### HEADLINES

#### of the WEEK

As Compiled by the  
Grosse Pointe News

**Thursday, May 30**  
ISRAEL AND SYRIA have agreed to a military disengagement on the Golan Heights, and an agreement will be signed in Geneva on Friday. President Nixon announced the completion of Henry Kissinger's second peace-seeking mission in a nationally televised statement and praised the secretary of state for his refusal to give up when it appeared negotiations would collapse. The agreement is known to include Israeli withdrawal to a cease-fire line in the Golan Heights, a buffer zone between the forces of the two countries, a thinning out of men and weaponry on both sides, a U.N. force to police the agreement and an exchange of P.O.W.s.

**Friday, May 31**  
THE HOUSE JUDICIARY COMMITTEE, in a letter to the President, told Mr. Nixon that his refusal to obey its subpoenas was "a grave matter," which "might constitute a ground for impeachment." Many members hinted they might, at a later date, approve a contempt action or an article of impeachment for withholding evidence. At the same time, the committee voted 37 to 1 to issue another subpoena for 44 more taped presidential conversations on Watergate and the files on former high White House aides.

**Saturday, June 1**  
THE SUPREME COURT has agreed to hear normal procedures and hold an early hearing on President Nixon's refusal to hand over 64 taped Watergate conversations to special prosecutor Leon Jaworski. The justices accepted Jaworski's petition for an expedited hearing, bypassing the U.S. Court of Appeals. They will hear arguments on July 8. If the court rules Jaworski has a right to the tapes, Mr. Nixon will have to decide whether or not he will obey, and defiance of the Supreme Court would inevitably strengthen the drive to impeach him.

**Sunday, June 2**  
A CHEMICAL PLANT exploded in a huge ball of fire in the English village of Seunthorpe, causing what officials say might be the worst death toll from a blast in peacetime Britain. Ambulance and Fire Department spokesmen said more than 50 persons were missing and feared dead and about 60 more were injured. The blast engulfed the chemical plant in flames that spread over a wide area. Poisonous fumes from the fire and the threat of more explosions caused authorities to order the village evacuated.

**Monday, June 3**  
A BIPARTISAN PANEL of six leading governors said that President Nixon should surrender White House tapes and documents being sought by Watergate investigators and the House impeachment probe. Governors Tom McCall, a Republican from Oregon, and Jimmy Carter, a Georgia Democrat, went further to say that failure of the President to give up the Watergate evidence would be grounds for removing him from office.

**Tuesday, June 4**  
CHARLES COLSON, former White House special counsel, pled guilty to obstruction of justice in the Daniel Ellsberg case and promised to tell all he knows about the Watergate and Watergate-related matters, regardless of who it would help or hurt. Colson is the highest ranking presidential associate to plead guilty so far to criminal charges in the Watergate affair and special prosecutor Leon Jaworski indicated he will immediately be questioned under oath and required to produce relevant documents. Witnesses have put Colson at the center of events now under investigation by House prob-

### Austin, ULS Win State Tennis Crowns

Two area schools have been crowned State tennis champions after competing in the Michigan Final Tennis Tournament Friday, May 31, and Saturday, June 1, at Kalamazoo College's Stowe Stadium. Austin received Class A honors, while University Liggett took the Class C-D crown. The proud netmen and their coaches include, in the first row, (from left to right), IHOR DEBRYN,

ULS, PETER LOGAN, ULS, KEN THOMAS, Austin, and KEN RYCHWALSKI, Austin. In the back row, (from left to right), are Coach ROBERT WOOD, ULS athletic director, ROBB BAUBIE, ULS, BILL DAHLING, ULS, JEFF SCHATZBERG, Austin, KEVIN McNULTY, Austin, and Friars Coach ED KNUTH.

### Center Drive Farms Council, Property Owner Have Verbal Clash Over Mack Parking Lot

Contributions Made by 6,389 Families to Annual Family Participation Campaign

A total of 6,389 families have donated \$122,548 to this year's annual drive for funds conducted by the Grosse Pointe War Memorial Association, as of Tuesday, June 4, according to John Lake, director of the War Memorial Center.

At this time last year 6,330 families had contributed \$127,017.50 to the 1973 campaign.

This year's goal of \$110,000 had been exceeded by Memorial Day. Gifts continue to come in throughout the year and all are deeply appreciated.

### To Offer Bingo At Carnival

The Grosse Pointe Jaycees will conduct two days of bingo in which persons 18 and over may participate during the ULS Carnival.

On June 7, games will be held from 6-10 p.m., while on the 8th, they will be conducted from 2-10 p.m. George A. Williamson of the Jaycees said half of the proceeds will be donated to the ULS Scholarship Fund, while the other half will be used towards the organization's many projects for the community.

### Double Tragedy Reported To G.P. Park Authorities

Twenty firefighters and eight pieces of equipment battled a three alarm fire at the lakefront home of Mrs. Agnes Jefferies, 15250 Windmill Pointe drive, early Thursday morning, May 30. The fire, of as yet unknown origin, caused damage that ran into thousands of dollars. And the following day, police received information that Mrs. Jefferies had drowned in Ohio.

Flames and smoke from the Jefferies residence billowed high into the air and were visible from Korte and from Lakepointe, the chief said. Extensive damage was caused to the \$150,000 rambling, ranch type building, but the actual amount will have to be determined by insurance adjusters, said Park Fire Chief Phillip Costa.

The alarm came in at 1:42

### Farms Council, Property Owner Have Verbal Clash Over Mack Parking Lot

Jay M. Kogan Objects to What He Calls Insulting Letter from City Demanding Improvement Condition of His Site

Jay M. Kogan of Detroit, owner of commercial property on Mack avenue, between Moross and Kerby roads, appeared at a hearing before the Farms council on Monday, June 3, to protest what he claimed was an "insulting letter" received from the city body. The letter demanded, it was stated, that Kogan should properly maintain the parking lot at the rear of the buildings at his own expense, or the lot will be resurfaced by the city under a special assessment.

Kogan said that he is the owner of all the property on the avenue, between the two roads, except General Tire and Burger King, which he had sold to the respective companies. However, he still owns the parking lot at the rear of the commercial area, and he has had the lot swept twice a week by a contractor, at a cost of \$80 each week.

He is proud of his property, he said, and is doing everything to see that it is maintained properly. He challenged the solons to prove otherwise. He said that if the present contractor is not performing the job of cleaning the lot it should be done, he will discontinue his service and hire another.

**Want Lot Resurfaced**  
Apparently the council was taking Kogan to task for not resurfacing the lot with asphalt paving, or at least filling in the large chuck holes, which the solons claimed caused considerable complaints from car owners using the lot while shopping. Kogan said that he has appeared before the council, including the present elected

### Youths Victims Of Gang Attack

A 16-year-old City youth and three friends, all 16-year-old Park juveniles, were terrorized by a group of young people while in the parking lot at Jack-in-the-Box, 20599 Mack avenue, late Friday evening, May 31.

The youth, his father and friends reported the incident to Woods Officer Thomas Hunka at the station when they filed a malicious destruction to property report to their automobile.

After driving to the parking lot's north side where they stopped, the juvenile told police he and his friends were approached by several youths who asked what school they attended. When told North High, the youths began to shout obscenities.

At this point, the juvenile started the car and drove behind the restaurant to the south side of the lot. But the auto stalled.

### Austin, ULS State Net Champions

Friars' Doubles Tandem of McNulty, Schatzberg; Knights' Duo of Dahling, Baubie Win Top Spots

Austin Prep and University Liggett were winners in the Class A and Class C-D, competition, respectively, of the Michigan Final Tennis Tournament played Friday, May 31, and Saturday, June 1, at Stowe Stadium, Kalamazoo College.

The Friars captured first place in "A" action with seven points, a point ahead of East Grand Rapids, Midland Dow and Cranbrook, who all tied for second place. South High School finished with two points and in a sixth place tie with Traverse City, Lansing Sexton and Kalamazoo Central.

**Doubles Winners**  
Meanwhile, ULS took top spot with seven points, three points up on second place All Saints. This was the third straight title for the Knights and their sixth in the past nine years.

In Class B play, Vicksburg won first place honors with nine points. Harper Woods Bishop Gallagher finished third with four points. Kevin McNulty and Jeff Schatzberg of Austin won the "A" doubles championship for the second straight year by defeating Steve Carter and John Freeman of Ypsilanti, 6-2, 6-1.

ULS' tandem of Bill Dahling and Robb Baubie were "number one" in "C-D" doubles play by dumping Mark Wilson and Don Reese of Galesburg-Augusta, 6-3, 6-4. Ihor Debryn of ULS finished second in singles competition after dropping a 6-3, 6-2, decision to Bob Learman of Bay City All Saints.

Bishop Gallagher's duo of Hank Kuchta and Chuck Heyko took second place in "B" doubles play after losing to John Wood and Bob Flora of Sturgis, 6-1, 6-1.

**"Boy Beats Girl"**  
Austin Coach Ed Knuth reported in the first boy against girl pairing in the State Class A Tournament, Ken Thomas of the Friars defeated Judy Acker of Kalamazoo Central, (ranked 17th in the nation), 7-6, 6-3. "She was a home town favorite and really had the gallery behind her," he said.

The Friars have had a very successful year on the courts. Their Catholic League record, (in the central bracket of the first division), was a splendid 14-0. Besides being

### School's Request To Enclose Ice Rink Is Granted

Woods Planning Commission Gives Approval by 4-3 Vote; Donations Expected to Pay Cost of Project

By Roger A. Waha

The Woods Planning Commission in a narrow 4-3 vote gave University Liggett School the green light to enclose the McCann Ice Rink located on school grounds. This action was taken at a public hearing, which was attended by an estimated 50 residents, at the regular Commission meeting Tuesday, May 28.

In his motion to approve the enclosure, Commissioner George Couillard stipulated that the restrictions in a letter from Headmaster Raymond P. Robbins be recorded in a chain of title, as part of the deed, and that the maximum seating capacity of the rink be limited to 100 persons.

Voting for the enclosure were Commissioners Couillard, Raymond Lynch, Robert Trinklein and Peter Glezan, while Chairman Thomas Fahrner, Philip Patanis and George Rinaldi nixed the request. Commissioners John Kennedy and Donald Brown were not present at the session.

#### Review Plans

Mr. Robbins said meetings will be held this week with the school's Board of Trustees and the architect, Rossetti Associates, Incorporated, to review plans and scheduling for the estimated \$300,000 project, which includes appropriate landscaping and brick facings.

During the course of the review, the council expressed their concern over the enclosure in relation to any potential "commercial aspects," whether it violated the city's zoning ordinance, the height of the building and safety factors, such as the possibility of increased traffic in the immediate area. Mr. Robbins, Peter Thurber, president of the Board of Trustees, and Louis Rossetti commented on all statements.

### Students Lend Helping Hand

The French students at Brownell Middle School have joined in a partnership program with the community of Tokpa Dome located in Dahomey, Africa.

The French students have spearheaded a drive at Brownell to raise \$2,000 in order to help the community build a three-room school. The school partnership program is a project of the Peace Corps. Thus far the French students have held bake sales and a slave auction in order to raise money to purchase gasoline which will be sold on Thursday, June 13. Brownell students are presently selling the tickets to friends and neighbors.

On Saturday, June 8, the students are having a car wash behind Brownell Middle School and they invite you to bring your car and get it washed for \$1.

### Bon Secours Fund Moves Steadily Towards Goal

The Bon Secours Hospital Building Fund climbed to \$1,558,630 this week as all solicitation committees made new reports and the hospital's Assistance League added \$100,000 to its gifts for the Fund.

Mrs. Donald F. Currier, president of the Assistance League, said the new pledge brings the League's total participation in the Fund to \$210,000. She added the subscription is an organizational one and is in addition to the personal gifts of members and their families.

The gift was accepted on behalf of the hospital by Mrs. Hans Gehrke, Jr., who commented, "This renewed evidence of the dedication of the Assistance League to the hospital and the community it serves makes us all more

### Woods Gives Approval to Park Plans

New Swimming Pool Complex and Eight New Tennis Courts Part of \$1,977,000 Program

By Roger A. Waha

Months of intensive study on the parts of The Woods Council, the city administration, Parks and Recreation personnel and the Citizens' Recreation Committee have climaxed in the unanimous adoption of a resolution authorizing the construction and installation of a new outdoor swimming pool complex, eight new tennis courts and other improvements at the Lake Front Park.

The resolution notes the council's conclusion of an 85-minute public hearing on the program Monday evening, June 3, at Parcels School. After the hearing, which was attended by an estimated 70-80 citizens, the solons conducted the regular council meeting.

#### To Issue Bonds

The resolution notes the cost of constructing and installing the park improvements is an estimated \$1,977,000, and that the council determines and declares it's "necessary and expedient and for the public benefit and welfare" to have such improvements.

In order to finance the program, the \$1,977,000 will be raised by borrowing money and issuing General Obligation Bonds by the city subject to the placement of the issuance of the bonds upon a ballot for a referendum vote in the August 1974 primary election.

At the same time, City Administrator Chester E. Petersen was authorized to engage the services of a bonding attorney to assist with the necessary preparation in placing the proposal on the ballot.

#### Cost Breakdown

The overall construction cost estimate as prepared by City Engineer Laurence H. Pate is \$1,620,500. This includes the best estimates of the real cost of building the pool at this point, including inflationary considerations.

### Two Hoping To Occupy Single Seat

Mary Ann Melican, John Bruce Compete for Trusteeship Being Vacated by Semmler

By Kathy Duff

Two Pointe residents have tossed their hats into the ring for the Monday, June 10, School Board election. The candidates, Mary Ann Melican and John Bruce, filed for the seat vacated by Trustee Donald Semmler who chose not to run for a second term.

It is the "odd" election year, or the fourth year when only one trustee is elected. In each of the other three years, two candidates are elected to the Board.

Residents were given the opportunity to meet the two candidates at a forum held at the Grosse Pointe War Memorial Monday night, June 3. The forum allowed introductory statements by the candidates, followed by written questions. The questions were wide ranging, covering everything from middle school programs and teacher tenure, to the more emotional issues of cross district busing and mandatory sex education.

**Face Tough Choice**  
Voters will be faced with a tough choice next Monday, not because of drastically differing philosophies of the two candidates, rather because of the similarity. Even their campaign literature reads the same, with both candidates stating a commitment to quality education and the need for good communication lines between the School Board and the community.

Mr. Bruce, of Devonshire road, is executive director of the Neighborhood Club. He is married and has four children between the ages of three and six years old. He has a B.A. and M.A. from the University of Detroit and attended St. Clare of Montefalco and Austin. As far as community activities, he is a board member of E.A.N., a board member and manager

### Fire, Explosion Damage Store

A fire that started in the rear of the store caused a front window to explode and did extensive damage to The Arrangement, a flower shop at 341 Fisher road, on Tuesday afternoon, May 28.

City firemen responded with all apparatus after receiving a report of the fire by phone, and when they arrived, found the store's front window blown out. The rear of the building was engulfed in flames that were shooting out of the skylight in the roof.

City firemen entered through the front door while Farms' firefighters, responding under the Mutual Aid program with one pumper and aerial truck, covered the rear.

Both teams were able to bring the blaze under control within about 20 minutes. Afterwards, the main electrical switch was pulled and the gas was shut off.

City Fire Chief Robert Marshall was uncertain as to the cause of the blaze. "We're not sure if it was a cigarette left burning at the rear of the store, or if it was due to an electrical short in a lamp cord," he stated.

The reason behind the explosion of the front window could not be pinpointed either, but the chief suspected it was created by a back draft. Fortunately, no one was injured when the explosion occurred.

He was pleased with the quick action of Farms' firefighters. "Their assistance from the rear was a great help," he said. "In something like this you always appreciate the extra manpower and equipment."

The Arrangement is owned by Pointer Donald F. Jensen.

## ULS Receives Okay to Enclose McCann Ice Rink

(Continued from Page 1)

and questions from the citizens and the Commissioners.

In his letter, Mr. Robbins said the rink will be used primarily by the school, its students, their parents, the school's alumni and its faculty and staff. Rink hours will not commence prior to 7 a.m. and will not extend past 11 p.m. on any given day.

**Discusses Use**

"The use of McCann Rink for ice skating shall commence not earlier than September 1 in any given school year and conclude not later than March 31 of the same school year (the 'skating season'); provided, however, McCann Rink may also be used in the discretion of the school for spring or summer hockey or figure skating clinics for a period not to exceed six weeks between skating seasons," he said.

Then, Mr. Robbins specified, "Should the use of McCann Rink by the school or others constitute a breach of any of the foregoing representations, the City of Grosse Pointe Woods shall have the right to enforce the limitations on use contained in the foregoing representations by action brought before the Wayne County Circuit Court.

"Nothing herein contained shall prevent the school from hereafter expanding its use and operation of McCann Rink, provided that it shall first obtain the approval of the Grosse Pointe Woods Planning Commission or City Council for such expanded use and operation."

**Completely New**

Mr. Robbins told the residents and the Commissioners this proposal was a completely new one, while referring to the abandonment of two previous proposals, i.e., enclosing the rink and constructing indoor tennis facilities on school grounds via a partnership who planned to develop the site, because of "the justifiable and legitimate concerns of the residents," (many of whom felt the proposals were too "commercial" in nature).

On the new project, he stressed it will be financed by the school raising funds via donations and that the school will "continue to own and control the rink." The headmaster also felt there would be no reason to expect an increase in traffic flow, that lighting and noise problems would be eliminated by enclosing the rink and that there would be no significant parking problem.

Mr. Robbins, who said the school was trying to improve the facility for its purposes, stated construction will go up around the existing fence line with the building's dimensions (120x210 feet), dictated by the line. The building, which will not exceed a height of 35 feet, is about 150 feet away from the street.

**Only One Facet**

Resident Jack Trentacosta said he hoped the project will be well financed and that once it's up, he wondered how much the school will need regarding rentals. "Can the school carry itself without revenues or the leasing of time?" he asked. "Will they need money to keep the rink going? Can they afford to build it or maintain it without the use of commercial funds?"

In replying to the questions, Mr. Robbins said he had mixed feelings on the "implied criticism" of the running of the school. He stressed the school was an asset to the community, that it had "high standards in every manner" and that those standards would not be abandoned. "It's true that the school has to operate financially but the rink is just one facet of the operation," he said.

"By enclosing the rink, the expenses of its operation would be lessened," emphasized Mr. Robbins, while noting the expenses of operating an open rink are more. "I will not say that the school will not rent some ice for income but such use will be limited. We will not operate around the clock."

**Gives Breakdown**

Then, the headmaster explored rink rentals via various percentages. He said the rink is used for school related activities, e.g., students, parents, alumni, et al., 83 percent of the time, while the Grosse Pointe Hockey Association utilizes it 14 percent of the time for its younger skaters. Woods residents use it three percent of the time, (for one night a week during the skating season).

With the enclosure of the rink, the percentage of use would change with the hockey association's utilization slightly increasing at the expense of school related activities.

"The school has a responsible Board of Trustees and alumni body. No one wants to do anything that isn't right for the school," stated Mr. Robbins.

Resident Joseph Rollins asked, "What does the tentative proposal do to the existing ordinance?" Building Inspector Earl Wakely said the school is zoned in the Community Facilities District, not residential.

**No Violations**

Pursuing this, City Attorney George Catlin said all Woods schools are zoned in the Community Facilities District which includes permitted uses for schools for facilities such as athletic fields, tennis courts, and baseball diamonds.

"If enclosed, does the proposal violate the present ordinance in the City of Grosse Pointe Woods?" asked Mr. Catlin, who quickly answered the question by saying, "No, it does not." In the Community Facilities District, certain uses are permitted which are associated with school type functions. ULS has such associated types of functions as the school's skating club and the hockey association, he added.

In a nutshell, Mr. Lynch asked the city attorney if there was anything illegal about the proposed use and the answer was "No." He then asked Mr. Wakely if there was anything objectionable about the proposal which violates the ordinance and the answer was "No."

**Discusses Height**

Another resident expressed concern over the 35-foot height limit and asked if that could be lowered. Mr. Rossetti said while the height was 35 feet at the main ridge line, the cave dimensions were 20 feet. As for lowering the main ridge line height, the architect said it wouldn't be practical regarding ventilation and acoustics within the rink.

Mr. Rossetti stated if the height was lowered to 25 or 20 feet, ventilation problems would follow particularly during the months of September-October and February-March. Because of humidity, with a lower height, haze and fog would envelop the ice surface. "The added ridge height would enable the free draft to take the haze away. Yes, physically the height could be lowered but it's not practical," he commented.

A Cook road citizen told the Commission if the rink was enclosed, hours of its usage would thereby increase creating traffic and related safety problems. He felt there would be no benefit to area residents if the rink was enclosed; rather there would be a variety of deterrents, e.g., increased traffic flow, seating for over 200 people, (as originally considered by ULS), plus other ramifications. His statements were met with applause.

**Other Uses**

In reply, Mr. Robbins reiterated the lessening of noise and lighting problems and that school fields are used extensively by neighborhood youngsters and by various teams for baseball and football. The headmaster said he would like consideration

"Resolved, that the City Council and the citizens of the City of Grosse Pointe extend their sincere thanks and grateful appreciation to Jerry Gerich for his outstanding service to the community through the School District, its students and parents."

Councilman George D. Henry said that he would be particularly happy and gratified to second the resolution, "because Jerry Gerich gave me my first job in Battle Creek when I was right out of college."

### Offbeat Circumstances Highlight B-E Arrest

A 16-year-old Harper Woods youth has been charged with the breaking and entering of a business stemming from his alleged involvement in entering an Arco service station, Mack Avenue and Hawthorne road, and removing an estimated 175-pound safe containing \$912.65 in cash, checkbooks, receipts and other items early Wednesday morning, May 29.

In an offbeat chain of circumstances, the youth was arrested, the checkbooks, receipts, et al., recovered at a dump, and the safe, which had been deposited in Lake St. Clair beyond Metropolitan Beach, was dragged by rope to shore. Of the cash taken, police, through the help of a watchful supervisor at North High School, have recovered \$750. And all this occurred on the 29th!

Youth Service Division Detective Donald Schmalz said a petition will be filed with the Wayne County Juvenile Court on the youth, charging him with the break-in.

This chain of events began, of course, with the initial burglary report from James Mundi, who said he found a window of the office grade door shattered. He discovered the safe missing from the service garage area and about \$30 taken from the cash register.

Later that day at North High, the supervisor observed the 16-year-old student who appeared to be hiding something under the fence near the school's drive. She was curious as to what

the youth was doing and pursued it, said Sergeant Thomas Kane. Her "pursuit" paid off. Upon approaching the youth, he exhibited his wallet to her and left the scene. At this point, the supervisor took a stick, searched around the area and found the \$780, which she immediately turned in to Principal G. Bruce Feighner.

Sergeant Kane talked with the juvenile, a former employee at the station, and he admitted his involvement in the burglary under questioning. The youth rifled the safe and disposed of the contents before dumping it into the lake.

Detective Schmalz revealed the youth hid the checkbooks and receipts at a park in Harper Woods. The officer immediately went to the park but discovered the clean-up crew had completed their tasks and were taking all refuse to the dump. But, luckily, the detective arrived in time to recover the material before disposal. Then, he went to recover the safe from four-feet of water. And that concluded a swiftly disposed of case for the detective and the sergeant.

### JC's Play Role in Net Tourney

The Grosse Pointe Jaycees once again this year have joined forces with the South-eastern Michigan Tennis Association in conducting the Association's District Qualifying Tournament Saturday-Sunday, June 15-16.

Because of the tremendous response to the tournament over the past couple of years, several sites have been chosen to conduct this year's event, reports Kirk Leighton of the Jaycees, division director for youths 12 and under.

Boys and girls 12 years and under will play at Stoepe Park, Detroit, beginning Friday, June 14. Boys and girls 14 and under will be at the University of Michigan's varsity courts.

Meanwhile, boys and girls 14 and under will play at Andover High School, Bloomfield Hills, while youngsters 12 and under must report to South High School on the 15th at 9 a.m.

The top eight boys and girls in each age division will qualify for the Western Closed Championships in Indianapolis, Ind., later this summer.

Applications are available at Grays Sport Shop, 106 Kercheval Avenue, The

Neighborhood Club, 17150 Waterloo Avenue, or The Tennis Shop, on Mack Avenue. Entries close on Tuesday, June 11, and only mail entries will be accepted.

### Vandals Spray Houses, Cars

Seven residents, five in Wedgewood road and two in North Maple lane, reported to Woods police Sunday morning, June 2, that someone had sprayed gold paint on their homes and/or cars during the night.

Officer Theodore Hinz received the reports from the seven families.

At one North Maple lane home, the resident's vehicle, which was parked in his driveway, received gold paint on the window, vinyl top and on the trunk lid, (the latter an obscenity). A family room window was sprayed, too.

Besides the paint, the culprit also used what appeared to be Christmas snow spray decoration. A family member said he heard a soler bike in the area around 11:15 p.m. on June 1.

The other North Maple lane citizen told the officer gold paint was sprayed on a garage window and a large storm window of his home. And in this incident, a soler bike was heard between 11 and 11:30 p.m.

At one Wedgewood residence, a window and hood of an auto were the recipients of gold paint and the "snow." This citizen said he heard youngsters in the area around 11:30 p.m.

Another resident said his plastic grill cover and gas lamp were sprayed with the paint, while green canvas draw curtains around the outside of the back porch also were sprayed with paint and the "snow." An obscen-

ity was on the canvas. Besides that, a garage window was sprayed.

Yet another Wedgewood citizen, who also heard a soler bike in the area around 11:30 p.m., told the officer gold paint and "snow" were sprayed on his garage window.

At still another residence, paint and "snow" were sprayed on a grade door leading to the garage with the date "6-1" and an obscenity.

Finally, the auto of another Wedgewood citizen had an obscenity sprayed on the rear window. Other windows also were sprayed with gold paint and "snow." This resident said he heard soler bikes in the area around 10 p.m.

### Dr. Anderson Sinks Drive

Dr. W. L. Anderson, of River road, is eligible to win a free trip to Scotland and \$1,000 as a result of scoring a hole-in-one at the Gowanle Golf Club.

His ace qualified him for the annual Rusty Nail Hole-In-One Sweepstakes, a national competition sponsored by the Drambuie Company of Edinburgh, Scotland.

The winner will be announced early next year.

## Double Tragedy in Park

(Continued from Page 1)  
gation. Except for a few  
minor scratches and burns,  
no one was hurt while bat-  
tling the flames, he added.

Besides the damage caused  
by the flames, there was con-  
siderable smoke and heat  
damage throughout the resi-  
dence. There was heavy  
water damage to the base-  
ment of the house, which con-  
tained two bowling lanes and  
a swimming pool.

"The fire was extinguished  
in good order, thanks to the  
assistance of the firefighters  
of The City and Farms," the  
chief said. "It took the per-  
sonnel of my department,  
and those from The City and  
The Farms, did an extremely  
good job in putting out the  
fire, considering the start

it had by the time we ar-  
rived."  
"I wish to express my ap-  
preciation to the City and  
Farms Departments for their  
prompt response in coming  
to our aid. Without their help  
damage to the house would  
have been greater than es-  
timated."

The chief said that the  
house was boarded up and  
padlocked by the firefighters  
and all had returned to their  
respective stations by 5:46  
a.m.

On Friday, May 31, Park  
authorities received word  
that Mrs. Jefferies had  
drowned and her body had  
been recovered from the  
Ohio River, at St. Mary, O.  
Lt. Duncan said that the  
woman was apparently on  
her way to visit relatives in  
Indiana and had stopped at  
a park in St. Mary. Details  
were not clear on whether  
she was enroute to Indiana  
prior to moving to her new  
home, which was said to have  
been purchased in Maryland.

## Arrest Youth on CCW Charge

A 17-year-old Woods youth  
was arrested and charged,  
based upon a warrant from  
the Wayne County Prosecu-  
tor's Office, with carrying a  
concealed weapon, i.e., two  
knives, by Shores police on  
Thursday, May 30.

Timothy John Schohl was  
arrested in The Shores Mu-  
nicipal Court before Judge J.  
Patrick Denis that same day  
and was released on a \$1,000  
personal recognizance bond  
pending his examination,  
which is scheduled for  
Wednesday, June 5.

Schohl was apprehended  
after Woods police notified  
Shores officers that he was  
walking along Lakeshore  
road around 5 a.m. and  
should be checked out due  
to the early hour.

So, Shores Officer Gary  
Mitchell went to the scene  
and spotted the youth, who  
approached the scout car. As  
he came towards the auto,  
the officer spotted the blade  
of a knife sticking out of his  
jacket pocket. About six to  
seven inches of the blade  
was in sight.

After removing the knife,  
Officer Mitchell discovered  
another knife in the youth's  
pants. Both were stainless  
steel kitchen knives around  
12 1/2 inches long with eight  
inch blades.

He was then transported  
to the station, told his Con-  
stitutional rights and was  
asked where the knives came  
from and why he had them.  
He told police he didn't  
know how they got there,  
according to the report.

## Net Champs

(Continued from Page 1)  
Catholic champs, Austin won  
the Honor and Glory Invita-  
tional Tennis Tournament at  
Trenton, Mich., and are "A"  
regional champions.

They boast a Catholic  
League streak of 40 straight  
wins dating back to a match  
against Bishop Borgess on  
April 21, 1972. Austin's total  
points, won and lost, during  
this period is a remarkable  
24 1/2 to 14 1/2.

"Best Team"  
Prominent members who  
have been swinging a  
"mean" racket include  
Schatzberg and McNulty,  
both seniors, and Thomas,  
a sophomore. This year, Thom-  
as was the "A" winner in  
conference and regional sin-  
gles play.

Under net coach Robert  
Wood, ULS athletic director,  
the Knights compiled a  
strong 26-2 record, (both  
losses were to Cranbrook).

"This is the best tennis  
team that we've ever had,"  
said Mr. Wood, who stressed  
his club's "outstanding  
depth" this season. The  
Knights recently captured the  
"C-D" regionals for the  
eighth time in the last nine  
years by taking Country Day,  
20-16.

At the regionals, they  
qualified Debyrn and Peter  
Logan in singles and Dahling  
and Baubie in doubles for the  
State finals.

### Gracie Oliver Star of Show

When Gracie Oliver, a South High senior, went to Parcels Auditorium on Tuesday night, June 4, to participate in her school vocal department's annual Spring Sing, she was unexpectedly

called on to give a non-musical, solo performance. At the tail end of the concert she was presented with a surprise gift of a brand new car. Gracie, a crippled dwarf, has owned one other car, a 1965 Rambler convertible given her last fall by her mother, Mrs. Nell T. Oliver. The Rambler has served her well, but with a full-time summer job at Hudson's Eastland in the offing, it occurred to Louise TeWalt, of Lincoln road, that the vivacious and surprisingly active Gracie could use something a little more durable to convey her back and forth.

Although she spearheaded the drive to acquire a new car for Gracie, Mrs. TeWalt would be first to admit she did not do the job single-handedly.

For one thing, she was able to get a "deal" on the new, four-door Chrysler-Valet, from Jim Ferry at Chrysler Sachman-Plymouth. Mr. Ferry is handicapped himself.

Other organizations that contributed to the cost of Gracie's car are the Soroptimist Club, the Optimist Club, the Opti-Mrs. Club, the Kiwanis Club, the Rotary Club, the Health Education Council of Grosse Pointe, the Detroit Industrial School, (also known as the Neighborhood House Settlement) and the Dads' and Mothers' Clubs of South High.

The faculty and staff of South High also donated, as did a number of residents and interested people. One non-resident from Dearborn, Mr. Robert Tolonen, was a generous contributor, according to Mrs. TeWalt.

Obviously, Gracie's coped more than admirably with her handicap. She's a member of the National Honor Society, the choir, the Future Teachers of America and the Girl Scouts. She's active in sports and mans the school switchboard, too. Nevertheless, the timely gift of wheels is bound to make her life a little easier. That's something anyone could appreciate.

### Farms Officer Has Big Heart

To paraphrase a television ad, "Put your money where your heart is," and that is what a Farms policeman did recently, when he found a Harper Woods woman looking dejected because she had forgotten her purse at home and had no money to return to her house to get it. She wanted to do some Mothers' Day shopping.

Patrolman John Kraiza is the officer with the big heart. As he was cruising along Mack avenue, he came upon the woman, Mrs. J. E. Soliaslay of 21112 Lochmoor boulevard, Harper Woods, when he noticed she had a downhearted look. Mrs. Soliaslay looked so forlorn, the officer just had to stop to question her. She told him she had been dropped off on Mack avenue and was about to shop for some flowers.

The woman told the policeman that as she left home, she grabbed an empty purse, leaving the one containing her money on a dresser bureau in her bedroom. She had no way of returning home to get the purse she said.

Kraiza reached into his pocket and pulled out a dollar in change and told her to use the money to take a bus back home. Furthermore, the patrolman added, she need not return the dollar. Instead, she could drop it in the collection plate the next time she went to church.

Chief Robert Ferber lauded Patrolman Kraiza, and presented him with a letter from Mrs. Soliaslay. A copy of the letter is now a permanent part of the officer's personal record, the chief said.

Her letter to Kraiza read: "Thank you so very much for loaning me the dollars. Saved me a trip back. Left my purse with money on the dresser and just took the empty one. Thank you again. "Every time I think of you I'll say a prayer and hope that you fare well. You're a good officer."

As far as the dollar was concerned, the woman not only repaid the loan, she also added a dollar to her usual donation in the collection basket at her church.

### Speeding Traps Wanted Driver

William Howard Pugh, 30, of 9416 Traverse, Detroit, was arrested by a Farms policeman on Friday, May 31, for speeding. The motorist could not produce an operator's license and was taken to the Farms station.

Cpl. Otto Glanert said that he was cruising west on Lakeshore road, when he observed a car through his rear view mirror, approaching at a high rate of speed and with its bright lights on. Glanert said he paced the car at 60 miles an hour.

The corporal said that he pulled the driver, Pugh, over to the curb at the Provençal road intersection. When Pugh was unable to produce a license, the officer radioed a request for any possible information on Pugh, via the Law Enforcement Information Network (LEIN). The message was relayed to the Secretary of State's Office in Lansing and the return information disclosed the motorist was wanted on two traffic warrants by Detroit authorities.

Pugh was taken to the sta-

tion where he was given a violation ticket for speeding. He was released to Detroit police officers who arrived at the Farms station to take him into custody.

## School Board Election

(Continued from Page 1)  
of Babe Ruth League, on the Elworthy Field Improvement Committee, a Little League football and baseball coach; a chairperson for Defer Millage Committee, and a member of the Defer and Pierce P.T.O.

**14 Years Experience**  
Mrs. Melican, of Prestwick road, has 14 years of professional experience as a clinical social worker. She has counseled parents and children in regard to physical, emotional and academic problems and has worked in close co-operation with physicians and school personnel. She has a B.A. and a M.A. from the University of Michigan after attending Michigan elementary and high schools. As for community activities, she is a member of the Montclair PTA, the North High Parents Club, a member of the Middle School Study Committee, member of the Communications Committee, Parent Booster of the G.P. Hockey Association, Little League and Babe Ruth League. She is married and has three sons, two at North High and one at Montclair.

**Thinking of Girls**  
The first question shot their way concerned the disparity between the boys' athletic programs and the girls'. Mrs. Melican said that she felt the girls had been "short changed" in the past, and that she would work to see the girls' programs improved. Mr. Bruce cited his record of improving girls' sports through the Neighborhood Club and mentioned the establishment of girls' softball, basketball and gymnastic programs.

In regard to school funding, both candidates emphasized the need for continued local control of the schools. They also expressed their view that Grosse Pointe does not get its fair share of state funding and that steps should be taken, if possible, to increase the state supplement.

One person asked if they felt the responsibility of a trustee was to be responsive to the sentiments of the community or to provide independent leadership. Mrs. Melican said, in continuing her emphasis on communication, that a School Board member has to remain responsive to the community, but that a trustee is also called upon to take a leadership position.

Mr. Bruce said, "I hope that the two are not mutually exclusive. Many times a School Board member will have more information than the community on which he bases his decision, but I do feel that the Board should communicate this information to the community."

**Questioned on Sex**  
It was on the question of "sexism, racism and elitism" within the school system which provoked the strongest answer from Mrs. Melican. When asked its presence in the system, the candi-

date said, "All you have to do is look at the Grosse Pointe School System's administrative structure. How many top administrators or principals do you see who are women? I can't believe that we haven't had capable women who could have filled those positions."

Mr. Bruce, who had served on a textbook evaluation committee, admitted that he was "amazed" how much sexism was in the textbooks. He said that the school system should choose the "best person for the job."

**Different Opinion**  
On one point the candidates differed: that of the teachers not being given their salary step increments last fall before a new contract was settled. Mrs. Melican felt that the teachers should have been given the increments according to the old contract's schedule, while Mr. Bruce felt that the Board was right in withholding the increments and paying them retroactively when the new contract was signed.

Despite their emphasis on communication, both candidates felt that the School Board was correct in not stating publicly the reasons for not renewing Superintendent Theos I. Anderson's contract. Mr. Bruce did add, however, that he thought Dr. Anderson had "performed admirably" during a very difficult time for the schools.

**Both Against Busing**  
In regard to cross district busing and mandatory sex education, both candidates reflect the prevailing attitudes of the community. Mr. Bruce said that studies have shown the negative results of busing outweigh the positive aspects, and Mrs. Melican cited the "very disruptive" effect busing would have on the community. Neither candidate was in favor of compulsory sex education.

Both candidates applauded the middle school concept but did not feel that its full implementation was necessary to give an early teen student a quality education. They found it practical for some of the middle schools to stay on the two-year program.

**Avoid Costs Talk**  
With the exception of the state aid question, neither candidate addressed the question of keeping down school costs. Their emphasis on "quality" education echoes the last millage election campaign. They are encouraging strong extra-curricular and sports programs and the proposed alternative education program.

Both have done their homework as evidenced at the Monday night meeting when they fielded very specific questions about the school system. Both Mr. Bruce and Mrs. Melican present strong records of school-related experience and community involvement.

Voters will get a last chance to interview the candidates at a forum tonight, Thursday, June 6, at 8 p.m. in the music room of Parcels Middle School.

## Man Surrenders to Local Police

A 38-year-old Allen Park man, accompanied by his minister, turned himself in to Woods and Shores police last week after being charged with indecent exposure in each community under local ordinances.

The suspect was released after posting a \$50 bond in each municipality and will appear in The Woods Municipal Court Wednesday, June 5, and in The Shores Municipal Court Wednesday, June 26.

Woods Detective Donald Sun said, through the department's investigation, they discovered the man's identity, and Detective Everett Plumb talked with his mother and minister. The minister then urged the suspect to turn himself in.

The man is charged with exposing himself to a 16-year-old girl in The Woods on Tuesday, May 14, and to a 19-year-old girl in The Shores on Saturday, May 18. Both complainants have identified the suspect via photographs. Allen Park police aided both local departments in their search for the man.

## Attorney Accused of Sex Offenses Gives Self Up

Samuel T. Antonelli, 30, of 15615 Windmill Pointe drive, sought since April 10 on two warrants charging him with sex crimes against two young sisters, surrendered voluntarily to Park authorities Monday morning, June 3. Later in the day, he was arraigned before Judge Municipal Judge Robert Pytell in the Park Municipal court.

Judge Pytell set Antonelli's bond at \$25,000 on each count and ordered him detained in the local cell block. The judge set examination for Thursday, June 13.

Antonelli is accused of committing sodomy on the

person of a 14-year-old retarded girl, and assault with intent to commit sodomy against her; and in regard to the girl's sister, who is 11 years old, he is accused of gross indecency and taking indecent liberties with a minor child.

At the time the warrants were signed by Park Municipal Judge John Urso for his arrest, Antonelli is believed to have fled the area with the 16-year-old sister of the two girls. It was she, police said, who introduced the lawyer to her sisters.

The three sisters are Park residents, and the oldest was a baby-sitter for Antonelli,

according to Det. Sgt. Joseph Augustine of the Wayne County Organized Crime Task Force, who is credited with uncovering the matter.

According to Sgt. Augustine, who gave the information to Park police, Antonelli is alleged to have committed the sexual offenses against the 11-year-old about February 20; and his alleged act of sodomy against the 14-year-old, sometime in March.

The attorney is the former owner of Antonelli Realty and Appraisal company, 11101 East Jefferson, Detroit, which was suspended from doing business with the U.S. Department of Housing and Urban Renewal (HUD) because of alleged improprieties.

In February, 1973, Antonelli was convicted on arson charges in the burning of three vacant inner city homes, and was sentenced to serve 2 1/2 to 10 years in

prison. He is appealing the conviction.

Testimony at his arson trial showed that he had purchased the dwelling five months prior to his arrest for a total of \$10,000, and that he had them insured for \$34,000 at the time of the fire.

In November, 1973, he was suspended from law practice pending the outcome of his appeal on the arson conviction.

## Children Tour Fire Station

It wasn't exactly quiet enough to hear a pin drop, but students from the Grosse Pointe Pre-Kindergarten were attentive nonetheless as City Fire Lieutenant Tim Champagne explained and demonstrated fire engine equipment for their benefit on Monday, June 3.

About 30 youngsters, ages three to five, and five adult supervisors trooped across the street from the Grosse Pointe Unitarian Church where they usually meet, to the City Fire Station in Mawmee avenue. There they were met by Lieutenant Champagne, Sergeant Bill Taylor and Fireman John Onstwedder.

After treating the kids to a look at some of the hoses and special tools packed into a fire engine, the Lieutenant and Sergeant showed them the oxygen equipment used during emergency runs. John Onstwedder demonstrated the use of a Scott Air Pak, an oxygen container firefighters wear in order to

breathe inside a burning or smoking building.

Still obviously enraptured with the inside view they were getting, the kids were then conducted upstairs on a brief tour of the firemen's quarters. Downstairs again, they witnessed a simulated fire alarm highlighted by Sergeant Taylor and Fireman Onstwedder sliding down the poles to meet the group at ground level.

The half-hour tour concluded with some friendly advice proffered by Lieutenant Champagne: "You should tell your parents you want to sleep with your bedroom door closed." When asked why, he explained fires had less chance of spreading that way. "And," the Lieutenant continued, "the best way you can prevent fires is not to play with matches. So many fires are started by children fooling around with matches."

Seemingly the wiser, the children were given a rousing sendoff with a wailing siren and a fire department escort back across the street.

## Second Welch Becomes Eagle

St. Paul's Boy Scout Troop 61 held a Court of Honor Thursday, May 16, in which the highest award in Scouting was given.

Neil J. Welch, Jr., who has served as patrol leader and senior patrol leader, was awarded the Eagle Scout rank after four years with the troop.

Neil J. Welch, Sr., also is an Eagle Scout and former senior patrol leader.

After William Hurley, guest speaker and troop committeeman, spoke on the significance of the Eagle award, various merit badges and skill awards were awarded to the following Scouts: Larry Laferte, Larry Bartoszewicz, Tom Temrowski, Jim Hogan, John Hogan, John Wagner, Brian Welch and Bob Reinhart.

## Woods Approves New Pool Complex, Tennis Courts

(Continued from Page 1)

Nine items comprise this estimate including a new swimming pool, (aluminum or gunite), \$675,000; asphalt paving, \$175,000; concrete deck area, \$7,000 square feet, \$87,000; lighting, \$19,200; fencing \$5,600; new bath house, 11,000 square feet, \$495,000; alterations of the activity center, \$30,000; filling in and landscaping the existing pool, \$41,500, and eight tennis courts, \$92,000.

Other estimated costs include engineering and architectural fees, (6.4 percent), \$103,700; inspection, legal and administrative fees, (3.8 percent), \$58,300, and construction contingency (12 percent), \$194,500.

A further breakdown of cost estimates, and what this means to Woods taxpayers if the electorate approves the bond proposal, shows that the annual cost, (eight percent interest over a 25-year period on the bonds), will be \$186,000.

The millage requirements for the pool and the tennis courts, based upon the average home in the city having an estimated State equalized valuation of \$20,000, (or a true market value of \$40,000), shows the pool at 1.2483 mills, with the average annual cost per taxpayer, \$24.97, and for the tennis courts, .0554 mills, with the average annual cost being \$1.19.

As for the eight percent figure regarding the bonds, one citizen felt it was too high and should be around 4 1/2 percent. But both Mr. Petersen and E. D. Grady of the Citizens' Recreation Committee said a high figure was selected deliberately to give residents a "true picture."

"In all probability the figure will not go over eight percent and it will probably be less," said Mr. Petersen, who added if this was the

case, the tax levy required to support the program would be less.

Mayor Benjamin W. Pinkos looked at the matter this way: "If we used a six percent figure and sold the bonds for eight percent, we would have to come back to the people and explain." He added bids will be taken on all construction, bonds, et al, and the lowest bidder will be selected.

The hearing was held in Parcels main auditorium, which holds around 900 persons, in order to accommodate what could have been a large audience. But this wasn't the case. It looked, in fact, for a fleeting moment that just as many people would be on stage, (17 persons including the council, recreation committee members, etc.), as in the audience. However, as the session progressed, citizens trickled into the auditorium.

In his opening remarks, Mayor Pinkos interpreted this small turnout to the fact that most residents apparently felt that what the council was doing was correct.

Mr. Pate reviewed the history of the "old" pool and the assortment of problems which have plagued it, e.g., extensive repair work on the bottom, high water levels and ensuing pressure created and pool hydraulics not being able to withstand big water loads. He said the pool is at a "status quo" stage now and is in service.

Then, two letters from the Macomb County Department of Health were read by Mr. Petersen. These cited a variety of pool deficiencies and the failure of the pool to meet numerous requirements as stipulated by law. In short, health officials recommended complete renovation or replacement.

After Mayor Pinkos discussed the formation of the Recreation Committee and its function, i.e., to provide input to the council on all recreation related matters, Mr. Grady revealed the highlights of the program which focused principally on the main swimming pool, diving and wading pools, a new bath house, new parking and the tennis courts.

He noted the city could operate the "old" pool this summer and perhaps next summer but that it was a chance type situation. Mr. Grady explained the committee studied all material and recommendations supplied by Mr. Pate, the Department of Natural Resources, the Health Department, the council, the city administration, Parks and Recreation Director Donald J. Hallmann and various pool manufacturers.

From the study, he revealed it wouldn't be a "practical solution to the problem" to renovate the "old" pool and that its existing site was questioned. The committee also wanted to maintain a new pool in line with the existing facility.

In relation to this, the usable water surface in the present pool is 34,500 square feet, while the total of the proposed new pool complex reaches 34,378 square feet, (main pool, 29,828 square feet, diving pool, 1,750 square feet, and wading pool, 2,800 square feet).

The new pool complex is planned to be built near the park's current entrance off Jefferson avenue. In considering the location, Mr. Grady said the committee examined ease of access, ease of parking and the overall pool layout, among other

areas. "We also can close down half the pool if necessary during lesser usage periods," he added.

At its deepest point, the main pool reaches five feet. Extending towards the center of the pool is a 100-foot ramp which Mr. Hallman said will be used by guards who then could cover the entire pool area. Meanwhile, the deepest points of the diving and wading pools are 12 feet and 15 inches, respectively.

Mr. Grady stressed the committee hoped the plan took into consideration everyone who utilizes the park and not just the swimmers alone. "The long term needs of the community were considered in the plan," he stated.

The urgency of getting started on the pool was strongly emphasized by Mr. Grady, not only to have a new complex hopefully by next year, but also to escape, as much as possible, inflation's effect on the program. Each day of delay would cost the city \$550, he said.

Other highlights of the program include a picnic and general use area where the "old" pool is currently located; the renovation of the existing bath house for principal use by senior citizens, (including a large patio area and gardens), and parking for 220-225 vehicles in the new pool area. A fishing facility isn't in the first renovation phase but is planned for the future.

As for a fishing facility, one citizen felt it would be a good idea, not only from a recreational standpoint, but also to keep youngsters busy and out of trouble.

Mr. Petersen told the audience the city is in the process of preparing an application to the Corps of Engineers for a fishing pier at the park. Mayor Pinkos stressed the council is in favor of a fishing pier and "we will try to do something about it as soon as possible."

City Attorney George Catlin reported three clearances would be necessary to construct such a pier. One would be from the Corps of Engineers, and the others from St. Clair Shores and the Department of Natural Resources via submerged land act requirements.

## Theater Doing 'Music Man'

Meredith Willson's classic musical comedy of early Twentieth Century Americana, "The Music Man", is currently being performed at Fries Auditorium by Grosse Pointe Theater.

The story of Harold Hill, traveling peddler of musical instruments and anything else that sells, was one of the longest running musicals in the history of the American theater. It is the seventeenth in a long line of successful musical comedies presented by the group, and will run nightly (except Monday) through June 15.

The role of con-man Harold Hill is filled by Jack Donachie of Beaconsfield Avenue, with Ruth Ellen Mayhall as "Marian the Librarian". Mrs. Joseph Shaheen of Yorkshire Road is Marian's roguish Irish mother; she also serves as choral director for the production. Mrs. Lawrence Marco of Fairford Road is the hilarious Eulalie MacKeckie Shinn, and Al Bertel of Warner Road is the villain of the piece, Charlie Cowell.

The beautiful harmonies of "Sincere", "Goodnight Ladies", and "Lida Rose" are performed by a Barbershop Quartet composed of John Diebel of Loraine Road, Bill Dennes of Fisher Road, Donald Bliss of Ridgemont Road, and Jack Moldovan of Buckingham Road. Mrs. Diebel, Mrs. Bliss, Mrs. Richard Roney and Elizabeth Elias are Eulalie's vanguard, the "Pickalittle Ladies".

Other Pointers in featured roles are Maureen McCabe of Whittier Road, Susan Shepard of South Renaud Road, and Catherine Maher, daughter of Mr. and Mrs. Walter Maher of Whittier Road, and Lisa Marie Marco, daughter of Mr. and Mrs. Ralph Marco of Lochmoor Boulevard, alternating in the role of Amaryllis.

## St. Clare Sets Summer School

Music classes in strings, winds, brass and guitar will be offered at St. Clare School in a session that will run from Monday, June 24, through Wednesday, July 31. Tuition is \$50 per student.

The music classes will meet four times a week for one hour in the morning. Class time will be arranged as enrollment is completed. Instruments may be rented for the length of the session. Any student who has completed second grade by June is eligible.

Beginning and intermediate guitar lessons will be held five times a week. Each student must provide his own guitar. The beginner session will be from 8:30 to 9:30 a.m.; the intermediate session, from 9:45 to 10:45 a.m.

A limited amount of tutoring in reading or math for primary students may be arranged. The fee will be \$3 per half hour and persons may call 886-1440 for further information during school hours.

## SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five homes simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0007, direct.

## North Boosters Review Year

The Grosse Pointe North Athletic Booster Club will hold its annual meeting at 8 p.m. Monday, June 10, in Room A-111 at North High. Outgoing president Robert E. Reese will preside at the meeting, which includes election of nine directors.

The Booster Club is dedicated to furthering the interscholastic athletic programs at North through supplementing funds available through the school system. This includes the work of volunteers in various programs and the funding of many items of equipment, uniforms, travel and services.

"Thanks to an outstanding partnership with the administration, and the work of our volunteers, we've had an outstanding year of progress in both boys and girls athletic activities at North," said Mr. Reese.

"North's program moved from five varsity boys sports and no girls sports a year ago to eight boys sports and five girls activities this year," he said. "Next year it appears that there will probably be nine boys and eight girls activities, including cheer leaders and Timettes."

At a time when girls interscholastic sports are on the increase everywhere, North has been one of the leaders in new programming. By next fall, with the anticipated addition of girls varsity tennis, the school's girls program will be as extensive as any Class A program in Michigan.

"Despite the increase in programs, involving participation by increasing numbers of boys and girls, there has been no increase in the use of public funds for operating expenses," Mr. Reese stated. "Some 90 percent of the cost of operations is funded by Booster Club monies and admission."

The two major sources of revenue in the past year were the Coaches Club and

the Swim for Sports. More than 80 North parents subscribed \$100 to become Coaches Club members, identified by the familiar green jackets or the blankets which denote Coaches Club sponsors. This is up from 42 subscribers last year. The goal for 1974-75 is 100 members.

There is no membership charge for the Booster Club itself, and any resident of the North School district, with or without children in the school, is invited to the annual meeting on Monday evening.

## Burglar Pays Hospital Visit

On Friday, May 31, City police received a complaint from Philip Brusoe, director of security at Bon Secours Hospital, that between 4:30 p.m. on Thursday, May 30, and 8 a.m. on Friday, May 31, someone illegally entered the hospital's construction site. Mr. Brusoe reported some damage was done and several items were missing.

In the basement paint room, the thief or thieves broke a combination lock on a storage room and a key lock on a tool bin. A pair of painter's work shoes were taken but they turned up

later at a different location. Nothing was taken from the basement elevator room, according to the police report of the incident, but a lock there was broken.

On the first floor, the key lock on a tool bin was broken and four three-inch Black and Decker drills and 150 rounds of various cartridge were taken.

The lock on the first floor door was also broken and a \$50 AM-FM radio was stolen. Also missing were two pairs of tin snips and two 10-inch screwdrivers.

# Beautiful Landscaping Extends a Welcome...

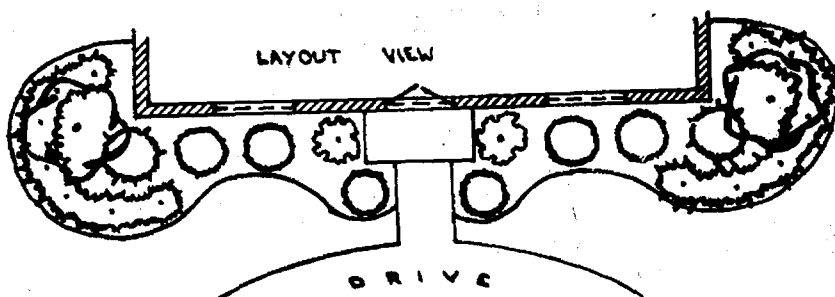

### Entrances should say Welcome...

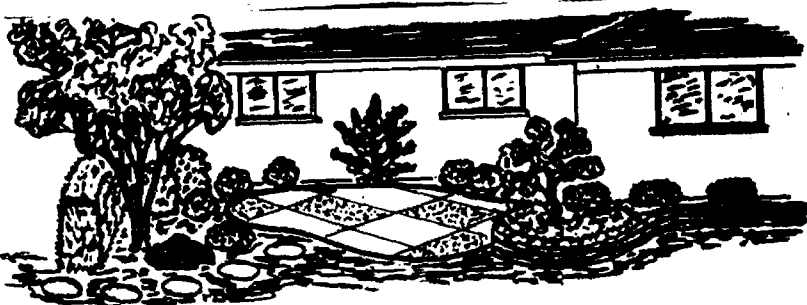

Beautiful landscaping extends a welcome, warm as a hearty handshake; well maintained lawns and plantings being the early messengers of your hospitality. Trees, flowers and shrubs are friendly companions to driveways and walks, creating a lovely setting for your home. Large upright plants soften corners and blank walls, while smaller shrubs blend with windows and porches, leading the eye to the entrance. At the entrance, plants with the greenest and boldest foliage will create a center of interest that says "welcome" to your visitors.

### The front of your yard is shared with neighbors...

Just as you put your "best foot forward" when meeting people, the front yard is both an expression of your individuality and your feelings toward your neighborhood in which you live. Your front yard is only one of the many in your community which tells the world what kind of people live in your house.

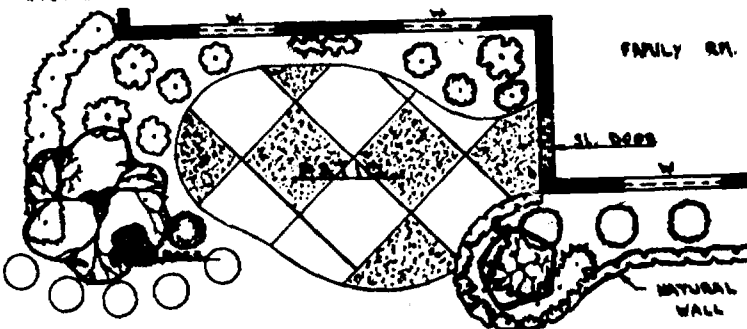

Why not make the back yard really *livable* with a new landscape design — a patio, railroad ties, a natural stone wall. Remove the old weedy lawn and replace with fresh luxurious deep green Merion Blue sod. Make your home look twenty years younger. Remove the old overgrown shrubbery that dates your house. Modern new landscaping will do a face-lifting job that will do wonders for it.

A man's home is still his castle. It has become a family refuge from a busy and changing world. As one of your greatest investments, your home and property should be used to its fullest extent. Family togetherness need not, and should not, stop at the house walls. The private areas of your property should reflect the needs of your family by providing a relaxing setting for the enjoyment of gardening, hobbies and games, entertaining, cooking and above all privacy. Green shrubs can give warm and friendly screening — shutting away the sights and sounds of busy city streets. Patios, pools, shade trees and shrubs can all be combined in your backyard landscape scheme to give your family a place to truly "get away from it all". Your backyard should be a "family place" to enjoy.

## Have Verbal Clash Over Mack Parking Lot

(Continued from Page 1)

ter from this council since 1970."

He was informed by Mayor Pro Tem James Dingeman and the city attorney, that a registered letter is not required, just a regular letter, asking him to comply with the city's requirements that he maintain the lot in proper condition.

**Criticizes Farms' Job**

Kogan charged that he had constructed the lot, originally, with 12 1/2 inches of concrete and asphalt, and if the solons would inspect other parking lots, or asphalt paved areas, they would find that his is no worse than the others.

He claimed that the city has applied only one-eighth of an inch of asphalt concrete in the public alley between his buildings and the lot. He was assessed the cost of the original cement concrete paving of the alley, when the commercial area was developed, and the city, since then, has been applying only thin asphalt, mixed with stones. And, as the surface covering is worn away, the stones clutter up his lot and this is the main reason why he has the cleaning of the lot done twice a week.

**Proud of Property**

Kogan demanded that the city do something about this resurfacing. He said that he is proud of his property, not only in the Farms, but also at the Oakland Mall and other areas, where lessees do a combined \$125 million dollars worth of business a year. Kogan, who called the may-

or pro tem, the city attorney and City Manager Andrew Bremer, Jr., and the other members of the council by their first names, was respectful, even while uttering his tirade at the solons.

The council said that the parking lot was in sad state and should be corrected. When informed that this condition has been in existence for some time, Kogan denied it.

Kogan claimed that he had intended to repave his lot, but that workers of the companies that supply asphalt, are presently on strike. When the strike ends, he will take care of the matter.

Douglas Moss, who has been an associate of Kogan for more than five years, also had his say regarding the claim of maintaining the lot. He backed Kogan's remarks to the council.

The hearing came to an end when Kogan agreed to appear before the city body again on Monday, July 1, by which time he should have the lot repaved.

If the companies' employees should still be on strike, or should end their strike, say a few days before Kogan makes a re-appearance, the council will understand and grant him more time to comply with the city's directive, according to Mayor Pro Tem Dingeman.

## Woods Reports Two Burglaries

Thieves entered an Allard avenue home, ransacked several rooms and took a variety of articles including a Winchester lever action model 94 carbine, of unknown value, said Woods police.

In the break-in, which was reported Monday, May 27, the citizen told Officer William Desilets the following items were missing: a Polaroid camera, valued at \$75; a Sonar Sentry police radio, \$60; a Kodak 8mm movie camera, \$60, and a ladies white gold Bulova watch, \$60.

Other articles include, a ladies yellow gold Bulova watch, \$80; a gold colored jewelry box with various jewelry and a heart shaped diamond necklace, valued at \$300, and an autumn haze mink stole, \$450.

Entry was gained through the rear door after the culprits cut a screen in the storm door and then smashed a rear door window.

The resident said the house was secure at 8 a.m. Sunday, May 28, when a Marford court citizen told Officer Desilets that someone entered his home and took a Sony cassette recorder, valued at \$170, and then removed various parts from his 10-speed bike chained to the garage wall.

A check was made of the exterior and interior windows and doors but no signs of forced entry were discovered.

"Our Fourth Generation of Florists"

Youth Service Division  
Joined by Patrick Fagan

By Roger A. Waha

Woods Officer Patrick Fagan has been named to the Youth Service Division, (YSD), by Public Safety Director Henry Marchand as part of the rotation plan affecting YSD personnel which became effective on February 1.

Officer Fagan, who joined the department in April, 1969, will start division work Monday, July 1. At that time, YSD Detective John Kendall, who has been with the bureau since it became fully operational in August 1970, will be assigned to the uniform division.

Besides Officer Fagan, who's president of the Grosse Pointe Woods Police Officers Association, (GPWPOA), the YSD as of July 1 will include Detectives Michael Ferrence, Donald Schmaltz and Wayne Baum.

Under the rotation plan, all four division members are school liaison officers with two based in the South High School district and two in the North High district. Officer

Fagan will join Detective Ferrence in the South district, while Detectives Schmaltz and Baum will work in the North district.

Director Marchand said Detective Ferrence is scheduled for rotation July 1, 1975, Detective Schmaltz on July 1, 1976, Detective Baum on July 1, 1977, and Officer Fagan on July 1, 1978.

Meanwhile, the YSD has a new supervisor in the Detective Bureau. He's Sergeant Bernard Kelly, who joined the department in September 1969. The sergeant started his new assignment, which will be for one year, on Monday, June 3. Sergeant Thomas Kane, former division supervisor, has been assigned to the uniform division.

The director also reported that he's combining the department's traffic safety and records officer positions into one position, effective July 1.

Stephen Petrik, a 19-year veteran of the force, who's been traffic safety officer for the past six years, has been selected for the new post.

## Letters to the Editor

To The Editor:

It has taken five days of vigorous gardening to lower my blood pressure and siphon off excess adrenaline after reading the Letter To The Editor of May 30 by one John M. Mahoney of Richmond, Virginia. I can now treat this diatribe in the proper manner, namely, lightly and with compassion, and I recommend that the Jaycees, the young women who participated in the Grosse Pointe Pageant and all the Grosse Pointe people do the same. It is doubtful that this individual is a constant reader of the Grosse Pointe News or our two metropolitan papers or he would realize that a good deal of our time is taken up with philanthropic endeavors for the betterment of our fellowmen. To rectify this we suggest that this person invest in a subscription to The Grosse Pointe News.

Is it possible that John M. Mahoney objects to our approach? What is so wrong with conducting fashion shows, theatrical productions, art shows, teas and balls for sweet charity? Does it irk this character that we

have a little fun while we give, give, give of ourselves and our financial help?

People of all ages in Grosse Pointe lend their assistance where needed and we don't always do it via entertainment. Take the Grosse Pointe Crisis Club's assistance to an ADC mother with a child suffering from sickle cell anemia and the Grosse Pointe Handicap Swim Program, in which our young people devoted part of their Saturday free time to teach mentally and physically handicapped people to gain confidence in their swimming ability as two examples. Women in Grosse Pointe devote many hours to support the Junior League and its LINC program for Detroit, the Junior Goodwill, Christ Child Society, League of Catholic Women, Northeast Child Guidance Center, Women's Association for the Detroit Symphony Orchestra and many more organizations. This hardly sounds like we're passive, dependent, helpless or exploited. We love the life we lead and we do all these things because we want to do them.

One thing we are willing to admit is that we manage to retain our femininity in spite of our commitments at home and in the community and the gentlemen in our lives approve of this wholeheartedly. I wonder, in amusement, what the individual from Richmond, Virginia, thought when he heard that this has been designated National Girl-Watching Week!

The late Edward Piggins, speaking to a group of parents in regard to raising children, said, "They need to be loved the most when they deserve it the least." This wise approach should be applied to people of all ages. One never knows the problems of individuals and the turmoil within their hearts that prompt unkind words or actions. On the other hand, being human, I can't resist mentioning the title of an old song, "She's More To Be Pitied Than Censured," for my instinct tells me that John M. Mahoney is not a man at all but a poor woman who hates being a girl and hates all other little girls, especially pretty ones. Sincerely,

Mrs. Frank W. Hausmann, Jr.

Life bears mostly unhappiness for one with a single income and an expensive taste.

SELLING  
YOUR  
HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five homes simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

## One View from the Capitol

By William Bryant

A sad game was played in the Education Committee of the Michigan House of Representatives last week.

A State school aid bill was considered by the Committee. One which wisely repealed some supposedly "anti-bussing" language.

Knowing the grave dangers of playing around with the insertion into State law of such language and that, even though it has no actual effect, Courts can jump and have jumped on such language as evidence of State de jure segregationist intent, I tried last year to repeal it. I did so after talking with attorneys defending the Roth case. They wanted that language out of the law, fast.

It was Speaker Bill Ryan who blocked repeal last year.

But this year, last week, in the Education Committee, a move was made to keep the language in the law by amending out of the school aid bill the repealing language.

I opposed it, saying not only was its initial passage into law evidence of de jure segregation but this positive act to retain it in the law constitutes new and separate evidence of de jure segregation intent.

In spite of this, because so many legislators are so afraid of being labeled "pro-

bussing" and care only about appearance rather than substance, the move to retain the unconstitutional language succeeded.

As you know, I have opposed the Roth decision, written a lengthy paper on why it is wrong and have tried to keep the legislature from blundering into acts which can give credence to Judge Roth's charge that the State of Michigan is guilty of de jure segregation.

But, sad as it is, many legislators don't care about what they are doing, only about what they appear to be doing. So, the House Education Committee last week appeared to take an "anti-bussing" stand, while in reality, they took a "pro-bussing" stand by creating new evidence of de jure segregation intent.

A sad game to play.

## TOP FUND RAISERS

Fund raising activities at Pierce Middle School netted over \$1,000 for Project Pierce this year. Students sponsored baked goods and bagel sales, a talent show by the drama class, a paper drive and a girls' gymnastics show. The most successful fund raiser was the Pierce Art Auction which was headed by Mr. and Mrs. Michael Marrs.

Show chairmen are Mrs. Monte J. Edelen, for Bonsai, and Mrs. John Veech, Horticulture.

This is a magic wand.

Right before your very eyes, it can change straight hair into a headful of ringlets. Or make corkscrew curls. Or tame too-wavy hair. Or smooth bangs. Or almost anything. In fact, it's so magic (okay, so it's really a curling iron, but that doesn't make it any less magic!), it's almost like owning two different kinds of hair. If you'd like to do something a little different without doing anything radical, see us. We love to practice magic.

## Grunyons Mark 25th Birthday

The Grunyons begin a gala weekend Friday, June 7, at Walden Woods in Hartland in celebration of their 25th anniversary.

The Grunyons, a group of 12 businessmen, were founded in 1949 by Pointe entrepreneur Whiffenpoofs who could not give up their wonderful pastime of singing when they graduated from college. Today many colleges as well as Yale are represented. "Grunyon" is a nonsensical name.

The Grunyons and Gramps, (former Grunyons), will come from as far away as Puerto Rico, California, Texas and Georgia.

A talent show featuring Grunyon children and families is planned, as well as a costume party. Each guest is to dress as a Grunyon song. Swimming, sailing, hiking and hayrides are also on the schedule.

One hundred and 14 Grunyons, wives, children and grandchildren are looking forward to a weekend of renewing old acquaintances, remembering good times — and, of course, SINGING!

People never seem to learn — money won't buy everything.

## SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

## Exhibits At Lochmoor

Guest of honor at a reception at Lochmoor Club Friday, June 7, from 5 to 7 o'clock preceding the Club's Seafood Dinner will be Sister KINUE MATSUZAKI whose watercolors and designs in silver are currently on display at Lochmoor as part of the Club's on-going art program.

Sister Matsuzaki's studio is in the Grosse Pointe Academy. She resides next door, at Saint Paul's Convent. A member of the Society of the Sacred Heart, she studied Sumai Painting under Professor Sasaki Kausugi in Kyoto, in her native Japan, and is a graduate of the Detroit Society of Arts and Crafts.

## Miss Killefer Wed on Cape

Caroline Killefer, daughter of Mr. and Mrs. Tom Killefer, of Provençal road, and John Borland Thayer, V, son of Mr. and Mrs. John B. Thayer, IV, of Exton, Pa., were married in Chatham on Cape Cod Saturday, June 1.

Presiding at the noon ceremony in Saint Christopher's Episcopal Church were The Reverend Carl Carozzi, pastor of Saint Christopher's, and Dr. John C. Harper, rector of Saint John's Church, Lafayette Square, Washington, D. C.

Anne Killefer was maid of honor for her sister. Edward Dale Thayer acted as his brother's best man.

The bride, an alumna of the Foxcroft School, Middleburg, Va., and Pine Manor Junior College, also studied at New York University in Madrid and received her Bachelor of Arts degree in Spanish from the University of Colorado in 1972.

She is a granddaughter of Mrs. Wade Killefer, of Palos Verdes Estates, Calif., and the late Mr. Killefer, and of the late Mr. and Mrs. William J. Clothier, of Valley Forge, Pa.

The bridegroom, graduated in 1965 from Connecticut's South Kent School, served four years in the United States Navy and expects to receive a Bachelor of Arts degree in Journalism from the University of Colorado this August.

He is a grandson of Mrs. John B. Thayer, III, of Haverford, Pa., and the late Mr. Thayer, and of the late Mr. and Mrs. Richard Henry Rush Toland, of Malvern, Pa.

## Miss Oetting Wed To Kenneth Baiko

Lace Appliques Accent Her White Chiffon Gown; She Carries White and Yellow Roses With Stephanotis and Ivy

Jefferson Avenue Presbyterian Church was the setting for the Saturday, May 25, wedding of Patricia Louise Oetting, daughter of Dr. and Mrs. Eduard Manning Oetting, of Whittier road, and Kenneth Lloyd Baiko.

The newlyweds vacationed in Toronto and the bridegroom completes his studies at the home in Ann Arbor while the bridegroom completes his studies at the

## Mrs. Kenneth Baiko

Exchanging marriage vows Saturday, May 25, in Jefferson Avenue Presbyterian Church were PATRICIA LOUISE OETTING, daughter of Dr. and Mrs. Eduard Manning Oetting, of Whittier road, and Mr. Baiko, son of the Nicholas William Baikos, of Parma, O.

University of Michigan Dental School.

For the 4 o'clock rites at which the Reverend Dr. Alan A. Zaun assisted by The Reverend Mr. Saulino presided, the bride chose a white chiffon gown styled with a full Cathedral train and Garbo sleeves.

Venice lace appliques accented her neckline and bodice. Matching lace trimmed her English net undersleeves.

Her mantilla veil, falling from a Camelot cap, was Chapel length and lace-edged. She carried an arrangement of white and yellow roses, stephanotis and ivy.

The afternoon ceremony was followed by a reception at the Detroit Boat Club.

Attending the bride were honor matron Mrs. Robert A. Crumley, Jr., in a long yellow jersey frock with matching shroud, and bridesmaids

Mary Swanteck, of Cleveland, and Mrs. Stephen Wessels, of Ann Arbor, in sleeveless floral print jerseys with matching snoods.

Their flowers were white and yellow spider mums with accents of yellow daisies, purple statice and baby's breath.

The bridegroom, son of Mr. and Mrs. Nicholas William Baiko, of Parma, O., asked Joseph Lock, of Toledo, to act as best man. Groomsmen were Eric Wentz and Arthur Kunath, both of Cincinnati.

William and Thomas Dougherty, of Cleveland, the bridegroom's cousins, ushered.

The bride's mother's long jersey gown was printed in pastel shades of turquoise, green and gold. Her hat, a pillbox of turquoise moline net trimmed with a fall of green roses at the back, was made by her milliner in England during the visit Mrs. Oetting made to her mother just before the wedding.

Mrs. Baiko, the bridegroom's mother, chose a long shirtwaist print of stylized yellow and white daisies re-embroidered on sheer fabric. She pinned yellow daisies to her purse.

The bride's mother pinned white Eucharis lilies to her purse.

Out-of-town guests included Dr. and Mrs. William H. Oetting, Jr., of Phoenix, Ariz. and Miss Gerturde L. Oetting, of Pompano Beach, Fla. Mrs. Cecil F. Turner, of Pinchbeck, England, the bride's maternal grandmother, was at the last minute unable to attend the ceremony.

## Rose Society Meets June 12

The Grosse Pointe Rose Society's June meeting is scheduled for next Wednesday, June 12, at 8 o'clock in the Grosse Pointe Central Library, Kercheval avenue at Fisher road.

It will be preceded by a coffee and dessert hour at 7:30 o'clock, with hospitality co-chairmen Mrs. Paul Marbarak and Mrs. Louis Parent presiding, assisted by hostesses Mrs. Norman Curé and Mrs. Henry Young.

Anyone interested in growing better roses is invited to attend. Speakers will be Mrs. Frank Barrett and Donald Davis, both of Lansing. Mrs. Barrett, one of Michigan's

most noted exhibitors, has won many awards including the 1973 McFarlane Trophy, highest honor given by the American Rose Society for a District Show. She is a Consulting Rosarian and an accredited judge.

Mr. Davis, president of the American Rose Society's Great Lakes District, is also a Consulting Rosarian and an accredited judge. He was selected the District's Outstanding Consulting Rosarian for 1973.

Their topic will be How to Prepare Roses for the Show Table or for the Home.

## Christine Johnson Says Vows June 1

Pointe Home Awaits Mr. and Mrs. William Frank Zoufal Upon Their Return From Vacation in Hawaiian Islands

Mr. and Mrs. Daniel Lee Johnson entertained at a reception in the garden of their Beverly road home following the wedding of their daughter, Christine Anne, and William Frank Zoufal Saturday, June 1.

The Reverend Eugene Locke presided at the 4 o'clock rites in Grosse Pointe Memorial Church.

The newlyweds, vacationing in Hawaii for two weeks, will return to the Pointe to

make their home.

For her afternoon marriage the bride chose a white dotted swiss gown fashioned with an Empire waist, long, full sleeves and a pleated ruffle at the hem. Bands of Alencon and Cluny lace accented her high neckline, bodice, sleeves and ruffle.

A Chapel length silk illusion veil fell from her lace-trimmed dotted swiss picture hat, and she carried a Colonial arrangement of white roses, carnations, stephanotis and Eucharis lilies.

Julie Peck Johnson, who served as her sister's honor maid, and bridesmaids Mrs. John S. Barbour, the bridegroom's sister, Mrs. P. John

The business session will be followed by a talk on Shipping and Cargoes in the Upper Lakes by William P. Martin, Chief United States Customs Inspector, Port Huron.

In Grosse Pointe Memorial Church Saturday afternoon, June 1, CHRISTINE ANNE JOHNSON, daughter of the Daniel Lee Johnsons, of Beverly road, spoke her marriage vows to Mr. Zoufal, son of the Phillip Bettac Zoufals, of Cook road.

cotton frocks, wallpaper-striped in turquoise, white and shocking pink, and wore white straw picture hats banded with shocking pink ribbons.

The bridegroom, son of Mr. and Mrs. Phillip Bettac Zoufal, of Cook road, asked his brother, Robert John Zoufal, to act as best man.

In the usher were Daniel L. Johnson, Jr., brother of the bride, of Berkeley, Calif., E. Michael Kilbourn, of Kalamazoo, Gary A. Colett, Robert J. Petz, Jr., George R. Short, Steven B. Hubbard and Michael T. Cameron.

Mrs. Johnson chose an afternoon dress of apple green Honan silk for her daughter's wedding. She pinned a Eucharis lily corsage to her handbag.

The bridegroom's mother's shirtwaist was fashioned of Paris pink dull-finished satin. She pinned pale pink cymbidium orchids to her matching purse.

Honored guests included the bride's maternal grandmother Mrs. Herman L. Weckler, Mr. and Mrs. Harold L. Weckler, of Sedona, Ariz., Mr. and Mrs. Stephen O. Johnson, of Mentor, O., and H. James Caulkins, of Chatham, N. J.

## Margaretann Reno Married In April

DAC Is Setting for Evening Ceremony and Reception; Michael Forrest Starlings Are at Home in Lafayette Towers

At home in the Lafayette Towers, Detroit, are Mr. and Mrs. Michael Forrest Starling, who vacationed in Hawaii following their wedding Friday evening, April 5, at the Detroit Athletic Club.

The DAC was also setting for the reception following the 6 o'clock rites at which Judge John Urso presided.

The bride, the former Margaretann Wuellner Reno, daughter of Mr. and Mrs. W. Quenby Reno, Jr., of Bedford road, wore a gown of yellow cotton lace appliqued with yellow-centered white daisies.

She carried a loose bouquet of yellow daisy mums, acacia and baby's-breath.

She was attended by her cousin, Ellen T. Booth, of Clearwater, Fla., whose half

ter dress and bolero jacket were fashioned of mauve shades of silk organza. Her bouquet featured violet, purple and hot pink-tinted daisies, with baby's-breath.

The bridegroom, son of the William F. Starlings, of Grosse Ile, asked Raymond H. Dawson, of Ann Arbor, to act as best man.

Mrs. Reno chose a floor length gown of watercolor print blossoms on white chiffon for her daughter's wedding. The bridegroom's mother selected a long gown and matching jacket of pale blue crepe.

## Betrothed

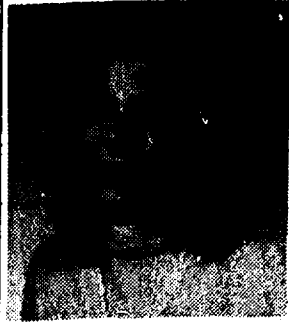

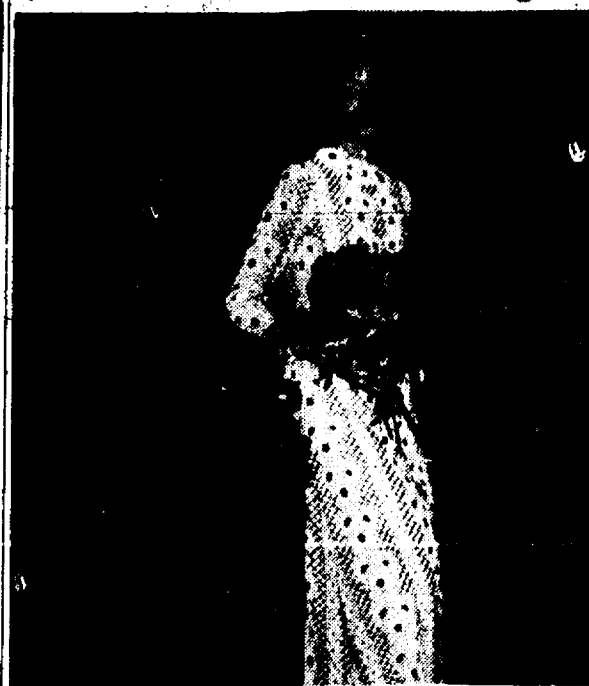

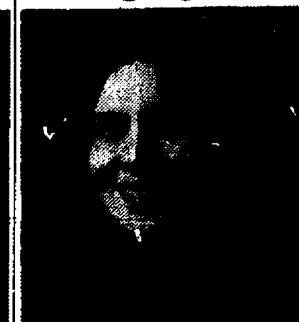

Photo by Eddie McGrath, Jr. Planning to marry at the end of the month at Saint Maron's Cathedral are DENISE MARIE FIKANY and David Paul Long, whose engagement has been announced by her parents Mr. and Mrs. James R. Fikany, of Grayton road. The bride-elect was graduated from Grosse Pointe South High School and is presently working for Kearney Travel Service, Inc. Her fiance, son of Mr. and Mrs. Paul W. Long, of St. Clair, attends Northwood Institute and works for the First National Bank of Midland.

## Mrs. Michael Starling

Wedding vows were spoken at the Detroit Athletic Club Friday evening, April 5, by MARGARETANN WUELLNER RENO, daughter of Mr. and Mrs. W. Quenby Reno, Jr., of Bedford road, and Mr. Starling, son of Mr. and Mrs. William F. Starling, of Grosse Ile.

## Engaged

Dr. and Mrs. Roger Franklin McNeill, of Windmill Pointe drive, are announcing the engagement of their daughter NANCY REYNOLDS to Michael Charles Ziemba, son of Mr. and Mrs. Theodore John Ziemba, of Hastings, Neb.

The bride-elect received her degree in Business Administration from the University of Nebraska, where she affiliated with Kappa Alpha Theta sorority. Her fiance was also graduated from the University of Nebraska with a Business Administration degree. He affiliated with Phi Gamma Delta fraternity.

An October 19 wedding is planned in Lincoln, Neb.

## AOPI Alumnae Plan Installation Supper

## Offer Oral Appraisal of Family Heirlooms

Is it or isn't it? Is that old glass vase from Aunt Dorthea really an antique heirloom or only a sneaky special from the Alpena 5 & 10?

Pointers will have a chance to verify their "questionables" for \$1 as Stalker and Boos make expert appraisals at the University Liggett Antiques Show Thursday through Saturday, June 13, 14 and 15.

Show hours are noon until 10 o'clock Thursday and Friday, noon until 6 p.m. Saturday at the Liggett campus in Briarcliff drive.

This is the first time in

the nine-year history of the Show that appraisal experts have offered this service.

The famed Parke Bernet auction house in New York made available a similar service in March. Thousands of Manhattan suburbanites and city dwellers flocked to Parke Bernet's headquarters during Heirloom Discovery Week.

The committee of the University Liggett Show, which is directed by Russell Carroll, of Salisbury, Conn., and considered by dealers and collectors alike to be one of

the most prestigious in the country, expect a record turn out.

Stalker and Boos will be on hand from 2 until 4 o'clock Thursday through Saturday and from 7 until 9 Friday evening.

"However," says Frank Boos, "no one will be turned away. We'll stay from 2 until closing time if we have to."

Stalker and Boos handled the auctions for the Glancy, Dodge and Gershenson homes and were appraisers for the Robert H. Tannahill, Law-

rence F. Fisher and Dodge estates.

"These will be verbal appraisals," notes David Stalker. "Usually, when you bring a piece into the shop for a written appraisal, it costs \$25. If we come to your home, it's \$100."

James Babcock, formerly of the Burton Historical Collection, also will be on hand to appraise rare books and manuscripts.

The surprises are always the most exciting. One New York woman who had picked up a watercolor outside an East Side tenement found it was a 19th Century painting by Fred S. Cozzens worth \$2,000.

A cocktail-dinner Preview Party will be held Wednesday evening, June 12, preceding the general show opening. Preview Party tickets at \$25 are available by calling the Antiques Show Office, 886-9229.

## Chrysanthemum Society Offers Growing Hints

"It's Time to Start Growing the Mums" will be topic for the season-ending meeting of the Greater Detroit Chrysanthemum Society this Sunday, June 9, at 3 o'clock at the WWJ Auditorium in West LaFayette boulevard, Detroit.

The session, free and open to the public, will feature the Society's various horticulture experts, including Elmore Frank, of Fisher road, answering questions on the proper use of insecticides and fungicides, and Paul Machuga and Bob Greene, who will offer advice on garden supplies.

Information and schedules for the Society's annual Fall Chrysanthemum Show will be available, and Mrs. M. W. Riemer, of Utica, Macomb County Extension 4-H agent, will present a program on Central America's Horticultural Beauty.

## Mr. Campbell Weds in Connecticut

At an 8 o'clock candlelight service Saturday evening, June 1, in the First Congregational Church on the Green, Norwalk, Conn., Frederick William Campbell, III, claimed Kendra Newkirk Smith as his bride.

She is the daughter of Mr. and Mrs. Richard N. Smith, of Rowayton, Conn., who entertained at a reception at the Rowayton Community Center following the rites.

The bridegroom is the son of Mrs. Smith Campbell, of Washington road, and Dr. Frederick W. Campbell, Jr., of St. Albans, Vt.

The newlyweds are vacationing on Bermuda and will make their home in Detroit while the bridegroom, who received his Bachelor of Science degree from Union College, Schenectady, N. Y., continues his studies at Wayne State University Medical School.

The bride, who was graduated from Norwalk Community College with an Associates degree in Inhalation Therapy, wore her mother's wedding gown of candlelight satin fashioned with a lace-trimmed U-neckline and a front panel of matching lace.

A matching Dutch-style satin headpiece held her fingertip veil. Lace outlined her bouquet of white baby carnations, white daisies, bachelor buttons and baby's-breath.

Honor matrons were Mrs. Richard Wilson, of Norwalk, and Mrs. Mark Johnson, of Charleston, W. Va. Bridesmaids were Melissa and Deirdre Smith, sisters of the bride, and Susan Campbell, the bridegroom's sister.

They wore ruffled-outlined delect blue and white long-skirted pinfrees and long-sleeved off-white blouses. They carried arrangements of blue and white daisies, bachelor buttons, baby's-breath, and blue and white ribbons, circled with lace.

Presiding at the service was The Reverend Donald Emig.

The mother of the bride's floor length gown was styled with a green bodice and green and white plaid skirt. The bridegroom's mother selected a floral print in shades of green and white on a navy background.

# Summer Jazz Line-Up Slated

Star-studded Friday night will again highlight Meadow Brook Music Festival this summer as popular and jazz greats reinforce a tradition that every year brings wildly enthusiastic capacity audiences to Meadow Brook.

The popular attractions scheduled this year include Tony Bennett, the George Shearing Quintet, Earl "Fatha" Hines, Count Basie and Barbara McNair.

Also scheduled to appear are Woody Herman, the Benny Goodman Sextet and Al Hirt. There'll be a Nostalgic Night of Glenn Miller Music, a performance by the Dixie Gillespie Quartet and, for a change of pace, the intriguing ballads of Anne Murray.

Tony Bennett, acclaimed by critics, audiences and show business colleagues as "one of the world's greatest entertainers," opens the Friday night series June 28.

His album Tony Bennett Sings His All-Time Hall of Fame Hits was the first in CBS Records' Hall of Fame

Series. Mr. Bennett still holds the box office record at the London Palladium.

Appearing with him will be Woody Herman and his Orchestra.

Woody, a living legend and an important part of today's music scene, was honored last October via Woody Herman Day in Houston. He conducted 6,000 Texas youngsters in "Woodchopper's Ball" at the Astrodome.

Meadow Brook will present the George Shearing Quintet for the first time July 5.

London-born Shearing has created an international reputation for his musical talent. Equally at home on the classical concert stage and the nightclub stand he is recognized for his inventive, orchestrated jazz.

His distinctive quintet will feature guitar, string bass, drums and vibraphone as well as Shearing on piano.

The Benny Goodman Sextet takes center stage July 12.

Goodman, whose clarinet virtuosity has earned him international acclaim as The King of Swing, brought a new dimension to swing back in the 30's in the form of soft, subtle chamber music jazz.

He was first to immortalize jazz at Carnegie Hall.

Al Hirt and his Jazz Group bring the Dixieland Sound to Meadow Brook July 19.

Big, bearded, jovial and exciting, Hirt is a showman to his finger tips, considered by many the greatest exponent of jazz and the finest trumpet man of the generation.

His title is The King. His countless awards include a Grammy, an Artist of the Year, citations from Billboard and four Gold Records.

A Nostalgic Night of Glenn Miller Music which brought over 100,000 people to their feet in applause last year will be reprised this year on July 28.

Ray McKinley, Ray Eberle and Paula Kelly with The Modernaires and their all-star orchestra will perform such favorites as "Pennsylvania 6-6000," "Chattanooga Choo-Choo" and "Moonlight Cocktail."

The lineup for August 2 is triple treat, featuring Earl "Fatha" Hines with his Trio, songstress Marva Jade and the Dixie Gillespie Quartet.

Hines, "father" of modern jazz piano, was the liberating force that set piano on an entirely new course. His innovations have been incorporated in the idiom ever since.

He discovered such talents as Billy Eckstine and Sarah Vaughan and his newest protégé is Marva Jade, who will appear with him at Meadow Brook.

Trumpet virtuoso Dixie Gillespie, a profound influence in American music for more than 30 years, is a

member of the Jazz Hall of Fame. He will appear with his Quartet to climax the evening.

Canadian-born Anne Murray brings her modern ballad sound to Meadow Brook August 9. Anne's current album Love Song is high on the charts. Previous hits include "Snowbird" and "Danny's Song."

1838 PRESTWICK. Three bedroom, bath and a half Colonial located on one of the Woods' finer streets. Built in 1952 and features a family room, gas forced air heat, carpeting, draperies, aluminum storms and screens, finished basement with wet bar. Priced to attract a host of buyers.

WE'RE GOING TO BE HERE Sunday afternoon so come by and see why we believe it's worth our while to spend the afternoon showing the interested public one of the better houses offered for sale in the Farms. At 100 Lothrop, Norm Casube will guide you through this fine colonial with four family bedrooms and a large suite for live-in help, sensibly located off the kitchen. There are fireplaces in the library, living room and family room. A glass walled garden room has access to the beautifully landscaped grounds with its swimming pool focal point. If you want something special to move into, get a move on and see us Sunday.

**APPOINTMENT PLEASE**

THIS ONE OF A KIND house has great personality both inside and out. Large and rambling with a "flow" that lends itself for entertaining. Great backyard laid out with children in mind. This house has just become even more attractive with its new price of \$59,500.

ONE YOU WOULD HAVE MISSED if you were driving around looking for something new on the market. This enchanting English mini-mansion has five bedrooms serviced by four baths. There are fireplaces in both the living room and library. It's kitchen is so spectacular that it has been featured in the "Kitchen tour." A magnificent house on an estate sized lot which includes a swimming pool and patio center with gas barbecue.

WE'D ADVISE YOU to get the man in your life to join you in seeing this one before it's sold. Sitting pretty on a large, tree shaded lot with heated swimming pool usable six months a year. A library, den, and garden room complement the formal living and dining rooms. On the second floor are five bedrooms with four baths. Three more large bedrooms are on the third floor. A carriage house and greenhouse are all part of this enticing package. A fine house to be looked over, not overlooked.

FOR THOSE WANTING the traditional English, we are proud to present this three bedroom, one and a half bath. Featuring gas forced air heating and a super basement room. It comes with carpeting and draperies, two car attached garage with electric doors and a sprinklered 75x148 lot beautifully landscaped with several fruit trees. A large assumable 7 1/4 mortgage is most attractive in today's money market.

A STATELY HOUSE located in the Farms just a few feet from the Lake has become even more attractive because now it is available for purchase. Designed by Albert Kahn Associates, this petite mansion offers a large entrance foyer with marble floor, a large formal living room with magnificent fireplace; and the dining room, library and living room all face the lake. Five bedrooms and four baths comprise the second floor. This one will appeal to everyone... we wish we had more.

## From Another Pointe of View

(Continued on Page 13)

Detroit-area Sea Cadet. Monies raised through the Ball help support the Sea Cadet program. It's one of many projects the Detroit Women's Council either subsidizes or assists.

Gerry (Mrs. Thomas K.) Fisher, of Cameron place, was instrumental in organizing the Detroit Women's Council of the Navy League of the United States.

A former "Miss Navy," appointed by Secretary of the Navy Frank Knox, she toured the country in the early 1940's, selling war bonds and planning balls for Navy Relief.

Returning from a trip to the east, where she had been impressed by work done by the New York Navy League Council, she brought with her a charter to start the Detroit Women's Council.

In the group of prominent local women Gerry enlisted to join this Civilian Arm of the Navy were the late Mrs. Richard Brodhead, Mrs. William R. Kales, Mrs. Charles Gittlin, Mrs. Dwyer Kinnucan, Mrs. Charles T. Fisher, Mrs. Walter O. Briggs and Mrs. Benjamin S. Warren.

The Council, through the years, has assisted the Navy Nurses' scholarship fund, the Dolphin submarine fund, a "Day in the Navy" program for youth and the Marine Corps care program. Detroit-area Sea Cadets get \$1,200 annually from the Council. Members have sent television sets and gifts, hundreds of paperback books and tapes to veterans' hospitals. The Council offers a yearly award to the graduating Annapolis cadet with the most proficiency in Science and Mathematics.

The 24th annual Navy League Ball begins with cocktails followed by dinner at 8:30. Gerry and Tom Fisher will be there, of course.

Among local ladies serving on the Ball committee are Mrs. Robert G. Kales, of Cloverly road, Council past-president, and vice-presidents Mrs. Sam LaFata, hospitality chairman, Mrs. George L. Johnston, Mrs. Theodore Foster and Mrs. Carroll Doyle.

More are Judge Advocate Mrs. Aaron E. Wilcox, of Loraine road, Mrs. Paul D. Grubbs, chaplain, and Mrs. Frank B. Nair, Council treasurer and Ball ticket chairman.

## Annual Fontbonne Meeting

Lochmoor Club was scene of another grand gathering recently as members of Saint John Hospital's Fontbonne Auxiliary rendezvoused May 21 for their annual meeting and brunch.

Mrs. Thomas Baumgarten, of North Deeplands road, Auxiliary president, welcomed the ladies and introduced the Mesdames Robert Knop, Robert DuRoss, John Kollette, Leonard Claffone and John Douglas, who presented year-end reports. Mrs. Douglas, director of volunteers, revealed that over 64,000 hours had been donated to Saint John patients in the past year.

Chairmen of Fontbonne's four major social events of the year—Mrs. Volrad J. von Berg, White Christmas Ball; Mrs. George Cotichio, Harvest Card Party; Mrs. Joseph N. Impastato, Wine and Cheese

Delta Kappa Epsilon University of Michigan alumni, fraternity brothers and wives

Tasting Party; and Mrs. Charles Stoyka, Fashion Show-Luncheon — presented their reports and thanked their committee members.

The quartet was thanked in turn, each receiving a gold charm in appreciation of her efforts.

Proceeds from the four events have in the past furnished two Saint John patient rooms, helped purchase a linear accelerator and helped establish Acute Pediatric Care and Cancer Radiation Therapy units.

Hospital President James T. Farley received a check from Mrs. Baumgarten representing proceeds from this year's projects.

Mr. Farley thanked the Fontbonne members for their devotion and support, and Sister Verence McQuade, assistant administrator and director of the Auxiliary, and Sister Irene Waldmann, president of the Sisters of Saint Joseph, also expressed appreciation to the Fontbonne-ers for their dedication to Saint John and its patients. Mrs. Baumgarten closed the meeting with a special note of thanks to Mrs. George Hartemayer, who planned the brunch.
