HEADLINES

of the WEEK

As Compiled by the
Grosse Pointe News

Thursday, October 17

WHITE HOUSE SOURCES denied reports that circulated Wednesday on three continents that the United States was ready to stop bombing North Vietnam. President Johnson telephoned all three major presidential candidates to tell them there was "no basic change in the situation, no breakthrough" to justify halting bombing below the 19th Parallel in North Vietnam. United Press International quoted "official sources" in Washington as confirming that Mr. Johnson hoped to announce soon that he has the assurances he seeks from Hanoi to permit him to order a complete bombing halt.

Friday, October 18

MRS. JOHN F. KENNEDY, 39, will marry divorced Greek shipping tycoon Aristotle Onassis, 62, within a week, according to her press secretary Nancy Tuckerman. Mrs. Kennedy and her children left New York's Kennedy Airport Thursday night aboard a chartered Olympic Airlines jet for a flight to Athens. Onassis owns Olympic Airlines.

REPORTS THAT HANOI and Washington were on the verge of a compromise toward a beginning of the end of the Vietnam War continued to sweep the world Thursday. Diplomatic sources said South Vietnamese objections were holding things up.

Saturday, October 19

HURRICANE GLADYS blasted the cities of the Tampa Bay area with hammering winds and pouring rain Friday night, resulting in a frantic evacuation of waterfront areas. Residents were taken by surprise since Gladys had been following a northward course.

APOLLO 7 blasted into a homestretch orbit 279 miles high Friday in another flawless test of the rocket that may fly men around the moon in just 10 weeks. Astronauts Walter Schirra, Donn Eisele and Walt Cunningham, fired the longest burst yet from the ship's big rocket. The 66-second "burn" accelerating the ship so hard it gave the astronauts a brief taste of Earth-like gravity, raised the high point of Apollo 7's orbit from 174 to 279 miles. The low point remained about 102 miles.

Sunday, October 20

HURRICANE GLADYS, packing winds of 100 miles per hour, was skirting the Carolinas and heading out to sea today after bringing destruction, heavy rains and winds to the Eastern Seaboard. The Weather Bureau said Gladys was centered 45 miles due south of Cape Fear, N.C., ripping north-eastward at 20 miles an hour.

Monday, October 21

MRS. JOHN F. KENNEDY became the bride of Greek multi-millionaire Aristotle Onassis today on the island of Skorpios, off Greece. The 39-year-old widow of the martyred President walked smiling out of the tiny Greek Orthodox Chapel of the Little Mother of God Church. Onassis, 62 years older, and considerably shorter than his bride, followed directly behind her.

APOLLO 7 COMMANDER Walter M. Schirra Jr., annoyed by flight plan changes laid down the last Sunday to Mission Control, he said, "I've had it up here. We're not going to accept any new games." Schirra growled at Mission Control about the food supply, the work load and the lack of sleep, as Apollo 7 sped through the 10th day of its 11-day flight.

Tuesday, October 22

NEW YORK CITY was beset by the forces of organized labor Monday. Its 1.1 million pupil school system was paralyzed by a teachers' strike. Its City Hall was ringed with shouting demonstrators. Its police patrolmen were conducting a work slowdown and its firemen threatening one.

Halloween Party Planning Has Begun

Photo by Eddie McGrath, Jr.

All Pointe teenagers are invited to join in the Halloween festivities on Thursday, October 31, at the War Memorial and Grosse Pointe South and North High Schools. Pictured are members of the Student Halloween committee from the Middle Schools (left to right seated): NANCY YERKES, LARRY BAUER,

ERIC ADRIAN, CLAUDIA VORAK, CHRIS BUSHNELL and JANET MCCONNELL. (Left to right standing): DOROTHY BODMAN, MARY GALLUP, RONDA MARTINEZ, TIM REILLY, GREG STAHL and DEBBIE BOWERMAN.

Speeding Car Parcells Middle School Being Chased Principal Peterson Says By Gun Toter Program Is Big Challenge

Police Halt Fleeing Youths Then Catch Driver Accused of Pointing Weapon at Them

City police, while on routine patrol on Saturday, October 19, noticed two cars traveling at a high rate of speed west on Mack from Fisher. The officers gave chase and finally stopped three boys, in a Dodge Dart.

The youths, Gary Leo Monette, 1476 Yorktown, Robert Lawrence Saur, 22951 Alger and Daniel A. Divita, 22825 Alger, told officers they were being chased by a man driving a white Chevrolet, who had pointed a gun at them at Seven Mile and Mack.

While the boys were making their report a white Chevrolet passed by. The officers immediately gave chase and followed the car north on Bedford Brunswick to Three Mile, where they stopped it.

The driver, Harold Lewis, 36, of 1007 Campbell, Detroit, had a clip with six bullets in his person and loose bullets in his coat pocket. Upon checking the area officers found the gun between the sidewalk and curb in front of 3477 Bedford. It was a .25 caliber Titan.

They took Lewis to the City station after notifying him of his rights. He was once again informed of his rights at the station, where he was charged with carrying concealed weapons and assault. He and his vehicle were held for Detroit police.

Cites Responsibility to All Students; Three Organizational Aspects Included for Current Year

By Pepper Whitelaw

In this final article on Grosse Pointe's Middle School we are indebted to Vincent L. Peterson, principal of Parcells Middle School. Mr. Peterson prefaced his explanation of the program at Parcells with the words of Richard Evans, "Let there be no easy giving up by people, (teachers or parents), no assumption that one student is worth working with while another is not. Life isn't a simple process of sorting out and rejecting some and accepting others." Mr. Peterson continued, "Because we are public education, we have a genuine responsibility to all students. The Middle School program helps us assume our responsibility. The program affords all of us, students, teachers and administrators alike a real challenge, one that we here at Parcells, as I am sure is true in the two other Middle Schools, are accepting and handling."

Five of the staff are first year teachers with training and interests in the direction of working with the early adolescent. Thirty-five staff members are former junior high school teachers.

Period of Transition
Mr. Peterson stressed that Parcells is moving in the direction of the Middle School concept, and that they are not, at this point, a complete middle school.

Parcells has three organizational aspects for the current year. There are five self-contained classrooms in the sixth grade with approximately 150 students. These are self-contained in the fields of English, Social Studies, Mathematics, Science, Reading, Spelling and Handwriting. Other staff members assist in the fields of vocal and instrumental music, physical education, practical arts, and art. Approximately 750 students in grades seven and eight are organized in departmental basis which is essentially the same as existed last year.

Provides Dialogue
Mr. Peterson went on to say that the Middle School concept provides open dialogue between teachers and students. "It also helps the student to 'state self,' and be creative. After all, in our society today the students have little time to day dream, little time for themselves."

Mr. Peterson hastened to add however that the Middle School is not cafeteria style learning. The student is given the added opportunity to make some selections within prescribed limits.

At the present time there are 945 students and 52 professional members at Brownell. Some 47 members of the professional staff are experienced in working with students in grades six, seven and eight.

City-owned; whereas, in 1967, the loss was 114, of which 97 were on private property and 17 were on city property.

To further help in controlling the elm blight, DeFoe stated, 21 dead elms were removed from city property and 55 were ordered removed from private land. Also, as a precautionary measure, a number of elm woodpiles were disposed of, he added.

Since 1954, when the Farms began recording its losses, resulting from the dread blight, through 1968, the Farms' loss was a staggering 743 elms, of which 606 were private-owned and 137 were public-owned.

DeFoe listed a yearly comparison of the number of elms infected and removed in the (Continued on Page 2)

Plan Parties For Teeners On Halloween

War Memorial Center, Two High Schools To Be Scenes of Annual Celebrations

While the small fry are "trick or treating" this Halloween night, Pointe teenagers will be partying at the War Memorial, Grosse Pointe South and Grosse Pointe North High Schools.

The War Memorial party, for all seventh and eighth graders, is set for 7 o'clock. Teens will dance to the music of the "Sounds of Night" and "The Unlabeled Four," until 10 o'clock.

Three Bands at South
Grosse Pointe South High School will play host to all high school students who live in its district and all seniors. "The Taxi" will be the featured band, and "The Sounds of Night" will play during the breaks. A blues band called "Gold" will provide music in the cafeteria.

"The Landers" will be featured at North High with "The Chances Are" playing during the breaks. North also will have a blues band playing in the cafeteria, and will admit high school students from private, parochial, or public schools in its district; however, no seniors will be admitted at North. All seniors should attend the party at South High School. High school students can still purchase tickets to night at the door for 50 cents.

Dance to Midnight
Dancing at both high schools is scheduled from 7:30 to midnight.

Films and refreshments will be part of the party fare at all three galas.

No one will be admitted to the dances without an I.D. card. All Grosse Pointe police departments will be represented.

CODY BECOMES COP

When Detroit's new police commissioner, Johannes F. Spreen, arrived at the Statler Hilton Hotel last Friday noon to make a speech at the Adcraft Club's luncheon, he found the club president, Frederick K. Cody, of 12 Stratford place, Grosse Pointe Farms, waiting to greet him, clad in a gay 90's police uniform, with double rows of brass buttons, a night stick, and a shiny silver badge. Cody wore the strange "git-up" during the entire luncheon.

Rotary Club Plans Contest to Probe Thinking of Youth

Winning Entries Each Week Will Be Printed in NEWS, Wide Latitude Offered Writers, with \$25 Cash Prizes Awarded Weekly

For some time the Rotary Club of Grosse Pointe has been seriously concerned about what is happening in and to our community. Many believe the high standards of morality, decency and character expected of Pointe youth are disappearing; others feel that youth are being misjudged and the times call for a fresh look at their actions. Still others believe that many are being judged by the actions of a few.

The Rotary Club is sponsoring a contest to provide a medium of dialogue and communication between the community at large and its young people out of which it is hoped some good may come and remedial action may be taken if needed.

To Run Six Months

The contest, Youth Forum, will be conducted over a period of six months on a weekly basis in the Grosse Pointe News for the best essay, editorial, letter or article on subjects of interest to the Youth of this community as they relate to each other, their parents, their teachers, the police, and the community itself.

The Rotary Club of Grosse Pointe will award a prize of 25 dollars, (\$25) each week to a Grosse Pointe student who in 350 words or less, presents an entry selected by the judges for publication by the Grosse Pointe News.

Sincerity and originality are more important than form or style for the purposes of this contest. The entry must be legible, must be signed and should be submitted in a sealed envelope bearing the name and address of the contestant. More than one entry is permissible. All entries become the property of the Rotary Club of Grosse Pointe. The decision of the judges is final. The name of the winner will be withheld from publication upon request. All entries should be sent to: The Rotary Club of Grosse Pointe, Youth Forum, P.O. Box No. 5212.

Chief Concerns

Although the contest is open to any student writing on any topic of his choice, the sponsors of the contest are particularly concerned with:

90-10, or the way in which 90% of us let a small minority restrict our freedom, by the way in which their disregard for property, decency, or the rights of others results in rules and restrictions for all of us.

Vandalism, which results in increased taxes, higher insurance, and a breakdown of community standards.

Communications — what are the real issues and concerns of the young people of this community?

VANDALS SMASH PUMPKINS

City police received a call from Roger McCaig, 896 Washington road, on Sunday, October 20, reporting someone had entered his unlocked garage and removed and smashed two pumpkins. He told officers that during the last year on three different occasions eggs had been thrown at his house as well.

Woods Passes Ordinance Against Mini-Bike Riding

By Pepper Whitelaw

If you are a Woods youngster without a fenced-in lot, AND an unlicensed motorized vehicle owner, you're out of luck, because you and your Go-Kart, Mini-Bike, or Scooter, will have to find someplace else to enjoy each other.

Maybe those kids that aren't allowed to fly motorized model airplanes in the Woods can help you... maybe they have found that ideal Never, Never Land for children where no one minds noise, where people care more about bright-eyed youngsters with hobbies than enforcing laws to prevent these hobbies.

Last Monday night the Woods Council passed an ordinance which prohibits the operation of these unlicensed motorized

Experiment To Cut Load Agreed Upon

Attempt at Solution Suggested by Resident Will Reroute Eastbound Bridge Flow

It would appear that at long last an approach that is agreeable to both Allard road residents and Woods' Director of Public Safety Allen A. Andrews, has been reached regarding what residents refer to as the "excessive cars" on Allard.

In a communication to the Council on Monday, October 18, Director Andrews agreed to try a modified version of the solution suggested by Leo Einheuser, 2273 Allard, and some of the Council members on October 7.

Mr. Einheuser suggested that a sign be erected on the Grosse Pointe Woods side of the expressway reading "All bridge traffic must turn left." Mr. Einheuser said that the sign would prohibit the bridge traffic from going down Allard and since he felt the bridge traffic was responsible for much of the traffic problem on Allard, that this was a good attempt at a solution.

During Rush Hour

Monday night Director Andrews said that he felt the suggestion to divert eastbound bridge traffic from Allard by forcing it to turn left onto northbound Harper was just another way of accomplishing what the barrier did originally and because it would create an enforcement problem, he saw no reason to experiment with what amounted to a known situation.

He did suggest however that an experiment with a restriction during the afternoon rush hour was reasonable and worth a try. He said that based on a limited study of license plate registrations, it appears that a considerable proportion of drivers not living in the immediate area do use this eastbound route during the afternoon rush hour.

Will Inconvenience Some

He continued that since there are other acceptable arterial streets for them to use, the change is perfectly reasonable. He pointed out however that a larger number of immediate area residents would also be inconvenienced. He concluded with the statement that since the time limit restriction may reroute drivers not living in the area it was worth a try.

He said that signs requiring a left turn by bridge traffic between 3 p.m. and 6 p.m. except Sunday will be ordered and installed as soon as delivered.

Woman Suffers Brutal Beating

City of Grosse Pointe Police are conducting a thorough investigation into the brutal beating of Mrs. Beatrice Shirley Wilcox, of 335 Rivard, on Tuesday, October 15.

Mrs. Wilcox, 59, was in the house alone at the time of the assault. She had just said good-night to two friends, with whom she had been rehearsing music for an appearance in Caberfae, Mich.

She went upstairs and then returned for a sandwich and a glass of milk. When she entered the kitchen she was attacked from behind by a man she later described as slim, wearing blue trousers, who beat her about the head and face with an iron bar. No attempt at robbery was made. The assailant fled when Mrs. Wilcox called for help.

She told officers, who were called to the scene by a neighbor, that her face and chin were cut when she hit the stove and fell.

When police arrived, they found Mrs. Wilcox bleeding profusely from the head, black and blue marks on her face, chin and neck, and lacerations on her scalp and chin.

She was rushed to Bon Secours Hospital and placed in the intensive care unit. At last report she is said to be in good condition.

City police are working on a number of leads.

The best thing in life may be free, but cash tends to point them in your direction.

Get headed in the right direction—it's hard work to back up and start all over again.

Parcells Middle School

(Continued from Page 1)

The third part of the Parcells program is a pilot program which contains some of the characteristics of a Middle School. Here 10 teachers work as a team in the areas of Social Studies, English, Mathematics, and Science. A counselor is also a member of the team. There are 50 students selected at random from each of the three grades for a total of 150, in the program. The teachers meet as a total team weekly, exchanging ideas and thoughts at a brainstorming session. During the day the Social Studies and English teachers have the same preparation period as do the Science and Mathematics teachers.

Currently a beginning has been made in the Instructional Material Center. As the Instructional Material Center develops it will make possible a greater degree of individualization of instruction such as independent study, preparation of tapes, film and film strip previews, recording and tape listening, and additional supplementary materials in each of the four academic disciplines.

Learning to Learn

One of the basic goals in the Middle School is to assist young people in learning how to learn and here the IMC plays a vital role. The resource center is always under the supervision of a regular staff member.

The Middle School is based on an organizational pattern which tends to make it possible to more effectively help young people in the process of learning. This is due to the flexibility which is built into the schedule and which makes it possible to re-group students in a particular discipline. The key point is that a team of teachers, working with a group of students, share their thinking on how best to work with these students. The team periodically discusses the progress which the students are making in the various disciplines.

All To Guide

In the present structure at Parcells it is hoped that all staff members will have more opportunity to assume some of the guidance-counseling functions. In the formal organization the school has 32 homeroom teachers, three part-time counselor assistant principals and principal.

Individual counseling or group guidance may involve any grade level and may be initiated by any staff member, student, or parent. In addition to their response to referral from teacher, student or parent, the counselors attempt to examine each student's status in the entire school pattern, then to offer an interpretation which may lead to even more successful school experience.

At the present time the homeroom and homeroom teacher assume the major roles in group guidance, the counselor assumes the major role in individual counseling.

Has Student Council

With regard to the activities program, Parcells has a Student Council, which consists of one representative and one alternate from each of the 32 homerooms plus four Student Council officers. This group will be the key group in terms of getting student involvement in certain phases of the school's program. The student activities program is also an evolving program, one based on student interest, and personnel and facilities available.

With the full implementation of the Middle School concept, Parcells, as in the other Middle School, must be guided by physical facilities available and the

degree to which they can secure and develop meaningful instructional materials and procedures.

According to Mr. Peterson there are some needs and problems which must be studied and considered, such as expansion of the instructional materials center, space and facilities.

Must Provide Training

There is also the need to provide in-service training for teachers and help them secure increased understanding as related to some of the characteristics which contribute to a better program for young people: team teaching, flexible scheduling, small group and large group instruction and wise utilization of instructional materials and media.

Mr. Peterson stressed that there needs to be an on-going evaluation of any innovation which is introduced. This should be true of all aspects of the educational program. Just because a certain academic discipline may be taught in a rather traditional manner does not in itself condemn that technique.

Mr. Peterson concluded by saying: "The program should always be searching; we should never feel that we have arrived."

Farms Firemen Finish Courses

Farms Fire Chief M. William Mason disclosed that recently three members of his department completed courses in firefighting, and that he himself had just returned from a week-long International Fire Chiefs conference held in Louisville, Ky.

The chief stated that Sgts. Joseph Riegler and Lucien Sney had completed a four-day course at the Michigan State University Fire Inspection School in East Lansing. The sergeants were awarded certificates which are now part of their records.

Recruit James Mauk attended an extensive basic training course at the University of Michigan in Ann Arbor, where he learned the fundamentals of firefighting. He was given a certificate attesting that he successfully completed the course.

Brian K. Ingalls In Navy Training

Seaman Apprentice Brian K. Ingalls, USN, 18, son of Mr. and Mrs. Richard W. Ingalls of 1129 Yorkshire, Grosse Pointe Park, Mich., has been graduated from nine weeks of Navy basic training at the Naval Training Center at Great Lakes, Ill.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station.

In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Mini-Bike Ordinance

(Continued from Page 1)

ing of persons who are present upon such property without specific permission of such owner, lessor, or tenant."

A section was also added to the ordinance indicating that it was not applicable to powered lawnmowers, tractors, sweepers and snow plows, when used for designed purposes, or farm implements.

Anyway you spell it young-

Elm Blight

(Continued from Page 1)

community as follows:
During 1954-16 private and three city elms; 1955-52 private, nine city; 1956-48 private, 14 city; 1957-41 private, 13 city; 1958-26 private, three city; 1959-26 private, three city; 1960-27 private, 10 city; 1961-21 private, six city; 1962-40 private, six city; 1963-20 private, five city; 1964-40 private, eight city; 1965-68 private, 16 city; 1966-50 private, 17 city; 1967-97 private, 17 city; and 1968-37 private, and four city.

The Farms makes two city-wide inspections a year, and also checks all requests by residents wanting inspections of suspicious looking elms. In all cases where there is no conclusive visual evidence of Dutch Elm Disease, a sample is taken of the suspect tree and sent to Lansing for an analysis, DeFoe pointed out.

DeFoe said that prior to the arrival of the beetles which cause the blight, the Farms had approximately 6,000 elms throughout the community, of which 3,500 were on private property, and 2,500 were growing on public property.

He said that he did not have available the total cost figure since the city began fighting the Dutch Elm Disease since 1954, but each year, it cost the city about \$1.50 to spray a tree. The price is slightly higher for privately-owned trees.

Too, he added, it costs an average of \$200 each to remove an infected, or dead elm, and in some cases more, depending on the size of the tree.

The city has replaced a majority of the lost elms with trees of other species, and has planted trees in areas where there had been no trees previously.

The new consignment of 141 trees expected, DeFoe said, should be delivered shortly, and it is hoped that they will be planted before November 15.

Methodists Set Blood Collection

The Grosse Pointe Methodist Church, 211 Moross road, is sponsoring a Red Cross bloodmobile on Friday, October 25, between the hours of 2 and 8 p.m.

Open to the public this bloodmobile visit provides an opportunity for Grosse Pointe residents to replace blood used by a patient or to add to a self-group account. To make a time-saving appointment call 884-9094.

Why We Carry GANT

There's more than fabric superiority in Gant. In addition, "needled into the warp and woof of every Gant shirt," there's flair, fit and show—three vital ingredients that make all the difference when a man wears a Gant.

We chose Gant because they take shirtmaking seriously. They're hard to please (like we are) when it comes to fit of collar, its roll, its profile—how much it shows above the suit collar. They're fastidious about the way the body of the shirt drapes and folds. All must integrate to achieve that viable ingredient which gives comfort and aplomb. In substance, Gant shirts are keyed to the discerning tastes of well-groomed men who appreciate quality. These men are our customers.

Optimist Club Presenting Musical Show This Week

The Grosse Pointe Optimist Club will present its 21st Annual Show this Friday and Saturday evenings, October 25 and October 26, at the Parcels School Auditorium, Vernier road and Mack avenue, Grosse Pointe Woods. Curtain time is 8:15 o'clock for both performances.

"The Butterfield Billboard of 1968" a fast moving original musical revue, featuring a cast of 37 talented people, was written by a associate producer George Rogers and is directed by Prudence Butterfield.

Outstanding vocal artists include Doreen Muirhead, Kathy Cosentino, Norm Gugel, Ann West and Bill Deneau. Mary Greening will give a musical salute to famous song writers and still another specialty will be a local teen-age group Given

Humble, Ron McPherson, and Dale Hobbs.

Comedy favorites "Maggie" Sautter, Marvin Robertson, "Pinky" Weatherup and Jack Berry will appear again this year. The writer, being optimistic, included a tribute to the World Champion Tigers long before the Series. All dancing and choreography is under the direction of Pat Vigna.

This is the only major fund-raising project by the Grosse Pointe Optimist Club. Show chairman Ernie Hobbs has all his fellow members and their auxiliary, the Grosse Pointe Opti-Mrs. hard at work with the cast. President Dick Warner will greet the audience, and explain the benefits derived from this endeavor.

Last year's proceeds included a check in the amount of \$500 presented to the Grosse Pointe Foundation for Exceptional Children along with the donation of many items for their school; a check in the amount of \$1,000 to the Michigan League for Crippled Children to cover camperships for handicapped boys and girls, and many certificates covering children's clothing and food for those in need.

The Opti-Mrs. work for the aged and children. Their Christmas project is well along and Mrs. Paul Corrigan, president, reports the Easter project is already being planned.

Tickets may be purchased from any member of the Club or cast or at the Box Office in the Auditorium. Adult donation is \$1.50 and Children \$1.00.

Bike Theft Trio Arrested in Act

Three Detroit juveniles, one a 15-year-old, and the others 16 years old, all boys, were arrested by Farms police on Monday, October 14, within minutes after the trio had stolen bicycles from a rack at the rear of Brownell Middle School.

Bicycle theft charges were filed against the young thieves with Juvenile Court authorities, and a hearing is scheduled for a later date, according to Det. Sgt. George Van Tien.

The culprits were apprehended when a woman citizen noticed the boys behind the Kerby School, looking over the two-wheelers in the bike rack, and she promptly called police.

Van Tien and Det. Joseph Miller, and Patrolman William Fowler went to the school area.

Fowler stationed himself at Stephens and Williams, where he observed the lads looking over the bicycles, saw them climb the fence behind a church building in Chalfonte, and go to the bike rack behind Brownell to look over the bicycles there.

The patrolmen moved his scout car to Cloverly and Williams, where he noticed the young trio riding on bikes, and headed east on the school lot to the driveway. The officer alerted all cars in the area.

As Van Tien and Miller approached in their vehicle, two of the boys leaped off their bicycles, and began to run. One of the boys was captured and placed under arrest by Miller. The second lad was arrested by Patrolman Ronald Wooten, who in searching the area, found the youth hiding in a garage at the rear of 403 Kerby.

The third boy ran out of the gate of school lot toward Touraine, but was captured by Fowler at Touraine and Williams before he could get away.

The bike thieves were taken to the station for further questioning, after which the charges were filed against them in Juvenile Court.

Capt. Otto Weber At Proving Ground

Army Captain Otto Weber, 28, son of Mr. and Mrs. Joseph Weber, 286 Moran road, completed an Ordnance Officers Advanced Course at the U.S. Army Ordnance Center and School, Aberdeen Proving Ground, Md., September 19.

During the nine-month course he received instruction in all areas of Army Ordnance and was trained in supply and maintenance operations.

some bugs in the Wood-work

Sure, you'll find bugs in the Wood-work. Lots of them. And why not, since we sell and service Volkswagen... the famous Bug. But we also sell and service two other fine imported automobiles, BMW and Mercedes-Benz. All three are the finest in their class... hand-crafted in the Old World tradition of excellence and attention to detail all too often overlooked in lesser cars. Built to last. Wood offers you a quality automobile at any price you can afford. Come in. See the luxurious Mercedes-Benz, the BMW. And the Bugs.

In New York it costs about \$222 to rent a car for two weeks.*

For \$98 more you can have the car and Europe.

For \$320 KLM flies you from New York to Amsterdam.** And meets you at the airport with a car. Standard equipment: 1500 free kilometers (931 miles). That's for two people. If three or four of you are traveling together, you get more free kilometers, or a bigger car.

But don't be in too much of a hurry to get going. KLM has a room with private bath waiting for you at the Holiday Inn or Motel Hoornwyck the first night. And, your first day in Surprising Amsterdam is free.

All the overstuffed Dutch broodje sandwiches you can eat for lunch, a twenty course Indonesian rijsttafel dinner, a canal cruise, sightseeing, museums, a nightclub visit, drinks, snacks. And gifts on top of all that. All courtesy of the Amsterdam Tourist Office.

When you are ready to hit the road, there's a guesthouse waiting for you in Kassel, Germany.

Or, if you'd rather not hit the road at all, we'll give you 931 miles anyway. On the trains of your choice. All over Europe.

For \$360 you can start your trip in Milan.** KLM flies you straight through. With a car or train vouchers waiting for

you. You get a first class room with private bath in Milan the first night. And in a Venetian guesthouse the rest of your vacation.

\$369 starts your trip in Vienna.** Again your room with private bath is right there the first night. And this time your guesthouse is in Neunkirchen, Austria.

If you want more details about the Thrifti-car and Thrifti-train tours, see your travel agent or send in the coupon.

If you're already convinced, call KLM at WO 5-1650.

Wins \$120,000 In Sweepstakes

Loyal Haight of 1931 Littlestone road, couldn't believe it when he was told he had won \$120,000 in the Irish Sweepstakes, last Saturday. He believes it now and is delighted.

Mr. Haight is an executive with the W. S. Butterfield One, which operates 50 movies in Michigan, has lived in The Pointe for 19 years.

The Hights have four children, a son, Loyal Jr., a daughter, Mrs. Gary Steinecker, who lives in Chicago, Ill., and is married to a medical student, Barbara, 16, who is in her junior year at Bishop Gallagher, and a 13-year-old son, Robert, who is an eighth grader at Brownell Junior High.

The NEWS talked to Mrs. Haight, who was still on Cloud 9. We asked her what "special something" she wanted with her new wealth and she laughed and said, "That's just what Loyal's been asking me . . . and you know something funny . . . I can't think of anything I want."

The Hights have been married for 31 years. With a woman like this, is it any wonder?

Pair Arrested In Family Fight

Robert A. Powell, 22, of 796 Central, Lake Orion; and Arthur D. Reynolds, 21, of 3773 Elwood, Berkley, were arraigned in Woods Municipal Court before Shores Judge George Beauchamp on Wednesday, October 16 for an examination, on charges of breaking and entering. The judge presided in the absence of Judge Don Goodrow.

Powell, a former Lake Orion school teacher, and Reynolds, are accused of breaking into the garage of Vance Powell, 1812 Manchester, and pouring sugar into the gas tank of Vance's car. The two Powells are cousins, and Robert was angered at his relative over an alleged family matter, according to information released by Woods Det. Gerald Kensora.

Powell and Reynolds stood mute to the charge, and were bound over for trial in Circuit Court and released on \$1,000 bonds each.

Kensora said that a scout car crew had received a radio run on Sunday, October 5, on complaint of a citizen, to investigate four persons in an automobile, who were seen riding through an alley, at Stanhope and Mack, at least three times, and then stop at the rear of a laundramat at that intersection.

The officers said when they arrived at the scene, they found the car, with two women in it. The women claimed that they were there to meet a couple of friends.

As the policemen were questioning them, Reynolds arrived and demanded to know what was wrong, and while the conversation was going on, other officers brought Robert to the scene.

Powell's and Reynolds' story conflicted with that given by the women, as to the reason they were in the neighborhood.

The four were taken to the station, where in statements to police, Reynolds and one of the women, stated that the two men had gone to Vance's house, entered his garage and poured sugar into the gas tank of Vance's car.

The investigating officers went to Vance's residence. Vance told them that he had parked his car in the garage at about 10:30 p.m. He was closing the garage door, which was found open, just as the policemen arrived. Vance was informed of what had taken place.

In checking the tank, a substance, which appeared to be sugar, was discovered around the opening into the tank, it was said. Vance signed a complaint, against the men. The women were released without charge.

AMMUNITION

Prosperity sometimes disarms a man, but adversity furnishes him the weapons to fight back.

Cinema League To View Arctic

The Grosse Pointe Cinema League will present an Arctic Adventure Film, today, Thursday, October 24, at 8 o'clock, in Fries Auditorium. The program is open to the public and free of charge.

Viewers will see Nome, Kotzebue, Portage Glacier, and then Iceland, the island of volcanoes.

Viewers will then travel to Greenland over the hard expanse of glacial ice cap which covers 5/6 of this Danish possession then on to a ship which will take them to Hammeft, Norway, the world's most northern town, then North Cape before sailing 1000 miles north to Spitzbergen.

Rip Zwickey, past president

of the Cinema League and a board member of the Circumnavigator's Club and his wife, Fern, a professor at Wayne State University, did the camera work for the film.

Uninsurable? Check into New Offers

By EUGENE MILLER

There was a time when a great many people — millions, perhaps — could be considered "uninsurable." This meant they couldn't buy life insurance at any price because they had poor medical histories, or they worked in hazardous occupations.

In addition, many others would have had to pay extra premiums on their insurance policies because they were considered poor health risks or their occupations were dangerous.

If you think you might fall in either category, you should do some checking around for a possible new policy or a review of the premium of your old policy. If you are extra rated for reasons of occupation or health, that's because life insurance companies in recent years have sharply eased their eligibility requirements. The result is that many who would have been uninsurable at one time are now being offered policies, and some of those who could get policies only by paying extra premiums may find that the extra charge has been eliminated.

THE REASON FOR this is that insurance companies have found that many jobs — such as airline pilot or certain atomic energy workers in the early days — are no longer as dangerous as they once were. At the same time, modern medical advances have shown that certain types of disease, such as diabetes and certain types of heart ailments, no longer run up the mortality rates they once did. For example, airline pilots, once were not insurable. Later, insurance companies issued policies to

pilots but only at high, additional premium rates. Nowadays, life insurance companies are able to offer pilots of scheduled airlines policies at standard rates.

Some circus performers and explosive handlers once had a problem in getting any insurance at all. Today they can get insurance, though at extra rates. That means there still are occupations that are considered hazardous and for which insurance companies charge additional premiums, but the number seems to be declining.

If you have been considered uninsurable in the past or if you pay extra premiums because you are considered a risk or have a hazardous job, here's what you should do to see if you can take advantage of some of these recent changes. If you are in the uninsurable category, call up one or more well-recommended local insurance agents and ask them to determine whether under recent liberalization programs their insurance companies will now write a policy on your life. You might find one or more companies that will. As to whether the extra premium charges still apply to an existing policy, call your insurance agent, or write the home office of your insurance company.

Farms Mayor Reactivates Recreation Study Group

At a regular Farms council meeting held on Monday, October 21, Mayor William Butler announced the reactivation of the Citizens Recreation Committee, to review proposed recreational improvements at Kerby Field, Kerby and Chalfonte. The committee was enlarged, from five members to 11 members.

Last fall, the mayor appointed a committee of civic-minded citizens to review the use being made of Kerby Field, and named Councilman Richard C. Hudson as chairman. Others on the original committee were Mrs. Nancy Waugaman, Dean Riddle, Robert Weyhing and H. Gordon Wood.

Hudson was named chairman of the reactivated group, and the original members agreed to serve again. Added to the committee were Joseph Thompson, Fred Critchfield, Ed Lauer, Carl Heinz Bothe, George Heidt, and Cleveland Thurber, Jr.

Mayor Butler said that he has reactivated the study group because the original committee, which had done an excellent job, after several meetings submitted to the council a report incorporating several constructive suggestions to improve the field, but this was before it was decided not to install tennis courts there.

He also pointed out that the first report was prepared before the Roland Gray Youth Fund offered to contribute money for the construction of tennis courts (\$12,000), and before it was decided to locate these courts at the Municipal Pier Park.

"This decision has, of course, changed the picture with reference to Kerby Field," the mayor said, "and it now appears appropriate to reconsider the Kerby Field situation. In

Get Evergreens Set for Winter

Winter is a critical period for junipers, yews and other evergreens used in ornamental plantings. Many are injured or killed because through their foliage they give off more moisture into the atmosphere than can be replaced by root absorption from the soil. Measures suggested by the National Arborist Association to prevent or reduce the severity of winter injury to evergreens include the following:

1. Water the plants thoroughly and regularly during the autumn and continue this practice throughout the winter when soil conditions permit.
2. Spread a thick layer of mulch composed of hay, straw, peat moss or similar material around the plants. This will retard evaporation of moisture from the soil and stabilize temperatures in the root zone.
3. Construct a windbreak and shade around individual, upright-growing plants. This is especially important when the plants stand at the house corners where the wind sweep is severe, or in locations where reflected heat from the sun may cause drastic fluctuations in temperature.
4. Spray the plants with anti-desiccant material. Under various trade names these materials are available at nearly all garden stores and, applied according to the manufacturer's directions, will reduce the loss of moisture from the foliage.

Offer Lectures On Investing

A series of three free lectures on the subject "Investing For Growth" will be presented at Grosse Pointe War Memorial on Wednesday nights, November 6, 13 and 20, at 8 o'clock.

The series is presented jointly by the Investment Bankers Association and the Grosse Pointe War Memorial Association. Due to limitations of the faculty, those wishing to attend must pick up their free series ticket at the Center's office in advance.

Air and water pollution industries will be the subject of the lecture on November 6 given by Anthony Calice, vice-president of First of Michigan. Mr. Calice attended Cornell University. He has been active in the brokerage business since 1946. He is on the board of governors of the Detroit Stock Exchange and is past president of the Security Traders Association of Detroit.

Mr. Calice will discuss the past records and potential of specific concerns in the air and water pollution industry. He will present the problems they face in the limitation of government action and monies, and explain why there is still great growth potential in this field in spite of this.

The airlines industries will be the subject of the lecture November 13 given by Primo Perry, special instructor for the U of D College of Commerce and Finance.

John L. Hartl, Jr. will bring the series to a conclusion on November 20 discussing the two growth fields of nuclear power and the apparel industry.

Thieves Break Way Into Cars

While an automobile owned by O. J. Williams Jr., of 771 Lincoln road, was parked Saturday, October 12, in front of 1058 Audubon road, where he was visiting, someone broke into his car by smashing the glass in the right front door. There was nothing of value in the car but Williams' registration certificate. The thief took it.

During the hours that Toby J. David left his car parked in front of his home at 1326 Somerset last Thursday night, October 10, someone broke into the trunk and stole a tire and rim.

Zenn Is Named To School Post

The Grosse Pointe Board of Education on Monday, October 14, approved the appointment of Benjamin Zenn as Director of Administrative Services, effective December 1. Mr. Zenn, currently Assistant Director, Planning and Building Studies Department, School Housing Division, Detroit Public Schools, was the unanimous choice of the administrative screening committee from a field of 14 well-qualified candidates.

His current assignment in Detroit particularly fits him for the post in Grosse Pointe. His responsibilities entail the maintenance of close working relationships with building project advisory committees, as well as the preparation of educational specifications. In addition, he has supervised building evaluations after a new structure has been in use. Another facet of his work is the computation of school capacity, potential enrollment, and the utilization of school buildings.

As one of his first assignments in Grosse Pointe, Mr. Zenn will serve as staff resource person to the soon-to-be formed South High School Committee, the group which will study the need for the renovation and remodeling of the building.

Mr. Zenn has a B.S. from the University of Detroit, M.E. and Ed. Specialist degrees from Wayne State University and has also studied at the University of Utah, Rhode Island College and Michigan State University.

His career has included posts as elementary teacher, assistant principal and acting principal. Mr. Zenn, 40, is a native of Detroit, where he and his wife and three sons now reside.

Set Denby High 20-Year Reunion

There will be a 20-year reunion for the Denby High School graduating classes of January and June, 1948. The date is November 2, the place is Roma Hall in East Detroit, the time is 6:30 o'clock. There will be dinner, dancing and refreshments.

Jim Weitzmann may be contacted between 9 and 4 o'clock at 962-3262 for reservations and further information.

Don't insist on explaining your point of view—people prefer to draw their own conclusions.

To remove spots from photographs, paintings or prints, add a few drops of ammonia to a cupful of warm water, and apply carefully with a soft cloth which has been wrung out quite dry in this solution.

SHS Freshmen Hear Candidates

About 200 Grosse Pointe High School South freshmen accompanied by their Civics teachers, Gene Matecun and John Coury, attended an Open House Program to meet the candidates, sponsored by the G. P. League of Women Voters at the War Memorial on Sunday, October 20.

Among the many candidates presented to the group were Lucien Nedzi, Democratic Congressman from the 14th District, and his Republican opponent Peter O'Rourke, and Robert Waldron, Republican Speaker of the Michigan House of Representatives, and his Democratic challenger, Walter Collins.

Although the format did not call for speeches by the candidates, a light turnout of adults allowed them the time and a total of eight candidates agreed to speak briefly to the youths in Fries Auditorium where they answered questions on many topics including reforming the Electoral College, a bombing halt in Vietnam, 18-year-old voting, gun control, water pollution, and others.

Teen Volunteers Needed For Fall Service Projects

The Neighborhood Club had a very successful summer volunteer program for some 120 high school youths this past summer. The students served in various areas in Grosse Pointe and the Inner City.

A big assist was received from the Grosse Pointe Rotary Club when it donated \$200 to help offset the cost of bus transportation for Inner City programs. Some of the programs volunteers assisted with were Operation Headstart, Scripps School Recreation and Hannon YMCA Swimming Program.

Any students interested in volunteering can do so by securing an application from the Neighborhood Club or high schools in the Grosse Pointe area. Recruitment will take place at North High at a later date.

Bus tours of Inner City and other Agencies will be conducted for high school students in November.

A workshop orientation for tutors by the Detroit Board of Education will be held on Saturday, October 26, from 9 to 12 o'clock, at Martin Luther King High School. Limited bus transportation will be available for city projects.

Listed below are areas both in Grosse Pointe and Detroit-Near East Side and the Inner City where volunteer opportunities are available:

6 Pointe Drivers Taken off Road

In his latest weekly listing of errant drivers whose licenses were either suspended or revoked, Secretary of State James M. Hare revealed that two Pointe drivers had their licenses revoked, one had his taken away for more than a year, and two had theirs suspended for a period of three months. The report was dated September 27.

The listing showed that Clifford D. Carpenter, of 1073 Lakepointe, had his operator's license revoked as of September 18 because of an unsatisfactory driving record and for failing to appear for examination.

On September 16, Peter J. Hanna, of 19869 Wedgewood, had his license revoked because of an unsatisfactory driving record and for failing to appear for examination.

It is possible that the driving

privileges of Carpenter and Hanna have been restored, but Hare's report does not disclose this.

William M. Kimerly, of 77 Renaud road, has been prohibited from driving a motor vehicle as of April 9, 1968, to June 18, 1969. The reason given was that he had been driving while his license was suspended.

James A. Rasmussen, of 1116 Maryland, has been forbidden to drive a motor vehicle as of September 23 through December 12, under the Implied Consent Law and Mark S. Riemer, of 709 Hidden lane, from September 12 through December 12, because of an unsatisfactory driving record.

The Secretary's report showed during the week of September 22-28, a total of 813 Michigan motorists had their drivers' licenses suspended, and 405 had their revoked.

One Car Stolen, Damage Another

Louis Kukolic, 493 St. Clair, reported to City police on Sunday, October 20, that he had parked his father's '67 Dodge in front of his house around 8 p.m. the night before. When he went for the car at 8 o'clock that morning the car was gone.

A broadcast was sent to all cars at 8:15 a.m., and the car recovered by Detroit police at 11:50 a.m. and returned to Mr. Kukolic. No damage was done to the car.

While checking out leads on this car theft, officer Edward Miller found a car parked between 485 and 475 St. Clair with doors ajar at 9 a.m.

Upon further investigation he found that the padding around the ignition had been pulled away and pry marks made on the tumblers inside the ignition. Miller checked the area and found the owner to be James Cardoza, 488 St. Clair.

Woods Starts Safety Program

All the students in the first and second grades of the elementary schools located in the Woods were given lectures on traffic safety, with illustrated fun booklets, after which they were shown the Woods snorkle fire truck and its equipment. The program was completed on Friday, October 18.

Woods Public Safety Officer Stephen Petrick, school and safety officer lectured on safety to pupils in the schools, and gave every youngster a booklet which contained short safety rhymes, drawings, blank pages for the children's own drawings on how they help their safety patrol boys, and a hand puppet patrol boy.

The booklets and puppets were furnished by the Grosse Pointe Branch of the Automobile Club of Michigan, Jefferson and Somerset.

After each safety lecture at the schools, the youngsters were allowed to leave the classrooms to view the Snorkel parked outside the school building, and were given a demonstration of various fire-fighting and lifesaving equipment by Patrolman Petrick, who explained everything in detail.

Every other page in the booklet given to the children, not only has a blank page for the children's drawings, but at the very bottom of each of these pages, is a message to parents on how to instill safety into the minds of their offspring.

Petrick said that he plans to lecture to students in the other grades of the elementary schools.

Two Park Boys Injured by Cars

Two seven-year-old Park boys were struck by automobiles, in separate accidents, on Friday, October 18, and taken to Bon Secours Hospital for treatment of injuries. One boy was hurt seriously.

At 12:25 p.m., Park police officers were dispatched to St. Paul and Balfour, on report of a pedestrian hit by a car, and arrived at the scene to find David T. Seala of 1034 Devonshire, a second grade student at Defer, on the pavement, and being comforted by a group of people.

A police report disclosed that the youngster suffered a broken right leg, and cuts about the head, right side, and at the top of his back.

The driver of the accident car, Andrew G. Chauvin, Jr., of 4535 Radnor, Detroit, said the boy was standing on the southwest corner of Balfour and then dashed diagonally across the street. Chauvin said he attempted to avoid hitting young Seala, but could not stop in time.

At witness at the scene reported to investigating officers that the boy told him that he was waiting at the corner when the patrol boy raised his hand. The injured boy said that he mistook this as a signal to cross, and went into the street. He did not see the oncoming car, he said.

At 4:45 p.m., police were sent to Charlevoix and Lakepointe, where they found Michael Nasir of 1378 Nottingham, on the pavement. The boy suffered only bruises and abrasions on the left side of his back and under the left arm. He was taken to the hospital for treatment.

Driver of the second car was Eugene D. Morgan, 38, of 1332 Beaconsfield, who told police that the lad ran out into the street from between two cars. Morgan said he was unable to stop in time to avoid hitting the boy.

Another motorist, a witness to the accident, informed police that the lad ran in front of his car, and that his rapid application of the brakes stalled the motor. They boy continued on his way and was hit by Morgan. Neither Chauvin nor Morgan was charged, and both were released after making statements to the authorities.

Motorist Fails To Heed Advice

David F. Marsack, 44, of 1110 Vernier, failed to heed a warning given him by Woods police officers, and is awaiting trial for drunk driving.

In an official report, Sgt. Walter O'Dell and Patrolman Donald Schmaltz, revealed that they were on patrol on Mack avenue, at 1:10 a.m. Thursday, October 17, when they observed Marsack coming out of the Nightingale Lounge, Mack and Hawthorne. The man appeared to be staggering and the policemen stopped to speak with him. O'Dell and Schmaltz said they asked Marsack if he was going to his car, if he had one to drive, and Marsack answered in the affirmative. Whereupon, he was advised not to get behind the wheel in his condition.

The policemen said that they left after issuing the warning, and about 10 minutes later, as they turned about and neared the Mack-Hawthorne intersection, they saw Marsack, behind the wheel of a car, make a right turn to the east on Hawthorne, and followed him. Marsack's car was weaving back and forth, the officers said.

At Goethe, the motorist stopped for a signal light. Then Charlevoix, Marsack went through a stop street without stopping and was forced to curb by the policemen or placed him under arrest, driving while under the influence of liquor. Marsack was taken to the station where he was given a ticket for violation.

Trowel, Erf Club To Meet

Members of the Trowel and Erf Garden Club will gather for their October 24, at 12:30 o'clock in the Anita avenue home of Mrs. William Bedard. Mrs. Paul J. Janga will demonstrate Dr. Flower Arranging.

Drama Students Doing Musical

More than 150 boys and girls have participated in preliminary acting and dancing auditions for Mr. Gael Barr, drama teacher, in preparation for the scheduled February musical being presented by the music and drama departments of North High School.

The 120 students enrolled in Play Production have already begun preparing the backstage organization for the musical as well as for a major dramatic production in April. These classes will ultimately have a background and a working experience in all phases of production, lighting, designing, building, and staging as well as

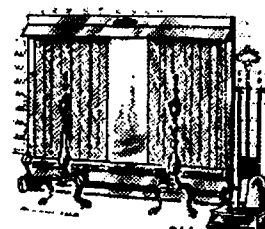

acting. A dance club, sponsored by the drama department, will participate in the musical as well as perform at some of the sports events later in the year.

The Theatre North Player North High School's new drama club, is being formed only by members of the Production classes, but interested students from all levels outside of the classes.

SHS Freshmen Hear Candidates

About 200 Grosse Pointe High School South freshmen accompanied by their Civics teachers, Gene Matecun and John Coury, attended an Open House Program to meet the candidates, sponsored by the G. P. League of Women Voters at the War Memorial on Sunday, October 20.

Among the many candidates presented to the group were Lucien Nedzi, Democratic Congressman from the 14th District, and his Republican opponent Peter O'Rourke, and Robert Waldron, Republican Speaker of the Michigan House of Representatives, and his Democratic challenger, Walter Collins.

Although the format did not call for speeches by the candidates, a light turnout of adults allowed them the time and a total of eight candidates agreed to speak briefly to the youths in Fries Auditorium where they answered questions on many topics including reforming the Electoral College, a bombing halt in Vietnam, 18-year-old voting, gun control, water pollution, and others.

Teen Volunteers Needed For Fall Service Projects

The Neighborhood Club had a very successful summer volunteer program for some 120 high school youths this past summer. The students served in various areas in Grosse Pointe and the Inner City.

A big assist was received from the Grosse Pointe Rotary Club when it donated \$200 to help offset the cost of bus transportation for Inner City programs. Some of the programs volunteers assisted with were Operation Headstart, Scripps School Recreation and Hannon YMCA Swimming Program.

Any students interested in volunteering can do so by securing an application from the Neighborhood Club or high schools in the Grosse Pointe area. Recruitment will take place at North High at a later date.

Bus tours of Inner City and other Agencies will be conducted for high school students in November.

A workshop orientation for tutors by the Detroit Board of Education will be held on Saturday, October 26, from 9 to 12 o'clock, at Martin Luther King High School. Limited bus transportation will be available for city projects.

Listed below are areas both in Grosse Pointe and Detroit-Near East Side and the Inner City where volunteer opportunities are available:

6 Pointe Drivers Taken off Road

In his latest weekly listing of errant drivers whose licenses were either suspended or revoked, Secretary of State James M. Hare revealed that two Pointe drivers had their licenses revoked, one had his taken away for more than a year, and two had theirs suspended for a period of three months. The report was dated September 27.

The listing showed that Clifford D. Carpenter, of 1073 Lakepointe, had his operator's license revoked as of September 18 because of an unsatisfactory driving record and for failing to appear for examination.

On September 16, Peter J. Hanna, of 19869 Wedgewood, had his license revoked because of an unsatisfactory driving record and for failing to appear for examination.

It is possible that the driving

privileges of Carpenter and Hanna have been restored, but Hare's report does not disclose this.

William M. Kimerly, of 77 Renaud road, has been prohibited from driving a motor vehicle as of April 9, 1968, to June 18, 1969. The reason given was that he had been driving while his license was suspended.

James A. Rasmussen, of 1116 Maryland, has been forbidden to drive a motor vehicle as of September 23 through December 12, under the Implied Consent Law and Mark S. Riemer, of 709 Hidden lane, from September 12 through December 12, because of an unsatisfactory driving record.

The Secretary's report showed during the week of September 22-28, a total of 818 Michigan motorists had their drivers' licenses suspended, and 405 had their revoked.

One Car Stolen, Damage Another

Louis Kukolic, 493 St. Clair, reported to City police on Sunday, October 20, that he had parked his father's '67 Dodge in front of his house around 8 p.m. the night before. When he went for the car at 8 o'clock that morning the car was gone.

A broadcast was sent to all cars at 8:15 a.m., and the car recovered by Detroit police at 11:50 a.m. and returned to Mr. Kukolic. No damage was done to the car.

While checking out leads on this car theft, officer Edward Miller found a car parked between 485 and 475 St. Clair with doors ajar at 9 a.m.

Upon further investigation he found that the padding around the ignition had been pulled away and pry marks made on the tumblers inside the ignition. Miller checked the area and found the owner to be James Cardoza, 488 St. Clair.

Two seven-year-old Park boys were struck by automobiles, in separate accidents, on Friday, October 18, and taken to Bon Secours Hospital for treatment of injuries. One boy was hurt seriously.

At 12:25 p.m., Park police officers were dispatched to St. Paul and Balfour, on report of a pedestrian hit by a car, and arrived at the scene to find David T. Scala of 1034 Devonshire, a second grade student at Defer, on the pavement, and being comforted by a group of people.

A police report disclosed that the youngster suffered a broken right leg, and cuts about the head, right side, and at the top of his back.

The driver of the accident car, Andrew G. Chauvin, Jr., of 4535 Radnor, Detroit, said the boy was standing on the southwest corner of Balfour and then dashed diagonally across the street. Chauvin said he attempted to avoid hitting young Scala, but could not stop in time.

At witness at the scene reported to investigating officers that the boy told him that he was waiting at the corner when the patrol boy raised his hand. The injured boy said that he mistook this as a signal to cross, and went into the street. He did not see the oncoming car, he said.

At 4:45 p.m., police were sent to Charlevoix and Lakepointe, where they found Michael Nasir of 1378 Nottingham, on the pavement. The boy suffered only bruises and abrasions on the left side of his back and under the left arm. He was taken to the hospital for treatment.

Driver of the second car was Eugene D. Morgan, 38, of 1332 Beaconsfield, who told police that the lad ran out into the street from between two cars. Morgan said he was unable to stop in time to avoid hitting the boy.

Another motorist, a witness to the accident, informed police that the lad ran in front of his car, and that his rapid application of the brakes stalled the motor. They boy continued on his way and was hit by Morgan. Neither Chauvin nor Morgan was charged, and both were released after making statements to the authorities.

Motorist Fails To Heed Advice

David F. Marsack, 44, of 1110 Vernier, failed to heed a warning given him by Woods police officers, and is awaiting trial for drunk driving.

In an official report, Sgt. Walter O'Dell and Patrolman Donald Schmaltz, revealed that they were on patrol on Mack avenue, at 1:10 a.m. Thursday, October 17, when they observed Marsack coming out of the Nightingale Lounge, Mack and Hawthorne. The man appeared to be staggering and the policemen stopped to speak with him. O'Dell and Schmaltz said they asked Marsack if he was going to his car, if he had one to drive, and Marsack answered in the affirmative. Whereupon, he was advised not to get behind the wheel in his condition.

The policemen said that they left after issuing the warning, and about 10 minutes later, as they turned about and neared the Mack-Hawthorne intersection, they saw Marsack, behind the wheel of a car, make a right turn to the east on Hawthorne, and followed him. Marsack's car was weaving back and forth, the officers said. At Goethe, the motorist stopped for a signal light. Then at Charlevoix, Marsack went through a stop street without stopping and was forced to the curb by the policemen, who placed him under arrest for driving while under the influence of liquor. Marsack was taken to the station where he was given a ticket for the violation.

Trowel, Error Club To Meet

Members of the Trowel and Error Garden Club will gather for their October meeting today, Thursday, October 24, at 12:30 o'clock in the Anita avenue home of Mrs. William Bedard. Mrs. Paul Machuga will demonstrate Dried Flower Arranging.

Drama Students Doing Musical

More than 150 boys and girls have participated in preliminary acting and dancing auditions for Mr. Gael Barr, drama teacher, in preparation for the scheduled February musical being presented by the music and drama departments of North High School.

The 120 students enrolled in Play Production have already begun preparing the backstage organization for the musical as well as for a major dramatic production in April. These classes will ultimately have a background and a working experience in all phases of production, lighting, designing, building, and staging as well as acting.

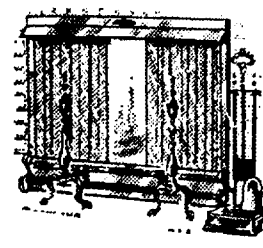

A dance club, sponsored by the drama department, will participate in the musical as well as perform at some of the sports events later in the year.

The Theatre North Players, North High School's new drama club, is being formed not only by members of the Play Production classes, but by interested students from all grade levels outside of the classes.

Obituaries

DONALD E. POULIN

Funeral services for Mr. Poulin, 42, of 1415 Yorkshire road, were held on Thursday, October 17, in the Verheyden Funeral Home and from St. Clare Church. A Rosary was said on Wednesday, October 16. Mr. Poulin died on Tuesday, October 15, in Bi-County Hospital, in Warren.

He is survived by his wife, Gloria; his children, Christopher, Denise, Michelle, Donna, and Colette; his parents, Mr. and Mrs. Ernest J. Poulin; and a brother, Armand J., of Windsor, Ont.

Interment was in Mount Olivet Cemetery.

ROSALIE TOCCO

Solemn High Mass was celebrated for Mrs. Tocco, 62, of 781 Middlesex road, on Tuesday, October 15, at Holy Family Church in Detroit. Services were also held at The Bagnasco Funeral Home. She died suddenly on Saturday, October 12.

She is survived by her husband, William, her children, Mr. Evelyn Tocco, Jack W., Mrs. Sam Bagnasco, Mrs. Mary Speranza, Tony, Mrs. Josephine Licata, Mrs. Grace Tocco, and 27 grandchildren.

Mrs. Tocco was resident of the Park for 35 years. She was a member of the Sacred Heart Society at the Holy Family Church.

Interment was in Holy Sepulchre Cemetery.

RICHARD H. MORKETTER, JR.

Funeral services and interment for Mr. Morketter, 38, formerly of Graytop road, more recently of Fayetteville, N.C., will be held today, Thursday, October 24, in Fayetteville. Mr. Morketter died suddenly on Monday, October 21, in his residence.

He is survived by his wife, Sarah; his daughter, Cherrie; five sons, Ricky, Mike, Tommy, Jeff, and David; his parents, Mr. and Mrs. Richard H. Morketter, Sr., of Balfour road; his brother, Ronald C., of MacMillan avenue; his sister, Mrs. Norman G. Setter, of Beaconsfield avenue.

SHOOKEREY CORY

Funeral services for Mr. Cory, 78, of 1765 Stanhope avenue, were held on Monday, October 21, in the Verheyden Funeral Home and from St. George Syrian Orthodox Church. He died on Friday, October 18, in Bi-County Hospital.

Mr. Cory is survived by his daughter, Mrs. William Swor and three grandsons.

Memorial Tributes may be sent to the St. George Building Fund.

Interment was in Forestlawn Cemetery.

HELEN T. HUETTEMAN

Funeral services for Helen Huettelman, 6, of 1660 Littlestone road, were held on Wednesday, October 23, in the Verheyden Funeral Home and from Our Lady Queen of Peace Church. She died on Sunday, October 20, in Plymouth State Hospital.

Born in Detroit, Helen is survived by her mother, Mary; two sisters, Mary Jo and Patty. She was also the daughter of the late Richard Huettelman.

Memorial Tributes may be made to the Plymouth Association for Retarded Children, Northville, Michigan.

Interment was in Mount Olivet Cemetery.

Exposure Case Reported in City

City police received a report of indecent exposure on Saturday, October 19, from a Bishop road resident. The woman told officers that on that date, her daughter was walking east on Kercheval, when a car stopped at a stop sign.

Inside the vehicle was a white male, about 30 years old, with a long face and dark hair combed away from his face. The man did not speak or gesture to the girl. He was reportedly driving a dark blue car.

In late September City police received a report of indecent exposure in the same area and the descriptions in both cases are similar. However in the first case the man was driving a light blue Volkswagen.

Flurry Of Park Auto Mishaps

The Grosse Pointe Park police department reported a flurry of four automobile accidents during a recent weekend.

After running into the rear of a car stopped to make a left turn at Jefferson and Three Mile drive Friday, October 11, Park police reported they ticketed Alfred J. McCann, Jr., 32, of 2281 Robana, East Detroit, for "failure to stop within a clear distance."

McCann was charged with striking an automobile being driven by Dennis W. Harrigan, 16, of 1331 Three Mile drive, Grosse Pointe Park, while he was waiting for traffic to clear so he could make a left turn.

While west-bound on Jefferson on Sunday, October 13, police reported that Frank Bagnasco, 20, of 797 Middlesex boulevard, changed lanes near Harvard road. In doing so he hit a vehicle also west-bound, driven by Leonard Grier, 19, of 9930 Cascade, Detroit, damaging the left front fender, police said. Bagnasco received a traffic violations' ticket.

Park police also reported that on Sunday, October 13, an automobile driven by Ralph Brown, 62, 1376 Ashland, Detroit, made a U-turn on Mack, between Lakepointe and Beaconsfield, pulling in front of a car driven by Fred D. Felarca, 24, of 343 Manistique, Detroit. Both cars were damaged. Brown was ticketed for "leaving the curb without safe observation, in front of moving traffic."

Charged by police with driving east on Mack avenue, "without due care and caution," on Friday, October 11, Louise A. Stone, 56, of 22405 Carolina, St. Clair Shores, struck a van owned by the Bruce Wigle Company.

Blood Council Sponsor Drive

The Grosse Pointe Community Blood Council is sponsoring another drive. Blood can be donated at the Grosse Pointe Methodist Church on Moross road on Friday, October 25, between 2 o'clock and 8 o'clock. Appointments can be made by calling the church or one can simply walk in.

Education Group Plans Election

Election of new members to the executive committee will highlight the annual meeting of Grosse Pointe Citizens for Education, at 8 p.m. Tuesday, Octo-

ber 29 in the Parcels Middle School auditorium.

All paid members of the organization are eligible to vote. Other business will include annual reports of the officers, according to Hugh Harness, president. Following the business meeting there will be a panel discussion between two students, one from South and one from North High School, and two teachers, one from each school, entitled "Tell It Like It Is."

Leaders Chosen By GP Jaycees

The newly organized Grosse Pointe Jaycees elected Pieter van Horne, of 1430 Hollywood, president at their October 8 meeting. Van Horne, an attorney for the Penn Central Railroad, said he was "very pleased to have the opportunity of serving the community in this capacity. As charter president of the Grosse Pointe Jaycees, I'll do all I can to see to it that our organizations becomes a meaningful contributor to our community welfare."

Other officers chosen were John Urso, internal vice-president; Al Lang, external vice-president; Tom Sullivan, secretary; Mike McDonald, treasurer; Tim Mast and Jim Yeomans, member of the Board of Directors.

The first major function of the Grosse Pointe Jaycees will be the Charter Night Banquet which will be held November 7 at the Golden Lion Restaurant, 2238 Moross road.

The banquet will start at approximately 7 p.m. and will feature the presentation of the Charter from the U.S. Jaycees made by Robert Paget, Michigan, Jaycee state president; as well as a talk by Paul D. Bagwell, past national president of the U.S. Junior Chamber of Commerce. Everyone is welcome to attend the banquet and anyone interested in attending should call Dave Leone at 885-0505.

The Grosse Pointe Jaycees were extended by the Detroit Jaycees over the past several months. John C. Prest, 852 Pemberton, acted as extension chairman and will continue to serve for a few weeks as advisor to the Chapter. The Jaycees are comprised of young men between the ages of 21 and 35 interested in community affairs and leadership training. Anyone interested in becoming a Grosse Pointe Jaycee should call Pieter van Horne at 886-8302 or 825-7000.

The Block Plans Halloween Fete

The Block, Mack avenue between Devonshire and Three Mile drive, will be the scene of a three-day celebration October 25 to 27.

Sponsored by the Block Association, (an organization of 14 businesses located there), the festival will feature:

Demonstrations in the making of glass, pottery, jewelry, and papier mache products, a Mod fashion show, square dancing, fortune telling, a costume contest, with prizes, for children under nine; plus a variety of special and surprise features.

A scaled-down "car of the future" from Ford Motor Company and a Bentley antique car will be displayed. Detroit Edison Company's calliope will add to the festivities.

To help maintain the Halloween spirit, a "ghost" shopper will be maneuvering along the Block—waiting to designate persons as "Special Prize Winners."

Cider and donuts will be available. Festival hours will be 10 a.m. to 5 p.m. on Friday and Saturday; noon to 5 p.m. on Sunday.

Persons attending the festival will witness square dancing techniques called by Wes and Julie Rea, active in the area for the past 18 years.

Student Drivers Contest Winners

Five graduates of last year's Grosse Pointe South High School's driver education program won recognition for their entries in Volkswagen of America's national driver safety, "The Great Idea Contest." Entrants were asked, "How would you improve driver safety?"

Answers were to be concerned with highway safety legislation, technical improvements in vehicle or highway design, or similar topics. The ideas were to be expressed in an essay of up to 1,000 words, supplemented by diagrams, models, or photographs, or the presentations could be graphic, including a short written statement explaining the problem area and the proposed solution.

Barbara Person was named one of the 14 regional runners-up. She was awarded a \$100 savings bond and a plaque for both her idea and the school. Her idea dealt with the design of safety devices for the interior of automobiles.

Larry Markhom received the "outstanding school award" for his entry. Grant Collins, Steve Ellis and John Southcott all received certificates for their entries.

Ed Rateick, sales manager and Leon Strauss, assistant sales manager of Wood Motors, Inc., presented the awards at the high school Driver Education Building. Dean Balcarak, coordinator for the Grosse Pointe Drive Education programs, was also present to receive awards for the High School's student participation.

Detroit Hosts City Managers

Robert A. Slone, city manager of Grosse Pointe Park and president of the Michigan Chapter of the International City Managers Association, announces that more than 1,000 delegates from many parts of the world are attending the 54th annual conference of the organization at Detroit's Statler Hilton Hotel for five days beginning next Monday, October 20.

The conference, Slone said, is focusing on "The Dynamics of Urban Management," with sessions aimed at solving such key urban problems as employment, civil rights and disturbances, and information processing.

John M. Patriarche, of East Lansing, is president of the international group. William H. Lange, of Pleasant Ridge, is chairman of the host committee.

Besides Slone, these city managers of Pointe communities are attending the conclave: Andrew Bremer Jr., Farms; Thomas Kressbach, City; Chester Petersen, Woods; and Thomas Jefferies, Shores.

It is not the time a man (and confidence he puts into his spends in planning—it's the faith planning that really counts.

NBD guarantees to pay you the highest possible earnings on your time deposits

Here's the guarantee:

Your initial deposit will be continuously compounded at 5% annual interest for 4 full years to give you more than 5 1/2% effective interest.

Sound good? That's not the half of it.

We promise to make it as convenient as possible for you to get your money and interest when you want it.

We'll let you add to your original one thousand dollar investment at any time, in any amount of \$100 or more.

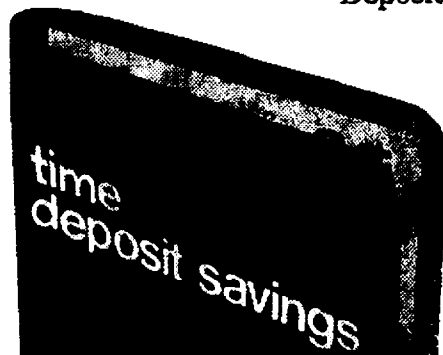

And we'll mail you a Quarterly Statement to show where your account stands.

We'll also give you a year-end report of interest earned to help ease your struggle with the Income Tax forms.

If this sounds to you like the best Time Deposit Savings plan in town, it's only because we planned it that way.*

Come in and ask for new, improved Time Deposit Savings at the National Bank of Detroit.

the second most important name on the checks you write: **NBD**

*One thing we did was increase the number of times interest is compounded to the highest number mathematically possible. To continuously compound means we compute interest something like every minute of the year. Only more so.
Five percent, of course, is the legal maximum rate any bank is allowed to compound. (If numbers are important to you, 5% continuously compounded for four years on your initial deposit equals 6.53% annually when expressed in terms of simple interest.)
To help make withdrawal easier, we developed a 10-day privilege period every calendar quarter. You can take out whatever principal and interest you've had on deposit the legally required 90 days... without giving us notice.
Or you can give us 90 days notice and withdraw your money at any time.

People who take the time to consider a problem usually come up with the right answer.

Men who take time to laugh occasionally have learned to lift the heavy burden of life.

INDOOR COMFORT Now Is Time To Install New Carrier Furnace

by
ROBERT A. "Doc" WILLIAMS
(MR. INDOOR COMFORT)

When you think about this time of year may be a good time to have that new furnace installed that you've been thinking about. There's no need to rush the installation because of a need for heat and you may save money because there's no need for overtime work.

We recommend the Carrier line of furnaces. They are manufactured right here and are available in several different designs and models. Models are available in 10, 20, and 25 year warranties each with a size that we at Williams can custom-fit to your home. The Carrier furnace is well known throughout Greater Detroit for its long life, outstanding performance and low fuel bills.

There's a big advantage in the size of the Carrier furnace. Compact and space-saving, it can be installed so it can be installed in a corner of your basement, with ductwork installed so it hugs the ceiling. This means creation of a new world of space in most basements that can be used to advantage in converting the space to a new room; such as a playroom, an extra bedroom, work shop, or sewing room.

You're probably in need of a new furnace. If your present furnace is outdated and hasn't been giving you the kind of comfort your family needs. If you're getting tired

of constant repairs to your present furnace, it may be cheaper for you in the long run to have that new Carrier furnace installed. You'll probably save on fuel bills too, for chances are that your old furnace is burning up quite a bit of fuel.

The easiest way to find out just how much a new Carrier furnace for your home will cost is to call us at Williams and ask for a free survey of your there's absolutely no obligation and we'll carefully measure your home's needs to determine just what size equipment you need.

You may be interested in two other comfort products for your home... the Carrier electronic air cleaner and the Carrier humidifier. The Carrier electronic air cleaner, installed on your furnace, will cleanse the air of over 90% of the dirt, dust and pollen with just one pass through the cleaner. It will make the little woman's housework a lot easier and save a great many cleaning bills. The Carrier humidifier adds moisture to indoor air during the heating season to prevent the excessively dry air that can damage household furnishings.

Why not call 372-5500 today and ask for a free survey of your home. Williams Refrigeration and Heating Co.

Cottage Hospital Holds Clinic Day

Each year some 12,000 children eat potentially poisonous plants in the United States. Add to this mother's face cream, dad's shoe polish, or brother's airplane glue and deaths from such poisons total more than 1,400 a year.

To discuss poison control and drug induced disorders, two University of Michigan physicians will be present at the Cottage Hospital Annual Clinic Day, Wednesday, October 30, at the War Memorial. George H. Lowrey, M.D., professor of Pediatrics and Walter M. Baird, M.D., assistant professor of Internal Medicine and Pharmacology will conduct the traditional clinic session at Cottage Hospital in the morning. Each will present technical papers at the War Memorial in the afternoon.

Dr. Lowrey is head of the University of Michigan Poison Control Center which handles some 600 emergency calls each year about poison problems involving chiefly children. Seventy-five percent of poison calls concern children between the ages of one and three.

Because of parental interest in this year's Cottage Hospital Clinic Day topic, the general public is invited to the afternoon session at the War Memorial which begins at 1:30 o'clock.

Rescues Toddler Locked in Bath

Child, and memory experts claim that Edward J. Lynch, Jr., an up-and-coming lad who is about to reach the ripe old age of two years, and who isn't supposed to know any better, always will remember the day (Monday, October 14, 1968) that he locked himself in the bathroom at home, and his mother called the police to get him out of his tearful and embarrassing predicament.

Patrolman William Crandall of the Grosse Pointe Park police department, answered the call from Mrs. Lynch who lives at 1380 Yorkshire road, to come to the rescue of her toddling tot.

Crandall zoomed over to the Lynch home, surveyed the situation, borrowed some tools, removed the molding around the bathroom door, forced the lock open with a screw driver, and released junior to a distressed but grateful mother.

Freak Accident Notice Is Filed

Denise Potter, one of four persons injured in a freak accident at Woods Waterfront Park on Saturday, July 13, has filed a notice of injury with the City of Grosse Pointe Woods through her attorneys, Allen, Allen and Shell, of Royal Oak.

Mrs. Potter was caught and enfolded along with Mr. and Mrs. Otto Fischer, 1048 North Brys drive, by a parachute, which Michael Danaher, 69 Cloverly, and Mark Morkan, 104 Yorkshire, had attached to a power boat.

She alleges that the parachute collapsed and dragged her into the water, causing a shoulder separation, a concussion, bruises and lacerations on her head. At the time of the accident, Mrs. Potter was pregnant and it is not known at this time whether the injuries had any effect on the unborn child.

Mrs. Potter's petition was turned over to George Coflin and the city's insurance carrier by the Woods Council at its Monday, October 7, meeting.

Alumnae Hockey Teams to Clash

There will be a field hockey game between the alumnae of the Grosse Pointe University School and the Liggett School on Sunday, November 3, at 2 p.m. at the Liggett School. For University School alumnae there will be a practice at the school on Sunday, October 27.

Rain dates: Practice, 2 p.m., Saturday, November 2, GPUS; Game, 2 p.m., Sunday, November 10, Liggett School.

Abusive Driver Going to Court

While on routine patrol on Sunday, October 20, City police officers Virgil G. Beaupre and Sgt. Foster Mauck observed a car stopped on Rivard, approximately 50 feet north of Waterloo and about five feet away from the west curb of Rivard, with headlights on.

Upon checking the car, officers found the motor running, the radio playing and a 16-year-old youth slumped over the seat. The officers shut off the motor and removed the car keys. They attempted to awaken the youth, who became abusive, swearing and swinging at them. The police handcuffed him and took him to the station.

The youth would not talk to the officers. He was placed in a cell and his car parked in the rear of the station.

His parents were notified, and bond set for \$25. They came to the station and took the youth home. He was given a court notice to appear as a disorderly person on Tuesday, November 12.

Open Saturday Mornings!

To offer our clientele better service, we will keep our offices open Saturday mornings from 9:30 till noon. This is an ideal time to discuss your portfolio, check into the research facts about current investment opportunities. Stop in... a skilled registered representative will be glad to assist you.

Norsemen Lose Tough One To Roseville Cougars, 13-12

By John Edwards '71

It was purely a heartbreaking loss as the Norsemen gridders of Grosse Pointe North High School were edged out of a victory Oct. 18 by the Roseville Brabac Cougars by the slim margin of 13 to 12.

Grosse Pointe started off the first quarter by being held on the first series of plays. Roseville fumbled in their own territory and Grosse Pointe recovered. The Norsemen had an opportunity to score as Lenny Constantine '71 passed to Al Fiorello '70, which was almost complete for a touchdown. Then a Norsemen pass was intercepted which ended the drive.

It was mostly a defensive battle until the end of the quarter when Steve Schiecher intercepted an Ernie Whitt pass. A holding the face mask penalty against the Cougars was attached to the yardage and it put the ball on the Roseville 27.

The second quarter was started there and the Norsemen went on to score, keeping the ball on the ground all the way. Mickey Reese went the final three yards for the score. The extra point attempt failed, but the Norsemen had a 6 to 0 lead.

There were no more scoring threats until late in the quarter by the Cougars. They went from their own 45 to the Grosse Pointe seven. It was Reese who saved the Norsemen from a touchdown against them when he intercepted a pass in the end zone and took it out to the eight yard line of Grosse Pointe. From there they ran out the clock.

The third quarter had a bad start for Grosse Pointe but a good ending. Roseville started with the ball but was forced to punt. The Norsemen received the ball on their own 30 and moved well. Then when inside Roseville territory they fumbled the ball and the Cougars recovered. After a 10-yard run by Greg Savage, Whitt took off on a 55-yard jaunt that took him to the one-yard line of Grosse Pointe. The next play he went over from the one. The extra point was good and it gave the Cougars a 7 to 6 lead.

Then, after receiving the kick-off, Grosse Pointe went on a 68-yard march which included a good mixture of running and passing. The drive ended when Reese went over from the three for his second touchdown, giving the Norsemen a 12 to 7 lead near the end of the quarter. The extra point attempt failed.

Starting the fourth quarter, Grosse Pointe got a lucky break when Roseville fumbled in their own territory. It looked as though the Norsemen were going to score with good running and a one-handed catch by Fiorello. The Cougar defense tightened up and the Norsemen were forced to kick.

Roseville covered 68 yards, Whitt going the first 18 and Will Aman zipping along the 50 remaining yards for a touchdown. The extra point was no good and it gave the Cougars a 13 to 12 lead.

The Norsemen were not dead however as excellent passing and receiving took them from their own 35 to the Roseville 28. They couldn't get to the end zone though, as Whitt intercepted a Glen Hilger '70 pass to end the treat, and for Grosse Pointe, the game.

The next game will be at Lake Shore on October 26 at 8 p.m.

To the Citizens of GROSSE POINTE FARMS:

Would you be happy with a police force that disappears every six months?

The hard truth is this.

If you don't pay a man what he is worth to do a hard job, he will not work for you.

If a man can make a better living for his family working for some other community that pays a little better, he will work for that community.

You have a loyal, experienced police force that wants to work for you. But loyalty cannot fight with economics.

But your City administration already acts as if we work for some one other than the citizens of Grosse Pointe Farms.

- They react to the idea of fact finding with dismay.
- They attempt to embarrass Department members over petty technicalities and phony ordinances when they try to bargain in good faith.
- They make emotional and irresponsible remarks to the press. They promise they will sit with us. They do sit. But they don't bargain!

Because of the City's attitude, its police department has experienced a heavier than average turnover. The higher turnover, the fewer experienced police on your streets.

Contact your officials. Let them know what you think about decent salaries for experienced policemen.

**Blue Devils Beat Bears
 In Grid Thriller, 14-13**

By Craig Carr '69

If the Grosse Pointe Blue Devils are going to win,
 or at least tie for the BCL championship this year, they
 are going to have to beat a seemingly rejuvenated High-
 land Park team this Friday night.

The Parkers have played well in recent weeks and Head Coach Russ Hopner feels, "They're much improved over previous years."

Last weekend they came from behind to tie Royal Oak, 26-26, behind the fine play of Ken McKenzie, "a real good running quarterback," in Coach Hopner's opinion.

A major weakness in the Highland Park offensive attack, however, is the absence of an able extra point kicker. They are forced to either run or pass on conversion attempts, and stopping these plays may be a key to beating the Parkers.

THE DEVILS MOVED into strong contention with Fordson for the BCL title as they nipped Wyandotte in last Saturday's Homecoming game, 14-13, on a touchdown with only 57 seconds left in the game.

That last minute of the game may have been the most exciting of the season as the Devils scored the TD on a broken play, and a fight emptied both teams' benches shortly afterward.

Chris Malafouris scored both Grosse Pointe touchdowns, kicked two extra points, and intercepted a pass in the closing seconds of the game to wrap up the Devil victory.

Both of the Devil touchdowns were scored in the fourth period as Wyandotte had rolled up a 13-0 advantage in the third

quarter. The first Bear touchdown came in the first half when they intercepted a pass on the Grosse Pointe 10-yard line and scored three plays later. The extra point was good.

Wyandotte opened the second half by taking the kickoff and driving 60 yards for their second TD. This time, however, Robin Jacobs blocked the conversion attempt that later proved to be decisive.

THE BLUE DEVILS then put together their own 63-yard drive and finally scored, with a 10:17 left in the game, on a 10-yard run by Malafouris. Malafouris then added the extra point that gave the Devils hope for a victory as the score was now 13-7.

The Devils then moved to the Bear 13-yard line in their next series of plays, but an illegal procedure penalty stalled them with three minutes left in the game.

When Wyandotte got the ball they were stopped by the Grosse Pointe defense and forced to punt. Mike Boruta, however, blocked the kick and recovered it on the Wyandotte 7-yard line.

Jim Montmorency ran to the one on the next play and, after a quarterback sneak failed, Steve Maun passed to Malafouris for the TD. The pass was originally intended to go over that he had gone on the field after the touchdown had been scored. Malafouris was finally allowed to boot the extra point that put the Devils ahead.

There was some confusion on the play as the Bears protested that a Grosse Pointe man had illegally stepped onto the field from the Wyandotte sideline. The referees ruled, however, he had gone on the field after the touchdown had been scored. Malafouris was finally allowed to boot the extra point that put the Devils ahead.

On Wyandotte's first play from scrimmage after the kick-off they attempted a long pass that was picked off by Malafouris on the 50-yard line. After he was brought down on the 25, a fist fight began that involved both players and fans. The cause of the melee is unknown. Possibly a too hard or too vicious block was thrown in the previous play. Or possibly it was just the result of an unnerved Wyandotte player who discouraged by the sudden defeat of his team lost his temper and began to swing his fists at the slightest provocation.

At any rate, no one was injured seriously and Homecoming was a dramatic success.

BCL Standings

Unitarians Plan Forum Oct. 29

Federal, state, county or city
government? This is the ques-
tion to be considered on Tues-
day, October 29, when the eve-
ning forum of the Grosse Pointe
Unitarian Church, 17150 Mau-
mee, meets at 8 o'clock.

Grosse Pointe area candidates
for County Supervisor, (1st and
3rd district), County Charter
Commissioner, (1st district),
State Legislature, (1st district),
and U.S. Congress, (14th dis-
trict), have been invited to dis-
cuss the issue of "Intergovern-
mental Relations and Respon-
sibilities," as well as their can-
didacies in the forthcoming elec-
tion.

Douglas Williams, National
board member of the Americans
for Democratic Action, will
moderate the forum. The meet-
ing is open to the public and
there is no admission charge.

Kenyon Choir To Sing Here

The congregations at both
the 9:30 and 11:15 services at
St. Michael's Church will hear
the 50-voice, all male choir of
Kenyon College, Gambier, O.
on Sunday, October 27.

This is a return engagement
for the very fine choral group,
which visited the parish just
two years ago. The men will
sing the parts of the services
and also give a short recital at
the beginning of each service.

A number of families in the
parish will be entertaining
members of the choir in their
homes. In charge of arrange-
ments for the weekend are Mr.
and Mrs. M. Richard Marr, of
Hawthorne road, Dr. and Mrs.
John Bradford, of Hamilton
court, and Mr. and Mrs. John
Barlow, of Lakecrest lane.

Club Dues Stolen At Maire School

Larry Wood, head engineer at
Maire School, called City police
on Thursday, October 17, to re-
port a breaking and entering at
the school.

Helen James, third grade
teacher at Maire, reported the
break-in to Mr. Wood. She told
officers that she discovered her
classroom had been entered
when she arrived at school that
morning. Her room is located
on the north end of the school
and is a portable.

The building was entered by
breaking a window on the east
side with a stone, opening the
lock, and climbing in through
the window.

Miss James, who is treasurer
of a teachers' club, reported
that the club dues, amounting
to \$142, had been taken from the
top drawer of her unlocked desk.

MUST DELIVER
People judge themselves by
what they plan to do in the
future—the world judges them
by what they have already done.

Detroiters Given Fines, Probation

When two Detroit young men
appeared before Grosse Pointe
Park Municipal Judge C. Jo-
seph Belanger two weeks ago
for different forms of thievery,
they received somewhat similar
stiff sentences.

Charles Sansone, 17 years old,
of 4161 Harvard, had a "break-
ing and entering" charge re-
duced from a felony to a misde-
meanor on recommendation of
Dale Devlin, of the Wayne Coun-
ty prosecutor's office.

Sansone, police said, had
broken into two different cars
parked in the St. Clare of Mon-
tealeo Church parking lot, and
stolen two tape recorders.

He made restitution of \$155.16
on one charge and \$104.35 on
the other. He also was fined
\$75 and \$75.00 court costs, placed
on six months probation, and
ordered to pay \$25 to the Pro-
bation Department.

James Battaglia, 19 years
old, of 472 Harding avenue, ar-
rested on June 5, on a charge of
"forging a credit card,"
stood mute before the judge.

Police said he had "switched
credit bills" at Jesse's Shell
station in Jefferson.
They reported that the charge
was reduced to simple larceny
after Battaglia made restitution
of \$65.75 to his employer and
paid \$40 probation costs. He was
placed on probation for one
year.

ELECTION NOTICE

To the Qualified Electors of the Wayne County Community College District, County of Wayne, State of Michigan:

NOTICE IS HEREBY GIVEN THAT AT THE GENERAL ELECTION TO BE HELD IN SAID WAYNE COUNTY COMMUNITY COLLEGE DISTRICT, COUNTY OF WAYNE, STATE OF MICHIGAN, IN THE REGULAR VOTING PLACE IN EACH ELECTION PRECINCT IN EACH CITY AND TOWNSHIP IN THE WAYNE COUNTY COMMUNITY COLLEGE DISTRICT, STATE OF MICHIGAN, ON TUESDAY, THE 5TH DAY OF NOVEMBER, 1968, BETWEEN THE HOURS OF 7:00 O'CLOCK A.M. AND 8:00 O'CLOCK P.M., THE FOLLOWING PROPOSITION WILL BE SUBMITTED TO THE ELECTORS OF SAID WAYNE COUNTY COMMUNITY COLLEGE DISTRICT:

WAYNE COUNTY COMMUNITY COLLEGE DISTRICT MAXIMUM ANNUAL TAX RATE PROPOSITION

Shall the annual tax rate for Wayne County Community College District be established at two and one-half (2½) mills on each dollar of assessed valuation, as equalized, of all taxable property in said Community College District, such rate if subject to the provisions of Article IX, Section 6 of the Michigan Constitution to be effective as an increase in the constitutional tax-rate limitation for a period of five (5) years, the years 1969 to 1973, inclusive?

All registered electors may vote on the Maximum Annual Tax Rate Proposition.

RESOLUTION OF BOARD OF TRUSTEES OF WAYNE COUNTY COMMUNITY COLLEGE DISTRICT

Whereas, under the provisions of Act No. 331 of 1966, as amended, this Board of Trustees is obligated to submit to the electors of this Community College District a proposition to establish a maximum annual tax rate for the Community College District;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. In compliance with the aforesaid statute, there shall be submitted to the qualified electors of Wayne County Community College District, at the General November Election to be held in said County on Tuesday, November 5, 1968, between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m., Eastern Standard Time, the following proposition:

Shall the annual tax rate for Wayne County Community College District be established at two and one-half (2½) mills on each dollar of assessed valuation, as equalized, of all taxable property in said Community College District, such rate if subject to the provisions of Article IX, Section 6 of the Michigan Constitution to be effective as an increase in the constitutional tax-rate limitation for a period of five (5) years, the years 1969 to 1973, inclusive?

COUNTY TREASURER'S STATEMENT

STATEMENT AS REQUIRED BY ACT 278 OF PUBLIC ACTS OF 1964
amending the Property Tax Limitation Act

I, Louis H. Funk, County Treasurer of Wayne County, Michigan, do hereby certify that, as of September 26, 1968, the total of all voted increases in excess of the Constitutional three-mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of the WAYNE COUNTY COMMUNITY COLLEGE DISTRICT

Two Wins, One Loss for Lions

By DuWayne Peterson

It was a great day for the Grosse Pointe Lions last Sunday as they won two and tied one against the Belleville Cougars. The Varsity and Junior Varsity won by scores of 27-6 and 34-7 while the Freshmen fought to a 0-0 tie.

The first score for the Varsity came midway in the second quarter when Steve Morrison and Dave Hyde combined for a 339 yard touchdown pass play. Morrison drove in for the extra point.

Just before the half ended Dave Hyde faked a punt and placed 46 yards for the score. Mark Neuman three the key block to spring Hyde loose. Joe Briggs crashed over for the extra point.

Early in the third quarter Mike Monaghan scored one for the defense by stealing the ball and dashing 52 yards. John Chancey blasted over for the conversion.

The last Lions' score came on a sustained drive of 41 yards with Hyde going the final three for his third touchdown of the day. Briggs and Chancey paced the drive with 15 and 13 yards to their credit.

Coach Don MacKenzie said, "This was a great team effort all the way and every boy on the team deserves credit for their determined play."

Outstanding on defense were Hyde, Briggs, Monaghan, Tom Steen, Barry Quinn, Pat Schwarz and Dave Coleman. The offensive line was paced by Myles Wilson, Dan Day, Vince Lynch and Dennis Livingston.

The Junior Varsity put on an awesome display of offensive power for the second week in a row. Rick Borland scampered 17 yards for a touchdown to

climax a 55 yard drive on the first series of downs. Alan Kilian got the extra point. It was Kilian on the end of a 40 yard drive for the second score. Joe Griffin punched in the extra point.

Just before the half ended John Coddie scampered down the sidelines for 70 yards, with Borland converting to make it 21-0, Lions at the half.

Midway in the third quarter the steamroller started again. This time the drive went 76 yards in ten plays with Joe Griffin outrunning the Cougars for the final 20 yards. Kevin Kluesner slipped in for the extra point.

The final Lion's touchdown was scored by Don Brower who broke several tacklers on his way to a 393-yard jaunt.

Coach Dan Hitchens praised the offensive line play of Matt Rohr, John Pollina, Bob Worrell, Chuck and Mike Roarty, Jim Gough and Don Brower.

The Freshmen almost made it a perfect day for the Lions. They outplayed the Cougars, but couldn't get the ball over the goal line. The best scoring

chance came in the second quarter when the Lion's were stopped on the five yard line. John Williams, Bob Conlan, and Bob Gough sparked the offensive while Tim Hurley, John Linne, Charles Ladd, Brian Myers, and Jim Quinn were outstanding on defense.

Next Sunday, October 27, will be the final Home Game of the season. The Lions will play the Roseville Mohawks at Neighborhood Field with the first game starting at 1 o'clock.

WARRANT ARREST
Woods police took custody of Ronald J. Groszick of 505 Fairwood drive, Ferndale, from Pleasant Ridge authorities, on Wednesday, October 16. The Woods was notified that Groszick had been arrested by Pleasant Ridge police, for a traffic offense, and in checking the man's record, found that

Those who take time to live have found the secret of success.

ELECTION NOTICE

To the Qualified Electors of the County of Wayne, State of Michigan:

NOTICE IS HEREBY GIVEN THAT AT THE GENERAL ELECTION TO BE HELD IN SAID COUNTY OF WAYNE, STATE OF MICHIGAN, IN THE REGULAR VOTING PLACE IN EACH ELECTION PRECINCT IN EACH CITY AND TOWNSHIP IN THE COUNTY OF WAYNE, STATE OF MICHIGAN, ON TUESDAY, THE 5TH DAY OF NOVEMBER, 1968, BETWEEN THE HOURS OF 7:00 O'CLOCK A.M. AND 8:00 O'CLOCK P.M., THE FOLLOWING PROPOSITION WILL BE SUBMITTED TO THE ELECTORS OF SAID COUNTY:

COUNTRY HOME RULE PROPOSITION

"Shall the County of Wayne elect a charter commission for the purpose of framing and submitting to the electorate of the County a county home rule charter under the constitution and laws of Michigan?"

All registered electors may vote on the Home Rule Proposition.

This proposition is being submitted in accordance with the following resolution duly adopted by the Board of Supervisors of said County on the 18th day of June, 1968.

RESOLVED, by the Board of Supervisors of the County of Wayne, this 18th day of June, 1968:

1. That there be submitted to the qualified electorate of the County of Wayne, State of Michigan, at the general election to be held in said County on Tuesday, November 5, 1968, the following question:

"Shall the County of Wayne elect a charter commission for the purpose of framing and submitting to the electorate of the County a county home rule charter under the constitution and laws of Michigan?"

2. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law be, and they hereby are, directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing proposition to the electorate of said County at such primary election to be held on Tuesday, November 5, 1968.

THIS NOTICE is given pursuant to the statutes of the State of Michigan in such case made and provided and pursuant to resolution of the Board of Supervisors herein set forth.

THIS NOTICE APPROVED AS TO FORM AND SUBSTANCE.

CITY OF
Grosse Pointe Woods
WAYNE COUNTY, MICHIGAN
ELECTION NOTICE
of the
GENERAL NOVEMBER ELECTION
to be held in the
CITY OF GROSSE POINTE WOODS

YOU ARE HEREBY NOTIFIED that at the General November Election to be held on Tuesday, November 5, 1968 the duly qualified and registered voters of this City will vote for the following officers:

NATIONAL:
Electors of President and Vice-President of the United States

CONGRESSIONAL:
Representative in Congress

LEGISLATIVE:
Representative in State Legislature

COUNTY:
Prosecuting Attorney
Sheriff
County Clerk
County Treasurer
Register of Deeds
County Auditor
Drain Commissioner
County Supervisor

JUDICIAL:
One Justice of the Supreme Court
One Judge of the Court of Appeals
—First District
One Judge of the Circuit Court
—Third Judicial Circuit
(to fill vacancy)
One Judge of the Probate Court
(to fill vacancy)

One Charter Commissioner
—First District

COUNTY PROPOSITIONS
MAXIMUM ANNUAL TAX RATE PROPOSITION
Shall the annual tax rate for Wayne County Community College District be established at two and one-half (2½) mills on each dollar of assessed valuation, as equalized, of all taxable property in said Community College District, such rate if subject to the provisions of Article IX, Section 6 of the Michigan Constitution to be effective as an increase in the constitutional tax-rate limitation for a period of five (5) years, the years 1969 to 1973, inclusive?

COUNTY HOME RULE PROPOSITION
Shall the County of Wayne elect a charter commission for the purpose of framing and submitting to the electorate of the County a county home rule charter under the constitution and laws of Michigan?

STATE PROPOSITIONS
PROPOSAL No. 1
PROPOSED AMENDMENT TO REMOVE THE PRESENT RESTRICTION AGAINST THE ADOPTION OF A GRADUATED INCOME TAX
Shall Section 7 of Article IX of the State Constitution be amended to read as follows:
"An income tax at flat rates or graduated as to rate or base may be imposed by the state or any of its subdivisions?"

PROPOSAL No. 2
REFERENDUM ON ACT 6 OF THE PUBLIC ACTS OF 1967 (DAYLIGHT SAVINGS TIME)
Public Act 6 provides that Michigan shall be exempted from observing Daylight Savings Time. The purpose of this referendum is to approve or reject this act.
SHALL THE STATE OF MICHIGAN OBSERVE DAYLIGHT SAVINGS TIME?

PROPOSAL No. 3
REFERENDUM ON ACT 76 OF THE PUBLIC ACTS OF 1968 (PROPOSAL RELATING TO BONDING TO ABATE WATER POLLUTION)
Shall the state of Michigan borrow the sum of \$335,000,000.00 and issue general obligation bonds of the state therefor pledging the full faith and credit of the state for the payment of principal and interest thereon for the purpose of planning, acquiring and constructing facilities for the prevention and abatement of water pollution and for making of grants, loans and advances to municipalities, political subdivisions and agencies of the state for such purposes, the method of repayment of said bonds to be from the general fund of the state?

PROPOSAL No. 4
REFERENDUM ON ACT 257 OF THE PUBLIC ACTS OF 1968 (PROPOSAL RELATING TO BONDING FOR PUBLIC RECREATIONAL PURPOSES)
Shall the state of Michigan borrow the sum of \$100,000,000.00 and issue general obligation bonds of the state therefor pledging the full faith and credit of the state for the payment of principal and interest thereon for public recreational facilities and programs consisting of land acquisition and the development of parks, forest and wildlife areas, fisheries and other facilities used or useful for public recreational purposes and for the making of grants, loans and advances to political subdivisions and agencies of the state for such recreational purposes, the method of repayment of said bonds to be from the general fund of the state?

PROPOSAL No. 5
PROPOSED AMENDMENT TO PERMIT THE ELECTION OF MEMBERS OF THE LEGISLATURE DURING THEIR TERM OF OFFICE TO ANOTHER OFFICE
Section 9 of Article IV of the State Constitution now prohibits the election as well as the appointment of members of the Legislature during their term of office to another state office.
SHALL THIS SECTION BE AMENDED TO PERMIT THEIR ELECTION TO ANOTHER OFFICE?

YOU ARE FURTHER NOTIFIED that the Polls for said Election shall be open from 7:00 A.M. o'clock to 8:00 P.M. o'clock Eastern Standard Time.
YOU ARE FURTHER NOTIFIED that the POLLING PLACES for said Election are as follows:

Precinct No. 1 Parcels School	20600 Mack Avenue
Precinct No. 2 Barnes School	20090 Morningside Drive
Precinct No. 3 Mason School	1640 Vernier Road
Precinct No. 4 Mason School	1640 Vernier Road

'Yes' Votes Are Needed

We believe that the abatement of creeping water pollution, and the expansion of Michigan's recreational facilities, which include the development of park, forest, fishing and hunting areas, can be realized if the citizens of our state vote "YES," on Proposals No. 3 and No. 4, at the general election on November 5.

No matter what a person's political party may be, he should carefully consider these important proposals, which certainly are vital to the future of glorious Michigan. It certainly is the responsibility of people living today to act to preserve Michigan's natural resources for future generations.

If something is not done now to halt the dreadful progress of pollution filtering into our lakes and streams, and to improve and expand our public recreation system, the state's billion-dollar tourist business will suffer greatly.

Endorsed by business, industrial, labor, professional, municipal and civic leaders, the adoption of these two proposals is extremely vital to Michigan's future well being.

Now is the time when all those who have been complaining about water pollution, and the danger of losing a substantial percentage of the huge tourist business, have a grand opportunity to do something about a rapidly growing problem. It's a sure shot that the future of Michigan will depend upon how you vote on these proposals.

Briefly, passage of proposal No. 3 will permit a \$335 million bond issue for sewage treatment plants, and sewer construction. Proposal 4 is a \$100 million dollar bond issue for parks and recreation.

It is estimated that, for an investment of only \$435 million in state money, through bonding, "Michigan can get \$1.37 billion, when Federal and local funds are matched to it."

It seems to us that the passage of both these proposals may be as important to everyone's welfare, and to Michigan's future, as the choice you make for President. We believe it will greatly benefit our state, and you, if you vote YES on Proposals No. 3 and No. 4, on November 5.

Public Schools in Focus

By Dr. Theos. I. Anderson, Superintendent of Schools.

With our three, hopefully broadly cross-representational School Study Committees due to begin functioning within the next month, I wish to devote several columns to providing some information on the three problem areas in public education facing the Grosse Pointes.

As you know, one group, the Millage Committee, will study the educational program as it relates to the millage requirements. Prior to the expiration of our present voted millage in June, 1970, it is requested that the Committee inform itself about the on-going educational program and make findings and suggestions to the Board of Education by attempting to answer these questions:

1. What should be the level of the educational program that would be supported by the new millage?
2. In terms of the operation costs what expenditures would be needed to finance such a program?
3. What are the suggested revenue sources required to

finance the above program?

The Board will request that the Committee present its findings to the trustees as soon as possible, but not later than May 1, 1969. Of course, it is understood that all such recommendations are not binding on the Board of Education and that the Committee's responsibilities will have been fulfilled when these findings and suggestions have been made.

Thus, we are asking the public to decide whether or not it will maintain the current instructional program at all levels. Related to this decision, of course, is whether or not to contract, maintain or expand such present programs as music, remedial reading, and art at the elementary level, various enrichment activities at the middle school level, and such opportunities as advanced courses in the senior high schools.

Even to maintain the status quo will not be inexpensive. To hire the professional staff needed to improve educational program costs more and more each year.

Letters to the Editor

To the Editor:

All citizens of the Grosse Pointe communities, I am certain, believe strongly in the right of each graduate of our high schools to pursue further education. Many will attend four year colleges or universities. Others will wish to attend a community college. Presently many of the latter group are taking advantage of opportunities offered through the generosity of Macomb County Community College.

With the increasing pressure upon the Macomb County Community College to care for the needs of resident students, our Grosse Pointe young people will soon be denied attendance. A letter from John R. Dimitry, President of the Macomb County Community College, under date of October 4, 1968, includes the following, "Our South and Center Campuses are currently used to maximum capacity. The non-resident student (usually from Wayne County) contributes to this condition of maximum capacity. In order to allow projected students from Macomb County to enroll, the number and percent of non-resident students will have to be reduced in the near future."

There is a remedy for this approaching critical situation. At the general election, November 5, opportunity is given to us to authorize the Board of

Trustees of the Wayne County Community College District to levy up to 2.5 mills of tax on real and personal property to begin implementation of a program in Wayne County for Wayne County residents. This proposal deserves the support of all of us who believe that Grosse Pointe should carry its share of the load in providing educational facilities for our young people.

Charles E. Brake, Chairman, Committee for Community College

Dear Mr. Edgar,
On behalf of the Grosse Pointe Branch of the American Association of University Women, I want to thank the Grosse Pointe News and the community of Grosse Pointe for the support given to our Annual Booksale, October 1-4, 1968.

The generous donations given by the people of Grosse Pointe made it possible for us to collect over 15,000 books. This not only provided a service to the community by being able to offer a variety of reading at very low prices, but enabled us to contribute to our Fellowship Program which finances graduate study for women both here in this country and abroad. Our remaining books were sent to the Detroit House of Correction and not Jackson

Memorial Center Schedule

October 24-October 31. Open Daily 9 a.m.-9 p.m.
* All Memorial-sponsored activities open to the Grosse Pointe public. Hospital equipment available for free loan: crutches, wheel chairs, heating lamps and hospital beds.

GROSSE POINTE GARDEN CENTER AND LENDING LIBRARY. Mrs. Harry Frost on duty Tuesday, Wednesday, Thursday, 10 a.m.-4 p.m. Volunteer consultant on duty Friday, 2-4 p.m. TU 1-4594.

Thursday, October 24

* 9:30 a.m. & 12:30 p.m. Beading Gowns & Sweaters. Mrs. Richard Wadnitz, Instructor.

Prison as previously stated.

Hoping that this annual event will again receive your support next year.

In appreciation,

Mary Louise Borech (Mrs. Urban W.)

Booksale Chairman

American Association of University Women

Grosse Pointe Branch

To The Editor:

I find Mr. Willis Brown's letter, as quoted, shocking. To quote: "Even with the advance-

ment on the present salary schedule, some teachers are taking home less money than they were one year ago because of the increased deductions for taxes and social security."

This is supposed to be the idea. All of us are expected to take home less money than last year. If we make more than last year, we are then to pay even more. This is what the 10 per cent surtax is about. Add to it the state income tax and there will be less. Inflation added to said,

that and just what do the teachers expect? It would seem to me, the answer should be less. The average person did not plan it that way, but the answer comes out the same. If we all expect to come out better than last year, each succeeding year, look out INFLATION, here we come! Isn't this one of the big complaints today from every-

Very truly yours,
Virgil P. Goodman, M.D.
762 Bedford Road

TELLS OF THEFT
Farms police received a complaint from Dora and Dale McGraw of 435 Moran road, on Tuesday, October 15, in which they stated that their car, which had been involved in an accident on September 20, had been stripped of its battery and a tire and bronze rim. The vehicle was in a service station at 18250 Mack avenue, and the theft took place sometime after 10 p.m. on October 14, they said.

What Goes On at Your Library

By Virginia Leonard

We would like to call your attention to the fourth and final lecture on Twentieth Century American Statesmen to be delivered at the Fries Auditorium on November 1 at 8 o'clock by Professor William H. Harbaugh of the Department of History at the University of Virginia. Professor Harbaugh's subject will be Theodore Roosevelt; the lecture will be open to the public and is sponsored by the Society of Mayflower Descendants in Michigan and the William Lyon Phelps Foundation of Detroit. Professor Harbaugh would seem to be an authority on his subject, as he is the author of THE LIFE AND TIMES OF THEODORE ROOSEVELT, and editor of WRITINGS OF THEODORE ROOSEVELT, published in 1967.

Have you ever heard of Dr. Isaac Asimov? Chances are you have, as he is now the author of one hundred (yes, we said one hundred!) books.

We have before us a brochure put out by the Doubleday Company commemorating Dr. Asimov's great feat. The brochure includes a photograph of this forty-eight-year-old "genius" (the quote is from Doubleday) relaxing in what is probably his writing chair, between a typewriter and a world globe. He looks relaxed and thoughtful—possibly planning his one hundred and first book! Dr. Asimov is an associate professor of biochemistry at Boston University School of Medicine. His first book was published less than twenty years ago (PEBBLE IN THE SKY—now out-of-print). Thus it is suggested that by 1980 he very well may have written an even 200 volumes. Dr. Asimov types 90 words a minute; he produces as many as thirty-five pages of manuscript a day, and has been known to complete a children's book in a weekend, and an adult book in less than two weeks. (If you are acquainted with his works, you do know that Dr. Asimov writes both adult and juvenile books!)

In addition to books, he also has hundreds of articles to his credit in publications, ranging from ESQUIRE to pamphlets of Coche and Connie Earl, Instructors.

* 7:30 p.m. Recorder Playing—William Pratt, Instructor.

* 7:45 p.m. Adult Ballet—Mary Ellen Cooper, Instructor.

* 8:00 p.m. "Ski Over McKinley" presented by Hans Gmoser; \$2.50 for members of Adult Ski Club, \$1.75 for Ski Members, \$2.75 guests.

Thursday, October 31

* 10:00 a.m. Braille Transcription Class—Mrs. John Mc-Mamara, Instructor.

10:30 a.m. & 1:00 p.m. Grosse Pointe Garden Center Bonsai Workshop. Open to Garden Center members and prospective members.

* 12:00 noon Duplicate Bridge—Mrs. Marvin Bourget, Director.

* 1:00 p.m. Creative Stitchery & Wall Hanging—Mrs. Marshall Massey, Instructor.

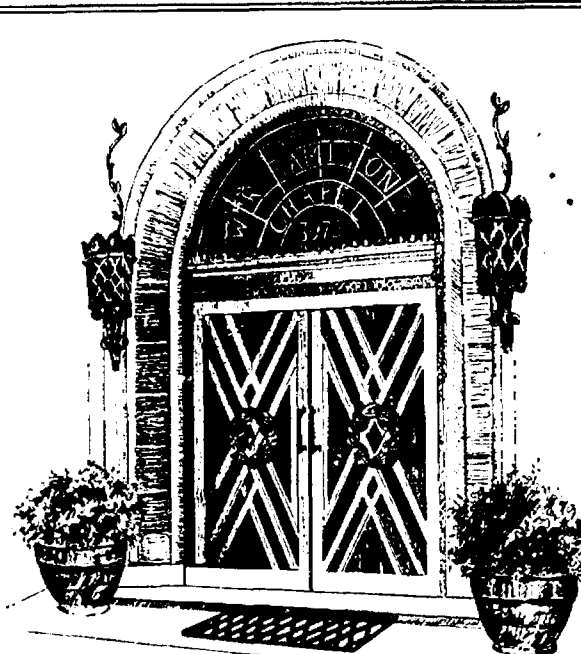

1:00 p.m. Michigan Blue Cross-Blue Shield Meeting.

* 4:00 p.m. Ballet—Mary Ellen Cooper, Instructor.

7:00 p.m. & 10:00 p.m. Halloween Junior Other Side for grades 7 and 8; ticket purchase through schools only.

* 7:30 p.m. Recorder Playing—William Pratt, Instructor.

* 7:30 p.m. Classical Guitar—Mr. Brian Crowe, Instructor.

What's New on THE HILL...

by Sibyl

Decorative Dazzle... Exotic East Indian fabrics are used to cover unusual accent pillows at Denler, 77 Kercheval. The colors are glorious and some patterns are scattered with mirror paillettes.

While League Shopping... we noticed several smart ladies shopping for Christmas. It's really an excellent idea and at 98 Kercheval there is a plentiful new selection of gifts... everything from newly arrived antique furniture to cheery Christmas china and glasses.

Busy! Busy!... If your husband is too busy to shop for coats and suits even with Picard-Norton's convenient hours (9:00 a.m. until 6:00 p.m.), Shep Norton suggests you take a few things home on approval. We know many helpful wives who keep executive wardrobes workable this very way.

Miss Dorothy Patterson... is back from New York with many early Christmas items for your early choice. Select them at Margaret Rice and put them aside to insure your choice. Most of them are import items and may not be available later.

We hear music... and Joe Wagstaff is there. Where? The Bronze Door, 123 Kercheval. He entertains nightly at the piano bar with melodic mixtures of old favorites and new show tunes. Call 886-1932 for dinner reservations. It's also smart to make luncheon reservations.

"At Home"... is in the fashion scene. It's no wonder with the beautiful entertaining fashions to wear. At the Touch of Elegance in the Colonial Federal Building, there's an outstanding collection. A wool boucle culotte comes in shrimp and is bibbed with sparkling beads... one hundred twenty-five dollars. The long straight shirt boucle in delicious cognac wool boucle is jeweled at the neck and cuffs... one hundred twenty-five dollars. A pretty pink and green plaid wool robe is sixty-five dollars. A swinging wide wale marine blue culotte is lined in red jersey and dashing sashed... thirty-five dollars. There are lots of at-home party ideas in a wide price range.

Mirror... whose the fairest? The lighted vanity make-up mirrors at Trail are positive beauty aids. They reverse and have a handy place for the tools of your make-up trade. They come in gold, ivory or gold-leaf pattern and are twenty or twenty-five dollars at 121 Kercheval.

We were curious... Who collects Eskimo art? Men or women? The Mermaid told us both. To us the mood is masculine and these original, signed pieces of sculpture would make excellent gifts for a man's office or library. See the new selection of Arctic animals... from little to large.

Mr. Sheridan-Books... 81 Kercheval, recommends "Bide Me Fair," a new historical novel by Harvey Howells. It is a glowing saga of a Scottish family from the Boer War through the Battle of Britain. Call 881-1671 or 881-2916 for delivery.

Exploring... downstairs in the Colonial Federal Building we discovered a new shop. Certified Carpets. We met Mr. Hugh White and he showed us the fine selection of patterned area rugs, Oriental and "Carpets a la Carte." Custom carpet cleaning is available and a custom drapery service.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

This year, it's Christ Church's turn to present Grosse Pointe's biggest annual Christmas Fair . . . and THIS YEAR, the Fair Committee fervently prays there'll be no "picturesque" First Snowfall on Fair Day . . .

Remember back two years ago, (Christ Church and Grosse Pointe Memorial Church alternate Fair sponsorship years), when Christ Church Fair workers and goers awoke to find the snow that began in the gloaming had continued all through the night and WAS STILL CONTINUING!

Streets were ice, sidewalks slush. The canopy leading into the Church collapsed under its burden of white, wet pressure.

Luckily, 1966 was the Year of the Kneebot: Fashion had decreed a somewhat military Winter look for ladies, and many Pointers, (Oh, we ARE a fashion-conscious group! . . .), had already purchased their tall, waterproof footgear in anticipation of the snowy season . . .

We learned early that the kneebot was practical as well as handsome.

But the '66 Christ Church Fair, despite the weather, was a resounding success. It always is: If the reputation of its merchandise unsurpassed among Church Fairs in quality, quantity and variety, weren't enough to "sell" it, the delightful personalities of its volunteer personnel would. This is a happy Fair.

Christ Church Fair 1968 is scheduled for Thursday, November 7, (that's the first Thursday in November), from 10 in the morning until 5 in the afternoon at the Church in Grosse Pointe boulevard.

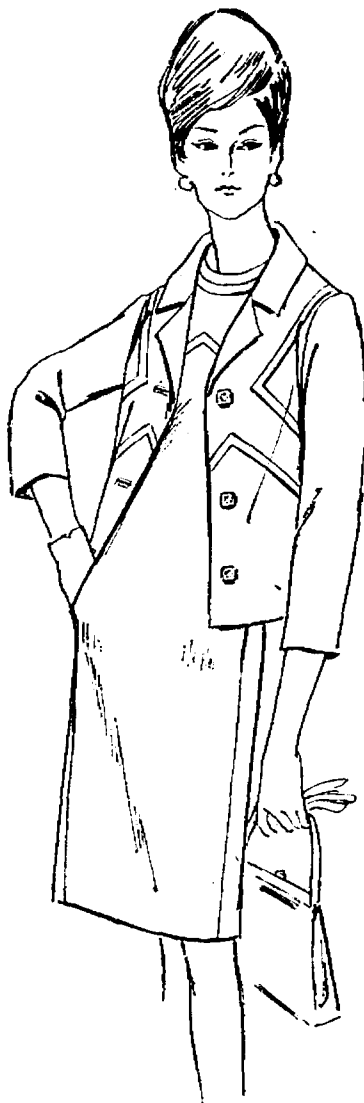

We'll be there—even if it snows. We still have our a-little-more-than-two-year-old kneebots.

Holiday Mart

The annual Holiday Mart, sponsored by the Gift Shop Guild of the Women's Auxiliary to Cottage Hospital, is, of course, smaller than the Christ Church Fair: But is a single jewel less lovely, in itself, than an entire bracelet fashioned of jewel-studded links.

The Holiday Mart is a "jewel" of a happening. This year, it will be held one day only, on Friday, November 1, from 9:30 in the morning until 6 in the evening at the Cottage Hospital Nurses' Residence in Ridge road.

General chairman is Mrs. Paul Moreland. Co-chairman is Mrs. Howard Maynard. They promise a very interesting and exciting assortment of gifts for each member. (Continued on Page 25)

Plan Pointe Symphony Fashion Fete

Photo by Eddie McGrath, Jr.

"Winter, High Style" is the theme of the benefit fashion show and luncheon being planned by the Grosse Pointe Symphony Women's Committee for Wednesday, November 6, in the Grosse Pointe War Memorial's Fries Auditorium. MRS. WILLIAM E. BARRY, benefit chairman, MRS. LESTER A. McIN-

TOSH, ticket co-chairman, and MRS. STERLING S. SANFORD, general chairman of the Symphony Women's Committee (left to right), are among local ladies working to assure the success of the party, which will feature fashions and a boutique by Touch of Elegance.

Merit Scholarship Qualifying Test (NMSQT) have been awarded to three students at St. Paul High School, Principal SISTER ANN JUDITH has announced. Those named Commended Students are SUE DEPONIO, daughter of MR. and MRS. GILBERT DEPONIO, of Williams road, JOHN DUKER, son of MR. and MRS. PAUL DUKER, of Lincoln road, and BILL WELCH, son of MR. and MRS. MARTIN WELCH, of Anita avenue. They are among 39,000 students in the United States who scored in the upper two percent of those who will be graduated from high school in 1969.

WILLIAM SHERMAN BLAKESLEE, III, son of MR. and MRS. WILLIAM SHERMAN BLAKESLEE, II, of Warner road, was a member of the 1968 Michigan State University Homecoming committee. A

graduate of Grosse Pointe High School, he is an MSU junior, majoring in Economics, and a member of the MSU baseball team, Mass Media Committee of Associated Students of Michigan State University and Delta Tau Delta fraternity.

Home again in Woodland place after a Scandinavian cruise are MR. and MRS. GEORGE N. MUNRO, III.

Pointer MRS. HELENE NORDSTROM was elected first vice-president of the Michigan Music Teachers Association at that organization's convention held at Western Michigan University, Kalamazoo, October 13 through 15.

Detroit Institute of Technology students JAMES STANDISH, of Moross road, and LAURENCE CRITCHFIELD, of

Fisher road, are listed in the 1968 edition of "Who's Who Among Students in American Universities and Colleges."

DR. PAUL VERNON WHITMORE, son of MRS. N. M. WHITMORE, of Vernier road, returned home last week from assignment in Vietnam, attached to the First Air Cavalry Division, United States Army—and was greeted by old friends, neighbors, relatives, lawn signs advertising his arrival and champagne! The "Welcome Home" party was arranged by the ROBERT SCHULTZ family, of Lennon road. Captain Whitmore, who received his M.D. de-

Set Eastern College Committee Meeting

Alumnae of Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar and Wellesley to Gather in Pointe Next Tuesday

The Detroit Committee for Seven Eastern Women's Colleges will hold its annual meeting and tea on Tuesday, October 29, at 2 o'clock at the home of Mrs. Stanford N. Phelps in Touraine road.

The Committee is comprised of Alumnae of Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar and Wellesley Colleges. Mrs. Robert Hamilton, of Moran road, is chairman of the event.

The new officers and committee chairmen include general chairman Mrs. Perry L. TeWalt, of Lincoln road, Smith; project chairman Mrs. E. N. Vieira, of Bloomfield Hills, Mount Holyoke; vice-chairman Mrs. Philip M. Essig of Birmingham, Radcliffe; corresponding secretary Mrs. Bruce Steinhauer, of Bishop road, Bryn Mawr; recording secretary Mrs. Philip G. Moon, of Birmingham, Smith; treasurer Mrs. Kenneth McCoy, of Merriweather road, Mount Holyoke; and college information chairman Mrs. Daniel Boone, of East Jefferson avenue, Detroit, Barnard. Others are patroness chairman Mrs. William C. Ibershof, of Birmingham, Vassar; publicity chairman Mrs. Robert A.

Patterson, of Hollywood avenue, Wellesley; ticket chairman Mrs. William K. Davenport, of Bloomfield Hills, Smith; and special events chairman Mrs. Robert Hamilton, of Moran road, Smith.

Work on the program book for the committee's 1968 project will be headed by Mrs. William T. McNaughton, Wellesley. Assisting her will be program treasurer, also in charge of layout, Mrs. Rodman Turner, Wellesley.

Presidents for the individual college clubs are: Barnard, Mrs. Patrick Ennis; Bryn Mawr, Mrs. G. William Duffield; Mount Holyoke, Mrs. Steele R. Sellers; Radcliffe, Mrs. Edward S. Coe; Smith, Mrs. Edward S. Coe; Vassar, Mrs. Julian Greenebaum; Wellesley-Birmingham, Mrs. Edward S. Reid, Jr.; and Wellesley-Detroit, Mrs. Raymond A. Brown.

gree in 1966 from the University of Michigan, received his commission through the Reserve Officer Training Corps program. His wife, Marilyn, and daughter, TRACIE LYNN, have been making their home with Marilyn's parents, MR. and MRS. EARL FROELICH, of Lennon road, during Captain Whitmore's absence; now the Whitmore trio will be moving next month to Maryland, where he will start a three-year Residency in Ophthalmology at Walter Reed Army Hospital. Dr. Whitmore, who will soon be 28, studied at Mason and Parcells Schools and was graduated from Grosse Pointe High School in 1958.

ROBERT A. VIEWEG of Lincoln road was elected chairman of the Detroit Area Council on World Affairs-Young Adult Committee at a recent general membership meeting of the group. As chairman of the Young Adults, Mr. Vieweg will serve on the Board of Directors of the Senior Council. At the same meeting PHILIP L. DULMAGE of McKinley avenue was elected as publicity director of the Young Adults and JAMES P. CRAWFORD of Lincoln road was elected to the office of promotions chairman. (Continued on Page 31)

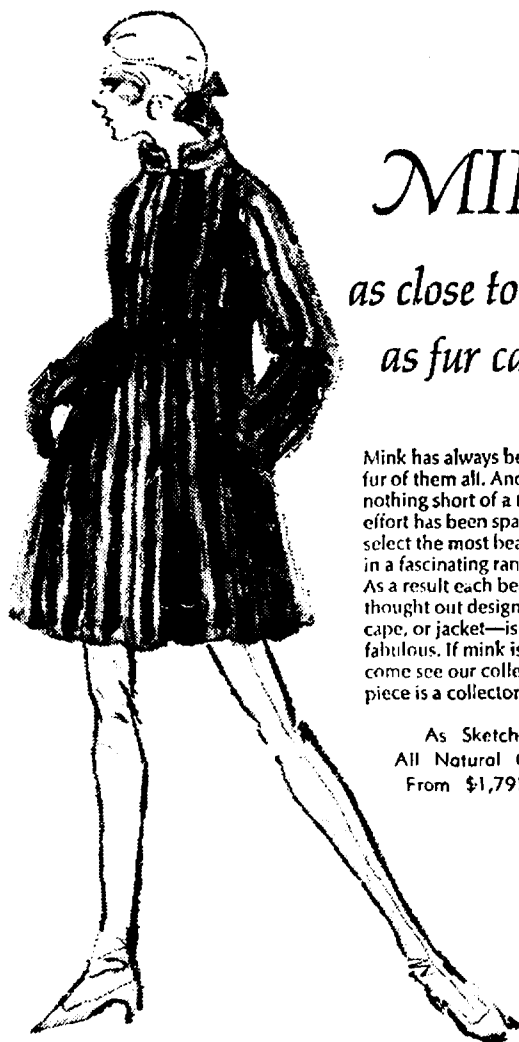

This is an up-up-and-away.

It serves champagne and movies and jets you to somewhere wonderful. We hope you have the best vacation ever and we'll help make it so by solving all your hair problems before you go. We'll cut your own hair. Shape it. Figure out a style that requires mini-care. Then we'll fix up the hair that isn't your own. Clean your hairpieces. Set them. Re-style. Or make something brand new. Once you get there, the language may be a problem, but never your hair. Like to up-up-and-away this way? Then book a little time with us now.

MINK

as close to heaven as fur can be...

Mink has always been the most fur of them all. And this year it's nothing short of a triumph. No effort has been spared by us to select the most beautiful skins in a fascinating range of shades. As a result each beautifully thought out design—be it coat, cape, or jacket—is frankly fabulous. If mink is your style, come see our collection—each piece is a collector's item.

Boat Club Sets Halloween Fete

The Grosse Pointe Boat Club's Halloween masquerade party is scheduled to begin at 8 o'clock Friday evening, November 1, at Alger Post 992 in St. Paul avenue.

Dancing, singing, games, snacks and a midnight spaghetti dinner will be featured. Chairman and co-chairman are Al Turney and Louise Hoyt. Their committee members include Wayne Walerych, Christine Jackson and Russ and Betty Davis.

Reservations, at \$3 per person, must be made by Monday, October 28, by contacting Susie Turney, 885-3918.

able chiffon trains, their Empire waistlines accented with lace applique roses, were Patricia Walker, who served as her sister's honor attendant, and bridesmaids Mrs. Ross Ingrao and Peggy O'Neal, sister of the bridegroom.

Their gold chiffon rose headpieces held bouffant veils, and they carried arrangements of gold mums and yellow tea roses with green ribbon streamers.

Best man was Ross Ingrao. Dean Kobbs and William D. Walker, brother of the bride, seated the guests.

The bride's mother selected a sun-gold acetate shantung coat and dress ensemble and a green cymbidium orchid corsage. The bridegroom's mother chose a dove grey silk brocade dress and matching coat, and a pink cymbidium orchid corsage.

The newlyweds have returned from a vacation in Toronto and are making their home in Cheboygan.

Northeastern Women To Meet October 28

Northeastern Women's Club will meet Monday, October 28, at 1:30 o'clock at Calvin East United Presbyterian Church in Cadieux road, Detroit, for a program, "Slides and Talk on Australia," by Wananda Klonka. Hostesses will be Kathryn Casaroli and Mary Temple.

PHYLIS LORRAINE WALKER became Mr. O'Neal's bride at a Saturday, October 5, ceremony in St. Philomena Church. She is the daughter of the William T. Walkers, of McKinley avenue. The bridegroom is the son of Mr. and Mrs. Albert E. O'Neal, II, of University place.

James Rockett Weds In East

St. Gregory the Great Church, Lebanon, Pa., was the setting for the Saturday, September 28, wedding of Suzanne Gross, daughter of Mr. and Mrs. Anthony Gross, of Lebanon, and James Randall Rockett, son of Mrs. Eileen Rockett, of Brys drive, and the late John A. Rockett.

The Reverend Lawrence C. Gross officiated at the double ring morning ceremony, which was followed by a reception at Gertrude's Club.

The newlyweds vacationed in Virginia and are making their home in Norfolk, Va.

The bride, given in marriage by her father, wore a cage gown of Chantilly lace, fashioned with a Cathedral train, and a crown headpiece of Chantilly lace and seed pearl petals, holding an illusion veil.

She carried an arrangement of white carnations and orchids.

Honor maid Laura Gross, sister of the bride, selected an Empire frock of yellow Karate cloth. In identically styled gowns of green Karate cloth were bridesmaids Deborah Simpson, Juanna Eaton and Rosann Lengle.

Best man was Karl Lengle. Frank Simpson, Larry Eaton, Donald Lengle and John Gross, the bride's brother, seated the guests.

The mother of the bride wore an aqua lace dress while the bridegroom's mother chose a shell pink, beaded ensemble. Both mothers selected white cymbidium orchid corsages.

Out-of-town guests included Mr. and Mrs. Thomas Wallace and Richard Rockett, the bridegroom's cousin, of Detroit, and Mr. and Mrs. Andrew Kaloz and their family, of Lincoln Park.

Christmas Idea Classes Slated

Christmas decorations classes begin at the Grosse Pointe War Memorial October 25 and will continue for seven weeks on Fridays. There will be two 2½-hour sections—one from 9:30 to noon and the other from 1 to 3:30 o'clock.

Mrs. Richard T. Gerathy is the instructor and the fee for the term is \$25.

Mrs. Gerathy is an accredited flower show judge and has taught flower arranging and decorations at the Grosse Pointe War Memorial and throughout Michigan for many years. She teaches unusual decorative ideas that can be

achieved at a fraction of the cost if bought.

Included in items which students will learn to make are boutique accessories, cone wreaths, swags, candle arrangements, topiary trees, stair decorations, ideas for doorways and many distinctive gift ideas.

Enrollments for the Christmas Decorations group now are being taken at the Grosse Pointe War Memorial.

MODERN MIRACLE

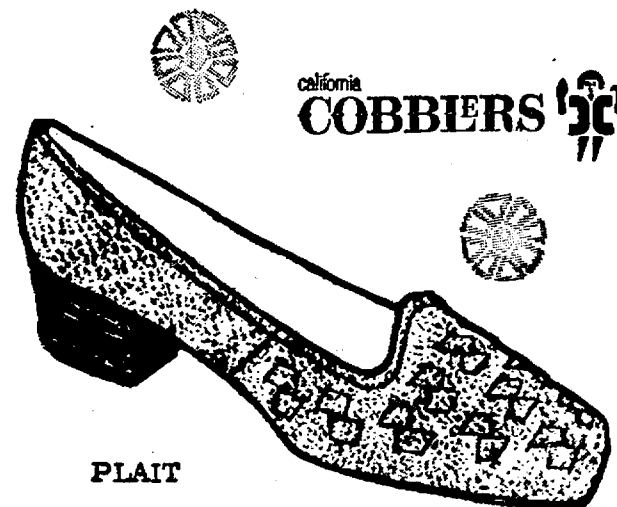

Happy is the family that occupies a home where there is no room for doubt.

Salvation Army Auxiliary Is Planning Holiday Fair

The Salvation Army Auxiliary has announced plans for its 19th annual Holiday Fair to be held this year on Thursday, October 24, in the Crystal Ballroom of the Pick-Fort Shelby Hotel, from 10 to 5 o'clock.

Entire proceeds from this project will be used to further the work of the Salvation Army in the Detroit area.

Items to be featured at the Fair include housecoats and aprons, freshly baked goods, needlework, and fresh and well as home-canned fruits and vegetables.

Mary Connell Bride Of John S. C. Leavitt

Wears Mother's Ivory Satin Wedding Gown for Morning Rites in St. Ambrose Church; Green Velvet Trims Attendant's Beige Frocks.

Making their home in Wauwatosa, Wis., are Mr. and Mrs. John Sheldon Clark Leavitt, who exchanged marriage vows Saturday, October 12, in St. Ambrose Church. Monsignor Lawrence Graven officiated at the 11 o'clock rites.

Following a wedding breakfast at Georgian Inn, the bride's parents, Mr. and Mrs. Edward P. Connell, entertained at a reception in their Pemberton road home.

The bride, the former Carolyn Connell, wore her mother's wedding gown of ivory satin, styled with a round neckline and long sleeves. Her skirt swept into a full train and floral-design satin braid accented her fitted bodice.

Her wrist length ivory illusion veil fell from a cluster of ivory flowers, and she carried a bouquet of white roses and trailing ivy, centered with a white orchid.

Jean Connell served as her

sister's honor attendant. Bridesmaids were Mrs. Kenneth McAdams, Mary Savage, of Fox Point, Wis., and Eileen Leo, of Minneapolis, Minn.

Willow green velvet trimmed their slim, floor length frocks of beige peau overlaid with heavy string eyelet. Their flower mums with trailing ivy.

The bridegroom, son of Dr. and Mrs. Samuel S. Leavitt, of Orland Park, Ill., asked James F. McKenna, Jr., of Milwaukee, Wis., to act as best man.

Ushering were Edward P. Connell, Jr., brother of the bride, Gerald Zinn, of Chicago Ridge, Ill., and Andrew Askin, of Pittsburgh, Pa.

A deep gold silk shantung

Villagers Plan Dance Oct. 26

The Villagers Dance Committee met last Sunday at the home of Mr. and Mrs. David Ehlert of Oxford Road to plan the coming season for the group. Villagers will celebrate their twenty-first year this season and are planning a special celebration in honor of that event.

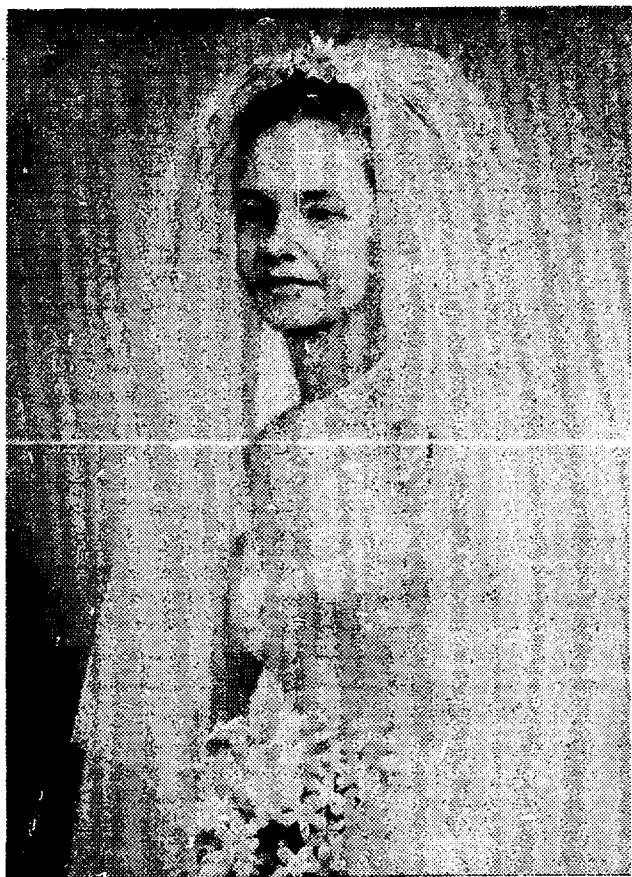

The first dance of the season will be held at the Grosse Pointe Yacht Club on Saturday, October 26. The host couples for this dance will be Mr. and Mrs. David Ehlert and Mr. and Mrs. John V. Rini of Robert John Road.

Serving on the committee this year are: Mr. and Mrs. Richard Lytle, chairman; Mr. and Mrs. John Crane, Mr. and Mrs. David Ehlert, Mr. and Mrs. Tom Hosea, Mr. and Mrs. Martin McKee, Mr. and Mrs. John V. Rini and Mr. and Mrs. J. Ulmer.

Dress and coat ensemble and a pale moss green cymbidium orchid were chosen by Mrs. Connell for her daughter's wedding.

Mrs. Leavitt, the bridegroom's mother, selected a street length ensemble of pink lace and a matching pink-tinged cymbidium orchid.

Mrs. John Leavitt

Married Saturday morning, October 12, in St. Ambrose Church were MARY CAROLYN CONNELL, daughter of the Edward P. Connells, of Pemberton road, and Mr. Leavitt, son of Dr. and Mrs. Samuel S. Leavitt, of Orland Park, Ill.

Fete President Of Panhellenic

The Detroit Panhellenic Association gave a tea to honor its new president, Mrs. Jack S. Ladendorff, of Sunningdale drive, on Wednesday, October 23, from 2 until 4 o'clock at the Stratford place home of Mrs. Malcolm L. Denise.

The president's office is filled on a rotation basis by delegates from the 23 member sorority groups. Mrs. Ladendorff, Alpha Chi Omega, has served on several committees in her previous years' experience with the Association.

Receiving the representatives, alumnae presidents and local national officers of the various sororities were Mrs. Donald Maledon, Delta Zeta, chairman of the President's Tea committee; Mrs. Milton A. Darling, Jr., Gamma Phi Beta, immediate past-president of Panhellenic; Mrs. Ladendorff; Mrs. Norman Dodge, of Berkshire Road, Alpha Chi Omega, vice-president of the Association; and other local chapter presidents of Alpha Chi Omega.

Red and green, Alpha Chi colors, highlighted the floral arrangements and other decorations.

Assisting tea-planner Mrs. Maledon was her co-chairman, Mrs. Samuel Ulmer, and their committee members, Mrs. Watson Ford, Mrs. William Scheitlin, Mrs. Louis Neuder and Mrs. Michael Goode.

B. A. Seymour, Jr., Claims Bride

At a Nuptial Mass Saturday morning, October 19, in Saints Peter and Paul Church, Suzanne Carol Capling became the bride of Bartholomew A. Seymour, Jr. The Reverend Clement Singer, S.J., officiated at the rites and read a Papal Blessing.

The bride, daughter of Mrs. Floyd Francis Cole, of Canon City, Colo., and the late Philip John Capling, wore a pale ivory silk-satin gown, accented with pearl-embroidered Alencon lace, and an English net Chapel length mantilla veil.

Her bouquet was fashioned of Stephanotis, white roses and ivy. Mrs. Robert Brewster, of Battle Creek, in a floor length

frock of Hunter green faille, was her sister's matron of honor. She carried a nosegay of yellow carnations, roses and ivy, and wore a matching floral cluster in her hair.

The bridegroom, son of Mrs. Bartholomew A. Seymour, of Edgemont Park, and the late Mr. Seymour, asked William A. Petzold to serve as best man.

Ushers were Charles T. Bush, II, Martin A. Brennan and Edmund H. Bingham, III, Thomas A. Dwyer, Jr., and M. L. McMullan, of New York City.

Following a reception at the Detroit Athletic Club, the newlyweds left for an Hawaiian vacation.

Kristine Barry Is Fall Bride

Setting for the candlelight wedding of Kristine Anne Barry, of Stanton Lane, and Carl C. Johnson, son of Mr. and Mrs. Lawrence Johnson, of Detroit, was St. James Lutheran Church.

A reception at the Detroit Yacht Club followed the Thursday, October 10, ceremony.

Pastor George E. Kunz officiated at the rites for which the bride, given in marriage by her father, selected an Empire gown of white peau de soie accented with re-embroidered Alencon lace.

She carried a nosegay of pink carnations and Sweetheart roses.

She was attended by her cousin, Janice Lynn, whose pink frock was similar in style to the bride's gown. Robert Johnson acted as best man for his brother.

Newcomers Plan A Party

Grosse Pointe Newcomers will be having a Halloween Cocktail Party in the homes of some of the club's members on Sunday afternoon October 27.

Chairman couple of the event are Ron and Sunny Hill; committee members include Ed and Ginny Hahn, Bob and Babs Griffen, Bob and Janet Quinn, Bill and Mary Kidd, Jay and Bev Farrar and Mike and Sue Wilcox.

Beautiful weather and good football made the Newcomers' recent annual football trip to Ann Arbor an enjoyable day—but feelings were mixed at Michigan's victory over Navy.

Any couples new to The Pointe from outside the Detroit area who would be interested in more information about Newcomers are invited to call Mr. and Mrs. Ed Sullivan, 821-1320, or Mr. and Mrs. Eddie Pittman, 885-8753.

Staying with MR. and MRS. WILLIAM M. DAY, of Winthrop place, and visiting her local friends and children is MRS. JOHN T. WOODHOUSE, who moved from Lakeshore road to Delray Beach, Fla., last year.

Patricia A. Stichman Marries Mr. Welsh

Evening Ceremony is Followed by Reception at Detroit Boat Club; Newlyweds to Make Home on West Coast

Mr. and Mrs. Judson Booth Welsh, who exchanged marriage vows Friday evening, October 18, in Our Lady Star of the Sea Church, are traveling across the country to San Diego, Calif., where they will make their home.

Mrs. Welsh is the former Patricia Ann Stichman, daughter of Mr. and Mrs. Arthur Stichman, of Woods lane. The bridegroom is the son of Mr. and Mrs. Frederic Welsh, II, of Rochester, N. Y.

Following the 6:30 o'clock ceremony, at which Father Ralph Barton officiated, the bride's parents entertained at a reception at the Detroit Boat Club.

The former Miss Stichman selected an ivory peau de soie gown styled with a high, ruffled neckline, long sleeves ending in ruffled cuffs, an Empire bodice and a ruffle-hemmed A line skirt for her wedding.

Her mantilla veil was fashioned of ivory Brussels lace, and she carried a bouquet of stephanotis.

Her attendants' frocks of willow green moire featured high, ruffled necklines, long sleeves and green velvet-tied cummerbunds. They wore green velvet Dior bows in their hair and carried arrangements of gold and bronze fall flowers with green velvet streamers.

Honor maid was Frances Desmond. Bridesmaids were Pamela Wilson, of Wilmette, Ill., Challee McKenzie, of Denver, Colo., Nancy Renkow, the bride's cousin, of Los Angeles, Calif., and Susan Stichman, the bride's sister.

Best man was Timothy Welsh.

Mrs. Judson B. Welsh

Photo by Eddie McGrath, Jr.

PATRICIA ANN STICHMAN and Mr. Welsh, son of Mr. and Mrs. Frederic Welsh, II, of Rochester, N.Y., were married Friday evening, October 18, in Our Lady Star of the Sea Church. The bride is the daughter of the Arthur Stichmans, of Woods lane.

Ushering were Frederic Welsh, III, of Perkase, Pa., Richard Lorbach, of Rochester, N.Y., Kemper Miller, also of Rochester, and Jeffery Jones, of Caiskill, N.Y.

The bride's mother wore a floor length gown of pink satin, while the bridegroom's mother selected a floor length ensemble of green brocade. Both mothers chose cymbidium orchid corsages.

Charlotte MacMahon Marries Lt. Neumann

Mr. and Mrs. Charles Hutchins MacMahon, Jr., have announced the marriage of their daughter, Charlotte Pearce, to Lieutenant Douglas Earl Neumann, son of Mr. and Mrs. Earl Henry Neumann. Both families are residents of Bloomfield Township.

Charlotte attended Hillsdale College and was graduated from the University of Michigan. For the past year she has been serving in Alaska as a VISTA volunteer.

She is the granddaughter of the late Frederick William Pearce and Charles MacMahon of North Miami Beach, formerly of Grosse Pointe. Douglas attended the American University in Washington, Technology. He recently returned from a tour of duty in Germany and is now stationed at Fort Sill, Okla., attending the Artillery Survey Officers School.

He is the grandson of Mr. and Mrs. Ronald Cameron, of Detroit, and the late Mr. and Mrs. Walter Hegwood, of Hattiesburg, Miss.

Following a recent three-day visit to New York, the JOHN B. FORDS, of East Jefferson avenue, headed in different directions, he returning home to The Pointe, she staying in the East but traveling north, to visit her son and daughter-in-law, the E. HOLLAND LOWES, at "Pardon Me," their farm near Belchertown, Mass.

Mr. McConachie Weds In West

Stephanie Kowalchuk, daughter of Mrs. Steve Kowalchuk, of Columbia Heights, Minn., and the late Mr. Kowalchuk, became the bride of Bruce Alan McConachie, son of the Donald McConachie, of Mount Vernon road, at an afternoon ceremony Saturday, October 12, in St. Constantine's Church, Minneapolis, Minn.

Maid of honor was Luanne Rohrbacher, of Minneapolis. Lorne McConachie served as his brother's best man.

Other members of the wedding party included Sally McConachie and Craig McConachie, sister and brother of the bridegroom, and Jeffrey Cornelius, the bridegroom's cousin.

After a vacation in Miami Beach, the couple will make their home in Minneapolis.

The bride was graduated from the University of Minnesota and is continuing her studies there. The bridegroom was graduated from Grinnell College in Iowa and is working toward his Master of Fine Arts degree at the University of Minnesota. He is a member of Phi Beta Kappa.

It's old age when the charm of living seems to lie in the past.

King Farouk's Watch To Be Auctioned

When King Farouk of Egypt was overthrown, his antique lapel watch was confiscated.

It is now the most recent acquisition of the Archives of American Art for their Jewelry Auction on Friday, November 22, at the Detroit Institute of Arts.

This intriguing timepiece was donated by Mrs. Eugene W. Kettering, of Dayton, O., and was made by Luigi Ricci in Geneva in 1850 for the then-King of Egypt who passed it on to his heir. The lapel watch is studded with diamonds and sapphires surrounding a large 4.5 karat diamond and is encased in an 18-karat gold mounting.

King Farouk's watch is but one of many fascinating pieces donated for the benefit Auction. The first item was a perfectly-matched oriental pearl necklace with diamond clasp from an anonymous donor, presented to the Archives of American Art for the Auction by Mrs. Henry Ford, II, honorary chairman of the fund-raising affair.

The Auction will take place on the evening of Friday, November 22, following a week-long display of the jewelry in Kresge Court. Unsold pieces will go on sale the following day.

The Auction is the major fund-raising activity of the Archives for 1968 and will be

handled by Norman Levy and Associates of Detroit.

A cocktail preview party in Kresge Court on Saturday, November 16, from 5 to 7 o'clock will be the social highlight of the week before the gala Auction in the Institute's Auditorium.

Painters Fred Cody and Selden B. Daume, Jr., are co-chairmen of the Auction committee. Acquisitions chairmen are Mrs. Sidney E. Chapin, Dearborn; Mrs. Peter R. Fink, Grosse Pointe and the East Side; Mrs. Paul M. McKenney, Birmingham/Bloomfield Hills and the North Side. Mrs. John Blunt is in charge of arrangements.

Expert appraisal of the donated jewelry is being conducted by a committee consisting of Mrs. Peggy DeSalle, Hugh Krandall, John Hering and Jules Schubot. Miss Milka Iconomoff, who created the settings for former art auctions, heads a committee in charge of arranging the display of the jewelry in Kresge Court at the Detroit Institute of Arts.

The forthcoming Jewelry Auction will be the first of its kind held in Detroit for the benefit of the Archives of American Art. Benefit auctions of works of art were held in 1960, '62 and '66.

The work of the Archives, a

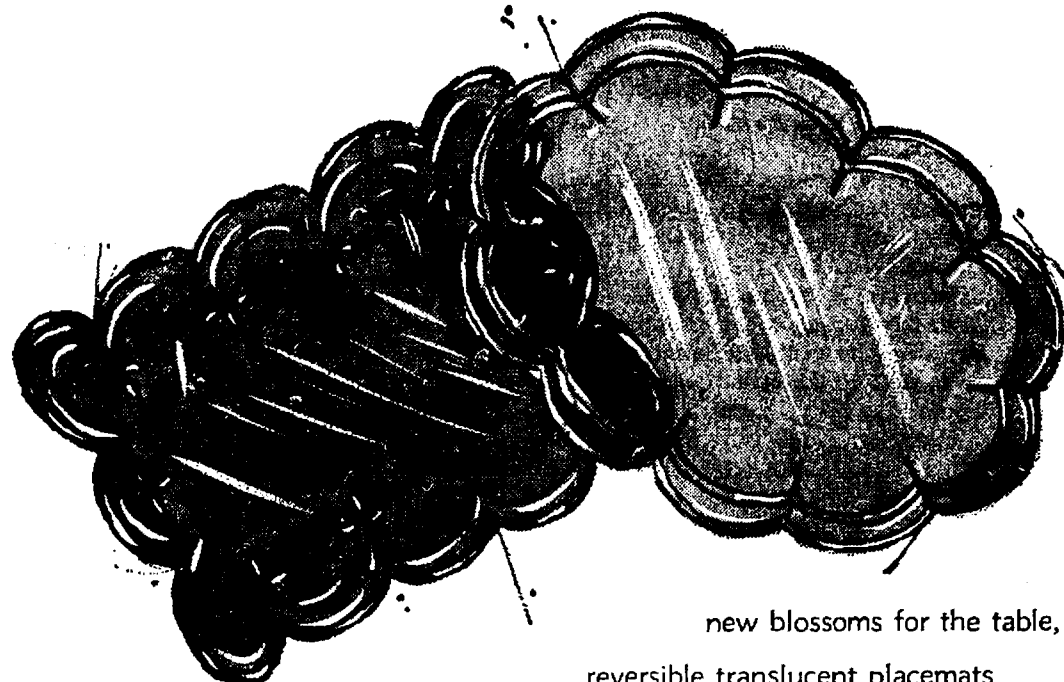

non-profit institution with national headquarters in Detroit, consists of collecting, cataloging, microfilming, tape-recording and indexing biographical, historical and anecdotal material on American Art.

The aim of the Archives is to try to collect as much as possible of the original records of American painters, sculptors, craftsmen, collectors, dealers, critics, historians, museums, societies and institutions.

Flying down to Newport, R.I., to be present at the graduation of their sons, RICHARD ALLISON and ROBERT WEYHING, III, from Naval Officers Candidate School October 25 are MR. and MRS. WILLIAM D. ALLISON, of Radnor circle, and MR. and MRS. ROBERT WEYHING, JR., of McKinley avenue. Captain DAVID C. ALLISON, M.D., flew home from San Antonio, Tex., and is journeying with his family and the Weyhings to Newport for the ceremonies and a reunion with his brother and parents before leaving for Vietnam.

Vacationing in Manhattan are COUNTESS CYRIL TOLSTOI, of Lewiston road, and MRS. S. PINKNEY TUCK, of Country Club drive, whose New York headquarters are the Hotel Pierre.

AAUW to Sponsor Day-Long Workshop

In-Depth Study and Panel Discussion of Kerner Report to be Featured at November 2. Program in Grosse Pointe War Memorial Center.

The Grosse Pointe Branch of the American Association of University Women will be host to seven other AAUW Branches at a day-long workshop on Saturday, November 2, at the Grosse Pointe War Memorial Center.

Topic of study for the day is "Action for a Unified Society."

The meeting will open at 9 o'clock with a coffee hour to be followed by an in-depth study and panel discussion of the Kerner Report. Mrs. Lewis B. Morrow, of Maumee avenue, will participate in the panel.

Mrs. David Pethick is chairman of a "Pulse Feeler" luncheon program which will include discussion at each table and individual voting on Pulse Feeler

ballots, designed to determine reaction to the Kerner Report.

Luncheon discussion leaders will include Mrs. Edward R. Bunn, Mrs. R. S. Kray, Mrs. Robert Snyder, Mrs. John A. Nelson and Mrs. E. C. Hanpeter.

Voting results will be tabulated and used in the afternoon by a reactor panel under the direction of Mrs. Burkhard Schneider. Participating in this panel will be Pointer Mrs. John Schonenberg.

The workshop is being held in

Church Women Plan Bus Tour

The Women of the Church of St. Paul Ev. Lutheran Church will participate in a bus tour visiting vital areas of the city, sponsored by the United Community Service next Tuesday, leaving the church at 9:15 a.m.

The group will return to the church for a box-lunch at 12:30 followed by a general meeting and election of officers. Mrs. Shirley Uppliger, 881-2512, is in charge.

in conjunction with a national AAUW program of "Action Now" in which women throughout the United States are studying involvement in current social problems.

AAUW Branches participating in the workshop include Ann Arbor, Birmingham, Detroit, Oakland, St. Clair Shores, Union Lake and Ypsilanti.

St. James Fair Slated Nov. 21

Bustling activity replaced folded hands and polite attention to a speaker at the last meeting of the St. James Lutheran Women's Guild. With their Christmas Fair less than one month away, the women changed their regular meeting format to that of a large-scale workshop.

Workers gathered around long tables according to their talents. Aprons were cut and sewing machines whirled. A bolt of flowered terry cloth became summer shifts for beach wear. Dainty items for toddlers were hand-sewn.

The Christmas Decorations table displayed striking wreaths and pine cone arrangements, and members sewed sequins to elaborate tree skirts.

A spicy aroma of pickle relish came from the kitchen, where Country Store workers were doing some home-canning.

A colorful buffet was kept supplied with food by Mrs. Frank Mumford and Mrs. Herbert Manzelmann, as workers stopped work to have lunch in small groups.

Women who insisted, "I'm just not clever," were soon folding and shaping satin ribbon roses to be used in gift wrapping.

The date for the Christmas Fair is Thursday, November 21, at St. James Lutheran Church, McMillan road at Kercheval avenue.

Weekly committee workshops will continue up to the Fair date, announces Mrs. Franklin Quale, general chairman. "Handmade and homemade" is the slogan for the Fair.

DR. LEONARD J. BARTOSZEWICZ, of Kerby road, president of the Michigan State Unit of the American Society of Dentistry for Children, will attend the Society's 1968 annual meeting in Miami Beach, Fla., October 25 and 26.

Betrothed

Mr. and Mrs. Harold C. Wiedbusch, of Hampton road, are announcing the engagement of their daughter, MARGARET ANN, to Daryl Edwin Ackerman, son of Mr. and Mrs. Marcus E. Ackerman, of Camp Hill, Pa.

The bride-elect was graduated from Grosse Pointe High School and is presently a senior at Michigan State University.

A June wedding is planned.

Symphony Now Touring In East

The Detroit Symphony Orchestra left October 21 on the first of two tours planned for this concert season.

The Orchestra is performing six concerts between October 21 and 26 at the 109th annual Worcester, Mass., Music Festival. It will then visit six eastern cities, including an appearance at Carnegie Hall in New York.

Sixteen Ehrling is conducting all concerts except for a young people's program in Worcester to be conducted by Valter Poole.

Appearing with the Detroit Symphony in Worcester are Sena Jurinac, Van Cliburn, Gordon Staples, Anna Moffo, Robert Gaby and Jean Casadesus and Leslie Guinn.

The Worcester Chorus, conducted by Alfred Nash Patterson, is making several appearances with the Orchestra. One program includes Mozart's "Requiem" with Joan Marie Moynagh, Georgia Davis, Jack Little and Francis Hester as soloists.

The concert at Carnegie Hall, on November 1, will feature Italian pianist Maurizio Pollini who will be making his first appearance in the United States. He won first prize at the International Chopin Competition in

Warsaw in 1960 and will be heard with the Symphony in the Chopin Piano Concerto No. 2.

On the same program, the Symphony will give the first New York performance of Alan Hovhaness' "Fra Angelico."

Also on the itinerary are concerts in Albany, N.Y., October 28; Smith College in Northampton, Mass., October 29; Danbury, Conn., October 30; Larchmont, N.Y., October 31; and Huntington, N.Y., November 2.

A three-week tour through

the South is planned for January and February, 1969. Performances at Ford Auditorium will be resumed on November 7.

Southeastern Hi '48 Reunion Set

A reunion of the Southeastern High School Class of 1948 is being planned for Saturday, November 30. Further information may be obtained by calling TUxedo 6-7184 or writing Southeastern Reunion, 1173 Yorkshire road, Grosse Pointe Park, Mich., 48230.

Pleasure can often be found, but happiness has to be earned.

Project Hope Ladies Will Gather For Tea

Horace E. Dodge Estate in East Jefferson Avenue to be Setting for Afternoon Fashion Fete Monday, November 4

The women's Division for Project Hope will have a tea for its members and their friends at the Horace E. Dodge house in East Jefferson avenue on Monday, November 4. Mrs. James Ranger and Mrs. Florence Sisman will be hostesses for this occasion, one of the outstanding events of the Project Hope Women during the current year.

The Walton Pierce Company, through Mrs. William Rust Pierce, will have a fashion presentation of original models. In addition to the originals,

Walton-Pierce will show some items from its regular selective line of fashions.

These lovely gowns say special things to musician Phil Skillman, and he will share these thoughts with the Hope ladies as models appear on the runway.

After the ladies from Hope have enjoyed the fashions, have looked out across the waters of Lake St. Clair and browsed in the mansion decorated for the occasion by Mrs. Sisman and Mrs. Ranger, granddaughter of Mrs. Horace Dodge, Sr., it will be tea time.

The Dodge mansion from an era of gracious living recaptures an exciting page in Detroit history, in which the pioneer Dodge family played an important role.

It is a fitting background for another page in the modern history of a city which has come of age and taken its place among the greatest cities of the world a page being written by the women of Project Hope.

Church Society To Hold Bazaar

The Altar Society of Our Lady Queen of Peace Church will sponsor a Christmas Bazaar Saturday, November 2, from 10 until 4 o'clock, in the Grade School Gym of Our Lady Queen of Peace School, Grosse Pointe Woods.

A boutique booth, a linen booth and a pantry booth, Christmas decorations and novelties and a White Elephant department will be featured, as will a cookbook compiled from recipes collected from the ladies of the parish.

Refreshments of hot dogs, potato chips, pop, doughnuts and coffee will be available.

Symphony Juniors Admire A 'Star Car'

Photo by Eddie McGrath, Jr.

Someone, (we won't know who until November 7), will travel to the benefit premier of "STAR!" in Star Style November 13. The David Gabbarts, of Radnor circle, have promised their 1934 Rolls Royce, plus a chauffeur, as a fitting evening's reward for the Junior Women's Association for the Detroit Symphony Orchestra member who sells the most tickets to the Juniors-sponsored opening night performance of the

film starring Julie Andrews as Gertrude Lawrence at the Madison Theater. Admiring this Star transportation are, (left to right), MRS. BROR HANSON, Patrons chairman of the benefit, MRS. PHILIP K. MEBUS, Jr., chairman of the Afterglow to be held at the Harmonie Club; MRS. CHARLES M. ENDICOTT, publicity chairman; and MRS. GIRARD F. SMITH, general chairman.

May Bride

Photo by Bransby Studio

A May 3 wedding, in Our Lady Star of the Sea Church, is being planned by LYNDIA ANN FINK and Charles M. Clute, whose engagement has been announced by her parents, Mr. and Mrs. Vernon R. Fink, of East Aurora, N.Y., formerly of Pemberton road.

The bride-elect, who is making her home with the Kaselitz family in Kensington road, attended Grosse Pointe High School and was graduated from East Aurora High School.

Her fiancé, son of Mr. and Mrs. Minton M. Clute, of Whitcomb drive, is a graduate of Grosse Pointe High School and attended Walsh Institute of Accountancy.

Few people get off key while singing their own praises.

Theater Plans Final Tryouts

Grosse Pointe Children's Theater, (senior division) will hold final tryouts this Saturday, October 26, from 3 o'clock to 5 o'clock. There are still openings for all male parts and for the chorus. This musical production will be given in April Rehearsal time is on Saturday afternoons at the War Memorial Center, from 3 to 5 o'clock.

For further information, or for appointments other than at the regular time, please phone Mrs. Syd Reynolds, at TU. 5-6219. Any adults, out of high school, who might also be interested, are invited also.

The Children's Theater has set its full play bill for this season. A musical version of "The Wizard of Oz" will be its Christmas package for the community. There will be four performances, two on December 21 and two on December 28. A musical version of "Cinderella" will be given on Saturday, February 22, and "The Sound of Music" on April 18, 19 and 20. The apprentice group will present an original one act play, "Lilies of Bethlehem" for the Detroit Council of Churches and for the Grosse Pointe Faculty Club in December.

Opportunity seldom calls when you are dressed and waiting.

Topics Of Interest Dot LWV Calendar

Study and Evaluation of Services for Handling Juvenile Offenders and Potential Juvenile Offenders in Grosse Pointe to be Explored

The community, the state, the country—these are the three areas of interest to the Grosse Pointe League of Women Voters, which joined other Michigan LWV Branches in celebrating League Week through September 21. The mention of several items on the League's 1968-69 calendar points up the scope, timeliness and variety of the group's studies and support positions.

On the local level, the League will explore during the coming months a study and evaluation of the services for handling juvenile offenders and potential juvenile offenders in Grosse Pointe.

Newspaper and TV headlines focus constantly on teen-age rebellion and teen-age crime. People are saying, "What's wrong with so many of our young people? And why? And what can be done about it?"

In pursuit of answers the League will look into the ages of offenders, types of offenses, problems encountered and availability and effectiveness of public and private resources for coping with the situation.

Tinting Our Specialty

On the state level, this season the League will continue its two-year study of the Michigan courts as they relate to children and juveniles.

Juvenile Court Judge James H. Lincoln addressed the Grosse Pointe League at the husbands-and-wives dinner at the Grosse Pointe War Memorial last February, when the exploration of this topic was just under way. The study will be concluded in the spring of 1969 with the issuance of a statement of membership consensus.

On the national level, there should be much interest during this election year in a new study: The Electoral College. This program was adopted at the League's 1968 National Convention in response to great delegate enthusiasm.

The project will include examination of the origin, development and influence of the Electoral College, (including the role of the House of Representatives and the Senate in undecided elections), and of various proposals for change.

In the area of Human Relations, the League's support position of equality of opportunity for education, employment and housing has been expanded to include an evaluation of the means to achieve equality of opportunity for housing and of further measures to combat poverty and discrimination. Research in this field is now being initiated.

The Foreign Policy committee will review U.S. relations with the People's Republic of China and these positions will be reaffirmed: The support of U.S. policies to strengthen the peacekeeping and peacebuilding capacities of the UN system and to promote world trade and development while maintaining a sound U.S. economy.

The Water Resources item will continue to be an engrossing and vital one, especially to residents of the Grosse Pointe community, with one of the links in the Great Lakes system right at their door. Leaguers will continue their support of national policies and procedures which promote comprehensive long-range planning for conservation and development of water resources and improvement of water quality.

Other continuing League commitments include: Support of apportionment of both Houses of State Legislatures substantially

MRS. JOHN M. THOMPSON, of Harvard road, was honored for her many years' service to the United Foundation Advance Gifts committee at its kickoff meeting for the 1968 Torch Drive. Looking on as she thanked more than 100 committee members for their tribute is ALLAN SHELDON, III, of Provencal road. Mrs. Thompson, now a UF consultant, relinquished her post as Advanced Gifts staff director early this year. The committee solicits contributions from select individuals and foundations prior to the official opening of the campaign, being held this year from October 15.

on population; support of self-government and representation in Congress for citizens of the District of Columbia; opposition to constitutional limitations on tax rates and to constitutional changes that would limit the existing powers of the Executive; and the Congress over foreign relations.

The October 9 Grosse Pointe War Memorial luncheon and the October 20 Open House for Local Candidates, both to be held at the War Memorial, will focus on still another aspect of League activity: Voters Service.

Discussion of Current Agenda studies will get underway at three October Unit Meetings, one in the morning, one in the afternoon, one in the evening, to accommodate the schedules of all interested persons.

As always, all Grosse Pointers, whether League members or not, are invited to participate in League studies, meetings, rallies or discussions having a particular appeal for them, and are invited to telephone 886-1456 for further information.

Church Women United Set Special Observance

Church Women United in Detroit will observe World Community Day November 1, with an all-day meeting and luncheon to be held at St. John's United Presbyterian Church in East Lafayette boulevard. Registration begins at 9:15 o'clock. A separate evening meeting for employed women will be held at St. Mark's United Methodist Church in East Jefferson avenue, beginning with dinner at 6:30 o'clock.

Play the game, but be sure it's one you can afford to play.

'Rationals' Play At Other Side

The very popular "Rationals" will be featured at the next Senior "Other Side" staged by Grosse Pointe War Memorial's Youth Council on Saturday evening, October 26, from 8:30 to 11:30 o'clock.

Tim Macadino, Youth Council vice-president, in charge of getting bands, calls this affair a "semi-super" Other Side. In every way, the band is super material; but the Youth Council is holding the price to \$1.50 for tickets purchased in advance and will charge only 25c more at the door.

This is so no one who really wants to come will be left out because of cost. Of course, numbers are limited by space and all are advised to get their tickets in advance to avoid disappointment.

The Youth Council is investing in its own strobe lights to add glamour to the Other Sides and plans innovations at the refreshment bar.

All students in grades 9 through 12 who are Grosse Pointe residents or are attending Grosse Pointe schools are welcome at the Other Side. I.D. must be shown at the time of ticket purchase.

Dress is casual within limits, and dates aren't necessary though certainly welcome. The Other Side is chaperoned and protected by police.

FRANCES ANN PARCELLS, daughter of MR. AND MRS. CHARLES A. PARCELLS, Cloverly road, is a member of the freshman class at Goucher College in Towson, Md.

Delta Zeta Alumnae Plan Founders' Fete

Delta Zeta Alumnae of Metropolitan Detroit will join with Oakland County Alumnae and collegiate chapters from the University of Detroit and Wayne State to celebrate Founder's Day at 7:30 o'clock Thursday, October 24, in Room A, Concourse, at Eastland Center.

The East Side Alumnae will serve as hostesses with Pointer Mrs. William Kamm as general chairman.

Members are invited to wear fashions popular during their own college days.

Jane Reid, of Bishop road, will be in charge of the Founder's Day ceremony.

Actives from Wayne State will entertain with a rush skit using a "1902" theme. U. of D. coeds will lead a DZ Hootenanny.

Those present will also hear more details about the second Flame Fantasy benefit luncheon and fashion show scheduled for February 1 at the Detroit Yacht Club.

Area members planning to attend include Metropolitan Detroit president Mrs. William J. Walter, of Beaconsfield avenue, Province Alumnae director Mrs. L. M. Gilewicz, of Allard road, and Province Collegiate director Mrs. Kenneth Balogh.

MR. and MRS. WILLIAM B. LAFER, of Hamilton court, announce the birth of their first child, a daughter, JENNIFER BEARDSLEE, October 16. Mrs. Lafer is the former HARRIETT BRADSHAW, daughter of MR. and MRS. E. W. BRADSHAW, of Bishop road. Paternal grandparents are MR. and MRS. JAMES A. LAFER, of South Renaud road.

Engaged

Photo by Bransby Studio

Mr. and Mrs. William R. Blenman, of Leannon road, have announced the engagement of their daughter, KATHLEEN MARY, to Brian Douglas Davis, son of Mr. and Mrs. Kenneth Davis, of Ballantyne road.

The prospective bridegroom is a senior at the University of Michigan. The couple plans a May 10 wedding.

Minnesota Groups
Slate Football Day

The University of Minnesota Women's Club and the Minnesota Alumni Chapter of Greater Detroit have made plans for their members to attend the annual Minnesota-Michigan "Little Brown Jug" football game in Ann Arbor on Saturday, October 26. Charter buses will leave Pine Lake Country Club at 10:30 o'clock, going directly to the stadium.

The measure of any kind of trouble depends on whether it's coming or going.

Will Wed

Photo by Eddie McGrath, Jr.

Mr. and Mrs. William H. Mathews, of Fisher road, are announcing the engagement of their daughter, SUSAN LEIGH, to Gerald L. Schwallier, son of Mr. and Mrs. Leonard Schwallier, of Coopersville, Mich.

Miss Mathews, a Grosse Pointe High School graduate, is a student at Western Michigan University. Her fiancé is currently completing military service in Vietnam. He will resume academic studies at Western Michigan University in the spring.

An August wedding is planned.

Junior League Backs TV Show

"CPT," a weekly television program aimed at the Black community premiered on Channel 56 Wednesday evening, October 16, at 10 o'clock.

The hour-long "CPT" is staffed by Black producers, writers and actors. It will be built around a magazine format similar to that of "The Today Show," and oriented exclusively to the Black population of Metropolitan Detroit.

Matching funds for the series were provided by Wayne State University and The Junior League of Detroit. WTVS television donated the air time for CPT.

Detroit Review Club To Meet

The Detroit Review Club will honor its past-presidents, life and honorary members at a subscription luncheon at the Statler Hilton Hotel, on Monday, October 28, at noon.

A salute to the 77-year-old club will be given in a program by Jack Harris, Jimmy Clarke and the WJR orchestra, with Jean Oliver featured vocalist, along with special guests who are appearing in clubs around town.

Among the honored guests will be past-presidents Mrs. Robert Kales, Mrs. Marvin C. Dahne, Mrs. Herbert E. Norris, Mrs. L. James Keller, Mrs. Aaron E. Wilcox, Mrs. J. Robert Martin, Mrs. William Bundesen, Mrs. Louis Hopping, Mrs. Benjamin Springborn, Mrs. Wynne Wakeman and Mrs. Robert T. Harris, Jr., and honorary and life members Mrs. Raymond Berry, Mrs. Paul Goodlove and Mrs. George Seabold.

Mrs. N. Conner Gunn, DRC's 1968-69 president will act as official hostess. Mrs. Louis Thurmon will be in charge of the luncheon and decorations. Mrs. Aaron E. Wilcox is in charge of the program.

The thirst for knowledge has one great advantage—it leaves no sign of a hangover.

March Bride

Photo by Eddie McGrath, Jr.

Plans for a March 29 wedding in Grosse Pointe Congregational Church are being made by NANCY LUISE BOHN and James Edward Dundas, whose engagement has been announced by her parents, Judge and Mrs. Theodore R. Bohn, of Audubon road.

The bride-elect attended Grosse Pointe High School and received her Bachelor of Arts and Master of Arts degrees from the University of Michigan, where she affiliated with Chi Omega sorority.

Her fiancé, son of Mr. and Mrs. Lawrence Dundas, of Midland, was graduated from Northern Michigan University, where he affiliated with Theta Chi fraternity.

Style Show Set For November

The Grosse Pointe Yacht Club was the scene of this year's Autumn Luncheon meeting of the Grosse Pointe Symphony Women's Committee. Members gathered Thursday morning, October 17, at 11:30 o'clock to hear the reports of the officers and committee chairmen and give attention to new business as it was presented.

Of immediate interest is the forthcoming style show and luncheon slated for November 6 at Fries Auditorium.

Following the meeting, Program chairman Mrs. Walter J. Burezyk presented Phyllis Gaide, soprano, in a song recital. Miss Gaide was accompanied by pianist Ida Mucicant.

Reporting from their respective committees was Mrs. Sterling S. Sanford, general chairman of the Women's Committee; Mrs. Robert P. Armstrong, vice-chairman and chairman of the Concert Reception; Mrs. Louis Mushro, recording secretary; Mrs. Winfield S. Jewell, Jr., corresponding secretary and chairman of the Membership Committee; Mrs. Clarence J. Williams, treasurer; Mrs. Pierre V. Heffler, chairman of the Grosse Pointe Symphony Society Memberships.

Also Mrs. John J. Egan, chairman of the Mailing Committee; Mrs. Walter J. Burezyk, chairman of the Program Committee, Year Book, History and Scrap Book chairman; Mrs. John W. Nelson, chairman of Social Affairs; Mrs. Lee Schoenith, chairman of the Telephone Committee; Mrs. Thomas G. Girardy, Committee on Tributes; Mrs. Edward P. Frolich, chairman of the Ways and Means Committee; and Mrs. Dwight M. Nelson, Jr., and Mrs. Daniel Knott, publicity chairmen.

MR. and MRS. LOUIS DUENWEG, of Devonshire road, have returned from New York where Mr. Duenweg attended the 12th annual meeting of the Industrial Communication Council.

Men To Lunch At Arts Institute

William H. Peck, curator of Ancient Art at the Detroit Institute of Arts, will talk on "The Archaeologist at Work" at today's Detroit Institute of Arts Founders Society Businessmen's Luncheon, which begins at noon in the Institute's Rivera Court.

Mr. Peck, a recognized authority on Egyptian Art, was the Field Archaeologist with New York University's expedition at Mendes, Egypt, during 1964, 1965 and 1966.

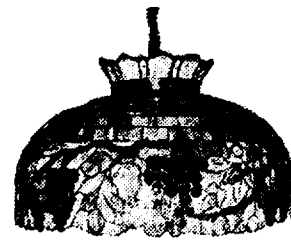

He was in charge of the installations for the current Masada Exhibition at the Institute and will discuss that exhibition during his talk.

Wednesday Book Club Will Meet October 30

The Wednesday Book Club of Detroit will gather at the Woman's City Club October 30 for a 12:30 o'clock luncheon meeting. Guest speaker Mrs. H. H. Woolson will present a program on "Safari, East Africa."

Appointed by the Board of Overseers of Harvard University to Visiting Committees for 1968-69 are ELLIOTT H. PHILIPS, of Ridge road, a member of the Law School committee, and DONALD M. D. THURBER, of Neff road, serving on the Harvard College committee.

ber of the family plus a selection of unusual items for those special friends who seem to have "everything."

And what Mrs. Moreland and Mrs. Maynard promise, they deliver.

Stars In Their Eyes

"Every good girl deserves a 'STAR.'" Early last month, that puzzling line was sent to each member of the Junior Women's Association for the Detroit Symphony Orchestra.

The line wasn't a puzzle for long: Soon "every good girl" was hard at work planning the Association's benefit premier of the movie "STAR!", to take place at the Madison Theater Wednesday evening, November 13, at 8 o'clock.

And just last week the "good girls" learned they were going to get a real, live, in-the-flesh Star for the premier audience.

Daniel Massey, (son of Raymond, in case you didn't know), who plays Noel Coward in the film version of Gertrude Lawrence's life, starring Julie Andrews, is coming to town especially for the benefit. Plans are afoot for a "something" at the Detroit Athletic Club in his honor.

Mrs. Girard F. Smith, general chairman of the project, feels she's very fortunate in having such enthusiastic honorary chairman as Mrs. John Wendall Anderson, II, and Mrs. Sixten Ehrling.

And, speaking of fortunate people, how about the "fortunate" lady whose reward for selling the most tickets to the premier will be transportation to and from her home, with stopovers at the theater and the Afterglow at the Harmonie Club, via a chauffeur-driven 1934 Rolls Royce, courtesy of Mr. and Mrs. David Gabhart.

Makes you want to get out and sell those tickets, doesn't it?

Bonsai Workshops

Grosse Pointe Garden Center members who attend the next Bonsai Workshops Thursday, October 31, either from 10 in the morning until noon or from 1 until 3 o'clock, will work with plants that can be kept indoors all winter.

And they'll discover a new supply of those hard-to-find Japanese clippers that make the proper concave cut so necessary to Bonsai.

Reservations are open for 25 students in each session, (the sessions are held at the Grosse Pointe War Memorial) and those delicious sandwich luncheons, at \$1.25 each, may be reserved by contacting Garden Center headquarters at the War Memorial.

Bonsai Workshops begin with the reading of mini-poems, "Haiku," which the Japanese create along with their famous miniature trees. Then classes begin in this rare continuing art form, (there are Bonsai known to be more than 400 years old and worth more than \$8,000).

Mrs. Harold Bailey, Mrs. Mante Edelin and Mrs. Harley Hieble are chairmen of the Workshops, which are open to Garden Center members. Anyone may join the Center by paying dues of \$3 a year. The Workshops are free to members.

Unit Meetings Set By LWV

The three October Unit Meetings of the Grosse Pointe League of Women Voters focus on a study of Fair Housing, with special emphasis on the federal and state laws and the June, 1968, Supreme Court decision.

The viewpoints of various interested community organizations and the Grosse Pointe Realtors also are being explored.

Following a presentation of material, discussion revolves around the pros and cons of the following propositions:

That the housing market should operate free of restrictions based on race, color, religion or national origin;

That government at all levels as well as the private sector has a role to play in the nationwide effort to achieve equality of opportunity in access to housing;

That federal programs should include provisions to guarantee equal rights in access to housing and federal funds should be withheld from communities in which discrimination is access to housing occurs;

That in the enforcement of fair housing laws administrative procedures and responsibilities should be clearly defined, mediation and legal redress should be readily available, funding should be adequate to help insure prompt enforcement, continued evaluation should be encouraged and procedures should be revised when indicated.

In addition to voicing opinions on these standards, those attending the Unit Meeting are invited to discuss foreseeable problems relevant to implementation of the Fair Housing laws.

The national League of Women Voters plans a nationwide consensus on this study item by December 1, 1968.

Mrs. Kenneth Pitts, Human Resources chairman, is in charge of Fair Housing research and presentation. She is being assisted by Mrs. Greydon Worbois and Miss Leona Weier.

The October Unit Meetings were variously planned for morning, afternoon and evening to accommodate every interested person's home or business schedule. Grosse Pointers are invited to join League members in the study and discussion of this timely and vital topic.

The Tuesday, October 15, meeting was at 8 o'clock in the evening in the home of Mrs. Howard Hush, of Allard Avenue. Unit leader will be Mrs. Peter Gilezan.

The Wednesday, October 16, meeting was at 1 o'clock in the home of Mrs. Bruce Miller, of University Place, with Unit leader Mrs. Robert Warner.

The Monday, October 28, meeting will be at 9:30 o'clock at the home of Mrs. A. C. Fortinski, of Berkshire Road. Unit leader will be Mrs. Vernon Beitel.

Invitation to Bid

Sealed bids will be received by the City Clerk of the City of Grosse Pointe Park, Michigan until 10 A.M., October 28, 1968, in the Municipal Building at 15115 E. Jefferson Avenue for the furnishing of approximately 800 tons of rock salt for the 1968-1969 season.

Bid envelopes shall be plainly marked "Bid on Rock Salt."

Detailed specifications are available in the Public Service Department of the Municipal Building.

The City of Grosse Pointe Park reserves the right to accept or reject any or all bids.

N. J. ORTISI
City Clerk

Grosse Pointe News
10-24-68

Inside the Mother's Club

The regular monthly meeting of the Executive Board of the Mothers Club of Grosse Pointe South High School was held on Monday, October 7 in the Board Room at the Board of Education offices.

Mrs. Joseph Perry, president, called the meeting to order at 12:50 o'clock and reported on her many activities in September. These included conferences with Mr. Gerich, Principal, regarding student activities, and committee meetings involving plans for the Halloween parties, the Christmas tea, the senior girls' tea and the spring scholarship benefit party.

Vice-president Mrs. James Mayhark reported that all 22 scholarship grantees have received their checks for the first half of their freshman college year. She read several letters of appreciation which she has received from the recipients. The total of grants to be given this year is \$6,800.

Mrs. Benson McClure, faculty representative, told the board of her recent visit to Vassar College. Fourteen counselors from various parts of the country were invited by Vassar to spend time there learning of its

plans to become coeducational and the arrangements being made for students to study at other colleges and universities for part of their undergraduate experience.

She also answered questions from the members of the board regarding honors courses and advanced placement courses at Grosse Pointe South High School.

Mrs. James VanEman, co-chairman of memberships, reported a total paid membership of 635 as of October 1. This represents only 29 per cent of the families of high school students. There are 2,172 families who receive copies of the monthly newsletter, High Pointes, written by Mrs. Herbert Towson and prepared for mailing by Mrs. William Westhoff and her committee.

One hundred sixty-six mothers expressed interest in joining neighborhood groups, Mrs. P. N. Buckminster stated. There are now more than 70 groups which meet once a month for bridge, sewing or discussion of current topics relating to the high school.

Play ticket chairman Mrs. Sybrant Schaafsma announced

the completion of plans for ticket sales for the opening night scholarship benefit performance of Pointe Players production of "Life With Father" on November 14. One hundred twenty-five mothers have volunteered to make telephone calls to every family, directed by ticket captains, Mesdames Robert Wehling, Dent Stainsby, J. H. Munchausen, Edward Foote and William Farquhar. The Mothers Club has again presented Pointe Players with a gift of \$500.

Mrs. George Crockatt reported that plans for the annual Christmas tea are well under way, and announced the following people will serve on her committee: Mesdames Joseph Weidman, Forest Brammer, Frederick Holtz, Donald Spencer, J. Alfred Grow, Arthur Voight, John Kelly and Urban Borech.

The chairman for the senior girls' tea, Mrs. John Glover, presented a very thorough report of her investigation of possible places to hold this event and costs involved. Many problems have arisen due to the large size of the graduating class.

The board decided to cancel its plans for a tea for this year and reevaluate the event next year.

Mrs. T. James Maurer, Spring Benefit chairman, has had one meeting of her committee, which consists of Mrs. Philip Dickinson, co-chairman, and the Mesdames William Montgomery, Lewis Slater, Thomas Coulter, Edward Fine, William Fritz, Robert Peebles, Arthur Eisenbrey, Forbes Henderson, George Cotichio and Robert Dice. The date for this event

has been changed from January 31, 1969 to April 30, 1969, and one highlight of the afternoon will be a fashion show arranged by Martha's Closet.

Reports were also given by Mrs. Robert Schueler, regarding plans for the Halloween parties, Mrs. Charles Mosher, regarding the party for 9th graders on October 11, and Mrs. William Cox, reporting on the successful 10th grade party held on October 4.

Program chairman Mrs. King Clifford discussed plans for 9th and 10th grade Parents' Night and College Information Night.

The meeting was adjourned following reports by the Board of Education representative and the delegates to the Motion Picture and TV Council and the Health Education Council.

MR. and MRS. THOMAS ARNDT, of Fisher road, announce the birth of their first child, a son, RANDALL THOMAS, October 2. Mrs. Arndt is the former JANICE MEIER, daughter of the ALBERT E. MEIERS, of Detroit. Paternal grandparents are MR. and MRS. GEORGE J. ARNDT, of Saginaw.

City of Grosse Pointe Woods Michigan

Notice of Public Hearing

NOTICE IS HEREBY GIVEN in accordance with the provisions of Act No. 207 of the Public Acts of the State of Michigan for the year of 1921, as amended, that a Public Hearing will be held at the Municipal Building, 20025 Mack Avenue, in the City of Grosse Pointe Woods, Wayne County, Michigan on Monday, the 18th day of November, 1968 at 7:30 P.M. o'clock Eastern Standard Time upon the proposed amendment to Section 44.1.22 of Article 4.1 and Paragraphs (d) and (h) (8) of Section 44.3.16 of Article 4.3 of Ordinance No. 88, the Zoning Ordinance, as amended, adopted on November 3, 1952, also known as Chapter 44 of "The Code of the City of Grosse Pointe Woods of 1953".

Said Proposed Amendment reading as follows:

Proposed ORDINANCE No.

AN ORDINANCE TO AMEND SECTION 44.1.22 OF ARTICLE 4.1 AND PARAGRAPHS (d) AND (h) (8) OF SECTION 44.3.16 OF ARTICLE 4.3 OF ORDINANCE NO. 88 OF THE CITY OF GROSSE POINTE WOODS, AS AMENDED, ENTITLED "AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES, TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERRECTED, TO REGULATE AND DETERMINE THE AREA OF YARDS, COURTS, AND OTHER OPEN SPACES, TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS HEREAFTER ERRECTED OR ALTERED, AND FOR SAID PURPOSES DIVIDE THE CITY INTO DISTRICTS, TO PROVIDE A METHOD OF ADMINISTRATION AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS" adopted on November 3, 1952, also known as Chapter 44 of "The Code of the City of Grosse Pointe Woods of 1953" AND TO REPEAL PARAGRAPH (h) (8) OF ORDINANCE NO. 260 OF SECTION 44.3.16

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Section 44.1.22 of Article 4.1 and Paragraphs (d) and (h) (8) of Section 44.3.16 of Article 4.3 of Ordinance No. 88 of the City of Grosse Pointe Woods, as amended, entitled "AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES, TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERRECTED, TO REGULATE AND DETERMINE THE AREA OF YARDS, COURTS, AND OTHER OPEN SPACES, TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS HEREAFTER ERRECTED OR ALTERED, AND FOR SAID PURPOSES DIVIDE THE CITY INTO DISTRICTS, TO PROVIDE A METHOD OF ADMINISTRATION AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS" adopted on November 3, 1952, also known as Chapter 44 of "The Code of the City of Grosse Pointe Woods of 1953" BE AMENDED so as to provide as follows:

Section 44.1.22 PARKING SPACE

A permanently surfaced area, enclosed or unenclosed, sufficient in size to store one (1) motor vehicle, but not less than ten feet by twenty feet (10'x20'), together with a permanently surfaced driveway connecting the parking space with a street or alley permitting ingress and egress of a motor vehicle. In the event the structure for which said parking space or spaces are required is situated on a lot that is forty feet (40') or less in width, the area of said lot required for driveway purposes may be utilized for parking space or spaces without regard to providing a driveway for ingress and egress.

Section 44.3.16 OFF STREET PARKING REQUIREMENTS

(d) For the purpose of this Ordinance "Floor Area" in the case of offices, merchandising or service types of uses, shall mean the number of square feet contained in such structure, which figure shall be obtained by multiplying the outside dimensions of said structure, exclusive of any basement.

(h) The amount of required off street parking space for new uses of buildings, additions thereto, and additions to existing buildings, as specified above, shall be determined in accordance with the following table, and the space so required shall be stated in the application for a Building Permit and shall be irrevocably reserved for such use:

USE	REQUIRED PARKING SPACE
(8) All retail stores, sales or service or repair shops, including barber shops and other personal service shops except such retail stores, sales or service or repair shops specified in (9) below	One (1) parking space for each three hundred (300) square feet of floor space

Section 2. That Paragraph (h) (8) of Section 44.3.16 of Ordinance No. 260 is hereby expressly REPEALED.

Section 3. All Ordinances or parts of Ordinances in conflict with the provisions hereof are hereby expressly repealed.

Section 4. This Ordinance shall take effect twenty days after the date of its enactment.

City of Grosse Pointe Woods Michigan

Notice of Public Hearing

NOTICE IS HEREBY GIVEN in accordance with the provisions of Act No. 207 of the Public Acts of the State of Michigan for the year of 1921, as amended, that a Public Hearing will be held at the Municipal Building, 20025 Mack Avenue, in the City of Grosse Pointe Woods, Wayne County, Michigan on Monday, the 18th day of November, 1968 at 7:30 P.M. o'clock Eastern Standard Time upon the proposed amendment to Article 4.1 (Definitions) by adding thereto a Section to be known as Section 44.1.33 Open Porches, of Ordinance No. 88, the Zoning Ordinance, as amended, adopted on November 3, 1952, also known as Chapter 44 of "The Code of the City of Grosse Pointe Woods of 1953".

Said Proposed Amendment reading as follows:

Proposed ORDINANCE No.

AN ORDINANCE TO AMEND ARTICLE 4.1 (Definitions) OF ORDINANCE NO. 88 OF THE CITY OF GROSSE POINTE WOODS ENTITLED "AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES, TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERRECTED, TO REGULATE AND DETERMINE THE AREA OF YARDS, COURTS, AND OTHER OPEN SPACES, TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS HEREAFTER ERRECTED OR ALTERED, AND FOR SAID PURPOSES DIVIDE THE CITY INTO DISTRICTS, TO PROVIDE A METHOD OF ADMINISTRATION AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS" adopted on November 3, 1952, also known as Chapter 44 of "THE CODE OF THE CITY OF GROSSE POINTE WOODS OF 1953" by adding thereto a Section to BE KNOWN AS SECTION 44.1.33 OPEN PORCHES

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. That Article 4.1 (Definitions) of Ordinance No. 88 of the City of Grosse Pointe Woods entitled "AN ORDINANCE TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND INDUSTRIES AND THE LOCATION OF BUILDINGS DESIGNED FOR SPECIFIED USES, TO REGULATE AND LIMIT THE HEIGHT AND BULK OF BUILDINGS HEREAFTER ERRECTED, TO REGULATE AND DETERMINE THE AREA OF YARDS, COURTS, AND OTHER OPEN SPACES, TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS HEREAFTER ERRECTED OR ALTERED, AND FOR SAID PURPOSES DIVIDE THE CITY INTO DISTRICTS, TO PROVIDE A METHOD OF ADMINISTRATION AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS" adopted on November 3, 1952, also known as Chapter 44 of "THE CODE OF THE CITY OF GROSSE POINTE WOODS OF 1953" BE AMENDED by adding thereto a Section TO BE KNOWN AS SECTION 44.1.33 OPEN PORCHES to read as follows:

Section 44.1.33 OPEN PORCHES

The term "open porch" when used in this Ordinance shall mean a structure attached to a dwelling when it meets the following specifications:

- There shall be no enclosing walls above railing height other than the wall of the dwelling to which the structure is attached
- The space between the top of the railing and the bottom of the roof beam of the structure shall be open and unobstructed, except that insect screening may be provided in such open area
- There shall not be any insulation installed, mounted or placed on any wall of the structure except the wall of the dwelling to which such structure is attached
- There shall be no vertical framing in said structure other than supporting columns and screen frames
- The height of railing shall be limited to the maximum of 36" from the floor of the structure.
- There shall be no connection to the internal heating system of said dwelling to which the structure is attached and no installation of space heating units in the structure, including the wall of the dwelling to which said structure is attached so as to provide heat to any area of said structure

Section 2. All Ordinances or parts of Ordinances in conflict with the provisions hereof are hereby expressly repealed.

Section 3. This Ordinance shall take effect twenty (20) days after the date of its enactment.

University School News

In our highly technological, modern world all kinds of sophisticated communications systems are in operation. Our schools, too, must avail themselves of such equipment in order to handle the growing volume of data which is available for the proper assessment of students' abilities, needs, and problems. Nothing, however, can replace old-fashioned, face-to-face communication between parents and administrators, parents and parents.

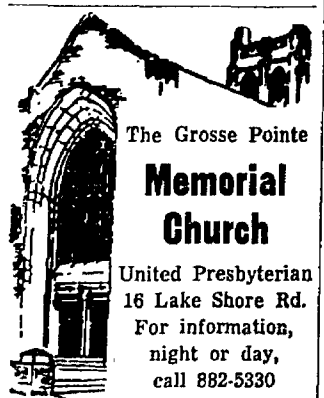

The Grosse Pointe University School has developed a unique program for increasing communications at all levels between parents and the school staff. In addition to special occasions at the school in which parents attend actual classes with their children, (Lower and Middle School), or visit teachers in a classroom situation without their children, (Upper School), weekly meetings take place involving each grade level, from kindergarten to grade 12, at the home of a parent of a child at that level. The weekly meetings are held on Mondays from 10 o'clock until noon. Parents of the chosen grade level are personally invited by the host. Present each week are Headmaster Hugh C. Riddleberger, and the division head whose grade is being discussed.

The purpose of these meetings is to create a kind of open forum, a place for a free exchange of ideas, questions and answers about the school and its many areas of influence in the life of a growing child. Teachers

are not present at the weekly meetings. The informal gatherings are designed to give parents a better idea of what the University School is doing in every area. Questions may concern curriculum, the athletic program, the daily schedule, extra-curricular activities—any number of school-related problems. They may also concern, however, social and personal problems involving the maturing process of a child as he or she begins to identify with other individuals or groups.

On Thursday evening, October 17, at the school, the first of two parent-teachers nights was held. After a brief word of welcome to parents of students in grades seven, eight, and nine, Assistant Headmaster James W. Lewis sent them on their way to various classrooms where they would meet for 10 minutes with one of their own children's teachers. The teacher then explained the format of the course, pointed out his or her own particular approach to it, answered a few questions, made way for another teacher or directed parents to another room. In this way parents met with all of their children's teachers in a classroom before adjourning to the cafeteria for more informal discussion. This kind of evening program will be duplicated for parents of students in grades 10, 11, and 12 next Tuesday, October 29.

On Monday, October 21, at the home of Mrs. James Danaher of 20 Colonial road, the weekly parents' meeting was held. The ninth grade was the designated level, and approximately 30 parents were present. Specific topics discussed were the homework load, the length of the school day, the choices of subjects, extra-curricular participation—all items of concern insofar as they affect ninth graders. Too much involvement or not enough was explored. The necessity of the full use of afternoons for many students was discussed. Later the conversation moved into the general area of the kind of school which may be best for a child. The question of public schools vs. independent schools arose. In the area of independent schools, the choice between boarding and day schools received attention. Not all of the problems of education are solved, by any means. But parents have come away with the feeling that they know specifically what the University School is doing and what it stands for, and so at least one communications hurdle is scaled.

Two of Packer Teams Winners

By Rick Moore

The Packer Freshman football team jumped off to a quick lead and they hung on to defeat a determined Lincoln Park team 13-7. The Packers grabbed the lead on a four-yard sweep by Mark Rewalt to cap a long drive. Rewalt also scored the extra point.

The Packers scored again on a fine 25-yard run by Neville. The extra point failed and the Packers led 13-0. The score remained the same until late in the fourth quarter when Lincoln Park stole the ball and ran 60 yards to score.

With the score 13-7 Lincoln Park went into the air. On the last play of the game, the cats completed a long pass to their right end, who had the secondary beat with nothing between him and the goal line but grass. A great diving tackle by Rob Burns, as the gun went off, saved the Packer victory.

The Packer Junior Varsity had a rather dismal afternoon despite efforts by Tommy Liza, Whit Boyd and Friz Lehmann, as they lost 19-6. The only Packer score was by Whit Boyd on a short run. The extra point failed and the Packers were never able to sustain a drive the rest of the day.

The Packer Varsity met a rough, hard-hitting Lincoln Park Varsity that was undefeated before Sunday and came away with a stunning 13-7 upset victory. The Packers scored first on a sneak by Dick Padilla that was set up on a fine 35-yard run by Mike Shelton. The extra point failed and the Packers led 6-0 at the half. During the first half the Packer defense was called upon to hold a hard-driving Lincoln Park team on several occasions.

The defenses battled during most of the second half, until with five minutes left, Lincoln Park scored and converted to go ahead 7-6. The Packers fought back on the running Kim Adler and Mike Shelton to get to the 11-yard line. Then on a fourth down Mike Shelton scooted 11 yards around the right end to score both the winning touchdown and the extra point.

Key blocks by Chris Cotzias and Mark Carlson sprang him loose. The strong play of Eddie Tropp, Stuart Thiede, Bob Kaiser, Paul Kappaz and John O'Neil, helped the injury-riddled Packers in their come-from-behind-victory as they refused to be intimidated by a bigger Lincoln Park team in the penalty-filled game.

Austin Prep School News

Austin Prep. School has organized a weekend of activities for October 25, 26, and 27. Friday, October 25, will be the Halloween Howl Dance from 8 to 11 at Austin. The band is "The Sounds of Night." Dress for this event is dress pants and skirts for the girls. All students are welcome and admission is \$1 at the door.

The next day, Saturday, October 26, will be the Austin at Bro. Rice game at 8 in the evening at Rice. Rides are being organized by the Letterman's Club by buses. One bus will be a Date-Bus for Austin men and their dates.

Sunday evening, October 27, will feature the first of this year's film festivals sponsored by the Austin Academy. This group is responsible for the Austin films, book fair and coffee house programs. They also sponsor the LePenseur, the literary magazine, published at the end of the year. The first series of film will begin at 7 p.m. and there is not an admission price. All students are welcome to the Underground movies which include "The Unknown Soldier" by the Doors, "Foxy Lady" by Jimi Hendrix, and "Culvert" by Peter Steakey. The chairmen of the event are Bruce Greb and John Cipriano.

Preparations and organizations for these events come from the Student Senate and the Office of Activities, Thomas E. Bailey, Vice Principal of Studies and Activities. The Austin Prep. Homecoming Weekend had many winners in the contests sponsored to build spirit by the Office of Activities and the Student Senate. A Poster Contest was held to publicize the events of October 11 through 13. Cash prizes were presented by Mr. Bailey, and

the first prize winner was Mark Chaney; second place winner, John Knox; and third prize, winner was Mark Chaney; second place winner, John Knox; and third prize, Brad Teeter.

As part of the October 13 parade, the Freshmen class came dressed as hippies, hobos, or clowns. The winners of this contest were first, Chris Majewski; second, David Schrage; and third, Kevin Daudlin. The decorated cars were judged as part of the annual Homecoming Parade. The winners here were Don Cenko, second place, Tim Campbell, and third, Jerry Pi-scamp.

Other honored members of Austin's Homecoming Weekend were the Queen and her Court. This year's Queen reigned over the October 11 Coronation Ball, the Rally and Dance on October 12 and the Parade, Game and Sun-Hop of October 13. Crowning this year's Queen was Lee Zeisler, the Queen of 1967.

The Queen was Mary Coleman, escorted by Rick Scarfene. Members of the Court included Janet McCloskey, escorted by Mark Kelly; Gay Kasper, escorted by Bob Inesich; Martha Fleming, escorted by Nick Naheon; Libbie Neville, escorted by Mike Gottfredson; and Pat Dueweke, escorted by Ed Angel. Rev. A. Hillebrand, O.S.A., Principal of Austin, presented gifts to the Queen, escorts and Court while Tim Garvey, Senate President, was master of ceremonies. At the Ball, Mr. Rancillie, Football Coach, presented souvenir trophies to the varsity senior football players. At the Sunday's game, half-time, the Queen's Fleet was paraded with the Queen and her Court, at which time roses were presented by the Austin and Notre Dame's student bodies.

Neighborhood Club News

The Neighborhood Club Saturday Recreation Program at Brownell Junior High from 9 a.m. to 4 p.m. provides a wealth of activities for the up-and-at-tem crowd ages five through college and of course parents are always welcome to join the youngsters in a game of basketball-ping-pong-table pool.

After a vigorous workout in the two gyms of a variety of sports there are quiet table games available as well as TV to watch the big football game of the day. For the dance enthusiasts how about joining the square dancers for a bit of do-si-do?

Also, since there is no school on October 24 and 25, the above

program will be held at Brownell on Thursday and Friday from 1-4 p.m.

Join the fun with the Neighborhood Club kids.

For members there is no charge; guests 50c. A membership is very inexpensively prorated to the end of 1968.

Alcohol Brings Minors' Fines

Charged with illegal possession of alcoholic beverages, three Detroit youths appeared before Grosse Pointe Park Municipal Judge C. Joseph Belanger who sentenced each of them to a fine of \$35, or five days in jail, on Wednesday, October 9. The fines were paid.

Robert Letson, 19, of 602 Field; William A. Holiday, 20, of 8968 Carrie, and James Bates, 18, of 1009 Seyburn, were arrested, with a 14-year-old girl, while sitting in an automobile with lights turned off, at Trombley and Lakeview court Wednesday, September 25, at 10 p.m.

When police found bottles of beer and wine on the rear seat, the four were taken to the Park police station and ticketed as "minors in possession of alcoholic beverages." Police said the girl first claimed she was 17 years old, later admitted she was only 14. She was turned over to her parents.

Bus Fare Hike Hearing Slated

Woods attorney George Catlin read a letter to members of the Woods Council on Monday, October 21, from the Michigan Public Service Commission announcing that the fare increase proposed by Lake Shore Coach Lines, Inc., would be delayed until after a Public Hearing on the matter November 22, at 10 a.m., in the Court of Appeals, 900 First Savings and Loan Building, 1001 Woodward.

The Council, as did the City of Grosse Pointe Council, questioned the need for this five-cent increase. The Woods Council requested more information expressing the need for the rate hike.

Last night they spoke of a communication from Lake Shore Coach Lines, Inc., accountants, which used the four month period from May 1 through August 31, 1967, to illustrate the need, a period during which Detroit was faced with civil disturbances.

The Council decided to await the results of the Public Hearing and more information before any further action was taken.

GPNH Harriers Double Winners

By John Edwards '71
Richard Montauk '71 led the Grosse Pointe North Cross-country team to its fourth victory on October 9 as they romped over the Roseville Brablar Cougars by a score of 23 to 38.

Richard Welsh of Roseville, won in the time of 10:30, but the victory didn't come easy as Montauk battled him down to the wire. Richard's time was 10:31 and he was followed by Bill Rider '70 in the time of 10:43. Klary Kraiz of the Cougars was fourth in 10:46 and the Norsemen took the next five places with Ralph Hoffman '72, Dan Janicak '70 and Mike Kamlay '70 taking the last three places of the five places for the Grosse Pointe scoring.

Montauk again led the Norsemen harrier team to victory as he whizzed past the Lake Shore Shorians by a score of 21 to 35, on October 16.

Montauk came in first in the time of 10:46, as he sprinted the last 175 yards of the course. He was followed closely by Rider and Janicak, who were both timed in 10:47 and came in second and third respectively. Gary Rizzo came in fourth for Lake Shore at 10:48. Kamlay and Hoffman made up the last two scoring places for Grosse Pointe.

This was the Norsemen's fifth win and they are presently tied with Fraser for second place, with South Lake in first

Alpha Omicron Pi Group Holds Benefit Luncheon

The October event of the Detroit Alumnae Chapter of Alpha Omicron Pi sorority was a benefit luncheon and card party in Grosse Pointe's Hospitality Center on Tuesday, October 22, at 12:30 o'clock.

A ticket donation of \$1.25 was given to the Beta Gamma Chapter's building fund at Michigan State University, one of the four Michigan AO Pi collegiate chapters.

All Detroit area alumnae and friends, especially mothers of Beta Gammans, were invited to participate in this afternoon of cards following a salad luncheon. Prizes were awarded.

Reservations were made with co-chairman Mrs. John Wargelin, of St. Clair Shores, past-president, and Mrs. Martin Hawley, of McMillan road, current chapter president.

Assisting with the party were Pointers Winifred Eliason, Mrs. Louis Neuder, Mrs. Harry Riser and Mrs. Bruce Steinfeld.

Members are reminded to pay their dues to chapter treasurer Mrs. William Wilson, of Wedgewood road before November 1, and to make their reservations for the Detroit Panhellenic Dance, planned for November 9 at the Grosse Pointe Yacht Club, with Mrs. Louis Neuder or Mrs. Watson Ford.

place. Their next meet was set for Wednesday, October 23 against Fraser to determine the sole owner of second place in the Bi-County League.

13—REAL ESTATE FOR SALE

BETTER LIVING BEGINS WITH A NEW HOME

Our idea home at 9 Alger Place will be open Saturday and Sunday from 2 to 4:30. Alger Place is south of Jefferson and west of Fisher.

We also have other homes under construction and a limited number of building sites.

WALTER H. MAST CO.
TU 2-1401 TU 2-1400

OPEN HOUSES SUNDAY 2:30 TO 5

301 TOURNAINE is head and shoulders above the rest of the market in this neighborhood, yet priced way below the competition. If you must have a family room, library, separate rooms for the kids and copious garage space and desire colonial architecture, then this one should be on your list to see Sunday. Priced at \$51,900.

1230 BERKSHIRE is not just another three bedroom colonial with a two story portico and white pillars. This one shows as well inside as it does out. There is a family room which looks out into the immense backyard, and a price reduction to \$42,500, which should make this one even more tempting.

BY APPOINTMENT FIRST TIME OFFERED

ON OXFORD Road is this three bedroom colonial with its red bricks richly flavored with thick ivy. The center hall plan with a large library at the rear of the hallway, make the extra first floor room more than just an appendage to the living room. Good kitchen and early occupancy make this one doubly desirable.

ANOTHER center entrance colonial around the corner on Renaud, is also first advertised this week. This one has two full baths on the second floor and a large family room.

EXACTLY FITS the description outlined by so many of today's home buyers. Colonial architecture, center hall, four bedrooms, extra room on the first floor, close to schools and shopping and priced in the mid-forties.

A "NOW" house which means from a decorating and availability standpoint the place is ready for you now. Cape Cod by design and early American influenced interiors, this one is sure to appeal to the buyer who wants three or four bedrooms and two full baths. There is a first floor bedroom and glass and screened enclosed porch. When you check out 20050 Marford Court, we're sure you'll get your check out.

YES... you can buy a three bedroom home for under twenty-four thousand dollars. We are showing such a house Sunday, at 3984 Buckingham. Both house and owner are all dressed up and ready to go. The next move is yours!

1794 ALLARD is not just another three bedroom one bath house, but a particularly attractive offering on an attractive street, and available at an attractive price. If colonial is your type of architecture and you need "in" soon, then put this on your list.

EXACTLY FITS the description outlined by so many of today's home buyers. Colonial architecture, first floor bedroom, large library with fireplace, air conditioned, bedrooms up for visiting family with brood, and in "the right location." On one of the Shores finest streets, and just a few feet from Lake Shore Road.

IN THE SHORES and Deerparks, is this seven-bedroom house with baths and a layout which is sure to appeal to a large family. If you want "in" tomorrow, beg, steal or borrow... otherwise don't blame us for your sorrow.

School Swimming Program Will Start In November

The school-year swimming program is ready to begin during the first week in November as announced by the Department of Community Services of the Grosse Pointe Public Schools.

One of the outstanding features of this year's program will be the North High School Pool, open for the first time to the Grosse Pointe general public.

Wednesdays and Fridays the North High School will be available for Open and Family Swimming from 7:30 to 9:30 p.m. Classes in instruction are also available on Thursdays and Saturdays at North. The schedule appears below.

Reservations for classes in instruction are necessary and should be made by calling the Department of Community Services at 886-3808 or 885-0271.

Parents are encouraged to enroll their children as soon as possible because classes are limited to safe and reasonable numbers, and are often closed before all applicants are satisfied.

This is the schedule which will begin during the first week in November:

REGULATIONS FOR FAMILY NIGHT AND OPEN SWIMMING

OPEN SWIM: Fee: \$.50 per participant.

1. Children must be accompanied to the pool by at least one adult.

2. Adult participation is optional.

FAMILY NIGHT SWIM: Fee: \$.50 per participant— not to exceed \$1.50 per family.

1. Adult participants are not permitted to bring children other than their own.

2. At least one parent of each family must be in a swimming suit in order for the other members of the family to participate.

GENERAL REGULATIONS FOR OPEN SWIM AND FAMILY NIGHT

1. Adults must present identification as to residence (park cards, driver's license, etc.).

2. Swimming instruction will not be available.

3. Fins, face masks, etc. are not allowed in pool.

Intermediate classes are limited to those who can swim the length of pool — 75 ft. All participants must furnish own towels and suits of material other than wool. Jewelry, watches, and other valuables should not be brought to the pool. Plain rubber bathing caps must be worn by all females. All swimmers are required to take soap-and-water shower before entering pool.

City of Grosse Pointe Woods Michigan

Proposed Ordinance

AN ORDINANCE TO PROHIBIT THE OPERATION OF UNLICENSED, MOTORIZED VEHICLES ON PUBLIC AND PRIVATE PROPERTY ACCESSIBLE TO THE PUBLIC WITHIN THE CITY LIMITS OF THE CITY OF GROSSE POINTE WOODS, MICHIGAN

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. The operation of unlicensed, motorized vehicles, including but not limited to Go-Karts, Mini-Bikes, and Scooters, upon the sidewalks, alleyways, paved and unpaved parking lots, school playgrounds and other public and private property that is accessible to the general public, other than the streets and roadways, within the City of Grosse Pointe Woods is hereby declared to be a public nuisance, as being injurious to the public safety.

Section 2. The operation of such unlicensed, motorized vehicles, including but not limited to Go-Karts, Mini-Bikes, and Scooters, upon the sidewalks, alleyways, paved and unpaved parking lots, school playgrounds and other public and private property that is accessible to the general public, other than the streets and roadways, within the City of Grosse Pointe Woods, Michigan is hereby prohibited.

Section 3. The term private property accessible to the general public shall mean any privately owned, leased or rented property that is not enclosed within a fence and wherein the owner, lessor or tenant permits the gathering of persons who are present upon such property without the specific permission of such owner, lessor or tenant.

Section 4. The Ordinance shall not be applicable to motor powered lawnmowers, tractors, sweepers, snow plows, when used for their designed purposes, or farm implements.

Section 5. Any person or persons violating any of the provisions of this Ordinance shall, upon conviction thereof, be subject to a fine not exceeding the sum of Five Hundred Dollars (\$500.00) or imprisonment in the City or County Jail for a period not exceeding Ninety (90) days, or both such fine and imprisonment in the discretion of the Court.

Section 6. This Ordinance is hereby declared to be an Emergency Ordinance which is necessary for the preservation of the public peace, health and safety, and is given immediate effect upon its publication.

ABSENT VOTERS BALLOT for the GENERAL NOVEMBER ELECTION

to be held on
TUESDAY - NOVEMBER 5, 1968

REGISTERED and QUALIFIED ELECTORS of the City of Grosse Pointe Woods who desire to apply for ABSENT VOTERS BALLOTS for the GENERAL NOVEMBER ELECTION to be held on Tuesday, November 5, 1968 are required to make application at the office of the City Clerk, 20025 Mack Avenue, Grosse Pointe Woods, Michigan during office hours of the City Clerk.

Application for Absent Voters Ballots may be made by any qualified and registered elector who on account of physical disability is unable without another's assistance to attend the polls, who on account of the tenets of his religion cannot attend the polls on the day of election, who is absent or expects to be absent from the City on Election Day, or any elector who is 70 years of age or older. The Office of the City Clerk will be open from 8:30 A.M. to 5:00 P.M., Monday through Friday.

In addition, the City Clerk's office will be open on Saturday, November 2, 1968 between the hours of 8:00 A.M. and 2:00 P.M., Eastern Standard Time, for receiving applications for Absent Voters Ballots. NO APPLICATION FOR ABSENT VOTERS BALLOTS MAY BE RECEIVED AFTER 2:00 P.M. on Saturday, November 2, 1968.

who, where and whatnot

by whoozit

They picked . . . the prettiest time of the year to visit one of their favorite vacation spots, The Tides Inn in Irvington, Va., found the weather wonderful for golf, swimming and boat rides, had lots of talk with fellow vacationers and good friends, the Al Hermans, of Dearborn . . . and now Dr. and Mrs. Clifford Loranger are back in their Lakeshore road home, waiting for winter with the rest of us . . . but wasn't early October lovely on the Eastern Seaboard? . . .

Witches, grab your brooms! . . . Friday, October 25, is your day! . . . Once again the Young Episcopal Women of Christ Church are planning a Halloween Party for the children of the parish, ages three to 12, and their friends . . . An obstacle course, relay races, games of skill, a fortune teller, cider and doughnuts and prizes for all are promised by Mrs. Mark Richards, chairman of the party . . . Y.E.W. members and their husbands are digging out their own costumes to help in the fun which will take place in the Church Undercroft from 7 to 8:30 o'clock . . .

The fourth and final lecture . . . On Twentieth Century American Statesmen, initiated by the Society of Mayflower Descendants of Michigan some four years ago, will be delivered Friday evening, November 1, in the Grosse Pointe War Memorial's Fries Auditorium, by Professor William Harbaugh, of the Department of History at the University of Virginia. It will be open to the public. The subject will be Theodore Roosevelt . . . Russell Lucas, of East Jefferson avenue, representing the Society of Mayflower Descendants in Michigan, chaired a group of representatives from Grosse Pointe's educational institutions who gathered recently over luncheon at the War Memorial to plan the lecture and the dinner that will precede it . . . Among those present were Superintendent of Schools Dr. Thos I. Anderson, representing the Grosse Pointe Public School System . . . John Lake, representing the War Memorial Association . . . Sister Ann Judith, Principal, representing St. Paul High School . . . Howard Case, Assistant Principal, representing Grosse Pointe South High School . . . Robert Welch, Assistant Principal, representing Grosse Pointe North High School . . . and Director of Public Libraries Robert M. Orr and Assistant Director William Peters, representing the Grosse Pointe Public Library and Friends of the Grosse Pointe Public Library . . . Also participating in lecture-dinner planning are Grosse Pointe University School, Liggett School and the Grosse Pointe Community Services Department . . .

Happy, happy, hurry! . . . Today's your last chance to find that extra-special gift at the 1968 Planned Parenthood Christmas Mart . . . The 25-plus specialty shops represented in this year's Mart pack up and leave town tonight, but they're open-for-business today through Closing Time: 5 o'clock . . . The Mart "scene" is Detroit's Veterans Memorial Building . . .

Know what . . . a "Junior Junior" is? It's a young son or daughter of a Goodwill Industries Junior Group member, (if you DIDN'T know, you're not alone: We didn't know either until a "Junior Junior's" mother, herself a "Junior," told us) . . . These Junior Juniors have volunteered to help the elder Juniors at Junior Goodwill's 21st Annual Antiques Market and Sale, open to the public Saturday, November 9, through Tuesday, November 12, at the Goodwill Industries Brush street at East Grand boulevard plant . . . Like the elder Juniors, they'll be in costume . . . The Junior Juniors will work mostly in the food departments: The Ice Cream Parlor, Country Store and Dining Room . . .

Back in the late '30s . . . Paul Van De Ginst, of Nottingham road, played football at Eastern Michigan University . . . and now Mike Van De Ginst is following in his father's football footsteps. Not at EMU, though: Mike's a member of the Ohio University football team . . . The 5' 11" junior is a split end-turned-flankerback who also can play fullback. He's no slouch in the Ohio University classrooms, either: a Sociology major, he plans a career in either Social Work or Industrial Personnel Management . . . At Grosse Pointe High School, Mike was a three-sport man: Playing prep football under Coach Ed Wernet, he earned All-Border Cities League, All-Suburban Detroit and honorable mention All-Michigan honors. He was also a shortstop-pitcher on the baseball team and a guard in basketball . . .

And speaking of Local Boys Making Good . . . on the College/University Football Field, we understand Bob Zink is off to an auspicious start as a quarterback on the Brown University freshman team . . . Bob, a 6' 2" 180-pounder, like Mike is a former Grosse Pointe High three-sport star: He was recipient of the Plebian Award, given to the outstanding student-athlete of each GPHS graduating class, captained the GPHS baseball team, (he was named its most valuable player), and played two seasons of GPHS basketball . . . At Brown this fall, he scored two touchdowns and passed for another to lead the Bruin Culs to an opening game rout of Yale . . .

PILFERINGS

A larger-than-average woman stepped on the scales, unaware that they were out of order. The indicator stopped at 110 pounds.

A small boy standing by watched her intently. "Well, what do you know?" he marveled. "She's hollow!"

Gowanie Ladies Elect Officers

Members of the Women's Golf Association of Mount Clemens' Gowanie Golf Club gathered last Thursday, October 10, for their fall brunch.

Over 50 members were present at the party, which traditionally concludes the year's events. Awards and trophies were presented and the Nominating committee, including Mrs. Russell Knowles, Jr., Mrs. Joseph Cartledge and Mrs. Joseph Range, presented the slate of officers for 1969. Members approved their selections. Serving as next year's president will be Mrs. George Burke. Mrs. Max Henry is vice-president, Mrs. William Rengert is secretary and Mrs. Gerold Grow is treasurer.

Members of the Board of Directors are Mrs. Jack Blom, Mrs. Donald Mancini, Mrs. Le Roy Moreland, Mrs. George Measel, Mrs. Eugene Sutphin and Mrs. William Herman.

Meeting Held By Braille Club

The October business meeting of the Grosse Pointe Braille Club was held in the Exhibition Room of the Grosse Pointe Central Library on October 8. The Club members are busy transcribing books to be given as Christmas gifts to blind school children.

Pointer of Interest

GROSSE POINTE WOODS CITY CLERK LEONA D. LIDDLE

By Pepper Whitelaw

A short woman, with a gentle manner and keen, alert eyes, sitting behind a desk stacked with a mountain of papers, ballots and reports . . . this is almost everyone's first view of Leona Liddle, City Clerk of the City of Grosse Pointe Woods. Or else they see her at another desk, once again laden with reports and papers, this time at a City Council Meeting, taking notes and answering questions addressed to her by city officials—questions for which she always has an answer.

Leona is as much a part of the Woods as its red police cars. At one time or another almost everyone working for the city has come to her for information she always has.

Recalling with a smile those early days when she first came to work for the Woods, she says: "I was hired in June of 1954 by Ray MacArthur, then City Administrator and Comptroller." (Mr. MacArthur is now Director of Business and Finance for the Grosse Pointe Board of Education.)

First Council Meeting Leona did general office work. Then one day, a few months later, she was asked to take minutes at a Council meeting. "I was frightened to death at my first Council meeting . . . but since then I've always enjoyed them," she says, adding, "In November of 1954, William H. Lange became City Administrator. I became his secretary. The work completely fascinated me . . . nothing was routine . . . it really kept me on my toes."

"The Council appointed me City Clerk in February of 1956, and I've been busy ever since." Busy is certainly the word for Leona Liddle. As City Clerk she is responsible to the Council. Her work includes licensing, such as building, plumbing and electrical permits, issuing parking lot licenses, licenses to food handlers, issuing boat docking permits and parking lot permits.

Big Election Chores She's also responsible for the major part of the work during elections: Registrations, cancellations, notices that are published and absentee ballots . . . She has two women helping her with this work.

Although her schedule is 9 to 5, she spends at least one evening a week at city committee meetings. A native Detroit, she moved to The Pointe in 1939. She recalls, "When we built our house in Fleetwood, the area was all wooded and considered far out of the city. At first, in fact, FHA turned down our mortgage because the area was so undeveloped."

Leona was married in 1926 to George Liddle. Both attended Eastern High School. "It's funny though, we both went to Eastern all our high school years, and we didn't meet until a month before graduation," Leona reminisces.

Married at 20 Both George and Leona were 20 when they married. George was a foreman at Chrysler Corporation. Leona went to secretarial school. After school she became a secretary in a wholesale hardware firm.

Then, after 10 years of marriage, she found she was going to have a child. She immediately quit work and began planning for the arrival of her son, Charles, who was born in March of 1936.

During World War II she became a secretary in a steel plant. It wasn't long before she was promoted to purchasing agent. She left the firm after the demands of the job began including evenings and interfering with her housewifely duties.

Charles married Pointer Beverly Blair in August of 1960; in January, 1961, he went into the Army.

Holds Rank of Major "Here's a picture of Charles," Leona beams. "He's a major now . . . in fact, his official title is Chief of the Radio Isotope Section of the United States Army Medical Research and Nutrition Laboratory at Fitzsimmons Army Hospital, Denver, Colo. He enjoys research so much he expects to continue in it."

"I have two beautiful grandsons" (these are the only modest words Leona spoke during the entire interview). "Bob is five years old and Paul was four last May."

All the rest of Mrs. Liddle's family live in the area. Three sisters and her mother, who is 87 years old, live in St. Clair Shores and another sister lives in Hampton road.

Leona currently lives in Roslyn road. "Vacations sort of center around where my son and his family are stationed," Mrs. Liddle notes. "I usually vacation at Christmas time."

"I've visited the children in Washington, San Antonio, Tex., Denver, Colo., and Rochester, N.Y. . . . and I always fly. It seems strange that I can say that so flippantly now . . . because I visited my son, I never flew anywhere . . . now I wouldn't travel any other way."

No Time for Hobbies With her busy schedule Leona doesn't have much time for hobbies . . . but the one she finds time for, like everything Leona does, it worthwhile. It's sending cards and letters to friends, on special occasions, or just little notes to see how they are. "I guess I do this because I so enjoy receiving mail myself," she smiles.

A Busy Woman . . . but not too busy to take time out to write a note to a friend . . . that's the kind of a person Leona Liddle is!

Good Taste

Favorite Recipes of People in The Know

PEAS CONTINENTAL

Contributed by Mrs. Martin J. Hawley From "The Congregational Kitchen Cook Book"

2 Tbsp. butter
1 C. canned sliced mushrooms, drained
1/4 C. minced onion
1/4 tsp. salt
1/4 tsp. pepper
1/4 tsp. nutmeg
1/4 tsp. dried marjoram
2 Tbsp. sherry
2 C. hot cooked peas, drained

Sauté mushrooms and onions in butter until onion is tender. Add next five ingredients, and mix well. Blend and toss with the hot peas. Makes 4 servings.

Hold Pettipointe Quester Meeting

The Pettipointe Chapter of Questers, Inc., held its first meeting of the 1968-69 season last Thursday, October 17, at the home of Mrs. Richard Rinke in Canterbury road. Mrs. Paul Murphy presented a paper on Delft China.

The Pettipointers plan a field trip to Greenfield Village in November, taking the place of the regular monthly meeting.

Kappa Delta Alumnae Will Hold Candle Tea

East Side alumnae of Kappa Delta sorority will gather for their 10th annual Christmas Candle Tea next Wednesday, October 30, between 4 and 7 o'clock in the Windmill Point drive home of Mrs. Harold Mistle.

Guests will browse among holiday arrangements, candles and other decor items, all to be sold as a benefit project for Kappa Delta's national philanthropy, Aid to Crippled Children.

Assisting Mrs. Mistle will be the Mesdames Stanley Kushman, Edward Bunn, Jack Rowe, Robert Callaway, Frederick Lewis, Henry Szymanski and Richard Edin.

Convivial Club Plans Activities For Autumn

The Convivial Club, a select group of widows, widowers and single men over 40, has scheduled a hay ride for Saturday, October 26, including dancing and buffet supper. An evening at the Harmonie Club is being planned for November 9, and an Eastland Community Center dancing party for November 23.

This newly-formed club is seeking more male members, (widowers or bachelors), to participate in planned get-togethers. More information may be obtained by contacting Convivial, P.O. Box 304, St. Clair Shores, Mich. 48083.

Founders And Patriots

The Michigan Chapter, Daughters of Founders and Patriots of America, assembled Tuesday, October 22, at 11:15 at the Grosse Pointe War Memorial for their annual meeting, followed by luncheon. Mrs. William W. Innes, president, conducted the meeting. Guest speaker Mrs. Willard Patterson talked on "The Fabulous Land of India."

Carl's Corner

While there are many good things in our time, but, aside from the political leadership vacuum—have you ever in your life seen a worse bunch of actors, singers and entertainers (?) than we have now for our celebrities.

Vulgar comics, raucous singers, inept actors—No wonder the old movies are so popular.

Magician TED JOHNSON Specializing in children's parties For information TW 3-9543

Brighten . . . a room with a new lamp. At Wright's Gifts and Lamps, 18650 Mack Avenue, they have a sparkling new collection of crystal lamps, imported from Germany and Czechoslovakia. Venetian glass lamps and Early American styles enlighten decorative ideas.

You're Pointed . . . to visit the Icelandic display at Jacobson's, Thursday, October 31st, 1-8 p.m. Besides, the wool crew-neck sweaters for men in natural, malt, vicuna and charcoal, there are slipper socks, mitts, caps and Icelandic sheep skins, beautiful rugs or wall pieces . . . also samples of women's and men's sweaters. It's a wonderful opportunity to select unusual Christmas gifts.

Pointe Counter Points

by Pat Rousseau

C'est Les Bernard . . . You've seen this caption along with creative costume jewelry designs photographed in national ads. See the lovely flora, imaginative abstracts, a lovable lion and a jolly whale in the hand-picked Bernards at Walton-Pierce. Of course, you can't miss the display of Christian Dior linkings for fashionable waists or the new Cadaro costume accent pieces.

Never say . . . we didn't warn you. We've been telling you to get your hairpieces re-styled in the newest looks at Leon, 17888 Mack Avenue and add those all important pin-on curls to your wig wardrobe. With the social whirl RSVPs away, you'll want to be fashionably coiffed at the drop of a hairpin. Do call TUXedo 4-9393.

Everything . . . from linens to toothbrushes can be stored beautifully in Mutschler's vanities for the bath, bedroom, dressing room or powder room. The distinctive storage is practical as well because the cabinets have removable shelves and carry-alls to tote make-up, plus etceteras elsewhere. Choose from colonial, traditional or contemporary styles. Get the ideas at Mutschler Kitchen, 20227 Mack.

If . . . you take a peek in Martha's Closet, 373 Fisher Road, you'll see advance cruise wear. You'll love the knits in pastels, high colors and always fashionable navy and white. They will take you brightly through the holidays and then south.

Specials . . . at the Notre Dame Pharmacy include . . . Revlon's Moondrops Under Makeup Moisture Film . . . the eleven dollar value is six-fifty . . . as is Moondrops Moisture Balm. Moondrops Moisturizing Cleanser is three twenty-five for the six dollar value. By the way, Ma Griffe cologne spray is packaged with bonus perfume for six-fifty.

The Kaleidoscope . . . sees Halloween as a block festival with prizes and surprises. Join the fun at 16135 Mack at Bedford and visit the Block, Friday and Saturday, 10 a.m. till 5 p.m. . . . Sunday, 1 p.m. till 5 p.m. . . . October 25th, 26th and 27th.

Constructive Correction . . . for eyebrows is expertly done at Edward Nepl Parrucchiere, 19462 Mack Avenue. Eyebrows are arched by the wax method. Many teenagers are getting this correct start in one of the most important beauty basics. Call TUXedo 4-8858 for an appointment. Makeup analysis is a free service.

Painting With Wool . . . is what Marnie Fessenden calls crewel embroidery. Her popular classes at the Signe of the Weaver, 20956 Mack near Hampton, are on Tuesdays from 7:30 p.m. till 9:30 p.m. Bill Horning teaches weaving for Creative Wall Hangings, Monday evenings 7:30 until 9:30, beginning November 4th. He has an excellent background and his own work has received artistic recognition.

In Whirls About Curls? . . . These days curls are what's happening in hair. The place where it happens ever so nicely is Robert's. For a lovely appointment call 886-4130. That's Robert's Place, 405 Fisher Road.

Marvelous Merchandise . . . has been arriving daily from exotic Far Eastern countries at the Four Winds, 13800 Eight Mile Road. It's an exciting collection of gift values, all at low direct import prices. We know you will enjoy early Christmas shopping at the Four Winds.

Fish Fry . . . all you can eat! Every Friday! Fresh lake perch with French fries, cole slaw, fresh roll and butter . . . just a dollar forty-nine at Westfields, 25506 Mack at Somerset. TUXedo 5-1003.

Question: How do nice old ladies get from the East Side to Metro Airport?

Answer: They ride the Royal Coachman Limousine. It takes them directly to the airline of their choice, no inconvenient transfer to make and no luggage to carry. Smart young ladies take the RCL . . . too! Both call TUXedo 6-1322.

Let's Talk Turkey . . . One just arrived from Italy. He's a colorful leather gobble designed as a cover for a decanter and to decorate a bar. At Michelle's Boutique at Leon, 17888 Mack Avenue, other leather shapings for decanters are Grenadier Guards, chess kings and queens.
