THE TEAMSTERS UNION spent \$570,396 in legal fees to defend president James R. Hoffa in three criminal cases, according to union records cited by the Labor Department Wednesday. The report by Secretary Willard Wirtz covered only the years 1962 through 1964 and only expenditures the union listed as going for Hoffa's defense. Attorney Seymour Spelman called the report "almost useless" because of its limited nature. His clients, six Philadelphia Teamsters, forced the investigation to uncover the amount of union payments for officials' court defenses since 1959.

EDWARD M. KENNEDY (D., Mass.) rose in the Senate Thursday to ask that the controversial nomination of the Kennedys' old Boston friend, Francis X. Morrissey, for a Federal Judgeship be returned to the Federal Judiciary Committee for further study. Morrissey's appointment, pushed relentlessly by the family, aroused a storm of protests that he had neither the training nor the experience necessary. Senator Mike Mansfield of Montana, the Democratic leader, said the nomination would have passed. "The votes were here to confirm Francis X. Morrissey," Kennedy stated that he withdrew the proposal because of the criticism, new evidence, and the respect he holds for the Federal Government.

A HAYNESVILLE, ALA., jury Friday night acquitted Ku Klux Klansman Collier Leroy Wilkins, 22, undergoing trial for the second time in the killing of civil rights worker Mrs. Viola Gregg Liuzzo, Detroit mother of five. The first trial ended in a hung jury. The all-white jury, which deliberated for an hour and 35 minutes, included six self-described white supremacists and eight present or former members of the White Citizens Council. Trials are still pending for two other Klansmen accused in the slaying of Mrs. Liuzzo.

AMERICAN HEADQUARTERS in Saigon Sunday announced a new buildup of combat forces in Vietnam. American troops there today got the first of eight battalions of artillery scheduled to arrive soon, including four battalions of the heaviest artillery in the American arsenal and capable of firing nuclear warheads. An American spokesman said the guns are not intended for nuclear firing, however. Also delivered was the first experimental group of F-5A Freedom Fighter planes for close troops support. Eight thousand more artillery men are also projected, bringing the troop total in Vietnam to 156,000.

A 35-YEAR-OLD CONVICT from St. Clair Shores was stabbed to death Sunday in the Jackson Prison hospital dining room by another inmate, serving a 20- to 40-year term for murder. Francis Clark, formerly of 28721 E. Jefferson and convicted of possessing burglary tools, was stabbed once in the chest by Roger Johnson, 21, whose last address was 1621 Clairmont in Detroit. Prison officials said the reason for the brief argument that prompted the stabbing was not immediately determined, but it was not, like last week's rebellion, racially motivated. Clark is white and Johnson a Negro.

THE FAILURE of an Agena target satellite to orbit Monday postponed a long hoped-for U.S. space rendezvous until next year. The satellite's plunge into the sea marked the first total mission failure since the United States entered the manned space race nine flights ago. Officials at Cape Kennedy said it might be 5 or 10 days before they can say what went wrong, but stated they will now push the 14-day endurance voyage of astronauts Frank Borman and James Lovell with the hope of getting it off before Christmas.

Mail Call-Vietnam Offers Chance to Thank Fighters; Expect Wide Participation

Many Organizations Endorsing Movement To Express Support for Those Engaged in Bitter Struggle Against Communism

Mail Call—Vietnam was launched several weeks ago in the Philadelphia, Pa., area and is spreading nationwide. Through this project, hopefully, every serviceman in Vietnam will receive a greeting at Christmas.

A housewife, Mrs. June Ornstein, originated the idea while watching a television interview with some American troops in Vietnam. She and her husband went straight to Lt. Gen. M. G. Baker, superintendent of Valley Forge Military Academy who in turn forwarded the proposal to Lt. Gen. Wm. C. Westmoreland, commander of the U. S. Forces in Vietnam.

He sent back unqualified endorsement saying, "The idea of Mail Call is an excellent one. I am confident for this overwhelming display of public support." Gen. Westmoreland has issued orders to implement the project and has assigned Col. B. W. Legare to coordinate distribution of the cards.

How It Works
This is the way it works: 1. You write your name and address and a note, if possible, of encouragement and support on a Christmas or New Year greeting card or cards;

2. The envelopes are addressed to MAIL CALL-VIETNAM, P. O. BOX 450, BRYN MAWR, PA., 19010 under five cents postage. Please DON'T SEAL THEM so volunteers can check each. This is necessary to guard against kooky and subversive materials;

3. The cards will be divided

High School Piling Bids Are Rejected

Plans For New Building To Be Modified Due to Increasing Costs

At a special meeting held Monday night, trustees of the Grosse Pointe Board of Education voted unanimously to reject all bids for foundation piling to be used in the proposed Grosse Pointe High School North.

Low bid submitted on September 22 was \$130,000 over the architects' estimated figure for the three units of the structure.

Concerned over rising labor and material costs, the school trustees asked the architects to redesign present plans and to substitute friction piling for bearing piling where feasible.

On hand at the meeting, held in the schools' administration building at 389 St. Clair avenue, were Malcolm Stirtion, vice-president of the architectural firm responsible for planning the structure, and Robert Domke, project administrator.

Redesign Plans
Mr. Stirtion explained that bearing piling, metal shafts driven down to bedrock and filled with concrete, may be replaced under the one story sections of the building by using a greater number of less expensive timber friction piling.

He indicated that it will take his firm two weeks to finish redesigning the plans and to prepare the new bidding documents.

A special meeting of the Grosse Pointe Board of Education has been set for 8 p.m. on Monday, November 22, to open bids on the redesigned piling.

Motorcyclist Given Tickets

A 15-year-old Grosse Pointe motorcyclist was issued two tickets Saturday afternoon, October 23, for speeding 30 m.p.h. in a 25 mile zone, on Kercheval, and for never acquiring a driver's license.

Police impounded the boy's motorcycle pending release to a licensed driver.

Refuse Authority Decides to Build Incinerator Plant

Change in Detroit Plans and Stalling by Woods and Harper Woods Dictates Construction of Smaller Installation

The Grosse Pointe-Clinton Refuse Disposal Authority has decided to go ahead with the construction of a 250-ton incinerator plant, rather than a 600-ton plant, after several communities turned down contractual terms to participate in the project, Murray M. Smith, Authority manager, disclosed on Thursday, October 21.

Smith said the Authority has proved that it must build a small plant, but not before it was determined that a larger plant would not be needed. Four to six months were spent to try to get other communities to join the Authority as contract members, but only two expressed a desire to join under specific terms.

The Authority manager said that the two communities that were willing to join under contract were the Shorse and Mt. Clemens. The Woods and Harper Woods councils turned down the contracts because they wanted an equal voice in the operation of the Authority, with the constituent members, the Park, Farms, City and Clinton Township.

Detroit Withdraws
Another factor in the decision to build a 250-ton plant, was the decision of Detroit officials not to contract for the burning of 250 tons of rubbish a day at the proposed plant. Detroit originally expressed an interest in using the plant to burn that amount of rubbish, Smith said.

The about-face was made when Detroit decided that it will build two new incinerators within its own limits to handle its own rubbish burning, it was said.

Smith said that a smaller plant will be adequate to take care of the needs of the four constituent members of the Authority, with sufficient capacity to give service to a very few other cities who would like to join. The door to equal voting rights has not been closed, and is still under discussion at the present time, the manager added.

Wanted Smaller Plant
He said the Authority always wanted to build a smaller plant, but felt it should not go ahead with this plan without first attempting to induce other communities to join as contract members, and thereby have a 600-ton plant constructed, which would give a low price per ton.

With the decision of Detroit to build two new plants and the rejection by other cities, the Authority can go ahead with its plans for a small plant, Smith said.

He said that a 600-ton plant would cost an estimated \$2,600,000 to erect, whereas, a 250-ton plant will cost an estimated one million dollars to one and a half million dollars.

Where it would be feasible for the Authority to operate a 600-ton plant by burning rubbish at a cost of \$3.70 a ton, a 250-ton plant would raise the cost much higher.

Hope to Cut Costs
Smith said that to properly run the smaller plant, it would cost the constituent members, and possibly other communities

City to Vote For Mayor, Councilmen

Voters in All Pointes Asked To Choose Four Judges of Circuit Court, Third Judicial District

Grosse Pointe City voters will go to the polls at Maire School Tuesday, November 2, to elect a mayor, three councilmen and approve or disapprove an amendment to the City Charter.

Running unopposed for the mayoralty seat is the incumbent mayor, David E. Burgess, of 651 Washington road. Burgess, a partner in the law firm of MacFarlane, Tolleson, Burgess and Mead, was elected mayor in November of 1963. He has also served on the City Council, having been appointed a member in February, 1954. He was elected councilman in November, 1955, and re-elected four years later.

Five residents have filed to fill the three expiring council seats. They are G. Gordon Cook, of 430 Rivard boulevard; Walter Gibbs, Jr., of 501 University place; Suzanne Lane Gidday, of 710 Neff road; George N. Monro, III, of 3 Woodland place, and James Morgan Smith, of 253 Lakeland avenue.

Cook, Monro and Smith are all running for re-election. An Assistant Executive Director of the Engineering Staff of Ford Motor Company, Cook was elected to the council in 1961. He has also served on the Retirement Commission and as a director of the Grosse Pointe-Clinton Refuse Disposal Authority.

Appointed to Council
Monro, who is Vice-President of Manufacturers National Bank of Detroit, was appointed to the council in February of 1964 to fill the vacancy of E. Liwyd Ecclestone. Smith was also appointed to fill a council vacancy, succeeding William M. Day in May of this year. He is Vice-President and Chief Legal Counsel for Michigan Bell Telephone Company.

Miss Gidday, an attorney, is seeking a seat on the council for the first time. She served on the Board of Canvassers in March, 1964. Gibbs is also an attorney.

In addition, City voters are being asked to approve an amendment to the City Charter which would update the court system. If approved, the City's court would become a municipal one presided over by bonded municipal judges rather than two justices of the peace. It would enable the City's court to become one of record and enable its verdicts to stand in higher courts, in cases of appeal.

The two present Justices would be constituted municipal judges for the remainder of their present terms of office.

Grosse Pointe City is the only city in the Pointes which has not yet adopted the municipal court system. The Shores as a village still retains the Justice system.

The change in the local judicial system became necessary when the new State Constitution was adopted.

Circuit Court Judges
Also on Tuesday's ballot, is the election of four Judges of the Circuit Court—Third Judicial Circuit, whose terms will expire January 1, 1971. Eight are running for the judgeships. They are Robert E. DeMascio, Harry J. Dingeman, Jr., Charles S. Farmer, Thomas J. Foley, Orville L. Hubbard, Blair Moody, Jr., Joe B. Sullivan and Anthony J. Szymanski.

Voters in the other Grosse Pointes will only be choosing the four Judges of the Circuit Court.

Park Makes Sixth Payment On Estate Bought in 1960

The Park council at a regular meeting held on Monday, October 25, authorized a sixth payment of \$6,430, plus interest of \$1,157.40, for a total of \$7,587.40, on the McMillan Estate property purchased by the city on October 31, 1960.

The original purchasing price of the property was \$64,300. The estate is located at Bedford and Essex, and is comprised of seven and a half acres of land. It is bounded by the Lake St. Clair shoreline to Essex boulevard, and includes approximately 127 feet at the side fronting on Bedford.

When the purchase agreement was concluded in 1960, between Park officials and representatives of the estate, the Park consented to a 10 percent down payment, and payment of 10 percent, plus interest on the

Woods Police Pistol Team Retires GP News Trophy

The Woods Department of Public Safety Pistol Team became the Pointe Police champions for the third consecutive year after an annual pistol shoot sponsored by the Metropolitan Club of Grosse Pointe, at the outdoor range of the Mt. Clemens Police Department on Wednesday, October 13.

By winning the championship three years running, the Woods team retired the Grosse Pointe News Trophy. Under existing rules, if any of the five Pointe Police Department Pistol Teams retain the trophy for three successive years, that team keeps permanent possession of the award.

The match was open only to members of the Pointe Metropolitan Club, comprised of police officers of all five Pointe departments.

The Woods team, which garnered 1,315 points, including 23 bullseyes, is composed of Sgt. Thomas Kane, and Patrolmen Martin Tormbley, Robert Lorenz, Bernard Kelly and Donald Schmalz.

Kelly received two awards, one for his 97 points, including seven bullseyes, in slow fire; and another for 98 points, including five bullseyes, in time fire.

Shores Patrolman Douglas Kalish was awarded the George Cheatham Trophy, for being high man, scoring 281 points out of a possible 300. He also was given an award for scoring the highest points, 93 including two bullseyes, in the rapid fire match.

Accused Gem Thieves Skip Examination; Forfeit Bonds

A Detroit couple, accused in a Woods larceny, apparently skipped examination, and is being sought by Woods police on bench warrants signed by Judge Don Goodrow, who ordered the pair's bond of \$500 each forfeited. The two failed to show up in court on Wednesday, October 23.

Sought are Joseph Cauchon, 40, and his wife, Dorothy, 20, no known address. The Cauchons are charged with larceny from a building in the theft of an expensive diamond ring and an inexpensive watch from the House of Gems, 19591 Mack avenue, on September 14.

Cauchon and his wife are charged with switching a phone ring for a genuine diamond ring from a display tray, and taking a man's watch from another display in the store.

The couple were arrested a few days after the incident, on a warrant charging them with larceny from a building.

On Wednesday, October 23, the Cauchons appeared before Judge Goodrow, represented by an attorney, for examination on the charge.

Det. Sgt. Jack Mast said that the couple's attorney, on talking to him, found out that his clients were wanted on a similar charge by Highland Park police.

The attorney asked for and received permission to confer with his clients in a conference room of the Municipal Building. After a period of time, Mast and Det. Gerald Kensora went to the room to find out the reason for the delay, and were informed by the attorney that the Cauchons had left the building.

When asked about his clients' whereabouts, the attorney told the detectives that the Cauchons must have left the building when told that they were wanted by Highland Park police and that this would mean that they would be retaken into custody.

The attorney told the officers, at the time, that he had been in touch with Judge Goodrow, who postponed the examination date to October 20. The detectives and Wayne County Assistant Prosecutor Dale Devlin, who was waiting to present the people's case, said they had not been notified of this decision.

On Tuesday, October 19, Mast contacted Judge Goodrow to remind him of the examination set for the following day. The judge told the detectives that he had received word from the Cauchons' attorney, that his clients had skipped. When the Cauchons failed to appear the next day, the judge ordered their bonds forfeited.

Mast said that on October 20, the attorney appeared at the station and informed him that his clients would not be present for the examination, and that they had skipped and are waiting for things to cool off.

Mast and Det. Everett Plumb, armed with the warrants signed by Judge Goodrow, went to the area of Third street and Willis, to check known hangouts of the couple. The detectives were

interested in the program, \$6.21 a ton to burn rubbish, according to present preliminary plans. It is hoped that this figure can be dropped to \$5 a ton, he added.

The manager said that Authority engineers have been authorized to prepare a report on the best plan that will serve the needs of constituent members, which will then be presented to their respective city councils for action.

He said that figures on the cost of a 250-ton plant should be in the hands of the Authority within 30 to 60 days, at which time the Authority will be ready to approve a proposal for a bin issue. There is no turning back, now, Smith said.

He said that today, October 28, he and Robert Ryna, Clinton Township supervisor, will travel to Ann Arbor to inspect a 350-ton incinerator plant open-

ed by the University of Michigan two weeks ago. It is the latest and finest automatic plant in the country, Smith said. From there, Smith and Ryan will travel to Clearwater, Fla., and Amarillo, Tex., to inspect similar type incinerators in the plant in the country, and report their findings to the Authority, it was said.

The estate includes fast and submerged land the city bought from the State Conservation Department for \$6,800, shortly after concluding the purchase agreement on the estate.

With 13 acres of land making up the Three Miles Drive Park, at the foot of Bedford, at Essex, the estate acreage will swell this to about 20 acres of badly needed recreational land. Approximately five acres of the park have already been developed for passive recreation. This park is about three-quarters of a mile from the Park's waterfront park, located at the foot of Alter road.

At Monday night's meeting, the council approved a continuance of the \$100,000 insurance policy on the McMillan property, provided it is valid and acceptable to the company holding the insurance policy, at least until next July.

The present policy, which expires on November 22, was taken out over a five-year period, at a premium cost of \$220 a year by the city. If it is agreeable to the insurance firm, the policy will be continued until next July, on a pro rata basis, until it is known what further insurance is needed.

It was disclosed that the McMillan Estate also carries insurance on the property, according to the original agreement. Approximately two or three years ago, it was said, a major fire damaged the garage on the estate, and the insurance held by the McMillans took care of the cost of rebuilding the construction.

It was pointed out at the council meeting, that if a major fire should damage the house on the estate, to the extent that the building would be a total loss, it is unlikely that the city would want to have the house replaced.

Halloween

(Continued from Page 1)

All schools but Brownell will have movies, and the cinemas include: "The Hustler", "Charade", "Fun in Alcapuco", and cartoon parades.

These community Halloween parties are made possible by the combined effort of many school personnel, students, residents and merchants, the police and organizational representatives. It is hoped that a good time will be had by all!

The police departments of the five Pointes are geared to full manpower for the Halloween activities Saturday night. Adequate personnel will be assigned to the Grosse Pointe High School, Brownell, Pierce, and Parcels Junior High School.

Because of the parties, and too, since all police department personnel will be out in full force Saturday night, parents and responsible adults are urged to take their "trick or treat" youngsters on their rounds that evening.

To make their rounds Sunday evening, which is the actual night for the ghosts, goblins and witches to do their haunting, would create extra work for Pointe police officers, the five Pointe police chiefs stated.

The cooperation of the parents and adults assigned to watch the children, in this matter, would be gratefully appreciated, the chiefs added.

Peanut Hunt Set By Mason P-TA

The annual Halloween Peanut Hunt sponsored by the Mason School P-TA will be held Friday, October 29. This event highlights an afternoon of fun. It is part of a well-conceived program to provide a change-of-pace during one of the children's holiday seasons when their personal emotional excitement registers "full speed ahead."

Each year the P-TA supplies 150 pounds of peanuts for Mason School's engineer, James Claycomb and his staff to spread on the school grounds. There are actually five peanut hunts. The first one will be held Friday morning for Mrs. Frances Rislov's and Mrs. Betty Maynard's morning kindergarten classes. Peanuts are spread on the lawn outside their classrooms for only these classes. This event is also repeated for the afternoon sections of the kindergarten. Mr. Claycomb always places some extra peanuts on the window ledges to see what alert five-year-olds will excitedly claim them as his special bonus.

The final three peanut hunts will be held in the afternoon. At approximately half-hour intervals grade groups one and two, three and four, plus five and six have their fling at harvesting peanuts on the west playground. The hands and feet quickly fly to fill up their paper sacks, once the whistle is blown by the grade-group chairmen. Each hunt is supervised by the teachers and the room mothers.

Preceding the afternoon peanut hunt Mason School students will participate in a grand march parade. Pauline Sagala, first grade teacher has been selected this year's honorary "Parade Queen." She will lead her class through the school corridors. This will allow all other students to view her students. Her class will be followed by all other classes in the building.

Immediately after the parade has been completed students will engage in a round-robin series of activities. They will rotate in three activities, (1) peanut hunts on the playground, (2) Walt Disney cartoons in the gymnasium, and (3) Halloween parties in the classrooms. Room mothers will serve orange juice and donuts to the children at the parties.

Parents serving as room mothers this year are: Mesdames Thaddeus Ketchum, Laurence Garascia, George Steyer, C. William Short, Richard Landgraf, Thomas Brandt, Frederic Bissinger, Andrew Unger, Robert Shover, Richard Phillips, Allan Berchem, Robert Martin, Thomas Lenane, Michael Mavian, Jerome Shulec, Robert Russell, Patrick Garman, William Mortimer, Robert Echlin and Jack Ford.

Others are Mesdames James Johnson, John Schwan, James Stuart, Alan Lovell, William Potts, William Dean, Donald Doodridge, Mervyn Jackamo, Edward Onofrey, Wolfgang Hoffmann, James Head, Lawrence Combs, Frank Queenan, William Eroo, Burle Arnold, Thomas McBrien, William Rush, Robert Olsen, Wesley Peterson, Arthur Krusz, and Gerald Bergum. Mrs. Guy Juene-mann is this year's Room Mother Chairman and Mrs. Eugene Timm is her assistant.

These Halloween festivities are one of the high spots in the children's social calendar at Mason School.

Parisian Trio To Play Here

The mood of the palace of Versailles will prevail in the glittering banquet hall and theatre of the War Memorial on Saturday, November 6.

On that evening, starting at 6:30 p.m., the center is co-sponsoring with the Alliance Francaise a dinner concert honoring the internationally acclaimed trio of musicians, "Le Rondeau de Paris."

This trio of harpsichord, flute and cello is composed of three Parisian concert artists who specialize in music from the Royal Era of France. Following a banquet in their honor, they will present a concert comparable to programs that were performed a century and a half ago at the French Court.

The elegant surroundings of the War Memorial are calculated to help the audience recapture the mood that must have prevailed in the original intimate concert setting.

Leader of the group is harpsichordist Laurence Boulay whose cousin, Grosse Pointe, Marco Nobili, has been instrumental in bringing Mlle. Boulay's trio to the War Memorial.

She is a graduate of the Paris Conservatory and has done extensive research to uncover old manuscripts and edit them for her programs. These are the exclusive property of the trio.

Her fellow artists are cellist, Marie-Helene Panisset, and flutist Genevieve Noufflard.

In this concert they will present works of French composers Delalande, Leclair, d'Anglebert, Couperin and Rameau. Also to be presented are selections by Bach, Handel and Haydn.

This is the Rondeau's second tour of the U.S. On the first visit in 1963, the trio received the highest praise from New York and Washington, D.C. critics.

As the first time, they are touring in a station wagon specially adapted to carry Mlle. Boulay's harpsichord. On this trip, they will drive approximately 7,000 miles from their first engagement in New York City until they return three months from now to sail back to France.

Tickets for this gala evening, (dinner and concert is \$5.50; concert only is \$2.50), are available from the Grosse Pointe War Memorial, 32 Lakeshore road, TU 1-7511, or from Marco Nobili, 17400 Jefferson, TU 5-0266.

Sun Blindness Causes Crash

Mary Little, 2167 Canton in Detroit, was driving west on Kercheval near St. Clair Saturday afternoon, October 23, when she struck the station wagon owned by Hervey and Mary Parke, 364 University, which was parked at a meter on the avenue, damaging the left rear fender of the car and her own front rear fender.

Mrs. Little told police that she was momentarily blinded by the sun. Officers reported, however, that the auto she struck was parked, illegally, over 12 inches from the curb, causing its left rear fender to protrude into the driving lane.

No tickets were issued.

Busy Weekend For Tuxis Club

Besides the annual Hal-low'en drive for UNICEF (United Nations' International Children's Emergency Fund) on Saturday night, October 30, Tuxis will indulge in a discussion on October 31 dealing with the "new reformation."

The 7 o'clock evening meeting, being held in the Fellowship Hall of the Grosse Pointe Memorial Church, will be highlighted with questions being asked about life, death, Heaven, and earth. Reverend Gary R. Gruber, Tuxis' sponsor, will hash over these topics which inevitably enter everyone's mind at some time or another.

In this modern day and age, new questions and new problems arise with industrial commodities and leisure time being made available to man. Does this modern age outside "the old time religion?" Do we still need the closeness of religion as much as did those during the physical life of uncivilized countries? These questions and more will be asked and answered in Sunday's Tuxis meeting about "the new reformation."

Elect Officers Of Gray Fund

"Substantial contributions" have already been reported by trustees of the Roland Gray Youth Fund, which held its second meeting Monday night, October 25, in the home of Francis P. Boyer, 222 Cloverly road.

At the meeting the Board of Trustees elected the following officers: Francis P. Boyer, president; H. Gordon Wood, vice president; Shepherd E. Norton, secretary; and Cleveland Thurber, Jr., treasurer.

Other Trustees present at the meeting were David M. Whitney, Jr., Jerry J. Gerich, Principal of Grosse Pointe High School, Edward Snell, Lem. W. Bowen and Edward H. Collin.

In addition to those attending the meeting, the Board includes John S. Sweeney, Jr., Mrs. Emory M. Ford, William C. Ford, Henry E. Bodman, II, and Roland H. Gray, Jr.

H. Gordon Wood has filed the corporate papers, under the Michigan Foundation Act, making the trust fund a non-profit, tax-exemptable organization. Agent for the fund is the Trust Department of the Detroit Bank and Trust Company.

All those wishing to contribute may send their donations to Frank Boyer, 222 Cloverly road, Grosse Pointe Farms, Michigan, 48236. Checks should be made payable to Roland Gray Youth Fund.

The Fund will be used to help

worthy individuals and to aid the many movements which Mr. Gray supported and often personally assisted. Among these were Little League Baseball and Football, Babe Ruth League, Hockey League, Church Basketball League, tennis clinics, badminton leagues, fishing rodeos, and others.

The Committee hopes that many will wish to commemorate the numerous benefits Roland Gray brought to the Pointe during his useful life by their generous contributions to the Fund in his honor.

The next meeting of the Roland Gray Youth Fund will be Monday, November 29.

**Posthumous Award Given
To Colonel Frank L. Havel**

General Frank S. Besson, Jr. presented a posthumous award of the Legion of Merit from President Johnson to the late Colonel Frank L. Havel, of Grosse Pointe, on October 21.

The presentation was made by General Besson, Commanding General of the U.S. Army Materiel Command, Washington, D.C., to Mrs. Frank L. Havel, the Colonel's widow now residing at 1316 Harvard road. The ceremony was held at the Detroit Arsenal where General Besson was meeting with the U.S. Army Scientific Advisory Panel.

Colonel Havel died last January while serving as Project Manager for General Purpose Vehicles with the U.S. Army Mobility Command at the Arsenal.

The citation accompanying the Legion of Merit read: "The President of the United States of America has awarded the Legion of Merit posthumously to Colonel Frank L. Havel for exceptionally meritorious conduct in the performance of outstanding services."

"Colonel Havel distinguished himself . . . during the period August 1962 to January 1965. Colonel Havel's inspiring leadership, professional acumen and unique managerial ability were of intrinsic value to the readiness posture of the armed forces of his country."

With resourcefulness and objectivity, he personally conceived, developed and introduced new procurement techniques and other management improvements which led directly to vast monetary savings in

**Grab Juveniles
With Stolen Car**

A 1964 black Pontiac belonging to Joseph Giordano, 40, of 2553 Newport, Detroit, was stolen from the parking lot behind Leon's, 17888 Mack avenue on Thursday morning, October 21, and recovered in Detroit the same afternoon.

Giordano's son Augustino, who is employed at Leon's, told police he parked the car at the lot behind the salon at 9 a.m. and found it gone at 10:30.

Officers of Detroit's Seventh Precinct located the car at the corner of Durand and Van Dyke at 2:15 p.m., during a routine cruise, and arrested two juveniles in the stolen automobile. Both were Detroit residents with criminal records.

One of the boys admitted stealing the car, and told police his companion had been with him at the time the auto was taken. When Grosse Pointe police took the boys to the scene of the larceny, two area gas station attendants identified them as the juveniles who were at the station at the time the theft occurred, and the parking attendants at Leon's told police the boys were in front of the building before the car was stolen.

The youngsters were turned over to Wayne County Juvenile Court. They will be tried on a charge of unlawfully driving away an automobile.

Library Offers Family Films

The second program of the 1965-1966 Family Film Night Series will be presented Friday, November 5 at 7:30 p.m. in the Central Library Meeting Room.

Family Film Nights are held the first Friday night in each month. Each program has been designed to include something of interest and enrichment for boys and girls as well as adults.

The program for November 5th will include: **THE DRAGON'S TEARS** — entertaining animated film based on a story by Hirosuke Hamala, the contemporary Japanese writer of children's stories. A dragon terrifies the village except for one small boy. The ending provides a happy surprise. 6 minutes, color; **THE ALASKAN ES-KIMO** — interest is focused as never before on the land and people of our forty-ninth State. This film offers a revealing portrait of the family life of these people. Reindeer hunts, the landing of a whale, and dog sled treks to recover vital fire woods are all part of the daily fight for survival. (Walt Disney) 28 minutes, color; **ONE LITTLE INDIAN** — a puppet film for children which wraps up some safety rules in an absorbing story about a little Indian boy who pays his first visit to a big city. 16 minutes, color.

Pointe Voting Record Rapped

"In examining the Election returns in the various Grosse Pointe communities for Circuit Judge at the recent Primary election of September 14, I discovered that of the registered voters, only a small percentage bothered to take time out to go to the polls and cast their vote," declared Anthony J. Szymanski, nominated for Circuit Judge at the Primary and candidate for election at the final polling on Tuesday, November 2.

"In Grosse Pointe Farms with 7,718 registered voters, only 1,301 or 16 per cent voted; in Grosse Pointe Park with 8,820 registered voters, only 1,364 voters or 16 per cent voted; in the City of Grosse Pointe with 4,429 registered voters, only 649 or 14 per cent voted; in the City of Grosse Pointe Woods with 11,749 registered voters, only 1,052 or 8 per cent went to the polls; while in Harper Woods with 10,167 registered,

904 or 9 per cent voted!" stated Szymanski.

"The right of voters to select their Representatives and their Judges is basic to our Democracy," continues Mr. Szymanski. "If the citizens do not vote, they are contributing to the process that will ultimately result in the loss of their sacred right of selection. If one does not vote in the primary election then it is quite possible that a preferred candidate will not be in the final election. In this manner the individual voter deprives himself of his choice by not, in the first instance, voting for and supporting the particular candidate he favors so that candidate may reach the final election."

"Neglect in exercising the right to vote is the first step along the road to the loss of the right to elect officials, and abdicates this right to ever present 'select committees', special interest and pressure groups and the various possible abuses that could arise in such situations."

Pointe Ski Club Sponsors Film

Sunday's 3 and 8 o'clock showings of John Jay's 25th anniversary film, "Silver Skis," at the Grosse Pointe War Memorial Center will be sponsored by the Grosse Pointe Ski Club.

The film highlights 25 years of ski photography, including the early days of Alta, Mt. Ranier, Sun Valley and Squaw Valley; the 1950 World Ski Championships at Aspen; Tino Sailer of Austria, only triple gold medal winner in Olympic ski history; and the "baggy" styles of pre-stretch pants days.

During intermission, the J. L. Hudson Company, in co-operation with Mademoiselle Magazine, will present a fashion show of ski-clothing styles.

The second half of Mr. Jay's film is entirely new, and it features the 1965 Vail International ski races, Stein Eriksen and Art Furrer, and a 100-mile ski trip across the roof of Europe, from the Matterhorn at Zermatt to Mt. Blanc at Chamonix, using skis, climbing ropes, and ski-planes.

Tickets for both the 3 and 8 o'clock showings of "Silver Skis" are available from any Grosse Pointe Ski Club member, at the Grosse Pointe War Memorial Center, or at the door on the day of the showing.

Tickets are \$2 for Ski Club members and students through high school age, and \$2.50 for all other guests.

The next regular meeting of the Grosse Pointe Ski Club will be held at 8 o'clock, Wednesday, November 3, at the Grosse Pointe War Memorial Center. Rex Clavola will show the first half of his film, "Skiing Around the World."

Camera Club Meets Tuesday

The Grosse Pointe Camera Club will hold its first competition meeting of the month Tuesday evening, November 2 at 8 o'clock in the Fries Ballroom of the Grosse Pointe War Memorial.

Each member may submit three entries in monochrome prints and three in color slides, with two in each category designated for analysis.

During the intermission, Mildred Briggs, an active member of the club, will speak on "Using Your Exposure Meter."

Guests are cordially invited to attend the meeting.

Two Cars Tangle At Intersection

Jack Geml, 18, of 1785 Roslyn, struck the side of a car driven by Sharon Stone, of Germantown, O., and temporarily of 16935 Village Lane, Wednesday afternoon, October 20, when the woman's car entered the intersection at Kercheval and Rivard against the right of way, police reports stated.

Geml, who was driving on Kercheval, hit the left side of the auto, damaging both cars so that they had to be towed away.

Witnesses said the woman halted at the stop sign on Rivard before she began to across Kercheval. She was charged with reckless driving involving an accident.

Drive to Help World's Needy

A last stitch to a witch's costume, a final burning of corks to use as makeup, and all is ready, just in time. In a few days Halloween will summon boys and girls to the streets to show off their newly acquired personalities of ghosts, goblins and spacemen.

Under the auspices of agencies, churches and schools and neighborhood groups many boys and girls will not be collecting for themselves, but to help the world's needy children. They will neither ask for candy nor apples, but for pennies, nickels and dimes which will send milk and medicine where they are most needed.

The UNICEF Trick or Treaters will be officially identified by the UNICEF seal on their collection cartons. They will make their rounds in small groups, escorted and supervised at all times by adults and responsible teenagers. Every penny they receive can mean five glasses of milk or the vaccine to protect a less fortunate child from tuberculosis.

The Trick or Treat program is endorsed by President Johnson and by civic and religious leaders. It will take place in over 13,000 American communities, with the participation of about 3.5 million children.

The collection cartons will be distributed at all YWCA's, YMCA's and the Jewish Community Center. After the doorbell ringing is over, many Halloween parties to the young goodwill ambassadors will be held. Monies should be sent immediately to the American Association for United Nations, 1130 Washington Boulevard, marked for UNICEF.

Parley Planned By Unitarians

A state-wide Unitarian-Universalist conference will be hosted by the new Grosse Pointe Unitarian Church on Saturday, October 30, from 9:30 a.m. to 3:30 p.m.

Reorganized three years ago into UUCOM (The Unitarian Universalist Council of Michigan), the organization has not met in Grosse Pointe for 10 years.

Heading one of the workshops, "Communicating Within the Churches," will be Rev. William D. Hammond, former minister of the Grosse Pointe Church for 12 years and now the executive secretary of the Michigan-Ohio Valley District Organization. Keynote speaker will be Kenneth E. Boulding, professor of economics and director of the Center for Study on Conflict Resolution of the University of Michigan. His address is titled "Religion in the Great Transition."

Rev. Harry C. Meserve, minister of the Grosse Pointe Unitarian Church, will conduct a workshop entitled "Making the Church Relevant." A workshop on "Church Planning, Construction and Financing" will be led by members of the Building Committee, Creighton Lederer and Mrs. Alice Hartz.

Hurt in Crash At Intersection
A Wood police officer and a Woods motorist were injured on Sunday, October 24, when their vehicles collided at Mack and Vernier. The officer was on an emergency run at the time of the accident.
Injured were Patrolman William Cramer of 16269 Lappin, Detroit, and George A. Brown of 581 Roslyn road. Cramer suffered a broken right wrist and head injuries, and Brown, multiple lacerations about the head.
Cramer and Brown were conveyed to St. John Hospital for treatment and x-rays. Brown was later transferred to Cottage Hospital, where he was kept overnight for further observation. Cramer was released shortly after treatment from St. John Hospital.
Both Cramer and Brown claimed they did not see each other as they approached the Mack - Vernier intersection. Brown, it was said, had the green light, and Cramer was answering an emergency run to the Grosse Pointe Woods Presbyterian Church, opposite the Woods Municipal Building in Mack avenue.
Witnesses said that Cramer had the scout car flasher on and siren blowing as he was driving through the red light. He was on his way to the church, where a man was reported to be suffering from a heart attack.
It was reported that witnesses to the accident, pulled the policeman out of the scout car, following the impact, because the police vehicles fuel tank had ruptured and gasoline spilled on the street. The witnesses worked fast for fear that it might burst into flames.
Damage to both vehicles was extensive, and both had to be towed away, police officials said.
Investigation of the accident has not been completed, according to Woods Director of Public Safety Allen Andrews, Jr. Witnesses are still being questioned, he said.

'Paulite' Earns Quadruple Crow
In the four national critical services in which it was entered, the 1965 Paulite, St. Paul High School's Yearbook, has emerged as a four-time winner.
In conferring its highest rating, A+, on the Paulite, "Photolith" editor N. S. Patterson observed, "This one really stands out as superior. We had heard advance plaudits about this book, but as was said of Cleopatra, 'the half had but been told.'" He requested copy and pictures about the production of the '65 book.
Photolith is the national organ of the National School Yearbook Association.
The National Scholastic Press Association rated the Paulite All-American and requested pictures for inclusion in a later edition of the Scholastic Editor, national organ of the NSPA.
The Catholic School Press Association awarded the Paulite its "Publication of Distinction" award, and commented that the '65 was "one of the best books judged this year."
For the fourth straight year the Paulite received the brightest pearl in any journalistic crown, the coveted Medalist citation from Columbia Scholastic Press Association, one of the largest critical rating services in the nation.
In an independent critique, Vida McGiffin (Creating the Yearbook, Hastings House, 1962) praised the Paulite for its "superb copy." By way of explaining her choice of the Paulite as the "number one" (in the country) Miss McGiffin observed:
"This judge loved the Paulite's theme and the way it was developed in the opening section and on the division spreads. It is constructive, sound, a 'good press for youth', and youth sorely needs a good press."
Editors of the 1965 Paulite were Kathryn Gurney (Class of '65) and Robert O'Leary (Class of '66). The adviser is Sister Marie Jude.

MACP Honors Allen Andrews
Woods Director of Public Safety Allen Andrews, Jr., was recently appointed to the new Data Processing Committee, by the Michigan Association of Police. The appointment was made by William Johnson, president, who is superintendent of police in Grand Rapids.
The committee to which Andrews was appointed will study the possibility of establishing a Computer Filing System, somewhere in Michigan, which would enable State police agencies to teletype data and receive return information in a matter of minutes.
Such a system, Andrews said, would be invaluable in the apprehension of criminals, recovering stolen cars, and obtaining other information needed for better and more efficient enforcement of laws.
Any police agency in Michigan, if such a system is installed, can teletype directly to the computing center, and receive return information within seconds.
A Data Processing System is already in use in Alameda, Calif., and several other areas in the country, and it is working extremely well as an aid to law enforcement, Andrews said.

Youths Enjoy Day-in-Navy
Two Grosse Pointe youths, Stephen J. Pepper and Stu Dykstra, participated in the fifth annual "Day-in-the-Navy" for Detroit and suburban high school journalists. Cdr. Jay DeEulis, commanding officer of the Detroit Naval Reserve Public Relations unit, announced.
Pepper, representing Grosse Pointe University School, and Dykstra, representing Grosse Pointe High School, were among 50 high school students who received a realistic taste of Navy life. Besides a ship ride out in Lake Erie, highlights of the programs included a taste of barracks life at Grosse Ile Naval Air Station, Navy chow, a flight aboard a Navy aircraft and a press conference, following a career briefing by Navy and Marine representatives.
Cdr. DeEulis said the program, which began when the young journalists boarded the USS Amherst at the Cobo Hall dock Friday morning, October 22, ended with a tour of a submarine at the Brodhead Naval Armory Saturday afternoon.
Spectacular color, hazy warm days, pleasantly cool nights, excellent hunting and fishing, and less crowded accommodations combine to make autumn one of the popular Michigan vacation seasons, according to the Michigan Tourist Council.

Do electric dryers really cost less to buy?
Do you really get no-charge service?

Do kids like ice cream?

The answer, of course, is a rousing YES! Model for model, electric dryers cost from \$20 to \$40 less than gas dryers. And every electric dryer is backed by Edison's No-Charge repair service. No charge for any electrical parts. No charge for labor. Edison is the only utility company in this area that offers no-charge repair service.

Can you get this kind of worry-free assurance with a gas dryer? Sure—with a manufacturer's repair service policy. But it will cost you up to \$120 over the first five years of operation alone!

One thing more. Edison's No-Charge repair service applies even if you don't buy your dryer from Edison—so long as the dryer is electric and you get your electricity from Edison. And if you buy now from a participating dealer, the low price you pay includes the cost of wiring, if any's needed. So when you add it up, an electric dryer can save you up to \$160 in just a few years. That can keep the kids in ice cream a good long time.

Blue Devils Take Third Straight; Defeat Fordson

By Edw. Gruca

The Blue Devils sloshed to their third straight football victory last Friday, beating Fordson 13-7 on a rainy afternoon in Dearborn. The Tractors took an early lead, but Grosse Pointe came back and went ahead midway through the second half to win the hard-fought struggle.

Because of the poor footing and slippery ball, each team had difficulty gaining yardage. As a result neither side was able to advance even close to the goal line without the aid of a break.

The game's three touchdowns resulted from a fumble, and intercepted pass, and a blocked punt. Grosse Pointe fumbled a total of eight times in the game.

Mike Van de Ginste, Don Sellers, Paul Halstead, and Bob Carnecki led the Devils in tackles and spearheaded the defense, which was largely responsible for the win.

Score First on Fumble
Fordson kicked off to start the game and two plays later recovered a Devil fumble on the Grosse Pointe 46. The Tractors gained 9 yards on their first play and then ripped off 37 on the following to a touchdown. The extra-point kick gave them a 7-0 lead before 3 minutes had elapsed.

At the end of the first quarter Fordson drove to the Devil 32. The march ended when Greg Pallen broke through the Tractor defense and caused the quarterback to throw a wild pass into the hands of Bob Carnecki who raced 63 yards for the tying touchdown. Andy Balser's place kick tied the score at 7-7.

The teams exchanged four points in the second quarter as neither side could advance.

Early in the third quarter John Staryk eluded several tacklers enroute to a 30-yard run which gave the Devils the ball on the Tractor 46. After failing to advance, Rocky Withrow pointed to the Fordson 8. The Tractors couldn't move either and tried a punt on fourth down.

Recover Blocked Kick
The punt was low and John McMillin blocked it with his head, enabling Grosse Pointe to take over on the 2-yard line. Rick Gonzales then crunched through the line for a touchdown. The place kick for the extra-point was blocked and the score was 13-7 with 2:10 left in the quarter.

Fordson took the kick-off and promptly fumbled on its 27 with Paul Halstead recovering for Grosse Pointe. But on the next play the Devils fumbled right back.

Early in the final quarter Tom Jennings returned a Fordson punt to the Tractor 44. The Devils started to move well but were hindered by three fumbles and lost the ball on the last of these.

A 34-yard run by Van de Ginste left less than three minutes left in the game but the ball on the Tractor 15. On fourth down the Devils tried a field goal from the 25 but it was no good.

Fordson got the ball with 1:35 left and had its final chance to pull the game out. The Tractors reached their 41 on a series of passes before an interception.

Dearborn Beats Spartan Varsity

The Woods Spartan Varsity was narrowly defeated by a heavily favored Dearborn Lions Varsity last Saturday in Dearborn. The score was 13-6.

The Spartan score came after the opening kickoff on a 5-yard pass from Bill Crawford to Len Constantine. The touchdown drive was highlighted by a 50-yard run by Joe Sheehan.

Dearborn scored their two TD's on guard-trap plays, on runs by Ricky Rhodes and Larry Weisick. However, the Spartan line, sparked by the tremendous play of Jim Ney, dominated the game. The Spartan defenders, headed by Doug Perry, Dave VanSteenKiste and Scott Burns, played their best game of the year, even though it was a losing effort.

The unbeaten Spartan Ponies powered their way to their seventh shutout in a row, 19-0. Coach Werner Luckhoff's stalwarts took the opening kickoff down the field in a sustained march of 65 yards, capped by Tom Richardson's end-run of 24-yards.

In the third quarter Gary Trupp covered a fumble on Dearborn's 25 yard line to set-up the second Pony TD, also scored by Richardson.

Ernie Ney closed the Spartan scoring on a 4-yard plunge in the fourth quarter.

The defensive line, coached by Rene VanSteenKiste, stopped the Dearborn offense cold. Steve Gates, Jim Vervich and Dean Shier were standouts in a rough, aggressive line.

The Dearborn Junior Varsity defeated the Spartan Junior Varsity, 12-0. Tom Przeslawski and Mark Wittmer were bright spots for the Spartans.

Next week, the Spartans meet Southfield at Harper Woods Memorial Park. Opening Kick-off is at 12 noon.

Boys Register For Ice Hockey

The Grosse Pointe Hockey Association starts its registration period this week for all boys eight to 18, in any of the Points who want to play on teams this year at the great new McCann Rink at the Grosse Pointe University School in Cook road.

This is a great chance for every boy who now plays hockey, or who can skate or wants to learn and play regularly on teams of equal ability, to get into a program that will have first class ice with team dressing rooms and good coaches.

In the younger age groups beginning skaters will be taken in and instructed. A large turnout is expected since the Points have never had such fine facilities before.

Boys who want to play beginning December 1 and possibly sooner must drop a card now to W. R. Sides, 606 Lincoln Grosse Pointe 48230, giving their name, address, phone, age and birthdate. They will be advised when to report. Season fee is \$3.

Boys are advised to register at once so that play can begin when the ice is ready. A large turnout is expected. Don't get left out!

Lt. Paul R. Hakim Aids in Evacuation
TEHERAN, Iran (FHTNC) Oct. 13—Navy Lieutenant (junior grade) Paul R. Hakim, son of Mr. and Mrs. Shaw D. Hakim, of 1162 Devonshire road, was among 15 officers and men of Transport Squadron Three who helped to evacuate 628 Americans from Lahore and Rawalpindi, Pakistan.

The airlift, coded "Operation Nice Way," successfully transported the civilians to the safety of Teheran, Iran during a 2½ hour respite in the fighting between Indian and Pakistani troops.

Loading of passengers was accomplished in 28 minutes. The only difficulty during the airlift was the grounding of one of the planes due to mechanical difficulties. However, the plane lifted off 50 minutes later and eyewitness reports related that the Indian and Pakistani troops had resumed.

Lakers Post 20-0 Win; Aim for St. Catherine

By J. P. Wright

Red-faced bookies, who wouldn't give a wooden nickel on the St. Paul football chances this year, are turning up their collars and sneaking away as the hard-hitting Lakers carry a shining three-game winning streak into the season's finale Sunday against league-leading St. Catherine.

The latest victim to fall under the Laker juggernaut was arch-rival St. Florian, 20-0, last Sunday, in the Lakers' Dad's Day and final home game.

Piling up an impressive 301 yards rushing, while holding St. Florian to a mere 55 yards total, St. Paul is pointing for the St. Catherine contest and a chance to spoil the Warriors' unblemished league record.

By holding the Lakers scoreless, St. Paul's defense held the opposition without a point for the first time since the Lakers rocked Wyandotte Mt. Carmel, 28-0, in 1961.

Too Much Too Often
Simply having too-much St. Paul too-often, the Lakers watched the Lakers score first on a 48-yard dash over center by Quarterback Danny Wright shortly after the opening kickoff.

St. Paul started on its own 20 yard line. Runs by Pat Corcoran and Tom Handlos carried to the Lancer 48 before Wright shot through the middle and out-raced the St. Florian secondary.

Mark Smolenski's kick split the uprights, and St. Paul led 7-0.

After two Laker drives stalled, St. Paul started to move in the second period. Handlos returned a punt 25 yards to the Lancer 40. Corcoran picked up 14 yards and Fullback Bob O'Leary smashed for 22 yards to put the ball at the St. Florian 4-yard line.

Senior halfback Bob Reilly, then blasted the last four yards for the score. Smolenski's kick was perfect and St. Paul led 14-0.

Miss Third Chance
St. Paul had another scoring chance late in the second period when Handlos took a Lancer punt to the St. Florian 35.

Senior Danny Wright sprinted over center for 20 yards while dashes by O'Leary and Corcoran put the ball at the 11-yard line. The Lakers couldn't move, however, and time ran out.

Midway through the third period St. Paul's fine defense held St. Florian at the Laker 36 and took over on downs.

Tom Handlos carried the ball six times in a row for 49 yards and scored on a five yard shot over tackle. St. Paul also picked up 15 yards on a penalty against the Lakers for grabbing a face mask.

The pass from center on the extra point try was high and the Lakers led 20-0.

About five minutes into the final period St. Paul went on the march again, this time from the 50-yard stripe.

Juniors Rick Fromm and Bill Gough did most of the running along with Senior Mike Bellardi to put the ball at the Lancer 1-yard line. However, Bellardi fumbled on the next play to end the Laker threat.

Field Goal Try Misses
With just seconds remaining on the clock, St. Paul had a final scoring threat which moved from the Lancer 43 to the 19 before time ran out. Mark Smolenski's 19 yard field goal attempt was wide and the Lakers left the field with a neatly wrapped 20-0 win.

In rolling to their third straight win, St. Paul compiled 14 first downs while holding St. Florian to 4.

Senior Tom Handlos led ball-carriers with 79 yards in 12 carries, followed by Danny Wright with 65 yards in 6 carries, Pat Corcoran with 53 yards in 11 carries and Bob O'Leary with 31 yards in six carries.

Laker coaches said they were pleased with the win, and the air-tight play of the Laker defense.

Final Home Game
Seniors playing their final home game were Co-Captains Paul Thoen and Danny Wright, and Denny Babel, Mike Bellardi, Tom Handlos, Rick Jablonski, Bob O'Leary, Tom Reichold, Marv Rieli, Bob Reilly, Jim Snyder, Paul Truba and George Wilson.

Sunday, St. Catherine with a 6-0 record presents the Lakers' toughest test of the season. This week the Warriors clinched at least a share of the league crown with a 14-0 win over St. David. St. Paul pinned a 31-29 loss on this same St. David team almost three weeks ago.

Kickoff of the St. Paul-St. Catherine contest is 4 p.m. at Mack Park, Mack and Fairview, in Detroit.

GPUS Gridders Beat Maumee
By Matt Zukowski
On Friday, Oct. 8, the Grosse Pointe University School football team met Maumee Valley County Day School at G.P.U.S. The Maumee team, which hails from Maumee, Ohio, fell to the Knights 35 to 14.

Grosse Pointe touchdowns came on runs by Chuck Wright, Mark Weiss, and Rusty Heenan. Another six points came on a pass from quarterback Art Getz to Harris Brown. Notable groundgainers during the game were Rusty Heenan and Mark Weiss.

The G.P.U.S. defense held the Maumee offense to barely 188 yards total while Grosse Pointe stacked up 349 yards. The Grosse Pointe defense was well-directed by co-captains Chuck Wright and Lynn McNaughton.

G.P.U.S. now has a season record of three wins and no losses. The team and school are hoping for an undefeated season.

Letter From Viet Nam

The following report from a man on-the-scene in Viet Nam was sent by Captain Robert W. Netting, USN, nephew of the Ralph B. Nettings, of Lincoln road:

Since arriving in Saigon on 27 September, I have experienced 21 very eventful days. In the next 49 weeks (the tour here for Navy people is still just 12 months) zoom past as fast as the last three weeks. I'll still be unpacking on the day I head out to Tan Son Nhut airfield to board a plane for Uncle Sugar.

This is the type duty in which each minute, each hour, and each day presents just one more thing to do. Rear Admiral Ward, my immediate superior in command, has assigned me the job as his Assistant Chief of Staff for Personnel, Training, Logistics, and Military Assistance. This sounds BIG, and I admit that it keeps me hopping. In all my naval career I have never had a more challenging and more interesting job.

As of this date, we have about 300 officers and 300 men attached to the Naval Advisory Group throughout Vietnam and in Saigon. It is the largest staff to which I have been attached and, of course, you realize we are merely the U.S. Naval Staff on General Westmoreland's gigantic joint staff. Although I did most of my WW II duty in the Pacific, I think it safe to state that General Westmoreland has more U.S. officers working directly for him than General Eisenhower had on his staff in 1944.

And all this effort is for a piece of real estate in South East Asia that is about one-half the size of the state of California.

Or is the struggle that small and simple???

If I may, I would like to share with you the real highlights of the past three weeks, and my listing is not in any way indicative as to my own assignment of priority to the events. Here they are.

1. Having almost two hours discussion on the Vietnam political, economic, and social situation with Ambassador Henry C. Lodge.

2. Flying in an armed helicopter from Saigon to all the U.S.N. junk bases in the Saigon River delta area.

3. Visiting and inspecting the U.S. Naval "junk" base on the southern tip of the island of Phu Quoc.

4. Visiting and inspecting the U.S. Navy installation at Da Nang where I fortified my friendship with a lot of "gun-ho" Marines including Colonel Hap Hanson who shared office space with me at the Naval War College.

5. Attending St. Christopher's Episcopal Church in Saigon where Ambassador Lodge was in worship with me in the opposite pew.

6. Out-thwarting the Viet Cong on 15 October (the date on which "incidents" were sup-

posed "to happen" here) and enjoying lovely Mary Martin in a noon-time presentation of "Hello Dolly" at the Dai Nam Theater on Tran Hung Dao.

7. Having one hour with General Westmoreland on 15 October when my task was to tell him how we think the Vietnamese Navy is doing in the present struggle. (With only 3 weeks here I am indeed grateful that Rear Admiral Ward was my "back-up" man).

8. Attending the memorial service for ten U.S. servicemen (including our Lieutenant Ellis, USN) who have given their lives for better living for these unfortunate people.

9. Seeing every day all the lovely boys and girls who supplement the natural beauty of Vietnam.

Were I gifted enough, I think I could "file" a few thousand words on each of the events listed in the foregoing. Factually, a fellow with a flowing hand and a writer's talent has much to report and observe in words out here. I inwardly reflect that this type work would be a grand way "to fight the war for the hearts and minds of these gallant people."

But getting back to the real world where we are encountering real facts and real things, I report to you that I am thrilled each morning as I walk about six blocks to my office and observe the beautiful and innocent children going to their respective schools. Because of our living in an area where the prosperous Frenchmen used to live, we are spared from starting the day by walking through the most degraded slums one can imagine — where families of 8 to 10 persons live in one room.

The contrast helps stress the importance of the struggle in which we are engaged — the have... and the have nots.

This has been longer than I had intended. What started out to be a factual report has turned to an emotional revelation. The truth is the entire conflict strikes a lot of Americans out here this same way. Could you resist smiling and waving to a half-nude 3-year-old with a distended stomach or a body deformation who greets you with a "Hello, Joe" (with an Oriental accent)?

Your man-in-Saigon is very happy that he is here and hopes that he'll see some of you in this land within the next year. You know your own odds on your chances of having a wonderful Chinese dinner with me at the My Cong down on the river.

Wishing you smooth sailing, good luck, and God's blessings, I am

Sincerely yours,
Bob

Rotary Hears Talk On UN

The local Grosse Pointe Rotary, last Monday, heard the Editor-in-Chief of the United Nations Monthly Chronicle, William A. Richardson, speak on U.N. operations. Mr. Richardson outlined the founding and rise of the U.N. to its present status.

He pointed out that it is one thing to create a charter and quite another to make it work. He discussed the various crises that have arisen since the U.N. was formed, including Indonesia, Israel, Suez, the Isle of Crete and Korea.

He outlined the manner in which the U.N. was able to step in in each of these cases in spite of the fact that frequently its strongest members were against such action.

The problem of financing the U.N. was discussed as well as the current challenging of certain expenditures by France and the U.S.S.R.

Mr. Richardson is a citizen of Trinidad and Tobago. He received his Master of Arts degree at King's College, University of London, and has worked in the field of Public Information for over 20 years. He has been a member of the United Nations Secretariat since 1962.

Spanish Club Meets Nov. 1

The Grosse Spanish Club will hold its November meeting at the Grosse Pointe War Memorial on Monday, November 1, at 8 p.m. Speaker for the evening will be Jose Ever.

Mr. Ever will lecture in Spanish on early Mexican history and on Aztec and Mayan culture. He will accompany his lecture with slides. Interested guests are welcome to attend the meeting.

Mr. Ever is president of the Peerless Plastics Company of Windsor, Ontario. He is also an archaeologist of some note and is a research assistant in the Department of Anthropology and Sociology at the University of Windsor. He is a native of Vienna, Austria.

The Grosse Pointe Spanish Club is a group of Grosse Pointers interested in speaking Spanish and learning more about Spanish speaking countries and their cultures. It is not a club to teach Spanish but to provide an opportunity for practice to Pointers who have had previous exposure to the language.

What Goes On at Your Library

By Virginia Leonard

Guest Columnist Margaret Irwin Grosse Pointers with a continuing interest in world affairs will be enthusiastic about a new reference service recently added to the Central Library Collection. This service, DEADLINE DATA ON WORLD AFFAIRS, provides current, objective information on the domestic and foreign affairs of every country in the world; on every crisis and every significant world issue.

The format adopted for the service enablers its publishers, the F. W. Dodge Company, a division of McGraw-Hill, to provide factual coverage of world affairs so current that only the recent issue of newspapers or a few issues of a news weekly are more up-to-date on any event or issue. The basic service, which covers more than 300 subjects, includes more than 12,000 cards (5"x8") filed in a six-drawer steel file and is supplemented weekly by approximately 50 cards.

By using this file a member of the Economic Club or Rotary, about to hear a speech on the World Bank, can enhance his appreciation of the speaker's comments in a few minutes. For on eleven cards concise information is provided on the establishment of the Bank, its purpose, and the loans it has made. Similarly, a member of an American Association of University Women Study Group or a high school student preparing a report on the United Nations can quickly find the present members of the General Assembly and the Security Council.

Since accuracy of information is as important as speed of retrieval to the layman, and also to such subscribers to the service as Chet Huntley and the State Department, the method of preparing copy for this service is of interest.

A staff of experts is constantly sifting through such information sources as the world's press, periodicals, government reports, scholarly journals, books and other special sources from all parts of the world. Using only confirmed facts and clearly identified statements of significant opinion, this staff engages in a continuing revision of the service.

The actual revision of the file is accomplished through the medium of the weekly supplement of cards. The cards in this supplement fall into several groups. First, there are those which replace earlier ones because recent elections or constitutional changes have made earlier information inaccurate. Other replacement cards con-

cisely summarize the important facts about such past events as the Moroccan crisis of 1960-61, the detail of which is now available in books or periodicals. Lastly, there are additional cards which provide specific detail on currently developing crises and events such as Vietnam. Since each card in the file is dated, the user can readily update this information with later news sources.

Besides providing speed and accuracy of coverage, the service is easy to use. The cards covering the 300-odd subjects are filed as units in the familiar dictionary arrangement; i.e., Gambia, Gaza Strip, Geneva Conference on Indo-China, Geneva Summit Conference 1955, etc. The information on each subject is presented chronologically and the cards within each group are numbered as a unit. For major countries much involved in world affairs the country unit is subdivided in a common pattern; i.e., France, France Domestic, France Foreign Relations, France Government. For a historically significant province like Timor one card suffices.

Each country unit provides basic information on the form of government and major officials, together with political and economic information set in the perspective of its historical background. Cross references are made to related material in the service; i.e., from France to French Antarctica, French Community, French Equatorial Africa, etc.

The following examples suggest the range of subject of the service apart from the provisionally mentioned country and conference units: Sterling area, Socialist International, Internationals, Scandinavian Integration and Brussels Treaty of 1948.

For the convenience of its users DEADLINE DATA is serviced from the reference desk. This enables the Library Staff to assist patrons in finding the appropriate sections of the file for their particular need and also expedites the refiling of the reference cards. Moreover, it enables the Reference Staff to assist users in locating additional reference materials such as atlases, biographical dictionaries and historians when fuller coverage is desired. The addition of DEADLINE DATA ON WORLD AFFAIRS to our Library strengthens the collection in the field of foreign affairs, and we anticipate greater usage of its vast and varied scope as our patrons become increasingly aware of its existence and potential use.

Unused Ticket Led to Stage

An unused return ticket to Philadelphia is the symbol of a strange chain of circumstances for Mrs. Haig Avedisian of Bedford road.

The Grosse Pointe Theater who has her as a leading lady in its November production of "Little Mary Sunshine" is pleased that her casual two-week trip to Detroit in 1962 to visit relatives has developed into permanent residence.

A professional singer, Mrs. Avedisian, who appeared then as Mildred Ball, was called to fill a sudden opening at a downtown club (the Caucus Club). The engagement was extended to six weeks and by that time Mildred Ball had met attorney Haig Avedisian and all thoughts of returning to Philadelphia disappeared.

Performances at Vanguard in "Little Mary Sunshine" followed and now comes a performance in the Grosse Pointe Theater presentation of the same show.

Vocal studies with Estelle Liebling in New York and acting training at the American Academy of Dramatic Art are forceful reasons for Mrs. Avedisian's continuing interest in theater. She was a featured performer on WCAU-TV in Philadelphia and toured the east coast with the Mae Desmond's Children's Theater.

Recently settled in the Pointe with her husband and young son, Mrs. Avedisian is combining Grosse Pointe Theater rehearsals with further singing in a concert choral group, the Max Davey Singers.

"Little Mary Sunshine" by Rick Besoyan, is a musical spoof of old-fashioned operettas and will be seen at the Fries Auditorium November 12, 13, 14 and 18, 19, 20. For ticket information, call TU 6-1458.

A casting date has been set for the Grosse Pointe Theater's second production of the 1965-66 season, "Inherit the Wind." Interested members of the community are invited to attend the group's membership meeting on November 8 in the Library of the Grosse Pointe War Memorial. Auditions will follow an 8 p.m. business meeting.

Indian Guides Enjoy Excursion

The largest Grosse Pointe Y Indian Guide Camp Out was held this past weekend at Camp Ohyesa, residence camp of Metropolitan Detroit YMCA. A total of 170 fathers and sons enjoyed their first outing of the season.

Longhouse Chief Dr. Marion Scott was in charge of the program assisted by Hank Kulan, Assistant Chief, and Ken. Isherwood, Hannan YMCA Executive Director.

Horserack riding was the hit of the program. Other activities were canoeing, row boats, hiking, nature trails and football. All new big and little braves were initiated into the Y Indian Guides at the Saturday night Council fire conducted by the Chief.

The next scheduled event is the overnight trip to Greenfield Village the first weekend in December. The Camp Ohyesa winter camp out is scheduled for January 29 and 30, 1966.

Park Meetings Revert Back

The two-month experiment of holding its bi-monthly council meetings at 7:30 p.m., rather than at 5 p.m., was a failure, as far as citizen's participation was concerned, the Park council ruled on Monday, October 25.

Beginning with the first meeting of the month, to be held on Monday, November 8, the council session will revert back to the 5 p.m. time. Meetings are held on the second and fourth Monday's of each month.

During the first meeting held in September, at the beginning of the experiment, a considerable number of citizens showed up at the session. A number showed up at the second meeting of the month.

Gradually, the number in attendance tapered off. At Monday night meeting, Mayor Matthew Patterson counted only five or six people in attendance.

City Attorney Richard Rohr ruled that a July council decree establishing the 7:30 p.m. meeting during September and October, automatically expired with Monday's meeting.

Schedule Holiday Fair At Unitarian Church

All-Day Event to Be Held Wednesday, November 10; Luncheons and Dinners Will Be Served; Tours of New Building Slated

"An old tradition in a new setting is our theme for this year," explained Gloria (Mrs. Allen) Freiwald, sparkling red-haired chairman of the Grosse Pointe Unitarian Church's Holly Fair.

"The best of the past plus some truly unique new items — the selections are wonderful."

"And," continued her co-chairman Lee (Mrs. Robert) McFadden, "there will be an added treat for Fair visitors through the dramatically-styled new church building.

You can spend all day — Wednesday, November 10, from 10 to 9 o'clock — filling out Christmas lists picking up needed items for your pantry shelves, glowing over Mrs. Emil Leidich's "Treasures and Trifles," and taking a free "coffee break" when needed.

If you have little ones, baby-sitting service will be provided, and in the afternoon from 3:30 to 7 o'clock, there will be a "Children's Carnival." Youngsters will enjoy a 30-minute movie, "The Doughnut Machine," plus games and activities organized by the young people's group of the church.

Rita Skoczen will do portraits — a wonderful idea for Dad's Christmas present!

A cafeteria-style lunch will be available starting at 11:30 o'clock and dinner (reservations only, please — to Mrs. Roger Smith, Tel. 884-2861) will be served between 6 and 7 o'clock.

Delightful wares will fill all areas of the Church except the Chapel Hall. Christmas will abound in the Gallery — very special never-seen-before glass tree ornaments are in the Decorations Booth directed by Mrs. William Elmer and Mrs. Ronald Phillips.

The Mesdames Allen, Poxson, Hines and McFadden have worked on Christmas wreaths, tree skirts and unusual hanging

panels. During the summer, travelling members and friends of the Church have sent packages from foreign countries for Mrs. Haig Tarpinian's "Parcel Post" Booth. Wonderful surprises, they're wrapped and stamped just as the postman delivered them.

Book Booth chairman Robert Welch, (he's administrator of the new Grosse Pointe High School library), is very pleased with the selections available — everything from first editions, a complete old set of Samuel Pepy's Diary and an excellent Dickens, to unlimited paperbacks. There will also be on sale some handsome stationery hand-printed by Mrs. S. J. Nelson and her committee.

Sunday School classrooms will be set up as "Boutiques." Mrs. Daniel Roddy, Mrs. Charles Abbott and Mrs. Gerald Stoetzer are loading "Epicure's Choice" with handsome relishes, pickles, spiced fruits, candies, and baked goods — plus the Women's Alliance special chili sauce.

Mrs. John Herrmann will have those famous decorated basket purses plus some unique crocheted and embroidered ones.

Mrs. Joseph Leonard's storybook puppets will charm the young in heart of any age.

Mrs. Charles Correstine is in charge of "Little Folks Clothing," Mrs. Royal C. Hayden, "Knitting," and Mrs. Mack P. Monroe, "Aprons."

The "Green Thumb" Booth is directed by Mrs. William Eppler. Copies of the Women's Alliance Cookbook and decorated calendars will also be on sale.

The bride wore a traditional white gown, accented with Alencon lace, featuring a curved lace capelet and a Chapel train. Her mantilla veil was fashioned of matching lace, and she carried a cascade of stephanotis, white orchids and ivy.

Gardeners Plan Special Events

The Federated Garden Clubs of Michigan are bringing two nationally accredited speakers to present Coure III of the Flower Show Schools at the Grosse Pointe War Memorial on Tuesday and Wednesday, November 2 and 3 from 9 until 4 o'clock each day.

Mrs. Glen Kildow of Alexandria, Ind., has been invited to return again this year. She will speak Tuesday on the growing of geraniums (the fancy leaved and scented), culinary herbs, berried shrubs and viburnums.

Mrs. E. F. Simpson, of Memphis, Tenn., who will lecture on Wednesday, is a National Council of State Garden Clubs instructor and has taught in 27 states.

Japanese flower arranging has been one of her great interests. She holds a professorship in the Sogetsu School which gave her the flower name of Wafu, which means Peaceful Wind. Pictures of her lovely arrangements may be found in many state and national garden club magazines, newspapers and books as well as in The National Council Calendar for 1964.

She has lectured at The Brooks Art Gallery and The Memphis Academy of Arts and appeared at The Symposium of The New York Federated Garden Clubs at The Metropolitan Museum in New York.

On a trip around the world, Mrs. Simpson studied the flowers, containers and designs in 17 countries and brings many of the highlights of her travels into her lecture. A classical arrangement of note, Mrs. Simpson likes the creative side of arranging and does modern and avant-garde styles. An underlying flavor of simplicity in the approach to her art makes it quite contagious and her strong belief is that arranging is a pleasure rather than a problem.

Mrs. Simpson will stress design and complementary color schemes. She will illustrate arrangements using weathered wood, flowers, fruits and vegetables and will apply the principles to the making of mobiles.

The lectures are open to the public upon payment of the registration fee. Members of garden clubs which belong to The Federated Garden Clubs of Michigan may take the course and the examination on Thursday, November 4, if qualified, and apply for credit on a National Council of State Garden Clubs judging certificate.

Mrs. Frederick J. Schumann is chairman, assisted by Mrs. Pierre Heftler and Mrs. Robert Palmer.

Others working on committees are: Mrs. Frederick Condit, Mrs. Elmore Frank, Mrs. Ralph Dennis, Mrs. Raymond Hodgson, Mrs. Douglas Lockhart, Mrs. F. F. Stetkluh and Mrs. Frank Zapala.

Mrs. Bernard Murray, of St. Clair Shores, is in charge of registration.

Methodists Schedule Anniversary Banquet

Pointe Church to Mark 20 Years of Service to Community November 1; Dr. Dwight Ellsworth Loder Will Speak at Dinner

Grosse Pointe Methodist Church is observing its 20th year. In keeping with the traditional Thanksgiving season, a banquet will mark this anniversary.

All members, former members, interested area residents and friends are invited to join in this observance on November 1 at the Grosse Pointe War Memorial Fries Crystal Ballroom.

An unique advertisement in the Grosse Pointe News on September 6, 1945, announced the first meeting. On September 9, 1945, in the Old Kerby School in Grosse Pointe Farms, 58 persons met for the first service.

Two months later the charter

The young church grew rapidly in the post-war years along with the community, and soon outgrew the new facilities. A second unit was started in June, 1957, to provide 20 additional church school rooms and offices, church and youth parlors.

The tremendous accomplishments of this new church and its energetic members is evidenced by the property developed at 211 Moross Road in so short a time.

Dr. Dwight Ellsworth Loder, Bishop of Michigan Area of the Methodist Church, a resident of Grosse Pointe Park, will speak at the dinner on November 1. Former pastors and other Methodist Church officials will also attend.

Among those working with William N. Montgomery on the dinner arrangements are Mesdames Willis Bugbee, Walter Griffith, Kenneth Kimmel, John Scates, Donald Yerkes and John Purcell, and Messrs. Fred Krutz, Herbert Smith, James Hagen and Ralph Secor.

Reservations for the dinner may be telephoned to Mrs. Griffith or to the church.

Stacking Goodwill Goodies

Carefully arranging jars of jams, jellies, pickles, relishes and other delicacies, all especially prepared at home by the Junior Group of Goodwill Industries, are, (left to right), MRS. JOHN HAMAL, of Hall place, and MRS. NORMAN GILMORE, of East Ballantyne court.

The gourmet treats will be on sale at the Pantry Shoppe during the 18th annual Antiques Market sponsored by the Junior Group, to be held Sunday, November 14, through Wednesday, November 17, at Goodwill Industries, Brush street at East Grand boulevard, Detroit.

Reception To Honor Marian Anderson

Proceeds of November 12 Fete Will Benefit United Negro College Fund; Mrs. Thatcher W. Rea, Jr., Is Chairman of UNCF Women's Committee

One of the most dramatic and meaningful social events of the year, a civic tribute and reception honoring the great American contralto, Miss Marian Anderson, will be held Friday, November 12, from 9 o'clock to midnight in the Grand Ballroom of the Sheraton-Cadillac Hotel.

The gala affair, at \$20 per person contribution, featuring a champagne and hors d'oeuvres service, will be for the benefit of the United Negro College Fund.

Announcement of the event was made by Mrs. Thatcher W. Rea, Jr., of Merriweather road, chairman and Mrs. Carlyle F. Stewart, of Detroit, co-chairman of the Women's Committee of UNCF.

Coincidentally Mrs. Rea and Mrs. Stewart announced the following chairman for the event: Mrs. Edwin Denby, honorary chairman; Mrs. George E. Bushnell, Jr., Mrs. Harold L. Frank and Mrs. Horace R. Holloway, co-chairmen of the ticket committee; and Mrs. Sarah Hill Stewart, chairman of arrangements.

Governor and Mrs. George Romney and Mayor and Mrs. Jerome P. Cavanagh will serve as patrons.

The tribute will honor Miss Anderson as she begins her professional retirement, which she had announced to begin this year.

The United Negro College Fund is an annual drive conducted nationally on behalf of 33 accredited four-year colleges and universities located in 10 southern states.

Old World Market Opens November 18

Mrs. Frederick Schumann is Chairman of Four-Day Event, Featuring Goods From Around The Globe, at International Institute

The Old World Market, one of the International Institute's most colorful and popular events, traditionally held the week before Thanksgiving, is slated for its opening on Thursday, November 18.

It will run for four days through Sunday, November 21, at the Institute Building, in East Kirby street, Detroit. Hours are from 12 to 10 o'clock daily.

This exhibit and sale of treasures and art from all over the world reflects the cultures of the many different nationalities which avail themselves of services from this Torch Drive agency.

In addition, the Market is always eagerly anticipated by an ever expanding following of people, who come to browse and buy and sample and carry home tempting international foods and pastries.

As in the past, there will be many nationality shops to visit, manned by members of the Institute in nationality dress. And there will be many new treasurers to delight the eye.

and artistic tastes of visitors to the Market.

Sales of these varieties of goods give the nationality groups the opportunity to use the profit to benefit individual projects such as the support of schools in Taiwan, Formosa, by the Four Seas; support of the Scandinavian Symphony by its Women's Auxiliary; and assistance with books and other needs in Mexican schools by the Caballeros Catolicos, Mexicanos.

There will be the old to be found with the new and the introduction of primitive arts as wide apart as the Eskimos in the Baffin Bay area of Canada and the Kolomoki Indians, known to have lived in Early County, Ga., in the 12th and 13th centuries.

Naturally the Eskimo art will

Inside The Mothers' Club

The monthly board meeting of the Grosse Pointe Mothers' Club was called to order by the president, Mrs. G. Gordon Cook, on October 4 in the teachers dining room of the high school. Twenty-three members were present.

The president reported on the seven meetings she had attended during the month, working with various chairmen and the school administration. She thanked all mothers for their dedication and enthusiasm in carrying out their assignments and called attention to the fine feeling of cooperation engendered by the principal, Mr. Gerich. She requested that all members of the community should feel free to call her or Mr. Gerich with any comments or suggestions about the school or the work of the Mothers' Club.

The vice-president, Mrs. Walter Griffith, announced that letters of appreciation have been received from five June graduates for their Mothers' Club gift of a Roget's Thesaurus.

Mrs. George Thom, as corresponding secretary, reported that notes of thanks had been sent to the election canvassers who had donated their pay to the Scholarship Fund of the Mothers' Club. This was completely unexpected and a very appreciated gesture. It was reported, also, that eight members had worked on the 1050 mailings for the 10th Grade Parents Night.

Mr. Gerich reported as faculty advisor, that all renovations in the building were progressing on schedule. He discussed the teaching program and the need for a re-examination of the Honors Program. A cycle type of teaching is being used in the History Department, there is a new Chemistry program, and a work-study program is being initiated for a limited group of selected students. He requested the cooperation of parents in helping in the student grooming problem, and stated that a system must be found to keep requested schedule changes to a minimum.

Mrs. Benson McClure, faculty representative, spoke of all the many testing programs in effect today, with even more foreseen for future admission to colleges. Faculty interviews will be held with University of Michigan freshmen in order to see if any areas of instruction should be strengthened.

Mrs. James Laird, Program chairman, requested that a committee meeting be called to go over suggested programs and speakers for the February meeting. A report of the outcome will be given at the November meeting.

The report of the Neighborhood Groups Chairman, Mrs. John Fralick, called attention to the need of reorganizing the Discussion groups. A general meeting of all interested will be called in the near future to see what changes may be made to activate the groups. Mrs. Fralick also reported that plans are going ahead for the Hal-

University School Notes

The Junior Red Cross and the Council for Community Activities of the University School merged this year and elected to maintain the collective title of the council. This enabled the two organizations to expand their membership and work together incorporating all community work within the single council.

Under the leadership of Chick Gorey and Kathy Maschmeyer many new projects have been undertaken. Some projects already underway for October are helping the children in the Franklin Settlement Home by collecting games and puzzles. Favors, place mats, and crossword puzzles are being made for the patients at Children's Hospital.

The annual Halloween candy drive is being sponsored by the Council starting November second. Also on the schedule for November is the tutoring program for underprivileged children in Detroit. Last year this program involved thirty-three University School students. Mr. Benton, a minister at Jefferson Presbyterian Church, supervised the tutoring. This year he is helping as a co-sponsor with Mrs. Trim, the University School librarian.

A paperback book sale will be held continually through the whole school year. Wallace Gamber, a junior, is heading the committee that runs this project.

Another project is amity bags. These bags are filled with erasers, pencils, rulers, and similar items. These are distributed among underprivileged children in Vietnam. This Red Cross project is headed by

Lauren Kogan of the junior class.

One of the most important organizations to which the University School students can belong is the Metropolitan Detroit Table of Christians and Jews, more commonly referred to as the Junior Round Table. It is an organization for better human relations. It promotes mutual respect, friendship, and understanding. Membership, according to the size of the school, is open to any high school youth who subscribes to its purposes. This year University School members are Mark Blazer, who is also co-chairman, Matt Zukowski, Lisa Gershenson, and Laurie Leithauser. Meetings are held monthly at Wayne State University. Each month there is a different speaker who talks on prejudice, and racial and religious problems. The Junior Round Table gives people a chance to learn about their community.

All of the students of the Grosse Pointe University School through their financial backing of the council are supporting two foreign students. Quarterly payments to the Save The Children Federation provide schooling and other necessities for Arja Maria in Finland and for Yung Sook in Korea. Letters to the girls are a part of the council's activities program and help to make a more personal contact with the girls.

AT DUCKS?

Police were notified Friday afternoon, October 17, that several boys were shooting shot guns into the lake from 1 Woodland place. The boys agreed to stop when asked to do so by officers.

Regina Wins Powder Puff

By Linda Hartner

"Those 'traditional team cheers' sound more like shrieks!" grunted the anonymous fan in the stands. And well they might, for the game in progress was a tough football game between Our Lady Star of the Sea and Regina High, both all-girl schools.

Star of the Sea's "Tuna Tacklers" squared off with the "Saddles" from Regina in Grosse Pointe High's first Powder Puff Bowl Saturday, October 23.

The estimated crowd of 2,000 consisted of droves of skeptical boys, a handful of curious fathers with a band of confused but proud mothers, plus a couple dozen nuns and, of course, hundreds of wildly enthusiastic girls.

Fans impatiently waited nearly the whole game for someone to score and for a time their hoarse cheers were greeted only with rain. It drizzled intermittently throughout the game until the fourth quarter, when both the sky and Regina's odds suddenly brightened.

Pam Hartsig safely scored just enough to win the game for Regina with a score of 2-0.

Many people, unimpressed by the teams' goals, were surprised at the fierceness with which the girls played. Star of the Sea seniors were hoping to make enough money to finance their class trip and Regina girls were counting on the game to fill a hole in their treasury.

Both schools staged pep rallies and practiced long hours, sometimes in the rain, in preparation for the game.

sons, HUGH M. BROWN and FRANK R. BROWN, and their wives, and their daughter, MRS. KENT L. SILLOWAY.

MR. and MRS. ROBERT LANDT RAUGHT, of Roseville, announce the birth of their first child, ROBERT LANDT RAUGHT, JR., October 9. Mrs. Raught is the former DONNA PALERMO, daughter of MR. and MRS. JOSEPH V. PALERMO, formerly of Bedford road. Paternal grandparents are MR. and MRS. KENNETH J. RAUGHT, of Outer drive.

SUSAN GALDA, daughter of MR. and MRS. FRANK GALDA, of Calvin road, and STEVEN STARYK, son of DR. and MRS. STEVEN STARYK, of North Oxford road, are among a group of 60 students selected to be counselors to freshmen at Lawrence University, Appleton, Wis. Miss Galda is a member of Kappa Alpha Theta sorority and worked on the Lawrence Women's Association May Day committee. She is co-chairman of the Student Senate social committee. Mr. Staryk is a member of Sigma Phi Epsilon fraternity.

KATHLEEN J. MAUN, daughter of MRS. MARK E. MAUN, of Balfour road, a graduate of Grosse Pointe High School, took part in the production of Junior Show at Wellesley College, Wellesley, Mass.

HARRIET HELMS, associated with the Grosse Pointe Public Library, will be a featured story teller at the opening meeting of the 12th annual Children's Book Fair, at Wayne State University Community Arts Building, November 1. The fair opens at 9 o'clock each day, November 1 through 12. Admission is free. This will be Miss Helms' third year as a story-teller at the Fair.

JACK TEETAERT, St. Clair avenue, is serving on the committee making plans for the annual Homecoming celebration to be held at the University of Wisconsin at Madison during the weekend of October 22-23. He is master of ceremonies. Jack is the son of CITY POLICE CHIEF and MRS. ANDREW TEETAERT.

MISS DIANE ELAINE HILLENBRAND, daughter of MRS. DORIS HILLENBRAND of Fisher road, was elected Junior Class president this week at Vernon Court Junior College, Newport, R.I. Miss Hillenbrand is a Medical Secretarial major.

Named to the Amherst College Dean's List for outstanding academic achievement during the second semester of the 1964-65 school year was JOHN WEBER BUELL, son of DR. and MRS. JOHN H. BUELL of Provencal road. Buell is a 1963 graduate of the Grosse Pointe University School and a member of the junior class at Amherst.

MRS. JAMES F. BEYER, of Hollywood avenue, has a busy week ahead. As president of the Women's Society of Grace Evangelical United Brethren Church, Chandler Park drive at Neff road, Detroit, she has numerous committees working for the Church's third annual Holiday Fair, to be held Thursday, November 4, from 10 o'clock in the morning until 8 in the evening. Three different Circles are preparing lunch and dinner, while others are "manning" various gift booths.

REX CIAVOLA, of Devonshire road, recently became a member of the Circumnavigators' Club, a unique group of men who have traveled completely around the world.

Regina Wins Powder Puff

Star of the Sea had organized their team, made posters, and started selling tickets before Regina's campaign got off the ground.

Once RHS seniors got rolling, they enlisted all their friends to help in the project. Greg Gerling and Jack Sournart were persuaded to take over as coaches while referees and ushers were recruited from the seniors' dads.

Dianne Horton, majorette captain of next-door Lutheran East and chum of several seniors, agreed to perform at half time. Dianne's expert twirling of her fire-tipped baton earned her a hearty round of applause from flabbergasted spectators.

Star of the Sea's jolly 6'4" foot tuna float kept the team's spirits up as did the sight of Regina's five foot long pair of saddle shoes. (Saddles are a part of RHS's uniform — hence the team's name).

The game had several moments of glory, notably Regina senior Ollie Lauria's 39-yard punt. A surprising number of passes were actually caught, usually by the opposing team, however.

Darlene Drop suffered the only injury when she temporarily had the wind knocked out of her. She rejoined RHS's team a few minutes later.

That night the cheerleader-sponsored victory dance at Regina was well attended. About 800 people showed up; a good number of them from Star of the Sea.

Their senior class president made a No-Hard-Feeling speech, expressing the sentiments shared by Star of the Sea senior

Peggy Sue Standley when she said: "I think the two greatest things we all got out of this game were learning how to work with each other on a totally different kind of project and a better development of our sense of fair play."

It's United Nations Week . . . and Pointe ladies, looking far beyond their own community, into the world at large, played a large part in planning Tuesday's successful United Nations Association day-long conference at Rackham Memorial. Conference chairmen were Mrs. Joseph A. Vance, Jr., of Deeplands road, and Mrs. Walker Cislser, of Devonshire road. Heading various committees were Mrs. Edwin O. Bodkin, of Trombley road, reservations; Mrs. Alexander Wrigley, of Bishop road, table decorations; Mrs. Alexander E. LaPointe, invitations; and Mrs. Paul D. Bagwell and Mrs. James H. Quello, luncheon hostesses. Program highlights included a keynote speech by John MacVane, ABC correspondent to the UN, a panel discussion featuring UN experts talking on the significance of the United Nations and its agencies to the people of Detroit and Michigan, and a luncheon speech by Joan Comay, architect, author and lecturer, wife of Israel's former Ambassador to the UN.

Real "stars" . . . of the Grosse Pointe Garden Center's recent House Tour, were the young members of the James E. Gibson family and their friends, stationed in upstairs rooms of the Gibson home at the home at the corner of Lincoln road and Jefferson avenue. Each of the boys was thoroughly briefed on every object in "his" room: each gave a short prepared speech and answered Tourers' questions. We were especially intrigued by the young man who described a charming, very antique-looking bedstead as a "genuine fake, made in my father's workshop," using such a loud voice that his brother rushed in from the next room to tell him to "Quit shouting! They can't hear me talk in there!"

Still on the House Tour circuit . . . we wish we'd had a concealed camera to catch expressions on the faces of men and women studying that large example of Op Art hanging in the upstairs lounge-hall of W. Hawkins Ferry's fascinating Lake shore residence.

Bon Voyage! . . . to Mary Jo Quigley, daughter of the Francis Quigleys, of Bishop road, who has completed 11 weeks of Peace Corps training at Western Michigan University and leaves Wednesday for Nigeria.

Ground will soon be broken . . . for an addition to the Anti-Cruelty Association's shelter in Joseph Campau boulevard, Detroit, on two lots adjoining the present shelter. Donor of one of the lots is Stephen Ernst, of Lakeview avenue. The Anti-Cruelty Association hopes to raise money for six indoor kennels and outdoor wire fencing in order that the shelter may be ready for use by January 1, the beginning of really COLD weather in Michigan, and an especially cruel season for abandoned and lost pets. The kennels will measure 7 by 14 feet; those who want to donate a complete kennel at a cost of \$150 may have a plaque placed on it as a permanent memorial to a person or pet.

There's still time . . . to visit the Planned Parenthood Christmas Mart at Detroit's Veteran's Memorial Building before it closes at 5 o'clock this evening. We recommend a stop at The Gallery, (its permanent location is Fort Lauderdale, Fla.), for a look at the exquisite hand-hooked rugs created by George Walls, of Long Island. (We understand that one of Mr. Walls' rugs adorns the entrance hall of the Richard Rodgers' Connecticut country home.) Paintings, sculpture and ceramics are also on display at The Gallery. Mrs. J. C. Ray heads its volunteer staff; her assistants are Mrs. Henry Hubbard, III, Mrs. Stephen W. Smith and Mrs. John McNaughton.

Next time you're "On the Hill" . . . drop in at the National Bank of Detroit office for a peek at the pretty dolls dressed by the tellers for Goodfellow Christmas baskets.

Pointers of Interest

Photo by Eddie McGrath, Jr.
MRS. M. WHITNEY McCUTCHEON, (center) MRS. EARL H. QUICK (right) AND MRS. DONALD P. SCHUUR, CO-CHAIRMAN OF THE GROSSE POINTE MEMORIAL CHURCH CHRISTMAS FAIR

By Janet Mueller

It's axiomatic, (in some circles, at least), that women are constitutionally incapable of working well together. Proponents of this point of view point out that the ladies don't know how to share responsibility, that they are inclined to chat when they should be concentrating on their project and its problems, that they lack organizational ability . . .

Well . . . rather than launch into an abstract defense of the practical talents of American womanhood, we'll simply point out our feminine finger at Grosse Pointe Memorial Church's Christmas Fair, one of the largest church-sponsored Christmas Fairs in the country, organized by women, working together, stocked by women, working together, staffed and executed by women, (some 600 of them), working together.

And, moving from the general area to the particular, we'll single out the Fair's three chairmen, Mrs. M. Whitney McCutcheon, Mrs. Earl H. Quick and Mrs. Donald P. Schuur, who share work loads and responsibilities on an equal basis, as living proof that ladies can work not only well, but happily, together.

Too Much for One

Why three Fair chairmen instead of one? "It's too big a job for one woman," the ladies explain.

"Basically, it's to divide the responsibility. And it gives any one chairman a chance to travel, to be away—or even to be sick!"

The three women, appointed Fair chairmen by the Church Women's Association chairman, meet weekly and "telephone constantly." They make all decisions together, but each has her own particular talents to contribute to the project.

Mary McCutcheon knows merchandising. Before her retirement and marriage to "Mac" McCutcheon, she traveled all over the world in her capacity as table linens buyer for Macy's.

She lived in Hingham, Mass., until she married Mac, five-and-a-half years ago, moved to The Pointe and immediately plunged into work for various organizations, notably Memorial Church.

Mary is the type of woman who doesn't just "join" an organization; before you know it, she's chairman of a sub-committee, or president of the whole group.

Also Helps Hospital

She's served as Ways and Means chairman of Cottage Hospital Auxiliary and is past president of the Detroit Smith College Club. She spends her spare time working with flowers.

"I love to garden!" she exclaims. Her Hingham house, (a picture of it hangs in the McCutcheon living room in Lochmoor boulevard), boasted its own greenhouse, and Mary mourns the fact that there is no room to build one in her Lochmoor garden: "The trees are too beautiful; we couldn't cut them down for a greenhouse."

She still loves the East, especially Cape Cod; she and her husband are just back from a fall visit to their house on the Cape. The McCutcheons are boat enthusiasts, fond of cruising off North Channel and taking off for Georgian Bay. They like to golf together, too, and Mary, if she could find a few moments to spare from her other activities, might be inclined to pick up a bit of sewing.

Poodle Is Greeter

The McCutcheons have no children. The "other" member of their family is a black poodle, Victoria, (Vicky), 11 years old, very friendly and inclined to greet visitors at the door, her favorite toy, a huge rubber pencil, clutched firmly between her teeth, (it's a bit disconcerting for an interviewer to be greeted at the door by a dog with a pencil in her mouth—we asked Vicky if she were going to take notes for us).

Bertha Quick and her husband have lived in Grosse Pointe since 1939, and have been affiliated with Memorial Church ever since they moved to their first home in this community, in Whittier road.

One of their neighbors, a Church Elder, noticed that the Quicks frequently attended services at Grosse Pointe Memorial; he told them, "If you want the Minister to call, just sign the Church register."

The Quicks signed . . . "And Dr. (Frank) Pitt was at our house that Sunday afternoon," Bertha recalls. She describes herself as a "jack of all trades" in her first two decades as a member of the Church.

"I became really active in Church activities when Mr. (Bertram) Atwood arrived," she says, "and I've been actively involved ever since."

In Many Activities

Her "active involvements" include a parade of overlapping commitments, starting with Circle chairman for two years, (1963-64), Christmas Fair chairman, (1964-65), and her latest assignment, presidency of the Friday Book Review Group, (1965-66).

The Quicks live in South Renard road now. They have no children and no pets, but a garden full of flowers; Bertha, like Mary McCutcheon, considers flowers among life's chief joys.

"I love to work with flowers, to arrange them," she explains. "They're really my only continuing hobby. I love needlepoint, too—but I haven't had any time for needlepoint in the last five years!"

Bertha Quick has no favorite vacation spot. She usually spends her time away from The Pointe visiting relatives, a sister in San Francisco and several other relations, scattered throughout the Midwest.

Mrs. Quick, incidentally, is anything but a novice at managing a Big Project; she was chairman of the Memorial Church Women's Association's annual Christmas Tea in 1962. The Association numbers well over 1,000 members—and just about all of them show up for the Christmas Tea.

Luella Is Creator

Luella Schuur is the "creative" member of the Fair chairmen trio. "I like anything I can do with my hands," she explains.

"Sewing is the thing I like to do best. I've sewed since I was two; it's the one thing I always seem to find time for, always manage to squeeze in." The Schuurs live in Washington road. They have two daughters, Gretchen, who used her creative ability, (inherited from her mother, obviously), as a student of interior design, and Mrs. Gerald Malewska, who lives with her husband and almost-three-year-old son, Donny, named after his grandfather, across town, in Dearborn.

Luella, like Mary and Bertha, enjoys gardening. As treasurer of the Grand Marais Garden Club, she recalls with pleasure the blue ribbon her Club received for its Trial Garden in 1964: "It was my first attempt at a Trial Garden; I was thrilled when we won our ribbon." She's also an enthusiastic swimmer—even though she hates hot weather! She likes to spend her vacations in the North or East, "where it's cold," and is one of the few Pointers who positively enjoyed this year's cool Michigan summer.

Helped Lions' Project
Luella was very active with the Lions Club during the formation of the Leader Dog League for the Blind; her husband

and is one of the founders of the League.

The Schuurs have lived in Grosse Pointe since 1936, and Luella, like Bertha Quick, has been working for Grosse Pointe Memorial Church ever since she settled here.

She's had plenty of experience with Christmas Fairs: Between '36 and now, she's worked for a booth or a committee at every one of the Memorial Church Fairs.

The three Fair chairmen started planning and organizing for November 4, 1965, over a year ago, in mid-May, 1964—"although, of course, our booth committees did no actual chair work until after the Christ Church Fair."

The Christmas Fair is an annual event, but under alternating sponsorship. One year, Christ Church ladies produce the Fair, the next year, it's Memorial Church ladies' turn.

Pick Booth Chairmen
The general chairmen's first task is to assign various booth chairmen, who are completely responsible for their workers and committees. "We've had wonderful cooperation," Luella notes. "All our women have been SO responsible. They've taken over their booths and followed through beautifully."

"One nice thing about this year's cool summer," Bertha adds, "is that so many groups continued working and meeting right through July and August. Usually, we suspend meetings during the summer, but this year several groups decided to keep going."

"Our job is easier now than it was a year ago," Mary adds. "Most of our work and worry and fuss, I think, comes in the early days of Fair planning."

But the general chairmen are under constant pressure, and will be until after November 4. The Fair is the culmination of their efforts, last in a series of events. There is a Fair Preview, in May, at which samples of goods to be offered for sale at the Fair itself are displayed, and orders for special items are taken.

There is the Book Fair, an innovation this year, held early in October, and another innovation to come, Men's Night, a special preview showing for men only from 7 until 9 o'clock Wednesday evening, November 3.

Men Given Break

"We thought the men would like to see the Fair as a whole, to see it when it's assembled, not after it's over, when they come to help us clean up, or in bits and pieces, items for one booth, spread over someone's dining room table."

The Mesdames McCutcheon, Quick and Schuur admit they could not possibly run such a project without the help of hundreds of "unsung heroes." They are particularly pleased at the numbers and dedication of younger Church Women, mostly young matrons with small children and many at-home responsibilities.

They're excited over the quality of this year's display decorations, proud of their expanded eating facilities. ("We expect to serve well over 1,000 people!"), delighted by "the excellent cooperation we receive from the Church itself."

All Fair proceeds go directly to the Memorial Church Women's Association; this money is the Association's "budget for giving" during the next two years, (the Association's operating expenses are absorbed by membership dues). The Fair is the Association's only means of raising money for this Giving Budget.

And speaking of money . . . "I think the REAL unsung heroes of this Fair are the treasurers," Mary McCutcheon says. "They start work months ahead of Fair Day, and they continue working long after the Fair is over."

They work, in fact, until all their figures balance, and the

books on Grosse Pointe Memorial Church Fair, 1965, are finally closed. Then Bertha Quick files the General Chairmen's Record at the Church.
