AN IMPASSE has developed in the worsening relations between the Congo and the United Arab Republic. Premier Moise Tshombe of the Congo, unsuccessful in his attempts to attend the conference of nonaligned nations in Cairo, is being held hostage in that city in retaliation for the sealing of of the UAR embassy in Leopoldville. It is reported that he will not be released until the Congolese withdraw the police cordons around the Egyptian and Algerian missions but a Congolese official in Cairo said "We will end the restrictions when they release Premier Tshombe here."

THE WIVES of the Presidential candidates hit the campaign trail yesterday without their husbands by their sides. Mrs. Lyndon B. Johnson, wife of the Democratic nominee, on an eight-state whistle stop tour of the South, was booed by groups of young Goldwater supporters in Columbia, South Carolina. Meantime, in Muncie, Ind., her hometown, Mrs. Barry Goldwater wife of the Republican nominee, shook hands and made small talk but delivered no speeches and refused to discuss political issues. "One speaker in the family is enough," she said.

THE AMERICAN MOTORS Corporation yesterday raised the possibility that the automobile industry's first profit-sharing program would disappear in 1964 labor negotiations. Edward L. Cushman, American Motors vice-president, said that he saw "no basis, now or potentially," that profit-sharing would survive. The remarks were made after the negotiations between the company and the UAW had broken down. The breakdown did not seem serious, however, and talks are expected to be resumed before the October 15 strike deadline.

THE DIPLOMATIC DEADLOCK between the Congo and the United Arab Republic was broken yesterday when officials in Leopold permitted Egyptian and Algerian embassy staffs to leave the country of the Congo. They had been restricted to their embassies for the past 48 hours. Meantime, President Gamal Abdel Nasser of the UAR gave permission to Congolese Premier Moise Tshombe to leave his country last night. He had been detained three days in a palace guest house while leaders of the nonaligned countries held a conference in Cairo that Mr. Tshombe had tried to attend.

THE ADMINISTRATION'S DECISIONS about South Vietnam had "nothing to do" with the Presidential election, according to Secretary of State Dean Rusk. Secretary Rusk spoke at news conference yesterday in which he made it clear that the United States is not going to pull away from commitments to the security of Southeast Asia and specifically South Vietnam. He also said that the U.S. hopes and believes that Indonesia and Malaysia can settle their differences without violence.

GOV. GEORGE ROMNEY removed three top officers of the Michigan National Guard today following a report of State Auditor-General Billie Farnum. He found 11 violations of state statutes and 32 audit errors by the military department. The Governor listed among alleged irregularities illegal sale of liquor in state armories, selling property to private individuals, including military personnel, and using armory maintenance funds in violation of state law.

Defer School PTA Board Plans Year's Program

Members of the PTA Executive Board of George Defer Elementary School met recently to plan the year's program. Seated at the table are PETER BRETT, president, and MRS. RAYMOND KOKOWICZ, corresponding secretary. Standing, (left to right) DR. CHARLES BOYCE, first vice-president (Program Chairman); MRS. GOMER EVANS; GEORGE LAUTH, treasurer; DR. GLENN O. COOPER, Defer's Principal; WILLIAM HANSEN, publicity KEN STARRING, Teacher Representative; MRS. GARFIELD TOURNEY, fourth vice-president (Chairman, Homeroom Mothers); MRS. RICHARD SWANQUIST, third vice-president (Chairman, Social Committee); MRS. ALBERT McKAY, second vice-president (Chairman, Membership Committee); and MRS. INA TOEPEL, Teacher Representative. The first meeting of the year, held Monday evening, October 5, was devoted to "Back to School Night."

Park Firefighters File Petitions for Charter Changes

Mayor Matthew Patterson Criticizes Activity by Employes; All Signatures Affixed Being Checked for Validity

Eighty-two petitions bearing more than 1400 signatures of Park voters asking that the Park firemen's work week be reduced from 63 hours to 56 hours, has been filed with City Clerk Charles Heise, it was disclosed on Monday, October 12, by William Hunt, president of the Park Firefighters Association.

The petitions ask that an amendment to the Park Charter, to reduce the work week to 56 hours, be placed on the February 1965 primary ballot. A clause in the City Charter sets the firemen's present work week at 63½ hours.

Hunt also disclosed that the State Labor Mediation Board has set Tuesday, October 27, as the date for a hearing, in the firefighters fight for recognition by Park city officials. Also to be discussed at the hearing will be working hours, wages and work conditions, it was said.

Although a union, and affiliated with the AFL-CIO, the Fire Fighters Associations of Michigan are forbidden to strike by law.

The Park firemen have been seeking recognition of their union for more than 20 years, but Park officials refused to grant this, forcing the firemen to seek mediation with the Labor Board.

At a regular council meeting held later Monday evening, Mayor Matthew Patterson expressed displeasure with the activities of the fire department personnel in gathering the petitions.

He said that there may be a question of validity of the petitions, and that all signatures affixed to them will be checked by the city clerk. If the signatures validate the petitions, the citizens will be advised of the details.

Mayor Is Opposed

Mayor Patterson went on record as opposing the petitions to amend the Park City Charter, which is the "constitution" of the city. He said he also opposes the method in which the petitions were presented.

He said that the request of the firefighters to have their hours changed from 63 hours to 56 hours a week, was out of order.

City Clerk Heise said that he has already begun the checking of the signatures on the petitions.

According to law, he said, signatures of at least five percent of the city's qualified voters on any petition for a charter change is needed before the matter can be placed on the ballot for a vote of the people.

VANDALISM REPORTED

Officials of Bidigare Brothers Building company, complained to Woods police on Monday, October 5, that vandals fired BB pellets through a kitchen and dining room thermo window glass of a home they were constructing at 1522 Yorktown, and through the front thermo window of a new home at 21682 West Brook court. Damage was estimated at a total of $155.

Contribution For Clinic Has Strings

Park Limits Financial Aid to Paying Bills Up to $1,000 for Park Children Only

The Shores and Farms councils recently contributed $1,000 each to initiate the opening of the Northeastern Wayne County Child Guidance Clinic, which will serve the five Pointes, Harper Woods and a section of Detroit. The money was given without reservations as to whose children will benefit by the contributions.

On Monday, October 12, the Park council approved a similar contribution, but attached "strings"—the money to be used only for Park children treated at the clinic.

The council stipulated that the city will pay the bills of families unable to pay for the treatment of their emotionally dis-

Believe Same Thief Pulled Six Robberies

Farms and Woods Homes Broken Into; TV Set, Radio Abandoned in One Yard

Six more Pointe homes, two in the Woods and four in the Farms, were broken into between Friday, October 9, and Sunday, October 11, it was disclosed by Woods and Farms police. Detectives of both cities believe the burglaries were committed by the same person.

Reported to have been broken into were the Woods homes of Mr. and Mrs. William Howe, 1536 South Renaud road, Friday, October 9; and the R. C. Boyds, 1616 Roslyn road, Sunday, October 11.

The homes in the Farms were, the Robert Curtis residence, 384 Merriweather; Elmer Stutter, 325 Stephens road, both reported on Saturday, October 10; and G. Sam Zilly, 380 Merriweather, and the Neil Van Oostenburgs, both reported on Sunday, October 11.

Woods Det. Albert Abend and Farms Det. Sgts. Jack Paisley and George Van Tiem, said the six breakins were definitely the work of the same person, or persons.

Connection Not Known

It is not known, at least for the present, if the latest burglaries were committed by the same suspects being sought for 14 burglaries in the Shores, and six attempts, four burglaries in the Woods and two in Harper Woods, on September 19, 21 and 22.

The Howes told Woods police that they were gone from their home between 8 p.m. and 10:30 p.m., and when they returned, they discovered that a window at the rear of the house had been pried open and the house entered.

Police found a large screwdriver, a claw bar, a portable television set, a tabie model radio, and a wooden framed storm window in the back yard of the Howe property. All the items belonged to the family, and had been taken from the house by the thief.

George Miles of 1616 Roslyn, a relative of the Boyds, informed police that he had been watching the Boyds' house while they were out of the city, and discovered the breakin when he made a periodical check.

Pried Window Open

Entry into the house was gained by prying open the rear window of the dining room. Miles said he was unable to determine if anything was missing.

At the Curtis home, Mrs. Curtis told police that she left the house at 1:30 p.m. and returned about 10:40 p.m. She said she found the glass broken in the side door.

At first it was believed that the thief had taken a small sum of cash from the house, but later Mrs. Curtis called authorities and reported that the money had been found.

At the Sutter residence, Mr. Sutter stated that he was gone from the house between 7:45 p.m. and 11:30 p.m.

Entry into his home, Sutter said, was gained by prying open the glass sliding door at the rear of the house. Missing, he said, were two portable television sets valued at $100 each, and approximately $39 in currency and change.

Zillys Out of Town

The burglary of the Zilly home was reported by Frank Krause of 386 Merriweather, who called police when he noticed the side screen door off its hinges and the door lock torn off. What is missing, if anything, will be determined by the owners who are expected to return from out of town this week.

Entrance into the VanOostenburg residence was gained by prying open the screen door at the rear of the house, and breaking the rear door glass.

The VanOostenburgs told police that the thief got away with $50 in Canadian currency and about $20 in old silver.

Open House Planned at New Library

Public Invited to Visit Fine New Facility on High School Campus This Sunday

Jerry J. Gerich, principal of Grosse Pointe High School, has announced plans for an open house at the Wicking Library for Sunday afternoon. "We are hoping that those who have followed the construction of the recently-completed building on our campus will avail themselves of the opportunity to visit it during our informal open house," Gerich added.

The modern, red-brick octagonal structure will be open for visitors from 2 to 5 p.m. on Sunday, October 18. Members of the library staff and the High School administration will be on hand to answer visitors' questions and to explain the many features of the new facility.

According to Principal Gerich, the Wicking Library was opened to use by students and teachers on September 21. Since then, he indicated that it has received heavy use. "Considering our school's population increases this fall, the new library has been a most welcome addition to help us to alleviate some of the crowding that exists," he added.

Human Relations Council To Hear Guest Speakers At Meeting on October 27

Edward Hodges and Mrs. Geraldine Ford Will Address Group in Fellowship Hall of Grosse Pointe Memorial Church

Guest speakers Edward N. Hodges III and Mrs. Geraldine Ford will discuss current problems of Detroit's Negro community at a public meeting of the Grosse Pointe Human Relations Council, Tuesday, October 27, at 8 p.m. in the Fellowship Hall of Grosse Pointe Memorial Church.

Hodges, personnel employment manager of Michigan Bell Telephone Co., holds a law degree from Wayne State University. He has served with the Michigan Employment Security Commission, as a parole officer for the Michigan Department of Correction, and as executive director of the Michigan Fair Employment Practices Commission.

Mrs. Ford, a native Detroiter who holds degrees from the University of Michigan and Wayne State University, is Assistant Corporation Counsel for the City of Detroit. Prior to this, she was Assistant U. S. District Attorney for the Eastern District of Michigan.

Both speakers are members of the American, Michigan, Federal and Wolverine Bar Associations and are active in local and national organizations.

To Report on Trends

Their reports on the trends and tensions in the metropolitan Detroit Negro community make up the program of the Council's meeting, which is open to representatives of all Grosse Pointe civic organizations.

The Human Relations Council is an organization of Grosse Pointe residents which tries to disseminate information and create discussion on the problems of inter-group relations.

Fundamental precepts of membership are: the dignity of the individual, the mutual recognition of the individual rights of each neighbor, and the acknowledgement that one's desirability as a neighbor does not depend upon race, color or creed.

Rev. Nixon President

Reverend James D. Nixon, Pastor of the Grosse Pointe Methodist Church, is the current president of the Council. He is also President of the Grosse Pointe Ministerial Association, a member of the Board of the Hannan YMCA, and a member of the East Side Ministers Association.

Members of the Council's Board of Directors include a cross-section of civic, community, municipal and religious leaders who are all residents of the Pointes and who represent the leadership of both Republican and Democratic political parties.

An informal social hour will follow the meeting.

Youth Hostelers Going to Hell

American Youth Hostelers are going to hike in Bloomer State Park this weekend, and Pointe Teeners are welcome to join them.

The trippers will meet at 7 Mile and Woodward at 1 p.m. on Sunday, October 18. They will visit the Yates Cider Mill and have a cookout supper. For further details, call the leader, Eleanor Lee, at 922-4162.

Cyclists who are in good shape can go to Hell!! Michigan. The AYH group will meet at 7 Mile and Woodward at 6:30 a.m. and ride 100 miles in 10 hours or less. You can ride at your own speed, and take time for a picnic lunch en route. Doug McCormick, the leader, can give you more information if you call him at TE 4-0215 after 9 p.m.

The cost for a day trip with AYH is just 10c, and new participants are always welcome.

Woods Picks New Head of Safety Dept.

Post Given to Allen Andrews, Jr., of MSU Campus Police; Takes Command Dec. 1

A new director has been appointed to head the Woods Department of Publicity Safety, it was disclosed by City Administrator Chester Petersen on Friday, October 9. The new director will take command of the combined police-fire department on December 1.

Appointed to the post is Allen H. Andrews, Jr., 33, of Lansing, who is presently with the Michigan State University Campus Police, with whom he will remain until he has completed certain organizational policies he has formulated for the betterment of the campus police.

Prior to working with the campus police, he was assistant city manager at Peoria, Ill., where he had prepared and introduced a plan for the consolidation of the police and fire departments which worked very effectively for that city.

Expand on Consolidation

Andrews has a bachelor's degree in City Government from the University of Illinois, and a master's degree in Police Administration from Michigan

Motorist Fined, Given Jail Term

Ronald L. Lee of 16522 Inverness, Detroit, was stopped by Woods police for speeding on Friday, October 9, and was found to be driving a motor vehicle while his operator's license was suspended.

Lee was seen traveling east on Vernier road, a 35-mile zone, at 45 miles an hour, and was stopped by a policeman. Unable to produce a driver's license, the motorist was taken to the station, where a teletype was sent to the Secretary of State's Office to determine if Lee had the right to drive.

The answering teletype from Lansing disclosed that Lee's license had been suspended about a month ago, and he was promptly given a violation ticket.

On Saturday, October 10, Lee was arraigned before Woods Judge Don Goodrow, and entered a plea of guilty of driving while his license was suspended. He was fined $50, and sentenced to the Wayne County Jail for 15 days.

The judge imposed the heavy fine and jail term when information was received that Lee was on one-year probation, during which he is forbidden to drive any motor vehicle, imposed by a Detroit judge.

Teenagers Given Jail Sentences

Two 17-year-old boys, accused of being drunk and disorderly, following a September 5 drinking party in a Lothrop road home were arraigned before Farms Judge Grant E. Armstrong on Wednesday, October 7, and found guilty as charged.

Guilty were Peter C. MacDonald of 2080 Beaufait, and Douglas C. Kaselitz of 1137 Kensington, who were arrested for fighting, while the drinking party was in progress, according to testimony given by arresting officers.

Judge Armstrong sentenced both teenagers to serve two consecutive weekends in the city jail, from a Friday, starting at 6 p.m., to a Sunday, ending at 6 p.m., but told the boys they could not serve their sentences on the same weekends.

The judge gave the boys their choice of weekends, and informed them they must be served without delay. They will be allowed no visitors except their parents, the youths were told.

Give Candidates Chance To Talk at Center Fair

The candidates who hope to represent Grosse Pointe voters U.S. Congress, Wayne County offices, and the Court of Appeals have been invited to a Candidates Fair Tuesday, October 27, from 8 to 9:30 p.m. at the Grosse Pointe War Memorial Center.

The Fair, sponsored by the Grosse Pointe League of Women Voters and co-sponsored by the Grosse Pointe War Memorial will give voters an opportunity to meet informally with the candidates and question them directly about state and county issues.

Mrs. George Brown, Voters Service chairman for the League and chairman of the Fair, explains that each candidate will be provided with a booth, where he may display literature and talk with voters. Wives of the candidates have also been invited, but the candidates are asked not to bring campaign workers. Mrs. Brown said, "This is an open-house type of meeting. Voters may come to the Fair anytime during the 8 to 9:30 p.m. time period and spend as much time with as many candidates as they wish." She urged voters to come prepared with questions on the subjects which concern them.

Particularly because the Detroit newspaper strike has made it difficult for voters to keep informed on all the candidates' activities and the issues developed throughout their campaigns, the League will also provide literature which the voters may take home to study, Mrs. Brown said.

The Candidates Fair replaces the Candidates Forum which the League has held prior to previous elections. In the

Park City Manager's Story Tells of Elm Disease Fight

The October 1964 issue of the magazine "The American City," carries a story on Grosse Pointe Park's fight against the Dutch Elm Disease from 1952 through 1963, and it pin-points where the blight is coming from. The story is written under the by-line of City Manager Robert Slone.

According to Slone's article, the 12 years of spraying and sanitation is holding the elm loss rate to an annual average of 0.4 percent.

Tree losses since the city began its spraying and control program in 1952, are set at 361, of which 245 trees were privately owned, and 116 were owned by the city. There are 4,000 elms on city-owned land, and 1,300 on private property, which makes the average annual loss only 0.4 percent, Slone stated in the magazine article.

This loss is remarkably small considering the unusual exposure to blight that exists in the Park, which has an area of 2.2 square miles.

Slone revealed that the Park is the most westerly of the five Pointes, and lies directly northwest of uninhabited Peach Island, which hosts a large number of dead and dying elms, and where no effort is being made to control the dread blight.

"One-third of our prevailing winds blow from the southwest," Slone disclosed in his article, "bringing the larvae from the island directly to our city. Opposite the island on the Canadian shore lies Riverside, where elm trees have nearly disappeared.

"To the southwest are Walkerville and Windsor, where a relentless battle against the disease is now taking place. Windsor removed 1,300 of its 8,000

at the Wicking Library, recently commented upon the philosophy behind its design and use. He said, "Grosse Pointe High School's library is intended to be far more than a traditional dispenser of books. Rather, it is a laboratory or student-teacher workshop where, in addition to normal library activities, students may be taught in classrooms, may study at individual carrells, and where students and teachers preview films, listen to group conferences in individual recordings, and carry on small conference rooms.

"The High School library collection is heavily oriented toward reference books and special materials for the secondary school which public libraries do not always concentrate upon. Thus, the Grosse Pointe High School and Public Libraries do not duplicate collections, but rather seek to serve as effectively as possible the needs of their particular patrons," Welch stated.

"The major emphasis in the High School library is on independent study, and to this end it must be closely related to developing curricula, aiding the teaching staff in moving from the old single textbook approach toward programs of study which require a wealth of materials in a variety of media," the coordinator concluded.

Special Invitations

Among those extended special invitation to attend the open house by Edward J. Pongracz, president of the Grosse Pointe Board of Education, are members of the Wicking family and friends, mayors and council members of the Grosse Pointes, officers and members of the PTAs, former members of the Board of Education, former superintendents of the Grosse Pointe Schools, and members of the Friends of the Grosse Pointe Libraries.

The library is named for Bert Harrison Wicking, member of the Board of Education from 1943 to 1962. He served as its president 1947-1949, 1951-1955, and 1957-1958. He was treasurer of the Board in 1956-1957, and from 1958 to 1962.

Earl G. Meyer, AIA, was the building's architect, while the interior design was executed by Ford and Earl Design Associates. An especially executed brochure on the library has been prepared by Robert Wood of the staff of Ford and Earl.

New Policeman Named in City

Chief Andrew C. Teetaert of the Grosse Pointe City Police department has announced the appointment of John Dean Erskine to the force.

Patrolman Erskine, 21, assumed his duties October 1.

A graduate of Southeastern High School, he was released from the Navy in August of this year. He served with the helicopter anti-submarine squad at Quonset Point, R.I.

Erskine and his wife, Betty Jean, live with their seven months old daughter, Shelly Lyn at 20219 Maxine, St. Clair Shores.

Erskine's appointment filled a vacancy left when Cpl. Thomas McLaughlin, Jr. resigned from the force to join the insurance division of AAA.

Candidates

(Continued from Page 1)

Forum candidates for only a few offices were invited. Each candidate gave a brief speech, outlining his background and qualifications, and a question-and-answer session followed.

The format of the Candidates Fair makes it possible for the League to bring the candidates for more offices to the voters, Mrs. Brown explained. It also gives each voter a better opportunity to meet the candidates he is most interested in and to get his own questions answered, she said.

The candidates for the following offices have been invited: U.S. House, 14th District; State Senate, 1st and 2nd Districts; State House, 1st and 3rd Districts; County Prosecuting Attorney; County Sheriff; County Clerk; County Treasurer; Register of Deeds; County Auditor; Drain Commissioner; and the judges for the Court of Appeals.

Other League activities this month include a series of unit meetings. Information relating to the conservation and development of water resources will be presented, in order that members will be prepared to evauluate and act on legislation dealing with water resources.

The meetings will be held as follows: Tuesday, October 20, at 8 p.m. at the home of Mrs. Harold Jinks, 835 Lakepointe; Monday, October 26, at 9:30 a.m. at the home of Mrs. A. C. Fortunski, 1207 Berkshire; and Wednesday, October 28, at 1 p.m. at the home of Mrs. Henry Evjen, 1073 South Brys.

This month members of the League are touring Grosse Pointe High School to observe how space is being used in view of the overcrowded conditions in the school. The League is making a school finance study this year, with emphasis on financing required for a new high school, and the tours are an outgrowth of the study. Two groups toured on October 9 and another tour is planned for 1 p.m. Friday, October 22nd. Mrs. Minert Thompson, 622 University, is in charge.

And One More Makes It 55

Michael Kanaky, 33, of 467 Manistique, Detroit, was arraigned before Park Judge C. Joseph Belanger on a traffic violation charge on Wednesday, October 7. Kanaky has a total of 54 traffic violations on his record, when the court finished his case, the count was 55.

According to court records, Kanaky was found guilty of a charge of driving without having his operator's license on his person. This oversight cost the man a fine of $75, after Judge Belanger checked over Kanaky's record.

In looking over the record, the judge found that Kanaky owed on four of the violations listed, and refused to permit the man to drive his car until the penalties have been paid to the communities, where the violations had been committed.

A nephew of Kanaky, called by phone, arrived to drive his uncle's automobile home. Kanaky will have to pay the fine for the overtime parking ticket his nephew found under the windshield wiper of the vehicle.

State University. The thesis for his master's degree was on the consolidation of police and fire departments.

He is married and the father of two children, and comes to the Woods highly recommended, City Administrator Petersen said.

The city administrator said that Andrews will become the new director, with a starting salary of $10,000 a year. He is reported to be one of the 10 most promising police officials in the United States, Petersen added.

Petersen said that 127 ads placed in various publications brought 11 official applications, all of which were screened by the examining boards of MSU and the Michigan Municipal League. The boards gave the written and oral examinations.

Among Top Three

Andrews was among the top three candidates declared qualified for the Woods post, Petersen said, and with the authority granted him by the Woods City Charter, he (Petersen) appointed Andrews to fill the post vacated by the retirement of Director Vern C. Bailey in June. Bailey died a few weeks after he retired.

"With the appointment of Andrews to the post of Director of Public Safety, the Woods has the potentials of developing one of the most outstanding police and fire departments in the United States," Petersen said. "We are very happy to get him."

Since the retirement of Director Bailey, the Woods Public Safety Department has been under the command of Capt. Donald Coats, acting director.

Contribution for Clinic

(Continued from Page 1)

turbed, delinquent and mentally retarded children. But, the total cost is not to exceed $1,000.

Needs $10,000 To Open

The clinic, which is located at 18424 Mack avenue, in a building donated by Dr. Rosemary Dykema of 294 Touraine, a psychiatrist, needs $10,000 to open its doors.

Representatives of the clinic and interested citizens are appealing to the five Pointes, Harper Woods and Detroit, the communities that will benefit by the clinic's services, for needed funds.

If the NWCCGC can show that it has the funds to begin its initial operation, and prove that it has the endorsements of the communities it will service, then the clinic can qualify for future financial assistance from the County and State, under Act No. 54, of the Public Acts of 1963.

The Park council, with two members absent, debated the legality of making contributions to organizations with the taxpayers money. It was because of this questionable legality that the Park discontinued its annual contributions of several hundreds of dollars to Bon Secours Hospital, six years ago.

Park Retains Title

The council annually authorizes sums to be given to the baseball and football Little Leagues, to purchase uniforms and equipment, but retains title to these items because public funds were used.

City Manager Slone informed the council at Monday night's meeting, that the Child Guidance Clinic has a 12-member Board of Directors, six from Detroit, and six from Wayne County, which is a step toward the clinic receiving county and state help.

The council was also informed that the funds contributed to the clinic by the Shores and Farms was a "one shot deal." The money was offered to enable the clinic to start its services, and will not be an annual matter.

Following the debate on the legality of making such a contribution, the council approved payment to the clinic, per patient, with the city to be billed for each Park child treated, with the total cost not to exceed $1,000.

A request from the Grosse Pointe Halloween Party Committee for a contribution for the annual Halloween Party for Pointe children, was approved.

It was pointed out that the five Pointe police chiefs had reported that not a single case of vandalism was committed last year, by any youngster residing in the Pointe on Halloween Eve, due in great measure to the success of the parties.

The council voted to contribute $100 to this program.

Tells of Elm Disease Blight

(Continued from Page 1)

elms in 1963, and about 3,000 in the past 10 years, although a program of spraying and sanitation now exists.

"Prevailing winds blow across all of these communities toward Grosse Pointe Park," he added.

The city manager stated that when the Park began its control program in 1952, DDT was sprayed before leaves appeared in the spring and again in June and July. In 1954, the State Agriculture Department presented the city with a citation for its effective control of the blight.

By 1958, elm losses had dropped to two private and six public trees, and it was believed that the disease had been conquered, and the summer foliage spray was eliminated. This was a mistake because the infection rate began to climb immediately.

In 1960, the city resumed its twice-a-year spraying, but for the second spraying (foliage), methoxychlor was used. The chemical is more expensive and does not have the lasting power of DDT, but is less toxic to birdlife.

Methoxychlor is effective 60 to 90 days, whereas, DDT's effectiveness lasts up to six months. The former cost $2.75 a gallon, three and a half times the price of DDT, and contains malathion to control scale, mites and aphids, Slone stated.

Privately-owned trees are sprayed at a cost of $2.00 each, payable to the city, the city manager revealed. There is no ordinance to force home-owners to spray their trees, but is is readily recognized that if the spraying is not done, the trees would be lost.

"If we had to remove all the trees along our streets, it would cost about $80 a tree," Slone stated. "This would ruin our budget, as well as the appearance of our streets. Other types of trees will take over in time, but it makes more sense to preserve the assets we already enjoy."

Sanitation, he points out, includes the immediate cutting and burning of dead trees and branches. No effective weapon can be complete without strict and prompt control of this dead, infected wood, he added.

Slone disclosed that during 1963, the Dutch Elm Disease Control Program cost the city a total of $17,720.

In the magazine article, the city manager broke down the costs as follows: Dormant DDT spray on all elm trees, $4,950; Foliage methoxychlor spray, $6,770; Sanitation, $5,000; and new trees (maples) planted, $1,000.

Churches Plan Special Program

The Rev. Reuel L. Howe, S.T.D., noted author and scholar, will be the guest speaker in a special program planned by the Grosse Pointe Inter-Church Council for Adult Religious Education. All residents of the community are invited to attend Dr. Howe's lecture on Sunday evening, October 25 at 8 in the Fellowship Hall of Grosse Pointe Memorial Church.

Dr. Howe is a member of the clergy of the Protestant Episcopal Church and the Director of the Institute for Advanced Pastoral Studies in Bloomfield Hills, Michigan. He is the author of four books, among them, "The Creative Years" and "The Miracle of Dialogue."

One of Dr. Howe's special interests is communication between two persons: how it is achieved; how it might be improved; and how it affects our inter-personal relationships within the family and the community. His lecture, entitled "Persons in Relation" will be addressed to this theme.

The seven sponsoring churches are Memorial Presbyterian, Christ Church Episcopal, St. Michael's Episcopal, St. James' Lutheran, St. Paul's Lutheran, Congregational and Unitarian.

Prayer is not overcoming God's reluctance; it is laying hold of His highest willingness.

RAZOR STOLEN

Lloyd Schultz of 19779 Edshire, lost an electric razor to a thief on Tuesday, October 7, according to information he gave to Woods police. He said that the item, valued at $35, was stolen from the glove compartment of his car, which was parked at Hawthorne and Mack.

DRIVER PAYS FINE

John Veech, 60, of 532 Lakeland, was found guilty on Wednesday, October 7, of driving a motor vehicle on a license had been expired for nine and a half months. The hearing on the charge was held before Judge C. Joseph Belanger, who fined the man $15.

Now! '65 Chevrolet

'65 Chevrolet Impala Sport Coupe—with new Sweep-line roof.

If what you see moves you, wait'll you take the wheel
(V8's with—GRRRR!—up to 400 hp)
One look at those longer, wider lines tells you it's the kind of car you just couldn't buy before without getting into the higher price brackets. But one drive will tell you a lot more.
When you take the wheel of that clean-cut Impala Sport Coupe above, for example, you've got *your* kind of engine going for you. There's an even half dozen available this year—anything you name from a quieter 6 to a V8 with the authority of 400 hp.
And the road feels like satin because our engineers came up with a new Full Coil suspension system, teamed it with a Wide-Stance design, and made our famous Jet-smooth ride even smoother and more stable.
On top of that, you've got the kind of space and comfort you'd expect to pay a lot more than a Chevrolet price for. And the kind of elegance, too. Like the look of fine walnut on the Impala's stylish new instrument panel. The rich combination of brocaded and deep-grained vinyl upholsteries. The tailored wall panels under the frameless curved windows. And the beauty of Body by Fisher craftsmanship.
Beginning to feel like it's your kind of car? There'll be no doubt about it when you drive the real thing at your dealer's.

Driver Education at GPHS Now Boasts 12,000 Grads

More than 12,000 young students have taken driver education at Grosse Pointe High School since the program began in 1956 and the present enrollment will swell that number by 380, James Sendo, program director, announced Friday, October 8.

"We average 1,400 a year but this summer's session had a record enrollment of 724 students," he said.

"Of these 724, about 60 percent were not public school students. There were 346 from parochial schools, 33 from private schools, and three students who were out of school."

In the program each student spends 45 hours a semester in classroom sessions and 10 hours driving.

"This is more hours of both class and driving time than 90 percent of Michigan schools offer," Sendo revealed.

The high school has three full-time driver education instructors but needed 14 last summer due to increased enrollments. Three of the teachers have their masters degree in traffic safety—Dean Balcirak, Cecil Vogt, and program head, James Sendo—a record number for any state school.

"To be an instructor one must first be a certified teacher then take a special driver education course," Sendo commented. "But our teachers feel more training is necessary."

A minimum number of 10 cars, donated by various dealers, are always available for the program. This fall the high school has 13.

Each student must have passed his 15th birthday before he can enroll in the class. Once he has passed his 18th birthday, however, a driver education certificate is no longer a requirement for a learner's permit, although the program is still available.

"We are not a licensing agency," Sendo said. "We give certificates which the students (under 18) must have when they go to the police department."

"A student under 16 years-of-age will get a learner's permit that allows him to drive only with his parents. A student over 16 can drive on a learner's permit with a licensed driver over 21 until he gets his own license," he said.

Grosse Pointe High uses the "off-street system" in its driver education program. Students practice on the Farms Municipal Pier Parking Lot during the school year but spend one hour on the city streets before they get their certificates.

"Before a student can get his own automobile insurance, the agencies often call us and check our records. So we must keep a file for 10 years on each student who gets a certificate. With over 12,000 records now, we have a considerably large filing system here," Sendo said.

"We spend a great deal of time discussing how the program should be run, what should be included, and where the emphasis should be placed," he said.

"For example, one question has been: 'How much time should be spent on the drunken driver?'. I say a minimum of four hours—the more the better."

Four or five years ago a survey was taken that showed 95 percent of Grosse Pointe High seniors had taken the driver education program. The number is probably around 98 percent now, Sendo said.

The driver education department also registers all cars driven to school and controls the student and teacher parking lots. This fall 350 seniors registered cars.

"There are a greater total number of parking spaces on campus now than before the library was built," Sendo revealed. "We have around 330 spaces, 155 of which are for seniors."

"However, an amazingly large number of the 800 Grosse Pointe High seniors are in car pools or ride the Lake Shore coach line. I check the student lot about once a week and there are always a few empty spaces," he said.

"Many of the students live four or five miles away and must have some kind of transportation, so we are lucky that they don't all want to drive, or we would be swamped."

The Grosse Pointe driver education program is a three pronged agency: besides the student classes there are adult classes (which started Monday, October 12) through Community Services, and the Traffic Safety School for people who are required to attend by court action.

Farms Submits Building Report

A monthly report submitted by John A. DeFoe, head of the Farms Building Department, disclosed that only one residential construction permit, for a home valued at $44,000, was approved during the month of September.

DeFoe also revealed that last month, four miscellaneous construction permits, valued at a total of $9,600, were granted, making the total valuation of proposed constructions, $53,600.

During September 1963, the department granted approval of two permits for residences valued at a total of $132,000; and 10 miscellaneous permits for constructions valued at a total of $19,000.

From January 1 through September 30 of this year, 16 residential construction permits, for homes valued at a total of $708,000, were granted. This is below the 26 such permits okayed during the same period in 1963, for homes valued at a total of $1,640,000.

To date this year, no permits were requested for construction of commercial buildings, but one was granted in 1963, for a building valued at $11,000.

Since the beginning of this year, 81 miscellaneous permits, valued at a total of $300,950, were issued, as compared to 71 for the same period in 1963, valued at a total of $257,150.

No applications have been received for permits for construction of non-assessable buildings, so far this year, whereas, last year, at this time, two permits were issued for buildings worth a total of $635,000, according to DeFoe's report.

DRIVER ARRESTED

Gary D. Bray, of 35212 Maravian drive, Fraser, was arrested by Woods police on Monday, October 5, for a traffic violation and found to have been driving while his license was suspended. He was taken to the station where he was issued a ticket and released on $150 bond pending a court hearing.

Police Arrest Bike Thieves

Park authorities have filed charges against a 15-year-old Detroit boy, accused of stealing a bicycle on Wednesday, October 7, from the backyard of a Park residence. The charges were filed in Wayne County Juvenile Court.

Police Chief Arthur Louwers disclosed that the young thief was seen stealing the bicycle by the owner, who called police immediately. The theft was broadcast over the police radio.

A short time later, Detroit police were notified that two boys had been seen in a vacant playground at Hillger and Charlevoix, both of whom appeared to be stripping a bicycle. Both juveniles were arrested, and one confessed to have stolen the bike in the Park.

Detroit authorities placed the youngsters in the county Detention Home, and called Park police to advise them of the apprehension of the thief.

The 15-year-old and his companion are awaiting a hearing in Juvenile Court on charges of stealing and stripping a bicycle.

School Board Thanks Citizens

The regular October meeting of the Grosse Pointe Board of Education convened at 7:30 p.m. Monday in the schools' administrative offices at 389 St. Clair Avenue, chaired by Edward J. Pongracz, president.

The presentation by Dr. H. Leroy Selmeier, Assistant Superintendent-Instruction, Ronald Buehler, curriculum assistant, James Curlett, social studies instructor at Grosse Pointe High School, and Ernest Hurst, Parcells teacher and department head in social studies in the junior high schools, dealt with the recently revised social studies program from the grades through the senior high school. The members of the group explained the practical use of the new instructional materials.

Mr. Pongracz said that he and Dr. Robert K. Whiteley, Board President during the 1963-64 year, wished to thank the members of the Citizens' Advisory Committee who studied the question of the proposed second senior high school.

The Board members unanimously passed a motion on behalf of all the residents of Grosse Pointe commending the work of the Committee.

Dr. Charles H. Wilson, Superintendent of Schools, commented upon his monthly report to the Board of Education, and the trustees and officers passed on a variety of routine personnel and business matters. The meeting was adjourned at 8:45.

ODD...BUT TRUE!

There is a vodka labeled genuine that actually costs less!

Its name is Wolfschmidt... and it costs only $3.31 a fifth
Code #6122

VICTOR FISCHEL & CO., INC., NEW YORK, NEW YORK 10017. MADE FROM GRAIN, 80 PROOF. PRODUCT OF U.S.A.

Nice surprise, isn't it, to find a friendly price on this *genuine* vodka. And we go to great lengths to make Wolfschmidt genuine. Our "High Rise" distillation polishes every drop diamond clear...makes every sip suave and subtle. Next time, look for "genuine" on the label.

Two Candidates To Give Views

George Bashara, Sr., and the Hon. Lucien Nedzi, opposing candidates for Congress from the Fourteenth District, will speak on the issues of the campaign at 8 p.m. on Monday, October 19, at Grosse Pointe Methodist Church as the second program on the community forum "Faith and Choices".

The Hon. Douglas Leo Paterson, Municipal Judge for the City of Grosse Pointe, will be moderator.

Following short talks and rebuttals by the candidates, the audience will participate in a question and answer period. Following the program, there will be a coffee hour at which the audience may meet and talk to the speakers. The public is invited.

This is the concluding program of a two-part political forum sponsored by the Commission on Christian Social Concerns of Grosse Pointe Methodist Church.

The first program held last Monday evening featured laymen from three area churches who discussed how their Chirstian commitment influences their political decisions on the issues and candidates.

Offer Lectures On Investments

"Mutual Funds" will be the subject of the fourth lecture in the Grosse Pointe War Memorial's Investment Series on Thursday evening, October 15, at 8 o'clock.

Harry A. McDonald, Jr., general partner of Manley, Bennett, McDonald & Company will be the speaker. Well known in Grosse Pointe as a member of the Grunyons, this Amherst graduate and naval officer is former president of the Bond Club of Detroit and has served as president of the Securities Traders Association of Detroit and Michigan, chairman of the Michigan group of the Investment Banker's Association and is chairman of its Legislative Committee.

Mr. McDonald will give a brief history of the development of mutual funds and explain what they are. He will emphasize their role in the investor's portfolio. He will also dwell on their variety, their future and their potential for growth.

On Tuesday evening, October 20, at 8 o'clock the Investment Series will continue with a presentation on "Trading Techniques" given by Peter Viviano of Bache & Company. He will illustrate the advantages of technical analysis and charting and will give examples of volume indicators.

He will use such well known technical indicators as the Dow-Jones averages to show reversal and consolidation patterns and he will support his theories and prognostications with chart slides.

There will be sufficient seats available for these lectures at no cost. It will not be necessary to pick up a ticket in advance.

Nature is too thin a screen; the glory of the One breaks in everywhere.

Gets Assignment For Torch Drive

Dr. Charles H. Wilson, Superintendent of the Grosse Pointe Public School System, has been named to head the United Foundation Torch Drive among schools' personnel in Wayne County. The appointment was made by Durward B. Varner, Chancellor of Oakland University, and chairman of the Schools and Government Unit for the drive in the metropolitan area.

The 1964 Foundation Torch Drive has been scheduled October 20 through November 12.

As chairman, Dr. Wilson is responsible for disseminating information to the leaders of the drive in 41 school districts in the County, as well as for coordinating reports of the amount collected by each system to headquarters when the drive gets under way. Dr. Wilson has chaired similar Red Feather drives in the Chicago and Toledo areas.

Of his assignment Dr. Wilson said, "I am sure we all recognize the magnificent accomplishments of the Foundation in all areas of society. I believe the Foundation is deserving of the very best support that we as individuals are capable of giving," he concluded.

Forrest Geary, Director of Community Services for the Grosse Pointe Public School System, is again chairman of the drive in the local schools. This year, he is being assisted by the principals of the 14 buildings, Robert M. Orr, Director of the Grosse Pointe Public Libraries, and Dr. Paul E. Mawhinney, Director of Pupil Personnel.

In addition, some 60 or 70 members of the staffs of the schools will assist as captains in contacting 10 or 12 staff personnel on an individual basis. Every member of the local schools' staff will be contacted personally and provided an opportunity to contribute.

The goal of the schools of Wayne County, exclusive of Detroit proper, is $110,285. The total for the Detroit metropolitan area in all collecting units is $20,850,000, almost $900,000 more than last year.

Book Review Group To Meet

The second monthly meeting of the Pointe Book Review will be held next Monday, October 19, at 12 o'clock noon, in the Balfour road home of Mrs. George Baer. Mrs. Earl Kreig will act as co-hostess.

The Book Review will be given by Mrs. R. L. Shepard following luncheon. Mrs. Shepard will give all the Book Reviews for the 1964-65 season.

Mrs. Earl G. Meyer is chairman for the year. Any regrets are telephoned to the hostess.

NOW IS THE TIME TO FERTILIZE FOR A SHOWPLACE LAWN

HERE'S WHY FALL IS BEST FOR GROWING GRASS
1. Cool nights, shorter days, warm soil and plentiful rainfall make fall ideal for growing grass.
2. Root systems fertilized in fall grow thicker, stronger . . . resist cold winters better.
3. Fertilized grass will take over bare spots left by "annual" weeds that die in fall.

GRACE LAWN SPRAY IS BEST
Well-balanced Lawn Spray fertilizers are applied the liquid sprayway to supply nutrients through grass blades and roots simultaneously. Lawn Spray fertilizers are made exclusively for lawns. Our men are trained and supervised by W. R. Grace & Co., agronomists.

Act now, the sooner you have your lawn fertilized the healthier it will be next year.

WITHOUT OBLIGATION, let our man measure and study your lawn. He will give you an exact estimate on fall fertilizing—plus a 16-page book on seeding, feeding, winter care. You needn't be home. He'll leave professional recommendations.

Film to Show Greek Islands

The Cinema League of Grosse Pointe invites members and friends to view a beautiful and informative film by Harry Hauschild, "Tour of the Greek Islands," in the Fries Auditorium, Thursday, October 22, at 8 p.m.

It will include a cruise to Greece and the Eastern Mediterranean area—visiting Athens, Hydra, Delos, Mykonos, Crete, Egypt, Lebanon, Jordon, Israel, Cyprus, Rhodes, Patmos, and Istanbul.

Rising above modern Athens one will see the Acropolis ruin-crowned hill, the Agora; the Royal Guardsman, Home of the Oracle; Columns at Delphi, Mycenae's primitive Lion Gate; early drama at the Epidaurus Theater, and a visit to the Sanctuary of Apollo, Temple of Athenians. Then Mykonos, the "island of 365 churches".

Views of Cairo follow with the Great Pyramids and the Sphinx; Luxor, the Valley of the Kings, City of the Dead and the ancient Temples of Karnak, and a quick glimpse of Lebanon.

Next will come the old City of Jerusalem in Jordan with the Garden of Gethsemane and the Church of all Nations, the tomb of the Virgin Mary, Via Dolorosa, Bethlehem and the Church of the Nativity and then across to the Mandelbaum Gate into Israel, Mount Zion and King David's Tomb, Tel Aviv and Haifa.

Famagusta in Cyprus, beautiful Rhodes, the Isle of Roses, and a visit to charming Lindos will be shown. Patmos, visiting by donkey the Monastery of St. John Theologos, founded in 1088 A.D., Istanbul, Turkey, with its famous Blue Mosque and the St. Sophia Museum, the busy harbor in the Bosphorous and the famous Kapali Charsi Bazaar will end the program.

Runs Into Truck As Brakes Fail

The brakes on a car driven by Dessie Virginia Wright of 1424 Grayton failed as she attempted to park in a metered space behind the Revco Drug Company.

The car then ran over the sidewalk and hit a parked Revco Drug Co. truck. The driver of the truck was Howard C. Bieber of 34685 Forman, Warren, Mich.

No one was injured and no violations were issued.

To Offer Course In Photography

Whether the story of a trip to Europe, or of "how little Susie grew" — pictures are an indespensible method of recording momentous occasions. In cooperation with the Grosse Pointe Camera Club, the Department of Community Services, Grosse Pointe Public School System announces a five week course in Photography, to begin Wednesday, October 22nd, at 7:45 p.m.

The course is designed to teach elementary theory and practice of photography; it should especially appeal to those persons who feel they are not getting the results they desire with the equipment they already own, as well as to those who contemplate the purchase of new equipment.

The instructors will cover such topics as: taking effective snapshots; necessary (and unnecessary) equipment; films and the use of the exposure meter; depth of field and flash; picture organization (composition, diagonals, etc.); and setting up a travelogue.

Three instructors for the class have been chosen, and all are recognized for their extensive and diversified work in the field of photography.

Mrs. Mildred Briggs has taught a Color Workshop class for Grosse Pointe Camera Club members for the past four years; she has studied under Helen Manzer in California, and her photographs have received high awards in salons throughout the country.

Gilbert Lehmbeck, AFSA, has been active in virtually every phase of photography. He is an associate of the Photographic Society of America, has taught classes in black and white and color photography, and his work has been exhibited in International Salons throughout the world.

Jack Petzoldt is currently president of the Grosse Pointe Camera Club. He has taught photography classes at Wayne State University and is employed by the University's Audio Visual Production Center in the production of educational photographic materials.

Governor Plans To Visit Pointe

Governor George Romney is scheduled to arrive at Detroit City Airport, Wednesday, October 21, for several early morning appearances on the East Side. The first of these is to be a sidewalk visit from 6:30 to 7 a.m. with people reporting for work at the Chrysler Plant Gate on East Jefferson.

Arrangements for Gov. Romney's visit have been made by Jack Matheus, chairman of the 14th District Republican Campaign Committee, and Hudson Mead, Romney chairman for the District.

Second stop of the closely scheduled Wednesday morning visit will be at Parke Davis & Company, Joseph Campau and Water Sts., where the Governor will meet both employees and management in the company cafeteria from 7:15 to 8 o'clock.

He will make a brief non-political visit to the Grosse Pointe High School, at 8:15 a.m.

Tell it to Joey.

Joey Sutika, the 1964 Torchlighter, is as cute a 4-year-old as you'll ever meet. Too bad he was born with spina bifida.

Spina bifida is a defect of the vertebral arches; the base of Joey's spine never closed. Two years ago, Joey couldn't walk. He couldn't even crawl. He could only drag himself around.

Today, through therapy at the Detroit Orthopaedic Clinic—one of the 204 Torch Drive agencies—Joey can walk with crutches and braces. And with a helmet for when he falls. Perhaps someday he'll be able to stand alone.

But not yet. Only time and more therapy will tell. And for every Joey Sutika, there are thousands of others who need all the help you can give them.

For them, each dollar you give to the United Foundation means a lot more than a dollar does to you. Especially if you can pledge your Fair Share where you work, and spread the payments over the year.

This year, before you say a word, just remember little Joey. Then give your Fair Share.

Meeting Held By Mason PTA

More than 330 parents attended the opening meeting of the Mason School P.T.A. Tuesday evening, October 6. James Biesenthal, P.T.A. president, opened the short business meeting by welcoming all parents, especially those new to the school.

The 1964-65 budget was presented and approved by the members. Mrs. Donald Bangs, fund-raising chairman, outlined her projects for the coming year; the first to be a movie party at 1 p.m., Thursday, October 15 in the school auditorium.

Charles Woodbury, Program Chairman, announced the P.T.A. meeting dates for the year. Dr. Armin Grams, child-psychologist and staff member of the Merrill-Palmer Institute will speak at the November 12 meeting.

The business meeting was adjourned following the introduction of new Mason school faculty members by Principal Larry Gagnon.

Parents then proceeded to the evening's room visitation. This was divided into two 15 minute periods to afford parents an opportunity to see more than one room and meet all their children's teachers. During this time each teacher presented to the parents his plans and methods for the year. These plans were already visible through attractive displays in each room.

At the close of Room Visitation, Mrs. Joseph Juenemann, hospitality chairman, and her committee welcomed the parents and teachers in the auditorium where refreshments were served.

Pointe Dem Club To Hear Guests

Two Democratic candidates from Grosse Pointe will speak to members of the Grosse Pointe Democratic Club at a meeting at the War Memorial at 8 p.m. Tuesday, October 20.

They are Donald M. D. Thurber, Democratic candidate for a two-year term on the State Board of Education, and William Hall, Democratic candidate to the Wayne State University Board of Governors.

Thurber's topic will be "The New State Board and Its Role in the Future Development of Michigan Education." The eight-member board will appoint the Superintendent of Public Instruction.

A native of Detroit, Thurber lives at 794 Neff Road. He was educated at Harvard University and is president of Public Relations Counselors, Inc. He has served as a director of the Huron Valley Steel Corporation and is a consultant to the Secretary of the Interior.

His public service background includes membership on the Mayor's Committee for the Rehabilitation of Narcotic Addicts, Michigan Crippled Children's Commission, National Park Trust Fund Board and Detroit Grand Opera Association, Inc.

He is president of the Family Service Society of Metropolitan Detroit and on the board of directors of the Michigan Society for Mental Health and the Metropolitan Y.M.C.A.'s counseling service.

Hall will discuss "Problems of Higher Education in Michigan." He lives at 1464 North Renaud, and is executive vice president of the Detroit Bank and Trust Company. He attended the University of Michigan and received degrees from Wayne State University and Rutgers University.

He has served on many posts at Wayne and in 1960 received the University's Distinguished Alumni Award. He is a past president of the Detroit Urban League, Wayne State Alumni Association, and Detroit chapters of the Public Relations Association and American Institute of Banking.

This meeting, which the Grosse Pointe Democratic Club has planned as a public service, is open to anyone who would like to attend.

Special Courses Offered Adults

Arthur Brooks, a member of the Adult Education teaching staff for eight years, will this fall teach two courses for the Department of Community Services, Grosse Pointe Public School System.

"Style and Poise for Women" will begin October 20 from 7:30 to 9:30 p.m. This is an eight-week class designed to help students in wardrobe, manners, social graces, business etiquette, job success and communication with the public. It is designed for the woman—business, professional or housewife—wishing to improve her savoir fair and gain self confidence in plain, everyday living. Mr. Brooks will instruct his students in social and business graces while at the same time, helping them to develop and project their personalities in a more dynamic manner.

"Effective Expression and Speech Techniques" will begin October 19, meeting for 10 weeks from 7:30 to 9:30 p.m. This course is designed for everyone — housewife or business men—who must communicate with the public, either singly or en masse. In this class, Mr. Brooks will develop the individual's personality through the spoken word; he will attempt to eliminate the butterflies experienced by most people when circumstances require appearing before groups: whether making simple introductions at a cocktail party; presenting a plan of action at a business meeting; or giving a short impromptu speech.

Mr. Brooks brings to his students a myriad of experiences in the field of public speaking and dynamic personality development. He has conducted training classes for industry — from management on down, and for department stores in Houston, Cleveland, Pittsburgh and Baltimore. He lectured for seven years for John Robert Powers and directed the first Dale Carnegie class in Grosse Pointe. He has also been a participant (actor) in training films for the past 15 years. More recently, he has been a TV spokesman for Standard Federal Savings of Detroit, and a lecturer for the Mott Foundation in Flint. He has recently completed a national tour of speaking engagements.

Mr. Brooks generates enthusiasm and instills self-confidence in his students and, regardless of their position, makes them feel ten feet tall.

Enrollment in both classes is limited, and persons wishing to register are advised to call the Department of Community Services at TU. 5-3808 or TU. 5-0271 as soon as possible to assure a place in class.

Concert Offered By Crisis Club

The University of Detroit Titan Chorus under the direction of Don Large is preparing to stage a "Vocal Variety Show" in the Charles A. Parcells School, Mack avenue at Vernier road, on Thursday, November 5, at 8:30 p.m.

The Grosse Pointe Crisis Club is sponsoring this two-hour musicale to present to the people of the Grosse Pointes and others an opportunity to see and hear one of the most spectacular college choral groups in the country. The tickets for this event are being offered on a basis of a $2 donation.

The U. of D. Titan Chorus makes over 50 appearances each year throughout the country under the sponsorship of selected organizations. The programs are an entertainment type show rather than an academic concert. The repertoire includes music from current Broadway shows as well as comedy, sacred, classical, popular and folk songs.

The Grosse Pointe Crisis Club is composed of persons from all walks of life, bonded together for the mutual benefit of helping individuals and families in distress, including widows of policemen and firemen. All proceeds after expenses will be used to assist people in need that they feel are deserving of support.

WATCH MISSING

Mrs. Betty Prokus of 463 Manor, called Farms police on Thursday, October 8, to report that she was taken to Cottage Hospital by ambulance on September 11, and later transferred to St. Clair Hospital. En route, she said, her two-diamond, white gold watch, valued at $89, was either lost or stolen. Police are investigating.

Vision is the art of seeing things invisible.

Introducing Newest Teachers

Teachers new to the staff of Ferry School at the beginning of the 1964-65 year are shown during a tour of the building. With EDWIN WENDT, Principal, they are examining the Michigan State Flag, donated last year by the PTA. Those photographed are (left to right) MRS. CHRISTINE G. HEA, grade 2; MRS. SUSAN HOLMES BOETTCHER, grade 3; MISS BEATRICE H. SIMANSKY, grade 4; MRS. CAROLYN L. SMITH, grade 2.

"I am especially pleased with the four enthusiastic young women who were selected to fill the vacancies on the Ferry staff for the 1964-65 year," Edwin Wendt, the building's principal said recently. "The background, training, and experience of Mrs. Smith, Miss Simansky, Mrs. Hea and Mrs. Boettcher are such that they have already proven themselves to be most welcome additions to the staff of The Grosse Pointe Public School System," he concluded.

Highlighted among the recent past activities of Mrs. Carolyn L. Smith are two trips abroad. She was an exchange student in the Netherlands and two years ago she returned to Europe for a more extensive continental tour. Her interest in photography is a naturally complementary hobby to her travels.

Working for MA

A graduate of Central Michigan University, where she held a State Board of Education scholarship and was a member of Alpha Chi Omega, Mrs. Smith expects to complete her MA there next summer. She is a member of the Michigan Education Association.

Born in Utica, she completed her secondary education there, and eventually returned as a kindergarten teacher. She also taught second grade for a year in Shepherd. The Smiths are residents of St. Clair Shores. Mr. Smith is employed as an accountant in Detroit.

Beatrice H. Simansky holds B.S. and M.A. degrees from Western Michigan University. Born and reared in Midland, Michigan, prior to her current assignment with The Grosse Pointe Public School System, she taught third grade at the Henry Ruff School in Garden City and fourth grade at the Sugnet School in Midland.

Her out-of-school interests center on travels that so far have taken her to 34 states and twelve foreign countries. Reading and sewing are other avocations. Musically-inclined, she plays the piano. Miss Simansky is a member of the Michigan Education Association and the National Education Association.

Taught in Ohio

Mrs. Christine G. Hea joined the Ferry staff after experience as a second grade teacher in Independence, Ohio. She received her BA degree at Michigan State University where she was affiliated with Sigma Kappa and was the recipient of a Regents Alumni Scholarship.

Mrs. Hea has held professional memberships in the National Education Association and in the Ohio Education Association. Sewing, knitting, reading and dancing are among her favorite pastimes.

"It seems that all the women and many of the men in my family have been connected with education in some capacity. We have had a college vice-president, an elementary principal, a superintendent of schools, and many teachers in our family. Therefore, it seems natural for me to be a teacher, too," Mrs. Susan Boettcher commented. I have one brother who is a doctor doing his residency at the University of Illinois," she said.

Detroit is her birthplace, Wyandotte her home. Upon completion of her high school training at Theodore Roosevelt she went to Michigan State University to complete the requirements for her B.S. degree.

During her undergraduate days she was a sorority officer in Sigma Kappa, chairman of the 1963 J-Hop, a member of the Frosh-Soph Council and the J-Council. Her husband is also a graduate of Michigan State. Mrs. Boettcher likes to travel, and other interests include bicycling, knitting, swimming, reading, art and music.

R.M.S. Queen Elizabeth is the world's largest liner—83,673 tons, and five blocks long.

Escape to Europe aboard a giant Cunard Queen for only $316 round trip

Save 25% off low Thrift Season fares by sailing round trip at Cunard's excursion rates* for as little as $316, Tourist; $406, Cabin; $660, First Class. And you get 30 full days ashore.

Sail at round-trip excursion rates when Europe is at its best on either of the world's two largest superliners—the *Queen Elizabeth* or the *Queen Mary*. (One leaves New York every Wednesday.)

Considering your fare includes 5 days each way of superb *international* cuisine, impeccable *British* service and luxurious lodging—plus carefree fun and entertainment—this is the travel bargain of the year.

You'll find more to do aboard than in most resorts, and with far more interesting people. Stroll the largest decks afloat (over 3 acres). Be entertained in vast public rooms. Swim in a pool that contains 107 tons of heated salt water. Or browse in shops full of magnificent duty-free merchandise. See a movie. Borrow one of 5,000 books from the library. Join a cocktail party. Enter a deck tournament.

Top executives prefer giant Cunarders

America's industrial leaders—that demanding, discerning breed—have long favored the Queens for business trips to Europe.

One reason is the opportunity it presents to executives to prepare for crucial meetings. (There are ship-to-shore telephones and a staff of nine English secretaries to lend assistance.)

Another reason is the luxury of leisure and relaxation in the most spacious facilities on the high seas.

And right now, there is the added economy of *low* excursion fares. (You can save a minimum of $286 per person from Summer Season rates when you travel First Class on the Queens.)

You'll arrive in Europe refreshed, feeling marvelous. You'll return home revitalized, keen to resume your daily business. Make your reservations now.

*Excursion fare periods: October 1, 1964 to February 28, 1965. 15% savings also available March 1-15, 1965 and May 1-15, 1965.

Library Offers Election Movie

The Grosse Pointe Library is featuring a film of special interest. The film is very timely and a Silver Award winner, "The True Story of An Election," a comprehensive document of democracy-in-action, compiled as the events actually took place.

Both candidates in the election permitted the day-to-day filming of both their public campaigning and private planning. Both candidates approved the script and the edited film, to assure accuracy and balance.

The story of one election campaign for Congressman is seen from both sides, with all the feeling of conflict over deeply felt principles.

The film is 56 minutes long and in color.

You are invited to view this timely film Friday, October 23, at 7:30 p.m. in the Meeting Room of the Central Library, 10 Kercheval avenue.

The clearsighted do not rule the world, but they sustain and console it.

Driving Offenses Trip Up Thieves

A 20-year-old motorist and two passengers in his car were arrested by Park police on Thursday, October 8, and charged with stealing a bicycle. The motorist was also charged with three counts of traffic violation.

According to Police Chief Arthur Louwers, Clovis F. Ray, of 2427 Twelfth street, Detroit, the driver; James Lasure, 17, 2421 Twelfth street, Detroit, and a 16-year-old boy, also of Detroit, were arrested by Patrolmen Donald DelPlace and Robert Saifyrd.

The officers observed Ray and his companions riding in a car that was without lights. Ray drove through a stop street, and when stopped by the policemen, was found to be driving without having his operator's license on his person.

DelPlace and Saifyrd took the trio to the station, and in checking Ray's car, found a girl's bicycle, reported to have been stolen from 785 Balfour, in the car trunk.

Further investigation revealed that the 16-year-old was an escapee from the Northville Training School, from which he fled on August 24, Chief Louwers said. The teenager was returned to the school by Juvenile Court authorities.

Ray and Lasure were arraigned before Park Judge C. Joseph Belanger on the Thursday date, on warrants recommended by the Wayne County Prosecutor's Office on a charge of simple larceny in the bike theft.

Judge Belanger found the pair guilty and sentenced Ray to 10 days in the County Jail, and Lasure, to five days. In addition, Ray paid fines totaling $18 for the traffic offenses.

Arthur P. Holstein In NATO Operation

Arthur P. Holstein, Jr., seaman, USN, son of Dr. and Mrs. Arthur P. Holstein, of 875 Balfour road, participated in a North Atlantic Treaty Organization (NATO) naval training operation called "Exercise Team Work" in the North Atlantic while serving with Fighter Squadron 62.

His unit, along with other naval units from Belgium, Denmark, France, Norway, the Netherlands and United Kingdom, are conducting training operations in strike, anti-submarine and anti-air warfare.

Drive Leaders Lay Plans

Top leadership of the 1964 Torch Drive Community Business campaign in Grosse Pointe checked campaign plans at a recent meeting. Seated, from left to right, are A. RALPH SANDT, 1161 Grayton, division chairman for the City of Grosse Pointe; EDWARD J. HICKEY III, 514 University, owner of Hickey Men's Wear and business chairman for the Grosse Pointe Region. Standing are CLARENCE L. LOULLIARD, 1231 Buckingham road, manager of training and personnel services, of the Budd Co., and co-ordinator for the Community Business Campaign; and FRANK P. BOYER, 222 Cloverly, business chairman for Grosse Pointe Farms.

Religious Art Now on Exhibit

Art objects worth an estimated quarter of a million dollars are on display through October 25 at the galleries of Sacred Heart Seminary, Chicago boulevard at Linwood, Detroit.

The show is the Fourth Biennial National Religious Art Exhibition, the largest and only continuing religious art show in the United States.

Works displayed vary from conventional silverwork to impressionistic oil paintings, although each of the 137 pieces representing the efforts of 117 artists has a religious theme.

The final selection of objects to be shown narrowed the list from an original entry of more than 400 pieces of painting, sculpture, mosaic, glass and metalcraft submitted by some 250 of America's top artists.

Although the show is sponsored by the Archdiocese of Detroit and has as its honorary chairman the Most Reverend John F. Dearden, it includes the works of artists of several religious denominations. Similarly, the show's expenses are underwritten by patrons, among them men of many faiths and some of the nation's top industrialists.

The show is held from 1 p.m. until 9 p.m. daily and is open to the public without admission charge.

Drinking Driver Receives Ticket

Frank Ward, 25, of 20602 Fleetwood, was ticketed by Woods police at 4:45 a.m. Thursday, October 8, for driving under the influence of liquor.

Officers saw him strike the island curb at the Lennon-Mack crossover, make several attempts to drive over it, and finally passing out, leaving the car in gear and the motor running.

Ward refused to sign the "consent for blood alcohol test," but he admitted drinking and stated that he had a bad driving record. He was ticketed and his car was impounded.

What does "80-30-5½" mean to home buyers?
It's the short form for a meaningful offer by First Federal to home buyers, and to refinance an old mortgage, and you don't have to be a First Federal customer. The 80 means you may borrow up to 80% of the appraised value of a well-located modern home. 30 means you may take up to 30 years to repay (payments including principal and interest as little as $5.68 per thousand monthly). 5½ means 5½% interest. These figures are from First Federal's own conventional loan plan. We also make FHA and VA mortgages. As Michigan's largest home mortgage lender, we offer (1) the experience to advise you. (2) facilities for fast service and (3) applications and closings quickly arranged at any First Federal office near you.

Reckless Driver Posts $100 Bond

An unidentified motorist called Shores police Wednesday, October 7, to report a car driving erratically on Lake Shore road, striking the left and the right curbs numerous times and causing other drivers to brake and swerve to avoid him.

Arrested on a charge of reckless driving was Harold Eugene King, 33, of 22805 Alger, St. Clair Shores. He was released on $100 bond.

3 Injured When Cars Crash, Burn

Farms firemen were called to extinguish fires under the hoods of two cars that collided at Kercheval and Kerby road on Friday, October 9. The two drivers and a passenger in one of the vehicles were taken to Cottage Hospital by firemen, for treatment of facial and chest injuries.

Injured were Maria J. Vermiglio, 17, of 20540 Eastwood, and her passenger, Mary R. Altese, 16, of 19159 Alstead, both of Harper Woods; and the driver of the other car, Woodrow W. Morgan, 47, of 1435 Fairholme.

According to a police report, Morgan was traveling east on Kercheval and made a left turn onto Kerby on an amber light, and was hit by Miss Vermiglio's car, which was going west on the avenue. She also went through an amber light, police said.

The impact of the crash created sparks that ignited the motors of both automobiles, and firemen were called to put out the flames and to take the injured people to the hospital.

Morgan was given a violation ticket for making an improper left turn, and Miss Vermiglio was issued one for going through an amber light.

Metro Airport Adds Services

In order to better serve the air-traveling public during the current construction program at the Detroit Metropolitan Wayne County Airport, the Wayne County Road Commission has today inaugurated bus shuttle service from parking lots to the existing Terminal Building without charge to the users.

This around-the-clock bus shuttle service, estimated to cost the Airport $82,000 annually, will transport parking lot patrons to and from terminal facilities while the expansion program, which will more than double terminal and airline facilities in 1965, is in progress. The Board is confident that this service will mitigate inconveniences to the public caused by temporarily relocated parking lots.

In addition, in response to numerous requests, the Board has completed arrangements for valet-type parking service at the Airport. The fee for this service, scheduled to commence on Friday, October 9, will be $1.50 in addition to normal parking charges. For this fee, a patron may leave his automobile at a booth near a convenient entrance at the Terminal Building, have it parked and delivered to him at the Terminal Building exit when required.

God is not a cosmic bellboy for whom we can press a button to get things.

OIL
LEASES
50¢ AN ACRE
The United States government will put up at public drawing in Santa Fe, New Mexico, the third Monday of each month, millions of acres of oil and gas leases in Texas, New Mexico and Oklahoma for sale to the public at 50 cents per acre. Many of these leases are valued by the major oil companies and other interested buyers at many hundreds of dollars per acre. But, under Federal rules and regulations you have the same EQUAL chance to draw one of these valuable leases as the largest oil company in the nation. Write for how you may obtain service in filing for leases, Federal termination lease lists, advance postings and monthly winners lists.
This is not a drilling venture.

Young Red Cross Leaders Meet at Greenfield Village

Seventeen Wayne County schools were presented at the annual Leadership Training Conference For High School Red Cross, October 2-4, at Greenfield Village in Dearborn. The 44 young delegates attending the 3-day workshop included 9 international students and were selected to represent their schools by fellow members of High School Red Cross.

Films, educational presentations and discussion groups highlighted the conference. High School Red Cross activities in all areas of American Red Cross service were explored to find ways of expanding and deepening the participation of American youth in Red Cross work. Among a few of the projects undertaken throughout the year by Red Cross youth are Disaster Preparedness in cooperation with Red Cross' Disaster Services; summer volunteer work; the sending of School Chests overseas to devastated and underdeveloped countries at the request of Red Cross societies in other countries; and the promotion of international understanding through the International Art and Music Exchange Program of High School Red Cross.

A community songfest and a Get Acquainted party provided fun and recreation and a non-denominational service was held Sunday morning.

Attending from Brownell Junior High School were Betsy Elliott, 322 Touraine, and Owen Halbert, 19949 W. Clairview court.

From Grosse Pointe High were:—Karen Richardson, 20943 Lancaster; John Barton, 751 Pemberton; Cindy Gould, 20052 Fairway drive; Kurt Bannwart (Switzerland), 110 Moran; Nils Olaf Gustafson (Sweden), 1136 Mile drive; Claes Koch (Sweden), 927 Bedford road; Christina Poblete (Chile), 346 Hillcrest; Joann Georg Volker (Germany), 951 S. Oxford; Gilbert Moorman, 20197 Morningside; Heike Brandt (Berlin), 10396 Somerset; Ann Marie Fagerlind (Sweden), 829 Balfour road; Maria De Oliveira (Brazil), 844 Whittier; and Brigitte Sack (Germany), 1159 Yorkshire.

From Grosse Pointe University School were:—Sally Duff, 216 Stephens road; and Charles Gorey, 104 Stephens road.

Parcells Junior High sent Debby Hallmann, 533 Robert John road, and Ellen Witus, 45 Blairmoor court.

Pierce Junior High sent Deborah Ferry, 568 Lakeland, and Georgene Shoemaker, 448 St. Clair.

St. James Offers Genesis Course

Beginning this Friday, October 16, and concluding on Sunday evening, October 18, St. James Lutheran Church and its Board of Christian Education, under the Chairmanship of Dr. Armin Grams, will present the Reverend H. Luecke, Ph. D., Director of Studies at the Urban Training Center for Christian Mission, Chicago, in a four-session depth study course on the first three books of Genesis.

Dr. Luecke's over-all subject will be "The Language of Faith in an Age of Science, and this subject will be covered in four lectures as follows:

1. Friday, October 16, 8 p.m. —"Faith and Science: A Diversity of Tongues."
2. Saturday, October 17, 2:30 p.m.—"Biblical Language Concerning Man and Nature."
3. Saturday, October 17, 8 p.m. —"Sacrament and Science."
4. Sunday, October 18, 8 p.m. —"Liturgy and Labor."

Dr. Luecke is a prominent Lutheran with many years of parish experience. He is widely known as a lecturer, is an acknowledged authority on Genesis, and his recent book, **New Meaning for New Beings,** is published by Fortress Press.

Dr. Luecke received his B.D. in 1947 from Concordia Seminary in St. Louis, Missouri, and he took graduate work at St. Louis University and Washington University in St. Louis; his M.A. in English and Philosophy was earned at Wayne State University in 1946, and a Ph. D. in Philosophy from the University of Chicago in 1954.

The Reverend Luecke was ordained in January, 1948. He taught English and Humanities at River Forest in 1947-49, and Philosophy at Valparaiso University, Valparaiso, Indiana, 1948-50. Pastor Luecke was minister of Our Saviour Church, Chicago, 1950-55; Chaplain at Princeton University and Pastor of the Lutheran Church of the Messiah, Princeton, New Jersey, 1955-64. Presently, he is the Director of Studies, Urban Training Center for Christian Mission in Chicago.

In addition to his book, "New Meaning for New Beings," Dr. Luecke is a contributor to the "Christian Century," "Theology Today," "Concordia" "Cresset," "American Lutheran," and other journals. His sermons have been published in "Pulpit" and "Concordia Pulpit."

Dr. Luecke has held lectureships in summer Theological Schools at Princeton Seminary, Concordia Seminary, Hamma Divinity School, and he lectures and preaches at many colleges. He is a member of the National Academic Council at Valparaiso University, and the staff editor of "Dialog."

The Reverend Luecke is married and the father of two children— Christopher, 11; Magdalen, 10.

An English clergyman of the nineteenth century, the Reverend Charles Haddon Spurgeon, has said, "Nobody ever outgrows Scripture; the Book widens with our years." St. James urges Grosse Pointers, particularly fellow Lutherans, to join with them in widening their Scriptural horizons by attending these stimulating and thought-provoking lectures.

Reckless Driver Causes Accident

A ticket for reckless driving, causing an accident, was issued to Celia H. Kosniewski of 11416 Gallagher, Hamtramck, following an accident at Kercheval and St. Clair, on Sunday, October 11.

Mrs. Kosniewski failed to stop for a red light as she drove west on Kercheval and hit a car driven by Gregory Flynn, Jr., of 1040 Kensington. Flynn was going south on St. Clair with the green traffic signal.

Both cars were towed from the scene of the accident.

P.B.X. Club Elects Officers for 1964-65

Midwest Antiques Exhibit Staged at Ford Museum

An exhibit of Arts and Crafts drawn from all areas of America's Old Northwest Territory is featured at the Fifth Annual Midwest Antiques Forum, being presented at Henry Ford Museum and Greenfield Village October 12 through October 16. The exhibit will run through November 29.

This is the first time in the study of American Arts and Crafts that a major Forum and a comprehensive exhibit from the states now occupying the Old Northwest Area have been presented. Some 600 beautiful arts and crafts objects, carefully selected from museums and private collections throughout Ohio, Indiana, Illinois, Michigan, Wisconsin and part of Minnesota, are brought together in one of the most unusual decorative arts displays ever exhibited at the Henry Ford Museum.

An entire avenue-wide gallery is filled with assorted treasures that show how arts and crafts in the Old Northwest developed into styles uniquely their own.

The unequalled exhibit gives visitors a never-before-offered chance to experience the artistic mood of the pioneering Northwest Area that existed during the 19th century.

The exhibit begins with a collection of historic documents that relate to the Old Northwest Territory. Paramount among these is the Ordinance of 1787, the famous measure that provided for government of the Old Northwest Territory.

As well as the Ordinance of 1787, loaned to the Museum by the National Archives, the document display contains Thomas Jefferson's Plan for the Government of the Western Country, 1784, on loan from the Clements Library, Ann Arbor. The Samuel Lewis Map of the Northwest Territory, first ever printed, is also displayed. The map is part of the Henry Ford Museum collection of historic documents.

The visitors pass through a display area lined with these and other important documents, into the beautiful, self-contained gallery where a host of furniture, glass, metals, paintings, pottery, sculpture, textiles and weapons are on display.

The first alcove of the gallery contains early 19th century country furniture, typical of the Northwest Territory. Adjacent to this is a display of ceramics showing excellent examples of redware and stoneware.

Several alcoves of furniture show how styles and traditions from other geographic areas were assimilated into those that developed in the Old Northwest. Pieces from Ohio, for instance, show the strong, elegant influence of southern states, and are rich with wood inlays.

Richly colored and decorated pieces from Wisconsin and Minnesota trace the pronounced Scandinavian influence of the arts and crafts from that area.

Other displays show the influence of the Shaker and Zoarite religious communities. The New England influence is seen in several excellent examples of Old Northwest area furnishings.

Besides furniture, there is a host of pottery and glass displays, including several pieces from the Great East Liverpool, Ohio, potters. Art glassware from Indiana, Ohio and Wisconsin illustrate the rich and varied styles of the Northwest artisans.

Dozens of richly textured, hand-woven coverlets are located midway along the lengthy gallery, demonstrating the artistic style and influence in the Old Northwestern textiles.

An architectural exhibit at the rear of the gallery traces the development of homes from the region being studied. A selection of 24 salon print photographs of outstanding examples of Old Northwest Territory architecture are presented in a comprehensive, well documented display.

Manuel Papista of 907 Washington, an attorney, appeared in Park traffic court on Wednesday, October 7, to defend his father who had been accused in a traffic accident charge.

The father, Gust Papista, 79, of 9446 Queen, Detroit; and Warren Knaggs, 53, of 3603 Courville, Detroit, who was involved in the accident with the older Papista, refused to sign complaints against each other, and Park Judge C. Joseph Belanger dismissed the charges because of lack of witnesses.

However, the attorney, Judge Belanger found, had a Park traffic violation ticket he had not paid. Papista pied not guilty as charged, and was found guilty—and paid a fine of $10.

Help Students Seeking Jobs

Young men and women attending college who may need part-time jobs to help pay for room and board, tuition, books, supplies, Christmas gifts or other expenses, are urged to register with the MESC's Professional Placement Center, at 7310 Woodward.

This unit places college students in all types of jobs throughout the year; clerical, sales, stock, wrappers, and driver helpers, just to name a few, according to Thomas Roumell, Director of the Michigan Employment Security Commission.

Employers are already making their plans for hiring pre-Christmas part-time help, and many of them call the College Unit to fill their needs. Registration immediately for Christmas time employment will help tremendously in having that job ready for collegians when they need it.

The Professional Placement Registration Center is at 7310 Woodward, Room 9, on the main floor, Roumell points out.

Ronald W. Haughton, 264 Lewiston road, a professor in management at the WSU School of Business Administration, has been appointed by President Johnson to serve as chairman of an emergency board established to prevent a nation-wide railroad strike.

Approximately 30,000 members of the Brotherhood of Locomotive Firemen and Enginemen are asking a 25 percent across the board wage increase.

Named to serve with Haughton are Louis Crane, a Detroit arbitrator and Jacob Seidenberg, an arbitrator from Falls Church, Va. Hearings began in Chicago on Tuesday, October 6.

Professor Haughton is also co-director of the Institute of Labor and Industrial Relations, co-sponsored by the University of Michigan and WSU.

Active in labor-management arbitration affairs, he is consultant to the President's Committee on Equal Employment Opportunities and chairman of the Detroit Area Manpower Training and Development Committee.

Haughton has been appointed to assignments in Latin America for the U.S. Department of Labor and the U.S. State Department, Office of the Inspector General. In 1961, he traveled to Bolivia with Sargent Shriver to assist in the establishment of a Peace Corps program there.

Kiwanis Club Approves Trio of Major Projects

At a recent meeting held in the home of Warren DeCook, 975 Woods lane, the Board of Directors of the Kiwanis Club of Grosse Pointe, unanimously approved three projects that will cost the organization a total of $6,360.

The Board authorized the expenditure of $5,200 for a new bus; the setting up of an educational fund of $1,000, for the higher education of the children of a deceased member; and the purchase of a pure stock calf, for $160.

According to Frank D. Galda of 405 Calvin, president of the group, the bus will be purchased sometime in April or May of next year, and will be turned over to the Woods Department of Parks and Recreation for transporting children to and from the Woods lakefront park, located in St. Clair Shores.

The new vehicle will eventually replace a small bus purchased for the Woods about 10 years ago, but still expected to be used for awhile. There is another bus, a large one, donated to the city by the Kiwanians, that was purchased three years ago.

The fund for the higher education is for the school age children of the late Vern C. Bailey, who died on August 12.

Mr. Bailey retired as Director of the Woods Department of Public Safety on June 1.

At the time of his retirement, Mr. Bailey ended a 37-year police career, 12 of them spent with the Woods Department. He retired from the Detroit Police Department, with the rank of inspector, before becoming head of the Woods Department.

He was a past president of the Kiwanis Club of Grosse Pointe, and at the time of his death, was the immediate past lieutenant governor of the Second Division of Kiwanis of Michigan.

The third project, Galda said, has never been undertaken before, the purchase of a calf of pure stock, to be given to a member of the 4-H Club, to be raised for prize show entry at the annual State Fair.

The calf will be given to a recipient to keep as his, or her, own, but whoever accepts the calf must sign a contract that when the animal is full grown, its first offspring must be given to the Kiwanis Club, which in turn will present the new calf to another 4-H member to raise.

Galda said that this will be a continuous cycle, with each first dropped calf to belong to the club to be given to someone to raise and breed, and to enter into prize shows.

World Adventure Series Starting

Freshly filmed color movies of "The New Germany" will be shown by Alfred Wolff, Chicago world traveler, to open the World Adventure Series public color movie travel program at 3:30 Sunday afternoon, October 25 at the Detroit Institute of Arts.

Wolff covers present-day Germany thoroughly by motor car, from East-West Berlin to the Ruhr and Rhineland, and south to Bavaria. Another future highlight is Robert Cohen's "Inside Castro's Cuba," first and only full-length documentary color movie of what's happening in Cuba. Shown is a country bristling with weapons, heavily supplied by Russia and China, yet with lagging production and declining living standards.

The World Adventure Series office at the Institute is open from 1 to 5 every afternoon but Mondays, telephone TE. 2-7676. For a free illustrated folder describing all coming attractions, telephone or write World Adventure Series, Detroit Institute of Arts, Detroit 2, Michigan.

On succeeding Sunday afternoons at 3:30, the World Adventure Series will cover the entire world. A tour of Japan in 1964, and how it looks to Olympic visitors, will be offered by John M. Goddard. Benton S. Clark brings "New York City and the World's Fair." Ray Dinsmore follows the Iron Curtain from East Berlin all the way south through Hungary, Yugoslavia, Romania and Bulgaria.

North America is well covered, too. Don Cooper, hilarious Alaska lumberjack, and Stan Midgley, the bicycling humorist, will picture tourist attractions of the entire Pacific Coast from California to Alaska. Curtis Nagel offers an all-new "Mexico," and Willis Butler has just completed "Canada From Coast to Coast."

Captain Irving Johnson, author who is famous for sailing a yacht seven times around the world, brings the story of his voyage in his little YANKEE all the way up the Nile from Alexandria and Cairo to the new High Dam. He pictures the Pyramids, Sphinx, Valley of Kings and all other celebrated antiquities.

Among other countries to be pictured in brand new color film are Britain, Sweden, France, Spain, Greece, Switzerland and the 1964 Lausanne Fair, the Rhineland, Morocco, Borneo, the Philippines.

October Notes For Stargazers

Here are some items for the star-gazer's October notebook:

The length of the day will drop from slightly less than 12 hours at the beginning of the month to about 10 hours and 20 minutes at the end, according to University of Michigan astronomer Hazel M. Losh.

Saturn and Jupiter are well placed for observation during the month. At dark, Saturn may be seen above the southeastern horizon with no other bright objects in its immediate vicinity. Jupiter rises shortly after sunset and dominates the night sky.

The Hunter's Moon will appear on Oct. 20. This full moon is the first full moon following the Harvest Moon of September and is a great boon for hunters. Like the Harvest Moon, the Hunter's rises at about the same hour for several nights in succession, furnishing plenty of moonlight throughout the whole night.

Ensign Jantz Takes First Solo Flight

Navy Ensign John C. Jantz, son of Mr. and Mrs. Richard G. Jantz, of 463 Allard road, took a giant stride toward winning his coveted "Wings of Gold" at Pensacola, Fla., recently when he flew his first solo flight in the "Mentor" trainer.

During primary flight training, he is receiving academic training in communications, navigation, engineering, athletics, aerology and civil air regulations.

Upon completion of this instruction, he will advance to another stage of aviation training.

By Bert Mills

Newspapers are taken for granted by most people most of the time but once each year the press focuses attention upon itself by sponsoring National Newspaper Week, which is being observed October 11-17.

This event serves the useful purpose of providing both an opportunity for self-examination by those who produce the nearly 10,000 newspapers and an occasion for 84 million buyers to pay special attention to the papers they read. Both groups can profit by this scrutiny.

Like almost everything else made by men, newspapers are changing with the times. They must to survive. Most of the changes are subtle and undramatic, likely to go unnoticed except by those in the trade. And examination of the back files of any successful paper will demonstrate some of the changes.

Newspaper publishing is a unique business. Article 1 of the Bill of Rights of the Constitution declares: "Congress shall make no law . . . abridging the freedom of speech or of the press." No other business has such a guarantee, nor such a responsibility.

In 1789, it was a revolutionary idea that the press should be guaranteed its freedom. That this nation has endured and prospered is due in part to the foresight of the founding fathers in insisting on making freedom of the press a fundamental precept of our form of government.

In 1832, Thomas Jefferson wrote: "Were it left to me to decide whether we should have a government without newspapers or newspapers without a government, I should not hesitate a moment to prefer the latter." No doubt he had in mind that if there were no government, the press would see to it that one was formed promptly.

What is so remarkable about the Constitutional guarantee and Jefferson's statement is that the newspapers of the early days were largely the personal organs of strong-minded propagandists for causes. If you think the press is rough on politicians today, you should see some of the vitriol printed way back when.

The concept that publishing a newspaper is a public trust has been developing over the years. Freedom of the press now connotes a responsibility to be fair, to present both sides of a public question, to lay bare the facts and let the readers reach their own conclusions.

At the same time, a newspaper must pay its bills. Gone are the days when a rich man could become a publisher to air his personal views. Publishing is highly competitive and the product must appeal to a mass audience to survive. Bad newspapers do not last very long.

Readers pay only about one-quarter of the cost of their newspaper. Advertising revenue is what makes possible the production of a paper. Thus when a citizen patronizes a local merchant who advertises in the hometown paper, he is helping to ensure continued publication.

While the huge metropolitan dailies dominate the newspaper field, the backbone of the industry is the hometown paper, whether issued daily, semi-weekly or weekly. These are the papers that are closest to the people and in many cases the editor knows most of his readers personally.

There are more than 8,000 weeklies published today, with an aggregate circulation of over 24 million copies per issue. These figures do not include shopping papers carrying little or no news or newspapers with no paid circulation.

Technological progress has given the weekly field a shot in the arm in recent years. Introduction of the photo-offset process has led to the establishment of many joint printing centers throughout the nation. No longer does a publisher require his own press to publish.

Even in big cities, two competing papers may be published in the same plant. This reduces operating costs during a period when publishers are particularly hard-pressed to meet rising expenses, plus strong competition for the advertising dollar from electronic media.

During National Newspaper Week, pause to consider the important role your newspaper plays in your daily life. You need it more ways than you think. You would be lost without it. At least, I would.

Center Offers Travel Movies

One of the most popular circumnavigating couples in the Detroit area, Mr. and Mrs. Ben W. Beyer will be featured on the Grosse Pointe War Memorial's "Meet the Travelers" series Monday evening, October 19, at 8 o'clock in Fries Auditorium. The showing and commentary are free to all interested Grosse Pointers and their guests.

Mr. Beyer is the photographer and shows the pictures. Mrs. Beyer takes notes and is a most interesting and entertaining commentator. This time, the Beyers made the journey to the Middle East as official delegates which gave them entre' to a number of spots not open to the ordinary tourist. They have woven a fascinating pattern of the new and the old in both the Arab and Israeli worlds.

Coming back from the Middle East the Beyers stopped in sparkling Greece and gay Vienna, the pictures of which add a pleasant dessert course to a beautiful feast of photography.

Richard P. Koller Serves On Destroyer

Richard P. Koller, fire control technician third class, USN, son of Mr. and Mrs. A. P. Koller of 1528 Roslyn road, participated in a North Atlantic Treaty Organization (NATO) naval training operation called "Exercise Team Work" in the North Atlantic while serving aboard the destroyer USS Barney.

His unit, along with other naval units from Belgium, Denmark, France, Norway, the Netherlands and United Kingdom, is conducting training operations in strike, anti-submarine and anti-air warfare.

NATO training operations are held periodically to test the coordination of NATO countries and develop their combined combat readiness.

What Goes On at Your Library

By Virginia Leonard

It's potpourri time again — time to take a look at some of the new books lining the shelves in back of my desk, waiting to be catalogued. There's quite a variety too; surely we'll mention something that will titillate your interest—pique your curiosity—spur you to come into our Libraries and take out some books!

Max Shulman has just written another gay, irrepressible novel: ANYONE GOT A MATCH? satirizing the potential danger of cigarettes—and also food. The cast of characters includes an old but vigorous cigarette tycoon, a son who prefers the groves of academe, and a TV leader who is able "to nice" (a transitive verb in television parlance). If you like Shulman and his shenanigans, you will like his new opus.

MY AUTOBIOGRAPH by none other than Charlie Chaplin is brand-new and will be read by the curious, the movie-minded, and by those both pro and con Chaplin, for he is a well-known and colorful figure. His most vivid recollections seem to be of his early years, starting with his Dickensian boyhood of trials and poverty, but with very little mention of his marriages or his children.

In quite a different vein is THEY ALL DISCOVERED AMERICA, by Charles Boland, which tells of the ignored pre-Columbian visitors to America —where they came from—why they were here, and discusses the controversial evidence they left behind. Mr. Boland mentions the archaeological evidence, such as stone ruins in New Hampshire and Phoenician inscriptions on rocks in Pennsylvania. This will be of interest to early American history buffs.

Back again to the ratfish, we find a new Ben Hecht — LETTERS FROM BOHEMIA. Here is a nostalgic memoir of some remarkable men of his generation: Sherwood Anderson, H. L. Mencken, Maxwell Bodenheim, George Grosz, George Antheil, Charles MacArthur and Gene Fowler. There is humor, individuality and pathos here—and great love.

Literary personalities again are presented by Margaret Widdemer in GOLDEN FRIENDS I HAD. Such sensitive, creative and sometimes eccentric people as Edna Millay, Amy Lowell, Sinclair Lewis, Joyce Kilmer, Theodore Dreiser and the Benets are here presented, evoking a gay but angry spirit of the era in which this author lived, and recalling rare talents and unmatched personalities.

On the political scene is a heavy tome by John Roche entitled: SHADOW AND SUBSTANCE, and sub-titled: Essays on the theory and structure of politics. Especially pertinent in a presidential election year, this selection of refreshing views by a well-known historian and critic is certainly welcome. Here is both the "shadow" and the "substance" of national political issues, with an attempted analysis of democratic political theory and the state of our Union.

Are you a Georges Simenon fan? If so, you will indeed rejoice at FIVE TIMES MAIGRET, which is (as you might guess) a five-novel omnibus. Two of them are published for the first time in the United States, and the others are out of print. If you know Simenon and his famous Maigret, I need say no more—you are already hooked.

With all the interest evinced lately in this subject, you might want to dip into THE STORY OF THE PEACE CORPS by George Sullivan (with an introduction by Sargent Shriver). This is an organization, as we all know, which has been vigorously attacked and ably supported. While this is not a definitive treatment, it will help from the standpoint of history and orientation.

And again we jump drastically — subject-wise. Dr. Rudolf Dreikurs, a child psychiatrist, and Vicki Soltz, a registered nurse and mother, have written CHILDREN: THE CHALLENGE, representing a lifetime of experience with children and their problems, pleasures and challenges. Dr. Dreikurs presents much material covering the myriad situations that parents face, followed by appropriate, tested solutions, and the principles behind the solutions. The book is aimed to meet the needs of all parents.

If for no other reason than the provocative title, I must include a new volume by John Fischer. The title? THE STUPIDITY PROBLEM AND OTHER HARASSMENTS. Here, the editor-in-chief of HARPER'S MAGAZINE seems to be an uninhibited observer of contemporary Americana, and ranges from serious discussions of race relations and population control, through observations on charitable foundations, television and the mass-circulation magazine, and thence on into lighthearted comments on such institutions as the American female, bird-watching, and Davy Crockett. He is shrewd, stimulating, and charming.

My shelf is still groaning with books, but space is running out. Cheer up, soon they'll be appearing on the shelves and you'll have the opportunity to read the ones that interest you. As a corollary benefit, they may awaken interest in other older books that you'd completely forgotten about. And with cold fall days ahead, reading before an open fire is a wonderful way to spend your leisure time.

City National's Earnings Rise

John H. French, Jr., president of the City National Bank of Detroit, reported that the bank's net operating earnings were $2.89 per share for the nine month period ending September 30, 1964, compared to $2.55 for the same period in 1963, adjusted to reflect a 10 per cent stock dividend paid in February, 1964.

Deposits have again increased during the period by 17 per cent from $224,743,172 on September 30, 1963, to $262,884,646 on September 30, 1964.

Total resources stand at $283,977,177 having increased from $244,746,726.

Gross revenues for the period were $9,535,377 compared with $8,314,794 for 1963.

Total loans increased to $138,245,329 from $124,448,326 in 1963.

Mr. French also stated that during the period City National Bank opened three new offices, the last being office No. 21 at Alter and Kercheval in Detroit.

Why are some drugs like "ecstasy sauce?"

By Fred Kopp, R. Ph.

If you read "Li'l Abner" you may recall how the Gourmet's Club plotted to make "Ecstasy Sauce" from the Yokums' pet pig, Salomey. Recipe: Boil down one hammus alabamus (Salomey) until just one single, solitary delicious drop remains—and that is "Ecstasy Sauce." In terms of food, this is humorously ridiculous, but it's actually routine in the making of drugs. Often hundreds of pounds of raw materials must be processed and reprocessed to obtain one tiny pinch of the active medication. Which helps explain why modern drugs are so potent, and why we pharmacists dispense them only when your physician writes a prescription.

This is the 1026th of a series of Editorial advertisements appearing in this papre each week.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Lucky people! This year one may go from house to house on October 17 for the Grosse Pointe Garden Center Tour of Homes, ending up at the Valentine Guenthers' residence in Touraine road, where all manner of gourmet items will be on sale.

Thus one may very easily carry home an elegant casserole or sweet for dinner—a special boon to the women (and men, too) whose heads are full of decorating and accessorizing ideas after visits to eight of The Pointe's most charming homes.

Mrs. James B. Ogden, of Whittier road, is in charge of this new "extra." The Sale is a Saturday-Only special, with food available "as long as it lasts," but the House Tour is scheduled Saturday AND Sunday, from 1 until 5 o'clock.

Tickets may be purchased at any of the homes, Mrs. William H. Fries' residence in Stratford place, Mrs. Gerald F. Schneider's Lincoln road demesne, the Robert W. Scripps' house in Lakeshore road, Mrs. B. Holton Kammer's house in Kerby road, Mr. and Mrs. John S. Sweeney, Jr.'s house in Waverly lane, Seabourn S. Livingstone's bachelor quarters in Lakeshore road, Mr. and Mrs. Charles A. Parcells, Jr's. Cloverly road residence.

Tour co-chairmen Mrs. Henry Walker, (TU 2-0610), and Mrs. David Viger, (TU 1-2855), or ticket chairman Mrs. Ivor Harris, (TU 4-2344), will be happy to handle advance ticket requests.

Tickets, priced at $3 each, are also available at the Garden Center or the Grosse Pointe War Memorial Office.

Among the ladies working for a successful '64 Home Tour are Mrs. Hansel Wilson, Mrs. William Cudlip, Mrs. J. Crawford Frost, Mrs. Bayard Johnson, Mrs. William Beckenhauer, Miss Marie Louise Anderson, Miss Chris-

Earlier in the day, Mrs. Peterson spoke before the Wayne County Republican Club.

Robert Powers Wed In Coast Ceremony

Marries Diane Elizabeth Gruss in San Diego, Cal.; Will Live There Following Honeymoon in Mexico and Guatemala

Robert Sibley Powers, son of Mr. and Mrs. Robert B. Powers of Whittier road, took as his bride, Diane Elizabeth Gruss, in a ceremony performed Saturday October 10 in the First Presbyterian Church, San Diego, Calif.

Roger Kenyon Powers, the bridegroom's brother, was best man and Eugene William Lewis, III, of Grosse Pointe and Bloomfield, served as one of the ushers. The bride was attended by four bridesmaids and a matron of honor, all from California.

The new Mrs. Powers, daughter of Dr. and Mrs. Jack William Gruss of Mount Felix, Calif., is a third generation Californian. A graduate in the art school of San Diego State College, she is a member of Chi Omega Sorority.

Mr. Powers is a graduate of Andover and San Diego College. He attended the University of Michigan for two years where he became a member of Sigma Alpha Epsilon. He is on the securities staff of Eastman Dillon, Union Securities Co. of San Diego, and is a grandson of Frederic M. Sibley, who was a member of a pioneer Detroit lumber and industrial family. His father is publisher of Ward's Automotive Reports.

Following their wedding, the couple left on a trip to Mexico and Guatemala.

They will make their home in Spring Valley, Calif., a San Diego suburb.

Zoar Society 85 Years Old

The 85th anniversary of the Zoar Society will be celebrated with a luncheon, to be held at The Harmonie, on Friday, October 30 at 12:30 p.m. Dr. Robert C. Stanger, president of Elmhurst College, Elmhurst, Ill., will be the speaker.

Also on the program are Mrs. Robert Schlorff, soloist, with Mrs. Albert Schlorff her accompanist. Mrs. John Bloom will be the toastmistress.

Assisting the chairman, Mrs. Herbert Path, are the following committee members: Mrs. A. H. Meyer, program; Mrs. Franz Georgi, reservations and Mrs. Russell Winkler, decorations. Others on the committee are the president. Mrs. Carl Mimp, Mrs. Howard D. Gould, Miss Edna Hack, Mrs. William Ludwig, Mrs. John Mott, Mrs. Frederick J. Peppers and Miss Gertrude Schwarz.

The Zoar Society traces its origin back to October, 1879 when a small group of women gathered at the home of Mrs. Louise Leuschner to knit and sew for the Zoar Asylum, then located in southwest Detroit. These women called themselves the Zoar Society. As the city grew, the Home was moved from its first location to West Grand Boulevard, then in 1946 to its present location at 6700 West Outer drive, where it is now known as the Evangelical Home for Children and Aged.

Through the years, the Society as the Home Auxiliary has been able to make substantial contributions in support of the Home by holding various fund raising projects, including bazaars and card parties. The most recent donation has been a complete x-ray unit for the clinic in the newly completed convalescent wing of the Home.

During the year, the residents of the Home are guests of the Society at several special parties. Annual events are the Christmas Festival and the Spring Festival, both held at the Home. The suppers, still traditionally German, are prepared and served by the members of the Zoar Society.

Kathleen Mary Bruce Weds Mr. Boemer

Reception At Whittier Follows Rites; Pair Traveling To California; To Live In San Jose for Five Months

At an 11 o'clock Nuptial Mass in St. Clare de Montefalco Church Saturday morning, Kathleen Mary Bruce, daughter of Mr. and Mrs. John Marshall Bruce, of Devonshire road, spoke her marriage vows to Richard Carpenter Boemer.

He is the son of Mr. and Mrs. Paul G. Boemer, Sr., of Whitefish Bay, Wis.

The Reverend Edward Sweeney, O.S.A., officiated at the ceremony, which was followed by a reception in the Crystal Room of The Whittier Hotel.

The bride wore a sheath gown of delustred satin, styled with an oval train and appliques of Alencon lace at her neckline and on a panel inset in her skirt.

Her Cathedral length mantilla was fashioned of Princess lace from Brussels, and she carried a satin covered missal, with a bouquet of stephanotis and roses.

Matron of honor Mrs. Ronald Winiemko, and bridesmaids Kathleen Eagan, Mary Ellen Kotcher, Julie Louisell and Andrea McConnell, were dressed identically in emerald green, A line gowns, with velvet bodices and skirts of reversed peau de soie.

Their modified turban style hats were fashioned of matching green netting, with contrasting mustard ostrich tips at the backs. They carried arrangements of fall yellow and brown mums.

Paul G. Boemer, Jr., served as his brother's best man. Ushering were Donald Stockhousen, James Fallon, Michael Rooney, the bridegroom's cousin, Daniel Sullivan and Richard Reilly, all of Milwaukee, and Michael Bruce, the bride's brother.

For her daughter's wedding, Mrs. Bruce chose a chocolate brown brocade costume suit. Mrs. Boemer wore a pale beige afternoon dress. Both mothers wore orchid corsages.

The newlyweds are traveling by auto to San Francisco, Calif. They will make their home in San Jose, Calif., for five months, and plan to return permanently to Detroit next March.

Villagers Plan Dance Saturday

The Villagers this year began their seventeenth season, and plans to assure that it will be a gala and exciting one were made by Mr. and Mrs. Chester Kasiborski, Mr. and Mrs. George Gillis, Mr. and Mrs. Richard Keller, Mr. and Mrs. Frederick Critchfield, Mr. and Mrs. Donald Bamberger and Mr. and Mrs. Richard Rosin at the Oxford road home of Mr. and Mrs. Steven Gawura.

During the year, Villagers will gather at Lochmoor Club, the Detroit Yacht Club, the Grosse Pointe Yacht Club and the Hunt Club.

The first dance of the season will be held at Lochmoor Club on Saturday, October 17. Among those who will be hosting pre-dance parties are Mr. and Mrs. John N. Bradley of Severn road, Mr. and Mrs. Lonald R. Lena of Peach Tree lane and Mr. and Mrs. Priestman Bewley.

To Hold HOPE Bazaar Oct. 20

In what members hope to be the first annual Christmas Bazaar to benefit Project HOPE, Phi Mu alumnae will welcome patrons to the Grosse Pointe Community House, Kercheval avenue in "The Village," Tuesday evening, October 20 from 7:30 until 10 o'clock.

Phi Mu is the second oldest Panhellenic sorority and is in its 113th year. This marks the first year of the official adoption of Project HOPE as Phi Mu's social service project by collegiate and alumnae chapters all over the nation.

The bazaar will feature handmade items by members. Some of the items are pastel birdcages, pomander balls, fancy aprons, hand-painted stationery, Christmas decorations, children's gifts, and many more.

The members have participated in a workshop for the past six months at the home of Mrs. Mark Littler in Webber place.

In addition to the reasonably priced gifts at the sale, coffee and cookies will be served. For a silver donation to Project HOPE, a full color Lithograph print of the Michigan Mackinac Bridge, suitable for framing, will be given each donor. Phi Mu members are hoping to reach a goal of $500 as their donation to Project HOPE.

Grosse Pointe members who have been working on the project are, in addition to Mrs. Littler, Mrs. C. G. Egan, Mrs. Gerald Fine, Mrs. George W. Johnson, Mrs. James Harrell, Mrs. Lloyd Stephans, Jr., Mrs. Thomas Marshall and Mrs. Paul D. Bagwell.

KATHLEEN MARY BRUCE was married to Mr. Boemer Saturday, in St. Clare de Montefalco Church. Parents of the couple are Mr. and Mrs. John Marshall Bruce, of Devonshire road, and Mr. and Mrs. Paul G. Boemer, Sr., of Whitefish Bay, Wis.

Center to Hold Indian Evening

The Grosse Pointe War Memorial's series of international dinners and programs will begin this Friday evening, October 16 at 7 o'clock with an "Evening in India." Reservations may still be obtained by calling the Center immediately.

The Royal Evening in India will begin with a delicious banquet at specially decorated tables in the Crystal Ballroom. Featured on the menu will be Ananas and Kelanu (chilled pineapple and bananas in papaya juice). Then there will be Iral Eruvu (curried shrimp with fresh cocoanut served on rice). An interesting dessert will be Sagoo Halwa. For all the delicacies guests will receive recipes. On display will be articles of art and products of India from carved ivory to beautiful silk saris.

Two young people from India will be special guests and will entertain with Indian music following dinner. They are Kamala Dorai and Shrikand Bedekar.

A feature of the opening dinner and program will be a taped interview with the Maharajah of Udaipur and a world premiere of color films of his fabulous palace located on an island location in a gem like lake. There will also be films of another of India's show places, the Vale of Kashmir.

Woman's Club Slates Session

The regular meeting of the Grosse Pointe Woman's Club will be held October 21, at 1 o'clock in the Crystal Ballroom of the Grosse Pointe War Memorial. The annual Flower Show will be presented.

Mrs. E. Richard Murvay has announced that "Autumn Splendor" will be under 10 different classes; Class 1—Harvest Moon, Mrs. Fred Rydholm, chairman; Class 2—Nature's Bounty, Mrs. Henry Lampman, chairman; Class 3—Back in School, Mrs. Clifford Cardwell; Class 4—Summer Souvenirs, Mrs. Leland D. Assisting Mrs. Murvay are her co-chairmen, Mrs. Reginald Roddis, judge's chairman; Mrs. F. J. Coulter, staging chairman; Mrs. John Crane, clerk's chairman; Mrs. H. J. Quinn; and classifications chairman, Mrs. Sidney DeBoer.

Museum Offers Timely Exhibit

An interesting and timely exhibit, during this exciting presidential year, is currently on view at the Detroit Historical Museum, Woodward and Kirby. The American Way—Presidential Elections from the Past—will be featured through November 15. The Museum is open Tuesday through Sunday from 9 a.m. to 6 p.m. Closed Mondays. Admission free.

For this exhibition, political symbols of the presidential elections have been selected from the Museum's collections. Political badges, buttons, ribbons, hats, lanterns, cards, posters, pictures, cartoons are presented in chronological order from the inauguration of George Washington in 1789 to the election of John F. Kennedy in 1960. All the pictures of the Presidents and their medallions are also shown in this display.

This is the material that excites the electorate's blood for a day—then is thrown away—yet this is a part of the American Way. The hoopla of a political convention, the political campaign with its caustic commentary — the accusations of each political party—the election with its pollsters and IBM calculations—all are an important part of this story—"This is the American Way of choosing its leaders—and it works."

Feature Family Gifts At '64 Holiday Mart

Cottage Auxiliary Again Sponsoring Pre-Christmas Fair; Gourmet Booth New This Year

The annual Holiday Mart, sponsored by the Gift Shop Guild of the Women's Auxiliary to Cottage Hospital, will be held this year Thursday only, October 29, from 10 until 8 o'clock, at the Nurses' Residence in Ridge road.

General chairman of this year's Mart is Mrs. William J. Nixon, assisted by co-chairman Mrs. James B. Ogden.

The ladies promise a very interesting and exciting assortment of gifts for each member of the family—from the new baby right on through Grandma and Grandpa—plus a selection of unusual gifts for those special friends who seem to have "everything."

Mrs. Lewis Fink, the Gift Shop manager, heads a committee in charge of setting up the various booths, each booth to be well staffed with pleasant and efficient personnel to assist the purchaser in making selections.

Again in charge of decorations is Mrs. Arnold Davidson, who has promised to turn the Nurses' Residence into a festive Holiday Hall.

Mrs. Stanley Smith and her committee are putting finishing touches on exquisite Christmas wreathes and decorations, while Mrs. Emmett C. Gentleman and her "White Elephant" ladies are collecting and classifying a selection of unusual gifts that many antique dealers would be proud to display.

A new feature this year is the Gourmet Booth, under the direction of Mrs. Paul Moreland, who will present an assortment of fruit cakes, jams, jellies and Holiday treats.

Mrs. Robert C. Lewis will provide a delightful touch of relaxation for shoppers who take time out for a "cup o' tea" from 11 until 5 o'clock in the library.

A Wedding To Remember

It took place September 27, at the Newman Club in Ann Arbor. Dr. Dewitt C. Baldwin, a Methodist minister, Director of Religious Education at the University of Michigan, officiated. The ceremony incorporated parts of the Christian ritual with parts of the philosophy of Buddha.

The bride, Karnjanavut Atthakorn, (known to her fellow Grosse Pointe High School graduates as "Tum"), wore a long, fitted sheath dress of brightly printed aqua Thai silk, with a fitted aqua jacket. She pinned a large white orchid in her hair.

Tum and her new husband, Nikom Buddhamatya, are both from Thailand. Mr. Buddhamatya is working toward his PhD. in English at the University of Michigan; he will return home to teach for the Thai government.

His bride lived with Dr. and Mrs. Laurence A. Pratt, (Mrs. Pratt is known professionally as Dr. Alice Palmer), while studying in The Pointe. She returned to Thailand; then, a week before her wedding, came back to The Pointe as the guest of Dr. and Mrs. George C. Wedge, of Blairmoor court.

Joyce Adams, of Barclay road, served as the bride's honor attendant. Mrs. Robert Maynard, of Bedford road, presided over the wedding cake, and a group of the bridegroom's friends prepared Thai food for the reception.

"Humor Invited"

In case you've forgotten, (!), this is an Election Year . . . and even members of garden clubs—of The Garden Club of Michigan, specifically—are turning to campaigns and candidates for inspirations.

Special feature of the afore-mentioned Garden Club's regular meeting, at the Kenwood road home of Mrs. Lynn McNaughton next Wednesday afternoon, will be an arrangement competition, featuring floral interpretations of political persons or slogans, with humor most definitely invited!

Mrs. John McNaughton will co-hostess the meeting, and the program speaker will be Dr. George H. M. Lawrence, Director of the Hunt Botanical Library, Pittsburgh, Pa., who will discuss "Modern Marco Polos."

Homecomings

Back from salmon fishing in New Brunswick and a fabulous fall trip through Maine—"We hit the foliage just right!"—are Mr. and Mrs. C. Q. Swenson, of Lincoln road.

Mr. Swenson is one of those VERY dedicated fishermen who plan an angling expedition every spring and autumn; Mrs. Swenson accompanies him "when invited," enjoys the journey and "all that good food," and is not averse to going out with rod and reel herself, competently catching her own fish.

Mr. and Mrs. Arthur F. Neff, of Fisher road, have just returned from a month's vacation in New Jersey, Connecticut, New York, (including The Fair), and Washington, D.C.—their last tour of the Capital was 50 years ago!

Earlier in the summer, the Neffs' son, Arthur, Jr., vacationed in the Hawaiian Islands, journeying to Hilo, where his father worked 50 years ago.

How Glamorous Can We Be?

Latest word is that eight-foot ferns from Oregon, and violets from California, will help make the Detroit Institute of Arts a perfect setting for "My Fair Lady."

As you know, Mrs. Edsel Ford is to be the honored "Fair Lady" at the movie premier and Afterglow October 28.

Men To Clerk At Xmas Mart

Volunteers of BOTH sexes are donating their time—and talents — to this year's Planned Parenthood Christmas Mart, scheduled to begin Tuesday evening, October 27, at 5 o'clock, run all day Wednesday, October 28, from 10 in the morning until 9 in the evening, and close at 5 o'clock Thursday evening, October 29. Mart scene is Detroit's Veterans' Memorial Building.

The male volunteer nucleus is drawn from the Pere Marquette Rod and Gun Club, including sportsmen William Boydell, Richard Marsh, Willard Kerr and John Coe.

Frank Winders will represent the male skiing contingent, and among other volunteer clerks will be Arthur Hudson, Hudson Holland, Alfred Glancy, III, Myron May, Frank Ware, Chris Wilkins, Sterling Graham, C. A. Dean, Calvin Purdy, John Park, William Beardslee, Foster Barrows, David Bogle, Post Fordon and Samuel Sherer.

As always, the lady volunteers will be behind counters, too; the Mart is planned and organized by women-who-really-know-how-to-work. A case in point: Mrs. John Kenower, doing double duty, devoting her time to Liggett School—and in New York now, looking at new and exciting merchandise from some of the 22 shops to be represented at the Mart.

Cobane-Felt Betrothal Told

Mrs. Audrey Felt, of Lansing, Mich., has announced the engagement of her daughter, Suzanne Grace, to John Howard Cobane, Jr., son of Dr. John Howard Cobane, of Merriweather road, and the late Mrs. Cobane.

Miss Felt is also the daughter of Carl R. Felt, of Riverside, Calif.

The bride-elect and her fiance are both graduates of Michigan State University, where he affiliated with Sigma Chi fraternity.

A spring wedding is planned.

He who prays as he ought will endeavor to live as he prays.

Mrs. William D. Bresser

At an evening ceremony in St. Paul's on the Lakeshore October 2 Susan Varty Andrews, of Moross road, daughter of Mr. and Mrs. T. Raymond Varty, of Port Huron, was married to Mr. Bresser, son of Mr. and Mrs. Walter Bresser, of Kensington road.

G. P. Sail Club Has Clambake

The Grosse Pointe Sail Club held a fresh clam and lobster cookout at the waterfront park in Grosse Pointe Park on Friday, October 9. More than 90 members attended the affair

Although the event was originally planned to be held on the beach, chairman Tom Roach moved the group indoors in front of a crackling fireplace when a cold drizzle threatened to dampen the party.

Once inside, chief, Dick Stofdlett, assisted by Dr. John Fennessey, John Rupprecht and Jack Purcell, served bowls of freshly cooked clams and melted butter, followed by fresh lobster for everyone. Rear commodore, Jay Deeds, made the meal even more complete with his hot garlic bread, homemade cookies and dessert.

After dinner, Mrs. John Reid, guest of Commodore and Mrs. Leo Cowling, was announced the winner of a special door prize. Her screams of joy, however sounded more like shrieks of terror when she was handed the prize — a large 11½ lb. lobster alive and kicking.

HARRY E. FOULKROD, of South Deeplands, has accepted an appointment to serve as a member of the Board of Trustees for the Lelanau Schools, Glen Arbor, Mich., and will be active in the schools' $3 million capital fund campaign.

'Pops' Concerts Being Planned

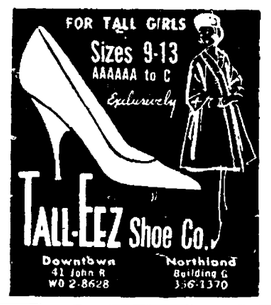
Tickets are now available for the new Cabaret Concert series of "pops" programs by the Detroit Symphony Orchestra. The concerts, to be conducted by Louis Lane, will take place during the first two weeks of December at the Light Guard Armory at 4400 E. Eight Mile Road.

Reservations can be made for tables of four at $12 and $8. Beverages and light snacks will be served during all performances.

Tuesday, December 1, and Wednesday, December 2, will be Gershwin nights with pianist Earl Wild as soloist; Friday, December 4, and Saturday, December 5, Viennese nights with Detroit soprano Nadja Witkowska as soloist; Tuesday, December 8 and Wednesday, December 9, Tchaikowsky nights with pianist Eunice Podis as soloist; Friday, December 11, and Saturday, December 12, Rodgers and Hammerstein nights featuring the Kenneth Jewell Chorale and several leading Broadway singing stars.

Opening night, December 1, will be a benefit performance sponsored by the Detroit Committee For Seven Eastern Women's Colleges. The final concert on December 12, will be "Teen-Age Night," admission for which is available only to those able to prove they are under 21.

Mr. Lane, who will conduct all of the Cabaret Concerts, is associate conductor of the Cleveland Orchestra and conductor of the Cleveland "Pops" Orchestra, as well as being an accomplished pianist and composer. He has never before conducted The Detroit Symphony Orchestra.



Bresser-Andrews Vows Exchanged

Pair to Live in Miami, Fla.; Bride Wears Champagne Peau de Soie Gown; Travel to Jamaica on Wedding Trip

A reception at the Detroit Yacht Club followed the October 2 wedding of Susan Varty Andrews and William Douglas Bresser.

Father James Varty, brother of the bride, officiated at the evening ceremony in St. Paul's on the Lakeshore.

The bride, who had been making her home in Moross road, is the daughter of Mr. and Mrs. T. Raymond Varty, of Port Huron. Her husband's parents are Mr. and Mrs. Walter J. Bresser, of Kensington road.

For her marriage, the former Susan Andrews chose a gown of champagne peau de soie, styled with cascading back panels. Her scooped neckline and the panels were trimmed with Alencon lace, accented with seed pearls and sequins.

Her shoulder length illusion veil fell from a headpiece of peau de soie petals, with pearl and sequin trimming, and she carried an arrangement of bridal white rosebuds.

Mrs. Gene Swantek, of Harper Woods, served as her sister's matron of honor and only attendant, in a floor length gown of emerald green satin. She carried an autumn bouquet of baby chrysanthemums.

Jerome Knight Bresser was his brother's best man. Ushering were James and Allan Bresser, two other brothers of the bridegroom, and David Varty, the bride's brother.

The bride's mother chose a Grecian gown of soft orange crepe, with matching accessories. The bridegroom's mother chose a gown of olive green and gold brocade, with a dress length chiffon and brocade stole and gold accessories. Both mothers wore white orchid corsages.

After a wedding trip to Jamaica, the newlyweds are making their home in Miami, Fla.

AAUW To Sponsor 'Red Riding Hood'

Musical Version of Famous Fairy Tale Scheduled October 24; Proceeds from Two Performances Earmarked for Fellowship Fund

The children of Grosse Pointe will be given the opportunity to see the delightful fairy tale "Little Red Riding Hood" at Pierce Junior High School Auditorium on Saturday, October 24.

The play will be performed by the Detroit Children's Theater, brought to the community by the Grosse Pointe Branch of the American Association of University Women.

The play is a new musical designed to appeal to both young and older children. This imaginative interpretation features lots of music and song and is highlighted by an actor making-up for the part of the wolf on stage while answering questions from the audience.

Mrs. David Howell, Children's Theater chairman, has announced that there will be two performances — 1 and 3 o'clock and that the price of admission is .75.

Tickets can be purchased from AAUW representatives in the schools or from the following area merchants: Peter Pan, Inc. and Doubleday's in the Village; Punch and Judy Toyland, 97 Kercheval; Harkness Pharmacy, 20315 Mack Avenue.

Group seats for eleven or more children may be reserved if Mrs. John MacKay, (TU 2-6206), is notified by October 21. This is an ideal way to entertain birthday parties, nursery schools groups or scouts.

Mrs. Abram Brown, (TU 1-8515), AAUW Fellowship chairman, has Patron tickets available for a $5 contribution. As a patroness you will receive three tickets to the play, which may be used in one of two ways: use them yourself or designate that they may be used by the Fellowship Committee for a children's group.

The Pointe Players, under the direction of Fred Nelson, will usher at both performances and will also help behind the stage with scenery and costumes.

The Detroit Children's Theatre is an adult professional company of musicians and actors. Their interpretation of "Little Red Riding Hood", currently appearing in New York, makes its Mid-West debut through the Detroit Children's Theater.

Mrs. Brown explains that the benefits of the theater program are two-fold: to help raise funds for the AAUW Fellowship Fund, which gives financial assistance to American and foreign women for post graduate study and research; secondly, to give the children of the community an opportunity to view a live professional theater production.

Local AAUW members responsible for bringing "Little Red Riding Hood" to the children of the Grosse Pointe Communities on October 24 are: Mrs. David Howell, chairman; Virginia Becker; Mrs. Abram Brown; Mrs. Kenneth Cook; Mrs. David Coolidge; Mrs. Richard Dietz; Mrs. Roy Erickson; Mrs. Richard Edwards; Mrs. Edward Francis; Mrs. Richard Heglin; Mrs. John Mackay; Mrs. Sam Nelson; Mrs. Thomas Roach; Mrs. R. L. Shephard; Mrs. Donald Schmitz; Mrs. Jack Swidler; Mrs. Robert Warner; Mrs. William Waugaman; Mrs. William Young and Mrs. Paul Zavell.

Another project is being undertaken by AAUW to raise funds for graduate fellowship for women; it is the book sale on November 18 at the War Memorial. Anyone in the area who has old books he wishes to discard and would like to donate them to the AAUW sale should call Mrs. Alex Domin, 886-1995, Mrs. Richard Edin, TU 4-7696, or Mrs. Allen Neef, TU 4-6974, to arrange for collection service.

Women Hitting Campaign Trail

With their Democratic Party sights set on working for both local candidates and the national LBJ-Humphrey ticket, four prominent Washington, D.C. women will arrive Sunday to launch a five-day campaign swing in Michigan.

In the group will be: Mrs. (Scottie) Samuel J. Lanahan, daughter of famed author F. Scott Fitzgerald and long identified with Democratic Party activities; Mrs. (Marian) Arthur Schlesinger, Jr., wife of the American historian and former presidential advisor; Mrs. (Mary) F. Wistar Janney, renowned teacher; Mrs. ("Ceci") Eugene P. Carlisi, wife of a Washington attorney and one of that city's most active civic and charitable workers.

They're slated to campaign in Wayne and Oakland Counties Monday and Tuesday, with outstate stops scheduled later in the week for Saginaw, Midland, Gaylord, Charlevoix, Mackinaw City, Manistique, Escanaba, Marquette and Ironwood.

Joining the group for all or part of the campaign journey will be Janie Hart, wife of U.S. Senator Philip A. Hart; Burnette Staebler, wife of Congressman-at-large Neil Staebler, Democratic candidate for governor, and Nancy Williams, wife of Michigan's former governor G. Mennen Williams, now Undersecretary of State for African Affairs.

Mr. Schervish To Claim Bride

Mr. and Mrs. Charles J. Ammer, of Korte avenue, Detroit, have announced the engagement of their daughter, Marilyn Mae, to Herbert W. Schervish, son of Mr. and Mrs. William H. Schervish, of Fisher road.

Miss Ammer is a graduate of Saint Ursula Academy, Toledo, O., and attended the University of Toledo.

Mr. Schervish was graduated from Austin Catholic Prep School. He is currently attending the University of Detroit.

Chi Omega Alumnae To Hold Bridge Luncheon

The alumnae chapter of Chi Omega will hold its annual bridge luncheon in the Anchor Room of the J. L. Hudson store in Eastland on Tuesday, October 20 at 12:15 o'clock. There will also be a fashion show on the program.

Proceeds of the luncheon will be used to assist with remedial work at the Burton school in Detroit.

Luncheon tickets are $2.50 each and reservations may be made by contacting Mrs. John H. Reinhard, chairman, at 884-4688; Mrs. H. Peter Witzky at 884-9724 or Mrs. J. F. Steffen at 882-9116.

Lutheran High Guild To Hold Card Party

The Lutheran High School East Guild will sponsor an evening card party in the school cafeteria, 20100 Kelly road, on Friday, October 23 at 8 o'clock.

All profits will benefit the Guild's new project, the high school gymnasium fund.

Tickets wil be sold at the door the evening of the party.

To Be Wed

The engagement of NANCY COLLINS, daughter of Mr. and Mrs. Gerald Collins, of Huntington boulevard, to Rae W. Dehncke, Jr., son of Mr. and Mrs. Rae W. Dehncke, Sr., of Severn road, was announced recently, at a family dinner party.

The bride-elect and her fiance, both graduates of Grosse Pointe High School, have returned to Michigan State University, where they are completing their final year of studies in English and Pre-Law respectively. Mr. Dehncke is affiliated with Delta Chi fraternity.

An August 21 wedding is planned.

Alpha Xi Deltas Plan Program About Antiques

"Antiques will be the program topic for the meeting of Grosse Pointe Alumnae Chapter, Alpha Xi Delta sorority, at 8 o'clock Monday, October 19, in the home of Mrs. Charles Kreichelt, of South Oxford road. Mrs. Charles Carmody will be cohostess.

Speakers will be two chapter members, Mrs. David Leach, who will talk on antique furniture, and Mrs. Harold Meier, who will discuss and demonstrate antique glass.

Affiliation of new members will conclude the program.

Lutheran Group Has Anniversary

The women of St. Paul Lutheran Church; Chalfonte at Lothrop, will be celebrating the sixth anniversary of their organization at their general meeting and banquet, Tuesday, October 20, at 6:30 o'clock.

The dinner will precede the business meeting, at which the officers for 1965 will be elected. Following the meeting, the Rev. Larry Gotts, of Grace Lutheran Church, Detroit, will address the ladies on the topic of the "Church in the Inner City."

Pastor Gotts is a former vicar of First English Lutheran Church in Vernier road. For the past few years, since he has been at Grace Church, he has done considerable work with the youth in his parish. This is of particular interest because his parish is one of a mixed racial nature.

The evening will be concluded with multiple circle meetings—the ladies will meet with their own individual circles for their monthly meetings, in various rooms in the education building.

The East Civic Convalescent Home will be visited by Miriam circle on Thursday afternoon, October 22. The ladies of the home, many of them bedridden, look forward each month to the visitors from St. Paul, who join them in singing hymns, read to them, and chat with them.

The afternoon is topped off with some treat in the way of refreshments, which the ladies in the home really anticipate.

As their part of Christian service, the Mary circle will serve in the church nursery this month; Martha circle will have charge of Soldier Remembrance; Naomi circle will visit the sick and shut-ins of the congregation; and Rebecca circle will attend to special needs.

Members of St. Paul will be visiting the Red Cross Bloodmobile at St. Clare de Montefalco Church, Mack and Audubon, on October 16 to donate blood for the Blood Bank. Mrs. Robert Horn is chairman for St. Paul.

President Mrs. Norman Kleinert and chairman Mrs. Melvin Krulock will present the "Treasure Chests" — individual coin boxes—at the altar on Sunday, October 25. The monies from these boxes are contributions from the women for the work of the American Lutheran Church Women.

The clothing will be sent through Lutheran World Relief to many parts of the world to help clothe the needy.

Martha Simmerer Feted Before Rites

Many Pointers Honor Bride-Elect; Rehearsal Dinner Scheduled Tonight, In Anita Avenue Home of Mr. and Mrs. Evan Swann

Parties honoring Martha Jane Simmerer, daughter of Mr. and Mrs. Herman Simmerer, Jr., of Touraine court, who will wed Harry Andrew Lewis, son of Mr. and Mrs. Russell E. Lewis, of Kensington road, this Saturday, at a 12:30 o'clock ceremony in St. Paul's on the Lakeshore, began last summer.

Mrs. Melvin E. Duffy, of Ridge road, and her daughter, Mrs. Wallace G. Harper, gave a luncheon and personal shower at Mrs. Duffy's home in July.

Hostesses at a luncheon and miscellaneous shower September 15 were Mrs. Walter B. Connolly, of Washington road, and Mrs. William J. Quinn, of University place. Party scene was the Connolly home.

Mrs. Daniel J. Stack, Jr., of Wetchester road, and Mrs. Harding H. Macdona, of Moran road, entertained at a luncheon and Around-the-Clock shower September 22, at the Grosse Pointe Yacht Club.

Another luncheon and shower—a kitchen shower, this time—was given by Mrs. Bernard Firth, of Nottingham road, and Mrs. Joseph Connolly, of Duchess avenue, at Mrs. Connolly's home September 30.

Hosting the Rehearsal Dinner at their Anita avenue home tonight are Mr. and Mrs. Evan Swann, the bridegroom's uncle and aunt.

James Patrick Ellis, of Audubon road, gave the Bachelor Dinner October 9.

7 Women's Colleges To Sponsor Concert

Premier Performance of Detroit Symphony's New Cabaret Concert Series on December 1 to Benefit Eastern Schools

Opening night of the new "Cabaret Series" of concerts by the Detroit Symphony Orchestra, an all-Gershwin program, will be sponsored by the Detroit Committee for Seven Eastern Women's Colleges.

The performance will be given Tuesday, December 1, at 8:30 o'clock, at the Light Guard Armory, on East Eight Mile road.

Purpose of the sponsors is to raise funds for Detroit area scholarships to Barnard, Bryn Mawr, Mt. Holyoke, Radcliffe, Smith, Vassar and Wellesley, explained project chairman Mrs. William P. Harris, of Grosse Ile.

The program will feature Earl Wild, pianist, playing "Rhapsody in Blue." Louis Lane, assistant conductor of the Cleveland Orchestra will make his first Detroit appearance conducting the Cabaret concerts.

This is an unusual form of musical presentation for Detroit. Beverages and snacks may be purchased during the performance.

Reservations for tables seating four may be made by mail for opening night. Single admissions will be sold as available at the Armory on the night of the performance.

Mail orders accompanied by check made out to Seven College Committee, and self-addressed return envelope, will be filled by ticket chairman Mrs. Elisio N. Vieira, 502 W. LaSalle Avenue, Royal Oak. Tables for four are $20 and $10.

UNCONTROLLABLE SCOOTER

A motor scooter driven by Arthur Zaccant of 24233 Petersburg, East Detroit, and Don Stockall of 17500 East Jefferson went out of control Saturday, October 10, in the City's park and struck a parked car belonging to Alan Bodycomb of 408 Lexington.

Plan President's Tea October 20

The Tuesday Musical will hold a President's Tea next Tuesday, October 20, from 1:30 until 3:30 o'clock, honoring the new president, Mrs. Harry W. Taylor, and past presidents of the organization. The tea will be held at Mrs. John Sanford's home in Indian Village.

Decorative theme will be Autumn leaves, with background music provided "live" by various members of the club.

This year's social committee chairman is Mrs. Vernon Cox, of Heather lane. Members of her committee include Mrs. Harry Chapman, of Lakeshore lane, Mrs. Orlan M. Arnold, of Kensington road, Mrs. Fred Lounsberry, of Balfour road, Mrs. Earl G Meyer, of Tonnancour place, Mrs. Kurt Keydell, Mrs. Charles Truscon and Mrs. F. C. Buelock, of Detroit.

This committee is responsible for a December 8 luncheon and program and Christmas party, and for the traditional May 11 spring luncheon. Planning meetings have been held at the homes of Mrs. Chapman and Mrs. Cox.

Fort Pontchartrain DAR To Gather Tomorrow

Fort Pontchartrain Chapter, Daughters of the American Revolution, will hold its first luncheon and meeting of the fall season tomorrow, Friday, October 16, at the Women's City Club.

There will be a board meeting at 10:30 o'clock, with the new Regent, Mrs. Allen W. Barron, presiding.

Other chapter officers for the year include Directors Mrs. Robert Hale Peterson, Mrs. Paul J. Meiser and Mrs. Carl D. Macpherson, and Mrs. Milton E. Hopkins, Mrs. John P. Kurty, Mrs. Carl S. Boyle, Mrs. Gilbert K. Pulliam and Mrs. Horace H. Morgan.

More are Mrs. Henry F. Spaudling, Mrs. Orvis L. Henke, Mrs. John H. VanCampen, Mrs. George D. Hebb, Mrs. Frederick J. Dykstra and Mrs. William M. Perrett.

Special appointments include Mrs. Neil A. Cameron, official genealogist, Mrs. Merrill F. Cross, honorary chaplain, and Mrs. Leo P. Richardson, parliamentarian.

The program following the 1 o'clock luncheon will feature the Honorable Judge Joseph Rashid whose topic will be, "Women — Protectors of Public Morals." Reservations may be made by calling Mrs. Albert E. Cooney, Mrs. Rea B. Gripman and Miss Fern M. Lichaenwalter.

The 25-year Club of Fort Pontchartrain Chapter scheduled a luncheon and meeting at Highland Park YWCA early in the month. About 35 members of the Chapter are also members of the Club, whose officers are Mrs. Paul J. Meiser, chairman, Mrs. Henry P. Kellogg, Mrs. Gilbert K. Pulliam, Mrs. Carl D. Macpherson, Mrs. Frederick G. White, Mrs. Joseph H. Embury and Mrs. Edward J. Savage.

Engaged

Photo by Eddie McGrath, Jr.

Mr. and Mrs. Albert M. Berteel, of Radnor circle, announce the engagement of their daughter, NANCY MARIE, to Eugene L. Stys, son of Mr. and Mrs. John Stys, of Detroit.

Miss Berteel was graduated from Grosse Pointe High School and attended Ferris State College. Mr. Stys is attending Wayne State University.

A January wedding is planned, at St. Paul's on the Lakeshore.

Newcomers Set Poor Taste Ball

While imaginations are running wild with ideas for Halloween parties on Saturday, October 31, the Grosse Pointe Newcomers Club is creating a unique plot for Spook Night.

The Club has scheduled a Poor Taste Ball—which should simplify everyone's costume problem, as the requirements are just what the name implies: Anything . . . so long as it's in poor taste.

The party committee, headed by Mr. and Mrs. Richard Schott, has gathered some ghastly notions for decorating the American Legion Hall in Mack avenue.

Committe memoers include Mr. and Mrs. James Frawley, the Thomas Weidigs, Mr. and Mrs. Fred Prudden, Mr. and Mrs. David Frayne and Mr. and Mrs. Jack Renfo.

These ladies and gentlemen promise two really tasteful things, (good tasteful, that is), during the evening: Music for dancing by Jack Newmann, beginning at 10 o'clock; and a buffet supper .

To allow plenty of time for neighborhood trick-or-treating, the Ball begins rather late in the evening. Doors will open at 9 o'clock.

Prizes will be awarded for costumery, but the categories are being kept secret.

Couples who have recently moved to The Pointe from outside the Detroit area and are interested in Newcomers Club functions may request a personal call by contacting Mr. and Mrs. William Kish, 881-4055.

Sigma Gamma To See Film

The fall Sigma Gamma Association meeting and coffee will be held 9:30 a.m., October 22, at the Lothrop road home of Mrs. Charles T. Fisher III.

The business meeting will include a report on the Association's recent theater benefit for the Education and Research Department of the Detroit Orthopaedic Clinic. The Clinic is a Torch Drive agency which was founded and is sponsored by the Association.

The premiere of "Labor of Love" a new sound strip film on Sigma Gamma and the Detroit Orthopaedic Clinic will be shown following the business meeting.

Woods Church Group to Meet

The Women's Association of the Grosse Pointe Woods Presbyterian Church will meet for a Pot-Luck luncheon at the church on Tuesday, October 20 at 12:30 p.m.

The program, under the direction of Mrs. Allan Bradbury, will follow the luncheon and business meeting. Mrs. John Porter will give the devotions and a film "Megalopolis," which deals with the life of the inner city, will be shown.

Miss Helen Howe, who is associated with the Detroit Presbyterian Neighborhood Service, will speak following the film, commenting on her local experiences and the problems with which she works.

The Elizabeth and Naomi Circles will have charge of the luncheon and reservations may be made with either of the Circle chairmen, Mrs. Kenneth Holsopple, TU 4-1532 and Mrs. Richard Fernstrum, TU 1-8921. The nursery will be open during the meeting.

Prayer is the very highest energy of which the human heart is capable.

Dominican High Alumnae Plan Breakfast Meeting

The Dominican High School Alumnae Association will hold its annual communion breakfast and general membership meeting on Sunday, October 25 at 10 a.m. All graduates are invited.

For further information, call the school office.

BUS, CAR TANGLE

A Detroit DSR bus was struck on the left side Sunday, October 11, when a car, driven by Mark Hibbs of 5091 Anatole, Detroit, failed to yield the right of way when making a left turn off Rivard onto Mack avenue. The bus was driven by Charlie Jones, Jr. of 5634 Underwood, Detroit. No tickets were issued.

Lois Marshall With Symphony

Soprano Lois Marshall will be soloist with the Detroit Symphony Orchestra in the third subscription concert of the Golden Anniversary Season of the Orchestra at 8:30 p.m. on Thursday, October 15, at Ford Auditorium. Sixten Ehrling will conduct.

Miss Marshall will sing the "Seven Popular Spanish Songs" by de Falla. The Orchestra will perform the Overture to "The Ruins of Athens" by Beethoven, the Symphony No. 1 in E minor by Sibelius, and excerpts from the ballet "The Three Cornered Hat" by de Falla.

Miss Marshall is appearing in this concert instead of Victoria de los Angeles, who cancelled her Detroit performance because of her extended commitments in South America. Miss Marshall, a Canadian, has been highly praised by critics around the world. She has been heard in Detroit only once before when she sang with the Toronto Symphony at Masonic Temple several years ago.

. . . Here's the cure. Take an old-fashioned walk this Friday along 40 feet of lusciously laden table in the Sheraton-Cadillac's Town Room. Here you'll find a colorful, succulent collection of baked ham, assorted broiled fish, a bounty of Chicago rounds of beef, stacks of disjointed chicken and dressing, oceans of Seafood Newburg, piles of pink shrimp, loads of Salmon Bellevue, mounds of vegetables, salads, rolls and desserts. The tab for this Swedish delight? One that even Mr. Benny wouldn't mind picking up . . . just $2.95 per . . . this entitles you to make as many journeys up and down the table as your stomach will allow. The feast takes place between the hours of 5 and 10 p.m., and if you can't get your fill in five hours, we'll give you a rain check for next week. Mistletoe Mart Readies Items

Grosse Pointe Congregational Church women will display their many talents at the Mistletoe Mart on Thursday, November 5. A wonderful array of unusual handmade gifts will make an old-fashioned Christmas complete.

As the doors open at 9:30 in the morning, a warm welcome will be extended by Mistletoe Mart workers wearing old-fashioned red and white candy-striped aprons. These lovely aprons identifying Mart salesladies have been stitched by Mrs. Fred Cook, Mrs. Sam Toepel and their committee, who have stocked the Apron Booth with a really complete selection.

There are cobblers' aprons for real protection while preparing that old-fashioned Christmas dinner, as well as bib aprons in all holiday colors, with or without attached towels. Half aprons with towels, percale and gingham half aprons are there, and to greet guests some really lovely organdy and nylon party aprons.

Mrs. Harold Schaill's Knit Wits have loads of lovely handmade gifts for Chritsmas giving. Items in the Knit Wit Booth include knitted caps and heimets for children as well as sweaters and heavy-duty mittens. There are also Santa Claus mittens to delight the wee ones.

A real old-fashioned surprise for little ladies on the Christmas list are dolls wearing knitted dresses and capes, and for travelers knitted bedroom slippers in sizes as well as crocheted packable travel hats which may be ordered.

Ladies' wool and mohair pillbox hats may also be ordered in a variety of colors—a real fashion find! Those clever tissue "hat" covers are there and also handmade knitting-needle cases of satins and silk prints—so ideal for gift or travel.

Other handmade creations beautifully stitched for an old-fashioned Christmas fill Mrs. Charles Walker's Linen Booth. There are 72-inch round tablecloths in pastel colors, tablecloths with two card-table covers to match, as well as card-table size luncheon sets, dining room table runners and, of course, Christmas table cloths.

Smaller gifts in the Linen Booth include organdy, terry and linen place mats, gift boxed fingertip terry towel sets, hot roll covers, and oh-so-handy glove dusters — all attractively packaged and priced for Christmas gift giving.

The time for shopping is all day Thursday, November 5, at the Grosse Pointe Congregational Church Mistletoe Mart, from 9:30 until 9 o'clock.

Inside The Mothers' Club

The October 5 meeting of the Mothers Club in the Teachers' Dining Room demonstrated how efficiently its members were going about their respective duties.

There was Mrs. Robert Clarke, the president, who attends many meetings. She expressed her gratitude to the many mothers who have offered their services.

The vice-president, Mrs. Arthur Sherman, although absent, sent her report that two checks for grants totaling $550 had been issued in October, completing the first semester grants. Then the corresponding secretary, Mrs. Charles Zentgraf, found willing workers to stuff 881 letters in envelopes for 10th Grade parents and new parents. They also mailed out 68 calendars to the Superintendent of Schools, the Board of Education members, past presidents and charter members, schools, churches, various individuals and community groups.

The willing workers this month were: Mesdames Johnson, Cumberworth, Begeman, Tapert, Ingrum, Watts and Thom.

Jerry Gerich, Faculty Advisor, announced the formation of committees to study the educational specifications for the proposed new high school, and one to study the logistics of the existing high school after the second school has been readied.

He mentioned that several community groups, including the A. A. U. W., (American Association of University Women), and the League of Woman Voters, are touring the high school in the coming months.

The number of students at the G.P.H.S. has been finalized to stand at: Tenth—896, Eleventh—872, Twelfth—912, a total of 2680.

The Advisor commented that some consideration is being given to opening the new library in the evening. There are personnel and other problems to be studied. Faculty representative, Mrs. Benson McClure, reported that Twelfth Grade applications are being received for colleges. The class ranks are based on the tenth and eleventh grade standings although senior year ranks are sent to college.

Students are encouraged to try eleventh grade College Board tests. Mrs. McClure said all twelfth grade students have been given college data.

Historian, Mrs. C. A. Nolte, has been busy investigating prices of china for use in the new library.

Neighborhood group chairman, Mrs. Robert Swanson, announced 15 new neighborhood groups are being formed. Informational letters have been sent to the 91 chairmen concerning the Mothers Club role. Mrs. Swanson's committee includes: Mrs. Jack France, Mrs. Joseph Woolfenden, Mrs. Fred Thompson, Mrs. Jack Fralick and Mrs. William Hahn.

The membership chairman, Mrs. William Munro, reported 1,156 women have joined the Mothers Club to date. Dr. James Robertson of the University of Michigan will be the speaker for Parents Night, February 9, reported the program chairman, Mrs. James Laird.

The bus chaperones chairman Mrs. Robert Brines, said that riding the bus with students can be intriguing and anyone interested should call her. Five busloads of students went to the Ann Arbor game and four to Highland Park. Highland Park staff and police were very cooperative. Chaperones so far have been: Mesdames: David G. Teague, Ellsworth Reynolds, Graham Dick, Jr., Thomas E. Mahoney, R. V. Wright, Adolph Kress, Arthur G. Kuechenmeister, Mr. and Mrs. R. O. Brines, William C. Hahn, Paul G. Hykes, Adolph Kress, M. S. Duletsky.

Christmas nor Spring are here but already Mrs. William Pankhurst and Mrs. Chuck Beltz are working on plans for their projects.

The P.T.A. Council representative, Mrs. Jack Frey, has recorded 839 high school students signing up for the School Accident Insurance program.

The Board of Education representative, Mrs. Robert Christian, mentioned that the picture "The Well Mannered Look" filmed locally was shown at the meeting. Mention was made of the International Honor Award given to The Tower, the GPHS paper.

The next Board meeting will be held November 2 in the Teachers' Dining Room.

Boy Scout Troop No. 96 Launches Wreath Sale

The Boy Scout Troop No. 96 of Grosse Pointe Memorial church has launched its 1964 Christmas wreath sale.

Proceeds of the sale go toward the purchase of Thanksgiving baskets for needy families as well as the maintenance of troop equipment.

Wreaths will sell for $3.50, Holly for $1 and decorator kits for $2.

If you are not contacted by a Scout from Troop No. 96, you may place an order with Roger Hull, wreath committee chairman at 881-8103.

Alpha Phis to Observe State-Wide State Day

The Alpha Phis of Michigan will hold their state-wide State Day simultaneously in four areas: Detroit, Kalamazoo, Grand Rapids and Midland-Bay City-Saginaw.

The date is Saturday, October 17. Here in the Detroit area the State Day will be held at Fairlane, originally the home of Henry Ford in Dearborn. A tour of his home will begin at 10:30 a.m.; luncheon is at 12:30 p.m.

Honored guest and speaker will be Mrs. C. R. Boyd of Perrysburg, Ohio. Mrs. Boyd has served Alpha Phi in many capacities, most recently as assistant international vice-president.

Interested Alpha Phis may call Mrs. W. James Mast, TU 2-2909.

MISSING BAG

Mrs. William Ross of 645 Middlesex reported to City police on Friday, October 9 that her handbag had been taken from a shopping cart while she was shopping in Kroger's. It contained $16, keys and miscellaneous papers.

Tot And Teen Programs Offered Through YWCA

Saturdays are "swinging" at the Downtown Branch YWCA in Witherell street. Youngsters from six to 12 years old are keeping the building in a hilarious uproar from 9:30 until 1:30 o'clock.

A modern jazz dance class opens the days schedule. That is followed by 45-minute swimming lessons. Then the children take a choice among arts and crafts, a charm class, (for the girls), gymnastics and tennis.

Some of them roller skate, jump rope in the gym, play basketball or turn somersaults.

The Saturday "package program for sub-teens and teens" begins this week and, for the most part, will continue until spring. Children may still enroll for one or more of the activities, according to Miss Jane McCall, Downtown YW program director.

Rummage Sale At St. Ambrose

A rummage sale—with bargains galore!—is scheduled next Tuesday and Wednesday, October 20 and 21, at St. Ambrose Parish Hall, Maryland and Hampton roads. The St. Ambrose Altar Society is sponsoring the sale, open from 9 in the morning until 8 in the evening daily.

LWV To Hear Talks On Water

Following a luncheon on Wednesday, October 14, at the Grosse Pointe War Memorial, the Grosse Pointe League of Women Voters will hear speeches dealing with the low-water levels.

One speaker is Thomas E. Leah, a member of the Grosse Pointe Woods Council, who will explain why the Council has appealed to the Federal government to help in alleviating the low-water level problem here. A second speaker is Andrew W. Dempster, director of the Bureau of Sanitary Engineering for the Detroit Board of Health. A film pertaining to the problems on Lake St. Clair will be shown.

The program is scheduled to begin at 1:30 o'clock.

Musicales Set To Open Season

Only a few of the 225 members of the Grosse Pointe Morning Musicales have yet to accept the invitation of directors for the 1964-65 series of concerts. They'll do it soon so they will be at the Country Club on Thursday morning, November 5, when the refreshing young Riverside Chamber Singers open the season.

These six soloists perform unaccompanied by instruments and without a conductor. Their repertoire is varied, ranging from Renaissance songs to some contemporary works written especially for them.

They are all under 30 years of age. They received their training at the Juilliard School of Music and made their debut in 1958.

Following the concert, which begins promptly at 11 o'clock, there will be a luncheon for members, honoring the guest artists.

Directors who will be hostesses for the series include: Mrs. Ferdinand Cinelli, Mrs. Charles A. Dean, Mrs. Ward A. Detwiler, Mrs. Frederick S. Ford, Mrs. Frank W. Goldie, Mrs. Daniel W. Goodenough, Mrs. V. Everett Kinsey, Mrs. James A. Lafer, Miss Margaret Mannebach, Mrs. Jerome H. Remick, Jr., Mrs. Allan Sheldon, Mrs. Richard K. Simonds, Miss Christine Symington, Mrs. Burt Eddy Taylor and Mrs. Richard E. Williams.

Other artists to appear on the series are Seymour Lipkin on December 3 and The Marlboro Trio on January 14.

...tell it to Herman Schwartz

You say your daughter is getting married, and she doesn't want her reception in a cinder block citadel, and you can't afford the country club? . . . Or it's your anniversary, and your wife is expecting a big party, and you're so busy at the office you haven't even got time to call for a cake, and it's your Silver, and you'd like it to last to the Golden? . . . Or you've been made chairman of your company's annual banquet, and your committee ran out and left you holding the guest list, and your boss is big on banquets . . . small on boners? Tell it to Herman Schwartz.

He'll lend a sympathetic ear. An ear educated by years of experience of catering everything from St. Patrick's Day dinners to Bar Mitzvahs. Where to find this Confucius of catering? The Sheraton-Cadillac Hotel, of course. Here Herman combines his rare talents for organization with those of Chef Hagen for vending award-winning victuals. Together they give you the best-looking, best-tasting, best-organized banquet in town.

The Sheraton offers you a choice of 18 modern air-conditioned banquet rooms. Where our Schwartz-Hagen duo can seat and satiate from three to a thousand people with equal ease.

If you've got a catering problem, why not pass Herman the buck? . . . simply call Mr. Schwartz, WO 1-8000. Respectfully, the Sheraton-Cadillac, Detroit's largest, most accommodating hotel.

A message of importance for men and women who are concerned about their health.

If you're over 40...

your chances of suffering from one or more chronic ailments are far greater. *Now is the time to do something about it!*

After 40, you're more susceptible to the illnesses and chronic ailments that so often drain the joy out of life. For example, arthritis and kidney-bladder ailments strike far more often after 40. To maintain good health, many doctors suggest drinking 6-8 glasses of water daily to aid proper waste elimination and prevent dehydration. Because so many people find it hard to drink enough ordinary faucet water, delicious Mountain Valley Water is often recommended.

An aid to relief of arthritis symptoms. There's no sure cure for arthritis. If you suspect arthritis, see your doctor. One of the measures he'll probably advise is to drink more water. Physicians often suggest Mountain Valley Water because it is "light," non-filling, non-laxative, mildly alkaline. Its kidney-flushing effect gently stimulates kidney action, and helps speed elimination of potentially harmful wastes (there's evidence such wastes can collect in and around the joints, causing or aggravating some arthritic symptoms). Mountain Valley Water, which helps expel body wastes faster, has aided in relief of symptoms in a number of observed arthritic cases.

Relief of kidney-bladder symptoms. Mountain Valley Water's mild alkaline action gently soothes bladder irritation, and helps neutralize excess urine acids (thus reducing that "burning" sensation). Try wonderful-tasting Mountain Valley Water. Regular daily use can make a positive contribution to continued good health. Costs only pennies a glass.

Canteen Conversation

By Rick Mills

Recently a group of twenty Grosse Pointe teenagers met for three hours and discussed a very controversial subject. The subject was one which concerns everyone personally; it is something that faces us constantly. All of us think about it at many times in our lives, but trying to understand it or visualize it is very difficult. It is a subject which has been puzzled over ever since a thinking, questioning human being has existed, yet today most of the questions concerning it still go unanswered. The subject . . . death.

Due to the manner in which this discussion took place, it was impossible to take direct quotes. As each new idea came up, it was passed around the group and many different ideas were revealed. Here then, is an attempt to put in writing, what was said at this meeting.

The question was asked: "What do you think of when you hear the word 'death'?" Some immediately thought of the loss of someone they loved. To some, complete darkness came to mind. To others the impression was peace and tranquility, to some, fear and doubt. Most of us agreed that death is a word that cannot be defined because no one can completely understand it and picture it.

"What happens after death?" The answers to this question and the discussion that followed, developed into an account of the religious beliefs of the individuals involved. One answer was: Nothing, death is the end of life, the end of everything as we know it. Others said that death was the beginning of a "new life". A beginning of something that the living cannot actually see or feel, but the beginning of a new spiritual "life". Many questions were raised during this discussion and most of them had to go unanswered. It was agreed that a feeling of understanding could not come from the type of proof used in everyday life, but rather from the religious beliefs, or disbeliefs, of the individual.

The question was then asked: "Why life, why are you alive today?" One said: We are alive to serve God as best we can, he has a purpose for us and we must try to understand it and fulfill it. Another answered; We are alive for no particular reason, there is no plan that put us here. This question prompted much discussion concerning religious beliefs. Again, Many questions went unanswered.

"Have you ever been close to death?" No, but I know of someone who has. He said that during the instant he realized death was near, his whole life flashed through his mind. Another commented: I know of a person who was dying, At the second of death her face grew bright, her eyes fixed contentedly on a spot on the ceiling, and a beautiful smile formed on her lips. It was as if all her fears were gone and a wonderful feeling had come over her.

These then are the opinions of a few teenagers. The subject may seem a bit morbid, but it is one that everyone is concerned about. Talking about it in this discussion has helped me and I think it has helped the other teens involved. Perhaps just facing this idea made us a little less fearful, a little more secure. We broke up the discussion somewhat confused, but we left with new ideas, many new questions, and a few new answers. I think we discovered how each of us felt about life and death, and by what we said, many religious beliefs were revealed.

And after all, isn't that part of life, discovering how the people around you feel, and what they believe? Through this discovery, this quest for knowledge, the questioning and wondering, and even through confusion, comes a better understanding of the people around you, and even more important, a better understanding of yourself and what you believe.

Delta Zeta Alumnae Hold Annual Dinner

The East Side Group of Delta Zeta Alumnae conducted its annual dinner meeting on Tuesday, October 6, at the home of Mrs. L. M. Gilewicz, 473 Allard road.

Dinner, "By Aladdin's Lamp," was served at 7 p.m. and featured dishes exotic enough to tickle Aladdin's palate, according to the chairman, Mrs. Helmut Roth, of St. Clair Shores.

Intrigued by the theme, many members had placed reservations. These include Mrs. William Kamm, 1841 Huntington; Mrs. J. P. Thompson, 54 Radnor circle, and Mrs. G. R. Hackman, 1605 Aline.

DRIVER GUILTY

Gregory A. Fox, 17, of 1120 South Oxford, accused of leaving the scene of an accident, pled guilty during a hearing before Park Judge C. Joseph Belanger on Wednesday, October 7. The judge fined the youth $35, and ordered him to pay court costs of $2.20, and placed him on probation for three months. Fox surrendered his operator's license to the court. A reexamination by the Secretary of State Board was recommended.

Luncheon Scheduled By Lawyers' Wives

Dr. Harvey M. Merker to Address Group at First Meeting of 1964-65 Season; Announce Officers for the Coming Year

The Grosse Pointe Lawyers' Wives first fall meeting will be a luncheon at the Lochmoor Club on Wednesday, October 28 at 12:30 o'clock.

Immediately following the luncheon, Dr. Harvey M. Merker, retired director of scientific relations for Parke, Davis and Company, will speak on "Adventures in Medicine."

A widely known speaker and pharmaceutical authority, Dr. Merker's talk will include many dramatic incidents in connection with medical discoveries.

After Dr. Merker's talk, a business meeting will be conducted by the new officers for 1964-1965.

Prospective members are invited to attend this meeting. Make checks in the amount of $3.50 payable to Grosse Pointe Lawyers' Wives and mail to Mrs. Anthony Vermeulen, 716 Balfour road, Grosse Pointe, Michigan 48230.

Reservation deadline is Saturday, October 24. Payment must accompany reservation.

The Grosse Pointe Lawyers' Wives is pleased to announce its new officers for 1964-1965: president, Mrs. Edward S. Piggins; vice president and program chairman, Mrs. Douglas L. Paterson; recording secretary, Mrs. James Daoust; corresponding secretary, Mrs. Richard A. Harvey; treasurer, Mrs. Anthony Vermeulen.

Chairmen of standing committees, special committees and continuing appointments are: membership chairman, Mrs. Don Goodrow; project chairman, Mrs. Philip Dickinson; nominating chairman, Mrs. Frank McDonald; public relations, Mrs George Menold; publicity chairman, Mrs. Richard J. Langs; Law Day chairman, Mrs. A. D. Rueggsegger and Mrs. Charles King; social chairman, Mrs. William Fritz; hospitality, Mrs. Robert Pytell; historian, Mrs. Howard Simon; parliamentarian, Mrs. William D. Cohan; delegates, Mrs. Gerald Fitzgerald and Mrs. David Martin and alternate delegate, Mrs. Frank McDonald.

Saturday, November 14, is the date of a gay dinner dance to be held at the Detroit Yacht Club. This is strictly a fun affair for the Grosse Pointe Lawyers' Wives and their husbands. More information may be obtained and reservations may be made by calling Mrs. William Fritz at TU 5-4175.

Auxiliary at St. John Plans Spaghetti Dinner

The Fontbonne Auxiliary of St. John Hospital will sponsor an Italian style spaghetti dinner Sunday, October 25 from 12 to 6 o'clock, in the Cheyenne Club, 15650 East Eight Mile road.

The donation is $1.50 for adults and $.75 for children 14 years old and under.

Frozen Pastries Are 'Comers'

"Freeze 'em-fast-and-keep-'em-frozen' is the slogan for just baked frozen products just as it is with just-harvested fruits and vegetables. As with vegetables, freezing takes place very rapidly, at a temperature that is 20 to 40 degrees below zero. It is this very low temperature that makes commercial freezing superior to home freezing.

Frozen fruit pies, with their flaky pastry filled generously with juicy fruits, have been No. 1 in the frozen bakery department for some time. Cold atmosphere is favorable in developing the flakiness of crust, and it is also a factor in preventing "soaking" of fruit juice.

In general, baking a frozen pie is like baking one you put together yourself, though directions vary according to size and ingredients, and it pays to use the specific time and temperature given on the label. Cool them to the just-warm stage by letting them stand on rack about a half hour after baking.

Looking over the different kinds of pies offered in the frozen food case, you will find these three classification of baking instruction: Those placed on a cooky sheet for baking at a high temperature but for a shorter time; those started at a high temperature and then finished at a modern temperature; and still others given a longer bake time at a moderately-high temperature. Most label directions instruct the user to adapt the time to the special differences she knows her oven has.

Choices of frozen fruit pies in most frozen food departments vary among 10 different fruits, more or less. They come in myriad sizes—5 oz. individual pies two to a package; others small enough to be just right for five people; still others as big as 10 inches across and weighing more than two pounds.

The list of "finds" might include: Apple (deep-dish, Dutch, French, and two-crust); apricot; blueberry; boysenberry; cherry; huckleberry; mince (in holiday seasons); peach; pineapple; strawberry. A selection of fruit-filled turnovers ready-to-bake should also be included in this listing, as well as excellent unbaked crust in a 9-inch pan (two to a package) to fill as you wish.

Visit Scheduled By Bloodmobile

The Red Cross Bloodmobile will be stationed at St. Clare de Montefalco church auditorium tomorow, Friday, October 16, from 1:45 until 7:45 p.m.

Donors must be healthy adults, under 60 years of age. Persons 18 to 21 years of age must have their parents' written permission to donate blood. The donor may specify the individual or organization to which his blood is to be credited.

The Grosse Pointe Community Blood Bank Council is sponsoring the Bloodmobile's visit. For appointments to donate blood, or for further information, contact Mrs. Arthur J. Richards, TU 5-0257, or Mrs. Anthony C. Brodeur, TU 2-5863.

Kappa Deltas to Celebrate

Kappa Delta Sorority will celebrate its founding on Monday, October 26, at Wayne State University Alumni House. The East Alumnae Association will join other Detroit area groups at 8 o'clock that evening, to mark the sorority's 67th anniversary.

Currently, Kappa Delta has more than 50,000 members in 50 states. Grosse Pointe members who will attend the October 26 program include Mrs. Marvin Atkins, Mrs. John Washburn, Mrs. Fred Lewis, Mrs. B. M. Underwood, Mrs. Henry Szymanski, Mrs. E. Ward Sussex, Mrs. Jack Rowe, Mrs. C. R. Moore, Mrs. Robert Callaway and Mrs. Stanley Kushman.

The first National Panhellenic Conference sorority to select the care and aid of crippled children as its national philanthropy, Kappa Delta gives $10,000 annually toward the support of six beds at Crippled Children's Hospital, Richmond, Va.

Southeastern Women Plan Special Program

The Southeastern Women's Club will meet on Monday, October 19 at 12 o'clock in St. James Presbyterian church, at Parkgrove and Morang.

A special program for women's groups, "Luncheon is Served" will be presented. It will be followed by a book review by Mrs. J. E. Leithauser.

VFW Auxiliary Holding Party

The Alger Auxiliary No. 995 VFW is sponsoring a luncheon card party at 12:30 p.m. on Wednesday, October 21, in the Alger Club Rooms at 17145 St. Paul avenue. Donation is $1.25.

Mrs. Helen Harder is chairman and Mrs. Gladys Duncan is co-chairman. Prizes will be given. Proceeds of this party will enable the auxiliary to carry out some of its many charitable projects.

Klock-Valauri Rites Revealed

Hammer-Steencken Nuptials Celebrated

Bride's Veil of Lace-Trimmed Silk Illusion Fashioned by her Mother; Pair to Reside in Columbus, O.

Barbara Ann Steencken and Dr. Edwin J. Hammer spoke their wedding vows at a double ring ceremony in the First United Presbyterian Church, Plymouth, Mich., on Sunday, September 13. The Rev. Henry J. Walsh performed the ceremony.

The bride is the daughter of Mr. and Mrs. Paul H. Steencken, or Northville. Parents of the bridegroom are Dr. and Mrs. Edwin J. Hammer, of Berkshire road.

Given in marriage by her father, the bride wore a floor length gown of peau de soie. The lace-trimmed bodice was accented with irridescent sequins and tiny pearls, and lace appliques trimmed the full skirt.

Her finger-tip French silk illusion veil was made by her mother and was hand-appliqued with Chantilly lace. It was held in place by a tortoise shell mantia, belonging to the bridegroom's mother. She carried a bouquet with a white orchid.

Katherine Johnson, of Belding, Mich., was maid of honor. She wore a floor length gown of blue taffeta, and carried a cascade bouquet of yellow Fugi and bronze pom-pom mums.

The bridesmaids, Linda Steencken, sister of the bride, Mary Kris Hammer, sister of the bridegroom, and Carolyn Langtry, of Northville, were dressed in gowns identical to the one worn by the maid of honor. All wore matching blue tulle veiling held in place by tiny blue crowns, trimmed with pearls and crystals. They also carried cascaded bouquets of yellow Fugi mums.

Thomas Hammer, the bridegroom's brother, was best man. Joseph Steencken, brother of the bride, Joel Prescott III, David Groom, H. Rex Hartson, Robert Hensinger, M.D. and Murray Rehfrew, M.D. served as ushers.

The bride's mother chose a printed gold lame sheath with accents of beige, silver and brown. The mother of the bridegroom wore beige print marquisette. Both mothers wore cymbidium orchid corsages.

A garden reception was held at the home of the bride's parents in Northville. Following the reception, the couple left on a wedding trip through northern Michigan. The bride chose a beige and brown suit with brown accessories and wore a corsage of yellow roses and feathered carnations for traveling.

The young couple will make their home in Columbus, O., where he is serving his internship at Riverside Methodist Hospital.

Hypocrisy is the necessary burden of villainy.

Wayne Women Having Party

The Grosse Pointe-Harper Woods Chapter of the Women of Wayne is having a fall membership party on Monday, October 19 at 7:30 at the Michigan Consolidated Gas Co. Hospitality House in Vernier avenue.

The guest speaker will be Mrs. Virginia Forsman of the John Robert Powers Finishing School giving a glamorous "Hat Box" demonstration on how to accessorize your basic dress out of a hat box. A question and answer period will follow along with dessert and coffee.

The audience is limited to 75 members and prospective members.

Dem Women To Discuss GOP

The Republican party and its candidates will be the meeting topic for the Grosse Pointe Democratic Women's Discussion Group when they meet at 9:15 o'clock Wednesday, October 21, at 1304 Buckingham road.

Two members, Mrs. Emily Sloane and Mrs. Lee Hennes, have been reading material from the Congressional Quarterly and books by Barry Goldwater and other Republican candidates. They will report their findings and present an analysis of "The Republicans in the 1964 National Election."

These weekly meetings, which are held each Wednesday morning at 9:15, are open to any interested women in the community.

Sailors Stage Frostbite Race

The Grosse Pointe Sail Club held its annual Frostbite Trophy race Sunday, October 11, off the Grosse Pointe Park pier.

This little cup is probably the most coveted and hardest fought for trophy in the club. Sailors in the past have sailed through both snow and gales as the race is held annually on the second Sunday in October.

As all classes are eligible to compete the boats are handicapped under Bovier's One of a Kind Rule. This year the entries included everything from a 16 ft. rebel class to the 43 ft. sloop, Siren.

The boats sailed a 5¼ mile triangular course which included two spinnaker legs and a beat to windward in a beautiful 8-14 mile southwest wind.

The first six boats to finish on corrected time were:

1. Flying Scot—Owner, John Sauer. Corrected Time: 1:07:39.
2. Lightning — Owner, Jim Douglass. Corrected Time: 1:10:40.
3. K-Class—Owner, Walt Schlaefflin: Corrected Time: 1:11:13.
4. K-Class—Owner, Bob Dolson. Corrected Time: 1:11:38.
5. Flying Scot—Owner, Parker Colby. Corrected Time: 1:13:04.
6. Clipper—Owner, Nels Jorgenson. Corrected Time: 1:14:17.

Wives of Dentists Will Meet at GPYC

The Detroit District Dental Auxiliary will meet Tuesday, October 20, at the Grosse Pointe Yacht Club with a lecture and demonstration by Charity de Vicq Suczek.

She will discuss the chafing dish era which began 2000 years ago. Madame Suczek will speak on the history of chafing and its many uses to the hostess for entertaining.

Among the many Grosse Pointe dentist wives who will be attending are: Mrs. A. J. Eckel, chairman; Mrs. Chester Bogan, Mrs. B. F. Goodman, Mrs. Frank McGillen, hostess for the day; and Mrs. C. Roy Brooks, sponsor.

Directors Extend Ehrling Contract

Sixten Ehrling will continue as music director and conductor of The Detroit Symphony Orchestra through the 1968-69 season.

Robert B. Semple, president of The Detroit Symphony Orchestra, said that the Orchestra Board of Directors voted on September 24 at a meeting in Ford Auditorium to extend the conductor's contract for three years. The orginal contract would have expired at the end of the 1965-66 season.

Howard Harrington, manager of the Orchestra, reported that season ticket sales are considerably better this year than they were last year.

The opening concerts of the Golden Anniversary Season of The Detroit Symphony Orchestra are at 8:30 p.m. on October 1 and 3, at Ford Auditorium. Ehrling will conduct the opening all-orchestral concert which will include an American premiere performance of the ballet "Riter" by the Swedish contemporary composer Ingvar Lidholm.

Devils Conquer Dondero For Fourth Win in Row

By Ric Hendee

A merciless Blue Devil squad fought through snow, injuries, and penalties to wipe out the Royal Oak Dondero Acorns 19-0 last Friday night. Grosse Pointe overcame 95 yards in penalties to raise their season score sheet to four wins in four games.

The cold, biting evening left Grosse Pointe with a few noticeable injuries. Steve Davenport '65 punctured his spleen as he was hit in the mid-section. The spleen was removed in an operation early Saturday morning.

Rick Glanz '65 pulled a back muscle but claims to be ready for next week's Fordson encounter. Tom Mahoney '65 suffered a mild concussion during the game but he is fully recovered. And Doug York '65, who was carried from the field mid-way in the game on a stretcher, has caught his breath and suffers from no serious injuries.

The Devils started the game well, using several pitch-back passes (quarterback to halfback to receiver) to stun the Dondero defense. Dick Green '65 and John Reynolds '65 profited from hard Devil blocking to get the ball within one inch of scoring. Then, at 5:57 in the first quarter, Reynolds darted across for the touchdown. Green kicked the extra point and the score was 7-0.

After a snowy and scoreless second quarter, Green made it 13-0 as he was sprung across from two yards out. His kick attempt was no good and the score held until late in the game.

The Acorns found a hole in the Devil defense and carried the ball to the 2-yard line and first down.

The Devil line held and allowed Royal Oak only half a yard in four plays.

Then Grosse Pointe took over. On the first play, Curl went three yards on a quarterback sneak. Reynolds then leaped forward for a 10-yard carry and a first down. The Dveils were safe . . . the game's only threat was dispelled.

Sam Thompson '65 took over as quarterback a little later and threw a 15-yard pass to Green for the last touchdown of the game. The extra point attempt was no good and the final score was 10-0.

The Saturday the Blue Devils take on Fordson in the Homecoming game: An 11-float parade, starting at the City Park and going west to Cadieux, north to Kercheval, east to Fisher and south to the High School, will begin at 12:30. The game starts at 2.

STARS OF DENISON

Grosse Pointe's San White helped Denison University win its second straight gridiron game of 1964 campaign by scoring on a three-yard dive over the middle of the Big Red line. White ran 80 yards in 13 carries to set up other scoring plays as Denison defeated Wilmington 35-7.

A POLITICAL ISSUE developed Friday from the ouster of three National Guard officers for irregularities in their handling of land deals, liquor sales and use of State funds. Mrs. Elly Peterson, Republican nominee for U.S. Senator, and her husband Col. Merritt W. Peterson were among those who purchased the state-owned lots whose sale is under fire. Democratic State Chairman Zolton Ferency called for a prompt and thorough investigation of the land deals. Mrs. Peterson is opposing Democratic Senator Philip A. Hart in the November election.

AN ADDITIONAL 6500 non-striking workers were laid off yesterday by General Motors as the result of the continuing strike by the United Automobile Workers against the corporation. The 16-day old strike is over non-economic matters such as working conditions, union representation and production standards. Twenty-three locals have settled issues and grievances with GM, leaving 107 still negotiating.

A CONFLICT between the militant Communist ideology of the Chinese Communists and the more-moderate peaceful coexistence line of the Soviet Union split leaders at the conference of nonaligned nations yesterday in Cairo. The moderate group led by India and Yugoslavia, defeated a drive by pro-Chinese forces to eliminate "peaceful coexistence" as the prime goal of nonalignment. The militant group is led by President Sukarno of Indonesia. Authorties say it has been a fight all the way with pro-Chinese resisting on every point.

IN SPITE OF MILD demonstrations, Great Britain's Queen Elizabeth addressed the provincial Legislature in Quebec and seemed to show sympathy for moderate French Canadian demands for a changed role within the Canadian confederation. The demonstrators were chiefly those who talk of session of Quebec from Canada. Support from separatism in French Canada comes mostly from university students and intellectual groups.

THE THREE-HOUR postponement on the West Coast of the telecast of the opening of the Olympic Games in Tokyo on Saturday has created ill feeling in Japan. The live coverage of the event was relayed by the satellite Syncom III but delayed by the National Broadcasting Company before it was shown on the West Coast. The postponement due to the network's desire not to interfere with the usual commercial schedule. The State Department was concerned because it had taken the initiative in encouraging the telecast to illustrate scientific collaboration between the countries and improve Far Eastern relations.

THE BRITISH CONSERVATIVE party yesterday tried desperately to slow down an apparent tide toward a victory of the Labor party in the British general election scheduled for this Thursday. The latest Gallup opinion poll has given Labor a lead of 6.5 per cent. Viscount Blakenham, the Conservative party chairman, said that the "risks" of Labor Government will be hammered home from every Conservative platform.

TWO INCIDENTS MARRED an otherwise successful visit of President Johnson yesterday to Phoenix, hometown of his Republican opponent in the November presidential election. In Senator Goldwater's "town," one young man was arrested for carrying a concealed revolver. He has been charged with carrying a concealed weapon but claimed he was armed to "protect the President against danger of death." The other youth was arrested for hitting Mr. Johnson over the head with a "Goldwater-Miller" poster. The President was unharmed, however.

PRESIDENT JOHNSON and other officials were cleared yesterday of any wrongdoing with Billie Sol Estes' grain storage dealings with the Federal Government. The Agriculture Department and other Federal agencies were criticized, however, for failing to stop Estes before he built up his now-bankrupt multi-million dollar empire through fraudulent manipulations.

THE WORLD'S FIRST multi-man space flight was launched by the Soviet Union yesterday (10:30 a.m. Russian time) and orbited the world for 24 hours and 17 minutes before it was brought back to earth. Col. Vladimir M. Komarov, commander of the craft, was accompanied by a physician and a designer-scientist. The astronauts, in their spaceship Voskhod (Sunrise), did not wear spacesuits but rather lightweight, steel-colored woolen suits, blue jackets and white helmets that enclosed headphones. In Washington, American space officials regarded the Soviet effort as a significant accomplishment and greeted the news with calmness and with an air of resignation.

THE LABOR PARTY'S hope to win a victory over the Conservative party in the British general election set for Thursday received a blow when a wildcat strike of London subway workers caused widespread traffic snarls and chaos at subway stations during the rush hours. The London bus strike of 1958 is considered by politicians to be a major cause of the Conservative victory in the 1959 election.

Feel the exciting tingle of 9,000 taste buds bursting into blossom with your very first sip of this rich, sweet wine.

But, a word of caution. Cask Muscatel is so delectably rich, we recommend you sip it slowly. Little sips. Cask Muscatel is a taste experience you'll find difficult to forget. Indeed, Cask Muscatel is wine enjoyment at its pleasing best, with its full-bodied flavor —especially satisfying right after dinner ... or for an after-noon excursion into simple, quiet moments of unhurried en-joyment. Expect Perry Como At Premiere

Loverly!

The October 28 benefit premiere of the brilliant film, "My Fair Lady" starring Audrey Hepburn and Rex Harrison, will have added sparkle and excitement according to news received by the sponsoring Activities Committee of the Founders Society Detroit Institute of Arts.

Contingent upon rehearsal technicalities, Perry Como and guest performers for his first television spectacular of the 1964-65 season are expected to attend the premiere at the United Artists Theatre, Detroit, and the Old English Afterglow for all premiere-goers, to be held at The Detroit Institute of Arts.

After the Founders Society enlisted the cooperation of producer Marlo Lewis, the performers invited are "Mr. C.," Anne Bancroft, Victor Borge and Stanley Holloway.

Holloway should feel very much at ease in the museum's special Edwardian decor for the gala champagne Afterglow. This peerless exponent of the "Alfred P. Doolittle" role in "My Fair Lady" created it in the Broadway production of the Alan Jay Lerner-Frederick Lowe musical, then repeated his success in the London production at Covent Garden. Now he capers through the Warner Bros. film version.

Because the film will premiere October 28 simultaneously in Detroit, Boston, Philadelphia and Los Angeles, Perry Como's Kraft Music Hall special, to be done "live" from Detroit's Cobo Arena on October 29, will feature a musical segment from the "Pygmalion"-inspired show, which enjoyed the longest run of any musical on Broadway.

Mrs. Joseph E. Bayne, chairman of the premiere evening, emphasizes that although tickets for October 28 are being handled exclusively by the Founders Society Detroit Institute of Arts, the event is open to the general public Tickets are on a contribution basis from $10 to (Patron) $50. All ticket holders for the benefit premiere will be invited to the complimentary Old English Afterglow. Additional information can be obtained from the Founders Society office at 831-0360.

TO THE QUALIFIED ELECTORS OF THE CITY OF Grosse Pointe Farms

Please take notice that at the General Election to be held in the City of Grosse Pointe Farms, County of Wayne, Michigan, on the 3rd day of November, 1964, from 7:00 o'clock A.M. until 8:00 o'clock P.M. Eastern Standard Time, there will be submitted to the vote of the qualified electors of said City the following proposition:

BONDING PROPOSITION

Shall the City of Grosse Pointe Farms, Wayne County, Michigan borrow the sum of not to exceed $500,000.00 Dollars and issue its general obligation bonds therefore, for the purpose of paying the cost of acquiring and constructing additional recreational facilities by making necessary improvements to the Pier Park property in said City, situated at the foot of Moross Road, including the construction of a swimming pool, the providing of additional boat mooring facilities and additional picnic and recreational area?

Only those qualified electors, who have property in the City assessed for taxes, or the lawful husband or wife of such persons, are qualified to vote on the above bonding proposition; all electors must be registered electors of the City.

The place of election will be the regular voting place in each election precinct.

This notice is given by authority of the City Council of the City of Grosse Pointe Farms, County of Wayne, Michigan.

MICHIGAN

NOTICE OF PROPOSED CHARTER AMENDMENTS

TO THE QUALIFIED ELECTORS OF THE CITY OF GROSSE POINTE FARMS, MICHIGAN:

PLEASE TAKE NOTICE that at the General Election to be held in the City of Grosse Pointe Farms, County of Wayne, Michigan, on the 3rd day of November, 1964 there will be submitted to the vote of the qualified electors of said City the following Charter Amendment Proposals:

PRESENT CHARTER PROVISIONS

Section 16:16.

(e). In the event a member, who is in City service at the social security date, retires prior to the date he acquires social security fully insured status on account of his City employment, his pension provided for in paragraph (b) of this section shall not be less than the sum of (A) $120 and (B) 1/120 of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service rendered after February 28, 1945, and (C) 1/90 of his final average compensation mulitplied by the number of years, and fraction of a year, of his credited service rendered prior to March 1, 1945.

Section 16.17. Should any member who either (1) has twenty-five or more years of credited service or (2) has attained age fifty years and has fifteen or more years of credited service, separate from the service of the City, in either case prior to his attainment of age sixty years, for any reason except his retirement or death, he may remain a member during the period of his absence from City service for the exclusive purpose only of receiving a retirement allowance provided for in section 16.16 (a), (b), and (e). His retirement allowance shall begin as of the first day of the calendar month next following the month in which his application for same is filed with the Commission on or after his attainment of age sixty years. If the said member withdraws all or part of his accumulated contributions from the annuity savings fund he shall thereupon cease to be a member and he shall forfeit all his rights in and to a deferred retirement allowance provided for in this section. Unless otherwise provided in this chapter, the said member shall not receive service credit for the period of his absence form City service.

Section 16.19. (a). Any member who continues in the employ of the City after the date he either (1) acquires twenty five years of credited service, or (2) attains age fifty-five years and has ten or more years of credited service, may, by written declaration duly executed and filed with the Commission, elect option II provided for in section 16.18, and nominate a beneficiary, whom the Commission finds to be dependent upon the said member for at least fifty per cent of his support, in the same manner as if he were then retiring from service, notwithstanding that the said member may not have attained age sixty years. Prior to the effective date of his retirement a member may revoke his said election of option II and nomination of beneficiary and he may again elect the said option II and nominate a beneficiary as provided in this paragraph. Upon the death of a member, who has an option II election in force, his beneficiary, if living, shall immediately receive the same retirement allowance to which the said beneficiary would have been entitled had the said member retired the day preceding the date of his death, notwithstanding that he may not have attained age sixty years. If a member has an option II election in force at the time of his retirement, his said election and nomination of beneficiary shall thereafter continue inforce, unless prior to the effective date of his retirement he elects to receive his retirement allowance as a regular retirement allowance or according to an option provided for in section 16.18. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid under section 16.25 on account of his death.

(b). Any member who continues in the employ of the City after the date he either (1) acquires twenty-five years of credited service, or (2) attains age fifty-five years and has ten or more years of credited service, or (3) acquires twenty or more years of credited service and has not acquired social security fully insured status on account of his City employment, and in either case does not have an option II election in force as provided in paragraph (a) of this section, and (1) dies after December 31, 1954 while in City service, and (2) leaves a widow, or in the case of a female member leaves a widower whom the Commission finds to be totally and permanently disabled and to have been dependent upon the said female member for at least fifty per cent of his support due to lack of financial means, the said widow or widower, as the case may be, shall immediately receive the same retirement allowance which the said beneficiary would have been entitled to receive if the said member had (1) retired the day preceding the date of his death, nothwithstanding that he may not have attained age sixty years, (2) elected option II provided for in section 16.18, and (3) nominated his said widow or widower, as the case may be, as beneficiary. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid under section 16.25 on account of his death.

Section 17.17. Should any new member who has twenty-five or more years of service credited to his service account separate from the service of the city prior to his attainment of age fifty-five years, for reasons other than his death or becoming a beneficiary, he shall remain a member during the period of his absence from city service for the exclusive purpose only of receiving a service retirement pension provided for in Section 17.16; provided, that if the said member withdraws all or part of his accumulated contributions from the Pension Savings Fund he shall thereupon cease to be a member and he shall forfeit all his rights in and to a deferred retirement pension. Upon attaining age fifty-five years, or later, the said member may retire upon his written application to the Commission as provided in Section 17.14. Any orginal member may elect to take the pension provided in this section in lieu of the pension authorized by Section 17.16(b).

Section 17.18.

(b). Election of Option Prior to Retirement. Any member who continues in the employ of the city on and after his attainment of his voluntary retirement age may, by written declaration duly executed and filed with the Commission, in the manner and form prescribed by the Commission, elect either Option II or III and nominate a joint beneficiary as provided for in paragraph (a) of this section with regard to his retirement pension provided in Section 17.16, in the same manner as if he were then retiring from service. Any election of option and nomination of joint beneficiary so made cannot be revoked except upon the death of, or divorce or legal separation from, the said joint beneficiary prior to the effective date of the said member's retirement. In the case of the death of, or divorce or legal separation from, the said joint beneficiary prior to the effective date of the said member's retirement, the said member's previous election of option and nomination of joint beneficiary shall be automatically revoked and the said member may again elect either Option II or III and nominate a joint beneficiary at any time prior to the effective date of his retirement. If any member who shall have made an election of either Option II or III and nominated a joint beneficiary, as provided in this paragraph, shall die prior to the effective date of his retirement, then the said joint beneficiary shall immediately receive the same pension as the said joint beneficiary would have been entitled to receive, under the option elected, if the said member had been regularly retired at that time pursuant to the provisions of this chapter. If a member who shall have made an election of an option under the provisions of this paragraph subsequently retires pursuant to the provisions of this chapter, his said election of option and nomination of joint beneficiary, in effect at the time of his retirement, shall continue in effect in the same manner in all respects as if at the time of his retirement his said election had been made pursuant to the provisions of paragraph (a) of this section. No benefits shall be paid under this paragraph on account of the death of a member in the event any benefits are payable under the provisions of Section 17.25 on account of his death.

(c). Automatic Option Prior To Retirement. Any member who continues in the employment of the city on and after his attainment of his voluntary retirement age, and does not make an option election as provided in paragraph (b) of this section, and (1) dies prior to the effective date of his retirement while in service and (2) leaves a widow, or in the case of a female member leaves a husband whom the Commission finds to be totally and permanently disabled and to have been dependent upon the said female member for his support, the said widow or dependent husband, as the case may be, shall receive a pension computed in the same manner, in all respects, as if the said member had (1) retired effective the day preceding the date of his death, (2) elected Option II provided for in paragraph (a) of this section, and (3) nominated his said widow or dependent husband, as the case may be, as joint beneficiary. Upon the death or marriage of the said joint beneficiary his pension shall terminate; provided, that if the aggregate amount of pension payments received by the said joint beneficiary is less than the accumulated contributions standing to the said member's account in the Pension Savings Fund at the time of his death, the balance of his accumulated contributions shall be transferred from the Pension Reserve Fund to the Pension Savings Fund and paid in accordance with the provisions of Section 17.26. No benefits shall be paid under this paragraph on account of the death of a member if any benefits are paid under Section 17.25 on account of his death.

PROPOSED CHARTER PROVISIONS

PROPOSITION NO. 1
Proposed Amendment to Chapter 16 of Charter Affecting Provisions of the General Employes Retirement System

Shall Chapter 16 of the Charter of the City of Grosse Pointe Farms be amended to amend the provisions for non-duty death benefits to reduce the service requirements from 25 to 15 years and to remove the now obsolete provision concerning a member who retires without social security fully insured status, and to provide the refund of a member's unused accumulated contributions after survivor benefits terminate; and to make certain corrections in the Chapter? Yes ☐ No ☐.

Amend Section 16.16 to strike subsection (e).

Section 16.17. Should any member who either (1) has twenty-five or more years of credited service, or (2) has attained age fifty years and has fifteen or more years of credited service leave the employ of the City prior to his attainment of age sixty years, for any reason except his retirement or death, he shall be entitled to a retirement allowance computed according to section 16.16 as the section was in force as of the date his employment with the City last terminated: Provided, that he does not withdraw his accumulated contributions from the annuity savings fund. His retirement allowance shall begin the first day of the calendar month next following the month in which his application for same is filed with the Commission on or after his attainment of age sixty years. Unless otherwise provided in this Chapter, such person shall not receive service credit for the period of his absence from City employment.

Section 16.19. (a) Any member who continues in the employ of the City after the date he either (1) acquires fifteen years of credited service, or (2) attains age fifty-five years and has ten or more years of credited service, may by written declaration duly executed and filed with the Commission, in the manner and form prescribed by the Commission, elect Option II provided for in section 16.18 and nominate a beneficiary whom the Commission finds to be dependent upon the member for at least fifty per cent of his financial support. The election of Option II and nomination of beneficiary may be revoked by the member at any time prior to the effective date of his retirement, and he may at any time prior to the effective date of his retirement, again elect Option II and nominate a beneficiary as provided in this subsection. Upon the death of a member, who has an Option II election in force, his beneficiary, if living, shall immediately receive a retirement allowance computed in the same manner in all respects as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained age sixty years. If a member who has an Option II election and nomination of beneficiary in force subsequently retires pursuant to the provisions of this Chapter he shall, within ninety days preceding the effective date of his retirement, but not thereafter, have the right to cancel such election of Option II and nomination and to elect to receive his retirement allowance as a regular retirement allowance or under any option provided for in section 16.18. Upon the beneficiary's marriage, or remarriage, or death, the retirement allowance shall terminate. No benfits shall be paid under this subsection on account of the death of a member if any benefits are paid under section 16.25 on account of his death.

(b) Any member who continues in the employ of the City after the date he either (1) acquires fifteen years of credited service, or (2) attains age fifty-five years and has ten or more years of credited service, and in either case does not have an Option II election provided for in subsection (a) of this section in force, and (1) dies while in the employ of the City, and (2) leaves a widow, or in the case of a female member leaves a widower whom the Commission finds to be totally and permanently disabled and to be dependent upon the female member for at least fifty per cent of his financial support, the widow or widower shall immediately receive a retirement allowance equal to seventy-five per cent of the member's regular retirement allowance, computed according to section 16.16 (a) and (b) in the same manner as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained age sixty years. Upon the remarriage or death of the widow or widower the retirement allowance shall terminate. Upon termination of the retirement allowance if the total of the retirement allowance payments received by the widow or widower is less than the member's accumulated contributions standing to his credit in the annuity savings fund at the time of his death, the difference between his accumulated contributions and the total amount of retirement allowance payments received by the widow or widower shall be paid to the widow or widower, if living, otherise to the widow or widower's estate. No benefits shall be paid under this subsection on account of the death of a member if any benefits are paid under section 16.25 on account of his death.

PROPOSITION NO. 2
Proposed Amendment to Chapter 17 of Charter Affecting Provisions of the Policemen and Firemen Retirement System

Shall Chapter 17 of the Charter of the City of Grosse Pointe Farms be amended to amend the provision for non-duty death benefits to cover dependents of members after 15 years of service instead of voluntary retirement age, and to remove certain limitations on change of beneficiaries prior to retirement; and to make certain corrections in the Chapter? Yes ☐ No ☐

Amend Section 17.17 to correct.

Section 17.17. Should any new member who has twenty-five or more years of credited service leave the employ of the City prior to his attainment of age fifty-five years, for any reason except his retirement or death, he shall be entitled to a pension computed according to section 17.16 as the section was in force at the time his employment with the City last terminated: Provided that he does not withdraw his accumulated contributions from the pension savings fund. His pension shall begin the first day of the calendar month next following the month in which his application for same is filed with the Commission on or after his attainment of age fifty-five years. Any original member may elect to take the pension provided by this section in lieu of the pension provided by section 17.16(b). Unless otherwise provided in this Chapter, such person shall not receive service credit for the period of his absence from City employment.

Amend Section 17.18 to Amend Subsections (b) and (c).

(b) Any member who continues in the employ of the City after the date he either (1) acquires fifteen years of credited service, or (2) attains age fifty-five years and has ten or more years of credited service, may by written declaration duly executed and filed with the Commission, in the manner and form prescribed by the Commission, elect option II provided for in subsection (a) of this section and nominate a beneficiary whom the Commission finds to be dependent upon the member for at least fifty per cent of his financial support. The election of option II and nomination of beneficiary may be revoked by the member at any time prior to the effective date of his retirement, and he may at any time prior to the effective date of his retirement, again elect option II and nominate a beneficiary as provided in this subsection. Upon the death of a member, who has an option II election in force, his beneficiary, if living, shall immediately receive a pension computed in the same manner in all respects as if the member had retired the day preceding the date of his death, nothwithstanding that he might not have attained his voluntary retirement age. If a member who has an option II election and nomination of beneficiary in force subsequently retires pursuant to the provisions of this Chapter he shall, within ninety days immediately preceding the effective date of his retirement, but not thereafter, have the right to cancel his election of option II and nomination of beneficiary and to elect to receive his pension as a regular retirement pension or under any option provide for in subsection (a) of this section. Upon a beneficiary's marriage, remarriage, or death, the pension shall terminate. No benefits shall be paid under this subsection on account of the death of a member if any benefits are paid under section 17.25 on account of his death.

(c) Any member who continues in the employ of the City after the date he either (1) acquires fifteen years of credited service, or (2) attains age fifty-five years and has ten or more years of credited service, and in either case does not have an Option II election provided for in subsection (b) in force, and dies while in the employ of the City, the following applicable benefits shall be paid:

1) If the deceased member leaves a widow, or in the case of a female member leaves a widower whom the Commission finds to have been dependent upon the female member for at least fifty per cent of his financial support due to mental or physical disability, the widow or widower shall receive a pension equal to seventy-five per cent of the member's regular retirement pension computed according to section 17.16 in the same manner as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. Upon the widow's or widower's remarriage or death the pension shall terminate.

2) If the deceased member does not leave a widow, or a widower eligible to receive a pension provided for in paragraph (1) of this subsection, or if the widow or widower remarries or dies before the member's youngest unmarried child attains age eighteen years, his unmarried child or children under age eighteen years shall each receive a pension of an equal share of seventy-five per cent of the member's regular retirement pension computed according to section 17.16 in the same manner as if the member had retired the day preceding the date of his death, notwithstanding that he might not have attained his voluntary retirement age. Upon a child's adoption, marriage, attainment of age eighteen years, or death, whichever is first, his pension shall terminate and there shall be a redistribution by the Commission to the deceased member's remaining eligible children under age eighteen years.

3) In the event the pensions provided for in paragraphs (1) and (2) of this subsection are terminated before the total of the pensions paid on account of the death of a member equals his accumulated contributions standing to his credit in the pension savings fund at the time of his death, the difference between the amount of his accumulated contributions and the total amount of pensions paid shall be paid to the member's estate.

4) In no case shall any benefits be paid under this subsection (c) on account of the death of a member if any benefits are paid under section 17.25 on account of his death.

FAIRHOLME — Garrison Colonial with stone front which has the large owner bedroom and so desirable four closets plus two bedrooms, family room and games room. Lots of carpeting included. $31,900. Why rent? TU 1-6300.

GRAYTON—You will be happy with your kids near school (public and parochial). You will be pleased with the steps saved in the kitchen and breakfast nook. Add to this four bedrooms, two baths, powder room, den and terrace. A lot of home. TU 1-4200.

HOLIDAY — It's time to buy! You should see this three bedroom Ranch home on wide 75 foot lot with 23 foot living room, full dining room, carpeting and draperies. Near bus and Montieth School. TU 1-6300.

HIDDEN LANE—This step-saving Ranch home has a secluded location. Of generous size, the slate-floored entrance hall, 24 foot living room, dining room, 15 x 15 foot den, two bedrooms, 1½ baths leave nothing to be desired for comfort. TU 4-0600.

HUNTINGTON—Near bus, this attractive face brick 1½ story with two bedrooms may be expanded for a larger family. Living room has fireplace, dining room, kitchen has table space and all carpeting is included. $18,500. Better take a look. TU 1-6300.

LAKESHORE—A charming Colonial you should not miss, features entrance hall with marble floor, circular stair case, paneled library, powder room, five bedrooms, three baths and games room. Needs work but imagination will do wonders. TU 1-4200.

LAKESHORE — This home has location, accommodation and equipment—nice living without excess space. The first floor has living room and dining L which may be separated by a folding door, mahogany paneled family room, bedroom and 1½ baths. The 2nd floor has two bedrooms and bath. May we show it to you? TU 1-6300.

SHOREHAM — Up the circular drive and through the door to comfort and convenience. A home with two bedrooms, two baths, living room overlooks park-like garden, den is paneled and has fireplace. The Mutschler kitchen is bright and a laundry on first floor saves steps. Dreams are like this. TU 1-4200.

STEPHENS, 236—OPEN SUNDAY 2-5—Secluded "Farms" location. This excellent home features a large living room, dining room, sharp kitchen with dishwasher and disposal; vanity, two bedrooms — each with double closets, two baths, paneled library or third bedroom. Florida room and a games room with picture window. The two-car attached garage has an electric door opener. TU 4-0600.

SUNNINGDALE—In the style of Williamsburg but a Grosse Pointe Shores location, this home features a first floor owner's suite, paneled library with pegged floor, four bedrooms and two baths on 2nd floor, wide 100 foot lot with lavish plantings and a sprinkler system. A prime offering! TU 4-0600.

WHITTIER—A French Colonial with center entrance and large bay make this home hard to pass. Inside the living room is 15 x 22 feet, the den has paneling and shelves for books. A good sized dining room, breakfast room, powder room and kitchen complete the first floor. The 2nd floor has four bedrooms and two baths. The home is air-conditioned and the 70 foot lot has a sprinkler system. Near Jefferson. TU 4-0600.

ANOTHER English house with the pefect layout for a growing family, is offered on 1027 Bishop Road. Six bedrooms, with almost as many baths on the second floor. Generous proportioned rooms throughout, yet not overwhelming to maintain. Priced in the low forties.

RAMBLE ABOUT in the luxury of gigantic rooms with fireplaces greeting you in most of the bedrooms and in living room, and dining room. This is truly one of the Pointe's fine houses. Immense foyer and a magnificent staircase leads up to five family bedrooms each with its own bath. Plenty of additional rooms for help or family, if required. Ready and waiting to be appreciated and sold.

COULD IT BE that you actually would make a move if you could "trade" that larger rouse you now rattle about in for a petite mansion with just the room you really need, but not giving up the larger rooms to which you have become accustomed? Allow us to show you this little big French house that could be the logical house for you. Just a block to the Lake shore . . . Call and we'll tell you more.

TUCKED AWAY on a dead end street in the heart of the Farms, and just a few minutes walk to schools and the Pier park. This newer house is in the colonial architecture with four bedrooms and two baths on the second floor. Naturally there is a family room and two car attached garage. You know this won't last at the low price of $49,500.

WITHOUT A DOUBT the best single story home offered in its price category today. Three honest-sized bedrooms with one and a half baths. Family-sized leisure room and full basement with play-room for the kids. We defy you to compare this with any other house listed at $35,500.

NOTHING COULD BE FINER and we can't find a rhyme 'er reason why this four bedroom home in the Shores hasn't been snapped up. Consider this newer colonial with so complete a kitchen it even has a built-in barbecue. Center hall plan has living room, dining room, and the family room each leading from the hall. Additional plus is the sensibly placed utility room between the kitchen and garage.

NONE OTHER LIKE it in the Farms. Check these features: Two full baths, four bedrooms, divided basement, two car garage. Now check your pocketbook. Chances are you can afford all this house, because it's priced in the mid thirties . . . and on Handy Place.

WITH THREE bedrooms and two full baths you would certainly expect this house wuold be priced higher than $28,500. The owner is serious about "moving" this colonial this week. You would be amazed to find a family room and separate dining room in this home, which appears compact from the curb. The immense master bedroom and bath upstairs challenges comparison with any other in this price range.

JUST OFF Windmill Pointe Drive on Middlesex, is the location for this attractive English house. The kitchen has been completely redone, which will please mother. Five family bedrooms serviced by two and a half baths.

Pointe Business Notes

Parke, Davis & Company has announced the appointment of Dr. John E. Gajewski as Director of Medical Education and Editorial Services.

Graydon L. Walker, vice-president, U. S. sales and promotion, said Dr. Gajewski would assume immediately the newly-created position in the product advertising and promotion department.

Walker said that in addition to medical correspondence activities and the medical editorship of Therapeutic Notes, Dr. Gajewski would continue to provide medical counsel for advertising and promotion projects and in the area of sales training.

A native of Green Bay, Wis., Dr. Gajewski received his B.A. degree in chemistry from St. Norbert's College, West De Pere, Wis., in 1937. He earned a Ph.D. degree in pharmacology at the University of Wisconsin in 1944, and two years later completed his M.D. at the University of Wisconsin medical school.

Dr. Gajewski, following his internship during 1946-47 at the University of Kansas medical center, served the U. S. Navy as Medical Officer at the U. S. Naval Hospital and Medical Research Institute, Bethesda, Md., for two years.

He joined Parke-Davis in 1949 as a member of the Clinical Investigation Department, and in 1959 was named assistant director of medical correspondence and assistant editor of Therapeutic Notes, the firm's medical journal, the position he held until his present promotion.

Dr. Gajewski resides in Grosse Pointe Park.

Robert B. McCurry has been named executive assistant and director, marketing services, for Chrysler Corporation's domestic automotive group.

In his new position, McCurry will have the responsibility for a number of automotive sales group functions including merchandising, personnel, dealer relations, sales distribution planning, automotive service and the automotive sales group comptroller's office.

Prior to his appointment, McCurry was assistant general manager of the Dodge Car and Truck Division, a post he had held since December, 1963. Prior to that, he had been general sales manager of Dodge and earlier was manager of operating services in Chrysler Corporation's market representation department for two and a half years.

McCurry joined Dodge as a district sales manager in Green Bay, Wis., in 1950. A year later he was transferred to Chicago as a city manager and in 1954 was named assistant regional manager for the Chicago region.

He was appointed Minneapolis regional sales manager in 1955 and Los Angeles regional manager in 1956. Later that year he was named Los Angeles zone manager and in 1958 was promoted to Western Area sales director. From July, 1959, until March, 1960, he held the position of assistant general sales manager for the Dodge Division.

McCurry was born in Burnham, Pa., in 1923. He attended Pennington Preparatory School, Pennington, N.J., and enrolled in the University of Delaware for a year before entering Army Air Corps in 1942. He was discharged in 1945.

McCurry captained the varsity football teams at Michigan State University in 1946, 1947 and 1948, and during this period was named to a number of All-American teams. He was an assistant on the MSU coaching staff for a year prior to his graduation in 1950.

McCurry, his wife, and their two daughters reside at 936 Washington road, Grosse Pointe.

Named assistant vice president sales for Great Lakes Steel was A. Dean Peirce. Prior to his appointment, Mr. Peirce was assistant general manager of sales automotive.

Mr. Peirce is a graduate of Case Institute of Technology where he earned a degree in Metallurgy. He began his National Stel carr in 1940 at National Steel career in 1940 at National Steel's Weirton Steel Company Division.

Following experience in the Metallurgical and Quality Control areas, Mr. Peirce, in 1950, joined the staff of the National Steel Detroit District Sales Office where, in 1958, become assistant district sales manager.

He was named area sales manager for the National Steel West Coast offices in August, 1961 and in 1963 was advanced to assistant general manager of sales for Great Lakes Steel.

Mr. Peirce, his wife, Ruth, and daughter Marcia live at 24 Warner road, Grosse Pointe Farms. Another daughter, Mrs. (Virginia) James Blacketter also makes her home in the Detroit area.

Last week . . . we ran in this column a letter from Tinsey Scales, daughter of Ralph Netting, of Lincoln road, former mayor of the City of Grosse Pointe—but inadvertently "dropped" the explanatory note that was to have preceded Tinsey's missive. We blush at our GOOF—and hasten to explain who wrote the letter, and why we ran it: Shortly after disaster overtook the nuclear submarine THRESHER more than a year ago, Tinsey, whose husband, Dick Scales, is Operations Officer of TINOSA, Thresher's sister ship, wrote a letter home, describing the thoughts and emotions of a Navy officer's wife—a submariner's wife in particular—on the occasion of the Thresher's death. The NEWS was privileged to print that letter. When Tinsey wrote home last month on a happier subject, Tinosa's first venture to sea for pre-commissioning trials, her father offered to share this letter, too, with us . . . and we, in turn, decided to share it with our readers.

Once again . . . Carolyn Hubbard Lucas, who has been traveling in The South, where she stopped off in Williamsburg to see the lovely Colonial things, offers our readers a poem, this time a thought-provoking commentary on yesterday, today and tomorrow:

BEAR MARKET

Who could change this mechanical dervish—
—Our world in a chaos of matter?
And supposing we would save the things that we should
Still our time is as mad as a hatter.
Yet we take it and make it our oyster
And hope for the best to digest it—
We chose the wrong spoon when we reached for the moon
Which was cheese—but how could we have guessed it?
There are those would propose a new climate—
Without pain—only license and laughter.
But don't be deluded—our freedom's excluded
Percentage is what they are after.
So don't let's get hooked like the Romans—
But some of our weaknesses alter
And stand by our guns and our daughters and sons
If we're not to be caught by the halter.

* * *

Not to be outdone by her friend, Mrs. Lucas, Marie Louise Anderson, of Cranford lane, whose work has also appeared in this column before, presents a verbal picture of—

OCTOBER

Foliage of lovely hue
Skys of deep cerulean blue
in October.
Leaves of red, gold and green
Against the sky in brilliant sheen
in October.
Flowers windswept, spent and tossed
Still in beauty, then the frost
in October.
Air clear, chill and crisp
A little snow, just a wisp
in October.

REAR ADMIRAL and MRS. L. J. JACOBI are back in their Fisher road home, after a two weeks' trip to Washington and the United States Naval Academy. Admiral Jacobi, vice president of the Naval Academy Alumni Association, and his wife were at Annapolis for the Homecoming Festivities. They returned to Michigan in time for the Navy-University of Michigan game last week, were disappointed over Navy's defeat at U. of M.'s hands but elated because "their" team had won its own Homecoming Game in Annapolis.

CHIMOSETTE
Contributed by Mrs. E. M. Gregory, Jr.

1 lb. ground beef
½ lb. ground chuck or round
1 medium onion, chopped
¼ green pepper, chopped
¼ lb. cheese, cubed or sliced in strips (a good cheddar)
1 small can mushroom soup
3 stalks celery
Chicken stock
2½ cups egg noodles, cooked
1 4-oz. can mushrooms
Salt to taste
Dash of white pepper

Saute onion, pepper and beef in frying pan. Slice celery and cook in chicken stock for a few minutes. Do not overcook. Add celery and stock to meat. Add cheese and mushrooms to above ingredients. Stimmer at low temperature until cheese melts or place in oven for 30 minutes at a 350° temperature. Serves four.

DIANA LEVERING, DOROTHY RIEVEN, JEANINNE ELOWSKY AND CHRISTIE RASMUSSEN, OF THE GROSSE POINTE PUBLIC SCHOOLS

By Janet Mueller

The four young women pictured above have covered a lot of ground. Each is an international traveler, with individual ports-of-call ranging from Quebec, P.Q., to Capetown, South Africa. By profession, all are schoolteachers—and, collectively, innovators.

They teach French in the Pointe Public Elementary Schools, coming in contact with all fourth graders twice a week, with most of the fifth and sixth graders on the same bi-weekly basis.

They have literally created their own teaching program. Until a very few years ago, French was regarded, in the United States, as largely an academic subject; language classes for elementary school children were so rare as to be, for all practical purposes, non-existent; books on how to teach a second language to a nine-year-old had not been written; methods of teaching a second language to youngsters had not been tested.

Diana, Dorothy, Jeannie and Christile have written the curriculum guides used in Grosse Pointe for grades four through six—and are constantly in the process of revising them of trying new methods and approaches.

Women On The Go

They are young women "on the go." With classes of 20 minutes duration, they meet six groups in the morning and another six in the afternoon. Some of them divide their respoinsibilities among two or three schools. Once a week, they get together at a planning session, discussing problems, procedures and progress.

Their assignment is a difficut one. It demands a flair for dealing with young children, plus a high degree of competence in the language itself.

"You have to be sort of a ham," Christy explains. She describes getting up in front of an elementary class, without books, as "almost like going on TV."

"All four teachers agree that dealing with children is an art in itself. "With classes only 20 minutes long, you have to know how to get through to the boys and girls." They use tape recorders and many visual aids, pass out ditto sheets and are excited over the possibilities of a new magazine, "Bonjour," currently distributed to sixth grade students. But in the fourth grade, they agree, teaching almost has to be all oral, the teacher must know exactly what she is doing.

Dorothy Is Veteran

Dorothy, who taught at Pierce for a half year, then joined the elementary grade language program in the fall of 1960, is the "veteran" of the group. Married, she lives with her husband, David, and five-year-old son, Steve, in school at Defer, in Country Club drive.

She received her Bachelor of Arts degree from Michigan State University, studied methods of teaching French to elementary students at the University of Michigan, took Italian and German classes at Wayne State University.

She loves traveling and bicycle riding, combined these two "loves" while she was in school and pedalled her way through Europe with an American Youth Hostel group. She remembers a bicycle trip along the "Rhine as "just about the most beautiful journey I ever took."

She lived with a French family, in Paris, while going to the Alliance Francaise, attended classes at the Sorbonne, taught English to French children, and worked at the American Club in Paris for a year.

She has visited Greece, England, Scandinavia, Spain, North Africa and Yugoslavia. She would like to go back to Europe, sans bicycle: "Biking is good for the arches, but it has its place; today, I'd rent a car."

Finally Seeing America

She has also toured in Quebec, and last summer the Rievens purchased a travel trailer, journeying to Lancester, Pa., and northern Michigan. "The truth is," Dorothy says a little ruefully, "I haven't seen the United States. Right now, I'm concentrating my travel in America."

All four teachers agree the trend today seems to be to see America LAST. They note that a European tour seems more sophisticated to young adults than a trip to the Grand Canyon, that traveling abroad is actually cheaper than traveling at home . . . and that the opportunity to use their second language is fun.

Diana Levering is beginning her third year with the elementary grade language program . . . and settling down after a marvelous summer tour of Europe, via motor bike.

She traveled through Holland and Germany, dashed down into Italy, attended school in France for six weeks. "I loved Paris, I really did," she maintains. She became friendly with a man and woman who ran a fruit and vegetable store, and had great discussions with them about everything under the sun.

She found the French people very anxious to discuss President Kennedy, (this interest in Kennedy and the assassination seems to be world-wide; Christie Rasmussen, who summered in Capetown, reports the South Africans had a similar desire to talk about the late President).

Studied Many Places

Currently, Diana is making her home in Cloverly road. She received her BA from the University of Minnesota, studied Linguistics at the Sorbonne and Advanced Calculus at Wayne University, and has also studied German, Spanish and Latin.

She enjoyed a school year in France, has lived with a Dutch family, and spends her spare time skiing, swimming, biking, playing bridge or reading.

Christie Rasmussen has a year's experience with the language teaching program. She and Diana are roommates, and both traveled this summer — but in different directions.

While Diana motor-biked in Europe, Christie vacationed in South Africa. She describes Capetown as a "gorgeous" city. After 10 weeks "on the scene," Christie believes the race problem of South Africa are overrated in the American press:

"I don't believe they're as bad as we think they are. I think ours in the South are as bad — or worse."

The summer before last, Christie worked as a water skiing instructor in Switzerland, at a French-speaking camp. And the summer before that, she taught swimming at a Fine Arts Camp in Canada, (the Canadian camp told her about the Swiss camp; she applied for a job in the Alps, was accepted, crossed the Atlantic and had a terrific time).

Switzerland is her favorite country: "It's beautiful. The people are friendly, and they all speak French, so it's easy for me to understand them."

Two Other Languages

She has two other language interests, German and Afrikaanse, and enjoys folk dancing, guitar playing, orchestra, climbing, skiing and riding.

Christie has studied at the McGill University French Summer School, in Montreal. Jeannine Elowsky, the "baby" of the elementary grade language program, (this is her first year), recently returned from summer language studies at Laval University, Quebec.

Besides French, Jeannine has studied German, Spanish, "and a little Persian." She likes sewing, knitting, snow and water skiing, is interested in yoga, reading, baking, making unusual recipes, gymnastics — and sport cars.

Jeannine drove alone to Quebec city this summer in her sports car; while there, she participated in a French sports car rally. She drove, with a navigator beside her, shouting directions in French.

The fact that she is back in Michigan, in one piece, proves her competence in the language.

Jeannine lived with a French-Canadian family in a suburb of Quebec City while she studied pure Parisian French at the University. She reports that it took her ear only a few weeks to become accustomed to Canadian as well as Parisian French, (the two differ much as English spoken in England and English spoken in America differ.)

Compare Problems

She describes the current French Canadian-English Canadian clash as roughly equivalent to our race problem, but does not think most French Canadians seriously want separation from Canada: "They want more things for the French population, but they know they can't separate."

After graduating from Central Michigan University, Jeannine went to Interlochen Arts Academy, where she worked as a counselor for nine months, This das in 1962, the first year for the Academy, which had formerly been operated solely as a summer camp.

While there, she was counselor for high school age girls, tutored in French and taught gymnastics.

French is the only language taught in the Pointe Public Elementary Schools. It was the language chosen to be taught by the parents themselves, who voiced their choice via questionnaires at the program's inception several years ago.

All four teachers feel the program is working out well. "We're not just fooling; this is for real," they say. Their aim is to provide their students with a foundation in the language, to give them the basic tools with which they can build a proficiency in the language.

They don't expect their students to start chattering in French three weeks after classes begin — or even three years after classes begin. But they do expect them to know the equivalent of one full year's Junior High work in the language, and they hope to have given them a basic feeling for an enjoyment of the language.

The program is still fluid, still experimental, but things are starting to jell. The teachers have begun to see where they are going.

"All we hear is good things from our Junior High teachers," Dorothy Rieven explains, "so we feel that we must be doing the job."

Public Invited To UF Lecture

Soon the United Foundation solicitor will be coming to the door, and we will be called upon to "Give Once For All."

To prevent that grumbling and begrudging sensation that is once in awhile felt upon such occasions, it would be a good idea to go to the War Memorial on Wednesday evening, October 21, at 7:45 o'clock, to hear Richard Huegli, Director of United Community Services, present the poverty picture and what public and private agencies do about it.

Mrs. Frank W. Wylie, past president of the Junior League of Detroit, will also explain how vital is the role of the volunteer in meeting the endless demands of a community the size of Detroit.

This program, called "Detroit's Public and Private Service Agencies," is the fourth in a series of seven open meetings included in the Junior League of Detroit's Provisional Course. The public is encouraged to attend.

Marie Bird's Beauty By Line

"How Lovely to be a Woman" is a new smooth, danceable tune — and even the words make sense! But to be one isn't enough — the latest word from the great beauty capitals of the world is that more and more girls are beginning to look like girls—and boys from sixteen to sixty are glad!

The most **"In Look"** today is just about as **completely feminine** as possible. Hairdos are **softer, curlier** — shorter **and** lightly tapered with face framing tendrils. Rapidly disappearing says **Virginia Huss,** editor of the fine professional magazine **Modern Beauty Shop** is the **"Un-Look" — unkempt — uncut — uncurled** and certainly **unbeautiful.**

Elegant coiffures for **your** gala evenings should have the **hidden support** of a **Jumbo-Curl Perm** to make you the belle of the ball—and a picture of loveliness the morning after.

Our salon at **117 Kercheval** is always open Mondays—a **good day** to have a really **great Perm** — or to brighten your hair with color. The number to remember is **Tuxedo 1-6833**
