Thursday, September 19
PRESIDENT FORD pledged Wednesday at the United Nations General Assembly that the United States will do its best to help fill the world's needs for food, and challenged the Arab countries to cooperate in answering demands for oil. He proposed four guidelines for a global approach: 1) that all nations increase production "substantially," 2) that all countries seek a level of prices agreeable to both producer and consumer, 3) that all nations avoid abusing fundamental needs for the sake of narrow national advantage, and 4) that all countries assure that the poorest among them are not overwhelmed by rising prices of imports necessary for survival.

Friday, September 20
PRESIDENT FORD's plan to hold down inflation by cutting federal spending suffered a stinging setback Thursday as the Senate rejected his request to delay a government pay raise by 90 days. His plan was beaten by a vote of 64 to 35 in what he called "the first test" of his economic policy in Congress. Only eight Democrats and 27 Republicans supported him. As a result of the vote, the pay raise will take effect as scheduled on October 1, instead of January 1.

Saturday, September 21
CONSUMER PRICES rose one percent in August in the three-county Detroit metropolitan area, slower than the national average. Nationally the Federal Bureau of Labor Statistics, (BLS), reported yesterday that consumer prices increased 1.3 percent during the month. The Detroit consumer price index now stands at 151.3, a level 10.6 percent higher than August of last year. BLS said that real spendable earnings (take-home pay which accounts for inflation effects), in August decreased 0.9 percent from the July level.

Sunday, September 22
HURRICANE FIFI, which began Friday cutting through El Salvador, Nicaragua, Belize (formerly British Honduras) and Guatemala, hit Honduras the hardest. A massive international effort was launched to aid Honduran victims. Lt. Roger Vallecillo of the Honduran government's national emergency committee said, "Nothing is certain yet but we now calculate 10,000 missing and fully half of those dead." The authorities' major fear was the threat of outbreaks of disease, such as cholera, from polluted waters, lack of food, and shortage of dry, warm clothes.

Monday, September 23
RESCUE OFFICIALS ordered mass incineration of bodies Sunday to prevent epidemics in Honduras caused by Hurricane Fifi. Floodwaters brought out poisonous snakes. The Honduran Army information services said more than 2,700 bodies were burned or buried at Choloma and 1,000 at La Ceiba. Authorities said the true death toll from the storm might be double the confirmed 5,000. U.S. planes from the Canal Zone brought water purification units to the coastal area to fight the most urgent problem, water contamination.

Tuesday, September 24
PRESIDENT FORD opened the ninth World Energy Conference in Detroit yesterday during his first visit to Michigan since becoming president August 9. The speech was a blunt message to Arab leaders that they can expect serious trouble if they overprice oil or use it as a political weapon, as happened last year with the oil embargo against the U.S.

Actor Lends Realism to Disaster Drill

"Victim" HARRY STUTT, an actor with the Grosse Pointe Theater, is diagnosed by DR. VINCENT ADAMS and tagged for emergency room treatment by PATRICIA GRADY, R.N. The three

were participants in Bon Secours' disaster drill, held Thursday, September 19, to train and test the emergency resources of The Pointe community.

Mack Block Problems Go Under Study

Building Permit Appeal
Results in Formation of
Committee to Survey
All Complaints

By Barbara Bruno

An appeal from a denial of a building permit to enlarge a Mack avenue restaurant stirred up a small storm of protest among close to 70 residents who attended the Farms Council meeting, Monday, September 23.

The residents' primary objection was based on insufficient parking facilities for the businesses in the Mack avenue block between Calvin and Kerby roads. After an hour and a half of discussion and sometimes heated debate, however, a list of problems stemming from businesses all along the block resulted.

Piper's Alley, 18696 Mack avenue, a restaurant and cocktail lounge, made the appeal to the Farms Council, sitting as a Zoning Board of Appeals. The manager of the restaurant, William Demore, said the proposed addition would be for office space, storage space and additional lavatories.

In addition, he said the seating capacity would be increased by 40 seats but stressed that this portion of the restaurant would not open until 6 p.m. He said this would leave parking spaces for other area businesses that close at 5:30 p.m.

The Board of Appeals, by a vote of 6-0, denied the request. (Continued on Page 4)

Tennis Enthusiasts Tell Hopes for Formation of Community-Wide League

Organizational Meeting Called for October 1
at St. Paul Lutheran Church; Recreation
Directors' Evince Interest

By John Tingwall

"Every man for himself" may become an outdated adage on Grosse Pointe tennis courts next year if certain tennis enthusiasts in the city accomplish their goal.

Team tennis, the most recent phenomenon in the sports world, may find its way into Grosse Pointe parks next summer if enough supporters are rallied to an organizational meeting Oct. 1.

The meeting, organized by Reese and Edna McFarlane of Hillcrest road, has been scheduled to plan a tennis league and gather citizen input regarding rules for such a league.

Mrs. McFarlane sent letters to recreation directors, city officials, club and interested residents on September 18 requesting their attendance at the meeting and asking for information and ideas regarding rules, eligibility, age groupings, officiating, scheduling and methods of determining seasonal winners.

"My husband and I have organized this meeting because we feel there is more than enough interest to begin such a league," Mrs. McFarlane said. "Once we establish how much interest there actually is, we can present our information and plans to all of the Grosse Pointe councils for their approval."

Mrs. McFarlane said a tentative schedule and a follow-up meeting will probably be planned at the October 1 session.

Arrest of Busy Car Thief Solves Total of 14 Cases

Two Detroit men were nearly run over by a rolling car when they jumped out of the vehicle, which was stolen, while they were being pursued by a Park officer on Tuesday, September 17, at about 1:50 a.m.

The driver of the auto, stolen in the Park, was arrested by Sgt. Bobby McAlister. The passenger, whose name was withheld because no charges were brought against him, was arrested by Detroit police a short time later, and released to Park authorities. The second man was found hiding under a porch a short distance away from the scene of the driver's arrest.

The man arrested by Sgt. McAlister was identified as

Wernet Joins Hall of Fame

Ed Wernet, athletic director at North High School, was formally inducted into the Michigan High School Coaches Hall of Fame Saturday, September 8, at Central Michigan University, (CMU).

Mr. Wernet was one of 10 coaches honored at a banquet at which over 200 were in attendance at CMU, the permanent site of the Michigan High School Coaches Hall of Fame.

Mr. Wernet said he has had several honors as a coach and player through the years but this one "was a nice way to cap a career."

He first came to South High School in 1948 and coached football, basketball and baseball through 1967. 68 when he became athletic director for one year.

A graduate of South High, Mr. Wernet has been athletic director at North since 1968.

Hope to Cut Sugar Costs By Boycott

Movement Started in St. Clair Shores Gains Momentum as Many Pointe Housewives Join

By Roger A. Waha

The boycott of foods which contain sugar, started by a St. Clair Shores housewife last week, has spread to The Pointe where area housewives are refusing to buy such goods for a 10-day period which began Friday, September 20, and which will continue to Monday, September 30.

We have been calling our friends and hope for a chain reaction to the boycott to protest the high price of foods which contain sugar, said Mary Lou Rowe, of Edmonton drive. Mrs. Rowe, who said Beverly Ribaud of St. Clair Shores initiated the boycott action, stated Monday morning, September 23, that around 20 Woods housewives have joined the protest.

At this stage, it's impossible to obtain an accurate count of Pointe women who are participating because those taking part are asked to call five of their friends and urge them to avoid buying sugar products during the 10-day span.

"I was appalled at the price of candy," emphasized Mrs. Rowe, who added, "I couldn't believe what I was seeing." She admitted this boycott has taken off and said housewives in Detroit, Plymouth, Pontiac, Waterford and Birmingham, among other areas, are participating.

Mrs. Rowe stressed she wants this boycott to continue and noted there may be several hundred women using foods without sugar, e.g., using fruit in place of candy snacks for their youngsters.

Get Good Publicity

"We are getting a good response to the boycott," said Mrs. Ribaud. "I guarantee you any woman who doesn't know of the boycott isn't aware of what's been going on." She was referring to the heavy television and newspaper coverage the housewives received over last weekend.

Mrs. Ribaud said the women aren't trying to boycott markets in groups wearing placards nor are they trying to hurt the markets. But she wants everyone, including all the markets, to take note of profits the sugar industry is making.

Test Resources By Disaster Drill At Bon Secours

Community Specialists Participate in Full-Scale Performance; Pointe Theater Actors Add Realistic Aspect

Bon Secours Hospital's full-scale disaster drill Thursday, September 19, brought together many community specialists to train and test their resources for handling potential community disaster.

Grosse Pointe Theater actors, wearing intricate wound make-up, created an atmosphere of realism which made participants forget it was a drill and react as though it were the real thing.

Grosse Pointe City Fire Chief Robert Marshall offered the use of the fire station for making-up the victims again this year. The actors arrived wearing old clothing which was soon ripped, dirtied and spotted with imitation blood as though they had been through a real tornado, this year's pretend disaster.

Instructed by Nurse The actors had been instructed in make-up techniques by Bon Secours Nursing Coordinator Jean Woelfel, R.N., at a meeting at the hospital the previous week. A challenge to even the best make-up artist, the participants created technical works of art simulating embedded glass fragments, compound fractures, cuts, third-degree electrical burns and, in one case, a foot-long wood fragment.

In an hour and a half, they were ready to be transported to the hospital by City fire and police vehicles and a Detroit Emergency Medical Service van.

The alarm sounded, hospital personnel responded to their pre-assigned duties setting up emergency treatment centers for shock and ambulatory patients. Those most severely injured would be treated in the hospital's emergency room.

Twenty victims arrived at the hospital in a 15-minute period. They received a preliminary diagnosis by physicians, were transported to the proper treatment area and treatment began.

Without the disaster plan, it would be impossible to adequately handle so many severe.

City Purchases St. Clair Lot

The City Council, at its regular meeting Monday, September 16, gave City Attorney Richard Hinks authorization to close a deal to purchase the property at 708 St. Clair avenue. The lot will ultimately be used to provide off street parking for Elworthy Field.

Mr. Hinks said final negotiations with estate executor Hudson Mead call for a \$17,000 purchase price, with The City paying \$5,000 down and six percent per annum interest. The mortgage will be paid off in five years.

Pointe Symphony Slates Season's First Offering

The Grosse Pointe Symphony Orchestra, under the direction of Felix Resnick, will present its opening concert of the 1974-75 season, Sunday, October 13, at 3:30 p.m. in the Performing Arts Center of North High School, Vernier road at Morningside drive.

Highlighting the concert will be the mother-daughter duo-piano team of Ruth Burczyk and Christine Burczyk Allen playing Mendelssohn's Concerto in E Major for Two Pianos and Orchestra.

Dedicated to the broad scope of promoting performing artists of distinctive professional caliber, the Symphony is especially proud to present this team in its first

Charge Pair In \$17,000 Shores Theft

Stolen Car Full of Loot Spotted in Ann Arbor by Alert Washtenaw County Deputy Sheriffs

Two Macomb County residents responsible for the burglary of the home of Dr. Frederic Watts, 7 Crestwood, on September 9, were detained in The Shores local cell in lieu of \$10,000 bond each, following an arraignment before Shores Municipal Judge J. Patrick Denis on Friday, September 20.

Charged with committing the break-in and looting of the doctor's residence are Edward J. Steggall, 22, of 14616 Jacob, East Detroit. The burglary took place while Dr. Watts and his family were absent from home for several weeks.

Look Includes Car The entire loot, including a late model car, valued at a total of approximately \$17,000, was recovered by Washtenaw County deputy sheriffs Randy Evans and Dan Cook, it was disclosed by Shores Det. Sgt. Frank Mustazza and Charles Wenrich, who credited the pair with clearing the Watts burglary.

According to Sgts. Mustazza and Wenrich, Evans and Cook, while on routine patrol passed a gas station in Ann Arbor, when they observed a late model Cadillac parked in the driveway of the station and stopped to investigate.

All Items Recovered

The burglary in The Shores took place about 10 p.m. on September 9, and the accused pair were arrested at about 1:30 a.m. on September 10 by the deputies, who not only found all of the loot in the car, but also two pairs of gloves, stocking masks and a loaded revolver. The arrested men are being charged by Washtenaw authorities with possession of stolen property and carrying a concealed weapon.

Young confessed to The Shores burglary and car theft and Washtenaw officials relayed the information to

To Resume Negotiations Of Disputes

Woods Council Alters Decision under Pressure from Concerned Citizens, School Board

By Roger A. Waha

The Woods Council unanimously agreed that the city should get back into the school crossing guard business at a special meeting, attended by an estimated 70 citizens including many crossing guards, Thursday evening, September 19.

At that time, the council concurred in a Committee of the Whole recommendation, (based upon the C-W's meeting Wednesday morning, September 18), that in view of the fact that the Board of Education has refused to accept the responsibility of the safety of school children, the solons requested City Administrator Chester E. Petersen to re-establish the crossing guard program previously furnished by the city for the protection of the children.

Mr. Petersen told the NEWS Monday morning, September 23, a letter would be mailed that day to Metropolitan Council 23 AFSC & ME-AFL-CIO "requesting them to have the crossing guards report back to work based upon their current salary, (\$1.90 per crossing, \$7.60 a day), and fringe benefits proposals while we continue to negotiate or mediate all unresolved issues."

Items at stake, including benefits and seniority, among others. Before further steps can be taken, he said, the city must hear from the union.

"The crossing guards will be given an opportunity to choose their duty assignments in accordance with past seniority for the time being," stated Mr. Petersen.

But until the time comes when all guards are back on the 12-affected city school crossings, public safety officers, meter maids, volunteers and the dog warden will cover the locations.

After the council announced its decision, which rescinded its earlier action to pull out of the crossing guard business Monday, September 9, applause filled the council chambers.

Reaction to the decision obviously pleased most citizens and the school system, although, at that time, several crossing guards expressed confusion as to if they would actually be back on the job or if new guards would take over.

The NEWS was unable to reach School Superintendent Dr. James A. Adams personally but in a statement issued from his office Monday afternoon, he said, "I am

Hearing Slated On Station Site

The Woods Council unanimously set the date of Monday, October 21, for a public hearing to consider rezoning the Marter Road Pumping Station property from Community Facilities District, (CF), to either R-1B or R-1C, single family residential district.

This action was taken at the regular meeting Monday, September 18.

In its recommendation, the Planning Commission at their Tuesday, September 10, meeting noted that the surrounding residential area is zoned R-1C and suggested the property be rezoned to R-1B. However, the council felt an "either-or" specification should be included in this case.

The solons at the July 15 meeting accepted a Committee of the Whole recommendation to utilize the pumping station site for single family dwelling purposes.

At a public hearing on June 17 the majority of citizens in attendance had requested such usage.

To escape all criticism say nothing, do nothing, be nothing.

Live for today—let yesterday be a living memory of the past.

School Crossing Guards Reinstated in Woods

(Continued from Page 1)

pleased to learn that Grosse Pointe Woods will continue to provide crossing guard service for thousands of school-age youngsters. Trustees, parents and staff are delighted at this fine spirit of cooperation.

"I wish to take this opportunity to thank the volunteers who served so generously and efficiently during the recent temporary breakdown in service."

Pleased at Decision
Board President Mrs. Edward C. Hanpeter said she was pleased at the council's decision and the continuation of negotiations. "I know the city is as concerned as we are over the safety of school children."

She noted the school system does provide safety patrols but in no way could these replace the experienced crossing guards. Mrs. Hanpeter also cited the fact that the council has to be responsive to Woods citizens.

And considering it's decision, it obviously was.

Woods Traffic Safety Officer Stephen Petrik also applauded the announcement. "I'm glad the decision came out as it did," he said, while citing the parts played by the crossing guards in the city's pedestrian safety program, e.g., this is the 16th straight year in which there has been no pedestrian fatality in The Woods.

Many Developments
Ever since the 17 crossing guards went on strike Thursday, September 5, in a dispute over salary and reassignments, interest and concern have appeared on many fronts in the community.

When the guards decided not to return to work on Monday, September 8, thus resisting a city ultimatum, the city considered this as their resignations. Then, after the September 9 council meeting,

the solons met in executive session and decided that the city would discontinue providing the crossing guard service.

However, at the regular meeting Monday, September 16, some 95-100 residents jammed the council chambers and urged the solons, sometimes angrily, to reconsider their action. At that time, the council unanimously decided to meet within a 48-hour period and reach a decision.

On Tuesday, September 17, several council members met with some Board trustees to discuss the situation. The solons then met in executive session Wednesday morning and focused upon the scope of the matter for around four hours. Finally, the special

meeting was called for the 19th.

Sends Letter

Previous to the C-W meeting, Mayor Benjamin W. Pinkos received a letter from Mrs. Hanpeter informing him of the trustees' viewpoint after their executive session meeting on the 16th.

She said the trustees had "a full and open discussion" of the elimination of the city's crossing guards. "We unanimously believe that the responsibility for pedestrian safety rests with the local municipal government. Moreover, it is our unanimous position that the public schools could not through the use of volunteers provide for the safety of the students going to and from school in The Woods area."

"It has been our experience that volunteers can function in a limited way for short periods of time, but over the long haul, it is unreasonable to expect volunteers day after day to cover major crossings."

"We realize from a legal point of view that it may not be mandatory for a municipal government to provide crossing guards, but from a responsibility point of view and in consideration of the hazards encountered by students crossing the major streets in Grosse Pointe Woods, we believe it is absolutely imperative to provide this significant service."

Explores Actions

In commenting upon Mrs. Hanpeter's letter at the September 19th meeting, Councilman George S. Freeman said he was pleased to see the responsibility for safety rests with a local municipal government because, at times, the council wasn't sure of this.

Mr. Pinkos, in exploring what happened at the Wednesday morning session, said the entire problem was discussed. "We considered what in the council's opinion, setting aside our personal beliefs, emotional issues and who's in favor of this or that, would be the best thing to do at this point in time."

"This was to reinstate the crossing guard service. We wouldn't involve ourselves in any type of negotiations but give Mr. Petersen our full confidence and urge him to continue negotiations in any way he sees fit."

The mayor stressed, "Our principal concern was to put the crossing guards back on the street as expeditiously as possible." He reemphasized Mr. Petersen had the council's full cooperation. "We, (the council), set policy and Mr. Petersen carries out our decisions."

Moral Responsibility
While noting that the city definitely has no legal responsibility to provide the crossing guard service, Mr. Pinkos said, "This wasn't important at this point in time. Our moral responsibility was important and that's it."

He felt the council took the only action it could have taken and that it was the proper action. The mayor noted the solons try to be flexible and that they do the best they can.

Finally, Mr. Petersen said he has been hearing charges and counter charges regarding the city's negotiating position with the union and felt residents could be hearing only one side of the story. "I'd be happy to discuss this matter personally with any interested citizen regarding the city's point of view on the strike and on negotiations," he stated.

Tennis League Hopes

(Continued from Page 1)

Lakefront Park, serving The Woods, said he believes an inter-city tennis league is "an idea worth talking about," and plans on attending the meeting or sending a representative.

"We can't though, take the courts and turn them over to a tennis league," Hallmann said. "There is a constant demand for the courts from hundreds of residents."

Reacting similarly to the formation of an Inter-City league, Tom Gauerke, recreational director at The City's Neff Memorial Park, said special consideration would have to be given to individuals interested in recreational tennis.

"The idea of forming a league sounds great," Gauerke said, "because of

the great interest in the game." But whoever organizes the league will have to give special consideration to recreational use of the courts, and the fact that the majority of the players are usually people over 16 years of age.

Practice sessions, Gauerke stressed, should not interfere with recreational use, just as swim team practice has been scheduled early in the morning to avoid conflicts in pool use.

"I'm not sure what age group might be best suited for a tennis league really," he noted, "but we also have young people who are involved in various tennis tournaments throughout the state."

Ed Lauer, director of Farms Pier Park, said he has had several requests from residents for the organization of such a league.

"The only tennis tournament in the area currently is the Tennis and Crumpets tournament, a suburban-wide charity tournament, but that is only held once a year," Lauer commented, "and people want a lot more chances than that to participate in tennis events."

Mrs. McFarlane can be reached at 884-2012 for further information concerning the meeting and organization of the league.

Sugar Boycott

(Continued from Page 1)

"Anyone who pays over \$2 for a five pound bag of sugar is trying to make a fool of herself," she stated. Mrs. Ribaud noted that the price of a five pound bag had gone up around \$1.30 since last January.

Trying to Help
"We're not trying to hurt anybody. We're trying to help the American housewife. We can't wait for Washington to lick inflation. We, (housewives), are going to do it, I know we are," stressed Mrs. Ribaud.

When asked what does the future hold when the 10-day period is over, she said, "We are trying to prove that the American housewife is a very important person, that she has something to say and that someone will listen to her. She is an intelligent person, who has a great deal of common sense."

"We can get results from this," she added. As the "great one" used to say on television, "How sweet it is!"

This is certainly true for the boycotting housewives.

Have Suspect In Club Theft

Farms Det. Earl Field said the Farms police department is seeking a warrant against a suspect in the robbery of the Country Club of Detroit, 220 Country Club Drive, Tuesday, September 10.

The phone operator at the club reported that a man came into the front office, acted suspiciously, and \$242.01 was missing from the office after he left.

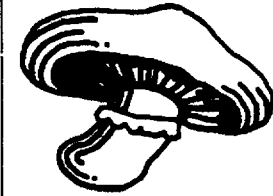

Det. Field said the suspect was recently released from the Oakland County Jail after posting a cash bond for a breaking and entering arrest in Bloomfield Hills.

He is also wanted on an outstanding bench warrant from Southfield, Det. Field said.

Police Arrest Young Speeder

An East Detroit youth, 19-year-old Joseph Fodale, of 24616 Roxana, was arrested Sunday, September 22, and charged with reckless driving and fleeing and eluding City police following a chase that ended in The Woods.

Officers James Cronin and Donald Boyer were patrolling Mack avenue when Fodale's car passed them traveling in excess of 70 m.p.h., and ran the red light at Mack and Warren.

When Officer Boyer put out a broadcast describing the pursuit, Farms Officer Kenneth Pine joined the chase which ended at Cook road when Fodale's vehicle hit a curb and spun out of control.

He posted \$100 bond and is scheduled to appear in court on November 12.

Pointers Assist Energy Parley

One of the world's most prestigious meetings, the World Energy Conference, is underway in Detroit this week, September 23-27. Serving as host chairman is Ralph T. McElvenny, of Cloverly road, former Chairman of the Board, American Natural Gas Co.

This is the first world Energy Conference to be held in the United States since the 1936 meeting in Washington, D.C. The conference is attempting to deal with the economic, environmental and energy problems of the world.

Mr. McElvenny has appointed a Detroit Advisory Committee including: David K. Easlick, president, Michigan Bell Telephone Co.; Walter B. Ford II, Ford and Earl Design Associates; Ms. Joyce Garrett, director, Detroit Bicentennial; Mrs. Roman S. Gribbs; George E. Gullen, president, Wayne State University; H. Clifford Hatch, president, Hiram Walker and Sons, Inc.; Dr. Rachel Keith; Ray W. Macdonald, chairman of the board and chief executive officer, Burroughs Corp.

Others are: Ralph Osborne, U.S. Consul to Haiti; Mrs. Alfred Pelham; Longworth Quinn, general manager of the Michigan Chronicle; Peter W. Stroh, president, Stroh Brewery Co.; Robert M. Surdam, chairman of the Board, National Bank of Detroit; Leonard Woodcock, president, UAW, and Minoru Yamasaki, architect.

In addition to the technical

sessions, delegates to the conference have an opportunity to hear the Detroit Symphony Orchestra under the direction of Aldo Ceccato with guest pianist Van Cliburn.

"Visit to An American Home" features 40 homes in the metropolitan Detroit area hosting more than 1000 members of foreign delegations. The other participants are attending Music Hall to see a musical production of Walt Whitman's "Leaves of Grass."

Other activities include a visit to Greenfield Village and the Henry Ford Museum, Detroit Institute of Arts, Cultural Tours, Cranbrook, Mott Medical Center and Children's Hospital.

Pleads Guilty Of Bad Driving

A 62-year-old Detroit man, originally charged with three offenses, pled guilty to careless driving in The Woods Municipal Court Wednesday, September 18.

Marshall Terry, of 2181 Fairview, had been charged with driving under the influence of liquor, no operator's license on his person and possession of firearms while intoxicated stemming from an incident July 19.

The no operator's license charge was dismissed and the firearms charge was reduced to one year's probation. He is scheduled to reappear in court on September 19, 1975, police said.

Named Best-Dressed Dog

Photo by Barbara Bruno

DIANE BADALANTE and sons PETER and JOHN, of McKinley avenue, proudly display Duffy, named best-dressed dog in Grosse Pointe for 1974.

Casually dressed shoppers interrupted their browsing to gawk at a well-dressed group gathered on the Hill last week, but the group was not offended, and none of the onlookers were reprimanded for their impolite behavior.

The entourage promenading in front of the Bronze Door restaurant had next to nothing to say about it, anyway, because they were just plain dogs, dressed up like people, reluctantly participating in a contest that was

a part of a festival sponsored by merchants and businesses On-The-Hill.

Three judges were on hand to determine which (or who) was Grosse Pointe's best-dressed dog.

Most of the eight contestants arrived late, nonplussed by the whole ordeal. After the final contestants struggled in on the end of a leash, judges allowed time for owners to prompt their entries.

Several minutes of deliberation determined the winner: Duffy, a five-year-old cockapoo, clad as a railroad engineer in blue and white striped overalls, with a matching cap and a red bandana around his neck.

A dachshund who had donned a pink negligee and had a fuchsia bow in her hair, and several other contestants more elegantly dressed were miffed by the decision, but did not express their sentiments to the judges.

Woods Okays Amendments

Woods voters will decide on amendments to the city charter which focus upon retirement allowances for covered members, (general employees who are eligible for social security), and for non-covered members, (public safety employees who aren't eligible for social security), at the November 5 general election.

The council at the regular meeting Monday, September 9, unanimously concurred in Committee of the Whole and Pension Board recommendations that the charter amendment be submitted to the electorate.

The proposition asks voters if three sections of chapter 16 of the charter be amended to: "(a) increase retirement allowances on account of the first 25 years of credited service by 1/2 percent of final average compensation times the first 25 years of credited service;

"(b) Reduce the retirement allowance of covered members on account of credited service in excess of 25 years to one percent of final average compensation; "(c) Increase covered members' contributions to five percent of compensation and non-covered members' contributions to six percent of compensation?"

Employees, in short, are asking for an increase of 0.5 percent in pension benefits, with all employees increasing their contributions. Information exploring this proposal is scheduled to be sent to all residents by the city at a later date. City Administrator Chester E. Petersen already has sent a letter to Governor William G. Milliken requesting his office to expeditiously review the proposed charter amendments as required by State Statute, and approve the ballot proposition.

Establish Two New Art Funds

Two previously unannounced Funds have been added to the Grosse Pointe Foundation for Academic Enrichment, both designated for use in the area of arts.

The Esther Meldrum Fund was established by the Parent-Teacher Association of Parcels Middle School to honor Mrs. Meldrum on her retirement last year. Its donors asked that it be used to enrich and increase interest in the arts.

The Mary Laurence Memorial Fund has been established by Joseph Maniscalco to honor his children's grandmother. It will be used for the purchase of art materials for the schools.

Other funds under the Foundation's umbrella include the Joanne P. Bokram Memorial Arts Fund, the Hazel McCaig Memorial Fund, and the Jerry Gerich Fund.

The purpose of the Foundation for Academic Enrichment is to supplement the program of the Grosse Pointe Public Schools. Information may be obtained by calling 885-4911 or 886-2854, or by writing the Foundation at 32 Lakeshore road.

Purse Thief Awaits Trial

Floyd E. Smith, 23, of 2553 Dickerson, Detroit, was bound over for trial at the next session of Circuit Court, following an examination before Park Municipal Judge John Urso on Wednesday, September 18. Smith was remanded to the custody of the Wayne County Sheriff's Office and is presently confined in the County jail in lieu of \$5,000 bond.

He is charged with larceny from a person and was formally placed under arrest by Park Police Chief Henry Coonce on September 4, on which date Smith was stopped by a motorist who saw him snatching a purse from an 80-year-old woman.

According to police records, Smith was peddling his bicycle west on the south side of Mack avenue, the same direction in which the woman was walking. As he passed the elderly lady, name withheld, Smith grabbed her purse in front of No. 15114, after bumping into her, and

continued on his way without stopping.

A passing motorist, Frank Calcaterra, Jr., of Detroit, who witnessed the incident as he approached the Maryland intersection, jumped out of his car and grabbed Smith just as Chief Coonce and Lt. Gordon Duncan turned the corner of Maryland. The officers stopped to investigate and were informed by the Detroit Police of what had happened. Chief Coonce made the arrest formal.

Larceny from a person is a State felony, conviction of which can mean up to five years in prison.

Chief Coonce and Lt. Duncan lauded Mr. Calcaterra for his part in Smith's apprehension, stating that they were pleased that there are still citizens who are not afraid of being involved.

Money never bought happiness, but will buy many substitutes.

War Memorial Thefts Reported

A break-in at the Grosse Pointe War Memorial which netted the thief or thieves several one-of-a-kind items was reported to Farms police Saturday, September 21. The stolen goods, of an unknown value, were taken sometime between 10:24 p.m. Friday, September 20, and 7:30 a.m. Saturday.

Missing at this time, according to police, are: an original Oriental rug, about four feet by 14 feet, from the reception room; an antique copper tea pot, about 10 inches high and 10 inches around, with black wooden handles on each side, taken from the library; and a woven tapestry about five feet by seven feet, taken from the reception room.

Police theorize entry was gained by breaking a window. Farms detectives are continuing their investigation of the case.

Slate Training Sessions For Probation Volunteers

By Barbara Bruno

Training of volunteers who have expressed an interest in assisting the Grosse Pointe Volunteer Probation Program is scheduled to begin Thursday, October 3.

Sessions will be held on successive Thursday evenings throughout October at the Woods Municipal Court, 20025 Mack avenue, from 8 to 10:30 p.m., with the exception of the October 31 meeting which begins at 9 p.m.

An "Introduction to the Criminal Justice System" will initiate the volunteers at that first training meeting. Speaking will be Park Municipal Judge John R. Urso and Youth Service Division Detective Michael Ferrence, of the Woods Police Department.

They will explain law enforcement procedures and where the volunteer Probation Officer (VPO) fits into the system. They will also define terminology used in the courtroom.

Sister Sean Martin, Director of Center Point Crisis Center, will speak October 10. She will address the topic, "Discovering Inner Abilities." This will include discussion of values clarification and the implications for interaction, engaging in active listening and reacting to tolerance levels and self-defeating behaviors.

On October 18, Dick Beadle will speak on "Techniques of Interaction." The group will

discuss communication skills, the group process and establishing a rapport with the probationer.

"Objective Decision Making" will be the topic October 24 as Don Ambroyer of the Macomb County Probation Department addresses the volunteers. He will outline the VPO's responsibility to the program and to the community and will consider the question of violations and infractions of rules by both probationer and volunteer.

The last meeting, to be held October 31, will take up "Accountability and Resources." Speaking will be Woods Det. Sgt. Bernard Kelly and Det. Ferrence. Included in the presentation will be discussion on objective reporting, filling out forms and utilizing community resources.

The program is still accepting applications from persons over 18 years of age interested in working with the 17-to-30-year-old offender who is assigned to probation by one of the Pointe municipal judges.

The program also needs volunteers interested in administrative and clerical duties.

Applications and information are available from the probation office at 20943 Mack avenue, or by calling 885-8228.

Study Block Problems

(Continued from Page 1)
quest on the grounds that provisions for parking were insufficient.

In separate but related action, the Council formed a committee to study the allegations made by residents about the nuisances created by the Mack avenue businesses.

The study group will consist of the Mayor's Advisory Planning Committee; Terry Cuson, manager of Devin Kelley's Pub, located in the same block; and three area residents: W. Miller, of Calvin road, George Lang, of Kerby road and Joseph Van Hoet, of Belanger road.

Councilwoman Nancy Waugaman reminded other residents and merchants in the audience that their input into the committee is welcome and would make it more effective.

Mr. Demorest said after the meeting that the building permit had originally been denied on the basis of inadequate parking and he felt that requirement had now been met. He said the appeal never would have been made if he hadn't felt the establishment met the ordinance requirement.

Presses Action
He noted that the formation of the study committee was a positive result of the hearing and a much needed effort on the part of residents and merchants.

"It was a fine turnout at the meeting," he said, "I'm

glad to see the community neighbors and businesses will finally get together."

He added that Piper's Alley plans to be active in making suggestions to the committee.

In a memo to the Council, Director of Public Service John DeFoe said 12 additional spaces would be needed for the proposed addition and they are not available.

This was in conflict with Mr. Demorest's calculations that only nine and one-half spaces would be needed for the addition in accordance with the Farms ordinance.

Most of the residents present were concerned not only with the lack of parking spaces for businesses in the block but with the traffic and noise created by patrons.

Solicits Comments
Mayor William Butler opened the floor to comments from the audience and heard from residents and business owners alike. Joseph Van Hoet, of Belanger road, spoke on behalf of the residents.

He said his street has become a speedway and parking strip for cars. He noted that friends coming to visit cannot park and the odors from the businesses, (cooking and garbage fumes), are major concerns.

He recommended that a committee be formed to study the problems since the denial or acceptance of the building permit would not solve the total annoyances. His presentation and suggestion were met with a round of applause from the gathered residents.

Mr. Cuson observed that poor prior planning was part of the reason for the problems of the area. He commented that the city should be proud of the development of the Mack avenue block since the business owners are trying to improve its appearance.

He also urged cooperation between businesses and residents and further study of the parking and nuisance problems.

Edward Rem, a Farms property-owner but a City resident, suggested that the Farms make parking areas by buying adjacent land as he said has been done in Grosse Pointe City. Mayor Butler said that since he was not a Farms resident his comments were out of order.

The mayor said the head of the Planning Committee would arrange a meeting of the new study group as soon as possible to meet on the Mack avenue question.

Safe, legal speeds are tire-saving speeds. Sustained excessively high speeds can increase tire temperatures beyond the boiling point of water, shortening tread life and wearing down the strength of tire fabric.

Arrest Solves 14 Cases

(Continued from Page 1)

The information, released by Lt. Duncan revealed that Sgt. McAllister was cruising south in the 1000 block of Wayburn, when he observed a driver of an auto, Otis, pulling away from the curb without lights. Otis made a turn onto Hampton as the officer attempted to force him to the curb.

Otis drove west on Hampton and then turned north on Alter road in Detroit, with the car lights still out. The pursued vehicle then picked up speed and ran a red signal light at Kercheval, then turned east into a north Kercheval alley.

While making the turn, according to the sergeant's re-

port, the passenger opened the door on his side as though about to jump out. As the vehicle approached Wayburn, the passenger jumped out on the west side of the sidewalk, while the car was in motion, and rolled onto the street pavement. At the same time, Otis also leaped from the vehicle and he, too, fell to the pavement.

Otis's companion got up, apparently unhurt, and fled the area on foot, to be captured by Detroit officers a short distance away.

Otis was apprehended by Sgt. McAllister before the man could flee. In the meantime, the car, still in motion ran into a fence at the rear of 1213 Maryland before coming to a stop.

Otis was arraigned before Park Municipal Judge John Urso at 5:15 p.m. the same day. The judge released the accused man on \$1,000 personal bond and set examination date for yesterday, September 25.

Lt. Duncan said that under questioning by officers of the Detective Bureau, Otis confessed to three other car thefts, and the attempted thefts of 10 others, all in the Park.

Accused Man Waives Exam

A Park resident, accused of carrying a concealed weapon and larceny from a building, waived examination on Wednesday, September 18, at his appearance before Park Municipal Judge John Urso.

The accused, John T. Reynolds, 24, of 809 Beaconsfield, was released on personal bond, pending a trial date in Wayne Circuit Court.

Reynolds was arrested on September 11, when a gas station owner discovered his .38 caliber revolver missing from the back room of his place of business and reported the matter to Park authorities. The station owner said he saw Reynolds enter the rear of the building, and when he, himself, went to the back room, the gun was gone. He told police

whom he suspected of taking the weapon.

On the date of the theft, at about 6:40 p.m., Patrolmen David Hiller and Collin LaLonde, who knew Reynolds by sight, saw him enter a bar located at 15019 East Jefferson. The officers called for reinforcement and Sgt. Charles Petrie and Patrolman Timothy Mink responded.

The policemen found Reynolds sitting on a stool at the counter and ordered him to stand. The man was searched and a loaded revolver was found in his left boot.

On warrants approved by the Wayne County Prosecutor's Office, Reynolds was formally charged with carrying a concealed weapon and larceny from a building.

Park Views Bus Shelter

A sturdy steel-framed and aluminum and glass sided bus stop shelter will be constructed at the southeast corner of Jefferson and Pemberton by the Southeastern Michigan Transportation Authority (SEMTA) at an estimated cost of \$2,500. The Park Council was informed by City Manager Robert A. Slone on Monday, September 23.

Paul Carter, the city's Neighborhood Conservation Coordinator, told the solons that the construction of the bus stop hinges on the hopes that SEMTA receives a Federal Government grant for the building of a number of such shelters along its routes. The Park is scheduled to have only the one at the bus stop located near the Park-Detroit city limits, just south of the Michigan National Bank.

The bank is trying to ne-

gotiate the purchase of three lots, including one owned by the Park, to be developed for its branch facility, for customer parking and expansion of its drive-in teller service. If and when the purchase is concluded, the bank will dedicate a section of the proposed acquired property for the bus shelter, Mr. Slone and Mr. Carter said.

If the bank cannot acquire the land, then the shelter will be constructed on the sidewalk.

It is hoped that the grant will be approved so that SEMTA can start building the Park bus shelter and other shelters sometime during the winter months, the city manager said.

One stipulation required by SEMTA is that the Park council pass a resolution that the city will clean, wash and maintain the shelter at the city's expense. The council promised its full cooperation.

Falling Trend Continues In Cases Handled by YSD

A decline in complaints processed was again noted by the Youth Service Division, (YSD), in a month-by-month comparison with cases last year.

During August, the YSD handled 59 complaints. This was an increase of six over July but a decrease of 15 in comparison to last August. July's total of 53 cases was a drop of 27 in comparison to June and was 10 less than the total handled last July.

The overall total of incidents handled through August is 490, an increase of 34 over the same period last year.

"Again we note a drop in the case load for this month, compared to the same month of last year," reports the division. "Except for the category of larceny/theft and related offenses this drop was experienced in classifications previously of much higher incidence."

Larceny/theft was the top complaint category in August, totalling 16 cases. When considered with related offenses such as possession of stolen property, five incidents, and burglary, three, the total climbs to 24. This is a higher rate of incidence than both July and last August.

The division reports, "Due to the apparently increasing combined abuse of controlled substances and alcohol, these offenses will be reported in a format to follow the suspected trend."

With that, the YSD cites two marijuana cases with one including the investigation of a sale. These incidents involved three male adults and four male juveniles. Two cases of marijuana and beer involving two male adults and two male juveniles were processed, while one drunk in public incident, involving one male juvenile, was handled.

Four runaway cases were reported involving two girls, (one being a habitual runaway and the subject of two separate runaway incidents in August), and one boy.

The habitual runaway girl was arrested and placed in a public, controlled environ-

Arthur J. Maes New Policeman

Arthur J. Maes, 25, of Detroit, has been hired by the City of Grosse Pointe as a new police officer to begin work the week of September 22.

A graduate of Denby High School, he served approximately two years in the Army and completed basic police course training August 5, 1974. He graduated from the Macomb County Community College Criminal Justice Training Center on September 20.

The new officer is married and has two children.

Place Blame on Love Spat

A Detroit driver who was ticketed by both Woods and Shores police on Friday, September 13, for speeding and reckless driving blamed his action on a spat he had with his girl friend.

The motorist, James J. Mair, 20, of 18435 Hoover, was being pursued by Woods Public Safety Officer James Fowler east on Vernier road at 75 miles per hour. Vernier is zoned for 35 miles per hour. The patrolman radioed the Shores station that he was in chase and that he had crossed the Woods-Shores limits.

Shores public safety officers, Cpl. Chester Painter and Patrolman Daniel Healy, saw the approaching cars at 8:59 p.m. They observed Mair turning north on Lakeshore, and gave chase.

Cpl. Painter and Pat. Healy said they paced Mair at 65 miles an hour as they, too, took up pursuit. During the chase, the Shores officers said, they saw the Detroit tailgating two other vehicles, causing both motorists to swerve off the roadway and almost collide with another auto.

The corporal and patrolman said that Mair cut to the right and left and drove down the center line in an effort to pass other vehicular traffic.

Mair was frustrated in his attempt to find openings in moving traffic, when the Shores officers ordered him to pull over to the curb in front of 1000 Lakeshore.

When asked for a reason for his illegal driving, Mair told the Shores and Woods officers that he was upset

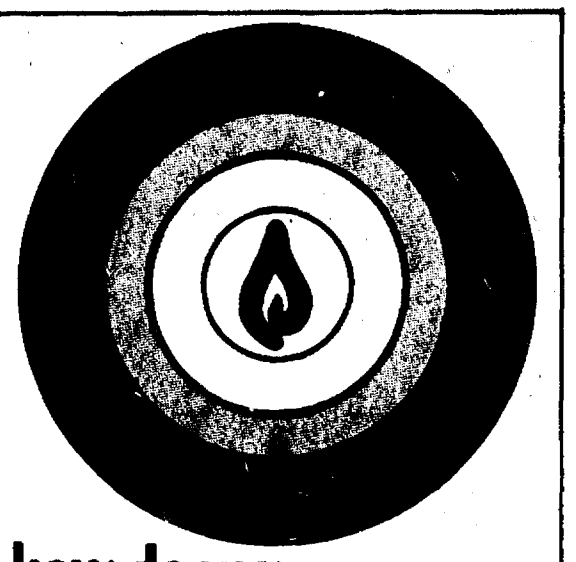

because he had had a fight with his girl friend.

He was conveyed to the Shores station, where he was issued a violation ticket by Pat. Fowler, for speeding 75 miles an hour on the Woods section of Vernier. Cpl. Painter gave the errant motorist a ticket for reckless driving. In the Woods case, no bond was required, but the Shores police said Mair was required to put up a bond of \$75. He is scheduled to appear in Shores Municipal Court on Wednesday, October 25.

Mair's troubles did not end there. While still in the Shores station a teletype over the Law Enforcement Information Network, (LEIN), machine brought back the information that he was wanted on a traffic warrant by Detroit authorities. Before being permitted to leave, he was required to post and additional \$7 bond on the Detroit charge.

verely injured in such a short time period.

Observers Present
Community emergency teams were invited to attend the drill as observers. Radio Amateur Civil Emergency Service and the American Red Cross were among those represented.

Andrew Teetaert, City police chief, set up communications with the hospital security guards from the "tornado site" using Bon Secours' two-way radios.

After the drill, hospital officials and community participants and observers met for a critique of the disaster plan. Communications, traffic control, medications and supplies and patient records were discussed.

The drill served two purposes. It was an excellent training practice for community and hospital personnel who would have to perform their duties quickly and efficiently in the event of a real community disaster.

Secondly, it tested the

written plan and uncovered flaws: no blankets were sent to the shock center and transporting personnel spent precious time retrieving stretchers rather than removing their vehicles from the emergency entrance driveway.

Thanked by Dr. Day
Francis T. Day, M.D., disaster committee chairman, thanked the Grosse Pointe Theater members for their civic involvement and their

excellent portrayal of disaster victims and the Grosse Pointe City Fire and Police Departments for their complete cooperation and valuable support.

"Most important," commented Dr. Day, "Bon Secours Hospital and supporting community agencies now feel confident of their ability to react to any community disaster with a life-saving plan that has been tried and tested."

Jury Acquits Antonelli Of Second Sex Charge

Samuel Antonelli, 30, was found innocent of a second sex crime by a Wayne Circuit Court jury on Tuesday, September 17, although several jurors said that the testimony of a 15-year-old girl, the alleged victim, was believable.

The decision clearly upset Judge James N. Canham, who after curtly dismissing the jury refused to meet with them following the verdict when they stated they wanted to explain why the innocent verdict was reached.

Antonelli, a disbarred attorney and a former resident of the Park, had been charged with committing sodomy on the person of the 15-year-old girl, a mentally retarded sister of Antonelli's present 16-year-old girl friend.

Several jurors said that the 15-year-old's testimony was believable, but claimed there was not enough evidence and indicated that Assistant Wayne County Prosecutor John J. Burns presented the case poorly.

Antonelli was acquitted on August 28 of a charge of taking indecent liberties with a 12-year-old sister of the two girls, following a hearing on this charge before Circuit Court Judge Charles Kaufman.

Judge Kaufman, at the time, "with the greatest reluctance," ordered the jury to find Antonelli not guilty because the prosecution failed to prove a crime.

The judge noted that the 12-year-old had changed her testimony between the time of the pretrial examination and the trial. The girl testified at the examination that the disbarred attorney forced her to commit a sex act, but she denied this in Circuit Court.

In the case of the 15-year-old, she testified that her older sister—Antonelli's girl friend—had taken her to Antonelli's Park residence sometime in 1973, and while there Antonelli sodomized her and her older sister while the three were in the same bed.

On Monday, September 9, the 16-year-old testified that her younger sister had been in Antonelli's house, but denied that sodomy had taken place.

In presenting his testimony on Monday, Antonelli also denied committing the acts and further stated that he was always a welcome guest in the Park home of the girls' parents on a number of occasions since the alleged incident.

Assistant Prosecutor Burns

expressed surprise about the juror's remarks that he presented the case poorly. He said he felt that the evidence was enough.

After the verdict was in, Antonelli said that he felt that Wayne County Organized Crime Task Force, which conducted an investigation last year that led to his conviction of arson, had been trying to harass him by trying him on the sex charges. He had been disbarred after being convicted of the arson of three vacant houses.

According to testimony, he had purchased the three dwellings in 1971 for a total of \$10,000 and insured them for \$34,000. In December 1971, the buildings were destroyed in a three-day period. Last June, Recorder's Court Judge Thomas L. Poindexter sentenced Antonelli to 2½ to 10 years. Since that time, the ex-attorney has been free on appeal.

Attorney John Bianco, who initiated the cases against Antonelli said, "there is no truth" to the man's allegation that the task force was "hounding and harassing" Antonelli.

The attorney said Antonelli still faces a federal charge of conspiring to bring narcotics into the country. The charge is unrelated to the Task Force activities.

Shores police, who went to the Watts residence, Sgts. Mustazza and Wenrich said. They discovered that the burglars had entered the house by breaking the glass of the basement window. The place had been completely ransacked.

Other Things Taken
Taken, besides the car, the Shores detectives said, were two record players, a movie camera and projector, an electric ukelele and a black umbrella. Also a large number of foreign currency and coins from a collection, and other valuable items.

Dr. Watts identified his car and all the valuables taken from his home, the Shores detectives said.

Judge Denis ordered that Evans and Steggall be held in the local jail until examination date, which was scheduled for yesterday, September 25.

The Washtenaw County officials have placed a hold on the pair on their charges.

began studying piano as a child with her mother. She has consistently received ratings in the National Guild of Piano Teachers Auditions, and in June, 1973, was presented in her solo recital debut while attending Macomb County Community College as a student of Daniel Olsen. She is presently majoring in piano while working on her Bachelor of Arts degree at the University of Kansas.

In January of this year, the mother-daughter team made their duo-piano debut with the Scandinavian Symphony Orchestra. The musical press later reported, "The solo sequences proved the competence of the two soloists' technical abilities, their delicate sensitivity, and seemingly effortless command of the exquisite art of interaction. Their compatibility was indeed beautiful in the ears of the audience."

Felix Resnick, conductor of the Symphony has consistently maintained a high standard of artistic achievement. His interpretive ability, originality of sound, and ability to program challenging works have provided inspiring concert performances.

As a member of the Detroit Symphony Orchestra, he presently serves as assistant to the principal second violin. He has successfully

conducted the Detroit Sinfonietta, as well as many small orchestras and chamber groups, and on several occasions has conducted the Detroit Symphony Orchestra.

For the October 13 program, Mr. Resnick has programmed orchestral works of Anton Dvorak, the "Slavische Tanze," the "Suite from the Dramatic Music of Henry Purcell" and Zoltan Kodaly's "Hary-Janos Suite."

Tickets for the concert are still available at \$3 for adults and \$1.50 for students by calling 884-6645. They may be purchased at the box office the afternoon of the performance.

Loses Handbag In Unusual Way

A St. Clair Shores woman, while visiting a friend in The Woods, lost her purse in the area of Kenmore road and Mack avenue.

While that isn't particularly news, the "how" of it is different.

The woman told Woods Officer Robert Kwiatkowski she believed the white purse, which contained \$30 in cash and personal identification, was lost when she drove away with the bag on her car's hood.

Schools Cite Volunteers for Meritorious Service

At the regular meeting of the Board of Education Monday, September 9, the trustees awarded 50 certificates of meritorious achievement in recognition of faithful and dedicated volunteer service during 1973-74.

The Board of Education established the Volunteer Awards Program to recognize distinguished contributions by unpaid, interested citizens to the various on-going programs and activities of the public schools and public libraries.

On June 4, 1973, the trustees of the Board of Edu-

cation unanimously adopted the following resolution:

"Whereas, the Grosse Pointe Board of Education also authorizes the development of a Volunteer Awards Program for implementation in September, 1973..."

Consideration for awards was given not only to the amount of time devoted by a volunteer but also to the extent of responsibility which a volunteer carried in the fulfillment of his duties.

One qualified for an award through performance of distinguished service to the Pointe's public schools or

public libraries between July 1, 1973, and June 30, 1974. Nominations for an award under the Board of Education-sponsored program were made by adult residents of The Pointe school district. Nominations were due in the hands of the Secretary of the Board of Education by June 15, 1974.

Preliminary nominations were screened by the Volunteer Awards Committee, with final selection made by a citizens' committee.

The Board of Education Volunteer Awards Advisory Council for 1973-74 consisted of Dr. Donald Briggs, Thomas E. Candler, William D. Dahl, Mrs. Joseph Perry III, Mrs. William J. Quinn, Mrs. Perry TeWalt, Mrs. Gerald E. Warren and Charles F. Woodbury, Jr.

Serving ex-officio were Mrs. Edward C. Hanpeter, Dr. Theos I. Anderson, Dr. George T. Eddington and Donald B. Bassett.

Members of the final committee were Mrs. Ruth Flom, Forrest Geary, Dr. Frank Sladen, Laura Mackeben, and Robert F. Weber.

Awards were given to Edward Haug, Mrs. Clark Whitney, Mrs. Milton Manley,

Mrs. C. Thompson, Mrs. Edward Price, Mrs. W. Amenda, Mrs. W. Boyse and Mrs. R. Megargle.

Others receiving awards were Mrs. A. Reeves, Mrs. K. Schmidt, Mrs. Klaus Motte, Mrs. D. G. Schneider, Mrs. T. J. Maurer, Mrs. Gomer Evans, Mrs. Robert Tracy, Mrs. John Controulis, Mrs. Richard Fox and Mrs. William Ludwig.

More recipients were Mrs. T. K. Burnham, Mrs. Eleanor Davidson, Mrs. Anne Lockhart, Mrs. Richard Ottens, Mrs. Marilyn Pillsbury, Mrs. Mabel Hawkins, Mrs. Thomas Dimond, Mrs. Lorna Vroom, Mrs. Celeste Welhaf, Mrs. Sterling Berry and Mrs. Maurice DesRosiers.

Others being awarded were Mrs. Joseph Palms, Mrs. Norman Rogers, Richard H. Beach, Mrs. Boy Frame, Mrs. Francis Crowley, Mrs. Dolores Nique, Dr. Marguerite Hendrie, Theodore J. Wilner, Mr. and Mrs. John Cobau, Mrs. Douglas Graham, Mrs. Richard Mills and Mrs. Margo Kessler.

Honorary awards were bestowed upon the 1973-74 Volunteer Awards Advisory Council in recognition of past volunteer service to the school system.

Woods Okays Tax Payments

The Woods Council unanimously approved two resolutions, one from The Pointe Public School System and the other from the Wayne County Community College District, pertaining to taxes which the city property owners will pay as required by law.

This action was taken at the regular meeting Monday, September 9.

The Pointe School Board passed a resolution last month authorizing and directing that monies be raised by

taxation for the school district. A total tax of \$17,142,497.23 was levied on the district's taxable property.

According to the Board's measure, The Woods property owners will pay a tax of \$5,328,010.02.

Other communities and the amount of tax they will pay shows: Grosse Pointe Township, \$1,447,307.26; The City, \$1,960,650.85; The Farms, \$3,819,644.57; The Park, \$3,103,710.01; City of Grosse Pointe Woods, (Harper), \$95,461.66; and City of Harper Woods, \$1,357,712.88.

The Wayne County Community College District also passed a resolution last month levying a total tax of \$2,685,489.33 on the district's taxable property. The measure says The Woods will pay a tax of \$36,583.63.

Taxes which will be paid by other municipalities indicate Grosse Pointe Township, \$10,218.21; The City, \$13,668.32; The Farms, \$28,226.62; The Park, \$21,310.84; City of Grosse Pointe Woods, (Harper), \$951.28; and City of Harper Woods, \$9,332.39.

The City of Grosse Pointe Woods, (Harper), was annexed to The Pointe District in June 1957 and is subject to Harper Woods District debt tax.

Cyclist Avoids Auto's Assault

A 13-year-old Woods cyclist escaped serious injury after an auto swerved towards him on Thursday, September 19.

The lad told Woods Public Safety Officer Ronald Hayden he was going east on Hollywood avenue at the curb when a green Nova, traveling west, crossed over and caused him to jump from his bike, avoiding impact.

He said the auto was occupied by two white males, one of whom had shoulder length blond hair, and felt the incident was intentional. Police checked the area with negative results.

Cinema League Meets Tonight

Dr. Walter W. Theurle, of Flint, will be the Grosse Pointe Cinema League's guest photographer and narrator at the Thursday, September 26, meeting.

He will present two 16 mm. films, "Big River," (referring to the Amazon), and "New Guinea," at 8 p.m. in the Fries Auditorium at the War Memorial. The meeting will close with refreshments.

Both movies show areas not visited by tourists. The trip to the Amazon was a privately-guided exploration of the upper reaches of the river.

Dr. Theurle is chairman of the Society of Amateur

Cinematographers for the coming year. He is also a member of the American Photographic Society of America.

The League holds its meetings the second and fourth Thursday evenings of each month through May. The object of the club is to improve the members' knowledge and enjoyment of movie photography by showing films, conducting contests, and listening to technical talks.

Anyone interested in this type of photography or in travel movies may want to become a member. Membership is \$5 per person or \$8 per family.

What Goes On at Your Library

By Arthur Woodford
Chief of Central Library

Vineyard growing, wine-making and wine drinking are increasing throughout the United States. Between the years 1960 and 1973 table wine consumption more than trebled in this country. In 1972 Americans drank almost 340 million gallons of wine, a rate of more than one-and-a-half gallons per capita. This is a record that many wine experts believe will be doubled in the next 10 years.

Today, California and New York wines, particularly, are being compared favorably with European wines. It is certainly acceptable now to serve American wines at home or in restaurants, when once they were looked down upon.

In THE WINES OF AMERICA (Houghton), Leon D. Adams has produced a comprehensive compendium of American wines, covering the history of winemaking, legends of the colorful wine-makers, the growing of grapes, and the production of wines in nearly every state. More space, of course, is given to California wines than to those of any other region, but there is an excellent chapter on the wines of Michigan.

Michigan ranks fourth among the states in grape-growing and sixth in wine production. Our southwestern counties, behind the towering sand dunes of the Lake Michigan shore and extending east and north to Kalamazoo, are one of the great fruit-producing sections of the earth. The deep lake waters, which rarely freeze over, yield warmth for the vineyards and orchards in winter, and the winds from the lake in spring usually retard the buds from opening until danger of killing frosts has passed. This is the grape, apple, blueberry, and peppermint county, and Paw Paw, the seat of Van Buren County, is the vineyard center.

One of the better stories Adams tells, is the origin of Cold Duck. He states, "Michigan's chief contribution to the wine world is Cold Duck, the bubbly pink wine that exploded from Detroit during the 1960's to revolutionize festive drinking halfway around the world. Its story is as bizarre as its name." I won't spoil it by telling you the whole story here, I'll let you read it for yourself when you borrow this book from the library.

From Michigan I would like to turn to Italy and Philip Dallas' THE GREAT WINES OF ITALY (Doubleday). This book is addressed to the aspiring connoisseur as an introduction to the distinctive characteristics of fine Italian wines with references to the historical antecedents of Italian viniculture. Specific wines are clearly identified for the prospective purchaser and individual descriptions of various

LICENSES ISSUED

The Woods Council unanimously granted the issuance of three parking lot licenses at the regular meeting Monday, September 9. These were to the Goodyear Tire and Rubber Co., 19391 Mack Avenue; Landmark Restaurant, 19299 Mack; and Pointe Electronics, 19755 Mack.

wines in regional chapters include random lists of reputable producers. Appended are a foreign language and technical glossary, a discussion of Italian regulatory legislation and a note on monastic rosollos and elixirs. This book is the most complete and up-to-date work available on a delightful, and often neglected area of international viniculture.

In addition to these titles our library has a number of excellent books on the wines of France, Spain and Germany, and, of course, a copy of that fine one-volume encyclopedia WINES OF THE WORLD (McGraw-Hill) edited by Andre Simon.

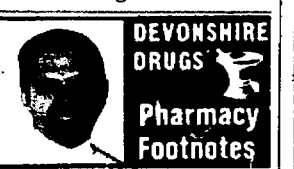

With so many fine wine guides available, I would like to mention one that seems particularly good. It is entitled AN INSIDER'S GUIDE TO LOW-PRICED WINES (Anchor) by William Massee. Pleasantly written and well-organized, the book starts with the simplest of classifications and gradually gets more particular by county and region. Massee is non-snobbish enough to discuss the "pop wines" along with the more serious discussion of the traditional wines. The book concludes with a good appendix on stocking a small cellar, and a fine list of importers and where to contact them.

This last book is not about how to select a good wine, but is one that should be enjoyed by anyone who enjoys drinking a good glass of wine. The book is DRINKING WITH PEPPY (St. Martin's) authored by Oscar A. Mendelsohn.

Mr. Mendelsohn is an Australian chemist with a well-developed penchant for good food and wine and for Peppys. These interests led to this distillation from the famous PEPPY'S DIARY of those entries which carefully record Peppys' imbibitional tastes and experiences. The resulting collection became the inspiration for Mendelsohn's illuminating commentary and discourse upon the drinking habits of Samuel Peppys and his time.

The seventeenth century was a good period to choose for a discussion of British drinking habits since they were soon to be drastically modified when King William clapped a lethal tax on French wine. This forced the British to turn to gin and port. Also at this time, tea and coffee were established as the normal breakfast beverages in place of ale. But 300 years ago, Peppys drank what was probably a close cousin to modern sherry, sweet and dry wines from France and the Rhineland, and brandy. He also certainly drank gallons of ale (without the hops found in modern beer and ale), but probably little if any whisky, a startling newcomer in his time.

Mendelsohn's engaging essays on Mr. Peppys and these beverages make this a sparkling book, dry, spirited, and of fine vintage.

DEVONSHIRE DRUGS

As a general rule doctors recommend that teenagers have their eyes tested at least every two or three years. Some young people need to have their vision tests even more often than that — this is especially true if you wear glasses. If from a distance of twenty feet you can read letters one-fourth inch high on a chart such as the Snellen chart, your vision in the eye being tested will be recorded as 20/20. If you have such vision in one eye, but not the other, you should have a complete eye examination.

If your doctor recommends a prescription drug, bring the prescription to DEVONSHIRE DRUGS at 16037 Mack ("on the block"), for personalized professional service. We have a large stock of health and beauty aids and for your convenience, we carry liquor, beer and wine. Call us at 881-0478 for free prescription delivery. Upholstery, floor covering, and trim inside your car are attractive, but they also have a job to do. This job is to protect against wear from such sources as wet clothes, muddy feet, pets, food spills, etc. Regular cleaning keeps the inside of your car in tip-top shape. Fabric upholstery should be cleaned with a vacuum cleaner or whisk broom to remove dust and dirt. Pile carpet should also be vacuumed to keep dirt from being ground in.

Regular servicing of your car is essential. For complete service see us at **POINTE DODGE, INC.**, 18001 Mack Ave., 884-7210. All kinds of major and minor repairs are handled for all makes of cars and we attempt to provide same day service. Hours: Service—Daily 7:30 a.m.-6 p.m.; Mondays and Thursdays until 9 p.m.; Sales—Daily and Saturdays.

AUTO FACTS

Clean vinyl upholstery or trim by wiping with a damp cloth or sponge.

Detroit Man Charged with Two Traffic Violations in The Shores

Gregory A. Gumm, 18, of 1288 Chalmers, Detroit, will go to court in The Shores Wednesday, October 23, on charges of driving while his operator's license is suspended and for operating a motor vehicle with one headlight.

The defective headlight brought him to the attention of Public Safety Officers Michael Kenyon and John Trevillian, who were cruising south on Lakeshore at about 7:57 p.m. on Saturday September 2. Gumm was traveling north on the road. The patrolmen turned in a crossover and took off after the motorist and stopped him at Oxford.

The officers radioed their

station for a check on Gumm over the Law Enforcement Information Network (LEIN), machine and the return reply showed that Gumm had no outstanding warrants against him, but his operator's license had been suspended by the Secretary of State's Office in Lansing.

The Detroit was taken to The Shores station where he was issued a ticket for driving with defective equipment and another for operating a motor vehicle while his license was suspended. He posted

ed a bond of \$150 before his release to assure his court appearance before Shores Municipal Judge J. Patrick Denis.

SH Rebounds after Defeat

By Damian Kikaka
South High School started its league season with an impressive 22-0 victory.
On Saturday, September 21, on South's home field, the Blue Devils combined explosive offense with a consistently tough defense to defeat Port Huron.
South ran for over 287 yards and was led by junior Dave Wyborski with over 87 yards. Dave scored two touchdowns on runs of 10 and 37 yards. Senior Mark Isley scored the other touchdown on a one-yard plunge.
Senior Jeff Welscher passed to Kevin Kovanda for a two-point conversion, and Mike Dooley kicked two extra

points. The Devils gained 12 first downs, but completed only one of nine passes.
South's defense turned in a fine team performance holding Port Huron to 93 yards. South did not allow a first down in the opening half and only allowed five for the game. Although there were not many outstanding defensive players, the defense as a team was solid.
The Devils lost their very first game, however, to Notre Dame on Saturday, September 14, 7-0.
The inability of South to mount any offense, and the defense being unable to turn over good field position, combined to cause the loss. The defense did better than expected for the first game and played a better than average game altogether.
The lone touchdown for Notre Dame was scored on a pass that was deflected by two South defenders before being caught by a Notre Dame receiver.

Kiwanis Seeks Kind Citizens

The Kiwanis Club No. 1 and a panel of six celebrity judges will choose 25 metropolitan Detroit citizens to receive Sweetest Day "Happiness Awards."
The awards will be given to citizens for their acts of kindness to friends and neighbors, volunteer work through social agencies and churches, and the amount of time they give unselfishly to others.
Nomination blanks are available at many area stores or may be submitted in a detailed letter to Kiwanis, 421 Madison Theater Building, Detroit 48226. The deadline for nominations is Monday, September 30.
The 25 winners will be announced on Thursday, October 3, and will be honored at a special "Happiness Awards" luncheon at the Detroit Hilton Hotel on Tuesday, October 15, the Tuesday prior to Sweetest Day.

ULS Gridders Victors Again

By Frank T. Judge III
The University Liggett School football Knights captured their second victory in as many games as they defeated Britton Macon 14-0 Friday evening, September 20.
With only 18 players dressed for the contest, Liggett's high scoring offense was even more greatly hampered early in the game when starting quarterback Todd Greer was injured on the opening kickoff.
Britton Macon, capitalizing on ULS penalties, sustained a number of drives to the Liggett goal line during the first half only to be held by Liggett's "no score" defense.
Liggett's offense moved well during the first two quarters but every drive was halted by costly penalties, which in total, amassed well over 100 yards.
On the last drive of the first half, Britton Macon attempted to put some points on the board with a field goal only to have it blocked by sophomore linebacker Bob Neville.
Liggett broke the scoreless tie early in the second half as backup quarterback Whit Boyd scored on a one-yard plunge. The two point conversion attempt failed.
Now beginning to control the game, Liggett scored again in the fourth quarter. Plunker Bill Albrecht scampered 51 yards on a reverse for the touchdown. Halfback Frank Judge successfully ran in the conversion and the Knights led by the score 14-0 which proved to be the winning margin.
The Liggett offense was led by senior Boyd, who gained 93 yards in 13 carries. Defensively, linebackers Neville and Mark McKee, who's also a fullback, sparked as they made 22 and 19 tackles, respectively.
A week earlier, in the season's opening game, Liggett romped over their Class C opponent Whitmore Lake, 38-0.
The scoring started early as defensive end Drew Miller picked up a Whitmore Lake fumble on the third play of the game and ran 30 yards for a touchdown. From that point on the Knights dominated the game.
Boyd scored four touchdowns and set a school record by gaining 219 yards on 19 carries. Todd Greer added

two touchdowns and senior McKee scored once to add to the lopsided score.
Neville led the powerful Liggett defense in tackles with a game high of 22, 13 of which were unassisted. This potent defensive unit held Whitmore Lake to a game total of 83 yards as Liggett amassed an incredible 516 yards total offense.

NMSC Reveals Semifinalists

Twenty-one students from the Grosse Pointe area have been singled out as National Merit Scholarship Corporation Semi-finalists in the 1975 competition. The students are among 15,000 high school seniors nationwide who will vie for some 3,400 scholarships.
In order to qualify for these, semifinalists must be endorsed by their schools and recommended for consideration, confirm their scores with an equivalent performance on a second examination, provide evidence of high academic performance and supply information about their other accomplishments.
Semifinalists include: Roy C. Martin and Charles J. Roarty, from Austin Preparatory School, Radzy L. Christofferson, Philip J. Controuille, Dorcas J. Dobie, Kenneth E. King, Stuart A. Kurtz, Elizabeth Montague, Jody A. Nelson, David E. Scheeres and Jane Taylor, from South High.
North High semifinalists are Sandra D. Dickerson, David A. Hein, David P. Hoerner, Diana M. Kondak, Charles J. Van Becelaere and Frederick K. van Horne.
More are Nancy A. Noble, John P. Roach, David L. Schaffer and Barry N. Steinhart, of University Liggett School.

Lion Gridders Take 2 of 3

The Grosse Pointe Lions varsity's 19-0 win over a stubborn Sterling Heights Vikings squad was the result of a tough defense combined with a well-executed offense.
The defensive unit, led by Greg Drais and Steve Kienle, came up with the big plays when they were needed with an interception by Rich Harrison stopping a crucial Viking drive.
The offense, led by quarterbacks Pat Coyle and Ed Fish, combined with the running of Mark Raymond and Todd Platt, played a good ball control game with sharp blocking led by Steve Redding and center Joe Wood.
Defense was the word as

the Lions' varsity stopped Sterling Heights, 11-0. The Lions defense held their opponents outside their 45-yard line while allowing just one first down.
The Lions' defense led by Rick Overby and Scott Suckling captured two safeties in the victory. Other fine defensive players were Charles Wilmoth, Dean Graham, Devon Jeffrey and Eric Mikesell.
The junior varsity offense scored their touchdown on a long march capped by a 13-yard romp into the end zone. The offensive team led by Tony Alfonso included Sean Rivard, David McAllister and Eric Frakes.
The Lions' freshman team was soundly beaten 30-0 by a hard-charging, aggressive Viking team in spite of good defensive efforts by Douglas Ross, Joe Leto and Brian Carlon.
The offensive team was led by Harry Constant, Greg Rivard, Bayard King and Jim Harrison, but was consistently stopped when it approached the goal line.
Each game was played over last weekend.

Faith Has Openings For Three-Year-Olds

Faith Nursery, Inc., a non-sectarian cooperative nursery school at Faith Lutheran Church, has openings in its three-year-old class. The four-year-old class is currently full, but waiting list names will be accepted.
Three-year-olds meet Tuesday and Thursday mornings from 9 to 11 o'clock. Tuition is \$12 per month. Four-year-olds meet Mondays, Wednesdays and Fridays from 9 to 11. Tuition is \$17.50 per month. The school year runs October through May.
More information may be obtained by contacting Nadine Thacker, of Lochmoor boulevard, membership chairman, at 886-1135.
BUBBLE TROUBLE
A bubble on a tire sidewall is generally serious trouble. The protrusion may mean separation of one or more layers of the rubber the tire is made of, and can cause sudden disablement.

Registration Set For Girl Cagers

Registrations for girl's basketball will be held at Brownell Thursday, September 26, and at Parcels Tuesday, October 1, from 7-9 p.m. A parent or guardian must accompany each child.
There are three leagues this year including Midle League, 5th and 6th grades; Midi League, 7th and 8th grades; and Maxi League, 9th-12th grades. The league fee is \$6 plus a \$5 individual membership fee.
All girls interested in playing basketball must register at one of the aforementioned locations. Tryout information will be distributed at registration. All girls who register and attend tryouts are placed on a team and will play in each game.
Games and practices will be held in the evenings at Brownell, Parcels, and Pierce middle schools.
Basketball clinics will be held at Brownell on Saturdays beginning October 5 and continuing until November 2. Fourth graders report at 9 a.m., 5th and 6th graders at 10 a.m. and 7th-8th graders at 11 a.m. The fee for all clinics is \$5 plus membership. Registrations are now being taken at the Club for the clinics.
Adults and high school students interested in coaching should contact Betz Johnson at the Club, 885-4600.

Red Barons Win 4 Games

The Grosse Pointe Red Barons played host to their arch-rivals, the St. Clair Shores Green Hornets, at University Liggett's field on Sunday, September 22.

In the freshmen game, Mike Bautista, Tom VanPelt and Chris Krucki all scored touchdowns behind the powerful blocking of Billy Bonk to lead their unit to a 32-0 triumph.

David VanElslander recovered a fumble and scored a TD on a 55-yard punt return. John Bautista also scored a TD on a 40-yard return of an interception.

Requests More Bids for Moving

The Woods Council at the regular meeting Monday, September 16, unanimously concurred in the recommendation of City Administrator Chester E. Petersen that further bids be obtained for the relocation of a portable school classroom building from the Ferry School site to the west side of the DPW garage on Parkway Drive.

C. A. Johnson and Son, Inc., of Detroit, said they would do the work for the sum of \$19,850. However, the council felt it was necessary to obtain further quotes, before a decision was reached.

After a public hearing at the August 19 meeting, the solons unanimously okayed the building's transfer for use as an office and lunch-room-locker facility by DPW employees.

Jeff Roberts recovered two fumbles and Jim Strong, Bill Crow, Scott Twomey, Chris Neal and Martin Frisbie played solid defense to contribute to the win.

Tom Brown scored two TDs and Scott Young and Gary Kinder, one each, to pace the Red Baron junior varsity to a 27-0 victory. Fine performances were turned in by Jeff Garmen, Darryl Chauvin, Steve Weyman, Ron Garner, Peter Mogk, Wright Wilson, Karl Kurtz and Eric Tech.

Head coach Paul Trupp said after the game, "The entire offensive line was extremely quick off the ball and executed plays well. Their play today clearly was the difference between victory and defeat."

The Red Baron varsity defeated their opponents 13-7 in a very gratifying victory. Jon Stewart and Bob Brown accounted for the scoring.

The tie-breaker came on a 50-yard broken field TD romp by Brown late in the fourth quarter.

Jerry Marzejon, Greg Mulan, Brian Engel, Dan Gallagher, David Monark and John Clem played admirable football.

At the junior freshmen level, the Red Barons nipped their opponents 8-0 on a 45-yard TD sprint by Willie Wilson. Others making their presence felt include Todd Pierce, Greg Fleming, Brian Haebler and Ross Amicucci.

The fellow who travels the primrose path seldom worries about a return ticket.

Offer School Budget Info

With the hearing on the Grosse Pointe school system's operating budget set for 8 p.m. on Monday, September 30 in the Administration Building at 389 St. Clair, Dr. James A. Adams has provided background information to explain the \$16,597,181 proposal in detail.

Revenues will come from local sources, from direct appropriations from the State of Michigan and from Federal Aid.

Out of the total anticipated operational revenues, \$15,106,762 will be supplied by 1974 local property taxes, the major source of revenue for operating the school system. Other local amounts are derived from summer school tuition, income from securities, and the rental of school facilities.

School officials remind residents of the community that the Grosse Pointe system does not qualify to receive a basic per pupil membership allowance because the district's State Equalized Valuation of property is greater than the equalizing factor of the current state aid formula.

The schools will receive \$343,148 in state aid for various special education purposes, such as remedial reading, programs for the mentally, physically and emotionally impaired and for portions of the salaries of social workers and school psychologists. The schools expect \$26,690 in state aid for driver education and \$37,000 for transportation for students in special education programs.

Federal aid in the amount of \$136,540 will help finance programs in vocational education, the Vocational and Academic Skills Training Program, (VAST), and to purchase instructional materials.

The school system's proposed operating expenditures for 1974-75 show that \$11,978,339 will be allocated for instructional costs; operation will consume \$1,859,052; maintenance costs are \$450,788, and fixed charges will account for \$896,962.

Administration costs are pegged at \$604,419; attendance costs, (school social workers and related expenses), are \$197,944; transportation is \$94,000; health services are \$16,500; capital outlay expenditures are \$65,000; student services are \$42,570; and funds transferred to other school districts amount to \$8,500.

In addition to the operating costs of public schools, expenditures proposed for the public library for 1974-75 have been pegged at \$674,472.

Debt retirement costs for the year are \$1,152,893. Of this amount, \$442,175 is the payment on the 1965 debt for North High School and \$311,206 is allocated for the 1971 debt for the addition to South High School.

The others received briefcases with the Farms insignia, containing information and pamphlets about the city.

Next, Mr. Nakata presented Mayor and Mrs. Butler

At the annual barbecue in honor of the Shiga Youth Goodwill Mission, held at The Farms Pier Park Tuesday, September 17, Farms Mayor WILLIAM BUTLER shakes the hand of MASATOSHI NAKATA, an Imazu resident, after giving him a gavel to take home to the Imazu mayor. Imazu is The Farms' sister-city in Michigan's Japanese sister-state, Shiga.

The noon barbecue in honor of the fifth delegation of the Shiga Youth Goodwill Mission, held at The Farms Pier Tuesday, September 17, proved to be the most fun and rewarding yet.

This year, 20 young men and women from Shiga Prefecture, Michigan's Japanese sister-state, spent the morning in The Farms, touring City Hall and the fire and police departments.

Overseeing the group's visit was Jack van Dyke, chairman of the sister-cities program in Michigan. The Farms has a sister-city, Imazu, in Shiga.

Hosting the barbecue were Farms Mayor William Butler and Mrs. Butler, City Manager Andrew Bremer, Jr., and Mrs. Bremer, Police Chief Robert Ferber and Mrs. Ferber and Fire Chief Warren Schultz. The Reverend and Mrs. Paul S. Hyama, of Christ Church, both Japanese-speaking, helped greet the guests.

Councilman James Mast and Mrs. Mast, City Treasurer Florine Stallard, Administrative Assistant Richard Solack, City Controller Carol Lock, Farms Pier Park Director Edward Lauer and Mrs. Lauer, and Police Lieutenant Ignatius Backman also helped keep the buffet-styled luncheon running smoothly.

To open the barbecue, Mayor Butler presented a gavel, inscribed with "Grosse Pointe Farms-1974" to the leader of the group, Yoshio Nishikawa. Masatoshi Nakata, an Imazu resident, accepted another gavel in behalf of his mayor.

The others received briefcases with the Farms insignia, containing information and pamphlets about the city.

Next, Mr. Nakata presented Mayor and Mrs. Butler

with two "good luck" bells and native sculptures of a man and a woman in folk costume.

Mrs. Butler also received a pin with three pearls from Lake Biwa, Shiga's fresh water lake.

Along with other officials, members of The Farms staff, Barbara Kade, Ann Murphy, Rosemary Jensen, Fleurette Nelson, Kay Sylvester, Linda Vitali, Eleanor O'Brien, Wendell Baker and Radio Technician Bruce Butler, received colorfully painted wooden statues designed to be devil chasers.

Covering the event turned out to be more than expected. Upon seeing three women approaching the picnic table, the Japanese men created various spots up and down the table for us.

Toshihiko Muraki immediately announced, "I am a Japanese gentleman."

At that point, Mr. Muraki pulled out a pamphlet, pointed at his name and picture, and said he could answer any questions.

Thus began a flurry of conversations on culture, exchanged by means of gesturing, paper table cloth drawings, meagre English and some translation.

One similarity was brought out when Sadayoshi Kumagai gave his business card to several people. The front of the card showed a landscape view of Lake Biwa's very blue water and its surrounding green mountainous area taken from his hometown, Nishiazai, in northern Shiga.

Naturally, the question of industrial pollution arose, and Mr. Kumagai stated that theirs was "very difficult to control."

Illustrating the lake on the table cloth, he explained that the southern portion of the

lake, particularly the western front, is industrial, and ridden with problems caused by factories.

Imazu is relatively close to the industrial borderline, as is The Farms on Lake St. Clair.

Many of the members of the group commented that The Farms is a quiet city, and expressed delight in seeing the contrast between the blue of Lake St. Clair and the green of the park.

The reason for their amazement became evident with the remark, "I like the way the houses are set into the trees." In Shiga, it is rare to have such a blend; a definite distinction exists between city and country there.

Mr. Nakata explained that he was most interested in the police and fire departments because Imazu, a population of 5,000, does not have local departments.

In Shiga, only the large cities have their own police and fire departments. The smaller cities are serviced by state departments.

In talking to Hitomi Nishikawa, Mrs. Hyama discovered that the girl was very surprised to see so many young people in the United States living on their own, in apartments, before they were married.

Miss Nishikawa said that she wants to stay with her family as long as possible.

Several added that they had enjoyed their trip to the United States very much and would like to return, but that finances were a difficulty.

The Goodwill Mission program in Japan is government-oriented and government personnel are given first chance to go on the trip. The government pays 60 percent, the individual city pays 20 percent, and the individual pays 20 percent.

In closing, Mr. Nakata said that others who had participated in previous years had related how beautiful The Farms was and how nice the people had been. He said he was going to stress that point upon his return.

Mr. Nakata expressed the hope that many from The Farms will come to Imazu sometime in the future.

Despite only an hour for lunch, photo buffs found time for numerous arrangements and rearrangements for their souvenir albums.

The Shiga group left to complete the last leg of their United States tour: a stop in Birmingham, San Francisco and Hawaii.

Burglar Pays Convent Visit

A burglar visited Saint Paul's Convent, 170 Grosse Pointe boulevard, sometime during the afternoon Thursday, September 19, and escaped with over \$600 in cash and goods.

Farms police received the report of the burglary at 3:41 p.m. Thursday, from a nun at the convent who said the break-in had occurred sometime after 12:30 p.m. that same day. She told police she returned to her room from the school building and found money she had left in a chest of drawers missing.

Upon checking other rooms in the building, she found desk and chest drawers had also been opened, police said. She reported to police that money in a cash box in the cafeteria had also been stolen.

About \$400 from the cafeteria was stolen, \$24 from the library and about \$170 from various nun's rooms, police said. Also taken was a tape recorder, according to police.

Farms detectives are continuing their investigation of the case.

Variances Get Council's Okay

Convening as a Board of Zoning Appeals at a regular meeting Monday, September 16, the City Council unanimously approved the request of Mr. and Mrs. Alexander Sucek to construct a single story, 11-by-eight-foot addition to the rear of their Notre Dame residence.

The couple tried to obtain permission to build a 25-by-14-foot addition at the August meeting but, in the opinion of City engineers, were asking for too extreme a variance and the solons were afraid that by granting the request they would set a dangerous precedent.

The two variances granted were reduction of the side yard requirement from eight feet to one foot and enlargement of a building that was already non-conforming due to its small side yard.

Two stipulations were made before the council gave final approval. A carport at the side of the home must be removed if the house is ever sold and U. Suceks must inform the City of the approximate cost of the project, since, by law, the price of such construction must not exceed 25 percent of the total value of the house.

Letters to the Editor

Dear Editor:
Last weekend saw the end of the eighth annual Tennis and Crumpets tournament for the benefit of Children's Hospital of Michigan. Larger and more successful than ever, it has grown to such

proportions that almost everyone in Grosse Pointe must have been involved and deserves our thanks.

There were 1,300 participants playing tennis on 198 courts. All club, municipal, school and almost all private courts were made available to us. Without the cooperation of all the residents of the Pointes, the city officials and employees, the club members and employees, the court liaisons and hostesses, the patrons and players, there could have been no tournament.

On behalf of Tennis and Crumpets, Inc., my superb committee and Children's Hospital — thank you all for your tremendous share in helping us toward fulfilling our pledge to the Cardiac Catheterization Center at Children's Hospital.

Sincerely,
Joann Chalat

Fiesta Folklorico To Appear Oct. 4

Mexican Company of Singers, Dancers and Musicians Will Open This Year's Lighter Side of Life Series at War Memorial

The National Dance Company of Mexico presents Fiesta Folklorico, first program in the Grosse Pointe War Memorial's 1974-75 Lighter Side of Life series on stage in Fries Theatre Friday evening, October 4.

The gala evening begins at the Lothrop road home of Henry C. Murray where complimentary cocktails will be served.

Guests park in the War Memorial's lot where charter buses will be waiting to take them to the Murray house and return them for a black tie dinner served in the Center's Crystal Ballroom at 7:30 o'clock.

Following dinner patrons will adjourn to the Theatre immediately below for the show, featuring 50 colorfully-costumed dancers, singers and musicians divided into Mariachi, Marimba and Jarocha bands.

Fiesta Folklorico is under the direction of Silvia Lozano, whose family has produced great actors, directors and singers — and now a dancer-director.

A graduate of the Mexican National Institute of Fine Arts and the San Carlos Academy, she organized the National Company in collaboration with Jorge Escoto.

The program will feature Dance of Michoacan, (Tarascan Wedding), Dance of Oaxaca, Dance of Sonora, Dance of Jalisco, Dance of Yucatan and Dance of Chiapas as well as the Pueblan and Fiesta In Veracruz.

The Company has toured 45 principle cities of Europe to rave notices.

The Lighter Side series continues Friday, November 29, with cocktails at the Grosse Pointe Yacht Club, dinner in the Crystal Ballroom and a show featuring the Serendipity Singers.

Jerry Murad's Harmonicats bring the season to a close February 7 after cocktails at the Hunt Club and a final black tie dinner.

Season tickets including three cocktail parties, three dinners and three shows are offered at \$80, tax, service, parking and shuttle bus transfers included. Reservations are being taken now at the Center's office.

The Joseph P. Shocks

In Saint Clare de Montefalco Church Friday evening, August 9, DOROTHY HELENE BIST, daughter of Mr. and Mrs. Anthony Bist, of South Rosedale court, and Mr. Shock, son of Mr. and Mrs. Nicholas Shock, of Three Mile drive, were married.

White and Blue Flowers Decorate Limousine in Which Newlyweds are Driven to Gourmet House Reception Following Evening Rites

Mr. and Mrs. Joseph Paul Shock who vacationed in Toronto for a week following their wedding Friday evening, August 9, in Saint Clare de Montefalco Church, are at home in St. Clair Shores.

Mrs. Shock is the former Dorothy Helene Bist, daughter of the Anthony Bist, of South Rosedale court. Mr. Shock is the son of the Nicholas Shocks, of Three Mile drive.

They carried lime green and powder blue daisies with white baby's-breath and wore wreaths of powder blue baby's-breath in their hair. Dressed in a baby doll gown of blue crepe overlaid with white ribboned lace was flower girl Renee Rypshinski.

The newlyweds were driven to a reception at the Gourmet House following their 7 o'clock rites in a black limousine decorated with white and blue flowers.

Lace appliques and beading accented the bride's silk organza gown. Scalloped lace rimmed her V-neck. A Juliet cap caught her long illusion veil edged with Belgian lace, and she carried an arrangement of white carnations and baby's-breath with scattered powder blue daisies and streamers.

In high-necked frocks of powder blue Giana with matching Eisenhower jackets were honor maid Chari Rocheleau and bridesmaids Chris Koerner, Toni Bufalino, Mrs. Terry Voyles and Anne Shock, the bride's sister.

The mother of the bride wore a turquoise and green print gown with a sheer jacket and sleeves. Her white orchid corsage was turquoise-tipped. The bridegroom's mother chose a long-sleeved mint green chiffon gown and a green-tipped white orchid.

Out-of-town guests included the bride's brother-in-law and sister Sergeant and Mrs. Kenneth J. Fowler, of Belton, Tex., the Harry Andersons, of Chicago, and the Robert Shannons, of Mentor, Ohio.

Pair Exchange Nuptial Vows

Grosse Pointe Memorial Church's Barbour Chapel was setting for the wedding of Kathy Groehn Cosseboom and Adel El-Messidi Saturday, September 14. The 2 o'clock rites at which Dr. Ray H. Kieley presided were followed by a reception at the Grosse Pointe Yacht Club.

The bride, daughter of Mrs. Thomas E. Groehn, of Lochmoor boulevard, and the late Mr. Groehn, was given in marriage by her "double uncle," (her father's brother married her mother's sister), Gilbert Groehn, of Bedford road.

She wore an ivory chiffon gown with an embroidered bolero jacket and carried a nosegay of ivory and pale blue silk and dried flowers. She was attended by her

sister Mrs. James Eckel as honor matron and bridesmaid Mrs. Roger Waindle, of Franklin, Mass. Their long frocks of apricot crepe featured matching bolero jackets. Multi-colored pastel dried flowers formed their nosegays.

Mohammed El-Messidi came from Cairo to serve as his brother's best man. They are the sons of El-Sayed El-Messidi, of Hassan Mohammed City, Pyramids, Giza, Cairo, Egypt, and the late Mrs. El-Messidi.

Osama El-Messidi, another brother of the bridegroom, currently pursuing graduate studies in Civil Engineering at the University of Oklahoma, ushered.

Mrs. Groehn chose a long-skirted modified shirtwaist of muted autumn gold French jersey for her daughter's wedding. She pinned an ivory cabbage rose to the sash at her waist.

Middle Eastern food was served at the rehearsal dinner at the bride's home. German music at the reception was provided by Eric of Berlin.

The newlyweds have returned to Oklahoma where the bride is continuing her studies for a Ph.D. in American History at the University of Oklahoma, doing research and teaching. The bridegroom has just completed his Ph.D. in Petroleum Engineering, Secondary Recovery, at the University of Oklahoma.

Chi Omega Alumnae Start Season Oct. 2

The Detroit Alumnae of Chi Omega begin their fall season with a dinner meeting next Wednesday, October 2, at 6:30 o'clock at the Roslyn road home of Mrs. Donald Marshall. Program highlight will be a report by Mrs. William Poirer, of Radnor circle, on Chi Omega's recent five-day convention at the Greenbriar in West Virginia.

Any local alumna not currently affiliated with a group is cordially invited to attend. Reservations may be made by calling 864-2536.

League Hears Joyce Garrett

Ms. Joyce Garrett, executive director of the Detroit Bicentennial Commission, spoke to the Junior League of Detroit at its September 23 meeting, outlining Detroit's Bicentennial plans and opportunities for volunteers to participate by helping the Commission with events and projects.

The Commission welcomes support from individuals as well as community groups and businesses.

The Junior League of De-

troit, along with the Junior League of Birmingham, is currently supporting the need for an overall renovation plan for Belle Isle, which will be one of the highlighted areas in the Bicentennial celebration.

Each League has pledged \$15,000 towards the cost of a plan done by a well-known planning consultant, and has been working with the Friends of Belle Isle to choose the planner and promote interest in the Island's renovation.

Slowik-Vanderhoef Vows Exchanged

William Vanderhoef Gives His Sister in Marriage; Pair Are at Home in Detroit after Pompano Beach Vacation

A reception at Lochmoor Club followed the wedding of Janet Kay Vanderhoef and Christopher Allen Slowik Saturday evening, July 21, in First English Evangelical Lutheran Church.

The newlyweds who vacationed at Pompano Beach, Fla., are at home in Edmore drive, Detroit. The bride, daughter of Mrs. William H. Vanderhoef, of Blairmoor court, and the late Mr. Vanderhoef, was given in marriage by her brother William Vanderhoef. She chose a white silk organza gown, its tucked yoke accented with re-embroidered lace and seed pearls, for the 6:30 o'clock rites at which The Reverend Paul F. Kessler presided.

Matching lace accented her full bishop sleeves and train and a lace and pearl cap caught her long silk illusion veil. She carried white Sweetheart roses with baby's-breath.

Carrying round bouquets of yellow and white daisy pom-poms bordered in ferns were honor maid Billie Jean Lutz and bridesmaids Julie Reed, cousin of the bride, Mary Gretchen Albrecht and Mrs. Daniel Grahl, the bridegroom's sister.

Their yellow jersey frocks featured gathered yokes, cut-in sleeves and full A-line skirts. They wore matching fitted bolero jackets.

The bridegroom, son of Mr. and Mrs. Walter Slowik, of Stanhope avenue, asked William Nimz to act as best man. Ushering were Lawrence Slowik, of Pensacola, Fla., brother of the bridegroom, Gerald Rochinski, their cousin, and Mr. Grahl. The mother of the bride wore a long gown of mint green silk linen, sleeveless and Empire-waisted, with a matching short jacket of re-embroidered lace. The bridegroom's mother's long aqua chiffon gown featured a ruffled V-neck and long sleeves. Aqua satin accented her Empire waist.

Both mothers chose white orchid wrist corsages.

Married Saturday, July 27, in First English Evangelical Lutheran Church to Mr. Slowik, son of the Walter Slowicks, of Stanhope avenue, was JANET KAY VANDERHOEF, daughter of Mrs. William H. Vanderhoef, of Blairmoor court, and the late Mr. Vanderhoef.

Celebrity Night for Marygrove

Mrs. Thomas K. Fisher, patron chairman for the third annual Marygrove Celebrity Night fund-raiser scheduled for Friday, November 15, at Ford Auditorium, gathered members of her committee together last Thursday, September 19, at her Cameron place home for a working session and luncheon on her lakeside terrace.

Pointers present included Mrs. Gerard Slattery, Mrs. Emmet Tracy, Mrs. John C. Griffin, Mrs. Eugene Freitas, Mrs. James Lemhagen and Mrs. Joseph J. Marshall.

Other Pointers on the committee who couldn't make the meeting are Mrs. Charles T. Fisher, Jr., Mrs. Navarre Bennett and Mrs. William P. Clark.

Mrs. Robert Lund, Mrs. Frank R. Gerbig, Jr., Mrs. William P. Cooney, Mrs. Robert Storen and Mrs. William A. Compton came from Birmingham, Mrs. Jerome J. Fellrath from Dearborn.

The 1974 Celebrity Night, a project of the President's Council of Marygrove College, will feature Pearl Bai-

ley and Jud Strunk, humorist, lyricist and composer.

Last year's standing-room benefit, starring Robert Goulet and Joe Garagiola raised \$43,000 for the College.

This year's show will be preceded by a subscription dinner at the Detroit Athletic Club and followed by a Meet the Stars afterglow in Ford Auditorium.

Mr. and Mrs. John F. Noonan and Mr. and Mrs. Joseph G. Juett are general co-chairmen. Honorary chairmen are Mr. and Mrs. John Z. DeLorean.

Two Champagne Previews

It seems to be shaping up as a Champagne Fall in The Pointe this year... "From These Hands," an exhibit and sale of professional crafts benefiting the University Liggett Foreign Exchange Program, debuts Thursday evening, October 10, in the School's Cook road campus gymnasium with a 6 to 10 o'clock Champagne Preview.

It's open to the public, it's \$5 per person, and Dottie (Mrs. Richard P.) Doerer and Betsy (Mrs. George E.) Bushnell, next week's "Pointers Of Interest," tell all about it in the NEWS' October 3 issue.

Soroptimist International of Grosse Pointe will introduce its 1974 Rummage Sale at a Champagne Preview next Thursday, October 3. This is an admission-by-invitation-only evening. The Sale itself is open to the public, of course, and will run from 4 until 8 o'clock Friday, October 4, at Veterans' Hall in Mack avenue, (near Hollywood).

Florence Riley, chairman of Ways and Means for the Pointe Soroptimists, is in charge of the project. Her committee members include Helen Boyd, Kathryn Gannon, Anne McClenahan, Olive Niemeyer, Veronica Magielski and Jean Hawley — and, unofficially, every Club member, for the whole group is involved in this really big fund-raiser of the Soroptimist year.

Cause for Celebration

The dots were punched on every page; The proof was read; some nerves were frayed; The notes and words are all in place.

Oh, happy day! Let's celebrate! ... And celebrate they did, and they certainly had reason to, when hostess — and poetess — Mrs. Elmo Joseph, of Neff road, entertained her Grosse Pointe Braille Club co-workers at brunch earlier this month.

Occasion was the completion and acceptance by the Library of Congress of the 10-volume "Making Music Your Own" music appreciation textbook, Teacher's Edition, Volume VII, (music, songs and study text).

Celebrators were Elvera Partington, Kay Myers, Thelma Dikeman, Patricia Huegli, Betty Potter, Jean Corbett, Charlotte McClellan, Marie Millett and Grace Marie Huetteman.

And NATURALLY the place-cards, held by small silver shells, were in braille...

The ladies enjoyed their patting-each-other-on-the-back interlude and now they're all at work again on new assignments.

Miss Meathe Bride Of Timothy Mertz

Pair Will Return from Hilton Head Vacation to Make Home in St. Clair Shores; Evening Rites Are Followed by GPYC Reception

Setting for the wedding of Mary Christine Meathe and Timothy R. Mertz Friday evening, September 20, was Saint Paul's-on-the-Lakeshore. Fathers Joseph Hartman, James Cronk and Thomas Sheets presided at the 6:30 o'clock rites.

After a reception at the Grosse Pointe Yacht Club the newlyweds left to vacation at Hilton Head, S.C. They will return to make their home in St. Clair Shores.

The bride, daughter of Mr. and Mrs. Philip J. Meathe, of Grosse Pointe boulevard, chose an ivory silk satin gown. Vertical French silk piping detailed her bodice, sleeves and cathedral train. Her yoke was fashioned of re-embroidered Alencon lace.

She wore a matching lace mantilla and carried an ar-

rangement of stephanotis, orchids and trailing ivy.

Honor attendants Susan Tusa and Kathleen Messacar and bridesmaids Rebecca Mertz, of Cleveland, the bridegroom's sister, Carol Meathe, sister of the bride, Blair Berendsohn, of Washington, D.C., and Janet Riley, who came from Spain for the ceremony, wore champagne silk jersey frocks styled with draped cummerbunds.

Their Juliet caps were fashioned of matching shirred jersey. They carried bouquets of bittersweet and wheat.

Phase I Plans Talk and Trip

Ron Harmon will speak on the subject of Transactional Analysis at a meeting of Phase I, an all-singles group, at 7:30 o'clock Sunday, September 29, at Grosse Pointe Memorial Church.

Singles between the ages of 20 and 40 are invited to attend. A social hour will follow the program.

A trip to Stratford, Ont., is planned by Phase I for this Friday, September 27, through Sunday, September 29. Further details and reservations may be obtained by calling 526-5281.

Phase I meets every Sunday night at Memorial Church. Additional information on the group's activities may be obtained by contacting Gust Jahnke at 882-5330.

The bridegroom, son of Mr. and Mrs. Robert J. Mertz, of Defiance, O., asked Michael Nolan, of Defiance, to act as best man.

In the usher corps were Michael Nienstedt, Gary Powell and William Steffan, of Defiance, James and Larry Meathe, the bride's brothers, Eric Mertz, the bridegroom's brother, and Tom Noll, of Dallas, Tex.

The bride's mother wore a chocolate silk organza gown featuring soft ruffles at her sleeves, side drape and the hem of her skirt. The bridegroom's mother chose a pale green silk jersey gown with a matching long-sleeved jacket and jeweled neckline. Both mothers selected pale green cymbidium orchid corsages.

Mr. Millenbach Claims Bride

Edward David Millenbach, son of Mr. and Mrs. Mathew K. Millenbach, of Three Mile drive, claimed Patricia Elizabeth Greenmiller, daughter of the Frank Greenmiller, of Edmuntown drive, St. Clair Shores, as his bride Friday evening, September 13, in Saint Joan of Arc Church.

The bride's Empire gown of embroidered cotton eyelet was fashioned with puffed sleeves trimmed with self-covered buttons. She wore a lace-trimmed fingertip illusion veil and carried white rosebuds.

In floor length frocks of pink and blue flowered voile, carrying pink carnations, were honor attendant Kathleen Karlson and bridesmaid Cheryl Withers.

Thomas Millenbach acted as his brother's best man. David Aluia, of Plymouth, ushered.

Mrs. Greenmiller chose a long, multi-colored floral print jersey gown for her daughter's wedding. The bridegroom's mother wore an aqua crepe pajama outfit with feathered wrists.

After a reception at Lakeland Manor the newlyweds left to vacation in Michigan's upper peninsula.

Year Begins Saturday For Alpha Omicron Pi

The Detroit Chapter of Alpha Omicron Pi will begin the year's activities with a wine-tasting party this Saturday, September 28, at the Fairholme road home of Mr. and Mrs. Louis Neuder.

Members, their husbands and guest couples gather at 8 o'clock to welcome Bill Damouth, president of the American Wine Society, who will select and present the vintages.

Among those who've already made reservations are the Watsons, the Williams, the Wilsons and the Martin Hawleys. Interested AOPi's may call Mrs. Neuder at 884-7288 for further information.

Mrs. Timothy Mertz

MARY CHRISTINE MEATHE, daughter of the Philip J. Meathes, of Grosse Pointe boulevard, was married to Mr. Mertz, son of Mr. and Mrs. Robert J. Mertz, of Defiance, O., Friday, September 20, in Saint Paul's-on-the-Lakeshore.

GPYC to Host Art Afternoon

The Grosse Pointe Yacht Club has invited members of Lochmoor and the Grosse Pointe Hunt Club to participate in a "Meet the Artists" Art Festival this Sunday, September 29. Mrs. Earl D. Thompson chairs the 4 to 8 o'clock exhibit.

Participating artists include Patricia Burnett who'll be showing portraits and table top bronze sculpture, Fritz Mayhew whose specialties are barns, fields and watercolors, Pat Mayhew who does large floral acrylics and William Slocum who concentrates on freighters, hunt scenes and seascapes.

The Pointe's own Virginia Thibodeau will be showing her children's portraits and florals and Joseph Maniscalco, who teaches at the War Memorial, will be displaying his portraits.

Exhibiting too will be Sister Kuine Matsuzaki, noted for her delicate watercolors, L. Biro who works in fiber-glass, Ingrid Hafer, watercolors, John Gable, seascapes, Jim Fekette, large modern canvases, Howard Nordlund, impressionistic oils, and Bill Johnson, oils.

Burtha Fisher Reception Set

Pointe members of the Saint Joseph Auxiliary to the Little Sisters of the Poor are busy arranging their annual Burtha Fisher Open House scheduled for Sunday, October 6, from 2 until 5 o'clock.

Mrs. Francis (Jeri) Crowley, in charge of the tea table, is being assisted by Mrs. John (Sally) Cook and Mrs. William (Marybelle) Gough.

Supplementing the booths and entertainment for grown-ups will be a Children's Room with games and refreshments.

Mrs. W. E. Stickle is general chairman of the day. Mrs. Joseph Tucker is president of the Auxiliary.

Many Auxiliary members traditionally serve as Open House hostesses, showing interested visitors around the Home where the Little Sisters care for the aged poor in a community-like atmosphere.

Among booths planned are a Country Store, a Wine Shoppe and Attic Treasures featuring Antiques and Collectibles.

Faculty Wives Hold Reception

Grosse Pointe Faculty Wives gathered for their annual fall reception last Tuesday, September 24, at Lochmoor Club at 8 o'clock.

Joining Mrs. James Adams, wife of Grosse Pointe's Superintendent of Schools, in the receiving line were Faculty Wives' new officers including Mrs. Paul Pierron, president, Mrs. James Selmo, vice-president, Mrs. Donald Dungan, secretary, and Mrs. Charles Hitch, treasurer.

Entertainment was provided by Len Ricinto, director of Vocal Music at South High School.

After a short business session and the introduction of new wives, the year's coming events were detailed by chairmen of each activity.

In charge of the Card Group which meets once a month are Mrs. Roger McCaig, bridge, and Mrs. Ernest Hurst, pinocle.

Co-chairman of Ideas Unlimited are Mrs. Robert Shover and Mrs. Frank Ford.

Other projects are Fun Night, Mrs. Jack Harrigan and Mrs. Willis Brown chairmen; Children's Christmas Party, Mrs. Herbert Ladd and Mrs. James Hunt chairmen; dinner-dance, Mrs. Curtis Lange and Mrs. Harlan Minor chairmen; and spring luncheon, Mrs. Maynard Leigh and Mrs. Douglas

Schubert chairmen. Nominating committee chairman is Mrs. Russell Heppner. Scholarship chairman is Mrs. Leslie Reames. Mrs. Carl Lord is in charge of publicity.

The reception dessert and entertainment were planned around a fall theme by hostesses Mrs. Thomas Buyze, chairman, Mrs. William Arbaugh, Mrs. Paul Jablonski, Mrs. Pierron, Mrs. Joseph Devine, Mrs. William Taylor, Mrs. Edwin Wendt and Mrs. Joseph Spagnoli.

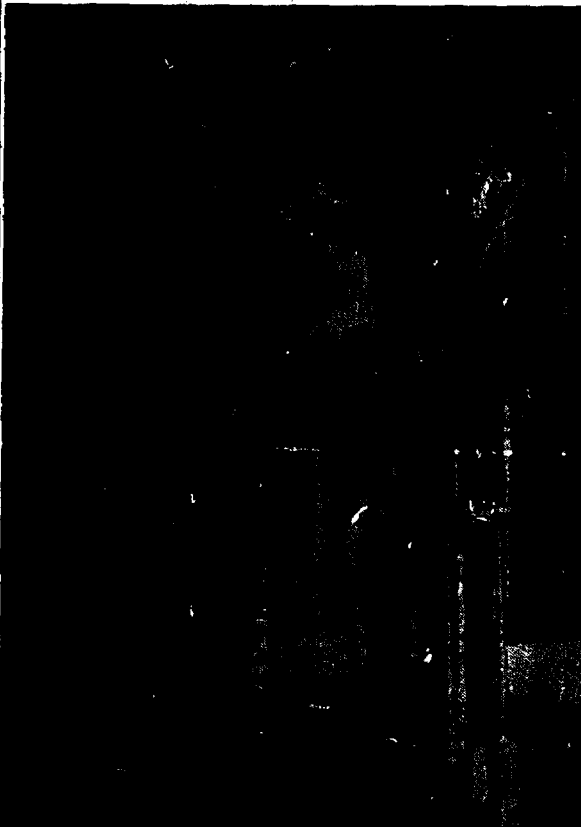

Wild Plant Cooking Talk Is Scheduled

The second in a series of Detroit Garden Center-sponsored contemporary horticulture talks at the Moross House in East Jefferson avenue is scheduled for Monday morning, September 30, at 10:30 o'clock.

Mrs. V. E. Smith will come from the Cranbrook Institute of Science to discuss Cooking with Wild Plants.

Susan Smith's interest in gathering and cooking wild plants available to everyone began when she moved to Cranbrook where her husband is coordinator of Lake Research. She has learned to recognize and prepare many varieties and will share her knowledge with the public at this free program.

Mrs. Kenneth Perlin

Marriage vows were spoken in Our Lady Star of the Sea Church Friday evening, September 6, by PATRICIA LYNN FARRAR, daughter of the Charles H. Farrars, of Stratton place court, and Mr. Perlin, son of the Oren W. Perlins, of St. Clair Shores.

Evening Wedding For Patricia Farrar

Kenneth Robert Perlins Will Reside in East Lansing While He Continues Studies at Michigan State University

Setting for the evening wedding of Patricia Lynn Farrar, daughter of Mr. and Mrs. Charles H. Farrar, of Stratton place court, and Kenneth Robert Perlin, son of Mr. and Mrs. Oren W. Perlin, of St. Clair Shores, was Our Lady Star of the Sea Church.

The Reverend Henctor Saulino presided at the 6:30 o'clock rites Friday, September 6.

After a reception at Lochmoor Club the newlyweds left to vacation in Florida. They will reside in East Lansing while the bridegroom continues his studies at Michigan State University.

All members of both families participated in the ceremony for which the bride chose a gown fashioned with a Venetian lace Empire bodice, belled sleeves ending in fitted cuffs and a full dotted swiss skirt ending in a ruffled hem.

A lace Juliet cap caught her illusion veil. Her pink and white bouquet featured Sweetheart roses, baby's-breath and cascading stephanotis.

She was attended by her sister Mrs. Thomas F. Meier as honor matron and bridesmaids Karen Farrar, another sister, Janet Perlin and Mrs. Michael Decker, the bridegroom's sisters, and Sandy Tilton.

Their pink dotted swiss frocks were Empire-waisted. Ruffles trimmed their collars, the cuffs of their long, fitted sleeves and their hemlines.

They wore pink picture hats and carried baskets filled with pink Sweetheart roses, white baby's-breath and stephanotis.

Michael Perlin was best man for his brother. Ushering were Larry Perlin, another brother, Gary and Tim

Farrar, the bride's brothers, and Joe Palamara.

They wore charcoal grey Prince Edward Tuxedos with pink ruffled shirts. The bridegroom's white ruffled shirt was trimmed in black.

Cathleen and Chip Farrar, the bride's sister and brother, were flower girl and ring bearer.

Tiny pink and blue flowers

and sequins accented the bride's mother's long white gown. Her wrist corsage was a miniature pink orchid surrounded by pink Sweetheart roses.

The bridegroom's mother selected a long blue and green print chiffon and a yellow miniature orchid surrounded by yellow Sweetheart roses.

'Marius' Opens Alliance Films

Rene Robert, 1974-75 film chairman for the Grosse Pointe Alliance Francaise, has announced that the group will present the celebrated French film "Marius" in University Liggett School's Auditorium this Sunday, September 29, at 2:30 o'clock.

"Marius," written and produced by Marcel Pagnol and directed by Alexander Korda, has been called a monumental achievement. It is a slice of life story combining comedy, drama and romance. Many scenes were shot on

location in Marseille. "Marius" is part of the famous "Trilogie de Pagnol" which also includes "Cecile" and "Fanny".

Mr. Robert, the Alliance's film chairman, was born in Chateau-Thierry, France. He was graduated from Saint-Cyr, the French military academy. While an officer in the French army he reviewed movies for the troops.

A 15-year resident of the States and a graduate of the University of Detroit, he now lives in Lakepointe avenue and is an engineer with Ford Motor Company.

Preceding the film showing Grosse Pointe Alliance member Pierre Biarnes will give a brief talk on the Theatre of Pagnol.

Mr. Biarnes, born in Paris, holds a Masters degree in French Literature from the University of Michigan and is a designer with William Demler and Company. The lecture will be in English, the film in French with English subtitles. There is no admission charge for Grosse Pointe Alliance members.

Members of Louise St. Clair Chapter Daughters of the American Revolution currently combining their first fall meeting with attendance at the 74th annual state conference of the Michigan Society DAR in Flint are Mrs. B. Thomas Weyhing, III, Mrs. Richard J. Martin, Jr., Mrs. George F. Ryckman, Mrs. Edgar Hahn, Mrs. Robert O. Artnier, Mrs. Norman L. Parker, Mrs. Cornelia G. Egan and Mrs. Arthur H. Bacon.

Mrs. James D. Eastin, state regent, is the presiding officer.

Representative Robert J. Huber spoke at the Defense Luncheon yesterday, September 25. Mr. Huber, elected to the 83rd Congress in 1972, serves on the House Education and Labor committees and Veterans Affairs committee.

DAR 50-year members from all over the state are being honored.

Mrs. George F. Ryckman, senior state president of Children of the American Revolution, will make a speech for the DAR.

Miss Cordier Wed To Arthur Kirby, III

Morning Ceremony Is Followed by Reception at Grosse Pointe War Memorial; Cluny Lace Accents Bridal Gown

At home in Royal Oak are Mr. and Mrs. Arthur Lee Kirby, III, who vacationed in northern Canada and the Eastern States following their wedding Saturday, June 29, in Grosse Pointe United Methodist Church.

The 11 o'clock rites at which The Reverend Perry Thomas presided were followed by a reception at the Grosse Pointe War Memorial.

For her morning wedding the former Elizabeth Cordier, daughter of Mr. and Mrs. Carl Cordier, of Moross road, chose a white organza gown panelled with Cluny lace.

Matching lace trimmed her long Camelot sleeves and stand-up collar and a lace-embellished headpiece caught her illusion veil. She carried an arrangement of pink Sweetheart roses, white baby carnations, purple statice, baby's-breath and greens.

In blue and white checked gingham frocks with white organza sleeves and bodices

Miss Meli Speaks Vows August 25

Newlywed Anthony Lapianas, Jr., Cruise to Naples and Vacation in Rome before Returning to Make Their Home in Fraser

Phyllis Antoinette Meli, wearing her mother's wedding gown of ivory satin hand-beaded with seed pearls and her mother's veil with its headpiece of Rosepoint lace, spoke her marriage vows to Anthony Lapiana, Jr., Sunday evening, August 25.

The Honorable Gus Cifelli of Oakland County presided at the 6 o'clock rites at Raleigh House where a reception followed the ceremony.

The bride is the daughter of Mr. and Mrs. Vincent A. Meli, of Pear Tree lane, the bridegroom the son of Mr. and Mrs. Anthony Lapianas, of Chicago.

White gardenias and baby's-breath formed the bride's bouquet while the bride's attendants, Carmen Meli, who served as her sister's honor maid, and bridesmaids Valdonna Lapianas, the bridegroom's sister, and Antonia Bufalino, the bride's cousin, carried arrangements of gardenias with yellow and orange Sweetheart roses.

Their silk jersey frocks were floral-printed in yellow and orange on white. Anthony Borsellino came

SELLING YOUR HOME?
There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five homes, simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

Oktoberfest For Newcomers

To celebrate another excellent crop of Newcomer members the Newcomers Club of Grosse Pointe is making final plans for an Oktoberfest Saturday, October 5.

The evening begins at 6:30 o'clock with cocktails and hors d'oeuvres served in various members' homes, then will progress to a surprise location where partygoers will enjoy true German cuisine including sauerbraten, sausage and sauerkraut, German potato salad and German chocolate cake—and, of course, all the German beer they can drink.

An authentic German Band will play for singing and dancing.

Planning the fest are Mr. and Mrs. John Horton, chairmen, Dr. and Mrs. Richard Cherry, Mr. and Mrs. Arthur Hessburg, Mr. and Mrs. Peter Holman, Mr. and Mrs. Larry Lopez, Mr. and Mrs. Charles Meyer, Mr. and Mrs. Tom Nabs and Mr. and Mrs. Tom Sieber. Also opening their home for the party are Mr. and Mrs. Dan Holland.

Couples who have recently moved to the Grosse Pointe area from outside Detroit are eligible for Newcomers membership. Interested persons may contact the Club membership chairmen at 885-3705 or 886-7871 for further information.

Hartkop-Davis Rites Celebrated Sept. 7

Newlyweds Are at Home in East Lansing Where He Is Working Toward a Dual Masters Degree While Teaching in the Medical School

Rogers City's Westminster Presbyterian Church was setting for the Saturday, September 7, ceremony at which Thomas Hartkop, son of Mrs. Henry H. Hartkop, of South Oxford road, and the late Dr. Hartkop, claimed Michele Anita Davis as his bride.

The 1 o'clock rites at which The Reverend Frederick Steen presided were followed by a reception at the Rogers City home of her parents Mr. and Mrs. Robert N. Davis.

After a Canadian vacation the newlyweds are at home in East Lansing where he is working on a dual Masters degree in neuro anatomy and neuro pathology under Dr. Margaret Jones at Michigan State University while teaching both subjects in the Medical School.

The bride, an MSU Medical Technology graduate, selected a white silk princess gown, lace-trimmed and fashioned with a scoop neck and short,

puffed sleeves, for her early afternoon wedding. A Camelot headpiece caught her silk illusion veil. She carried an elongated cascade of daisies, lavender mums and purple statice intertwined with ivy.

She was attended by her sister Suzanne Davis as maid of honor and the bridegroom's sisters Elizabeth Ruth Hartkop as bridesmaid and Catherine Ann Hartkop as junior bridesmaid.

Their puff-sleeved, scoop-necked green frocks were similar in style to the bridal gown. They wore floral caps of white mums, statice and ivy matching their bouquets. Best man was Edward Johnson, Stephen H. Hartkop,

brother of the bridegroom, ushered and Daniel C. Davis, the bride's brother, was junior groomsman.

Special wedding music was played and sung by Jeffrey W. Hartkop, another brother of the bridegroom, who also ushered, Donald Tapert and Mr. Johnson, the best man.

The mother of the bride wore a beige street length gown, the bridegroom's mother a gown of navy re-embroidered lace. The bridegroom's grandmother, Mrs. K. T. Craig, selected a navy and pearl gown. Pink roses and white carnations formed their corsages.

ESCAPE FROM THE ORDINARY

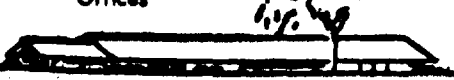

Liveability is coupled with elegance in this spacious Colonial. Accommodations include four large family bedrooms — all with baths, a 30' living room, big library, 2 first floor fireplaces, a guest-size dining room, great kitchen with pantry and breakfast room and additional bedrooms and bath on the third floor.

Not just a home, but a way of life for the family with a flair for entertaining and enthusiasm for outdoor activities. The large in-ground pool and greenhouse overlook more than an acre of lush sprinklered grounds — and plenty of room for a tennis court, too!

Call today for details on this or any of our other fine offerings.

Ride out the gasoline problem in luxury.

Today's rising gasoline prices needn't drive you to distraction. Or even to an economy car. Look what you get from the 1974 Audi 100LS. An interior like the Mercedes 280. About the same legroom and headroom as the Rolls-Royce Silver Shadow. More trunk space than a Continental Mark IV. Front-wheel drive like the Cadillac Eldorado. And 24 miles to the gallon.* Today or any day, that's luxury.

A lot of cars for the money.
A lot of miles to the gallon.

A paneled library for the executive of the house and a comfortable family room for the entire family are desirable pluses which complement the formal living and dining rooms. This well constructed home also features a roomy, modern kitchen, large double bedroom closets, attached two car garage with an automatic door opener, central air conditioning and paneled recreation room complete with wet bar. An outstanding value which is a delight to see and a pleasure to own.

ON ONE OF THE GREAT streets in the Farms we want to show you this larger colonial with four family bedrooms, and three baths on the second floor. Off the kitchen is a maid's room with another bath. With formal living room and dining room, this house also has places in which to entertain or escape. There is a large library with fireplace. There is a family room with fireplace. We can even offer a brick floor, glassed in and heated garden room. The magnificently landscaped yard boasts a swimming pool. Come to 100 Lothrop and Marty Owens will help you take the plunge.

BY APPOINTMENT PLEASE

LARGE, THREE BEDROOM ranch in excellent location. This property in addition to a full dining room has a family room, one and one-half baths, central air conditioning and a fenced yard providing great privacy. The price is \$53,000 and the occupancy is immediate.

A SPACIOUS FOUR BEDROOM colonial in the City of Grosse Pointe, just a short walk to Village shopping. First floor plan has good traffic pattern with "flow" between the living room, family room and dining room. There is also a paneled den with access to the large entrance hall. The garage is attached and the backyard is dominated by a heated swimming pool, with a hydraulically operated cover.

OUR HOME AT 40 MOROSS is located a block off Lakeshore near Grosse Pointe Boulevard. This single story, two bedroom house is perfect for a single person or couple. The garage is attached and backyard is large enough for a tennis court.

FOR THE FAMILY THAT THOUGHT they had everything. This French country house begins with a beautiful Farms setting. Inside are four family bedrooms plus two more bedrooms over the attached garage. Both interior and exterior details are exquisite, and the hardware and slate roof was removed from one of the Pointe's fine mansions.

ONE OF THE MOST beautiful designed and best constructed homes in the Windmill Pointe area. All the rooms are oversized and the home is maintained in excellent condition. There are many extras in this four bedroom two and one half bath home. The extremely large foyer, high ceilings, large rooms, make this a comfortable, spacious home.

DOESN'T SOUND LIKE Grosse Pointe, however this mini estate is in the heart of the Farms and tucked away at the end of a private drive. The acre plus lot is densely wooded with enough room for tennis court and pool. Designed by Girard and Yamasaki, this contemporary home "opens up" to the outdoors, yet is completely private. There are four bedrooms and four baths in the owner's wing. Two more bedrooms and another bath are in the service wing. Living here you'll enjoy the best of two worlds . . . both inside and out.

JUST A FEW FEET FROM Lakeshore Drive is this Georgian Colonial with five bedrooms and four bathrooms. Entering into a gracious two-story foyer with circular staircase is a fine beginning. To complement the well proportioned living room and dining room is a library with fireplace, family room and garden room. Centrally air conditioned and first class in all departments.

Advance Notice . . . The entire Posh Collection for Holiday and Resort will be informally modeled at Walton-Pierce, Somerset Mall, October 30th and Walton-Pierce, Grosse Pointe October 31st and November 1st. The Walton-Pierce buyers saw the collection in New York two weeks ago and it is great. As you know, the fabrics, prints and solid color combinations are always beautiful. Having a show does give the customer a chance to either buy from stock on hand or choose her own color combinations and style modifications, such as adding sleeves or changing a neckline. Customers have been asking when The Posh Collection was coming. It was a smashing success last year. Be sure to put the dates on your fashion calendar. We will be reminding you of the show again next month.

Relax And Be Pampered . . . at The Jefferson Apartments, Grosse Pointe's newest condominium. A doorman parks your car, receives your packages and stores your groceries in a special refrigerator if you are not home. There's no need to arrange snow removal, gardening or exterior maintenance. Maximum insulation insures a quiet environment. Your icemaker and wet bar are ready for entertaining. Plan a trip. Three security systems will guard your apartment-home. Visit the model apartment, 17111 E. Jefferson. Enter on Neff or St. Clair. Open 12-5 daily except Wednesday. 882-7708 or 886-4680.

BE GLAMOROUS — IMPROVE ON NATURE . . . At the Edward Nepe Salon they will add eyelashes one-by-one, as few or as many as desired for the more natural look — they last and last. Call 884-8858 for an appointment.

Now you can afford the week end in Florida . . . that you couldn't last week. The reason is a new Thursday to Sunday fare. Call us and start packing . . . 883-9500.

DR. NOLA HUSE TUTAG, OF RADNOR CIRCLE

By Roger Alexander Waha
It was back in 1960 during a college night at a Detroit area high school that I first had the pleasure of meeting Dr. Nola Tutag, affectionately known as "Curl" by her friends and associates, who, as an advisor at Monteth College, Wayne State University, warmly greeted prospective students while standing outside a classroom door.

To this day, I don't know if it was the charming, pert New Zealander who sold me on the then experimental small college or the Monteth program, itself. It was probably a combination of both, although I venture to say the edge would go to Dr. Tutag. As a result, I selected Monteth and was a member of the college's second graduating class in 1964. During my career there, I had the opportunity of visiting Dr. Tutag, whose door is always open to students, on many occasions. That aspect of life at Monteth hasn't changed over the years nor has her warm, gracious personality.

Important Part
A woman of many talents and interests, Monteth College has been and still is an important part of her life. She has been a counselor at the school since its birth in 1939, thanks to a \$1,000,000 grant from the Ford Foundation. At the same time, Dr. Tutag is an adjunct professor in the Art History Department where she teaches a course titled "Art in the United States."

"Monteth College was founded by a group of professors who were concerned about the specialization of higher education in those days. They felt all people should have a good, basic background in education," she explains. One of the founders and the college's first dean was Woodburn O. Ross, of Kensington road.

The founders went to the Ford Foundation, also concerned over the specialization of higher education, and the Foundation agreed to fund its creation as a five-year experiment. "Monteth was the very first college to try the experiment of a limited small college on a large campus. Today, many universities have such colleges," states Dr. Tutag.

Splits Curriculum
This wasn't the only experimental aspect of Monteth, he "first of its kind which has been copied all over the United States." A student would take half his curriculum at the college and the other half within the larger university.

During his four years he would take the freshman socio-humanistic class, plus several courses in natural

TIMOTHY D. ALLARD, son of the D. WALTER ALLARDS, of Ridgmont road, husband of the former JEANNE BLOINK, daughter of the MARVIN J. BLOINKS, of Kensington road, and father of two sons, JASON and MATTHEW, was recently appointed assistant finance director of the City of Fairborn, O. He has completed the on-campus phase of the Master of Public Administration program at the University of Kansas and is a candidate for the M.P.A. degree in May of 1975.

all travels furthering her interest in art history.

"It makes teaching so much more fun for me and I hope for the students because I have seen and experienced what I'm talking about."

A "Tennis Nut"
She also has travelled quite extensively in the United States and has found trips sponsored by the Associates of the American Wing of the Detroit Institute of Arts and the Archives of American Art particularly rewarding—not only in visiting places of interest for her work, but also in meeting people with similar interests who have an "abiding love for their native or adopted land."

Dr. Tutag loves the game of tennis, too, for not every one gets up early in the morning and begins playing at 6:30 a.m. with other "tennis nuts." And other "tennis nuts" say Dr. Tutag, in the fact that "I played tennis before the craze came in."

While art history is the main focal point of her reading, she also likes biographies and mysteries. Dr. Tutag especially enjoys the works of Agatha Christie and Ngaio Marsh, a New Zealander, whom she calls a good, literate writer.

At Wayne, she is a member of the University Council, a faculty-student representative on the Board of Governors, a member of the Hilberry Classic Theatre Understudies and secretary of the campus chapter of Phi Beta Kappa, national honorary society.

She also is a member of Pi Lambda Theta, an educational honorary society for women, and the Wayne State Fund.

Hilberry Supporter
An extra special interest is the theatre and she has been an ardent supporter of the Hilberry Theatre since its inception in 1964.

"Students from all over the country attend the theatre on scholarship and are taught not only the craft of acting but all aspects of the theatre. Their productions are truly professional and anyone who has not seen one has missed a truly rewarding and delightful experience."

Travel by Hatcher . . . recommends one of the biggest cruise bargains. Due to the Cyprus situation, Royal Viking Line's all First Class cruise ships have been re-assigned to the Caribbean for a series of three one week special cruises, departing Ft. Lauderdale on Sundays, October 6, 13 or 20 . . . from a minimum of \$410 per person, double occupancy . . . This is approximately 20% lower than regular rates. Stop by 19822 Mack Avenue or call 882-2327 for reservations.

At The Quill . . . 20% OFF Christmas Cards until October 1 . . . 49 catalogs. THE QUILL (see our display ad.) Mack at Hampton next to Lechmoor Jewelers, Grosse Pointe Woods.

THE CUT-UPS promise the color and sunshine for your hair. Come in or call. 885-3240. Between Lincoln and Fisher on Mack — 18134.

From Another Pointe of View

Betty (Mrs. Lawson) Potter resumes her Braille Instruction Classes at the Main Branch Grosse Pointe Public Library in October. Her telephone number is 886-3226 — but if you're interested in enrolling call quickly, for she has only a few student openings left.

Marie (Mrs. John) Millett, Grace Marie (Mrs. John, Jr.) Huetteman, Thelma (Mrs. Myron) Dikeman, Mrs. Joseph, Mrs. Walter Wesley, Mrs. Donald Less and her daughter Cindy attended the annual Volunteer Transcribers Conference at the Farmington Public Library, since last March, Sub-Regional Library for the State Special Services to the Blind and Physically Handicapped.

Cindy, graduated from Harper Woods High School last spring, is the Club's special "adopted daughter." Members have helped keep her supplied with books throughout her school years. Now Cindy's been awarded a scholarship to Michigan State University; she begins her college career this fall.

Theatre Arts Scholarship Tea

Mrs. George A. Seibert's Lochmoor boulevard home will be the setting for Theatre Arts Club's annual Eva Woodbridge Victor Scholarship Tea next Thursday, October 3, from 2 until 4 o'clock.

Committee members assisting the hostess are the Mesdames Eldon C. Baumgarten, William H. Bundesen, Joseph N. Jennings, Richard Larwin, R. Sidney Sinclair and Frederick J. Schumann.

Scholarship chairman Mrs. James B. Steep has invited honorary members Mrs. Frank W. Coolidge and Mrs. Richard A. Forsyth and past-president Mrs. James B. Doll, Mrs. Frank H. Finney, Mrs. David L. Gamble, Mrs. Frank Hausmann, Jr., Mrs. Julian G. McIntosh, Mrs. Russell McLaughlin, Mrs. Glendon H. Roberts, Mrs. Edmund R. Shurly and Mrs. Francis B. Van Deusen to pour.

Welcoming guests will be Mrs. Kenneth P. Locke, president in Theatre Arts' 64th season, and board members the Mesdames William R. Evans, Philip C. Dickinson, Jesse C. Hurley, Edward W. Johnson, Paul M. Koch, Diamond T. Phillips, James E. Tompkins and Bernard Whitley.

The Eva Woodbridge Victor Scholarship provides tuition for a Wayne State University Dramatic Arts student.

Her mother lives in the original family home in Wellington, (Dr. Tutag's birthplace), on a street named after her family. When she and her husband, who's vice-president of the S. J. Tutag Company, a pharmaceutical firm, return to New Zealand, they visit the family farm.

In looking at her varied career and interests, her friends and associates might only know one or perhaps two sides of Dr. Tutag.

For me, the Monteth College side of this lovely lady remains etched in the mind.

And, you know, I wouldn't have it any other way.
