

IS 'CAT' PROWLING AGAIN?

HEADLINES of the WEEK

Friday, July 17

APPROXIMATELY TWO-THIRDS of the 4,100 employees of the two Detroit papers involved in a newspaper strike were laid off today as there was nothing for them to do. A meeting between the publishers and representatives of the two striking unions is scheduled for Monday. Meanwhile, newsboys picketed this afternoon with signs asking, "What about us? We're earning money for school."

DR. SAM SHEPPARD left with his fiancée, German divorcee Mrs. Ariane Tebbenjohanns, from Cleveland today. It is believed that they are headed for N. Carolina where they intend to be married. Attempts by law officials to have Shepard rearrested were futile. He was released from jail after serving nine years of a life term given when he was found guilty of killing his wife. The judge ruled he had been deprived of his constitutional rights during his trial.

TEN CUBAN REFUGEES reached Florida late today after engaging in hand-to-hand combat with Castro militia men. Three had severe stab wounds. One refugee and one militia man were killed during the flight to freedom.

Saturday, July 18

REPUBLICAN PRESIDENTIAL NOMINEE Barry Goldwater has withdrawn as a candidate for re-election to the Senate. It is legal, how ver, for a candidate to run for two political offices. If Goldwater loses in November, he will be out of political office, which indicates he is confident of beating President Johnson. Goldwater is quoted as saying, "No Democrat has ever beat me. I don't intend to start losing to one now."

DEMANDS THAT NINE MEN charged with sabotage be rehired appears the only hitch halting settlement of a six week-old Michigan Consolidated Gas Co. strike. Company negotiators met with representatives of Local 80 of the Building Service and Employees International Union and agreed on all points of the settlement except the rehiring of the workers.

THE KU KLUX KLAN in St. Augustine, Fla., has scheduled a rally and cross-burning for tonight. The rally followed an attack by whites yesterday on four Negroes who had tried to enter a St. Augustine restaurant. President Johnson has lashed out at organizations like the Klan calling them "clandestine aid organizations."

Sunday, July 19

THE NATIONAL CHAIRMAN of the Congress of Racial Equality (CORE) has charged New York police with brutality. Last night Negroes in Harlem protested the killing of a 15-year-old Negro boy by an off duty police lieutenant. The boy reportedly threatened the police officer with a knife. Police fired 2,000 warning rounds of ammunition over the crowd of demonstrators, wounding four people. One man was killed during the demonstration.

ALABAMA GOV. GEORGE WALLACE dropped out of the race for President this afternoon during a television interview. At the interview he said that no one can be elected by making the south a whipping boy. He also maintains that Johnson cannot win without the south. Wallace's move may turn many southerners to Goldwater.

GOP PRESIDENTIAL NOMINEE Barry Goldwater announced today that former President Eisenhower has agreed to actively support him in his race for the highest office in the country. Overseas reaction to his nomination has been very unfavorable, however. Britishers claimed he is a relic from the past, that his views are too extremist—no moderation at all, and that it would be disastrous for the United States.

Shores Residents Enjoying New Pool

Picture by Bob Wells

The Shores' spacious two-week old swimming pool seems to have been pressed into service in just the nick of time, as temperatures soared into the 90s once more last weekend. The V-shaped pool cost Shores tax-

payers \$225,000. And if anyone had asked them to vote again on it during the current heat wave, they might have paid twice the price.

Ehrling Star Of Concert On Monday

Conductor of Detroit Symphony to Be Featured At Closing Event Of Music Festival

Sixteen Ehrling, conductor of the Detroit Symphony Orchestra, will be featured pianist for the final concert of the Grosse Pointe Music Festival of chamber music, which will take place at 8:30 p.m. on Monday, July 27, in the Fries Auditorium of the Grosse Pointe War Memorial.

The program will consist of the Piano Quartet in G minor by Mozart, the Trio in E minor for violin, cello and piano, Opus 67 by Shostakovich, and the Quartet in A Major for piano and strings, Opus 30. Performing with Ehrling will be violinist Gordon Staples, violist Nathan Gordon, and cellist Italo Babin—all principal players of the Detroit Symphony Orchestra.

This concert will mark the close of the seventh annual Grosse Pointe Music Festival. The Festival is jointly sponsored by the Grosse Pointe War Memorial Association and the Committee of Grosse Pointe Friends of Music.

HONESTY

Two \$5 bills have been turned over to Farms police by Chris Hughes, of 232 McMillan. Chris found them in the Farms, and police are holding them until claimed by someone who lost them in the area where they were found.

Citizens Advisory Group Studies High School Sites

The second meeting of the Citizens Advisory Committee to the Grosse Pointe Board of Education was held Monday evening in the Board Room of the schools' administration building. Main items on the agenda included presentations on the various sites advocated for the proposed second high school to serve the Grosse Pointe community.

The presentations paralleled very closely those given during the open meeting of May 4 in the auditorium of Parcels Junior High School. They were repeated Monday evening to give all members of the community-wide Committee an opportunity to review the reasons behind the Board's choice of the Vanderbush-Baker property and to hear the alternate proposals

Park, City Firemen Battle Fire in Lakepointe; Farms Answers Barrington Alarm

While Park and City firemen battled a serious fire at 823 Lakepointe Sunday night, July 19, Farms firemen answered an alarm to 847 Barrington, where a fire had been extinguished by a Park policeman and a young resident of the house before the arrival of the firefighters.

The City and Farms firemen and equipment responded to help the Park under the Mutual Fire Aid Agreement. While the City fire station was vacant, the Woods sent personnel and equipment to the City station, to cover for the City and Park. This was also according to the Mutual Fire Aid pact.

The fire at 823 Lakepointe, the home of the John MacLarens, was smoldering a long time, before the heat caused an explosion that shattered windows in the house and gave flames the needed oxygen to flash through the kitchen, dining room and terrace, where the fire originated, it was disclosed.

Police Interrupt Magazine Sales

Magazine solicitors were found operating illegally in the Farms on two consecutive days last week.

The solicitors represented the Local Readers Service, Inc., of Terre Haute, Ind. The first, found at 359 Moross road Friday afternoon, was identified as David Dickinson of Henderson, Nev. He was warned and released.

The second solicitor was apprehended Saturday afternoon on Stephens road near Ridge. She was identified as Judy Ann Saylor, 18, of Aberdeen, S.D.

advanced by members of the Educational Vigilance Committee of Grosse Pointe Woods, a group of homeowners in the vicinity of the site chosen who oppose the construction of a secondary school in the vicinity of Morningside drive and Vernier road.

Chaired by Kenneth Koppin, former mayor of Grosse Pointe Woods, the principal participants in the program included Calvin J. Sandberg, 20661 Wedgewood, Harry H. T. Phillips, 20643 Maple Lane, and J. Harold Husband, Assistant Superintendent - Administrative Services for the Grosse Pointe Public School System.

Mr. Husband reviewed the sites studied and ultimately rejected by the Board of Education.

by Park Fire Chief William Graul.

Neighbor Calls Alarm
The first alarm was phoned in at 10:38 p.m. by a neighbor of the MacLarens, who heard the explosion and saw flames shooting out of the shattered windows of the terrace.

A Park fire official sounded the second alarm which brought the City firefighters.

At 10:42 p.m., an alarm was sounded for the fire at 847 Barrington, the home of the Walter R. Bobier family, but the Park and City firemen were busy at the Lakepointe fire. The Farms Fire Department responded to this alarm.

In the meantime, Park Det. Lt. Arnold Hough, cruising in that area, was dispatched to the Bobier residence, where he found the Bobier's son, Richard, 16, who had called in the alarm, throwing pans full of water on burning living room drapes and curtains, Chief Graul said. The lieutenant assisted in putting out the blaze, the chief added.

Richard discovered the curtains aflame, apparently caused by a shorted lamp wire, called the fire department and proceeded to throw water on the burning materials, which were the only things damaged.

Had Fire Extinguished

The blaze was out by the time Farms firemen arrived. After checking the house to make sure there was no danger of the fire recurring, the Farms men went to the Lakepointe scene, in the event help might be needed. The flames there were under control and the Farms personnel and equipment returned to their station.

Chief Graul said that the fire at the MacLaren residence apparently originated in the television set in the enclosed terrace. The house was closed and no one was at home at the time. Bad wiring in the set had been smoldering for several hours, the chief said, causing heat to generate. Finally, the heat pressure caused an explosion, which shattered all the windows in the terrace and other parts of the house.

The chief said that prior to the explosion, the heat was so tremendous, it melted metal in the house, and blistered paint on the outside of the building. There was extensive heat and smoke damage throughout the house, he added.

Firemen battled the flames for more than an hour before

Woods Sends Protest to Washington

Wants Federal Government To Restore Level Of Great Lakes Waters

The Woods council, alarmed by the dangerously low water levels of the Great Lakes Basin, particularly of Lake St. Clair, adopted a resolution on Monday, July 20, to be sent to officials of the Federal Government asking that something be done to alleviate this problem.

In addition, the Woods is spearheading a move to have all Michigan municipal governments adopt similar resolutions and forward them to President Johnson and representatives in Congress.

The resolution is presented verbatim:

Whereas, for many years past, the water levels of the Great Lakes Basin, and particularly those of Lake St. Clair, have been progressively sinking to new low levels;

And, Whereas, in the current

Bullet Fired Into Park Home

A bullet, believed fired from a passing car on Sunday, July 19, shattered a window and embedded itself in the living room wall of the home of Mr. and Mrs. Raymond Johnson, 1009 Balfour road.

The Johnsons told Park police that when they heard the shot and the shattering of glass, they ran out on their front porch and saw a car turning a corner on their block.

The slug was recovered from the wall by Police Sgt. Charles French and Patrolman Robert Saiford.

Det. Lt. Arnold Hough, said the slug will be tested at the Detroit Police Scientific Laboratory. The slug was either from a .38, or a .45 caliber revolver, he said.

He said that police of Detroit's Jefferson Station, Fifth Precinct, also reported a similar incident earlier Sunday night in their precinct.

Park and Detroit authorities have found no reason for the gun shots. Both slugs will be checked to see if they were fired from the same gun.

The Johnsons said they have no idea of why, or who could have fired the shot into their home.

City Tells Plans For Correction of Sewer Problems

Largest of Proposed Bond Issues Would Finance Improvements to Both Sanitary and Storm Drainage Systems

The largest of the three bond issues that will appear on the September 1 ballot in the city is perhaps the most difficult to explain. It deals with matters subterranean: a program of construction and improvement for the City's sewer system.

Its cost, estimated at \$1,320,000, by far overshadows the requests for the other two bond issues on the ballot, which are \$100,000 and \$200,000 respectively for a public works garage and a land purchase at the Neighborhood Club.

As difficult as the subject of sewers is to explain, the size of the bond issue seems to necessitate a thorough discussion. The NEWS received most gracious cooperation from the city manager, John M. Cantwell; and the chief consulting engineer, Gilbert T. Jerome, in the preparation of this survey of the issue.

Called Health Hazard
It is the certified opinion of the Michigan State Board of Health that the City's present sewer system constitutes at times a critical hazard to the health of the community.

When questioned regarding the need for approval of this Bond Issue Mr. Cantwell presented the following seven points highlighting this issue:

1. The present system was designed and constructed over 30 years ago; it is inadequate in size even if it had not deteriorated through use over the years.

2. Back-up of sewage into homes, which has happened annually over the last 17 years, creates a major health threat to every resident in the community. Even if one has escaped this situation in his own home, he is exposed to the carrier type disease generated by this bad sewer condition.

3. The State Health Department is empowered to compel action on our bad sewer system if we do not face up to this need ourselves.

4. For several years we have violated every known health standard by pumping from a sanitary sewer into a storm sewer at Lakeland and Jefferson. We endanger our neighbors as well as ourselves by pumping sewage into Lake St. Clair in this manner.

5. Our sewer pumping station has been in need of repairs for so many years that parts of this facility are now unsafe.

6. A poor sewer system has an adverse effect on property values.

7. A \$1,325,000 20-year 3 1/2 per cent G.O. Bond issue would cost approximately 3.25 mills or \$3.25 per \$1,000 on local assessed value.

When asked why this issue was being presented at the September Primary rather than the November 3 General Election, Cantwell summarized these reasons as follows:

1. "Wayne County has a 1 Mill Operating Proposition on the September 1, 1964, Ballot. We did not desire to place the City's needs at a disadvantage by permitting the County's Request to have priority over the City's needs."

2. "We did not desire to

(Continued on Page 3)

Citizens Ask Bond Issue Information

Mayor David Burgess Welcomes Questions; Promises Complete Explanation of Proposals

Several City residents asked for—and received—further information on the proposed September 1 bond issues at the regular session of the City council Monday, September 23.

City Mayor David Burgess praised those residents who were present and asked other City residents to come to the Council's next meeting in order to further study the bond proposals.

A major part of the discussion centered on a \$1,320,000 bond issue, the largest of the three, for additions to the City's storm and sanitary systems. Though the major parts of this discussion are covered in the NEWS article on that subject which appears in this issue, certain other points were brought out.

Sewers Badly Needed
Mayor Burgess stressed that the proposed sewer work was "long overdue" and called upon City Engineer Gilbert T. Jerome to summarize the need for new sewers.

The \$1.32 million total represents "the most economical figure by which we can get the job done," Burgess stated.

(Continued on Page 2)

Woods Adopts Hitchhiking Law

The Woods council adopted an amendment to a part of the traffic code by reference, which henceforth prohibits persons from hitchhiking within the city limits. The amendment becomes effective within 20 days from the date of enactment, Monday, July 20.

The change is made in an ordinance adopted on March 19, 1962, in the Uniform Traffic Code for Michigan Cities, Townships and Villages.

Section 7.13 of Chapter 7 of the code, refers to pedestrians soliciting rides or business, and it states: No person shall stand in any street, alley, highway, or other public place for the purpose of soliciting a ride, employment or business from the occupant of any vehicle traveling upon the street, alley, highway, or other public places.

Persons violating this section of the ordinance will be issued a violation ticket, and will be subject to a fine of four dollars.

Park Firemen Petitioning For Shorter Work Week

For the past several weeks, Park firemen have been circulating petitions, asking city voters to back their request for a shorter work week, and to have promotions in the department based on seniority, it was disclosed by William F. Hunt, president of the Grosse Pointe Park Firefighters Association.

The petitions, requesting that the necessary amendments to the City Charter be placed on the ballot, bear 1,423 signatures of resident voters, Hunt said.

He said that the petitions were very well received by the residents, and that he and his colleagues are confident that if the amendment are placed before the people, the changes will be approved.

Hunt said that the association

had decided to withhold the petition pertaining to the seniority promotion, and filed the petition for the shorter work week, from the present 63 hours a week, to 56 hours a week, with City Clerk Charles Heise.

However, the city clerk informed the group that because they had not met the filing deadline of July 14, as set by state law, the issue cannot be placed on the September primary ballot.

The association president said that the petition will be filed at a later date, and in time for the the Park primary in February.

In the meantime, Hunt said, petitions will continue to be circulated, to obtain more sign-

Burglar Gets Over \$80,000 In Jewelry

Mrs. John B. Warren Of Edgemere Road Victim Of Latest Large Robbery In Pointe

Is the Cat Burglar on the prowl again? Residents and Pointe police are on the alert after an \$80,000 jewel robbery in the home of Mrs. John B. Warren, 27 Edgemere road, on the morning of July 16.

Police would make no definite connection between the latest burglary and the Cat's escapades, but it is known that the Cat specialized in taking jewelry and cash in sizeable quantities from the Pointe's homes, always at night.

The last burglary officially attributed to the Cat took place November 16, 1963 in four homes in Tonnancour place.

Farms police placed the burglar's entry into the Warren home at sometime between 12:30 a.m. and 6:45 a.m. Mrs. Warren was asleep in her bedroom with the air conditioning system running while the robbery took place.

Bracelet Worth \$18,000

The most valuable piece taken was a bracelet containing 421 diamonds and 88 sapphires and valued at \$18,000. Eight other pieces of jewelry taken were valued at over \$3,000. In all, 37 items were listed as missing, and their total value was fixed at \$80,415. Mrs. Warren's wallet, with an undisclosed amount of cash, was also taken.

Farms police said they believe entrance was gained through a sliding door from the patio onto a porch. They found traces of dried mud on the porch, which led them to this conclusion.

A pillow case was missing from a guest room, leading police to state that the burglar used this to carry off the jewelry.

Police described the burglar as "very neat." The home had not been ransacked, but rather drawers and bureaus had been meticulously searched.

Police said a kitchen door was found unlocked in the morning, which was quite possibly the burglar's means of escape.

Other Items Listed

Listed among the articles stolen were nine pairs of earrings, nine bracelets, and other rings, clips and pins.

A diamond pin from Tobias was listed at \$6,600. A \$10,000 diamond bracelet and diamond clip brooch at \$3,740 were also reported missing.

A gold, pearl and diamond combination set of ear clips, bracelets, clip and pin was valued at \$3,750.

A pair of pearl, diamond and sapphire ear clips were valued at \$3,000. A pearl, platinum, diamond and sapphire clasp and a pair of pearl and diamond drop earrings were also valued at \$3,000 each.

The last major operation believed to be the Cat's doing was the removal of \$91,548 worth of jewelry from the home of Mr. and Mrs. Ralph C. Wilson, Jr., 510 Oxford road, on November 11, 1963.

Loot taken from the four Tonnancour place homes the next week did not come near this total.

Very Busy Last Year

The Cat struck in 10 Pointe homes in the period from May 14 to September 1, 1963. The most costly of his visits during this period came on May 26, when he removed \$28,269 worth of goods from the Victor Mushro residence, 682 Westchester road.

Then, after an absence of almost two and a half months, the Cat burglar returned again on November 4, striking one home in the Woods and one in Shores.

After a \$90,000 strike at the residence of Mrs. Ralph C. Wilson, Jr. 510 Oxford road on November 11, the Cat followed by hitting five more homes in the Park and Farms in the subsequent week.

He re-visited the home of Mr. and Mrs. C. M. Boutell, 40 Tonnancour place, and made off with three fur coats and several watches, November 24.

At the home of Mrs. George M. Slocum at 115 Lake Shore road, he struck for \$56,000

(Continued on Page 2)

CAR OWNER ROBBED

Someone broke into his car parked in front of 20784 Mack avenue, Theodore Cope, 25, of 2238 Ridgmont, informed Woods police on Thursday, July 16. Entry into the vehicle was

done by breaking the right front vent window. Missing, the owner said, was an AM and FM transistor radio valued at \$40; a Cashmere sweater, worth \$30; an electric razor valued at \$20; and a pair of sunglasses valued at \$6.

Ask Bond Issue Questions

(Continued from Page 1)

During his presentation, Jerome showed the Council and citizens a map showing the location of 129 homes in the City that had been plagued once or several times by sewer backups in their basements.

Although several residents spoke in the meeting a majority of the discussion from the floor came from Harrison Watson, 467 Lincoln road, an attorney.

Watson referred to several other Pointe businessmen in the audience and asserted: "We're not for it, we're not against it... we need light." For publicizing the details of the proposed fiscal issues, City line a program of articles, advertisements, and large display announcements.

Articles, Advertisements He referred to a series of articles which began in last week's NEWS and will continue with this and subsequent issues. Large advertisements in this paper are also a part of the City's plan to acquaint citizens with the proposals.

The information-disseminating campaign had not started sooner because the Council felt that the cause "might lose some of its impetus" if over-publicized at too early a date, Cantwell stated.

Burgess outlined some of the major considerations behind

the placing of the bond issues on the September rather than the November ballot.

First, he said, the September 1 ballot will contain a 1 mill operating expense request for the county budget, and the Council "didn't want to ignore the needs of the city... to the disadvantage of the City against the County," Burgess said.

Second, a school millage proposal for a proposed second high school may appear on a special ballot in mid-September, and the Council would have preferred to present its request for funds at an earlier date.

Reasons for Rush

Finally, he outlined reasons why there was pressure to have each of the bond issues acted upon with dispatch.

For the first bond issue, a figure of less than \$200,000 for purchase of land belonging to the Neighborhood Club, the Club is faced with immediate financial demands in order to restore its buildings and return it to service.

On the sewer project, it was hoped to finish the work before the height of the spring rain season in 1965, that is, before April 15.

A Department of Public Works garage costing \$100,000 will be completed in October of this year, and payment should be made available as soon as possible for the work, which unexpectedly became a part of the City's fiscal responsibility when a Federal matching fund request was turned down last year.

Burgess told the citizens, "We (the Council) feel that we do have time to get the whole story across." He invited residents to attend the August 17 Council meeting if they have any further questions; in the meantime, questions which might come up may be directed to the city manager, John M. Cantwell.

Woods Woman Pays Judgement

Rene Elizabeth Edwards of 1257 Torrey road, whose operator's license was reported revoked by the Secretary of State's Office in Lansing because of an unsatisfied judgment under the Financial Responsibility Law, has paid the judgment, according to a statement from the Detroit AAA office.

In the last issue of the NEWS, it was reported that the woman had her license revoked as of June 8. Her name was taken from a list of Michigan drivers whose licenses have been either revoked or suspended by the Secretary of State.

William Porter of the legal staff of the Automobile Club's Downtown Detroit Office, verified the judgment payment, but said that a certified deposition to that effect, sent to Lansing, apparently arrived too late to

Is 'Cat' Prowling Again?

(Continued from Page 1)

worth of jewelry and furs valued at \$9,000 on November 25. Early on Tuesday morning, December 3, 1963, police from the Shores, Woods, Harper Woods tracked the Cat for two and a half miles through freshly fallen snow, but he escaped unseen.

Business of the Pointe's locksmiths soared as residents installed new, stronger locks. Then the Cat disappeared and residents finally began to relax.

Petition

(Continued from Page 1)

atures, to offset any errors or challenges of validity. "We are hoping," he said, "that although there has been a delay in placing the matter before the voters, the people will give us their full support when the issue does appear on the ballot."

He also expressed the hope that residents who have not yet done so, will sign the petitions when presented by the firemen.

year these levels have sunk to an all time low;

And, Whereas, the record low levels are causing serious damage and injury to municipal water supplies, harbor facilities, water traffic, small boat navigation and other important uses and facilities;

And, Whereas, the continuation of these serious and dangerous conditions without some effective effort being made to arrest and remedy the same, can only lead to irreparable inconvenience and damage to the best interests of the residents of the State of Michigan and to public safety, health and welfare;

And, Whereas, the time has come for immediate and effective action by the Federal Government to find an appropriate solution to this existing problem and to expeditiously provide the necessary solution thereof;

Now, therefore, be it resolved, that the council of the City of Grosse Pointe Woods, Wayne County, Mich., for and in behalf of the residents thereof, earnestly urges the Federal Government to take immediate and effective action to do all things within its power and authority to arrest the ever continuous lowering of the water levels of the Great Lakes Basin and to take effective action to restore the water levels to the pre-existing proper and safe conditions.

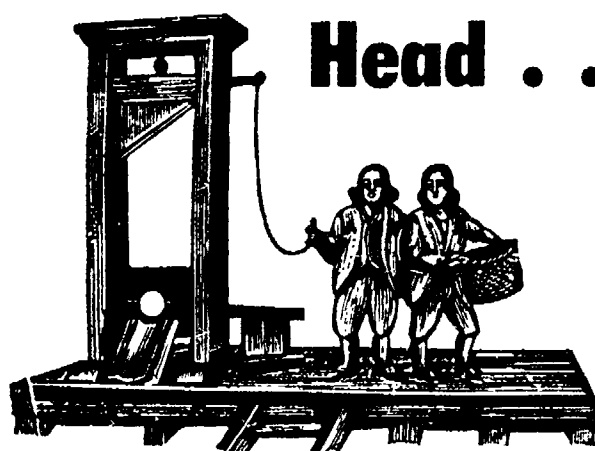

Be it further resolved, that a certified copy of this resolution be forwarded to the President of the United States, to the United States Senators from Michigan, the Honorable Philip A. Hart, and the Honorable Patrick V. McNamara, and to the Honorable Harold M. Ryan, Congressman from the Fourteenth Congressional District of Michigan, urging their full cooperation and assistance in carrying out the intents and purposes of this resolution.

Be it further resolved, that a certified copy of this resolution be forwarded to the legislative bodies of all of the municipal entities of the State of Michigan urging their cooperation and participation in this plea for immediate and effective action to restore the water level of the Great Lakes Basin to the pre-existing proper and safe conditions.

BANK ROBBERY

William H. Fifer of 20542 Bal-four, Detroit, left his wallet on a counter of the Manufacturer's National Bank in Mack avenue, while writing out a check on Wednesday, July 15, and when he reached to pick it up, found it gone. The wallet contained \$25, operator's license and personal papers, he told Woods police.

YOU MAY BE LOSING MONEY BY PAYING LESS

There are many cars that cost almost as much as a Cadillac. But it is a matter of fact that the decision to buy one of them could be a false economy.

Consider the major items included in the price of a Cadillac that are usually extra on other cars: automatic transmission, high-performance engine, power steering and power brakes, automatic cornering lights, and power windows on most models.

Then think of what a new Cadillac can save you on operation and maintenance. Cadillac is actually the rival of much smaller, lighter cars in gasoline efficiency—and it is so soundly built that it has reduced upkeep expense to the practical minimum.

You're ahead again—every mile you drive. Finally, reflect on Cadillac's high trade-in value. No car at or near its price preserves its original investment so well.

So add it all up. You'll see what most owners mean when they say you don't spend more for a Cadillac. You just invest a little more—and get a lot more back.

If a Cadillac has long been in your plans, visit your dealer and get all the dollars-and-cents facts.

Chances are you'll see the wisdom of getting a Cadillac out of your dreams and into your driveway.

MORE TEMPTING THAN EVER—AND JUST WAIT TILL YOU DRIVE IT—SEE YOUR AUTHORIZED CADILLAC DEALER

City Tells Plans for Correction of Sewer Problems

(Continued From Page 1)

place the City's needs in context with the Grosse Pointe Public School System, when in the Near Future they request additional millage with which to build the new High School.

3. The earliest date, under the tight construction schedule prepared by our City Engineers, places the completion of the Major Trunk Relief Sewer at April 16, 1965, if we secure approval on the September 1, 1964. Ballot. This would provide relief during the season of our greatest need — namely "The Spring Rains". A November 1964 approval would make relief next spring impossible.

Are Two Systems

Like nearly all cities, the City has underneath its streets two separate systems of drains — one for storm water from roof downspouts and street gutters, and another for sanitary disposal, (which contains the waste from the toilet facilities and garbage disposals of the entire City).

Gilbert T. Jerome, President of George Jerome & Co., the City's Consulting Engineers, in his report to the City Council, stated:

"Based on our study of the capacity of the system and our investigations on the site, we have come to the following conclusions:

"1. The sanitary sewers are overloaded during rainfall because of downspouts connected to them and because of infiltration through the pipe joints.

"2. The City interceptor sewer parallel to the Fox Creek sewer, and the pumping stations do not have sufficient capacity to take care of the storm water from that portion of the City which is connected to it at the present time. A part of the southern portion of the storm sewerage system of the City flows by gravity to Lake St. Clair.

"3. The Fox Creek sewer is frequently overloaded before it reaches the City of Grosse Pointe, and it would be unwise to make any direct connections to this sewer.

"Since the area south of Waterloo Avenue has the large majority of basement flooding reports, a number of houses were selected at random in that area to investigate the location of downspout connections.

"Dye was introduced into the downspouts and observation then made of the sanitary and storm sewers to see where the dye appeared. Sixty-five per cent of the houses observed had the downspouts connected to the sanitary sewer.

"Combinations of the capacity of the City interceptor sewer indicate that it can serve that portion of the City expected on an average of once in five years. Overloading of the sewer could be expected more frequently under present conditions with a larger area being served.

"As a result of our studies and observations, we offer the following recommendations for improvement of the sewerage system:

First, Sanitary Relief Sewers:

(a) "Construction of a sanitary relief sewer in Lakeland Avenue with arms in Jefferson, Maumee, St. Paul, Kercheval, Waterloo, Charlevoix and Goethe to intercept the flow from the existing 8-inch sewers.

"Second, Storm Relief Sewers:

(a) "Construction of a storm relief sewer in Waterloo Avenue to intercept the flow from the existing storm sewers south to Waterloo Avenue, and in St. Clair Avenue from Waterloo Avenue to Lake St. Clair,

including miscellaneous arms.

(b) "Separation of the storm water from the overloaded combined sewer in the Kercheval business district and Bon Secours Hospital district by construction of storm relief sewers connected to the proposed sewers in St. Clair Avenue. Downspouts and catch basins to be discontinued from the existing combined sewer and connected to the proposed relief storm sewer.

(c) "Construction of a storm sewer west of Roosevelt Place from Jefferson Avenue to Lake St. Clair to relieve the existing sewers in that area.

(d) "Construction of a relief sewer on the east side of Grosse Pointe Court from the Wrigley parking lot to Charlevoix Avenue to relieve the overloaded combined 12-inch sewer in Grosse Pointe Court.

"Our preliminary estimate of cost for the sewers included on the preliminary plans is as follows:

Sanitary Relief Sewers	\$ 559,900
Storm Relief Sewers	706,800
Repair and Automation of Pumping Stations	58,300
Total	\$6,325,000

This estimate includes an item of 15 per cent for engineering, inspection, legal fees and contingencies.

How System Works

About \$559,000 of the total figure would go toward installing sanitary relief sewers. The major arteries of the present sanitary sewers are found under Jefferson Avenue and Neff Road.

Under Jefferson, the present system varies in diameter from eight to 10 inches. From either extreme of the City, the Neff system flows north towards the City sewage pumping station at Neff and Charlevoix, ranging in diameter from 12 to 15 inches.

At the pumping station, the waste is pumped up a height of nine feet from the "Grosse Pointe Interceptor pipe," which contains the City's waste, into the Fox Creek "barrel" which eventually into Detroit's sewage disposal system.

The proposed supplementary sewage system would add a new pipe on Jefferson, ranging from 15 to 18 inches, and another line which will go north on Lakeland Avenue which will range from 30 to 42 inches, double the size of the existing pipes.

Will Compare Costs

Bids for this portion of the project may vary widely. The City will seek bids for both tunneling the pipes and underground without disturbing paving or sidewalks, and for sinking the pipes from the surface by excavation. The latter is a less expensive task.

The second half of the project, totaling an estimated \$706,800, is a storm relief sewer system. Rather than continue to carry all the storm water that enters the system north of Waterloo down to the Neff-Charlevoix pumping station, as the present system does, the new arrangement will call for an additional large pipe on Waterloo and St. Clair.

This second major artery will carry a bulk of the storm water

DRIVER SENTENCED

Thomas W. Derfield, 18, of 93 Broadstone, pled guilty to reckless driving, speeding and ignoring four stop street signs. He entered the plea before Park Judge C. Joseph Belanger on Wednesday, July 15. The youth was sentenced to pay a fine of \$25, or serve five days in the Wayne County Jail, was placed

on probation for three months, no driving, and ordered to attend the Driver Safety School, all sessions, at his own expense, west on Waterloo, beginning at Fisher Road, to St. Clair Avenue, and then south on St. Clair to the lake.

In addition, arms to this storm system would feed it from adjacent streets at Kercheval, Maumee and Jefferson. The entire system would range

from 24 to 42 inches in diameter.

Cantwell stressed that the entire present sewer system — both for storm water and sanitation — would remain intact. Although there will be some disruption of surface auto traffic, most of the project will be done by April 16 and the entire work will be done by early July, Cantwell explained.

The City Council at its July 20, 1964, meeting directed the

City Manager to place an advertisement in The Grosse Pointe News, encouraging all residents who desire further information on the Bond Propositions to attend the August 17, 1964, Council meeting. Also the City Manager was directed to explore the possibility of sending a "Direct Mail Circular" to each resident in the community explaining the September 1 Bonding Proposition.

Mayor Burgess stressed the fact that all of the Bonding Propositions are RESTRICTIVE in that they can be voted upon ONLY by qualified electors (husband and wife WHO HAVE PROPERTY ASSESSED FOR TAXES in the City of Grosse Pointe.

The fellow who looks ahead and prepares seldom has reason to look back and regret.

Bad Check Artist Awaits Sentence

Charles G. Libby, 28, of 2463 Bacon, Berkley, Mich., was arraigned before Woods Judge Don Goodrow on Tuesday, July 14, on a charge of uttering and publishing, to which he entered a plea of guilty.

Libby was arrested at his home by Berkley police, at the request of Woods authorities, and returned to the Woods to answer the charge. He was booked and held for trial.

The man is accused of writing a check in the amount of \$100, and cashing it at Arnold's Drugs Store in Mack Avenue.

Judge Goodrow accepted Libby's guilty plea and referred the matter to the Wayne County Probation Department for pre-sentence investigation.

Libby was released on his own recognizance, to again appear in court when the investigation report is completed and submitted.

Car Hits Tree; Youth Injured

Two Farms boys were treated for leg and head injuries July 17 resulting from an auto accident on Provincial road.

The car went off the road in front of 274 Provincial and hit a tree.

Both boys were released to their parents at Cottage hospital. A ticket was issued to Beaupre for driving with his car not under control causing an accident.

Citizens Advisory Group Studies High School Site

(Continued from Page 1)

In its search for one suitable for the construction of a proposed second high school, the Citizens Advisory Group of Detroit, Hunt Club, Lochmoor Golf Club, Edsel Ford estate, Vernier road site, land-fill in Lake St. Clair.

For various reasons related to the criteria for school site selection — cost, size, location, access — these six were eliminated from serious consideration by the Board.

Lochmoor Suggested

Mr. Sandberg's criticism of the Vanderbush site centered about its size, shape, location, access, and expandability. In advancing the possibility of the Lochmoor Golf Club as the site for a secondary school facility instead of the Vanderbush-Baker property, Mr. Phillips advocated redesigning the golf course on a portion of the farm land to replace that portion used for the proposed school.

In the absence of Thomas Hammond, 667 Sunningdale, who advocated the construction of a second high school on land-fill in Lake St. Clair, Mr. Phillips presented Mr. Hammond's thoughts on "Venetian Isle" High School.

In answering the criticisms of the Vanderbush-Baker site, Assistant Superintendent Hubbard revealed the contents of a recent letter from Dr. Felix J. McCormick, Columbia University consultant retained by the Board of Education to study the problem. Based upon his initial analysis of the situation, Dr. McCormick has indicated that with careful planning the Vanderbush property can be developed into a fine site for the proposed second high school. He added that today many sites of less-than-ideal acreage have to be utilized, especially in metropolitan areas faced with a shortage of available land.

Letter Cited

Mr. Hubbard mentioned the receipt by the Board of Education of a letter from Alexander J. Kloster, Deputy Superintendent of Public Instruction for the State of Michigan. In it he summarized the position of the Department of Public Instruction on the Vanderbush site.

"This office believes that the Grosse Pointe System is designating a 31-acre site will be able, with careful planning, to provide a comprehensive program for a senior high school located on such site. This office will, of course, be pleased to work with both you and your architect in developing plans for this facility that will make maximum utilization of the available area."

Mr. Hubbard also revealed the contents of a letter from Albert P. Teetzel, president of the Lochmoor Club to Dr. Robert K. Whiteley, president of The Grosse Pointe Board of Education during 1963-64, outlining the club's position on the various proposals.

Would Raze Homes

"The removal of 30 to 35 acres from the west end of our land (adjacent to Parcels) and the substitution of similar acreage from the Vanderbush farm would be feasible only if the entire row of houses on the east side of Fairway drive south of Vernier road were razed and the land added to our land on the east together with enough land from the Vanderbush farm to make up the 30 to 35 acres taken. Manifestly, the cost of such a program would be several times that of the Vanderbush-Baker site."

"If a 30 or 35-acre piece were taken from the northeast corner of our land at Vernier and Fairway (as you suggest) would be preferable for a high school site, we would consider that our total facility had been destroyed as a golf course. In this event, we would resist such a proposal to the maximum extent by every means available to us."

"The second proposal at the public hearing of May 4 advocated some sort of joint condemnation of the entire Lochmoor property by the Board of Education and the City of Grosse Pointe Woods, with the latter operating a 9-hole golf course and "cultural center" on that portion of the property not required for the school site. It was alleged that the City could operate its portion of the property on a self-sustaining basis."

"We share your view that the proposal is unrealistic. Moreover, we suppose that the citizens of the Woods would have little enthusiasm for the project if informed that it meant removal of the largest single taxpayer (Lochmoor Club) from the tax rolls and that our present annual maintenance costs on the golf course alone are approximately \$75,000. In any event, Lochmoor Club would resist any such proposal by all available means and to the maximum possible extent."

Golfers Persist

"Finally, you inquire as to whether or not the Club intends to continue as a "private golfing facility in the foreseeable future." We do so intend, as long as our members enjoy the game of golf, the attendant good fellowship and social activities and are willing and able to bear the costs. So far as we know, there are none among us who regards his membership as an investment in real estate."

"In the years since World War II, there have been periodic rumors that our property was about to be sold, subdivided or otherwise disposed of. In 1917 our golf course was the nucleus in the formation of Lochmoor Subdivision and one of the principal attractions resulting in settlement of the area. As part of the original plan, our deed carries a 50 year covenant which prevents use of the land for any purpose other than as a golf course until December 31, 1967. Thus, it would not be possible to subdivide the land until 1968, even if we wished to do so, which we do not. We feel that Lochmoor is becoming something of a venerable institution. We are fond of it and intend to nurture it as such in the future. Perhaps it will be in existence 50 years hence, the times and conditions permitting."

"The recurrence of the 'subdivision' rumors is quite mysterious to us, especially when one considers the large expenditures to improve the property as a golf course."

Talk Continues

Considerable discussion of the two basic questions facing the committee ensued. The need for a second high school is one of these and, if this is confirmed, the location of the school is the other.

Most of the remarks centered on the question of site. There was much speculation as to whether the Lochmoor Club property could be secured if this location was finally determined most suitable. A joint effort by the Board of Education and the City of Grosse Pointe Woods was seen as necessary by all and most unlikely by many.

A motion to ask the Woods Council its attitude towards such a cooperative venture was voted down. Further research and study was agreed upon. A second motion to inquire into the tax history of the club was defeated also. The purpose here was to try and determine whether the current pattern of higher taxes on land might cause the demise of the club as such.

Discussion of the lake front sites (filled land) brought out the need for cooperation of a

number of local and state governmental agencies. Among the latter would be the state legislature which would have to take formal action to approve such sites. Bipartisan rights of residents whose property front on the lake at the site would be involved as would the Department of Conservation acting in behalf of all citizens of the State.

On the question of site size, a challenge as to the appropriateness of the examples used by opponents to the Vanderbush farm was made. A high school in Carlsbad, New Mexico, of 70 acres, and another in Saginaw, Michigan, of 62 acres, were the issue. The difference in the nature of the communities and the availability of large pieces of land at moderate costs was pointed out. As another point of reference, the site sizes of three east side Detroit high schools were reported.

Schools Cited

Denby High School (2,625 pupils) is on a site of 16.5 acres. Osborne High (2,136 pupils) is on a site of 19.5 acres although it is adjacent to a Parks and Recreation site of 21.5 acres and can make some use of this space for school purposes. Finney High School (1,019 pupils but designed for 2,000 pupils) is on a site of 20.5 acres but also has an adjacent 12.5 acre Parks and Recreation facility. As has been reported the Vanderbush site selected by the Board of Education is 31.7 acres.

School officials also reported that the State Department of Public Instruction had approved the site. Authority to issue the bonds to purchase the land has been granted.

Questions as to safety considerations and traffic patterns were raised. A traffic count on Vernier Road, where the new high school would have its entrance, revealed that an average total of 8,000 vehicles a day passed this point. This includes both east bound and west bound cars. On Lake Shore drive, the average count was 18,000 north bound and 20,000 south bound vehicles in a 24 hour period.

Representative Group

The Citizens Advisory Committee, composed of 31 residents of the five Grosse Pointes, is representative of many phases of community thinking. The membership roster has been completed with the acceptance of appointments by J. Addison Bartush, 287 Lake

Shores; Mrs. William J. Champion, 40 Edgemere; Mrs. William Kessler, 1013 Cadieux, and Mrs. Frank Wylie, 390 Washington.

The next meeting of the Citizens' Committee will be held August 17 at 7:30 p.m. at 389 St. Clair. Further consideration of new data and information is planned. Also Dr. McCormick's final report will be analyzed and evaluated.

Additional meetings as needed to arrive at a consensus on the basic questions will be scheduled. Chairman Koppin indicated. When consensus is achieved, the Committee will make its recommendation to the Board of Education which must make the final decision. The meeting adjourned at 10 p.m.

John Codd Attends Fleet Sonar School

John T. Codd, seaman apprentice, USN, son of Mr. and Mrs. George J. Codd of 1242 Devonshire roads, is attending Fleet Sonar School at the Naval Station, Key West, Fla.

Sonar is the abbreviated name for "sound navigation ranging." It refers to all electronic underwater sound detective equipment used in anti-submarine warfare.

He is studying the operation of complex, aerial, surface and sub-surface Sonar equipment.

MEMBER ASTA

[A message of importance for men and women who are concerned about their health.]

If you're over 40...

your chances of suffering from one or more chronic ailments are far greater. Now is the time to do something about it!

After 40, you're more susceptible to the illnesses and chronic ailments that so often drain the joy out of life. For example, arthritis and kidney-bladder ailments strike far more often after 40. To maintain good health, many doctors suggest drinking 6-8 glasses of water daily to aid proper waste elimination and prevent dehydration. Because so many people find it hard to drink enough ordinary faucet water, delicious Mountain Valley Water is often recommended.

An aid to relief of arthritis symptoms. There's no sure cure for arthritis. If you suspect arthritis, see your doctor. One of the measures he'll probably advise is to drink more water. Physicians often suggest Mountain Valley Water because it is "light," non-filling, non-laxative, mildly alkaline. Its kidney-flushing effect gently stimulates kidney action, and helps speed elimination of potentially harmful wastes (there's evidence such wastes can collect in and around the joints, causing or aggravating some arthritic symptoms). Mountain Valley Water, which helps expel body wastes faster, has aided in relief of symptoms in a number of observed arthritic cases.

Relief of kidney-bladder symptoms. Mountain Valley Water's mild alkaline action gently soothes bladder irritation, and helps neutralize excess urine acids (thus reducing that "burning" sensation). Try wonderful-tasting Mountain Valley Water. Regular daily use can make a positive contribution to continued good health. Costs only pennies a glass.

PHONE or WRITE for a supply today. Ask for free literature. Money-back guarantee.

MONEY MISSING

E. J. Guiford of 13302 Evanston, Detroit, a guest at the Woods lakefront park, told Woods police on Friday, July 17, that when he went to the clothes checking counter to pick up his trousers after a swim, he discovered \$12 missing from his wallet. The matter is being investigated.

Police Probing Case of Caller

The strange case of a man who went calling at a home in Provençal road July 17 is still under study by Farms police. The caller was identified as Gerald Elliott, 37, of 968 Barlington road. During the afternoon of the 17th, he appeared at the door of the Mrs. John W. Mulford residence 34 Provençal.

According to Henry McKendrick, a caretaker, the man "acted very strangely." McKendrick stated that Elliott told him he had a personal package for Mrs. Mulford. The package turned out to be a box of Ritz crackers.

The caller also reportedly asked McKendrick's permission to "walk through the garden for awhile," which the caretaker denied.

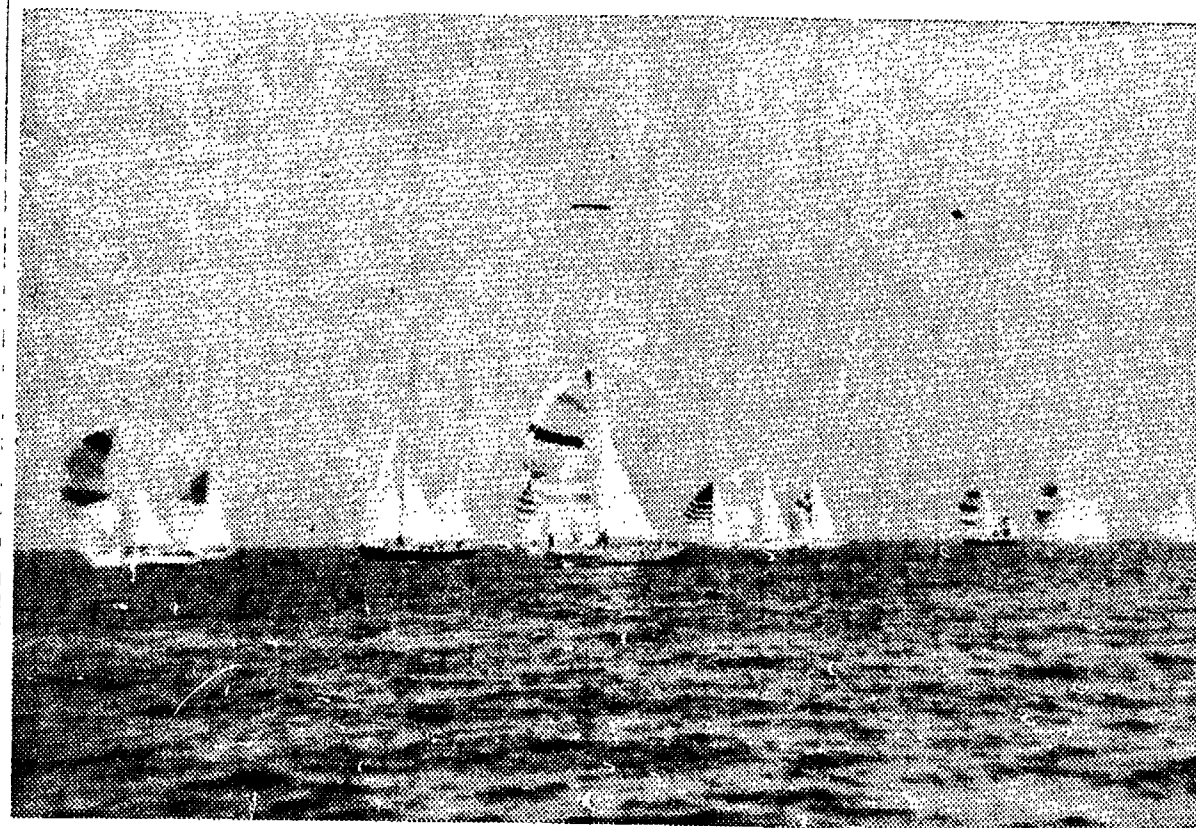

Elliott had no identification on his person, according to police. He said, after some questioning by Farms police, that he had left his car parked in front of 475 Lake Shore drive, a home still under construction.

Police took him there, but Elliott was still unable to furnish any identification. Examining the car, Officer Joseph Miller found several bottles of what was tentatively identified as dexedrine, a medicine containing a drug. The material was confiscated, and sent for further identification by Farms police.

HUBCAPS STOLEN
B. S. Fountain of 758 Lakepointe, complained to Woods police on Friday, July 17, that four hubcaps, valued at a total of \$44, were stolen from his car while it was parked in the Woods Theater lot.

Mackinac Boats Bunched at Start

News reporter Bob Wells captured this shot from a committee boat as the annual Bayview-Mackinac sailing race got under way in Lake Huron last Saturday afternoon. The "Gypsy," out of Cheboygan, Wis., had captured the over-all honors when she crossed the finish line first on Monday morning.

New Headquarters Opened By District Republicans

John W. Matheus, the new 14th Congressional District Republican Campaign Chairman, announced the opening of new 14th District Republican Campaign Headquarters at 10711 Whittier road, between Harper and Kelly road. The attractive, air-conditioned headquarters are conveniently located in the center of the new 14th district.

Appointed by Arthur G. Elliott, Jr., State Chairman of the Michigan Republican Party, as Republican Campaign Chairman here, Mr. Matheus, 1563 Edmondton drive, Grosse Pointe Woods, has begun to build an active, constructive, grass-roots Republican organization.

All Congressional Districts in Wayne County have undergone great boundary changes since re-districting. The 14th Congressional District no longer includes 90 precincts, mostly from the southwest section of the Detroit-area in this district, but now contains 87 precincts from the northwest section of the Detroit-area in the district, toward and including the City of Hamtramck. The five Grosse Pointes, the City of Harper Woods, and a large part of Ward 21 located on the east-side of Detroit remain part of the 14th Congressional District.

In accepting the appointment, Mr. Matheus said, "With Governor Romney at the helm in Michigan, the Michigan Republican Party is becoming a true grass-roots, responsive and responsible citizens-party, and I will do everything in my power to work to make it just that in the new 14th District. All Republicans are invited, in fact, urged to come into headquarters, volunteer to help in the coming local, state, and national campaigns for Republican principles and candidates from precinct delegate to office of President. I am greatly impressed by the hundreds of Republicans in this district who have already indicated their desire to actively work and support a positive Republican Party organization in our area. I look forward to welcoming many more citizens who are daily realizing how important it is to personally participate for good government."

In appointing Matheus, who is the present Chairman of Republican Citizens 14th District, Mr. Elliott pointed out that the recent creation of new Congressional District lines throughout the State has left the new districts in Wayne County without effective District-wide organization. Since the permanent district leadership will not be elected by precinct delegates until after the September primary election, and realizing that no party could prepare a campaign if it waited until the primary election to organize for

the November election, The Republican State Central Campaign Committee requested that Elliott make district leadership appointments now.

Matheus has named H. Hudson Mead, 420 Washington road, City of Grosse Pointe, as political and legal advisor to the new organization, and John E. Weiss, Jr., 5908 Lanno, Detroit, as Director of Delegate and Precinct Coordination. Working with Weiss will be Detroit-area chairmen Walter Bala, 15857 Saratoga, Detroit; Duncan Campbell of 20206 Helen, Detroit; William Knapp of 5225 Manistique, Detroit; Robert McCarran, of 18919 Mallina, Detroit; George Rinaldi, 2163 East Eight Mile Road, Detroit; and Kenneth MacLeod of 810 Blairmoor, Grosse Pointe Woods. Each area chairman has announced names of section leaders who will personally coordinate precinct delegate and block work. Every precinct and residence block therein, in this district, will have an official Republican representative.

Additional key-chairmen appointments made this week by Matheus are: Public Relations—Edward Deeb, 13337 Chandler Park Drive, Detroit; Human Relations—Albert Thorburn, 521 Lakepointe, Grosse Pointe Park; Information Center-Directors—Miss Nancy Dilloway, 4134 Bedford, Detroit, and Miss Helen Samaras, 4610 Courville, Detroit. Director of Operations is Miss Hilary Whittaker of 17000 East Jefferson, City of Grosse Pointe.

The "Romney-Republican Girls" in the 14th District will be headed by Miss Ann Holcomb of 157 Muir road, Grosse Pointe Farms.

Office Managers for the new 14th District Headquarters are Mrs. Donald Farkas of 16900 East Jefferson, and Mrs. Richard E. Jones of 1091 Canterbury road. Volunteer-Supervisors are: Mrs. Harry Carson, 82 Cambridge; Mrs. Kenneth Kurtz of 1230 Bishop road; Mrs. Karl W. Firth of 262 Hillcrest; Mrs. Carl Nolte of 84 Clairview; Mrs. Hazen Schumacher, 312 Stephens road; Mrs. John Nash of 1430 Yorktown; and Mrs. John Feikens of 734 Pemberton road.

The new 14th Republican Campaign Headquarters are open Monday through Saturday from 9:30 a.m. to 9:30 p.m. All interested citizens are urged to come in or call 371-5959 for further information.

STATE SUPREME Court Justice Eugene F. Black suggested recently that a constitutional amendment be written as the only way to prevent an anticipated tidal wave of appeals to the highest Michigan court. The new Michigan constitution gives people the right to appeal in any criminal conviction. This rule also allows virtually every prisoner in state prisons to ask for a belated appeal. If either the convicts or newly convicted do not have enough money for the appeal, the cost must be born by the county in which the conviction was obtained.

Fight Fires

(Continued from Page 1)

bringing it under control, and about another half an hour before finally putting it out, Chief Gauld said.

He said that 18 Park and City firemen, including off-duty Park firemen called to the scene, and five pieces of equipment, three from the Park and two from the City, were needed to fight the fire.

The flames were confined to the kitchen, dining room and terrace, the chief said.

The amount of damage will have to await an insurance adjustment report, it was said.

Norman Thomas Learning Leadership

Norman Johnson, 287 Beaupre, is taking specialized training in Boy Scout Leadership at the Philmont Volunteer Training Center which is operated by the Boy Scouts of America at the Philmont Scout Ranch in north-eastern New Mexico.

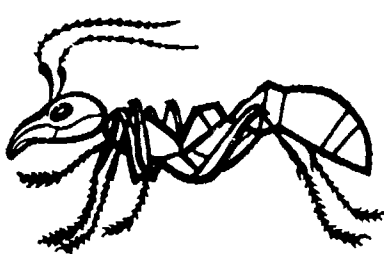

National Scouting leaders are instructors for the 1,500 men who will attend the 34 conferences being offered this summer at the 137,000-acre national Scout camp.

Participating in the family program at the Volunteer Training Center are Mrs. Verna Johnson and children: Dale, 14; Barbara, 13; Jane, 11; and Susan, 7.

The Training Center is located on the slopes of the Sangre de Cristo Range of the great Rocky Mountain chain where 8,000 Explorers and older Boy Scouts will take part this summer in 12-day expeditions at the largest boys' camp in the world.

Johnson has been active in Scouting for 6 years. He is currently serving as Scoutmaster, Troop 546, Lake Shore District.

List Complete Honor Roll At Parcels Junior High

Vincent L. Peterson, Principal of Parcels Junior High School today announced the complete honor roll for his building's seventh, eighth and ninth graders.

Seventh graders are Judith Hanna, Diane Larson, Thomas Longley, James Dupuis, Tom Hamilton, Dennis Rauss, Candice Swanson, Christine Carlson, Diane Shannon, James Brines, Douglas McKenna, Vicki Martin, Beth Meyers, Robert Halk, Fatima Ismail, Catherine Hayes, Eric Leitz, Lynn Ureel, James Blum, Jack Gurney, Gloria Kwoka.

Others are Paul Shirilla, Beverly Wood, Sharon Hackman, Kathryn Caudie, Donald Estler, Diane Whiddon, David Whipple, Martha McCaughrin, Kathleen Crossen, John Fraser, Linda Liebold, Kathleen Stefani, Leighton Knapp, Becky Jo Bentzen, Elizabeth Seder, David Wilton, Stephen Beaver, Kerry Graham, Linda Halvorsen, Peter VanHoek, Donald Wilkie.

Also, Janeene Gilbert, Paul Deal, Lawrence Ulmer, Christine Corcoran, Karen Wilson, Steven May, Jerry Lou Davidson, Robert Lieder, Wendy Proctor, Robert Wyatt, Constance Clifton, Linda Kulma, Linda Oglevee, Linda Beens, Kim Wallace, Pamela Freeman, George Mandich, Lindsay Dick, Deborah Kitchen, Michael Merritt, Stephen Schneider.

And Christopher Snyder, Dennis Wickline, Michele Miner, Dianne Tolls, Pamela Elliot, James Frede, Ellen Martin, Frances Platz, Janice Garbarino, Karen Ellis, Barbara Noyes, Elizabeth Ingram, William Wetherby, Diane Kummerfeld, Yvonne Birach, Sandra Schmoke, Delphine Maconochie, Jere Ralph, Suzanne Shannon, Cheryl Vroom.

Eighth graders are Nancy Teague, Susan Stauffer, Marilyn Hanson, Marianne Bradley, David Deal, Timothy Place, Elizabeth Ambrose, Lynn Schenals, Margaret Scivo, Celine Shanoski, Catherine Griffith, Patti Miner, Gasper Gammichia, Dean DiBasio, David Lapeza, Christine Polkinghorne, Paula Barr, Jacqueline Hawks, Diane Swineford.

Others are Richard Erwin, Ann Harding, Clinton D. Richardson, Lawrie A. Owens, Michael R. Galante, Sherman A. Chamberlain, Janice L. Gould, Holly J. Hayes, Douglas J. Heffner, Larry S. Sabol, Pamela S. Weaver, Lynn Ruprecht, Paul

Simon, Scott Sayers, Sally Bohn, Karen Hebbard, Suzanne Ralph, Richard Rosenbusch.

Also, Alice Sessions, Gayle Biesenthal, Linda Nofz, Ellen Witus, Mark Fenton, Kenneth Steketee, Carol Duat, Carol Randall, Sheryl Robertson, Diane Kuffert, Noreen Peppier, Robert Spitzley, Michael Leu, Mary Blum, David Fenton, Rita Meech, Marilyn Ross, Deborah Shutz, Kimberly Van Hoek, James Hulverson.

And James Sipe, Lois Channel, Barbara Broman, Walter Pieschke, Linda Symon, Susan Alsbach, Laura Head, Jackie Kin, Richard Clays, Barbara Frede, Tobi Troutman, Nancy Krause, Robert Cochell, Robert Staffel, Jean Ringle, Janet Knoll, Caterina Lauri.

Ninth graders are Mark Lawrence, Jaclyn Steyer, Pat Snow, Steve Arentz, Ruth Ann Knopf, Lynda Tobler, John Ladden, Lynn Guetschhoff, Jim Gregory, Sally Schueler, Thomas Webster, Cynthia Kopitzke, Corrine Nellis, Paul Barker.

Others are Roger Cook, Christine Schneider, Thomas Peters, Stephen Pepper, Leon Duletsky, Robert McKenna, Arthur King, Brian Lang, Robert Hammel, Richard Rini, Joseph Weber, Linda Charvat, Michael Willoughby, Kathleen Warner.

Also, Christine Meier, Jane Hellwig, Christine VanHoek, Joan Malcolm, Paul Wolf, Douglas Smith, Beverly Hollar, Emma Tarby, David Held, William Robertson, Mary Larner, Jeffrey Rood, Merry Heyd, Diane Bertelsen, Arden Jaeger.

And Rick Gonzalez, Katherine Cummings, Sheryl Lane, Mark Pohnl, Gregory Hall, Theodora Grovac, Deborah Church, Marsha Van Horn, Harvey Faust, Steven Forsythe, Kathleen Kost, Susan Hackman, Deborah Birch, Lynn DeLaura, John Huige, Patricia Krolik, Dennis Miller, Gay Wallstrom, Barbara Oddo, Terry Gostow, Susan Fraser, Kimberly Douglas, John Harding, William Harlan, Janet Huddleston, Joseph Kaiser, Patricia Steyer.

INJURED IN POOL
Carmel Schwartz, 8, of 912 Barrington, suffered a bad laceration of the chin on Friday, July 17, when she jumped into the pool at the Park's waterfront park. She was taken to Bon Secours Hospital for treatment, by Park police ambulance.

Cable Failure Blacks Out City

Electric service and telephones for a large area of the City were knocked out for 21 minutes Tuesday afternoon, July 14. The cause was reported by Detroit Edison officials to have been a failure in a high voltage cable serving the area.

The area affected was from Washington road to Cadieux road and from Waterloo to the lake. Service stopped at 3:33 p.m. and was restored at 3:54 p.m., when an Edison service crew isolated the defective underground cable and switched to an alternate circuit.

The power shortage cut off police and fire department radio service for only a few moments. Then a battery powered mobile transmitter was quickly put into service.

Bon Secours Hospital, which was hit by the blackout, reported that none of its operations were affected except momentarily because they employed an auxiliary power plant on hand for such emergencies.

Telephone service in the area was erratically affected. City police said their service was unaffected, and they received calls all during the cut-off. On many phones, the bell signal for incoming calls became inoperative, and no outgoing calls could be made.

In the Village and on Jefferson avenue, City police quickly took positions to direct traffic where signals had gone out of operation.

Michael J. Duffy Serving in Marines

Marine Private Michael J. Duffy, son of Mr. and Mrs. Melvin E. Duffy, of 332 Ridge road, was scheduled to graduate July 16, from recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

The training includes drill, bayonet training, physical fitness, parades and ceremonies and other military subjects. Three weeks are spent on the rifle range firing the M-14 rifle and other infantry weapons.

Recruit training prepares Marines for further specialized training in a service school or with a unit of the Fleet Marine Force.

He will report to Camp Lejeune, N.C., for combat infantry training.

GPYC Natators Defeated By Plum Hollow

By Mike Granger
Plum Hollow edged the Grosse Pointe Yacht Club last Thursday 163 to 153, for Plum Hollow's first dual meet victory in three years.
The teams split the eight relays, but the Yacht Club won

just 8 of the 20 individual events. Bruce Black continued his domination over the 11-12 year age group, as he won the 50 yard backstroke and 50 yard freestyle events. His freestyle time was an amazing 25.9. Bruce

was also in two winning relays: the 200 yard freestyle and medley. The members of the medley relay were: Black, backstroke; Larry Ray, breaststroke; Steve Mason, butterfly; and Bruce Harper, freestyle. The members of the freestyle relay consist of Mason, Steve May, Black, and anchorman Harper.

The 15-16 year old boys enjoyed tremendous success against Plum Hollow. In addition to their relay victories, Mason and Harper won one individual apiece. Harper edged teammate Pete LaFonte, for a victory in the 50 yard freestyle. Mason, for the second straight week, won the 50 yard butterfly events with Chip Rohde finishing second for the Yacht Club. Kit Tennyson won the 50 yard backstroke, while Mason placed second.

Steve May was the only other individual boy winner, as he won the 13-14 backstroke event. Patty Ray, swimming in the 8 and under 25 yard freestyle, picked up another first place ribbon for the Yacht Club. Patty's time was 19.0.

The girls' 200 yard freestyle relay team notched their third consecutive victory with a time of 2:03.6. Members are: Anne Whyte, Maurine Burke, Chris Everett, and Terry Gostow. Anne also won the 50 yard backstroke, while Terry finished second in her freestyle event.

Plum Hollow had four swimmers who sparked in a winning cause. Melinda Rex (11-12), Bob Rex (9-10) and Kathy Ash (9-10) won 11 first-place ribbons between them. All three swimmers won two individual events: the 50 yard freestyle and backstroke events in their particular age-group classification. The trio were also in winning relays.

Melinda swam backstroke in both the 11-12 medley relay, and the 200 yard medley relay. Kathy anchored both the 10 and under medley relay and the 200 medley relay. Bob Rex anchored the 10 and under medley relay.

Sandy McMaster won three individual events in the girls 15-16 age-group. Sandy won the 50 yard freestyle, backstroke, and butterfly events. She also swam butterfly in the winning medley relay.

This afternoon the Yacht Club will host the Detroit Golf Club.

Kenneth D. Smith Aboard Minesweeper

Kenneth D. Smith, seaman apprentice, USN, son of Mr. and Mrs. Wayne D. Smith of 857 Roslyn road, recently visited Uwayima, Japan aboard the Navy coastal minesweeper USS Whippoorwill while operating with the Seventh Fleet in the Far East.

While in Uwayima, Whippoorwill hosted orphans from the local orphanage in furthering the Navy's People-to-People Program. Whippoorwill is equipped to sweep all types of enemy mines from the sea lanes. She normally operates out of Sasebo, Japan.

PLAYER INJURED

Daniel Wilks, 12, of 1070 Torrey road, while playing Little League Baseball at Ghesquire Park, ran into a grandstand chasing a hit ball, and suffered a four-inch gash in his right shin. He was taken to St. John Hospital by Woods police ambulance, treated and released.

Queen Will Reign Over Farms Regatta Saturday

A panel of five judges, which consisted of Charles Verheyden, James Causley, John Mazer, Alfred Steiner, and Leon Schoyan, deliberated for more than three hours in making the selection of six finalists for the Queen and Her Court Pageant.

Selected were Annette Wibelman, Maureen Mageau, Kathy Moxley, Marge Gorski, Jeanne Delsener, and Beth Backman. Any of the lovely young finalists would make a fine representative and queen for the 12th Annual—but, which one will it be?

This question can, and will be answered at the Farm's Pier on Saturday, July 25 at 8 o'clock.

The 10 judges assigned the most difficult task of answering this question are: T. John Lesinski, Lt. Governor for the State of Michigan, Judge Joseph A. Moynihan, Jr., Judge George E. Bowles, Alfred Steiner, James Causley, Leon Schoyan, Charles Verheyden, John Mazer, and Joseph Velosky, Civil Service Commissioner.

Included in the 12th Annual Regatta Program, and new this year, are: a bicycle parade and competition for the Farm's younger set. All children wishing to participate in the parade and competition will gather at the Sears parking lot at Moross and Mack on Sunday, July 26th at 12:30 p.m. and register with Jack Klink. Prizes will be awarded for the 10 best decorated bicycles.

Children's special events, consisting of ball throwing, wheelbarrow races, sack races, peanut race and penny scrambles, are scheduled under the direction of Richard Frank for Saturday afternoon. A twist contest will be held on Saturday evening with trophies awarded to the best couple under 15 years of age and over 15 years of age.

A strolling photographer has already begun taking pictures candidly at the Pier for the "Fractured Flicker" competition. Some pictures were taken July 19, and more will be taken July 25.

Prowler Given Quick Sentence

A Detroit who walked into a Provincial road home Monday with intent of committing a robbery was tried and convicted the same day in Farms court by municipal judge Grant Armstrong.

The man was identified as James Louis Fullerton, 35, of 7443 John R. He entered the William C. Roney residence at 44 Provincial Monday afternoon. Police say he apparently came in through an unlocked door. He went to the second floor, where he came upon Gussie Hooks, a domestic in the house, who asked him what he wanted.

Fullerton allegedly made an excuse about doing a job, and left. Miss Hooks alerted Farms police. Another Farms officer saw Fullerton board a bus at Eight Mile and Lakeshore road, and the message was relayed to other police forces.

Fullerton was arrested as he stepped from the bus at Wayburn and Jefferson avenue by Park Patrolman William Crandall.

At a trial in the Farms at 5 p.m. that day Fullerton was charged with being a disorderly person, pled guilty and was found guilty as charged. Since he is currently on parole for breaking and entering charges, his case was referred to his parole officer for further study. Fullerton's record reportedly dates from 1953, when he was arrested in Jackson, Mich., on a breaking and entering charge. In court Monday, Fullerton told Judge Armstrong that he had entered the home with the intent of stealing.

Park Indians Win in District Tourney

Grosse Pointe Park's Indians edged the Grosse Pointe Farms Giants, 8 to 7, Sunday in the first round of the Little League's district tournament.

The Indians made the most of nine hits and six walks in the game—an evenly-matched contest, statistically.

Little Doug Mann of the Indians proved to be a mighty big man both in the field and at bat. He stole third base in the first inning, made a beautiful catch and threw the ball from a prone position to put out a batter in the first inning and picked up three hits in his trips to the plate—the only Indian to get more than one hit in the game.

Winning pitcher was Dan O'Keefe—who was also one of six Indians to get a single to his credit. The others were Tim Fradenick, Rick Mahon, Brian McLean, Mark Metry and Mickey Torina.

Hitting hero was Tim Allar, of the Giants who smashed two home runs plus a single. Giant Don Fromm latched onto a double, and teammates Dan Griffin, Pep Perry and Tom Reiman each hit a single.

Young Reiman starred in the double play of the afternoon for the Giants—catching a fly ball and then whipping it to

first in time to tag out the runner.

Losing pitcher was Mike San-kovich.

CC Team Loses To Grosse Ile

by Ric Hendee

When Hal Willard's Country Club tankers left for a dual swimming meet with the Grosse Ile Country Club last Wednesday, no one expected an easy win. Grosse Ile's team is growing stronger and its pool is strange with its fin-shaped walls and wooden turn boards.

The C.C.D. swimmers carried a large cardboard sign titled: "The Grosse Ile Meet . . . What We Have To Do." On the sign were all of Grosse Ile's times and all of the Country Club's. In points the final score worked out to within two points of going either way.

Coach Willard had written in a special column on the sign what each C.C.D. swimmer had to do to help win the meet. The kids had seen the sign . . . they were ready.

The meet started well with most of the Country Club swimmers doing what was expected of them. Tim Woodhouse, 10, pulled in three firsts for the C.C.D. Steve Hendee, 14, surprised the strong 13-14 Grosse Ile boys with his victory in the backstroke. Sue Haass, 15, supported both big relays and also managed two victories of her own. Most of the expected was accomplished.

Then C.C.D. reached rough water. One of their younger relays was disqualified and an individual swimmer was also disqualified. This cost the Country Club 18 points.

In the next two events, girls and boys 15 and 16 freestyle, they tried to make up for the loss. Sue Haass finished first for the girls with Marty Blood close behind. Then Ric Hendee won for the boys and John Mabley took third.

But C.C.D. was still down and much of the once high spirit was gone. Some of the team still fought on against the odds but most of them had lost hope. The meet went to Grosse Ile . . . 160-142, only 18 points separating the squads.

Viewing the team from a brighter angle, the first Inter-Club leader sheets were compiled and 11 C.C.D. swimmers were on them. The sheets show the 10 fastest swimmers in each event taken from the times of the various meets around the city.

Steve Hendee led the 13-14 50 meter backstroke with a time of 34.5. Sue Haass was first in girls 15-16 50 meter butterfly with 33.0. Several other Country Club swimmers were sprinkled throughout the listings.

College Players Plan Production

College Players will present their main production Thursday, Friday, and Saturday evenings, July 30, 31, and August 1.

The Production: "Doctor in the House", a three-act British comedy by Ted Willis.

To summarize, "Doctor" tells of life among a group of British medical students, and particularly of how one of these students—shy young Simon—learns how much fun the opposite sex is. Heading the cast of "Doctor" are Bart Elmer (Tony Grims-

dyke) and Candy Mason (Vera). The rest of the male cast includes Tom Christ (John Evans), George Shears (Simon Sparrow), Bill Hope (John Lister Bromley), Dave Weamer (Sir Lancelot Spratt), and Chuck Chrisman (Stage Manager).

The other female roles are played by Linda Foster ("Riggle"), "Rigor Mortis", alias Nurse Winslow, Connie Balser (The Matron), and Bette Freeman (Janet).

In addition to the cast members, one other name needs to be mentioned: that of the director, Mr. Robert McKenna. Mr. McKenna directed "Doctor in the House" while Chairman of the Board of The Midtown Players.

The play will be given the aforementioned evenings in the Fries Auditorium at 8:30 o'clock.

Tickets are one dollar per person. They can be obtained either at the door or by calling Jeff Kurtz at TU 5-8410 or Candy Mason at 821-0390.

Corvette Driver Starts Skirmish

A Woods man is ready to sign a complaint against the driver of a late model dark blue or black Corvette Sting Ray as a result of a skirmish July 16.

The man, Richard L. Zenker, 19694 E. Kings court, told Farms police that the driver of this car forced him into the curb in passing him on Chal-

fonte avenue in front of Brownell Junior High School. When both cars stopped for the light at Kerby road, Zenker got out

of his car and spoke to the driver, who allegedly told Zenker he was "driving too slow."

Zenker pursued the car north on Kerby, but quickly lost it. He described the driver as in his early 20s, with dark hair, wearing a white "T" shirt.

Russell Winner In Net Tourney

George Russell of Grosse Pointe Woods retained his tennis crown in the mens singles at the East Detroit Invitational last week. He defeated Craig Henzel 6-3, 4-6, 13-11. After two days' rest, George persevered through 90 degree

temperature to capture the singles championship of the Detroit Motor City Open. He defeated Jim Zorren in the finals 7-5, 2-6, 6-2.

Russell, a product of Grosse Pointe High, is a member of Bill Murphy's University of Michigan team.

Luffers and Lubbers

By Bob Wells

Direct from Mackinac—the results:

First boat to Mackinac—and scoring her fourth victory in Class A in the race's history—was Chuck I. Kotovic's 54-foot Gypsy, from the South Shore Yacht Club, Milwaukee.

Behind her in official corrected time was the favorite Ondine, owned by S. A. Long from Larchmont Yacht Club, Larchmont, New York; behind the Ondine was Ramahoya, skippered by Harvey Hedeau, from Muskegon Yacht Club.

In Class B, there was an all-Bayview finish in the first three spots: 1. Meteor II, Hank Burkard, 2. Yahr, Donald Smith, 3. Bikini, E. L. Eccleston, Jr.

In Class C, Bayview led the field again, as Commodore Karl Ness and Maurice Declercq, the favorites, led the field in Flying Buffalo.

Second and third in Class C were Kismet, C. R. Lorenz, Grosse Ile Y. C., and Hornpipe, O. W. Busch, Cleveland Y. C.

The Class D finish found Detroit Yacht Club sloops in first and second. Windlassie, titled by Robert Dodd led the pack, and William Gmeiner's Edelweisse was second. The Velero, which sails out of Crescent under the hand of Dr. Douglas Wake, was third.

Class E finishers were: 1. Ripple, George Brand, North Star Sail Club, Mt. Clemens; 2. Second Wind, J. Stahl and K. Miller, out of the Detroit Yacht Club; 3. Challenge, Bill McCurdy, Detroit Boat Club.

After adequate festivities Friday night on the Black River in Port Huron at which over 400 persons, most of them "townies" were arrested by Port Huron police on various charges, the fleet was able to muster an early start Saturday morning.

Bromo Seltzer was served. The Black River looked like a Venice canal at rush hour as the record fleet of 143 entrants were stacked three to six deep on either side.

The Class E and D starts looked quite smooth from our vantage point aboard Bruce Tappan's Race Committee boat a few yards from the west marker.

First over the line in Class E was Challenge II, followed by P. Goetheus' Gracie from Crescent Sail Yacht Club. At Last, sailed by Dr. G. E. Simpson from Detroit Boat Club, and Second Wind.

In Class D it was Wahoo, handled by Grosse Pointe Yacht Club's R. Wood first between the flags at the start, followed by Dr. J. Steward's Elf, from Cleveland Y. C.

In Class C GLYC's Sea Skel preceded Bayview Commodore Chuck Bayer's Old Rarity over the line.

GLYC's Javelin, the Exalte from Edgewater Yacht Club in Cleveland and C. H. Bowers' Maia from the Detroit Yacht Club led the Class B group at the start.

In Cruising A, the first boat to finish was the first boat to start—the Gypsy, followed by the Gentian, skippered by Bayview's C. S. Davis, Jr.

Good winds prevailed for the start and first couple of hours, and then spinnakers began to sag at around 5 or 6 p.m. on the Lake.

Gypsy's winning time of 26:43:26 was no record, but a respectable finish when compared with past marks in the race's 40-year history.

MANY OF the Pointe's larger boats are cruising on Lake Michigan this week before they begin the second half of the season—the Chicago Yacht Club's Chicago to Mackinac race which begins Saturday.

A sizeable portion of the Pointe's fleet, of course, will forego the trip to Chicago in favor of the smaller, closer-to-home Grosse Pointe Sail Club Regatta on Lake St. Clair Saturday.

The Pointe Sail Club has been hosting an annual regatta since 1953, and each year it gets bigger. Additional classes have been included bit by bit each year, and this Saturday all the classes which normally compete

in the DRYA Regattas will be included.

We can't think of a better time to take a look at this group of sailors that make up the Pointe Sail Club. The group has both an interesting history and an active present membership whose performance on the river speaks well for their skill at the tiller.

Era of Cats

The club dates back to 1948 when Catboats were the rage, and 10 people who had boats at Grosse Pointe Park's Waterfront Park got together "under the elm tree" at the Park and formed a small club.

Most of the original group sailed catboats technically known as the "K Class" and the early members included such Pointers as Bill Tuscany, George Genematas, Dr. Richard C. Connelly, his son Bob Connelly, Bud Wellman, Earl Blohm, Duke Huber, Frank A. Miller, Ralph Johnson, James McCarthy and the late Charles Todd, Jr.

Incidentally, all of these people have served as the club's Commodore.

Racing has always been the prime objective of the club. In the early years no dues were charged but members kicked in a dollar each week before they raced and the race chairman bought an appropriate prize or two.

As time went on members were assessed \$5 dues to take the club's financial burden off the racing skippers. In 1953 the treasury was large enough for the club to sponsor its first regatta, which was open to the large fleet of Cats then on the river.

Join D.R.Y.A.

A few years later the club affiliated with the Detroit River Yachting Association. Next year, one of the club's recent past Commodores, William P. Connelly, will be head of the D.R.Y.A.

The club also sponsors a weekly Tuesday night Race for the D.R.Y.A. members, from Memorial Day to Labor Day off the Grosse Pointe Park Pier.

The Club's powerboat owners are also an active bunch. In addition to helping with the regatta and weekly sailing, they have several events of their own. A series of predicted log races, which show a powerboat's proficiency with his boat) have shown that some members rate remarkably high.

The club's Rear Commodore, Jay Deeds, who has his Septet II in the water from March to December, has performed at least one rescue a year for the last four years.

Although they have no clubhouse, the member's manage to get together once a month or so, all winter long for steak roasts or clam bakes.

That old elm tree is larger now, and the club has well over 100 members, but the same interest in racing, boating and good fellowship prevails.

THE LITTLE Club's race committee reminds us to mention another event on the card for this weekend, the quarter-finals in the Sears Cup eliminations for boys and girls ages 13 through 17 years old.

A skippers' meeting will be held at the Grosse Pointe Club at 8:30 a.m. Saturday, with the first race starting at 9:15 a.m. The elimination will be by round robin, and may possibly be finished on Saturday, or may spill over into Sunday.

The Sears Cup, more than an individual race, is the first of a series leading to the North American championships. The semi-final is scheduled for Chicago Yacht Club, Belmont Harbor Station, on August 10 and 11.

Chairman in charge of the

Two-Way Tie ... For Last Place

By Ric Hendee

Two club swimming squads are battling for the basement in Inter-club swimming. The Country Club of Detroit and the Grosse Pointe Yacht Club are quickly gaining a light-hearted reputation equal to that of the beloved "New York Mets."

Last Thursday CCD met the Detroit Boat Club in a dual contest. The meet, which was held at the Country Club, was crowded and exciting. But once

event at the Little Club is Ray White. Questions should be directed to him.

CRESCENT will single-handedly be called upon to defend the Pointe and Detroit area's reputation in the Lightning Class Association's Michigan district championships this weekend.

Crescent seems to have registered the only entries from the area for the weekend tourney, which gets underway at the Traverse Bay Yacht Club in Traverse City tomorrow and finishes Sunday.

Hank Cawthra, twice national champion and an incessant winner in the district qualifications, is the odds-on favorite to place well again this year.

Other skippers in the impressive Crescent delegation include Bob Knop, Jim Kohls, Dr. John Lesesne, George Grenzke and Dick Drew.

Top ten boats in the fleet this weekend will go to San Diego for the National championships in August.

Lodge Freeway Extension Open

A one-mile section of the John C. Lodge Freeway Extension in Detroit was opened to traffic recently.

Built at a cost of \$6 million, it extends from Seven-Mile Rd. to Greenfield Rd.

The final portion of the Lodge Freeway Extension—a two-mile section from Greenfield Rd. in Detroit to 9½-Mile Rd. in Southfield—is scheduled for completion before the end of the year. It will enable motorists to drive non-stop from downtown Detroit to downtown Muskegon.

LOSES WALLET

William E. Morrison, 17, of 902 Hampton road, informed Woods police on Saturday, July 18, that he had been at several places in the city, and that at one of the places he lost his wallet containing his operator's license and personal papers. He said he did not know exactly where it had been lost.

again CCD was down ... 171-144.

Slicing a large portion of the Country Club's points were the relays, little boys and big girls. Nancy Hendee pulled in two firsts (50 m. free—33.8, 50 m. back—40.8) to help the attack. Dwight Campbell and Hank Kuhlman placed one-two in the 8-under freestyle.

Both big girl relays proved to be exciting; the Country Club winning the freestyle relay by 3/10 of a second on a strong finish by Fran Nutter; and the Boat Club winning the medley by less than a third of a second after overpowering the last CCD swimmer.

Also a losing cause was the dual meet between Plum Hollow and Grosse Pointe Yacht Club. Plum Hollow won the meet with the last relays and scored their first victory in three years. The Yacht Club matches the Country Club with a record of 0-3.

But don't think these teams work and swim all in vain. The meets are always exciting, the workouts challenging and the pressure "not so bad." And of course there's that famed reputation held by the New York Mets ... the worst team, yet the best loved. Both CCD and GPYC are reaching for that position now ... and maybe next year.

Today both squads get another chance ... the Country Club takes a swat at Plum Hollow and the Yacht Club fights the Detroit Golf Club. Maybe these contests will decide which team takes over as the "New York Mets of swimming."

LET US HELP YOU SELECT THE FINEST

Mr. Frank Piku, the manager of the Music Center has factory representatives to help you select the right piano, answer your questions and make sure your selection will be the wisest.

Only the Music Center has on display a complete stock of Story & Clark pianos—Danish Modern, Contemporary, Early American, Italian and French Provincial—in Oiled Walnut, Mahogany, Maple and Cherry finishes. All custom designed for you.

A laminated sound board unconditionally guaranteed for 50 years not to crack or split is an exclusive feature of the Story & Clark Piano. Hand rubbed true wood veneers with no stained end pieces are features covered by an exclusive 10-year guarantee.

Tuning will last much longer due to laminated plys of hard rock maple holding the tuning pins and solid oak back posts withstanding over 20 tons of string pull. Pure solid wound copper strings will not deteriorate, rust or corrode. Casters are solid brass for easy rolling, will not dent, stick or tarnish.

Three full working pedals of solid brass, specially coated and will never tarnish or change colors. A direct-blow action will make playing the easiest of all. Key bed vented throughout prevents swelling or sticking of keys. Hammers are chemically treated, fully reinforced, damp proofed and moth proofed at the factory. Story & Clark Pianos start at \$795.00—Prices vary with styles and finishes.

A student rental plan is available—easy low payments with up to 4 years to pay—Used practice pianos from \$49.95. The Music Center has built its 12-year reputation on service. Complete "in the home" regulating, tuning and necessary adjustments made promptly.

Come in this evening—Our factory representatives will demonstrate the advantage of the exclusive Storytone Sound Board.

Yankees	7	13	
White Sox	2	18	
National	W	L	T
Cardinals	16	5	
Dodgers	14	7	
Braves	12	8	1
Giants	8	12	
Phillies	6	15	

1964 Babe Ruth League is done except for the playoffs for the "World Championships." This two-out-of-three series will be between the INDIANS and the CARDINALS.

In the past week three games were played in the American division before the INDIANS came out on top. On Monday it was the Indians playing the Red Sox and winning 8 to 6. Todd Pike started and was relieved by Jeff Hadden for the winners. Chucky Wright pitched the entire way for the losers.

On Tuesday the Indians played the Tigers who had drawn the bye in the three-way tie. The Tigers won 4 to 0. Doug Dzuba was losing pitcher as Ron Volaric, striking out 11 and allowing only two hits, was named winning pitcher.

Not to be counted out, the Indians came back to play the Tigers in a one-game series between first and second half winners. Final score was Indians 11, Tigers 4.

BOX OFFICE OPENS 9 A.M.

Indians 5 and Tigers 4. Todd Pike was named winning pitcher and Bill Bockstanz the loser. For the Tigers Ron Volaric had a nice double and a single. For the Indians Todd Pike and Tom Price each had a double followed by a single.

In the National Division the Cardinals on Monday night settled the second half and the league winner by taking the Giants 5 to 1. Rusty Knowles was the winning pitcher and Jim Maher, later relieved by Wally Marantette, was named the losing pitcher.

The top three teams in both leagues weren't out of the contest until the final whistle blew. Two months ago on May 14 we told you parents to come on out and see some good baseball and help the boys to play even better by your applause and rooting. See what we meant?

On the weekend it was the Regional Tournament-District 2 at Algonac. The American Division team took the first game 6 to 0 over Harper Woods No. 2 team. Todd Pike did an excellent job for GP. On Saturday it was Grosse Pointe 0, and East Side Kiwanis 6, as Tony Schultz pitched a winner and Ron Volaric was named the loser.

In the other division things got even rougher. Friday the National Division team took Algonac 10 to 0 with Rusty Knowles pitching. On Saturday it was 6 to 5 over Harper Woods No. 1 with Art Getz going a full nine innings. All was well until the bottom of the fifth when things got tied up. Dean Jacobs, third baseman for Grosse Pointe Nationals came through with not one but TWO moves. First was a spectacular catch that would have been a double and then in the bottom of the ninth he drove in the winning run.

On Sunday it was Vince Salinas and the East Side Kiwanis 0, and Grosse Pointe Nationals 1. A perfect game with only 74 pitches... that's something to truly write home about. Bill Blakeslee was the losing pitcher and he too pitched a wonderful game but... 1-0 final score. The Farms-City-Park "World Series" is Tuesday, Thursday and Saturday this week. Come out folks.

Woods-Shores Babe Ruth League Champs

The Grosse Pointe Rambler team carried off the crown in a three-game play-off with the Green Chrysler nine. Members of the winning team are, left to right, back row — MANAGER NORM BLOHM, MARK RANNEY, BILL HAHN, COACH MARK BLOHM, JACK REID,

DOUG DAHAR. Second row: MARV LARIVEE, GENE BARATTE, DOUG DOW, QUEEN LYNNE STEYER, VAN JOHNSON, MIKE BORUTA, COACH WILLIAM HAHN. Front row: MARK POHNL, JIM ALLEN, BOB ZILLMAN, JACK CURCURI, JEFF MATHEUS.

this past week to wrap up the championship.

Connecticut bested Mutual Trust Life 9 to 6 behind the strong pitching of Ted Schaft. Dan Cohan and Nelson were the big hitters for Connecticut with each collecting three hits. Joe Hughes and Steve Elliot banged out 2 singles each for Mutual.

Connecticut downed Boutin Realty 7 to 6 after Boutin had scored 6 runs in the first inning. Denny Alfes went all the way on the mound for Connecticut and Mike Addy had a single and double. Bob Schmitt suffered the loss.

Mutual Trust Life shut-out Dobbie Lumber 3 to 0 as Joe Hughes pitched a 2 hitter. Dobbie drove in 2 runs on two singles. Gary Veitch took the loss as he pitched a 3 hitter.

Connecticut Mutual meets Dobbie Lumber in a best-of-three game series to determine the All-American League championship.

AUTOMOTIVE LEAGUE
Dick Green Chrysler-Plymouth are the second half champions. Green will play Grosse Pointe Rambler to decide the season's championship.

Don Ulmer tossed a no-hitter and struck out 16 as Green bested Shalla Chevrolet 4 to 1. Don allowed only one ball to be hit to the outfield and it didn't happen until the 6th inning.

Randy Voorhees had a single and drove in 2 runs. Rick Shalla and Al Slowik worked on the mound for Shalla allowing Green only 2 hits.

Grosse Pointe Rambler won two games, squeezing by Causley Pontiac 6 to 5 and Richard Buick 4 to 2. Four walks in the 5th inning forced in 3 Rambler runs to beat Causley Pontiac. Mark Ranney worked on the mound for Rambler and Gary Pagota for Causley. Brent Buttery had a triple and 2 singles with 3 RBI's for the losers. In a pitcher's battle, Bill Hahn bested Brian Berlenbach as Rambler beat Richard. Each pitcher gave up only 3 hits.

Denny Doyle also had a no-hitter as Causley Pontiac defeated Green-Chrysler-Plymouth 6 to 1. Green's only run was on a passed ball. Doyle struck out 10 in his triumph. Rick Chounard had 2 singles and 3 RBI's and Gary Pagota blasted 3 singles with 2 RBI's.

Richard Buick scored 4 runs in the first inning to stay ahead of O'Brien Ford 4 to 3. Brian Berlenbach singled in 2 runs for Richard. Ken Czabay was the winning pitcher. O'Brien left 14 men on base with Ron Frankland the big hitter with a single and triple. O'Brien downed Shalla 5 to 3 with Ron Frankland striking out 11. Adam Perkowski drove in 3 runs for O'Brien. Sam Orlando went all the way on the mound for Shalla.

Regional Tournament

The National Babe Ruth Regional Tournament will be held August 7, August 14 at Grosse Pointe University School. State Champions from Michigan, Ohio, Illinois, Indiana, Kentucky, Wisconsin and Grosse Pointe will participate. All Grosse Pointers and their friends are urged to attend the games which decide the Regional Championship.

Automotive League

The Babe Ruth Season ended their season with Dobbie Lumber, winner of the first half, and Green Chrysler, winner in the second half, meeting in a three game play-off for the championship.

The first game was won by Green Chrysler by a score of 13 to 5. Pitchers were Don Crier and Greg Ulmer for Chrysler. Winner Ulmer fanned seven opponents. Big hitters for the team were Griffin with two hits for two runs batted in, and Charles a double and a single for three RBI's.

Rambler pitchers were Hahn and Allen. Big hitters were Larivee and Dahar, each with a double and a single for two RBI's.

The second game of the season was won by G. P. Rambler with a one-sided score of 13 to 1 with Marc Ranney pitching a one hitter for the win with nine strikeouts. Impressive hitters were Reid, a single, double, and triple, Hahn, a double, and Boruta with two hits. The pitcher for Chrysler was Manzo.

Winner of the championship game was G. P. Rambler by a score of 13 to 2. Hahn was the winner with 11 strikeouts in five innings. Reid pitched two strong innings and had three strike-outs. Good hitters for the champions were Hahn and Allen each with two hits, and Boruta with a double.

Pitchers for Chrysler were Don and Greg Ulmer with 10 strike-outs.

All-American League

The All-American League ended their season with Dobbie Lumber, winner of the first half and Connecticut Mutual Life Insurance, winner of the second half. They also met in a three game play-off for the championship.

Named to Play With All-Stars

In spite of the weather, one of the hottest things in Grosse Pointe is the American Legion Post 303 baseball team. This team is a highly talented composite of the finest ball players from the Grosse Pointe area.

The team was organized last year under the sponsorship of Post 303 Grosse Pointe Woods. It is currently co-sponsored by Post 503 and The Roostertail, and is managed and coached by John Williams of 30 Oldbrook lane.

The boys are currently in a struggle with Hamtramck for a play-off birth, and if the quality of play continues they may be successful. The team is made up entirely of graduates of Little League and Babe Ruth League from all of the Pointe. The boys have also played at Grosse Pointe High, St. Paul and Grosse Pointe University School and is truly representative of the entire Grosse Pointe area.

PARK
By Dar Martin

They did it the hard way, but the Indians won Grosse Pointe Park's own World Series last week. The Indians — champs of the American League — captured two out of three games from the National League's top team, the Cardinals.

Home runs told the tale at the first game of the series which ended in a 7 to 4 victory for the Indians. Tim Fradenick and Dave Woodrow each collected a round-tripper for the Indians. Three of the full-circle clouts were good for an extra run as well.

Winning pitcher was Rick Mahon aided by Brian McLean. Between them, they held the Cardinals to a scant four hits. George Saad — who replaced Mike Getz of the Cardinals on the pitching mound — yielded only one hit and struck out five Indians. But the home run holiday earlier in the game was too much to overcome.

The second game was a different story: the Cardinals shut out the Indians, 4 to 0.

A home run by Jamie Elmer, a double play by Cardinals Tom Odell and Brad Russell and three costly errors by the Indians tipped the scales in what had been an evenly-matched pitching duel between Doug Maxwell of the Cardinals and Dan O'Keefe of the Indians. Both hurlers remained in the game for all six innings.

Despite the drama of the first two games, the crucial third contest proved to be the highlight of the series.

The Cardinals went into the top of the sixth inning trailing by three runs. A weird combination of walks, a hit by Chuck Crandall and an Indian error which put Doug Maxwell on first base led to the Cardinals' having the tying run on third base. Before a large but totally silent crowd, the next batter struck out. The Indians had won the series and the game, 7 to 6.

Rick Mahon — followed, as in the first game, by Brian McLean — was again the winning pitcher. Dan O'Keefe got a homer for the winning Indian team. Tom Odell and Tom Stack both got doubles for the Cardinals.

Victory was especially sweet for the Indians, because they faced an opponent which had lost only one game throughout the season. The Indians, on the other hand, had to battle to win the second half championship in the American League. Majors, conquer the White Sox for the American League title and finally take on the Cardinals.

Minors' Series Set
The junior version of the Park's Little League World Series was scheduled to start yesterday (Wednesday, July 22) with Michigan — American League champs — meeting the winner of the playoff game in the National League Minors.

A unique situation arose in the National League when Indiana — top team in the first half of the season — tied Illinois for first place in the second half. This meant the two teams had to first meet to determine the second half crown. By winning this 16 to 13, Illinois assured a second game with Indiana — this one to determine the championship for the league.

In the meantime, Michigan won a grueling game with Michigan State to capture the championship of the American League Minors. With Dave Oliver on the mound for Michigan and Chet Brown hurling for Michigan State, the pitching contest remained scoreless until the sixth inning when both teams capitalized on errors to tally two runs. A heart-breaking error by Michigan State in the eighth inning gave Michigan a chance to score, and the game was over.

Winning pitcher, Paul Oliver, took over in the seventh inning from brother Dave who had struck out 13 batters and had given up only five hits. Teammates Warren Terrace (who scored two of the three Michigan runs) and Mike Vroom both got three hits. Don Goldman was the only Michigan State player to hit more than once.

Jeff Comlossy and Frank Souther proved to be the ablest hitters for the losing team in the Michigan-Wisconsin contest. Michigan State also handed Purdue a defeat during the week — although the score for this game was less lopsided: 20 to 13. Ed Staff was the winning pitcher, and Chet Brown

was at the top of the hit parade with five hits in five trips to the plate.

Earlier in the week, Michigan State met more determined opposition from an Army team bent on holding second place in the second half seasonal standings. Army's 18 to 16 win was accomplished with strong assistance from winning pitcher Bill Fountain and a home run by Pete Morgan. Bob Cone was Michigan State's top hitter for the day.

Army also triumphed over Ohio State, 15 to 6. Jim and Greg Louissell were the heroes of this game. Norbert Madison racked up a triple for Ohio State.

Ohio State had a fifty-fifty week with a win over Wisconsin, 11 to 4. Nick DiSante, Jim Perrone and Ted Stedman were tops in the hitting department. Bill Sanger was winning pitcher.

National League Minors
Illinois—which had led the National League Minors since early in the second half of the season — found itself in a tie with Indiana for top spot at the end of the regular season.

Dave Weltritter was the winning pitcher for the pre-view playoff game between Illinois and Indiana. The contest was filled with walks and hits. At the top of the list of hot hitters for Illinois were Tom DuFour, Jim Higgins, Paul Osetek and Kevin Reid. Mike Dodge, Marty Dulapa and Bill and Paul Kennedy each recorded at least two hits for Indiana. Teammate Greg Souan made a sensational double play for the same team.

*Illinois won playoff for second half championship.

Michigan clinched its claim to the second half title in the American League Minors by winning both of its games during the final week of the season.

Dave Oliver pitched Michigan to an 8 to 5 victory over Wisconsin, and brother Paul was on the mound when Michigan lambasted Purdue, 14 to 1. The two Oliver boys, Mike Finan, Warren Terrace and Mike Vroom all improved their hitting records considerably during the two games.

Northwestern — this year's "Cinderella" team — defeated Illinois, 9 to 4, early in the week with Line Gelz as winning pitcher. Derek Tate was top hitter for Northwestern and Kevin Reid was the leader for Illinois.

Illinois chalked up one win, however — an 11 to 8 defeat of Minnesota. Minnesota held Illinois until the sixth inning when a series of walks proved disastrous. Dale Holfeldt was the winning pitcher.

Indiana captured a portion of the National League title by defeating Navy, 22 to 3, and by gaining a forfeit from Northwestern on a tie game. Mike Dulapa was the winning pitcher in the Indiana-Navy battle and was also one of the hottest hitters along with Scott LaRose and Bill Kennedy.

Iowa made it a split week with a 19 to 10 victory over Minnesota and a 14 to 16 loss to Navy. Steve Johnson got credit for Navy's success.

Among the strong hitters for Iowa in the two games were Gregg Goodwin, Paul O'Donnell and Dwight VanSteenkiste. Minnesota's best hitters included Craig Dougherty, Bob Luzadra, Dennis Robb and Dave Johnson. High in the hitting department for Navy were Phil Costa, Carl Morrison and Kurt O'Keefe.

GROSSE POINTE CITY MAJOR LEAGUE
BY ERNIE KELLY
MONDAY, JULY 13
The Braves closed out their regular season on a high note as they defeated the Cards to night 6 to 4. Mike Ware won his fifth game of the season, allowing five hits. Keith Cunningham was the loser, and as it has been the case so much recently, although he allowed only 3 Brave hits and struck out 10 batters, poor fielding by the Cards spoiled Keith's efforts. Jim Bayes got a nice double,

City Little League Champions

Pictured are the Cubs, champions of the City of Grosse Pointe Little League. Top row, left to right: JACK GEESE, Coach; JOHN DONNELLY, Coach; DAN SIMMONS, Manager; BOB THUMAN, Coach. Middle row: GENE WHITELEY, JOHN ORR, TOM REGHANTI, DENNIS GANNAN, KIRK SCHMIDT, JOHN DONNELLY, KEVIN DREAN. Bottom row: CHRIS THUMAN, LARRY GEESE, DAVID GUY, BILL BAUBIE, STEVE YOUNG, PETER BRODHEAD, ED MACKENZIE. (Missing was STEVE HAMANN).

and Monty Gage and Mike Ware got singles for the Braves. Keith Cunningham contributed to his own cause by hitting a three run homer in the fifth, after John King was hit by a pitched ball and Woody Boydell had singled. Sandy Sides was another big gun for the Cards, getting a home run (his sixth), and a single. Dave McLeod also got a nice hit for the Cards. Fred Westine, Braves center fielder, made 2 fine throws that cut off potential runs at the plate.

TUESDAY, JULY 14
The Cubs ended their regular season with a record of 15 wins and only 3 losses as they shut out the Dodgers tonight 7 to 0. Kevin Dreon won his 9th game, sharing the pitching duties with Dennis Gannan, and between them they allowed only 3 Dodger hits and struck out 12. Ernie Calcat had a double and Jack Spiess and Vince MacDonald singled for the Dodgers. Dennis Gannan had a double and a single to lead the Cub attack, and Kevin Dreon, John Orr, Steve Young and Kirk Schmidt had hits for the Cubs. Ralph DiDomenico allowed 6 hits and struck out 10 batters in the losing cause for the Dodgers.

THURSDAY, JULY 16
The Cubs tuned up for their playoff game against Hamtramck with a game against the All-Stars from the Braves, Cards and Dodgers. The power packed lineup of the All-Stars was too much for the league champions, as the All-Stars won 10 to 4. Mike Ware and Keith Cunningham toiled on the mound for the All-Stars against Kevin Dreon and Dennis Gannan. Ware was the winner and Gannan the loser, the only game he lost all season. Ware allowed 6 Cub hits and 4 runs, and Cunningham allowed no runs and 1 hit. Gannan allowed the All-Stars 6 hits and 3 runs, while Dreon was roundly attacked for 7 hits and 7 runs. Dave McLeod of the Cards had a big night with 3 hits and a walk. Ernie Calcat of the Dodgers had 2 hits, as did Sandy Sides of the Cards and Jim Bayes of the Braves and Keith Cunningham of the Cards. Mike Ware of the Braves, Ralph DiDomenico and Jack Spiess of the Dodgers, and Bruce Kerr of the Braves, added singles for the All-Stars. Dennis Gannan and Tom Reghanti of the Cubs, each had a single and a home run, and John Donnelly, Kevin Dreon, and Kirk Schmidt had singles in the losing cause.

SUNDAY, JULY 19
In the intercity winners tournament, the Cubs lost a heart-breaker to the Tigers of Hamtramck today by the score of 7 to 6. Terry Ziemba was the winning pitcher, allowing five hits while striking out nine. Kevin Dreon, who shared pitching duties with Dennis Gannan, was the loser. The Cub pitchers allowed 11 hits while striking out six batters, but it was the fielding errors that hurt the most. The Tigers left only 5 runners stranded, while the Cubs left 10 runners on base. Ziemba got 3 hits for Hamtramck. Selezak two, Thomas two, and Golden, Butler, Golembiecki and Nowak one each. Butler made a fine running catch in left field on a long fly ball to choke off a rally. John Donnelly was the Cubs batting hero, getting a single in the third and a double in the sixth, with two out, to drive in 2 runs to keep a rally going. Dennis Gannan and Tom Reghanti both bounced potential runs off the fence, but both balls fell back in the field for doubles. Chris Thuman and John Orr got singles, but in the last analysis, the errors, with two out, that let in five unearned runs, beat the Cubs. So, as the old saying goes, wait 'til next year.

GPYC Tankers Lose Another

The Grosse Pointe Yacht Club lost its second meet of the 1964 season to Western Golf Club Sunday afternoon, 181 to 126, in the cold, wind, and rain.

Western displayed a well-balanced attack, as they won seven out of eight relays and 13 of the 20 individual events. Despite the large point spread, several good times were produced by the Yacht Club swimmers.

Grosse Pointe won the Girls 200 meter Freestyle Relay with a time of 2:20.8. Anne Whyte, Diane Mason, Chris Everett, and Terry Gostow were members of this winning relay. Terry also won the 50 meter freestyle, while Chris Everett finished second in the event.

Bruce Black continued his fine performance for the Yacht Club, by winning two individual events: the 50 meter freestyle and the 50 meter backstroke. His time for the 50 meter freestyle was 29.0.

Patty Ray, for the second consecutive week, won the eight years old and under 25 meter freestyle with a time of 21.7. Patty is one of the top swimmers in her age group. She also placed second in the 10 and under 50 meter backstroke. In the 15-16 year old age group, Grosse Pointe produced three individual winners. Co-captain Joan Couzens won the 50 meter freestyle, and Steve Mason was unbeatable in the 50 meter butterfly. The only

other individual win was Gail Hilger's 50 meter backstroke. According to pool Supervisor Bob Sherwood, Gail has a strong chance to place first in the Inter-Club finals next month at Lochmoor. Gail also finished second to Joan Couzens in the 50 meter freestyle. The closest race of the afternoon was the boys 200 meter freestyle relay, which Western won by one second. The relay, though, is strong and might be able to avenge this defeat in next month's finals. The members of this relay team are Kit Tennyson, who has finished second in several close races, Jim Black, Bruce Black, and co-captain Bruce Harper.

Tom Lees was the leading Western swimmer, as he won two individual events and one relay. Tom won the 50 meter freestyle and the 50 meter backstroke, and anchored the freestyle relay, which just edged Grosse Pointe's relay. The first two meets have given newly-appointed Pool Supervisor Bob Sherwood a good chance to examine and evaluate his talent (or lack of it) depending upon the age group. Bob realizes his strengths, but the weaknesses far outweigh the occasional strong swimmer.

Sherwood, though, is very optimistic about this afternoon's home meet against Plum Hollow. Plum Hollow, like the Yacht Club, is without a victory.

Red Run Tankers Upset Lochmoor

Lochmoor swimmers lost to a high spirited and keyed-up squad from Red Run Golf Club in a non-Blue League dual meet held last Thursday at Red Run by the slim nine point margin of 161 to 152.

Leading the way for Lochmoor early in the meet were 6-year-old Anne O'Berski, who won the 8 and under freestyle in 20.3, and D. J. Godin, who won his event in 17.6.

Roy Pouliot's Lochmoor swimmers took the first five events, lost number six then took the next three events to enjoy a 30-point lead.

The heartbreaker and turning point of the meet was when the previously unbeaten Lochmoor boys 10 and under medley relay team (Ken Godin, Bob Ambrose, Tom Heholt, and D. J. Godin), was touched out by a tenth of a second in the 100 meter distance.

Highlighting the meet was the record-breaking medley relay (11:12) from Lochmoor as they chopped a full second off the existing league record. Churning the water in a fine time of 1:07.2 were John Walters, Max Gardner, Jim Godin and Tommy Heholt.

Lisa Beckenhauer and Tommy Heholt dominated the 9-10 age group events. Lisa bettered her own league record by 4 tenths of a second when she swam the 50 meter course in 33.7. Her backstroke time was 41.3. Tom did a 34.4 for his freestyle event and 46.3 for his backstroke. In addition to topping two events, both swam in winning relays.

Winning two firsts was Mary Ambrose, 11, of Lochmoor, who did the 50 freestyle in 34.7 as well as swimming the butterfly leg of a 100 meter medley relay with Laurie Simon, Chris Schultz and Mary Lynch in a time of 1:17.5. Laurie Simon also took a first in the girls 11 and 12 50 meter backstroke with 42.8.

Kitty Wilkins of Lochmoor tied Joan Chamberlain from Red Run in 13 and 14 50 meter freestyle to provide an exciting finish.

Cheryl Gardiner won her 50 meter breaststroke event in the time of 37.3.

Red Run's outstanding performer was 15-year-old Read McCartney who won three individual events and anchored a

Farms Natators Beat City Team

Last Wednesday night the Grosse Pointe Farms Swim Club met and defeated the Grosse Pointe City Swim Club at the City Park in the first Inter-Pointe swim meet of the year.

The City won the opening mixed relay by two seconds but the lead was cut fast at the end of the third event the score was all tied up at 15 all. From then on the Farms Mudsuckers led all the way.

Taking 19 first places the Farms tankers won the meet with 172 points to the City's 135 points. Although both teams had a lot of disqualification the Farms' depth gave it the stronger team. The City made a fine showing in the girls events but was weak in the boys.

The Farms went into the meet with a handicap, not being used to swimming in a pool. But apparently the waves in the lake are a good conditioner because what they lost on the starts and turns they made up on the straight away.

City's coach Steve Selander and the Farm's coach Les Roddis both said they had learned something from the meet and hoped to improve their team by the time the Inter-City meet comes.

When asked why the Farms' Swim Team was called the Mudsuckers, coach Les Roddis answered: "If you swim in our lake this year you'd find that everytime you take a breath you wind up with a mouth full of sand or mud, thus the kids call themselves the Mudsuckers." Maybe someday they will be promoted to poolsuckers.

This Wednesday the Shores team swims at the Woods Lakefront Park, against probably the best team in the league. The meet starts at 5:30.

A Night to Remember

Many, many moons have waxed and waned since we last tackled a social item with a typewriter, but with the Detroit dailies on strike we deem it our duty to make a small contribution to the exposure highly deserved by an event staged last Friday night.

The Founders Society of the Detroit Institute of Arts threw a party... as we used to say in our collegiate days of the roaring twenties. And what a party the Founders fostered! It was one of the most fun functions we have ever attended, in addition to being perfectly beautifully staged.

This was no run-of-the-mill extravaganza to raise cash for the museum. It was an inspired idea to accumulate new friends for the Institute of Arts. Admittance was limited to members of the Founders Society, but anyone could become eligible to buy a \$15 ticket to the ball by taking out a \$15 membership in the Society first. We understand that this bait lured some 350 new members, which is a marvelous boost for this organization which does so much for the Institute. Doubtless the large majority of the new members will continue to "belong" in the years to come.

So many individuals, establishments and organizations enrolled in this joint effort that it would be unfair to attempt to pass out credits. Different groups vied in decorating the various halls and rooms of the massive structure, with the result that breath-taking beauty was rampant. The imported music of young Peter Duchin and his orchestra was superb, and the sight of Jack Qualey and his group, (who can match rhythms with the best we've ever heard), clad in Shakespearean tights, tunics and floppy feathered hats, was worth the price of admission in itself.

But undoubtedly the most satisfactory aspect of the whole, lovely evening was the presence of as fine a cross-section of Metropolitan Detroit as one could possibly imagine. Every race, creed and color appeared to be well represented and we have never seen a more distinguished, attractive and happy gathering anywhere. It was a big night for the Detroit Institute of Arts and a stirring example of the public participation which is so necessary for a museum that has acquired great stature and is determined to keep pace with the best. Congratulations and thanks. And please make this an annual event!

Letters to the Editor

To The Editor:

Detroit is again experiencing another of its periodic news-paper blackouts, the seventh in nine years. This one apparently has been timed to coincide with the political conventions and the presidential campaign with reader interest would be at a peak. In 1962 the News and Free Press were shut down for a month. A previous strike of 46 days was designed to encompass the Christmas season when holiday advertising and sales would be affected. Union spokesmen have stated they expect the current shutdown may last as long as three months. Three days would be much too long!

The Pressmen involved, together with Paper and Plate Handlers, constitute less than five per cent of the personnel of the two newspapers. Rejecting terms comparable to settlements previously reached with a dozen other unions, however, they have succeeded in cutting off the income of the companies and of the majority of the workers, both union and salaried. Pressmen involved are reported to enjoy average weekly earnings of approximately \$220. We have seen New York and other major cities without newspapers for extended periods due to inter-union rivalry or excessive demands. We have also seen the number of major newspapers in the United States gradually decline as a result. Detroit has not been spared this experience. We are all intimately concerned when such a loss occurs.

We should be outraged when we read of an inter-union conflict that immobilizes our first nuclear ship, the Savannah, and for over a year prevented it from making a scheduled good will world cruise designed to acquaint our friends in other lands with the peaceful uses of atomic energy. The Savannah was built by the government at a cost to our taxpayers of \$53,700,000 and made her maiden voyage in January 1962. Immediately a squabble broke out between deck officers and engineers as to who should get higher pay. Deck officers reported engineers were receiving \$14,000 to \$22,000 a year. Each group insisted they should enjoy preferred status.

The public has a right to be

concerned and indignant when the liner America is loaded with nearly a thousand vacationers ready to depart the port of New York, only to find two unions locked in dispute over an employee. As a result this trip and the balance of last season's trans-Atlantic runs had to be cancelled while the dispute festered. For several months it appeared very likely that this famous ship had made its last trip and would end up in a Hoboken scrapyard.

There was a time when strikes were associated with substandard working conditions, sweatshop wages or palpable injustices. In recent years, it is more and more the elite, the aristocrats of labor whose headlong quest for more and more often bears no relationship either to productivity or to the realities of the situation. We see not the power of persuasion but the power of power.

We see telephone, gas, electric utility strikes, often with vandalism depriving many non-combatants of their essential rights and services. Usually the wage losses sustained in these strikes are never recovered quite apart from the toll they take on the long-suffering public whose rights are violated.

A country with the human resources and ingenuity of America should and must devise a better method of handling such matters. Most of us would want to see the right to strike preserved. The alternative is government controls over wages and prices. Neither unions nor management desire this. However, reckless and irresponsible strikes, often involving violence and vandalism, and which ignore the rights of the public, certainly hasten the day of greater government intervention. It is something about which we should all be thinking very seriously.

Harold K. Daniels,
452 Chalfonte.

To The Editor:

Just as one gets settled down for a summer Sunday festa or the quiet reading of a book or the newspaper, some inconsiderate neighbor starts up his power mower sans muffler and the raucous reeling goes on for

Memorial Center Schedule

JULY 23 TO JULY 30, 1964. OPEN DAILY 9 A.M. TO 9 P.M. SUNDAY, 12 NOON TO 5 P.M.

- 8:00 p.m.—Unity of the Grosse Pointes—Service.
- 8:30 p.m.—College Players—Performance.

the best part of an hour. Most likely the blatant clamor of the power mower will remind another neighbor of his forgotten chore to trim the grass. And so another quiet Sunday at home is shattered.

The Grosse Pointes have been considered the ideal place to live. Here folks take pride in their gardens and well kept lawns. Here is a refuge from the noise of the big city next to us. Here one can relax—that is except on Sunday. Then the power mower crews take over and turn the quiet Sunday into bedlam.

One might excuse the neighbors who pick Sunday to manicure their lawns if this was the

What Goes On at Your Library

By Virginia Leonard

Guest Columnist,
Robert M. Orr, Director of
Public Libraries

With the completion of the Public Library's 35th year of service June 30th as a Division of the Public School System, it seems appropriate to review some of the year's highlights.

While statistics tell only part of the story, they do help to interpret the use of the three Public Libraries. Statistically, and in every respect, the past year again broke all previous records of Library use.

The basic job of the Public Library is to bring together the right book and the right user. This can be accomplished only by an able, competent and well-trained staff. I believe this is true of our staff.

Every member is professional and community-minded, actively participating in professional activities to the enrichment of the profession, the Library and themselves. Likewise, every member of the staff, professional and non-professional, recognizes his obligation to the community by participation in community activities.

Under the leadership of President William L. Newman, the Friends of the Library group continued to be very active, achieving a new high of 1,284 members. Their Board of Directors held regular monthly meetings, serving as an Advisory Board which supplemented the work of the Board of Education, the Public Library's Official Board.

Three public meetings were held, in addition to the Annual Dinner Meeting at the War Memorial.

The Friends co-sponsored four Great Books Discussion as well as the Friends Film Forum. The Friends contributed \$3,000 in special gifts which included books not available from public funds, film rental, a Junior Members organizational program, National Library Week celebration, donation to the Special Collections Committee and the Fine Arts Committee, and additions to the Library's tape collection.

Printing of the three issues of the NEWSLETTER, the Annual Report and a brochure regarding book memorials and anniversary gifts were other major contributions of the Friends.

Over \$500 was received in contributions from: A. M. Investment Club, Mrs. George Belanger, Bible Study Group No. 2, Miss Elinor Jean Boyd, Mrs. Alice Bruehl, Mrs. Leavitt J. Bulkley, Mrs. Russell Chauvin, Mrs. Joseph M. DeGrimme, Mrs. Mark K. Edgar, the Grosse Pointe Council of Better Literature for Youth, Grosse Pointe Kiwanis Club, Grosse Pointe Motion Picture and TV Council, Rotary Club of Grosse Pointe, Grosse Pointe Woman's Club.

M. F. Cameron Serves On Navy Destroyer

M. F. Cameron, seaman apprentice, USN, son of Mr. and Mrs. Thornton H. Cameron of 1023 Maryland avenue, is a crewmember of the Navy destroyer USS Meredith with the Sixth Fleet in the Mediterranean.

Meredith normally operates as a unit of an anti-submarine "Hunter-Killer" group composed of surface, sub-surface and air units designed to find and destroy enemy submarines.

He will have an opportunity to visit ports in Italy, France and Spain while in the Mediterranean.

What's New on THE HILL...

By Roberta

ARE you going to grill your epidermis beneath the sun... or are you going to lug a mat underneath the closest shade tree... OR sit at a picnic table or a wooden bench near your own terrace wall? You should. And, the best way to have more time in July is to walk on the sunny-side of Kercheval between McMillan and Kercheval... where it's so easy to get your shopping done in a jiffy and have time for fun.

GERMAN Liebfraumilch is that warm weather wine. Serve it chilled, for your next party. Selected by Alexis Lechine, and 1962 vintage, it is on special this week at Hamlin's, 89 Kercheval. TU 5-8400.

ONLY the finest pharmaceuticals the market affords are used in your prescription at the Trail Apothecary Shop. It is filled promptly by a competent pharmacist and carefully double-checked for accuracy. Then, only, do they feel their obligation to you is fulfilled. Call TU 1-5688 for immediate service.

MARGARET Rice says now is the time to pick up your McMullens. They are on sale, and include dresses, bermudas, blouses and shorts... all terrific resort fashions! 72 Kercheval.

A COLLECTION of 18th Century prints at the Dants are worth looking at. Newly arrived, the portfolio is full of imported hand-colored on hand-made paper prints... all larger than 8 x 10. They retail for \$5.00 each. 98 Kercheval.

THE sign of the Mermaid has a new shipment of Ellis-Barker silver pieces. These are by the legendary English Silver-smiths. All the pieces are true reproductions of Old Sheffield and Georgian silver... nest of oval gallery trays... candelabra... trays with crests... entree dishes... coasters with decanters, are among those you will see. 75 Kercheval. TU 2-1610.

DID you know that our very well known Anthony appeared on TV with Fran Harris on Sunday at two-thirty? He did. Congratulations, Anthony!

THEY are still sale-ing at Anthony's. Summer clothes by Oleg Cassini and Sloat are marked down 50%. You just can't go wrong during this sale. Bathing suits by a famous maker are also 1/2 off. One week more! 115 Kercheval.

COOL, pretty... the double shell scalloped dishes for strawberries and powdered sugar at the League Shop. They have many other uses, too. Set of 4, \$5.00 at 72 Kercheval.

THE most startling thing about mental illness or even just behavior difficulties in children, for the average citizen, is the high cost of treatment. When we measure the cost of establishing and operating a treatment center or an out-patient service, like the Northeastern Wayne County Child Guidance Clinic, it seems smaller compared to the social costs of delinquency, hospitalization and welfare.

The Wm. R. Hamilton Co.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

The Alfred C. Scotts, of Newberry place, did not travel all the way to Stockholm, Sweden, ESPECIALLY to see Detroit Symphony Orchestra Conductor Sixten Ehrling at a Scandinavian concert—but that's the way things turned out!

After flying to England, where they spent several days at the Stratford Festival, Mr. and Mrs. Scott crossed the North Sea. Their daughter and son-in-law, the George Ritchies, of New Canaan, Conn., joined them in Stockholm for the concert and several days' sight-seeing.

Then the Ritchies flew to England, and home, this week, via London, while the Scotts continued their Scandinavian vacation.

They are traveling through the fjords, will spend some time in Helsinki, Finland, and plan to sail to the States on a Norwegian ship, returning to The Pointe at the end of the month.

Football, Anyone?

It's bathing suit and tennis sweater weather now, but some Pointers are already planning their first "football junket" of the fall season.

The Fred Wests, Leonard Wests, Januarius A. Mulens and W. Harold Lightbodies are among those who will jet to San Francisco, first stop on the Detroit Athletic Club-sponsored "junket," September 12.

Side trips and sight-seeing in the Shadow of the Golden Gate will be highlighted by the football game between the Detroit Lions and the San Francisco 49ers, Sunday, September 13, and the following Tuesday afternoon, the scene will shift to Las Vegas.

Three days of relaxation at the Desert Inn are to be followed by another three days in Los Angeles, where "junketeers" will take in the September 19 night football game between the Detroit Lions and the Los Angeles Rams.

The group will return to Detroit September 20. More Pointers who have made reservations for the all-jet junket are Mr. and Mrs. Edgar M. Reitz, the Ray M. Whytes and the Sherburne Browns.

The View From Captain Dottridge Cottage . . . in Cotuit, Cape Cod, is "charming," according (Continued on Page 18)

Short and to The Pointe

MR. and MRS. ALFRED GLANCY, III, of Anita avenue, recently returned to Grosse Pointe after a week's vacation at Pointe Aux Barques, Mich., on Lake Huron. With them was their four-month-old daughter, JOAN.

MRS. WINIFRED DUPEROW, of St. Clair avenue, and her young son, DOUGLAS, flew down to Atlantic City, N.J., early this month to view the conclusion of the Powder Puff Derby. Mrs. Duperow's sister, Sammy MacKay, of Flint, was among the contestants in this year's all-woman transcontinental air race. Last year, Mrs. Duperow flew in the race, serving as her sister's co-pilot.

DEBORAH MITCHELL is in Grosse Pointe, visiting her father, LEDYARD MITCHELL, JR., and MRS. MITCHELL, of Moran road. She is completing plans for her September 26 wedding to Peter Bergh, which will take place in Greenwich, Conn.

JIM PASSANANTE entertained the Men's Garden Club of Grosse Pointe and the Detroit Men's Garden Club at his annual barbecue party last Thursday. Among those gathered in the Passanante gardens, in Buckingham road, were JOHN COOPER, who served as the host's assistant chef, HARRY HAGLEY, ART SHIMMIN and AL TAPERT.

Navy Lieutenant PAUL A. PARADIS, husband of the former MARION E. ROLLINSON of Kerby road, recently was graduated from a course in officer leadership at the Naval Air Station, Quonset Point, R.I.

MRS. CARL T. MUELLER, of Berkshire road, and her daughter JEANNIE, have just returned from Pittsburgh, Penn., where they spent a week visiting old friends. While there, they attended weddings of three good friends, all held on the same Saturday.

NANCY and ANN NOECKER, of Handy place, are visiting their grandparents in North Dakota.

MICHAEL SHERMAN MITCHELL, son of MR. and MRS. SHERMAN MITCHELL, of Cloverly road, is among the 320 students enrolled in the Lake Forest College, Lake Forest, Ill., summer session. The group includes residents of 20 states across the country, and five foreign countries.

MR. and MRS. STUART B. MICKLETHWAITE, of West Emory court, attended a three-day sales seminar at Boyne Mountain Lodge early this week.

JOHN DONETH, business coordinator, Grosse Pointe High School, was among the Michigan educators who spent two weeks at the Detroit Edison Company as part of the guidance and personnel training in business and industry

Mrs. Robert Spencer Piper

Picture by Paul Gach

In Grosse Pointe Memorial Church Saturday evening, JUDY LEE WECKLER was married to Mr. Piper. She is the daughter of Mr. and Mrs. Herman Weckler, of Edgemont Park. Her husband's parents are Mr. and Mrs. Mark H. Piper, Jr., of Flint, Mich.

program sponsored this summer by Michigan State University.

MR. and MRS. JAMES D. STANDISH, III, of Lincoln road, have recently returned from a ten-day vacation at Pointe Aux Barques, Mich., on Lake Huron. With them were their children DANA, CLARK, CRAIG, and CARLA.

Named to the Dean's List at Manhattanville College, Purchase, N.Y., recently, was PATRICIA PEELER, daughter of MR. and MRS. EARL A. PEELER, of Cadieux road.

MRS. WERNER F. SCHMIDT, of Roland court, and her two children, NICOLL and ANTHONY, are spending leisure summer hours at their summer home on Burt Lake near Petoskey, Mich. DR. SCHMIDT spends his weekends there and returns to Grosse Pointe every Sunday evening for another week of work. Son KARL, who works during the summer, joins his family for boating, swimming, and skiing, whenever he has any time off.

SUE WINTER, of Lennon road, and her grandmother, MRS. BRYAN TROMBLEY, of the Eastland Village Apartments, returned yesterday from a week at the New York's World Fair.

MR. and MRS. RICHARD J. LANE, of Crescent lane, and their three daughters JUDY, SUSAN and PATTY, left today on their 26-foot Folkboat for a four-day trip cruising around Wallaceburg, Ontario, Mr. Lane is an enthusiastic weekend sailor or at the Crescent Sail Yacht Club, racing aboard his boat, "Mee Too."

MR. and MRS. WILLIAM R. JUMER, of Fairway road, and their children MARLENE, ROXANNE, and JAY, are leaving this Sunday, July 26, for a two-week vacation in Minnesota.

ELIZABETH GUSTAFSON, daughter of the ROLAND GUSTAFSONS, of Moran road, is spending eight weeks in Sweden this summer, under the auspices of the Youth For Understanding program.

MR. and MRS. FRANCOIS PESSE, of Geneva, Switzerland, announce the birth of a daughter, MICHELE FRANCOISE, July 14. Mrs. Pesse is the for-

Sheila O'Keefe Is Engaged

Mr. and Mrs. James Wear Walker, of Old Westbury, L. I., have announced the engagement of her daughter, Sheila Mitchell O'Keefe, to Webster B. Todd, Jr., son of Mr. and Mrs. Webster Todd, of Far Hills, N. J.

Miss O'Keefe was graduated from the Greenvale School, Garrison Forest, and from Bradford Junior College in 1961. She was presented to society by her parents, at a small dinner dance at the River Club, and attended the Junior Assemblies.

She is the granddaughter of the late Mr. and Mrs. John O'Keefe, of Carthage, Mo., and of Mrs. Ledyard Mitchell, of Merrivether road and East Hampton, L.I., and the late Ledyard Mitchell.

Mr. Todd was graduated from Milbrook School, and from Princeton University in 1961. While at Princeton, he was a member of the Ivy Club.

He is the grandson of the late Mr. and Mrs. John R. Todd and of Mrs. Reeve Shiley and the late Reeve Schley, of Far Hills. He is president of the Princeton Aviation Corporation.

An October wedding is planned.

Giving Party For Children

The Grosse Pointe War Memorial Association will be host to Grosse Pointe children in grades 1-6 for a free party in Fries Auditorium and on the lakeside lawn on Thursday, July 30, at 2 o'clock.

If more children than can be accommodated turn up, a second show will be held about 3:30. Those wishing to be assured accommodations at the first show should pick up free tickets in advance at the Center.

Heading the list of entertainers will be Lloyd Morgan, TV artist, whose one man show is very popular with Grosse Pointers. His performance includes a unicycle act, feats of magic, juggling, acrobatics and bell ringing.

A junior hootenanny will be led by Dave Molly and Chris Hughes assisted by Connie Wood and Diane Dilloway. The Center's Children's Theatre also will give a Chinese play, "The Stolen Prince" under the direction of Mrs. Mark Reeve.

Color cartoons will be shown and free balloons will be given out as long as they last. Ice cream and pop will be sold at cost.

of H. E. FOULKROD of S. Deepnests; RICHARD K. KNOST, sophomore in the School of Commerce and son of MR. and MRS. WILBUR KNOST of Anita; JOYCE B. LAPISH, freshman in the Collegiate Technical Division and daughter of MR. and Mrs. JOHN LAPISH of Beaufait; TODD H. PRICE, senior in the School of Commerce and son of MARVIN PRICE of Van Antwerp; STANLEY L. WILSON, JR., sophomore in the Trade and Industrial Division and son of MR. and MRS. S. L. WILSON of Stephens road.

Piper-Weckler Rites Observed Saturday

Pair Travel to Greece After Evening Ceremony in Grosse Pointe Memorial Church and Reception at Country Club; to Live in Washington, D.C.

Judy Lee Weckler, daughter of Mr. and Mrs. Herman Weckler, of Edgemont Park, and Robert Spencer Piper, son of Mr. and Mrs. Mark H. Piper, Jr., of Flint, exchanged marriage vows Saturday, in Grosse Pointe Memorial Church.

Dr. Frank Fitt and Reverend Richard Mitchell officiated at the evening ceremony, which was followed by a reception at the Country Club of Detroit.

The bride's classic gown of Florentine gros de Londres was designed by Garnett of Rome. Her fitted bodice featured a bateau neckline, and her slender skirt was accented by a Cathedral length Watteau train.

She wore her Belgian rose-pointe lace veil mantilla style, and carried an arrangement of stephanotis and phalaenopsis orchids.

The attendants' floor length gowns were fashioned of cloud blue Italian cotton, with soft skirts, gathered slightly at their backs. Their headresses were Botticelli wreaths of fresh ivy, and they carried bouquets of variegated blue delphinium.

Harriett Bradshaw served as Miss Weckler's maid of honor, and bridesmaids were Mrs. Paul Decker, Mrs. George Mendelsohn, of Cambridge, Mass., and Barbara Ditzler, of Flint.

Five-year-old flower girl Julie Johnson wore an exact duplicate of the bridesmaids' gowns, and carried a basket of daisies and delphinium.

Mr. Piper asked David Barbour, of Flint, to act as his best man. Seating the guests were Lawrence Piper, Peter Stine and Patrick Stine, all of Flint; Douglas Bradshaw, of Brattleboro, Vt.; William Banzhaf, of Milwaukee, Wis.; Donald Greco, of Denver, Col., and Michael Morehead, of Denver, Col.

For her daughter's wedding and the reception, Mrs. Weckler chose a gown of starched chiffon in a delicate yellow shade, embroidered with sprays of white carnations. Designed by Sarmi, the dress featured a slightly full skirt, accented by two small, fringed waistline bows.

Mrs. Piper wore a Harvey Borin design, styled with a slim blouson top and sheath skirt, in delicately beaded, shadow pink chiffon. Her corsage was fashioned of rubrum lilies. Mrs. Weckler's flowers were phalaenopsis orchids.

When they return from their wedding trip to Greece, the newlyweds will make their home in Washington, D.C.

Calypso Party Draws Pointers

Last Thursday night was a perfect night for a party—especially a cruise party—and passengers aboard the Bob-Lo boat thoroughly enjoyed the weather, the scenery, the music and each other at "Calypso Afloat," sponsored annually by Bon Secours Hospital Assistance League.

Among those glimpsed at the champagne pre-sailing fete, or spotted later aboard ship, were the John Kingsley Roneys, the Joseph A. Schrages, Jr., Mr. and Mrs. Hamilton F. Kotcher, the Charles A. J. Kotchers and the James W. Kinnucans.

This year's Calypso Afloat party chairman, Mrs. Lorenzo D. Browning, of Lakeland avenue, was especially delighted with the strolling accordionist, who played on the dock, then boarded the ship to serenade cruisers as they traveled up and down river.

The ladies and gentlemen who tried the under-the-pole trick were very, very good, were Assistance League president Mrs. Charles D. LaFond and Mr. LaFond.

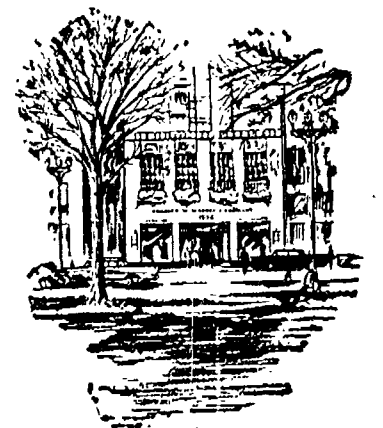

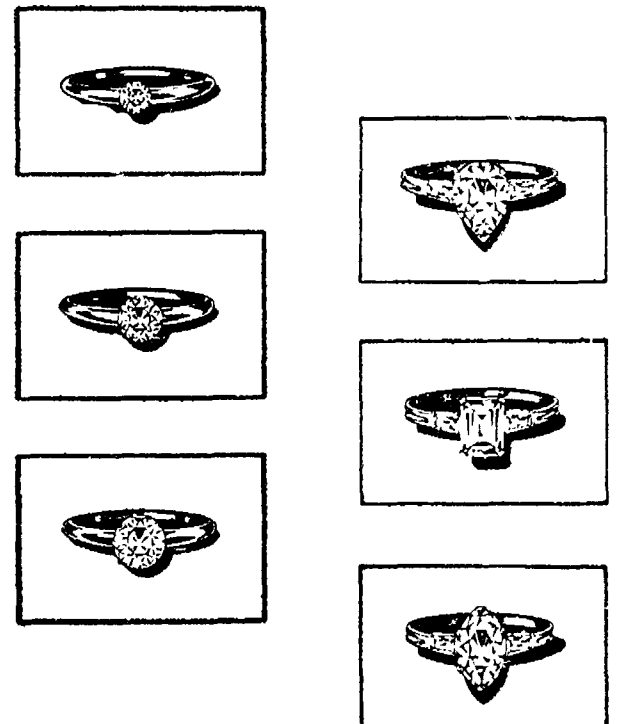

The ladies on the party committee, and their husbands, turned out en masse for the affair, of course; among those observed dancing "calypso" or "American" were the Claude A. Gainers, Alfred W. Massicks, Russel D. Van Houtens, Theodore H. Meckes and Gerald Kanes.

Those who worked to make the party successful (they did a good job!), include Mrs. Raymond J. Duffy, Jr., Mrs. Donald E. Cardoze, Mrs. Dwight J. Dutcher, Mrs. Edward W. Wilberding, Mrs. Robert C. Wakely, Miss Margaret Sullivan, Mrs. James M. Kernary, Jr., Mrs. Toby David, Mrs. Joseph V. McQuillan and Mrs. O. B. Aubin.

A WARREN DIAMOND...a gift forever

Engagement Rings

The diamond need not necessarily be large... with Warren's, perfection and quality are most important. On these essential points, Warren diamonds are the soundest of values.

Miss Coats Speaks Vows To Mr. Ervin

Reception at Hillcrest Country Club Follows Saturday Rites; Newlyweds to Live in Northwest Detroit

St. Joan of Arc Church was the scene Saturday of the wedding of Nancy Jeanne Coats and Thomas Edward Ervin.

The Reverend Father Thomas P. Flynn officiated at the Nuptial Mass and double ring ceremony, during which a Papal Blessing was bestowed.

The bride is the daughter of Mr. and Mrs. Donald B. Coats, of Hunt Club drive. Her husband's parents are Mr. and Mrs. Robert F. Ervin, of Kensington road.

For her wedding, the former Miss Coats chose a gown of white silk-faced peau de soie. Belgian lace and pearls circled her waistline. Her Empire dress skirt, fashioned in a controlled bell silhouette, ended in a chapel train.

A pearl and crystal crown caught her bouffant veil of imported English silk, and she carried a garden bouquet of white roses.

Eileen Marie Lamb served as maid of honor. Bridesmaids were Judith Bonahoom, Karen Piana, Nancy Sielaff and Barbara Theisen.

They were dressed identically in floor length frocks of yellow organza, fashioned with wide V necklines and full sleeves cuffed at three-quarter length. Their headpieces were yellow Dior bows with short veils. They carried cascades of yellow daisies and ivy.

Cathy Ervin, sister of the bridegroom, served as flower girl. She too wore yellow organza and carried a basket of daisies.

Robert D. Ervin served as his brother's best man. Ushers were Joseph A. Ervin, another brother; Mark F. Wemhoff, William G. Denomme and Kenneth L. Gagala.

For her daughter's wedding, Mrs. Coats chose an ice blue sheath of matelasse and a hat of hand-painted chiffon petals. Mrs. Ervin wore a pink crepe sheath with matching hat and accessories. Both mothers pinned white orchids to their purses.

After the wedding, the newlyweds will live in Northwest Detroit.

Round-Up Time For Travelers

More and more Pointers, members of the Circumnavigators Club, their wives and guests, are preparing to head for the Round-Up Sunday afternoon, August 2, at the "JDR" Ranch in North Glengarry road, Birmingham.

Guests of Mr. and Mrs. Edwin O. George, (he is president of the Detroit Branch of the Circumnavigators Club), will be the Frederick K. Codys, of Stratford place.

The Otis U. Walkers, Clarence W. Treadwells and Ross Roys will be there, as will Mr. and Mrs. Joseph B. Hester, the Victor R. Breidenbachs, Mr. and Mrs. George C. DeClerk and Dr. and Mrs. C. H. Ewing.

Mr. and Mrs. Bernard Whitely, Dr. and Mrs. William A. Lange, the Lester M. Elliotts, Lyle G. Ritchies, Howard B. Wolfs and Charles Verheyden have made their reservations for the party at J. D. (Bud) Richardson's Birmingham "spread."

Mr. and Mrs. J. Leslie Berry, (he is Summer Round-Up co-chairman with Fred L. Shaw), will have as their guests Mrs. V. Everett Kinsey and Mrs. Harold O. Love.

George F. Pierrot, past president of the International Circumnavigators Club, and Mrs. Pierrot will be on hand to welcome present International Club president Ernest S. Oberdorf, coming from his home in Dobbs Ferry, N.Y., for the party, past International Club president Raymond M. Dinsmore, who will arrive from New York City, and Circumnavigator John A. Brogan, Jr., also coming from New York.

Schmidts Wed Sixty Years

Sixty years of marriage are being celebrated by Mr. and Mrs. Otto A. A. Schmidt, of Middlesex boulevard, at a family dinner at the Detroit Yacht Club. They were married in Detroit on July 27, 1904.

Mr. Schmidt founded the Eagle Cornice and Roofing Company in 1900. He was a partner in the firm at the time of his retirement in 1942.

The couple have two children, Arthur O. A. Schmidt, Lakecrest lane, and Mrs. J. Ross Bush, Pemberton road, and four grandchildren.

Mrs. Thomas E. Ervin

Photo by J. J. Clarke

In St. Joan of Arc Church Saturday, NANCY JEANNE COATS, daughter of Mr. and Mrs. Donald B. Coats, of Hunt Club drive, became the bride of Mr. Ervin. He is the son of the Robert F. Ervins, of Kensington road.

Lucy Schaible Being Honored

Many parties are planned to honor bride-elect Lucy Ann Schaible before her August 1 wedding to Frederick Moore Miller. The pair will be married at a noon Nuptial Mass in St. Clare de Montefalco Church.

Lucy's parents, Mr. and Mrs. John A. Schaible, have invited wedding guests to a brunch reception at their home in Bishop road.

The prospective bridegroom's parents, Mr. and Mrs. Jack Pelletier, are coming from their home in Oscoda, Mich., and will give an informal rehearsal dinner at the home of the bride-elect's great aunt, Miss Estella M. Wingard, of Cadieux road.

Lucy's parties began July 7, with a family linen shower given by her aunts, Mrs. Earle A. Peters, Mrs. Pauline Wade and Miss Grace Moagahan. Continuing the festive round, Mrs. John F. Moran and her

Schoenith Twins Mark Birthday

Four busloads of Tom and Jerry Schoenith's friends left the Joseph A. Schoenith home in Lakeshore road Saturday evening, heading for the Schoeniths' summer home in Riverside, Ont., to help the twins celebrate their 21st birthday.

This mid-summer party has become a tradition with The Pointe's young set and, as always the weather cooperated. Some 500 guests gathered on the lawn and under a huge outdoor circus tent.

Everyone received a badge, reading "Tom and Jerry—21," the glasses bore the same legend, and two Rock 'n Roll bands, played for dancing all through the night.

More entertainment was provided by a Water Ski show, a record pantomimist and a surprise troop of Can Can dancers, who made their appearance at midnight.

Parties Honor Constance York

Parties to honor bride-elect Marjorie Alice Reins, daughter of Mr. and Mrs. Richard Reins, of Newberry place, began last May. Mrs. Richard Thomas gave Marjorie a kitchen shower at her home in Yorkshire road on May 25. Co-hostess was Mrs. Oscar Richards, of Barrington road.

Then, three days later, on May 28, Mrs. Robert N. Ruthven, of Newberry place, honored Marjorie with a tea and shower.

Mrs. John Wetzel, of Newberry place, gave a cocktail party in Marjorie's honor on June 11.

Co-hostesses Mrs. Stanley Prince, of Broadstone road, and Mrs. Maurice Wilson, of Grayton road, fete Marjorie at Mrs. Prince's home on June 27.

The next day, maid of honor Penny Thewalt, of Littlestone road, hosted a miscellaneous shower for Marjorie at her home.

On June 27, Mrs. Elden Roths, of Bishop road, hosted a luncheon and miscellaneous shower at Al Green's On the Hill.

Mrs. Frank Bromley, of University place, and Mrs. Leslie Borwick, of Kerby road, co-hosted a party for Marjorie along with Mrs. Robert Dunwoody, at her home in University place, on July 9.

Last Saturday, Marjorie was given a cocktail and dinner party for everyone in the bride-elect's home in University place. The evening's festivities also included a paper shower.

Marjorie will be wed this Saturday to Theodore Hammond Smith, son of Ray W. Smith, of Grayton road, and the late Mrs. Smith.

Martins Host Birthday Party

Mr. and Mrs. Richard J. Martin entertained at a family party in their Lochmoor boulevard home Sunday afternoon, honoring Mrs. Martin's mother, Mrs. Thomas Riching, on her 80th birthday.

Actually, the party was a day early; Mrs. Riching turned 80 on Monday, August 20, but the problems of getting people to gether from two sides of town on a Monday evening proved insurmountable, so the Martins decided on an anticipatory celebration.

Coming from Bloomfield Hills for the party were Mrs. Riching's two sons, Donald T. Riching and Thomas E. Riching, Jr., complete with wives and children.

The Donald Richings' five offspring, Marjorie, Karen, Donna, Scott and Thomas, and the Thomas E. Richings' trio, Greg, Kim and Chris, joined their cousins, Sandy Martin, who brought Tom Fisher to join in the fun, John Martin (who invited Carol Belter), and Mr. and Mrs. Jerry Martin, of Lakeshore Village (who expect the first addition of their family next month), to complete the junior party contingent.

HOUSE DAMAGED
Ralph Peter of 3615 Parker, Detroit, informed Park police on Wednesday, July 15, that someone had entered a house he is building at 15115 Windmill Pointe drive, and ripped the heat thermostat from the wall and ripped open and dumped bags of cement on the basement floor. Damage is estimated at about \$30.

GPHS Class of '64 Starts Plans for Reunion in 1974

"We'll meet right here in 10 years..." was the last thing Charlie Nicoll, a former president of the 1964 graduating class of Grosse Pointe High School, (when they were juniors), announced to the graduates at their post-graduation party held June 11 at the Fries Auditorium Ballroom at the War Memorial.

His words gave Debbie Taber and Sue Seder, also '64 graduates, the idea of organizing a reunion committee. They checked at school and found that Charlie was already working on it.

Plans really started to move ahead when the committee, now composed of Ann McCracken and Sandy Joyner, as well as Debbie, Sue and Charlie, sent out bulletins along with report cards to all '64 graduates.

The bulletins informed graduates of plans for the reunion in June of 1974 and requested that members of the class, interested in attending the reunion, please keep the committee informed of any changes in name or home address. Also, the committee requested that the graduates, whether their names or addresses have changed or not, should indicate an interest in the reunion by sending a letter to one of three of the members of the committee.

People who do not reply to one of the committee members will have their names crossed off the master list and will receive no further information after the second bulletin, to be sent out towards the end of the summer. With a class of this size, 777, it would be impractical to send bulletins and other information throughout the 10 years to people who were not even interested or who had moved without notifying the committee.

School administrators when first talking to the committee about their plans, told them that no other class had responded so quickly to the idea of a reunion.

Debbie feels that one of the biggest problems concerning their plans will be girls who marry, thereby changing their names and addresses. However, the committee does plan to send reminders to class members every two or three years.

For any '64 graduates who have misplaced their bulletins but who are interested in the reunion, letters can be sent to The '64 Reunion Committee at:

70 Lochmoor,
Grosse Pointe Shores;
1968 Broadstone,
Grosse Pointe Woods, or
21520 Goethe,
Grosse Pointe Woods.

Susan Bartholomew Feted Before Rites

Many Parties Precede August 8 Ceremony; Bride-Elect Honored First by Her Future Mother-in-law, Mrs. William T. Krebs

Susan K. Bartholomew, daughter of Mr. and Mrs. Arthur P. Bartholomew, Jr., of Cloverly road, has been enjoying a series of showers and pre-nuptial parties in recent weeks.

Mrs. William T. Krebs, mother of Susan's fiancé, William Hoyt Krebs, entertained her future daughter-in-law May 17, at a tea in her Kenwood court home.

Mrs. Wilbur K. Pierpont, of Devonshire road, was hostess at a Kitchen Shower, in Ann Arbor. Among the guests was Mrs. John Kohl, of Washington, D. C., whose husband is on leave from the University of Michigan while serving as government advisor on mass transit problems.

A Linen Shower, given by Mrs. William Adams, of University place, came next on the bride-elect's agenda.

Special guests at this June 10 party included Grosse Pointe foreign exchange students, who helped recall Susan's 1960 summer in The Netherlands under the auspices of the American Field Service Program.

The perfect night of June 27 found Susan and her fiancé at the Vendome court home of Mr. and Mrs. Joseph W. Caskey, who honored the pair at an informal party.

Guests gathered around the Caskey's pool and, following cocktails and dinner, were surprised by the arrival of a Calypso band—which gave a strong hint of the wedding trip destination, and kept the party going into the small hours of the morning.

Mr. and Mrs. Harrison W. Wilder, of Bloomfield Village, entertained at a Bar Shower on July 18.

An animated conversation on club management was noted among one group, which included Mr. Wilder, president of Oakland Hills Country Club; Firman H. Hass, current treas-

urer of the Detroit Golf Club; Bliss R. Finlay, treasurer of Birmingham Athletic Club; and Mr. Bartholomew, treasurer of the Grosse Pointe Yacht Club.

Mr. and Mrs. Robert F. Weber, of Lakeshore drive, and Mr. and Mrs. Charles W. Gauss, II, will join forces for a Party Shower July 25. College and high school aged sons and daughters have been included in the invitations, continuing a tradition set by the hosts and hostesses at holiday times in prior years.

Another party giver was Mrs. Clarence Eldridge, of Ann Arbor, who entertained at a Bedroom-Bathroom Shower.

The Spinster Dinner will be given by Mary Wilcoxon, of Radnor circle. Another group planning a party in honor of Sue and Bill are the Rex Brothers, the Thomas Foxes and the Calvin John Gausses, Jr.

Out-of-town guests will be entertained at a luncheon the day of the wedding, August 8, by Mr. and Mrs. Bill O. Brink, of Edgemere road.

VANDALS HIT CHURCH
Farms police learned July 15 that sometime during the previous night someone had broken three stained glass windows at Christ Church in Grosse Pointe boulevard. The windows were 18 inches by two feet, value unknown.

LOSES PLATES
While the auto of Mrs. Mary J. Loomis, 954 Harcourt, was parked in the lot of the War Memorial Center July 18, both of its license plates were stolen. The theft occurred between 11 a.m. and 3 p.m., she told Farms police.

Parties Honor Marjorie Reins

Bride-elect Constance Rea York, who will marry Lynn D. Edmonds August 22, in First English Evangelical Lutheran Church, will be honored August 2, at a combination family reunion-shower in Three Rivers, Mich.

The party, at the farm home of Mrs. Mac Kennedy, will be given by Mrs. Donald Brunner—and all concerned have their fingers crossed, hoping for beautiful summer weather.

Miss York has already been feted, by Mrs. John York, of Aline drive, and Mrs. Robert Gilman, of St. Clair Shores, at Mrs. York's home; and this Sunday, she will be entertained at still another shower.

Hostesses at the party, to be held at the St. Clair Shores home of the bride-elect's future mother-in-law, Mrs. Helen D. Trowell, will be Miss York's maid of honor, Elaine Edmonds, and her two bridesmaids, Mrs. Robert Schmitt and Mrs. Thomas Cipelle.

The bride-elect is the daughter of Mr. and Mrs. Rea A. York, Jr., of Roslyn road. Her fiancé is the son of Mrs. Trowell and William Daniel Edmonds, of Walled Lake.

McDevitts Arriving For Pointe Visit

Mrs. Richard McDevitt and her daughter Christine arrive in Grosse Pointe today, coming from their Hillsover Farm in Malvern, Pa.

After a visit to Greenfield Village for Christine, and a tour of the Art Museum, Historical Society, Mariner's Church and the many other points of interest Detroit offers its visitors, Mrs. McDevitt will go on to Charlevoix to spend a few days with a college roommate, while Chris will continue on to Wyoming for more vacationing at Jackson Hole Ranch.

While in Grosse Pointe, the McDevitts will be the guests of their cousins, the Carson Wallaces, formerly of Colonial court, now of the Eastland Village Apartments.

STOLEN AT PIER
A glass rod and spinning reel, together valued at \$105, were stolen from the boat of R. D. Sheehan, 305 Moross. Sheehan informed police the gear has been missing since sometime after 10:45 p.m. July 17.

Honored By Fraternity

MRS. PAUL HYKES (left) of Rivard boulevard, president of the Detroit Alumnae Chapter of Kappa Alpha Theta, and MRS. FLOYD STRAITH, of Audubon road, past president, attended the 46th Grand Convention of the fraternity at Banff Springs Hotel, Banff Springs, Canada. Mrs. Hykes received an honorary award for the Detroit Chapter, which has donated a total of \$10,000 to the Institute of Logopedics, for handicapped children, at Wichita, Kan.

Inside The Mothers' Club

Nineteen members of the Executive Board of the Grosse Pointe High School Mothers' Club met at the home of Mrs. Gordon Cook on June 15.

Mrs. Kennard Jones, president, gave a detailed account of the meetings she had attended. She suggested that the summer months be included on the school calendar next year. The use of Greeters at all Mothers' Club activities cannot be over-emphasized, she said. Having an assistant from each of the three Junior High Schools, as aides to the Neighborhood Chairman, and holding a kick-off meeting for play ticket sales, were other suggestions included in her report.

Mrs. Jones extended appreciation to Mrs. Fred Flom and Mrs. Benson McClure for their help throughout the year. Announcement of Mrs. Flom's resignation was met with sincere regret, and it was suggested that she be made an honorary member.

The next board meeting will be held on September 14, at the home of president-elect Mrs. Robert Clarke.

Fifteen grants amounting to \$5,600 were announced by Mrs. Arthur Sherman, Scholarship Committee Chairman. Thirty-nine Thesauri were presented to the top 5 per cent of the Senior Class.

Corresponding secretary, Mrs. Charles Zentgram, reported that two mailings totaling 811 pieces, had been completed in May.

The Commercial and Scholarship Fund of the club are in good financial shape, Mrs. William Howe, treasurer, stated.

After 32 years, Mrs. Fred Flom is retiring. She spoke briefly of her resignation, and mentioned that she had thoroughly enjoyed working with the Mothers' Club.

A total of \$3,728.55 was realized from the Spring Tea and Scholarship Benefit on May 8. Mrs. Donald Hughes said she appreciated all the hard work and cooperation of her committee.

Mrs. Kenneth Locke, ticket chairman, reported a grand total of 2,411 ticket sales for the Spring Tea. Her total membership drive resulted in a record high of 1,720 members.

Fifty-seven neighborhood groups were active during the current year. The groups were headed by Mrs. Robert Swanson.

At the Annual Meeting in the Fries Auditorium, on May 27, one hundred and sixty-seven members were on hand. A zany fashion show by Kampbell's Kapers was good for many laughs. Mrs. Robert Jessup was in charge of this affair.

"Something to Remember," was heard so often after the Senior Commencement Party, Mrs. Schall gave a detailed account of the glorious Hawaiian Decorations, the music, and the movie. It was a great success.

Mrs. Gordon Cook, PTA Council Representative, urged that more publicity be given to the Board of Education elections and more citizens be urged to seek office.

The Northeast Wayne Child

Backyard Party Honors Visitors

Mrs. Edward A. Kleefuss and Mrs. Robert John Backoff, sisters, had not seen each other in two years, so when Mrs. Backoff and her husband came north for a visit, Mrs. Kleefuss planned an informal "backyard" party in honor of the pair.

The Backoffs, of Eau Gallie, Fla., with son Bill and daughter Chrissie, leave today. While in The Pointe, they stayed with his brother and sister-in-law, Mr. and Mrs. Charles Backoff, of Severn road.

The backyard gathering, at the Kleefuss home in Ridgmont road, was scheduled Friday night, so that the Don Backoffs could attend their final "United States" party. Mr. and Mrs. Don Backoff (he is another Backhoff brother), left Saturday for Ireland.

Among the guests, all old friends of the Backoffs and Kleefusses, were the Godfrey Hammonds, Dr. and Mrs. Fritz Blake, Mr. and Mrs. George Blake, the John Rabauts, Robert De Guistos and John Banthes.

More were Mr. and Mrs. Edward Piggins, Mrs. John Mueller, the Philip Dawsons, and George Vogels, Mr. and Mrs. Bud Hill, the Jerry FitzGibbons, Charles Leshers, Al Hoods and E. L. Franks.

Missing from the party was Robert John Backoff, III, who works for NASA and had to remain in Florida while his parents vacationed in Michigan.

Guidance Clinic discussion resulted in a donation of \$100 from the club.

A silver tray, to complete a tea service, will be purchased as a gift by the Club to the school.

Something new for the Library will be purchased in the fall, depending upon need.

A parting gift was presented to Mrs. Fred Flom in recognition of her loyal service. She was unanimously voted to receive honorary membership in the Mothers' Club.

When Mrs. Kennard Jones turned over the gavel to incoming president, Mrs. Robert Clarke, she wished her, "the same cooperation and support" that she had.

LOSES RING
A diamond and pearl ring, valued at from \$400 to \$500, was reported missing from the home of Mrs. Dorothy Hart, 333 McMillan, on July 17. The ring was described as a diamond with a pearl on either side of the stone. Mrs. Hart also stated that \$10 were missing from her home.

AERIALS BROKEN

Edward Lovely of 682 Sunningdale, and Mrs. Milton Henkell of 762 Sunningdale, both reported to Woods police on Saturday, July 18, that while their cars were parked in front of their homes during the night, unknown vandals broke off the car radio aerials.

Ted Ewald, president of Ewald Chevrolet, 15175 E. Jefferson avenue, has been elected vice-president of the Greater Detroit Chevrolet Dealers Association.

Invite Girls To 'College Day'

The Detroit Panhellenic Association sponsors its annual "College Information Day" on Saturday, August 1, from 10 to 12:30 o'clock in the downtown J. L. Hudson Company Auditorium.

Invitations have been sent to senior high school girls in the area who have indicated a desire to attend college in the Fall. Their mothers are also invited.

The program will begin at 10 in the morning with refreshments and a fashion show presented by the College Board of the J. L. Hudson Company. Miss Flynn, head of the College Board, will act as moderator.

A panel discussion with girls from Panhellenic sororities will follow. Questions asked by girls and their mothers will be answered by girls from the following Universities: Michigan, Michigan State, Western Michigan, Eastern Michigan, Central Michigan, Wayne State and also from Albion College.

Each panel member is prepared to discuss the many interesting aspects of life on her particular campus with special emphasis on the system of sorority rushing.

Winners of the 1964 Detroit Panhellenic scholarships will be presented. They are: Miss Barbara Alcini, of Pershing High School; Miss Sherryl Kryska, Schaefer High School and Miss Marilyn Muma, Mackenzie High School.

Mrs. H. Lee Townsend is chairman of this event. Also on the committee are Mrs. Leo Blazok, Mrs. Evelyn Couse, Mrs. Robert Mulligan, Mrs. James Schroth, Mrs. Harold Mohr, Mrs. Robert Schueler and Mrs. Roger Muller.

LEE PEARCE, of Chalfonte avenue, is singing and dancing in the chorus of a summer stock cast at the Hampton Playhouse, Hampton, N.H. Their current production: "My Fair Lady."

MR. and MRS. BARRY VAN TIEM (Gail Altenbury), of Lakeshore Village, announce the birth of a son, THOMAS BARRY, July 4. Proud grandparents are MR. and MRS. REED ALTENBURY, of Meadowlane Farm, Brighton, and the E. C. VAN TIEMs, of Whittier road.

Mackinac Race Lures Many Pointers North

Wives of Crew Members Head, Mainly by Car, to the Island; Pointe Well Represented on Land and Aboard Ship

The ships set sail, in Bayview Yacht Club's 40th Annual Port Huron to Mackinac Island Race, Saturday morning, with many Pointers aboard—and many Pointe crew members' wives and families waved goodbye to their sailors, then jumped into automobiles, heading North themselves, to greet the ships as they arrive at the Island.

Mr. and Mrs. E. Llywd Ecclestone, Jr., of Maumee avenue, arrived in Port Huron Friday, aboard their sailing entry, "Bikini."

Mrs. Ecclestone stayed for the start of the race, then returned to town until Sunday, when she left for Mackinac with the recently wed Mr. and Mrs. Anthony J. Morse.

After the race, the Ecclestones, Morses and crew member Pete Bogle will sail "Bikini" to Chicago, for the race from the Windy City back to Mackinac. Mrs. Ecclestone's plans for viewing the conclusion of the Chicago-Mackinac race are uncertain. Mr. Ecclestone will

leave "Bikini" at the Island, returning later in the summer to sail her back to town.

Mr. and Mrs. Edwin O. Bodkin, of Trombley road, vacationed last week at the Old Club, "resting up" for Mr. Bodkin's stint as crew member aboard the "Alibi" in the Port Huron-Mackinac Race.

Mrs. Bodkin saw the ships off in the Black River, then returned to town, stopping off at the Old Club on her way "south."

Mr. and Mrs. Roger Fitch, of Fisher road, Mrs. Latimer W. Spinney, of Redford, Mrs. Randolph G. Wood, of Willow Tree

(Continued on Page 20)

From Another Pointe of View

(Continued from Page 15)

to Mrs. C. Blount Slade, Jr., who has deserted her home in Edgemere road for a summer in Massachusetts.

During July and August, Mrs. Slade is hosting (in rotation) her two sons and daughter and their families; current guest is daughter Jane (Mrs. Robert L. Connelly), who arrived from her home near Washington, D.C. with small son, Campbell.

Campbell spends his days at the beach with his mother, and in the afternoon, while the young and younger set take their naps, grandmother manages to squeeze in her own swim and sun-bathing.

The cottage itself Mrs. Slade describes as "quaint and interesting," on a tree-lined road that goes straight down to the water. She loves to sit on the porch at night, listening to the sea gulls, but would just as soon skip trips to Hyannis Port—"a combination of Los Angeles and Miami Beach at the height of their seasons; the traffic on Main Street goes at a snail's pace!"

Mrs. Slade prefers the quiet of Cotuit, spiced by occasional days in Nantucket, visiting friends.

Perfect Night For A Perfect Party

The Detroit Institute of Arts was transformed Friday night into an enchanted, enchanting kingdom, for the Midsummer Night's Dream Ball, sponsored by the Museum's Founders Society—and Milka Iconomoff's silk panels, scenes from the mythical forest near Athens, were perfect foils for dancing ladies' magnificent gowns.

Mrs. Allan Sheldon, III, chose a floor length frock from Hong Kong, fashioned with a round-necked, beaded-trimmed white chiffon overblouse and a slim black lace skirt. The Sheldons entertained at dinner in their Provencal road home before the ball.

Mr. and Mrs. Alvan Macauley, Jr., also hosted a pre-Ball dinner party, on the terrace of their Kenwood road home.

Mrs. Macauley wore a floor length turquoise chiffon gown, with a matching stole. Among the 20 guests were Mr. and Mrs. C. Henry Buhl, Mrs. Buhl in a long-skirted summer print.

Aqua Follies

An "Out-of-This-World" evening is in the offing. The Detroit Boat Club's Eighth Annual Aqua Follies, August 1, will take place on terra firma . . . but the "place" promises to be the only earthly thing about the party!

DBC's pool area, garden and bandshell will be straight from outer space, studded with missiles, flying saucers, moon and stars. The party begins at 6:30 o'clock, with dinner following the cocktail hour, and dancing until 2 in the morning.

Hurricane lamps, shaped to resemble rockets, will be used as table centerpieces. Jack Qualey's 14-piece orchestra and the Fenby-Carr Quintet, with vocalist Belinda Blanchard, are scheduled to provide continuous music, and a surprise "famous name" entertainer will make an appearance around midnight.

General chairmen for this "Other-Worldly" evening are Mr. and Mrs. John O. Peters, of Cranford lane. Board representatives are Dr. and Mrs. Ralph M. Burke, of University place.

Mr. and Mrs. Karl R. Davies, Jr., of Ridge road, head up the Food committee; Entertainment is in the capable hands of the Victor F. Radcliffes, of Three Mile drive; and among Ticket committee members are the Edwin T. Taylors, of University place, the John A. Cuttings, of Windmill Pointe drive, the Roy C. Jenkinses, of Cook road, and Mr. and Mrs. Arthur O. A. Schmidt, of Lakecrest lane.

College Panel Has Luncheon Session

Members of Jacobson's college panel met over lunch to discuss their new jobs. Around the table from left to right are MISS DOROTHY LAYNE, sportswear department manager; SUE SCHNEIDER, U. of Michigan; CHARLES MCGINNEN, display director; SUSAN FARIN, Adrian Col-

lege; CAROL PICKUP, Albion College; MRS. FAYE GLASSER, personnel director; SUE JOHNSTON, Michigan State; MARILYNN MacFARLANE, Bennet; PEAU REX, supervisor of sportswear and men's wear; MISS ISABELLE CHAPEL, assistant display director, and KATHY DICKSON, News reporter.

Fashion And Art Fete At Fairlane

"Arti E Mode Italiana," at Fairlane, home of the late Mr. and Mrs. Henry Ford, drew many Pointers across town yesterday.

From 1 to 4 o'clock, an exciting fashion show of elegant Italian knits was combined with an art show, featuring paintings by three contemporary Italian artists. Borsato, Gino Moro and Sponziello.

This unique event was especially designed with a double purpose: To promote art culture and to improve the social welfare of Detroit and its environs.

Proceeds from the Donation Tea will go to one of Detroit's oldest local charities, the Ladies of Charity, founded over 27 years ago by Mrs. Najibe Housey, who still leads the organization.

The Ladies of Charity's aims are to provide food for the poor, care and aid for the sick, funds for the temporarily out-of-work, to locate jobs . . . and especially to aid the aged by establishing a Home for the Aged.

Among the civic-minded women who joined together to present this fashion-art tea, to raise funds for the prospective Home, were Mrs. Thomas Broussard, Mrs. John Bekolay, Mrs. Al Kasper, of South Oxford road, Mrs. Leo George, of Devonshire road, Mrs. Charles Da-wood, of Berkshire road, and Mrs. Paul Dwaihy, of Devonshire road.

Pointers Play At Camp Cavell

Every nook and cranny of the YWCA's Camp Cavell on Lake Huron was filled on July 11 when 192 girls arrived for the summer's second two week camping session.

The third session, July 25 through August 7, is also filled. Only vacancies for campers are in the fourth period, August 8 through 21, according to Mrs. Frances Cusick, camp director.

Reservations for the final session may be made at the Camp Cavell office, Downtown Branch YWCA, 2230 Witherell street.

Pointers attending Cavell's second session include Mary Brady, of Lakepointe avenue, Martha Jean Bridge, of McMillan road, Carolyn Buda, of Merriweather road, Laurie Cor-

nelius, of McMillan road, and Anne Cottrell, of Moran road.

More are Patricia Di Santo, of North Oxford road, Ellen Erikson, of North Oxford road, Ruth Gibson, of McKinley avenue, Nancy and Sherrie Neef, of Stonehurst road, Muffet and Susan Nouse, of Belanger road, and Nancy Reynolds, of Washington road.

Still more are Nancy Jeanne Scott, of Mapleton road, Sharon McTigue, of Merriweather road, Jean Millies, of Fisher road, Nancy Smith, of Kenwood court, Julia Spencer, of Trombley road, Lindsay Stewart, of Kenwood court, and Kathleen Thompson, of Radnor circle.

Trust people with your money, but never with your reputation.

Facts And Figures On Junior League

Projects, Procedures and Purposes of Organization Explained in Comprehensive Question and Answer Form

The Junior League of Detroit, Inc., is in the midst of its 50th Anniversary Year celebrations. Next major event on the League's schedule is Fashionscope, the annual, comprehensive League-sponsored fall fashion show, scheduled Tuesday and Wednesday, September 15 and 16, at 2:30 o'clock, in the J. L. Hudson Company Downtown Auditorium.

Junior Leaguers are presently channeling all their efforts, to make sure Fashionscope is its usual great success. And, on a larger level, to make sure that the Golden Anniversary Year is a Year to Remember.

Rounding out 50 years of service to the community, the League has prepared a Fact Sheet, explaining its purposes, projects and procedures under the heading:

FREQUENT QUESTIONS AND READY ANSWERS

1. When was the Junior League of Detroit started?

In 1914—organized by Mrs. Paul Weadock with 42 members and incorporated in 1917.

2. How many Junior Leagues are there?

There are 204 Leagues in the United States (including Hawaii) Canada and Mexico, with a total membership of 85,000. They comprise the Association of Junior Leagues of America.

3. What is the Junior League?

It is an organization of women which trains its members for able and effective volunteer service in the community. Its purpose is to foster sufficient interest and ability among members so that they

At its inception, most members lived in the Detroit area. As the years progressed, many members located in Grosse Pointe and Birmingham, indicative of the population move to the suburbs all over the country. Birmingham members increased and thirteen years ago became the Junior League of Birmingham. We have members in Detroit, Dearborn and Ann Arbor. The majority are in Grosse Pointe. The name, Junior League of Detroit, is naturally retained since our community service is directed to the city of Detroit.

8. What are Provisional members?

They are members who have accepted the invitation to join the Junior League. They are required to take an intensive training and orientation course, followed by 75 hours of diverse volunteer placement. At the end of their Provisional year, if their performance is satisfactory to League requirements, they are accepted as Active members.

9. Do you pay dues and what is done with this money?

Yes, all members, Provisional, Active and Sustaining, pay dues. This money goes into the Administrative Account which pays for administration only—office staff, mailing, office space, etc. This account is to be distinguished from the Community Fund account. All funds raised from Fashion Shows, Follies, etc., go into the Community Fund account and are returned in the form of service to the community (support of projects, etc.).

10. Why are funds from the Fashion Show going to the Community Fund instead of one major project?

Because the League now has several on-going activities and projects:

A. Art-to-the-Schools in conjunction with the Detroit Art Institute brings art appreciation talks, illustrated with slides, to about 36,000 students, using 40 volunteers, each year.

B. Glee Club—30 volunteers give approximately 23 concerts at Nursing and Old-Age Homes and Senior Centers, each year.

C. Children's Theatre: Puppet plays to over 12,000 Detroit school children each year.

D. School Enrichment Program: Volunteers working directly with teachers to supplement academic and cultural experience (Details below).

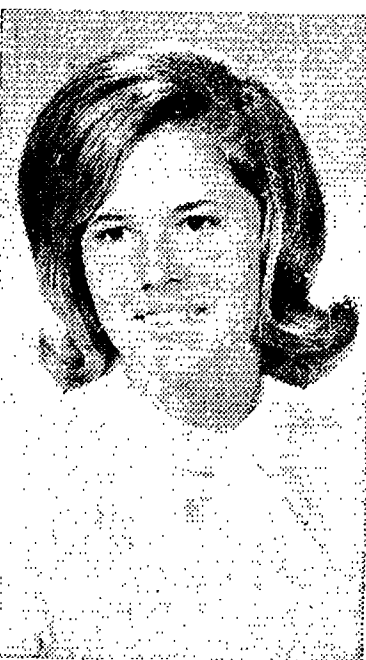

11. Does the League have a new major project?

Last fall (1963), the League embarked on a new project called the School Enrichment Program. The Detroit Board of Education assigned the Cooper Elementary School in east Detroit to begin an experimental program for one year, using Junior League volunteers. Some 30 volunteers are now involved in the program, those with teaching experience assisting the teachers in class work, tutoring in groups or a one-to-one basis, others assisting in art and music, and still others providing field trips and lectures. At the end of the school year, staff and volunteers will evaluate the program to decide on future plans.

12. What happened to the Senior Center?

After 10 years the Junior League has withdrawn financial support of the Senior Center, on East Grand Boulevard.

Bride-Elect

Picture by Eddie McGrath, Jr.
Mr. and Mrs. Leonard Johnston, of Muir road, announce the engagement of their daughter, CAROL ANN, to William R. Gillette, son of Mr. and Mrs. William R. Gillette, of Maple lane.

Mr. Gillette attends the University of Michigan Dental School and is affiliated with Delta Sigma Delta.

Senior Men Slate Show

The Annual Membership Hobby Show, sponsored by the Senior Men's Club of Grosse Pointe, is scheduled next Tuesday, July 28, at the War Memorial Center.

Exhibitors will set up their displays in the morning. The ladies are invited to view the exposition from 1 to 3 o'clock in the afternoon.

Ernie Graham heads the committee planning the show, which will feature guns, garden flowers, violins, woodwork, ceramics, and just about everything-else-under-the-sun.

For further information, contact Ernie Graham, 885-2608, or Bill Cook, TUxedo 2-3389.

Incidentally, for those members whose hobby is baseball watching, the Senior Men's Club has scheduled a trip downtown this Saturday, to see the Detroit Tigers play the New York Yankees. The bus leaves the War Memorial at 12 o'clock noon.

NO FUTURE

Men who expect to build fame and fortune out of the ashes of their ancestors are more to be pitied than praised.

Will Wed

Photo by Stoddy

An August 29 wedding, in Saint Thomas More Chapel, Tucson, Ariz., is planned by MARY ELVIN SCHRAGE and Thomas Rickey Jenkins.

The bride-elect is the daughter of Mrs. Henry O. Alvstad, of Tucson, and Raymond J. Schrage, of Hampton road. She was graduated from Grosse Pointe High School and received her Bachelor of Arts degree

from the University of Arizona in 1963.

She is affiliated with Beta Beta Beta, biological sciences honorary; Pi Lambda Theta, education honorary; and Phi Kappa Phi, university honorary.

Her fiancé, son of Mr. and Mrs. W. A. Jenkins, of Tucson, also attended the University of Arizona, where he affiliated with Alpha Tau Omega fraternity.

Both plan to continue their studies at the University of Arizona in the fall.

Ernest Valauri of 1029 Nottingham; lost a set of golf clubs, cart and shoes, to thieves who broke into his garage, from where the items were taken. He told Park police of the theft on Saturday, July 18.

DYC Wheels Plan Party

The Detroit Yacht Club "Wheels" are making preparations for a festival cocktail party, from 6 to 8:30 o'clock, on Saturday, August 1.

Tentatively planned around the outdoor pool, the party will move inside, to the upstairs Sweepstakes Room, in case of rain.

There'll be music by a strolling accordionist, plus a "beach-comber Contest." Decorations are planned around a South Seas theme, featuring flowers, sea shells, fish nets, balloons and Polynesian torches.

Chorus Concert Features Youth

The accent is on youth in the solo assignments for tonight's concert by the Grosse Pointe Summer Chorus. The concert will be held in the Fries auditorium at 8:30.

Nancy Cary, whose musical talents have earned her a place in both the A capella Choir and the Choraleers when she enters the 12th grade at Grosse Pointe High School this fall, will be heard as soprano soloist in Nathaniel Dett's "Listen to the Lambs". Miss Cary participates in the Senior High School Choir of the Grosse Pointe Memorial Church and plays violin in the High School Orchestra.

Bill Hope, recently graduated from the Colorado Academy, where he participated in its fine Glee Club, will sing the baritone solo in a setting of "Wonderful Copenhagen". He is a charter member of the Summer Chorus, having sung each season since its founding three years ago.

David Hughes, a Yale sophomore, will team with Bill for an intermission Hootenany. Their success in a similar venture for the 1963 concert demanded a repeat appearance. Dave is well

known to Grosse Pointe War Memorial.

A varied program ranging from sacred music to show tunes, folk songs and spirituals will be offered by the Chorus. Of special local interest will be settings of two plantation songs by Bill Gard.

The Grosse Pointe Summer Chorus is a family chorus made up this year of students from upper elementary school through college as well as a generous complement of adults. The group is conducted by Donald Simmons, founder, and accompanied by Jerry Hughes. Tickets will be on sale at the box office — adults \$1.00 and students 50c. The concert will begin promptly at 8:30 tonight, July 23.

DRIVER SENTENCED

Shores Judge Victor DeBake, presiding in the Park court, in the absence of Judge C. Joseph Belanger, found Andrew Butterfield, 21, guilty of reckless driving and fined him \$35, or serve 10 days in the Wayne County Jail. Butterfield paid the fine.

Make Plans for Junior Showboat Party

Grosse Pointe Yacht Club will have its annual Junior Showboat Party on August 7, featuring The Discords. Completing plans for this event are, seated, left to right, Kathy Cross, general chairman; Buzz Bartholomew, ticket chairman. Standing, left to right: Mea Rutan, poster chairman; Mike Granger and Chip Rohde, publicity chairmen; and Jeanette De Hayes, decorations chairman.

Senior Scouts Aid Day Camp

Forty-four Senior Girl Scouts from the Greater Detroit area are participating again this summer as aides to the handicapped in another Girl Scout service project.

They are assisting in the day camp program for handicapped children, completely paid for by Easter Seals and directed by the Detroit Society for Crippled Children and Adults, 17330 Schaefer.

The camp, held in cooperation with the Department of Parks and Recreation, is also sponsored by the Detroit Rotary Club.

During the last two weeks of July, East Side Senior Scouts are riding buses Monday through Friday to Rouge Park's Smith House, West Outer Drive and Chicago, where the day camp is being held this year.

There, assisting the regular camp staff, they supervise crafts, luncheon and community singing. Senior Girl Scouts from the West Side aided the campers earlier in July.

Among area Scouts are: Bequie Blackburn, of Rivard boulevard; Joan Eldridge, of St. Paul avenue; Judy Gajewski, of Grayton road; Sue Lane, of Crescent lane; Sue McLuckie, of Highie place South; Judy Milanko, of Roscommon; Cheryl Newberry, of Elkart; Pamela Rapalee, of Neff lane; Janice Smith, of Loraine road; Nancy Watkins, of Bournemouthe circle; and Carol Worbois, of Ridge road.

Under supervision of Mrs. Nancy Upshaw, of Metropolitan Council program committee, the Senior Scouts are learning about the kinds of services they can perform to meet community needs in cooperation with local agencies and institutions working with handicapped persons.

Relax and enjoy life—only a few of the things yearned for are absolute necessities.

Facts About Junior League

(Continued from Page 19)

During this time the League contributed over \$150,000 to the operation of its major project. Two years ago the League gave a terminal grant of \$30,000 to allow for a transitional period before withdrawing. During this time the two agencies (League and Center) worked closely to seek other funds. At present UCS contributes over half of the Center's \$26,000 annual budget. Plans of the Senior Center Board to start a pilot project in several of the surrounding nursing homes look promising. As a research project, additional funds now being sought will be made available for annual operation costs.

Since 1958, when the Center became separately incorporated, community support has increased in forms of Board representation, volunteers working in the program and dollars from the Torch Fund. The League, therefore, has withdrawn financial assistance in keeping with its philosophy to start, demonstrate and turn over a successful project to a receptive community. The Junior League will continue its support of the Center in providing volunteers and special services upon request.

13. What other projects have been turned over to the community?

Perhaps the best known is the Detroit League for the Handicapped, and now the Senior Center in October, 1963.

14. Which ones were terminated and why?

Pioneer House: a group therapy home for emotionally disturbed children. It was terminated after it became too costly for the League to continue. The number of children served, the cost of the psychologist and staff, and the little use of volunteers, proved it impractical. However, the project is considered successful because a direct result from this experiment is Fritz Redl's book "Children Who Hate," a basic text in the field. The findings of the project had world-wide effect on subsequent work with emotionally disturbed children.

The League Shop: first, the downtown shop, then the shop in Grosse Pointe were supported and staffed by League members for years. The shops started as outlets for merchandise for the League for the Handicapped. Since there was little volunteer opportunity in direct service, the League voted to terminate this. However, the shop was bought by two philanthropists and still

place, Mrs. John Lowry, of Detroit, and Mrs. Woods' two children, Cathy and Gary, all left town on Sunday.

Enroute to Northern Michigan, they stopped at Houghton Lake to leave the young travelers with their grandparents, the Randolph J. Woodses.

The rest of the party continued on to Mackinac, to be on the dock when "Espiritu II" skippered and owned by Mr. Wood, made its appearance on the horizon.

Mr. Fitch drove a crew member's car north, so that the sailor could return to town before rejoining "Espiritu" for the Chicago-Mackinac Race next

weekend; the Fitches, and Mesdames Spinney, Wood and Lowry boarded "Espiritu" on the island, to sail her down to Chicago.

Mrs. Wood will return to The Pointe, then motor north again with Mr. and Mrs. Thomas McDonnell, of Roseville. The entire group will sail back to town after the Chicago-Mackinac Race.

REPORTS THEFT

Rudolf G. Schmalenberg of 658 North Rosedale, told Woods police on Friday, July 17, that a thief entered his garage and stole a green and white water sprinkler and a 100-foot garden hose, total loss, \$100.

Election Held By Boat Club

The Grosse Pointe Boat Club had an election of officers on July 16.

This club is made up of boat owners at Neff Memorial Park.

Will Barbet was elected commodore for the coming year, Bob Dream, vice-commodore and Marie Barbet, secretary-treasurer.

The board members are Dr. E. R. Stoliker, Al Adams, Russ Davis and Jim Hoyt.

Future Nurses Do Many Jobs Helping at Cottage Hospital

The best way to spend a summer is doing work you like. And if your work helps someone else, it's even better.

That's what 34 Future Nurses of America are doing this summer.

Monday through Saturday, from school's end to opening day in September, 22 girls spend at least four hours a week participating in a volunteer program at Cottage Hospital. The other 12 girls work as substitutes.

The volunteers are juniors and seniors at Grosse Pointe High School and all of them are members of the Future Nurses Club there. They are co-sponsored by the Women's Auxiliary.

Every summer since 1955, girls, beginning with the Canterbury Club of Christ Church, have given their efforts to save the nurses some time and make the patients more comfortable at the hospital. During the school year, girls work on Saturday mornings.

The volunteers work under a plan similar to that of the Women's Auxiliary. During the past school year, the girls in the club signed up for the day or days they wished to work each week during the summer.

Each day a Day Chairman is in charge of the volunteers. Her specific duty is to see that there are at least four girls at work. If someone does not show up, she must find a substitute. She is also responsible for the behavior of and service accomplished by each volunteer.

This summer's Day Chairmen are Betsy Huizinga, Kathy Steyer, Sheila Sweeney, Linda Bailey, Marcia Cook and Barb Masten.

Each girl can choose which section of the hospital she wishes to work in. There are two floors and each is divided in half so that there are two

girls on each floor. A fifth girl works either in the X-ray department, if the Women's Auxiliary worker is unable to come, or as a second volunteer on First Floor West, usually the busiest area of the hospital.

In every section but Obstetrics, the volunteers take fresh water and clean bedside bags to the patients, water flowers, go on errands to the pharmacy, lab, central supply, or records room for the nurses, deliver lunch trays and mail, and escort patients to their cars in wheelchairs.

In Obstetrics, the girls take water to the patients, water flowers, wash baby bottles, deliver baby pictures, record daily weights of the babies, deliver lunch trays, run errands for the nurses, and count baby linen for the next day.

The girls must wear special uniforms of coral jumpers, white roll-up sleeve blouses, and clean white tennis shoes.

Miss Carolyn Wicks, administrator of Cottage Hospital, says that the girls do a very fine job considering the amount of training they have had. New girls are trained by experienced volunteers during the school year on Saturdays.

Miss Wicks noted that one of the beneficial things that can develop from the girls' volunteer work is that it exposes them to the atmosphere of a hospital and helps many decide whether or not they actually want to work in one. It also opens the doors to other types of health work.

"I hope they find out that there are many jobs in a hospital which are not nursing," Miss Wicks explained.

Grosse Pointe girls who are working this summer, in addition to the Day Chairmen, are Tish Kokowicz, Marcia Bock, Marsha Ponkey, Linda Marshall, Chris Nelson, Susan Lane, Kay Teague, Jackie Delaney, Linda

Torch Drive Ladies Plan Ahead

MRS. J. ROSS BUSH, of Pemberton road, Torch Drive divisional chairman for Grosse Pointe Park, goes over campaign plans with her area chairmen. From left to right are MRS. RAYMOND MELLINGER, of Pemberton road; MRS. DONALD I. HUGHES, of Pemberton road; Mrs. Bush; MRS. HARRY MELLEN, of Balfour road; and MRS. WILLIAM HOTCHKISS, of Audubon road.

Cragg, Mary Martens, Julie Spiess, Peg Mulholland, Carolyn Pelcher, Linda Brink, Ruth Dykstra, and Maryann Holstein.

The substitutes include Thalia Saraf, Sue Rashid, Lynne Vaught, Bonnie Wade, Marsha Garrison, Janet May, Joyce Poppen, Jackie Muntz, Kathy Helm, Nancy Petroskey, Chris Ramsay, and Ann Dutcher.

Six of the girls have worked over 100 hours. They are Sheila Sweeney, 288 hours; Kay Teague, 242 hours; Marcia Cook, 206 hours; Linda Bailey, 132 hours; Kathy Steyer, 112 hours; and Sue Dapkins, 108 hours.

Fifty hours entitles the girls a blue stripe on their name tag, 150 hours a green stripe, 300 hours a yellow stripe, 500 hours a red chevron, and 1,000 hours a gold chevron.

Of these six girls, three will be officers in the Future Nurses Club next year. They are: president, Linda Bailey; vice-president, Marcia Cook; and secretary, Kathy Steyer.

GYC Golfers Plan Tuesday Outings

The Detroit Yacht Club's Ladies' Golf League will enjoy a "Guest Day" next Tuesday, July 21, at the Essex Golf and Country Club in Canada.

Tee-off time is 9 o'clock, and cocktails, luncheon and cards will follow the golf games.

Meanwhile, male GYC golfers will gather for their annual affair at the St. Clair Country Club, also scheduled next Tuesday. Many of the sailors in the group are expected to travel up-lake by water; the rest will take the more traditional automobile route.

Teen Center Being Opened

Neighborhood Club is opening a Teen Center for high schoolers beginning Thursday, July 23. The Center will be open from 7:30 to 10 p.m. each Monday, Tuesday and Thursday evening and will serve as a place for teens to gather informally to dance, play pool, ping pong, listen to music, have soft drinks and chips.

Admission will be 25c per evening or a Neighborhood Club membership. Each paid admission will be applied toward

Club membership. The Center, located at Lakepointe and Kercheval, is using facilities provided by Grace United Church of Christ and will use a separate entrance on Kercheval.

Neighborhood Club staff will be on hand to welcome all teens looking for a place to go. The Center will operate on a trial basis through the remainder of July and if attendance warrants will continue on through August with prospects of operating on weekends and school holidays in the fall.

Most knock-down drag-out arguments would be spoiled if either party knew the facts.

Grosse Pointe Farms...

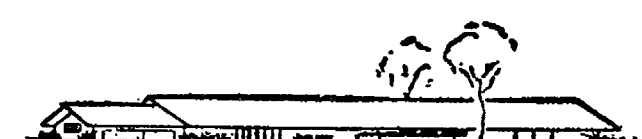

Houses like this are hard to find particularly in the popular Farms area; and this one is just about as nice as they come.

Features include a large living room, dining room, sharp kitchen with dishwasher and disposal; vanity, 2 bedrooms—each with double closets, two baths, paneled library or third bedroom, Florida room and a nice recreation room with picture window. The 2-car garage is attached and has an electric eye door opener.

Also included are an attic fan and considerable carpet.

And here's the punch line — IT IS PRICED TO MEET ANY AND ALL COMPETITION.

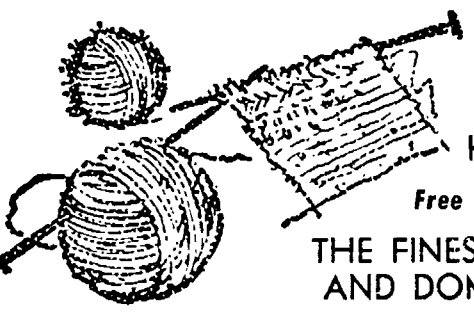

Whether buying or selling visit our new office at 82 Kercheval "On the Hill" Where prospects can shop the super-market way by viewing an illuminated photographic display of homes. There is nothing else like it in the Pointe.

Pointe Kids Shun the Beach In Favor of Art and Science

By Bob Wells

This is the story of the sad kids who can't go to school any more.

As of tomorrow, 72 Pointe youngsters will have completed two unique voluntary summer school programs in the Pointe school systems. And most of them wish it could last all summer.

While the kids next door romped at the beach and played tennis, all 72 of them were going to school. At a course taught at the Grosse Pointe High School by Robert Rathbun, 23 of them spent two hours a day, five days a week, learning drawing and painting.

Even more academic were the pursuits of 49 seventh to ninth graders at Brownell Junior High. For ten hours a week, they gazed into microscopes and studied in classes and lectures the subject of Micro-biology.

Some of those in the Brownell Micro-biology program like it so much that they're in their second or third year of the three-year-old summer program. Thomas Ouellette is in his third year of the sophisticated subject, and David Lapeza is back for his second, among others.

Two sessions of the biology are under the control of Robert Arthur, a teacher in the Pointe system since 1957. A third group is taught by Robert Lavacque.

Together, they delve into the world of protozoans, algae, fungi and bacteria — things that aren't usually discussed until high school biology courses.

In addition to five hours of laboratory work a week, a significant feature of the course is the guest lecturers who agree each year to lecture to the group on their own special fields.

Among them are Pointers Dr. John E. Gajewski, an expert on disease-producing organisms at Parke, Davis and Co. and Dr. Thomas S. Davies of the Wayne County Board of Health, Grosse Pointe branch.

And when resources for study aren't available in the classroom, the class hits the road for nearby spots of interest, such as a nearby water works plant to study water bacteria or to the Wayne State University medical school's research department.

According to Arthur, the students are so enthusiastic in their studies that they often don't take a break between their one hour class and the laboratory work that follows.

Another popular six-week course is that taught at the High School by Robert Rathbun, a popular area artist who also teaches at the War Memorial Center.

In this course, the emphasis is on using the interesting and draw-able sights of the area to the fullest. The group journeys to boat docks, museums, parks, the Zoo and just about anywhere there are interesting things to draw.

Most popular this year were trips to the Indian Village and the Cranbrook School.

After their field work, they return to the classroom where they develop their sketches into paintings and drawings under the precise, trained eye of their instructor.

As their "final exam" the class planned to hold a Lawn Art Show on the front lawn of the High School from 9 a.m. to 12:30 p.m. today.

In water colors, Rathbun cited Ted Bender as having come along well this summer. In figure drawing, he praised the progress of Dody Amrine and Lynn Thompson. Kathy Woodhouse is a devotee of drawing horses, and does it very adroitly.

And all this when they could have been at the beach.

And the remarkable thing about these two programs is that the students are there by choice—doing all that learning when they could have been lolling at the beach.

HootenannyHeld By Day Campers

The University of Fun featured a "Hootenanny" on Friday, July 10, with special guest Dave Hughes lending his talents and bringing an authentic touch to the affair.

An added attraction was a performance by Campbell's Clogs, a combo made up of university professors (counselors), concertizing with such famous instruments as wash tub bass, bongos, jugs, washboards, bird callers, Chinese flute, and other rare instruments.

Day Campers from the Wise Owl University, Eager Beaver University, Early Bird University, and Busy Bee University combined their tuneful voices in songs fit for a king.

This past week the League games got under way with Giant Boys competing in softball, Midlet Boys, kickball, and Giant Girls, Newcomb. In Section I Wise Owls are in first place, Busy Bees and Eager Beavers are tied for second and Early Birds in 3rd place.

In Section II Busy Bees are in first place, Early Birds second, Wise Owls third and Eager Beavers fourth. More fun is in store for all the Day Campers in the weeks ahead.

To Be Bride

Photo by Bennett Studio

Mr. and Mrs. Roy H. Dettmer, of Hampton road, announce the engagement of their daughter, ELIZABETH ANN, to Jerome F. Bashaw, son of Mr. and Mrs. Earl Bashaw, of Lincoln Park.

Miss Dettmer was graduated from Grosse Pointe High School and Western Michigan University, where she affiliated with Delta Zeta sorority.

Mr. Bashaw is a graduate of Lincoln Park High School and Western Michigan University, where he served as captain of the track and cross-country team.

A November wedding is planned.

Engaged

Photo by Bransby

The Rev. Dr. and Mrs. Allan A. Zaun, of Westchester road, announce the engagement of their daughter, VICTORIA ELIZABETH, to Barry Thomas Colwell, son of the Wallace Colwells, of Detroit.

The bride-elect is a senior at the University of Michigan, where she is affiliated with Pi Beta Phi sorority. Her fiancé is completing his work in electrical engineering at the U. of M., and is affiliated with Theta Chi.

The couple plans a September 11 wedding at the Jefferson Avenue Presbyterian Church, where the bride-elect's father is Pastor.

Pointers Named To Drive Posts

Lee A. Iacocca, vice-president and general manager, Ford Division, Ford Motor Co., and Torch Drive chairman for the Automotive and Suppliers Unit, today named two Grosse Pointe men as group chairmen.

They are George T. Higgins, 524 Thorn Tree road, secretary of the Chrysler Corp., and Denis J. Bracken, 1012 Whittier boulevard, vice-president—Stamping Assembly and Steel Group, Group, Ford Motor Co.

Higgins again will lead teams 7, 8, and 9 of the unit, for which he provided outstanding leadership in the 1963 Torch Drive. Bracken was named to succeed Iacocca as chairman for Teams 4, 5, and 6.

Other group chairmen reappointed in the unit are S. E. Knudsen, head of the Chevrolet Division and General Motors vice-president, teams 1, 2 and 3; and Charles B. Neely, Merchandising Manager, General Motors Corporation, who again will lead the drive among Detroit area automobile dealers.

Higgins has been Chrysler Corp. secretary for the past eight years. Previously, he served on the secretary's staff for three years. He is a native of Buffalo, N.Y., and a graduate of Harvard Law School. During World War II he rose from the rank of apprentice seaman to lieutenant, junior grade.

In addition to his Torch Drive duties, Higgins serves as a president board of directors of the Catholic Social Services of Wayne County, and a board member of the Traffic Safety Association of Detroit, Central Business District Association, Michigan United Fund, and the Goal and Allocation Committee of the United Foundation and the state bar of Michigan.

Higgins is married and the father of four children.

Bracken, a native of Kansas City, joined Ford in 1953 after extensive experience in the automobile industry, including 18 years with General Motors. He is a member of the Society of

Automobile Engineers, the Engineering Society of Detroit, the American Ordnance Association, the Detroit Athletic Club, the Detroit Golf Club and the Orchard Lake Country Club.

In addition to his Torch Drive work, Bracken serves as a member of the board of trustees of the Michigan Heart Association. He is married and the father of three sons.

The Automotive and Suppliers Unit, which solicits automobile manufacturers and suppliers and their employees traditionally raise more than half the money contributed to the Torch Drive. Last year, Torch Drive gifts and pledges received the Unit totaled \$11,961,642 of the total of \$21,690,224.

Joseph L. Hudson Jr., 1964 Torch Drive co-chairman for Chapter Campaigns, has announced the appointment of Hans Gehrke Jr., president of First Federal Savings of Detroit, to a third year as chairman of the Schools and Government unit of the drive.

Last fall, in his second campaign as unit chairman, Gehrke organized and directed a team of volunteers who obtained a total of \$893,939, against a quota of \$844,177, from employees of the hundreds of government and school units in the Macomb, Wayne, and Oakland Counties.

Gehrke is a native Detroit and a graduate of Eastern High School and the University of Michigan School of Architecture. He joined First Federal in 1937 as an appraiser in the mortgage department, becoming president in 1956.

In addition to his Torch Drive duties, Gehrke serves as a director of the Public Affairs Month Committee, the International Freedom Festival, Brotherhood Week Committee, and the Detroit Urban League.

Gehrke lives with his wife, the former Annamur Muer, and three children, at 45 Deeplands in Grosse Pointes Shores.

Pointe Scouts At Jamboree

By Arthur King

Several thousands tents already dotted Valley Forge when the 80 Boy Scouts and leaders of Grosse Pointe Troops 55 and 56 arrived at the Sixth National Jamboree at Valley Forge, Penn.

The first official flag-raising on the Avenue of Flags and the opening arena show in the evening highlighted the boys' first day at the jamboree. Dozens of events were scheduled for the week in the 2,000 acre historic camp.

Scouts of Troop 55 prepared for American Heritage Day, last Saturday, July 18, when many special events, including a flag burning ceremony, gave the Scouts an opportunity to see or participate in a program to strengthen America.

The Scout Oath and Law governed the activities of the 52,000 inhabitants of America's newest temporary city.

Members of each patrol ate, slept and carried out Jamboree activities together, providing an opportunity for lifelong friendships to grow. The Scouts learned team play and cooperation in sharing patrol duties.

The Scouts week at the Jamboree was a dedication to God, country and to their fellow man.

Police Pistol Teams Compete

The East Detroit Police Pistol Team was first and the Woods Public Safety Pistol Team second in a match held at the pistol range of the new Woods station on Sunday, July 19.

The East Detroit team took the first place trophy by shooting 835 points out of a possible 900 points. The Woods team shot 813 points.

On the winning team are Sgt. James Durning and Patrolmen Cecil Terry and Lowell Mitchell.

The Woods team is comprised of Sgt. Thomas Kane and Patrolmen Martin Trombley and Bernard Kelly.

A total of 15 three-men teams

competed in the shoot, including those from the Park, Warren, St. Clair Shores, Mt. Clemens, Highland Park, Centerline and the Macomb County Sheriff's Department.

Individual awards went to: St. Clair Shores Patrolman Philip Kidder, high aggregate, 286 points out of a possible 300; Det. Alvin Kuchenmeister of the Macomb County Sheriff's Department, high slow fire, 99 points out of a possible 100; East Detroit Patrolman Richard Heins, high timed fire, 96 points out of a possible 100; and East Detroit Patrolman Cecil Terry, high rapid fire, 96 out of a possible 100.

Trucks Collide, One Driver Hurt

A Detroit man was injured July 14 in an accident between a wrecker and soft drink truck at the corner of Moran road and Mack avenue.

A Farms ambulance took Hal B. Webber, of 21369 Waltham,

to St. John Hospital for treatment of undiscovered injuries.

The accident left hundreds of soft drink bottles strewn in the intersection; they were removed by the Farms highway department.

Investigation of the accident was turned over to Detroit police.

OBITUARIES

GEORGE BRUCE PALMER, JR.

Funeral services were held Saturday, July 18, for Mr. Palmer, of 188 Lakeview, at the William R. Hamilton Co. Mr. Palmer, 65, died after a sudden illness Thursday, July 16, at Ford Hospital.

Mr. Palmer was director of engineering at the Scherer Corporation. He attended the U.S. Naval Academy at Annapolis and the University of Michigan. He belonged to the Players Club and the Engineering Society of Detroit.

Born in Wyandotte, Mr. Palmer has lived in the Detroit area all of his life. He is survived by his wife, Marjorie Fraser Palmer, four sons, George B. Jr., of Washington, D.C., Frederick F., of Miramar, Calif., David J., of Daly City, Calif., and Richard T., of Bloomfield Hills, and six grandchildren. Burial was in Elmwood Cemetery.

EDNA NALL JONES

Funeral services were held Tuesday, at 2:30 p.m. for Mrs. Edna Nall Jones, 66, of 496 St. Clair avenue. She died Thursday, July 9, at Jennings Hospital, after a long illness.

Born in Grosse Pointe, Mrs. Jones was a graduate of the Detroit Conservatory of Music. She was a member of Christ Church Grosse Pointe and the district Nursing Society.

Wife of the late W. Magruder Jones, she is survived by a daughter, Mrs. William H. Flum, of Castro Valley, Calif., a son, W. Magruder Jones, Jr., a sister, Mrs. Richard H. Hall, Jr., a brother, Aroth J. Nall, of Monticello, Calif., and two grandchildren.

The funeral was from the chapel of the William R. Ham-

ELIZABETH MARGARET NESBITT

Private funeral services were conducted by Reverend George Whitney, of Christ Church, Grosse Pointe, for Mrs. Elizabeth M. Nesbitt, 94, Saturday, July 11, at the Morris Funeral Home. Mrs. Nesbitt died Thursday, July 9, after an extended illness.

Mrs. Nesbitt, wife of the late Montileu M. Nesbitt, had been living with her son-in-law and daughter, Mr. and Mrs. Edwin J. Merce, of 617 Washington road, since her husband's death several years ago.

She is also survived by a granddaughter, Mrs. Richard W. Budinger, and a great-granddaughter, Cynthia Budinger.

Burial was in the Mausoleum at Windsor Grove Cemetery.

VERNE C. FELLER

Services were held for Verne C. Feller, of 1625 Hampton, Saturday, July 12, at the A. H. Peters Funeral Home at 1:00. Reverend Andrew F. Rauth, of Grosse Pointe Woods Presbyterian Church, officiated.

Born in Webberville, Michigan, Mr. Feller, 77, lived in Detroit and Grosse Pointe for the past 50 years. Mr. Feller worked at the Royal Typewriter Co. and then established his own business. He retired four years ago. He was a charter member and very active in the Grosse Pointe Woods Presbyterian Church.

Mr. Feller, who died Wednesday, July 8, is survived by his wife, Blossom, his daughter,

Mrs. Martha Hartley, of Harper Woods; two grandchildren, Thomas and Nancy Hartley, and his sister, Mrs. Blanche Davenport, of Detroit.

Interment was in White Chapel Cemetery.

WILLIAM C. MARTIN

Funeral services for William C. Martin, of 2000 Beaufait, were held yesterday at 11 a.m. at the A. H. Peters Funeral Home. Memorial services were Tuesday, July 21, also at the A. H. Peters Funeral Home.

Mr. Martin died Sunday, July 19, at the St. Anne Nursing Home in Detroit.

A life member of Highland Park Lodge 468 F and AM, Mr. Martin is survived by his wife Lilly, a son, Jack, his sister, Mrs. Nellie Whittle, of England, and three grandchildren.

Interment was at White Chapel Cemetery.

ALICE REUF

Services were held Thursday, July 16, for Mrs. Alice Reuf, of 625 Neff road, who died July 13 in Saratoga Hospital. She was 64.

Born in Ohio, Mrs. Reuf is survived by her husband, Paul M., her daughter, Mrs. Helen Marshall, a brother, Philip A. Williams, and one grandchild.

Funeral services were from

St. Paul's Church and burial in Mt. Olivet Cemetery.

JOHN FRIEDHOFF

Funeral services for Mr. John Friedhoff, of 994 Anita road, were held Monday, July 13, from the A. H. Peters Funeral Home and St. Elizabeth Church.

Mr. Friedhoff, who was 78, died July 9, at the Grosse Pointe Nursing home.

He is survived by two sons, Robert and William, and eight grandchildren.

Interment was at Mt. Olivet Cemetery.

MATILDA CECILIA CALLAN

Services for Mrs. Matilda Callan, of 946 Rivard boulevard, were held last Friday at 9 o'clock a.m. at the William Sullivan and Son Funeral Home. A mass was said for Mrs. Callan at St. Mary's Church, Royal Oak, at 9:30 a.m.

Mrs. Callan, 89, died Tuesday, July 14, at her home.

Born in Detroit, Mrs. Callan was a member of the League of Catholic Women and the Jesu Seminary League.

Wife of the late Dr. Thomas J. Callan, she is survived by three children, Thomas J., Jr. of Pleasant Ridge, William J. and Mary V., three grandchildren, and one great-grandson.

Burial was at Holy Sepulchre Cemetery.

ORDINANCE No. 237

AN ORDINANCE TO AMEND ORDINANCE No. 208 entitled AN ORDINANCE TO PROVIDE FOR THE ADOPTION BY REFERENCE OF THE "UNIFORM TRAFFIC CODE FOR MICHIGAN CITIES, TOWNSHIPS AND VILLAGES" IN THE CITY OF GROSSE POINTE WOODS, MICHIGAN adopted March 19, 1962.

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Ordinance No. 208 entitled "AN ORDINANCE TO PROVIDE FOR THE ADOPTION BY REFERENCE OF THE 'UNIFORM TRAFFIC CODE FOR MICHIGAN CITIES, TOWNSHIPS AND VILLAGES' IN THE CITY OF GROSSE POINTE WOODS" be amended as follows:

(a) That Section 7.13 of Chapter 7 of the "UNIFORM TRAFFIC CODE FOR MICHIGAN CITIES, TOWNSHIPS AND VILLAGES" be amended so as to read as follows:

Section 7.13 Pedestrians Soliciting Rides or Business.

No person shall stand in any street, alley, highway or other public place for the purpose of soliciting a ride, employment or business from the occupant of any vehicle traveling upon any street, alley, highway or other public place.

Section 2. All Ordinances or parts of Ordinances inconsistent with the provisions hereof are hereby expressly repealed.

Section 3. This Ordinance shall take effect twenty (20) days from the date of its enactment.

Adopted 7/20/64
Effective 8/10/64

ASPHALTIC CONCRETE STREET RESURFACING

City of

Grosse Pointe Park

Sealed proposals will be accepted from contractors prequalified by the Michigan State Highway Department by the Director of Public Service in the City of Grosse Pointe Park, Michigan until 10 A.M., August 17, 1964, at the Municipal Building, 15115 E. Jefferson Avenue, for the furnishing of all labor, materials and equipment for the stripping and preparation of existing pavement for the application of approximately 5,800 tons of one (1) and two (2) course asphaltic concrete resurfacing in the City of Grosse Pointe Park.

Specifications and bid proposals are available in the Municipal Building. Proposals to be made on proposal blanks and accompanied by a certified check for not less than 5% of the amount of the proposal, or an accepted Bidder's Bond. Proposals to be plainly marked on outside of envelope "Proposal on Street Resurfacing." Grosse Pointe Park reserves the right to waive any informalities in any bid and to accept or reject any or all bids.

Proposals will be opened in the Council Chambers of the Municipal Building, 15115 E. Jefferson Avenue on August 17, 1964 at 10 A.M.

Fuel Use Tops 3-billion-gallon Mark

Motor fuel consumption in Michigan topped the three-billion-gallon mark for the first time during 1963. State Highway Commissioner John C. Mackie said 3.1 billion gallons of all types of motor fuel were sold in Michigan last year.

Gasoline consumption in Michigan was up 6.7 percent over 1962 compared to the national average increase of 4.2 percent while consumption of special fuels was up 22.3 percent over the previous year compared to a national average increase of 10.1 percent.

SUMMARY OF MINUTES

July 6, 1964

The meeting was called to order at 8:00 p.m. Present on roll call: Mayor William F. Connolly, Jr., Councilmen William G. Butler, William G. Kirby, Ledyard Mitchell, Jr. and Benjamin S. Warren, Jr.

Absent: Councilmen Henry E. Bodman, II, and Thomas K. Fisher.

Mayor William F. Connolly, Jr., presided. Councilmen Bodman and Fisher were excused from attending the meeting.

The Council convened as a Zoning Board of Appeals. At the request of the Attorney for Mr. John L. Beers, the public hearing on the matter of granting a variance in the requirement of a 30 ft. right-of-way for a roadway at 446 Kercheval Avenue, was deferred to the meeting of August 3, 1964.

The request of Mr. and Mrs. Carl G. Anderson of 44 Harbor Hill to construct an addition of a family room to their house was granted.

The Council reconvened. The minutes of the regular meeting of June 15, and the special meeting of June 30, 1964, were approved as submitted.

Approval was given to Mr. Urban W. Boesch of 282 Kercheval Avenue to construct a 5 ft. high woven redwood fence along the Kerby Road side of his property.

A communication was received from the Grosse Pointe Farms Association of Firefighters in which the firefighters inform the Council of their affiliation with the International Association of Firefighters.

The sum of \$150.00 was approved as a contribution to the annual Fishing Rodeo at the Pier Park.

Approval was given to add the name of Morris L. Haynes, Jr., as partner with Margaret H. Haynes on the 1964 Class "C" license held at 18744 Mack Avenue.

The City Manager was authorized to purchase one Burroughs Dual Printer Machine for use in the Accounting Department.

A communication from the Michigan Municipal League informing the Council of its annual convention to be held in Lansing, Michigan, on September 16 to 18, 1964, was received and ordered filed.

A resolution was adopted proclaiming the week of August 24, 1964, as Register to Vote Week.

The low bid of Michigan Mutual Liability Insurance Company for furnishing the City with workmen's compensation and employee's liability insurance was accepted.

Payment of the following bills was approved:

A. DeMeulenaere Construction Company, \$3,248.15 for paving of Beupre Lane.

B. Hubbell, Roth & Clark for engineering services in connection with transformer installations at the Water Filtration Plant in the amount of \$441.00.

The low bid of Detroit Asphalt Company in the amount of \$50,650.00 for the asphalt recapping of various city streets was accepted.

The City Controller was authorized to make payment to the General Employees and Policemen and Firemen Retirement Systems of the amounts required for the fiscal year 1964-65.

A resolution was adopted whereby the City Manager was authorized to have the necessary sidewalk repair work done by the City's contractor and to assess the amounts due for said sidewalk repair work to the affected property owners on the tax roll.

A resolution of commendation was presented to Mr. Murray M. Smith, the City Engineer who retired effective July 1, 1964.

Discussion on the proposed Pier Park expansion program was held and further discussion on the matter was deferred to a special meeting of the Council to be held on Monday, July 13, 1964, at 8:00 p.m. in the City Hall.

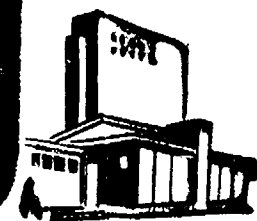

On proper motion made, supported and carried, the meeting adjourned at 9:45 p.m.

WM. F. CONNOLLY, JR. ACTING CITY CLERK
MAYOR CARROL C. LOCK

IMMEDIATE OCCUPANCY
1023 MARIAN COURT, 4-bedroom Colonial, 2½ baths, paneled family room, features "ultra-flo" plumbing. Spacious kitchen offers GE built-ins; has everything the custom home buyer is seeking. Large lot nicely located in semi-secluded court. Yours for \$37,900.

Marv. BOUTIN

Model: 886-0525
Office: 884-7733

BE THE FIRST to see this spanking new offering in the Shores. Four bedrooms and two and a half baths, plus a tremendous family room. Built in 1960 on a 100' lot.

SO MUCH HOUSE for so very little money. We refer to this center hall house on Rivard Blvd., which has four large dimensional bedrooms on the second floor, and two more on the third. Sun room and an out of the way children's playroom are two bonuses of the first floor. Priced well under forty thousand.

ON FAIRFORD ROAD, just a few steps to Barnes School and Our Lady of the Sea, is this brick ranch house complete with carpeting and partial draperies. Full basement and two-car attached garage. Three bedrooms, two baths, separate dining room and family room.

THE FRENCH HAVE A FLAIR for many things and their architecture is very much in evidence in this beautiful family home on Balfour Road. Four family bedrooms and two more for kids, maids or mother-in-law. Large kitchen and the almost necessary library. Priced near fifty thousand.

AN EXCELLENT EXAMPLE of Tudor English which is now offered at a pittance of its original cost. Manor house dimensions, with five bedrooms and five baths. Stately situated on an acre of magnificently manicured property.

NONE OTHER LIKE IT at the price in the Farms today. A larger three-bedroom, bath and one-half with the often preferred center hall floor plan. Paneled first floor library and large re-done kitchen. Now offered at \$24,800.

LET YOUR TENANT buy this two-family flat on Neff Road. Three bedrooms, living room and dining room, and modernized kitchens. Should sell quickly at \$34,000.

SUMPTUOUSLY SITUATED on a large lot in the heart of Grosse Pointe Farms. This Georgian mansion is truly one of "the" houses in the Pointe. Bedrooms for a large family and plenty of room for stay-in help. Kept in magnificent condition so that all this house requires is your family. Call for a long list of extras

Feature Page

who, where and whatnot

by whoozit

Everyone has a Touch of the Poet, (or so we have heard tell), and the youngsters of Grosse Pointe are no exception to the rule. Riffing through samples of local boys' and girls' creativity recently, we came upon several delightful examples of this Poetic Touch . . . and determined to share our "find" with our readers . . .

In Australia

*I saw an alligator in Australia,
It's the kind of thing that might scaria.
I heard something stomp—it scared me!
Luckilee it was only a bee.*

—Craig Pemberton

The Viewpoint of a Mouse

*Why was I born so small,
Why wasn't I born tall?
The tables look like mountains,
The faucet is a fountain.
The TV is a talking ghost,
But I'm so small I cannot boast.*

*The lamps look like man-made suns,
The iron is a ship;
And ice is something cold and hard,
Be careful, or you'll slip!*

—Laurie McHargue

A English Test

*I done did a english test,
I done did my gooddest best.
I did think it's fun too take.
I done make just one mistake.*

—Susan Nouse

The Day Before April

*The day before April
Alone, alone,
I walked in the woods
And sat on a stone.*

*I sat on a stone
And sang to the birds.
The tune was God's making
But I made the words.*

—Nancy Veit

Bugs or No Bugs

*There's bugs that are small,
And bugs that are tall,
But Beatles are best of all.*

—Shirley Oswald

Mother Goose on the Loose

*Little Miss Muffet
Sat on her tuffet
Eating her curds and
Whey . . .*

*. . . Along came a spider,
She reached down beside her,
And clobbered him with a good
Bug spray!*

—Gary Fuscilardi

PILFERINGS

All progress is based upon a universal desire on the part of every organism to live beyond its income.

—Samuel Butler

A Britisher was having tea on his lawn when a spaceship appeared in the sky. He watched calmly as it circled and came to earth nearby.

A weird looking creature stepped from the craft and slowly approached. The thing had two heads, with one eye in the center of each head. It had only one arm — and that protruded from the middle of its chest. It had no legs of any kind, but walked on a pair of short flippers.

"Earthman," the apparition squeaked, "I want to see your leader!"

The Englishman stirred his tea and gazed with distaste at his visitor. "Nonsense, old man," he said calmly. "What you need to see is a good plastic surgeon."

—Coronet

Disarmament is like a party. No body wants to arrive until everyone else is there.

—Changing Times

Teenager to vocation counselor: "How do I know what I want to be when I get out of school? Maybe they haven't invented my job yet!"

Canteen Conversation

Rick Mills

Bad moods seem to hit us all at some time or another. A depressive mood can ruin a whole day or more if you let it persist. It can not only make you feel bad, but it can also make those around you angry. Sometimes we do things that we really don't want to do and then are sorry for them later. How can we control our bad moods? What can we do to "snap out of it?" The Grosse Pointe teenager, when confronted with these questions answered in this way.

Sue Savage: "When I get into a bad mood I take a long walk around the neighborhood or go up to my room and read a book. I try to stay away from other people as much as possible so I won't make them upset too."

Sue La Faue: "I sit down and listen to my favorite records or call a friend. Getting out and doing something with someone else usually helps me."

Sue Smith: "I just wait and let time cure my mood."

Bud Kipka: "Sometimes I go out and do some physical work. When I am really depressed and feeling low, I read the bible."

Sue Wrigley: "Usually I try to keep busy reading or something. I try to do things to keep my mind off my problems."

Sue Patterson: "I either try

to talk about what is bothering me with friends or I listen to records or the radio."

Art Mitchell: "I just try to get out and do something; that usually gets me out of my mood."

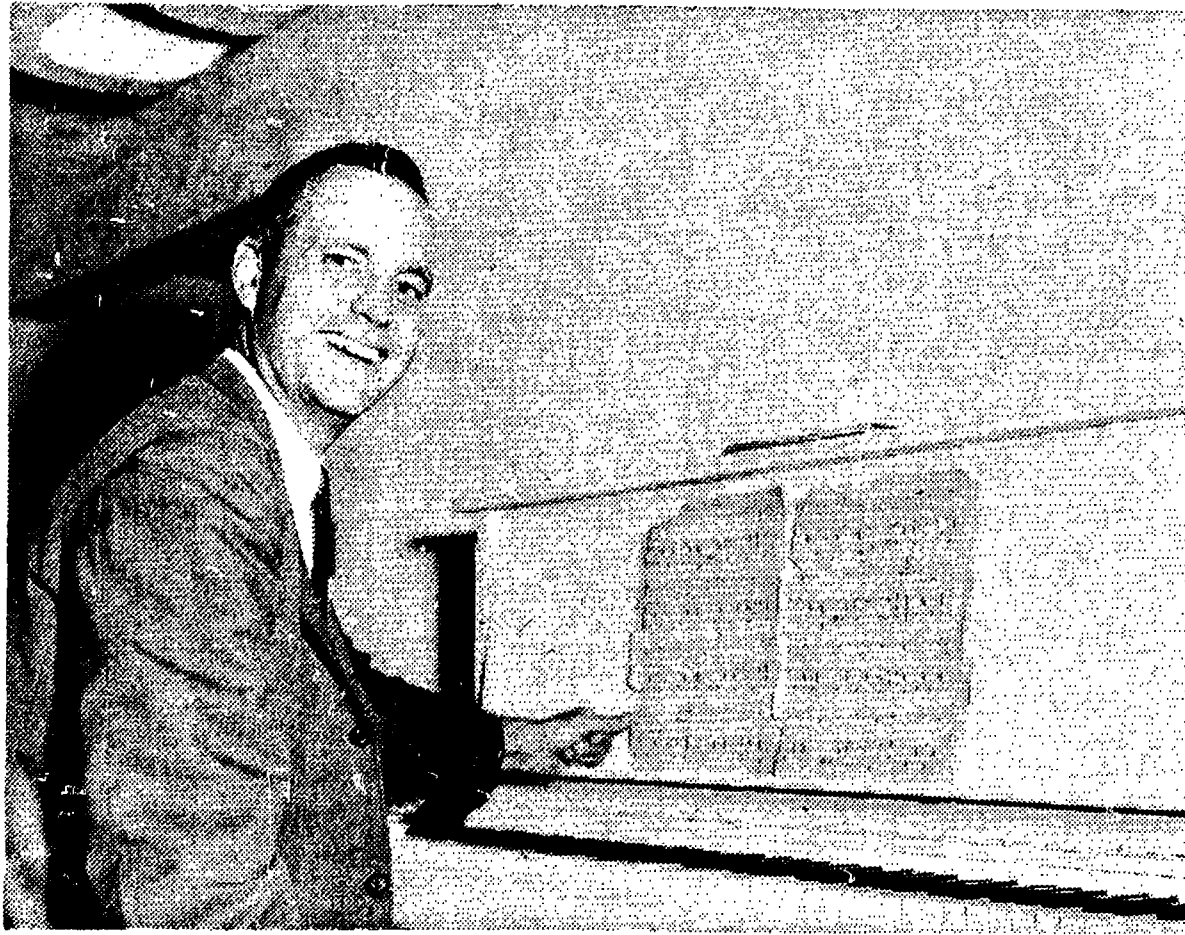

Sue Richard: "I try to get my mind off my problems by doing something. Sometimes I even write down why I am in a bad mood. I should do this more often because writing why I am angry really helps."

These are just a few ideas on how to get out of a bad mood. You probably have some more of your own. Next time you get into a depressed mood, try some of these ideas. They may save you a great deal of time, tears, and even friends. The longer you are in a bad mood, the harder it is on everyone concerned. Being able to control your moods is a wonderful asset, worthy of praise. If you can do it, you are lucky, but you have made your own luck!

DRIVER ARRESTED

George DeLozan, 21, of 15002 Mack avenue, Detroit, was arrested by Park police for a traffic violation while driving on Maryland avenue on Saturday, July 18, and found to be driving without an operator's license. He was ticketed and released on \$100 bond. He was turned over to Detroit authorities because of outstanding warrants held against him.

Pointer of Interest

WILLIAM Y. GARD, OF DEAN LANE
By Janet Mueller

Music is Bill Gard's avocation, his favorite relaxation, his major private interest. Tonight, two of his arrangements will be featured by the Grosse Pointe Summer Chorus, presenting its annual concert in the Fries Auditorium of the Grosse Pointe War Memorial.

The songs, included in the folk music section of the concert, are "I Wish I Was Happy Again" and "Hoo-De-Huckle-Um-Hoo." Plantation numbers, they were written originally around 1900, by Mr. Gard's mother's sister's husband.

Currently, Bill Gard is leading his usual summer double life—dividing his time between the semi-closed home in Dean Lane and the family cottage in Leland, on the shores of Lake Michigan, to which Nancy Gard and the children retired immediately after Fourth of July, and at which they will remain until Labor Day.

Like her husband, Nancy is a Grosse Pointer through and through; her parents live in Vincennes place, and her only brother, Davison Pierson, makes his home in Kercheval avenue.

Bill's mother and father live in Maumee avenue, and his only sister, Mrs. Henry B. Kinzie, has a house in Beaupre avenue—so Thanksgiving and Christmas holidays are major affairs for the combined Gard-Pierson clans.

Works for Library

Pill enjoys golf in the summer and skiing in the winter. His chief community interest is the Friends of the Grosse Pointe Public Library; he is a Friends' vice-president and chairman of the Friends' Audio-Visual Committee.

"I think we have a good library, and I am very proud of what it has done in our community," he says. One of the most interesting projects of the Audio-Visual Committee is the systematic taping of Pointe community events, to provide a permanent record of The Pointe That Was.

Fries Memorial Auditorium dedication ceremonies are an example of the type of event taped for posterity . . . and many of the concerts given by the Community Chorus and the Chamber Singers, as well as all of the Grosse Pointe Summer Chorus performances, have been recorded.

Bill Gard can't really remember NOT being interested in music. His mother, a trained musician, started both her son and daughter with some piano and voice training.

"The first singing group I was associated with was my mother's Christmas carolling group," Bill recalls. He remembers donning a red hood, going out to serenade his Indian Village neighbors on Christmas Eve, "when Christmas carols really SHOULD be sung."

Liked Yale Singers

Yale was his college choice. "I hoped to get in because I knew the Yale Glee Club program was outstanding."

He did get in, and was absorbed in Glee Club activities, plus other, informal singing groups, Spizwinks and Whiffenpoofs, during his four college years.

Before graduation, Bill made plans to continue his musical "career" in The Pointe. A fellow student and fellow Detroit, Tom Tilley, now living in Puerto Rico, approached him, suggesting, "Let's form a singing group when we get out of college and go back home."

Bill jumped at the idea. The singing group that grew out of this suggestion, the Grunyons, recently celebrated its 15th anniversary with a three-day "convention" on the Charles A. Parcels, Jr.'s property at Huron City — "And that," says Bill Gard, "is a story in itself."

Of the 36 men who had been or are now Grunyons, 27 showed up, with wives, Mr. and Mrs. Parcels somehow found accommodations for all

Photo by Eddie McGrath, Jr.

It gives only one concert per year. Preparation for the concert is completed in six weeks, with two two-hour rehearsals scheduled each week. After tonight's performance, at 8:30 o'clock in Fries Auditorium, the chorus will be disbanded until next summer.

Bill Gard is not a member of the Summer Chorus because of his commuting schedule, but he heartily approves of the Chorus' program, and thinks it is particularly suited to families.

Keeps Standard High
"Don Simmons doesn't let his standards drop," he observes. "You have to tackle difficult music, attend rehearsals, WORK . . . but you have a rewarding experience."

Nancy Gard is also very, very interested in music—and Bill unabashedly claims credit for getting her interested in music. She has sung with the Junior League Glee Club for years, participated in her husband's choir work, vocalized as a Grunyon wife and in a Girls Quartet. All these activities started after she became involved with the Gard family.

In fact, as soon as she became Mrs. Gard, she could hardly avoid music. What do you do when you marry into a family that had formed its own quartet, mother, father, son, daughter, and was forced to stop singing together only because the son's voice changed to bass, (father was a bass, too)?

You take the bull by the horns, obviously . . . you stand up straight, take a deep breath—and start practicing scales!

Park's Fishing Rodeo Saturday

Jack Rice, Recreational Director of the Grosse Pointe Park waterfront park, has announced rules and regulations for the thirteenth annual fishing rodeo to be held this Saturday, July 25.

Contestants in the rodeo will angle for prize-winning fish from 8 a.m. to 10 a.m. Fishermen under ten years of age must be accompanied by an adult but supervising fathers and mothers are not allowed to assist, except by verbal encouragement, in the hooking and of a fish.

"Rodeo-ers" must be Park residents under the age of 17, furnish their own equipment and bait, and be registered contestants. Tackle is restricted to a single hook.

Prizes will be awarded to contestants only and just one prize to a person.

Free refreshments will be served to all participants at the conclusion of the rodeo.

Businessmen To Lunch At Arts Institute

The next Businessmen's Luncheon, sponsored by the Founders Society, Detroit Institute of Arts, will be held Thursday, July 23.

As usual, the cocktail hour will begin at 12 o'clock noon, with luncheon following at 12:30. Speaker at this luncheon will be Glen Michaels, who will discuss murals and mosaics.

To help describe this work, including some of the specific works of art he has done, Mr. Michaels will show large photographs. He will also have some smaller examples of his work on display for the luncheon guests.

PICKLED GREEN BEANS

Contributed by
Mrs. George Brooks

Cook cut green beans until tender in salted water. Drain. Combine ingredients and drizzle over beans. Chill several hours, turning beans occasionally.

1/4 cup chopped onion
1/4 cup salad oil
3-4 tbs. vinegar
1 tsp. salt
1/4 cup sugar
Dash pepper

Century Club Is Organized

At a meeting last Thursday night, July 16, the Century Club was organized. The founding members announced that one of the club's principal purposes is to support the Hannan YMCA on East Jefferson.

The club plans to provide financial support and leadership in the Y's programs and services, particularly those dealing with young people.

Elected as officers at Thursday's meeting were Kenneth E. Chapin, president, Donald G. McIntyre, vice president; Robert S. Smith, secretary; and Lloyd F. Sandborn, treasurer.

Others among the founding members are Dr. Brent Ekvall, Ronald Gillespie, Kenneth James and Thomas Hallock.

Men often bump into trouble trying to dodge their duty.

Marie Bird's Beauty ByLine

It's easy to beat the heat as you relax in the cool, comfort of our haven at 117 Kercheval-on-the-Hill.

After a brisk, stimulating shampoo . . . a simply great hair cut . . . gently scissored and shaped to create a coiffure that suits you and your way of life . . . you will emerge feeling refreshed and beautiful!

You may need a Jumbo-Curl-Perm to give your hair-do added holding power . . . or a Protein Treatment to revitalize your tired tresses. On Saturdays, just before a festive evening . . . or Monday, after a week end of sun and fun, the number to call is TUxedo 1-6833.

Meanwhile let us never take for granted the inventive genius of man that brings to us the joy and comfort of air-conditioning and Scientific Hair Conditioning.

Pointe Counter Points

By Pat Rousseau

Say . . . "Santa Sent Me!" . . . (Well, even if you don't) . . . you'll still find it's Christmas in July at the Top Drawer, 17007 Kercheval UP in the Village. There are all kinds of "put-away-presents". (Well, even if you don't put them away) . . . you'll love what you found and what the sale tag said.

Dodge Dealing Days . . . will give you the "good deal" you've always wanted. Everyone likes to close one of them and the salesmen at Riverview Dodge, 15204 East Jefferson will help you get the very best deal on a brand new Dodge.

Gallery Gazing . . . collectors will be interested to know that three original oil paintings by Robert Hopkins are on view at Les Galleries de Renee, 14944 East Jefferson. The interesting work, "Moonshiners," expresses a deep furtive mood.

You Don't Know . . . what you've been missing until you visit Mutschler Kitchens, 20489 Mack Avenue. There are so many work-easy devices and space-saving designs developed in recent years. Mutschler can plan to fit them into the available space in your home and you will be delighted with all the new features and choice of decor.

Eye-ing . . . the situation. Did you know that Migan, Lewis, McKay, Doctors of Optometry, 16849 Kercheval, is now the only service of its kind in the city of Grosse Pointe? Be sure to make a note because of the convenience for you and the whole family . . . specially back to schoolers come September. By appointment, TUxedo 2-9121.

Beauty Bonus . . . at the Notre Dame Pharmacy! Buy one Rubenstein product on special and get another product free. Dorothy Gray offers her Orange Flower Lotion and Texture Lotion at one half the price . . . all are excellent bargains.

"Glamour" . . . is the magazine that always seems to forecast great new hair lines. Edward Nepi for many years has been able to interpret the styles to suit so many fashionable "Pointers". His Parrucchiere is at 19463 Mack Avenue . . . TUxedo 4-8858.

Tuned In . . . and heard Sid Erwin on radio telling of the benefits of Fashion Two Twenty cosmetics. He recommended the "My Fair Lady" look. Really . . . what could be prettier? He will help you achieve it at Fashion Two Twenty, 20445 Mack Avenue . . . by appointment, 886-0252.

False Alarms Ring in Shores

Shores public safety officers in a clothes closet, which was overheated, causing the system to go off.

While firemen were at the Schoenith house, a second alarm came in at 1:46 p.m., to the Vlasic residence, where, because of the extreme outdoor heat, a woman thought she had smelled smoke coming from the house and found everything in order.

The first alarm was to the home of the Joseph Schoenith, 585 Lake Shore road; the second was at the home of Mr. and Mrs. R. J. Vlasic of 33 South Deeplands.

At 1:36 p.m., firefighters and equipment rushed to the Schoenith residence, when an alarm was heard ringing in the house. The family was away, and firemen could not enter the house.

The ringing alarm was found

Carl's Corner

Thanks to Tom Jefferis, Shores Village Manager for a good job, under difficult circumstances, for the new Shores pool. We did a lot of kickin' and I think thanks are in order. Also, thanks to his trustees.
