JOHN V. LINDSAY, mayor-elect of New York City, Wednesday began organizing the City's first Republican-led government in 25 years. The 43-year-old Congressman Tuesday beat out Republican William F. Buckley and Democratic City Controller Abraham D. Beame for approval of a Democratic voter registration out-numbering Republicans 7 to 2. Political observers immediately labeled him the new hope of the Republican Party. Lindsay denied having any ambition to run for President on the GOP ticket in 1968 or 1972, and said he would not accept the vice presidential nomination in 1968 either. "As far as I am concerned, I want to be Mayor of New York and nothing else."

THE WHITE HOUSE Conference on Health called on the Federal Government Thursday to help provide all American families with birth control devices and information, especially the poor. A report to be sent to the President stated: "The time has come in this country to make family planning services a part of routine medical practice and readily available to those who desire it." The report asked "all parts of government" to take the lead in cooperation with private groups, with the understanding that freedom from coercion and free choice of methods will be guaranteed.

THE UN GENERAL ASSEMBLY Friday adopted an Afro-Asian resolution calling on Britain to suspend Rhodesia's constitution and establish a representative government, if necessary using military force. The declaration had fewer supporters than a more moderate resolution of October 12. Votes for the Afro-Asian resolution came from the Soviet Union, the Communist bloc of Eastern Europe, Cuba, Jamaica and Trinidad and Tobago. Britain feels Rhodesia is no business of the UN, and abstained. Nays came from the U.S., Canada, Australia, New Zealand, Belgium, Luxembourg, the Netherlands, Portugal, and South Africa.

PRESIDENT JOHNSON today announced plans for the U.S. to airlift 3,000 to 4,000 Cuban refugees a month to this country, but said political prisoners will not be included. The Castro government has decreed that young men and political prisoners will not be allowed to leave the island. The agreement to allow the U.S. to fly the refugees, replacing the evacuation by boat, contained no restriction on how long the airlift would last.

RUSSIA REVEALED on Sunday four new tactical weapon systems and an orbital rocket, possessing nuclear potential, that is able to strike anywhere in the world. The Soviet news agency Tass said one weapon, a missile, "can deliver its blow, unexpectedly to the aggressor, at the first or any other loop around the earth." Western experts said this meant a command system had been installed to direct a nuclear warhead toward an earth target from an orbiting missile. Western military sources here said the U.S. has announced no equivalent weapon although they do not doubt American ability to operate a similar system.

Tuesday, November 9

GOV. ROMNEY and four other American governors took a close look at the war with the Viet Cong Monday when they flew to a U.S. forward firing position within two miles of the enemy. With Romney were Govs. Tim Babcock of Montana, Clifford P. Hansen of Wyoming, Henry Bellmon of Oklahoma and John A. Burns of Hawaii. The Governors watched aircraft bombing and strafing Viet Cong positions in the jungles and talked with artillerymen. Later they visited the Special Forces camp at Dong Xoai, scene of a major battle earlier this year.

The awards were for the City's no death and accident prevention program, traffic engineering, school traffic safety education and maintenance of its

BACKS INTO AUTO

Bertha May Brown, 5335 Lakepointe, Detroit, was backing out of a meter space in the Kroger parking lot behind Kercheval near Notre Dame when she struck the auto driven by Louisa Kathleen Myers, 1369 Grayton, Wednesday, November 3 at 2 p.m. The auto hit was moving straight ahead along the lot driveway, when the accident occurred.

Burglars Frustrated Trying To Force Open Office Safes

Burglars were frustrated in attempts to break open safes in two Pointe establishments on Saturday, November 6, the first because the janitor arrived too early, and the second because of lack of the necessary tools.

Park Police Chief Arthur Louwers said that evidence uncovered by detectives and uniform police showed that both attempts were made by the same person, or persons.

Forcibly entered were the Grosse Pointe Plymouth Motor Sales, Jefferson and Nottingham, and the Pointe branch of the Automobile Club of Michigan, Jefferson and Somerset. The chief said that while officers were investigating the breaking and entering of the motor sales establishment, a call was received from the AAA of-

Board of Education Hears School Enrollment Hits All-Time High at 11,864

Opening of Bids on Foundation Piling for New High School Set for Wednesday, November 17; Plans Revised

The November meeting of the Grosse Pointe Board of Education was held Monday night in the schools' administration building at 389 St. Clair avenue. President Edward J. Pongracz chaired the session that began at 8:30 p.m.

During the first half-hour of the meeting the trustees viewed a filmstrip on Public Law 89-10, the Elementary and Secondary Education Act of 1965. Reginald Sienkiewicz and Joe Spagnoli

of the schools' administrative staff discussed the local implications of the five titles of the federal legislation.

In his monthly report, Dr. Charles H. Wilson, Superintendent of Schools, said that an increase of 376 has been recorded in the student population of the system since a year ago at this time. "Today we are responsible for the education of an additional 136 elementary school children, 146 more in the junior highs, and 94 in the senior high school," he said. "The total enrollment of the public schools stands at 11,864, an all-time high," Dr. Wilson added.

Monteith Lotes 27 Figures distributed by the Superintendent showed all school enrollments up except for a loss of 27 pupils at Monteith and an eight student drop at Parcels. All junior high grades hit their peak enrollments this year, as did the tenth grade high school enrollment. Average class size at both the elementary and high schools is 27 pupils.

There are 2,768 students at Grosse Pointe High School this year. The superintendent's report also showed Ferry as the largest elementary school, with an enrollment of 847. Poupard follows with 717 students, and Monteith is next with 713. Parcels is still the largest junior high, with an enrollment of 992. Brownell numbers 989 pupils, and Pierce follows with 898.

Buy Car and Truck The school trustees acted upon a variety of routine personnel recommendations and they authorized the payment of the month's bills. The trustees accepted a bid from the Alfred F. Steiner Co., lowest bidder, for the purchase of an automobile and a truck.

The opening of bids on the foundation piling for Grosse Pointe High School North has been set for 8 p.m. on Wednesday, November 17. It is anticipated that the revised plans and specifications will be finished by then.

The meeting was adjourned at 9:55 p.m.

HUBCAPS STOLEN

Thomas B. Burkhardt of 1271 North Oxford, complained to Woods police on Saturday, November 6, that while his car was parked in front of his house during the night, someone stole two hubcaps from the vehicle. The hubcaps are valued at a total of \$25, he said.

Park Council Meeting Sets New Record

Solons Handle Business Transactions, Hear Reports, Approve Bills in 17 Minutes

The Park council concluded a regular session held on Monday, November 8, in record time. The meeting was officially opened at 5:03 p.m., and ended at 5:20 p.m.

The record conclusion beat the time approximately three years ago, when a regular session was adjourned in 20 minutes, following the transaction of all business.

Monday's agenda contained this order of business: call to order by Mayor Matthew Patterson; roll call of councilmen; approval of minutes of the previous meeting; bids on a jeep with a plow and sweeper, for sidewalk snow removal; bids on a roto mist spray machine, for elm spraying; City Comptroller Nuncio Ortiz's financial report for October; and an invoice read by Ortiz, from Ernst and Ernst, auditors hired by the Park to audit the Park's books for the fiscal year 1964-65.

The Dearborn Willys Sales and Service bid to sell the Park a jeep with plow and broom attachments, for the sum of \$3,794.45, was accepted by the council. The bid was the lowest of four received.

The council agreed to buy a roto mist spray machine from the C. E. Anderson company for \$7,920, the lowest of three bids submitted.

City Manager Robert Stone informed the council that there were no trade-ins for either the jeep for the spray machine. The present machines owned by the city will be retained, to expand the snow cleaning program and

Burglar Invades Park Residence

A burglar invaded the home of the Richard Swegles, 822 Lakepointe, during the week-long absence of the family, and completely ransacked the house in a search for loot, according to information received from Park Police Chief Arthur Louwers.

It was disclosed that the Swegles family was out of town from Monday, November 1 through Saturday, November 6. When they returned home, they discovered the rear door glass broken and the house thoroughly ransacked.

The thief stole two table radios, a small mechanical adding machine and a pair of binoculars, the family told police. The amount of the loss was not given.

Teachers to Vote Next Thursday on Bargaining Agent

Will Decide Battle Between Groups to Be Named Exclusive Representative; Two Precincts Established for Election

Public school teachers will vote on Thursday, November 18, "to determine the exclusive representative for the purposes of collective bargaining for certain employees of The Grosse Pointe Public School System."

The official ballot contains three choices. Listed are "Grosse Pointe Federation of Teachers," "Grosse Pointe Education Association," and "Neither."

Two voting precincts have been established for the representation election to be conducted by the Michigan Labor Mediation Board.

Precinct One has been established at the Bert H. Wicking Library at Grosse Pointe High School. Personnel to vote there from 3:15 to 7 p.m. are those regularly assigned to Trombley, Defer, Maire, Richard and Kerby Elementary Schools, Pierce and Brownell Junior High Schools, and Grosse Pointe High School. Also voting there are a portion of the teachers not assigned to a specific building.

Eligible to vote at Precinct Two, the girls' gymnasium of the Charles A. Parcels Junior High School, Mack avenue at Vernier road, are teachers assigned to Barnes, Monteith, Ferry, Mason and Poupard Elementary Schools, at Parcels Junior High School, as well as the balance of the special personnel not serving a single building.

Those eligible to vote are all certified teachers, excluding the administrative staff of 35, nurses, public librarians, first assistant-instructional specialists, and all personnel on leave other than paid sabbatical.

Caught Tossing Firecrackers

Firecrackers, thrown from a passing car at Mack and Neff, exploded beside the car in which Lucien Sney, 21364 Severn, Harper Woods, and his family were driving Tuesday night, November 2, Sney reported to police.

The explosives were tossed from an auto driven by Paul James Lyford, 19, 68 Mapleton. A 16-year-old passenger, also a Grosse Pointe resident, was with him.

Officers who searched the car found no other firecrackers. Sney refused to sign a complaint.

BOY INJURED

James Crain, 5, of 403 Belanger, was conveyed to Cottage Hospital by Farms police on Friday, November 5, for treatment of a severely gashed right palm and forearm. He suffered the injury when he accidentally fell through the glass of the rear storm door of the family residence.

REPORTS THEFT

Richard Kranjenice of 15103 Kercheval, called Park police on Thursday, November 4, to report that while he was open for business, an unknown person stole an adding machine from his store counter. The machine is valued at about \$100.

Pair Who Jumped Bail Back in Police Custody

Two fugitives, a husband and wife, who forfeited bonds of \$500 when they jumped bail prior to an examination in Woods Municipal Court on October 20, are reported in police custody, according to information released by Woods Det. Sgt. Jack Mast. The pair has been sought on warrants charging them with larceny from a building and jumping bond.

Mast disclosed that Joseph Cauchon, 40, no known address, was arrested by Detroit police on a charge of simple larceny, and was being held for questioning on Thursday, November 4, at Detroit's Woodward Station, Thirteenth Precinct.

Accompanied by Woods Det. Everett Plumb, Mast went to the Detroit station, to question Cauchon on the whereabouts of

Three Young Vandals Admit Spraying Cars and Walls of House With Red Paint

The parents of three boys will have to pay for damages caused when the boys sprayed two cars and the inside wall of a house with red paint, it was disclosed by Park Police Chief Arthur Louwers.

The chief said on Friday, November 5, that an investigation into the vandalism was concluded, following the arrest of a 13-year-old Park boy, who confessed to his part in the acts, and implicated his younger brother and another boy.

Only Slim Leads

Det. Lt. Arnold Hough, following slim leads, after the complaints were received, proved without a doubt that the acts of vandalism were committed by at least the 13-year-old. The boy's brother and his friend were taken into custody, when the 13-year-old told Hough they were involved.

Hough said that the boys, using a spray can of red paint, sprayed a car in the parking lot of a funeral parlor at 16300 Mack; a car parked at the rear of 15227 Kercheval; and the walls in the hallway of 906 Nottingham. The boys spelled out obscene words with the paint on both cars and walls.

New Paint Jobs

The detective said that by the time the owners of the cars and house discovered the vandalism, the paint had dried. This necessitated the removal of the original paint on the cars and wall, along with the sprayed paint, and a repainting job.

Hough did not disclose the total amount of the damage, but did point out that under a State law, parents are responsible for any damages incurred by their children involved in acts of vandalism. The parents of the three boys will have to pay the cost of labor and paint used to repair what had been done, the detective added.

HITS PARKED CAR

An unknown driver struck and damaged the left rear of a parked car owned by William S. Nadler, 14011 Oak Park boulevard in 40th Park, while the auto was in the parking lot adjoining the Paul Gach Studio on Fisher road, Wednesday afternoon, November 3. Nadler reported the hit-and-run to police.

time the Woods officers arrived at the Allen Park station, the woman had already been arrested on the Woods' fugitive warrant, and she was released to them.

Mrs. Cauchon was taken to the Wayne County Jail until further legal action can be taken against her.

Mast and Plumb said that further developments against the woman's husband depend on what action Detroit authorities will take against Cauchon on their charges against him of simple larceny. A hold has been placed on the man, the detectives said.

Cauchon and his wife appeared before Woods Municipal Judge Don Goodrow on October 13, for examination on a charge of larceny from a building. They are accused of switching a valuable diamond ring, with a phony one, and taking an expensive watch from the House of Gems, 19591 Mack avenue, on September 14.

tampering was disclosed by one of the women employees, who called police without delay.

The chief said that evidence at this scene, showed that the burglars were making progress in their attempt to force open the safe, but eventually had to give up because they did not have the needed tools.

When their efforts to open the AAA safe proved fruitless, the burglars, it appeared, then went to the next block to the Grosse Pointe Motor Sales to try their luck there, it was said.

No losses were reported at either establishment, Chief Louwers said.

To Show Film To Unitarians

"World Within Our Reach," a film describing the work of the Unitarian-Universalist Service Committee (UUSC), will be shown at a special meeting at the Grosse Pointe Unitarian church on Tuesday, November 16, at 8 p.m.

Dr. H. C. Meserve, minister of the church, has served as a board member of the UUSC for the past ten years.

Instead of missionaries, the Unitarian-Universalist churches send, to any area where they can be helpful, groups made up of specialists in such fields as medicine, education, social welfare, engineering and public health. For example, Alexander Fleming, the discoverer of penicillin, who was not a Unitarian, led such a medical group to India. And Dr. Paul Dudley White, who is a Unitarian, has organized medical missions for Czechoslovakia and Peru.

In the past 25 years, Unitarian - Universalist Service units have operated in 35 countries, ranging from Finland to Cambodia and Nigeria. This film portrays this service program and was produced in connection with UUSC's Silver Anniversary year.

Mr. and Mrs. Ron Friedrich, co-chairmen of the UU Service Committee locally, have announced that orders for Christmas cards are now being taken, with proceeds going to the UU Service Committee.

DRIVER CONVICTED

Ernest J. Coleman, 33, of 5040 Spokane, Detroit, was found guilty of speeding on Jefferson, and fined \$12, or two days in the Wayne County Jail, by Park Municipal Judge C. Joseph Belanger, at a hearing held on Monday, November 8. Coleman was also found guilty of driving without a valid Michigan operator's license, for which he was fined \$100 or five days in jail. He paid the fines and was released to Detroit authorities who had outstanding traffic warrants against him.

PURSE STOLEN

Farms police took a report from Mrs. Mary Simon of 41 Provencal road, on Friday, November 5, in which she disclosed that her purse was stolen while she was shopping in a Mack avenue supermarket. She said the purse contained \$90 in cash, her operator's license and personal papers.

The city comptroller's financial report for October was approved by the council, on recommendation of William Oddy, councilman for finance.

Payment to the auditing firm of Ernst and Ernst for services rendered, was approved by the council. The firm asked for \$2,400.

Following a brief discussion on matters not on the agenda, the meeting was adjourned.

Probing Theft Of Mink Stole

Woods police are investigating the theft of a valuable mink stole, taken on Thursday, November 5, from Adele M. Flam, 21, of 5937 Grayton, Detroit, part owner of a store at 20339 Mack avenue.

The woman told police that the stole, valued at \$600, was taken from her office at the rear of the building. She said she was in the storeroom, checking lay-away stock, when the fur piece was taken.

She said that employees were working at the front of the store, but many customers had been in and out of the building, with some shopping at the rear, between 5 p.m. and 5:45 p.m., at which time the stole was believed taken.

Beer Leads Young Driver Into Woods Utility Pole

Two Woods police officers ran from the Woods station to pursue a motorist they witnessed speeding and squealing his tires in the driveway in front of the station, on Saturday, November 6, but lost sight of the driver by the time they got into their scout car and were ready to take up pursuit.

According to a report made by Patrolmen Peter Thomas and Robert Lorenz, they heard squealing tires, and looked out the front window of the Public Safety Department, and saw a car moving in the driveway at a high rate of speed.

The officers said they ran from the station to the rear parking lot, got into their scout car, but by the time they got to Mack avenue, they lost sight of the car, a white Chevrolet sedan.

While Thomas and Lorenz were searching the area, they received a radio run to Bramcaster and Manchester, to investigate a serious accident. At the scene, they said, they found the car they were looking for, with the driver, David C. Wells, 19, of 96 Handy place.

Wells, it was said, had lost control of his car, which jumped the west curb of Bramcaster, and rammed into a utility pole, shearing it from its base. The policemen said Wells appeared to be unsteady on his feet, and had a strong odor of alcohol on his breath.

When asked about the passengers who had been in his car, Wells said they were hitchhikers, and that they ran from the scene after the accident.

While Thomas and Lorenz were questioning Wells, one of the passengers, a 19-year-old youth, appeared and asked for Wells. He denied being a passenger in the car, but when he

saw the car, but when he and Wells were taken to the station for further questioning, the youth admitted that he had been drinking. Wells and the youth refused to name a third person who was with them.

A witness told the officers that he saw one person going between two houses, with something in his hands, and return empty-handed.

Patrolman Thomas Podeszwick, who arrived at the scene, went to the location pointed out by the witness, and found three full bottles of beer, which were confiscated. These were found at the rear of 1873 Manchester, the officer's report disclosed.

Wells told police that the beer was purchased for him by an older man in downtown Detroit, and that he drank the beverage in his car.

He told police that he was looking for Manchester, and made a wrong turn onto the driveway and had to drive through. He refused to answer any further questions.

Wells was given a violation ticket charging him with reckless driving, with a scheduled court appearance set for November 20. He was released on \$100 bond until that date.

Woods Jewelry Store Robbed

The thief who helped himself to several rings from a tray in the Pointe Time and Jewel Shop, 19455 Mack, on Thursday, November 5, is being sought by Woods police.

Samuel Grzech of 366 Kerby road, owner of the shop, called police when he discovered several men's rings were missing from a tray. Total value of the rings was approximately \$83.75, according to a police report.

Grzech told investigating officers that a man about 35 to 40 years old, six feet two inches tall, about 200 pounds, entered the store at 10 a.m. The man, he said, was wearing an old dark brown coat and a dark colored dress hat.

The store owner said the man asked to see a diamond ring that he was interested in buying for his wife. Grzech told the man that he did not have anything in stock, but he could make a desired ring if wanted, and left the counter to get a sample diamond to show to the "prospective" customer.

At this time, Grzech said, a woman entered the store, to leave a watch for repair, and he waited on her. He said that it was probably at this time that the man reached over the counter, and grabbed four rings from the tray.

The thief left the store, and was last seen walking north on Mack by two witnesses who saw him leave the building. The witnesses' description of the man tallied with that given by Grzech, with the witnesses adding that the man walked as though he had trouble with his feet. The man was last seen

at Mack and Severn. Grzech said that the man left an old portable radio on the counter when he left the store. The radio was taken to the station to be checked for prints.

Teenagers Face Charges in City

Police arrested five teenage boys Saturday evening, October 30, as minors in possession of alcoholic beverages in a motor vehicle. The boys, all but one from Grosse Pointe, were originally reported to police by George Sassin, manager of the Kroger market at Kercheval and Cadieux.

Sassin told police he was holding one of a group of boys that had been breaking grocery carts in the lot at the rear of

**Bridge Players
Have New Club**

Not so many years ago, unless one was a member of a private club, bridge enthusiasts played their favorite game in pretty dismal environments — often in antiquated buildings, shabbily furnished, with folding card tables and chairs.

With the widespread popularity of duplicate bridge, the picture has changed. Numerous clubs mushroomed across the country, and competition generated greatly improved accommodations.

This week, the bridge players' dream will be realized with the opening of Cambridge Hall, a new building designed expressly with the player's comfort in mind. The quarters are spacious, charming and equipped with the finest possible facilities.

Excellent indirect lighting, an acoustical ceiling, modern air conditioning, a filtering system which eliminates smoke and impurities with a complete change of air 10 times every hour, are some of the features which will add to the pleasure of guests.

Kitchen utilities, catering service, hi-fi and FM background music make Cambridge Hall attractive for private parties, wedding receptions, dances and meetings. All in all, an atmosphere conducive to good bridge and good fellowship has been achieved.

A bang-up party, with refreshments and prizes, will mark the Hall's grand opening this evening, November 11. Bridge playing starts at 7:45 o'clock.

The Cambridge Club will sponsor a nationwide charity game on Friday, November 19, at 8 o'clock.

Reservations for both events are recommended, (calls so far indicate a sell-out). Regular duplicate games are scheduled at 11 o'clock in the morning and 7:45 o'clock in the evening Monday through Friday, and at 7 o'clock Sunday.

For reservations and further information, call Venice 9-1620. The Club is located at 14631 Edsel Ford, between East Outer drive and Chalmers—just a few minutes' drive from any point in Detroit and suburbs. There to greet you will be the genial proprietors: Charlotte and Al Baelens, Joan Bourget, Anne Gust, Bob Emke and Bill Linto.

Stage Show**

"Kind Lady," the Pointe Players production for the fall season will be presented at 8:15 p.m. on the evenings of November 18, 19 and 20.

Written by Edward Chodorov, and based on a story by Hugh Walpole, this thriller has held a u d i e n c e s enthralled many times since it was first produced on Broadway in 1935.

Since that time it has enjoyed a revival on Broadway, been made into a movie starring Maurice Evans and Ethel Barrymore, and twice before has been used by Pointe Players productions.

The plot revolves around Mary Herries, played by Nellie Skaff, who is visited by a gang of thieves on Christmas Eve and held captive in her own home. A few of the other characters are Henry Abbott, played by Doug MacLennan, Lucy Weston played by Linda Foster, and Mr. and Mrs. Edwards played by Greg Thom and Beth Johnson. Frederick Nelson is the director of Pointe Players.

The sale of tickets for the Thursday night performance is supported by the Grosse Pointe Mothers Club with all proceeds turned over to the Scholarship Fund. Mrs. King Clifford, play ticket chairman for the Mothers Club, has 30 mothers working by phone to reach all High School Mothers to inform them of this outstanding production and that their purchase of a ticket means money for needed scholarships.

Reserved seats for the Friday or Saturday night performances may be obtained during school hours on Friday if any parent is unable to attend on Opening Night.

For an evening of thrills and chills plan to meet your friends in the High School auditorium when the curtain rises at 8:15 o'clock.

**'Mum Show
On Belle Isle**

One of autumn's most beautiful flowers will be featured in the Thanksgiving Flower Show of the Chrysanthemums which opens Saturday, November 6, on Belle Isle.

The show, which runs through December 5, is presented by the Department of Parks and Recreation at the Anna Scripps Whitcomb Conservatory in the island park. The hours of the show are 9 a.m. to 6 p.m. daily. This nationally famous exhibit will include 5,000 plants of 130 varieties of 'mums arranged in a garden effect around a formal pool.

The 'mums vary in size from a tiny pom pom the size of a button to spectacular Japanese reflex and incurve plants which are nine inches in diameter. The chrysanthemums will range in color from white, pink and yellow to lavender, gold and deep bronze.

**Richard P.T.A.
Meets Nov. 11**

A unique program is planned for the Richard School P.T.A. meeting to be held Thursday, November 11 at 8 p.m. in the school gymnasium.

The program, entitled "Simulated Problems," is designed to present three of the most common problems among children, which significantly affect learning. These will not be exceptional cases but fairly common problems that exist in varying degrees among children.

1. Rejection (Self-Concept). Deals with the child who feels rejected and disliked by his peers.

2. Physical Differences. Deals with fact that a boy is smaller than his classmates or a girl is bigger causes them problems.

3. High Potential — Low Achievement. Focuses on the child who has better than average intelligence, who appears to be well adjusted, but doesn't produce the quality of work of which he's capable.

A panel of experts in children's problems will be on hand to react to and discuss each case. Dr. Armin Grams, psychologist, will preside over the panel. Panel members include: Dr. Frank Parcells, psychiatrist, School Board member; Dr. William Sosnowsky, psychologist, Grosse Pointe Schools; Reginald Sienkiewicz, clinical psychologist and Head of Pupil Personnel, Grosse Pointe Schools; and Richard Kay, principal, Richard School.

The program will not be totally in the hands of the experts however. Parents attending the meeting will join together in small panels of their own and, after each case is presented, they will have about 10 minutes to react and discuss possible solutions to the problems presented. When the experts react the parents can compare their solutions with those of the experts and discuss the problems and solutions with them. Classrooms will be open following the meeting to permit parents to visit teachers.

Trombly P.T.A. Meets Nov. 15

Conditions for Learning is the theme of the second meeting of the Trombly P.T.A. Monday evening, November 15. A film, "Children Without," produced in Detroit at the Franklin School, will pictorially develop the theme.

Dr. Thomas Traynor, Director Special Education—Detroit Public Schools, who assisted in developing this film project will elaborate on such questions as the affection of mother and father for the child, supervision of the child, discipline, and family cohesiveness as important conditions for learning and child rearing.

Parents are cordially invited to visit in the classrooms at 7:45 o'clock prior to the auditorium program. An informal social hour will again be a closing meeting highlight.

Diabetes Test Centers Listed

Underlining the importance of the 1965 Diabetes Detection Drive, Dr. Henry D. Kaine, Drive Chairman, pointed out today that the number of people with diabetes had doubled since 1950. The goal of the Drive, sponsored by the Michigan Diabetes Association in cooperation with the American Diabetes Association, is to persuade as many people as possible to be tested for diabetes, so as to find and help the 64,000 people in Michigan who now have diabetes and do not know it.

"Diabetics and potential diabetics in the population now number about one person in twenty," Dr. Kaine said. Since we know there are 160,000 hidden diabetics in the United States we can assume about 64,000 are living in Michigan. We're going to help as many of them as we can.

"The only way they can possibly be sure they have diabetes is to be tested. That's why we want to persuade as many people as possible to be tested."

"The dangers in diabetes today are largely the dangers of neglect," Dr. Kaine explained. "Uncontrolled diabetes can lead to very serious illness at a stage where it can no longer be checked. But when it is detected at an early stage, diabetes can usually be controlled. The controlled diabetic is to all intents and purposes a healthy person. Many of them are not merely in good health, but are extremely active and outstandingly successful people. Hence every time we find a person who has been unaware he has diabetes, and see to it that he gets proper attention, we have performed a real service."

The year-round Diabetes Detection Drive is sponsored here by the Michigan Diabetes Detection Program, which is composed of the Michigan Diabetes Association, Michigan Department of Health, Michigan Society of Pathologists, Michigan

Library Friends To Hear Parcells

Dr. Frank Parcells will be the speaker of the evening at the second formal program of the Friends of the Grosse Pointe Public Library's 1965-66 series. Time of the meeting is 8 p.m. Monday, November 15, at the Central Library. Dr. Parcells' subject will be "When Are Children's Problems Really Problems?"

Dr. Parcells, a native of our community, has a distinguished record of service and accomplishment in his professional and in public affairs.

He is a psychoanalyst in private practice, an assistant professor of psychiatry at Wayne State University Medical School, consultant to the North-east Wayne County Child Clinic, to East Detroit Public

Motor Cyclists Hurt in Collision

It may have happened before, but Park Police Chief Arthur Louwers said that as far as he can recall, there never has been a reported accident between two motorcycles.

The chief said that accident reports made out by personnel of his department disclose auto-auto accidents, auto-pedestrian accidents, auto-bicycle accidents, and other combinations, but Saturday, November 6, was the first time an accident was reported involving two motorcycles.

According to the report, William R. Fleck, 19, of 372 Ridgemont, made an improper turn in front of 717 Middlesex, while riding his motorcycle, into the path of another ridden by Michael Fedorek, 16, of 1227 Cadieux, who was unable to avoid a collision.

Fleck and his brother, Robert, 17, who was sitting at the rear of the cycle, and Fedorek suffered bruises and abrasions in their fall from their wheels, and were taken to Bon Secours Hospital for treatments.

Fleck was given a traffic violation ticket for making an improper left turn and causing an accident.

Chief Louwers said that during the calendar years of 1963 and 1964, one motorcycle accident in each year was reported. During the first nine months of 1965, eight accidents involving motorcycles have been recorded in the Park.

YOUNG DRIVER HELD

Ezra W. Lockwood, of 643 Notre Dame, held a motorist and called police after the driver allegedly nearly struck Lockwood while he was crossing the street at the corner of Kercheval and Notre Dame, Thursday afternoon, November 4. The 16-year-old driver was issued a ticket for failing to yield the right of way to a pedestrian.

Veterans Urged To Join Parade

In supporting the American troops and government policies in Vietnam the Richard S. Hayes, AMVETS, Post # 57 is asking all veterans, whether a member of an organization or not, to participate and march in the Detroit Veterans Day parade to be held on Thursday, November 11, at 8 p.m., it was announced by Post Commander Camiel Dhaveloose.

To facilitate transportation to the downtown area, the local veterans post will have a chartered bus available that will leave the post home, 19730 Harper avenue, at 7:15 p.m. All veterans in Harper Woods and the Grosse Pointe area are encouraged to avail themselves of this free transportation by being aboard when the bus pulls out.

Dhaveloose stated that the AMVETS, all of whom are veterans of World War II, feel that a large turnout for the Veterans Day parade can best answer the question of whether the American public is behind our government in Vietnam and the troops who daily risk their lives for the freedom that we also sacrificed to defend.

He also stated that "We as veterans can also show leadership to the draft card burning students and their juvenile acting professors who condone their actions."

Two Cars Tangle At Intersection

Nancy Alice Dargel, 17, of 43 Radnor circle, lost control of her car, crossed Kercheval and went up over the south curb of the avenue, striking a telephone pole and two trees. Saturday afternoon, November 6, when her auto was struck by Thomas A. Mackey, 30, of 425 Rivard.

Miss Dargel was traveling west on Kercheval when Mackey, who had stopped at a sign on Rivard, continued north into Kercheval, apparently without seeing her auto. He struck the left rear fender of her car, which was pushed through the intersection and into the pole and trees before it stopped past the driveway of 553 Rivard, which enters Kercheval.

Deborah Jeanne Hoben, 17, 76 Grosse Pointe boulevard, a passenger in the car, and Miss Dargel were taken to Bon Secours Hospital by police, where they were treated and released. The car they were in had to be towed away.

Police charged Mackey with failing to yield the right of way. He was not injured and was able to drive his car from the scene.

ANDREW A. LENKE
Andrew Lenke, of 1415 Bedford, died at the age of 73 in Bon Secours Hospital, Tuesday, November 9.

Mr. Lenke was the husband of Stella, and the father of Mrs. Charles Cross and Andrew A., Jr. He also leaves seven grandchildren and one great-grandchild, as well as a brother, John.

He was a Past Master of Acacia Lodge #477, F&AM, and a member of Detroit Commandery #1, KT.

Interment will be in Roseland Park Cemetery following funeral services Friday, November 12 at 1 p.m. in the A. H. Peters Funeral Home, 20705 Mack avenue.

JEAN C. ROY
Miss Jean Roy, 85, of 1153 Harvard road, died Monday, November 8, at her home.

Funeral services will be Thursday, November 11 at 10:30 a.m. in the chapel of the Wm. R. Hamilton Co., 3975 Cass avenue. Burial will be in Elmwood Cemetery.

A resident of Grosse Pointe for over 40 years, Miss Roy was born in Detroit. She is survived by a sister, Mrs. Walter I. Mizner, a niece, and a nephew.

PETER ZUBRIGG
Services were held Thursday afternoon November 4, from the Verheyden Funeral Home, for Peter Zubrigg, 91, of 904 Barlington, who died in his residence November 1.

Mr. Zubrigg was the husband of Emma, the father of Mrs. Ruth Arndt and the brother of Mrs. Arnie Stockfish.

Interment was in Forest Lawn Cemetery.

CHILD STEALS SMOKES
A 10-year-old shoplifter was reported to police by an official of the Kroger market, 17120 Kercheval, Thursday afternoon, November 4, for taking a package of cigarettes. The boy, a resident of Grosse Pointe, was released to his mother.

Ted Bertrand In Viet Nam

The war in Viet Nam has touched home for the Lyman Bertrands, of 687 Washington road. Their son, Keith (Ted), is a lance corporal in the Marines.

Ted has been there since he was sent last April. His last letter home assured his family that he had not seen action yet, but the truck he drives to and from Da Nang air base hauls a mounted 50-caliber machine gun and carries 200 rounds of ammunition.

How does Ted view the Viet Nam war? His letters call the Vietnamese a pathetically undernourished people who seem uninterested in the war and only want to carry on with their own way of life. When he drives through the Da Nang area, he sees "a vast wasteland."

Ted has been home only once — last October — to see his family and friends, since he enlisted following graduation in June, 1964. He would appreciate hearing from friends and former teachers, who can write to him at the following address: L/Cpl. Keith D. Bertrand 2107270 Co. C 3rd Mt. Bn. RLT #4 III MAF c/o FPO San Francisco, Calif. 96804

The Bertrands have two other sons. Mike Bertrand was graduated from Grosse Pointe High School in 1960, and Tom is a junior there.

Speeding Cyclist Can't Tell Why

A 21-year-old motorcycleist, who tried to avoid arrest by Farms police for speeding, is scheduled to appear before Woods Municipal Judge Don Goodrow on Saturday, November 20, on a complaint signed by Farms officers.

Patrolmen James Vitale and Charles Bingham said they were patrolling Mack avenue at about 12:20 a.m., Monday, November 1, when they saw Curtis D. Folts III, of 1500 Cook road, traveling at high speed east on Gateshead in Detroit, and make a left turn onto Mack, going north. The officers said they paced the youth at 45 miles an hour.

Folts made a right turn onto Cook road, the policemen said, and when they turned on their flasher and siren, Folts stepped up his speed to 70 miles an hour. He ignored stop streets at Holiday, Chalfonte and Morningside drive, Vitale and Bingham charged.

The patrolmen said they stopped Folts at the Thorn Tree lane intersection, and he told them he was trying to outrun

The cyclist was taken to the Woods station, where the Farms officers signed a complaint, charging him with speeding 60 miles an hour in a 25-mile zone.

To Honor St. Paul Squad At Annual Gridiron Fete

Parents, students and friends of the 1965 St. Paul Football team will honor their gridders at the annual "Football Victory Banquet" Monday, Nov. 15, at 7 p.m. in the school cafeteria.

Guest speaker will be well-known Detroit Free Press sports writer Joe Dowdall. Varsity letters and service stripes will be presented to the Laker gridders who finished in a fourth place tie in the Catholic League A-East division.

Tickets are \$3 per person. Details may be obtained by calling Mrs. Paul Thoen, co-chairman, at 882-6196.

In completing their most successful football season since the 1961 campaign, St. Paul banged its way to a 3-4 season. Highlight of the season was the Lakers' amazing 31-26 homecoming win over heavily favored St. David. In that game St. Paul marched 71 yards in the final minute and 42 seconds of play to turn a 26-25 deficit into the Lakers' first win in 25 games.

Win Three in Row
St. Paul went on to win three in a row before bowing in the season's finale to City Champion St. Catherine.

The team was co-captained by Senior center Paul Thoen and Senior quarterback Danny Wright. They will be turning the reins over to Junior co-captains Mark Smolenski and Gary Piche.

Statistically, the Lakers ranked high in the league, running up an impressive 1798 yards total offense. Their rushing game produced 1403 yards in 255 carries for 5.5 yards per carry.

St. Paul's seldom used, but usually potent passing attack accounted for 395 yards with 31 completions in 70 attempts for 12.8 yards per completion.

The Lakers biggest output of the season came in the historic St. David game when St. Paul came from behind three times to pull a 31-26 upset of the year.

That day the Laker attack produced 429 yards.

Wright Best Gainer
Individually, St. Paul was led by Senior quarterback Danny Wright who compiled 735 yards total offense. Wright rushed 45 times for 390 yards, or 8.5 yards

per carry. He completed 28 of 51 passes for 345 yards and three touchdowns, or 13.2 yards per pass.

Senior Fullback Bob O'Leary gained 452 yards. The lanky back rushed 76 times for 385 yards, 5 yards per carry, caught five passes for 42 yards and completed one pass for 25 yards.

Senior Halfback Tom Handlos rushed 51 times for 269 yards or 5.3 yards per carry. Junior speedster Pat Corcoran ran 41 times for 175 yards or 4.3 yards per carry.

Senior Bob Reilly, a halfback, and Rick Stevens, junior quarterback-halfback, rounded out the list of prominent Laker runners. Reilly picked up 53 yards in 7 carries for 7.3 yards per carry, while Stevens ran 12 times for 50 yards or 4.2 yards per try.

Caught 12 Passes
Junior end Mark Smolenski led Laker pass catchers with 12 grabs for 174 yards, 13.1 per catch, and one touchdown. Senior Rick Jablonski snagged five passes for 109 yards, 22 yards per catch, and two touchdowns.

Stevens, who did most of the Laker punting until he was taken ill late in the season, compiled an impressive 32.2 yards per kick for 16 punts.

Bob O'Leary led the Laker scoring with 25 points while Wright was close behind with 24 points.

Knights Enjoy Perfect Season

The Knights of Grosse Pointe University School finished a perfect football season Friday as they rolled over Ann Arbor University High 33-6. Grosse Pointe won seven games during the season while never sustaining a defeat. The school has not had an undefeated football team since 1957.

G.P.U.S. scored in the first quarter on a one-yard plunge by junior quarterback Art Getz. The play came after a pass from Getz to senior halfback Chuck Wright. Grosse Pointe scored again in the period on a 46-yard pass from Getz to star end Harris Brown.

In the second period, Getz threw to Brown for 22 yards to move the ball to Ann Arbor's two-yard line. Senior Fullback Mark Weiss then crashed over to score.

Junior Mark Brown took over the quarterback position in the third quarter and moved the team from the 50-yard line down to the Ann Arbor one. Brown scored the touchdown himself on a quarterback sneak.

Early in the fourth quarter, senior Don Green ran around end for three yards to complete Grosse Pointe's scoring for the day. Green also kicked three extra points out of five attempts. Ann Arbor's Dave Copp blocked two.

Ann Arbor's only score came late in the fourth quarter on a pass from quarterback Bruce Edwards to Dave Shipman. The extra point attempt was a run which failed.

At the end of the game the team carried head coach Richard Trim off the field on their shoulders and deposited him in the shower room.

The team broke a number of school records during the season, including most yards gained in a season, most points scored in a season, and fewest yards allowed in a season.

Headmaster Hugh C. Riddleberger has granted the entire school a day off in celebration of the team's undefeated season.

Throughout the season, senior end Harris Brown stood out on the team both for his pass receiving and for his running. Junior halfback Rusty Heenan and senior fullback Mark Weiss both distinguished themselves.

Co-captains Lynn McNaughton and Chuck Wright, both seniors, led a grudging defensive team. Junior quarterback Art Getz, a fine ballhandler and passer, promises to be even greater in 1966.

With a number of players returning next year, G.P.U.S. is looking for great things.

Packers, Lions Close Seasons

The Grosse Pointe Packers and the Grosse Pointe Lions played their final games of the 1965 season at the Grosse Pointe High School Field on Sunday, November 7.

The Freshman squads battled to a scoreless tie with the defense on both teams carrying the play. Krazietz, Corbett, Dickson and Hiedt were defensive stars for the Packers.

In the Junior Varsity game, the Lions drew first blood as Bert Kinser scored the TD and then carried across for the P.A.T. Lee Terry scored 6 points for the Packers and Whims made the P.A.T. tie the score at 7-7. Whims recovered a Lion fumble in the last quarter but the Packers couldn't move the ball as the Lion defense stiffened and the game ended in a 7-7 tie.

The Varsity game saw the Lions take a 7-0 lead in the first quarter as Chris Badger went over from the two and Mike Getz added the P.A.T. Then in the last quarter Getz scored a TD from the two but the try for P.A.T. was no good. With 38 seconds left in the game, George Hubbard played to Clayton James, the pass covering 61 yards and James carried over for the P.A.T. This made the score Lions 13 and Packers 7 as time ran out.

Devils Settle for 7-7 Tie in Season's Finale

In a game plagued by penalties and bad breaks, the Grosse Pointe Blue Devils managed to gain only a 7-7 tie in their final game of the season. Playing against Lincoln Park, a team with a 1-6 record and rated as a very weak team, the Devils displayed good spirit but, in general, played a poor game.

The game began with the Devils taking what looked like a firm and lasting control of the game. After receiving the kickoff, the Devils' halfback Mike Van de Grinte, on the third play of the game, sprinted 70 yards for the Devils' only touchdown. The extra point kick was good, and the Devils led 7-0.

After receiving the Devil kickoff, Lincoln Park was forced to kick on fourth down. The Devils, in turn, were forced to kick on fourth down and yielded to a 62-yard Lincoln Park onslaught, which left the ball on the Devil 28 at the end of the first quarter.

28-Yard Scoring Run
On the first play of the second quarter, Lincoln Park halfback Halliand raced the final 28 yards for a touchdown. The successful conversion tied the score at 7-7.

Following the kickoff the Devils controlled the ball for the next 18 plays, until a fumble on the Lincoln Park 10 was recovered by Lincoln Park halfback Killian and run back 90 yards for a touchdown. The touchdown was nullified, however, by a clipping penalty and Lincoln Park received the ball on their own 23. Unable to move the ball, they were forced again to kick.

The Devils managed to move within 10 yards of scoring before being stopped. A field goal attempt by Andy Balser was unsuccessful and the half ended with no further action.

Fraught With Fumbles
Throughout the third quarter neither team threatened and the ball exchanged hands frequently on both punts and fumbles.

During the fourth quarter a Devil drive was halted when quarterback Don Lindow's pass was intercepted by Lincoln Park. After again forcing Lincoln Park to kick, Grosse Pointe lost the ball after an incomplete pass on fourth down, which seemed to signal the end for all hopes of a win as the final precious seconds ticked off.

These hopes were again raised, however, when Devil end Bob Czarniecki intercepted a pass on the Lincoln Park 38. Two incomplete passes and a penalty concluded play and arrested these hopes. The 7-7 tie completed the Devil football season, which ended with a 4-3-1 won-lost-tied record.

Car Insurance Needs Studying

Have you taken a look at your automobile insurance policy lately? Most persons who have insurance on their cars have both collision and liability insurance. But there are some motorists who think they have liability coverage and do not.

To be on the safe side, Secretary of State James M. Hare is urging Michigan's 4-million motor vehicle owners to get their policies out and check them thoroughly if they are not absolutely sure.

"Unless persons have the liability coverage . . . public liability and property damage (PL and PD) . . . they may have to pay the long shot of \$35 when they buy license plates," Hare said.

"And unless they extend their coverage, they will have to be considered uninsured insofar as the Motor Vehicle Accident Claims Fund goes.

"On the other hand, insured vehicle owners pay only \$1.00 into the Fund," said Hare.

How does an insured owner qualify for the low \$1.00 fee? Most companies will be furnishing their liability insurers with a Certificate of Insurance, which serves as proof that he does have liability insurance coverage. This holds for all Michigan based companies, says Hare.

"There are some out-of-state insurance carriers that we're not exactly sure of," Hare said. "We're hopeful they will be able to furnish their customers with Certificates."

"However, some persons may have to bring in their policies or other valid proof that they paid their insurance," Hare said.

According to Hare, the insurance companies which will be issuing Certificates will have had them out in time for the November 1 opening of license plate sales.

He suggests that all insured motorists who do not receive a Certificate contact their agents or salesmen to see if they can get it or some other proof that they are insured.

What about persons who make false claims of insurance? "This is a misdemeanor," Hare said, "subject to both fine, possible prison sentence, and the loss of driving privilege. There will be the cheaters, I'm sure, but we're going to throw the book at anybody who makes a fraudulent claim. We're going to try to discourage this right off the bat."

"I don't think too many persons . . . if they would give it some thought . . . would jeopardize their futures and face other punitive action for \$34," he concluded.

A Quarter Century Passes

The Grosse Pointe News begins its 26th year with this issue. It doesn't seem possible, but figures don't lie. The first copies of the News came off the press on November 7, 1940, and last Sunday was fairly fraught with nostalgia as we recalled the hectic struggle that preceded the final pulling together of that initial creation. We vividly remember that we were sleepless for 63 straight hours with the birth pangs accompanying the experience. We had forgotten one little detail in the frenzy of producing Volume One, Number One . . . no provision had been made for distribution.

Hurried telephone calls were placed and a considerable crew of close friends, some with their wives, was on hand when the papers arrived in the Pointe. Among this loyal legion were two who were, years later, to become mayors of the City of Grosse Pointe . . . Frederick W. Parker, Jr. and Alonzo C. Allen. Areas were allocated and all through the long night the very unprofessional paper boys and girls tossed papers on Pointe porches. By the next issue we had engaged Western Union to deliver the papers . . . by men in uniform yet . . . and this went on for a long time, blanketing the five Pointes and Harper Woods with free copies until we figured we had enough readers who couldn't shake the habit if we made them pay. Today we have far more paid subscribers than the total number of free papers distributed at that time. Thus has the Pointe community grown.

Then, as through all the years since, we have been ever grateful to all those associated with us. We haven't been able to keep up with all the name changes, through marriage, etc. of those who have been a part of the News organization. At the time of our inception we recall such stalwarts as Gloria Ford, Betty Ide, Jay and Sue Hammen, Louise Tarbett. There have been many changes through the years, and we are grateful to them all. Those who comprise the staff now are listed in the masthead above.

We have watched the population soar and the empty spaces fill with new homes, schools, churches and business establishments. Organizations have increased in incredible numbers and if we have been of any help in their development we are thankful for the opportunity, as we are for the great cooperation given us through this quarter century by so many.

It has been a most pleasant experience. We trust it will continue for many years.

Roland Gray Youth Fund Donations Received Daily

Contributions to the Roland Gray Youth Fund continue to come in daily, with some substantial stock shares received, according to information released by Shepherd E. Norton, secretary of the Board of Trustees.

Norton disclosed that letters of solicitation will be sent out to known friends and acquaintances of the late Roland Gray, who while living touched the lives of many people. Mr. Gray died on October 8.

To those who may be overlooked by not receiving a letter, or those who wish to make a contribution to the fund, their gifts may be sent to the Roland Gray Youth Fund—c/o Cleveland Thurner, Jr., c/o Detroit Bank and Trust Company, Detroit, Michigan, 48232, or to Frank Boyer, 222 Cloverly Road, Grosse Pointe Farms, Michigan, 48236. Checks should be made payable to the Roland Gray Youth Fund.

Norton said that stocks received to date will be retained at the present time. It is hoped that enough money can be raised eventually so that the

fund will be self sustaining, although provisions have been made whereby the organization can expend the principal if it is needed, the secretary added. Some committee members are out of town, and the total amount collected since the Roland Gray Youth Fund was started, is not available, Norton said.

Colony Town Club To Meet

The Colony Town Club is planning a luncheon at The Whittier Hotel for members and guests next Tuesday, November 16.

Cocktails and luncheon will be served around the pool, and a water ballet will be presented. Card playing is scheduled to begin in the English Lounge, after lunch.

Party chairman is Mrs. Alfred M. Cousins, of Bedford road. Pointe members of her committee include Mrs. John McNeil Burns, Mrs. Joseph B. Hester, Mrs. Robert Hutton and Mrs. Jesse G. Vincent.

Letters to the Editor

To the Editor:

It is a constant source of wonderment to me, as I walk through the Village daily, that the trend toward femininity in the teenage boys has reached such a foothold in an area such as this.

The long-haired look, with the wearer peering out from beneath long bangs, is found on hundreds of our boys.

It has reached such a stage that one has to look twice in many cases, and even then, one isn't sure if he is gazing at a male or female!

What has happened to the "he-men" fathers, who a generation ago, wouldn't have worn such a hair-cut to a costume party?

Do the fond ma-ma's have their husbands so brain-washed, concerning their "hood-y" offspring, that they are completely docile, or are they so afraid of family complications, that they are reluctant to order a mas-

line hair-cut, and if this fails, take their 'girly' sons, by the ear, to the nearest barber shop, and stand by to see that they are shorn.

If all else failed, I would run a clippers straight down the middle of a son's head, who would insist on looking like he was peering out from under a bush!

If boys have to look like that nowadays, I rejoice I have only daughters, and they are not being allowed to date anyone wearing this degenerate type hair cut.

Fads are fads—but one such as this that deliberately cultivates the 'girlish' look in young boys is ridiculous and abnormal.

If the parents won't take a stand, the school authorities should make short hair-cuts mandatory!

What Goes On at Your Library

By Virginia Leonard

Do you remember the significance of today, November 11? It is, of course, Veterans' Day, formerly known as Armistice Day, and was established in 1926 to commemorate the signing in 1918 of the Armistice, ending World War I. In 1954, the name was changed, so as to honor all men and women who have served America in its armed forces. And with crises in Viet Nam, Cuba and many other places in the world; with the cold war and the atom bomb giving many of us sleepless nights, it is extremely important to pause a moment to reflect on past wars, and to continue to hope that the United Nations and other peace efforts can avert an ultimate catastrophe or nuclear holocaust.

With these sober thoughts in mind, and in keeping with the spirit of the day, I should like to mention some very recent additions to our Collection on the first World War. The American Heritage has given us THE AMERICAN HERITAGE HISTORY OF WORLD WAR I. This is an over-all survey of this War by S. L. A. Marshall. Here he deals not only with the American Expeditionary Force, but with all warring nations and with all theaters on land and sea and its beginnings in the air. Another, by Arthur Whitehouse, is HEROES AND LEGENDS OF WORLD WAR I. In this book the author presents "fairly remembered battles, national crises, bloody campaigns, many heroes—and a few heroines—all brought up to date in the hope the reader will gain a clearer view of World War I."

Frank Freidel, in OVER THERE, gives us a story of America's first great overseas crusade. It is the story of the part played by Americans in the two services, 1917 and 1918 only are covered by the Harvard University Professor, who creates his story by drawing largely on words of those taking part and on diaries and letters. Adolph Hoebling, in THE GREAT WAR AT SEA, presents a swift-moving and dramatic recapitulation of the naval encounters, disasters and victories of this European War. A fine pictorial history by John Terrence is THE GREAT WAR, 1914-1918. The black and white photographs are mainly from the Imperial War Museum, the Mansell Collection and the Hulton Picture Library. The emphasis is on the British and continental armies.

COMBAT: WORLD WAR I, by Don Congdon, is divided into 17 sections, most of them autobiographical, in which major battles such as Marne, Verdun, Jutland and Ypres are reported by participating Allied combatants. G. M. Thompson, in THE

TWELVE DAYS (24 July to 4 August 1914) recreates, day-to-day, the twelve day period in which Europe passed from peace to a first world war.

As for individual battles, we might suggest George Blond's VERDUN. Here is a French author's graphic reconstruction of the long, nightmarish Battle of Verdun, recreating the particular horror of an infantry artillery campaign which continued through most of 1916, ending with the French counter-offensive in October of that year. Mr. Blond leaves a painfully vivid impression of a campaign that was one of the least known of this period. The author writes with authority, has control of his facts and figures, and unravels a bewildering series of political events, high-level intrigue and military actions involving more than ten sovereign countries of this debacle, ARMAGEDDON: 1918, by Cyril Falls, is an account of this Battle, fought at Magdido, Palestine, in the above-mentioned year.

Peter Shankland and Anthony Hunter have produced DARNELLES PATROL, an hour-by-hour account of an event in the history of submarine warfare. It is replete with its share of heroic exploits. Nor is it just a simple recounting of the facts of the patrol; members of the crew are made to live out their proper roles. The author also injects dialogue to give the book more dramatic appeal, and hold the attention of younger readers. THE LAFAYETTE ESCADRILLE, by H. M. Mason, Jr., relates the aerial feats of a squadron created of and by American flyers who had served as volunteers in the French Air Corps, early in the War (while United States was clinging to its neutrality) but wished to fly as Americans, and were encouraged to do so by the French.

And finally, a more personal touch is represented by G. P. Tschoboroff in his RUSSIA, MY NATIVE LAND. Here is an autobiography by a United States engineer that spans half a century from the Professor's childhood in imperial Russia to the day in 1959, when, as an American engineer in an exchange delegation, he returns to his native land.

There has been quite a revival of interest recently in books dealing with the Civil War, World War I and World War II. It is to be hoped that the reading of books of this type will bring the grim realization of the terrible price we all pay for such disasters, and with so little to be gained. But through reading we gain insight, and so we hope you will find in the above-mentioned titles something that will pique your interest.

Church Council Honors Peebles

From Another Pointe of View

What exactly do archeologists do on archeological expeditions?

They "shovel, pick, sift, dust, wash, catalog and take pictures," according to Nathaniel and William Semple, 19-year-old twin sons of Mr. and Mrs. Robert B. Semple, of University place.

Nathaniel, a sophomore in Columbia College, (the liberal arts school for 2,700 men at Columbia University), and William, a student at Hamilton College, Clinton, N.Y., joined two other undergraduates and two graduate students in a "dig" at an Italian graveyard last summer.

The expedition, sponsored by the American Etruscan Foundation of Detroit, was directed by Professor Luigi Rocchetti, one of Italy's leading young archeologists.

The Semple twins and their teammates spent three weeks touring various Etruscan excavations in Italy to learn first-hand about the ancient civilization in different stages of its development before they began to "shovel, pick, sift, dust, etc." in a graveyard in Tuscany, south of Florence.

The young archeologists concluded, after studying "their" tomb's large size, (five underground rooms), and remnants of imported statuary, (pottery in tombs of the poorer families was generally made locally), that it belonged to one of the last of the wealthy Etruscan family lines.

They also found some pieces of Medieval pottery, showing that the tomb had probably been used as a storage area or living quarters during the Middle Ages—and uncovered a flashlight battery and a grenade, indicating the possibility that the underground site had been occupied during World War II.

Council Gives Library Books

Mrs. Rolf Donath was hostess in her Radnor circle home for the October meeting of the executive board of the Grosse Pointe Council of Better Literature for Youth.

The week of November 1 to 8 was officially proclaimed Better Literature for Youth Week by Gov. George Romney. To commemorate the event, and make it more meaningful to Grosse Pointers, the Council presented a check to the Grosse Pointe Public Library, with which the library staff, headed by Robert Orr, was able to purchase nine books, suitable for teen agers, in the name of the Grosse Pointe Council. Such gifts to the library will be made periodically in the future.

Mrs. Diamond T. Phillips opened her Lake Shore road home on September 30 for a tea and a showing of the movie 'Pages of Death'. The film, narrated by Tom Harmon, has special significance for the Better Literature for Youth Council, as it is a reenactment of a case taken from police files, showing the actual effect of indecent magazines on a youth from a decent home and family, resulting in the murder of a pre-teen girl.

Guests at the tea included

representatives from all the Grosse Pointe churches, some civic groups, and persons interested in the Council's program.

At the October meeting guests were Mrs. Chester Petersen, Mrs. James Meldrum, Mrs. Frederick Hart, and Mrs. Zoe Allor. A short talk was given for their benefit by Mrs. Riford Johnston, past President, explaining the aims and purpose of the organization.

A new post, that of historian, was created, and graciously accepted by Mrs. Chester Petersen.

The regular meeting day of the Council is the second Friday of each month, and in November it will be on the twelfth, at the home of Mrs. Lawrence Holmes, 252 Ridgmont, at 12:30 p.m. The telephone number is TU 1-7716.

'Single Parent' Is Panel Topic

"The Single Parent in Today's Society" will be the topic discussed by a panel of noted clergymen next Friday evening, November 12, at 8:30 o'clock, at a meeting of Parents Without Partners in the Crystal Ballroom of the Grosse Pointe War Memorial in Lakeshore road.

Members of the panel will be the Rev. James D. Nixon, Minister, Grosse Pointe Methodist Church, the Rev. Harry C. Meserve, Minister, Grosse Pointe Unitarian Church, and the Very Rev. Clifford F. Sawyer, Director, Michigan Roman Catholic Family Life Bureau.

Parents Without Partners is a non-profit, non-sectarian, educational organization devoted to the welfare and interests of single parents and their children.

The Grosse Pointe Chapter meets every second and fourth Friday of the month at 8:30 o'clock at the War Memorial Center.

Any person who is a parent and is single by reason of death, divorce or separation is eligible for membership whether or not the children are in his custody.

Through programs of discussions, professional speakers, study groups, newsletters and other publications, as well as social activities for both parents and children, PWP attempts to help the single parent and the family adjust to this new situation and to offset the isolation which so often accompanies this change in status.

Guests are welcome at any time and are charged a \$1 fee. All members of the community are invited on Friday to hear the distinguished panel.

Parents Meet With Teachers

By Sharon Simmons
Parents of St. Paul Grade and High School students met teachers on Tuesday and Wednesday, November 9 and 10, from 2:30-5 and 6:30-9 p.m. Both parents were urged to attend these meetings so enthusiastically received last year.

Though the primary purpose of the parents in meeting teachers was to receive the quarterly report cards of their children, many parents took this opportunity to acquaint themselves with their child, the student, through his teacher, the channel of his studies. Educational development, social adjustment and personal health and hygiene were discussed.

Because Parent-Teacher Conferences began at 2:30, classes were dismissed at 2:15 on conference days.

Set Old World Market Dates

Little treasures from all over the world and goodies reminiscent of other lands will tempt the thousands of Detroiters who eagerly await the opening of the International Institute's Old World Market on Thursday, November 18, running four days through Sunday, November 21.

Hours are from 12 noon to 10 o'clock daily, except for the closing time of 9 o'clock on Sunday.

A reminder — the newly completed Municipal Parking Lot under the south wing of the Institute of Arts is a block away and a handy place to park.

Hansel and Gretel gingerbread houses, just like the one in the beloved fairy tale, will set the tone of the Market as visitors enter the Institute in E. Kirby street, Detroit, where the Old World Market is traditionally held.

And, once on the inside, who can say what wonders will greet the visitors?

From the Baffin Bay area of Canada there are primitive stone carvings by Eskimos. From the sculptor's hands of Ivan Gundrum, a Cuban refu-

gee now living in Florida, there are replicas of artifacts found in the burial mounds of Indians who lived centuries ago.

For browsers and buyers alike there will be wonderful ideas for holiday gifts. Christmas tree ornaments, Yule cards, trinkets from abroad, whimsical bits of nonsense, toys from many countries, unusual items that can be found no place else in the city, are to be had — and all at prices to fit every purse.

And because no Old World Market would be complete without international foods, they'll be served cafeteria style on the lower level — a promise of Syrian-Lebanese fare on one day, Scandinavian foods on another and Armenian dishes and Italian foods — to round out a varied menu.

There'll be a coffee shop serving pastries, and an Hungarian csarda (tavern) serving soups and sandwiches.

In the Hall of Nations, now exhibiting cultural contributions from our ethnic communities, the visitor may pause for a rest or observe the continuous

programs planned for the Market weekend.

All of which adds up to busy days for Mrs. Frederick Schumann, chairman of the 1965 Old World Market, and her vice chairman, Mrs. George Snider.

It's been a busy year of planning for these advisory committee members too: Mrs. Eusebio Braganza, Mrs. Stephen Huron, David Hwang, Miss Margaret Lower, Mrs. Harold McPike, Sigurd Rudzitis, William Schervish, Mrs. Helen Simmons and Paul Vanden Muisenberg.

Among the booth and pastry chairmen are Mrs. Lytle Koly, Albanian; Mrs. Lousdzan Kazanian, Armenian; Mrs. Gilbert Spargo, Estonian; Mrs. Eusebio Braganza, Filipino; Mrs. Donat Gauthier, French; and George Lim Poy, French Seas Club.

Others are Mrs. Helen Gavrilis, Greek; Mrs. Elsie M. Bentley, Handweavers' Guild; Ilio Benvenuti, Italian; George Otsuji, Japanese; Mrs. Sigurd Rudzitis, Latvian; Mrs. Rose Bilaitis, Lithuanian; Mrs. Stephen Huron, Mexican; Mrs. Doyle Davison, Scandinavian; and Mrs. William Volker, Ukrainian.

Timothy M. Taylor Weds In California

Timothy Moore Taylor, of Culver City, Calif., son of Dr. and Mrs. Nelson Taylor, of Dean lane, claimed Marian Elizabeth Menges as his bride Saturday, in St. Paul's Church, Westwood, Calif.

Reverend John McCor- mick, CSSR, officiated at the 10:30 o'clock service, which was followed by a reception at Santa Monica's Miramar Hotel.

The bride, who had been making her home in Los Angeles, is the daughter of Mrs. John B. Menges, of Anaheim, Calif., and the late Mr. Menges.

She chose an ivory satin gown, fashioned with long sleeves and accented with lace appliques, and carried a bouquet of white roses, stephanotis and ivy.

She was the ninth bride in the Taylor family to wear an heirloom Cathedral length veil of Battenburg lace.

Mrs. Robert Luskey was matron of honor, and bridesmaids were Mrs. John Buyan, Mrs. Michael Taylor and Helen Jas- koski.

They wore floor length gowns

of Copen blue chiffon over taf- feta. The honor attendant carried a cascade of jack o'lantern roses. The bridesmaids each carried a single, long-stemmed jack o'lantern rose.

Michael Taylor was best man, and guests were seated by Jon Buyan, Louis Fernella and Paul Bushier.

The mother of the bride wore a suit of dusty rose brocade. Mrs. Taylor, the bridegroom's mother, chose a two-piece dress of beige peau de soie, with mink-trimmed collar and cuffs. Both mothers wore white rose cor- sages.

When they return from a vacation in Mexico City and Acapulco, the newlyweds will make their home in Culver City.

Consideration for the other fellow pays well in the long- run.

JUST OFF Windmill Pointe Drive on Middlesex, is the location for this attractive English house. The kitchen has been completely redone, which will please mother. Five family bedrooms serviced by two and a half baths.

Symphony Sets 'Pops' Concerts

Henry Mancini, Louis Lane and Robert Kreis have been announced as conductors for the second series of Detroit Symphony Orchestra Cabaret "Pops" Concerts, which will be held at the Light Guard Armory in East Eight Mile road.

Dates for the concerts are February 8 through 19, 1966. During these two weeks, there will be no subscription concerts at the Ford Auditorium.

To be introduced at the Cabaret Concerts is a new fiberglass acoustical shell designed and built by Stagecraft, the same responsible for the fine acoustics of the Meadow Brook Festival.

Spanish guitarist Rey de la Torre will be soloist for the opening set of concerts on Tuesday and Wednesday, February 8 and 9, in "Fiesta," a program of Spanish, Latin American and Mexican music.

Mezzo-soprano Anita Darian and bass-baritone Jack Russell, both seasoned musical comedy stars, will be featured on Friday and Saturday, February 11 and 12, in "A Salute to Broadway." Lane will conduct the first two pair of concerts.

Tuesday and Wednesday, February 15 and 16, will both be "An Evening with Henry Mancini." The Academy Award-winning conductor, composer and arranger will lead the Orchestra in a program of his film soundtrack favorites.

And the American Jazz Ensemble, an exciting group of American musicians who study, compose and perform in Europe and who are making their fourth United States tour this season, will be featured Friday and Saturday, February 18 and 19. Principals of the Ensemble are Bill Smith and Johnny Eton, both of whom have been awarded the coveted Prix de Rome and Guggenheim Fellowships, the only two jazz musicians who have received both honors.

The program, entitled "An International Festival," will be conducted by Kreis, who has programmed works by American and European composers.

Mancini has achieved great fame through his composing and conducting the Hollywood soundtracks. Lane is Associate Conductor of the Cleveland Orchestra and Conductor of the Cleveland "Pops" Orchestra.

Kreis is the vital young conductor of the Wheeling, W. Va., Symphony Orchestra. He has recently been guest conductor of the New York Philharmonic and assistant to William Steinberg both in Pittsburgh and New York.

Besides the addition of the new acoustical shell, appropriate decorations will be featured for each of the four sets of concerts. Guests will again be seated at tables for four at which light refreshments will be served.

Tickets for all performances are now available by mail order only through the offices of The Detroit Symphony Orchestra in Ford Auditorium. Special rates are available for groups of 50 people or more. Prices are \$12 or \$8 for a table of four. Single tickets at \$3.50 and \$2.50 are also available.

INSPECT KINDERGARTEN School board members, parents and teachers attended the "Kindergarten Open House" at Richard school on Monday afternoon, November 8, to view the newly remodeled and re-decorated rooms. Vignette at . . . the Grosse Pointe Memorial Church Christmas Fair: A very sweet-looking, very-proper looking, grandmother-type lady, seated correctly in a corner corridor chair, her fur scarf folded neatly in her lap, her head, with its small, discreet hat, tilted slightly to one side, her ankles crossed, feet resting on the floor — and her shoes tucked under a neighboring booth table!

Carolyn Hubbard Lucas . . . back home in East Jefferson avenue after a summer spent tending her fabulous Huron City, has consented to share another of her poems with our readers:

Soldier to Soldier

You, who are gone so lately into glory, bend
And spend one lustrous moment of your praise
To light my dark eternity of days
That I am destined here 'til life shall end.
Man moulded as he is in human form
Yet somehow lacking power to bring him nigh
To Godhead, misses both the low and high
And lives his lamplit life from night to morn.
But you—in battle fierce you chose to give
Your mortal life that I in mine might live—
Lend me one moment of infinity—
That I may know one moment of divinity
To mix and mingle with this earthly stuff—
'Til in His mercy God will say "Enough."

Here's another . . . tip for club program chairmen: The "Afternoon of Art" programs at the Detroit Institute of Arts, featuring luncheon in the museum's Rivera Court and an introductory tour of the galleries, have been expanded, and are now available Wednesday as well as Tuesday afternoons. The programs, inaugurated last year, were so well received that Tuesday sessions are completely booked for the '65-'66 season. Some Wednesday sessions are still open, however. The Wednesday "Afternoon of Art," like that of Tuesday, can accommodate up to 80 persons. After a salad luncheon, small groups are formed for hour-long tours guided by members of the Founders Society Docent Committee. As on Tuesday, the Wednesday "Afternoon of Art" tours will include paintings by Pieter Brueghel, Leonardo da Vinci and Claude Monet, as well as an original French Gothic Chapel and Whitby Hall, a fine Colonial American house. "Afternoon of Art" appointment forms for club groups may be obtained by calling 832-3488.

The banner headline . . . in the local Paris, Ky., newspaper, announcing Emil Rains' victory in Paris' recent mayoralty election, couldn't have been larger if Mr. Rains had been elected President of the United States! As soon as the news hit the stands, Paris' Mayor-elect mailed a copy of the paper, special delivery, to his brother and sister-in-law, Mr. and Mrs. Omar Field Rains, of Mapleton road, Paris, a small town located in Kentucky's Bourbon County, (how's THAT for a picturesque name!), smack in the middle of the Blue Grass region. Emil Rains is planning a trip north to visit the Omar Field Rainses, (both gentlemen are genuine Kentucky Colonels), before he takes office January 1; Mr. and Mrs. Rains, in turn, expect to go down to Paris for the "Inauguration." And we wouldn't be surprised if Renee Rains' fabulous mint juleps replace the traditional champagne when toasts are raised, here and in Paris, in honor of the new Mayor.

The New York election . . . was a family event for Mrs. John McNeil Burns, of Colonial road, and her two daughters, Mrs. Forrest R. Olds, of Yorkshire road, and Mrs. James Henry Allen, of Woods lane. All three flew down to Manhattan Monday evening before voting began, dug in at an hotel suite, and watched Mrs. Burns' son, John McNeil Burns, Jr., win a third term as New York State Assemblyman. John, a Grosse Pointe High School and Syracuse University graduate, took first place in all 85 precincts in his area. Of course, he had a little help—John Lindsay gave him unqualified support, and acted as his Honorary Campaign Chairman.

PILFERINGS

A husband visited a psychiatrist. "Doctor, I wish you would see my wife," he said "She bought 200 pounds of steel wool and . . ."

"Very unusual," the doctor interrupted, "but that doesn't necessarily mean that she should see a psychiatrist."

"But doctor, she has started knitting a stove!" the husband explained.

During a Senate committee hearing a nominee for an important government post was being questioned by a group of Senators as to his qualifications for the job. Finally one Senator asked him if he had resigned from his corporation, if he had had his name taken off the door, and if he had converted his stocks and securities into government bonds.

"Yes," said the nominee. "And, Senator, I just want to say that, if you don't confirm me, I'm going to be in bad shape financially!"

REAR ADMIRAL LEON JOHN JACOBI, USNR (RET.), OF FISHER ROAD

By Janet Mueller

Twenty-five years ago this Sunday, the USS Dubuque sailed from Brodhead Naval Armory, Detroit, carrying two United States Navy Reserve Divisions, the first Navy Reserves to leave Detroit for active duty as the United States drew closer and closer to total commitment in World War II.

Next Saturday, Dubuque "alumni" and their wives will gather at the Armory to celebrate this quarter-century anniversary. Approximately 75 couples are expected to attend the dinner and reunion, according to Admiral Leon John Jacobi, Dubuque dinner coordinator, who sailed himself aboard the Dubuque as Executive Officer and Navigator on November 14, 1940.

"It was colder than Billy-badger!" Admiral Jacobi recalls with a chuckle. "We went to Montreal, then waited at tide-water for other ships coming from various ports on the Great Lakes."

Just Beat Ice

The Great Lakes vessels managed to reach the Atlantic coast before ice made the inland waterways impassable. The Dubuque sailed past Nova Scotia to Boston, was overhauled at the Boston Navy Yard and operated in the Massachusetts Bay-New England coast area, training ROTC midshipmen from New England colleges, for almost a year.

She was then sent to the Chesapeake Bay area, and continued in service as a training vessel throughout World War II. After the war, according to Admiral Jacobi's information, the Dubuque was scrapped. But a scale model of her remains, in a glass case at Admiral Jacobi's Brodhead Armory office, and it is one of the Admiral's most treasured possessions.

There are many other mementos of Admiral Jacobi's Navy "life" in his office: Pictures of friends and fellow officers on the walls, his diploma from Annapolis, "when it really WAS a sheepskin," his Admiral's Commission, insignias, awards and honors.

Long-Time Residents

There are fascinating scrapbooks and files at his office, and at his home in Fisher road, where he and his wife, the former de Vecmon Ramsay, have lived for the past 30 years.

The Jacobis, married 40 years, lived seven years in Nottingham road before moving to Fisher, so they easily qualify as long-time Pointe residents. Mrs. Jacobi is a Southerner; her husband was born in Mt. Clemens.

They have two sons, John, Jr., who lives in Fraser, and Keenan, married, residing in St. Clair Shores, and the father of Carol, 7, John Keenan, 5, and two-month-old George Harold.

Admiral Jacobi was graduated from the Naval Academy in 1920 and stayed in the regular Navy until the mid-1920s, "when they found out I was near-sighted." (Interestingly enough, he keeps carrot juice in a refrigerator in one corner of his office: "It's good for the eyes.")

Recalled by War

He left the Navy, but went immediately into the Reserves, was recalled to active duty for 5½ years during World War II, went back into the Reserves after the war.

He was employed by Detroit Edison from 1925 until his retirement in 1962, (with time out for the war, of course), serving as Supervising Engineer, Inspect-

in the Far East for John who is a Naval Aviator. The other three tours were aboard the aircraft carrier "Midway."

Attending the 22nd Biennial Convention of the Professional Panhellenic Association in Chicago is MRS. WILLIAM F. PISH-ALSKI, of Ridgemoor road, who is currently serving her fourth year as the vice-president of the association.

Trained Gun Crews

" . . . On October 14, we left Boston for Norfolk and have had duty around Norfolk ever since."

"Our duty consists of training Armed Guard gun crews, for further transfer to various merchant ships. Each week we get about 50 men and six young officers, and after training them properly, firing three- and four-inch guns, as well as machine guns and automatic pistols, we transfer them for new crews . . ."

" . . . For this duty, speed of the ship is not essential, and consequently, the Dubuque can be as valuable as a more speedy ship which at this time cannot be spared from the Fleet."

Admiral Jacobi eventually left the Dubuque himself; he was assigned as a staff engineer to the Service Force, Atlantic Fleet, (the Service Force looked after all auxiliaries of the Atlantic Fleet, some 450 ships, including oilers, cargo vessels, mine sweepers and larger patrol craft). He remained with the Service Force until the end of the war, but he never forgot the Dubuque, and he speaks of her with affection:

"She was an old, obsolete ship — but she made an excellent training vessel!"

19 Lost Their Lives

Of the 11 officers and 189 enlisted men who left Detroit aboard the Dubuque, 19 — one officer and 18 enlisted men — lost their lives in World War II. Some 10 more have died since the end of the war, and the rest of the Dubuque "alumni" are scattered across the continent.

But as many of these alumni who can be making plans to attend the Reunion. "We have one man coming from San Diego, another from Florida," Admiral Jacobi notes proudly.

They'll eat and drink together, listen to a few speeches, relax and reminisce together, talk about the Navy.

"I've been involved in so many of these reunions," Admiral Jacobi grins. "We'll probably just talk about the Navy in general, prove that old saying: 'The Navy ain't what it used to be — and never was!'"

Having seen two world wars, Korea and assorted "police actions," Admiral Jacobi believes firmly in a strong national military reserve system:

"To have a strong enough regular service would require much more money than to have a part time reserve," he says.

"If the reserves are properly trained — and by proper training, I mean given the proper equipment and the proper opportunities to be kept up to date with the latest military methods — then they offer a wonderful reservoir of protection for our country."

Has Realistic Outlook

"I strongly believe that in the United States of America a person who believes in adequate national defense is much more realistic than a person who believes in isolationism or pacifism."

"Military men, including the reservists, want to prevent war as much as the pacifists."

"But the military man, including the reservist, has studied his history and realizes the only thing that deters a dictator is force."

Admiral Jacobi is proud of the service he has given to his country, proud of his Annapolis diploma, proud to have sailed on the Dubuque. His patriotism is an active virtue, and he has no patience with men who offer excuses instead of service.

He has a stock answer for people who tell him they were too young to serve in World War I, and too old to serve in World War II.

"I tell them," he says with a twinkle in his eye, "that I was old enough to serve in World War I — and young enough to serve in World War II."
