THE DEMONSTRATIONS and violence in South Vietnam culminated yesterday in the overthrow of the American-backed government of Premier Tran Van Huong by the armed forces of that country. The coup returned to power Lt. Gen. Nguyen Khanh and sent thousands of Buddhists into jubilant celebration. The feud between Khanh and U.S. Ambassador Maxwell D. Taylor became even more apparent when a Vietnamese officer said "Now it's Taylor or Khanh. One or the other has to go." An American spokesman said, however, that Taylor has absolutely no intention of giving up his post in that country.

THE 18-DAY-OLD Gulf and Atlantic Coast dock strike was prolonged yesterday by the rejection of a new contract by Baltimore's longshoremen. Assistant Secretary of Labor James J. Reynolds said that he has evidence and reason to believe that persons allied with Communism purposely prolonged the waterfront strike to damage the nation's economy. He said that he will ask the FBI to investigate the situation there and in New York, where the longshoremen finally signed the contract after an initial rejection. It appears that the costly strike may now continue through the week.

GOV. ROMNEY asked the State Legislature Wednesday to take "immediate and decisive action" to halt Michigan's mounting highway death toll. His legislative program includes stiffer enforcement of traffic laws, a compulsory motor vehicle inspection, a better licensing system and an enlarged State Police force. He said, "We are in danger of becoming one of the unfortunates of the larger states of our nation."

Friday, January 29
GENERAL MOTORS CORP. announced yesterday that its net profits for 1964 reached an all time high of \$1.72 billion. Not only did its record profits occur despite last fall's six-week strike but it topped for the first time the earnings of American Telephone and Telegraph Co. Officials of the corporation said the record profits were the result of \$1.7 billion in sales, which was an increase of 3 percent over 1963. Sales of cars and trucks in the Free World amounted to 6,114,000 units, compared with 5,974,000 sold in 1963.

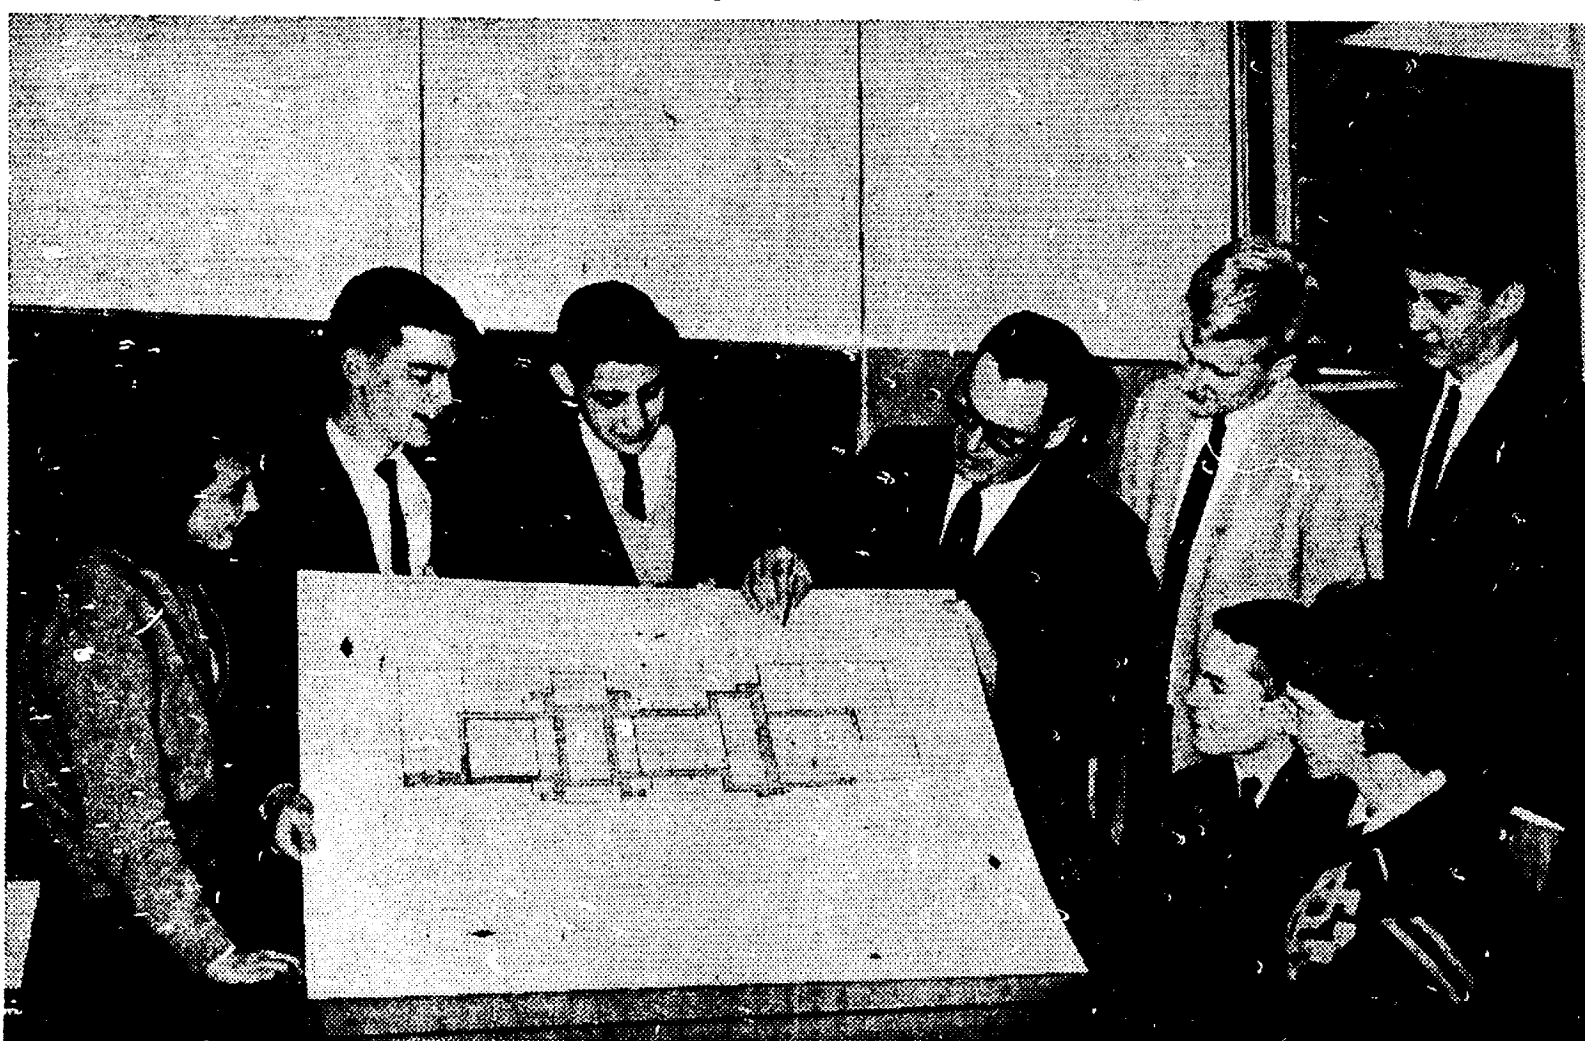

CONGRESS WAS ASKED yesterday by President Johnson to enact a constitutional amendment on Presidential disability and for filling a vacancy in the office of Vice-President. The amendment would say that if the President declares himself to be unable to carry out the duties of his job, the Vice-President would then assume them and serve as acting President. Johnson also asked for another amendment which would reform the electoral college. It would prevent an elector from substituting his own will for that of the public in presidential elections.

IN THE HEAVIEST trading of the year, the New York Stock Exchange rose above the "900 level" in the Dow-Jones Industrial average. The index closed at 900.95, up 1.43. On a half-hourly basis, the average of Dow Jones Industrial has passed the 900 mark but never before has it closed at 900 or above. It is closing averages that count most in the record books.

Saturday, January 30
SIR WINSTON CHURCHILL was buried quietly today in the churchyard of St. Martin's in the village of Bladon following an impressive funeral service at St. Paul's Cathedral in London. The service was attended by four kings, two queens, presidents, prime ministers and statesmen from 113 nations. Representing the United States were Chief Justice Earl Warren and Ambassador David Bruce. Secretary of State Dean Rusk was unable to attend because of a cold.

Study Plans of Proposed New High School

Examining the first-floor plan of the proposed Grosse Pointe North High School are (standing, left to right) SANDI ROSANDER, grade 10; STEVE BOWLES, grade 11; DAN SMITH, grade 11; JOE SPAGNOLI, secondary planning director for The Grosse Pointe Public School System; BRUCE SCOTT, grade 12; NICK POPOVICI, grade 10. Seated are CHARLES BRUCE and ROBYN RANNEY, both 12th

graders. The students are members of the Executive Council of the Student Association of Grosse Pointe High School. Property-owning voters of the Grosse Pointe school district will vote March 22 on approval of funds. Cost estimates of the proposed structure and the renovation of the present high school plant are placed at \$7,600,000. An adjacent auditorium complex will cost \$750,000.

'Hideout' Not Involved In Hall Case

Director of Popular Teenage Activity Unwittingly Made Victim Of Bad Publicity

In last week's issue of the NEWS, it was reported that the owner of Harper Hall, 20542 Harper avenue, Harper Woods, and a Pointe teenager were found guilty in Harper Woods Municipal Court of liquor violation charges, at a reporter's dance. It was also reported that the dance was held on Friday night, January 8. The information received from a police source, as to the date, was erroneous. The dance was held on Saturday night, January 9, not Friday.

The hall is leased to David Leone, 22, of 4449 Kensington, Detroit, every Friday evening, during the fall and winter months, and Mondays, Wednesdays and Fridays, during the summer months.

Leone conducts what is known as "The Hideout," in an orderly manner, and does not serve any alcoholic beverages on the premises. The dance is held for teenage boys and girls. Leone has passed every test, and is licensed to operate the dances, and to sell soft drinks and snacks on the premises, during the weekly affairs.

Two Found Guilty
It was reported, factually, that the owner of the hall, Dale Glenn, 26, of 22130 Shady lane, St. Clair Shores, and John Nash, 19, of 1723 Severn road, were found guilty of violations of the

Lions Coach to Be Heard In Center Lecture Series

The final program of the Annual Lecture Series of the Grosse Pointe War Memorial Association is scheduled to begin next Tuesday evening, February 9 at 8:15 o'clock in the Center's Fries Auditorium. Harry Gilmer, newly appointed Detroit Lions head coach, will be the guest speaker at this final lecture in a series which has dealt exclusively with the subject of football. Born in Birmingham, Ala., Mr. Gilmer played quarterback for the Detroit Lions during the 1955 and '56 seasons. He then served four years as assistant coach of the Pittsburgh Steelers. At the time of his appointment as Lions coach, Mr. Gilmer was defense backfield coach of the Minnesota Vikings, a position he had held since 1961.

Six Persons Lose Lives In Pointe Traffic in 1964; 474 Others Reported Hurt

Park Leads With Four Deaths, Including Pedestrian; Farms and Shores Record One Each, With First Fatality Listed By Farms

Six persons died and 474 others were injured in Pointe traffic during 1964, according to statistics released by the five Pointe Police Departments.

The deaths were recorded by the Park (4); Shores (1) and Farms (1). The highest number of traffic injuries was reported by the Park (144); followed by the Farms (116); Woods (89); and Shores (16).

The first fatality of the year was recorded in the Farms, when James A. Laue, 19, of 622 Sunningdale drive, died on January 23, in Bon Secours Hospital of injuries suffered in a Lake Shore road accident on January 11. He never regained consciousness. Three passengers in his car were injured, but later recovered.

Killed Hitting Pole
The second fatal accident occurred in the Shores on August 8, when Mrs. Dorothy L. Wenzell, 45, of 21700 Eleven Mile road, St. Clair Shores, lost control of her automobile and crashed into a metal Edison pole near the driveway of the Grosse Pointe Yacht Club, Lake Shore and Vernier roads. She died in Bon Secours Hospital of severe chest injuries, the same day.

The Park recorded its first multiple fatal accident in more than 15 years on October 18, when three young teenagers died in a head-on car collision on Jefferson, between Audubon and Whittier.

Killed were Charles M. Shea, 18, of 13205 East Jefferson;

(Continued on Page 2)

Harvey Johnson, 17, of 1205 Gray; and Stephanie Jean Edwards, 17, of 439 Ashland, all of Detroit.

One Pedestrian Death
The Park also recorded the lone pedestrian death on December 14, when Walter Zentgrebe, 75, of 829 Westchester, was struck down by a car driven by Keith P. Pfister, 20, of 1021 Lakepointe.

Zentgrebe was at the intersection of Jefferson and Bedford, preparing to sell Good-fellow newspapers, at about 6 a.m., and was wearing dark clothing, which made it difficult for him to be seen during the dark hours of the winter morning. The driver was freed without blame.

The accident report as disclosed by the Park.

Park Council Cuts Strings On Donation

Rescinds Stipulation on \$1,000 Contribution Promised Child Guidance Clinic

The Park council has eliminated "strings" it attached to the \$1,000 donation it made to the North-eastern Wayne County Child Guidance Clinic, last October 12. The vote was 6-1.

Dr. Audubon H. Worrell of 1038 Audubon, and two other representatives of the clinic, asked that the council rescind its method of disbursement of financial aid to the clinic.

The sum had not yet been given to the NWCCGC, but on the October date, the Park council said it would authorize the donation, if the sum given would be used specifically for Park children in need of services from the clinic.

Formed Last Year
The Child Guidance Clinic was formed last year to aid children in northeastern Wayne County, who are emotionally disturbed, delinquent, and mentally retarded.

Dr. Worrell told the council that the clinic cannot bill the Park for each Park child treated because this would take a tremendous amount of book-keeping.

The council was informed that under Act 54, of the Public Acts of 1963, it is possible that communities can make donations from public funds, for organizations such as the clinic.

The council attached the "strings" because it is prohibited under City Charter to disburse public funds to be used outside of the corporate limits of the city.

Oddy Against Plea
Council William Oddy made a motion that the matter be tabled for an indefinite period, but the motion died for lack of support.

On a voice vote, Mayor Matthew Patterson and five councilmen voted to rescind the conditions attached to the donation, and to grant the money to the clinic, and to take it from the Contingent Fund. Oddy entered a minority vote.

City Attorney Richard Rohr said that the council could get around the stipulations in the charter, since the money would be used to assist Park children.

Woods to Survey Razing of Center Site for Parking

Officials Considering Tearing Down Building to Develop Lot to Alleviate Traffic Congestion in Mack-Hollywood Area

The Woods City Council at its meeting Monday night, February 1, gave approval to a survey which would determine the advisability and cost of tearing down the Community Center building in order to construct a parking lot in the Mack avenue and Ridgemont area.

The survey would also undertake a detailed study of the property lines involved in the building of the parking lot, which would include specifications of an alley easement from Hollywood to Ridgemont avenue.

The Woods Community Center was closed to recreational activities last May despite protests by groups of Woods residents.

The new parking lot is being considered in order to alleviate the congestion of traffic and to provide for improved traffic circulation in the Mack avenue and Hollywood road area.

Would Go To Planners

City attorney, Julius Berns pointed out that after the results of the survey have been given to the council, the matter would then be turned over to the Planning Commission for study.

Reasoning would subsequently be considered and changed.

If the council approves all the necessary steps to construct the parking lot, it could call a public hearing on the subject. As one councilman said, "The council is morally bound to have a public hearing."

The council tabled temporarily a proposed joint agreement between Liggett School and the city for use of the school land for recreational purposes. Liggett School representatives will discuss the matter further with their school board and report later to the committee-of-the-whole.

The proposed agreement with the Grosse Pointe-Clinton Refuse Disposal Authority and the Woods' city government was also returned to the committee-of-the-whole for further consideration.

Two Appointments

In other business the council approved the appointment of George J. Heidish of 1405 Aline drive to the Recreation Commission and Charles Rosiere of 962 Roslyn road to the Citizen's Traffic Safety Committee.

A bid for the purchase of four police patrol cars to the Alfred Steiner Company was given approval by the city fathers. They also approved and authorized payment of \$3,750 for management advisory services and \$2,675 for special services to Price Waterhouse and Company.

The special service was necessary because the Woods has been without a City Comptroller since the resignation, in October, of Russell Manney who left to become city manager of Harper Woods.

The council is expected to name a new comptroller later this week.

Center Plans Blood Drive February 12

Community Bank Maintains It Is Dry and Need For Replenishment Is Urgent

The American Red Cross Bloodmobile will be set up in the Fries Ballroom of the Grosse Pointe War Memorial, 32 Lake Shore road, on Friday, February 12, from 3 to 9 o'clock. In this annual visit to the Center the Bloodmobile hopes to collect a minimum of two to three hundred pints of blood.

Especially it is hoped that the Community Blood Bank maintained by the Center will be refilled. This bank is designed to be available for free loan to Pointers in case of emergency and has been dry for several months. Individuals whose church or organizational blood banks are full beyond their expected needs are urged to contribute to the community bank which is called upon almost daily.

Is Open Bank

However, as Mrs. Shirley Craig, the Center's Blood Bank Chairman, points out, this is an open blood bank for the convenience of Grosse Pointers where they may contribute blood for any individual or organization they wish without having to journey down town.

The Red Cross has assured Mrs. Craig that they will have

Thief Ransacks Shores Home

The residence of the Fred Giltzsdorf, 41 Briarcliff, was completely ransacked by a burglar during the evening hours of Sunday, January 31, according to information released by Shores Police Chief Thomas Cochill.

Mr. Giltzsdorf told investigating officers that the family had returned about 9:45 p.m. to find the house had been entered through the rear door.

The combination storm and screen door was forced open without any trouble, and the house door was opened without too much difficulty.

Giltzsdorf said that they checked everything, and as far as he could determine, nothing appeared to be missing.

Swimming Pool Project Gets Started

No Definite Date Set For Construction of Picnic And Recreation Areas

The Farms council has approved the sale of a \$500,000 General Obligation Bonds issue, authorized by city voters last November. The monies raised from the bonds will be used to pay for the construction of a swimming pool, and to make other improvements, at the municipal park at the foot of Moross road.

The bonds, which are recallable by 1980, were awarded to the First of Michigan Corporation, and Clark, Dodge and Company, Inc., whose joint bid was the lowest of 10 offered. When spread over the tax rolls, it will cost taxpayers 80 cents, or less, per \$1,000 local assessed valuation.

Bids for the purchase of the bonds were opened and tabulated at a regular council meeting held on Monday, February 1, in the Farms council chambers. They were opened and read by Ray Stauder of Kenower and MacArthur, financial counsel employed by the city, and awarded on his recommendation.

The interest rate asked by the two firms was the lowest, 2.80925 percent, which for the full life of the bonds would net an interest of \$141,586.25.

Commission Approved

The bond sale was approved by the Michigan Municipal Finance Commission on January 5. The improvements will consist of the swimming pool (begun Thursday, January 28), providing additional boat mooring facilities and additional picnic and recreational areas.

At its Monday night meeting, the council announced that it is soliciting the help of Farm residents, who might wish to offer suggestions regarding the boat mooring facilities and the picnic and recreational areas.

Persons who have ideas to create better facilities, are requested to write, not phone, their suggestions to, Mr. Manager Andrew Bremer, Jr., 90 Kerby road. All suggestions will be given careful consideration, the council said.

Further Dates Not Set

Date for the actual construction of boat mooring facilities and the picnic and recreational areas, has not been definitely set, it was disclosed by Bremer. The pool is being constructed by the Paddock Pools of Eastern Michigan, Inc., at a cost of \$102,930.

The contract for the building of the bathhouse and the installation of the pool equipment was awarded to Freeman Darling, Inc., of Detroit. The

Hospital Plea Decision Delayed

A decision in the civil suit of Bon Secours Hospital against the City of Grosse Pointe was delayed this week by the illness of Wayne County Circuit Court Judge Joseph A. Moynihan.

Judge Moynihan had been scheduled to listen to oral arguments in the case on Monday morning, February 1.

Bon Secours suit, which was begun in December, is contesting the constitutionality of City Ordinance 96. It prohibits the construction of public buildings south of Kercheval and puts a limitation on the height of buildings.

The suit, which was filed last March 10 alleges that the zoning ordinance deprives the hospital of its property rights and is contrary to guarantees included in the constitutions of Michigan and the United States.

The City Council turned down the Bon Secours' petition to permit exception to the ordinance on November 18, 1961.

Representing the City in the suit are Charles Wright, City Attorney, and Alfred Lindblom. Bon Secours' lawyers are Neil Hayes, the hospital's attorney, and Chris Youngjohn.

As of the NEWS press time, no new date had been set by Judge Moynihan to hear the oral arguments in the case.

'Hideout' Not Involved in Hall Case

(Continued from Page 1) Glenn was charged with violation of the State Liquor Control Act, at a hearing held before Harper Woods Judge Robert P. Van Wiemeersch on Tuesday, Jan. 19.

January 9, dance, was charged with contributing to the delinquency of minors.

Charges were pressed by Dr. Frank Parcells of 1014 Buckingham, when it came to his attention that alcoholic beverages had been sold to and consumed by teenagers at this dance. His concern as a parent prompted him to demand a complete investigation of the incident by Harper Woods police, which was done. Dr. Parcells is also a member of the Grosse Pointe Board of Education.

Owner Stands Mute

Glenn stood mute at his arraignment and a plea of innocent was entered for him. He was found guilty, and was fined \$100, and assessed court costs of \$10, placed on probation for six months, and sentenced to 90 days in the Detroit House of Correction.

Judge VanWiemeersch, however, suspended the jail term, on condition that Glenn close his establishment for a period of two weeks. The hall owner, through his attorney, announced that he would appeal.

Nash, according to information released by police, was in charge of the Saturday night dance. He also appeared before Judge VanWiemeersch on the Tuesday date, stood mute and a plea of innocent was entered for him.

Nash was found guilty and fined \$100, and assessed court costs of \$10, with the alternative of 10 days in jail. He paid the fine and costs.

Approximately 300 to 400 persons were at the Saturday night dance, it was said, most of whom were under 21 years of age.

Police officers who had checked the hall earlier, during a routine inspection, on observing that a majority of the persons in the hall were teenagers, warned the bartender, and others in charge, against serving alcoholic beverages to anyone under 21 years old.

At the three previous lectures, sellout audiences heard Pete Rozelle, Commissioner of the National Football League; Sid Luckman, former Columbia University star and professional football player, and William Clay Ford, owner of the Detroit Lions.

George R. McMullen, chairman of the series, has said that single lecture tickets, if available, cost \$1 and may be purchased at the War Memorial Center.

Radio station WWJ is broadcasting the lectures at 8:30 p.m. on the Wednesday following each one. A tape of the entire series will also be available at the Grosse Pointe Public Library.

Entering the 1964-65 swimming season, Central Michigan University Coach Leo Wisneski had compiled a 69-32-2 won-lost record in dual meets over 10 seasons.

The Shores also recorded one hit-and-run, which occurred on December 10, when John McKay, 62, of 6206 University, Detroit, a watchman for the Ford Estate, was hit by a cinnamon-metallic colored 1957 Lincoln. McKay suffered a broken hip

ous infection set in.

The Shores council authorized a reward of \$500 for information leading to the arrest and conviction of the driver of the hit-and-run automobile.

In 1959 the University of Detroit expanded its program of television teaching to include closed circuit television thus offering more students the benefit of the more experienced teachers.

City Mayor Cites Threat To Future Building Plans

Grosse Pointe City's Mayor David E. Burgess has said the construction of any new subdivision in the City may be delayed if voters turn down the proposed \$1.32 million bond issue at its special election on Monday, February 15.

His remark was made after State Board of Health representative, Wally Benzie, pointed out that the board must issue a construction permit for the sewers in subdivisions.

The state board has made it clear during the past several months that the City must take action to correct the dangerous unsanitary conditions that exist in the City, or the State may be forced to take legal action.

Voters turned down the same bond issue in last September's primary election. Since its defeat, the City Council has studied other means to finance the needed changes and improvements to the system but returned to the General Obligation Bond issue as the most economical for the taxpayers.

The City's consulting engineers, George Jerome and Co., has proposed two programs to remedy the overloaded sanitary sewers and to relieve the load on the interceptor sewer parallel to the Fox Creek barrel. First, it has asked for construction of a sanitary relief sewer in Lakeland avenue with arms in Jefferson, Maumee, St. Paul, Kercheval, Waterloo, Charlevoix and Goethe to intercept the flow from the existing 8-inch sewers.

Second, it seeks construction of a storm relief sewer in Waterloo avenue to intercept flow from storm sewers running north to the present Fox Creek barrel. An aim of the sewer would run from Waterloo down St. Clair avenue and into Lake St. Clair.

In addition the bond issue would provide funds to automate the City pumping station in Charlevoix avenue to save the expense of keeping three salaried men on hand to run it. The automation is estimated to cost about \$58,000 and would allow the system to be monitored in the police and fire station in Maumee avenue.

Cost of relieving sanitary sewers is estimated to be \$559,900 and the storm sewers, \$706,800.

The City Council held an open meeting on January 18 to explain in detail the need and remedies for the sewage system.

It will meet again next Wednesday, February 10, and voters are welcomed to question the Council on the bond issue.

Woods Installs Six Traffic Signs

Six new radar warning signs have been erected in the Woods, according to a Traffic Safety Division Bulletin issued during January by the Woods Public Safety Department.

The Bulletin, edited by Lt. Roland Symons, and School Safety Officer Jack Patterson, revealed that two such signs have been placed in Mack avenue, two in Vernier road, and one each in Marter road and Chalfonte avenue.

Signs have been placed on Mack, 250 feet north and 250 feet south of the fire truck exit, to alert motorists to the presence of the intersection, and to call their attention to the traffic signal light.

At its regular monthly meeting during January, the Citizens Traffic Safety Commission recommended that a Vehicle Safety Check be conducted in the spring, in the parking lot north of the Municipal Building, 20025 Mack avenue.

The commissioners consider a "vehicle safety check" to have great educational value from the standpoint of checking and maintaining one's equipment

voluntarily, according to a report made by the commission secretary and police clerk, Frances Lentz.

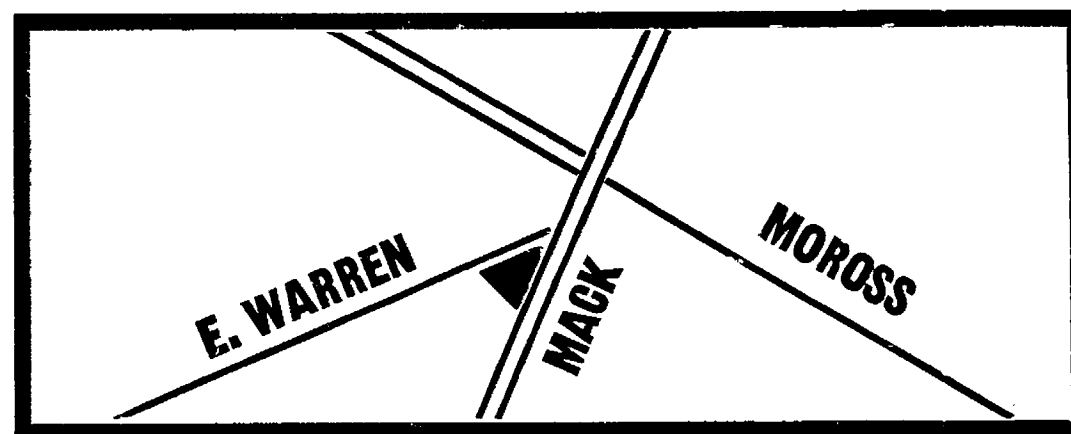

Seminary Club Meets Feb. 10

A general meeting of the Augustinian Seminary Club of Detroit is scheduled for Wednesday, February 10, at 8 p.m. in the Austin Friary at 18201 East Warren.

Distribution of the dinner dance tickets will be made by the president, Ben Capp, at this very important meeting. The Dinner Dance is planned for May 1, and again will be held at the Lockmoor Country Club. This event benefits the good works of the Augustinian Fathers.

DAMAGED WINDSHIELD

Farms Submits Building Report

Only two applications were received for residential construction during December, it was disclosed by John A. DeFoe, head of the Farms Building Department. No one applied for miscellaneous or commercial construction permits last month, he said.

Records showed that with the ending of 1964, the value of new construction in the Farms dropped by nearly a million dollars, as compared to 1963, DeFoe's monthly report showed.

Throughout 1964, no permits were applied for for construction of commercial buildings, and none for nonassessable buildings.

In 1963, the department approved 32 applications for residential construction permits on property valued at \$2,083,000; one for business, valued at \$11,000; and 92 miscellaneous permits, valued at \$324,350, for a total of \$2,418,350.

By comparison, from January 1 through December 31 of last year, 26 permits were granted for new homes valued at a total of \$1,128,000; and 94 miscellaneous permits for property valued at \$335,650, for a total of \$1,463,650.

Three permits were approved for non-assessable property valued at \$717,000, during 1963, but none for last year.

Last month, the Building Department okayed a permit for a home at 45 Preston, valued at \$67,000; and one at Carmel lane, valued at \$49,000.

In December 1963, two residential permits were approved for homes valued at a total of \$136,000; and four miscellaneous permits for construction of property valued at a total of \$24,000, DeFoe's report revealed.

Farms Bonds

(Continued from Page 1)

The firm, as the general contractor, will supervise the mechanical work, to cost \$28,960, of the Allen G. B. Brinkman Company; and the electrical work of the Maryland Electrical Company, to be done at a cost of \$6,600.

W. E. Edwards, professional engineer, who designed the pool, and will be in charge of the general supervision of its construction, has been instructed by the Farms council to present a progress report at each regular meeting of the council.

Completion Date Set
Edwards informed the council that the new pool will be ready for the official opening date of the municipal park, Memorial Day, May 30.

Negotiations with the State Conservation Department are still in progress, regarding the purchase of lake bottom land, to the north of the pier-park. When acquired, and filled, it will be used for the additional picnic and recreational areas.

The Farms was able to file an application for the purchase of the lake bottom land, through the generosity of Mrs. Vera B. Whitcomb, who recently deeded a 150-foot wide strip of her property, between the road and seawall, to the Farms, including all riparian rights. She made the gift in memory of her late husband, James S. Whitcomb.

Fontbonne Has Busy Schedule

The BIG project of the month is a Valentine Dinner-Dance, scheduled Saturday, February 13, at 8 o'clock, at Hillcrest Country Club.

The committee guarantees an enjoyable evening. Reservations may be made by calling 881-8200, Extension 214 or 237, or by coming personally to the Hospital in Moross road. Donation is \$10 per person.

The University of Detroit considers student affairs and activities an essential element in the education of the whole man or woman.

extra beds and nurses on hand so that donors will not be kept waiting an undue amount of time. Even so, donors should plan on sacrificing about an hour for the process. Though walk-ins will be welcome, it will help tremendously if everyone who is going to donate will call the Center—TU 1-7511—as soon as possible to make an appointment.

Services Offered
For those lacking transportation, rides will be provided. Also, the Junior Red Cross is providing a baby sitting service if it is necessary to bring the youngsters along.

Donating blood is a perfectly normal and healthy procedure which is a great civic and human service. Any adult up to the age of 60 can contribute unless they have suffered from hepatitis or some disease of that nature.

The Grosse Pointe Blood Council representing the churches, Junior League, and numerous Pointe organizations is cooperating to make this blood drive a success. Notices will appear in all church bulletins and representatives will be soliciting donation appointments throughout the area.

Pointe County Supervisors Oppose Home Rule Change

Councilman Henry Bodman II informed the Farms council on Monday, February 1, that he and other Pointe representatives on the Wayne County Board of Supervisors oppose a bill being sent to the State Legislature in Lansing granting home rule to the counties in Michigan.

He said at a supervisors' meeting held on Thursday, January 28, the five Pointe and 13 other supervisors objected to a version of the bill, as defeating its own purpose, contending that counties should be allowed wide freedom in drafting their own form of government.

The version objected to is the requirement for continued partisan election of present county officials. This is also objected to by the League of Women Voters, it was said.

Bodman called the new version as so restrictive as to "place us in the position of seeking what would be an 18th century framework of county government."

The bill, which was passed by a 75-19 vote, would also require that members of the commission which would draw up a home rule charter would be elected, as would members of the board of supervisors.

The councilman said that he had received protests from the

League of Women Voters, and two other nonpartisan civic groups, that he was not at liberty to name.

City Mayor David E. Burgess, representing the City on the Board of Supervisors, called Chairman Edward Connor's handling of the issue, "a railroad." Connor is on the Detroit Common Council.

Burgess, Bodman and Redford Township Supervisor Jack McDonald attempted to have the question tabled, claiming they had no time to review the changes made during the past two weeks.

Connor ruled the motion out of order, saying the bill would be killed if there is any delay in introducing it because it would be buried in a deluge of other bills.

Truck Hits Car; Women Injured

Samuel Jenkins of 3441 St. Clair, Detroit, was arrested and charged by City police on Thursday, January 14 with breaking the Drunk Motor Law, when the truck he was driving struck a car, driven by Mary Ellen Martens of 449 Beaconsfield.

Jenkins' companion, Rosell Scott of 3109 Montclair, Detroit, was also arrested and charged with violating the Drunk Motor Law and being a disorderly person.

Traveling east on Kercheval, Jenkins made a left turn on University and hit Miss Martens' car. She suffered extensive facial cuts and a passenger in her car, Linda Cragg of 1313 Buckingham suffered minor injuries.

Jenkins was later released on a \$100 cash bond and Scott on a \$25 bond.

Teen Car Thief Arrested Again

A 15-year-old boy, arrested by Park police on January 23, on a charge of car theft, was released by Juvenile Court authorities on January 29, and immediately stole another car.

The boy, who was arrested with another boy, 16 years old, on the first date, was accused of stealing four cars, and breaking into a number of parked cars and garages in the Park.

According to Police Chief Arthur Louwers, the young man had been arrested by Park police on seven different occasions, all for stealing cars in the Park.

The chief said that following the arrest of the two boys on January 23, charges were filed with Juvenile Court authorities, and the boys were held, to await the next session of court.

On this date, the boys confessed to stealing a car from the driveway of a home in Centerline on January 21, and abandoning it in front of 533 Middlesex, where it was recovered by Park police the next day.

They also confessed that on January 22, they stole a 1964 Oldsmobile from the driveway of 523 Lakepointe, later abandoning it; on January 23, they stole a 1965 Dodge from the driveway of 536 Middlesex, and left it at Fairfax and Essex.

The same day, they stole a Mustang from the side drive of 875 Balfour, at which time they were seen by police, and arrested after a foot race through city streets and back yards.

Chief Louwers said that the 15-year-old, who is presently in the custody of Detroit Juvenile authorities, was released by the court on the January 29 date, and did not lose any time in stealing a car, a 1960 Ford, from a home in Centerline, and abandoned it in the Park.

The boy, the chief said, then went to Cranford lane, in the City, and stole a car with Idaho license plates, and drove to Belle Isle in Detroit.

Officers of the Belle Isle station arrested the boy. They said he had stolen a set of Michigan license plates, and placed them on the car, after removing the Idaho plates.

At the last report, the youngster was still in custody of Detroit authorities, Chief Louwers said.

Minor Accidents Reported in City

Only six minor accidents occurred in Grosse Pointe City during the 10 days of snow and ice. Three of them happened on Tuesday, January 26, according to City police.

A car driven by Thomas Eugene Vaughn of 3892 Beniteau, Detroit, was struck by one driven by Lena Madeline Hartlage, 929 Rivard. Both cars were going south on Rivard when Mrs. Hartlage moved to the left lane to make a right turn into her driveway, hitting the Vaughn car which was passing on the right. Reckless driving tickets were issued to both parties.

No violations were given to Lois Bennaway of 21501 Black-the drivers involved in a mishap on Fisher road. Mildred stone, Oak Park, made a left turn into a parking lot and was hit by a car driven by Isabelle Ashby Semple of 304 University, who was backing from a parking space parallel to the curb.

A car driven by Grace Munson of 466 Rivard was struck by a vehicle driven by Edward Ferrand Wright of 593 University when he backed from a parking space at the rear of 17043 Kercheval. No violations were issued.

On Thursday, January 28, an auto driven by Cyrilla Louise Wallace of 3982 Bedford struck the rear of one driven by James Estil Fogle who had stopped for a traffic signal. Both cars were heading east on Waterloo and neither driver received violations.

Ice on the road caused the car driven by Vernon G. Brooks of 11895 Patton, Detroit, to skid and strike the rear of a car driven by Marcia Hubbard of 841 Westchester. The accident occurred on Mack avenue on Friday, January 29. No tickets were given.

Elizabeth Ann Carper of 20862 Beaufait, Harper Woods made a right turn from a driveway on Fisher and struck the left rear of a vehicle, owned by Pearl Helene Fisher, of 31 Warner, which was parked at the curb. The mishap took place on Saturday, January 30.

College Board Report Revealed

The report of College Board Examinations, taken in December throughout the country, show that the average Grosse Pointe student ranked in the top 15 percentile of the nation's students.

Broken down, this indicates that 15 out of 100 students in the country scored higher than the average Grosse Pointer while 85 did not score as well.

A total of 347 local students took the December examinations. Of that number, 179 were boys who scored, on average, better than the 168 girls in both the mathematics and verbal aptitude sections of the test.

In the mathematics exam, the boys, with an average score of 576, outranked the girls by 68 points. The boys also scored higher than the girls in the verbal section by two points. Average of the boys' score was 510, compared to the girls' 508.

Seven seniors scored highest on the mathematics aptitude section of the test, in which anything above 750 places the student in the top one percentile of those taking the examinations in December. They are Chuck Bruce, 782; Mitch Cumberworth,

791; Allan Dick, 774; Lee Haller, 782; Edith Parson, 782; Darrel Rosander, 782, and Roland Sherman, 756.

Richard Davis '66 scored a 752 in the standard mathematics exam. Peter Solenberger and Tricia Brown, both seniors, scored a 753 and a 785 respectively in English composition. Results of the College Boards given in January will be available later this month. The tests will also be given in March and again in May.

WE ENJOY bringing you spectacular values in popular priced carpet and have attained a reputation for being the place where small money can buy big carpet. Resultantly some people feel that we sell mainly low priced carpet. They couldn't be more wrong.

MAY WE SHOW YOU OUR "OTHER FACE"?

We carry literally thousands of rolls of carpet on hand in an inventory worth close to two million dollars and are one of very few dealers nationally who carry great quantities of expensive wool pile carpet (REALLY FINE CARPET IS ALMOST ALWAYS MADE FROM FINE WOOL YARN). Most dealers buy this type of carpet as they sell it and pay premium for it. We gamble on huge stocks of the finest and buy these for LOTS LESS—SO DO YOU.

At this January carpet market we purchased over 1/2 million dollars worth of carpet, a good portion of it in luxury goods. Included were many expensive grades, first quality, discontinued by famed makers. We are offering these items as well as our regular lines of luxury goods at REMARKABLE SAVINGS.

If you're a fine carpet buyer and do not consider it beneath your dignity to save a lot of money, please come and look us over, you may like our "other face."

Here is a perfect example of what we're talking about. The featured plush is a stock item. We carry it in 20 decorator colors. Dealers buying just enough for a job (cut order) pays almost \$10.00 for the carpet alone. If you deduct \$3.25 from our installed price of \$12.98 (the value of the rubber pad and the installation) \$9.73 remains. This is less than dealers cut order cost for the item. Any way you look at it you get luxury plush, ripple rubber pad and tackless installation complete for \$12.98.

Proposed New High School Being Explained to Many

"We intend to inform everyone in the community who wants to hear the details of the proposed new high school," Edward J. Pongracz, President of the Grosse Pointe Board of Education said today. He released the dates for the first of some 20 major presentations before public groups between now and the referendum slated for March 22.

"The PTA Council heard the full story on January 25, the Citizens' Advisory Committee heard it on Monday night. The schools' staff heard a talk by Dr. Wilson, our Superintendent, on Wednesday afternoon, and the first of the PTA meetings was held last night at Brownell. We intend to reach all the citizens of the community on the full story for the desperate need for a second senior high school," the President commented.

Dr. Frank Parcells, Vice-President of the Board of Education spoke briefly on the high school Wednesday evening to

Ford to Guide Hope Campaign

William Gershenson, chairman of the Five County Project HOPE Board of Directors, announced in a working luncheon session of the Directors at the Sheraton Cadillac Hotel, the appointment of Benson Ford as 1965 General Campaign Chairman for the Greater Metropolitan Detroit area.

"It is with great pride and pleasure that we welcome Benson Ford as our General Campaign Chairman for the newly expanded Greater Metropolitan Detroit Organization, especially after he successfully served as our Commerce and Industry Chairman last year," said Mr. Gershenson.

In his encouraging remarks to the Directors, Mr. Ford stated that the 1965 Campaign Goal is three hundred fifty thousand dollars. He further commented on the healing-teaching programs of the S. S. HOPE and urged all to support the work of the White Hospital Ship.

The "HOPE" is now anchored on the West Coast of Africa. During the Ship's visit in Conakry, Guinea, her volunteer staff of American physicians, dentists, nurses and paramedical personnel will help the people of this newly emerging African nation and surrounding countries, with their major problems of health. Currently, 30 countries have asked for the services of the Ship and her superb staff. Unfortunately, for the present, there is only the one ship attempting to fill these requests. "The vessels and volunteer medical personnel are available, but needed are the funds to equip, supply and operate these white ships of mercy," said Mr. Ford.

Mayors Proclaim Boy Scout Week

The four mayors of Grosse Pointe have joined the Shores' president in proclaiming the week of February 7 to 12 Boy Scout Week.

Mayor David E. Burgess of the City, Mayor Kenneth R. McLeod of the Woods, Mayor Kenneth W. Cunningham of the Park, Mayor William F. Connolly, Jr., and President John Huetteman, Jr. of the Shores have called for observance of the week to celebrate the 55th anniversary of the Boy Scouts of America.

The police leaders noted that the theme for Boy Scout Week is "Strengthen America's Heritage," a program to preserve freedom through reverent, resolute, and responsible patriotism.

They urged all of the citizens to recognize the patriotic service being performed for the community by volunteer Scout leaders and to express their appreciation to the religious,

school, veteran, fraternal, service, and other community groups that sponsor local Cub Scout packs, Boy Scout troops, and Explorer posts.

There's more power in kindness than TNT—it just takes longer to develop it.

Those to be inducted on Monday are Frank Bagnasci, Robert Bavinger, Patrick Clinton, Ralph DeFour, Robert Deneveth, Paul Freitas, George Gourlay, Philip Hodgman, Victor Juratovic, Richard Merritt, Anthony Nehra, Robert Neveux, David Sable, Robert Scheible, Patrick Szymanski, and Philip Ventura.

Three Pointers To Be Ordained

Three residents of Grosse Pointe, members of the first graduating class of Austin Prep, will be ordained to the Catholic priesthood Saturday at The Church of St. Rita of Cascia in Chicago by the Most Rev. Aloisius J. Wyscislowski, Auxiliary Bishop of Chicago.

They are the Rev. David Lloyd Brecht, O.S.A., son of Mr. and Mrs. Lloyd John Brecht, of Moran road; the Rev. Nicholas Joseph Ritter, O.S.A., son of Mr. and Mrs. Nicholas J. Ritter, of Cook road; and the Rev. James L. Singer, O.S.A., son of Mrs. Ambrose Singer, of Ridgemont road.

A fourth classmate is from Detroit, the Rev. Frederick H. Taggart, O.S.A., son of Mr. and Mrs. Harold R. Taggart, of Somerset road. Like his classmates he also attended Austin.

Father Brecht and Father Singer received their primary school education at St. Paul's School; Father Ritter at St. Joan's. Members of the first graduating class at Austin Prep, they entered the novitiate of the Augustinian Order at Oconomowoc Wisconsin, and completed their collegiate education at Tolentine College, Olympia Fields, Ill., the major seminary of the Augustinian Order.

They completed their theological courses at the same institution and likewise engaged in graduate studies at Villanova University.

The newly ordained priests will return to Detroit immediately after their ordination and say their First Solemn Masses here. Father Taggart's First Solemn Mass will be at St. Matthew's Church on Saturday, February 7, at 10:30 a.m.

Father Brecht will have his First Solemn Mass at St. Philomena's on Saturday, February 13, at 11:30 a.m. Father Ritter will celebrate his Mass at Our Lady Star of the Sea on Sunday, February 14, at 1 p.m.

On Tuesday evening, February 9, at 6:30, Father Singer will say his First Solemn Mass at St. Paul's on the Lake. With him on the altar will be his two brothers, the Rev. Jerome C. Singer of the Detroit archdiocese and the Rev. John A. Singer, S.J., along with their uncle, the Rev. Clement J. Singer, S.J.

After a brief vacation the newly ordained priests will return to Tolentine College, from which point they will be assigned to various universities to complete their graduate studies.

The University of Detroit offers its students Reserve Officer's Training courses with both the U.S. Air Force and Army. The ROTC training is optional to students in all branches of the University excepting first and second year engineering students.

Waldron Elected Minority Leader

The Republican members of the Michigan House of Representatives have elected State Representative Robert E. Waldron (R-Grosse Pointe) as their Minority Leader.

Upon assuming this top GOP office, Waldron, who represents the First District, indicated general optimism for a productive session and said that, although Republicans will be in the minority, they will be a "cohesive and positive force for Governor Romney's programs."

"I believe it will be our responsibility to lead in the building of bipartisan support for furthering the tremendous progress developed over the past two years," he added. He also declared that while promoting a "progressive attitude," the GOP would attempt to "expose and eliminate any Democratic programs designed purely for partisan advantage."

Representative Waldron, 44, who is beginning his sixth term of office, was Majority Floor Leader during the last session. As Minority Leader, Waldron will present the Republican position on legislation and will represent his 37 Republican colleagues in conferences with Governor Romney and members of the State Senate. His unanimous election took place at a Republican organizational caucus held last week just before the opening of the 73rd Session of the Legislature.

The First State Representative District consists of that part of Wayne County included in Grosse Pointe Shores, the cities of Harper Woods, Grosse Pointe Woods, Grosse Pointe Farms, Grosse Pointe and all of Grosse Pointe Park north of Jefferson Avenue. Representative Waldron is one of two Republican legislators elected in Wayne County.

It takes a chain of circumstances to show up the weak link in a man's character.

Farms Loses 463 Electors

The Farms lost 463 voters during 1964, according to information given to the Farms council on Monday, January 18, by City Clerk Dawson Nacy.

Nacy disclosed that in accordance with State Law, he mailed notices of cancellation of voter's registrations to 589 persons who have not voted within the past two years.

As a result, he told the council, 463 registrations were cancelled, and 126 registrations were continued.

He said that the loss of voters is not only due to the fact that some had failed to vote within two years, but also that a good number had moved from the city, or have died.

Woman Pays \$40 On Check Charge

Janet Besse, 23, of 11203 Corbett, Detroit, entered a plea of guilty to a charge of passing a bad check, in the amount of \$21.07, and was fined \$25 by Woods Judge Don Goodrow, and assessed court costs of \$15. She was ordered to make restitution in the amount of the check.

The woman was arraigned before Judge Goodrow on Saturday, January 16, on complaint of a Mack avenue supermarket manager, who has been trying to receive payment for groceries since October 28, when the woman's check "bounced" because of lack of funds in the bank.

Woods Det. Sgt. Jack Mast said that he sent Mrs. Besse a certified letter, calling attention to the fact that the check was no good, and that she was being given an opportunity to make restitution. The letter was ignored, he said.

Armed with a warrant recommended by Assistant Prosecutor Dale Devlin and signed by Judge Goodrow, Mast, accompanied by Director of Public Safety Allen Andrews, Jr., went to the woman's house on Thursday, January 14, and placed her under arrest. She was taken to Detroit's Conner Station, Precinct 15, booked and then taken to the Woods station, booked again and then released to appear in court on the Saturday.

Mast said that the woman had been charged with uttering and delivering, that is, writing out a check of less than \$50, without having money to back it.

Fire Damages Car Paint Shop

Fire caused considerable damage to the spray booth and the furnace-escape shafts of the Grosse Pointe Chrysler Motor Sales paint shop, 15000 Kercheval, at 2:31 p.m. on Wednesday, January 27.

Park Fire Chief William Graul said that firemen battled the flames for approximately 43 minutes before bringing them under control and putting them out.

The chief said the fire, of an unknown origin, first ignited in the spray booth of the paint shop, at the rear of the building, and shot up through the shafts with a roar, as the fire touched off the paint fumes, and the layers of paint that had accumulated in the shafts over a long period of time. The fire was confined to the

booth and the shafts. The heaviest damage was to the shafts, Chief Graul said.

Find Stolen Car Seeking Another

While searching for a stolen car belonging to a Pointe visitor from Idaho, City police located a car which had been stolen from Centerline, Mich.

Mrs. Helen Sexton of Pocatello Heights, Ida., told police on Friday, January 29, that her 1965 car had been stolen from the garage at the residence of her son-in-law, Daniel Matthews,

at 16817 Cranford lane. Mrs. Sexton, a guest in the Matthews residence, had put her car in the garage about 7:30 the evening before.

Officers Edmund Benthuy and Virgil G. Beaupre of the City police force, while searching for the visitor's car discovered a 1960 vehicle belonging to Albert J. Karalis of 7245

State Park, Centerline. The Karalis car had been reported missing early on the morning of the 28th.

It is thought by investigating officers that the thief or thieves who stole Mrs. Sexton's automobile also took Mrs. Sexton's and abandoned the Centerline car after the second theft.

Experience teaches a man to use reason as a guide, but principle is his safeguard.

Pat Reynolds admits she was wrong!

(She was sure electric dryers were more expensive. Then we showed her these money-saving facts.)

- 1 Gas dryers cost a couple of pennies less per load to operate; we'd be the first to admit it. But with electric dryers you still come out ahead. Read on.
- 2 Electric dryers cost less to buy. Model for model, prices run about \$20 to \$40 lower than gas dryers.
- 3 And now, for a limited time, this lower price includes installation and wiring, if needed, when you buy from one of the many dealers participating in this special sales event.
- 4 Electric dryers cost nothing for electrical repairs or labor. According to manufacturers' service policy premiums, the average dryer requires about \$200 worth of repairs over a 10-year period. But, of course, if your dryer is electric, Edison comes out, repairs it, and leaves without leaving you a bill! (It's the only no-charge dryer repair service offered by a utility company in this area.)

Add up ALL the costs and you'll see what Pat Reynolds saw — electric dryers cost less to own.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Mr. and Mrs. Edward A. Howell, of Lakeshore road, are expecting houseguests, the Bruce M. Lansdales, who arrive in Detroit late Tuesday.

Mr. Lansdale is director of the American Farm School in Salonica, Greece, currently celebrating its 60th anniversary.

Many Americans view the School as the best form of Foreign Aid ever given in terms of results achieved for money spent. Two hundred boys, ages 14 to 18, are accepted as boarders for four years.

They receive a broad general education plus intensive practical training, on a 500-acre farm, in methods they can use on their own land.

The whole of rural Greece, mainland and islands, is now dotted with groups of Farms School graduates. Among those who have visited, and praised, the School are President and Mrs. Lyndon B. Johnson, Greek Ambassador A. Matsas and Ecumenical Patriarch Athenagoras, head of all Orthodox Christians.

Mr. Lansdale will address an Assembly at Grosse Pointe University School Wednesday morning. In the evening, Mrs. Daniel W. Goodenough, of Lothrop road, has arranged an informal reception in the Country Club's French Room.

Highlight of the reception will be a showing of the movie, "Greek Earth Reborn." The Lansdales leave Thursday for Chicago and points west, continuing their anniversary pilgrimage through the States to encourage support for the School.

They LIKE Winter!

Mr. and Mrs. Paul I. Moreland, of Harvard road, are laying aside their skis for the next three weeks. The Morelands will jet to Sweden, where Mr. Moreland will participate in another winter sport.

He is chairman of the International Competitions Committee of the United States Men's Curling Association, and will captain two teams, (called rinks), of curlers who come from Nebraska, Wisconsin, Illinois, New Hampshire and Massachusetts.

They will compete in several curling centers in Sweden against teams from Canada, Switzerland, Germany, The Netherlands, England, Scotland, Norway and — of course — Sweden itself.

Soon after the Morelands return, they plan to travel to Seattle, Wash., to witness the National Curling Championships.

The 55-voice Georgetown University Glee Club of Washington, D.C., will present a concert at 8:30 o'clock Friday, February 19, at the Grosse Pointe War Memorial's Fries Auditorium.

The program will be followed by a black tie dance, beginning at 10 o'clock, at the Grosse Pointe Club.

Al Navarro's Orchestra is scheduled to provide music for dancing. Entertainment will be by the Georgetown Knights, a quartet of college men who have performed in various New England, Florida and Washington supper clubs.

Sponsored by the Georgetown Alumni Club of Michigan, the concert and dance are for the benefit of the James S. Ruby Memorial Scholarship Fund established in honor of the deceased executive secretary of the National Alumni Association.

Founded in 1831 on the campus of the oldest Catholic college in the United States, the Glee Club is under the direction of Paul Chandler Hume, teacher, author, radio commentator and lecturer.

Mr. Hume, music editor of the Washington Post for the past 19 years, once received a burning retort from former President Harry S. Truman after writing a critical review of a concert given by Margaret Truman, the President's daughter.

Mr. Hume has been the intermission radio commentator for broadcasts by the Metropolitan Opera, the New York Philharmonic Orchestra, the National Symphony Orchestra and the Philadelphia Symphony Orchestra.

Each year, the Georgetown Glee Club tours major cities in the Midwest and East. It sang with the National Symphony Orchestra at the Inaugural Concert for President and Mrs. John F. Kennedy in 1961.

Last December, it sang for President Johnson on the occasion of the 175th anniversary of the founding of Georgetown in the nation's Capital. The Glee Club has also appeared on the Ed Sullivan Show.

In an emergency, the value of medicine can hardly be reckoned in dollars. Medicine is priceless when needed. Yet it is an interesting fact that nationally the average cost of a pharmaceutical prescription is about \$2.50 — and more than half of all prescriptions cost less than \$2.00. Although higher than 20 years ago, the increase in the cost of medicine lags far behind that of other, and far less essential, commodities.

A reception at the Detroit Yacht Club followed the informal ceremony Saturday afternoon, in Christ Church, Grosse Pointe, at which Katherine Jeanne Stedman and James Arthur Baubie, Jr., exchanged marriage vows.

Reverend George R. Whitney officiated at the double ring rites.

The bride, daughter of Mr. and Mrs. Lynn Gifford Stedman, Jr., of Balfour road, wore a silk alpaca ballerina length dress, with a matching coat.

Her short veil of imported illusion fell from a silk alpaca bow. She carried a cascade of phalaenopsis orchids, hyacinths and ivy on her prayer book.

Maid of honor Diane Carol MacDonald chose a ballerina length dress of pink chiffon, fashioned with short sleeves and an Empire waistline, outlined in brocade ribbon.

Her headpiece was a matching bow, and she carried a Colonial bouquet of pink sweetheart roses.

The bridegroom, son of Mr. and Mrs. Arthur Baubie, of Colonial road, asked the bride's brother, Lynn Gifford Stedman, III, to act as best man. Arthur Simmons ushered.

The mother of the bride chose a Navy blue wool ensemble with matching accessories and a hat fashioned of blue-shaded flowers. Her corsage was a lavender orchid.

Mrs. Baubie wore a midnight blue sheer wool dress with a deep cowl of white peau de soie. Her corsage was fashioned of white sweetheart roses.

For traveling to St. Clair Inn, the bride donned a pink petti-point wool suit, styled with a white mink collar, and matching accessories. The newlyweds are making their home in Lake Shore Village.

At a family dinner recently, Mr. and Mrs. John T. Addison, of Lakepointe avenue, announced the engagement of their daughter, MONICA AGNES, to Daniel Lawrence Anderson, son of the Lawrence J. Andersons, of Detroit.

The bride-elect attended the University of Detroit and will receive her Bachelor of Science degree in Education this June, from Eastern Michigan University.

The prospective bridegroom attended the University of Detroit and is presently completing his senior year at Wayne State University Medical School. He is affiliated with medical fraternities Nu Sigma Nu and Alpha Omega Alpha.

A June 19 wedding is planned.

pionships. Then they'll join the Wayne E. Longs, of Lothrop road, the Arthur M. Stringaris, of Stephens road, and the Howard A. Shaws, of Harbor Hill, in Aspen and Vail, Colo., for a 10-day skiing vacation.

Back In The North (Briefly)

Mr. and Mrs. Thomas T. Petzold, of Edgemont Park, have left their charming Bahama-Colonial winter home in Lost Tree Village, the scenic tropical ocean front between Palm Beach and Hobe Sound, Fla., to return to The Pointe for the wedding of their daughter, Anna Dempsey Petzold, to Elgin Clifford Norris February 13 in St. Paul's on the Lakeshore.

The E. Llywd Ecclestons, of Lincoln road, who also enjoy their winter holidays at Lost Tree, with their son-in-law and daughter, Mr. and Mrs. Raymond Biggs, will honor Miss Petzold and Mr. Norris at a dinner-dance next Wednesday at the Little Club.

Quite a few Pointers, incidentally, spend a portion of "the bitter months" in Lost Tree Village. Among regular winter guests are the Fred Feelys and the Walter Connollys.

Mid-Winter Benefit

Opening night at the Ice Capades March 2 is of particular interest to a large group of Pointers. Proceeds from this Mardi Gras benefit will help further the work of the Episcopal Church in east-side Detroit's Inner City, where financing is difficult and church existence essential.

The Reverend Richard Knight, of Christ Church, and Mrs. J. Jenness Newcomb, of Whittier road, are in charge of tickets in The Pointe area, (if enough tickets are sold, present plans call for a bus, providing transportation to and from Olympia).

Among those with VERY early reservations are Mr. and Mrs. William D. Laurie, Jr., Mrs. Ward Detwiler, Mr. and Mrs. Albert Thomas and Mr. and Mrs. Douglas Franchot.

Remember Summer?

Seems impossible that six months from today, we may all be complaining about the heat... but that's the way the seasons go, (in Michigan, at least).

At any rate, February is an especially nice month in which to remember summer. And among our most pleasant summer memories are the traditional Pointe Garden Tours, sponsored annually by the Detroit Garden Center.

Committees for this year's tours are being formed now. The gardens will be shown June 11 and 12. General chairman is Mrs. Ivor David Harris, assisted by co-chairman Mrs. Benjamin E. Young.

Others working on the project include Mrs. Benjamin W. Stockwell, Mrs. Edward Lambrecht, Mrs. George Eversman, Mrs. Ralph McElvenny, Mrs. Frank Donovan, Mrs. J. Crawford Frost, and advisory committee members Mrs. Lynn McNaughton, Mrs. Wood Williams, Mrs. Longyear Palmer and Mrs. Frederick Campbell.

Session Slated By Libri Club

The February meeting of Libri Club is scheduled at 12:30 o'clock next Monday, at the Rivard boulevard home of Mrs. Robert Healy.

Hostesses for the afternoon will be Mrs. R. Scott Daugherty, of Cleverly road, Mrs. David Gamble, of Renaud road, Mrs. R. Kenneth Arms, of Cranford lane, and Mrs. Thomas A. Garred, of Merriweather road.

Following luncheon, Mrs. Foster Braun will present a program on Human Relations.

Boy Scouts Hold Court of Honor

Boy Scout Troop No. 147 held a Court of Honor Thursday, January 28, at which four new scouts were welcomed to the troop and 10 merit badges were awarded.

Jack Case, Kurt Wilner, and Gary Prittie received their Tenderfoot badges, and Second Class Scout, Ray Phebus, was taken in as a transfer. Scoutmaster Phil Costa awarded merit badges in canoeing, rowing, swimming, and home repairs to Ken Peat; canoeing to Bob Hinson; and a merit badge in lifesaving to Mike Adams.

A Second Class award was given to Tom Baulch, while First Class awards went to Ken Peat and David Young. Den Chief Cords were presented to Phillip Costa, Bob Hinson, Brent Hudson, and Ray Phebus. Troop No. 147 meets every Thursday at Defer School.

To Marry

The engagement of MARY TALBOT WEAVER, daughter of Mrs. Henry Grady Weaver, of Cleverly road, and the late Mr. Weaver, to Hansel Dwight Wilson, Jr., son of Mr. and Mrs. Hansel Dwight Wilson, of South Oxford road, has been announced.

Miss Weaver is a graduate of the Liggett School and Mount Holyoke College, and received her master's degree from Middlebury College after a year of study in Paris. She is a provisional member of the Junior League.

Mr. Wilson was graduated from Yale University, where he was a member of Zeta Psi fraternity. He received his master's degree from Wayne State University and is a candidate for the doctorate degree from the University of Michigan in June. He is a member of Pi Sigma Alpha, political science honorary society.

He has studied in Paris at the Institut des Politiques and also in Tokyo under a Reim Foundation research grant. At present, he is a professor of political science at Wayne State University, where he is a specialist in East Asian studies.

Keep your ambition in the future tense by devoting most of your time eyeing the goal.

Elect Thompson Home Officers

Mrs. Alfred R. Glancy, Jr., of Lakeshore road, was honored by the members of the board of trustees of the Thompson Home at a luncheon at the Detroit Club following the annual meeting on Tuesday, January 26.

Mrs. Martin S. Hayden, of Merriweather road, was elected to succeed Mrs. Glancy, who had served as president for three years.

Other new officers are Mrs. George E. Cartmill, Mrs. Benjamin H. Long and Mrs. William P. Harris, Jr., vice-presidents; Miss Hope Whitten, recording secretary, assisted by Mrs. Warren S. Booth; Mrs. William D. Laurie, Jr., corresponding secretary, assisted by Mrs. G. Thomas McKean, and Mrs. M. Rivard Klippel, treasurer, with Mrs. Glancy assisting her.

Mrs. Robert E. McKean was in charge of arrangements for the luncheon.

Master one course in the school of experience and it quickly cooks up a new one.

The engagement of CHARLENE MARIE WEXSTEN to Richard Tylen has been announced by the bride-elect's parents, Mr. and Mrs. Charles M. Wexsten, of Beaconsfield avenue. Mr. Tylen is the son of Mr. and Mrs. Melvin Tylen, of Hampton road.

Mrs. Paul D. Bagwell, 1051 Devonshire, has accepted a double barreled responsibility in the 1965 Easter Seal Campaign, having been named an honorary chairman as well as chairman of some 13,000 "Paraders" who will visit Grosse Pointe homes, homes in Harper Woods and many Detroit areas during the local drive March 15 through Easter Sunday, April 18.

She was appointed by Paul J. Abele, Detroit, who for the sixth year is chairman of the drive seeking funds to carry on the program of service for the crippled at the Therapy Center of the Detroit Society for Crippled Children and Adults, Inc., 17330 Schaefer road, Detroit.

Pointers active in the Easter Seal Campaign are Arnold F. Malow, 125 Tonnancour place; William M. Perrett, 1127 Kensington; Franklin P. Williams, 44 Clairview road, and Joseph H. Dimond, 1051 Yorkshire.

Under guidance of Mrs. Bagwell, the thousands of volunteer "Paraders" will be making door-to-door visits to over 400,000 homes.

The "Parade" visits will be supplemented by the mailing of some 95,000 letters containing blue and white Easter Seals to supporters in areas not contacted.

Funds raised by contributions for the brightly colored Easter Seals are used by the Detroit Society for a program of physical and occupational therapy, medical consultation and social services, adult socialization and a summer day camp activity that cared for over 300 handicapped school children in 1964.

Abele, who is also a vice president of the Detroit Society, believes that by staging the "Parade" the home visits aid the Society in telling the Easter Seal story. He adds:

"We are a part of the National Society which is the oldest and largest voluntary agency serving the crippled in the United States, and attacking the problem of crippling with a nationwide program of direct care and treatment, research and education."

The local Easter Seal Campaign is a part of the drive conducted by 1426 state and county affiliates in the 50 states, District of Columbia and Puerto Rico.

The secret of success is probabilistical—it lies somewhere between dreaming and doing.

Violinist Zino Francescatti will be soloist with The Detroit Symphony Orchestra at 8:30 o'clock on Thursday, February 4, and Saturday, February 6, at Ford Auditorium. Paul Paray, conductor-emeritus of the Orchestra, will conduct.

Francescatti, a native of France, is considered one of the leading violinists of the day. He plays the famous "Hart" Stradivarius violin and has performed all over the world with the foremost orchestras.

Tickets at all prices are available at Ford Auditorium Box Office or at Grinnell's.

The Fourteenth District Democratic Organization is planning a dinner dance on Saturday, February 20, at the Latin Quarter, 3067 East Grand boulevard, Detroit. The party will be from 7 p.m. to 1 a.m.

Purpose of the party, according to Jack Dodge, district chairman, is to raise funds for the 1966 elections and a voter identification and registration program. Tickets are on sale at \$15 per person, half of which amount will go into the organization's treasury.

There will be no speeches or head table. There will be cocktails, dinner and dancing with music by the Fenby-Carr quintet and vocalist, Belinda Blanchard.

Illness and Injuries Help Kimball Tankers to Win

By Ric Hendee

Weakened by a week of sickness and disappointment, the Blue Devil swimmers fell to one of the state's top contenders, Royal Oak Kimball, last Friday. In gaining the 52-47 victory, the Knights pushed their own winning streak to nine and one, losing only to state champion Birmingham Seaholm.

Swimmer Mike Neil reported the Blue Devil swimmers were struggling to the pool on Friday for the meet last Friday. Mike, who for a week with a dislocated knee, was only one of the 14 tankers who complained of various ailments.

Wednesday only half the team made it to practice; the others were home nursing wire scratches, had coughs or the flu. There were over 400 students absent from school on Wednesday.

But, never-the-less, at 7:30 on Friday night, the meet with Royal Oak Kimball began. Acting as announcer, John Chase reminded everyone of the dunking the Devils took at Kimball last season. Grosse Pointe couldn't grab a single first place and the Knights almost won a perfect meet.

Devils Win Opener
With that in mind, a Devil medley relay team of Jim Shirilla '68, Dale DeMeulemeester '67, Sandy MacDonald '65 and John Rentenbach '66 splashed past Kimball for the first victory.

Then Kimball hit back, in their strong spot, the distance. Knight tanker Mike Schoenhals destroyed the pool record in the 200-yard freestyle with a clocking of 1:59. Another Kimball boy snatched second place, giving Royal Oak a slam in the event.

Devil hopes flared at the finish of the next race, the 60-yard freestyle, as Craig Jever '65 and Kimball's John Johnson, rated second in the state, finished in a dead heat. But the referee gave Johnson the victory and Royal Oak's lead increased.

Next Adrian Van Ons of Kimball posted a 1:41.9 in the 100-yard individual medley to shut

down Grosse Pointe's Tom Mertz '68. Van Ons kept up his reputation of Michigan's fastest 100 swimmer by snatching the pool mark in his specialty.

Devil Divers Win
Blue Devil divers Mark Gibson '68 and Dick Green '65 put Grosse Pointe back in the meet with a slam in the diving.

Then Van Ons scored another first, this time out-reaching Sandy MacDonald '65 for the points in the 100-yard butterfly. Ironically Sandy set a new Varsity record of 57.2 in losing the race.

Once again the Devils came back. Tom Mertz snatched a win from Roy McCarty, a Kimball contender, in the 100-yard freestyle and Ric Hendee '65 rambled in for the third. Kimball's lead was shattered; it was a tied meet.

The backstroke put Grosse Pointe back on the heavy side of the score board as Jim Shirilla slashed by with a victory.

But then the roof caved in as Kimball called on its distance men for a top-sided slam.

And whatever glimmer of hope still shone on the Grosse Pointe bench was quickly extinguished by Johnson of Kimball in the next event, the breaststroke, as he joined a teammate in slamming it.

The meet was Kimball's; nothing could bring that back. But the Devils still dominated the water in the last event, the freestyle relay.

Then the squad joined in a "Yeah Kimball" cheer, omitting their popular "Boom-chic-a-boom" victory song, and everyone went back to "getting better."

The Devil notators will meet Fordson on Friday at 4 p.m.

Lakers Defeat St. Catherine

By Jim Brunson

In a basketball game which took place on the Laker home court last Friday, the Lakers of St. Paul overwhelmed St. Catherine.

The St. Catherine five were unable to find a weak spot in the Laker defense. They trailed by scores of 9-8, 29-12, and 42-18 during the first three periods. The final score was 59-23.

The Lakers are in a second place tie with St. Thomas who upset the first place Florin Lakers two weeks ago. St. Paul will play an away game against St. Ladislus this Friday, February 5.

Knights' Streak Finally Stopped

The six-game GPUS winning streak was terminated Saturday by the Ann Arbor University School cagers.

In winning the 79-68 victory, the Ann Arbor five grabbed an 11-point lead during the first quarter and held it for the rest of the game. At one spot, GPUS trailed by 18, but the habitually-winning Knights only allowed an 11 point separation at the final whistle.

On Friday night GPUS destroyed Emmanuel Christian 97-74 for their sixth victory in a row. Once again Harris Brown led the Knights in scoring with fine defensive play by Wally Gamber and good court work by Chuck Wright.

Pros to Teach Golf Classes

Men and women anxious to see "how the pro's do it" will have just such an opportunity by enrolling in the golf classes sponsored by the Department of Community Services, Grosse Pointe Public School System.

Two former Michigan PGA champions will instruct golf classes in the Grosse Pointe High School Field Room. Classes will meet Monday, Tuesday, Wednesday or Thursday evenings, 7:30 to 9:30, for six weeks.

Ben Lula, Michigan PGA Champ (1962) is currently a golf pro at Hillcrest Country Club. The second instructor, Ron Fox, Michigan PGA Champ (1960) is the owner of a private golf school in Detroit.

Registration for any of the four classes must be made immediately by calling the Department of Community Services at TU 5-3808 or TU 5-0271. All prospective students must register previous to the class in which they wish to attend.

Hold Career Day At St. Paul High

Saint Paul High School's Career Day begins at 12:30 p.m. today, February 4, with an opening address by Judge Neil Fitzgerald.

Following the address, students at the high school will be allowed to attend two sessions of their own choice from among twelve different conferences pertaining to job opportunities for both the college-bound and the non college-bound student.

Areas of interest run the gamut from nursing and medicine through electronics to business institutes and schools of design.

Among the speakers will be Doctor Richard C. Connelly, head of education at Bon Secours Hospital and Sister John Philip, also of the hospital. Miss Ann Coble will represent Michigan Bell Telephone.

The aims of the day were set forth by Sister Ann Judith, principal of Saint Paul High School, who said: "Career Day is planned to provide students with information that will help them to decide upon a satisfying career, either professionally or in non-professional areas."

Central Michigan University's 1963-64 basketball team set a school record for wins in a season by posting an 18-6 record.

Jose Greco Here On February 5

Jose Greco and his fiery company of Spanish dancers, singers and musicians will once more grace the stage of Detroit's Masonic Auditorium when they arrive for a single performance on Friday, February 5.

The current American tour comes on the heels of successful engagements in South Africa, which was preceded by a stint in Hollywood, where Sr. Greco appeared in Stanley Kramer's motion picture, "Ships of Fools," in which, logically enough, he plays the leader of a Flamenco troupe, co-starring with Vivien Leigh, Simone Signoret, Jose Ferrer, Lee Marvin and Charles Korvin.

This year's program will consist exclusively of Flamenco and Gypsy dances, a radical departure from past presentations in which Greco always offset these tempestuous numbers with more sedate regional and classical Spanish ballets. This newest undertaking, Greco avers, is in response to the popular demand of audiences throughout North America.

"I think that deep down inside," Greco confides, "my American audiences have always associated the Spanish dance with the torrid, foot-stamping, passionate displays that come to the fore in our traditional finale, 'El Rincón Flamenco.'"

"One reviewer called it a Flamenco Jam-session, an interesting description. At any rate," he continues, "more and more people have been writing us and coming backstage to ask why we weren't devoting more of our program to Flamenco and Gypsy numbers. This year's program is the result."

Tickets for the current presentation may be obtained at Masonic Auditorium or at Grinnell's downtown.

Charm Bracelet Reported Stolen

A valuable gold charm bracelet was stolen from a locker at the Grosse Pointe High School, according to information given to Farms police on Friday, January 15.

Mrs. Dwight Struthers of 2072 Lochmoor boulevard, called police and disclosed that her daughter, Jeanne, 17, a student at the High School, had put the bracelet, valued at \$445, in her locker, at 3:30 p.m. on Wednesday, January 13. An hour later, Jeanne found the bracelet gone. Also stolen was a one dollar bill, the girl said.

The bracelet was described as being a chain-type, of 18 carat rose gold, and with 15 charms attached.

The theft is being investigated by Det. Sgt. George Van Tiem.

Cinema League To Show Film

The Grosse Pointe Cinema League will show the official N.A.S.A. story "Friendship Seven" at its meeting on Thursday, February 11, at 8 o'clock in the Fries Auditorium at Grosse Pointe War Memorial Center. This film is one of sheer drama covering the John Glenn orbital flight. It has never been seen on television and we believe it has not been seen generally in this area.

This fine 16 mm. film, in gorgeous color, accompanied by a sound track of very fine music plus a running narration, tells of the months of preparation necessary to get an astronaut and capsule ready for take-off. It shows the lift-off from the pad at Cape Kennedy and the dramatic recovery of the capsule and John Glenn from the Atlantic Ocean. The action is fast moving, and of interest to children from 10 to 75.

This showing is a replacement for the previously scheduled "Around the World in 101 Days" by Elynor Humber which had to be cancelled because of unforeseen difficulties.

The Grosse Pointe Cinema League, sponsored by the Grosse Pointe War Memorial Center, is a group of amateur 8- and 16 mm. movie makers that are banded together to enjoy good movies and mutual helpfulness. It extends an invitation to anyone who would like to learn how to take better pictures and enjoy the company of other enthusiasts. There are photographers who are not photographers, but enjoy being on the active list because they like to see such fine and unusual films gleaned from all parts of the globe by non-professionals.

The general public is invited to the Fries Auditorium, February 11 at 8 p.m. No admission charge.

Groups Joined For Youth Week

Community church youth groups joined hands for the first time in this year's observance of National Youth Week, January 31 through February 6. High school students are invited to participate.

Theme of Youth Week nationally and locally is "Songs for a Small Planet."

Kickoff of the week's daily meetings was staged Sunday at 7 p.m. in the Grosse Pointe Methodist church on Moross road near Kercheval.

Monday through Friday, Grosse Pointe Memorial Church, next to the War Memorial Center, will host pre-school breakfast discussions starting at 7:15 o'clock.

Two speakers each day from different fields of science and business will lead informal discussions. Complimentary breakfast will be served each day during the 40-minute sessions, ending at 7:55, allowing time for students to get to school.

Conclusion of the week's activities will start with a 10 a.m. session at the Grosse Pointe Congregational Church, 240 Chalfonte, next to Brownell Jr. High. Highlights of the week's discussions will be reviewed at this final meeting, ending at noon.

All senior high school students are welcome and there is no charge for any of the meetings.

Park Garden Club to Meet

Members of the Grosse Pointe Park Garden Club will gather at the Detroit Athletic Club for luncheon next Monday. Mrs. Joseph V. Carr, of Cadieux road, will be hostess.

The program includes a short business session, followed by Wayne County Agent Edgar Kidd's talk on "Horticultural Research in Michigan."

1st TIME OFFERED

THIS COULD BE the only time this house is advertised, as we believe we have it so realistically priced that a sold sign will be up by the weekend. The attractive colonial exterior beckons you inside where you will find a spacious family room, library, living and separate dining room. Upstairs you'll be delighted to see that there are three full baths for the four bedrooms. Priced at a mere \$52,500.

A CUSTOM RANCH home located in an area where many houses sell for far more than the \$49,000 tag we have placed on it. Three double-sized bedrooms serviced by two full baths and a lavatory. There is a paneled den plus a family room. The basement is so commodious it accommodates a thirty foot long recreation room with a wet bar. There is also a shop area, store rooms, and laundry. Situated on a 100 foot lot, which is attended by an underground sprinkler system.

JUST A SHORT block out of the Pointe on Outer Drive, sits this three-bedroom house with a large tile bath with tub and stall shower. There is a first floor lavatory, eating space in the kitchen, and separate dining room. The home is all brick, and has a fenced yard and two-car garage.

BY APPOINTMENT

WHAT HAVE YOU been waiting for? Afraid you might just fall in love with this enchanting colonial, which snugles comfortably in the embrace of mature bushes and trees? Inside, this charmer is full of pleasant surprises... such as... a step down living room which is completely paneled except for a wall of glass which looks out on the swimming pool and playhouse. On the grade level is the dining room, a paneled library and the kitchen area. The master suite is on a third level, again with large windows looking over the pool area. A few steps more and you'll find four more bedrooms and three baths. As we said, "What are you waiting for?"

MOVING OUT next week and ready for you to move in. Move in on this opportunity to make a good buy of this sensibly planned story-and-a-half design on O'Mara Court. Two bedrooms on the first floor, and two more up, is what so many families have found to be the ideal plan. The kitchen family center are combined in one tremendous room. There is also a formal living room for entertaining. Offered at \$44,500.

TOWN HOUSE living in the heart of Grosse Pointe is yours if you owned this terrace on Rivard Boulevard. Center hall plan affords a separate dining room and library off the living room. Three bedrooms and two baths on the second floor and a bath on the third. Less than thirty thousand... and just 20c on a dollar down.

Headlines of the Week

(Continued from Page 1)
Churchill had lain in state since Wednesday in Westminster Hall, where 321,360 persons had filed past his coffin.

FEDERAL OFFICIALS were being pressed today to reorganize and reopen a San Francisco bank that failed last week with \$3 million of LAW funds on deposit. U. S. Comptroller of Currency James J. Saxon closed the San Francisco National Bank because it was insolvent. UAW Secretary-Treasurer Emil Mazey said the UAW is currently studying ways and means of protecting its \$3 million investment. It is only sure of getting \$10,000 back, according to officials of the Federal Deposit Insurance Corp.</

The Week

The Grosse Pointe Rose Society will be conducted with the membership seated in groups of four or five and almost literally everybody will talk at once.

The subjects for conversation are chosen, and the rules established. No lectures will be heard this night, but a lot will be learned about people and about roses. Dean Woodburn O. Ross is the vice president in charge of programs, and promises activity, variety and new rose knowledge for all programs during the coming year.

Other officers for the 1964-65 year include second vice president, Sherman A. Willson; third vice-president, Mrs. John V. Cech; recording secretary, Esther Roettinger; treasurer, Taylor Seebert; and corresponding secretary, Mrs. Donald G. Ross.

Directors serving two year terms are Mrs. W. S. Jewell, Mrs. Lindie R. Martin and Howard Poe. Elmore Frank, George Moister and Forrest Geary are serving directors for one year.

Committee chairmen for the year are Mrs. Joseph Quasano, garden tours; Mrs. Ralph Glahn, best rose garden; Mrs. Elmore Frank, Jacobson's rose exhibit; Paul Kolvoord, proof of the pudding; and Andrew Larkins, constitutional revisions.

The U. S. Coast Guard maintains long range aids to navigation stations throughout the world, providing trans-oceanic ships and aircraft with navigational checkpoints.

On February 10, the meeting will be conducted with the membership seated in groups of four or five and almost literally everybody will talk at once.

Durant Retains District Control

Richard Durant retained control of the Republicans in the 14th Congressional District when delegates at the January 28th district convention elected his candidate, Stanley J. Baldwin, chairman of the convention in a 124-52 vote.

A special investigating committee, appointed by Republican State Chairman Arthur G. Elliott, Jr., has scheduled a hearing in Lansing for Saturday, February 6, to investigate complaints by anti-Durant forces that he, Durant, was illegally re-elected chairman of the 14th District Republicans at a district convention last September.

Baldwin defeated the moderates' candidate, William Knapp, for the post of chairman. Although Baldwin's slate of delegates and alternates were named to attend the state Republican convention in Lansing February 19-20, several of Knapp's slate, by tradition, were also named. Knapp, himself was named an alternate.

Baldwin, who is in charge of buildings and grounds in the Detroit Public Works Department, served as the 14th District chairman for 1950-1962. He has been a delegate to the National GOP convention three times.

Zoar Society Plans Luncheon

The Zoar Society is sponsoring a benefit luncheon and card party to be held on Monday, February 8 at 12 noon in the Social Hall of St. John's Church, Russell and Gratiot.

Miss Edna Hack is chairman of the arrangements committee. Assisting on the committee are the following members from this area: Mrs. Howard Gould, Miss Gertrude Schwarz, Mrs. Fred Schlorff, Mrs. A. G. Sherwin and Mrs. R. F. Winkler. In charge of reservations is Mrs. Frederick Peppers (BR 3-8547).

Proceeds from this party will aid in the support of the Evangelical Home for Children and Aged, 6700 West Outer Drive.

Woods Boaters Install Officers

The Grosse Pointe Woods Boat Club recently installed its Commodore for 1965, Larry Sullivan, who took over leadership of the club from Chet Garbacz.

Earl Kern is the Vice Commodore, and Carolyn Sullivan will handle the duties of secretary. Doug Wilson continues as treasurer.

The Board of Directors includes Richard Langs, Sally Scholl, Marshall VanAssche and Roy VanAssche.

Among activities the Club is planning this year are wieners roasts, an ice cream social, a steak roast, a pancake breakfast and Coast Guard boat inspection. Sunday and Wednesday sailboat races, a predicted log race and a dress parade.

All boat owners residing in Grosse Pointe Woods are eligible for membership. More information can be obtained by calling Sally Scholl at TU 6-2807. She is also taking reservations for the Ice-Skating Party, to be held at 2 o'clock February 7 at the Lakefront Park.

Dem Women Meet Feb. 10

Edward J. Pongracz, president of the Grosse Pointe Board of Education, will be guest speaker Wednesday, February 10, at a meeting of the Grosse Pointe Democratic Women's Discussion Group.

He will discuss the bond issue to build a second Grosse Pointe high school and the special election for same scheduled March 22. The Wednesday meeting will be from 9:15 to 11:15 o'clock at the home of Mrs. Caroline Marston, in Middlesex boulevard.

Mrs. Helen Graves will be discussion leader following the talk by Mr. Pongracz.

At the February 17 meeting of the women's group, James B. Conant's book "Shaping Educational Policy" will be reviewed by Mrs. Winifred Bolton, Mrs. Virginia Sargent and Mrs. Jean Zytewick.

These weekly meetings are open to women in Grosse Pointe and the east side of Detroit.

Good Literature Board Reports

The Executive Board of the Grosse Pointe Council of Better Literature for Youth met during January at the home of Mrs. Carl Nolte in Clairview road.

A noteworthy accomplishment in the struggle between good literature and pornographic reading material was announced by Mrs. Jacob Wenzel, a founder of the Grosse Pointe Council, and now, also active in the Detroit Metropolitan Council.

Reading racks for teens and young adults, containing paperback books which have been reviewed and selected by a board of librarians from the Detroit and suburban area public libraries, have been installed at many stores and the Metropolitan Airport. The Detroit distributor of the paper back books says the books are going "great guns".

A guest at the last meeting was Mrs. Reginald Murphy, a former Grosse Pointe board member, who now resides in Westchester County, New York and who is now active in encouraging better literature in that area.

This review board has compiled a list of 500 recommended titles, including the best of the classics, fiction, science, biography, mystery, and adventure stories.

Parents are urged to scan one of these racks and encourage local drugstore or news stand owners to install them.

A senate subcommittee investigation into publication and distribution of pornographic reading matter revealed that some 70 million such magazines and books are finding their way into the hands of young people each month.

Needed is the help of every individual, every organization, and every church group to promote these new reading racks for teens and young adults.

The next meeting of the Grosse Pointe Council will be held February 12 at the home of Mrs. Jacob Wenzel, 295 Cloverly, at 12:30. Any Pointers, men or women, interested in hearing more of the Council's work, will be welcome at the meeting.

When the University of Detroit opened in September, 1877, the 84 students were taught by four Jesuit teachers. Today, the University of Detroit's 14,000 students are taught by more than 650 lay faculty members and fifty Jesuit teachers.

The 1964 County, School and Drain Tax may be paid on or before February 14, 1965 without penalty or interest. Payments on and after February 15, 1965 will be subject to a 4% penalty.

The City Treasurer acts as collection agent for the County and the School District, and the above time limits are fixed by State Statutes and are not subject to change by the City or the undersigned.

Just back . . . from a fabulous three-month trip 'round the world are the Melvin S. Huffakers, of Middlesex boulevard, whose perambulations began on the West African coast. In Ghana they attended the Marine Birthday Ball at the United States Embassy, (organized and presided over by the five U.S. marines permanently stationed there), then flew to Johannesburg, South Africa, to pick up a car and driver and set out on a 3,000-mile, 11-day trip through parks and game preserves, (overnight accommodations included Zulu huts). They drove the South African Garden Route from Durban to Capetown, visited the Kimberley diamond mines, donned heavy boots and miners' hats and plunged into the gold mines at Vixon, 100 miles east of Johannesburg. From Nairobi, Kenya, they set out on a four-day camera safari, stopping overnight at Hilltop, to watch animals graze peacefully at the foot of the treehouse where Elizabeth II learned she had become Queen of England, and at the famous Safari Club . . .

Mr. and Mrs. Huffaker toured Cairo, saw Bethlehem in Jordan, journeyed through Israel, traveled from Jericho to Beirut . . .

They spent Christmas in Bangkok, New Year's in Bali, went to Hong Kong "for shopping," covered Japan by car and train, "rejuvenated" in Hawaii and flew home — but not, as might be expected, to just relax and catch up on sleep during the next month or two: Last Sunday, the indefatigable Huffakers took off again, for Otsego, determined to get in some skiing while the slopes are at their best . . .

Hostesses are to include Mrs. Bernard Whitley, Mrs. D. D. Robertson and Mrs. Kenneth M. Reichle. Mrs. Hansel D. Wilson is program chairman. The AFS students will discuss their experiences as exchange students at GPHS and Douglas Saunders, a student at Michigan State University, will give a short talk and show pictures of his life as an IFYE student on a farm in Switzerland. In a turn-about-is-fair-play spirit, GPHS student James Stoetzer will discuss his experiences as an exchange student in Finland. AFS students attending the meeting are in include Kurt Vanwart, Switzerland; Brigitte Sack, Germany; Nills Gustafson, Sweden; and Marie Garetson, Chile. They will be accompanied by Mrs. Eleanor Watts.

As the Spanish proverb says, "He who would bring home the wealth of the Indies must carry the wealth of the Indies with him." So it is in travelling: A man must carry knowledge with him, if he would bring home knowledge.

BEN MILLER, GROSSE POINTE MAIL CARRIER

By Janet Mueller

Almost one year ago today—on February 13, 1964, to be exact—Ben Miller's picture appeared on the first page of the NEWS' second section. He was "snapped" as he delivered mail, (responses to invitations for a champagne preview of the Flower and Garden Show at the Michigan State Fair Coliseum, first fund-raising effort on behalf of the now-operational Northeastern Wayne County Child Guidance Clinic), to Mrs. Alfred R. Glancy, Jr.

Last week, after 40 years with the Post Office, 25 years on The Pointe's Lakeshore "Gold Coast" route, Ben Miller retired.

He plans to enjoy his retirement, intends to take care of his back, (it's been hurting him a bit recently—painful, but nothing to worry about really . . . one of the occupational hazards of mail carriers who spend a good portion of their days lifting heavy sacks of letters, magazines and packages), wants to spend more time traveling.

Will Miss Pointe

But he will miss working in The Pointe. "It's remarkable how many wonderful people can live in a small area," he says.

Mr. Miller joined the Post Office Department in 1925. One of his earliest routes was in Indian Village; many of the families to whom he delivered mail in Indian Village later moved to The Pointe, where once again they discovered Ben Miller making his rounds.

He took over the "mounted" route along Lakeshore on May 1, 1940. It was the biggest Pointe route in area, yet small in population. Large estates still dominated the lakefront, and "there were no subdivisions to speak of."

Mr. Miller had to provide his own car for the job, (a "mounted" Post Office route implies transportation other than foot—not necessarily by horse).

Eventually, the Post Office Department provided Ben with a mail truck. Today, to service new streets carved from former estates, there are many foot routes in the area Mr. Miller once covered alone, by car.

Misses Old Estates

Ben Miller was sorry to see the estates break up into subdivisions. He liked driving into their beautiful grounds, mentioning the Truman Newberry property — "In summertime, it was like going into a park" — and the John J. O'Brien home at the end of Kercheval avenue.

He grew to know and like the staffs and the families at the Big Houses. He describes Mrs. Henry B. Joy as "the most gracious woman I have ever met," recalls a certain lady of a certain house who used to hop on the running board of his Plymouth for a quick trip down to her garage, mentions the politeness of the children on his route.

He especially enjoyed delivering mail at the Convent of the Sacred Heart — even when that mail included heavy cartons of textbooks that had to be lugged from his truck into the Convent foyer.

When he and Muriel ("Dot") Miller were re-married in St. Ambrose Church, the Sacred Heart nuns entertained them at a wedding breakfast after the ceremony.

Great Dog Lover

"People" are his first love, but "dogs" run second in Ben Miller's estimation.

"I've always liked dogs," he explains, "and I'm not afraid of them." Playing pinocchio one evening at a friend's house, Ben noticed that his friend kept a box of dog candy for his own pet. The dog went wild every time he was offered a treat.

Ben began to carry a supply of the candy in his mail truck. Whenever he saw a dog, he reached down and offered the animal a "yummys."

The dogs began to wait for the mailman. Ben remembers

one animal in particular, a clever little fellow who would wait for the mail truck, stand patiently in front of his own home to collect his treat, then run to the next street as soon as the truck started up, to stand in front of another house and receive another goody.

"I don't know whether he thought I thought he was another dog or not!" Mr. Miller laughs.

His favorite dog story, however, has nothing to do with "yummys." It happened during his early years in The Pointe.

Meets Canine Visitors

He had left his car to deliver mail at Mrs. Roy D. Chapin's home in Lakeshore road, (the mansion now belongs to Henry Ford, II). Mrs. Chapin's daughter, Mrs. William Hutton, was visiting her mother and had brought two dogs, a big and a little schnauzer, to The Pointe.

Ben Miller knew just about every dog on his route. But he did not know Mrs. Hutton's dogs . . . as a matter of fact, he had no idea that Mrs. Hutton had brought dogs along on her visit home.

He came out of the Chapin house to find the smaller dog sitting in his car, directly behind the steering wheel, the larger dog at ease in the passenger seat.

Now, Ben Miller's fondness for dogs is tempered by intelligence; he does not make indiscriminate friendly overtures to strange animals. He has a healthy respect for the canine temper.

For several minutes, he tried from a distance to shoo the dogs away. The dogs refused to budge. He tried to coax them out. The animals just sat there.

Finally, he was forced to return to the Chapin home and seek the butler's assistance; together, the two men managed to get the dogs out of the car, and Ben continued on his route.

Wouldn't Use Repellent

Final proof of Mr. Miller's liking for dogs is the fact that he declined to carry an animal repellent recently issued to all mail carriers. "I would NEVER do that to a dog!" he exclaims.

Animals, like the John Caulkins' Irish setter "Molly," pictured above, responded to Ben Miller's affectionate trust.

Through the years, the Lakeshore postman has seen his mail volume wax and wane as party invitations are issued and accepted, charity drives are begun and brought to a successful conclusion.

The Northeastern Wayne County Child Guidance Clinic project was his most recent fund-raising drive. The first drive he can recall took place in the early 1940's, before the United States entered World War II.

Many of the domestics in the Lakeshore estates were British, anxious to help England in the fight against Nazi Germany. Many families who lived in the Lakeshore mansions sympathized with the British cause.

Married 45 Years

Dot and Ben Miller have been married 45 years. "We married when we were kids, and

I've never regretted a minute of it!" Mr. Miller says proudly. They enjoy doing things together. Now that Mr. Miller is retired, they have certain definite plans.

They intend to move from the pleasant third floor apartment in Eastlawn, Detroit, where they have lived for 29 years. They still like their home, (the large bright rooms and excellent location would make many young marrieds drool with envy), but they would prefer either a first-floor location or an apartment in a building with an elevator.

They have travel plans. In past vacation times, they toured extensively in the Western States, but their first love is Mexico.

They began going to Mexico 14 years ago, when a New Orleans vacation proved disappointing. On a New Orleans Night Club Tour (which they found interesting, but a little dull), they met a young couple who had just returned from Mexico City.

Mr. and Mrs. Miller listened to their new acquaintances rave about Mexico City—and decided to go there! They went back to their motel, packed and drove off South of the Border, where they promptly fell in love with the country. They return to Mexico year after year.

The Millers correspond with several people they met at different times in Mexico, often planning rendezvous at Guadalajara or Taxco with these "old friends."

Have Covered Country

They have just about covered Mexico completely by car. (Mr. Miller is an excellent driver; one of his proudest possessions is a Safe Driver Award pin issued by the National Safety Council, attesting to his 17 years at the wheel without a chargeable accident), have picked up a "smattering" of Spanish, ("Just enough to get along," Mrs. Miller explains), and have never had any trouble with accommodations, water or bandits.

They have only one piece of advice for Yankees planning their first visit to Mexico: "Always ask 'Quanto?' — how much?"

Despite their fondness for Mexico, they do not intend to move there—or anywhere else. They will stay in the Detroit area, taking trips to Florida, Mexico, the Southwestern United States, always returning "home."

Part of "home" for Ben Miller, is his Lakeshore route. He has retired from it, but he will not forget it.

"It was interesting work, never monotonous, never boring. I always like to go out and shop along Kercheval, because it is so pleasant. The people are wonderful; there is nothing like The Pointe . . ."

Youth Admits Being Thief

A 16-year-old boy, who confessed that he steals anything that is not "nailed down," surrendered to Farms police on Monday, January 25, and was charged with larceny. He will appear at the next session of the Juvenile Court for a hearing.

Police were alerted by a witness emerging out of a house in the 300 block of Cloverly, who disclosed that he saw a boy stealing gas from his car in the side driveway of the house.

The boy ran from the scene, leaving his car, a 1959 Oldsmobile sedan, at the curb at Cloverly and Beaupre. In the car were four teenage girls, the youngest 13 years old, none of whom knew what the youth was up to, according to information given to police.

One of the girls had been out with the boy on a previous occasion. The boy was using a fictitious name, it was said.

Later in the day, the young man walked into the police station to give himself up. He said that he knew police would discover his identity when they checked the license plate of his car, which he saw officers drive away.

The youth said that he had been in trouble with the law before, for writing bad checks, assault and stealing anything that was not "nailed down."

An arrest card was made out against him, and charges filed with Juvenile authorities, and he was released to his father.

The four girls were released to their parents without charge.
