### HEADLINES

of the  
**WEEK**

As Compiled by the  
Grosse Pointe News

Thursday, April 8

**PRESIDENT JOHNSON**, offering a policy change in Vietnam, announced that the United States is ready to begin peace talks with North Vietnam without the conditions that were formerly demanded—such as a halt to North Vietnamese aggression. In a speech at Johns Hopkins University, President Johnson said that he would ask Congress for a \$1 billion aid bill for Southeast Asia that would presumably mean aid for North Vietnam also. Despite the fact that he dropped demands that the Communists halt their fighting, he still maintained that any peace agreement must insure South Vietnam's independence.

Friday, April 9

**THE U.S. HOUSE** of Representatives approved a \$6 billion aid bill, that called for the largest increase in welfare benefits since the Depression. The bill includes a Federal health insurance plan for the elderly that was more extensive than President Johnson asked for, and has provision for a seven per cent boost in Social Security payments. Following a two-day debate, the House rejected an alternative Republican-backed bill, and voted in the administration package, 313-115.

Saturday, April 10

**HARRY M. BELCHER**, convicted convulsively, was crying of first degree murder for setting the fire that resulted in the suffocation of his wife and six children, a decision that carries with a mandatory life sentence. The jury in the Oakland County Circuit Court deliberated for an hour and 20 minutes before returning their verdict after receiving the case following assistant prosecutor James Robert's summation, in which he theorized that Belcher went into a rage and knocked his wife unconscious before setting the blaze with gasoline.

Sunday, April 11

**A TORNADO** swooped down on the town of Conway, Ala., killing at least five persons and injuring more than 100, jamming the 80-bed hospital. The twister struck twice, first in a rural residential area south of town and then in the eastern section of the city. Power lines were downed for almost an hour and police blocked off traffic to allow for transport of the injured, some of whom were carried to hospitals in Little Rock, 30 miles away.

Monday, April 12

**FIRST REPORTS** of a storm that carried killer tornadoes and dealt death and destruction throughout the Midwest and Michigan set the Michigan death toll at nine, seven in the Grand Rapids area and the Midwest toll at 78; 50 in Indiana.

Governor Romney mobilized the National Guard to aid the Grand Rapids area, which reported scores of injuries and huge property damage. Sweeping west from Iowa, tornadoes struck hard in Illinois, Indiana and Ohio, where a twister ripped through northern Toledo and left 15 dead.

Tuesday, April 13

**THE DEATH TOLL** from the Palm Sunday tornado onslaught continued to rise in Michigan and the Midwest, as rescue workers began the gigantic task of clearing away the debris and taking stock. Forty-four deaths were reported in Michigan and 236 in the Midwest, with millions of dollars of property damage throughout the area.

Governor Romney, terming the damage "fantastic," said he would ask for Federal aid to help the stricken counties of Southern Michigan. Twenty-five victims were reported in Branch County, the highest count in Michigan; and Indiana's 129 reported deaths was the highest in the Midwest. Injuries totaled 500 in Michigan and 1,500 throughout the five-state area where the tornadoes struck.

### Balloon Crosses Canada Carrying Pointer's Note

Eight-year-old Barbara Tyler got her pink balloon March 24. William Chiaromonte, manager of the shoe department at Peter Pan, Inc., in "The Village" gave it to her. Every child who buys a pair of shoes at Peter Pan receives a pink, gas-filled balloon.

Barbara took her balloon and her shoes home, to 850 Loraine. She put the shoes in the closet; she showed the balloon to her sister, Judy, 16. Judy had an idea.

Why not tie a note on the balloon and send it off? Why not see how far a pink, gas-filled balloon can travel?

It was a perfect day for launching a balloon, bright and windy and clear. Barbara carefully wrote out instructions to the "finder." Please mail this

### Liggett School Opens In New GP Woods Site After Spring Vacation

**Architecture of Pointe's Newest School Is Georgian; Open House to Be Held in Conjunction with Moving-In Ceremonies Next Month**

Classes are underway at the new Liggett School in Briarcliff drive, and all the pupils, nursery schoolers through twelfth graders, love their bright, new buildings.

The school's doors opened April 5, after spring vacation. Three full days were needed to complete the move from the old school in Burns avenue, Detroit, to the new school in The Woods.

Now, with furnishings and equipment in place, and every girl sure of her classroom location, life at Liggett is proceeding as usual.

### Vandals Smash Two Windows

Two persons living on Lincoln road reported that someone had broken windows in a house and car on Sunday, April 4, between midnight and 7 a.m.

Art Williams, of 991 Lincoln road, reported to City police that someone had thrown a stone through his kitchen window the night before. The stone broke both the inner window and the storm window.

Later that day, Henry C. Cashen of 933 Lincoln road, reported that someone had broken a window in his car, which was parked in front of his house. This incident also took place early Sunday morning.

### Burglar Robs Two Homes In GP Woods

**Intruder Steals Total of \$68 While Occupants Are Asleep During Night**

A burglar broke into two Woods homes during the night of Saturday, April 10, while occupants were asleep, and stole a total of \$68.

Director of Public Safety Allen Andrews, Jr., said that the method of operation of the burglar was similar to that of the "cat" burglar who recently plagued the Pointe area, but evidence disclosed that the "cat" was not the culprit.

The first burglary was reported by Clarence Gunn, 62, of 1512 South Renaud, who informed police that his wife had awakened during the night and saw a form in their bedroom. He said he was awakened by her scream, which frightened away the intruder.

**Stayed In Bedroom**  
Gunn said that neither he nor his wife left the bedroom, but later checked the house and could not find anything missing at the time.

Some time after that, he said, he discovered his wife's purse, containing \$7, and his wallet, which contained \$60 and his operator's license and personal papers, missing.

Police said that entry into the house was gained through the rear door, by the thief, who broke off the knob with a pair of grip pliers.

**Second Burglary**  
The second burglary was disclosed by Paul Clapp, 57, of 1517 Lochmoor boulevard, who told police that he and his wife

### Reach One-Third Mark In Current Center Fund Drive

**All Pointers Urged to Contribute to '65 Family Participation Campaign; Total Goal Is \$75,000**

The Grosse Pointe War Memorial's 1965 Family Participation Campaign has netted more than a third of its needed monies in the first two weeks of receipts. The drive dates are April 1-May 30 and the goal is \$75,000. To date \$33,847.66 has been received from 1,363 donors.

Mark Stevens, campaign chairman, speaking for the Board of Directors is very gratified with the amount of money so far received but is hopeful of an increase in the number of Grosse Pointe families who give.

**All Asked To Give**  
The Board urges every family to have its name included among the list of supporters.

Those volunteering their services on the Center's Board and in behalf of this Campaign include: Theodore H. Mecke, Jr., president; Mark Stevens, first vice president; George C. Cosaboom, second vice president; William M. Adams, secretary; Mrs. Frank W. Wylie, assistant secretary; George N. Monro, III, treasurer; Thornton E. Waterfall, assistant treasurer; Frank P. Boyer; Winifred Eliason; Walter B. Ford, II; Mrs. William H. Fries; Mrs. Harley G. Higbie; H. Lynn Pierson; John T. Short; and Mrs. Stephen T. Stakpole.

**Early Givers**  
Early givers whose gifts the Center wishes to most gratefully acknowledge include:

**April 2**  
Mr. and Mrs. William M. Adams, Mr. and Mrs. O. P. Ashurst, Mr. and Mrs. William L. Babcock, Mr. and Mrs. Paul Bachmann, Dr. Walter F. Baer, Mr. and Mrs. A. Edward Barit, C. J. Barker, Harry S. ### Convent Student Tops In Math

Kathleen A. Meier, daughter of Mrs. Robert J. Meier of Shelden road, and the late Mr. Meier and an 11th grade student at the Academy of the Sacred Heart in Lake Shore road, was among the winners this year at the Metropolitan Detroit Science Fair with a first place in Mathematics.

Kathleen's project was on "Geometric Constructions Using Only a Compass," and the judges praised her command of her material, her truly scientific approach, and her investigation of related problem areas.

As a winner, Kathleen is following in the footsteps of another Academy student, Ruth Fisher, who received a second place in Physics in the 1963 Fair.

Kathleen was one of those invited by the National Council of Teachers of Mathematics last year to exhibit her 1964 project at the annual Mathematics Convention to be held in Cobo Hall during Easter week, 1965. Other Sacred Heart students also invited to exhibit there are Hedwig Seski, Mary Michael Styles and Catherine Schrage.

Hearing dates in both cases have not yet been set.

### Three Woods Policemen Resign; Pointe Loss Is 21

It appears that the prediction made in the February 25 issue of the NEWS, that it will not be long before more police officers quit their jobs, has come true. Three more policemen, two of them veterans of many years, have submitted their resignations in the Woods.

The latest to quit are Det. Donald Sabel, of 955 Vernier road; Patrolman Jack Eberst, of 22530 Overlake, St. Clair Shores; and Patrolman Donald Schmalz, of 9590 Whittier, Detroit; all classed as township police officers by Director of Public Safety Allen Andrews, Jr.

Sabel started with the Public Safety Department on July 16, 1949; his resignation will become effective on May 17; Eberst joined on January 4,

### Firm Files Suit to Get Tax Rebates

**Burbach Corporation Seeks Rebate of \$5,260; Is Second Group Suing**

A second organization has filed suit in Wayne County Circuit Court for recovery of a large sum of tax monies it allegedly paid under protest to the Woods for 1964. It was disclosed at a special Woods council meeting held on Thursday, April 8.

The latest to file suit is the Burbach Corporation of Detroit, which pays taxes on restaurant property at Mack avenue and Vernier road. The corporation is seeking a refund of \$5,260.44, the amount paid by the firm on the 1964, city, county, school and drainage taxes.

The firm is also seeking five percent interest on the monies paid, dating from August 31, 1964, it is claimed.

**Lochmoor Files**  
The Lochmoor Club, 1018 Sunningdale, recently filed suit in circuit court for a rebate of \$26,940.94, of a total of \$46,719.94, paid on 1964 city, county, school and drainage taxes, plus interest of five percent, dating back to August 31.

As in the Lochmoor Club case, Burbach Corporation, in a letter to City Treasurer Helen Fox, disclosed at the time of the tax payment, that it was paying the assessed amount under protest.

The corporation alleged that its real property assessment of \$85,480 is excessive and erroneous because its land is assessed in accordance with other lands in the general area, the building assessment was arbitrarily increased without justification and the increase in value from 1963 to 1964 is of much greater percentage than that of comparable properties.

**Burbach's Contentions**  
The firm contends that the assessment is in violation of the legal requirement that taxes should be uniform and that assessment shall be fixed at true cash value.

The council authorized City Attorney Julius Berns to represent the city in the pending court battle, in both the Lochmoor Club and the Burbach Corporation claims.

Hearing dates in both cases have not yet been set.

### Pointe Police Trail Ex-Con Before Arrest

**Loot Valued at Several Thousand Dollars Recovered From Man's Home**

An ex-convict was arrested by police on Friday, April 9, and is being held on suspicion of being the "obituary" burglar who has been plaguing the Detroit area. Two truckloads of loot, said to resemble items stolen from homes while occupants were attending funerals, have been recovered.

The suspect, Orville Reno, 46, alias Charles Ryan, alias Leo Clark, of 2432 West Grand boulevard, Detroit, has refused to answer police questions since his arrest.

He was formally charged by Detroit police with possession of burglar tools, and arraigned before Detroit Judge Gerald W. Groat on Saturday, April 10.

**Pleads Innocent**  
Reno entered a plea of innocent to the charge, and his examination was set for Thursday, April 22. The judge set bond at \$5,000.

Reno was arrested by Detroit police, after police officers from the Farms, Woods and City trailed him in relays, to allay suspicion, to the Milwaukee exit of the North John Lodge Freeway. The Pointe officers stopped the suspect and called Detroit authorities to make the arrest.

The items recovered from Reno's home are valued at several thousand dollars, police said.

The Pointe officers said that when Reno was arrested, he had a list of names, addresses and phone numbers of homes of recently deceased persons, and their relatives, and clippings of obituary columns from classified sections of the Detroit daily newspapers, in his possession.

**Pointe Police Alerted**  
The officers of all Pointe departments were alerted to the activities of a burglar who has been preying on families who have lost loved ones, and broke into their homes while they were attending funerals or rosary services.

### Lightning Hits Camera Shop

Lightning started a fire in the Carl Joyner Studio Camera Shop, 20229 Mack avenue, during the height of the heavy thunderstorm that descended on the Pointe area Sunday evening, April 11.

An unknown citizen called in the alarm to the Woods Public Safety Department, according to information released by Director of Public Safety Allen Andrews, Jr. He said the alarm was received at 9:05 p.m. and men and equipment were at the scene within two minutes. On arrival, firefighters found the studio filled with smoke.

The director said that the electric clock in the building was stopped at 9 p.m., at which time a bolt of lightning struck the southwest corner of the building, cracking the concrete-block wall and burning out the electrical circuit. All the fuses were blown out, and the wood stud holding the fuse box, and a work bench, caught on fire. The lightning bolt also burst a water pipe inside the building, causing some water damage. Andrews said. There was little damage caused by water from the fire hoses. Smoke damage was extensive, he added.

The downpour of rain was so heavy, Andrews said, that firemen could hardly see each other as they stood outside, while seeking an entrance into the building. The firemen were finally forced to break the glass of the front door in order to enter the shop, it was said. The fire was put out within a few minutes.

The amount of damage is pending an investigation by insurance investigators.

## Woods Policemen Resign

(Continued from Page 1)  
 years, stands at 21, with more predicted.

Every one of the resigned officers disclose that their reasons for quitting are insufficient pay, an inadequate pension system, and working conditions.

Under the present wage scale and pension systems, many of the Pointe's police officers, with permission of their superiors, have been forced to "moonlight," that is, work at other jobs, to add to departmental pay in order to properly support their families. Too, by working at outside jobs, they establish Social Security credits.

It is a fact that a Detroit industrial firm is seeking plant protection guards with police experience, and a number of Pointe policemen have investigated the offer made by the firm, and some of the officers are finding it hard to resist

the temptation to resign and take up the firm's offer.

The lure is a substantially higher starting annual salary, more than the maximum pay the officers are receiving at the present time. Besides this, many fringe benefits are offered, including overtime pay, paid up hospitalization and life insurance, and a good pension after many years of service.

One Pointe police head said that he will initiate recruiting of officers for his department as vacancies occur, for the simple reason that it has become more and more difficult to maintain an eligibility list.

He said that more often than not, by the time those on the eligibility list are called to fill vacancies, they disclose that they are already employed at jobs that pay more than what they would have received as policemen.

## Suspect

special watch on homes of residents who have lost loved ones, and were absent from their homes to attend wakes and funeral services. This had been going on for several weeks.

On the April 9 date, Farms Det. Sgt. George Van Tiem, in an unmarked police car, kept a vigilant eye on 315 McMillan, where a death had occurred in the family.

He observed a south Oldsmobile parked just south of the residence, and saw a male get out of the car, and walk to the front door of the house. The man turned and walked back to his car, when he saw that someone was home.

Seemed to Disappear

The suspect drove north on McMillan, and suddenly seemed to disappear, but Van Tiem spotted him again at Canyon and Mack, and took up the trail.

The sergeant called for assistance over the police radio, and Farms Patrolmen Marvin Krebs and Guy Lyford, Woods Dets. Donald Sabel and Gerald Kensora, and City Cpl. Duncan MacFacher and Patrolman Edward Benthuy, were dispatched by their respective departments, to aid Van Tiem.

Van Tiem observed the suspect going into the Standard Gas Station at Rivard and Mack, and broadcast the information to all departments.

Cpl. MacEachern, before leaving the station, called the gas station and spoke to the attendant, requesting his cooperation in observing anything about the suspect, or the suspect's car, or contents in the car.

Headlight Replaced

The suspect, Reno, had pulled into the station to have a burned out headlight replaced. While the work was being done, the attendant noticed a brace and bit on the back seat of the car, and so informed the officers when they arrived at the gas station.

The Pointe policemen spread out on the route of Reno's travel, and as luck would have it, the officers were able to trail the suspect in relays. At one time, one police car was forced to stop for a red light, but another scout car was able to pick up the trail immediately.

Reno finally drove onto the freeway, going west, and turned off onto the North John Lodge, and was stopped by Kensora.

## Valuable Fur Coat Stolen

Everything appeared to be in order at 12:08 a.m., Saturday, April 10, when Farms police were called to investigate a car that had been reported speeding away from Bournemouth and Chalfonte, and traveling without lights. The car was gone from the area when officers arrived.

At 8:25 a.m. authorities received a call from Kurt L. Kremlick, who told them that he had found the Oriental numbers from his house in the bushes on the east side of the building.

A check of the house revealed that no entry was gained, but it was discovered that the garage on the property had been forcibly entered, and the door left ajar.

Kremlick said that whoever had entered the garage, stole a three-quarter length stone marten fur coat, belonging to his wife, that was hanging in the family car. The coat, with the name "Julie" on an inside label, is valued at \$3,000, he said.

## Film Forum Program Slated

The sixth program of the Friends Film Forum series, co-sponsored by the Friends of the Grosse Pointe Public Library and the Grosse Pointe Public Library, will be shown April 23 at 9:15 o'clock in the Main Reading Room of the Central Library on Kercheval avenue.

The program is made up of a trio of American films that show America's most interesting past.

"A Time Out Of War." This Academy Award Winner depicts an interlude in the fighting on the margins of the American Civil War. Two Yanks and a Rebel engage in battle. Discussion between them begins. One suggests an hour's truce. An outstanding film, idealistic and of strong impact.

"They Steamed To Glory." A documentary of the steam locomotive, and the part it played in the westward expansion, from 1831-1960. Shown are models in action, their development of design, and the historical race between the "Tom Thumb" and a horse-pulled wagon — a part of American history that is all but gone.

"Mark Twain's America." In this film there is a wealth of historical still pictures providing visual reflection of the late 19th century, accompanied by reading of many of Mark Twain's quotations, alluding to the times and scenes.

These three films are planned to provide an evening of the past for your enjoyment. You are cordially invited to attend.

## EASTER FASHION NOTE!

## The Florsheim Imperial Matchless Custom Quality

This is the age of the status symbol and this is the age of the Florsheim Imperial, a prestige shoe the impact of which is being felt by the entire men's shoe industry. It has come to represent the very ultimate in fine shoemaking, not only in America but around the world, a blend of expert craftsmanship with the finest leathers that money can buy.

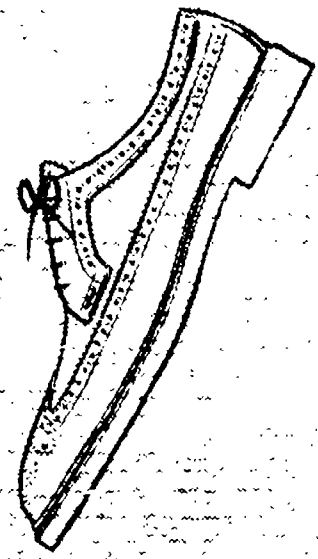

### Custom Look Sought

The emergence of the present day Imperial was a natural development. It signaled a desire for the custom-grade look and feel that was once associated only with costly, hand-made imports. The success of this shoe has brought home the truth that more men than are given credit are aware of the economy of quality. Proof of the pudding is the fact that the Imperial finds its way into the wardrobes of all income groups and all walks of life.

### Age No Factor

Reports from retailers indicate that Imperial patronage is just as widely diversified in relation to age groups. This celebrated shoe finds a welcome market from the teens all the way up to the "golden" years. All this, in spite of the fact that you pay more for Imperial than other shoes. But as Florsheim representatives explain it, the Imperial costs a little more to buy but much less to wear because they wear so much longer than ordinary shoes.

### Expect Record Year

The character of the Imperial has been variously described as compelling—persuasive—eloquent. However one calls it there's general agreement that the Imperial will set new volume records this season for a shoe of its class.

## Introducing New Teachers

On a purposeful stroll through Monteth School, newcomers to the staff for the 1964-65 year were shown the building by Principal Millard D. Grell. They are (left to right) Miss Cynthia Hendrian, Miss Karen Brewster and Mrs. Lois Lusty, all of Barnard Center; Principal Grell; Miss Sharon L. Georgi, grade 2; Miss Jeanine Elowsky, French; Miss Susan D. Stamler, grade 6; and Mrs. Lynn A. Braithwaite, grade 1.

Newcomers to the staff of Monteth Elementary School and Barnard Center of the Protestant Children's Home number seven this year, according to principal Millard D. Grell.

"Each is well-suited to her specific assignment by virtue of her training and interests," Mr. Grell said. "They have become most valuable additions to the staff of The Grosse Pointe Public School System," he added.

Four of the seven teach at Monteth. They are Mrs. Lynne Braithwaite, Primary One; Miss Jeanine J. Elowsky, French; Miss Sharon Georgi, Primary Two; and Miss Susan Stamler, grade 6.

Mrs. Braithwaite is a native Detroit and a graduate of Grosse Pointe High School who received her BS degree from Capital University. She taught in Columbus, Ohio, before joining the Monteth staff.

She has been an active member of the National Education Association and its state and local affiliates. Diversions she enjoys are skiing, knitting, sewing, and boating. Various trips have taken her from coast to coast and to Canada.

Miss Jeanine J. Elowsky, who teaches French at Richard and Kerby as well as Monteth, is a graduate of Central Michigan University. She spent the past summer at Laval University in Quebec taking additional language training.

Before joining the staff of The Grosse Pointe Public School System, she taught in Grand Rapids. Other assignments have found her at the Interlochen Arts Academy as a counselor and gym teacher, as an office employee for Manpower in Grand Rapids. In addition, she has devoted many hours to working with children in the Volunteer Service organization in Grand Rapids.

Miss Georgi is another graduate of Grosse Pointe High School who has returned here to teach. She holds two degrees from Michigan State University, where she was affiliated with Kappa Kappa Gamma. She has completed additional courses at Wayne State University.

Skiing—water and snow—as well as knitting, sewing, boating, and travel occupy her out-of-school hours.

Miss Stamler is a native of Detroit and a graduate of Liggett School who holds a degree from UCLA. Her experience ranges from a junior high teaching assignment at the Kingsley School in Boston to teaching abroad for the U.S. Air Force and the U.S. Navy.

Most recently she was a teacher-advisor in Dreux, France, and prior to that she taught junior high school classes in Catania, Sicily. Commenting on her recent overseas experiences, Miss Stamler said, "While in Italy I taught part-time at the University of Catania. I had a group of Italian students for conversational English. I acquired a speaking knowledge of Italian and French while abroad."

Hobbies and extracurricular interests include music, mosaics, tennis and skiing. Her travels have taken her to such far-flung places as Cyprus, Israel and Spain.

The three instructors who are attached to Monteth but who do

their teaching at Barnard Center of the Protestant Children's Home are Miss Karen Brewster, Miss Cynthia Hendrian, and Mrs. Lois Lusty.

Miss Brewster, a native of Illinois, received her degree from Michigan State University. She has had undergraduate training at Stephens College and in Mexico City. Miss Brewster is currently enrolled in a graduate program at MSU in the administration of special education.

Prior to joining the staff of The Grosse Pointe Public School System, she taught in Wyandotte. Miss Brewster's out-of-school activities center on skiing, knitting, crafts and painting. Travel, another interest, has taken her to Mexico, Puerto Rico and the Virgin Islands, as well as to Europe.

Miss Hendrian holds two degrees from the University of Michigan, where she was a member of Alpha Phi. Her range of teaching experience in the Detroit metropolitan area includes early elementary assignments in Inkster and Dearborn Heights, and a junior high post in Livonia.

Miss Hendrian's interests include both summer and winter sports, oil painting, knitting and weaving. Her travels have taken her to Europe twice, and to Mexico.

Mrs. Lois Lusty, a native of Milwaukee, Wisconsin, completed the requirements for both her degrees at Wayne State University, and has also attended the University of Wisconsin. Mrs. Lusty, a veteran of the special education field, taught in Wyandotte before joining the Grosse Pointe staff.

The Lustys, residents of Grosse Ile, have been owners-directors of the Joy Camps for girls in Wisconsin for the past 11 years. Camping is a natural interest which the Lusty family has done in 43 states.

The Lusty children have achieved many distinctions. One son, Arthur, Jr., is an M.D. in San Francisco. A married daughter, Mary, has a B.A. in social work, while Linda is a senior at Central Michigan University. A third daughter, Carol,

## Businessmen Have Meeting

The Grosse Pointe Business Men's Association held its monthly meeting at the Village Manor Restaurant on Wednesday evening, March 31.

Miss Lillian G. Hogue, C.L.U., and agent for the New York Life Insurance Co. and who resides at 1110 Yorkshire, gave an excellent and most enjoyable talk on "There is Nothing Like a Dame."

Miss Hogue pointed out the major problem every salesman faces in selling to women. Women make most buying decisions, control a large part of the country's wealth, as well as now forming a major part of the population—outnumbering men by more than six million.

She gave a number of pointers on how to deal with women such as: they think instinctively; they value manners and grooming; they can't generalize and

they value complete honesty.

President Clayton P. Alandt announced the coming 18th annual Installation Dinner-Dance party of the Association to be held at the Grosse Pointe Hunt Club in Cook Road on May 8. Al Navarro and his orchestra

will provide music for dancing and entertainment.

Tickets will be \$7.50 per person and can be obtained from Charles Verheyden or Zack Moir who are co-chairmen of the event.

## Children's Theater To Give Tom Sawyer's Adventures

Once again, The Grosse Pointe Children's Theater, of the Grosse Pointe War Memorial, has opened another classical book, "The Adventures of Tom Sawyer," by Mark Twain, and will be bringing the ever-lovable characters to life for the entertainment of the Grosse Pointe and east side people.

There will be two shows, the first at 11 o'clock and the next, at 2 o'clock, on Saturday, April 24, at the William Fries Auditorium in Lake Shore drive. Tickets may be purchased in advance at the Grosse Pointe War Memorial or at Punch and Judy Toyland.

Due to the popularity of this play, it is advised that tickets be purchased in advance so as to be assured of a seat. Donation for tickets is 50c for students and \$1 for adults.

Just as much of a part of spring

as a kite or jump-rope is the story of Tom Sawyer and Huck Finn, as they skip school to go fishing, become pirates on Jackson Island, and share other such boyish adventures. Lovable Aunt Polly gets more than a few grey hairs with Tom's antics but, in the end, all ends up happily ever after.

Add some gay tunes to this script and you have a fine springtime tonic, guaranteed to make you feel as fresh and as gay as the first Robin.

Mrs. Syd Reynolds is directing the production, while Mrs. Ruth Ann Justice will be at the piano, accompanying the young thespians.

Those taking part in the production are Sue Sendelebach and Molly Maynard, as Aunt Polly, Rick Chamberlain and Robin Wright, as Tom Sawyer, Cheryl Campbell and Marilyn Opydke, as Becky.

Wider Douglas will be portrayed by Linda Mazzola and Margaret Brophy, while Dennis Wickline and Rick Rubin play the part of Syd, Tom's half-brother.

Frank Saverino will be Injun Joe, Camille Borowicz and Julie Mazer will play the part of Amy Lawrence, Linda Prince and Sally Semmler, the role of Mary. Nino Ferensowicz the part of Walter, the young schoolmaster, Kathy Crossen, Mrs. Harper, Mary Sweet, Mrs. Thatcher, Tom Brillati, Joe Harper.

Mrs. Joann DeBoer and Mrs. John Mazer will be handling Makeup, Mrs. Daniel Masouris and Mrs. Phil Saverino, Costumes, Mr. Myer Rubin and Mr. John Mazer, tickets, Mrs. John Olsen, posters, Syd Reynolds is in charge of Scenic Design.

Clapp said he could not find his trousers in the bedroom. After getting dressed, he noticed the front door ajar, and called police.

The investigating officer found Clapp's trousers in the rear yard. Clapp said that the only thing missing was his wallet containing a dollar bill and some change, and personal effects.

Neither the Gunns, nor the Clapps, heard anything during the night.

Police said that it appeared that both break-ins were committed by the same person.

## Baroque Music To Be Presented

Detroiters will have a rare opportunity to hear authentic Baroque music when the Detroit Baroque Ensemble presents its first concert with the Rackham Educational Memorial Concert Series at 8:30 o'clock, Tuesday, April 26 in the Engineering Society of Detroit Auditorium in the Rackham Building.

The Ensemble was formed by Mrs. Alice Lungershausen, of Berkshire road, in 1959 in an effort to present Baroque works as they were composed and performed in the 18th century. According to Mrs. Lungershausen, "Most listeners have only been exposed to piano interpretations of Baroque music. Audiences are beginning to discover that Baroque performed in its original form is indeed a soothing contrast to the pace of modern life."

Members of the Ensemble are Italo Balbin, principle cellist of the Detroit Symphony Orchestra; Rosemarie Murch, mezzo-soprano at Temple Beth El; Arno Mariotti, first oboe of the Detroit Symphony Orchestra, and Mrs. Lungershausen, harpsichordist. Mrs. Lungershausen has performed with symphony orchestras in Philadelphia, Toledo, Detroit, Saginaw and Grosse Pointe.

The program will include the music and songs of Vivaldi, Scarlatti, J. S. Bach, Telemann, Boismortier, Monteverdi and Le-Clair.

The Detroit Baroque Ensemble seldom gives more than two concerts each year. Previous performances have been in Wayne State Auditorium, The Detroit Institute of Arts. It made its debut at the Grosse Pointe War Memorial in May 1959 in a concert commemorating the death of Handel.

The Ensemble's performance will conclude the spring season of the Rackham Concert Series, which is presented by the University Center for Adult Education, co-sponsored by Wayne State University, The University of Michigan, and Eastern Michigan University.

Tickets are \$1.50, with a reduced rate of \$1 for students. They may be purchased in advance at the Center's office in the Rackham Building or at the door. For information call 823-1400, Ext. 371.

## Cancer Crusade Month Begins

Parents and teachers have a moral responsibility to lead the way in shaping good health patterns for youth. Dr. Ronald G. Vincent, Associate Thoracic Surgeon at Roswell Park Memorial Institute in Buffalo, New York, told listeners at the Michigan Cancer Foundation Crusade Kick-off Luncheon at Veterans Memorial Building recently.

D. Vincent, who also is chairman of the Subcommittee on Education at the Roswell Park Memorial Institute, illustrated his talk with a series of colored slides showing dramatic experiments on the health hazards of smoking being made at Roswell Park.

Included among the speakers who helped launch the Foundation's month-long crusade against cancer were Mrs. George Romney, First Lady of Michigan, and Crusade chairman of the County Unit: C. F. Arnold, chairman of the Foundation Board of Trustees and Mrs. Alfred R. Glancy Jr., chairman of the Foundation's Women's Crusade Committee.

The invocation was spoken by Rev. Jerome P. Shanahan, Director of the Detroit Catholic Youth Organization. Entertainment was provided through the cooperation of the Women's Advertising Club of Detroit and the International Institute in an ethnic fashion show highlighting the native garbs of 15 different nationalities.

More than 500 leaders in parent organizations and educational systems thronged the main ballroom of Veterans Memorial Building for the occasion as the Foundation outlined plans for a month-long program involving a "neighbor-to-neighbor" distribution of educational material; a simple survey on the current public opinion on the dangers of smoking; an IQS, (I Quit Smoking), promotion among adults and a similar program, IDS, (I Don't Smoke), conducted by the student councils in leading high schools throughout Wayne, Oakland, Macomb and Monroe counties.

and a dramatic visibility campaign pointing out the importance of annual physical examinations highlighted by a Mayors' Night at the Cancer Detection Center Wednesday evening, April 21.

The Michigan Cancer Foundation, a Torch Drive agency, makes no solicitation for funds but conducts a year-round program throughout Southeastern Michigan of cancer education, service to cancer patients and financial support of cancer research.

The slogan this year is "Give Yourself a Birthday Present—An Annual Checkup by Your Doctor."

## Camera Club Meets Tuesday

### Farms Submits Building Report

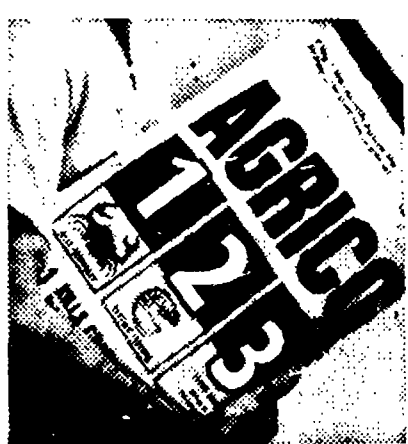

One permit for construction of a home valued at \$70,000, and a permit for miscellaneous construction valued at \$8,000, were issued by the Farms Building Department during the month of March, according to information released by John DeFoe, assistant city engineer.

By comparison, three residential construction permits for homes valued at a total of \$130,000, were issued during March, 1964, as well as 10 permits for miscellaneous construction valued at a total of \$23,300, the Farms building report showed.

There were no permits issued for nonassessable construction last month, or during March of 1964.

From January 1 of this year, through March 31, only the one residential permit was granted, one for a commercial building valued at \$45,000; and six miscellaneous permits, valued at a total of \$26,000. One nonassessable permit was granted for a building valued at \$170,138.

For the same period in 1964, three residential permits, valued at \$130,000 were issued; none for commercial construction; 17 permits for miscellaneous construction valued at a total of \$64,300; and none for nonassessable building.

## Plan Easter Services At Memorial Church

"The Seven Last Words of Jesus" will be the subject of the two-hour Service on Good Friday at The Grosse Pointe Memorial Church from 1 to 3 p.m.

The four ministers of the Church will interpret Jesus' Words from the Cross and the Senior High Choir will sing appropriate anthems. People may enter or leave during the hymns

which will follow each meditation.

Tonight the Adult Choir of the Church will sing Lenten Music, and the Reverend Gary R. Gruber will preach on "A Common Meal for Common People" before the celebration of Holy Communion.

There will be four services on Easter Day beginning with Communion at 7 a.m. when the Reverend Richard W. Mitchell will preach on "Go To Galilee." At 8:15, 9:30 and 11:15 the Reverend Bertram deH. Atwood will preach on "He Appeared To Me Also."

The Junior High Choir will sing at the Communion service, the Junior Choir at 8:15, and the Senior High Choir at 11:15. At the last three services the Chancel Choir, directed by Malcolm M. Johns will also sing.

The Grosse Pointe Memorial Church (United Presbyterian) welcomes all to any of its services, and the Communions are open to all without regard to their denominational affiliation.

## Services Set At St. James

Special Holy Week services, enhanced by inspirational music and meditations, are planned by St. James Lutheran Church.

The Maundy Thursday vespers tonight at 7:30 will have the traditional Holy Communion service, Pastor George E. Kurz has selected a text from Matthew 26:28. "This is my blood of the covenant" for his sermon on "The Abundant Life—Communion."

Good Friday services from 1 to 2 p.m. on the 16th will have the Junior Choir singing, "There is a Green Hill Far Away," by Cecil F. Alexander, and a solo by Thomas D. Cuser, "Fourth Word" from "Seven Last Words of Christ" by Theodore Dubois.

The sermon topic will be "The Abundant Life—Heaven," based on Luke 23:46, "Father into Thy hands I commit my spirit."

There will be a nursery for small children for this service. There will be three services on Easter Sunday at 6:30, 9:30 and 11 a.m. The Sunrise Service will be sponsored by the Senior Youth Group and they will actively participate in its worship

ceremony. Holy Communion will be celebrated. The Chapel Choir will sing "Christ the Lord is Risen Again" by Carl Schalk. Pastor Kurz will preach on "Is there a life after birth?" based on Rom. 6:3-11 at all three services.

The Junior Choir will sing during the 9:30 a.m. service. Their anthem is "Now the Day of Joy is Here" by Zaninelli. Soloist, Mrs. Heinz Hintzen will offer "The Holy City" by Adams, at both the 9:30 and 11 o'clock services.

"Open Our Eyes" by McFarlane will be sung by the Chancel Choir at the 11 o'clock service. In all of these services the magnificent sounds of the newly installed Moller pipe organ will enhance the music. Mr. Carl Munzel is organist and choir director.

An Easter pancake breakfast will be served by the Senior Youth Group from 7:30 to 9:30 a.m. in the Green Room to accommodate those attending the first two Easter services.

There will be a nursery for small children for the 9:30 and 11 o'clock services.

## Motorist Guilty On Two Counts

Richard P. Johnson, 34, of 2500 Anderson, Detroit, was found guilty of two counts of traffic violation, paid a heavy fine and was sentenced to two days in the Wayne County Jail by Park Judge C. Joseph Belanger on Wednesday, April 7.

Johnson, who was arrested on Monday, April 5, for driving a car with one headlight, did not have an operator's license on his person. He was taken to the station by the arresting officer, and a teletype was sent to the Secretary of State's Office in Lansing, regarding Johnson's eligibility to drive. A return answer revealed that the motorist's license had been revoked.

After finding Johnson guilty on both counts, Judge Belanger sentenced him to pay a fine of \$100 and serve two days in jail on the charge of driving while his license was revoked, and also fined the man \$5 for driving with only one headlight on his car. The fines were paid.

# If you think you're seeing more and more Plymouth Furys on the road, you're right.

# This is the hottest-selling Fury in history.

# Here's why:

Fury for '65 is the biggest, plushiest Plymouth ever... but still solidly in the low-price class.

Big on the outside, its wheelbase is a whopping 119 inches. Big on the inside, plenty of headroom, legroom and hiproom. And new curved-glass side windows add to Fury's contemporary styling. The plush part is the beautiful interior. There's rich upholstery to complement the exterior finish, wall-to-wall nylon carpeting and a smart, readable instrument panel. No wonder you're seeing more and more Plymouth Furys on the road. If you want more good reasons for buying Fury, see your Plymouth Dealer. He drives one too.

Some cutting remarks made me buy a YARD-MAN

I began lawn care with a "bargain" mower and found it didn't pay. I'd also been left in the state of confusion by too many claims and gimmicks concerning lawn mowers. Recently, however, a Yard-Man dealer brought me back to earth with a few "cutting remarks" that make a lot of sense. He pointed out that the basic function of any mower is to cut grass correctly, safely, and easily. For this purpose the heart of the mower is the cutting blade, and this is just one place where Yard-Man has the "edge" on other mowers. Yard-Man cutting blades are made only from austempered steel. They are tougher than tough carbon steel and take a factory sharp cutting edge and keep it for an entire lawn mowing season. Smooth grass cutting, the full length of the blade, is assured by Yard-Man's exclusive, easy adjustment at all three vital points... the wheels, the roller and the bed-knife. Each blade of grass is cropped with a crisp searing action leaving the lawn green and healthy.

Yard-Man offers you grass cutting at its finest, and with all the convenience and ease of a top quality lawn mower. This is YARD-MANSHIP! Ask your local dealer to demonstrate for you.

## Community Hootenanny Is Scheduled At Center

A Community Hootenanny will be held for the third time at Grosse Pointe War Memorial's Fries Auditorium, Friday evening April 23, at 8 o'clock.

It is one of the few activities planned for Grosse Pointe young people and their parents during Easter vacation. Alex Suckek, director of the Hootenanny, was most enthusiastic over the responses to the show's audition. College students came down from Lansing and Ann Arbor to be sure they got on the program.

A charming professional supper club entertainer showed up. And an Englishman, new to America, came down to see

adult. Both amateurs and professionals will take part. There will be repeat acts from last year, such as the Jug Band, but there will be lots of new faces too.

The audience, of course, will be invited to participate in singing the better known songs.

Tickets are on sale now at the War Memorial office. They are \$1.50 for adults, \$1 for students. The box office will also be open the evening of the performance.

Hootenanny talent will range from Junior High School age to what a Hootenanny was all about and proved to be a whiz with guitar and authentic folk material.

### Farms Council Re-Elects Mayor

At an adjourned regular Farms meeting held on Monday, April 12, City Clerk Dawson Nacy administered the oath of office to four councilmen who were elected by voters on Monday, April 5. The oath was also given to the re-elected municipal judge.

Sworn in were William Connolly, Jr., Richard Hudson and Mark Stevens, who by virtue of receiving the largest number of votes were elected to four-year terms, and William G. Kirby, who received the least votes, and will serve for two years.

Connolly and Kirby are veterans around the council table, and Hudson and Stevens are newcomers.

Also given the oath of office was Judge Grant E. Armstrong, who was re-elected by city voters to another four-year term.

Following the oath-taking ceremony, the council, according to the Farms City Charter, elected the mayor and mayor-pro-tem, from its own ranks.

Connolly, who has served as mayor of the Farms since 1949, when the then Village incorporated as a city, was re-elected to the post, for a two-year term; and William Butler was re-elected as mayor-pro-tem.

## School Exchanges

We are heartily in favor of organized, in-depth student exchanges. We feel that such programs, in which a student lives and studies in a "different" atmosphere over a given period of time, are of inestimable value to communities, countries and individuals.

But we consider short term, limited, one-or two-day classroom exchanges much less satisfactory. Frankly, as far as we are concerned, a one-day school exchange has about as much value as a "Ten Capitals in Ten Days" tour of Europe. We do not find anything "wrong" in such an exchange or in such a tour. But neither do we believe that these telescoped, limited experiences can be very deep or very rewarding. They are too short, and everything happens too fast, and everything is over too soon.

Yet the tourist who returns to the United States after "Ten Days in Ten Capitals" generally has acquired, at the very least, some idea of Europe's geography. And the student who returns to his own school after one day in another school is in a position similar to that of the ten-day, ten-capital tourist. He has observed certain physical facts: he can attest to these facts from his own personal experience. He has acquired new, albeit limited and partial knowledge.

We cannot wholly support a project which results in limited and partial knowledge. But we cannot wholly condemn a project which results in knowledge of any kind.

What do we send our children to school for?

## Letters to the Editor

Dear Sir:  
The vast majority of Grosse Pointe parents who have bought homes here in the last twenty years, have done so because they wanted something better than Detroit schools, pupils, and personnel.

Consequently we were shocked to read that Brownell Jr. High teacher Jerry Keenry is doing our community the great disservice of inaugurating an exchange student and teacher program with Detroit.

Exchanging students from one section of Detroit ITSELF to another by bussing has caused much strife, grief, and distress in Detroit.

We have consequently voted for and paid higher school taxes, have been very proud of our schools, and are depending upon our Grosse Pointe Board of Education, personnel staff, and faculty, to prevent any recurrence of such events as Keenry's exchange.

Yours very truly,  
Mr. and Mrs. J. D. Murray

Dear Sir:  
The April 5th Council election in Grosse Pointe Park resulted in an amazing turnout in the voters' choice. William H. Kessler, who had received the highest total vote in a field of twelve candidates in the primary election on February 15th, received the lowest total in the final election.

Mr. Kessler's qualifications, professional ability and experience were not questioned. His work and contribution as a Planning Commission member and Council appointee were commended by other members of the Council. Why, then, did the majority of voters fail to endorse him this time?

It is reasonable to assume that the following factors had considerable influence in this election:

(1) malicious rumors concerning the Human Relations Council.

(2) a "scare" letter distributed by a group of doctors — timed so there was no chance to make a public refutation.

(3) misrepresentations about the reasons for Mr. Kessler's opposition to the planned expansion of Bon Secours Hospital.

One can respect an honest difference of opinion based on qualifications or issues, but to have one's choice on a ballot influenced by lies and appeals to racial or religious bigotry is not only deplorable but frightening.

The loss to the community of Grosse Pointe Park is not only the services and dedication of a nationally known and respected civic planner and architect; it is the loss of dignity and self-respect in those who allowed their vote to be swayed by unreasoning prejudice.

Grosse Pointe Highway Dept.  
17145 Maumee  
Grosse Pointe, Michigan  
Gentlemen:

This letter is to give notice that we intend to pump the town sewerage from the floor of our basement onto Lincoln road.

Five months ago, on October 30, 1964, we made a strong verbal complaint when nine inches of sewerage flowed into our basement. We asked that some emergency measure be taken to prevent repetition of this dangerous situation.

Last night, approximately 18 inches of sewerage flooded our basement. It covered part of the electric motor that runs the furnace and hundreds of dollars worth of personal belongings.

Last fall, I was told by the Wayne County Health Department that sewerage in the basement is not dangerous because there is chlorine in the water. I strongly disagree. It is a fire hazard and could cause the drowning of one of our three small children.

It is our opinion that the Highway Department should take immediate action to provide a temporary relief system until it can construct a larger sewer. If you cannot do this, we intend to. We will secure a pump and run the sewerage out of the basement onto the street.

We would appreciate a prompt reply on the plans of the Highway Department, and any suggestions you may have on this urgent matter.

Very truly yours,  
JOSEPH B. RYAN  
497 Lincoln road.

Dear Sir:  
For the past three years, the League of Women Voters of Grosse Pointe, has been studying local government. In the past year, we have been particularly interested in "home rule" as it pertains to Wayne County. As a result of this study, there are certain standards which we think should apply to a "home rule" government.

First and foremost, each county should have the right and freedom to decide the type of government it wants.

Second, a county provide for a non-partisan election of a Charter Commission, county officers and members of a legislative body (if the charter calls for an elected one.)

Third, the election of a Charter Commission should be on an at-large basis, from districts or a combination of both.

For these reasons, therefore, we would like to see Senate Bill 112 amended. This is a Bill in the Legislature, introduced by Sen. Trout, proposed and written by the Wayne County Board of Supervisors. It requires the election of specified county officials, the sheriff,

This limits and prevents a county from establishing a stream-lined county administration, with clear cut lines of authority. ## What Goes On at Your Library

By Virginia Leonard

Pinch-hitting last week for Mr. Orr in his eight week course ("Books America is Reading—and Why" Series), I reviewed Bel Kaufman's UP THE DOWN STAIRCASE, thus re-whetting the enthusiasm which I originally felt when I first read this new novel a month or so ago. I hadn't forgotten the admiration I had for this author's ability to write beautifully, perceptively and understandingly, drawing on her 15 years' experience as a High School Teacher in the New York City School System. And since our Library is a part of the Grosse Pointe Public School System, dealing with children and education, I should like to share this book with you.

What Bel Kaufman has to say, in reality, is not bold, daring or original. She movingly portrays the New York Public School System, with many of its horrors, making one wonder not so much why Teachers want more money in situations like this, but that they are willing to teach at all under such conditions. Her teen-agers do not belong alone to New York City—they are found all over America. Any teacher, parent — any human being — who has come in contact with these youngsters, has known many of the types she depicts.

Miss Kaufman shows us the underprivileged child who must face racial discrimination; chances to become a dope addict. We see drop-outs, potential and actual, the slow learners, those who must leave school and work; those from broken homes. We see vividly the crumbling buildings, the over-crowded class rooms, the shortage of books, the discipline problems, over-abundance of paper work—all contributing to the tendency to lose sight of the forest for the trees.

But her satire is mainly directed at the administrative pedagogue—the road blocks of obfuscation. She impales with deadly accuracy such items as the faculty conference, memos and communiques; such personalities as the administrative assistant, whose gods are discipline, proper channels and an accurate accounting of paper clips; the librarian who is more interested in neat shelves than student use of books; the guidance counselor who has swallowed too much Freud.

The format is interesting and varied: This no straight novel written in the conventional manner; there are no flash-backs or streams of consciousness. Rather this is a poignant tale related in: 1) Letters written to a friend, Ellen; 2) Varied rapid-fire conversations held between pupils and Teachers; 3) Intrascopic communications and directives issued by the principal, administrative assistant, school nurse, school clerk and other colleagues; 4) Excerpts from the protagonist's Suggestion Box; 5) Reports, (deadly and hilarious), of faculty conferences; 6) Material appearing on bulletin boards; 7) Students' book reports and answers to examination questions; 8) Students' notes to one another; 9) Students' excuses for not doing homework, for being late, for being absent; 10) Lesson plans; 11) Notes from parents.

And through all these media, sometimes fragmented, sometimes seemingly disorganized, but always rapid-paced, the author unerringly makes her points, depicts and empathizes with her characters, both major and minor, and, in the end, presents a well-rounded picture of Calvin Coolidge High School. And through all this variety of approaches, the delineation of many pupils emerges—they are multi-dimensional, they are real, they are human, they are unforgettable. There is Joe Ferone, the swaggering "bad boy"—the prize juvenile delinquent of the School. He is rude, insolent, contemptuous, but he represents the most compelling challenge to Sylvia Barrett, the heroine.

There is the little Puerto Rican boy, Jose Rodriguez, whose total lack of identity leads him to sign his Suggestion Box notes: "Me," until Miss Barrett reaches him and helps him gain some measure of self-respect. There is Edward Williams, the Negro boy, whose notes bristle with feelings of discrimination, prejudice and the injustice of life.

Miss Kaufman uses humor with a lavish hand, and yet it is a humor that hurts because of the underlying currents of pathos, anger, truth, satire and frustration. She has a fine feeling for dialect and dialogue, and captures the student as he is, as he feels, as he writes and speaks.

To use a word invented by one of Miss Barrett's pupils, UP THE DOWN STAIRCASE may not be a "classicle" but it has become a title high up on the Best Seller List. The author has a forceful message—that teaching is the communication of ideas—the molding of minds—the reaching out to touch and help to instruct—and that it can be done in spite of the welter of directives and pedagogue. It wasn't easy (it never is) but Miss Kaufman succeeded, and this should serve as an inspiration to other Teachers who have the same aspirations and ability.

An extremely attractive jewelry exhibit is being displayed currently in our showcase at the Central Library. This is a part of the annual art exhibition held by the Grosse Pointe Public Schools Art Department at the War Memorial from April 6-26. We hope you will admire it as you enter our back door this month.

OKAY RESOLUTIONS  
At its adjourned regular meeting on Monday, April 12, the Farms council approved adoption of resolutions commending former Councilmen Thomas K. Fisher and Ledyard Mitchell, both of whom did not seek reelection on April 5, for their services to the community and its citizens. City Attorney George McKean was authorized to draw up the resolutions.

QUESTION. What is a "clinic team"? ANSWER. At Northeastern Wayne County Child Guidance, 18420 Mark Avenue, the clinic is really a collection of skills, in the form of the child guidance team. This team, consisting of a psychiatrist, clinical psychologist and one of more psychiatric social workers, divides the diagnostic and treatment task so that the special skills of each are used to their best advantage, and so that each member may benefit from the other's thinking.

## From Another Pointe of View

By Betty Collins

Mrs. Clifford B. Loranger, who painstakingly made out "Bon Voyage" cards last week and sent them to all her friends who were departing on the English Speaking Union's Western Mediterranean Cruise, surprised everyone and most of all herself when she showed up at the plane last Friday, bag and baggage, passport in hand, and the official EU stickers on her luggage. Just 44 hours before the travelers gathered at the airport, Mrs. Loranger was offered—and accepted—the chance to go along.

The decision was made on Wednesday evening when Mrs. H. VerLinden Pez, of Neff road, who was to travel with Mrs. John H. Mueller of Deming Lane on the trip was forced to cancel because of sickness. Mrs. Mueller telephoned Mrs. Loranger, who had been on the waiting list, and asked if she was still interested. After a hurried conference with Dr. Loranger, Mrs. L. proceeded to pack her bags (with the same clothes she wore on the English Speaking Union's "Round the World" cruise two years ago), unearth her passport (which was still good), and vaccination papers; cancelled dinner engagements, prepared two papers which had been promised to two organizations, and arrived at the airport Friday well ahead of the rest of the group!

Mrs. Loranger and Mrs. Mueller are now relaxing in A-1, the number one cabin on the spanking new MTS Argonaut; the result of a lucky draw by Mrs. Mueller days ago.

## Concordia Plans Centennial Concert

A musical evening unlike any other is in store for those who attended the Centennial Concert being presented by the Concordia Singing Society on Saturday evening April 24, at the Ford Auditorium. The Society, founded on February 22, 1865, is Detroit's second oldest choral group and is comprised of German-Americans.

Grosse Pointe residents have long been among the organization's most active members. President Kurt F. Hartlieb, of Berkshire road, has served in that capacity for eight years and has been on the executive board for 23 of the 30 years he has been active in the organization. His parents were also members of the Society.

Other Concordia "boosters" are Mr. and Mrs. Alfons Limberg, of Fisher road; he is vice president and she is a former solo soprano of the Society. A former president is Herman Otto, of Trombley road. Carl Lanz, of Chalfonte avenue, is active as a member of the Chorus. The only direct descendant of the group's founders now living in the Detroit area is Frank Kuhn, of Mc-

## LWV Offers Publications

Do you have questions about the problem of Wayne County Home Rule? Are you interested in such topics as "Politics of Trade" or "Water Resources?" Or are you planning a trip to the nation's capital?

Then the League of Women Voters of Grosse Pointe can obtain for you publications you will find useful. These are only a few of the many publications prepared by the League of Women Voters of the United States and the League of Women Voters of Michigan.

A complete list of publications, including brief descriptions of their content and instructions for ordering them, has recently been issued.

In this area, the Publications Catalog may be obtained from Mrs. Erville Maynard, 1 Christ Church lane, publications chairman of the League of Women Voters of Grosse Pointe.

Most publications would have to be ordered. However, Mrs. Maynard does have on hand the new pamphlet on County Home Rule entitled, "An Opportunity for County Voters to Solve County Problems." It was prepared by the League of Women Voters of Michigan and explains what home rule means, why it is needed and how it can help counties solve their problems.

Those planning visits to Washington this spring and summer may find "When You Come to Washington—How to

Take A Look at the Federal Government" helpful. It is a guide book for seeing our federal government in action and some of the important buildings in which it is housed.

Some publications concern topics the League has had under study. These include such booklets as "Prospects for Education and Employment", a brief discussion of problems and major legislation relating to opportunities for education and employment in the U.S.

Another is "The United Nations—A Candid Appraisal." "The Current Review of Foreign Economic Policy" summarizes recent foreign economic policy events.

Booklets of interest to those who wish a greater understanding of local and state government include "Planning in the Community," a guide for use in the fields of community planning, zoning and urban renewal. There are studies on reapportionment, election laws and state fiscal policy. On the national level, "How A Bill Becomes a Law," "The Role of Political Parties," and "You and Your National Government" are useful.

These booklets may be ordered by individuals or by groups, which may find them useful program material. Charges are nominal.

## Flowerama's Dates Are April 28 and 29

Traditional Exhibition by Michigan Division, Women's National Farm and Garden Association, Scheduled at Wright Kay Downtown

A bit of vicarious "jet-setting" through the Americas — North, South and Central — will gaily underscore the advent of spring when "Flowerama—Fairbanks to Cape Horn" is presented at Wright Kay April 28 and 29.

The exhibition of flower arrangements and table settings by the Michigan Division of the Women's National Farm and Garden Association will be staged on three floors of Wright Kay's downtown store in Woodward avenue.

The public is invited to attend the two-day exhibit without charge.

Keying the show's theme, "Adorned with Gems," in the display windows will range from the warmth of topaz in a "Royal Gorge" composition to the icy brilliance of diamonds used in a representation of "Northern Lights."

The first floor will be "Endowed with Culture," a classification which encompasses sculpture, music and the theatrical arts and which will include representations of the "Guggenheim Museum," "Tropical Beat,"

and the ballet, "Fancy Free, Americana."

On the second floor, a spectrum of table settings will include "Embassy Dinner" and "San Simeon, Calif." Among interpretations planned for the "Token of Remembrance" display, also on the second floor, are "Port-au-Prince, Haiti" and "Waikiki, Hawaii."

A festive and cosmopolitan mood will envelop the fourth floor where tables will sparkle with diverse settings typified by an "International Film Festival, Acapulco" cocktail hour, a "Lake Michigan Dunes" picnic and a "Midnight Sun Festival, Alaska" supper.

Display windows at Wright Kay branch stores in Grosse Pointe and at Northland will also feature "Flowerama" exhibits.

Each year Wright Kay pre-

## Woman's Club To Reminisce

Do you remember clutching a whole penny in your hand as a wee child and seeing so many different candies to choose from in the old "Country Store?"

The Grosse Pointe Woman's Club members and guests will have a chance to reminisce when they meet for the tea and meeting on Wednesday, April 21, at 1 o'clock, in the Fries Auditorium of the Grosse Pointe War Memorial.

Mrs. Henry Groehn, of Franklin, will speak on one of her favorite subjects, "The Country Store."

Since 1959, Mrs. Groehn has spent much of her time working with the staff of the Detroit Historical Museum. Her private collection of ink wells, which date back to the 18th century, has been exhibited at the Museum's Collector's Corner.

Mrs. M.R. Graybiel is chairman for this event and Mrs. Charles Stadelman is hostess for the tea. The Senior Woman's Group will be guests.

sents an award to the Michigan Division of WNFGA in appreciation of the annual flower show. This year's \$1,500 award will go to IFYE—International Farm Youth Exchange — the only rural exchange in the world.

The program, administered by the National 4-H Club Foundation, is a family-to-family exchange whereby rural youth further friendly relations in our "World Neighborhood." The Michigan Division of WNFGA is one of the largest state contributors to IFYE which is maintained by voluntary contributions.

Mrs. Wilson F. McClellan, of Birmingham, is chairman of the Flower Show committee this year. President of the Michigan Division of WNFGA is Mrs. Clarence E. Maguire, of Lochmoor boulevard.

Staging is being handled by Pointer Mrs. Harold R. Smith, and entries chairman is another Pointer, Mrs. John Veech, whose co-chairmen are Mrs. Floyd Arnold, of Dearborn, and Mrs. Charles Deuel, of Birmingham.

An April 6 tea reception at the Bloomsfield Hills home of Mrs. Marvin Katke offered a preview sampling of arrangements which will be on view at Wright Kay Downtown April 28 and 29, when the Michigan Division of the Woman's National Farm and Garden Association stages "Flowerama—Fairbanks to Cape Horn." ## DACCW Sets Meeting Dates

The need for a personal commitment to the cause of Christianity will dominate the attention of delegates and guests to the 26th Annual Convention of the Detroit Archdiocesan Council of Catholic Women April 28 and 29 at the Statler-Hilton in Detroit.

It will open officially on Wednesday evening April 28, with the Convention Mass which will be celebrated at 5:30 o'clock in St. Aloysius Church. Five concurrent workshops scheduled from 11 to 12:15 o'clock, will establish the basic thinking on personal formation, the organized apostolate, volunteer action, human rights and contemporary living. These topics will then be specifically discussed in afternoon and evening sessions.

Sister Mary Luke, Superior General of the Sisters of Loretto and one of the first woman auditors at the Ecumenical Council, will address the 12:45 o'clock luncheon. The Convention theme, "Lend Me Your Hands," will be her topic.

Six afternoon workshops exploring modern "Areas Of Tension" will run concurrently beginning at 2:45 o'clock. Mrs. George Romney and Mrs. Philip A. Hart will speak at two of these sessions.

Mrs. Romney's subject will be "The Role of Women" — the non-conforming woman in a conforming community — and Mrs. Hart's, "The Conscience of the World" — man's inner thoughts about the outer world. Other workshops in which the problems challenging today's

## Observe Annual YWCA Week

The YWCA of Metropolitan Detroit is inviting girls and young women to invest in themselves so they can be prepared to meet the demands of today's world. Miss Dorothy B. Mignault, YWCA Metropolitan Executive Director, said in announcing the 1965 National YWCA Week observance, April 18 to 25.

"Learning, caring and serving are some of the aspects of individual development that the YWCA can help young women achieve," she said, "and we look forward to working with many more who want to find a place where they can work together with other girls and women in building a better world."

"We encourage girls and women to join the YWCA now during National YWCA Week which coincides with our membership campaign," she said.

National YWCA Week is an annual observance and the Detroit Association is joining with YWCA's across the country in a concentrated drive to reach girls and women of all races, creeds and economic backgrounds.

The observance will be climaxed YWCA Sunday, April 25, when the Plymouth Congrega-tional Church, 514 Garfield, will give special recognition at its morning service to the local Association and its work in the community.

Members of the six YW branches have been invited to attend the services as a group.

## Cinema League Meets April 22

Cinema League's next guest, Jack Frost, has circumnavigated the globe many times — five times with the businessmen's Boy of Commerce group alone. He is also a camera enthusiast.

These facts promise an exciting evening, viewing the record of Mr. Frost's travels, highlighted by Africa and the dance of the Watusis, at the League's next meeting Thursday, April 22, at 8 o'clock, at the War Memorial Center.

Cinema League members and friends are cordially invited.

MR. and MRS. STANLEY M. HEUSTIS, of Grand Marais boulevard, left this week for a trip through the near East. In Athens they will see for the first time, EVANGELICA, who the Detroit staff of McGraw-Hill "adopted" through Foster Parents five years ago.

From Athens they will visit Ankara and Istanbul in Turkey, then Syria, Lebanon and Jordan. They will end their visit the week following Holy Week on a tour of Israel.

Millan road, son of one of the original 12 men who returned to Detroit after the Civil War and founded their Chorus on George Washington's birthdate. Mr. Kuhn's father was the group's first president.

Concordia Singing Society has historically maintained close ties with Germany and 33 people will come by plane from "the homeland" especially for the Centennial Concert. Among them are chorus directors, including the director of the famed Mozart Chorus in Berlin, and the presidents of a number of other Glee Clubs. They'll travel through Canada to Niagara Falls, then on to Washington, D.C., and New York before returning home.

Featured mezzo soprano performer for the Concert will be talented soprano Shirley Love, Detroit's contribution to the New York Metropolitan Opera. She will sing German "lieder" (folksongs) and operatic arias.

Also joining Concordia on the big night will be 30 members of the Detroit Symphony Orchestra and the mixed chorus of GBU-Saxonia. Among the presentations will be a 120-voice rendition of "The Battle Hymn of the Republic," in commemoration of the "original 12."

After the concert, the Concordia Singing Society will invite the entire audience ("as many as the Club will hold") to the Harmonie for a reception and dancing.

## An Easter Interlude

Spring flowers, pink bunnies, and Easter egg trees set the atmosphere at the tea and membership meeting of the Women's Committee of the Tuberculosis and Health Society meeting yesterday at the home of Mrs. M. M. Burgess, in Bloomfield Hills.

Assisting with the tea service were Mrs. Frank A. Colombo and Mrs. Arthur Pfannenschmidt. Others who made the trip across town included Mrs. Joseph Kaiser, Mrs. Roger Smith, Mrs. Fred Hillger, Mrs. Clarence Johnston, Mrs. Harold Walton, Mrs. Theodore Whittlesey, Mrs. Carl Zimmer, Mrs. Arthur Wrock, and Mrs. Foster Winter.

## Annual Clothing Drive

Sigma Gamma members are currently "talking up" their annual clothing drive which begins Monday and lasts through April 30. It's for the boys and girls at Detroit Orthopaedic Clinic, a torch drive agency, which Sigma Gamma Association founded and sponsors. Orthopaedically handicapped children are treated at the clinic from birth to age 21, but Mrs. Alfred R. Glancy, III, clothing drive chairman, tells us there's a special need for boys' and girls' clothing sizes two through 12. All donations are welcome.

Working with Mrs. Glancy on this project are Grosse Pointe depot chairmen Mrs. Frederick Ford, Jr., Mrs. John D. Standish, Mrs. William Dance, Mrs. Rockwell T. Gust, Jr., and Mrs. Edward Lerchen.

## See A Play And Aid A Scholar

The scholarship program at Goucher College is going to receive the proceeds from the theater party which is being planned by the Southeastern Michigan alumnae for the evening of April 27. The play is "Barefoot in the Park," the place is the Fisher Theater, and "the crowd" is going to contain a number of Grosse Pointe alumnae with their husbands and guests.

Among the alumnae will be Mesdames George Craighead, Thomas McCleary, Russell Welch, Gilbert White, and Frank Standish.

Mr. and Mrs. Standish are taking their guests back to their home in Moross road after the performance for a buffet supper. Mrs. John N. Failing will have 14 for dinner, and there are other parties in the planning stage.

## Fortnighters Dance at DYC

Last Friday the Grosse Pointe Fortnighters, the single adults of the Grosse Pointe Memorial Church, gathered for their annual dinner at the Detroit Yacht Club. There was dancing in the main dining room to the tunes of the DYC Orchestra under the direction of Phil Girard.

Fortnighters' president W.

Wilhelm stated: "I want 1965 to be our most dynamic year and I can assure you one of the finest selection of programs. I invite all Grosse Pointe single adults to join us at our next big meeting on Sunday, May 2, and for the 1965 boating season starting now."

## Plan Benefit Sale, Card Party for St. John's

A bake sale will be held at the Hospital from 7 in the morning until 3:30 o'clock in the afternoon April 17. Easter treats will be featured among the display of home-baked goods.

On Thursday, April 22, there will be an Easter Card Party at 8 o'clock in the new cafeteria.

Mrs. Franklin G. Quinkert and Mrs. Floyd W. Walker are co-chairmen. There will be prizes, plus additional favors. Donation is \$1.50.

## DAC'ers To Be Busy On Easter Weekend

Robert Goulet Stars in Holiday Floor Show; Champagne Reception Slated Sunday in Honor of Club's 50th Anniversary

The word is finally out that he'll be here! He'll be here on Easter Eve, April 17, to help the Detroit Athletic Club celebrate its 50th birthday anniversary. And the DAC is certainly being pretty frisky about the whole golden celebration, particularly the fact that it's Robert Goulet himself, who'll be the star of the week-long floor show, opening that evening for the party that was sold out weeks ago.

Even with 50 DAC years chalked up, this fine young entertainer, who has been going places in show business ever since he made the scene as Sir Lancelot in Camelot, will make the club and everyone in it feel "Younger Than Springtime." Easter Saturday and Sunday have so many events coming up that it will be a marathon dash for DACers from morning 'til night each day.

## United Church Women Schedule Two Events

The first, the group's May Fellowship Day observance, will be held at St. Mark's Methodist Church in East Jefferson, avenue, beginning at 10 o'clock. This is the second of three events of the year scheduled nationally, the other two being World Day of Prayer and World Community Day.

The fellowship day, considered one of the highlights of the church year for women of Detroit, will begin with a business meeting, followed by a worship service led by the Rev. Ray Swartzback, of Calvary Presbyterian Church, at 11:30 o'clock.

A spring luncheon will be served and the ladies will then hear a talk by Fran Harris of WWJ on the theme of "People, Poverty, and Plenty," telling of her experiences in a study of inner city conditions. The Evening Group of United Church Women of Metropolitan Detroit will hold its annual May Fellowship Dinner and Meeting on May 7, at Trinity Methodist Church in Highland Park. ## Inside The Mothers' Club

The meeting, April 5, of the Mothers' Club of the Grosse Pointe High, was the beginning of the countdown time not only for the Spring Tea Party, but for the gracious president of the Mothers' Club, Mrs. Robert Clarke. Mrs. Clarke, who served as vice president in charge of fellowships, and as publicity chairman, brought to the position of president a knowledge of Mothers' Club procedures.

She has ably represented the Club in attending meetings as in the past month of Ticket committee for Spring Benefit Party, Nominating committee, Senior Activities committee, Spring Tea committee, Mothers' Health Council, and a community program meeting.

Mrs. Arthur Sherman, vice president, said a total of \$5,800 was granted to 15 college students in the past year. Applicants for grants are being interviewed now. Mrs. Sherman mentioned that 45 scholars representing the top five percent of the Senior class will receive Rogel's Thesaurus from the Mothers' Club.

Two thousand, six hundred and ten School Bond Issue flyers were mailed to Grosse Pointe citizens by the corresponding secretary, Mrs. Charles Zentgraf, and her committee. Her committee assistants were Mrs. S. d. a. c. Clarke, Ingram, Bogeman, Tapert, Taylor, Pennington and Bamberger.

An announcement from the Grosse Pointe War Memorial about the "Battle of the Ages" panel was read. Jerry Gerich, Faculty Advisor, announced the Detroit Symphony will give a concert at the High School on May 25, at 8:15 p.m., to acquaint citizens with this sphere of music.

Mr. Gerich reported that due to the large graduating senior class, each senior will be allotted three tickets only for commencement exercises. Final plans for the Senior Banquet are in progress.

The Faculty Advisor outlined a proposed new "group counseling" plan for tenth grade students. By this new method, the staff hopes to achieve a closer bond with the incoming students who are often "lost" in the new school life they enter. The school expects to have 1,000 tenth grade students next fall. Mrs. Charles Beltz, Spring Party chairman, reported the countdown for the tea starts Wednesday, then Thursday and

## Men's Garden Club To Meet

"Lawns—Varieties and Maintenance" will be the title of William Mihelich's talk to the Men's Garden Club of Grosse Pointe when it meets at the War Memorial Center at 8 o'clock tonight, Thursday, April 15.

Mihelich will discuss the types of grasses to use for lawns in Grosse Pointe, explaining that soil conditions, amounts of sunlight and shade, degree of care the lawn will receive and many other things can influence a decision on a lawn.

Rejuvenation of old lawns and the advisability of creating new lawns, whether by seed or sod, will also be covered in this all inclusive talk by one of Michigan's leading turf experts.

Mihelich, who for many years has been advising on and specializing in turf and roses, is a director of a nursery bearing his name in Warren, Mich.

He is a member of the Men's Garden Club of Grosse Pointe, has been President of the Men's Garden Club of East Detroit, a member of the Metropolitan Detroit Landscape Association, Michigan Association of Nurserymen, American Association of Nurserymen, American Rose Society and National Rose Society of England.

Male gardeners are cordially invited to attend the meeting and the coffee hour which follows.

Visiting her mother, MRS. HENRY T. EWALD, of Vendome road, last weekend were MR. and MRS. CHARLES F. PFEIFER, of New Canaan, Conn.

## Plan WUF Program At Memorial Center

Local 'Inforama' Scheduled April 28; Pointe Women to Serve as Hostesses During Information Session

Radio personality Bud Guest will appear in "Happiness is a Thing Called You" in the Fries Auditorium of the Grosse Pointe War Memorial at 9:30 o'clock Wednesday, April 28.

The program, at which coffee will be served, is sponsored by Women for the United Foundation (WUF). Mrs. Sibley Moore, of Sunningdale drive, is chairman.

The program is one of 13 Inforamas sponsored by WUF in the Detroit metropolitan area. Invitations went out in mid-March to WUF members and Torch Drive volunteers.

Their work on behalf of the U.F. is responsible for the theme, "Happiness is a Thing Called You." Also invited are women who have never before worked for the Torch Drive, including hundreds of Detroit area newcomers.

"The Inforamas are for information, not 'solicitation,'" said Mrs. Harry L. Jones, general chairman. "They are a combination of information services and policy, plus entertainment and refreshment."

Grosse Pointe women serving on Mrs. Moore's committee are Mrs. William Byron, of Rivard boulevard; Mrs. Nelson W. Schiaff, of Edgemont Park; Mrs. Douglas Adair, of Colonial road; Mrs. Lowrey Kammer, of Lothrop road, and Mrs. Earl D. Thompson, of Notre Dame avenue.

Presenting information about the United Foundation will be Dr. J. Douglas Adair of the Michigan Kidney Disease Foundation, Mrs. George T. Hall and Gordon K. Boring, executive director of Boys' Republic.

Hostesses will be Mrs. Wen-

## Goodwill Slates 'County Fair'

The annual County Fair of the Women's Association of Goodwill Industries of Greater Detroit will open at 10:30 o'clock on Friday, April 30, at the Goodwill Building, Brush street at Milwaukee. Everything from an unusual piece of jewelry or bric-a-brac, a dainty apron or some delicious home-made food, will be available at the County Fair.

A dessert luncheon will be served at 12:30 o'clock followed by a card party. For guests who do not wish to play cards, Mrs. R. S. Garypie will present a book review on "Tears Are For The Living" by Margaret Banister.

There will be prizes and favors. Reservations for the dessert luncheon may be made with Mrs. Charles Williams, general chairman, at UN 3-0949. Donation is \$1.25. The entire proceeds will be used for the benefit of Goodwill Industries and its handicapped employees.

## Final Concert For Symphony

The Detroit Women's Symphony Orchestra presents its third and final concert of the season on Sunday, April 25, at 8 o'clock at the Community Arts Auditorium.

Soloist will be Eleanor Lipkin Rocchi, internationally renowned pianist, formerly of Detroit. She has appeared with the Detroit Symphony Orchestra and has recently completed a successful European tour which included performances in Italy, Germany, Switzerland, Austria and England.

Nathan Gordon conducts.

## Center Offers French Class

A chance to brush up on French before this summer's trip to Europe is offered at the Grosse Pointe War Memorial Center on Wednesday mornings beginning April 20 from 9:30 to 11 o'clock.

Mme. Charles Bachrach will, for six weeks, hold a spring term of French Conversation classes. The fee is \$12.50.

Mme. Bachrach, whose native French charm is well known in Grosse Pointe, will accept anyone in class who has a reasonably good foundation in the language and wishes to practice and obtain further ease in speaking.

The Conversation class is based on readings of current French affairs which help in bringing one up to date on French thinking and what to expect when visiting that country.

This course is limited in numbers to offer each student as much time as possible to participate in conversation. For that reason advance enrollment is requested.

Mme. Bachrach has consented to teach at the Grosse Pointe War Memorial this year because she is using her teaching fee to restore her family's ancient chateau in the Loire. Perhaps some of her students will be able to visit it this summer.

## Wayne Benefit Slated April 21

Detroit's new Summit Theatre has been reserved for Wayne State University alumni and their friends for Wednesday evening, April 21, when Women of Wayne will stage a centennial fund benefit performance.

The cinerama movie, "Circus World," starring movie actor, John Wayne, is most appropriate for a Wayne State event, as Mr. Wayne is an honorary member of the WSU Alumni Association.

Enjoying the movie and the champagne after-glow will be several Grosse Pointe couples. They are the Alexander Westcotts, of Devonshire road, the Robert Joneses, of Fairway drive, the Walter Kujawskis, of Barclay road, the William Belsers, of Hollywood road, the William Vanderhoofs, of Blairmoor court, the William Hermanns, of Fairway drive, and the Robert Silvas, of Littlestone road.

Tickets for this alumni party are reserved thru the WSU Alumni House, TE 3-1400. Proceeds will be added to the Women of Wayne five-year Centennial Fund.

## Flower Talk In The Spring

—Photo Courtesy of the Henry Ford Museum, Dearborn

Flower arranging was the main topic under discussion recently at a special meeting held at Greenfield Village, Dearborn. Preparation of special arrangements for the fourth annual Clara B. Ford Garden Forum, April 28 through 30, were discussed by this group from

The Pointe, including (left to right) MRS. F. J. SCHUMANN, co-chairman of arrangements; MRS. ELMORE FRANK, MRS. ROBERT POSTEL, MRS. F. E. GOULD, MRS. HANSEL DWIGHT WILSON, MRS. LONGYEAR PALMER and MRS. THEODORE FOSTER.

## To Be Wed

Mr. and Mrs. William Sydney MacDonald, of Bishop road, announce the engagement of their daughter, SUSAN BETH MACDONALD, to Larry Eugene Marvin, son of the Dudley Marvins, of Ridgemont road.

The bride-elect, who is also the daughter of the late Dorothy Coelius MacDonald, was graduated from Grosse Pointe High School and attended Wayne State University.

Mr. Marvin, also a graduate of Grosse Pointe High School, received an Engineering degree from Wayne State University, where he is currently working towards a Masters degree in Mechanical Engineering.

A June 26 wedding in Grosse Pointe Memorial Church is being planned.

SIDNEY HIRSCHFELD, of Saddle lane, recently joined the Alumni Executive Committee of the University of Detroit Challenge Fund, the school's development program. He is in charge of the class of 1949.

## GOP Women Hear Author

Appearing before the Women's Republican Club of Grosse Pointe at the Grosse Pointe War Memorial April 8, Mrs. John Fred Schlafly, of St. Louis, spoke to an audience of 300 Pointers and friends.

Phyllis Schlafly is the author of two 1963 best sellers: "A Choice Not An Echo" (3 million copies) and "The Gravediggers" (2 million copies).

Her address in Grosse Pointe was on the subject of disarmament, and she described present U. S. policies in that field as suicidal. She stated that current policy of disarming to show the communist block that the free world has "good faith" is a legacy of the Kennedy administration, and she compared communist tactics to obtain world control to a giant confidence game.

"The power of organization is

the greatest power there is," she observed, and she called upon women to use that power as was recently done in Brazil, when that nation was called back from the brink of communist takeover, largely because their women decided communism was not the way of life they chose and rallied their organizational powers to prevent it.

Phyllis Schlafly's next appearance in Detroit will be at the Art Institute, April 23, at 8:30 o'clock. The public is invited.

MR. and MRS. ERWIN J. HELM, MICHAEL, and MARY JANE, of Woods lane, and friend JANICE MURRAY, are enjoying their Easter vacation at Daytona Beach and Fort Lauderdale.

GROSSE POINTE WOODS — Cape Cod, 3 bedrooms, 1 1/2 baths, sunny family room, attached garage. Near schools. Home in excellent condition. TUxedo 1-7878.

BY OWNER

19243 LINVILLE, Grosse Pointe Woods. Colonial, 3 bedrooms, 1 1/2 bath, family room, carpeting and draperies. 884-7918.

THE MOST POPULAR... tops our request list... fills the bill... we're sure you will... agree with us that this never house in the Shores and containing those four bedrooms with two full second floor baths... Could be the ideal solution to your shopping problem. This colonial has a center family room with a view into one of the last undeveloped acreage in the Pointe. Tremendous kitchen with built-ins and a bar-beque for year 'round enjoyment. Promise her anything but give her a house.

COULD BE A HAND in glove fit for your family if your house requirements necessitate having bedrooms both up and down. On O'MARA Court we are offering such an arrangement with two sleeping rooms on each floor and two and a half baths. The "living kitchen" is a real saver and perfect for informal entertaining. Ideally located near Barnes, GPUS, and Star of the Sea schools.

PAMPERED OVER by its particular owner, and looks every inch a prima donna. This contemporary is in the Deerparks area. Could be that this is that small house with the large rooms you've been seeking? All three bedrooms have their own bath and there is a cozy den which also opens onto a secluded patio.

IF YOU HAVE wanted to purchase a larger house in the Farms, which will give your family the required elbow room that only an older home seems to offer, then you should take advantage of the recent price reduction on this house on Lewiston. Now the luxury of five family bedrooms plus a couple more for help, can be yours if you are shopping in the sixty bracket. Situated on a lot with more than 200 feet of frontage, and all serviced by an underground system of sprinklers. Four fireplaces, which includes one in the master suite.

IF YOU PREFER The comforts of one floor living let us show you our new listing on CLAIRVIEW Road. Custom built for an electrical engineer executive. Zoned sprinkler system, heater bathroom floor, radiant heat, central air conditioning. Three bedrooms, two and one half baths, library, family room.

A local bachelor who likes his food cooked gourmet-style tells how he manages to have a braised chicken or beef dinner waiting for him and his roommate when they come home from work. The bachelor sautees and seasons the meat or poultry the night before, then wraps it and freezes it. In the morning, he sautees the vegetables, puts the meat or poultry, frozen solid, on top of them and places the dish in his automatic oven. By the time the oven turns on at three, the meat is thawed, and the whole meal is cooked to perfection by dinnertime.

Another Hootenanny is being held at the War Memorial on April 23 and this one will have an international flavor. A young student from England stopped by during the try-outs "to see what a Hootenanny was," was so intrigued with the folk-singing that he decided to try it for himself, and earned a place in the show.

A pink Loge ticket for the Punch and Judy has belonged to Mr. and Mrs. Francis X. Coughlin, of York-shire road, for more than 25 years, since before they were married. The admission, printed in black letters, totaled 50 cents; 45 cents cost and 5 cents tax.

When Mrs. Coughlin presented the ticket to the manager at the Punch last Friday evening (over Mr. Coughlin's embarrassed objections) she found that the management more than kept its word even through 25-plus years and a change in ownership. Mrs. C. reports that "a very gracious young man" took the ticket, told her a bit about the history of the theatre since it opened in 1928, and invited her to be the theater's guest at that evening's movie.

## Richard Teacher Receives Grant

Mrs. William J. Prosser, Richard School teacher, has been chosen to receive the first Fellowship Grant offered to a local teacher by the Grosse Pointe Branch of the American Association of University Women.

Mrs. Prosser, who teaches fifth grade, plans to use the \$700 grant to complete her master's degree in education this summer and to begin work on her doctor's degree.

By June Mrs. Prosser will have completed 42 credit hours toward her master's degree at Wayne State University. This summer she hopes to go to the University of California at Berkeley to write her essay, which will complete her requirements for her degree.

She will work with her Wayne State advisor, Dr. Marion Edman, who will also be attending the University of California. In addition to working on her essay, Mrs. Prosser hopes to take one or two courses toward her doctor's degree.

"My essay will be on kindergarten entrance," she said. "It will be a study of the value of a study which will be made at Richard School to see whether children are ready for kindergarten." Age, perhaps, should not be the only factor in determining readiness for kindergarten, she explained. A child may be better off waiting until he is six years old to enter kindergarten.

She explained that it is most important that a child be ready for reading when he enters first grade. Some children who enter kindergarten merely because they are five years old are really not quite ready for school, and when they reach first grade they will not be ready for reading, she noted.

These children would benefit from waiting until they are six to begin kindergarten.

Mrs. Prosser said, "Most of my graduate work has involved gifted children and enriching the school program for the benefit of the gifted child." A gifted child means not only the exceptionally bright child, she said, but also a child who is artistically talented, for instance, but gets low academic grades.

Next year Mrs. Prosser will serve as an instructional specialist at Richard School. In this capacity she will be a coordinator of all instructional supplies, and aid teachers in planning special programs and in ordering instructional materials such as visual aids and textbooks. She will also have charge of the library.

In addition, she will conduct special enrichment programs for children of all levels of ability.

## Pointer of Interest

MRS. LAWRENCE D. BUHL, JR., OF STEPHENS ROAD  
By Betty Collins

A glamorous, professional show, proceeds from which would finance important charitable work, was what the members of the Junior League of Detroit had in mind when they voted to undertake their current project, "An Evening With the Stars," to be presented April 30, in Ford Auditorium.

Being a volunteer organization, however, the Junior League had no "glamorous, professional" producers (complete with ulcers) to step in and arrange for the stars around which to build such a show. The responsibility was handed to lovely Mrs. Lawrence D. Buhl, Jr., officially known as assistant chairman.

That the job done by Mrs. Buhl has been more than competent is enthusiastically acclaimed by her chairman Mrs. Arthur Buhl Hudson, (Pointer of Interest, October 10, 1963) who calls it "Fabulous." "Without Fay," says Mrs. Hudson, "There wouldn't even BE a show!"

Mrs. Buhl is becoming increasingly admired for her ideas and enthusiasm, her good taste and attention to detail, and her all-encompassing knowledge of Junior League projects, acquired during years of service.

The "casting" job for "An Evening With the Stars," has been an exciting one for Fay Buhl and it has had its disappointments too. The original star of the show, Jane Morgan, whose name went out on the invitations, was forced to cancel for health reasons just over a month before the big night. (One reason why "professional" producers get ulcers and lose their hair, too!)

Undaunted, Fay, and Al Navarro, who has given the Junior League a guiding hand during its first venture of this kind, worked up another, even more ambitious program, with a variety of stars.

### Sees Stars On TV

There are Hal LeRoy, Frank Fortaine, Earl Wrightson, Lois Hunt, and others. Mrs. Hudson has viewed them all on television and is delighted with their performances. "We have a strong program," she says. "And nobody is going to have a chance to get bored or be restless."

One act, the opening number, hasn't provided any booking problems for Mrs. Buhl. It's the Rockettes, a 20-girl chorus line composed of Junior League members, which will be reminiscent of the Junior League "Polies," held in past years.

"An Evening With the Stars" is going to be a glamorous event, as well as a fun evening, just as the Junior League members who planned it have hoped. Mr. and Mrs. Buhl do plan to "dress up" and will meet afterwards, along with all the benefactors and patrons, at an "afterglow" at the Top of the national fund. This is the first year it is also awarding a fellowship of its own to a Grosse Pointe woman. The winner was selected by an AAUW committee and Superintendent of Schools Charles Wilson.

The \$700 Fellowship Grant for Mrs. Prosser and the Branch's donations to the national Fellowship Fund were made possible by the proceeds of two Branch projects this year, the Used Book Sale and two Children's Theater performances.

VANDALISM REPORTED  
Florence A. Schultz of 2231 Allard, and John Burrows of 2219 Allard, both reported to Woods police on Saturday, April 3, that while their cars were parked in front of their homes, someone broke off the aerial antennae, and the side view mirror.

they pertain to her three sons: Larry, 8 next month and a student at St. Paul's; David, 6, and Robert 1½. When her older two boys were "of age" she was a board member for four years for the Christ Church Cooperative Nursery, an experience which she enjoyed thoroughly.

Mrs. Buhl is enthusiastic about the "modified Montessori" kindergarten which David attends at the Convent of the Sacred Heart. She thinks his progress in all fields has been notable, is "amazed" at the strides he has made in geography.

Fay is herself a graduate of the Convent (she's the former Fay FitzSimmons, daughter of Mr. and Mrs. Sherman FitzSimmons) and of Manhattanville College. It seems appropriate that she has remained in her home community, for she is a person who obviously enjoys congenial relationships with old friends and with her family.

Her conversation is sprinkled with frequent references to "my sister in Chicago, my brother-in-law, my mother," etc. It is a charming characteristic.

### Likes Dogs

The environment created by Fay for her family is inviting and fun. Two large Labrador retrievers, Del and Dewey, who are the same ages as the two older boys, wander in and out of the family room at will while Fay explains that big dogs are "so much easier" than little dogs who run around and around the house.

A player piano in the family room has inspired much group singing for the family and friends too, and above the fireplace, surveying the scene stoically are a mounted duck and a pheasant, both shot by Mr. Buhl.

Peering out from amongst the greenery on the fireplace ledge are the crafty eyes of a fox (also mounted), the gift of a family friend. (Fay Buhl has a quiet, delightful sense of humor.)

When Fay isn't in Grosse Pointe, she loves going to Harbor Point where both she and her husband have vacationed all their lives. Their home there is partially winterized now and last year the Buhls were there over New Year's.

### Marie Bird's Beauty By Line

TOP SECRET — for the total look of beauty — "Compatible-Curl" — Permanent Styling — a secret that doesn't have to be kept under your hat — but if it is it will emerge in perfect shape when the Easter bonnet is taken off — and your radiant tresses are free to blow in the breeze during an after church stroll along the Lake Shore — or in a racy convertible with the top down.

What makes "Compatible-Curl" different from ordinary perms? It is a combination of many things. It begins with the right hair-cut — curl control to give the Young Mod the hairdo she wants — firmer curl for the mature women — knowing how and when to use protein polypeptides to strengthen and condition the hair during the actual waving process — adjusting the individual's problems as related to state of health, medications and other factors having a direct bearing on the permanent waving process.

How do we know and do all this? That's our secret — that we keep under our hats at 117 Kercheval — the basis of an enviable reputation we enjoy as permanent waving specialists. Drop in soon or call TUxedo 1-6833 — our salon is always open Mondays for your convenience — and closed Wednesdays for ours!
