U. S. AMBASSADOR to the United Nations Adlai E. Stevenson was stricken in London yesterday and died moments later. Washington received word last night from the American Embassy in London that Stevenson had died of a heart attack. Stevenson was in London following UN meetings in Geneva last week. He was walking along Upper Grosvenor Street with Mrs. Marietta Tree, a fellow member of the U. S. delegation at the UN, when he fell to the pavement. Mrs. Tree summoned help from the nearby International Sportsmen's Club but a doctor who arrived on the scene minutes later could get no response to artificial respiration administration. Stevenson was pronounced dead at St. George's Hospital. His son said plans call for his father's body to be taken to Washington for a funeral service Friday, then to Illinois for a final tribute in the state capitol and burial in a family plot at Bloomington on Monday. President Johnson, when learning of the ambassador's death, said, "America has lost its most eloquent spirit, its finest voice. The world of freedom and human dignity has lost its most articulate champion."

THE MARINER 4 spacecraft flashed back the first pictures of Mars Thursday. Taken at an altitude of about 10,500 miles, the photograph showed a view of the red planet's brilliant desert of Amazonis. It took 8 hours, 35 minutes to get to tracking stations on earth before the transmission finally came through Thursday night. The photograph, first of a series of 20 expected to be relayed by July 24, also pictured part of the Martian horizon, curving slightly against the background of space.

THE 575-POUND MARINER 4, television historic pictures of Mars, revealed that the planet's atmosphere is too thin for any form of life as known on earth. The photographs showed an earthlike desert bordered by smudges which may or may not be vegetation. The atmosphere at the surface is about equal to that of earth's at about 50 miles. "Men landing there certainly would need spacesuits," said Dr. William H. Pickering, laboratory director. Scientists do not exclude the possibility that some other type of life form may exist, however.

A PASSING FISHERMAN found a bullet-riddled cruiser, submerged and abandoned, floating in the Detroit River Saturday near Peche island, and reported it to the Belle Isle Coast Guard station. The boat, a 28-foot 1958 model Chris Craft, had been struck by 17 bullets, probably from a 30-30 rifle. A large hole had been torn in the hull, the engine was destroyed, and pipes were cut. From the condition of the bow, police theorized that the boat had rammed something at high speed.

Monday, July 19

A STRIKEN PASSENGER LINER, with 600 aboard, was stranded and helpless Sunday, 500 miles east of St. John's, Newfoundland. Aid was not expected to arrive before early Tuesday. Spokesmen for the Holland America Lines in Montreal said that a small fire broke out in the ship's engine room but was extinguished quickly by crew members. However, the fire did damage the electrical system. Carrying 400 passengers and a crew of 200, the ship was not thought to be in any immediate danger. No one was injured.

Tuesday, July 20

FORMER KOREAN President Syngman Rhee, who has been in a hospital since March, 1960, died Monday of a stroke. He was 90 years old. Rhee, who had led his native land on a 50-year try for independence, and had lived in exile for many years, desired to be buried in Korea. The government of President Park Chung Hee was expected to comply. A tough leader, Rhee had been elected to four terms as president of the Republic.

Another Boat Piles Up On Hidden Hazard

FIVE YOUNG people were taken off this badly damaged cruiser last week after it ran up on a submerged menace off the Farms shore just east of the Grosse Pointe (Little) Club. Residents living on the lakefront say such incidences have become fairly common.

The hazard is believed to be the remains of an old dock crib. Pleas to have a buoy placed over the spot have so far gone unheeded. The Coast Guard says it is the responsibility of the U.S. Corps of Engineers, which has been notified of the danger.

Chorus Set For Concert On Tuesday

Fries Auditorium at Memorial Center to Be Setting For Annual Presentation at 8:15

The air has been filled with many sounds of music at the Grosse Pointe War Memorial Center this summer. One of the happiest comes from the Grosse Pointe Summer Chorus preparing for its fourth annual concert to be presented in the Fries Auditorium on Tuesday evening, July 27, at 8:15.

The summer chorus was

Woods to Sell Old City Hall

At the Monday, July 19, meeting of the Grosse Pointe Woods City Council, it was decided that the city will advertise for bids due September 20 for the sale of the old city hall and public safety department.

The old building, at Mack and Anita, is presently vacant, being used only for elections.

The bid form specifies that there must be a minimum of a \$75,000 offer, that a 10% deposit be made when the bid is submitted, and that the balance be paid within 20 days after the delivery of the title.

A bid of \$4,677 from Lee Walker & Co. was awarded for the lighting of the Lake Front tennis courts.

Stupid Vandalism Follows Trombly School Break-In

Vandals broke into the Trombly School, 820 Beaconsfield, between 4 p.m. on Tuesday, July 13, and 9 a.m. on Wednesday, July 14, causing some damage to several rooms, according to information received from Park Police Chief Arthur Louwers.

The report of the break-in and vandalism was made to police by Herbert Schwartz, engineer of the school, who discovered the damage when he opened the building Wednesday morning.

Patrolman Gary Mitchell, who was dispatched to the school to investigate, said that entry into the building was made by the vandals breaking a 12x16 pane of glass of the door at the southeast corner of the school, and unlocking the door.

Student Drinking Problem Discussed with Reporter By High School Principal

Jerry Gerich Gives Frank Opinions on Adult Responsibility and Increase in Experimentation Among Young People

By Anne Boynton

(Editor's note: This is second in a series of three articles.) A high school principal is a likely target for a sore topic, even if it doesn't directly involve high schoolers. But this one does and Jerry J. Gerich, principal of Grosse Pointe High School, kindly fell prey to questions on drinking, about which he's probably been quizzed since his first year as principal.

Mr. Gerich helpfully swung the conversation the way he saw fit, immediately hinging on adult responsibility rather than teen behavior. "We must show where we put our priorities," he admonished.

"Yes, the times they are a changin'," as the song goes, and in this vein, Mr. Gerich raised serious questions about the validity of laws concerning smoking and drinking. "Why have laws about tobacco and liquor and then not follow them?" he asked. "It's a sham!" He therefore feels a serious review is in order.

The principal, who had under his care approximately 2,500 students last year, conceded that there is probably more experimentation now than in past years. However, he was inclined to agree with police in feeling that there has not been a rise in problems of late.

Know Who Drinks Asked how widespread the situation is at GPHS, Mr. Gerich responded, "We could actually name the drinking crowd." So, apparently administrators know who they are, and therefore the kids must know also.

This is why Mr. Gerich had little sympathy with some of the students he knows who were involved in the now thrice-publicized story of a recent teen beer blast in the City. Although those involved were probably victims of circumstance, he confessed, he also pointed out the faulty judgment on the part of some. Without stating any names, he referred to a couple of girls whom he spoke of as good students, who "definitely should have known better." Their noses and a look around

Boy Seriously Hurt in Crash

A 12-year-old boy was seriously injured in a freak accident which occurred Friday, July 16, near Kercheval avenue and Moran road.

Marie Louise Hebert, 61, of Fairfield road, driving a Chevrolet sport sedan, was going south on Moran. She turned onto Kercheval and collided with a car driven by Gordon R. Patterson, 19, of Lakeshore drive. Mrs. Hebert's car then shot back across the west bound lane, striking a boy on a bike. The car and the boy still on his bike, continued over the curb across the lawn at 210 Kercheval, finally stopping against a wall of the house. The boy was pinned in front of the auto.

Mark Brooks, son of Mr. and Mrs. George M. Brooks of Touraine road, suffered a broken left leg below the knee and a fractured right wrist.

Mrs. Hebert received injuries on her forehead, chest, and hip. Farms officers transported both victims to Cottage hospital via a fire department ambulance.

Total damage caused by the accident was estimated at \$3,635.

Police issued a ticket to Mrs. Hebert for failure to have her vehicle under control. Police theorized that she got confused and hit the accelerator instead of the brake.

Witnessing the accident was Mrs. B. H. Paddock of Lincoln road.

50,000 See Kiwanians' Annual Show

Fireworks Display at Parcels School Raises Over \$4,000 for Club's Philanthropies

The 27th annual fireworks display sponsored by the Kiwanis Club of Grosse Pointe, on Monday, July 5, drew more than 50,000 spectators, and gross receipts from voluntary contributions totaled more than \$4,000, club officials disclosed.

The officials said on Friday, July 16, that the display was one of the most successful held since such events began 27 years ago. The event was held on the Parcels Junior High School grounds.

Not only were the spectators treated to a brilliant, multi-colored show, but also witnessed a 16x16-foot birthday cake-shaped fireworks display honoring the 50th anniversary of the founding of Kiwanis International. The beautiful design was applauded by the vast crowd.

No Admission Charge

There was no admission charge to watch the display, but the Pointe organization accepted voluntary contributions from persons making them. The money is placed in the local club's treasury, and is used to promote civic activities and programs.

The club members are local business and professional men, who are interested in their community, and in promoting anything that will benefit their city.

The Kiwanians have another money raising project, and that is the Peanut Sale, held annually in September.

With the money reaped from the fireworks show and peanut sale, the local Kiwanians sponsor scholarships, aid underprivileged children, support Boy Scout and Girl Scout programs, promote Little League activities, and provide programs and materials to the Woods Public Safety Department to help the department's never ending traffic safety fight.

Have Bought Five Buses Each year, the Woods Kiwanians set aside \$1,000 from their treasury, until at the end of five years, when they have accumulated a total of \$5,000, they purchase a bus, to be used to transport Woods children to the Woods' lakefront park in Jefferson avenue, in St. Clair Shores. There are three buses now in operation for this purpose. Senior citizens with park passes may soon use the

Thirteenth Annual Regatta in Farms Set for Weekend

Crowning of Queen, Boat Races, Parade, Highland Band and Dancing on Program Being Held Saturday and Sunday

The thirteenth annual regatta of the Grosse Pointe Farms Boat Club will be held at the Farms Pier Saturday and Sunday, July 24-25.

Applications for decorated boats and races are now being taken at the Pier. All contestants must be residents of Grosse Pointe Farms. There will be prizes and trophies for all events.

The Beauty Contest preliminary was held July 12. The finalists chosen were Sue Boyd, Pat Crea, Pat Foster, Beth Truba, Sue Savage and Carol Reardon. From this group the Grosse Pointe Farms Queen will be chosen. Participating judges were Richard C. Hudson, Charles Verheyden, James Causley, John Mazer and Leon.

Prizes for the Queen will be \$100 saving bond from the Boat Club, \$150 certificate for clothing and beauty work from Leon, also transistor radios, luggage and other prizes. There will also be bonds and beauty work for the five runners-up.

Boat races and decorated bicycles will be the order of the day Saturday, starting at 10 a.m. Final elimination, crowning of the Queen and dancing under the stars with the UNDERDOGS, a popular Pointe band, are scheduled for the evening.

Mayor William F. Connolly and Mr. Verheyden will be Grand Marshalls for the parade Sunday starting at Sear's parking lot at 1. The highlight of the parade will be the Highland Pipe Band from Shriners Moslem Temple. The bandsmen and their families will enjoy the facilities of the park for the rest of the day.

Fleet review will get underway at 2, after which all trophies will be awarded.

Motorist Grabs Two Marks

Mr. R. Mitte, of Kercheval avenue, notified Farms police on Thursday, July 15, that he was holding two boys in front of the Public Library. Patrolmen arrived and spoke to the boys, age eight and nine, who admitted shooting a plastic pea shooter, automatic type pistol at Mr. Mitte's car.

Mr. Mitte didn't want to sign a complaint but requested that the boys be taken home to their parents. The mothers were informed of the incident and they stated the boys would be punished.

TO PUNISH TRESPASSERS

Farms patrolmen were called to St. Paul's Cemetery on Moros road Thursday, July 15, on the report that boys were trespassing on the grounds. They picked up three boys: Larry Grillo, of Harper Woods; William M. Beckley, of Detroit; and Ronald Craig Gorman, of Roseville. Gorman was driving a Ford convertible registered to his father. All three were taken to the station and turned over to Sergeant Alfred Martin who contacted their parents. All parents agreed to a work program to be arranged with the cemetery custodian.

Street Recapping Project To Cost Farms \$54,923

The Farms council approved the awarding of a contract to the second highest bidder for the asphalt recapping of certain sections of city streets. Cost of the project to the city will be \$54,923.

At its regular meeting held on Monday, July 19, the council, acting on a recommendation made by City Manager Andrew Bremer, Jr., gave the recapping contract to the Detroit Asphalt company, rejecting the low bid of \$52,473, made by the Jess M. Gregory company.

The city manager said that the low-bid company was turned down because it did not meet the specifications regarding current State Pre-qualification.

Last Concert Of Festival Next Monday

Distinguished String Quartet of Top Detroit Symphony Artists Will Give Program

The final concert of the Grosse Pointe Music Festival will bring a program by a distinguished string quartet to the summer music scene, and the program's appeal will be heightened by a return to the excellent acoustics and attractive setting of the Crystal ballroom of the War Memorial's Fries Auditorium.

Artists for the evening are Gordon Staples, violin; Edouard Kesner, violin; Nathan Gordon, viola; and Italo Babini, cello. All four are familiar to Detroit music lovers in their first chair positions of the Detroit Symphony.

In a change of scene, this concert will be given upstairs in the glass-walled ballroom where the audience can enjoy the view of the formal gardens and Lake St. Clair along with the music. The choice of the location was made by the musicians who consider the acoustics of the ballroom particularly good for strings.

Opening the program will be Schubert's A minor quartet—a work filled with Hungarian rhythms and evocative tunes for which Schubert is famous. It is the only one of his quartets that was published in his lifetime. This will be followed by the Joaquin Turina quartet — "La Oracion del Torero," (Oration of the Bullfighter) rich in fiery Spanish style.

The concluding work will be the poetic and thoughtful late quartet of Beethoven — Opus 130 in B flat minor. It is a work regarded as one of the finest masterpieces of quartet literature.

Tickets for the concert are \$2.50 and will be available at the War Memorial, from Mrs. F. E. Brossy the ticket chairman, or at the door on the evening of the concert. The starting time will be 8:30 o'clock on Monday evening, July 26.

SCAVENGERS VANISH

Mrs. John L. Pottle, of Country Club lane, called Farms police on Wednesday, July 14, to report some boys in St. Paul's cemetery. Upon arrival, Officers Ronald Wooten and Joe Belanger found no one around. Mrs. Pottle explained that the boys claimed to be on a scavenger hunt and had asked her for some food items before heading for the cemetery.

State Survey Telling Story of Casualties on Private Property Nearing Completion

The fate of a number of beautiful public and private-owned elm trees in the Pointe await a complete survey and analysis by the State Agriculture Department in Lansing. The final results of the survey and analysis should be made available in about two weeks, it was disclosed on Tuesday, July 20.

The survey is being made by the Agriculture Department because a large number of elms appear to be infected with the dread Dutch Elm Disease, although this is not certain. Experts revealed that the unusual dry spell, which created a lack of ground moisture, might be responsible for the condition of the suspect trees.

However, elms known to actually have the disease have been removed from public and private property, although the number that had to be taken down on private property is not known.

None Felled in Park

It was reported that no trees have yet been taken down in the Park, where the State is still conducting its survey, which will take approximately another week. The disclosure was made by Herbert Heger, head of the Park Public Service Department.

Seven public trees have been lost in the City this season, according to information released by City Manager John Cantwell. The State is still conducting a survey in the community, and so far, 13 private trees are suspected of being diseased.

Two former City mayors, Alonzo Allen of 412 Lincoln road, and Frederick Parkey of 354 Washington, were not immune from tree losses.

Last year, Allen lost a stately elm on his property because of the blight, and another this year; Parkey discovered that one of his best elms has been tagged and may have to be removed. He is awaiting a report in the test being taken by the State.

In the Woods, City Administrator Chester Petersen revealed that so far, the city has lost a total of 30 public trees. A survey of privately-owned elms is still in progress, and being made by the State, he said.

Four Removed in Shores

Shores Village Superintendent Thomas K. Jefferis revealed that four public-owned trees known to actually have had Dutch Elm Disease, have been cut down and removed, one in the George Osus Municipal Park; two in Vernier road, and one from another street. He said that a second elm in the park is suspect, and might have to be removed.

He said a survey is still underway in the Village. He stated that he did not have a count of the number of elms taken down from private property, but did know that some trees had to be taken down and some more will have to be.

The elm loss in the Farms, according to John DeFoe, head of the Public Service Department, is four due to the blight, and four due to natural causes, such as lack of water, roots cut during construction, etc.

The State's survey in the Farms should be completed sometime this week, DeFoe said, regarding private trees.

In each of the Pointe communities, when an elm is found to be diseased, it is cut down immediately; whereas, on private property, owners have 10 days in which to cut and remove diseased or dead trees, under ordinances in each of the Pointes.

SOLICITOR WARNED

Farms police received a call on Thursday, July 15, about solicitation in the vicinity of Kercheval and Touraine road. They picked up Stanley Clinton Strong of Blackduck, Minn., who was selling magazines for Local Readers Service, Inc., in Terre Haute, Ind. Arrest cards were made out and the subject was warned and released.

Problems

them should have smelled trouble.
Mr. Gerich confided that quite a few students even come in to counselors to talk of deep personal problems, often involving drinking. "They've scared themselves," he said, looking worried.

Athletic Influence
One interesting aspect he brought up was the importance of high school athletes in connection with attitudes on the part of the student body. He mentioned three outstanding players who graduated a few years back, and here we can see a justification for name-dropping. He noticed that when Marc Lonesk, Jim Seder, or Rick Bridges talked quietly to students congregated in the halls while they were serving monitor duty, the students would softly reply and then disperse.

This past year, in comparison, has often found athletes the roots of many problems. Again, this is a minority, lest anyone take undue offense.

We also contemplated the seemingly increased emphasis just in talking about the subject of liquor. But Mr. Gerich felt that more discussion of drinking, smoking, and sexual promiscuity was perhaps good. "This still goes back to the home," he remarked.

Need More Activity
Lack of meaningful activity was cited by Mr. Gerich as the main reason which leads students to their parents' liquor cabinets. And he again stressed the importance of the family in providing worthwhile things to do—together.

"In the summer we're fortunate," he said, and praised the efforts of the War Memorial and the Neighborhood Club. He indicated in addition the four or five centers currently operating where students can dance, etc.

In conclusion, Mr. Gerich acknowledged that the general attitudes of students at the high school are wholesome.
"But you've got to understand Grosse Pointe, too," he warned. With fathers having important jobs, and both fathers and mothers out of town on business, Mr. Gerich feels that "children often don't understand the responsibilities of parents."

Farms Submits Building Report

The value of residential and other constructions in the Farms for the month of June, far exceeds that of June 1964, according to information released by John A. DeFoe, public service director, in a monthly report.

The report also disclosed that from January 1 through June 30 of this year, the value of total construction amounted to \$800,200, as compared to \$620,200 for the same period last year.

Last month, four permits were approved for residential construction valued at a total of \$234,000; no permits for commercial buildings; and nine for miscellaneous construction valued at a total of \$34,400.

During June 1964, only one permit for a home valued at \$36,000 was approved; none for business; and 11 miscellaneous, valued at a total of \$53,850.

From January 1 through June 30, 1965, 12 permits for residential constructions valued at a total of \$664,000 were okayed; 1 for commercial, valued at \$45,000; 32 miscellaneous, valued at a total of \$91,200. One permit was approved for nonassessable property valued at \$170,138.

From January 1 through June 30, 1964, nine permits for residences valued at a total of \$397,000, were granted; none for commercial; and 60 for miscellaneous construction valued at a total of \$223,200; none for nonassessable property.

Residential permits approved last month were for a \$25,000 home at 349 Ridgemont road; a \$114,000 home at 35 Winthrop place; a \$55,000 home at 38 Warner; and a \$40,000 home at 270 Kenwood court.

Chorus Concert Tuesday

(Continued from Page 1)
founded in 1962 by Dr. and Mrs. Donald Simmons with the assistance of accompanist Jerry S. Hughes and his wife, Sue. The chorus has far surpassed the ideal of summer musical fun by growing in size and popularity in its short history. When the Simmons' left for Ohio State University this winter, Dick Johns picked up the baton for both the Summer Chorus and the Grosse Pointe Community Chorus.

Dick and his wife, Lois arrived here about five years ago from Quincy, Mass., with their many talents, and soon became an important part of the musical community. As a special student at the New England Conservatory, Dick studied violin with Harrison Keller and voice with Marie Sundelius. His 25-year background as church choir director well prepared him for his chorus duties as well as those of the Grosse Pointe Woods Presbyterian Church choir.

Many New Singers

The 50-voice group has many new singers this summer as well as many charter members. Honors for youngest member go to Vickie Denman who will be in the 5th grade at Richard School this year. Vickie brings 6th grade sister Diane and father Dave, (all new Grosse Pointe residents), along for the family fun.

Three other family groups are third year singers, Mrs. Joseph Shaheen with daughters Ann and Julie, Mrs. Jeanette Jobbitt with Cathy, and sisters Linda and Sandy Gawura. Also welcomed this year, is Raul

Mejia from the Dominican Republic who is spending the summer with college classmate John Huebner.

Tickets for the concert may be purchased from these and all other members of the chorus as well as the Grosse Pointe War Memorial office, at \$1 for adults and 50 cents for students through senior high school age.

Plan Varied Program

The program will include Broadway show tunes, folk songs and a ringing arrangement of the "Battle Hymn of the Republic" featuring Jerry Hughes and Lois Johns in the 4-hand piano accompaniment. Nancy Cary returns as soloist with Ann Shaheen in "Michigan Morn." Intermission entertainment will once again feature Dave and Molly Hughes with banjo plucking Bill Hope. As the Troubadors, these three have made many appearances in the Detroit area with their guitars and original arrangements and are all charter members of the summer chorus.

Also singing in the chorus are Marilyn Newa, Marcia Powell, Nancy Messing, Cheri Burns, Nancy Milne, Florence Wolford, Julie O'Brien, Joan Duffield, Rob Downey, Merry Hyde, Arden Jaeger, Eleanor Huhn, Mary Baier, Donna McRea, Jim Getschman, Helen McConachie, Jane Peebles, Nancy Roger, Sue Jackson, Pat Kelly, Linda Smith, Hazel De Cester, Mary Auble, Connie Wood, Helen Boyle, Joyce Adams, Nancy Ripka, Cindy Tew, Lawrence Verdier, Jim Young, Terry Allen, Kit Dahl, Sylvia Frawley, Sallie Hicks, Marcia Johns and Diane Tutag.

Police Arrest 3 Curfew Violators

Three 15-year-old Park boys were arrested by Park police at 3 a.m. on Sunday, July 18, and charged with violation of the curfew law, it was revealed by Police Chief Arthur Louwers.

The arresting officers, Patrolmen Henry Wilson and Ronald Peplowski, said they were patrolling Windmill Pointe drive at Barrington, when they observed the teenagers walking near the waterfront park. When the boys saw the scout car, they fled on foot, but the policemen were able to capture one boy.

The captured boy was taken to the station where, upon questioning, he told the officers where his two companions were supposed to meet him, if all made good their escape. The two runaways were found at the location, and taken into custody. Wilson and Furtaw said.

The trio told police that they had just finished swimming in the Park's waterfront park pool and were on their way home when they were spotted.

History of Neighborhood Club Goes Back to 1911

The history of the Neighborhood Club seems especially appropriate at this time, with the Grosse Pointe Board of Education about to purchase the property.

Incorporated as the Mutual Aid and Neighborhood Club on January 14, 1911, the club's founders planned to create an agency for constructive social work.

Jessie Hendrie was the guiding spirit behind the original organization made up of Grosse Pointe summer people for permanent residents of the community. The Board of 24 ladies first met at the Country Club and elected Mrs. Russell A. Alger, president; Miss Florence Pond, secretary; and Mrs. W. Howie Muir, treasurer.

The club was first housed in a small frame building on Rivard boulevard. The second building and gymnasium was located on Oak Street until Kercheval avenue was expanded and the club was forced to move to new quarters.

In 1927 the late Dexter M. Ferry, Jr., gave eight acres in Waterloo avenue, and \$150,000 was raised by a popular donation drive for a new community building.

The first Director of the club was George Elworthy, who served until his retirement in 1961. Miss Pauline Masak has guided the recreation program since 1933.

Some of the first activities of the club were either absorbed under public administration or carried on alone. There was the

Farms Fire Loss Takes Big Drop

The fire loss in the Farms during the first six months of this year showed a tremendous drop, compared to the loss during the same period in 1964, according to a monthly report submitted to the Farms council on Monday, July 19.

The report, prepared by Fire Chief M. William Mason, and Fire Capt. Raymond Snay, showed that from January 1 through June 30, of this year, the total fire loss in the city amounted to only \$9,090, to buildings, contents and automobiles.

From January 1 through June 30, 1964, the total loss to buildings, contents and cars, by fire, amounted to \$31,345.

The monthly report disclosed that during the first six months of 1965, the Fire Department answered 21 calls for residential and commercial fires; nine for automobiles; 28 miscellaneous; four false alarms; and three Mutual Aid calls to assist other communities.

During the first six months of 1964, the number of responses to residential and commercial building fires was 18; car fires, 10; miscellaneous, 37; false alarms, four; call for assistance under the Mutual Aid Pact, one; and three Mutual Aid calls.

There were 52 utility apparatus runs, other than fires, and 96 ambulance runs this year, as compared to 70 utility apparatus runs and 63 ambulance runs during the first six months of 1964.

Last month, the fire report showed, the Farms Fire Department answered three calls to residence and commercial building fires; five car fires; eight miscellaneous, one false alarm; and two Mutual Aid calls.

Chief Mason said that the decrease in fire loss is not only attributed to the efficiency of his department's personnel, but also to the fire safety conscious residents of the community, plus luck.

The chief said that the personnel of his department are in constant training, especially during the summer months, when the departmental manpower is very short because of vacations. As a result of this, those still on the job are given in-service training to maintain their fire fighting skills at a peak.

PARTIAL RECOVERY

George Sutton, 15, called Farms police to report that he lost a brown leather wallet in the vicinity of IXL Glass Co. on Mack avenue at approximately 12:30 p.m. Wednesday, July 14. The billfold contained his driver education certificate, a G.P. Farms pier permit, and a Red Cross first aid certificate. It contained no money. Later in the day, the Red Cross card only was recovered in front of a drug store.

Buy Clothing On Stolen Plate

Mrs. Sam Bono, of Elizabeth court, called Farms police Thursday, July 15, to report that her daughter Elizabeth's billfold with a Hudson's charge plate and her driver education certificate, was stolen from Grosse Pointe High School sometime in June. On June 8,

someone went to the Hudson Eastland store and charged \$230 worth of clothing. The person signed the name of Elizabeth Bono and showed the driver

certificate, and the Bonos were billed for the merchandise.

City Council Proposes Amendment to Charter

Grosse Pointe City councilmen passed a proposed charter amendment to be put on the ballot in the November 2 general election at their July meeting Monday night.

The amendment would allow the two present justices of the peace to serve as municipal judges for the remainder of their terms which expire in November 1967.

This action was taken in accordance with a provision of the new Michigan Constitution which terminates the office of justice of the peace five years from now. Rather than wait out the five-year period, councilmen thought better to abolish the office now.

With the exception of the Village of Grosse Pointe Shores and Grosse Pointe City, all the other Pointe cities already have municipal judges.

As municipal judges, the present justices of the peace will have increased jurisdiction. For instance, they will have the power to conduct a retrial which a justice of the peace is not allowed.

John Cantwell, City Clerk, will file the proposed amendment with the Wayne County Clerk prior to September 16 so it can appear on the November ballot.

Another matter taken up which was continued from last month's meeting, concerned Lee Realty Co.'s request for deviation from provisions of Ordinance No. 6, regulating signs and banners and the posting of cards and advertising. Last month, the company was ordered to present an acceptable sign at the July meeting, or else it would be ordered to remove the present one immediately.

James L. Hulet, representative for the company, described the new sign which will eliminate advertising on two of the three walls of the Mack avenue building which are presently painted. The requested sign is 299 sq. ft., still about eight times the 35 sq. ft. limit prescribed in the ordinance, but a third of the footage is the original sign.

The white lettering in the middle wall of the present sign will remain but the background will be toned down from red to gray.

The Council approved the new sign.

Hulet agreed to the added stipulation that the subject be up for review in four years as to whether the sign should be altered.

Councilmen agreed to grant four-year permits of other establishments requesting them. However, the four-year limit is maximum. If maintenance needs arise before the permit's expiration date, the matter will be subject to review at that time.

This stipulation limits the conditions of the present permit which allows that the approved signs remain until they should be altered or repainted, no matter how long that may be.

The limitation was made with the ultimate expectation of reducing signs in the whole area to a size nearer the prescribed footage.

The City Clerk was also directed to send a letter to the Business Association clearly defining the sign ordinance.

Lt. Col. Nichols Receives Award

Lt. Colonel Wayne S. Nichols, District Engineer of the U. S. Army Engineer District, Lake Survey, was awarded the second oak leaf cluster to the Army Commendation Medal on July 7 during a brief ceremony presided over by Brig. General Roy T. Bridges, Division Engineer, at U. S. Army Engineer Division, North Central, in Chicago, Ill.

This medal was awarded to Colonel Nichols for meritorious

service during the period March 9 to December 1, 1964 while he was serving as Battalion Commander, 809th Engineer Battalion (Construction), United States Army, Thailand. His outstanding leadership and professional competence contributed immeasurably to the accomplishment of his unit's vital mission in the construction of the 95-kilometer Bangkok By-Pass Road.

In addition, Colonel Nichols

inspired his men in the furtherance of Thai-American relations by establishing an active people-to-people program. This resulted in furnishing much-needed medical assistance to local nationals and financial

and material assistance to both a Thai school and orphanage. Lt. Colonel Nichols joined the Lake Survey direct from his service in Thailand and now resides in Neff road with his wife and two children.

rectors of the James S. Holden Company informed the Council that they were unable to grant the city's request for the extension of the land contract payment in the amount of \$30,000 due in December of 1965.

The cut-off funds were going to be directed toward a resurfacing and repair program of all the municipal parking lots. This program, of necessity, will now be deferred until the summer of 1966.

During the next few months, certain leases and options relative to the municipal parking land will be a subject of council reviews. At the direction of the City Manager, Rutten, Welling and Co. has prepared a study relative to the ownership of the land utilized by the municipal parking system. The study will hopefully be an effective tool in assisting the council in its determinations.

REPORTS THEFT

James Stouts of 1244 Maryland, called Park police on Sunday, July 18, and told them that someone had broken into his car, parked in front of his house, and had stolen his one speed, 45-rmp record player in a chrome case. The loss is valued at \$73.

Cudlip Honored By Fellowship

Establishment of a fellowship for leukemia research at The University of Michigan by the Robert S. Cudlip Memorial Foundation was announced recently at the Regents' meeting.

A gift of \$5,000 will maintain the Robert S. Cudlip Fellowship for two years. The award is to be made through the U-M Medical School for work in "virus studies of human leukemia."

This work is under the direction of Dr. William Murphy, associate professor of microbiology and is carried out in cooperation with the department of pediatrics and internal medicine. Using special tissue culture techniques, Dr. Murphy and his associates have isolated virus-like agents from the bone marrow of children with acute leukemia.

The significance of this and related work, Dr. Murphy says, is that rather convincing evidence now is accumulating to show that human leukemia may be caused by a virus. The University of Michigan is one of the major institutions in the country now mounting intensive research programs on this important cancer of children and adults.

The new fellowship is a memorial to the late Robert S. Cudlip, of Detroit and Grosse Pointe, and was established by his family and friends. He was a victim of leukemia.

Fellowships of this type are important, Dr. Murphy says, because they make it possible to rapidly explore new leads as they develop, thus accelerating the pace of research.

Find Stolen Car In Macomb Field

Peter A. Grarecy, of Allard avenue, called Farms police Sunday, July 18, to report that some unknown person had stolen his car out of the garage.

The car, a Pontiac Lemans convertible, silver blue in color with a black top, and red line tires, had the bill of sale and registration inside.

The next day Lt. Kolomjeck from the Macomb County Sheriff's department, reported that the car had been recovered in a field and was towed away.

Assault Case Hanging Fire

Although no complaints have been issued yet, a Pointe teenager was assaulted on June 18.

Jack Gajewski, 19, of Gray-ton road, and Joseph Reed, 19, of Lincoln road, were returning home from a closed party in the Farms when they were forced to pull over to the side of the road at Harvard and Vernor by two carloads of boys who had been following them.

Armed with a tennis racket, Jack got out of the car to straighten the matter out. The anonymous assailant reached for the racket and beat Jack over the head, breaking the racket. As soon as Jack began to defend himself, the other youths unloaded from the cars and jumped the lone Pointer.

Besides losing some teeth, Jack suffered facial injuries and a cut lower lip.

After the attack, Jack and Joe went immediately to Park police and made a report.

Through investigation, Park Detective James La Pratt obtained the names of 10 boys thought to be involved.

Later 31 people were called in to a conference held at the Wayne County Prosecutor's office. The group included witnesses, suspects, and the victims.

So far, no decisions have been made in the case. Pending further investigation, the names of the boys questioned are being held.

Floods Blamed On Parking Lot

Six Washington road couples wrote a letter dated July 13 to John Cantwell, Grosse Pointe City Manager, urging Council action on a matter concerning unsanitary sewer conditions.

The letter stated: "Up until a city parking lot was built on the back of our lots, flooding of basements had never occurred. However, since that time the houses bordering the city parking lot have had their basements flooded with every heavy rain. Obviously, the manholes in the city parking lot are inadequate to handle the overflow of normal rain. Consequently, we have had to discard many valuable items that were ruined with sewer water, plus the time-consuming job of scrubbing and shoveling filth from our basement floors.

"The homes not bordering the city parking lot and the homes across the street have never flooded. This is certainly proof that the trouble rests in the City's parking lot sewer system."

Those signing the letter were William G. Blenmans, the Erwin Konings, the Glenn W. Mauls, the Omer L. Denommes, the John C. Leonards, and the B. Fedoraks.

BIKE TIRE STOLEN

Barthold Legato, of Lincoln road, reported to City police on Saturday, July 17, that someone took a chrome-rimmed, light tan rear tire from his 26" Schwinn 10-speed bicycle. The simple larceny took place at Neff Park.

Babe Ruth League

FARMS-CITY-PARK
By Bill Stuck

The American and National Division Champs have been named. The dust has settled... but wasn't the week a "gorgeous weather week"? By the time you see this very possibly the League Champ will have been decided.

Wednesday first and second round winners met and the results were INDIANS for the

American Division and DODGERS for the National Division. In the National Division game it was an extremely close one as the DODGERS got 1 run under 1 hit pitching by Rick Scavarda. Rick also struck out 12. The GIANTS' final score was 0 under 2-hit pitching by Wally Marantette. Note: Late report feels was one-hit game for Wally too—needless to say it was a tight, tight game.

Final Score DODGERS 1 and GIANTS 0.

In the other Division it was the INDIANS 8 and the TIGERS 6. Bill Bockstanz went the entire game for the TIGERS and it was a real see-saw match. Bill did a real nice job. He was aided by a solid single by John Fralick that brought in 2 and a good solid triple almost an HR by John O'Brien.

INDIAN Doug Dzuiba laid one over first that brought the INDIANS back from 1-2 to 2-2. Jeff Hadden had a triple that brought in 3 runs and finally Kip Oldani with another triple brought in 2 and that seemed to be the margin.

Byron Stuck was named winning pitcher and finished the season 9-1. He was relieved by Keith Cunningham in the sixth to bring the game to a close. "Stu" McMillan, TIGER manager and his team put on an excellent effort and had all the parents and spectators in action but the end score named Chuck Campbell, manager of the INDIANS and his fine coaches and the players as the ones to face the DODGERS. Hope to see you next season Stu, and I know I speak for the parents, too.

On Friday each Division had chosen an All-Star team to enter the District 2 of Michigan Babe Ruth Tournament. The National Division faced the East Side Kiwanis and dropped the game 9 to 3. Snodgrass, the winning pitcher, allowed 6 hits while the National Division pitching allowed only 7 hits. Losing pitcher was Donny Thompson relieved by a weary-from Wednesday's Division game Wally Marantette. Thompson and Walt Cytacki got HR's... and got to keep the game ball that they hit! Players for the National Division team included DODGERS: Cytacki, Scavarda, Pankhurst, Moody, Richardson; PHILLY: Pione, D. Thompson; D. Schnurr; BRAVES: Robby Hayes, Parvin, Sautter; CARD: Jim Walker and GIANTS: Marantette, Thompson and Roubie.

In the American Division Harper Woods game, they too dropped the game 6 to 2. Winning pitcher was Kalwarczyk and losing pitcher was Danny Sutherland, relieved by Bill Bockstanz and finally relieved by Byron Stuck. This game was mighty close until the 6th inning and then 3 runs decided the problem... and the rains came. Bill Noecker had two hits. Ben Hubbard 1, Kenny Rem 1 and the pitcher Danny Sutherland 1.

Amazingly, two excellent throws from right fielder Mike Ferrell caught the same player at home plate for an out in two different innings. Players from the American Division included: INDIANS: Dzuiba, Stuck, Hadden, Oldani, Hubbard, Rem; TIGERS: T. Wilson, Garry Meyers, Fralick, Bockstanz, P. Wittstock; WHITE SOX: D. Sutherland; RED SOX: Phil Dara; YANKS: Mike Ferrell, Bill Noecker.

As we come into "the home stretch" parents, we wonder at times if you really appreciate what your boys think when you "just can't make it"—"that it's dinner time not ball playing time" and some of the other stories. They obviously wouldn't have come out in the snow in the March "GP" weather to register and later to try out if they didn't think they would have a good time and SHOW YOU just what they could do. This year as in past years our games "WON BY FORFEIT"—not enough players" is a continuing problem. The season is about over so we pass this along merely as "food for thought."

Farms Tankers Win Over City

The Grosse Pointe Farm swimming team met and soundly defeated the Grosse Pointe City tankers in a meet held in the City pool on Wednesday, July 14. The final score was Farms, 226; City, 74.

BIG HELP TO POLICE

Robert M. Orr, of Village Lane, who had his wallet stolen in a 50,000-crowd Tiger ball game on Friday, July 16, had a surprise for police when he came to the station to report the loss. In preparation for such an occurrence, Mr. Orr had photographed the contents of his wallet for 25 cents at the Grosse Pointe Public Library. Thus, police have his Social Security and credit card numbers on hand will be able to trace the theft much easier.

Lochmoor Beats Golf Club Team

By Mike Granger

There's an old adage which says, "Two's a company and three's a crowd." The Lochmoor swimmers "uncrowded" first place by edging the Detroit Golf Club 165-151. "Accompanying" Lochmoor at the top are the Western Swimmers, who are likewise undefeated after three dual meets.

Highlighting the meet was the record-breaking performance of Lochmoor's 200-Meter Girls' Freestyle Relay. The quartet of Pinky Sinclair, Kitty Wilkins, Lisa Beckenhauer and Cheryl Gardner were timed at 2:06.2, breaking the previous record set by a Detroit Boat Club foursome way back in 1960.

Lisa Beckenhauer established an individual Inter-Club age-group record by breaking Anne Whyte's 1965 freestyle achievement. Eleven-year-old Lisa was clocked at 30.2, chopping over a second off Anne's time. Lisa also swam breaststroke in two winning medley relays.

Pinky Sinclair pulled off the meet's biggest upset by defeating Detroit Golf Club star, Phoebe Bedford, in the backstroke race. It was a rough night for Phoebe as Cheryl Gardner outswam her in the freestyle race. Phoebe, though, did manage a butterfly victory.

Kitty Wilkins was unbeatable in the 13-14 freestyle race. Pacing the boys' attack were Jim Godin, 14, and his younger brother, D. J., 9. Both boys won a pair of individual events, the freestyle and backstroke races, plus little D. J. swam butterfly in the winning 9-10 medley relay.

Tommy Heholt turned in his usual fine performance as he won the 11-12 freestyle event. Tommy's 7-year-old sister, Sussy, continued her age-group domination by winning the 25-meter freestyle.

WOODS-SHOES
By Cindy Tew

Monday evening at Ghesquiere Park about 300 people turned out to see the Cardinals take charge of the opening game of the World Series. Dan Clem is credited with the win, striking out six while not allowing any runs. Dan Dykstra relieved Clem in the fourth; he also struck out six, but allowed four runs.

The second inning was the biggest for the Cards, Bruce King got on with a fielders choice. Ed Chase doubled and John Shook walked to load the bases. There was no room left on the bases for Dan Clem who came to the plate, and he walked, receiving an RBI. Dan Dykstra, next up, slammed a double to get three runs in. Mike Howle then doubled in Dykstra.

The two other Cardinal runs were picked up in the first and fourth innings. Mike Howle singled in Dan Clem in the first inning. Steve Reed singled in Dan Clem in the fourth.

The big inning for the Tigers was the fifth. Bunky Begeman represented the first Tiger run, coming in on a Cardinal error. Ernie Ney sacrificed Greg Davis in for the second Tiger run. Donny Dahar and Tom Keller came in for the other two Tiger runs, coming in on a single by Doug Perry.

The second, and last, game of the World Series was played on Wednesday. In a suspense-filled nine-inning game, the Cards outlasted the Tigers 4-2. Tom Clem was the winning pitcher, pitching the last three innings. Dan Clem and Dan Dykstra each pitched three innings for the Cards also. Tommy Keller, who pitched six innings for the Tigers, and Greg Davis, pitching three innings, put up a terrific defense for the Tigers, but couldn't get past the Cardinal offense.

Dan Dykstra was the hero of the game for the Cards. He scored two runs, one of which was a tremendous home run that won the game. Steve Reed also hit a homer for the Cards. Other strong Cardinal hitters were Dan Clem, John Allen and Bruce King.

Big hitters for the Tigers included Jim Ney, Tom Keller, and Doug Perry.

At the conclusion of the game, Mr. Charley, the president of Woods-Shoes Little League presented the St. Louis Cardinals with the Louie Johnson Trophy.

DISTRICT II TOURNEY

By Tom Blomquist

On Friday the Grosse Pointe Woods All-Americans played a tough Anchor Bay team in the District II Tournament, and were soundly defeated by a score of 14 to 4.

Dave DiCicco, Jack Elias, Gary Egan, Tom Maceri, Dan Cohan, Jon LaRose and Joe Isca all had singles while Jerry Hodges had a solid triple. The boys had plenty of hits but were unable to put them together for a higher score. Tim Addy managed the team and Jim and Andy Bradley were the coaches. This eliminated the All-Americans from the tournament.

Also on Friday, the Grosse Pointe Woods Automotive team started tournament play with an impressive victory over L'Anse Creuse. The score was Grosse Pointe Woods Automotive 7, L'Anse Creuse 0. Gary Pagato was the winning pitcher. He pitched a wonderful game as he allowed only four hits, struck out 10 men and only walked three.

Tom Hermann led off in the first inning with a double, then Gary Pagato and Rick Shalla walked. Up to the plate stepped slugger Gene Barratta, who blasted a double which brought in two runs. Still in the first inning, Paul Shakotko singled home another run. Chris Mala, fourth runner came in, and finally Greg Ulmer singled home a run.

There was no further scoring until the fifth inning when Paul Shakotko belted out a tremendous home run. In the sixth inning Bob Zink singled and eventually scored the seventh run on errors. Zink had another hit during the game and Al Slowik had a single.

Saturday, July 17

The Grosse Pointe Woods Automotive team was on the move again as they won a tough semi-final battle with a good Harper Woods team. Grosse Pointe Woods won this one by a score of 2 to 1. Manager Norm Blom and coaches Dave Marshall and George Sinning were proud of their boys and are looking forward to the finals with a strong Eastside Kiwanis team.

In the first inning of the Grosse Pointe-Harper Woods game, Bob Zink and Marc Ranney singled but were unable to score. In the second inning Spike O'Brien singled but no runs came in. In the third inning Tom Hermann reached first on an error, stole second and came home on a timely single by Marc Ranney. In the fourth inning Harper Woods tied the game with a double and an error.

The tie breaker and the last run of the game came in the fifth inning when Tom Hermann

walked and went to third when Bob Zink reached first on an error. Gene Barratta stepped to the plate and hit in the winning run with a solid single. Brian Berlenback was the winning pitcher. He pitched a four hit, struck out five men and allowed only one walk.

The Grosse Pointe Woods 13 year old Babe Ruth All-Stars played an error-filled game Saturday afternoon with Grosse Pointe, Inc. The Woods boys had five errors and lost the game after five complete innings by a score of 6 to 0. Rain canceled the game at the end of the fifth. Bill Bailey of Grosse Pointe, Inc. pitched a no-hitter. He struck out eight men and walked five.

Bill Schleicher pitched another great game only to lose. Bill only allowed two widely spaced singles as he struck out six batters and walked only one. Lauth and Hudson got the only hits for Grosse Pointe, Inc. The Woods 13-year-olds play a consolation game on Sunday.

Sunday, July 18

The Grosse Pointe Woods Automotive team Sunday met and were defeated by East Side Kiwanis. The score was 4 to 0. Paul Shakotko pitched most of the game and was relieved by Gary Pagato and Greg Ulmer. These pitchers held Kiwanis to only two hits, but Grosse Pointe lost the game on eight errors.

Paul Shakotko and Spike O'Brien got the only Grosse Pointe hits. Manager Blom and coaches Sinning and Marseller are waiting for next year.

The Grosse Pointe Woods 13-year All-Stars played an action-packed consolation game Sunday in which they defeated Eastside Kiwanis by a score of 7 to 5. Bob Davis pitched a nice game for Grosse Pointe. Don Blomquist went two for three in the hit department as did Jim Montmorcency. Jim Shelton hit a nice double and Mike Wolso a single. Larry Griffin relieved in the seventh inning and retired the side.

CITY Majors

The Braves, under Manager Dave Wightman and Coaches Steve Horn and George Cotichio, walked off with all the kudos for the 1965 season, winning the second half (they already had won the first half), and the All-Star Game.

The All-Stars, managed by Jack Spiess and made up of the other 12-year-olds from the other three teams, gave the Braves a real battle before succumbing by a 6 to 2 score.

Tim Cornelli and Chris Marculpos shared the pitching chores as they have done during the regular season, allowing only a double to Vince MacDonald and a homer to Steve Hamman. Heavy stick for the Braves was Mark Walker with a two-run homer and a single. John Council was the defensive standout in the game, continually rifting strikes to home plate from left field.

For the official record, the final standings for 1965 were:

Minor League Play-offs
The winner of the last third of the American League, the Marines played the winner of the first two-thirds, Michigan, with Michigan finally coming through with a 10-9 victory. The score varied from 1-1 to 3-3 until the fifth inning.

The Marines Tim Finan doubled and brought home Mike Bodeau and the inning ended with the bases loaded. Michigan came right back with a single by Bill DeClercq, a double by Brad Vercloutere, a single by Steve Pemberton, a double by Ed Staff, a single by David Hyde, a triple by Tom Bogas — together accounting for six runs before the first out was made.

The Marines came out in the sixth with a walk by Nick Lacata, a double by Tim Finan, a single each by Ford and Tom Wheatly — accounting for four runs and tying the score. Three batters were walked but pitcher Brad Vercloutere struck out two batters to end the inning.

Michigan came to bat in the sixth and pitcher Brad Vercloutere singled — and made home on errors to end the game and win his own game — which gave the pennant race to Michigan. They will now face National League Pennant winner Iowa for the World Series crown.

Iowa, of the National League, took the first game of the Minor League World Series 11-5. Eleven walks on both sides accounted for most of the runs. Michigan's pitcher Brad Vercloutere came out with their sin-

gle hit — and Joe Briggs, Billy Tocco, and Dick Joseph combined hitting to give Iowa four hits. Tom Van Lokeren, the winning pitcher struck out nine batters. Michigan played an errorless game and accounted for the only double play — second baseman Bill Schaffner to first baseman Steve Pemberton to third baseman George Chergezan.

Iowa came into the second game all business. The first inning was uneventful for both sides. Iowa came up in the second and Angelo Tocco errored to first brought home by a double by Dick Joseph who stole home. In the third, Joe Briggs singled, Bill Tocco doubled bringing home Joe. Don Briggs got on, brought home by a hit by Tom Van Lokeren who was brought home on a long triple by Dick Joseph.

In the fourth inning Brian Garvey got on and was brought home by Joe Briggs. Don Briggs again walked and was hit home by Angelo Tocco. Dick Joseph was brought home in the fifth by Dennis Gabriel making the score 11-0 as Michigan came to bat. Bob DeClercq got on base and two men walked to load the bases. A single by David Hyde brought home Michigan's first run but the inning ended with the bases loaded as Gordie Pollina caught a hard hit ball in center field.

In the sixth Iowa started in to prove their strength. Don Briggs singled, and was brought in by a hard hit triple by Tom Van Lokeren. Angelo Tocco on first, was brought in by Dick Joseph and the Michigan pitcher took over and struck out the next two batters.

Michigan again loaded the bases, with Steve Pemberton hitting home one run but winning pitcher Don Briggs struck out the last two batters giving the series to the National League 15-2.

This win gave Iowa the World Series trophy in two out of three games. They have won 20 games and lost only one this season. Hats off to the men behind these boys — Dr. Donald Briggs, and Tony Tocco of Iowa, and John Chergezan and George Baltic of Michigan.

MAJOR LEAGUES

The opening game of the World Series between the Cards and White Sox offered many thrills to the packed stands. The game started as a pitching contest with the White Sox Rick McLaughlin and Dave Marrs hitting in the first but left on base as the inning ended.

In the second, a homer by Chris Badger of the Sox brought in the first run of the game. The third inning was sparked by a tremendous catch at the fence by the Cards' right fielder Bill Douglas but no runs for either side — and again the inning ended with hitters McLaughlin and Wible on base.

The fourth inning for the Sox produced a single by Chris Badger but Mike Getz, Cards' pitcher struck out the other three batters and retired the side. Number four proved the Cards' inning. Mike Getz and Tom Stack singled on the first pitch. Bill Douglas walked and Jan Sands singled to bring in the Cards' first run. Paul Pokorney walked bringing in the second. Chuck Getz walked bringing in the third and George Saad brought in the fourth on a walk. Dick McLaughlin ended the inning with a beautiful catch at short.

In the fifth inning Bongo Bailey got to first on an error and with two successful steals made home on the single by Dave Wible. In the fifth for the Cards, Jim Westcott robbed Bill Douglas of a homer by catching a hard hit ball at the fence to end the inning. Going into the top of the sixth, the Cards led 4-2. Westcott walked, Chris Badger got on an error and Bongo Bailey hit to bring in run number three. Gary Verkeyn doubled to bring in Badger and Bailey making the score 5-4. The Cards failed to score as Chris Badger shoe-string caught one hard hit ball by Chuck Getz, and Gary Verkeyn another off the bat of George Saad to win the first game of the series for the Sox.

The Cards returned for the second game of the Series determined and unyielding. In the first inning Chuck Crandall hit a single to land on first. An error accounted for Mike Getz trip to first and a double by George Saad brought in the first run. Bill Douglas walked and an error brought Phil Fielding to first and another run in. A beautiful bunt by Tim Slusser brought in Saad and Douglas. Paul Pokorney brought the next run in and hit by Mike Getz brought in two more. A hit by Tom Stack brought in Robbie Crandall and Mike Getz.

Bongo Bailey led off the Sox with a hard hit double and a home run by Dick McLaughlin brought the two in. The second and third innings proved uneventful for the Cards but the Sox Chris Badger hit a homer in the second and Gary Verkeyn in the third got to first on an error and was brought home by a second homer by Rick McLaughlin. In the fourth, the Cards picked up two more runs on walks an errors and in the fifth two more on a bunt by Chuck Crandall brought home by a four bagger by Mike Getz. A double play by Gary Verkeyn to Dick McLaughlin and back to Verkeyn ended the inning for the Cards.

Lochmoor Tankers Capture Four Wins in Four Meets

By Mike Granger

Fourteen-year-old Jim Godin of Lochmoor swam the best race of his young career when he upset Bruce Black, Grosse Pointe Yacht Club star, in the 50 meter backstroke event. Godin's winning time was 33.2, chopping one full second off his previous best time.

It was more than just Godin, though, that produced this victory for Lochmoor. The overall strength and versatility brought Lochmoor their fourth consecutive win. Successive victories over Red Run, the Detroit Boat Club, The Detroit Golf Club, and now the Grosse Pointe Yacht Club, have left the undefeated Lochmoor squad tied with Western, likewise conquerors in

their four inter-club meets. Tonight, the two teams will collide in what shapes up as the Battle for First Place.

The final score of 160-152, truly reflects the generosity of Roy Pouloiti, Lochmoor coach. Until Kathy Beck ended a Yacht Club drought by winning the seventh event, the backstroke race, it looked like another humiliating defeat for the Yacht Club. Of the last 20 events, Grosse Pointe did manage to win 10 events. In the final two relays, for example, Pouloiti put his regular relay in exhibition.

Lochmoor had two relays which should be good enough to win the finals at Red Run. The opening Girls Medley Relay (11-12) winning time was 1:11. The quartet of Laurie Simon, Lisa Beckenhauer, Mary Ambrose, and Mary Moran made up this first relay. The foursome of Pinky Sinclair, Cheryl Gardner, Mary Ambrose, and Lisa Beckenhauer won the Freestyle Relay with a time of 2:06.8.

In addition to Lisa's relay victories, she captured the freestyle race. Miss Sinclair and Miss Simon both grabbed their respective backstroke races, while Cheryl Gardner notched a butterfly victory.

Tommy Heholt won his freestyle race for Lochmoor plus swimming in two winning relays. Little sister, Sussy, continued her age-group domination by picking up her fourth straight win in the 8 & under freestyle.

For the Yacht Club, the older boys enjoyed great success. Steve Mason won the butterfly race, and finished second to Johnny Gehrke in the backstroke. John DeHayes won his second freestyle race in as many weeks.

Jeff Black, 12, won his third backstroke race of the season, and anchored the boys winning medley relay. Big brother Bruce avenged his backstroke loss to Godin by taking the freestyle event. This was little consolation to the surprised Bruce. He also swam backstroke in the same medley relay.

Jim Godin's two younger brothers, Ken and D.J., likewise had a successful evening. The trio together took home five blue ribbons. In addition to his backstroke victory, Jim anchored the winning free relay. Ken swam backstroke in the 11-12 medley relay, while little D.J., 9, won the backstroke race, and swam butterfly in the little relay.

The second inning proved to be the Cards. Chuck Getz led off with single. Phil Fielding followed suit, and Bill Douglas walked. Chuckie Crandall singled to bring in Getz and Fielding. Mike Getz was intentionally walked and George Saad stretched a single to a triple and brought home Douglas. Chuck Crandall and Mike Getz went ahead 5-3. Robbie Hoffman made a nice catch to rob Jan Sands of a hit and ended the inning.

The Sox snapped back undaunted and Bongo Bailey again singled, Gary Verkeyn hit and Dick McLaughlin, for the fourth time in the series, belted another homer to bring them in, so the Sox regained the lead. The Cards' Getz made a beautiful catch at second to rob Louie Bruno of a hit as the inning ended.

In the third the fielders took over and no runs were scored. Tom Tracy of the Sox robbed Jan Sands of another hit and the Cards' Mike Getz threw to Phil Fielding for the only double play of the game. The fourth pitcher Verkeyn doubled and was brought home by none other than Dick McLaughlin and Dave Wible. Mike Getz ended the inning by striking out the next two batters and putting out the third at first.

Three up and three down for the Cards in the sixth with a beautiful catch by Rave Wible in center field, giving the White Sox the win and the World Series trophy. These boys all are to be congratulated on three nights of real ball playing and fine entertainment. To the White Sox Co-Managers Bill Bailey, Art Wible, and Bill Hoffman and to the men behind the Cardinals, Ben Crandall, Mel Crandall and Jack Beck, goes the credit for making this a most exciting series.

The District 6 Tournament of Champions opened Sunday with the Grosse Pointe Park White Sox meeting the Hamtramck Red Sox with Hamtramck receiving the win 2-1. As is often the case in these games they are pitching battles and scores are hard to come by.

In the second inning Chris Badger led off for the White Sox with a home run and that was the sole run for them. Hamtramck got a run in the second, brought in by Ray Leveck's single. Phil Wettingel ended the inning with a beautiful fence catch in right field.

In the fourth Gary Slappey in the right field robbed Robbie Hoffman of a run. In the fourth Hamtramck got their second run, when Gary Slappey hit to bring home Ray Leveck. The bases loaded, Louie Bruno struck out two batters to end the inning.

A double play in the fifth, pitcher Louie Bruno to first baseman Gary Verkeyn to catcher Bongo Bailey ended the inning. In the sixth three batters came up and were struck out by Hamtramck Eugene Kerpaul. This pitcher struck out 13 batters to earn his win.

SHATTERED GLASSES
Farms police were called to 348 Hillcrest, Sunday, July 18, about a broken car window. Mrs. James Helkowski, of Warren, Mich., reported that at approximately 12:25, an unknown person had heaved a high-ball glass through the rear window of his '61 Ford.

Successful Center Drive

At long last it is possible to fulfill a promise made many weeks ago, that eventually the complete list of donors to the War Memorial Center's Annual Family Participation Campaign would be printed. During the height of the drive these names come in by the hundreds each week, and it is inevitable that there be a vast accumulation. Publishing each complete list weekly would necessitate holding out many stories of other activities.

As has been publicized, the campaign reached a successful conclusion by Memorial Day, the official closing date. The goal this year was \$75,000. Donations continued to come in and the latest word is that the total now stands at \$79,190.58 received from 4,881 donors. This compares with the \$75,361.31 received from 4,566 contributors last year. The fact that more families are participating in the drives each year is a source of great satisfaction to the War Memorial Association.

The community is to be congratulated for its support of this most worthwhile organization which contributes so much to better community living. The help it receives will continue to be reflected in the added activities and programs it is able to provide. The remainder of the list for donors follows.

What Goes On at Your Library

By Virginia Leonard

Guest Columnist, Robert M. Orr, Director of Public Libraries

With the completion of the Public Library's 36th year of service June 30th as a Division of the Public School System, it seems appropriate to review some of the year's highlights.

While statistics tell only part of the story, they do help to interpret the use of the three Public Libraries. Statistically, and in every respect, the past year again broke all previous records of Library use.

The basic job of the Public Library is to bring together the right book and the right user. This can be accomplished only by an able, competent and well-trained staff. I believe this is true of our staff.

Every member is professional and community-minded, actively participating in professional activities to the enrichment of the profession, the Library and themselves. Likewise, every member of the staff, professional and non-professional, recognizes his obligation to the community by participation in community activities.

Under the leadership of President William L. Newman, the Friends of the Library group continued to be very active, achieving a new high in membership contributions. Their Board of Directors held regular monthly meetings, serving as an Advisory Board which supplemented the work of the Board of Education, the Public Library's Official Board.

Three public meetings were held, in addition to the Annual Dinner Meeting at the War Memorial.

The Friends co-sponsored four Great Books Discussion Groups as well as the Friends Film Forum. They contributed \$3,150 in special gifts which included books not available from public funds, film rental, National Library Week Carnival of Books celebration, donations to the Special Collections and Fine Arts Committees, Churchill's Memoirs on records, establishment of a Filmstrip collection and candlesticks. Printing of the three issues of the NEWSLETTER and the Annual Report were other major contributions of the Friends.

Contributions were received from: A.M. Investment Club; Mr. and Mrs. Edward Gray Acumb; Mr. Russell A. Alger; American Institute of Architects; Dr. and Mrs. Burke W. Arehart; Dr. and Mrs. David H. Barker; Mrs. John Barr; Bible History Study Group No. 3; Board of Education, Grosse Pointe Public School System; Board of Trustees of the Detroit Orthopaedic Clinic; Mr. Thomas Alvin Boyd; Mrs. Alice Bruehl; Mrs. Sheelach Burns; Mr. and Mrs. Ralph Burton; Mrs. Neva D. Almost 532,000 library materials were circulated, an increase of 33,590, the 14th straight year of substantial gains. Central Library circulation was 246,040, followed by the Woods Branch with 165,866, and the Park Branch with 110,900.

Twenty-eight thousand seven hundred and twenty-seven Grosse Pointers were registered users on June 30, an increase of 987 over a year ago. Central led with 14,013 users, followed by the Woods Branch with 9,808 and the Park Branch with 4,906.

The Children's Department had a busy year with 13,878 boys and girls participating in organized activities. 216,708 children's books were loaned. Children's use of the three Libraries is best illustrated by the fact that 4,060 children attended the summer film programs, 4,254 children in 155 classes visited the Libraries for library instruction, 2,515 children attended 54 school-age story hours and 437 nursery-school

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Golfers' Tall Tales are replacing Fish Stories in The Pointe this summer. Though they sound a bit mythical, we have it on good authority that both of the following anecdotes are true in every detail...

Mrs. W. Warren Schram, of Rivard boulevard, and two of her friends were out at St. Clair Golf and Country Club recently and were having trouble because of the slow players ahead.

Two steps up from them was a foursome of women, and directly ahead of them was a lone 12-year-old boy.

Mrs. S. and her friends decided to make a foursome of their group, and kindly asked the little boy to join them—even though they were SURE he would slow them up.

The youngster quietly consented... then proceeded to shoot a fantastic (dare we say it?), 43, beating everybody!

Then there's Mrs. Lawrence J. Verdier, of Cloverly road, who has proof of her golfing escapade tacked up on a wall in the Verdier cottage at Leland, Mich.

Seems Mrs. Verdier, who was accompanied by Mrs. James Degnan, of Harvard road, already in the rough, took her backswing and succeeded in literally wrapping her club around a nearby tree!

When the two ladies recovered from their hysteria, they examined the shaft of the number two wood, curiously bent at a 45-degree angle. The mangled club hangs now on the cottage wall.

Strangely enough, Mrs. Verdier reports, the ball sailed through the air for one of the best shots she's ever had.

MUTSCHLER

American Patina Colonial Group

Smartly functional... yet so charmingly traditional the design is well suited to Early American and Colonial decor. The deep-sculptured, raised-panel doors and beveled drawer fronts present a classically simple facade. This styling is dramatically heightened by American Patina wiping stain finishes. You'll feel as though you have a full staff of servants, the way Mutschler pampers you... Storage near each work center saves bending, reaching and running about. A kitchen that's planned to fit your way of doing things. Just one of many distinctive style interpretations.

Wave Lengths

Class. Kogel, a Crescent Sail
Club yachtsman, has won in
every regatta in his class this
except one.

Another multiple winner,
George Van, sports writer for
the Detroit News, topped op-
ponents in K-Class, sailing Fid-
dler's Witch.

Only two Tritons showed up
and Jack Purcell of Grosse
Pointe Sail Club took the prize.

Eight Detroit Area boats are
forging their way in the 330-
mile Chicago-Mackinac race. In
contention in Lake Michigan at
present are Carter Sales, Jr. and
J. A. Grow, Jr. in Winsome;
Thomas Hanson, BYC, in Daunt-
less III; Don Sucher, BYC, in
Tigress; Henry Burkhardt, BYC,
in Meteor III; and Lloyd Eccl-
stone, Jr., GPC, in Yare.

Others are Randy Wood, BYC,
in Spirit II; Karl Ness, BYC,
in Flying Buffalo; and Floyd
Hinsbee, Bayview, in Tamara.

The first boats were expected
to pull into Mackinac island
early Tuesday morning. Then
the fleet will sail down the other
side of the state for Bayview
Yacht Club's Port Huron to
Mackinac race which gets under
way this Saturday. A record 160
boats have registered for the
41st annual affair, a 235-mile
contest, starting off Gratiot
Beach in lower Lake Huron.

Back to the Chicago-Mackinac
bout, Blitzen blazed across the
finish line in front of the other
114 boats Tuesday morning. If
Bill and Tom Schoenauer, Blit-
zen's skippers, can keep their
corrected time true to form,
they will capture first place hon-
ors.

Local leaders in the cruising
classes as of late Monday night
were Winsome, Dauntless III,
and Yare.

Coming up ... this weekend's
13th annual Grosse Pointe Farms
Boat Club Regatta off the Farms
Pier. Contenders must be Farms
residents and are reminded that
applications for decorated boats
and races are being taken at the
pier. Prizes and trophies will
be awarded. The boat races start
at 10 a.m. and the fleet review
will get underway at 2:00.

A further footnote . . . to the Jeff Hudson-Polly Kammer wedding: One of the bride and bridegroom's ambitions was to be first occupants of the Presidential Suite at Detroit's new Pontchartrain Hotel—and they were!

Back from her first experience . . . as pilot in a Powder Puff Derby, (she flew co-pilot for her sister in one previous race), Mrs. Winifred DuPerow, of St. Clair avenue, reports that the actual cross-country traveling is a breeze compared to the banquet circuit the lady flyers find themselves on during the race. Apparently, Powder Puffs are murder on the waistline!

More than two years . . . separate brothers Joe and Wallace Bruce, of Ballantyne road, but the boys are similar in height and look very much alike . . . so much alike, in fact, that they are often taken for twins. The youngest Bruce, three-year-old Wallace, tired of being pegged as his brother's contemporary, has developed a stock answer to adults who pose the are-you-twins question: "We're not twins, we're brothers. He's Joe, and I'm Wallace, and I'm badder because I'm littler!"

Learning to "speak American" . . . FAST are Anne, Pascale and Philippe Le Direach, children of the Jean Le Direachs, of Sunningdale drive, (he's France's new Consul General in Detroit), who combine their language lessons with drives around The Pointe, stopping off at such places as the local Fire Department to increase their vocabularies.

Who leaves Hawaii . . . to vacation in Michigan during the summer? Who else but Jessica Markley, daughter of Mr. and Mrs. J. Charles Markley, Jr., of Lakeshore road. Miss Markley's apparent "aberration," (most of us would give our eye teeth to be GOING TO Hawaii right about now), is explained by the fact that she has been in The Islands for a year, attending the University of Hawaii, and will return for her senior year at the University of Hawaii after her vacation in The Pointe.

Did you happen to see . . . two paintings by one of our most talented artists, (we call her one of OUR most talented artists even though she has deserted The Pointe for two and one-half years to make her home in Palm Springs and Santa Barbara, Calif.), Mrs. E. Doty Worcester, reproduced in the June 28 issue of the Christian Science Monitor? The paintings, landscapes, are of "Mount Mansfield, Vermont" and "The Desert Near Palm Springs, Calif." Mrs. Worcester, incidentally, will be local during the summer, staying at The Whittier because her home in Sunningdale drive is rented to the Shangri-La Club. She plans to return to her Palm Springs home in October, and of course to continue her painting—wouldn't you if you had one-man shows in Paris and exhibited in such hallowed halls as those of the Copley Society in Boston, Mass.?

And speaking of artists . . . congratulations to one of our up-and-coming Rembrandts, Nicholas M. Kelley, of La Salle place, winner of the Lieutenant John A. Larkin, Jr. Memoria Prize in the amount of \$20 for the best work in oil painting, pastels or water color at Phillips Exeter Academy, Exeter, N.H.

PILFERINGS

Those rainy days for which a man saves usually come during his vacation.

A new family moved into the neighborhood and their dog Bosco was soon making daily visits to the neighborhood market, where he found a friend in the proprietor, who gave him meaty handouts.

One day Bosco's mistress, who was unaware of her dog's afternoon calls, stopped at the same market and asked to cash a check. While she was searching her purse for some identification, Bosco appeared. Tail wagging, he went promptly to his mistress.

"Is this your dog?" asked the proprietor. She nodded, then was bewildered to hear: "Why, of course I'll cash your check!"

Sign on wall of waiting room for fathers in the maternity section of a Philadelphia hospital: "Welcome to the Pace Corps."

The author of a book on economics received a phone call one day. "I am questioning your statistics on the high cost of living," said a voice on the other end. "My wife and I eat everything our hearts desire for exactly 72 cents a week."

"Seventy-two cents a week!" echoed the economist. "I can't believe it! Won't you tell me how? And could you please speak a little louder?"

"I can't speak louder," said the voice. "I'm a goldfish."

Pointers of Interest

Senior Girl Scouts Corinne Florek, (front row, left to right), Berdean Buffa and Linda Deeds (standing, left to right).

By Janet Mueller

The eight girls pictured above are currently encamped, along with 9,000 other Senior Girl Scouts from the six continents where Girl Scout and Girl Guide groups have been established, and 2,000 adults, on the shores of Lake Pend Oreille, near Farragut, Idaho.

All members of the Grosse Pointe Girl Scout District, they were selected, on the basis of their camping skills, personalities and Scouting activities, in open competition with Senior Scouts from all over the metropolitan Detroit area, to represent their area at the Fourth Annual Girl Scout Senior Roundup.

Actual Roundup dates are July 15 through 28, but the girls left the Pointe a few days earlier, via train to Chicago, where they joined another trainload of girls from all over the country bound for Farragut.

Their equipment, (they take everything with them), left even earlier; their tents, pots and pans, duffle bag-apiece and Weather Station project were shipped to Idaho at the beginning of June.

Plan Second Trip

They won't be home until the beginning of August, having elected to take a post-Roundup trip through Yellowstone National Park. In all, 12 Detroit-area patrols of eight girls, 94 Scouts from Greater Detroit plus two Colombian girls assigned to a Redford Patrol, will be among the Farragut campers.

The Pointe Patrol members call themselves the Weather-or-Knots. Notified that they had been accepted as '65 Roundup participants last fall, they were assigned to a special Roundup Patrol according to their geographical location within the metropolitan area.

The Pointe girls consider themselves lucky; they all knew each other before they were assigned to their special Roundup Patrol—four of them were even members of the same troop!

Each Roundup Patrol was told to develop a local-angle specific project, and to give itself a name relevant to that project. The Pointers took as their theme "If you don't like the weather in Michigan, wait five minutes and it will change." They built a Weather Station to measure changes in temperature, humidity, wind velocity and direction, and are currently taking turns manning the Station in the Roundup Demonstration Area, where all patrol projects are on display for the more than 70,000 Roundup visitors.

Interesting Projects

In Farragut, the Weather-or-Knots joined three other patrols—the Briar Patch Patrol from Georgia, (their demonstration consists of Uncle Remus skits), the Sea Farers from Long Island, (they are making fishnets), and the Diamond-backs from Texas, (they are showing how useful rattlesnakes can be; their demonstration activities include cooking the snake meat and making articles from the snakeskin).

These four patrols are designated as one Troop, and have a single advisor; the advisor for the Weather-or-Knots, Briar Patch, Sea Farer and Diamond-back Troop comes from Santa Rosa, Calif., so the northern, southern, eastern and western sections of the United States are pretty evenly represented in one Troop.

A special feature of the Roundups, (they are held only once every three years, which makes them pretty special events in themselves), is the exchanging of "potlachs," a ceremonial giving of gifts. Potlach is an Indian term. The

gifts are more or less tokens, very inexpensive, often made by the patrol members themselves. The Weather-or-Knots' potlachs are tiny weathervane roosters, mounted on outlines of Michigan, treated to change color according to probable weather changes; they are meant to be used as hat emblems.

Each member of a Roundup Patrol has a specific Roundup assignment; each is an individual as well as a member of her patrol.

Sixteen-year-old Linda Deeds, daughter of Mr. and Mrs. C. Jay Deeds, of Pemberton road, began scouting in the second grade, at Trombly School. She is the eldest of five children. Her twin brothers, John and Joe, are 10 years old. Her sisters, Nancy and Patsy, 15 and 14 respectively, are active in Girl Scouts, and Mrs. Deeds, too, is interested in scouting.

Linda will be a senior at Grosse Pointe High School in the fall. Her hobbies are camping, (naturally!), reading and sports, and her favorite vacation spots are California and "all over" Michigan.

If she could, she'd travel, tour Europe and criss-cross the United States. She plans eventually to teach school, thinks her scouting experience will be helpful when she begins to teach, considers it has been helpful already: "It's given me a chance to meet lots of people—and I like people!"

Linda's scouting distinctions include a Program Aide Bar, a Ranger Aide Bar and an Office Aide Bar. (Aide Bars are awarded when a Girl Scout has completed a training course, and has accumulated a certain number of practical experience, or service, hours).

Also Wants To Teach

Berdean Buffa, 16-year-old daughter of the Sebastian Buffas, of Balfour road, wants to be a teacher, too. Her special ambitions are to work with the underprivileged and to join the Peace Corps.

Like Linda, she is the eldest of five children, and again like Linda, she has twin brothers, 11-year-old Sabe and Anthony. Her other brother, Thomas, is 14, and her sister, Beth Ann, is eight.

Berdean began scouting as a fourth grade Brownie at Defer School, counts a Rangers Aide Bar and an Office Aide Bar among her Senior Girl Scout distinctions. Her three brothers are all members of Boy Scout Troop 147, and her sister is a Junior Scout.

She'll be a 12th grader at Grosse Pointe High next fall, likes to play the piano and sew, thinks Colorado is a great place to vacation, wants to travel in Europe and The States, ("especially in the National Parks"), and is outspoken in her praise of the Girl Scout program:

Chance To Make Friends
"I have made a tremendous number of friends from all over, friends with many different backgrounds. I have learned to enjoy the world out-of-doors."

Susan Halvorsen, 16 and headed for her senior year at Grosse Pointe High, feels much the same way about scouting:

"Through scouting I have made many new friends and learned new skills," Susan says. "I have had new experiences and learned to appreciate more things in life."

The daughter of Mr. and Mrs.

James Halvorsen, of Robert John road, joined the Brownies as a third grader in Detroit's Trix School. Her sister Ann, 18, used to be a Senior Scout. Her other sister, Linda, 13, is a Cadette Scout, and Mrs. Halvorsen is a Scout Leader.

Susan, a Ranger Aide and secretary of the Girl Scout Senior Planning Board, likes to collect stamps and pen pals, to play the piano, to cook and to read, to go camping and to visit her relatives in Connecticut. She wants to be a linguist.

Beth Keller, 16, daughter of Mr. and Mrs. Harry W. Keller, Jr., of Beaconsfield avenue, has an older sister, Judith Anne, 19, who went to the last Roundup in Vermont.

Mother Is Leader

Her mother has been a Scout leader since Defer third grader Beth started in scouting. Beth, who will be a senior at Grosse Pointe High, has two brothers, William, 18, and Todd, 14.

She likes all sports activities, camping especially, is a Program, Ranger and Aquatic Aide, hopes to teach physical education, and praises scouting for "giving me something to strive for—a set of values." Like Linda, Berdean and Susan, Beth is a member of Troop 302.

Sue McLuckie, 17-year-old daughter of Mr. and Mrs. Alex McLuckie, Jr., of South Higbie place, started in scouting at Our Lady Star of the Sea School in 1957. She currently belongs to Troop 385.

She will be a senior at Our Lady Star of the Sea High School next fall, is a member of the National Honor Society, recipient of the Marian Award, (given to Catholic Girl Scouts), a Program Aide, Aide to Handicapped Persons and vice-president-treasurer of the Girl Scout Senior Planning Board.

Her sister, Jane, 14, is a Cadette Scout, and her mother is leader of a Cadette Troop. Sue, who likes to sew and read and wants to be an occupational therapist "after college," credits scouting with giving her "a greater awareness of the opportunities available for service in the United States."

Plans To Teach Deaf

Susan Sessions, 18, daughter of Mr. and Mrs. Cecil R. Sessions, of Hampton road, is a member of Troop 377, a Program Aide, District President of the Senior Planning Board and a member of the National Honor Society. She plans to be a teacher of the deaf.

She became interested in scouting when she was in the second grade at Ferry. Her sister Alice, 15, is also interested in scouting.

Susan's favorite activities are camping and outdoor sports. She likes vacationing in Northern Michigan, wants to travel in the United States, and will enter Albion College as a freshman this fall.

Corinne Florek, 16, daughter of the John S. Floreks, of Harper Woods, wants to be a mathematics teacher. Her sisters, Kathy, 14, Maureen, 11, Joyce, 10, and Sue, 8, and her brother Marvin, 12, are all interested in scouting.

Will Attend MSU

Corinne has been a scout since the seventh grade, (she will be a 12th grader at Bishop Gallagher High School in the fall), is president of her Troop 618 and has earned her Hospital and Office Aide Bars.

Scouting, she says, "has helped me to become a mature, responsible person. I have learned to meet and to get along with people."
