## VOW TO CUT BICYCLE THEFTS

### HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, June 20

**PRESIDENT NIXON** returned to the White House Wednesday after a five-nation Middle East tour. In greeting 200 Republican teenagers upon his return, the President said he had seen a profound shift toward peace in the troubled Middle East. He said he observed a new hope for peace in the nations he visited as well as increased affection for Americans instead of hostility. The President's 15,000-mile journey took him to Egypt, Saudi Arabia, Syria, Israel and Jordan.

Friday, June 21

**WAYNE COUNTY** Prosecutor William L. Cahalan has been granted about \$400,000 for an intensive consumer protection program. The operation is expected to begin July 1. The Michigan Office of Criminal Justice Programs will formally announce the grant June 28. Ninety percent of the money will come from the Law Enforcement Assistance Administration and 10 percent from the state and Wayne County. For the current fiscal year, the criminal justice office has appropriated under \$300,000 to eight county prosecutors in the state — which is less than Wayne County alone is scheduled to receive under the new grant.

Saturday, June 22

**CHARLES W. COLSON** was sentenced to prison yesterday for defaming Daniel Ellsberg and his lawyers while Ellsberg was a defendant in the Pentagon Papers trial in the spring of 1973. During sentencing Colson charged that he committed the crime at the repeated urging of President Nixon. In making his charge, Colson said the President, "on numerous occasions urged me to disseminate damaging information about Daniel Ellsberg." Colson, former White House special counsel, did not give details of the president's urgings.

Sunday, June 23

**ISRAELI TROOPS** completed their pullout Sunday from Syrian territory captured in the October war. A strip of land three-and-a-half to five miles wide was turned over to United Nations observer forces for conversion into a buffer zone. Following a mid-afternoon ceremony at Tel Krum on the Golan Heights, Israel completed its withdrawal from a 325-square-mile piece taken from Syria in the 1973 war, an Israeli military spokesman said. In Jerusalem, a UN spokesman said the situation was continuing smoothly.

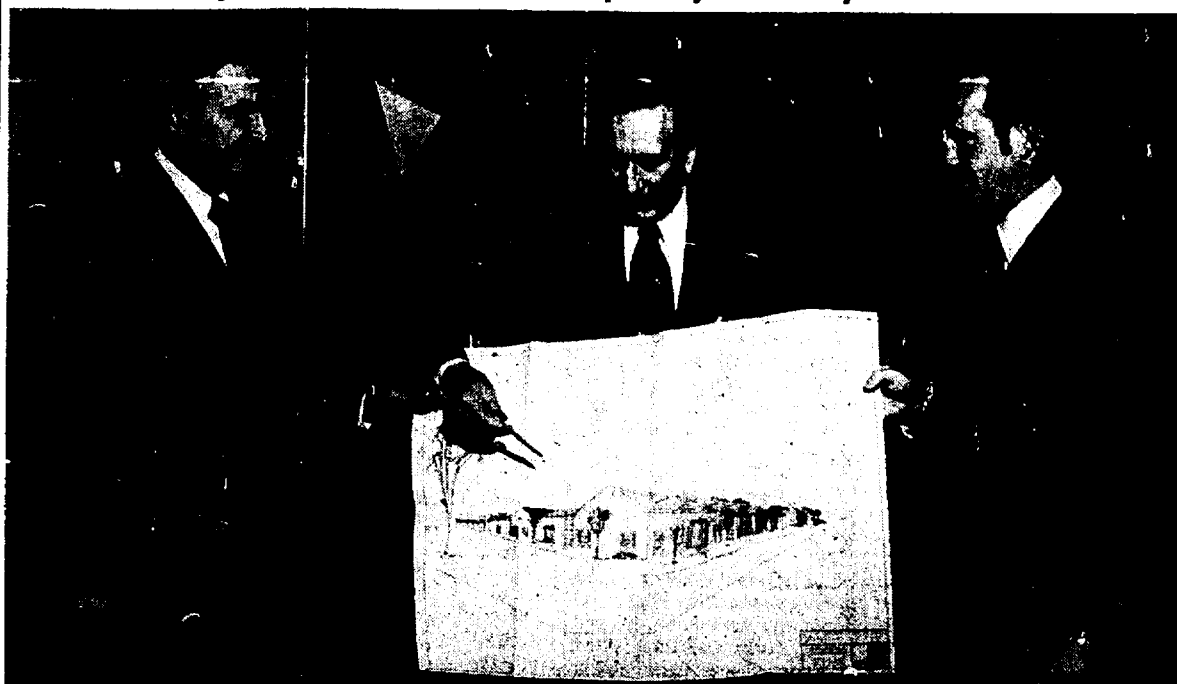

Monday, June 24

**MAYOR YOUNG** has named his nominees for the Detroit Police Commission created by the new City Charter. They are: UAW Vice-President Douglas A. Fraser; two lawyers, Alexander B. Ritchie and Edward J. Littlejohn; a minister, the Reverend Charles W. Butler, pastor of the New Calvary Baptist Church, and a community activist, Susan Cooper, executive director of the Concerned Citizens Council. The Detroit Common Council is expected to approve Young's nominations who were selected with the intention of providing a broad base of community support.

Tuesday, June 25

**PRESIDENT NIXON** left today for a Moscow summit meeting. His first scheduled stop is Brussels where he will attend a two-day session with allied leaders of NATO. Thursday he will arrive in the Soviet capital where he will begin six days of negotiating as well as sightseeing with Mrs. Nixon. In Moscow, Communist Party Chief Leonid I. Brezhnev heralded the Nixon trip saying the Soviet Union wants stable relations with the United States.

### Chrysler Donates Property for Eye Center

Improved facilities for better eye care will result from Chrysler Corporation's donation of property to the Detroit Institute of Ophthalmology. The property, on East Jefferson at Nottingham in Grosse Pointe Park includes a house, two parking lots and a former auto dealer facility. E. HARWOOD RYDHOLM (left), vice president of civic affairs for Chrysler Corporation, reviews a

sketch of the new complex with HERMAN SATT- LER, (center) vice-president of the Detroit Institute of Ophthalmology, and ROBERT WILMOTH, secretary-treasurer of the Institute's board of directors. The property will be renovated into an ophthalmologic research and teaching center plus offices for private practitioners, prosthetic and contact lens services, optical shop and pharmacy.

### Woods Boat Club Wants New Harbor

Also Seeks Greater Representation in Development of Lakefront Park

Members of the Woods Boat Club attended the Monday, June 17, meeting of the Woods Council to discuss possible improvements to the Lake Front Park Marina. Since the swimming pool and the tennis facilities will be vastly improved in the coming year, the boaters feel that their facilities should receive attention.

Richard W. Thams, commodore of the Boat Club, wrote a letter to the council outlining the Club's proposals. Enclosed in the letter was a recommendation dated April 23, 1973, by then Commodore Maurice Dalesandro. The 1973 letter asked that the Milk River boat docks be raised because of the high water level and that 80 additional well spaces be built.

Since that time, The Woods raised the boat docks but made no movement towards increasing dock facilities. For that reason, members of the boat club are asking representation on the recently formed Citizens Recreation Commission.

**Need 80 More Wells**  
The Boat Club estimates that 300 wells are needed to fill the present need (an increase of 80 wells). There is currently a waiting list for boats under 28 feet, and The Woods does not have any wells to accommodate boats over 28 feet.

"Other parks in the Grosse Pointes with a lower ratio of registered boaters have built large, modern docking facilities to accommodate their

### Don Semmler Bows Out; Pledges New Involvement In Public School Affairs

Explains Reasons Why He Didn't Seek Re-election to Board of Education; Takes Farewell Crack at Fellow Members

By Kathy Duff  
The Monday night, June 24, School Board meeting was Donald Semmler's last one as a member. He chose not to run for re-election after completing his one four-year term.

At the close of the meeting, Vice-President William Huettnerman, (who was chairing the meeting in the absence of President Robert Warner), had nothing but kind words for Mr. Semmler, despite the fact that the two had locked horns frequently during the past four years.

"I've enjoyed having you on the Board, and we are all aware of the sacrifices it has meant in terms of time you could spend with your family," Mr. Huettnerman said.

**Praises His Record**  
Mr. Huettnerman was referring to Mr. Semmler's excellent attendance record at regular, special and executive Board meetings. It was clear that Mr. Huettnerman wanted to part with Mr. Semmler on good terms.

But Mr. Semmler had one last surprise for Mr. Huettnerman. In his closing remarks he maintained his independent judgment and cuttingly honest appraisal which often made him the "persona non grata" of the school set and the darling of disenchanted taxpayers.

"I don't want to go into a long talk," Mr. Semmler said, "but I do want to discuss a few things."

Mr. Semmler said that he had chosen to run four years ago because he was concerned with two issues: first, loss of local control of the schools; and second, school budget issues.

### Bon Secours Drive Faces Challenge

Kresge Foundation Will Give \$200,000 if Hospital Can Raise Balance of \$2.5 Million

The Bon Secours Hospital Fund took a major stride forward this week with the announcement of a \$200,000 subscription by The Kresge Foundation.

The Foundation's participation is in the form of a challenge grant which is contingent upon the hospital's ability to raise the balance of its \$2.5 million building fund goal. The Fund presently is at \$1,633,109, not including The Kresge Foundation grant, according to Mrs. Hans Gehrke, Jr., chairman of the fund.

**Added Incentive**

In reporting the action by The Kresge Foundation Mrs. Gehrke commented, "We are, of course, very pleased by this generous evidence of support. I am sure the challenge aspect of it will give all of us who are working on the campaign added incentive as we complete our job of obtaining the support of the families of this area."

The Kresge Foundation was organized in Michigan in 1924, with a stated purpose of promoting the well-being of mankind. It provides grants for capital improvements to well-established and accredited institutions in the fields of higher education, health and related services, conservation, music and the arts, and care of the young and old.

**\$19.5 Million Project**  
The \$2.5 million building fund campaign at Bon Secours is aimed at helping to finance completion of the \$19.5 million construction and modernization program now underway.

"We simply must exceed our goal in order to insure ability of the hospital to proceed with replacement of the 1941 building and the modernization of the 1951 and 1954 buildings," Mrs. Gehrke said. "This decision by The Kresge Foundation makes us all more confident than ever that we can and will be successful."

Totals raised to date by the various committees are as follows: Major Gifts, Robert L. Goffredson, chairman, \$1,111,794; Doctors Gifts, Donald N. Sweeney, M.D., chairman, \$171,383; Special Gifts, Edward J. Hickey, III, chairman, \$139,932; and the Assistance League, Mrs. Donald F. Currier, president, \$210,000.

### Henry Caulkins' Friends Rescue Tennis Tourney

Annual Event Honoring Late Roland Gray Will Be Continued Through Funds Raised In Memory of Popular Player

By Kathy Duff  
About 125 young tennis players will enjoy the Roland Gray Tennis Tournament again this July due to the generosity of the Friends of Henry Caulkins II, Fund.

When word went out that the tournament was bankrupt, friends of the late Mr. Caulkins proposed a memorial fund in honor of the Pointer who was known to enjoy all racquet sports. So far, \$5,266 has been raised, insuring continuance of the tournament this year.

**In Two Locations**

The tournament, which is played on Elworthy Field and North High School courts, is open to boy and girl tennis players from 10 to 18 years old. The entry fee is set at 50 cents per person and the last application date is Friday, July 12.

Stephanie Prychitko will act as director of the event which runs from Monday, July 15, through Saturday, July 20.

The boys and girls singles competition is broken into five divisions, 10, 12, 14, 16, 18 and under. The boys and girls doubles competition is broken into two divisions, 14 and 18 and under.

The competition is open only to residents of Grosse Pointe. Participants may play in not more than two divisions in singles, and one division in doubles.

Winners and runners-up will receive trophies. Young tennis players wishing to enter the tournament, which is open to players of all skill levels, should stop by the Neighborhood Club, 17150 Waterloo, to pick up the entry form.

Commenting on the very successful fund drive, John Bruce, director of the Neighborhood Club, said, "The Board of Trustees and I appreciate very much the funds given by Friends of Henry Caulkins II that will enable us to continue the Roland Gray Tournament. The tournament was established for the benefit of all Grosse Pointers."

It's hoped that the tournament can be run every year on interest from the trust fund. If the fund is given an additional \$1000 in donations, this will be possible. Contributions should be made to the Neighborhood Club, Friends of Henry Caulkins, II, and sent to the club at 17150 Waterloo avenue, City of Grosse Pointe, 48230.

**RESIGNS**

Donald Brown, of Hawthorne road, asked The Woods Council to accept his resignation from the Planning Commission at the Monday, June 17, meeting. Mr. Brown said that he found he could not attend some Commission meetings due to schedule conflicts. The council accepted his resignation.

### Shores Tax Rate Raised One Mill to Meet Budget

Following the suit of two of the other Grosse Pointes, The Shores trustees raised the village tax rate one mill, or \$1 per \$1,000 assessed property valuation. For the past two years, The Shores tax rate has been set at 16.25 mills. This year, the trustees found it necessary to raise the rate to 17.25 mills due to increased employee wages and other inflationary trends. The total operation budget for The Shores fiscal year, which began April 1, is \$1,052,684.

The City of Grosse Pointe raised its tax rate from 18.15 mills to 19.15 mills, as did The Park, from 16.5 to 17.5 mills. The Farms set its rate at 17.25, up from 15.85 mills for the 1973-74 budget. The Woods is taxing its residents 9.98 mills in the coming year, up from 9.48 mills.

### Farms Asks Cooperation Of Owners

Plainclothes Surveillance, Lucky Eleven Program, Prompt Court Action Promised

By Barbara Bruno

Bicycle thefts are mounting in all the Pointes and The Farms is no exception. Farms Police Chief Robert K. Ferber and Municipal Judge Robert H. Pytell are attempting to crack down on bike thefts with plainclothes surveillance in high incident theft areas, a Lucky Eleven Program and prompt court action against convicted bicycle thieves.

Police statistics on bicycle thefts in The Farms from January 1, 1974 to the middle of June are grim—85 bicycles stolen. Annually, between 200 and 300 bicycles are stolen, with approximately 20 percent being recovered by police.

This amounts to an approximate annual dollar loss of \$20,000. The summer months, June, July, August and September, are when most of these incidents occur.

**Center on Garages**  
Of the 85 bicycles stolen in The Farms to date, about 80 percent have been stolen from residences with garages being the primary area of attack. An armed robbery at knife-point was perpetrated in order to steal a bicycle.

Chief Ferber said bicycle thefts are directly related to drug addiction and that the addict has no problem finding a fence willing to pay \$50 for a newer three-speed and more for five and 10-speeds.

He said the problem is frequently compounded by the otherwise lawful citizen who will purchase or permit their children to purchase a bicycle at a fraction of its real value with no questions asked or the parents who never question the acquisition of a new bicycle by their children.

**New Program Outlined**  
To combat rising bicycle thefts, Farms Police are instituting a Lucky Eleven Program which outlines the precautions bicycle owners can take to guard against bike thefts.

1. License your bicycle. (The Grosse Pointe Farms Police Department recently auctioned 44 bicycles which they had recovered but were unable to return to the owners because they were not licensed. Bicycle licenses in The Farms are 50 cents and last the lifetime of ownership of the bicycle.)

2. Always chain and lock your bicycle within the garage.

3. Keep garage doors closed and bicycles out of sight when at home. (Bike thieves will walk or cruise a neighborhood listing addresses with bicycles as targets for immediate or future thefts.)

4. Contact the police when you observe suspicious persons or vehicles in the neighborhood. Join down personal and vehicle descriptions—obtain vehicle registration numbers.

5. Prosecute bicycle thieves when they are apprehended.

6. Secure the bicycle with a strong chain and heavy duty lock.

7. When at a friend's home, place the locked bicycle out of sight, preferably in a locked garage or in the rear yard.

8. When in a business area, place the locked bicycle in a conspicuous and well-lighted location. (Visible to patrolling police units, merchants and shoppers.)

9. When at school or a recreational area, place the locked bicycle in the approved area.

10. Always chain lock the bicycle to a sturdy fixed object. (Perhaps a garage pillar at home; a sign post, telephone pole, street lamp or bicycle rack away from home.)

11. Do not purchase a used bicycle from anyone until you are satisfied beyond all doubts that the seller is the rightful owner. (Check the serial number to insure it has not been tampered with, ask for proof of original owner—

## Bike Theft Crackdown

(Continued from Page 1)

Chief Ferber said his department is using another weapon to curtail bicycle thefts — plainclothes surveillance in unmarked police vehicles. He said this program has been in effect since 1972, when bicycle thefts emerged as a major drug-related crime.

### Unmarked Vehicles

Chief Ferber said his department is using another weapon to curtail bicycle thefts — plainclothes surveillance in unmarked police vehicles. He said this program has been in effect since 1972, when bicycle thefts emerged as a major drug-related crime.

He said one such arrest in the summer of 1972 of a juvenile female, resulting in the arrest of a bicycle ring which had stolen 180 bicycles in the Grosse Pointes and Harper Woods in a three-week period.

He said the Police Department has planted "bait bicycles" for would-be bicycle thieves. Chief Ferber stated that these strategic police operations would be continued, that new offensive programs have been added and that plans are being made for additional programs.

Farms Municipal Judge Robert H. Pytell has been placing youthful bike thieves who are first offenders on a work program in The Farms as punishment for their crimes.

"My feeling is if the defendant is a first offender and a young person and apparently not involved in an organized bicycle theft ring, he should be placed on the work program plus one or two years supervised probation," Judge Pytell said. "The work is done at the Pier Park, the Municipal Building or even at schools."

Judge Pytell said the convicted bike thief may be required to work anywhere from two times to 10 consecutive Saturdays.

"Anyone who has a prior record of bicycle thefts or is involved in an organized bicycle theft ring will be given a jail term at the Detroit House of Correction," he said. "The maximum we can sentence is 90 days and the minimum is possibly one week."

Judge Pytell said probation is a necessary part of the program because the court has no control of the future

activities of the criminal unless he is under supervised probation either in The Pointe or in his own community.

Judge Pytell added that assessing a fine is really not a deterrent to bike thieves because money is not hard for them to obtain. They are, however, required to pay for probation supervision costs and court costs.

Combining the three phases of The Farms' crackdown on bicycle thefts — the Lucky Eleven Program, the plainclothes surveillance and the Municipal Court work program — will hopefully lower bicycle thefts in The Farms and all the Pointes.

## Woods Okays SDM Change

The Woods Council approved a "SDM" liquor license transfer for Michael Jamil Kashat, the new owner of Roslyn Market, 21020 Mack avenue, Monday night, June 17. Mr. Kashat recently bought the store from Joseph Corbat.

One of the councilmen, Conrad A. Naegel, voted against the transfer to voice his disagreement with the Liquor Control Commission's request letter. In his letter, the Commission said that "the Courts have ruled that denial of applications for SDM and SDD licenses based on unfavorable recommendation from the local legislative body is illegal." The Commission said, however, that it would take into consideration any objections filed by the home city.

Mr. Naegel felt that the home city should have the authority to veto a liquor license transfer as it had in the past. The other councilmen agreed with Mr. Naegel, but felt that they should approve the license transfer on the agenda that night and take up their disagreement with the Commission in a separate action.

## Pair Arrested for Burglary

Two Detroit men, arrested in connection with the breaking and entering of a Lincoln road residence were arraigned Tuesday morning, June 25, before Woods Municipal Judge J. Patrick Denis, sitting in for City Municipal Judge Douglas Patterson.

The pair, Broderick Kennedy Nash, 23, of 19334 Apolline, Detroit, and Neal Gardner McKinney, 23, of 13242 Norfolk, Detroit, waived their right to a preliminary examination within 12 days of arraignment, and asked for a court-appointed attorney. Their examination will take place on Wednesday, July 10.

Nash and McKinney were picked up around 10:30 p.m., Sunday, June 23, after they allegedly broke into the home of Andrew Bonior, and tried to escape in a car but were intercepted by a Detroit police scout car.

According to City Lieutenant Robert Van Tiem, Mr. and Mrs. Bonior were away from their home Sunday evening and when they returned, they noticed their front door was open. They backed out of their drive, honking the car horn, and each went to a different neighbor's house to call police.

The two men came running out the front door. Nash ran south on Lincoln and McKinney went across the street into the yard of 663 Lincoln, then entered a car. He drove south on Lincoln and turned right onto Waterloo where he stopped to pick up McKinney.

Mr. Bonior reported the incident as a breaking and entering to Officer Richard Lanski and supplied him with the license number of the car Nash and McKinney were using.

Mrs. Bonior told police she had been robbed, described the two suspects and then gave the address of the house she was calling from instead of her own. Officer Lanski entered the information on the police radio.

He then went to the scene in one scout car and Officers John Drummond and Jerry Petz went in another. Both cars were joined in the chase by Park Officers Rodnew Wedding and Collin LaLonde in a third scout car.

The chase ended abruptly when Detroit officers Peter Szymanski and James Scott blocked the escape route, at Charlevoix and Marlborough.

Nash and McKinney were taken to the Fifth Precinct station where arrest cards were filled out before Officers Drummond and Petz

## WSU to Honor Pointe Coach

Pointer Laurence (Larry, Lefty) Russell, Wayne State University's golf coach from 1945-69 and a full-time University employee since 1937 retired from WSU Friday, June 14, and will be honored at the Fourth Annual George Sherman Open Saturday, June 29, at the Kingsville, Ont., Golf and Curling Club.

The Sherman Open is an annual golf outing at which WSU staff members and friends of retired WSU Athletic Business Manager and one-time Publicist George Sherman get together for a day of golf with prizes and an evening banquet.

It's at that evening banquet that Mr. Russell will be formally honored for his service to WSU and Dinner Chairman Fred Mulhauser, WSU's tennis coach and Russell's long-time office partner, is looking for a big turnout of former Tartar golfers.

The cost for golf and the smorgasbord dinner is \$15; dinner-only participants will be charged \$9 and there is no reduction for golfers not staying for dinner. Checks and money orders may be sent to George Sherman Open, 266 Mathaei Building, Wayne State University, Detroit 48202. For further information, call 577-4265.

The 65-year old Russell, a native of Cortland, N.Y., was graduated from Detroit Southeastern High School in 1927. He went on to co-captain WSU's 1930 football team as a halfback and earned his B.S. degree in Engineering in 1931 and his M.A. degree, also from WSU, in 1936.

Mr. Russell coached freshman football from 1938 through 1941 and was a varsity assistant from 1941 through 1945. He continued his teaching and advising schedules and was promoted to full professor in September 1971.

He took over the golf team in 1945 and in 25 years saw his teams post a 187-118 record. They hit double figures in the victory column six times with back-to-back 12-win seasons in 1952 and 1953, still a Tartar record. His final team finished 9-1 and went to the last match of the campaign before being beaten. WSU's teams had 20 winning seasons in his 25 years including 10 straight from 1956 through 1965.

At the time he gave up coaching, Mr. Russell was the winningest head coach in his sport on the Tartar staff and also the tenure leader.

## Woods Shuns State Monies

The Woods Council went on record Monday night, June 17, as against the State Revenue Sharing Bill (HB 5967). Councilwoman Joan Mullan stated that she was "strongly against" the measure since "rarely is money given without strings attached". The other members of The Woods Council supported her resolution.

City Administrator Chester Petersen said that he did not agree with the formula used to distribute state revenue sharing funds. "It seems to me that the formula penalizes the cities which economize in their spending. The program also places an additional burden on the tax payers."

The State Revenue Sharing Bill is now on the House

floor in Lansing and will come up for a vote soon. Recently, Dr. John Dempsey, director of the Department of Management and Budget, made a strong argument before the House Taxation Committee against the bill.

Supporters of the bill say that cities are faced with increased costs over which they have little or no control. In particular, they mention increased employee wages and the quadrupling of the cost of asphalt for street repairs because of the energy crisis. The municipal price index, according to the "Michigan Municipal Review".

The Woods, despite this information, feels that state revenue sharing is not the answer.

## Different Plans For Stonehurst

Acting on a petition signed by a number of Shores property owners, the Shores Planning Commission reconsidered the preliminary plat plan for Stonehurst, the late Joseph B. Schlotman estate which is being subdivided.

The commission, receiving two petitions protesting the proposed cut through from Fordcroft to Sheldon road, recommended that Fordcroft end in a cul-de-sac. The original plat plan called for a 1,200 foot extension of Fordcroft road (which runs east from Ballantyne road) ending in a cul-de-sac. In order to increase accessibility, the engineering firm of Lehner Associates, Inc., proposed a

connection with the near-by Sheldon road.

Once the proposed plan was publicized, residents of Sheldon and Fordcroft said that they did not want the increased traffic a through street would create. Ross Roy, whose house is located at the present dead end of Sheldon road, attended the Tuesday, May 21, Shores Council meeting to express his views.

At the June Council meeting, the trustees approved the revised plat plan. Except for the dropping of the cut-through road, the original plan stands. It calls for the estate being divided into 22 lots. Nineteen of the lots will be situated along the Fordcroft extension, while the three larger lakeside lots will have driveways on Lakeshore road.

Originally, the trustees approved the Sheldon cut-through to give greater police and fire protection to the residents.

## New Theatre Debuts June 28

The New Theatre of the War Memorial will present "Play It Again, Sam" Friday and Saturday nights, June 28 and 29, at 8:30 p.m. in the Fries Auditorium.

The romantic comedy, by Woody Allen, is directed by Rip Odell assisted by Don Stoll. Playing the lead role of Allan Felix is Alan Fortinsky. Also in the cast are Jody Jennings, Betsy Gram and Jack Favere.

The comedy centers around the misadventures of Allan Felix. Short, shy and recently divorced, he is looking for a new woman. Under the guidance of his film idol, Humphrey Bogart, he tries unsuccessfully to impress the women he encounters. The result is an evening of romantic comedy in the best Woody Allen style.

Tickets, priced at \$3, are available at the War Memorial office.

## Sweeney Park Poses Problem

Two residents of Holiday road, Mr. and Mrs. Albert L. Pfaller, appeared before The Woods Council Monday night, June 17, to request a fence between their property and a sidewalk entrance to Sweeney Park.

The Pfallers are one of the families who live on the outside of Sweeney Park, a small park behind Holiday, Ford and Clairview courts. The only access to the park is by four pedestrian sidewalks.

Mr. Pfaller said that he was concerned that he might run over a child while backing out of his driveway, since the children cut across the lawn. He said that he had grown a barberry hedge between the driveway and the entrance sidewalk, but that youths put holes in the hedge by walking or driving their motorbikes through.

"I'm not a dog hater, but some dog owners use Sweeney Park as a public restroom for their dogs. There was a sign put up that dogs weren't allowed, but that sign was pulled up in a matter of days," Mr. Pfaller said.

The Woods resident also mentioned the litter problem in the park and the vandalism, in particular the breaking of sapling trees eight feet above the ground.

City Administrator Chester Petersen said that The Woods needed to use the sidewalk entrances for Department of Public Works maintenance equipment. He said that if the city built a fence for the Pfallers, then they would have to build fences for all of the adjoining property owners. He was also concerned that heavy equipment could not get through if fences were built.

The city administrator told Mr. Pfaller that he would hear from the city in two or three weeks regarding his request.

## Senior Citizens Slate Meeting

The Woods Senior Citizens' Commission will hold a meeting today, Thursday, June 27, at North High School's cafeteria. The meeting, which is scheduled to begin at 1 p.m., will serve as a get acquainted session for Woods senior citizens.

Jrene Sutton, of Brys drive, chairman of the Commission, hopes to have a specific calendar of events regarding programs and activities available at the meeting. She also hopes that the area senior citizens will contribute their ideas for future activities.

One program already proposed is the use of a Kiwanis Club bus to take senior citizens to the Lake Front Park. The proposed schedule will be discussed at the meeting today.

## City Fights Insects to Save Trees

### Spraying Locusts to Repel Invasion of Bugs Which Consume Leaves

The City of Grosse Pointe has taken immediate action to counteract the ill effects a rash of insects are having on a number of Locust trees.

City manager Thomas Kressbach requested permission from the Council at the regular meeting Monday, June 17, to hear price quotations for spraying affected trees and accept the one he thought best. Normally, the city manager's decision is subject to council approval.

Since he first became aware of the problem on Friday, June 14, and did not know how widespread it would become, Mr. Kressbach thought it expedient to act right away in order to save the trees. The Council agreed and gave him unanimous authorization to do so.

The bid of Shock Brothers was accepted and that company sprayed trees during the past week and will continue the job this week.

"We'll keep after it until it's under control," Mr. Kressbach reported. "So far we've been working on four or five basic locations within a two or three-block area."

He explained that the insects eat away the Locust tree leaves and do not cause as much damage as Dutch Elm Disease. "However," he remarked "I suppose if enough leaves were eaten away, the tree could die."

The onslaught of insects appears to be a result of the climate. They multiply, traveling from one tree to the next and for that reason the City sprays not only infested trees but also those nearby.

"People who live on private streets should keep close track of their trees," the city manager warned. "If they see signs of infestation they ought to either contract someone to spray or, since most of the affected trees are younger, they could do the job themselves."

## Thief Collects Golf Sets and Bike

A thief or thieves stole \$450 worth of items Saturday, June 15, from the garage at the Martin Hawley residence in McMillan road.

Farms police received the report of the break-in Monday, June 17. Stolen were a set of men's aluminum shaft golf clubs in

a black leather bag, valued at \$245; a set of ladies' left-handed golf clubs in a green leather bag, valued at \$85 and a boy's brown 10-speed bicycle, valued at \$120.

## Poor Mailing Voids Hearing

Robert L. Hordish appeared before The Woods Council Monday, June 17, to present his plan for two-family residential units at 1006 Vernier road. Before the council could approve his plans, a public hearing had to be called for the rezoning of the property from R-1 Single Family to R-2 Two-Family Residential District.

About 20 minutes was spent on the proposal, when a resident pointed out to City Attorney George Catlin that the residents immediately across the street had been overlooked in the mailing. They had not been sent a letter in accordance with the provision of the Zoning Ordinance. Over 50 Woods residents had been sent letters.

The public hearing was rescinded, and City Administrator Chester Petersen said that The Woods would go through the entire notification process again, which includes a newspaper advertisement besides the mailing, to reschedule the public hearing.

Mr. Hordish, who presently lives in Hampton road, would like to build two duplexes in Colonial style on the land parcel.

The surest thing vacations vacate is the family finances.

## Park Views Meeting Time

(Continued from Page 1)

were Mayor Patterson, and councilmen Robert Hutton, Dr. Roger McNeil, George Verdonck and Charles Tomkins.

Mrs. Suzanne Suski of Somerset, who was present to protest the change in registration dates for tennis lessons which should have been for June 14-15-16, told the council that she attempted to register on June 14, but had been informed that the dates were set for the 15th and 16th and she missed the first registration which would have been more convenient for her because this would be the first session and she would have been able to take the full course.

She is taking lessons now, she said, but she will not be able to take them all, since she will be going on vacation.

City Manager Robert Slone said that he had heard of the date changes and ordered that the registrations be made as directed in the Newsletter. He promised that Mrs. Suski would be taken care of in regard to her lessons.

Mrs. Suski, a member of the League of Women Voters, prior to the defeat of the council meeting time change, stated that as a citizen of the community, she would like to see the sessions

held at 7:30 p.m. rather than at 5 p.m.

In other business, the council approved an ordinance to control dealer sale and purchase of bicycles, new or second-hand, which must be reported to the chief of police, or his designated representative, on or before the 15th of each month, following each month in which a transaction required to be reported occurs.

City Attorney Richard Rohr in a letter to the council and to Slone, said that he had discussed this section of the Uniform Traffic Code with Lt. Gordon Duncan (in the absence of Chief Henry Connee) and officers of the Detective Bureau. It is felt that the Police Department should begin to enforce this section to give the city more control over the bicycle stores, the city attorney added.

Section 6.5 of the ordinance requires reports on bicycles purchased and sold by dealers, but does not limit the time within which such reports should be made. The amendment provides that the reports be made on or before the 15th day of the following month in which the reportable transactions take place, with the reports submitted to the police chief.

Lt. Duncan said that by checking the name and address of the person from whom the bike is purchased, the name and address of who sold or purchased, a description of such bicycle by name or make, the frame number and license plate, if any, would make it easier to determine if the two-wheeler(s) are stolen property.

### RESIGNS

Donald Brown, of Hawthorne road, asked The Woods Council to accept his resignation from the Planning Commission at the Monday, June 17, meeting. Mr. Brown said that he found he could not attend some Commission meetings due to schedule conflicts. The council accepted his resignation.

### NAMED EDITOR

Mark Engel, of Muir road, has been appointed associate editor, of the Football News and Basketball Weekly. A recent graduate of Syracuse University, Mr. Engel was sports editor of the campus newspaper, The Daily Orange, during the 1973-74 year. ## Shores Raises Taxes

(Continued from Page 1)

get. Over 80 percent of the Shores employees are represented by some form of labor union or employee organization. The Shores is presently engaged in contract negotiations with all three associations.

With every increase in salary, the village's pension allocation increases. Other increased expenses include greater casualty and employee benefit insurance policies.

In relating the tax raise, Mr. Schroeder said that the village had received increases

ed bills from its co-operative ventures with the other four Points. The Shores contributes to the Youth Service Division, the Clinton Township Incinerator and the Police Radio System, and all have experienced higher maintenance costs. Bigger bills also came from the Detroit Edison Company, The American Oil Company and office machine service companies.

In discussing the village budget and the need to increase taxes, several council members questioned whether The Shores should cut down on the level of services offered to residents.

At the May meeting of the Shores trustees, C. F. Ogden asked the other councilmen if the residents should be asked to place their trash by the curb to facilitate pickup. The trustees decided not to cut service levels at the present time.

In order to learn how the residents feel about the service levels in relation to tax costs, the village sent out a questionnaire. It breaks down into three categories: public safety patrols, rubbish pickup and recreation facilities.

Currently, The Shores employs 20 public safety officers who provide round-the-clock patrols with two scout cars in service most hours. This service costs \$45,011 a year, or almost half the total annual budget. The residents were asked if they want the patrols maintained at the present levels.

As far as rubbish, it cost \$82,493 last year to keep The Shores trash free. The residents were asked if they want rubbish pickup in their garages to continue, or if they wish to go to curb pickup.

Last year, The Shores spent between \$45,000 and \$50,000 for operation of the George Osius Park. The residents were asked if they wished to make the swimming pool and tennis courts self-supporting by charging a use fee. The residents were also asked if they favored a shorter season at the park.

## Boaters

(Continued from Page 1)

boating residents and we think Grosse Pointe Woods can do the same," Mr. Dal-esandro said.

The Boat Club is proposing that a boat harbor be constructed in front of the new swimming pool. The total cost of the harbor is estimated at about \$40,500 which would include 80 wells, a community boardwalk and fishing pier, and electrical and water outlets.

The Woods Council listened to the boaters' comments and said that they would pass the suggestions on to the Citizens Recreation Commission.

### Want To Be Heard

In the main, the boaters were asking for increased marina facilities and greater representation in Lake Front Park planning committees.

The Woods Boat Club was formed in 1958 to organize boaters at the Woods Park for social functions and to work toward improving facilities at Lake Front Park. The Boat Club worked closely with the city in construction of the original docks and the subsequent lengthening of them to accommodate 28 footers with electricity and water outlets for each boat.

Since 1958, an average of \$15,000 per year has been received by the city through boat dock rentals. The annual income is now about \$20,000 due to recent increases in rental fees.

### Bone of Contention

At the council meeting, one of the boaters brought up a bone of contention between the boaters and the other park users. One man complained that the boaters had to pay a fee for use of the boat wells, while the swimmers, tennis players and picnickers were allowed to use the facilities free of charge.

City Administrator Chester Petersen reminded the boaters of the constant maintenance fee for the boat wells, as well as the night watchman.

## Steal Six Guns Worth \$1,000

A thief or thieves struck at the Max E. Clapp residence in Renaud road Sunday, June 23, and stole six guns valued at \$1,000 by the owner.

Woods Police report that entry into the home was gained by prying the lower portion of a window screen and then pushing up an unlocked window.

Upon checking the ground below the window and at the corner of the house, police found portions of footprints nine inches long bearing horizontal lines from the toe to the heel. Police said the guns were taken from a gun cabinet in the den. Fingerprints were found on the sliding glass doors on the gun case.

There were no other prints on the case as the glass had just been cleaned, police said.

Mr. Clapp said he had been gone from 12 p.m. Saturday, June 22, until 8:15 p.m. Sunday, June 23, and discovered the loss at that time.

Taken were three 12-gauge semi-automatics; one 20-gauge semi-automatic; one 22-gauge semi-automatic, and one 12-gauge pump gun.

## Reveal Policy For Pier Pass

The City of Grosse Pointe Farms has promised stricter control at the entrance gate to the Pier Municipal Park since complaints of non-resident use of the facilities have risen.

Admission to the Pier Park is strictly limited to residents of the Farms, having valid passes, and their personal guests. Farms residents must host guests and have their passes punched at the gate.

The City Administration reminds residents that it is illegal to loan or give away park permits. If permits are lost or destroyed they may be replaced by the head of the household at the city offices for \$1.

Boat owners who rent wells at the Pier marina may have guests for boating activities but the guests must be registered at the gatehouse. If the guests are to use the park facilities as well, the resident host's permit card must be punched.

## Karen Garrett Competes In Miss Michigan Pageant

By Barbara Bruno

Miss Grosse Pointe 1973-74, Karen Garrett, gave her best at the Miss Michigan 1974 Pageant but tough competition nudged her out of the winner's spot.

George Williamson, publicity chairman for the Miss Grosse Pointe Pageant, said the community should be proud of the effort made by Miss Garrett at the week-long state pageant held in Muskegon. The pageant ended Saturday evening, June 22, with the crowning of Susan Lillian Short, Miss Heart of Michigan, as Miss Michigan 1974.

"Miss Garrett did a tremendous job for the Grosse Pointe community," Mr. Williamson said. "We all can't be winners. Somebody has to lose. But as far as the community of Grosse Pointe is concerned, Karen is a winner."

Mr. Williamson, a member of the Grosse Pointe Jaycees who sponsored the Miss Grosse Pointe Pageant, said the Miss Michigan Pageant consisted of much more than the Saturday night festivities. "People don't realize how much work goes into the pageant," he said. "These girls are put under one solid week of pressure before the judges."

He said the judging was based on bathing suit and evening gown competitions, interviews with the judges at luncheon and dinners, impromptu talent displays as well as the main talent competition.

For her talent entry Miss Garrett sang the song "For Once in My Life." Mr. Williamson said many of the contestants also sang for their talent.

Although Miss Garrett did not take top honors, she did land a front-page spot in the Muskegon daily newspaper during the pageant.

While riding in the Miss Michigan parade through the streets of the city, her Great Dane, standing on the sidelines with Miss Garrett's brother, recognized his mistress and bounded after her car. A photographer from the paper caught the scene and a big picture of Miss Garrett and her loyal dog appeared on the front page of the paper.

About 60 supporters from The Pointe were present at the festivities including Kathy Lewis, Miss Grosse Pointe 1974-75, Karen Seagram, this year's runner-up and Marcia Bodanski, Miss Grosse Pointe 1972-73.

Jaycee rooters present in Muskegon included Mr. and Mrs. Paul Mumma, Mr. and Mrs. Clark Hinkley, Mr. and Mrs. Jack Chivas, Tom Andris, Mr. and Mrs. Bill Stott, Mr. and Mrs. Gil

Finger, Mr. and Mrs. Carter Ballew, Mr. and Mrs. John Brewster, Mr. and Mrs. Rick Montgomery and Vicki Bash.

Mr. Williamson said the Jaycees would like to extend special thanks to Karen's parents, Dr. and Mrs. Francis Garrett of Lochmoor road, for the courtesies they extended during the pageant. "They are just super people," he said. "They made our job a lot easier in putting together our pageant."

Mr. Williamson said the Jaycees also thank Gil Finger, this year's Miss Grosse Pointe pageant chairman, and Linda Finger, who worked with Miss Garrett for her talent presentation.

Additional thanks go to Mrs. Jane Hinkley, co-chairman for the Jaycee Auxiliary and all the Auxiliary women, Tom Andris, who prepared the Miss Grosse Pointe advertising booklet, Ed Ahee of Ahee Jewelers and Ken Meade of Pointe Dodge, all of whom assisted the Miss Grosse Pointe Pageant.

"We're proud of Karen," Mr. Williamson said. "She's a kind, fun girl. She's going to get involved in this year's pageant and help Kathy Lewis prepare for Miss Michigan."

Meanwhile, Karen Garrett will continue her studies as a sophomore at the University of Michigan, knowing she has served The Pointe well as Miss Grosse Pointe 1973-74.

## Center Offers Music Festival

Pointers will find all the same attractions they have enjoyed in previous years at the Summer Music Festival's Viennese Evening at the Grosse Pointe War Memorial, this year being held on Tuesday, July 9, at 8 p.m.

A salon orchestra will play the lively dance music of Johann Strauss, Franz Lehar and other popular composers, and Maribel and Alex Sucek will provide an interlude of sentimental Viennese songs. There will be novelty to the evening's attractions provided by a young Austrian named Ray Kleinberg who will play the zither at the beginning of the program and during the second intermission.

The Viennese evening is first in the series of the Center sponsored Music Festivals. On the following Tuesday, July 16, at 8 p.m., Gordon Staples, distinguished concert master of the Detroit Symphony Orchestra, will lead other Detroit Symphony musicians in a concert featuring Ravel's Quartet and the Beethoven String Quartet Opus 131 in B flat major.

Other Symphony members to be featured include Beatriz Staples, violin; Hart Holman, viola; and John Thurman, cello. Tickets for each show are \$5.50 per person and available from the Center office, 32 Lakeshore road.

## School Board Lets Contracts

The Board of Education reviewed and accepted several bids at its Monday, June 24, meeting.

The first bid concerned paint for the exterior and the interior of South High School. The accepted bids were \$3,331 and \$26,771 respectively.

The main building and chimney of South High School also needed repairing and a low bid of \$15,808 was accepted to do the masonry work.

Moore Business Forms got \$5,019 worth of business when the Board accepted its low bid for form handling equipment for data processing operation. A yearly maintenance bid of \$337 was also approved.

The Board also approved

specifications for construction of a new wall in the North High School industrial arts room. The schools will now solicit bids for this job and the low bidder's sealed bid will be accepted at a future School Board meeting.

Swelling ankles? The condition is often caused by something as simple as ill-fitting shoes, or too tight shoelaces. Sitting too long in one position, overlong walks, pounding hard pavements, hot weather, or lack of exercise of feet and legs. Vigorously shake your ankles once in a while to keep them limber. If you are sitting longer than two hours, take a break, stand up, open a window, go for a short walk. If they're a real problem, a fifteen minute rest with ankles elevated will often help.  
HARKNESS PHARMACY, 20315 Mack Ave. at Lochmoor Blvd., 884-3100, will help you with all your needs. We have a fine selection of cosmetics by REVLO, LOVE, and ALOE, a large selection of greeting for every occasion, a full line of liquor, and Whitman Candies. Most importantly, our capable pharmacists will handle all your prescription needs and then deliver your prescription to your home... what could be more convenient? Open: Mon.-Fri., 9-9; Sat. 9-8.

## Woods Will Host District Little League Tournament

Werner F. Lueckhoff, president of The Woods-Shores Little League, appeared before the Woods Council Monday night, June 17, to request the use of Ghesquiere Park for the 1974 Michigan District #8 Tournament.

The tournament would bring to The Woods teams representing 12 cities from Hamtramck to Mt. Clemens. In the past two years, the tournament has been held in Hamtramck and Harper Woods.

Mr. Lueckhoff had six requests in regard to the tournament, to ask the council.

The first was permission to have a refreshment stand (probably a Coca Cola trailer) in Ghesquiere Park during the tournament. The councilmen voiced no objection to the request.

However, on the second request, the use of the lavatory facilities in the Comfort station, the councilmen hesitated. City Manager Chester A. Petersen said that it would cost \$500 to put the Comfort Station in use, since it had been closed due to excessive vandalism. Mr. Lueckhoff said that the players could continue to use the facilities in the Woods municipal building.

Additional bleacher sections at Diamonds #1 and #4 was the third request. Mr. Petersen said that the DPW men could accomplish that during normal working hours.

The fourth request, that of having the baseball diamonds

dragged and graded Saturday and Sunday, presented the greatest problem. Mr. Petersen said that it would cost \$750 in overtime DPW labor and equipment rental to drag the diamonds both days.

The final two requests, the use of a water hose to keep down dust and a police patrol to deter vandalism, presented little problem. Mr. Petersen said that the park would get the usual amount of police protection from the night patrol.

At the close of the discussion, Councilman George Freeman said that he thought The Woods should accept all reasonable expenses in regard to the tournament. The other councilmen agreed and voted to host the tournament in The Woods.

The tournament will start on Saturday, July 20, with seven games scheduled. On the following day, Sunday, July 21, there will be eight games. There will be two games at 6 p.m. on Monday and Tuesday and single games on Wednesday and Thursday at 6 p.m. The final game will be played on Saturday, July 27, at 1 p.m.

At the close of his council appearance, Mr. Lueckhoff thanked the members "on behalf of 600 kids".

In a later interview, Mr. Petersen said that the Comfort Station would be opened for the tournament. He also said that it would cost the city only \$125 to drag and grade the diamonds Saturday and Sunday mornings for the games.

Top hitters for the Yanks were Bill Cody, John Hasse and Jim Kovanda. For the Red Sox, Rick Thomas stroked a round tripper and a triple and Tom Gutwald had two hits.

On Saturday, June 22, the Sears Tigers overcame an early four run deficit and went on to defeat the Metropolitan Club Indians, 9-5. Dunc MacEachern and John Beebe combined for five innings of scoreless relief for the Tigers with John getting the win, his fifth of the year. Tom Graves led the Indians with two hits.

On Sunday, June 23, the

Astro Uniform Phillies, with seven runs in the first two innings went on to trounce the Trevor Steel Red Sox, 8-1. # The 1974 Audi: the luxury car with the luxury of 24 m.p.g.

You can panic and put your luxury car out to pasture during the gasoline crisis.

Or you can ride it out in luxury in an Audi. Really ride it out.

The Audi 100LS gives you 24 miles of ride to the gallon.

Twenty-four luxurious Audi miles. In an interior so lush you can hardly tell it from a Mercedes 280.

With so much legroom and

headroom you'd think you were in a Rolls-Royce Silver Shadow.

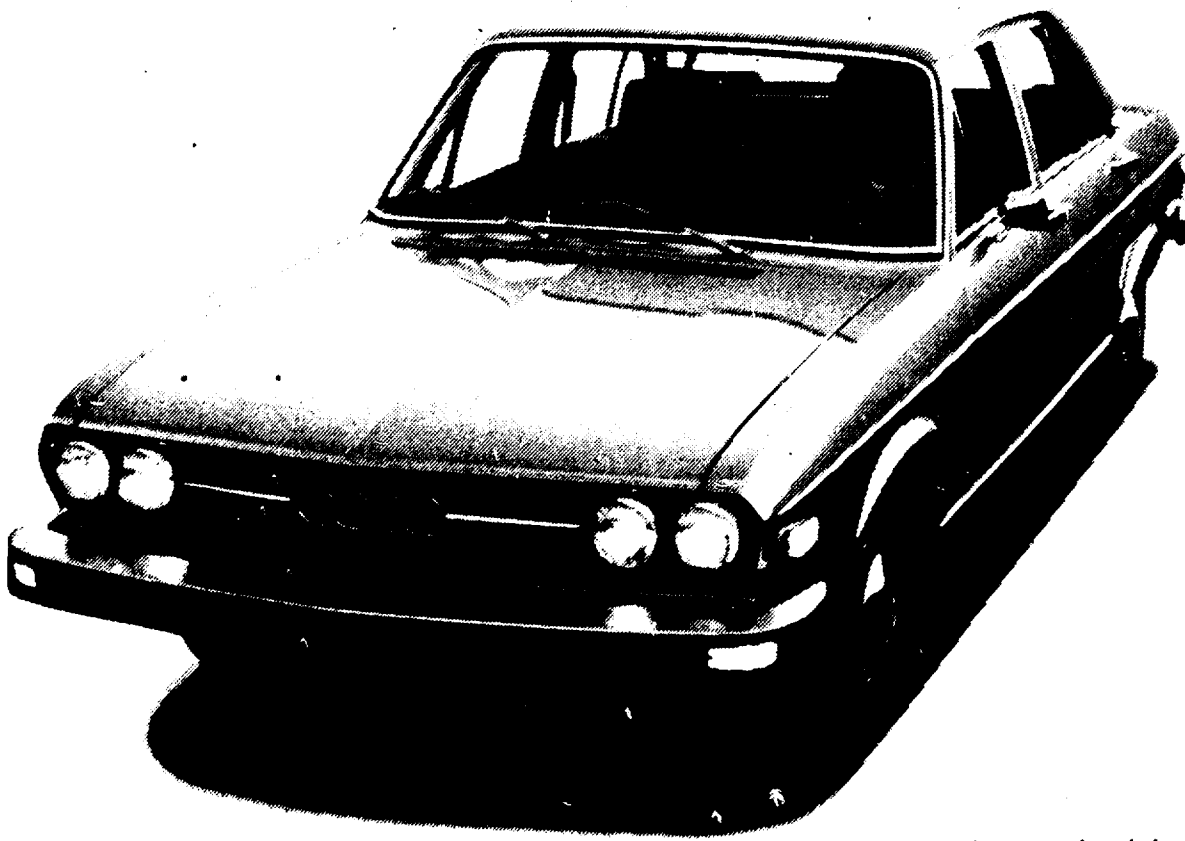

And the kind of smooth, controlled ride only independent front suspension can give you (ask an Aston Martin driver about that).

Combined with the traction and stability of front wheel drive. The kind you'd find in a Cadillac Eldorado.

So, you see? You still have the luxury of choosing luxury.

National's weekend rate of only \$8.50 a day, 14¢ a mile left Don Rickles speechless.

National Car Rental dared Don Rickles to try to criticize their weekend deal. But how could he criticize National's low rate of \$8.50 a day and 14¢ a mile. (You pay for gas.) And that's for a car like a Chevy Monte Carlo. You can pick it up any time after Thursday 6PM. Return it by Monday 6PM to the renting city. All National asks is that you use the car a minimum of two days.

## Attorney Accused of Sex Offenses, Facing Court

A Park attorney, accused of sex crimes against two Park girls, one of whom is retarded, was bound over for arraignment in Circuit Court by Farms Municipal Judge Robert Pytell on Thursday, June 20, and released on \$5,000 bond pending an appearance in the higher court scheduled for yesterday, June 26.

Judge Pytell presided at the June 20 examination in Park court in the absence of Park Municipal Judge John Urso.

Samuel Antonelli, 30, formerly of Windmill Pointe drive, is charged on two warrants, one charging committing sodomy on the person of a 14-year-old retarded girl, and assault with intent to commit sodomy against her. He is accused in a second warrant with gross indecency and taking indecent liberties with the older girl's 11-year-old sister.

Antonelli, who had been sought on the charges made by Park authorities, had fled the area on April 10, and on June 3, voluntarily surrendered himself to the local police.

At the time the warrants were signed by Judge Urso for Antonelli's arrest, the attorney had fled with, it is believed, a 16-year-old sister of the two girls. The 16-year-old, who was a babysitter for Antonelli, had introduced him to her sisters.

According to information released by Det. Sgt. Joseph Augustine of the Wayne County Organized Crime Task Force, who uncovered the matter, the sexual offense against the youngest sister was committed about February 20; and against the 14-year-old, sometime in March.

Antonelli, former owner of Antonelli Realty and Appraisal company, 11101 East Jefferson, Detroit, was suspended from doing business with the U. S. Department of Urban Renewal (HUD) because of alleged improprieties.

In February 1973, Antonelli was convicted of burning three vacant inner city homes which he had purchased for a total of \$10,000 and insured them for \$34,000 prior to the fire. He is appealing the conviction.

In November 1973, he was suspended from law practice, pending the outcome of his appeal on the arson conviction.

by Shores public safety officers on Sunday, June 23, and charged with two counts of traffic violation. He was released on \$20 bond pending a court hearing date.

Malone is accused of traveling on Lake Shore road with only one headlight and operating a motor vehicle with improper license plates.

According to Cpl. Chester Painter and Patrolman Archie Grieve, Malone was observed heading north on the road at about 11:37 p.m. and was stopped at Fontana lane. A check with the station over the Law Enforcement Information Network (LEIN) brought back the information that the license plate was not registered to the auto the youth was driving, but to a vehicle registered to Mark Artes of 22942 Glenbrook, St. Clair Shores.

Grieve, who wrote out the report of the arrest, stated that the young motorist got out of his car as the officers approached on foot, and as Malone exited, a strong odor of burnt marijuana was detected. There was a 18-year-old girl passenger in the car.

Malone was placed under arrest when the officers found a plastic bag under the mat of the front seat, which contained suspected marijuana.

At the station, Malone was issued a violation ticket for driving with only one headlight, and another for using license plates not registered to his car. The marijuana matter is still under investigation.

The 16-year-old girl's parents were called and she was released to their custody. She was not charged.

## Ladies Compete In Club Match

Lochmoor Club held its Second Annual Ladies Tennis Invitational on Wednesday and Thursday, June 19 and 20. Continuous play began at 8:30 a.m. in the Lake-shore Tennis House due to the rain. By afternoon the weather had cleared and the Club courts were also used for the 10 game pro-sets played until 4:30 p.m.

In Wednesday action, Club member Alice Johnson and Rosemary Hastings upset two sets of seeded players. The pair later lost in the semi-finals.

The Club courts were used exclusively for the semi-finals on Thursday where the best of three sets matches were played. Finals began at 1 p.m. and were followed by a cocktail party and awards presentation festivities in the clubhouse.

Florestine Schmidt and Diana McMahon were awarded white ceramic baskets with roses by vice-president George Kramer for winning the championship. Runners up were Betty Dunwoodie and Julie Caprara.

Winners of the second consolation were Dale Austin and Janice Keith. Runners-up were Mary Lundell and Mary Brooks.

Nancy Kahle and Janet Bagley won the first consolation prize and Vi Reghanti and Ginny Rice were runners-up. Betty Kohr was named most congenial tennis player.

Mrs. William Tripp was general chairman of the Invitational. She was assisted by Mrs. Michael Grow and Mrs. Arvid Lundell.

## Mack Parking Ban Eases Traffic Jams, Accidents

At a regular council meeting held in the Park on Monday, June 24, the solons were given a report on a traffic survey on Mack avenue made by Lt. Gordon Duncan, assistant chief of police and Sgt. George Blair, traffic safety officer.

The survey had a bearing on the "No Parking, No Standing" ban on Mack avenue, between Harvard and Cadieux. Parking is prohibited between 3 p.m. and 7 p.m. and affects seven business places on the one block. Since the ban was imposed in 1968, one place has closed; another is moving because of lease expiration, and the others are finding it difficult to conduct business.

Records do show, however, that since the ban was imposed, there has been a big drop in the number of accidents at the Mack-Cadieux intersection on the Park side. The center line of the avenue is the boundary line between the Park and Detroit limits, from Wayburn to Cadieux.

Before the 3-7 p.m. prohibition was instituted, there was a traffic jam at the intersection, with the result that motorists who normally would travel east on the avenue, would switch routes and drive on Charlevoix. The ban has eased the heavy traffic flow on Charlevoix to almost a trickle.

The following Mack avenue accident information, submitted to the council Monday night, were gathered from records since 1968:

In 1968, the total number of accidents was 46, of which 10 occurred between Wayburn and Somerset; and 36 between Somerset to Cadieux, which took place between the hours of 3-7 p.m.

In 1969, the number of accident was 45, of which 12 took place between Wayburn and

Somerset, and of the 33 that occurred between Somerset and Cadieux, eight happened between 3-7 p.m.

It was noted that this area now has posted signs prohibiting parking or standing between 3-7 p.m.

Last year (1973) a total of 47 accidents were recorded; six of which happened between Wayburn and Somerset, and 41 between Somerset and Cadieux, and of the 41, eight occurred between 3-7 p.m.

A volume count of east-bound Mack was taken in May 1969 and in June 1973, with both counts disclosing that about 3,000 vehicles, or 1/3 of the total 24 hour count use eastbound Mack between the hours of 3 p.m. and 7 p.m.

The reduction of accidents in this area, according to Duncan and Blair, shows a remarkable decrease during the ban hours, from a high of 38.8 percent in 1968; 24.2 percent in 1969, to a low of 19.5 percent in 1973.

Fare, \$1.50.

Also: St. Clair Shores City Hall, 11 Mile and Jefferson, rear parking lot. Depart 12 noon July 7 and July 21; 1 p.m. June 29; 6:45 August 5. Fare: \$1.75.

Because of the response to the service, reservations are necessary to insure adequate seating arrangements in all departure locations. Reservations may be made by calling SEMTA at 962-5515 or toll free 1-800-462-5161.

## Pierce Salutes Thomas Moore

The following is an excerpt from the Pierce Middle School newspaper, "Pierce Power."

At the conclusion of the last instrumental concert, Dr. Thomas Moore broke his baton and flung it into the air. This was actually the beginning of the end for Dr. Moore. Soon he will be retiring. It is tradition to break the baton at the end of a music man's career.

Dr. Moore, son of an oral surgeon at the University of Pittsburgh, was born in Beaver, Pa. His grandparents reared him in Cadiz, Ohio. The first time he had anything to do with music was in his senior year in high school when he took private lessons for the alto horn.

He finished high school during the Depression, when no jobs were available. Dr. Moore decided to go back to high school for a post graduate course. (Going back to high school after graduating was not considered unusual at that time.) Although he had never practiced brass instruments before, he started lessons then.

Later he went to West Virginia and joined the Wheeling Symphony. He played the cello for three years at Wheeling.

After leaving the Wheeling Symphony he had earned enough money to start Ohio State University. He played first bassoon in the band and assistant first cellist in the Symphony Orchestra. During this time he did professional radio work in Columbus.

In the summer vacations he played string bass in a dance band aboard ships on the Cunard line traveling between New York and Europe.

With a bachelor's degree in 1937 and a master's degree in 1941 from O.S.U., Dr. Moore started his first teaching assignment in Dover, Ohio, which was in a public school. He stayed there for seven years.

After teaching at two colleges, he started work on a doctorate at Chicago Musical College.

Dr. Moore came to Grosse Pointe in 1952. He taught at Monteth the first two years and then came to Pierce in 1954, having been at Pierce ever since.

## Board Accepts Tax Note Bid

Members of the Board of Education accepted Michigan National Bank's bid of 4.73 percent interest on the sale of the schools' \$6,570,000 tax anticipation notes. The action came at the Monday, June 24, School Board meeting.

The other bank which submitted a sealed bid was the National Bank of Detroit. Its rate was set at 5.45 percent.

School boards by law can sell tax anticipation notes up to 50 percent of the entire budget.

## Stolen Radio's Owner Sought

Farms Police are seeking the owner of a portable AM-FM radio, believed to have been stolen recently from the poolside at the Municipal Pier Park. Farms police have received the radio which is now being held at the Farms Police Station.

Police Chief Robert K. Ferber said persons who think the radio might be theirs are asked to contact his department and make positive identification.

When idle gossip meets an idle rumor both go to work.

## Pat Gage Wins Bazu Cup Race

The City Park was the scene of the first annual Bazu Cup Race, last Sunday, June 16. The Regatta is the first in a series, including the U-Gott Regatta and Pim's Cup. They are sponsored by the Union Street bistro, 150016 Mack avenue.

An overcast day did not deter the 25 warmly dressed skippers and crews from having a brisk duel in favorable winds.

Seven boats were entered, but it narrowed down to a two boat race between Brian Hickey's Morgan 22 "Drum Hat" and Jay Schmidt's Ensign "Chicane." However,

both boats were disqualified as a result of a mad dash collision for the finish line. This allowed Skipper Pat Gage and owner-crew Blair Miller aboard his Bullseye "Mudshark" to take a first place.

Second place went to Brian Melvin's "Dearborn Dolphin," skippered by John O'Brien and crewed by Joe O'Brien and Bill Harz.

Third place finishers were Dick and Larry Ray on their Catalina 22, crewed by Carol Robinson and Clarinda Olds, with a fourth to Rick Seavard's "O'Day 19."

## Former Pointer Aims for All-Stars

Making a strong bid as a write-in candidate for the All-Star baseball game to be held in July in Pittsburgh is former Pointer Steve Garvey, L. A. Dodgers first baseman. Steve has earned this possibility by compiling an impressive record this season. He is among the top 10 National League players in runs, runs batted in, hits and home runs.

Steve married the former Cyndy Truhan, daughter of Mr. and Mrs. Stephen Truhan, of Aline drive. Steve and his wife lived with the Truhans during the 1971-72 school year when both did their student teaching at

South High. In an interview in the Sporting News, Steve was quoted as saying: "Being named to the All-Star team under a write-in vote would be a great honor. I know that Bill Grabarkewitz

made it as a write-in, but it seems to me you either have to have a long name or a real short one." Pointers who would like to see a local boy make good must cast their ballots by July 7.

## TV Stolen From Porch

City police received a report from a Lincoln road resident on Friday, June 14, that between 1 a.m. and 8:30 p.m. on that date, someone entered his front screened-in porch and took a portable color television set and stand.

Richard Wallace told City police officer Dennis Van Dale the front porch door had not been locked. He estimated the value of the television at \$200.

## Thief Takes Lawn Mower

A Lorraine road resident complained to City police on Saturday, June 22, that someone had entered his garage and stolen a power lawn mower, sometime between Friday, June 21 and Saturday, June 22.

Adiel Van Becelaere said he heard a noise around midnight Saturday but thought nothing of it. He found the mower missing and a bushel basket on top of a car in the garage the next morning.

## One View From The Capitol

By William R. Bryant, Jr.

Representative John P. Smeekeens is under investigation for possible conflict of interest. It is the task of the Joint Committee on Conflict of Interest to determine if his actions violated the statute covering conflicts.

I am the only House Republican to sit on that six-member committee.

I also sit on a Special House Committee appointed by the Speaker to consider if Mr. Smeekeens should be disciplined by the House. Democratic member Jim O'Neill and I asked the Speaker to appoint the Special Committee.

It is the view of the Speaker, William Ryan, that primary responsibility or opportunity for discipline rests in the right of Mr. Smeekeens' constituents to recall him. But we cannot shrug off so easily our duty to consider discipline by the House.

It would be nice, in a way, if the questions involved were easy and answers easily arrived at, but the questions are very difficult.

To find conflict of interest under the statute involves a series of legal decisions each of which is complex. What seems clear is that Mr. Smeekeens in testifying before the State Air Pollution Commission did not disclose to the Commission that he had a money relationship with the company on whose behalf he was testifying.

His actions may or may not have constituted a violation of the statute. Clearly, however, he should have disclosed that he had such a relationship and failure to do so may be considered unethical behavior for an elected official, calling for discipline.

Mr. Smeekeens was elected as a Republican, but he is the one Republican in the House who refuses to come to caucus meetings or be bound by caucus decisions. This, plus the fact that he has few friends in the caucus would make it easy to jump on him for his actions now under study. We must be careful to protect his legitimate rights as well as those of the public.

We will proceed with this investigation with all reasonable speed. Hopefully before the primary in August, we will have resolved the matter in a way which is just and fair to the public, to Mr. Smeekeens, and to the legislature itself.

## Expect Heavy Holiday Travel

Michigan's July 4th holiday period should show a resurgence of summer tourist travel as motorists are expected to log more than 700 million miles on state roads during the 102-hour holiday period, according to the Automobile Club of Michigan.

The Auto Club is also expecting this July 4th to be one of the safest summer holiday periods in recent years.

Not only are Michigan traffic fatalities down 31 percent for the first 5 1/2 months of 1974, but highway traffic deaths also decreased 27 percent this past Memorial Day weekend.

The July 4th holiday weekend will begin at 6 p.m. Wednesday, July 3, and end at midnight Sunday, July 8. Although the state's camping and resort areas should have capacity crowds, the Auto Club is not expecting any major traffic jams until Sunday from 2 to 10 p.m. when the bulk of holiday vacationers head home.

The Auto Club advises motorists departing from urban areas at peak times to drive with special caution since they will be sharing the highways with normal heavy rush hours and commercial traffic.

The Club points out that near-home driving is a major factor in traffic fatalities since many motorists tend to be more relaxed and less conscious of traffic safety traveling in familiar surroundings.

An Auto Club analysis of last July 4th holiday, when 13 persons died on Michigan roads, also shows alcohol and two-lane roads as two other lethal factors in accidents.

The Auto Club noted that 50 percent of the drivers at fault in July 4th fatalities had been drinking while an overwhelming 82 percent of the holiday's fatal accidents occurred on two-lane roads.

Besides listening to their radio for the latest in highway information, holiday motorists should be on the look-out for freeway rest areas manned by civic groups offering free coffee to combat travel fatigue.

## Young Burglar Sentenced To 3-10 Years in Prison

John Patrick Higgins, no known address, who was shot and arrested by Park police while in the act of burglarizing the home of a rare coin dealer last February 18, was sentenced to 3-10 years in the Jackson State Prison Training Unit, by Circuit Judge Harry J. Dingeman.

Park Lt. Gordon Duncan said that Higgins was sentenced on May 30, but official notification of the sentencing was received on Thursday, June 20.

Higgins, 17, who was originally charged with breaking and entering of a dwelling with intent to commit larceny, was allowed to plead guilty to breaking and entering of an unoccupied dwelling with intent to commit larceny.

The youth was surprised in the home of the coin dealer, who because of the nature of his business, requested that his name and address be withheld.

Higgins was shot in the right shoulder by Patrolman Edward Serwach, when the officer, while peering through the front door, observed Higgins approaching with his hand in his jacket pocket as though he had a gun and was aiming it at the policeman. Serwach smashed the glass of the door and fired one shot, hitting the youth in the shoulder.

A search of Higgins' person at the scene, uncovered a five-inch long, two-inch wide vial, used for prescribed medication, in the pocket in which the youth had his hand. The prescription label contained the name of the person for whom the

medicine was intended, who resides in Audubon road. A wrist watch, taken from the Audubon home, which was forcibly entered earlier that evening by the convicted youth, was also found in Higgins' pocket.

Police were alerted by the coin dealer, who was taking his children to a swimming pool area and had stopped to pick up two neighborhood children. As he passed his house, he noticed a light in one of the rooms, which he was sure he had turned off. As he watched, the light went out in the room, and another light was turned on in a different room.

The dealer pulled into a neighbor's driveway and told his wife to call the authorities from the neighbor's house.

Sgt. Thomas Martin and Patrolmen Serwach and Robert Michael were dispatched. Martin went to the rear of the house and Michael to the side to prevent any escape. Serwach took the front.

Higgins apparently must have seen the flash of Serwach's hat badge as the officer was peering through the glass of the front door and reached into his pocket and raised his hand as though he had a gun.

At this point, Serwach, believing that Higgins did have a weapon, broke the door glass and fired one shot.

Higgins was taken to Bon Secours Hospital for treatment of the wound and was detained as a prisoner in Wayne County Jail until his May 30 trial, when he could not meet a bond of \$5,000.

## Juveniles Face Triple Charges

A trio of Detroit juveniles, all boys, were apprehended by City police, Thursday morning, June 20, and now face multiple charges.

At approximately 12:25 a.m., Officers Edward Miller and Ronald Pryor were on routine patrol when they spotted the youths going south on Lakeland avenue, one walking a 10-speed bike in the street and the other two walking alongside him on the sidewalk.

When officers stopped them, identification given by the two youths on the sidewalk indicated they were from Detroit. They told Officer Miller they were going home with the other youth who had the bike but that first they all intended to stop at his girlfriend's house down the street.

The boy with the bicycle claimed he had just bought it for \$15 at the corner of Mack and Lakeland, but Officer Pryor noticed it had a City bike license on it.

Before the youths were conveyed to the station, police found a plastic bag of suspected marijuana on the sidewalk next to them. Later on, officers found cigarette papers in two of the boys' wallets.

The bike was registered to R. W. Vance, of Lakeland avenue, who said he paid \$260 for it and that it had been taken from his unlocked garage.

According to the police report, charges will be filed against the youths for larceny from a garage, possession of stolen property and violation of the controlled substance act.

## City's Parking Rates Revised

The Grosse Pointe City Council moved to revise parking rates for attendant lots and the new parking structure behind Jacobson's at the regular meeting Monday, June 17.

Effective Monday, July 1, attendant parking lots and the parking structure rates will be 15 cents for each hour or portion thereof. Maximum all day rate for surface lots will be \$1.10 and the maximum all day rate for the parking structure will be \$1.50.

City Manager Thomas Kressbach stated the purpose of the rate revision is to offset increased operating costs experienced during the past five years and to provide for substantial cost escalation that will be experienced in the future for lot resurfacing and maintenance.

The first early car to really catch the public eye was called the Merry Oldsmobile. It was designed as an economy car by Ransom E. Olds. The car was a two seater and had a one-cylinder engine. The car sold for \$650, about half as much as the price of its competitors. In 1914 Henry Ford opened the world's first moving assembly line for automobiles and for the next eighteen years the Model T Ford held supremacy in the economy line for cars.

## Letters to the Editor

Dear Editor:

Through this medium, the Grosse Pointe News, I wish to thank the entire community for their participation in the Grosse Pointe War Memorial's All Community Pet Show sponsored by the Grosse Pointe Youth Council. Thanks should also be extended to the four judges who so graciously donated their time to the community. They were Mrs. Lee Meyer of This 'N' That For Pets, Mrs. Doris Lubeck of Renaud road, Miss Donna Carr, owner of the Fancy Pans Doggie Salon, and returning judge, Grosse Pointe Farms Police Chief Robert Ferber. With their knowledge, they judged the varied pets in the show. Walking along the lawn of the War Memorial, one could see dogs, cats, birds, fish, Myrtle the Turtle, mice, guinea pigs, rabbits, and a few members of the lizard family.

Mrs. Meyer and Miss Carr receive my special thanks for donating the many special prizes which were awarded to the winners of various categories. I'd also like to thank Jack In The Box. Jack came

and entertained the children by passing out balloons and suckers.

Also entertaining the participants was Tony Rico of Paradise For Pets. Mr. Rico presented a dog obedience demonstration which was the highlight of the day's activities.

Again many thanks, Barbara Masten 1884 Lancaster

To the Editor:

In answer to 12-year-old David Blais on his baseball attack:

First, no 12-year-old could possibly write such a well worded "selfish" letter by himself.

What inconvenience is there to playing in Little League? Or is it his mother doesn't like washing his uniform? Little League is certainly no inconvenience to a 12-year-old avid sports fan unless it's because he has to walk or ride his bike to the diamond. I have two boys, 10 and 11, with no father as he is deceased and this Little League is a very good outlet for their summer energies.

If they would discontinue Little League because of one family's selfishness then I am afraid I would be the first one on his front sidewalk with a picket sign. His and his parents' letter should never have been put in the paper as it was very much an inconvenience and waste of my and other people's precious time to read such a foolish letter and a waste of newspaper when there is a paper shortage already.

Thanks for listening to the other side.

Mrs. J. Noel

## What Goes On at Your Library

By Arthur Woodford  
Chief of Central Library

The backbone of any library is its book collection. To answer questions and to provide the other services patrons require, a library staff depends on books, be they text books, almanacs, directories, bibliographies, anthologies, handbooks or whatever. One other major portion of a library's resources will be found in its periodical collection. At the Grosse Pointe Public Library our periodical collection covers a wide range of subjects and in many cases provides information not yet available in book form.

We have, of course, the standard news magazines such as NEWSWEEK, TIME, and U.S. NEWS & WORLD REPORT, but we also have many periodicals with which you may not be readily familiar. In the area of Art, we have several excellent magazines. AMERICAN ARTIST presents a how-to-do-it approach to art for teachers and students. ART IN AMERICA is the single best general art magazine published in America, and is concerned primarily with the visual arts.

ART NEWS is the oldest of the American magazines on art. It contains serious, well-written criticisms of art movements, works of individual artists, special collections and exhibitions of interest to the art collector, as well as to artists and to students.

DESIGN is a useful magazine of practical suggestions for teachers, artists and craftsmen. Articles deal with art appreciation, instruction and hints on how to improve techniques and skills used in various crafts.

INTERIORS is published for the interior designer, architect and industrial designer. Each issue is devoted to a special topic and, while primarily for the professional, it is of interest for the layman.

The four basic general business magazines in our collection are BUSINESS WEEK, FORBES, FORTUNE and NATION'S BUSINESS. These are familiar to most every reader. Two other useful business periodicals are DUN'S REVIEW and HARVARD BUSINESS REVIEW. DUN'S REVIEW contains well-written feature articles discussing business from the financial angle in a readable style for the general adult reader and student, as well as for the business executive. The HARVARD BUSINESS REVIEW is designed for the serious student of the current business scene. Businessmen, teachers and scholars will find the lengthy articles concerning trends, predictions, and developments of great interest and value.

In the field of History, we have a number of excellent magazines. One of the most popular is AMERICAN HERITAGE, an outstanding historical journal which has succeeded in presenting scholarly material at a popular level. Articles cover every conceivable aspect of American history from major to minor events and personalities. The magazine has a handsome format with numerous illustrations and photographs, many of which are in color.

For those who enjoy AMERICAN HERITAGE, I would recommend the new AMERICANA. In only its second year, this journal is also published by the American Heritage Society.

A first cousin to AMERICAN HERITAGE is HORIZON. With a similar format, hard cover, and striking color photographs and drawings, HORIZON's primary coverage is World History in its broadest definition.

In the area of Local History, we have MICHIGAN HISTORY. This is the official quarterly journal of the Michigan History Division, Department of State. It has, as its primary purpose, the publication of scholarly articles, documents, and reviews contributing to the knowledge and study of the history of the State of Michigan.

A companion in the field of Local History is HISTORY NEWS which is published by the American Association of State and Local History.

Sports is another area in which we have a wide range of periodicals. The magazine FLYING has a good mixture of technical and popular material on aviation which will appeal to young people and adults alike.

GOLF MAGAZINE is for the recreational golfer and those interested in improving their game. It contains expert instructions and commentary by professional golfers and offers tips, suggestions and answers questions on techniques, tactics, and rules of the game.

For the sailor, we have RUDDER and YACHTING. In addition, we have MOTOR BOATING which, in view of its wide scope and authoritative articles, is one of the best general boating magazines.

SKI has informative articles lavishly illustrated, spotlighting activities throughout the ski world. One of its primary features is that it contains where to go and where to stay information, both for the United States and abroad.

The tennis buffs have their magazine too. WORLD TENNIS contains news and features for anyone interested in the sport. Valuable tennis instruction is accompanied by action photographs and diagrams. Articles by well-known professionals include tips on tennis fashions, tournaments and equipment.

These are just a sampling of the many magazines available at your Grosse Pointe Public Library. Science, political affairs, home management, fashion, education and literature are some of the other subjects for which you will find a fine selection of periodicals. One of the other most popular subjects is Hobbies, and that will be the topic of next week's column.

## Miss Liggett Speaks Vows

Pamela Jane Liggett, of the Shore Club, daughter of Dr. and Mrs. Lawrence M. Liggett, of St. Marys, Pa., and Robert Louis Schwartz, son of Mr. and Mrs. Louis August Schwartz, of Grayton road, exchanged marriage vows Saturday, June 22, at a noon ceremony in Grosse Pointe Memorial Church.

The Reverend John L. McCreight presided at the rites which were followed by a reception at Dearborn Inn.

The bride wore a formal gown of rose-patterned ivory peau d'ange lace, with a train, and a matching bridal hat of re-embroidered Alencon lace accented with seed pearls, a large silk organza bow and streamers.

She carried a crescent of orchids centered with the Brussels lace butterfly used by her mother and paternal grandmother at their weddings.

She was attended by her sister Mrs. Robert L. Brooks, of Ann Arbor, as matron of

honor and bridesmaids Mrs. M. Dana Baldwin, II, of Grand Rapids, Mrs. Ted Phillips, of Ann Arbor, and Mrs. Philip Sarnacke, of Midland, the bridegroom's sister.

Their pastel pink halter-style frocks featured matching jackets. They carried Colonial arrangements of pink daisies, pixie carnations and baby's-breath with ivory satin streamers.

Best man was Karl J. Breyer, of New York City. William L. Seppala, J. Kent Cooper and Mr. Sarnacke seated the guests.

The mother of the bride chose a floor length princess dress of pink floral Thai silk with a matching silk organza jacket. The bridegroom's mother selected a turquoise gown, also long-skirted. Both mothers accented their costumes with cymbidium orchid corsages.

The newlyweds, both practicing attorneys in Detroit, will make their home at the Shore Club.

**Symphony Preludes steering committee.**  
The Preludes, sponsored annually by the Women's Association for the Detroit Symphony Orchestra, are morning information/"fun"/musical sessions held at the Grosse Pointe War Memorial. A subscription luncheon follows each program.

Lee, who has just succeeded Alice (Mrs. Arnold W.) Lungershausen, of Berkshire road, as Preludes chairman, entertained her steering committee at the von Bergs' new home with its fabulous Game Room.

It's Dr. von Berg's Game Room, actually, but Hans doesn't mind if the ladies look inside...

Alice Lungershausen looked, as did Elly (Mrs. William H.) Bundesen, Marge (Mrs. Winfield S.) Jewell, Florence (Mrs. Ray W.) Macdonald, Alice (Mrs. Robert O.) Reissig, Betty Lou (Mrs. William R.) Shaw, president of the Symphony Women, and Pat (Mrs. John E., Jr.) Young.

Audrey (Mrs. John L.) Denman couldn't make the meeting, but she's very much a working member of Lee's committee.

And now for some hard-core information... the 1975 Preludes dates have been finalized. They are February 7, February 28 and March 21. The programs will start at 11 instead of 11:15 o'clock next year.

The format will vary, but each Prelude will be Entertaining, Enlightening and Educational. Those are Lee von Berg's "Three E's" for a successful season.

## Here From The West

Mrs. Augustin Nutter is in The Pointe after a winter in her Del Mar, Calif., home, visiting her grandchildren and son and daughter-in-law, Mr. and Mrs. Russell H. Nutter, of Moran road.

Mrs. Russell Nutter entertained at a tea in her mother-in-law's honor June 17. Mrs. Augustin Nutter will be returning to California at the end of the month.

Other recent visitors from the west at the Russell Nutter home were Mrs. Nutter's brother-in-law and sister, Mr. and Mrs. Edwin T. Taylor, former Pointers who now reside in San Jose, Calif. They arrived June 21 for a visit with the family before heading off to their summer home at Walloon Lake.

## Up From The South

Mr. and Mrs. Ernest A. Carrere, Jr., who came up from New Orleans, La., for the Detroit Women's Council of the Navy League of the United States' Navy League Ball at Lochmoor Club, knew pretty much what to expect when they got here.

They'd read all about it in the NEWS. Seems that the Carreres, (he's national president of the Navy League), have a transplanted Pointe friend in the south, Mrs. Robert Magee, the former Joan Stringer, who keeps up with happenings "back home" via her Grosse Pointe NEWS subscription... and Joan read about the Carreres' anticipated trip to The Pointe in this column June 6... and immediately called Sis Carrere and her husband, to tell them Grosse Pointe was waiting with bated breath for their arrival.

It's nice to know you're wanted.

## Coming From The East

Pattie Dieters will be flying into town July 5 for a visit with her grandparents, Mr. and Mrs. Aaron E. Wilcox, of Loraine road, part of a summer tour that's planned to take her to Paradise Lake, East Grand Rapids, for a rendezvous with cousins Debby and David Byl, then on to Colorado via Blue Springs Lake, Wis., and a stay with the Dwight Nelsons, Jr.

After a fast look-in at Estes Park, Vail, Aspen and Durango, the 17-year-old Miss Dieters will head home to Maplewood, N.J., and the Wilcoxes will begin preparations for the late-summer visit of her brother, Bobbie, who is spending part of his holidays at a boy's camp in upper New York State.

As for John and Mimi Dieters: they've been planning a trip to Europe for quite some time now...

## Name Leaders For UF Drive

Grosse Pointe Memorial Church is Setting for Afternoon Ceremony at Which Wendy Taylor Ewald Speaks Marriage Vows

Planning to make their home in San Francisco are Mr. and Mrs. William Jeffrey Hooper, who motored to Florida to vacation following their wedding Wednesday afternoon, June 19, in Grosse Pointe Memorial Church.

Mrs. Hooper is the former Wendy Taylor Ewald, daughter of Mr. and Mrs. Henry T. Ewald, who entertained at a reception at their Moross road home following the 4 o'clock rites.

Jeff is the son of the William Hoopers, of Yellow Springs, O.

For the rites at which Dr. Allan Zaun and The Reverend John L. McCreight officiated the bride chose a long white cotton gown styled with a smocked bodice, long sleeves and a high neck. Her flowers were gardenias circled with stephanotis.

Her veil of antique white Belgian lace had been worn by her mother, her aunt Mrs. Charles Pfeiffer and Mrs. Brewster Loud, her cousin's wife.

Karen Peugh came from Mississippi to act as Wendy's honor maid. Bridesmaids were Betsy Gram, Caroline Irving, of London, England, and the bride's sisters, Holly and Tracey. Her four-year-old sister was flower girl.

Wendy purchased frocks for her attendants at Liberty's in London. Fashioned of white cotton with a tiny floral print, they featured full, tiered skirts, long sleeves and high collars.

The honor maid and bridesmaids wore wide-brimmed white straw hats and carried bouquets of bachelor buttons accented with coral and white carnations.

Best man was Michael Irving, of London. Ushering were Adrian Gill, the bride's second cousin, also of Lon-

Saint Clare de Montefalco Church was the setting for the wedding of Marilyn Ann Codd and George Gerard Gilin Friday evening, June 21. They plan to make their home in Courville road.

The bride, daughter of Mr. and Mrs. George Codd, of Devonshire road, designed her gown of lace-applied organza with its sweeping train.

A lace bandeau held her bouffant illusion veil and she carried an arrangement of gardenias and stephanotis.

She also designed the pale blue dotted swiss frocks worn by her attendants. Maid of honor was Linda Butterfield.

Bridesmaids were Marcie Farrelly, the bridegroom's sister, and Janice and Linda

Kome and Ruth McNally, and flower girl was Kathy Malone, all nieces of the bride.

Their Colonial bouquets were fashioned of white daisies and blue miniature carnations.

The bridegroom, son of the George Gilins, of East Detroit, asked Ernest Alicando, of Novi, to act as best man.

In the usher corps were Ron Neal, Lawrence Gilin, Donald Farrelly and Thomas Genette.

At the reception at Royalty House following the rites dancing music was provided by Eddie Schick's Orchestra.

The mother of the bride chose a corsage of yellow cymbidium orchids to complement her pale yellow gown. The bridegroom's mother, in pale green, selected green cymbidium orchids.

The 57-year-old girls camp in northern Wisconsin is owned and operated by Mrs. Francis E. Brossy, of McKinley place.

Among staff members who will meet the girls upon their arrival are Pointers Charles T. Fisher, IV, who heads the water skiing department, Lisa Fisher and Muffy Boomer, who will teach tennis, Jim Ford, who will instruct sailing, and Barbara Howard and Julie Trowbridge, arts and crafts instructors.

People who don't know which way to turn should stay on the straight and narrow path.

## SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

## Grandmas Go Off to Camp

A two-generation gap will be bridged at Camp Fire Girls' Camp Wathana, near Holly, June 29 through July 2, when Camp Fire Blue Birds arrive with their grandmothers for a session called Me and My Grandma. Marian Trout, of Hampton road, will be there, with granddaughter Donna Smith. Easily grabbing honors for "grandma coming the farthest distance" is Inez Colburn, arriving from Zephyrhills, Fla. Mrs. Colburn's campmate is her granddaughter, Becky Colburn, of Garden City.

"We read about Me and My Grandma in the Camp Brochure last April," says Becky's father, Charles Colburn. "It sounded like fun, and my mother agreed."

"She and my father come north to visit the family each summer. We used to camp with a big old army tent in the Smokies when I was growing up, so my mother has some experience." This will be Becky's first time at camp.

The Me and My Grandma program, a four-day session, is designed for girls, members and non-members, of Blue Bird age, (six to eight), and for grandmothers of any age. Girls without grandmas are encouraged to adopt one for the session.

As a matter of fact, some of the "grandmothers" are impostors. Pat Jensen, staff member at the Detroit Area Council office, will be grandmother to Cathy Barringer, a seven-year-old from Port Huron.

Pat, just barely old enough to have a married daughter, will probably be the youngest grandma at Camp Wathana. She and her new granddaughter have never met. Blue Birds bunk with their peers in cabins. Girls and grandmas will unpack, rub on mosquito repellent, then sit down together with members of the camping staff to decide how they want to spend their four days.

Wathana encompasses 380 acres of woods and water, with opportunities for swimming, fishing and boating in a spring-fed lake, archery, hiking, picnics, horseback riding, crafts—perhaps even some loafing.

The idea for Me and My Grandma originated with Staff Camping Specialist Connie Coultier. "At various community meetings I was hearing complaints that no one does anything for senior citizens. It sounded like a good opportunity for Camp Fire."

Camp Fire Girls Detroit Area Council is a Torch Drive agency serving 8,000 girls and adults in the tri-county area. Camp Wathana, owned and operated by the Council, holds resident camping sessions June 22 through August 21.

Wathana is open to members and non-members alike, on a first-come, first-served basis, for girls six through 17.

## GOP Women Give Award

The Eastside Women's Republican Club recently presented their J. Edgar Hoover Award, given annually to the individual in the community who personifies Hoover's qualities of dedication to duty, devotion to country, personal honor and integrity, to Wayne County Circuit Court Judge THOMAS J. FOLEY. Standing with Judge Foley are Club members MRS. EARL HEENAN, of Bishop road, (left), and MRS. RICHARD DURANT, of Lincoln road.

## Pro Musica Looks Ahead

Pro Musica Society members gathered for their annual dinner meeting and election of officers Tuesday, June 4, at the Women's City Club. Mrs. Terrence Bannan was chairman of the evening.

Mrs. Frank W. Coolidge, incumbent Pro Musica president, was unanimously returned to office. Unopposed and also unanimously returned to their respective offices were Alexander Sucek, of Notre Dame avenue, first vice-president; Mrs. Bannan, second vice-president; Edward P. Frohlich, of Preston place, treasurer; and Mrs. Berj H. Haidostian, secretary.

Board members include Pointers Mrs. Edward Baumann, Thomas V. Locicero and Mrs. Edward Roth and Noel Duncan, Eugene Karpus, Mrs. Daniel Knott, Edward Kroll, John Miller, Mrs. Albert Zanolli and Mrs. George Zeitz.

Mrs. Bannan will serve as chairman of hosts and hostesses. Mrs. John M. Chase, Tuxedo 5-5787, as membership chairman, and Mrs. Knott as publicity chairman. Miss Charlotte Moore is in charge of new members. Mr. Sucek of membership relations.

## GPYC Holding Tennis Match

The Grosse Pointe Yacht Club will hold a mixed doubles tennis invitational tournament this weekend, featuring competition at all levels on Saturday and finals and semi-finals Sunday, and a barbecue on the courts Saturday evening.

Alex and Peggy Gibson, John and Georgia Brooks and Bob and Ann Chandler are in charge of arrangements.

## Community Picnic Evening Scheduled

Pointers are invited for an early evening of summer magic and nostalgia on the Alger House Terrace, lakeside lawns and gardens of the Grosse Pointe War Memorial Center Sunday, July 14, starting at 6 o'clock.

Everyone is encouraged to bring a picnic hamper and thermos. Pop, popcorn and ice cream will be available. There will be balloons for the children.

Tables and chairs will be set around the lawn for picnicking, or picnickers may bring their own blankets. Singles, dates, married couples and whole families are welcome. The affair will be moved indoors into Fries ballroom in case of rain.

Festivities begin promptly at 6 with music from the Terrace by Tommy Saunders and his Surf Side Six, just returned from concertizing in New York's Carnegie Hall.

Picnickers may listen, dance—or do both.

Tommy is a Grosse Pointe product who started with his band and trumpet some years

back when the basement of Alger House was devoted to a Blue Foot Inn for Pointe teens. He went on to tour nationally with Pee Wee Hunt before returning to the Detroit area, where he plays regularly at the Presidential Inn.

The music concludes at sunset. Old comic movies will then be shown under the stars, featuring Charlie Chaplin, W. C. Fields, Buster Keaton, Laurel and Hardy and Our Gang.

Families, (the larger the better), will be admitted en masse for \$8. Music, dance and movies are \$3 per non-family person. Come by bike, buggy or boat.

In today's world anyone who tries to make an honest living can—there's little competition.

Did you ever hear of a comomile eye pack? They are great for relieving eye tension, and easing those dark circles. Buy a package of Roman comomile and a roll of three inch gauze. Cut the gauze into five inch lengths, fold over, and sew up to form bags. Put in comomile and sew the ends. Then steep two comomile bags in hot water for five minutes, remove the pads, cool, and then apply one over each eye. Cover with a folded cloth and lie quiet until the pads are cold. Repeat this for one week and notice the difference.

## Orchestra Hall Forms Family

A new group to develop financial support for the restoration of Orchestra Hall, the Orchestra Hall Family, and its phase I fund-raising goal of \$1 million, has been announced by Frank D. Stens, co-chairman of Orchestra Hall Family.

"We wish to have Orchestra Hall in public use by the 1978 bicentennial year," he stated. "Detroit has a gem in Orchestra Hall. The late Pablo Casals called it an acoustical marvel. Last month, Shirley Love of the Metropolitan Opera sang in Orchestra Hall privately and said, 'The Met on tour hardly

ever gets to sing in a building of this acoustical quality. It will be a high crime if this hall dies.'

"Orchestra Hall is in the National Register of Historic Places. Orchestra Hall is Detroit's equivalent of Carnegie Hall, New York City, and is capable of coming alive with similar superb programming and great performing artists of the world in surroundings worthy of them.

"On May 10 Mayor Young dedicated a plaque at Orchestra Hall, recognizing it as the first building designated by the City of Detroit as an historic landmark. Its

revitalization will greatly complement the improvement of the neighborhood near Orchestra Hall and the new Medical Center across Woodward from the Hall."

The Detroit Bicentennial Commission, on June 7, named Orchestra Hall as a bicentennial project.

"The Orchestra Hall Family's restoration fund goal of \$3 million is soundly based on architectural estimates by Richard C. Frank, architect, a member of the National Trust for Historic Preservation, in association with Smith, Hinchman & Grylls Associates, Inc., Detroit, and Johnson, Johnson & Roy, Inc., Ann Arbor," Mr. Stens noted.

"The architectural study of Orchestra Hall, with a view to its restoration, was partly financed by the National Trust for Historic Preservation.

"We have planned to restore Orchestra Hall in two phases. Phase I, valued at \$1 million, will make the Hall comfortable and useable to the extent of 1,000 seats nearest the stage. Making the exterior presentable and having the Hall in use in time for bicentennial year programming are among the priorities of phase I.

"Phase II, projected at \$2 million, will complete the restoration of this handsome auditorium in every detail, including bringing it to its full seating capacity of 2,200."

Officers of the Orchestra Hall Family include co-chairpersons Mrs. Jeremiah V. Jenks, of University place, Mrs. Joseph Siegel, Sander M. Levin, Frank D. Stella and Thomas Turner; vice-chairpersons Mrs. C. Bradford Lundy, George Simon and Mark Valente, all Pointers, secretary Richard Magon and acting treasurer Mario Di Fiore.

Di Fiore and Magon are also members of the executive committee of Save Orchestra Hall, Inc., a local citizens group that prevented the raising of Orchestra Hall and in 1972 acquired title to it.

Paul Ganson, president of Save Orchestra Hall, Inc., said, "We shall look to the Orchestra Hall Family, in the months ahead, for leadership of a restoration fund that will permit the realization of all the best hopes and dreams of our citizens for Orchestra Hall."

Contributions are being received payable to Save Orchestra Hall, Inc., c/o 306 City National Bank Building, Detroit, Michigan 48226. Contributions are tax deductible and will be officially receipted.

## Dorothy Steiger Loves Her MCF 'Job'

The Grosse Pointe area is rich with people who have something important to offer — their time and effort. That's the contention of MRS. HERBERT STEIGER, of Blairmoor

Dorothy Steiger is volunteer office chairman for the MCF Unit serving Grosse Pointe, Harper Woods and the northeast Detroit communities.

"I feel there are a lot of people looking for something worthwhile to do," she says.

"There's a wealth of talent in any community. The Grosse Pointe area certainly can offer important help and services for programs like the Michigan Cancer Foundation."

A Torch Drive agency depending on local community support, the Michigan Cancer Foundation is dedicated to cancer control through programs of research, detection, treatment, rehabilitation and public education.

Mrs. Steiger has been an MCF volunteer since April, 1971.

"I really feel that my association with the Michigan Cancer Foundation has added depth and dimension to my life. I feel that the little I do is important."

"I feel I do contribute something, and this not only helps my community; it helps me."

Mrs. Steiger believes there are many others who can help.

"They're out there. All we have to do is reach them."

MCF volunteers historically have played a vital role in local-area cancer control efforts.

They conduct smoking withdrawal clinics, assist in cancer detection clinics, provide literature and educational materials, address organizations, clubs and community groups, show films, visit and counsel or transport patients, perform office and clerical functions and make or distribute cancer dressings.

While volunteers often are utilized primarily as door-to-door money-collectors in other agencies, they are important members of the "team" in the MCF network of services throughout southeastern Michigan.

"It's truly a wonderful feeling. Being associated with dedicated MCF people means a great deal to me," Dorothy Steiger notes.

Mrs. Steiger's Michigan

Cancer Foundation involvement started with Christmas cards.

"I ordered Christmas cards through the Foundation's East Unit Office in November of 1970," she recalls. "When I picked them up at the office, (located at 10711 Whittier, west of Cadieux and north of the Ford freeway), I asked if there might be something I could do for the organization."

Within five months Mrs. Steiger was serving as Unit Office chairman.

A former employment background as secretary for six years in the manufacturing department of General Motors' Chevrolet Division helped.

"I would have been happy just to do some typing," Mrs. Steiger says. "I just wanted to help."

"I knew about the Michigan Cancer Foundation and its efforts, and I felt by helping the Foundation I could help the community in its struggle against cancer."

Her "job" includes coordination of Christmas card distribution, monitoring office supply requisitions and coordinating Unit Office business and public activities, plus some community information presentations.

Routinely, Mrs. Steiger spends Mondays at the area Unit Office. She's there from about 10 o'clock to 4, and is available at other times and days for special programs.

MCF volunteers donate a wide range of time to the community cancer control effort. Some give a couple of hours periodically. Some give regular days. All help is appreciated.

Mrs. Steiger's husband, Herb, an independent insurance agent, and the couple's 18-year-old son Rick and 20-year-old daughter Jan support her volunteer efforts.

"I think they understand that what I'm doing is trying to help people."

What about her friends and neighbors?

"They know this is what

## DBC to Host 80th Regatta

The Detroit Boat Club hosts its 80th annual Sailing Regatta this Saturday, June 29. The event, one of the oldest regattas on the Great Lakes, includes nearly every sailing club in the area which is a member of the Detroit River Yachting Association.

The gala evening party that follows the day of sailing is always a colorful affair, with visiting commodores in full dress uniforms and the presentation of trophies.

Rear Commodore Duane W. Bacon, Jr., and Vice Commodore Robert M. Filiatrault are hosts for this year's Regatta. Donald A. Henkelman is the current DBC Commodore. Edward R. Harrigan is Club president.

I'm doing and where I go every Monday. I have the time and energy to do it. I don't expect any extra praise. "I know I'm doing something worthwhile right in my own community."

Mrs. Steiger recommends that more people join her.

"We all have to be involved." Painters who would like to assist the Michigan Cancer Foundation, either as volunteers or persons who can serve in special community projects, are invited to call the area Unit Office. The number is 372-2678.

## Miss Burke Bride Of John F. Varty

Reception at Country Club of Detroit Follows Noon Rites; Bride's Sisters Serve as Honor Maids, Bridegroom's Brother as Best Man

Vacationing in Toronto and Montreal are Mr. and Mrs. John Francis Varty, who exchanged marriage vows Saturday, June 22, at a double ring ceremony in Saint Paul's-on-the-Lakeshore. They will make their home in Cincinnati.

Mrs. Varty is the former Margaret Anne Burke, daughter of Mr. and Mrs. C. John Burke, of Lewiston road.

The noon mass at which The Reverend Father James F. Cronk presided was followed by a reception at the Country Club of Detroit.

The former Miss Burke, given in marriage by her father, wore a gown of ivory English net and lace and carried a nosegay of dried flowers.

She wore a short veil bordered in Belgian lace with a headpiece of heirloom Rose-

pointe lace, in her family for five generations, previously worn by her grandmother Mrs. Cyril J. Burke, of Bal-four road.

Mary Ellen and Colleen Burke, in sleeveless frocks of blue-shaded floral silk organza with large ivory collars, were their sister's honor maids.

Bridesmaids, dressed identically, were Helen and Karen Varty, the bridegroom's sisters, Janice Fahey, of Stamford, Conn., and Joannie Ford, of Minneapolis.

They wore large ivory

## Children's Art Camp Offered

The 9 to 10:30 o'clock session is for students aged five through nine, the 10:30 to noon group for ages 10 to 15.

Students work either indoors or on the lakeside lawn, depending on weather, in a variety of media. They create sculpture, collage, drawings, paintings, et al.

Fee for the three-week daily classes is \$30 plus \$5 materials charge.

The Camp is limited. Advance registration at the Center's office advised.

straw hats trimmed with pale yellow bands and side bows and carried baskets filled with blue and yellow dried flowers tied with pale yellow ribbon.

Michael Scott Varty acted as his brother's best man. They are the sons of Mr. and Mrs. John Gerald Varty, of Audubon road.

Ushers were John C. Burke, the bride's brother, Daniel R. Petrole, of Cincinnati, Mark Pepper, of Vineland, N.J., Mark Kelly, of Mount Clemens, and Michael R. Reno.

James Horan, the bride's cousin, came from Montpelier, Vt., to serve as ring bearer.

The bride's mother wore a floor length dress of pale yellow chiffon styled with long sleeves and a shirtdress bodice, the bridegroom's mother a long gown of blue chiffon.

## Sister M. Ann Dirkes Has Cause To Rejoice

A family party will honor former Pointer Sister M. Ann Dirkes this Saturday, June 29.

Sister Ann is celebrating her Silver Jubilee as a member of the Dominican Sisters of Adrian, Mich., as well as her graduation from Wayne State University. She has received a Doctor of Education degree with a major in Curriculum Leadership and a minor in Mathematical Education.

## MCF Pap Test Clinic Offered

The Michigan Cancer Foundation (MCF) community Pap test program has

received a Bachelor of Science degree from Siena Heights College and a Master of Arts in Mathematics from the University of Detroit. She also attended John Carroll University and the University of Oklahoma.

During her professional career Sister Ann taught at Saint Ambrose High School and spent two years as principal of Saint Paul High School. She has accepted a position with Indiana University-Purdue at the Fort Wayne campus for the fall semester.

Dr. Dirkes is the daughter of Mrs. Vincent M. Dirkes, of Dorthen avenue, and sister of Mrs. John F. Vismara, at whose Muskoka road home the party was held.

screened over 38,000 women in Wayne, Oakland, Macomb and Monroe counties for cervical cancer since 1971. Success of this program is due largely to the active participation and support of a corps of volunteers who staff the clinics under supervision of Michigan Cancer Foundation personnel.

Volunteers distribute flyers and posters in advance of a clinic, serve as hostesses and history-takers during a clinic or, if they are registered nurses, may clinically conduct tests.

One Michigan Cancer Foundation volunteer is Margery Ciavola, a registered nurse from Grosse Pointe.

Mrs. Ciavola became involved with MCF six years ago through the United Foundation and its Health-O-Ramas.

The Michigan Cancer Foundation is a Torch Drive—United Way agency with unit offices in Wayne, Oakland, Macomb and Monroe counties.

Not only does Mrs. Ciavola participate in numerous Pap test clinics each year, she also serves as an instructor for other volunteers. She visits areas where a clinic will be held and trains volunteer registered nurses to perform Pap tests.

Mrs. Ciavola explains that she donates her time because she feels the Michigan Cancer Foundation is providing a valuable health service for women throughout the Detroit area.

She would like to see more women become involved, both as volunteers and patients.

"Women should be more aware of what's happening to them. They should be educated to be alert to the symptoms that could indicate something serious."

"Women should also be more concerned with their physical well-being, especially by having annual physical examinations which include a Pap test," she says.

## LWV Elects New Officers

Mrs. Tom R. Mason was elected vice-president of the Grosse Pointe League of Women Voters at the League's annual meeting held recently at the Grosse Pointe Yacht Club. New treasurer is Mrs. James S. Sanford.

President Mrs. Joseph P. Thompson begins her second year in office as do Mrs. Charles R. Kinnaird and Mrs. Roger A. McCaig.

Elected to directorships were Mrs. Sterling P. Berry, Marcia Cron, Mrs. C. B. Conover and Mrs. Bruce Sanders.

New appointees to complete the board of directors are Mrs. Joseph Marshall, Mrs. Peter Higbie, Mrs. Frank C. Piku, Mrs. Philip D'Agostino, Mrs. J. Howard Kay, Mrs. Joseph Suski and Mrs. William T. Krebs.

Mrs. Conover and Mrs. Piku have scheduled a Membership Cheesefest for late September to introduce the League of Women Voters to prospective members in Grosse Pointe and surrounding communities which are not served by Leagues of their own.

New Zoning Study The League will be working for ballot approval of the office of an executive officer for Wayne County in the November election. The environment also will claim much league study time in the coming year, with a new item on land use and zoning policies in the Grosse Pointes sharing focus with problems of energy and recycling.

"Fortunately," she adds, "women are becoming more aware of our Pap test program and are taking advantage of the free tests."

The next Michigan Cancer Foundation Pap test clinic will be held in Detroit at Saratoga Hospital July 9 through 12. The Hospital is located on the East Side in Gratiot avenue, one-half mile south of Eight Mile road.

Tests will be conducted from 9:30 to 4 o'clock daily. Appointments may be made by calling the MCF East Unit office at 372-2678 or 372-0780 between 10 and 4 o'clock.

To learn more about the Michigan Cancer Foundation community Pap test program or to become a volunteer, call MCF at 833-0710.

## Science Center Drive Begins

Plans to raise \$1.6 million from Detroit's business, industrial and labor communities to help build a \$6.1 million Detroit Science Center have been announced by Wilber H. Mack, of Country Club drive, newly-appointed general chairman of the Science Center fund drive.

The proposed facility will be located in Detroit's Cultural Center area and has a scheduled completion date of 1977.

Joining Mr. Mack as co-chairmen of the fund-raising task force are Roy R. Chapin, Jr., of Country Club Lane, and Robert B. Semple, of University place.

The project was given immediate support by Mayor Coleman Young, the campaign's honorary chairman,

who said the Science Center would not only be a cultural benefit to the community and a vital educational experience for the city's youngsters and adults, but also an important tourist attraction for visitors to Detroit.

Mayor Young noted that of the 10 largest cities in the nation—a list which ranks Detroit fifth in size—Detroit is the only community which does not have a major science center and planetarium.

Underscoring his support the Mayor said, "The Detroit Science Center's completion by 1977 will be a top priority of my administration, because it will serve the youngsters of all neighborhoods, whether they come from Grand Rapids, the suburbs or around the corner."

Nearly two-thirds of the \$6.1 million needed to construct the 30,250 square foot Center has already been raised.

Support for the project began in 1970 when the Dexter M. Ferry, Jr., Trustee Corporation donated \$2.5 million. Since then an additional \$1.8 million has been raised from other foundations and donors.

The Ferry Foundation's grant will not only be applied toward construction costs but will also cover the new Center's operating expenses during the first year of occupancy.

Additionally, the Foundation's gift is underwriting operating costs of the Detroit Science Center at 52 East Forest which opened in July, 1970. The Science Center, which monthly has over 5,000 visitors, will continue operating until the permanent structure is opened.

To assure the project's success, Mr. Mack said, a remaining \$2.35 million must be raised. "We are asking business, industry and labor to assume responsibility for \$1.5 million, with the balance being obtained from other foundations and contributors."

The proposed Science Center will be located on a city-owned 7.8-acre site bounded by John R., Warren, Brush and Farnsworth in the Cultural Center complex. The site was designated for such

## They'll Guide Detroit Symphony Women

Among new officers elected by members of the Women's Association for the Detroit Symphony Orchestra at their recent annual meeting at the Country Club are MRS. PIERRE V. HEFTLER, of Buckingham road,

vice-president, (left), and MRS. ROBERT J. CROSSEN, of Tonnancour place, (center), recording secretary. The DSO Women's assistant recording secretary is also a Pointer: MRS. JOHN E. YOUNG, JR., (right).

use when Detroit's master plan was drafted in the 1950's.

According to an agreement between the city and the Detroit Science Center corporation, the land will be leased from the city for \$1 a year over a 40-year period.

Architectural plans for the Center include exhibits that invite visitors involvement, from pulling a weighted rope on a set of pulleys in the physics area to entering the Center's "Sensorium"—a computer-operated 70-foot domed theater that goes far beyond the traditional planetarium presentations with new techniques aimed at giving the visitor a greater sensory perception of space and space travel. William Kessler & Associates are architects for the project.

Of the existing Science Centers across North America, those in Toronto and San Diego are newest and utilize exhibits and programs the Detroit Science Center will employ and improve upon.

Based on studies of visitors to such centers it is expected that the Detroit Center will attract people living within a 300-mile radius of the city.

Announcement of the fund drive was made at a press conference held at the Engineering Society just prior to the drive's capital gift kickoff luncheon attended by many of Detroit's business and labor leaders.

Keynote luncheon speaker was Mr. Chapin, who stressed the importance of a Science Center as an educational tool.

"Research, basic and applied, is becoming a more important element in the business outlook than it has

ever been," he said. "In the future there will be a growing need for trained, competent and dedicated people. More than that, the future course of business—its profitability and job-producing capability—will depend significantly on how the nation resolves questions about values of science and technological achievement."

The Science Center is an investment in the future, Mr. Chapin added, a major asset valuable beyond estimate to future generations.

There are fireplaces in the library, living room and family room. A glass walled garden room has access to the beautifully landscaped grounds with its swimming pool focal point. A "MUST SEE" is this gracious French country house being offered in one of the best locations in Grosse Pointe Farms. From the curb the house appears overpowering, but inside you'll find four comfortable family bedrooms and two more bedrooms over the attached garage. The first floor has a beautifully proportioned living room which is a step down from the large foyer with its circular staircase. The library is as large as many living rooms and the dining room formal enough for a State dinner.

A STately HOUSE located in the Farms just a few feet from the Lake has become even more attractive because now it is available for purchase. Designed by Albert Kahn Associates, this petite mansion offers a large entrance foyer with marble floor, a large formal living room with magnificent fireplace; and the dining room, library and living room all face the lake. Five bedrooms and four baths comprise the second floor. This one will appeal to everyone... We wish we had more.

FOR THOSE WANTING the traditional English, we are proud to present this three bedroom, one and a half bath. Featuring gas forced air heating and a super basement room. It comes with carpeting and draperies, two car attached garage with electric doors and a sprinklered 75x148 lot beautifully landscaped with several fruit trees. A large assumable 7½% mortgage is most attractive in today's money market. Recent price reduction.

VERY DESIRABLE LOCATION — Near Lochmoor Country Club. Home has large family room with fireplace. There are six bedrooms, three baths and two one-half baths. Large, beautiful landscaped lot plus a large storage building or playhouse. One of the many extras is a fireplace in the master bedroom.

The Fashionable Transitional... spans seasons and continents. A new collection is arriving at Walton-Pierce. We chose a dress and jacket costume. The skirt of the dress is black. The top is beige and cafe au lait with a short cafe au lait jacket... just great for city hopping now and first-into-fall later. Another travel-wise dress and jacket ensemble comes in jersey and is a smart combination of print and solid. A subtle green knit print skirt is topped by an overblouse jacket. A breeze-light blend, black, white and red plaid dress and jacket is trimmed with bright red rick rack. We love transitionals because they answer so many "what to wear where" questions for the traveler and changeable weather days at home.

## Pointer of Interest

MRS. ARTHUR BUHL HUDSON, OF MERRIWEATHER ROAD

By Janet Mueller

To those who know and love Children's Hospital of Michigan, it is "a very special place." Pat Hudson is one of the knowers and lovers. She's a worker, too, who volunteers one day a week at the 310-bed non-profit complex, for children aged 13 and under, in the new Detroit Medical Center.

She's stationed, currently, in the Anesthesiology Department. She has served, in the past, in the Surgical Suite. She has carried blood for Open Heart surgery. She has staffed Surgery's front desk. "I do," she says, "what I'm told."

Tennis Helps Hospital Mrs. Hudson is honorary chairman of the Eighth Annual Tennis and Crumpets Tournament, to be played this year the weekend of September 14, with finals followed by a party, for players and non-players alike, Saturday, September 21, at the Country Club of Detroit.

It's not that she loves tennis so well, but that she'll do whatever she can to help Children's. Tennis and Crumpets, launched locally by Denny (Mrs. David S.) Summers, who borrowed the idea from California where it is used as a fund-raiser for the John Tracy Clinic, has, in seven years, raised over \$120,000 for Children's Hospital of Michigan.

T&C completed its \$20,000 pledge for a Children's Playroom at the new Hospital. (Children's had to build a new facility when it moved into the Detroit Medical Center, in 1970, and, by 1972, had completed a pledge of \$50,000 for a Cardiac Operating Room PLUS an additional \$10,000 for a Cardiac Pump.

Last year's pledge was \$50,000, to the Burn Unit for additional equipment and research, especially in the area of metabolic disorders which occur in severe burn cases.

Ambitious Pledge That pledge will be completed this year, and T&C will begin work on a new pledge, its most ambitious to date: \$200,000, over a five-year period, for a Medical Cardiology Suite.

These rooms are especially designed and built to accommodate cardiac diagnostic procedures, such as angiograms and cardiac catheterization, which, by giving the surgeon a "blueprint" to follow during surgery, greatly reduce the time a child is in surgery and on the heart-lung machine.

"We hope to raise between \$40 and \$50,000 this year," Patrons are a very important part of T&C's fund-raising. Patron letters went out last month, after a T&C addressing session at Pat Hudson's home, to all past contributors.

Patrons Solicited New contributors are welcome, solicited, NEEDED. "Anyone can be a patron, whether or not he/she participates in the tournament. Just send a check for \$20 or more, payable to Tennis and

your life. There is also an excellent selection of men's rings.

Plants by Lite... says bring your garden indoors. Forget the weather with many of the newest indoor Lite gardening items we can show you. It's the surest way to a green thumb. To help you along the great green path we have some easy plants. For the person who needs a truly rewarding challenge we have the exotic plants. You will find inexpensive beginner reading material to help answer your questions. Plants by Lite will aid you through your indoor garden growing pains. 15023 E. Jefferson, 331-5253. clerical work and guide tours through the Hospital facilities.

Volunteers provide a gift shop service and conduct various other fund-raising projects. They work in and for the Poison Control Center, handling call-backs or going out to give slide talks.

They will be needed in the newly-organized Center for Abused and Neglected Children sponsored by Children's Hospital of Michigan.

Many Opportunities

"There is a vast range of opportunities for volunteers who can work days, evenings or weekends," Pat Hudson notes. "The longer you are there, the more responsibility you are given, of course."

"I find it a most rewarding, satisfying way of doing good in the community."

All a prospective volunteer needs is the desire to help: a call to Children's Volunteer Department, 494-5326, will bring information on how to go about helping.

All a prospective Tennis and Crumpets Tournament player needs is a desire to be in on the action. "You don't have to be good to play," Mrs. Hudson explains. You can, in fact, have never held a tennis racket in your hand in your life. You'll be matched with a player of comparable ability, from nil to excellent.

Open To Everyone

The T&C Tournament is open to everyone. The \$10 entry fee includes a box lunch. Mrs. Boy Frame, 821-9382, is accepting sign-up calls. Mrs. Ned I. Chalal is general benefit chairman this year.

Last year, over 1,800 players participated in T&C. Three tournaments are scheduled concurrently in three locations: Grosse Pointe, Oakland County and Dearborn. This year, for the first time, some Grosse Ile courts will be included.

The Grosse Pointe Tournament is an all-Pointe endeavor. All courts, both municipal and private, are donated. Approximately 1,200 players are expected to participate on 100 courts.

Player categories range from A (Billie Jean King, look out!) through C (really rotten). Six couples are assigned to each court for preliminary play Saturday, September 14. Winners meet in

## To Hold GPHS 25th Reunion

The Grosse Pointe High School classes of January and June, 1949, will be celebrating their 25th reunion at a dinner-dance this Saturday, June 29, at Lochmoor Club.

Cocktails at 6 o'clock will be followed by dinner, entertainment and dancing to Chet Bogan's music, but main attraction of the evening is expected to be talk as classmates who make their homes throughout the United States renew acquaintances.

Members of the party-planning committee include Mrs. Frank Watts, of Cloverly road, Mrs. James Williams, of Mount Vernon road, Mrs. Thomas Stevenson, of Hollywood avenue, James Mast, of Cloverly road, Robert G. Edgar, of Lincoln road, William Farquhar, of Lincoln road, Joe Fromm, of Belanger road, Dr. Jeremy Webster, of Winthrop place, Frederick Bloy, of McKinley avenue, Mrs. Jack Marcus, of Manor avenue, Robert Jenks, of Oxford road, Mrs. Lee Zeunen, of Hunt Club drive, and Mrs. Roland Rinke, of Barclay road.

preliminary playoffs Sunday, September 15.

Dinner-Dance Slated

After the 15th, two couples will remain in each category. They'll meet in the finals Saturday, September 21, at the Country Club, where the T&C 1974 dinner-dance, open to players and non-players at \$30 per couple, (Mrs. Robert Gotfredson, 881-4131, is in charge of dinner-dance reservations), is scheduled for that evening.

And this year, for the first time, T&C will hold a Super Finals, pitting Oakland, Dearborn and Pointe champions against each other Sunday afternoon, September 22, at the Court House Tennis and Racquet Club, West Bloomfield.

Pat Hudson knows she won't be a finalist. Not even a preliminary one. She won't even be a player — since she's pledged herself to visit each court on the first tournament day, she could hardly find time to play.

But she will be a winner for, through Tennis and Crumpets, Children's Hospital of Michigan wins annually, and each person who knows and loves Children's, each person to whom it is a "very special place," rejoices and shares in that winning.

Among Bryn Mawr graduates from all over the country and abroad who gathered on-campus May 17 through 19 for Reunion Weekend activities was GILLIAN PEARSON (Mrs. Bruce W.) STEINHAEUER, of Bishop road.
