FOLLOWING YESTERDAY'S announcement that a U.S. Army building in Qui Nhon had been blown up by Communist Viet Cong terrorists, President Johnson held an emergency meeting of the National Security Council. There were indications that more retaliatory raids would be staged on North Vietnam, because of the bombing of the American barracks. At least three Americans were killed, 17 injured and 20 missing in the explosion in Qui Nhon which is about 207 miles northeast of Saigon.

SOURCES CLOSE to Chrysler said yesterday that the corporation is expected to announce in the near future the construction of a new assembly plant in the Detroit area. It is estimated that it will cost more than \$35 million. The plant will be used to produce Dodge trucks and when in full production may employ as many as 6,000 workers. The plant would be the third new facility built in the area as part of Chrysler's current four-year, \$1 billion expansion and modernization program.

SOVIET PREMIER Alexei Kosygin flew Wednesday to Peking from Hanoi after promising military aid for North Vietnam. He held talks with Chinese Premier Chou En Lai but no details of the meetings were disclosed. Kosygin is due to leave this morning for North Korea before returning to Moscow.

Friday, February 12
FOLLOWING THE PATTERN set earlier by Ford and General Motors corporations, Chrysler reported yesterday that 1964 was the most successful year in its history. Its officers announced net earnings of \$213.7 million or \$5.46 a share on sales of \$4.2 billion. This was compared to earnings of \$161.5 million, or \$4.19 a share on sales of \$3.5 billion in 1963. In order to gain capital for future expansion, the corporation will offer its shareholders the rights to purchase one additional common share for each of seven shares held.

IN QUICK REPRISAL for "continued acts of aggression by Communist Viet Cong under the direction and with the support of the Hanoi regime," more than 160 U.S. and South Vietnamese fighter planes struck Thursday at military installations in North Vietnam. It was the biggest air attack of the war. An American military spokesman said that barracks and supply depots in two coastal areas were hit and that three Navy aircraft were missing as a result of the raids.

A FEDERAL ORDER handed down yesterday will send New York's 25,000 striking longshoremen back to work. The order was issued at the request of the National Labor Relations Board which accused the Longshoremen of unfair labor practices. Although the New York dockworkers have signed a new contract, longshoremen in Miami and Galveston, Tex. have not signed and tradition has it that no locals return to work until all have signed. The Federal judge handing down the back to work order has set February 16 for a hearing for the Longshoremen to show cause why a temporary injunction forbidding extending the strike should not be handed down.

Saturday, February 13
UNITED NATIONS Secretary General U Thant yesterday asked the parties involved in the Vietnam struggle to move "from the field of battle to the conference table." He appealed to them to refrain from any new acts which could widen the conflict. He said the negotiations could be carried on either within or outside the United Nations. There would be difficulties, however, if they were done within the framework of the UN since neither Communist China nor the divided states of North and South Vietnam are members of the organization.

College Study Committee Members Briefed

Pictured during a recent briefing session of Grosse Pointe's representatives on the Wayne County Community College Citizens' Participatory Study Committee are (left to right) EDWARD J. PONGRACZ, president of the Grosse Pointe Board of Education, MAREHALL V. NOECKER, JOHN ROSS, MRS. MINERT THOMPSON, R. R. LINDEN, and DR. ROBERT HANSON, guidance coordinator at Grosse Pointe High School.

Dr. Hanson and Mr. Pongracz assisted the recently-appointed Committee members to gain a full understanding of their responsibilities. The four local residents, named to their posts by the Board of Education, attended the first meeting of the 184-member, county-wide organization, at Schoolcraft College recently.

Park Primary Field Topped By Appointee

William H. Kessler Polls Most Votes as 11 Seek Council Nominations; Only 2,065 Ballot

An appointee to the Park council, seeking a council seat in his own right, led the field in the number of votes received at the Monday, February 15, primary election. A total of 2,065 voters, out of approximately 9,000, went to the polls.

William H. Kessler, who was appointed to fill a vacancy on the council last July 27, received 882 votes. He was trailed by incumbents, Charles F. Ives, (Continued on Page 2)

Six in Council Race in Woods

Six residents have filed for the City Council race in the Woods which will be held Monday, April 5.

Beating the 5 o'clock filing deadline on Monday, February 15, were two incumbents, Marvin R. Boutin and Lathrop R. Morse. Councilman Frederick M. Maddock whose terms expires this year is not running for re-election.

Others who filed for councilman seats include: William F. Huettner, Robert Dean Wandschneider, Edmund W. Trapp and Mrs. Joanne C. Hendricks.

Minister Has Close Call Battling Basement Blaze

The assistant minister of the Grosse Pointe Baptist Church, was rescued from his burning home in a semi-conscious state on Sunday, February 14. He had been partially overcome by smoke.

Taken to St. John Hospital for treatment of smoke inhalation, was the Rev. David Agnor, 33, of 2064 Hawthorne road. He inhaled the smoke while battling a fire in the basement of the house.

The fire, believed to have been caused by combustion of materials that were too close to the furnace, damaged the entire ceiling of the basement. Smoke damage throughout the house was extensive, according to Director of Public Safety Allen Andrew, Jr., and Capt. Donald Coats.

Farms Council Seeking Legal Means to Retain Disposal Authority Agent

Ledyard Mitchell, Chairman of Organization, May Have to Quit After April 5 Election; Lack of Official City Connection Cited

The Farms city council has approved a resolution authorizing City Attorney George McKean to check the legality of retaining Councilman Ledyard Mitchell in some city post to keep him as the Farms' representative on the Grosse Pointe-Clinton Refuse Disposal Authority.

The council, at its regular meeting held on Monday, February 15, was of the unanimous opinion that Mitchell, who recently was elected to a second term as chairman of the Authority's Board of Directors, is doing an outstanding job, and that his removal would be a blow to the Farms and the Authority.

The councilman is not seeking re-election to office at the April 5 election, and under the By-Laws of the Grosse Pointe-Clinton Refuse Disposal Authority, anyone not having any official connection with a member-community cannot serve as a representative of the community.

Safe Until Election
Mitchell's post on the Authority is safe until the election, after which he must quit because he would no longer have any official connection with the Farms city government. However, if he still serves the Farms in some official capacity, he might be able to remain with the Authority.

Mitchell's guiding hand has done much to make the Authority what it is today. The organization came into being with the signing of Articles of

Woods Appoints New Comptroller

The Woods City Council has announced the appointment of a new City Comptroller. He is Frederick G. Hornfisher, currently finance director and treasurer of the City of Inkster. He will assume his duties on March 1.

The Woods has been without a comptroller since Russell Manney resigned the post to become city manager of Harper Woods last fall.

A graduate of Pershing High School in Detroit and the Walsh Institute of Accounting, Hornfisher has been with the City of Inkster since 1962. Before that, he was accountant and office manager for the Redford Iron Works, in Pontiac. He joined the Redford company in 1957.

Hornfisher is a former resident of Grosse Pointe Woods and is a brother of Mrs. Gerald Schroeder, wife of a Grosse Pointe Shores' trustee. The new comptroller, his wife and teenage daughter presently live in Birmingham but plan to move to the Woods in the near future. Hornfisher was chosen from a field of 19 applicants by members of the selection committee of the Woods city council. The committee is chaired by Lathrop Morse with Marvin R. Boutin and Thomas E. Leah serving as members.

G. P. Woods To Publish 4 Ordinances

Council Also Authorizes City Manager to Proceed With Tree Planting Program

At its regular meeting Monday night, February 15, the Woods City council authorized the publishing by title of four ordinances.

Two of the ordinances involve the adoption of national codes, a 1962 Electrical Code and a 1960 Fire Prevention Code. The council turned down a proposal to include in the Fire Prevention code a provision which would have prohibited any outside burning, such as leaves, within the corporate city limits.

Amendments to the Plumbing Code, Ordinance No. 180 and Ordinance No. 86, which concerns the violations bureau, are included in the publication. The latter amendment would simply set forth in the ordinance the rules for issuing certain traffic violations which are already being observed.

To Plant More Trees
The Council also authorized City Manager, Chester E. Peterson, to continue with the city's tree planting program which was begun last fall. Under the program residents purchase trees of their choice for \$20 and the city takes care of their planting and staking.

It is the aim of the Woods to have a tree between the sidewalk and curb on every lot in the city. They will replace the many trees lost through the Dutch Elm disease and building construction.

Pleas to Legislature
Resolutions were passed by the Council to ask the State Legislature to pass a law banning the use of trailers in tandem to haul volatile liquids and to amend the State Constitution in order that the Governor may fill any vacancies occurring in any office in State Government until the next regularly scheduled elections. This is designed to eliminate the special elections which are necessary to fill the vacancies as they occur now.

In other action, the Council issued licenses to three parking lots for 1965 and gave permission to the Salvation Army to sell the Eastern War Cry on April 10. The American Cancer Society's request was also granted to solicit on April 27 and permission was given to the Grosse Pointe University School to hold its annual carnival on June 4 and 5.

Pointe Fire Loss Shows Decrease During Past Year

Total Damage of \$253,037 Is Considerably Less Than In 1963; City Tops Other Pointes For Second Consecutive Year

The total fire loss in the Pointe during 1964 is considerably lower than in 1963, with the City suffering the greatest loss for the second consecutive year, according to reports released by the Pointe fire chiefs on Monday, February 15.

The reports showed a total loss of property by fire at \$253,037, as compared to \$434,217 in 1963. The figures include losses to buildings, contents, cars and miscellaneous fires.

The City's loss in 1964 amounted to a total of \$112,583.73, whereas, in 1963, the loss was \$122,828.60.

The 1964 statistics showed that the Farms' loss amounted to \$47,376; Woods, \$36,410.50; Park, \$35,100.21; and the Shores, \$21,567. By comparison, the 1963 figures showed that the Farms had a loss totaling \$78,190; Woods, \$101,223.33; Park, \$91,930; and the Shores, \$40,045.

A breakdown of the reports as received from the heads of the five Pointe Fire Departments, are as follows:

City—Property loss (dwellings, business places, etc.), \$60,560.73; loss on contents, \$50,033; loss on automobiles, \$1,590. Total loss, \$112,583.73. Total alarms answered, 159. There were no fatalities.

Woods—Dwelling loss, \$13,682; buildings other than dwellings, \$4,250; contents, \$9,718; other than dwelling contents, \$3,204.50; other fire losses (cars, etc.), \$5,556. Total loss, \$36,410.50.

Total alarms answered were set at 184, of which five were false, the latter considered as honest mistakes.

The Public Safety Department answered 21 alarms for car fires; 23 grass fires; 78 dwelling fires; and 279 emergency ambulance runs. There were no deaths caused by fires.

Park's Loss \$35,100
Park—Building fire loss, \$18,721.44; loss of contents, \$12,670.81; garage buildings, \$2,144.68; and car fires, \$1,563.47. Total loss, \$35,100.21. Total loss per capita, \$2,155.

Alarms answered, 387, including assistance requested under the Mutual Fire Aid Pact; no false alarms, and 77 calls answered in emergencies requiring resuscitation. No fatalities.

Shores—Loss of dwellings by fire, \$13,361; buildings other than dwellings, \$1,781; loss of contents, \$6,756; other fire losses (cars, etc.), \$1,450. Total loss, \$21,567. No deaths caused by fire.

The department answered three calls regarding car fires; 23 alarms to houses; three to grass fires, and one other type of fire call. A majority of the calls to homes, were due to honest mistakes. Emergency ambulance runs numbered 51.

RECOVERED CAR

City police on Tuesday, February 9 recovered a stolen car belonging to Edmund Nichol Richardson of 10075 Nadine, Huntington Woods. The vehicle was discovered parked in front of Fromm's Hardware.

Pointe Police Departments Lose 18 Men in Two Years

Two more Woods officers of the Department of Public Safety have resigned their jobs for better paying work elsewhere, making a total of eight who have quit within the last two years, and four within the last year, according to official statistics.

The total number of policemen who have resigned from four Pointe departments, is 18, with the Shores the lone Pointe not having any resignations during the past two years.

Besides the eight lost to the Woods, the Park lost five; the Farms, two; and the City, three. All 18 men were trained veteran police officers, with service ranging from two years to more than 15 years.

The latest to call it quits in the Woods, and the Pointe, are

Man of Year

HENRY E. BODMAN, II, of 239 Dean Lane, was honored Wednesday night, February 17, as "Detroit's Outstanding Young Man of 1964," by the Detroit Junior Board of Commerce.

The 33-year-old Bodman was presented with the Jaycees' Distinguished Service Award at the 24th annual DSA Award Banquet at the Sheraton-Cadillac Hotel.

Principal speaker at the banquet was Donald N. Frey, vice-president of Ford Motor Company and general manager of the Ford Division.

School Election Advice Offered

Ray MacArthur, director of school elections for the Grosse Pointe Public School System, has provided general information of the forthcoming special election. The vote on the proposed second high school by property-owning residents of the school district, and their spouses, is set for Monday, March 22.

In answer to queries on registration, MacArthur stated, "If you have voted as a qualified elector of the school district in local, state and/or national elections during the past 2 years and have not moved since the last time you voted, you are properly registered for the March 22 school election. If you have not voted within that time period or have moved since last voting, you should contact the office of your city or township clerk prior to February 23, 1965, to check your registration status."

To become a registered voter, MacArthur said, "If you are a citizen of the United States, 21 years of age or over, who has resided in the State of Michigan 6 months and in the school district for 30 days prior to the election, you are eligible to vote."

Voters Give Nod to Plan For Sewers

Will Spend \$1.32 Million To Improve Sanitary and Storm Drain Systems And Automation

Grosse Pointe City property owners Monday approved a \$1.32 million General Obligation bond issue by a 780 to 181 vote.

Its passage assures the residents of the City of an improved and updated sanitary and storm drainage sewer system and eliminates the possibility of court action against the City by the Michigan State Board of Health.

Passage of the issue was decisive, with an 81.2 percent margin received. Only a 60 percent margin was needed for victory. The same bond issue was defeated last September in a 915-826 vote.

Mayor David E. Burgess said on hearing of the bond issue's approval, "I am exceedingly pleased with the outcome. This very definitely shows that the residents of the City accept their responsibilities and come forth with support in time of an important decision. I am sure all the members of the City council join me in thanking the members of our community for their farsightedness and co-operation."

City One-Third Voted
City officials expressed satisfaction with the number who voted in the one item election. As one said, "It is a high turnout for an election of this kind." Out of an estimated 2900 property owners eligible to vote, 961 cast ballots.

Work will begin immediately on the necessary mechanics which lead to the renovation of the sewer system. Officials expect to file application with the Michigan Municipal Finance Commission for approval of the bonds no later than March 1.

The bonds will then be advertised and bids will be received by the end of June. They will be awarded by the 19th of July and work on the system will begin about the first of August.

To Complete in Year

Completion of the entire undertaking is scheduled for February 28, 1966.

George Jerome and Company, the City's consulting engineers have blueprinted a three-section plan for the sewer system's improvement. First a sanitary relief sewer in Lakeland avenue will be constructed. It will have arms in Jefferson, Maumee, St. Paul, Kercheval, Waterloo, Charlevoix and Goethe which will intercept the flow from the existing 8-inch sewers.

The plan also calls for the construction of a storm relief sewer in Waterloo avenue which will intercept flow from the storm sewers running north to the present Fox Creek barrel. It will have an arm which will run from Waterloo down St. Clair avenue and into Lake St. Clair.

Will Stop Pollution
Not only will these improvements eliminate the flooded basements of City residences but the pollution of Lake St. Clair, which the Michigan State Board of Health has deemed most necessary.

The third phase of the program is the automation of the City pumping station in Charlevoix avenue.

Of the \$1.32 million bond issue, an estimated \$58,000 will be spent on automating the pumping station, \$559,900 on relieving the sanitary sewers and \$706,800 on the storm sewers.

Two Parked Cars Suffer Damages

Two parked cars were damaged late Friday evening, February 12, when a car, driven by Mrs. Avis E. Stirling of 1399 Torrey road struck one sending it 144 feet into the second.

Mrs. Stirling was traveling east on Chalfonte when she hit the first car, owned by William M. Spaller of 22991 Fredrick, Farmington, Mich. The impact of the collision sent the Spaller car across the intersection at Lincoln road where it hit a vehicle owned by Russell Haskin of 887 Lincoln.

A ticket for reckless driving causing an accident was issued to Mrs. Stirling. She was treated for minor injuries at Bon Secours Hospital.

who received 572 votes; and John A. Doelle, who got 625.

Also nominated to run for seats at the council table, at the April 5 spring election, were George J. Verdonekt, 595; Barry M. Quinn, 558; and Thomas J. Bolton, 552.

Five Eliminated
Out of the race are, Charles J. Ciaramitaro, who received 396 votes; Paul E. Hoisington, 269; Joseph W. Louisell, Jr., 140; Jesse Osetek, 462; and Jerome F. Van Neste, 263.

There was no primary for the office of mayor or municipal judge, since there are only two candidates each for the offices.

Opposing each other for the office of mayor on April 5, will be incumbent Matthew Patterson and William N. Fritz; and for the office of municipal judge, incumbent C. Joseph Belanger and Philip J. Mabarak.

Patterson was elevated from councilman to mayor last July 23, to succeed Kenneth Cunningham, who resigned. Patterson wants the two-year term in his own right.

Elected in 1963
Patterson was elected to the Park council in April 1963, to serve a four-year term. When appointed mayor by the council, it was to serve the unexpired term of the office vacated by Cunningham, which terminates April 5.

Under the Park City Charter, when a councilman is appointed to serve an unexpired term of a mayor who leaves office, or dies, he must, if he wishes to retain that post, seek re-election to remain in office, when that term expires.

However, if any amount of his councilman term remains at the time of his appointment to the office of mayor, and the appointee is defeated in his bid to remain mayor, he has the option of reclaiming his old council seat to serve out the remainder of his term on the council.

Could Return to Council
If he is defeated in the April 5 election, Patterson, can, according to the Charter, return to his seat on the council, to serve the two years remaining of his term in that capacity.

Kessler, also according to the Charter, can seek election to a full four-year term on the council, which he is doing, hoping to be elected to a council seat that will be vacated by Councilman Kent Zimmerman, who is not seeking re-election.

If Patterson and Kessler are successful in their bids to remain in their posts, then there will be an existing vacancy around the council table, which must be filled by the members of the council, within 60 days, after which a special election must be held.

district for 30 days prior to the election, you are eligible to become a registered voter. Qualified persons who have not registered, must do so at the office of the clerk of the city or township in which they reside."

Requests to be registered are to be taken during regular office hours, and not later than 5:00 p.m. on Tuesday, February 23. If you cannot register personally at the clerk's office because of physical disability or absence from the school district, you should telephone the clerk's office for instructions on registration procedures.

Sets Meeting**
The Couples' Club of St. James Lutheran Church will hold its February meeting tomorrow at 8 o'clock in the Green Room of the Church. The program will feature a travel movie, "Around the World," followed by games and refreshments.

Serving as hostess will be Mrs. Keith Counsell, of Lannoo road.

MISSING WENCH
Andrew Yaklin, owner of Yaklin Shell Gas Station, reported to City police on Tuesday, February 9, that a pneumatic air wench with socket had been stolen from his station.

Hope to Retain Mitchell's Services

(Continued from Page 1)
Some of the highlights of his report are:

Ten acres of the Hartman Park site were deeded to Clinton Township, subject to a clause that if the Township does not use it for recreational purposes, it would revert back to the Authority. Also, the manager of the Authority was authorized to honor statements from Clinton concerning recreational improvements to the site, not to exceed \$10,000.

(According to an agreement between the member-communities the proposed park will act as a buffer between a proposed incinerator, and the rest of the Hartman property, which totals 75 acres.)

Murray M. Smith, retired Farms city engineer, was hired as the manager at an annual salary of \$7,200.

At the annual organization meeting in October, Ledyard Mitchell was re-elected chairman of the Authority, and a member of the Authority's Board of Directors, representing Clinton, resigned because he no longer held an official position in the township.

Negotiations were continued (and are still continuing, according to Mitchell) with the Michigan Water Resources Commission, for approval of the use of the Hartman site for dumping and land fill operations including incinerator ash.

Revenue From Gravel
Studies indicated that there are more gravel resources on the Hartman property than originally anticipated, and that if disposal continued at the present rate, some of the gravel would be covered before it could be mined. (The Authority receives a royalty of 25 cents a ton for gravel mined by mining contractors). Action was taken to limit the amount of refuse be-

ing delivered by private contractors.

The Authority studied proposals by private contractors under which the contractors would agree to construct a 600-ton incinerator plant and operate it for a period of 20 years, after which the plant would be turned over to the Authority.

Visit Plant in Florida
Two Authority representatives were sent to St. Petersburg, Fla., to inspect such an incinerator plant that was under construction by private contractors, and the representatives reported that officials of that city were enthusiastic about the arrangement.

Some consideration and discussion took place concerning the feasibility of the Authority

constructing the plant itself, and then entering into a private contract for its operation.

And finally, the Farms city attorney's report revealed, the annual audit by Touche, Ross and Smart of the Authority's second year of operation, ending September 30, 1964, showed an excess of revenue over expenses in the amount of \$16,378.90.

McKean's report was accepted by the Farms council and made part of the official records, and filed.

PARKED CAR HIT
Kathleen Mary Hyland, of 393 Lakeland avenue, struck a car owned by A. W. La Voie when it was parked in front of his residence at 17609 Maumee. The mishap occurred on Tuesday, February 9.

Math Courses Offered Adults

"Modern Math" for parents of elementary and Junior School students will once again be offered by the Department of Community Services of the Grosse Pointe Public School System. These classes are designed to instruct parents of elementary and Junior High School students in the new principles of mathematics as taught in today's school systems.

Teachers of the public school system who are teaching in this field will instruct the adult classes. The courses are intended to clarify the teaching of

modern math to parents, and to bring them up to date on modern teaching techniques and the newest application of mathematical principles. This not only aids the parent who attempts to help with after school assignments, but also eliminates the student's confusion in being taught conflicting methods of problem solving at home and at school.

Further information and registration may be obtained by calling the Department of Community Services at TU. 5-3808 or TU. 5-0271.

Camera Club To Play Host

At its next meeting the Grosse Pointe Camera Club will host the Greater Detroit Camera Club Council's interclub color competition. The meeting will be in the Fries Ballroom of the Grosse Pointe War Memorial, Tuesday, February 23 at 8 p.m.

There will be approximately 60 to 70 slides to be entered in the show which is a bi-monthly event of the Council. They are among the best current slides of the group, and 29 clubs will be represented in this competition, the first one of this year. Subjects will be varied. Judges

will be selected at the meeting.

Bodman 'Man of Year'

(Continued from Page 1)

Bodman was made by Roy Pingel, president of the Detroit Jaycees, chairman of the Senior Selection Committee which chose the DSA winner.

Bosses Also Honored

Richard N. Holloway, past president of the Detroit Jaycees was chairman of the banquet, which also celebrated Bosses' Night, an annual tribute in which the Jaycees honor those men who make possible their Jaycee participation.

Bodman, Detroit partner in the international accounting firm of Touche, Ross, Bailey & Smart, has been active in Detroit-area civic affairs all of his professional life.

A graduate of Princeton University, he also holds an M.B.A. degree from the University of Michigan School of Business Administration. Following graduation from the U of M he served for two years in the U.S. Army Audit Agency before joining Touche, Ross, Bailey & Smart as a junior accountant in 1957. Rising through the ranks of supervisory and management positions, Bodman was named a partner in the firm in 1964.

Active in civic affairs during

those years, Bodman was twice elected to the City of Grosse Pointe Farms Council and is serving his sixth term on the Wayne County Board of Supervisors.

Bodman is chairman of the Taxation and Apportionment Committee of the Board of Supervisors and formerly served as chairman of the Wayne County Building Authority.

Appointed a director of the Michigan USO in 1964, Bodman is treasurer of the Gabriel Richard School PTA, a trustee of the Liggett School for Girls and the Franklin Settlement as well as a member of the Economic Club of Detroit, the Greater Detroit Board of Commerce and the Country Club of Detroit.

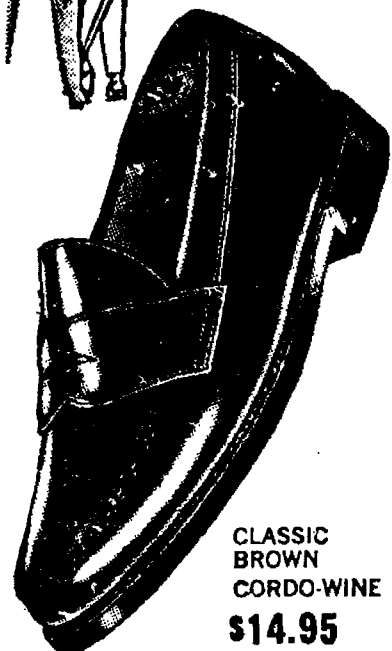

Navy League Meeting Slated

The Detroit Women's Council of the Navy League of the United States will hold its first General Membership Meeting of 1965 (today) at Brodhead Naval Armory in Jefferson Avenue, Detroit.

Mrs. George Weaver, president, will be chairman of the 12 o'clock noon luncheon meeting. Speaker will be Colonel William Weinstein, U.S.M.C.R., Commanding Officer, 13 Staff Group, Brodhead Naval Armory.

Mrs. Weaver will present to the membership her 1965 Committee Chairmen and outline their duties and responsibilities. All members are urged to attend as there will be a discussion of the Council's projects and activities for the coming year.

Pointe Police Departments

(Continued from Page 1)
patrolmen revealed that the biggest factor causing dissatisfaction among the rank and file, is the low pay, for this type of work, working conditions, and in most cases, lack of fringe benefits.
For years the Pointe police-men have petitioned for more money, fringe benefits, and better working conditions. Councils cite statistics furnished by the Michigan Municipal League, and sister cities of comparable sizes throughout the State regarding wages and conditions granted to their policemen.
The point the councils and city administrations seem to miss, the officers claim, is that conditions differ in each com-

munity; that the cost of living is different; the crime rate is different, and the method of controlling crime differs in each community.
Another factor that causes dissatisfaction among police personnel, the Pointe, is the retirement and pension system.
Where most departments, big and small, permit retirement after 25 years of service, with a substantial pension; the officers of the Pointe departments, with the exception of a few "old timers" have to work until the age of 60 years, then they are retired on a pension that is considered inadequate in this day and age.

nor made it to the landing at the top of the basement stairs, and was on the verge of collapse, when he was found by Patrolmen Leroy Tobian and Robert Lorenz and carried out into the fresh air.
The officers took the minister to the station, where the clergyman was administered oxygen, and then taken to the hospital for treatment. He was later released and went to the home of a neighbor.
Capt. Coats said that when firemen arrived at the burning house, the fire was raging in the basement, and had started up through the hot air ducts. Damage to the ducts was minor, the captain said. The joists and the ceiling of the basement were badly burned, he added.
The total amount of damage will have to be determined by insurance adjusters, Capt. Coats said.

Cub Pack 290 Holds Meeting

Cub Pack 290 of Mason School celebrated Scout Week at its annual Blue and Gold banquet. Cubmaster Norman Cummings, Jr. welcomed the cubs, parents and guests to the evening's entertainment.
Committee Chairman Lowell Bird assisted the Cubmaster in the presentation of awards and honors as follows:
Den 2 — Den Mother, Irene Griffith; Jack Downing, Bear Badge and one year pin; Thomas Bredon, one gold arrow point on a Bear Badge; Mark Bercham, one silver arrow point on Wolf Badge; George Griffith, one gold and one silver arrow point on Wolf Badge; Bruce Burn, two silver arrow points on Wolf Badge.
Den 3 — Den Mother, Margaret Cools; Steve Mast, Bear Badge; Mark Fisher, Bear Badge with one gold and four silver arrow points.
Den 7 — Den Mother, Barbara Olsen; Eric Olsen, one silver arrow point on Wolf Badge; Robby Holmes Bear Badge.
Den 9 — Den Mother, Linda Gregg; Jim Jerger, Bear Badge and one year pin; Richard Gregg, Bear Badge and one year pin; Hugh Gregg, Wolf Badge.
Den 10 — Den Mother, Helen Minturn; Fred Minturn, Wolf Badge.
Webelos Den — Bill Bentzen, Lion Badge with one gold and two silver arrow points; Albion School, Lion Badge and two year pin; Robert Cummings, Lion Badge.
Jimmy Krusz and Michael Ward were indoctrinated as new Bob Cats and assigned to Den 7 and Den 10 respectively.
Special recognition was given to Tom Renner and Ron Whately for earning Webelos Badges, the highest Cub Scout rank.

Interim Budget Studied by City

The Council of Grosse Pointe City at its meeting Wednesday night, February 10, received for study by City Manager John M. Cantwell, a budget for the interim fiscal period, from April 1, 1965 to June 30, 1965.
The three-month budget of \$202,650 is for the period in which the City will make the switch to a July 1 to June 30 fiscal year. This change, from an April 1 to March 31 financial year, was approved by voters in last September's primary election.

The council also authorized Cantwell to make application with the state's Municipal Finance Commission requesting approval to issue tax anticipation notes for the amount of the budget. Because there will be no tax collections until July 1, in line with the new fiscal year, the City must borrow temporarily monies to keep its budget operating.

In other action, the Council tabled, for at least 30 days, a Maire School P-TA request to install a curb on Cadieux north of the Kercheval intersection. The Maire group has said the curbstone is necessary to insure the safety of the children who attend the school. Since the area in question borders a Standard Gas Station, officials of the Standard Oil Company are being consulted.

The Executive Director of the Wayne County Port Commission, Andrew W. Fleming, appeared before the council to explain the local effect of a recently adopted state legislation relating to a comprehensive port plan. The council is expected to give approval to the plan at its next meeting.

After convening as a Board

of Appeals, the council approved Clarence E. Bessert's request to reduce to seven feet the width of the side yard requirement for a lot in the northwest corner of Waterloo and Notre Dame. It also approved Mrs. Jeanne Webb's appeal to reduce to 12 feet the rear yard requirement for part of a lot at 405 Rivard.

The council, in addition, approved the payments of \$1,475.62 to Greimel, Hammond Hoey, Inc., architects of the City's new Department of Public Works building and \$6440 to the J. A. Broughton Company, contractors for the building.

Owner-Dog Training Class Begins Tuesday, Feb. 23

Many well-behaved canine citizens of the Grosse Pointe area have only their owners to thank—for enrolling them in the Owner-Dog Training classes offered by the Department of Community Services, Grosse Pointe Public School System, in cooperation with the Southern Michigan Obedience Club.

The Spring session of Owner-Dog Obedience Classes will begin on Tuesday, February 23, in the old Grosse Pointe High School Boys' Gym. This first meeting will be held at 7:30 p.m. for owners only. At this time, a brief explanation of the work involved will be given, as well as a demonstration by former students and their dogs.

Enrollment will be accepted at the close of the meeting for all owners who have made advance registration with the Department of Community Services. Class times for owners and their dogs will be assigned on the basis of the size of the dog.

During the 10-week course of instruction, students will learn how to teach their dogs to walk quietly beside them in a "heel" position under any condition, to stay in one place on command, and to come when called. The course is based on exercises approved by the American Kennel Club, and the degree of success attained in the training of a dog depends entirely on the handler's interest and willingness to follow instructions and practice the exercises faithfully not only in class, but at home as well. With this in mind, only those owners who are seriously interested in following through with 10 weeks of required daily practice and class work should apply for the course.

This program was established 18 years ago as a service to the residents of the Grosse Pointe School District, and was the first of its kind to be offered as an adult education course. Since that time similar classes have been initiated in Pontiac, Berkley, East Detroit, Ferndale, Bloomfield Hills, Mt. Clemens, Rochester, Royal Oak, Warren, Waterford and Walled Lake.

Instruction is provided by the Southern Michigan Obedience Training Club, a club whose members serve in the capacity of trainers. These people have all had the experience of training their own dogs, and make a hobby of instructing others in their proven techniques. Head trainer will be Charles Myers, assisted by Raymond Gielegem, Charles Murphy, Jack Duncan, Henry Holland, Nelson Holland, and Miss Ann Holcomb.

All classes are limited in enrollment to 25 dogs per class, and advance registration is required. Class reservation and further information may be obtained by calling the Department of Community Services at TU 5-3808 or TU 5-0271.

Brian Mumaw Tops in ROTC

A 1961 graduate of Grosse Pointe High School has achieved the highest rank possible in the Michigan State University Reserve Officer Training Program.

Brian Mumaw, the son of Mr. and Mrs. Minard S. Mumaw, 748 Lakeland, Grosse Pointe, has been appointed Brigadier General in the Army ROTC program.

As a brigade commander and brigadier general, Mumaw is the highest ranking student officer of the approximately 400 cadets enrolled in the Army officer training program at MSU.

Criteria for appointment include leadership, all-university grade point average and extra-curricular activities. Experience at the ROTC summer camp at Fort Riley, Kansas, and interest and ability in the Michigan State ROTC program are also considered.

A senior majoring in finance, Mumaw maintains a 3.25 all-university grade point average. He has received a one year draft deferment to continue his education and will work as a graduate assistant in the department of finance's masters program.

Mumaw is athletic chairman for Theta Chi fraternity and has served in the past as its pledge marshal. He also has been elected treasurer for Scabbard and Blade, an Army ROTC honorary.

Upon entering the Army, Mumaw will receive the commission of second lieutenant, the same commission as awarded the graduates of West Point. This advancement stems from his receiving the Distinguished Military Student Award.

As Brigadier General, Mumaw's duties include heading an eight man staff in charge of cadet companies, leading all parades and acting as personal representative of all cadets. He is in charge of carrying out the cadet program.

Detroit Sorosis Slates Session

Members of Detroit Sorosis will gather for luncheon at the home of Mrs. Arthur H. Smith March 2. Assisting Mrs. Smith will be Mrs. Neil D. Gotchall, Mrs. Walter Lotz and Mrs. C. A. Hills.

Judge Belanger Submits 1964 Annual Court Report

The total revenue from fines, penalties and costs collected by his court, and the Violation Bureau during 1964, amounted to a total of \$36,267, according to an annual report submitted by Park Judge C. Joseph Belanger.

In a breakdown of the figures, the judge disclosed that fines, penalties and costs from Municipal Court totaled \$11,543.40; collected from the Violation Bureau, \$24,828; and from fees paid to the city treasurer on State cases handled in his court, \$95.10.

In his report, Judge Belanger stated that he heard 993 cases last year; 6,689 traffic violators paid fines to the Violation Bureau; and 16 State cases were tried in his court. Total fines paid to the Wayne County Treasurer amounted to \$370, it was revealed.

Of the 993 cases tried in his court, the judge stated, 417 resulted in persons paying fines; 22 were fined and placed on probation; 16 were fined and had their operator licenses suspended; four were fined and jailed; 21 had sentences suspended; seven appealed; 16 had their licenses suspended; 10 were ordered to attend traffic school; three were sine die (no date fixed for future action); 188 persons forfeited bonds; 688 persons were found guilty; 649 persons fined; 192 notices were sent to the Secretary of State's Office in Lansing; and 44 persons were found not guilty.

In connection with matters involving traffic, Judge Belanger disclosed, licenses were revoked or suspended in 16 cases for varying lengths of time; 16 orders of probation for varying periods were entered; jail sentences were imposed in nine cases for varying periods of time; 16 cases of drunk and disorderly were disposed of, as well as 18 cases involving minors in possession of alcohol.

In a greater number of cases, the court referred the matter to revocation of drivers licenses direct to the Secretary of State with recommendations of varying periods; and under the so-called driver point system, this method of restricting driving privileges has proved to be materially effective.

Judge Belanger expressed pride in the leadership of Police Chief Arthur Louwers, and pride in the personnel of the Police Department.

He expressed gratitude for the able and active services of Mrs. Grace McCracken, court clerk, and Mrs. Bettyann Calvin and Mrs. Veronica Fodell, deputy court clerks and aids in the Violation Bureau.

City Manager Robert Stone continued his able and intelligent cooperation at all times during 1964, Judge Belanger added.

Two Judges Hear Cases in City

Both Judge Douglas L. Paterson and Judge Malcolm J. Sutherland heard cases in Grosse Pointe City's Justice Court on Tuesday evening, February 9.

Four of the six cases heard by Judge Paterson were dismissed. Of those, three involved charges of reckless driving causing accidents. Defendants in the cases were Jimmie Lee Clark, of 7713 Woodrow Wilson, Detroit; Ronald Batista Proscini, of 4339 Barham, Detroit; and Edward Randazzo, of 453 Fisher road. The fourth case was a disorderly person charge against William Edward Dorais, of 6975 Colonial, Dearborn Heights.

Judge Paterson found Florence Del Barbara, of 28101 Larchmont, St. Clair Shores, guilty of driving without due care and caution and fined her

\$15. She had been charged with reckless driving causing an accident. He also found Richard George Metry of 1305 Balfour guilty of driving 40 m.p.h. He was fined \$10.

Charges were reduced from reckless driving causing an accident to guilty of driving without due care and caution in two cases heard by Judge Sutherland. The defendants were John Vaughn, of 3892 Beniteau, Detroit, Vaughn was fined \$20.

Judge Sutherland found Samuel Jenkins of 3841 St. Clair, Detroit, guilty of violating the Drunk Motor Law. He was fined \$100 and his license was sent to Lansing. He also found Rosell

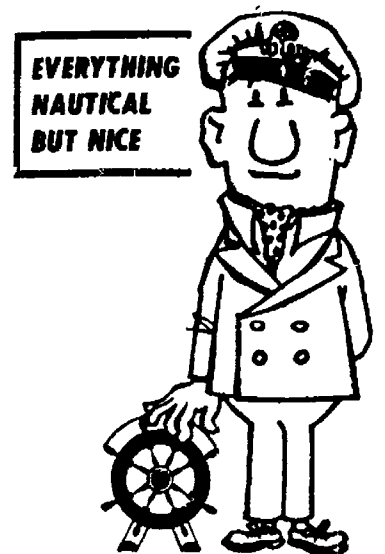

Scott of 3019 Montclair, Detroit, guilty of drunk and disorderly charges and fined him \$25.

A reckless driving charge against Lena Hartlage, of 929 Rivard, was dismissed.

16 great big, great looking, great going wagons from Plymouth.

Fury III 4-door Wagon

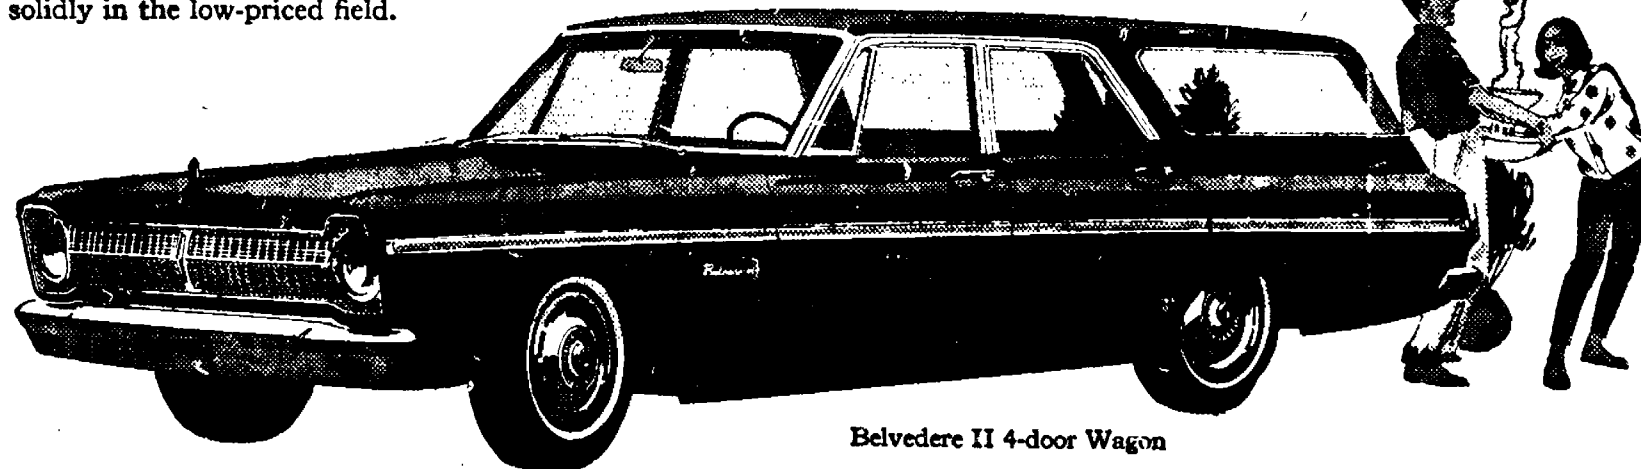

Six '65 Fury Wagons

In case your family has grown in the last year, so has the Fury wagon.

Wheelbase has jumped 5 inches to 121 inches, pushing the overall length to a mammoth 216.1 inches. And it is wider by a full 3 inches.

In 6- or 9-passenger models, the '65 Fury wagon is about the biggest, plushest wagon you've ever seen.

And still solidly in the low-priced field.

Belvedere II 4-door Wagon

Six '65 Belvedere Wagons

Belvedere is another complete line of Plymouth wagons for 1965.

While not as big as the giant Fury, the intermediate sized Belvedere wagons are no slouches at loading or lugging.

For the young family on a young family's budget, Belvedere is about the best wagon buy there is.

Valiant 200 4-door Wagon

Four '65 Valiant Wagons

Plymouth presents a third complete line of 1965 wagons, the compact size Valiant wagons.

So why a compact wagon? For the same basic compact benefits that every '65 Valiant delivers: low price, gas economy, easy handling, convenient parking.

Plus, that extra room, utility and just plain fun that a wagon offers.

(Especially, a bright, new '65 Valiant wagon!)

Something for Everyone:

Series:	Overall length:	Prices start at:
Fury (6 models)	216.1"	\$2776
Belvedere (6 models)	208.5"	\$2562
Valiant (4 models)	188.8"	\$2361

*Prices based on Manufacturer's Suggested Retail Prices for lowest-priced Fury I, Belvedere I, and Valiant 100 6-cylinder models, exclusive of destination charges, state and local taxes, if any, whitewall tires, wheel covers, back-up lights, roof rack, and other optional equipment.

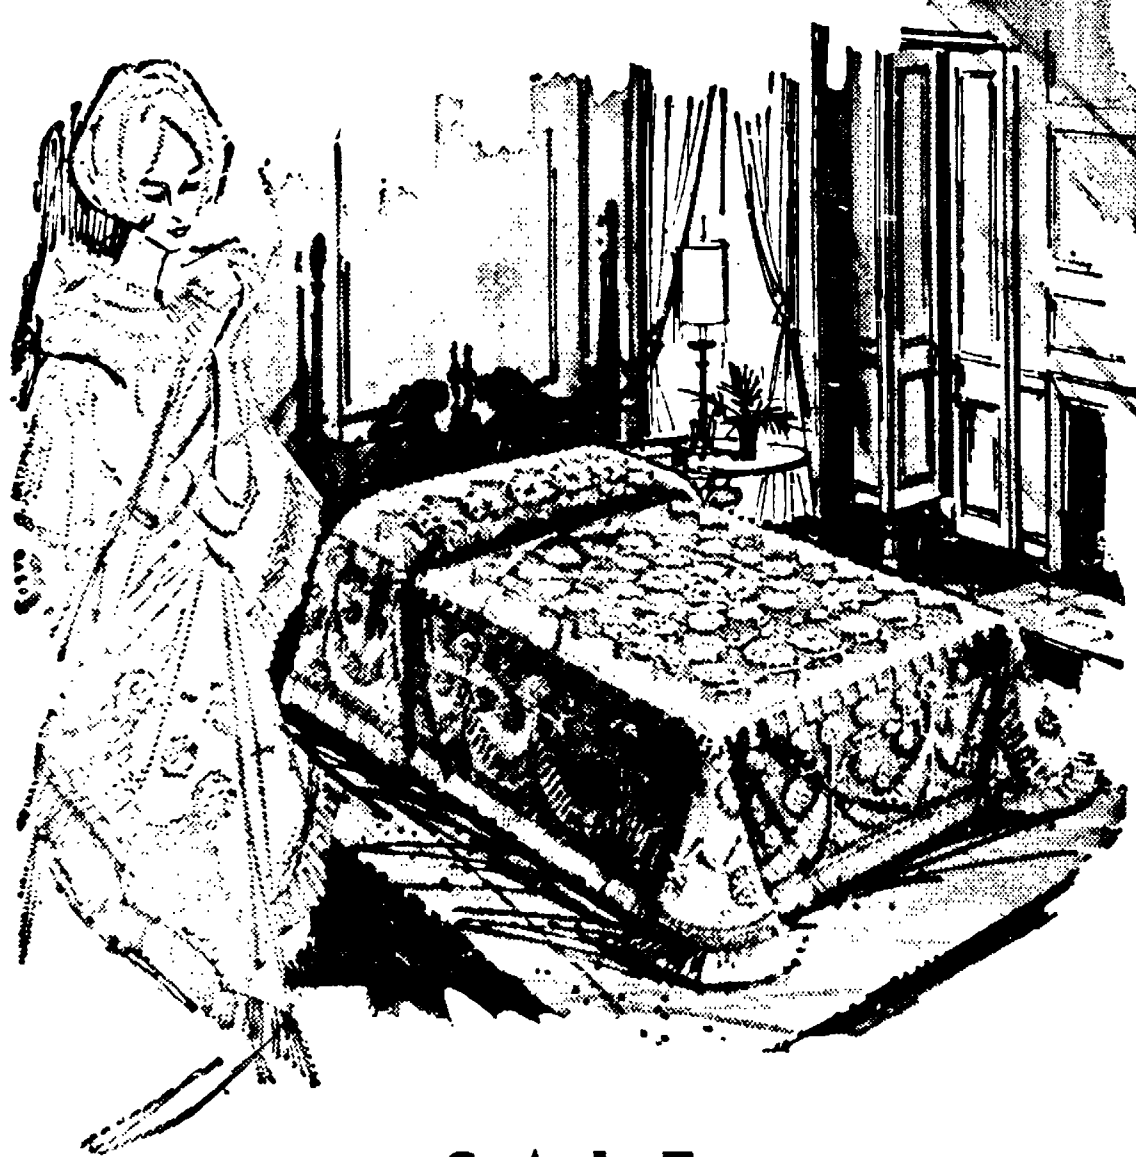

Here's how Plymouth's 5-year, 50,000-mile engine and drive train warranty protects you: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The rear axle and differential services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Gene Butler Sponsors Photo Contest

Looking over past winners, GENE BUTLER anticipates many new entries in the annual "You Be the Judge" contest, now being held at The Camera Center, Kercheval near St. Clair in The Village.

Each year Butler enters his six best photographs into competition at the Photographer's State Convention. He has a tough time selecting his best, and needs your help.

The Gene Butler Studio will give an 11x14 Color Photograph, free of charge, to the person who can select from the prints on display, the three photographs that will be rated highest in the judging at the Professional Photographers of Michigan Convention in March. The person making the selection closest to the opinion of the convention judges will win. In case of a tie the entry bearing the earliest date and time will win.

The photographs now on display in the Camera Center window were made at the Gene Butler Studio in the past year. Gene Butler's photographs have won him acclaim as one of the top ten photographers in Michigan for the last four years. Last year he was awarded the trophy for top print quality by the Detroit Professional Photographers Association, and is well-known in the Grosse Pointe area for his beautiful work in portrait, wedding and party photographs.

Offer Classes In Photography

Classes in Photography are scheduled to begin Wednesday, February 24 (Advanced), and Thursday, February 25 (Beginning), being offered by the Department of Community Services, Grosse Pointe Public School System.

In cooperation with the Grosse Pointe Camera Club, the instructors for the classes have been chosen, and all are recognized for their extensive and diversified work in the field of photography.

Mrs. Mildred Briggs has taught a Color Workshop class for the Grosse Pointe Camera Club members for the past five years, and her photographs have received high awards in salons throughout the country. Gilbert Leimbach, APSA, has been active in virtually every phase of

photography and has exhibited in International Salons throughout the world. Jack Fetzoldt has taught photography classes at Wayne State University, where he is currently employed at the Audio Visual Production Center in the production of educational photographic materials.

The beginning course will meet for a five-week period covering such subjects as snapshots to salon pictures, equipment, exposure meters, picture organization, and composition.

Gilbert Leimbach will instruct the Advanced course, which will meet for six weeks. Such topics as Portrait Lighting; Still Life; Table Tops; Copying Methods; Base Relief and Montages; Title Slides will be covered in this course. Both classes will meet in the evenings from 7:30 to 9:30 p.m.

Advance registration is required for both courses, and both are limited in enrollment. Call the Department of Community Services, TU. 5-3808 or TU. 5-0271.

Army Course Taken By John H. Webster

FORT LEONARD WOOD, MO. (AHTNC)—Pvt. John H. Webster, son of Dr. and Mrs. John E. Webster, 47 Pine ct., Grosse Pointe Farms, Mich., completed an eight-week basic Army administration course under the Reserve Enlistment Program at Fort Leonard Wood, Mo., February 12.

During the course Webster received instruction in general office skills, military correspondence and Army administrative procedures.

The 23-year-old soldier, a 1959 graduate of Grosse Pointe University High School, received a

B.A. degree in 1964 from St. Lawrence University, Canton, N.Y. He is a member of Alpha Tau Omega fraternity.

'WOFY' Proves Big Help To Citizens and Students

By Al Pitts
Mr. Lawrence Westerville, for many years a counselor, has, since the fall of 1961, assumed a dual role at Grosse Pointe High School. In addition to his counseling job Mr. Westerville has been concerned with "WOFY" (Work Opportunity For Youth).

Mr. Westerville tries to fulfill requests for students desiring part-time jobs and for graduates needing full-time employment.

"Occasionally," he added, "maybe one or two of the 30 calls I receive weekly ask for someone wanting a full-time job."

"This has been a problem for me," he remarked, "because in finding graduates, or anybody, who is qualified for these jobs... a receptionist, office clerk, delivery boy, or dentist's aide... I have to depend upon requests from grads looking for employment, and usually, the unemployed graduates are unemployable. I can't send to an employer a fellow whose records show he was in constant trouble with the school or the community."

"And then," he added, "most employable graduates are employed. Several good jobs go unfilled because I sense there are some graduates who are unemployed or want to change jobs who are not registered with 'WOFY'."

A large part of the calls Mr. Westerville receives are for baby-sitters; someone to prepare an evening meal; wash dishes; help clean house; shovel snow; wash walls; mend, alter, or make clothes; or for a companion for shut-ins. Often there are calls for carry-out boys or gas station attendants. "Then there are the regular calls in the spring for lawn and garden work along with window washing, garage painting, boat work, and helping to open a cottage."

Before Mr. Westerville assumed responsibilities of heading "WOFY," secretaries in the school's office posted calls on a bulletin board.

When the calls increased and began to make specific requests the school administration asked Mr. Westerville if he could devise a program whereas calls would be answered promptly in meeting the needs of the community's business establishments.

Almost immediately Mr. Westerville met with 300 students to begin a work program. "Some of these kids," Mr. Westerville recalled, "had previous experience on a job and some didn't, but they all wanted to work."

"We went out and distributed hand bills to many businesses in the Pointes and Harper Woods describing our program. By calling the school and telling us what they needed we could fulfill their requests by sending qualified personnel."

A chain reaction of events occurred and by the spring of 1962 many businesses were asking for help along with a surprisingly large number of residents from the community.

"I recall two fellows who came into my office one day looking for work. I gave them the address of a house wanting regular lawn mowing and advised them to solicit more in the area. Soon these two boys were mowing lawns for the entire block and bought a power lawn-mower. Within a month they had purchased other equipment and were actually paying other boys to help them meet their growing demand for lawn and yard services."

"WOFY" has been most satisfying to Mr. Westerville because it makes available a needed service to the community.

"Not just the local business establishments are helped," he exclaimed, "but everybody is helped a great deal."

"Many citizens," he elaborated, "now have more time to do what they want and many new comers are made to feel welcome. For example, one couple new to Grosse Pointe phoned me the other day and thanked me, explaining that with the aid of 'WOFY' they were able to better establish themselves in the community."

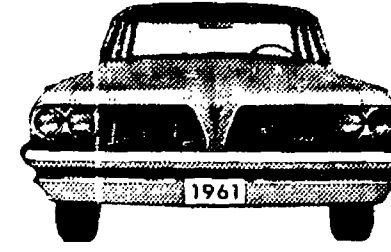

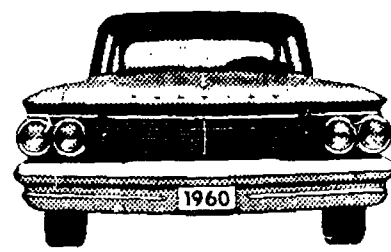

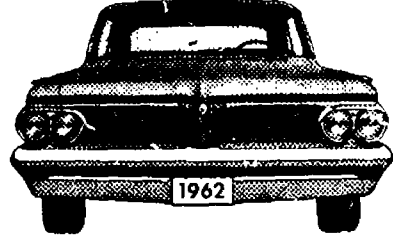

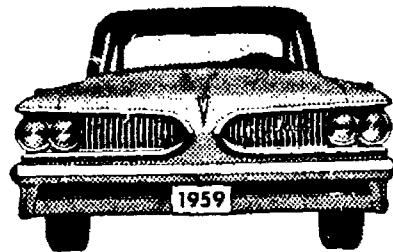

"WOFY" is a realistic operation," Mr. Westerville says. "It has attempted to meet the real needs of the people. Let's face it! Not all people go to college, and some are frustrated in school and need to feel worthwhile. A job gives them a true sense of responsibility and many of these young people acquire a deep sense of value and continue in school doing much better than they did before."

"As I said before: 'WOFY' also helps the college bound student."

"I remember a fellow was in deep trouble at the beginning of the school year. He was a responsible individual and had a lot of ability, but he couldn't quite cope with the school's pressures. I got him a job in a prominent establishment nearby and he is still thanking me today for having given him an opportunity to get a grip on life through his job."

And what of "WOFY" now? "It's going stronger than ever," Mr. Westerville replied. "I have had to limit the growth of 'WOFY' because I have limited time. It's too bad, too, because now several large manufacturing companies in Detroit are calling me and asking for aid."

"I wish I could devote all my time to really develop the program to its full potential and I hope that some day, somebody with the necessary time and funds will realize the great importance of 'WOFY' to society and begin a national program. It could find its beginning in Grosse Pointe High School."

**Gregory J. Weissel
Graduated by Navy**

Fire Control Technician Third Class Gregory J. Weissel, USN, son of Mr. and Mrs. Frederick G. Weissel of 881 Nottingham road, has been graduated from Guided Missile School, Naval Schools Command, Mare Island, Vallejo, Calif.

During the 30 weeks of intensive training, he learned the operation and maintenance of the simultaneous automatic target tracking and guidance radar used with the Navy's Terrier anti-aircraft missile.

Introducing New Teachers

The professional staff of Trombly School was augmented this year by the presence of four newcomers to the Grosse Pointe Public School System. Pictured examining a bulletin board are (left to right) MRS. RUTH COLLINS,

kindergarten; MRS. KAREN ANDERSON, grade 4; FRANK J. WELCENBACH, Principal; MISS SUZANNE PHILLIPS, grade 3. Mrs. Ruth G. Jones, grade 6, is not pictured.

The twelfth of our weekly series on teachers new in 1964-1965 to the Grosse Pointe Public School System is based on the professional personnel at Trombly School in Grosse Pointe Park. Principal Frank J. Welcenbach reports that his newcomers this fall included Mrs. Ruth S. Collins, Miss Suzanne B. Phillips, and Mrs. Karen L. Anderson, and Mrs. Ruth G. Jones.

"We are pleased to have them all with us," he reported recently. "Their training, their educational backgrounds, and their prior experience have made them all contributing members of our staff."

Mrs. Collins, who has a half-day kindergarten assignment, spent much of her life in the western part of the state. Born in Lansing, she completed high school in Grand Rapids, then received her BA from Western Michigan University. A member of Alpha Chi, she was graduated magna cum laude.

Mrs. Collins has had wide experience as a kindergarten and early elementary teacher in Jackson, East Jackson, and Wyandotte.

The Collins family consists of

six children. Ward, 19, is at Ferris State University, James, 23, is a junior in the medical School of Wayne State University, Judy, 17, is a senior at Grosse Pointe High School, and Ellen, 15, is a sophomore there. Grant, 12, is in the seventh grade at Pierce, while Mark, 10, is in the fifth grade at Maitre. The Collins family makes its home in Bishop road in Grosse Pointe Park.

Aside from her family, other interests that occupy Mrs. Collins' time include knitting, sewing, reading, bridge, membership in book review clubs, the American Association of University Women, and her church circle. A highlight of her life was a trip to Panama at Carnival time.

Recently Mrs. Collins said, "I am extremely satisfied with Grosse Pointe as a place to live and to educate my children. I am happy to be a contributor to its excellent school system."

"I believe that a child has a fine chance to develop into an individual here instead of being stamped from the same mold. I believe in encouraging individual children to develop at their own pace in regards to their own particular talents. Everyone must be made to feel that he is a valuable asset to our society. If one expects good behavior and performance from children, they usually live up to one's expectations."

Miss Phillips was graduated from the Masters School in Dobbs Ferry, New York, then went on the Northwestern University, where she was a member of Kappa Kappa Gamma. Last year, before she accepted her third grade position at Trombly, she taught fifth graders in Santa Clara, Calif. Art, music, reading and skiing are among her favorite diversions. Miss Phillips is a resident of Grosse Pointe Shores.

Mrs. Anderson completed most of her formal education in her native Minnesota, including a bachelor's degree from Gus-

tavus Adolphus College, where she was affiliated with Alpha Phi Rho. An experienced teacher, she taught in Moline, Ill., and in Hopkins, Minn., before coming to her present fourth grade assignment.

Her professional affiliations include the Michigan Education Association and the National Education Association. Swimming, water skiing, and reading are among her hobbies.

Mrs. Jones, who has been a substitute at Trombly on many occasions, as well as a teacher in St. Clair Shores, is on the Trombly staff as a regular member for the first time this year as a sixth grade teacher.

From Youngstown, Ohio, her home, she went to Ohio State University, where she was awarded a BS degree. Mrs. Jones has earned credits at Wayne State University.

Mrs. Jones manages to combine her active career with the numerous demands of wife and mother. The Jones' children are Karen Lee, a kindergarten pupil, and Gary William, in nursery school. The Jones' family lives on Nottingham road in Grosse Pointe Park.

Council To Meet On February 23

The Grosse Pointe Human Relations Council will have Dr. Leonard W. Moss as speaker at a public meeting on Tuesday, February 23. The 8 o'clock evening meeting will be held at the Grosse Pointe Congregational Church, 240 Chalfonte road. Guests can go to the "Social Hall" which they will be able to enter directly from the adjacent parking area.

Dr. Moss is chairman of the Department of Sociology and Anthropology, Wayne State University. As such, he will extend our understanding of what "race" is. He promises to do this not in terms of legal involvement nor "neighborhood problems" as such. Rather, Dr. Moss will talk about the matter of race as one group within a species, having similar characteristics but "which do not actually distinguish the group from the specific type to form any separate species."

Like all meetings of the Human Relations Council, this one is open to the public. The aim is to further understanding of the progress now being made in better human relations within the Detroit metropolitan community and elsewhere.

The meeting will provide information plus some responsible answers to cherished myths about race which seem to keep coming up even among informed groups.

Membership in the Grosse Pointe Human Relations Council is open to residents of all the Pointes. Application blanks and statements of purpose will be available at the Tuesday meeting on February 23.

To Be Ordained At St. Michael's

The Reverend Peter K. Groschner, Assistant Minister at St. Michael's Episcopal Church, Grosse Pointe Woods, will be ordained to the Priesthood on Tuesday, February 23, at 7:30 p.m., with the Right Reverend C. Kilmer Myers, Suffragan Bishop of the Diocese of Michigan, officiating and preaching the sermon.

Also participating in the service, which will take place in St. Michael's Church, will be the Reverend Edgar H. Yeoman, Rector of the parish, who will present the Ordinand and also serve as Litanist. Acting as Epistole will be the Reverend Richard Swanson, Assistant Minister at St. Christopher's, Detroit, and the Reverend Richard W. Reid, Vicar of St. Peter's Church, Brighton, New York, and a Seminary classmate of Mr. Groschner, will read the Gospel and serve as Master of Ceremonies.

St. Michael's Acolytes assisting in the Chancel will be Messrs. William Marr, John Kendall, Richard Dehenke, Gregory Thom and John Southcott, with Steven Cerutti acting as the Bishop's Attendant.

A reception will take place following the service, at which parishioners and friends will be given an opportunity to greet Father Groschner and to meet Bishop Myers on this, his first visit to St. Michael's.

Mr. Groschner is the son of Mr. and Mrs. Robert K. Groschner of 754 Lincoln road. A graduate of Grosse Pointe High School and Hillsdale College, he later entered the Divinity School of the Episcopal Church in Philadelphia, from which he was graduated last June. He was ordained to the Diaconate that same month, in St. Paul's Cathedral, Detroit, and joined the staff of St. Michael's Church on July 1. He and Mrs. Groschner (the former Jill Edington of Bloomfield Hills) reside at 22300 O'Connor, St. Clair Shores.

Walter Griffith Receives Honor

Walter Griffith, a junior at Grosse Pointe High School, is one of the three Michigan students who will be awarded a gold medal and a \$250 scholarship for achieving the highest score in the Eighth Annual Michigan Mathematics Prize Competition.

A silver medal and a prize of \$125 will be presented to Roland Sherman, a senior at the High School, for his outstanding score in the competition.

Ten other Grosse Pointe High School students will also be honored at the banquet because of their performances in the test. They are: Charles Bruce, John Clarke, Michael Cooper, Harold Cumberworth, Paul Grams, Lee Haller, David Hookanson, Darrel Rosander, Phillip Singer, and Peter Solenberg.

Nearly twenty-two thousand students from 576 Michigan schools took the test. The competition was started in 1958 to stimulate greater interest in high school mathematics. It is sponsored by Michigan's colleges, professional organizations, and industries, with several industries contributing to the scholarship fund. About \$4,000 in scholarship prizes will be awarded to the winners, and several of the winners will be awarded scholarship by colleges throughout the country in recognition of their high standing in mathematics.

Guilty Driver Gets Jail Term

John N. Hamblin, 36, of 705 Dierston, Detroit, was arrested by Park police on Monday, February 8, for driving while under the influence of alcohol, leaving the scene of an accident, improper passing, and driving a car with only one headlight.

Tuesday morning, Hamblin was arraigned before Park Judge C. Joseph Belanger, on warrants charging all counts, and Hamblin entered a plea of guilty.

For driving under the influence of liquor, Hamblin was fined \$75, or five days in the Wayne County Jail, and his license was revoked for a period of three months.

The improper passing count cost the man \$20, or three days, and the one headlight driving, \$2, or one day in jail.

Hamblin was unable to pay the fines, and was sentenced to serve five days in jail. Judge Belanger suspended the sentences on the two other charges.

The judge will hear the charge on leaving the scene of an accident on Wednesday, March 3.

In another matter, Judge Belanger found Manuel Lare, 22, of 465 Drexel, Detroit, guilty of driving while his operator's license was suspended, and Lare paid a fine of \$85, rather than spend 10 days in the county jail.

Lara, who it was said, has a bad traffic record, was referred to the Detroit Traffic Court for violation of probation, imposed by a judge of that court.

Miss Roosevelt To Address GOPs

Miss Edith Kermit Roosevelt, nationally known syndicated newspaper columnist and granddaughter of President Theodore Roosevelt, will be the featured speaker at a fund-raising dinner to be held on February 22 by the 14th District Republican Committee, it has been announced by Richard Durant, District Chairman. The dinner will be a Roma Hall, 10 Mile and Gratiot at 7 p.m.

Miss Roosevelt, whose column, "Between the Lines," appears in nearly 50 newspapers, is distinguished for her capacity to present complex situations affecting America's security and the cold war in concise, clear language. Her appearance here will be her first to a Detroit audience, although she has been a newspaper woman, a magazine contributor and lecturer for more than two decades.

The topic of her speech will be "The Pugwash Conferences," a subject with which she has dealt frequently in her newspaper column.

Tickets for the dinner may be obtained through 14th District Republican Headquarters, 15316 E. Warren Ave., or by calling TU. 4-6410.

Richard PTA Meets Feb. 24

The Richard School PTA will meet in the school's gymnasium at 8 p.m., February 24. The important and interesting program will include Dr. Charles H. Wilson, Superintendent of Schools, and Dr. J. Clayton Lafferty, Consulting Psychologist and Visiting Lecturer to the University of Michigan.

Dr. Wilson will discuss the housing needs of the Grosse Pointe school population to insure the continuance of high quality education.

Dr. Lafferty will speak on "Reaching the Peak Performance." Many will recall the dynamic presentation made by Dr. Lafferty two years ago. This discussion should be equally stimulating.

The Richard PTA has organized a group to present pertinent information on forthcoming school issues to residents of the area; the group is headed by Dr. and Mrs. James R. Lloyd and Mr. and Mrs. Ralph M. Burton.

Lake St. Clair MSPE Backs Student Program

In conjunction with the observance of "National Engineers Week," the Lake St. Clair Chapter of the Michigan Society of Professional Engineers is sponsoring a program tailored to the student in high school and junior high school who is considering a career in engineering.

At a meeting to be held at the Grosse Pointe War Memorial on Monday, February 22, at 7:30 o'clock, registered engineers will describe four major branches of engineering.

A professor from Wayne State University will discuss the academic aspects of engineering.

A film by the General Electric Company titled "Careers in Engineering" will be shown. The meeting will be concluded with a question and answer period.

Students and parents are urged to attend.

Junior Ages 15 and under \$ 3.00
Intermediate Ages 16-20 5.00
Senior Ages 21 and over 10.00

All classes are subject to minimum enrollment. The Neighborhood Club reserves the right to cancel classes where this minimum is not achieved by refunding fees.

That's The Pointe

Wouldn't it be nice if all the Pointes got together some day and straightened out the confusing mess that exists because of the varied choices of the separate municipalities in naming and numbering the thoroughfares in the community? We fell to brooding on the situation the other day when it was necessary to call the City of Grosse Pointe offices and ask whether Loraine was a street, an avenue, a road, a place, a circle or a lane. A society item had come over the desk concerning resident of that ? and we didn't want our readers to think she might be an inhabitant of the Ohio city of the same name. Our map had no surname for Loraine, nor for many other travel arteries in the Pointe, and we find this very annoying. The City said its plat indicated Loraine as an avenue. We think it remiss of the mapmakers and of the municipalities not to use this designation when they are making maps, putting up street signs, etc.

We have so many screwy situations along this line here in the Pointe. If we residents get confused, what a problem it must be for visitors trying to find their way around. Vernon highway, in the Park, becomes Waterloo (and is that a street or an avenue or a what?), in the City, then turns out to be Ridge road in the Farms. East Jefferson suddenly becomes Lakeshore drive at Fisher road, then converts to Lake Shore road when it reaches the Shores. There is also a Lake Shore Lane, to say nothing of Lake court, Lakeland avenue, Lakeview avenue, Lakecrest lane, Lakeland court, Lakeview court and Lake Pointe. Get us out of here!

The High School campus separates McKinley avenue (which most of the residents prefer to call McKinley road despite the street signs which in this case, do state it's an avenue), from McKinley place, which runs from Grosse Pointe boulevard to Lake Shore drive.

Chalfont (without the e), becomes Chalfonte when it leaves the City and enters the Farms. And there's the classic spelling of Wedgewood (with two es), for one of the Woods' newer streets, or is it an avenue? The map doesn't say . . . just plain Wedgewood. The only Wedgewood we ever heard of was Josiah, the very famous inventor of the famous earthenware which bears his name. If the Woods didn't name the place after him, where did they get the appellation? If they did, why did they have to change the spelling of his name?

There are many, many more examples, like Maumee avenue suddenly becoming Grosse Pointe boulevard, and the street numbers in Kercheval avenue, after progressing to the high 17000s, suddenly starting all over at No. 1 when the Farms takes over at Fisher road. And the numbers on the two sides of Fisher road not being related because the City and Farms failed to get together.

It is all rather depressing, but at least most of the municipalities have gotten rid of the rickety street signs which provided so much fun for so many of our young pranksters, who found they could be easily turned, thus making it far more confusing for Pointe visitors.

Will someone who owns a stationery business please step forward? Think of the business which might be drummed up if he could promote some order out of this chaos?

Letters to the Editor

To the Editor:

As a former resident of Grosse Pointe Farms for more than twenty-five years, I read with amazement the caustic replies of Mrs. Howard Kates and Mrs. William Porter to Mrs. E. Labadie's well-founded criticism of the Grosse Pointe Theater's selection of Tennessee Williams' play, "Cat on a Hot Tin Roof."

Even though it may have been "advertised to the community as pure (sic) adult fare," I cannot agree that the play was suitable choice. For instance, a garbage dump and a sewage disposal plant are also among "the crudest aspects in life"; but is that any reason why the Grosse Pointe Theater, or any other neighborhood group, should invite several hundred fellow-citizens to pay a fee for spending two or three hours in such surroundings?

What excuse can there be for such a sordid choice, when so many inspiring alternatives are available? We need the stars above as our guide, not the mud below, during these troubled times.

Yours truly,
Elizabeth Lewis Miller
(Mrs. William J. Miller)

Dear Sir:

The City Fathers of Grosse Pointe Woods desire to dispose of the Chene-Tremblay playground and Community building to make room for a parking ground. I suppose they will find a way to do so. The playground and building were acquired with great effort by some of the older residents of what was, at that time, Lochmoor Village. Now at a time when recreation land is at a premium, our politicians are ready to sell out our precious possession. Once disposed of, the playground can never be recovered.

Rise up ye residents of Grosse Pointe Woods and make your voices heard.
Alice Hallead,

To the Editor:
I am writing this letter because I believe it would be of community interest to answer the article published in the Detroit Free Press on February 12th, in regard to Bidrin for Control of Dutch Elm Disease. The article is further proof that a little bit of knowledge is a dangerous thing. What was written is essentially true but very misleading to the general public.

There has been considerable experimentation with the chemical Bidrin. It is a systemic insecticide, which means that it is injected into the system of the plant and is absorbed and held by the plant for a period of time. When an insect feeds on a treated plant the insect dies.

These systemic chemicals and their methods of application, so far as elms are concerned, are still very much in the testing stage.

At the present time, the trees that have been injected with Bidrin have shown good results in beetle kill, but it also has created some problems.

It can seriously damage and kill elm trees, and it can be very dangerous to humans and their pets, before its injection into elms. Its residual is from 4 to 6 weeks, which means that 4 or even 5 injections a season would be required to give complete protection for one season. It must be remembered that Bidrin is an insecticide and hence, if a tree is infected, a Bidrin injection or any other injection at this time will not cure or control the fungus.

Until such time when Bidrin is approved for use by the United States Department of Agriculture, it is most important not

to relax our efforts in the present program that has been so effective, to date, in the Grosse Pointe Community.

Last but not most important, when a material is perfected, I am sure our own Michigan Department of Agriculture will

properly notify all people concerned with control of Dutch Elm Disease in a more informative manner.

What Goes On at Your Library

By Virginia Leonard

A perfectly delightful little book has just arrived in our library—THE ABCEDARIAN BOOK—by Charles W. Ferguson (also author of NAKED TO MINE ENEMIES)—the life of an alphabet book "of big words for adults with the curiosity of children and for children with the capacity of adults."

This is no "C stands for Cat" type of thing, I assure you. For Mr. Ferguson's money, A is for Antediluvian—H is for Heliotropism—X is for Xenophobia. These are big words, granted, but they are made up of a lot of syllables which are fun to string together, listen to, learn about. Some are of Greek origin, some Roman, some French. Gerymander comes from Governor Gerry of Massachusetts. Some words have changed in meaning down through the years, such as Umbrageous; others have a musical lilt, such as Sesquipedalian. Mr. Ferguson even suggests that we write this word as a poem:

Ses
qui
pe
da
li
an

to capture its appealing sounds. I learned so many things from this small volume. Did you know, for example, that the French language has only half as many words as the English language? Our word "phony" has two possible origins: one, from a man named Forney who sold cheap jewelry; the other, from the Irish word "fainne" (pronounced "fawney"). Irish street swindlers would sell these rings for a high price—the customer later finding out they were "phony."

If you are a word buff—a bibelot-ophile (as I am) this book will fascinate you. I became so caught up with the author's choice of words to represent the various letters of the alphabet, that I found myself challenged to compose a short, nonsense story, using all thirty of his selections. (You really thought there were only twenty-six letters in the alphabet?) I hereby present my efforts to you. I have entitled it AN INNOVATION.

Once upon a time there was a KNOWLEDGEABLE DIAGNOSTICIAN (whose specialty was PNEUMATOTHERAPY) who was addicted to TRANSCENDENTALISM, as well as WANDERLUST. With NOSTALGIA (and without the help of MNEMONICS!) he remembered the scenes of his youth. He remembered his SESQUIPEDALIAN penchants, and how, with the aid of the ENCYCLOPEDIA, as well as many other library reference materials, he had risen to become VALEDICTORIAN of his high school class—which is often CHARACTERISTIC of those with PUSILLANIMOUS tendencies.

As he was no candidate for XENOPHOBIA, he set out one day for his homeland, stopping frequently to RUMINATE on his future. On the way, he met a poor, UMBRAGEOUS JOURNEYMAN, whose interests were also LUNARIAN. This chap was also a politician, and in his checkered career he had even been called a GERRYMANDER. With a certain FLAMBOYANCY, the diagnostician greeted his fellow traveller. Here was a chance to practice PHILANTHROPY!

"Are there many allegories in this river?" asked the journeyman fearfully.

Certainly, here is not the QUINTESENCE of intelligence, thought the diagnostician, noting the MALAPROPISM.

Luckily, his YACHTSMANSHIP could serve its function at this time, and he was able to dispel all fears of ANTEdiluvian or BIOLUMINESCENT, ZOOLOGICAL creatures in that area from the mind of the simple lad.

Suddenly the sun came out from behind a cloud. All faces, both plant and human, were raised in unconscious HELIOTROPISM. A CACOPHONY of animal noises burst forth.

"The buzzing of the bees—the hissing of the snakes—how delightful!" exclaimed the diagnostician, with an ear for ONOMATOPOEIA.

And here, having successfully used all the words needed, I break off, somewhat abruptly I confess, leaving you to finish this fascinating story in any way you wish!

What's New on THE HILL

By SYBIL

A GROSSE POINTE CUSTOM . . . is a stroll together on the Hill after dinner or Sunday to window shop. There are so many new things, beautifully displayed that sometimes it's hard to wait until the stores open again.

THOSE WHO will go to any lengths and any distances to track down antiques will be interested to know that the Dants have brought an exceptional group to your doorstep. The new shipment includes a handsome Welsh cupboard and a very early English chest of drawers made of dark oak with wonderful hardware. Find them at 98 Kercheval.

GALLERY TRAYS you must see (because each is embellished with different English prints) are to be had at The League Shop . . . to be used by you for so many things . . . what with different sizes, shapes and colors! Another exclusive League Shop import. From sixteen dollars.

DID YOU want to know where PICCOLINO Italian custom knits for girls are? Coats, suits and dresses have arrived at Young Clothes, 110 Kercheval. There's a delightful variety.

MID-WINTER WONDER refreshing, restoring, fragrant Youth Dew comes in spray-shower oil by Estee Lauder. Be good to yourself order at Trail Apothecary Shop, 121 Kercheval. TUXedo 1-5688.

PILLOWS OF DISTINCTION arrived as we were leaving Denier, 77 Kercheval. We stayed to see them unpacked. Each one was an adventure in texture and color . . . white crewel on white, smoky gray-blue cut velvet. Fortuny and an outlined floral motif on white silk print with two companion cushions . . . to mention favorites. Go pick a few for yourself!

LAMPS can set a mood and give style to a room. Like the specially selected lamps by Paul Hanson and Stiffel found in a new group at the Mermaid. TUXedo 2-1610.

HIPPITY-HOP to the Goodman shop To buy a real nice shanty HO! HUM! John S. Goodman, for real service.

NEVER BE too busy to protect your health! A few hours gained can mean days in bed. Have a check-up and if medicine is prescribed, rely on Trail Apothecary Shop for prompt service. TUXedo 1-5688.

IT'S A FACT that 3,700 children are waiting for diagnostic study at Michigan child guidance clinics. The Northeastern Wayne Child Guidance Clinic is a new one trying to fill the need and to see children, as soon as possible.

Four hundred Pointers are planning to celebrate Washington's Birthday at a gala black tie event: The Grosse Pointe War Memorial Association's Noel Coward Evening.

Festivities begin at 5:30 o'clock Monday, when the entire party crowd will be treated to cocktails. Mr. and Mrs. James E. Gibson are opening their large house at Lincoln road and East Jefferson avenue for the occasion.

Guests have been asked to park in the War Memorial and to be transferred to the Gibsons' in chartered buses.

After an hour or so of conviviality, they'll board the buses again for the return trip to the War Memorial and, after dinner in the Crystal Ballroom, adjourn to Fries Theater for the performance.

Roderick Lovell and Hannah Watt, on tour from London, star in "The Sparkle of Noel Coward," final program in this season's "Lighter Side of Life" series.

Off to South America

Mr. and Mrs. John D. Benfield leave Lakeshore road for Bogota, Colombia, early next month. They will visit Mrs. Benfield's cousin, Elizabeth MacNeil, whose United States Government assignments have taken her from

GOP Women Plan Meeting

The February meeting of the Women's Republican Club of Grosse Pointe will be held in the Grosse Pointe War Memorial, Thursday, February 25, at 12:30 o'clock.

After luncheon and the business meeting, the guest speaker for the day will be Dr. George P. Loweke, Professor of Engineering Mechanics at Wayne State University, whose recently published book, "The Political Plaque in America" has evoked many favorable reviews. Among them, Robert LeFevre, author of "This Bread Is Mine," has said, "This book doesn't confine itself to party politics... In the manner of a marksman, Loweke parades the facts and shoots them down in as fancy a display of verbal gunplay as it has ever been our pleasure to read."

Notable excerpts from the text include: "Every time the citizenry votes, it votes for more care and less freedom" and "There is no such composite as freedom from want and freedom from fear without loss of freedom of choice."

Dr. Loweke holds four college degrees; two from the University of Michigan, one from the Chrysler Institute of Engineering, and a doctor's degree from the University of Berlin. He formerly taught economics, and at one time was an editor at Babson's Reports, Wellesley Hills, Mass. He is credited with teaching the first space flight course in the United States. Dr. Loweke will speak to the Women's Republican Club on "Hope for Republican Government in Washington."

Anna Petzold Speaks Vows to Mr. Norris

Papal Blessing Conferred upon Newlyweds; Pair to Make their Home in St. Clair Shores upon their Return from Aspen, Colo.

In St. Paul's on the Lakeshore Saturday morning, Anna Dempsey Petzold and Elgin Clifford Norris exchanged marriage vows.

The bride is the daughter of Mr. and Mrs. Thomas T. Petzold, of Edgemont Park. Her husband is the son of Mr. and Mrs. Edwin A. Norris, of Dorchester road, Birmingham.

A reception at the Country Club of Detroit followed the 11 o'clock ceremony.

For her marriage, the former Miss Petzold chose a peau d'ange Versailles gown, made especially for her in France, styled with a high, shallow neckline, fitted bodice, elbow length sleeves and full Cathedral train.

Her family veil of Brussels Princess lace fell from a peau d'ange Chanel bow and extended the full length of her train. Her flowers were white orchids.

Ruth H. Petzold served as her sister's maid of honor, and bridesmaids were Patricia Petzold, another sister of the bride, Mrs. William A. Petzold, III, Mrs. Miles M. O'Brien, Jr., Mrs. Fenton Remick, Ann Murphy, Susan Shaw, Mrs. Raymond J. Biggs, Shannon Murphy, of St. Paul, Minn., and Mrs. Philip Norris.

The 10 attendants wore long gowns of white Alaskine, applied with embroidered red roses accentuating their Empire waists. Their pixie hats were

fashioned of scarlet silk roses, and they carried sprays of green ivy.

Flower girl Muffie Biggs, daughter of Mr. and Mrs. Raymond J. Biggs, also wore a white Alaskine frock. Rosebuds were applied at her Empire waistline, and ankle length streamers fell from her red sash, tied in a bow at her back.

Her headpiece was a white bow, and she carried a nosegay of red Sweetheart roses.

Miles M. O'Brien, III, son of Mr. and Mrs. Miles M. O'Brien, Jr., was ring bearer.

Bartholomew A. Seymour, Jr., served as the bridegroom's best man. Ushering were Philip W. Norris, Michael A. Norris and John H. Norris, brothers of the bridegroom, William A. Petzold, III, brother of the bride, Charles E. Stumb, Jr., Martin Hartwell, Jr., Richard M. Senecal, John Kroha and Robert Kroha.

For her daughter's wedding and the reception, Mrs. Petzold chose a Christian Dior pink brocade suit, trimmed in satin, and American beauty accessories. Mrs. Norris wore a peacock blue brocade dress and matching hat.

The couple received a Papal Blessing at their Nuptial Mass. When they return from Aspen, Colo., the newlyweds will make their home in St. Clair Shores.

road, KATHRYN E. MAST, of McMillan road, SALLY SLATER, of Lewiston road, MARY BRODY, of Lakepointe avenue, SARAH BARRETT, of Fisher road, ALICE KNAPP, of Cloverly road, JANET RECOR, of Mt. Vernon road, and NANCY SMITH, of Kenwood court. Camp counselor CHRIS AMLUXEN, of Whittier road, will also be on hand to plan hikes, ice skating and tobogganing parties for the younger girls.

JEFF FOX, a member of Phi Kappa Psi, national social fraternity at Northwestern University has been elected Secretary of that organization.

Mr. Fox is a sophomore in the school of business. He is majoring in general business. He is the son of Mr. and Mrs. ELDON E. FOX, South Oxford road.

CONSTANCE BALSER, of Hollywood road, pledging Kappa Delta, is among 426 coeds pledged last week by social sororities following formal rushing at Indiana University.

Four Pointers were among the students at Michigan State University who achieved an all-A record during the fall term at the university. They are: PRUDENCE J. BAUM, of Moran road, a major in education; WILLIAM BAYLISS, of Hollywood drive; CORLISS F. CUBBERLY, of University place, whose major is foreign language, and MICHAEL H. ROE, of Lakepointe avenue, who is majoring in mathematics and

statistics. The honor students were recently honored at a reception and dinner given by the university's president John A. Hannah.

A grant of \$9,350, to be administered by DR. G. JAN BECKHUIS, professor and chairman of the department of otolaryngology at Wayne State University's School of Medicine, was announced recently in New York by the Deafness Research Foundation. Dr. Beckhuis, of Balfour road, will use the grant in establishing an "Animal Auditory Behavioral Testing Unit."

Among the recent vacationers at Boyne Mountain and Boyne Highlands were DR. and MRS. JAMES MARSHALL, of Middleseville boulevard, and DR. and MRS. J. C. DANFORTH, of Willow Tree place.

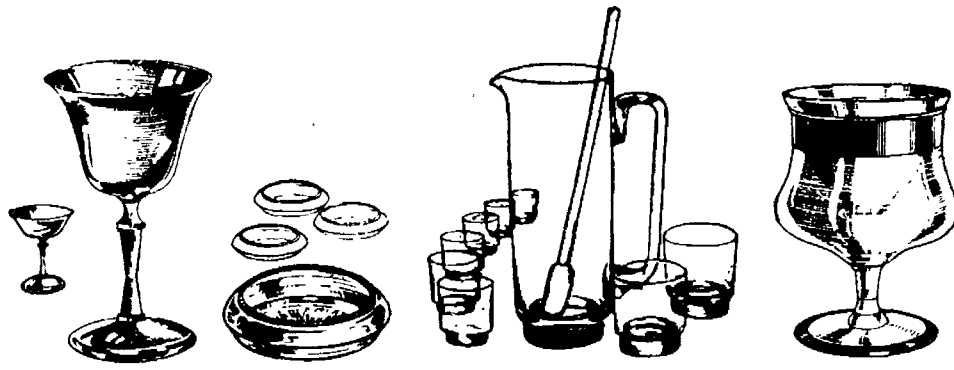

ROGER LARS ANDERSON, son of Mr. and Mrs. HAROLD ANDERSON, of Bedford road, recently completed Naval Officer Candidate Training at Newport, R.I., and received his commission as Ensign, USNR. Roger is a graduate of Michigan State University, where he earned his degree in Political Science. Harold Anderson, a Lieutenant Commander in the Naval Reserve, administered the oath to his son, who will report to the Destroyer USS Shields for duty.

Celia Jane Waxler Wed In St. Paul's

Newlywed Iacobellis Vacationing in Acapulco and Mexico City; Bride Wore Beau de Soie and Alencon Lace Gown

At a 12:30 o'clock ceremony Saturday, in St. Paul's on the Lakeshore, Celia Jane Waxler, of St. Clair avenue, daughter of Mr. and Mrs. Frederick Waxler, of Roswell, N.M., became the bride of Mario Iacobelli.

Reverend Leonard P. Wallace officiated at the double ring service, which was followed by a wedding breakfast and an evening reception at Alamo Hall.

The former Miss Waxler wore a gown of ivory beau de soie, fashioned with a controlled "A" line skirt and detachable train. Alencon lace accented her fitted bodice and elbow length sleeves, and a double sash with lace appliques defined her back waistline.

Her bouffant veil of French illusion fell from a lace and beau de soie circlet. She carried a cascade of small white roses and stephanotis, centered with a white orchid.

Maid of honor Alice Bonomo, of Ferndale, and bridesmaids Marilyn Marks, Madeline Hendrixson, Beverly Johnston and Nancy Ross, the bride's room-mates, were gowned alike in floor length frocks featuring light blue crepe skirts and sapphire blue velvet bodices.

Sculptured velvet roses held their silk illusion halo veils, and their flowers were cascades of blue-shaded flowers.

The bridegroom, son of Mr. and Mrs. Michele Iacobelli, of Warren, asked Jack Schoelch, of Warren, O., to act as best man.

In the usher corps were Lawrence Sullivan, Robert Collins, of New York City, George McDonnell and I. M. Iacobelli, the bridegroom's brother.

Flower girls were Claudia Iacobelli and Linda Iacobelli, and Michael Iacobelli was ring bearer.

In the absence of her father, the bride was given in marriage by an old family friend, Theodore Bantz. Mrs. Bantz wore a jeweled green silk sheath, with matching accessories, and an orchid corsage.

Mrs. Iacobelli chose a pink crepe afternoon dress with a lace jacket, matching accessories, and an orchid corsage.

For traveling to Acapulco and Mexico City, the bride donned a double-breasted suit of champagne beige reindeer wool knit.

The newlyweds will make their home in the Pointe.

LWW Studies Current Issues

Local, state and national issues has been receiving attention from the Grosse Pointe League of Women Voters.

On the local level, the League is sponsoring tours of Grosse Pointe High School. On the state level, League members conferred with their state legislators in Lansing. On the national level, they listened to a discussion of the U. S. policy with regard to China.

The League, as a community service invited representatives from more than 80 Grosse Pointe organizations to visit the school to observe present conditions.

In her letter of invitation, Mrs. Minert Thompson, chairman of the League's committee studying school needs, pointed out that this was an opportunity for the citizens to see why the Board of Education is asking approval of funds for the construction of an additional high school.

Property-owning residents will vote on March 22 whether to approve the Board's request for a \$7,358,433 bond issue.

At recent League meetings, Mrs. Thompson pointed out that High School enrollment increased 464 from December 1963 to December 1964. She said building a second high school will help relieve overcrowding in all Grosse Pointe schools.

It will enable the community to provide a better education, make it possible for more students to participate in clubs and athletics and help preserve property values throughout the community.

Mrs. Thompson also reported that it will take three less personnel to man a second high school than it would to try to "make-do" by expanding existing facilities.

Grosse Pointe League members joined with others from Leagues throughout the state for their annual Capitol Day visit on Wednesday, February 3, at the Jack Tan Hotel, Lansing.

Those attending included Grosse Pointe League President Mrs. Robert J. Jassup, Mrs. Jack Still, Mrs. Ted Beebe, Mrs. Lee Johnson, Mrs. George Brown, Mrs. Minert Thompson and Mrs. Howard Maxwell, III.

They heard members of the Capitol Press corps predict "What to Expect From the 1965 Legislature," attended a luncheon where they had an opportunity to question the legislators from their districts, and observed the legislature in session.

"The U. S. China Policy" was discussed at a dinner meeting at the Grosse Pointe War Memorial Center at 6:30 o'clock Tuesday, February 9.

Dr. Sheldon Appleton, professor of political science at Oakland University, a specialist on the United Nations, China and East-West relationships, spoke and answered questions.

RESULTS COUNT

A man's imagination isn't the only thing that has to work if he expects to meet the high cost of living.

The Contemporary Literature group will continue its study of the short story with a program on "England: What Con-

tributions are Her Writers Making to the Contemporary Short Story?" Mrs. Samuel Nelson and Mrs. David Coolidge will lead the discussion at the home of Mrs. Edward Sandell, of Fisher road, at 7:45 o'clock Tuesday, February 23. Mrs. Ralph Kimble and Mrs. Clifford Ammon are co-hostesses.

The Studio Arts group will hold its weekly meetings February 18, and 25 at 7:30 o'clock at the home of Mrs. Ralph Kimble, in Fisher road.

AAUW Groups Set Meetings

Dr. Charles E. Feinberg, collector of memorabilia of Walt Whitman, will discuss the famed American poet and Abraham Lincoln at the February 18 general meeting of the Grosse Pointe Branch of the American Association of University Women.

He will speak at the Grosse Pointe War Memorial Center following a 12:30 o'clock luncheon.

Dr. Feinberg, who is described as a businessman with literary interests, has been collecting Whitman books, manuscripts, papers, and mementoes for 45 years and has the most nearly complete Whitman collection in the world. He also has important collections of Ernest Hemingway, Robert Frost, and William Faulkner.

Dr. Feinberg, who devotes much of his time to cultural and educational programs, holds honorary degrees from Albion College, is an honorary member of Phi Beta Kappa, and is president of the Detroit Chapter of Phi Beta Kappa. He was appointed to the Michigan Historical Commission in 1960.

Mrs. Marshall Collins will review the book, "Night Comes to the Cumberland," a story of Appalachia, for the Book group at 1 o'clock Monday, February 22, at the home of Mrs. G. A. Kvechenmeister, of Beaufait road. Miss Irma Bielenberg is co-hostess.

Announce Fall Opera Schedule

The signing of final contracts between the Metropolitan Opera Association, the John F. Kennedy Center for the Performing Arts and the Detroit Grand Opera Association will bring to Detroit eight performances in six days of the newly-formed Metropolitan Opera National Company in October, 1965.

In announcing the signing, Wilber H. Mack, president of the Detroit Grand Opera Association, said, "We welcome the opportunity to present the new National Company to Detroit in its maiden year. The annual May visit of the Metropolitan has become one of the musical and cultural highlights of the season, and the appearance of the new National Company in the fall will enhance Detroit's stature as one of the nation's most opera-loving cities."

The National Company, which will be under the general management of former Metropolitan star Rise Stevens and Michael Manuel, will be presented in four different operas, some of them performed in English, in six evening and two matinee performances, October 18 through October 23.

The performances will be given in the Fisher Theatre, marking the first time grand opera will have graced its stage. "The Nederlander family, proprietors of the Fisher Theatre, were of great assistance in arranging for the National Company to include Detroit on its tour," Mack stated.

Following is the schedule of performances planned for the fall tour: October 18, Carmen; October 19, Madame Butterfly; October 20, matinee, Carmen, evening, Cinderella; October 21, Madame Butterfly; October 22, Susannah; October 23, matinee, Madame Butterfly, evening, Carmen.

Mack also announced that a popular-price ticket policy will prevail for the National Company's appearance and that additional information concerning casts and ticket arrangements will be forthcoming in mid-summer.

Aggressiveness will carry a man far in this life, but he needs common sense for ballast.

Tau Beta Members Gather for Meeting

Mrs. H. Richard Fruehauf, Jr., Elected President of the Organization; Tracy Heenan to Head Grosse Pointe Juniors

Tau Beta combined a serious and gala evening at its dinner and annual meeting at the War Memorial recently.

Mrs. Alfred M. Davock gave the Neighborhood Service Organization report. N. S. O. is cooperating in the exciting drive on poverty being made by the government's T. A. P.

Mrs. Frederick E. Harris, Jr., described the new infirmary building at Tau Beta Camp, which it is hoped will be completed for the coming season.

The camp, at Columbiaville, provides wholesome recreation for a cross-section of the community's youth. It is used by children with special problems at the end of the summer.

New officers elected were: Mrs. H. Richard Fruehauf, Jr., president; Mrs. J. Otis Wardwell and Mrs. Jane Chapin, vice presidents; and Mrs. C. L. Mat-

thews, III, and Mrs. John Stephenson, Jr.

Continuing in office are Mrs. Edward I. Book, Mrs. Peter Dow and Mrs. Harris. The retiring president, Mrs. Henry Campbell, III, and Mrs. Murray Fowler were elected trustees.

Tracy Heenan heads the Grosse Pointe Tau Beta Juniors, assisted by Sarah Drummey, Gretchen Hughes, Martie Jones and Julia Fisher. New Birmingham Juniors' president is Sherry Strickland, assisted by Chris Frizell, Julia Frank and Rosalind Fredericks.

The evening closed with the showing of a movie of Tau Beta's twenty-fifth anniversary celebration in 1926.

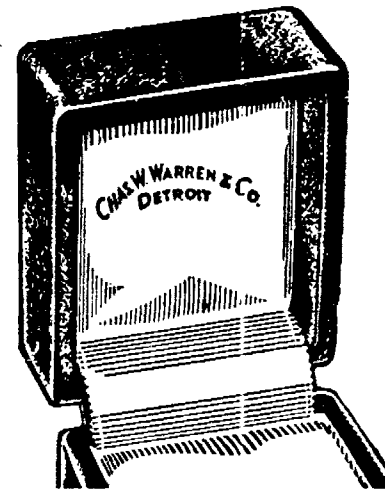

Early morning risers usually rise above their troubles.

Paul F. Heenan To Claim Bride

Mr. and Mrs. Leo W. Grace, of Forer avenue, Detroit, have announced the engagement of their daughter, Kathleen Ann, to Paul Francis Heenan, son of Dr. and Mrs. Theophilus H. Heenan, of Three Mile drive.

The announcement was made at a family gathering at the home of the bride-elect, who is a graduate of Mt. Carmel Mercy School of Nursing.

Her fiancé attended Hillsdale College and the University of Michigan.

honor, Diana S. Brown was maid of honor.

Bridesmaids were Judith S. Rollinson and Mrs. Hugh Beyer, sisters of the bridegroom, Charlotte M. Ford, Mrs. George B. Hefferan, Jr., Mrs. William K. Hosenstein and Mrs. Robert P. Lambrecht.

They wore long dresses of yellow raw silk, styled with scoop necklines, short sleeves and moss green satin Empire bands edged with mimosa embroidery.

Their headpieces were small matching cat's of yellow silk, trimmed with the moss green satin and mimosa embroidery. They carried bouquets of narcissus and ivy.

The bridegroom, son of Mr. and Mrs. Simeon Harrison Rollinson, Jr., of Llewellyn Park, West Orange, N.J., asked his cousin, Charles B. Swartwood, III, to act as best man.

Ushers were George B. Hefferan, Jr., brother of the bride, Harry M. Jewett, II, Hugh Beyer, Nicholas Carper, F. Harris Nichols, Leon Irwin, P. Oia d'Aulaire and Henry C. Cashen.

For her daughter's wedding and the reception, Mrs. Hefferan chose a dress and matching purse of pale green lace. Mrs. Rollinson wore a dress of melon silk.

For traveling to Mont Tremblant and Montreal, the bride chose a pale blue wool suit, with black accessories.

Upon their return, the newlyweds will make their home in Llewellyn Park.

Celebrate DBC Birthday Feb. 19

The 126th birthday dinner of the Detroit Boat Club will be held Friday evening, February 19.

The birthday of the oldest Rowing Club in the world is always traditionally a gala occasion for a huge turnout of the old, the new and the not-so-new members.

Cocktails will be at 6:30 and dinner will be served at 8 o'clock, followed by the cake-cutting ceremony by the oldest living member of the club.

This year's honor goes to Alan H. Kessler, 92 years young and a former oarsman. Mr. Kessler joined the Boat Club in 1898 during the Spanish-American War.

There will be a presentation of 25 and 50-year certificates. The entertainment of the evening will be Karrell Fox, billed as "King of Korn."

The committee this year is chaired by Herb Bumpus, assisted by Roy DeHart, John MacFarlane and Harry Sisson.

League Plans Symposium

There is no mystery as to why the Junior League of Detroit, and the United States Food and Drug Administration, Detroit District, are co-sponsoring a Poison Control Symposium entitled "Poison Is No Picnic," at Cobo Hall on Tuesday, March 16.

The Junior League has been active in the poison prevention field since September, 1963, when its members voted to extend the Poison Control Center existing at Children's Hospital of Michigan.

Junior League funds have added a director, senior medical student, clerk-typist and medical secretary to the staff of the Poison Control Center there.

Junior League volunteers are at the Children's Hospital Center five days a week collecting factual material from all patients who have had need for the Center. This material is charted and studied both here and at the Poison Control Center in Washington, D. C.

More volunteers have taken the slide presentation called "Poison In Your Home," to 2,000 first and fourth grade children in the Detroit schools and to Co-operative Nursery School parents.

Poison Prevention has been taught by Junior League members over the radio, on television, in local newspapers and magazines, and by use of posters located in hospitals, doctors' offices and public buildings throughout the community. Literature is freely distributed on every occasion.

Valenti-Bantle Rites Celebrated Friday

Newlyweds to Live in Wayne, Mich.; Bride Chooses Cabbage Rose Headpiece and Elbow Length Illusion Veil

Judith Anne Bantle chose a peau de soie sheath gown, styled with an attached chapel length train, for her marriage Friday evening, in Our Lady Queen of Peace Church, to Ronald John Valenti.

A reception at Chateau Bleu followed the 8 o'clock ceremony.

The bride, daughter of Mr. and Mrs. John A. Bantle, of Broadstone road, wore a cabbage rose headpiece with an attached elbow length illusion veil. She carried a cascade of phalaenopsis orchids, ivy and stephanotis.

Maid of honor Sherrilyn Cable, bridesmaids Sharon Nisan and Joyce Kalsiewicz and junior bridesmaid Diane Schulte, the bride's cousin, were gowned alike in floor length frocks of peau de tulle. Their flowers were cascades of rubrum lilies and ivy.

Frank Valenti served as his brother's best man. They are the sons of Mr. and Mrs. John Valenti, of Livonia.

In the usher corps were John

Bantle, brother of the bride, Douglas Schulte, the bride's cousin, and Robert Fishback.

For her daughter's wedding and the reception, Mrs. Bantle chose a pale pink crepe sheath, with a beaded neckline. Her corsage was fashioned of white and pink-shaded cymbidium orchids.

Mrs. Valenti wore a gold brocade sheath, with a matching jacket, and a corsage of white and gold-shaded cymbidium orchids.

The newlyweds are making their home in Wayne, Mich.

AAUW Sponsors Lansing Session

Members of the Grosse Pointe Branch of the American Association of University Women will join with other AAUW members throughout Michigan to hear a discussion of the state's education problems on Thursday, February 25.

"The Forward Look in Education" will be the theme of AAUW's annual Legislative Day at the Jack Tar Hotel in Lansing.

The day's schedule begins with registration from 9:15 to 9:45 o'clock.

The morning session will be a discussion of the drop-out problem and state school aid. A question period, lead by two AAUW representatives and a representative from the Department of Public Instruction, will follow the discussion.

Dr. John Tirrell, of Oakland Community College, will discuss the "Community College Movement" at a luncheon to which members of the Legislature have been invited. Following luncheon AAUW members will gather in the Capitol to observe the Legislature in session.

Reservations are due Friday, February 19, and may be made by calling Mrs. Lee Johnson, 885-0852.

Women who have recently joined AAUW include Mrs. Peter Foley, Mrs. Lindsey M. Hobbs, Sr., Mrs. Armand C. Kerber, Mrs. Richard McLaughlin, Helen Mutton, Mrs. R. Frederick Shepherd and Mrs. Donald Young.

Women interested in joining AAUW may call Mrs. Urban Borech, 886-4892, for information. Graduates of qualified colleges and universities are eligible.

Fortnighters Launch Season

Last Sunday the Grosse Pointe Fortnighters started their 1965 season with an "All-Out" social evening in the second floor lounge of the Grosse Pointe Memorial Church.

The Rev. Donald F. Schroeder, Ph.D., was the guest-speaker on one of the most interesting topics among young adults: "So, you want to get married?" Many anonymous questions were solicited and the hour long stimulating discussion - lecture was followed by a Social Hour with coffee and doughnuts.

New Fortnighters president W. Wilhelm stated: "We have had a most interesting evening and a record turn-out. I want 1965 to be our most dynamic year and I can assure you one of the finest selection of programs. I invite all Grosse Pointe single adults, 21 and over, to join us at our next big meeting on Sunday, March 21, and at our coming dinner-dance at the Detroit Yacht Club. Watch our weekly ad in the Grosse Pointe News and write now for our "social schedule" to Grosse Pointe Fortnighters, P.O. Box 4, Detroit 48232."

AFS to Benefit From Concerts

The Detroit Metropolitan Board of the American Field Service is sponsoring benefit folk and jazz concerts on Saturday, February 27, at 8:30 p.m. and Sunday, February 28, at 1:30 p.m. in the Masonic Temple.

The program will feature the Ford Caravan of Music which includes The Serendipity Singers and the Oscar Peterson Trio.

All proceeds from the performances will go to the support of the American Field Service's New York office.

The foreign students who are studying in Michigan this year under the Field Service's International Scholarship Program will be presented to the audience and will be dressed in their native costumes. There are currently four students studying at Grosse Pointe High School and two at Grosse Pointe University School under the American Field Service auspices.

Mrs. Joseph Schlottman of "Stonehurst," Lakeshore road, is honorary chairman of the Detroit district board of directors. Other Pointers serving on the board are Mrs. John Malcolm of Barrington road, treasurer; Mrs. William O. Brink of Edgemere road and Mrs. Andrew Barr of Merriweather road.

Tickets for the benefit are on sale at the Masonic Temple box office, Grinnell's, Grosse Pointe High School and Grosse Pointe University School.

To Give Play For Children

The children of Grosse Pointe will be given an opportunity to see the delightful fairytale "Rumpelstiltskin" at Pierce Junior High School Auditorium on Saturday, February 27.

The play will be performed by the professional "Traveling Playhouse of New York City," which has been brought to the community by the Grosse Pointe Branch of the American Association of University Women. The play highlights the magic spinning wheel, making gold, lots of songs and many colorful costumes.

Mrs. David Howell, Children's Theater chairman, has announced that there will be two performances, 1 o'clock and 3 o'clock, and that the price of admission is 75c.

Tickets can be purchased from AAUW representatives in the schools or the following area merchants: Peter Pan, Inc., and Doubleday's in "The Village;" Punch and Judy Toyland in Kercheval avenue; Harkness Pharmacy in Mack avenue. Tickets will also be on sale at the door the day of the performance.

Group seats for 11 or more children can be reserved if Mrs. David Coolidge, TU 2-8978, is notified by February 25. (This is a fun way to entertain birthday parties, cub scouts, brownies and nursery school groups.)

The Pointe Players, under the direction of Fred Nelson, will usher at both performances and will also help behind the stage with scenery and costumes.

The Traveling Playhouse is an adult professional company performing especially for children under the direction of Ken and Kay Rockefeller. A grant from the Rockefeller Foundation originally enabled the Playhouse, now in its 16th year, to inaugurate its program of presenting plays for children from five to 12 years of age.

This is the fifth consecutive year that AAUW has brought the Playhouse to our community.

The benefits of the theater program are two-fold: to help raise funds for AAUW Fellowship Fund, which gives financial assistance to American and Foreign women for postgraduate study and research, and to give the children of the community an opportunity to view a live professional theater production.

Local AAUW members responsible for bringing "Rumpelstiltskin" to the children of the Grosse Pointe Communities on Saturday, February 27, are: Mrs. David Howell, chairman, Mrs. W. E. Baker, Mrs. William Beaufait, Miss Virginia Becker, Mrs. Abram Brown, Mrs. Kenneth Cook, Mrs. David Coolidge, Mrs. Richard Dietz and Mrs. M. Lloyd Davis.

More are Mrs. Gilbert DiLoreto, Mrs. Richard Edin, Mrs. Richard Edwards, Mrs. Thomas

Estes, Mrs. Edward Francis, Mrs. John Grylls, Mrs. Robert Hollar, Mrs. Richard Heglin, Mrs. Edward Hanpeter, Mrs. James Kennary, Mrs. Harmond Kerber, Mrs. John Mackay and Mrs. Alex McNeil.

Still more are Mrs. Samuel Nelson, Mrs. Roy Peters, Mrs. Thomas Roach, Mrs. Lawrence Schmidt, Mrs. Jack Swidler, Mrs. Edward Sandell, Mrs. Robert Warner and Mrs. William Waugaman.

Lake Front Estate . . .

Through portly gates and a walled courtyard, lies one of Pointe's most interesting homes. Conceived and built in the lush boom days of the late 20's at a cost of approximately \$600,000, it represents not only a fine investment but also a heritage to be passed on to future generations.

Situated on a site 222'x450' in size with gracious lawns sweeping down to the water's edge, it offers city-suburban living at its luxurious best.

Room accommodations are ample and among its many features are a 2 story living room, bleached walnut paneled library, morning room, Florida room, recreation room with bar, 4 car attached garage with electric eye door openers, lawn sprinkler and just about everything else one can think of.

Should you be one of the fortunate few who want, and can afford, the best, you will be interested in seeing the attractive brochure we have prepared for this offering. The low price will surprise you.

Joan of Arc Library Benefit Scheduled

At a recent committee meeting in the home of general chairman Mrs. Gerald Goodin, plans were put into operation for a benefit card party and fashion show, to be sponsored by the Christian Mothers' Rosary Confraternity of St. Joan of Arc Parish.

Party proceeds will be used to supplement material at the parish school's reference library.

At the present time, the library is being used by 750 children. Second semester doors will open to 250 more students, making the need for new library materials imperative.

The party will be held next Thursday evening, February 25, at 8 o'clock, at the Grosse Pointe War Memorial. Mink is to be featured in the fashion program.

Prizes will be awarded, re-

freshments will be served. The donation of \$2.50 will be used to enrich the minds of young people.

The public is invited to participate. For ticket reservations or further information, contact Mrs. Stanley Sharon, ticket chairman, at PR 5-0543.

WNF&G Council Meeting Slated

The Winter Council meeting of the Michigan Division of the Woman's National Farm and Garden Association will be held at the Detroit Yacht Club on Belle Isle, February 18.

The president of the state-wide organization, Mrs. Clarence E. Maguire, of Lochmoor boulevard, plans to make this conference an old-fashioned "town hall" type of meeting where everyone attends and participates.

Instead of individual departmental forums, one large open meeting or "member workshop" will occupy the entire morning session. Representatives from some 92 branches, consisting of a membership of approximately 5,000 women, will be present to discuss their projects, plans, and problems.

These will fall into classifications of Horticulture, Scholarships, International Cooperation, Conservation, Civic Improvement, Flower Shows, Rural Urban Relations, and Horticultural Therapy.

After luncheon in the club dining room, there will be another discussion and question period directed to state officers and committee chairmen. The East Detroit Branch, with Mrs. H. Rollin Allen as general chairman, will serve as hostess branch for the meeting.

Members from The Pointe planning to attend include Mrs. Ivor D. Harris, Mrs. J. Crawford Frost, Jr., Mrs. John Vaeck, Miss Marie Louise Anderson, Mrs. Warren L. Trafton and Mrs. Ernest P. Lamb.

Men never get too old to learn, but can't always understand.

Mr. and Mrs. Frank M. Schuch, of Bournemouthe circle, announce the engagement of their daughter, MARILYN JEAN, to Michael Thomas Cantwell, son of Mr. and Mrs. John M. Cantwell, of Washington road. Mr. Cantwell is City Manager of Grosse Pointe City.

Both the bride-elect and her fiancé are graduates of St. Paul High School. Miss Schuch attended Western Michigan University. Her fiancé attended John Carroll University and is presently attending the University of Detroit.

A June wedding is planned.

Austin Mothers Meet Feb. 24

Signs of spring will be evident at the next general meeting of Austin's Mothers Club on Wednesday, February 24, at 8 o'clock in the school cafeteria in East Warren avenue.

Spring hats of every description will be featured along with gloves, jewelry and a variety of accessories to be tried on and purchased by members for a nominal fee.

Fiesta plans, which are nicely on the way, will be discussed at the business meeting.

Other business at hand to be discussed will be plans for the Mothers and Sons Communion Breakfast, a yearly event — this year to be held on Sunday, March 7, for freshmen and sophomores and Sunday, March 14, for junior and seniors.

Experienced men know criticism is a friend of success.

Fancy car: Buick Special V-6

Fancy. But not too fancy. Just enough to make your friends think you've found oil in the basement. You may think so, too, when you get acquainted with Buick's V-6—the best thing that ever happened to 6 cylinders. Its 225 cu. in. delivers 155 h.p., without delivering you to the gas station all the time. As to the plain, homely price: you'll find it looks restful in the family budget. We design the Buick Special so you can drive a Buick and still enjoy the other good things in life. See your Buick dealer. Remember: a Buick for only \$2343.00*. That's the plain, honest (inspiring) truth.

Plain price: \$2343.00

*Manufacturer's suggested retail price for Special V-6 2-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge (transportation charges, accessories, other optional equipment, state and local taxes additional).

Wouldn't you really rather go first class?

Joint Glee Club Concert Planned Feb. 26

The Men's Glee Club of Wayne State University will host the Men's Glee Clubs of Michigan State University and the University of Michigan in a combined concert entitled "Three for Tonight" on Friday evening, February 26. Purposes of this gala concert will be to foster a spirit of comradeship among the three universities and to aid the Wayne State Glee Club in its fund raising which will help pay for its forthcoming European tour in the summer of 1965.

Tickets for the concert at the Ford Auditorium are \$1.50 student and \$2 general admission. They can be purchased from the WSU Ticket Office, Grinnell's Downtown, at the Ford Auditorium and at the door the night of the concert.

Garden Center Spring Lectures

Once again, the Grosse Pointe Garden Center board proudly announces a series of three fine lectures, complimentary to the THOUSAND(!) Center members.

First will be the ever-popular talk on "Landscape Design" by Cyril B. Paumier, Jr., scheduled Friday morning, February 26, at 11 o'clock in Fries Auditorium.

Mr. Paumier's credits include an Ohio State University degree in Landscape Architecture, a Master's degree from Harvard in the School of Design, private and city planning, and a special interest in urban renewal in Cleveland and other cities.

Marshall Engle will tell "How To Start Plants in Spring" at the second lecture Friday morning, March 5, and on March 12 the Center's own Mrs. Ben Beyer will show her glorious slides on "The Miracle of the Mid-East."

(Advice to those planning to attend this final lecture: Get to Fries Auditorium early! — the ladies who have heard "Mac" Beyer's other travel talks will be there way before 11 to snap up all the good seats).

Roman Ceremony

Mason William Borgman, Jr., O.S.A., will be ordained a priest this Saturday, at the Augustinian International College of St. Monica, Via S. Uffizio, Rome, Italy, at ceremonies presided over by 93-year-old Francesco Cardinal Morano, senior member of the College of Cardinals in age.

He celebrates his first Solemn Mass at noon Sunday, in the college's public chapel.

In the congregation will be his proud parents, Mr. and Mrs. Mason W. Borgman, of Yorkshire road, his two sisters and their families, an aunt, Mrs. Charles E. Madden, of Minneapolis, and her daughter, Sister M. Bianca, O.P., of Chicago.

His Augustinian confreres will act as minor ministers and choir, among them Pointers Grahame Capp, O.S.A., and Frederick Weisse, O.S.A.

Travel Notes: South and West

Family winter vacationers include the Robert M. Peabodys, of Lochmoor boulevard, sunning themselves in Belleaire, Fla., with Bob, Brian and Beth.

The Richard J. Martins, also of Lochmoor boulevard, recently returned from the West Coast, where they stopped off in Los Angeles, visited Mr. Martin's father, Ray L. Martin, in Palm Springs, and relaxed at The Thunderbird in Palm Desert.

There's another trip in the offing for Mr. and Mrs. Martin, who plan to drive to Florida in April; John and Sandy Martin will join their parents in the south during spring vacation.

Mr. and Mrs. John F. Longe, of Lakeland avenue, are just back from a 10-day stay in San Francisco. While visiting their daughter, Karen, they were guests of honor at a dinner party in the home of the William Wilders, of Terra Linda.

June Bride

The engagement of SALLY LYNN HARRIS to Timothy Hannert is announced by her parents, Mr. and Mrs. Charles J. Harris, of Nottingham road.

Miss Harris is a senior at Michigan State University, where she is affiliated with Alpha Phi sorority. Her fiancé, son of the late Mr. and Mrs. Homer Hannert, of Berkeley, is also a senior at Michigan State University, in the Pre-Med curriculum.

Plans are being made for a June wedding, in the Grosse Pointe Memorial Church.

Northeastern Women

Northeastern Woman's Club members will gather Monday, February 22, in St. Philip and St. Stephen Church parlors at 1 o'clock. A business session is scheduled at 1:30 o'clock. Mrs. R. J. Sanderson will speak on "Spot Shots."

JAMES HUMPHREYS of Cadieux road is a member of the freshman swimming team at Yale University. Swimming is one of the seven winter sports in which Yale students participate at the varsity and freshman levels. Humphreys prepared for Yale at St. Paul's School where he participated in intramural sports.

Fathers Feted By Girl Scouts

Girl Scouts of St. Clare Parish held their ninth annual Father and Daughter Banquet on February 4 at the Fries Auditorium. Three hundred and seventy-eight Scouts and Dads had a very enjoyable evening.

Co-chairman of this successful event were Mrs. Vernon Kinner and Mrs. John Nahra. Special guests included Rev. Jerome Heyman, Mrs. Arthur Richards, Troop Consultant, and Mrs. Albert Welch, Neighborhood Chairman.

Leaders of the Troops are: 1455, Mrs. J. M. Siero and Miss Virginia Blow; 888, Mrs. Robert Irwin and Mrs. Joseph Eichenlaub; 2368, Mrs. Osca Forina and Mrs. Anthony Brodeur; 1057, Mrs. Rodman Moesta and Mrs. Sam Palazzola; 960, Mrs. V. J. Lynch and Mrs. Philip LeZontier; 1363, Mrs. John Fallon and Mrs. Ralph Neumann; 1667, Mrs. Leonard Bauffait and Mrs. Robert Ruhl; 898, Mrs. Irwin Schaffner and Mrs. Earl Schill; 2227, Mrs. Thomas McBryan and Mrs. William Ciampataro; 2095, Mrs. A. V. Kinner and Mrs. James Spatafora.

Theme for this event was "Let Freedom Ring." The girls from each troop presented a check to their leaders for the "Juliet Low Fund." These checks were presented in containers of various shapes, Statue of Liberty, Liberty Bell, Flags, etc.

There will be movies shown on Saturday, February 20, at St. Clare School basement, with a small admission charge. This will be for children of all ages. Movies to be shown are "The White Mane," a story of a boy and a wild horse; Walt Disney's "Bear Country"; "Mike Milligan and His Steam Shovel," and the fascinating "Bird Island."

Mrs. John Cook is chairman and Mrs. Kenneth Duffy is handling the making and distribution of posters.

SNAP JUDGMENT

U. of D. High School Gala Night Scheduled

Unisphere, Automotive Displays, New York Skyline and
World Displays to Be Featured at Traditional
Mothers' Club-Sponsored Party

Did you know that you can take a trip to the World's Fair without far travel? The route is a direct one to Gala Night in the World's Fair at University of Detroit High School on Saturday, February 20, from 8:30 to 12:30 o'clock.

Sponsors for the 30th annual event are members of the U. of D. High Mothers' Club.

The New York Night Skyline and a profusion of world displays will decorate the gymnasium where guests may dance to music by Mack Pitt's orchestra. In the Orient, apple blossoms will surround a bewitching Japanese mannequin.

Other main attractions are the Unisphere and the Automotive Display, which will feature old models as well as 1965 models, in the student cafeteria.

Students and their dates will dance to Jerry Richardson's band in the World's Fair Library.

Refreshments and prizes are planned for the evening. Pro-

ceeds will aid an existing fund at the High School. It assures continued education for any enrolled student at U. of D. unable to continue his education there due to family tragedy.

Mrs. Gerst Wever is general chairman with Mrs. John Lenihan as co-chairman. Assisting them are Mrs. Joseph Bruesch, Mrs. John Racine, Mrs. Lawrence McCartin, Mrs. Nils Hammarstrom, Mrs. Vern Bednark, Mrs. John Carrigan, Mrs. Stephen O'Donnell, Mrs. Joseph and Mrs. John Ober.

Other Grosse Pointe women working on Gala Night are Mrs. Mullen Barrett, of Touraine road, Mrs. Patrick Crowley, of Stephens road, Mrs. David Marquette, of Oxford road, and Mrs. David Richardson, of Kensington road.

Church Groups To Hear Dodson

Rear Admiral Oscar H. Dodson (U.S.N. ret.) will be the speaker at a "Men's Night" general meeting of St. Paul Lutheran Women, Tuesday, February 23. The topic of his speech will be "Coins of the Holy Land."

Admiral Dodson is currently the director of the Money Museum of the National Bank of Detroit, and a Detroit area television personality. Following his retirement from active service in the Navy, Admiral Dodson became an assistant professor in the history department at the University of Illinois, where he taught courses in naval science.

He has had a life-long interest in numismatics (the study of coins) and has become an authority in the field. He has travelled extensively both in the course of his career and on his own. His visits to the Holy Land and the Mediterranean areas have enabled him to acquire a knowledge which gives him an authoritative background for the topic of his speech.

President Mrs. Ben Bregi will

conduct the meeting. Education secretary Mrs. John Stevenson will present the speaker. Mrs. William Frame, social affairs secretary, is in charge of preparations for the banquet which will precede the meeting. The dinner will begin at 6:30 and will feature a menu of prime ribs of beef for this evening when all the men of the congregation are invited.

Visitors and guests are always welcome at St. Paul Women's meetings.

Village Garden Club To Meet

The Village Garden Club of Detroit and Grosse Pointe will hold its February 26 meeting at the home of Mrs. Kenneth Cunningham. Assisting hostesses will be Mesdames Raymond Berry, John French and Forrest Manker.

Following the meeting and luncheon, a horticulture therapy workshop program will occupy the ladies during the balance of the afternoon.

Braille Group Elects Officers

The newly formed Grosse Pointe Braille Transcribers met for luncheon at the Village Manor February 2 and elected officers.

President of the association is Mrs. Gerald Fitzgerald. Mrs. Marjorie Leason serves as vice president. Mrs. James McNamara as secretary-treasurer. Mrs. John M. Grubbs as publicity chairman and Miss Gertrude Schwarz as membership chairman.

Mrs. Glyn Myers, instructor of the Braille Transcribing Class, was elected chairman to represent the members at the tri-county braille meetings.

Certified braille transcribers are invited to call Miss Schwarz at 884-0915, for further information regarding the Pointe group.

Church Circles Slate Sessions

There are changes in the Circle meetings of the St. James Lutheran Church Women's Guild for the month of February. The Sarah Circle met a week early on Monday, February 15, at the home of its chairman, Mrs. Francis Schulze, in order to prepare tray favors for the Georgian Court Nursing Home visitation on February 22.

On Monday, February 22, at 12:30 o'clock, the following Circles will meet: Esther, at the home of Mrs. Bernard Beierla in Radnor circle; Martha, at the home of Mrs. William Heller in Hawthorne road, (their guest speaker will be Pastor George Kurtz); Mary, at the home of Mrs. Roland Blank in Lakeland avenue; and Ruth, at the home of Mrs. Wilbert Ziemi in Broadstone road.

All the evening Circles—Dorcas, Elizabeth, Lydia and Miriam—will meet jointly on Tuesday, February 23, at 8 o'clock, in the Green Room at the Church.

Vicar Alan Harre will be the speaker, basing his devotions on the "Book of Amos."

The Circles will separate after devotions, each to work on individual projects, reconvening later for dessert and fellowship and closing prayers.

Garden Club Has Meeting

Members of the Garden Club of Michigan gathered Tuesday at the Kenwood road home of Mrs. William C. McMillan to have "Fun with Flora."

Co-hostesses were Mrs. Ford Ballantyne, Jr., Mrs. Theodore McGraw, Mrs. E. McMillan Caulkins and Mrs. William L. Newman.

The club's next meeting is scheduled April 20.

Church Women Plan Luncheon

The Women's Association of the Grosse Pointe Memorial Church will be honored to have Lillian Anthony as guest speaker at a special luncheon Tuesday, February 23, at 12:15 o'clock in Fellowship Hall.

Miss Anthony is presently the Women's Secretary of the North Central Area of the Presbyterian Church, with offices in Chicago. She has served in Assisi, Egypt, and as a leader in "Operation Crossroads" in Thika, Kenya, Africa.

Reservations for luncheon may be made with the church office by noon Friday, February 19. Reservations for baby-sitting should be made with Mrs. Richard T. Heglin, VA 1-9139, by noon Monday, February 22.

Mrs. Helen Huber will present some interesting ideas about "Clever Appetizers and Desserts" at the February 23 meeting of the Evening Group of the Women's Association. Leading the devotions will be Mrs. Emily Beardslee.

Hostesses for the 8 o'clock meeting will be Mrs. Edwin Pratt, Mrs. W. L. Bowler and Mrs. Lee J. Engel.

Don't wait for opportunity to knock at your door—somebody may meet her halfway.

To Enrich Young Minds

Looking over reference library material already available at St. Joan of Arc Parish School — and hoping for more materials as a result of the benefit card party and fashion show scheduled by the parish Mothers' Rosary Confraternity next Thursday evening at the Grosse Pointe War Memorial — are, (left to right), librarian MRS. ROBERT HER-

GENROETHER, of Roslyn road, student BARBARA ROULO, SISTER M. SUSANNA, S.S.J., school principal, and librarian MRS. HUGH CORTEVILLE, of Hollywood avenue. Tickets for the event are \$2.50 each, and may be obtained by contacting Mrs. Stanley Sharon at PR 5-0543.

To Be Wed

Mr. and Mrs. Sam Kiswiney, of South Oxford road, have announced the engagement of their daughter, CAROL ANN, to William H. McGuire, III, son of Mr. and Mrs. William H. McGuire, Jr., of Wichita, Kas., formerly of South Brys drive.

Pointe Garden Club Very Busy

Women of the Pointe Garden Club find that member participation provides the best meeting and the greatest satisfaction. On February 15 at their regular luncheon meeting, Mrs. Clarence Wachmeh moderated at a symposium on the "culture and care of Houseplants."

Participants in this discussion included Mrs. Harold Bailey on "Bonzi," Mrs. Remington Purdy on "Rex Begonia and Bromeliads," Mrs. Leland Carter on "African Violets," Mrs. Clarence Browne on "How to Care for your Azalea Gift Plant," Mrs. Hansel Wilson on "House Plants for the City Dweller," and Mrs. Clarence Maguire on "How to Raise Amaryllis for Christmas Gifts."

The hostess for the day was Mrs. Henry Bakram, of Lakeland avenue, assisted by Mrs. C. Baynard Johnson and Mrs. Byron Phillips.

The Pointe Garden Club participates in its favorite project, an afternoon of entertainment for the people of The Arnold Home on February 18.

After movies and a tea for the patients, each one is given a bowl of potted narcissus bulbs to enjoy in his room. World Gardening, carried on under the auspices of "Care" is also a project of this group.

Inside The Mothers' Club

Twenty-two members of the Mothers' Club Board of the Grosse Pointe High School were present at the February 1 meeting in the Teachers Dining Room.

Mrs. Arthur Sherman, vice-president, told of the progress of two scholarship grantees. She reported that 40 applications for next year have already been picked up at the school office. An excellent scholarship information letter was recently mailed to all parents.

President-elect, Mrs. Gordon Cook, discussed the findings of her committee relating to a letter on the financial structure of the Mothers Club. It's been decided to incorporate such a letter in the Mothers Club booklet sent out in the Fall.

Jerry Gerich, faculty advisor, brought to attention of everyone the responsibility of parents where social drinking is concerned, mentioning a recent incident at a school game. The school feels that any student taking part in school activities and guilty of misbehavior in any form must be dealt with by it. However, Mr. Gerich stressed parents must cooperate in this matter too. Honor Society procedure was outlined by Mr. Gerich and cheating or plagiarism takes a student off the list immediately.

Mrs. James Laird, program chairman, recommended the Mothers Club support the action taken by school officials regarding social drinking.

Mrs. C. A. Nolte, historian, discussed action taken by the Mothers' Health Council to investigate the claims made about teenage centers in this area. Corresponding Secretary, Mrs. Charles Zentgraf, with six assistants, Mesdames Johnson, Horn, Wright, Thom, Clarke, Bamberg, and Sherman, sent out 2633 letters to parents on January 25.

Mrs. Thomas Petty, play chairman, announced the Grosse Pointe Players chose George Kaufman's "Stage Door" as the next play to support scholarship funds. It's to be produced beginning March 18.

The Spring Benefit Party Chairman, Mrs. Chuck Beltz, sent in her report and it was given to the meeting. This special event of the Spring season

(Continuing from Page 13)
that LESLIE RENCHARD, daughter of MRS. RAYMOND L. TYSON, of Charlevoix avenue, is on the semester High Honors List and on the Cumulative High Honors List. Leslie is a senior at Braeford.

SALLY LEISEN, daughter of MR. and MRS. FREDERIC A. LEISEN, of Moross road, a senior at Lake Erie College, Painesville, O., is preparing costumes for a production of "Charley's Aunt," which opens tomorrow in Bentley Theater on the Lake Erie College campus.

MRS. JOSEPH AMBROGIO, of Chalfonte avenue, and CANDACE CURRAN, of Brys drive, are co-chairmen of the Cosmopolitan Catholic Club's first fund-raising event of the new year, "La Fin d'Hiver," a dance scheduled for Friday, February 26, at the Club Cheyenne Hall in East Eight Mile road. The party's purpose is to aid needy orphans of the world.

JULIA PISHALSKI of Ridgemont road, an alumnus of Wayne State University, is serving on a 23-member committee for the 12th Annual Stephen Wilson Pharmacy Seminar which begins at 9 a.m. Tuesday, February 23, in the McGregor Memorial Conference Center.

Sponsored by WSU's College of Pharmacy and the Pharmacy Alumni Association, the Seminar will bring together pharmacy educators, researchers and pharmacists of the all-day meeting, whose theme is "The Pharmacist's Role in Optimum Patient Care."

MAITLAND MACKENZIE is the newly-elected president of Pi Beta Phi Sorority at Hillsdale College. Mimi is also a member of the Winona staff, Hillsdale's yearbook, and a member of the Tower Light staff, Hillsdale's literary magazine. She is the daughter of DR. and MRS. EDWARD MACKENZIE of University place.

MR. and MRS. LEROY COWLES, of McKinley avenue, will welcome local members of the Oberlin College Alumni Club at a potluck supper tomorrow evening. Friends, families and prospective college students will join the festivities.

ANGELA FLOROU, outstanding young Greek pianist now living in Canada, will be presented by the Detroit Council of Sigma Alpha Iota and Sigma Epsilon Phi Alumni Association at a concert in the Lecture Hall of the Detroit Institute of Arts tomorrow evening. Miss Florou was only 15 when her father, conductor of the Salonika Symphony, presented her as soloist with his orchestra. World famous pianist Gina Bachauer heard her when she won an award at the Athens Conservatory of the year; Madame Bachauer was so impressed that she arranged a scholarship for study in London, England, which was extended to three years by the Greek government. Now a member of the piano faculty of the Conservatory of Music in Toronto, Angela Florou's concert

tomorrow is her Detroit debut. While in the area, she will be the houseguest of the H. JAMES JOHNSONS, of Hawthorne road. There are to be several parties given in her honor, and a reception at the International Institute will follow Friday's concert.

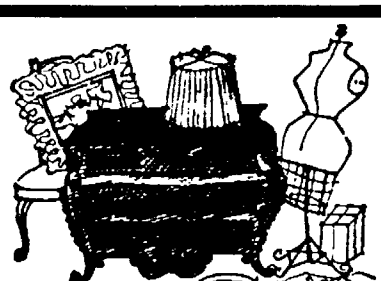

Miss Fendler To Be Bride

Mr. and Mrs. Ferdinand A. J. Fendler, of New Baltimore, Mich., formerly of Berkshire road, announce the engagement of their daughter, Rosamond Ann, to Patrick Joseph Sartorius, son of Mr. and Mrs. Charles G. Sartorius, of Detroit.

Miss Fendler attended Alma College and the University of Michigan.

Mr. Sartorius was graduated from Michigan State University, where he affiliated with Sigma Nu. He is currently a senior at the University of Michigan Medical School, where he is affiliated with Phi Chi.

A June 19 wedding is planned.

SOME PRINTING PLANTS are geared to produce only large runs, others small runs. By contrast, "PAK" is flexible enough to handle both . . . because "PAK" has equipment best suited for the job. The very high speeds of the web offset and web letterpress presses are employed whenever quantities exceed 10,000. For smaller quantities, Kramer's smaller sheet-fed presses are used. This versatility allows a run of only 200 to be handled as efficiently as a run of a million. A high standard of quality is retained in both!

PAK'S Hi-Speed Universal Rotary Newspaper Presses

Capable of producing 40 full-size newspaper pages or 80 tabloid-size newspaper pages with one additional color on each page. Press speed 36,000 per hour. Almost an unlimited number of colors on one web.

PAK'S MULTI-COLOR WEBENDORFER OFFSET PRESSES

Geared to produce 50,000 high-quality "signatures" per hour on the finest of papers, these presses are of the very latest blanket-to-blanket design.

In this 20th century world of color these presses have the rhythm and speed of the "jet" age. Combined with craftsmanship this means a fine product for less cost.

At the "hub" of the Freeways, PAK's modern plant represents over 50 years of service. Unusually equipped—"PAK" presents a choice in printing techniques that represent three firms joined together to cover the multiple needs of the "World of Color."

EDWARD HENKEL CO.

WO 1-2655

BY APPOINTMENT

IF YOU HAVE wanted to purchase a larger house in the Farms, which will give your family the required elbow room that only an older home seems to offer; then you should take advantage of the recent price reduction on this house of Lewis-ton. Now the luxury of five family bedrooms plus a couple more for help, can be yours if you are shopping in the sixty bracket. Situated on a lot with more than 200 feet of frontage, and all serviced by an underground system of sprinklers. Four fireplaces, which includes one in the master suite.

IF THERE IS another farm colonial in the Shores, which offers four bedrooms and two-and-a-half baths, a large family room, a show kitchen complete with fireplace, first floor laundry, two car garage attached, full basement, and all for less than fifty thousand dollars . . . we don't know about it. Don't you think you owe it to yourself to take a look at this one, even if you are prepared to spend more?

LET SOMEONE ELSE worry about shoveling that snow, and when Spring comes, tending the lawn. Town house living has arrived in The Pointe, and has been happily welcomed by the many who have made the switch. We're not suggesting you fight, but we'll be switched if you don't like this setup when you've seen it. Five bedrooms in all, with three baths. Separate dining room, and a den tucked behind the living room. Full basement. Don't wrestle it over in your mind. Make an appointment to see this . . . we're sure you'll tumble.

WHAT HAVE YOU been waiting for? Afraid you might just fall in love with this enchanting colonial, which snugles comfortably in the embrace of mature bushes and trees? Inside, this charmer is full of pleasant surprises . . . such as . . . a stepdown living room which is completely paneled except for a wall of glass which looks out on the swimming pool and play-house. On the grade level is the dining room, a paneled library and the kitchen area. The master suite is on a third level, again with large windows looking over the pool area. A few steps more and you'll find four more bedrooms and three baths. As we said, "What are you waiting for?"

A CUSTOM RANCH home located in an area where many houses sell for far more than the \$49,000 tag we have placed on it. Three double-sized bedrooms serviced by two full baths and a lavatory. There is a paneled dea plus a family room. The basement is so commodious it accommodates a thirty foot long recreation room with a wet bar. There is also a shop area, store rooms, and laundry. Situated on a 100 foot lot, which is attended by an underground sprinkler system.

JUST A SHORT block out of the Pointe on Outer Drive, sits this three-bedroom house with a large tile bath with tub and stall shower. There is a first floor lavatory, eating space in the kitchen, and separate dining room. The home is all brick, and has a fenced yard and two-car garage.

day named Thomas C. Mann to the post of undersecretary of state for economic affairs replacing Averell Harriman. Harriman, in turn was made ambassador-at-large and will handle specific high-level assignments in the state department and abroad. Appointed to the job that Mann held was Jack Hood Vaughn, former boxing coach at the University of Michigan and presently ambassador to Panama.

DEARBORN MAYOR Orville L. Hubbard, who was indicted last Tuesday by a Federal grand jury on charges of conspiring with two police officials to deny "equal protection of the laws" to a Dearborn property owner, has failed to appear for his arraignment. As a result Federal Judge Fred W. Kraess yesterday signed a bench warrant for Hubbard's "summary arrest."

A search by Deputy United States marshals has, as yet, produced no trace of Hubbard's whereabouts. edly called the Detroit Free Press yesterday to say that he had not disappeared nor was he trying to evade U.S. deputy marshals who had a warrant for his arrest. He claimed he was in Boston and Hartford, Conn., consulting an engineer on the Henry Ford Memorial Library which is to be built in Dearborn. He said that he would be in his office this morning.

Tuesday, February 16. A CHRYSLER-BUILT Saturn rocket launched one of the world's biggest satellites into earth orbit this morning. In a perfect blastoff and flight, the 3,200-pound satellite, named Pegasus, achieved orbit in 12 minutes and 58 seconds. Completing each orbit in 87 minutes, the satellite is designed to detect tiny meteoroids and report their impact and direction back to earth in order that scientists may learn whether these particles of space dust may be harmful to men rocketing to the moon.

NAT (KING) COLE, famous and beloved recording and nightclub singer, died yesterday in Hollywood, following a two-month battle with lung cancer. Born in Alabama, Cole began his musical career as pianist in the Nat Cole Trio. He became a singer by accident after a night club patron insisted he sing his favorite tune, "Sweet Lorraine." His records have sold more than 50 million copies.

Remember when . . . people got married and settled down? Today, boy meets girl, boy marries girl—and boy and girl join the Peace Corps! New recruits to the ranks of the young married Donkey-Cart Set are Mr. and Mrs. Paul Krogh, who left New York for Liberia, Africa, February 5. They will be there two years. Mrs. Krogh, the former Peg Bromley, daughter of Mr. and Mrs. Frank Bromley, of Westchester County, N.Y., formerly of University place, will be teaching second graders. Her husband, son of Mr. and Mrs. Wilmer Krogh, of Vernier road, will tackle fourth grade classes.

Recent vacationers . . . at Otsego Ski Club were delighted by the note they found tacked to the door of the room opposite theirs. The missive, addressed simply to "Maid," ran as follows: "There is a French Poodle in this room and his name is 'Poodle.' He has been here many times and you may remember him. Please go right in the room and tell him to be quiet. He is perfectly HARMLESS." Our informants report that not only is "Poodle" harmless, he is **EXCEPTIONALLY** good-natured and well-behaved, a perfect across-the-hall neighbor.

Prize for most unlucky . . . Cub Scout den mother in Grosse Pointe goes, unquestionably, to Mrs. Douglas Donald, Jr., of Beaupre road, who survived the first meeting of her den by the skin of her teeth. Now she's facing subsequent meetings, handicapped by a plaster cast. Penny Donald took her entire staircase in one misstep early this month. The result was a broken ankle . . . and qualms about corralling those Cubs.

Suggestion for a well-spent evening: . . . Why not get together a table or two of your friends and join the fun Friday night, February 26, at the Grosse Pointe Federation of Teachers-sponsored annual card party for the benefit of the Grosse Pointe Foundation for Exceptional Children? It's a good opportunity to spend a relaxing few hours in a congenial atmosphere—and at the same time help support the work of a most important community agency. Every year, proceeds from this community party are turned over to the Foundation to help defray expenses of providing special education for children who require it. The Foundation school conducts an outstanding educational program for boys and girls who are physically handicapped, emotionally disturbed or mentally retarded. According to Mrs. Ruth Hall, teacher and guiding light of the school, enrollment this year has jumped from 20 to 50 youngsters—and the meager tuition cost of \$85 per child per semester (\$30 in summer), barely meets one-quarter of the school's expenses. The other 75 percent of the cost must come from donations, fund-raising drives and benefits, such as the Grosse Pointe Teachers' card party. Tickets are \$1.50 each and are available in advance from any member of the Foundation or the Federation. They will also be sold at the door of the Grosse Pointe War Memorial, where card players are to gather between 8 and 11 o'clock on party night. Dessert and coffee will be served, of course, and prizes will be awarded.

From our mailbox: . . . a letter signed John Caulkins, The Taft School, Watertown, Conn., reprinted verbatim, with our comments in parentheses: "Gentlemen: I am wondering if you would be so kind as to send me 1, one, copy of the original photograph of the 'Pointer of Interest' from the February 4th issue of the Grosse Pointe News as it appeared on page 24. I am interested in a print of this photograph, 10x12 or whatever, because it features my dog, Molly, a Golden Retriever, not an Irish Setter—(John, we're SORRY!)—and my house. Any financial problems involved will be handled by my father, Mr. John E. Caulkins. Thank you very much." (Mr. Caulkins, Sr. can relax; there were NO "financial problems" involved in sending the photograph to your son—at least, we couldn't think of any!)

Offer Courses In Decorating

In today's fantastic world of modern household aids Homer and Hedy Homemaker have found that they need some artistic solace to relieve the mechanical confusion of automatic can-openers and electric toothbrushes which seem to complicate the otherwise simple task of "keeping house." Because of this, creativity has fast become the key-note of today's homemaker, and the home itself has become a necessary haven in which to reflect one's talents, special interests and good taste.

Two courses in Home Decorating offered by the Department of Community Services, Grosse Pointe Public School System, in cooperation with the American Institute of Interior Designers should thus be of special interest to all those interested not only in "keeping house," but in keeping a beautiful one—one that reflects the special interests and artistic flair of its inhabitants.

Both Beginning and Advanced courses will take the form of a lecture series, with each class period devoted to a specific decorating problem. Each lecture will be moderated by a well-known Detroit decorator especially well versed in the particular topic being discussed. Beginning Home Decorating will meet on Tuesdays from 7:30 to 9:30 p.m. starting February 23, and Advanced Home Decorating, on Wednesdays, from 7:30 to 9:30 p.m. beginning February 24.

Topics included in the Beginning series will include Backgrounds; Window Treatments; Floor Covering; Furniture and Furnishings; Accessories; Lighting; Inter-Relationship of Rooms; and Planning a Room. During this eight-week course, certain suggested floor plans and furniture arrangements will be discussed in an attempt to foster good taste in home planning and furnishings.

Students in Advanced Home Decorating will more closely examine the periods and styles of furniture design; this course will consist of nine weeks of lectures, augmented by illustrations, slides and other visual material. Topics included in the Advanced Course will be: "Styles of Antiquity," "Styles of the Middle Ages," "The Italian Renaissance," "The Arts of Mohammedan and Christian Spain," "The French Periods," "The English Periods," "The American Colonial and Federal Periods," "Miscellaneous Styles of Decoration," and "The Modern Decorative Arts."

Those interested in either of the above classes are asked to contact the Department of Community Services at TU 5-3808 or TU 5-0271, as advanced registration is necessary.

Pointer of Interest

MRS. THOMAS F. MORROW, OF VENDOME ROAD

Photo by Eddie McGrath, Jr.

By Janet Mueller

A first impression of Thirza Morrow is deceiving. She looks so decorative! One somehow doesn't expect someone who is small-boned, pretty, blond and obviously a lady to be very good at organizing things.

Thirza Morrow has been a door-to-door crusader for the Michigan Cancer Foundation. She is a trustee of Woman's Hospital, and has been devoting a good portion of her time recently to work as Grosse Pointe chairman of the Detroit Grand Opera Association, Inc.

She loves frogs, mushrooms, the color green and Japanese Netsukes, (small ivory, teak or porcelain figures used to fasten money or tobacco pouches to the end of an Oriental gentleman's sash).

She gives herself completely to any project she undertakes or interest she develops—and, as a result, is extremely knowledgeable in discussing her projects and her interests.

Obviously, Mrs. Morrow is a Second-Impression Woman.

Name Is Traditional
Her unusual first name is a family tradition, beginning with her grandmother and including her own daughter, the fourth Thirza. "It's a Biblical name," Mrs. Morrow explains.

She adds that many foreigners have told her the name is common in their countries, but it is usually spelled differently abroad, (a "y" substituted for the middle "i", for example). Thirza Morrow has met only two other "Thirzas" in her lifetime.

She likes antiques and Oriental pieces (both interests are reflected in her home), enjoys poking about in out-of-the-way shops and galleries, searching for treasures, relishing The Search in itself as much as the occasional find.

Both Mrs. Morrow and her daughter are "terribly fond of animals." Young Thirza, (her mother and "very old friends" call her "Timmy"), had her own horse, "Jupiter," and mother and daughter spent many hours riding at the Grosse Pointe Hunt Club.

Currently in residence at the Morrow home in Vendome road are "Missile," a most affectionate cocker spaniel, and "Mr. Puff," a most superior cat. Mr. Puff is 24 years old, one of the Donovan cats, and a sort of Ruler of the Household. His mistress describes him as "a real old man."

Always Loved Theater
Mrs. Morrow has always been interested in theater. She used to be an active participant in amateur productions, worked hard in Ixth, Theatre Arts and Fine Arts, but gradually developing other interests forced her into a presently inactive state in theater groups.

"There are so many things to be interested in, you scarcely have time to do the things you like to do slowly!" she explains. She is a marvelous "audience," however: "I've never been a good critic. I'll sit through the worst kind of drama and love just watching the mechanics of production."

Her position as a trustee of Woman's Hospital, occupies a great deal of her time, but she is "most interested" in seeing Detroit's new Medical Center develop.

"Detroit is such a huge city, it should have a magnificent medical center. We have good men and good facilities, but we must have more of both."

Mrs. Morrow describes herself as a frustrated M.D. Her interest in the Cancer Foundation, (she headed the Michigan Cancer Drive one year), is another example of her involvement in health causes—"After all, it's all a part of our scientific age."

Husband Also on Board
Very much a part of our scientific age is Mr. Morrow, Chry-

ler group vice-president, Defense, Space and Diversified Products.

Mr. Morrow sits on the Harper Hospital Board. "If we come home to dinner, and we've both been to hospital board meetings, our daughter INSISTS that we talk about something else!" Thirza Morrow laughs.

Chairmanships seem to run in the family; Mr. Morrow served as 1964 general chairman of the United Foundation Torch Drive. Mrs. Morrow, who has worked on behalf of the Detroit Grand Opera Association ever since the Metropolitan Opera Company first included Detroit on its tour schedule, heads this year's Pointe Opera Committee.

Her interest in opera goes much farther back, however, to the days when she was an elementary school student in a private school in New York City, required by the school to attend opera performances on Friday afternoons.

Her family attended the opera on Monday nights—and Thirza Saxton found two operas in one week a bit too much! "I really didn't begin to appreciate opera until I was 16 or 17," she admits.

Characteristically, once she began to appreciate it, she really DID appreciate it. Mr. Morrow is an opera aficionado, too, anxious to attend as many performances as his busy schedule allows during Detroit's Opera Week.

Three Main Projects
The Pointe Committee has three main projects before the Metropolitan arrives in May. The first is Overture to Opera IV, a preview of the '65 Met program, to be presented this Sunday evening at the Grosse Pointe War Memorial. Tickets are \$1 each and are available at the War Memorial Center.

Another Overture program is scheduled later in the spring at Grosse Pointe High School, especially for Pointe school students. Finally, there is the fabulous Evening With The Stars, an informal and delightful visit with Met personalities at the Pointe War Memorial scheduled on a Sunday evening, just before the opera opens.

In Detroit, opera tickets more or less sell themselves. Thirza Morrow views her Opera Committee work as primarily educational, and as a means of involving the citizens of her community in opera activities.

The committee is particularly anxious to stimulate opera interest and support among young matrons, high school students, people who love opera but cannot afford the time and/or the money to attend more than one or two performances during Detroit's brief season.

The Morrrows are transplanted Easterners, born and brought up in the heart of New York City. They came to the Detroit area for one year—and stayed 28!

They moved from Yorkville to Vendome road a year ago last Thanksgiving.

Green Favorite Color
Green is the dominant color throughout their present home, a rich, warm green in the living room, a lighter, formal green in the dining room, a cool, bright, glade green in Mrs. Morrow's bedroom.

"I am mad for green!" Thirza Morrow explains. "If I had my choice, everything would be green!"

She feels happiest in a green dress, most content against a green background. Her daughter, however, is a "pink" girl whose very feminine bedroom reflects an interest in 18th century American antiques.

Timmy Morrow has a fabulous seashell collection, is interested in old silver and pewter and plans to turn a portion of the family basement into a showcase for her American Primitive pieces.

One part of the basement will always be reserved for a decoupage workshop. The two Thirzas like to rub and polish; Mrs. Morrow is in the process of creating a tray with mushroom motifs, (she is fascinated by the shapes and textures of mushrooms).

Year-Round Garden
The Morrrows have just finished enclosing their terrace, turning it from a summer-only spot into an all-weather Garden Room, with wide, curtainless windows looking directly into the outdoors.

A member of the Grosse Pointe Branch of the Michigan Farm and Garden Club, Thirza Morrow is concerned about conservation programs and interested in international gardening projects, "another way of binding people together."

There are frogs in every room of her house. Not live frogs, naturally, but ceramic frogs, wooden frogs, fabric frogs.

Mrs. Morrow collects frogs. They line her bathroom windowsill, decorate bookshelves in her bedroom. Two of her favorite Netsukes are frog-figures, one a big frog with a smaller frog on its back, the other a tiny frog on a bamboo branch.

Frogs leap across the cylindrical wastebasket she designed and decoupage herself. She has a dancing frog, and a floppy, stuffed-animal frog, Timmy's gift to her mother several years ago, and all sorts of other frogs.

Why does Thirza Morrow like frogs? Well, they are a constantly recurring theme in children's tales . . . a constantly recurring motif in art—and they're green, of course!

Cites Many Changes
Mrs. Morrow thinks Detroit has changed a good deal since World War II. She mentions a great upsurge of interest in the arts, music, the theater. She has watched the Institute of Arts grow, is currently active in the development of the Hilberry Classic Theater, has seen opera become a passion in the Motor City.

She thinks back to her first years here, and exclaims suddenly, "Why, the whole civic look is so much different now!"

Thirza Morrow believes change has been good for the city. She and her husband have observed and been involved in Detroit's growth, and have enjoyed the experience.

The Morrrows are busy people, happy people, people who say that "life is very good"—and work to make it very good.

"Wherever you live, you want to make it the best place possible," Mrs. Morrow explains.

To Show Slides At City Club

Following the smorgasbord dinner at the Women's City Club of Detroit Saturday evening, February 20, Mr. and Mrs. Ben W. Beyer will show colored slides of a seven-day cruise they took through the Greek Islands.

Additional interesting slides of Israel, Jordan, Lebanon and the resort Sidi Stefan on the Dalmatian coast will complete the program, which starts in the auditorium at 8:15 o'clock.

Mrs. Walker Cisler is chairman of a dinner and theater party being given for City Club members and guests on Saturday evening, March 27.

Following dinner in the new Crystal dining room, the party will go by bus to Masonic Temple for a performance of the Ballet Folklorica Mexico.

Basic Beige is the big news in today's fashion forecast. In hair styles the pale honey, spice and copper tones will give a glow to lightly tanned complexions—make dark brown or gray-green eyes sparkle—a great look with the Paris inspired short, curly hairdos—or the mid-length free swinging Bobs! Mutations that range from a deep shadow tinge at the back of the head to pale Norwegian blonde tones to frame the face are the choice of the Pointe's "best-tressed" beauties.
