THE WHITE HOUSE said today the administration is considering a 10 cent a gallon raise of gasoline taxes. Presidential press secretary Jerry terHorst said it is only one of many proposals under study. Congressional action is necessary to raise the tax and the press secretary did not say an early request for such action was planned. He did say that some of the revenue from a gas tax hike would be used to cut income taxes for poor people.

THE AGRICULTURAL DEPARTMENT announced today that retail food costs dipped slightly last month, but probably will soar as much as five percent during the last half of the year. Severe midsummer droughts have sharply reduced harvest prospects, the department said, and retail food prices for the full year, 1974, are now expected to average about 15 percent above last year instead of the 12 percent increase earlier predicted.

Saturday, August 24

PRESIDENT GERALD R. FORD took his first steps towards ending inflation today by signing legislation establishing a wage-price watchdog council, declaring that "inflation can be licked." The council will have powers of persuasion only. At the same ceremonies, Mr. Ford also pledged to bring the 1975 Federal budget back under the \$300 billion mark. "We can do it," he said.

THREE COLORADO prisoners eluded police today after killing two persons, who had testified against them, and wounding five others in a shooting spree across Texas. The trio, including a convicted murderer, left a trail of violence as they traveled farm roads from the plains of west Texas 130 miles to Stephenville in central Texas. Two young women were abducted by the trio, raped, then released; four houses were burglarized; a police car was forced off the road in a running shootout and three persons were wounded in a highway ambush, authorities said. One was later killed and the other two were captured by police.

A SHIP-BRIDGE COLLISION has resulted in the two-week closing of the Welland Canal, the Great Lakes' only ship passage to the sea. The canal was closed after an ore carrier crashed into a drawbridge which carries a Canadian highway across the 200 foot wide body of water at Port Robinson, Ont. The bridge collapsed and its eastern tower toppled into the water. Crew members of the severely damaged ship suffered only minor injuries and the cause of the collision has not yet been determined.

CHARLES A. LINDBERGH, the world's hero of 1927 when he flew a solo trip across the Atlantic, died of cancer Monday at his home on the island of Maui, Hawaii, and was buried near the sea. He was 72 years old. Lindbergh knew he was dying and returned to his seaside home on Maui after spending a month in a New York Hospital. Five years after his historic flight, the Lindberghs' 19-month-old son, Charles, Jr., was kidnapped from the family mansion in New Jersey and was later found dead. One of his three surviving sons, Land, and his wife, Anne, were with the air pioneer when he died.

New Aerial Ladder Truck Receives Tryout

Photo by Robert A. Stone

Park firefighters are practicing how to handle the new \$93,400 Seagrave 100 foot aerial ladder truck which was recently delivered to their department. They picked the Public Library branch adjacent to Pierce Middle School to illustrate the effectiveness of the ladder, which was elevated to about 40 feet, less than half its full length. The

firemen are: at the peak, **ROBERT NEMENS**; climbing, **JOHN VIVIANO**; standing at the ladder controls, **WILLIAM HINER**; at the rear, **Sgt. JOSEPH BLOCK**; and behind him, **WARREN DRISCOLL**. Manning the control panel is **MARK SILLMAN**.

Woods Officers Investigate Incidents Which Were Reported Between August 23-26

Woods police received four breaking and entering reports and one armed robbery between Friday, August 23, and Monday, August 26. Three of the burglaries were reported on the 26th.

The armed robbery incident took place at Mr. Tony's, 19341 Mack avenue. This incident, in which the thief took an estimated \$290 in cash, was reported at 1:20 p.m. on the 23rd.

Patrolling officers discovered the break-ins at Rabaut's Fabric Mart, 19833 Mack, on Sunday, August 25, and at the Grosse Pointe Clinic and Arnoldy and Associates, both at 20825 Mack, and the Roslyn Market, 21020 Mack, all on the 26th.

Put Money in Bag
An employee at Mr. Tony's told Officer William Entwistle that a white male entered, produced a gun, walked to the cash register and told her to take out the money and place it in a bag. She did so and gave the bag to the culprit, who exited going west on Newcastle road. No vehicle was observed.

The robbery was witnessed by the employee and four other people. Police said witnesses agreed that the suspect was between 18-19 years of age and about 5 feet 10 inches tall. He had blue eyes, short bushy blond hair, long

Park Firefighters Proud Of New \$93,400 Seagrave Aerial Ladder Apparatus

Department Hopes to Have Truck Ready for Emergency Runs by September 1; Equipment Offers Many Advantages for City and Residents

By James J. Njaim

The Park Fire Department's new Seagrave aerial ladder fire truck will be fully equipped and ready for emergency runs by Sunday, September 1, it was disclosed by Fire Chief Phillip Costa. The order for the new apparatus, which costs \$93,400, was placed on July 2, 1973, and delivery was accepted on Thursday, August 8.

Since that time department personnel have been attaching the necessary equipment needed for such a truck. They also have had daily practice sessions on how to operate the truck and how to use the new equipment aboard it.

Learning Process
Every firefighter, from the chief on down, have spent hours familiarizing themselves with the truck, learning to drive it and especially learning how to raise, lower and extend the 100-foot ladder so that when an emergency arises, everything will be handled smoothly and without loss of time.

The ladder is not only longer — about 45 feet — than the old truck, but it is located at the rear of the apparatus, whereas, on the old truck, the ladder is set in the center.

Another advantage, Chief Costa said, focuses upon the ladder itself. With the old ladder truck, the ladder, when extended, had to be placed against a building, and its raising and lowering was done electrically with power furnished by batteries.

The new ladder can be

raised hydraulically and can be positioned horizontally to its full 100 feet without any support whatsoever, the chief said. In this position, water can be played on a fire from as far away as 70 feet. This would be impossible if the ladder were stretched vertically, he added.

Other Advantages
Another feature of the new truck is that it has a reserve water tank of 200 gallons, as compared to the 125-gallon capacity of the old truck. The new apparatus is capable of pumping 1,250 gallons of water a minute, whereas the maximum for the old one was 100 gallons a minute.

The new equipment also has what the old apparatus did not have — two high pressure hose reels, seven ground ladders, a fire pump, a huge hose compartment and a water tower attached to the top section of the ladder, Chief Costa said. This tower makes it much easier to battle flames of a high altitude.

Furthermore, the more modern truck not only per-

'Disaster' A Success At St. John

Hospital Personnel Regret Effectively to Simulated Drill; Local Fire Departments Participate

Wilbert F. Kenny, director of Safety and Security at Saint John Hospital, praised the fine cooperation of The Woods and Shores Public Safety Departments and The Woods and Harper Woods Fire Departments during a simulated disaster drill held at The Woods Theatre on Thursday, August 22.

He also thanked the management of the Woods Theatre for their cooperation and Detroit police who were at Saint John to assist in removing victims from ambulances.

On notification, fire departments from the aforementioned communities converged on the scene within minutes.

Check Response

A call was then made to Saint John Hospital's director of Safety and Security, who alerted members of the emergency staff and all hospital personnel that there had been an explosion at the theatre and about 50 victims were being brought to the hospital.

According to Mr. Kenny, tight hospital security was necessary to see just how well hospital personnel would respond to a real disaster situation. He said the staff's response was immediate and efficient.

He added that he was confident that after the success of this simulated drill, Saint John Hospital could handle any disaster with the expertise and precision necessary to protect members of its community.

The "victims" were nurse-aide students and Junior Volunteers from Saint John Hospital who were prepared for the drill by Medical Service Education Department Coordinator Delores Woodstock, R.N., Kathy Ambler, R.N., and Terry Paola, R.N.

"Excellent Drill"
Woods Public Safety Director Henry Marchand called the exercise an "excellent drill" and noted, "That's 100 percent the way it should be" regarding the surprise element on the part of hospital personnel not being aware of the activity.

All participating police and fire personnel knew of the drill before it occurred that same day. "I made phone calls to each department and told them to be at Saint John (Continued on Page 4)

Pointe Public Schools Open On September 5

Projected Enrollment for 1974-75 Year Set at 11,352; Several New Programs, Plus Modification and Extension of Previous Projects Planned

By Nancy Kramer

Students, teachers and administrators are probably scratching their heads, wondering exactly where the summer went, but eventually they'll have to acknowledge its passing and face up to the fact that the start of another school year is just around the bend.

Pointe public schools open Thursday, September 5, and all 15 institutions appear ready to accommodate the projected enrollment of 11,352 students for the 1974-75 school year.

A recent tour found custodians diligently waxing halls and each principal behind a desk in his office, except for Barnes' Jack McMahon, who's moved his desk to another room, and Ted Jacobs, who was supervising the painting of yellow lines in Richard's parking lot.

New Policies

This year, the school system, will see implementation of several new programs and policies as well as the modification and extension of previous projects.

At a School Board meeting on Monday, August 12, a resolution was unanimously passed employing Mrs. Ruth Shriman, of Vocational Assistance Skills Training, (VAST), as a job placement coordinator at South High School.

The trustees took the action after learning the school system received State approval of an application for monies to fund a vocational education project for persons with special needs in the amount of \$28,141.

At the same meeting, Superintendent of Schools James A. Adams explained in his report that one classroom in each elementary and middle school will be equipped with a special kit designed to im-

New Chief

The recommendation that former Farms Fire Captain **WARREN C. SCHULTZ** be confirmed as fire chief won unanimous approval from The Farms Council Monday, August 20. His appointment went into effect immediately.

Chief Schultz, 53, has been with The Farms Department since December 27, 1950. He became sergeant in October 1961; lieutenant in June 1968; and captain in April 1970.

He said his interest in firefighting goes back a long way and he felt sure he would like the work when he began in The Farms.

"It was a challenge," he said.

Surprised at News

He has obviously met that challenge with success, having now obtained the highest post in the department.

"I think everybody has the ambition to become chief, but I was surprised when it was announced," he remarked.

His new duties will be mostly administrative responsibilities. In about one month Chief Schultz will experience another change — his hours will be from 8:30 a.m. until 4:30 p.m. rather than the rotating three-day shift periods under which most firefighters work.

Chief Schultz said he's enjoyed working at The Farms immensely, calling the community a "terrific place to work."

The new chief and his wife, Bernice, reside in East Detroit. They have two sons, Kenneth, 28, and Ronald, 22.

Volunteers Sought for Program

Officers Will Have Important Responsibilities in Working with Offenders

By Barbara Bruno

The Grosse Pointe Volunteer Probation Program is launching a recruitment drive for volunteers to serve in the plan. The non-profit organization is geared toward aiding the 17- to 30-year-old offender who comes before Pointe municipal judges.

Once over the age of 18, youthful offenders are out of the jurisdiction of the Youth Service Division, (YSD). The probation plan is a unified effort on the part of all five Grosse Pointes to provide a rehabilitation program that will bring a more meaningful disposition of certain cases.

Serving on the board of directors are the three Pointe municipal judges, Woods Judge J. Patrick Denis, Park Judge John Urso and Farms Judge Robert Pytel, along with Court of Appeals Judge George N. Bashara Jr. and Wayne County Circuit Court Judge Blair Moody, Jr.

Important Role

The role of a volunteer probation officer, (VPO), is to assist one probationer to realize that basic life patterns can be changed to create a more positive lifestyle. The VPO will help him establish goals and adjust socially.

All VPOs will be trained in at least four two-hour classes which will begin in October. The responsibilities and obligations of the VPO will be outlined in these meetings.

The VPO is expected to meet with his probationer at least once a week for one hour. They also are asked to be on call in case any problem should develop with the probationer.

The probationer is assigned to a VPO by one of the Pointe municipal judges. The VPO gets a case history of the probationer and no offenders (Continued on Page 2)

Armed Robbers Hit Farms Shop

Two females, one armed with a blue steel revolver, tied up a clerk at a Farms clothing store Saturday, August 24, and stole goods valued at a total of \$239.66.

Mary Jane Silvestri, a clerk at the Personal's Yours shop, 17 Kercheval avenue, called Farms Police at 2:50 p.m. Saturday to report the robbery which had occurred a few minutes before.

She told police two black females in their twenties held her up and tied her with a six-foot electrical extension cord in the store. She was put in the back storage room of the shop with her hands tied behind her back.

Police said the first subject was described in her 20's, about 6 feet tall, with a large afro hair style, wearing maroon pants and a floral print long-sleeved blouse. She carried the revolver, believed to be a .38 caliber, and did all the talking during the holdup, police said.

The second woman, believed to be in her 20's, was about 5 feet 8 inches tall, heavily built, about 150-170 pounds, wearing red pants, a white sleeveless blouse and a large red felt hat, police said.

Officers stated the women escaped in a large, silver foreign car that was parked at the curb. No license was noted and the direction of escape is unknown.

The robbers stole a girl's wallet from the clerk's purse, some papers and a ladies' wrist watch, valued at \$70. The women stole two ladies' blouses, worth \$20 each, six gold and silver bracelets, valued at \$10 each, and cash from the store, police said.

Farms detectives are continuing their investigation of the case.

Woods Cited by AAA For Pedestrian Safety

By Roger A. Waha

The AAA honored The Woods this month by announcing it has given the city its Award of Excellence. The Woods was first of all competing cities in the country in pedestrian safety in the 10,000-25,000 population category. The award, which is scheduled to be presented sometime next month, was announced by the AAA after its 35th Annual Pedestrian Safety Evaluation.

This is the 16th straight year in which there has been no pedestrian fatality in the community. Since 1968, The Woods has received five Awards of Excellence and three Grand Awards from the AAA. The city was presented the Grand Awards in 1968, 1970 and

1972 for its record in pedestrian safety.

This marks the 22nd consecutive time since 1939 that The Woods has been cited for outstanding achievement in preventing pedestrian traffic deaths.

"This award is a tribute to the excellent work being done in this area by our patrol unit and by our traffic safety officer, Stephen Petrik," said City Administrator Chester E. Petersen. "The schools and the school crossing guards have contributed not only this past year, but also in previous years towards maintaining this excellent traffic safety record."

Officer Petrik said he wanted to thank all the teach-

Libraries List Service Hours

The Public Libraries are announcing new service hours which are effective Monday, September 2.

Central branch will be open Monday through Thursday, 10 a.m.-9 p.m.; Friday and Saturday, 10 a.m.-5 p.m.; and, beginning October 6, from 1-5 p.m. on Sundays until May 11, 1975.

The Park and Woods branches will be open Monday through Thursday, 12:30-9 p.m., and Friday and Saturday, from 10 a.m.-5 p.m.

GOOD NEIGHBORS

The Merchants of Kercheval in The Park are underwriting costs of the 1974-75 calendar of events for Defer Elementary School, according to principal Jesse Lowther. He, the parents, the staff and the PTO are grateful for the \$600 donation.

Jaycees Greet New Members

The Jaycees signed up five new members at their general membership meeting Thursday, August 22, bringing the total "roster" to 82.

They include Dr. William Jennings, Dennis Bennett, Keith Holbridge Jr., Chuck Adams and Jay Kaiser.

Police Nab Robbery Suspect after Chase

(Continued from Page 1) behind the wheel of his car, reaching out the window with a blue steel revolver pointed at the officer.

Officer Kraiza said he dove headfirst into the scout car and closed the door while the suspect drove off at a high rate of speed. Officer Kraiza reported he immediately exited the police car and fired two rounds at the fleeing car.

Police said there was no sign of either shot hitting the car.

Officer Kraiza said he re-entered his car, turned it

around and pursued the vehicle south on McKinley.

He reported that speeds exceeded 70 mph and said the suspect went through stop signs at Chalfonte, Beaupre, Charlevoix and Ridge while on McKinley. The officer said the chase proceeded right on Ridge to Fisher where the suspect turned left, (the wrong way down a one-way street,) until Maumee where he made a right turn and finally crashed at Notre Dame.

During the entire chase, which lasted about five minutes, Officer Kraiza was radioing all cars for assistance with all Pointe police cars in the area responding.

Park Officer Norman Gangola heard the radio call as he was going south on Notre Dame from Kercheval. He said he observed the vehicle being chased by The Farms scout car as he approached Maumee.

Officer Gangola said he abandoned his car in the intersection of Maumee and Notre Dame, and stood on the curb as the vehicle approached.

He said the suspect's car drove up on the curb in order to avoid striking the patrol car and the officer said he fired one shot at the car, which was believed to have struck the rear of the auto.

The Park officer said the driver dropped down in the seat, lost control of the car and struck the tree.

Police said the suspect exited the auto and Officers Gangola and Kraiza, who were at the scene immediately behind the suspect, told the man to put his hands over his head and lie down in the street.

Police said the man was handcuffed, read his rights and placed in the rear of The Park scout car until Farms detectives could photograph the scene.

Farms Sgt. Arnold Parsons and Officer Vincent Peters transported the suspect to The Farms jail cell.

Police said on the front floor of the suspect's car was over \$500 in cash and change, and a blue steel revolver.

Sgt. Parsons and Det. Sgt. George Van Tiem pieced together the robbery from reports by employees of the store.

Police said the suspect entered the market by the front door, walked to the rear and confronted store employee Bernard Whitford. Police said the man announced: "This is a holdup—and this time I want all the money and I am not fooling."

At this time, police said, Mr. Whitford was ordered to the front of the store and the holdup man grabbed the

stockboy, ordering him to the front as well.

Police said enroute to the front of the store, Mr. Whitford passed close to store owner Leila Bell and whispered to her, "It's a holdup." Almost at the same time, she was ordered to go to the rear of the store, which she did, and told her son, Neil Bell, of the holdup, police said.

Mr. Bell called Farms police at this time reporting an armed robbery in progress.

At gunpoint, Mr. Whitford was forced to empty two cash registers at the front of the store, police said.

The man exited through the front door and was seen escaping on foot. Mr. Bell stayed on the phone with the Farms police desk and relayed information the stockboy was shouting into the store as he watched the suspect get away.

GP Symphony Slates Tryout

The Grosse Pointe Symphony will hold a rehearsal, the first of the new season, Wednesday, September 11, at 7:30 p.m. at Parcels School, 20600 Mack avenue.

Musicians from the community who have kept their skills polished are invited to try out at this time.

The symphony, under the direction of Felix Resnick, is entering its 22nd season with a complement of 65 musicians including four charter members. It is made up of doctors, lawyers, students, housewives and retirees.

The first of four concerts, a Mendelssohn program featuring Ruth Burczyk and her daughter, Christine Burczyk Allen, will be held at North High School, 707 Vernier road, on Sunday, October 13, at 3:30 p.m.

Futuristic View

The next time Farms Officer John Kraiza comes in contact with an astrologer he's bound to take the prophecies more seriously than he did those of a Hamtramck seer Sunday, August 25.

Officer Kraiza, involved in Monday's police chase of a suspected armed robber, said on Sunday, his day off, he went to his mother's home to help with a rummage sale. The leftover clothes were to be given to a neighbor, the seer, to send to Poland.

That day the woman told the officer stories of things that had happened to him earlier in his life. He explained her knowledge away, saying his mother had probably told her the stories.

When she offered to do a free reading, Officer Kraiza agreed, thinking it might be interesting.

She said she saw a gun in his future, but this was nothing new to him—he carries a gun daily. She insisted it was not a policeman's gun, however.

She also saw a long gun. He figured it was the shotgun mounted in the police car and one he uses at the practice range. It was nothing new to him.

She saw him standing in the street. She saw a smaller gun with the long gun.

The officer was, quite naturally, skeptical of the whole thing.

He told several fellow officers about the reading Monday morning.

They all had a good laugh.

They laughed, that is, until the later events of the day were pieced together and Officer Kraiza found several similarities with the astrologer's predictions.

He'll never doubt the Hamtramck seer again.

Seek Probation Volunteers

(Continued from Page 1) with a history of violence are assigned.

Need Volunteers

Anyone over 18 years of age who is prepared to act responsibly in the assignment given is eligible to be a volunteer. Interested persons can call 885-8228 or stop by the Volunteer Probation office, 20943 Mack avenue, in the Family Life Education, (FLEC), office building, between 9 a.m. and 3 p.m.

Application forms also are available at the chambers of each of the Pointe municipal judges.

Probation programs are growing throughout the country at a rapid rate—in 1967, 25 lower courts used volunteers while over 2,000 courts are using them today.

They also are meeting with remarkable success. A program in Royal Oak has captured national attention because of its record of keep-

ing young offenders out of future trouble.

Many Could Benefit

Such volunteer programs also bring members of the community into the judicial process where they learn what causes certain types of criminal behavior and how the courts handle certain cases.

The three acting Pointe judges estimate there are between 150 and 200 young offenders who appear in their courts yearly who could benefit from skilled probation guidance.

Volunteers who do not wish to be VPO's but who would like to assist the program in another capacity are welcome. They should contact the Mack avenue office.

Numerous Pointe area civic groups are involved in the project including the YSD, the Northeast Guidance Center, FLEC and the Jaycees.

New Fire Truck

(Continued from Page 1) forms the same functions as the old one but, in addition, it has rescue tools.

Still another feature of the new truck is a generator that can supply 3,500 watts of electricity, at 110 volts, to floodlight areas where there is not enough light or no light, when lighting is needed.

Answers Question

"We have been asked why do we need a truck with a 100-foot ladder," Chief Costa said. "There are several reasons for this, and two of them are when the ladder is extended while the truck is at the curb, the hose from the tower can easily be played on a fire. And although we do not have any buildings in the community of 100 feet in height, we never know what the future might hold."

"It is possible that within the next 25 years, which is the normal life expectancy of any fire engine, a future city council might approve an edifice of that height. Who knows? It is always best to be prepared for any eventuality."

The chief said the 25-year life expectancy of a large fire truck is the standard set by the Insurance Service Offices of Michigan, which decides the classification of communities, thus determining how fire rates are based.

Burglar Hits Farms Home

The home of Edsel B. Ford III, on Edgemere road, was robbed of \$1,250 worth of goods sometime between 4 p.m. Tuesday, August 20, and 8 a.m. Wednesday, August 21.

Camp Fire Girls Plan Association

Preparations are currently underway by Camp Fire Girl leaders to organize and develop a new association in The Pointe area. Arrangements are being made to enable leaders to recruit new groups and leaders this fall. Pointe area meetings will be held the third Thursday of each month at the Neighborhood Club, 17150 Waterloo avenue, beginning September 19 at 1 p.m.

The loss was discovered by painter Steve Koshko, who reported for work on the home which is being remodeled. Mr. Koshko called Farms police about 8:15 a.m. Wednesday when he noticed the living room window had been broken and bare footprints leading across the wood floor to the den.

Police reported a portable television set, valued at \$569.95, and a sound amplifier, valued at \$699.95, were stolen from the residence.

Officers said the thief or thieves used a screwdriver to break the wood sections of the window before removing the glass panes. Police theorize the robber escaped through the broken window.

A check of neighboring residents by Farms officers showed that no one had heard any disturbance during the time the robbery took place.

Farms detectives are continuing their investigation of the incident.

Takes \$612 In Robbery

A white male, described in his mid-20's and around 6 feet tall, held up the Merit Woods Pharmacy, 19325 Mack avenue, Monday afternoon, August 19, and took \$612.70 in cash, reported Woods police.

The suspect left through the front door, ran around the corner to the Detroit and Northern Savings parking lot, jumped into an auto and went west on Bournmouth road before disappearing from view, according to a witness. No one was hurt in the holdup.

An employee told Officer Arthur Gekiere the culprit walked over to her as she was standing behind the counter and pulled out a small blue steel revolver from a brown bag. He told her to "empty the register and put everything into the bag," which she did.

The suspect went to another employee and told her "to cool it" and give him the money from her register, which she did. He then made his escape.

The man was described as having dirty shoulder-length brown or blond hair. He wore rim glasses, a cap, shirt and slacks of an unknown color and loafer shoes.

Theft Suspects Evade Police

Two black females, both approximately 20-25-years-old, successfully evaded City police who were looking for them in connection with the theft of \$44 from the purse of a store manager in the Village Monday, August 19.

According to a police report of the incident, the acting manager of Frank's Trims, another Village business, first called on police and Officer Dennis Van Dale responded.

The man said two black women had entered the store, and while one kept the sales help busy, the other went to the rear of the store and walked into the office. When the manager followed her there, he found the woman tampering with the safe.

When she said she had wanted to see someone about a job, she took an application, wrote her name and number on a piece of paper and then left the store.

When Officer Van Dale was checking the area, he was stopped by Dorothy Reaume, manager of the Expectation Shop, who told him the same two women entered that business, and while one occupied the salesperson's time, the other headed for the lavatory across from the stockroom at the rear of the store.

Mrs. Reaume said the next time she saw the woman she was exiting the rear door and when the manager went to the stockroom where her purse was kept, she discovered the money missing.

Neither subject could be located afterwards and a check on other businesses in the Village showed the pair had been in and out of several stores that day.

Woods Buys 13 New Cars At Total Cost of \$51,621

By Roger A. Waha

New wheels will be rolling in The Woods as the council unanimously authorized the purchase of 13 new cars for public safety department and city personnel at a combined total cost of \$51,621.82 at the regular meeting Monday, August 19. This was the largest amount of autos purchased at one time by the city.

Six 1974 Chrysler four-door sedans costing a total of \$26,056.68 will be obtained for the public safety department from Ken Brown, Inc., of East Jefferson avenue, Detroit. These autos are gray in color but it's undetermined at this time if that color will be changed.

Five 1974 Chevrolet four-door and two-door sedans were purchased from Bernie Hoyt Chevrolet, Inc., of South Gratiot road, Mount Clemens, at a total price of \$18,411.84. Two 1974 Ford four-door and two-door sedans were obtained from Ed Schmid Ford, Inc., of Woodward avenue, Ferndale, for a price of \$7,153.30.

City Administrator Chester E. Petersen said these seven autos will be used by police and city personnel. Two of the cars will go to the Youth Service Division, (YSD), and one goes to the detective bureau, while Mr. Petersen, Public Safety Director Henry Marchand, Building Inspector Earl Wakely and Department of Public Works Director Anthony Guaresimo will each utilize one.

Mr. Petersen said the cars currently utilized by himself and Director Marchand will be placed into operation in the YSD and detective bureau. He stated nine of the "older" cars will be sold, including some public safety department vehicles which will be auctioned off or will have bids received on them.

"I trust that the taxpayers don't think we've gone overboard in buying these cars for public safety and other departments," said Mr. Petersen. "These are a higher classification of car than we normally purchase."

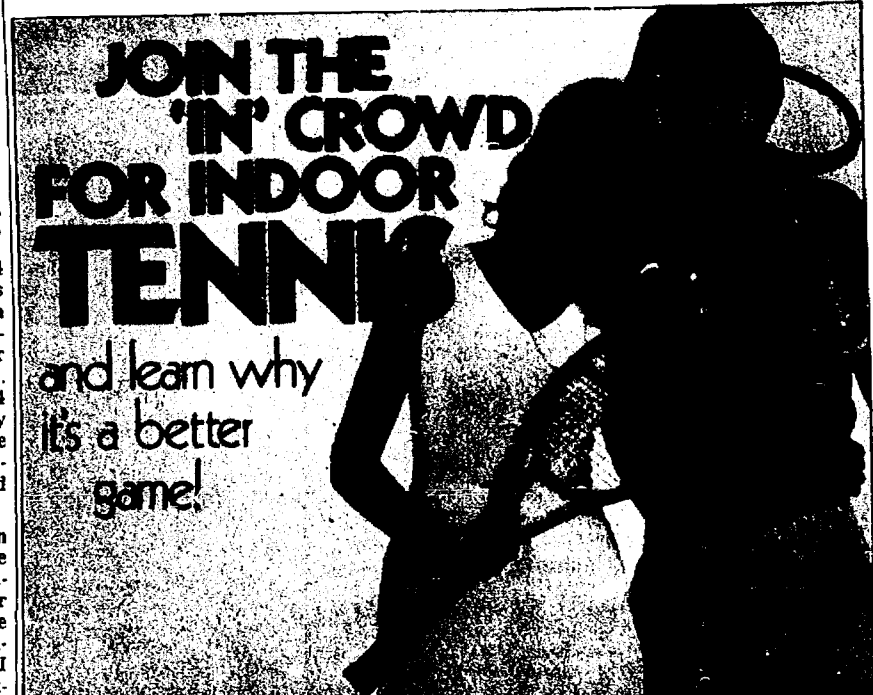

In purchasing the 1974 models, he felt taxpayers were being saved money with the city receiving a substantial reduction in sticker prices on the 1974 models. "As it turns out, the 1974 models are averaging only \$144 more per car than the lowest priced of the intermediate cars we purchased in 1973," he stated.

Mr. Petersen felt it was an "extraordinary buy" because of the considerable price increase in 1974 models over 1973 models and also because of the anticipated price increase of 1975 models. "I feel we're saving the taxpayers an average cost of \$750 per vehicle," he said.

Another reason why so many cars were purchased at one time is that a trio of autos, (two new ones and one older model), are going to the YSD and replacing three cars formally leased for the division, stated Mr. Petersen.

He added, hopefully, the city will not purchase additional cars until around October 1975 for delivery that December. And, then, he said, the only cars that might be needed could be six patrol vehicles for the public safety department depending on how other department autos hold up.

The total cost for the 13 cars will be paid from the revolving equipment depreciation fund with all prices reportedly being the best ones received.

Tires Stolen From Station

City police received a complaint from Marvin Beaupre, owner of the Mobil Service Station at 18184 Mack avenue, that between 6 p.m. Saturday, August 17, and 8 a.m. Monday, August 19, 10 tires were stolen from an outside display rack at the station.

The tires had been loosely strung together with a light gauge chain and were enclosed in the three-tiered rack which was locked at 6 p.m. Saturday.

Police reported the lock had been sheared by bolt cutters, and Mr. Beaupre said he found it lying on the ground in front of the re-locked rack.

The complainant further told police the tires had only been taken from the middle tier and that they were not the best ones he had on display.

"The city feels it's an award which has been gained through everyone's efforts."

Public Safety Director Henry Marchand cited the "cooperation by all" in the city's achievement — public safety officers, city officials, the highway department and citizens.

"Again, it shows that the officers on the road are doing a very good job and it shows our officers in the schools are doing a good job in educating our young people," he said.

The director stressed the help of the city council and Mr. Petersen "in giving us the money for traffic enforcement tools with which we can do a good job."

He also cited the work of the highway department, too, regarding the placement of traffic signs and for curb markings.

Auto Club General Man-

ager James G. Moffat said the AAA program, the only one of its kind, aims at focusing national and local attention on pedestrian safety needs by giving recognition to cities and states showing superior achievement in their pedestrian death and injury records, and which are conducting effective pedestrian safety programs.

"Pedestrian safety is too often given little attention in many traffic safety programs," Mr. Moffat said. "Yet," he noted, "pedestrians account for nearly 50 percent of all traffic fatalities in most major urban metropolitan areas."

Awards and citations are presented by AAA on the basis of low pedestrian death and injury figures and on accident prevention programs which are evaluated in seven key areas — maintenance of efficient accident records system, safety legislation, enforcement of traffic engineering, safety program coordination, quality of school traffic safety programs and active public information and education programs.

Park Council Authorizes New Computer Purchase

The Park Council at its regular meeting Monday, August 26, approved the purchase of a new computer machine from Nixdorf Computer Inc., of Southfield, after listening to representatives of two reputable firms. The purchase price of \$21,976 will be paid over a period of three years.

Loser in the non-bid pur-

chase contract was Burroughs Corporation of Detroit, which offered to sell the city its product for \$20,444, (cash deal), to replace another Burroughs machine which has been in use for about five or six years and was wearing out. It had been repaired several times.

The council did not ask for selling bids, but did request

that the firm of Ernst and Ernst, auditors for the city, evaluate the machines of both companies and offer recommendations. Acting on the evaluation study along with the auditors were Councilmen Robert Hutton and Charles Tompkins, City Manager Robert A. Shone and City Comptroller-Clerk Nunzio Ortisi.

The study committee, which was appointed by the Mayor Matthew C. Patterson and the council earlier this year, chose the Nixdorf product, which is comprised of 70 percent American-made components.

Mr. Ortisi disclosed that the council had not budgeted the price of a new computer on a cash payment deal, but with payments spread over a three-year period. The first payment, which is in the current 1974-75 fiscal budget, is \$8,200, with the balance to be paid in two installments of \$6,888 each.

Mr. Ortisi said the machine's price includes the interest, which is packaged in the total cost. The price also includes the installation and the training of city personnel in its use. Delivery is expected within about 60 days, he added.

The American made components from two well known United States companies are shipped to Germany, where the parts are assembled and

shipped back to this country.

The machine, which will be used to prepare tax rolls, pay rolls, water bills, and the city budget, is capable of printing 50 characters a second. Its programming cards have a magnetic ledger or memory strip which will contain the names and addresses of persons to whom tax and water bills, pay checks, etc., will go, simply by inserting the programming card into a slot for that purpose. It automatically brings vital data up-to-date.

There is a one year guarantee on the machine, it was said.

Successful 'Disaster'

(Continued from Page 1) at 9:30 a.m., the director said. The "disaster" occurred at 9:41 a.m. and all "victims" were treated by 10:30 a.m.

Director Marchand cited one problem which arose during the course of the drill — police and fire personnel gradually began to run out of stretchers because they were left at the hospital after "patients" with serious injuries were taken to emergency.

The director suggested that all available stretchers be placed by the exit so personnel delivering a patient to emergency can pick up

another stretcher on their way out.

Besides Director Marchand, other Woods officers who participated included Sgt. Peter Thomas, Cpl. Robert Setchell, and Officers Thomas Podeszwick and William Lentz. Fire Sgt. Tom Chapell and Firefighter Jack Fischer represented The Farms, while Shores Public Safety Officer John Trevillian represented his community.

Harper Woods personnel included Chief Howard LeFevre, Fire Marshal Lloyd Perry and Firefighters Gerald Kasinec and David Vandierdonck.

Five Incidents Keep Police Busy

Takes \$175

A check of Arnoldy and Associates offices revealed that some desks and cabinets were entered but the contents didn't appear to have been disturbed to any extent. The culprits, however, took a television set, of unknown value.

Finally, Corporal Thomas Kerving, while on patrol, noticed a window in the front door of the Roslyn Market had been shattered. Owner Michael Kashat was called to the scene and told officers the thieves took around \$175 from two registers after prying them open.

The detective bureau is investigating all of the incidents.

Officer Entwistle, while on patrol at 12:18 a.m. observed the rear storm window pried open at the GP Clinic and a 20 by 28 inch pane of glass broken out of a double sash window.

Investigation revealed that the office of Dr. William Sanders was ransacked with drawers opened, papers scat-

Vote Boat Club Pier Park Use

The Farms Council at their regular meeting Monday, August 19, decided to grant The Farms Boat Club use of Pier Park facilities for their "Venetian Night" ball Sunday, September 1.

The vote by council, which was unanimous, was necessary because the Pier is usually closed to groups on Sundays.

The 4-9 decision means the boat club will be allowed free use of parking, the right to sell raffle tickets in order to defray costs of the night and an extension of park hours from 11 p.m. to 1 a.m.

Selling raffle tickets in the park also needed the approval of council which gave its okay, calling the night a "home-based operation" for the benefit of all Farms citizens.

Receives Three Year Probation

A 26-year-old Detroit man was recently sentenced to three year's probation and \$750 costs in Wayne County Circuit Court on a burglary charge, reported Woods police.

Stefan Chabrowski had earlier pled guilty to the breaking and entering of a building other than an occupied dwelling stemming from the break-in of a Newcastle road residence on March 22.

PARKING LOTS LICENSED

The Woods Council unanimously concurred in the recommendation of City Administrator Chester E. Petersen and okayed the licensing of 58 parking lots in the city, including six schools, several churches and various businesses. This action was taken at the regular meeting Monday, August 19.

School, Library Employees To Meet on September 3

"The 70's: New Demands for Educational Leadership" is the theme of the planning conferences marking the beginning of the 1974-75 year in the public schools.

A meeting of all school and library employees is slated for 10:30 a.m. on Tuesday, September 3, in the auditorium of North High School, 707 Vernier road.

Speakers will be Mrs. Edward C. Hanpeter, president, Board of Education; Dr. James A. Adams, superintendent of schools; and Carl W. Lord, president, Grosse Pointe Education Association. Dr. Joseph Spagnoli, assistant superintendent-instruction, will serve as master of ceremonies.

Stressing the importance of the opening activities of the year, Dr. Adams has expressed the hope that they will be meaningful ones for the entire staff. "In a sense, this is a time of rededication, a time of beginning, a time of hope," he commented.

In a recent message to the staff, Dr. Adams said: "As the educational leaders and school employees of this community, I ask that we dedicate ourselves to the important task of providing quality education for all students. It is also my desire that those who are joining the staff for the first time, regardless of the capacity or assignment, have an understanding of the district's job expectations and become dedicated, productive employees."

"In spite of the many problems facing us, the 1974-75 school year can be one of the best ever in our schools. With the help and cooperation of the entire staff, I am confident that we can make the schools an example of excellence in education."

Dr. Adams continued, "From my contacts and observations to date, I am aware of the caliber of our staff, the dedication of our

trustees and the commitment of our community. I look forward to working with each of you in 1974-75 — and beyond — in maintaining and improving the quality of public education in Grosse Pointe."

The invocation at the September 3 meeting will be given by Monsignor Francis X. Canfield, St. Paul's Church, and the benediction will be by Dr. Ray Kiely, Grosse Pointe Memorial Church.

Platform guests at the system-wide meeting will include Board of Education Trustees: Muir B. Snow III, vice-president; Laurance J. Harwood, secretary; William F. Huettelman, treasurer; John Bruce; Mrs. George T. Maghiel; and Robert D. Warner.

Others participating will be William D. Dahling, president of Friends of the Grosse Pointe Public Library, and Charles F. Woodbury, Jr., president of the PTA Council, and the presidents of employee associations: Mrs. Marion Henderson, office; John McDougall, Jr., plant; Jack McMahon, administrators; and Mrs. Dorothy Proctor, cafeteria.

The meeting is expected to adjourn at 11:30 a.m.

Pointers Host AFS Students

Excitement is mounting in three Pointe homes as they await new arrivals — this year's American Field Service (AFS), students. Claire Servant, from Chauvigny, France, has just arrived to make her school year home with the George Houchens, of Lincoln road, and attend South High school with "sister," Blair.

Dr. and Mrs. Robert Everett and their son, Jim, of Woodland Shores drive, were expecting Timo Ilmari of Turku, Finland, around Tuesday, August 20. Hopefully he will arrive in time to join them for a short vacation in northern Michigan before settling down for the school year at North High.

Timo has sailed all over the Baltic Sea and is especially pleased to be coming to the Great Lakes region where he knows that many share his enthusiasm for the water.

During the same week, "Ullie" Tack will be arriving from Pottendorf, Austria, to attend University Liggett school and be a member of the Edwin Peabody family on Lincoln road.

"Sister" Margie is looking forward to sharing her interest in horseback riding with "Ullie." "Ullie's" Austrian riding instructor told her about his grandparents who used to live in Detroit, so

she will arrive with some pre-conceptions about the city.

Claire is already busy gathering first impressions, growing accustomed to the language and American family life. She had really expected to see more tall buildings when she traveled from her port of entry in New York to Detroit on a charter bus. But she found people very friendly and enjoyed seeing the older homes and big trees.

Surprised at seeing TV sets in many public places like bus stations, Claire has already been introduced to Saturday morning cartoons, which she enjoys very much and feels could help her to master simple English.

She is really fascinated with the Houchens' habit of cooking out and is looking forward to a year of learning.

The Adult Foreign Students committees hope many people will want to entertain these young people in their homes, clubs or classrooms. The committees welcome more helpers and are always searching for potential host families.

For more information about the AFS program, call Mrs. George Walker at 881-4651.

GP Club Takes Scherer Trophy

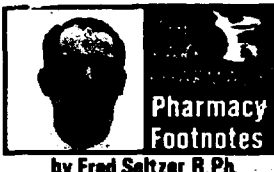

The top junior sailors of this area representing six Yacht Clubs, sailing in Inter-lakes, competed for the "J Otto Scherer Memorial Trophy" on Sunday, August 25.

The three race series was held at the Crescent Sail Yacht Club for the 11th consecutive year. Ideal wind and weather conditions made the finishes close and exciting.

The Grosse Pointe Club trio with Trip Mitchell as skipper, Dick Mitchell and Phil Hendrie as crew, captured first place.

Placing second was Libby Schudel of the Bayview Yacht Club with Dave Gerow and Steve Bohn as crew. Skipper Fred Rozelle of the Crescent Yacht Club with Mary Beth Pytell and Janet Bertelsen as crew took third place.

Skipper John Leverenz also of the Crescent Sail Yacht Club with Patrick Carabon and David Beitel placed fourth. Taking fifth place was a skipper Wick Smith, crew Carole Trybus and Christopher Lee, representing the Detroit Yacht Club. Sixth place went to the Grosse Pointe Yacht Club. The skipper was Louis Moran with crew John McAllister.

Space medicine discoveries have resulted in new medical tools which are of value to all people. For example, tiny instruments attached to the astronauts to keep track of their breathing, heartbeat, and so on during space flights, are now being used in hospitals to help busy nurses know which patients need the extra care. Space suits have also been used to help bedridden people, victims of stroke or of blood pressure diseases, to walk again. Another important frontier of course, is underwater research. To gain a better understanding of man's ability to survive in difficult environments is to give medicine a better understanding of man's capabilities.

Your professional pharmacist at THE PARK PHARMACY, 15324 E. Jefferson, 822-2580, is completely capable when it comes to all medicines. HELPFUL HINT:
 Oil casters frequently, because they may rust easily. Avoid spilling oil on rubber parts, since oil ruins rubber.

II and Jeff DeHayes. The Great Lakes Yacht Club team skippered by Glen Gardner and crew John Levin and Jeff Deitch took seventh place.

Commodore Herbert J. Mainwaring, chairman of the Race Committee, was assisted by Mrs. Marie Mainwaring, Chris Groschner, Bill Sadler and Steve Sherry.

The trophy is named for the late J. Otto Scherer of the Park in recognition of his great interest in the Junior Sailing program and for the outstanding contributions he made in furthering the sport of sailing for the youth in this area.

Mrs. J. Otto Scherer presented the trophies.

Burglar Visits Nuns Convent

A burglar invaded the convent of St. Clare of Montefalco on Friday, August 23, and entered the rooms of five nuns, rifling purses, and escaping with a small sum of cash and an inexpensive camera found in one of the rooms.

The thief's loot amounted to about \$100 in currency and change, plus the camera, the lieutenant said.

The matter is under investigation by officers of the Detective Bureau.

Young Cyclist Receives Scare

A 12-year-old Woods youth received a scare when an auto tried to hit him as he was cycling on Edmont drive Sunday morning, August 25.

The boy, who swerved his bike away from the threatening car, ran into the rear of a parked vehicle and suffered one chipped tooth and several loosened front teeth. He told Public Safety Officer William Desilets he had been riding in the area of old Eight Mile road and Edmont. After turning on Edmont, the youth spotted a two door, blue auto occupied by two white males, around 19 years of age with long hair, follow him. Both appeared to be laughing at him.

After the pair attempted to hit him, they continued on Edmont without stopping. The boy told the officer he didn't know why they tried to run him off the road.

Set Sights on School Year

With school bells to ring on Thursday, September 5, for more 11,000 youngsters attending classes in the Pointe's public schools, planning for a successful beginning to the 1974-75 year has moved into high gear. Dr. JAMES A. HOEH, (left), principal of South High School, re-

views procedures with Dr. JAMES A. ADAMS, (right), superintendent of schools. Dr. Hoeh assumed his post Monday, August 5, coming from Weston, Conn. Dr. Adams, formerly superintendent in Montclair, N. J., began his duties July 1.

Public Schools to Open September 5

(Continued from Page 1) prove individual spelling skills.

The kit consists of a set of audio tapes of 40 levels of words arranged by degrees of spelling difficulty, a tape tray, three tape players selected especially for the project and sets of placement and mastery tests.

Talent Program

Students choose their own lists of words to study through trial tests and advance by self-pacing. Dr. Adams noted the details of the program have been worked out to conform with the best available research regarding spelling learning and added that the project would be evaluated by pre- and post-learning.

Selected students in kindergarten through sixth grades will be offered a unique opportunity this year through a special talent program. Though enthusiastic, most elementary principals were not exactly sure of which direction this project will take, but each has designated teachers to work with students who show exceptional talent or unusual skills in any field, from drama to art. Four rooms at Poupard

have been set aside to launch the local program for the trainable mentally impaired. Principal Ed Wendt said he expects about 30 pupils who previously were attending a Wayne County facility in Detroit, and he added the idea of housing them at Poupard was enthusiastically received by the PTA board.

Pilot School

Poupard also is the pilot school for a new math program called Systematic Instruction in Math—Plan for Learning and Education, (SIMPLE).

The theory behind the venture is that there are basic math skills each child must know and there are others that aren't as essential. With implementation of SIMPLE, administrators hope any student will be able to master at least what's necessary in order to identify with a body of knowledge that's common to all.

At North High, principal G. Bruce Feighner was looking forward to completion of an industrial arts wall that will facilitate the start of a new automotive program, and he said a pass/fail policy for 11th and 12th graders would be initiated this year.

Under this plan, students can take one course that's not required for graduation credit, on a more or less ungraded basis.

50th Anniversary

South High will be headed up by a new man, James A. Hoeh, recently hired to succeed retiring principal Jerry Gerich. Dr. Hoeh has taught in Michigan, but prior to coming here was a high school principal in Weston, Conn.

High point of the year at Defer will be its 50th anniversary celebration, scheduled for February, and principal Jesse Lowther reports

plans are already underway for that special event.

Apart from cultivating innovative educational ideas, all principals are banking on the continued success of tried and true programs.

Bill Mogk at Pierce was looking forward to seeing more creative endeavors come out of the school's already outstanding industrial arts classes as well as more exciting field trips under auspices of the Outdoor Education and Environmental Studies program.

Creative Approaches

John Hammel of Monteith hailed the return of the Junior Great Books program and said the school's first in a series of mini PTO meetings, which are geared to the special interests of 10 to 30 persons, will deal with reading on the beginners level. Maire principal Don Bassett touted that school's close relationship with its PTA and expressed hope that students would profit from the organization's continued support.

Mr. Jacobs reported several Richard staff members have taken a summer course at Marygrove College and are likely to try some creative approaches to education with what they've learned on open classroom techniques, while Frank Welzenbach at Trombly was looking forward to re-opening the school's fine library.

Many Focal Points

Environmental Action Now, (EAN), has taken up quarters in extra classrooms at Barnes and Mr. McMahon feels his students stand to benefit from a close association with the group.

Other principals, Dick Kay, at Kerby, William Christoferson, at Brownell, William Mestdagh, at Mason, Morris Hanzek, at Parcels, and John Rohrer, at Perry, cited such things as redesigned facilities, more classes, both graded and non-graded, new teachers, art workshops and more individualized curriculums as some of the high lights in the offing for the new school year.

So, as usual, it seems educators have put a considerable amount of time and talent into mapping out procedures for another school year and judging from these efforts, the 1974-75 term should be a most profitable experience for all concerned.

Shores Studies Weed Problem

Michael Murray appeared before The Shores council Tuesday, August 20, asking that the weeds and high grass in a field between Michaux lane and the ski hill behind the old Vernier school not be cut down. Mr. Murray said he would like to see the area preserved as a nature sanctuary.

Shores Public Safety Chief Joseph Vitale has said a decision has been made to cut the weeds, which stand between four and five feet high, because it is a dangerous area for young children who play there and numerous beer drinking parties by minors take place there.

Mr. Murray told the council he was unaware of the complaints to police and he presented a petition to the council with names of persons who don't want the field cut.

John E. Duncan, of Michaux lane, said the parties, trash and beer bottles in the field are a nuisance. He felt the problems wouldn't be so bad if the weeds were mowed and visibility in the area was thereby increased.

Trustee C. F. Ogden agreed the field has been difficult for police to patrol. He said there is a concern to preserve the wildlife such as rabbits and pheasants but added the council also has an obligation to protect the community from annoyances.

At present the field has large chuckholes and debris in it that would ruin the village's mowers, according to Village Superintendent Thomas K. Jefferis. These obstacles would be removed before the mowing is undertaken.

The council decided to forward Mr. Murray's request that the field not be mowed to the Public Safety Committee for further study and investigation. He and neighborhood residents were assured they would be informed of the outcome of the investigation.

Drive a different car each day of the week.

Sun. A perfect day to relax amidst luxurious surroundings like the Mercedes-Benz 280's.

Mon. The answer to getting in and out of traffic is to have the same type of steering system as the racing Ferrari.

Tues. You've got a car that handles beautifully in the rain. That's because it has front-wheel drive like a Cadillac Eldorado.

Wed. City potholes aren't that bad if you've independent front suspension like an Aston Martin.

Thurs. A long business trip ahead. Thank goodness the car gets 24 mpg*. That's virtually the same as a VW.

Fri. Getting ready for a nice weekend. And all the luggage fits nicely into a trunk as big as the Lincoln Continental Mark IV's.

Sat. The whole family is enjoying the ride. Because there's about the same headroom and legroom as a Rolls-Royce Silver Shadow.

Farms Nuptials No Longer Free

In accordance with Michigan statutes dealing with marriages, The Farms Council at their regular meeting Monday, August 19, voted unanimously to institute a \$10 fee for marriages presided over by the mayor.

Farms Mayor William G. Butler brought the matter to the attention of the council after being called upon recently to perform his first wedding.

Not knowing whether he should accept a fee for the ceremony, the mayor jokingly said he did accept a bottle of wine, which he has subsequently been afraid to consume for fear of embezzling city property.

The \$10 fee, approved by a 4-0 vote, went into effect immediately.

Woods Okays Tax Payment

Two resolutions from the Wayne County Intermediate School District, one of which levies .06 mills for debt purposes and the other which levies .03 for operational purposes, were unanimously approved for payment by The Woods Council at the regular meeting Monday, August 19.

Both measures were adopted by the Board of Education of the Intermediate School District on July 31 and authorize and direct monies to be raised by taxation for the purposes of the School District for this year.

The first resolution levies the .06 mills amount on the State Equalized Value of taxable property which totals \$13,757,649,832, while the second measure levies the .03 mill amount on the same total.

The Woods will pay a tax of \$8,938.73 according to the first resolution, and a tax of \$4,469.36 according to the second measure. The city's State Equalized Value is listed at \$148,978,800.

The other Pointes, their State Equalized Value and the amount of taxes they will have to pay as required by law shows:

The Park—State Equalized Value, \$85,243,340; tax according to first resolution, \$5,114.60; tax according to second resolution, \$2,557.30.

The Farms—State Equalized Value, \$104,906,470; tax according to first resolution, \$6,249.39; tax according to second resolution, \$3,147.19.

The City—State Equalized Value, \$54,673,190; tax according to first resolution, \$3,280.39; tax according to second resolution, \$1,640.20.

Grosse Pointe Township—State Equalized Value, \$40,812,840; tax according to first resolution, \$2,452.37; tax according to second resolution, \$1,226.19.

War Memorial Expands Its Dancing Department

The War Memorial is expanding its Dance Department.

A new course in musical comedy dancing—tap, jazz and modern—will be offered by internationally known choreographer, dancer and teacher Robert Mitchell, whose work has become well known by Grosse Pointe Theatre audiences since his establishing residence in The Pointe.

Mr. Mitchell's classes will be held on Monday evenings, beginning at 7 p.m. Registrations and interviews with Mr. Mitchell should take place Monday evening, September 9, at 7 at which time people will be grouped according to age and ability. Classes are open to young people from 10 years of age and to adults, both men and women.

Classes will be held on Mondays, September 16 through November 18, from 7 p.m. The course fee is \$35 for ten weeks.

Mr. Mitchell danced on Broadway from an early age and then transferred to Paris where he was featured in the Folies Bergere with breaks when he did stunts in New York City's Radio City Music Hall.

Mary Ellen Cooper, nationally recognized teacher of ballet, who's on the international Board of Directors of Teachers of the Cecchetti method, (traditional Italian ballet), will interview prospective ballet students Friday, September 13, from 3:30-6 p.m. and on Saturday, September 14, from 10 a.m.-2 p.m.

Classes grouped according to age and ability will meet week days after school and Saturday morning and afternoons, September 16-December 7.

These classes are for ages 5 through high school for a fee of \$29 for 12 weeks. Classes are held on Monday,

Wednesday and Thursday evening for adults for a fee of \$27 for 10 weeks. The Monday and Wednesday classes begin at 8:15 p.m. and the Thursday classes at 7:45 p.m.

Miss Cooper has directed the Memorial's Corps de Ballet for 18 years. A graduate of the Royal Conservatory in Toronto, she taught both in Michigan and California for years with Olga Fricker. Her father and uncle were members of the Detroit Symphony since its inception.

Far Eastern Dancing, (belly dancing), is offered on Thursdays beginning September 19 from 1:30-2:30 p.m. and from 8-9 p.m. It is taught by Fariba Bringard who learned dancing in her native Persia before marrying and coming from Iran to Michigan.

It is fine exercise and provides a good introduction to ethnic dancing and the cultures of the East. The fee is \$25 for eight weeks.

Ballroom Dancing, both the traditional steps and the new dances, plus ethnic trends, will be taught, demonstrated and practiced in the Thursday Night Dance Club directed by Mr. and Mrs. Ted Forrest.

Beginning at 8 p.m., the first club sessions will last through November 21 with a special pre-holiday party planned for December 4. Membership fee is \$20 for singles; \$35 for couples.

Mr. and Mrs. Forrest have for years taught dancing in the clubs of Grosse Pointe and Bloomfield Hills. Mrs. Forrest was the late Mr. Strassbourg's assistant.

Pair Withdraw Larceny Plea

Two men who recently pled guilty to a charge of attempted larceny over \$100 withdrew their plea and are now scheduled for a Wayne County Circuit Court trial Wednesday, September 11, reported Woods police.

Walter Joseph Clerpial, 21, of 3334 East Ferry, Detroit, and Daniel Sherwood Gibbs, 20, of 11117 Borgman, Belleville, withdrew their plea.

The pair, along with John Preston Rials, 20, of 28314 Cahalan, Roseville, were nabbed on March 19 by Woods police. Rials wasn't charged in The Woods because he was being prosecuted in St. Clair Shores on a breaking and entering of an occupied dwelling charge.

Officers said Rials was recently sentenced in Macomb County Circuit Court to from six to 15 years in prison on the burglary charge.

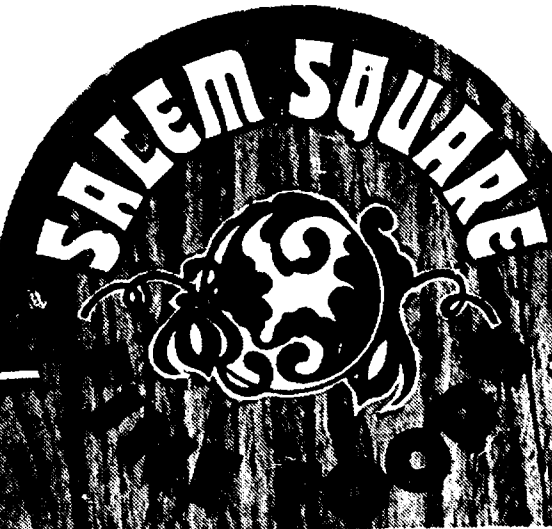

The trio were accused when Woods Officer Russell Allard stopped their auto on Mack and Manchester with one headlight illuminated. Police then found a color TV and a black and white TV, along with a record player and an AM-FM radio, inside the vehicle.

Investigation revealed these items were taken during the burglary of a St. Clair Shores home.

CITE 'SWEETEST DAY'
The Woods Council unanimously authorized Mayor Benjamin W. Pinkos to sign a proclamation citing October 19 as "Sweetest Day" in the city. This action was taken at the regular meeting Monday, August 19.

An Anita avenue resident had a few visitors in her front bushes Thursday afternoon, August 22, and sought some assistance from The Woods Department of Public Safety.

A short time later, Dog Warden David McQueen arrived at the scene and discovered that the visitors' owner had recovered his "belongings" and would take them to a farm later that evening.

The visitors? A mother cat and her litter of kittens.

Never use chrome polish on the bright trim pieces inside your car until you are certain they are metal. They may look like chrome, but most often turn out to be shiny bits of plastic, made to resemble metal. Wipe them with a damp sponge and buff with a soft dry cloth. Whatever the trim is made of, avoid abrasive cleaners when cleaning. Of course, as you may suspect, the best time to remove stains from seats or carpets is immediately after it appears, and before it has a chance to set in.

The best place to come for all car repairs is POINTE DODGE, INC., 18001 Mack Ave., 884-7210. Same day service is given whenever possible and all types of repairs are handled including air conditioner, brake, transmission, electrical and body jobs. Improvements in Store for Liggett and Austin

By Tom Panszenhagen
(Editor's note: This is the last in a series of two installments looking at the upcoming football seasons of local high schools. Last week the NEWS previewed the chances of North and South High Schools.)

If the football hopes of Grosse Pointe North High Schools are not so high as in recent years, the reverse is true for Austin and University Liggett School.

But "improvement" is a relative term and Austin could still be mired near the bottom of their league while ULS challenges for the top. For the Fighting Friars of Austin an eight-year slump, in which their teams have gone 16-46-2, appears unbreakable for yet another season.

For the ULS Knights, however, five straight years of 5-3 records, followed by a 6-2 performance last season, hopefully will signal continued improvements ahead.

One of the few other things Austin and ULS do have in common is the relative smallness of their schools. That, along with a large turnover in players, is causing the most grief in the mind of Austin coach and athletic director Peter Pucher.

Admittedly, "Austin faces another tough year," said coach Pucher.

From last year's varsity and junior varsity squads of 85 players, only 34 have returned. Fifteen players have graduated, 18 have transferred, (mainly to North and South High Schools), and 18 others have chosen not to return to the team.

This is not to say that Austin, and the Austin fathers' Booster's club in particular, have lost interest. Indeed, part of the rebuilding program instituted by coach Pucher has been made possible through continued school support.

Still coach Pucher has not been able to get players out for the team in any large

number. Forty-two students came out for summer drills and no more are expected to join the squad once school resumes. In lieu of this, coach Pucher concedes that the junior varsity program may have to be temporarily dropped.

If it is, at least that should benefit the varsity squad, which will be playing its final season in the tough Central Division of the Catholic League.

And that piece of good news could also spur improvements in Austin's 1-7 record a year ago.

But a few key players will have to come through for Austin if they hope to challenge any of those other teams.

First-year varsity quarterback John Ruemenapp will be called on to lead the offensive team with the aid of running backs Jim Neville, Tom Kasunic and Sam Randazzo. All except Randazzo are Pointers and Neville is one of the co-captains.

The defensive line should be a strong point with returning lettermen Dave Palmer, Ed Perry and Mike Riehl, but the rest of the defense is noticeably lacking in experience.

The offensive line is solid, and the Fighting Friars could field a fairly potent offense.

Boistering that line will be center and co-captain John Brosnan, guard Sam Ciolino and probably another guard, either Kevin Geml or Tim O'Gorman.

Overall, though, things still look bleak. And being faced with one of the toughest football conferences in the State doesn't help.

As coach Pucher put it, "The way it is now, it's going to be a rocky two or three years. But there's light on the horizon, it's not going to be all dark."

At University Liggett, six years of brightness could turn into a veritable rainbow, particularly if senior quarterback Todd "Rainbow"

Greer has the season head coach Tom Taber expects of him.

Greer is one of 15 return-lettermen; only four have been lost. And with that in mind, it seems a cinch that ULS will at least repeat last year's 6-2 record.

The program is in good shape, most of the starting positions are filled and the Knights appear on their way to a winning season.

The only thing worrying coach Taber is the old problem of numbers. Only about half of ULS's enrollment of 300 are boys and they must support two football teams, two soccer teams and a cross-country track team.

Coach Taber feels he has the starters to mold a championship squad, but he wonders if he will have the replacements, if needed.

Among those starters, and joining "Rainbow" Greer in the backfield, are senior tailbacks Whit Boyd and Frank Judge. Upback Mark McKee, also a senior, should add punch, too.

A strong line, deep in experience, should boost ULS's offensive and defensive strengths. Among the starters at these positions are Joe Carolan, Drew Miller, Jim Swan, Kevin Shea, Angelo Polizzi and Ed Premo. All but junior Shea are seniors.

Senior Mark McKee, junior Bert Mooney and sophomore Bob Neville are the linebackers, who are considered strong by coach Taber but the linebacking position consists of the least experienced players of any position.

Running backs Boyd and Judge also will play deep safety for the Knights, and those positions look secure.

Clearly, then, the picture is an obvious one. With a large concentration of experienced varsity players, coupled with a steadily improving team, the ULS Knights could take it all in the Metro Conference.

In the words of coach Taber, they have size, speed

A debt that's paid today won't be worrying you tomorrow.

When a man loses his desire to do things well, he's done for.

DPW to Have New Office

After a public hearing, which ran around five minutes, The Woods Council unanimously approved the relocation of a portable school classroom building from the Ferry Elementary School site to the Department of Public Works site at Marter road and Parkway drive.

This action was taken at the regular meeting Monday, August 19.

The building, which will be located at the north edge of the employee's parking lot, will be utilized as an office

and lunchroom-locker facility for DPW employees.

Two citizens spoke at the hearing. Angelo Jamerino said he had no objection to the structure's relocation but wanted to know where it would be placed. Lee H. Radenburg also said he had no objection to moving the building but wanted to make certain it would have an attractive appearance as he would see it from his back yard.

City Administrator Chester E. Petersen reassured him every effort would be made to paint the structure and maintain its good condition. Mr. Petersen said he hoped the building, which will be on a permanent foundation, would enhance the immediate neighborhood.

Youth Pleas to Holmes Act

A 17-year-old Woods youth, who's charged with possession with the intent to deliver 812 grams of marijuana contrary to the provisions of Michigan's Controlled Substance Act, and with unlawfully delivering 20.2 grams of marijuana contrary to the act's provision, pled to the Holmes youthful offender act Thursday, August 8, in Wayne County Circuit Court, reported the Youth Service Division, (YSD).

The court accepted the plea of Bruce Robb with final disposition scheduled for Thursday, September 26.

Robb was arrested on June 27 on the charges after a six-month surveillance of his home by the division. Officers were told that a police crime lab analysis report proved that the confiscated substance was definitely marijuana.

Sponsor Party For Retirees

Woods city employees had a retirement party for two of their associates Friday evening, August 23, at the Lochmoor Club.

The affair was held in honor of court clerk Marie Surbrook, who spent her last day at work on the 23rd, and tax clerk Rose Blaskey, who retires on September 30.

Well wishers from the city and public safety department participated in the event.

Youths Snatch Rider's Bike

A 17-year-old Park youth was accosted in The City by two black males who wound up taking his bicycle on Thursday evening, August 22.

Robert Buck, of Bedford road, told City Cpl. Edmond Benthuis and Officer Donald Boyer he was riding his bike north on Washington road at 10:12 p.m. when two black

males, one armed with a stick and both approximately 21 years old, got out of their car and forced him to stop in the street.

One of the subjects then ordered the youth off his bicycle and gave him a shove. When he complied, they loaded his 10-speed into the trunk of the car and drove north on Washington and turned east on St. Paul avenue.

Later on the same evening police heard from another youth who said he had been riding with Robert. He said the pair was not inside the car but hiding in the bushes on the south side of St. Paul at Washington road, and that they had tried to approach him but he swerved away and kept on riding.

Neither youth was injured during the incident.

Obituaries

W. GORDON JOHNSTONE

Memorial services for Mr. Johnstone, 79, of Grosse Pointe boulevard, chairman of the board of Johnstone and Johnstone, Inc., realtors, will be held today, Thursday, August 29, at Christ Church, Grosse Pointe. He died Monday, August 26, in Bon Secours Hospital.

Born in Acton, Ont., Mr. Johnstone was a graduate of the University of Michigan. He served as an officer in the Corps of Engineers during World War I.

Active in the real estate industry for 56 years, he helped pioneer the residential development of the Grosse Pointe communities, first as vice-president of Houseman-Spitzley Corporation and later as head of his own company.

He served for many years as guest lecturer in real estate at the University of Michigan and was a real estate consultant and appraiser for numerous corporations throughout the country.

Mr. Johnstone was a past president of the National Institute of Real Estate Brokers, the Detroit Board of Realtors, the Michigan Chapter of the American Institute of Real Estate Appraisers and the Grosse Pointe Real Estate Board. He was a former vice-president and director of the National Association of Realtors.

He was a member of the Answer Club, the Country Club of Detroit and the University Club.

Mr. Johnstone is survived by his wife, Louise Barnard; three sons, Robert B., of Auckland, New Zealand, Peter B. and William D.; two daughters, Mrs. Thomas N. Hubbard and Mrs. Wilfred A. Steiner, Jr., and 12 grandchildren.

Memorial contributions may be made to the Michigan Cancer Foundation or Bon Secours Hospital.

LOUIS TRAIN CAMERON

Funeral services for Mr. Cameron, 69, of Torrey road, were held Saturday, August 24, at the Verheyden Funeral Home and Our Lady Star of the Sea Church. He died Thursday, August 22, in Saint John Hospital.

A native Detroit, Mr. Cameron is survived by his wife, Marie; two sons, Louis M., and Michael T.; two sisters, and two brothers.

Interment was in Holy Sepulchre Cemetery.

MRS. WILLOW MARIE WARE

Funeral services for Mrs. Ware, 90, formerly of Rivard boulevard, were held Tuesday, August 27, at the Maple Grove Cemetery, Findlay, O. She died Saturday, August 24, at the Arnold Home.

Born in Ohio, she is survived by one son, Frank B., and one daughter, Sally Lo. Interment was in Maple Grove Cemetery.

JOSEPH NADEAU

Funeral services for Mr. Nadeau, 76, of Muir road, were held Monday, August 26, at Saint Paul's on the Lake. He died Friday, August 23.

A resident of The Farms for 25 years, Mr. Nadeau was long involved in Pointe politics and was a member of the VFW Bruce Post and the Dad's Club.

He is survived by his wife, Jennie; eight step-children, Mrs. Frances Bourdeaux, Matthew Marsack, Mrs. Eleanor Judge, Vincent Marsack, Alonzo Marsack, Mrs. Magdalene Mollon, Mrs. Irene Demorest and Martin Marsack; five sisters and two brothers.

JOHN M. CHRISTMAN

Funeral services for Mr. Christman, 82, of Hawthorne road, were held Tuesday, August 27, at the A. H. Peters Funeral Home. He died Saturday, August 24, in Saint John Hospital.

Mr. Christman had been employed by the Packard Motor Car Co. for over 20 years and during that time originated more than 100 patented devices and procedures. Recently he had been self-employed as a consulting engineer.

He is survived by his wife, Mary C.; a daughter, Mrs. June Newman; a son, Ronald; two grandchildren; one great-grandchild, and a sister.

Interment was in Woodlawn Cemetery.

THOMAS SELLARS

Funeral services for Mr. Sellars, 76, of Hampton road, were held Saturday, August 24, at the Verheyden Funeral Home. He died Tuesday, August 20, in Seal Harbor, Me.

Born in England, Mr. Sellars was Mrs. Edsel Ford's butler for 37 years.

He is survived by his wife, Catherine; three daughters, Mrs. Jeannette Fromm, Mrs. Alice Lane, and Mrs. Patricia Zalts, and five grandchildren.

Cremation was in Forest Lawn Cemetery.

LT. COL. PAUL G. TOSSEY

Memorial services for Lt. Col. Tossy, 72, of Bishop road, were held Friday, August 16, at the Verheyden Funeral Home. He died Wednesday, August 14, in Cottage Hospital.

A native of Detroit, Lt. Col. Tossy spent 40 years as an officer in the U.S. Army and had held various management positions with Hudson Motor Car Co. and Chrysler Corp.

In attendance at the services was the U.S. Army Honor Guard from Fort Sheridan, Ill.

Lt. Col. Tossy is survived by his wife, Edna; two daughters, Mrs. Thomas P. Hackett, of Detroit, and Mrs. Bruce P. Bracken, of Battle Creek; nine grandchildren, and one great-grandchild.

Memorial contributions may be made to Saint James Lutheran Church.

Interment was in Elmwood Cemetery.

MRS. MARY TAIT SHAW

Funeral services for Mrs. Shaw, 47, formerly of Neff road, were held Thursday, August 15, in Naples, Fla. She died Monday, August 12, in her residence in Naples.

Mrs. Shaw had been a resident of The Pointe for 40 years before moving to Florida.

She is survived by a daughter, Pamela; two brothers; one niece, and one nephew.

Memorial contributions may be made to the Michigan Humane Society.

Interment was in Naples Cemetery.

MRS. RUTH S. MILLER

Private funeral services for Mrs. Miller, a resident of The Pointe from 1923 until 1962, were held Wednesday, August 21, at the Woodlawn Cemetery Chapel, Detroit. She died Friday, August 16, in Milwaukee, Wis.

After leaving The Pointe, Mrs. Miller resided in Washington, D.C., where she lived until moving to Milwaukee a few months ago. While living in The Pointe, she was a member of Grosse Pointe Memorial Church, Lochmoor Country Club, the Detroit Athletic Club and the Libri Club.

She was the wife of the late William Leslie Miller, and is survived by two sons, Richard S., of Encino, Calif., and

Men's, Women's Loops End Year

Nick's won the Neighborhood Club's men's slo-pitch softball championship with a recent 7-2 victory over the Wood Motor Superbeetles. The victory was Nick's second in a row and third in four meetings over Wood's this year.

Linnon Farris and Joe Daniels got the key hits for Nick's. Pete Carito, Bob Foster and Tom Goddard also had outstanding seasons for Nick's who finished with a 12-3 mark for the year.

The final regular season standings show Parkies Party Shoppe, 6-1; Nicks, 6-1; Wood Motor, 5-2; Dansbury's Duffers, 4-3; Harper Sport, 3-4; Tonight Show, 2-5; Edgar and Associates, 1-6, and Wildcats, 1-6.

The Nylon Runners capped a perfect 12-0 season with a 16-2 victory over T.W.A. for the women's slo-pitch championship. Sarah Ventimiglia, Marty Fezell, Vonnice Krueszlesier, Reg Hausman and Sharon Emery led the team's high scoring attack this season.

Jane Bicsak, Joan Garvey, Chee Chee Williams and Pat Quayhacy were chiefly responsible for T.W.A.'s fine 11-2 record. Both losses came at the hands of the Nylon Runners.

The final regular season standings show: South Division — Nylon Runners, 7-0; T.W.A., 7-0; Swingers, 5-2; Norgren/Detroit, 5-2; Flubadubs, 4-3; Hot Flashies, 3-4; Fikany Realtors, 3-4; Left Outs, 2-5; Babbling Brooks, 2-5; Brook Bar, 2-5; Harvey's Girls, 1-6; and Ball Players, 1-6.

North Division — Chick's Gals, 7-0; Bauer's Brigade, 6-1; Stellwagcn, 5-2; Wreckers, 5-2; X-Rated, 4-3; Van Maes Bar, 4-3; Squire Pub I, 3-3; Choice Stuff, 3-4; Rumpots, 2-5; Squire Pub II, 1-5; Diamond Lil's, 1-6; and Mutha's, 1-6.

One View from the Capitol

By William Bryant

President Ford has been in office about two weeks now, the first President not having been elected either President or Vice-President.

But what have we done? What will be the long range impact of the events of last week? Where do we go from here?

We have put out of office a man whom we created. We created a leader who would fight far left radical elements and look the other way when he adopted their radical techniques and their avowed right to break laws they felt stifled the just ends they sought. We created a President who dared to do our will, to seek the ends we demanded, by means he deemed necessary.

It is true Richard M. Nixon was removed because he dared to act as if the ends justified the means and that laws, even criminal laws, could be ignored if the ends sought were felt to justify such action.

To me, and I believe to many Congressmen and Senators, the greatest problem posed by the Nixon impeachment process was the effect if he had not retired, not stepped aside, and had not been impeached or, if impeached, was found not guilty by the Senate. The effect would be to tell every subsequent President, "You too can get away with this much—and perhaps even more."

And we don't really want subsequent Presidents abusing their power and exhibiting arrogance of power.

But I wish he had not had to resign. I wish instead he could have stepped aside under the 25th Amendment and let Jerry Ford serve temporarily as Acting President.

Richard Nixon has been investigated more than any person in history. He has "one many wrong things and perhaps it is a sad commentary on this good nation of ours to complain, "Yes, but what about past Presidents and what about a present Senator from Massachusetts," because we cannot go on expecting our political leaders to lie and break laws.

There is a danger at the other extreme, that leaders will have to be so goodie-good that they will be unable to make difficult decisions in a situation of conflicting moral values.

We have survived these months and this past two weeks rather well and the world is a bit in awe at how well. Perhaps this has been a sort of mini-revolution in honor of our 200th birthday. Perhaps, too, it has been another, or the final, step in what I see in the past 15 years as being a rapid transition for our nation from being a youthful to becoming a mature nation.

One final note. Those actions with which Mr. Nixon is charged to date are essentially political in nature and he has been punished more severely than any common criminal for similar crimes. Unless charges non-political in nature are brought forth and I would include in that non-political category, any Federal tax violation, it is my view that Richard Nixon has suffered enough and he should not be prosecuted, nor should he be paraded from court to court in an endless string of subpoenas demanding he testify again and again.

History will be kind to Richard Nixon, and we should be, too.

Woods Honors 4 Youths For Musical Activities

Four Woods youths were honored at the regular council meeting Monday, August 19, for their participation in international musical activities.

Mayor Benjamin W. Pinkos read certificates of appreciation for Michael Stoekel, 15, a North High School sophomore, Curtis Parsch, 15, also a sophomore, and Jane Prisk, 18, a North graduate, citing their participation with the Blue Lake International Band, which toured the Scandinavian countries from early June through early July.

Wages Hiked In G. P. Farms

A seven percent salary increase was unanimously granted administrative personnel by The Farms Council at their regular meeting Monday, August 19.

The measure also called for the "rearranging" of two other salaries, in lieu of competitive figures from other cities.

Among the positions affected by the increase are the director of finance, the police and fire chiefs, the chief inspector, communications director, the water superintendent, the radio technician, the water distribution foreman, some secretaries and account clerks in the city offices and City Manager Andrew Bremer Jr.

With the seven percent increase, salaries for those positions will rise in range from \$6,200 to a high of \$23,192.

The wage hike was prompted by a similar seven percent increase in the other Pointe communities in July. In accordance with those increases, the chief inspector and the communications director were in line for hikes greater than the seven percent standard.

Neither the council nor the mayor were affected by the wage increase.

Gunman Robs Store of \$410

A gunman armed with either a blue steel or a nickel-plated revolver robbed the Village Food Market at about 12:30 p.m. Wednesday, August 21, and escaped with \$410.

The store is located at 18330 Mack avenue.

Farms police stated Bernard E. Whitford, an employee of the store, said the man entered the establishment through the front door, walked to the rear, picked up a bottle of soda pop, returned to the front counter and produced the gun, saying, "Give me all the money, in cash."

The gunman asked specifically that no checks or change be included with the money.

The market closes early on Wednesdays and the bandit entered as employees were preparing to close the store. No customers were reported in the market at the time of the holdup.

Farms Det. Sgt. George Van Tiem and Det. Earl Field are continuing their investigation of the case.

Canoe Trip Set September 6-8

The Youth Council of the War Memorial under the leadership of Tom Kavanaugh is holding a beginning of the season canoe trip on the Rifle River, Friday-Sunday, September 6-8. All high school age students in The Pointe who would like to work with the council on youth and community affairs are invited to come along.

There is a \$6 rental for the canoes for two days. Students will furnish their own camping equipment and food and share gas costs driving up and back. The group leaves the Center, 32 Lakeshore road, Friday at 4 p.m. and will return on Sunday by 8 p.m. Those interested should contact Tom at 884-0560.

The other certificate honored William Barbour, 17, a North senior, who was a member of Musical Youth International which travelled to Australia on July 5 and returned Tuesday, August 13.

The certificate citing the trio says the band represented the cultural and musical talents of American youth and The Woods community, itself.

Therefore, the council desires to acknowledge and encourage the young adults to continue their participation in the "affairs of the community and this country and desires to express its appreciation on behalf of the citizens of the community."

Noting that William "has represented the youth of the United States of America and specifically represented the youth of our community in such participation," the certificate commends him "for the fine example he has established for the rest of the community."

William, who plays the trombone, was one of an estimated 120 youths who participated in the trip.

Nathan Judson, director of North's Instrumental Music Department, said the Blue Lake International Band is from the Blue Lakes Fine Arts Camp at Twin Lake, Mich.

Michael and Curtis, who both play the trumpet, and Jane, who plays the base clarinet, were three of around 120 youths who took part in the trip.

This was the 10th annual tour of Musical Youth International, which is based in Saline, Mich., said Mr. Judson. It's a chapter of People to People which emphasizes "communication through travel."

Woods DPW Head Honored

Anthony P. Guaresimo, director of The Woods Department of Public Works, was selected to receive the Edward Dunbar Rich Service Award for 1974.

The award is presented to all persons in the State who have served 25 or more years in the field of public water supply. He was recommended to receive the award by his water department officials.

Mr. Guaresimo said he appreciated being selected for the award and added, "It's been a good 25 years."

The council at the regular meeting Monday, August 19, unanimously received and placed on file a communication from John E. Vogt, chairman, committee on the E. D. Rich Service Award, informing Mr. Guaresimo of his honor.

Mayor Benjamin W. Pinkos said, "On behalf of the council and the city, I want to congratulate Tony on receiving this award."

Mr. Guaresimo is scheduled to receive the award at the annual conference of the Michigan Section, American Water Works Association, Tuesday - Friday, September 17-20, at the Boyne Mountain Lodge, Boyne Falls.

Lochmoor Club Hosts Tourney

Fifty-six member-guest teams participated in the Lochmoor Club's first Woman's Invitational Golf Tournament which was played recently.

Barbara Davis of Lochmoor and partner Stewart Hartzell of the Country Club of Detroit took the honors in the championship flight.

Lochmoor's June Cordtz and Sandy Karmazin of Grosse Ile captured first place in the first flight. Second flight winners were Ann Ciarravino of Lochmoor and Peggy Millonas of Hillcrest.

Meanwhile, third flight honors were decided by a sudden death playoff when Lochmoor's Roberta Yott and Rosamary Smith, unattached, defeated Lorette Clume of Lochmoor and Peggy Danforth of the Country Club of Detroit on the 19th hole.

NOISY ROCK MUSIC

In a recent study comparing the noise hazards of various recreational activities, the noise levels encountered by listening to "live" rock bands was very close to those generated by motorcycles, drag racing and sport shooting. This is particularly noteworthy, officials of the Beltone Crusade for Hearing Conservation point out, because the temporary hearing loss frequently experienced by people exposed to intense rock music could become permanent after repeated exposure.

What Goes On at Your Library

By Arthur R. Woodford

Several weeks ago I reviewed the current best-selling fiction. This week I would like to turn to the current best-selling non-fiction.

Heading the list is ALL THE PRESIDENTS MEN, (Simon and Schuster), by Carl Bernstein and Bob Woodward. This is an excellent awarding and candid account by the two "Washington Post" reporters who won Pulitzer for their role in breaking open the Watergate story. The book is really a detective story, and the authors have turned Watergate into a fast-moving mystery, a real whodunit.

One of the most highly publicized books in recent months is Aleksandr Solzhenitsyn's THE GULAG ARCHipelago, (Harper and Row). It is an account of one of the great holocausts of our century — the imprisonment, brutalization and very often murder of tens of millions of innocent Soviet citizens by their own government, mostly during Stalin's rule from 1929 to 1953. This is a powerful book. The author calls it his "main" work, setting it above the major novels that won him the reputation as Russia's pre-eminent living writer.

ALIVE, (Lippincott), by Piers Paul Read recounts the experiences of a group of amateur rugby players whose plane crash-landed in the Andes. They had only the remnants of the shattered aircraft and a few belongings in a snowy waste. The survivors adapted as best each could to circumstances, and formed in effect a new temporary society. Some of the group set out to seek rescue. They found it 70 days after the crash. This is an inspiring true story of people caught in the most desperate of circumstances, who struggled and won.

IN YOU CAN PROFIT FROM A MONETARY CRISIS, (Macmillan), author Harry Browne states that the next depression should be by far "the worst in U.S. history." To alleviate the depression he recommends devaluation of the dollar by 90 percent, unlimited convertibility of the dollar into gold, liquidation of the Federal Reserve System, elimination of the U.S. Post Office and cancellation of the following: antitrust laws, minimum wage laws, labor laws, export-import controls, foreign aid and all governmental welfare or insurance programs.

THE MEMORY BOOK, (Stein and Day), by Harry Lorayne and Jerry Lucas, (the New York Knicks basketball star), gives the reader tips, tricks and techniques for improving his memory. The authors' system is an old one, based on visual images, links or pegs. For example, to remember Minnesota — think of mini soda. You will have to judge whether the system works,

but for what it's worth, Mr. Lorayne is no longer permitted to play at the Black Jack tables in Las Vegas!

Merle Miller's PLAIN SPEAKING: AN ORAL BIOGRAPHY OF HARRY S. TRUMAN, (Putnam), is the most refreshing book that has been written about an American president. It is absolutely crammed with Trumanisms on every conceivable subject, most of them revealing of the man. The book is very full of rough language; plain speaking gets very earthy at times. But all such reservations apart, an extraordinary direct, clear, usually straightforward human being is recorded in this book.

Rose Kennedy, President Kennedy's mother, writes in TIMES TO REMEMBER, (Doubleday), of her ancestors, her husband, and especially of her nine children and of her thoughts while raising them. Mrs. Kennedy's book is conversational, unpretentious and, above all, authentic. As a political document it is the most revealing tract on the Kennedys in all the shelves of Kennedy literature. This is a very long book, tough and touching by turns, with plenty of anecdotes.

In researching his book WORKING, (Pantheon), Studs Terkel spent three years talking to people in a wide variety of occupations to see what they actually did all day, and to discover how they felt about their jobs and their lives. Terkel reveals the reality of their working lives, whom they hate, whom they respect, and how they get through the day. Throughout the book the themes of powerlessness and frustration are eloquently voiced by young and old workers alike.

A second Watergate story on the list is Jeb Stuart Magruder's AN AMERICAN LIFE, (Atheneum). While this autobiography-Watergate memoir has by now been rendered anticlimactic, it is a book of some historic importance that takes on a very special human interest stemming from its young author's personal tragedy.

IN THOMAS JEFFERSON, AN INTIMATE HISTORY, (Norton), Fawn Brodie seeks to draw a portrait of Jefferson correlating his public and private lives. In probing the man's personal ambiguities — attitudes toward the church, slavery, women, revolution — she constructs an inner portrait, one that surfaces in his relationships with figures such as Madison, Adams, Burr and Hamilton, as well as with the women of his life.

These are the current 10 best-selling non-fiction books. PLAIN SPEAKING by Merle Miller has been on the list the longest, 28 weeks. Whether any of these others will reach or surpass that longevity, we will just have to wait and see.

Giant Goodies Fill Garden

Fellow gardeners, eat your hearts out.

Painter Arthur Kidiger has a dozen tomato plants in his second annual garden. Granted, that's not too exciting. But, four or five of his Hungarian Beefsteak beauties stand around eight feet high! And Mr. Kidiger already has removed three two-pound tomatoes.

That's not all. He also has

25-30 cucumber plants which have entwined and climbed some 13 to 14 feet along some chicken wire. And he has plucked a 17-inch cucumber from the vine.

Mr. Kidiger said they would probably go even higher but he's attempting to prevent this.

After all, who likes to use a stepladder while gardening.

Name Andrews ULS Chaplain

George E. Andrews, a native of Grand Rapids, has accepted the appointment of school chaplain at University Liggett School.

Mr. Andrews, as school chaplain, will be non-sectarian in his work with students and faculty. His goals are to stimulate and motivate the students to think for themselves about their relationship to God, to one another, and to the world around them.

His responsibilities at both campuses are diversified as well as challenging. He will act as administrative assistant to Mary Thorn, head of the Lower School, offer a "value education" program for a grade in each division and conduct monthly "chapters" in each division for all students.

Mr. Andrews also will teach two term electives to upper school students, (Ethics, Comparative Religions, Religious Figures in Contemporary Literature), coach each season in Upper or Middle School and be available for counseling any and all members of the University Liggett School community.

Mr. Andrews enjoys an active interest in athletics. At Trinity College he participated in tennis, squash and football. He has had coaching experience with football, basketball and tennis and is presently ULS's assistant varsity football coach.

He attended Phillips Academy, Andover, Mass.; Trinity College, Hartford, Conn.,

(Religion major, B.A.), and Virginia Theological Seminary. For the last three years he was the assistant minister at St. James' Episcopal Church in Lancaster, Pa., and was ordained to the priesthood in 1972.

Mr. Andrews, his wife, Lillian, and their three daughters, Susie, 6; Molly, four, and Lilly, one, are residing in Moran road.

Woods Officers Nip School Fire

Three youths were apparently responsible for setting some newspapers afire on the roof of Ferry School, 748 Roslyn road, Thursday evening, August 22. Woods firefighters pushed the burning papers to the ground and flushed the roof area with water.

Seventeen firefighters responded to the first alarm and, at the scene, discovered the blaze on the roof of the one-story classrooms on the building's north side. The structure was immediately laddered, a booster line was taken to the roof and the fire extinguished.

Officers received information that three youths, around 15 or 16 years of age, threw bundles of papers upon the roof. One youth was boosted to the top by the other pair and put a match to the papers. The trio then ran to Morningside drive and disappeared from view.

Firefighters reported there were no injuries.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Charity, sweet charity... it turns work into fun, and it's hard to find a large group of women having a better time than the volunteers working on this year's Planned Parenthood Holiday Mart.

This year's Mart?

ANY year's Mart!

For the Holiday Mart is, annually, tremendous great good fun. Fun to plan for. Fun to be at. Fun to browse through.

It's a cross-country trip through some of the country's finest specialty shops, all, amazingly, gathered under one Detroit roof.

If you made the trip the usual ways, by plane, train, ship, car or shank's mare, you'd be on the road from New York City to Honolulu.

This year's blue ribbon Mart committee headed by Mrs. Gordon Tanner Ford, of Kercheval avenue, and Mrs. Henry H. Hubbard, III, of Beverly road, promises a super-delightful three-day, two-night shopping spree October 15 through 17 at the Sentinel Center in East Jefferson avenue.

The list of wares to be offered boggles the imagination.

JANIS G. PETRICH, daughter of MR. and MRS. WALTER A. PETRICH, of Stanhope avenue, has received a Bachelor of Science degree in Chemistry cum laude from Michigan Technological University.

DENNIS HOPKINS, son of DR. and MRS. SCOVELL M. HOPKINS, of Doyle court, has been awarded a four-year Naval ROTC Scholarship based on national physical and academic competition. Dennis, a 1973 Grosse Pointe North High School graduate, now a sophomore pre-med student at the University of Michigan, will be appointed a Midshipman USNR this summer. The Scholarship will lead to a regular USN commission with the option of Medical School training after graduation from U. of M.

On the basis of her high scores in National Merit Scholarship competition Our Lady Star of the Sea graduate PATRICIA KENNEDY, of Perrien place, has been awarded a four-year college scholarship by Delta Sigma Pi international fraternity which she will apply at Marygrove College, where she was also recognized as an Outstanding Scholar as a result of a competitive college-conducted examination.

WENONAH DEVINS, daughter of DAVID DEVINS, of Lakeshore road, received a Bachelor of Arts degree in Sociology during May graduation exercises at Boston University's College of Liberal Arts. Graduated from The Foxcroft School, Middleburg, Va., she previously attended Bennett College.

Receiving a Bachelors degree from the University of Northern Colorado during summer commencement exercises was GEORGE E. BRAND, III, of Kensington road.

Symphony Season To Open Sept. 18

Two-Week Christmas Festival Planned This Year; Candlelight Concert Concept To Be Launched in Spring

The Detroit Symphony's 1974-75 subscription concert season, opening September 19 in a redecorated Ford Auditorium, will feature 33 works performed by the Orchestra for the first time. On this list of "firsts" are a one-act opera by Ravel, "L'enfant et les sortilèges," music by Scott Joplin and a DSO-commissioned work by Heuwell Turcitt.

Other premier performances will include Schoenberg's Violin and Piano Concertos as well as that composer's Petrarch Songs, Opus 8, and a work entitled A Survivor from Warsaw.

A two-week Christmas Festival of special events will take place between December 12 and 22. Among the seasonal offerings will be two special Christmas Pops Concerts conducted by Richard Hayman the evenings of December 12 and 20.

Handel's "Messiah," conducted by Paul Freeman, will be presented December 14 and 15.

Of special interest to children of all ages are the 11 and 2 o'clock performances of "Hansel and Gretel," Josef Blatt conducting, featuring the University of Michigan Opera Company December 14, and the "Nutcracker" Ballet December 21, at the same times.

"Nutcracker," featuring the Detroit Severo Ballet Company, Theo Alcantara conducting, will be offered again the evening of December 22. Also on December 22, at 1:30-3:30 o'clock, "Amahl and the Night Visitors" will be staged under the direction of David

Aiken, Paul Freeman conducting.

An exciting new concept in concert-going is to be launched by the Detroit Symphony in cooperation with the National Bank of Detroit.

An NBD Candlelight Concert, scheduled for 7:30 o'clock Wednesday evening, April 2, will be offered as part of a total entertainment package complete with pre-concert dining arrangements.

This first-of-its-kind concert will be conducted by the Orchestra's Music Director Aldo Ceccato, and will be an all-Ravel program.

The National Bank of Detroit will again cooperate with the Detroit Symphony in presenting the award-winning NBD Coffee Concerts six Fri-

Julie Palms Wed To Peter Peacock

Woods Home Awaits Pair Upon their Return from Vacation on Aruba in The Netherlands Antilles and in San Francisco

The Grosse Pointe Academy Chapel was setting for the wedding of Julie Mark Palms, daughter of Mr. and Mrs. Robert M. Palms, of Mount Vernon road, and Peter William Peacock Saturday, August 24.

The 3 o'clock rites at which Father William Downy, of Saint Raymond's Parish, Detroit, presided were followed by a reception at the Country Club of Detroit.

The newlyweds are vacationing on Aruba in The Netherlands Antilles and in San Francisco. They will return to make their home in The Woods.

The bride's long white dotted swiss gown featured a full, A-line skirt and long lace sleeves. A matching headpiece caught her fingertip illusion veil and blusher, and

she carried an arrangement of white Sweetheart roses, stephanotis and baby's-breath.

Carrying yellow and white daisies with baby's-breath were Mrs. William P. Connelly, Jr., the bridegroom's sister, who served as matron of honor, bridesmaids Anne

Ross O'Leary, the bride's aunt, Marie Louise Palms, the bride's sister, and Margaret Elizabeth Fisher and junior bridesmaid Cynthia Anne Peacock, the bridegroom's sister.

They wore long, full-skirted, sleeveless A-line frocks with yellow dotted swiss with matching short-waisted jackets.

David Henry Peacock acted as his brother's best man. They are the sons of Mr. and Mrs. John D. Peacock, former Pointers who now reside in Sault Ste. Marie.

Ushering were John D. Peacock, Jr., another brother, Robert M. Palms, Jr., brother of the bride, Dennis Hayes, Robert F. Hurley, of Washington, D.C., and William P. Connelly, Jr.

gown of pale pink lace fashioned with a full, A-line skirt and long lace sleeves for her daughter's wedding. Her corsage was a pink Sweetheart rose.

The bridegroom's mother's green and yellow A-line print was long-skirted also, and featured cap sleeves. Her corsage was a yellow Sweetheart rose.

Bride and bridegroom are both Saint Paul's High School graduates. She attended Grand Valley State College and Eastern Michigan University. He attended Robert Morris College, Carthage, Ill., and the University of Detroit.

Woods Garden Club To Meet

The Grosse Pointe Woods Garden Club's first fall meeting is scheduled for Tuesday, September 3, at noon in the North Edgewood drive home of Mrs. Ivan B. Taylor. Simplicity in Flowers will be theme of the program planned by Mrs. Lowell Montgomery.

The Club's new slate of officers is headed by Mrs. Carl Berndt, president, and Mrs. Valde Carlson, vice-president. Mrs. Charles Brownell serves as recording secretary, Mrs. Montgomery as corresponding secretary and Mrs. Neil McDonald as treasurer.

Pair to Make their Home in East Lansing Where They Will Resume Studies at Michigan State University

A reception and dinner at the Grosse Pointe Yacht Club followed the marriage of Margaret Joy Beltz and Mark Andrew O'Keefe Saturday evening, August 24, in Grosse Pointe Memorial Church.

Presiding at the 6:30 o'clock ceremony were Dr. Ray Kiely and Father Francis McDonnell, O.S.A. The bride, daughter of Mr. and Mrs. Charles R. Beltz, of Lakeland avenue, wore her mother's white satin wedding gown, Grecian princess in style. A cord of tiny pearls outlined her waist and bodice. Her long tulle veil fell from a satin halo trimmed with seed pearls.

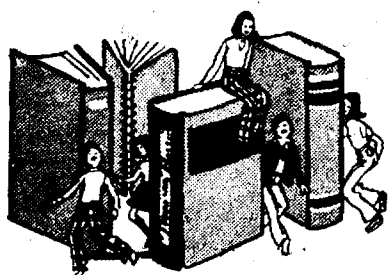

Honor matron Mrs. Richard Marks, the bride's sister, wore a long frock of pale yellow chiffon. Mrs. John

Mot Growth to Continue This Year

Michigan Opera Theatre will expand its 1974-75 programming to include visits of its Detroit productions to two cities and to send its Opera in Residence program to nine cities, thanks to a \$108,000 grant from the Michigan Council for the Arts.

The grant is part of the \$2.4 million Council budget appropriated by the State Legislature, of which \$750,000 was earmarked for use by the Detroit Symphony, Meadow Brook Theatre, Cranbrook Academy, Interlochen Music Center, the Detroit Institute of Arts and Michigan Opera Theatre.

Mot's touring productions will perform in Kalamazoo and Flint.

The Opera in Residence program, piloted last spring with a grant from the Na-

tional Endowment for the Arts, will travel to Plymouth, Kalamazoo, Traverse City, Livonia, Flint and Alpena plus three additional cities to be announced. Last year the company visited only six cities.

The Residence company, working through schools and community organizations, acquaints area residents with all aspects — creative and technical — of opera production, involving them in workshops, master classes and actual productions.

Dr. David DiChiera, general director of Michigan Opera Theatre, notes that this season Mot's touring and residence programs will reach an audience of more than 100,000. "I feel that this kind of program is the

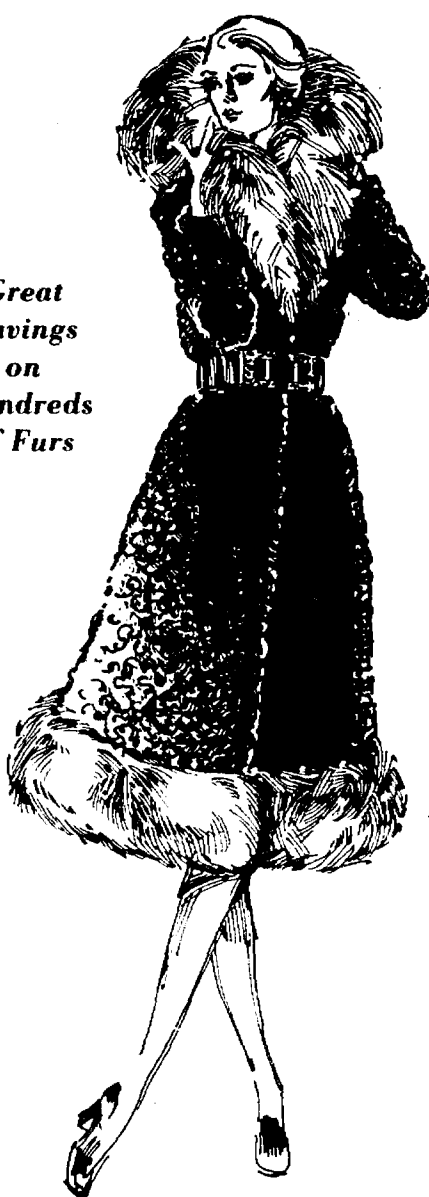

ideal way to expose people to opera and to develop future audiences for this unique multi-media art form."

Michigan Opera Theatre has enjoyed critical and popular acclaim for its English-speaking productions. Its Detroit season has grown from six performances in 1971 to 13 last year.

Twenty performances are scheduled for the coming season.

June 29 Nuptials For Shelley Beck

Pair Returning from Tour of British Isles Make Home in Pointe; She Will Continue to Teach at Grosse Pointe Academy

Mr. and Mrs. James R. Beck entertained at a reception in their Roslyn road home following the wedding of their daughter, Shelley and David Henry Livermore Saturday, June 29 in Grosse Pointe Memorial Church.

The Reverend John A. McCreight presided at the 2 o'clock rites for which the former Miss Beck chose a pale beige gown styled with a draped bodice slight train and hooded cape of pale beige chiffon.

She carried long-stemmed white roses and was attended by honor maid Suzanne Klauer in a floor length eyelet frock, her wraparound skirt, boat neck and three-cornered shoulder scarf edged with ruffles.

Bridesmaids, dressed iden-

tically, wore Mrs. George Schonfeld, of the bride, Mrs. Mary D. Beck, of Ann Arbor, Mrs. Steven Bell, of Kalamazoo, the bridegroom's mother, and Mrs. James R. Beck, of Pinckney.

The Red Rover mums they carried.

The groom, son of former Mrs. Mr. and Mrs. Wilfred Livermore, who now live in their home in Utica, and Donald Ensley, of Utica to act as best man.

Betrothed

Mr. and Mrs. George W. Spaulding, of Vernier road, are announcing the engagement of their daughter BEVERLY JUNE to Paul Alfred Grosshans, son of Mr. and Mrs. Robert F. Grosshans, of Stanhope avenue.

Both the bride-elect and her fiancé are Grosse Pointe North High School alumni. Bev attended Macomb County Community College and Michigan State University. Her fiancé is now majoring in Education at Wayne State University.

Ushering were Marshall and David Beck, the bride's brothers, George Schonfeld and Steven Bell.

Mrs. Beck chose a full-skirted chiffon gown flower-printed in lime, yellow and orange, V-necked and with a puffy self-bow at the waist, for her daughter's wedding.

The bridegroom's mother selected a long Chinese blue dress and matching torso jacket accented with covered buttons.

After a summer tour of the British Isles the newlyweds will be at home in The Pointe where the bride, a Western Michigan University graduate, teaches at the Grosse Pointe Academy.

David, who works in the Cancer Research Department at Henry Ford Hospital, is attending Wayne State University.

Pointe Book Club To Meet

The Grosse Pointe Library Services' Charlene Ester will review "Alive" by Piers Paul Read Monday, September 16, when members of The Pointe Book Club gather for a meeting and luncheon at the home of Mrs. John Marshall in Trombley road.

Co-hostesses are Mrs. George Baer, of Balfour road, and Mrs. Gordon Myers, of Trombley road.

Presiding will be Mrs. L. Eugene Kelly, of Harcourt road, elected chairman at the Club's last meeting held in May.

Senior Ladies Group Formed

All Pointe ladies of senior status are invited to join the Grosse Pointe War Memorial Senior Ladies Club meeting the second and fourth Wednesday of each month at 12:30 o'clock. The first meeting this fall is September 11. Each regular session features a light sandwich luncheon followed by cards. Special programs and trips to the theatre and points of interest around the city are scheduled during the year. Dues are \$4.50 per year. Luncheons are \$1.50. Transportation to and from the War Memorial for those in need of it may usually be worked out by calling the Center.

Mr. and Mrs. Ted C. Skubay, of Yorkshire road, have announced the engagement of their daughter MICHELLE GAIL to Richard Lewis Bourne, son of Mr. and Mrs. John J. Bourne, of Lincoln road.

The bride-elect and her fiancé are both Grosse Pointe South High School graduates. She received her Medical Assistant degree from the Carnegie Institute. He is attending Western Michigan University.

Named to the Grand Valley State Colleges Spring Term Dean's List is CARL HENDRICKSON, of Albee drive, who achieved a perfect 4.0 average.

Lip Reading Course Slated

Classes in Lip Reading will be held at the Grosse Pointe War Memorial this fall Wednesday afternoons September 18 through November 20, from 1 to 2:30 o'clock. Instructor is Mrs. Frank Johnson. Fee is \$16 for the 10 lessons. The course not only enables the hard of hearing to understand what is being said to them without raised voices or hearing aids but is useful to many who have no hearing difficulty but wish to be aware of what is being said beyond the range of their hearing. Many attorneys find lip reading very useful in court rooms.

Miss Gould Wed To Bruce Carlson

Powder blue Carnations Accent her Bridal Bouquet. Blue Floral Motifs are scattered over Attendants' White Batiste Frocks

Mr. and Mrs. Bruce Dewey Carlson vacationed at Virgil Beach following their Saturday, August 24, wedding in Saint Paul's Evangelical Lutheran Church. They will be making their home in Okemos.

Pastor Kenneth R. Lentz presided at the 6:30 o'clock ceremony which was followed by a reception at the hall.

The bride, the former Marcy Ann Gould, daughter of Mr. and Mrs. Robert D. Gould, Jr., of Fairway drive, wore a white gown styled with long sleeves and a lace train.

Her illusion fell from a headpiece of white lace and she carried an arrangement of white roses, powder blue carnations and baby's breath.

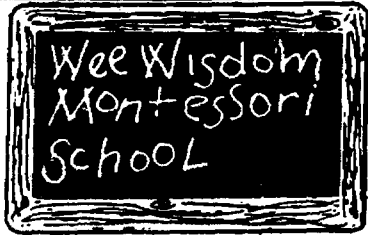

Mrs. Gilbert L. Moorman served as her sister's honor matron. Bridesmaids were Lori Gould, another sister, Kathy, Diane and Carolyn Carlson, sisters of the bridegroom, Susan E. and

Lois B. Nyquist. Blue floral bouquets were scattered over their white batiste frocks. They carried powder blue carnations.

The bridegroom, son of Mr. and Mrs. Frank A. Carlson, of Atlanta, Ga., asked Philip Gerasi to act as best man. Seating the guests were Gilbert L. Moorman, David J. Connolly, a cousin of the bride, Joseph Sansonetti, Jeffrey Brock, Christopher Prine and Mark Monterosso.

The bride's mother wore a powder blue Empire gown, the bridegroom's mother a formal pastel green gown. Both chose white gardenia corsages.

Behind every success story in this life lies good management and superior judgment.

Pair Exchange Nuptial Vows

At a double ring ceremony Saturday, August 17, in Grosse Pointe Congregational Church Barbara Ann McLachlan, daughter of the Ben J. McLachlans, of Washington Road, spoke her marriage vows to Dale R. Woolley, son of the Thomas Woolleys, of Country Club drive.

A reception at Georgian Inn followed the ceremony for which the bride chose a silk organza Empire gown accented with Chantilly lace. Lace scallops edged her Chapel train and her entire gown was beaded with pearl clusters.

A beaded headpiece of Chantilly flowers held her twin veils. She carried an arrangement of white roses, stephanotis and baby's breath.

William Woolley was best man. Robert Woolley and Charles McLachlan ushered.

The mother of the bride wore a long mint green gown. The bridegroom's mother selected a turquoise gown with a matching lace coat. Both chose white orchid corsages.

After a trip to Toronto the newlyweds will make their home in Detroit.

Service Groups Seek Helpers

The Grosse Pointe War Memorial Center, in addition to its Free Hospital Loan Closet offering wheelchairs, hospital beds, walkers, crutches and the like to Grosse Pointers, has groups working for Children's Hospital, the Michigan Cancer Foundation and the blind.

Anyone with time to spare is urged to come to the Center and volunteer.

The Service Guild for Children's Hospital meets weekly from 10 to 2 o'clock Tuesdays, beginning September 3, in Alger House Terrace Room overlooking the lake. Volunteers make bronchoscopes, bandages and a variety of supplies needed by the Hospital, earning caps, uniforms and hash marks for service. The group frequently donates a particular piece of urgently-needed equipment. Workers are always welcome.

Cancer Crusaders meet in the Center's Alger House Recreation Room each Monday beginning September 9, from 10 to 3 o'clock. Volunteers pass out raw materials from which local groups make finished cancer pads, work on finishing pads themselves, collect and inventory pads from other groups and issue pads and information

Christian Unity Talk Is Slated

Joining the Episcopal Churchwomen of Christ Church, Grosse Pointe, at their first fall meeting Tuesday, September 17, to hear Irene Findlow speak on Christian Unity will be women from Saint Paul's Roman Catholic Church.

Mrs. Findlow, widow of Canon John Findlow, the Archbishop of Canterbury's representative to the Vatican and director of the Anglican Center in Rome, is a linguist who teaches German and Russian at the Gregorian University and lectures at the Pontifical Institute.

to those in need. It is not necessary to come with a sandwich and stay the whole time. Any time donated is appreciated, and clean, white material to cover pads is always urgently needed.

Braille Transcription is taught at the Center by Mrs. John McNamara on Thursdays throughout the year, September 19 to May 22, from 10 to 11 o'clock. The free instruction is for sighted people, enabling them to transcribe texts and reading materials needed by the blind into Braille.

Materials and instruction books are issued by the Library of Congress. Slates, stylus and paper are furnished at cost.

Born in Russia, her religion is Russian Orthodox. She has given talks on Orthodoxy, the Anglican-Roman Catholic dialogues and other related topics. Her late husband was translator for Archbishop Ramsay in his dealings with the Orthodox.

The meeting, scheduled for 10 o'clock at Christ Church, will be preceded by a short ecumenical service at 9:30 o'clock. Clergy from both parishes will join in leading the worship.

Luncheon will be served at noon following the meeting, by reservation only.

Wedding In July For Miss Kristopik

Marvin James Knorps Vacation in Toronto and Camp in Canada Before Returning to Detroit to Make their Home

Karen Marie Kristopik spoke her marriage vows to Marvin James Knorp Saturday, July 6, in front of the fireplace in the Bedford road home of her parents, Mr. and Mrs. Donald Herbert Lescohier.

The 1 o'clock rites at which The Reverend Eugene Locke presided were followed by a reception at the Lescohier home.

The bride, who is also the daughter of Richard Kristopik, of Royal Oak, made her entrance down a spiral staircase decorated with smilax and daisy bouquets.

Her long white gown was high-necked and Empire-waisted, fashioned with sheer lace-appliqued sleeves and a Cathedral train. She wore a triple-tiered fingertip illusion veil and carried a white lace wedding bible, gift of the Lescohier, with three white roses.

Kathryn Ann Kristopik, honor maid for her sister, and junior bridesmaid Lauri Jo Lescohier, another sister, wore yellow halter frocks styled with ruffled necklines and matching jackets.

Bridesmaids Mrs. W. D.

Burg, of Lansing, and Cathleen Loretta Carty were identical gowns in Nile green and aqua. All four attendants carried daisy baskets.

Frank Knorp, Jr., was his brother's best man. They are the sons of Mr. and Mrs. Frank Eugene Knorp, of Royal Oak. Ushering were Duncan Knorp, another brother, and Michael Kristopik, the bride's brother.

The bride's mother wore a floor length pastel print with a pink orchid double corsage, the bridegroom's mother a floor length gown of peach chiffon. Her corsage was a peach orchid.

The newlyweds vacationed in Toronto and camped in Canada before returning to Detroit to make their home.

Out-of-town guests included the bride's sister Mrs. Peter Elliot Safir, who came from Wisconsin, her brother William Lescohier, from Connecticut, her grandmother Mrs. L. J. LeDuc and Mr. and Mrs. B. A. Carter, from Florida.

Entertaining at a miscellaneous shower in their future sister-in-law's honor earlier in the summer were Doreen Knorp and Sharon Risner. The bride's aunt, Mrs. Richard Kremer, also gave a shower, and Mr. and Mrs. M. N. Thompson hosted a dinner party in the bridal couple's honor in June.

Mrs. Marvin Knorp

In the Bedford road home of her parents, Mr. and Mrs. Donald Herbert Lescohier, Saturday, July 6, KAREN MARIE KRISTOPIK spoke her marriage vows to Mr. Knorp, son of the Frank Eugene Knorps, of Royal Oak. The bride is also the daughter of Richard Kristopik, Royal Oak,

Mrs. Richard Maurer

Wed to Mr. Maurer, son of the Medford Maurers, of Southfield, in Christ the King Lutheran Church Saturday, June 29, was SUSAN KATHLEEN OSTER, daughter of the John F. Osters, of Hollywood avenue.

Music Theatre Ends Sunday

The Detroit Symphony Orchestra's fourth annual Summer Music Theatre series of free outdoor concerts moved into its second week last Sunday, August 25, with the first of four concerts at Mercy College in northwest Detroit.

Favorite operatic, orchestral and Broadway show music is played at these 8 o'clock programs presented in cooperation with the City of Detroit Department of Parks and Recreation.

The Orchestra's Conductor-in-Residence Paul Freeman is on the podium for all performances. Eight talented soloists are featured including two DSO first-chair instrumentalists: trumpeter Frank Kaderabek and trombonist Raymond Turner.

Other soloists are all singers, sopranos Doralene Davis, Marjorie Gordon and Onita Sanders, tenors Frederick Belling and William Brown and baritone Davis Gloff.

Mercy College is located at West Outer drive and Southfield road. The concerts are being presented outside the Student Center Building with the final one scheduled for tonight, Thursday, August 29. Concert site Friday, Saturday and Sunday, August 30, 31 and September 1, will be Rouge Park in the Winter Sports Area near Joy and Lahser roads.

Program One August 30 features soloists Davis and Brown in highlights from four Verdi operas, "I Vespri Siciliani," "Rigoletto," "Aida," and "La Forza del Destino."

Tchaikovsky's "Francesca da Rimini" and excerpts from Mascagni's "Cavalleria Rusticana."

Program Two tonight and September 1 presents soloists Kaderabek and Turner in Creston's Fantasy for Trombone and Orchestra, Hummel's Concerto for Trumpet and Orchestra, music of Rossini, Falla, Fernandez and Klami and selections from "Jesus Christ, Superstar."

Program Three August 31 offers soloists Gordon, Sanders, Belling and Gloff in Broadway show music including selections from "South Pacific," "Camelot," "Candide," "Oliver" and "West Side Story."

NOEL A. CORMIER, son of the JOSEPH CORMIER, of Lakeland avenue, has been selected as a resident advisor for the 1974-75 school year at Wittenberg University where he is a senior and majoring in Geography.

Congregational Co-Op Plans Annual Coffee

The Grosse Pointe Congregational Co-Op Nursery will have its annual coffee for new mothers and children next Wednesday, September 4, from 9:30 to 11 o'clock at the home of Mrs. Alan Wright in Cloverly road. Further information may be obtained by calling Mrs. William Ward at 884-7783.

Miss Oster Says Vows On June 29

Newlywed Richard Maurers are at Home in Las Vegas where He is Practicing Law; Athena Hall Reception follows Candlelight Rites

At home in Las Vegas following their marriage Saturday evening, June 29, in Christ the King Lutheran Church are Mr. and Mrs. Richard Charles Maurer. Pastor Emeritus Walter Geffert and Pastor Joseph Fabry officiated at the 7 o'clock candlelight nuptials.

Mrs. Maurer is the former Susan Kathleen Oster, daughter of Mr. and Mrs. John F. Oster, of Hollywood avenue. Mr. Maurer is the son of the Medford Maurers, of Southfield.

For her wedding the former Miss Oster selected a gown fashioned with a tapered illusion bodice trimmed with seed pearl-studded Venice lace and long, full Bishop sleeves. Beaded lace floral appliques accented her Cathedral length train.

Her triple-tiered fingertip veil fell from a matching headpiece, and she carried a nosegay of white roses and pastel-tinted stephanotis.

She was attended by her sister, Margaret Oster, as maid of honor and bridesmaids Chris Worthen, Jane Smith and Beverly Whitefoot, a cousin, in pink, blue, Nile green and yellow sherbert pastel doubleknit halter dresses styled with A-line skirts falling from Empire waists and matching long-sleeved jackets.

They carried tall candles circled with carnations, stephanotis and roses. Wendy Sieger served as her cousin's flower girl.

Reynolds-Ware Rites Planned

Plans for a fall wedding at Grosse Pointe Memorial Church are being made by Eileen Adele Ware and Stafford Charles Reynolds, II, whose engagement has been announced by her parents, Mr. and Mrs. George Ware, of Grosse Ile.

Mr. Reynolds is the son of Mrs. Augustin H. Parker, of Dover, Mass., and Henry S. Reynolds, of Beacon Hill.

Both the bride-elect and her fiancé were graduated from The Leelanau Schools, Ann Arbor, in 1969. She is employed in Ann Arbor at Demco Enterprises. He is working in construction at Whitmore Lake.

Best man was Glenn Smith. Robert Maurer, brother of the bridegroom, Steve Frank and David Barnes ushered.

Mrs. Oster chose a blue and green floral-printed gown featuring a full A-line skirt and long chiffon sleeves for her daughter's wedding and the reception at Athena Hall following the ceremony. Her flowers were blue-tinted orchids.

The bridegroom's mother selected a sleeveless gown of Nile green polyester with a matching long-sleeved lace coat. Her orchids were Nile green-tinted.

Mr. Ballantyne To Claim Bride

Mr. and Mrs. A. John Accola, Jr., of New Canaan, Conn., and Martha's Vineyard, Mass., have announced the engagement of their daughter, Nancy Howard Accola, to Thomas Campbell Ballantyne, of Cambridge, Mass., son of Mrs. Ford Ballantyne, Jr., of University place, and the late Mr. Ballantyne. The wedding is planned for late September.

The future bride was graduated from New Canaan High School, Connecticut College and Northeastern University School of Law. She was presented to society at the Norwalk-Stamford Junior League Cotillion in 1966.

She is an attorney with the Enforcement Division of the New England Regional Office of the United States Environmental Protection Agency.

Mr. Ballantyne was graduated from the College of Architecture and Design at the University of Michigan. He is a professional photographer.

Dock-Beyer Rites Read On July 20

Berrien Springs to be Home for Newlyweds who Vacationed in Northern Michigan after Rites in Pointe Congregational Church

A short-sleeved silk organza Empire gown fashioned with a point d'esprit and Venice lace bodice and hem was Susan Eve Beyer's choice for her Saturday, July 20, marriage to Denny Lowell Dock.

Her long mantilla of imported illusion, bordered and appliqued in matching lace, fell from a Juliet cap. She carried white roses, baby's-breath and ivy.

The new Mrs. Dock is the daughter of Mr. and Mrs. George Joseph Beyer, of McKinley avenue, and granddaughter of Mr. and Mrs. Fred W. Beyer, of South Oxford road.

Mr. Dock is the son of Mr. and Mrs. Ted L. Dock, of Warsaw, Ind.

Grosse Pointe Congregational Church was setting for the 7:30 o'clock rites. Dr. Roy Hutcheon presided. The Grosse Pointe Yacht Club was scene of the reception following the ceremony.

In spring green princess frocks styled with deep ruffled hems and matching ruffled shawls were Becky Beyer, honor maid for her

sister, and bridesmaids Elizabeth Beyer, a cousin, Beth Kackley and Mrs. Joseph Dock, of Warsaw.

They carried white daisies and baby's-breath tied with white ribbon streamers, the honor maid's bouquet with an accent of white miniature carnations.

Richard Pyle, of Warsaw, was best man. Joseph Dock, the bridegroom's brother, Meredith Chamberlain, of Pendleton, Ind., and Steven VanAntwerp, of Sister Lakes, seated the guests.

The mother of the bride's sleeveless shocking pink chiton was floor length and Empire-waisted. She pinned pale and deep pink Sweetheart roses to her purse.

The bridegroom's mother chose a floor length ivory gown flocked with tiny green and white flowers and fashioned with a sequined bodice. Her wrist corsage was of white Sweetheart roses.

Offer Suzuki Violin Course

The Suzuki Method of teaching violin to very young children when their learning capacity is at its highest will be introduced at the Grosse Pointe War Memorial this fall by Lois Lawrence.

Suzuki violin sessions will be held twice weekly, Tuesdays and Thursdays, from 1 to 2 o'clock beginning September 17 and continuing through December 10.

A parent is asked to accompany the child for the first month of lessons. A rental violin will do for this period.

Children learn an "ear" for music, some understanding of notes and the ability to concentrate and develop their memories along with learning from each other and enjoying music together.

Classes are very small to allow a maximum of individual attention. Fee is \$48 for the 15-week term of two lessons per week.

The newlyweds vacationed in northern Michigan and will make their home in Berrien Springs.

Out-of-town guests included the bridegroom's maternal grandparents Mr. and Mrs. Evert Wilson, of Warsaw, and the Frank M. Spencer family, from Wauwatosa, Wis.

Mrs. Denny L. Dock

Speaking her marriage vows to Mr. Dock in Grosse Pointe Congregational Church Saturday evening, July 20, was SUSAN EVE BEYER, daughter of the George Joseph Beyers, of McKinley avenue. The Ted L. Docks, of Warsaw, Ind., are the bridegroom's parents.

Swift-Bosch Vows Spoken

Grosse Pointe Unitarian Church was setting for the Saturday, August 24, wedding of Suzanne Marie Bosch, daughter of Mr. and Mrs. George E. Bosch, of Kensington road, granddaughter of Mr. and Mrs. Peter J. Bosch, of McKinley avenue, and James Howard Swift, of Seattle, Wash., son of Dr. and Mrs. Howard R. Swift, of Toledo.

A reception at the Church followed the 12:30 o'clock rites at which The Reverend Erwin Gaede, of Ann Arbor, presided.

Pink embroidery accented the bodice and sleeves of the bride's white dotted swiss gown. She wore a wreath of pink and white flowers in her hair and carried an arrangement of pink roses and assorted white flowers.

Gigi Bosch, honor maid for her sister, wore lavender voile. Bridesmaid Sue Tripp was dressed identically in pink voile. They carried bouquets of pink, lavender and white flowers.

Best man was Michael McManis, of Cleveland. David Swift, the bridegroom's brother, ushered.

The newlyweds are making their home in Seattle where the bridegroom, a Case-Western Reserve alumnus, is doing graduate work in Oceanography at the University of Washington.

Symphony to Start

(Continued from Page 11) day mornings during the season.

A Pension/Maintenance Fund Concert has been announced for 3:30 o'clock Sunday afternoon, March 2, featuring the great Russian cellist Mstislav Rostropovich. By special permission of the Soviet government Rostropovich will fulfill his Detroit Symphony engagement postponed in 1971.

For the second year the Detroit Symphony will present Zodiac Concerts, four Friday evening programs. This season's series will be presented in cooperation with Wayne State University.

Zodiac Concerts, offered at half-price for students, have the added dimension of concert Preludes beginning at 7:30 o'clock at no additional charge.

Ray Ferguson will play the music of Ives and Bach in an October 4 Prelude program entitled "The Organ as an Orchestral Instrument."

"The Music of Scott Joplin," including the theme from the motion picture "The Sting," will be played by an ensemble from the Orchestra at the November 29 Prelude.

The February 14 Prelude will present Schoenberg's

Choral Music performed by the Wayne State University Men's Glee Club, and the final Prelude April 4 will feature the Ravel String Quartet performed by Orchestra principals Gordon Staples, violin, Edouard Kesner, violin, Nathan Gordon, viola, and Italo Babin, cello.

Three Lecture Open/Rehearsals, presented under auspices of the Junior Women's Association for the Detroit Symphony Orchestra, will take place Wednesday afternoons at 1 o'clock. Dates are November 6, February 5 and March 5.

Newly-announced soloists and revisions in schedule include an appearance by popular guest conductor Theo Alcantara, engaged to conduct October 4 and 5 concerts as well as the Kresge Omnibus Concerts of October 6 and February 16.

Conductor-in-residence Paul Freeman, originally scheduled to conduct the February 16 concert, will be on the podium for the April 20 Kresge Omnibus Concert instead.

Free copies of the 1974-75 season brochure detailing programs and offering full ticket information are available at the Detroit Symphony office in Ford Auditorium, 961-0700.

Winners of the mixer were: Louise Birmingham and Barbara Schmitz (tied), A Flight, Anita Wilson, B Flight, and Marge White, C Flight.

SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

BY APPOINTMENT PLEASE

BET YOU DIDN'T EVEN KNOW there is a place like this in The Pointe? This mini estate is hidden away in dense woods with access by a private drive leading from a deadend street. Of contemporary design, architects Alexander Girard and Minoru Yamasaki utilized the wooded hill-top setting in building this spectacular three level house. There are three family bedrooms each with private bath, a guest room with bath, and two maids' rooms with another bath. The acre-plus lot has plenty of room for a tennis court and swimming pool if the new owner desires.

HARPER WOODS, Grosse Pointe schools go with this very desirable four bedroom, two and one half bath brick colonial home. There is a first floor den and a modern kitchen with eating space. The home is in immaculate condition and is ready for your inspection.

ONE OF THE MOST beautiful designed and best constructed homes in the Windmill Pointe area. All the rooms are oversized and the home is maintained in excellent condition. There are many extras in this four bedroom three and one half bath home. The extremely large foyer, high ceilings, large rooms, make this a comfortable, spacious home.

A BEAUTIFUL CENTER entrance colonial within walking distance of the Hill and Village. The family room has a corner fireplace and the library is paneled. With Mutschler kitchen and attached garage this house has four bedrooms and two and one half baths. Call for all the extras.

EXCELLENT one and a half story in prime move-in condition. Newly decorated four bedroom, three baths features a family room, paneled recreation room with fireplace, two and one half car attached garage, large fenced yard. Farms location just a block from Lake Shore Road and Hill shopping area. This is a must see.

INVESTMENT OPPORTUNITY. Well built brick two family with three bedrooms and dining room in each unit. The immaculate condition of this income property can command maximum rental return. High assumable mortgage allows for exceptional profit on original investment.

Mortgage Money Hasn't Disappeared. It's Just Hiding.

Arranging financing entails a little more than just walking into a bank these days. So some people have given up buying a home. That's too bad. For three reasons:

1. This is an advantageous time to buy, because it appears that real estate prices have nowhere to go but up.
2. Mortgage money is available. It's just scarce, so you have to know where to look.
3. Beneficial land contract and/or secondary financing at attractive interest rates is possible with certain offerings.

We can't make guarantees but we will say we've been arranging satisfactory mortgages for years, and still are today. Stop by or call today and arrange to see our fine selection of homes, some of which are listed below.

Park Has Fine Tennis Tourney

The Park's annual tennis tournament concluded Thursday, August 1, with the Men's Doubles Championship game. The event capped the tournament which had a record of 206 participants, twice as many as in previous years. With the display of excellent skills, good strategy and fine sportsmanship, the tournament proved to be interesting and enjoyable for all officials said.

The winners in each event are as follows:

Children—boys singles 12, 14, and 16, respectively: Ed Fish, (4-6, 6-2, 6-0), over J. Hill; Michael Buck, (6-1, 6-0), over C. McMahon; and Rob Weiller, (6-0, 6-3), over B. Hanpeter.

Girls singles — 12, 14 and 16, respectively: Cathy Tocco, (6-2, 6-3), over M. Mayer; Jennifer Tewes, (6-2, 6-4), over M. Crandall; and Brid-

Girls Arrested As Shoplifters

Two Woods girls, one 12-years-old and the other 13-years-old, were caught shoplifting in Arnold's Drugs, 20853 Mack avenue, Thursday afternoon, August 8, and turned over to Woods police.

The manager observed the 12-year-old drop a lipstick in a bag and leave the store without going near the check-out counter. He also spotted the 13-year-old place some nailpolish in a bag and then leave without paying.

After the manager brought the pair back inside, police were called and a bag check was made. The 12-year-old took one lipstick, two bottles of cologne, one lip pot and one lip gloss, while the 13-year-old snatched the nailpolish and some beauty grains.

The girls were transported to the station where they were released to one's mother. They were advised the Youth Service Division, (YSD), would contact them.

Shores Police Record Thefts

A Crosswell, Mich. resident called Shores police on Sunday, August 18, to complain of the theft of \$400 in fishing equipment from his repair truck which was parked alongside well No. 218 at the Grosse Pointe Yacht Club.

Dwight O'Connell, of 132 North Howard, reported to Public Safety Officer Archie Grieve, that he had parked his truck opposite the well as he was doing repair work on the craft. He and his wife remained aboard for the night and both observed a figure looking into his vehicle, Mr. O'Connell said. As a result, he remained awake most of the time to keep a watch on the truck.

In the morning, he discovered that someone had forced open the windows of the truck and cut the inside screens.

Missing, Mr. O'Connell said, were four fishing rods, two 06 reels and two spinning reels. Nothing else appeared to be taken. He valued his loss at about \$400, including the fishing rods, which were worth \$50 each.

Take \$100, TV At Vinegarden

Thieves entered the Vinegarden, 21016 Mack avenue, and removed a \$300 cash register, which was subsequently recovered, \$100 in bills and coins and a 12-inch portable color television set, valued at \$200, said Woods police.

The incident was reported Thursday morning, August 15.

At the scene, Paul D. McCarthy showed Officer Robert Kwiatkowski where the culprits had broken out a pane of glass adjacent to the front door knob. They apparently reached inside and unlocked the door to gain entry.

A short time later, an employee at a drug store on Nine Mile road recovered the register in some trash at the rear of the store and called St. Clair Shores police.

ENTERS PROGRAM

Robert R. Denewith, son of Mr. and Mrs. Ray B. Denewith of The Woods, has been given a one-year apprenticeship with Michigan Bell with the possibility of moving into a high management position next year. Mr. Denewith, 26, is one of 12 new employees selected for Michigan Bell's one-year Initial Management Development Program which rapidly trains and develops management employees during their first year on the job. He received his bachelor's degree in marketing from John Carroll University in 1970 and his master's degree in finance from the University of Detroit in April.

Fishing Rodeo Has Big Turnout

The 16th Annual Fishing Rodeo, sponsored by The City and Farms, was again a success according to Grosse Pointe City Chairman Tom Trombley.

Over 370 boys and girls participated on Saturday, August 17. The Grand Prize winners of the trophies and Shakespeare Fishing outfits were Sharon Wicklund from The City, who caught a 14½ inch bass, and Brian Pickle, with a 13½ inch sheephead.

The morning started off with the threat of rain but as the day wore on the sun came out. The first fish was caught by Dan Dowell and the first girl to catch a fish was Lynn Nurmi from The Farms. The City was represented by Al Berger and Sharon Wicklund.

Lou Sendelbach donated candy to the fishermen and doughnuts and coffee were given out to the adults by Mrs. Ed Lauer and Mrs. Ralph (Madge) Smolenski.

The announcer for the day was Mr. Smolenski, who kept everyone informed of the battle between The Farms and The City for the most fish caught. The fishing day ended with 45 captured and The Farms the winner.

The prizes were then distributed through the courtesy of the Optimist Club, Metropolitan Club and the Grosse Pointe Police and Fire Departments. After the prizes hot dogs and pop were given out to every contestant, thanks to the Salem Square Market.

The Grosse Pointe Farms Boat Club contributed radios, and picnic jugs. Other fishing equipment was given by Walter Allard, Charles Verheyden, Alger Post, Frank Martinelli and Ed Brenner.

At 11:30 a.m. the fishing day ended and 700 hot dogs, three boxes of candy, 12 tanks of pop and over 400 prizes were distributed to 550 people who participated in this annual event.

Volunteer workers who helped make this project a success include Joseph Belanger, Tom Belcher, Mr. and Mrs. Joseph Crea, Paul Collins and Mrs. Smolenski.

Judge Denis Hears 15 Cases

Woods Municipal Judge J. Patrick Denis, sitting in for City Municipal Judge Douglas Paterson, convened court on Tuesday, August 13, and heard a total of 15 cases. Seven persons were found guilty, four were found not guilty, one case was dropped and three were dismissed.

Richard Armaty, 435 Lodge, Detroit, pled not guilty to a nuisance charge but was found guilty and fined \$50. He also was sentenced to serve 10 days in the Detroit House of Correction.

Bobby Ray Dye, 2546 Marlborough, Detroit, pled not guilty to a disorderly person charge but was found guilty and sentenced to serve 30 days in the Detroit House of Correction. He also was put on probation for two years.

Stanley S. Krawchuk, 547 North Brys drive, pled not guilty to speeding but was found guilty and fined \$17.

Donald O'Connell, 21832 Trombley, St. Clair Shores, pled not guilty to disobeying a traffic signal but was found guilty and fined \$17.

Kathleen Weckler, 1350 Devonshire road, pled guilty to a charge of impaired driving and was fined \$150.

Melvin Hoover, 9425 Beaconsfield, Detroit, pled guilty to a charge of impaired driving and was fined \$150.

David H. Peacock, 1312 Alter, Detroit, pled guilty to a charge of careless driving and was fined \$75.

The case against Kenneth Belcher, 663 Lillibridge, Detroit, was dropped because the defendant is currently serving time in prison.

Invention Plays Important Role

A heart massager developed in part by a Woods resident played a vital role in successful "cold brain" surgery on a patient at the Montefiore Hospital of the University of Pittsburgh School of Medicine recently.

The subnormal cardiac massager is the invention of Dr. Alan S. Johnson, cardiovascular surgeon at Deaconess Hospital, and Bert Prisk, of South Rosedale court, General Motors Research Laboratories engineer.

The balloon-like device was used to restart the patient's heart after surgery that involved cooling the body, stopping the heart, and injecting a cold saline solution into the brain.

Developed by Dr. Sidney K. Wolfson Jr. and Dr. Robert G. Selker, the surgical technique allowed neurosurgeon Dr. Joseph Maroon to operate on the brain without the presence of blood for as long as an hour.

Stopping circulation in the normal state is limited to about four minutes before brain damage occurs.

The massager was inserted into the space between the breastbone and the heart. By inflating and deflating, it applied pressure to the heart, forcing that organ to pump blood again.

The massager was developed in 1968 as a device to help patients with failing hearts.

Police Accuse Drunk Driver

A Detroit motorist, who was arrested for drunk driving in The Shores, was found to have been wanted by Detroit authorities on a traffic violation warrant. He posted a bond of \$150 for The Shores offense and \$20 on the Detroit warrant before he was finally released.

Arrested was Henry B. Harrell, of 3900 Beniteau, who was seen traveling on Lakeshore road in a very erratic manner by Public Safety Officer Bruce Darlington at about 1:15 a.m. on Wednesday, August 21.

Officer Darlington said Harrell was coming off the break wall at Stratton and entered the northbound lane of Lakeshore. He drove over the center line and back to the right curb, hitting the curb and coming to an abrupt stop.

The officer said he pulled up behind the Detroit driver and got out and was approaching Harrell's car on foot, when the man shifted gear and was about to drive away. The policeman shouted to the driver to stop and the order was obeyed.

Officer Darlington said Harrell's clothes were disheveled and he fumbled in his wallet when he was requested to produce his operator's license and car registration.

Harrell was placed under arrest for drunk driving and taken to The Shores station where he agreed to take a breathalyzer test. He was conveyed to The Woods sta-

tion for the test, which he failed.

He was returned to The Shores and issued a violation ticket for driving while under the influence of liquor. A teletype over the Law Enforcement Information Network, (LEIN), machine brought back the information that he was wanted on a Detroit warrant. Detroit authorities requested a bond of \$20.

Harrell was detained in the local cell until a relative was contacted and enough money was brought to take care of both bonds. He is scheduled for a Shores court appearance Wednesday, September 25.

Board Praises Retiring Team

Special recognition was accorded a retiring husband and wife teaching team at the regular Board of Education meeting on Monday, August 12.

In his report, Superintendent of Schools James A. Adams acknowledged the educational contributions of Mr. and Mrs. Lewis Gray and wished them a happy retirement.

Mr. Gray taught for 34 years, the last 20 as an industrial arts instructor at North and South High Schools, and he was a department chairperson. Betty Gray has taught kindergarten at Poupard School since 1960.

"I know the Board joins with me . . . in thanking them for their fine work while in the employ of the School System," said Dr. Adams.

He then asked Assistant Superintendent of Personnel Lawrence Kennedy for his comments on the couple.

Mr. Kennedy said he felt the Grays were representative of the many fine teachers who retired this year and he expressed hope that Dr. Adams would have the opportunity to meet them all.

Warren Pair Stand Trial

Two Warren men pled guilty to attempt assault with intent to rob armed at their Wayne County Circuit Court trial Monday, August 12, reported Woods police.

Carlos Wayne Biggs and Carl Jarson entered the plea. Police said both were referred to the Wayne County Probation Department for a pre-sentencing investigation and ordered to reappear Tuesday, September 10, for sentencing. Biggs was ordered to reappear Tuesday, September 24, for final disposition.

The pair, along with another Warren man, Buel Scott, were involved in picking up a 21-year-old Woods man who was hitch-hiking, holding a knife to his throat and striking him in an apparent robbery attempt, police said. This incident occurred early Sunday morning, May 5, in The Woods.

Detroit police nabbed the men, who included another Warren man who wasn't charged in The Woods, a short time later.

Police added charges against Scott are still pending.

Motorcycle Tryout Flops

Robert James Messina, 23, of 9196 Wayburn, Detroit, was arrested by Shores police and charged with three traffic violations. He was released without bond to appear in The Shores Municipal Court in late September.

According to a report by Public Safety Officer Harry Hamilton, who was patrolling south on Lakeshore road on Sunday, August 25, a customized red motorcycle was seen traveling north on the road at 12:47 a.m. at a high rate of speed.

The officer said he turned his scout car to follow the cyclist and paced him at 55 miles per hour between Moorland and Crestwood. On approaching the deep curve in front of 1100 Lakeshore, Messina increased his speed to over 70 mph. He was stopped at Marter road and Jefferson in St. Clair Shores by Officer Hamilton.

The Detroitier told the officer he had borrowed the license plates from a friend to try out the two-wheeler which he was customizing.

Messina and his motorcycle were escorted to the Shores station where the cycle was impounded and the errant cyclist was issued three violation tickets. He was charged with speeding 55 mph in a 35-mile zone; having no rear view mirror on the motorcycle; and having improper license plates.

Pleas Guilty to Farms Charge

A Connecticut man pled guilty in The Farms Municipal Court to possession of a gaseous instrument injurious to persons or property in connection with a scuffle outside Devin Kelly's Pub, 18666 Mack avenue.

Douglas J. Fox, of Cheshire, Conn., visiting in The City, pled guilty at his arraignment Wednesday, August 21, and was fined \$50 by Farms Municipal Judge Robert Pytell.

Farms police had arrested Fox outside the pub at 12:05 a.m. Tuesday, August 20, after they had been called to the scene by a report of a fight taking place on the premises.

Thomas DuFour, who works at the pub, said he had observed the subject in the building with the can in his hand.

Mr. Ignagni said he was suspicious of the subject because of a similar incident at Piper's Alley, a restaurant and cocktail lounge in the same block, that had experienced a tear gas release earlier in the evening.

Ronald Gauthier, of Piper's Alley, reported to Farms police about 11:31 p.m. Monday, August 19, that a person or persons had discharged something in the building that apparently was a tear gas bomb or spray.

Police said the establishment had to be evacuated and responding Officer Pine said the odor was still evident when he arrived at the scene.

Neither the occupant nor patrons saw anyone discharge anything into the building.

Okays Request To Sell Produce

The Woods Council by a 6-1 vote granted the Children's Home of Detroit permission to sell produce only on the home's property in action at the regular meeting Monday, August 19.

In a letter to the solons, Guy R. Ferguson, child care worker, said he and a group of children have been growing a vegetable garden at the home. He requested that the group be permitted to sell the produce on Cook road in front of the home.

Concerned over the liability potential for the city, the council agreed the group could sell the vegetables but only on the home's grounds.

"Once the kids are all in school, there's a lag in your life. I knew there must be something more than soap operas. I picked something I always wanted to do, but it still hasn't been easy going back to school again after 25 years."

Dolores Scott, who always wanted to be a nurse, achieved her goal last June 26 when she was graduated from the Wayne County Community College (WCCC) Nursing School.

Not only was Dolores a member of the first class of Registered Nurses to be graduated from the School, she also designed the Nursing School pin that will be presented to all future graduates.

In a speech given at the Pinning Convocation June 23 at the Cathedral Church of Saint Paul in Detroit, she told the audience what the pin's design symbolizes.

Pin Is Symbol
"The white cross represents our pledge to pass our lives in purity. The blue background comes from the field of blue of our national flag, symbolizing freedom."

"This is all contained in a circle of gold representing goodness and loyalty as we practice our profession."

Dolores explains that the pin designing contest was open to all students. About six designs were submitted. Mrs. Scott used a quarter to determine the size of the pin, and utilized her husband's engineering skills to draw the cross and letters to scale. She rehearsed several hours before she gave the Convocation speech, and her family were so proud of her achievement they tape-recorded the presentation.

That family includes her husband Wilson, an engineer with Fisher Body Division of General Motors at the Warren Technical Center, four children and a pet poodle, Brandy.

Med School For Lorrie
Daughter Lorrie, 17, a senior at North High, is preparing to enter Wayne State Medical School after graduation. She has already received a letter from Wayne with an application for admittance based on test scores indicating her academic strengths.

Janice, 15, is also a North student, but her future plans are understandably uncertain at this point.

Attending Parcells this year will be Thomas, 12, who hopes to join the middle school's swim team this

Many old favorites will be back. Many exciting and unusual shops will be making their Holiday Mart debuts. Parking facilities have been improved for shoppers' convenience, and for up-to-the-minute information during Mart hours there'll be a special telephone number, 962-MART, to call.

Among those assisting Marianne Hubbard and Linda Ford on the 1974 Planned Parenthood Holiday Mart committee are the Mesdames Milton Henkel, George A. Nicholson, III, Louis A. Fisher, Jr., Richard P. Joy, III, Laurence D. Connor, Frederick C. Kaess, III, Dwight P. Black, Harvey C. Fruehauf, Jr., Charles B. Murphy, Raymond R. White, Jr., John B. Vanderzee, II, C. L. Matthews, III, James D. Standish, III, Miles M. O'Brien, Robert P. Lambrecht, Benson Ford, Gordon A. Weller, George Neros, Peter Stalker, II, Donald S. Young, II, John W. Winans, Russell A. McNair, Jr., and Leonard W. Smith.

The Peter W. Strohs, serving in tandem, are in the midst of planning the opening night party.

They're working hard, all of them, and having a wonderful time into the bargain. So, if you go to the Mart, will you. I for one wouldn't miss it.

Few things are more fun than a little holiday cheer in October.

Warm Welcome For New Members

And few things are nicer than knowing you're wanted.

The Assistance League to the Northeast Guidance Center wants its new members to know they're wanted, and is making sure they DO know. The League will extend a warm, personal welcome to all newcomers this year, entertaining them at dinner in the homes of League officers Saturday, September 7.

Mrs. Vincent J. Lisotto, League president, Mrs. Charles F. Turner, recording secretary, and Mrs. Robert Waldeck, first vice-president, will be hostesses.

Earlier, the new Assistance Leaguers attended a coffee at the Guidance Center, meeting Dr. Eli Z. Rubin, director of the facility, and the board of directors, chatting with committee chairmen and learning about projects scheduled for 1974-75, including the fall dinner-dance planned for October 19.

That should be quite a party, for the League is bringing the one-and-only Tommy Dorsey Orchestra to the Penthouse of the Hillcrest Country Club, to play during dinner and for dancing.

Business Administration degrees were awarded to EDWARD KLEINERT of Lakeshore Road, ALBERT FELLOWS of South Oxford Road, and JAMES LARIVEE, of Ballantyne Court. TERRY GOSTOW, of North Renaud Road, received her EPC and CHRISTINE FARRAH, of Roslyn Road, her Bachelor of Fine Arts degree.

Congressman LUCIEN N. NEDZI has awarded the Congressional Medal of Merit to five local graduating seniors: ANN MONGOVAN and FREDERICK VAN HORN from Grosse Pointe North High School, ANDREA ROUMELL and KATHLEEN CORBETT from South High School, and RICHARD CANDY from University Liggett School. The medals go to outstanding seniors based on their contributions to school and community. Individual Social Studies Departments make the selections.

Wayne State University Engineering Professor STUART J. ALLEN, of Lincoln Road, will conduct two 10-week graduate courses for personnel at the United States Army-Army Automotive Command through a \$4,400 agreement with the Army. ROBERT E. WOJCIK, son of Mrs. BERNICE WOJCIK and nephew of MS. CECILIA OLSCHESKY, both of Washington Road, received his Doctorate in Education June 24 from Wayne State University.
