A CULTURAL CENTER, section to none, to be located in a 200-acre tract of land east of the Detroit Institute of Arts, was disclosed by Mayor Jerome Cavanagh. The plan would include 100 acres for new apartment housing around a "core" of landscaped parkland featuring huge reflecting pools and a dramatic fountain, ringed by new theaters and museums. The mayor said that Detroit will seek Federal funds to acquire and clear the land, and to augment hoped-for private gifts to construct the buildings. Total cost of the Center is estimated at \$250 million.

AN UNKNOWN MAN, a Negro about 25 years old, exploded a Molotov cocktail last evening at the altar rail of New York's famed St. Patrick's Cathedral, and escaped into the crowd on Fifth avenue. Flames shot 15 feet into the air and burned two women in the church, and forced 100 other persons out of the edifice because of heavy smoke. Police said that there is no indication of why the bomb was thrown. The bombing was the second act of destruction at St. Patrick's home church of Francis Cardinal Spellman, within one week. There was no service going on in the cathedral. The bomb thrower ran out a side door and escaped in the crowd.

Saturday, April 24
THE UNITED STATES disclosed that it is inclined to join a nine-nation conference on Cambodian neutrality, that could provide a setting for talks about peace in Vietnam. The disclosure coincided with a Pakistan report of North Vietnam's interest in a cease-fire. However, both developments are studied with uncertainties. It remains to be proved that either one will be a valid opening in the present diplomatic deadlock. American officials said that they have received no confirmation, and have no official knowledge of the Pakistan report.

TWO CHILDREN were killed and three others critically injured yesterday afternoon when a car on an amusement ride in a Taylor Township shopping center crashed to the ground. A shackle connecting one car of the ride, called the "Flying Comet," to a cable, snapped, sending the car plunging 20 feet to the ground. Seven other children in other cars suffered from shock but were otherwise uninjured.

THE U.S. SUPPORTED GOVERNMENT of the Dominican Republic toppled yesterday with rebel forces declaring they will return former President Juan Bosch to office. Bosch was ousted in 1963 after being accused of letting Communists infiltrate the government. The air force and navy oppose Bosch's return.

Tuesday, April 27
LENGTHY pre-negotiation negotiations toward an agreement between steel workers and unions and steel industry management finally paid off with a temporary strike-postponing settlement. The union agreed to set back their strike deadline, due to expire May 1, for four months in return for a temporary pay raise of 11.5 cents an hour. Both the union and the industry emphasized that the agreement was not final. The union wants a 17.9 cent an hour raise and added fringe benefits. After August 1 either side can terminate the agreement on 30-day notice.

HEAVY CASUALTIES among Viet Cong guerrilla troops in North Vietnam has forced the South Vietnamese to send regular army units into battle. Secretary of Defense Robert S. McNamara disclosed. He said that evidence has been gathered that showed the presence of a 1,500-man unit in central South Vietnam, which McNamara said represented "more flagrant and unconstrained" aggression by North Vietnam. He also repeated that there was "no military requirements for the use of nuclear weapons in the current situation."

Center Drive Pace Slowed By Holiday

Donations From 2,024 Families Total \$43,362 Toward Campaign Goal of \$75,000

The Grosse Pointe War Memorial's 1965 Family Participation Campaign struck hard going over the recent Easter vacation. With many families out of town and others preoccupied with Easter plans and young people at home, daily donations dwindled alarmingly.

Fortunately, the Center's Campaign got off to a flying start, so that today's figures are still comparable to those of last year's returns. To date \$43,362.66 has been received from 2,024 families. This compares with \$41,250.61 from 2,200 donors last year at this time.

All Grosse Pointe families who have not yet contributed, have received a follow-up reminder note and remittance envelope this week. The postage-free return envelope attached to the letter makes it easy to send in your donation.

No Gift Too Small
It is hoped all families will send in some gift to give Grosse Pointe's unique and beautiful cultural and community Center their support. No gift is too small and whether or not your family uses the Center, some 150,000 Grosse Pointers (including repeat users) do, and it has something to offer everyone in the community from children to senior citizens.

It is also a beauty spot which is used constantly by nearly all community organizations at one time or another. Gifts to the (Continued on Page 6)

St. James Lutheran Church To Hold Dual Festivities To Observe 25th Birthday

Celebration Being Held Saturday, May 8, and Sunday, May 9; Lutheran Hour Radio Preacher To Be Guest Minister

The St. James Lutheran Church, 170 McMillan road, will celebrate its Twenty-Fifth Anniversary with dual festivals on Saturday, May 8, and Sunday, May 9.

A congregational banquet will be held at the Fries Auditorium at 6:30 p.m. on Saturday, May 8. The distinguished speaker for the evening will be the Reverend Arthur Yess, Executive Secretary of the English District, Lutheran Church-Missouri Synod.

Included in the program will be a historical film of St. James Church encompassing such features as the ground-breaking ceremonies for the church structure, the move from the Punch and Judy Theatre into the new church, dedication ceremonies, and other highlights. Guests will be treated to a tape-recording of some of the dedicatory activity. A roving string trio will supply background music during the dinner hour.

In addition to the Reverend and Mrs. Yess, special guests at the banquet will be the renowned speaker of the Lutheran Hour Radio Broadcasts, Dr. Oswald Hoffmann and Mrs. Hoffmann and the Reverend and Mrs. A. H. A. Loeber of Messiah Church, Detroit. Pastor Loeber is a former secretary of the Mission Board, who encouraged and released the several families from his congregation to become the original founders of the new St. James Church.

To Preach Twice

Dr. Oswald Hoffmann, known throughout much of the world for his dynamic, forceful preaching on the Lutheran Hour Radio Broadcasts, will be the guest

minister at both the 9:30 and 11 a.m. worship services on Sunday, May 9. Dr. Hoffmann has served the Lutheran Church for more than 25 years as parish pastor, college professor, film production adviser, public relations executive, and world-wide radio speaker. He was appointed Lutheran Hour speaker in 1955, and Dr. Hoffmann has what Time Magazine has described as "the most widely heard sermon on radio." His Lutheran Hour messages are broadcast in a score of English-speaking countries, and adapted and translated for broadcast in a number of other languages. Including indigenous produced programs in 30 languages, the Lutheran Hour is beamed in 40 languages into more than 120 lands, and has an estimated weekly audience of 30 million persons.

As an added feature on Sunday, a beautiful especially printed Silver Anniversary Worship Booklet will be used at both services. This anniversary souvenir will contain not only the day's worship format, but per-

Intruder Scares Woods Woman

A Woods woman who arrived home at 9:45 p.m. on Monday, April 19, and went directly to her bedroom phone to call her mother in Tucson, Ariz., was surprised by a man who ran out of her son's bedroom. The intruder fled out the back door of the house and sped away in a car.

Mrs. Mary Morrison of 692 Pear Tree lane, told police Sgt. Thomas Kane and Patrolman Albert Abend, that she was startled by the appearance of the man, who was described as being white, between 30 and 35 years old, about five feet, ten inches tall, with slight reddish hair, walking past the open door of her bedroom as she was phoning.

She said she saw the man leave in what appeared to be a 1963 dark blue, or black, Pontiac Bonneville. She said she checked the house and nothing seemed to be missing.

The officers theorized that the intruder apparently entered the house through an unlocked door of the garage attached to the house, and through an unlocked kitchen door. There were no signs of forced entry.

Soprano Maria Roumell to Be Soloist at Season-Closing Program in Parcels School

Grosse Pointers are looking forward with a great deal of interest and enthusiasm to this season's final concert of the Grosse Pointe Symphony Orchestra which will be held Sunday afternoon, May 2, at 3:30 o'clock in the auditorium of Parcels School, Mack at Verniers road.

The conductor, Felix Resnick, has programmed symphonic selections — from the classical (Mozart) to the modern (Britten) — to satisfy the varied tastes of the music lover.

Featured soloist of the afternoon will be Maria Roumell, well-known Grosse Pointe soprano. Mrs. Roumell has concentrated extensively, at home and abroad in solo recital, opera performances and symphonic appearances. She has been extremely popular in Detroit music circles not only for her voice rich in power and beauty but also for having given so freely of her time and talent in service through music.

Lists Selections

Sunday afternoon Mrs. Roumell will sing arias from "Aida" and "Don Giovanni." Highlighting the vocal selections will be two traditional folk songs from Greece which were obtained by Mrs. Roumell on her recent visit to that country.

The orchestral portion of the program will include: Overture from "Italian in Algiers" by Rossini, A Simple Symphony by Britten, Knightsbridge March from The London Suite by Coates, and Overture to "Die Fledermaus" by Strauss.

The following young Pointers will act as ushers for the concert: — Nancy Chase, Jackie Delaney, Gail Garceau, Kathi Krumel, Karen Meyer, Jeanne Struthers. In charge of the ushers will be Mrs. Walter J. Burczyk.

Members and guests are cordially invited to attend a reception following the concert at which time there will be an opportunity to meet the guest artists, conductor, orchestra members and friends.

Package Pay Raise Recommended for Woods Employees

Approval By Council Would Make Personnel Among Highest Paid State and Equal to Remuneration Earned in Private Industry

A substantial package pay raise, including wages and fringe benefits, recommended by the Woods council's Finance Committee, and already in the proposed 1965-66 fiscal budget, will place the public safety officers' pay scale on a par with private industry, it was disclosed by Woods City Administrator Chester Petersen.

The increase becomes effective on July 1, beginning of the fiscal year.

Petersen said that the wage increase, plus the fringe benefits, which amounts to \$1,775, is the largest recommended in the Woods history, and the largest that will be submitted for council approval since he became city administrator in November, 1961.

He said that the pay increase of the public safety officers, along with the fringe benefits, will raise the officers' pay to \$9,150 a year, which is equal to, if not better, than that granted by private industry. Corresponding pay raises have been recommended for ranking officers, also, Petersen said.

The city administrator said that the pay increase will add \$565 to the base pay of \$6,875, making the total annual salary, \$7,440.

Many Fringe Benefits

Fringe benefits include city-paid annual premium of \$205 for hospitalization insurance for dependents of department personnel (approved by Woods voters on April 5, and which is tax exempt); a maximum of \$150 a year on-duty training pay, when undertaking various training programs, to maintain top efficiency in police and fire work, as set up by the Director of Public Safety.

Also, longevity pay of \$100 for each five years of service, to a maximum of \$300 a year, for 15 years of service or more; \$100 a year uniform allowance; a paid-up \$5,000 life insurance policy for departmental personnel only, not dependents; time and one-half pay for overtime work, such as on court days, or when summoned in police or fire emergencies; and 21 days paid vacation each year.

Petersen said that the budget also includes pay raises for the entire working staff of the Woods administrative department, Department of Public Works personnel, and other general municipal employees, amounting to 10 percent of the individual's base annual pay.

May Be Top in State

The city manager said that with the increase in pay and the fringe benefits recommended for the Public Safety Department personnel, the public safety officers, who were the fourth highest paid in Michigan, will become the highest paid, with possibly Detroit, Trenton and Oak Park paying more if they make sudden changes in their proposed coming budgets.

He said that in all probability, the pay raise proposed in the Woods will top any community in the United States, except several in California.

Annual Drive Gets Started On Saturday

All Residents Asked To Participate in Campaign Sponsored By Garden Club Council

The annual spring Clean-Up Campaign in Grosse Pointe in connection with the "Keep America Beautiful" drive opens this Saturday, May 1. In Detroit and hundreds of other communities across the country the same campaign is being held. The Grosse Pointe drive will last one week while the Detroit one will continue through the month.

Posters made by the elementary school children under the direction of Mr. Donald Schrom were distributed this week by the Girl Scouts. Whenever possible, Mrs. B. F. Martin, chairman of the poster committee, placed the posters in stores in the same neighborhood as the schools so the children could see their work on display.

Sore Spots Cited

One of the most effective features of the campaign is the "Sore Spot" coupon which the News has been running for the past three weeks. Any resident who knows of a spot which needs cleaning up, fills in this coupon and sends it to the committee. These complaints are handled by the Boy Scouts and the Municipalities. Mr. Robert J. Sutton, of the Boy Scout Council, arranged for 13 troops to help in the work.

This campaign is run by the Grosse Pointe Garden Club Council which is also selling flowering cherry trees and lilacs on De Petris property, 230 Grosse Pointe boulevard. These trees will be for sale all week by appointment by calling TU 53141 and on Friday, May 7, and Saturday, May 8. This sale is held to encourage the "Plant Up" aspect of the drive.

Litter bags will be sold on May 1 at Jacobson's main store and Home Decoration Shop, at Kroger's in the Village, Farms Market and Wrigleys on the Hill. Mrs. Frederick Auch and Mrs. Truman Schneider are in charge of this project.

Schools Competing

Under the direction of Mrs. Marlin Cudlip, the school children are competing in the "Cleanest Playground Contest." Each year the playgrounds are judged by members of the Mens' Garden Club of Grosse Pointe and prizes are awarded to the winning schools. Service Clubs at the High School were contacted by Mrs. A. R. Whittington and have promised to help.

According to "Keep America Beautiful" headquarters the cost of cleaning up litter and refuse across the nation is astronomical.

Chamber Music Concert Slated

The Chamber Music Players of Grosse Pointe will present the final program of their 1964-65 season on Sunday, May 9 in the Ballroom of the Grosse Pointe War Memorial. Election of officers at 2:30 p.m. will precede the regular musical program, which is scheduled for 3:00 p.m. Catherine Goodsell is chairman for this program.

A Mozart composition dating from 1783, the Duo for Violin and Viola, will be the program opener. It will be played by Lucille Zocharski, violin, and Lotta Winkler, viola.

The Haydn Trio No. 1 in G major will be performed by Lois Lawrence, violin; Ramon Lawrence, cello; and Margaret Priest, piano. Ramon, a 6th grader at Mason School, makes his second appearance of the year before the Chamber Music Players.

Judith Davis, viola, and Marjorie Connell, piano, will play the Sonata for Viola and Piano, Opus 120 No. 2 by Brahms. The concluding work will be the Sonata for Violin and Piano by Poulenc, performed by Margery Aber, violin, and Helene Nordstrom, piano.

A coffee hour will follow the musical program.

Young Car Thief Nabbed Following Wild Chase

Shores Police Chief Thomas Cochill disclosed on Tuesday, April 26, that a 15-year-old Detroit juvenile, arrested by a Shores policeman following a 65-mile an hour chase, confessed to the theft of five cars, including the one he was driving. The chief lauded the arresting officer for a job well done.

On April 17, Shores Patrolman William Marshall, while patrolling south on Lake Shore, observed a car headed north on Lake Shore, and going well above the speed limit. There were four youths in the vehicle. The officer turned and gave chase.

Marshall said that the driver saw him approaching, and stepped on the gas pedal and tried to speed away. The policeman said he paced the teenager at 65 miles an hour.

The officer said that he pulled behind the speeding car, his flasher and siren on, and signaled for the driver to stop, but his signal was ignored. The chase went into St. Clair Shores. The young driver turned west onto Westbury in St. Clair Shores, Marshall said, and almost lost control, when the car went into a spin. At 23301 Westbury, the driver lost control while going around a curve, his car jumped the curb and came to a halt on the lawn in front of the house, after hitting a small tree and causing slight damage to the car.

Two of the four teenagers in the car jumped out and ran on (Continued on Page 2)

Have New Pipe Organ

As a part of its Silver Anniversary celebration, St. James Church dedicated its newly installed Moller pipe organ on Sunday, April 4. The organ investment is in excess of \$24,000, and the monies for its purchase have come from many sources: receipts from choir concerts, large gifts from the Women's Guild and other church organizations, memorials, and individual member contributions.

Another feature of the Anniversary is a historical display of the highlights of St. James' emergence from a mission-sponsored church to a self-supporting institution. This display, including such items as scrapbooks covering all phases of the congregation's history, photographs, early minutes of organizations, etc., will be on view in the Green Room for several weeks, enabling members to peruse it leisurely.

Committee in Charge

Edwin Trinklein is the general committee chairman, assisted by Pastor George E. Kurz and Dr. James Kackley. The other chairmen are: A. T. Wilson, Organ Installation and Gifts; Vicar Alan Harre, Worship; Mrs. Clara Bates, Mrs. Flora Lynch and Miss Anna Horvath, Banquet Arrangements; Mrs. Louis Carbone, Banquet Tickets; John Morrow and Frank Mann, Banquet Program; Carl Carlson, Historical Film and Tape; Harold Meinke, Guest Speakers; Mrs. Earle A. Miller, Publicity; Earle Miller and Edwin Trinklein, Expenses. Many other people are involved in committee work.

The congregation started as a mission on February 4, 1940, and the first services were held in the library of the Grosse Pointe High School. On April 30, 1940 the congregation was organized with seven voting members, 14 communicants, and five Sunday School pupils. It was at this organization meeting that the name "St. James Lutheran Church of Grosse Pointe" was officially adopted.

Charter Members

The charter was held open for the remainder of 1940, and the charter members still active in the St. James' family, in the order in which they joined the congregation during that year, are: Dr. and Mrs. Austin Neeb, Mr. and Mrs. Edward Bauman, Mr. and Mrs. Walter Faust, the Reverend George E. Kurz, Mrs. John Fraser, Mrs. Frieda Sipple, Mr. and Mrs. Marvin Asmus, Sr., Marvin Asmus, Jr., Mrs. John Fuchs, Mrs. Leo Carr, Mr. and Mrs. T. G. Dahlen, Mr. and Mrs.

Harold Rieth, Fred Flemming, and Ernest Moeller, Sr.

The Reverend George E. Kurz, a 1959 graduate of Concordia Seminary, St. Louis, Mo., was ordained and installed as pastor of the new congregation on June 30, 1940, at the Messiah Lutheran Church, Detroit. Pastor Kurz has served St. James continuously since his installation.

In December, 1940, the high school facilities proved inadequate and arrangements were made to hold future services and Sunday School classes in the Punch and Judy Theater.

With a steady increase in membership, the congregation voted in January, 1941, to purchase its future church site in McMillan road near Kercheval. This property was cleared of all indebtedness in 1942. In October, 1943, a building committee was appointed, and after months of study and research the building plans of George D. Mason and Company, architects, were unanimously accepted.

Big Building Project

In July, 1944, the congregation of St. James, by resolution, voted to become self-supporting, and during 1946 about 100 church families launched the drive that resulted in a \$175,000 building project. Ground was broken for the church structure on June 29, 1947, and the cornerstone laid on the 21st of September. Dedication ceremonies were held on December 5, 1948. On March 11, 1951, pews were installed, and on June 5, 1955, two wings to the existing building were added, providing increased education, fellowship, and administration facilities.

The adjoining residential property to the south of the church was purchased on July 1, 1958. In the summer of 1964, the old parsonage on Balfour Road in Detroit was sold, and a new residence, on Audubon Road in Grosse Pointe was purchased for Pastor and Mrs. Kurz. The newest addition is the recent installation of the Moller pipe organ.

Over the 25-year span St. James Lutheran Church has received into communicant membership a total of 1,550 members. The loss during this time, caused primarily by people moving away from the area, was about 850, leaving a present membership of over 700 communicants. There are about 200 children in the Sunday School.

Many Contributed

People, too numerous to mention, have contributed their time and talents to furthering the Gospel message via St. James Church. Noteworthy are the men and women who held office as presidents of the congregation, and the Women's Guild. The congregation presidents are: Messrs. Raymond Hansen, Edwin Wagner, Fred Holmes, Fred Wuebold, Edward Bauman, Ernest Moeller, Sr., Dr. Austin Neeb, Warren Wressell, William Schumacher, Walter Wilson, C. Ray Davison, Frank Mann, Lemuel Stephenson, Douglas Graham, Roland Blank, Marvin Asmus, Jr., and Earle Miller.

The Women's Guild presidents are: Mesdames August Foote, William Fenske, Harold Meinke, Austin Neeb, Alfred Wilson, Paul Winkelmann, Fred Martin, Clara Bates, Edwin Trinklein, Walter Hallenbeck, Erwin Stoetzer, and Leonard Sachs, Sr.

Many years of dedicated service were given by the following men who served as superintendents of the Sunday School: Messrs. T. G. Dahlen, Roger Freriks, Thomas Couser, Donald Ullbrich, Berthold Treiber, and Kenneth Michael.

The present staff members serving St. James Lutheran Church are the Reverend George E. Kurz, who will observe the 25th anniversary of his ordination in June of this year; Vicar Alan F. Harren; organist and choir director, Carl Munzel; secretary, Mrs. Agnes Launs; assistant secretary, Mrs. Virginia Shannon; and caretaker, James L. Montgomery.

foot, and the two remaining youths were promptly placed under arrest by Marshall. One of the two fleeing boys came to a fast halt when the officer shouted to him to stop.

Marshall disabled the car by pulling out the coil wiring to prevent any of the boys driving away. He radioed a report to his station regarding the boy who escaped, and the boy was apprehended by Woods Patrolman Hinz, who was patrolling on Norcrest and saw the boy running on the street.

One of the boys had been reported missing to the St. Clair Shores police, and was released, to the St. Clair Shores authorities, for further investigation of possible car theft.

The three riding with the 15-year-old claimed they were picked up by the driver at Jefferson and Dickerson, in Detroit, while they were hitchhiking.

The 15-year-old told Marshall that the others were not involved, and that he had told them to run when the car had stopped because the vehicle had been stolen, from the Eastgate Shopping Center, Roseville, on April 16.

The driver was given a violation ticket for reckless driving and another for never acquiring an operator's license, then released to Roseville police, and later to St. Clair Shores and Detroit police, for further investigation.

The youth admitted to Roseville police that he had stolen the car from their city. The vehicle belonged to Liberty Lentine of 17110 Juliana, Roseville. The youth later confessed to St. Clair Shores police that he was responsible for two car thefts in their city, and at least two in Detroit.

Chief Cochill lauded Marshall's action in apprehending the four boys. The officer was alone in the scout car, and pursued the speeding car on his own initiative without assistance.

The chief said Marshall did a fine job of police work, and the arrest led to the clearing of car thefts for the other communities.

TIRE, WHEEL STOLEN

Paul Russo, of 5919 Kensington road, Detroit, reported to Grosse Pointe City police on Thursday, April 22, that someone had stolen a spare tire and wheel from the trunk of his car. The theft occurred during the night of Wednesday, April 21, while Mr. Russo's car, a 1964 Cadillac, was parked in front of his home and in front of the Valet Cleaners, 17854 Mack, which he owns.

Dad's Night will be observed in conjunction with the annual election meeting of the Trombly PT-A on Monday, May 3. Prior to the general meeting at 8:15 o'clock, parents are welcome to visit in the classrooms.

Mayor Matthew Patterson and City Manager Robert Stone, Grosse Pointe Park, are guest speakers of the evening. Program chairman Dr. W. Pierce Smith reports that these Park executive officers will discuss backgrounds and planning objectives in the community as well as entertain questions and discussions from the association.

As an added feature to fully acquaint parents with "their school business" president Thomas Coulter has invited all announced candidates seeking a post on the Board of Education in the coming June School Election to the meeting. Each candidate will be privileged to introduce himself and his aspirations as a School Board Trustee.

Mrs. Robert Peebles, chairman, Mrs. Thomas Coulter, Mrs. George Coury, John Shorter and Andrew Patterson, members of the nominating committee, present the following slate of officers for 1965-1966: — president, Dr. W. Pierce Smith; first vice-president, Mr. Jerome Driscoll; second vice-president, Miss Kay Mullaney; recording secretary, Mrs. Arthur Johnson; corresponding secretary, Mrs. James Cozad; treasurer, Mr. Robert Morrison.

Room Fathers and male members of the P. T. A. executive board are hosts during the classroom open house and the "Dad's Night Social Hour" following the general meeting. Mrs. Kenneth Goerke and Mrs. Kurt Hartlieb, Social Chairman, along with Mrs. Barry Cornwell, Mrs. Robert Page and Mrs. Paul Brownell are planning this event "for father".

Since this meeting marks the transition period of another very active PT-A year, parents and teachers join in expressing recognition and appreciation to the outgoing officers, committee chairmen, and room parents for their spirited contribution and leadership.

John R. Zielinski, 27, of 18688 Strassburg, Detroit, was killed instantly when his car crashed into a tree on Lake Shore road, at Blairmoor, on Thursday, April 22, becoming the first Shores traffic fatality in 1965, and the first in the Pointe. Police had to use a crow bar

6 Pointers Win Scholarships

Scholarship awards totaling \$88,600 from the Chrysler Corporation Fund were announced on Friday, April 23, for 150 high school seniors who are children of Chrysler employees.

The Chrysler Corporation scholarship program is the largest of its kind in the United States. Scholarship winners were selected by National Merit Scholarship Corporation on the basis of scholastic ability, leadership, and good citizenship.

The scholarships range from \$250 to \$1,500 per academic year, depending on the student's need, for each of four years' study at a college or university of the student's choice. In addition, privately endowed schools will receive \$250 yearly from the Chrysler Corporation Fund for each scholarship winner.

Of the 150 scholarship winners, 94 are boys and 56 are girls. Their career choices cover over 30 different areas, with the most, 36, planning to enter teaching or an allied educational profession.

Engineering is the second highest career preference, with 29 scholarship winners indicating that curriculum. Medicine and medical technology will attract 18 of the students.

The Chrysler scholarship winners come from 15 different states, with Michigan predominating with 97 recipients. Fourteen scholarship students are from Indiana and nine from the state of New York.

Pointe winners of the scholarships, the college or university of their choice and the course of study elected, are:

Robert B. Bavinger of 425 Lakeland avenue, Georgetown University, Liberal Arts; Jane E. Peebles of 1241 Bedford, University of Michigan, (Undecided); Ann L. Blakeslee of 22 Warner road, University of Michigan, Education; Daniel L. Skubick of 430 Lothrop, University of Michigan, Medicine.

Also, William M. Swan of 312 Cloverly, Princeton University, Engineering; and David L. Weiler of 423 McKinley road, Harvard College, Medicine.

All but Bavinger and Swan are seniors at Grosse Pointe High School; Bavinger is a senior at Austin Catholic High School, and Swan is a senior at Grosse Pointe University School.

Will Observe Library Week

National Library Week is here again, and it is hoped that Grosse Pointe residents will not forget to visit one or all of their fine libraries this week.

On Saturday, May 1, everyone is invited to the Central Library, Fisher at Kercheval, for the Carnival of Books, sponsored by the Friends of the Grosse Pointe Public Library. This celebration was a great success last year, and the library staff hopes that even more people will attend this year. Some of the highlights will be: a puppet show for children, book talk for adults, lecture about lithography, taped music program of opera greats with commentary, refreshments, display of antique cars, special decorations, thousands of helium-filled balloons to be given away to children, and a sweepstakes contest with exciting prizes for the lucky winners.

Study Pay Raises in Woods

(Continued from Page 1)

it still must be presented at a public hearing and still must be approved by the council, did disclose that the raises, benefits and other improvements recommended, will add \$95,000 to the coming budget.

However, he pointed out, in spite of this increase, the tax rate will still remain the same as in previous years, \$14.55 per \$1,000 assessed local valuation.

All To Get Boosts

The city administrator said that the base salary, excluding the fringe benefits granted to public safety personnel, amounts to only 8.3 percent; salaries and wages of other Woods employees will be brought up to the upper range granted to employees of other municipalities in the Detroit Metropolitan area.

For example, he said, DPW employees, who receive \$2.60 an hour, if the budget is approved, will receive an increase of 22 cents an hour, making a total of \$2.82 an hour, plus the \$205 city-paid premium on hospitalization for their dependents.

Petersen said that the Woods is in a unique position, in that where other municipalities and private industries have various classifications of work assigned to their employees, the Woods employees are not classified. Each employee, regardless of present work assigned, is capable of doing more than one job, in the event anyone is sick or absent. Any employee can be assigned to do any job and do

it efficiently, he added.

The versatility of the municipal employees, he said, is an asset, and makes the employees more valuable to the community and to its citizens.

Therefore, he said, he was happy that the Finance Committee had accepted his recommendation wage increases and fringe benefits now in the proposed budget, which the committee will in return recommend be adopted by the council.

He said that it is a proven fact that the more each employee received in pay, not only increases the employee's initiative, but also increases the employee's loyalty, and make him more willing to render better service.

"I am extremely pleased, too," Petersen said, that they have seen fit to keep the proposed increases, without change, because by doing this, they have expressed confidence in me and in my carrying out the policies of the Woods city council. This confidence in me is more valuable than anything I can think of," the city administrator said.

He said that by approving the increases for the employees, the Woods council's Finance Committee recognized that all the present municipal employees are important and valuable assets to the city and its citizens, especially since the proposed raise recommendation to the entire council, for the council's approval, were made without the employees petitioning for the raises and benefits.

Speaks Well for Woods

Petersen said that this speaks well for the Woods because it reveals that there is a close working relationship between the Woods council and the municipal employees, which creates a team seeking to give the best service to the city-at-large, and the citizens.

Members of the Finance Committee, Councilman Thomas Leah, chairman, and Councilmen Benjamin Pinkos and William Huetteman, members, said they will recommend approval of increases in the budget at a public hearing to be held next month.

Other members of the council were present when members of the Finance Committee were thrashing out the proposed pay and fringe benefit increases. They appeared to favor the increases, it was said.

Woods Director of Public Safety Allen Andrews, Jr., revealed on Tuesday, April 27, that when the announcement was made of the proposed raise on Wednesday, April 21, one policeman who had submitted his resignation, was allowed to withdraw it; and that another officer, who quit the department on April 14, petitioned for and was reinstated, but with a loss of seniority and sick time leave.

Rescinding his resignation was Det. Donald Sabel of 953 Vernier road, a 16-year veteran, who was to have left the department on May 17.

Reinstated on Friday, April 23, was Patrolman Donald Schmaltz of 9590 Whittier, Detroit, who had been with the department for only a year and a half. When he joined the Woods force, he was an experienced officer from another police department.

The resignation of Patrolman Jack Eberst of 22530 Ovedlake, St. Clair Shores, still stands, it appears, the director said, since Eberst is interested in going into private business. The officer, who will leave the department on June 1, is a 13-year veteran.

Andrews pointed out that \$500 of the annual pay received by personnel on the force, is compensation for duties of firemen, performed by the public safety officers. The Woods has an integrated Police-Fire Department.

Dinner to Honor Dr. C. L. Candler

Dr. Clarence L. Candler, a Grosse Pointe resident for 15 years, will receive the Saint John Hospital Men's Guild "Man of the Year" award at a \$100-a-plate stag dinner in the Grosse Pointe Yacht Club, Wednesday evening, May 12.

On this occasion, friends and colleagues will gather to pay tribute to the veteran physician who has devoted more than 50 years to the medical profession.

Dr. Candler came to Grosse Pointe from Detroit in 1950, and opened an office at 20040 Mack avenue. He immediately became active in civic affairs here, and for several years handled all emergency work for the Woods' Department of Public Safety. Recently he moved to 815 Brown street in St. Clair, where he will open an office "for limited practice."

Dr. Candler was on the medical staff of Saint John Hospital from its opening, May 15, 1952, until he retired last October. He also served on the Staff Executive Committee.

He received his medical degree from the Detroit College of Medicine in 1912, and interned at New York's Metropolitan Hospital. Then he spent six months in graduate work in Vienna, Austria, and Berne, Switzerland, after which he began his practice in Detroit.

Wakio E. McNaught, director of institutional operations for General Motors Corp., will present the "Man of the Year" award to Dr. Candler.

Proceeds of the dinner will be used to assist the hospital's unique program of education for residents, post graduates, and interns, said Frank Colker, a Grosse Pointer, general chair-

man of dinner arrangements. Co-chairman is Charles A. J. Kotcher, also of Grosse Pointe.

George Cueter, president of the Saint John's Men's Guild, will preside at the program. Dinner will be served at 7:30, following a cocktail party. Other Guild officers are Ted Kustryk, vice-president; Dr. George E. Fritz, secretary, and Walter R. Cavanagh, treasurer.

Program committee members are Arthur A. Cerre, George A. Gardella, Sr., Herbert W. Hart, William J. Lilly, James H. Quello, Harvey Van Wormer, Jr., Cletus J. Wellings, and Ray M. Whyte.

Safety Patroller To Visit Capitol

Eleven-year-old William Horvath, of 776 Berkshire road, will represent 700 Grosse Pointe-area safety patrollers at the AAA National Safety Patrol Rally in Washington, D. C., May 6-9.

William, a patroller at Trombly School, will be the guest of Automobile Club of Michigan during its annual all-expense-paid trip to the nation's capital.

He will be among 130 Michigan patrollers representing 65,000 fellow patrollers at over 2,500 schools. Each patroller has spent about 180 hours at street corners protecting classmates during the past year.

Michigan youths will join 25,000 patrollers from 20 other states and the District of Columbia upon arrival in Washington May 7. They will march in a four-hour morning parade down Constitution avenue, annually the longest parade in Washington.

The parade pays tribute to the safety efforts of the nation's 850,000 patrol members. Seventy-five bands and 80 floats will be featured. Automobile Club of Michigan's patrollers will carry "Bring 'Em Back Alive!" banners—a safety slogan familiar to this state's motorists and pedestrians for the past four years.

Patrollers from 105 Michigan communities chosen to make the trip will converge on Detroit by bus May 6 from Muskegon, Kalamazoo and Saginaw. The three buses from these points will join a Detroit bus at the Veterans Memorial Building that afternoon in a Greyhound caravan to Washington.

They will spend May 7 and 8 seeing the sights of Washington and will be returned to their homes by Sunday, May 9. As a highlight of this year's trip, two Three Rivers youths will receive the AAA Gold Life-Saver Medal. Recipients are Donald Brunner, 12, and John Abel, 13, both of Barrows School. Altogether, 13 youngsters from across the nation will receive the gold medal for actually saving a fellow student's life.

Since the national patrol program was launched in 1922, the traffic death rate of children between five and 14 years of age has been cut in half. The death rate of other age groups has nearly doubled.

"In 1926 there were 325 children killed in Michigan traffic. Last year the total was 97," says Ernest P. Davis, Auto Club's director of safety and traffic. "The diligent effort of safety patrollers has undoubtedly played a major role in this reduction," he adds.

Albert J. Thorburn Named GOP District Chairman

Elly M. Peterson, Republican State Chairman, has announced the appointment of Albert J. Thorburn as campaign chairman for the 14th Congressional District on Detroit's east side. Thorburn replaces Jack Matheus who has resigned due to the current press of business.

The new campaign chairman assumes responsibility for candidate and campaign liaison with Republican State Central and will work with Republican chairmen from the other seven districts in Wayne County on all aspects of patronage and finance for the 14th District.

The campaign committee was formed last summer along with others for each District in Wayne County to provide organizational continuity during the transition period from old to new districts. The group has done an outstanding job and is being continued in the 14th District.

Thorburn was born in Lansing in 1920, graduated with high honors from Michigan State University in 1942, spent four years in the U.S. Air Force and graduated with honors from the University of Michigan Law School in 1948.

He has been assistant to the Chief Justice of the Michigan Supreme Court, Associate Counsel for the Michigan Public Service Commission and assistant attorney general for Michigan, as well as City Attorney in Leslie, Michigan. Since 1933, Thorburn has been attorney for the Michigan Bell Telephone Company responsible for litigation, legislative and regulatory matters.

Thorburn is an active member of the American Academy of Political and Social Sciences, the International Institute of Detroit, the Founders Society

of the Detroit Institute of Arts and the American, State and Detroit Bar Associations.

He's been a working Republican since he joined the Michigan Federation of Young Republicans and became Finance Director and a member of the board of control. He has been on the executive board of the United Republican Council, section chairman for the Republican Action Committee, coordinator of the 14th District Romney Volunteers and a precinct delegate who consistently gets out the vote among his neighbors.

Thorburn served on the Con-Con Coordinating Committee with Governor Romney and as a member of its speakers bureau. He was also appointed by Wayne County Republican Chairman Robert Waldron to the bipartisan county human relations council and is a member of the Grosse Pointe Human Relations Council. He was Republican candidate for the State Senate from the First Senatorial District in 1964.

Since January of this year, Thorburn has been chairman of Republican Citizens—14th District which group recently spearheaded Zigmund Zadrowski's campaign in the 2nd House

Burglar Steals Furnace Control

A thief, or thieves, unknown, broke into a new home under construction in the Woods, and cut away the side of a brand new furnace to steal a valuable control unit.

Entrance into the house, he said, was gained by the knob being twisted off of the door of the garage attached to the house.

Daughters of Confederacy Schedule May 7 Meeting

Stars and Bars Chapter, United Daughters of the Confederacy, will meet at noon Friday, May 7, in the McMillan road home of Mrs. William G. Buchinger. Assisting hostess will be Mrs. Richard Jeeves.

Mrs. S. Jack Redding will present the program: "Current Events, 1860-1861."

Richard Jeeves Set to Retire

W. Richard Jeeves, 65, a veteran of 38 years' service with Parke, Davis & Company and the man who has directed the firm's operations in every nation of the free world, except the U.S., retires April 30.

Known throughout the world as Parke-Davis' "Mr. International," Jeeves' duties required that he travel more than 2,500,000 miles, circle the world on nine occasions, cross the Pacific Ocean during 21 business trips, and span the Atlantic 36 times.

Presently vice-president, a member of the Parke-Davis Board of Directors, and Director, International Operations, Jeeves guided the company's international expansion from a base of eight overseas branches to its present total of 22 manufacturing laboratories, and numerous overseas sales branches, depots, and distributors.

He joined Parke-Davis in 1927, as a Medical Sales Representative in London, England, and two years later he transferred to Manila, Philippines. In 1941 he was assigned to Parke-Davis' home offices here (where he has headquartered since) and promoted to Assistant to Foreign Sales Manager; six years later he was named Foreign Sales Manager.

In 1952 she became a Parke-Davis vice-president, and a year later was named to the Board of Directors.

A citizen of the U.S. since 1942, he was born in Cambridge, England, is a graduate in pharmacy of the South of England College of Pharmacy, London, and the Manila College of Pharmacy in the Philippines. In 1959, he was awarded a Doctor of Science (honorary) degree by Manila Central University.

He also speaks Spanish, and is familiar with French and German.

Before he joined the worldwide pharmaceutical firm, Jeeves taught pharmacy at Cambridge University, and later worked as manager of a retail pharmacy in England.

A member of many local, national and international organizations, he was named "World Trader of the Year" in 1959 by the Detroit World Trade Club.

Mr. and Mrs. Jeeves plan to maintain their home in Lincoln road after his retirement. Additionally, he will "renew acquaintances with golf, do some writing, play with the grandchildren, and travel."

The Jeeves' family includes three children, and five grandchildren.

Former Wayne State golf stars Don Curyla and Jim McGaffin were high finishers in the Presidents Athletic Conference tournament for three years.

Boy Narrowly Escapes Death

Brian Graef, 14, son of the Roger Graefs of 1156 Roslyn road, narrowly escaped death on Saturday, April 24, when his CO-2 cylinder he was stuffing with match heads exploded in his hand, wounding him in the left arm, leg and chest.

Brian was rushed to St. John Hospital by his father, with pieces of the metal cylinder embedded in his flesh. The metal pieces were removed by doctors in the emergency room. The boy is recovering from the wounds.

Woods officers, called to the hospital to investigate the nature of the injuries, said young Brian told them that he was

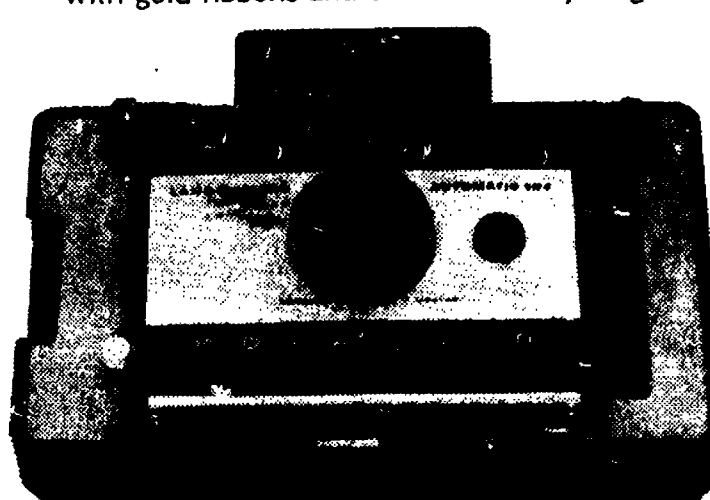

stuffing match heads into a live cylinder, when the cylinder suddenly exploded.

The policemen said that young Graef was a lucky boy. They said he could have been blinded if he had been hit in the eyes by the metal, or possibly killed if he had been hit over the heart. The force of the explosion was similar to a grenade, the officers said.

The boy told the officers that he had several other cylinders at home, but all were empty. When he went home, Mr. Graef gathered the cylinders and turned them over to police at the station.

GP Senior Men Plan Schedule

The Senior Men's Club of Grosse Pointe heard an address by Lane Breidenstein of the Detroit Better Business Bureau, at its regular meeting held on Tuesday, April 27, in the War Memorial's Fries Auditorium.

Breidenstein, who has appeared before the club on a previous occasion, presented as his topic, "Greedy Eyes on Your Pocketbook," which was heard by 225 members.

On Saturday, May 1, the ladies will be honored guests at an Annual Ladies Night, with reservations limited to only 400 persons. Entertainment will be furnished by the Orpheus Club.

The 42 wives of the members of this fine singing group have been invited as guests of the Senior Men's Club.

On Tuesday, May 11, Robert Orr, Director of the Grosse Pointe Libraries, will make a return visit to again address the organization. He was so well received on his previous appearance, the membership is looking forward to some timely hints on "Good Reading."

On Tuesday, May 25, Frederick Piggins, will present a talk on "Legal Aspects of the Arrest and Trial of Jesus Christ."

Many future "Go See Trips" are planned, including a tour of the Hiram Walker Plant; Baseball games, tour of the Canadian Rock Salt company. All of the past tours have been well attended and thoroughly enjoyed.

Total membership of the Senior Men's Club is well over the 500 mark, with the membership increasing to such an extent, that officers of the club hope that this would not overtax the capacity of their "Meeting House."

K. M. Huddleson Wins High Honor

Some cutting
 remarks
 made me buy a
YARD-MAN

I began lawn care with a "bargain"
 mower and found it didn't pay. I'd also
 been left in the state of confusion by
 too many claims and gimmicks con-
 cerning lawn mowers. Recently, how-
 ever, a Yard-Man dealer brought me
 back to earth with a few "cutting
 remarks" that make a lot of sense. He
 pointed out that the basic function of
 any mower is to cut grass correctly,
 safely, and easily. For this purpose the
 heart of the mower is the cutting blade,
 and this is just one place where Yard-
 Man has the "edge" on other mowers.
 Yard-Man cutting blades are made only
 from austempered steel. They are
 tougher than tough carbon steel and
 take a factory sharp cutting edge and
 keep it for an entire lawn mowing season.
 Smooth grass cutting, the full length of
 the blade, is assured by Yard-Man's
 exclusive, easy adjustment at all three
 vital points... the wheels, the roller
 and the bed-knife. Each blade of grass
 is dropped with a crisp sealing action
 leaving the lawn green and healthy.
 Yard-Man offers you grass cutting at
 its finest, and with all the convenience
 and ease of a top quality lawn mower.
 This is YARDMANSHIP! Ask your local
 dealer to demonstrate for you.

AGRICO
 AGRIC GRASS FOOD

A fertilizer
 should do more
 than make
 grass green.

AGRICO
 AGRIC GRASS FOOD

Why be satisfied with a fertilizer
 that merely makes your lawn green
 for a little while?
 Now there's a grass food that not
 only greens your grass but also
 builds up the fertility of your soil.
 The name is Agrico Grass Food.

1. Agrico Grass Food contains a
 special combination of nutrients that
 actually enriches your soil. These
 nutrients build strong roots and
 produce hardy grass.

2. Ordinary fertilizers make grass
 green for a while. But Agrico, with

60% organic nitrogen content, keeps
 grass green all season long.
 3. Agrico's formula gives you more
 total plant foods per bag to build
 soil fertility over a longer period of
 time. \$4.95 bag nourishes 3300 sq. ft.

Little Leaguers to Open Season Sunday, May 2

Sunday, May 2, will be a big day for more than 600 boys of Grosse Pointe Woods and Shores. The annual Little League Parade will kick off the 1965 season. The parade will start at 12:30 p.m. from Manufacturers National Bank parking lot at Mack and Lochmoor, and proceed down Mack avenue to Ghesquiere park which is behind the Grosse Pointe Woods City Hall.

Many dignitaries from both the Woods and Shores will be on hand for the opening day ceremonies. Some of these include: Woods Mayor McLeod; Woods Director of Public Safety, Andrews; Woods Councilman and originator of Woods-Shores Little League, Marvin Boutin; Shores Trustee, A. R. Glancy; Woods Councilwoman, Mrs. J. G. Hendrick; and the president of the Babe Ruth League, J. Belanger.

Leading the parade will be a Color Guard furnished by Parcells Boy Scout Troop 479, under the leadership of D. McNew. A special car will carry the senators, last year's major league champs. All the Little Leaguers, with their bright new uniforms, will follow the procession. At the end of all the ceremonies, several games will be scheduled at Ghesquiere Park, thus starting the season.

Everyone is invited to the parade, opening day ceremonies and the games. So come May 2 and enjoy a fun-filled afternoon.

Little League Opens Saturday

Approximately 40 cars will leave Kerby Field for a parade through Grosse Pointe Woods, ending back at Kerby Field on Saturday, May 1, at 10 a.m. This is the opening event of the 1965 Grosse Pointe Farns Little League Baseball Season.

Once back at the field, Mayor Connolly will pitch the first ball to City Manager Bremer with Police Chief Furton calling the ball or strike. Following this opening, the drawing of prizes, awards and other festivities will follow.

The teams will then prepare for the opening games at 1:30 p.m. at Kerby, Brownell and the High School Fields.

1 p.m. GIANTS vs. White Sox; YANKEES vs. Phillies and at the High School Diamond CARDINALS vs. Red Sox. Those teams in capital letters are considered home teams.

Last year, May 9, saw the National Division make it a grand slam, winning all five contests. Let's hope it's a little more even and a little less windy.

Chiefs Capture Hockey Crown

By William A. Gill

The Grosse Pointe Chiefs won the Southeast Michigan Hockey Association, Midget Division Championship for the 1964-1965 season. The residents of the Pointe should be very proud of these 17 boys and three coaches for bringing the first hockey championship to the Grosse Pointe Area.

Kauffman Storms and Screens sponsored this team by providing uniforms and moral support. It was a great season for the Grosse Pointe Chiefs who had to play against experienced teams from Royal Oak, Berkley, Fraser and Waterford. It was a long tough grind but they won the battle.

The Chiefs had 15 victories, four losses and one tie and scored 101 goals while their two goalies Bill Bockstanz and Bill Noecker held their opponents to 48 goals.

The captain was center Jack Reid who played an aggressive type of hockey with great help from his two wing men Jerry Schindler and Jay Gill. This was the highest scoring line in the league with 45 goals.

The defensive units of Jim Grady, Sam Orlando, Rick Gonzales, Mike Logghe, Douglas MacArthur and Douglas Monforton were looked upon with respect by the opposing teams after being body-checked a few times.

The offensive units of Wally Thurstam, Randy Neil, Corky Perkowski, Steve Maxon, Tom Bradley and Keith Foucher kept the opposing defenses very busy with their fast skating and hard shooting.

Coaches Harold Neil, Ray MacArthur and William Gill were unable to name a star on this team, for it took the combined effort of these 17 boys to win this championship.

A great deal of credit goes to the parents who were willing to drive these players to Essex, Wallacburg and any other place where ice was available.

The season was climaxed by the Grosse Pointe Hockey Association Banquet at which Gord Howe was guest speaker and each boy received a trophy for their outstanding achievement.

MacKay - Ford Win Net Crown

Don MacKay and Wally Ford have won the annual men's doubles tournament that marks the close of another season at the Tennis House. They defeated Pudge Cavanaugh and George Reindell, 111, by a 6-4, 9-7 score in straight sets in an exciting final witnessed by many members of both sexes.

MacKay and Ford reached the finals by beating Dr. John Luzadre and Norman Sprock, 6-4, 6-1. In the other semi-final match, Cavanaugh and Reindell required three sets to subdue Henry Gage and Ted Hodges, 2-6, 6-4, and 6-2.

The quarter finals saw MacKay and Ford conquer Bill Black and Allison Monroe, 6-0, 6-2. Luzadre and Sprock won their match by default when Ted Petersen and John Reindell had to withdraw to keep out-of-town business engagements.

The latter pair had beaten Dr. Ross Hunt and Ingersoll Lewis in the first round matches, 6-2, 6-0. Luzadre and Sprock reached the second round by trimming Murray Sales and Harold Love, 6-0, 6-2.

In other early matches Bob Wetzel and Dr. Tom James beat MacPherson and Ferdinand Cincelli, 6-3, 4-6, 6-2, then lost to MacKay and Ford, 6-0, 6-2.

Bill Black and Al Monroe eliminated Dr. John Lesesne and Hudson Mead, 6-0, 6-4; Dave Summers and Mike Ware downed Jack Hodges and Reg. MacArthur, 6-2, 6-2; Gage and Ted Hodges defeated Al MacKay and Dr. Osborne Costes, 6-1, 6-1; Dan Simmons and Harold Love downed Emmett Eagan and Joe Hudson, 5-0, 6-1; and George Reindell and Pudge Cavanaugh defeated Bill Day and Butch Edgar, 6-0, 6-0.

In the other semi-final matches Gage and Hodges eliminated Ware and Summers, 4-6, 6-3, 6-2; and Reindell and Cavanaugh put out Simmons and Love, 6-1, 6-0.

PARK DONATES
At its regular meeting held on Monday, April 26, the Park council approved an appropriation of \$1,500, to financially assist the Park Little League in carrying out its baseball program during 1965. It was disclosed that 525 Park youngsters have registered with the League for this year's baseball playing season.

Joint Effort Required

Thumping at our door is the year's most welcome guest... Spring. Her arrival is cause for extraordinary jubilation because it was delayed far beyond schedule by one of the roughest winters in memory. Now the sun appears to be winning its battle to push temperatures higher, and the vegetation which has been hibernating in the cold earth is pushing itself eagerly upward to grasp the warmth and light.

It is doubtful if any section of the country is privileged to experience more beautiful springs than Mother Nature produces right here in The Pointe. The startling transition from a barren landscape to an amazing parade of color makes the long wait fully worthwhile. The pageant is greatly enhanced by the contributions of residents who proudly preen their properties, nurture velvety lawns, plant flowering shrubs and create gardens whose blooms bring boundless pleasure to all who pass by.

Saturday marks the start of the annual Clean-Up Campaign in our community. It is a movement in which we all should participate. Much organization work has already been done by the members of the Grosse Pointe Garden Club council the individual garden clubs and many volunteers. It is now up to each of us to do his part. We can make our own properties more attractive by cleaning up the accumulation of winter's debris and bringing order to the flower beds ravaged by snow and sleet and heaving frost. We can replace dead plants and shrubs and perhaps add spots of beauty.

For several weeks this paper has been carrying a coupon to call attention to sore spots that need special attention. Boy Scouts have undertaken the task of seeing that they are eliminated. Owners of vacant property should make a special effort to insure against its blighting the appearance of an entire neighborhood.

By a concentrated team effort we can make The Pointe even more beautiful this spring, and then let us dedicate ourselves to keeping it that way all through the summer and blazing fall, until another winter lulls the productive earth into sleep once more.

Letters to the Editor

Dear Sir:
I would like to know if it is possible to place an Ad in your paper. I have tried desperately to obtain a used child's power car for my boy, Douglas, age 6. A few toy buyers informed me that larger peddle cars are not made because children usually advance to bikes. Doug is a hyperkinetic and has to take medication which controls his nervous system a few hours a day. Therefore, the use of a bike has to be limited due to clumsiness and lack of judgment.

Since Doug was very fond of his peddle car, I feel a power car that goes 5 or 6 m.p.h. will be constructive, safe and mentally good for him. Maybe some family in Grosse Pointe might have one and would be willing to sell it. Because Doug is rejected by children it is very disturbing to him and our family, so I would appreciate help in any way to locate a car.

Thank you,
Mrs. Adrienne Gumpkins
WE 4-4025

Dear Sir: —
May I add my hearty and

sincere endorsement of Mr. Keenry's "Exchange Program" of a few weeks ago to those of Mr. Conley and Mrs. Leibbrand, who wrote to you last week. It is plainly inconceivable to me how narrow, how very unchristian, how utterly unrealistic is the thinking of people holding views similar to Mr. and Mrs. Murray and "KMG," also recent writers to the NEWS.

How, in heaven's name, are we raising our children? Teaching them that we live on a tight island and life and humanity elsewhere are inconsequential? Who are we in this community to say that we are basically any better as individuals than anyone else?

I, too, am grateful, not only to Mr. Keenry (I hope there are more teachers like him when our children reach junior high school), but to the students and teachers who participated in the program and made it a success. May we continue to exchange in "depth" and get in deeper!

Very truly yours,
MARTHA F. GRAY
(Mrs. Cliff F.)

Double Treat Set At Senior Center

Seniors at the Senior Center in East Grand boulevard, are busy preparing for a "Double Treat" book fair and art show, scheduled Tuesday, May 4, from 11 to 7 o'clock.

The 30 members of the two art classes taught by Mrs. Lilian Winters, an artist in her own right, will have their paintings on display, some for sale. Many books, recent and old, paper backs and leather bound, will be on sale.

Mrs. Gertrude Dewsbury's title "Double Treat" won the prize in a contest to name the event, which is a joint effort of the Center art classes and the library committee together with many other service and interest groups. The seniors plan to use the proceeds as part of their contribution towards the Center budget.

The Senior Center, a Torch Drive Agency, is a group work and recreation center offering rehabilitation and counseling in addition to its almost daily programs for people over 60 years of age.

It was started by the Junior League of Detroit in 1953 and was supported wholly or in part by that organization for ten years. Charter member Mrs. George Willmarth will be chairman of the event, assisted by Mrs. Enoch Jones, in charge of food and

decorations. Mr. Willmarth, hospitality chairman, and Bruce Waller, member of the staff and a student at Wayne University. Volunteers and members of the Board of Directors who will be working as cashiers are Mesdames William E. Lane, Robert F. Sullivan, C. Henry Haberkorn, Jr., H. Hudson Mead, Hugh Lineweaver, Edward N. Harris and Joseph A. Vance, Jr.

New Look For Alumnae Is Stephens Club Topic

"The New Look for Alumnae" came under discussion at a luncheon at a meeting of the Lakeshore Stephens Alumnae Club on Wednesday, April 21, at the Women's City Club.

Special guest at the meeting was Miss Margaret A. Witt, alumnae secretary for the college. Formerly assistant to the president of Pacific Oaks College, Pasadena, Calif., Miss Witt joined Stephens in 1963.

She has worked with Dr. James B. Conant, both during his Harvard University presidency and in his government work. Immediately after World War II, she was assistant counselor for veterans at Harvard. Miss Witt's special field of interest is Continuing Education for Women.

OUR FOURTH GENERATION OF FLORISTS

What Goes On at Your Library

By Virginia Leonard

Guest Columnist: Louise Leeson

Gone is the Victorian attic, with its dusty trunk, containing the traditional package of aged letters, tied with ribbon. The secret drawers of the desk have been ransacked completely. Every bundle or box, be it ever so secret or hidden has yielded up its scraps of paper. Where have all the letters gone? To a publisher, of course.

Dr. Johnson said, "In a man's letters, you know, madam, his soul lies naked." Motivations are many for reading the letters of the famous, the infamous and the creative. There might be the purely human desire to get behind the scenes, to know the latest scandalous tidbit, or our search may be deeper in meaning. There is that curious rending of the personality that often accompanies the creative process. To many the lives of the famous seem surrounded by glamour. Surely, we say, he had a great gift. Could he not have ordered his life more seemly? Nowhere is the human frailty of the great more evident than in their personal correspondence. For a deeper understanding of the published works of some of our greatest, it is often profitable to read what they have written to their associates.

The Grosse Pointe Public Library has a considerable list of famous letters. If there is some particular great in whom the reader is interested, our librarians will do their best to find material for you. Perhaps the most famous letters of all are in the most famous Book of all, the HOLY BIBLE. The Epistles of Paul to the Corinthians were private letters, written without thought of publication.

If your taste is for the archaic, and you would like to know what was going on in town in 100 A.D., the letters of Pliny the Younger are in volume 48 of the HARVARD CLASSICS.

One might like to start with an anthology, which could create an appetite for more. There is A TREASURY OF THE WORLD'S GREAT LETTERS, FROM ANCIENT DAYS TO OUR OWN TIMES, edited by Simon and Schuster. The frontispiece says, "containing the characteristic and crucial communications and intimate exchanges and cycles of correspondence, of many of the outstanding figures of world

history . . ." The description leaves out the piteous romance of the letters of Heloise and Abelard, wetted with their tears, the indictment of the Hitler regime by Thomas Mann, the pathetic letters of Sacco and Vanzetti, the letter of George Washington to his critics, and many more.

For a good gossip look at the 17th century, there are LETTERS FROM MADAME LA MARQUISE DE SEVIGNE, selected, translated, and introduced by Violet Hammersley. The Jet Age pales in comparison to those goings-on at court.

There are the greats of the eighteenth and nineteenth century, most of whom were prolific correspondents. Carlyle, Thackeray, Stevenson, Browning, Ibsen, bring us closer to our own time, and were happy to leave their letters to posterity.

One's taste might be for the letters of those who have had problems and surroundings approximating our own. KATHERINE MANSFIELD'S LETTERS TO JOHN MIDDLETON MURPHY, edited by John Middleton Murry, are not only a great love story, but have the feeling, dim, perhaps, and for some, nostalgic, of long long ago, pre-World War I.

The LETTERS OF JAMES JOYCE, edited by Stuart Gilbert, may not give us a clue as to why he wrote Ulysses, but we do understand this strange, darkly dreaming man a little better by reading them.

In SANTAYANA: THE LATER YEARS, A PORTRAIT WITH LETTERS, by Daniel Cory, the philosopher says "We live in a fanatical age, an age of propaganda, and everybody wants the support of the whole herd, in order to be quite at peace with his own conscience."

From Henry Adams, Thomas Wolfe, Emily Dickinson, Robert Frost, Vincent Van Gogh, Marcel Proust and many more there is an outpouring of essence in their private correspondence. F. Scott Fitzgerald reveals his devotion as a husband and father. Thomas Wolfe makes clear to us his search for an image of strength and wisdom to sustain him.

A compassionate reading of the letters of the creative may or may not explain the creative process. We see the gifted in their daily lives, even as you and I, and our understanding is enlarged thereby.

C. Lane Breidenstein, General Manager, said these directory schemes are aimed particularly at company employees responsible for approving invoices for payment and are designed to create the impression that the solicitation forms represent a renewal of the company's listing or advertisement in the local telephone directory or other established directory.

In reality, said Mr. Breidenstein, the forms are solicitations for purchasing listings or advertising space in directories that may or may not exist. He noted that some directory promotions have failed to publish a directory. In other cases, small paper booklets were issued which did not measure up to what was expected.

According to the Better Business Bureau, literally thousands

of business directories are published annually, many of them by well-established, reputable firms.

The Federal Trade Commission and the Post Office Department have curbed some of the deceptive directory promotions, noted Breidenstein, but many others continue to flourish largely because business men and their employees who handle invoices fail to make even a cursory investigation as to whether anyone ordered a directory from the specific company whose name appears on the solicitation form.

Issue Warning On Directories

The Better Business Bureau of Metropolitan Detroit today warned of an upsurge in directory promotions using invoice-like solicitation forms to induce busy, unsuspecting business men to pay for listings they didn't order and don't want.

WOMEN'S PAGES

From Another Pointe of View

By Betty Collins

We've wonderful news for all you early Christmas shoppers, (and for all you not-so-early Christmas shoppers, a suggestion: Why not be really clever this year, and get your holiday shopping done before you leave on summer vacations — think how much fun it will be to sit at home reading "A Christmas Carol" to your children next December 24, while all your friends dash about finding last-minute presents!)

And the perfect place to do your Christmas shopping in May is the Preview Sale of Grosse Pointe's BIGGEST Christmas Fair, to be presented in 1965 by the women of Grosse Pointe Memorial Church.

Fair Preview date is Tuesday, May 11, from 10 o'clock in the morning until 1 in the afternoon, and again from 3 until 4 o'clock in the afternoon, at the church.

In between the Preview morning and afternoon sessions, from 1 until 3 o'clock, ladies will gather for Memorial Church Women's Association's annual May Tea. Many of those planning to attend the tea have already decided to come early or stay late in order to view Preview wares and place orders for special items.

Co-Chairmen of the Preview are Mrs. Harold O. Love and Mrs. Hansel D. Wilson. Committee members include the Mesdames William A. Beers, Bill O. Brink, Robert W. Conder, Eugene P. Hawkins, V. Everett Kinsey, Walter E. Simmons, Drew C. Smith and Clark T. Wells.

A random sampling of the booths to be "previewed" — many of the articles are marked "For Sale—Now," others may be ordered—includes the Basket Booth, always a complete sell-out, this year offering six NEW shapes and sizes.

Other booths will feature children's smocked dresses, knitted hangers, craft items fashioned by local hands, crafts international, varnished . . . and just about anything else you can think of!

With two years to prepare for their holiday project — Christ Church ladies conduct the Christmas Fair in "even" years—the women of Memorial Church have managed.

Llwyd Ecclestons Celebrate in South

Observe 30th Anniversary with Help of Family and Many Friends at Beautiful Home on Lost Tree Golf Course Near Palm Beach, Fla.

Mr. and Mrs. E. Llwyd Ecclestons celebrated their 30th wedding anniversary Tuesday in their favorite setting, at their lovely home at the Lost Tree Club just north of Palm Beach, Fla. More than 100 guests were on hand to assist in the gala observance.

The whole Lost Tree development is Mr. Ecclestons' creation. He purchased the vast tract 20 years ago, but didn't start the conversion of swamp and jungle into a tropical vacation paradise until five years ago. Millions of cubic yards of fill were taken from Lake Worth and Little Lake Worth to build what is now an internationally famous golf course, bordered with beautiful homes and backed by a mile-long stretch of ocean beach, terminated by a beach house and swimming pool.

The delightful clubhouse and much of the first hole fairway are flanked on one side by golf cottages, which have been so beautifully built, decorated and furnished, that many of them have been purchased by the guests who first rented them. In this finishing phase of the Lost Tree properties, Mrs. Ecclestons has teamed up with her across-the-street neighbor and close friend, in Lincoln road, Mrs. Gerald Schneider (Ellie), professional decorator of great repute. She was on hand for Tuesday night's celebration, as were her daughter and son-in-law, the William Hoslers of Lewiston, N.Y.

The younger Ecclestons generation was well represented. Daughter-in-law Mrs. E. L. Ecclestons, Jr., and her children have been south for several weeks, but young Llwyd had to return to business last week. Daughter Lolly and her husband, Raymond Biggs, who had been south and back earlier in the season, staged the most welcome surprise when they flew in on Monday evening. Daughter Roy Chapin, Jr., is with her husband in Phoenix, Ariz. They have also been Lost Tree visitors this winter.

The Ecclestons' pillared residence is located adjacent to the 18th fairway and the large canvas pavilion erected for Tuesday night's party extended from the house to the edge of the golf course. The swimming pool, pool terrace and grounds were specially lighted for the occasion. Cliff Hall and his orchestra, who play for every important Palm Beach function, (and he's no stranger to The Pointe), handled the musical assignment.

The Ecclestons' houseguests included Mr. and Mrs. Paul Thurlow of New York City, and Mrs. C. C. Joliffe, visiting on her way home to New York from a long stay in Acapulco, Mexico. Many other guests were quartered in the beautiful golf cottages.

The celebration was well represented by former and present residents who spend long seasons in the Palm Beach area, including the Harold Raymond Boyers, the Harley C. Earls, the Lester Ruwes and Miss Virginia DeVoy.

Somehow, we never did think of our local dedicated members of The Garden Club of Michigan as "lazy gardeners," but apparently they, like the rest of us, are willing to take a few short-cuts now and then—as long as their gardens do not suffer!

These Garden Club ladies have even scheduled a lesson in lazy gardening, to be presented at next Tuesday's horticulture meeting in the East Jefferson avenue home of Mrs. John B. Ford, Jr.

Speaker at the 2:30 o'clock session will be C. G. Milne, garden editor of the Indianapolis Star, who will give details on "How To Be A Lazy Gardener."

Planned Parenthood Sale Slated May 6

Mrs. William Tost's Basement Recreation Room Is Pre-Sale Sorting, Marking, Polishing, Packing Headquarters

Flying carpets are about the only items that haven't turned up in the donations for the Planned Parenthood white elephant sale during the years they have been held, according to Mrs. John Herrmann, chairman for the 1965 event.

Among the choice items all ready for this year's sale, to be held Thursday, May 6, in Christ Church, Grosse Pointe, undercroft, are a tall console victrola of the 'Twenties era, with such pre-high fi artists' records as Caruso, Galli-Curci and Ferrar; a Scottish dirk, Tiffany, Sandwich and Waterford glass, a Chinese leather hatbox, Pewabic pottery, Sheffield silver, even a silver spur.

As articles are turned in—and they will be welcome right up to the day of the sale—volunteers work in the William C. Tost's basement recreation room sorting, marking, polishing and packing.

Proceeds from the sale—this is the ninth—go to finance the family planning clinics which the League operates in seven locations in Wayne and Oakland counties. Donations are tax deductible.

Sale hours are from 10 until 6 o'clock. Articles will be picked up by calling Mrs. Tost, TU 2-1252.

Committee members working

on the sale preparations are: Mrs. Tost, Mrs. Herrmann, Mrs. Elhan, Prewitt, Mrs. Theodore Buttrick, Jr., Mrs. Byron Nichols, Mrs. Wilbur Elston, Mrs. Emory Ford, Mrs. Aaron Gershenson, Mrs. Louis Heavenrich, Mrs. William P. Harris, III, Mrs. Theodore Jacobowitz and Mrs. Andrew Barr.

More are: Mrs. Homer Sale, Mrs. James Kilpatrick, Mrs. Robert Brown, Mrs. Glenn Wilson, Mrs. Fraser Pomeroy, Mrs. Frederick Kross, Mrs. Henry Kohring, Mrs. Charles Masenich, Mrs. William Baubie and Mrs. Robert Schneck.

Still more are: Mrs. Fred Cotter, Mrs. Walter Crow, Mrs. Edw. Mercer, Mrs. Frederic Comlossy, Mrs. Raymond Leonard and Mrs. Richard Turner.

The busy homemaker or career girl welcomes short cuts that make cooking easier, will save time and fuel costs. A quick, effective way to prepare navy beans without first soaking them overnight is to boil them in 3 times as much water as beans for 2 minutes, remove from heat, cover and soak an hour. They're then ready to bake in your favorite recipe.

Home Nursing Course Offered

In cooperation with the nursing services of the American Red Cross, free instruction in the "Care of the Sick and Injured" will be offered at the Grosse Pointe War Memorial, 32 Lake Shore road, on Thursday afternoon from 1 to 3, beginning May 6, and continuing through June 10.

Subjects to be covered in the six two-hour class periods include Health Maintenance, Recognition of Illnesses, Positioning and Body Mechanics, Personal Services for Bed Patients, Making Invalids Ambulatory, and Treatments and Dosages.

This home nursing course is based on the premise that care of the sick and injured at home is a family affair. There is a shortage of trained nurses and often family circumstances are strained when nursing cannot be managed within the family. Also the more people who are trained in basic nursing skills the better off a community is in case of disaster.

JOIN THE 1965 FAMILY PARTICIPATION CAMPAIGN

THE DOORS of the Grosse Pointe War Memorial Center open wide on a world of opportunity. Those who enter them explore many realms of interest and satisfaction.

In these community buildings we enrich our understanding of our world, our culture and ourselves. We share a chance to learn more of life, enjoy more of its pleasures, experience more of its satisfactions.

The very vitality of the Center itself provides about three-fourths of its budgetary needs. But an appreciable share of the Center's financial support necessarily must come from gifts in the annual fund drive. Our 1965 goal is \$75,000.

Last year the Center was generously supported and the goal was met—by one-fourth of the families in the Grosse Pointes. The amount raised, \$76,000, and the percent who gave are most gratifying. However, we are sure more families will want to share this year in support of an activity that serves all.

Please enlist your family in the 1965 Family Participation Campaign and **help us keep the doors open wide.**

Harper Hospital Auxiliary Schedules Annual Meeting

The Harper Hospital Auxiliary will hold its annual meeting at the Detroit Boat Club next Wednesday, May 5, at 11 o'clock. A subscription luncheon will follow.

Elinor K. Rose will be the guest speaker. The officers for 1965-66 will be installed, including the new president, Mrs. Lyle Waggoner, and the new first vice president, Mrs. Clarence Page.

Other officers to be installed include second vice president Mrs. Ralph Pehrson, recording secretary Mrs. Richard Werner, corresponding secretary, Mrs. Sheldon Flynn, assistant corresponding secretary Miss Doris Holloway, and treasurer Mrs. Howard MacFarlane.

More are assistant treasurer Mrs. Emmett McNamara, and members-at-large Mrs. Lyn-die Martin and Mrs. John S. Meyer.

Dry beans which may seem at first glance to be plebeian fare, are really quite romantic. Found in the tombs of Egypt and Peru, they have in some form been eaten ever since civilization began. Scarcely a food known can compete for longevity with the navy bean which is still edible after more than 20 years of dry, cool storage. All over the world people have found beans not only filling but very good and each country has its own special bean dishes. Vinegared and chilled they are used as hors d'oeuvres and salads in the finest restaurants. They can be found in the bean pots of New England, cassoulets of Brittany and the famous Italian minestrone.

BIDS WANTED SIDEWALK REPLACEMENT

April 1965

The City will take bids on the replacement of sidewalks at various locations throughout the City. Copies of the specifications and proposal may be obtained at the Engineer's office during business hours.

Sealed proposals for the replacement of an estimated 14,000 square feet of sidewalk will be received at the City Hall, 90 Kerby Road, Grosse Pointe Farms 36, Michigan until 11:00 a.m. on Thursday, May 6, 1965, at which time all bids will be publicly opened and read aloud.

The contractor is hereby advised that the actual construction of this walk will not be started until after August 3, 1965. His attention is also called to the fact that a percentage of the walk to be replaced under this program results from root damage and all roots will have to be cut and removed to provide proper grade for the new walk.

Each proposal must be accompanied by a certified check, bank draft or satisfactory surety bid bond in an amount not less than 5 per cent of the total bid price as guarantee and security for the acceptance of the contract.

No proposal, once submitted, may be withdrawn for at least 30 days after the actual opening of the bids. The City of Grosse Pointe Farms reserves the right to waive any irregularity in any bid or to reject any or all bids and to accept the bid deemed to be to the best interest of the City.

INSIDER'S TIP

We're off to the races in one of the most hectic real estate markets Grosse Pointe can remember. Houses are being sold in record time; often in hours. Salesmen talk of multiple offers on a single residence. Qualified and eager buyers are finding themselves "also-rans" in a photo finish race to get their bid in. Don't be the one who had the winner picked but forgot to get his bet down.

Here's a tip. The word around our stable is Purdy & Edgar enters have constantly been coming up with winners which the rest of the field didn't even know were in the race.

Stake your chances of finding that "dream house" for your family. . . Or the ideal buyer for your present home, with the combination that can put you in the winner's circle. Call Purdy & Edgar Associates. You couldn't make a better bet.

WIN . . . you over with this larger French house in the center of the Farm s. Ramble about through its seven bedrooms and five baths. There are even two first floor powder rooms. Ideal for the family which requires running room in a house on an estate-sized lot.

PLACE . . . yourself smack dab in the middle of the living kitchen in this larger story-and-a-half colonial, situated on a dead-end street, just a few furlongs from GPUS. Star of the Sea and Barnes schools. Four bedrooms and two and one-half baths. Claim this beauty at \$44,500.

SHOW . . . your better half what you have found on the stretch in Duval Road. This four bedroom colonial really comes on strong, especially when you show off the kitchen complete with built-ins, even an indoor barbecue. The paneled family room looks out over the "back forty". Just a comfortable room where you can slip out of harness and put your boots up. (hope we don't sound too tacky?)

ALSO RAN . . . into a quaint little colonial in the city which looks like a corner. With a little work this one could win all the roses. Three bedrooms and two full baths. Also boasts a step-down library.

"All things come too late for those who wait."

After studying the Seven Wonders of American Engineering, an English class at Parcels Junior High School recently chose, by class poll, the "Seven Wonders of Michigan." They are: (1) Mackinac Bridge and Island (2) Locks at Sault Ste. Marie (3) Sleeping Bear Sand Dunes (4) Greenfield Village and Museum (5) Great Lakes border (6) Tahquamenon Falls (7) Pictured Rocks.

Noted actress Myrna Loy, now appearing at the Fisher Theater, in "Barefoot in the Park," was in the Pointe last Sunday, April 25, where she was honor guest at a reception at the home of Mr. and Mrs. Russell E. Bauer, of Lakeshore road. The gathering was for friends of the United Nations. Two Fellowship students were introduced, Mrs. Aarepun Pamarapa and Prabha-Prachaksubhaniti, both from Thailand.

Two weeks ago, a recipe (Good Taste), a savory Seafood Casserole Au Gratin, appeared minus a paragraph which was inadvertently dropped at the printers. The "missing link" is to be inserted between the two paragraphs of instructions at the bottom of the recipe.

AFTER you "add the shrimp and lobster (but not crab) and stir thoroughly until blended," then . . .

Melt three ounces of butter in a pan over a low flame. Add flour to make a smooth paste. BE SURE NOT TO BURN IT. Add scalded cream very slowly, stirring constantly over a low flame. Simmer a minute or two and add salt and pepper to taste. Beat egg yolks with sherry and add to cream sauce. Pour this cream sauce into shrimp-lobster mixture, stirring constantly. Do not boil.

Then pick up last paragraph of instructions beginning "Butter a casserole and cover the bottom with the crab meat . . ."

Look-alike fashion: That our teens are still "Mad for Madras" became apparent on one of the first spring-like days when 33 different Madras plaid outfits were counted at Parcels Junior High School. Complained a student writer in the school newspaper, "Aren't we going to get sick of Madras this spring?"

MR. AND MRS. EBERT O. WARREN, OF KENWOOD COURT

By Janet Mueller

In some houses, every room whispers "welcome." Mr. and Mrs. Ebert O. Warren live in such a house, tidy, charming and Colonial on the outside, filled inside with treasures, things the Warrens know, love and use.

The Early American chairs, pieces a museum would be proud to own, are meant to be sat on in the Warren household. The Oriental rugs are for walking over, not around, the old silver, polished to perfection, is used often to accent a party table.

The Warrens truly love their antiques. They are proud of them, and they appreciate their value. But they also love living in the present, and their home, furnished with objects that have acquired their own histories through the years, pictures that have hung in 18th century houses, chests that have held linens for 19th century ladies, is a delightful, and suitable, background for Mr. and Mrs. Warren's present living.

Everything, and every room, in the house blends so perfectly, it seems impossible to believe that the total effect is actually a combination of two homes—and a fairly recent combination, at that.

Perfect Merger
The Warrens are still technically newlyweds, having been married less than a year, but they are old friends, and old antique buffs. To merge Bert Warren's furnishings with Helen's in the Kenwood court home presented no difficulties; as Mr. Warren remarks, "My old home was EXACTLY like this one."

The furniture doubled, but went together beautifully. So did the family. Together, the Warrens have four children. Helen's two daughters and Bert's son and daughter.

Helen has a slight edge on grandchildren, though; her daughter Helen Ann (Mrs. Richard J. Snyder), married to an M.D. who leaves the army and Fort Benning, Ga., next month and plans to live and practise in Minnesota, has three children. Her other daughter, Jane, married to advertising executive Ernest Dunstan and living in Evanston, Ill., has one child.

Bert Warren's lone grandchild, (so far . . . the grandchild countdown is by no means completed), is the offspring of his daughter, Patricia (Mrs. Peter Henry). Peter and Patricia are both in school at Middlebury, Vt.

Mr. Warren's son, Captain Philip Warren is a dentist in the Air Force; he and his wife are living in Montana.

Hunt on Car Trips
Helen and Bert Warren like to travel, are fond of taking weekend car trips, with plenty of stops for antique hunting.

But their favorite destination is their second home, a farmstead high in the Vermont mountains, with four bedrooms and five fireplaces in the main house, and a separate guest house.

They were there four times during the past year, including three "gorgeous" weeks in October.

They like going out, to plays, concerts, opera and symphony performances—and to dinner. ("He's very good about eating out; it gives me a break," Mrs. Warren says with a smile), and they both like to cook.

Helen Warren, who has made 14 bedspread quilts over a period of years, is very fond of needlepoint and "all kinds of handwork." She loves to entertain, to play bridge and to create flower arrangements; she has taken several courses in flower arranging at various centers in the metropolitan Detroit area.

Her husband golfs, hunts, fishes and used to ski a great deal. Helen's family and Bert's family were regular visitors at Otsego during the snow season for years—and never got to know one another, even though

they were often on the slopes at the same time!

Was on YMCA Board
Mr. Warren served on the Board of the YMCA for more than 12 years, and devotes a portion of his time to serving on special United Foundation committees.

Antique-ing is the Warrens' real spare time passion. The weekend before last, they went to Ann Arbor—and brought back a big bass drum, now being used as a coffee table in their recreation room.

Last weekend, they were in Cleveland, searching for more antiques. St. Clair is another favorite spot for just "looking around." (Mr. and Mrs. Warren seldom go to a shop or show intending to buy a specific piece . . . but they seldom leave empty handed!)

When they merged their homes, ("There were many duplications, even in cocktail glasses!" Mrs. Warren laughs), they sent the overflow to Vermont.

The Warrens' taste runs to Early American and "a few Primitives." They collect everything . . . wood, silver, glass . . . and Mr. Warren does most of the necessary re-finishing himself: "I find it very relaxing."

In the den stands Mr. Warren's latest completed project, an old Coachman's Chest. When he "picked it up" recently, in Vermont, the shipping tags were still on it; the last tag was dated 1821. It was covered with leather "and hundreds of brass tacks."

Now, with the leather removed and 15 coats of varnish applied, the chest is as it was, even down to the initials of an unknown owner picked out in brass studs on the lid. A similar chest, refinished by Mr. Warren, graces his daughter's home; she uses hers as a coffee table.

Collects Duck Decoys
Samples of Ebert Warren's very fine antique duck decoy collection are scattered throughout the house. An especially effective grouping is in one corner of the basement, near Mr. Warren's workroom, a maze of decoys and driftwood, artfully arranged.

Some of their finest copper pieces have been in Mrs. Warren's family for years. And some of their antiques were acquired only a month or so ago, like the old tray they brought back with them from Florida.

"We antique" everywhere," Mrs. Warren explains, adding, with a bride's charm, "My husband is so good about stopping at wayside places!"

Both the Warrens have been interested in antiques for more than a quarter of a century, and their home is the result of a lifetime's avocation. They have "NEVER had any desire to go modern!" and, like most collectors, could recognize any of their pieces in any setting.

They attend the Ford Museum Lecture Series on Antiques, go to antique shows—"You'll see the same people at the same shows all the time"—but seldom try their luck at auctions any more—"The prices are astronomical."

Several of their own things have been on exhibit, including a group of 15 different objects on display at a Cobo Hall Show, sponsored by the Ford Museum, titled "What Midwesterners Collect."

Await Rotary Show
At an antique show, they find "the good things go like mad." They are looking forward to the Grosse Pointe Rotary Club's annual antiques show at the War Memorial, opening next Tues-

day and running through May 7.

"The Rotary show is a good show," Mr. Warren says. He bought an original firemark there last year, (before the advent of municipal fire departments, insurance companies maintained their own fire brigades; homeowners insured by a given company would tack a company sign, or firemark, on the outside of their houses . . . if a fire broke out, the insurance brigade would respond to the call ONLY IF their company sign was displayed on the building).

A charming brass sconce, now hanging in the Warrens' breakfast room, is another of Mr. Warren's Rotary show acquisitions.

If the Warrens feel like lighting the candle in the sconce, they light it; their antiques are used, and enjoyed. A rare hobnail dish, originally a honey dish, holds candy treats for friends and grandchildren.

A corner cupboard crammed with exquisite old silver is tucked in one corner of the dining room. The silver is polished to perfection by a "girl who has been with me 27 years, and won't let me touch a piece of it," Mrs. Warren says. The silver is always ready, for a party or a late-a-tete dinner.

Everywhere you look in the house, there are treasures: A painted shovel, originally used to scoop grain . . . paintings on wood, porcelain and canvas . . . an electrified candlestick in a hurricane globe . . . a silver mug embellished with a pastoral scene . . . cupboards full of china . . .

To Be Umbrella Stand
Mr. Warren is planning to take the old milk can, currently standing in the breakfast room, and paint it black, with gold handles and rings, cover the outside with Currier and Ives print, paint the inside red—and use it as an umbrella stand!

A glance in the kitchen reveals Mrs. Warren's collection of cookie boards, copper pieces, a candle box and a pair of "Snow Birds," a quick peek in the library shows an array of glass flasks and regimental steins, a group of American pewter plates and a "Sewing Bird," its hinged mouth ready to hold Mrs. Warren's material in place as she works with her needle and thread.

Antiques are used on the porch, and in the basement recreation room, where Mr. Warren has made two lamps, using duck decoy bases, and where he works on leather, using a harnessmaker's bench he found in Vermont.

Upstairs, every bed is covered with a "made by Helen Warren" quilt. Her daughter Jane's room is like a page out of a storybook, with its canopy bed, French bisque figure lamps, flickering lights, bisque plaques and framed pieces of old sheet music.

In another bedroom are a "bride's box," a jam pail and a "sparkling lamp," (it holds just enough oil to permit a young lady a quick moment alone with her young man on the front porch before the light goes out and papa calls her to "Come inside!"), and pictures of the "Seven Stages of the Horse"—from colt to glue factory!

Mrs. Warren's latest quilts, with their pansy designs, are used in the master bedroom.

And everywhere in the house there is wood, polished chests and gleaming tables. And on every chest and every table, there is something lovely, something to catch the eye and hold the interest—including one "modern" touch in a charming period bedroom: Photographs, on a beautiful and unusual wood table, of the next generation, Mr. and Mrs. Warren's grandchildren.

Beauty
By Line

I've said it again — and again — and again — that the return to curl-in-the-hair was inevitable. Now it is obvious—everywhere—despite the cynicism of the fashion press and those who ignore the inevitability of the fashion cycle.

Speaking of pace-setting beauty salon clients, Vogue says: "What do they want? Fearful of straight, short hair, bored with long hair, disdaining overly-fixed, overly-teased hair, they are going into fine salons — and coming out with — not arranged curls, but undone curls. It looks as though the new curliness is the message."

Lovely Carol Phillips, Vogue's beauty editor, prefers frequent partial permanents for her own hair — with only the underneath layers of hair permanently to give her hairdo body and motion.

Why not drop in at our salon at 117 Kercheval for a personal consultation and let me help you find the adaptation of the new trend that is right for you and your way of life. Our salon is always open Mondays — the number to remember is TUxedo 1-6833.
