HEADLINES of the WEEK

Thursday, July 4
PRESIDENT NIXON returned from his Soviet Union summit journey last night and, in a nationally televised speech from Loring Air Force Base in northern Maine, said he thought the trip had helped to "lead the world out of the lowlands of war up to the summits of peace." Secretary of State Henry Kissinger, however, expressed disappointment in the summit's failure to reach accord on the limitation of multiple warhead missiles (known as MIRVs).

Friday, July 5
A SOVIET SOYUZ spacecraft successfully docked with an orbiting Salyut space laboratory according to an announcement today by Tass, the official news agency of the Soviet Union. Two cosmonauts aboard the ship entered the space station. The craft was piloted by veteran Colonel Pavel Popovich and rookie Lieutenant Colonel Yuri P. Artyukhin. Soyuz-14's lift-off came 4 1/2 hours after President Nixon ended his Moscow summit meetings Wednesday.

Saturday, July 6
NEGOTIATORS FOR the city of Detroit and its largest bargaining union reached tentative agreement on a three-year contract early Saturday, averting a long and serious strike. City employees had been off the job for four hours but not at a crucial time. The city and representatives from the American Federation of State, County and Municipal Employees had been negotiating around the clock since Wednesday in an effort to avoid a strike that would have affected such workers as museum guards, keypunch operators, sanitation workers and x-ray technicians.

Sunday, July 7
THE SUDDEN cracking of a window on a patrol car accompanying Vice President Gerald Ford's motorcade in Dallas Saturday touched off immediate but unfounded speculation that a sniper had attacked. Secret Service officials now believe the window was cracked by either a flying stone or heat expansion on the hot day. No bullet was found by police in the area. The vice president, when told of the incident, just "laughed it off."

Monday, July 8
THE SUPREME COURT heard today the arguments concerning the controversial White House Watergate tapes. Special Prosecutor Leon Jaworski and Presidential Counsel James St. Clair opposed each other at the counsel tables. At issue is whether the President can make a decision to refuse to honor a subpoena by Jaworski requesting tapes and documents the President considers confidential. The disagreement is whether the President decides what falls under "executive privilege" or if the courts decide. If a clear-cut ruling is made, the tapes could become an important milestone in constitutional law.

Tuesday, July 9
PIERRE ELLIOTT TRUDEAU, Prime Minister of Canada, won a significant victory last night in Canada's general election. Pollsters had predicted that neither Trudeau, the governing Liberal, nor his opponent, Conservative Robert L. Stanfield, could win the 133 seats needed for outright control of Parliament. Stanfield conceded at 11:38 p.m. with Trudeau needing only two seats to gain the 133 seats, which he later won. Trudeau has governed Canada for 18 months with a minority government. The victory assures absolute control of Parliament for the Liberals for the next four years.

Optimist Club Lends Helping Hand

OLIVER LORANGER, (left), vice-president, Grosse Pointe Optimist Club, and MARVIN ROBERTSON, president of the organization, presented a check for \$1,000 to the Michigan League for Crippled Children which was accepted by MRS. VERA BOUTIN, Pointe resident and director of the League. The presentation was made at the

Club's June meeting which was held at the Grosse Pointe War Memorial. The Club also presented a check for \$500 to the Grosse Pointe Foundation for Exceptional Children. Funds for contributions were raised by the sale of tickets to the Club's annual musical variety show given each fall.

Parks Draw Big Crowds On Holiday

Unusually Hot Weather Sends Pointers Flocking to the Waterfront

The usually hot weather over the July 4 holiday weekend boosted attendance totals at the municipal parks throughout The Pointe. Although each park has its own method of recording park attendance, all officials agreed that the turnout was high. The Grosse Pointe City Park, (Neff Memorial), saw 2,570 persons pass through its gates on July 4. A City Park employee said he thought it was possibly the highest attendance so far this season but couldn't know for sure since records are not kept of the past year.

Probably No Record
The Grosse Pointe Woods Park, (Lakelure Point), recorded 4,825 residents and 797 guests attending on the Fourth. A spokesman there said the afternoon storm caused many persons to leave and it probably was not a record-setting holiday.

In The Shores Park, (George Osier Park), the holiday brought 1,128 persons to the park compared with 1,223 attending last year. A park official said the entire weekend for July 3-7, however, saw about 600 to 800 more persons using the park than last year.

Park Board of Appeals Denies Zoning Variance Request after Hearing

Couple's Plea to Be Allowed to Operate Foster Home Turned Down; Two Other Requests Heard with One Being Allowed

By Roger A. Waha
The Park Council, acting as a Zoning Board of Appeals, denied two of three variance requests, including that of a foster home, at the regular meeting Monday, July 15. An estimated 100 residents packed the decidedly warm chambers with the majority leaving after the solons unanimously nixed the request of Mrs. Sophia Cisneros, of 936 Trombley road.

She filed a petition asking the city to grant variances from Ordinance No. 22 of the zoning ordinance to permit her to conduct a foster home at her residence, and to permit the occupancy of a single residential unit by unrelated persons, constituting more than one family. The building at 936 Trombley is a two-family dwelling.

Prohibited by Law
Ordinance No. 22 prohibits in a residence district the furnishing for compensation of meals or lodging or both to any person who is not a family as defined according to the measure.

A family, says the ordinance, is one person or two or more persons inter-related by blood, adoption, or marriage and living together in a room or rooms comprising a single housekeeping unit. A person's domestic employee if living on the premises is a part of the family of such a person.

U.p.n application to the Board of Appeals, it continues, not more than "two persons other than those specified above may, in a given location, be included in a specific family if the Board of Appeals finds, from the nature of the association between all such persons and the duration and reasons therefor, that there will be no impairment in the zoned character of the neighborhood."

Majority Opposed
The greater number of citizens in attendance were against Mrs. Cisneros' request, although a young couple, who recently moved into The Park, and who have

Woods Has Bus Service For Seniors

Kiwanis Club Providing Transportation for Elderly Citizens to and from Park

By Roger A. Waha
Woods senior citizens who wish to spend some time at the Lake Front Park without transportation worries will have an opportunity beginning Monday, July 15, when the city provides regular bus service to and from the park, Monday through Friday, until around mid-October.

The Kiwanis Club, compliments of the Bluebus Club, will pick up senior citizens at eight locations on its way to the park and will make nine stops on its return.

Furnish Questionnaire
Irene Sutton, chairman of the city's Senior Citizens' Commission, was pleased at this development. In a questionnaire which she prepared and distributed at an organizational, get-acquainted session for senior citizens Thursday, June 27, at North High School, Mrs. Sutton stated 47 citizens said they would ride a bus to the park, while 35 said "no." An estimated 150-200 residents attended this meeting.

She felt such a service on the city's part was "great," especially for people who don't have cars or for those who are unable to drive.

Charges Against Woods Officer Heard by Board

First Such Trial in City's History Convened Monday to Hear Testimony in Suspension of William Desilets

By Roger A. Waha
The first Trial Board in the history of The Woods was convened Monday morning, July 8, to hear charges brought against a suspended public safety officer. After over two hours of testimony from several witnesses, the Board adjourned its proceedings until Tuesday afternoon, July 9, (after press time).

Officer William Desilets was suspended Wednesday, June 19, by Public Safety Director Henry Marchand. His decision was based upon charges brought against Desilets by Sergeant Peter Thomas stemming from an incident Sunday, June 16. His suspension doesn't include a stoppage in pay or benefits.

Three charges comprising a total of nine sub-sections were brought against the officer for allegedly violating the provisions of Ordinance No. 45, (which establishes rules and regulations governing the public safety department), and the department's General Order No. 113.

Call Special Meeting
A special council meeting was called by Mayor Benjamin W. Pinkos Monday, June 24, to select Trial Board members which include the mayor and two councilmen appointed by the solons. Those appointed include George S. Freeman and Rodger A. Graef.

According to a section of Ordinance No. 45, the trial board shall pass judgment upon charges brought against a member of the department after all testimony is taken. The measure also specifies, "The Board, after determining that the charges preferred against any member of the department have been sustained, may reprimand, suspend, cause a forfeiture of pay, or privilege, or cause dismissal of the accused; such judgment to be, in each case, with the approval of the Council of the City of Grosse Pointe Woods."

Gremlin Must Accept Blame

If some of you looked at the front page picture in last week's NEWS of that "really big" 64-foot banana split, which was constructed in a rain gutter lined with tin foil, and discovered it consisted of only 30 bananas, 320 scoops of ice cream and various sauces and nuts, and then wondered, "Only 30 bananas . . ."

Well, your wonderment is well taken for an overzealous gremlin, obviously not watching his diet, gobbled up a "one" before the "30." Yes, it WAS 130 bananas . . . whether the gremlin likes it or not.

DATE CHANGED
Due to councilmen's conflicting schedules, the Grosse Pointe City Council will hold its next regular session on Wednesday, July 17, instead of on the customary third Monday of the month.

GPYC Party Taken Over By Crashers

Commodore Confirms Stories of Vandalism and Expresses Concern for Future Events

Although the actual racing part of the Grosse Pointe Yacht Club's regatta for all classes of sailboats went off without a hitch, it was the party after the sails came down that caused the biggest stir at the club on Saturday evening, July 6. The affair began around 6:30 p.m. and things were relatively calm till about 10:30 p.m. when, according to Commodore Frank McBride, Jr., an abnormal amount of youthful gate-crashers began getting rowdy.

"It was walk-to-wall humanity," said club manager David Butterfield, and while it was difficult to discern how many of the 600-800 party-goers were really gate-crashers, he did say the crowd was comprised of many race participants who did not belong to the club.

Cites Vandalism
Commodore McBride cited several incidents of vandalism such as damage to the men's room and broken bottles and glassware on the pool deck, which caused a two-hour delay in opening the pool the following day.

Shores Public Safety Director Joseph Vitale reported the Department received a complaint at 12:01 Sunday morning, July 7, that someone threw a smokebomb into a car parked in the club lot.

Future Implications
Commodore McBride also was aware of this incident and he was concerned with the future implications of Saturday night's melee, but not just for the Yacht Club, but

President's Chair Goes To Hanpeter

Dr. James A. Adams, New Superintendent, Gives Views to Trustees

By Nancy Kramer

The Grosse Pointe Board of Education conducted a full slate of formal business at its annual organizational meeting on Monday, July 8. It was the first Board meeting at which Dr. James A. Adams, the new superintendent of schools, was present, and he commented on the direction he would like to steer the Grosse Pointe Public School System under his tenure.

The first matter at hand, though, was the swearing in of John Bruce, Neighborhood Club director who was recently elected to assume the seat vacated by Donald Semmler. Following this, the Board heard motions to elect a new group of officers.

Joan R. Hanpeter, formerly secretary, was unanimously voted president. Assuming chairmanship of the meeting she thanked Board members for their confidence in her ability and expressed the trustees' gratitude toward outgoing president Robert D. Warner.

Other Officers
Muir B. Snow, III, last year's treasurer, was elected vice-president and former vice-president William F. Huettnerman was voted treasurer. Laurence J. Harwood was selected for the office of secretary.

After other routine business which included retaining the firm of Hill, Lewis, Adams, Goodrich and Tait as Board of Education attorneys, the designation of banks, and the adoption of a set of by-laws, Mrs. Hanpeter asked for Dr. Adams' remarks.

Despite the fact that he only arrived in the Pointe last week, from what he has seen and heard, Dr. Adams feels the school system here is outstanding. "It has the potential for excellence," he commented.

Initially, the new superintendent plans to spend much of his time assessing the strengths and weaknesses of current operations within the system before plotting any definite course of action.

Will Plan Slowly
"It will take the better part of the 1974-75 year to come forth with a plan," Dr. Adams explained, "and it should come carefully and slowly." By exerting leadership at the superintendent level, he believes organization can be tightened, coordinated and made more efficient.

Pledging a two-way flow of information where the Board would utilize public opinion in its decision-making processes, he said citizens have the right to demand excellence. "We should show the

Shores Hardest Hit by Storm

Whistling winds and some brief but heavy rains blasted across the State Thursday, July 4, knocking out power lines, ripping off tree limbs, setting off burglar alarms and, overall, putting a damper on Independence Day festivities.

In The Pointe area, The Shores appeared the hardest hit of the five municipalities although all had their share of broken limbs and other blowing debris. Public Safety Corporal William Marshall in a report that afternoon said the village was struck by a severe storm, possibly a tornado which didn't touch down, along with heavy winds and rain.

The corporal stated the storm caused damage to Edison and telephone utilities, plus downing trees, in several areas of the village.

Midas Muffler Muffled By Councilmen in Farms

By Barbara Bruno
After lengthy debate over what an auto repair shop consists of and protests from some Farms residents, the Farms City Council decided to deny a permit for construction of a Midas Muffler Shop on Mack avenue at Cloverly.

Acting as a Zoning Board of Appeals at the regular meeting Monday, July 1, the Council heard the appeal of Crimaldo Mastroianni of the denial of the Farms Building Department to issue the permit.

Mr. Gerow said Midas is strictly a replacement and retail business that installs mufflers and tail pipes in order to maintain their warranty.

Councilman James Mast took objection to this, however, and asked why Midas advertises that brakes and shock absorbers can be obtained at the shops. Mr. Gerow could not explain all the services that Midas offers and said he had been told they

His alleged partner in the hold-up attempt, John Alexas, 35, of 1875 Gray, Detroit, failed to appear in court after posting bond and a capias, (a writ authorizing an officer to take a specific individual into custody), has been issued for his arrest.

The pair was apprehended by City police, Monday, April 15, when they tried to rob the store while money was being transferred from the manager's office at the rear of the building, to an armored car in the alley.

Detroit Police Academy Enrolls Officers' Helper

By Nancy Kramer
"There's no sense wanting something and then putting off going after it," Chris Wilson explains, "because pretty soon you're 50 and you still haven't gotten what you wanted."

So, at 27, she's quitting her job as secretary, Jack-of-all trades at the Grosse Pointe City Police Station to enroll in the Detroit Police Academy. It's something she's wanted to do for a long time.

Patrick Ronald, eight, and Daniel Graham, four. After taking courses at Wayne County Community College and Wayne State University, she acquired a two-year degree in Police Administration. This, she feels is what led The City to hire her in the first place.

"I know my typing test was a disaster," she recalls, "so they must have been impressed with my degree." Regardless of how she was hired, it's plain she will be missed. "I hate to see her go," comments City Police Chief Andrew Teeter. "She's a good gal. She did a good job here, and if this is what she desires, who am I to stand in her way?"

Bus Service for Seniors

(Continued from Page 1)

Mrs. Sutton said while many didn't answer all the questions, and while some wouldn't commit themselves, the senior citizens' response was favorable. Those who would like a copy of the questionnaire should call Commission members Hedy Cassel or Rose Blaskey at The Woods City Hall.

A sprinkling of questionnaire results from citizens who attended the June 27 session shows: Would you like a special area set aside at the park for senior citizens? 57 yes, 20 no; Would you like a fishing pier at the park? 57 yes, 27 no.

Seventy-three citizens said they would be interested in housing for senior citizens, while 10 said they wouldn't. Would you be willing to help on senior citizen community service projects? 54 yes, 14 no. Would you like to be employed? 22 yes, 59 no. Would you serve on a program committee? 31 yes, 31 no.

Do you have a special talent that you could contribute to the organization? 11 yes, 44 no. Would you come to a senior citizens' center one day a week? 43 yes, 23 no. Would you like short travel trips? 87 yes, 2 no. Would you enjoy theater parties? 79 yes, 6 no. Would you like sports outings? 50 yes, 29 no.

While the results represent only a small portion of Woods senior citizens, (the city has an estimated 1,600 residents 65 or over, said Mrs. Sutton), it gives the Commission and its chairman an idea of the needs and interests of city elders.

On the activities front, a senior citizens' picnic will be held Tuesday, July 16, beginning at 10 a.m. at the Lake Front Park. Mrs. Sutton stated a treasure hunt and talent contest will be included in the agenda, and that Mr. Hallmann will welcome everyone.

She hopes to have a calendar of events ready at the picnic, and advised that residents planning to attend should bring their own folding chairs. Mrs. Sutton added she hopes to schedule another picnic sometime in August.

The Commission, itself, will meet tonight, July 11, at city hall to finalize plans for the year. Mrs. Sutton said Andrew J. Campbell, vice-chairman, is investigating the possibility of meeting once a month in various Woods churches. At this time, the group has no finalized, regular meeting place.

Mrs. Sutton expressed a hope that the overall scope of senior citizen programs will not only involve residents 65 or over but will include citizens 55 and over, thus, bringing in a greater percentage of the city's population on the participation front.

Between the Commission, which also includes Catherine Brophy, secretary, R. E. Boyd and Harold Lyndrup, the city and senior citizens, themselves, activity focusing upon city elders is at a high pitch.

And it looks as if it will continue that way.

SEMTA Plans Exact Fares

The Southeastern Michigan Transportation Authority, (SEMTA), will begin an exact fare system Monday, July 15.

In accordance with the system, SEMTA riders will be required to deposit the exact amount of their fare, either in coins or fare tickets in the fare box when boarding the bus.

The change to the exact fare system is being made in accordance with a labor agreement signed by SEMTA and the Amalgamated Transit Union in early June. The change is expected to increase operating efficiency

only deal in mufflers and tail pipes. "I understand that you are concerned about noise," Mr. Gerow said, adding that no air hammers, torches or sheet metal cutting would be done in the facility. He emphasized that the shop would deal strictly in replacement parts.

Mayor William Butler opened the meeting to comments from the audience since about 15 area residents had come to hear what action would be taken on the appeal.

Clovelly road resident Donald Bassett disputed that only manual equipment would be used in the work. He said most servicing of cars is done with air wrenches for speed.

Mr. Bassett also wondered if noise restraining walls were planned for the area or if parking restrictions would be instituted. He said streets in the area had experienced problems with employees parking their cars all day.

Clovelly road resident Jerry Austerberry agreed that employee parking was already a serious nuisance for the homeowners.

An additional question was raised by a Madison road resident who wondered what would be done with the scrap

generated by the business. Councilwoman Nancy Waugaman said The Farms does not have an ordinance that deals with the problem.

Mrs. Waugaman also wondered if the cement block rear planned for the building could be changed to all brick. In the plans Mr. Gerow submitted to the Council, the building called for brick on the front and sides and cement block on the back.

Mrs. Ruth Knapp, of Cloverly road, said she would like to see an "upgraded" business in the location.

"The noise factor has been tremendous and I can't see where this type of business would be an improvement."

Mr. Gerow said he was not able to answer these questions since he only represented Mr. Mastroianni and not Midas Muffler. He said a Midas agent had not been available from Chicago to accompany him to the meeting because a Midas corporate meeting was being held the same night.

Mayor Butler said he thought it was unusual that not one person from the company had been available since the meeting had been scheduled several weeks earlier. He acknowledged that Mr. Gerow was at a great disadvantage since he did not have a company representative to assist him.

Councilman Mast said a land use plan made several years ago showed that office use and retail businesses would be suited for that area.

Mr. Gerow said his client has to sell to a customer that is ready to buy and Midas Muffler is ready now.

"Midas has been looking at this corner for several years," he said. "They assured me it would be a profitable venture."

Mayor Butler said he realized Mr. Mastroianni had had the property on the market for a long time and had not received any offers.

But the question facing the Council was whether the shop would be an auto repair facility and therefore be a nonconforming use according to the Zoning Ordinance.

After the debate had ensued for close to 20 minutes, Councilman E. Rust Muirhead set forth a motion that the permit be denied since the land is not zoned for auto repair shops.

The solons voted, 3 to 2, to deny the permit. Mayor Butler and Councilman Jack Cudlip voted against the motion saying they felt a representative of Midas Muffler should be present to answer the questions concerning the proposed facility.

Councilman James Dingeman was absent from the meeting since he was out of town.

To Map Out Strategy
Dr. Adams promised to have an organizational strategy mapped out for presentation to the Board by late summer. "I will always stand up and be counted," he stated, "and I will go to the Board with specific recommendations."

From the trustees, Dr. Adams asked for a commitment of time, adequate leeway in making decisions and sufficient funds with which to operate. "I also ask for the freedom to operate without undue pressure from the Board or the community," he said.

"With cooperation and respect for each other," he concluded, "I'm sure we can move forward in this district."

Cottage Hosts Four Students

Four young men planning careers in the health care field are spending the summer at Cottage Hospital to observe firsthand all aspects of hospital operation.

They are Pointer John Schurz, a sophomore at the University of Michigan Medical School, Mark Neal of Marysville, a senior at Central Michigan University, Brad Barker of The Pointe, a sophomore at Wayne State Medical School, and Sanford Wilcox of Charlottesville, Va., who is in the Graduate School of Business and Public Administration at Cornell University.

Neal and Wilcox are working toward positions in hospital administration. Neal, who will receive a bachelor's degree from Central next year, is at Cottage as an administrative intern. Wilcox, who is in the hospital administration program at Cornell where he will receive a master's degree in a year, is spending three months at Cottage in his required administrative residency.

Schurz and Barker are at Cottage under the SAMAMECO program, which is the Student American Medical Association project for Medical Education and Community Orientation sponsored by the State Medical Society and the Michigan Hospital Association.

Farms Threatens Action To Clean Up Parking Lot

Conditions in the parking lot behind the Sears, Roebuck and Co. store, 18850 Mack avenue at Moross, may soon be cleaned up if the Farms City Council has its way.

The Council has repeatedly asked the owner of the lot, J. M. Kogan, to improve the conditions of the area, citing chockholes, weeds and debris as being among the problems.

A public hearing on the issue had been recessed from the Monday, June 3, Council meeting until the Monday, July 1, meeting when several area residents appeared to voice their complaints about the lot.

sess the cost to Mr. Kogan. Councilman James Dingeman was absent from the meeting since he was out of town.

Pointers Soar in MD Benefit

Pointe residents who take airplane rides during the "Fly High for Dystrophy" benefit being held Saturday and Sunday, July 13-14, may find that their pilot is also a resident of Grosse Pointe.

George Simunick, of Rivard boulevard, and James Imordino, of Hampton road, will join media pilots Don Haney, Sonny Elliot, Bob Hynes, Jerry Chiapetta, Tom Korzenowski, Al Lowman, "Mr. Whoodini," Tom Dean and Mike Kenny in offering airplane rides to the general public in return for contributions of \$5 or more to Muscular Dystrophy.

Mr. Simunick will fly a four-seat Cessna Skyhawk donated for the event by Jack Cohen Flying Service. Mr. Imordino, owner of Detroit City Aviation, will pilot a four-seat Rockwell Commander, donated by his company. Both men will be taking off from Detroit City Airport.

"Fly High for Dystrophy" will take place at Detroit City Airport from 1-6 p.m. on Saturday and from 11 a.m. to 6 p.m. on Sunday.

Displays of antique airplanes will be featured and Bozo the Clown will make a special guest appearance.

School Board Schedule Set

The Grosse Pointe Board of Education has set its schedule of meetings for the 1974-75 year. The trustees took action at the annual organizational meeting, held Monday, July 8, to designate the second Monday of each month for their regular meetings.

Regular meetings of the Board of Education will be held at 8 p.m. in the Board Room of the schools' Administration Building, 389 St. Clair Avenue.

During 1974-75 regular meetings of the school trustees will be held August 12, September 9, October 14, November 11, December 9, January 13, February 10, March 10, April 14, May 12, and June 9.

These meetings are open to the public.

Other groups participating in the benefit are the Civil Air Patrol, the Ninety Nine's, International Organization of Women Pilots, Skylark Flying Service, Pontiac Piper, Inc., Olsen Flight Service, A.D.I. Beechcraft, Drake-Sentas Aviation, A.T.A., Inc., Lank Tygard Flying School and Triangle Aviation.

All participating pilots and flight schools donate their own aircraft and fuel, enabling Muscular Dystrophy to receive 100 per cent of proceeds from the event.

Funds from "Fly High for Dystrophy" will be presented to poster children on Detroit segments of the 1974 Jerry Lewis Labor Day Telethon, to be carried on WKBD-TV, Channel 50, September 1 and 2.

The funds support medical research into Dystrophy, which is as yet incurable, and provide therapy, wheelchairs, braces and clinic treatment free of charge to MD patients.

National's weekend rate of only \$8.50 a day, 14¢ a mile left Don Rickles speechless.

National Car Rental dared Don Rickles to try to criticize their weekend deal. But how could he criticize National's low rate of \$8.50 a day and 14¢ a mile. (You pay for gas.) And that's for a car like a Chevy Monte Carlo. You can pick it up any time after Thursday 6PM. Return it by Monday 6PM to the renting city. All National asks is that you use the car a minimum of two days.

National's low weekend rate. It's so good all Don could say was, "These people are trying to go broke!"

GPYC Vandalism

(Continued from Page 1)
for other clubs planning similar affairs.

Youths are taking over these parties, he commented, and the skippers aren't coming to them as much anymore.

Commodore McBride said he knew other clubs were worried about how the problem could be dealt with and that they were considering doing away with such parties.

It's possible that the Yacht Club will, in the future, enforce a more stringent admittance policy at the gate, but he said so far no definite action has been taken.

Some measures will have to be taken however. "The problem has reached such a proportion, he stated, "that something drastic might have to be done."

Crowd at Parks

(Continued from Page 1)

At The Farms Municipal Park, (Pier Park), this July 4 holiday was called one of the highest attendance days of the season with 9,223 persons. A spokesman there said the crowd was the biggest on record and would probably have been larger if the afternoon rains had stayed away.

Park Conducts Three Board of Appeals Hearings

(Continued from Page 1)
had experience as foster parents, spoke in favor of the variance. An estimated 40 letters were received by City Clerk-Comptroller Nunzio J. Ortisi, all of which were in opposition.

Mrs. Cisneros, who has three foster children under 17 years of age in her home, said she became interested in becoming a foster mother six years ago when she answered a volunteer advertisement via "Heart Line." She had previously provided a home for some 20-25 girls and stated her three girls have worked out well.

She stressed the "great need" of such a program and her success in getting through to the young people. Mrs. Cisneros also is licensed by the county to provide a home for young people under 17.

Criticizes Ordinance

The young couple said foster children coming into the home are family although they aren't blood related and emphasized such a program gives youngsters an idea of what family life is like rather than institutional life. Based upon the ordinance, the man expressed his displeasure by saying, "The city says foster children are not part of my family."

Attorney Victor H. Wehmeier, former Park Council member, spoke against this variance request and subsequently against the others.

While he said Mrs. Cisneros' idea was commendable, he stressed the request must conform to the ordinance, the city charter and State law. He stated a definite showing of fact was needed for which the council could base its decision.

"There's no substantial evidence that shows that this property cannot be used for what it was zoned for in the first place," said Mr. Wehmeier.

Potential Problem

While he said he wasn't in favor of the request, Councilman Charles S. Thompkins cited a potential problem: how Mrs. Cisneros could take care of the youths in her

home and, at the same time, to let it be known the ordinance doesn't allow her to do this.

But when Mr. Thompkins said he would like to take another look at the situation, a chorus of groans were uttered by many residents.

At this point, Mayor Matthew C. Patterson said a decision should be made now and Councilman Douglas G. Graham moved that the request be denied.

Mr. Graham said, while he appreciated what Mrs. Cisneros was doing, he was persuaded by the arguments of legal counsel and felt there was no basis before the council, via strong reasons, to okay the variance.

City Attorney Richard D. Rohr stated, based upon the council's decision, that Mrs. Cisneros couldn't legally keep the youngsters. He said she probably would have to have them placed with another foster home.

One Request Granted

On the other hand, the solons unanimously granted the request of Misses Laura Graybiel and Judith Grace, co-tenants of the upper flat at 1021 Maryland avenue.

The young ladies filed a petition requesting the city to grant a variance from a section of Ordinance No. 22, which provides that only one family may occupy a single residential unit. The structure at 1021 Maryland is a two-family dwelling.

In the case of these petitioners, there was little op-

position. One letter, nixing the variance, was received by the city, and Mr. Wehmeier reiterated that property shouldn't be used except for the purpose for which it was zoned. In this regard, he considered the possibility of other cases which could cause problems for the council in the future.

Difficult Question

Mayor Patterson then asked, "To whom can the council grant a variance?" and Mr. Wehmeier said the question was a difficult one to answer. "Each case must be taken individually. There are very few situations in which a variance can be granted like the requests tonight," he said, while adding the need for "substantial evidence" and his concern about starting a precedent.

The mayor said letters were sent to property owners within 300 feet of this dwelling regarding the hearing and only one communication was received. "I can't figure out why the ladies can't be under the ordinance?"

Mr. Rohr also emphasized the point that each request must be taken on its own merits and, in this case, one young lady is asking to join her friend to share living expenses. (Both are employed). The nature of each case in relation to the ordinance must be determined. Mr. Rohr also stressed the point that there must be no impairment in the zoned character of the neighborhood.

A resident, who lives close to the ladies' dwelling, said she was for the request, while the council also received word that their landlady was in favor of it.

Calls Them Asset

Councilwoman Camille Peterson said she felt the ladies were an asset to the community and that the variance should be granted in this instance.

So, Councilman Robert J. Hutton moved that the request be approved and his colleagues agreed.

Previous to the ladies' request and after the denial of Mrs. Cisneros' request, the solons unanimously nixed the petition of Brian E. Sullivan and Keith M. MacKenzie, co-tenants of an apartment at 1026 Lakepointe avenue.

They requested that the city grant a variance from a section of Ordinance No. 22, which provides that only one family occupy a single residential unit. The building at 1026 Lakepointe is a four-family dwelling.

In a final note, Mr. Rohr mentioned that such hearings in relation to the ordinance are considered on an individual basis, thus giving the council some control over each request. As an example, he said "If 20 hippies move in somewhere, we can eliminate it."

Set Suspects Court Dates

Court appearances have been scheduled for Broderick Kennedy Nash and Neal Gardner McKinney, both 23-year-old Detroiters arrested on Sunday, June 23, in connection with the breaking and entering of a Lincoln road residence.

Nash and McKinney were allegedly burglarizing the home while the residents, Mr. and Mrs. Andrew Bonior, were away. Mr. and Mrs. Bonior returned while the suspects were still inside the house and immediately called City police.

The pair attempted to escape by car but they were stopped by Detroit police officers at Charlevoix and Marlborough.

When they were arraigned before Woods Municipal Judge J. Patrick Denis, both waived their right to a preliminary examination within 12 days of arraignment and asked for a court-appointed attorney. Bond was set for

each at \$10,000 and two sureties and a July 10 examination date was scheduled.

Nash posted a \$1,000 bond and was still scheduled to appear for the July 10 examination. McKinney, however, did not post bond and, on Wednesday, July 3, he appeared before Park Municipal Judge John Urso where he waived his right to an examination.

Farms to Buy Mini-Computer

Farms City Controller Carol C. Lock went before the Farms Council Monday, July 1, to request the approval of the purchase of a Burroughs mini-computer at a net cost of \$23,340.96.

The Council approved the purchase of the L-8500 Model machine by a vote of 6 to 0. Councilman James Dingleman was absent from the meeting since he was out of town.

Bids on the equipment, which will be used to help prepare the payroll, water bills and assist in the general accounting, were presented to the Council by Mr. Lock at its meeting on Monday, June 17.

The City Controller returned to the Council Monday, July 1, with a lower bid, but said the bid was received after the June 17 presentation. He said all companies were aware that June 17 was considered the official deadline for submitting bids.

The lower bid of \$22,741 was submitted by the Nixdorf Computer Inc., which has offices in Southfield. That company's original bid was higher than Burroughs' but

was reduced when they were able to offer a trade-in price on the city's present equipment.

Mr. Locke told the Councilmen he felt the council must abide by the time frame that was set up for receiving bids.

Councilman E. Rust Muirhead said he felt the council must abide by the time frame that was set up for receiving bids.

Councilman James Mast agreed, saying he was against the Council acting in bid bargaining.

Representatives from Burroughs and Nixdorf were present at the meeting to stress the qualities of their products. But the council clearly were not interested in hearing the particulars of the machinery.

Their purpose was to decide if a bid for a computer should be accepted and, in the end, they voted to let the bids stand as they were on June 17 and accept the Burroughs' bid.

City Controller Lock said the cost is well under the \$30,000 that had been budgeted for new accounting machinery. He said the mechanical machines now being used will be 10 years old in January and that is just about as much service as they can be expected to provide.

"From past experience we know it will not last forever and we have to get some equipment before it does break down," he said.

He added that mechanical equipment is not being manufactured or repaired anymore since the new computers are designed for use by small municipalities.

"Computers have gotten to the size where we can economically invest in one," he said. "We think there are other applications for it than what we have in mind right now and once we get going we'll see what these are. The most critical thing right now is to get it programmed for our needs."

Mr. Lock noted that the technical knowledge to program the machine will come from Burroughs and is included in the purchase price.

He said the purchase order for the computer has been issued but did not know when delivery would be made.

Vacation Bible School Success

Friday, June 28, marked the conclusion of the twenty-fourth two-week Vacation Bible School program at St. Paul's Lutheran Church. The program was sponsored by the Grosse Pointe Congregational Church and St. Paul's Lutheran Church.

The staff consisted of teachers and helpers from both churches and volunteers from St. James Lutheran Church, Reverend Jay Cummings, Reverend Kenneth Lentz, Mrs. George Dras and Mrs. Weldon Olson directed the program.

One hundred twenty-five children from sixteen community churches enjoyed the varied activities, ranging from Bible studies to indoor crafts and outdoor recreation periods. Special craft instructional classes were conducted by Mrs. James Graham. Reverend Lentz entertained all students with a magic show while Mr. Russell Nahat provided the musical setting for the "Palestinian Market Place," focal point for the two-week school.

The "Market Place" was designed to acquaint the children with life in Palestine during the time of Jesus, to make the people of the Bible "come alive," and to see God at work in their lives then and in our lives today.

Instructional duties were handled by: Mrs. Cindy Pangborn, Miss Beth Baechler, Mrs. Richard Allor, Mrs. Carl Uridge, Mrs. Pat Nichols, Miss Candy Nagle, Mrs. Chris Profeta, Miss Cheryl Woods, Mrs. Sue Turala, Miss Amy Kackley, Miss Joan Machamer, Miss Linda Lough, Miss Vicki

Nurmi, Miss Sue Nurmi, Mrs. Hazel DeCoster, Miss Denise Fairchild, Mrs. Frank Turpin and Mrs. Joyce Christensen. Recreation helpers, under the direction of Miss Julie Strayer and Mrs. Jay Cummings were: Dave Charvat, Rick Hawley, Brian Hutcherson, Steve Johnson, Chuck Kurtz, Carolyn Neuder, Brian Pikeleek, Carolyn Reisig, Skip Slater, Terry Turpin, Ken Woods, Jeff Henry, Patty Kurtz and David Hoerner.

Daily musical accompaniment for the children's singing was provided by Mrs. Mary Smith. In charge of refreshments was Miss Donna Meindt.

Woods Opposed To Senate Bill

The Woods Council via a resolution has taken a strong stand against Senate Bill 781 which is currently under consideration of the House State Affairs Committee. The resolution, proposed by Councilman Rodger A. Graef, was unanimously supported at the regular meeting Monday, July 1.

According to the measure, this bill would provide, in part, that municipal governments would be required to pay within 61 days sums withheld from contractors doing work for such governments.

It also provides that such contractors' projects shall be deemed to be substantially complete when the agency or municipal government occupies the structure or building for the purpose for which it is intended.

The resolution states "there have been and continue to be numerous situations where an agency or municipal government has or would occupy such a structure which structure had been found or could be found to be substantially defective."

Thus, the council urges the House State Affairs Committee to oppose this legislation.

A copy of the resolution was sent to Josephine Hunsinger, committee chairman; Senator James D. Gray, Representative William R. Bryant, Jr., and Robert E. Fryer, director, Michigan Municipal League.

Trial Board Hears Charges Against Woods Officer

(Continued from Page 1)

of a leave of absence granted one of the clerk-dispatchers, the department was short of necessary manpower to fill this post in mid-June. Officer Desilets, who started his vacation on the 16th, signed up to work three nights of overtime during the midnight shift, (June 16, 18 and 19).

After arriving at the station on the 16th, he went to the front desk and was subsequently called to the briefing room where he was allegedly told by Sergeant Thomas that he was to be assigned to the road. The officer reportedly questioned the order saying he signed up for overtime with the understanding his work was only as a clerk-dispatcher. If his assignment was to be changed, he didn't want the overtime, it's alleged.

He was then allegedly told there was a change in shift and was ordered to the street patrol. The officer said he didn't feel physically fit to operate emergency vehicles or go on the street but he felt capable of working the desk. He then requested sick leave. However, the order to go on the road allegedly remained in effect. At this point, the officer left the building and went home, it's alleged.

However, he came to work on the 18th and worked the

Mrs. Ceil Baron Retires in City

Ceil R. Baron, Deputy Treasurer for the City of Grosse Pointe, retired on Friday, July 5, after nearly 14 years of service with The City.

She joined the staff in November 1960, at the same time The City was making the transition to a council-manager form of government, while the administrative offices were still housed in two single story block homes across Maumee where the Grosse Pointe Unitarian Church stands now.

When, in 1963, a new addition was constructed at the rear of the City police and fire stations, Mrs. Baron participated in transferring office records and equipment to the new quarters.

During her tenure in the Finance Department, numerous changes and improvements took place including establishment of a uniform chart of accounts, introduction of data processing as a means of payroll and tax bill preparation, and most recently, modification of budgetary procedures for federal revenue sharing accounting.

"Mrs. Baron has been an outstanding employee who could always be counted on especially when the going was hectic. She has made many friends and has always tried to be helpful to our citizens," commented City Manager Thomas Kressbach and Finance Director Dennis Foran.

A grandmother who enjoys traveling, biking and swimming, Mrs. Baron plans to continue working part-time with a local business.

shift as a clerk-dispatcher. Then, the next day, he was suspended.

The charges filed by Sergeant Thomas with the Trial Board indicate that Officer Desilets on June 16 at approximately 11:05 p.m., while in the Public Safety Building, did allegedly violate the following sections of Ordinance No. 45:

* A section which reads "Each member of the Department shall devote himself to the service of the Department, and shall not engage in any activities detrimental to the performance of his duty. Although certain hours are allotted for the performance of duty, each member of the Department, shall, at all times, be on duty and must be ready to act immediately upon notice that his services are required."

The officer allegedly violated this section by leaving the public safety building after being told that his services were required.

* A section which reads "Each member of the Department shall be alert and observant; he must be familiar with the activities and conditions of the City; he shall, at all times devote his efforts to the promotion of good order; he shall respond promptly and willingly to orders and directions from his superior officers; he will report his observations and activities relative to duties;

he will constantly work to promote cooperation and unity in the Department."

The officer allegedly failed to respond promptly and willingly to orders and directions from his superior officer.

* A section which reads "The employee has violated any lawful official regulation or order, or failed to obey any proper direction made and given by a superior officer." The officer allegedly failed to obey a proper direction made and given by a superior officer.

* A section which reads "All members shall be punctual in reporting for duty, and unauthorized absence from post will not be permitted." The officer allegedly took an unauthorized absence from his post.

* A section which reads "All orders shall be faithfully and intelligently carried to conclusion, and special details given to certain officers shall not relieve other members of the Department from aiding in the proper fulfillment of such detail." The officer allegedly failed to faithfully and intelligently carry out an order to its conclusion.

* A section which reads "It shall be the policy of the Department, whenever it is feasible, to equally share, difficult or disagreeable special assignments; but no member of the Department or group of members shall at any time or under any circumstances attempt to avoid such assignments." The officer allegedly avoided in assignment.

* A section which reads "No member of the Department shall leave his post or

duty, except on permission of his Commanding Officer." The officer allegedly left his duty post without permission of his commanding officer.

* A section which reads "The employee has violated any of the provisions of these rules and regulations or of any rules and regulations which may be prescribed by the Chief," by allegedly disobeying a regulation prescribed by the Chief in General Order No. 113 which reads "All personnel are required to have in their locker at the station a blue fatigue uniform and to maintain them in a clean and pressed condition for standby duty, training drills and any other fatigue detail purposes."

YSD Detective Patrick Fagan, president of the Grosse Pointe Woods Police Officers Association, (GPW-POA), told the NEWS, "We have filed a grievance in his (Officer Desilets), behalf that he was suspended unjustly."

Pointes Share in Job Funds

Forty cities and townships, including the Pointes, will share a total of more than \$2.5 million in Federal job funds which will be distributed through the Wayne County office of Manpower.

A total of \$2,565,500 will be allocated among the localities under the adult employment section, (Title 2), of the U.S. Comprehensive Employment and Training Act (CETA).

Originally, only \$664,400 was expected to be available for allocation among the 40 communities. That figure was based on a 4.9 percent rate in Wayne County outside Detroit for the 90 days beginning June 1, 1973.

However, that tentative amount was revised upward when a second survey established a 7.3 percent jobless rate for the same area for the 90 days from February 1, 1974.

Allocations also received a boost because the Congress appropriated \$370 million for Title 2 of CETA, compared with the \$250 million requested by the Administration.

Detroit, Dearborn and Livonia are excluded from the county allocations because cities with more than 100,000 population received direct grants from the U.S. Department of Labor.

The CETA program was designed to provide public employment funds in areas with jobless rates of at least 6.5 percent over a 90-day period.

The county based its allocations for localities on a formula which considered a community's jobless rate, size of its work force and the number of disadvantaged residents.

Recruitment of employees under the CETA program will be handled by the individual municipalities. The Office of Manpower is a department of the County Board of Commissioners.

Previous allocations and currently available funds for the Pointes show: previous planning allocation, The City and Shores, none; The Farms and Park, \$12,000 and The Woods, \$24,000 — currently available monies, The City, \$8,568; The Shores, \$2,757; The Farms, \$16,130; The Park, \$33,726 and The Woods, \$34,899.

Detroit JC's Sponsor Circus

The Detroit Jaycees will sponsor a Children's Circus at the State Fair Grounds Sunday-Tuesday, July 28-30. This is the fourth year in which the circus has been held.

This site was selected in order to provide area youngsters and their parents with plenty of fresh air and open space.

The Circus is the Big John Strong 1869 Circus. It is a children's circus featuring acts with small animals, clowns, trapeze artists and jugglers.

Performances will be July 28 at 3 and 7 p.m. and July 29-30 at 2, 4 and 7 p.m.

It is presented by the Detroit Jaycees as a community project. Tickets are sold to firms and individuals in the Detroit Metropolitan area and then donated to various underprivileged groups in Detroit, such as retarded children, church sponsored children, organizations for underprivileged children and PAL, (Police Athletic League).

Last year, over 9,000 children saw the circus free of charge. Corporations or companies and individuals wishing to buy circus tickets may do so by contacting the Detroit Jaycees.

The funds raised through the sale of tickets are additionally used for Jaycee sponsored community projects throughout the year, such as Children's Christmas parties at Detroit General Hospital, track meets, drug abuse programs, Thanksgiving Baskets to needy families, venereal disease information and prevention program and other community programs.

For additional information about the circus, contact Joe Batten at 225-2821.

Recruitment of employees under the CETA program will be handled by the individual municipalities. The Office of Manpower is a department of the County Board of Commissioners.

CREATORS OF IDEAS FOR ADDED LIVABILITY

Serving This Area Since 1956

Enrolls at Academy

(Continued from Page 1)

Chris has been with the City Police for nearly two years, officially in the capacity of court clerk and secretary to the chief. But, as might be expected, the job involved a lot more. "I've been dispatcher when the men were out on the road. I've acted as matron when one was needed. I've been a records clerk and a gofer, actually, the job involved a little bit of everything."

Chief Teetaert was out of town when Chris learned of her acceptance and he was informed of her plans on Monday, July 8; only three days prior to her departure. Since she was unable to give him enough notice to hire someone else, she plans to continue working on weekends until a suitable replacement can be found and trained.

During the week though, for the next four months, she'll be studying Michigan and Detroit civil and criminal law. She'll undergo physical training and learn how to handle a gun.

Chris applied to the Academy in the spring of 1972. Then, in November, along with 800 other applicants, she took a nine-hour psychological examination, the results of which were interpreted by a Chicago-based firm. The top 100 scorers are given physicals and then the Department conducts extensive personal investigations of each.

"They talked with my neighbors, asked for written

recommendations from people I knew and went over my driving and criminal records."

About a month ago she was informed that her name had been put on an eligibility list and she was re-investigated and given another physical.

Finally, on June 28, she got the good word.

Chris has no misgivings about leaving her desk at the station since she's sure she wants to be a police-woman and she has nothing but praise for the men she's worked with. "They are accomplished, professional and they do fantastic work," she maintains. "They're top-notch; really—the finest men I have ever met."

Chris would like to remain in the eastside area, perhaps be assigned to the Fifth Precinct, mainly because she knows it so well. "With the Department policy of equal promotion, maybe someday I could do detective work," she reflects. "It would be rewarding to follow a case through. I'd really like to come back and work in The City if they ever opened up the force to women."

"I'm grateful to the City for hiring me. I would never have been accepted by the Academy without the experience I've gained from this job. It's been fantastic."

ONLY METHOD
Both judgment and experience must be gained by the slow and painful process of doing.

Slow Pitch Loop Keeping Active

Highlight of last week's Grosse Pointe Men's Slow Pitch League, (Monday-Wednesday Division), was Jacobson's victory over Keil's Construction, their first win in three years.

The outstanding game of the coming week should be first-place J. X. Palm's meeting with the tied-for-fourth-place Grays, to be played Wednesday, July 17, at 7 p.m., at the Neighborhood Club field.

The standings show: J. X. Palms, 4-0; Luds, 4-1; W & R, 3-1; Jacobell Shoes, 2-2; Grays, 2-2; Selvaggio's, 2-3; Mack Bros., 2-3; Jacobsons, 1-5; and Keil's Construction, 0-4.

The League's Tuesday.

Thursday Division continues to be a two-team race between Meldrum & Smith RBI's and Denby Lanes and Lounge.

The Denby team, however, will face stiff competition Tuesday, July 16, when they play the third-place Gypsies at 6 p.m. in the Neighborhood Club field.

The standings indicate: Meldrum and Smith RBI's, 5-0; Denby Lanes and Lounge, 4-1; Brooks Bar, 2-2; Gypsies, 2-2; Zodiacs, 2-2; Struttin, 1-2; Modern Sport Shop, 1-2; Woods Sport Shoppe, 1-4, and Madame Z, 0-3.

If you can't be great you can be reliable — which is greater.

Job Openings Offered Grads

What looked like a promising job market for recent college graduates has quickly dried up because of the shaky economy.

Fuel shortages, high unemployment rates and inflation are blamed for putting a damper on job prospects in 1974.

Two bright areas in the employment picture, however, still remain. They're VISTA and the Peace Corps. Both Federal government programs need college graduates for full time paid positions in: business, engineering, education, health, agriculture, math-science, liberal arts and home economics.

"Our programs are people oriented," says ACTION recruiter Tim Keefe. "If you want more than just a job sitting behind a desk, VISTA and the Peace Corps might be the key. We have solid job openings in over 200 different skill categories."

Some of the job openings cited by Keefe include "engineers for bridge construction in the Fiji Islands, math-science, teachers for Korea, business majors who can help organize local cooperatives and credit unions, agriculturists for Kenyan crop production, and health specialists to work on American Indian reservations."

VISTA is a one-year program working with the urban and rural poor within the United States, while Peace Corps volunteers serve for two-years in any of 69 developing nations overseas.

Both are paid positions which cover transportation, housing, medical-dental and living expenses in addition to a readjustment allowance and paid vacation leave.

"It's important to try and understand the point of view and problems that face the people you're working with," says Keefe. We don't send any of the volunteers into a situation before preparing them with a cross-cultural training. This may include learning a new language, being introduced to new customs or adjusting to exotic types of foods and housing.

"In any case, Peace Corps and VISTA offer a lot more than just text book theory—they offer a chance to explore and experiment."

College graduates, skilled tradesmen and farmers interested in Peace Corps or VISTA can secure an application and information by calling Tim Keefe at 226-7028 in Detroit or by calling Toll Free 800-424-8580.

Led by Jack Shea's three-run homer, the Modern Mirror Brewers took an early four run lead over Valente's Expos on June 24, only to have the Expos come back strong and pound out a 17-6 win. Mike Clarke was the winning pitcher, aided by Louie Briscole's triple and doubles by Tom Hollerbach and Tim Brouillard. Will

Hosler had a double for the Brewers. Bob Neville's fine pitching and hitting were the difference as the Metropolitan Club Indians downed the Kotlar Yankees, 5-3. Neville had two triples and Tim McGillen hit one triple for the Yankees.

The Salem Square Braves clouted the Fikany Dodgers 11-2 June 29, with a 14-hit attack and steady pitching by Steve Metz and John Witri. Andy Costopoulos, Mike Tharenos and Andy Ambuster had three hits each, while Metz and Jack Brabb had two. Sharif Shaalan and Steve Gaitley each had two hits for the Dodgers. Two Brave double plays helped contain the Dodgers.

Valente's Expos held the Hi-Life Painting Oakland A's scoreless until the 4th inning July 1, behind the fine pitching of Mike Clarke, and excellent fielding led by Rob Dice, Paul Crane and Tom Smith. Three double plays highlighted the Expos defense. Their hitting attack was led by Clarke, Jerry Grane, Tom Hollerbach and Tom Duemling. Final score, Expos 17, A's, 6.

The same day, Dave Evenden scattered five hits to pick up his first win as the Trevor Steel Red Sox clipped the Metropolitan Club Indians, 8-3. Pat Corbett and Tom Gutwald had doubles and Dave Evenden and Craig Higgins collected two hits each.

Tom Birk tossed a 4-hit shutout for his 8th win of the season July 3, as Valente's Expos blanked the Ted Ewald Royals, 8-0. Extra base hits by the Expos were by Dean Valente, Bob Brownell, Scott Shapero and Tim Fleming. Peter Kay of the Royals had a double.

Starting off Independence Day, The Metropolitan Club Indians and the Salem Square

Braves battled for 10 innings before the Indians won, 7-6, on a bunt single by Bob Neville. The Indians' luster hitting was led by Mike Lizza's four singles, three hits each by Bill D'Homond and Tom Lott and two hits each by Bob Neville and Brian Pikelek. Extra base hits for the Braves were by Brad Wilson, with a triple, and Damian Kiska, a double.

Rick Thomas gave up three singles and fanned 10 batters as the Trevor Steel Red Sox edged the East Side Key and Bike Cardinals, 3-1. Thomas, Tom Gutwald, Pat Corbett and Craig Higgins shared the Sox hits. Brian Doms had two hits for the Cards.

In the final game of the day, two home runs by Fikany Dodger players Drew Peterson and Steve Swanson were not enough to stop the Sears Tigers as they came up with a 3-2 win. Dean McPhail took the victory as he notched eight strikeouts. Bob Baker had a triple for the only Tiger extra-base hit.

The Modern Mirror Brewers' Mike Tavary matched strikeouts with Valente's Expos' Terry Fleming July 5, but a barrage of 13 Expos hits dumped the Brewers, 10-8. The Expos attack was led by Terry Fleming, Mike Sullivan, Bob Brownell, Doug Brown and Dean Valente, each with two hits. One of Dean's hits was a homer, his third of the season. The Brewers big hitters were Bob Smith and Mike Tavary, both with doubles, and Howie Kay, with a triple. The Expos emerged as All-American Champions.

In the American League playoff, John Beebe pitched the Sears Tigers to a 4-0 win over the Burger Chef White Sox, to capture the American League Championship. The Tigers were at their best as they pounded out eight hits and played errorless ball. John Beebe and Doug Skipp were the leading Tiger hitters. The Tigers now go on to meet the National League Champion, the Astro Uniform Phillies, in a three-game World Series starting Monday, July 8, at Kerby Field. Game time is 6 p.m.

In District Tournament play The Grosse Pointe Pointe American 13-year-old All Stars faced their Grosse Pointe National counterpart, with the Americans squeezing by, 8-7. The Americans came from behind and scored seven runs in the 5th inning, then watched their lead disappear, when the Nationals tied the score in the 6th. The Americans then scored a thrilling victory in the 7th when Tom McHugh drove in Lenny Bartoszewicz with the lead run, then holding off a serious threat by the Nationals in the bottom of the 7th. Lenny Bartoszewicz was the winning pitcher in relief of Joe Kanan. Pete Kingsley had a triple for the Nationals and Joe Kanan a double for the Americans.

G. P. Americans will now advance in this single elimination tournament with a game against Clintondale.

SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

Little League Results

G.P. CITY

The City of Grosse Pointe Little League ended another successful season with the final games on July 6.

By that time the champion for the Major League and the Minor B League had been determined, but a play-off was necessary in the Minor A League to determine whether the Giants or the Pirates would get the honor of being the year end champs.

In the Major League, the Cubs, with Dick Borland as manager, followed their winning ways of the first half and eliminated the Braves to win both halves of the season. They ended with a record of 15-3 to win the overall championship.

For awhile it appeared as though the Braves would push them out of the second half title to force a play-off, but the Cubs settled down and won the crucial game to put the Braves, managed by John McShane into a 10-8 record for second place.

The Braves were followed by the Cardinals, managed by Bob Loomis, with a 6-12 record and the Dodgers, managed by Tom Guthat, with a 5-13 record. The Cubs will now go into a District Tournament to be played July 11-16 at Elworthy Field.

In the Minor A League, the Giants, managed by Bill Edgar, had it all their way in the first half with a 6-0 record, but were forced into a play-off with the Pirates with Joe Maul at the helm. The Pirates finished with a 5-1 record in the second half.

The Giants came through with an 18-1 win in the play-off to take the over-all championship with an 8-4 record over the Pirates, who had a 7-5 record.

They were followed by the Senators, managed by Forrest McDonald, with a 6-8 record and the Phillies, managed by Weldy Olson, with a 3-9 record. The Minor A All Stars will now play a game with the Farms All Stars.

The Mets, managed by Frank Martinelli, of the Minor B League had little trouble winning as they lost only one game and finished with an 11-1 record.

For awhile, the Yankees, managed by Greg Smith, pushed them, but after taking two straight wins, the Mets easily put the championship away, leaving the Yankees with an 8-4 record.

The Orioles, managed by Frank Goetz, finished third with a 5-7 record followed by the Indians, managed by Tom Boehm, with a 1-11 record.

The overall play was much improved this year with the expansion of the League to include eight and nine year olds in the Minor B League for the previous year. Even more improvement is expected next year as the younger players have more experience.

Other improvements this year include the improvement of Elworthy Field by donations to Little League via local contractors who donated material and time to put new dugouts on one field, and hopefully on the other field before the end of the year.

The support of citizens and businesses also made it possible to completely uniform all three leagues with color attire for the first time.

The support of all persons involved, which includes officers, officials, managers, coaches, women's auxiliary and parents, including 50 or more parents, have made this one of the most successful seasons for the Grosse Pointe City Little League.

Hopefully, the support and enthusiasm will continue through the family picnic on July 13 at the City Park and the District Tournament, starting on the 11th.

A great deal of thanks is due to all the citizens and particularly the boys and their parents for a successful season, officials report.

The Pirates beat the Pirates 18-1 on July 6 to win the City Minor A Little League Championship.

The Pirates, winners of the second half of the season, were no match for the Giants, winners of the first half, as the team was hard hit by players on vacation.

The over-all records prior to the final game were 8 and 4 for the Giants and 7 and 5 for the Pirates.

Pitching a superb game for the Giants were Todd Simonds, who went five innings, and Tom Ryckman, one. The only hits for the Pirates were by Matt Maul, with one, and Doug McCaig with two.

Hitting home runs for the Giants were Mark Martinelli, Brian Coles and Simonds. Other scorers included John Platt, Brad Edgar, Don Dittmars, Fred Chave, Jim Burdzinski, Peter Gushee (who missed a home run by inches when the longest hit of the day went through the fence in deep center), Jeff Smith, Ryckman, and Bill Bissell.

Driving in runs were Todd Rowe, (one), Wayne Onsteweder, (two) and Dennis Coles, (two). Other Giants who participated in the drive toward the championship season were Tom Brown and Bill Flaherty.

Pirates Win Farms Cup

The Pirates beat the Yanks in their final playoff game, 4 to 3, thereby taking the Farms Cup Final this past weekend.

The Yanks' Mark Schonenberg hit a two-run homer in the first inning, but the Pirates came back with one run in their half of the first on John Wood's bases-loaded single.

The Pirates took a 3-2 lead in the third when David Spencer laced a bases-loaded

single to center, driving in two runs.

That lead did not stand up long, though, as the Yanks' Ed Getz singled in the fourth, stole second, and scored on Bill Bradford's second hit of the game, a single.

John Hackett finally secured the win for the Pirates in the fifth inning when he smacked a solo homer over the left field fence.

Brad Bennett was the winning pitcher for the Pirates.

The air we breathe is important. To keep it clean, car manufacturers have been installing emission control systems. These cut down on air pollution by controlling the gases formed by burned and partially burned fuel and air. Emission systems are necessary to prevent evaporation of gasoline into the air we breathe. Exhaust fumes are made up of unburned hydrocarbons, carbon monoxide, and oxides of nitrogen. Each car, efficiently controlling its own fumes, helps to keep the air we breathe healthy.

Misses Swim Mark by Second

Frances Shook of the Grosse Pointe Swim Club, (GPSC), competed in the Cincinnati Marlin Long Course Invitational at Keating Pool, Ohio, Monday, July 1. Most of the top age group and senior swimmers in the United States and Canada competed.

She swam the women's open 200-meter breast and the girls 100-meter breast and backstroke. Frances was the only 11-year-old girl swimmer to place in the 100-meter breaststroke with a fine time of 1:25.1. This was less than a second off the Michigan Long Course record.

Letters to the Editor

Dear Sir:

I am writing this letter for two purposes, first, to commend one of the finest men I know, and second, to express my concern for the stupidity of persons not familiar with our Lake St. Clair.

Recently we were on the boat of a friend, Mr. Don Bentzen, of Grosse Pointe Woods, at Miller's Marina, and we heard a woman and a man shouting to a dog in the water. They had thrown a stick in the water for the dog to return, and a very strong wind was blowing, and the dog was being blown out from the shore.

Don, without any hesitation went into the water and, in spite of the wind and the currents got to the dog. We threw him a line and brought him in. The people who owned the dog had simply thrown in several planks, hoping that the dog would

climb on them. I feel certain that the dog would have drowned if Don had not gone in after him.

So, all you dog owners, keep your animals away from the water, especially in high winds and currents, as you might not have a guy like Don around to go in after your pet.

George A. Tuttle
2051 Oxford Road

Dear Sir:

I wish to recognize the fine coverage given to the Phase I group by your paper over the past year. The captions and copy have been excellent and of interest to a large number of single young adults in the area.

I appreciate your high evaluation of the Phase I news and I want you to know it is most appreciated.

Sincerely,
Gust F. Jahnke

What Goes On at Your Library

By Arthur Woodford
Chief of Central Library

Over the past several months I have reported on a variety of books and book-related topics: National Book Award winners, periodicals, books about Michigan, Tennis and Bicycling. This week I would like to review for you the current fiction best sellers.

WATERSHIP DOWN by Richard Adams, currently leading the best seller list, is set in the rolling hills and dales of England. It is written in the great tradition of Grahame, Orwell, C. S. Lewis, and Tolkien. The characters in this fantasy are wild rabbits. When Fiver senses disaster about to strike the home warren, a group of pioneers, led by Fiver's brother, Hazel, strike out for a new home and a new society. The group reaches Watership Down only after racking hardships and a series of narrow escapes.

Peter Benchley's **JAWS** begins with a young woman taking a swim after making love on the beach. The next morning pieces of her body are found at the water's edge. The resort-town fathers decide to cover up the woman's death: news of the killer shark could ruin the summer business. The shark has gone, they say. But the shark remains and kills again, and the life of the town becomes governed by the almost supernatural presence offshore.

Everyman's dream — to possess the world's most beautiful woman — is the sexy theme of Irving Wallace's **THE FAN CLUB**. Four men form a fan club: their object is Sharon Fields, a beautiful film star. The quartet conspire to spirit her away to a mountain cabin, to keep her prisoner there and to experience to the fullest the acting out of their sexual fantasies on her. Once the kidnapping has taken place, the real Sharon Fields proves to be something far different from her molded PR image, and it is she who will play the pivotal role in the final outcome of the drama.

Helen MacInnes weaves a web of suspense and desperate love in her latest novel **THE SNARE OF THE HUNTER**. It does not take Trina Kusak long to realize she is a fugitive, a prey of ruthless hunters. From the moment she flees across the Czechoslovakian border into Austria to find her father, a Nobel-prize winning novelist in hiding, suspicion and fear become Trina's constant companions as she comes up against forces she could not have dreamed about in her worst nightmare.

In **CASHELMARA**, Susan Howatch has produced a lengthy historical novel set in 19th century Ireland and America, as the members of the noble DeSalis family search for love and happiness, but find little of either. Howatch's stylistic patterns, centered on announcement of startling developments and unexpected revelations at each chapter's end, hold the reader's attention.

Written in the form of a memoir, Gore Vidal's **BURR** is revisionist history as a

novel. It is concerned with the events of the American Revolution and the early days of the Republic. It is told in terms of Aaron Burr's purported own recollections of his stormy past, the duel with Alexander Hamilton, treason trial and conflict with Thomas Jefferson, his two marriages and, above all, it is told in terms of his inner integrity. We have only Burr's word of course, but this novel is good enough to cause its readers to cock an eyebrow at the history he remembers.

In a brilliant return to the spy genre, John LeCarre says it all in **TINKER, TAILOR, SOLDIER, SPY** — the intrigue, the posturing, the danger, the weakness of men and women whose every moment is lived as a double life. Bringing back George Smiley, LeCarre spins a devilishly effective tale of double dealing that leads to the innermost depths of British Intelligence where a "mole," a secret Russian spy, has been implanted years before.

The ongoing story of **THE PARTNERS** by Louis Auchinclos is the life of an institution called Shepard, Putney & Cox, a Manhattan law firm. Once again, Auchinclos is writing of the fascinating work he knows so well: of lawyers, and of the people in whose service they may gain riches and prestige. Within that bond, each one pursues different answers to the search for money, power, love, revenge or a meaning in life.

I HEARD THE OWL CALL MY NAME by Margaret Craven is the unsentimental tale of a young Anglican minister's encounter with the Kwakiutl Indians of British Columbia. A bishop, alone aware that Mark Brian has but two years to live, sends the young man to serve his last mission in a remote vicarage. Among the Indians Mark learns enough of the meaning of life not to fear death. Then, on a cold winter evening, when he hears the owl in the forest call his name, he understands what is going to happen.

Converging on Athens in 1947 are the several men who, having loved Noelle Page, now feel compelled to attend her trial for murder. This is the prologue to **THE OTHER SIDE OF MIDNIGHT** by Sidney Sheldon. The story relates the parallel lives of two women, Catherine, of Chicago, who finds it difficult to lose her virginity until she gets a job in wartime Washington, and Noelle, who runs away from her Marseille home, escapes induction into a Paris brothel, and finally becomes the most glamorous actress of her time.

These are the current ten best selling novels. **BURR** by Gore Vidal has been on the list for 33 weeks. Whether any of these others will reach or surpass that longevity, we will just have to wait and see.

SEMCOG Backs Bond Proposal

At its June 27 session the General Assembly of the Southeast Michigan Council of Governments (SEMCOG) unanimously adopted a resolution urging the state legislature to place Governor Milliken's \$1.1 billion dollar transportation bond proposal on the ballot in November.

The bill now goes to the Senate where it will need 25 of the 37 votes for final approval.

The bill calls for the state to borrow \$1.1 billion over the next 15 years to develop public transportation systems throughout the state, including the financing of air service and port development.

The bill proposes that \$540 million, or 49.2 percent of the total expenditures be allocated for public transportation in the seven-county region of Southeast Michigan. Also included is \$362 million, or 33 percent, for state-wide improvements to inter-city rail and bus systems.

Other elements in the proposed plan are \$100 million for airport development and improvement, \$50 million for Great Lakes port development, \$25 million for non-motorized facilities such as bikeways, hiking and horse paths, and \$20 million to develop technology for new transit systems such as people-movers.

"It is important to note," said SEMCOG Vice-Chairman David Shepherd, "that the SEMCOG resolution urges the state legislature to place the transportation issue on the November ballot to let the people decide."

SEMCOG is a voluntary association of local governments composed of elected officials from 96 communities in Southeast Michigan. Its principal function is to develop and coordinate region-wide planning for transportation, land use, recreation and open space, water supply, sewage disposal, storm drainage, criminal justice, manpower development and housing.

Want to spend a lovely summer afternoon? The Grosse Pointe Garden Club Council is featuring a Tour for Do-It-Yourself Gardeners Friday, July 19, and Saturday, July 20, from 1 until 5 o'clock both days.

Not only will visitors have an opportunity to enjoy the beauty of eight outstanding gardens in full midsummer glory, they'll be given information sheets on each one, noting challenges the owners may have had to meet because of types of soil, amounts of shade, space available...

They'll learn from other do-it-yourself gardeners how to effectively use statues and night lighting, how to care for roses and hybrid lilies. They'll receive tips on landscape design and plant groupings, the making and use of compost, the growing of Bonzai plants and wildflowers.

Tickets at \$3 will be available at each garden. For those who like to plan ahead, they're available now at Fischer's in-the-Village and Trail's on-the-Hill, and at Charvat the Florist and Harkness Pharmacy in Mack avenue.

The Planning Corps

Assisting general tour chairman Mrs. H. A. Powell are Mrs. Urban W. Boresch, Mrs. H. James Gram and Miss Christine Edwards. Ticket co-chairmen are the Mesdames William J. Nixon and E. G. Poxson, Jr.

Mrs. David C. Lowe is in charge of hostesses; and poster distribution is being handled by Mrs. Joseph Caskey and Mrs. William Post. Mrs. Pierre Palmentier is publicity chairman.

Refreshments are the responsibility of members of the Little Garden Club.

A Waterfall Amid Greenery

Plants in the garden surrounding the contemporary home of Dr. and Mrs. L. Carl Sultzman in Vendome road were chosen for their slow growth habits, dwarf forms and variety of shapes.

The Sultzman garden, alive with color in early spring, is green the remainder of the year, with birch in the background and the lulling sound of a small waterfall. It is lighted at night to accent the interesting shapes of its trees and shrubs.

Tour-ers will find refreshments here.

Barbara Parks Speaks Vows

Grosse Pointe War Memorial staff member Barbara C. Parks and George P. Whitmore exchanged marriage vows Friday, June 21. Following the noon ceremony at which Judge John Patrick O'Brien presided the newlyweds were feted by Barbara's co-workers at a surprise reception at the War Memorial.

The new Mrs. Whitmore, an ECG technician at Cottage Hospital last year, is the daughter of Mrs. Frances M. Parks, of Detroit.

Mr. Whitmore, an industrial designer, is the son of former Detroiters Mr. and Mrs. Guy P. Whitmore, who now make their home in Cooper City, Fla.

The couple will vacation in Florida in mid-August. They are making their home in Warren.

Jill Wolfram Wed In North

The Church of the Transfiguration, Indian River, was the setting for the Saturday, July 6, wedding of Jill Rae Marie Wolfram and Bengt Olov Soderquist. The 7 o'clock rites at which The Reverend Willard D. Wharton presided were followed by a reception at Boyne Highlands, Harbor Springs.

The bride is the daughter of Mrs. Edward Eriksen (Dr. Bonnie Wolfram, M.D.), who moved last January from North Deeplands road to Indian River, and the late Jack Harding Wolfram.

The bridegroom, who resides on Provinciales in the British West Indies, is the son of the late Mr. and Mrs. Harold V. Soderquist, of Kalamazoo, Sweden.

The former Miss Wolfram chose a Chapel-trained organza wedding gown fashioned with a wide pin-tucked panel accented by tiny organza buttons extending from her Nehru neckline to the floor.

Sculptured Venise lace edged the panel, matching the lace trimming her wrist-length sleeves, and Venise lace daisies rimmed her hem.

She carried a nosegay of stephanotis, baby's-breath and miniature yellow roses, tied with white ribbon.

In floor length frocks of yellow voile touched with Chantilly lace were honor matron Mrs. Frederick Becker and bridesmaids Mrs. Daniel Rahfeldt and Mrs. Thomas Lutton.

Moss green velvet loops and white streamers accented their bouquets of feathered white carnations, yellow roses and baby's-breath. They wore tiaras of matching flowers in their hair.

Best man was Seven E. Nilssen. The Messers Rahfeldt, Becker and Lutton, Jack Machtel and Arthur Pickering seated the guests.

Mrs. Eriksen chose a champagne organza gown for her daughter's wedding. She placed yellow roses and stephanotis on her prayer book.

The newlyweds, vacationing on Mackinac Island, will make their home on Provinciales.

Among Pointers who traveled north for the wedding were Mr. and Mrs. Charles Elliot, Mr. and Mrs. J. Douglas Adair, Miss Pauline Bimhall, Mrs. Buss Couch and Dr. and Mrs. Harold Cross.

Hurry, rather than speed, is the real highway killer.

Will Wed

Mr. and Mrs. Raymond R. Costan, of Blairmore court, are announcing the engagement of their daughter LINDA ANN to Allen Joseph S. Neuwirth, son of the Joseph S. Neuwirths, of Detroit.

Both Linda, an alumna of Grosse Pointe North High School, and Allen, who was graduated from De La Salle Collegiate High School, are Wayne State University graduates.

They plan an August wedding.

Betrothed

Mrs. Crawford Moesta, of North Oxford road, is announcing the engagement of her daughter SUSAN READE to Alan Douglas Letson, son of Dr. and Mrs. Holton C. Letson, of Zanesville, O. Susan is also the daughter of the late Dr. Roger V. Walker, Jr.

Miss Moesta, a graduate of Grosse Pointe North High School, is a senior at Miami University, Oxford, O. She is a member of Kappa Delta Pi honorary and Sigma Gamma Association.

Mr. Letson, a graduate of Miami University, is presently attending Case Western Reserve University School of Medicine. He is a member of Sigma Phi Epsilon fraternity and Phi Sigma honorary.

The wedding is planned for next summer.

Married

PATRICIA ANN SOULIERE and Robert Bruce Dyble exchanged marriage vows Saturday, June 29, at a 2 o'clock ceremony in St. Philip and St. Stephen Episcopal Church with The Reverend Wilfred Holmes-Walker presiding.

A reception at the Lexington road home of the bride's stepfather and mother, Mr. and Mrs. William G. Butler, followed the ceremony.

The bride, given in marriage by her stepfather, wore the long white linen gown with cut-work and lace insertions made at the turn of the century for Mrs. Gregory Butler, Mr. Butler's mother. White daisies, yellow Sweet-heart roses and baby's-breath formed a circlet in her hair.

The new Mrs. Dyble, who is also the daughter of the late Paul Kelly Soulliere, was attended by her sister, Mrs. Thomas A. Wilson. Mr.

Dyble, son of the Herbert J. Dybles, of St. Armands Key, Fla., asked his father to act as best man.

The newlyweds vacationed on Maui in Hawaii and will make their home in Milwaukee.

Your eyelashes are one of your beauty points, but too many women claim that their lashes are short and thin. This is easy to correct, with patience. Lightly brush the lashes each night with castor oil, using a small inexpensive brush. This is also a good beauty routine for thin eyebrows. Add a few drops of your favorite perfume to the castor oil and it will also smell nice.

For a lovelier you, come to GROSSE POINTE COIFFURES, 20427 Mack Ave., 884-2090. All of our operators are highly qualified, well-trained and creative people. We use nothing but the finest manufactured products in our beauty treatments specializing in the use of REDKEN. Toners won't fade.

From Another Pointe of View

(Continued from Page 13)

Patios And Perennials

The garden of Mr. and Mrs. Joseph Hartman in Kerby road features ingenious patios built and designed by its owner, a lovely pond and fountain shaded by two huge Norway Maples and an interesting, productive vegetable area.

Perennials and lilies abound in the Urban Boreches' Kercheval avenue garden, where the effective use of composting will be demonstrated. Such old-fashioned favorites as monarda, helianthus, Michaelmas daisy, globe thistle and phlox bloom year after year, while fruit trees and raspberry bushes provide kitchen bounty.

Curved Beds And Clematis

The Hall place garden of the Edward G. Acomb combines open space with curved beds. It demonstrates how beautiful an area with problem soil and much shade can be. Shadier curves are planted with two shades of pink impatiens, sunnier spots with three shades of geraniums. Plants are rarely sprayed, and bird-watching is a favorite pastime.

Dr. and Mrs. Leland Carter, of Handy road, like privacy, charm and variety. Their garden includes 75 roses: hybrid teas, multiflora florabunda and miniatures. Their "Robin Blue" and "La Petite Jennifer" clematis are named for their granddaughters, and their rock garden features year-round evergreen Bonzai plantings.

Bushes And Baskets

Trees, ground cover and bushes are used effectively to complete the landscape near the Fisher road home of Mr. and Mrs. Wilbur E. Landis, whose delightful small garden is planned for outdoor living. Its three patios, surrounded by raised beds edged with flagstones, flow into one another.

Dr. and Mrs. Lyndle R. Martin, of Middlesex boulevard, have carried out a blue, white and pink color theme via many hanging baskets, potted plants—and some 230 rose bushes! The Martin garden features acid loving plantings and a few wildflowers, which require a special fertilizer. It is completely lighted, both back and front.

A Potpourri Of Plants And Flowers

Mr. and Mrs. John Malcolm use the lot adjoining their home in Barrington road as their main garden. It is well-designed and partitioned by walkways giving easy access to the various planting areas.

The Malcolms have created a "something for everyone" garden, a self-maintained potpourri of shrubs, perennials, bulbs, annuals and vegetables, and have marked everything for easy identification. Wasn't that nice of them?

JOHN G. GARRETT, son of Dr. and Mrs. FRANCIS GARRETT, of Lochmoor boulevard, a member for three years and co-captain of the Culver Military Acad-

emy varsity soccer team, has been named to the All-Conference First Team as recommended by coaches of the Northern Indiana Soccer Conference. John, who earned

Culver varsity letters in crew and basketball as well as soccer, was graduated from Culver this June and plans to attend Vanderbilt University in the fall.

Phase I Holds Summer Social

Eighty-eight Phase I singles enjoyed a warm, moonlit night for their ice cream social Sunday evening, June 30, under twinkling lights hung in trees on the lawn of their advisors, Mr. and Mrs. Gust Jahnke, of Fisher road. Fresh strawberry and hot fudge sundaes, cakes and coffee were top choices for refreshments.

It was a special evening for Joyce Bradford and Bill Coombe, whose engagement was announced. Assistant advisors, Mr. and Mrs. Tom Heinrich, Phase I alumni, were celebrating their first wedding anniversary, and Mr. and Mrs. Tom Hintz were invited to attend in celebration of their three-month wedding anniversary.

Retiring president Frank Bissig was commended for his outstanding leadership during the past year and it was announced that Phase I's president for 1974-75 will be Donald Lockwood. The 20 new Council members who will lead the group in the coming year also were introduced.

The Council plans to try to top the exciting travel experience of spending New Year's Eve 1974 in London, England. Phase I travelers are looking forward to Christmas holidays in Israel and Greece, especially to being together Christmas Eve in Bethlehem.

A full schedule of Phase I summer events for singles ages 20 to 40 may be obtained by phoning Grosse Pointe Memorial Church 882-5330.

DSO to Visit Michigan's UP This Summer

Two widely-renowned conductors will lead the Detroit Symphony Orchestra at its concerts in the first Upper Peninsula Music Festival, to be held in three northern Michigan communities July 9 through 14.

Former DSO music director and conductor Sixten Ehrling will conduct classical concerts in Calumet July 10 and in Escanaba July 13.

Sixten Ehrling, born in Sweden, began his professional conducting career under Karl Boehm at the Dresden State Opera. For 20 years he was conductor of the Royal Opera in Stockholm.

He made his United States conducting debut with the Detroit Symphony Orchestra in 1961 and from 1963 to '73 was the Orchestra's music director and conductor. He was instrumental in establishing the Meadow Brook Music Festival in suburban Detroit. Ehrling was appointed head of the Orchestral Department at the Juilliard School of Music in New York in the spring of 1973.

During the past year he also has appeared regularly at the Metropolitan Opera. Next winter he will conduct the first complete Met performances of Wagner's

"Ring" cycle in over 10 years.

Richard Hayman has been chief arranger for the Boston Pops Orchestra since 1950. He has produced special arrangements for dozens of hit albums by Arthur Fiedler and his orchestra as well as such famous Boston Pops singles as "I Want to Hold Your Hand."

Hayman has appeared regularly with the Detroit Symphony, conducting at the annual spring Cabaret Pops Concerts series since 1970. Last spring he was named principal Pops conductor.

His work is in constant demand in all media of musical expression from Boston to

Hollywood.

A resident of New York, he is frequently on the move as musical director of tour shows for such popular entertainers as Tom Jones and Bob Hope. He has recorded over 40 of his original compositions.

The Detroit Symphony Orchestra's Festival appearances are being presented under auspices of the Calumet - Laurium - Keweenaw Chamber of Commerce and Copperport, U.S.A., in Calumet, Gogebic Arts Council in Ironwood and the Great Lakes Choral Society, Inc., in Escanaba.

Ticket information may be obtained from local sponsor

organizations.

The entire Upper Peninsula Summer Music Festival is being presented in cooperation with the Michigan Council for the Arts. It is another phase in the continued expansion of the Detroit Symphony Orchestra's

activities throughout the state.

FIRST ADVERTISED

Question? What has 4 bedrooms, 23 ft. kitchen and dining area, a first floor laundry room, and a party size family room? The answer, of course, is our first offering. A newer colonial in the Park. Call us about an excellent 7 1/2% assumption. Now hold on for the price. No not 45, not 40, but only 37,900.

FIRST ADVERTISED

The key word is "Allard." It has long been known as one of the finest streets in one of the finest areas in which to live. There is a 3 bedroom colonial located there with a family room. The family room has a cozy brick wall fireplace, that is just right for small gatherings with friends. For larger gatherings the party can flow out on to the professionally landscaped patio, for summer fun. Large rooms, 2 car garage and super convenience, means our first showing should result in a very quick sale. Oh the price, \$49,900.

CARE FREE LIVING

A town house? A condominium? Yes, and that means carefree living in one of our areas prime locations. At Williamsburg condominiums all of the homes are different, they don't give that apartment house feeling. Combine that with 3 bdrms., 2 1/2 baths, formal dining and convenience such as Grosse Pte. Schools, just a jog from Eastland and your own swimming pool. Maybe our condominium should be seen by you.

DESIGNERS HOME.

Touring this magnificent Georgian colonial is like turning the pages in your favorite decorators magazine. From the perfectly charming modernized kitchen with solid custom cabinets and built-in appliances to the gracious dining room and 22 foot sun room. This 5 bdrm., 2 1/2 bath beauty priced at \$62,500 is a home you should see even if you weren't looking for a new home.

FIRST ADVERTISED

Question? What has 4 bedrooms, 23 ft. kitchen and dining area, a first floor laundry room, and a party size family room? The answer, of course, is our first offering. A newer colonial in the Park. Call us about an excellent 7 1/2 % assumption. Now hold on for the price. No not 45, not 40, but only 37,900.

FIRST ADVERTISED

The key word is "Allard." It has long been known as one of the finest streets in one of the finest areas in which to live. There is a 3 bedroom colonial located there with a family room. The family room has a cozy brick wall fireplace, that is just right for small gatherings with friends. For larger gatherings the party can flow out on to the professionally landscaped patio, for summer fun. Large rooms, 2 car garage and super convenience, means our first showing should result in a very quick sale. Oh the price, \$49,900.

CARE FREE LIVING

A town house? A condominium? Yes, and that means carefree living in one of our areas prime locations. At Williamsburg condominiums all of the homes are different, they don't give that apartment house feeling. Combine that with 3 bedrooms, 2 1/2 baths, formal dining and convenience such as Grosse Pte. Schools, just a jog from Eastland and your own swimming pool. Maybe our condominium should be seen by you.

DESIGNERS HOME.

Touring this magnificent Georgian colonial is like turning the pages in your favorite decorators magazine. From the perfectly charming modernized kitchen with solid custom cabinets and built-in appliances to the gracious dining room and 22 foot sun room. This 5 bdrm., 2 1/2 bath beauty priced at \$2,500 is a home you should see even if you weren't looking for a new home.

RETIRING GROSSE POINTE PUBLIC SCHOOL SYSTEM TEACHERS RICHARD H. BEACH, MISS ESTER PORTER AND DR. STANLEY COOK, (BACK ROW, LEFT TO RIGHT), MISS OTTILIA SCHUBERT, MRS. LEONE E. BENNETT AND MRS. ELIZABETH TARPEY, (FRONT, LEFT TO RIGHT)

By Janet Mueller

Maire Elementary School is losing two teachers, Grosse Pointe South High four to retirement this year, and both the "big kids," at South, and the "little kids," at Maire, sense a void. It will be filled, of course . . . but differently. Just as the retirees, moving into a new phase of life, will find it full but different.

Dr. Cook began teaching when he was 19. He earned three degrees, a Bachelor of Arts from the University of Chicago, a Master of Arts from the University of Chicago and an Ed.D. from Wayne State University, with only one year out of teaching.

"I couldn't have done it without my wife," Mrs. Cook, Margaret, is a Social Worker. She has worked off-and-on throughout their marriage. At one time she was director of Williams House. Currently she's assistant director of Saint Luke's Episcopal Church Home in Highland Park.

One of their three children is deceased. The oldest boy, David, is a die model maker, lives in Utica and has two children. Peter Cook, father of three, is leaving his job as director of the Jesse Besser Museum in Alpena to become head curator of the Bennington Museum in Bennington, Vt.

45 Years on Job And Dr. Cook is leaving his job, after 45 years on-the-job, at the end of which he can say, and mean it: "I still like teaching and I still like kids."

"Of course," he adds, "it's a little harder to get up in the morning. It's a little harder to get my second wind and get at those papers. But there will be times . . . particularly around the first of August, when I'm so full of ideas I'm sure I'm going to be the best teacher in the country . . ."

There will be times when he will miss the classroom. Something over 6,500 students have passed through Dr. Cook's classrooms, by far the majority of them in Grosse Pointe. He's been here, in Grosse Pointe classrooms, for 32½ years.

"I've enjoyed teaching the children of some of my former students. I have no idea how many of my ex-students are English teachers, but I do know that some of them are teaching now at the college level."

"That proves I can't have killed the spark in everybody."

Also Moonlighted Dr. Cook is an ex-chairman of the South High English Department. For 21 years he taught too—moonlighted—at Wayne State University. He has pursued additional studies at the Universities of Michigan and Minnesota. He has performed many committee services for the Michigan Council, Teachers of English, and this year received the Charles C. Fries Award, given annually in recognition of professional services to the organization and the profession.

The Now Fashion Look . . . in eyeglass frames is at Woods Optical. They have gained a reputation in the fashion field for reading and sun glasses, also for subtle high style cosmetic tints, including soft lavender, blue and, of course, rose colored glasses . . . and Ester loves and understands it. No Super 8's or 16mm's for her: Miss Porter knows her instrument and can coax extraordinary results from it, and she will keep it, thank you. "I'd hate to switch."

To Roam Some More But always Ester, time-tied to her profession, and her camera have had to roam the world in-season. Until now. "I've enjoyed teaching," says Miss Porter, "but I'm looking forward to off-season travel, and to doing some volunteer work at home."

Home will continue to be Beaconsfield Avenue in Harper Woods. Elizabeth Tarpey will be off to the South Pacific, too, but not until March. Then she and her husband, William, who is retiring from General Motors Fisher Body Purchasing, will board their freighter.

Mrs. Tarpey, who earned her Bachelors degree from the University of Michigan, her Masters from Wayne State and has done additional work at Marygrove College, has taught her last Grade Three class at Maire School.

She's been teaching in The Pointe for 40 years. "I was one of the first teaching interns in the program started by Dr. Brownell. There were three of us. Every Friday morning, with Dr. Brownell, we visited agencies that would be of help to us in teaching."

To Keep Home Here The Tarpeys plan to maintain their home at the Shore Club but head for warmer climes when the weather turns cold. They plan to enjoy retirement together. They both like golf and bridge, gin rummy and just plain walking.

They've been practically around the world, to Africa and the Orient, six times to Europe. "We missed Australia and New Zealand and India." But they've been just about everywhere else.

"I know I'm going to miss teaching," Mrs. Tarpey admits. "I know I will miss the children, and my friends. But I am really looking forward to the time to do the things my husband and I want to do together."

Leone Bennett also knows she will miss teaching. "There are many things about it that I will miss. I like kids . . . but then, I'll be in contact with kids wherever I am. I'm that kind of individual."

She certainly is. Goodbye to Grade Five Mrs. Bennett has taught her last Grade Five class at Maire School. She holds Wayne State University Bachelors and Masters degrees and has 40 post-Masters hours to her credit. She has taught for 33 years, 26 in Grosse Pointe, and has

loved every minute of it, and her love for her profession must have rubbed off on the three Bennett daughters, for all three are teachers, too.

Carolyn Megge teaches third grade at Ferry School. Constance Heidt teaches music at Cranbrook's Brookside School. Corin Dodge is a first grade teacher in Lansing. Each is mother of two children, but to Carolyn goes the distinction of having the only girl.

Robert Bennett retired last October. He was in large packaging, with Kennelly and Sisman. The Bennetts are remaining in their Buckingham road home, and Leone is looking forward to doing the handwork she loves, embroidery and crewel, decoupage and knitting. Somehow, she never seemed to have quite enough time for that handwork.

She's looking forward to the time to read as much as she always wanted to, too.

Will Travel More

Mr. and Mrs. Bennett will undoubtedly do some traveling. They've been all over the States, to Hawaii, Alaska and Bermuda, once to Europe, (they want to go back). "But we've always had to travel in peak times." It will be nice, now, not to have to.

And since the Bennett daughters are growing their own, no need to worry over Leone lacking kids. "We're a very close family. We see our grandchildren constantly."

"Lord, deliver me from paper work!" Ottillia Schubert mumbled, more than once, over the years. Sometimes she shouted. Well, now she has, and Miss Schubert, who taught in her native Minnesota before coming to The Pointe, where she's put in 26 classroom years, is free at last.

Of course, despite that grand and glorious Freedom from Papers, she'll miss her work.

"I can't see how you could possibly do something as many years as we have and not miss it."

Will Miss Young

She'll miss being with young people. She'll miss being part of, in constant day-to-day contact with, the staff. But she's always been a travel buff, and she started clipping articles about places to go, things to do and see, several months ago. That may have been a mistake. Before Miss Schubert started clipping, she knew pretty much where she wanted to go, what she wanted to do and see first. "Now my interest is shifting."

Miss Schubert, a Social Studies teacher at South High until a few weeks ago, earned her Bachelors degree from St. Scholastica in Duluth, Minn., and her Masters from the University of Minnesota. She did additional work at Central Michigan and Michigan State Universities, the Universities of Michigan and Minnesota and Northwestern and spent one glorious non-credit summer at Harvard.

Beautiful Summer

For anyone interested in History, the Boston-Cambridge area is irresistible. "It was a beautiful summer."

She's been to Europe several times. She's traveled through Russia, Scandinavia and Yugoslavia. She's toured the Greek Islands. "But I've saved a lot. I have the Orient, Africa and Latin America still to go."

She prefers short trips, interspersed with time at home. She plans to keep her home in Brys drive, to maintain and expand her present interests. "I like music and gardening, foods and cooking, that sort of thing."

She could care less about handwork. "I'm more interested in humanitarian things. Court watching, for example: that's something I could find fascinating."

He'll Stay Around

It's been said that if Dick Beach didn't show up at a South High football or basketball game, if he missed a swim meet—they'd call the game/meet off.

Now just because Mr.

Beach is retiring, because he won't be teaching South High Business Education classes next year, don't expect him to be a stranger to South's halls, gyms and athletic fields.

"I'll still be working with Dads and Mothers Clubs, helping with the athletic programs. I'll still do work with the Future Teachers. I originated the Key Club at South High. I'll be working with it . . ."

You just can't stop the man!

He's always been this way. Back in Florida—he was graduated from high school in Daytona Beach and returned there to serve as Superintendent of Schools from 1934 to 1944—he was president of the Junior Chamber of Commerce AND the Senior Chamber of Commerce.

Won Gold Key Award

The Florida Jaycees voted him their Gold Key Award as the Most Outstanding Young Man in the state.

Father Flanagan invited him to spend two weeks at Boy's Town, in recognition of help given to exceptional children in Florida. Dick went, returned, and proceeded to give 50 illustrated talks. He spoke all over Florida, raising \$1,000 for Boy's Town.

Mr. Beach earned his Bachelors degree from the University of Florida, his Masters from Columbia and did additional work at Wayne and Michigan State Universities and the University of Michigan.

He served as School Superintendent in communities in New York State and Michigan, (Saginaw and Bay City), as well as Florida before coming to Grosse Pointe 16 years ago.

He's Done Everything

He's been a high school principal, coach and teacher in Florida and Michigan schools. He's taught occasional night classes at WSU.

He's a member of Phi Kappa Phi and Delta Sigma Phi. He is current president of the Michigan Future Teachers Association Advisory Council. He is a past-president of the Grosse Pointe Kiwanis Club, recipient for five consecutive years of the Kiwanis Kids Day Trophy as Kiwanian who raised the most money in Peanut Sales on Kid's Day in Michigan.

A few years ago the Grosse Pointe Kiwanis Club voted him Kiwanian of the Year. He is the only remaining director of the charter group of 30 people who organized the Child Guidance Clinic.

He was voted The Most Outstanding Teacher in Wayne County in a Detroit News-sponsored contest in 1968. A two-week trip to Hawaii came with the title.

No Sick Leaves

Richard Beach has never taken a day's sick leave in his 16 years at South High School. "Yo Beach Yo!" is the cry that rings through South's halls whenever the students catch sight of him.

He is, shall we say, something special.

Mrs. Beach, Ellen, is a teacher and a Registered Nurse, a director of Nurses who sets up educational programs for hospitals. Their son Richard, II, just out of the Air Force, a bachelor with two years of college completed, is a master mechanic, currently working in the tool and die industry.

Beauty with Brains Daughter Elizabeth Ann Harvey, "Miss Bay City" and "Miss Saint Lawrence Seaway" when she was Elizabeth Ann Beach, has brains to match her beauty. Mrs. Harvey, a University of Michigan graduate with a Masters degree, teaches in Battle Creek and is writing a book on Elementary Education that has already been accepted by the Department of Public Instruction. She's mother of the Beaches' only grandchild, Kevin.

Dick and Ellen Beach plan to remain in their Harcourt road home. Mr. Beach wants to do some traveling—he'd especially like to get back to Hawaii—but he wants, too, to "get caught up on the chores at home."

He enjoys golf and tennis and bowling, does a lot of reading and likes to work with autos, new and used, buying and selling. "I've represented many agencies in my spare time."

Swimming is another preferred activity. So is gardening: Dick Beach, in his "spare time," raises thousands of roses per year.

Among Missouri Military Academy students who received honors at the Academy's 85th annual commencement was Cadet CHRIS GREINER, awarded a cadet officer commission, Eagle certificate and Taps certificate, a senior certificate in Glee Club and high school diploma, cited for academic distinction in electronics. He is the son of the CLAUDE A. GREINERS, of Lakeside court.

Among Wayne County students who will be getting a first-hand look at hospital-based medical care by spending the summer at hospitals throughout the state are Pointers JOHN ARMSTRONG, Michigan State University College of Human Medicine, assigned to Port Huron Hospital, and BRAD BARKER, Wayne State Medical School, under the direction of JOHN H. WILLIAMS, M.D., in a program at Cottage Hospital.
