SOVIET TROOPS reportedly abducted six liberal Czechoslovak Communist leaders Wednesday, including Alexander Dubcek, the party's first secretary. As many as 23 persons were reported killed in clashes in Prague and two provincial cities in the wake of the invasion of Czechoslovakia by the armies of the Soviet Union and four allies.

A RIOT in the Ohio State Penitentiary Wednesday afternoon left five inmates dead after authorities blasted through the thick walls of the institution in an effort to release nine guards who had been held as hostages for nearly 30 hours. Warden Marion J. Koloski said the death toll "may go to six." None of the guards was injured. The trouble erupted when an inmate overpowered a guard on Tuesday morning and stole his keys and released prisoners. More than 300 convicts were involved in the riot.

THE UNITED NATIONS Security Council in emergency session voted on Wednesday night to launch formal debate on the Soviet-led armed invasion of Czechoslovakia despite the objections of the Soviet Union. U.S. Ambassador George W. Ball and Soviet Ambassador Jacob Malik locked horns over whether the question should be placed on the agenda.

Friday, August 23

CZECH COMMUNIST PARTY called on Czechs Thursday night to begin a general strike at noon Friday in protest against the occupation of the country and the arrest of the reform leaders. Throughout the day sporadic shooting and demonstrations were reported.

WASHINGTON SOURCES reported today that shortly before the Soviet-led invasion of Czechoslovakia, the Soviet Union and the United States reached agreement about the details of opening missile disarmament talks. The announcement was delayed by the Czechoslovak crisis. Neither side appears to have any inclination to let the immediate hostility interfere with long-term efforts toward a major new measure of East-West understanding.

ARMY DOCTORS reported Thursday night that former President Eisenhower is "resting comfortably" and has suffered no major heart rhythm disturbance in the past 24 hours.

Saturday, August 24

The condition of former President Dwight D. Eisenhower remains critical according to doctors at Walter Reed Army Medical Center. General Eisenhower suffered his seventh heart attack one week ago. His doctors, however, say that he remains alert and cheerful and continues to visit for short periods with the immediate members of his family.

THE MICHIGAN Food Dealers Association announced Friday that it will not hold any future meetings in Detroit or any other city supporting the California grape boycott. The organization has also asked the National Association of Retail Grocers of the United States to change the site of its 1969 convention from Detroit to another city because Mayor Cavanagh ordered a halt to city purchases of California grapes. The ban is in support of a nationwide boycott called by the United Farm Workers which is seeking to organize grape pickers.

TALKS BETWEEN Kremlin leaders and President Ludvik Svoboda of Czechoslovakia continued yet another day in Moscow. Svoboda told his citizens in the Soviet occupied country that the conferences with Russian leaders were progressing and that three other Prague liberal communists were joining in the talks. They are Alexander Dubcek, the Communist Party's first secretary; Oldrich Cernik, the premier; and Josef Smrkovsky, chairman of the National

Pointe Senior Men Enjoy 'Arabian' Afternoon

Photo by Jim Galbraith

Members of the Grosse Pointe Senior Men's Club, their wives and friends, some 100 strong, traveled to Lancer Arabian Ranch in Hartland, Mich., outside Brighton last Thursday. The ranch, one of the largest Arabian breeding establishments in the Midwest, is owned by Don and Jeanne Ford who, with their children, Jack, Rex and Laura, recently moved to the Brighton area from Ballantyne road. The afternoon's program included a horse show, "What The Arab Can Do," especially prepared for the visitors, giving them a chance to observe some of the famous Champion performance horses in action, demonstrating English

and Western gait as well as pulling a four-wheeled fine harness cart. Trail and Stock horse classes were also shown. Earlier in the day, the group toured the breeding farm and had a chance to pet the friendly foals. Among those watching the show were, (left to right) owner DONALD R. FORD, EV DOTEN, CLINTON P. HARDY, LEO G. JACQUES, his daughter, MRS. FORD, M. J. O'NEILL, who arranged the trip for the Senior Men's Club, J. EDWARD SCHUTTE, JIM BRENTKE, visiting here from Switzerland, and ELMER ROSS.

Pointe Shows Drop of 285 In Population

Release Figures Gathered In Annual Census Of School District; Has 61,888 Residents

Latest population figures, compiled from the annual school census, taken last May, and released last week by the Grosse Pointe Public School System, reveal that 285 fewer people live in the Pointe school district this year than last.

The 1968 population of the combined district is 61,888 as compared with 62,173 in 1967. That portion of Harper Woods which is included in the Grosse Pointe School district showed a population of 7,837, a loss of four. Its population has more than quadrupled since 1950.

However, the long range census tables show that since 1950, the population of Grosse Pointe Woods has more than doubled, and the Shores has tripled. Major losses last year were shown by the City (145) and the Farms (123).

The report also reveals that the Woods continued to lead all categories in comparison with other municipalities. It has more residences (38) under construction, more residences already built, more children in each age grouping and more persons per residence.

Population figures given for 1968 are as follows: Park, 16,556, with a loss of 48; City, 7,044, loss, 145; Farms, 12,491, loss, 123; Woods, 22,714, gain, 13; Shores 3,073, gain, 18.

Stepped-Up Traffic Patrol Cuts Charlevoix Hazards

Residents living in Charlevoix avenue, between Audubon and Cadieux, are apparently satisfied with the traffic enforcement on Charlevoix in the last two months, which has cut speeding and other violations considerably, it was brought out at a regular Park council meeting held on Monday, August 26.

Director of Public Safety William Ellenburg informed the council that he had met with six of the residents at the home of Mrs. Sarah Leopold, 1383 Bishop road, shortly before the city council met in session, and it was agreed that traffic conditions on the avenue were greatly improved, primarily through strict enforcement of the traffic ordinances.

New High School Opening Is Significant Milestone In Public Education Here

Splendid Facility Result of Planning by Students, Teachers, Trustees, Architects, Administrators and Residents

"The opening of Grosse Pointe North High School on September 4 will be a significant milestone in public education here," Dr. Theos I. Anderson, Superintendent of Schools, said.

"The new facility will enable the community, through its Board of Education, to continue to provide the same high caliber of secondary instruction that has characterized Grosse Pointe South High since it opened in 1928," Superintendent Anderson added.

Grosse Pointe North High School has been planned as a comprehensive structure to provide educational opportunities for the college-bound as well as the non-college-bound student. Initially, the building will house 2,000 students in grades 9, 10 and 11. Second year enrollment, when a Senior Class is added, has been estimated at 2700.

The building has been designed to facilitate the construction of additional classrooms in future years if needed.

Has Three Sections
The three sections of the plant include an academic wing flanked on the east by an auditorium-instructional center and on the west by the physical education facilities. The school will contain 92 teaching stations.

Sixty-five of these will provide rooms for classes in science, math, English, foreign languages, social studies, and business education. An electronics laboratory within the library will permit students to

listen to tapes, records, and ultimately, to use video-tape machines.

Plans have been made for eventual use of closed-circuit television. Included is a conduit system, a control room, and a specially designed speech and drama room which may serve as a program origination point.

Five Student Centers
Five areas have been planned as student centers for remedial work, advanced placement, or special projects of teachers and students. The academic wing will also house special education facilities.

Other features of Grosse Pointe North High School are two additional large group instructional areas in the academic wing capable of seating up to 125 students, six seminar classrooms for smaller groups, and five conference and planning rooms.

Budget Gets Approval of School Board

Operating Expenses Of \$12,597,084 Exceed Estimated Income; Hope For Millage Increase

The trustees of the Grosse Pointe Board of Education gave unanimous approval to the public schools' operating budget at a special meeting held in the gymnasium of Monteth School, 1275 Cook road, on Monday evening.

The operating budget for the 1968-69 year amounts to \$12,597,084 while estimated revenues will amount to \$11,925,923.

See \$671,161 Deficit
For the current year revenues are short of proposed expenditures by \$671,161, or 5.3 percent of the budget. A special school election has been set for Thursday, September 12, to raise the additional operating money for 1968-1970 and to cover an operating deficit estimated at \$3 million over the next two years.

Also on the ballot is a request for one mill for building improvement and site acquisition purposes which will last 10 years.

It was revealed on Monday that instructional costs amount to 70.31 percent of the budget, or \$8,856,564.

Salaries of regular classroom teachers account for \$6,628,670, with salaries for other personnel amounting to \$1,868,303.

66 Percent From Taxes
Current local taxes provide 66 percent of \$8,315,870 of the funds for the operating budget and State School Aid provides 14.4 percent or \$1,814,063 of the budget.

Federal aid to local education accounts for only \$37,270, or .3 percent of the budget, school officials said.

Dr. Joseph Spagnoli, Assistant Superintendent, instructed the board to present the budget by means of overhead transparencies shown on a screen at the request of Dr. Theos I. Anderson, Superintendent of Schools.

Mrs. Paul G. Hykes, president, chaired the public meeting.

WALLET MISSING

William Harrison of 617 Lincoln road, called City police on Sunday, August 25, and reported that his wallet, last seen at the Norbert P. Neff Memorial Park, was missing. It contained numerous cards and \$20 in cash.

Safety Director Refutes Statement Of Park Policemen

Produces Statistics To Show Crime Rate In Pointe Municipality Is Far Less Than That In Adjoining Detroit Precincts

Charges that Grosse Pointe Park has "a crime rate per capita that is actually greater than the two adjacent Detroit police precincts" have raised the dander of the city's top officials, who have produced figures to refute what they call "a false and misleading statement."

The allegation, made by the Park's Policemen's Association was first made by the Association in a letter sent to city residents in mid-June, and was repeated again last week as coming from "a reliable source."

Recently compiled local and national statistics, including those released by the Federal Bureau of Investigation, Uniform Crime Report, indicate that Grosse Pointe Park has "one of the lowest crime rates, per capita, of any city in the United States," according to William P. Ellenburg, public safety director.

Was Detroit Inspector
Previous to his becoming director four months ago, Ellenburg, 48, was district inspector in charge of the Detroit Police Department's west side precincts. He also commanded a task force trained in command tactics and riot control.

"It has been my privilege to serve as director of public safety for Grosse Pointe Park for the past four months," said Ellenburg. "My observations of the community have been very enlightening as related to my past experiences in law enforcement in the City of Detroit."

"The Park has unusually clean streets and alleys. There is an abundance of properly spaced street lights. It has outstanding recreation facilities, including a new marina and a soon-to-be-completed swimming pool."

Well Trained Men
"Both the police and fire departments are well trained."

School Parking Advice Offered

Because facilities at Grosse Pointe North High School will not be completed in time for the beginning of classes on Wednesday, September 4, Dr. William L. Craig, Principal, has requested cooperation from parents who will be driving their children to school in the morning and picking them up in the late afternoon.

"Until the turn-around is finished, we are asking that students disembark in the parking lot located across Vernier road from the school's access road," Dr. Craig said.

"We are indebted to the officials of the First English Evangelical Lutheran Church, for permitting us to use their parking lot," Dr. Craig added.

Students will proceed on foot from the church parking lot to the high school. The arrangement will eliminate two-way traffic morning and afternoon until the turn-around is completed.

Students driving their own cars will use the Vernier road entrance and will park in the spaces provided on the school grounds.

With the beginning of classes in the Grosse Pointe Public School System set for Wednesday, September 4, newcomers to the district are reminded to register from 1 to 3:30 p.m., Monday through Friday, August 26-30.

Students are required to appear with their birth certificate, last report card, and completed physical examination forms.

Secondary students new to the community are advised to call the middle school or senior high schools for an appointment with a counselor as soon as possible.

Yacht Club Playing Host To World Championships

Skippers from Australia, Europe, South America and the British West Indies isles will be arriving here within the next few days for the International World Tempest Class sailing championships, September 10-13 which are being sponsored by the Grosse Pointe Yacht Club.

It'll be the first time foreign skippers ever have raced on Lake St. Clair in a one-design class. The spectacular Tempests, 22-foot, two-man fin-keel sloops, are slated to be an Olympic class in the 1972 games.

The World Championships are only part of the biggest sailing program ever sponsored at the Grosse Pointe YC. Within just recent years the huge yachting

Building Permit Extended For Construction Of \$3,000,000 Addition To Hospital

A construction permit for the proposed \$3 million expansion of Cottage Hospital, approved last January 10, expired six months after the date of issuance, it was disclosed by John DeFoe, Farms director of Public Services. The Farms council, at a recent meeting, approved extending the life of the permit another six months.

DeFoe said that under the Farms ordinance, a permit, once granted is good for six months, but if the applicant does not undertake construction within that time, then the permit becomes void.

Rather than allow the original permit to expire, hospital officials asked for, and were granted a six months extension, and can continue to ask for further extensions, until they are ready to begin their expansion program. However, the added extensions, thereafter, are for only 90-day periods, each time, at the discretion of the director of Public Services.

Public Hearing Held

At a public hearing held on May 6, the city council, after much discussion, granted the hospital a variance from the Zoning Ordinance, which permits the institution to expand its present parking lot to provide 189 car spaces, rather than the maximum of 270 spaces, which will be needed under the proposed expansion program.

Under the present city ordinance (Continued on Page 2)

Officials Optimistic; Say Teacher Salary Talk Will Not Delay Opening

Classes for 12,850 students in the Grosse Pointe Public School System are scheduled to begin on Wednesday, September 4. Although teachers' salary contract talks are now in the mediation process, with another meeting scheduled for 1 p.m. on Friday, no sign of progress is reported at this time. However, school officials have expressed optimism school will open on schedule.

The 1968-69 year will bring with it many changes to the public school scene, the most dramatic of which is the opening of North High School with 2000 students in grades 9, 10, and 11.

South High will house grades 9-12.

Another important organizational change is the conversion of the three junior high schools housing grades 7, 8 and 9, into middle schools containing most sixth graders as well as those in grades 7 and 8. Most elementary schools will house kindergarten through grade 5.

Personnel Changes

In the area of personnel, the year begins with a number of changes at the administrative level. Donald B. Bassett, a teacher at Brownell, was named to an elementary principalship. He has been assigned to Maire School, replacing John Rohrer who will be at Ferry. Ed Wendt, formerly Principal at Ferry, will head the Poupard staff.

Jack McMahon, until July 1 Principal at Poupard, will take Dr. Roger O'Connor's post at Barnes.

At the Central Office, Dr. Joseph Spagnoli was named Assistant Superintendent - Instruction. Currently the schools are searching for a replacement to fill his former position, which has been designated as Director of Administrative Services.

The school system has welcomed 129 new teachers to the staff this fall.

Election Scheduled

Shortly after the beginning of the year, a special millage election will be held. At the July 8 special meeting of the Board, Dr. Anderson recommended that it requests a levy of 4% additional mills each year of a two-year period for operation, and a one mill levy for building and site purposes to run for 10 years. The election will be held on Thursday, September 12.

All registered voters, whether property owners or not, may vote on Proposition #1. Only property owners may vote on Proposition #2.

Board Has Election

At the Annual Meeting of the Board of Education, held on Monday, July 1, officers for 1968-69 were elected. Alice Mary Hykes is president once again, John T. Short will serve as vice-president, Barbara R. Thompson will be board secretary for a second year, and Edward J. Pongracz has been named treasurer. Other trustees are Lee H. Allen, beginning his first four-year term, and Arnold P. Fuchs and Calvin J. Sandberg, both beginning their second year.

The trustees have set the second Monday of the month as the time for their regular meetings. The sessions begin promptly at 7:30 p.m. and will be held in the gymnasium of Monteth Elementary School, 1275 Cook road, Grosse Pointe Woods.

Charlevoix Hazards Cut

(Continued from Page 1)
and other violations committed by these employees, including the passing of other vehicles over the double yellow lines, which indicate "no passing".

Ellenburg said that he has been given excellent cooperation by the bus officials, and that violations by the coach drivers have stopped.

In addition, he said, because of the stricter enforcement, violations committed by other motorists have shown a considerable decline. Whereas, previously officers have issued approximately 11 tickets within a three-hour period, the number has dropped to about five tickets, within that space of time.

Best of all, Ellenburt said, in the two months time that enforcement was stepped up, the accident rate has declined.

Other things accomplished, he said, in the interest of safety on the avenue, is that street lines have been repainted, new traffic signs have been erected, and high corner hedges on private property have been ordered cut to the legal height, for better sighting of oncoming traffic at intersections.

"As much enforcement as possible will continue to be applied in the area concerned, in an effort to maintain the improved traffic conditions," Ellenburt told the council.

In a statement over the signature of five women living in Bishop road, all close neighbors, it was revealed that five residents of the area are happy regarding the elimination of the dangerous traffic conditions on Charlevoix.

In the statement, it was suggested that the enlightened solution to the problem would be the diversion of traffic to other roads, better able to handle it. Specifically, it is urged that the council, as a minimum response, authorize and allocate funds to acquire two additional radar units, two additional scout cars, and the equivalent of two additional police officers for one shift each day.

City Manager Robert Stone pointed out that if the latter suggestions were to be carried out, it would cost the city approximately \$24,000, putting a heavy strain on the fiscal budget.

Mayor Matthew Patterson

lauded the improved traffic conditions on Charlevoix, and complimented Ellenburt and his police officers for the work done. The mayor asked for stepped-up patrols to crack down on speeders throughout the Park, stating that speeding is a major offense on nearly all the city streets.

Ellenburg said that orders will be given his policemen to continue, as much as possible, a watch on Charlevoix, to maintain the improved conditions, and that patrols be increased on all city streets.

Hospital

(Continued from Page 1)

ance, Cottage Hospital is required to provide one and one-half spaces for each bed in the institution. Proposed expansion plans call for an additional 72 beds, bringing the new total to 180 beds.

The variance was granted with the understanding that if the 189 spaces prove to be inadequate, Cottage officials must then comply with the law and provide the maximum number.

The necessary zoning changes to provide the hospital's parking lot expansion, was stymied for a time by opposition from neighboring residents, who at several public hearings claimed that the increase in parking would step up vehicular traffic in the area surrounding the hospital, especially as visitors enter and leave the lot.

Need Council Approval
Ralph Wilgarde, hospital administrator, said that even though the permit has been approved by the Farms for the proposed expansion, approval by the Greater Detroit Area Hospital Council is still awaited.

The administrator said that once underway, it will take approximately a year to complete the new construction, and about another 18 months to renovate the present facilities.

Cottage Hospital has the latest in medical equipment and techniques, and is staffed by highly trained personnel.

The original hospital was started in 1918, and was comprised of a group of cottages set up in the Neighborhood Center, to care for victims of an influenza epidemic of World War I. More than 600 persons living in the Pointe had contacted the disease.

House Purchased
The institution came into existence when, as a result of a successful fund drive, the late Baroness Von Kettler, and a group of volunteers, purchased a house at the corner of Oak street (Muir road) and Kercheval, in 1919.

A small cottage was rented and patients were taken there when the need was extreme. The first hospital had five beds for children and five for adults, and three bassinets.

As the Pointe grew, so did the hospital. In 1928, a second Cottage Hospital was constructed on the site of the old, at a cost of \$250,000, contributed by such prominent Pointers as Mr. and Mrs. Murray W. Sales and Mrs. Philip H. McMillan.

Michael R. Wade Promoted to Captain

Michael R. Wade, son of Mr. and Mrs. Richard C. Wade, 1570 Fairholme road, was promoted to Army Captain July 1 while attending the Army Transportation School at Ft. Eustis, Va.

He entered the Army in June, 1966, and was last assigned to the 34th Armor in Vietnam.

The 24-year-old officer was graduated in 1962 from Grosse Pointe High School. He was graduated in 1966 from Michigan State University, East Lansing, Mich., and received his commission through the Reserve Officers' Training Corps program there.

partments are well trained and well equipped. The manpower assigned to these divisions is far above the national, per capita average. There has been a 10 percent increase in the personnel of the police department during the past six months.

"Statistics in our possession indicate that we have one of the lowest crime rates, per capita, of any American city. This comparison also is based on per capita figures reported for the entire metropolitan Detroit area.

"The freedom which our citizens now enjoy of walking the streets of our community without fear, is a precious one. A continued public safety program involving our total community can help to maintain this freedom, and to keep the City of Grosse Pointe Park a happy and pleasurable place to reside."

Pointers Named To Drive Posts

Two Grosse Pointers were named to top Torch Drive posts this week.

Nathan B. Goodnow, of 75 Handy drive, was named a group chairman in the campaign professions unit. Goodnow is a partner in the law firm of Dykema, Wheat, Spencer, Goodnow & Trigg.

He was appointed to the Torch Drive post by the professions unit chairman, Otis M. Smith, attorney, legal staff, General Motors Corp.

A newly named group chairman for the schools and government unit of the campaign is Malcolm R. Lovell Jr., of 418 Lincoln road. Lovell is director of the Michigan Employment Security Commission.

His appointment was announced by the schools and government unit chairman, Maj. Gen. Shelton Lollis, commanding general, U.S. Army Automotive Tank Command, Warren.

The units with which Goodnow and Lovell will serve are among the six major Torch Drive chapters which solicit corporate and employee contributions in the commercial, industrial, governmental and professional communities.

Combined, the chapter units account for more than 90 percent of the total raised annually through the Torch Drive.

The professions unit solicits attorneys, clergy of all denominations, dentists, major certified public accountant firms, medical and osteopathic physicians, podiatrists, hospital employees, social agencies, and parochial and private schools.

The schools and government unit is responsible for the solicitation of all federal, state, county and local government groups as well as colleges, universities and tax-supported schools in the Wayne, Oakland and Macomb Counties.

The 20th annual United Foundation campaign will be held October 15 through November 7. Benefitting will be nearly 200 health and community services in the tri-county area.

situation in the adjacent fifth police precinct in Detroit and in Grosse Pointe Park.

The figures he released gave the present population of the Detroit precinct as 144,000, compared with only 16,000 in the Park. The comparative crime reports showed a total of 1,209 grand larcenies in the fifth precinct against 57 in the Park. Assaults were 337 to 16. Breaking and entering incidents, 3,851 to 60, and the score on robberies was 1,300 to 8.

"As indicated these figures are based on a per capita or population comparison," said Ellenburt. "By those standards the Park might have had at least nine times as many crimes

as recorded. So, percentage-wise, below that. It's a matter of statistics show, it was far, far simple arithmetic."

'Obit' Burglars Ransack Home of Costello Family

The lowest form of thievery, the obituary burglar, who specializes in breaking into homes of persons who have died, or the homes of those attending funeral services of loved ones, broke into the home of the late James Costello, Sr., 19817 Edshire, and ransacked the place on Wednesday, August 21.

Mr. Costello, 46, his 14-year-old son, Patrick, and daughter, Kerry, 7, were killed Monday night, August 19, when their car struck another, head-on, a quarter of a mile east of M-65, near Millen Township.

Mr. Costello was the general manager of Detroit Automobile Club Inter-Insurance Exchange. James Costello, Jr., 16, and his brother, Peter, 12 were injured. They were in the same car with their father, Patrick and Kerry. Mrs. Costello, with their two other children, Matthew, 5, and Thomas, 11, were riding in another car following the lead auto driven by the 16-year-old son.

A passenger in the vehicle that struck the Costello automobile, Dennis A. Stewart of Owndale, Mich., was also killed.

Woods Police Lt. Roland Symons said that he was dispatched to the Costello residence, Wednesday, when a phone call was received in the station from a neighbor of the Costello family, in which it was disclosed that a door at the rear of the house had been discovered ajar.

The lieutenant said that two women neighbors, on discovery of the open door went into the home to investigate, and a third woman neighbor followed several minutes later.

The three women told Symons that they had been in the house on several occasions, since the tragedy struck the family, to help clean the residence, and to cook for the bereaved survivors. When they left, all the doors and windows were closed, they said.

The officer said that the burglar or burglars, entered the house by carefully removing the molding of a rear window, taking off the glass. They fled the building either through the front door of the house, or through the garage door, which was also found ajar.

Symons said that prior to gaining entrance via the window, the burglars attempted to pry open the rear sliding door of the building, but were unsuccessful. There were four distinct pry marks on the door molding, he said.

The bedrooms and other rooms of the house were ransacked, the lieutenant said, with the dresser drawers of the bedrooms pulled out and contents dumped on the floor.

What is missing, if anything, the officer said, is not known, and will not be known until the family has completed an inventory.

Several residents in the neighborhood, told the lieutenant, that late in the evening, they saw a late model car, with at least two persons in it, driving slowly past the homes in Edshire, stop in front of the Costello home, and then drive away, to return a short time later, and finally disappear.

To Hold Meetings Before Election

Interested residents of the Grosse Pointe school district wishing more information on the school millage vote scheduled for September 12 are cordially invited to attend one of the three community-wide meetings scheduled for the week prior to the election.

Residents of the northern section of the school district will find it convenient to attend the open meeting in the auditorium of Parcels Middle School, 20600 Mack avenue, on Wednesday, September 4.

Citizens in the center of the district may attend the meeting to be held in the gymnasium of Brownell Middle School, 260 Chalfonte, at 8 p.m. on Thursday, September 5.

A meeting for residents of the southern portion of the community will be held in the auditorium of Pierce Middle School, 15430 Kercheval, on Tuesday, September 10.

A panel will present the background to the school system's request for millage at each meeting. Panelists include Mrs. Paul G. Hykes, President of the Grosse Pointe Board of Education, and Dr. Theos I. Anderson, Superintendent of Schools.

A citizen representing each of the three middle school areas will also appear. Thomas Candler will speak at Parcels, William Bokram will address the audience at Brownell, and Giro Cioe will speak at Pierce.

John Schwan, science department head at North High School, will also appear.

All meetings will be held at 8 p.m. and are open to interested residents from any school attendance area.

Giacalones Pay For Having Guns

City Municipal Court Judge Douglas L. Paterson found Vito and Anthony (Tony Jack) Giacalone guilty last week of possession of illegal weapons, a misdemeanor, and fined them the maximum \$100 and placed them on one year probation.

The guns were discovered when they were arrested last May 14, in their homes on loan-shark conspiracy charges. Vito was found to have one .38 caliber revolver, one .38 caliber chrome-plated pistol, one M-1 carbine with pistol grip and a chrome-plated Derringer, single shot.

Anthony was found to have in his possession one .38 caliber Colt snubnose pistol, one .38 caliber Cobra pistol, a .38 caliber snubnose revolver, one .12 gauge shotgun and a .30 caliber carbine with pistol grip, at the time of his arrest.

The Giacalones, along with 11 others, are awaiting trial in Circuit Court on loan-shark conspiracy charges. The brothers also face trial in Circuit Court for possession of black-jacks, a felony charge.

Judge Paterson's sentencing of both men came under fire by assistant state attorney, Robert C. Goussy, who maintained that the men should have been given 90 days in jail, the maximum sentence.

Judge Paterson said he levied the maximum fine and he felt placing the pair under the jurisdiction of the court for one year was a much tougher sentence than 90 days in jail would have been.

He cautioned the Giacalones that if they in anyway violate their probation they will be put in jail.

Both men previously re-

quested jury trials but waived the juries the day of their trials.

The surest way to test a man's character is to find out if he lives up to his promises.

VANDALS AT WORK

Vincent Garbesi, 744 Notre Dame, called City police on Monday, August 19, to report that while his car was parked in the driveway of his home between 7 p.m. Monday, August 19, and 6 a.m. August 20, vandals smashed the rear window of his convertible.

The best alibi in the world is the one you never have to make.

Course Offers Flight Training

A flight training ground school with optional "in flight" training will open at Grosse Pointe War Memorial Wednesday evening, September 18, from 7 to 10 p.m. It will continue for 10 weeks at the same time through November 20. Instruction will be given by W. E. ("Woody") Coche and Connie Earl, located at Detroit City Airport.

The course will cover all phases of pre-flight training including meteorology, navigation and FAA regulations. Classes finish with a written examination given by the FAA for private pilot licenses. With a little additional work, the exam for a commercial license may be passed.

The course is open to late teens and adults—both men and women. The fee is \$25 with an introductory "in flight" lesson included for an additional \$5. A great deal of the ground school is done with the assistance of visual aids and navigational charts as well as texts.

Enrollments are being taken currently in Grosse Pointe War Memorial's office at 32 Lake Shore road.

Baseball and Bible Topics For Today's Discussion

By Walter W. Fuller

Such entirely unrelated subjects as baseball and the Holy Bible occupied my mental processes during a salubrious, coolish Sunday afternoon of sitting on our hacienda's upper back stoop, and listening to the telephone radio while the Tigers started down the drain. As an added attraction, I was occasionally eyeing some tennis matches going on next door.

Even though it unnerved me no end, perhaps one of the most significant and appropriate commercials of that moment should have been piped into the dugout of our bumbling Bengals last week-end when they versed those yelping Yankees.

Thinking I might be of some service to the Tumbling Tigers, and that the message of that radio ad might spur them to greater heights, I dispatched a pony express rider to contact Mayo Smith at Yankee stadium and deliver to him, pronto, the inspiring words which came over the hot line, figuring that the Fumbling Felines might heed them.

Apparently the message never got through to our boys who let the Yanks tear them to pieces, and caused the Orioles to sing like meadow larks. (Note: Later I heard the rumor that the pony and boy tried to swim to Buffalo, wound up going over Niagara Falls, and haven't been heard of since. Of course, 'twasn't true! They were last heard of following the tow path of the Erie Canal.)

And, all the while, there I was listening to the Tigers being swept up by their damn Yankees, and this guy on the radio chanting time after time, "Gentlemen, start your engines!"

I thought it was about time for ol' Ernie Harwell to pick that line from the commercial and hand it over to Mayo, but nothing like that happened. So the Crushed Cats never did get the message which might have inspired them to greater heights. Or, at least, they never got around to starting their engines—which did seem a shame.

Holy Bible Statistics

Have you ever thought about counting the words and letters in the Holy Bible? Now you can forget it, because some unheralded person already has done that, and more. Someone reported these statistics were compiled by a murderer who was sentenced to prison for life. Perhaps, perhaps not.

Anyway, the information at hand states that there are 3,566,480 letters contained in the Bible. There are 810,697 words, 1,189 chapters, and 66 books. The longest chapter is the 119th Psalm. The middle verse is the

eight verse of the 11th Psalm. The longest name is in the first verse of the eighth chapter of Isaiah. "And" occurs 46,267 times in the Bible. Lord, 1,885 times. The 37th chapter of Isaiah, and the 19th chapter of Second Kings are alike. The longest verse is the ninth of the eighth chapter of Esther. The shortest, the 32nd of the 11th chapter of John.

In the 21st verse of the seventh chapter of Ezra is the alphabet. (Note: Try as I might I couldn't find an "f" or a "j"—can you?)

The name of God is not in the 26th chapter of Acts, and is not mentioned in the book of Esther. However, Esther contains "knowledge, wisdom, holiness" and "love."

Aunt Matt Didn't Know

Well known Pointer and Detroit, insurance man Ralph C. Wilson Sr., is a native of Jackson, Mississippi. On his patio the other day he told me the story of his elderly Aunt Matt who had never seen a baseball game in her life. This was many years ago.

So when Jackson played at Gulfport in the final Mississippi-Alabama League game of that season, he took her over to see her first diamond contest.

"All through the game, almost during every play," Wilson said, "Aunt Matt wanted to know 'what are they doing now, Ralph?'"

Aunt Matt was worried about the man standing in the middle of the diamond, because he always seem to "spit on the ball" before he threw it. Then a man would hit a ball and run like mad to meet another player at a corner. She thought all this was "perfectly ridiculous."

Came the ninth inning. Two men were out, two were on base, the score was tied. The Gulfports came to bat. The pitcher pitched. The batter hit a long, long fly. It looked like a sure home run. But the fielder snagged it in the nick of time.

"Wow, what a catch!" shouted Ralph Wilson.

"What was that?" Aunt Matt asked.

"Why, Aunt Matt," her nephew explained, "did you see that man run, and pick that fly right off the fence?"

"Shucks, Ralph," came from Aunt Matt, "you can't fool me a little bit. You know blamed well you can't see a fly that far away... and no one else can, either."

Ralph said he "just let it go at that!"

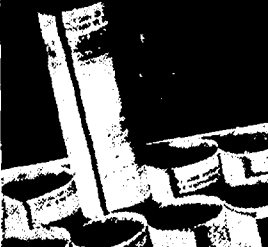

Center Bridge Season to Open

A new season of duplicate bridge begins at Grosse Pointe War Memorial with games scheduled Thursday, September 5, at 12 noon and Saturday, September 7, at 7:30 p.m. The bridge sessions will be held weekly thereafter at the same times.

Duplicate bridge and instruction in same at the War Memorial is under the direction of Mrs. Joan Bourget of Cambridge Hall. Cost of the games is \$1.25 including complimentary coffee. Prizes are awarded at each session at which master-points are not issued. Master-point games are held the third Thursday and the second Saturday of each month.

Separate tables and games are set up for duplicate novices whom Mrs. Bourget will coach. Simultaneously, experienced duplicate players will be enjoying their own game. It is not necessary to have a foursome or partner to participate. Just appear and Mrs. Bourget will work you in.

MEMORABLE EVENINGS OF EMOTIONAL EXPERIENCES
AWAIT YOU DURING THE BRILLIANT 1968-69 SEASON

Detroit's Great Symphony Orchestra

SIXTEN EHRLING, Music Director and Conductor,
Detroit Symphony Orchestra

PROGRAMMING INNOVATIONS ANNOUNCED BY EHRLING

"On Thursdays of our 1968-69 Season, we will present the more conventional type of program, although not to the entire exclusion of modern music."

"On those Saturday programs which I conduct, I have included some modern works of a more experimental nature for the enjoyment of listeners interested in the new trends in symphonic composition."

"As always, I will welcome your comments."

NATION-WIDE PRAISE HEAPED UPON DETROIT'S GREAT SYMPHONY ORCHESTRA

"Let it be trumpeted to the heavens: this is a fine orchestra, indeed one of the best."

—High Fidelity/Musical America

"Sixten Ehrling conducted with the talent and empathy for contemporary works that amounts to genius."

—Detroit Free Press

"Certainly this is one of America's top-rank orchestras, as it stands today, and it was a continuous pleasure to listen to it."

—The New Yorker

"Balance, yes, and precision in execution, yes, but overall continuity, pinpoint control and transcendent emotional values distinguished the contribution Ehrling elicited from the Detroit Symphony."

—Detroit News

"The Detroit Symphony last night in Carnegie Hall emerged superior in tone quality. The string tone of the Detroiters has a special sumptuousness under the aegis of Sixten Ehrling."

—New York Post

"Mr. Ehrling's economic technique built superb structures of glorious music and the finest Sibelius we have ever heard."

—Chicago Tribune

"This orchestra has moved now into the front ranks of America's symphonic organizations."

—Worcester Telegram

"The conducting technique of Sixten Ehrling is a model of clarity. In matters of balance and tonal quality the orchestra has not sounded better at any time."

—Los Angeles Times

"A thunderous ovation and loud cheers... Definitely this was a musical experience to remember. One forgot himself to the flow and feel of the music."

—Key West Citizen

"What fun it is to hear a great symphony orchestra... With Ehrling on the podium... it's rich or waxy, lusty or smooth. He gets what he asks for."

—The Miami News

AN EVENING AT THE SYMPHONY is a wide range of emotional experiences. It can wait away troubles and refresh a mind weary of routine. It can soothe the frustrated and lift up the depressed. It can awaken nostalgic memories, bring tears to the eyes, start quiet reflections and give beauty to dreams. And it can be so inspiring and exciting that thousands rise to their feet cheering and shouting.

You're missing something pretty wonderful if you're missing the Symphony.

FAULT-FREE COLLISION PROTECTION!

Chris Columbus just ran into the newest car insurance protection from the Exchange at Triple-A. It's called Fault-Free Collision Protection. And, it doesn't cost one red cent extra when you carry collision coverage with the Exchange. Here's how it works: Your collision damages are immediately paid in full . . . including the deductible . . . when your collision damages exceed your deductible and the other driver is identified and at fault. No more waiting for the wampum until after sending smoke signals and holding pow-wows with the other insurance company.

Of course, if both cars carry collision coverage with the Exchange, both are paid in full . . . regardless of fault . . . by famous FELLOW MEMBER COLLISION PROTECTION.

Also, ask'em about NEIGHBOR-CARE, drive-in CLAIMS SERVICE, the new OUTDOOR LIVING PACKAGE and MONEY BACK on your car insurance, all available at no extra wampum, when you insure your car with the leader.

As Chief Runningboard would say, "You come around these parts Chris, and you soon discover why Exchange top'em car insurance totom pole."

Tokyo Real Estate Brokers Find Pointe Interesting

On-the-Hill merchants were filled with curiosity on Monday, August 19, when they saw a Greyhound bus pull up in front of 82 Kercheval and 25 oriental gentlemen disembark and enter the offices of Johnstone and Johnstone Realtors.

These men were Tokyo Real Estate Brokers and their two interpreters, here as part of a tour of five key American cities.

Their visit to The Pointe was prompted by a reprint in the Tokyo Weekly Journal of Real Estate, from a bulletin of the National Institute of Real Estate Brokers, wherein Honorary Mention was given to Johnstone and Johnstone's "Studio of Homes." This is a home merchandising method where large illuminated transparencies of homes are shown in convenient display panels. This created such interest among Tokyo realtors, that it prompted their current trip to America.

The visitors were treated to American coffee and snacks in the Johnstone and Johnstone offices. "Although the language

barrier offered some resistance to complete understanding, it was remarkable how easy it was by means of tape recording and electronics to communicate," said Gordon Johnstone.

After a discussion period, the men were taken on a short tour of The Pointe, including the local parks. Comparisons were made between living accommodations here and those in Tokyo.

According to Mr. Johnstone the men marveled at our large lots, roomy homes and school and recreational facilities. They indicated that such advantages are only available to the very rich in Tokyo, because land is so expensive.

They said in many cases, particularly in commercial land, comparable facilities in Tokyo would be as much as four or five times more expensive.

Considerable time was spent in a question and answer period in which all phases of real estate transactions, from listing to ultimate sale, were discussed and compared. The visitors were especially interested in "exclusive listings" which are non-existent in Tokyo.

Before they left, Mr. Johnstone prepared a brochure for each man which included advertising material, (including a Grosse Pointe News), to illustrate to the men the various forms of advertising media used by the firm.

Mr. Johnston chuckled as he told of the men's reactions to a discussion on employee-employer relations. He said he told them of a letter he sends to the wives of new employees explaining how time consuming the job is, etc. . . . "they just couldn't believe an employer would take the time to inform the wife of an employee about anything."

The visit was sponsored by Jutaku Shimpou-Sha, Inc., to help promote friendship and good relations.

Later in the day the group stopped at the offices of Gordon Williamson on the west side, to view his computerized system for the selection of homes and the offices of Ralph Consoluea in the north end to see his portable video taped home selector.

Then on to Chicago, New York and back to Tokyo to digest the wonders of American real estate.

INJURES HAND

Mira Sadowski of 2048 Hawthorne, was conveyed to St. John Hospital on Friday, August 23, by Woods police ambulance, suffering from a severed tendon in her left hand. Several stitches were needed to close the wound. The injury occurred when she accidentally cut herself while picking up broken glass in her home.

Fire Chief Yaklin To Quit City Post

City Fire Chief Albert Yaklin announced his retirement, after nearly 37 years of service with the community, it was disclosed by Superintendent of Public Safety Andrew Teetaert. The chief will leave his post after Saturday, August 31.

Teetaert, who is the administrative head of both the Police and Fire Departments, expressed regret that Chief Yaklin is leaving the Fire Department.

"Chief Yaklin is an able and dedicated fireman, devoted to his job," Teetaert said. "I, for one, am sorry to see him go. He has served the City of Grosse Pointe for many years, and every one, including the city officials, have become accustomed to seeing him doing his work in the fire station. Everyone is going to miss him very much. We all wish him luck and a happy retirement."

The fire chief, who just rounded out 60 years on August 10, was appointed to the department on November 16, 1931.

On November 16, 1932, he was promoted to pipeman; on April 25, 1952, was elevated to the rank of sergeant; on April 25, 1958, was made lieutenant; June 1, 1963, captain; and on August 22, 1966, following the retirement of Chief George Poupard, Yaklin was promoted to the highest post in the department.

Yaklin is a native of Maple Grove, Mich., where he was born on a 110-acre farm, August 10, 1908. He was one of 13 children born to Nicholas and Elizabeth Yaklin. He is a graduate of St. Michael's High School in Maple Grove.

In 1928, the chief came to the Pointe, and lived with a sister whose home was on Loraine road.

Before his appointment to the Fire Department, Yaklin was employed first with Dodge Motor Company, and then with the Briggs Manufacturing company.

He met and married the former Alice Catherine Steadley of the Park. They have two sons, Robert, 29, who, with his wife, Katy, and two children, Suzie 3, and Mary Jo, who is one and a half years old, reside in the Woods; and Michael, 25, who still lives with his parents, at 699 Rivard boulevard.

The chief said that he and his wife will still have legal residence in the City, although they are building a small home in Leisureville, Fla., where they plan to spend all their winter months.

The vacancy that would have been created personnel-wise when the chief leaves, has already been filled by William E. Tucker, 23, of 2318 Grayling, Hamtramck, who began work with the department as a probationary fireman on Monday, August 26, Superintendent Teetaert revealed.

Tucker, a native of Hamtramck, is a 1964 graduate of Hamtramck High School. He saw service with the United States Marine Corps, serving from November 1965 through September 1967. He was honorably discharged with the rank of corporal. Before joining the department, he was employed by the Ford Motor company in Dearborn.

He is married to the former Antoinette Rigula of Hamtramck. They have a daughter, Lisa, who is two years old.

New Students Need Physicals

Students entering any kindergarten, middle school or high school of The Grosse Pointe Public School System for the first time must present a report of their physical examination.

All new students entering the Grosse Pointe schools, regardless of grade level must also have a physical examination.

The medical report forms may be obtained from any public school building or the Board of Education office at 389 St. Clair avenue.

HEART GONE
City of police received a report on Friday, August 9, from Mrs. E. L. Ray, 823 University, of a missing white gold and diamond heart on a white gold chain. Mrs. Ray told police the heart had 22 small diamonds with a quarter of a carat diamond in the center. She said the diamond was missing from a jewelry box in her home.

REMODEL

A GOOD INVESTMENT!

If you have been wondering whether to invest money in an addition to your home . . . consider this: \$5,000.00 invested in an addition to your home, four years ago, would add \$7,000.00 to the value of your home today!

An automobile purchased four years ago at \$5,000.00 would be worth approximately \$1,000.00 today.

Which makes more sense? If you need more room—Remodel! It's a solid investment!

Public Schools Calendar For 1968-69 Year

The calendar for the 1968-69 year has been released by The Grosse Pointe Public School System.

Classes begin in all buildings at the regular time on Wednesday, September 4. Teachers report on September 3 for planning and organizational purposes.

All schools will be closed on Thursday and Friday, October 24 and 25, for regional teachers' conferences.

The Thanksgiving recess is scheduled for Thursday and Friday, November 28 and 29.

Christmas vacation begins with the close of classes on Friday, December 20, and ends on Monday morning, January 6.

Friday, January 31, has been designated for curriculum conferences. No classes will be held that day.

Spring vacation begins at the end of the day on Friday, March 28, and ends on Monday, April 7.

The schools will close for the Memorial Day observance on Friday, May 30.

Graduation exercises for the Class of 1969 have been scheduled for Thursday, June 12, and the school year ends on June 13.

Summer school and playground activities begin on Monday, June 16.

'Lighter Side' Series to Start

Grosse Pointe War Memorial's sixth annual "Lighter Side of Life" series begins Thursday evening, September 12.

The New Christy Minstrels, international stars of television and the concert stage will bring to Fries Theatre the songs which have won them top recording spots around the world. Among these hits are "Green, Green," "This Land Is Your Land," "Saturday Night," "You Day," "Dance My Trouble Away," "Born to be Free," "Traveling Man," "Miss Katy Cruel" and "Liza Lee."

Neither a good voice, a handsome face, an instrumental talent or pleasing personality are in themselves enough to make a minstrel; it takes all of these and a very large plus. It is impossible to single out any one facet as the cause of their dynamic success, but traffic jams, cheering fans, crowds of people and smiling faces greet the New Christy Minstrels wherever they go.

Prior to this wonderful opening show, patrons of the "Lighter Side" will gather at Grosse Pointe Yacht Club at 5:30 p.m. for subscription cocktails and in the War Memorial's Crystal Ballroom at 7:15 p.m. for a gala black tie gourmet dinner before the 8:40 curtain.

Next event in the series on Wednesday, December 4, will be the Balalaika Orchestra. The ensemble of 20 in native costume will be highlighted by a gypsy soprano and youthful Russian dancers. This time guests will gather at the Grosse Pointe Club (Little Club), next door to the War Memorial for subscription cocktails before a Russian-inspired dinner in the holiday decorated Crystal Ballroom of the Memorial. Then they go downstairs to the concert.

The grand finale of the series is February 17 when the Alfred R. Glancy, Jr. have graciously agreed to open their home at 735 Lake Shore road for complimentary cocktails at 5:30. Guests will park in the War Memorial's lot, be transferred to the Glancys' by charter bus and returned by same to dinner at the Center's Crystal Ballroom.

The performance on this final evening at 8:40 p.m. will be the entire company of 45 of Ballet America including Theatre orchestra in Eva Gabor's production of "The Big Banjo" directed by Burch Mann. It is guaranteed to bring the crowd to its feet and be a truly memorable experience.

Reservations to the "Lighter Side" are limited to 400. The series of three complete black tie evenings—three parties, gourmet dinners and shows is \$30. A series of performances only is \$15 or a single complete evening of party, dinner and show is \$12.50. Paid reservations are requested promptly at the Center's office.

Special Course at GPHS Produces Pilot Program

The Grosse Pointe Public School System has co-sponsored, with the Detroit Public Schools, Michigan State University, the Foreign Language Innovative Curricula Studies of Ann Arbor, and the Detroit Institute of Arts, a two-week pilot program in in teacher education for instruction in foreign language humanities and area studies curricula.

The project was conceived and directed by George T. Edgington, Assistant to the Superintendent of Schools, and Director of the state-wide Humanities-in-French program.

The workshop, limited to 20 participants, is an outgrowth of the course offered for the first time nationally at Grosse Pointe High School during 1968-69.

It has drawn as staff and consultants some of the nation's leading figures in foreign language education, including Dr. Nelson Brooks of Yale University, an authority on the teaching of culture in foreign language.

Also assisting in the planning of the program was Dr. J. Bruce Burke, Director of the Humanities Teaching Institute of Michigan State University, and his staff.

Co-sponsoring administrators from the Detroit Public Schools included Dr. Clarence Wachner, Division Director of the Language Education Department, and Dr. Naida Dostal, Foreign Language Supervisor.

Six of the 10 sessions were held in the Exhibition Room of the Grosse Pointe Public Library.

The group meets on Thursday, August 29, at the Detroit Institute of Arts. The group will visit the headquarters of the Foreign Language Innovative Curricula Studies in Ann Arbor as its concluding activity tomorrow.

New Teachers Being Oriented

Newcomers to the professional staff of The Grosse Pointe Public School System began a three-day orientation period on Wednesday, August 28. The workshop has been organized to help the teachers effect a smooth beginning of classes when approximately 13,000 students begin the new year on Wednesday, September 4.

The all-system meeting began at 8:45 a.m. yesterday on the main floor of the Central Library, Fisher road and Kercheval avenue. The morning's program included a welcome and greetings from Dr. Theos I. Anderson, Superintendent of Schools.

The newcomers were introduced by Dr. Joe Spagnoli, Assistant Superintendent-in-charge, with Roger McCaig, Curriculum Assistant, also reviewed curriculum development within the school system. Lawrence F. Kennedy, Assistant Superintendent-Personnel presented a "Staff Report," and also spoke on teacher evaluation and professional personnel policies.

George T. Eddington, Assistant to the Superintendent, addressed the group on "The Partnership between the School System and Community."

Willis Brown, President of the Grosse Pointe Education Association, and a teacher at Grosse Pointe North High School, spoke to the newcomers on "teacher organization."

Highlight of a luncheon given in the cafeteria of South High School on Wednesday was an address by John T. Short, Vice-President of the Board of Education.

On Wednesday and Friday afternoons and all Day Thursday, the teachers have been assigned to the buildings in which they will work, for a series of orientations with their principals.

Scheduled to address the entire group on Friday morning is Miss Jane Colsher, coordinator of the audio-visual services, who will discuss "Opportunities for Using the Instructional Materials Center."

Robert M. Orr will address the group on the role of the public libraries, and Richard W. Kay, Director of Community Services, will describe the various programs offered by his department.

Reginald P. Sienkiewicz, Director of Pupil Personnel, is slated to discuss special guidance services.

The teachers will be guests of honor at a tea given by Dr. and Mrs. Anderson in their home at 51 Grosse Pointe Boulevard late on Thursday afternoon.

Thief Does Clean Job of Burglary

Without entering the house a burglar, with keen eyesight and an apparent flair for tidiness, stole two purses—one empty, the other containing \$90 in cash, credit and other identification cards—from the residence of Mr. and Mrs. Robert J. Ackerman, 1003 Bishop road, Grosse Pointe Park, last Thursday, August 22.

The thief who was believed to have been "home window shopping" in the neighborhood, spotted the two purses lying atop a kitchen table. He stepped into an adjacent clump of bushes, pushed the screen out of an open window, reached in and snatched both, Park police said.

Then, the report added, the culprit went into the garage, secured a cloth, and carefully wiped the accumulated soil from his shoes, after which he returned to the window and scoured away all signs of finger prints. In other words this burglar did what police called a "clean job."

They are still investigating.

Police Seeking Lawn Wreckers

Lawn wreckers hit the James Praught property at 485 Lincoln twice in one night on Wednesday, August 14. Mr. Praught called City police at 7:30 p.m., on that date to say unknown persons had driven over his lawn. He found one set of tire marks on the lawn.

At 1:10 a.m. Mr. Praught found more tire marks. Upon investigation Officer Edward Miller found tire marks at 467, 473, 479, and 485 Lincoln.

Mr. Praught said he believes the offenders were driving a white car with blue racing stripes. Police are investigating.

GP Galleries Must Vacate

One of the outstanding attractions in Grosse Pointe, is the Grosse Pointe Galleries, Inc., at 16903 Jefferson East. However, it has been forced to vacate the premises after 15 years of operation due to the expansion plans of Bon Secours Hospital. The Galleries was considered as a Junior Museum of Fine Arts.

The Grosse Pointe Galleries, Inc., was the very stimulating and interesting avocation of its President, Mr. H. C. (Baron) Munchausen, since 1953. Due to his extensive connections and activities he was always able to

obtain many choice and rare pieces of objet d'art, unusual imports, as well as a diversified selection of valuable antiques, ranging from finely etched rock crystal, gold filled etched crystal goblets, old English china, oriental screens of embroidered silk, venetian needle point table cloths, carved wood and marble top credenzas. Also, they had a very exquisite collection of Meissen china, an addition to the Birth of Venus—a masterpiece from Europe. This fine collection created much interest as it was both decorative and

utilitarian.

The Galleries always displayed many original oil, water colors, pastels, prints, and palette modern paintings by re-

nowned artists. They were the delight of the connoisseurs and casual viewers. Needless to say, the Galleries was a very popular place for

the talented local artists to display their work, and the management was always eager to promote their acceptable work, and present it to the public.

This man is weeding his lawn!

YESTERDAY he used Plus 2. Now, while he sleeps, the dandelions, the plantain, the chickweed (and similar kinds of rosette and vining weeds) are on their way out. And one morning a little later, he'll look at his lawn and notice that they have completely faded away.

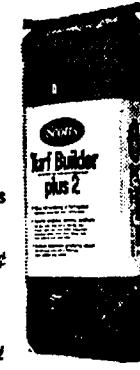

How things change. Once upon a time people used to dig out weeds, one at a time. A backbreaking job. And worst of all, it didn't really work. If you didn't get every bit of it out, the weed would grow right back up again.

Today, in minutes, America spreads Turf Builder Plus 2 and gets to the root of the matter. Rosette and vining weeds soon vanish and the grass itself gets thicker and greener because Plus 2 feeds as it weeds.

When's the right time to use it? Right now while your Scott's dealer is having a money-saving Weeds Away Sale. You'll be on your way to a better than ever lawn this fall.

Crabgrass a problem? Clobber it promptly with two applications of Clout. At special sale prices right now.

French Classes Offered Children

Children's French classes will be offered at Grosse Pointe War Memorial this fall on Saturdays beginning September 14, through November 23.

Taught by Henriette LaCroix who has been associated with the Grosse Pointe Board of Education Community Services for a number of years, there will be a 10 to 11 a.m. class for boys and girls who are beginners and an 11 a.m. to 12 noon class for those who have had some previous training. The ages encompassed are six to 12.

Instruction includes basic vocabulary, simple sentence structure, counting, telling of time, singing of songs and elementary conversation. The fee is \$15 for 10 lessons. Registrations should be made to or at Grosse Pointe War Memorial's Alger House office, 32 Lake Shore road.

The trees, selected by Donald L. Guinan, director of Parks and Recreation, will be balled and burlapped, and should be delivered and planted this fall.

City Manager Robert Stone, who recommended the purchases, said that city labor and equipment will be used in the planting of the different species.

These are the species ordered: 34 Acer Rubrum (Red Maple), total cost, \$2,890; 10 Quercus Palustris (Pin Oak), \$850; 10 Acer Saccarinum (Silver Maple), \$876; 3 Betula Nigra (River Birch), \$165; and

1 Liquidambar Styraciflua (Sweetgum Tree), \$55. The latter three species add \$160 shipping costs, since they will come from Illinois.

Also, 20 Koeleruteria Panicula (Golden Rain); and 20 Quercus Borealis (Red Oak).

The city manager informed the council that \$12,000 has been set in the budget for landscaping and other park improvements, and that the total cost of the trees will be appropriated from this fund.

Driver With Bad Record Sent to Training School

Grosse Pointe Park Municipal Judge C. Joseph Belanger last week issued 15 warrants for the arrest of traffic law violators who failed to appear in his court, Wednesday, August 21.

Among the cases he heard on that day was that of Gary Van Wynsberghe, 21 years old, of 26415 Niola, Warren, who was charged with speeding 45 miles an hour in a 35-mile zone. It was found that Van Wynsberghe had a long and "impressive" traffic violations record in Warren. These included improper lane, no license in possession, speeding, and ignoring stop signs. He also was arrested in Grosse Pointe Shores on February 22, 1967, for driving while his license was suspended. It was suspended again on April 6, 1967.

Because of his "bad driving record" Judge Belanger placed him on probation for 90 days, ordered him to drive only to and from work, and to attend the Pointe's driver safety training school during the period of his probation.

William Skratek, of 544 Marquette, Detroit, was found guilty of failing to obey the order of a police officer directing traffic at a street cave-in. He paid a \$15 fine. Harry Leonard Jr., of 805 Harcourt road, Grosse Pointe Park, forfeited a \$15 bond for failure to appear in court to answer a speeding charge.

Faced Three Charges

Ford Landrum, of 1603 Pine-gree, Detroit, had three charges against him, speeding 33 miles an hour in a 25-mile zone, running a red traffic light, and not having an operator's license in his possession. He received aggregate sentences of \$50 in

fines, or nine days in jail. He paid the fines.

When he was sentenced to \$30 fine, or 10 days in jail for not possessing a valid driver's license, Clarence C. Rohrbaker Jr., of 2194 Marlborough, Detroit, chose to spend 10 days in the Wayne County jail, saying he had no money to pay the fine.

Dennis Wrynny, 21104 Vernier road, Harper Woods, was charged with causing an accident at an intersection. He was found guilty, paid a \$35 fine. Harry Rothenberg Jr., of 20521 Washenaw, Harper Woods, charged with speeding 40 miles an hour in a 30-mile zone, forfeited a \$20 bond.

Robert Schmidt, of 1342 Devonshire, Grosse Pointe Park, failed to appear in court to answer a charge of ignoring a stop sign. His \$10 bond was forfeited. Daniel Masouris, of 19986 Doyle place east, was found guilty of driving 40 miles an hour in a 25-mile zone, fined \$10. Robert S. Smith Jr., of 1702 Newcastle, Grosse Pointe Woods, forfeited a \$25 bond for speeding.

DELEGATES FROM around the nation began to arrive today in Chicago to attend the 1968 Democratic National Convention. According to a national survey by correspondents of the New York Times, Vice-President Hubert H. Humphrey has an excellent chance to receive the presidential nomination on the first ballot. The survey reported that Humphrey is only 62½ votes short of the 1,312 needed for victory.

DR. GRAYSON Kirk announced to the board of trustees that he is retiring as president of Columbia University. He was a major target of the student rebellion that swept over the university last spring. Dr. Andrew W. Cordier, dean of the school of international affairs has been named acting president.

Monday, August 26
THE DEMOCRATIC National Convention which opens today in Chicago suddenly took a turn toward the unexpected yesterday when Richard J. Daley, mayor of the host city, refused to endorse any candidate until the day of the actual balloting. Political pundits interpreted this move by Daley as trouble for Vice-President Hubert H. Humphrey, who has counted on the mayor's delivery of most of Illinois' 118 delegate votes. Also adding to Humphrey's problems was the announcement by the Michigan delegation of its support for Senator Edward Kennedy for the presidential nomination.

POPE PAUL returned yesterday to his summer palace at Castel Gandolfo, Italy, following a three-day visit to Colombia. He said on his arrival home that the impoverished millions in Latin America deserved help "because they are poor and they are laborious."

THERE WAS gloom in Tiger Town today when the full impact of the Detroit Tigers' loss yesterday to New York hit first fans. The Yankees took the first game 6 to 5 and the second 5 to 4, for a clean sweep of the four-game series. The Tigers, however, still are leading the American League, but by only five games.

Tuesday, August 27
A CZECHOSLOVAKIAN radio broadcast announced yesterday that after four days of negotiations an agreement between the Soviet Union and the Czech government had been reached. The report indicates that compromises on both sides were made. The agreement calls for withdrawal of Red troops over a period of two months from Czechoslovakia, reintroduction of censorship in matters of communist countries and the resumption of normal work by the Czech government and other authorities.

A LAST MINUTE attempt to nominate Senator Edward Kennedy of Massachusetts for President at the Democratic National Convention seemed to have been stopped yesterday when the Senator made a personal appeal to former Ohio Senator Michael V. DiSalle, chief promoter of the Kennedy movement, to keep his name from being placed in nomination. The convention officially opened last night with a keynote address by Senator Daniel K. Inouye, of Hawaii.

UTILITY BILLS may go up if the Detroit Edison Co., Michigan Bell Telephone Co., Consumers Power Co. and Michigan Consolidated Gas Co. receive the rate increases that they are asking the State Public Service Commissions to approve. The increase would offset rising costs within the companies.

Mitchells RBI's Capture Slo-Pitch Title

Mitchell's RBI's captured the City of Grosse Pointe Park Slo-Pitch title last week. They went into the week with one loss in a double elimination tournament. The team won three games in a row before running into the powerful undefeated Cusack team. They needed a double header sweep on Thursday night to cinch the title. Cusack's team was shut out 6 to 0 in the first game with Mitchell's team smashing 16 hits. In the second game, Mitchell's RBI's wrapped up the game by scoring 11 runs in the first inning, sending 15 men to the plate. They won 18-5. They are pictured with

Olympic Committee Head Deplores Action of Mayor

Detroit Olympic Committee chairman, Fred Matthaei, Jr., said he deeply regretted the action of Mayor Cavanagh which has removed Detroit from contention as the United States designated 1976 Olympic city.

Matthaei said that Detroit and Los Angeles were the only serious contenders, and each had strong points in their favor. Members of the Detroit Olympic Committee had met with the Mayor and civic leaders on July 2, and at that time it was agreed that further consideration would be given to Detroit continuing its bid before the United States Olympic Committee in Chicago on September 8. Several other meetings were held during July.

"The first I learned that Detroit had been removed from the competition was when I received a call August 10 from a reporter asking my reaction to a letter the Mayor had sent to the United States Olympic Committee on August 5 advising that Detroit would not bid," Matthaei said.

Pointer Attends 'World of Arts'

Jane McLuckie, of Highie Place South, a senior at Our Lady Star of the Sea High School, has just returned from 10 days at "The World of Arts," a Girl Scout National event where she attended the Visual Arts Workshop.

World of Arts was held at Edith Macy Training Center, in Pleasantville, N.Y., and included a Music Workshop, a Drama Workshop, a Folk Art Workshop as well as the Visual Arts Workshop. Jane was selected early this year to be one of the 160 girls from all over the country to attend this session. The girls were selected on the basis of their demonstrated ability and interest in the arts. She and the other girls will use her experience to carry out a community action project back home.

At the Conference and on field trips, the girls heard talks by leading personalities in the art world. Among their professional advisors were Miss Wenden Day, painter and sculptor; Nina Morrellitto, sculptress; Irene Preston Miller, author of "The Stitches Book," and photographer Jack Debes of the Kodak Corporation. Jan Van der Marck of the Chicago Museum of Contemporary Art was part of the opening night panel which included Brendan Gill of the New Yorker Magazine and Robert Doly, Associate Curator of the Whitney Museum of Contemporary Art in New York City.

A prime focus of the discussion with the museum executives was not what each girl would create during her 10 intensive days at the workshop, nor what she had done artistically in the past, but what she would be doing in the future in terms of the visual arts and in relation to her home, troop, school and community.

Each girl attended daily seminars in ceramics, graphics, sculpture, photography or textiles. Jane specialized in sculpture. One of the most interesting activities of the period was two trips into New York City to visit the famed Metropolitan, Whitney, Modern Art and Contemporary Crafts Museums. The girls listened to and talked with representatives of Arts Councils, leaders in "Community Action" art programs, and women who have made offbeat careers in the arts.

Reckless Driver Must Face Court

Quentin Ratcliff, 49, of 23270 Dorcas, St. Clair Shores, was arrested by Shores police on Sunday, August 25, and charged with reckless driving on Lake Shore road.

It was disclosed that the arresting officers were on radar speed watch at Clairview and Lake Shore, when they observed Ratcliff driving in a very erratic manner, weaving from lane to lane and straddling the center lane, northbound on Lake Shore road.

The officers turned on the scout car flasher, but the lights were ignored by the motorist, who also failed to come to a stop after the police siren sounded. Ratcliff was paced at between 30 and 35 miles an hour, but continually weaved from lane to lane.

At Lake Shore and Vernier, Ratcliff stopped in the middle lane, with automobiles on both sides of him. When the light changed to green, he nearly caused an accident by cutting into the right hand lane in front of another car.

At the municipal park crossing, a short distance north of Vernier, Ratcliff nearly collided with another vehicle before he was brought to a stop.

Ratcliff was conveyed to the station where he was given a traffic violation ticket, charging him with reckless driving. He was released after posting a bond of \$100, pending a court hearing scheduled for September 4.

Police Seeking Hit-Run Driver

Thomas W. Mahoney, 1585 Roslyn, reported a hit-skip driver on Saturday, August 17, to city police. Mahoney told officers that he was driving east on St. Paul when a green or brown Mercury or Chrysler, which was traveling south on Lincoln, ran the stop sign, causing Mahoney to strike the car, damaging his own left fender and the other vehicle's right fender.

He told the other driver he was going to telephone the police. When he returned the other party involved in the accident had fled. Police sent a radio description of the car and the license number to all stations.

Smoking Habits Survey Subject

Census Bureau interviewers will conduct a survey here concerning the smoking habits of the population during the week of August 19. Director Robert A. Yerkes of the Census Regional Office in Detroit announced.

Interviewers will ask about people's past smoking habits as well as present habits in order to discover whether there have been significant changes over the past year.

Interviews conducted locally are part of the third annual survey of smoking habits taken among a representative sample of the nation's population to provide statistical data for the U.S. Public Health Service.

The questions on smoking will be asked during the Bureau's monthly labor force inquiries. Questions about jobs are designed to provide data for use by the U.S. Department of Labor in determining current national employment and unemployment trends.

The identity of households in the survey throughout the U.S. is confidential, and the information obtained will be used only for statistical purposes.

Little Gridders Face Full Week

By DuWayne Peterson
Labor Day week will be a busy time for the Grosse Pointe Lions All-American Football Leaguers. First practice is scheduled for 4:30 p.m. Tuesday, September 3.

A Parents' Meeting announcing final plans for the annual Candy Sale is set for 8 p.m. Thursday, September 5, at Pierce School Auditorium. On Saturday, September 7, it will be registration and physical check-up time for the small fry pigskin toters.

Bob Brower, president of the sponsoring Grosse Pointe group, has sent out a call for doctors in the area to volunteer an hour or two of their time on Saturday morning to assist in giving the registrants a check-up. "The more doctors who volunteer the shorter period we'll need a single one," Mr. Brower pointed out.

"This is an integral part of our program, this checking over the youngsters to make sure they are physically fit, and we're hopeful that doctors in the area will be as generous with their time as in the past. We'll need them between 9 a.m. and 1 p.m. on Saturday," Brower stated.

Registration will take place at Grosse Pointe High School Girls Gym on Saturday, September 7. A registration fee of \$5 per family must be paid at the time of registration. As soon as a boy is registered he will receive his checkup and equipment and uniform. Joe Griffin serves as registration chairman while Bob Morrison will supervise the distribution of equipment. Volunteer doctors are asked to call Mr. Griffin, 821-2499.

Participants in Little League football are the average boys of 9 to 12 years, who, in many cases, have little or no opportunity to indulge in supervised contact sports during their school years. The program places prime emphasis on good sportsmanship, team work and team discipline, with an aim to good character development.

Justice Honors Judge Gilmore

Judge Horace W. Gilmore of the Wayne County Circuit Court was honored last week with a special commendation from Mr. Justice Tom C. Clark, Associate Justice of the Supreme Court of the United States, retired, for his services on the faculty of the National College of State Trial Judges.

Justice Clark, as chairman of the board of directors of the College, made his presentation to Judge Gilmore at the University of North Carolina in Chapel Hill. Judge Gilmore instructed 100 other judges, representing forty one states and the District of Columbia in a course on Evidence.

"Your services on this faculty," the citation stated, "is a more important contribution to good administration of justice throughout this land than you may realize. All those judges who were here in your classroom will be sharing this schooling with the other judges of their states."

Judge Gilmore who lives in Grosse Pointe Park, has been a member of the Wayne Circuit Court for nearly 12 years. He is chairman of the Michigan Committee for the Revision of the Criminal Law.

Faculty members for the College are drawn from persons of national reputation throughout the United States and include experienced trial judges, State Supreme Court Justices, law professors, and trial attorneys. Each member is responsible for the study and discussion of one of twelve different subjects designed to cover the field of trials and judicial administration.

The national "College for Judges," as it is sometimes called, has graduated nearly one thousand judges in the past four years. They represent one fourth of the nation's trial courts and have come from every state. Financing for the College is from grants of the W. K. Kellogg Foundation and the Max C. Fleischmann Foundation. Two month long sessions are held each year. The first for this year was held in July at the University of Nevada in Reno.

Auto Thief Gets Electric Guitar

When he arrived home Monday night, August 19, Mario Capozzi, of 1237 Wayburn Avenue, a musician, carefully locked his two-door car parked in the street, and left certain his Ampeg electric guitar and 18-inch amplifier he left on the back seat would be safe.

He was double-crossed. When he left his house to drive away next morning, he discovered someone, perhaps another musician, had jimmied open a door, and made off with his valuable equipment. Grosse Pointe Park police are investigating.

Soviets Turn American News Into Propaganda

By Walter W. Fuller

News' readers may be interested in knowing how the Soviets can take a plain and factual news story from the United States, and twist it into vicious anti-American propaganda.

As you may know, the annual convention of the big and powerful Veterans of Foreign Wars came to a close in Detroit recently.

Because I had previously covered one of these national conclaves, I went to my files to take a peek. There I found a letter written to me a few weeks after that earlier Detroit VFW gathering, by John L. Smith, then (and, perhaps, still) public relations director of the organization.

To me these and national American Legion conventions are as American as apple pie. Never have I heard so-called sabers rattling at any meeting. No one has ever threatened any nation with war. All are in favor of permanent peace, life, liberty, and the pursuit of happiness, and all else that should go to perpetuate the American way of life.

However, the communists appear to think otherwise. With Smith's letter came copies of some of the communist-broadcast radio programs, which concerned the conclave attended by me.

Believe it or not, here is an

excerpt from a Soviet named Vladimir Zhukov over Moscow radio.

"The sound of war drums has been going on for the past few days in the American city of Detroit. At a hotel, war dances are going on which would make even the wild Indians tribes, who lived in the place where Detroit now stands, very envious.

"The current congress of Veterans of Foreign Wars is being held there. Speaker follows speaker. Although all of them are dressed in modern suits, and many of them hold the highest American posts, one cannot help forming an impression that one is confronted by fierce Comanches who are on the war path. At the meeting here new military appropriations were demanded and many of the speakers were in a state of militarist hysteria."

Another item broadcast by Peking radio, called the VFW "a reactionary organization, which proposes that anti-communist courses similar to those received by professional anti-communist agents, be started in U.S. colleges."

Fact was that the VFW delegates had endorsed instruction in communist theory and practice in American schools.

So, here you have a sample of what can be done by those who deal in anti-American propaganda.

Lost and Found Departments Contain Strange Collections

Now that the end of summer is getting closer and closer, bringing with it school and steady work with no vacation breaks, it's just about the time to pull yourself together, far from the carefree times of summer . . . and ORGANIZE!

If you find, while in the middle of this project, that something is missing, a good place to check right away is your local lost and found department. A recent survey of these closets, barrels, cardboard boxes and cluttered offices found an abundance of lost, used articles.

Has it seemed as if your towel pile in your linen closet is running lower and lower? It's probably because it is part of an unlimited supply at one of the Grosse Pointe parks.

And in case you might be considering taking another dip before the long winter and find half of your bathing suit missing, the other piece may be lying among jackets, sweat-shirts, bermudas and T-shirts galore . . . though heaven knows how you lost it.

You may not notice your hafe feet now, but before long you'll be looking for something to put between you and the sidewalk . . . and there it sits among a tall pile of things, a tennis shoes, rubber flippers and scuffed play shoes.

Or perhaps you'll need a brush, comb, pail, beachball, toy, facemask, glass case hold-

er or the glasses themselves. They're there, under that lonely sign . . . LOST.

For those who decided to stop racing time at the beginning of these leisurely days, and did away with their ticking armbands, they'll probably soon find themselves staring at a few freckles and a tan. If so, your watch may be among the collection of more valuable items at either one of the parks or a police station.

Wallets with no identification have been found at one park several unused Grosse Pointe Yacht Club coupons have been turned in!

So if you'll be taking inventory soon and find a few things missing, roll up your sleeves and prepare to start digging among the lost and found stacks . . . and don't put off too long. As soon as the days begin getting shorter, most of these unclaimed articles will become the possession of the Salvation Army or Goodwill.

Unless, that is, it is a lost item marked in the books of your local police station, where they are kept indefinitely, among rings, a mailbox, licenses, a wedding band, a Mustang gas cap, a small plastic sign, a pattern and zipper, water skis, money, a parakeet . . . Good Luck!

Simmons Wins OSU Promotion

The School of Music of the College of The Arts at Ohio State University, has announced the appointment of Donald W. Simmons as Assistant Director of the School of Music. Dr. Simmons is an assistant professor of music and conductor of the University Women's Glee Club. He joined the Ohio State faculty in 1965.

Prior to his appointment at Ohio State, Dr. Simmons taught music in the public schools of Grosse Pointe, where he also was active as a conductor of adult choral and chamber choir groups. He has served throughout the Midwest as an adjudicator, clinician and festival conductor.

Born in Berwick, Ill., he did his undergraduate work at Knox College and earned the master's and doctorate degrees at the University of Illinois.

He is a member of Pi Kappa Lambda and Phi Mu Alpha, national music honoraries; the Music Educators National Conference, the Ohio Music Education Association and the American Choral Directors Association.

In addition to his duties at the School of Music, Dr. Simmons directs the music program for the Worthington Presbyterian Church, where he conducts the adult and senior high school choirs.

Dr. Simmons and his wife, Patricia, are the parents of three children. The Col. and Mrs. R. A. Kimble of 557 Fisher road are the parents of Mrs. Simmons.

Dr. Simmons taught music at Parcels Junior High School from 1954 to 1964. He directed the Grosse Pointe Community Chorus, the Grosse Pointe Chamber Singers, the Grosse Pointe Summer Chorus and the Grosse Pointe Congregational Church Choir.

Seniors Entitled To Good Styling

Today's older citizens are becoming more aware that personal development continues in semi-active retirement, according to Michigan State University extension clothing specialist Bernette Kahabka.

And clothing can play an important part in development, even for older people.

"Clothing for the elderly should be designed with physical characteristics in mind," the specialist said. "But, perhaps more importantly, styling and attractiveness instill confidence and a positive sense of well being."

As with individuals in any age group—teens, young adults, or middle age—older people have special needs in relation to clothing.

The specialist pointed out that definite physical changes affect a person's posture and mobility. Clothes with front openings become easier to put on than clothes with difficult-to-reach back zippers or ones that must be "wrungled" into.

Less flexible hands demand fastenings and closings that are easy to manipulate. "Fabrics in clothes should be soft and nonirritating. And construction should feature a minimum of harsh, scratchy seams and restraining or confining areas which cut down comfort," Miss Kahabka emphasized.

Long or three-quarter sleeves are not only more becoming, they are warmer. Maximum warmth with minimum weight and bulk will prevent pressure on shoulders and fatigue in walking or working.

Miss Kahabka stressed that ease of care is an important factor both in fabric and styling. Limited incomes and limited energy influence the kind and amount of commercial and home care that clothing can get.

As a person grows older, colors which were once becoming may be less flattering,

GREENS DAMAGED

Donald Ross, greenskeeper at the Country Club of Detroit 220 Country Club drive, escorted farm police officers to the first green on Monday, August 26,

and showed them where an unknown motorist badly cut up the green by spinning the vehicle's tires. The auto came off of Provincial road, the driver spun the wheels, and then drove back to the road and disappeared.

Embezzlement Case Figure Awaits Circuit Court Trial

Lawrence J. Timek, 26, of 19179 Cliff street, Detroit, charged in a warrant with receiving and concealing stolen property over \$100, entered a plea of not guilty at an examination held before Woods Municipal Judge Don J. Goodrow on Wednesday.

Judge Goodrow found probable cause and bound Timek over to the Wayne County Circuit Court for trial and continued Timek's bond of \$500. The accused man was released pending the trial date.

Timek, it is charged in the warrant obtained by Woods Det. Everett Plumb, is involved in the embezzlement of more than \$50,000 in drugs and merchandise from the Arnold Drug Store chain, which has a branch store in the Woods. The firm's main office is in Oak Park.

Also awaiting trial in Circuit Court in the same case, is Kenneth Geisler, 28, of 12522 Dresden, Detroit, who is alleged to have disposed of numerous drugs and items of merchandise to various sources, at 40 percent below cost price, and dividing the money with William Burnstein, 32, of 8547 Hedge-way, Utica, Mich. Burnstein, who did the actual stealing, is named as a co-conspirator, but not as a defendant.

Timek, who surrendered voluntarily on August 12, when he heard that Woods police were looking for him, claimed

that Burnstein had borrowed \$140 from him some time ago. Several months ago, Burnstein approached him, and asked if he knew of any one who could sell small amounts of drugs that he had in his possession, Timek said.

Timek said that Burnstein told him that the money received would help clear the debt he owed.

The embezzlement came to light in June of this year, when Burnstein confessed to company officials that he was responsible for the thefts of money and goods from the different company stores to which he had been transferred, including the store in the Woods, Mack and Brys drive.

Burnstein told Plumb that he had taken more than \$50,000 in cash, drugs and merchandise from the company over a period of more than four years. He gave the stuff to Geisler to dispose of, and split the proceeds 50-50 with Geisler.

Burnstein said that he took an estimated \$3,000 in cash a year, by under-ringing sales

Burglars Visit Park Residences

Grosse Pointe Park police reported that two homes within a few blocks of each other were broken into and robbed Monday night, August 26.

Thieves forced open a rear door at the residence of Oscar G. Guensche, 1371 Whittier road, and broke open two basement safes, while the family was absent. One of the safes was drilled open, and the other was "pried", indicating that there were two thieves who were professional safe crackers, police said. The loss has not yet been determined.

Burglars broke a glass in the rear French door of the house owned by John A. Roach at 746 Bedford road. A neighbor saw the front door open, called the police. They found all rooms had been ransacked, but could not immediately establish the amount of the loss. Police said they did not believe the two robberies were connected in any way. They are still investigating.

Park police arrested a juvenile who, they said, was attempting to break into a storage building at the rear of 17008 Mack avenue. The youth was turned over to his parents.

and that his share of the loot, after it was sold, amounted to approximately another \$3,000 a year. Geisler is free on \$1,000 bond, pending his day in Circuit Court.

MONEY GONE

Frederick J. Gill, 313 Roosevelt place, called City police Tuesday, August 20, to report the theft of \$375 from his wallet in his own home, on that date. Police are investigating.

Last Chance... This Summer

Labor Day already? That last big weekend of the season's coming up. Next year's summer won't be like this one. Playing backyard softball may not be as exciting for the kids. The baby will become a youngster. Today's special brand of fun will be long gone. If you've been keeping your camera handy all summer, you probably have dozens of happy picture memories to look back on. But if your camera hasn't clicked too often, make this the weekend you do a little catching up. Plan now to drop in for fresh KODAK Film, and let us check your camera.

In 5 years you can save over \$140.00 with a new Gas dryer.

Work it out for yourself. It takes less than 2¢ to dry a load of clothes with Gas. And you can dry 5 loads in a Gas dryer for the cost of drying 1 with electricity.

Based on the number of loads an average family dries, there's a saving of \$28 or more a year—\$140 in 5 years. Your Gas dryer can actually pay for itself in 5 years with the money saved in operating costs.

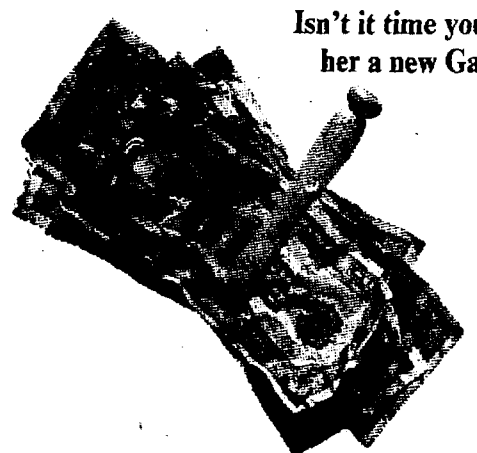

There are no hidden expenses, either. Installation is free. Maintenance comes to less than 20¢ a year, on the average (or the amount you can save on a few loads).

No wonder 7 out of 10 families that now have dryers have Gas dryers. Money aside, Gas finishes loads up to 10 minutes faster, so you can get more loads through in a day. Clothes come out fresh, soft and looking like new, including all your permanent-press things.

Gas makes the big difference... costs less, too. Not just for 5 years, either; but as long as you use it.

See the latest dryer models at dealer or Gas Company showrooms.

Isn't it time you bought her a new Gas dryer?

Today's Big Question

Today's big question was yesterday's big question, and the week before that, and the year before that. And today's big question undoubtedly will be a big question tomorrow, and next month, and next year. Today's big question has been asked time after time over the past three decades by disturbed Americans who are making mighty efforts to preserve the slowly disappearing American way of life.

The big question: Why is it necessary to constantly remind (or prod) American citizens to fulfill their God-given citizenship responsibilities, and their bounden patriotic duty, to go to the polls on election days and cast their ballots? That certainly is the least they can do for their community, and their country!

And this brings us to the special election to be held on Thursday, September 12, 1968, when two millage propositions will be presented to voters living in the area which encompasses the Grosse Pointe Public School System.

Proposition No. 1 is for approval to levy a maximum of 4 1/2 mills "for operation each year over a two-year period to keep Grosse Pointe competitive with salary schedules of other nearby school systems."

Proposition No. 2 seeks "a one mill levy for building improvement and site acquisition over a 10-year period to modernize portions of the Grosse Pointe South High School, to begin the improvement of middle school facilities, and to help cope with elementary enrollment increases."

Approval of both propositions is absolutely essential to maintaining the present high educational standards for which Grosse Pointe has an enviable nation-wide reputation.

The NEWS suggests that every eligible voter in the various communities of the Grosse Pointe Public School system, carefully study each proposition, and then cast their ballots in favor of both, thus preventing a serious cutback in both school personnel and facilities. Whatever else you do, plan now to vote on Thursday, September 12.

Public Schools in Focus

By Dr. Theos. I. Anderson, Superintendent of Schools
What characterizes a good teacher?

With the opening of school not too far away, I wish to share the results of two recent important educational studies that have attempted to answer the question.

Both studies sought to identify biographical characteristics of effective teachers from varying approaches. Researchers in one project examined the characteristics of teachers in schools with low dropout rates while those in the second let high school seniors identify those they considered their best teachers.

The five characteristics strongly related to low pupil dropout rates uncovered in the study of 68 school districts by the Institute of Administrative Research at Teachers College, Columbia University, are summarized in these points:
"Origin of staff—The excellent school district draws its

teaching staff from a wide geographical area.

"Travel—The excellent school district attracts many teachers who have traveled widely and frequently.

"Literary interest—Though not as high as the two previous factors, the correlations show that teachers in good school districts have strong literary interests.

"College training—The highest positive factor was the percent of the staff working toward a doctorate degree. Also, teachers who had taken recent college training were more prevalent in good schools.

"Professional interest—The excellent staff is active in professional matters—reading professional material, serving on professional committees."

The second study was conducted by John A. Williamson of the Bureau of Research at Colorado State College. The summary that emerged from ratings by more than 3,000 high school seniors shows that in a

What Goes On at Your Library

By Virginia Leonard

Did you know. That libraries of today carry many more items than books? The Grosse Pointe Public Libraries would like to remind you of some of their other services that are available to all of you—regular patrons, occasional visitors, and complete strangers who still need to be lured through our doors.

Did you know. That we also have a collection of periodicals to satisfy a large variety of interests and appetites? Periodicals and newspapers will keep you abreast of what is happening right now. Pamphlets also supplement subjects of rather current interest. Much of this material will come out later in book form, but in the meantime, you can keep "au courant" in various fields of activity. All pamphlets circulate; so do periodicals, with the exception of the latest issue.

Did you know. That we have a mushrooming Audio-Visual Department, which supplies you with records, tapes, films and film strips? I shan't enlarge on this area because our Guest Columnist, Mr. William Peters, Assistant Director and Head of our Audio-Visual Department, will be pinch-hitting for me, two weeks hence, and I don't want to steal any of his thunder.

Did you know. Our Central Library maintains a collection of framed art prints for rental (\$1.50 a month)? How about your walls—do they need the lift a new picture might give them?

Did you know. That we have a really unique tool collection, which was donated and is maintained by the Grosse Pointe Rotary Club for free use to Library patrons? Perhaps your vacation includes some do-it-yourself items around the house. Do you have all the tools you want? If not, come in and see if we have what you need.

Did you know. That our Libraries offer special activities for children, such as story hours, family film programs, and summer programs of outstanding full length movies?

Did you know. That singing groups are in luck, since choral music, both sacred and secular, is available for free circulation? And in multiple copies!

Did you know. We maintain a telephone reference service for brief, factual questions. You don't always have to use Action

Line to solve your problems—try us!

Did you know. Instead of sending flowers, you may purchase a book (or several books, if you desire) as a memorial for a departed friend? Or you may do the same to honor some living comrade. Books are so much more lasting and show that you put, perhaps, a little more thought in your gesture of sympathy or praise.

Did you know. That the Friends Room in the Central Library has a collection of rare books and special collections which are available for examination upon request?

Did you know. That in addition to our Central Library, we have two fine Branches (the Park Branch at Pierce School, and the Woods Branch at Parcels School) which are delighted to serve the Grosse Pointe patrons in their communities?

Did you know. That we keep a large file of college catalogs which you may borrow? Fall is almost upon us, and if you've had trouble selecting your college or university for this year, we might have not only college catalogs, but other reference material on this subject, which would help you. Or perhaps, this will be your senior year in high school and you want to plan ahead a year. The sooner the better.

Did you know. We have a Coronastat copying machine at our Central Library that is available to the public—10 cents for each item?

And finally—did you know. That we have a fine collection of books, both adult and juvenile, which we hope will always be your main reason for coming to our library? In our circulating collection will be material you will want to take home and read. In our reference department, you will find books to answer many of your questions. And you can always rest assured—these won't be out in circulation!

It's quite possible I've missed some of our services, but I think I've covered the salient ones. We try to maintain the slogan of all librarians: service is our business.

And now, while I am vacationing in California for two weeks, my responsibilities will be taken over by Ruth Daniels, who will be writing a column on our services. See you in September.

Thief Gets Gun At Sears Store

Grosse Pointe Farms police report that some time during the morning of Wednesday, August 7, a sneak thief entered the Sears Roebuck store at 18950 Mack Avenue, snipped a chain fastened to a gun in a rack, and made off with an M1-30 caliber carbine rifle to which a \$99.98 price tag was affixed.

The theft was discovered at 1:15 p.m. by Jack Harrington, store manager, who told police no customers or clerks had reported seeing the thief totting the weapon out of the building.

From Another Pointe of View

By Janet Mueller

Traditionally one of the Pointe's earliest fall events is Grosse Pointe Memorial Church's annual barbecue, to be held this year Monday evening, September 9, from 5:30 until 7:30 o'clock, on the Church grounds.

Co-chairmen Mrs. J. Peter Smith and Mrs. H. G. Sparrow head a committee which includes the Mesdames Carl Anderson, Jerry Hines and William Denler, last year's general chairman.

The ladies promise tenderloin steaks grilled to order plus a festive atmosphere with accordionist Sid Cole answering requests for music.

Preparing for the dinner in the kitchen will be a "Morning Shift," comprised of the Mesdames Frederick J. Leplay, Ronald Birgbauer, George Maghielse, Edward Thomas, Ronald Dalby, Joseph Crocker, Stuart Smith and Michael R. Grow, and an "Afternoon Shift" including the Mesdames Frederick Kaess, Michael MacMechan, Robert Barrett, Leslie Sanders, Harry Brown, Kenneth McMillin, Rex Ciavola and Gilbert Hudson.

Mr. and Mrs. Anton Tewes, the John Nickums, the Edward Pitmans, the Gordon Maitlands, Mrs. William Craig, Mrs. Robert Flynn, Mrs. Donald Ditmars, Mrs. Mel Rousek and Mrs. Richard Grow will be among the waiters and waitresses.

Mrs. Ralph Clark is busily calling members of the congregation, asking for home-baked pies that provide that "extra special" touch to top off a delicious barbecue.

Members of Memorial Church's Young Marrieds group and their friends traditionally handle most of the

MRS. FRANK W. COOLIDGE, of McKinley avenue, is having a busy time in the Music World this August. She attended the Federation Weekend of the Michigan Federation of Music Clubs. She also attended and spoke at a Federation Day luncheon at Meadow Brook, and spent last weekend in Cleveland, O., where the National Federation Board will be in session for five days.

Pointers BILL MAIULLO, TOM NIQUE and MARK SABER have completed three weeks of baseball training at Mickey Owen Baseball School, Miller, Mo.

Grosse Pointe University School graduate ELIZABETH WOOD, daughter of MR. and MRS. GORDON WOOD, of Touraine road, and Liggett School graduate SUSAN WATKINS, daughter of MR. and MRS. GEORGE WATKINS, of Grosse Pointe boulevard, will enter Briarcliff College, Briarcliff Manor, N.Y., this September as freshmen. Elizabeth plans to major in Developmental Psychology. Susan is enrolled in a program of General Liberal Arts studies.

Named to the Dean's List for highest academic standing at Newton College of the Sacred Heart, Newton, Mass., during the second semester of the 1967-68 academic year are junior MARY P. FISHER, daughter of MRS. WILLIAM P. FISHER, of Lakeland avenue, and sophomore HEDWIG SESKI, daughter of DR. and MRS. ARTHUR G. SESKI, of South Deeplands road.

Senior Ladies Meet Sept. 11

Grosse Pointe War Memorial's Senior Club for ladies 60 and over is beginning a new season. They will meet Wednesdays, September 11, and September 25, for a light sandwich luncheon and cards.

Through the year, they will continue to meet the second and fourth Wednesdays of each month. Usually they will follow luncheon with cards but there will be occasional programs such as the Christmas Concert presented by the Junior League Glee Club.

It is not necessary to play bridge to join the group. Other forms of cards are popular and presents are made or contributed to donate to Children's Hospital at Christmastime.

It is a grand group for making friends and the ladies get to enjoy each other between meetings too. For those who find transportation to the Center difficult, rides can usually be arranged among members of the group or their families.

All Grosse Pointe area residents and mothers or grandmothers living with their children in the Pointes are cordially invited to come and enjoy this group. There is no membership fee and only 75 cents is charged to defray the cost of lunch.

Enjoying a recent vacation at Edgartown, Martha's Vineyard, Mass., were MRS. SEABOURN R. LIVINGSTONE, her daughter, MRS. LIVINGSTONE HOWARD of Merriweather road, and MRS. ROBERT STOEPPEL, of Lakeland avenue.

Newlywed Millers Vacation in North

Judith E. Miller's Wedding Gown Of White Organza With Lace Accents Is Styled With Watteau Chapel Train

Traveling in Northern Michigan are Mr. and Mrs. Gregory H. Miller, who were married Saturday afternoon in Grosse Pointe United Methodist Church. The Reverend Ralph Edwards officiated at the 2 o'clock rites.

The bride is the former Judith E. Miller, daughter of Mr. and Mrs. Richard H. Miller, of Cadieux road. The bridegroom is the son of Mrs. Ben Willis, of Notre Dame avenue, and Harold Miller, of Detroit.

The former Miss Miller chose, for her wedding, a traditional gown of white silk organza with Venice lace accents, styled with a detachable Watteau Chapel train. A lace-trimmed bow secured her triple-tiered illusion veil, and she carried a full cascade bouquet of white roses with ivy streamers.

Sue Miller was her sister's honor attendant. Bridesmaids were Pat Miller, another sister of the bride, Mrs. Dennis Egan, Mrs. James J. Rogers, of Ann Arbor, and Mrs. John C. Straub, of Toledo, O., a cousin of the bride.

They wore floor length A line skimmers of azalea pink chiffon over linen, fashioned with satin back panels and cowl collars, and matching Dior headbands. They carried Colonial arrangements of Elegance minicarnations with starflowers and ribbon streamers.

tions with starflowers and ribbon streamers.

Guy Miller served as his brother's best man. Seating the guests were Dennis Egan, John Stephen Gagne, Richard H. Miller, Jr., brother of the bride, and Richard Wegman.

When the new Mr. and Mrs. Miller left for their wedding trip following a reception in the Crystal Room of The Whittier Hotel, the bride was wearing a brown and white sleeveless A line dress with a brown jacket, and brown accessories.

For the ceremony and reception, the bride's mother selected a street length aqua and white silk linen dress and coat ensemble, with aqua accessories. She pinned a cymbidium orchid to her purse.

The bridegroom's mother chose a street length mauve metallic fabric costume, pink accessories and cymbidium orchid corsage.

The newlyweds will make their home in Ypsilanti while the bridegroom completes his studies at Eastern Michigan University. The bride will be teaching school in Inkster.

This is Miss Kinkerooli.

She has a little problem. Oh, her hair looks well enough when it's just been done. As long as there's no humidity. Or rain. Or stuff like that. But let any of these things happen and — plinkety, plink, here comes the kinks. What's a girl like this to do? Easy. A girl like this comes to us and gets her hair straightened all neat and silky and then icky-poo weather will hardly ever bother her at all. If you have a friend with the aforesaid problem, be nice. Tell her about us. And how we can straighten her out. Like that.

Miss Cook Married To Mr. Middlemiss

Reception Is Held At Golden Lion Following Noon Rites; Newlyweds Travel To London, Ont.; Will Live In Ann Arbor

In a re-embroidered lace dress, fashioned with long, tight sleeves ending in pleated wrist bands, Laura Lee Cook spoke her wedding vows to Thomas Cameron Middlemiss in the Barbour Chapel of Grosse Pointe Memorial Church Saturday, August 24.

A double-pleated collar formed her Queen Anne neckline, and the blue ribbon defining her gathered waist ended in streamers falling to her short, scalloped hem.

A clipped French velvet crown secured her shoulder length French illusion veil. She carried an antique basket filled with white and ivory flowers.

Her parents, Mr. and Mrs. William L. Cook, of Littlestone road, entertained at a reception at the Golden Lion following the noon rites, over which The Reverend Gary Gruher presided.

Honor maid Karen A. Callaway and bridesmaid Heather A. Middlemiss, sister of the bridegroom, wore street length frocks of yellow crepe, styled with oval necklines and Empire waists defined by bows.

The headpieces were yellow French cut velvet crowns, and they carried antique baskets filled with pink, white, yellow and blue fresh and dried flowers.

The bridegroom, son of Mr. and Mrs. Thomas W. Middlemiss, of Ann Arbor, asked Gary A. Olsen to act as best man and Joe Cook, brother of the bride, and Thomas Nigolian to usher.

For her daughter's wedding, Mrs. Cook selected a hand-loomed Pauline Trigere dress shot with silver threads and tiny rhinestones. The bridegroom's mother wore a rose-colored silk crepe sheath. Both mothers chose butterfly orchid corsages.

When the newlyweds left for a vacation in London, Ont., the bride was wearing an Italian knit suit with gold buttons and a matching gold moire blouse. They will make their home in Ann Arbor.

Countess CYRIL TOLSTOI, of Lewiston road, enjoyed a two weeks' summer visit with her son-in-law and daughter, MR. and MRS. EDMUND ANDERSON, at their Wilton, Conn., home.

GPBC Plans Labor Day Sail

Members of the Grosse Pointe Boat Club are making plans for a Labor Day Weekend Rendezvous when they will set sail for Bridgeview Marina in Sarnia, Ont.

The event will follow the club's successful regatta and corn roast held at Grosse Pointe City's Norbert Neff Memorial Park on August 18.

More than 300 members attended the annual affair which this year featured the presentation of gifts from local merchants. Winners of the various races were presented with sail regatta cups.

Chairmen of the event were Mr. and Mrs. William Goldsberry.

Center Offers Beading Class

For the first time, Grosse Pointe War Memorial is offering a class on the beading of gowns and sweaters. With fashions turning to elaborately accented, beaded necklines and garment highlights Mrs. Richard Wadnitz, who was expertly trained in Europe, is offering Grosse Pointe ladies the opportunity to be creative and money saving in this field.

The instructor will provide patterns for this delicate art and obtain materials for her students unless they have their own. It will be up to the individual students what type of work they wish to do and upon what gown or sweater. The effects are jewel like and many a stunning ensemble can be produced for a fraction of ready made cost.

The bead work course is offered for \$15 for five weekly two-hour lessons which will be held on Thursday mornings from 9:30 to 11:30 beginning September 19. Enrollments are being taken now in the Center's

Pamela Anne Schneider Chooses Lace-Appliqued Net Cage Bridal Gown and Matching Mantilla Veil, Carries 18th Century Bouquet

Vacationing in Los Angeles and San Francisco, Calif., following their Saturday, August 24, wedding in St. Paul's Evangelical Lutheran Church are Mr. and Mrs. Alfred Frederick Steiner, II.

Mrs. Steiner is the former Pamela Anne Schneider, daughter of Mr. and Mrs. Michael Schneider, of Broadstone road. The bridegroom is the son of Mr. and Mrs. Wilfred A. Steiner, of Westchester road.

A reception at the Grosse Pointe Yacht Club followed the 4:30 o'clock rites, at which The Reverend Charles Sandrock officiated.

The bride wore a lace-appliqued net cage gown and a matching mantilla veil, and carried an 18th century arrangement of white and ivory flowers tied with white velvet ribbon.

Honor maid Mary Kathryn Starkel and bridesmaids Susan Benedict, Linda Blique, Susan Konkel and Nancy Martens, of North Haven, Conn., wore yellow silk organza frocks accented with neckline embroidery.

They carried casual bouquets of vari-colored fresh and dry garden flowers and baby's breath, with lime velvet accents, and wore matching floral headpieces.

Wilfred A. Steiner served as his brother's best man. Ushers were Nelson Steiner, another brother of the bridegroom, Robert Purcell, John Skinner, Kevin Conway and Jack Louisell.

Jennifer L. Webb, in a French dotted Swiss over yellow peau, was flower girl and her twin brother, Daniel L. Webb, as ring bearer.

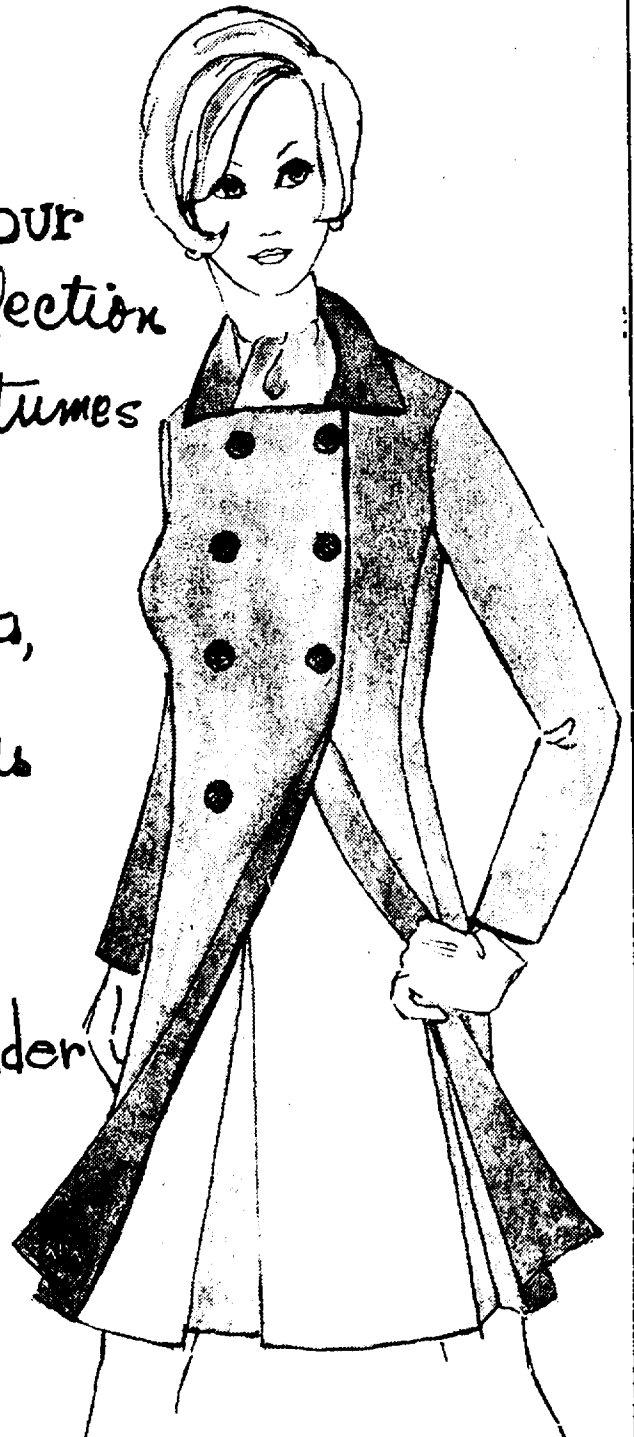

The newlyweds will make their home in East Lansing. The mother of the bride wore

a mauve pink silk dress and matching coat ensemble. The bridegroom's mother selected a turquoise and white pyramid striped dress and coat.

Miss Rushmer Bride Of Peter H. Dodson

Beaded Neckline And Cuffs Accent White Peau de Soie Wedding Gown; Matching Camelot Headpiece Is Also Beaded

Exchanging wedding vows in St. Mark's Episcopal Church, Southboro, Mass., Saturday, August 17, were Anne Monnet Rushmer and Peter Henry Dodson, who will make their home in Philadelphia, Pa., upon their return from a New Hampshire vacation.

Officiating at the evening rites, which were followed by a reception at the Sudbury, Mass., Wayside Inn, was The Reverend Harry Eugene Goll.

The daughter of Mr. and Mrs. Ernest Lunt Rushmer, of Stratford place, chose a floor length Empire gown of white peau de soie, fashioned with a beaded scoop neckline and long sleeves ending in beaded cuffs, for the 7:30 o'clock ceremony.

Her waist length silk illusion veil fell from a beaded Camelot style headpiece, and she carried a cascade of stephanotis, ivy, baby's-breath and miniature mums.

Her attendants were matron of honor Mrs. Tyson V. Durbrow

and bridesmaids Mrs. Lawrence G. Harrington and Mrs. Kenneth R. Graham, the bridegroom's sister.

Bruce E. Dodson acted as his brother's best man. They are the sons of Mr. and Mrs. Frederick James Dodson, of Hopkinton, Mass.

In the usher corps were Wayne Mezitt, David Iannucci and Carl Bisgaier.

The mother of the bride selected a floor length apple green crepe gown, with matching accessories, for the ceremony and the reception.

The bridegroom's mother wore a floor length pale pink crepe gown, with a matching broadcated jacket. Both mothers chose cymbidium orchid corsages.

John Teetaert Claims Bride

Linda Gordon became the bride of John Teetaert at an 11:30 o'clock ceremony Saturday, July 27, in the Bethel Lutheran Church, Madison, Wis.

The Reverend Joseph Brown, of St. Paul's Catholic Church, and Pastor Richard Larson, of Bethel Lutheran Church, officiated at the nuptial rites for the daughter of Mr. and Mrs. Arvie Gordon, of Chilton, Wis., and the son of Mr. and Mrs. Andrew Teetaert, of St. Clair avenue.

For her wedding, the bride chose an A-line floor length gown fitted at the waist, with cap sleeves of peau d'ange lace. Her floor length veil with peau d'ange trim was caught by flowers.

She wore her grandmother's Norwegian wedding pin, a family heirloom, and carried a bouquet of baby's-breath, yellow feathered carnations and white phalaenopsis.

As maid of honor the bride chose her sister, Jane Gordon. Her other sisters, Kay and Ann Gordon, and Mrs. Robert Blanchard, of Buffalo, N.Y., were bridesmaids.

All were dressed in pale yellow dotted Swiss ruffled-at-hem gowns, accented with satin ties and wore daisies in their hair. They carried baskets of violets, daisies and baby's-breath.

Acting as best man for his brother was Thomas Teetaert. Ushers were Peter Van Ness, of Waukesha, Wis., Gilbert La-Croix, of Madison, and Robert Blanchard.

Mrs. Gordon, the mother of the bride, wore a pale green coat and dress ensemble with matching accessories, while the mother of the bridegroom chose a yellow and white broadcated coat and dress ensemble, also with matching accessories.

Eyelet Embroidery Accents Back-Buttoned Bodice And Long Sleeves Of Bride's Street Length White Silk Organza Gown

St. Paul's Campus Chapel, Madison, Wis., was the setting for the Saturday, August 24, wedding of Carol Lou Carbhone and John Francis Eros. A reception at Madison's Simon House followed the informal double ring rites, at which only members of the bridal pair's immediate families were present.

The Reverend Joseph Brown officiated at the 4 o'clock service. The bride, daughter of Dr. and Mrs. Louis Carbhone, of Lakeland avenue, selected a street length gown of white silk organza.

Eyelet embroidery accented her back-buttoned bodice and long sleeves. A single organza rose secured her shoulder length illusion veil, and she

carried a small white prayer book and a nosegay of pink rosebuds.

Mrs. Roger Williams, of Evanston, Ill., who served as her sister's only attendant, wore a mist green silk dress with corded buttons and a matching Dior headbow. She carried a nosegay of white and yellow rosebuds.

Nancy Kay Forsythe Wed to Mr. Goebel

Braid Trimming Accents Bride's Silk Shantung Gown; Grosse Pointe Woods Presbyterian Church is Scene of Evening Rites

Motoring to Los Angeles, Calif., where they will make their home are Mr. and Mrs. Richard Marvin Goebel whose Saturday, August 24, wedding was followed by a reception and dinner at the Gourmet House, St. Clair Shores.

Presiding at the 6 o'clock rites in Grosse Pointe Woods Presbyterian Church was The Reverend Paul A. Winchester.

The bride, the former Nancy Kay Forsythe, daughter of Mr. and Mrs. George Owen Forsythe, of Hampton road, selected an A line frock of silk shantung, styled with a Chapel train, for the early evening ceremony.

Braid trimming outlined her cowl neckline, extended in a panel down the front of her dress and edged her train. A braid-trimmed shantung pillow held her Cathedral length silk illusion veil, and she carried a

bouquet of white miniature carnations, white rosebuds, pink rosebuds and baby's-breath.

Honor attendant Marion J. Polizzi wore a floor length frock of Romance blue faille, trimmed with white lace. Bridesmaids, in identically styled gowns of baby blue faille, were Mrs. Hugh Welch, of Smyrna, Ga., and Mrs. Thomas M. Kozbial.

They wore matching Dior headbands and carried Colonial arrangements of dyed blue daisies, miniature pink and white carnations and baby's-breath.

Alfred W. Goebel acted as best man for his brother. They are the sons of Mr. and Mrs. Alfred Goebel, of Detroit. Ushers were Steven G. Forsythe, brother of the bride, and Thomas M. Kozbial.

Flower girls Tracy and Tisha Zigas wore floor length, A line dresses of white silk organza over taffeta, trimmed with daisy lace and blue velvet ribbon, and matching blue velvet bows in their hair.

They carried white baskets filled with miniature pink and white carnations, blue-dyed daisies and blue star flowers.

Crystal cluster beading accented the illusion bodice of the bride's mother's pink silk shantung ensemble.

The bridegroom's mother selected a deep turquoise silk organza costume. Both mothers chose corsages of white carnations and rosebuds, each tied with a bow.

Mr. and Mrs. J. Ross Henderson, of East Brunswick, N.J., and Dr. Frances E. Noble, of Kalamazoo, were among the out-of-town guests.

MR. and MRS. FRANK HELMINSKI, of Ford court, have just returned from a month's vacation in Ireland and England. They were accompanied by their two sons and Mrs. Helmski's mother, MRS. JOSEPH LOUGHRAN, of New York City. The weather, they report, could not have been better — not one day of rain. The Helmski party traveled more than 2,000 miles in Ireland, visiting Dublin, Belfast . . . and relatives.

Goodwill Sets Sale for Aug. 30

The Goodwill sheltered workshop at 6522 Brush at Milwaukee will be opened to the public on Friday, August 30, for in-plant shopping of merchandise before it is distributed to the 14 Goodwill resale stores.

This semi-annual event affords Goodwill customers the opportunity to select from more complete stocks of freshly renovated and unhandled fall clothing for the whole family, furniture and household items at special sale prices.

All proceeds of Goodwill sales help meet the payroll of handicapped workers who earn their living turning household discards into attractive and useable merchandise.

Goodwill Industries of Greater Detroit is a non-profit organization that was conceived and is operated for the express purpose of providing job skills training and a means of livelihood for persons with physical, emotional or mental handicaps that hinder or preclude employment in industry.

The sale on Friday, August 30 will begin at 9:30 a.m., and continue until 4 p.m.

Engaged

Mr. and Mrs. James L. Petz, of Ballantyne court, are announcing the engagement of their daughter, DONNA JEAN, to Airman First Class Donald Frederick Ireland, son of Mr. and Mrs. Charles F. Ireland, of Greenleaf road, Roseville.

The prospective bridegroom is stationed at McConnell Air Force Base, Wichita, Kans.

Kind acts are stepping stones to contentment and happiness.

Hutton-Sheridan Rites Revealed

Mary Frances Sheridan and Terrence Hutton were married Friday morning, August 23, at 11 o'clock, in the Log Chapel at the University of Notre Dame, Ind.

The bride's cousin, The Reverend Father Frank G. Weil, O. Carm., celebrated the Nuptial Mass and officiated at the wedding ceremony. Father Weil was assisted by The Very Reverend John N. McCormick, C.S.S.R., and The Very Reverend Harold W. Riley, C.S.C., Pastor of the Sacred Heart Church on the Notre Dame Campus.

Also assisting in the Mass was another cousin of the bride, David Thomas Simpson, O. Carm., Washington, D.C., novice in the Carmelite Order.

The former Miss Sheridan is the daughter of Mr. and Mrs. Richard Philip Sheridan, of Vernier road.

Mr. Hutton is the son of Mrs. John William Hutton, of Mc-

Millan road, and the late Mr. Hutton.

The bride was attended by her sister, Margaret Elizabeth Sheridan and Timothy Hutton served as his brother's best man.

Immediate members of the families witnessed the ceremony and attended the Rehearsal Dinner hosted by Mrs. Hutton Thursday evening and the Wedding Breakfast given by Mr. and Mrs. Richard Philip Sheridan Friday morning at the Morris Inn.

The new Mr. and Mrs. Hutton are vacationing in Montreal and Cape Cod. Upon their return they will reside in Evanston, Ill. and the bride will complete her graduate studies at Loyola University, Chicago.

Entertaining friends at a recent party in his parents' new Stratton place home was RICK ADAIR. The JOHN DOUGLAS ADAIRS moved last June from Colonial road.

Edward Sampson To Live in Olivet

Linda Beth Brown Chooses Lace-Accented White Linen Gown For Saturday Rites; Couple Vacation On Cape Cod

A home in Olivet, Mich., awaits Mr. and Mrs. Edward Lewis Sampson, who exchanged marriage vows Saturday, August 24, at a 5:30 o'clock ceremony in the Barbour Chapel of Grosse Pointe Memorial Church, upon their return from a Cape Cod vacation.

A reception in the Church Lounge followed the rites, at which The Reverend Bertram deH. Atwood officiated.

The bride, the former Linda Beth Brown, daughter of Mrs. Alice Dearborn Brown, of Fairholme road, and William Brown, of Detroit, was given in marriage by her father.

Alencon lace outlined the Empire waist of her sleeveless white linen gown. Matching lace accented her neckline, hem and Chapel train, and a headpiece of lace-banded flowers caught her elbow length illusion veil.

She carried a cascade of white daisies, Jack Frost roses, Stephanotis and ivy.

She was attended by Sandra Ashton, who wore a sleeveless, A line Empire frock of mango-

colored and a matching starched linen flowered headpiece. She carried a yellow and white daisy ball accented with ivy and green velvet ribbons.

The bridegroom, son of Mr. and Mrs. Frederick Noakes, of Carthage, N. Y., asked the bride's brother, William Brown, Jr., to act as best man, and another brother, Private First Class Gary C. Brown USA, of Long Branch, N. J., to usher.

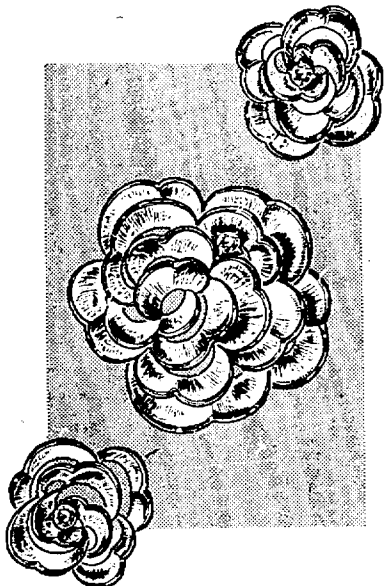

The mother of the bride wore a lemon-ice silk brocade ensemble, with ivory satin accents. The bridegroom's mother selected a coat and dress ensemble of soft pink crepe.

Both mothers pinned white orchid corsages to their purses.

Know yourself—it's no misfortune to tumble to your faults.

Senior Casarolls' Yacht, "Casbah," Transports Party Of Guests From Old Club To Pointe; Newlyweds Depart Aboard It

Mr. and Mrs. Eugene Anthony Casaroll, Jr., left the Grosse Pointe Yacht Club, scene of the reception following their Saturday, August 24, wedding in Grosse Pointe Memorial Church, aboard his parents' boat "Casbah."

They will return from a vacation in Montreal and Quebec to make their home in Sunningdale drive.

Mrs. Casaroll is the former Prudence Beryl Frey, daughter of Mr. and Mrs. Jack B. Frey, of Washington road.

The bridegroom's parents, Mr. and Mrs. Eugene Anthony Casaroll, of Elm court and the Old Club, transported 18 of their Old Club friends and neighbors across Lake St. Clair, via the "Casbah," for the wedding and reception.

Officiating at the 4:30 o'clock rites was The Reverend Gary Gruber. Mrs. Jan Nyboer, of Lincoln road, a close friend of the bride's family, played the carillon before and after the service, and Professor Malcolm Johns, Memorial Church organist and choir director, secured the services of two trumpeters to assist with the wedding music.

For her marriage, the former Miss Frey selected a gown of candlelight silk shantung, trimmed with lace beading in crystals and seed pearls and ending in a Cathedral train.

A beaded lace cap held her triple-tiered silk illusion veil. She carried an heirloom lace handkerchief and a bouquet of white roses and gypsophelia.

She was attended by maid of honor Elizabeth Mower and bridesmaids Virginia Backus, of San Francisco, Calif., and Nancy McMullin, of Drexel Hill, Pa., whose floor length gowns of candlelight mousseline de soie were trimmed with matching lace, re-embroidered by the bride in shades of blue and purple.

They wore streamers in their hair and carried arrangements of white statice, gypsophelia and blue starflowers tied with streamers complementing their

The bridegroom asked Patrick Currier to act as best man and William Bauer, John Barrett, Joseph Becker and Roger and Douglas Frey, brothers of the bride, to serve in the usher corps.

For her daughter's wedding,

Mrs. Frey selected an Yves St. Laurent dress of smoke blue double silk, styled with an embroidered collar and sleeves. Mrs. Casaroll, the bridegroom's mother, chose a custom suit of overlaid lace in a soft yellow shade.

The Story of the Turtle and the Hair

Once upon a time, an ugly green turtle wandered the earth with little purpose except to frighten lovely damsels.

"I wish a lovely damsel would love me," he cried.

Gabrieleen, his godmother, heard him sobbing.

"Why you're nothing to cry about," she soothed. "You've a gift granted to no one else in the whole world."

The turtle sniffed. "Me?"

"Oh yes. Only you can make a fair maiden truly beautiful."

The godmother touched her wand to the turtle. He watched in awe as his precious oils silkened a maiden's tresses. Before her hair had been brittle from the sun and wind, but now it was glowing and soft.

Then Gabrieleen blended a lotion from the turtle's oils that gently, perfectly waved the maiden's hair. And she added proteins for conditioning against split ends, and silicones so that the maiden could run through any weather and still keep the brilliant sheen the turtle's oils gave her hair.

Suddenly a wonderful thing happened. The now truly beautiful maiden knelt down to thank the ugly green turtle.

The turtle would like you to thank him too. So when you come to our salon for a wave, ask for the turtle's oil.

Oil of Turtle Wave by Gabrieleen.

Choosing Glasses Children Like, of Parent-Pleasing Quality, is merely KID STUFF at Van Dyke!

At Van Dyke Optical, the young set makes the scene, cheerfully. We know how to make choosing glasses an adventure they cherish. (After all, that eye examination can be a trip to Mars, you know.) We've learned that Little Girls have their own idea of what Style is all about. (And heaven help the brave parents who try to dissuade them!) Little Boys? They could care less about style. Sure they want a frame that looks good, but there's a world out there waiting for them. Wisfully, too, we've watched Little Girls and Little Boys grow up. So, we anticipate it, and try to make it easier. No matter how old young folks are, we provide them the quality glasses they need for clear, sure vision...and the selection they like.

At Van Dyke Optical, the choice is theirs. The confidence is yours.

Sally Chalmers Wed At Saturday Service

Newlywed Wilmot Fitch Wheelers, III, Are Vacationing In Caribbean; Will Return To Make Home In Illinois

A reception at the Grosse Pointe Club followed the Saturday, August 24, wedding of Sally Sexton Chalmers, daughter of Mr. and Mrs. Bruce Chalmers, of Westwind lane, and Wilmot Fitch Wheeler, III, son of Mr. and Mrs. Wilmot Fitch Wheeler, Jr., of Mount Kisco, N.Y.

Officiating at the afternoon rites in Christ Church, Grosse Pointe, was The Reverend Erville B. Maynard.

For the 4:30 o'clock ceremony, the bride selected an Empire gown of organza over taffeta, accented with peau d'ange lace and fashioned with a Watteau train.

A cap of peau d'ange lace appliques secured her illusion veil, and she carried a white orchid-centered stephanotis and ivy bouquet.

Her honor attendants were her two sisters, Patricia Chalmers and Mrs. Frederic C. Baker, who wore mint green dotted Swiss frocks and carried cascades of yellow daisies.

Bridesmaids, in canary yellow dotted Swiss dresses, were

matching jacket, while the bridegroom's mother selected an ensemble of contrasting green silk.

The newlyweds, after a vacation in the Caribbean, will make their home in Lake Forest, Ill.

Out-of-town guests included the bridegroom's paternal and maternal grandmothers, Mrs. Wilmot F. Wheeler of Southport, Conn., and Mrs. John Rutherford, of Syosset, Long Island, N.Y.

From Grand Rapids came the bride's cousins, Mr. and Mrs. Frederick J. Vogt, Jr. and Mrs. Edward A. Wallace.

MR. and MRS. MELVIN CRANDALL, of Wayburn road, celebrated their Golden Wedding anniversary last Saturday, August 24. The Crandalls moved to Grosse Pointe Pointe shortly after they were married September 3, 1918, in Traverse City. They have two sons, WILLIAM and JEROME, both Pointers, and 16 grandchildren. A Mass of Thanksgiving was celebrated at St. Ambrose Church at 1:30 in the afternoon, followed by a tea reception at the Westchester road home of Jerome Crandall. An evening dinner reception was scheduled at Buckingham Hall, St. Clair Shores. After the reception the couple plans a vacation trip to Northern Michigan.

Married to Mr. Wheeler, son of Mr. and Mrs. Wilmot Fitch Wheeler, Jr., of Mount Kisco, N.Y., at an afternoon ceremony Saturday, August 24, in Christ Church was SALLY SEXTON CHALMERS, daughter of Mr. and Mrs. Bruce Chalmers, of Westwind lane.

Catholic Women Planning Benefit

The annual fund-raising event of the League of Catholic Women will be an opening week performance of "Funny Girl" at the Northland Theater Sunday, October 25.

Proceeds from this year's benefit will be used to implement the programs of all the League's Inner City services, Barst House for delinquent girls, Santa Maria Homes and Casgrain Hall, League Residence for working women.

To announce benefit plans and to kick off ticket sales, Mrs. William P. Brennan, league president, was hostess at a recent luncheon at the Mauna Loa.

Guests included the entire League Board of Directors, who will all be working for the benefit, and the Project Committee of more than twenty.

Mrs. Alex E. Motter is general chairman and Mrs. Bernard M. Segner general ticket chairman. Working with Mrs. Segner are co-chairmen Mrs. Daniel Byrne, in charge of the Grosse Pointes and all East Side parishes, and Mrs. Tello Pais, responsible for all West Side contacts.

Mrs. Emmet E. Tracy of Provincial road, is chairman of patrons and sponsors and Mrs. field.

Betrothed

Mr. and Mrs. F. Roger Bacon, of Chalfonte avenue, have announced the engagement of her daughter, LYNN JOANNE PALMER, to Ronald Frank Tracy, son of Mr. and Mrs. Frank Tracy, of Detroit. A November wedding is planned.

Joseph P. Wright, of Kenwood court, is handling reservations.

"Funny Girl" features Barbra Streisand as Fannie Brice and Walter Pidgeon as Flo Ziegfeld.

Miss Bendlin Speaks Vows

William H. Monteith, Jr., of Cuyahoga Falls, O., gave his sister-in-law Linda Elizabeth Bendlin in marriage to James Robert Crawford at 8 o'clock Saturday evening, August 17, in the Jefferson Avenue Methodist Church.

The bride is the daughter of Mrs. Theodore W. Bendlin, formerly of Torrey road, now residing in St. Clair Shores, and the late Mr. Bendlin.

The bridegroom is the son of Mr. and Mrs. James C. Crawford, of Stalwart, Mich.

A reception in the church parlors followed the services at which The Reverend Guenther R. Branstner and The Reverend Bruce Felker officiated. After a trip to Western Michigan, the newlyweds will make their home in Stalwart where a reception is planned for them on Friday, August 23.

The bride wore a floor length fitted dress fashioned with a bodice of lace and pearls. A crown of pearls held her short illusion veil and she carried a bouquet of white roses with flowing streamers.

Matron of honor Mrs. Monteith, and bridesmaid Mrs. Edward Carter, of Grand Rapids, wore yellow dotted Swiss Empire style dresses with pale yellow ribbons and bows. They carried bouquets of yellow and bronze mums.

Best man was the bridegroom's brother, Thomas Crawford, of Lansing. He and William Monteith, Jr., seated the guests.

The bride's nephew, Scott William Monteith, was ring bearer and her niece, Meredith Monteith, was flower girl.

Attending the recently completed second annual Summer Workshop in Dramatics at Eastern Michigan University were LORI HEGLIN, daughter of MR. and MRS. EDWARD HEGLIN, of Rivard boulevard, PENNY BLANK, daughter of ROLAND J. BLANK, of Lakeland avenue, and FRAN CODY, daughter of MR. and MRS. WILLIAM F. CODY, of Hillcrest road.

Mrs. Bendlin selected a pink linen redingote trimmed with white daisies, a matching headpiece and a corsage of roses for her daughter's wedding and the reception.

The bridegroom's mother chose a two-piece dress of pale blue shantung linen and a corsage of roses and carnations.

Miss Hyland Weds Frederick Neumann

Attendants' Lace Cage Over Fitted Taffeta Frocks Are Daisy-Patterned; They Carry Green Fuji Mum Nosegays

Mary Kathleen Hyland, daughter of Mrs. Thomas Reynolds Lamar, of Winter Park, Fla., and Dr. John Robert Hyland, of Berkshire road, became the bride of Frederick Owen Neumann, son of Mr. and Mrs. Frederick Schnoor Neumann, of Three Mile drive, at a 1 o'clock double ring ceremony Saturday, August 24, in Grosse Pointe Memorial Church.

Given in marriage by Thomas Reynolds Lamar, she wore an ivory peau de soie gown fashioned with an Empire bodice of embroidered Chantilly lace. Matching lace accented her A line skirt and bordered her detachable Chapel train. A peau de soie Dior bow, trimmed with seed pearls, secured her wrist length silk illusion veil, and she carried a cascade of cymbidium orchids, stephanotis and trailing ivy.

Honor matron Mrs. Robert M. Cannon, sister of the bride, and bridesmaids Mrs. Jon Feikens, the bridegroom's sister, Diane Pinney and Susan Grant wore daisy-patterned lace cages over fitted taffeta dresses and carried nosegays of green Fuji mums.

Best man was Gregg Smith, Patrick Hyland, brother of the bride, Jon Feikens, Jim Belcher, Bruce Miller and Dennis Neumann served as ushers.

The mother of the bride chose a lace-accented dress of jonquil peau, while the bridegroom's mother selected a shocking pink silk chiffon sheath.

When the newlyweds left for a vacation in Colorado Springs following a reception in Memorial Church's Fellowship Hall, the bride was wearing a white-trimmed black knit dress and matching coat lined with red,

black and white striped silk. They will return to make their home in Wayburn road, Detroit.

Out-of-town guests included the bridegroom's aunt, Mrs. Clark Schwaderer, of Pompano Beach, Fla., the bride's grandmother, Mrs. Morris Evans, and Mr. and Mrs. John Lang, of Stow, O.

Attending the second annual Summer Workshop in Dramatics on the Eastern Michigan University campus in Ypsilanti through August 16 were SUE MORGAN, daughter of Mr. and Mrs. A. DALE MORGAN, of Fisher road, and WILLIAM TAYLOR, son of Mr. and Mrs. A. E. TAYLOR, of Rivard boulevard. Involving a hand-picked 47 advanced high school students, the workshop provides intensive exploration of all aspects of dramatic production — acting, directing, pantomime, design and technical production.

Women Offered Chance to Help

Grosse Pointe War Memorial offers many opportunities for suburban women to be of service to their community.

Each Monday any time between 10 a.m. and 3 p.m. workers are needed in the Cancer Center to receive clean, white, ironed material which residents donate weekly for pads, to give out materials to church groups making cancer pads, and to receive and store the finished products.

Also under the direction of Mrs. Hal Fisher, cancer pads are made at the Center and are given to the families of area patients who call for them. Booklets on cancer checkups and general information relating to cancer are also disseminated by the group.

On Tuesdays between 10 a.m. and 3 p.m. the Service Guild for Children's Hospital needs workers to make a variety of materials desperately needed for infant and child care. Under the direction of Mrs. J. E. Hinzman, volunteers earn uniforms and caps denoting hours of service given.

Braille Transcription classes are held each Thursday morning at 10 o'clock beginning September 12. The course is for sighted people who are willing to learn to transcribe into Braille the many reading and instructional texts and materials sorely needed by the blind.

Instruction is given free of charge by Mrs. John McNamara. Texts and materials come from the Library of Congress for which there is a \$10 charge.

Certificates are awarded by the Library of Congress to those who successfully complete the course.

The Center maintains a hospital loan closet where donated crutches, wheel chairs and hospital beds are available on free loan to members of the community. Also a community blood bank is maintained. Blood is loaned, free of charge, to any citizen in case of emergency if replaced by family or friends within one year.

MISS KAREN KEAN recently completed the two-year associate degree registered nursing program at Northwestern Michigan College in Traverse City. The graduates received their NMC nursing school pins in special ceremonies honoring them at the college on August 23. Miss Kean is the daughter of MR. and MRS. MARVIN B. KEAN of Kenwood Court.

At a recent meeting of the Detroit Area Council on World Affairs, CHAUNCEY A. NOR- TON, of Sunningdale drive, was elected to the board of directors and to the executive committee for the coming year.

Hold Buese-Girodat Rites in Saint Paul's

Papal Blessing Bestowed Upon Couple during 5:30 O'Clock Ceremony; Reception at Grosse Pointe Yacht Club Follows Rites

On the 38th anniversary of her parents' wedding day, Friday, August 9, wearing her mother's wedding gown of pure silk Chantilly lace which had mellowed to a soft ivory shade over the years, Susan Louise Girodat spoke her marriage vows to Michael Roy Buese.

Her honey beige silk illusion veil, slightly paler in tone than her gown, fell from a coronet headpiece, fashioned from one of the original three French velvet bows which had accented the back of the gown and trimmed with appliques of lace from her mother's wedding veil.

She carried an arrangement of pale peach Johanna Hill rosebuds, stephanotis and ivy, centered with a white orchid.

She is the daughter of Mr. and Mrs. Frederick W. Girodat, of Lakecrest lane. Mr. Buese is the son of Mr. and Mrs. Alphonse J. Buese, of Alma.

Following the 5:30 o'clock ceremony in St. Paul's-on-the-Lakeshore, at which a Papal Blessing was bestowed upon the couple, the Girodats entertained at a reception at the Grosse Pointe Yacht Club.

Honor attendant Veronica Sumeraeki and bridesmaids Sue Tracy, Mary Sue Weber, Mary Beth Carmichael, of Canandaigua, N.Y., and Mrs. Joseph Buese wore floor length frocks of apricot peau de soie, their necklines, sleeves and hemlines accented with bands of velvet embroidered tapestry.

Their headpieces were poiffs of French velvet in apricot and avocado green, matching the tapestry borders of their dresses, and they carried bouquets of peach-shaded Johanna Hill rosebuds and ivy.

The bridegroom asked his brother, Joseph Buese, to act

as best man, and John Padesky, of Grand Rapids, Patrick Fleming, of Alma, and Donald and David Girodat, the bride's brothers, to usher.

For her daughter's wedding, Mrs. Girodat chose an ice-blue floor length gown, fashioned with a re-embroidered Alencon lace bodice and chiffon skirt.

The bridegroom's mother, Mrs. Buese, wore a floor length gown of pale pink silk shantung, accented with rhinestone buttons. Both mothers pinned Sweetheart roses to their purses.

The newlyweds vacationed in Canada and will make their home in Grand Rapids, where both will be teaching.

Miss Perry Speaks Vows on Saturday

A gown of ivory organza accented with Alencon lace and seed pearls was Rebecca Perry's choice for the Saturday, August 24, ceremony in Christ United Methodist Church at which she became the bride of Michael Jon Valentine.

Her triple-tiered illusion veil fell from a pearl-studded lace and organza headpiece, and she carried an arrangement of stephanotis centered with a single white orchid.

Officiating at the 5 o'clock rites, which were followed by a reception at the Detroit Boat Club, were The Reverend Charles Brynan and Bishop Dwight Loder.

The bride is the daughter of Dr. and Mrs. Chester Perry, of Balfour road. The bridegroom is the son of Mr. and Mrs. Anthony Valentine, of Puerto Ordaz, Venezuela.

Moss green sashes accented the floor length blue linen frocks worn by honor attendant

Margaret Pauleck, of Ann Arbor, and bridesmaids Esther Short, Mrs. John Smith and Betty Wodtke.

They carried baskets, matching their natural straw hats, filled with ivy and blue chrysanthemums.

Acting as best man was Robert Gauthier. Guests were seated by William Stroll, C. Kenneth Perry, brother of the bride, and Michael Balsley.

The bride's mother wore a white silk dress, fashioned with a beaded yoke, and matching coat, while the bridegroom's mother selected a blue peau ensemble.

The newlyweds are vacationing in Bermuda. They will make their home in Washington, D.C.

Mrs. Michael Valentine

Exchanging wedding vows in Christ United Methodist Church Saturday, August 24, were CAROLINE REBECCA PERRY, daughter of Dr. and Mrs. Chester Perry, of Balfour road, and Mr. Valentine, son of Mr. and Mrs. Anthony Valentine, of Puerto Ordaz, Venezuela.

Mrs. Alden C. Laird, Jr.

DIANE HELENE PROBST became Mr. Laird's bride at an evening ceremony Friday, August 23, in St. Paul's Evangelical Lutheran Church. She is the daughter of Dr. and Mrs. Emil N. Probst, of Berkshire road. He is the son of the Alden Coe Lairds, of Detroit.

'Group' Feting New Teachers

The "Group," Grosse Pointe War Memorial's enclave of young graduate students, business and professional men and women in their twenties is hosting an outdoor informal "grasser" to welcome new single teachers in the Pointe's public, private, and parochial schools.

The date is Sunday, September 15, at 6 p.m. Sundowners and supper on the lakeside terrace will follow frisbee, volleyball and maybe even touch football on the lawn. Those who wish to be less strenuous can listen or dance to recorded music. In any case, all are urged to dress casually and comfortably.

The teachers are honored guests at this occasion. All "Group" members are requested to make reservations for supper in advance at \$2 or pay \$2.50 at the door. Guests other than new teachers who are not "Group" members are welcome for an additional \$1.

ROBERT EDISON FOX, II, of Columbus, O., will receive his Bachelor of Science degree from Ohio State University at summer commencement ceremonies August 30. Robert is married to the former MILLICENT FAY BRANKOV, of St. Clair Shores, and is the son of MR. and MRS. ROBERT EDISON FOX, of Neff road.

13—REAL ESTATE FOR SALE

WE THOUGHT we'd be democratic and let all you "new house" candidates have an equal opportunity to preview three new nominees which Purdy & Edgar is proposing to head our slate.

THE CONVENTIONAL four bedroom two and half bath house is always a vote getter, but when you see the shake shingle on University Place, you'll do anything to have it in your grasp. There is also a paneled library and glassed porch to handsomely complement the large living room and separate dining rooms.

TO APPEAL to the family which must have five, six, or seven bedrooms, we have just the ticket: a beautifully maintained mansion in the City, just a block off Jefferson, and a short walk to the Park. There are two extra rooms on the first floor, a new kitchen and charming screened terrace. Fireplaces everywhere you look and an almost new roof, driveway and combination storm-sash and screens.

ALWAYS A WINNER is the four family bedroom house with two baths up, a jazzy family room, new kitchen, attached garage should make it a shoe-in after the first ballot. So stand up and be counted if your house candidate meets these qualifications. Please call first... we don't want a floor fight.

OTHER CANDIDATES

PRICE REDUCED to make this three bedroom colonial in the Farms even more desirable. \$30,750 will now move you into a fine house located just a skip to Brownell and Kerby schools. You may not be in for the first day of school, but how 'bout next week!

OUR PRE-ELECTION special is a non-partisan nominee which is sure to please either party whether you prefer your bedrooms upstairs or down. The large entrance hall has an elegant staircase which leads to two ballroom-sized bedrooms, each with its own bath. There are also two bedrooms on the first floor. Caucus in the richly paneled library with its wood-burning fireplace to augment the cigar smoke.

STOP WHISTLE stopping around town seeking out the best three bedroom colonial available today. Our poll shows this little gem with its white pillars definitely has White House characteristics.

A POPULAR nominee which is again in the running, was sold a few years ago within a few days after presenting its credentials. Like the '68 Nixon, this one has a face-lifting and new paint job. Appealing to the young or mature family, it has three large bedrooms, two baths up, a California room and large yard for the dog. Do not let this one be an "also ran."

CERTAINLY NOT a conventional house, this center hall colonial is the front-runner of all the six bedroom houses offered for sale in the Farms. Three bathrooms on the second floor and two lavatories. Although the recessed heating units work beautifully, there are five fireplaces throughout the premises. Just perfect for burning the ballots after you've made your selection.

SHELBOURNE. Well located in secluded area. Special ranch built 1954 and in excellent condition. Three bedrooms, two baths.

LaSALLE PLACE. Charming colonial. Five bedrooms, three and one-half baths on second floor. Powder room. Breakfast room. Paneled recreation room with fireplace and bar. Choice location on cul-de-sac.

EDGEWORTH—Attractive colonial design. Built 1955. Four bedrooms, two and one-half baths. Library. First floor utility room. 150 foot lot near lake. Well landscaped. Quick possession. \$74,500.

Fashion Show News . . . Mrs. William Rust Pierce will present her beautiful new Made-To-Order Collection to the press, the evening of September 18th. The release date for photographs and information is September 20th, so we can't tell you about it yet. Walton-Pierce will be showing European and American designer fashions, September 12th, at Oakland Hills Country Club for the Junior Women's Association for the Detroit Symphony Orchestra. October 1st, is the date for their show at Fries Auditorium to benefit the Neighborhood Club. They will be represented at the Convention of the Sacred Heart by three pretty members of the committee, wearing American designer ensembles. The date is October 13th . . . for this fabulous afternoon of fashions, autos and art. Back again in Grosse Pointe at the G.P.Y.C. on October 24th, for their traditional style show to benefit the St. Paul Altar Society. Oakland Hills Country Club will be Christmas-charming, when Walton-Pierce presents the last show for 1968. It will be for the Bloomfield Country Day School and they will show hand-picked party clothes, using a few teenage students from the school, along with a contingent of top Detroit models. It's a busy beautiful season and we hope you can view one or all of their benefit fashion shows.

Look again: There's someone missing in the above picture. Twenty-year-old John, first-born of the Welch brood, held a summer job as an assistant counselor at Culver Woodcraft Camp, Culver Military School. He didn't arrive home until mid-August; the picture was taken earlier in the month.

So John, a Grosse Pointe High School graduate, about to start his third year of Engineering studies at Michigan State University, "missed out" on the photograph.

But not on the write-up . . . The first two paragraphs belong to him.

The 11 younger Welches each get a maximum of one paragraph apiece.

Following John comes Pat, 19, a graduate of Our Lady Star of the Sea High School who'll be a sophomore in MSU's James Madison College this fall. Pat worked this summer in the office of the Detroit Yacht Club.

Paul, an Austin Prep. School graduate who'll be 18 in September, is beginning Pre-Med studies at Wayne State University. He was employed this summer by a pharmaceutical supply house.

Family Chauffeur Eileen, 16, a junior at Our Lady Star of the Sea, didn't have a "formal" summer job — but as the oldest "young" Welch at home during the day, possessor of a driver's license, she put in a goodly amount of time as family chauffeur.

Babette, 15, a sophomore at Our Lady Star of the Sea, and Cathy, 13, who starts her freshman year at Our Lady Star of the Sea next month, both love horses. They're skilled equestrians, Roman Riders who can ride standing up, guiding two, three or four horses at a time with long reins.

Cathy, incidentally, is the animal-lover of the family, responsible for most of the pets that have passed through the

chased her prize winning ensemble at the Posh Set Boutique, 18700 Mack. They say, "You can't go wrong if the look is a winner. We have it in sizes 7-18." While you're at the Posh Set Boutique, see the charming assortment of gift items and beautiful Italian knit sweaters . . . 886-1377.

Notes . . . from the Posh Studio Inc. It's back to school time and heads are turning to look at the beautiful haircuts styled by the staff. Join the area's fashion conscious young set who say, "You don't have to be afraid to have your hair shaped at the Studio." Give your wig a new fresh look. When Dorothy cuts, shapes and restyles a wig, your best friend won't know your wearing it. (That's a real beauty secret.) Rave notices for Molly's streaking and frosting and Mary's permanent waving. Teresa and Gail have been pleasing with the party look a la Shirley Temple curls . . . long or short. Cindy is great on tints. Irene has been busy with bleaches and conditioning treatments . . . so important after a sunny summer. Mr. Ron and Mr. Michael are off to New York City for more classes and will be bringing the very latest in hair designs home with them . . . 886-1377.

Menu Musing . . . at Westfield's, 15506 Mack at Somersel, we were tempted by the baby beef liver with bacon, baked potato and green beans. There was more temptation in another selection, chicken croquettes, whipped potatoes and green peas. We have two delicious reasons to go back again because we ordered the char-broiled steak with a baked potato and sliced tomatoes.

Stop . . . at the Signe of the Weaver booth at the State Fair in the Community Arts Building. You'll see displays and demonstrations of crewel embroidery and weaving. It's sure to interest you in the classes at the Signe of the Weaver, 20946, starting September 9th. Call 881-8197 for more information.

mother when he was a G.I. stationed in Maastricht, a small town in Holland.

Eventually, Veronica's mother married and moved to Australia. Al returned to the United States, but the two families kept in touch . . .

Andy met the Rosiers for the first time in 1964, when she joined Al, in Europe on business, for a three-week vacation.

It so happened that the Rosiers had returned to Maastricht to visit relatives at the same time Andy and Al were passing through town. The two couples finally met, as couples, and the Welches invited the Rosiers to stay with them for a few days as they traveled across The States on their way home to Australia.

Which the Rosiers did . . . and had a wonderful time . . . and now Veronica is here . . . and having a wonderful time

Fortunately, Veronica is used to crowds: She's one of five Rosier children.

Two-Year-Old Immigrant

Andy Welch, (her real name is Annetrude — she was named for her two grandmothers, Anna and Gertrude — but everyone calls her Andy), born in Germany, came to this country, as her husband is fond of saying, "as an immigrant at the age of two."

Her family settled in Massachusetts, where she met Al through her "best friend," who happened to be his sister.

Neither Mr. nor Mrs. Welch come from large families: He has one brother and one sister; she has only one brother. Both love children and are delighted

— and delightful — parents of twelve who've hit upon the perfect answer to the often-asked, (by persons meeting the Welches as-a-whole for the first time), question, "Did you plan this?"

"HOW," they reply, "can you plan THIS?"

Andy has been active in Girl Scouting for over 20 years, centering her Scouting activities around St. Clare's Parish ever since she's lived in The Pointe. She was Neighborhood Chairman for two years, 1965 and 1966, and has recently taken over a Cadette Troop.

Favorite Age Group

"I like," she says, referring to her Cadettes, "working with this age group, Seventh, Eighth and Ninth Graders, because I feel girls that old who are still interested in Scouting are worth spending time with."

Last month, she spent a week at John F. Ivory's farm with a group of scouts who climaxed several days of intensive riding lessons with a three-day trail ride.

Andy took the lessons — and the trail ride — with the girls. She climbed astride a horse for the first time last February.

"I'd been taking the girls out for a year-and-a-half and I thought it was time I began to do something besides clean out the barn!" she has been taking once-a-week lessons at Ivory's ever since, recently tried Roman Riding for the first time — and stayed up on her feet!

Al wasn't terribly surprised by his wife's rather quickly-developed riding prowess, although he did immortalize her Moment of Glory, (Andy Standing Erect On Horse), on film, and proudly shows the slide to all his friends . . . After all, he married a girl who agreed a delightful way to honeymoon would be a bicycle-camping trip through the White Mountains and Cape Cod!

or are looking forward to being Girl Scouts; all the Welch boys have been, are or are looking forward to being Boy Scouts.

Al has worked actively with the Boy Scouts just as Andy has worked actively with the Girl Scouts. He's been involved with Austin's Dads Club, too, (it goes without saying that Andy has been active in the parent associations of all her children's schools), and with Little League Football.

He loves to play basketball. Andy virtually EXPECTS to see him out in the backyard with a group of neighborhood boys in the light summer evenings, passing, dribbling and practicing shots.

This past June, Al received his Masters degree in Business Administration from Michigan State University. Present at his graduation ceremony were his 85-year-old father and 20-year-old son.

Getting To Be Habit

It was the second time John Welch had been on hand for the conferring of a degree upon his father. John was in the audience 20 years earlier when Al received his Bachelors degree from Tufts.

Al, Director Systems Engineering, General Motors Manufacturing Staff, earned his Masters credits in MSU's Advanced Management Program, a highly accelerated course which involved classes two nights a week for two years.

For the past seven years, Mrs. Barbara Weber, Andy's mother, has been making her home in "the house with the red door" — and the Welches frankly don't know how they could get along without her.

"My friends always said Jimmy and Bridget were Grandma's babies," Andy observes, her smile indicating that she agrees with her friends.

"I love it here," Mrs. Weber admits. "I go away once in a while to visit my son, but I get homesick: Things are too quiet!"

A Busy Grandmother Like her daughter and son-in-law, Mrs. Weber is involved in community as well as family affairs: She's a member of the Bon Secours Hospital Guild and of St. Clare's Archconfraternity. She sews cancer pads twice a month with her Archconfraternity Unit.

The Welches moved into their rambling home in Cadieux road 10 years ago. They have eight bedrooms, including a finished attic which they've turned into a dormitory-type apartment for the four older boys, and a "guest room" that's always ready for Al's father.

They have a "climbing tree" in their backyard. Andy and the girls recently completed some re-decorating projects; Andy's especially proud of their hand-painted "floral" hall wall. "Now you notice the flowers, not the fingerprints," she explains.

They like to gather around their player piano for family singing. They were delighted to discover Veronica could actually PLAY the piano; she's enabled them to increase their repertoire considerably.

None of the Welches play. "We tried each of the kids on music lessons," Andy and Al explain, rather mournfully, "but apparently they take after us . . ."

Take Turns on Boat

They take turns, (because it can't accommodate them all at one time), on the 16-foot sailboat they keep moored at the Park waterfront park.

The Welch girls are decoupage-mad. "Everybody has a purse to do," their mother observes. "Except Veronica," someone announces, and Andy blinks, nods in the direction of the voice and says, somewhat surprised, "That's right! We've got to get one for Veronica . . ."

All the Welches are camping-mad. They've been out West, last year they went to Expo,

First Fall Flower Show

The recent Bonsai Workshops sponsored by the Grosse Pointe Garden Center proved so successful that members who took these courses in how to create the Japanese-type miniature trees literally INSISTED they have an opportunity to show them this fall.

And so they will . . . At the Horticulture and Bonsai Exhibition to be staged next Thursday, September 5, from 1 to 6:30 o'clock, in the Crystal Ballroom of the Grosse Pointe War Memorial's Fries Building, under the joint sponsorship of the War Memorial Association and the Garden Center.

The public is invited to view the exhibits, which participants will enter between 9 and 1 o'clock that morning.

Gardening enthusiasts may submit annuals, perennials, vegetables, fruits, house plants and Bonsai. Mrs. Donald A. Williams and Mrs. C. Bayard Johnson are chairmen of the Horticulture section, which will be judged by Mrs. Harold R. Smith and Mrs. John Veech.

Responsible for the success of the Workshop lessons and plans for the showing of members' Bonsai are Mrs. Harold W. Bailey, Mrs. Harley G. Higbie and Mrs. Monte J. Edelen.

Assisting them in preparing for the exhibit are Mrs. John A. Dodds, Mrs. Valentine Guenther, Mrs. James Ogden and Mrs. J. Crawford Frost, Jr. Bonsai judges R. L. Maxson and A. B. Kennedy will award ribbons to exhibitors from the classes.

A New Face In Town

The Board of Trustees of the Protestant Children's Home in Cook road has announced the appointment of Clinton Justice as Director of the Home.

Mr. Justice was formerly State Director of the Michigan Children's Aid Society and has served in the Schools of Social Work at Wayne State and Michigan State Universities.

He is current recipient of the Michigan Association of Children's Agencies' award for "Child Welfare Worker of the Year."

Mr. Justice succeeds Hubert J. Shanks, Director of the Home which offers the Protestant religion but admits children upon the basis of need, not race or creed, for the past 25 years.

Opening Night Party

The Women's Association for the Detroit Symphony will celebrate the Orchestra's Opening Night Concert on Thursday, September 12, with a traditional and very gala pre-performance black tie dinner at the Detroit Athletic Club.

The Pontchartrain and Georgian Rooms will see the start of the festivities, a 5:30 o'clock reception, and later many will gather in the Main Dining Room for a post-concert nightcap. Shuttle busses will take dinner guests to and from Ford Auditorium.

General chairman Mrs. William H. Bundesen, of Lincoln road, has named many Pointers as committee heads for the affair.

Mrs. Winfield S. Jewell, Jr., in charge of decorations, promises topiary trees of ruby roses on the dining tables-for-eight and espalier trees on the hors d'oeuvres tables.

Mrs. Ray W. Macdonald is handling reservations and Mrs. Joseph J. Marshall publicity. Mrs. Frank A. Colombo has asked Pointers Mrs. Arnold W. Lungenhausen, Women's Association president, Mrs. Russell E. Bauer and Mrs. Herman P. Sattler to join her corps of hostesses.

Among Pointers who've already reserved their places at the party are the Harvey A. Fischers, the William F. Drevants, the Harry Hauschids, Mr. and Mrs. L. Gaylord Hulbert, Mr. and Mrs. William J. Young, Jr., the Robert B. Healsys, the Harvey O. Dixons, Jr., the George P. Johnsons, Jr., Mrs. George A. Pillsbury and the Robert Kaisers.

(Al's father and Andy's mother were along on that trip, this year they headed East, right after school ended, picking up Veronica on their way to Cape Hatteras, coming back to rendezvous with another Pointe camping family, the William Olivers and their nine children, of Bedford road, at Higgins Lake.

"We have a cab-over-camper on a truck — GMC of course!" Al explains. "We take two station wagons; behind one, we pull a fold-out tent-trailer . . ."

Cooks As She Goes Andy often "cooks as she goes," wrapping meat in heavy foil and wiring the package onto the exhaust manifold of her car. She finds pot roast and meatloaf turn out very well, and is always interested in

swapping recipes and experiences with fellow "traveling chefs."

None of the Welch children has to be coaxed to come on a camping expedition. These trips are just plain fun. Everybody has a job to do, of course, but with so many "everybodies," nobody is over-worked.

The beds are clean. The scenery's beautiful. The "field trips," (climbing a mountain, canoeing down a river, e.g.), are exciting, exhilarating, often hilarious. The food is good, and so's the company.

It's a great life. It's a great family.

Car's Corner

I can say one thing for sure about our Meter Maids—As lovely as they are — They're the best thing that ever happened for the merchants at East-land!
