A SOUTHERN CONGRESSMAN investigating the Ku Klux Klan called yesterday for a "full inquiry" as to how a Klan official obtained a supposedly confidential report on the life of Mrs. Viola Liuzzo, a Detroit housewife slain last month while participating in Civil Rights work in the South. The report had been prepared by Warren Police Chief Marvin G. Lane as a courtesy to Dallas County sheriff James G. Clark, of Selma, Ala. Clark said he had requested the report when his life was threatened over the phone.

FIVE U.S.-PRODUCED planes flew a rocket raid yesterday close to the American embassy, so close that Ambassador W. Tapely Bennett ran for cover under his desk. U.S. troops fired at the attackers who knocked out the rebel-controlled radio transmitter and then (one plane) fired at American troops. At least one aircraft was brought down. It was a U.S. supported junta, however, Ambassador Bennett filed a protest with the Organization of American States peace commission charging violation of the cease-fire.

A temporary suspension of bombings of North Vietnam has been ordered by the Johnson Administration. According to officials the reason is purely operational but there were some rumors that the Administration was also testing the North Vietnamese to see if they might be more receptive to negotiating a peace in the Asian conflict. Although there have been no public indications of such an intent, there have been some signs that the North Vietnam government is more willing to sit around a conference table than it has in the past.

Sunday, May 16

THE ADMINISTRATION'S POLICY in South Vietnam was the subject of debate yesterday in Washington when about 5000 people from all over the country heard critics of the policy challenge its supporters. Mr. George Bundy, special assistant to the President on national security affairs, bowed out of the debate at the last minute but his role as chief defender of the Administration's policy was taken over by Prof. Robert Scalapino of the University of California. More than 100,000 others heard the teach-in on Vietnam on special radio broadcasts to more than 100 college campuses.

IN VIENNA, AUSTRIA Soviet Foreign Minister Andrei Gromyko conferred yesterday with world leaders. He met with Foreign Minister Maurice Couve de Murville of France for two hours to discuss the war in Vietnam. The day before, however, he refused to discuss the same topic with Secretary of State Dean Rusk. The three leaders and British Foreign Secretary Michael Stewart were in Vienna for the 10th anniversary of Austria's postwar independence.

REPORTS FROM SANTO DOMINGO indicated yesterday that the United States has reached a secret agreement with the rebel movement, headed by Col. Francisco Caamaño Deno, which could settle that country's civil war. Under terms of the agreement, it is said, Antonio Guzman, a farm owner and businessman, would serve as president of the Dominican Republic until December 1966 when a successor would be chosen in a scheduled election. Brig. Gen. Antonio Imbert Barrera, head of the opposition military junta, however, has refused to resign in favor of a Guzman coalition. The hostilities in that small republic continued yesterday with the heaviest fighting of the three-week-old war.

Ready City Beach for Opening Day

Dredging Nears Completion; Additional Benches Provided and Pool Walk Widened

Grosse Pointe City's Department of Public Works is busy readying the City's Norbert P. Neff Memorial Park for its official opening on Saturday, May 29.

City Manager John Cantwell told the NEWS this week that the dredging of a canal and harbor at the City's waterfront is almost completed. The improvement at the docks will help the resident boatmen with larger vessels. The cost of the dredging is estimated to be about \$6,000.

In addition to the harbor and canal work, the sidewalk at the north end of the children's pool has been widened to provide more room for benches. This is the area usually reserved for mothers who try to spot their swimming tots.

The City has also installed a catch basin outside the exit of the adult's pool which will eliminate water accumulation which has in the past made the surrounding lawn extremely muddy.

Cantwell said that sump pumps have been added to the filter plant and the interior of the bath house has been redecorated.

Not Forgetting Young

Six small park benches for the young set have been purchased for those little ones who want to catch their breaths between splashes.

Young Car Thief Escapes After Wild Chase in Park

A young car thief escaped on foot from Park police, following an 80-mile-an-hour car chase through Park streets at 4:08 a.m., Sunday, May 16.

Park Police Chief Arthur Louwers disclosed on Tuesday, May 18, that Patrolmen Gary Mitchell and Richard Warren, while on routine patrol on Wayburn, at Verner, noticed a young man, about 14 or 16 years of age in a 1960 Chevrolet. Because the boy appeared so young, the officer decided to stop him for questioning.

The juvenile had other ideas. When he saw the police car approaching, he stepped on the gas pedal and roared off at high speed. The officers gave chase.

The chase through Park streets was at 80 miles an hour,

the policemen said, with the youthful driver ignoring stop streets and red traffic light signals. At Somerset and Mack, the boy lost control, and the car ran into a parking meter at the location, and came to a stop.

The boy jumped out of the car and sped away on foot. The officers were unable to catch the youngster, and he escaped.

Chief Louwers said on the Tuesday date, that an investigation revealed that the car was stolen from Kercheval and Coplin, in Detroit, a few hours earlier.

The vehicle, belonging to Donald S. Parrish of 6900 Burwell, Detroit, was stolen while the owner was in a Kercheval

Center Drive Needs \$7,500 To Hit Goal

Association Directors Hopeful of Reaching \$75,000 Quota by Memorial Day

The Grosse Pointe War Memorial Center's 1965 Family Participation Campaign still has one-tenth of its goal to achieve with Memorial Day just ten days away. The Center's Directors are very hopeful that the necessary monies to operate in the fiscal year beginning August 1, will be received this month.

They are confident that between givers of record not yet heard from and the many new families that have used the Memorial this year the \$7,500 still needed will come in.

To that end, programming for the summer is proceeding with a fine Summer Music Festival scheduled featuring Maestro Sixten Ehrling, Albert Tipton, flutist, William Doppan, concert pianist and several other musicians from the Detroit Symphony under the direction of Gordon Staples.

Renowned art professor Emil Weddige from the University of Michigan and Robert Wilbert from Wayne State University will teach and there will be lots doing for the young people—a singing school, art camps, guitar classes, ballet classes, a summer theater and informal dances in the air-conditioned ballroom.

Summer stock for high school and college students will include productions in the auditorium. There'll be a summer chorus for families and bridge lessons for all. Galas such as an Hawaiian luau, a Mexican fiesta and a trip to the opening of Meadowbrook will accent the new season.

Telephone follow-up calls by Center volunteers are currently being made to get the contributions needed in quickly. The effort will continue until Memorial Day.

The Center is most gratified with the fine response the community has made so far, and wishes to thank the following generous supporters for their gifts received in the last two weeks.

Mr. and Mrs. John Pear, Mr. and Mrs. DuWayne J. Peterson, Dr. and Mrs. Thomas J. Petz, Mr. and Mrs. Alfred M. Rente, James Russo, Bernard A. Schenk, Mrs. B. R. Secord, Dr. and Mrs. Arthur G. Woods Boys Lucky To Escape Death In Crash on LS

Car Totally Demolished After Youths Were Thrown Out by Impact of Hitting Tree; Lost Control on Turn at Ford Estate

Two 19-year-old Woods boys were lucky to have been thrown from their car when it crashed into a tree in Lake Shore road on Saturday, May 15—the second impact, into another tree, could easily have killed them.

Shores Patrolmen Frank Mustazza and William Marshall, dispatched to an accident scene in front of 1100 Lake Shore, said they arrived to find Roddy Crawford of 1251 Paget Court, lying in the road; and Edward Jerger of 20668 Maple lane, lying on an island, in front of a tree.

Both youths were suffering from bruises and abrasions about the face and legs. Crawford was transported to Bon Secours Hospital, by Shores police ambulance; and Jerger, to St. John Hospital by Woods police ambulance. They were treated and later released.

Plenty of Help

The Shores officers were assisted at the scene by policemen from the Farms, Woods and St. Clair Shores.

According to a report made of the accident by Mustazza and Marshall, the Shores station was notified of the accident by Tom Laughlin of the Lake Shore address.

Witnesses to the accident told police that Crawford, the driver, was traveling north on Lake Shore at 50 miles an hour.

At the curve in front of 1100 Lake Shore, it was said, Crawford lost control, and the car went from the right lane onto the island, hit a tree, spun completely around, throwing the boys out. The car made a wide arch from the tree, back to the north bound lane on the road, continued across the island, knocked down a reflector sign, bounced into the south bound lane, skidded 390 feet into a field and crashed into another tree.

Car Out of Sight

Mustazza and Marshall, on arriving at the scene, did not see the car against the tree, because the tree and vehicle were hidden behind high

Woods Woman Own Fireman

Mrs. Hilda MacKenzie, 68, of 1968 Lancaster, was her own fireman on Wednesday, May 12, when she put out a small fire in her kitchen.

In according to a report she made to Woods Public Safety officers, a nylon apron hanging near the kitchen range, caught fire, and ignited a wall calendar, and scorched a cupboard, the wall and the plastic frame of the door chimers.

Mrs. MacKenzie burned one finger on each hand as she beat the flames out with a small rug. She was taken to Saratoga Hospital for treatment of the burned fingers by a daughter whom she called after extinguishing the fire.

When firefighters and equipment arrived at the MacKenzie residence, there was nothing for them to do.

The four-year terms of Edward J. Pongracz and Robert F. Weber expire June 30. In addition to incumbent Pongracz, 782 Notre Dame, President of the Board of Education, others who have filed petitions are Thomas E. Candler, 51 N. Duval road; George D. Henry, 784 University place; Allan Neef, 46 Stonehurst road; David M. Riekse, 1043 Woods lane; and John T. Short, 975 South Brys drive.

Retiring trustee Weber, 992 Lake Shore, has been a member of the Grosse Pointe Board of Education since 1954. During his long record of service to the local public schools he served both as the Board's Treasurer and as its President.

Mr. Weber was treasurer during 1955-56 and 1957-58. He was elected to serve as president in 1956-57 and from 1959 to 1963.

Detroit Motorist Given Jail Term

John J. Auito, 22, of 3573 Nottingham, Detroit, was sentenced to 20 days in the Wayne County Jail by Park Judge C. Joseph Belanger on Tuesday, May 11, on two counts of traffic violation. When he is released, he will be charged with contributing to the delinquency of a minor.

According to information released by Park Police Chief Arthur Louwers, Auito was observed driving west on Kercheval, at Balfour, at 5:15 a.m. by Patrolmen William Crandall and Robert Warren. A 16-year-old Roseville boy was in Auito's car.

When the officers approached to question him, Auito stepped on the gas and drove away at high speed, the policemen in pursuit. The Detroiters ignored stop streets and signal lights to avoid the patrolmen, it was said.

Crandall and Warren radioed for assistance, and Sgt. Henry Coonce and Patrolman Henry Wilson were dispatched to help. They arrived as Auito and the 16-year-old jumped out of the car in the 1400 block of Beaconsfield and tried to escape on foot. The pair were cornered and arrested.

Chief Louwers said that Auito, who was driving with a restricted license, was using the family car without permission.

Auito and his companion were taken to the station, where Auito was given a violation ticket for reckless driving, and another for driving without a license.

At a morning session court, Judge Belanger found Auito guilty of both counts, and sentenced him to serve 10 days in the county jail for the reckless driving, and 10 days for driving without a license.

The 16-year-old was held until 1 p.m., and released to his parents. Both he and Auito have records, police said.

Chief Louwers said that Det. James LaPratt investigated the matter of the younger boy being with Auito so early in the morning, and concluded that there was enough evidence to show Auito contributed to the delinquency of the 16-year-old.

When he is released from jail, the chief said, Auito will be re-arrested on the contributing charge.

Checking Over Safety Test Details

Anxious to promote anything to instill safety in the minds of today's motorists, the Woods Department of Public Safety is backing "The National Drivers' Test," produced by the CBS News, in cooperation with the National Safety Council and sponsored by the Shell Oil company. The test will be held on the CBS-TV Network on Monday, May 24, from 10 p.m. to 11 p.m., Eastern Standard Time. Shown checking details of the contest, are Police Lt. ROLAND SYMONS, traffic safety officer; Woods Councilman THOMAS E. LEAH, and local gas station operator DAVE RICHARDS. Official test forms may be obtained from the Woods Public Safety Department, 20025 Mack, or any Shell station.

bushes. A motorist coming from the opposite direction, informed the officers of the location of the car.

Shores Police Chief Thomas Cochill said that the youths were lucky they had been tossed out of the car by the force of the first impact. The second impact, which totally demolished the car, could have easily killed Crawford and Jeger, he said.

When questioned by Mustazza and Marshall at Bon Secours Hospital, Crawford said that he did not remember what had happened. He was informed by the officers that they had seen several empty cans of beer in the car, and they had detected an alcoholic odor on his breath, whereupon, Crawford admitted he and several others had been drinking beer, purchased for them by an older man.

Since none of the witnesses had fully seen the accident, no violation tickets were issued to Crawford, it was said.

Geoffrey Crooks Prize Scholar

The Law School of the University of Chicago has notified Geoffrey Crooks, a 1961 Grosse Pointe High School graduate now in his final semester at Haverford College, of his selection as a Floyd Russell Mechem Prize Scholar for 1965. He is the son of Mr. and Mrs. Lee Crooks, of Torrey Road.

As a Mechem Scholar he will receive a grant of \$3,200 for the 1965-66 academic year at the Law School and the award is renewable for the second and third years of study. This year's Mechem Selection Committee was headed by the Honorable Tom C. Clark, Associate Justice of the U.S. Supreme Court, chairman, and included the Honorable Roger J. Traynor, Chief Justice of the California Supreme Court and other prominent men in the legal profession.

Crooks is a Russian major at Haverford, having been introduced to that language as a member of the first Russian class at Grosse Pointe High School. At Haverford he has been program manager and manager of WHRC, the college radio station, a member of the Honor System Committee, secretary of his class and a member of the Glee Club.

Police Ticket 'Upset' Driver

A Harper Woods motorist who claimed he was mad because another driver had cut him off on Mack avenue, and he was trying to reciprocate, was arrested by Woods police on Saturday, May 15, and charged with reckless driving.

In a report of the incident, Sgt. Jack Mast and Patrolman Theodore Hinz disclosed that while they were patrolling north on Mack at about 11:50 p.m., they observed Thomas C. Liebau, 27, of 20612 Hampton, speeding at 60 miles an hour, and gave chase.

The officers said that during the chase Liebau cut in and out of traffic, cutting off three other motorists. They finally stopped the Harper Woods man.

When asked his reason for speeding and his manner of driving, the policemen stated, Liebau told them that he was upset at another motorist who had cut him off, and that he was trying to catch him and do the same thing to him.

Liebau was taken to the station where he was issued a violation ticket for reckless driving and released on bond of \$100 pending a hearing in court.

Why have Chrysler sales almost tripled around Detroit?

PRICE ONE

Detroit's Hometown Car is breaking all records.

In Wayne, Oakland and Macomb counties so far this year, Chrysler sales are up 191%* over the same period last year.

When people ask us how come, we point to the price. Chryslers aren't all that expensive.

In fact, seven Chrysler models are now priced just a few dollars a month more than the most popular smaller cars, comparably equipped.

*Based on sales for 1965 through March 20, compared to the same period last year.

That small difference in price includes power steering, power brakes, 383 cubic inch V-8 engine, radio, heater, automatic transmission and front seat belts. A lot of car for the money.

With that for openers, consider this.

Our record sales mean we can give great deals on new Chryslers now. Visit the Chrysler man near you and swing one. Today.

Party to Honor Fred Duemling

A Testimonial in honor of Fred Duemling, 67 Vernier road, who retired as chief of the Shores combined Police and Fire Department last February 1, will be held at the Grosse Pointe Yacht Club on Thursday, May 27, beginning at 8 p.m.

Tickets for the affair are \$5 a person, and may be had at the Shores station, 795 Lake Shore, or by contacting Lt. George LaForest, TU 4-1309.

Duemling, whose retirement becomes official tomorrow, May 21, left the department after 40 years of service, prior to the official date because of accumulative time he had coming.

He had picked May 21 as his official retirement date, so that he could complete an even 40 years of service to the Village. He began as a motorcycle officer on May 21, 1925.

Duemling, acknowledged as one of the most proficient fire chiefs in the Detroit area, is the current president of the Southeastern Michigan Chiefs of Police Association.

Ordinarily, when the president of the Association retires as police chief, he resigns this post, but Duemling, by unanimous request of the membership, was asked to remain in office until his term expires at the end of the year.

Woods Police Top Marksmen

The Grosse Pointe Rifle and Pistol Club lost a trophy it had held for five consecutive years, to the Woods Police Pistol Team, following an annual Invitational Shoot held in the Woods' new pistol range, recently.

Individual police officers from the Park, Shores, City and Grosse Pointe Civil Defense, besides policemen from the Woods and members of the club, participated.

The scores were totaled from eight matches, with the Woods, Shores, and members of the club coming out in force. Some of the other participants shot once or twice. Woods and the Club took part during the entire eight-day match with the Woods scoring 7,983 points, as against the Club's total score of 7,838 points.

The Woods will retain the trophy until they are challenged for its possession at another match next year.

High team awards went to Woods Patrolman Donald Schmalz; Shores Patrolman James Jurcak; Club member, Ben Bazydio; OCD member, Dee Peters.

Center Fire Class Awards went to Walter Huber, club, open; William Shaffer, club, marksman; Sam Ellis, club, pro-marksman; Dr. Cyril De-fever, club, citation; and Edward Duesbout, OCD, tyro.

In the 22 caliber pistol match, awards went to Al Klick, club, open; Robert Lorenz, Woods policeman, marksman; Fred Lewis, club, pro-marksman; and Robert Kennedy, club, citation.

PLANNED COURSE

The man who brings up the rear in the race of life isn't always the last to reach his goal.

Larry Russell this spring begins his 21st season as Wayne State's golf coach. He has an overall dual meet record of 160 victories, 97 losses and eight ties.

450 Students at Brownell In Spring Music Festival

Setting the theme for the evening's concert with its opening number, "Carnival of Melodies," 450 Brownell Junior High School students will present their annual Spring Music Festival tomorrow evening, Friday, in the auditorium-gym. Beginning at 8 o'clock, a variety of vocal and instrumental groups will perform, under the direction of Dan Evola and Dewey Kalember.

The orchestra will perform several numbers with extremely different backgrounds, including Albrechtsberger's "Fugue," Brown's "Fox Trot," "Exodus," and Handel's "Water Music Suite." In addition to combining with the mass choruses on the opening number, the orchestra will also accompany the vocalists in the closing selection, "You'll Never Walk Alone."

Seventh grade girls' glee club has prepared Praetorius' "Kyrie Eleison," an interesting example of sixteenth century choral music. The ninth grade mixed glee club will sing "Adoramus Te" by Palestrina, Robert Shaw's "With a Voice of Singing," and Irving Berlin's classic, "Give Me Your Tired, Your Poor."

Several extra-curricular vocal groups which rehearse before school each morning will sing numbers requiring a bit more skill and musical maturity. The Boys Ensemble, consisting of 73 boys, will present the rhythmic "Jingle Jangle Jingle" as well as an English folk song entitled "Bingo." The 91-member Girls Ensemble has prepared two numbers from the award

winning movie, "Mary Poppins"; lifting "Chim-Chim-Chere" and tongue-twisting "Supercalifragilisticexpialidocious." Also, the girls' enjoyment in singing the romantic "Almost Like Being In Love" will undoubtedly transfer to their audience.

While the two large ensembles are, in reality, select groups, Mrs. Evola has been even more selective in choosing members of three other talented units. The Select Boys Ensemble consists of: John Schrashun, David Squibb, Dave Riddle, Dean Sullivan, Mark Boerner, Neil Sweeney, Herb Munchausen, Nick Kappaz, Paul Portera, Bill Norris, Gary Veitch, Kevin Johnston, Bill Montgomery, Bob Messing, George Wyatt, Brian Bedwell and Marc Campbell.

Their special numbers will be "Gaudemus Igitur," a German student song, and "Purple Hills."

The Select Girls Ensemble has as its members the following: Connie Carmichael, Heidi Klein, Linda Luke, Linda Buck, Becky Lake, Martha Madarasz, Laurie McFadden, Betsy Tuttle, Delle Jean, Caldwell, Kathy Baird, Janet Hooper and Linda Kahle. They have prepared "Tomorrowland" and Gershwin's "Summertime."

A mixed group, called the Double Octette, lists the following as its personnel: Linda Buck, Heidi Klein, Delle Jean Caldwell, Mary McLeod, Susan Imhoff, Sara Via, Judy Goudie, Linda Kahle, Bill Norris, Paul Portera, Bill Montgomery, Doug Potthoff, Neil Sweeney, Bill Savage, Rod Rose and Chris

Malafouris. These boys and girls will sing Randy Sparks' melodic "Today."

No choral concert would ever be possible without dependable accompanists. Those students who have practiced diligently on their own time and rehearsed faithfully with each group are these: Linda Buck, Karen Lorenzen, Cynthia Hassig, Nick Kappas, Cheryl Rose, Carol Schuster, Linda Luke, Lisa Bowers and Cindy Kenyon.

Men Will Hear Talk on Dahlias

"Dahlias for Fall Color" will be the subject of Mrs. Benjamin Bottom's talk to the Men's Garden Club of Grosse Pointe when they meet at the Grosse Pointe War Memorial Center on Thursday, May 20, at 8:00 p.m.

Mrs. Bottom, an accredited judge of the American Dahlia Society, is one of the largest dahlia growers in the Midwest. For the past 20 years from her home at 12733 Sussex avenue in Detroit she has operated a retail outlet offering over 700 varieties in all colors and sizes. For the 1965 season Mrs. Bottom is introducing a new variety, the Woodhull Giant which

is an extra large red bloom.

Behind her home Mrs. Bottom has a dahlia bed in which 2,000 plants produce a magnificent display of color every year from Labor Day to the first frost. The garden is open to the public this time for viewing and photography.

Mrs. Bottom is one of the three Michigan growers who supply the Detroit Zoo's Dahlia Garden with their spectacular display each fall.

Born in Indiana, educated at Indiana College (formerly Indiana State Teachers College), Terre Haute, Mrs. Bottom majored in Home Economics.

Triple Trouble Engulfs Driver

Alphonso Wilkins, 20, of 3387 Leland, Detroit, made a prohibited left turn from Mack avenue onto Vernier road, on Wednesday, May 12, and found himself in plenty of trouble.

Wilkins ignored a "No Left Turn" sign on Mack, and turned north on Vernier and was seen by Woods Patrolman Charles Hamel. The officer stopped the motorist and requested his operator's license.

The policeman's sharp eyes detected that the birth date on Wilkins' license had been altered from 2-12-1945 to 2-14-1943, which would make Wilkins 22 years old.

The skeptic policeman asked the youth his true age, and Wilkins admitted he was 20, and that he altered the birth date on his license.

The youth was taken to the station and issued a violation

ticket for making a prohibited left turn, and given a second ticket for altering his operator's license. The license was confiscated as evidence.

Woods police were not through with the young man. They called Detroit authorities and found that Wilkins was wanted on a traffic warrant, for a violation in their city. He was released to Detroit police.

War Veterans Make Poppies

Disabled war veterans working in hospitals and convalescent workrooms in many parts of the country have completed the millions of memorial poppies which will be worn in honor of the war dead on Poppy Day on May 20, according to Mrs. Mary Thomson, Poppy Chairman of Grosse Pointe Unit #293 of the American Legion Auxiliary.

More than 6,000 veterans of three wars have had employment for the Auxiliary in its poppy-making work this year. The number of the little red flowers made has exceeded 20,000,000. Earnings of the veterans making poppies, who are the only paid workers in the poppy program, were estimated at \$300,000.

"Poppies to be worn here have been made at various Veterans Administration Hospitals under the direction of the Michigan Department of the American Legion Auxiliary," Mrs. Thomson said. "They are shaped from crepe paper with wire stems, and resemble closely the European wild poppy which bloomed in the battlefields and cemeteries of the first World War in France and Belgium."

"Our Auxiliary Unit will have a corps of volunteer workers distributing these memorial flowers on the streets and at shopping centers in the Grosse Pointe area all day on Poppy Day, May 20. These workers will carry coin boxes to receive contributions for the Auxiliary's work with the disabled veterans and needy children of veterans. We hope that everyone will wear a poppy to honor the war dead, and will contribute to help these living victims of war."

Mrs. Thomson is now organizing her corps of volunteer Poppy Day workers. Most of them will be wives of World War II veterans able to give from an hour or two to all day to the work. Some of the older women from World War I families who have been Poppy Day volunteers for many years, and some will be teenage Junior members of the Auxiliary working on Poppy Day for the first time.

Young Teacher Pioneers In Typewriting Courses

When Mrs. Kathleen Herschmann of the business education department of Grosse Pointe High School presented a paper recently at the National Business Teachers' Conference in Chicago, she reviewed for educators from all parts of the nation an innovation in typewriting instruction she pioneered on the local campus.

In her experiment, in the first year of a two-year typewriting course, she endeavored to get away from the usual approach of the standard typing course by building aspects of her program encouraging students to compose letters at the typewriter. Given a problem to solve instead of a page to copy, the members of the class were on their own during time normally devoted to copying and skill building.

The validity of her experiment was recognized by Dr. Frank Lanham of the University of Michigan who encouraged her to base her MA thesis upon her work at Grosse Pointe High School.

The statistics showed that students in the demonstration group, using the new approach, did achieve the proportional correct-word speed in the six-week period compared to a more traditional group, and they had the ability to compose at their machine with ease.

Mrs. Herschmann, whose wealth of experience in the business world, belies her youth, reached the conclusion when she worked in industry that there is great need for secretarial students to compose at the typewriter.

"Without that ability, they would generally end up in the secretarial pool, and there are few pools around these days and I believe there will be fewer in the future," she said.

Mrs. Herschmann, who is a 1959 graduate of the University of Michigan, holds both a BBA and an MA earned on the Ann Arbor campus. An international trades major, she holds minors in both Spanish and German, and a teaching minor in Spanish.

A Ford scholarship student by virtue of her own high intelligence and her father's affiliation with the Dearborn-based motor company, she laughs when she tells that her first full-time job was with a competitor. She admits she enjoyed tremendously her work as a secretary to an official of the General Motors Scholarship Committee. She became completely engrossed in her responsibilities for a boss who was on the road most of the year. Another of her positions was with J. L. Hudson. Interested in retailing, one year she worked for the Detroit store on a store on a contingency basis evenings for a month of September, spent October and November training 600 Christmas employees, spent December running the Giftarama Department.

All told, she has four years' experience in the business world to her credit. In that time, there is virtually not a single area that she hasn't covered. She is thoroughly familiar with teletype operations, shorthand, bookkeeping, and cataloging. She worked every

summer in offices from the time she was a junior in high school with the exception of time out for a trip to Europe in 1957.

In one of her positions she met her husband, Russell, the assistant sales manager in a tool and manufacturing company. The Herschmanns, residents of Lincoln road, are the parents of a three-year old son.

As one of her colleagues said recently, "We are most fortunate to have Kathy on the staff. Not only is she an excellent teacher, but she has a tremendous background in business that she is able to share with the students she works so hard to prepare for their first jobs."

Parcells Slates Spring Concert

The music department of Parcells Junior High School will present its 15th annual spring festival Wednesday evening, May 26, at eight o'clock. Approximately 450 young musicians will appear on this program. All students in choral music are participating in the program.

The Seventh Grade Chorus will perform selections which range from Handel to Meredith Willson, while the Eighth Grade Chorus will offer selections from spirituals and music of the Gay Nineties. The Ninth Grade Chorus has chosen its music from the works of Praetorius to a modern arrangement of "While We're Young," arranged by Ringwald.

A new, selective vocal group, the Girls Glee Club, will make its first public appearance on this program, including "As Long As He Needs Me" from the musical "Oliver." Accompanists for these choral groups are Mark Scott, Janet P. Drois, and Mary Ramsey. The choral music is under the direction of Helen Keans Waindle. The Junior High School Orchestra, under the direction of Donald McNew, will present the "Chorale and Minuet" from "Divertimento in B flat" by Joseph Haydn; an arrangement by Theodore Tobani of Tschakowsky's "Andante Cantabile"; and a medley of tunes from Bernstein's "West Side Story."

The Concert Band, also directed by Mr. McNew, will open its portion of the program with a concert march, "Scepter of Liberty," by Olvadoti. Following this, Mark DeGaetano will present a clarinet solo "The Way You Look Tonight," by Jerome Kern, with accompaniment by the band.

Next, the band will accompany a cornet trio, composed of Paul Simon, Walter Pieschke and James Frede as they play "Fantasy For Three" arranged from Rubinstein's "Melody in F" by Harold Walters. Concluding the third portion of the program will be excerpts from Rodgers and Hammerstein's "Flower Drum Song," arranged by Philip Lang.

The choruses and the concert band will combine to present a fantasy based on "America the Beautiful" as the finale for the

program. The public is invited to attend this program to be given at the school auditorium, Mack avenue at Eight Mile road.

Outer Mongolia Lecture Subject

Dr. Edwin Smyd will conclude his series of movies and commentaries on lands seldom visited by American tourists, on Tuesday evening, May 25, at 8 o'clock at the Fries Auditorium of the Grosse Pointe War Memorial Center.

Ulan Bator, the capital of Outer Mongolia, has modern furnishings, paved city streets, masonry structures, electric lights, autos, industries, supermarkets, a university, ballet and opera. But, the car-marks of a twentieth century, modern state are largely confined to Ulan Bator and perhaps the larger cities. The country itself is still organized around the yurt and a nomadic life and looks today as it probably did in the time of Genghis Khan. Not only the contemporary nomadic life, but village and city scenes, the Gobi and geography of Outer Mongolia will be shown in the film.

There is no airborne commercial transport in Mongolia, even today. Transport is provided by the Mongolian government in military planes once you enter the country from the U.S.S.R. Sitting in wooden

bucket seats with paratrooper paraphernalia all around, no seat belts, facing your companions across an aisle seems a bit daring even to experienced travelers especially when you come down with a heavy forty-passenger plane on desert soil.

Outer Mongolia is about the size of Western Europe. In spite of the relatively great size of Mongolia, the population is scant—one million people.

The empire forged by Genghis Khan came nearer to a one world government than any empire before or since. Emisaries from all points of the compass converged on Karakorum. Genghis Khan and his sons, for the Empire was divided three ways after Genghis' death, ruled all of Asia and most of Europe. Only the death of the Khan prevented the Mongols from overrunning all of Europe. For all the Mongol conquests there is little of tangible historical evidence to show in Mongolia. Karakorum, the capital, is a flat waste with just a few stones to mark the spot.

January 1st—New Year's Day	June 14th—Flag Day
February 12th—Lincoln's Birthday	July 4th—Independence Day
February 22nd—Washington's Birthday	August 14th—V-J Day

May 1st—Loyalty Day	November 11th—Veteran's Day
May 3rd, Saturday—Armed Forces Day	December 7th—Pearl Harbor Day
May 30th—Memorial Day	December 25th—Christmas Day

We believe every home in town should fly the flag on national holidays. We also believe more homes would fly the flag if more people knew where to get one. Failure to fly the flag, it has been found, is not due to any lack of patriotism on the part of Americans who love Old Glory as much today as Americans did when the Spirit of '76 was first born. Because of this we make this flag set available as a public service at our cost. The set is top quality through and through. It meets every standard the government sets for a flag of this type. In addition, the stripes are double stitched, a hallmark of flag quality usually found only at higher prices. We include with the big 3 x 5-foot flag... all the equipment necessary for rigging according to the rules of flag etiquette. These flags are available to all... with no other requirement than that you pay our basic cost... and fly one on your home on holidays. Fly the flag on important national holidays to come... and especially on the Birthday of American Independence, July 4th. The stars and stripes on your home show the world that the Spirit of '76 is as warm in American hearts today as it was at its birth on the first 4th of July... nearly 200 years gone by.

THIS FLAG SET IS OFFERED AT COST AS A NOT-FOR-PROFIT SERVICE OF

Racquetmen Beat Monroe To Tie for League Lead

By Ric Hendee '65

The Monroe tennis coach relaxed in the front seat of his '58 Dodge. He watched the pre-match warm-ups and spoke confidently of his team: "Yep, we beat Grosse Pointe five matches to two on their courts, and home courts are always an advantage. It shouldn't be any worse here. Besides, we haven't lost to anyone yet."

Hey, fellows, (speaking to his boys on the number three doubles court) check the height of the net." Then, turning back to those spectators clustered around him, "Now there won't be any complaints," he chuckled.

He was right. There were no complaints, at least from Grosse Pointe. The Devil racquetmen surprised everyone but themselves as they plastered the league-leading Trojans with a

perfect 7-0 Grosse Pointe win, a win which ties them with Monroe for the top.

If the Trojans had managed a victory as they had planned Grosse Pointe would have lost the BCL in tennis for the first time in 22 years.

But the fuzzies were hot from the start and five of the first seven sets went their way. Monroe is recognized for its second set comeback, though, and struggled to display it.

Jim Kendall and Jack Healy, on the number two doubles court, quickly took the first set, 6-3, then grabbed a 5-2 lead in the second and squirmed to pull out a 9-7 win. In the second set, Monroe won four straight games to take a 6-5 lead, then Healy-Kendall tied it, then Monroe, then Grosse Pointe, and finally the Blue and Gold laced a victory behind Healy's unpredictable serve for the first Devil points.

Pete Short and Mark (The Kid) Starr had much the same going on the neighboring court. The fellows won their first, 6-3, and fell prey to a Trojan comeback in the next, 4-6.

Then, a set apiece. Short-Starr once again dominated control for a speedy 5-1 lead. But, also once again, the Trojans sprang their comeback power, seizing two more games before Short and Starr finally put things in the bag.

Three weeks earlier, in the first Devil-Trojan encounter, Monroe pilfered all three doubles matches but, with Bob Miller and Doug Busby making a comeback from Monroe's comeback (6-3, 4-6, 6-3), things went hog-wild in reverse and the Devils needed to add only one singles triumph for the contest and for recapturing their lead position in the BCL. Ron Gutow, number three singles, provided that needed victory as did Ed Beyster (fourth) Fred Williams (second) and Dick Keller (first). Both Williams and Gutow dropped their first set and stayed back to keep the afternoon perfect.

One day earlier non-league rival Ann Arbor visited the Blue Devil courts and toppled to a 6-1 defeat. Two doubles matches were the major attraction those of Kendall-Healy, and Miller-Busby.

The week was completed with another perfect match, this time against Fordson. Grosse Pointe's new victories pushes its season record to 8 and 1 while the BCL total is 5 and 1.

Yesterday the fuzzies met Weyandotte at home for their second encounter of the season (the other, another Devil shut-out). And on Thursday the team will visit Highland Park which also provided an excuse for a party in the early contest.

Meanwhile the Monroe coach is re-checking his nets.

BEE EXECUTED

A couple living in Kerby road, name and address withheld, called Farms police on Sunday, May 16, stating that a bee was in their house and they were frightened. Patrolman Donald Pilon was dispatched and took care of the situation. His report on the police blotter ended with a terse "Bee Executed."

With the first week under their belt the "Babe Ruthers" are beginning to shape up into the ball players they were in '64. At the outset your writer would on behalf of the Board like to thank the Farms City Fathers, Dick Hudson, and those who got Kerby Field into shape in "one big hurry."

On Monday it was a squeaker as the INDIANS under Keith Cunningham took the YANKS 3 to 2. Losing pitcher was John Staudt. At the Neighborhood Club it was the DODGERS 14 to 1 over the RED SOX. Losing pitcher was Gary Hughes.

On Tuesday Manager Stu McMillin's TIGERS took the measure of the RED SOX 6 to 1. Winning pitcher was George Hodges and loser John Tompkins. The PHILLIES took the BRAVES 4 to 3 as Dave Schurr aided by 8 hits was named WP and the losing pitcher was Doug Maxwell.

Wednesday it was the INDIANS 7-the WHITE SOX 5 in a game called on account of darkness. Winning pitcher Byron Stuck and losing Dave Quinlan. In the National Division game it was DODGERS 16-GIANTS 6 with Gary Richardson winning and Curt Mumaw losing pitcher.

Thursday found the YANKEES coming forth 10 to 3 over the RED SOX. They tell me Mike Ferrell aided by his team mates did a real good job to come out winning pitcher. Bill Roberts relieved by Ron Sass was named losing pitcher. The CARDS 7 and the PHILLIES 5 was the final in the other game. WP was Bill Gross and losing was Bill Bailey. Seems a few errors were made in this game.

On Friday it was those "WHITE TIGERS" 8 and the WHITE SOX 1. Bill Bockstanz, aided by a triple by Gary Meyers and other base hits, was named winning pitcher and loser was Glen Hillger. At the diamond it was a close one, GIANTS 9 and BRAVES 8 with Larry Schmidt pitching for the winners and Dick Roth for the losers.

Again as we start the season, your writer is mystified with 15 boys on each team you would think there would be 15 parents on each side rooting.

Little League Results

PARK
By **DAR MARTIN**
The second week of the 1965 season of the Grosse Pointe Park Little League saw the still undefeated White Sox take a commanding lead in the American Division of the major leagues while a battle royal developed in the National Division.

The results of games played through last Friday:

MAJOR LEAGUES

Team	W.	L.	Pct.
White Sox	4	0	1.000
Indians	3	1	.750
Yankees	2	2	.500
Senators	2	2	.500
Athletics	1	3	.250

The White Sox started the week with a 13 to 5 defeat of the Athletics. Tom Tracy was the winning pitcher aided by strong slugging at the plate from Gary Verkeyn and Bob Hoffman. Bob Hoffman of the A's and Tom Bailey of the Yankees team both recorded homers in a week where home runs became almost commonplace.

In their second contest of the week—the Yankees—the White Sox made the most of 10 walks yielded them and shut out the Yankees 11 to 0. Winning pitcher Dave Wible contributed to his own win by taking part with Dick McLaughlin in the game's only double play. White Sox Bob Hoffman got three hits in three trips to the plate, and Jim Bolton tallied two of the Yankees' 5 hits.

Despite a home run and two singles by Senator Peter Berdaves, the White Sox emerged victorious (11 to 8) in its game with the Senators. Gary Verkeyn picked up the nod for the win, and teammates Bob Hoffman and Dave Wible were credited with a double play.

The Indians—after losing their opener—duplicated the White Sox's feat by winning all three of their games during the week. Their first victims were the Senators who lost in an 11 to 3 contest. Dave Woodrow of the Indians denied Senator Craig Pemberton a home run with a sensational catch in right field only to see Senator Craig Doms pull the same trick on Indian Ed Albert with a dramatic center field catch. Winning pitcher was Brian Kingsley.

Later in the week, the Indians defeated the Athletics behind the pitching of Bill Snyder and the Orioles behind the pitching of Brian Kingsley who, this time, was aided by Rick Mahon. The 5 to 2 Indian-Oriole game was marked by the omnipresent home runs. Paul Kokowicz hit a grand slam homer for the Indians to snatch an apparent win from the Orioles in the bottom of the sixth. Oriole Dale Hafer had previously hit a homer which gave the Orioles the lead, 2 to 1.

Their loss to the Indians was a heartbreaker for the Orioles who were on their way to a perfect record for the week. The Orioles were especially home run happy with Dave Kennel smacking a full-circuit clout in the team's 5 to 4 triumph over the Yankees, and Dave Kennel—along with brother Steve and teammate Dan Ireland—hitting more homers in a 13 to 5 conquest of the Senators. Pitcher Bill Sanger got credit for the win, and teammate Jim Owen also recorded a home run in the contest with the Orioles.

National Division

Team	W.	L.	Pct.
Cardinals	2	1	.667
Pirates	2	1	.667
Braves	1	2	.333
Giants	1	2	.333
Red Legs	1	2	.333

League leading laurels are very much up for grabs in the National Division with all teams separated by a scant one-win margin.

After losing their premiere contest of the season, the Cardinals rebounded with a 6 to 0 shut out of the Giants and a 16 to 9 win over the Braves. Mike Getz not only got credit for the win in the first game of the week but added a triple and double to his batting average. The Cardinals' Braves struggle ended the same home-runitis which hit the American Division. Mike Getz chalked up a homer for his team, and John Woodcock (who hit for 3) racked another up for the Braves. Tom Stack of the Cardinals was winning pitcher in the second game.

The Dodgers, too, snapped back after losing their opener with two victories during the week: a 15 to 9 defeat of the Giants and a 13 to 5 defeat of the Red Legs. Terry Griffin got credit for the first game, and Tom Dufour for the second. The Dodgers-Giants game was a real slug fest with Tom Court, Jim Ruble, John Knight, John Bell, and Tom Dufour all improving their batting averages handsomely. The Giants were no slouches either with Gary Simon, Mike Torlone, Steve Katsaros and Frank Polina hitting heavily. Jim Ruble, Mike Torlone and Steve Katsaros all included homers in their records for the day.

The Pirates achieved a .500 record for the week by losing to the Braves in a tight 7 to 6 game and then coming back

with a 6 to 4 victory over the Red Legs. Home runs were again the order of the day in the first contest with Larry Meathie and Don Hammond tallying full-circuit runs for the Pirates. Tim Schaafsma was the winning pitcher in game number one, and Fred Rohn received credit for the second. Hot hitters in the latter were Bob Zeidler for the Pirates and Scott Feringa and Mark Jenkins for the Red Legs.

MINOR LEAGUES

Team	W.	L.	Pct.
Marines	2	0	1.000
Wisconsin	2	0	1.000
Michigan	2	1	.667
Army	1	1	.500
Ohio State	1	1	.500
Purdue	0	2	.000
Michigan State	0	3	.000

*Does not include the game between Wisconsin and Ohio State.

A new team, the Marines, continued its winning ways with a 19 to 3 victory over Purdue in the American Division minor league. Hot hitters for the team were John Bodeau, Joe Zerilli, Tim Finan and winning pitcher Tom Wheatley. The sole homer of the game came not to the victors but to Jay Jeffrey of Purdue.

It was an exciting week for Wisconsin which, first, squeezed out a narrow 8 to 7 win over Michigan State behind the pitching of Frank Milano only to find itself in a 5 to 5 tie with Ohio State when the umpire called the game because of darkness in the 7th inning.

Michigan—a casualty of opening day—came back with flying colors to win two games during the week, a 20 to 4 defeat of Purdue and a 7 to 4 defeat of Ohio State. Both the DeClerg twins hit homers in the contest with Purdue for which Brad Vercurte got credit as winning pitcher. It was the opponents' turn in the OSU game where Warren Terrace smashed a round-the-bases hit. Despite this, the credit for the win went to Steve Pemberton.

Army—which has lost a squeaker on opening day—came back to win its sole contest of the week with a 12 to 8 win over Michigan State. Paul Ciaramitaro was the winning pitcher while teammates Jeff Gardner and George Maloof were the hot hitters.

Both Indiana and Iowa retained their perfect records during the past week. Indiana defeated Northwestern and Minnesota—both by decisive scores. Chuck Sealey—aided by strong hitting from teammates Tony Bologna, Bruce Kaselitz, Kim Stewart and Steve Fink—held Minnesota to one hit. The same quartet (with Dave Suon substituting for Kim Stewart) proved hot hitters in the Northwestern contest.

Hot hitters—Bill Tocco, Don Briggs, Jon Marshall, Tom Van Lokeren and Angelo Tocco—enabled Iowa to match Indiana's record. Illinois rallied briefly in its encounter with Iowa when Andy Michalak transformed a fielder's choice move to first into a home run, thanks to errors on the opponent's part. Tom Van Lokeren was the winning pitcher in the second meet of the week.

Air Force—another new team—recorded a .500 week with an 8 to 5 conquest of Minnesota and a 10 to 2 defeat at the hands of Air Force's service teammate, Navy. Air Force missed an opportunity to move ahead in the intra-service contest by leaving 3 men on in the 2nd inning. Kevin Coffer of Air Force pitched well but his fellow players couldn't support him with those all-essential hits. Earlier in the week, Air Force proved its ability to get out of tight spots by getting two hits in the fifth inning to break a tie game with Minnesota.

Illinois—a leader in the minor league last year—returned to its old form by handing Northwestern an 11 to 6 defeat. Tom McDonald gave up only 1 hit in a single pitcher combat.

Giants beat the Phillies. Gary Beaufait hit a grand slam for the Giants.

Tuesday, the Indians squeezed by the Giants 10 to 9 for their first win, by coming from behind in the last of the sixth inning on a clutch double by Stu Frazer. The Indians had 14 hits with Frazer getting four and Hicks the winning pitcher getting three. Jim Hooper, the losing pitcher, had a homerun and a single to drive in three runs.

In the other game, the Red Sox edged the Phillies 2 to 1, both teams playing errorless ball. Two More Victories Added By Blue Devil Diamondmen

By Rog Teetzel

The Blue Devil diamondmen added two more victories to their lengthening B.C.L. win column last week by squeezing past Fordson (2-1) and obliterating Monroe (14-2).

Yesterday Grosse Pointe hosted league-leading Wyandotte in the most crucial game of the season. Victories over Wyandotte and Highland Park (the Devils will go to the Parkers' home field Thursday) would give Grosse Pointe a 6-2 record and a share of first place in the B.C.L. They are now 4-2 in league play.

Last Tuesday the Devils went to Dearborn for a game against Fordson, defending B.C.L. champions. Bob Critchfield won his third B.C.L. game by allowing only six hits while striking out eight in the 2-1 victory.

The Blue Devils scored in the third inning when John Reynolds walked and Sam Thompson singled him home. Mike Van DeGiste batted in the winning run in the fifth inning with a long triple.

Thursday Grosse Pointe traveled to Monroe for a rematch of last April's "contest" with the Trojans. This time the Devils improved and won by two more runs, 14-2.

Even though the game was lop-sided it was exciting. A Grosse Pointe student-manager (not to mention any names),

Keller was the hero for the Tigers, pitching 15 strikeouts against the Red Sox. The White Sox also won both of their games this week. The White Sox slipped by the Red Sox 8-5, even though VonHollenbeck hit a three-run homer for the losers. The Wednesday game against the Athletics was a one-hitter pitched by Palmer of the White Sox, who won 4-0, the one hit was by Ed Rood of the Athletics. In another good game, the Senators beat the Yankees in a hitting duel 14-11. John Matthews was the winning pitcher for the Senators, and his teammate Robert Montgomery hit a three-run homer.

Both the Cubs and the Giants won both of the games they played this week. The Cubs smashed the Pirates 20-1 in a slow game with many walks and errors. The Cubs also smeared the Redlegs 13-2. Len Constantine was the winning pitcher. The Giant's scores also showed great margins of victory. The Monday game saw the Dodgers go down under the booming bats of the Giants 16-2. Bruce Robertson was the winning pitcher, and he also got three hits, one of which was a homer.

Tom Ballew and Gary Bennett hit home runs for the winners, and Steve Schleicher was four for four. The Giants shut out the Phillies 12-0. In another shutout, the Braves beat the Dodgers 6-0. Joe Tringali pitched a terrific one-hitter. Another one-hitter was pitched by D. Clemm of the Cardinals, shutting out the Redlegs 6-0.

Speaking of Service

In our zeal to encourage, support and promote purely local organizations, institutions and movements, we are doubtless too often guilty of not giving the proper recognition to the many, many other groups, largely composed of Pointe residents, who cause such vast achievements in projects being carried on close by. We should like to make slight amends here and now by bowing low in the direction of The Volunteers of Woman's Hospital. This most worthy body of about 125 women, of which 75 per cent are Pointers, will be celebrating its 10th anniversary next Wednesday, May 26, with a meeting and luncheon at the Country Club, beginning at 11 o'clock.

How great the satisfaction which will surely be felt when those attending hear a report of some of their accomplishments during this last decade. If they are not already aware, they will learn that they have raised a total of more than \$140,000 to help this venerable and most highly respected hospital carry on its dedicated work. Among the gifts they have made are orthopedic table, isotope equipment, 225 over-bed tables, 40 mechanical electric beds. A sunroom, the main cafeteria and a chapel have been redecorated and refurbished. The largest single project, the Cobalt Unit Department, took four years to complete and cost \$50,000.

Another \$50,000 endeavor is just beginning. When this is successfully terminated, Woman's Hospital will have a new Heart Center, where research and testing of the heart and circulatory functions will be conducted.

Money for all of this fine work is raised by various methods. There are bake sales, rummage sales, bridge marathons, etc. The sources of largest income are the Coffee and Gift Shops, both operated within the hospital.

But, lest anyone think the members of The Volunteers devote all their talents and energy to purely social, fund-raising parties, attention should be called to the statistical item which reveals that the members work in seven different departments, in the hospital, and during these last 10 years they have contributed 132,000 hours of service. This spells out a world of relief and love and compassion expended in behalf of the patients, staff and administrators of this great institution. Congratulations, and may the decades to come produce a never-ending chain of Volunteers to perpetuate your magnificent record of selfless service.

Mayor's Exchange Day

Mayors' Exchange Day, celebrated annually during Michigan Week, has a special significance for The Pointe. With five separate municipalities making up the community, a whole bundle of Hizzoners come to call while we send our top officials to a quintet of spots around the state to fill the chairs left vacant by our visitors.

As all of the Pointes band together for a joint luncheon for the honored guests, it provides an excellent opportunity, and the only one of the entire year, for all local officialdom to get together. Looking around at the large gathering in Stouffer's Eastland restaurant Monday noon, one got the impression that every municipal building in the community must be empty. They were all there, councilmen, administrative officers, judges, department heads, etc. And the Public School System, which serves the entire area as a single district, was amply represented. Many men were accompanied by their ladies, which added greatly to the most pleasant event.

There was much shop talk as the officials seized the chance to discuss common problems with their neighbors in a most convivial atmosphere. Forrest Geary, who heads up the Community Services Department of the Public School System, has done a fine job of congealing these annual affairs. They could stand repeating more often than on the once-a-year basis.

Letters to the Editor

To the Editor:
This is to thank you on behalf of Grosse Pointe Rotary for the publicity you gave the Club's 10th Annual Antique Show.

Also, we wish to thank all of your readers who helped through their patronage to make this a most successful event.

The Club plans in the immediate future to announce some of the institutions and activities that will benefit from the show's proceeds.

Sincerely yours,
J. A. Passanante, Jr.

Dear Mr. Edgar:
Last week Grosse Pointe lost one of its outstanding citizens. George McMullen represented what was the finest in our Grosse Pointe community. Not only was he concerned about our total community but he expressed his sensitivity about its needs in terms of dynamic action.

This past week the program committee of the War Memorial had a lengthy session discussing what should be the topic of the Fries Forum of January, 1966. It was agreed that the area to be explored in depth should be our teenage youth. The very next day George began outlining the dimensions of this concern and asked that we bring together our youth leaders in

education and recreation and begin groundwork exploration. Although the forum was months away he was determined that a meaningful program be presented.

How does one measure the influence of this man on the lives of Grosse Pointers? One year hundreds of Grosse Pointers explored comparative religions, another year business and labor, another year our political system and last year for a change of pace—football.

The Grosse Pointe War Memorial is a living memorial to our war dead—the Fries Forum will be a living memorial to George McMullen. Grosse Pointe is a finer place because George walked this way. He will be sorely missed.

John T. Short, Chairman
Grosse Pointe War Memorial Program Committee

What Goes On at Your Library

By Virginia Leonard

The winners of the annual Pulitzer Prizes for 1965 were announced on Monday, May 3. Do you know the origin of these awards? They were endowed by Joseph Pulitzer, who lived from 1847 to 1911, and who was publisher of THE WORLD in New York. The endowment was made in a request to Columbia University, and the prizes are given annually by the trustees of the University on the recommendation of the Advisory Board on Pulitzer Prizes for work done during the preceding year.

For our purposes, it is not necessary to dwell at length on the awards given for journalism and reporting; our chief concern in the library field is for the winners in the category of letters, and here the booty amounts to \$500.

This year's winner in fiction is THE KEEPERS OF THE HOUSE, by Shirley Grau. This is a novel covering three generations of Howlands in the southern Delta county. More specifically, it deals with the story of Will Howland, who, with his first wife deceased, his daughter wed, marries a Negro woman who bears him three children. His white granddaughter, Abigail, is raised with these other children; later she marries an ambitious segregationist politician, who leaves her when her grandfather's miscegenation is publicized. This is a story of great magnitude and written with fine artistry. Shirley Grau can stand proudly in the company of earlier well-known recipients such as William Faulkner (THE REVERIES), Harper Lee (TO KILL A MOCKINGBIRD) and Allen Drury (ADVISE AND CONSENT). Interestingly enough, no fiction prize was given in 1964.

The poetry award went to John Berryman's 77 DREAM SONGS. Here the author states in a prefatory note that these are sections constituting one version of a poem in progress. Its working title, since 1955, has been THE DREAM SONGS. A character named Henry figures in most of these SONGS, some of which have appeared in the TIMES LITERARY SUPPLEMENT, POETRY, and various other magazines. In this winning volume one finds dramatic, savage, but lyrical poetry. An earlier winner (1961) with which you might be familiar is

Phyllis McGinley's TIMES THREE.

In the drama department, no award has been made since 1962, at which time the favorite was HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING. This year the plum went to Frank Gilroy for THE SUBJECT WAS ROSES (on order now at our library). This play appears as THE SUBJECT WAS ROSES AND A PRIMER OF THE THEATRE, giving us two treats in one. The second part of this title refers to a personal journal kept by the author during the prelude to the production of his play.

The history prize went to Irwin Unger for THE GREENBACK ERA, subtitled: "a social and political history of American finance, 1865-1879. This we also have currently on order).

For general non-fiction, for 1965, we give you Howard Mumford Jones' O STRANGE NEW WORLD, subtitled: "American culture: the formative years." This is the first of a projected two volumes on the interplay of the civilizations of the Old and New World, and the effect that these influences have had on the development of American culture. This is a fine essay on intellectual history—it has great originality, dignity and learning. Earlier recent winners in this category have been Barbara Tuchman's THE GUNS OF AUGUST and T. H. White's THE MAKING OF THE PRESIDENT, 1960.

In the realm of history, Ernest Samuels came in first with his third volume on Henry Adams, entitled: HENRY ADAMS: THE MAJOR PHASE. The earlier ones were: YOUNG HENRY ADAMS (1948) and HENRY ADAMS: THE MIDDLE YEARS (1958). This trilogy is an enormously solid effort. It has richness of detail, and scholarly fairness. Here we see Henry Adams as he really was. All three of these volumes are now on order for the Grosse Pointe Public Library. An earlier winner for the biography class was W. J. Bate's JOHN KEATS.

So here are your Pulitzer Prize awards for 1965, plus some brief mention of earlier recipients. With such a wide range, we are hopeful that you may find something here to stimulate your reading.

From Another Pointe of View

The outdoors will move inside tomorrow night at the Detroit Yacht Club's Wheels "Everything's Comin' Up Roses Cocktail Party," from 6:30 to 8:30 o'clock. The garden paradise Friday night will feature sidewalk tables and gay patio umbrellas, flower carts, naturally old country style, vine-covered arches and trellises—even a flower-bedecked bubbling brook.

The Wheels, the Get Acquainted Club of the DYC, will have in store a Famous Lovers Contest, their own Lovers' Lane including Mr. Cupid, a roving photographer and Phil Girard and his Casanovas. Dinner and dancing will follow the party. All club members and guests are welcome and invited.

Working on the annual All-Club Spring Party are Grosse Pointers Mrs. Dorothy Trost, Miss Kathy Sitzman, Mrs. Elinor Kornmeier, Henry Buccico, Mrs. Art Davies, Mrs. Ernest Valauri, Mrs. Edward Franks, Mrs. Mike La Rocca and Mrs. Tom Tompkins.

More Garden Gala Days

Garden lovers and gourmets will be delighted with the news of a marvelous day coming June 10. The Grosse Pointe Garden Center Board has planned a Fair on the Green on the lakefront and terraces of the War Memorial, from 1 in the afternoon until 5. RAIN OR SHINE. Garden clubs of Grosse Pointe will hold a sale—everything from hors d'oeuvres to homemade pickles. Each club will sell its special delicacies, and after one has bought a number of devastating delights, one may then become garden-minded. All kinds of annuals—even 1965 introductions, it is hoped—will be for sale; also 10 different kinds of herbs, sold in individual, compact containers. There's something for every Grosse Pointe garden!

The profits from this gay party will help with the Grosse Pointe Garden Center's Trial Gardens. This year (Continued on Page 16)

Reception At Severn Road Home of Bride's Parents, Mr. and Mrs. Joseph Douglas Kinnear, Follows Saturday Rites

Terryl Jo Kinnear chose a white silk brocade dress, with a matching long-sleeved jacket, buttoned to the waist and featuring a modified Queen Anne collar, for her marriage Saturday to Newell R. Washburn, Jr.

Reverend Betram deHeus officiated at the 2 o'clock ceremony, in the Barbour Chapel of Grosse Pointe Memorial Church.

The bride is the daughter of Mr. and Mrs. Joseph Douglas Kinnear, of Severn road. Her husband is the son of Mrs. Elizabeth V. Washburn, of Newark, Del., and Dr. Newell R. Washburn, of Endicott, N.Y.

For the wedding ceremony, the former Miss Kinnear chose a tiara headpiece of ivy and flowers. She carried a bouquet of phalaenopsis orchids, stephanotis and ivy.

Penelope Lee, of Dorset, Vt., formerly of Grosse Pointe, was the bride's maid of honor and only attendant.

She wore a spring green silk dress with a bell-shaped skirt, and a wreath of fresh ivy in her hair. She carried a small bouquet of English garden flowers.

Darlan Tiffany, of Binghamton, N.Y., served as his brother-in-law's best man. Seating the guests were Norman and Gregory Grenke, cousins of the bride.

A reception in the home of the bride's parents followed the ceremony. Mrs. Kinnear greeted

her guests, wearing a pale gold silk jacket dress with matching accessories, and a tangerine and gold flowered hat.

The newlyweds will live in New York City when they return from touring parts of Canada and visiting Quebec City.

Out-of-town guests included Dr. and Mrs. Newell R. Washburn, Mr. and Mrs. Dardan Tiffany, Eleanor Washburn, of Newark, Del., the bride's grandparents, Mr. and Mrs. Harry W. Gilmore, of Azusa, Cal., and Paul Hashfield of Ann Arbor.

the garden clubs have been given a rest from maintenance of the plots. Instead, Mrs. Valentine Guenther, with a large committee, will plan and maintain the gardens, and make some important changes. "Trial" gardens they will indeed be—with ALL annuals the newest inventions of companies such as W. Atlee Burpee's.

'Musical' House of Beauty

June means a musical called "The House of Beauty" for the Junior Group of Goodwill Industries. The production, entirely created and produced by Junior Goodwill members, is the organization's Spring Project. It will be presented Friday and Saturday, June 11 and 12, at the Grosse Pointe War Memorial. The play was written by Mrs. Donald J. Sheets, of Detroit, with music by Mrs. Joseph N. Jennings, of Whittier road. Play chairman are Mrs. Donald R. Borgeson, of Birmingham, and Mrs. George W. Payne, of North Renard road. All cast members are Junior Goodwill members, too.

An Afterglow is scheduled following the performance Saturday evening at the Grosse Pointe Yacht Club. Chairman for the fete is Mrs. Rex L. Brophy, of Hampton road. Tickets for the Afterglow are \$4 as are tickets to the musical. Ticket chairman is Mrs. O. W. Sturdevant, of Lakeland avenue.

Plans have been under way for the past few months also for the 18th annual Junior Goodwill Industries Antiques Market and Sale. Dates for the event are November 14 through 17.

Annual Yale Dinner

The annual dinner of the Yale Alumni Association of Michigan was held Monday, May 17, at the Country Club of Detroit with over 400 Yale alumni, wives, and guests attending. Principle speaker was Kingman Brewster, Jr., president of Yale University. He spoke on today's academic and intellectual challenges. Mr. Brewster was introduced by Michigan's Lt. Gov. William G. Milliken, a Yale graduate. Among educators present were Dr. Harlan Hatcher, president of the University of Michigan, and Dr. Samuel Brownell, superintendent of Detroit schools and a Yale graduate. Entertaining Mr. Brewster, his wife, and associates, at a dinner party Sunday evening were the Wendell W. Andersons, Jr., of Preston place. Mr. Brewster was also the guest of Wendell C. Goddard and other members of the Scholarship and Enrollment Committee for luncheon at the Detroit Club on Monday. Mrs. Brewster and wives of the members of the committee luncheoned at the Goddard residence in Provençal road with Mrs. Goddard.

Real New Thrift Shop Officers

In correction of last week's faux pas, the Board of the Neighborhood Thrift Shop at its annual meeting Monday, May 10, announced the officers for 1965-67 to be: Honorary chairman, Mrs. Sidney T. Miller, Jr.; chairman, Mrs. W. Brace Krag; vice-chairman, Mrs. Theodore Foster; treasurer, Mrs. Eugene R. Hawkins; recording secretary, Mrs. Sidney S. Hall, and corresponding secretary, Mrs. Edwin J. Mercier.

There are no men on the Board.

Luncheon Held By PP League

The Robert Hudson Kanzlers arrived home from Europe over the week-end—just in time for Mr. Kanzler to collect his gavel and preside at the Planned Parenthood League's luncheon and board meeting at Bloomfield Open Hunt Club, Wednesday, May 19. The League has one clinic in Birmingham and is planning to open another in Oakland County.

In a report on the League's fund raising campaign, which is now on, Mr. Kanzler pointed out that many people are under the mistaken idea that public funds are available for birth control services. These procedures are still being set up, he pointed out, and even after the State and County provide clinics for indigent persons, there is still a large group of people who are not indigent but still are unable to afford such medical help. The League, he added, is financed through individual contributions and is not helped by United Foundation.

Among those from this area who attended were: Mrs. John Coe and her mother, Mrs. Terrell Childs, who is here visiting from California; Mr. and Mrs. Frank Cotter, Mrs. Peter Brett, Mrs. Walter Crowe, Mrs. Wilbur Elston, Mrs. J. L. Hudson, Jr., Mrs. Thatcher Rea, H. Ripley Schemm, Mrs. William C. Tost, Mrs. Richard Turner, Mrs. Henry Kohring and Mrs. Thatcher Rea, Jr.

Symphony Juniors Hold Election

The Junior Women's Association for the Detroit Symphony Orchestra held its annual meeting and elections May 5, at the Oakland Hills Country Club.

Elected to offices were Mrs. Hugh G. Harness, of Lincoln road, president; Mrs. Arthur Johnson, of Pemberton road, first vice-president; and Mrs. Edward Hanpeter, of McMillan road, treasurer.

Elected to the board of directors were Mrs. William E. Bokram, of Birch lane; Mrs. Rex Ciavola, of Devonshire road; Mrs. John Kirlin, of Provençal road; Mrs. Robert J. Pear, of Westchester road, and Mrs. Pierce Smith, of Pemberton road.

Howard Harrington, symphony manager, accepted a check from the association in the amount of \$20,000 for the Maintenance fund. Over half of the amount was earned from the Souvenir Program, under

the chairmanship of Mrs. Pear. Other projects which helped toward the donation were the Christmas Walk, theater party, sale of "Symphony Dresses," and the Carnation Ball.

As last year, members and their husbands will usher for the Meadowbrook Music Festival this summer. While most of the activities are geared to the profit-making line (eventually for the Maintenance Fund), in addition to the Meadowbrook project, this year an Art Contest was sponsored by the organization among students at Poupard School and the Torrey School in Birmingham.

The children were asked to draw their impressions of Saint-Saen's "Carnival of the Animals" after listening to a recording of it. Members matted and hung the children's drawings in the Ford Auditorium for the Final Young People's Concert of the year, featuring the Saint-Saen's composition. The

In a High Nuptial ceremony at noon Saturday, in St. Clare de Montefalco Church, Theodora Phyllis Carnaghi, daughter of Mr. and Mrs. Raymond J. Carnaghi, of Cadieux road, spoke her wedding vows to Dr. Roy A. Mitchell.

Father Edward J. Sweeney, O.S.A. officiated at the double ring ceremony at which a Papal Blessing, requested by Brother Augustine, was bestowed upon the couple.

For her wedding, the former Miss Carnaghi chose a floor length sheath of silk organza over taffeta designed with a scoop neckline and elbow length embroidered sleeves. The bodice, front panel of the skirt, and detachable Cathedral train were appliqued with imported Alencon lace and jeweled with miniature pearls.

Her pillbox accented with silk organza roses and appliques of Alencon lace lavishly embellished with pearls and crystals caught her illusion veil. She carried traditional cascade of white roses, stephanotis and ivy.

Mrs. Joseph W. Shurinur was her sister's matron of Honor, and bridesmaids were Mrs. Leonard C. Carnaghi, sister-in-law of the bride, Carol Mitchell, sister of the bridegroom, and Mrs. William E. Ross, of Hopkings, Minn., formerly of Grosse Pointe.

They were floor length sheaths of white linen with Venice lace bodices and removable jackets. Their headpieces were white linen open-crown pillboxes trimmed with matching Venice lace and they carried formal cascades of white roses, stephanotis and ivy.

Dr. Gerald Mitchell, the bridegroom's brother, served as best man. They are the sons of Mrs. Roy Mitchell, of Trenton, Mich., and the late Mr. Mitchell. Seating the guests were Leonard Carnaghi, brother of the bride, Dr. Thomas McKenzie, and David McCord.

The ring bearer was William Mitchell, nephew of the groom.

Michelle Russette, cousin of the bride, was flower girl. She wore a full short white linen dress with Venice lace bodice and short sleeves. Her headpiece was a white linen bow accented with appliques of Venice lace and she carried a nosegay of red roses.

For her daughter's wedding, Mrs. Carnaghi chose an ice blue Cantilly lace sheath dress with a blue flowered hat and matching accessories. Mrs. Mitchell wore an apple green silk and rayon linen sheath with a Venice lace bodice and matching accessories. Both mothers wore pink and white cymbidium orchids.

A reception and dinner followed the ceremony at the Lakepointe Country Club.

For traveling to Toronto, Montreal, Quebec, the New England states and New York state, the new Mrs. Mitchell wore a navy silk sheath with matching accessories.

The bride attended the University of Detroit and is a graduate of MacLean College of Secretarial Science. Her husband was graduated from the University of Notre Dame and the Marquette University School of Medicine and is a staff member in the department of radiology at Mercy Hospital, Monroe, Mich.

Art Institute Groups Gather

The annual meeting and luncheon of the Women's Committee of the Founders Society Detroit Institute of Arts took place Friday, May 7, at which time new officers for the group were announced.

They are: — chairman, Mrs. David W. Rust; vice-chairman, Mrs. William D. Laurie, Jr.; secretary, Mrs. Carl B. Gawn; treasurer, Mrs. H. Lynn Pierson, (all Grosse Pointe residents).

The Women's Committee, with approximately 50 members, is responsible for sponsoring and planning the many notable opening receptions for the museum's exhibitions.

The annual meeting of a Founders Society group was Wednesday, May 19, for the Volunteer Committee. Mrs. Harold A. Beatty is the committee chairman. Following brief annual reports and service awards, the audience heard from Mrs. Suzanne Morton Zurcher, Trustee and past chairman of the Volunteer Program for the Art Institute of Chicago. Mrs. Zurcher is also a member of The Fine Arts Committee for the White House.

After the meeting, the Volunteer Committee were guests of the Founders Society at a luncheon in the Rivera Court.

An art treasure hunt highlighted the Friday evening, May 7, session of the Junior Council of the Founders Society Detroit Institute of Arts. Following cocktails and dinner, 200 members of this new organization divided into teams of eight members each and concentrated on tracking down 10 objects in the museum's collection from a list of cryptic clues.

The "hunt" was organized by the Education Department of the Museum, and participants acclaimed it as a unique way to become better acquainted with the museum's collection.

Winning team members were rewarded with jigsaw puzzles running the gamut from Jackson Pollock to El Greco reproductions. Walter Denison was chairman for the evening.

Program chairman Barbara MacCartney announced the Junior Council's next event is scheduled for Thursday, May 20, at the Detroit Institute of Arts. "Friends" Schedule Blossomtime Brunch

Blossomtime Brunch, Planned For Thursday, May 27, At The Grosse Pointe War Memorial; To Benefit The Dominican Sisters Of The Sick Poor.

For their spring fund-raising project, "Friends of the Sick-Poor" have selected the Grosse Pointe War Memorial for their Blossomtime Brunch, to be held Thursday, May 27, at 11 o'clock.

The Sisters, all registered nurses with public health orientation, and many with advanced sociology degrees, are dedicated to nursing the needy in their own homes without remuneration.

When calling on a patient, they evaluate the personal need of each case, nurse the injured, the young, the geriatric, acute or chronic patient. They also perform some household tasks necessary in conjunction with nursing care.

Food, medicine, and sick room equipment are provided when necessary. As the patient's needs vary, so too does the time the Sisters spend in the

home. The annual average shows that they make about 4000 home visits, which entails about 16,000 hours spent with the patients in giving them needed care.

The auxiliary is their sole support and this spring's brunch replaces the traditional Blossomtime donation ta. Assisting on committees and hosting are Mrs. H. W. Kelleher, of Trombley road, Mrs. L. Verne Ansel, of Stonehurst avenue, and Mrs. George Van Antwerp, of Kensington road.

To err may be human, but it's always a mighty poor excuse.

DAC Beavers Hold Big Circus Evening

Eddie Krupa and His Band Perform Aboard Circus Wagon Replica in Natatorium "Big Top"; Warney Ruhl Appears in Gym "Main Ring"

The DAC Beavers produced "The Greatest Show on Earth" on Saturday evening, May 8, when members staged the annual Beavers formal party on the fourth floor of the Detroit Athletic Club.

In keeping with all of the activities in the Club's 50th Anniversary year, a carnival atmosphere prevailed against the trappings of a circus setting and even the Beavers themselves weren't able to identify the swimming pool area, since the pool was covered and the natatorium decorated to simulate the interior of the "Big Top."

There, a red and white striped ceiling gave a tent pole effect. In addition, hundreds of multi-colored balloons carried out the circus theme and a replica of a circus wagon at one end of the room served as a stage for Eddie Krupa and his band.

Flanking the band wagon were a life-sized cut-out of a dancing girl and a circus clown wearing a "Happy Face." And, topping the wagon was a large sign proclaiming the advent of "Beavers Brothers Circus."

Over in the gym, yellow and blue bunting brought the ceiling down for coziness and the walls were draped in gold. The orchestra platform in the "Main Ring" where Warney Ruhl and his band held forth was topped with a blue and white canopy, and the buffet, laden for the 9 o'clock onslaught which followed the 7 o'clock cocktail hour, was something to remember.

All of this, of course, was dreamed up by a competent committee, headed by Andrew G. Brodie, chairman, whose helpers are Charles A. Bigelow, Charles A. Brethen, Jr., Glenn H. Johnson, Frank W. Lynch and Rudy Speersneider.

And for good measure there were two presidential dinner parties—that of Mr. and Mrs. Herbert W. Hart, (he's the new Beaver president), who had as guests the William E. Slaught and the Julian McIntoshes; and the party of Mr. and Mrs. R. K. Degener, (he's the immediate past president), who entertained guests previously invited to the postponed gala.

Their guests included DAC President Frank E. Kenney and Mrs. Kenney, Mr. and Mrs. J. W. Webb, Mr. and Mrs. John S. Pingel, the William A. Prews, Louis C. Goads, Mr. and Mrs. M. D. Diltz, Dr. and Mrs. E. S. Gurdjian, Mr. and Mrs. Peter J. Koenig, Mr. and Mrs. Henry W. Ploch, the Cass Kemps, Rex Regens, Mr. and Mrs. Walter A. Crow, Mr. and Mrs. Carl Neppach, Jr., Mr. and Mrs. Richard H. Campbell, Mr. and Mrs. Roland A. Mewhort and Mr. and Mrs. Joseph P. Smith, Jr.

Among Pointers with reservations were the Carl E. Larsons, W. Harold Lightbodies, Leslie G. Wrigleys, William D. Cohans, Jerome F. Driscolls, George L. Johnstons and the Robert Stockwells.

Mr. and Mrs. Bill O. Brink had Mr. and Mrs. David

GOP Women Hold Meeting

The Women's Republican Club of Grosse Pointe held its May meeting Monday, May 17, in the Crystal Ballroom of the Grosse Pointe War Memorial. Three hundred and fifty Grosse Pointers and friends gathered to hear the address of John A. Stormer, author of the best selling book, "None Dare Call It Treason." The book has sold seven million copies, ranking it the fifth largest selling book ever written.

Mr. Stormer, in his talk entitled "I Saw It In The Newspaper," observed that, while probably 97 per cent of Americans agree that communism is a threat to freedom, they have been led to believe naively that if free people show them no provocation, communists will leave them alone. He said that while belief in this deceitful idea has been promoted, 800 million persons have been taken into captivity.

The speaker proposed that the reading American use his daily newspaper to search out the facts and ponder the course which his country seems to be taking. As an example he showed a page of a recent edition of a leading newspaper, which on one side carried a story of Premier Kosygin traveling to Hanoi to offer war materials to the Viet Cong and on the other a story of President Johnson proposing "discussions unlimited" with Premier Kosygin.

"A nation can't be any better than the people in it," he observed, and also stated that our nation seems to be suffering from an "inner sickness" and that its creed too often seems to be expediency. He suggested that the real difference between communists and free people is a spiritual difference. For communists there is no God and all that matters is here and now, while in the United States, a Christian nation, life is based upon faith in God and a life hereafter. It is possible, he believes, that this same materialism has crept into the thinking of the modern theologian who questions the authenticity of the miracles, including the resurrection, and could, as a result, question Divine Power to save his own soul.

He quoted the adage, "Morality, when vigorously applied, sees farther than intellect," and told his audience that their task was of education for personal spiritual renewal for all Americans.

In the question period after the address, Mr. Stormer said that while President Johnson's foreign policy today seems more like that of Senator Goldwater six months ago than his own, he will only believe the seriousness of the President's convictions and that his present stand is more than just a false show, when he stops trade which provides the Soviet Union with materials and tools to help build their war machine and eventually take American lives.

Care of Sick Course Offered

Enroll in the course "Care of the Sick and Injured" and learn skills that will ease your burden when you must care for the sick at home.

The course is being given at the Grosse Pointe War Memorial Association, in cooperation with the Detroit Chapter of the American Red Cross. Classes are being held on Thursday afternoons from 1 to 3 o'clock in the Center's recreation room.

Those enrolling in this course will learn to improvise such helpful items as steam inhalators which are marvelous for colds and throat irritations, and compresses which do not burn. Class members will also be taught how to make sick room slippers and disposal bags out of newspapers, and how to utilize a blanket as a bathrobe. They will learn how to make a cardboard box double as a back rest or foot support.

Diets, giving of medicines, and carrying out of doctor's orders are also included in this course. These are valuable skills to learn, not only for one's own family, but place a person in a position to help the community in case of disaster.

Plans for the International Ball, scheduled to be held at Cobo Hall on Friday evening, June 11, are progressing.

The ball, staged under the auspices of the International Institute, will be set in a lovely palace garden, shimmering in the rosy hue of being literally "in the pink" against a background of fresh greens and garden statuary. Guests will be serenaded by strutting troubadours strumming Balalaikas.

During the evening, seated at pink topped tables abloom with myriads of pink balloons rising from king-sized playing card houses, depicting the royal palace, guests will enjoy the intermittent performances of nationality folk dancing by ethnic groups, as well as dancing to be music of Al Navarro and his orchestra.

Gov. and Mrs. George Romney and Mayor and Mrs. Jerome P. Cavanaugh have been invited to serve as honorary chairmen of the event, to be held from 9 until 1 o'clock.

Mrs. Walter L. Cisler, of Devonshire road, is a member of the patrons' committee. CENTER of attraction at Purdy & Edgar's May cottillon, where some of the Pointe's finest homes are presented. Let one of our salesmen wait for you through this center hall colonial which boasts four family bedrooms and two and one half baths. Sit one out in the secluded library or on the gigantic screened terrace. Let's not talk price. This is a party.

MAY WE CUT IN and dazzle you with some fancy footwork which will lead us to this new listing on Merriweather Road. What a ball you'll have being seen in this one. You look especially fetching in your sparkling Mutschler kitchen. Six bedrooms upstairs in which to rest tired bodies. After the ball is over this is the place you will want to come home to.

AS NEW AS the Watusi, Monkey, or Swim, and any Jerk can see that this four bedroom colonial is "with it" when it comes to being right up to date. Take a swing up Duval Road and gander at this fresh new one if you covet an arrangement with something young.

NO WALLFLOWER this one. This classic was built around the time the Charleston was in vogue and is still flapping around. You're sure to clap your hands and stomp your feet when we step you around this larger home on Lewiston Road. Five family bedrooms should be sufficient, even two more for maids if they be efficient.

SH-H-h...Don't tell a soul!!!...at least we hope no one did 'til after last Saturday at 7:30 o'clock evening time when Lynne Egan was surprised by 20 friends avec gentil-hommes at the Grosse Pointe Yacht Club. The occasion was Lynne's sweet sixteenth birthday celebration. The conspiracy, organized six weeks ago, included elephant-size "It's a surprise" invitations to the girls, and including male escorts, (preferably not fathers). Entertaining the young couples were the five-piece Monocles, a special orchestra of Grosse Pointe High School friends. The "orchestra," a group that plays at high school dances, swung out with four guitars and an organ. On the chow time side were old favorites: hamburgers, pop, and, of course, birthday cake. In charge of a great deal of the planning, besides dear ol' Mom Egan, and the replies, were friends Paula Blosser and Sue Ryan. Happy Birthday, Lynne!

Certainly not a secret are the festivities scheduled for this weekend at the Little Club. Activities kicking off the tennis season commence with a dinner and dance Saturday night with orchestrations scheduled to begin around 9 o'clock. Pre-parties include those being held by Mr. and Mrs. John B. Ford III (a cocktail party and subscription dinner), and Mr. and Mrs. Alex Wiener. Pete Baltruss and his orchestra will provide music for the evening. Sunday morning preceding the seventh annual exhibition tennis match will be a champagne brunch, noontime, at the club. Prior to the brunch will be cocktail parties hosted by Mr. and Mrs. Lawrence Gofredson, Mr. and Mrs. Bruce Daveport, and Mrs. Jeremiah V. Jenks. The tennis match itself, a doubles affair, will be Ray Sankowski, ranking U.S. amateur, with Don Fontana, former captain of the Canadian Davis Cup team, against Richard Johnson and Robert Engles, the number one doubles team at Kalamazoo College. Tennis enthusiasts of the Country Club of Detroit, the Indian Village Tennis Club, the Grosse Pointe Hunt Club, and the Birmingham Athletic Club have been invited.

It must indeed be wonderful to be young and know such delightful creatures comme icky-loos and imples as does Defer fifth grader Diane Potthoff.

Spirits away as alumnae from the Sacred Heart Convents in Grosse Pointe and Bloomfield Hills charge off to Chicago next Monday. There, Barat College will be the scene of alumnae get-together-ness as women converge from all over the U. S. and Canada. This 15th Biennial Conference of the Associated Alumnae of the Sacred Heart is a most special meeting as it coincides with the 100th anniversary of the death of St. Madeline Sophie Barat, who founded the Society of the Sacred Heart. In attendance will be Mrs. Arthur Seski, Mrs. Philip Weiss, Mrs. Edward Shumaker, Mrs. Joseph Mengden, and Mrs. William H. Griffith. Among the mothers and daughters going will be Mrs. Frank Gorman with daughters Mrs. Edward Mayer and Mrs. John Morgan, and Mrs. Frank J. Weston with daughter Mrs. John Hastings. Of special interest this year will be reports on work of alumnae among the poor and underprivileged, and in disaster areas.

Baby Sitter: "But you don't know how to write."

St. Paul Students Farms Submits Award Winners Building Report

Dan Barrett, seventh grade pupil at St. Paul Grade School, has received word that his 1500-word essay entitled: "Color Perception in Fish," has won a silver plaque in the Ford-Future Scientists of America competition sponsored by the Ford Motor Company and conducted by the National Science Teachers Association.

The essay, which included pictures and graphs, was based on Dan's science experiment with fish, an experiment which he first entered in St. Paul School's science fair. Later, he took his experiment to the city fair at Cobo Hall where he won an outstanding citation.

Dan's science teacher, Miss Cathy Reiss, and the high school science department head, Sister Thomas Mary, both felt that the experiment deserved complete reportage. Dan prepared his report and a silver plaque followed.

Another award winner at St. Paul's was Sue Lykins, junior, who received an honorable mention in the same competition for her essay entitled: "Catalytic Poisoning of Manganese Dioxide."

Dan and Sue along with Bruce Doubles, Beth Hollerbach, Mary Ann Kojeski, David Webb, Bill Alexander, and Cynthia Carter, juniors from St. Paul High School, will present their papers at the Michigan Junior Academy of Science meeting to be held on Friday and Saturday, May 14 and 15, at Michigan State University in Lansing.

The 12 construction permits approved by the Farms Building Department last month, carried a higher value than the 15 permits issued in April 1964, according to a monthly report released by John A. DeFoe, assistant city engineer.

DeFoe's report revealed that four residential permits for homes valued at a total of \$215,000, and eight permits for miscellaneous construction valued at a total of \$19,000, were granted by his department last month.

This compares to two permits for construction of homes valued at \$97,000, and 13 miscellaneous permits for construction valued at a total of \$35,400, in April of last year.

From January 1 through April 30 of this year, the Farms approved permits for five residences, which together are valued at a total of \$285,000; one permit for a commercial building, valued at a total of \$35,000. One permit was granted for nonassessable property valued at \$179,138.

From January 1 through April 30, 1964, five permits for residences valued at a total of \$277,000, were approved, none for commercial, and 30 miscellaneous, for property valued at a total of \$99,700. There were no nonassessable permits granted during this period.

The four permits granted last month were for a \$43,000 home at 358 Chalfonte; a \$64,000 home at 407 Lake Shore; a \$55,000 home at 11 Carmel lane; and a \$63,000 home at 262 Grosse Pointe boulevard.

Pointers of Interest

DR. RALPH RUPP, OF BEACONSFIELD AVENUE, AND SON DICK

By Kathy Dickson

Dr. Ralph Rupp, a striving young Grosse Pointer, is an active participant in this year's Better Hearing Month. His work here fits hand and glove with his professional occupation as an audiologist at Henry Ford Hospital.

As an audiologist, (one who specializes in the field of hearing, and particularly in the evaluation of hearing impairments), Dr. Rupp evaluates, through the use of portable and clinical audiometers designed to produce pure tones similar to C's on a piano, hearing losses for the extent and type of hearing impairment patients have. Audiologists like Dr. Rupp work most often as a team with otologists, (physicians who are specialists in diseases and disorders of the ear), to rehabilitate patients both medically and nonmedically.

Much of Dr. Rupp's interest and activity in life has been involved with ears, hearing, and hearing impairments. He first became interested in the field as a result of his father's hearing impairment. A second incentive to his majoring in audiology and speech correction was his first speech science course at the University of Michigan where he received his Bachelor of Arts in 1951 and his Master of Arts in 1952.

Have Common Interest
It was also through his interest in hearing that Dr. Rupp met his wife, Jane. When they were both juniors at the U of M, she sat behind him in a speech correction class. Before they were married in June of 1955, Dr. Rupp and his wife taught several summers together at the University of Michigan speech improvement Camp, Shady Trails; they again taught at Shady Trails after they were married. They also worked together as hearing consultants in the Detroit Public Schools as probably the only husband and wife hearing screening team in the history of the school system. In one year they tested over 10,000 ears (or rather pairs of ears!).

Prior to joining the staff of Henry Ford Hospital in July of 1962, Dr. Rupp was Executive Center, a Torch Drive agency designed primarily to advise clients as to things they could do toward meeting the challenge of their hearing improvements.

Better Hearing Month
As part of "May is Better Hearing Month," Dr. Rupp is speaking on radio and television several times. Just yesterday he appeared as a guest lecturer for a sixth grade health series on Channel 36. Other projects to help inform the nation through a community level as to what can be done about hearing losses include proclamations by President Johnson, Governor Romney, and Mayor Cavanagh, and billboard advertisements, such as the Michigan Consolidated Gas Co. flasher. The national chairman for the month is Joan Fontaine. A couple of years ago, the national chairman was Nannette Fabray, who herself has a hearing loss.

It has been shown that it takes the average person five years to do something about his hearing loss after he first discovers it.

Has Earned Doctorate
For the past seven years, Dr. Rupp has spent a great deal of his time working towards earning his Doctorate from Wayne State University. He finally, did receive it last December, a Doctorate of Philosophy in speech correction, science and audiology.

Through his many years of studies, Dr. Rupp has become quite an author. He has written professional articles for Industrial Medicine and Surgery, Michigan Hearing, American Hearing Society Hearing News, and the Detroit Hearing Center Information Bulletins. Impressive sounding titles include "Neu-

rosensory Hearing Loss Due to Acoustic Trauma: Hearing Aid Evaluation," and "An Introductory Survey of the Literature on Auditory Training."

Last November, Dr. Rupp flew to San Francisco to present one of these papers before the national convention of the American Speech and Hearing Association. Among his other professional activities, he is a past president of the Michigan Speech and Hearing Association, a delegate to the A.S.H.A. House of State Delegates, a member of the Advisory Council of the Central State Speech Association, and an associate member of the Detroit Oto-Laryngological Society.

In between cramming for finals, writing term papers and scientific articles, Dr. Rupp and his wife have completely redecorated their Beaconsfield avenue home from "basement to second floor," with the help of their two sons: Dick, 6, a first grader at Defer, and Dave, 4, a Kindergarten hopeful.

Big Glass Project
One of their redecoration projects was taking out all the leaded glass in the living room. It is now finished in a uniquely Ralph Rupp and Family style with an ivory and gold color scheme and traditional furniture, highlighted by trip collections and inheritances.

A major portion of the inheritances includes a series of original paintings adorning two walls of the Rupp's staircase. The paintings were created by his grandfather, Carl Schlickum, a political expatriate from Germany at the time of Bismarck. The 23 or 24 pieces, dating back to 1838, are mostly pen and ink. In addition there are one pen and ink and water color combined, and one oil. The Rupp's also have a modern oil done by a local artist and presented to Dr. Rupp when he resigned as Director of the Detroit Hearing Center.

Another inheritance is a violin that has been in the family for more than 50 years, (ever since his father lent \$5 to a down-and-out musician who never returned for his instrument). Years ago a violinist friend came over and saw the violin, and had it appraised. The appraisal only told the Rupp's that the mother of pearl handle had ruined the tone of the instrument, rendering it worthless.

Memento from Trips
Other bits of decor in the living room are mementos from trips the Rupp's have made to various parts of the country. A little china horse is a souvenir from Cleveland. A clay deer, though Mexican, is from San Francisco. Dr. Rupp explained that, "You are supposed to grow grass in them but we never got around to planting any. Who wants a grassbacked deer, anyway?"

Trips around the country are another facet of family endeavor. Last summer they spent two weeks in Northern Michigan and this summer had planned to travel to Williamsburg, Va., but plans yet are still indefinite. "Now that I am finished with school, we hope to devote summertime to 'seeing America first'."

Have Many Hobbies
Even if the Rupp's don't make it to Virginia, they will enjoy family activities that they haven't had time for before, such as baseball practice with the two future Little Leaguers of the house, flying kites, (per Easter vacation), collecting coins, (Indian Heads and current Mint Series), as well as Dr. and Mrs. Rupp's continuing project of

redecorating the house. When the boys get old enough, there will always be tennis and swimming with dad, Dr. Rupp's favorite participation sports.

Even learning new words is a family project. Like Supercalifragilisticexpialidocious. Dick and Dave can say it backwards. It's a secret, but Dr. Rupp can, too.

Lt. Henry L. Ritter At Ft. Belvoir, Va.

Second Lt. Henry L. Ritter, son of Mr. and Mrs. R. J. Ritter, 387 Chalfonte avenue, completed a nine-week engineer officer basic course at the Army Engineer School, Fort Belvoir, Va., May 14.

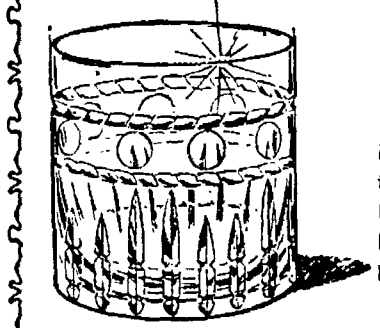

The 23-year-old officer is a 1959 graduate of Austin Catholic Preparatory School in Detroit, Mich., and received a bachelor's degree in 1963 and a master's degree in 1965 from the University of Notre Dame, (Ind.).

Mutschler cabinets of resilient hardwood can take a great deal of punishment and still look beautiful years and years from now.
