of the WEEK

PRESIDENT DE GAULLE yesterday threatened that France would withdraw from the European Common Market unless an agreement on its agricultural program was reached. His cabinet unanimously supported his declaration, which was also accompanied by a warning that there could be no practical negotiations between the United States and the Common Market until it reconciled its differences on agricultural policies. The price of wheat is the source of trouble in the agricultural problem. West German wheat prices are high because of Government support, but French prices are relatively low.

FUNERAL SERVICES are to be held for former President Herbert Hoover, who died yesterday after a long illness. About 17,500 persons moved slowly through St. Bartholomew's Episcopal Church in New York yesterday, the first of five days of national tribute to the memory of the late President.

Both President Lyndon B. Johnson and Senator Barry Goldwater will take time off from campaigning to attend the services.

LEONARD WOODCOCK, UNITED Automobile Workers' vice president, said yesterday that union members would vote at meetings Friday and Sunday on whether to accept new contracts with General Motors Corporation and return to work. He said that he felt confident that most locals would vote to end the strike. GM personnel vice president, Louis G. Seaton expressed the hope it would bring and end to the strike. About 300,000 General Motors workers have been made idle by the strike which began 27 days ago.

Friday, October 23

U THANT, Secretary General of the United Nations, said yesterday at a news conference that perhaps the five nuclear powers, which includes Communist China, should meet next year to discuss a prohibition on all nuclear tests, measures to prevent the spread of nuclear weapons and other phases of disarmament. He pointed out that there were diplomatic objections to such a conference but they should be secondary to the problems of nuclear destructibility and radioactivity. During the news conference, he also said that it would be helpful if the ousted Khrushchev "were able or inclined to make a public statement on the circumstances leading to his exit."

THE NOBEL PRIZE for Literature was awarded to Jean-Paul Sartre, philosopher, writer and leader of existentialism, yesterday in Stockholm. Sartre, however, immediately turned down the award and the \$53,000 that accompanies it. In refusing the award, Sartre said that a writer must not accept official awards, because to do so would add the influence of the institution honoring his work to the power of his pen and it is not fair to the reader.

PUBLISHERS AND NEGOTIATORS for the Detroit Free Press and the Detroit News and leaders of the Plate and Paper Handlers and Pressmen's unions met in Washington, yesterday with Federal mediators in an effort to bring an end to Detroit's 103 day-old newspaper strike. The meeting followed the latest collapse of talks between the unions and the papers and the failure of Gov. Romney's special committee to settle the strike. Talks were scheduled to continue today in Washington.

Saturday, October 24

THE GENERAL MOTORS COUNCIL of the United Automobile Workers voted yesterday to recommend ratification of the union's national contract with the corporation. The next step in the settlement of the strike which started September 25 will be ratification meetings of the individual 130 UAW locals. They are scheduled to be held today and tomorrow and union officials expressed con-

Declare War On Loiterers In 'Village'

City Police Warn Children They Will Be Taken to Court; Parents' Help Requested

Grosse Pointe City's Chief of Police, Andrew C. Teetaert told the News on Tuesday that starting next week children who are found loitering on the sidewalks and in stores of the Village after school hours and on Saturday will be issued tickets for breaking the loitering ordinance.

This will mean that children under the age of 17 who receive a ticket must appear before the Wayne County Juvenile Court and those 17 and over will appear in the Justice Court of the City.

During this week, the City Police are warning the children if they are found loitering in the Village.

The action of issuing tickets to children is the result of increasing complaints from citizens and shop owners who have been pushed, shoved and treated rudely by youngsters who invade the Village when they are not in school.

Must Have Reason According to Chief Teetaert, the only reason children should be in the Village is when they are on a specific errand for themselves or their parents.

Chief Teetaert is asking the cooperation of parents in bringing and end to this problem which has plagued stores, shoppers and police for a number of months.

He asks that each parent know where and what each of his children is doing after school and on Saturday. If they are headed toward the Village (Continued on Page 2)

2 Park Accident Victims' Condition Still Critical

A St. Clair Shores man and his wife, innocent victims in a traffic accident that cost the lives of three persons, including their daughter, are still in Bon Secours Hospital, according to the latest report received on Tuesday, October 27.

Still in critical condition and in danger is Eugene Edwards, 37, of 22619 Liberty. His wife, Colleen, 33, is also reported in critical condition, but holding her own.

Their three children, Eugene Edwards, 13, of 439 Ashland, Detroit, Edwards' son by a former marriage; their daughter, Lynette, 2; and Vicki Vacante, 13, Mrs. Edwards' daughter by a former marriage, had been released from the hospital on Friday, October 23, and are recuperating at home.

The family was involved in

the accident on October 18, when their automobile was hit head-on on Jefferson avenue, between Audubon and Whit-

The smashup killed Edwards' daughter Stephanie Jane Edwards, 17, of the Ashland address; and Charles M. Shea, 18, of 13025 East Jefferson, driver of the other car, and his passenger, Harvey Johnson, 17, of 1205 Gray, both of Detroit.

The multiple death accident was the first in the Park in more than 15 years, according to Police Chief Arthur Louwers. The triple fatal smashup resulted when Shea made a left turn from Audubon onto east-bound Jefferson at high speed. He sideswiped a car driven by Edward Lee Lardie, 26, of 20215 Ten Mile road, St. Clair Shores, (Continued on Page 2)

Young Speeder Pays Penalties

Ronald Cloud, 19, of 2809 Beniteau, Detroit, accused of two counts of traffic violation, pled guilty at a hearing held before Park Judge C. Joseph Belanger on Wednesday, October 21.

The youth, who was involved in a serious accident on September 6, when he struck a tree while driving on Windmill Pointe Drive, and suffered a bad injury, was charged with reckless driving (65 miles an hour), and driving without having a valid operator's license. He was driving with a learner's permit in his possession, police said.

Judge Belanger fined the youth \$35 on the reckless driving charge, and \$50 for never acquiring a regular license. Cloud, who had obtained his operator's license shortly after the accident, was ordered to surrender the license for a probation period of three months, during which he is forbidden to drive.

Candidates Gives Views On Issues

League of Women Voters Gathers Information From Those Seeking Office In Area

How Grosse Pointe area candidates view certain election issues is revealed in their answers to questions they were asked by the League of Women Voters.

The candidates for U.S. Congress from the 14th District, the State Senate (District 1 and 2), and the State House (District 1 and 3) were questioned by the Detroit League of Women Voters and the Grosse Pointe League of Women Voters. The League sought this information as part of its continuing effort to promote informed voting.

The questions asked the 14th District candidates to the U.S. Congress were prepared by the League of Women Voters of the United States. Following are the questions and the candidates' responses, stated in their own words:

1. What, in your opinion, should be the U.S. policy on economic aid to the developing nations of Asia, Africa and Latin America? Why?

Lucien Nedzi, Democrat, replied: "Our policy is and should be to help nations strengthen themselves against totalitarian enemies, external and internal, provide better life for their people, and create greater willingness to work with us toward a peaceful world. It should be anti-communist yet humanitarian and pragmatic, guided by our national self-interest."

George Bashara, Republican, stated: "Furnish training, lend capital goods and finances to establish their own economies, import their goods to encourage industries. The present handouts make them lose self-respect. Our aid has been given to the wrong people and used to solidify their own position to oppress their people with goods, funds and services we have so lavishly given."

2. Do you think there is need for further Congressional action on Civil Rights?

Nedzi: "The 86th Congress passed the most far-reaching and comprehensive civil rights bill in our nation's history. We can expect a period of compliance and testing. During this period, no further congressional action is anticipated."

Bashara: "Very little if any. Federal laws and their implications should be used sparingly and only in cases where basic constitutional rights are being denied."

Voters May Break State, National Records Tuesday

Expect 3.3 Million Ballots to be Cast in State and 71 Million in Entire Country; Romney Still Favored Slightly over Staebler

Michigan voters, spurred chiefly by heated contests for president and governor, may go to the polls in record numbers Tuesday. State elections officials forecast a turnout of about 3.3 million voters, approximately the same as the total in the 1960 presidential election. But the count could well go higher.

Michigan's population has gone up 275,000 in the last four years, but elections authorities said a number of voters will find themselves disenfranchised by a new registration law. It removes voters from the registration lists if they have not voted in the last two years or reregistered since then.

Previously, they remained on the rolls for four years.

Expect National Record Political observers predict the national election will attract more than 71 million voters, and surpass the record set in 1960 by more than 20 million.

The main contests in Michigan are the battle between President Johnson and Senator Barry Goldwater for the state's 21 electoral votes and the campaign by Democratic Congressman Neil Staebler to unseat Republican Gov. George Romney.

Virtually every political analyst, including many wearing Republican labels, predicts that Mr. Johnson will carry Michigan without much trouble. Most forecast that his majority will top 200,000.

Romney is still the favorite to win election to a second term, but Staebler appears to have closed the gap slightly in recent weeks and is giving the governor a tough race.

This year, for the first time, the lieutenant governor candidates are running as a team with the men at the head of the state tickets. Democrats nominated State Solicitor Gen. Robert K. Derengoski and Republican State Sen. William G. Mil-

Woods Wins Two National Safety Council Awards

During a meeting of the Woods Citizens Traffic Safety Commission meeting held in the Woods Municipal Building on Wednesday, October 14, the city received two Certificate of Achievement Awards, presented by the National Safety Council.

Making the presentation to the Woods, on behalf of the NSC, was State Police Cpl. Mel Osmet. The plaques were accepted on behalf of the community by Mayor Kenneth McCleod.

The certificates and plaques acknowledged the Department of Public Safety's winning entries in a national safety contest sponsored by the NSC, and were for Maintenance of Accident Records, and Traffic Engineering.

Heavy Voting Predicted by City Clerks

Hundreds of Applications Received for Absentee Ballots, Deadline October 31, 2 p.m.

There are 36,240 registered voters in the Pointe, who like millions of others throughout the United States, are expected to cast their ballots in what is predicted will be one of the hottest presidential elections in years.

The various Pointe city clerks predict heavy voting in Tuesday, November 3, when electors will pick their favorites for national, state, county and non-partisan offices.

There will also be a State Referendum Ballot pertaining to the so-called Massachusetts Ballot, which if approved will eliminate a straight party ticket and will require a separate vote for each candidate voted for, and also requires that during general elections, candidates' names be grouped under office titles.

Farms Has Issues The Farms is the only Pointe that will have local issues to be voted upon, and these are:

Proposition No. 1—Proposed Amendment to Chapter 16 of the Charter affecting provisions of the General Employee Retirement System; Proposition No. 2—Proposed Amendment to Chapter 17 of the Charter affecting provisions of the Police and Firemen Retirement System; and Proposition No. 3—Proposed Bond Issue of not to exceed \$500,000 for the purpose of making certain improvements at the Municipal Pier-Park at the foot of Moross road.

Proposition Three is the only proposal that will be voted on by property owners and taxpayers residing in the city.

Proposition One is a proposed amendment to amend the provision for non-duty death benefits to reduce the service requirement from 25 to 15 years, and to remove the now obsolete provision concerning a member who retires without Social Security fully insured status, and to provide the refund of a member's unused accumulated contributions after survivor benefits terminate; and to make certain corrections in the chapter.

Proposition Two is a proposed amendment to amend the provision for non-duty death benefits to cover dependents of members after 15 years of service instead of voluntary retirement age, and to remove certain limitations on change of beneficiaries prior to retirement; and to make certain corrections in the chapter.

Of the 36,240 registered voters in the Pointe, the Park has 9,731; Farms, 8,320; Woods, 12,381; City, 4,518; and Shores, 1,650.

Absentee Ballots The city clerks stated that the absentee ballot applications have already been applied for, the city clerks said, with many more expected before the Saturday deadline.

As of Tuesday, October 27, the Park reported more than 500 applications have been filed; the Farms, more than 600; the City more than 300, and the Shores, about 125.

The Woods is mailing sample ballots to all registered voters in the city, it was disclosed. Citizens may pick up sample ballots from their respective municipal halls.

Lane Changer Causes Crash

A ticket for cutting into moving traffic was issued to David B. Sheppard of 455 McKinley by City police on Sunday, October 25.

Sheppard was driving East on Kercheval when he stopped behind two cars in the left lane who were waiting to make a left turn. He cut into the right lane and failed to see an approaching car, driven by John P. McGorich of 633 Pear Tree lane, and struck the McGorich vehicle on the left side.

with no objective, stop them, put them to work at home, make them read a book but in any case forbid them permission to wander in the Village.

Another problem which the police force has been forced to take drastic action on is that of bicycles which are left in the middle of sidewalks in the Village. City police are now picking up those which are found lying about the entrances to stores and in the path of shoppers. They are taken to the police station where they can only be claimed by the owner accompanied by one of his parents.

Won't Use Racks

Racks have been provided for them by the City but the majority of the children do not use them and simply leave bikes wherever they please. It is not only an inconvenience and nuisance to shoppers but a dangerous hazard.

Police, store owners and shoppers say that the children invade the Village in packs. They roam the stores, are rude to paying patrons and often do things which smack of vandalism. In recent weeks, several children have been caught in the act of shoplifting.

Storeowners have no way of knowing what percentage of teen age shop lifting exists in the Village but they know it's there. Those who have been caught are from families who are in the high income bracket and are certainly not deprived of physical necessities and luxuries.

One store manager was quoted as saying, "This sort of thing does not reflect kindly on the community or its families."

ating economic effects. Excise taxes should be lowered or eliminated, where feasible. We should continue to get to the causes of hard-core unemployment and delinquency by programs of aid to education and job training."

Bashara: "Reducing spending, removing taxes on automobiles, leather goods, etc. would bolster economy. A \$400 tax is a deterrent to purchase of automobiles. Income taxes reduced to give states and cities opportunity to raise taxes by other than real estate taxes. Tuition credit allowed to college students."

The League of Women Voters of Michigan prepared the following question asked candidates to the State Senate and the State House:

What do you consider the chief issues facing Michigan today and how should they be resolved?

The candidates replied as follows:

State Senate—1st District—George S. Fitzgerald, Democrat: "No reply received. Albert J. Thorburn, Republican: "Encouragement of economic growth through creation of new industry and higher employment. The past two years has seen a steady decline in Michigan's unemployment rate through creation of new jobs. This trend must be continued with all its social and economic benefits to our citizens. It will enable state government to provide adequate statutory and financial support for essential state services, which help people, especially in areas of education, mental health, and young people. This can be accomplished by continuing to preserve the financial integrity of Michigan government and impartial administration of Michigan's laws for the benefit of all."

State Senate—2nd District—Charles N. Youngblood, Democrat: "Education, at all levels, should be given priority as an investment in the future. Our colleges are facing complex problems caused by large enrollments in history. It is the credit of the educators of this state that through their foresight and imagination we can take pride in the advances achieved. They need the support of citizens and legislators to make it possible for all qualified, ambitious young people to obtain the best education available. Citizens, unaware of local problems such as County Home rule, should be encouraged to take more active interest. County Home rule is an important issue."

Herbert O. Steiger, Republican: "The central issue is whether an individual property owner can control disposition of his property. I stand four square for a property owner's right to sell or rent or NOT to sell or rent to anyone not to his liking. Another vital issue is which party can keep Michigan on the move. The record since 1962 speaks well for the Republican side of the aisle. Capital is now coming to our great state and the election of Governor Romney and a legislative team of Republicans is essential to continue our progress."

State House—1st District—William B. Fitzgerald, Democrat: "Michigan's problems are (1) stabilizing government costs; (2) preparation for the future. An indicator of future is 60 million rise of State Welfare budget in 10 years; administrative costs stabilized but population increased. Government must be modernized to avoid disastrous costs. Remedies: (after 6 months' study of government) (1) using Michigan's college facilities; streamlining operations by merging agencies; eliminating work duplication; consolidating State, County, Municipal functions. Once started in Legislature, public opinion will force cooperation. (2) Increase scope and effectiveness of Research Bureau for purpose of diversification of industry for economic growth. (3) Co-operation."

Robert E. Waldron, Republican: "Michigan has made fabulous gains in the last two years in most fields. These include: education, mental health, unemployment compensation, and welfare. Without a stable economical government, this would have been impossible. For further progress, two main areas of organization remain to modernize our state government. The first is County Home rule. The second is governmental reorganization. Home rule should be the right combination of local flexibility and uniform framework. I will continue to work for this. Governmental reorganization should emphasize economy, efficiency, and responsibility rather than the political merging of 'chiefs.' I pledge to work fully toward this end."

State House—District 3—William A. Ryan, Democrat: "The chief issues facing Michigan today are the ways and means of eliminating the hard core poverty that still exists in the state, the ways and means of continuing our economic growth, the ways to assist parents in their efforts to provide a good education for their children and with special assistance to those parents who have been beset with unusually difficult circumstances or persistently detrimental environment, improved facilities, and improved consideration for the growing number of senior citizens."

Curtis Jacobson, Republican: No reply received.

The Grosse Pointe League of Women Voters is distributing two issues of "Voters Guide" containing the above information and additional material on the candidates for State and County offices. One "Voters Guide" provides information on the candidates running in all state-wide contests and background information on the Massachusetts ballot issue. The second "Voters Guide" contains material on the candidates for U.S. Congress, State House, State Senate, and Wayne County positions.

The 1965 Ford rides quieter than a Rolls-Royce!

Prior to the introduction of the 1965 Fords, the country's leading automotive writers drove the new models at Dearborn. Most of these experts remarked about the extraordinary quietness and smoothness of the Ford ride. An automotive writer in *Mechanix Illustrated*, said, "If there is a quieter car made in this country, I haven't driven it."

Quiet Means Quality... Since quiet is a traditional measure of car quality, Ford engineers designed the '65 Ford for maximum quietness. To illustrate

New Rolls-Royce Silver Cloud III during series of tests.

this quality achievement, Ford chose to make a documented test against the world's finest luxury car—Rolls-Royce.

Bolt, Beranek and Newman, Inc., world's leading acoustic consultants to government and industry, conducted the tests under supervision of the authoritative United States Auto Club. All cars were tuned to factory specifications.

The Result... The Fords proved

PRODUCED BY Ford MOTOR COMPANY

to be slightly quieter at all speeds.

The official test report reads, in part: "At all moving speeds, on both courses, the Fords were quieter than the Rolls-Royces."

The Difference... The sound level difference, to be sure, is small—but it is there. At 60 miles an hour, Ford was actually 2.8 decibels* quieter than Rolls-Royce. At 40, Ford was 5.5 decibels* quieter. At 20, Ford was 4.9 decibels* quieter. However small these advantages over Rolls-Royce may be, they are significant evidence of quality—important to anyone buying a car in Ford's class.

Driver Requests Trial by Jury

Larry Malace, 23, of 26615 Richard, Warren, arraigned before Park Judge C. Joseph Belanger on Wednesday, October 21, on two traffic charges, requested a trial by jury.

Malace, who appeared in court with an attorney, is accused of speeding and cutting in front of moving traffic without signaling. He entered a plea of innocent.

Judge Belanger granted the man's request for a jury trial and told him that he will be informed when the date is set.

According to the Secretary of State's Office in Lansing, Malace has received a total of 16 traffic violation tickets within a period of six years, and has had his operator's license suspended three times.

BREAKS ANKLE

Nancy Dobbs, 30, of 11415 Grayton, Detroit, while leaving at 1826 Hunt Club, where she was visiting, slipped on a small rug near the front door and broke her left ankle. She was taken to St. John Hospital by Woods' police ambulance for treatment.

After being introduced in the Detroit Lions starting offensive lineup against the Chicago Bears as "Terry Barr, All-American from Michigan," the former Wolverine star had this comment: "Well, it took me eight years in the NFL, but I finally made All-American today."

Nab Youngsters For Car Theft

An alert Park police officer is credited with recovering a stolen car and arresting two Detroit teenage boys for car theft on Wednesday, October 21. One of the boys was listed as missing from his home.

While patrolling near Charlevoix and Beaconsfield, at 3 p.m., Patrolman Gary Mitchell noticed a car with two young men in it, and checked the license plate number with those on the stolen car board in his scout car. The license number checked with one belonging to an automobile that was reported stolen in Detroit on October 17.

Mitchell forced the driver to stop, and placed both boys, one 15 years old, and the other 16 years old, under arrest. The

younger lad was the driver. The officer took the boys to the station, where it was found that the younger boy was listed as missing with the Detroit police.

The teenagers were released to officers of Detroit's Jefferson Station, Fifth Precinct Youth Bureau, for further investigation.

Named Foreman Of City's DPW

Douglas Collinson has been appointed to the newly created position of foreman of Grosse Pointe City's Department of Public Works, according to City Manager John Cantwell.

Mr. Collinson assumed his duties on Monday, October 26. The post of foreman was authorized by the City Council at its meeting on October 19. In his new job, Mr. Collinson will work closely with Ted Vernier, superintendent of the department. Mr. Vernier is scheduled to retire February 1, 1965 and it is expected that Mr. Collinson

like (R., Traverse City), the Senate GOP floor leader.

Hare, Kelley Favored
Sen. of State James M. Hare and Atty. Gen. Frank J. Kelley, both Democrats, are favorites to win re-election. Their opponents are House Speaker Allison Green (R., Kingston), for secretary of State, and South Haven Attorney Meyer Warshawsky, for attorney general. Under the new State Constitution, the state treasurer and

will become superintendent at that time.

In making the announcement of the appointment, Mr. Cantwell said, "I am exceptionally pleased to have a man of this caliber for the job of foreman of the Public Works Department."

A native of Detroit, Mr. Collinson has been an employee of the department for the past two years. He is married to the former Mary Ann West of Grosse Pointe and they live with their five children in St. Clair avenue.

He is scoutmaster of St. Paul's Boy Scout Troop, No. 61. Both Mr. and Mrs. Collinson are on the Advisory Board of the Family Life Bureau of the Archdiocese of Detroit.

auditor general will be appointed instead of elected.

At the national level, Mrs. Elly Peterson, of Charlotte, is the Republican choice to end Democrat Philip A. Hart's career in the U.S. Senate at one term. Mrs. Peterson, former vice chairman of the Michigan GOP and until recently the assistant national GOP chairman, is fighting an uphill battle.

Based on past elections, Democrats also figure to come out on top in the 14th Congressional District, which embraces all the Grosse Pointes. George Bashara, attorney and veteran party worker, was nominated Sept. 1 to take on Lucien Nedzi, whose base of operations was moved from the First to the 14th District by the district reapportionment enacted by the Legislature this year. Nedzi beat Rep. Harold M. Ryan, the incumbent, in the Democratic primary.

To Pick New Court

From six candidates who survived the primary, Wayne County voters will choose three men to sit on the new State Court of Appeals. The six are: John H. Gillis, Grosse Pointe Township justice of the peace; Lt. Gov. T. John Lesinski; Tom Downs, AFL-CIO attorney and vice president of the recent state Constitutional Convention; Traffic Judge John Watts, Common Pleas Judge Harry Dingeman and former assistant county prosecutor Thomas

Foley. An issue not widely discussed in the campaign is the proposal to establish the so-called Massachusetts ballot in Michigan. It would eliminate the straight party lever on voting machines and the circle for the straight "X" on paper ballots. Voters would be required to vote separately on every office.

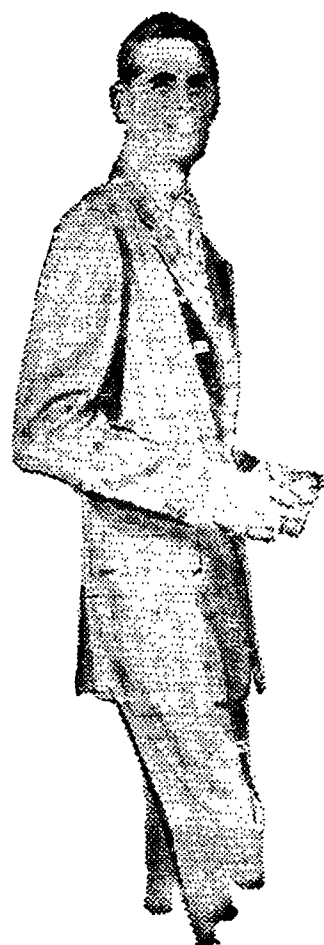

Republican members of the State Legislature, backed by Gov. Romney, pushed the measure through. They contended it would make for more respon-

sible voting.

Democrats Fought Back
Democrats lost the legislative battle, but succeeded in putting the issue before the voters by rounding up more than 330,000 signatures on petitions. They argued that the Massachusetts ballot would make voting too difficult, weaken major political parties and give "name" candidates an unfair advantage.

Also to be elected in state-wide contests are two members of the Michigan State University Board of Trustees, two

members of the Wayne State University Board of Governors and eight members of the State Board of Education.

30th Anniversary 1934-1964

Thank You to 250,000 Very Fine People

1934! If you're forty or more years old, you remember it as we do. Doubt, gloom, business stagnation everywhere. Yet a small group of local men had faith in Detroit's future. Moreover, they saw the need for an institution to promote thrift, and to economically finance homes. They secured a Federal savings and loan charter, and First Federal Savings of Detroit opened its doors in a small office on West Fort Street in downtown Detroit.

1964! Thirty years later that small beginning has grown to an institu-

tion with \$550,000,000 in assets; 178,000 insured savers are earning \$18,000,000 a year at First Federal through their thrift; 75,000 families have achieved home ownership through First Federal financing; and that small office is succeeded by a soon to be completed 23-story downtown headquarters, and a network of 19 branch offices.

Some kind of magic? Not at all. We're just delighted that over the years a quarter of a million or more Detroit-area folks have joined our Association, profited handsomely

while saving safely and conveniently, or benefitted by acquiring homes of their own. We thank them for sharing our faith in our community. And we especially invite you, if you're not one of them, to visit us and ask about our insured savings or home-loan financing services. You'll find our 19 offices listed on page 373 of the Detroit Telephone Directory.

Residents Asked To Lock Homes

City police have asked that residents of Grosse Pointe City use all possible safeguards and caution in locking their homes when they leave them for even a short period.

The warning comes on the heels of three breaking and entering cases in the City during this month. The first case occurred on October 14 at the residence of C. Roy Brooks in Lakeland avenue. Nothing was taken from the Brooks home, however. The thief was apparently frightened by the return of the family and escaped through a second floor window.

Lakeland avenue was again the scene of a breaking and entering on October 18 when the Karl Ness residence was robbed of \$70 in cash, \$50 in silver dollars and \$180 in traveler's checks. The money and checks were taken from the second floor, which was ransacked and left in disarray. The first floor was left untouched.

On Tuesday, October 20, City

police received a call from a Park scout car that two men were seen walking at the rear of Coleha Novetzke's home in Cadieux road. Assisted by Park police, City officers found the house had been visited by prowlers but no entry had been gained. There was no sign of the men first seen by Park police.

Although City police are making progress in their investigation of the breaking and entries, they advise City residents to notify neighbors if they expect to be absent from their homes for a period longer than two or three hours. They also caution residents to leave their shades up and the draperies open to discourage prowlers and thieves.

Students Help Project Hope

Mrs. Lillian Seegers' Second Grade class at Richard School is busy making favors to be sold to help Project S. S. Hope. An active member of Phi Mu National Sorority, a contributor to the project, Mrs. Seegers inaugurated the favor making project as a part of her social studies project. The favors were sold at a bazaar in the Hospitality Center in the Village on October 20.

The famous hospital-training ship, S. S. Hope, sailed September 30 for Conakry, Guinea, on the West Coast of Africa on her first visit there. It arrived October 15 to remain for a year.

The word HOPE stands for Health Opportunity for People Everywhere. The HOPE project is supported solely through the generosity of the American people. The project began in the fall of 1958 when President Dwight D. Eisenhower asked a prominent Washington, D. C. heart specialist, Dr. William B. Walsh, to begin a project to help international good will and understanding through personal contacts.

and teaching them to help themselves. The ship made its first trip in 1960 when it sailed to Indonesia, then a trip was made to Peru, Ecuador and now Africa.

Twenty-six countries have requested the HOPE to date and it has 3,000 volunteers from the U.S. medical profession who have offered their services without charge.

City police report that on Tuesday, October 20, the sidewalk in front of Kroger's which was under repair had been marred by children who had written their names in the wet concrete.

Absentee Ballot Deadline Nears

Grosse Pointe City residents who expect to be out of town on election day, November 3, are reminded by City Manager John Cantwell that Saturday, October 31 is the last day that they may make applications for absentee ballots at the City's office. No applications can be accepted after 2 p.m. on that day.

Voters after making their applications, may receive their ballots immediately, cast their votes and place them in sealed envelopes. They may, however, have them mailed to their residences to be returned later to the City offices.

GP Park Judge Submits Court Conference Report

A report on his annual attendance at the Traffic Court Conference in Evanston, Ill., attended by judges from practically every state in the Union, was submitted to the Park Council by Judge C. Joseph Belanger on Monday, October 25.

The Conference was sponsored by the Northwestern University School of Law, in cooperation with the American Bar Association and the Traffic Institute of Northwestern University from October 12 through 16.

The Traffic Institute conducts a large number of traffic court conferences in direct cooperation with the Traffic Court Program of the American Bar Association and is designed for judges connected with the prosecution and adjudication of traffic court cases.

Judge Belanger disclosed that the Conference once again included detailed discussions and consideration of the applications of criminal law and rules of evidence in traffic cases, practical applications of controls in traffic law enforcement, policies in the penalization of traffic violators, laws of arrest, the use of complaints in traffic cases, and charges of driving

while under the influence of intoxicating liquor.

Also discussed was the physical appearance and arraignment of courtrooms, public support for the courts, corrective and educational penalties, traffic violation bureaus, demonstration and explanation of radar and electrical timing devices and all other matters connected therewith.

The matters considered are generally divided in those involving education, engineering and enforcement, the judge stated.

He said that in approaching

Police Ticket Driver, Friend

Two suspects arrested by Woods police on Sunday, following a traffic violation, were questioned on a recent burglary committed in the Woods, but were cleared. Both admitted to having previous records.

The suspects, however, did not get off easily. One, Edward C. Drouljic, 24, of 12635 Racine, Detroit, was given a violation ticket for driving through a red light; and Dennis F. Tonn, 21, of 18711 Beland, Detroit, was given a ticket for permitting Drouljic to use his operator's license.

Drouljic was released to East Detroit police, later when it was found that he was wanted by them on an outstanding traffic violation warrant.

The pair was observed by Patrolman Theodore Hinz, who gave chase when Drouljic went through a red light at Mack and Cook road.

The officer stopped the pair at Faircourt, and demanded Drouljic's license. The man produced a license, but the policemen noted that the description did not fit the driver. Patrolman Thomas Podeswik arrived and assisted in taking the pair to the station.

Under questioning, Drouljic admitted that the driver's license he showed to Hinz belonged to Tonn. Drouljic also admitted that he had previously been arrested for unlawfully driving away an automobile; and Tonn admitted having been arrested for burglary.

Circumstantial evidence uncovered in a search of their car made the two appear likely suspects in a recent burglary in the Woods. Drouljic and Tonn denied being involved, and requested lie detector tests.

Dets. Albert Abend and Everett Plumb took the two men to the Centerline State Police Post for the tests, which cleared the two suspects.

Dance Staged By Boat Club

The Grosse Pointe Woods Boat Club held its first annual Halloween Dance Saturday night, October 24. It was the first, but all hands insist that it will not be the last.

The number and variety of costumes were beyond imagination. The most difficult job of the evening was the judging of costumes for prizes.

Everyone agreed that at least 90 percent of those present should have won a prize. In the women's category, Mrs. Roy VanAssche won for funniest, and Mrs. Chet Garbacz was judged best. The funniest man was Frank Oddo and the best man's costume was worn by Charles Tanner.

Among couples, the funniest pair was Mr. and Mrs. Mel Saters and best pair was Mr. and Mrs. George Young.

All the members and their guests, who danced the night away under hundreds of big orange balloons, agree that the party was a tremendous success and must be repeated annually.

Students Offer Voters Service

Are you without a ride to the polls on Tuesday? Need a babysitter while you vote? Well . . . good news. Neither case need be a problem.

Two high school clubs, Blue Hi-Y and Y-Teens have arranged a courtesy car and a babysitting crew to "drive or sit while you vote."

The service will be run between 3:30 and 8, (poll closing time), free of charge on November 3.

A telephone call to TU 4-4910 between those hours will quickly bring the service you desire. So, Republican or Democrat, get out and vote on Tuesday.

The tarantula looks ferocious, but actually it is secretive and retiring, hunting by night and hiding by day. According to Compton's Pictured Encyclo-

Pointe Symphony Society Getting Ready for Season

Along with the brilliance of Autumn comes another season of symphonic music to the Grosse Pointe Communities. The Grosse Pointe Symphony Society announces its 12th season with a calendar of four outstanding concerts to excite musical appetites of every taste.

As an opening event to the forthcoming Symphony Season, Camilla Ayers, president of the Grosse Pointe Symphony Society, with the board of directors extended an invitation to their members, their family and friends to attend a reception and musicale honoring former solo artists who have appeared with the orchestra.

The event will take place on Sunday afternoon, November 1, at 4 o'clock, at the Grosse Pointe Central Library. A symphonic atmosphere will fill the Library where exhibited will be special displays books and musical material for the symphony goer.

The Symphony Society takes pride in the unfolding results of the objectives and efforts as set forth throughout the years. It has not only presented fine symphonic music but also it has offered opportunities to many non-professional musicians to play for the love of music. Doctors, lawyers, bankers, engineers, housewives, teachers and students make up the orchestra personnel.

The experience of playing with an orchestra has been offered and a chance for solo

performance with an orchestra has given many young gifted musicians the encouragement and the start of a professional music career.

Grosse Pointe's musical talent has proudly graced the concert programs. Grosse Pointers who have appeared as guest artists with the orchestra are: Stella Baumann, soprano; Ruth Burczyk, pianist; Robert Fries, French horn; Grosse Pointe Community Chorus; Junior League Glee Club; Alice Lungershausen, Harpsichordist; Jacqueline Murphy, soprano; Mary Norris, pianist; Gabriel Richard School Students; Roma Riddell, soprano; Maria Roumell, soprano; Milton Setzer, pianist.

bership, \$3 per person; sustaining membership, \$25; patron, \$50 and up.

Students at Mason School Conduct Vigorous Campaign

The atmosphere surrounding Mason Elementary School has been "charged" with the heat generated by campaign fever as the students of the sixth grades prepared and carried through their mock campaigns and election.

It has been a bit unusual from the standpoint that both the Republicans and Democrats have headquarters in the same building. It is immediately apparent, however, just where each camp resides. The children have displayed posters, em-

blems, and signs of support for each major candidate.

The classes set up a formal registration paralleling the national format. No check was made to see if the individual student assumed their "civic responsibility."

Two students from each of the three sixth grades formed the circle of a debate team for each of the two major candidates. The chairman of the Republican team was Lynn Seeber and her team members included: Susan Kurth, Michael Atkinson, Norman Cummings, Michael Maple and Cheryl Fisher. The Democratic views were

Molester Fails To Tempt Girls

Two 14-year-old Park girls belatedly informed their parents that a lone, white stranger in a car tried to induce them to ride with him while they were walking home from school on Wednesday, October 21. The parents informed police immediately, but too late to do any good.

The girls told investigating officers that the man in the car followed them from school to their home, trying to induce them to get into his automobile. The girls refused, and because of fear, did not tell their parents of the incident until sometime later.

Park Police Chief Arthur Louwers said that the girls responded to lessons not to go with strangers, as taught to them in their earlier years.

This, he said, should be a reminder to parents to continuously tell their children to avoid strangers, who might try to lure the children into their grasps.

Any incidents of this sort should be reported to police immediately. If the children are in the vicinity of their schools, and unable to call police, they should notify their teachers, and have them call the authorities.

The quicker police are called, the faster the suspect might be apprehended and questioned, the chief said.

Misses Curve; Crashes Trees

Rodney Wayne, 18, of 8281 Marion, Detroit, braked his car too late to negotiate a curve in Morningside drive and crashed into two trees on Monday, October 19.

Wayne told Woods police that he was driving north on Morningside, and did not see the curve in the road at Lochmoor boulevard. He said he applied his brakes, but his car went out of control and jumped the island curb and knocked down two trees.

Police said that the young motorist's car had to be towed to a service station.

Wayne was given a violation ticket for not having his car under control and causing an accident. He is scheduled to appear in court on November 14.

See 2,000,000 Vehicle Titles

Strike or no strike, for the first time in history Michigan was making a strong bid to go over 2-million vehicle titles issued during 1964.

The strike at General Motors had not stopped the influx of vehicle titling, according to Secretary of State James M. Hare, who predicted a new all-time record for the year and a good possibility of hitting the 2-million mark.

As of October 12, the Titling Division reported 1,400,000 more titles processed than at the

same time during 1963 . . . a grand total of more than 1,600,000. This compares with 1,485,000 in 1963 on the same date and a full year total of 1,886,615 in all of 1963.

Burglar Loots Farms Home

The burglar who broke into the home of the Joseph C. Jablonskis, 335 Kerby road, on Thursday, October 22, escaped with two cartons of cigars, cash and two watches.

The break-in was discovered by the Jablonskis' son, Richard, 16, when he came home at about 8:25 p.m. He called Farms police without delay.

Entry into the house was gained by cutting a 16-inch gash in the back porch door, and opening a door into the first floor master bedroom. Police said the door was shut, but not locked.

Police said that the bedrooms on the second floor of the house had been completely searched by the thief.

Taken besides the cigars, the Jablonskis said, was \$150 in cash, a man's yellow gold wrist watch valued at \$100; and another wrist watch, valued at \$20.

The family said they left the house at 5 p.m., and Richard was the first to return.

If the injured one could read your heart, you may be sure he would understand and pardon. —Robert Louis Stevenson

Motorist Issued Deserved Ticket

Kim R. Couls of 33434 East Jefferson, St. Clair Shores, meekly accepted a reckless driving ticket on Thursday, October 22, telling Woods police that it was what he deserved.

Couls was heard, and seen, by Patrolmen Leroy Tobian and Charles Hamel, who were pulling out of the police station driveway.

The officers said that as they were about to turn onto Mack avenue from the driveway, they heard squealing tires and noticed Couls turning from Torrey road to Mack, going south, very fast.

At Cook road, Couls was forced to stop for a red signal light, the policemen said, but they were not able to apprehend him because of other cars in front of them.

Tobian and Hamel said that Couls, who was first in the traffic lane, took off at high speed when the light turned green, continuing south on Mack.

At the Bournemouth intersection, all traffic lanes were filled with cars, the drivers waiting for the light to turn green. But Couls was the impatient type, the patrolmen said.

While the other drivers were waiting, Couls cut through the Newcastle parking area and back onto the road, by-passing the waiting cars, then parked in the second parking space south of Bournemouth, where he was arrested before he could step out of his vehicle.

The motorist was taken to the station where he was informed that he will receive a ticket for reckless driving, to which he replied, "I deserve it." He was released on \$100 bond pending a court appearance.

Pointe Drivers Taken Off Road

Three Woods motorists have lost their right to drive for a period of time, according to the latest report, dated October 2, received from the Secretary of State's Office in Lansing.

The report disclosed that John W. Ledewyk of 1923 Beaufait, had his operator's license suspended from September 24 to December 24, because of an unsatisfactory driving record.

Also given a three-month suspension from the road, is David A. Westfall of 2008 Oxford, whose license was taken away from September 12 to December 11, because of an unsatisfactory driving record.

John E. O'Hare of 1882 Oxford, it was disclosed in the report, had his license revoked on September 28, because of an unsatisfactory judgment under the Financial Responsibility Law.

The weekly report, released by Secretary of State James M. Hare, revealed that during the week that the total list was compiled, the drivers' licenses of 426 Michigan motorists were suspended and those of 41 were revoked by the Department of State.

Students at Star of Sea Stage Political Campaigns

Amidst the banners and signs, the pandemonium and excitement and before the lights and microphones of the school's closed circuit television system, the chairman called the delegates to order. Thus on October 20, Our Lady Star of the Sea School staged its first national convention.

With the help of a divider in the gym, both the Cow Palace at San Francisco and the Convention Arena in Atlantic City were represented. Each convention was launched with a keynote speech praising one party and denouncing the other, the Democratic address being given by Maggie Tapert and the Republican by Steph Konrad.

The nominations by the delegates of various states, made up of seventh, eighth and high-school students, then began under the direction of the Republican and Democratic National Chairman, Sue Grant and Elaine Dempsey respectively. After the nominations there was an intermission for the delegations to caucus and cast their votes.

Enthusiastic demonstrations then followed as the candidates were elected, Marilyn Lundy and Steph Konrad as Goldwater and Miller, and Mary Ellen Rutan and Marge Gorski as Johnson and Humphrey. The convention then broke up with each party planning in hopeful

anticipation for the campaign to follow.

On Thursday morning there was an informal "Meet The Press" where all the candidates were asked questions on how they stand on NATO, education, civil rights and other vital issues. This was broadcast throughout the high school and into the seventh and eighth grades as well. A campaign dinner followed at noon with enthusiasm felt by both parties for winning the election.

Tuesday morning, October 27, a live TV debate was staged between Goldwater and Johnson with the main issues of the day as topics. Even though tensions were mounting and friction could be felt both candidates remained calm and argued logically.

The final event before the election was the presentation of the platforms by the Republicans and Democrats, each adding a touch of the novelty to their presentation. This required all the party members to fight just a little harder for the election tomorrow. So tomorrow, Friday, October 30, Our Lady Star of the Sea will close its 10-day campaign by voting for the candidates of their choice.

Purse Grabbers Flee on Wheels

Two teenage boys, unsuccessful in a Detroit purse snatching, stole a bicycle from a garage in the Park and escaped on Sunday, October 25. The bike was stolen from the garage at 1446 Kensington, and is the property of Leonard Amoroso of that address, according to information released by Park Police Chief Arthur Louwers. The chief said that the attempted purse snatching was reported to have occurred in front of 16719 Mack avenue, at 6:35 p.m., across the Detroit-Park line. The woman victim successfully fought off the would-be thieves. When they found that the woman had no intention of relinquishing her purse, and that her screams were just a little too loud, the culprits fled to the Park side of Mack and into the Amoroso property garage, where they saw the bicycle and with one pedaling and the other sitting on the handle bars, fled the area. The victim attempted to persuade a store owner to call

pay phone. When the owner finally did call authorities, the would-be purse snatchers had a 20-minute get-away start.

Brownell School Presenting Play

An old-fashioned melodrama will entertain parents and friends of eighth grade students at Brownell Junior High School next Friday evening, November 6, when the curtains open for "Switched at the Crossroads, or Truth Will Out" at 8 o'clock in the auditorium gym.

Lots of fun is in store for the audience, promise student directors Tom Gaff and Janet

Shaw. The play involves a mortgage, a villain, several mistaken identities, and the usual overdrawn histrionics.

The Doobies — Nell (Molly Drake) and Mercy (Mary MacLeod)—try to meet a deadline by paying off their mortgage, but all sorts of strange interruptions occur. Helping to add to the fun are such hilarious characters as Lizzie Green (Betsy Hammerlee), Mrs. Amelia Prumworthy (Becky Lake), and Cymbeline Gruder (Betsy Tuttle). The boys are equally funny in their interpretations of Sebastian Spitzmiller (Carl Wohlers), Richard Bonafide (Robert Hardegen) and Mike Slade (Scott Dillon).

Aiding Mrs. Karen Gergis, faculty advisor, are Ann Worthman, Diane Reidt, Sigrid Bower, Debbie Angell and Cindy Kenyon, who are preparing posters advertising the play. Roger Advertiser and Debbie Angell are helping supply properties, while Martha McMahon and Linda Lesinski are wardrobe mistresses for the performance. Assisting as stage crew are Bob Baker, Mike Floer, and Bill Haelewyn. Prompter is Gigi Graham.

Christmas Foreign Mailing Instructions Issued by PO

Although our thoughts of Christmas are a long way off, Postmaster Edward L. Baker states that now is the time, before October 31 to send gift parcels via sea transportation to the following countries to assure delivery in time for Christmas.

Far East includes: (Hong Kong, Korea, China, Australia, Japan, etc.)
Middle East: (Israel, Jordan, India, Iran, Iraq, Pakistan, etc.)
Africa: (Congo, Kenya, Ghana, Tanganyika, Rhodesia, Uganda, etc.)

These early recommended dates are necessary because of the long sea transit time involved, the increased volume of parcels which must clear through customs inspection, and other formalities which require extra time in handling before delivery can be completed.

Postmaster Baker reminds patrons to use a strong corrugated carton, packing items tightly and using cushioning materials to prevent damage to the contents. Wrap in heavy paper and tie with strong cord. Address parcels on one side only and be sure "TO" and "FROM" addresses are complete and legible. Check at your local Post Office for size and weight limitations and requisite custom forms.

Postmaster Baker also advises mailers that the time is now at hand for sending Christmas gift parcels, via sea transportation, to relatives and friends in European, Central and South American countries.

Gift parcels should be mailed no later than November 10 to assure delivery in time for Christmas, particularly for England, France, Poland, Germany, Belgium, Italy, Baltic and Scandinavian countries, Argentina, Brazil, Peru and Venezuela.

Because of the increased volume of mail, long sea voyage time, customs inspections and other formalities to which these parcels may be subjected at the

country of destination, early mailing is necessary.

Mailing instructions as to size and weight limitations, necessary customs forms and items permissible may be obtained from your local post office. It is important that you use a strong corrugated carton, pack items tightly and cushion well. Address parcels on one side only and be certain that return address and that of addressee are complete and legible.

To insure a truly Merry Christmas for your loved ones in foreign lands, Mr. Baker advises "Shop and Mail This Week".

Postmaster further announced that the period between November 1 and November 20 has been designated for the mailing of Christmas gift parcels, cards and letters, via sea transportation, to members of our "Armed Forces" overseas.

The Postmaster advises that anyone intending to send a gift parcel to Military Personnel overseas, should check at the post office for information relative to contents permissible, size and weight restrictions and Custom Declarations required for certain APO's and FPO's.

All boxes should be completely filled, contents tightly packed and well cushioned. A slip listing contents of the parcel and complete address should be enclosed.

You can assure your friends and loved ones a Merry Christmas if you follow the Postmaster's overseas Christmas mail suggestions.

TRAILER DESTROYED

A fire of an unknown origin, destroyed a house trailer at the rear of the home of Edward Thurlow, 1442 Wayburn. Park firemen were called too late to save the trailer, which was a total loss. The incident occurred on Friday, October 23.

Few men have ever repented of silence.

PARK BUYS SALT
At its regular meeting held on Monday, October 26, the Park council authorized the purchase of rock salt from the International Salt company, which offered the lowest of three bids.

The firm disclosed it would sell salt for \$6.05 a ton delivered.

Studies teach not their own use; that is a wisdom without them and above them, won by observation.

Guilt Feeling Engulfs Thief

An unknown thief had a twinge of conscience after he stole a complete set of tools, valued at \$700, and left them outside a Park shop on Friday, October 23, to be picked up by the rightful owner. The conscience bit came about when police decided to give shop employees lie detector tests.

The tool box and set were reported stolen from the United Transmission Service, 15201 Kercheval, Thursday, October 22.

Park Det. Lt. Arnold Hough, after a complete investigation, informed the shop owner, Ted Greenwood, that someone inside the building was responsible for the theft. There was no evidence that the building had been forcibly entered.

Greenwood offered to take the lie test, and pledged that the rest of his employees would do the same. The shop owner informed his employees of his pledge.

During the early part of the evening of October 23, Park Det. Lt. Stanley Enders and Det. James LaPratt, while checking the shop area for clues, noticed a large tool box, which answered the description of the box that had been reported stolen. The box had been placed in front of the company's tow truck in front of the building.

The tool box, with all tools intact, was returned to Greenwood.

Lt. Raymond A. Gee On Amphibious Ship

Navy Lieutenant junior grade Raymond A. Gee, husband of the former Miss Mary A. Miedler of Grosse Pointe, has sailed from the United States aboard the amphibious command ship USS Taconic to take part in a combat training operation called STEEL PIKE, in Spain.

He is serving on the staff of Rear Admiral George W. Pressey, USN, Commander of Amphibious Group Two, who will command several phases of the amphibious training exercise.

STEEL PIKE is the largest amphibious operation conducted in the Atlantic since World War II. On Oct. 26, more than 28,000 United States and Spanish Marines staged a mock assault on beaches in southern Spain. They landed from more than 94 ships of the United States and Spanish navies in a demonstration of the power of America's modern amphibious forces.

Burglar Leaves Slashed Purse

When Mr. and Mrs. Federle Bianco of 964 Sunningdale, came home to a chilled house on Tuesday, October 20, they felt that something was wrong. They discovered cold air was coming through a rear broken window, and their house had been ransacked.

The Biancos reported the burglary the following morning according to a Woods' police report.

They said that they left home at about 8 p.m. and returned at about 11:30 p.m., and when they walked into the house, they found it very chilly, and then discovered the broken window. Police said that the thief entered the house by breaking the window glass, which he tried to first remove with a glass cutter. The window leads into the family room.

The burglar went through all the kitchen cabinets, and ransacked every bedroom in the house, very neatly, and also went through the basement, investigating officers said.

FENCE DAMAGED

Farms firemen, called to 214 Cloverly, put out a fence fire that was started by burning leaves, on Saturday, October 24. The fence, a stockade type, was between the properties of 214 and 222 Cloverly. Only part of the fence was charred by the blaze.

AN OPEN LETTER

To Those Who Wish to Purchase an Automobile

We at AL STEINER FORD are grossly concerned about public reaction to automobile advertising.

It was recently called to Al Steiner's attention that we, along with many other dealers are guilty of showing prices, etc., in our ads that tend to mislead the public. Al Steiner has decided to take the lead in a new type of advertising. REALLY all we at Al Steiner's want to say in our ads is simply this:

Al Steiner Ford is here to give to the public the best possible price and service a customer deserves and demands when he buys a new car.

OUR PENCILS ARE SHARPENED and AL STEINER is READY to extend this policy to the limit. We do have an overhead to pay and plan to operate at a profit, but Al Steiner will not turn down any legitimate offer.

POLITICS OR PRINCIPLES?

Which is the best answer to the Communist Threat?

THE ADMINISTRATION PUTS POLITICS FIRST:

- Public officials play down the menace of international communism.
- They exploit the public's longing for peace by holding out empty promises.
- They hurry the announcement of military plans to get prime TV time and risk the lives of our soldiers by warning the enemy.
- They economize in our military budget but demand billions for vote-getting domestic programs.
- They pretend we are stronger than we are—honest information might cost votes.
- They try to buy friends abroad, yet fail to build strong partnerships with friendly nations.
- They use weapons tests for publicity purposes and ignore the need for solid testing.
- Fearful of criticism, the Administration plays policy by ear. They have no resolute policy—nothing but a series of stop-gap programs.
- They look for easy gestures rather than solid, sustained results in the struggle for freedom.
- They are still giving aid to Communist nations.

THE RESULT OF PLAYING POLITICS:

- The Communist World expands—the Free World shrinks.
- Since 1945, Communism has spread from Russia with 223 million people, to a total of 14 major nations with 1,091,734,511 people in captivity.
- Communists have violated 50 out of the last 53 treaties they have signed.
- Communism moves closer to our shores—Cuba is only 90 miles away.
- Our military strength is weakened. At present, we are capable of delivering 30,000 megatons of nuclear striking power. The Administration plans to reduce that ability to 2,000 megatons in the 1970's.
- Our allies fall apart. NATO allies, uncertain of our intent, have delivered only part of their promised support.
- Our government has given nearly 4½ billion dollars to our Communist enemies.
- When politics come first, the result is indecision and drift. A determined enemy continues to advance. And America's strength is undermined.

BARRY GOLDWATER PUTS PRINCIPLE FIRST:

- He is not afraid to state honestly the intentions of the Communists—as follows: "The Communists' undeviating pursuit of a Communist world is a fundamental fact of world politics here and now. Our American foreign policy does not come to grips with this fundamental fact."
- He believes we should seek to expand the scope of the free world by all means short of war: "... I think we have every tool needed. Look at our economic power. And then look at Communism. What a mess they are in today! ... Frankly, I don't think we should bail them out unless we get substantial concessions in return."
- He believes military needs must take priority regardless of politics: "We must maintain our own nuclear strength and our ability to deliver it at a level so superior that the enemy can never risk any conflict."
- He knows we must be sure of our weapons: "Not one of our advanced ICBMs has ever been subjected to a full test."
- He knows that we cannot buy friends: "Our aid has furnished new strength to the Communist bloc rather than introducing new tensions or weaknesses. This sort of aid simply underwrites Communism."

17677 MACK AT UNIVERSITY

University School News

One of the exciting events of the fall season this year at the Grosse Pointe University School was the science field trip the 8th grade boys took with three of their teachers from 9 a.m. Friday, October 2, to 3 p.m. Sunday, October 4. Accompanying the boys were Mr. William Hindle, Mr. Samuel Shreeman, and Mr. Richard Davis.

An annual event, the trip to Ortonville is designed to introduce the boys to the flora and fauna of Michigan through selected field studies. The venture also provides an excellent opportunity to collect living specimens for observation and study by all science sections during the school year.

The trip was by station wagon, with a number of parents volunteering their services as drivers.

Attending the 20th National Conference of the Association of College Admission Counselors in Detroit the week-end of October 9 were Headmaster Hugh C. Riddleberger and principals Gilder D. Jackson and Margaret K. Harvey.

Those who attend are college admissions officers and high school advisors. The purpose of the meeting was to bring the two groups together to learn better how to discharge their function of helping candidates gain admission to the proper college. Banquet speakers for the two evening sessions were B. Frank Brown, Principal of the Melbourne (Fla.) High School, who spoke on the non-graded high school, and Walter P. Reuther, President of the United Automobile Workers, who spoke on the role of organized labor and its responsibilities toward American higher education.

The first of the Upper School's fall Parents' Meetings took place Tuesday, October 27, in the evening, with parents of

students in grades 10-12 visiting the school and getting acquainted with their children's homeroom teacher and with individual subject teachers. A similar meeting for grades 7-9 parents will be held Tuesday evening, November 10.

Other upcoming events are the Father-Son Banquet, the evening of Tuesday, November 24, and the reception for recent alumni at the Field House on the Friday after Thanksgiving, November 27.

New members of the Board of Trustees are Mrs. Roy M. Tolleson, Mr. John E. Caulkins, and Dr. Donald N. Sweeney, who succeed Mrs. George W. Johnson, Mr. Allan Shelden, III, and Mr. Ford Balantyne, Jr. The latter three served on the board for 10, 15, and four years respectively. The officers of the board for the 1964-65 school year are Alfred R. Glancy, Jr., president; Earl I. Heenan, Jr., vice-president; John N. McNaughton, treasurer; Joseph L. Hudson, Jr., assistant treasurer; Charles Wright, III, secretary; and John S. Pingel, assistant secretary.

Officers of the American Field Service Club for the coming year are Sarah Elston, president; William Swan, vice-president; Lauraine Cain, secretary; and Bruce Gershenson, treasurer. Faculty advisors are Mrs. Edward B. Mott. The two A.F.S. students for this year are Sue Nichols of Australia and Hilda Sabato of Buenos Aires.

The first issue of the Parents' Bulletin has appeared devoted to news of the school and with columns written by Headmaster Riddleberger; Mrs. Henry F. Vaughan, Jr., president of the Parents' Association; Mrs. William P. Harris, III, chairman of the Service Committee; Mrs. Arthur W. Sempliner of the Bulletin Committee; and Miss Mary K. Thorn, director of Kindergarten-Third Grade. The chairman of the Parents' Bulletin Committee is Mrs. Forrest R. Old.

Staff members are Mrs. Richard Durant, Mrs. Wilbur E. Elston, Mrs. Harry R. Fruehauf, Jr., Mrs. Charles V. Hicks, Mrs. Russel H. Nutter, Mrs. Hervey C. Parke, Mrs. George F. Renaud, Jr., Mrs. Arthur W. Sempliner, Mrs. Charles Squires, Mrs. William S. Turner, Mrs. John P. Worcester, and Henry J. Zukowski.

At a recent assembly James Levey of the Senior Class described the work of the University School's Council of Community Activities, called CCA for short. The governing board is made up of 12 students in grades 9 through 12. The club's function is to help find students to supply volunteers for worthy community services.

For example, 20 G.P.U.S. students now help in the Neighborhood Club's project with retarded children. Also the CCA has contributed through fund-raising to the Save the Children Federation, through which children abroad are supported. 8th grade girls have provided tray favors for patients at Children's Hospital, and the 9th grade girls have given a party at an Old People's home. There are also many useful individual projects. The faculty sponsors of this organization are Mrs. Kathryn Trim and Mr. Henry Stone.

LARCENY REPORTED
Sam Cipriano, of 130 Lothrop, informed Farms police on Sunday, October 25, that while his car was parked in front of his house during the night, someone stole the two front wheels and tires, valued at a total of \$100.

City to Build Skating Rinks

At the request of the Neighborhood Club, Grosse Pointe City will build and maintain two ice skating rinks for City residents during the coming winter sport season.

The rinks will be located in the area behind the Neighbor-

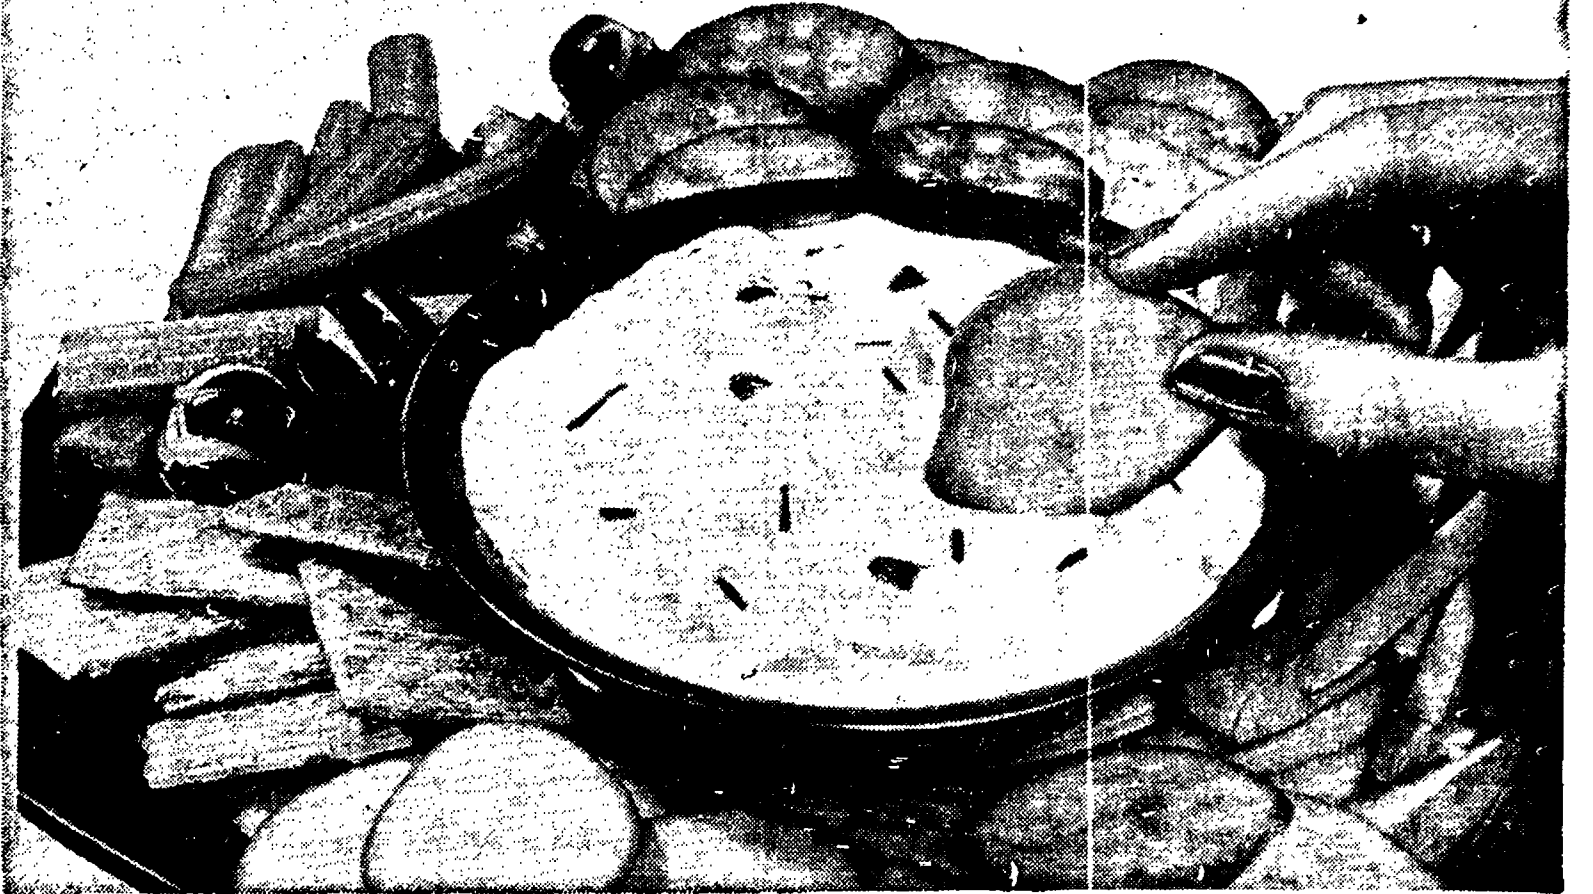

hood Club's building. One will be used for ice hockey only and the other will be available for free skating.

City Manager John Cantwell said that the City expects to begin construction of the rinks

sometime after November 6, which will mark the close of the Little League football season.

Police Arrest Teen Burglar

Park Police Sgt. Henry Coonce aided in the apprehension of a 15-year-old burglar suspect early Wednesday morning, October 21, after he saw the boy break into a Detroit gas station. According to information released by Police Chief Arthur Louwers, Coonce was patrolling Mack avenue and about 3:05 a.m., as he neared road in Detroit, he heard glass break and his attention was drawn to a gas station at 14935 Mack. He saw a figure enter the building. Radioing his station to call Detroit police, Coonce drove up silently to the gas station, and trapped the teenager. The officer remained until Detroit police arrived and took the boy into custody.

Yule Decorating Class Offered

The Grosse Pointe War Memorial is sponsoring a series of Holiday arrangements classes on Fridays beginning November 6. One may either take in the mornings from 10 to 12 or in the afternoon from 1 to 3. The series is six weeks long ending just in time to finish many unusual decorations for the Holidays. The fee is \$15.

Instructor for the course is Mrs. Richard T. Gerathy who has taught flower arranging at the Center for many years. She is an expert in the original designing of swags and door decorations, interesting table effects, mantel trimming and wall decorating. She frequently uses the commonest of materials at low cost for original and interesting effects.

Each student may work on his own particular projects but Mrs. Gerathy has a wide range of fascinating suggestions which are always immediately snapped up.

License Plates On Sale Nov. 2

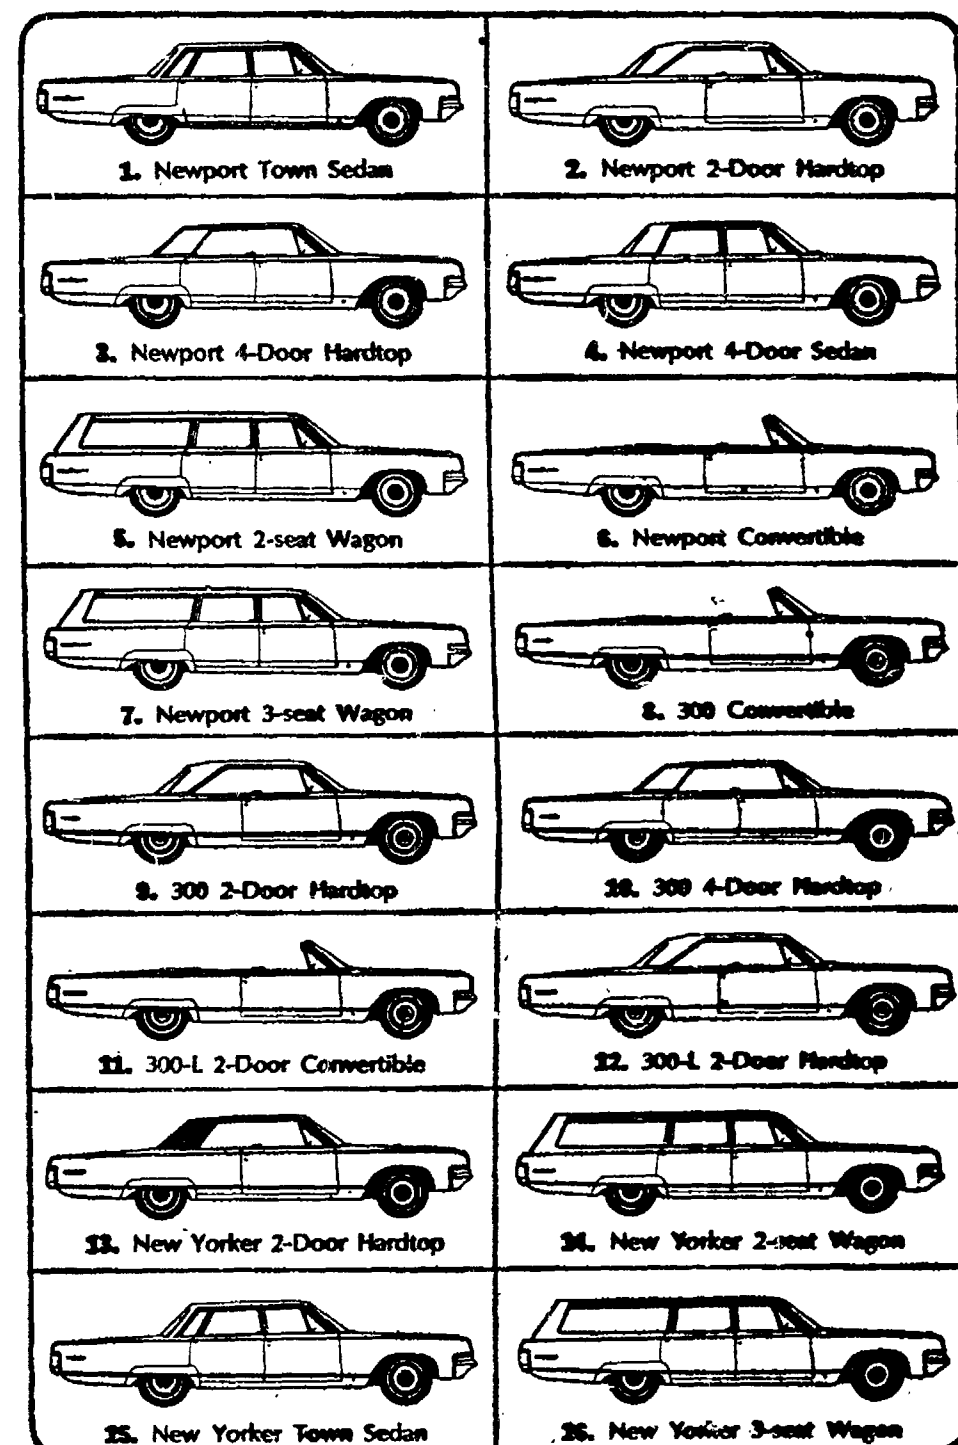

After decreeing no Sunday sales of license plates, the traditional opening date of November was pushed back a day by Secretary of State James M. Hare to Monday, November 2. Hare, who said he expected an "opening rush" for plates such as "we've never known before," reminded Michigan's vast army of motorists that they had a choice this year when they buy plates. "Previously," Hare said, "vehicle owners had to bring their titles in before licenses could be issued. Now, they can either bring in their titles as before or their prior year's registration, whichever proves to be more convenient."

Make Your Voices Heard

All of the polls and most of the press have hung the label of "Dead Duck" around the neck of Barry Goldwater. For the sake of the supporters of the Senator from Arizona we might point out that exactly four years ago 731 dailies were for Nixon and 208 for Kennedy. As of now there are 310 dailies throwing their weight around for Johnson and 272 for Goldwater.

As the end of this contest of vieing for vituperative honors draws near, we must state that we want no part of the Johnson band wagon. We would feel more than a little cowardly not to pledge our vote, and to solicit the votes of our readers for the Republican candidate in this election.

Frankly, we were most disappointed when the nomination at the San Francisco convention did not go to Governor William Scranton of Pennsylvania. Governor Scranton was unwillingly kicked into the fight too late and Senator Goldwater's organization was simply too powerful to overcome. It was such an efficient machine that it practically rewrote the political history books, but we can see no cause for censure there. It was simply a situation in which so many people had become so dedicated in their devotion to a man that nothing could stop their successful struggle towards their chosen goal.

Despite the disingenuous slanted efforts of a large segment of the American press to destroy the Goldwater profile, it must be admitted that no ordinary man could command such a following. There has been no questioning of integrity, no eyebrow-lifting performances by intimate associates, no arrogant back-turning on questions that badly need answering, where this candidate is concerned.

In the 11 months that President Johnson has occupied the White House he has received unlimited cooperation from all sources, much of it springing emotionally from a nation shocked by the assassination of the President... an act which placed the burden of leadership on his shoulders. Every passing week brings additional indications that L.B.J. is guided more by an all-consuming passion for personal power than by unselfish ambition to guard and further the welfare of the country.

The Do-Everything-for-Everybody philosophy which has permeated all the Democratic administrations since the advent of the late Franklin D. Roosevelt in 1933, has carried the United States frighteningly far down the road to socialism. A staggering burden of debt has been heaped on us, on our children and grandchildren and on unborn generations. Under the present leadership we can see not only a continuance of this trend, but an accelerated pace in the march down this dangerous path.

We believe the philosophy of Barry Goldwater portends a safer and brighter future for the nation and we hope he is given a chance to put it into practice. We similarly pray that the voters will not turn their backs on the magnificent accomplishments of Governor George Romney. In two years he has led us out of the morass of debt and embarrassment created during a far too long reign of the Democrats, and he has certainly earned the right to continue to lead this parade of progress.

And we wish the very best to Elly Peterson in her fight against the candidate whose efforts could dream up no better campaign slogan than: "People who care will vote for him because he cares for people." Now there's a wowzer!

What Goes On at Your Library

By Virginia Leonard

Guest Columnist:
James L. Titterton
As the new Audio-Visual Counselor at the Grosse Pointe Public Library I would like to take this opportunity to explain, and invite you to use, the many Audio-Visual services that your Library has to offer. We are also starting some new services that I will tell you about.

The film collection is the medium that has been used most frequently by our patrons; over 65,000 people in Grosse Pointe viewed films from our collection in the last year. Our patrons are urged to make reservations for films ten days to two weeks in advance of the showing date. We are always adding to the films collection and would appreciate any suggestions for new titles.

In the film collection we have over 178 films from which to choose. The Library Audio-Visual Counselor is available to plan programs for any type of meeting and group and uses all resources to find materials for our activities.

We have added five new films to our collection this year. The first one is called THE BICYCLIST, with a running time of 15 minutes, and is in color. The film incorporates important safety rules and has a very interesting story. Another new film is THE CHALLENGE OF IDEAS. This one has a running time of 31 minutes, and outlines the differences between communism and democratic government. An outstanding new picture is THE GOLDEN FISH with a scope of 20 minutes, and is in color. This film deals with a small boy and his pets, and has received awards. KEYS TO A FUTURE is a new and interesting film dealing with the future in library work. WILD-LIFE OF THE JUNGLES OF LATIN AMERICA is in color with a running period of 17 minutes, and is very informative on the many wild creatures that inhabit the jungles of Latin America.

Another very popular medium

Family Film Night Nov. 6

The second program of the 1964-65 Family Film Night Series will be presented Friday, November 6, at 7:30 p.m. in the Central Library meeting room. Family Film Nights are held the first Friday night in each month. Each program has been designed to include something of interest for boys and girls as well as adults.

The program for November 6, 1964 will include ZOO ANIMALS OF OUR STORYBOOK (11 minutes, color) introducing children to some of the animals of the zoo, "Goldilocks and the Three Bears," and other animals of this type; "Superjet to England" (25 minutes, color)—a visit to England, one of the world's great nations, brings many wonders to view. This colorful film shows you much of the chalk white cliffs of Dover, the picturesque castle of Windsor, the famous schools, and the Shakespeare Memorial Theatre; and "Five Chinese Brothers" (10 minutes, color) tells the popular story of the brothers who looked alike, from the book by Bishop and Wiese.

Adults, and children accompanied by adults, are cordially invited. Come early for a good seat.

What's New on THE HILL...

by Roberta

DON'T JUDGE the Hill by the size of THIS column, especially this week. We are off to warmer climes. However, the Hill, as usual is packed with fun things like candies and nuts, to the more luxurious things like Lincoln Continentals and expensive silver pieces... just anything to suit your whims.

TWO OF THE secrets of your success at home this Fall could be the use of delightfully scented draw liners and sachets. Enveloping! 121 Kercheval. Trail Apothecary Shop.

AND, AT NUMBER 89, that's Hamlin's, they have started to sparkle with new ideas for Christmas giving. Browse and revel as you spot the wine baskets, champagne, and lots of other goodies. 89 Kercheval.

BEFORE THE ground is covered with snow, and the streets are icy and mushy, let the girls take you for a (House For Sale Tour) around Grosse Pointe. This is for free. Just call 886-3060!

MUSEUM QUALITY. Certainly a collector's item is the pair of Georgian silver individual salvers at The League Shop. English, dated 1734, by D. Williams of London. These rare pieces have pie crust edges, beautiful chasing, and truly magnificent armorial crests. \$700.00 the pair. 72 KERCHEVAL.

WERE YOU aware of the fact that Trail Apothecary Shop is noted in Grosse Pointe for their reliability in the filling of prescriptions? They are. That's why Grosse Pointe's flock to Trail's to have their prescriptions filled. TU. 1-5688 for immediate delivery.

HAVE FUN at the Christmas Fair at the Grosse Pointe War Memorial where the admission is free and door prizes are awarded daily. It is sponsored by the Grosse Pointe Businessmen's Association. The hours for Friday, October 30, are 1 to 10 p.m. and Saturday, October 31, 10 to 5 p.m. The Hill will be well represented by Pongraz Jewelers and Silversmiths and Gray's Racquet and Sport Shop. By all means plan on having a good time.

MOST CHILDREN grow up normally. For many children, however, the years of childhood bring more fear than fun, more sadness than joy. For those children who have more than their share of difficulty in adjusting to life, help is often hard to find. Count on the Northeastern Wayne County Child Guidance Clinic, 18420 Mack Avenue, Grosse Pointe Farms, Michigan. Send your needed contribution soon!

"My Fair Lady" being quite the gal that she is, with no less than five benefits chalked up to mark her advent in Detroit yesterday when the premiere performance was scheduled at the United Artists Theater, has given impetus to dozens of dinner parties at the Detroit Athletic Club.

Grosse Pointe members were much in evidence at dinners which preceded the opening show last evening, which benefited the Founders Society, Detroit Institute of Arts.

Among Pointe girls who have participated in past Round-Ups, or will participate in the current one, are Marygrove students Anne Van Assche, Mary Louise Quilter, Celeste Loran, Jean Di Basio, Ann Brecht and Kathy Disser.

Miss White Speaks Vows To Mr. Rick

Satin Roses Accent Bridal Train and Veil; Attendants Wear Turquoise Frocks; Pair to Make Home in Roseville

Wearing an Empire sheath of white silk satin, its bodice beaded in crystals and pearls, Carole Anne White, daughter of Mr. and Mrs. Carl M. White, of Norwood drive, became the bride of Paul Gordon Rick Saturday, at an 11 o'clock ceremony in St. Joan of Arc Church.

A breakfast at the Lake-pointe Country Club followed the rites. An evening reception was held at the Hillcrest Country Club.

The bride's train fell from a cascade of roses. A single full blown satin rose held her tiered, silk illusion veil, and she carried Colonial bouquet of white roses, stephanotis and ivy.

Maid of honor Gail Voigt, and bridesmaids Bonilyn Kastje and Mrs. Richard Utley, were dressed alike in deep turquoise Empire sheaths, with emerald green accents. Their headpieces were

matching coronets, and they carried cascades of larkspur blue Elegance carnations.

The bridegroom, son of Dr. and Mrs. Paul J. Rick, of Detroit, asked Robert Rick, of Chicago, Ill., to act as best man. Seating the guests were Patrick White and Richard Utley. For her daughter's wedding,

CRICKET THERMOMETER
One statement that sounds like an old wives' tale is actually a scientific fact. According to Compton's Pictured Encyclopedia, you really can tell the temperature by listening to the chirp of the cricket. Both field and tree crickets vary the speed of their chirps with the temperature. One can estimate the temperature by counting the number of chirps per minute, dividing by 4, and adding 40.

Mrs. Paul Gordon Rick

Weber-Spewock Nuptials Celebrated

Reception At Dearborn Inn Follows Saturday Rites; Newlyweds To Live At Fort Ord, Calif., For Two Years

At a candlelight service Saturday, in Christ Episcopal Church, Dearborn, David Wilcox Weber claimed Carole Ann Spewock as his bride.

The Reverend John Osgood officiated at the single ring ceremony.

The bride is the daughter of Mr. and Mrs. Anthony Spewock, of Dearborn. Her husband's parents are Mr. and Mrs. Robert F. Weber, of Lakeshore road. For her marriage, the former

Miss Spewock chose a classically styled gown of silk-faced peau de soie, accented with appliques of re-embroidered Alencon lace. The dress featured a Chapel train and a long-sleeved, fitted bodice.

Her long illusion veil fell from a traditional circular head-

piece of orange blossoms, and she carried a bouquet of white roses and ivy.

Maid of honor Linda Law wore a Princess line frock of olive green velvet and carried an arm bouquet of rust, yellow and gold chrysanthemums.

Dressed identically were the bridesmaids, Kathy Spewock, Rosalind Weber, sister of the bridegroom, Patty Drewek and Barbara Metzler.

Junior bridesmaids Sarah Spewock, the bride's cousin, and Gail Wilcox, the bridegroom's cousin, were gowned in ivory velvet. Their flowers were similar to those of the senior attendants, and their headpieces were fashioned of matching flowers.

Mark Weber served as his brother's best man. Ushering were John Ogden, Nick Spewock, brother of the bride, Richard Weber, the bridegroom's cousin, Gary Chapman, Richard Wells and John Leaver.

The mother of the bride wore a floor length rust-colored sheath gown, with a matching Chantilly lace jacket, and a cymbidium orchid corsage.

The bridegroom's mother chose a floor length dinner suit of champagne brocade, trimmed with ranch mink, and a coordinated hat.

Following a reception at the Dearborn Inn, the newlyweds traveled to Fort Knox, Ky., where the bridegroom will be stationed for 10 weeks.

The new Mrs. Weber chose, for traveling, a lemon green wool suit with patent accessories.

The couple will live at Fort Ord, Calif., for two years, while the bridegroom, commissioned a Second Lieutenant upon his graduation from Michigan State University, completes his military service.

Polish Aid Plans Dinner and Sale

Many Pointers of Polish descent are working for the Polish Aid Society's traditional Christmas dinner and boutique shop, scheduled Sunday evening, November 22, at 8 o'clock, at the Knights of Columbus Cardinal Mercier Council. Mrs. Henry Shell, of Fontana

lane, is president of the Society. Mrs. Eugene Schulz, of North Oxford road, and Mrs. John Worzniak, of Berkshire road, are co-chairmen of the Christmas party.

Proceeds from the dinner and sale will benefit the Golden Ager's Program for Senior Citizens.

A seven-course dinner, featuring Polish and American dishes, will be served family style. The tables, covered with holiday cloths, are to be centered with candles, glowing in sequined hurricane lamps set in bases of Christmas holly.

The Boutique Shoppe will be stocked with 18-inch dolls, dressed by members in handmade native Polish costumes, (Kra-kowiaki), and very authentic. The dress consists of a white embroidered blouse and velvet vest, set with sequins and beading.

The skirts are of white organza, trimmed with yards and yards of fine, narrow, red, white and green satin ribbon. The headpiece is a wreath, made from tiny cornflowers, with flowing matching satin streamers.

There will be homemade cookies, Christmas aprons, jeweled kissing balls, holiday bridge cloths, Christmas tree skirts decorated with sequin poinsettias and jeweled trees, and fine basket-weave fabric place mats with pulled fringe edges, accented with velvet ribbons.

There will be homemade, decorative candles, (too pretty to light?), of every color, design and shape.

An eye-catching Della Robbia wall plaque has been decorated with satin leaves and velvet ribbons, and slim apothecary jars filled with bath accessories have become "Ladies With Hats," swathed in nylon net.

Pointers Kept Busy At Antique Market

Annual Event Sponsored by Goodwill Juniors
Scheduled November 8 Through 11;
48 Dealers to Exhibit

Busy with plans for the 17th Annual Junior Goodwill Industries Antiques Market and Sale are ever so many members of the Junior Group living in the Grosse Pointe area.

Mrs. Thomas C. Fox, of Radnor circle, is responsible for the mailing of the Patron letter. Assisting her is Mrs. Paul D. Richmond, of Newcastle road.

Mrs. Bill O. Brink, of Edgemere road, is responsible for the collection of advertisements in the Grosse Pointe area—and you can rest assured that if she needs help, Mr. Brink will be available. As President of the Men's Board of Directors of Goodwill Industries, Mr. Brink knows the importance of helping the handicapped.

Of great importance to the

success of the Antiques Market and Sale is the advance sale of tickets. Efficient Mrs. Oliver W. Sturdevant, of Lakeland avenue, is charged with this responsibility. Mrs. Alexander Leete, of Lake Shore lane, as hostesses chairman, will arrange to have Junior Group members available when they are needed to assist in manning the booths of the dealers during the luncheon and dinner hours.

Mrs. Shirley T. Johnson, of Touraine court, is co-chairman with Mrs. Leete. Mrs. Lester J. Colby, of Harvard road, is chairman of admission tickets. She

Mrs. Livingston Weds Ohioan

In the Barbour Chapel of Grosse Pointe Memorial Church last Saturday, October 24, Mrs. David H. Livingston, of Grayton road, was married to Robert M. Patton, of Columbus, O.

The Reverend Richard W. Mitchell officiated at the ceremony. Mrs. Livingston wore a camel-colored wool sheath dress, with a corsage of greenish-beige orchids.

Diane Livingston, in a camel-colored Princess line dress of lightweight wool, attended her mother. John Patton attended his father. Also present were Mrs. Livingston's other daughter, Jane, and her son, David Livingston.

After a vacation in Bermuda, the new Mr. and Mrs. Patton will be at home in Columbus, O.

will make the Goodwill Industries Building her headquarters from November 8 through 11.

Complete luncheons and dinners will be served daily during the hours of the show in the Copper Kettle Dining Room. If only a sandwich or snack is desired, the Ice Cream Parlor, with its quaint and attractive setting, is available. Capable Mrs. Robert H. Dodd, of Belanger road, and Mrs. John Montgomery, of University place, will be responsible for its success.

A great deal of planning is required to provide food for the dealers arriving early to set up their booths for the Show, and chairman for Dealer Hospitality is Mrs. G. Norman Gilmore, of Ballantyne court, assisted by Mrs. Robert N. Patterson, of Hampton road.

One of the important attractions in the Show is the Pantry Shelf. Shelves are bulging with home made jellies and jams, pickles and the like, all made by Junior Goodwill members.

Chairmen of the Pantry Shelf are Mrs. George L. Domine, Jr., and Mrs. Clayton Earker.

In close proximity to the Pantry Shelf is the Country Store with its early American atmosphere, taking one back to the turn of the century with its wonderful aged cheddar cheese and an unlimited variety of old-fashioned candy and colorful wares.

Highlighting the Junior Good-

Betrothal Told

At a family dinner party, Mr. and Mrs. Raymond J. Carnaghi of Cadieux Road announced the engagement of their daughter, THEODORA PHYLLIS, to Roy A. Mitchell, M.D.

Dr. Mitchell is the son of Mrs. Roy Mitchell of Trenton, Mich., and the late Mr. Mitchell.

Miss Carnaghi studied at the University of Detroit and Maclean College. She is a secretary at Ford Motor Company, Dearborn.

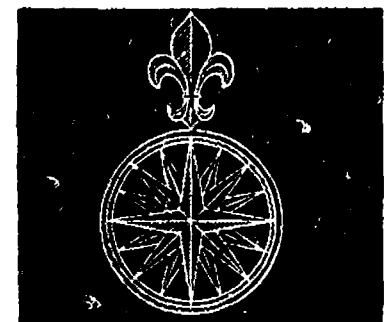

Dr. Mitchell is an alumnus of the University of Notre Dame and Marquette University School of Medicine. He is presently a staff member in the Department of Radiology, Mercy Hospital, Monroe.

They plan to be married at St. Clare de Montefalco on May 15.

will Antiques Market and Sale are the outstanding displays of rare American and imported antiques shown by 48 top dealers, and the treasures from donors in the metropolitan area for sale in the Goodwill Industries booth.

Imagine being able in a few hours to shop 48 dealers, many from far off states, all under one roof! To accomplish this feat on one's own would take years.

The Antiques Market and Sale opens on Sunday, November 8, and runs through Wednesday, November 11. Hours: Sunday—2 p.m. to 10 p.m.; Monday and Tuesday—11 a.m. to 10 p.m.; Wednesday—11 a.m. to 8 p.m. Sunday Admission—\$2; Monday, Tuesday and Wednesday—\$1; Goodwill Industries Building—Brush street at East Grand boulevard.

STILL NO NEON

Not that neon may not have its place in the general scheme of things, but here at Sea Pines Plantation we are celebrating another neon-free year. Nature and neon don't mix... we concentrate on mixing nature and people.

Our food still comes from the teeming local bays and sounds. Signs only whisper directions. All the colors here are soothing... deep greens of palm and pine and the lush Tifton fairways, pastels of bright sky and frothy surf.

For diversion you still have to depend on such hallowed pastimes as championship golf, spirited sailing which is best—along the golf course, oceanfront, ocean-forest, or overlooking Calibogue Sound and the Intracoastal Waterway.

The cost of building a home at Sea Pines is surprisingly reasonable. But you may have trouble deciding which site is best—along the golf course, oceanfront, ocean-forest, or overlooking Calibogue Sound and the Intracoastal Waterway.

Come to our oceanfront William Hilton Inn and sample a few days of this no-neon, nature-rich plantation.

Mistletoe Mart Slated Nov. 5

From goodies to gadgets—Grosse Pointe Congregational Church women will provide them all at the Mistletoe Mart next Thursday, November 5, from 9:30 in the morning until 9 in the evening, and nursery service will be provided.

Mrs. Wayne Osborn and Mrs. John Klock, co-chairmen of the Baked Goods Booth, and their clever cooking committee have turned out rolls and rolls of the most marvelous cheese pastry. All you do is top slices with olives or mushrooms, then pop them into the oven. They freeze beautifully. Directions are on each pastry roll.

This delicious specialty may be ordered ahead of purchased the day of the Mart, but don't delay!

Mrs. O. R. Wilcox's Candy Booth is stocked with old-fashioned goodies to satisfy your sweet tooth and delight your family and friends. Homemade fudge sauce will be available as well as chocolate-covered mints and Katydids. Nuts and Bolts are there for snacking and of course those marvelous pecans for Christmas baking or nib-

bling. All Candy Booth items are attractively packaged for gift-giving.

Featured in the Country Store is homemade chili sauce. Mrs. Alfred Tapert's committee has also provided old-fashioned pickles, jellies and jams, bean salad, Wisconsin Blue and cheddar cheese attractively packaged in little brown jugs.

Mrs. Edgar Gore will serve a crisp, refreshing luncheon at the Mistletoe Mart. Her menu features a favorite Maurice Salad and hot rolls. Be sure you have a ticket—available at the check rooms or at the door. This is a delicious way to refresh and relax during a busy shopping day.

Shoppers in a hurry should be sure to stop at Mrs. Glen Siewert's Snack Shoppe. Sloppy-joes or a steaming hot dog served with potato chips will fill you up. Tea, coffee, milk, donuts and cookies are also on the Snack Shoppe menu.

A new and interesting booth at the Mistletoe Mart this year is called "This 'n' That." Chairman Mrs. Richard Hudson has filled this booth with really un-

usual kitchen gadgets, items not to be found elsewhere.

To help prepare that old-fashioned Christmas dinner, there is a terrific slotted kitchen spoon, an indispensable chocolate or butter farmer, a cutting board with its own magnetic knife to hang in your kitchen, and lots of other items for gadget lovers. This 'n' That will also feature a "Leather-Clean"—a must for so many articles—and be sure to

see the new cold-water detergent demonstration.

Other gadget goodies may be found in Miss Janet McKenzie's Boutique, as well as the Hostess Shop. Chairman Mrs. Kenneth Wheeler has lots of small gift items such as pencil holders, decorated kitchen slates, all kinds of holiday match folders and boxes, glass ash trays made from unusual bottles. Come and see them all!

Australians and New Zealanders must have a special affinity for our part of the world—for Grosse Pointe, in particular.

From Tokyo, Japan, comes word of a new link about to be forged in the chain of international personal relationships: The engagement of Helen Elizabeth, daughter of His Excellency, the New Zealand Ambassador to Japan, Mr. E. B. E. Taylor, and Mrs. Taylor, and William Bruce Coleman, son of Mr. and Mrs. K. W. Coleman, of Hampton road.

Miss Taylor is a native of Christchurch, New Zealand, and a graduate of Rangitiki Presbyterian Girls School, Christchurch.

Mr. Coleman holds degrees in Engineering and Business Administration from the University of Michigan, and is currently manager of the W. R. Grace and Company Overseas Chemical Division operation in Japan.

The wedding will take place in December, in Tokyo, where the couple plans to make their home.

Reunion in Hong Kong

Off this week for Hong Kong, and a visit with her daughter and son-in-law, the John Tschurtschenthalers, and their children, is Mrs. Frank E. Fitzsimons, of Harvard road.

Mrs. Fitzsimons interrupted her pre-trip preparations last Sunday, for a Triple Purpose Party. The Fitzsimonses invited relatives and close friends to an Open House, to...

(1) introduce their new son-in-law, N. Daniel Cosentino, whose marriage to their daughter, Frances, was announced in July... (2) celebrate Frances' October 25 birthday... (3) collect messages for Mrs. Tschurtschenthaler, to be relayed via Mrs. Fitzsimons, (and, incidentally, to properly bid Mrs. Fitzsimons "bon voyage").

"Double-Takes"

If you passed a stranger in the street last week, did a quick "double-take," looked again, and decided that you "must have met that man before, but where?"—stop racking your brains!

The gentleman responsible for all those second glances is Richard Devon, a free-lance television actor. Places you could have "met" him range from The Defenders' courtroom to the Cartwright Ranch.

Mr. Devon, his wife and her father, Robert Riopelle, are here from California, visiting Judge and Mrs. Thomas J. Murphy.

Mr. Riopelle is Mrs. Murphy's brother. The trio arrived in town in time for a gathering of the Riopelle clan last Saturday, at an 84th birthday party honoring matriarch Mrs. Oscar Riopelle, of Harbor Island, Detroit.

Invitations Are Out

Invitations to the annual dinner-dance given by the Woman's Auxiliary to Cottage Hospital for the doctors and their wives went in the mail last week.

The party is scheduled Saturday, November 14, at the Grosse Pointe Yacht Club. Mark Otis and his orchestra will provide the music.

Mrs. Bernard Whitley, general chairman, is being assisted by co-chairman Mrs. John Herrmann. The decorating committee includes Mrs. George P. Johnson, Mrs. Ralph E. Quinones and Mrs. Pierre Font.

J. R. Foster, Jr. Claims Bride

James Roland Foster, Jr., son of the senior Fosters, of Littlestone road, claimed Judy Ann Baumgartner as his bride October 10, in the First Methodist Church of Portage, Mich.

The daughter of Mr. and Mrs. Henry Joseph Baumgartner, of Portage, wore a floor length gown of silk organza, styled with a belted skirt and a detachable Chapel train.

The attendants carried bouquets of yellow and bronze Fuji chrysanthemums.

Miller Foster served as his brother's best man. Guests were seated by Henry Wolf, William Penz, Robert Etter, Warren Winstanley and Rod Villeneuve. Michael Becker was ring bearer.

First Loss Handed Devils By Fighting Monroe Team

By Ric Hendee

After five weeks of color and cheer, the Blue Devils finally lost their chances for a no-loss season. Monroe out-spurred the Grosse Pointe hopefuls in a clashing, point-for-point battle that had action and scoring from start to finish.

In their second play of the night, the Trojans went 63 yards on a quick pass to start the scoring. After a successful extra point kick, the two teams battled back and forth until, with only four seconds left in the 1st quarter, 215 lb. Devil halfback John Reynolds tied the score on a 16-yard sprint.

Grosse Pointe spirit skyrocketed and the Devils forced Monroe to punt, which Reynolds returned all the way for number two. A good kick gave Grosse Pointe the half time lead, 14-7. Homecoming Ceremonies

Monroe celebrated their homecoming with floats and fireworks. Then, with revived spirit, the Trojans went for revenge.

Grosse Pointe kicked off and it was called back. On the second kick off, the Trojans returned the pigskin all the way to olver the Devil lead to one point, 14-13.

Then, after the Devils had been forced to kick, Monroe brought the ball from their own 11, slowly covering the remaining 89 yards in a long series of plays. With a kick, the score was Monroe 20, Grosse Pointe 14.

That ended the scoring of the night, but not the attempts. With five minutes left in the game, Grosse Pointe repeated their last minute come-from-behind push, (as used against Fordson last week), in an effort to grab the BCL title. (Wyandotte beat Highland Park to keep their slate perfect, and Grosse Pointe needed a win to keep in the race).

Sam Thompson led the Devil eleven slowly downfield to the Fordson six inch line. Then he plunged across to tie the score, but a flag, a penalty, and the rejoicing was smashed. The referee called a pushing penalty against Grosse Pointe and the touchdown was revoked. The Devils had lost their first.

Other Leaders Win
Meanwhile the other league threats were enjoying a winning night. Fordson, who had come to Grosse Pointe's homecoming a week earlier, and left with a tie, spearheaded Royal Oak Dondero to push their league record to 2-1-1. Wyandotte kept in the winning column as they walked over Highland Park.

So Grosse Pointe is running step for step with Fordson for second place now.

Next week they will put everything left on the line in a grudge match with Wyandotte. The Devils wanted to have a pure record so bad they could taste it. Now Wyandotte is going for the same honor and the

GPUS Defeated By Deckerville

By Ric Hendee

After putting the stress in the winning column with three straight victories to make it 3-2, the GPUS Knights finally fell as Deckerville bore down, 20-6, in an away, night game last Friday. On the whole, the Knights played strong football, but when they "id slack off, the Deckerville men tromped through for big yardage.

On the first quarter, GPUS halfback Roy Pingel went 30 yards for the first score, but the play was called back and the scoreboard stayed blank until early in the 2nd quarter. Then Tim Martin put GPUS points on the board as he slid away from Deckerville for a long running touchdown. The extra point was no good and GPUS led 6-0.

Deckerville went to work and a 35-yard run accounted for their first 6 points and at the half the score was tied.

After the half-time ceremonies, Deckerville made the day complete with two third quarter victory-clinching touchdowns. The final score, 20-6.

Next Saturday the Knights finish off their '64 season with a "all or nothing" game at Country Day School. These two teams have built up a tremendous rivalry and this year the game means even more.

Country Day is dedicating their new field and would like to christen it with a victory. They go into the game with only one touchdown scored against them all season... and they want to keep it that way.

The Knights now have a 3-3 record and, this being their last game, it means a winning or a losing season. So for both teams, this is it... the last and biggest game of the year.

MONEY MISSING

Dr. H. M. Snyder, of 548 Anita, phoned Woods police on Saturday, October 24, and informed them that \$40 was missing from his house. He said he did not know who took the money. An investigation is underway.

Thunderbirds Beat Spartans

By Jim Lynch

The Woods' Spartans Varsity lost to the Dearborn Thunderbirds last Saturday, 39 to 14.

The Thunderbirds scored 6 points in the first quarter and 14 points in the second quarter. The Spartans scored 2 touchdowns in the second period on a 40 yard run by Allen Tunis, and 7 more points on an end run by Terry Buda.

The score at half time was

20 to 14 in a very exciting game, being led by Bud Sheele and fine play by both ends, Jim Nye and Mike Johnston. Pat Murtagh, playing tackle and guard, was also outstanding.

The second half was all Thunderbirds; they scored 13 points while the Spartans could not cross the goal line again. The final score was Dearborn Thunderbirds 39, Grosse Pointe Spartans 14.

In the Junior Varsity game the Thunderbirds scored 6 points in the first quarter and 7 points in the second period for all the scoring in the game. The final score was Thunderbirds Jr. Varsity 13, Woods' Spartans Jr. Varsity 0. Bill Crawford and Chip DeClair were the two outstanding players, as the Spartans' Jr. Varsity went down to defeat.

In a hard defensive battle the Woods' Spartans Pioneers played the much larger Dearborn Thunderbirds to a 0-0 tie,

keeping their undefeated string going. The entire defensive unit played an outstanding game, led by Mike Metcalf, Randy Blomquist, Brian DeCook, Steve Gates, Tom Przeslowski and Tom Pomaski.

The Woods' Spartans - Farmington game played on Sunday, October 18, at Farmington was not reported last week. Here were the final scores:

Woods' Spartans Varsity, 12; Farmington Rockets, 6.
Woods' Spartans Jr. Varsity, 0; Farmington Rockets Jr. V., 12.

Woods' Spartans Pioneers, 7; Farmington Rockets Pioneers, 6.

On Saturday afternoon, October 31, the Woods' Spartans Varsity team will play host to the Muskegon Varsity team. This feature game will be played at 12 noon, with the Woods' Spartans Jr. Varsity and Pioneers playing the other Farmington Jr. Varsity and Pioneers teams, which they have not yet played.

Don't forget the Woods' Spartans big Home Coming Game against Hazel Park here on Saturday, November 7.

Hockey Team in Split

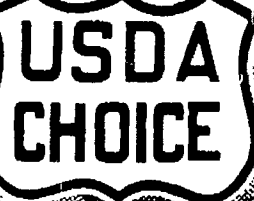

The Grosse Pointe Chiefs Midget Hockey Team, divided a pair of weekend pre-season hockey games this week.

After losing 8 to 1 to Detroit Milner Hotel, the Chiefs came back to shut out Berkley 3 to 0 on goals by Jerry Schindler, Randy Neill and Jay Gill.

The season opens officially at Windsor Arena next Sunday with Grosse Pointe meeting Frazer.

13—REAL ESTATE FOR SALE

HERE TODAY and probably gone tomorrow, could be that this be the first and only time this colonial is advertised. Situated on a large lot with ample room for kids and their roving dog. Three enormous bedrooms and that important extra room on the first floor. Priced at \$27,500.

WE'VE DEDUCED, when the price is reduced, there usually follows a sales boost. We refer specifically to the new, lower price on this farm colonial in the Shores. The house has four bedrooms and two and a half baths. The immense kitchen has built-ins which include a fireplace for barbecuing year-round. Sensible location for the laundry is just off the kitchen. Family room and attached garage. Now priced to interest the buyer in the forty thousand dollar range.

THIS ONE SHOULD head your list if you must have four bedrooms and desire the quiet of a dead-end street. If you want prime location and a newer house, with forced air heat and a large kitchen with all the trimmings: if your family must have that additional room on the first floor, besides the living room and separate dining room; if you demand four bedrooms and a finished basement, and would like the convenience of an attached garage; if you want to move right in your next house which comes complete with good carpeting and draperies throughout... better call us... if you like the low tag of \$49,500.

IT'S FUN to be popular, and this new offering on Noff Road is the type of "house" which is becoming more and more popular. From the curb the structure appears to be a large English home, but in reality it is a two family, with immensely proportioned rooms. Three bedrooms and two full baths, even additional living quarters on the third floor: Both upper and lower are occupied by long term tenants.

TRY THIS ONE for size if you long for a house with real elbow room. Mammoth entrance foyer with living, dining and library rooms all leading from it. See what a Chinese fortune can do when it is spent on turning a kitchen inside out. Two first floor lavs and a half dozen baths scattered around and about the seven bedrooms. For \$68,000 you cannot buy or duplicate in this prime location in the Farms.

WE ARE SYMPATHETIC with you if you've been looking for a three bedroom house with TWO full baths and just enough back yard to dabble in. Do you insist on having your cake and eating it too? Well you can, and eat it in the separate dining room or in front of the television set which might be in the large family room. First floor bedroom convenience, and all offered at the low figure of \$28,500.

RARELY IS SO much house offered at so little money. Consider that this offering boasts a modernized kitchen, family room, plus den. Consider that there is a circular stairway leading upstairs where you will enjoy the luxury of five bedrooms. Consider that the house is now vacant so you could be in for Thanksgiving dinner. Consider calling us on this one because the tag is considerably low... \$49,500.

PEAK OF PERFECTION... is this newer three bedroom, one and a half bath ranch house at 19900 Fairway Drive (off Fairford). Only two doors away from GPUS athletic grounds, and within comfortable walking distance to Barnes and Star of the Sea schools. Party-sized family room overlooking a man-sized back yard. See for yourself next Sunday afternoon... open house from 2:30 to 5:00.

Deliberate with caution, but act with decision and promptness.

Heard the rumor . . . that Charlotte Ford is engaged? The gentleman-in-question is Kim d'Estainville, associated with Paris-Match (France's answer to LIFE magazine).

Quick-change cheers . . . to Mrs. George Seibert, "Cinderella" in Theater Arts Club of Detroit's fall production, whose transformation from ragamuffin to Belle of the Ball was accomplished in record time . . . and a double round of applause to the ladies of the Costume Committee, who pulled off, zipped up, wiggled on and shoved out the Star—then collapsed, panting, on the nearest back-stage props.

Ever heard of . . . a Property Owners Association dinner dance? We hadn't either . . . until a note from Mrs. E. Russell Phillips informed us that the Shore-Woods Property Owners Association, encompassing an area from Woods lane to Robert John road, plans such an affair at the Grosse Pointe Yacht Club Friday, November 13 (apparently, the group is not superstitious). A social hour is scheduled from 7:30 until 8:30 o'clock. The Association was formed in 1962, when residents in the area were faced with the closing of Moorland drive, preventing them access to Lakeshore Road and the Grosse Pointe Woods Lakeshore Park. "As you are aware," Mrs. Phillips writes, "the lawsuit which ensued was pursued to a successful conclusion, and the courts assured the residents that Moorland drive in Grosse Pointe Shores would never be closed." By the time their suit had been settled, most of the Association members were fast friends, and the group has continued in operation, to handle any problems that may arise in the area and to foster good will among the residents, generally. Dr. Charles N. Hoyt, of Woods lane, is Association president; Herbert Gould, of Moorland drive, serves as treasurer. Chairmen of the fall dinner dance are Mr. and Mrs. John Peters, of Moorland drive.

Among Pointers who have had their pets immortalized by Mr. McPherson (he is as talented painting horses, cats and birds as he is painting breeds of dogs) are Mrs. John Ford—who arranged for the artist to appear at the Mart—Mrs. Roy Chapin, Mrs. William Denler, Mrs. William Tost, Mrs. Yates Smith, Mrs. Emory Ford, Mrs. Arthur Buhl, Mrs. George H. PILFERINGS

If the nose of Cleopatra had been shorter, the whole face of the earth would have been changed.

—Pascal

A young woman spent a nightmarish evening with what she considered a highly intellectual group. Most of the small talk was completely beyond her, and she sat most of the time in a corner in silence. Finally the party gathered around the piano, and someone asked her to suggest a song that all might sing.

"Well," she said meekly, "I've always liked that one about bombs bursting in air."

Pointers of Interest

MRS. PAUL P. FISCHER OF LAKEVIEW AVENUE AND
MRS. JEREMIAH V. JENKS OF UNIVERSITY PLACE

By Janet Mueller

There's something special about a working friendship. It demands a definite, basic compatibility, appreciation for the talents and personality of one's fellow worker, an atmosphere of mutual respect — and a high degree of mutual enjoyment.

Marty Fischer and Ruth Jenks met 10 years ago, via a Christ Church Fair Committee. They have been working friends ever since.

This year, with Mrs. Robert H. Kanzler, (who was a Pointer of Interest in '61, when her Big Fall Project was Planned Parenthood's Christmas Mart), they are sharing the general chairmanship of the Christ Church Christmas Fair.

The three chairmen function beautifully together. "I wouldn't take a job without her," Ruth says of Marty. "I wouldn't take a job without HER," Marty says of Ruth. "Judy Kanzler is terrific!" Ruth and Marty both say.

Young Tornado

"We call Judy our Young Tornado," they add, laughing a little at their own descriptive phrase. According to Ruth and Marty, Mrs. Kanzler plunges head-long into the whirlpools of organizational activity, is undaunted by "tons and tons of telephone calls," and manages to make beautiful order out of chaos.

Mrs. Jenks and Mrs. Fischer are rather good at organizing and co-ordinating details, themselves. Their notebooks are up-to-date, their committees are functioning. This year's Fair is ready-to-roll, on schedule, two weeks from today, Thursday, November 12, from 10 until 6 o'clock, at Christ Church.

Ruth Jenks and Marty Fischer have plunged roots deep in the Pointe, but both came, originally, from other cities and states.

Mrs. Jenks' connection with Michigan is long-standing, however; she made her first trip to Harbor Beach, where her St. Louis family maintained a summer home, when she was six months old.

Loyal To Harbor Beach

She still summers at Harbor Beach, and spends random weekends there all year 'round — "It's so much fun in winter."

She met her husband there, took her children up from the time they were infants, is a bit disappointed because the older ones have difficulty finding time for a Northern vacation now.

There are four junior Jenks, and the beginnings of a third generation with two-year-old Tracy McCabe, daughter of Mrs. David G. McCabe, the former Jacqueline Jenks.

Deborah and Alden Jenks are both at Berkeley, Calif., getting their M.A.'s, one in English, one in Music. Susan is still at home, studying at Grosse Pointe University School.

This year, there is another "daughter" in the Jenks' household: Hilda Sabato, of Buenos Aires, Argentina, studying at GPUS under the American Field Service Exchange Student Program, living, as a family member, in an American home.

Hilda is the second South American "daughter" the Jenkses have welcomed into their lives. Right after the Fair, Mrs. Jenks is flying down to Rio for the wedding of her first AFS daughter, Vicky Coelho.

Hilda keeps telling her State-side "mother" that Buenos Aires is only two hours, by air, from Rio, that the Sabatos love visitors . . . and Ruth Jenks "just might" drop in on the Argentine capital on her way home.

Fond of Traveling

Mrs. Jenks is very fond of traveling—and very used to making her own way on trains, planes and boats. She spent two years in Switzerland before she was married, attending school

in Lausanne, and has many friends in Europe.

With Mr. Jenks and one or another of her children, she has crossed the Atlantic several times, spending a month to six weeks "on the other side" per trip.

The summer before last, she journeyed to Paris for a wedding, taking Susan along. Last summer, Susan went back alone, to spend her school holidays in Switzerland.

Tennis is Ruth Jenks' passion, (she plays it all year 'round), and her favorite hobby is "fiddling with the piano."

Marty Fischer's youngest daughter, Paula, is in the same GPUS grade as Susan Jenks. Like their mothers, the girls are great friends.

The Fischer twins, 18-year-old Stephen and Stephanie, both attend school in The East. Stephen is studying at Brown University, Stephanie at Centenary Junior College.

Her Twin Excuses

Their mother finds them "perfect excuses" for several times-a-year trips to the New York area. Mr. Fischer is a New Yorker; the Fischers lived on Long Island before they came to the Pointe.

Marty Fischer's original home is the Middle West, however. She was born and raised in Iowa, where "I met my husband during the war. He was in the Navy." (After one has had a few seconds to conjure up visions of battleships sailing across fields of golden grain, Marty grins and exclaims that Paul Fischer was stationed at a Naval Air Base in the prairie country).

She serves on the Board of the Neighborhood Thrift Shop, likes to hook rugs—"I'm afraid most of the things I like to do can be done SITTING"—and is a dedicated gardener, member of the Grosse Pointe Garden Club.

"I think my house is my 'hobby,'" she muses. "I love all the so-called 'dirty work,' painting, wall-papering . . ."

"Ruth is the traveler," she adds. "I enjoy going back to New York whenever I get a chance. Almost any traveling I do, I do with my husband; we like Harbor Beach, too."

Found Good Helpers

Marty Fischer, Ruth Jenks and Judy Kanzler took on the chairmanship of the Christ Church Fair last January. Their first task was to find committee heads.

With committees established, they turned to the chores of finding places for the committees to work, distributing information, visiting work groups, correlating details.

"At first, we devoted a lot of time to the Fair. We visited all the committees. In summer, work slacks off, but in September we really start to move again."

Ruth and Marty agree that people, by and large, are very willing to work for the Fair. They have had to do no "prodding."

"Every single person who heads a committee takes a lot of responsibility on herself. There is a general feeling of enthusiasm and eagerness. Actually, our job is not nearly so hard as heading the basket committee, or the decoupage group . . ."

Plenty of Talent

Christ Church and Grosse Pointe Memorial Church alternate Fair years, with many women, from both congregations, donating their time to

both Fairs. Mrs. Jenks and Mrs. Fischer are "constantly surprised at the amount of talented women in this community."

"Within committees, there is frequently a very interesting age span," Ruth notes. "The just-married work beside grandmothers."

"A lot of friendships are made," Marty adds. Her friendship with Ruth is proof of this particular Fair dividend.

In '64, Christ Church Fair plans a return to items aimed specifically at children's pocketbooks. There will be a Young Shoppers' Only department, barred to anyone over 12. (Young Shoppers' aides excluded), featuring something for every member of the family at 25c to \$2 prices.

There will be a free Sitter Service and children's snack room, with lunch available at 25c per peanut butter sandwich and raw carrot.

Old Favorites Repeated

Primarily, the Christ Church Fair features "old favorite" shops. Buyers return year after year for specific items; new buyers come to purchase things similar to those they have admired at friends' homes.

The Fair baskets are always extremely popular. Sometimes a shop is dropped one year—and returned by demand two years later. (The Apron Table will be back this year).

"EVERYTHING is hand made," Mrs. Fischer and Mrs. Jenks note. "We try to give people things they will want to buy—and since there are so many talented women working for us, it is possible to maintain high standards."

At least 450 women are actively involved in the project. Every Christ Church woman is asked to donate to the Kitchen Corner. Actual setting up begins Monday, November 9, continuing through Wednesday, when wares are finally brought to the "shops."

All day long Thursday, Fair Day, there is a continuous shuttle service between Grosse Pointe Memorial Church parking lot and Christ Church fairgrounds.

Make Final Report

The Fischer-Jenks-Kanzler chairmanship does not terminate abruptly November 13. There is still the final, complete report to be written up and presented at the post-Fair meeting in January. The general chairmen, and committee chairmen, submit comprehensive resumes of their activities, with recommendations and evaluations.

These records are added to past Fair records, all stored in the Church for future reference.

In between working for the Fair and preparing to fly off to South America, Ruth Jenks is trying to squeeze in some solid Christmas shopping. Marty Fischer is making plans for Stephanie's debut, a home reception December 20.

The '64 holiday season promises to be exceptionally busy for both ladies; the November 12 Fair is the first in their series of major events.

Next year, though, they should be able to relax, put their general chairmanship behind them . . . and a year later begin work on the '66 Christ Church Fair, starting over again in the personnel echelons, on the committee member level.

BATS MALIGNED

It is not true that bats carry common lice or bedbugs, according to Compton's Pictured Encyclopedia. Bat parasites are peculiar to bats and will not attack man. It is also untrue that bats willingly entangle themselves in women's hair.
