRROR TAKEN
Michael J. Collins, 25, of 204 Moross road, told Woods police that while his car was parked in the Woods Theater lot, someone stole the rear view mirror, valued at \$4. The theft occurred on Wednesday, June 10, he said.

PLUNGING THEFT
Mrs. Robert Haney of 495 Shelbourne, called Farms police on Wednesday, June 10, to report the theft of two sets of diving equipment, tanks and breathers, from the rear porch of her house. The loss is valued at a total of \$400.

City Plans Bond Issues

(Continued from Page 1)
The old Unitarian Church property on East Jefferson, which now belongs to Grosse Pointe City, could be sold at this time in order to finance the construction of the garage but authorities have advised City officials to retain ownership until such time as it becomes more marketable.

Is Still Occupied
Two things stand in the way of the City's realizing the full value of the property at the present time: one, the property is still occupied and will be until the new Unitarian Church is completed; and two, the adjoining property, whose ownership is tied up in litigation, will eventually be available for sale. It is felt that the properties will be more attractive to buyers if they are sold together. Planning experts hope that the two pieces of land can be sold as a package for an attractive subdivision.

The Council pledges that the eventual proceeds from the sale of the East Jefferson property would be used for capital improvements. These would include street repair and paving, rebuilding catch basins and curb repairs. This use of the money realized from the sale of the City-owned property would accelerate work in an area which over a period of years has been done on a piecemeal basis because of lack of funds.

Big Sewer Project
The largest of the bond issues is for \$1,325,000 and would go for construction of improvements to the sanitary and storm sewer systems of the City. Broken down into three categories, \$559,900 of this particular bond issue would go toward installing sanitary relief sewers; \$706,800 toward storm relief sewers and \$58,300 for the repair and automation of the sewer pump station, located at the corner of Neff and Charlevoix.

The cost estimate of improvements to the sewage system is the result of a study by City Engineers, George Jerome and Company, completed over a two

year period. Authorities emphasize that these repairs and additions to the system have been needed for a number of years and the full benefit would encompass the entire community.

In other business the Council approved Herbert D. Ralph's request to construct a home on a lot located in Washington road at St. Paul. The approval followed a scheduled public hearing.

The Council also voted to approve the proposed amendment to Zoning Ordinance No. 98. The amendment eliminates the clause permitting accessory use in conjunction with a residence.

In addition, the Council unanimously passed the ordinance adopting a Uniform Traffic Code, which will take effect 10 days after it has been posted and published.

Guidance Clinic Seeks Support

The Woods council was asked Monday night to provide financial assistance to speed the opening by September of a child guidance clinic to serve the northeast Wayne County area, to be located at 18424 Mack avenue in the Woods.

The council referred the matter to the Executive Committee for further consideration.

In a brief presentation to the council by Mrs. Francis Marsh, it was revealed the clinic will provide diagnostic evaluation and psychotherapy for children with learning difficulties, children unable to adjust to school or home, children with neurological impairments and retarded children.

Later in its development, it is hoped the clinic will provide opportunities for student training and eventually undertake research projects.

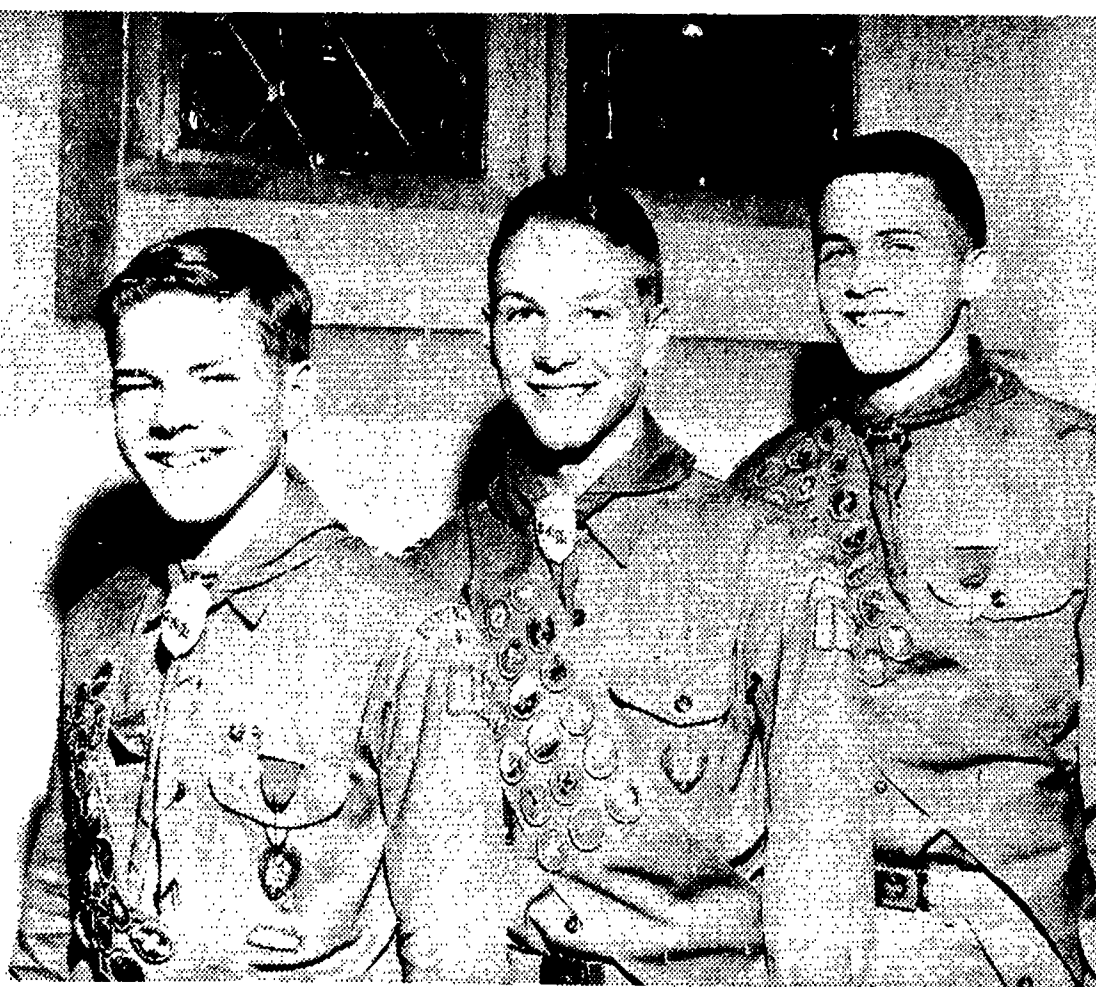

The clinic's board of directors will hire a staff worker and the Children's Center of Wayne County will provide the rest of the personnel to complete a psychiatric team to operate the small clinic.

At present, the clinic lacks \$10,000 of its first year budget.

Many organizations have given their endorsement and support to the plan, among them the Pointe League of Women Voters, the Junior League of Detroit, the Board of the Neighborhood Club, and other groups.

ANDREW M. SIMMONS of Roslyn road was awarded a Master of Arts degree from the University of Missouri at the university's 122nd annual commencement exercises held on Tuesday, June 9.

GPYC Missing \$410 In Towels

Seven bundles of new towels, valued at a total of \$410, were reported missing from a linen closet at the Grosse Pointe Yacht Club, it was disclosed on Friday, June 12.

Shores Police Chief Fred Duemling said that several em-

ployees, and one former employee, have been questioned regarding the missing towels. No one seemed to know what had happened to the missing items, he said.

The towels were in a linen closet near the club swimming pool, and were discovered missing by Herman Bliss, 18, of 884 St. Clair, pool guard.

The matter is still being investigated.

Farms Council Boosts Salaries

The Farms council on Monday, June 15, approved a three percent increase in the salaries of all city employees, to become effective the beginning of the fiscal year on July 1. The raises will add a total of \$20,747 to the annual payroll.

Carroll C. Lock, city controller and acting city clerk, said that the increase means an addition of \$18,586 in the General Fund to pay employees of the Administrative and other departments; and \$2,161 to the Water Department Fund, to pay employees of this group.

He said that the General Fund monies are raised through direct taxation, whereas, the Water Department Fund monies are from revenues received through the sale of water.

The new pay schedule is applicable to salaried and some hourly rated employees.

Among the full-time employees who will share in the salary increase are the personnel of the police and fire departments. The present and new annual salaries are:

Police chief—from \$9,159 to \$9,434; lieutenant — \$7,735 to \$7,967; detective sergeant—

\$7,108 to \$7,321; uniform sergeant—\$6,852 to \$7,058; patrolman—\$6,260 to \$6,450; dog warden—\$5,591 to \$5,759; and part-time employee (summer) \$1.95 to \$2 an hour.

Fire chief—\$9,090 to \$9,363; captain—\$7,274 to \$7,482; senior

lieutenant — \$6,678 to \$7,181; lieutenant — \$6,652 to \$7,058; sergeant—\$6,556 to \$6,753; and fireman—\$6,260 to \$6,450.

Probationary policemen and firemen will receive a starting salary (pro rated) for the first three months of \$6,131, next nine months—\$6,289; and after one year, the full salary of \$6,450 annually.

SKI ROPE FOUND
Joseph Calcaterra, 17, of 539 Sunningdale, found a water ski rope on Saturday, June 13, while boating off the Grosse Pointe Yacht Club. The rope and attachments are in the safekeeping of the Shore police, 795 Lake Shore road. The owner may have the items if he can prove ownership.

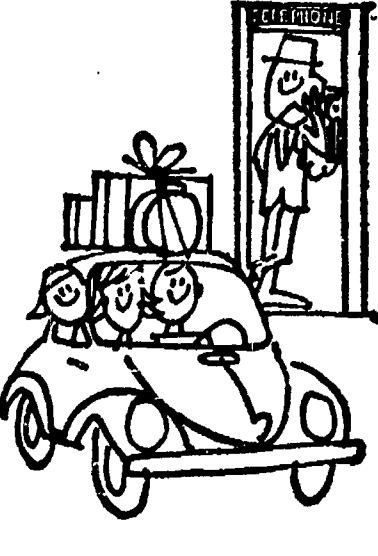

MICHIGAN BELL

IF YOUR PHONE could talk, it might have a bit of a Southern accent! For one important part of most phones today is a small fluffy ball of cotton. The cotton is tucked into the hollow part of the handset, to prevent vibrations and echoes from the mouthpiece reaching the earpiece. It contributes greatly to the amazing clarity with which today's phones transmit voices across town or over thousands of miles with equal ease.

"WE'RE ON OUR WAY!"

Planning a trip? Before you pack up, pick up the phone and let folks know when to expect you. You'll avoid the disappointment of finding them away from home when you arrive. And of course it's equally important to phone ahead when a hotel or motel is your destination. And when you arrive, why not phone the folks at home? They'll be glad to hear you arrived safely. It doesn't cost much to keep in touch by Long Distance—use it often.

BE OUT-OF-DOORS without being out-of-luck when the phone rings. Ever miss out on an important call because you were out in the yard and couldn't hear the phone ring? It won't happen again if you'll just ask your Telephone Man to install a Bell Chime ringer. This device can be set to ring extra loud when you're outside. Then when you're indoors the Bell Chime can be set to announce calls with soft, melodious notes that will soothe your ear—or set for your regular telephone "ring." Order yours today. Just call our Business Office.

Preservation of Pointe Calls for Good Planning

(Continued from Page 1)

jointly planned and financed by the City and School Board, to provide play facilities 365 days a year for the adjacent neighborhood, and adult community facilities in a community room designed into the school building, it was disclosed in the report.

Program Big Success.
An adopted School-Park program in a large Michigan city has resulted in 23 new School-Parks providing both child and adult with complete recreation facilities. These schools are designed with a community room which can be heated, lighted independently of the other school facilities.

In these community rooms, the Recreation Department offers supervised facilities for any group of five or more persons who want to participate in basketball, ceramics, bridge, painting, or any other activity. The playground area, available for school use, is also available on a year-round basis for all of the adjacent neighborhood, regardless of whether the children are enrolled in the public school system.

Grosse Pointe, it was stated, will find that with its large proportion of parochial and private school pupils, the School-Park will be a primary factor in stabilizing and maintaining the neighborhood values.

Maire Not Satisfactory
From this standpoint, the Maire School which serves the City of Grosse Pointe and parts of Grosse Pointe Park, meets none of the desired standards. Its small site and its unattractive open space areas, surrounded by traffic and parking, will not be conducive to maintaining values within its residential service area.

Scott Bagby recommended that future building plans call for the acquisition of the half-block of property on the west side of St. Clair, and the development of this area, plus the development of this area plus the Neighborhood Club property as a modern School-Park. The sale of the present Maire School property, consisting of five acres, will help defray the cost of the new School-Park.

The City of Grosse Pointe at present is the most valuable portion of the School District from a per-pupil tax return standpoint, and yet, the City is probably the one portion of the District most vulnerable to decline in character and value. The recommended School-Park can play a key role in maintaining a healthy community.

Should Acquire Club
Naturally, the report pointed out, to acquire the Neighborhood Club property for permanent school and park facilities may come as a shock to some, but it is hoped that the logic and overwhelming importance of such a step will appeal to the Neighborhood Club directors to such an extent that they will make the property available.

Though the replacement of Maire School is necessarily a long range plan, the City should take immediate steps to acquire the Club property, since a permanent public playground in the area is essential to a sound future. It is hoped, too, that the School District will participate in this initial step.

Should Expand Park
In addition to the neighborhood playground needs which can

be met through the Maire School-Park, the City of Grosse Pointe has the excellent park, swimming pool and boat marina south of Jefferson, which should be expanded in area. This will adequately round out major park needs.

As a means of adding grace and beauty to the City, the firm stated, the vacated streets, previously discussed, should be landscaped and maintained as refreshing green punctuations in urban landscape. The suggested street dividers, in addition to their very vital role, offer an appealing contrast to the gridiron street pattern and well-planned landscaping, can impart a park-like quality to the neighborhoods where they are installed.

All parking areas designed to service business areas should also, in basic design, serve to protect adjoining home neighborhoods. They should be attractively landscaped and buffer the adjacent homes from the intrusion of their necessarily active function. In this way, one community function is not served at the expense of another equally important use.

Boosts Desirability
With this utilization of functional needs to achieve an added degree of beauty, the City of Grosse Pointe can further enhance its desirability.

The City will continue to have needs in the way of utilities, police and fire equipment and the housekeeping facilities to maintain its streets and services.

One of the most pressing needs is a major renovation of the storm sewer system, which will require a half million dollars in the immediate future. A second immediate need is for a city service building, which should be erected behind the new city hall.

There will be recurring needs for police, fire and public service equipment, the city planners disclosed, and a continuous repair and replacement problem on paving, curbs, sidewalks and catch basins.

In addition, there will be recurring needs for water and sanitary sewer lines.

The City must meet all of its community facility needs in time and with above average service as a positive factor maintaining its desirability. (Next week—Business Development).

Youths Robbed At Park in City

Four young patrons of the pool at Norbert Neff Memorial Park were victims of a petty thief on Sunday, June 14.

Missing items, which they had placed in baskets from the park's check room, were Thomas Marcopulos of 682 University, brothers, Mike and Steve Hume, of 461 University and John Vandenberg of 14219 Promenade, Detroit.

The Marcopulos youth found that his Park Pass and \$1.25 from his wallet were gone. The two Hume boys also had their passes removed from their wallets. Steve's wallet was still in his basket but Mike's was missing until an unknown person turned it over to one of the guards at the Park. A wrist watch, valued at \$13, was missing from the basket of Vandenberg.

Bishop Hubbard To Preach Here

The Right Reverend Russell S. Hubbard, Episcopal Bishop of the Diocese of Spokane, Washington, will preach at the 9:30 a.m. and 11:15 a.m. services at Christ Church, Grosse Pointe, on Sunday, June 21.

Bishop Hubbard, born in

Germantown, Penn., was educated at Harvard College, Trinity College, Cambridge, England, and the Virginia Theological Seminary. He served as rector in several parishes in New England, until his election as Suffragan Bishop of the Diocese

of Michigan in 1948. In 1954 he was elected Bishop of the Diocese of Spokane.

He has served on many special commissions for the Episcopal Church, and has been appointed to serve on the Nominating Committee for the election of a new Presiding Bishop. His daughters, Mrs. John Key-

del and Mrs. Ann Tuttle are residents of Grosse Pointe.

GPHS Dean of Girls Hopes She's Not Making Mistake

Mrs. Ruth V. Flom, Dean of Girls at Grosse Pointe High School for 31 years, announced last week that she will retire this month at the end of her duties for the academic year.

Sitting in her office amid packing boxes last Friday in the nearly empty school, Mrs. Flom commented:

"I still don't know if I've made the right decision. This work has been my life, and retiring will leave a real emptiness . . ."

She will continue to live in her home in Rivard boulevard with her husband Fred J. Flom, a member of the sales department of the Detroit Edison Company.

Taught English

Mrs. Flom began teaching English at the High School a year after it was opened, in 1929. At that time there was nothing of the Pointe beyond Mack avenue, very little beyond Charlevoix. "We knew all the children and all the parents, and even knew the houses they lived in."

At ceremonies last Thursday night, the largest class ever, 777, was graduated: the traditional strains of "Pomp and Circumstance" have remained the same, but the changes in the school have been marked over Mrs. Flom's 31-year tenure.

Some changes have been gratifying ones, some very disturbing, she observed.

A great boon to the gifted student has been the increased use of stratified class groupings in certain subjects, the so-called "honors" courses, she said.

Must Be Careful

At their present level these courses have allowed sometimes astoundingly rapid progress both in the math-science area and in the humanities. The ever-present danger, she cautioned, is that skimming off the top group of students can lead to resentment and stagnation at the lower levels.

But Mrs. Flom said she could not deny that today "there is a larger group of students who are rebellious towards authority."

"Many more parents today don't seem to have the control of their children that they did once. The home in many cases seems to have lost its control," she said.

The problem is basically a social one caused both by children and their parents, and has little to do with any change in the economic makeup of the community, she ventured. Troubles begin when youngsters rush into dating and mature social situations in junior high school and earlier.

Mature Slowly

"The human being, unlike many animals, is characterized by his slow growth to maturity," she said. "This period of growth is the time when ideals, standards and goals begin to develop."

"Parents make a big mistake when they push children into social activities beyond their ability to handle," she viewed.

And this condition is true not only in Grosse Pointe, but all over the country, she said.

In spite of the ever-present and, regrettably, growing minority of rebellious youths, Mrs. Flom insisted that the Pointe's high school children have always been "a serious group, interested in their future and in good college preparation."

But today with the college pinch tightening each year, "the

law of supply and demand has begun to operate in colleges, and high school students sense that more and more competition is necessary today," Mrs. Flom observed.

Most Parents Fine

One of the most rewarding aspects of her work at the high school, Mrs. Flom said, has been the fine parents in Grosse Pointe, "always concerned about education, eager to do the best that they can for their children."

Another constant reward has been the school's continued high calibre of teaching: "We've always had quality teachers with a real sense of mission."

In her work with refractory and confused girls through the years, Mrs. Flom will remember the satisfaction of "seeing girls with problems develop into fine, self-reliant adults by surmounting their own difficulties."

Although she had to give up her English teaching duties in assuming the burden of the deanship, Mrs. Flom has remained devoted to teaching. She wrote the course of study for a course in Effective Living and taught it for several years, until the dean's post became a full day's work.

The popular high school course has enabled students to discuss and mold their own standards and values from group discussions.

Native of Houghton

Born and raised in Houghton, Mich., Mrs. Flom received her A.B. and M.A. degrees in English from the University of Michigan, where she was also named a Phi Beta Kappa member.

Later in her career, she has returned for additional study at both Wayne State University and Michigan State.

Mrs. Flom was honored at a party in the home of Pointe Superintendent of Schools Dr. Charles H. Wilson last night.

Poverty may not be a disgrace, but it has never been used as a testimonial of ability.

Music Festival Opens July 13

The seventh annual Grosse Pointe Music Festival will open Monday, July 13, for three consecutive weeks at the Grosse Pointe War Memorial. The Monday evening concerts to be given on July 13, 20, and 27 are jointly sponsored by the Grosse Pointe War Memorial Association and the Committee of

Grosse Pointe Friends of Music. Sixteen Ehring, conductor of the Detroit Symphony Orchestra, will be featured in the Mozart Piano Quartet in G minor for the final concert on July 27, it was announced by Gordon Staples, musical director of the Grosse Pointe Music Festival.

Italo Babino, 'cellist, Nathan Gordon, violinist, Charles Sirard, bassoonist, Paul Schaller, clarinetist, and Gordon Staples violinist, all leading members of the Detroit Symphony Orchestra, will be featured artists. William Doppman, solo pianist, is an artist-in-residence at the State University of Iowa.

The first two concerts of the series will be held in the beautiful, acoustically excellent Fries Auditorium of the War Memorial. The third concert will be held in the Little Theatre of the War Memorial. All of the concerts will begin at 8:30 o'clock.

Chairman of the Music Festival committee, which co-sponsors the series, is Mrs. Francis E. Brossy III. Honorary chairman is Mrs. Frank W. Coolidge who helped to establish the festival seven years ago. They are assisted by Mrs. Harold B. Tyree who is acting assistant chairman, and Gerald F. Meadows, treasurer.

Committee members who are now selling tickets are: Mrs. Frank Werneken, Mr. and Mrs. David Coolidge, Mrs. Foley Katzenmeyer, Mrs. A. A. Widmann, Dr. Jack Morris, Dr. Gilbert Meyer, Mr. and Mrs. W. D. Kludt, Mrs. Ralph Fisher, Mrs. Robert Sucek, John Lake, Mrs. S. T. Gerganoff, Mr. and Mrs. John W. Nelson, Mr. and Mrs. George H. Smith, Mrs. Leonard Rosenfeld, Mrs. Gordon Staples, and Alexander Sucek.

Tickets, which are \$6 for the three concert series, may also be obtained at the War Memorial or by writing to the Festival headquarters, 514 St. Clair, Grosse Pointe 30.

Farms City Hall, Police Offices Nearly Completed

A report that the renovated police department and the new ell of the Municipal Building, 90 Kerby road, are nearly completed and will soon be ready for occupancy, was received by a skeptic Farms council on Monday, June 15.

It was disclosed that the police personnel and equipment will be moved from their temporary quarters in the Old Kerby School adjacent to the city hall, to the remodeled police department in the old building. The move is scheduled to take place on Monday, June 22, it was said.

The Administrative and Services Departments are scheduled to take over the offices in the new addition by Friday, July 10.

City Engineer Murray Smith said that the target dates for the moving is definite, although his statements appeared to fall on skeptic ears.

After the Administrative Department completely occupies the entire second floor, and the service departments, the first floor, of the new addition, work will begin immediately in removing the old administration offices and enlarging the council chamber.

The alterations and additions were three months behind completion schedule, and further de-

layed because of the recent strike of union electricians.

At a previous meeting held on June 1, the city council was informed that not only was the completion of the alteration and additions behind schedule, but extras and unforeseen "bugs" have added to the cost of the project, which was let for the low bid of \$365,000.

By the time the ell is completed, it was said, the wing will cost \$405,000, including architectural fees, and excluding the cost of furnishings.

Work on the municipal building began last July 1, but the project received several setbacks, chief of which was a delay in the delivery of steel by suppliers. There was also a delay in the delivery of bricks.

The new ell will be completely furnished for better service to the public, it was said at Monday night's meeting.

ALICIA ANNAS of Neff road is appearing June 16 through 20 in four one-act plays presented by the University of Texas Drama department. Billed under the general title "Privilege of Absurdity," the short dramas range from the traditional farce of John Madison Morton's "Box and Cox" to avant-garde observations of Eugen Ionesco's "Jack or The Submission."

To Make Study Of School Needs

Kenneth Koppin of 1271 S. Renaud road has been named to chair the schools' Citizens' Advisory Committee, it was announced by Dr. Robert K. Whiteley, president of the Grosse Pointe Board of Education.

Members of the Citizens' Advisory Committee will be asked to make impartial recommendations on the need for a proposed second high school. If such need is established, the Committee will evaluate proposed sites for such a building.

"It is my responsibility to assemble a panel of citizens to serve with me in this important civic function," Koppin announced. "I wish the Committee to be broadly representative of the civic, religious and educational interests of the community," he added.

Koppin, 54, is the executive vice-president of the Wayne National Life Insurance Company of Detroit. He served as mayor of Grosse Pointe Woods for seven years. Mrs. Koppin is a leader in the United Foundation Drive.

"I see the Committee's task as chiefly evaluative and judicial. We have been instructed by the Board of Education to make whatever recommendations we deem appropriate. No limitations have been placed upon us," Koppin said. "I hope we can complete our study of the situation by the first of September," he concluded.

Program Offers Mexican Films

Beautiful color films of out of the way parts of Mexico will be shown by George C. Cossaboom in the Center's air-conditioned Fries Auditorium Sunday evening, June 28, at 8:00 o'clock. The Grosse Pointe public and their guests are cordially invited to attend without charge.

The films will take the audience to Ciudad Mante, center of Mexico's sugar industry and then to Mexico City itself where beautiful panoramic views will be seen from the top of the Latin American Tower and viewers will be taken to the thieves

market, Xochimilco (the floating gardens), the bullring, the University of Mexico and finally out to the Shrine of Guadeloupe and the pyramids at Teotihuacan.

The film will also show pictures of less known parts of Mexico. There will be views of the Toltec ruins at Tula and Tepepan ruins at Cholula.

After a stop at the wonderful gardenia filled pools at Fortin de la Flores the film will move to the Gulf coast at Vera Cruz and then to lovely Lake Catemaco before going far to the south of Mexico to the metropolis of Oaxaca and the neighboring Zapotec ruins at Zaachila, Mitla and Monte Alban.

Then it's down to the Pacific to Tehuantepec where there are supposed to be the most beautiful and hardest working women in Mexico.

A second reel features Acapulco, the art colonies of San Miguel d'Allende, and a famous bull breeding farm.

Students Given Science Awards

Two students from Pierce Junior High School are recipients of honors in the 1963-64 Ford-Future Scientists of America Awards program.

Matthew Devine, a seventh grader, is a silver plaque winner for his project, "The Flight of Six Mousetons." Mary Woodrow, a ninth grader, won a silver plaque for her entry, "Mice Shouldn't Smoke—Neither Should People."

Both young people are students of Mr. Bruce Westling, science coordinator for Pierce. The students have been selected for recognition on the basis of written reports concerning the investigation of a science problem. Over 8,000 project reports were entered in this year's contest.

LOOK FOR NEW IDEAS FROM

"THE COMMONWEALTH"

Few banks have contributed so many new ideas and new methods to modern banking as Bank of the Commonwealth.

Its list of "firsts" in Detroit is truly surprising:

- ☐ The first commercial bank to make Auto Loans
- ☐ The first to make Boat Loans
- ☐ The first to establish a specialized Life Insurance Loan Department
- ☐ The first to establish a department for Accounts-Receiveable Loans
- ☐ The first Pay-By-Check Plan
- ☐ The first to number checking accounts
- ☐ The first to promote a Christmas Club
- ☐ The first downtown Auto Bank
- ☐ The first commercial bank to make installment loans

Most of these Commonwealth innovations are standard practices in other banks around the country today. But "The Commonwealth" has always been first in developing new ways to serve its depositors and customers better and more conveniently.

And it is the aim of the new leadership of the Bank to lengthen this list of "firsts". You can look to "The Commonwealth" for new ideas, new techniques to serve you better and to speed the growth of Detroit and Michigan.

The film will also show pictures of less known parts of Mexico. There will be views of Toltec ruins at Tula and Chanapa ruins at Cholula. After a stop at the wonderful cenotes filled pools at Fortin la Flores the film will move to the Gulf coast at Vera Cruz then to lovely Lake Catemaco before going far to the north of Mexico to the metropolis of Oaxaca and the neighboring Zapotec ruins at Zaachila, and Monte Alban. Then it's down to the Pacific Tehuantepec where there are posed to be the most beautiful and hardest working women in Mexico.

The second reel features Acapulco, the art colonies of San Juan d'Alende, and a famous breeding farm.

Scouts Receive Eagle Awards

Three Boy Scouts of Troop 156 received the coveted Eagle Award at a "Court of Honor" held at Christ Church in Grosse Pointe boulevard on Wednesday, June 10.

The three honored scouts were: William Ludwig, 722 Riverdale boulevard; John Lehman, Jr., 477 Moran; and Brand Smith, 302 Mount Vernon.

Featured speaker of the evening was George Pierrot, president of the Circumnavigators Club, noted traveler and host of the George Pierrot travel-adventure programs on WWJ-TV.

Twelve advancement awards and 19 merit badges were presented to other scouts at this Court of Honor which was attended by families and friends of the scouts in Troop 156.

New Life Scouts are: Dennis Duika, Clayton Evans, Ned Homfeld and Bradley Barker. Richard Kosko made Star

Scout rank, while John Freeman and Conrad Johnson reached First Class and the following received Tenderfoot badges. Frank Hillebrand, Ronald Potthoff, Ellis Rogers, John Sempliner and Samuel Stanley. Merit badges went to: Clayton Evans, Bradley Smith, Bruce Kasl, Alan Ricca, Dennis Duika, Ned Homfeld, Richard Kosko, John Lehman, Thomas Ludwig, John McCartney, Donald Moore and Michael Shore.

HAD DUAL JOB

Mayor William Connolly, Jr., was Acting City Manager until the return of City Manager Sidney DeBoer, under a Farms Council decree. The Mayor had been acting in this capacity for more than five weeks. City Clerk Dawson Nacy, who was designated Acting City Manager, while Mr. DeBoer was on vacation, suffered a heart attack, and will be unable to work for several months.

To Place Traps To Catch Beetles

Grosse Pointe is about to undergo a search for beetles—not the English type beetles but the Japanese variety.

Starting Monday, June 15, the United States Department of Agriculture in cooperation with the Michigan Department of Agriculture and local city officials will place throughout the Pointe area Japanese beetle traps.

The yellow, conical-shaped traps will be filled with a two ounce bottle of aromatic oil which attracts any of the destructive pests which may be in our vicinity.

United States Agriculture officials said that the traps will be placed on every other street in distances of 300 ft. A homeowner who has a trap set on his property will receive a notice informing him.

Each of the traps will be inspected every 10 days. If any Japanese beetles are in the area, it is expected that they will find their way into the traps sometime in the first two weeks of July.

Officials emphasize that the beetles are not indigenous to our part of the country and that this step is part of a nationwide program to wipe them out.

However, if any are found, a soil insecticide will be applied within 100 yds. of the spot where they were found.

The Agriculture Department states that the aromatic oil is not an insecticide but it should not be taken internally.

As the first half of the season came to an end it was hard to find a closer race for first and second than we saw in both leagues.

On Monday it was the Braves over the Yankees 7 to 2. Dick Roth was the winning pitcher and Jimmy McFarlane the loser. This was a good tight game. At the other diamond the Cardinals took the White Sox 11 to 8 with Bill Gross doing a fine pitching job to be declared the winner. Forest Withrow was the loser.

On Tuesday the Dodgers came sailing through over the White Sox 14 to 4. Walt Cytacki pitched a fine game and was aided by 5 for 5 hitting by Gary Haberkorn. The Giants in the other game dropped one to the Yankees 8 to 2. Five errors in the first inning sort of took the stuffing out of the Giants. Winning pitcher was Mike Ferrell and the losing one Woody Cox.

Wednesday found the Indians coming through strong over the Phillies 8 to 4. Doug Dzuiba pitched for the Indians and Keith Foucher for the Phillies. On the other diamond it was the Cards 8 and the Tiger 2. Rusty Knowles pitched his second no-hitter of the season, striking out 10 in the process and was aided to a great extent by Steve Trapnowski getting 4 for 4. Losing pitcher was Ron Volare.

On Thursday it was the Indians over the Dodgers 8 to 3. Todd Pike pitched a fine game aided by a lead off home run by Ben Hubbard in the first inning. Todd allowed only 8 hits. The losing pitcher was Art Getz. At the other diamond everybody had fun and the game ended in a 10 to 10 tie—Red Sox versus the Braves. No playoff was scheduled since it had little effect on the standings.

On Friday the Red Sox under Phil Dara won 7 to 4 over the Phillies. Don Thompson was the losing pitcher. In the other game the Giants were going fine until the fifth inning. Curt Mumaw playing third was spiked and since the Giants had no subs they forfeited to the Tigers. We hope Curt will be out in short

order and we are slightly confused as to where six subs who are normally on the bench went. On Saturday the Indians played a makeup with the White Sox and won 18 to 2. Doug Dzuiba again did the honors—two wins in a week! Eddie Mannino helped the cause too with a homer. The losing pitcher was Dan Sutherland.

Dick Wood struck out 7 to lead City Messenger to a 17 to 9 victory over Mutual Trust and remain in first place. Mike Santi had 5 singles and Jim Siebert with 4 hits were the big hitters. Diccio was the loser.

Dobbie Lumber, who lost their last two games, came back strong this week besting Boutin Realty 9 to 5. Jim Covault who needed help in relief was the winning pitcher. Tim Place blasted his first home run of the season to spare Dobbie.

Connecticut Mutual Life gained their second victory belting City Messenger 10 to 5. Ted Schaft struck out 14 as Nelson, Alfes, Cohan and Addy each had 2 hits for the winners.

Joe Hughes pitched Mutual Trust to a 14 to 8 win over Boutin Realty. Hughes struck out 8 while Diccio and Elliot each collected two hits to drop Boutin into a tie for last place.

AUTOMOTIVE
Grosse Pointe Rambler took over sole possession of first place bombing Shalla Chevrolet 8 to 1 and squeezing by Richard Buick 3 to 2. Mark Ranney had a 3 hitter striking out 8 while his teammate Bill Hahn had a 1 hitter striking out 12. Al Slowick was the loser for Shalla and Brian Berlenback the loser for Richard.

Causley Pontiac overpowered Richard Buick 6 to 3 on 10 hits. Gary Pagoto struck out 13 and Brent Butrey with 3 hits and 13 RBIs paced their team. Marv Howie had a triple for Richards' big hit. Belanger was

the losing pitcher. Roy O'Brien Ford shut-out Green Chrysler-Plymouth 4 to 0. Paul Shakotko struck out 6 and had 2 singles for O'Brien's second win of the season. Dan

Menzo took the loss. Adam Perkowski drove in the winning run as O'Brien Ford gained their second victory of the week over Shalla Chevrolet 3 to 2. Ron Frankland went

5½ innings for O'Brien but needed help from Perkowski. Jim Brigulio had 2 hits for Shalla. Behind the strong pitching of Don Ulmer, Green Chrysler-

Plymouth dropped Causley Pontiac into second place 5 to 2. Ray Brown, Randy Voorhees and Tom Herman were the top hitters. Rick Chouinard was the loser.

At two-and-a-half, Matthew Eckert is in the driver's seat; and we helped put him there. His father, Raymond Eckert, picked out a new car. And like most of us... needed some money to buy it with. So the dealer suggested an auto loan from Detroit Bank & Trust. No problem. Ray Eckert had heard about our quick OK's and low interest rates. He got the loan. He bought the car. He's happy. So are Mrs. Eckert and the other Eckert children. Drive carefully, Matthew.

Grosse Pointe Farms Little League announces the following tournament dates: (1) July 4, Kerby Field Annual Senior Star Game, featuring the 12-year-olds of the major leagues, played under special rules of full participation. (2) District Tournament of League Championship teams: first game: July 10, 2 p.m. at Grosse Pointe Park (1) National All Star Tournament, against Clintonville Wednesday, July 22, at Kerby Field, 5:30 p.m.

The Indians opened the week of June 8 at Kerby Field with a victory over the Pirates, 9 to 5. Bill Wengel was the winning pitcher and was aided by doubles by Frank Kampfer, Gary Hicks and Skipper Schaff. Jack Hendrie and Mike Pendy also hit. Mike Corbett pitched for the Pirates and hit a homer with one man on, was relieved by Stu Frazer in the sixth.

At the High School field the Giants sneaked by the Phillies on pinch-hitter Danny Griffin's homer in the sixth inning, 4 to 3. Ronnie Trefzer was the winning pitcher, Mike Duika the loser, though the latter had put the damper on Giants hitting all evening. Tom Reinman opened the scoring with a homer in the first. Tim Allard knocked in Gary Beaufait with a double in the third, then scored himself on a passed ball. Mike Duika of the Phils tied the score in the fifth with an inside-the-park homer, scoring himself, Dick Lehman and Bob Kulka. Decker Griffin's crucial hit won the game.

On June 9 the Yanks beat the Tigers 9 to 0 on Jack Critchfield's one-hit pitching. Yankee hitting featured a homer and single by Dwayne Griffin. Pat Murtagh and John Shreshun caught for the Yanks.

The same day the Red Sox beat the Reds 7 to 3 to jump into uncontested second place. Bill Calkins was starting pitcher for the Sox, relieved by Jim Van Eman, whose south-paw pitching allowed only one hit, by catcher Max Gardner of the Reds, after the third inning. Pete Viger started for the Reds, was rebounded by Jim Parker. Tom Edmondson and Jim Buda caught for the Sox and Buda, respectively. Big hitters for the winning Sox were Jim Van Eman, with a double, Mike Gottfredson, Lorne McCannoch, Bucky Williams and Jim Gottfredson. For the Reds, the hitters were Pete Viger, with two Max Gardner, Glen Hagen, Sandy Turner and Jim Buda. Pat Roney of the Sox made a beautiful running catch of Van Conaway's long fly in the third to stifle further Reds' scoring.

On June 11, the Yanks won again over the Indians, 8 to 0, on three-hit pitching by Glen Hilliger. Jack Critchfield homered for the winners, and Dwayne Griffin, John Schreshun, Gary Guertler and Paul Kelly also hit. Doug Schultz had all three of the Indians hits.

The same day the Red Sox beat the Tigers 10 to 3 on hits by Lorne McCannoch, Mike Gottfredson and Jim Van Eman. John Fountain and Mark Tocco hit for the losers.

Friday, June 12, the Reds beat the Phillies 13 to 5 with Van Conaway and Jim Buda the winning battery. For the Reds, Max Gardner homered while Van Conaway hit three for three with two doubles and a triple. Jim Parker doubled, and Greg Messacar singled while Dave Newhouse played a great game at shortstop. Bob Kulka pitched for the losers, was relieved by Dick Lehman and Greg Thoen.

The same evening the Giants had trouble with the Pirates, were unable to work out of a 6 to 6 tie in 7 innings when darkness intervened. Mike Sankovich and Tim Allard were on the mound for the Giants, Baron Munchausen and Jim Hooper for the Pirates. Pep Perry homered with two on in the first for the Giants, had a lonesome homer in the third, while Mike Sankovich doubled in the same inning, stole home on a passed ball in the fourth after walking to compete the Giant's scoring. The Pirates came back to score on John Odbert's hit in the first, Baron Munchausen's homer and Brad Kolorowich, on in the fifth, and Mike Corbett's single scoring Scott Cardwell. John Odbert's double scoring Corbett all in a big fifth inning. That concluded the scoring.

The game was continued on June 13 and quickly won by the Giants in the eighth inning on a double by Don Fromm, a

single by Tom Reinman, followed by a double by Gary Beaufait and a single by Tim Allard to sweep the second round for the Giants, with a final win, 7 to 6.

Erratum: This writer wishes to apologize to the Yankees, who won over the Phillies 7 to 3 on June 4. Therefore the second round was concluded as follows:

On Monday, June 8, Denver beat Hollywood 5 to 2 with Bill Luchsinger, the winning pitcher, getting 15 strikeouts.

Seattle outwalked San Diego 23 to 4 on Tuesday with Jeff Moran the winning pitcher. Dave Riddle had a homer for Seattle.

Hollywood got back on the winning track Wednesday 9 to 2 over Sacramento. Jeff Ellison, the winning pitcher, struck out 14 and allowed only one hit. John Boccacio hit a homerun and Bruce Carty a triple for Hollywood.

On the hitting of John Dykema, Bill Voight, and Jim Knapp, each with a homerun, Portland won over Denver 10 to 4 Thursday. Bill Voight was also winning pitcher.

Saturday's first game saw San Diego squeak by Sacramento 4 to 3 with Chuck DiLaura earning the win.

In the second game Seattle moved into a first place tie with Portland as Seattle beat Portland 8 to 5 as Mike Koste hit a grand slam homer, Dan Mageau was the winning pitcher.

The Major league teams had a week off at the end of the first half, with the Cubs the champs and no playoffs required. All evidence supports pre-season indications that the Cubs

would end the 4-year domination of the league by the Dodgers and the Cardinals, although the Cards, Dodgers and the Braves look better than their season records so far indicate. A change in a couple of one-run defeats would have put the Cards right in the thick of the first half battle. Kevin Dreen of the Cubs was the league's leading pitcher, with a 5 and 0 record, while Sandy Sides of the Cards leads the home-run derby with 4 circuit blows.

The Minor leagues had a full schedule of games, with the following results. In a very hard fought game, the Phillies made it six in a row with an 8 to 4 win over the Tigers. John Council, Mike Leicy and Jeff Young, missed the pitching duties for the Phillies; Dean Elmquist went the distance for the Tigers. Fine fielding plays were made by Stu Bridge in center and Mark Collinson behind the plate for the Phillies, and by catcher Charlie Pangel of the Tigers. Chick McGohery's triple was the longest hit in the game.

The Pirates took their second in a row, beating the Senators 18 to 12 on a five-run rally in the sixth inning and on the fine relief pitching of Ron Cotchico. The game started out as a free scoring affair but tightened up in the fourth with the score tied at 11. John Jensen and Lee Temrowski of the Pirates contributed solid hitting to the win.

Chuck Moore and Steve Renouf smashed inside-the-park homers to lead the Giants to a 12 to 0 victory over the Grosse Pointers in the win put the Giants in a tie for second place with the Tigers.

The White Sox—first half champs for the American Majors—continued their winning ways in the second half of the season by defeating the Orioles, 10 to 3, and the Athletics, 12 to 7.

Doubles by Chris Badger, Mike O'Connell and Bob Page and nine strikeouts by winning pitcher Gary Verkeyn set the pace for the White Sox victory over the Orioles, Mark Hafer of the Orioles belted a home run.

Home runs were also very much in evidence during the White Sox-Athletics encounter later in the week. Steve Maun of the A's smacked one in the third inning, and Beetle Bailey of the White Sox did the deed in the fourth. Young Bailey received credit for the win.

The Indians—runners-up to the White Sox in the first half of the season—continued to breathe down the necks of the championship victors: scoring two narrow victories: the first over the Yankees, 3 to 2, and the second over the Senators, 8 to 7.

Dan O'Keefe joined teammate Brian MacLean in recording a double and a single in the Indian-Yankee game and also picked up the credit for the win. Back-to-back home runs by Tim Atkinson and Jim Black

sparked the Senators in their meet with the Indians but were not enough to offset the Indians' 11 hits. Winning pitcher was Rick Mahon.

The Yankees evened their record for the week by defeating the Orioles a second time, 7 to 3. Jim Owens picked up a home run as teammate Charlie Howe won winning pitcher honors.

A double by Doug Graham and a double and triple by Rich Anderson helped Senator Bill Hemovitch receive the nod as winning pitcher in a 10 to 4 game with the Athletics. Dave Young of the A's recorded a double and a single.

American League Minors

Completion of a game called earlier in the season because of darkness won first half championships laurels for Michigan State as the American League Minors ended part one of the season.

Michigan State turned what had been an 8-8 tie with Purdue into a decisive 11 to 7 victory. Winning pitcher Chet Brown struck out three of the four Purdue players who came to bat in the playoff inning.

A perky Purdue team then turned the tables on Michigan State by handing the newly-named top team an 8 to 5 defeat. Winning pitcher Bob Tebelman aided his own cause by getting two hits for three trips to the plate. Teammate Todd Keller duplicated Tebelman's performance, and Ricky Ripper topped both by hitting .750 for the game.

Chet Brown was also the winning pitcher earlier in the week when Michigan State rolled back Army, 12 to 6.

Michigan managed to hold on to second spot in the standings for the first half of the season by splitting their ticket for the week. They pushed back Purdue in an 8 to 2 game in which winning pitcher Dave Oliver yielded not a single hit. Brother Paul Oliver was less lucky as Michigan was held scoreless in a 5 to 0 duel with Wisconsin pitcher Vernon Cassin.

Army also played half-and-half during the week, coming back from its loss to Michigan State to beat Ohio State, 9 to 4. Greg Louissell got credit for the win as teammate Pete Morgan hit four for four. Pete Hennes hit a triple and two singles for Army, and Bill Eppinga scored a single and a double.

Darkness ended a 12 to 8 struggle between Ohio State and Wisconsin who share third place honors in the American League Minors with Ohio State emerging as victors. Norbert Madison was winning pitcher and joined with two teammates—Jim Perrone and Dave Johnson—in picking up two hits. Ted Stedman outdid all three by picking up three.

First half champs, the Cardinals, continue to lead the National League Majors as the second half of the season got underway. The first place team edged the Red Legs, 4 to 3, in a game which saw Mike Getz pick up a round-tripper for the Cardinals and Ron Lacourciere record the deed for the Red Legs. Doug Maxwell was credited with the win.

The Cardinals converted three meagre hits but a solid eight walks into six runs to defeat the Giants, 6 to 1. Mike Getz again walloped a home run and put out a runner at first base by throwing a ball from a prone position.

The Red Legs retained a solid hold on second place in the standings by holding the Dodgers almost hitless in a 5 to 0 meet. Winning pitcher Fred Rohn gave up one hit to Dodger Jim Meyers. Red Legs Rohn,

Dan Setter and John Thomas all made two hits.

It was a grim week for the Dodgers, for they were no more successful in racking up a run in their game with the Pirates which they lost, 6 to 0. Pirate pitcher Don Hammond got credit for the win as fellow teammate Tom Hummel blasted a home run and two doubles. A double play by Dodgers Tom Court and Bob Higgins in the first inning kept the Pirate run total down.

The Pirates, on the other hand, had a big week by scoring a second victory—a 14 to 7 win over the Braves. Winning pitcher was Gary Hughes. John Miller tallied a home run for the Braves.

The Braves faced their second defeat of the week in the Pirate game, having lost earlier in the week to the Giants, 9 to 1. A triple by Ken Peat was the only Brave hit while winning pitcher Steve Katsoros latched onto a double and Skip Lauph picked up a single and a triple.

National League Minors

Invincible Indiana—its record still perfect—won the first half National League Minors championship. Indiana faced a close call in its game with Northwestern, however, and squeaked by with a 15 to 14 victory. Coincidentally, Indiana won its game with Navy by the same score earlier in the week. Keith Carson was credited with the win over Navy, and Jim Hanley was credited with the win over Northwestern.

Navy had the edge in hits (13 to 5) in its game with Indiana. Steve Falk and Eric O'Keefe recorded four and three hits respectively for Navy. Bill Kennedy tallied three hits for Indiana. Brother Paul Kennedy scored the winning run in the Indiana-Northwestern struggle.

Navy's 16 to 15 defeat of Iowa allowed it to share the second slot in the standings with Illinois. Kurt O'Keefe was the winning pitcher with able assists at the plate from brother John O'Keefe, P. Costa and Pete Rodin. Gregg Goodwin of Iowa scored four runs on four hits.

Meanwhile, Illinois found itself afflicted with the same "one run margin" that spread like a plague through the National League Minors. Illinois squeaked an 8 to 7 victory over Northwestern and a 4 to 3 win over Minnesota. Tom DuFour won the Northwestern battle, and Kevin Reid got credit for the win in the game with Minnesota. DuFour, Geoffrey Thomas and Paul Addy lead the hitting in the first game. Although Minnesota had the advantage in hits and had struck out 12 Illinois players in the second game, five errors were too costly for the Minnesota team.

Walks proved to be Minnesota's problem in its game with Iowa. Minnesota struck out 12 men but allowed 18 bases on balls, giving Iowa a 15 to 6 win. Ed Michael was the winning pitcher as teammate Gregg Goodwin hit five times in five trips to the plate. Dennis Robb got three of Minnesota's five hits.

Service Above Self

Inquiries concerning what the Grosse Pointe Rotary Club does with the money it makes at its annual Antiques Show, coupled with the knowledge that the local branch of the international service organization was approaching an anniversary, led us to request Bill Stuck, publicity chairman for this most worthy group, to give us some kind of report.

We have been fairly close to Rotary for nigh onto a quarter of a century, and participated in many of the old Feather Parties in the Neighborhood Club. Those were the annual fund-raising events sponsored by the Rotarians until the State frowned upon bingo, et cetera, as a means of gathering cash to help deserving movements and individuals.

We feel that what Bill turned in provides a far better answer to the inquiries than a straight news report; and it also reflects some of the great pride the members of Rotary have in their efforts to give help where help is needed. So, with a "Many Happy Returns . . . Good Job, Well Done," we give you the following.

Twenty-seven years ago on June 17 a group of men in Grosse Pointe joined to form a Rotary Club. The nucleus was small but dedicated. The concepts of Rotary moved them deeply. "He Profits Most Who Serves Best," "Service Above Self," "The Four-Way Test of the Things We Think, Say or Do," all had depth of meaning far beyond the mere saying of the words. To mention names would only detract from the spirit of Rotary. Suffice it to say that by their actions and deeds and the wheel emblem in their buttonhole you will recognize them.

About four weeks ago this group completed their annual fund-raising project, their Ninth Annual Rotary Antiques Show. Of the show all that need be said was that it was the most successful financially. In the past, fund-raising projects have varied, but in recent years the sale of tickets to this show has been the sole source of income to provide service to the community. What has happened to this income? What community service or services are these funds providing?

Since the summer of 1962 in excess of \$1,000 has been expended in a multitude of ways. In the area of large items: the room dividers in the Fries Auditorium; to one local hospital \$1,000 for oxygen therapy equipment and another \$1,000 to another local hospital for two intensive-care hospital beds; \$1,500 for the past two years for American Field Service-Exchange Students; over \$500 for additions, repairs and replacements to the Rotary Tool Lending Library in the Central Library, (this incidentally is available to all residents of all the Pointes); aid in the form of \$200 to a local resident now a student at Notre Dame University toward his participation in Operation Crossroad; and over \$1,500 in various scholarships to local students.

In other areas contributions have been made to the Pointe Halloween Committee; special tutoring for a handicapped child; the Pointe Bike Safety Program is sponsored by this group; awards in the form of watches to each of the High School's outstanding students with awards also to the bands; boys going to Wolverine Boys State; instructional material for a Braille transcription class; orthopedic crutches; baseball and basketball assistance in the non-school leagues and so the list goes on.

Where service can be provided via funds or countless hours of personal time this group has proven that "Service Above Self" has a depth of meaning.

Letters to the Editor

To The Editor:

I was very disappointed (among many others) to read the comments made by the Farm Council members regarding the proposed swimming pool. I have been a Pointe resident for many years and had always been under the impression that the Farms was the most progressive area of all the Pointes—meeting the needs of all concerned.

Last year the lake water was unbearably dirty, but this year it is not only clean, but the water level for yards out is only at knee level. From a purely health standpoint, I feel an urgent need to install some sort of swimming facilities other than the lake. For the past two years, my doctor bills have been most prevalent during the summer months, and the diagnosis has been fungus ear and strep throat infections. As a matter of fact, I took my daughter swimming yesterday for the first time this year, and this morning she awakened with a frightful case of conjunctivitis.

I sincerely hope the Council realizes that a vast majority of the Farms residents are young married couples with small children. They are hardly in the income bracket to afford membership in private clubs, nor to have a backyard swimming pool, nor to own a yacht or a cottage, or are they able to send their children off to summer camp.

For many of us the Pier affords us our only real summer vacation opportunities. There is also a growing problem of the teenager who goes

to the park for recreational activities. What swimming facilities do these young athletes have? Instead of enjoying a swim and venting their energy, they recline on the docks sunbathing. Far better to have a competitive swim meet organized between the five Pointes at various intervals during the summer.

I was deeply concerned about this pool matter when I learned that the other areas had facilities, but have just recently learned that Metropolitan Beach has installed an Olympic-size pool for the neighboring Macomb County residents. It seems to me that with their expense of beach and swimming area, they too felt a need for a pool.

I propose that the Farms pool be put to a vote and the residents be allowed to decide this matter for themselves.

Frankly, I'm puzzled. Out of the thousands and thousands of registered voters in Grosse Pointe, so many of whom are parents and grandparents of youngsters attending Grosse Pointe schools, only 3,728 showed their interest and forethought in voting last Monday in the school trustees' election. The local and Detroit newspapers had given space to the issues and candidates, as had the PTAs, League of Women Voters and the Board of Education itself. What puzzles me is that I'm

repeatedly told this is a "caring community"—"thinking community." Well, if it is, what are the majority of its voters "caring about" and "thinking about?"

One of the selling points given by real estate salespersons to a potential home-buyer here is "our fine schools." How many registered voters who sell homes in Grosse Pointe voted Monday? I checked. The answer would embarrass you. How many officials of local units of government, who urge citizen participation in public affairs, voted Monday? I checked. The answer should embarrass them. How many church, civic and community-active persons voted Monday? The answer should embarrass all of us.

Frankly, does our Grosse Pointe school system continue because of us, or in spite of us? And please don't answer me with any of that malarkey about "busy people!" Too busy to vote?

What Goes On at Your Library

By Virginia Leonard

School is out. Summer is here, as far as the children are concerned. It's time for camp, swimming, baseball, tennis, golf and a host of other accepted summer activities. It's time for reading too. Let's not forget the Libraries (air-conditioned, too!) where colors of all kinds, sizes and books await the eager young vacationer.

We also have a summer film program to attract the young. The starting date is June 18, extending to August 14. Films at Central will be shown on Fridays at 2:00 p.m.; Park Branch on Thursdays at 10:00 a.m.; Woods Branch on Fridays at 10:00 a.m. The presentation: GALA DAY AT DISNEYLAND and ADVENTURES OF A CHIPMUNK FAMILY, will be given on June 18 and 19, followed by WHERE MOUNTAINS FLOAT on June 25 and 26. Next will be THE SAND-CASTLE on July 9 and 10; JAPANESE BOY and MAGIC GIFT OF RONGO on July 16 and 17; JOHNNY ON THE RUN on July 23 and 24; a triple treat, N.Y., N.Y.; I'VE BEEN THERE IN A BOOK and LE MERLE on July 30 and 31. The two final showings will be BUSH COUNTRY ADVENTURE on August 6 and 7, and a group of three: FALL, PRINGS CHANGES, CHILDREN OF THE PLAINS INDIANS, and LIQUID JAZZ on August 13 and 14. So mark these dates and events on your summer calendar; some of your young fry may want to see many of this fine collection of films.

To get back to the youngster who wants to read, Summer reading lists have been compiled by our Libraries for those who want some direction and suggestions. They are all called JUST FOR FUN (with cover illustrations done by 9th grade Parcells Junior High students). One is subtitled: For beginning readers; the other is aimed at the middle and upper grades. The first list includes authors and titles such as: DROOPY by Hetty Beaty, the old favorite FIVE CHINESE BROTHERS by Claire Bishop, MOP TOP by Don Freeman and several of Sydney Hoff, such as: ALBERT THE ALBATROSS, DANNY THE DINOSAUR, and GRIZZLY. The second list has subdivisions such as: Animal Friends, Funny Stories, People to Know and Adventure Ahead. Here we find titles such as: MR. POPPER'S

PENGUINS by Richard Atwater, THE LION, THE WITCH AND THE WARDROBE by C. S. Lewis, MARY POPPINS by Pamela Travers, THE BEAUTIFUL CULPEPPERS by Marion Twington, Miroslov Sasek's two: THIS IS LONDON AND THIS IS PARIS AND THE INCREDIBLE JOURNEY by Sheila Burnford. The range is vast; there is looking over for every child. In appeal over the list, I am tempted to go and read (or read) some of these provocative and long-remembered titles myself!

These lists were handed out to all children in the Grosse Pointe Schools, both public and non-public. For those who for some reason didn't receive one, or lost theirs, there are others available for the asking at each of our Libraries. On the final page, the children's summer film program, discussed above, is also listed, making this a most valuable brochure for summer fun. Do try to come in and take out some books, or treat yourself to a summer movie!

Once again I draw on some excellent publicity put out by NEWSWEEK, with reference to our April National Library Week. With the Week's slogan as its springboard, this message is as follows: "READING IS THE KEY . . . to turning little Johnny's tantrums into big Johnny's smiles. (Spend a calm hour with Dr. Spock.) To exchanging workday boredom for faraway adventure. (Change into your James Bond raincoat.) To leading a party conversation instead of a barely following it. (Closest yourself with Mary McCarthy or Shakespeare.) . . . To exposing your children to the spirit of their nation as well as its bounty. (Introduce them to Carl Sandburg and Walt Whitman.) To reducing your strokes rather than having one. (Swing a little with Sam Snead or Arnold Palmer.) To appreciating nature's wonders instead of wondering what you're seeing. (Go bird-watching with J. J. Audubon.) To voting for a candidate rather than judging an 'image' contest. (Study Walter Lippmann and Raymond Moley.) . . . Reading is the key to all this—and a lot more. But you need no key to your free public library. Just open the door. Open a book. Open your mind."

No. 1—Class No. 8, Mrs. Stirling Loud, Instructor.

Council voted to spend \$350,000 on a new municipal building.

It should be remembered that more than 1,100 property owners have demonstrated interest in voting on the swimming pool issue. The original petition called for a special election, so that a pool could be ready by the 1964 season. Now, if the issue is put off until the November 1964 election, availability of the pool, by 1965, is questionable.

The Council's main objections to a special election in November of last year were:—

1. The desire to study the whole waterfront expansion.
2. Cost of a special election.
3. Their doubts that the pool could be ready by the following summer.

At that time, they suggested a complete program be put before the voters at the August Primary Election. To all of

these objections and suggestions the petitioners acquiesced.

Considerable time and effort, on the part of the Council and its consultants, has resulted in an excellent proposal. This proposal envisions a pool which includes swimming, diving, and wading areas. It retains and enhances the sand beach. Substantial additions will be made to the much needed boat dock and mooring facilities.

We applaud these solutions. But, now that the proposals have been made, the final decision rightfully rests with the voters, and at the earliest possible time.

The Council is therefore charged with the responsibility of putting the swimming pool and dock expansion proposal before the voters at the September 1, 1964 Primary Election.

How Food Fads Can Fool You

By FRED KOPP, R. Ph.

We don't mean there's anything wrong with eating yogurt and wheat germ and so on. They are fine healthful foods. But here's the rub. Advocates of some food fads promise benefits that diet alone can't deliver. Occasionally, someone with a medical problem will try to solve it by living mostly on cabbage juice or some such thing. Special foods and diets, however, have limitations—can be harmful when improperly used. So if you think there's anything wrong with you, by all means see your physician.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Bliss Caulkins, daughter of Mr. and Mrs. Edward Burns Caulkins, Jr., of Newberry place, is back in The Pointe after five glorious months in Europe—and with so many young adults leaving for a summer on The Continent, we thought it might be interesting to collect a few hints from a "returnee," passing them on to those going abroad.

"Go to Italy, definitely," Bliss says. Rome and Florence are her two favorite cities, (she can't really choose between them), and she advises against young girls traveling alone through the Satellite countries.

Bliss herself traveled alone, by train and automobile—and motorbike through Scandinavia—visiting every European country "except Greece."

A History of Art major at the University of Michigan, she dutifully toured the museums and points of interest, but feels the most delightful aspects of her sojourn were enough time to get to know people and an off-season atmosphere.

"Take along a bottle opener and a knife," she advises, adding that just about everything else, toothpaste, shampoo, etc., is VERY available everywhere, that many people speak English, and that the American traveler actually has quite an easy time abroad.

Communist Europe she finds "terribly depressing," although there are "some beautiful resorts on the Yugoslavian coast." She is still shuddering over a Passport Experience in East Berlin.

All in all, Bliss terms a trip to the Hill Towns of Italy a "much better investment" than a tour of the Satellite nations.

"Remember that you have to lift your own suitcases in and out of trains," she cautions. "Take what you need, not what you want; you can always pick things up along the way."

You can pick up everything, in fact . . . except Sucharyl or Saccharine. During all her months abroad, Bliss was unable to discover a European equivalent of our artificial sweeteners. She urges those who use them to take along their own supply.

Which is exactly what Bliss plans to do as soon as she finishes work on her degree. "I'm going back the very first minute I can," she declares. She hopes to study at the British Institute in Florence.

Among the Pointe's young men and women set to discover Europe for themselves this summer are Betsy

Sally and Susan Honored at Tea

On her 19th birthday, Selenah (Sally) Granger, daughter of the Theodore H. Grangers, of Mapleton road, was presented to society at a tea given by her grandmother, Mrs. Charles R. Murphy, in her Bedford road home.

Also honored at the June 9 party was Mrs. Murphy's grandniece, Susan Butler Kinzie, daughter of Mr. and Mrs. Julian McGill Kinzie, Jr., of Hickory Corners, Mich.

Sally and Susan's mother, the former Selenah Butler Murphy (Mrs. Granger) and the former Geraldine Butler Higbie (Mrs. Kinzie), made their bows together, at a dance in the Country Club.

Yellow and white daisies bloomed on the fireplace in front of which the two young ladies and Mrs. Murphy received their guests. Brunet Sally chose a sheer white batiste dress, accented with hand-embroidered appliques at oval neckline and hemline, first worn by her great-grandmother, the late Mrs. Frederick E. Butler.

Blond Susan's white pique frock featured floral appliques at the V neckline. Both carried daisy bouquets.

Mrs. Murphy chose a floral silk print gown. Mrs. Granger wore a blue silk print for her daughter's presentation party, and Mrs. Kinzie wore pink linen.

Pouring at the daisy-bedecked tea table were members of the family, including Mrs. Carlton M. Higbie, Jr., Mrs. Charles Hull, Mrs. W. Colburn Standish, Mrs. Joseph Lodge, Mrs. Bayard Wilson, Mrs. Charles B. Murphy, Mrs. E. K. Aldworth, or Winnetka, Ill., and Mrs. Roy Fortier, of Washington.

Sally's assistants were Lois Granger, her 15-year-old sister, and Thayer MacKenzie, who makes her bow June 22, at a tea in her home in University place, after which she and Sally will share honors at a dinner dance, also at the MacKenzie home.

Sally is majoring in art at Monticello College, Alton, Ill. Seventeen-year-old Susan plans to enter Garland Junior College, Boston, Mass., this fall. She will major in child study.

Haggarty-Wardwell Vows Exchanged

Reception in Kercheval Avenue Home of Bride's Parents Follows Saturday Ceremony in Our Lady Star of the Sea Church

At a 1 o'clock ceremony in Our Lady Star of the Sea Church Saturday, Alice Elaine Wardwell, daughter of Mr. and Mrs. J. Otis Wardwell, II, of Kercheval avenue, became the bride of George Adams Haggarty.

He is the son of Mr. and Mrs. George Haggarty, of Renaud road.

For her marriage, the former Miss Wardwell chose a gown of ivory chiffon with a controlled skirt. Alencon lace and chiffon flowers, beaded with seed pearls, were appliqued at her hem and waistline, and a Camelot chiffon train, falling from her shoulders, ended in more lace and chiffon flower appliques.

A single Alencon flower secured her bouffant veil of imported illusion, and she carried Eucharis lilies and miniature ivy.

In floor length gowns of azure blue linen, with tapestry bows defining their waistlines, wear the attendants, maid of honor Suzanne Taylor Wardwell, sister of the bride, and bridesmaids Eleanor G. Galloway, Heather Whitehead, Mrs. Richard Johnson and Mrs. Stuart Finlay, of Boston, Mass.

They wore matching tapestry and linen head bows, and carried daisy bouquets.

Simpson Leonard served as the bridegroom's best man. Ushers were Robert Wood, Dainforth French, Robert Orlison, Sheldon Wardwell, Richard Johnson, Charles Ratner, of Shaker Heights O., and Peter Kross.

For her daughter's wedding and the reception following the ceremony, at her home, Mrs. Wardwell chose a pink brocade dress with a chiffon top and bolero jacket, and a pink chiffon hat. Mrs. Haggarty wore a lace trimmed blue silk dress.

When they return from a wedding trip in Northern Michigan, the newlyweds will make their home in Ann Arbor.

Judith Fisher Bows At Home

Judith Elizabeth Fisher was presented Sunday afternoon at a garden reception in the home of her parents, Mr. and Mrs. Alfred J. Fisher, Jr., of Lakeshore home.

Miss Fisher, granddaughter of the late Alfred J. Fisher, wore an Empire line yellow brocade gown by St. Laurent and carried a gardenia arrangement intertwined with ivy.

Escorted by Emory Moran Ford, Jr., she chose as ushers her brother, Alfred J. Fisher, III, James N. Candler, Jr., Daniel Marentette, Peter J. Fisher, Donald MacFarlane, Sanford

White and Simpson C. Leonard, Jr.

The debutante and her parents received before a fireplace, banked with yellow roses, in the library of their home. Striped green and white tents were placed in the far corners of the lawn, and a string orchestra strolled through the grounds.

A graduate of the Convent of the Sacred Heart, Norton, Conn., Judy is about to enter her sophomore year at Manhattanville College, Purchase, N.Y.

Martha Prendergast, of New York City, came "west" for the party, returning to the East coast last Monday.

SIGURD R. WENDIN, of Cloverly road, were graduated May 31 from Vassar College, Poughkeepsie, N.Y. Constance received her A.B. degree cum laude at the College's 100th commencement.

She prepared for Vassar at Grosse Pointe University School, centered her college studies in Economics, and was named to the 1963 Honors List.

Julia, a graduate of the Liggett School, received her A.B. degree magna cum laude in English. She was named to the 1962 Honors List, spent her junior year abroad studying at Westfield College, London, England, and in her senior year participated in "Horizons Unlimited," the student tutorial enrichment program.

Peggy Smith Wed To Richard Gaskill

Newlyweds To Live In Dearborn Heights When They Return From Wedding Trip To World's Fair and New England States

A dinner reception in the Fries Building of the Grosse Pointe War Memorial followed the Saturday ceremony, in Grosse Pointe Methodist Church, at which Peggy Elizabeth Smith, daughter of Mr. and Mrs. Paul L. Smith, of Aline drive, spoke her marriage vows to Richard Morse Gaskill.

The Reverend Alfred T. Bamsey officiated at the 5:30 o'clock double ring ceremony.

The bride wore a beau de soie sheath gown with a full circle detachable train, its skirt and lantern sleeves trimmed with Venise lace. A crown of beau de soie and lace caught her shoulder length illusion veil.

She wore a single strand of pearls, the bridegroom's gift, and carried a cascade bouquet of white orchids and ivy.

Maid of honor Susan Price, and bridesmaids Jane Remender, Kay Foster and Sally Bastow, of Ambler, Pa., were gowned alike in shocking pink A-line dresses of beau de soie, with matching circlet headpieces, and carried halls of white pompons, pink Sweetheart roses and ivy.

The bridegroom, son of Mr. and Mrs. Ralph H. Gaskill, of

Detroit, asked Paul L. R. Smith, brother of the bride, to serve as best man.

Ushers were Randal M. Smith, brother of the bride; Philip Doyle and John Stimson, John and David Pankratz, of Toledo, O., cousins of the bride, served as acolytes, and Mrs. George E. Pankratz, the bride's aunt, was soloist.

For her daughter's wedding, Mrs. Smith chose a dress of pink lace with matching accessories, and a pink cymbidium orchid corsage. Mrs. Gaskill wore a frock of aqua chiffon and lace, and a corsage of pink cymbidium orchids.

For traveling to the World's Fair and New England, the bride donned a pale pink two-piece A-line crepe dress with white accessories and a white orchid corsage.

The newlyweds will make their home in Dearborn Heights upon their return from the East.

DONNA JEAN MAHER, daughter of the Thomas A. Mahers, of Berkshire road, became the bride of Mr. Peake, son of Mr. and Mrs. Richard Peake, Jr., of Cincinnati, O., Saturday, at a morning ceremony in St. Clare de Montefalco Church.

Miss Maher Speaks Vows To Mr. Peake

Pair Leave For Lake Hope, O., After Wedding Saturday, In St. Clare de Montefalco Church, and Reception At Home of Bride's Parents

Donna Jean Maher wore a silk organza gown, appliqued in Alencon lace, for her marriage to Richard Harrison Peake, III, Saturday morning in, St. Clare de Montefalco Church.

A pillbox applied in matching motifs held her bouffant veil of French silk illusion. She carried a cascade of stephanotis and cymbidium orchids.

The bride is the daughter of Mr. and Mrs. Thomas A. Maher, of Berkshire road. Parents of the bridegroom are Mr. and Mrs. Richard Peake, Jr., of Cincinnati, O.

In street length frocks of aqua blue linen, with matching bow headpieces, were the attendants, maid of honor Susan Niehaus, of Cincinnati, and bridesmaids Elaine Maher, sister of the bride, Marsha Iannarelli and Camille Kusnir.

Their flowers were white iris-

centered bouquets, accented with blue-tipped white carnations.

William Peake served as his brother's best man. Seating the guests were William Damon, Thomas Hudson and John Thornbury.

For her daughter's wedding, and the reception following the ceremony in the gardens of her home, Mrs. Maher chose a light aqua crepe frock with a Chantilly lace bodice.

Mrs. Peake wore a dress of pale blue silk linen, with a matching jacket and a pleated chiffon bodice. Both mothers wore cymbidium orchid corsages.

When they return from a wedding trip to Lake Hope, O., the couple will reside in Dayton.

Mr. Scripps Claims Bride In Florida

At an evening ceremony in First Methodist Church, Coral Gables, Fla., Saturday, Robert Kittredge Scripps, son of Mr. and Mrs. Robert Warren Scripps, of Lakeshore road, claimed Jeanne Weaver as his bride.

She is the daughter of Mrs. Katherine Weaver, of Coral Gables, and Walter E. Weaver, of Arlington, Va.

For her marriage, the former Miss Weaver chose a Princess style gown of Alencon lace and silk organza over taffeta, its bodice fashioned entirely of lace with a scalloped Sabrina neckline and elbow length sleeves, featuring a two part

obi sash and ending in a full train.

Her veil of multi-tiered silk illusion fell from a coronet of lace and pearls, and her flowers were white carnations and lilies of the valley.

For "something old," she wore a heirloom diamond pendant in a sunburst setting; the ornament originally belonged

to her great-grandmother.

Catherine Scripps, the bridegroom's sister, was maid of honor, and Nancy Elaine Adams, of Annapolis, Md., and Alice and Christiana Nova, of Miami, were bridesmaids.

The attendants' floor length frocks were fashioned of pale pink beau de soie, designed with fitted bodices and bell shaped skirts. They wore pink veiled headpieces, and carried small Colonial bouquets of pink carnations.

Mr. Scripps asked his father to serve as best man. Ushers

were Robert L. Buck, of Norwich, Conn., Ronald P. Hall, of Troy, N.Y., and Robert Corso, of Highland, N.Y.

Mrs. Weaver greeted guests at the reception in the Coral Gables Women's Club following her daughter's wedding, in a beige sheath with an overlay of cream colored lace and matching accessories. Mrs. Scripps chose a raspberry chiffon frock with a pink cowl neckline.

The newlyweds are vacationing for a few days in Nassau, and will take their wedding trip to Europe in the fall.

Strohmeys To Live In Vestal City, N.Y.

Virginia Lee Weinberg Speaks Vows Saturday, In Our Lady Star of The Sea Church, To Kenneth Dale Strohmeier

A home in Vestal City, N.Y., awaits the newlywed Kenneth Dale Strohmeys, when they return from a wedding tour of the East Coast.

The pair were married Saturday morning, in Our Lady Star of the Sea Church. A breakfast reception in the Fries Ballroom of the Grosse Pointe War Memorial followed the 10 o'clock ceremony.

The bride, the former Virginia Lee Weinberg, daughter of Mr. and Mrs. Harry William Weinberg, of Peachtree lane, wore a gown of embroidered white silk organza over taffeta, fashioned with elbow length sleeves, a bateau neckline and a floor length modified bell skirt.

Her elbow length silk illusion veil fell from a mother-of-pearl and crystal coronet, and she carried a Colonial bouquet of white roses and stephanotis.

Gail Stockwell Says Vows To Mr. Talbot

In Christ Church Saturday afternoon, Gail Ellen Stockwell, daughter of Dr. and Mrs. Benjamin Wiley Stockwell, of Lothrop road, was married to Richard James Talbot, son of Mr. and Mrs. John O. Talbot, of Keene, N. H.

A reception at the Country Club of Detroit followed the 4 o'clock ceremony.

The bride wore a gown of ivory peau de soie, its contoured bodice fashioned with a crescent neckline and mid-length sleeves. Her skirt, belled in Watteau folds, ended in a court train.

A Flemish lace mantilla fell in folds to below her waist, and she carried a cascade bouquet of white roses and stephanotis. Honor attendant Helen Blain chose a floor length gown of peach linen, designed with an Empire waistline and tapered skirt.

Dressed identically were the bridesmaids, Elisa Bieser, of Dayton, O., Susan Collins, of Columbus, O., Elizabeth Bohlen, of Cambridge, Mass., and Mrs. Gary Sauer, of St. Clair Shores.

Their headpieces were bands of shattered tangerine carnations, and they carried cascades of tangerine carnations and ivy. John Talbot served as his brother's best man. Seating the guests were Frederick Fox, of Keene, N.H., Wesley Huntress, of Huntington, Va., and Robert and James Stockwell, brothers of the bride.

For her daughter's wedding, Mrs. Stockwell chose a pink silk gown with a bolero jacket, and a small cloche hat, fashioned of lilies of the valley accented with tiny pink bows.

Mrs. Talbot wore a seafoam green lace and chiffon gown with a matching hat. Both mothers pinned Eucharis lilies to their purses.

The newlyweds are spending the summer in Fitzwilliam, N.H. They will make their home in Boston in the fall.

Danielle Harris Bows at Home

Danielle Harris wore a white ribbed cotton floor length gown, with a garland of chignon petals defining her neckline, and carried her father's gift bouquet of yellow goldilocks and stephanotis, as she received guests at the reception given by her parents, Dr. and Mrs. Ivor D. Harris, last Thursday afternoon, to introduce their daughter to Detroit society.

Dr. and Mrs. Harris received with "Danny" in front of the fireplace in their Provencal road home.

For her daughter's presentation party, Mrs. Harris chose a street length turquoise sheath, with a cowl neckline draped in back, and a corsage of white butterfly orchids.

White flowers were placed in bowls and vases throughout the house, and guests gathered in the garden, gay with pink and white roses and petunias and blue Canterbury bells, where Jack Qualey's trio played background music.

Susan Cahill, of River Forest, Ill., Joy McConachie, of Lansing, Nancy Helm, of Edina, Minn., and Mary Halford, of Ann Arbor — all Danny's classmates at Northwestern University — gathered at the Harris' home for the party.

The debutante's uncle and aunt, Mr. and Mrs. David Toomey, of Dover, O., honored their niece at a dinner party in the Little Club, following the reception. Guests included people who came from out of town for the reception, Danny's young friends, and family relatives.

Danny left yesterday for San Francisco, where she will rendezvous with college friends and fly to Hawaii, for morning study at the University of Honolulu and afternoon fun on the beach at Waikiki. The study-pleasure trip is a debutante gift from her father.

Vacationing in Washington, D.C. for about a week are the E. FREDERICK LANGS, of Cloverly road. They left early Monday.

Eileen Cross Weds James T. Trewartha

Pair Travel To Puerto Rico After Wedding Saturday, In Our Lady Star of the Sea Church, And Reception At Grosse Pointe Yacht Club

At high noon Saturday, in Our Lady Star of the Sea Church, Eileen Patricia Cross, daughter of Dr. and Mrs. Harold E. Cross, of North Deeplands road, spoke her wedding vows to James Thomas Trewartha.

The Rev. Father Mark VanGorp, who married the parents of the bride, officiated at their daughter's marriage ceremony.

For the rites, the bride chose a gown of Swiss embroidered silk organza, designed with a bell skirt trimmed with a wide band of Venise lace. Her elbow length sleeves and square panel train, falling from a wide insert midriff of Swiss embroidery, were bordered in matching lace.

She wore a mantilla bordered with embroidered Swiss motifs, and carried a Colonial bouquet of white roses and lilies of the valley.

Wearing floor length dresses of silk linen in clear azure blue were the attendants, Kathleen Cross, her sister's maid of honor; Judith Bonahoom, Mrs. John D. Reynolds, Kay Cornell, and Carolyn Schultz, bridesmaids; and Maureen Cross, sister of the bride, junior bridesmaid.

Matching blue Venise lace edged their elbow length sleeves and defined their waistlines. Their headpieces were pillbox hats, and they carried cascades of white carnations and blue ribbons.

Daniel Trewartha served as his brother's best man. They

are the sons of Mr. and Mrs. Leslie Trewartha, of Oakfield avenue, Detroit.

In the usher corps were Robert Trewartha, another brother; Donald Egan, Brian Dandena, Michael McCullough, James T. Barnes, Jr., and Sheldon Moore.

For her daughter's wedding and the reception at the Grosse Pointe Yacht Club, Mrs. Cross chose a pink silk dress with a lace top and a matching pink silk jacket. She wore a hat of pink organza petals, and her corsage was fashioned of white orchids.

The bridegroom's mother wore a dress of turquoise silk, with a matching turquoise pillbox, and a white orchid corsage.

May 30 graduates from Alma College from the Pointes include JOHN CARELTON WILSON, son of Mr. and Mrs. GEORGE R. WILSON, of North Oxford drive, MARGARET NIEMETTA, daughter of Mr. and Mrs. WILLIAM A. NIEMETTA, of University place, and BARBARA PLACE, daughter of Mr. and Mrs. HOLLIS A. PLACE, of Wedgewood road.

Bride Wears Beau de Soie Gown For Rites Saturday In St. James Lutheran Church; Both Fathers Officiate At Ceremony

Kathryn Joanne Kurz and Richard Walter Gerken were married Saturday evening, at a candlelight service in St. James Lutheran Church. Both fathers officiated at the double ring ceremony.

The bride is the daughter of the Reverend and Mrs. George E. Kurz, of Balfour road. Rev. Kurz is pastor of St. James. The bridegroom, son of the Reverend and Mrs. Walter C. Gerken, of Fort Wayne, Ind., is vicar at St. James.

For her wedding, the former Miss Kurz chose a silk face beau de soie gown, designed with a controlled bell skirt featuring appliques of re-embroidered Alencon lace, a full Chapel train and a bustle back.

Her fingertip veil of bouffant silk fell from a pearl and crystal headpiece, and she carried white gardenias with ivy.

Margaret Meinke was her cousin's maid of honor, and bridesmaids were Charlene Bopp, Karen Hansen and Mrs.

Peter Larsen.

They wore dresses of pink l'opaque fabric with scooped necklines and floor length, detachable skirts accented by bows. Their headpieces were matching pink bows and they carried pink carnations.

Herbert Gerken, the bridegroom's brother, served as best man. Seating the guests were David and John Gerken, brothers of the bridegroom; James Kurz, brother of the bride; and Vicars Peter Larsen, James Schroeder and Carl Toelke.

A reception in the Alger House of the Grosse Pointe War Memorial followed the ceremony. Mrs. Kurz greeted guests, wearing a simple sheath dress of beige re-embroidered Alencon lace over pale blue beau de soie.

To Give Teens Splash Party

The Grosse Pointe Yacht Club will host a Splash Party next Wednesday, June 24, for teenage students, (ages 14-20), of the Grosse Pointe community.

The party includes swimming from 6 to 8 p.m., followed by dancing until midnight. Hamburgers and hot dogs will be sold throughout the evening.

The attire is casual—so wear your bermudas. The tickets cost \$2 per couple (\$1.25 stag) and can be purchased only at the door.

CHARLES TOEPEL, son of Mr. and Mrs. FREDERICK A. TOEPEL, of Moross road, has been named to the Dean's list at Washington and Lee University in Virginia, where he just completed his freshman year.

Goddard-Bingham Rites Observed

Newlyweds To Make Home in Cambridge, Mass., This Fall; Many Detroiters Travel East For Ceremony

Saint James Episcopal Church, New London, Conn., was the scene of the wedding Saturday of Cecilia Lawton Bingham and Russell Hart Goddard.

The bride is the daughter of Mr. and Mrs. Hiram Bingham, of Salem, Conn. She wore a wedding dress of white taffeta, with a lace and tulle veil, and carried white daisies.

Abigail Bingham served as her sister's maid of honor, and bridesmaids were another sister, Margaret Bingham; Sarah and Margery Goddard, sisters of the bridegroom; Dinah Starr and Louise Gund.

Their dresses were fashioned of light green taffeta, and they carried white daisy bouquets.

The bridegroom is the son of Mr. and Mrs. Wendell Converse Goddard, of Providence road. Mr. Goddard was best man for his son.

Ushering were Wendell Hume Goddard, the bridegroom's brother; Claude K. C. Levy, of Cambridge, Mass.; Harry S. Lunn, Jr., of Washington, D. C.; and the bride's brothers, Hiram, Thomas David, Robert and Benjamin Bingham.

William A. S. Bingham.

another brother of the bride, was ring bearer. Martha Clark Dykema, daughter of Mr. and Mrs. Jere H. Dykema, of Cambridge, Mass., was flower girl. She is granddaughter of Mr. and Mrs. Raymond K. Dykema and of the late Mr. and Mrs. Henry Sheldon. Her father was ring bearer at the wedding of the bridegroom's parents.

A reception at Elmgrove, the Salem home of Mr. and Mrs. Bingham, followed the ceremony.

Among those who traveled from Detroit to attend the wedding were the Raymond K. Dykemas, Dr. and Mrs. Lawrie C. Dickson and their sons, Craig

Dr. Hammer To Claim Bride

Mr. and Mrs. Paul H. Steenchen, of Northville, have announced the engagement of their daughter, Barbara Ann, to Dr. Edwin J. Hammer, son of Dr. and Mrs. E. J. Hammer, of Berkshire road.

The "Meetingest" People In Town

It seems, sometimes, as if our Junior Leaguers are the "meetingest" people in town. What with current projects to oversee—and future projects to plan—these busy young matrons and misses pursue a thoroughly hectic, but rewarding, schedule all the year long.

Present cause of a pleasant commotion in Junior League circles in Fashionscope, Fall '64, a complete showing of styles and trends for the fall and winter months, scheduled September 15 and 16, at 2:30 o'clock, in the J. L. Hudson Co. downtown auditorium.

September seems far away now, but the Junior League knows how quickly months slip by: Fashionscope ticket sellers held their first meeting in May, and last Thursday Mrs. Gilbert Hudson, general Fashionscope chairman, entertained members of her committee at a strategy planning session in her Beverly road home.

Mrs. Stanley R. Day, patroness ticket chairman, was hostess at a luncheon and ticket sellers' report meeting on Monday, at her home in Lakeland avenue, and many more work-play, (with the emphasis on "work"), meetings are scheduled throughout the summer.

Fall '64 Fashionscope committee members include assistant chairman Mrs. Peter A. Dow, of Hillcrest road, general ticket chairman Mrs. Gordon R. Maitland, Jr., of

Merriweather road, Junior League membership ticket chairman Mrs. Post Fordon, arrangements chairman Mrs. William B. Krag and publicity chairman Mrs. Henry H. Hubbard, III.

As always, tea will follow Fashionscope, and all proceeds from the annual Junior League-sponsored style show will go directly back to the community.

General tickets are priced at \$3, patroness tickets at \$10. For tickets or further information, contact Mrs. Hudson, TUxedo 1-8529, Mrs. Dow, TUxedo 6-1424, or Mrs. Day, TUxedo 1-1151.

More Fall Plans

The sixth annual Planned Parenthood Mart will be held Wednesday and Thursday, October 28 and 29, at Detroit's Veteran's Memorial Building. There will be a preview cocktail party and dinner Tuesday evening, October 27, and an innovation this year—a dinner on Wednesday night as well!

Last Tuesday, the Mart committee met at the Meadow lane home of chairman Mrs. John W. Coe, to write patron letters to be signed by the honorary chairman, Mrs. Joseph B. Schlotman.

Among those working for this year's Mart are Mrs. John A. Herrmann, Mrs. Henry M. Woodhouse, Mrs. Harry W. Kerr, Mrs. William P. Harris, III, Mrs. Richard Turner, Mrs. Stanley W. Smith, Mrs. Arthur B. Hudson, Mrs. Joseph L. Hudson, Jr., Mrs. Henry T. Ewald, Jr., Mrs. Willard P. Kerr and Mrs. James Macpherson, II.

More are Mrs. Peter Stalker, II, Mrs. Nelson Holland, Mrs. Byron Nichols and Mrs. Robert Valk. Mrs. Ross Wilkins is chairman of the Exhibitors and Shops Committee, assisted by Mrs. William C. Tost, the two Mrs. Hudsons, Mrs. William Beardslee and Mrs. Joseph W. Caskey.

Martins Wed Forty Years

More than half a hundred people filled the home and back lawn of Mr. and Mrs. Nelson Meredith on Sunningdale drive last Saturday evening, June 13, to honor Col. and Mrs. Darwin D. Martin, of Vernier road, on their 40th wedding anniversary.

Greeting the guests—in addition to Col. and Mrs. Martin and the Merediths—were Mr. and Mrs. Darwin D. Martin, Jr., of Lakepointe avenue and the Martin's daughter, Mrs. Barbara Walker, of McKinley avenue.

Attending the reception were all of Mrs. Martin's bridesmaids: Mrs. Dorothy Sherman, of Mt. Clemens, Mrs. Roth Gregg, of Detroit, and Mrs. William G. Bishop, of Bloomfield Township. The junior

bridesmaid—Mrs. Raymond Brett, of Lincoln road—also was present.

A mammoth "anniversary cart" for the Martins was placed in the entrance hall of the Meredith home. Below it appeared a simple announcement of the engagement of Mrs. Walker to Charles Young, of Detroit.

The following day, the Martins held open house for close friends and members of the family at their home in Vernier road.

The Martins recently returned from West Point where they attended the 40th reunion of Col. Martin's class at the United States Military Academy.

Susan Boynton Wed In Franklin, Mich.

The Franklin Community Church, Franklin, Mich., was the setting Saturday afternoon for the marriage of Susan Brelsford Boynton and Ferry William Lewis. The Reverend Kenneth Callis officiated at the ceremony.

Following a reception at the Franklin House, the newlyweds left for a wedding trip in Florida.

The bride, who teaches English at Parcells Junior High School and has been living in Rathbone place, is the daughter of Mr. and Mrs. Frederick Walter Boynton, of Richmond, Va., formerly of Birmingham, Mich. Parents of the bridegroom are Mrs. Fay Lewis, of South Bend, Ind., and William Lewis, of Midland, Mich.

The bride's lace-trimmed peau de soie gown featured a scooped neckline, elbow length sleeves, bell-shaped skirt and detachable chapel train. Her bouffant silk illusion veil fell from a peau de soie rose, and she carried a cascade of stephanotis and Eucharis lilies.

Linda Brelsford Boynton served as her sister's maid of honor. Bridesmaids included Patricia Brelsford Boynton, another sister; Theodora Lewis, of Midland, sister of the bridegroom; Anne Elizabeth Wells and Mrs. Robert H. White, Jr., of Nashville, Tenn.

The attendants wore floor length pink sheath gowns with back bows and panels, matching the bride's gown. Their headpieces were pink bows, and they carried cascades of red roses and ivy.

Best man was Jerome Ellington Franz, of Hollywood, Calif. Ushering were: Michael C. Weston, of Birmingham, Mich.; David Sager Frost, of Le Roy, N.Y.; Frederick Walter Boynton, III, of Richmond, Va.; and Charles Lee Martin, of Evansville, Ind.

Mrs. Boynton wore an ice blue silk shantung dress with matching lace appliques, while Mrs. Lewis chose an aqua chiffon frock with a white lace bodice.

Mrs. Ferry W. Lewis

IN FRANKLIN COMMUNITY CHURCH Saturday, SUSAN BRELSFORD BOYNTON, of Rathbone place, daughter of the Frederick Walter Boyntons, of Richmond, Va., formerly of Birmingham, Mich., became the wife of Mr. Lewis. He is the son of Mrs. Fay Lewis, of South Bend, Ind., and William Lewis, of Midland, Michigan.

Mrs. Daniel A. Miller

MARY LOUISE CODY, daughter of the Frederick Kip Codys, of Stratford place, was married Saturday, in St. Paul's on the Lakeshore, to Mr. Miller, son of the John Millers, of Moran road.

Newlywed Millers Travel To Smokies

Reception At Country Club of Detroit Follows Saturday Ceremony In St. Paul's On The Lakeshore; Pair To Live In Wisconsin

Mary Louise Cody chose a traditional gown of white peau de soie, designed with a fitted bodice, semi-flared skirt and circular train, for her marriage Saturday, in St. Paul's on the Lakeshore, to Daniel August Miller.

Monsignor Frank J. McPhillips officiated at the 11 o'clock ceremony, during which a Papal Blessing was bestowed.

The bride is the daughter of Mr. and Mrs. Frederick Kip Cody, of Stratford place. Her

husband's parents are the John Millers, of Moran road.

The former Miss Cody's bridal veil fashioned of re-embroidered lace, extended the length of her train. She carried a cascade of red roses and ivy.

Mr. and Mrs. Henry T. Platz of West Williams court celebrated their golden wedding anniversary Wednesday, May 27 with a mass of thanksgiving at Our Lady Star of the Sea Church. Following the church

service, they were entertained at a reception and luncheon at the Detroit Yacht Club.

Mr. and Mrs. Platz were born in Detroit. Mrs. Platz was the former Florence Marie LeMay. Their children include a daughter, Dr. Carol Platz, and two sons, Henry T. Platz, Jr. and Paul Jay Platz. They also have four grandsons and six granddaughters.

Pointe Girls Honored By Theta Phi Alphas

A Grosse Pointe girl has been elected vice-president of the University of Detroit chapter of Theta Phi Alpha, national social sorority, and three others have been initiated as new members.

New vice-president is Carole I. Addy, daughter of Mr. and Mrs. John L. Addy, Jr. of Kensington road.

Miss Addy, a junior business education major in the U of D College of Commerce and Finance, is a 1960 graduate of Dominican High School. She is also president of Gamma Pi Epsilon, national Jesuit honor society for women.

New members of Theta Phi Alpha are: Mary Dianne Doyle, daughter of Mr. and Mrs. John H. Doyle of North Oxford road; Susan Brady, daughter of Mr. and Mrs. Thomas F. Brady, Jr., of Crescent lane; and Kathleen Helen Devine, daughter of Dr. and Mrs. Herbert W. Devine of Harvard road.

Dressed identically were the bridesmaids, Angela Cody, another sister of the bride; Susan Craine, the bride's cousin; Gretchen Wollenzin, Suzanne Weiss, and Donna and Mary Lou Miller, sisters of the bridegroom.

They wore circlets of daisies in their hair, and carried baskets of matching flowers.

John Miller, Jr., of Warren,

served as his brother's best man. Seating the guests were Frederick K. Cody, Jr., brother of the bride; Lee Wells, of Milwaukee, Wis.; Stephen Rowbottom, of Geneva, Ill.; and Charles Krebs, of Geneva, Ill. A reception at the Country Club of Detroit followed the ceremony. Mrs. Cody greeted her guests, wearing a Provence blue ribbed silk jacket dress with a bodice of re-embroidered Alencon lace. Her hat was a two-toned blue draped organza calot, and she carried white Cymbidium orchids pinned to her purse. Mrs. Miller wore shell pink, with blending accessories, and she, too, carried cymbidium orchids.

Candler-Elbon Rites Read In Colorado

Bride Chooses White Silk Gown With Empire Lace
Bodice For Ceremony Saturday In Denver,
Col.; Pair To Make Home In Denver

Anne Elbon and Henry Ernest Candler, II, exchanged marriage vows Saturday afternoon, in Saint Martin's Chapel, Saint John's Episcopal Cathedral, Denver, Colo.

The bride, daughter of Mr. and Mrs. William Joseph Elbon, of Grand Junction, Colo., was given in marriage by her father.

She wore a gown of antique white silk designed with an Empire bodice of Alencon lace and short lace sleeves. Her skirt swept into a long, square, lace-bordered court train, and her waist length veil of silk illusion fell from a pillbox of matching pearl de soie and lace.

Her flowers were white orchids, stephanotis and English ivy.

Matron of honor Mrs. Gene Lenderman, of San Francisco,

Cal., wore a floor length gown of gold shantung. She carried a cascade of white roses, marguerites and English ivy.

In a floor length gown of gold taffeta, carrying roses, marguerites and ivy, was the junior bridesmaid, Greer Candler, sister of the bridegroom. Libby Candler, another sister, served as flower girl. She wore a floor length taffeta dress, and carried a basket of marguerites and English ivy.

The bridegroom, son of the late Mrs. Lee Purcell and the late Joseph Boyer Candler, of Grosse Pointe, asked his brother, Joseph Candler, of Vero Beach, Fla. to serve as best man.

Ushering were Robert Herschell of Eureka, Ill., and Ronald Hunter of Boulder, Col. A reception at the Top of the Park followed the 3:30 o'clock

Present Cousins At Little Club

Wynne Hutchinson, daughter of Mr. and Mrs. John M. S. Hutchinson, of Vendome road, and Nancy Kellogg, daughter of George Kellogg, of Lakeville, Conn., and the late Mrs. Kellogg, made their bows to society Saturday evening, June 13, at a dance in the Grosse Pointe Club.

Wynne and Nancy received their guests before the podocarpus-draped fireplace in the club's living room. In the front entrance hall, a carousel horse and fountain from the Hutchinson gardens was flanked by ivy topiary trees.

Trellises and geranium-filled hanging baskets lined the archway to the living room receiving line.

Wynne wore a white silk Princess line gown, with a high-rise front neckline dipping low in back. Nancy chose a gown of white peau de soie, its floor length skirt accented with white silk flowers. Both girls carried gardenia and ivy bouquets, gifts of their grandparents, Mr. and Mrs. Richard Krenn, of Elizabeth, N.J.

Mrs. Hutchinson wore a floor length linen print gown, featuring red roses and pink camellias on a white background. Al Navarro and his orchestra played for dancing. Late in the evening, breakfast was served in the Pine Room, at green-covered tables with white daisy and fern centerpieces.

Ushers, who wore water-drop prisms pinned to their lapels, included Emory M. Ford, Jr., Peter Fortune, Christopher Chapin, Donald MacFarlane, David Alger, Charles Johnson, George Robinson, Michael Fitzsimons, Michael Lynch, Robert Williams, Dennis Bourke, Ronald Linclau, Joseph Jennings, Allan Sheldon IV, Duncan Laurie and Stewart Kellogg, Nancy's brother.

Wynne's Wheaton College classmates, in town for the party, included Martha Hamn, of Washington; Anne Adams, of Lake Forest, Ill.; Beth Richardson, of Sewickly, Pa.; Frances Aldrich, of New York; and former Pointer Nancy Webber, now of Providence, R.I.

Nancy, just graduated from the Westover School, Middlebury, Conn., had as her guests classmates Martha McCahill, of Albany, N.Y.; Charlotte Macy, of Weston, Mass.; Virginia Bell, of Essexfells, N.J.; Pamela Whittemore, of Middlebury, Conn.; and Harmonie Clement, of New Haven, Conn.

Wynne's uncle and aunt, Mr. and Mrs. William D. Laurie, Jr., honored the debutantes at a dinner in the Country Club preceding the dance, and on Sunday the cousins were feted by the Daniel W. Goodenoughs, Harold A. Beattys and Mr. and Mrs. Gayle W. Gillis, Jr., at a picnic brunch at the Goodenoughs' Lothrop road home.

Teen Hop Set For June 23

The Grosse Pointe War Memorial and the Neighborhood Club are co-sponsoring a teenage record party in the undercroft of Christ Church Tuesday night, June 23, from 8 to 11 o'clock.

The Fugitives, a five piece band, currently popular at the "Hideout" will play throughout the evening. At intermission there will be a short hoote-nanny. Helping to plan the party are

Kathy Munkhohn, Peachy Hines, Chris Pierce, Jo Moran, Trudy Pentacost, Beth Pankhurst and the Center's new Youth Council officers Craig Dykstra, Stan Bryant, Sue Hinks, Al Steiner, Chris Saddler, Tim Thelbiss and Scott Tyle. The dance will have college age chaperones.

ELIAN HARANTS has been an active athlete at Franklin Col- lege. He was a varsity football player in his sophomore, junior and senior years. He also partic- ipated in track and field events. A physical education major in college, Al plans to enter teaching.

Two Grosse Pointe seniors at Wayne State University were initiated into Phi Beta Kappa at a banquet June 16. Phi Beta Kappa, founded in 1776, is the oldest scholastic honor society in America. To join, Wayne seniors must carry an accumulative honor point average of 3.4 (B+).

The two initiates are ANNE BAUBIE, Colonial road, and ANNE OLLIVER, Harvard road. MISS KATHERINE KERR, daughter of A. STEWART KERR, of Harvard road, was graduated June 8 from the Uni- versity of Chattanooga, Chatta- nooga, Tenn. She received the bachelor of science degree in education: history and political science.

KEN SINNING, son of MR. and MRS. GEORGE SINNING, of Broadstone road, is a member of the 1964 junior college graduating class at Kemper Military School and College, Boonville, Mo., and was awarded his Associate in Arts degree. He also received an award as the best "old cadet" in indi- vidual drill in Company F.

FRANK W. MUNGER, JR., 211 Lakeview, has been elected to membership in Phi Beta Kappa, national honorary schol- astic fraternity. One of the

119 Kenyon College students to graduate in ceremonies Sunday afternoon, Munger was awarded high honors in mathematics and a summa cum laude degree.

The son of MRS. ELEANOR B. MUNGER, he is one of seven seniors to be initiated by Phi Beta Kappa's Beta Chapter of Ohio. A Fulbright Scholarship winner, Munger plans to spend the next year at the University of Kiel, Germany, before at- tending Pennsylvania State University as a Woodrow Wil- son Fellow.

Munger was named winner of the Reginal B. Allen prize in mathematics during the com- mencement ceremony. The prize is awarded to an undergraduate who, in the opinion of the members of the mathematics department, has shown unusual promise in this field.

SUSANN HANSON, of Mau- mee road, will teach in the Livonia public schools next fall, it was announced by Ben- ton Yates, superintendent of Livonia schools. Miss Hanson, who holds a B. S. degree from Wayne State University, will teach in the elementary grades.

LAWRENCE W. GARRET, son of MR. and MRS. LEE W. GARRETT, of North Renard road, received his bachelor of science degree in mechanical engineering from Lehigh Uni- versity, Bethlehem, Pa. at exer- cises held on Monday, June 8. A graduate of Grosse Pointe High School, he will be em- ployed at the Chevrolet Engi- neering Center.

GUSTAV DAHLEN, of Devon- shire road, member of the Immanuel Lutheran Church, will represent the Michigan Synod of the Lutheran Church in America at the denomina- tion's second Biennial conven- tion at Pittsburgh, July 2-9.

Among recent vacationers in Port Lauderdale, Fla., was LYNN COLBY, of Hawthorne road.

LINDA JOSEPHINE PER- KIN, daughter of DR. and MRS. FRANK S. PERKIN, of Lakeland avenue, was recently graduated from Abbot Aca- demy, Andover, Mass. Linda's activities at Abbot included vari- ous hockey and class officer. She plans to enter Barnard Col- lege in the fall.

SALLY SEXTON CHALMERS was graduated Sunday June 14, from Emma Willard School, Troy, N.Y., at the School's 150th commencement. The daughter of MR. and MRS. BRUCE CHALMERS, of Grosse Pointe boulevard, served in her three years at Emma Willard, as a member of Dress Com- mittee, as a director of Cafe Rouge, the student snack bar, and as a Slocum Council Pre- fect, concerned with the care of the administrative building. Sally's graduation from Emma Willard continues a family tra- dition; her mother, the former Harriet Sexton, and her sister, BEVERLY LYNN CHALMERS, are also Emma Willard gra- duates.

City of Grosse Pointe NOTICE OF ADOPTION OF UNIFORM TRAFFIC CODE

Notice is hereby given that pursuant to the provisions of Act 62 of the Public Acts of 1956, State of Michigan, the Uniform Traffic Code for Cities, Townships and Villages was adopted by reference by the Council of the City of Grosse Pointe of Michigan on the 15th day of June, 1964. A complete copy of the adopting ordinance is hereinafter set forth. The purpose of such code is to regulate the operation of vehicles, to provide for the regulation and use of streets, highways and alleys and other public and semi-public places within the City of Grosse Pointe and to provide penalties for the violation of said Code.

Complete copies of the Uniform Traffic Code are available at the office of the City Clerk for inspection by and distribution to the public at all times.

No further or additional publication of the Uniform Traffic Code is required or contemplated.

Ordinance No. 115

An ordinance to adopt by reference the Uniform Traffic Code for Michigan Cities, Townships and Villages. The City of Grosse Pointe ordains:

- Sec. 1. CODE ADOPTED
The Uniform Traffic Code for cities, townships and villages promul- gated by the Commissioner of State Police on February 14, 1958, and published in Supplement No. 13, and on February 14, 1961, published in Supplement No. 25 to the 1964 Michigan Adminis- trative Code in accordance with Public Act 62 of 1956, State of Michigan, is hereby adopted by reference as in this ordinance modified.
- Sec. 2. REFERENCES IN CODE
References in the Uniform Traffic Code for Michigan Cities, Town- ships and Villages to "governmental unit" shall mean the City of Grosse Pointe.
- Sec. 3. AMENDMENTS TO CODE
The following amendments to said Code are hereby adopted:
A) Sec. 2.34 thereof is amended to read: "The traffic engineer is authorized to erect signs upon either or both sides of 1-way streets to prohibit the standing or parking of vehicles on either or both sides of such streets."
B) A new Sec. 2.18 A, entitled "Traffic Violations Bureau" is added after Sec. 2.18 thereof as follows: "A Bureau to be known as the Traffic Violations Bureau is hereby created, with its offices to be in the offices of the Police Department. The Chief of Police, or such other person as shall be desig- nated by the City Council, shall be Chief Clerk of said Bureau. Persons receiving traffic violation notices who desire to waive trial may, within prescribed time limits, present such notices to the Traffic Violations Bureau and pay the appropriate fine, if any, as established under traffic control orders promulgated pursuant to Sec. 2.53 of this Code. If no such fine is estab- lished, trial may not be waived. Upon receipt of any such fine, the Chief Clerk shall issue a signed receipt for the same, and shall file a duplicate receipt with the City Treasurer. All fines collected shall be paid over to the City Treasurer, and the Chief Clerk of the Traffic Violations Bureau shall make monthly accounts thereof to the City Manager.
- Sec. 4. NOTICE TO BE PUBLISHED
The City of Grosse Pointe Clerk shall publish this ordinance in the manner required by law and shall at the same time publish a supplementary notice setting forth the purpose of the said Uniform Traffic Code and of the fact that complete copies of the Code are available at the office of the Clerk for inspection by and distribu- tion to the public at all times.
- Sec. 5. CONFLICTING ORDINANCES REPEALED
Ordinance No. 43 adopted January 16, 1926, as readopted and amended to date, relating to traffic, is hereby specifically repealed. All other ordinances inconsistent with the provisions of the Uni- form Traffic Code are, to the extent of such inconsistency, hereby repealed.
- Sec. 6. WHEN EFFECTIVE
The Uniform Traffic Code will be in effect in this governmental unit ten (10) days after publication and posting as required by law.

Adopted: June 15, 1964.
Published: June 18, 1964.
Posting: June 18, 1964.
Effective: June 28, 1964.

Seeing the World's Fair . . . from the Inside, (the FAR Inside!) is Pointer Bob Thompson, spotted recently by a local visitor to New York's biggest tourist attraction. Bob spends his days flipping hamburgers fast and furiously in a World's Fair concession stand kitchen, is rapidly becoming a griddle expert in this Job-That-Has-Absolutely-No-Future-But-Is-A-Lot-Of-Fun-Right-Now, and will probably have plenty of tales to tell in the fall, when he returns to sophomore year studies at the University of Michigan.

The James M. Finerty family . . . all seven of them! . . . met in California Wednesday for a long-planned reunion. Mrs. Finerty and four of the five Finerty offspring left for the Coast by car Friday. Eldest son Michael joined the group in Los Angeles, and Mr. Finerty flew out for the Grand Reunion yesterday.

Hats off to . . . Mr. and Mrs. Edward M. Thomas, formerly of Westchester road, both of whom have been attending Michigan State University for the past three years—and, in their spare time, raising two children, Terry and two-year-old Michael. Mrs. Thomas is the former Elizabeth Ann Bohn, daughter of Judge and Mrs. T. R. Bohn, of Audubon road. Her husband, a junior in the College of Business, plans to become a manufacturers' representative upon graduation in 1965. The couple will remain in East Lansing this summer.

Former Grosse Pointe Public School System Superintendent . . . James W. Bushong, dropped into the NEWS offices last week to say Hello. Dr. Bushong, sporting a magnificent Hawaiian sun tan, is back on The Mainland to deliver 11 graduation speeches! He loves Hawaii, and is charging full steam ahead with Kamehameha Schools. Wishes for a "happy ending" . . . to the Louis W. Blaumanns, of Harcourt road, who packed hurriedly last week and flew off to Maidenhead, England, to visit Mrs. Blaumann's ailing 88-year-old mother.

International friendships . . . are becoming more and more common in these days of student exchanges and jet travel. Dave Rein and his family were "home" last year to Jan Sodersten, American Field Service exchange student from Sweden who spent nine months attending classes at Grosse Pointe University School. This summer, Dave goes off to visit Jan in Scandinavia. He plans to squeeze in trips to France, Denmark and London, as well as Sweden, during his Continental vacation.

The Pointe's current bevy . . . of June debutantes is represented this month, in Town and Country's debutante issue, by two pretty young ladies, Susan Ford and Ruth Fisher.

Princeton senior . . . Randy Allardice is spending the summer in New York City, modeling men's fashions. ("Neatness counts," as the school teachers used to tell us!)

Linda Perkin . . . daughter of Dr. and Mrs. Frank Scott Perkin, of Lakeland avenue, a former student at Grosse Pointe University School and a recent cum laude graduate of Abbott Academy, Andover, Mass., has been awarded a National Defense Education Fellowship in CHINESE at Columbia University this summer! Linda plans to enter Barnard College in the fall.

Salesmen in a certain company were in the habit of having two martinis before lunch—vodka martinis, to disguise any hint of liquor on their breath. Eventually, the sales manager called a meeting to announce a procedural change: Gin martinis were all right, but no more vodka.

"In the future, men, drink gin martinis," he advised. "Then at least our customers will realize that you were under the influence of liquor and not just STUPID!"

Pointer of Interest

CLARENCE LaPEARL, OF ROSLYN ROAD

Photo by Eddie McGrath, Jr.

By Janet Mueller

Today, Clarence LaPearl is just about the busiest man in Grosse Pointe. It's Horse Show time at the Grosse Pointe Hunt Club; it's Day One of a Four Day Show; the Hunt Club grounds in Cook road resemble a country fair-fiesta-carnival-circus; and Mr. LaPearl, G. P. Hunt Club Stable Manager, Grounds Superintendent and Riding Master, is here, there and everywhere, with scarcely a chance to catch his breath.

He is very, very hurried, very, very busy . . . but the cause of all this commotion is horses, and so long as there are horses in the near vicinity, Clarence LaPearl is a happy man.

A Down-Easter, born in Massachusetts, (he still has a New England twang in his voice), Mr. LaPearl has always been fascinated by horses. As a child, he pored over pictures in Sears-Roebuck catalog horse advertisements. Later, taken to visit an uncle in New Jersey, he was delighted to find this relative owned a white horse, used to pull a grocery wagon.

The only one in a family of nine really interested in horses, Clarence went out looking for opportunities to ride. "Anywhere there was a horse of any kind, that's where I was."

Cleaned the Wagons

He discovered a man in Worcester, Mass., who owned some ponies—and a laundry business. In return for cleaning out 15 laundry wagons, Clarence was allowed to ride the ponies; he cleaned, and rode, and cleaned, and rode, and eventually became proficient enough to put the ponies through their paces in local shows.

He began showing ponies when he was about seven years old, and can remember returning from a horse show via streetcar, with a trophy in his hands. He was so young, and the trophy was so big, that all the other passengers kept looking at him and grinning.

From small ponies he went on to bigger ponies. Then came a Grand Opportunity: Mrs. Horace Crispy, prominent in Eastern riding circles, purchased a small but excellent jumper . . . and discovered that the man who usually rode for her was too big for the horse.

Someone remembered Clarence LaPearl. "If you can stay on this horse, we'll take you to Stamford, Conn." Clarence was told. He ran all the way to the stables—and he stayed on the horse!

Had Early Start

So, at age 14, Clarence LaPearl appeared in his first major horse show, in Stamford. From there, he went on to the Monmouth County Polo and Riding Association Show in Rumson, N.J., and then by boat of Newport, R.I., where he rode in the show at the Newport Casino.

It was the first time he had really traveled outside of New England. He rode as an amateur, and in socially-oriented Newport, where only "the best people" exhibited, he was listed in the program as "Horace Crispy, Jr."

Clarence LaPearl kept showing horses. After high school, he turned professional, and in 1929 became associated with the Harlan Cole stable, which included 28 private show horses.

Between 12 and 15 Cole horses would be shown at a time. The riders and trainers went "on the road" for six weeks at a stretch, exhibiting horses throughout the East and as far north as the Royal Canadian Exposition in Toronto.

Mr. LaPearl started work at \$80 a month plus board, room and riding clothes; when he arrived in Canada in '29, and finished second on a jumper. (The only civilian to make a showing in his class), he immediately collected a \$20 raise.

But money has always been a secondary consideration with

Clarence LaPearl. "If the man, (who gave him the raise), only knew, I probably would have worked for nothing!"

From 1929 through 1932 he remained with Cole; in 1933, at the height of The Depression, he found a job with a man who owned a small stable, five horses. His first day at work, while looking over the premises, he discovered a pony owned by his new employer—the same pony he had cleaned laundry wagons to ride!

In World War II

He spent 11 years with C. B. Farnsworth, who showed extensively and hunted in the fall. (Farnsworth has his own registered private pack of hounds); spent four years in the service during World War II; went to Maryland in 1947, to a breeding establishment for race horses; and eventually began working in the fabulous stables of Eleanor Sears.

He began showing in Madison Square Garden in 1929, showed there for the last time, for Miss Sears, in 1955.

Eleanor Sears' 10 horses were housed in a stable the size of the Hunt Club's indoor ring; the stable itself was a magnificent building.

When Clarence LaPearl heard of an opening at the Grosse Pointe Hunt Club, and came west to look over the premises nine years ago, he chose a typical February Michigan Day. Fresh from the Sears' establishment, he stared at the "muddy old snook and beat-up buildings" in Cook road and thought, "What am I getting into now?"

He hemmed and hawed, but eventually okayed the job—although he insisted on going back to Massachusetts for a week's respite before taking over his new duties.

Reciprocal Arrangement

This beginning may have been inauspicious, but Clarence LaPearl has never regretted his decision to come to Grosse Pointe. Much of his work is with children, from the ages of five on up, and Mr. LaPearl loves teaching children. They respond by loving to be taught by him.

An Easterner all his life, he found the West almost a new world, where people are friendlier and less reserved than New Englanders. He was amazed at the interest in horses and the activity at the Hunt Club.

"We could keep going until 11 at night if we were open to the public," he says. "We have something going on here every two weeks, all year long." In fact, according to Mr. LaPearl, the Hunt Club's program is, if anything, a bit stronger during the winter than in the summer months.

On an average day, Clarence LaPearl arrives at the Club at 7:30 or 7:45 in the morning, is home again by 6 . . . but during and before the Horse Show, he works a 12 or 15 hour stretch daily.

Starts in December "We start putting the prize list together in December," he explains. The list is mailed out to about 4,000 exhibitors; it is in their hands at the end of April, and shortly thereafter entries begin coming in.

Some four days before the show opens, exhibitors start to arrive—and from then on, it's a three-ring circus! Horses are brought to the Grosse Pointe Hunt Club from all over the Eastern and Western United

States, from Kansas, Omaha and Florida.

A new event at this 53rd annual Grosse Pointe Hunt Club Horse Show will be the Shetland Pony classes, and special features will include the Victor Six-Pony Hitch, matched Shetlands performing precision maneuvers while pulling a miniature fire engine, a five-eighths scale reproduction of an antique steam pumper in the Smithsonian Institute.

"The Open Jumping is always an exciting feature," Mr. LaPearl reports. "Some of the finest open jumping in the country will be shown this year, as well as the popular gaited horses."

This annual Horse Show is the most spectacular event of the Hunt Club's year, but it is by no means the most important phase of the Hunt Club's program.

Many Like Hills

Because of the Grosse Pointe Hunt Club's location, it is excellent for teaching and training purposes, but most adults with a strong riding background prefer the rolling country of Bloomfield and Metamora. Many ship their horses there in the fall, for hunting.

Classes for all age groups are held at the Pointe Hunt Club, but probably the most avid equestrians are members of the Club's Junior Team. Clarence LaPearl is proud of his team, in favor of the team atmosphere.

"They learn to jump as a unit, not as individuals," he says approvingly, adding, "We try to keep the element of sportsmanship ahead of everything else."

Manners, courtesy at all times, neatness and the ability to conduct themselves well, without rudeness or temperament, are required of team members. The children respond well; in fact, according to their Riding Master, "They are really a wonderful bunch; they stand out in comparison with other club teams."

Mr. LaPearl believes firmly in never forcing a child, in letting him find his own interests and outlets, in exposing him to many recreations and letting him choose the recreations he wants.

Have Other Interests

His three "ready-made" sons John, Corky and Tommy Smith, all had opportunities to ride, and all rode once or twice—until they found they had to pay for their riding by doing chores around the stables. For them, the distastefulness of the chores outweighed the delights of riding.

Mr. LaPearl advocates the chore-reward principle; he feels that it builds character, and that if a boy or girl wants

something enough, he or she will do whatever is necessary to gain that something.

Ann LaPearl took lessons for one winter, but has since decided to leave the riding to her husband—so today, Clarence LaPearl is once again the only member of his family with an avid interest in horses.

Beauty

ByLine

Today's column is for men only — MARRIED MEN only! It is beamed at those wise indulgent creatures that delight and take pride in having their own Fair Lady and their daughters — the tiniest charmers or poised college gals, beautiful and well groomed around the clock — and never wince or flinch when paying the bills for same.

As a father you know the cost of expert beauty care is not cheap — but surely you wouldn't settle for anything less than the best for someone you love.

In our salon at 117 Kercheval an artfully shaped hair cut by my capable staff costs \$2.00 or \$3.00—when I take my scissors in hand you can have your choice of regular, continental or Intracut-Cut with prices ranging from \$3.00 to \$5.00. Fortunately little girls hair cuts last longer than boy's cuts that must be kept short and trim at all times.

Wouldn't it be nice if not only on "Father's Day" but everyday "your girls" could be free from the great roller and pin-up derby. You might even convince them that you would enjoy using some of our fine products that keep their tresses radiant and healthy — Protein Shampoo, free of any detergent — a greaseless Protein Jelly to control and condition your thinning tress — from me to you, a bit hats off salute for "contributing" so much to fifteen happy years in our Salon on the Hill.

Keep In The Swim . . . of things with maternity bathing suits and sun ensembles from Walton-Pierce. Also, collect a few cool, calm, color-keyed and especially well designed day and evening fashions in the same department.

Everybody Knows . . . the "red carpet treatment" but nonconformists prefer the unique "green carpet treatment" they get at The Top Drawer, 17007 Kercheval in the Village. It begins when you start up the flight of green carpeted stairs and ends after you've found a most unusual little gift you've looked for everywhere else!

The Dodge Girls . . . that group of hep ladies driving in fashionable comfort! At Riverview Dodge, 15205 East Jefferson, they'll show many models . . . everything from a zesty Dart Convertible to the custom 880 Hardtop Wagon. Make your choice and join "The Dodge Girls" in meaningful motoring.

Very Important Present . . . for a VIP. The handsome walnut cabinet (unbelievably a refrigerator with an ice-maker) . . . so perfect for recreation rooms or offices. It's called "The Executive." See it at Mutschler Kitchen, 20489 Mack Avenue. TUXedo 4-3700 for more information.

Sign Language . . . the spectacles atop the sign at 16840 Kercheval in the Village means busy Grosse Pointers can rely on the professional services of Migan, Lewis, McKay, Doctors of Optometry in their newly opened suburban offices. They take appointments in the evening and will fill prescriptions, duplicate or repair, fit contact lenses. TUXedo 2-9121.

There's No Short Cut . . . to hair beauty. At Edward Nepl, "Parrucchiere," 19463 Mack Avenue . . . hair is skillfully and meticulously trimmed and shaped. Just the right amount of body is "permanently" given . . . then strategic styling just for you. In summer this perfect beginning is so necessary for a lasting effect. Call TUXedo 4-8858.

Gardening? . . . If you're like we are . . . sometimes you wear gloves and sometimes you don't. Well here's a hint. The Notre Dame Pharmacy's own Hand Cream will keep hands soft and smooth . . . leaving green thumbs in the garden where they rightly belong.

Fashion Two Twenty . . . may be looking for you AND you may be looking for them. They want to train a few women as beauty consultants. If you're interested in a business opportunity . . . call them at TUXedo 6-0252.

Vacation at Home . . . if you can't get away this summer, give yourself a break in routine by calling HOURLY AID for reliable help. Perhaps you need a laundress, cleaning lady, cook or nurse for the children. HOURLY AID has been satisfying Pointers for many years. Be good to yourself . . . call Valley 2-2630 . . . 1001 Maryland.
