

# HOSPITAL PLEA HEARING HELD

## HEADLINES

of the  
**WEEK**  
As Compiled by the  
Grosse Pointe News

Thursday August 8

RICHARD M. NIXON has been selected to lead the Republican party against the Democratic nominee for the Presidency. Nixon won on the first ballot in Miami, Wednesday night. Balloting for vice-president will begin tonight.

FORMER PRESIDENT Dwight D. Eisenhower, who suffered a major heart attack Tuesday morning, is reportedly resting comfortably and is free of pain according to his doctors at Walter Reed Hospital. This was Eisenhower's sixth heart attack. The doctors added that it will take a few days to assess the heart damage caused by this latest attack.

Friday, August 9

SPIRO AGNEW became the GOP nominee for the vice-presidency on the ticket last night, polling 1,128 votes at the Republican National Convention for 178 for Michigan's Gov. Romney, the choice of leaders of a minor revolt against the No. 2 choice, Agnew, governor of Maryland, is believed to be Nixon's choice in hopes of gaining "suburban strategy" with the Nixon-Agnew ticket.

THREE NEGROES were killed by gunfire last night in a wild outbreak of rioting in Miami's two largest Negro districts. Order was restored today by three hundred national guardsmen and deputy sheriffs, except for scattered violence, after police had battled against rioters' bullets, bricks and bottles. Police said nine Negroes and one white person were wounded in the riot, which occurred only six miles from the Republican National Convention site in Miami Beach. Nearly 200 arrests were made.

THE 267 DAY-OLD newspaper strike, the longest and costliest shutdown in the nation's history, ended with the publication, today, of The Detroit News.

Saturday, August 10

SOUTH DAKOTA'S Senator George S. McGovern formally announced his candidacy for the Democratic presidential nomination today. He had already agreed to serve as a convention "rallying point" for disconsolate backers of the late Senator Robert F. Kennedy, but had resisted pleas that he go beyond a favorite-son role. The conservative flavor of the Republican ticket selected this week is thought to have helped the liberal change his mind. McGovern, 46, a critic of the Vietnam War, is scheduled to outline a plan for peace before the platform committee when hearings open a week from Monday.

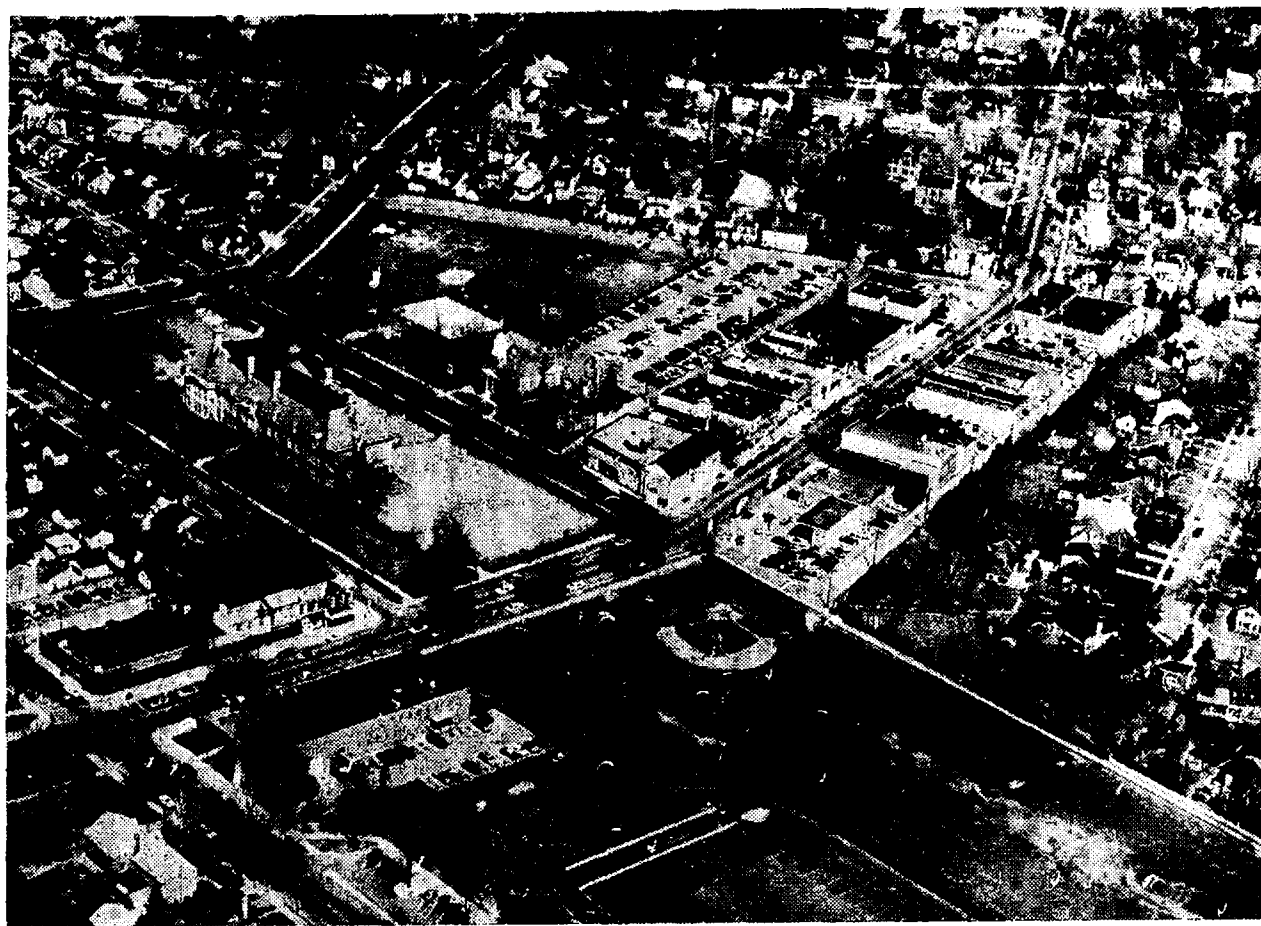

RICHARD M. NIXON set out today to begin his Republican presidential campaign by visiting President Johnson at the LBJ Ranch in Texas with his running mate, Maryland Gov. Spiros T. Agnew. Nixon hopes to make his surprise vice-presidential nominee a man familiar to the nation. The pair will also receive a Vietnam briefing from Cyrus R. Vance, deputy U.S. negotiator in the Paris peace talks.

Sunday, August 11

THE DETROIT TIGERS moved one step closer to the World Series when they beat the Boston Red Sox twice today in a double header in Tiger Stadium. The winning hits in both games were made by Gates Brown, whose homer in the 14th won the opener, 5-4, and his single in the ninth won the second game, 6-5. This helped put the Tigers on their way to their eighth American League pennant, which would be their first in 23 years.

POPE PAUL, obviously distressed by the critical reaction to his encyclical against birth control, asked Roman Catholics to pray for him. The 70-year-old pontiff said he would be praying for them.

## Woods Wins Inter-City Swim Meet

**Captures 23 of 40 First Places To Gather More Than 100-Point Lead Over Farms**

By Lincoln Lee

The swimmers of Grosse Pointe Woods captured first place in the Annual Inter-City Swim Meet last Saturday, August 10. The impressive Woods swimmers racked up a total of 23 firsts, and took first and second in seven events. Following more than 100 points behind the Woods were the Farms, Shores, Park and City swimmers.

Brian Fink, Lisa Beckenhauer, Mary Beth Ryan, Tom Heholt, Carron Promack, and Gary Hoffman took two firsts each for the Woods, while the Park's 10-year-old boys Dave Wyhorski and Tom Matthews divided the four firsts in their age group between them.

Turning in an outstanding performance for the Shores was Bob Cleari, who took two firsts against very tough competition.

The Results

Following are the results and times of the 40 events:  
1. Boys Medley Relay — 12 and under, 200 meters: 1. Woods, 2:31.3; 2. Park, 2:49.3; 3. Farms, 2:59.1; 4. Shores, 3:04.2.  
2. Girls Medley Relay — 12 and under, 200 meters: 1. Woods, 2:41.2; 2. Farms, 2:47.0; 3. Park, 2:49.4; 4. City, 2:50.4; 5. Shores, 2:51.6.  
3. Boys Freestyle — 8 and under, 25 meters: 1. Bob Roh, (Continued on Page 14)

## Chronic Criminals Get Off With Very Light Sentences

Two young men who have a record of eight different breaking and entering violations in Grosse Pointe alone, received what police called "light sentences," when they appeared before Wayne County Circuit Judge Nathan Kaufman in Detroit last Monday.  
Jerome Peter DeHoff, 19, of 23231 Glenbrook avenue, St. Clair Shores, and Robert Parris Goodall, 18, of 3663 Maryland avenue, Detroit, were arraigned in March, and entered pleas of guilty to the charges on May 29. The Grosse Pointe Park police blotter shows that the two men had illegally entered the VerDonck Bakery, at 15046 Mack avenue, on four different occasions, and the Points Market, 15134 Mack, (in the next block) three times.

## Study Comparative Costs Of Educating Pupils in Similar School Systems

**Superintendent Dr. Theos Anderson Reveals Results Obtained So Far Indicate Points In 19th Position From Top Of List**

Dr. Theos I. Anderson, Superintendent of The Grosse Pointe Public School System, has revealed the results of a study conducted by his office of per pupil costs for the 1968-69 year in comparable suburban school districts across the nation.

He said that in a poll of 45 member districts of the Center for Study in Educational Personnel Policies, Inc., 28 had responded to date with estimated figures for the coming year.

"I wish to stress that the figures are estimated," Dr. Anderson said. "They show us to be 19th from the top. Our estimated per pupil cost is \$943.32 for the coming year (excluding operation of the public libraries)."

Fifteen of the school districts that responded have estimated per-pupil costs of over \$1000 for 1968-69. The list includes five New York communities: Scarsdale, \$1,677; Manhasset, \$1,667; Bronxville, \$1,592.76; Garden City, \$1,586, and Commack, \$1,246.19.

In one Missouri district, Clayton, officials estimate that it will cost \$1,432.00 to educate a single student during 1968-69.

Four Illinois suburbs fell into the more-than-a-thousand range, Dr. Anderson said. They are: New Trier at Winnetka, \$1,400; Evanston Township High School, \$1,325; Highland Park, \$1,290, and Glenview, \$1,065.08.

In California, the Beverly Hills Public Schools have reported their per-pupil cost for 1968-69 at \$1,298.85 and Palo Alto is \$1,129.30.

Officials in Shaker Heights and Montgomery County in Ohio reported projected expenditures of \$1,050 and \$1,008.40, respectively.

Cost of educating a pupil in Weston, Mass. for the coming year has been pegged at \$1,002.

Three suburban school districts with a per-pupil cost in the range between Grosse Pointe and the top 15 are Tenafly, N. J. (\$996.52), Shorewood, Wisc. (\$986.59), and the elementary schools of Evanston, Ill. (\$946.68).

Suburban school systems with lower per pupil costs than Grosse Pointe for 1968-69 include Edina, Minn.; Arcadia, Calif.; Mt. Lebanon, Penn.; Kirkwood, Mo.; and DeKalb, Ill. These range downward from \$825 in DeKalb to \$552.53 in Edina.

Dr. Anderson said that his office was attempting to gather comparative data on per pupil costs and tax rates from 10 Detroit area school systems, but found that most of them were not yet releasing estimated figures for 1968-69.

## Pointes Get \$113,362 of Road Fund

**Second Quarter Distribution Made By State Commission; Gas Tax Increase Boosts Receipts**

The State Highway Commission has started distributing second quarter Motor Vehicle Highway Fund collections to Michigan counties and incorporated cities and villages.

From Wayne County's share of \$4,244,800, the Pointes will receive the following: Grosse Pointe, \$14,087; Grosse Pointe Farms, \$26,279; Grosse Pointe Park, \$30,956; Grosse Pointe Shores, \$4,896; and Grosse Pointe Woods, \$37,144.

Henrik E. Stafseth, state highway director, said net Highway Fund receipts during April, May and June totaled \$67,060,769, an increase of \$11,133,623 or 16.6 percent more than the same period of 1967.

Most of the increase is attributed to the cent-a-gallon increase in the gas tax which took effect last January 1, he said.

The Motor Vehicle fund includes all state gasoline and diesel fuel taxes, and license plate fees. After deductions for collection costs and the State Waterways Commission's share, 46 percent goes to the state, 34 percent to the counties and 20 percent to the 525 incorporated cities and villages, for use on state and local highways, roads and streets.

Under this formula, the Department of State Highways will receive \$30,847,954; the cities \$22,800,661 and villages \$13,412,154.

## Biting Squirrel Killed by Police

A biting squirrel was shot by Woods police on Friday, August 9, after it bit Stephen Hart, 2189 Hampton, on the index finger of his right hand.

The incident took place at the 2104 Hampton residence of Mrs. Juanita O'Toole, who along with her son, John, pointed out the squirrel to officers. Police attempted to catch the squirrel but were unable to do so.

They then shot him out of a tree and sent his remains to Herman Kiefer Hospital for a rabies test. The youngster was treated by his own physician and the family is awaiting the results of the tests on the squirrel.

## Discuss Basement Flooding Again At City Meeting

**Officials Explain to Residents What Caused Problems and Steps Being Taken to Remedy Situation; Sewers Being Cleaned**

By Pepper Whitelaw

Flooded basements were once again the main topic of discussion at the Monday, August 12, meeting of the City of Grosse Pointe Council. As promised at the previous meeting, the City Engineers presented a report on the Fox Creek Sewer overload situation that has had residents of Lakeland, Lincoln, Washington and Rivard mopping sewage from their basements.

Residents from the Lincoln, Washington and Rivard area presented a petition with 123 names, regarding flooding conditions earlier in the day.

Engineer George G. Jerome explained just exactly what happened during the last storm on July 27. He said that according to Detroit engineers, the storm came from a northwesterly direction and simultaneously hit the area of all three pumping stations, City of Grosse Pointe, Grosse Pointe Farms and Blue Hill, filling the interceptor systems.

Then the rain abated before a second deluge hit and the Detroit interceptors containing dead water from the first downpour, refused the added water and contributed significantly to the problem.

Detroit officials went on to explain the storms normally hit from west to east, and that this quirk of nature triggered the problem. Compounding it was the fact that the Fox Creek Backwater Gates, which normally open up and allow the water to flow into the Fox Creek Open Channel, did not open. Why didn't they open? Well, according to the Detroit engineers, there were three contributing factors. One, the river level is abnormally high at this time of year; two, Grosse Pointe Park was also discharging storm water into the open channel; three, the south wind also raised the elevation of the water in the channel.

What are the solutions to these problems? Detroit, which had 6,000 flooded basements of its own during the last storm, is currently installing a \$2.5 million dollar system of automatic water, (sewage flow), equipment. This system will monitor sewage flows and levels at key points and junctions in their interceptor system and will automate the system so pumps can be controlled from a central location. This system should be completed in the near future.

The program will provide a network of rainfall receiving stations throughout the area which will by teletype, alert the central point as to the size and severity of storm conditions and their potential effect on the sewage system.

Hopefully this should greatly improve the operational aspects of the Detroit sewer systems during severe storms and subsequently relieve the City of Grosse Pointe's problem.

Grosse Pointe City officials have alerted Detroit as to the seriousness of the problem City residents face and have urged Detroit to take all interim steps possible to alleviate and prevent (Continued on Page 2)

## Bon Secours Asks Change In Zoning

**Many Residents Attend Airing of Institution's Arguments to Expand Facilities**

Hot, humid weather didn't deter interested residents of the City of Grosse Pointe from attending a public hearing regarding the request of the Sisters of Bon Secours to amend the present zoning ordinance of that city and allow the hospital to carry out plans for expansion of its facilities, August 7.

A capacity audience filed into the gymnasium of Maire Elementary School to present the pros and cons of that request. The entire procedure was ably conducted by Mayor David Burgess, who kept the emotion-packed group under control throughout the session.

The Sisters of Bon Secours purchased the property in 1925; in 1927 it was put to use as a nursing home. The City adopted its first Zoning Ordinance in 1934 and in 1932 a hospital to accommodate 32 to 36 beds was constructed. The city amended the zoning ordinance in 1951, not permitting a hospital south of Kercheval. Bon Secours petitioned the City Council in 1952-53 to expand to 160 beds. Permission was granted by the Council with the stipulation that 160 parking spaces be provided by the hospital.

**Bought Parking Space**  
The hospital purchased land to provide for street parking in May, 1956. Zoning ordinance No. 96 was modified in March of 1957 and required one parking space for each patient bed and one parking space for each five staff persons. Shortly after this the hospital requested rezoning of a strip to provide additional parking. The Council took no other action.

In December of 1960 the hospital once again petitioned the city to rezone the strip for parking.

The hospital withdrew its rezoning request in September of 1961, in order to gather factual information to present at a public hearing to support its position that expansion was urgently needed. The Council accepted the withdrawal request in late September of 1961 and ordered the hospital to comply with parking requirements of the amended zoning ordinance.

The City, on April 16, 1962, allowed the Hospital to expand its parking lot up to within 25 feet of Maumee and Note Dame property lines, and on January 21, 1963, the City amended the Zoning Ordinance to provide that non-conforming uses could not be further expanded and that no building could be erected to a height greater than 36 feet.

**Asks Rezoning Again**  
Once again, in April, 1963, the hospital requested rezoning of the strip to permit parking and to permit a variance for the construction of an addition to the hospital of a height greater than 36 feet. A public hearing was held in May, 1963, regarding this request.

The expansion question was put to an advisory vote in November 1963, with 1,219 yes votes and 1,362 no votes.

The Council in November of 1963 denied the hospital's request to rezone.

Bon Secours then filed suit in Wayne County Circuit Court on March 10, 1964 and on May 23, 1965, the Court decided in favor of the hospital. A Circuit Court judgment was entered on July 30, 1965.

The City filed to appeal the lower Court decision with the Court of Appeals on August 17, 1965, and on November 16 of that year petitioned the Michigan Supreme Court to bypass the Court of Appeals and have the Michigan Supreme Court decide the issue. That petition was denied by the Michigan Supreme Court on January 24, 1966.

**Compromise Reached**  
The City and the hospital entered into a compromise agreement on April 12, 1966, in the form of a consent judgment, permitting the hospital to expand to 320 beds, under controlled conditions. Residents on April 13, 1966, then filed an application to (Continued on Page 6)

## Pistol Possessor Trapped By Missing License Plate

When Michael E. Okins, of 630 Parkview avenue, Detroit, was arrested last Friday afternoon on Lake Shore road for not having a front license plate on his car, which he was driving too fast, Grosse Pointe Shores police found he had a 9 mm. caliber foreign-made six-shot automatic pistol in his glove compartment.

The police also said they found an extra clip of six and a box half full of the same caliber shells, in addition to 25 rounds of ammunition for a .38 Smith & Wesson.

A police scout car paced the 1961 Volkswagen driven by Okins from 501 Lake Shore Drive, just past the south Shores' limits at 43 miles per hour, according to the report.

At the police station Okins admitted he never had a Michigan automobile operator's license, or a car registration ticket.

When the police impounded Okins' car they found that neither the door nor the glove compartment could be locked with the available key. At that point they began to remove a surveyor scope, and miscellaneous clothing they saw on the seat. Then they opened the glove compartment and found the gun and ammunition.

Arraigned before Shores' Municipal Judge George A. Beauchamp last Saturday, Okins was released on a \$500 bond.

votes. His closest rival was Nicholas Arvan, with 168. The two other Democrats who ran, Stephen M. Taylor, and Samuel G. Thorne, each received 110 votes.

In the race for Wayne County sheriff, Republican Allan H. Casinelli far outdistanced all other candidates on both tickets, with a total of 3,450 votes. Trailing him were James E. McCarthy, with 2,700, and Kenneth M. C. Gallagher, 1,251. Roman S. Gibbs, incumbent sheriff, led the field of 16 Democrats on the ballot, with 1,368 votes. Among those seeking the office were Philip J. Van Antwerp, a Detroit city councilman, who received 492 votes, and Peter L. Buback, who re-

cently resigned from his office of sheriff, and attempted to make a come-back by entering the August 6 primaries, was favored by 157 Pointers. Both Buback and Van Antwerp ran on the Democratic ticket.

**Brooks Unopposed**  
Charles A. Brooks had no opposition as a Republican candidate for Wayne County clerk. He polled 5,653 votes, more than twice as many as three Democratic aspirants, who were Edgar M. Branigin, incumbent, 1,260; Charles N. Youngblood, 642, and Stephen J. Gotowka, 164.

Louis H. Funk, incumbent County treasurer, running alone on the Democratic ticket, received 1,693 votes, while 4,777 ballots were cast for Eugene J. Szymanski, and 2,272 went to Gladys Williams, both Republicans.

For the office of Register of Deeds, Thomas J. Ahart, the only Republican on the ballot, received 6,486 votes. Democrats Bernard J. Youngblood, incumbent, and Charles W. McLean, chalked up 1,550 and 352, respectively.

Candidates for drain commissioner wound up this way in the Pointes: Republicans, A. L. Meredith, 4,805; Walter G. Nakula Jr., 2,150. Democrats: Henry V. Herrick, 833; Bernard F. O'Brien Jr., 572; Charles Williams, 266, and Roy D. Watt, 117.

County Auditor: Democrat John F. Williams, unopposed, 1,571. Republicans: Richard D. Berch, 5,301; Virginia Sobotka, 1,279.

**Board of Supervisors**  
Top runners in the long list of candidates for a seat on the Wayne County board of Supervisors, first district, which includes the Woods and the Shores, were Republicans, Donald Brown, 1,645 votes, and Ross C. Christie Sr., 876. Democrats Perry W. Lewis, with 209, and Frank Condino, 99, one-two on their ticket which contained 17 names.

In the third district in which the Park, City and Farms are situated, the Republican leaders were William L. Bryant Jr., 1,459; Matthew E. Connor, 1,233, and Eugene C. Mathivet Jr., 1,008. Democrats: Marion Maciocce, 248; Thomas J. Fox Jr., 182, and Bernard L. Van Antwerp, 202. There were 18 candidates listed on the ballot for the single post.

Richard M. Maher led his two opponents on the non-partisan ballot for Judge of the Circuit Court, with 3,001 votes. John D. O'Hair was runner-up with 1,993. Thomas H. O'Brien scored 1,795.

**State Proposals**  
Probate Court: Joseph J. Pernick, now a Common Pleas judge, with 2,553 votes in the Pointes, was far out in front of the five other candidates in the race. Of these Daniel N. King was second, with 1,731, and Philip A. Gillis, third, with 1,079.

On State Proposal, No. 1 (Judicial Tenure Commission) the vote was Yes, 8,792; No,

(Continued from Page 1)  
a recurrence of June 25 and 27 overloading conditions.

In the meantime the City of Grosse Pointe and Detroit will continue to work together to find all possible long and short range solutions to the problem. Hopefully Detroit's manual operations will be improved to help alleviate these flooding conditions.

**Questions Answered**  
Residents questions as to whether the new sewer system installed about two years ago had any direct responsibility in the recent flooding conditions now appears to be answered. It has not. In fact, without the new system the problems would have been significantly worse.

Also, the City of Grosse Pointe has expended a great deal of time and effort of late in an expanded sewer cleaning operation. In the previous three-year period an average of 12,000 lineal feet were cleaned. During the past year over 60,000 lineal feet were cleaned. Included in this cleanup were nearly all the sanitary and storm sewers in the City, which in the past had been cleaned primarily on an emergency basis.

Currently the City is cleaning a number of storm sewers, some of which are root infested and need to be cabled and bucketed. City Manager Thomas Kressbach says this is a slower process and will result in lower production in terms of footage.

**Unusual Discoveries**

Mr. Kressbach said that sewer cleaning sometimes reveals unusual and humorous items. For example found most recently were plastic diapers, a plastic table cloth, a garden hose and are you ready for this? ... a girdle. These items in the system serve as water-proof plugs, so if one of these rainy days your inclined to cast off that confining girdle or even flush Junior down, remember, it may do your system some

1,966. No. 2 Proposal (State Officers' Compensation): The Noes had a small margin, 5,479 to 5,324 in favor.

The Yes vote on Proposal No. 3 (Filling of Judicial Vacancies) indicated emphatic approval, with 8,956 to 1,848 Noes. The Yesses also won by a large margin on the County Proposal (Tax Limitation Proposition). The score: 7,541 to 3,272.

## Students Warned About Enrolling

Students planning to attend South High School and who are not yet enrolled, are urged to contact the school office, (884-3200) to arrange an enrollment conference as soon as possible.

All student new to the Public School System who are to attend South High School in Grosse Pointe, are asked to report for entrance tests on Wednesday, August 28, at 9:30 a.m. Some new students have taken these tests in June and are not required to attend the August test session.

## PREFERS JAIL TO FINE

Everetta Stark, 4899 Opal, Detroit, who appeared before Woods Municipal Judge Don J. Goodrow, on Saturday, August 3, for driving on a revoked license, and was found guilty and fined \$50 and given five days in Wayne County Jail, and who appealed the case, and posted \$250 bond, came into the station with Court Clerk, Marie Surbrook on Tuesday, August 6, and told officers she had decided to serve the five days in jail rather than appeal. She was taken to Wayne County Jail by officers Everett Plum and James Weyhing.

## Flooded Basements

At the conclusion of Monday's meeting the citizens left, satisfied that the City fathers were doing everything possible to eliminate their problems and the Council left, determined to continue working toward a solution.

### Reckless Driving Leads to Arrests

City police Dwight Scott and Ronald Pryor arrested two youths for reckless driving on Saturday, August 10. At that

time the officers observed the pair traveling at a high rate of speed south of Washington, at approximately 45 m.p.h.

Both failed to stop for a stop sign at Charlevoix. At that time Pryor and Scott observed a flashing blue light on the dashboard of one of the cars.

Officers chased the cars south on Washington to Waterloo, west on Waterloo to University and south on University to 587 University where both cars stopped.

One of the youths ran into that address. Officers called to him to stop but he continued into the house.

Police then talked to Jon Casey, 28, of 1337 Lakewood, Detroit, who was driving one of the cars. The father of the other driver, Bruce Nichols, 95 Tonnacour, came out of the house and spoke with the officers. Both boys were taken to the station and issued violations or reckless driving. Police removed the blue flasher from the vehicle.

### Inspecting Her New School

### Lawn Damaged By Daft Driver

Last Sunday night neighbors called Farms' police to report that laughing occupants of a white car with red racing stripes deliberately drove over the curb and onto the carefully curbed lawn of a home at 220 Fisher road.

There the driver spun the rear wheels, making ugly ruts in the yard, then drove off. The men in blue arrived too late to collar the victims, but they report they are following some excellent leads.

### Two Residences in Park Broken Into; One Robbed

Two Grosse Pointe Park homes were recently broken into and entered while the owners were away on vacations. Only one was burglarized.

When their daughter and her husband, Mr. and Mrs. Arthur Engstrom, of 1228 Three Mile drive, went to make another check of the home of vacationing Mr. and Mrs. E. Quimby Smith at 947 Berkshire road, they found a rear door ajar, and summoned police.

There was ample evidence of burglary, but no estimate of the value of stolen goods can be made until the Smiths return, according to police.

Burglars gained admittance to the house by smashing out a pane in a French door, and cutting a bolt chain, police said. The entrance was made some time between August 8 and 11, between inspections of the home by the Engstroms, they added.

Some time between July 27 and August 7, "an unknown person or persons" broke into the home of Mr. and Mrs. Robert J. Binder, at 1427 Buckingham road. When Park police made a check on the house at 5:40 a.m. last Thursday they found the rear door ajar.

They also discovered that someone had kicked hard on the door until the screws holding the bolt panel were forced loose. There also was evidence, police said, that a futile attempt had been made to replace the bolt in its former position.

A police investigation indicated that the house had been lived in for a brief period. The Park detectives also found that a "security box" had been re-

moved from a dresser drawer, and a feeble attempt made to break it open.

When the Binders returned from a Florida vacation on August 9 they found there had been no larceny from the premises, according to police who are still investigating both incidents.

**Major Political Battle Slated in 14th District**

Michigan's 14th Congressional District began shaping as a major political battleground of the 1968 campaign following a decisive victory by Peter O'Rourke in the Republican primary.

O'Rourke making his first bid for national elective office, defeated Leslie Crane by a margin of almost two-to-one to capture the Republican nomination. His victory climaxed a hard driving person-to-person campaign such as the Republican party has not mounted in that district in many years.

O'Rourke's campaigning days stretched from dawn to dusk, starting at factory gates, moving on to shopping centers and other hubs of activity and winding up with door-to-door blitzes of residential neighborhoods. He moved at the head of a full blown campaign caravan complete with a seven-piece band, a platoon of gaily dressed "O'Rourke Girls," and squads of teenagers.

As the GOP candidate, O'Rourke has promised to use the same type of barnstorming, handshaking crusade to unseat incumbent Democratic congressman Lucien Nedzi.

"People are fed up with what they have been getting from the Democrats in Washington for the past eight years," O'Rourke said in his victory statement. "If the Republican party goes to the people and shows them there is a better way, I am certain we will win."

"I intend to wage the most vigorous campaign the 14th Congressional District has seen in a generation," O'Rourke said. "I am going to talk to everyone—Democrats, Republicans, independents—anytime and anywhere I can. My message will be simple and straight from the shoulder."

"In the last eight years terrible things have happened to this country. At home criminals and malicious troublemakers have been allowed to make a mockery of our democratic society. Hoodlums and thugs have been protected and turned loose to roam our streets. Mobs have been allowed to rampage our cities and their leaders appeased and excused. People whose only aim is to destroy lawful authority and create disorder have been catered to by high public officials."

"Abroad we have spent 25,000 American lives and untold billions of dollars in a war that has been misplanned, mismanaged and misrepresented to the American people from the start and for which no end is in sight. Our foreign policy has alienated our friends and aided our enemies. Our stature in the eyes of nations around the world has been eroded to an unprecedented degree."

"Those responsible for leading this nation have failed badly. The main reason for their failure is that they have lost touch with the American people."

"We have seen those in power pay more and more attention to special interest groups and extremists and less and less to the individual whose only interest is to be a good citizen and a decent human being."

a decent, hard working, law abiding guy who hasn't got time to march in demonstrations, take part in flag burnings, invade public offices, or do any of the other things that are lately the way to get attention from government. He's too busy raising his family, earning a living, and trying to be a good neighbor and a responsible citizen."

"But I believe the forgotten Americans are ready to make themselves heard."

"I intend to direct my campaign to them and to tell them at every opportunity that when I take my seat in Congress, they will be my first concern and their interests are what I will work for."

O'Rourke, a 34-year-old Detroit attorney, has a tough fight ahead. No Republican has been elected to Congress from the 14th district for over 20 years.

The district is comprised of most of Detroit's east side, Hamtramck, the Grosse Pointes, and Harper Woods.

O'Rourke has put together an organized campaign team and is expanding it. He has a large and growing band of young adults and teenagers willing to work hard for his election. Their enthusiasm is matched by a score of grey heads darting in and out of the campaign headquarters.

O'Rourke is a veteran of three years as an officer in the U.S. Coast Guard, including two years of sea duty in the Pacific and Far East. He is a native Detroit, educated in Detroit schools and thoroughly familiar with his district.

### School Millage Poll Conducted

Dr. Theos I. Anderson, superintendent of the Grosse Pointe Public School System has revealed the results of a telephone poll conducted among 11 Detroit metropolitan area school districts to compare total millage for school purposes for 1968-69.

He said that Grosse Pointe, with its current millage of 25.49 is in 9th place among the 11 districts included in the survey.

The school tax paid by residents of these districts may be computed by adding a dollar sign to the following numbers to arrive at the amount paid by a resident on each thousand dollars of the state equalized valuation of his property.

Bloomfield Hills ranked first, with 38.94, Oak Park was second with 37.27 and Livonia was third, with 35.97.

Occupying fourth, fifth and sixth places, respectively, were Birmingham (34.20), Warren (33.61), and Ann Arbor (32.58).

Southfield was in 7th place with 31.10 and South Lake in St. Clair Shores was 8th with 27.61.

Ranking below Grosse Pointe's 25.49 were Dearborn with 23.65 and Detroit with 22.50.

Even with the passage of Grosse Pointe's two millage propositions on September 12, Dr. Anderson revealed that the addition to 5.5 mills (4.5 for operation and 1 for building improvement) to the present total would place the schools in 8th place among the districts in the survey.

Pictured is the car involved in the accident in Stanhope avenue in Grosse Pointe Woods in which Mrs. Carmella Caccia, 81, 2120 Stanhope, was fatally injured, and her daughter and driver of the car, Mrs. Flora Benvenuti, 23901 Mackay, Romeo, Michigan, was injured. The car came to a stop on Mrs. Caccia's own front lawn. Mrs. Benvenuti is still in St. John Hospital where she is said to be in fair condition. Police are investigating circumstances surrounding the accident.

### Penalize Drivers For Infractions

Five Pointers had their drivers' licenses suspended during the weeks of July 19 and July 26, and four Pointers had their licenses revoked.

Among those whose licenses were suspended for an unsatisfactory driving record were: Gregory Anthony Simon, 49, of 1236 Three Mile drive; Lawrence Fisher Drummy, 47, of 86 Lothrop; and Thomas Vincent Furnari, 47, of 1029 Balfour.

Two others who had their licenses suspended were: William Emmett Kidd, 30, of 883 Westchester, who was arraigned for driving while under the influence of liquor and given a financial responsibility suspension; and Terrell Eugene Thomas, 32, of 85 S. Berkshire, who was reprimanded for improper consent.

Thomas Gilbert Kennedy, 43, of 821 Trombley, was among three Pointers to have his license revoked for an unsatisfactory record, along with Christopher Lutowski, 50, of 1285 Grayton and John Matthew Kaskela, 32, of 25 Elmleigh Lane, who were also arraigned for failing to appear in court.

### Arrest Youths Carrying Liquor

Two 17-year-old youths, Charles C. Renner, Jr., 20917 Hampton, Harper Woods and David Anderson, 5995 McKinley, Warren, were picked up by Woods police on Saturday, August 10, when they were observed running east across Mack from Brys Woods with large paper sacks.

Police stopped the pair on East Eight Mile, east of Mack. Protruding from one of the sacks was a six pack of beer. Officers then advised the boys that they were under arrest and took the pair, in separate cars, to the Woods station.

Police then tried to contact the youths' parents. They were unable to reach Renner's parents, so he was released and given a court notice to appear as a minor in possession, on September 21. The Anderson boy was released to his father.

Also found in the sacks the boys were carrying were: one pint of whiskey, four six packs of beer and two full bottles of cream sherry.

### Wind Wipes Out Two Old Friends

The Jeremiah McCarthy home on South Oxford, in Grosse Pointe Woods, can no longer be called the home of the Twin Pines. Last Wednesday's five-minute storm took care of that. It whipped through this area in the Woods at 5:30 a.m. leaving a path of broken trees and fallen wires in its wake . . . among them the handsome, 30-foot, blue Spruces, which framed this 27-year old South Oxford home. The trees will be missed by neighbors who often gazed with admiration at their majestic beauty . . . and the house . . . looks lost without their protection.

And grandfather, John J. McCarthy, 84, who always looked for the tops of the spruces to come into sight after his daily two-mile walks, will miss them too. It's like losing two old friends.

### FISHING ROD GONE

For a short time Alfred Tuller, of 14045 Pinewood avenue, Detroit, left his fishing rod on the pier at the Park's waterfront park. He reported to police that when he went back to look for it it had disappeared.

### Strange Driving Traced to Beer

Two juveniles were picked up by Woods police on Saturday, August 10, when they were observed making a violent change of course in their car at Mack and Vernier. When officers caught up with the vehicle, the driver made another sharp turn,

squealing his tires.

Officers stopped the car at Mack and Hollywood and asked the driver for his operator's license. He told officers his license had been suspended.

It was at that time that officers noticed through the open

car door that beer cans were under the front seat of the car. Both youths smelled of beer.

Both were taken to the station and their parents notified. The driver was issued a court notice to appear for driving on a suspended license and released on \$50 cash bond. He was also charged as a minor in possession, as was his passenger.

They were released to their parents.

# In New York \$5 will get you a reasonably good dinner.

# In Europe it'll get you bed, breakfast and unlimited sightseeing.

That's the heart of KLM's famous "Europe on \$5 a Day" plan. It's just one of the ways you can get to Europe this fall for very little more than it costs to stay home.

The "Europe on \$5 a Day" plan gives you a list of twenty-four cities to choose from.

We make all the reservations for you. Your rooms won't be fancy, but definitely clean and comfortable. They're the type Europeans use when they travel.

Breakfast is always provided. Sometimes continental, sometimes "the works."

In 11 cities you get as many as 5 different sightseeing tours. Which you can repeat as often as you like. In each of the other 13 cities you get one sightseeing tour.

Something a little posher. KLM's "Europe on \$10 a Day" plan puts you up in superior tourist class hotels with a private bath or shower. Again you get breakfast and sightseeing.

Over 900 miles of free scenery. KLM's Thrifti-car and Thrifti-train tours let you see what's outside the big cities. For less than the cost of excursion airfare, reliable KLM will:

1. Fly you to Amsterdam (\$320), Milan (\$360) or Vienna (\$369).\*

2. Give you a car for two weeks with 931 free miles. Or a train pass for 931 miles.

3. Put you in a first class room with private bath the first night.

4. And a guesthouse within a day's drive each night after that.

**\$320 command performance.** KLM's Air Tour of the Performing Arts flies you to Amsterdam, Paris and London. For 16 days of theater, opera, ballet and concerts. \$320\* buys all your airfare, hotels, breakfasts, six sightseeing tours and five smashing performances.

**Transatlantic education.** KLM's University of the Air teaches you a language in the country where it's spoken. French in Paris. German in Heidelberg. Italian in Florence. Or Spanish in Barcelona. The prices start at \$357\* for a two week course. Including air fare, hotels, breakfasts, instruction, and "Living Language"® manual and records.

**Starting Sept. 15 Amsterdam is free.\*\*** All you have to do to collect is get there between Sept. 15 and April 1. Your whole first day is free. Lunch, dinner, sightseeing, museums, a canal cruise, a concert, a nightclub, drinks and snacks. And gifts on top of all that.

That's the Dutch idea of a welcome. If you think you'd like to take KLM

up on it, we'll send you all the convincing you need. See your travel agent or call KLM at WO 5-1650.

## Bon Secours Asks Zoning Change: Public Hearing Held by City Council

(Continued from Page 1)  
 tervene, with the Court of Appeals. This permission was denied by the Court of Appeals on May 11, 1966.  
 May 18, 1966, a consent judgment was entered in Wayne County Circuit Court setting aside the original judgment of Court and validating the compromise agreement entered into between the City and the hospital.

Residents petitioned the Michigan Supreme Court on May 25, 1966, to reverse the decision of the Court of Appeals denying intervention, and on September 15, the Michigan Supreme Court granted the intervenors the right to intervene in the Court of Appeals case. In November of that year the consent judgment of May 18 was set aside and the original Circuit Court judgment re-entered.

**New Ordinance Enacted**  
 The City enacted a new Zoning Ordinance on March 12, 1967 and on November 27 the Court of Appeals decision was rendered.

In June 9, 1968 the Hospital petitioned the Council to rezone to R-T for building and P-1 for

parking and variances on height to permit construction to a height of 45 feet.

Wednesday's meeting was a public hearing on these requests. At that time representatives from the hospital and from the Citizens Advisory Committee, who oppose expansion, presented their arguments. Spokesman for the hospital was Januarius A. Mullen, of Lake Court, a member of the hospital's board of trustees. He emphasized that the expansion would enable Bon Secours to maintain a high quality medical staff and that no hospital can expect to keep good doctors on its staff without providing facilities for their patients. He added that the addition would enable them to financially support the

most advanced techniques in medical care, and that neither Bon Secours nor any other hospital of comparable size can provide first-class medical and surgical care without adequate facilities.

**Would Reclassify Block**  
 Mr. Mullen asked that the Ordinance be amended to reclassify the block of property bounded by Cadieux, Maumee, Notre Dame and Caroline to residential terrace classification, which would permit the erection of a hospital.

To reclassify that parcel of the hospital's land which is 165 feet wide and extends from Caroline to Jefferson to permit parking.

To amend a section of the City Zoning Ordinance to provide that the hospital can erect an addition 45 feet in height, or equal to the present building. To amend that section of the City Zoning Ordinance to provide that the required site area for a hospital be reduced from five to four acres.

Mr. Mullen added, "If the Council will not amend these sections of the Ordinance, then we ask that the Council, acting as a Board of Appeals, grant the hospital variances from the Ordinance that will permit the hospital to expand as requested."

**Quotes from Act 207**  
 Mr. Mullen then quoted from a part of the Statute Act 207 of 1921: "Where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of such ordinance, the Board of Appeals shall have the power in passing upon appeals to vary or modify any of its rules, regulations or provisions relating to the construction, structural changes in, equipment or alteration of building or structures, or the use of land, buildings or structures, so that the spirit of the ordinance shall be observed, public safety secured and substantial justice done."

Mr. Mullen concluded with the statement that the hospital wanted to do the right thing for

the people of the City of Grosse Pointe and neighboring communities, and said that the "best advice we could secure indicates that Bon Secours should build as soon as possible an additional 160 beds, along with improved supporting facilities. This is what the patient load patterns, population and hospital-use surveys tell us. This position is supported or approved by the Greater Detroit Area Hospital Council, the Wayne County Medical Association, Blue Cross and the United Foundation."

He went on to say, "Bon Secours in translation means 'good help.' That is the only objective of the Sisters, the medical staff and the Advisory Board in this appeal."

**Presents Petition**  
 Mr. Mullen also presented to the Board of Appeals a petition with 1,160 signatures from City of Grosse Pointe residents who asked the council to approve the proposed changes in zoning and permit the hospital to construct its addition.

Also speaking for the hospital were Frank Couzens, chairman of the hospital's Advisory Board and Robert W. Spencer, associate director of the Greater Detroit Area Hospital Council.

Mr. Couzens summarized the hospital's need for expansion. Mr. Spencer spoke on how a community hospital could engage in teaching interns and residents without becoming a major medical center. He stated that a major medical center, such as that at Wayne State University or the University of Michigan, involves scores of residents and interns, nursing students, physical and occupational therapy students, medical students, etc. These centers conduct training and research in many of the more specialized clinical subspecialties. This kind of center needs not only a high volume of inpatients, but a large number of outpatients traditionally seen in clinics.

He said however that many community hospitals of excellence provide a teaching experience for a very limited number of residents and interns, usually in the fields of general medicine, general surgery and obstetrics. He noted that the advantage to the resident and intern was the fact that they obtained training more closely identified with normal medical practice. The advantage to the community served by the hospital was the availability of 24-hour medical coverage in the emergency room and hospital, and the stimulation such an education program provides to the physicians on the medical staff.

Mr. Spencer went on to discuss the future of a hospital of 160 beds and he said it would (Continued on Page 7)

## 6 ways to get rid of lawn weeds now!

You can pull them out

... or dig them out

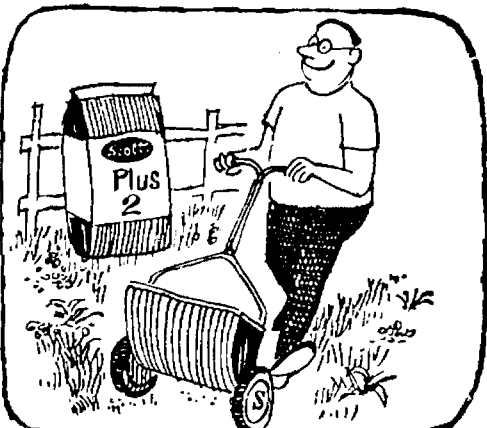

... or burn them out

... or spray them

... or leave them behind

... or do it the easy way

The easy way to clear out hated weeds is the way developed by Scotts, the grass people. You simply stroll over the lawn and spread nice clean granules to do the dirty job.

The time to do it? Right now! What to use? Turf Builder Plus 2. Where to get it? At any of the stores listed here.

Turf Builder Plus 2 not only clears out 24 different kinds of weeds like dandelion, plantain, buckhorn and their ilk, it also feeds your grass to make it grow stronger in this critical

season of the year. The cost: a particular bargain now. You save \$1 a bag on the large size which treats a lawn of 10,000 sq ft (100 sq ft x 100 sq ft).

## Hospital Plea Hearing Held

(Continued from Page 6)

not be able to provide the broad range of services necessary for high quality treatment of patients without a larger patient load. He said that it would take a hospital of approximately 300 beds to provide good service programs in such areas as physical therapy, occupational therapy, certain rehabilitation programs.

He continued that an expanded institution was necessary to support some of the sophisticated equipment necessary for intensive care and coronary care units and in the laboratory and X-ray services.

Representing the Citizens Advisory Committee, was former City Councilman, Walter G. Huber; William Kessler, AIA, a partner of Meathe, Kessler and Associates, architectural firm located in the City of Grosse Pointe, and attorney Arthur Hoffens, all opposing the expansion.

Active Five Years

Mr. Huber explained that the Citizens Advisory Committee was made up of residents of the City and has been active for over five years. He added that the committee supported the City Council when it approved an appropriation of \$9,000 for a comprehensive study by a city planner and a master plan for the future of the city. He said that as intervenors, the committee helped the city defend the old zoning ordinance. He quoted from former city planner, Scott Bagby's statement made on May 20, 1963, after the hospital representatives stated their great need for expansion.

"After months of study of Grosse Pointe and the Grosse Pointe community and with careful consideration of the measures and means by which the community can be maintained as a valuable vital portion

of the Detroit area in spite of the many potential problems, we are convinced that further expansion of Bon Secours Hospital either in additional buildings or additional parking facilities off the site will not be to the best immediate or long range interest of either the city or the hospital.

"A firm decision on this policy now is important, for any later expansion the hospital may need as a medical center will present an even greater later problem to both the hospital and the city. We strongly urge that Bon Secours plan for an eventual medical center on a new adequate site rather than expend funds at the present site where future needs cannot possibly be met."

Five Years of Study

Mr. Huber added that the new zoning law was the result of over five years of study, and that last year this master plan was implemented when the new zoning ordinance was passed. The hospital and the strip south of the hospital along with all the surrounding property was zoned R-1D, single family residential.

Attorney Hoffens then talked about the Zoning Law and the request for Amendment No. 2, which he said were at odds. He added that it is not possible to place a P-1 Zone in an entirely residential neighborhood.

Mr. Kessler talked of the perils he believed faced Grosse Pointe City if the zoning law were amended and the expansion permitted. Mr. Kessler discussed the problems which he thought would arise if the expansion is permitted such as a traffic congestion and "creeping disintegration of the residential community as we know it." He suggested alternatives to the hospital.

Presents Appeals

Mr. Kessler concluded with the following appeals "First to the authorities of Bon Secours to take a hard look at what they are inflicting upon themselves and the community, to recoil from this foolish struggle and look for areas where you may flourish and live in peace to meet your obligations to mankind."

"Second, I would appeal to the City Council to now stand up and say that the quality of life in this community will be enhanced and improved, that the physical environment of our City will be aggressively developed through the enforcement of this and future ordinances which will prevent blight and decay. Ordinances as these merely say what you cannot do, not what you can do. Imagine what one could do with a community such as this!"

Members of the audience were afforded the opportunity to make statements, ask questions, and reflect their attitudes, in a question and answer period which followed these presentations. Persons reflecting both attitudes were present.

At the conclusion of the public hearing Mayor David Burgess assured all those present that the Council would give the matter serious thought and that the issue would appear on the agenda of the next regular Council Meeting on September 23.

In the meantime residents both for and against the expansion will wait and hope that they presented convincing enough arguments to come up the winners.

## Summer School Enrolled Total of 1,467 Students

Summer School, which has officially come to a close, had 1,467 students enrolled. Over 34 area schools were represented including 1,069 students from the Grosse Pointe School System and 398 from other schools.

Monteith had 233 students enrolled; Richard had 252, Brownell, 322, and the High School, 680.

This year's program according to Robert Welch, director of the program at the senior high school, was the most innovative summer school in years. This was the first summer in which student teachers were available. Five were assigned to the High School, one to Brownell and one to Monteith. Some of the student teachers were assigned to teams and enjoyed an unusual pre-service opportunity in participating in newly designed programs.

Included in the High School summer offerings was a Mathematics Laboratory, in which the faculty developed diagnostic tests to determine individual needs and the students were allowed to proceed at their own pace, sometimes using self-teaching materials under near tutorial conditions.

Readings in Modern Literature was a pilot seminar which emphasized the skills involved in the reading of modern literature so that it was not only an excellent opportunity to explore contemporary concepts such as existentialism but provided a background in the skills of literary analysis that will be useful for subsequent literature courses.

There was an English Work-

shop, where students were allowed to concentrate their studies in the area of greatest need, either in composition and language practice or in reading improvement. Here teachers worked in teams and regrouped students for different purposes.

The Speed Reading course continued to be highly successful and the instructor found that not only speed and comprehension had increased but the percentile vocabulary scores showed appreciable gains. Every student in both sections increased his speed by at least 200 words per minute while maintaining 85 percent to 100 percent comprehension.

Practically every student doubled his reading speed and a few students are now reading five times their beginning rate, and maintaining satisfactory comprehension scores.

Sociology Class students took several field trips to service centers and community agencies and participated in a field trial of two sociology units by The National Sociological Resources for Secondary schools.

A pilot project designed primarily for liberal arts majors, was also offered in Physical Science.

The Junior High School Program at Brownell offered a sewing class, are classes, classes in language skills and an arithmetic laboratory where indi-

vidual help was stressed and the work of the students continually evaluated.

A science class, where students learned the investigative approaches to science, was also successful.

At the elementary schools, teachers used pre-instruction testing in reading and arithmetic classes to determine individual needs and to design programs of work for each student.

Students had an opportunity to work under the direction of Morian, high school physical science teacher, on three occasions in the high school science laboratory. This experience proved to be extremely success-

ful and profitable for the 20 elementary science students enrolled.

Among 24 teachers from Ohio, Michigan and Pennsylvania attending a Physical Education workshop last week at Ohio University was MICHAEL VAN DeGINSTE, of Nottingham road.

### Bicycle Theft Epidemic

A raft of bicycle thefts were reported to City police over a three-day period. First report came on August 9, from Kathy Kerman, 1011 Whittier, who told police she had ridden her bike, a 20", green, Stingray, to Jacobsons and parked and locked it. When she returned, her bike was gone.

On that same date Edward MacKenzie, 430 University, reported two bikes stolen from his backyard. Both were blue Schwinn. The second bike belonged to Monte Gage, 587 University.

Also on August 9, Paul Schumacher, 622 Washington, rode his bike to the City Park. He locked it with a combination lock. Upon his return he found the bike, a 26" black and white Schwinn, gone.

Greg Wicklund, 780 Washington, reported his bike stolen from City park on the same date. The lock and chain were left on the ground where the bike was parked. It was a 20", blue Schwinn.

Andy Sands, called police to report the theft of a 20" Huffy, from behind Kresge's on Saturday, August 10.

John Wade, 780 Lincoln, reported he rode his sister's purple, 20" bike to Cunningham's on Sunday, August 11, and while he was in the store, someone took the bike.

### TO REPAVE PARKING LOT

The City of Grosse Pointe Council at its meeting on Monday, August 12, concurred with the recommendation of the City Engineer and City Manager Thomas Kressbach, and accepted the low bid of Detroit Asphalt Paving Company for \$7,989, to resurface the parking area lot behind Winkelman's and Best and Company. The cost of resurfacing the parking area will be charged to the parking fund.

### Sentences Heard In Park's Court

When Dennis Berndt, of 615 Westchester road, Grosse Pointe Park, appeared before the Park's Municipal Judge C. Joseph Belanger on Wednesday, August 7, he entered pleas of guilty to two separate violations charges against him, and was sentenced to pay fines totaling \$50, or spend seven days in jail.

For not having a valid driver's license in his possession Brand paid \$40 to avoid spending five days in jail. Then he was sentenced to a fine of \$10, or two days, for making an improper left turn. He paid the fines.

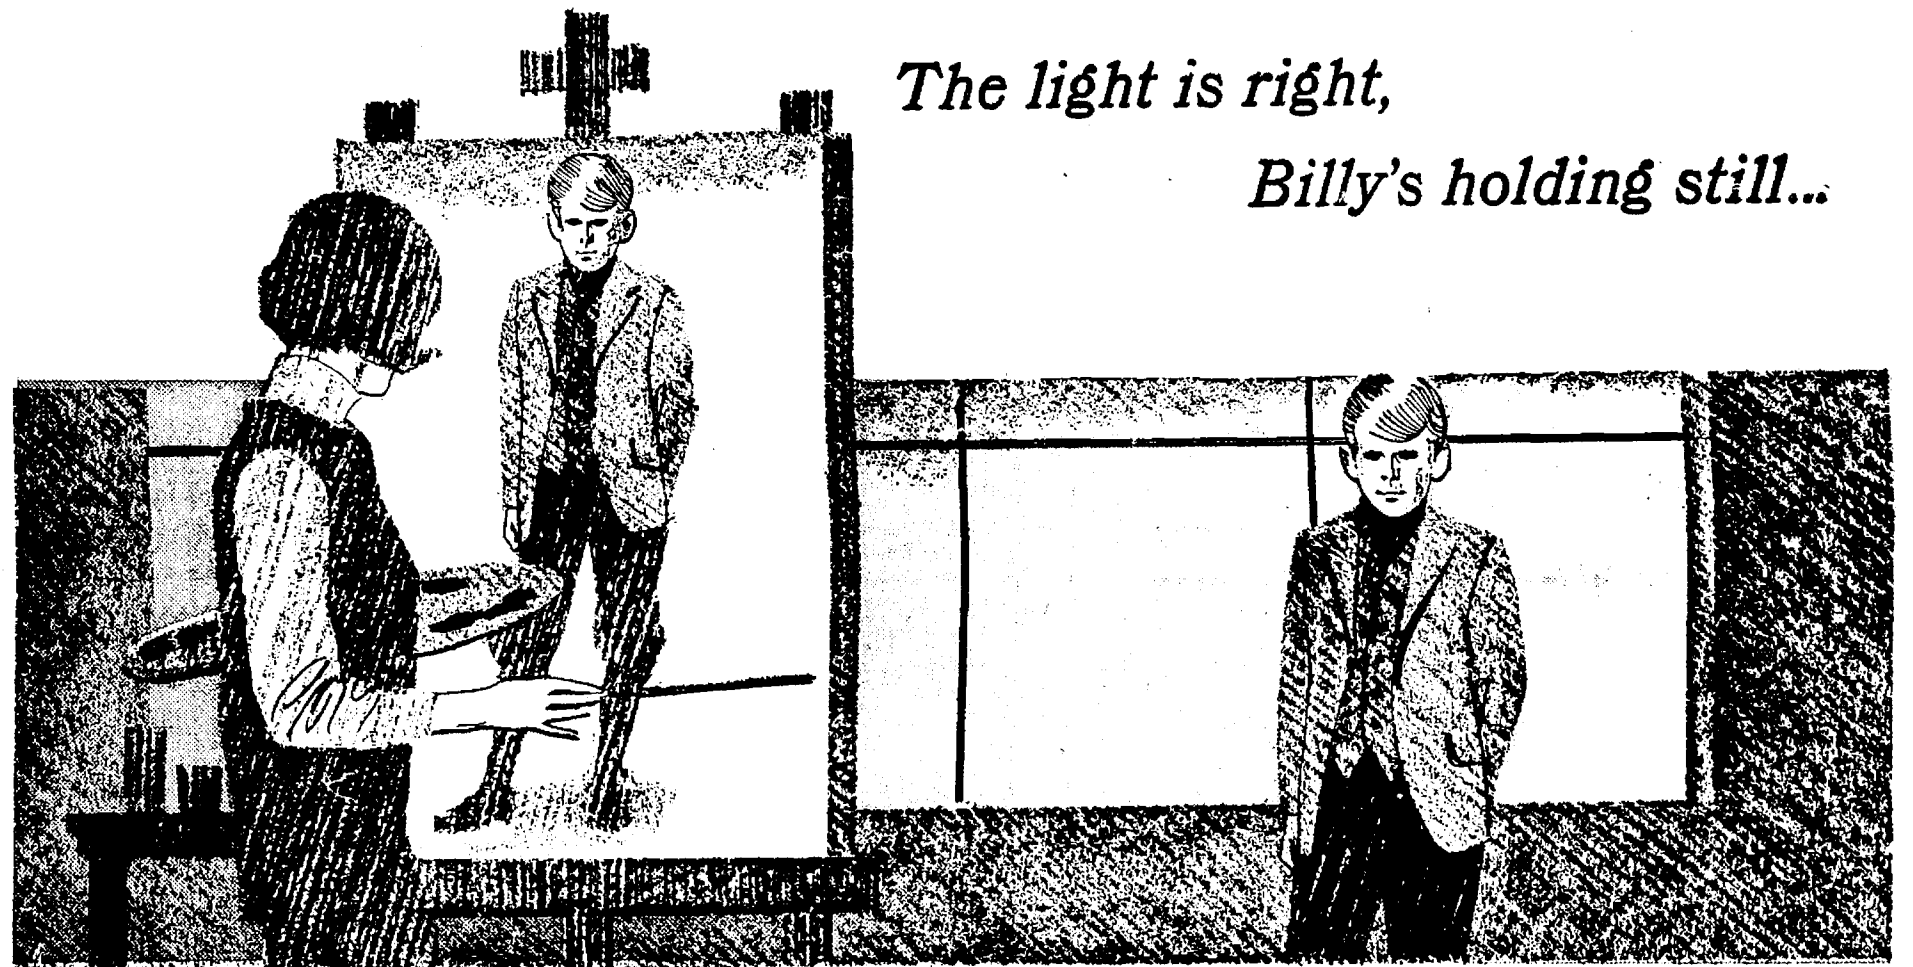

Wayne Mullins, of 4412 Woodhall street, Detroit, pled guilty to driving through a stop street. He paid a \$10 fine. Clara Parker, of 8650 Esper boulevard, Detroit, was found guilty of driving 43 miles an hour in a 25-mile zone. She paid an \$18 fine.

After pleading guilty to driving through a red traffic light, James V. Davis, of 1340 North Oxford road, Grosse Pointe Woods, paid a \$10 fine. Mary Kennedy, of 4240 Philip street, Detroit, was fined \$30 when she admitted she had been driving without a valid operator's license.

Mark W. Nottley, of 532 Marlborough, Detroit, forfeited a \$20 bond when he failed to appear in court to answer a charge of cutting into a traffic lane without giving a signal.

Sentences were suspended after Buck Rogers, of 183 Muir road, Grosse Pointe Farms, was found guilty of parking at a fire hydrant, and against Gretchen Schuur, of 870 Washington road, Grosse Pointe, on a charge of driving 35 miles an hour in a 25-mile zone.

### Named Leaders In Torch Drive

Two Grosse Pointe residents have been named to top level posts in the 1968 Torch Drive.

Appointed campaign chairman for corporate leadership was Robert M. Surdam, of 396 Provencal road, president, National Bank of Detroit.

Gaylord W. Gillis Jr., of 124 Merriweather road, will be Torch Drive chairman for advance gifts. Gillis is president of Edson Moore & Co.

Their appointments were announced by the campaign general chairman, Calvin J. Werner, vice president, General Motors Corp., and general manager, Cadillac Motor Car Division.

"We are extremely fortunate to have Mr. Surdam and Mr. Gillis on our Torch Drive team," Chairman Werner said.

"Both are dedicated community leaders. Each can be counted on for a remarkable performance."

Chairman Werner termed Surdam "an outstanding executive capable of securing maximum understanding and support from corporate leaders for the twentieth annual United Foundation drive."

The general chairman said Surdam will be responsible for planning the annual labor-management dinner in cooperation with the U.F. Labor Participation Committee headed by Douglas A. Fraser, executive board member, UAW International Union.

The dinner, held in late September, promotes Torch Drive cooperation between management and labor.

Gillis will be responsible for organizing a team of community leaders to solicit selected individuals, foundations and business firms.

Calls on advance gifts prospects are completed prior to the regular campaign, scheduled this year for Oct. 15 through Nov. 7.

As chairman of corporate leadership, Surdam succeeds Virgil E. Boyd, Chrysler Corp. president, who served in the post during the 1967 campaign.

Gillis follows another Grosse Pointer, George N. Monro III, of 3 Woodland place, as advance gifts chairman.

Monro, vice-president, Manufacturers National Bank, held the post during both the 1966 and 1967 campaign.

Under his direction last year, advance gifts totaled \$1,269,313 or 110.3 per cent of quota.

A native of Hoosick Falls, N.Y., Surdam was graduated from Deerfield, Mass., Academy

and Williams College, where he received a bachelor of arts degree cum laude in 1939.

He joined the National Commercial Bank of Albany, N.Y., prior to serving with the U.S. Naval Reserves in the Asiatic-Pacific area during World War II.

After returning to inactive service with the rank of lieutenant commander, he joined the National Bank of Detroit.

He was promoted to assistant cashier in 1948, became assistant vice president in 1951 and vice president in 1954.

Surdam was elected senior vice president in 1960, executive vice president in 1964 and president in 1966.

His affiliations include directorships in the Buhl Land Co., Bundy Corp., International Bank of Detroit, Harper Hospital, Greater Detroit Board of Commerce, Economic Club of Detroit, and Detroit Symphony Orchestra.

He is a member of the Association of Reserve City Bankers and the National Industrial Conference Board and a trustee of the Automotive Safety Foundation, Grosse Pointe University School, Greater Detroit Safety Council, Traffic Safety for Michigan and the Foundation for Commercial Banks.

Surdam is a member of the Hundred Club of Detroit, the Country Club of Detroit, Detroit Athletic Club, Grosse Pointe Club, Yondotega Club, Harbor Point Association of which he is both vice president and director, Little Harbor Club, Harbor Springs, and the Bath Club, Miami.

He and his wife, the former Mary Caroline Buhl, have three children: Peter Buhl, Robert McClellan Jr., and Mary Caroline.

Gillis attended Princeton and has been a United Foundation volunteer since the first Torch Drive in 1949. In last year's campaign, he was co-chairman of the men's team for advance gifts solicitations.

He is a past president of Civic Searchlight and a member of the Greater Detroit Board of Commerce, the Country Club of Detroit, University Club, Detroit Club and Yondotega Club.

He and his wife, Margaret, have four grown children and a nine-year-old daughter, Sibley.

The 1968 Torch Drive will benefit nearly 200 health and community services in Wayne, Oakland and Macomb Counties.

### Parkers Report Bicycle Thefts

Bicycle thefts continue to plague residents of Grosse Pointe Park, despite repeated advisories from police urging that all unattended bikes be locked. Recent losses of the two-wheelers were reported by Mrs. Albert P. McKay, of 1375 Beaconsfield avenue; Sherry Blake, of 7050 Chandler Park, Detroit, whose bike was stolen from in front of the Pointe branch library, 15430 Kercheval avenue; Dr. E. Bower, of 1008 Bucking-

ham road; and Sue Flaherty, of 805 Balfour road.

## Speeder Nabbed By Woods Police

Duane L. Wilhelm, 28949 Clemwood, Inkster, was issued a speeding violation by Woods police on Thursday, August 8.

Wilhelm was spotted proceeding west on Vernier at a high rate of speed. He was paced between 45 and 50 m.p.h. Officers pulled him over to the curb at Vernier and Mack, where he was unable to produce an operator's license.

He was taken to the station where he produced an expired renewal application for a license. He was issued a violation for traveling 45 miles in a 35 mile zone and released pending his court appearance.

## Motorecyclist Faces Charges

Mark Skipper, of Mount Clemens, was in double trouble on Wednesday, August 7, when he was picked up by Woods police officer, Leroy Tobian.

He was first observed when he came off of North Oxford onto Morningside on his motorcycle and failed to stop at the stop sign on Morningside.

He then proceeded at a high rate of speed. The officer gave chase and paced Skipper at 60 m.p.h. in a 25-mile zone.

As Skipper was turning east on Lochmoor, he threw a helmet and what looked like a black piece of cloth against the curb. The officer stopped the cyclist and walked to the scout car to write up the violation when he received a radio message to be on the lookout for a boy on a Honda, wearing a white T-shirt, who reportedly had stolen a helmet and jacket from the front of Woods Bowling Alley.

The youth was taken to the station and identified by the owner of the helmet. He was given court notices to appear on September 9, for speeding, and for larceny of the helmet.

## Slogan Adopted By Park Group

Plans to adopt the slogan "Gateway to the Pointes" in conjunction with the erection of two identifying signs into the business area on Kercheval in Grosse Pointe Park were made by the Kercheval-in-the-Park Business Association at a recent luncheon meeting held in Grace United Church of Christ.

This decision was made in coordination with clean-up, modernization and beautifying efforts which are already in progress. A festival is planned to accompany this program shortly.

The officials of the City of Grosse Pointe Park have already announced their cooperation.

**STORM WINDOW BROKEN**

Henry C. Miller, 724 Washington, called City police on Friday, August 9, to report that persons unknown had thrown hard tar at his lower storm window and broken same.

## Atwoods Back From Europe

The Reverend and Mrs. Bertram deH. Atwood and their daughter Betsy returned home from Europe last week, and Mr. Atwood will preach this Sunday at the Grosse Pointe Memorial Church (United Presbyterian on Lake Shore Road), on "The Plain Man's Creed."

Mr. Atwood went to Europe as a delegate to the World Council of Churches' Fourth Assembly at Uppsala, Sweden, and there served on the important Committee to Nominate the six Presidents of the World Council and the 120 members of the Central Committee who carry on the work of the Council between assemblies. There were 720 official delegates to the Uppsala Assembly, from 240 churches representing 181 countries.

Before going to Sweden the Atwoods were in England where Mrs. Atwood and Betsy stayed for part of the time. Mr. Atwood was in Sweden. They then joined Mr. Atwood and flew later to Greece where they stayed at Vouligmeni, the famous beach south of Athens. They visited Corinth, Delphi, and the Greek Isles, and returned to London for three days before flying home.

In September Mr. Atwood will report on the Uppsala World Assembly when two Services resume. During the summer and through September 1 there will be one Service of Worship at 10 a.m. with child care through first grade. Older children are welcomed and urged to attend the Services with their parents.

## Happy Birthday You Monster!

By Pepper Whitelaw

Monday of this week was a very special Birthday. The birthday of that plague to modern mothers' lives . . . that two-headed monster, who awakens her in the morning and sends her into a fitful sleep each night . . . the thing that generally creates chaos in what ordinarily would be a quiet household.

It's responsible for mother never being able to hear what dad is saying . . . or getting that bit of gossip from a telephoning friend . . . it precludes moments of quiet meditation.

BUT for the teenagers . . . ah! It accompanies them as they do their homework (in fact they can't work without it) . . . they dance to it . . . sing with it . . . live by it . . . develop philosophies of life through it use . . . rebel, with its aid . . . What is it? The phonograph, of course!

I must admit if I ever had a chance to use the old thing, I too could enjoy it. I'd play something soothing and relaxing, with no message . . . non-rebellious type stuff. So I guess I'd be remiss if I didn't say Happy Birthday to the phonograph, conceived by Thomas Edison 91 years ago last Monday. HAPPY BIRTHDAY!

## Damage Caused By Severe Rains

The severe rains which hit The Pointe around 5 a.m. last Wednesday, August 17, kept the Woods police and Highway Department busy.

The heaviest damage in the Woods occurred from Van Antwerp to Lochmoor west of Mack, where wires and limbs were down throughout the area. With each report police and highway

department workers checked the areas for hazardous conditions and removed those tree limbs on city property and notified Detroit Edison of wires down.

Scattered reports of storm damage came from South Oxford and Fairford, Country Club and North Renaud, where both wires and trees were down.

**Catch Juveniles  
With Beer Cans**

Two juveniles were arrested as minors in possession of alcoholic beverages on Friday, August 9, by Woods police.

On that date the pair was observed pulling into a gas station at Prestwick and Mack. The station was closed at the time. The vehicle then pulled out onto Mack and turned left into the crossover at New-castle where the driver was asked to pull over.

The driver said he was picking up his friend who worked at the station. While officers were talking to the pair they noticed beer cans on the rear floor of the car. Both boys were arrested and taken to the station. They were released with a court date of September 7.

## City Win Streak Broken By Lifeguards of Farms

By Lincoln Lee

The guards of Grosse Pointe Farms broke the City guard's string of six straight wins in the Annual Inter-City Park Lifeguards' Meet. It was previously voted to retire the meet trophy after the City had held it for six years. This marks the fourth time that the guards of the Farms have won this classic meet.

Many spectators were present to watch the guardians of their lives struggle through 10 events. The Farms combination of Les Roddis, Bob Gurvin, Ron Richards and Jeff Watts took first in the 200 medley relay, followed closely by the City, Woods and Shores. The Park guards were disqualified in this and many other events, but nevertheless enjoyed the meet very much.

Next was the grueling 200-meter freestyle, eight lengths of the pool. University of Michigan swimmer Tom Mertz was given a scare when he saw the City's scrawny Lincoln Lee still at his side at the hundred meter mark. Lee couldn't stand the blistering pace set by Mertz, and finished second, a half length behind Mertz, followed by the Farms' Greg Boerner, Shores' Ron Berli, Farms' Dave Quinlan, and the Park's A. J. Cervano.

In the 50 freestyle the Farms' Jeff Watts took first, followed by the Woods' Jim Frede, Lance Lang of the Shores, Lee "Conan the Swimmer" Snell of the City, Dave Bowerman of the City, and Martin of the Shores.

In the 100-meter individual medley once again the Shores' Tom Mertz took first, the City's Lincoln Lee second, following

in third was a mystery swimmer from the Park, in fourth Steve May of the Woods, in fifth Jim Wood of the City, and in sixth Rus Pouliot of the Woods.

In the diving, Jim Wood of the City took first, followed by Jim Danforth of the Shores, Barb Aller of the Woods, Greg Boerner of the Farms, Pete Wittstock of the City, and Lance Lang of the Shores.

Dennis Kroley of the Park performed the most exciting dive of the meet; for two years in a row he has executed a full gainer on the board followed by a front one and one-half somersault. We wish him luck next year.

Tom Mertz took another first in the 50 butterfly, with the Farms' Ron Richards, City's Pete Wittstock, Shores' Jim Danforth, and City's Lincoln Lee following.

The Farms' Jeff Watts and Ron Richards took first and second in the 100 free followed by the Shores' Lance Lang, City's David Bowerman, the Woods' Bob Coshell, and another mystery swimmer from the Park.

In the 50 backstroke Tom Mertz, (sound familiar?), took first, Ray Fink of the Woods second, Ron Berli of the Shores and Greg Boerner tied for third, Bob Miller of the Park fifth, and Dave Quinlan of the Farms sixth.

In the 50 breaststroke the City's Jim "Wonderful" Wood took first, followed by the Farms' Bob Gurvin, Woods' Steve May, Tom Mertz (1) of the Shores, Tom Nalley of the Farms, and John Kendall of the Shores.

In the 200 freestyle relay the Farms took first, Shores second, City third, and Park fourth.

This was followed by the Novelty Race, in which a boy and a girl from each park were selected. They were tied together arm and leg and then had to swim a length of the pool, devour a large package of crackers and return to the other end. All the teams were disqualified because they could not eat the crackers and dove into the pool with the crackers hidden underneath the sweat shirts they were wearing.

Final Score	
Farms	73.5
Shores	72.5
City	60
Woods	32
Park	18

## Court to Settle Speeder's Case

Lt. Allan Seiby and Patrolman Theodore Hinz of the Woods police, arrested Aurel Raleigh Dikin, 22915 MacArthur, Warren, on Tuesday, August 6, for speeding.

While on routine patrol they noticed a green, '61 Ford station wagon traveling north on Mack at a high rate of speed. At Lochmoor the officers pulled to within a block of the vehicle. They paced the car between Lochmoor and Lennon, an area of about five blocks, at 50 m.p.h. in a 30 m.p.h. zone.

They stopped Mr. Dikin at Mack and Vernier. He produced a valid operator's license although a check later revealed that his operator's license had been suspended. He was released on \$100 bond and issued a court notice to appear for traveling 50 m.p.h. in a 30 mile zone and for driving on a suspended license.

A further check with the Secretary of State's office by Mr. Dikin revealed that an error had been made and that Mr. Dikin's license was valid. Woods police verified this information with the Secretary of State's office.

Mr. Dikin was told he could pick up his car upon presentation of the proper credentials, but that both violations must be taken to court for decisions at that time. The \$100 bond was retained for the speeding violation.

## Juvenile Drunk Threatens Police

One of two juvenile boys, both of whom Grosse Pointe Park police described as "stumbling drunk," became belligerent and threatened to shoot one of the arresting officers "during the next civil disturbance," after they were arrested on Jefferson avenue near Audubon road, Friday night, August 9, at 10 o'clock.

Both boys almost walked into the side of the cruising Park police scout car as they attempted to weave their uncertain way through Jefferson traffic.

The police stopped their car, arrested the boys, assisted them into the automobile, and took them to the station. They were released to their parents with orders to appear in Juvenile Court. Police are investigating the source of their potables.

## WINDOWS BROKEN

While on routine patrol on Sunday, August 11, City police discovered 22 windows in small buildings at Maire School had been broken. They talked to a group of small children playing on the grounds who admitted throwing stones but not at the building.

## Babe Ruth Loop Has Big Season

By Dave Marsteller  
Well another season has come to an end for the Woods Shores Babe Ruth League, and a most successful season it was. We added four more teams, bringing the league to a total of 13 which increased our enrollment by 50 boys, and we are hopeful of even more next season.

There is one last event of the year and this is one of our big affairs of the year when we take time out to honor the players and teams who excelled during the season. The occasion is our Fourteenth Annual Awards Banquet which will be held Thursday evening, September 5, at Alcamos Hall, 21801 E. Nine Mile road, between Harper and Mack.

The evening will start with a cocktail hour at 6:30, dinner at 7:30 and the awards will be made immediately following dinner. The prices for tickets are: adults, \$2.50 each and children, \$2.25 each. All players and their families and friends are urged to attend, and they may get more information by calling their team managers.

Some of the teams receiving awards are: Flame Furnace, Pioneer Furniture and City Messenger of our All-American League; and Richard Buick and Pointe Dodge of our Automotive League.

Also receiving awards will be the members of All-Star teams from the Automotive League and the East and West Divisions of the All-American League, as well as the Thirteen Year Old All-Stars from each league. There will also be awards given to the Top Pitcher and Most Valuable Players in each league.

## Cross-Country Runners Called

All boys who will attend Grosse Pointe North this fall and are interested in joining the cross-country team are urged to make note of the following dates:

Friday, August 23—Physical Examination.  
Monday, August 26 — First Practice.

Times and places for these meetings will be given in next week's Grosse Pointe News.

**ANTENNA TORN OFF**  
Shortly after Louis W. Lautermilch, of 243 McKinley road, left in his automobile for work early last Saturday morning, he turned on the radio. Nothing happened. On inspection Lautermilch found someone had ripped the antenna off the right front fender of the car, which had been parked in front of his house during the night.

## Urge Students To Get Books

The bookstore at Grosse Pointe South High School will be open from August 19 until September 3 from 8 a.m. until 3:30 p.m., (excluding Saturday, Sunday, and Labor Day). Students are urged to make every effort to have books purchased before classes begin.

Since Driver Education classes will be in session through Friday, August 23, parking will not be permitted in the student parking lot until after that date.

Student Association tickets can be purchased at the point of I.D. Photography for \$6 although the value received throughout the school year is well over \$20.

This ticket entitles the bearer to admission to all home athletic events, gives students a reduced rate for school plays and musicals, free copies of the Tower, the Viewpoint, and Proem (school publications), and various other privileges in the school.

Most students purchase the S. A. ticket.

## From Another Pointe of View

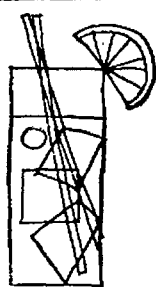

By Janet Mueller

"United Nations Weekend" in Grosse Pointe begins September 14, when more than 100 young adults, exchange students starting their studies at the University of Michigan, arrive here for an American-at-Home cultural orientation session.

"This is a program," explains John MacKay, of East Jefferson avenue, president of the University of Michigan Club of Grosse Pointe, "that the Birmingham U. of M. Club has been carrying on for a number of years."

"Now the University is hoping to make the 'Weekend in an American Home' a part of the orientation of every foreign student."

The students will arrive in The Pointe Saturday, September 14, and will leave late Sunday afternoon, September 15. The University is suggesting its host (Continued on Page 31)

### This is a cool-you-off.

We have a better one. A nice, smooth air conditioning system that hardly makes a sound. It keeps our stylists and our shampoo-ists and all our other ists in good humor. It keeps our clients the same way. Because hair dryer time never heats them up. And hair-dos don't wilt while they're waiting to be combed out. And the ladies leave us both pretty and poised. If you'd like a salon as nice in summer as the rest of the year, see us. We're better than cold lemonade.

## Karen Jane Thoma Is Saturday Bride

Setting for Morning Ceremony at Which She Speaks Vows to Eduardo Alberto Innes Is Our Lady Star of the Sea Church

An Empire gown of mouseline de soie over taffeta and rose motif peau d'ange lace was chosen by Karen Jane Thoma for the Saturday morning, August 10, ceremony at which she became the bride of Eduardo Alberto Innes.

Her lace bodice was fashioned with a petal-scaled decolletage and short, flared sleeves. Matching lace banded her hem and accented her Watteau train.

An organza flower embroidered with seed pearls and crystals held her tiered, elbow length silk illusion veil, and she carried a cascade of white roses, carnations, stephanotis and ivy.

She is the daughter of Mrs. Martens Thoma, of Pear Tree lane, and Willard Thoma, of East Jefferson avenue, Detroit. The bridegroom is the son of Sra. Isabel Ruiz, of Coatzacoaleos, Veracruz, Mexico, and Jorge Innes, of Mexico City.

Setting for the 11:30 o'clock rites, which were followed by a reception at Huck's Lakeshore, was Our Lady Star of the Sea Church.

Attending the bride were her sorority sisters, maid of honor Suzanne Clark, of Wayne, and bridesmaids Janice Moon, of

Northville, Jane Rademacher, of Grand Rapids, and Peggy Cattel.

Their floor length Empire frocks were fashioned of aqua linen, and they wore matching Dior bows in their hair. They carried white baskets filled with pink garnet and sensation roses, ivy and pink and white stephanotis.

Acting as best man for the bridegroom was Victor Alborado, of Santiago, Chile. In the usher corps were Ruben Mendez, of San Jose, Costa Rica, Mohammed Al-Senan, of Kuwait City, Kuwait, and William Sweet.

Mrs. Thoma chose for her daughter's wedding an aqua silk ribbon dress. She pinned a corsage of pink garnet roses to her purse.

Sra. Ruiz selected a dress of gold-embroidered deep rose silk and a corsage of white orchids. The newlyweds will return from a three-week vacation in Acapulco, Mexico, to make their home in Kalamazoo.

## Miss Krajenke Says Vows In St. Paul's

Bride Designs and Appliques Entire Ensemble for Ceremony at Which She Becomes Bride of Carl Meier, Jr.

The Saturday morning, August 10, ceremony at which Elaine Frances Krajenke and Carl Richard Meier, Jr., exchanged marriage vows was followed by a reception at Essex Golf and Country Club, Windsor, Ont.

Parents of the couple are Mr. and Mrs. Leonard P. Krajenke, of Charlevoix avenue, and Mr. and Mrs. Carl Meier, of Lochmoor boulevard.

Setting for the 11 o'clock rites was St. Paul's-on-the-Lakeshore.

The bride designed and applied her entire wedding ensemble. Her A line gown of summer satin was fashioned with a Chantilly lace-covered Empire bodice. Matching lace bordered her skirt.

Each flower of the lace was encrusted with hand-applied imported seed pearls.

A tulle veil fell from her stephanotis crown over her Cathedral length Chantilly lace train, and she carried a Colonial bouquet of stephanotis and baby's-breath.

Her attendants wore sleeveless, floor length, high-collared dresses of lime green ottoman. Hot pink sashes with matching Empire bodices. Matching lace waistlines. Flower girl Nancy

## Mr. and Mrs. Carl Meier, Jr.

ELAINE FRANCES KRAJENKE, daughter of Mr. and Mrs. Leonard P. Krajenke, of Charlevoix avenue, became Mr. Meier's bride at a morning ceremony Saturday, August 10, in St. Paul's-on-the-Lakeshore. The bridegroom is the son of Mr. and Mrs. Carl Meier, of Lochmoor boulevard.

Eckinger wore a similar dress, with daisies encircling her bodice.

Donna Marie Krajenke served as her sister's maid of honor, and Mrs. Roger Waindle was matron of honor. Bridesmaids were Christine Meier and Susan Meier, sisters of the bridegroom and Holly Kern.

They carried arrangements of pink Sweetheart roses and baby's-breath, and wore matching headpieces.

Louis Kraetke acted as best man. Ushering were Clarence E. Krajenke, brother of the bride, Paul Otto, Bruce Carr

and Paul Kampmeyer.

For her daughter's wedding, Mrs. Krajenke chose a white silk gown trimmed at her bodice with pink and green stones, and a matching coat with beaded sleeves. She pinned a corsage of cymbidium orchids to her purse.

The bridegroom's mother selected a yellow linen dress with a matching lace-covered coat, and a cymbidium orchid corsage.

The newlyweds, vacationing in the Canadian Rockies, at Banff and Lake Louise, will return to make their home in Chatsworth avenue, Detroit.

## Schael A. Mathews Wed To Mr. Engel

Couple Will Return from Vacation in New England to Make Home in Grinnell, Iowa, Where Both Attend College

Schael Ann Mathews selected an organza gown fashioned with Juliet sleeves, a collar and cuffs of Venice lace and a long from-the-shoulder train for the Saturday morning, August 10, ceremony at which she became the bride of Kenneth Oren Engel.

A lace headpiece caught her triple-tiered bouffant illusion veil, and she carried an arrangement of white Sweetheart roses and stephanotis.

The 11 o'clock rites in Christ Church, at which The Reverend Franklin Bennett officiated, were followed by a reception at Northland Inn.

Parents of the couple are Dr. and Mrs. W. Mason Mathews, of Lochmoor boulevard, and Mr. and Mrs. John T. Engel, of Williamsburg, Iowa.

Attending the bride were maid of honor Nancy Kay Engel, the bridegroom's sister, and bridesmaids Sally Ann Duff, Diane Lee Fuller and Mary Henderson, whose sleeveless, A line frocks of mint green silk shantung were styled with Mandarin collars.

They carried bouquets of

white daisies and yellow roses.

Serving as best man was Daniel Rourke, of Williamsburg. Eric Vranek, of Wilmette, Ill., Larry Watts, of Williamsburg, and Michael Engel, the bridegroom's brother, seated the guests.

Mrs. Mathews chose, for her daughter's wedding and the reception, a rose beige lace ensemble and a corsage of yellow Sweetheart roses. The bridegroom's mother wore a sleeveless pink sheath and a matching lace coat. Her corsage was fashioned of pink Sweetheart roses.

The newlyweds are vacationing in New England. They will make their home in Grinnell, Iowa, where both are enrolled in college.

## Meadow Brook Season Ending

Oakland University's Meadow Brook Festival will close its fifth anniversary season with a vast array of talent featured in concerts today through Sunday in the Baldwin Pavilion.

The international-award winning German violinist Edith Peinemann will appear as soloist with the Detroit Symphony Orchestra under Sixten Ehrling's direction Thursday and Friday, August 15 and 16, at 8:30 o'clock playing the Khachaturian concerto on a program which includes Schubert's Overture to "Rosamunde" and Dvorak's Symphony No. 7 in D minor.

Saturday at 8:30 o'clock, the legendary cellist Gregor Piatigorsky will make one of his rare appearances away from the coasts playing the Haydn Concerto No. 2 in D major and

the Strauss "Don Quixote" on a program which includes Strauss' "Serenade for Winds" in E flat Major.

At the final concert Sunday at 7:30 o'clock there will be some sadness. Mischa Mischakoff, the 73-year-old concertmaster of the Detroit Orchestra, will retire. Mr. Mischakoff has been a concertmaster for 55 years, having come to Detroit via the N.B.C. Symphony under Toscanini, the Philadelphia Orchestra and the New York Symphony.

To mark the event of Mischakoff's retirement, his life-long friend Piatigorsky will join him to play the Brahms Concerto in A minor, the towering "Double Concerto." The program will include Weber's "Ruler of the Spirits" Overture and the Shostakovich Symphony No. 5.

## Miss Gauss Married In Memorial Church

Speaks Vows Saturday to Robert Russell Hastings, Jr.; Newlyweds Are Vacationing in Bermuda; Attendants Wear Yellow Organza Frocks

Grosse Pointe Memorial Church was the setting for the Saturday, August 10, ceremony at which Carole Ann Gauss, daughter of Mr. and Mrs. Calvin J. Gauss, Jr., of Bishop road, spoke her marriage vows to Robert Russell Hastings, Jr., son of Mr. and Mrs. Robert R. Hastings, of Ravenna, O.

The Reverend Gary Gruber officiated at the 5 o'clock rites, which were followed by a reception at the Grosse Pointe Yacht Club.

The bride, given in marriage by her father, wore a gown of imported white silk organza, heavily appliqued with flowers of Venice lace which circled her jewel neckline and bordered the hem of her A line skirt. Her elbow length sleeves were fashioned of matching lace, and her Chapel train fell from a waist-line bow.

A headpiece of lace encrusted with seed pearls secured her floor length silk illusion veil, which was accented with matching lace motifs. She carried a nosegay of miniature white carnations, yellow garnet roses and stephanotis.

In sleeveless, floor length frocks of yellow silk organza

## Mrs. Robert Hastings, Jr.

Speaking her marriage vows to Mr. Hastings, son of Mr. and Mrs. Robert R. Hastings, of Ravenna, O., in Grosse Pointe Memorial Church Saturday, August 10, was CAROLE ANN GAUSS, daughter of Mr. and Mrs. Calvin J. Gauss, Jr., of Bishop road.

Trimmed with bands of embroidered lace were Mrs. Calvin J. Gauss, III, matron of honor, and bridesmaids Christine Hastings, the bridegroom's sister, Susan Akers, of Stamford, Conn., Ann Lewis, of Evanston, Ill., Nancy Runkle, of Lakewood, O., and Anne Wrigley.

They wore yellow organza bows in their hair and carried baskets filled with white daisies, yellow garnet roses, baby's breath and ivy.

Calvin J. Gauss, III, brother of the bride, acted as best man. Seating the guests were Gregory Morton and Robert Heister, Jr., of Ravenna, Geoffrey Jewett, of Aurora, O., Robert Becker, of Erie, Pa., and Michael Barr, of Columbus, O.

For her daughter's wedding and the reception, Mrs. Gauss selected a dress of mimosa yellow silk worsted, accented with crystal beading, and a matching yellow hat.

The bridegroom's mother wore a mint green silk ensemble with a jeweled collar, and a matching headpiece. Both mothers chose cymbidium orchid corsages.

The newlyweds are vacationing in Bermuda.

Wayne State University coed HELEN DEJULIO, of Stanshope avenue, will reign as Miss Wayne State University for the 1968-69 academic year. Helen, a junior in WSU's College of Education, is a member of Alpha Delta Pi sorority. She was sponsored in the Miss Wayne State University Contest by the WSU chapter of Alpha Epsilon Pi fraternity.

MR. and MRS. TERRANCE WAYNE JOHNSON and their infant son LANCE EDWARD, who was recently christened at Grosse Pointe Memorial Church, are visiting her parents, MR. and MRS. EDWARD F. SUITS, of Rivard boulevard. Mrs. Johnson is the former GRACEANNA SUITS, a graduate of Grosse Pointe High School. Her husband is presently in the Navy Medical Corps, stationed at the Great Lakes Naval Base. The Johnsons make their home in Zion, Ill.

Spending the current month at her Harbor Springs summer home is MRS. MAYE E. EBBLEN, of Park lane.

**Choosing Glasses Children Like, of Parent-Pleasing Quality, is merely KID STUFF at Van Dyke!**

At Van Dyke Optical, the young set makes the scene, cheerfully. We know how to make choosing glasses an adventure they cherish. (After all, that eye examination can be a trip to Mars, you know.) We've learned that Little Girls have their own idea of what Style is all about. (And heaven help the brave parents who try to dissuade them!) Little Boys? They could care less about style. Sure they want a frame that looks good, but there's a world out there waiting for them. Wistfully, too, we've watched Little Girls and Little Boys grow up. So, we anticipate it, and try to make it easier. No matter how old young folks are, we provide them the quality glasses they need for clear, sure vision...and the selection they like.

At Van Dyke Optical, the choice is theirs. The confidence is yours.

## Fall Bride

Mr. and Mrs. Arthur J. Smith, of St. Paul avenue, have announced the engagement of their daughter, PAMELA JEANNE, to Daniel Lawrence Star, son of Mr. and Mrs. James J. Star, of Berwyn, Ill.

The bride-elect was graduated from William Woods College and Michigan State University. Her fiancé was graduated from Michigan State University.

A September wedding is planned, at Christ Church, Grosse Pointe.

## Betrothed

Mr. and Mrs. Michael Madarasz, of Kenwood court, announced the engagement of their daughter, MARJORIE ANN, to Richard Davis Lodge, son of Mr. and Mrs. Horace Winfield Lodge, of Milford, at a family dinner party Sunday.

Miss Madarasz is currently a junior at Michigan State University, where she is majoring in Elementary Education and is affiliated with Sigma Kappa sorority.

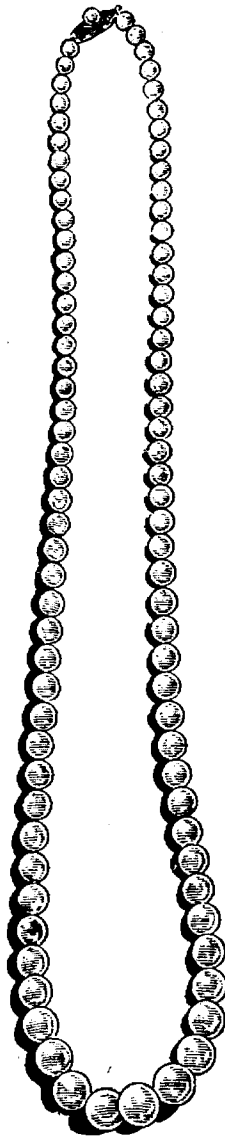

Her fiancé is also attending Michigan State University and is a senior majoring in Finance.

Among a group of 175 young men who are said to have spent "the toughest summer of any group of college students" is MICHAEL H. REDLIN, of Lochmoor boulevard, just graduated from the third Naval Science Institute at Purdue University. Michael will return to Cornell University in the fall and may enroll in a Naval ROTC program to be eligible for a commission in two years. The Institute's "pressure program" included Marine Corps physical fitness and crash academic programs beginning each day at 6 in the morning and ending at 10 in the evening.

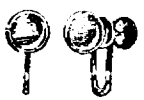

DR. PHILIP R. HERSCHELMAN, formerly of Shoreham road, has completed his three years of residency in Psychiatry at the Institute of Living, Hartford, Conn., and has reported to the Philadelphia Naval Hospital for two years' service in the Navy. Dr. Herschelman was graduated from Grosse

Pointe High School and the University of Michigan Medical School. He served his internship at Denver General Hospital, Denver, Colo. He is married to the former BARBARA COURT, of Hastings, and has two sons.

which The Reverend Alan F. Harre officiated, was followed by a reception at the Grosse Pointe War Memorial.

For her marriage, the bride selected an Empire A line gown of white silk organza, fashioned with a bodice and long, pointed sleeves of peau d'ange lace.

Matching lace trimmed her hemline and detachable train, and she wore a family heirloom veil, hand-embroidered in Rome, borrowed from a California cousin. Long white satin streamers accented her bouquet of white daisies surrounded by baby's-breath.

Her attendants' knee length cage frocks were fashioned of pale yellow Chantilly lace over yellow taffeta and featured long sleeves and stand-up lace collars. They carried arrangements of white daisies and green fern, accented with green velvet streamers matching their green velvet headbows.

Yellow daisies were featured in honor maid Miss Sampson's bouquet. Bridesmaids were Mrs. Frederick Greiling, Judy Nelson, of Traverse City, and Janice Krieger, the bride's cousin. Laury Lee, of Midland, another cousin of the bride, was flower girl.

Roger R. Johnson acted as best man for his brother, and ushering were Dr. Frederick C. Greiling, brother of the bride, William Miles McKee and James Baker, the bridegroom's cousin.

The bride's aunt, Mrs. John Groesbeck, selected a jewel-trimmed turquoise peau de soie ensemble, while the bridegroom's mother chose a blue silk dress and matching jacket.

The newlyweds will make their home in Whitmore Lake, Mich., while the bridegroom

continues to work toward his Masters degree in Business Administration at the University of Michigan. The bride will continue teaching in the Van Buren Public Schools.

## Berschback-Miller Vows Exchanged

The Reverend Alvin P. Metzger O.S.A. officiated at the evening ceremony Friday, August 9, in St. Clare de Montefalco Church at which Karen Ann Miller, daughter of the James D. Millers, of Three Mile drive, and James Ferd Berschback, son of Mrs. Donald F. Berschback, of Whittier road, and the late Mr. Berschback, were married.

A reception and dinner in The Whittier Hotel's Pompeian Room followed the 6 o'clock nuptial Mass.

The bride selected an organza gown fashioned with an Alencon lace-appliqued Em-

fant illusion veil, and she carried a bouquet of white Sweetheart roses with touches of pink, greens and ivy.

In a floor length pale pink frock, a green velvet band separating her Venice lace Empire bodice and chiffon skirt, was honor maid K. Patrice Ludwig.

Bridesmaids, wearing frocks identical to that of the honor attendant, were Kathryn Miller, sister of the bride, Mrs. Thomas Manardo and Lynda Denys. Their headpieces were double Dior bows caught in tiers of pink organza, and they carried Colonial arrangements of pink Sweetheart roses.

Don R. Berschback served as his brother's best man. Ushers were Thomas P. and Robert J. Berschback, two other brothers of the bridegroom, and Vincent Rabaut.

For her daughter's wedding, Mrs. Miller chose a yellow mist silk floor length gown and matching coat, both trimmed with tiny floral appliques. The bridegroom's mother wore a floor length gown of aquamarine chiffon. Both mothers pinned Sweetheart roses to their purses.

When the newlyweds left for a Jamaica vacation, the bride was wearing a dress and matching coat of pink silk shantung with white accessories.

They will return to make their home in Somerset road.

## Pointers Enjoy Summer Camp

Camp Charlevoix is enjoying its forty-third season this year with boys from 91 cities or towns, 11 states, and from the Dominican Republic.

States represented are: Michigan, Ohio, Indiana, Kentucky, Missouri, Florida, California, Connecticut and Iowa. The staff of 60 comes from 31 different colleges and universities.

The cowboys who are from South Dakota and New Mexico are busy getting ready for the annual rodeo to be held this year on August 23.

Many Grosse Pointe boys have been learning how to sail, using the fine fleet of boats at the camp. Riding, sailing and riflery are the three most popular activities this summer. Every boy is taken on overnight trips away from camp, learning how to live in the outdoors. Long sailing trips, canoeing trips and riding trips are very popular with the

## DBC 'Dock Daze' Stated August 21

Plans are afoot—or perhaps we should say "aboard"—for a fascinating afternoon at the Detroit Boat Club next Wednesday, August 21, when the Club's Women's Committee entertains members and guests at a boat and lawn party dubbed "Dock Daze."

Festivities will start on the lawn at noon. Luncheon will be served aboard designated yachts moored in the Boat Club Harbor.

Co-chairmen for the event are Mrs. Walter B. Drolet and Mrs. Robert Hodge. Working on their committee are Mrs. John Cook, Mrs. Fremont Fountain, Mrs. George Cheadle, Mrs. William Oldani and Mrs. Richard Feldborg.

Hostesses on their boats where luncheon is to be served will include Mrs. Drolet on the "Boxer II," Mrs. John R. Dunlop on "Dort II," Mrs. Robert Gay on "Gay Lady III," Mrs. Howard A. Gifford on "Tenderay," Mrs. Vernon S. Glendenning on "Do-B-G," Mrs. A. A. Grinnell on "Patsy Ann," Mrs. Donald A. Henkelman on "Magoon III" and Mrs. Don Main on "Dondana."

More are Mrs. Ralph Burke on "Shamrock," Mrs. Shelden L. Drennan on "Nan-Ru-Shel

II," Mrs. W. H. Miller, Jr., on "Towhead II," Mrs. Warren B. Oakley on "Four Oaks," Mrs. Richard D. Spencer on "Gloria II" and Mrs. Richard S. Wager-son on "Mostly Hers."

## Newlywed Darraghs Will Reside In East

Making their home in Nyack, N.Y., after August 19, will be Mr. and Mrs. Kirk Darragh, who spoke their marriage vows Saturday, August 10, at a 1 o'clock ceremony in Grosse Pointe Memorial Church.

Officiating at the rites, which were followed by a luncheon reception at the Grosse Pointe War Memorial, was The Reverend Ben L. Tallman.

For her wedding the former Barbara K. Kerber, daughter of Mr. and Mrs. Armand C. Kerber, of Barrington road, selected an A line gown of silk organza, styled with an Empire bodice of pearl-headed re-embroidered lace.

Matching lace accented her silk organza Chapel train. A headpiece of organza roses caught her shoulder length silk illusion veil, and she carried a cascade of white miniature carnations centered with a white orchid.

Honor matron Mrs. Edwin Graham, of Ypsilanti, and bridesmaids Mrs. William Cooper, of Waterford, Mass., and Sarah Isherwood, of Cambridge, Mass., wore floor length sheaths fashioned with yellow linen skirts and apple green Empire bodices.

They carried cascades of yellow daisies, the matron of honor's featuring green daisy accents.

Craig V. Darragh, of Massillon, O., served as his brother's best man. They are the sons of Mr. and Mrs. Ralph V. Darragh, of Massillon.

## To Be Leaders In Torch Drive

Mrs. John H. Schwan, 1506 Anita avenue, Torch Drive division chairman for Grosse Pointe Woods, has named the four area chairmen who will assist her in enrolling, training and directing volunteers for the 20th annual United Foundation campaign here.

They are Mrs. John O'Toole, 2104 Hampton; Mrs. A. J. VanTiem, 1530 Anita; Mrs. Frederick Maddock, 976 Hampton; and Mrs. John Momeyer, 960 Moorland.

Mrs. O'Toole will head the drive in Area 1, which is bounded by Mack avenue, Vernier, Canton and Base Line road. Mrs. VanTiem was named chairman of Area 2, which includes the area within Vernier, Mack avenue, Base Line and Marter.

Area 3, which Mrs. Maddock will head, is bounded by Vernier road, Marter, Roslyn and Morningside drive. Mrs. Momeyer will lead the campaign in Area 4, bounded by South Brys, Marter, Base Line road and Van K drive.

The 1968 Torch Drive will raise money for the 1969 operating budgets of nearly 200 health and community services in the Wayne, Oakland and Macomb Torch Drive areas.

## Oldsters Need Balanced Diet

Older people need the same nutrients as the child or young adult—the only difference is the amount.

Mrs. June L. Sears, Home Economist with the Cooperative Extension Service in Wayne and Oakland counties, says that as age advances, decreased activity reduces the requirement for fats and sugars.

"Excess calories become excess fat," the Home Economist emphasizes, "and obesity increases the risk of ailments that can torment and actually shorten life after 60 by 50 per cent."

But high quality proteins such as those found in meat and eggs are still essential to the senior citizen's diet, she says. So are the vitamins and minerals supplied by fruits and vegetables.

Lack of appetite, faulty digestion and dentures can inhibit proper nutritional habits among older persons. Making mealtime more pleasant by sharing it with friends, eating out occasionally or listening to the radio can help whet the appetite.

"Good food provides all the nutrients you need," says Mrs. Sears. "Shun the peddlers of pills, tonics and food supplements who falsely promise the return of your youth. If you need a special diet, your doctor can recommend one."

**DEAD RABBIT**  
Mrs. Edward Henry, 961 S. Brys, called Woods police on Sunday, August 11, to report finding a dead rabbit in her tomato patch. Police picked up the rabbit and disposed of him.

## Mrs. Kirk Darragh

BARBARA K. KERBER and Mr. Darragh were married Saturday, August 10, in Grosse Pointe Memorial Church. Parents of the couple are the Armand C. Kerbers, of Barrington road, and the Ralph V. Darraghs, of Massillon, O.

## June Bride

At a recent family dinner in their Kenmore road home, Mr. and Mrs. Walter Schmidt announced the engagement of their daughter, DIANE, to Gerald William Robinson, son of Mr. and Mrs. Gerald Robinson, of Saginaw.

Both Diane, a Grosse Pointe High School graduate, and her fiancé attend Central Michigan University, where she is associated with Sigma Sigma Sigma. A June wedding is planned.

## Bride-Elect

At a recent buffet dinner in their North Renard road home, Mr. and Mrs. Ralph G. MacLeland announced the engagement of their daughter SUZANNE MARIE, to Jonathan Adams, Jr., son of Mr. and Mrs. Jonathan L. Adams, of Ann Arbor.

Sue is a student at Eastern Michigan University, where she is affiliated with Sigma Kappa. Jon, an honor student at EMU, is affiliated with Alpha Kappa Psi professional business fraternity.

A June 21 wedding is being planned.

## Membership Meeting Set By Vikings International

Vikings International, Ltd., a Michigan non-profit corporation formed "for the pursuit of pleasure" for its members, will hold a membership meeting next Wednesday evening, August 21, beginning at 8 o'clock, in Monte's Rathskeller, John R., Detroit.

Social activities, including picnics, hay rides and dinner dances, and charter travel excursions are some of the activities Vikings offers its members.

Membership is open to single or married adults. Family memberships are also available. Further information may be obtained by calling Jo Grieson at the Vikings Office, 399-2226.

If you don't believe in signs, don't drive an automobile.

## Plan Your Home For Retirement

Years ago people lived and died in the same house — often an inconvenient arrangement for a young mother, and uncomfortable for older folks. But now a single house seldom fits all stages of the family cycle, according to Mrs. June Sears, Home Economist with the Cooperative Extension Service in Wayne and Oakland counties.

After the last child leaves home, parents find themselves with lessening physical activity and increasing personal resources. This later period in life may begin at age 50 and can extend for 25 or even 30 years. This means housing for later years can actually be a long-time investment.

The ideal retirement house is compact, comfortable, convenient, easy to maintain and as fall-proof as possible. It provides a place for hobbies, and it has space to accommodate visiting children and grandchildren.

Many new homes fit these requirements, Mrs. Sears points out. One-level houses with no stairs conserve energy of the occupants. Paneled walls require no redecorating, and simple trims on doors and windows require little care.

The Home Economist notes that a well-arranged kitchen can save an hour's housework each day.

A house with a bedroom located near the kitchen is convenient in case of illness. The trail, from bedroom to bathroom should be free of steps and changes in floor covering. The part from bed to door should be clear, with light switches near the bed as well as by the door. Furniture in all rooms should be arranged to keep traffic lanes clear.

Step-saving features include a pass-through storage between dining room and kitchen and telephone jacks throughout the house.

Since many falls in the yard are due to bad planning or poor maintenance, the yard deserves some attention. Grass cutting and weeding can be partially eliminated by planting ground covers such as ivy, pachysandra and vinca in some areas of the yard. Daffodils scattered through these coverings will bloom early and require no care. Evergreen trees help solve the problem of raking leaves.

To The Grosse Pointe Public:  
Whether buying or selling real property, you need the services of a Realtor.  
In creating a real estate deal, Realtor supervision offers a concentration of contacts between buyers and sellers, practical guidance on appraising and pricing of property, and the arranging of financial details.  
Most important of all, the Realtor provides the skilled, informed third party needed to bring to agreement two minds whose interests are naturally divergent.  
Not all real estate brokers are "Realtors," but only active members of constituent Boards of the National Association of Real Estate Boards.

# Christy Minstrels Coming to Center

World-Famous Group Will Open 'Lighter Side of Life' Series on September 12; Balalaika Orchestra, Eva Gabor Also Booked

Grosse Pointe War Memorial's black tie "Lighter Side of Life" series combining gala cocktail parties, gourmet dinners and headline entertainment will begin on Thursday, September 12, this year, ahead of other openers and events.

The first attraction will be The New Christy Minstrels, internationally famous stars of television and the concert stage. They also are top recording stars and familiar to and loved by nearly every family in America and Europe.

The New Christy Minstrels have patterned their contemporary singing style after a company of pre-Civil War entertainers created by Edwin "Pops" Christy who introduced some of Stephen Foster's greatest songs. The Minstrels perform "en masse" and in addition each individual has his own solo specialty. They accompany themselves on banjos, guitars and bass.

They are clean-cut, likeable youthful Americans. They have rocked the columns of the White House and triumphantly toured Europe where they won both first and second place at the San Remo Festival and where their hits "Green, Green," "Saturday Night" and "Liza Lee" are as familiar as in the States.

The Minstrels' 8:40 performance in Fries Theatre will be preceded by a cocktail party (by subscription), at Grosse Pointe Yacht Club at 5:30 and dinner in Center's Crystal Ballroom at 7:15 p.m.

The second event on the "Lighter Side" series is a performance on Wednesday, December 4, by the Balalaika Orchestra with gypsy soprano and youthful Russian dancers. Pries Theatre, cocktails will be served at the Little Club and dinner in the War Memorial's Crystal Ballroom.

The series will come to a stunning finale February 17, two days prior to Lent, when the Alfred R. Glancys are opening their Lake Shore estate for complimentary cocktails preceding dinner at the Memorial.

The show will be Eva Gabor's production of "The Big Bang" featuring the entire corps of "Ballet America" which, wowed not only the Detroit audience but critics from coast to coast when they toured nationally two years ago as "The American Folk Ballet."

Still under the inspired direction of Burch Mann, this dynamically youthful company (The oldest member is 24) has been featured twice on the Ed Sullivan Show, an ABC national special and the film "Kissin' Cousins." They will be accompanied by full theatre orchestra.

The "Lighter Side of Life" is limited to 400. Reservations for the series of three cocktail parties, three dinners and three performances is \$30. One may elect a series of performances only for \$15 or just a single complete evening including party, dinner and show for \$12.50. Checks should be sent to the Grosse Pointe War Memorial for reservations.

## Port of Detroit Setting Records

The Port of Detroit set a new all-time record for world commerce during the opening months of this new 1968 overseas navigation season.

Through the end of June, a total of 747,094 net tons of import-export cargo moved through the Port. This represents a gain of 243,679 tons, or 48.4 percent, over the same period of 1967 — the biggest year in the history of the Port.

This latest in an impressive succession of records established by the port, is all the more significant because the Seaway strike, which began June 21, sharply curtailed Detroit's world commerce movement during the second half of June.

Despite this curtailment, June with its record 199,482 tons of overseas cargo, was 48.054 tons, or 31.7 percent, ahead of June, a year ago.

Many ocean ships were diverted early in June when the strike was first threatened. This explains why only 75 ocean ships called in June this year, as compared to 116 in June of 1967.

From April 13, the date of Detroit's season opening, until June 20, the day before the strike began, there were 232 ocean going ship calls at the Port — an average of 3.4 vessels a day — whereas during the last ten days of the month only 12 sailings called here — an average of 1.2 ships a day.

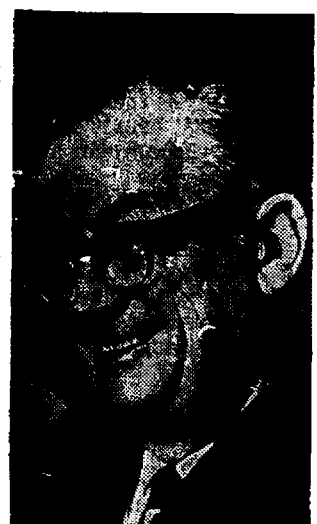

Economic benefits during the first two and a half months of this season totaled \$17,335,888 thus averaging \$219,442 per day. This compares with a cumulative total of \$10,190,584 by the end of June, 1967.

## John W. Paynter Award Winner

John W. Paynter of 1672 N. Renaud road, chairman of the board of trustees of the Michigan Hospital Service (Blue Cross), has been named the 1968 recipient of the American Hospital Association's Justin Ford Kimball Award.

Named for the man who pioneered the concept of hospital prepayment, the award is given in recognition of outstanding service to the cause of voluntary prepayment for health care.

Mr. Paynter's selection by the

JOHN W. PAYNTER

AHA's Board of Trustees as the 10th recipient of the award which was established in 1958 was announced by Edwin L. Crosby, M.D., executive vice president and director. The presentation will be made September 18 at the AHA's 70th Annual Meeting in Atlantic City.

Dr. Crosby pointed out that only one other trustee of a Blue Cross Plan has ever been selected for the Kimball Award. He added:

"Mr. Paynter is particularly deserving of this honor. He has served the Michigan Blue Cross Plan as chief executive officer pro tem, trustee, vice-president, president and chairman of the board through a period which has seen Michigan Blue Cross grow into the second largest Plan in the country, serving some 4.7 million subscribers."

The Plan was not always so successful. In 1946, it was in serious trouble as hospitals either withdrew or threatened to withdraw from participation because of dissatisfaction with the Plan's policies.

A group of Detroit civic leaders, convinced that Blue Cross must survive for the sake of the community and hospitals, was formed and Mr. Paynter was named to serve as the Plan's temporary chief executive officer.

At that time, Mr. Paynter had just joined Detroit's largest department store, J. L. Hudson Company, as assistant controller. He is still with the company today, as senior vice president, finance, as treasurer, and as a director.

His assignment with Blue Cross was twofold—to persuade hospitals to either join or remain in the Plan, and to find a strong, permanent chief executive officer.

The man Mr. Paynter found to fill the executive post is William S. McNary, who joined the Plan in 1947 and who was named the Justin Ford Kimball Award winner in 1963. He is now the Plan's president.

Mr. Paynter, a native of Zanesville, Ohio, was graduated from Ohio State University and served as an officer in the U.S. Army Ordnance Corps before joining J. L. Hudson Company.

Discussing the voluntary prepayment movement in the August 16 issue of Hospitals, Journal of the American Hospital Association, Mr. Paynter predicted a continued strengthening of Blue Cross.

"The present high cost of medical care," he said, "plus the need for supplemental benefits to Medicare and the need for coverage of persons not covered, can't help but mean strengthening of Blue Cross. . . . Blue Cross is the best thing for the hospitals and for the communities. I think the good Plans are truly public-minded, and I sincerely believe it's the best that the public can get."

### WINDOW BROKEN

Louis De Perro, 831 North Renaud, called Woods police on Monday, August 5, to report a large picture window at 871 North Renaud, had been broken by a beer bottle. The broken bottle was still on the premises. It had been completely shattered. The owner of the house Dr. N. R. Rose, could not be contacted at the time of the incident.

## From Another Pointe of View

(Continued from Page 17)

families not plan anything "special" for their houseguests.

"We want our local families to do nothing other than carry on their usual weekend activities," says Mr. MacKay, whose own home will have a student guest or two.

"We want to make this a continuing program in Grosse Pointe. We'll do it this weekend, (September 14 and 15), then again in January, when a second group of exchange students arrive at the University."

U. of M. alumni in the Grosse Pointe area are numerous, dedicated and sincerely interested in the affairs of their Alma Mater, so most of the September visitors are already "spoken for."

But Mrs. Stephan Boak, 773-0229, chairman of the project which is being sponsored by the local Club in cooperation with the Ann Arbor Alumni and the University's International Center, would still like to hear from any families who might be interested in sharing their weekend with a bright young guest from another country.

### Who is That Lady?

Pointers who see actress Claire Merrill in the movie "Petulia," opening soon at the Punch and Judy, may find themselves muttering, "Who IS that lady?"

Well, we're about to let the cat out of the bag . . . Miss Merrill, who plays Joseph Cotton's wife, Richard Chamberlain's mother, is none other than Claire (Mrs. James) Phelps, who up until five years or so ago made her home in Elm court.

Claire was very active in Theatre Arts, Fine Arts and other drama groups during her Pointe years.

When the Phelps, (he's a labor relations lawyer), moved to Tiburon, Calif., she began to work in motion pictures, using the stage name Claire Merrill—and she's been having herself a ball!

Claire, incidentally, isn't the only "star" in the Phelps family: Son Rob Phelps, in his early 20's, has just signed a contract with Otto Preminger.

### How About That!

Two "How-About-That," (our pet name for unclassifiable but fascinating information), items have come to our attention, and we thought our readers might like to marvel over them with us, so . . .

How about that E. R. Holtz, who's "teased" a white poinsettia into blooming in his Briarcliff place garden? "It makes quite a novelty," he admits, "and always provokes interest on the part of visitors . . ."

And how about that Hazel (Mrs. R. C.) Connelly, of Three Mile drive, who popped out of her Bon Secours bed, (she's recuperating there after a recent successful operation), long enough to attend a party at the Grosse Pointe Hunt Club one evening last week, then checked back into the Hospital in time to catch some sleep before breakfast?

### The Blind Need You

This is the time of year when many Pointe matrons are looking for a Winter Project, something to keep them interested and occupied in the months ahead, hopefully, something really "worthwhile" . . . and there's nothing higher on our personal "worthwhile" list, (it rates very high on our "rewarding" list, too), than transcribing reading materials into Braille books for the blind.

Free Braille transcription instruction is given at the Grosse Pointe War Memorial Center every Thursday morning at 10 o'clock, beginning September 12. Instructor is Mrs. John McNamara, of Touraine road, who has taught Braille transcription for the past three years at the Center. She will be assisted by Miss Eva Carabell and Mrs. Ross Taylor, who worked with the last class.

Although the instruction is free, materials required for the course cost about \$10 and reservations are necessary since all materials must be ordered before the class begins.

At the end of the course, each student transcribes a manuscript into Braille. These manuscripts are sent to the Library of Congress, and Certified Braille Transcribers' certificates are issued to those who have attained an acceptable level of proficiency.

Braille transcription, according to Pointers who have tried it, can be mastered by any sighted person working with reasonable diligence.

And, in the words of one local lady who earned her certificate several years ago and still pounds away regularly at the Braille typewriter, "It is difficult to conceive of a volunteer pastime that provides so much satisfaction—both to the blind and to the Brailleur who transcribed the book that makes the blind person's satisfaction possible."

Interested? TUxedo 1-9566 is the number to call for further information . . .

## Set Orientation Meetings at HS

Jerry J. Gerich, Principal of South High School, said that student orientation meetings will be held on Tuesday, September 3, in the Auditorium, Room 137, as follows:

1. All 9th Grade Students will report promptly at 9 a.m.

2. All 10th Grade Students will report promptly at 10:30 a.m.

3. All new 11th and 12th grade students to Grosse Pointe South High School will report to Cleminston Hall, Room 117 at 9:30 a.m.

Mr. Gerich said that it is essential that all new students attend this orientation session. They will have an opportunity to meet the administrative staff, their counselors, student government officers and other personnel who will try to make their transition to high school easier.

Class schedule cards and locker assignments will be given out and there will be a chance for questions at the end of the session.

Students should wear regular school clothing to be appropriately groomed.

### DOG-GONE!

Nancy Kemp, 1927 Anita, reported to Woods police on Sunday, August 11, finding a brown terrier on Anita and Mack on that date. A check revealed that the dog belonged to Walter T. Buchler, 1248 Anita, who immediately picked up the dog and a violation for dog running at large.

## DEAD ANIMALS

Woods police received three calls on Thursday, August 8, of dead animals on residents' premises. The first call came from Mrs. David Fessenden, 2024 Lennon. Officers found a dead possum in her garage. The second call, from C. L. Luber, 628 Hawthorne, was also for a dead possum in the garage. The last call was from Mrs. M. Jones, 1969 E. Kings Court, who had a dead, black, white and gray cat in her front yard. The animals were removed from the properties and disposed of by police.

## GP Boat Club's Corn Roast Set

Top event of the summer season for members of the Grosse Pointe Boat Club is the 8th annual Corn Roast, which will take place at Neff Park in Grosse Pointe City on August 18. It will be preceded by a Sail Regatta scheduled for 1330 hours that Sunday afternoon.

Because of its popularity, Boat Club members are being urged to make their reservations early. At last year's Corn Roast, a total of 400 persons were served. Some were turned away when the food ran out.

In order to take care of all GPBC members, their families and guests, this year's menu will be greatly expanded and the service enhanced. No reservation will be accepted after August 14 and no one will be served without a reservation. Bill and Dorothy Goldsberry, chairmen of the Corn Roast will be glad to reserve places or answer questions — call 886-5659.

Ralph Bower, who heads the sailboat race committee, says that all boats berthed at the City Park are eligible to race and that race circulars will be distributed at the skippers' meeting to be held on "C" dock at 1230 hours.

All boats will be handicapped according to the formula which is used by the Grosse Pointe Sail Club, and there will be trophies for first, second and third places which will be awarded during the Corn Roast. Skippers planning to enter the race should contact Ralph Bower, 885-8014, for directions.

Also to be awarded during the Corn Roast program will be the prizes for the August 3 Predicted Log Race, the first such event ever scheduled on the GP Boat Club calendar.

It attracted many spectators who crowded the docks to watch their enthusiastic power boat contestants.

On deck at the Corn Roast to claim their trophies will be Will and Marie Barbret, whose fine boat handling netted them a number one position at the finish. Taking a second-place prize will be none other than GPBC Commodore Frank Voorwerk and his wife, Evelyn, who are equally adept at keeping club memberships rolling and new burgees flying.

Tying up their skiff, a familiar sight on "C" dock, in time to claim their third place honors will be Bud and Betty Thorpe. Bud and Al Turney will be fleet leaders at the mid-laceburg, Ont., slated for this weekend, August 8, 10 and 11.

High point on the Corn Roast program agenda this year will be something new—a real "going—going—GONE" auction. Surprise gifts supplied through the courtesy of Grosse Pointe merchants will keep everyone guessing and bidding.

It's slated for approximately 6:30 o'clock and promises plenty of fun.

All you need to get in on the Corn Roast feast and festivities is a \$2 ticket for each member and guest.

All GPBC members including those who join the club by deadline date, August 14, and their guests are welcome.

candidate for the Democratic nomination for president within a few days to "save the Democratic Party." His voice breaking with emotion during an interview, the outspoken governor, who once passed out ax handles in his restaurant to keep Negroes away, said the present candidates offer the country only "socialism, socialism, socialism," and unless they begin voicing more conservative views, he will run.

FORD MOTOR CO. will have a small car to compete with the foreign imports within eight months, according to the New York Times. Speculation that Ford was pushing ahead on production for a "sub-compact" to be priced below \$2,000, has prevailed in automotive circles for nearly a year.

THE WATTS DISTRICT OF

Los Angeles appeared relatively calm after gun battles between police and Negroes Sunday night and Monday morning, leaving three dead and 35 wounded or injured. The disturbance broke out at the end of a festival commemorating the third anniversary of the 1965 Watts riot in which 34 died. The three dead were listed as Negroes.

THE TOLEDO CITY COUNCIL unanimously approved a handgun ordinance yesterday that should halt the flood of unregistered pistols from Toledo to Detroit. The ordinance, effective immediately, includes orders to all individuals, (including Michigan residents), who wish to purchase guns in the city to fill out an application for and wait for police to determine if the applicant has a criminal record.
