

# CONVENT REZONING RESCINDED

## HEADLINES

### of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, February 27  
**GENERAL MOTORS ANNOUNCED** Wednesday that it is preparing to notify 4.9 million owners of GM cars and trucks to return them to dealers for replacement of a carburetor part which may become defective or for service to prevent the possibility of exhaust emissions entering the car. The recall affects approximately 2.5 million 1968 and 1969 Chevrolets, Pontiacs, Oldsmobiles, Buicks, Cadillacs and GMC trucks equipped with four-barrel Quadra-Jet carburetors. An additional 2.4 million Chevrolets, certain Biscayne, Bel Air, Impala and Caprice models, 1965 through 1968 will be recalled for inspection and service to the body areas adjacent to the exhaust tail pipe. The replacements and servicing will be made at no cost to the owners.

Friday, February 28  
**THE COAST-TO-COAST** Transportation Workers Union strike that shut down American Airlines Thursday caused inconvenience and delay to many air travelers at Metropolitan Airport. They had to find seats on other planes. It took time but most travelers were able to get transportation to where ever they desired, if they were patient.

CLAYTON SHAW denied Thursday, in New Orleans, that he ever conspired to assassinate President John F. Kennedy, or even knew the two men with whom he is accused of conspiring. The defense then rested its case, and the 32-day trial seemed near its end.

Saturday, March 1  
**WITH ANTI-AMERICAN** demonstrations flaring in the streets of Paris, President Nixon began unity talks with French President Charles de Gaulle. Chanting "Nixon pig" and "Nixon go home," over 2,000 students marched to the Foreign Ministry while Nixon was dressing for a black-tie dinner in Elysee Palace.

BY REDEFINING "NAVIGABILITY," a recent state Supreme Court decision may close almost 95 per cent of Michigan's inland streams and rivers. Such is the apparent outcome of the Court's decision in the "Martiny Lakes" case of last October. This decision would appear to give the private landowner along the waterway the right to block access to the water.

Sunday, March 2  
**MICHIGAN TAXPAYERS** can look forward to state tax refunds, according to Deputy Revenue Commissioner Gerrit Van Coevering who said that there was nearly \$130 million to be returned to taxpayers. The refunds are due to credits allowed renters, property owners and payers of city income tax. The year of 1968 marked the first full year of Michigan's state income tax.

**CRACKING DOWN** on drivers who had not yet bought their 1969 plates, metropolitan police wrote 40 tickets an hour Saturday morning. For the person with expired plates, the only safe place to park was in either a garage or driveway. The busiest station Saturday morning was Grosse Pointe's Mack station which reported 600 sales.

Monday, March 3  
**IN A 14-PAGE LETTER** to ABC, CBS and NBC, the Federal Communications Commission (FCC) found the three networks innocent of charges that their coverage of the Democratic Convention in Chicago was unfair. The Commission went on to say, however, that it would continue to look into reports of "distorting or staging the news."

Tuesday, March 4  
**POLICE ROUTED** about 200 students from the Administration Building at Ferris State College in Big Rapids on Monday evening. The students, all Negro, were detained in the National Guard Armory. The ouster of the students was orderly and there was no apparent damage to the interior of the building they had occupied.

## George Allen Speaks Here On March 10

Career Ambassador Will Give Final Lecture of Fries Forum Series at War Memorial

Career Ambassador George Venable Allen will address the concluding session of the Fries Forum on Monday, March 10, at the Grosse Pointe War Memorial at 8:15.

Ambassador Allen, who served as Assistant Secretary of State for Middle Eastern Affairs, will address the forum on the subject: "The Middle East—What Prospects for Enduring Peace?"

The Ambassador recently retired from the position of Director of the Foreign Service Institute, which is a center for education and training for junior, middle and senior grade personnel sent abroad by the State Department and other agencies of the U.S. Government.

From 1957-1960 Ambassador Allen was Director of the United States Information Agency which conducts the Voice of America.

Has Highest Rank

The permanent classification of Career Ambassador, which Ambassador Allen holds, is the highest rank obtainable by an American career diplomat.

Ambassador Allen was born and reared in Durham, N.C., and received his A.B. degree from Duke University, where he was elected to Phi Beta Kappa. After teaching and reporting on newspapers for four

## Educators and Legislator On Panel for Discussion Of Educational Financing

Pointe Citizens for Education Sponsors Program at Pierce School; Drachler, Sladen, Marcon, Anderson and Waldron Air Their Views

"Millage is an archaic, outworn procedure," declared Dr. Norman Drachler, superintendent of Detroit Public Schools, February 26 at Pierce auditorium.

He joined three other educators and a Michigan legislator in a panel discussion of the allocation of state educational funds, and the consensus was that new ways must be found to insure quality education for children in Michigan and the nation.

He suggested that the Board of Education be given authority to levy taxes and then be held accountable to the people. "We who cherish education have left only two things up to the voters—education and sewers," he said. He added that only Michigan and three other states require that citizens be property owners in order to vote on educational matters.

"Education is everyone's problem," he said. "We have to change the system. We have to decide where we are going to put our priorities."

He added, "This country has raised the aspirations of its people. We have mass education. The job ahead is that of quality education."

John Marcon, school board member of the Archdiocese of Detroit, echoed the feeling that the heart of the problem is the method—that property taxes are unjust and inequitable.

He said the Legislature has the choice of providing total education for all children, through public schools, or of providing a fraction of the cost of educating 300,000 Michigan children by assisting in their education in non-public schools.

"I'm tired of hearing the word 'unconstitutional,'" he said. "Time has run out."

## School Board Meets Monday

The Grosse Pointe Board of Education will hold its regular monthly meeting at 7:30 p.m. on Monday, March 10, in the gymnasium of Montclair School, 1275 Cook road.

Mrs. Paul G. Hykes, president of the Board of Education, will chair the meeting and Dr. Theos I. Anderson, Superintendent of Schools, will make his recommendations to the trustees.

The public is cordially invited to attend.

## Police Accuse Woods Youth Of Having, Selling Narcotics

A 17-year-old Woods youth who has been under police surveillance for several months as a suspected seller of narcotics, was arrested at his garage-apartment early Thursday morning, February 27, according to information released by Woods authorities. Ten kilos of marijuana, which the youth "sold" to a policeman, and other suspicious appearing material found in the apartment were confiscated by the arresting officers.

Arrested was Thomas Black of 879 Lochmoor boulevard, who was taken into custody at 1:30 a.m., when a "buyer" gave Black \$1,700 for the 10 kilos of alleged marijuana. The young man was promptly placed under arrest, and later that morning was arraigned before Woods Municipal Judge Don J. Good-

row, on a warrant accusing him of violating the State Narcotic Laws, specifically, possession and selling of narcotics. The warrant was approved by the Wayne County Prosecutor's Office.

Black stood mute to the charge, and a plea of innocent was entered for him. He was released on \$5,000 bond, pending an examination set for yesterday, March 5.

Officers from the Woods, Park, Detroit and surrounding communities, and agents of the Federal Bureau of Narcotics and Dangerous Drugs, were involved in the months-long investigation, and participated in the arrest of Black, following the sale.

Woods Det. Martin Trombley, who touched off the initial investigation, said, "Parochialism is first," he said. "Parochialism is first."

## Blue Devils Beat Austin In Tourney

Come-back Finish Brings Victory to South High Cagers for 17th Straight Win of Season

Overcoming perhaps their toughest opposition, Grosse Pointe South High School's basketball team rallied on Monday evening to beat Austin 66-58 before 3,000 plus fans on the Blue Devils home court on the first night of the Class A district tournaments.

It was South's 17th straight victory, but it was only with a great fourth quarter comeback that the Blue Devils were able to come from behind to defeat the upset-minded Austin team. Austin went into the final quarter leading 48-41 but lost their big center, 6-foot-6 John Sark, on fouls.

After the game, South coach Chuck Hollosy said that the come-from-behind victory "was simply another case of my kids refusing to fold up shop. We've pulled out other games with late rallies."

The fourth quarter comeback, in which the Blue Devils outscored Austin 25-13, was led by center Larry Ulmer who scored 12 of his 21 points in the final eight minutes of the game.

Ulmer was followed by Chris Malafouris, who netted 14 points, and Jim Humes with 13. Austin's scoring attack was led by Rick Wood with 21 points.

## Finds Marijuana Cigaret in Pack

A strange situation was brought to the attention of the City of Grosse Pointe police on Monday, February 24, when a Neff road resident went into the station with a package of cigarettes that she had purchased that day at a neighborhood store.

She told officers that she took the package with her to the beauty salon and noticed a rather strange cigaret in with the others. It looked suspiciously like marijuana, she said.

Officers checked it out and discovered it was just that. The woman had no idea how the marijuana cigaret got into her package of cigarettes, or even if that package was the same one she had purchased.

**TIRES STOLEN**

Lawrence Deutscher, a mechanic at Pointe Shell Station, 17500 Mack, reported two right tires and rims were stolen from a '67 Chevrolet parked in the lot next to the station, on Thursday, February 27.

## Bus Service Halts As Drivers Reject Offers of Company

President Schweikart Says Meeting Demands of Employees Would Cost \$163,524 Annually and Force Lines Out of Business

Bus service between Detroit and Grosse Pointe, St. Clair Shores and Harper Woods was brought to a halt on Friday, February 28, when drivers for Lake Shore Coach Lines went on strike after turning down an 18-cent-an-hour wage increase offered by the company. The drivers had been working since February 2 without a contract.

The union representing the drivers, Amalgamated Transit Union Local 176, asked for a 33-cent increase, from \$3.07 an hour to \$3.40.

Additional demands include more holidays, a pension plan, increased sick and accident benefits and overtime after the basic work-week of 54 hours.

Company president Walter Schweikart said the wage increase combined with the other benefits would cost the company \$163,524 annually, an amount Schweikart says "We've never made since I organized the company in 1932."

**Won't Operate at Loss**

Schweikart's offer of wages and fringe benefits would amount to \$50,945 a year. He claimed Lake Shore Lines made \$33,169 last year before taxes and went on to say "We will not operate the company at a loss."

About 5,000 people ride the lines' 48 buses daily. Tardiness in area schools was reported to be higher than usual. Area residents began a "hitchhike" service to pick up and return mounds and other domestic help that could not otherwise have reached their employers' homes.

The immediate restoration of service appears a slim possibility as both the union and the company wait to hear from state and federal mediators. Bargaining is not expected until sometime this week.

**Would Create 'Kitty'**

The walkout came one week after a 5-cent fare increase went into effect.

Schweikart said that he offered to put into a "kitty" all of the profits from the fare increase and they could then be divided among the employees. This bid was, he said, rejected.

The union also rejected on Wednesday evening, February 26, a company offer which included the increased holidays, Blue Cross payments and an \$8,000 pension fund. Schweikart added that anything above this offer might force him out of business.

**DOG OWNER WARNED**

Michael Rosetos, 13, of 888 Rivard, reported to City Police in Thursday, February 27, that an Airedale dog was running loose in the neighborhood and had chased his dog, John O'Hare, 837 University, the owner of the dog, was warned to keep his dog on his own property.

**BOX OBSTRUCTS VIEW**

A Lakeland avenue resident reported to City Police on Thursday, February 27, that a United States Mail Box impeded motorists' vision of Keweenaw traffic, when driving north on Lakeland. Police are checking.

## Ruth Burczyk Is Soloist With Symphony March 16

Ruth Burczyk, acknowledged as one of the area's most popular keyboard virtuosos, will return to the stage with the Grosse Pointe Symphony Orchestra on Sunday, March 16, at 3:30 o'clock, in Parcells School Auditorium, Mack at Vernier road, in a performance of Gershwin's Concerto in F.

Mrs. Burczyk, who has been heard on numerous occasions by the audiences of the Grosse Pointe communities, has been received with overwhelming enthusiasm by music critics and public alike since she made her debut at the age of 16 with the Wisconsin Symphony Orchestra. Her rapidly expanding career has been highlighted by guest appearances with the Detroit Symphony, Rochester (Minn.) Symphony, Detroit Women's Symphony, Scandinavian Sym-

## Farms Solons Change Mind On Resolution

Interested Groups to be Given Opportunity to Buy Academy Property and to Make Plans Work

The Farms council was literally surrounded by interested persons who opposed the council's resolution to adopt a proposed ordinance to rezone the 19-acre Sacred Heart Convent property, 171 Lake Shore road, currently zoned for Community Service, to residential.

At a public hearing held on Monday, March 3, a record number of people crowded into the council chambers. The lucky ones who came early got the seats, while others stood against the four walls, and still others sat on the floor. The audience spilled out into the hallway, and these had to strain to catch every word that eloquent speaker-representative spoke.

**Mayor States Case**

Mayor William Butler, who presented the city's point of view in the matter, handled his side, extremely well, as he upheld the council's intention to adopt the ordinance to protect the interest of the community and city's taxpayers.

On the other hand, Charles M. Bayer of 1430 Bishop road, representing the O'Brien-Robinson Committee, a group spearheading the rezoning opposition, Miles O'Brien of 41 Hendrie lane, co-organizer of Mrs. Walter B. Robinson of 450 University place, in the formation of the committee, Peter Thuer of 16910 Village, and others spoke well in pressing their views on why the property should not be rezoned.

**Conditions Imposed**

The arguments presented by the opposers swayed the council to rescind its resolution to adopt the ordinance, but only on condition that if the O'Brien-Robinson Committee cannot purchase the school property for its intended purpose of a private educational elementary school, and that the New York Province of the Society of the Sacred Heart, which owns the property, shall give a 60-day notice to the city council of any intention to sell to any other interests. The committee was also asked to submit a letter.

This, it was explained, would give the council the opportunity to reinstate its resolution for the adoption of the rezoning law. Such an ordinance would become effective within 20 days.

**Reads Position Paper**

At the start of the hearing, Mayor Butler read a position paper prepared by himself regarding the proposed ordinance, which would change the present zoning, CS—Community Service District, which permits use of land for schools, churches, community and cultural centers, to R1-AA-One Family Residential District.

## Farms Solons Change Minds About Zoning

which permits one family dwelling, with lots having a minimum area of 11,000 square feet and a minimum frontage of 300 linear feet.

The convent property, he stated, approximately 9 acres, is bounded on the north by Lake

Michigan, on the east by Moran road, on the south by Green Point boulevard, and on the west by the property of St. Paul's Church and St. Paul's School.

**Violate Fire Laws**  
Two buildings on the Academy ground do not meet fire requirements, the Old Building, constructed in 1883, and the

Brat Building. These will require renovation to meet the requirements, the mayor stated.

There is a total of 1,713 acres in the Farms, of which 146 acres, or 8.5 percent, is tax exempt. Of the tax exempt

property, 33½ acres, or 1.37 percent, are city-owned, and 112½ acres, or 6.57 percent, are owned by tax exempt organizations comprised of six schools, seven churches and one community and cultural center.

In comparing this with the other Pointe communities, the mayor pointed out that the Farms has a substantially higher percentage of tax exempt property than its sister communities.

The 19 acres of the convent property, which is comparable to the Burton-Warner Subdivision plus the northern half of Lakecrest Lane Subdivision, when built up, would have an assessed valuation of approximately \$2 million.

**Cites Possible Taxes**  
Under the Farms' 1968 tax rate of \$12.75 per \$1,000 assessed valuation, the city would realize a property tax revenue of \$25,000 a year; the County tax of \$7.12 per \$1,000, would plan to receive \$14,240 in revenue; and the School tax of \$29.77 per \$1,000, would give the School System a revenue of \$59,540 a year.

The total tax revenue in the Farms in 1968, the mayor pointed out further, was \$124,237.

The mayor stated that the plan for rezoning any final action by the council for at least six weeks for the purpose of giving the O'Brien Committee an opportunity to complete its program.

The council was elected to perform its duty in the interest of the community and its taxpayers, thus there was some haste, or rather vigilance, in accomplishing the preliminary legal formalities, but there was no haste in arriving at a final conclusion, the mayor said.

"The duty of the council," the mayor emphasized, "is to conduct the affairs of the city in the best interests of all its citizens and taxpayers within the scope of the law and social conscience."

He stated the following priorities are in the best interest of the community: 1. Retain the property substantially in its present condition; 2. Permit residence of R-1A Character; and 3. Prevent a use which is in fact not in the best interest of the Farms.

The spokesman for the O'Brien-Robinson Committee, and the Province of the Sacred Heart, spoke out against the mayor's suggestion that the matter be postponed for six

investigation when he received information of narcotics abuse in the city, and who worked hard on the case, took part in the arrest.

Word's Director of Public Safety Donald Costello said the fine cooperation between the various law enforcement agencies, which culminated in the arrest of Black at his Lockwood home.

Federal agents who took part in the raid said that the 10 kilos of marijuana, which amounts to about 23 pounds, were sold at between \$10,000 and \$20,000, depending on how it is "cut."

The police snatched from Black's apartment, 13 plastic bags filled with bird seeds and oranges, the latter a harmless food seasoning, often used to dilute marijuana to give it weight and which is frequently sold to dupes in its original state as "pot"; a plastic bag containing a large amount of white capsules, containing unknown ingredients; a plastic bag with empty capsules; a plastic bag with an unknown white substance; two scales; a measuring cup; a small container with one capsule and two tablets suspected of being LSD; and one capsule suspected of being "chic," a hallucinogenic drug.

It was disclosed that if completed, Black faces up to 20 years in prison.

It was also revealed that under a Federal Law, the federal government can impose a \$100-a-week tax on marijuana on the person from whom it is confiscated. The tax on the 10 kilos, or 23 pounds, amounts to \$2,300, agents of the FBI said.

**Private Neal Bauer Honored By Army**  
Army Private Neal W. Bauer, son of Mr. and Mrs. Clarence B. Bauer, 10744 Blossom lane, was awarded the American Spirit Honor Medal recently at the end of his basic combat training at Ft. Knox, Ky.

The award is made to the trainee who best demonstrates honor, loyalty and high example to his fellow soldiers during basic training.

There is nothing, they said, to prevent the council from rezoning the property, if the purchase deal should fall through, with the law becoming effective within 30 days from publication.

However, they said further, they cannot recover time or money, if the council does not withdraw its resolution to adapt the rezoning law at once, or postpones its intention to do so until another date because of the uncertainty it would create in the minds of parents and financial contributors.

The parents, especially, they said, must know now, if they can enroll their children in the new school, or if they may be too late to place the children in other schools.

James Collins of 250 Hillcrest, spoke out against any delay, he said that new teachers are being trained for good positions in different schools, and some can be signed up for the new school, but, not a single teacher is going to sit around for six weeks, in uncertainty, when they have a chance to get jobs elsewhere.

Thurber asked the council to clarify any intention of adopting the ordinance, and suggest that this be done on receipt of a letter from the Province of the Sacred Heart that it would not act in any other purchasers without giving the city council 60 days notice.

With the promise of both Thurber and Bayer that the respective groups will forward such letters, the council withdrew its resolution.

### Sophisticated Equipment Used in Reading Course

By Pepper Whitelaw

Tachistoscope, Controlled Readers, Pacers... sound like some types of complicated medical equipment, don't they? They're not! They're simply pieces of equipment currently being put to good use at North High School under the supervision of Andrew J. Balas, of the English department.

Mr. Balas teaches a Reading Workshop course of which this equipment is an integral part. In this class students practice skills which will help them in becoming more efficient students by improving their reading habits.

The course training covers specific factors of comprehension, quickness of comprehension, literal, inferential, critical, and evaluative levels of understanding, overall understanding, which includes sensitivity to mood and tone, vocabulary development and word attack. It also improves the students' efficiency in note taking, outlining, usage of the dictionary, standardized test taking, handling study problems, and improves their ability to follow the development of a thesis.

A particularly exciting facet of the course is the use of Controlled Readers. With this equipment the students use the Educational Laboratories study guide. Here a projector presents reading material, both fiction and non-fiction by well-known authors, in an unusual manner. During controlled reading, line after line of the story is uncovered in a left to right sequence at a preset rate. Prior to controlled reading the students are asked to survey the text, question it, read it, then review it. Then the story is flashed on the screen. The instructor stops the projector periodically and asks questions regarding the story content. This method improves the students' visual accuracy and their ability in achieving quick idea perception. It also helps the students become more comfortable and more efficient when they are reading.

Students are becoming faster, more accurate, better understanding readers with more enjoyment of the material they are reading with this type of training.

The tachistoscope is another method Mr. Balas employs. Here phrases and sentences are flashed on a screen at one one hundredth of a second. The students are asked to pronounce the phrases and sentences. It was quite apparent that even in the short length of time (since mid-January) these students had improved tremendously in their reading proficiency.

Electrically operated pacers are used in carrels by the individual students. These operate on the same principle.

Mr. Balas is currently using the University of Michigan approach to this type of reading. The approach reverses the old procedure of flashing phrases slowly, then gradually increasing the speed. In this procedure phrases are flashed rapidly and slowed down to suit the students' needs. Experts have found that this method makes for quicker perceptual development.

Reading improvement for the student at North is basically developmental, for reading and study efficiency. Emphasis is on the Ninth Grade students through the English classes, and a four-group team has been organized for that purpose. The students have priorities in the use of the workshop Lab and its facilities. Upon request, other English classes go to the Lab for designated units of time, according to the kind of practice requested.

Teachers may arrange for individuals or small groups to work there. Students may also elect the semester, full credit course, "The Reading Workshop," similar to the one which for years has been offered at South High School.

Expansion plans for next year include a more intensive effort to include as many of the student body as possible. The semester course may be chosen by students in the Elective English program, as a basic course for average and poorer readers or as an advanced course for above average readers.

A new course, "Explorations in Reading," is also being offered.

It is hoped that with this expansion individual students will apply for practice during study periods, that specific reading problems of each department can be better handled and that more intensive work can be done with students who are badly handicapped by poor reading.

## Pleas of Pointe Players Produce Plenty of Plumage

By Pepper Whitelaw

When theatre-goers view Pointe Players of Grosse Pointe South High School's production of "The Boyfriend," a spoof on the musical shows of the 1920's, imported from England in 1956, they will also see clothes worn by prominent Pointers in that era.

When the Players, who are subsidized by the Mothers Club of Grosse Pointe South High School, decided to do this production, they sent out a plea in the Mothers' Club Newsletter for authentic clothing from the 1920's. The response, according to Mrs. J. Perry, III, was overwhelming. "I learned that each dress had a history that was absolutely fascinating," she said.

Mrs. Watson Ford's dresses were the first collected. They were gowns she wore when she was a young debutante in Baltimore. One is a lovely apricot colored, French crushed velvet, with beautiful handwork, the other, a short, black Brussels lace. After the play Mrs. Ford will donate the dresses to the Historical Museum.

A former Pointer, Mrs. Theodore Gundlach donated a pale blue silk gown embroidered with hand-made flowers... the gown belonged to her mother.

When Mrs. James Steen called Mrs. Perry and said she thought she had something just right for the play she wasn't kidding. All of the items belonged to her mother. One was a smart, black chiffon dress with a beautifully hand beaded blouse and skirt. Another was black crepe completely covered at the hemline and neck with thin fringe. Beads and fringe and 23 Skiddo! Then to sweeten the lot, Mrs. Steen gave a red fox neckpiece... head, feet and all; a lovely pink posh plume, two long swinging beaded bags, long, colored beads, silver shoe buckles and a belt... "Dearie do you remember?"

Mrs. Kevin Kavanaugh's contribution was her mother-in-law's wedding dress... completely embroidered in gold beads with chiffon wings flowing from the arms and the side of the skirt. She added a lovely beige eyelet lace dress and a Jim Dandy men's tuxedo with satin lapels... shades of F. Scott Fitzgerald!

Mrs. Albert Cooper offered to loan a real gem... a beautiful black sequined dress with a bright green taffeta sash... Boop... E... Doo! Her mother's wedding dress of black chiffon with beaded neckline and waist and the then fashionable scalloped hem, was loaned by Mrs. Mark Boerner.

It was not unusual in the '20's to wear black for a wedding. Mrs. Boerner also sent along a bright, red chiffon gown with a swing skirt and silver embroidered cuffs... with sequins, of course!

Eyelet lace... especially beige, was the cats' meow those days and Mrs. Robert Page sent one along to the Players as well as a midnight blue chiffon dress with what else?... beads natch!

Mrs. Frank Hoffman's contributions included a black handmade crepe dress with fringe at the waist and hem, long, long, cigaret holders ala Auntie Mame... and a man's straw skimmer.

"The Boyfriend" will run March 19 through 22. This will be the Players' first musical and it will celebrate their 40th season.

Proceeds of the first two performances' ticket sales will go to the Scholarship Fund of the Mothers Club. This money is used to assist needy graduating students in their first year at college.

Fred Nelson, the Players' director for 23 years, and the Players were delighted with the community's response to their plea for costume assistance, and added that they all feel it will be more fun to be performing in authentic clothes and accessories!

The cast has 30 lively, enthusiastic characters! The musical accompaniment will be provided by the Bearcats.

If you have not already ordered your tickets call ticket chairman, Mrs. Miriam Schaafsma at TUxedo 1-9196, immediately. All seats are reserved.

a side issue that is driving wedges and obscuring issues." "Most of us don't realize the seriousness of this whole subject nationwide," he emphasized. "Education is the only thing we can be sure of today that will be lasting for our children."

**'Ravenous Tax-Eating'**  
Robert Waldron, Michigan State Representative for the First District, cited education as "the most ravenous of the tax-eating bodies." He claimed that while education has become the biggest growth industry of the nation, it has not yet met the demands of today's society.

He said that 40 percent of the millage votes in Michigan last year failed, with citizens apparently trying to force the state to take over educational financing completely. "Parochialism is a case of non-public schools saying 'We want a piece of the action,'" he said.

Rep. Waldron discussed some of the state aid proposals now before the Legislature, including the Spencer plan, which would require \$400 million worth of financing.

**Mentions Variables**  
He mentioned the variables such as the budget, the Detroit millage failure, teacher unrest, pension funding, colleges and junior colleges, increase in

numbers of students, and the Legislative process itself.

"I do not intend to vote for more taxes," he said. "I want to see adjustment." But he said he felt that the Legislature in the coming year would be moving in the direction of equal opportunity for each child in the state of Michigan.

**Set Detroit Garden Club Meet Next Wednesday**

The monthly meeting of The Detroit Garden Club will be held next Wednesday, March 12, at the Women's City Club. A program, "Light Up The Night," will be presented by The Detroit Edison Company.

Live every minute today in preparation for living tomorrow.

**Liggett School Hosting Workshop and Concert**

The Liggett School will be the scene on March 9 and 10 of this area's first professionally led workshop and concert for players of recorders and harpsichords.

Sponsored by the Metropolitan Detroit Chapter of the American Recorder Society, the concert and workshop will be conducted by the Philidor Trio whose members regularly perform with the distinguished New York Pro Musica.

The recorder, whose origins go back to the obscure early history of music making, is a woodwind. It was widely used in both serious and popular music up to the end of the Baroque period. Then it fell into a total eclipse for nearly two centuries because its subtle tone could not compete with the increasing size and power of the standard orchestra. It reached a peak of popularity around 1730, but by 1750 it was almost completely displaced by its more powerful and lusher-toned cousin, the flute.

In recent decades, however, the recorder and other early instruments have benefited from a renewed interest in all aspects of pre-classical music, and is now widely used in performance and on records. It has also won for itself legions of amateur aficionados, many of whom assemble regularly to rediscover the musical treasures of the Medieval, Renaissance and Baroque periods.

Such a group in Grosse Pointe is the Advanced Recorder Class of the Grosse Pointe War Memorial taught by William Pratt, Mr. Pratt, a teacher at the Liggett School, is past president of the Detroit Recorder Society and general chairman for the concert and workshop.

The recorder class is currently using its weekly meetings to rehearse for the workshop. Shelley Gruskin, one of this country's leading virtuosos on the recorder and the baroque flute, will conduct the workshop for recorders alone. Elizabeth Humes, an acclaimed interpreter of early vocal music, will conduct a workshop which will include recorders and singers from the Liggett School.

Ed Smith, an acknowledged authority on the interpretation of early keyboard works, will conduct a joint session for harpsichord and recorder, and a session for harpsichord alone. These workshops will take place

Sunday afternoon, March 9, the fruits of which will be heard at an informal concert by the workshop students Sunday afternoon at 7:30 p.m. Monday afternoon at 1:15 p.m. the trio will give a lecture demonstration for workshop participants and students of the Liggett School. The finale will be a public concert by the trio, Monday at 8 p.m. in Liggett's auditorium.

The public is invited to attend the informal student concert, Sunday, March 9, at 7:30 p.m., free of charge. Tickets for the Philidor Trio concert, Monday, March 10, at 8 p.m. are \$3, (\$1.50 for students), and will be on sale at the door. For more information about the concert or the workshops, phone Mr. Pratt at 882-0214.

**League Slates Registration**

The Woods-Shores Little League announces a second registration for those unable to attend the first one.

The second session will be Thursday, March 13, at the Woods City Hall Council Chambers, from 6 to 9 p.m. All boys must have a birth certificate and be accompanied by their parents.

**School Salaries Discussion Held**

Representatives of the Grosse Pointe Education Association and the Grosse Pointe Board of Education met for the first time on Wednesday, February 26, to begin contract discussions for the 1969-70 school year.

Negotiators for the teaching group, headed by Willis Brown, teacher at North High School and president of the GPEA, include Miss Jean Palazzola of Montclair School, and three teachers at South High School, William Hoover, Al Essaiades and Maynard Leigh.

Chairing the Board of Education's team is Richard W. Kay, Director of Community Services and negotiations. Others are Lawrence F. Kennedy, Assistant Superintendent-Personnel; William Mogk, Principal of Pierce Middle School; and George T. Eddington, Assistant to the Superintendent.

**School Appoints Cafeteria Heads**

The Board of Education has approved the appointment, of Nils B. Johansson as Manager of Cafeterias for the Grosse Pointe Public School System effective February 10.

Mr. Johansson, a graduate of the University of Utah, has been most recently employed as the School Lunch Coordinator of the Granite School District in Salt Lake City, a position he has held since 1962. He has held several other supervisory posts in the restaurant and resort field.

Mr. and Mrs. Johansson are the parents of six children.

of artistic achievement. His interpretive gift, originality of sound, and ability to program challenging works has provided inspiring concert performances. Mr. Resnick, a member of the Detroit Symphony Orchestra for 25 years, presently serves as Assistant to the Principal, Second Violin with that orchestra. He is a graduate of Wayne State University with a Master of Arts Degree in Music, studied violin and conducting at the Juilliard School of Music in New York, conducted chamber orchestra concerts at the Detroit Institute of Arts, and has written musical scores for many industrial and educational films. The Grosse Pointe Symphony, under Resnick's competent direction and skillful handling of people, has been an inspiration and satisfaction to numerous

### Burglars Visit Home in Farms

William Stetson of 314 Ridge-mount road, reported to Farms police that he had left home between 7 p.m. and 7:30 p.m. on Thursday, February 27, and when he returned, he discovered his house had been ransacked.

Stetson told police that he left the house by way of the rear door, leaving the storm door unlocked, and when he came back home, he found the storm door locked. He said he went to the front door and found it unlocked.

Police said that entry into the house was gained by the thief or thieves who broke a pane of glass on the rear door and reached in to turn the door knob. Both bedrooms of the house and the family room were completely ransacked, investigating officers said.

Stetson said that the thieves took a 19-inch portable television set, valued at \$139; a solid gold chain charm bracelet, valued at \$300; and about three dollars in pennies, and an unknown amount of silver coins from a plastic bank in one of the bedrooms.

Also missing, he said, was his gray tweed sport coat, valued at \$50; and his brown and gray tweed sport coat, also valued at \$50.

Investigation of the break-in was referred to the officers of the Detective Bureau.

### Stakeout Proves Boys' Downfall

A stakeout by Woods police resulted in the capture and arrest of five juveniles on the evening of Sunday, February 23.

Acting on a tip received from another department, Detective Everett Plumb and Detective Martin Trombley stationed themselves inside Our Lady Star of the Sea School early Sunday evening. They had been informed that the school was going to be broken into while Mass was being conducted. Entry would be made through a defective door that could be sprung open with a quick jerk of the handle even though it was locked.

Shortly after 8 o'clock, the building was entered by five juveniles at a point 20 feet from where the observing detectives had stationed themselves.

The five boys were arrested and taken to the Woods police station, where they were subsequently released to their parents pending their appearance in Juvenile Court.

During the course of the investigation, it was discovered that the same group of boys had broken into Our Lady Star of the Sea on the evenings of both Friday, February 21 and Saturday, February 22. The items stolen, all recovered from the homes of two of the boys, included an electric typewriter, three tape recorders, 10 sets of carphones and 10 reels of tape. The approximate value of the stolen material was \$1,040.

### HOME WORK

Before a man sets out to reform the world, he should see that his own children have been switched onto the right track.

The elevation of a man's head is his chief character reference.

Too often a word to the wise is enough to start an argument. Hope is an asset only when it's backed by plenty of hustle.

### Brownell PTA Plans Clinics

Parents and teachers of Brownell Biddle School students will have the opportunity to share ideas on a number of topics relevant to the children's present educational patterns next Thursday evening, March 13. According to Floyd Nixon, Jr., PTA president, no general meeting is being scheduled, to allow time for several clinic sessions which, it is hoped, will open lines of communication.

Entitled "Focus on—," three clinics have been organized for group discussions, each to be repeated a second time to allow parents and teachers to select two of their choice. Representatives of both home and school will serve as stimulators to audience participation.

Panelists who have agreed to lead discussion on the topic "Focus on Parent" include Mrs. Harvey Carender (mother of a seventh grade girl), Mrs. Mary Wernet (counselor) and Nadine Wiechmann (English instructor). They will consider the various contacts between home and school, conferences, report cards, and related ideas. This group will meet in C-5, home-making room.

"Focus on Teacher" will consider grouping for instruction, teaching techniques, and assignments in and out of the classroom. Mrs. Frank Wylie (parent of an eighth grader) Mrs. Mary Jane Better (English and social studies teacher), and David Thomas (math instructor) will serve as discussion leaders for this clinic, which will meet in C-3, art room.

The third topic, "Focus on Child," will cover social programs for and problems of the young adolescent, extra-curricular activities, and orientation to and from middle school. To stimulate parent and teacher communication will be Mrs. John Marcus (parent of sixth and seventh grade students) and Frank Bozarth (sixth grade instructor and co-sponsor of Brownell Student Council). They will meet in C-1, art room.

First sessions of all clinics will begin at 8 p.m. and continue for 45 minutes; then, following a brief break, they will be repeated at nine o'clock. Opinionnaires will be requested of participants if they wish, to enable further home-school planning.

Refreshments have been promised for each of the three discussion rooms by Mrs. Everett Paradise.

### Money Museum Visits Schools

Sixth grade pupils in Grosse Pointe took a walk through history when the National Bank of Detroit's Mobile Money Museum visited their school recently.

Pupils viewed exhibits containing money from all over the world and from every period of history. They saw coins, paper money, and other exchange media used in the days of Julius Caesar, Charlemagne, George Washington, and other leaders of the past and present.

The mobile museum contains one of the world's first coins minted in the 6th century B.C. Another rare item is a silver coin produced by Alexander the Great 2,300 years ago to pay his legions in Persia.

The museum was developed as a community service by the National Bank of Detroit in co-operation with the Institute for Economic Education to help school children learn basic lessons about money and economics. In the 10-minute tours, trained tour guides explained the entire scope of monetary history, relating the history of money to the history of man.

The museum visited seven schools in the Grosse Pointe area. On Monday, February 3, it was at Barnes and Our Lady Star of the Sea; Tuesday at Parcels Middle School and Ferry School; Wednesday at Brownell Middle School and Monteith School and Thursday at Pierce Middle School.

"The National Bank of Detroit is very happy to have this opportunity to tell the story of money to the children of Grosse Pointe as it has done for the children of Detroit and other communities," said Mr. Joseph Tolari, Vice President in charge of the Grosse Pointe area, who was also involved in arranging for the visit of the museum. "Having worked so closely with the children's parents in banking matters, I am pleased to have this chance to do something for the children of our community," he said.

### 13 GP Drivers Taken Off Road

Thirteen Pointe residents were named on the Michigan Secretary of State's weekly list, dated February 13, as having had their operators' licenses suspended or revoked.

The report, submitted by Secretary of State James M. Hare, listed five Pointers among the 1,112 State motorists who had their licenses suspended, and eight Pointers among the 869 drivers who had theirs revoked.

Those from the Pointe who had their licenses suspended because of unsatisfactory driving records, are: John L. Barlow of 23 Lakecrest Lake, from January 14 through April 13; Mark A. Baun of 34 Beacon Hill, from January 14 through March 13; Jack D. Galas of 1615 Huntington, from January 14 through July 13; and Paul J. Meilink of 393 Kercheval, from January 23 through March 23.

Thomas E. Elliott of 2263 Stanhope, had his suspension extended from February 4 through August 4, for driving while his license was suspended.

Those whose licenses were revoked, are: Dennis R. Berndt, of 615 Westchester, as of February 3, because of an unsatisfactory driving record and failing to appear for examination; Joseph T. Bredeau of 1399 Anita, from February 3, 1969 through February 3, 1970, for driving while his license was revoked; Russell J. Collins of 204 Moross road, as of February 3, for failing to appear for examination because of an unsatisfactory driving record.

Also, Michael L. Flattery of 39 Briarcliff place, from February 3 because of an unsatisfactory driving record and failing to appear for examination; John

D. Groesbeck of 1553 Roslyn road, February 3, because of an unsatisfactory driving record and failing to appear for examination; Christoforos Kozadinos of 1354 Maryland, as of January 30, for failing to appear for examination because of an unsatisfactory driving record.

More, Edmund M. Oldani of 1381 Kensington, from February 4 because of an unsatisfactory driving record and failing to appear for examination; and Jeffery C. **Blue Devil Cagers Start  
Tourney with Clean Slate**

The Blue Devils basketball team completed a perfect regular season last Friday by trouncing Monroe, 66-42, in a tune-up game for this week's district tournament.

All five of the tournament games will be played in the GPHS gym, and on Monday the Devils took on Austin in the opening game. The Friars and the Devils were generally considered to be the two strongest teams in the district and many feel that the winner of Monday's game will go on to become the district champion.

Although this may be the popular belief, Devil Coach Chuck Hollosy feels, "All the teams, with the possible exception of North, are capable of winning this thing. We surely can't afford to be over-confident if we beat Austin."

Coach Hollosy hinted that there could not really be any favorite to win the tournament as so many intangibles, such as emotional preparedness and

how the breaks fall, must be taken into consideration. He did, however, comment on the strengths and weaknesses of each of the teams that the Devils may have to face.

Finney: "They're big and can shoot the ball well . . . They had a poor record . . . but are capable with a big front line of guys 8' 4", 6' 5", and 6' 7".

Notre Dame: "One of the three teams who beat Austin this year . . . They had about a 50-50 record in a real tough league."

Grosse Pointe North: "Their chances are hampered by the fact that their best ballplayer, Gary Bennett, broke his hand last week . . . Notre Dame is better than any team in North's league and should be able to handle them in Tuesday's game."

Bishop Gallagher: "They beat Holy Redeemer, the Catholic League Champion, this year . . . They shoot the ball real well and play up to their opposition."

Austin: "They've beaten us the last four years . . . They have 6' 8" John Sark, who is the kind of kid who doesn't look real good, but he'll get his 20

**Squirts' Hockey Playoffs Start**

By Dr. T. W. Kelly

Saturday was the last day of the regular season for the boys of the Squirts Hockey League.

The Wolves played the Comets in an important game, for if the Comets could win they would tie for the League Season Championship. The Comets scored first with Rob Danaher getting an unassisted goal. In the second period the Wolves took the lead 2 to 1 on two goals by Terry Hogan.

Terry's second goal was great as he skated the length of the ice through the entire Comet team and scored on a backhand shot. It was the best play of the season as attested by the fans' cheers.

The third period saw Brian Willette score for the Wolves to make it 3 to 1. But the Comets were still trying and scored twice with Mike Cadieux' first goal of the season and the other by Rob Danaher to tie the game at 3 to 3, with one minute left.

The last minute saw the Comets pull their goalie for a sixth attacker, but with no luck as Terry Hogan stole the puck but then missed the open net. Had he scored it would have meant a Hat Trick for him and a win for the Wolves. A tie was just as good as the Comets needed a win and remained in second place and the Pros (coached by Lloyd Semple) became the Champions.

Rob Stockwell of the Wolves got the only Hat Trick of the season. Goalies, Gunnar Walton of the Pros, Dick Parks, Jets, and Cab Morris, Comets, became members of the Zero Club for goalies with shut-outs. Starting this week the four

teams of the Squirts Hockey House League will start their playoffs for the cup, a copy of the professionals Stanley Cup Playoffs.

It will be a two-round play-down, and the boys, coaches and parents were ready and waiting for the play which began Tuesday, March 4, at 5:30 at McCann Rink in Cook Road. Other games scheduled are for Friday, March 7, at 5:30; Saturday, March 8, at 8 & 9 a.m.; Tuesday, March 11, at 5:30; and Saturday, March 15 at 8 & 9 a.m.

**Star of the Sea  
Cage Champions**

Before a capacity crowd of 300 enthusiastic fans, the Star of the Sea 7th and 8th grade basketball team routed Holy Name 43-22 on Sunday, March 2, to win the Southeast CYO basketball championship.

It was the team's tenth victory without a loss, a record of which coaches Mike Merz and Mark Grieshaber can be justifiably proud.

The players responsible for this fine record are Chip Doyle, Norman Hubbard, Jeff Humes, Kim Mahoney, Greg Oberski, Mark Promack and Rick Walker.

This weekend the City Tournament begins with leading divisional teams competing against each other. Star of the Sea will compete in the first round on Saturday in its own gym.

**Robert Sheehan Retires**

The retirement of Robert D. Sheehan, director of material, production control and traffic for GM Assembly Division, after more than 40 years of service with General Motors, was announced recently. Sheehan was honored at a luncheon in The Recess Club by about 40 members of the GMAD Office organization in the GM Building.

points and 20 rebounds each game."

The winner of the tournament will advance to the regional playoffs beginning next Monday and play the winner of the Warren-Fitzgerald district at East Detroit.

The Devils won their 16th straight game by beating Monroe last Friday in a fairly uneventful romp.

Forward Jim Humes played a great game, stealing the ball consistently and scoring 26 points, as the Devils never trailed and rolled to a 33-21 halftime lead. Larry Ulmer also

hit for 13 points and Chris Majouris 11 before Coach Hollosy sent in his second team to play

the fourth quarter. The goal of the team now: to bring Grosse Pointe its first

state basketball title and break the school record of 21 straight victories.

## St. Paul Lakers Defeat St. Rita

The Lakers of St. Paul defeated St. Rita on Monday 80-33 in Class D district eliminations. Jim Martin led the Laker scoring with 19 points followed by Tim Bigham's 12.

The Lakers were to play St. James on Wednesday and, depending on who wins, they will play either St. Clements or St. David on Friday.

## Little League Board to Meet

The Grosse Pointe City Little League board of directors headed by the president, Keith Leibbrand, is looking forward to a full season of baseball. An open meeting of the board will be held at 8 p.m., Thursday, March 6 at Alger Post 995, 17145 St. Paul.

All interested adults are urged to attend this meeting which will finalize the arrangements for this year's program. The meeting is not restricted just to parents of the 8 to 12-year-old players. There are some vacancies on the board and there are always new openings for coaches and managers. The league does not want to have to curtail any phase of the program for lack of interested parents. Each year more and more boys seem eager to take advantage of the program.

Registration has been set for Thursday and Friday evenings, March 13 and March 14, between 7 and 9 o'clock at Maitre School. Every boy, whether or not he has previously played, is required to register. A parent or guardian's signature is required. Tryouts for the majors will be held on the following weekend, Saturday, March 22, 9:30 to 12 noon and 1 to 3:30. The Sunday period, March 23 will be in the afternoon from 1 to 3:30 at the Neighborhood Club field.

## Home Burglary Nets Thief \$2

A burglar who broke into the home of Gerald Nauman, 1044 Somerset road, during the evening of Tuesday, February 25, was believed to have been frightened away before he could complete his search of the house. The thief got only two dollars for his trouble, according to Park police.

Det. Charles Petrie said that the burglar was in the master bedroom, and had completely ransacked a dresser drawer, when Nauman drove up into the driveway alongside his house. The apparently frightened burglar ran out of the building by the front door.

Nauman called police when he entered the house and discovered a broken window at the northeast corner of the building, and evidence of the ransacking in the bedroom.

The home owner told investigating officers that he took an immediate inventory and all he could find missing were two silver dollars.

Nauman said he left home at about 5:45 p.m. and returned at 8:15 p.m.

## CAR HIT BY ROCKS

Mrs. Leroy Mills, 1507 Alter road, went to the City station on Thursday, February 27, to report five boys who threw rocks at her car as she left the Neighborhood Club parking lot on that date. Officers checked the area but the youths had fled.

## Fraser Defeats Norsemen In Final League Contest

By John Edwards

In Grosse Pointe North's final Bi-County League basketball game, the Norsemen found the Ramblers of Fraser five, 70 to 55.

Again the absence of sophomore Gary Bennett was noticeable as the Norsemen offense seemed to be lacking the scoring punch. Grosse Pointe was cold from the floor and could only get one shot most of the time as Fraser grabbed off the rebounds. The Ramblers, on the other hand, were a very unified team as they, with faster passing, found the open man under the basket. They also scored a great deal on the fast breaks.

From the end of the first quarter on there was no contest. Fraser ripped for seven straight points near the end of the period to push their lead to 14 points, although the Green and Gold closed the gap to eight, 20-12, at the end of the opening quarter.

The Ramblers kept up the pace during the second quarter as they outscored the Norsemen 14-10. An amazing fact about this was that sophomore Rick DiCicco, forward and co-captain of North's squad, put in all of Grosse Pointe's 10 points during the quarter and

all on fieldgoals. The half ended with the Ramblers leading 34 to 22.

The second half was but a formality as North couldn't dent the Fraser machine. The Ramblers kept piling up points in the third quarter, dumping in 22 to North's 14. Most of the baskets for Fraser came from within close range. The dominance of boards was clearly in the Ramblers' favor as all five players of Fraser got under the basket to get the ball.

Fraser's lead bulged to more than 20 points and they ended the third period with a commanding 56-36 lead. The Ramblers kept the lead at a 20-point spread during the fourth period, but Grosse Pointe closed the gap to 15 at the end of the game.

Rick DiCicco led the Norsemen by dumping in 29 points in a losing cause. Glen Hilger accounted for 12. Greg Buss led Fraser with 22 points, Jim Goodwin collected 19 points and Craig Tunner netted 14.

## Vail and Aspen Skiers' Targets

Grosse Pointe Ski Club's 10 day Aspen-Vail trip March 7-16, filled since last November, has a very few places which have opened up due to winter injuries and business pressures. Anyone interested in joining this 90-plus charter party should contact Grosse Pointe War Memorial at once.

They depart via United Air Lines charter jet Friday evening, March 7, at 7 p.m. for a 2 1/2 hour trip to Denver with first class treatment for cocktails and dinner. At Denver, charter land cruisers take them up to Holiday Inn at Vail for a week end of skiing and socializing.

Then charter busses will take the party over the mountains to Snow Mass at Aspen—the newest, plushiest area in Colorado where Stein Erickson holds forth. Here the group will stay at Poklodi Lodge and Wildwood Inn except for a few who own their own apartments where the group will be entertained.

In addition to skiing, there will be cocktail parties, ski mobbing, sleigh rides, swimming and water polo, movies, tours, broomballing and apres ski parties. When 'Sunday' evening, March 16, rolls around, the group will be transferred to nearby Grand Junction where United Airlines is specially flying in for the group to prevent them having to make the long haul over the mountains to Denver. A cocktail and dinner flight will return them to Detroit. Total cost of the trip is \$240.

Among those going on this annual Grosse Pointe Ski Club trek are Hugh and Jan Harness, Bill and Janet Bokram, Ed and Ann Hickey, Pierce and Kay Smith, Jim Daoust, Ross and Marilyn Hume, Joyce Detwiler, Al Kluck, Bill and Joan Siekmann, Bert and Terry Treiber, Rex Ciavola, Frank and Shirley Piku, Dick Pear, Ed Wahl, Chuck Olson, Gunnel Ehrling, Bill Adams, Ben Heffler, Nancy Brodhead, Jack Rodger, Corbin Elliott, Rudy Edens, Ray and Camilla Duffy, Marshall and Pat Greene.

Others are:—Herman Mozer, Paul and Marilyn Rizzo, the Von Bergs, the Harriys, the Beyers, the Metzgers, the Priests, the

Kropfs, the Fred Hendersons, the LeChards, the Maxims, Tom Snyder, Gary Hutchens, Rosemary Schumacher, the G. R. Jones, the Shoemakers, the Charles Stewarts, the Shurens, the Kaufmans, the McGintys, the Gesslers, the Curatolos, the Keragis, the Schopbachs, the Ekkelmans, the Richters, Marlene Straka, Shirley Shulte, Bob Sheldon, Betty Wodtke and Hans Weinmann.

To get in shape for Colorado, Grosse Pointe Ski Club is planning weekend skiing at Boyne Mountain, February 14 through 16. A charter bus leaves the Grosse Pointe War Memorial Friday at 8:30.

Lodging is at the Memorial's Boyne Country Ski Haus with the bus shuttling to and from the slopes. Cocktails and Saturday night dinner are included. The cost is \$32. Those interested should reserve by check at the War Memorial's office at once. (The trip returns Sunday night at 11:00.)

## Minnesota U. Women Set March 7 Meeting

Mrs. Clarence Blenman will open her Sandy lane, Birmingham, home to members of the University of Minnesota Women's Club at 12:15 o'clock tomorrow, Friday, March 7. Serving as hostesses for this monthly luncheon meeting will be Mrs. Robert Kenning, Mrs. Donald Constans, Mrs. R. M. McKecher and Mrs. Merl Baker.

Mrs. Blenman will present the program for the afternoon, "Adventures in Japan," illustrating her talk with slides taken on her own trip to the Orient.

## Pee Wee Hockey Has Active Week

By Anita Carbone

Trans-Am and the Dolphins were on the ice for an exciting hockey game, on Monday, February 24, with Trans-Am winning 5-2. Doing some fast skating and good stick handling, Bill Dawson (Trans-Am) scored the hat-trick to help insure his team the win. One goal was unassisted, one was assisted by Jim Earl and Cliff Dirksen, and the third was assisted by Bob Morris.

Larry Slocum slapped the puck past the goalie on a break-away to score his first goal of the season. The fifth goal for Trans-Am was tipped in the net by Cliff Dirksen on passes from Jim Earl and Bill Dawson.

Dolphin forward Bruce Robb scored both goals for his team. One was unassisted and on the second he connected on a pass from John Lange.

At 7:30 p.m. Radke and the Firebirds faced off for their game. Both teams were skating hard and keeping the pressure on. The goalies were sharp as they kept the scoring down with their fine net minding. Bill Kidd was in the net for the Firebirds and Peter Black for Radke. The game ended in a one-all tie with Radke's goal scored by Wally Levick on a pass from Mike Andary and the Firebirds scored on an unassisted goal by Allen Jones.

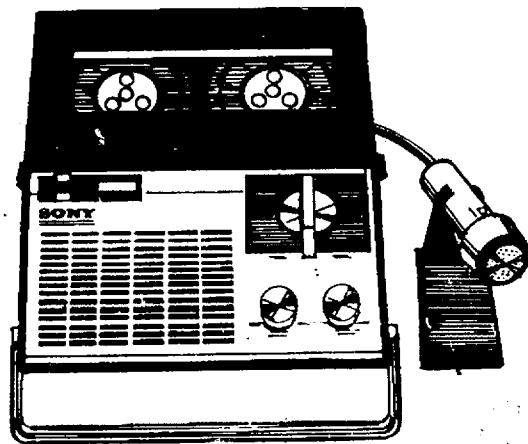

On Thursday, February 27, The Pee Wee "B" Team went out to Livonia to play one of the Livonia teams. The game was won by Livonia 4-3, but it was a very close game and played very well by both teams. "B" Team goals were scored by Bill Dawson unassisted, Wally Levick on a pass from Jim Bradley and Wally Levick, unassisted.

## JVs Defeat Monroe; End with 5-11 Mark

The junior varsity Blue Devils ended their basketball season last Friday by beating Monroe, 70-41, on the strength of John Denison's 15 points and Paul Shirar's 14. The victory was the team's fifth against eleven losses this year, but, as varsity Coach Chuck Hollosy pointed out, "We think the junior varsity accomplished quite a bit this year, so their record is not really important."

## Good vision is a FAMILY AFFAIR at Van Dyke!

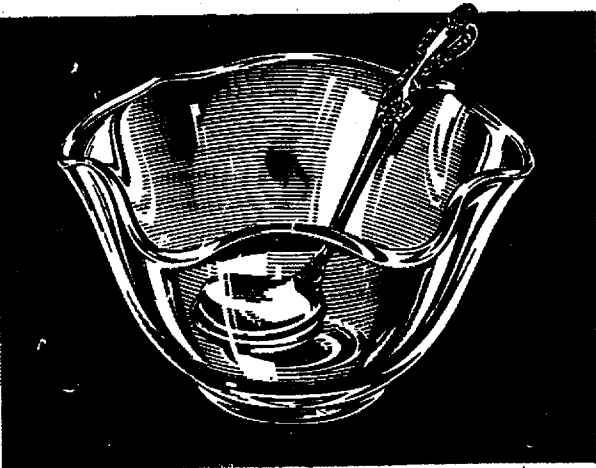

We count with pride the many Michigan families who entrust their precious vision to our care. Usually, parents who have been our patients bring in their children for an eye examination. Often, Junior or Sis become the initial "goodwill ambassadors." And, sometimes, the whole family shows up to have their eyes checked! However it happens, we're delighted. We know how very important professional eye care and quality eyewear are to a family's visual health and happiness. That's why nothing makes us prouder than to be counted "a friend of the family."

If the fine is not paid within a specified time, it was said, 30 days will be added to the license suspension time.

## We Stand Criticized

One of the Letters to the Editor appearing on this page takes us to task for sloppy handling of a story in last week's issue, concerning honors won by students of the Grosse Pointe high schools at a recent music festival. We have checked and found the lady's criticism is completely justified. Carelessness on the part of a printer in the process of making a correction noted on page proof, resulted in four lines of type being transposed, deleting the lead to the opening paragraph and garbling the meaning in the second part of the story. We apologize. While the error was in the print shop we should have checked to make sure the correction was properly made.

The writer also objects to our giving stories concerning youthful crimes front page exposure while carrying reports of such achievements as those of the musicians, on inside pages. She may have a point, but we are of the school which believes that publicity can be a potent detractor to youthful misdemeanors and felonies. The police have told us many times that what these misguided young most fear, when they are caught, is having printed exposure given their malicious or stupid behavior.

Doesn't it seem significant that when these punks are taken into custody they invariably attempt to hide their faces when the TV cameras are grinding? They are completely gutless when humiliation threatens. Count us among those favoring the resurrection of the public whipping posts and stocks in which to incarcerate on display these strayers from the fold of good citizenship.

Perhaps aided by the goading from our letter writer, we felt impelled this week to give front page prominence to another group which certainly deserves acclamation . . . the basketball team at Grosse Pointe South High School. Having completed a perfect regular season of 16 straight victories, they have won their first game in the preliminaries of the State Class A Tournament by defeating a neighboring team, Austin High in a hard-fought battle between two groups of fine young men.

These varsity athletes need too much time for practice and keeping up with their studies to indulge in the varied shenanigans which apparently amuse a small, but too large percentage of their age bracket. They sacrifice a great deal of enjoyment in their quest to do their best for their school. They set an example which should be invaluable to their classmates. They deserve the praise and support and well wishes of all of us. Go To The Top, Blue Devils. Our blessings go with you.

## Public Schools in Focus

By Dr. Theos I. Anderson,  
Superintendent of Schools  
What does it cost each day to educate a student in The Grosse Pointe Public School System?

Could you hire a babysitter for \$4.78 per day? Well, that's what it cost each day to educate a student in our schools last year, when we had an average membership of 12,612.3 students for 180 days.

As you might expect, instruction takes the largest share of the money. The daily cost per pupil last year for this was \$3.30 to cover salaries of teachers, school librarians, audiovisual specialists, principals, guidance and psychological personnel, and teaching supplies.

The next highest category is operation. This includes salaries for engineers and custodians, as well as the cost of fuel, utilities and other supplies amounting to 45 cents per pupil per day. Maintenance of grounds, buildings, and equipment occupies the third most expensive budget classification at 21 cents per pupil each day. Community services cost 19

cents to pay expenses of the Public Library and its two branches and also for recreation programs.

It cost 17 cents per day per pupil for administrative expense, capital outlay amounted to 15 cents, and fixed charges, (insurance, workmen's compensation and interest on short term loans for operating), cost 13 cents.

The budget category labeled "student services and supplemental" and which embraces food services, bookstores, and student activities cost 8 cents a day.

We spend 5 cents a day per pupil on attendance, 3 cents on health services, and 2 cents on transportation. All of this adds up to \$4.78 to educate a student for one day during 1967-68, for an annual gross, (including public libraries), cost per pupil of \$859.62.

I find it hard to believe that anyone who is knowledgeable about today's cost of living in the United States would not agree with me that this is a bargain.

## Letters to the Editor

Dear Sir:

I am sure that in the present days of concern for the activities of young people we are grateful to the news media for bringing to our attention the problems that need our serious attention and the community efforts to help with these problems. Parents are urged to attend meetings at which experts point out the horrors of drug use, etc. In all this attention to what not to do it seems to me parents should be given an equal opportunity to see, and youth an equal opportunity to show, what is being done that is worthwhile.

In recent weeks the Grosse Pointe News has given front page attention, articles almost flawlessly printed, about drugs and young people. It is a deep disappointment to me to see the inexcusable lack of attention given in the News of February 27 to an activity which far outnumbered, out-organized, out-

worked, and out-satisfied the students, parents and faculty involved in any of the above mentioned front page news. I am speaking of the item found on page four of the News, entitled "High Schools' Musicians Win Honors at Festival."

This article was so poorly printed that it could make sense only to someone directly involved in the program. You couldn't even tell which of our fine high schools was involved unless you happened to personally know the names of individuals in each. This article was such a disgrace that even a student whose name appeared in it would not want to keep the article for his scrapbook of accomplishments. I dare you to do a good job on this program—and you do have another chance as the Festival story is not completed yet.

The hours and hours spent by individual students preparing for this Music Festival, the wonderful spirit of encourage-

Dear Sir,

Wouldn't you think the merchants at Seven and Mack Shopping Center would be so proud of our beautiful center that they would make sure it is clean and neat?

For a neighborhood like this, the center is a shame. The only time it is pretty is after a snowstorm when snow covers all the dirt and rubbish.

Where are the litter barrels? Maybe barrels painted with pretty flowers or stripes would enhance the beauty of the center.

Come on, where is their civic pride?

Sincerely,  
Lucy (Mrs. James M.) Kast

## What Goes On at Your Library

By Virginia Leonard

Are your reading tastes guided by the best sellers? If so, you might like to have some background on the truths, myths and gimmicks behind these lists. Their compilation can be slanted, overly casual and quite inaccurate, says an article in the NATIONAL OBSERVER for February 3.

What is a best seller? It is "any hardback book that appears on one of three weekly lists of 10 fiction and 10 nonfiction books. These lists are published by the NEW YORK TIMES BOOK REVIEW, TIME magazine, and PUBLISHERS' WEEKLY magazine." 1968 was a good year for books. And what was selling? THE CONFESIONS OF NAT TURNER by William Styron, John Updike's COUPLES and Arthur Hailey's AIRPORT were some. Wealth was a favorite topic as witnessed by THE RICH AND THE SUPER-RICH by Ferdinand Lundberg, THE MONEY GAME by "Adam Smith," and THE RIGHT PEOPLE by Stephen Birmingham. Two other titles in the nonfiction column were Desmond Morris' THE NAKED APE and James Michener's IBERIA.

For the past 10 years, nonfiction has outsold fiction—in hardcover. However, when assessing paperbacks, the biggest sellers are quite frequently fiction titles. (The top-selling work of fiction in the United States, when hard- and paperback sales are combined, is Grace Metalious' novel of 1956, PEYTON PLACE.) Alice Hackett, author of 70 YEARS OF BEST SELLERS, 1895-1965, has a theory about the sales of nonfiction, hardback and paperback. She feels that television, motion pictures and paperbacks have given people the stories they want, thus cutting down on the sales of current, hardcover fiction. However, they will buy a popular novel for 95 cents when it appears in soft cover. Nonfiction in hardcover usually covers an immediate situation and sells readily. By the time the book appears in paperback it has lost some of its relevancy—its impact—and so the sales decline.

One of the weaknesses of the best seller list lies in its source of statistics. Book stores admit that they will not store a book that is selling well, but may quite frequently report a book that is NOT selling well in order to dispose of its copies, or the person giving the information may include a title or two that he likes! It is pretty generally conceded that Truman Capote's IN COLD BLOOD was on the best seller list long

after it was being actively purchased because the bookstores did not want to be stuck with their stock.

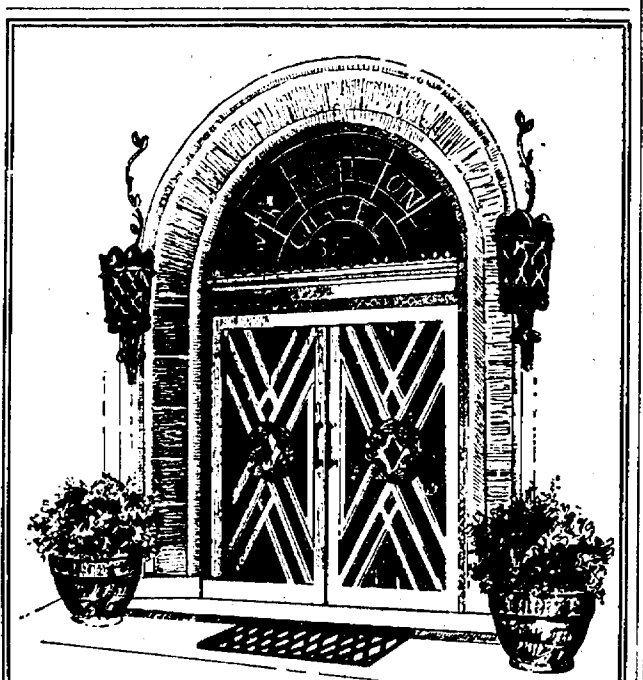

Many best sellers are made, not born. When Haim G. Ginott's BETWEEN PARENT AND CHILD was published in 1965 it received no major reviews or publicity. The book sold moderately well for the next year or so, but in 1967 it suddenly appeared on the best seller list and stayed there until the end of 1968. What had happened? First, a letter from an harassed parent, praising the book, appeared in the NEW YORK TIMES MAGAZINE. Television took over and soon Dr. Ginott appeared on the TODAY show—and that did the trick. Today, all major publishers use radio and television to publicize their author and books. These two media, plus good advertising and reviewing—and the book is in.

There is also an ingredient necessary, sometimes known as "best seller quality." Sometimes it's an author, sometimes it's an unusual or timely subject, sometimes it's an unusual treatment of a familiar subject. In AIRPORT it was a good story about a critical problem that affects everyone. In a biography, it is often the ability of the author to make real people of historical figures. Many times a well-known name will suffice to push a book to stardom. However, the publisher must always be on his guard. William Shirer had a bull's eye with BERLIN DIARY, but his next six books were relatively unsuccessful. Then along came THE RISE AND FALL OF THE THIRD REICH, and both Shirer and the publisher had another winner on their hands.

Trends are important too. GONE WITH THE WIND started a rash of costume novels. THE SPY WHO CAME IN FROM THE COLD started a spy trend. Currently we seem to be in the midst of a cycle of political novels. So—pay your money and take your choice. Best sellers have been with us since 1895, and I suspect, are here to stay. Some are good, some are bad, some are indifferent. Some are predictable, some certainly are not. But it's always interesting to speculate—what will be the big winner for 1969?

While I am vacationing in Florida for the next two weeks, the columns will be written (most competently) by Louise Leeson, of the Central clerical staff, and Kenneth Nielsen, Chief of the Central Library. A change of pace will do us all good!

## What's New on THE HILL...

By Sibyl

This Is Not A New Invitation . . . but it is a sincere one we'd like to repeat. Do join Kercheval On The Hill Association and work with the following members to make your block of business more progressive and attractive: Frank Adam Inc., Bronze Door, Champion Real Estate, Colonial Federal Savings, William Denler & Co., Francesco Beauty Salon, John S. Goodman, Gray's Racquet & Sport Shop, Grosse Pointe News, Hamlin's Market Inc., Higbie Real Estate, T. Raymond Jeffs, Johnston Optical Co., Johnstone & Johnstone, The League Shop, Marilyn Shoppe, Maxon Bros., Inc., Mr. Dan's Beauty Salon, Mister Sheridan Books, National Bank of Detroit, Paselk, Picard-Norton, Pongracz Jewelers, Purdy & Edgar Associates, Margaret Rice, Ruth Associates, Chet Sampson Travel Service, Sign of the Mermaid, the Carl Sterr Co., Tappan Real Estate, C. W. Toles Real Estate, Touch of Elegance, Trial Apothecary Shop, The Village Store, Dr. Carl R. Von Gruenigan, Virginia Williams Gift Shop, Maurice Wood, Inc., Wrigley's Super Market and Young Clothes.

Antique-ing . . . was never such fun or more enlightening than the other day at Denler, 77 Kercheval. We were shown the new collection of antiques. William Denler had personally selected on his European trip. Among our favorites is a rare French wine cooler, circa 1760. The wood is beautifully carved. A Grinling Gibbons carved wood pendent was exquisite. A Japanese Imari dish, circa 1770, captivated our eye and imagination.

Swing Into Spring . . . with a new tennis racket or golf clubs from Gray's Racquet and Sport Shop. There's a wonderful selection of fine equipment and sport accessories . . . all so convenient at 106 Kercheval.

"The Golden Glow Of The West" . . . is the newest look by Estee Lauder. This make-up is so translucent it achieves the appearance of healthy outdoor skin without paying the price of damaging exposure. The big news is the transparent color stick which slides over foundation. It's so new it won't be at Trail Apothecary, 121 Kercheval, until the second week in March. Watch for it! In the meantime, Peggy Nett and Harriett Suttle are attending Estee Lauder classes to learn the techniques of achieving "The Golden Glow."

Pick Fruit . . . the most luscious is a selection found on imported fruit plates at the League Shop, displayed with a set of pearl handle fruit knives.

Reservations, Please . . . for lunch, February 11 at the Bronze Door, 123 Kercheval. It's the very popular Tuesday when Touch of Elegance presents a style show. This one should be particularly interesting because Pat Nicholl and Joe Krause have just been in New York and have picked up very newsy fashions . . . 886-1932.

Prints Of The Month . . . make charming anniversary or birthday gifts. Be sure to see the floral prints which are reproductions of the twelve original prints found in Wyeth House in Williamsburg. They are twelve fifty each at the League Shop, 98 Kercheval.

Hamlin's Recommends . . . Rose de Provence Chateau de Bregancon, 1966 vintage . . . estate bottled. It's a Lichine selection, sale price this week at 89 Kercheval . . . TUxedo 5-8400.

Interviews On Fashions . . . Margaret Rice has some very strong convictions which she wants to share with you in this column for the next few weeks. The first will appear next week and others will follow weekly.

Mister Sheridan-Books . . . 81 Kercheval invites you to an open house to meet the artist of the month, Brian Lavis. The date, Friday, March 12 . . . 8:00 p.m. to 10:00 p.m. His contemporary interpretations and sculpture are fascination and will be on view the month of March . . . 881-1671 and 881-2916.

Dansk Devotees . . . will be delighted to know there are new additions to the famous Danish designs. See the selection of distinctive new bar glasses and stemware at the Mermaid.

WOMEN'S PAGES

## From Another Pointe of View

By Janet Mueller

We like, we admit, to be in on the beginning of things, especially things we're convinced will become traditions, (who doesn't love to say I knew him, her, it WHEN?), so we're very pleased to report this "first": Grosse Pointe North High School Parent Club's premier Scholarship Benefit Card Party.

It's scheduled for next Thursday, beginning at 12:30 o'clock, at North High, of course.

Dessert and coffee will be followed by a fashion show at 1:30 o'clock, featuring clothes by Margaret Rice with Marji Kunz as commentator. "Yesterday, Today and Tomorrow" is the style parade theme. Keynote color decorations will be yellow and green, and there'll be white daisies all over the place, on the tables as centerpieces, as hostess tags and posters.

General chairman is Mrs. Robert Schueler. Doubling as general co-chairman and head of the ticket committee is Mrs. Jack Otto. Fashion show chairman is Mrs. Alfred Glancy, Jr.

Other major committees are being chaired by the Mesdames Donald Cochell, Kenneth Stekettee, Albert Heholt, John Seeber, Kenneth Davis, George Atkinson and Jack R. Martin.

### Report On A Growing Tradition

Here's news of another school's project, one about which we can say, now that it's growing into an annual spring tradition, we did know it when: Liggett School's 1969 Geranium Sale.

Purpose of the project is to raise funds for Liggett's Foreign Student Exchange Program. Liggett has its second foreign exchange student this year, and everyone connected with the School is delighted with the success of the experiment.

M. Richard Marr, of Hawthorne road, is '69 Geranium Sale chairman. He's being assisted by Liggett parents, alumnae, friends and students, including Laurie Jennings, Sheila Smith, Diane Seeber, Martha Schrashun, Ellen Erikson, Renee McDuffee, Martha Klingbell, Dodi DiSanzo, Joan Merdler and Wyn Delbridge.

They're taking orders now through April 11 for the geraniums, large blooming plants in either Irene Red or Salmon Pink, packed in four-inch pots in boxes of eight, with delivery promised on May 23 or 24.

The red blooms happen to be our favorite — we suppose we ARE a traditionalist at heart — but we understand the Sale committee has ordered many more of the

### These are smell-goods.

So are the things that come out of our bottles. Our shampoos are clean as country air. Our conditioners smell like pink chiffon if pink chiffon could smell. Our setting lotions have little traces of wood violets and jonquils and such. All of which means we care almost as much about how your hair smells and feels as we do about how it looks. If you care about things like this too, see us. You'll not only have prettier hair, it'll never smell good-er.

## Miss Higgins Bride Of Thomas A. Petko

Newlyweds Vacation in Las Vegas, Return to Make Their Home in Vernier Road; Noon Rites Followed by Reception at War Memorial

St. Clare de Montefalco Church was the setting for the Saturday, February 15, wedding of Kathleen Ann Higgins, daughter of Mr. and Mrs. James W. Higgins, of Grayton road, and Thomas Andrew Petko.

The Reverend Vincent

Burnell O.S.A. officiated at the noon rites which were followed by a reception in the Grosse Pointe War Memorial's Crystal Ballroom.

The bride's gown of white rayon peau was accented with pearl-studded re-embroidered Alencon lace and fashioned with a detachable Wat'eau Chapel train.

A headpiece of appliqued Alencon lace petals trimmed with seed pearls and aurora crystals caught her elbow length bouffant illusion veil, and she carried a gardenia cascade.

Honor attendant Carol Mahlmeister and bridesmaid Nancy Jeanne Higgins, sister of the bride, wore pink brocade and matching headpieces and carried Colonial bouquets of Elegance Carnations.

James Petko acted as best man for his brother. They are the sons of Mr. and Mrs. Andrew Petko, of Morang drive, Detroit.

In the usher corps were Thomas Higgins, brother of the bride, and John Gault, of South Bend, Ind., the bridegroom's brother-in-law.

For her daughter's wedding and the reception, Mrs. Higgins selected a pink silk ensemble. The bridegroom's mother, Mrs. Petko, wore a grey knit costume with pink accessories. Both mothers chose cymbidium orchid corsages.

The newlyweds have returned from a Las Vegas vacation and are making their home in Vernier road.

## Mason-Santoni Rites Celebrated

St. Paul's-on-the-Lakeshore was the setting for the Saturday, February 1, wedding of Carol Marie Santoni, daughter of Mr. and Mrs. Frank C. Santoni, of Raven road, East Detroit, and William John Mason, son of Grosse Pointe Farms Fire Chief and Mrs. M. William Mason, of Belanger road.

Father Vincent R. Welch officiated at the 11 o'clock rites, which were followed by a reception in the Vintage House, Fraser.

The newlyweds vacationed in Hawaii. They have returned to make their home in Kelly road, East Detroit.

For the morning ceremony, the bride wore her mother's wedding gown of slipper satin, newly accented with an Alencon lace bodice and sleeves. Her Cathedral train was applied with lover's knots, as was her long illusion veil held in place by a satin, lace and pearl-studded pillbox.

She carried her mother's bridal prayer book with a spray of three white orchids and stephanotis.

Honor attendant Peggy Ann Thomas wore an A line frock of cream-colored velvet styled with a back panel of moss green velvet. Bridesmaids, in gowns identical to that of the honor attendant but with gold velvet back panels, were Julie D. and Wendy J. Santoni, Dianne V. Tegler and Peggy M. Koss.

All wore circlets of yellow tea roses in their hair and carried crescents of yellow roses laced with ivy.

Best man was John Rea, William Shook, Joseph C. Cobb, Henry Meurer, Jr., and Harley Flieger seated the guests.

Beth Murphy, the bridegroom's niece, was flower girl and Johnny Belloli, the bride's cousin and godchild, was ring bearer.

The bride's mother wore a floor length dress of deep pink silk organza, styled with a beaded neckline. The bridegroom's mother selected a mint green gown with a brocade bodice and A line velvet skirt. Both mothers chose double orchid corsages.

Make this the goal of every-day living: Today is going to be the best day of the year.

the disadvantages of private education... number two

## who wants to pay for two schools

Face it. Most parents don't warm up to the idea of paying taxes to the public schools and tuitions somewhere else. So it's only reasonable to ask how Liggett has survived since the nineteenth century. Frankly, we took a chance. In an age of finishing schools, we went forth with solid academic preparation. And for ninety-one years we've kept our grades up. In a word, we're competitive. When we decide something is worthwhile, we do it. Like our Reading Improvement Program for kids at all levels. It aims to boost reading skills by two grades. Useful.

We developed the Reading Improvement Program without waiting for a bond issue. Or a referendum. Or a lot of frustrating delay. And efficiency these days makes for joyously

happy teachers. So we can be choosy about who teaches the youngsters whose parents pay the bill. Or most of it. Because, alas, the cost of education today comes to more than the cost of tuition.

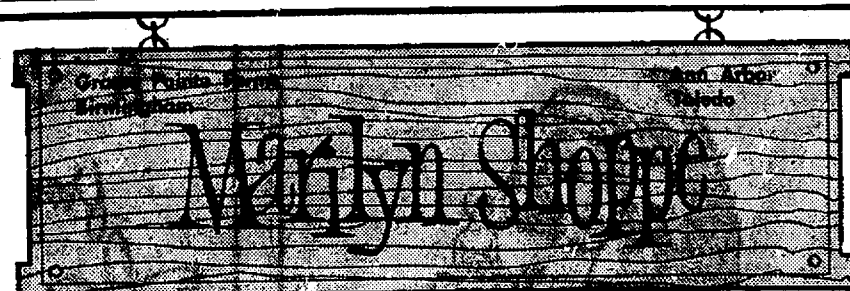

We make up the difference by seeking outside support from alumnae and friends. Who also pay taxes.

And from that point of view, tuition at Michigan's oldest independent school may be a bargain.

After all, it's subsidized.

## Miss Lee Bride Of John Bantle

An A line gown of white peau applique with pearls and rhinestones and fashioned with a scalloped neck and tapered sleeves was Donetta Louise Lee's choice for the Saturday, February 1, ceremony at which she became the bride of John A. Bantle, II.

Her Chapel length illusion veil fell from a forward crown of pearls and rhinestones, and she carried a sheaf of carnations, roses and lily-of-the-valley.

The new Mrs. Bantle is the daughter of Mr. and Mrs. Donald H. Lee, of Ypsilanti. The bridegroom is the son of Mr. and Mrs. John A. Bantle, of Broadstone road.

A reception at Ann Arbor's Statler Hilton Inn followed the 5 o'clock rites in St. John's Church, Ypsilanti.

Honor attendant Rose De Montes and bridesmaids Kathy Shepard and Diane Schulte, a cousin of the bridegroom, wore floor length frocks of deep red velvet trimmed with white lace, and matching velvet headpieces.

They carried nosegays of deep pink and white carnations and ivy.

Acting as his cousin's best man was Douglas Schulte. Ushering were Gary Snyder, another cousin of the bridegroom, and Daniel Bogart.

The bride's mother wore a pink brocade dress and coat ensemble. The bridegroom's mother selected a lilac knit costume, styled with a high jewel-

el collar. Both mothers chose white carnation corsages.

The newlyweds vacationed at Sugarloaf Mountain in Northern Michigan. They are making their home in Ypsilanti, where both are students at Eastern Michigan University.

She is in her junior year, majoring in Elementary Education. He received his Bachelor

of Arts degree from EMU last June and is presently studying there for a Masters degree in Biology. He is also a teaching assistant in EMU's Department of Biology.

## Slate Day Of Prayer Observance Friday

Pointe Church Women to Participate in International Celebration Sponsored by Church Women United

Mrs. Norman Haupt, missionary to Africa, will speak before Church women of Grosse Pointe, gathered to observe World Day of Prayer tomorrow, Friday, March 7, in Grosse Pointe Baptist Church.

A 2 to 3 o'clock Fellowship Hour will follow the 1 o'clock service.

World Day of Prayer, sponsored by Church Women United, will mark the time when mil-

lions of women will further close the gaps—national, racial, economic and religious—that divide them.

Church women, recognizing the need for unity and understanding, first joined in a single symbolic voice of prayer in 1887. The first Friday in March has been established as the official date for this international celebration.

Theme for this year is "Growing Together in Christ." It was chosen by women from Africa, a continent rich in national development yet also torn by conflict and racism.

The moving lines of the African spiritual "Kum Ba Ya" will resound throughout the services. "Someone's crying, Lord; Someone's singing, Lord; Someone's praying, Lord" is a continuing call for recognition, for the sharing of one another's joys and sorrows.

Women in 130 countries, territories and protectorates will join in a common plea to overcome prejudice and to responsibly utilize their increasing knowledge and power for the sakes of, rather than against, one another.

Offerings are used to help educate women in 13 Christian colleges in Africa, Asia and Latin America, to welcome 40,000 students coming from abroad each year to study in the U.S.A. and to support more than 30 Christian magazines and books for new literates in 18 countries.

Among national projects is a special national program that will concern itself with our own crises: Barriers that divide communities racially, barriers that arise from different ethnic backgrounds and barriers brought about by differing economic levels.

Nationally, migrant farm workers are aided, as are Indian-Americans in off-reserva-

tion colleges, rural pastors and lay leaders needing continual education and children in Vacation Church Schools.

Today, in numerous communities, Catholic women are joining in this global celebration.

Mrs. Robert Raese, 885-2073, chairman for this area, may be contacted for additional information.

### Girls Receive Marion Medals

Thirteen Girl Scouts from Cadette Troop 828 will receive the Marion Medal award at the Girl Scout mass on Sunday, March 9, at Our Lady Star of the Sea Church Sunday. They are the first group in the Metropolitan Detroit area to complete the new Marion Medal Project book and will be awarded the highest honor a Catholic Girl Scout can earn. The book had been revised after the Second Vatican Council with the emphasis on living your religion.

The scouts are: Claire Bernacki, Nancy Bourget, Cynthia Carron, Clare DeYonker, Debbie Garry, Judy Grob, Carol Jennings, Margaret Long, Jane Lynch, Laura Miller, Mary Beth Monahan, Susan Rinke and Nancy Saviano. Father Thomas J. Finnigan has advised and guided them. They were assisted in their year's work on the project book by Mrs. Arnold Saviano and Mrs. Patrick Carron. For their service project they chose to help with the Sunday Pre-School Religious classes. Their troop leaders are Mrs. Richard Long and Mrs. Edward Bernacki.

### Schedule AAUW Group Meetings

The International Relations Study Group of the American Association of University Women will meet today, Thursday, March 6, at 1 o'clock to hear Mrs. William T. Krebs talk on "The Enigmatic Arab." Mrs. Norman W. Gehlar, of Vernier road, will be the hostess.

Other AAUW Study Group meetings scheduled for early March include a morning coffee on Friday, March 7, at 9:30 o'clock at the home of Mrs. Robert DeMaggio, of Lapin street. Mrs. DeMaggio will have a demonstration of a silk screening process.

Mrs. A. A. Beardslee, of Kingsville road, will be hostess on Monday, March 10, at 1 o'clock to the American Folk Music Group. Mrs. Urban Borsch will give a program on early songs of the Western United States detailing trials of the early settlers.

The Samplers' Group will meet Monday evening, March 10, at the home of Mrs. George Montie, in Hawthorne road, at 8 o'clock. Mrs. DeMaggio will discuss the German artist, Paul Klee, and Mrs. William Van Erden will give a resume of an earlier program on drug abuse.

## Center Offers Wine Appreciation Class

Three Experts Featured on Lecture and Tasting Programs Starting Next Wednesday, March 12, in Fries Crystal Ballroom

"California Wines" will be presented by Joan Borgman O'Connor, proprietor of Detroit's famed Pontchartrain Wine Cellars, on opening night of Grosse Pointe War Memorial's "Know Your Wines" course Wednesday evening, March 12, at 8:15 in the Crystal Ballroom at 32 Lake Shore Road.

Mrs. O'Connor took over the reins of the Pontchartrain Wine Cellars from her father Harold Borgman upon his death. She moved the location when city planning necessitated and has continued to perfect and enlarge the wine list while still serving distinctive foods with a French flair.

Today nearly 100 wines are on the Pontchartrain's list. In California wines alone she serves more than most restaurants in California.

Mrs. O'Connor has worked with the management in such famous establishments as the Coq Hardi out of Paris and been honored in becoming a member of the prominent council of wine tasters, the Campagnon la Bordeaux in her quest for perfection. This experience she will share with patrons of

the "Know Your Wines" course. Among the California wines which Mrs. O'Connor will present to the group will probably be Mondavi's Chenin Blanc, a delightful white wine that many connoisseurs think goes the Loire one better; Almaden's Cabernet Sauvignon—a choice red which compares favorably with the best from Bordeaux; Beaulieu Semillon, which is a dry white grapes; and Charles Krug's Zinfandel, made from the California red grape.

In all Mrs. O'Connor will discuss and offer for sampling and consideration, eight wines. She will point out their merits, tell how best to savor, enjoy and use them and where to get them and at what price.

The "Know Your Wines" course will continue with Charity Sucek, the Pointe's own gourmet and wine authority discussing on Wines of the Loire Monday evening, March 17. Mrs. Sucek was born in Vienna and educated in Europe where the importance of proper wine usage was stressed.

On Monday, March 24, Lester Gruber, proprietor of Detroit's internationally known gourmet spot and cellar "The London Chop House" will have nine truly marvelous vintage champagnes specially shipped in to bring to his audience's attention.

Those wishing to enroll in the "Know Your Wines" series should do so at the Center's office, preferably in advance so proper provisions can be made for these informative and delightful evenings.

## Guest Conductor With Symphony

Hans Werner Henze will conduct the first United States performances of his own "Arioso for Mezzo Soprano, Violin and Orchestra" at the Detroit Symphony Orchestra concerts this Thursday and Saturday evening, March 6 and 8.

Both concerts will be given in Ford Auditorium beginning at 8:30 o'clock.

The noted composer-conductor will be making his first appearances as a guest conductor with the Symphony.

Ivanka Myhal also will make her debut with the Symphony as the vocal soloist in the "Arioso." The violin solo line of the same work will be performed by the Symphony concertmaster Gordon Staples.

Henze's program, which will be the same on both evenings, also will include the first Detroit performances of his own "Telemanniana." The work, written in 1967 for the Berlin Philharmonic, was given a U.S. premiere by the Chicago Symphony Orchestra under Henze's direction last month.

The Brahms Symphony No. 4 will be the concluding work of the program.

Henze is one of the most performed and highly regarded of German composers to emerge since World War II. Several of his operas are in the current repertory of major European opera houses.

Ivanka Myhal, who is a mezzo-soprano, toured the United States last year as a member of the Metropolitan Opera Studio Ensemble. She has performed with the Canadian Opera Company, the Stratford, Ont. Shakespearean Company and in CBC-TV opera productions.

### Tea Musicale

If the words "Tea Musicale" bring to mind a pleasant note on which to usher in spring . . . If they suggest gracious rooms, delightful conversation and the charm of gay music as a background setting . . . If they promise exactly the sort of afternoon you particularly enjoy . . . Circle Wednesday, April 16, on your Social Calendar.

Your destination that day will be the Horace E. Dodge Estate. Mrs. John H. Brabb, Jr., is chairing the party, to be presented by the Assistance League to the Northeastern Wayne County Child Guidance Clinic. Mrs. Richard Ferrara is assisting Mrs. Brabb.

### Crisis Resolved

There WAS a moment of panic when the ladies of the Bon Secours Hospital Assistance League learned their final 1968-69 Grosse Pointe Celebrity Series speaker, Agnes Moorehead, wouldn't be able to make it to the Esquire Theatre next Thursday morning.

And then came the Great News: Substituting for Miss Moorehead will be one of America's most delightful Governor's Ladies, Mrs. Richard J. Hughes, wife of the Governor of New Jersey, mother of a "combined family" of 10 children, newly svelte after the loss of some 80 pounds, (maybe she'll tell US how to do it!).

We can't wait to hear her.

### Anniversary Luncheon

More than a few Pointers, members of the Junior Women's Association for the Detroit Symphony Orchestra, will be heading out to Plum Hollow Golf Club next Thursday for the Association's March general meeting and 30th anniversary luncheon.

Mrs. Carl Allison is in charge of the program, which will feature the Detroit Percussion Trio, composed of Symphony members, presenting "From Classic to Jazz."

There'll be a report on the New Member Drive, too. Mrs. Arthur O. Moran, Jr., will introduce candidates for election to the Juniors' Board, and past-presidents of the Association will be honored.

Mrs. David Auer is taking reservations. The Mesdames Jerome K. Bresser, J. Leonard Hyman and Lance C. Minor, Jr., are assisting Mrs. Auer.

### Guest From Washington

Mrs. Bartholomew A. Seymour will open her Edgemont Park home this evening for a reception honoring Sister Margaret Claydon, S.N.D., President of Trinity College, Washington, D.C., which is seeking \$2,000,000 during the next three years for scholarship aid, faculty salary support, a student center and a residence facility.

Mrs. Seymour was formerly national president of the Trinity College Alumnae Association. She is presently a member of the College's Board of Lay Trustees.

## Church Holding Lenten Dinner

Members and friends of Grosse Pointe Congregational Church are invited to attend a Lenten dinner to be held in the church social hall on Wednesday evening, March 19, at 6:30.

Mrs. William Adams, who has long been active in church and community life, will present some of her collection of slides from her recent trip around the world. The theme for the Lenten dinner is Southeast Asia, and Mrs. Adams' talk will touch on her experience in Malaysia, Singapore, Indonesia, Ceylon, Cambodia and Thailand as well as Cameroun, the place of her birth.

Mrs. Adams, a pioneer in organizing the American Field Service program in Grosse Pointe and in sponsoring the first exchange student here, was able to visit several of the foreign students during her trip.

Dinner reservations may be made by phoning the church office at 884-3075.

## For the man who thought he had everything

TRULY ONE of the Pointe's most famous mansions, this particular estate has been featured in several books depicting the "great houses" of the mid-west. To the student of architecture this house is symmetrically perfect, and a pure example of the antebellum Southern Colonial. Because of its balancing wings the house appears to be larger than it actually is. There are just four family bedrooms on the second floor, and three sleeping rooms for live-in help over the kitchen wing. The corresponding wing to the service wing is an enormous billiards parlor, dressing rooms and swimming pool. Better wait until you have a few minutes to listen before you call us on this one.

## Announce Schedule Of Met In Detroit

Stars Who Will Appear and Operas to be Performed this Year Revealed at Grand Opera Association Luncheon

The Detroit Grand Opera Association held its annual luncheon at the Detroit Institute of Arts on Monday, January 27, to launch the 26th opera season of the Association, which will sponsor the 11th annual Detroit visit of the Metropolitan Opera Company of New York.

The Metropolitan will present seven operas at the Masonic Temple Auditorium during May. Mrs. Ralph T. McElvenny, of Cloverly road, outgoing general chairman, presided at the gathering.

Francis Robinson, assistant manager of the Metropolitan, addressed the 300 members of the Women's Committee in attendance.

"We will bring our best to Detroit this year," Robinson stated, "including two new productions and a superb production of a rare opera, sung by two operatic immortals. The two new productions are Richard Strauss' 'Der Rosenkavalier' and Verdi's 'Il Trovatore'."

"The unique opera performance is Clea's 'Adriana Lecouvreur,' which opened the 1968 New York season. The cast will be headed by Renata Tebaldi and Franco Corelli."

The luncheon marked the last opera meeting at which Mrs. McElvenny acted in her capacity as general chairman. At the end of the meeting she turned over the general chairmanship of the 1969 opera season to Mrs. Ernest A. Jones, of Bloomfield Hills.

"You have all been a wonderful committee," Mrs. McElvenny stated, "hard working and most cooperative. I shall miss our work together."

"Mrs. Jones has been our able and gracious general co-chairman and, needless to say, I am most grateful that she was willing to help me so much. She has been, and is, wonderful."

Mrs. McElvenny also emphasized the work of the Women's Committee in increasing fund-raising activities and program advertising revenue to help support the Association's sponsorship of the Metropolitan season.

Dr. David Di Chiera, of Oakland University, producer of "Overture to Opera," outlined the 1969 program of scheduled performances in the Detroit area and southern Michigan.

Emily Derr, of Lansing, soprano, won the \$2,500 Grinnell Foundation of Music scholarship award in the final auditions held in the Museum's main auditorium following the luncheon.

Elsie Iselman, of St. Clair Shores, soprano, was the recipient of the newly created Elizabeth Hodges Donovan \$1,000 runner-up scholarship award. The award was created by the Association in memory of the late Mrs. Frank W. Donovan, wife of the board chairman of the Association.

The Metropolitan Opera will appear in Detroit May 26 through May 31. The opening night performance will be Verdi's "Rigoletto," with Roberto Peters, Gianni Raimondi, Cornell MacNeil and Bonaldo Giolitti. Fausto Cleva will conduct.

As in past seasons, the opening night will be a benefit performance, the beneficiaries being the Detroit Symphony Orchestra, Inc., and the Founders Society of the Detroit Institute of Arts.

Tuesday evening will bring the Detroit premiere of "Adriana Lecouvreur," with Renata Tebaldi, Franco Corelli, Neil Rankin and Morley Meredith. Cleva will again conduct.

A new production of "Der Rosenkavalier," with Regine Crespin, Judith Raskin, Otto Edelmann and Rosalind Elias, will receive its Detroit Metropolitan Opera premiere on Wednesday, Franz Allers will conduct. "Il Trovatore," another new production, will be sung by Gabriella Tucci, Irene Dalis.

The Fine Arts Committee of The Parents Association of The Grosse Pointe University School are sponsoring the studio company of the academy of dramatic arts of Oakland University in "Death of a Salesman," on Thursday, March 13, at 7:30 o'clock, in the school auditorium.

The studio company is composed of graduating seniors, and is on its first tour, playing to capacity school audiences.

The University School committee helping with the event are Mrs. William Newman, Mrs. William Klingbell, Mrs. Gaylord Gillis, Jr., Mrs. David Gamble, Mrs. George Bushnell, Jr., and Mrs. Elliott H. Phillips.

University School students are promoting ticket sales under the leadership of Lisa Bowlers.

## Monteith PTA Meets Mar. 12

Mental Health in Elementary Education will be the topic for the Monteith School PTA meeting on Wednesday evening, March 12.

There will be classroom visitation from 7:30-8 o'clock. Parents will have the opportunity to hear an enlightening speech by Dr. William Wattenberg, a national authority on mental health.

Dr. Wattenberg also is the Associate Superintendent of Child Accounting and Adjustment in the Detroit school system, co-author of a book on mental health, Professor at Wayne State University, and is presently chairman of a committee for the Detroit board of Education.

John Hammel, principal of Monteith, feels much to be gained by parents in spending an evening with Dr. Wattenberg.

Refreshments will be served following the meeting.

## Cottage Hospital Honors Employees

In the warmth of a crackling fireplace and subdued candlelight, a close group of 300 Cottage Hospital employees gathered February 25 for the first of several occasions planned to celebrate the 50th Anniversary of "the hospital on the hill."

This first event, appropriately a dinner for all employees, was held at the Grosse Pointe Hunt Club. The evening was not only a Golden Anniversary celebration, but also an occasion to honor the employees who this year celebrate 10, 15, 20 and 30 years of service to the hospital.

Special congratulations went to Margaret Forde, the only employee who was honored for 30 years' service to Cottage. Miss Forde, the head bookkeeper, was presented with the traditional service award pin and also a gold watch by Mrs. Elliot Phillips, first vice-president of the Board of Trustees.

The single employee honored for 20 years of service and presented a gold pin was Mrs. Elizabeth Shidai, R.N., a nurse in Obstetrics.

Also given a pin and congratulations by Mrs. Phillips were 15-year employees Mrs. Elizabeth Chittot, of housekeeping; Mrs. Masie Holstin, a nurse aide; Mrs. Elsie Jones, of dietary; Mrs. Marjorie Ryan, R.N.; and 10-year employees Mrs. Bertha Edgerton, a nurse aide; Leo Mayotte, an orderly; Mrs. Mary Napolitan, R.N.; Mrs. Ida Pinkley, a nurse aide; Earnest Poisson, of maintenance; Mrs. Elsie Rowe, R.N. and Mrs. Nora Willbanks, R.N.

Each employee of Cottage Hospital also received a gold keyring inlaid with the symbol of the hospital as a memento of the Golden Anniversary Employee Dinner.

Mrs. Elliott Phillips is the chairman of the 50th Anniversary Committee, with Mrs. Cameron Waterman serving as co-chairman.

## ASSAULTED ON BUS

A 15-year-old boy reported to City police on Monday, February 17, that he was assaulted on that date by another student while he was seeking a seat on the school bus. The assailant struck the 15-year-old in the front teeth, driving them through his lower lip. The youth was also hit on the nose. The injured boy was taken to Bon Secours for treatment of injuries. Police are attempting to locate the assailant.

## THE SHOWDOWN

Gifted students who show sparks of genius while in school often develop ignition trouble when they get out on their own.

## Inside the Mother's Club

Jerry Gerich, Principal of Grosse Pointe South High School, was a welcome visitor at the January 6 meeting of the GPHS Mothers Club Executive Board.

President Mrs. Joseph Perry reviewed a very busy December in her monthly report. Activities of the study committee, considering needs of South High School, were outlined and College Information Night plans presented. North High School will supply decorations and half the workers for that night.

Grade chairmen were asked to contact Mrs. Douglas Smith regarding the membership canvass currently under way.

Regarding the scholarship program, under the supervision of vice-president Mrs. James Mayshark, all recipients were contacted over the holidays and point averages ascertained. All students have earned a "C" average or better. Most are above "C+" and eight have "B" or above. Many are employed at school and most worked during their vacation.

Mrs. Mayshark suggested publicity should begin to try to reach every student who may wish to apply for financial aid for college next year.

The treasurer's report was presented by Mrs. Bruce Reynolds.

Corresponding secretary Mrs. Robert Williams advised of letters written to thank the parents whose homes were used during construction of the homecoming floats and for advice for next year's projects.

Mr. Gerich, commenting on the needs at South High School, is hopeful of forming a students' committee parallel to the one now active. He also spoke of budget preparations, personnel plans, teacher-student ratio and the drug situation.

Regarding the education of students drug-wise, Mr. Gerich said the Science Department program alone reaches 1,500 students. In addition, other programs and individual counseling reach virtually the entire enrollment. He is hopeful that study groups in the community will eventually give guidelines.

Board members were shown a copy of the newly formed student newspaper, which is printed with limited faculty supervision.

Mr. Gerich would like to see some rationale established for dress and grooming, using a cross-section parent-faculty-student participation.

Faculty representative Mrs. Benson McClure clarified the honor point average as regards college acceptance. Colleges will usually require the average, based on academic subjects alone. Currently, MSU requires approximately a 2.75 average, with College Boards around 500. One out of eight students at State is a National Merit Scholar.

Eastern Michigan University requires an average College Board score of 500 or better. "Verbal" is most important of the S.A.T.'s.

Mrs. McClure stressed that parents are encouraged to meet with college representatives when they visit the school, can be found for the sincere student.

Newsletter chairman Mrs. Herbert Towson will be assisted in February by Mrs. John Kelly.

Mrs. William Westhoff, mailing chairman, thanked her most cooperative committee for their work, particularly just five days before Christmas when 2,358 letters were mailed. Their willingness at such a busy time is most appreciated.

A \$1,513 profit was realized from the benefit Points Players performance, according to ticket chairman Mrs. S. Schaafsma.

Eight new Mothers Club memberships have been received, totaling 833, with dues received of \$1,666.00. Chairman Mrs. Kenneth Adler reported memberships last year were 1,043.

## Richard Brandt Weds In East

Richard Charles Brandt, son of Mrs. Mark Littler, of Webster place, and the late Richard C. Brandt, claimed Mary Louise Hilton as his bride Saturday, December 21, in St. John's Episcopal Church, Carlisle, Pa.

She is the daughter of The Reverend Canon and Mrs. John G. Hilton, of Carlisle.

Officiating at the candlelight single ring service was the bride's father, rector of St. John's, assisted by The Right Reverend Dean T. Stevenson, Episcopal Bishop of Harrisburg, Pa.

For the 2 o'clock ceremony the former Miss Hilton, given in marriage by Dr. James Prescott, senior warden of St. John's, selected a floor length gown of moire, fashioned with long sleeves and a mandarin collar and featuring a front row of neckline-to-hem buttons.

She wore a floor length lace mantilla and carried a cascade of carnations, chrysanthemums, red roses and holly.

## LWV Considers Electoral College

The Electoral College... hallowed tradition or archaic institution?

The pros and cons of this aspect of our national political life have been hotly debated across the country for years, especially since the November 1968 elections. Now the League of Women Voters joins the fray with a National Study.

Mrs. J. Robert Jessup will discuss the Electoral College at a Combined Units Coffee at the Grosse Pointe War Memorial at 9:30 o'clock next Wednesday, March 12.

Her presentation to the Grosse Pointe League will include the reasons why the Electoral College set-up was written into the Constitution, a history of its effectiveness in the intervening years, the current reasons for change and the alternative.

Rutherford B. Hayes said, in 1876, "This whole subject of the presidential election ought to be thoroughly considered and a radical change made. Something ought to be done immediately."

Illinois' Everett Dirksen says, "Electoral reform is virtually inevitable in the first session of the 91st Congress."

Indiana Democrat Birch Bayh says, "There is no more pressing business before the country today."

The Electoral College has survived more than 100 Congressional attempts to alter it or abolish it. What will happen in 1969?

The League of Women Voters is zeroing in on the problem in support of its belief that a more informed citizen is a more intelligent voter.

SKIS OBSCURE VISION Peter Francis Nowosielski, 37, 1305 Berkshire, was issued a violation for careless driving on Saturday, February 15, when he struck a car driven by Marie Petrinovic, 607 St. Clair, while proceeding east on Charlevoix. Nowosielski had a pair of skis and poles inside his car which obscured his vision. Mrs. Petrinovic was taken to Bon Secours Hospital and treated for minor injuries.

### OPEN SUNDAY 2:30 TO 5

55 NORTH DEEPLANDS. The perfect house for the big family. Two large bedrooms and two baths down, five bedrooms and three baths up. Large library with fireplace. Well proportioned living room, family room and kitchen with enough room to feed to scout troop. You name the school: Star of the Sea, Barnes, Parcels and G.P. North are all just a few minutes away. This one is currently vacant and ready for its new owner.

## BY APPOINTMENT

IN THE TRADITION of Old English cottage architecture, we are offering in the City of Grosse Pointe a four family bedroom country house with two full baths on the second floor. There is also a maid's bedroom and bath on the first floor. The library is large enough for a small party, and the well hidden yard is abundant with mature trees. You'll be pleased with low price on this one.

WE RESOLVE to offer in this majestic, southern colonial, the most house for the money in the Windmill Pointe area. There are three master bedrooms and two more over the attached garage. If you like both the "feel" and appearance of a large entrance foyer with a spiral staircase curling up to the two-story hall, then you might be an easy "touch" for this one.

FOR YOU WHO want to own an income property, we have one of the few remaining lots in the Pointe which is zoned for two family dwelling. Live in one unit and let your tenant make the payments which will amortize your investment.

JUST AROUND the corner, and also in the Farms, is this second new listing which is tucked away in a cul-de-sac yet just a few minutes from everything. This is a little gem of a house, one with few but large proportioned rooms. With a one-floor plan you'll see how much house can nestle comfortably among attractive plantings and a secluded swimming pool. This one is so sprightly it doesn't even require dusting.

THE ONLY ONE offered in this condominium complex on Rivard Boulevard. Three bedrooms and two baths on the second floor and two more bedrooms and a third bath on the third. Isn't that a lot of brick and mortar for \$34,000?

by whoozit

Forty-two years ago . . . a handful of Girl Scouts in the Detroit area sold a few hundred packages of cookies to help pay for a small campsite . . . This year, beginning tomorrow, March 7, and continuing through Sunday, March 16, over 36,000 Girl Scouts, their parents and leaders hope to sell over one-and-a-quarter million boxes of cookies . . .

... Those first Girl Scout cookies . . . came in one variety, packaged by hand in cellophane bags . . . Today five different kinds of cookies, packed in especially designed boxes, are delivered by large trailer trucks to some 260 area pick-up sites, where they're claimed by over 1,600 troops . . .

... "Cookie sale money from this year's sale . . . as was the case in 1927," says Mrs. J. K. Heuer, Metropolitan Detroit Cookie Sale chairman, "is needed for our camping program . . . But we now have three camps on a total of nearly 1,500 acres of land . . .

... "The largest . . . Camp Innisfree, with 1,000 acres, is our newest and still under development . . . Several buildings, completed in January, are now open to Girl Scout troops for year 'round use . . . Additional buildings, facilities and equipment will be available thanks to this year's and future cookie sales . . ."

... The Metropolitan Detroit . . . Girl Scouts are selling five kinds of cookies: Mint, Peanut Butter Patties, Chocolate-Vanilla Sandwich, Shortbread and Almond Swirl . . .

... Neighborhood businessmen and merchants . . . provide booth space for Girl Scouts, under adult supervision, to sell cookies during the sale period . . . Girl Scout cookies may also be purchased from parents and adult members of the organization . . .

... Pointer Mrs. Albert Cooper . . . is Girl Scout Cookie Sale chairman for an area which includes the Grosse Pointes and Harper Woods . . . She is being assisted by the Mesdames Thomas DeVries, Charles Hayes, Donald C. Gagne, Ross Mulholland, Leonard Beaufait, C.J. France, Fred Lewis, John S. Spring, W.E. Bentkowski and Kenneth Woodworth.

"I have done little . . . of this southern winter traveling," wrote Grosse Pointe's Favorite Poet, Carolyn Hubbard Lucas, "back now from a warm and sunny spot in the Florida Keys, 'so it is all the nicer now' . . . And that sentence somehow sums up Mrs. Lucas' attitude toward life . . . As always, she enclosed one of her verses . . . As always, we are very pleased to print it . . .

*A Mighty Arm is thrown across the earth,  
That points all nations to the way of peace.  
The choice is ours: We understand its worth.  
Yet know full well why wars may never cease.  
The price is high—and well within our sight—  
But do we love the darkness more than light?*

Oops! . . . We thought we told you last week all about the Grosse Pointe High School Foreign Exchange Committee dinner-dance at the Grosse Pointe Hunt Club this Saturday evening, a benefit for the scholarship programs that bring foreign students here and send our students abroad . . . But we forgot to mention the band: It's the Tom Liebhold Quartet . . .

Since we began . . . this column with news of the Girl Scouts, we feel it's only fair to give the boys a boost too . . . So-o-o . . . Did you know that hundreds of busy local housewives will take off their aprons and set aside some of their household chores to participate in one of 14 Cub Scout Den Mother Workshops being conducted by the Detroit Area Council, Boy Scouts of America, during the month of March? . . .

John Housley, of Linville avenue, is serving as chairman of our own Lakeshore District Den Mother Workshop, to be held Saturday, March 22, at Grosse Pointe Woods Presbyterian Church . . . The 9 in the morning to 4 in the afternoon session is designed to acquaint the Den Mothers with mecraft ideas that will be featured in Cubbing over the next nine months . . .

Hobbies and Pets is the April theme . . . This will be followed by Wonders of the World, Things That Go, Cub Scout Chef, Family Adventure, Come to the Fair, Buccaneer Days and Folk Lore . . . The Workshop Mothers will receive instruction and materials, and will be invited to try their hands at making such things as spool animals, stop sign recipe holders, penny sailboats . . .

All Den Mothers . . . new, old and prospective, are invited to take part in the Workshop . . . Registration should be made through individual Cub packs . . . Interested women may call their District Office at the Detroit Area Council Service Center for additional information.

MRS. GEORGE P. JOHNSON, JR., OF WILLOW TREE PLACE

By Janet Mueller

No doubt about it: The second year's easier. Not that Audrey Johnson, chairman of hostesses for Fashion-scope '69, the annual comprehensive spring style show sponsored by the Women's Association for the Detroit Symphony Orchestra in cooperation with the J.L. Hudson Company for the benefit of the Orchestra's Maintenance Fund, had a difficult time lining up ladies to direct and assist Fashion-scope's audience last year — It's just that this year was such a breeze!

"Phyllis (Mrs. Harvey O. Jr.) Dixon telephoned three days before we left on our cruise and told me I'd have to have the names of all the hostesses before we went," Audrey explains.

"Right after she hung up, I started calling . . . I began with last year's hostesses: Many of them said 'Yes,' many who couldn't do it this year suggested other names . . .

"By 9:30 that night I was able to call Phyllis back and tell her we had a full complement."

She Wasn't Surprised  
Phyllis, needless to say, was delighted. But not surprised. This is Mrs. Dixon's second-year-running in her Fashion-scope job, too; as general chairman last year, she counted neighbor Audrey Johnson, (the Dixons live "down the road a piece" from the Johnsons in Willow Tree place), among the Finest of her Fine Corps of Assistants.

Phyllis agreed to assume the Fashion-scope general chairmanship again this year with the proviso that many of her '68 team would continue to serve with her. Audrey is among the many.

Fashion-scope, a two-day affair, will be presented this year Tuesday and Wednesday, March 11 and 12, at 2:30 o'clock in Hudson's Downtown Auditorium.

Tea in Hudson's Woodward Shops will follow each showing.

Use 24 Hostesses  
"We use about 12 hostesses each day," Audrey says. That, to those unfamiliar with recruitment of volunteers, may not seem like a lot of ladies — but ask someone who's tried to line up even a half-dozen women at one specific time for one specific assignment how she'd like to try for 24 . . . and listen to the answer!

Ask, that is, anyone except Audrey. "Last year," she muses, "wasn't at all hard either, probably because Sallie (Mrs. Joseph H.) Spitzley worked with me as co-chairman of hostesses, and she'd done it all before . . . That helped a lot."

The Johnsons, Audrey, George, president of George P. Johnson Display Company, 13-year-old Wendy, a student at Parcels, George, III, who'll be 17 in April, at Grosse Pointe North High School, and Schnapps, the Schnauzer, are very much a Grosse Pointe Family.

George and Audrey were both brought up here. In fact . . .

A Pair of 'Drags'  
"I met George through his sister, Virginia (Mrs. Robert) Vallee. We grew up together, and George used to sort of look down on us, in our jeans, with our white shirts sticking out. I'm sure he considered us nothing but a pair of teenage 'drags'."

Then one day George was driving down the street, and Audrey happened to be walking along, and she happened to be dressed up — no jeans, no shirttail hanging — and George stopped to give her a lift and it was sort of a "Hey! What happened to YOU while I wasn't looking!"

He took her out for the first time a few days before her 21st birthday. They've been together ever since.

George's father is THE George P. Johnson whose home

ing, decoupage — I have a basement full of unfinished decoupage I've promised myself I'll get around to after Fashion-scope and the Project Hope Ball.

"Last fall, I started an Art Course at Grosse Pointe North High School. I'll admit I took it mainly because I wanted to be 'in' the new school. It's so beautiful! — but I WOULD like to take more Art Courses."

An Interesting Time  
Audrey frankly enjoys being the mother of teenagers. "It's a very interesting time in my life," she explains.

"They (teenagers), keep you rocking and rolling all the time, but mine are good kids. I talk to them, they talk to me . . .

George, III, plays guitar and Wendy plays tenor banjo. "It's great music," says Mother, "when we can get them to play together. I," she adds, "play the Hammond Chord Organ; it's my way of relaxing when I've had a busy day."

A way for the whole family to relax is to pile in the car and head north for a weekend at their lodge between Midland and Alpena.

"We just got it (the lodge) this past year," Audrey says, "and we love it! We try to get up as often as possible."

"We keep a Snowmobile there, and Hondas . . . We have a rifle range; we do some skeet shooting . . . There's an airfield next door that we're going to fix up. A lot of our friends fly, and we'd like to have them 'drop in' on us . . .

Have Deer Feeder  
"There's a Deer Feeder right outside our door, and it's a busy place! I think it's the greatest thrill to watch the deer come and feed at night . . . George loves deer hunting . . . We're neither of us skiers; we leave that to the children . . .

George, III, and Wendy often bring friends to the lodge, but they're equally happy to go alone. "They lose themselves when they get up there," Audrey claims. And as for Schnapps: He thinks of The North as Seventh Heaven.

"Schnapps," smiles Audrey, "is the love of our life. We've had him a little over a year. My husband was thoroughly against dogs, and he laid down the rules: No Schnapps in the living room, no Schnapps upstairs . . . Now, of course, he's all over the house."

North and South aren't the only points of the compass that appeal to Audrey. She'll head happily in any direction.

Eyes on Japan  
"George is in a very interesting business," she says. "It involves a lot of traveling. We're hoping we can make the Japanese World's Fair in 1970. We like to get out to San Francisco at least once a year. That's one of our favorite cities, and we have our favorite San Francisco restaurants, favorite places . . .

"I'm addicted to travel, but I've learned never to pack my suitcase until I have my ticket in my hand. George loves to talk!"

Audrey Johnson always has done her share of community service. Recently, she was named second vice-president of the Cottage Hospital Women's Auxiliary. She's served as chairman of the annual Cottage Auxiliary Kitchen Tours twice. Her own kitchen in Willow Tree place was opened for one of the Tours.

She's a member of the Woman's Republican Club of Grosse Pointe. She's on the committee planning this year's Project Hope Ports of Call Ball.

She joined the Women's Association for the Detroit Symphony Orchestra seven years ago. Co-chairman of hostesses for last year's Fashion-scope was her first major Detroit

Symphony Women's assignment. Last fall, she helped with the Association's Detroit News Symphony Rotogravure Section.

Interested in Clothes  
She's looking forward to seeing this spring's Fashion-scope clothes, maybe even picking up a few things for herself.

"I love to shop," she admits. "George recently came up with a name for me which, I think, tells exactly HOW MUCH I love to shop. He calls me a 'Shopaholic'."

"I've always been interested in fashion. I'm a graduate of John Powers and I've done some modeling. I enjoyed it very much. I think, if I had the time, I would like to go back into it."

"At one time, I was a very big girl. Then I found a doctor who started me off with hypnosis. I lost about 40 pounds, went from a size 18 to a 12. I'm down to a 10 now . . . I think, once you've been big and lost weight, you have a much greater, a much more personal outlook on clothes and fashion in general . . .

Audrey's looking good. So's Fashion-scope '69. All systems are go for March 11 and 12. The planning's over; it's time to settle down and enjoy the show.

It's a Great Show.

## Pointe Counter Points

By Pat Rousseau

Sign Of Spring . . . last Saturday seemed to be brides' day at Walton-Pierce. We saw exquisite wedding gowns, lovely veils, pretty bridesmaids dresses painstakingly and lovingly fitted. Charming made-to-order head dresses were almost designed on the spot. Of course, the finishing will be done with patience and expertise. An heirloom mantilla was being fashioned over a little cap. We also noted the new elegant mother-of-the-bride ensembles just in from New York. It's no wonder so many perfectly beautiful weddings are a tradition at Walton-Pierce. The whole scene assured us that spring and romance are surely in the air.

"It Is Long Hair For Spring . . . but none of the hair just hangs. It is pulled back. The sides and top are smooth and when softness is needed, tendrils and quickies are added. A George Washington queue can be attached for a finished look in a minute. The natural shape of the head is emphasized. The new look is very luxurious and beguiling." The stylists at Leon will interpret the look for you and design the perfect hair piece to complete it . . . 17838 Mack Avenue, TUxedo 4-9393.

There Are Pant Suits . . . and pant suits! Your wardrobe this season is really incomplete without them. At Michelle's Boutique at Leon, there's a good selection. One golden-beige four piece costume includes a skirt, a blouse, a jacket and of course pants.

Activity Center . . . your kitchen? Why not plan it that way from the beginning? In an "open end" kitchen, you can have china, silver and linen conveniently near the dining area. Perhaps you'll want to include a desk, (we have) . . . a sewing center (we haven't) . . . but analyzing your family's way of life is the important part of planning a kitchen in the Mutschler manner at 20227 Mack Avenue.

In Martha's Closet . . . 373 Fisher Road, entertaining long culottes are gaily colored and printed. Cotton is a breezy hostess choice and we're sure you'll recognize the fashion "cool" of the neeny voiles.

Nail Therapy . . . by Marcel Germain is three dollars at Notre Dame Pharmacy. There is also his complete nail care kit which even includes buffing cream. Marcel Germain's newest nail aid is Mink nail oil.

From Holland . . . to the Sphere, 19849 Mack Avenue, has come a new shipment of delft. Included in the selection are some Williamsburg reproductions.

The Kaleidoscope . . . sees your favorite brand of beer, labeling a waste basket. You can also get a coke label at 16135 Mack at Bedford. All these refreshingly new waste baskets are six dollars.

Sylvia Trevano . . . is selecting so many lovely and unusual things during her buying trip in Mexico and they are now arriving at 16237 Mack at Three Mile. They are filling the shop with new color and gaiety. Take a convenient trip to this sunny south of the border atmosphere.

New Things . . . are arriving daily at Wright's Gift and Lamp Shop, 18650 Mack Avenue. Stop in to see all the beautiful new pictures with velvet matting . . . also new for spring, candle rings, candles and holders.

Do It Yourself . . . You're taught how to improve and apply your own makeup at Edward Nepi Parrucchiere, 19463 Mack Avenue. An expert will analyze and then redesign your makeup. You do each step yourself under supervision so you can do it perfectly at home. TUxedo 4-8858.

In Business . . . we've had many occasions to use the expertise of Eddie McGrath Jr. He's gone to offices and photographed executives at work. He's snapped buildings and captured fashion models on film, of course! His lens services are conveniently available at 16339 Kercheval and personal portraits in color are a specialty. Call 884-3289.

Polyester . . . seems to be the password in carpeting these days. It opens a world of wonderful decorator color because it wears, wonderfully. It does not shed and the price is right. Cabin Crafts . . . prices for polyester carpeting starts at eight ninety-five a square yard. Find it at Ed Maliszewski, 21435 Mack Avenue . . . 776-5510.

Quaker Maid . . . puts its best look forward at Kitchen Renodelers, 15218 East Jefferson. Only the most carefully grown and processed North American birch is selected for your kitchen. There are twenty-one lustrous wood finishes and many cabinet styles . . . Contemporary Colonial, Early American, Conestoga, Italian Provincial, French Provincial . . . for an estimate call 776-5510.

Meeting Someone Downtown? You don't want a two car home-coming. So call TUxedo 1-1111. A nice driver and a new Royale Carriage Cab will pick you up and deliver you to your destination without traffic nerves or parking problems.

Mr. Q Travel . . . has discovered the great escape you really can afford. There is a room with a view of San Juan Bay. It has a kitchenette and it's twelve dollars a day, double. See Mr. Q at 19589 Mack between 7 and 8 Mile for more information.

Decorative And Folk Art . . . is being taught by Margaret Pankhurst at the Grosse Pointe War Memorial. Eight lessons are twenty-four dollars. Morning classes start March 12 . . . 9:30 to 11:30. Evening classes begin March 19 . . . 7:30 to 9:30. Call TUxedo 1-7511 for reservations. Learn how to take simple materials and old cast-aways and make them useful and decorative.

Fit For A King . . . the Royal Coachman Limousine service to and from Metro. You're taken directly to your airline. Your baggage is cared for and you save one-half the price of a cab. Queens like to travel the Royal Coachman Limousines, too. Call TUxedo 6-1322.
