WITH VOTER APPROVAL and Senate passage, the Sunday sale of liquor in Wayne County will be legal. A 55-44 vote, the minimum needed for passage, in the House Wednesday moved the bill up to the Senate. A similar bill passed by the House last year died in the Senate Liquor Committee. If passed, the bill would allow liquor to be sold from 2 p.m. to midnight on Sunday in any community in Wayne County now permitting the sale of liquor on weekends.

THE U.S. SENATE yesterday passed, after weathering a bitter Southern assault, President Johnson's Negro voting rights bill. Johnson's top priority measure passed on to the House after a 77-19 roll call vote. The vote came following 25 days of debate.

POLICE COMMISSIONER Ray Girardin blasted Detroit Common Council Thursday for giving his department a "Gestapo" image. He had been summoned before the Council to explain his handling of a recent disciplinary case and to say whether police kept secret files on political figures. While still complaining of past criticism, Councilman Mary Beck produced a letter charging that a Wayne State Security officer obtained information from a now retired police inspector. Girardin said he would investigate.

ASTRONAUT EDWARD H. WHITE will leave the orbiting Gemini capsule next week to take a self-propelled flight through space. Officials disclosed Friday. He will approach and possibly touch another satellite and snap a series of pictures. Space agency officials said that White and pilot James A. McDivitt will try to rendezvous their craft with the burned-out Titan 2 second stage rocket that put them in orbit.

A YOUNG PRISON farm fugitive, Clifford West, 19, kidnapped a Michigan State Police trooper at gunpoint Saturday and held him captive in his stolen car while he led a motorcade of pursuing police on an hour-long chase at speeds up to 100 miles an hour. The chase began near Erie, Mich., and ended in Fremont, O., when the trooper grabbed the wheel of the car causing it to crash into a utility pole. The two suffered only minor injuries. Police then swarmed over the wreck, arresting West and charging him with kidnapping and assault with intent to murder.

A NEW BATTLE flared in Santo Domingo Saturday as rebel and junta forces fought a fierce gunfight near the National Palace. The palace was in possession of junta forces, but was entirely surrounded by rebels under the command of Col. Francisco Caamano Dengo. The fight endangered a battalion of the 35th U. S. Infantry but there were no reports of casualties. The OAS is attempting to extend the U.S.-patrolled security zone to include the palace.

THE BRITISH GOVERNMENT received word from Peking that Chinese Communist leader Mao Tse-tung may have been felled by a stroke. The leader, who has not been seen publicly for seven weeks, is 71. Other sources say he is in good health and attended a high Communist Party meeting in Peking Sunday.

Tuesday, June 1

AT THE UNITED STATES Conference of Mayors, held in St. Louis Monday, a movement demanding that elected officials of cities become the generals in full control of the war on poverty swept the meeting. A faction of mayors pressed for a resolution blasting the Federal government for giving new powers to private nonprofit organizations and "would-be spokesmen for the poor."

Rotary Foundation Helps Two Hospitals

The Grosse Pointe Rotary Club has donated approximately \$2,000 from its Foundation funds to provide items needed by Bon Secours and Cottage Hospitals. The former will use the money to buy an electrophoretic analyzer, and the latter a stretcher bed for the emergency room. Present for the presentation at a luncheon meeting of the club in Fries

Auditorium, were, left to right: MILTON VOLKENS, HERBERT J. BAKER, SISTER JOHN ANDREW, BON Secours director; MISS CAROLYN WICKS, Cottage administrator; SISTER MARY GERTRUDE, Bon Secours administrator; and CLARENCE HONKANEN, Cottage administrator.

HS Concert, Social Set For Friday

Seventh Annual Traditional Event Starts at 6:30; Band Alumni to Participate

The seventh annual outdoor community band concert and ice cream social has been scheduled for 6:30 p.m. on Friday, June 4. Sponsored by the High School Band and Orchestra Parents' Club, the event is slated for the front lawn of Grosse Pointe High School.

The concert will have all the trimmings of an old-fashioned home-town band concert. Ice cream and strawberries will be served by the men of the parents' club under the direction of chairman Robert Kefgen.

The first half of the concert will, as always, feature the Grosse Pointe High School Symphony Band playing a program of light music designed for outdoor listening. A highlight of the evening will feature returning alumni of the Symphony Band as they combine with the Symphony Band and High School Concert Band for the second and final half of the evening's entertainment.

All alumni have a special invitation to take their instruments and once again play with the Symphony Band.

Harry C. Pratt, president of the Band and Orchestra Parents' Club, says that the community venture is staged to bring the Pointe community together for an evening of music and socializing.

The concert is open to the public without charge.

Pointe Residents Swarm To Their Lakefront Parks On Long Holiday Weekend

Farms Swimming Pool and Shores Parking Lot Incomplete; Expect Projects to Be Finished This Week

Pointers by the thousands took advantage of the long holiday weekend, May 29 through 31, and flocked to their respective municipal parks.

The eager Farms residents who swarmed to their Pier Park at the foot of Moross road, to get at least a glimpse of the new municipal pool, got just that, according to Ed Lauers, recreation director. The damp and rainy weather last week made it prohibitive for the pool contractor to apply a special type plaster in the pool.

At least 48 hours of clear, dry weather is needed before the plaster can be applied, it was disclosed by City Manager Andrew Bremer, Jr., so that the plaster can dry to the proper hardness. Otherwise, he pointed out, dampness and rain will ruin the plaster, and it will have to be removed, and a new batch applied.

Monday Biggest Day However, it was disclosed by Lauers, a total of 8,379 persons attended the park for the long Memorial Day weekend, and those who wanted to swim, used Lake St. Clair.

The recreation director said that the opening day, May 29, saw 1,700 persons in the park; Sunday, the number was 2,850; and Monday, 3,829.

The attendance at the Park's waterfront park, at the foot of Alter road, was very low, with

TREE DAMAGES CAR

Edward H. Behrmd, of 22916 California, St. Clair Shores, reported to City police Wednesday, May 26, that while driving east on East Jefferson avenue, near Washington road, a large tree limb fell on the front of his car damaging the front and hood.

Roland W. Sherman Named 1965 Presidential Scholar

Roland W. Sherman, 16, son of Mr. and Mrs. Arthur G. Sherman, Jr., 79 Hawthorne road, has been named by President Lyndon B. Johnson as a "Presidential Scholar of 1965."

Roland, who will graduate from Grosse Pointe High School on June 17, is among 121 secondary school students from throughout the nation who were singled out for this honor.

Roland and Marie Carr of Flint, the only other Michigan winner, will be among the group of 63 boys and 58 girls named to the second class of Presidential Scholars who will be received by President and Mrs. Johnson at the White House on June 8.

The winners will receive a bronze medallion bearing the legend, "Presidential Scholar of 1965." President Johnson will

personally make the presentations of the medallion to each student. A reception and entertainment at the White House that evening will follow.

Roland's parents will attend the official presentation ceremony at the White House. Roland will meet the other Presidential Scholars at an informal reception on Monday evening, June 7. The group will be housed at Georgetown University during their stay in Washington.

The program of Presidential Scholars was created by President Johnson last year to bring to public attention the national resources available in the trained intelligence of young Americans.

Roland, who has made an outstanding academic and extracurricular record, is an

a three-day total numbering 2,860 persons. Saturday's attendance was 263; Sunday's, 1,018; and the final day, 1,379.

Three young misses could not resist using the municipal pool in the park, and were the first to go swimming, in spite of the 45-degree temperature in the weather; and the 52-degree temperature of the pool water.

The brave young "Polar Bears" are, Donna Boyce, 11, of 1171 Bedford; Loretta Maher, 11, of 1051 Berkshire; and Donna Mueller, 10, of 1001 Berkshire. They shivered, but had a good time.

Shun Woods Pool The total number of persons who attended the Woods lake-front park, in Jefferson avenue, in St. Clair Shores, was set at 5,814, with the lowest attendance, 457, recorded for Saturday. No one used the municipal swimming pool, or went swimming in the lake.

Of the 2,141 persons who went to the park on Sunday, 150 made use of the pool; and of the 3,206 in attendance on Monday, approximately 400 took a dip in the facility.

No attendance count at the Shores' George Osius Park was taken during the three-day holiday weekend, it was disclosed, because of confusion created by work still being done on the new parking lot. It should be completed this week.

Use Heated Pool

Although no official count was taken, it was revealed that the park was well attended over the long holiday weekend. It was also disclosed that residents and their guests made good use of the municipal swimming pool, with water heated to the right temperature. Swimming at the park has been in progress since May 17, it was said.

No attendance figures were available from the City's Robert P. Neff Memorial Park.

HUBCAPS STOLEN

John J. Carmona of 19462 Coyle, Detroit, called Farms police on Thursday, May 27, and disclosed that an unknown thief stole four 14-inch wire hubcaps from his car, parked in the free section of the municipal parking lot at the rear of the Hill District. The value of the hubcaps total \$80.

INJURED IN FALL

Evelyn Vernier, 58, of 864 Rivard boulevard, was transported by City police to Bon Secours Hospital where she was treated for an injured back. She had suffered the injury after falling down the stairs in her home.

Waldron Hits Greedy Dem Lawmakers

Calls Action of Representatives in Granting Selves Salary Hike, Slap at People

By Robert Waldron
Minority Leader
House of Representatives

"I fear a democracy cannot endure for long because sooner or later the people will discover it is possible to vote themselves a piece of the treasury . . . and they will do so with such enthusiasm that they will bankrupt the government."

The only difference between this statement by Plato and what the Michigan Legislature has been doing of late is that in the current situation it's not the people who are raiding the treasury, it is their elected representatives. The people will have to pay.

As we move into the last few weeks of this session, much concern is being expressed about what will turn out to be the highest level of state spending in history. The Governor proposed a record budget of \$788 million, but the majority party has seen fit to add at least another \$58 million on top of that. All of this comes amid the continued refusal of majority leaders to face up to a tax reform program or adequate tax increases to pay for these spending programs.

Not satisfied with the fiscal dilemma his party is creating, the Democrat floor leader pushed through a \$5,000 pay raise for legislators. Described by Governor Romney and others

Robbers Foiled At Two Homes

City police officers are investigating two apparent break-ins and entering attempts over the weekend.

A babysitter for the John Wims of 407 Lincoln road, reported to City police Friday night that someone had just tried to enter the house through an upstairs bedroom. She had heard a noise, turned on a light in the bedroom, and saw the shadow of a person outside the window. She then heard him jump to the ground.

Police said after investigating that the burglar had been trying to get the screen off when discovered by the babysitter, Mrs. Sleeper.

On Monday, Robert Callaway, of 611 Fisher road, reported that someone had tried to enter his home through a front living room window, sometime Sunday or early Monday. The screen had been clipped and plants underneath the window were trampled. No entry was accomplished and the inside window was locked.

Disposal Authority Partners Agree on 2 Separate Plans

Articles of Incorporation Being Amended to Permit Bond Issue Financing or Letting Private Contractor Build Incinerator

The councils of the Park, Farms, City and Clinton Township, partners in the Grosse Pointes-Clinton Refuse Disposal Authority, have unanimously agreed to an amendment in the Authority's Articles of Incorporation, according to an official statement released by Murray M. Smith, Authority manager, on Thursday, May 27.

Smith, retired Farms city engineer, disclosed on Thursday, that Township officials agreed to the amendment on Monday, May 24, the same day that officials of the Park, Farms and City entered their consent. Information was withheld pending confirmation from the Township, it was said.

The amendment permits the Authority, if it so chooses, to raise monies through a bond issue to build an incinerator plant on Authority-owned land at Fourteen and a Half Mile road and Quinn road, in Clinton Township, or, have the plant built by a contracting firm, which will operate the plant for 20 years, after which the plant will be turned over to the Authority, free and clear.

Smith said that the Authority's Board of Directors, of which Ledyard Mitchell, Jr., former Farms councilman, is chairman, has authorized plans for the taking of bids on the designing, financing, building and operating of an incinerator plant at the Clinton Township site.

Set Three Prices The Board of Directors has approved the offering of alternate bids on plans and specifications, for a 250-ton plant, 300-ton plant, and a 600-ton plant. The estimated cost price of the plants, range from \$1.5 million to \$2 million, Smith disclosed.

The other members of the Board of Directors, besides Mitchell, are James E. Means (Township), vice chairman; John A. Doelle (Park), secretary; Robert E. Ryan (Township), treasurer; G. Gordon Cook (City), assistant treasurer; and Charles R. Towner (Township) Authority attorney.

Smith said that a relatively new method of approach to incineration is presently being carried out in St. Petersburg, Fla., and in other cities, called the "Contract Method." Under this method the communities prepare detailed contract specifications for the type and size of plant suited to their needs, and then take bids from a contractor under private enterprise for the design, financing, building and operating of a plant at a unit price a ton.

Cities Give Guarantee

Under this arrangement, the cities guarantee to pay the bid price per ton on a minimum daily tonnage of refuse to be burned five days a week, 260 days per year, for 20 years.

The contractor in turn guarantees, under a performance bond, to build and operate the plant and to serve the communities' daily disposal needs at the bid price per ton, and at the end of 20 years to release the plant to the communities, free and clear and in good operating condition.

The Authority's Board of Directors has decided to proceed

Clinic Day Dinner Held At Bon Secours Hospital

"The United States Air Force goes to extreme lengths to save lives and prevent injury to personnel in aerospace activities," stated Colonel Evan R. Goltra, USAF, MC at the 17th Annual Clinic Day Dinner of Bon Secours Hospital on Wednesday, May 26.

Colonel Goltra is Chief of the Multienvironment Division of the Aerospace Medical Research Laboratories at Wright-Patterson Air Force Base, Ohio, where many sophisticated experiments in life preservation are being carried out. He was speaking to the staff and guests of the hospital in the evening at which original papers were read by members of the house staff and the attending staff.

Candidates Have Chance To Be Heard

League of Women Voters Arranges Forum for Aspirants to School Board Trusteeship

The candidates seeking election to the Grosse Pointe Board of Education will participate in a Candidates Forum on Tuesday, June 8 at the Grosse Pointe War Memorial Center.

The Forum, beginning at 8 p.m. in Fries Auditorium, is sponsored by the League of Women Voters of Grosse Pointe. Co-sponsors are the Grosse Pointe War Memorial Center and the Grosse Pointe Mothers' Club.

The candidates participating are Edward Pomranch, who is seeking reelection, and Allan Neef, Thomas E. Candler, John T. Short, George D. Henry, and David Rieske. Two posts on the Board of Education will be filled at the election on Monday, June 14.

Each candidate will make a 10-minute statement regarding his qualifications and what he hopes to accomplish as a member of the Board. Following the candidates' statements, written questions will be accepted from the audience.

Mrs. Leonard Slown, a member of the board of directors of the League of Women Voters of Grosse Pointe, will serve as moderator. Mrs. Jack Still, another member of the League Board, will be time keeper. League members will serve as hostesses.

Sponsoring meetings where the voting public has an opportunity to meet and question candidates running for office is a basic activity of the League of Women Voters. Mrs. Kenneth Pitts, Voters Service chairman, is arranging the Forum.

This meeting is open to the public, Mrs. Pitts explains, and she urges voters to take advantage of the opportunity to get acquainted with the candidates so they may cast informed votes.

REPORTS LARCENY

Mrs. Sherman Mitchell of 62 Cloverly road, informed Farms police on Monday, May 31, that thieves removed two expensive marble urns from a vacant property at 249 Lake Shore road. The urns are about 30 inches high, and are valued at \$250 apiece. The thieves left the bases for the urns, she said.

Delivery Boy Robbed of \$88

A 16-year-old Detroit pizza delivery boy was held up in the side drive of a Park home early Tuesday morning, June 1, and robbed of \$88, according to information given to Park police.

The victim of the holdup, Douglas Borsia, of 2604 Lakewood, told police, that he is employed by the Carmen Pizzeria, 14618 Mack, Detroit, and that he was dispatched to deliver a pizza ordered for 976 Lakepointe. The person who ordered the pizza requested that it be delivered to the side drive.

The youth said that when he entered the side drive, he was met by two men, who appeared to be in their late twenties, one with a baseball bat in his hand, the other with a knife.

Borsia said that one of the thugs ordered him to "Just keep walking," and when he reached the rear of the building, they demanded he hand over all of the money in his pocket.

4,584 Donors Give \$75,628 In Campaign

Records Set for Both Number of Givers and Total Raised; Officers Thank Contributors

The Grosse Pointe War Memorial's 1965 Family Participation Campaign reached its goal of \$75,000 on Saturday, May 29, before the target date of Memorial Day. By Saturday, \$75,628.08 had been received from 4,584 donors as compared to \$73,354.81 received from 4,397 givers by May 29, 1964.

Theodore H. Mecke Jr., president of the board of directors of the War Memorial Association was delighted. He said: "This represents an all time record of support for the Center. I am immensely pleased not only with the amount given, but even more with the increase in number of families participating. To each and every one of the 4,584 families who gave so generously we of the Memorial Board want to express our warmest thanks."

The Centers' new fiscal year begins August 1. The success of the campaign guarantees operation of the Memorial Center through July 1966.

Many families the Center's volunteer workers have spoken to over the phone have indicated their contributions are on the way in, so Mark Stevens, 1965 campaign chairman, looks for a still greater increase in both receipts and numbers of donors.

Gifts are gratefully received throughout the year and are always tax-deductible. Additional donors, whose names not been previously published, are listed. It has been impossible for the NEWS to carry all the names of the contributors as soon as they were received, because of space limitations. All the names have been set in type and will appear as soon as possible.

under the Contract Method, at least up to the point of taking bids, and have employed Glace and Glace, Consulting Engineers, who have handled the engineering for the St. Petersburg plant.

Cite Schedule

The present time schedule calls for completion of the specifications by June 1, Smith said, advertising for bids in June, and the opening of the bids by June 29, at the Farms Municipal Building.

The specifications permit the Authority to hold the bids for 90 days, during which time the Authority plans to negotiate contracts with other interested communities to make up the tonnage needed to operate on an efficient basis. The Shores, Woods and Harper Woods have expressed an interest in the plan.

Smith said that the taking of bids will give the Authority the information with which it can approach outside communities.

The present four-community members propose to retain full control of the Authority, and if bids are satisfactory, to contract with the low bidder to design, build, finance and operate an incinerator plant with a minimum guaranteed daily tonnage for a period of 20 years.

Outside contracting communities will be required to guarantee daily tonnage amounts under long term contracts, which would commit them under proper ordinances and legally protect the Authority.

Want Rids Broken Down

The Authority manager said that the bidder will be required to break down his bid per ton, into financing and operating costs, thereby permitting the Authority to determine which method serves its best interest, and making it possible for the Authority to reject all bids and start over again under the bond

issue method.

A change to the bond issue method, Smith said, would mean some loss in time, but the legal and engineering costs would be mainly recovered as preliminary expenses, which would have to be incurred in either case.

The need for a Refuse-Disposal Authority to serve the Pointes and Clinton Township was recognized as far back as 1952.

In January 1962, the four-community partners took up option to buy the 74-acre Hartman Property in Quinn road.

In July 1962, an Articles of Incorporation meeting was held by the Authority, to adopt the articles and to elect officials, who are still guiding the Authority today.

The Hartman Property was purchased under a land contract for \$205,000, with a down payment of \$59,450 made on October 23, 1962, with the balance paid off on May 7, 1963, and proceeds from a bond issue approved by the Michigan Municipal Finance Commission on March 12, 1963.

A Refuse-Disposal Service Agreement was signed between the Authority and the Park, Farms and City on December 12, 1962; and between the Authority and the Township on July 9, 1963.

The Authority has a contract with a mining firm, whereby the firm agrees to mine 100,000 cubic yards of gravel annually, from a gravel pit on the Hartman property, and pay the Authority a royalty of 25 cents a cubic yard.

There is still about a million cubic yards of gravel yet unmined in the property, it is believed.

tracurricular career at Grosse Pointe High School plans to attend Swarthmore College in Pennsylvania next year. Three pieces of his writing were selected for inclusion in the 1965 edition of *Proem*, the literary magazine of Grosse Pointe High School.

Roland is also a winner of a National Merit Scholarship.

The award winners were selected by a commission headed by Dr. Milton Eisenhower, president of Johns Hopkins University. The National Merit Scholarship Corporation assists the commission. Roland was notified of his award by telegram on Saturday. A letter from John M. Stalnaker, Executive Director of the Commission on Presidential Scholars, followed with details of arrangements for the forthcoming award.

Woman Reports Jewelry Missing

Several pieces of jewelry were reported missing by Mrs. Ellen Dossin, 36, of 737 Shoreham, who told Woods police on Saturday, May 29, that the last she saw the items was on Wednesday, May 26, when she wore them for the evening.

Mrs. Dossin said she discovered the jewelry missing when she went to her bedroom dresser to don the pieces, and found her see-through jewelry box empty. Value of the missing pieces total \$2,790, she said.

Investigating officers said there was no evidence of forcible entry into the house.

Missing, Mrs. Dossin told police, are a white gold multi-diamond wrist watch, valued at \$100; another watch, valued at \$30; a white gold dinner ring, with three diamonds, the middle gem weighing about a half-carat, valued at \$1,000; a diamond solitaire ring, with one carat diamond and two small diamonds, one on each side; valued at \$1,500; and a yellow gold charm bracelet, valued at \$180.

Dems Rapped

(Continued from Page 1)

as excessive and unjustified, this move simply highlights the arrogant attitude of the majority party and their complete disregard for the interests of Michigan taxpayers.

If the pay increases pass the Senate, it would mean that \$10,000 in pay raises have been passed since 1962. We started this session at a pay rate which is the highest in the nation and it is difficult to determine what is so great about this year's Legislature that would warrant a further increase. It certainly cannot be the quality of legislation nor the pace of adequate deliberations. Both of these factors continue at an all time low.

The only answer can be found in the self perpetuating approach of the majority party which reveals itself in a variety of proposals such as this. The pay raise, combined with other measures which would double legislators' pensions, extend House terms to four years and undermine election laws, clearly shows that the real interest of the majority is for themselves and not for the people of Michigan.

Let the record be made very clear. I, along with 36 other Republicans voted against the pay raise. Fifty-one Democrats voted for it.

Governor Romney is certain to veto the increase. The day after the raise was railroaded through he said, "Ironically the highest paid legislature in the country is proposing another salary increase before it has shown by action that it is capable of fiscal responsibility and is prepared to achieve needed tax reform. If we are threatened with a return to a deficit period, it is vital that we hold down every unnecessary expenditure and put priorities on the most essential areas of state service."

At the dinner, Matthew Devine, 800 Notre Dame, the 13-year-old scientist of Pierce Junior High School who is interested in rocket and aerospace problems, was introduced to the group. Colonel Gottra complimented Matthew on his investigations and carefully drawn conclusions and invited him to visit the Aerospace Medical Research Laboratories.

The James S. Holden Awards were presented by the chairman of the judges committee, Dr. Paul T. Chapman, for original scientific papers by interns and residents of the hospital.

Dr. James M. Greenwood won the first award with "Heart Jump Oxygenator." Dr. Hector A. Baleiron was given second award for "Association of EKG and Electrolyte Imbalance Following Gastroctomy," and Dr. Young Mo Lee won third award with "Clinical Studies of Gastrointestinal Bleeding."

Guests at the dinner included Dr. O. C. Williams, Director United States Public Health Service Hospital, Dr. David Barker, Chief of Staff of Cottage Hospital, and George Naumann, Frank Couzens, George Gardella and David Burnett, of the Hospital Advisory Board.

A Little Sloppy, But It Tells Story

It is to be hoped that students of Grosse Pointe University are better at figures in the classroom than they are in trying to create them on the campus lawn. The 337 which is loosely depicted here, is the number of students who have received scholarships to the school from funds provided by the annual car-

nivals held here. More than \$200,000 has been given to deserving students. The 15th annual carnival will be held on the Cook road campus this Friday and Saturday, June 4 and 5, and it is hoped enough money will be raised to provide for 18 more scholarships.

Edward Nold Wins Golf Scholarship

GOLF, ILL. — Edward G. Nold, 18, son of Mr. and Mrs. Edward A. Nold, 1226 Roslyn, Grosse Pointe, has been awarded a Chick Evans college scholarship to the University of Michigan by the Golf Association of Michigan.

Nold was among 29 winners announced today by George H. Webb of Detroit, chairman of the Golf Association of Michigan caddy-scholarship committee.

Nold will be among more than 520 Evans Scholars in college this fall, including 48 at Michigan. Forty seven others will be enrolled at Michigan State University.

The famed amateur golfer Chick Evans conceived the caddy scholarship idea in 1930 and, under the administration of the Western Golf Association in Golf, Ill., approximately 1,800 scholarships have been awarded.

Since the Golf Association of Michigan became affiliated with the program in 1948, it has awarded 364 scholarships.

Each covers full tuition and housing and is renewable for four years. Its value is in excess of \$2,500.

Nold's selection was made possible by the financial support given the Evans program by more than 50,000 golfers this year, including 11,400 Michigan golfers, who contribute annually to the James D. Standish, Jr. Fund and the members of the Lochmoor Country club where Nold caddied.

To qualify for a scholarship, a boy must caddy at least two years at a Golf Association of Michigan member club, must be graduated in the upper 25 per cent of his high school class and need financial help to attend college. Scholarships are

awarded on a competitive basis using these factors. Nold, a senior at Grosse Pointe high school, will enroll at Michigan in September.

GOP Leaders Rap Pay Hike

14th District Republican Campaign Chairman Albert Thorburn has warned that voters who want to keep their taxes down should check on whom they've elected to represent them in Lansing these days.

The State House of Representatives has voted itself a fat \$3,000 raise, bringing members' salaries—already the highest in the nation—to \$17,500. "Three Democrat Representatives from the 14th District voted for the measure," said Thorburn.

"What kind of a sense of public trust do they have to do this before considering the state budget or badly needed fiscal reform, especially since their salaries were raised just last year to the highest in the country?"

Robert E. Waldron, House Minority Leader and Republican Representative from the 1st House District (Grosse Pointe and Harper Woods) who fought the measure said, "With this bill to raise our salaries, with another bill to raise our pensions, and with proposals to extend our term to four years, we are perpetuating ourselves in office with other people's money."

Thorburn also said that "This is another clear example of irresponsibility on the part of Michigan's runaway freshman Legislature. Of the 56 votes which passed the bill, over half came from Wayne County."

"I want voters of the 14th Congressional District," said Thorburn, "to know that James Karoub and William B. Fitzgerald, freshmen Democrats in the 2nd and 4th House Seats, and 'old timer' E. D. O'Brien in the 5th, are responsible here."

"I seriously question whether they should expect to earn more than double what legislators were paid a year ago."

"I suggest we elect more responsible legislators next year," concluded Thorburn.

City police issued a ticket to Patrick Ross Webb, of 405 Rivard boulevard, for speeding 45 miles an hour on Waterloo avenue, Sunday, May 30. The car he was driving was held at the police station for proper identification.

MD Solicitation Set for June 8

The Muscular Dystrophy Association of America, Inc., will conduct a door-to-door solicitation campaign in The Pointe Tuesday, June 8, from 8 until 8 o'clock.

Two-thirds of the 250,000 victims of Muscular Dystrophy in the United States are children. Three hundred and fifty MD victims reside in Michigan alone.

Hope for those suffering from Muscular Dystrophy rests solely on the extent to which the American public makes intensive research into this baffling malady, a chronic disease of the muscles, possible.

March of Dimes Results Revealed

We are most grateful to all your citizens who gave of their time and money to further the fight against birth defects and the alleviation of human suffering."

Richard T. Kelly was re-elected chapter chairman at the recent annual meeting of the Wayne County Chapter of the March of Dimes. Other officers are: Charles Gehring, campaign chairman; James M. Dim Lights Trap Errant Motorist

George J. Knost, 21, of 13333 Elm Dale, Detroit, spent a little time in the Shores police cell on Thursday, May 20, before he posted bond of \$150 and was released until a scheduled court date, June 28.

Knost was arrested while driving on Lake Shore road, and charged with driving a motor vehicle while his operator's license was revoked.

Patrolman Gordon Swartz and Chester Painter said that they were on routine patrol of Lake Shore during the dark hours of Thursday evening, when they noticed Knost's car going north on the road, with headlights so dim they were hardly discernible.

The policemen stopped Knost and requested his operator's license, and were told that the license had been revoked. Knost told the officers that he also faces a charge made against him by East Detroit police, for driving while his license was revoked.

Knost was taken to the Shores station and locked in a cell until he was able to post bond, after which he was released, pending the court hearing.

Caught Driving Without Plates

Kenneth L. Gutow, 25, of 23202 Marter road, St. Clair Shores, was traveling east on Vernier road in his car, on Monday, May 24, and was arrested for driving without license plates.

Gutow told Woods Patrolman Thomas Podesswik, the arresting officer, that the plates had been stolen, but he had not reported this to police.

The motorist said that he had been driving his car for two years, with dealer plates furnished by his father, a Detroit car salesman. The plates stolen from his car, he said, were 1965 issues. He has never obtained regular passenger license plates for his automobile, Gutow said.

He was taken to the station by Podesswik. The officer gave Gutow a violation ticket for driving a motor vehicle on a public highway without license plates, a state offense. Court date is scheduled for June 26.

Clergy, Physicians Pool Thoughts to Help Patients

For the first time in the Detroit region, a hospital has brought its medical staff and area clergy together to discuss common problems and goals. The meeting was held May 26 at Cottage Hospital of Grosse Pointe.

Serving on a panel were three physicians, Drs. Delmo A. Paris, Donald N. Sweeney, Jr., and Harrison Sadler; and two clergymen with experience in chaplain work, the Revs. Maynard W. Hammond of Grosse Pointe Congregational Church and Ralph V. Barton of Our Lady Star of the Sea Roman Catholic Church, Grosse Pointe.

They discussed how clergy and physicians can cooperate in treating cases ranging from minor surgery to terminal illness.

Dr. Sweeney, a member of the Wayne County Medical Society's physician-clergy committee and editor of the Detroit Medical News, said, "There is no greater test of a physician than the care of a terminal illness."

He said, "It is also a time when we need the clergy most, but it is unfortunate that our paths so seldom cross." He urged re-evaluation of codes of medical ethics so that doctors could share their knowledge about patients with clergy and could obtain a clergyman's guidance.

Father Barton, formerly chaplain at Marine Hospital, Detroit, suggested that hospitals help doctors and clergy work together by letting part of a patient's medical record be shared in confidence with the patient's clergyman.

The Rev. Mr. Hammond, formerly chaplain at Bangor State Hospital, Bangor, Maine, urged clergy to see patients before routine surgery as well as in more serious cases. He said clergy and physicians are often unaware of how much anxiety is built up in a patient awaiting an operation. He said a visit from a minister or priest can often ease the problem.

Dr. Paris, past president of the Macomb County Medical Society, said that often seriously ill patients don't want to be told the details of their illness, but would rather follow their doctor's instructions blindly. In those cases, he added, clergy could be helpful in counseling the patient and especially the family.

The panel moderator, Dr. Sadler, a psychiatrist and associate professor at Wayne State University, commented that often the greatest problem the critically ill patient faces is guilt. He urged doctors to recognize that clergy can play a vital role in easing the patient's conscience and thus promoting healing.

About 70 physicians and clergymen attended the conference.

How come Chrysler has almost tripled its sales so far this year?

DRIVE ONE!

Chrysler sales are up 191%* around Detroit.

That includes all of Wayne, Oakland and Macomb counties. And it's based on sales from Jan. 1 to March 20, 1965, against the same period last year.

How come? When you drive a Chrysler, you've got yourself a really big car. That's the only kind Chrysler builds. There are no jr. editions to compromise your investment.

But that's just part of the answer. Now consider price. This year there are seven Chrysler models (out of a total 17) priced just a few dollars a month more than the most popular smaller cars.

*Based on sales for 1965 through March 20, compared to the same period last year.

Three Students Capture Honors

Three Grosse Pointe students of Spanish have placed in the top one percent of the nation in a competition sponsored by the American Association of Teachers of Spanish and Portuguese.

The three, all seniors at Grosse Pointe High School, are Sheila Smith, Carol Groves and James Green. Sheila and Carol are both third year students, while Jim is in second year Spanish.

As prizes for ranking so high, Sheila received two anthologies of Spanish literature; Carol, a series of six novels, and Jim, two anthologies, presented to him by the Spanish embassy.

The students will now go on to seek national awards. One prize for these winners would be a trip to Mexico under the Experiment in International Living plan while other prizes include scholarships to various universities and colleges. These winners will be announced next April.

Next year, Sheila will major in Spanish at Oakland University, Carol will major in Spanish at the University of Colorado, and Jim will major in engineering at the University of Michigan.

Turning Car Hit By Motorcyclist

A 19-year-old Woods motorcyclist was tossed onto the hood of an automobile when his motorcycle collided with a car in front of 83 Kercheval, on Monday, May 24. The youth escaped injury, but the wind was knocked out of him, Farms police said.

According to the police, William T. Johnson of 545 Lochmoor boulevard, was traveling west on Kercheval at about 20 miles an hour, when he ran into the side of a car driven by Mrs. Ada L. Haley, of 15127 Windmill Pointe drive, who was making a U turn to go east, in front of the Kercheval address.

The impact bounced the youth off his motorcycle and onto the hood of the car. The wind was knocked out of him, police said. Johnson did not require medical attention.

Mrs. Haley told police that she did not see Johnson approaching as she made the turn, at about five miles an hour, pulling away from the curb.

Patrolman Otto Glanert, the patrolman sent to the scene, stated that no violation tickets were issued.

Fifth Graders Visit Cranbrook

This year's fifth grade of Our Lady Star of the Sea School had its opportunity Wednesday and Thursday, May 12 and 13, to visit the Cranbrook Institute of Science and to replenish the students' rock collections from the large selection at the Institute.

This annual spring excursion is most eagerly awaited by each fifth grade, and as always, provided a most educational and exciting day for the students.

The program began with a demonstration and lecture in the Planetarium and was followed by visits to all the exhibits, ranging from the development of man to the vastness of the cosmos. The bus trip to and from and a picnic lunch rounded out the day's adventure.

All 92 students who participated agreed that they were most thrilled with this opportunity of seeing concrete illustrations of work they had previously studied in the classroom.

HS Seniors Win Kiwanis Awards

Two graduating seniors at Grosse Pointe High School, Pamela Bingham and Cynthia Sabel, have been named recipients of awards by the Grosse Pointe Kiwanis Club. Pamela is the daughter of Mr. and Mrs. Wilfred C. Bingham, 1215 Lenon avenue, and Cynthia is the daughter of Mr. Donald M. Sabel, 955 Vernier road.

The special annual awards are given by the local service club to the most outstanding student in both the office education and distributive education programs at Grosse Pointe High School.

The selection of this year's winners was based on five points: academic achievement; social and personality traits; teacher and counselor recommendations; employer recommendations; and personal interviews with members of the Kiwanis Club.

Under the provisions of the cooperative program, students receive training related to their course of study at Grosse Pointe High School in businesses and offices in the Detroit and Grosse Pointe area.

Cynthia, judged the outstanding office education student, has been employed by the John

E. Bodkin Co. Pamela, the outstanding distributive education student, has worked for the J. L. Hudson Co.

After graduation Pamela will enter the textile retail merchandising course at Michigan State University, while Cynthia plans to remain with the Bodkin Co.

The Kiwanis plaques were awarded to the girls recently by Miss Frances French, head of the business education department of Grosse Pointe High School.

Tribute Paid To Dr. Davies

A resolution passed by the Wayne County Board of Health to honor deputy health director, Dr. Thomas Davies, was announced May 20 by joint city-county health commissioner, Dr. John Hanlon. The resolution cites Dr. Davies' "compassionate concern for his fellowman" and expresses appreciation for his 30 years of service to Grosse Pointe and Harper Woods.

"His leadership enabled the health department to make outstanding progress in developing the public health services in these communities," said Dr. Hanlon.

Dr. Davies became director of the Grosse Pointe Health Department in 1943. When the department was incorporated into the Wayne County Health Department in 1950, he was appointed director of the Grosse Pointes and Harper Woods areas.

His wife, Isabella, died in 1951, and his only daughter, Florence, died in 1962. He lives with his three grandchildren and their father at 500 Washington road.

The 82-year-old doctor has been practicing medicine for the past 46 years. He received his medical degree in 1919 and served as pediatrician at Herman Kiefer and at Children's Hospital. He recalls small pox outbreaks in Detroit in the early 1920's.

"When I started practicing medicine, we faced many diseases that we understood but couldn't do anything about," Dr. Davies said, "but today there are many young doctors who have never seen a case of such diseases as smallpox or diphtheria."

Dr. Davies' favorite sports are lawn-bowling and curling. He claims Scottish descent but says that the traditional Scotsman's game of golf is "too slow" for him.

DOG BITES CHILD

The weatherman washed out the first round playoff game in the Majors between the Reds and Pirates, as well as what could have been the first half deciding game in AAA between Portland and San Diego when the rains came Wednesday, May 26.

MAJORS
The second round began Monday with the Tigers roaring past the Reds 8 to 6 with Ed Moran the winning pitcher. Rick Rankin hit a homer for the losers while Eldredge had two doubles and Manglos and Hubbard each a double for the Tigers.

The Giants beat the Yanks 4 to 2 with Don Fromm going all the way for the win. Tuesday saw the Red Sox edge the Phillies 2 to 1 as Jim VanEman did it again. In the last of the sixth inning with the score tied 1 to 1 and one out he hit a home run to win his own ball game after striking out 11 Phillies. Ted Kulk had a double for the losers.

The Pirates came from behind to beat the Indians 6 to 5. On Thursday the Reds outclassed the Pirates 14 to 1 while the Indians took their second loss that week at the hands of the Phillies 3 to 1.

AAA
San Diego remained undefeated as they downed Sacramento Monday 19 to 4. Moorman was the winning pitcher. Sandrock struck out 14 and got the win as Denver breezed past Hollywood 14 to 5 Tuesday with Grambo hitting two doubles and Baggott a double for Denver.

In a battle between the only two winless teams in Grosse Pointe Farms Seattle won 7 to 3 over Sacramento behind the pitching of Dave Riddle. Paul Detloff hit a double for the winners.

CLASS C
In a game Monday, highlighted by Theide's unassisted double play, Rochester beat Richmond 10 to 7. Theide was winning pitcher and Higgins hit a triple for the winners. After winning their first game Saturday (May 22), Miami came up with two more wins last week. The first was over Columbus Tuesday, 12 to 7. Corbett was the winning pitcher with 11 strikeouts, while Wheeler, the losing pitcher, had 17 strikeouts. Martin hit a triple and Campbell a double for Miami.

On Thursday Terry Corbett hit a grand slam homerun to give Miami an 8 to 6 win over Rochester. Mark Schmitz, the winning pitcher, struck out 11 and hit a double.

Michigan captured the title for the first time in the American Division of the minors in the Grosse Pointe Park Little League by wallopping hitherto unbeaten Wisconsin twice last week.

Iowa — whose record remains unblemished — had little trouble taking the first third title in the National Division of the minor leagues. For the first time this season, the minor league schedule has been divided into thirds. A three-way playoff will be held at the end of the season if necessary to determine the champions in each division.

The results through last Saturday:

Michigan's first defeat of Wisconsin came Wednesday and placed Michigan in a tie for first place with Wisconsin, necessitating a playoff Saturday morning.

The first encounter saw Michigan squeeze by with an 11 to 10 victory in a closely-fought contest. Both teams hit well with Jim Louissell picking up 3 hits (a homer, double and single) for Wisconsin. Team-

mate M. Prete also notched 3 hits. Ken Caramagno recorded 3 hits in his trips to the plate as did winning pitcher Steve Pemberton of Michigan who stayed on the mound for the entire game.

Winning pitcher Brad Verocieri contributed 4 hits to help Michigan win the playoff game. Paul O'Dell was credited with a triple play for Wisconsin when he caught a fly ball, touched bag to tag out a runner and then threw home for a third play. Hot hitters for Michigan include Mike Tracy and Bob DeClercq, and Paul O'Dell and John Dewey for Wisconsin.

A preview of things to come so far as the "on-the-muscle" Michigan ninesome was provided on Monday when the first third champs defeated Army, 9 to 4. Again, Brad Verocieri proved himself on the mound and at the plate. Mike Tracy added a triple and a single to his impressive hitting record for Michigan, and Kurt Wilner got 2 of Army's 5 hits.

Army insured itself at least a portion of third place in the standings by coming out on top in a tight 6 to 5 game with the Marines who are also in the third slot. Winning pitcher Chris Comlosky and Jon Worrell got 2 hits apiece for Army. Bob Fitzgibbons chalked up a double for the Marines.

Earlier in the week, the Marines received credit for a win when Ohio State forfeited a game.

Michigan State won its first game of the season in a 16 to 8 victory over Purdue. Jay Jeffrey was Purdue's biggest hitter with a double and two singles for the day. John Simon duplicated Jeffrey's record for Michigan State.

Purdue was also beaten by Ohio State. Pitcher Norb Madison got credit for the win, and Dave Grout, Warren Terrace and Dick Redmond led in the hitting department for Ohio State. Tony Buffa hit a triple and a single for Purdue.

A 12 to 0 victory over Air Force cinched the first third title for Iowa in the National Division of the minor leagues. Tom Van Lokeren not only got credit for the win as pitcher but joined fellow Iowa teammates, Dick Joseph, Jim Marshall and Bill Tocco, on the hit parade.

Indiana scored two wins for the week to make certain it held onto second spot in the standings. First victim was Navy who lost a 10 to 2 battle, and the second victim was another service team — Air Force — who lost 22 to 7.

In the bottom of the fifth of the Indiana-Navy game, Bruce Koselitz and Tony Bologna took part in a double play which helped insure an Indiana victory. Chuck Seeley was winning pitcher, and Tony Bologna and Steve Fink were top hitters.

Chuck Seeley also received credit for Indiana's grounding out of Air Force. Paul Perkony — with 3 hits — led the Indiana team at the plate.

After being sunk by Indiana, Navy mounted its big guns and came back with flying colors to bombard Illinois, 19 to 5. Steve Conlon was the winning pitcher. Jim Addison, Eric O'Keefe and Ted Schollenberger were heavy hitters. Tom Waddell and B. Marphark both picked up doubles and singles each for Illinois.

Jake Prescott led Minnesota to a narrow 3 to 2 victory over Northwestern with able pitching and hitting.

Orioles	5	3	.625
Yankees	5	4	.555

Athletics	1	7	.125

The standings in the American Division of the majors remained unchanged as the results of last week's play.

The White Sox shut out the Athletics, 8 to 0, and went on to defeat the Yankees, 13 to 5. Not a single error was charged to the White Sox in their meet with the A's credit for which went to pitcher Gary Verkeyn who (with fellow pitcher Dave Wible) struck out 10 Athletic players.

Dave Wible got credit for the victory over the Yankees. It was a hit-heavy affair with Tom Bailey, Bob Hoffman, Dick McLaughlin and Gary Verkeyn getting at least two hits each for the White Sox. Jim Bolton smashed a homer for the Yankees. Top fielding honors went to Jack Gardner and Jim Owen of the Yankees who robbed a number of White Sox batters of what appeared to be sure hits.

The Indians also tallied two wins for the week — a 16 to 1

triumph over the Senators and a 10 to 5 conquest of the Athletics.

Indians Ed Albert, Bill Eppinga, Doug Mann and Mike Torina led the hitting contingent against a badly-depleted Senator team.

Brian Kingsley — who received credit for the win over the Senators — won the same honors in the Indian-Athletics tilt. Rick Mahon hit a double and home run for the winning team.

Not to be outdone by the other leaders in the league, the Orioles also tallied two victories last week: blanking the Senators, 9 to 0, and turning back the Yankees, 4 to 1.

Oriole pitcher Mark Hafer pitched his second shut out in a row in the Oriole-Senator contest. He also hit a homer in the first inning to get the game off to a good start. Joe Conlon of the Orioles robbed Senator George Mazy of a sure hit with a single-handed catch in the third inning.

Dave Kennel returned to his home-run hitting ways in the Oriole-Yankee game. Steve Shumaker hit a double to drive in 2 of the Orioles' 4 runs. Chet Brown was winning pitcher.

The Cardinals took a more commanding lead in the National Division of the majors by racking up two wins as a wholesale reshuffling took place among the other teams in this division.

The Cardinals first blanked the Giants, 3 to 0. Mike Getz was the star of this game. Not only did he strike out 10 batters and yield not a single base on balls, but he hit a homer and tallied 2 of the Cards' 5 hits. Field honors went to Mario Coraci of the Giants, however.

Teammates Chuck Crandall and Tom Stack joined Mike Getz on the hit parade in the Cardinals' 6 to 2 defeat of the Braves. George Saad was the winning pitcher. Chris Gauthier, Jeff Thomas and Vito Tocco each recorded doubles for the Braves.

The second place Dodgers split their games for the week, losing first to the Red Legs (16 to 10) and winning a battle with the Giants (8 to 6). John Tompkins clouted two full-circuit hits for the Red Legs, and John Knight got the solitary homer for the Dodgers. Mark Jenkins was winning pitcher.

Leading hitters for the winning team were Scott Feringa, Mark Lauth and J. Thomas. Top hitters for the Dodgers were Tom Court, Tom Dufour and Jim Ruble.

Tom Court, John Knight and Jim Ruble were joined by teammates John Bell, Wid Knight and Greg Suon (winning pitcher) at the head of the hitters in the Dodgers' triumph over the Giants. Mike Torlone of the Giants got the game's only homer, however.

The Pirates lost a close 13 to 12 game with the Red Legs after suffering a more decisive 13 to 6 defeat at the hands of the Braves.

Rick Stein got a home run for the Red Legs as did Larry Meathie for the Pirates. Winning pitcher was John Tompkins in a game not decided until the seventh inning.

John Woodcock knocked out two home runs in the Pirates-Braves meet as his teammates — Vito Tocco hit 4 for 5 and Tim Schaafsma hit 3 for 3. Two hits each were tallied by Larry Meathie, John Moore and Bill Zeidler of the Pirates. Brave Chris Gauthier got credit for the win.

Many exciting games were played this rainy week. The mud seemed to add more enjoyment to the games, for the boys anyway.

The Red Sox, one of the four teams crowding third place, played two great games this week. On Monday, the Red Sox stole their way past the Senators, 3-2. Tom Fabbri cleanly stole home for the winning run. In their second game, the Sox beat out the Yanks 8-2 behind the strong pitching of Danny Ellis, and the star performance of Rick Clifton.

The second place Orioles won both of their games this week also. The Monday game saw them sweep past the Athletics 5-3. Jack Diering pitched for the win, and Clay James pounded a homerun. The Athletics outlasted the Indians 3-2, Gregg Hartmeyer was the winning pitcher. Jim Perry and Chris Knapp hit well for the Indians.

In another game, the Yankees smashed the Tigers 14-3. Terry Buda pitched for the win, striking out 11. Also, the Tigers defeated the Senators 10-4. The game was accented by home-

runs by Tommy Keller and Doug Perry of the Tigers.

The first place Cardinals defeated both of the teams they encountered this week. The Tuesday game was a pitcher's battle, and a shut out for the Cards. They beat the Giants 3-0. The Cards also doused the Phillies, 22-3. Danny Dykstra was the winning pitcher, and hit a home run for his team.

The Phillies skunked the last place Red Legs 7-2. Jeff David was the winning pitcher for the Phillies.

The Braves played a good game, and beat the Pirates 7-3. Russ Schnurr was the winning pitcher.

The Giants won over the Red Legs, in a heart-breaker for the Red Leg fans. The Red Legs thought for sure that they would break their eight-game losing streak. However, in the seventh inning, the Giants rallied for four points, and the Reds were out of the game. David Brown was the winning pitcher for the Giants, other Giant hitters were Bryan Lane and Rick Ballew.

After spending an hour scraping mud from the infield and replacing it with "drier mud" the Dallas-Houston game got under way. After a slippery game, Dallas emerged victorious 6-3.

Minor League games this week seem to follow this pattern, the diamonds were in bad condition, and playing was tough.

Denver seems to be able to play well in mud, for they won both of their weekly games. Louisville lost out to Denver 9-6. Chris Richards was the winning pitcher, and Jeff Gwilm scored three runs for the winners. In their second game, the Denver team ran all over the Charleston team 15-3. John Hayes pitched a good game for the win.

Minneapolis slaughtered both opponents this week also. They mashed Wichita 23-2. Hitters for Minneapolis were Jeff Potter, Bob Straetmans and Paul Grosshans, the pitcher. The Minneapolis team also overpowered the St. Paul team 14-2.

Louisville scraped Indianapolis 3-1 behind Bill Quinn, the winning pitcher. Indianapolis in turn creamed Omaha 13-5. Tom Ogle, the winning pitcher, struck out eight. Hitters for Indianapolis included Duane Bender, Dave Versall, Bob Church and Gary Klann.

Congratulations Rochester! After losing all their games previous to this week, Rochester won both of their games this week. The Monday game saw Rochester out-play Buffalo 5-4. Larry Platz was the winning pitcher and his team mate Steve Zaranek hit two solid triples. Rochester smoked out Richmond 19-14 on Wednesday.

Columbus beat both of their opponents this week. Ricky Walker pitched a no hitter to shut out Toronto. Behind the pitching of Alan Abbot, Columbus snowed Montreal under 7-2.

Montreal inched past Syracuse 6-5. Tim Groesbeck not only hit well, but he cut off the winning run at the plate.

For their fourth win, Tampa skunked Hollywood 14-8. Larry Bryk was the outstanding player in this game, scoring three runs. Later in the week, Hollywood pounced on Buffalo, to win the game 20-9. Tony Krauss whacked five hits for Hollywood, one of which was a homerun.

Never have anywhere to go at night? Why not go cheer for your favorite Little League team? There is a game at Ghesquere every night at 6:00 Monday through Friday.

Letscher Wins Faber Trophy

The St. Paul Dads Club held its annual Athletic Banquet on Saturday, May 22. At this affair, David P. Letscher was the recipient of the Richard Faber Memorial Trophy. This trophy is awarded each year to the St. Paul student judged the most outstanding athlete of the Senior Class.

Dave Letscher, one of the best all round athletes in Laker history, has completed a noteworthy career at St. Paul, in which he accumulated nine varsity monograms, three each in football, basketball and baseball. In football, Dave was a three-year starter. Last fall, he was captain, leading scorer, bulwarked the Laker defense from his linebacker post and was selected to the All-League starting backfield.

Turning to basketball, Dave was an integral member of the Laker 1963-64 Class C State Champs. This past season, he was co-captain selected to the All-League squad and was instrumental in St. Paul's fine showing in this year's State Tournament, as they returned to Lansing and copped the runner-up spot in Class C.

Baseball is probably Dave's outstanding sport, as evidenced by his leadership and performance during the recently completed season. He closed his athletic career as a Laker with a .528 B.A.I.

Letscher is also very active in a variety of extra-curricular activities. For example, he has appeared in the Genesee Festival, a city-wide speech contest. He was an award winner in St. Paul's Science Fair and was chosen to display his project in the city-wide Science Fair competition at Cobo Hall. Just recently, he portrayed George M. Cohan as Master of Ceremonies in St. Paul's presentation "Kaleidoscope of American Musical Theatre."

Dave was elected vice-president of both his Junior and Senior class, and maintains a B average in a college preparatory course. He plans to enter John Carroll University, Cleveland, O., in the fall.

Four hubcaps were stolen from his car, D. M. Gregory, Jr., of 57 Handy place, informed Farms police on Friday, May 14. He said his car was parked in the Grosse Pointe High School lot at the time of the theft. He did not give the value of the stolen items.

What Goes On at Your Library

By Virginia Leonard

Do you have children who like to listen to small-fray records? If so, and your own music library, platter-wise, is depleted or has been used to a point of saturation, rejoice! The Grosse Pointe Public Library has just added many new records to its juvenile collection in all three of its agencies. So put your old discs on the shelf for a while and try some of our new ones. Here is a sampling of the types of listening fun your youngsters have in store for them.

In the realm of folk songs, we have such titles as: FOLK SONGS FOR YOUNG PEOPLE, sung by Pete Seeger; LET'S LISTEN AND SING TO AMERICA'S FOLK SONGS: WALT DISNEY PRESENTS BURL IVES ANIMAL FOLK. Then we can also suggest several alphabet records to encourage the learning of one's A B C's. And what of sound effects? Most little ones love something like LET'S PLAY TRAINS or PLAY ALONG SOUNDS, imitating trains, cars, and airplanes.

We're sure that games will also be a favorite category. What of AMERICAN GAME AND ACTIVITY SONGS FOR CHILDREN, again sung by Pete Seeger? There is also Marcia Berman's ACTIVITY SONGS FOR KIDS, or the zippy title by Tony Schwartz—1, 2, 3, AND A ZING ZING ZING.

Another grouping is that of fairy tales, fables and stories. Here we find Aesop's THE BEST STORIES, narrated by Sterling Holloway; Hans Christian Andersen's THE UGLY DUCKLING AND OTHER TALES, read by Boris Karloff; French fairy tales, read in French by R. Franc. I'll bet you've never forgotten THE LITTLE ENGINE THAT COULD, LITTLE TOOT, LITTLE RED CABOOSE. And one of my old favorites is on the list: PETER AND THE WOLF, by Serge Prokofiev, with Leonard Bernstein. Walt Disney is represented with SNOW WHITE AND THE SEVEN DWARFS—all songs from his movie, and an adaptation of the original story by the Brothers Grimm.

An interesting section is that labelled "Composers", each record containing the story of the composer's life and his music. Some of the musicians considered are: Johann Sebastian Bach, Ludwig van Beethoven, John Philip Sousa, George Gershwin, Franz Haydn and Felix Mendelssohn.

In the "Miscellaneous" grouping, we might tempt you with A CHILD'S INTRODUCTION TO THE BALLET, AN INTRODUCTION TO THE SYMPHONY, MARY POPPINS, with the original movie soundtrack; Soeur Sourire's SONGS OF THE SINGING NUN (voice and guitar by Susan Stein), and John Philip Sousa's I LOVE A MARCHING BAND, containing the marches of this composer.

. . . and take along the whole family—everybody loves an Ice Cream Social!

Place is Grosse Pointe Memorial Church, date is Monday, June 14, hours are 5:30 to 8 o'clock, (early enough for children; late enough for adults).

Pots of flowers will add color and decoration to the tables at the Summer in Bloom party, and the Detroit Edison caliope will play all the favorite old summertime tunes.

Ice cream, plus every kind of "topping" imaginable, is to be the Social fare, with an extra bonus of delicious homemade cupcakes.

Ice Cream Social chairmen are Mr. and Mrs. James P. Williams. Co-chairmen are Mr. and Mrs. Thomas G. Hallock.

Other party planners are Mr. and Mrs. William J. Waugaman, Mr. and Mrs. John D. Fife, Mr. and Mrs. Peter A. Dow and Mr. and Mrs. Richard J. Langs.

Everybody is welcome at the Social. Donations are 50c for adults, 25c for children under ten. Tickets may be obtained in advance by contacting Mr. and Mrs. Thomas E. Candler at TUxedo 6-2325.

If you decide to go at the last minute, you can still get tickets at the church the evening of the affair.

Tour The New Liggett School . . .

. . . and bring along as many friends as you'd like—they'll all be interested in seeing Liggett's "modern" Georgian buildings.

Nine gardens will be shown. Grosse Pointe War Memorial

Lakeshore road The long-established parterre garden, designed for the Alger family by Ellen Shipman, is located in front of the entrance to the Fries Auditorium. Japanese cherry trees face the drive, and behind them the outer panels of the garden are hedged with formally clipped yews.

The inner panels, planted in specimen lilacs and Siberian plums, are hedged with box, and surround a pool overhung by lovely old hawthornes.

The circular Trial Gardens, adjacent to the lawns which sweep down to the lake, are divided into planting beds separated by walks radiating from an old mill wheel in the center. These beds are planted in new flower introductions annually.

Mrs. John Buel Warren Edgemere road

Mrs. Warren's beautiful informal garden is planted with begonias and other flowers from its own greenhouse.

A brick terrace, free in form, extends from the house on two levels, the lower level encompassing a swimming pool. The lovely rock garden is overhung by rare old clumped weeping beech trees, (part of the planting on the original Country Club Golf Course), bordered by evergreens and many rhododendrons.

Mr. and Mrs. Harry H. Whittingham Edgemere road

The large rose garden is Mr. Whittingham's hobby. Low brick walls forming a background for perennial and annual flower beds flank the garden, and there is a small wildflower garden in the background border.

Dr. and Mrs. J. Stewart Hudson Lothrop road

This formal garden, overlooked by a large open terrace, features an old stone well, (an original family piece), surrounded by roses in a formal design.

Off to one side there is a "Spring Walk," a path leading through trees, flanked by azaleas and spring flowers. Lovely lead figures are also featured in the Hudsons' garden, and there is a bronze sundial set against the wall in the cutting garden.

Mr. and Mrs. George E. Villorot Beacon Hill

This beautiful and unusual small garden is made up of terraces and walls, utilizing a dramatic difference in elevation.

There are many rock garden flowers.

The Villorots' garden is woodland in nature, with plantings of broadleaved evergreens, dogwoods and a lovely old weeping cherry tree.

Mr. and Mrs. Karl G. Behr Beacon Hill

Mr. and Mrs. Behr have a delightful, immaculate small formal garden.

A garden room opens onto the brick courtyard, which is free in form and surrounds a rare old Scotch elm. Two steps lead up to a circular raised patio, surrounded by a little walk bound with dwarf boxwood.

Three little gardens on the patio are massed with pink begonias.

Mr. and Mrs. Carroll M. Boutwell Tonnancour place

This garden designed for indoor-outdoor living features a charming garden room, opening on the patio which surrounds the swimming pool.

There is an old well head, ringed by dwarf boxwood and white begonias, in a small garden. Evergreen background is used for the borders.

Mr. and Mrs. Henry B. Joy, Jr. Provencal road

The Joy's unusually shaped, intimate patio gardens in the 18th century tradition of town gardens.

A raised fireplace nestles in a curve of the wall, for enjoyment of spring and fall evenings. An ornamental pool forms the apex of the vista for this completely enclosed garden.

Mrs. Smith's charming English garden, cleverly combining the formal and informal, features wonderful gnarled old apple trees.

A large wildflower garden is nestled beneath tall trees, forming a sloping background to the view from the terrace.

Many unusual plants have been carefully combined for color effects. The collection of standard fuchsias, standard geraniums and cascade mums is outstanding.

Schram-Hennessy Nuptials Celebrated

Reception at Whittier Hotel follows Evening Rites; Newlyweds Travel to Northern Michigan; Will Live in Ann Arbor

Kathleen Sue Hennessy chose a silk organza gown, accented with appliques of Alencon lace, styled with a controlled skirt and Chapel length train, for her marriage Saturday, in First English Evangelical Lutheran Church, to Robert G. Schram.

The Reverend Paul F. Keppler officiated at the 7:30 o'clock double ring ceremony.

The bride, daughter of Mr. and Mrs. William B. Hennessy, of Fairway drive, wore a circle headpiece of lace and pearls and an illusion veil. Her flower girls were a cascade of carnations, roses and ivy.

Arlynn Hennessy served as her sister's maid of honor, in a floor length pale green gown with a white lace, Empire bodice.

Wearing Nile green gowns with green lace bodices were the bridesmaids, Carol Schram, sister of the bridegroom, Marjorie Weyhing and Barbara Dettmer.

Their headpieces were small, matching bows, and their bouquets were fashioned of green carnations, white Sweetheart roses and ivy.

The bridegroom, son of Mr. and Mrs. Clarence Schram, of Bishop road, Detroit, asked

Michael Klass, of Miami, Fla., to act as best man.

In the usher corps were William Hennessy, brother of the bride, Philip Pitters and Gustave Schulwitz, of Saginaw.

Flower girl Debra Schram, the bridegroom's sister, wore a floor length frock of green organza, and carried a basket of carnations, Sweetheart roses and ivy.

A reception at The Whittier Hotel followed the ceremony. Mrs. Hennessy wore a beige silk, embroidered gown, with melon accessories and a corsage of melon-tinted carnations. Mrs. Schram chose a light blue costume, and a white orchid corsage.

When they return from their wedding trip in Northern Michigan, the new Mr. and Mrs. Schram will make their home in Ann Arbor.

MARION JEAN POLIZZI, daughter of Mr. and Mrs. SAMUEL POLIZZI, of Anita avenue, will be graduated with a Bachelor of Arts degree from Saint Mary-of-the-Woods College June 7. Marion, a Business Administration major, was graduated from Grosse Pointe University School.

Parties Honor Engaged Pair

Parties have been given in New York and Grosse Pointe in honor of bride-elect Carol Susan Hennecke and her fiancé, Richard John Gagnon, who will exchange marriage vows this Saturday in St. Thomas More Catholic Church, New York City.

Miss Hennecke is the daughter of Mr. and Mrs. James Hennecke, of Detroit, formerly of The Pointe. Mr. Gagnon is the son of Mrs. Charles J. Billig, of Boca Raton, Fla., and the late John B. Gagnon.

Among the guests at a cocktail party in New York City, given by the bride-elect's sister, Beth Hennecke, and Christine Covey, who will be attendants at the wedding, were many Pointers now living in New York, including Mr. and Mrs. James Joy, F. Alger Boyer, Mr. and Mrs. Sigurd Wendin, Susan Earl and Andrew Barr.

Thomas Mackey, of Mount Vernon road, gave a small dinner for Richard and Carol when they returned to Michigan for a week's visit. Mrs. Joseph P. Keane, of McKinley avenue, entertained at a shower for Carol that same week.

Lorraine Rogers and Claxton Long, of St. Louis, Mo., joined forces to give a cocktail party last Tuesday evening at Miss Rogers' Sutton place home in New York.

Mrs. Billig will entertain at the Rehearsal Dinner in the Park avenue home of Mrs. Devera Kettner, and the reception following the ceremony will be held at the Knickerbocker Club, with jazzmen Joe Harnell, piano, Clark Terry, trumpet, and Phil Woods, alto saxophone, providing the music.

Mrs Robert G. Schram

At an evening ceremony Saturday, in First English Evangelical Lutheran Church, KATHLEEN SUE HENNESSY, daughter of Mr. and Mrs. William B. Hennessy, of Fairway drive, spoke her marriage vows to Mr. Schram, son of Mr. and Mrs. Clarence Schram, of Bishop road, Detroit.

College Women Meet Saturday

The College Women's Club will hold its annual meeting and election of officers at Lochmoor Country Club on Saturday, June 5. The business meeting, under the direction of president Mrs. Arthur Neef, is scheduled at 11 o'clock, followed by luncheon at 12:30 o'clock.

Concluding the roster of "Distinguished Women of Detroit" to address the club this year, Saturday's luncheon speaker will be Mrs. Fred Schumann. She is a past president of College Women's Club and has been actively engaged in volunteer work for the past 30 years.

A graduate of Wayne University, she first taught in the Detroit school system. Active in International Institute and various social service agencies, she correlates "growing with people" to the beauty and wonder of "growth in nature" of which she is so aware through her garden club work.

She is a past president of both the Detroit Farm and Garden Club and the Federated Garden Clubs of Michigan, past president of the Metropolitan Detroit Y.W.C.A. and currently chairman of the Council of the Michigan Y.W.C.A.

Mrs. Schumann has selected as her topic for Saturday "A Design for Living in This Space Age."

When Mrs. Albert Conkey, social service chairman, presents her report the members of College Women's Club should feel a warm glow of accomplishment for their humanitarian contributions. A relatively small group, approximately 110 members, they have, since last September, devoted 2575 hours to volunteer work.

This includes such diversified activities as assisting in heart

therapy at Pontiac General Hospital, work with the blood bank, the Child Guidance Clinic, the Goodwill Society, the Grey Ladies and the Cancer Drive. Two of the members act as continuing collecting agents for clothing to be donated to wards of the Juvenile Court.

The philanthropic fund made possible the following donations: \$300 to Wayne University's Scholarship Fund, \$125 to Project Hope, \$150 to Juvenile Court and \$100 to the North-eastern Child Guidance Clinic. Reservations for the June 5 meeting are being taken by Mrs. Ludwig Hellborn and Mrs. Kenneth Patton.

Hospital Aides Meet June 9

The general meeting of the Women's Auxiliary to Cottage Hospital is scheduled June 9, at the Grosse Pointe Yacht Club. The meeting will open at 11 o'clock, and luncheon will be served at 1 o'clock.

MEDICINE CHEST "LEFTOVERS"

There's but one good place in the home for "leftovers." That's the refrigerator -- and the "leftovers" should be food, not medicines.

Medicine chest "leftovers" are risky at best, and often downright dangerous. The medicine your physician prescribed a year or so ago was intended to be used then, not now. Avoid serious danger—dump old medicine at once.

Each illness requires scientific diagnosis—and, usually, specified medicine is indicated. See your physician. Let him decide what's best. Call on us to provide your medication.

A message of importance for men and women
who are concerned about their health.

If you're over 40
... Let's face facts

Kidney-Bladder ailments
strike far more often

Now is the time to do something about it!

After 40, you're reaching the age when
you're more susceptible to the illnesses
common to middle age. Among the most
distressing are kidney-bladder disorders.
If you've ever suffered them, you know
the pain and embarrassment involved.

To help relieve kidney-bladder conditions,
many doctors suggest drinking 6-8 glasses
daily of spring-pure Mountain Valley
Water. That's because its "diuretic" (kid-
ney-flushing) effect steps up kidney action,
helps you eliminate body wastes faster.
Mildly alkaline, it gently soothes bladder
irritation, at the same time helps neutralize
excess urine acids (thus reduces that
"burning" sensation). What's more,

refreshing Mountain Valley Water is
"light," non-filling, non-laxative. Regular
daily use can make a positive contribution
to your health. Costs only pennies a glass
... actually less than a soft drink. And
tastes wonderful!

Phone or write today for refreshing Mountain
Valley Water. Ask for complimentary literature.
Satisfaction guaranteed or your money refunded.

Party Planned For Saltzers

As a way of saying "Thank you," the Brownell Junior High School Parent-Teachers association will be honoring Mr. and Mrs. Charles Saltzer this coming Sunday afternoon, June 6, with a community-wide reception at the Grosse Pointe War Memorial from 2 to 4 o'clock.

William Montgomery, PTA president, cordially invites any parents, former students, or friends of Mr. Saltzer's to attend. "Please consider this notice your invitation," he urged.

Arrangements for the reception are being made by Mrs. Donald Floor, chairman, and her fellow members of the refreshments committee: Mesdames Barbara Maxon, Richard M. Johnson, Richard Kosko, and Robert Lake. Other PTA officers of the current year who will be assisting are Burke Fossee (father vice-president); Mrs. Kenneth Drake (mother vice-president); Mrs. Philip Buckminster (secretary); Mrs. Charles Ives (teacher vice-president); and Richard D'Arcy (treasurer).

Mr. Saltzer, who is retiring as principal of Brownell at the close of the current school year, has served in that capacity since 1958. Prior to that he had taught mathematics and also served as assistant principal at Grosse Pointe High School, contributing 31 years of service to the Grosse Pointe Public School System.

Church To Stage Anniversary Play

Scripts have been discarded, and the rehearsals are going down to the wire for the production to be presented at Fries Auditorium Friday, June 4, by the Grosse Pointe Congregational "Players."

The occasion is the 25th Anniversary celebration of the Grosse Pointe Congregational Church, located at Chalfonte avenue and Lothrop road.

The quarter-century mark is being observed by a banquet at the Fries facility at 8:30 o'clock, to be followed by a brief formal program when the seven nucleus Bible Study class members of the church will be honored. They are Mrs. Alton Huntington, Mr. and Mrs. James Huette, Mrs. Wilford Lindberg, Mrs. Marcus Lyndie M. Martin.

A happy event to be noted, too, will be the mortgage-burning which marks freedom from debt on both the church and the Balfour parsonage.

The "onstage" production will begin at 8 o'clock. The script, jointly authored by Mrs. William C. Potter and Sumner Whittier, bears the lengthy title, "25 Years of Meat Loaf—OR—Pilgrim's Progress?"

Directors for the stage production are John Grubbs and Mrs. Richard Schmitz, with production assistance by John Marschner and Mr. and Mrs. William C. Standish.

The show runs the gamut from documentary film, edited by J. Clifford Hanna, to a slightly slapstick sequence involving the Pilgrim Fellowship Youth of the church. The show will be narrated by William M. Adams, who has also served as the chairman of the Anniversary planning committee.

Adult cast members include Ernest Bauer, Mr. and Mrs. Hugh Lineweaver, Mr. and Mrs. Robert Kienle, Mrs. John Westphal, Mrs. Stuart Commet, Jr., Mrs. Kenneth King and Mrs. John Pressel.

Actors from the Pilgrim Fellowship Youth groups include John Fralick, Dick Gibson, Jim Matulec, Janet May, Carol Worbois, John Messing, John Ordon, Linda Ordon, Chris Ramsay, and Jill Whittier.

The youth sequence, done entirely in pantomime, relates a flashback incident in the early church history when the teenagers of the Congregational Church stage a bake sale in a "Village" garage.

Nearly 700 invitations have been sent out to church members, both in the area and all over the country. Duane Butterfield has served as chairman of the invitations committee.

Other Anniversary committee members include Mrs. James Bolles, Mrs. Donald Clark, Robert Cooper, Donald Fergie, Scotty Gibson, Harold Husband, Mrs. Lyndie Martin, Mrs. William Potter, Mrs. Albert Schlörff, Mrs. W. Colburn Standish, John Westphal, William J. Adams, Sumner Whittier and Jill Whittier.

Ministerial staff at the Congregational Church includes the Rev. John W. Estes, Jr. and Maynard Hammond as Director of Education.

Panhellenic's Annual Meeting Next Tuesday

The Detroit Panhellenic Association holds its annual meeting and luncheon at 12:00 noon on Tuesday, June 8 at Stouffer's Northland Inn.

MAY WE BE A BIT presumptuous in asking if you like to revel in the luxury of large rooms which have been masterfully decorated; to lounge in your large bedroom or before a crackling fire? Do you insist on the privacy of a secluded terrace which is large enough to handle a cocktail party? Do you like to bury yourself within the confines of a richly paneled library? Must you have quarters for stay-in-help or just the rooms which you know are there for visiting family and brood? If you can project yourself into this picture, then let us start the ball rolling by showing you this listing today.

CONTEMPORARY LIVING at its finest. Could it be that this is that small house with the large rooms you've been seeking? Step down to your master suite off of which is secluded patio. Or up a level to two bedrooms. Most modern equipment in the kitchen. Extra large drawing or activities room. In the Shores Deeplands area.

SET BENEATH the trees on a street which snakes just one short block through the Farms. This white colonial is the perfect house for the couple or small family who desire two full second-floor bathrooms. There is a den on the first floor, a living room, separate dining room, and screened and covered terrace. Offered at \$50,000.

IN THE FARMS we might show you another colonial nestled among many mature trees. This house has four bedrooms on the second floor with the master bedrooms having its own bath. The Early American decor in this one has called for a paneled living room and library. Located just a skate board's slide to Kerby and Brownell schools. Don't wait long to call on this one... or you'll be wiped out!

THE BEST bet for the bargain hunter who requires a house with three bedrooms with a bath and a half. We have priced this offering at \$23,900, which is approximately \$10,000 less than the average sale in this block of Grosse Pointe City.

THE ONLY STEP you'll have to take is the one to your phone. If it results in seeing, loving and buying this story and a half house on O'Mara Court. Two bedrooms and a bath and a half on the first floor, and of course a living room and the gigantic combination kitchen and family center. An enclosed stairway leads to two more bedrooms and a bath. This house is on a dead-end street, yet just a few blocks from GPUS, Barnes, and Star of the Sea schools.

Mr. and Mrs. Lloyd Nyman, of South Oxford road, entertained two rather exciting houseguests for four days recently. Visiting Grosse Pointe from Heidenheim, Germany, were Dr. and Mrs. Ernst Voelker, parents of the Nymans' exchange student son-for-a-year, Hanjoerg. The Voelkers were in the United States to attend the christening of their new grandchild in Washington, D.C. (Hanjoerg's older sister is married to an Englishman assigned to the British Embassy there). During their stay in The Pointe, May 15 to May 19, the Voelkers watched as their son was presented with three awards—an engraved silver plaque, a large, handsewn American flag, and a set of three smaller flags, German, American and Michigan—for his faithful attendance at weekly Rotary meetings. Hanjoerg is sponsored in the United States by the Grosse Pointe Rotary Club, and is the first of the seven students Rotary has sponsored to attend the club's Monday afternoon meetings regularly.

Still on the subject of transAtlantic travelers . . . a local gentleman, in Europe on business, found himself lunching alone at an out-of-the-way cafe. After several unsuccessful attempts to tell the waiter what he wanted our friend noticed a huge woman, well over six feet tall and weighing, (he maintains), at least 200 pounds. "Aha," he thought, "now SHE knows how to eat," and, turning to the waiter, he pantomimed instructions to "Bring me what the big lady orders." The waiter nodded, the gentleman settled back to enjoy his meal. The waiter brought the traveler a glass of wine, a piece of bread and a dish of sliced bananas. "Unusual way to begin lunch," the man thought, but he drank the wine, ate the bread, finished the bananas and was waiting for his "second course" when the waiter arrived, bearing the check. Seems the "huge lady" had decided to go on a diet!

Traveling even farther afield . . . Carolyn Hubbard Lucas muses, in rhyme, as she meanders "Light Years Away."

*I wandered through the hollows of the moon —
Those dusty valleys where no radiance shed
Its constant light to brighten night and noon
And spread its glory on the life we led.*

*We must forget the seasons and the stars —
These seem ordained to pass and disappear —
Will life at altitudes of moon and Mars
Bring joys we knew — before the stratosphere?*

Back in The Pointe . . . we highly recommend the Neighborhood Club Tennis Clinic, one of our town's finest annual summer programs for children and adults. The Clinic, to be held on the Neighborhood Club tennis courts in Waterloo avenue, will again be conducted by Stephanie Frychike, an outstanding coach and physical education teacher at Grosse Pointe High School. She will be assisted by an excellent team of instructors. The Clinic runs for five weeks, starting Monday, June 21, and ending Friday, July 23. Hours Monday, Wednesday and Friday, for nine to 10-year-olds, are 9 to 10 o'clock in the morning; 11 and 12-year-olds meet between 10 and 11 o'clock; 13 to 16-year-olds play between 11 o'clock and noon. Cost is \$2.50, and there is a 60-person limit in each group. Tuesdays and Thursdays are reserved for adults and advanced players of all ages. Hours for beginning and intermediate adults are 9 to 10:30 in the morning; the advanced class will meet between 10:30 and 12 noon. Cost for the first class is \$4, for the second, \$3, and there is a 50-person limit in each class. The Clinic is open to non-members as well as members of the Neighborhood Club.

PILFERINGS

A troop of Boy Scouts was being used as "guinea pigs" in a Civil Defense test. A mock air raid was staged and the Scouts impersonated wounded people who were to be picked up and cared for by members of the defense organization.

One Scout was supposed to lie on the ground and wait for his rescuers, but the first aid people got behind in their work and the Scout lay "wounded" for several hours.

When the first aid men finally arrived on the spot where their casualty was supposed to be, they found nothing but a pencilled note: "I have bled to death and gone home."

The boastfulness of Texans, Ohioans and Indians who come to New York City and make good has disturbed some Manhattanites, who have felt a little insecure about these invaders. James Thurber (from Columbus, O.) was the hero of a story about it.

It was a typical New York cocktail party. Some Ohioans had spied other Ohioans and had ganged into a corner, loudly talking about what a great state Ohio is.

A New Yorker, weary of this bragging, advanced into the group and said, "If Ohio's such a great state, why didn't all of you stay there?"

"Well, you see," replied Jim Thurber, "out there, competition was too tough." —Earl Wilson's New York

An excuse is worse and more terrible than a lie: for an excuse is a lie guarded. —Pope

Mankind is divisible into two great classes: Hosts and guests. —Max Beerbohm

Culture Tour Includes Play

Featured next for the Grosse Pointe War Memorial's novel "Carousel of Culture" will be the Drama Tour to the Greek Theater at Cranbrook where patrons will enjoy the musical "Damn Yankees" to be presented by the St. Dunstan's Players the evening of Friday, June 11.

The caravan of busses will leave the Grosse Pointe War Memorial promptly at 6 p.m. En route to Bloomfield Hills, waitresses will serve cocktails on the bus.

First stop will be at picturesque Rotunda Inn overlooking Pine Lake. Here, dinner (fish or fowl) will be served in private dining rooms.

Then guests will be whisked to the lovely grounds of Cranbrook in Lone Pine Road where 100 seats have been reserved for the party in the unmatched setting of the Greek amphitheater. Curtain time is 9 p.m.

MR. AND MRS. HARVEY C. FRUEHAUF, JR., OF RIDGE ROAD

By Janet Mueller

Rule One for Chairmen (of anything): Make sure your wife (or husband) is working BESIDE you on a big project . . . that way she (or he) won't object to the time you spend attending to the project — she/he may even urge you to spend MORE time than you originally allotted to "The Cause."

Susie and Bud Fruehauf are a case in point. Most couples faced with the problems of redecorating and furnishing a large house, might be tempted to take a sabbatical from "causes."

But Harvey C. Fruehauf, Jr., is chairman of one of The Pointe's biggest annual events, the Grosse Pointe University School Carnival, 1965 edition; and Mrs. Fruehauf heads one of the biggest Carnival committees, Manpower.

The Fruehaufs have been working on The Carnival and The House concurrently. Bud's first Carnival meeting was last September. The Carnival year roughly parallels the school year; activity begins in the fall, with technical details: getting permission from Grosse Pointe Woods for the event, signing contracts, etc.

On Halloween, the Fruehauf family moved from Pemberton to their present home in Ridge road.

Takes Time To Settle
"We've been here more than six months, and we're still getting settled," Susie laughs.

The huge rooms in the Ridge road house swallowed them; Pemberton road furniture; they still are "making do" with "half a living room, one-third a dining room . . ."

But the swimming pool is filled, (though still icy-cold), and the pool house, with its deep, comfortable wood and leather chairs, plaid ceiling and matching plaid rugs, is ready for a busy summer.

The young Fruehaufs, Julie, 8½, Martha, 6½, and Lisa, 3½, were ready for a dip several weeks ago, but their parents persuaded them to wait until the water and the air warmed up a little.

The girls think they have been waiting quite long enough. All winter in fact—it's rather trying when you're eight-or-so, to move into a house with a swimming pool, (your first very own swimming pool), just as snow begins to fall, then to have to wait MONTHS for the weather to clear . . .

Has His Own Pub

But summer in the water promises to make the waiting worthwhile. Bud and Susie plan to make good use of the pool, too. They intend to spend as much of their summertime as possible in or near the poolhouse, already nicknamed "Bud's Pub." "He's always wanted to run a pub," Susie explains.

By Sunday, they should be really ready for a day's rest around the pool. The GPUS Carnival opens tomorrow and continues until 10 o'clock Saturday evening. Sunday is the Carnival workers' Day-to-Recuperate.

Mr. and Mrs. Fruehauf have both worked on behalf of the Carnivals for several years. Bud, a GPUS alumnus, has been closely associated with the Big Event for the past four years, working his way up through the ranks to general chairman.

Susie's Manpower committee assignment—she is responsible for recruiting several hundred volunteers, all of whom spend two to four hours on the fairgrounds—reaches its peak in the last hectic weeks before the Carnival opens.

Bud's chores are stretched out over nine months, but he admits that as Susie's work gets harder, his gets easier.

Many Loose Ends
"The most difficult part of

with which Susie accepted his Hurricane Hunter Squadron assignment when he was stationed out of Jacksonville, Fla. She never batted an eyelash as he left to fly off into the eye of a hurricane. "I just expected him to come back," she says; "I was a little scared!" he says.

Despite the hurricanes, Bud Fruehauf thoroughly enjoyed his years in the Navy, and strongly recommends Navy training, which he feels is good training for any job. Still, he and Susie were glad to get back to Grosse Pointe.

Bud, born here, used to think he would like to move, but "that's a stage you go through—now I love it here."

Susie has loved it here ever since she came from her North Shore Chicago home for a visit, drove down Lakeshore road and exclaimed, "Why, it's just like Sheridan road!"

They chose GPUS for their girls, not because they think public school education is inferior, (Susie, a graduate of public New Trier High School in Winnetka, believes she received "the finest education possible"), but because they feel strongly that private education benefits the community and the individual.

Provides Scholarships

They stress the fact that Carnival profits are used to provide scholarships for deserving students of outstanding ability who need financial aid and live in the metropolitan Detroit area.

In the past 15 years, 337 students have received scholarships provided by the Carnival proceeds. "It's important that GPUS have the finest material available," the Fruehaufs maintain. "It's important that the student body be balanced. It upgrades the school to take people who couldn't ordinarily afford to go there."

The fact that GPUS has a strong scholarship program is, Bud and Susie Fruehauf think, too little known. "It's like anything else," Bud says, "until you really get down and dig out the facts, you generally don't know much about your subject."

The "facts" include a total of more than \$200,000 in scholarship assistance provided during the previous decade and a half, 25 scholarships awarded annually by a scholarship committee, composed of a board of trustees and administrative personnel.

Get Wonderful Help

Mr. and Mrs. Fruehauf term the cooperation they have received throughout their work for the '65 Carnival "wonderful."

"It's amazing how many busy people seem to find time for the Carnival," Susie marvels. Her response from parents and teachers willing to volunteer their Manpower hours tomorrow and Saturday has been tremendous.

This year's Carnival should run like clockwork, and next year's Carnival should run even better—"I've tried to have every committee head select a successor, to train someone for next year's Carnival jobs," Bud Fruehauf explains.

After the Fair, Mr. and Mrs. Harvey C. Fruehauf, Jr., will turn their attention to completing their house and enjoying the summer. Summer is one of their favorite times. They like boating—"On other people's boats; we don't have one"—and they are looking forward to daily plunges in the pool.

Winters, they ski a little . . . but their favorite milieu is neither land nor water. Bud and Susie Fruehauf are happiest in the sky.
