Grosse Pointe News

Thursday, October 3

ST. LOUIS CARDINALS' pitcher Bob Gibson led the Cards to a 4-0 victory over the Detroit Tigers yesterday and broke a strike-out record to boot. He struck out 17 Tigers, breaking Sandy Koufax's record of 15.

JUSTICE ABE FORTAS howled to Senate opposition on Wednesday and in a letter to President Johnson, requested withdrawal of his nomination to be chief justice. He also stated that he deplored the attacks on the Supreme Court. Mr. Johnson issued a statement shortly thereafter saying that he acceded to Fortas' request with "deep regret."

Friday, October 4

THE TRIUMPHANT Tigers arrived home Thursday night after winning the second game of the World Series in St. Louis by a score of 8-1. They were greeted at Metro Airport by an estimated 5,000 enthusiastic fans.

GENERAL MOTORS revealed Thursday that it is entering the small car field with the introduction of a two-door sedan code-named XP 887, in late summer of 1970. Informed sources said the XP 887 will be priced competitively with the Opel, which GM's Buick dealers import from Germany and now sell for \$1,900 to \$2,300. The car, smallest ever built in the United States by GM, will be about one foot longer than the Volkswagen beetle and a foot shorter than their compact Chevrolet Corvair.

Saturday, October 5  
ALVIN G. SKELLY, deputy superintendent of Detroit public school housing, said unless a strike by building tradesmen is settled soon, several Detroit public schools may be forced to close because of heating problems. Some 400 tradesmen walked off their jobs two weeks ago in a dispute over more money in new contract talks.

MORE GUNFIGHTING in Mexico City took place on Friday, two more lives were lost and a letter signed "army of liberation" threatened a "large military operation" against the government. The statement of the "liberation army" was distributed Friday, but was dated September 28, four days before the big gunfight Wednesday between troops and snipers that left at least 29 persons dead.

Sunday, October 6  
THE DETROIT TIGERS were tamed Saturday when the St. Louis Cardinals demolished them by a score of 7 to 3. The Cards roared to victory behind a pair of three-run home runs, before a crowd of some 53,634.

ANTI-WALLACE DEMONSTRATORS in Cleveland battled with supporters of George C. Wallace at a rally there Saturday night. Police, with clubs swinging had to break up the melee. Police made dozens of arrests.

Monday, October 7  
THE DETROIT TIGERS fell behind the St. Louis Cardinals three games to one Sunday, when they were defeated by a score of 10-1. Some 53,634 fans shouted to the umpires to call the game after it was delayed the second time by rain, but in vain.

THE SENATE PREPAREDNESS subcommittee, in a report critical of the aircraft development policies of the Defense Department, warned Saturday that the United States is in danger of losing tactical air superiority to the Soviet Union.

Tuesday, October 8  
BLIND PUERTO RICAN singer, Jose Feliciano's rendition of "The Star-Spangled Banner" before thousands of World Series fans yesterday, brought hundreds of protests to local radio and TV stations as well as to NBC in New York. Feliciano sang and played his guitar in a slow blend of folk and soul music with a melody that strayed far from the original.

## Grosse Pointe City 'Community of Week'

MAYOR DAVID BURGESS, right, accepts the citation from WWJ personality SHELBY NEWHOUSE, concluding a special WWJ "Suburban Salute." A broadcast of the salute to Grosse Pointe was heard Monday, October 7, at 7:10 p.m. The City of Grosse

Pointe was commended for "its outstanding achievements in the many areas of today's community living; for the dedicated spirit of its leaders in public office, business, and education; and for the enthusiastic civic pride demonstrated by its citizens."

## GPUS Plans To Construct New Building

Structure With 14 Classrooms Will House Middle School And Related Facilities

On October 1, in a letter to Parents, Friends, and Alumni of Grosse Pointe University School, William W. Wotherspoon, president of the Board of Trustees, announced the addition in the near future of a new Middle School of 14 classrooms and related facilities.

The new building will house, in addition to the necessary classrooms, a central, multi-purpose area including an annex to the library, a lounge, an audio-visual center, and a meeting place with a seating capacity of approximately 75. The entire building will be carpeted and prepared for air-conditioning. It is hoped that construction can begin in early 1969.

The Grosse Pointe Camera Club will meet Tuesday evening, October 15, at 8 o'clock in the Grosse Pointe War Memorial. Each member may enter three prints, any combination of pictorial, or "Reflections" slides and three nature slides may be entered. Visitors are welcome to attend the meeting.

## Farms Policemen Picket City Hall in Wage Dispute

Approximately 35 persons, including wives and children of Farms policemen, picketed in front of the Farms Municipal Building, 90 Kerby road, before and while the Farms council was in session Monday evening, October 7. The Farms officers marched to bolster their demands for a pay increase to \$10,000 a year, from a present annual salary of \$8,300.

Supporting the Farms patrolmen, by marching with them, were officers from the City, and from Warren. Detroit sent representatives later, when the pickets walked into the council chambers, where they remained until the council meeting was nearly over, and until Mayor William Butler refused to discuss the wage problem.

## Start of UF Campaign Set For October 15; This Year's Goal Set at \$27,550,000

Kickoff Luncheon Will Be Held In Detroit's Cobo Hall, Preceding The Traditional Torchlighting Ceremony At The Foot Of Woodward

Wendell W. Anderson, Jr., of 40 Preston place, president of United Foundation, will signal the opening of the 20th Annual Torch Drive by passing a lighted torch to Calvin J. Werner of Birmingham, vice-president of General Motors and campaign general chairman. The drive will officially get underway on Tuesday, October 15, and continue through November 17, with the goal set at \$27,550,000.

The kickoff luncheon will be preceded by the traditional torchlighting ceremony at noon on Monday, October 14, at the foot of Woodward, scheduled for mid-day, rather than the usual hour of 6 p.m., which will mark the end of both the familiar UF torch and its location.

Next year, a new torch of contemporary design will rise in Kennedy Square.

Three Torchlighters  
Gathering for the lighting ceremony will be the three Torchlighters, two-year-old Nancy De Jour, daughter of Mr. and Mrs. Lionel De Jour of Detroit, for Wayne County; Ann Marie Botham, 4, daughter of Mr. and Mrs. James G. Botham of Berkeley, for Oakland County; and Douglas Gentry, 5, son of Mr. and Mrs. Ronald Gentry of Mt. Clemens, for Macomb County, all patients of Torch Drive services.

They were chosen to lend visible proof to the 1968 Torch Drive theme: "Everybody Benefits; Everybody Gives."

## School Play Area Remains Battleground

Woods Council, Association And Residents Lock Horns Over Use Of Liggett Property

At the conclusion of almost every battle there are the victorious and the vanquished but the battle between Liggett School officials, Woods-Shores Home Owners Association, 94-petitioning neighbors, who disapprove of public use of the playground facilities at Liggett, and the Woods Council, seems to have by-passed the usual.

On Monday, October 7 the agreement between the City of Grosse Pointe Woods and Liggett School was discussed and discussed and discussed. Council members were to approve or disapprove the signing of the agreement by Mayor Kenneth R. McLeod and City Clerk Leona Liddle.

Causes of Objection  
The council was split in its attitudes on the agreement. To begin with the agreement stipulates that supervisory personnel from the Department of Parks and Recreation be present when the playground is in use. Both last night and at previous meetings the Council has indicated that this is not feasible.

Secondarily, the City of Grosse Pointe Woods, under the agreement, would be responsible for any damages incurred while the facilities are being used. Some Council members indicated that this agreement, although not what they hoped for, was at least a step in the right

## Scherers Injured In Auto Accident

Critically injured in an automobile accident while driving with his wife between the northern Michigan resort cities of Charlevoix and Petoskey last Friday night, October 4, Robert P. Scherer, Jr., 35-year-old president of the R. P. Scherer Corp., is reported to be recovering from open heart surgery in Detroit Harper Hospital.

Mrs. Scherer, who suffered abrasions, cuts, and a crushed knee cap, also is recovering in the same hospital. The Scherers were brought to Detroit by ambulance Saturday morning, October 5 after spending the night in a Petoskey hospital. Their residence is at 625 Lake Shore road.

## INJURED SQUIRREL

A motorist called City police on Monday, September 30, to report that an injured squirrel was lying in the street at Mack and Fisher. Patrolman Richard Lanski picked up the animal and disposed of same.

## Committee Heads Named to Direct Study of Schools

Three Main Problem Areas Will Be Probed; Residents Interested In Serving On Any Of The Groups Invited To Respond

Mrs. Paul G. Hykes, President of the Grosse Pointe Board of Education, provided preliminary information on the three School Study Committees which were announced last week by Dr. Theos I. Anderson, Superintendent of Schools.

The committee charged with determining the school system's millage needs will be moderated by Calvin J. Sandberg, Trustee, who will be assisted by Lee H. Allen, Trustee. Lawrence F. Kennedy, Assistant Superintendent - Personnel, will serve as staff resource person.

Mrs. Joseph P. Thompson, Secretary of the Board, will moderate the meetings of the middle school committee. She will be assisted by Arnold P. Fuchs, Trustee, and Dr. Joe Spagnoli, Assistant Superintendent - Instruction, as resource person.

Edward J. Pongracz, Treasurer of the Board of Education, has been named chairman of the committee studying the physical plant of South High School. He will be assisted by John T. Short, Vice-President. Staff resource person to this committee will be the school system's yet-to-be appointed Director of Administrative Services.

Problems Outlined  
Dr. Anderson, in an address to the Grosse Pointe PTA Council on September 30, outlined the problem areas which each of the three committees will study concurrently.

Dr. Anderson said that the community will have to decide whether it wishes: (1) to maintain the current level of the public schools' instructional program when the voted operational millage expires; (2) to provide facilities adequate to the implementation of the system's philosophy of instruction at the middle school level; and (3) to provide funds needed for extensive renovation and remodeling of South High School.

Residents' Help Asked  
Any resident of the school district interested in serving on one of the three proposed study committees is urged to contact Dr. Anderson, 389 St. Clair Avenue, or call 885-2000.

All school trustees are ex-officio members of all three committees, as are those on the central administrative staff. More complete details of the organization of the committees and procedures to be followed by the three committees will be announced at the regular monthly meeting of the Board of Education, to be held at 7:30 p.m. on October 14 in the gymnasium of Monteith School, 1275 Cook road.

## School Board Meets Oct. 14

The regular monthly meeting of the Grosse Pointe Board of Education will be held at 7:30 p.m. on Monday, October 14, in the gymnasium of Monteith School, 1275 Cook road. The public is cordially invited to attend.

## Man Parading as Woman Nabbed by Woods Police

Two Woods public safety officers, Lt. Jack Patterson and Cpl. Harold Collins, while on routine patrol on Mack avenue late at night, Friday, October 4, noticed a person attired in female garb, but walking with very un lady-like steps. They decided to resolve their curiosity.

The policemen said that the person was walking north on Mack, near 26937 Mack, and as they approached, the "woman" began to run toward Lancaster, but did not get very far, before "she" was apprehended.

Patterson and Collins said they arrested Robert A. Fusinski, 27, of 5177 Pointe Tremble road, Algonac, who was dressed in a blouse and skirt, silk stockings, and flat shoes, and had a babushka over his head. Too, he had complete female makeup, including eye shadow, lipstick and rouge.

## Officers Get Highest Pay In Michigan

Patrolmen Raised From \$8,800 To \$9,750 Per Year, Retroactive To Last July 1

The City Council of Grosse Pointe Woods, meeting in regular session on Monday night, October 7, approved a new two-year salary and fringe benefits agreement with the Grosse Pointe Woods Police Officers Association. Signing the agreement were Mayor Kenneth R. McLeod and Donald Sun, president of the Police Officers Association.

The final salary increment of the two-year agreement is believed to boost the salary of the Grosse Pointe Woods Public Safety Patrolman (police-fire officer) to the highest in the State of Michigan and ranking among the highest in the nation. The new agreement will be retroactive to July 1, 1968 and will continue in effect till June 30, 1970.

Four Pay Raises  
The current salary of a Public Safety Officer is \$8,800 per year, where as this agreement anticipates the first increase in salary to be retroactive to July 1 at \$9,750 per annum with additional salary increases on January 1, 1969 to \$10,000; July 1, 1969 to \$10,375; and January 1, 1970 to \$10,875.

Also included in the new agreement is an increase in the second and third longevity pay steps; increased Blue Cross and Blue Shield benefits; possibility of a referendum vote on increased pension and retirement benefits; incentive bonus for no sick leave used during a 12-month period; and a life time city park permit upon retirement.

In the signing of the new agreement, Mayor McLeod pointed out that it was most noteworthy that this agreement was ratified after good faith and intensive bargaining by both the City and the Police Officers Association. Both parties respected one another's problems and viewpoints and through a mutual trust worked diligently to finalize this agreement.

## Showed Right Spirit

Mayor McLeod further stated that, although the Police Officers Association did not have a new economic agreement upon the expiration of their old agreement on June 30 of this year, they continued to bargain with the City in the true spirit of collective bargaining as provided by the State Legislature Act of 1965. At no time did the members of the Association threaten to conduct a "blue flu" slowdown, to strike, to demonstrate or take part in demonstrations, or to conduct a campaign.

## Gun Toter Gets Stiff Sentence

After pleading guilty to a charge of being "an intoxicated person in illegal possession of a weapon", before Grosse Pointe Park Municipal Judge C. Joseph Belanger, Carl A. Poreda, of 16194 Stricker avenue, East Detroit, was sentenced to a \$100 fine, and 10 court costs, or 20 days in jail, in addition to a mandatory two days in the lock-up, on Wednesday, October 2.

Poreda was arrested in the early morning of September 24, after Park police aroused him while sleeping in his car, which was parked the wrong way on Whittier road, a one-way street. Police said they observed the butt of a gun sticking above Poreda's belt when they flashed a light on him through the front car window. He had no permit, said he was carrying it for protection, they reported. The gun was not registered with police, as required by law.

They opened the car door, and seized the gun, a .38 caliber snub-nosed Colt revolver, which has been forfeited to the State of Michigan, according to Det. Sgt. James La Pratt. A partially drained whiskey bottle also was found in the car. La Pratt added, Poreda paid his fine and court costs, and spent two days in a cell at Park Police headquarters.

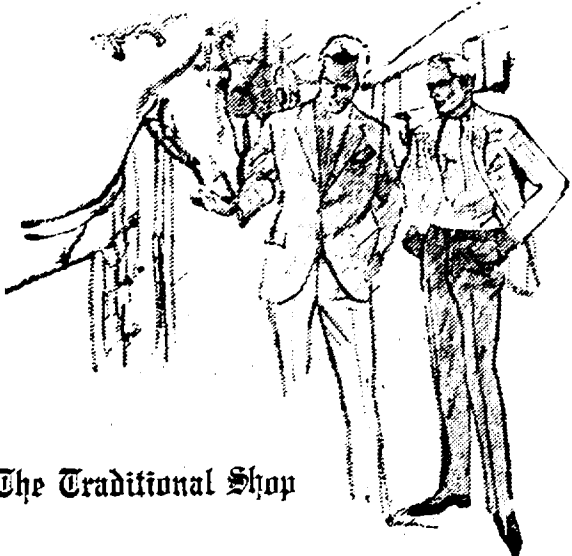

### MAN BITTEN

the chambers and took seats. As the council session neared its end, Kelly asked Mayor Butler for permission to talk about wages, but the mayor refused, charging that the council had authorized a bargaining committee, comprised of City Manager Andrew Bremer, Jr., City Clerk Peter Caputo, City Comptroller Carol Lock, and City Attorney John O'Mera, to represent the city.

Butler said that since this committee is empowered to discuss wages with municipal employees, the council cannot, and will not assume this prerogative. Whereupon, Kelly signaled the people with him to leave, and all left in a body.

O'Mera, who was in attendance at Monday's session, opined that since the council had empowered the city's representatives on the committee to bargain on behalf of the city, that if the council had dis-

cussed any details pertaining to wages, there might have been legal complications. Earlier, Kelly accused the city of using stalling tactics since May. He said that city and police negotiators have had nine meetings since April 1, when bargaining talks began. All non-economic matters were settled prior to a session in May, but when the economic issues were brought out, the city's representatives began stalling. The city's tactics included cancelling several meetings requested by his committee, Kelly added.

Bremer was not available for comment on this charge, nor was he available for comment on a charge that he asserted that the Farms was "going broke," and as a result, the city, in a few years, will have to integrate the police and fire departments, which would mean laying off some personnel, or perhaps merge the departments with another of the Pointe.

Kelly also charged that the city invested thousands of dollars for recreational facilities, some of which were mistakes, and which require more money to correct, and is trying to "short change its policemen," to recover some of the funds. "We are asking for an annual wage of \$10,000, now," the association president said, "which we think is a fair wage. We have been offered \$9,300, which we feel is inadequate."

"The city can spend hundreds of thousands of dollars for park and recreational improvements, but when it comes to its policemen, who protect citizens and property, its representatives offer a wage increase that is entirely unrealistic."

"If the city can show us how it is 'going broke,' and that in reality there are not enough funds to grant the hike in pay we are asking, our association will gladly go along with the city, and accept the offer it has made," Kelly added.

He pointed out that no wonder experienced police officers have left smaller departments, to go to other police departments in the area, who offer more pay. This could very easily happen in the Farms Department. After all, he stressed further, the cost of living has gone up for policemen, too, and they have families to support.

"We like working for the Farms, and we hope that the city's bargaining committee and our committee will meet again and resolve our differences on the wage question very soon," Kelly said.

direction. Another member indicated that as far as he was concerned he had no intention of using the facility. Still another said that because of these two stipulations and because the Council really did not intend to make use of the playground, he could not in all good conscience vote for the signing.

Association Protests  
Woods-Shores Homeowners Association members rose to their feet in protest to this approach and pressed the Council for assurance that they would try to amend the agreement in the near future so the facility could be used, but to no avail.

Those present representing the 95-petitioners opposing public use of the playground, left the meeting trying to convince themselves that they had won. Woods-Shores Homeowners Association members, who have been fighting for an agreement, left trying to convince themselves that they hadn't lost.

At any rate four members of the council voted for the signing. They were: Marvin R. Boutin, William F. Huettnerman, Thomas Leah and Benjamin W. Pinkos.

Councilmen Donald D. Cook, Kenneth W. Boerner, and Mayor McLeod opposed the signing.

What exactly has been resolved is anybody's guess.

### Ronald A. Patek Receives Award

and that the new facilities can be ready in early 1970. The new Middle School will consist of grades 5 through 8. The Upper School will comprise grades 9 through 12, and the Lower School, kindergarten through grade 4. This rearrangement will permit greater supervision of students and stronger administrative support for teachers throughout the school. Importantly, these new facilities should permit the school to reach its goal of no more than 17 students in a class.

After the new Middle School vacates present classrooms, the Upper and Lower Schools will have the additional space they require. No appreciable increase in enrollment is planned.

Wendell Anderson, Jr. continues to head the committee which is raising capital funds for the construction of the new Middle School addition and for increased endowment. The school is especially enthusiastic that a good portion of this capital has been spontaneously offered by a number of dedicated parents and friends of the school without the necessity of a major capital funds drive.

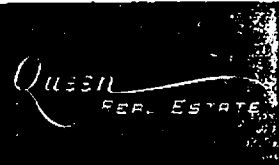

### MAN INJURED

City police received a call from an employee of Jacobson's Home Decorating Shop on Monday, September 30, reporting that Gene Valcke, 17, of 19919 Helen, Harper Woods, had cut his hand. Valcke was taken to Bon Secours Hospital by City police, treated and released.

### WALLET GONE

paign in any manner whatsoever, whether in Grosse Pointe Woods or in other neighboring suburban cities, for the cause of increased salaries.

The Mayor also noted that neither side had ever hinted at or had to resort to labor mediation or fact finding; nor did either party find it necessary to employ a professional labor negotiator.

### Had Five-Man Team

Negotiations for the Police Officers Association were handled by a five-man bargaining team consisting of their president — Donald Sun, Richard Prietz, Stephen Petrick, Thomas Podewitz and Robert Setchell. City Administrator Chester E. Petersen conducted all of the negotiations on behalf of the City of Grosse Pointe Woods, in consultation with the City Council.

Petersen also commended the members of the bargaining committee for their tolerance and understanding, which led to the ratification by the Police Officers Association of the new agreement. He said that the City of Grosse Pointe Woods has always attempted to stay alert and progressive in the field of employee relations.

Petersen then pointed out that in June, Grosse Pointe Woods signed the initial and historical two-year agreement with the City's D.P.W. Local Union 1121. This two-year contract concept has since set a pattern for negotiations throughout the Grosse Pointe and other east side suburban areas.

### Pioneered Program

He said that Grosse Pointe Woods was among the first of the cities to inaugurate a program to upgrade the police-fire salaries. The City of Grosse Pointe Woods had also taken the lead as being one of the first such cities to pay its officers time and one-half for all overtime duty hours, including court time appearances, instead of giving the customary compensatory time off. The City Administrator further pointed out that Grosse Pointe Woods also pays for off-duty training of its public safety officers and has previously initiated the payment of college tuition fees for any officer who is approved by the Director of Public Safety to further his college education in police administration.

### Six Continuing Studies

The Department of Public Safety currently has six officers enrolled in various area colleges and universities, who are working towards a full or associate degree in police administration. Three of the Department's officers already have college degrees, including Director of Public Safety, Allen Andrews, who holds a Master's Degree in

Public Safety. An additional ten other officers have completed from one to three years of college or university training.

Grosse Pointe Woods Department of Public Safety was utilizing the personal handi-talkie radios and had formed a police tactical unit two years before the recent riots in Detroit.

In summary, Mayor McLeod stated that on behalf of the citizens of Grosse Pointe Woods, he was proud to sign this new agreement with the Public Safety Officers and that not only is this the best department in the State, the best trained department, but that now it will be the best paid department in the State.

## Traffic Violation Bonds Forfeited

Warrant bonds totaling \$50, for driving without an operator's license, and ignoring a signal light, were forfeited by John R. Martin, of 2159 Detroit street, Lincoln Park, when he failed to appear to answer charges before Grosse Pointe Park Municipal C. Joseph Belanger, Wednesday, October 2.

Cecil St. Pierre, 27238 Marilyn avenue, Warren, forfeited a \$15 bond, and Don Simonds, 252 Farnsworth, Detroit, \$17.50 bond for traffic violations.

Edward Brooks, Jr., 5321 French road, Detroit, was sentenced to a \$50 fine or five days in jail for not having an operator's license, and \$10 or two days, for backing around a corner. He paid the fines.

Robert A. Llewellyn, of 15324 Windmill Pointe drive, Grosse Pointe Park, forfeited a \$10 bond for ignoring a stop sign. Ross Galvin, 1448 Vernier road, charged with speeding 35 miles an hour in a 25-mile zone, forfeited a \$20 bond.

Harry Pratt, of 873 Bedford road, Grosse Pointe Park, was found guilty of causing an accident while entering an intersection, paid a \$25 fine. Stephen McNabb, 350 Philip, Detroit, found guilty of speeding 40 miles an hour in a 30-mile zone, forfeited a \$15 bond.

His \$15 bond was forfeited when Fred Neumann, 1556 Hollywood, Grosse Pointe Farms, failed to answer a speeding charge. William Stead Jr., of 6900 Post Oak drive, Birmingham, charged with driving through a signal light, forfeited a \$20 bond.

On September 17, Forest Draeger, of 28650 Utica road, Roseville, was arrested for speeding 80 miles an hour in a 30-mile zone, and posted a \$70 bond. For having no operator's license his bond was set at \$30. When he failed to appear in court both bonds were forfeited.

For driving without lights, Joseph Trzaska, 28833 Bohn, Roseville, forfeited a \$3 bond. A \$15 bond was forfeited by Gary I. Halaas, 20081 Avon street, St. Clair Shores. The charge was speeding. On a similar violation Michael Donohi, 1773 Seyburn avenue, Detroit, forfeited a \$15 bond.

Judy Keating, of 1427 Harvard road, Grosse Pointe Park, charged with driving 39 miles an hour in a 25-mile zone, gave up a \$25 bond, and Pauline Pemberton, of 580 Nottingham, who ignored a signal light, forfeited a \$10 bond.

## Woods Fighting Bus Fare Hike

The City of Grosse Pointe Woods Council on Monday, October 7, recommended that a letter be sent to the Department of Commerce objecting to the anticipated increase in bus fare rates by the Lake Shore Coach Lines on the grounds that not enough information regarding a need for the increase was sent to them.

Last week the City of Grosse Pointe also forwarded a letter objecting to the increases.

## Park Police Get Mishap Reports

Arthur D. Conlan, of 11339 Wayburn avenue, reported to Grosse Pointe Park police that an "unknown vehicle" side-swiped his 1968 automobile, parked at the curb in front of his home, Thursday night, October 3, causing damage estimated at \$400. Police are investigating.

While he was stopped at a red light at Mack and Audubon, Sunday at 6:45 p.m., the car driven by William C. Hester, 68, of 31188 Huntley Square east, Birmingham, was struck from behind by one driven by Christopher Poma, 22, of 4420 Wayburn, Detroit, Park police reported.

Poma, who refused to make a statement, was given a traffic violation ticket for "failure to stop in an assured safe distance."

Dianne Martin, 18, of 1348 Wayburn avenue, Grosse Pointe

Park, in backing out of the driveway at her home, struck a station wagon being driven by Chauncey H. Turner, 2212 Alter road, Detroit, on Friday, October 4, at 1:10 p.m.

Turner told police he was driving north on Wayburn when he saw a car back across the driveway and stop. He continued north, then the car backed into his. "She didn't even look my way," he reported.

### Office Seekers Open Forum

Wayne county candidates directly concern with the key issue in this election year — Law and Order — will participate in an open forum this week.

All judicial and law enforcement candidates attended the forum on Sunday, October 6 at the Grosse Pointe Unitarian Church on Maumee Avenue.

Candidates attending for Wayne County Sheriff were: Robert Fink (Socialist Worker), James E. McCarthy (Republican), and a representative for Roman Gribbs (Democrat).

Also attending were William Calahan (Democrat) and William Ferguson (Republican), candidates for Prosecuting Attorney; Thomas Giles Kavanagh, Supreme Court; Charles Kaufman, Court of Appeals; Thomas Brennan and Richard Maher, Circuit Court; Phillip A. Gillis (from Grosse Pointe) and Joseph Pernick, Probate Court.

Candidates were asked to explain their position on Law and Order and to answer questions from the audience. John Fillion, general council of the U.A.W., was the moderator.

A second forum addressing itself to interrelations between city, county, state and federal governments will be held on Tuesday, October 29. Invited will be candidates for County Supervisor, County Charter Commission and Congress and State Representatives.

Experience is a good teacher and may be a safer guide than your own judgment.

### Hospital Holds ECG Workshop

The electrocardiograph is one of the oldest and most proven medical instruments to assist the physician in the diagnosis and management of patients with heart disease. The understanding and operation of the electrocardiograph requires much time and skill and continuing education.

The Hospital Administration has arranged for Robert English, Medical Representative, Hewlett-Packard Company to conduct the workshop. Michael Sussman, Assistant Administrator and Frank Fields, Administrative Assistant, are coordinating the program.

An ECG workshop, entitled "ECG Techniques", is being sponsored by Saint John Hospital Wednesday and Thursday, October 9 and 10 at 7:00 P.M. The purpose of the workshop is to assist medical, nursing, and paramedical personnel in gaining a better understanding of the practical applications of the electrocardiograph, the reasons for electrocardiography, and the best techniques for obtaining super recordings (electrocardiograms). The sessions will be held in Meeting Room A.

It is expected that the two-day workshop will be attended by more than 100 attending physicians, interns and residents, nurses and ECG technicians.

Because of the expected favorable response to the workshop, the hospital is planning to repeat the program every six months.

*put NBD to work on your TAX-DEDUCTIBLE RETIREMENT PLAN*

This year, for the first time, you can get a dollar-for-dollar income tax deduction for money put aside in a special fund to use when you retire.

A professional man, business proprietor or any other self-employed individual can put aside as much as \$2,500 annually, but not more than 10% of his earned income.

Tax deferral helps the retirement fund grow: Investment income and any realized

gains are reinvested tax free. And while withdrawals after you retire are taxable, retirement generally brings significantly lower tax brackets.

**BOTTLES FOUND**  
A Cadieux resident reported to City police on Monday, September 23, that her youngsters had been playing in a field behind 414 Cadieux, when they noticed a number of bottles containing whiskey along the east side of the fence. Upon

arrival officers found a partially consumed bottle of Canadian whiskey, a bottle of sloe gin and five bottles of wine. All seals on the bottles had been broken. Officers checked the area to no avail. It appeared that the bottles had been in the field a short time.

## Allard Road Traffic Fight

(Continued from Page 1)  
Allard by cars exiting from I-94 on the Allard exit ramp, (this affects an apparent maximum of 285 cars per day): resulted in only a 10 per cent lessening of traffic, not the anticipated 30 per cent.

**Physical Problems**  
He added, "We have considered the physical condition and we are bound in by the bridge, the freeway, northbound Harper, apartment developments north and south and only four streets that go through from Harper to Mack. Then we have a crossover at the street and exits from the freeway. The best analysis I have been able to make is that this traffic on Allard is created by residents whom you would expect to be served by this area."

He concluded with the statement that he felt that although not the solution he had hoped for, the present approach should be continued since it seemed to be better than anything anyone else could come up with.

**Has Other Idea**  
With this statement Leo Einheuser, 2273 Allard, suggested an alternate solution. He recommended that a sign be erected on the Grosse Pointe Woods side of the expressway reading "All bridge traffic must turn left." Mr. Einheuser continued by saying that this sign will prohibit the bridge traffic from going down Allard, and since the bridge traffic was responsible for so much of the Allard traffic, he felt this to be a good attempt at solution.

Although Director Andrews did not wholly agree with Mr. Einheuser because he felt area residents had a right to use this street and because the detour traffic in his opinion might run traffic volume up on neighboring streets to a level which Allard residents were protesting, a number of council members indicated that they would like Director Andrews to consider this solution since his approach, by his own admission was not the answer.

**Will Study Suggestion**  
Director Andrews told Council members and Allard residents that he would consider the suggestion and conduct a study on the matter and report

back to them on October 18 with a decision.

The posting of this sign could possibly remove about 1000 cars on a seven-day daily average, and would oblige drivers to re-route. This proposed solution appears to bring the situation back to where it was a year ago when there were concrete barriers.

**Councilman Upset**  
Prior to the lengthy interchange between Council members, Allard residents and Director Andrews, Councilman Donald D. Cook, in a dramatic move, asked to be heard. In an emotion-filled voice, he said that it had been brought to his attention that a Stanhope resident was making statements to the effect that he represented the apartment owners on Stanhope and Harper, and that a conflict of interests was involved.

He firmly stated that he not only did not represent the apartment owners, but did not know them and had never been in the buildings. He suggested to the Allard residents present that they relay his information to the resident who has been making the allegations.

## Burglars Loot Woods Home

A burglar broke into the home of the Thomas W. Kneisels, 2022 Roslyn road, during the evening of Sunday, October 6, and escaped after ransacking the house and looting it of \$120 in cash and a portable television set.

Woods police officers said that the thieves entered the building through the kitchen window over the sink, and left the house through the rear dining room area door.

Kneisel told police that he and his family had left the house at about 5 p.m., and returned at about 8:50 p.m., to find the house had been broken into and ransacked.

He said that after checking the premises, he found that the burglars had taken \$110 in currency in an envelope on the dresser of his bedroom, and \$10 in assorted change from two piggy banks in another bedroom.

Also taken, he said, was an 18-inch General Electric portable television set from over the fireplace hearth, and several credit cards and an operator's license, from a purse belonging to his wife.

The burglars left no clues behind, police said.

**HARD WAY**  
Life is a succession of lessons, and lessons that come from experience teach the best.

## Pair Suspected In Dress Theft

Mrs. Karen Seeley, manager of the Paraphernalia Shop, 17000 Kercheval, reported the theft of a gray, long-sleeved dress, valued at \$48, on Wednesday, October 2.

She told officers that a white female about 16 years of age,

with long brown hair entered the store with a six foot, 160 pound, 16-year-old blonde hair youth, and were looking through the merchandise.

The sales clerk had to leave the pair to answer the telephone and upon her return found the

couple and the dress gone. Police are investigating.

**Ask Residents To Adjust Lights**

Following a report of an early evening home break-in in Grosse Pointe Park, police urged householders with automatically timed turn-on lighting to readjust the mechanism immediately because of the earlier hour of darkness now being experienced.

"Proper home lighting is a great deterrent to breaking and entering and attendant residence robbery," said Det. Sgt. James La Pratt. "Most residents of homes neglect changing the timing on their light switches, and homes are left in darkness for a longer period than during the summer months."

The breaking and entering incident reported to Park Police was at the home of Mr. and Mrs. Henry Buchhorn, of 965 Pemberton road. On Sunday, October 6, at about 7:30 p.m., a thief broke a glass in the side door, reached in and opened it. The Buchhorns were away at the time. An inventory of the loss is being taken, police said.

**Farms Submits Building Report**

The total number of construction permits approved by the Farms Building Department from January 1 through September 30, 1968, equaled that for the same period last year, but with the total valuation for 1967 nearly double that of this year, according to a monthly report submitted by Public Service Director James A. DeFoe.

The report revealed that so far this year, four permits were granted for residential construction, valued at a total of \$147,000, and for 73 miscellaneous building, valued at a total of \$338,600. During the same period in 1967, the figure was seven residential permits, for buildings valued at a total of \$357,000, and 70 miscellaneous permits, worth a total of \$432,300.

During the month of September, only one residential permit was applied for, DeFoe disclosed, and this was a \$28,000 house at 435 Barclay road. This compares to the single permit approved in September 1967, for a residence valued at \$46,000.

Last month, 11 permits for miscellaneous construction, valued at a total of \$34,100, were granted to applicants, and for the same month in 1967, such type permits numbered only seven, having a valuation of \$15,500.

From January 1 through September 30 of this year and last year, no applications were requested for commercial or non-assessable buildings.

and charged with being a disorderly person.

Algonac police were called to determine if Fusinski had a criminal record, and it was revealed that he had been arrested twice for sex crimes, the latest occurring on June 21, 1967, for which he was presently on probation.

Fusinski was given a violation ticket for being a disorderly person and is scheduled for an appearance in municipal court on November 23.

His probation officer in Algonac requested a report on the Friday night incident, and also asked that he be informed of the outcome of the court hearing.

**Is Your Furnace A "Fair Weather Friend"?**

by **ROBERT A. "Doc" WILLIAMS**  
(MR. INDOOR COMFORT)

The family's comfort and fuel budget should be the first things to consider when you're ready to buy that new furnace and make a brand selection. Here are some questions to ask yourself about the brand you buy:

1. Does the furnace have a super-sensitive thermostat that works with just a change of 1/10 of a degree or less? (Or will it, like most thermostats, need 1 or 2 degrees change to work?)
2. Will the furnace provide a thousand different sizes of gas flame—to match exactly the slightest change in our weather? (Or will it have just one or two sizes of gas flame that often lead to chilly "on" and "off" periods?)
3. Will the furnace have a blower that will run at 1000 different speeds to assure you of draft-free comfort? (Or will it have the ordinary blower that shuts "on and off", causing unnecessary drafts?)
4. Will the heat exchanger (heart of the furnace) be made of extra-thick steel, as thick as a silver dollar? (Or will it be as thin as a dime?)
5. Will the furnace be unconditionally guaranteed against cracking or burn-out for a full 20 year period? (Or will it have a 5 or 10 year warranty period—often on a mileage basis?)
6. Will the new furnace give you not only extra comfort for every room in the house, but lower fuel bills as well? (Or will you still raise the roof when you get the monthly fuel bills while your home is still uncomfortable?)

7. Will the entire heating system be properly engineered to assure correct mechanical operation and heat distribution? (Or will the contractor make some good "guesses" about proper equipment, duct sizes, the piping, registers, etc.?)

8. Will the heating contractor have 24-hour emergency service available—with experienced mechanics in radio-dispatched trucks? (Or will you hope that you never have a breakdown or need for quick service at a peak period or odd hour?)

You probably suspect by now that there's only one furnace that will give you a "yes" answer to all of these questions—the sensational Carrier gas furnace. That's why we at Williams recommend the Carrier gas furnace—it's outstanding in the furnace industry and gives remarkable performance.

With Williams engineering, you're assured of getting the correct size and custom-fit of the Carrier furnace. The entire distribution system will be designed to give you "just right" comfort for every room.

Why not call 372-5500 for a free survey of your home today? There's absolutely no obligation.

For a FREE SURVEY of your home for a new Carrier gas furnace, call "Doc" Williams at 372-5500, Williams Refrigeration and Heating, Inc. (Serving Greater Detroit since 1937) and authorized Carrier Dealer.—Adv.

### Kesteloot Made Police Captain

Lt. Gerard J. Kesteloot has been promoted to the rank of captain of the Grosse Pointe Park Police Department to succeed the late Capt. Arnold F. Hough, it was announced Tuesday by Director of Public Safety, William P. Ellenburg.

Capt. Kesteloot, 61, who has been with the department for 27 years, pioneered the Park's bicycle, school safety and driver education programs. He also has made lectures on the importance of practicing safety in everyday life, in many schools.

"An expert in the proper movement of traffic, and general law enforcement, he has devoted many years in helping make the streets of the city safer for both the pedestrian and the motorist," Ellenburg said.

After serving as a patrolman for six years, Capt. Kesteloot became attached to the detective bureau. On January 1, 1950, after taking the police examination, he was promoted to sergeant. He was moved up to a lieutenant's post July 1, 1957.

The Kesteloots live at 1035 Nottingham road. A son, Arthur, resides in Harper Woods, and a daughter, Mrs. Thomas (Dolores) Hayosh, in Bloomfield Hills.

### Captain Hough Dies Suddenly

Captain Arnold F. Hough, 57, a member of the Grosse Pointe Park Police Department for 33 years, was stricken while playing volleyball on Wednesday, October 2, and died shortly afterwards at Bon Secours Hospital.

Captain Hough, who lived on Beaconsfield avenue, ironically died on the same day in October that he joined the force as a patrolman. He joined the force on October 2, 1936. He became a Detective Sergeant on June 1, 1948, and a Detective Lieutenant on June 21, 1957.

Captain Hough had five departmental citations and five commendations. He attended Wayne State University and Michigan State University for courses in police administration. He took an active part in juvenile work.

He was promoted to Captain on June 1 of this year. Director of Public Safety, William P. Ellenburg said, "Captain Hough was a credit to law enforcement in every respect and his loss will be felt not only by the members of the Park Police Department but by the entire community as well."

Funeral services for Captain Hough were held on Saturday, October 5, in the Verheyden Funeral Home. He is survived by his wife, Viola; a son, Thomas; five daughters, Mrs. Jack Meloché, Mrs. Maurice Vanderchove, Mrs. William Taylor, Elizabeth and Sandra; his mother, Mrs. Blanche Hough, three brothers and two sisters. Interment was in Forest Lawn Cemetery.

### Son Flies 6,000 Miles to Funeral

Thomas Hough flew nearly 6,000 miles to attend last Saturday's funeral services for his father, Grosse Pointe Park Police Captain Arnold F. Hough, who died suddenly Wednesday afternoon, October 2.

On Thursday morning, Eastern Daylight Savings Time, the State Department in Washington contacted the United States embassy at Monrovia, Liberia, on the west coast of Africa, where Thomas has been employed for the past seven months. He was given the tragic message from home. The time in Monrovia was 2:30 p.m.

There are only three flights each week from the Liberian capital city to the United States. Fortunately, there was one that night at 8 p.m. Young Hough boarded the American-bound plane and, on Friday, October 4, at almost the same hour the call had been made from Washington, he walked into the Park City Hall to visit the office his father had occupied.

With expressions of sympathy he was met there by City Manager Robert A. Slone, Director of Public Safety William P. Ellenburg, and Det. Sgt. James LaPratt.

A Grosse Pointe High School graduate, Thomas Hough served two years with the U.S. Navy before becoming attached to the diplomatic corps.

### LIGHT DOWN

City police received a report on Wednesday, October 3, that the globe on the street light in front of 530 Washington, north of Kercheval, had fallen into the street. They immediately notified Detroit Edison.

## University School News

### Field Hockey

The Grosse Pointe University School's field hockey teams have begun another winning season. After a week of hockey camp in August and a practice game at Grosse Pointe Convent, the girls opened officially on September 27 with a home game against Bloomfield High School. Sparked by the fine play of right wing Lynn Navarro of 169 Stephens road, and goalie Tika Jackson of 384 Moran road, the varsity team, hoping to add a sixth consecutive undefeated season, won 2-0.

On Friday, October 4, the varsity scored five goals in the second half to defeat the Liggett School 5-0. Patty Riddleberger, daughter of the G.P.U.S. headmaster, Hugh C. Riddleberger, scored three of the goals.

The girls will play tomorrow, Friday, October 11, against Bloomfield convent on the latter's field.

### Football

After losing three of its first four varsity football games, the University School team might have reason to be discouraged. Spirit is high, however, for the Knights have shown tremendous improvement in the face of these losses.

The varsity bowed to a strong Almont eleven on September 13, 33-0. The following week Toledo's Northwood High School duplicated the earlier shutout, 12-0.

At Pinckney on September 27, however, the Knights scored both their first touchdown and their first victory, by a 7-6 margin. Last Friday they carried some of the previous week's momentum down to Maumee Valley Country Day School. With slightly more than two minutes to go in the game, G.P.U.S. found itself inches short of the goal line following a fourth down effort from the

two. The score at this point was 6-6. Maumee then engineered two scoring drives in the final seconds of the game, pulling it out 20-6 and leaving the Grosse Pointers shaking their heads in disbelief. It was a heartbreaking turn around, but nevertheless an encouraging team performance by the Knights against an undefeated opponent.

Standout performances to date have been turned in by defensive players Don Lennox of 8 Stratford Place, and Doug Weiss, and by running backs George Finkenstedt of 423 Fisher Road, and Dale McCarthy.

After four games away from home, the Knights play their home opener tomorrow, October 12, against Roeper High School at 4 p.m.

### Soccer

The University School varsity soccer team, a much younger squad than in previous years, had split its opening two games. On September 30, a strong Andover High School team shut out the Knights 3-0. But G.P.U.S. bounced back on October 4, with a 2-0 whitewashing of Cranbrook School at Grosse Pointe. Returning lettermen, Jim French of 174 Ridge Road and Tophere Ware, of Washington Road, collaborated to score one of the goals, and Peter Shumaker of 75 Lothrop Road scored the other, assisted by Jon Feld.

Today the team travels to Detroit Country Day School for a 4 o'clock game.

## St. Paul High Like Beehive

Everyone at St. Paul's High School is back in the swing of things! Busy as bees, they bustle about their business.

Seniors, Juniors, Sophomores, and Freshmen are all hard at work on their floats for the Homecoming Game scheduled for Sunday, October 20. Meanwhile, cheerleaders are busy planning "An Evening in Paris" for the Annual Homecoming Dance.

The Seniors will lend a helping hand to the Freshman at their informal get-together. Seniors will teach the Freshmen the tricks of the float-making trade. Juniors will board the Laker's bus on Wednesday, October 16, for their English field trip to the Sonnet Theater where they will see "2001: A Space Odyssey."

Senior Martha Shick has been selected to serve on J. L. Hudson's Youth Council for the 1968-1969 school year. She will represent St. Paul's at the Council's activities.

There is no right without a parallel duty, no liberty without the supremacy of the law, no high destiny without earnest perseverance, no greatness without self-denial.

## Parties Planned By Travel Club

The two groups who traveled to Alaska with Grosse Pointe War Memorial's Travel Club will be hosted by the Center at a post trip party Sunday evening, October 20, at 6 p.m. There they will enjoy coffee and baked Alaska and such other refreshments as group members wish to bring.

Everyone who has pictures, slides, and movies are asked to bring them and show them on the big screen in Fries Auditorium.

Travel Club members going to the Orient the end of this month will gather for their pre-trip party this Sunday, October 13, at 5 o'clock where punch, hot hors d'oeuvres and coffee will be served and everyone will get acquainted.

Following the social hour, films of the Orient will be shown and details of the tour presented. It is hoped all members of the group will be present.

## Blue Devils Stage Upset Defeating Fordson by 7-0

The Blue Devils' game Saturday was decided in the last minute of play for the second straight week. They pulled off a dramatic 7-0 upset victory over highly ranked Fordson with a TD in the final two seconds of the game. Last week Royal Oak beat them in the last 15 seconds.

The winning touchdown came when Steve Maun hit Jim Humes on a 30-yard pass play in the final seconds. It capped a 50-yard drive that took three plays, and began with 29 seconds left in the game.

The real story of the game, however, was the great play of the Devil defense. After the disappointing Royal Oak game, the front line of Mike Withers, Larry Ulmer, Mark Straetmans, Rick Smith, Zach Stoumbos, Chris Penoyar, and Bill Schleicher did an excellent job of containing the powerful Tractor runners.

Fordson, the tenth ranked team in the state, was a heavy favorite to win the game with the Devils. However, they never really came close to scoring as the tough defense kept them beyond the Grosse Pointe 20-yard line for most of the game.

There was fierce hitting the whole game but little excitement for the Dad's Day crowd until the fourth quarter. Then, a few fumbles were exchanged and a potential Grosse Pointe touchdown pass was dropped in the end zone. The Devils missed out on another scoring opportunity when kicker Chris Malafouris was wide of the target on a 15-yard field goal attempt. With 1:04 left in the game, Fordson intercepted a pass at their own 45-yard line. The Devil defense held at the 50 with 29 seconds left and the offense came in to stage their dramatic touchdown. Malafouris then added the extra point for good measure.

The Blue Devils play at Monroe this Friday night against a team that Head Coach Russ Hepler describes as "big but not real fast." Monroe is also the last place team in the BCL as they've lost to Highland Park and Royal Oak by identical scores of 27-13.

The Trojan offense consists mainly of the power running from an "I" formation. They also seem to key their attack around two big tackles who are 6'4" and about 240 pounds.

## Teen Ski Club Meeting Sunday

Grosse Pointe War Memorial's Ski Hi Club for young Grosse Pointers in grades 9-12 who are skiers or who wish to learn holds its opening meeting at 3 o'clock this Sunday afternoon, October 13, in Fries Auditorium. All interested are urged to attend free of charge.

The program will present Hugo Bohm, international skier, ski race authority and member of the CUSSA Ski Instructors Certification Board. He will cover ski racing, course setting techniques and show an instructional ski film featuring Boyne Ski School director, Othmar Schneider.

Mr. and Mrs. Frank P. McBride, Jr., who chaperone the Club's ski trip to Vail, Col., each year, will be on hand with slides of last year's trip and details of this year's 10-day trip by jet aircraft from Detroit the night of December 25 to January 4.

The year's complete trip schedule will be given out at this meeting including a six-day trip to Boyne Country between Christmas and New Years for those who can't go to Colorado, and a special long weekend trip January 30-February 2 when schools are closed for curriculum planning.

Friday night and Saturday day trips are set for local areas every other week. In addition a North Country farm house sleeping 26 is set aside certain weekends for very inexpensive station wagon family and friends trips.

Membership in the Club is just \$3 a year which can be paid at the opening meeting along with deposits for major trips.

Next ski activity coming up before the snow flies is "Skis Over McKinley" presented in person by Hans Gmoser who comes from Banff, Alberta, Canada to Fries Auditorium the night of Wednesday, October 30. A limited number of student tickets are available to Ski Hi members.

## Norsemen of North High Defeated by South Lake

By John Edwards '71  
The enthusiasm was there in the Norsemen's crowd but the points weren't as the Grosse Pointe North High School football team was shut out by the Cavaliers of South Lake by a score of 16 to 0.

In the first quarter South Lake moved well but couldn't score until late in the period. There were many penalties against South Lake in the first quarter, which set the tone for the game. The Grosse Pointe offense couldn't move consistently to gain yardage when needed.

In the middle of the quarter South Lake attempted a field goal, but it failed. Late in the period, Frank Ciccone dashed 42 yards, starting a drive that included two long yardage passes. Both passes, from Randy Bosca to Royce Sam, were completed for 17 and 19 yards. Then Mike Hallop dove in from the one giving the Cavaliers a 6 to 0 lead. The extra point attempt was no good.

In the second quarter, it was a defensive battle in which no scoring took place. Jim Gleason of South Lake returned a punt 60 yards that would have been a touchdown, only to have it called because of a clipping penalty. Most of the action was good defensive work and punting.

During half time, the Grosse Pointe Marching Band made its debut, but without uniforms because of a manufacturing fault. They performed excellently for their first public appearance.

The third quarter was very active but still no scoring as both defenses rose to the occasion. South Lake attempted to gain six points by faking a field goal and attempted to complete a pass but the Norsemen defensive backs broke it up and Grosse Pointe regained possession of the ball.

On third down Lenny Constantine '71 quick kicked and the ball was downed on the South Lake 33. The next play Grosse Pointe regained possession of the ball when Steve Schleicher '71 intercepted a Bosca pass on the Cavalier 47, and it looked like the Norsemen were gaining some momentum.

There was a 12-yard pass from Glen Hilger '70 to Mark Reile '71 putting Grosse Pointe on the 35 of South Lake. Then Hilger ran for 10 yards, and it looked as though the offense was starting to move. Then it reverted back to its old ways again, having a costly penalty and no gains. The Points were forced to give up the football on downs.

The fourth quarter belonged to South Lake. Grosse Pointe started with the ball, but was stopped and gave up the ball on downs, after the Norsemen defense had held the Cavaliers. Then South Lake went on a march but was held to a field goal which made it 9 to 0, late in the quarter.

On the kickoff, the ball was fumbled by Grosse Pointe and the Cavaliers recovered. They moved quickly on the ground and the final 10 yards were through the air as a Bosca-to-Sam pass completion was good for six points, with the extra point giving the Cavaliers a 16 to 0 lead, with a minute and a half remaining in the game. Grosse Pointe regained the ball but the game was out of reach and they couldn't move. The final score was South Lake 16, The Norsemen's next game will be at Lakeview on October 12 at 2 p.m.

## Lions Gridders Lose All Three

By DuWayne Peterson

The Grosse Pointe Lions Little League footballers had a dismal afternoon last Sunday between the weather and scores. They entertained the St. Clair Shores Green Hornets and lost three games, two by 12-0 scores and one 7-0.

The Green Hornet freshmen jumped off to an early lead with a 35-yard touchdown sprint by Bert Twomey. The remainder of the first half was a defensive struggle with Jim Quinn, John Williams, Brian Myers and Bob Conlan throwing the Hornet runners for losses.

The defenses continued to dominate the second half. The final score came when Mike Gendron picked off a Lion pass and scampered 40 yards. The Lions' offense came to life late in the game with good runs by Mark Monaghan, Brian Myers and a 14-yard pass play to Mike O'Sullivan.

The Junior Varsity played an inspired game, but two defensive lapses were costly. The first quarter was scoreless with Rick Frame leading the defensive unit. Early in the second quarter, Jim Lopiccolo slipped around end for 65 yards to put the Green Hornets on the scoreboard. The Lion offense came back with a strong drive led by the slants of Rick Borlund and Alan Kilian. The first half ended with blistering tackles by Mark Cotter, Louis Agnone, Bob Worrell and Jon Banks.

Rene Vandembroek brought the fans to their feet, late in the third quarter, by just missing a pass interception in the flat. The Green Hornets scored the last touchdown on a 37-yard dash by Steve Kitchen. Jeff Gardner and Joe Griffin reeled off some good gains, but could not rush the ball across the goal line.

The Varsity defensive team came to play hard-nosed football from the opening kickoff until the end of the game, and Mike Monaghan, Bill MacConachie, Steve Brown and Joe Briggs slammed the Green Hornet ball carriers to the ground. The only scoring occurred late in the game.

### Charles A. McFeely Grigger at Trinity

Charles A. McFeely is one of 59 members of the Trinity College football squad who hope to make Head Coach Don Miller's second football season at the small New England men's college even better than the first. Last year Trinity finished 6-1, the best ever for a first year coach in the 90-year history of the sport at the Hartford liberal arts college. In 1878 Trinity became the 12th college in the nation to play intercollegiate football.

McFeely, 6-foot 160-pound sophomore end is expected to play a big role in the defensive line. At Trinity, he is one of the sophomores moving up to the varsity from the undefeated freshman eleven of the last season. He has received a numeral in Lacrosse. Charles is the son of Mr. and Mrs. Charles A. McFeely of 825 Lakeshore road.

Trinity opens the 1968 season in Hartford on September 28 against Williams.

The Lion offense began to move the ball in the second quarter when a low pass from center gave the Green Hornets the ball on the Lions' five-yard line. On the next play Bob Koenigbauer blasted over for the score.

The Lion offense began to move the ball in the second quarter when a low pass from center gave the Green Hornets the ball on the Lions' five-yard line. On the next play Bob Koenigbauer blasted over for the score.

The last Lion offensive burst came when Chris Montague ran back a punt 20 yards to midfield and Don Chouinard ran 30 yards on a Statue of Liberty play. Steve Morrison was passing well, but the Lion receivers couldn't hold onto the ball.

The game ended with defensive standouts, Mike Monaghan, stopping a Green Hornet drive by recovering a fumble on the Lions' 10-yard line. Tom Steen, Steve Ferry and Barry Quinn also played their usual strong defensive games.

Those who refuse to change with the times are a checkmate to progress in any community. Until a man scores one failure he cannot appreciate success.

## What About The Pueblo?

If we're wrong, right us!

The three candidates seeking the office of President of the United States have spoken on practically every subject under the sun. They have made impossible promises. They have traveled throughout the United States. They have emitted millions—perhaps billions—of words.

But, strangely enough, as far as we can ascertain, not one of them has mentioned what they plan to do about the ill-fated American ship, U.S.S. Pueblo, and its crew, which were seized by North Korean pirates way back on January 23, 1968.

Those in high offices in Washington have weaseled on the pathetic Pueblo situation until their apathy has become a cause celebre, and there seems to be no progress being made to bring those of the crew who are still alive back to their homeland.

Each and every candidate seeking the Presidency, the Congress of the United States, and President Johnson himself, owes it to the American people to stand up and be counted, and tell us where they stand on this, one of the most shameful incidents in the history of the United States. And they should speak out NOW!

## Crude Practical Joke

Many people have received so-called "gag" tickets to World Series games, since the Tigers won the American League pennant. Most of them are harmless advertising gimmicks, which may, or may not, get across a message. But, they're fun!

Then, on the other hand, there is this fellow who must have a bit of a sadistic streak running through his veins. He telephoned a young woman acquaintance he knew was eager to see one of the big games to be played in Detroit, and told her he had two seats for Tiger Stadium which he would present to her.

The woman's immediate reaction was one of suspicion. She asked the caller, "How come?" "Oh, I just found I couldn't make it on that day," he replied, "so I thought I'd like to make you a present of them."

Even though she had a tough time believing such generosity possible, the lady gleefully announced her good fortune to her friends, jumped into her car and drove over to pick up the tickets.

Then disillusionment was hers. This joker handed her a white envelope, containing three pink tickets, imprinted with Seats 1, 2 and 3, in a certain section and row. Below was a sketch of a type of seat found in a powder room. A horrid attempt at humor!

The donor guffawed at the expression of disappointment on the face of the pretty girl who was crushed at the senseless practical joke the sadist had perpetrated. "How could you do this to me?" she moaned. And those she told of it also wondered!

## Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools

We on the schools' staff take every means available to us to inform you, the public, about the operation of The Grosse Pointe Public School System. During the last year, for example, we have seen attendance at the regular meetings of the Board of Education rise from a handful to groups numbering hundreds.

Obviously, many residents are interested in public education. You, too, are cordially invited to attend the regular meetings of the trustees, held at 7:30 p.m. on the second Monday of each month during the school year, in the gymnasium of Montclair School, 1275 Cook road.

In addition, this year, you are also invited to attend a series of educational presentations scheduled for 7:30 p.m. on the first Monday of each month in the Board Room of the school's administration building, 89 St. Clair avenue.

But as informative as these sessions may be, still another means is available for those of you who wish to gain a more comprehensive understanding of the subject.

Many of you have taken courses or have been enrolled in the varied activities sponsored by the school's Department of Community Services. This year the offering in the Adult Education program alone ranges from Greek mythology to tennis. Why not one called "Understanding Local Public Education?"

We would develop such a course if there were sufficient demand. If such a class were organized, it would probably follow the format designed by our staff for the in-service course offered two years ago in cooperation with Wayne State University for teachers interested in learning about school administration. Members of the staff responsible for various departments or programs prepared presentations and led discussions in their areas of competence.

If you are interested in the development of a course offering designed to provide information about your community's public schools, please call the Department of Community Services, 885-3808 or 885-0271 at your earliest convenience.

## Glenn Crane Serves On USS New Jersey

Signalman Third Class Glenn T. Crane, USN, 20, son of Mr. Leslie C. Crane of 1092 Blairmoor court, is serving aboard the battleship New Jersey in the Tonkin Gulf.

On its first firing mission in 15 years, the battleship's 16-inch guns destroyed enemy ammunition storage areas and artillery sites within and just north of the demilitarized zone.

Spotter aircraft working with the New Jersey described the hits as "right on the money." Later the same day the ship took two artillery positions and six bunkers under fire. One artillery site and three bunkers were destroyed.

Rear Admiral Sam H. Moore, Commander Cruiser Destroyer Group of the Seventh Fleet, told newsmen the New Jersey would supplement the air arm of the Seventh Fleet, Marines and Air Force.

## What Goes On at Your Library

By Virginia Leonard

A new (fourteenth) edition of Bartlett's FAMILIAR QUOTATIONS has just been published. The thirteenth edition appeared in 1955—just think how many changes have occurred since that date! Historical events, growth of science and philosophy, the eminence of various statesmen, writers and poets—all have obviously made their mark in the world during the past thirteen years. It is astounding to note, for example, that in the earlier edition such well-known figures as Freud and Jung had never before appeared in Bartlett; possibly this was because at that time they were not thought to have said anything familiar. However, the editor of the new edition, Emily Morison Beck, was somewhat surprised to find that certain quotations from Confucius, Chekov, Brandeis, Bergson, Cotton Mather, Gandhi, Lao Tzu, Kant and Kierkegaard had been omitted in the 1955 edition.

Now, in the new edition, we can find John F. Kennedy's "Let us never negotiate out of fear, but let us never fear to negotiate." Also, "And so, my fellow Americans, ask not what your country can do for you; ask what you can do for your country." Those of you who, with me, are Camus buffs will be happy to know that the following quotations of his are included in this volume: "Mother died today, or maybe it was yesterday. 'In the midst of winter, I finally learned that there was in me an invincible summer.'"

CATCHER IN THE RYE is rightfully represented: "I keep picturing all those little kids in this big field of rye. If they're running and don't look where they're going I have to come out from somewhere and catch them. That's all I do all day. I'd just be the catcher in the rye and all, I know it's crazy!"

The two postwar editions of Bartlett record the advent of the atomic age; the fourteenth bears the particular imprint of the last decade. We have produced such "giants" as Churchill, Adlai Stevenson, Pope John XXIII, Nehru, Oppenheimer, Hammarskjold, Albert Schweitzer; men of letters such as Robert Frost, Hemingway, T. S. Eliot, Faulkner, Aldous Huxley, Roethke, Pasternak, Thurber, and E. E. Cummings. And yet, they are still so close to us that it is interesting to speculate as to whether future editions of FAMILIAR QUOTATIONS will contain as many of their quotations; as time goes on, historical perspective takes over.

New words have taken over in this generation that were meaningless, or had a different connotation, in an earlier generation; words such as beat gen-

eration, brinkmanship, cybernetics, the Great Society, the Establishment, the affluent society, and racism. Another reason for a new edition would be the greatly increased number of students, expanding interests of the intellectually curious (evidenced by the mushrooming of paperbacks and other inexpensive editions).

Still another reason for revision might be outdated translations. While archaic ones may be preferred by the pedantic, contemporary interpreters of some of our classics should also have their chance.

Perhaps you would like some background on the beginnings of this famous compilation of quotations. John Bartlett was "educated" at the University Book Store in Cambridge, Mass., where he went to work at the age of sixteen, after attending the Plymouth public schools, and in 1849, when he was twenty-nine, he bought the store. It became a meeting ground for all the book-loving Harvard professors and students. It was here, and through this group, that John Bartlett's reputation grew for knowing a quotation, an author or a source. The first edition of his FAMILIAR QUOTATIONS—resulting from these intellectual sessions—was a modest, brown-paperbound volume of some 200 pages, representing 169 authors. It was published by Bartlett himself and 1,000 copies were printed. The Bible and Shakespeare, (as one might guess), took up about a third of the book; the balance was chiefly English poetry. The book was a success and in 1863 Little, Brown and Company became the publisher of the fourth edition. Bartlett joined the firm at the same time, later becoming senior partner. He continued to edit his book until his death at the age of 85.

In 1955, after numerous other editions, it was thought appropriate to issue a Centennial Edition. And now, we have a fourteenth edition appearing in 1968. It has been a long road, from the first, modest little volume to this one, containing such new voices as Allen Ginsberg—"the ancient heavenly connection to the starry dynamo in the machinery of night" (HOWL, 1956).

LEAKING GAS TANK

Mrs. Fran Termullo, 1014 Whittier, reported to City police on Monday, September 30, that while driving down Mack avenue in Detroit she hit a metal object. The object bounced up under her car and apparently pierced the gas tank. She noticed the leak on St. Clair near Mack. City Firemen washed the escaping gasoline down a sewer. Mrs. Termullo's car was parked on St. Clair for the night.

## From Another Pointe of View

By Janet Mueller

Members of Goodwill Industries' Junior Group are busy preparing for their 21st Annual Antiques Market and Sale, to be held — as always! — at the Goodwill Industries plant, Brush street at East Grand boulevard, Detroit.

Proceeds — also as always! — will be used to benefit Goodwill's handicapped employees.

This year, the Show will open on a FRIDAY evening, November 8, with an invitational champagne Preview Party. Honorary Preview chairmen are Governor and Mrs. George M. Romney, (Lenore's a Goodwill member), and co-chairman Mrs. George M. Brooks promises the Preview will be an especially gala — and an especially "fun" — event.

The show will be open to the public Saturday, November 9, through Tuesday, November 12, from 11 in the morning until 9 in the evening every day except Tuesday, when it closes at 6 o'clock. Admittance each day is \$1.50.

There'll be several new-this-year features, according to general chairmen Mrs. Robert Bennett and Mrs. Robert H. Dodd.

There'll be no need to worry about finding a parking space: Attendants will pick up and deliver cars at the door.

## Harold Boyers Wed 40 Years

A 1928 Rolls Royce, festooned with the traditional "wedding" tin cans and a hand-lettered "Just Married" sign, stood at the entrance of the Little Club Saturday evening, where the Harold Raymond Boyers celebrated their 40th wedding anniversary with a ruby, (ruby is the 40th wedding jewel), party.

Harry Bell and Bob Glassett of Palm Beach and New York designed the Club's interior decor. Following cocktails in the lounge, guests passed through the door opening into "Fran's and Bill's Speakeasy", to dine and dance in a setting of ruby splendor.

Tablecloths and napkins were ruby. Centerpieces were fashioned of ruby carnations, ruby plumes bedecked the ceiling candelabra and ruby balloons bobbed above the tables and dance floor.

Roaring '20s posters and showbills were featured on the walls, and behind the handstand where Jack Qualey's augmented orchestra featuring music of the 1928 period, held forth throughout the evening, a theater marque-type electric sign spelled out the legend "FRAN-BILL, 1928" in giant bulbs.

## 'Understudies' Plan President's Preview

Group Scheduling Tea to Acquaint Presidents and Program Chairman Of Detroit-Area Women's Club With Hilberry Theatre

The "Understudies" of Wayne State University's Hilberry Theatre were guests of Mrs. Emmet E. Tracy, of Provincial road, recently for luncheon at the Country Club of Detroit. The occasion was a wrap-up meeting to celebrate their fund-raising accomplishments, (over \$20,000 to date), and to plan the President's Preview, scheduled for November 9.

The "Understudies," a committee of 51 Detroit-area women, are seeking to raise \$30,000 in fellowship funds for members of the Theatre's repertory company, composed of 36 outstanding graduate actors and technicians selected from all parts of the country to study and perform at Wayne State University.

A total of \$20,500 already has been raised, it was announced at the meeting preceding lunch in the Green Room of the Country Club. This represents 68 1/2 percent of the goal, a progress figure which exceeds the past record at the time of the wrap-up luncheon — 67 percent in 1966.

Fund are being raised through \$100 minimum contributions from Theatre Sponsors, who will be the guests of University President and Mrs. William R. Keast at the sixth annual President's Preview on Saturday, November 9.

Before the Preview performance, there will be a reception in the foyer from 6 to 7 o'clock. Afterward, guests are invited to join the "Understudies" at a subscription supper in the McGregor Memorial Conference Center at the University.

The performance which highlights the evening will be a preview of the Hilberry's first new production of the season: Labiche and Marc-Michel's musical farce, "An Italian Straw Hat."

The 1968-69 season also includes two productions held

over from last year, "Hamlet" and "A Flea in Her Ear," and five other new productions, Shakespeare's "Richard III" and "Julius Caesar," Shaw's "Major Barbara," Brecht's "The Good Woman of Setzuan," and Duerrenmatt's "The Visit."

In the absence of the chairman, Mrs. Joseph A. Vance, Jr., of South Deleands road, who is in Europe, Mrs. Keast, herself an active "Understudy," presided at the meeting.

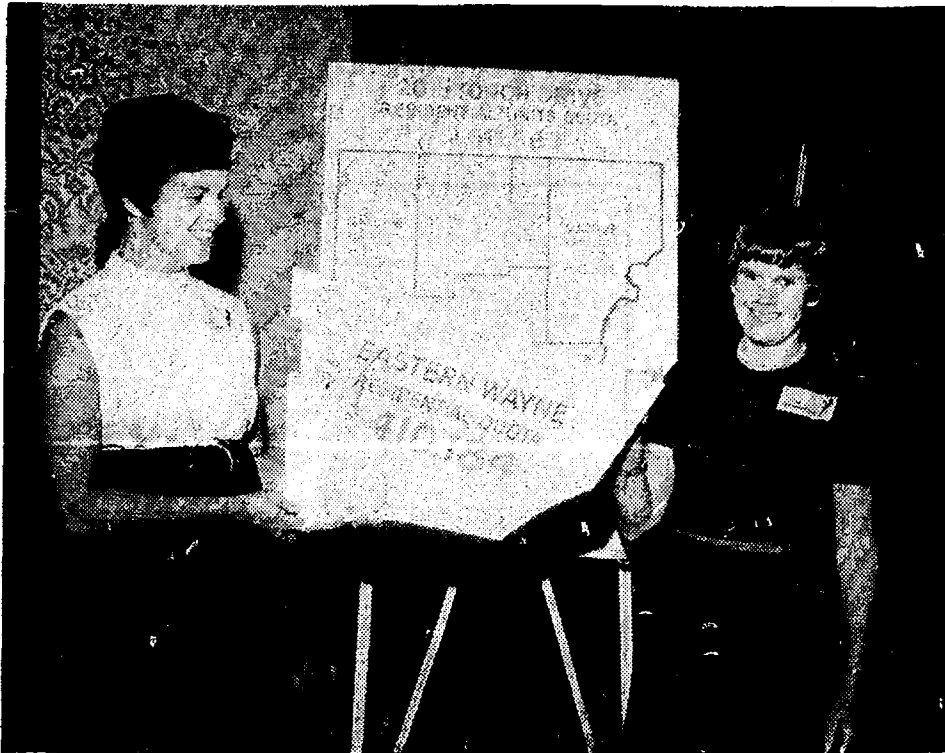

Mrs. Michael Ference, Jr., reported on another project being supported by the "Understudies" — air-conditioning of both the Hilberry and Bonstelle theatres at WSU.

Mrs. Keast also announced the scheduling at a Theatre Tea to be sponsored by the group this fall. Guests, presidents and program chairmen of Detroit-area women's clubs, will be introduced by the Understudies to the Theatre, some of its company members, and the services it offers to them.

Professor Leonard Leone director of the Theatre, expressed the appreciation of the students and staff for the tremendous job being done by the committee.

"Understudies" present included Mrs. Lorene Babcock, Mrs. James Merriman Barnes, Mrs. Wilbur M. Brucker, Jr., Mrs. Milton Coveny, rs. Arthur D. Ericsson, Mrs. Thomas Fisher, Mrs. Alex L. Haynes, Mrs. Herbert J. Kessler, Mrs. John Leone, Mrs. Thomas S. Morrow, Mrs. M. Andrew Sapala, Mrs. Fred C. Schneidewald, Jr. Mrs. Robert C. Smith and Mrs. Stanley Winkleman.

## Slate Garden Center Goodnight Workshop

Elmore Frank Will Tell How To Put Plants To Sleep For Winter At Next Wednesday's Session In War Memorial

"Putting Your Garden To Sleep" is the subject Elmore W. Frank will discuss at the next Grosse Pointe Garden Center workshop Wednesday, October 16, at 10 o'clock in the Grosse Pointe War Memorial Center.

Fall brings the inevitable need to clean up and cover up choice plants and shrubs for winter's harsh onslaught.

No one is better qualified to advise Garden Center members than Mr. Frank, who has lectured on gardening in Grosse Pointe Adult Education classes and in Wyandotte, too.

Mr. Frank is one of the organizers and was first president of the Grosse Pointe Rose Society, is a charter member and past-president of the Men's Garden Club of Grosse Pointe and is an Accredited Judge of Horticulture of the Men's Garden Club of America. He is consulting Rosarian in The

Pointe for the American Rose Society.

Mrs. Ivor D. Harris, immediate past-president of the Garden Center and a member of the Workshop committee, will introduce Mr. Frank.

Although there are approximately 1,000 members of the Garden Center who are eligible to attend the workshops without a fee, anyone interested may become a member by paying dues of \$3 a year.

The Garden Center room in the War Memorial Center is open during the week.

Equip yourself with patience and perseverance and you're well on the road to success.

## Mary L. Bruton Weds Lt. Noble

A reception and dinner at Waterville Inn, Arcadia, Mich., followed the Saturday afternoon, September 7, wedding of Mary Louise Bruton, daughter of Dr. and Mrs. Martin F. Bruton, of St. Clair Shores, formerly of Stephens road, and Lieutenant Vernon H. Noble, USNR, son of Mr. and Mrs. Vernon H. Noble, of Winnetka, Ill.

Setting for the 3 o'clock double ring ceremony, at which The Reverend John Cyril C.P. officiated, was St. Ann's Church in Frankfort.

The bride selected a floor length Princess gown of white silk linen, fashioned with a scoop neckline and Chapel train. Venetian lace formed her yoke and short sleeves and a deep band of matching lace circled her skirt and edged her train.

Her elbow length silk illusion veil fell from a double-tiered crown of Venetian lace daisies centered with pearls, and she carried a cascade of carnations, stephanotis and ivy centered with pink Sweetheart roses.

Helen Bruton, who served as her sister's honor attendant, and bridesmaids Mrs. William Bruton, of North Olmstead, O., Mrs. Robert Bruton, of St. Paul, Minn., and the bridegroom's sisters, Mrs. Joe Turner, of Chicago, Ill., and Vera Noble, of Bethesda, Md., wore floor length frocks of Nile green karate cloth, styled with bateau necklines and floating back panels edged in miniature daisies underlaid by pink velvet ribbon.

Their headpieces were fashioned of daisies and illusion, and they carried natural straw baskets filled with garden flowers in pink and lavender shades and accented with pink streamers. Best man was Joe T. Turner. Seating the guests were Robert T. Bruton, a brother of the bride, Frederick K. Crosher, of Santa Rosa, Calif., Captain George R. Winters, III, USAF, of Biloxi, Miss., and Oscar H. Kraft, of Hartford, Wis.

For her daughter's wedding and the reception, Mrs. Bruton selected a pale green linen dress trimmed with applied silk roses and a headpiece of matching roses. She pinned a corsage of red Sweetheart roses to her purse.

The bridegroom's mother chose a pink linen dress and a corsage of blue asters centered with a pink rose.

When the newlyweds left for a vacation in the West, the bride was wearing a three-piece avocado and off-white walking suit, with matching accessories. Lieutenant Noble will be rejoining his ship, the USS John A. Bole,

in San Francisco until new orders take him to Newport, R.I., in October.

Waterville Inn was selected for sentimental and family reasons by the bride and bridegroom as the site of their reception.

Lieutenant Noble's family have summered at the Inn since it was established 51 years ago. His parents and sister were married there, and he and his bride first met there.

Her family started vacationing at the Inn over 20 years ago.

ly meeting were MRS. B. M. UNDERWOOD and MRS. STANLEY KUSHMAN. Three students from the Academy of the Sacred Heart in Lakeshore road, FRANCES

## 'Potpourri' Party Slated At DBC

The Women's Committee of the Detroit Boat Club is planning a restful antidote for the city's World Series frenzy. For its October party, the committee has scheduled a relaxing "Pink and Purple Potpourri" bridge luncheon next Wednesday, October 16.

Chairman Mrs. Milton R. Weed, of Berkshire road, has persuaded Mrs. L. W. Newbern, of Bloomfield Hills, to share some of her handcrafting magic with the members.

How to fashion clusters of grapes from papier mache, how to assemble star mobiles from prosaic drapery hooks and how to create pretend porcelain—these will be starting points for the afternoon's discussion.

Fragrant closet accessories, called "centimanders" by those in-the-know, will be up for grabs when the bridge tallies are turned in, and the whole clubhouse will be subtly decorated in pinks and purples.

Co-chairman Mrs. Harold Davis is promising a luncheon with lots of gourmet touches. On hand to greet everyone will be aides Mrs. Dan R. Abbey, Mrs. Daniel M. Carne, Mrs. Walter B. Drolet, Mrs. Clinton P. Hardy, Mrs. Emil J. Heinrich, Mrs. Robert H. Kennedy, Mrs. Robert W. Lang, Mrs. Cecil G. Shuert and Mrs. James M. Workman.

## Austin Mothers Plan Card Party

The Austin Mothers' Club's annual card party will be held Wednesday evening, October 16, at 8 o'clock in the Austin Prep. Gym on East Warren Avenue. Refreshments will be served and prizes will be awarded.

Proceeds will be used to purchase typewriters for the School. Donation is \$1.75.

of her work are MRS. ROBERT M. PEABODY and JAMES P. DANAHER, members of the committee planning the Auction that will benefit the Lakeshore road Academy of the Sacred Heart. Admission tickets are available from Mrs. Daniel J. Tindall, Jr., TUXedo 1-9789.

## Party To Help Crippled Kids

The Michigan League for Crippled Children, Inc., will hold its annual card party and bazaar in the Ballroom of the Detroit Veterans Memorial Building, Jefferson and Griswold avenues, beginning at 12 noon next Wednesday, October 16, for the benefit of the League's Camp Grace Bentley, operated exclusively for orthopaedic and cardiac children.

Mrs. George S. Deffenbaugh, general chairman, promises outstanding prizes in addition to the bazaar for fall and early Christmas shoppers.

She is being assisted by many local ladies including Mrs. Lester A. McIntosh, of Shelden road, in charge of cards; Miss Jane Simpson, of Berkshire

road, baked goods chairman; Mrs. Lanneau R. Bell of Newcastle road, hospitality chairman; Miss Esther Witzke, of Yorkshire road, prize chairman; and Mrs. J. Randolph Smith, Jr., of Lakeland avenue, boutique chairman.

The Junior Auxiliary of the League, headed by president Mrs. Michael Celani, of Hawthorne road, will staff the White Elephant and jewelry booths.

Mrs. Marvin R. Boutin, of Newcastle road, advises that the donation is \$1.25 for the card party and tickets may be purchased by calling her at TU 1-1515 or at the door the afternoon of the party. Admission to the bazaar is free.

## Mission Group, Guild To Sponsor Premiere

Bon Secours Hospital And Maronite Apostolic Exarchate Missions To Share Proceeds From "Funny Girl" Party

Members of the Bon Secours Hospital Guild and the Maronite Apostolic Exarchate Missions will join together to hold a gala premiere party for "Funny Girl" on Saturday, October 26, in the Northland Theater.

Two seatings are available: Golden Circle seats, at \$25 per person, which include a cocktail party and buffet at 6:30 o'clock and patron tickets at \$10 per person.

All those attending will view fashions by designer Ruth Joyce, who promises styles with a "Funny Girl" flair at 8 o'clock.

During the black-tie cocktail party and buffet, Odette Kadoc, Enrico Larice and Joanne Leahy will entertain.

Proceeds from the event will be used by the Maronites to aid

Maronite seminarians attending American University in Washington, D.C., and to help Maronite missions throughout the United States.

The Bon Secours Guild will use its proceeds for planned Hospital expansion.

Chairman for the Maronites is Mrs. Leon Joseph. Evelyn Dakmak is handling tickets.

Mrs. Michel Skaff is chairman of the Bon Secours Guild and Mrs. Ray Kraus is handling tickets for the Guild.

Mrs. Charles Dawood is general chairman of the premiere for both organizations and president of The Bon Secours Guild.

## Men Gardeners To Fete Ladies

The Men's Garden Club of Grosse Pointe will stage its annual ladies' night dinner at Stouffer's Eastland dining room Thursday evening, October 17. Cocktails will be served at 6:30 and dinner at 7 o'clock.

"When Detroit was Young" will be the program theme, featuring a talk by Harold T. Glassford, vice-president of Burton Abstract and Title Company. Stressed in the talk will be material on the early gardening practices of pioneer Detroiters.

Mr. Glassford holds a Masters degree in history from Wayne State University and has had long opportunity for study in the famous Burton Historical Library, which rivals the Clements library in Ann Arbor. His studies in this field have made him one of the popular speakers of the area.

Club members will decorate the dinner tables with floral pieces from their own gardens, to be distributed later among the ladies.

**NATION-WIDE**  
Progress depends wholly on teamwork for its greatest gains—not individual action.

## Make Plans For 'Ballot Box Boutique'

Photo by Eddie McGrath, Jr.

Busy planning "Ballot Box Boutique," St. Paul's Altar Society's fall luncheon and fashion show, are, (left to right), MRS. R. FREDERICK KOLOWICH, MRS. MARK SMITH and MRS. CHARLES T. FISHER, III, general

chairman of the party. Scheduled for Thursday, October 24, at the Grosse Pointe Yacht Club, the "Boutique," with an Election Year theme, will feature fashions by Walton-Pierce and music by Phil Skillman.

## Rummage Sale Set At Church

A public rummage sale will be held by the Women's Association of the Grosse Pointe Congregational Church next Thursday, October 17, from 10 to 3 o'clock in the church social hall in Chalfonte avenue.

Mrs. Louis W. Charvat, Women's Association Projects chairman, is in charge of the sale. Group projects chairmen and other members will be assisting her.

Rummage may be brought to the church beginning at 12:30 o'clock Sunday, October 13. Anyone wishing further information or pick-up may call Mrs. Charvat at 881-7527.

Group Four members will be even busier next week, as they are sponsoring a toy party on Tuesday evening, October 15, at 8 o'clock in the church lounge. This is an opportunity for members and friends to do some early Christmas shopping for name-brand toys and gifts.

## Slate Welcome Wagon Lunch

Little Harry's Restaurant in East Jefferson avenue, Detroit, will be the scene of the October out-luncheon of the Welcome Wagon Club of Grosse Pointe next Thursday, October 17.

Luncheon will be served at noon and will be preceded by a social hour.

## Garden Council Backing Beauty

Mrs. Clarence E. Maguire presided at a meeting of the Grosse Pointe Garden Club Council Monday, September 30. The council has plans already underway for making the five Grosse Pointes the cleanest and most beautiful communities in Michigan for 1969. This is a never-ending job entailing attention on the part of every individual and group.

The Council recommends for showing at all P-T-A groups the Michigan Gas Company anti-litter film, "Heritage of Splendor," narrated by Ronald Reagan. Also recommended is a "Yes" vote at the November 5 election on two bond issues: one for Clean Water and one for Recreation.

All of the \$335 million in state funds for Clean Water would go to local governments for new sewage treatment plants, improvement to existing plants and loans for new sewers.

Of the \$100 million in state funds for recreation, 30 million would go to local governments for parks and recreation centers, the remainder to state parks, fishing areas and forest camp grounds.

## Methodists Play Neighbors' Night

The Neighborhood Groups of the Grosse Pointe United Methodist Church will have a social evening this Sunday, October 13, in the Fellowship Hall of the Church in Moross road.

A potluck supper is scheduled for 5:30 o'clock, to be followed by a brief presentation of slides of Hawaii by The Reverend and Mrs. Perry A. Thomas. A hymn-sing of favorites to be selected by the groups will conclude the evening's program.

All member families and interested guests are invited to participate in this evening of fellowship. Each family is asked to bring its own table service and a dish of its choice sufficient to serve 12 persons. Coffee and milk will be provided.

A sitter will be available for those with very young children.

The purpose of the Methodist Neighbors is to provide persons living in the same general area with a means of keeping in closer contact with others, to welcome new families moving into the area and to minister to any family in time of need.

Sixty-five seconds—that's how long it takes to read this message:

You will probably earn several hundred thousands of dollars during your working life. How much of this will you save? The way to a fortune in your future is to regularly set aside a part of your earnings, and put them to work in a First Federal passbook savings account.

When you combine regular additions to your account with the compound interest from First Federal, you're on the safe, sure road to financial independence. The chart below illustrates this.

It's simple arithmetic. Every dollar you add to your First Federal account will double in 15½ years and will triple in 24¾ years based on First Federal's current annual rate of interest on savings—which is 4½% paid and compounded four times every year.

Make this 65 seconds pay off with a fortune in your future. Visit or phone your nearest First Federal office. All offices are listed in your telephone directory.

The weekly way to a fortune in your future. Here's what you can accumulate at age 65 based on varied amounts of weekly savings over varied periods.

Begin Saving at Age	AMOUNT SAVED WEEKLY				
	\$10	\$20	\$50	\$40	\$50
20	75,606.18	151,212.50	228,338.25	302,442.70	378,049.46
30	44,146.71	88,293.57	132,447.92	176,593.41	220,739.49
40	24,036.20	48,072.40	72,111.20	96,148.52	120,181.83
50	11,179.92	22,359.83	33,542.32	44,722.27	55,902.28

The above calculations are based on First Federal's current annual rate of 4½% paid and compounded quarterly.

**EXACTLY FITS** the description outlined by so many of today's home buyers . . . colonial architecture, first floor bedroom, large library with fireplace, air conditioned, bedrooms up for visiting family with brood, and in "the right location." On one of the Shores finest streets, and just a few feet from Lake Shore Road.

**STOP WHISTLE** stopping around town seeking out the best three bedroom colonial available today. Our poll shows this little gem with its white pillars definitely has White House characteristics.

If you must have a room for the kids and copious garage space and desire colonial architecture, then this one shouldn't be overlooked. Priced in the fifties.

## From Another Pointe of View

(Continued from Page 17)

All the Junior Goodwill members will be in costume,  
each department featuring a different style and color,  
(have a game and see if you can recognize the different  
costumes of each section!)

There'll be a special Goodwill Employee Exhibit,  
where the public can actually see employees involved  
in the work they do daily during the year, and, on the  
Third Floor, American Interior Designs will present 25  
vignettes showing "Antiques in Contemporary Settings."

And, of course, there'll be the First Floor displays of  
individual antique dealers, 38 in all, many new this  
year and many "old friends," plus Goodwill Industries'  
own booth on the Second Floor, plus the Country Store  
and Pantry Shelf, offering delicacies prepared by Junior  
Goodwill members, plus the Ice Cream Parlor for quick  
snacks and gourmet luncheons and dinners in the  
dining room . . .

Sounds like a GREAT Coming-of-Age Affair!

## Special Report: Yankees Come To World Series

One of the gayest groups of visitors coming to  
Detroit for the World Series arrived at the Country Club  
Saturday evening, where they enjoyed steak dinner after  
a delightful cocktail party at the Joseph Hesters' Fair  
Acres drive home.

Two of Hesters' attractive guests were Mrs. Michael  
Burke, (her husband is president and chairman of the  
Board of the New York Yankees), who wore a maxi-length  
Italian knit ensemble, and Mrs. Ralph Houk, wife of the  
Yankees' manager, who pinned a gold "Yankee" pink to  
her long-sleeved, oxford gray dinner dress.

Mr. Burke and Mr. Houk were there too, of course,  
as were Joseph Iglehart, a director of the Yankees, Lee  
MacPhail, (son of all-time great Larry MacPhail), vice-  
president and general manager of the Yankees, and his  
brother Bill MacPhail.

Pointers who completed the party were Mr. and Mrs.  
Leo Fitzpatrick, Sr., and Mr. and Mrs. William Rewoldt.

## Garden Center House Tour

The eight homes to be opened for this fall's Grosse  
Pointe Garden Center Tour have been announced, and  
they make a sparkling line-up . . .

Included in the 1968 roster are the Williamsburg  
style residents of the Frank W. Donovans, Jr., the  
English Country House of the Adam Richard Stannys,  
the French Town House of the Gale R. Beardsleys, the  
English Tudor home of the Robert Boomers, Mrs. Henry  
T. Ewald's French Provincial residence, the Early Ameri-  
can house of Mr. and Mrs. Frederick W. Hughes, Ray-  
mond C. Smith's turn-of-the-century home and Mr. and  
Mrs. Wendell C. Goddard's new Georgian residence.

Mrs. J. Crawford Frost, Jr., Mrs. John A. Doods and  
Mrs. Robert E. Valk are chairman of the Tour, scheduled  
for Saturday and Sunday, October 19 and 20, from 1  
until 5 o'clock both days.

Tickets, at \$3 each, are available at the homes the  
day of the tour or in advance at Garden Center head-  
quarters in the Grosse Pointe War Memorial or from  
any Grosse Pointe Garden Club president.

## Pointe Symphony Fashion Show

Twenty members of the Grosse Pointe Symphony  
Women's Committee met recently in the Sheldon road  
home of Mrs. Lester A. McIntosh to finalize plans for a  
fashion show and luncheon.

The affair, set for November 6 in the War Memori-  
al's Fries Auditorium, will benefit the Grosse Pointe  
Orchestra. Touch of Elegance will present "Winter: High  
Style" fashions plus a complete boutique in the Auditori-  
um's foyer.

Chairman and vice-chairman of the project are Mrs.  
William E. Barry and Mrs. Carl M. Weidman. Ticket  
chairmen are Mrs. Dwight M. Nelson and Mrs. and Mrs.  
McIntosh.

## Fire Prevention Week Observed

This is Fire Prevention Week,  
and William Ellenburg, Grosse  
Pointe Park's director of public  
safety, has ordered a house to  
house inspection of all Park  
residences on streets south of  
Jefferson avenue.

Park fire fighters will inspect  
all fire hazards, including es-  
cape routes, wiring, furnaces,  
and incinerators, and make re-  
ports of their findings to resi-  
dents, Ellenburg said.

Fire department corporals,  
James Palmer and Andrew Be-  
noot, have been assigned to  
give fire prevention lectures at  
all schools, in which literature  
also is being distributed, and  
posters have been placed on  
bulletin boards.

## Parliamentary Law Club

Meets Next Wednesday

The Detroit Parliamentary  
Law Club will meet Wednesday,  
October 16, at the Federation of  
Women's Club building, in Sec-  
ond avenue, Detroit, from 10  
until noon. Mrs. William B.  
Bender, president, will preside.

A program will be presented  
on "Introduction of Business."

## Detroit Review Club Sees Hats

"Hats and History," a pro-  
gram featuring leading hat  
fashions from the year 1886 to  
the present, was the opening  
program of the season for the  
Detroit Review Club October 8  
at the Women's City Club.

Three Grosse Pointe mem-  
bers of the club were among  
the models. Mrs. Tom Walworth  
modeled a 1919 gray embroi-  
dered satin bonnet and a Greta  
Garbo slouch hat, circa 1929.

Mrs. Emil Traut modeled a  
1924 cloche and an antique ra-  
coon coat, and did a spirited  
Charleston for her part of the  
1920's show.

Mrs. Jack Wheeler modeled a  
pink satin pillbox with matching  
feathers, the type that Jackie  
Kennedy made popular during  
the late 1950's.

Grosse Pointe Mrs. Aaron E.  
Wilcox, program chairman, in-  
troduced Jane Winther of the  
Sperry Hutchinson Company,  
who did the commentary. Bits  
of DRC history were inter-  
persed with Mrs. Winther's  
talk. Connie Walker, pianist,  
played the hit tunes of the  
various decades. The hats  
were reproductions from the  
famed collection in the Costume  
Institute of the Metropolitan  
Museum of Art in New York  
City.

The program closed with  
Mrs. Wayne Garrett's grand-  
daughter, aged 12, wearing a  
see-through plastic space hel-  
met, the look of the future!

Mrs. N. Conner Gunn, new  
DRC president, acted as hostess  
at a luncheon prior to the pro-  
gram. The luncheon was in  
honor of 92-year-old Mrs.  
George Seabold, DRC Life  
member, who celebrates her  
birthday in October.

Way back when . . . they first learned they were pregnant, due to deliver their babies within a few weeks of one another, Newcastle road across-the-street neighbors Carol Miller and Pauline McNeill speculated, "What if we're both in the hospital at the same time? . . ." But it was still a bit of a shock when Pauline glanced at the lady in the next bed in the Recovery Room—and discovered it was Carol! . . . The date was September 20, and Katherine Andrea Miller and Colin Alexander McNeill had just put in their appearances . . . Katherine is the daughter of the Norman Millers, granddaughter of Mr. and Mrs. Robert F. Rouse, of Bloomfield Village, and the Anthony J. Millers, of Detroit . . . Colin is the son of the Alex McNeills, grandson of Dr. and Mrs. H. G. Yesayian, of Lathrup Village, formerly of Middlesex boulevard, and the James McNeills, of Falkirk, Scotland . . .

Confused . . . during this Election Year, wondering just exactly how we DO select our Chief Executive? . . . The League of Women Voters has issued a timely new book, "Choosing the President," 96 pages of complete, concise, factual information about The Most Important Event in American Politics . . . This handy, non-partisan paperback explains step-by-step just how the President of the United States is nominated and elected . . . The Pear Tree Chapter of Quarters meets this morning for coffee at the Balfour road home of Mrs. Robert Sheridan. Later, they'll proceed to the Museum to view costumes of the 19th and early 20th centuries and to witness Chapter Charter Member Mrs. Olp's presentation . . . Chapter officers for the new season, incidentally, are Mrs. Sheridan, president; Mrs. John V. What can I say of sky? I sigh  
And look below to see the clouds go by.  
Afar I trace a shadow in unending space  
And know it must be mountains on earth's face.  
But sky holds no more mystery than the earth:  
The place of birth for men who know  
what mighty dreams are worth.

"Annette" is coming! . . . She's bringing her "Friends" too—to the regular meeting of the Grosse Pointe Woman's Club next Wednesday, October 16, at 1 o'clock in the Fries Crystal Ballroom of the Grosse Pointe War Memorial . . . "Annette" is Mrs. James Anderson, of Lansing, and her "Friends" are Character Dolls from all over the world, fashioned by Annette and dressed by her in velvets and brocades, using bits of old material and rare laces from antique shops . . . Mrs. John J. Kelly, chairman of the day, will introduce the Doll Maker . . . Hostess Mrs. Edward Pisula, assisted by co-hostess Mrs. William B. ## Pointer Of Interest

MRS. GILBERT HUDSON, OF BEVERLY ROAD

By Janet Mueller

"PLEASE," said Anne Hudson, chairman of the 1968 Planned Parenthood Christmas Mart, "help us to get across the idea that the Mart IS open to the public. We want everyone to come. There's no admission charge, and the Detroit Veterans Memorial Building is so easy to get to from Grosse Pointe: Just hop on a bus—that's the easiest way for me to go downtown; I catch the Jefferson Beach at the end of the street—and get off at the corner of Woodward and Jefferson . . .

"Don't say we're mailing 'invitations,' call them brochures. That's what they really are. Announcements of what this year's Christmas Mart will offer."

"We send them to a list of people we have collected, a list we try to add to every year. We send them to our friends, and to our friends' friends. We send them to the people who wrote their names and addresses in the Sign-In Book at last year's Mart, and to the people who 'signed in' at the Mart before that, and the Mart before that . . .

"We send them to everyone we can think of—and still we know we miss people. But we don't miss them intentionally. Any man or woman who wants a brochure can call me up—I'd love to see that he/she personally receives one."

### You Are Wanted

So . . . in case you didn't know, we relay Anne's message: The Planned Parenthood Christmas Mart wants YOU!

This is Anne Hudson's second year as Mart general chairman. It's a "steady" job; the Christmas Mart, including lining up shops, lining up volunteer workers and handling the "percentages," (Planned Parenthood League, Inc. receives a percentage of the price of items sold through the Mart), is literally a year-round project.

But Anne doesn't view it as a particularly difficult assignment. In fact, she has a sneak tag suspicion she's "getting off easy."

"I've really only been involved in the Mart for four years, two of them as chairman," she notes.

"I had been Shop chairman with Joan (Mrs. Henry M.) Woodhouse for two years before I became general chairman. Before that, I was just a saleslady . . .

### Others Work Harder

"A lot of people on my fantastic committee have held far more difficult jobs for far longer periods of time than I . . . Take our treasurers, Mrs. William P. Harris and her assistant, Mrs. Richard Turner, for instance: There's NOTHING those two ladies don't know about how to do their jobs! It's committee heads of this caliber that make my work very easy . . .

"Like everyone who has been or is now involved in working for Planned Parenthood in Detroit, Anne Hudson can't sing the praises of Mrs. Joseph B. Schlottman, of Lakeshore road, honorary chairman of the 1968 10th Anniversary Mart, loudly enough."

"She sends out those Christmas Mart Patron Letters from her cottage at Harbor Pointe every year, personally answering each one," Anne marvels at the dedication of the Great Lady of Stonehurst. "She comes to every Planned Parenthood League meeting, knows everybody's name."

Pointe Is Now "Home"

Neither Anne nor Gil Hudson are native Michiganders, but to both of them Grosse Pointe is "home."

She's from Utica, N.Y., he's from Buffalo. They met when she was a student at the University of Michigan.

When Gil was graduated from Yale, Anne left school to marry him.

They spent the first two-and-a-half years of their married life in the South. Gil was stationed in Texas and South Carolina with the United States Air Force.

The furnished house they rented in Texas was, Anne re-

doing her job . . . "We have a lot of people whose interest and involvement in the Christmas Mart goes back 10 years, to the first Mart. These people really know what they're doing—and that makes my job easy . . .

Over 400 people are working in some capacity for the '68 Mart. One reason the group is so large, Anne explains, is that there's a need for so many volunteer salesladies. Then she corrects herself:

### Sometimes Men Are Best

"No, I shouldn't say salesladies. We have men working for us, too; sometimes the husbands are the best salespeople of all . . .

Just what, exactly, IS the Christmas Mart?

It's a group of famous and sometimes off-the-beaten-track specialty shops from all parts of the United States paying a pre-holiday visit to Detroit. Assembled under one roof at the Detroit Veterans Memorial Building, the Shops display their wares and take orders for guaranteed pre-Christmas delivery.

"We try to represent every possible specialty that we can think of, to concentrate on items that are not available here," Anne notes. "We try VERY HARD not to duplicate."

"I should mention, too," she adds, "the wonderful support we get from local shops. Not only do they support us—they take ads in our brochure!"

### Opens October 22

This year's Mart opens Tuesday, October 22, at 5 o'clock, closes at 8 o'clock that evening, re-opens Wednesday, October 23, running from 10 in the morning until 8 in the evening, and runs from 10 until 5 o'clock Thursday, October 24, when it closes "for good."

Luncheons will be served Wednesday and Thursday from 12 to 2 o'clock in the "Top of the Mart" on the eighth floor of the Veterans Memorial. Cocktails will be served at luncheon and after 5 o'clock.

New this year among the 30 or so Shops coming to the Mart are The Carriage House, a children's shop from Long Island which, Anne Hudson emphasizes, "will have a lot of clothes for little BOYS as well as little girls;" The Pineapple, a Washington, D.C., gift shop; Winnieka, Ill.'s Love Game Tennis Fashions—"I understand you can sort of design your own dress," Anne says; "I've been letting my tennis wardrobe go to pot waiting for this one!"—and the Pine Chata Ski Shop featuring fur hats, mitts, mittens, pillows, jackets.

New too is The Boutique, a potpourri of items from stores too small to send a large display, to be run by the local League's own Mrs. Arthur Hudson and Mrs. Harry Jewett.

### Many Old Favorites

Among the many "old favorites" returning are five represented in the FIRST Christmas Mart 10 years ago: Camaler and Buckley, featuring leather goods and travel accessories, the very FIRST shop lined up for the very FIRST Mart; Au Bon Gout, Palm Beach's "place" for house and patio accessories; Dorcas Hardin's fine lingerie; The Maramor's special candies; and Robert Mazzalov's needle-point canvases.

"We hope," says Anne Hudson, "to raise \$25,000 for the Detroit Planned Parenthood League, which serves the entire Tri-County area."

"Unlike the Church Fairs, you don't have to hurry to get to the Christmas Mart 'first,' because all the 'good' things are gone. We'll have the same things there to be ordered five minutes after the Mart opens October 22 and five minutes before it closes October 24 . . .

"Oh, and I want to be sure to mention that Opening Night is NOT a preview, NOT a patron's night: It's for everybody who'd like to come . . . Get the feeling you're wanted?"

The Walton-Pierce Model . . . tries on new fashions as soon as they arrive. It gives the staff a chance to see how they look. Sometimes it proves a guessing game as to the price. The other day, Sue modeled some new evening dresses. They looked like a million but they were priced around a hundred. Yes, Walton-Pierce prices can be a very pleasant surprise.

Beauty And The Best . . . is the story at Leon, 17888 Mack Avenue. A doorman meets you to park your car or whisk it off to the car wash and fill it up with gas. (We are often down to the last drop.) Inside you'll find a superb staff ready to give you the very best service and styling for head to toe beauty. We usually rush in for hair styling but there have been days we've enjoyed a relaxing facial, a pedicure and manicure. Then there always comes the time for hair streaking again and scissoring. We don't get our eyebrows and lashes dyed but it is a real convenience and asset for many. If you need a bit of a make-up perk-up, ask at the beauty bar for advice and see the newest products. You know, even the food there is good. Many a day we've been saved from starvation under the dryer. TUxedo 4-9393.

Michelle's Boutique . . . is located at Leon, so you also have the opportunity to see the latest boutique fashions, jewelry, accessories and gift items. We saw two new additions. A handy gadget squeezes a lemon ever so neatly and a silver plated butter server turns out butter in attractive designs.

In Martha's Closet . . . 373 Fisher Road, you'll find her "very own" rain coat . . . a perfectionist poplin, lined with snugly fun-fur. She bought it for you in traditional beige and many other colors including red and green.

Every Woman . . . likes to make changes for the better. A Mutschler kitchen lets her rearrange storage. Wall unit shelves of wood are adjustable; completely removable. Undercounter unit shelves of metal or wood are sliding and adjustable. Drawers can be interchanged and special interior fittings changed about. At Mutschler, 20227 Mack Avenue, learn how easy it is to make modifications and changes in their hardwood kitchens.
