## HEADLINES

of the  
**WEEK**  
As Compiled by the  
Grosse Pointe News

Thursday, April 15

**PRESIDENT JOHNSON**, finishing an 11-hour tour of the six-state area in the Midwest that was ravaged by tornadoes and floodwaters on Palm Sunday, promised Federal aid to parts of three states, Michigan, Indiana and Ohio. The 2,100-mile trip included flights over Michigan, Illinois and Wisconsin and stops in Indiana, Ohio and Minnesota. At his final stop, in Toledo, he promised a crowd of 3,000 that they would have the full support of the Federal government in their task of reconstruction. At the same time, the Mississippi river was still rising, rampaging through St. Paul, Minn., lowlands, headed for a record 27-foot crest and forcing 600 more persons to evacuate their homes.

Friday, April 16

**BRITISH PRIME MINISTER** Harold Wilson, completing talks with the President on U.S. policies, announced that he supported Johnson's policies in Southeast Asia, but that no British troops would be forthcoming due to other British military commitments in Malaysia and the Middle East. Johnson also talked with West Berlin Mayor Willy Brandt, who stated that Germany had already sent aid to South Vietnam and was prepared to do more. Both Brandt and Wilson also endorsed the U.S. proposal of a \$1 billion aid program for Southeast Asia.

Saturday, April 17

**OFFICIAL SOURCES** in Washington disclosed that President Johnson is preparing the biggest shift in diplomatic assignments in four years. The intended shake-up will involve changes in at least five major State Department jobs and more than a dozen U.S. embassies. It was said that this will help President Johnson to redeem his political obligations, and that some prominent New Frontiersmen, including G. Mennen Williams, former governor of Michigan, will have to leave Washington.

Sunday, April 18

**THE SOVIET UNION** threatened to send soldiers to fight in Vietnam, if the United States steps up military action, but announced it would withhold "volunteers" until help is requested by North Vietnam. If the threat is carried out, it would be the first time the world's two superpowers confront each other. In the Korean struggle, China sent her troops to aid North Korea, but Russia never did. It is speculated that Russia's offer was made in an effort to ward off direct Red Chinese participation in the Vietnamese war.

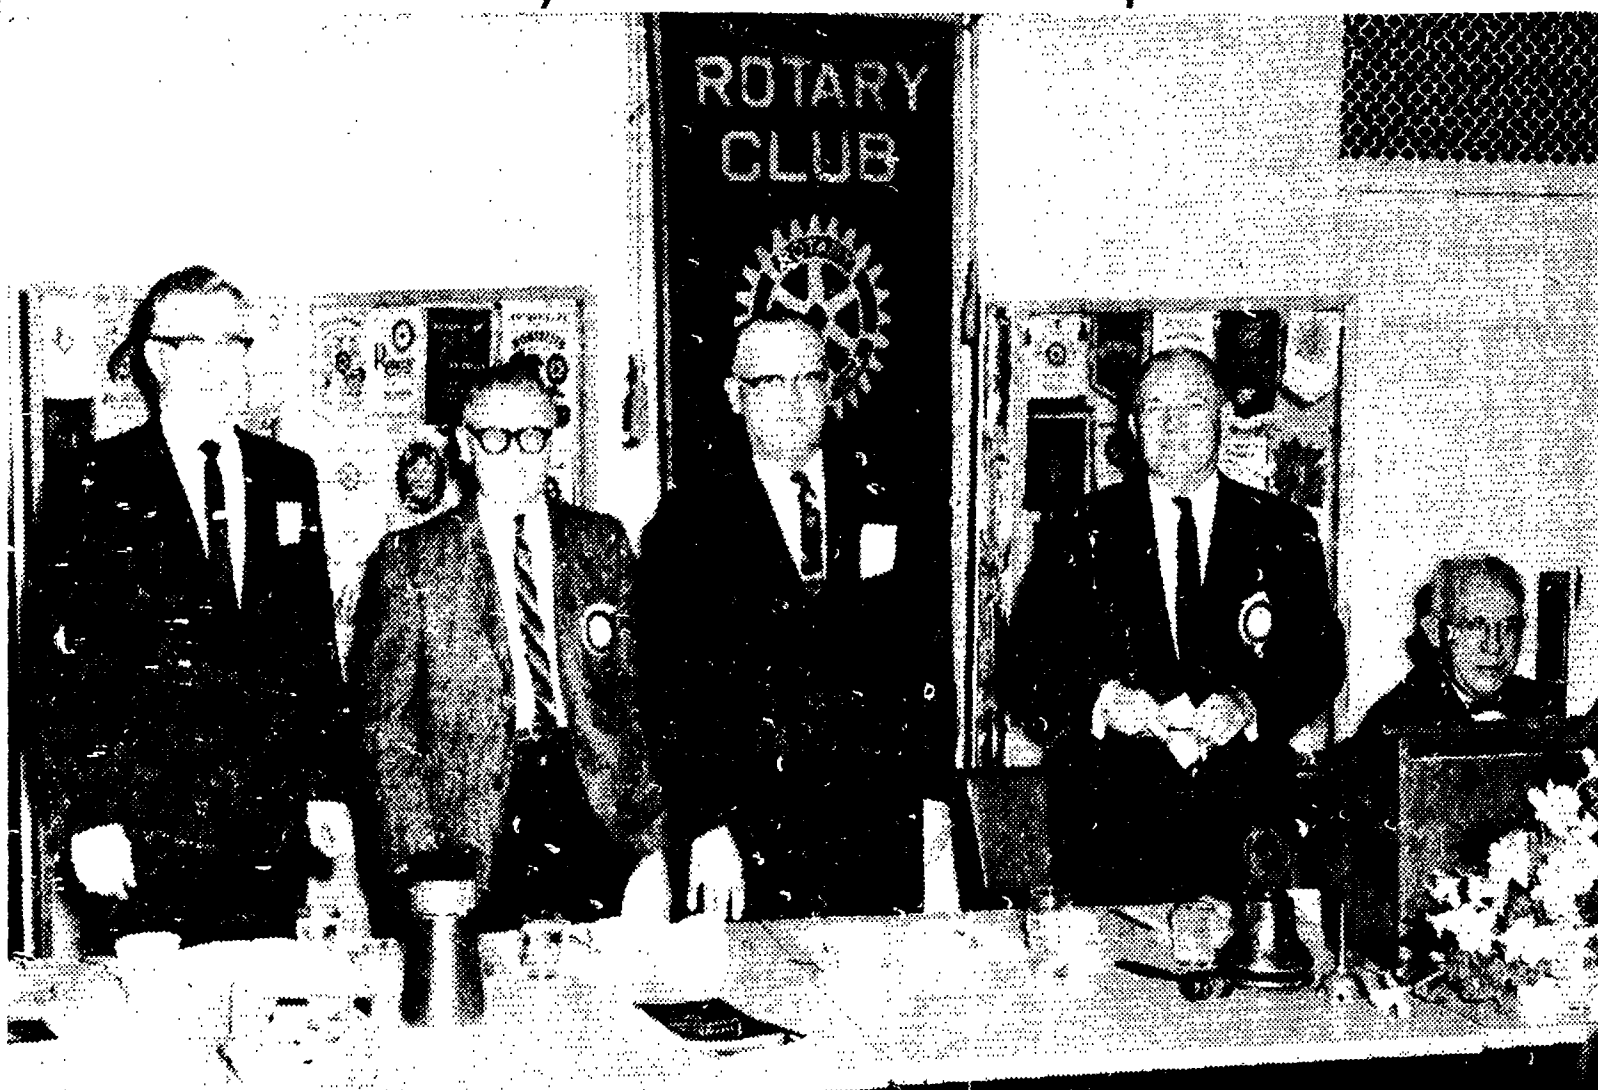

Monday, April 19

**SEN. J. W. FULLBRIGHT** (D., Ark.) took issue with Secretary of State Dean Rusk, and said that a temporary halt in air strikes against North Vietnam might open the way to a negotiated peace. On Saturday, Rusk said that the administration has considered and rejected the idea of suspending raids against North Vietnam, because "it would only encourage the aggressor and dishearten our friends who bear the brunt of the battle." Fullbright believes that continued bombing will make the Viet Cong "dig in," and the Russians decline to talk.

Tuesday, April 20

**VOLUNTEER WORKERS** lost another battle with the Mississippi River and surging floor waters burst through two weak spots in a sandbag levee, thereby periling a wide front in Wisconsin. Hundreds of persons were ordered by local officials to abandon their homes in areas where the levee is expected to be threatened by two to eight feet of water. Flood waters also threatened to breach other water-logged levees on a 500-mile front along the nation's mightiest river. President Johnson has been asked to declare the state a disaster area.

## Proclaim May 4-7 Grosse Pte. Antiques Week

—Photo by Milt Volken

The Grosse Pointe Rotary Club is sponsoring its annual Antiques Show again this year, at the War Memorial Center. Dates of the '65 Show are May 4 through 7. In recognition of Rotary's service to the community through funds raised via the Show, all Grosse Pointe Mayors have officially proclaimed May 4-7 Grosse Pointe Antiques Week. Pictured above at a recent Rotary meeting during which the proclamations, citing Rotary's many years of activity "in the promotion of Community Services helpful to our citizens" and noting how "the citizens of our Community appreciate the craftsmanship and beauty of antique objects such as are to be displayed," were read, are, (left to right), JOHN CANTWELL, Grosse Pointe City Manager, WILLIAM F. CONNOLLY, Jr., Farms Mayor, (and a Rotarian himself), Woods Mayor KENNETH R. McLEOD, Rotary president-elect KENNETH SMITH and VINCENT R. DePETRIS, (seated), past Rotary president.

The Grosse Pointe War Memorial's 1965 Family Participation Campaign has passed the half way mark toward its goal of \$75,000. The target date for the successful conclusion of the campaign is, fittingly, Memorial Day.

## Resume Planting At Center Islands Along Lakeshore

Garden Club Council Beautification Project Begun  
Last Spring Is Continued; Shrub Sale Scheduled Friday and Saturday

Seventy-two flowering trees and eighty Viburnum Acerfolium shrubs are being added to the planting in the islands of Lakeshore drive this week. This is part of a continuing project to replant the drive started last spring by the Grosse Pointe Garden Club Council, an organization of eleven garden clubs in the Grosse Pointe area.

Six varieties of flowering crabapples, three kinds of Hawthorne, and three kinds of flowering cherries are among the trees being planted.

The Kwanzan, a pink flowering cherry, one of the varieties, is being offered for sale by the Council as an educational effort to further beautify the Pointes.

### Shrub Sale

The shrub sale, being held Friday and Saturday of this week at De Petris Florist, is also offering for sale a Mt. Fuji cherry, a white flowering shrub-like variety, and two varieties of lilacs, double white, and double purple.

The lilacs are selling for \$8, the Kwanzan cherry for \$9, and the Mt. Fuji cherry for \$8.25.

The landscape design for the replanting of Lakeshore drive was made by Max Milton, landscape architect, and authorized by the Wayne County Road Commission.

The City of Grosse Pointe Farms is paying for the planting. An award of \$250 given to the Council last spring by Sears Roebuck Co. is also helping to finance the project.

### Clean-Up Coupon

In conjunction with the Garden Club Council's annual Spring Clean-Up Campaign, scheduled the first week in May, the NEWS is printing a coupon, "Sore Spots for Clean-Up," on an inside page of this week's issue.

Residents are asked to identify any location they feel particularly in need of "clean-up," and mail the coupon to the Council.

## Police Arrest Errant Driver

Donalson J. Emch, of 1270 Alter road, Detroit, tried to elude Farms police on Friday, April 16, by turning off his car lights and increasing his speed, but he made a turn into a dead-end street and was caught.

Patrolmen Robert Conn and James Bliss, the arresting officers, said they were cruising on Moross road when they observed Emch driving west on Grosse Pointe boulevard at a speed estimated at more than 55 miles an hour. The driver turned out his car lights when he saw the scout car, the policemen said.

Emch made a left turn onto Fair Acres court and came to an abrupt stop when he discovered it was a dead-end street. He was arrested and taken to the station where he was issued a violation ticket for reckless driving.

## Carnival Of Books Slated May 1 By Library Friends

The Friends of the Grosse Pointe Public Library will again present a "Carnival of Books" at Central Library, Fisher road at Kercheval avenue, on Saturday, May 1, from 10 a.m. to 5:30 p.m.

Plans for the Carnival, which will climax the week-long celebration of National Library Week, include an unusual Puppet Show for children, to be presented by the Junior League of Detroit, Inc., Puppeteers at 10:30 a.m., and a Book Talk for adults by Robert M. Orr, Director of Public Libraries, also at 10:30 a.m. At 2 p.m. there will be an informal lecture about the fascinating art of Lithography by Emil Weddige, whose fine work will be on display at the Central Library all week.

A recital of opera greats of the past from 1900-1940, presented by Mr. Robert Welch, with commentary, is scheduled at 3:30 p.m. At 4:30 p.m. there will be a general reception and refreshments for everyone.

## Center Drive Is One-Half Way To Goal

\$41,775.16 Received From 1,894 Givers; Campaign Ends May 31

The Grosse Pointe War Memorial's 1965 Family Participation Campaign has passed the half way mark toward its goal of \$75,000. The target date for the successful conclusion of the campaign is, fittingly, Memorial Day.

Mark Stevens, drive chairman, is greatly encouraged by the results to date. \$41,775.16 has been received from 1,894 givers.

### Last Half Hardest

"It's the last half of the way to the \$75,000 goal, however, which is the hardest," says Mr. Stevens.

To that end, combination follow-up letters and remittance envelopes are going into the mail today to families in Grosse Pointe from which the Center has not heard. Because of the inevitable lag in time between mailing and receiving these follow-up reminders, the Center knows some people will get notes who have already given.

The Board hopes that people who have made donations very recently will understand.

### Telephone Reminders

In addition to the follow-up letters, a little later on, volunteers will remind by telephone families who have been out of town.

Last year, one-fourth of the families of Grosse Pointe supported the Center. This year the aim is to have one-third of Pointe families on the Honor Roll.

Theodore H. Mcke, Jr., speaking for the Center's Board of Directors wishes to thank the following Grosse Pointe individuals and families for their recent generous gifts:

**April 5**

## Council OKs Study by City Manager

Bremer Authorized to Make Recommendations at First May Meeting

Farms policemen and firemen have petitioned the city council for pay increases and fringe benefits comparable to those of Detroit, with the increases to be included in the 1965-66 fiscal budget, presently under study by the council.

At its regular meeting held Monday evening, April 19, the Farms council authorized City Manager Andrew Bremer, Jr., to study both requests and to come up with a recommendation at the first council meeting in May.

At Monday's meeting, the firefighters' petition was presented to the council, after which Bremer informed members of the city body that a petition had also been received from the patrolmen of the Police Department.

The firemen, members of the Grosse Pointe Farms Fire Fighters Association, Local 1509, AFL-CIO, asked the council to consider improving the base pay and fringe benefits.

### Time Cut Asked

The firefighters petitioned for a cut in working hours from 63 hours a week to 56 hours; a wage increase of \$500; \$50 a year clothing allowance for dress uniforms, and longevity pay.

The firemen ask for longevity pay increases of two percent after five years of service; four percent after 10 years of service; and seven percent after 15 years of service.

In regard to sick pay, they note that when a member of the Fire Department reaches 100 days, which is the maximum, any sick days accumulated after that time are lost to the member, which could mean 12 days a year. They ask for a day's pay for each of the sick days not used by a member. They believe this would be beneficial to both the city and the member.

Bremer said that there is nothing in the Farms City Charter which sets the number of hours members of the Fire Department must work each week. The hours set are strictly up to the city administration.

### Once Worked 72 Hours

Not too long ago, members of the department worked a 72-hour week, which was cut to 63 hours a week by authorization of the council.

The rank and file fireman's top salary in the Farms is \$8,450 a year; the increase asked would raise this to \$7,000 a year. There is no clothing allowance.

The only longevity pay that the firemen presently have is the same as that granted personnel of the Police Department. After 10 years of service, they are allowed five extra vacation days a year, which they can take, or accept pay in lieu of the vacation.

The police officers' petition asks for an increase in salary from \$6,450 to \$7,350 annually; that the salaries of the members of the department above the rank of patrolman be increased in the same ratio; an adjustment of longevity allowance; and 21 vacation days a year.

Representatives of each shift, jointly affirm that since 1950, the patrolman's salary has not kept pace with the increase in the cost of living.

"In behalf of the patrolmen and the officers," the shift spokesmen stated, "we want to direct your (council's) attention to the fact that the present complement of the Police Department in your city in 1965 is the same as it was in 1950, with no additions made to the force."

The Farms policemen perform the same duties and render the same arduous service as do those in Detroit, the spokesmen stated, and a comparison of salaries paid to Detroit personnel indicates the Farms policemen are grossly underpaid, and that an adjustment upwards has long been delayed.

## City Receives Approval On Sewer Bonds

Tax Anticipation Notes Also Okayed by Municipal Finance Commission

Attorney General Frank J. Kelley, Chairman of the Municipal Finance Commission, has announced that the Commission approved \$1,325,000 of General Obligation Sewer System Bonds for the City of Grosse Pointe.

Attorney General Kelley said, "The proceeds from the sale of these bonds will be used to pay part of the cost of acquiring and constructing improvements to the sanitary sewer system of the City consisting of relief storm and sanitary sewers and improvements to the pumping station, together with necessary appurtenances and attachments."

### Authorized February 15

"These bonds were authorized by the electors on February 15, 1965, and the City is authorized to levy whatever taxes are necessary to pay principal and interest."

Kelley also announced that the Commission approved \$130,000 of Tax Anticipation Notes to be issued by the City of Grosse Pointe.

He said: "The proceeds will be used to provide operating (Continued on Page 2)

## Woods Restaurant Reports \$2,513 Missing From Safe; Believed Taken On April 14

Police Seeking Man Noticed By Waitress Outside Howard Johnson Office On Day Loss Was Discovered

Woods detectives are investigating the disappearance of a large sum of money and checks from the office safe of the Howard Johnson restaurant, Mack avenue and Eight Mile road, believed to have been taken on Wednesday, April 14.

Dets. Donald Sabel and Gerald Kensora said that approximately \$2,513 in currency and cashed employees' payroll checks was reported missing from the safe.

A suspect, seen in the hallway outside the office on two occasions by a waitress, is being sought for questioning. The waitress told police that she had stopped and spoken to the man twice, asking him what he was doing in the hallway.

The man said he wanted to see the manager to make reservations, the woman stated.

### Several Days' Receipts

The detectives said that the missing money and checks represented several days' receipts, and were in a white cloth money bag. The exact amount of the missing cash is not known, but with the cashed checks, the total loss is about \$2,513.

The only exact amount of cash that can be accounted for, it was said, is Wednesday's receipt of \$406.82, placed in the safe by Assistant Manager Robert Korinek, 26, of 1175 Lenox.

## Dawson Nacy To Leave Post

A request for retirement, submitted to the Farms council on Monday, April 19, by City Clerk Dawson F. Nacy, was approved by the members of the council with "deep regret." He will retire on, or about, July 1.

Nacy cited poor health as his reason for retirement. He recently suffered a serious heart attack, which kept him in the hospital, and at home, for more than six months. He said that his health has not been good for the past 18 months.

Nacy, who has earned the respect and affection of all who know him, especially those working for the Farms, will be 60 years old next month. When he leaves the city's services, he will have completed more than 23 years in administrative work for the community.

He began as an accountant with the then Village of Grosse Pointe Farms on May 5, 1942, and over a period of years was appointed city treasurer, then city assessor, then city comptroller, and finally, city clerk. (Continued on Page 2)

## Community Hootenanny Slated Friday

Pointers of All Ages Invited to Join In The Song-Fest

The third semi-annual Grosse Pointe Hootenanny will be held this Friday, April 23, at 8 p.m., at the War Memorial. It will be the most varied yet. Performers representing more elements of our big and varied community than ever before will take part.

They range from school and college students to business men and a pro of the entertainment field. Their songs will run the gamut from hillbilly and folk lament to British satire and Broadway musical ditty.

New among the youngsters in the show are Kathy Reardon, Suzanne Taroll, and Kris Koster, a trio from Our Lady Star of the Sea; Nancy Keppelman, Nancy Blackburn, and Missie Lewis of Brownell Junior High; Paul Keenan, Sue Sendebrach, and Linda Mazzola from Sacred Heart, St. Paul and Bishop Gallagher; and Tom Biasell and Gary Mann, a duo from the High School.

### Colleagues To Perform

Two collegians will perform. Sandy Schopbach will solo. He sang duets with fellow Michigan student Lou Lorange last fall. Tom Reed from Michigan State is a new man on the roster.

There will also be return engagements by several groups. Ellen Tewart, Sue Radcliffe and Meg McIntosh from Pierce Junior High will bring back their smooth blend of voices in some new songs.

Another team that past fans will remember are brothers Robin and Randy Wright. Their close harmonies and up-tempo rhythms won special attention last fall.

In a new guise will be Mike Calcaterra of the High School. He now provides his own accompaniment on a new guitar.

### International Touch

An international touch comes from a recent arrival to Grosse Pointe. Philip Tomkinson of England is an accomplished guitarist and entertainer.

His own guitar is still onboard ship en route from England, but with a borrowed instrument, he will share some of his native songs.

One high point of last fall's show was the talented quartet from the High School that goes (Continued on Page 2)

## Bronze Star Posthumously Awarded To William Toth

Mrs. Helen J. Toth, 665 Hidden lane, was recently presented the Bronze Star Medal in posthumous tribute to her son, William C. Toth, who was killed in action while serving with the U.S. Army in Vietnam.

Presentation was made by Lt. Col. J. J. Naughton, Michigan Sector, VI U.S. Army Corps in a ceremony conducted at the Stroh U.S. Army Reserve Center, 17825 Sherwood avenue, Detroit.

The citation given by direction of the President of the United States, reads:

"For distinguishing himself by outstanding meritorious service in connection with ground operations against a hostile force in the Republic of Vietnam during the period June, 1964 to October 1964. Through his untiring efforts and professional ability, he consistently obtained outstanding results. "He was quick to grasp the implications of new problems with which he was faced as a result of the ever changing situations inherent in a counter-insurgency operation, and to find ways and means to solve those problems. "The energetic application of his extensive knowledge has materially contributed to the efforts of the United States Mission to the Republic of Vietnam to assist that country in ridding itself of the communist threat to its freedom. "His initiative, zeal, sound judgement and devotion to duty have been in the highest tradition of the United States Army and reflect great credit on him (Continued on Page 2)

For the sixth year Grosse Pointe Rotary is seeking a nominee for its "Citizen of the Year" award.

Past recipients have been the late Norb Neff '60; George Ellis, worthy '61; Mrs. Ruth Flom '62; John Finch '63 and in 1964 Ed Lauer. The foregoing were selected from many outstanding candidates submitted by local newspaper readers and the various clubs in the Pointes, advised Milton W. Volkens, Club Community Affairs chairman.

To be eligible for this award the following are the rules for selection: The candidate must be 21 and reside though not necessarily work in the geographical limits of the five Grosse Pointes. The basis for selection is the total contribution in any of the following areas: Church and Home; Religion; Family; Community Activities; Youth Activities (Boy or Girl Scouts, YMCA, YWCA, Little League, etc.); Cultural Efforts; Humanitarian Work; Business or Professional; Local Government; Education.

This honor may be given for work done not necessarily in the previous year or the current year. Rotary members of the Grosse Pointe Club are not eligible.

The Club at a regular June meeting will present a Certificate to the "Citizen of the Year." He will also be made an Honorary Rotary Member and presented with an appropriate pin.

If the "Citizen" should be a woman, she will be presented with a Certificate. The name of the "Citizen" will be inscribed on the plaque at present on view at the Grosse Pointe Public Library.

Candidates should be submitted to the Club Office, 15135 Kercheval avenue, Grosse Pointe 30, or to Mr. M. W. Volkens, 17114 Kercheval, Grosse Pointe 30. do our colleagues in Detroit," the shift representatives said, "and we believe that we should be compensated upon the same basis, together with increased vacations and longevity adjustments."

In considering the request, the council has been asked to keep in mind that the population of the Farms has increased substantially in the past few years, but of greater significance is that the population of surrounding communities has increased more.

The citizens of the Farms' sister communities regularly use the facilities of the Farms, requiring the rendition of greater service by the members of the Police Department, the spokesmen said.

"We believe that the facts warrant the conclusion that as part of the larger metropolitan area, our compensation should be adjusted upon the basis of that paid to the Police Department in the City of Detroit," they added.

## Dawson Nacy

(Continued from Page 1)

The latter appointment was made in June, 1956.

A native of Detroit, he received his education from Detroit's Annunciation High School, University of Detroit High School and the Detroit Business Institute.

From 1929, to the time he entered into service with the Farms, Nacy was a broker in stocks and bonds, working for a Detroit brokerage.

He is married to the former Violet Meininger of Grosse Pointe. They live at 367 Hillcrest. They are the parents of three children, all married.

The children are Mrs. Lloyd (Barbara) Stewart of Ypsilanti; Mrs. Marvin (Sally) Ullery, of St. Clair Shores; and Thomas Nacy, of St. Clair Shores. There are 10 grandchildren.

## Schools Help Train Teachers

Two elementary buildings in The Grosse Pointe Public School System have been selected by Wayne State University to participate in an expanded program of teacher preparation. Principal Roger O'Connor of Barnes and Principal Frank Welcembach of Trombly have indicated that they and their respective staffs have agreed to provide a variety of field experiences in connection with the university's course, Education 3015.

The Grosse Pointe Public Schools have cooperated with teacher training institutions throughout Michigan for many years. The extension of the basic program of student teaching to include a series of observations reflects a growing need for all districts to play an ever-increasing role in teacher preparation.

Education 3015, the first in Wayne State's professional sequence of courses leading to certification, has been designed to give students an understanding of school-community relationships, current school practices, and the responsibilities of teachers.

The students visiting classes at Barnes and Trombly schools will be participating in work directly related to the on-campus plan of the course. The new program is seen as a means of supplementing the theoretical discussions of the college classroom with practical observations in the field at the same time. And, as in the past, the program will enable local personnel to identify outstanding prospective teacher candidates.

Two-hour blocks of time on Wednesdays between April 14 and June 2 have been designated for the future teachers' visits. The future teachers, in groups of two or three, will be assigned to one teacher. From their "home base," they will be encouraged to broaden their observations and participation in other classes and programs.

In addition to their classroom observation, the students will attend teachers' meetings and P.T.A. activities, and observe many other features of school operation. Other school systems in the metropolitan area co-operating with Wayne State University are Southfield, Oak Park, and Redford.

## Local Students Visit Lansing

At least half of the ninth grade civics students from Parcells Junior High School used a day of their spring vacation to see their state government in action. Ernest Hurst, social studies department head, states that approximately 150 members of the class of 320 elected to make the trip to Lansing on April 26, 21, or 22. As in past years, the one-day

outing had been planned by the social studies department to enable students to gain a better understanding of the operation of federal and state government. As part of their briefing for the trip, Robert Waldron of the First State Representative District addressed the Parcells students. In his remarks of April 12, he discussed the law-making process, current legislation and state government in general.

## LOSES WALLET

Mrs. Margaret Bradford of 4248 Bishop, Detroit, informed Farms police on Friday, April 16, that while shopping in the Hill District, she lost her wallet which contained five dollars in currency and change and personal papers.

The people who insist on class barriers are generally too small to see over them.

## Local Minister's Selma Report

(The following comments are excerpts from a letter written by Rev. Robert Lawson, minister of the Grosse Pointe Unitarian Church, from Selma, Alabama, where he spent the week from March 26 to April 3).

I got to Selma Friday evening, not knowing if there were any Unitarian-Universalist ministers here, and I found there were none. This left me holding the fort, or the bag, or what have you: the only UU minister in the midst of this mess. I didn't feel very secure!

I have been staying in the Negro community with Miss Bessie Dixon and her mother. Bessie hasn't worked for two years, although she is able and willing, because of her participation in demonstrations. How she keeps from starving, I don't know. She has been doing the

laundry and feeding me. She really knows how to prepare real southern fried chicken.

I am safe as long as I stay in the Negro community. But we have been warned not to venture out to the white part of town except as part of a planned demonstration. So the "Alabamian Jungle" I referred to in my last sermon is the white district in Selma.

Police cars cruise the area day and night and Wilson Bak-

er, head of the Department of Public Safety, is parked right across the street from the Brown A.M.E. Church, which is the center of activities. Baker is not an integrationist and wishes the "outsiders" would all go home. But he is trying to avoid violence.

The fiery preachings of the Negro ministers is a revelation to me. There is no such thing as a "Sunday leaflet," or "order of service." The sermons are

simple, direct, honest, sincere and from the heart. Nobody gets bored in church in Selma! And the singing is indescribably beautiful.

We marched three miles on Thursday to the capitol in Montgomery in the blazing sun. I got a beauty of a sunburn!

You can write if need be, but mail deliveries are irregular. Best wishes to all the people in Grosse Pointe. I won't say "Wish you were here!"

# Police Partially Recover Some 'Obit' Burglary Loot

Partial recovery of some of the loot stolen from two homes in the Woods and one in the Farms, was reported by Woods and Farms police on Monday, April 19.

The Pointe loot was part of approximately two truck loads taken out of the home of a Detroit resident, suspected of being the "obituary" burglar who had been plaguing the Detroit area, by breaking into and stealing from homes of persons attending funerals and rosary services of loved ones who had died.

Suspected as being the "obit" burglar is Orville Reno, 46, alias Charles Ryan, alias Leo Clark, of 2432 West Grand boulevard, who is presently in the custody of Toledo, O., police, who are questioning the man for crimes committed in their city.

Reno is expected to be released to the Pointe and Detroit authorities for further questioning in the number of burglaries committed in the area. So far, police said, Reno stubbornly refuses to answer any questions.

The suspect was arrested by Detroit police on April 9, after he was trailed by officers of the Farms, Woods and City, to the freeway, and finally stopped at the Milwaukee exit on the North John Lodge Freeway.

Reno was formally charged by Detroit police with possession of burglary tools, and arraigned before Detroit Judge Gerald W.

Groat on April 10.

Reno entered a plea of innocent to the charge and is to be examined today, April 22. In the meantime, he was placed under \$5,000 bond, and released to Toledo police for further questioning.

Pointe police officers were alerted to activities of a burglar who preyed on families who had lost loved ones, and broke into their homes while they attended services.

On April 9, Farms Det. Sgt. George Van Tiem, in an unmarked car, kept vigil outside a home at 315 McMillan, where a family death had occurred. He spotted a lone man and his car. The man was looking over the house at the McMillan address, but left when he found that someone was home.

The sergeant radioed for assistance, and Farms Patrolmen Marvin Krebs and Guy Lyford,

Woods Dets. Gerald Kensore and Donald Sabel and City Cpl. Duncan MacEacheran and Patrolman Edward Benthuy were dispatched by their respective departments.

The policemen trailed the suspect to a gas station at Rivard and Mack, where a burned out headlight was replaced on the suspect's car.

The owner of the station told the policeman that he had seen a brace and bit on the back seat of the suspect's vehicle. Such tools were used in the latest burglaries of homes.

The officers from the three departments trailed the suspect in relays, to allay suspicion, and after losing him once, were able to trail him without further trouble as he drove onto the freeway, going west, and then turned off onto North John Lodge, where he was stopped by Kensora and Sabel at the Milwaukee exit.

The other policemen converged on the spot, and when the brace and bit were found in the car, the Pointe called Detroit police to make the arrest.

When arrested, Reno had a list of names gleaned from the obituary columns, including the one at 315 McMillan, in his possession.

Reno denied any knowledge of any burglaries and refused to answer any police questions.

His home was searched and the two truck loads of loot were recovered, including some taken from the three homes in the Pointe, 1584 Newcastle; 2126 Van Antwerp; and 84 Grosse Pointe boulevard.

Consider consequences and you'll be able to control causes.

## Party Store Robbed April 11

Two men, using a careful plan, robbed a safe at the Alger Beer Store, 17320 Mack, in a daylight larceny on Sunday, April 11. The theft totaled about \$770, most of it in tens and twenties.

George Flynn, who lives at the same address on Mack, the manager of the store, called City police at 5 o'clock Sunday afternoon to report that someone had taken a large amount of money from the safe during the last hour. The hour of the crime was later set at 4 o'clock.

The safe was located in a rear storeroom, in the center of the building, but was within eight feet of customers walking in and out of the store.

Mr. Flynn told investigating police officers that two men had been in the store around 4 o'clock, and that one of the men had stalled him in the front room while the other came in through a rear entrance and took the money from the safe.

The first man, according to Mr. Flynn, was wearing a black lightweight raincoat, a dark hat and dark pants, and used the street entrance. When he was waiting on, he stalled Mr. Flynn by asking about different brands of beer and wine.

Later, the manager reported, he saw the second man, who had not been there before, come in from the back room. The second man was shorter than the first, said Mr. Flynn, and he had a pencil moustache and was wearing a gray sport coat.

Five hundred dollars of the amount taken was in tens and twenties, the rest being five-, ten- and mutilated one-dollar bills. Also stolen were two packs of twenty-dollar bills.

Policemen dusted the ransacked safe and removed two legible fingerprints as evidence.

## Cancer Crusade Slated Tuesday

Thousands of volunteers in Southeastern Michigan, including many in this community, will climax the American Society's Crusade Against Cancer Month on Tuesday, April 27, when they go calling on their neighbors to distribute educational materials and to raise funds for the fight against cancer.

Congressman John D. Dingell, Crusade chairman, listed the primary objectives of the Crusade as: making sure that all the people of this community know and understand the life-saving facts about cancer, how essential early detection and proper treatment are in dealing with cancer, the value of the annual physical checkup as an instrument of early detection, and the importance of more research in solving the cancer problem.

An important phase of its 1965 educational and fund-raising crusade is distributing a life-saving leaflet which the volunteers will be leaving with their neighbors.

"We hope the leaflet, entitled 'Answers to Questions About Cancer Which Concern You', will reach every home in the area," Dingell said. "If read and acted upon, we could save half of those who develop cancer instead of one of three as we are today." The leaflet poses four questions and answers them.

Are we getting anywhere against cancer? Yes, gains in diagnosis and treatment have made it possible for over a million Americans to be alive today, cured of cancer. Physicians could cure about half of all cancer patients if people came for examination in time.

With present medical knowledge, uterine cancer could be practically eliminated. Many more people could be cured of cancer of the uterus and other major cancer killers. Noteworthy progress is being made in research support by the government and the American Cancer Society.

What signs or symptoms may mean cancer? These are Cancer's Seven Danger Signals: 1. Unusual bleeding or discharge. 2. A lump or thickening in the breast or elsewhere. 3. A sore that does not heal. 4. Change in bowel or bladder habits. 5. Hoarseness or cough. 6. Indigestion or difficulty in swallowing. 7. Change in a wart or mole.

If a signal lasts longer than two weeks, consult a physician. Cancer starts and may spread without pain. While a cancer signal may not seem important, an immediate checkup is advised. What protection is there against cancer?

The best is to have a complete physical examination each year and to act promptly on Cancer's Seven Danger Signals. Against

lung cancer? Don't smoke cigarettes. Against uterine cancer? Women should have the "Pap" test annually. Against breast cancer? Women should learn to examine their breasts once a month. If they find anything of concern, they should see their physicians at once. Against cancer of the colon and rectum? Men and women should have a "procto" (rectum and colon) examination annually.

What progress is being made against leukemia? As yet there is no cure, but scientists have made it possible to extend the lives of many leukemia patients for months and even years. There is great hope for the future. More research is being supported by the American Cancer Society against leukemia than on any other form of cancer.

More research — for which greater funds are needed — is the only hope for complete control of cancer," Congressman Dingell said. "Knowing the people will respond. It is not only a duty but a privilege. There is no greater privilege than helping to save lives and I trust that all those contacted on Tuesday, April 27, will respond with enthusiasm and generosity."

## Adult Education Courses Popular

Forrest Geary, director of Community Services, reported at the April 12 meeting of the School Board, that enrollment for the winter term classes in Adult Education numbered 2,716, with 114 class sections in operation.

Not included in this number is the attendance at the monthly traffic school, sponsored by the local municipalities and Harper Woods.

Forty-four evening sections and 25 day sections were in operation at the Community Service Center, and 31 evening sections were held at Grosse Pointe High School. Seven evening sections met

at Parcels Junior High, five at Brownell Junior High, two at Pierce Junior High and one at Kerby School.

Two evening sections and one day section met at the Main Library, Kercheval avenue at Fisher road.

New adult classes (entirely new, or those which did not operate during the 1964-65 year), now in operation are Advanced Decoupage and Advanced Interior Decoration.

### Pvt. Eric L. Tant at Marine Center

Marine Private Eric L. Tant, son of Mr. and Mrs. John P. Tant, of 610 Blairmoor Court, was graduated April 1 from Marine Corps Recruit Dept, San Diego, Calif.

San Diego is the recruit training center for Marines who enlist west of the Mississippi river. During his 11 weeks of recruit training under veteran non-commissioned officer Drill In-

structors, he learned small arms marksmanship, bayonet fighting, and methods of self-protection, as well as receiving instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He has been assigned to Camp Pendleton, Calif., for at least four weeks of advanced infantry combat training before being assigned to a school or to a Marine combat or support unit.

### Fire Damages Woods Kitchen

Firefighters of the Woods and Farms battled a blaze in the Woods Kitchen, 19261 Mack avenue, Monday evening, April 12. The fire is believed to have been started when heat ignited the grease around the hood over the grill.

While firemen of both departments were putting out the fire, Farms policemen directed vehicular traffic to another route to avoid a traffic snarl of curious onlookers.

Woods Public Safety Capt. Donald Coats said that when men and equipment arrived at the Woods Kitchen, the entire interior of the restaurant was filled with smoke, and flames were visible around the hood above the grill.

The flames around the hood were put out with dry powder and a hand extinguisher, but the fire had proceeded up into the false ceiling, igniting ceiling studs. Firemen were forced to remove paneling and ceiling tile to get at the flames from inside the buildings, while Farms firemen attacked the fire from the roof.

Coats, in his report to Director of Public Safety Allen Andrews, Jr., revealed that there was damage to the wood paneling behind the grill, the dining room area, and studding behind and above the grill.

He said the heat was so intense, it melted the large exhaust fan on the roof. There was considerable smoke damage to the entire interior of the building, the captain added.

The captain ordered that the building remain closed until the owner, Dr. Max L. Gardner, of 233 Lewiston, receives the approval of the Grosse Pointe Board of Health to open again.

The exact amount of damage will not be known until insurance adjusters complete their report.

### Richard P-TA Meets May 3

According to Richard W. Kay, Principal of Richard School, the final P-TA meeting will be held Monday evening, May 3.

The theme "Beyond the 3 R's" will be staged in the form of an educational carnival and will begin promptly at 7 o'clock.

Parents and guests will have an opportunity to view various programs—from a gymnastics demonstration to a music presentation.

Other attractions will include a short puppet show, displays of art, the student council, a French class and the chess club in action. The annual book fair will also be included as a part of the carnival.

#### THE CHECK-UP

Half the world spends more than half its time wondering how the other half can afford it.

### William M. Day Named to UF Post

William M. Day, president of the Michigan Bell Telephone Co., has been named co-chairman for Corporate Gifts for the 1965 Torch Drive, according to an announcement by General Chairman Joseph L. Hudson, Jr.

Day, who served in the same capacity for the 1965 campaign, will head a committee of corporation chief executives. They will review the present pattern of corporate support in order to develop an effective program to improve corporate giving.

Hudson, president of the J. L. Hudson Co., said, "Mr. Day has again been asked to head up this most vital phase of the 1965 Torch Drive campaign. We are delighted that he has accepted because no one in this community has more experience in working with the United Foundation."

The goal of the 1965 Torch Drive, which runs from October 12 through November 4, has not been announced. Last year, \$23,700,000 was collected for distribution to 207 health and welfare agencies.

The Torch Drive co-chairman has been an executive of Michigan Bell since 1948, coming to Detroit as vice president in charge of Public Relations. He served as vice president and general manager from 1950 to 1956, when he was named president.

Day has been a director and officer of the United Foundation since 1950. He was president from 1960 to 1962 and chairman of its board of directors from 1962 to 1964.

In addition to his work with the United Foundation, Day

serves as a director of many Detroit business and civic organizations. These include the American Ordinance Association, Detroit Area Hospital Council, Inc., Greater Michigan, Inc., Junior Achievement of Southeastern Michigan, U.S.O. of Detroit and the Metropolitan

Day is president of the Founders Society Detroit Institute of Arts, and a trustee of Children's Hospital, Detroit Educational Television Foundation, Detroit Industrial Safety Council, Grace Hospital, Traffic Safety Association of Detroit and the University of Detroit. He is also a director of the National Bank of Detroit.

His memberships include Detroit Sales Executive Club, Engineering Society of Detroit, Family Service Society, Michigan Economic Development Commission, Newcomen Society and the National Conference of Christians and Jews. A graduate of Yale University and a native of Pittsburgh, Day lives at 172 Merriweather road.

Before coming to Detroit, Day served with the New York Telephone Co. and the American Telephone and Telegraph Co. in various capacities. During the war he was a special assistant to Donald M. Nelson, War Production Board and later a Lt. Colonel in the Army.

In 1952, while on leave from Michigan Bell, he served as director of the Communications Equipment Division and later as an assistant Administrator of the National Production Authority.

### Farms Warns Dog Owners

Dog owners may obtain 1965 dog licenses for their pets now, although the licenses are not due until Saturday, May 1, under the Farms Dog Ordinance. It was disclosed by Police Chief James D. Furton.

The chief stated that under the present city ordinance, new dog tags are due on May 1, of each year. Notices have been sent to owners, informing them of this obligation.

Persons failing to comply with the law within a given time, will be issued a violation ticket and cited for court, Chief Furton said.

According to the ordinance, all dogs four months of age, or older, must be vaccinated and licensed, and are prohibited from running at large. Persons taking their pets for walks must have the animals on leashes, and under control at all times.

The chief urges all dog owners to have their pets vaccinated and licensed. Proof of vaccination must be presented before tags will be sold. Owners' cooperation with the law as soon as possible, would be greatly appreciated, he added.

Licenses are obtained at the city clerk's office, 90 Kerby road, during regular office hours, 8:30 a.m. to 4:30 p.m., and Wednesdays to 6 p.m. The office is closed on Saturdays.

### Miss McElroy Given Citation

Miss Mary McElroy, of 449 St. Clair, secretary to the Grosse Pointe's Superintendent of Schools and Board of Education, this week received a "white gloves" citation from Manpower, Inc., temporary help service.

Miss McElroy was hired for her present position 34 years ago by Superintendent Samuel M. Brownell and has held it ever since.

The award and citation, offered in connection with National Secretaries Week, are Manpower's symbol of the best in secretarial skills. While she was still a student at the Detroit Commercial College, Miss McElroy won many awards. They include a silver bowl for speed typing and the Gregg Expert Medal for dictation.

In commenting on Miss McElroy's merits as a secretary, Mr. Heller said, "Her technical skills are amazing. But even more important is the fact that she has those plus factors so necessary to reach the top in any profession — character, integrity, dependability, loyalty, flexibility."

As past president of the Michigan Association of Educational Secretaries, Miss McElroy will take an active part in their conference scheduled this weekend at the Park Shelton Hotel.

### Thieves Steal GPUS Sign

An unknown thief, or thieves, stole an expensive sign from the grounds of the Grosse Pointe University School, 1045 Cook road, on Thursday April 15, according to Clayton Pardee, 53, in charge of maintenance at the school.

Pardee told Woods police that the sign, last seen the previous evening, measured 30 inches by 20 inches, and had a black background with silver letters, which spelled out the school name and address.

He said the sign is valued at \$150.

## Little League Candy Sale Set

By Cindy Tew  
Starting Friday, April 23, hundreds of Woods-Shores Little Leaguers will come pouring to your door, selling candy.

Remember last year when you couldn't decide which boy to buy your candy from? Well, this year there is an answer. Take one box from each boy. Considering how mouth-watering the candy is, and what nice gifts they make, it's well worth the dollar a box to buy several of them.

The four choices this year are: Coco-nut Bark, Peanut Bark, Almond Bark and the Assorted Chocolates.

As the boys run to your door with this delicious candy, remember two things.

First, each boy has to sell 18 boxes of candy. This doesn't seem like many, considering the demand, but what if a family has three Little Leaguers? That family would have to sell 54 boxes of candy!

Second, remember that this money helps make it possible for little boys to play baseball. Don't forget, you have only until May 10 to buy your boxes of Little League candy.

Pointers Swim For Notre Dame

By Mike Granger

Four Grosse Pointe athletes, Jim Schulte, Bill Gehrke, Mike Dahre and Pete Wayne, were active participants in winter sports at the University of Notre Dame.

Junior Jim Schulte, captain of the 1962 Austin Swimming Team, swam in two winning freestyle relays against Western Ontario and Kent State University.

Sophomore Bill Gehrke, who captained the '63 Austin team, saw action in all but one meet, the opener at Wisconsin. In 10 meets, Gehrke took four firsts and numerous seconds and third place finishes.

Primarily a backstroke at Austin, Bill swam the 50 free-

style for Notre Dame. Gehrke, one of the hardest workers on the Irish team, should be amongst the top freestylers at Notre Dame next season.

Mike Dahre, by virtue of his victory in the freshman fencing tournament, was awarded his numerals—a blue sweater with the gold "68." Mike's specialty is sabre fencing.

Pete Wayne, a standout in football, track and swimming at Austin, was among 11 freshmen swimmers to win freshman numerals. Pete swam in two of five home meets and timed in the other meets.

Blue Devil Diamondmen Take 2 More Victories

By Rog Teetzel

Off to their best start in years, the Blue Devil diamondmen upped their 1965 season record to 3-0 with decisive victories over East Detroit, 5-1, and Notre Dame, 6-4, this past week.

Last Tuesday East Detroit came to the Grosse Pointe diamond for a non-league contest. The large home crowd, finally having bleachers to sit on, for the first two innings saw a pitchers' duel and a rash of base runners being picked-off trying to steal second base.

The Shamrocks' lone run came in their half of the third inning. Their lead-off man walked and advanced to second on a fielder's choice. With two outs one of East Detroit's few power hitters smashed a double into right field, scoring their runner from second.

Grosse Pointe had opportunities in both the third and fourth innings but these threats were quickly ended when three Devil base runners were picked off base trying to steal.

The game was close until the Blue Devils exploded in the fifth inning with five runs.

Gary John '65 started the rally with a single. With two outs Chuck Bruce '65 walked. Pitcher Dick Stricker '65 singled to left, filling the bases. The flustered Shamrock pitcher walked Doug Wright '65, scoring John from third to tie the game 1-1.

Mike Van DeGinste '66 drove in the winning runs on a line single to centerfield. All three runners scored, putting the Blue Devils ahead to stay 4-1. The final run of the game came on John Reynolds' '65 single sending across Van DeGinste.

In another non-league encounter, Grosse Pointe played host to Notre Dame last Monday. However, the luck of the Irish wasn't with Notre Dame that sunny afternoon and the Blue Devils beat them 6-4. Notre Dame took an early

lead with a run in the first inning. The Grosse Pointe "come-from-behinders" rallied in the second inning to take the lead 3-1.

The Irish tied the score 3-3 in the third only to have the Devils regain the lead in the fourth inning with two runs. Left fielder Sam Thompson '65 blasted a tremendous home run over the ten foot fence in right field in the fifth inning to end the Blue Devils' scoring, giving them a 6-4 victory.

Grosse Pointe's early baseball success can be attributed to a fine team spirit and several outstanding individual performances.

On the mound, Dick Stricker has been superlative in winning all three of the Devils games in relief, including seven strikeouts in four innings against Notre Dame. Sam Thompson and Doug Wright have been the muscle men in leading the hitting attack while catcher John Reynolds and shortstop Mike Van DeGinste have been outstanding defensively for the Blue Devils.

The Grosse Pointe baseballers start their season in earnest next Monday at 4 o'clock when they play their first league game with the Monroe Trojans. Monroe and Wyandotte, both perennial powerhouses in the B.C.L. and both off to fast starts this spring, are the teams to beat if the Blue Devils are to better their second place finish of last year.

Set Law Day Observance

Metropolitan Detroit's eighth annual observance of Law Day USA on May 1 will be launched at a patriotic luncheon in the Sheraton-Cadillac Hotel, Friday, April 30.

Guiding the Law Day celebration and hosts at the "kickoff" luncheon will be the State Bar of Michigan and the Detroit Bar Association.

President Johnson, Governor Romney and Mayor Cavanagh each has proclaimed Law Day as one of special significance to all Americans. Each has urged widespread participation in the events of the day and suggested that all give special thought on May first to the privileges we enjoy under our form of government.

Heading the list of dignitaries to be in attendance at the April 30 luncheon will be Chief Justice Thomas M. Cavanagh of the Michigan Supreme Court, Attorney General Frank J. Kelley and Mayor Jerome P. Cavanagh. Governor Romney is scheduled to be out of the state on that day.

Principal speaker at the luncheon will be David W. Kendall, general chairman of the Michigan observance of the day. Mr. Kendall, vice president—legal affairs, and a member of the administrative board of Chrysler Corporation, assisted President Eisenhower eight years ago in the drafting of the original Presidential Law Day proclamation.

In addition, brief remarks will be made by Christian F. Matthews, of Mount Clemens, president of the State Bar of Michigan, and George E. Bushnell, Jr., president of the Detroit Bar Association. Alexander M. Middleton, chairman of the Detroit Law Day Committee, will preside. The Detroit Bar Association Glee Club will present a program of patriotic airs.

Tickets for the April 30 luncheon are available in the office of Mrs. Ruth Amsten, Detroit Bar Association administrative secretary, 577 Penobscot Building, or may be obtained at the door.

## Letters to the Editor

Dear Sir:  
This writer agrees with Mr. and Mrs. Murray that Mr. Keeney exercised his authority in arranging the student and teacher exchange with a Detroit school. These kind of decisions belong to parents and taxpayers. The students themselves should not be called upon or influenced to make such decisions.

It is up to Grosse Pointe to strive for better schools and citizenship and avoid spending money for Police protection and supervision which should go for education.

Your editorial seemed to straddle the issue — "exchanges" in "depth" could be just that — getting in deeper. Those people who want the benefits of such exchanges, can get it readily for themselves if they need it — why try to include others, which is invariably the technique used.

It is said to be true that Communists are infiltrating our society at every level — it matters little if they use converts or "dupes" to delay and retard our institutions, the results will aid their mistaken objectives.

Taxes are very high in Grosse Pointe — we already have a problem in paying our police and fire. Every individual must accept responsibility for self improvement — when he does that, and only then, can he expect respect and acceptance.

KMG

Dear Sir:  
Schools and parents in Grosse Pointe offer a most gracious welcome to foreign students. American Field Service students, for example, come to this community from Brazil and Turkey, from Finland and Argentina, from Germany and Australia, from the Middle East, from Asia.

These young men and women live in Grosse Pointe homes and call their hosts "mother" and "father" and their hosts' children "brother" and "sister." Those of us who teach in Grosse Pointe and have seen

the American Field Service assemblies have observed one of the most impressive real-life examples of how to build bridges between peoples. This is the road to one world.

We can be proud of all this. Why then need we hesitate to offer just a few hours of an exchange — not of homes: oh heaven forbid! — but only of classrooms and teachers once in a while to our own fellow citizens just across the street, to other Americans in our own metropolitan area.

It is with them first of all that we must live successfully if the American dream is not to die. It is indeed much more urgent that we exchange civilities with children from Brush Street and get to know them as friends than it is to get to know well-mannered children from England and Switzerland and to know them as "brother" and "sister."

This simple attempt to break down walls of separation and misunderstanding between Grosse Pointe and Detroit was apparently what Brownell teacher Jerry Keeney tried recently and what a Grosse Pointe couple blasted him for in last week's News.

I think the community owes a debt of gratitude to Mr. Keeney for the moral leadership he has exercised.

Sincerely,

John Conley

Dear Sir:  
Though I agree completely with the editorial on the School Exchanges, I also feel compelled to inform Mr. and Mrs. Murray that I am proud we have such a teacher as Mr. Keeney who has the courage to arrange an exchange in this community. One tremendous benefit is the opportunity for our youth to respect another race, to realize that they, too, are human and to recognize their capabilities.

At least, they got a glimpse of this. Grosse Pointe children rarely see a Negro other than in a capacity of a servant. My boy was impressed; that is reason enough for me.

May I add, quite strongly, that many teachers and personnel in the Detroit schools equal the best in Grosse Pointe.

Very truly yours,

Christine C. Leibbrand

(Mrs. Keith A.)

## LWV Sets Talk On Opportunities

Rev. Edgar M. Wahlberg, Planning Director of the Wayne County Office of Economic Opportunity, will discuss "Prospects for Education and Employment" at a meeting sponsored by the League of Women Voters of Grosse Pointe on Tuesday, April 27.

The meeting at 8 o'clock at the Grosse Pointe Public Library's upstairs meeting room is open to the public.

Mr. Wahlberg, former minister of St. Mark's Methodist Church on Jefferson Avenue, in his present post is planning Wayne County's multi-million dollar anti-poverty program.

Before joining St. Mark's Church, Mr. Wahlberg was minister of Mt. Olivet Methodist Church in Dearborn. He has been a member of the Board of the United Community Services and served as chairman of the Western Wayne County UCS for six years.

Mr. Wahlberg received an A.B. degree in sociology from the University of Denver and his bachelor of divinity degree from Iliff School of Theology.

He served Methodist churches in Utah and Colorado. During the Depression he was minister and director of Grace Church and Community Center in Denver, where he was a pioneer in developing cooperatives for the unemployed. In 1944-46 he served with the United Nations Relief and Rehabilitation Administration in Greece and China.

Mr. Wahlberg is speaking to the League at this time because it is currently engaged in a study concerned with the de-

velopment of human resources in the United States.

The study, which is being undertaken by the League of Women Voters of the United States, is titled: "Development of Human Resources: Evaluation of policies and programs in the United States to provide for all persons equality of opportunity and employment."

A pamphlet published recently by the League of Women Voters of the United States on this study notes: "Fundamental to western beliefs is the idea that each individual should be given a chance to develop all of his talents fully. In contemporary industrial society major elements of self-realization are the quality of one's education and access to employment which utilizes the skills one has acquired."

"While there is little doubt that most persons in this country enjoy unprecedented opportunities for education and employment, there is also little doubt that millions of others do not. These millions represent resources that, if properly utilized, could greatly benefit society as a whole."

The pamphlet concludes, "Through pragmatic experience with various kinds of programs, affluent America has already faced some of the issues underlying the gaps in opportunity that exist in this country."

"The challenge to American citizens lies in building on this experience and moving forward in the endeavor to provide a chance for self-realization for each person in the United States."

## What Goes On at Your Library

By Virginia Leonard

By Virginia Leonard  
It's that time of year again—National Library Week is drawing near again—April 15-May 1. We admit that actually EVERY week should be Library Week, but it is rewarding to set aside one period out of each year when the necessary tool to reading, learning, growing and expanding (intellectually) — the Library — is honored and emphasized.

National Library Week is sponsored by the National Book Committee, Inc. in cooperation with the American Library Association. There are also more than 60 national organizations of various kinds that participate in this program. Among these organizations you will find the Adult Education Association, the Association of American University Presses, and the National Congress of Parents and Teachers.

The National Book Committee, Inc. was formed in 1954. It was an independent, non-profit citizens' organization, made up of people from all fields of endeavor, and representing the public interest in books and reading of all kinds. Its concern is in the social and cultural implications of reading, as opposed to the professional and commercial problems of librarians and publishers. The American Library Association was founded in 1876 as an organization to promote library service and librarianship.

The very first National Library Week was planned in April, 1957, and the program for the first year was concluded in March, 1958. Thus National Library Week was born, dedicated to the long-range goal of stimulating meaningful lifetime reading habits, increasing the use of libraries, and expanding and improving the reading and library resources of the nation. This year's slogan is: OPEN YOUR FUTURE—READ. We hope you will!

Climaxing a week of various and varied activities, including special children's programs at the Branches, the Friends of the Grosse Pointe Public Library will play host at a CARNIVAL OF BOOKS, to be held at the Central Library on Saturday, May 1, from 10 a.m. to 5:30 p.m. The first event on the agenda will be a puppet show for the small fry at 10:30, put

on by the Junior League of Detroit, Inc. Puppeteers. While the youngsters are having fun in this way, the parents (and other interested adults) will have the opportunity of listening to a book talk given by Mr. Robert M. Orr, Director of the Grosse Pointe Public Libraries. Coffee will also be served during this portion of the program.

At 2 p.m. there will be informal lecture about the art of Lithography by Mr. Emil Weddige, whose fine work will be on display at the Central Library all week. At 3:30 p.m. there will be a recital of opera greats of the past (from 1900-1940) to be presented by Mr. Robert Welch, with commentary. At 4:30 there will be a general reception and refreshments for everyone.

offer. And the balloons! Who CARNIVAL will be a display of antique cars in front of the Central Library. The colorful kiosk (do you remember how pretty it looked last year?) will once again be on display to remind all of our patrons of the variety of library services we have to offer. And the balloons! Who could forget them? Yes indeed, we will have a plentiful supply of these multi-hued floating decorations to add spice and holiday atmosphere to our libraries.

Do you recall last year's guessing contest? Yes, the sweepstakes, with prizes, are "in" again. How many books will be circulated by all three Libraries, from Monday, April 26 to Friday, April 30? Would you care to hazard a guess? It might win you a prize. Just enter your guess on any official entry blank at one or more of our Libraries. There will be three separate contests—one for each agency.

We hope you will show up during National Library Week, whether during the Monday through Friday segment, or just for the CARNIVAL on Saturday. Come and get a balloon, a book-review or a book or two. Come and help us celebrate!

The Column next week will be written by Mrs. Louise Leeson, who has kindly and competently often helped to "spell me out" when I go on vacation. But after a week in Washington sight-seeing, I'll be back on the job. Be sure to tune in on Mrs. Leeson!

## Local Democrats to Hear

## Variety Show Slated By Fine Arts Society

Seventy Performers to Appear This Friday and Saturday in Vaudeville Production Which Replaces Traditional Musical Play

For their fourth and final presentation of the season, members of the Fine Arts Society of Detroit have decided to try something new. It is "The Nitey Show," a Vaudeville-type program to be presented on Friday and Saturday evenings, April 23 and 24, at The Players Playhouse in East Jefferson avenue.

Approximately 70 Fine Arts members will appear in skits and individual acts during the evening.

Some of their material has come from well-known hit shows and some is original with the performers. The program was compiled by Dr. Chester S. Bogan. "The Nitey Show" will replace for this year the musical play with which Fine Arts traditionally ends its season.

Among those who have been working on the program are Dr. Chester S. Bogan, director; Mr. and Mrs. Don Worley, producers; Mr. and Mrs. James Doll, program; and Mr. and Mrs. John Denler, publicity.

## JOIN THE 1965 FAMILY PARTICIPATION CAMPAIGN

**T**HE DOORS of the Grosse Pointe War Memorial Center open wide on a world of opportunity. Those who enter them explore many realms of interest and satisfaction.

In these community buildings we enrich our understanding of our world, our culture and ourselves. We share a chance to learn more of life, enjoy more of its pleasures, experience more of its satisfactions.

The very vitality of the Center itself provides about three-fourths of its budgetary needs. But an appreciable share of the Center's financial support necessarily must come from gifts in the annual fund drive. Our 1965 goal is \$75,000.

Last year the Center was generously supported and the goal was met—by one-fourth of the families in the Grosse Pointes. The amount raised, \$76,000, and the percent who gave are most gratifying. However, we are sure more families will want to share this year in support of an activity that serves all.

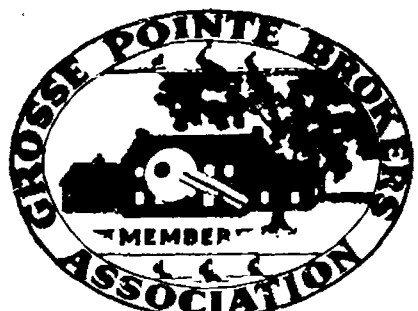

Please enlist your family in the 1965 Family Participation Campaign and *help us keep the doors open wide.*

## GROSSE POINTE

## Purdy &amp; Edgar Picks

COME BY SUNDAY between 2:30 and 5. You can be one of the first to see this cozy gem that sparkles at 1883 Norwood. So beautifully decorated that you'll want to sit right down and talk turkey with our salesman. We defy you to find another three-bedroom house which offers as much at \$29,750.

By Appointment

IF YOU'VE BEEN peeking around at four bedrooms in the Shores but can't find anything under fifty thousand dollars, then this offering might be the solution. In this Early American colonial on Duval, are all the conveniences you would expect in a newer house. There is a magnificent kitchen with a fireplace for inside barbecuing, there is also an honest-sized family room which will accommodate a family. Four bedrooms and two baths up and a first floor lavatory. Just off the kitchen is a sensibly placed laundry.

COULD BE A HAND in glove fit for your family if your house requirements necessitate having bedrooms both up and down. On O'MARA Court we are offering such an arrangement with two sleeping rooms on each floor and two and a half baths. The "living kitchen" is a real step saver and perfect for informal entertaining. ## Pointer of Interest

MRS. ANTHONY BAGNASCO, OF BERKSHIRE ROAD

By Betty Collins

Mrs. Anthony Bagnasco is co-chairman of the Austin Fiesta, the BIG fund-raising event which is being held on May 1, at Austin Catholic High School. She says it is the first time her executive abilities have been tested in such an important project. Usually the tanned and energetic Mrs. B. is a "tomboy" who prefers to be out-of-doors.

Although it has been a bad winter for an "outdoors girl," Mrs. Bagnasco would have been on hand to do her part for Austin Prep, rain or shine. Her son, Frank, the Bagnascos' only child, is about to be graduated from that institution. Mrs. Bagnasco is thrilled with the education he has received at Austin; is understandably proud that as of the last marking period, he stood number two in his class.

Always interested in trying "something new," Mrs. Bagnasco has enjoyed being in on the planning stages of the Fiesta this year. Every year during the four years her son has been an Austin student she has had a job for the Fiesta.

**Contributes Handwork**  
Again and again she has been surprised by the mothers' co-operation and dedication in working to stock nine different booths with hundreds of hand-crafted items. Mrs. Bagnasco always contributes to these booths; this year she made a sweater.

Mrs. Bagnasco is an expert knitter, who turns out beautifully knitted sweaters and coats the way most knitters turn out mittens or scarves. At present she is working on a gold wool coat with a difficult, newly mastered stitch. "It will take me all of three weeks to finish this one," she says.

She knits in the evenings, at the beauty shop, or while waiting to meet a friend at the airport. "I try not to waste a moment of my time," she explains.

Mrs. Bagnasco ruefully recalls "the episode" of her first knitted coat. It was a pink tweed and Mrs. B., a perfectionist, was unhappy with a slight "buckle" in the pockets. She sent the coat to the cleaners to be blocked, was dismayed when it was returned smaller in some places, wider in others, and completely misshapen.

There has been no repetition of such an occurrence and coat-knitting has become a source of great enjoyment. She finished a coat in two shades of pink just in time for Easter.

### Loves Pink

Mrs. Bagnasco wears pink often; color is important to her in clothes and in her surroundings. Before she recently redecorated her home, nearly every room was done in one shade of pink or other. Now the colors are more neutral and the accents are bright. Gold is one of her favorite colors.

Once a student at the Mademoiselle School of Design, formerly located in Detroit, Mrs. Bagnasco has a continuing interest in interior decoration.

ties available close to home, the Bagnascos no longer find it necessary or desirable to maintain a vacation home. They are content to remain in Grosse Pointe during the warm weather months.

**Engaged At 17**  
Mr. Bagnasco lived in Grosse Pointe for several years during his boyhood and attended DePaul School. Mrs. B. is from Wyandotte. Their families were long-time friends and Mr. and Mrs. Bagnasco became engaged when she was 17. At the request of her father, they put off wedding plans until she was 20. Then the war intervened and the couple were married when she was 23.

Until 10 years ago, the Bagnascos lived above the family funeral home. A sympathetic lover of people, Mrs. Bagnasco recalls that she "cried with every bereaved family."

Mr. and Mrs. Bagnasco "like everything about Grosse Pointe" and are becoming increasingly active in local affairs. The Bagnascos campaigned hard for their friend George Verdonek's election to the Park Council.

Mrs. Bagnasco has always been active in church-sponsored activities. She is a member of the Archconfraternity at St. Clare de Montefalco and enjoys opening her home and donating her time for church-related activities.

Also a music lover, Mrs. Bagnasco enjoys Glenn Miller-type arrangements most of all. She recalls rather sheepishly the pleasure she derived as a girl in playing the saxophone in her high school band.

### Legion Auxiliary Studies

### Child Welfare Programs

"Inventing Tomorrow" is the theme this year of the American Legion Auxiliary in its child welfare work, being emphasized throughout the organization during April, reports Mrs. Lucille Klinger, Child Welfare Chairman of Grosse Pointe Auxiliary Unit No. 303.

"This theme presents us with the realization that today's children will live their adult lives in tomorrow's world, which promises to be vastly different from the world of today," explained Mrs. Klinger.

"We have to be very inventive and visualize the kind of a life that lies ahead if we are to help equip our children for the conditions under which they probably will live. Just think, children born in 1965 will still be young men and women the 21st Century begins in the year 2000!"

"In this rapidly changing world, our child welfare plans and programs must be shaped to fit the future as best we can see that future."

KATHERINE G. BARR, daughter of MR. and MRS. ANDREW W. BARR, of Merriweather road, has been named to the winter term Dean's List at Lake Forest College. She is a 1964 graduate of Grosse Pointe University School.

### STRAWBERRY CHEESE CAKE

Contributed by  
Mrs. Anthony Bagnasco  
1 cup fine zwieback crumbs  
1 tbsp. sugar  
1 tblsp. butter or margarine, melted  
2 8-ounce packages cream cheese  
½ cup sugar  
2 tblsp. enriched flour  
¼ tsp. salt  
1 tsp. vanilla  
4 egg yolks  
4 stiff-beaten egg whites  
1 cup of light cream

Soften cream cheese; blend in ½ cup sugar, the flour, salt and vanilla. Stir in egg yolks, one at a time, mixing well after each. Add cream and blend thoroughly. Fold in egg whites; pour into the crumb-lined pan. Bake in slow oven (325°) about 1½ hours, or until set in the center. When cooled to room temperature, top with Strawberry Glaze.

Blend zwieback crumbs with 1 T. sugar, then butter; press on bottom of 10-inch spring-form pan.

### STRAWBERRY GLAZE

2 to 3 cups fresh strawberries or frozen  
1 cup water  
1½ tblsp. cornstarch  
½ to ¾ cup sugar  
Crush 1 cup of the strawberries; add the water, and cook two minutes. Sieve. Mix cornstarch with sugar (amount of sugar depends on sweetness of berries); stir into hot berry mixture. Cook gently until clear, stirring constantly. (Add a few drops red food coloring, if needed.) Cool slightly. Place remaining strawberries atop cheese cake. Pour glaze over strawberries.
