(Continued from Page 1)  
governmental organization. The final report of the Committee of One Hundred, published in June, 1966, includes these statements:  
"We believe that the more than 400 local governments, which include cities and villages, counties, school districts and townships in Southeast Michigan, form one regional community. Our citizenry is bound together physically, economically and socially, and is affected and serviced by not just one unit of local government but by many. We realize that our individual and collective destinies rest with the interdependent actions of the family of local governments which comprise our region."  
"The fact that we have many separate, yet interrelated, local governments creates serious political and organizational questions as to how we may more effectively and efficiently coordinate our activities to provide needed services to all our citizens. Our dilemma is to retain local home rule while combining our total resources for regional challenges beyond our individual capabilities."  
"We believe that the expansion of effective voluntary cooperation among our local governments is the best solution for dealing with this dilemma. We believe that cooperation must be fostered in two ways: By strengthening the abilities of local governments to meet individual local needs, and by developing a voluntary association (council) of local governments within our region to meet the broader common needs."  
The proposal for a voluntary council of governments contains these additional statements:  
"Elements of our proposal were first suggested in a Governmental Organization Study of Southeast Michigan underwritten by Metropolitan Fund, Inc. Based on this study, additional research and many hours of committee deliberations, the following specific proposal was drafted."  
"The Council of governments as a vehicle to promote cooperation and coordination among local governments in an urban region is a relatively new concept. The first prototype council was actually established here in Southeast Michigan in 1954 as an association of counties—the Supervisors Inter-County Committee (SICC). Since 1964, councils have been created and are successful operations in several metropolitan areas across the nation."

## Pool Opening Stymied

(Continued from Page 1)

that the low bidders would rush all equipment and materials, by the time these would be installed and ready, the city's residents would have use of the pool for only 8-10 weeks.

The council felt that this would be too high a cost for so short a time and rejected the bids with reluctance.

It was pointed out that the council, full of optimism, had intended to go along with the temporary installations when it was first disclosed that the total loss would only be between \$10,000 and \$15,000. However, when the bids were received and the expected loss was quoted at the \$37,000 figure, it was felt that this was too high a cost for such a short time of operation of the pool.

### Possible Shipping Delays

Another reason for the rejection, it was also pointed out, was the possibility of the delay in the shipping of the equipment and materials, which would shorten, still more, the time use of the pool, and the possibility of a total loss of the cost of salvage.

In spite of the fact that the minimum requirement will not be met, as set by the Health Department, the council auth-

orized every means be exhausted to realize the opening of the pool, including taking the matter to court to force the State officials to grant the city a permit, if only for this summer.

Also, the city manager was requested to seek other possible methods that will allow the use of the pool without a permit.

After all legal and known means are exhausted, or should fail, the city administration is expected to approach the Grosse Pointe Board of Education for a meeting, to discuss possible use of the swimming pool in Pierce Junior High School.

### Citizens Committee

At an organizational meeting held on Monday, April 17, a newly formed Parks and Recreation Citizens Committee, comprised of 45 members, held an election of officers. The committee was authorized by the city council and will make a study of recreational needs and offer suggestions, including suggestions on the proposed new pool at the waterfront park.

Picked to lead the committee are: Douglas C. Graham of 1035 Bishop, chairman; Philip L. Wettengil of 1126 Grayton, vice chairman; and Mrs. James (Helen) Graves of 1034 Buckingham, secretary.

In its first order of business, the group studied the possibility of a special election to be held sometime this summer, for a bond issue for a proposed new pool.

Neither the amount of the proposed bond issue, nor the date of the proposed election has been definitely set, but when the study and discussion is completed, the committee will submit its recommendations to the city council for official action.

## Grunyons Giving Concert At Pointe War Memorial

The famed Grosse Pointe Grunyon men-about-town will give another free, fun-packed community concert at Grosse Pointe War Memorial Sunday evening, May 7, at 8 o'clock. This time, they will be assisted by charmers from Liggett School known as the Octet Three.

Under the direction of Dorothy Buckalter, the girls' group includes Betsy Parcells, Dorothy Gerke, Linda Gerke, Dale Simmons, Martha Schramm, Ellen Erickson, Sarah Devlin, Robin Perry, Sarah Lapides, Ann Worthman and Linda Kopp.

They will sing "Maria," "Little Girl Blue," "Buttermilk Sky" and "Imagination."

Another innovation will be "Grunyon" wife Barb Bailey giving her own special rendition

of "Come Home JIM Bailey." The Grunyon men-about-town will have an entirely new program of songs and hi-jinks ready which they have prepared for the "10th Annual Spring Sing" in Philadelphia, in which they are featured this week. They were the winners in the "Main Line Barn" presentation last year and have high hopes for this season.

Included in the Grunyon group are Tom Auch, Charles Parcells, Jim Bailey, Barney Brogan, Wally Collins, Bill Gard, Wood Geist, Steve Hausner, Doug Krieger, Joe Lawrence, John Prost, Phil Skillman and Wat Stewart.

## Kindly Gesture Unappreciated

Apparently the little mouse Veronica Loasby tried to help never heard of the old saw "don't bite the hand that feeds you," because he did just that on Wednesday, April 19. On that day Miss Loasby discovered the mouse outside of 340 Lakeland avenue where she is employed.

She took the animal home with her because it appeared ill. He immediately bit her on her index finger.

She went to her private physician for treatment.

He suggested that the mouse be taken to Herman Kiefer Hospital for analysis.

Shortly after biting Miss Loasby the animal died. An autopsy was performed and the Board of Health notified. The mouse was found to be free of rabies.

Miss Loasby's finger is on the mend.

Pull helps only the fellow who has to be dragged—it's of no use to the pusher.

## Pointe Drivers Lose Licenses

Two Pointe motorists have had their driving privileges suspended for a period of time and one had his operator's license restored according to the latest report, dated April 7, received from Secretary of State James M. Hare's Office in Lansing.

Deprived of their right to drive, according to the report, are John T. Gatham of 30 Harbor Hill, whose license was ordered suspended from March 21 to September 20; and Peder J. Smith of 77 Muir road, who is forbidden to operate a motor vehicle from March 17 through May 16. The suspensions were due to unsatisfactory driving records, Hare stated.

Back on the road, with full driving rights restored, is Kenneth G. Lubeski of 277 Ridgemont, whose unsatisfactory driving record resulted in his license being taken away from March 16 to April 15.

Hare disclosed that during the week of April 2-8, the drivers' licenses of 774 Michigan motorists were suspended and those of 416 were revoked by his department.

Contentment is a poor policy—it's almost certain death to enterprise.

## Band Concert At Brownell

Brownell Junior High School will present its annual Spring Band Concert tomorrow evening, beginning at 8 o'clock in the school's auditorium-gym. Two large groups will offer a variety of instrumental music selections, under the direction of Dewey D. Kalember.

The 60-member seventh grade band will demonstrate their skill in several traditional marches, as well as the first movement of Handel's "Occasional Suite" and the Processional March from Beethoven's "Consecration of the House." They will close with Kinyon's "Chisolm Trail," a number with contemporary overtones.

Eighth and ninth grade members of the Concert Band, 98 in number, have prepared Tchaikovsky's "Swan Lake Ballet" and "Fantasia on Lady of Spain." Cindy Johnson and Sue Jakes will be featured in a bassoon duet, the first in the band's history.

As a special treat the Concert Band will play the accompaniment to a piano duo, performed by Cindy Candler and Sarah Moran, "Theme from the Apartment," which was arranged by Werle for two pianos and band. The girls play horn and flute respectively in the school's instrumental group.

The concert will close with a

showpiece, "Civil War Suite" by Walters, in which various sections of the band are featured in turn.

A Good Man To Know

*what's the  
second most  
important name on  
your mortgage?*

*your bank.*

There's a lot more to a mortgage than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

If you apply for a home mortgage at NBD, for example, you'll find we have the people and facilities to give you personal attention. And because we're a full-service bank, we can keep on helping you with

our entire range of financial services long after you move in.

Ninety offices make us the most convenient place in town to apply for a mortgage. There is no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars,

excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying and what you're paying for. And we'll write in pre-payment privileges that can save you hundreds of dollars if you sell your home.

If you're considering a mortgage loan right now, be sure to consider a very important thing: the name of your bank.

Kathy Muenk, manager of Kay Baum, 16822 Kercheval avenue, reported to City Police on Wednesday, April 19, that larceny had been committed on Saturday, April 15. The theft was discovered after an extensive inventory.

Missing were 29 dresses, coats, swimsuits and blouses, valued at \$849.

The merchandise was taken from the second floor lay-away room.

An employee of the store saw a white male with light hair, wearing khaki pants and a green jacket, on Saturday, April 15, standing at the doorway of the lay-away room with his arms full of merchandise, but the employee did not suspect that a theft was in progress.

Police are investigating.

**Austin Players To Do Comedy**

The Austin Players will present "Arsenic and Old Lace" as the third production of their 9th season on Sunday, April 30, and Monday, May 1, at 8 o'clock at Pierce Auditorium, Kercheval at Balfour road. Tickets are \$1 and may be purchased at the door.

The show features the young men of Austin with the aid of the young ladies of Star of the Sea High. A special matinee is scheduled Sunday at 2 o'clock.

Under the direction of Thomas E. Bailey, the cast includes Denise LePlae and Ann Versical as the two murderous old ladies. John Crowley and Gregg McDuffee create the roles of the mad duet of visitors.

The love story is brought to the stage by Don McMillan and Bobbie Snyder. The famous "Teddy," with his dreams of a past century, is played by Tony Vehar. Doug Boehmer and Jim Schrage take the roles of the minister and the guest.

Members of the police department are played by Joe Shea, Phil Mutter, Mike Monahan and Louis Ternulle. The stage manager of the show will be Lee Benamy, aided by Tim Fredricks, Dan Cohan, Denny Murray, Chris Benamy, Frank Leto, George Shea, Joel Benamy, Brian Hickey, Jim Moffa and George Niespolo.

This is not the final season production of the Players. After "Arsenic," student directors will begin directing three one-act plays for performance the evening of May 21.

**Series Spotlights Teens' Values**

The Adolescent in a Changing World series will present its next speaker, The Reverend Franklin Bennett, Jr., on May 2 at 8 p.m. in the Fries Auditorium of the Grosse Pointe War Memorial.

The Reverend Bennett is an assistant minister at Christ Church, Grosse Pointe, where he has been involved in extensive work with young people. A graduate of Harvard College and the Episcopal Theological School, he was ordained in 1961 and served for two years on the staff of Christ Church, Dearborn.

Mr. Bennett's topic, "Developing a Set of Values," is predicated on the belief that an adolescent's values are in the development stage. Neither a child nor an adult, the adolescent is challenging the values of his family and culture, living with the values of his peer group and testing and appropriating those values by which he will guide his own life.

Often a master at challenge, he senses the compromises of gious Education Council, Neigh- borhood Club and the War Memorial. There is no admission charge.

No longer a child, imposed values are often repudiated. The adult faces the dual problems of providing a strong framework around which the adolescent can grow and acknowledging the in-

liam Gallagher of 295 Riverside received a ticket for reckless driving resulting in an accident and one as a disorderly person.

In the first instance, Gallagher ran into the rear of a car driven by Robert Winthrop Stone of 837 Trombley. Stone was stopped for a red light at Fisher road when the Gallagher vehicle hit him. There was extensive damage to Gallagher's car and it had to be towed away for repairs. The Stone vehicle was driveable.

Gallagher and his passenger, John Franklin Semen, were then taken to Bon Secours Hospital for treatment of injuries received in the accident.

Later the City Police were called to Bon Secours Hospital in an attempt to control Gallagher, who was acting in a disorderly manner. He was handcuffed and taken to the station where he was charged as a disorderly person.

He was held at the station pending the arrival of Judge Douglas L. Paterson, who arraigned him and placed him on \$100 bond.

Gallagher was found guilty April 11, as a disorderly person. Sentence was withheld pending investigation.

**Invite Students To 'See' Cottage**

Students of Grosse Pointe High School interested in obtaining information about a career in the health field will be invited to Cottage Hospital during National Hospital Week, May 7 to 13, to discuss their future plans with hospital department heads.

Under the auspices of the Cottage Hospital Women's Auxiliary, the Career Program will include a tour of the hospital as well as small group discussions with specialists in all areas of hospital activity.

Mrs. Clinton R. Amluxen, president of the Cottage Auxiliary, sent letters of invitation to high schools in the area, and Ralph L. Wilgarde, administrator of the hospital, has made special arrangements for the student visits.

"Although significant in itself," said Wilgarde, "hospital week gives us a special opportunity to emphasize a serious problem in the hospital field, and that is a critical shortage of trained personnel in the health fields."

He added that while people are generally aware of the need for doctors, dentists and nurses, there is an equally serious deficit of pharmacists, medical technologists, dieticians, physical therapists, nurse aids and social workers.

Refreshments will be served at Cottage Hospital after the discussion groups on Health Careers have been adjourned.

He also was trained in the techniques of road and bridge building, camouflage and demolitions.

It may be true that money talks, but a dollar never talks back to the tax collector.

**Duck Parade Ends Promptly**

Residents of Notre Dame avenue couldn't believe their eyes on Friday, April 22, when they saw 10 ducks walking boldly down the street. Joseph Palms was herding them into his yard as city police arrived.

He explained that the tame ducks belonged to the Thomas Frasers of Notre Dame, who were not home at the time. He volunteered to keep the ducks until the Frasers returned.

## Devil Trackmen Post Win Over Edsel Ford, 73-45

The Devils' first dual meet went just about as he expected it to, said Grosse Pointe Coach Tom Gauerke after his trackmen posted a 73-45 win at Edsel Ford last Thursday. "We have a lot of work to do," commented Mr. Gauerke.

Grosse Pointe took nine first place finishes out of a possible 14 events. The Devils showed considerable strength in the field events and the relay races. They built an early lead by winning the high jump, pole vault and shot put.

The Devils took first and second in the high jump when both Joe Kaiser and Bob Ihrie cleared 5 feet 8 inches. Kaiser won the event because of fewer misses at lower heights.

Greg Abbott failed to set a school record in the pole vault but his 11'6" leap took another first. Abbott was unsuccessful in three tries with the crossbar raised over 12 feet. Ric Gonzalez, a 200 pound fullback on last fall's football team, heaved the 12 pound shot 44'8½" to win the shot put.

In the sprinting events, Leon Duletsky and Tom Thompson teamed to get the Devils a 2-3 finish in both dashes. They were

timed in 10.7 for the 100 with Duletsky getting the edge, while Thompson took second in the 220 with Duletsky third.

Jon Staryk covered the first half of the quarter mile in a blistering 24 seconds and then eased off to a 53.4 clocking for the victory. Brian Manogian failed in a driving effort to take second at the finish.

In the distance events where Mr. Gauerke said his team would be weak, the Devils won the mile and two mile runs. Kurt Hartlieb closed fast to win the mile in a "photo finish" over Edsel Ford's top miler. Hartlieb moved from third to first in the last 50 yards while being clocked in 4:56.

Rick Gross scored the Devils first points of the year by winning the two mile run at the start of the meet. Gross alternated between first and second early in the race before he took command. Sprinting through the final quarter mile, he won by 250 yards with a time of 10:03.

Grosse Pointe had no trouble in either relay race. The Devils won the sprint relay (880 yards) when the Edsel Ford team was disqualified for an illegal baton pass. In the mile relay, Ray Brown gave the Devils a slight lead during the second leg which they widened to 30 yards at the finish.

Grosse Pointe faced Monroe last Tuesday in an away meet. This afternoon they host Roseville in their home debut. Starting time is 3:30 and there is no admission charge.

## Set Babe Ruth League Teams

Despite the inclement weather last week, tryouts for the Grosse Pointe Woods-Shores Babe Ruth League were held as scheduled, and all boys have now been assigned to teams.

The eight teams in the All-American League are: Marv Boutin Realty — Roy Bradley, Manager; Midland Mutual Life Insurance — Ted Alexander, Manager; Palmer Moving and Storage — Bob Kutscher, Manager; City Messenger Truck Lines — Bruce Marone, Manager; Cox and Baker Builders — Ned Winkworth, Manager; Flame Furnace — Mike Ballew, Manager; Locke Lumber Co. — Charlie Rasmus, Manager; and Kiwanis Club — Bill Ero, Manager.

The six teams in the Automotive League are: Richard Buick — Stan Loeffler, Manager; Dick Shalla Chevrolet — Bill Schleicher, Sr., Manager; Dick Green Chrysler-Plymouth — Jack Belanger, Manager; Pointe Dodge — Norm Blohm, Manager; Rinke Pontiac — Dave Marstiller, Manager; and Roger Rinke Cadillac — Jim Law, Manager.

Again this season, the League will hold its annual Miss Babe Ruth Contest. Each team will select a girl to represent it in the contest. The girls will appear before the Woods City Council, which will then select the one they feel is most representative as the Ideal Babe Ruth Age Girl.

The contest will be held on Thursday, May 4, at 7:30 p.m. in the Council Chambers of the Woods City Hall. All friends of the league, the players, managers and coaches are invited to attend.

### BATTERY STOLEN

Mrs. Thomas McMahon, of 622 Rivard, reported to City Police that sometime between 6 p.m. and 9:15 a.m. on April 21 or April 22, someone stole a 12-volt battery from her 1966 Chrysler, which was parked in front of her home. Police are investigating.

## GPUS Athletes Busy In Spring

By David Jones

The second week of interscholastic competition in the spring season was a rather busy one for the Grosse Pointe University School athletic teams.

The tennis team, now sporting a 4-0 perfect record early in the season, gained two more victories last week. The first was against Ann Arbor University High School. The number one player for U-High, John Brummet, a senior, is the present state singles champion Class C-D.

In the recent match, he squared off against Bruce Barit of GPUS, an old friend of Brummet's, as they played opposite each other in the finals of the state tourney in 1966. However, Barit again fell short to the champ. This was Grosse Pointe's only loss, as all the other team members won in gaining a decisive 4-1 win.

The following afternoon,

Thursday, the Knights returned home to play a match against Richmond High School. The University School was in good form that day with a 4-1 victory.

The baseball squad has only played one game to date. It was a disastrous 14-0 loss at the hands of Grosse Pointe High School. A number of the track team entered its first competition last Saturday at the Detroit Country Day School Invitational. There were fourteen schools participating in the meet. Due to the inexperience of the squad, which was hit hard by graduation, the team did not show as well as it is capable of.

**Woods-Shores LL Play Begins**

By Cindy Tew  
The Woods-Shores Little League officially opens its 1967 season on Monday, May 1, with a full schedule of Major League games.  
The opening day ceremonies and parade, however, will be held on Sunday, May 7. Official games must be played before opening day this year for three reasons: 1. The National Little League rules state that opening day shall not fall before May 1; 2. Each team must play a certain number of games each season; and 3. Opening day must be held on a Sunday.  
The Minor League teams will continue practice and exhibition games and play their first games on opening day.  
Time and places for the opening day ceremonies will be announced next week.

**Swim Classes For Children**

The last chance in this school year to prepare for a safe and fun-filled summer of swimming is fast closing for those who want to take advantage of this spring session of swimming classes offered by the Department of Community Services of the Grosse Pointe Public Schools.  
Children between the ages of seven and thirteen still have time to be enrolled in the five-week session of instruction. Parents may make reservations for their children by calling TUxedo 5-3808 or TUxedo 5-0271.

**GPUS Tennis Opens Strong**

The Grosse Pointe University School varsity tennis team opened its regular season last week with two sweeping victories over Lakeshore High School on Tuesday and Friday, 7-0, 7-0.  
The Knights, defending state champs Class C-D, showed that they are certainly out to retain their title again this year.  
In anticipation of the rough spring season grind, Coach Robert Wood, an University School alumnus and a former Class C-D state champion himself, took four members of his squad to Florida over spring vacation to get a jump on the other area contenders. The four boys proved that the trip was definitely a success.  
Bruce Barit, a junior and a very versatile athlete, plays first singles. Last year Bruce reached the finals of state tournament. Barit is capably backed up by super sophomore Topher Ware, a newcomer to the Knight's powerhouse.  
The team is young and spirited and has set a season's goal of another C-D championship come June 10. Things look good for the boys on Cook Road!

## Novice Acts Carefree At Her First Vaccination

By Elizabeth Stephens

The waiting room of the veterinary hospital just wasn't big enough for the young St. Bernard's tail. Thump — thump — thump it banged against human shins, until her owner pulled her rear end down on the floor, whereupon the great tail batted several pets who were hiding under the furniture. Finally the 90-pound puppy rolled over on her rubber spine and played like a baby with her leash, and the

tail dusted off a space in the middle of the floor.

"I had a friend who kept two St. Bernards in the country," was the comment of an awed spectator who was holding his trembling little toy out of harm's way. "The same family also owned a Pekinese."

"The St. Bernards used to pick the Pekie up in their mouths and carry him off with them to the woods. They never hurt the little dog, of course, but the first time the owners saw the Pekie lying on the ground where the big dogs had dropped him, not making a sound, they were sure he was dead!"

Now it was time for the baby monster to go to the back room for her shots and she loped away at the side of her master like something out of BORN FREE.

As a matter of fact, it's time for all Pointe dogs to get their shots from their vets and their yearly licenses from their city offices.

Although your dog's rabies vaccination shot is considered good for two years in Michigan, modern veterinary medicine recommends getting a yearly booster shot for (1) canine distemper (2) infectious canine hepatitis (3) leptospirosis, a bacterial infection carried by rats and dogs and transmissible to humans.

Other important safeguards to your pet's well-being are regular nail clipping, plucking hair from the ears of breeds like Poodles and Schnauzers, expressing the anal sacs, regular grooming and a diet, preferably commercial, which is nutritionally complete.

Licensing at the Pointe offices is a yearly affair, of course, and there is no objection by city clerks to issuing dog licenses early, if such is still the case in your area. Don't forget to take along your dog's vaccination certificate.

Call your own city offices for the legal deadline, or watch the notices as they appear in the NEWS.

## Short Scuffle; No Complaint

City Police, patrolling Jefferson and Rivard on Saturday, April 22, received information that several cars were stopped there by Patrolman Ralph Moore, of the Park Police.

Upon investigation they found Peter P. Vassalle, of 18040 Davidson, Det., and Nicholas Fatsass, of 3526 St. Jean, who stated to officer Moore that they had been cut off by an Oldsmobile convertible at Maryland and Jefferson and had engaged in a fight with the driver of the car.

While the subjects were talking to the officers, the driver of the Olds, Loyde McMunkin, of 3268 Fern Hill, Mt. Clemens, stopped and got out of his car. A minor scuffle ensued. It was stopped by the officers.

All subjects were taken to the Park Police Station. Sgt. Thomas Martin then notified City Police to inform them that McMunkin would be into the station to sign a complaint against one of the men who had struck him at Rivard and Jefferson.

## Harvard Divinity Dean To Speak

Samuel H. Miller, D. D., Dean of the Harvard Divinity School, will lecture on May 3, at 8 p.m., at the Grosse Pointe Unitarian Church. His topic will be "The New Frontiers of Faith."

"The frontiers of faith are always changing, simply because history and the world continually put new questions before man. Confronted as we are by a revolution of radical dimensions, the future of faith has been severely threatened."

"The shift from the mystical to the mathematical, from prayer to the computer, from worship to research, has changed our way of living and thinking so that we must ask in all honesty: How can we practice religion, intelligently, in this new age already born?"

Admission is \$1.50 for adults, \$.75 for students. This will be the last lecture in the series, "The Direction of Human Development."

### Marionettes Ready For Kerby Carnival

Three "stars" of the Kerby Carnival Marionette Show wait to go on stage in the hands of their creator, MRS. JAMES SCHUDEL, of Moross road, and her assistants, MRS. RICHARD SCHMITZ, of Madison road, and MRS. LEE H. ALLEN, of Moross road, (left to right). The Marionette Show is just one of a myriad of attractions to be offered at this year's Carnival, scheduled Saturday, April 29, from 10 a.m. to 6 p.m., at Kerby School.

### Acclaimed Film To Be Shown

Community residents are invited to join members of Salem Memorial Lutheran Church in Moross road at 7 p.m. Sunday evening, April 30, for the highly-praised film, "A Time For Burning."

"A Time For Burning" begins where much of contemporary history begins—in a racialy changing neighborhood. A young minister in Omaha, Neb., makes a modest proposal toward racial understanding that blasts the complacency of the community.

The film has been acclaimed as "the most accomplished and sensitive hour of television this season." Commissioned by Lutheran Film Associates, the producers used the touching and frighteningly effective "cinema verite" technique of hand-held cameras, wireless sound equipment and unrehearsed shots of actual people in actual crises.

A panel will discuss the message of the film and offer the opportunity for questions and participation from the audience. This presentation is part of the "Face-Out" series being presented at Salem Memorial Lutheran Church.

Meddle with the buzz saw of speculation and you'll get hurt.

### Trombly Cubs Given Awards

Cub Scout Pack 86 held its April monthly meeting at Trombly School with Dr. Arthur Johnson, Cubmaster, conducting the program for the evening. Dr. Johnson thanked Feith Shreve who had arranged a field trip for the boys to the National Bank Coin Museum. It was announced that there will be a kite flying contest for the Pack on Saturday, April 29, at Trombly School.

The program consisted of songs by Den Two and Den Four and a skit about Davy Crockett by Den Six. The honor flag plus the parent participation award was given to Den Four.

Duwayne Peterson, assistant Cubmaster, presented 30 awards to 17 boys. Those receiving awards were: Den One: Ian MacLaren, Bear Badge, Gold Arrow; Todd Richardson, Bear Badge; Robert Johnson, Silver Arrow; Brian Spry, Gold Arrow.

Den Two: John Cougar, Wolf Badge; Charles Dunlop, Wolf Badge; Gold Arrow, two Silver Arrows; Paul Marshall, Wolf Badge; Roland Vanderbroeck, two Silver Arrows; William Brownell, Gold Arrow.

Den Three: Peter Tocco, Lion Badge; Gold Arrow and Silver Arrow.

Den Four: Rene Vanderbroeck, four Silver Arrows; Richard Eden, two Silver Arrows; John Farina, two Silver Arrows; Dennis Kummer, two Silver Arrows; Robb Fredrickson, Silver Arrow; Gary Duemling, Silver Arrow.

The program closed with the playing of Taps by Richard St. Ouge.

### RECOVER STOLEN CAR

A 1967 Pontiac Tempest, owned by Harold McGregor of 1380 Bishop and stolen from his driveway during the night of April 22-23, was recovered by Detroit police, who found the vehicle abandoned on Waveney, between Bishop and Yorkshire, in Detroit. The recovery was made shortly after the car was reported missing.

A fourth of the year is gone—and most of the resolutions.

### Organ Recital Set At Church

All lovers of good music are cordially invited to attend the organ recital at the Grosse Pointe Woods Presbyterian Church on May 3 at 8:15 p.m. Mary Esther Higgs will perform on the Church's 45 rank Wicks organ, which was installed in December, 1965.

Miss Higgs holds a Bachelor of Music Degree from Oberlin University where she studied with Grigg Fountain, a Master of Music Degree from Syracuse University where she studied with Arthur Poister; and has done post-graduate work at the Cincinnati College of Music where she studied with Wayne Fisher.

She is presently organist at Church, Cincinnati. She is Sub-Dean of the Cincinnati Chapter, American Guild of Organists.

## Letters to the Editor

Dear Sir:

I would like to tell you about 26 of our Grosse Pointe High School students. There would have been many more, but we could not use all 47 who volunteered. There were many, many more who wanted to be a part of our story, but our rigid qualifications eliminated them before they could even apply. It seems fair to assume that these 26 represent a spirit shared by many of our young people which we ought to sit up and recognize.

For the next eight spring-time Saturday afternoons, when young minds and hearts are filled with the freedom of playfields and park piers, afternoon dates and shows, and shopping and just goofing off, these 26 are going to be spending their energies and talents on children who are handicapped.

Twenty-six children who are crippled by all forms of physical and mental disabilities have found High School students who will literally take them by the hand and spend two hours with them in the Brownell swimming pool. Under the watchful eyes of two very exceptional teachers, our precious, less fortunate youngsters who would otherwise

not be able to experience the joys of learning some water thrills or just splashing about, now have a buddy whose youthful compassion is expressed without words.

Twenty-six high school students have learned something from somebody, somewhere. Twenty-six kids said "I'll do it!" They said it gladly, without thought of monetary compensation or any knowledge of being recognized. Twenty-six young people have demonstrated that they have some pretty fine models at home. There are twenty-six homes where handicapped children reside whose prayers are blessing twenty-six other homes who recognize their own blessings.

These twenty-six have only served to dramatize what many, many of our Grosse Pointe teenagers are doing every day. Teachers are the favored adults. From where they sit they get a privileged view of the obvious hope that we can hold for this next generation. It works out to be 26 times many.

Sincerely  
Richard W. Kay, Director  
Department of Community Services

## Know Your Schools

The Grosse Pointe Public School System  
by J. Harold Husband, Acting Superintendent

**QUESTION:**  
How does Grosse Pointe's school tax rate compare with that of other school districts in Wayne County?

**ANSWER:**  
Of the 43 districts in Wayne County, Grosse Pointe ranks 31st from the top, with a total budget rate of 25.66 mills (22.90 for operation and 2.76 for debt retirement) per thousand dollars of State Equalized Valuation. Incidentally, this includes operation of the public libraries, as we are one of the few school districts also operating a library system.

Total school tax rates in Wayne County range from 38.80 in Nankin Mills to 8.86 in Brownstown Township.

The school tax rates for all Wayne County districts are available by calling the Department of Business and Finance of The Grosse Pointe Public School System, Tuxedo 5-2000, extension 40.

## First Graders Do The Cooking

Two first grade classrooms at Mason Elementary School hummed with activity recently when the students of Carolyn Harwood and Elizabeth Griffiths cooked a full course breakfast in their respective classrooms. This was in conjunction with a health unit on nutrition.

The children actually planned the meal, purchased the food, participated in the cooking, and served their classmates and guests. The meal was thoroughly enjoyed by all! It con-

sisted of orange juice, scrambled eggs, buttered toast, jelly and milk.

Parents were very impressed with this health unit and felt it was most rewarding. The students now have a greater interest in "what's cookin'" in their home kitchens.

All of the people involved with this unit of study felt it was a successful and valuable educational experience.

## What Goes On at Your Library

By Virginia Leonard

Who has not heard of Sarah Bernhardt? And who has not heard of Cornelia Otis Skinner? Put them together in a fine new biography of the Divine Sarah, entitled MADAME SARAH, by the inimitable Miss Skinner, and you have a lively bit of reading.

The legend of Sarah Bernhardt has come to us in a welter of material—biographies, brochures and press articles. Various artists have left posters and paintings, portraits and photographs. The truth is hard to find—she has had so many caricatures, so many anecdotes have been written about her.

On or off the stage she never stopped acting. All of this unreliability shows up in the numerous books and articles written about her, as they are widely at variance.

Sarah Bernhardt was born in 1844 and died in 1923. She was the illegitimate daughter of Judith Van Hard, of Jewish-Dutch extraction. Her early childhood was lonely, somber and somewhat chaotic. Her mother, by now a successful courtesan, had no time for her, and so she was farmed out to a nurse, a convent and finally a kindly companion, Madame Guerard.

A good friend of Sarah's mother was the Duc de Morny, a half-brother of the Emperor and one of the most powerful men in France. He took careful note of Sarah's tantrums, sense of the dramatic and other histrionic accomplishments, and eventually saw to it that she be accepted as a student in the Conservatoire. The next step was the Comedie Francaise, but this "engagement" was short-lived, as she had an altercation with one of the leading lights, and was forced to turn in her resignation.

Her next acting engagement was at the Gymnase, but once again she was in trouble—she had the naive temerity to recite Victor Hugo before a Bonapartist Court!

Probably the one fine love affair of her life occurred at this time. She met Prince Henri de Ligne, bore his child, Maurice, (whom she loved and spoiled outrageously), but never married him. The Prince was willing, but his family talked her out of it. Sarah rejoined the Comedie Francaise, and her fame grew. What was she like—this young actress who was to become such a legend? In a day when curves were the fashion, she was as thin as Twiggy! (One of the famous sayings of the day was: "An empty carriage pulled up at the stage door and Sarah Bernhardt got out.")

She had a mop of tight, curly red-blond hair that was completely unmanageable. She had an uncontrollable "trac" (stage-fright) before her first entrance in any play, and this never diminished as her renown grew. Her favorite expression: "quand meme" ("in spite of every-

thing"), which was first said in defiance, became her trademark, and she had it embroidered on her linens, and used it at every opportunity. She could, and did, faint at will. Some of this weakness was feigned, some bona fide. Those who took this dramatic gesture with tongue in cheek noted that she never fainted until after her curtain calls!

Madame Sarah's greatest successes were probably her roles in PHEDRE, by Racine, HERNANI by Victor Hugo; her big best box-office appeal was her performance in LA DAME AUX CAMELLIAS.

Now that she had attained success in France, it was only natural that Sarah would tour London, and eventually other cities such as Brussels, Copenhagen, Paris—and finally, America. High society in London accepted her, but this was not true in New York.

Curiously, Boston accepted her with the Back Bay equivalent of open arms. Her tour in our country was made with three Pullman cars and Sarah's own lavish private car. It was in Russia that Sarah, as a woman, was to meet her Waterloo in the person of Jacques Damala—a man of Greek extraction, 11 years her junior—handsome, insolent, vain and quite despicable. He was a notorious Don Juan, whose charm lay in treating women with supreme indifference.

Sarah fell for him completely, insisted that he be given parts in her plays, and finally, in a desperate attempt not to lose him, persuaded him to marry her. He was addicted to alcohol and drugs—to such an extent that he finally died of the effects in 1889.

As Sarah grew older, she retained the amazing capacity to play younger roles with complete conviction. Her son, Maurice, married and had two daughters, who called their grandmother, simply "Great."

For years she had had trouble with one leg, and in 1915 she was forced to have it amputated. Did she stop acting? No indeed! She had a specially designed litter chair with two horizontal shafts by which she could be carried about—to the end she kept her fine, intuitive sense of the dramatic. One night in 1921 she started rehearsing a Sacha Guitry play. The night of dress rehearsal, while applying her make-up, she suddenly collapsed into a coma; a month later she was dead. She is buried in the cemetery of Pere Lachaise with a plain mausoleum bearing the single name "Bernhardt."

It would seem to me that Cornelia Otis Skinner has written the life of this great woman as it should be written—with love and devotion. The Great Sarah had a special genius—her voice was likened to divine music—she glowed with an incandescent light. She created her roles with instinct—it was a magic in the history of the theater.

## From Another Pointe of View

By Margaret Burns

The warm sunshine and soft breezes of spring can come too soon for several members of the Grosse Pointe Farm and Garden Club... for when that awaited spring arrives they will be helping their "gardeners" young friends at the Protestant Children's plant pansies in the soft earth outside each house.

Members have been doing this for many springs and report that a great rivalry develops between the two to see whose pansies are the biggest and best. Stanford Phelps, chairman, and Mrs. Frederick assistant chairman, both members of the club's garden committee, are the guiding spirits behind the project.

While that moment of spring is being anticipated, the club is also making plans for its meeting Monday, May 1, at the home of Mrs. Hugh Stalker. It will take place in the garden... spring is bound to have come by then, and will feature handicrafts items by members.

Mrs. Wilber H. Mack, the exhibits chairman, says this is a new idea in all the national branches of Farm and Garden Clubs and is designed to create greater interest in arts and crafts among members who already have a "garden's sake," design and fix magnificent flower arrangements.

With 13 new members in the Club, members expect a big turnout in their activities... one of which is giving a scholarship grant to a graduate student. Mrs. John W. and Mrs. Thornton E. Waterfall will shortly

Black Tie And Nationality Costumes To Mingle At May 6 Party In Cobo Hall; Patron Tickets Enable Foreign Students To Attend Free Of Charge

All of the elegance of a 17th century Court Ball will be reflected in the pomp and circumstance of the Grande Polonoise which will launch the program for the 20th International Ball at Cobo Hall Arena Saturday evening, May 6, under the auspices of the International Institute of Metropolitan Detroit.

Hours are from 9 to 1 o'clock, with music during the evening to be provided by Al Navarro and his orchestra.

Candle-light tables, punctuated by others centered with wicker cages brimming with garlands of roses, pink and red ribbons and white doves, dreamed up by Mr. and Mrs. Leland W. Foster, will cast a glow over the colorful scene.

And everywhere the pageantry of nationality costumes from all over the world will be observed against a backdrop of the more formal dress of patrons and other guests.

Everyone in the Detroit area is invited to attend by Mr. and Mrs. Kenneth R. Yager, general chairmen, and their co-chairmen Mr. and Mrs. Frederick J. Schumann. As in the past, Governor and Mrs. George Romney and Mayor Jerome P. Cavanagh and Mrs. Cavanagh will serve as honorary co-chairmen.

Mme. Donat A. Gauthier and Seymour Riklin as chairmen of the program committee have asked Alexander Sucek to perform the duties of master of ceremonies for the presentations to be made by eight ethnic groups. Dance groups will include: American Indian, Hungarian, Korean, Ukrainian, Lithuanian, Israeli, Hindu and African, all in authentic nationality dress.

Mrs. Harold L. Frank is chair-

The bride, the former Elizabeth Irene Palombit, daughter of the Louis Palombits, of Webber place, wore a gown of ivory peau de soie, appliqued with seeds pearls and lace and styled

Pearl and crystal-trimmed peau de soie roses held her illusion veil. Her flowers were white roses.

## Navy League Ball Scheduled June 2

Mrs. Robert G. Kales is Chairman of 25th Anniversary Party to be Held at the Grosse Pointe Yacht Club

The annual Navy League Ball, sponsored by the Detroit Women's Council of the Navy League of the United States, will be held on Friday evening, June 2, at the Grosse Pointe Yacht Club.

A nostalgic touch of silver will be added to the traditional Navy colors, to help celebrate the Council's 25th Anniversary year.

At Navarro and his Society Orchestra, a great favorite of the Council, will furnish the music for dancing.

One of the first honored guests to accept an invitation

to the Ball is Admiral William S. Guest, U.S. Navy, Commandant of the Ninth District and Chief of the Naval Air Reserve Training.

Mrs. Robert G. Kales is chairman of the Ball, with Mrs. George L. Johnson acting as co-chairman. Mrs. Thomas K. Fisher, who helped found the

Council in 1942, has been asked to be honorary chairman.

Mrs. George A. Weaver, (wife of Rear Admiral Weaver, USNR), who is president of the Detroit Women's Council, will act as official hostess.

Mrs. Charles A. Dean, Jr., a member of the National Advisory committee of the Navy League, Mrs. Frank Nair, a National director, and past Detroit Women's Council presidents, Mrs. William Bachman, Mrs. Sidney Chapin, Mrs. Marilyn Knack, Mrs. John Lavrakas and Mrs. Frederick C. Weiss have been asked to serve on the Ball committee.

Others who will serve include Mrs. H. Weston Burnett, Jr., Mrs. Walter Cornelius, Mrs. Edward Cygan, Mrs. James Forrester, Mrs. Theodore Foster, Mrs. Charles Gitlin, Mrs. Emil Grob, Mrs. James M. Hannan, Mrs. Chester Janowski, Mrs. Virgil Laine, Mrs. Lambert McQueston, Mrs. Albert Navarro, Mrs. R. R. Rath-

bun, Mrs. Sterling Richhart, Mrs. Jack Shafer, Mrs. Arthur Schultz, Jr., and Mrs. Aaron E. Wilcox.

The Detroit Women's Council was chartered during the crucial war year of 1942. Mrs. Thomas K. Fisher remembers that she made a hurried trip east to procure the necessary papers involved in the charter.

Under the inspired leadership of such civic-minded women as Mrs. Thorton R. Broadhead, Mrs. Edsel Ford, Mrs. Charles Gitlin, Mrs. Fisher, Mrs. Benjamin S. Warren and the late Mrs. Fred T. Murphy, Mrs.

Charles Fisher and Mrs. W. R. Kales, the new Council went to work to set up a canteen in the Broadhead Naval Armory. Dedicated members manned the canteen during the war years.

Among the canteen volunteers were Mrs. Louis Braun, who later became president of the Council, Mrs. Charles Gitlin, Mrs. Frank Nair, Mrs. Arthur Bufton, Mrs. Clarence Lindquist, Mrs. Harry Culbertson, Mrs. Arthur Kerwin, the late Mrs. W. O. Briggs and Mrs. John Pringle.

Monies obtained from the Navy League Ball and other

council fund-raising projects go toward the support of the Sea Cadet Program. Locally there are three Sea Cadet Units in the area, at Dearborn, Pontiac and the Broadhead Naval Armory, Detroit.

The Council also contributes to the Dolphin Submarine Scholarship fund, "A Day in the Navy," TV sets and merchandise for personal needs to Veterans Hospital and Navy and Marine projects in the area.

This year, funds will also be allocated to servicemen in the Vietnam area.

## 'Different' Meeting For Junior League

Members Gather on Buses for Tour of Detroit's Changing Areas and Visit to Major Display Studio

The Junior League of Detroit has recently scheduled something a little different in the way of a General Membership meeting: On Wednesday, April 26, at 9:15 o'clock, several busloads of League women left the Grosse Pointe War Memorial driveway for an informative and exciting tour.

The first stop was Riverside Lutheran Church, where Pastor David Eberhard discussed his problems and told of his services to members of this community.

Reverend Eberhard was originally sent to the church to close it, as it was considered hopeless and was losing its membership. He saw this temporary post turned into a rewarding and permanent job.

He told of the progress and new projects designed to reach

out to serve the needs of the people. After his talk, he pointed out the physical changes taking place too, changes which have left their marks of both beauty and blight.

After leaving Riverside Lutheran Church, the League members were driven through some of the changing areas of the city of Detroit enroute to a major display studio.

At the studio, the group saw large creations in the making—actual "behind the scenes" work.

## Dem Women To Study Crime

Crime problems will be discussed at three Wednesday morning meetings of the Grosse

Pointe Democratic Women's Discussion Group. Sessions are being held at 9:30 o'clock in the home of Mrs. Esther Glasser, of Moorland drive.

Mrs. Maya Elmer and Mrs. Winifred Bolton will report May 3 on findings of the President's Commission on Crime.

Walter Gibbs, of the Prosecutor's office, will speak on crime in Detroit and Wayne County at the May 10 meeting.

The guest speaker on May 17 will be a Grosse Pointe Police official, who will describe local police and crime problems.

All interested women are invited to attend the group's weekly meetings.

## INSIDERS' TIPS . . .

WE'RE OFF to the races with a fine field of entries, one of which is bound to be a winner for you. It's a fast track and all of these thoroughbreds are capable of moving in a hurry. Best you get your bet down with Purdy & Edgar or you may be left at the gate.

CLAIM 'THIS "sleeper" which is holding its own on Washington Road, in a line which has averaged much higher prices in recent sales. Descended from English stock, this has four bedrooms and two baths on the second floor, and two more and another bath on the third. Stable talk says this one may be claimed for \$35,000 . . . and all she needs is a little grooming.

WIN . . . you over with this smaller colonial in the Farms. It's an odds-on favorite if you require four bedrooms, and want a large family room with a window wall which leads to a secluded patio. Offered at \$56,000.

PLACE . . . yourself in the particularly large living room of this story and a half on Cadieux Road. There are two honest bedrooms on the second floor with a possibility of turning a storage room into a third. Master bedroom and full bath on the first floor, separate dining room and an enclosed porch make this a real winner at \$34,900.

SHOW . . . your better half what you have found on Provincial Road. And it may be claimed for a smidgin' of reproduction cost. There's enough room in the stable to house a fair-sized family. Win some smiles when you tell them the "new house" also has a swimming pool and about three acres of grazing land.

ALSO RAN . . . into a well proportioned colonial in the Radnor Circle area with three bedrooms and two full baths up. Sure, there is a family room and extra large kitchen. No hay burner, this thoroughbred is heated by economical gas. This one is coming on fast because the owner is preparing to move next month.

SO stake your chances on finding that "dream house" for your family . . . or the ideal buyer for your present home, with the combination which will put you in the winner's circle. Call Purdy & Edgar Associates. You couldn't make a better bet.

Aboard Enterprise

Commander Herbert G. Karsten, USNR, son of Mrs. H. E. Karsten of 201 Lakeshore drive, is at sea off the coast of North Vietnam as a crewman aboard the world's largest warship, the nuclear-powered attack aircraft carrier USS Enterprise.

With her angled flight deck four and a quarter acres in area, the mighty "E" has a complement of 120 officers, and nearly 3,000 men. As part of the ship's crew, he helps to launch and recover approximately 100 planes attached to the various air squadrons. These planes are flying round-the-clock air strikes over enemy targets in support of U.S. and allied forces.

As their primary targets, pilots are attacking the railroads, bridges, troop concentration areas, and supply routes which are so vital to the enemy's war effort.

The Enterprise is homeported in Alameda, Calif.

### Sigma Gamma Thinks Spring

Members of the Sigma Gamma Association held their spring meeting on Tuesday morning . . . in spite of the chilling air.

Meeting in the Provencal road home of Mrs. Douglas Campbell, the Association heard Mrs. Elfrida Falk, supervisor of occupational therapy at the Detroit Orthopedic Clinic, a Torch Drive agency founded and sponsored by Sigma Gamma, speak on her work.

Mrs. William E. Buble, Mrs. Elliot H. Phillips and Mrs. Gordon Weller assisted Mrs. Campbell as hostesses.

At Tuesday's meeting Sigma Gamma's annual clothing drive, which benefits the children at the Clinic, opened under the direction of Mrs. Peter Kennedy and Mrs. A. W. Moeta.

And as a final note . . . the charming Mrs. John Stroth was taken into the senior membership.

### Place Your Bets and Congratulations

The Junior Group of Goodwill Industries has a busy few days on its calendar. It will be a fun time when members and their husbands gather Saturday evening at 6:30 o'clock at Lochmoor Club for dinner and dancing.

The black tie affair will have as its motif the Kentucky Derby with a real-life horse greeting guests at the entrance to the Club. Mrs. George L. Domine, Jr., and Mrs. Bill O. Brink are members of the committee planning the gala.

And on Monday, May 1, the Junior Goodwill Group will celebrate a birthday at the Detroit Athletic Club . . . its own!

The birthday cake will have 35 candles on it and will bring back many memories to both its old and new members. The organization was founded in 1932 by Mrs. Edwin O. Bodkin with 25 other young women. Requirements for membership then were to distribute five Goodwill bags . . .

But what a difference 35 years makes . . . now there are 276 members who as probationary members are required to attend an orientation meeting, serve for one year as a member of the House and Hospitality Committee and contribute 75 hours of service during the year.

In those first years members were delighted if they made \$200 profit on a bridge party . . . this past year the Junior Group gave Goodwill Industries \$36,000. Our congratulations to the stalwart women who started the group and to those who have contributed and are contributing to its success.

### A Fond Farewell

After 22 years of being Grosse Pointe residents, Mr. and Mrs. Russell D. Van Houten have left their Trombley road home to "set up" housekeeping in Farmington. Mrs. Van Houten says they are leaving with much reluctance because Grosse Pointe has been an ideal community in which to raise their family . . . We wish them well in their new townhouse in Farmington and hope they return to visit old friends in The Pointe often.

### Circle Your Calendars

Grosse Pointe Yacht Club members . . . circle your calendars for Saturday, May 6. The occasion . . . Cinemaraces in honor of the Kentucky Derby. All sorts of events are being planned for the evening. But more of that later . . . just remember mint juleps will be served at 6:30 o'clock.

### FRANK BANACH, OF GROSSE POINTE HIGH SCHOOL

By Pepper Whitelaw

"The kids today are smarter, their knowledge is broader . . . they are more sophisticated. But they aren't any worse than their parents or grandparents were . . . there are just more of them," philosophizes Frank Banach, retiring Physical Education Director of Grosse Pointe High School. Mr. Banach knows what he's talking about: He has been teaching Grosse Pointe students for 39½ years.

A gentle man with a humorous twinkle in his eye, Mr. Banach loves to recall the "early days" when with a limited staff he led Pointe teams to victory after victory.

He started at the High School in February 1928, fresh out of Western State Teachers College in Kalamazoo. His official title was Physical Education Instructor and Coach.

The school at that time had an enrollment of 750 students, (this included grades 7 through 12). His schedule was a heavy one: Five classes of regular gym and coaching the football, swimming and track teams . . . plus handling a homeroom of 36 pupils.

**Loves Competition**  
"I always have wanted to be with boys. I love competition and physical exercise." (He played football, basketball and track himself . . . and was the captain of the Western State Teacher's College football team.)

Mr. Banach coached swimming a total of 28 years, track a total of 25 years and was varsity coach of the football team for three seasons. He has been Director of Athletics, (this includes physical education classes and intramural sports), since 1944.

"I believe if you mix humor and discipline, when dealing with boys you're bound to be successful," the coach adds thoughtfully. "I do everything I can to prevent a boy from failing . . . the few instances of failures I have had usually resulted in my becoming good friends with the lad . . . often I use these repeating boys as cadets in my gym classes."

When recalling the "early days" Mr. Banach tells of the time when the High School owned the only public swimming pool in Grosse Pointe.

**Big Feet Helped**  
"Everyone swam in the lake at that time. Why, in those days we always tried to pick the biggest boys we could find, because they had big feet. You see we had no lane markers, no starting blocks, and you had to touch with both your hands and feet when you turned . . . big feet helped," he chuckles.

"When I first started back in '28, we had only four meets a season. That year we ended up with a 3-1 win-loss record! My teams always won more than they lost. In all, we won 190 meets, lost 58, and tied five.

"We won at least seven League meets, tied one, and then went on to win 22 more! Although we never won a state meet we were runners-up three times.

**To State Meet**  
"In '42 I took four boys to the state meet. We came in

second with 28 points — the winning team beat us by just two points! At that time there were only 13 teams at a state meet." The Coach has an amazing memory for details.

Coach Banach proudly recalls the many All-Americans he had on his teams . . . swimming stars of the 30's and 40's.

He also recalls with pleasure the '32 football team he coached. "Why, they shut out every opponent except their last . . . Mt. Clemens," he muses. It was said that Banach ruled the football team with "an iron hand and a gentle heart." He was loved and respected by all "HIS" boys.

When he joined the High School staff, he took over the responsibility of coaching reserve basketball and varsity swimming as well. After a year, he dropped basketball and devoted his winter seasons, all 28 of them, to swimming.

He devoted almost the same amount of time to high school football, where his responsibilities varied from reserve, to assistant and then to head varsity coach. He coached both reserve and varsity track for over 25 years.

**State Committees**  
Throughout his long career, Coach Banach has taken an active part in state committees for swimming and track. These committees of high school coaches set up regulations and policies for league and state meets throughout the year.

One of the biggest thrills in Mr. Banach's life was being elected to the Athletic Hall of Fame, sponsored by the Michigan Athletic Association.

The coach has seen the High School's enrollment rise from 750 to the present 3,000. He has seen a lot of students through the doors of Grosse Pointe High School. He has seen a lot of changes in both the school and the community.

He has been an integral part of the history of the Pointe.

**Plans to Travel**  
Now he is ready to go on to other things. For Coach Banach retirement will not mean sitting back and watching the world go by. He plans to travel the United States.

He also plans to keep his hand in the physical education department by substituting, ("I could never completely give this up!") and he wants to pursue his hobbies.

He loves decorating, painting and generally tinkering around his home in Notre Dame avenue. He even built the fence that surrounds his house. An avid gardener, he plans to spend lots of time learning more about his favorite flowers, hybrid mums.

He also plans to pick up a hobby of days gone by: Making hooked rugs. "You see, before

I was married I used to design and make hooked rugs . . . I used to get my students to bring in old stockings and materials from home, then I'd dye them and use them in my hooked rugs," he laughingly relates.

### Decorates Handbags

His current hobby is decorating fabric handbags with jewels. He has made several of these for his wife and daughter and their friends. "They are real little jeweled beauties," he adds.

The coach can't say enough about his charming wife of 36 years, the former Agnes Kerr. "She was in the first graduating class held by the Grosse Pointe Board of Education in 1925 from the Old Cadieux School," he reminisces. After graduation from Detroit Business College, Agnes accepted a job as secretary to Dr. Brownell. She and Frank met in the school system.

Agnes still works for the Board of Education on a part-time basis.

The Banachs have one daughter, Mary, who was graduated from Grosse Pointe High in 1950, an honor student and commencement speaker. She attended the University of Michigan. She now makes her home with her husband William and her two children, Mark and Billy, in Naperville, Ill.

**Born in Menominee**  
A native of Menominee, Mr. Banach was graduated from Menominee High School in 1923. He attended Northern Normal in Marquette for two semesters and then went on to graduate from Western State Teachers' College in Kalamazoo, receiving his BS degree.

Looking back over his 39½ years at Grosse Pointe High School, Coach Banach says with sincerity, "It is all I've ever wanted to do . . . if I had the opportunity, I'd do it all over again!"

How many people can say that of their lives and careers?
