ITALY'S GOVERNMENT collapsed in a crisis over acute economic problems and a strong Communist bid for a share of power. Premier Mariano Rumor and his center-left coalition resigned after an emergency session. It was the 38th Italian government to fall since the end of World War II. Politicians raised the possibility of an early election, although few felt it would bring political stability. The crisis raised fears in the United States and European capitals that an opening to the Communists could be the only way out, short of government paralysis.

THE WATERGATE cover-up case went to trial last Tuesday. Defendants in the case are John N. Mitchell, H. R. Haldeman, John D. Ehrlichman, Robert C. Marland and Kenneth W. Parkinson. All except Marland are accused of obstructing justice, and Mitchell, Haldeman and Ehrlichman face multiple charges of lying to investigators about Watergate. Richard Nixon's attorneys filed two motions with U.S. Judge John Sirica to cancel subpoenas requiring him to appear in court. Federal prosecutors have added one new name as co-conspirator to the list drawn up by the Watergate grand jury. As Judge Sirica completed the first phase of his search for an impartial jury, Mr. Ehrlichman claimed double jeopardy as a reason for dismissal of his case.

Saturday, October 5
PRESIDENT FORD is expected to ask for sacrifices from the American people when he maps out an economic program in an address to a joint session of Congress next Tuesday, but he reportedly will not seek higher gas taxes or rationing. White House sources left open the possibility that the President will ask for an increase in other taxes and propose measures to deal with credit problems and high interest rates. Some of the steps will require congressional approval and some will be mandatory.

Sunday, October 6
DETROIT POLICE arrested 98 men from the area on gambling charges stemming from a raid on a rented American Legion Hall on the city's northeast side, and police estimate nearly 60 are key gambling figures in Detroit. Thirty-five officers were involved in the raid which culminated in an eight-month investigation into an alleged gambling operation led by well-known members of an organized crime syndicate. They confiscated \$4,500 in cash and gambling paraphernalia including cards, dice, dice tables and point cards.

Monday, October 7
PRESIDENT FORD, in hopes of curbing inflation by 1976, is reportedly ready to recommend an income tax surcharge on corporations and upper income individuals. The President has been working on the package of proposals he will deliver to Congress and the nation in a televised address from Capitol Hill on Tuesday. White House spokesmen say he has settled on more than a dozen specific proposals centering on the problems of food and energy prices, the depressed housing industry and soaring interest rates.

Tuesday, October 8
BOSTON POLICE battled some 600 whites who formed a human chain across a city road to block busedowns of black children on their way home from school. Officials say there were at least 10 arrests. About 300 police officers were called to put down the disturbance which resulted in two persons being hospitalized.

DAVID OHLERT wonders whether the bunny he is holding, the "gleep" to his left, the Basset Hound or his brother, JIMMY, artfully disguised as a pelican, will be winner of the Maire School Pet Show which will be held Saturday, October 12, from 1-3 p.m. Ten prizes are up for grabs.

The grand prize is the "gleep," created by Mrs. David Ohlert, which is currently on display in principal Don Bassett's office. Mrs. Ohlert is in charge of the event and Mrs. Donald Pillsbury is her assistant.

First Step Taken for Team Tennis

Organizational Meeting
Produces Favorable Response
for Community-Wide League in Pointe

Team tennis, a dream for many net buffs, has taken an important first step in The Pointe when an organizational meeting, focusing upon a community-wide tennis league for area youngsters, was held Tuesday, October 1, at St. Paul Evangelical Lutheran Church, 375 Lothrop road.

Organized by Reese and Edna McFarlane, of Hillcrest road, the session offered a great deal of enthusiastic interest in the proposed venture. "The people who attended were there as fact-finders and they felt such a league sounded great," said Mrs. McFarlane.

She stated all Pointe municipalities have expressed interest in the league, and hopes all cities will send representatives at the group's next meeting, scheduled for early December.

Raise Questions
A number of questions were brought up which were answered but these are subject to change after further discussion, said Mrs. McFarlane.

Who would be eligible? Any youngster whose legal residence is in the Pointe.

War Memorial Touts Its Own New President Ford

At a special Board of Directors session following the War Memorial Association's annual meeting Wednesday evening, October 2, Frederick Clifford Ford Jr. was elected president.

Others taking office for the ensuing year include William D. Dahling, first vice-president; Alexander L. Wiener, second vice-president; Harry C. Van Wormer Jr., treasurer; John E. Park, assistant treasurer; Mrs. Albert C. Dickson, Jr., secretary; and Mrs. James A. Humphreys, assistant secretary.

Association members present for the 26th annual meeting first enjoyed a dinner prepared by the Center's cateress, Helen Blair. They were then entertained by

Weeks of Rehearsal Reach Climax As G.P. Symphony Opens Its 22nd Season

Mother-Daughter Duo-Piano Team Highlight Orchestra's Program on Sunday, October 13, at North High School; Tickets Still Available for 3:30 p.m. Concert

The Grosse Pointe Symphony Orchestra opens its 22nd season on Sunday, October 13, at 3:30 p.m. in the Performing Arts Center of North High School, Vernier road at Morningside drive. The orchestra, under Felix Resnick's direction, will be heard in Dvorak's "Slavik Dances," the "Suite from the Dramatic Music of Henry Purcell" and Kodaly's "Hary-Janos Suite."

Highlighting the program will be the mother-daughter duo-piano team of Ruth Burczyk and Christine Burczyk Allen who will play Felix Mendelssohn's "Concerto in E Major for Two Pianos and Orchestra."

Acclaimed Pianist
Mrs. Burczyk is a widely-acclaimed concert pianist and established favorite of Pointe audiences.

Since her professional debut at the age of 16 with the Wisconsin Symphony Orchestra her career has included guest appearances on radio and television and repeat performances with the Detroit Symphony Orchestra and other symphony orchestras throughout Canada, the mid-west and southern portions of the United States.

Christine Burczyk Allen began studying the piano as a child with her mother. She has received superior ratings in the National Guild of Piano Teachers Auditions, made her solo recital debut in

June 1973 and performed in the Honors Recitals while attending Macomb County Community College as a student of Daniel Olsen.

A student of Richard Angeletti, Mrs. Allen is presently majoring in piano while working on her Bachelor of Arts degree at the University of Kansas.

To Greet Audience
In January 1974 Mrs. Burczyk and Mrs. Allen made their Duo-Piano Debut with the Scandinavian Symphony Orchestra.

Mrs. Louis Duenweg, chairman of the Reception Committee, and Mrs. Burt Taylor, Jr., assistant chairman, will be on hand with Richard W. Kay, the Society's president, and board members to greet members and guests.

Hearing Set On Property Transfer

Issue Will Be Discussed
October 17; School Board Opposes Harper Woods' Plan

A hearing on the Harper Woods property transfer issue will be held Thursday, October 17, at 7:30 p.m., in Poupard School, 20655 Lennon road, Harper Woods.

Representatives from the Wayne County Intermediate School District are holding the session to discuss the proposed transfer of land currently in the Grosse Pointe School district to the Harper Woods School district.

The request was entered by the Harper Woods Board of Education which passed a resolution asking for the transfer on August 27.

Oppose Plan
That district has been faced with a declining enrollment and difficulties in raising necessary operating revenues. If the transfer is approved, they stand to gain 1,157 students, approximately \$1 million in taxes and Poupard School.

Rowdy Crowd Causes Trouble In G.P. Woods

Police from Four Departments Clear Area of
Estimated 200 Persons after a Party Gets
Out of Hand; Four Arrests Are Made

Officers from The Woods, Farms, Shores and Harper Woods combined to control and disperse a large, noisy crowd after a party at 560 Cook road got out of hand late Saturday evening, October 5. Responding policemen weren't only the targets of obscenities but also of missiles from various individuals in the estimated group of 200. Four arrests were made in the incident, all for interference with The Woods Public Safety Department.

Police received many complaints from area residents between 10:30-11:30 p.m. over the group and there also was a concern about the flow of vehicular traffic because of the crowd's size.

Officers Bruce Marone and Arthur Gekiere, who went to the scene for a traffic check, said the people refused to leave the area when asked. Lieutenant Jack Patterson then arrived and discovered some 200 persons were in the yard at 560 Cook, plus in adjacent yards. The residents said they were unable to get the people to leave and that those in the front yard were uninjured.

Crowd Builds
The lieutenant reported the crowd was loud and profane, the grounds were littered with bottles, cans and other debris and that many individuals were drinking.

When Lt. Patterson went to the loud speaker at 11:35 p.m. to ask the group to leave and inform them they were in violation of a city ordinance, they responded with profanity. During this time, the party appeared to build as additional persons arrived on foot and in vehicles, police said.

The Shores Public Safety Department was called and asked to shut down Cook road at Thorn Tree road to any westbound vehicular traffic. The lieutenant closed Cook at Morningside drive to remove area congestion. Finally, scout cars were ordered to move to a safe location at Cook west of Morningside.

School Board Meets Oct. 14

The regular monthly meeting of the Board of Education will be held at 8 p.m. on Monday, October 14, in the Board Room of the school Administration Building, 389 St. Clair avenue.

Mrs. Edward C. Hanpeter, president, will officiate and Dr. James A. Adams, superintendent of schools, will present recommendations for the trustees' action.

One agenda item is the adoption of the 1974-75 budget for the schools and libraries. A public hearing on the budget was held Monday, September 30.

The meeting is open to the public.

Rat Problem Surprises GPF Solons

Residents Ask for Assistance to Rid Their
Area of Accumulating Rodents

By Barbara Bruno
A group of distraught residents appeared before The Farms Council Monday, October 7, asking for assistance in ridding their neighborhood of rats that have been accumulating since mid-July.

Mrs. Donald Sullivan, of McKinley avenue, acting as spokesman for the group of about 10 people, said the problem exists primarily on McKinley and Moran road, near Chalfonte road and Williams avenue.

She said Farms officials were contacted about the problem in the summer and the residents were advised to notify the Wayne County Health Department since they have a rodent control division. She added it took repeated calls to the county to get an inspector to the area and the solutions provided were less than satisfactory.

Just Like Candy
"The neighbors in the area made sure their trash was covered and wood piles were off the ground," she said. "The rat poison that was given to us by the county looks just like candy. The only difference is that it says rat poison on the top but young children can't read that."

She said cats and dogs in the neighborhood are killing the rats and stated the rats also are being hit by cars traveling down the street. Other residents voiced their concern about children playing in areas where rats are known to exist.

Mrs. Sullivan said a neighbor who feeds pigeons off the ground rather than in an elevated feeder is suspected of inadvertently providing food for the rats as well.

Mrs. Sullivan noted that a city ordinance prohibits such feedings and asked that this possible violation be investigated by city officials.

Woods' Law Passes after Long Haul

Officials Admit Measure, Which Has Been Studied for 2 1/2 Years, Could Be Difficult to Enforce

After some 2 1/2 years of committee work, studies and redraftings, The Woods Council approved an ordinance providing for the regulation of the outside storage of boats, various trailers, (boat, utility, travel, house), and other recreational equipment at the regular meeting Monday, October 7. The vote was 6-1.

Prior to the final vote, the solons okayed the incorporation of the revised language of Section 5, (Storage Site Approval), and Section 6, (Appeals), into the measure.

The change in Section 5 included the deletion of a neighbor consent clause in relation to storage plus the addition of a sentence reading, "A permit shall be valid only for the specific equipment for which it is issued."

On Enforcement

In Section 6, relating to the appeals process, this sentence was eliminated, "Should an applicant be unable to secure the written consent of the adjoining property owners," thus focusing only upon the building inspector denying the issuance of a storage site certificate. In this case, the applicant may appeal the denial to the Planning Commission.

With the adoption of the ordinance, what transpires in the future regarding enforcement and potential problems on this point remains to be seen. The city has an RV ordinance on the books and that aspect of the ballgame is over. However, the second game of the twin bill is around the corner and centers upon the enforcement aspect.

In relation to this, Mayor Benjamin W. Pinkos told the audience that "enforcement would be our problem. We, (the council), may have to add amendments to the ordinance in the future. We've been through it all for 2 1/2 to 3 years."

He stressed the council isn't trying to discriminate against any citizen with the measure (after this point was raised by resident Jack Thorpe). "If we find it unworkable, we'll be the first to rescind or amend the ordinance," he said.

Cites Complaints

Mr. Thorpe, who was among several citizens who spoke against the measure, cited several points. He felt with the passage of the ordinance that the council would leave the impression there would be a "grand rush" to place RVs in many backyards. This wouldn't be so, he said.

He also wanted a mutual understanding on the land-

EAN, NBD View Opening Of Nature Trail in Park

Environmental Action Now, (EAN), and the National Bank of Detroit, (NBD) are preparing for their next civic beautification project.

Phase I of the Hawthorne Meadow Nature Trail is scheduled to begin on Saturday, October 19, at 10 a.m. at the Three Mile Park in The Park. The official opening will include the placing of a sign at the site and the planting of a white pine, the State tree.

The park project is unique in that it combines an arboretum concept with a natural study area and will be an ongoing project involving student groups who will plant forage, ground covering and trees, lay the trail and mark the flora.

The trees already there will be identified by markers and their number will be increased by donations from the community.

The entire area, the site of the former McMillan estate, will be surveyed by experts, according to Joseph Eckert, landscape architect for the project, to ascertain where sewers and conduits are located and where leveling is needed.

The area will have facilities for senior citizens and the handicapped as well as for students.

The trail will be open to residents of The Park and to other Pointe groups when accompanied by teachers or EAN trained volunteers via an appointment with the city.

Elevator Traps Two Youngsters

Two juvenile boys from The Woods, who were playing in The City-owned parking structure behind Jacobson's in the Village, got stuck in the garage elevator and had to be rescued by City police on Saturday, October 5.

Sgt. Richard Clarke, Cpl. Edward Behrend and Officer Dennis Van Dale responded when they were told the elevator was stopped between levels. Sgt. Clarke and Officer Van Dale pried open the doors and were able to extricate the boys.

Cpl. Behrend then reset a circuit breaker switch to get the undamaged elevator working again.

The boys were taken to the station and, after their parents were notified, were warned against playing in the area again.

Important Step for Tennis Taken

(Continued from Page 1) dence is in a city is eligible to take part in a tennis match representing that city in an age category subject to the rulings of the United States Lawn Tennis Association, (USLTA).

How would team members be selected? This could differ with each community's needs and resources but one of the clubs in our area uses a ladder tournament to determine weekly championships to form its team.

This is a good method of involving more of the youngsters in the community than just the actual inter-city team members. This ladder tournament could be played at the least prime time at each city's courts at the time appointed by the city.

Match Organization
How would a match be organized? Each inter-city match would probably con-

sist of one or two singles matches and one doubles match each for boys and girls in the 10, 12, 14, and 16 and under categories—with one set or an eight game pro set determining the winner.

The match would be organized by the tournament director who would probably be the tennis director at the host courts. The director would be paid similarly to a swim meet starter. The money for the director might be earned by assessing each prospective team member a nominal registration fee to take part in the ladder tournament, she said.

How much court time would be needed? The inter-city matches would probably last three to four hours on four courts but each city would supply the host courts only two times during the summer for a four team league and three times if there is a

six team league.

Additional Time
As to how much additional time will be required for the between match ladder tournament, this would depend upon the number of youngsters taking part.

But it would be hoped that providing a set time for the use of the youngsters for competition at their own ability level would result in less use by these same youngsters at more popular adult times.

It might also lessen the load for tennis lessons in that some youngsters take the lessons only for the opportunity to play. This might therefore create a more all-encompassing way to spread the use of our over-crowded tennis courts for the most possible people, stated Mrs. McFarlane.

Methods of recognition for excellence as shown by victories also was mentioned and will be discussed at the later meeting. For additional questions or comments, call Mrs. McFarlane at 884-2012.

No Major Developments On Crossing Guard Front

By Roger A. Waha

No major developments have been reported on The Woods school crossing guard front through Monday afternoon, October 7, regarding the city's proposal to Metropolitan Council 23 AFSC & ME-AFL-CIO, which represents the 17 guards.

City Administrator Chester E. Petersen said he's received no word from the union on the proposal, the details of which he declined to reveal at this stage.

Last week, the city made the union a "firm proposal" with the understanding that they will take it back to their membership for a secret ballot election supervised by the Michigan Employment Relations Commission," he said.

The NEWS was unable to reach union representative James Dickson regarding the status of the situation but crossing guard Mary Moloci shed some light on the prob-

lem. "The holdup isn't altogether in wages," she said. "It's in the reduction of crossing guard personnel. The guards are willing to return to work while negotiations continue; he, (Mr. Petersen) will let us go back to the crossings we left in June."

At this juncture, the guards are waiting to see what a reduction in force would really mean to them, she added.

Mrs. Moloci was referring to a public safety department study, which hasn't been completed, regarding the possibility of eliminating guards from certain crossings, and consolidating some other crossings.

Mr. Petersen said last week the city used to have a combined total of seven guards at the following crossings: Mack and Cook; Anita and Mack; Mack and Vernier; and Vernier at Mack. But only four are stationed at these locations now. He noted that the department reconfirmed that those crossings could be handled by four guards.

Meanwhile the council in executive session is currently considering the possibility of installing traffic signals at three crossings: Cook road at Holiday/East Kings road; Morningside drive at Roslyn road; and Marter road at Roslyn.

Yet another part of the study centers upon the possibility of combining the Our Lady Star of the Sea noon hour crossing with the Barnes School crossing because of the reduced enrollment at Barnes.

APPROVE SIGN

The City Council, at a regular meeting Monday, September 16, approved a request from Fischer's Cards, for a permit to erect an eight-foot long sign at the rear of their store in the Village. The sign will consist of individual stainless steel letters with the largest measuring about 16 inches high.

Big Crowd Causes Trouble

(Continued from Page 1) When Lt. Patterson drove from the area, his car was the recipient of an unknown object which shattered upon impact. Meanwhile, Officer Gekiere was the target of some bottle throwers.

As the seconds ticked away, police said the crowd remained loud as people continued to join by arriving from adjoining areas.

Additional assistance was requested and reinforcements arrived with the men and equipment being assembled in the roadway on Cook at Morningside. Officers at Cook and Thora Tree were told an attempt would be made to move the crowd from in front of 560 Cook towards them, with the crowd being permitted to pass.

Then, the group was told to disperse or be arrested. With the order came bottles, cans and other missiles towards the squad. At this point, the sweep started and continued east on Cook towards Thora Tree.

Then, a second sweep was ordered west on Cook from Thora Tree to disperse stragglers.

Finally, the area was cleared and secured with all assisting units being released at 12:13 a.m. Sunday, October 6. A scout car was assigned to give the area special attention.

Police said the four arrested were all released without bond pending their court date of Wednesday, December 4. They include David William Treder, 18, of 449 Saddle lane; Edward Richard Bartos, 19, of 19766 Edshire lane; Michael William Rogers, 17, of 1430 Oxford road; and James Nicholas Vetter, 18, of 562 Shoreham road.

G.P. Woods Approves RV Law

(Continued from Page 1) gauge in Section 1 (g) which reads, "The term 'stored' or 'storage' shall mean the keeping of a vehicle in any particular place or area, not within a garage or similar structure, within the limits of the City of Grosse Pointe Woods, Michigan, for a period of time exceeding 72 hours in any seven consecutive day period."

City Attorney George Catlin said, on this point, that the ordinance doesn't become operative until an RV passes the 72-hour period. In short, a citizen wouldn't be in violation of this provision until after that time.

Mr. Thorpe said he would like to see it brought out that

this is a single period of 72 hours. "This period of time is not clear," he stated. Mr. Pinkos replied that if this section wasn't clear, it couldn't be enforced.

Other Save Spots
Other points cited by Mr. Thorpe include:

"Only people who have corner lots can really store RV's properly. This is a point of concern of other RV owners who feel they could be in violation of the measure because of the size and shape of their lots and, because of this, they feel the measure is discriminating against them."

"The ordinance allows people to park their vehicles in their back yards and for some citizens, 'this isn't an easy thing to do,' e.g., placing such heavy equipment on their lawns and damaging the grass," said Mr. Thorpe.

Resident Richard Gross cited Section 2 (i) which says, "No boat exceeding 28 feet in length, as measured by the Secretary of State, and no house trailer or motorized home exceeding 28 feet in length overall shall be stored within the City of Grosse Pointe Woods."

To this, he exclaimed that the State licenses travel trailers up to 35 feet!

Another citizen, who said he was on the original committee studying this measure around two years ago, emphasized the eyesore aspect of the ordinance in relation to RV's being stored on private property.

"The whole ordinance puts the monkey on the back of the neighbor," he stressed, while calling the measure a "Mickey Mouse ordinance."

Use Best Info

The enforcement problem was discussed by Councilwoman Joan M. Mullan, who has been against the measure since its inception, (and thus voted "no" on the final motion of approval).

"I don't see how it can be enforced unless you have public safety officers on stake-outs of homes with recreational vehicles. I can't see how you can prove the 72-hour period stipulation. I don't think it will work," she said.

"We'll use the best information available," replied Mr. Catlin. In the case of an alleged violation, he said testimony would be taken from public safety officers, plus the additional testimony of neighbors regarding a vehicle standing in a location over a

Property Transfer Hearing Slated

(Continued from Page 1) held at North High School on September 9, passed a unanimous resolution opposing the plan sought by Harper Woods on the grounds that it would adversely affect the quality of education in Pointe schools.

In a statement of position, the Board cited the fact that many families have purchased homes in the area in having their children attend certain Pointe schools.

The Board also maintains that over the years, the locations and capacities of its buildings have been planned to provide for the needs of students within this district. A transfer would disrupt these plans and result in the present facilities being used at less than capacity.

Enactment of the transfer would also entail laying off a number of teachers and other personnel currently employed.

Shares Position

Grosse Pointe Education Association president Carl Lord shares the Board's position and in a release submitted Friday, October 4, he announced his intention of appearing, along with the Board, the Poupard PTA and parents and students of the Poupard community, at the October 17 hearing.

Mr. Lord noted the transfer of property would disrupt 15 buildings, including the loss of one of these buildings, and possibly close one of the middle schools.

"Less tangible, but equally real, is the working climate and relationships which have developed through cooperation and successful professional effort on the part of a dedicated staff within each building," said Mr. Lord.

He added that the resulting decrease in enrollment might call for the elimination of about 60 of the 180 courses

now being offered at each of the high schools in The Pointe.

Reduce Offerings
"Similarly, each middle school would have to reduce its course offerings," Mr. Lord explained. "An immediate result would be greater rigidity of structure and less

flexibility." The Wayne County Intermediate School District, which has been acting as a fact-finder in the case, has the power to approve or deny the transfer request, but its actions may be appealed, ultimately to the State Supreme Court.

Sugar Boycott 'Sweet' Success for Housewives

By Roger A. Waha

The boycott of foods which contain sugar, started by a St. Clair Shores housewife last month, was a big success in Detroit and its surrounding suburbs.

One of the active participants in the boycott, wherein housewives were asked to avoid buying foods with sugar for a 10-day period, (Friday-Monday, September 20-30), was Mary Lou Rowe, of Edmonton drive.

She said Beverly Ribaud, who initiated the boycott, received national press coverage for her effort in which she asked housewives to call five of their friends and urge them to avoid buying sugar products during the 10-day span.

Mrs. Ribaud received stacks of mail and phone calls from all over the country, reported Mrs. Rowe, who added she believed hundreds of Pointe housewives participated.

"The boycott had a most positive outcome," emphasized Mrs. Rowe. "It proved that some obscure American housewives are very important and could have a positive effect on the economy." She

said one sugar company even decided to lower its prices but she wasn't certain if it was because of the boycott or the threat of government intervention.

But now this question arises: What happens now that the boycott is over? Mrs. Rowe said other housewives

have told her they will fight inflation by refusing to buy foods with sugar. And instead of giving candy to youngsters at Halloween, she plans to give them novelty toys or fruit.

"All housewives should also read the daily newspapers so they can be more aware of

this problem," advised Mrs. Rowe.

Now, she, like many housewives, hope the price of foods which contain sugar will be lowered in the future, while saying the price of a five pound bag of sugar rose around \$1.30 to over \$2 a bag since last January.

"Sugar is just way out of sight!" she exclaimed, while stressing, "You'd be surprised how you can do without it."

In taking a "wait and see" posture regarding the prices of foods with sugar, Mrs. Rowe said the boycott at least made the average housewife aware that she can be effective on the inflation front and that she can be listened to.

In reviewing the modus operandi of the boycott, Mrs. Rowe stated there was no picketing of stores and no harassment.

"We didn't want to hurt anybody, including our farmers. There were no problems like that. The idea was not to buy sugar related food items. Now, we'll have to see how it goes," she said.

Flames Engulf Park Residence

Park firefighters, assisted by City firefighters, brought a fire at 1398 Nottingham road under control in 20 minutes on Wednesday, October 2.

Six Park firefighters responded to the 10 a.m. call by a neighbor with a ladder, engine and ambulance, while four City firefighters came with two engines. It was necessary to use two hand lines, due to the intensity of the fire.

Only Park firefighter Michael Smith, who sustained minor burns to his wrists, was injured.

The fire in the two-story brick-veneer house blazed in the sunroom and dining room on the first floor, resulting in heavy smoke damage throughout the house. The cause of the fire is unknown at present, and total damage is unestimated.

Upon the arrival, all exterior windows in the sunroom had blown out, and the fire on the siding was approaching the shingled roof.

There were no occupants in the house, though that was not known at the time of arrival. A City firefighter did rescue the family dog, who was found unconscious. The dog is now reported doing well.

Park Fire Chief Phillip Costa extended his appreciation to The City Fire Department for their assistance.

Hearing Slated on 2 Lawsuits

By Roger A. Waha

A hearing will be held in the courtroom of Wayne County Circuit Judge James N. Canham Friday, October 11, on two separate lawsuits filed by Woods public safety officers against the city and Public Safety Director Henry Marchand.

The lawsuits were filed by Detective Sergeant Bernard Kelly and by the Grosse Pointe Woods Police Officers Association, (GPWPOA), on behalf of Corporal Thomas Kervin, Youth Service Division Detective Donald Schmalz, Detective Donald Sun and Officer Theodore Hinz.

Each focuses upon alleged injustices and irregularities in promotional procedures during the recently conducted public safety department promotional examinations for lieutenant and sergeant.

The complaints urge the court to temporarily and permanently restrain the defendants from promoting anyone to the rank of lieutenant, in Sgt. Kelly's complaint, or sergeant, in the GPWPOA complaint, (promotions already have gone into effect as of Tuesday, October 1), and asks that such promotions be rescinded, "unless and until promotional testing and evaluation procedures (for both ranks) are conducted in accordance with the provisions of Special Order No. 123 of the Grosse Pointe Woods Department of

Public Safety."

City Attorney George Catlin reviewed the matter and said the plaintiffs have filed lawsuits and made allegations and we, (the city) filed answers to their lawsuits and filed motions to dismiss both lawsuits. He added no temporary restraining orders have been issued.

He stated the court could decide to (1), dismiss the lawsuits; (2), not dismiss the lawsuits and set a hearing date for further testimony; or (3), order that the promotions be vacated, thus telling the city "we shouldn't have made the promotions."

At a recent Committee of the Whole meeting, the Promotion Committee comprised of Mayor Benjamin W. Pinckos, Councilmen Rodger A. Graef and George S. Freeman and Director Marchand, reviewed the complaints.

In each case, they voted 4-0 to reaffirm their action in confirming the promotion of Peter Thomas to lieutenant, (regarding the Sgt. Kelly complaint), and in confirming the promotion of William Lentz to sergeant, (regarding the GPWPOA complaint).

YSD Detective Patrick Fagan, GPWPOA president, said both lawsuits center upon the procedures involved and have nothing to do with the individual officers promoted.

The promotional exams were conducted and scored by the Michigan Municipal League.

Have New Info on Rink Theft

Woods police received further information from University Liggett School on Tuesday, October 1, that several pieces of stereo equipment, valued at around \$1,085.90, which were originally reported missing on Wednesday, September 25, after a burglary of the McCann Ice Rink, weren't taken at all.

However, the school said other pieces of stereo equipment, with a combined, total value of \$580.50, were taken.

Police reported that after a closer inventory was taken, the school discovered they had submitted the wrong list of missing stereo equipment.

The new list includes a cassette tape deck, valued at \$100; a turntable, \$90; an AM-FM tuner, \$89.95; and two amplifiers, one valued at \$195.60 and the other at \$134.95.

The articles were taken sometime between the end of June and Friday, September 13.

Pierre Decker, U.S. custodian, told police that construction has been going on at the rink during most of the summer. He added doors and windows have been constantly left open by construction workers.

The incident is under investigation by the detective bureau.

JC's Project Focuses on Fire Safety

'Operation Red Ball' Aims to Aid Persons Least Able to Help Themselves in Such An Emergency

"Operation Red Ball," a Jaycee-sponsored fire safety project currently underway in the community, is attempting to curb severe injuries due to fire and, at the same time, provide donations to the National Institute of Burn Medicine, Ann Arbor.

The Jaycees are passing out, free of charge, red ball stickers which should be placed on the bedroom windows of children and invalids.

These stickers will enable firefighters, in the event of a blaze, to go to the labeled rooms and evacuate those who are least able to help themselves in this type of emergency.

"Six Too Many"

In noting a combined total of six persons died due to fire in The Farms, City and Park over the last two years, George A. Williamson of the Jaycees said this was "six too many." He felt the stickers would be a big help to local firefighters and would help save lives.

Greg Wheeler, project chairman, along with Bryan Defour and Bill Marr, are visiting four elementary schools this week to distribute stickers and explain the project to youngsters. They stopped by Maize Tuesday, October 8, and Kerby Wednesday, October 9, and will visit Defer and Richard on Friday, October 11.

The Jaycees, Kathleen Ann Lewis, Miss Grosse Pointe for 1974-75, and representatives from The Farms, City and Park Fire Departments will be in front of Jacobson's In-The-Village Saturday, October 12, passing out the stickers, plus asking for donations to the Institute.

Some concerned groups of businessmen and the Jaycees are supplying the stickers, which also may be obtained at the three fire departments.

This year, the Michigan Jaycees have pledged to raise \$400,000 for the Institute, added Mr. Williamson.

A New Ford

(Continued from Page 1)

Campaign. Paul Moreland in his Investment Review noted while the Center's securities value shrunk due to market conditions, reinvestment in short term securities had raised the income from the portfolio.

Mr. Dahling, speaking for the Nominating Committee, presented the following slate of nominees to serve terms on the War Memorial's Board of Directors: for a second three-year term—Mr. Hickey, Mr. Park, James W. Standart and Mr. Wiener, for an additional two-year term to fill the unexpired terms of William B. Krag, (resigned), Mrs. William H. Klingbeil; for a first three-year term—John F. Monahan Jr., John R. Nicholson and Mrs. Warren S. Wilkinson.

There being no further nominations from the floor, this slate of nominees was unanimously elected.

Mr. Hickey, in his president's report, noted the growth of the Center since its inception 26 years ago and underlined the scope of classes, activities and services offered to Pointe citizens through its program.

Mentioned particularly was the Center's art program for which the Board hopes some day to provide an improved facility. Other areas stressed were both senior citizen and youth activities. In connection with the latter, Mr. Hickey presented the new youth director, Tom Kavanaugh, and the Youth Council officers.

Mr. Hickey noted these problem areas which will be dealt with by the Board: security measures, high water and sewage and maintenance and inflation.

He thanked all the many committee chairmen and members whose reports were distributed to everyone present. He also thanked the Board for their cooperation and efforts and made particular mention of those retiring: Mrs. William J. Champion, Jr., Mr. Donald R. Flintermann and Mrs. William L. Hurley.

Alger Shelden, first president of the War Memorial, in turn led a rising vote of thanks to Mr. Hickey for his administration.

Program Seeks New Volunteers

Volunteers can choose from a wide variety of categories such as special education,

teaching and library aides, crisis intervention personnel, hospital aides, recreation workers, office staff positions, tutors, senior citizen companions and entertainment and art volunteers.

Interested students who are unable to see Mrs. TeWalt this week may pick up applications at their high school counseling offices, all library branches, at the Department of Community Services in South High School, at the Neighborhood Club, 17150 Waterloo, or at the FLEC office, 20943 Mack.

EAN, NBD to Open Nature Trail in Park

(Continued from Page 1)

The project is being supported by the Jaycees, the residents of Henry Russell's Three Mile Drive Subdivision, local scout troops, other community groups and interested citizens.

Wheelbarrows, rakes, shovels and plastic garbage bags are needed to facilitate cleaning of the area and staking out the actual trail site which will be bordered by railroad ties and covered with wood chips donated by The Pointe municipalities

from their chipping machines.

Garden equipment should be marked with your name for assurance against its loss. If you wish to loan any items or services, call Tim Lozan, director of EAN, at

884-8387 or Nettie Duffield, of the EAN advisory committee, at 884-8461.

Phase II of the project will begin in the spring with the planting of summer forage and the addition of more trails.

Named to Post at Bon Secours

W. Ronald Paul has been appointed director of pharmacy at Bon Secours Hospital.

Mr. Paul will organize the relocation of Bon Secours

pharmacy to a newly constructed hospital wing later this fall.

He also will institute the unit-dose system of packing medications in phases.

Driver Faces Hit-Run Charge

The driver of a hit and run car which caused damage to a vehicle belonging to the wife of City Fire Chief Robert Marshall was ordered to appear in court on November 12.

According to a police report, Rolf Fred Lange, 44, of 1752 Broadstone, was seen by two witnesses leaving the scene after striking Mrs. Marshall's car which was parked facing west on Charlevoix avenue, just east of St. Clair, on Friday night, September 27.

Chief Marshall notified the police immediately after the accident and said Lange left the scene traveling east on Charlevoix.

A "be on the lookout" was broadcast and Lange finally was stopped by Farms Patrolmen Gordon Evans and Clarence Reichling at Touraine road and Charlevoix.

Lange's car was badly damaged, so it was towed to The City police station. Lange was issued a violation for leaving the scene of a property damage accident.

The following is a list of exceptions to the parts covered by Chrysler Corporation's new 12 month unlimited mileage warranty.*

1. Tires

We decided that the very first thing you should know about our new warranty is what isn't covered. And we don't mind telling you, because the list is very short. That warranty is just part of our Owner Care Program which is based on the idea that even if you're selling the most appealing cars in the world, it never hurts to have a clincher.

We'll even put it in writing.

For the first 12 months of use, any Chrysler Motors Corporation dealer will fix, without charge for parts or labor, any part of our 1975 passenger cars we supply (except tires) which proves defective in normal use, regardless of mileage.

*** The first asterisk that gives instead of taking away.**

There are some expensive things that could just "wear out" if you drive enough miles even though they're not "defective." Brake linings. Mufflers. Shock absorbers. So we put that asterisk up there to tell you that we'll replace those parts if they wear out during the first 12 months of normal use, no matter how many miles you drive.

We ask you to take care of the little items.

Of course, we'd like you to handle some of the things you'd just naturally expect to take care of. You know, normal maintenance like replacing wiper blades and filters when it's needed (unless they're defective in which case they fall under the warranty).

And we won't leave you alone in the night.

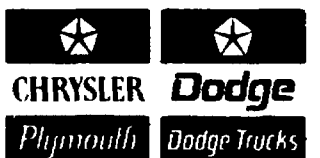

If you make an appointment in advance for warranty work and it can't be finished from morning until evening of the same working day, participating dealers will supply you with a loaner. Free of charge.

Now, if an Owner Care Program like that sounds great to you, imagine what our cars are like.

Find out about both. Ask your

Dodge, or Chrysler-Plymouth dealer about his cars.

Then, ask him about "The Clincher!"

'THE CLINCHER!'

It's going to take better care of the people who buy our cars.

Health Council Plans Programs

The fall tea of the Health Education Council of Grosse Pointe was held Monday, September 23, at the Grosse Pointe Congregational Church.

Brief talks outlining plans for the coming year were given by committee chairmen Mrs. James Watson, dental program, and Mrs. Charles Fossati, Red Cross Bloodmobile. Plans also were discussed for the welfare and hygiene committees' programs this year.

Mrs. Mary Evelyn Self, liaison officer for the Health Education Council with the Family Life Education Council, (FLEC), gave a brief summary of FLEC's purpose, programs and current activities. Mrs. Samuel Ulmer outlined FLEC's Dialogue, (parent hot line), and asked for volunteers for the upcoming training program.

The officers for the current year are Mrs. Richard Mills, president; Mrs. Carl

Meierling, vice-president; Mrs. Charles Insley, recording secretary; Mrs. Klaus Motte, treasurer; and Mrs. D. G. Schneider, immediate past president, who also served as co-treasurer. They were on hand to greet delegates from the public, parochial and private schools in the Pointe area.

The next meeting of the Health Education Council will be held Monday, November 25. The program will include a presentation of the ongoing Phosphate Fluoride Program in the schools by Dr. John Britt, D.D.S., plus the teaching of the artificial respiration technique to students in middle school science and middle school and high school physical education classes. This will begin sometime during the school year.

Pointer Named to Scouting Post

Dr. James E. Greer, of Linville road, recently was named chairman of the "Operation Reach" program for the Detroit Area Council of the Boy Scouts of America. "Operation Reach" will be offered to every Scout Troop in this area during October and November. This program was essentially suggested by young people who were concerned about what was happening to young people.

A special committee, appointed by the Boy Scout National Executive Board, invited 16 young adults to assist in developing a drug abuse prevention plan. The plan was then shared with many young people and adult authorities, and "Operation Reach" is the result. Many public spirited organizations and industries have supported the program. The

Ampex Foundation contributed \$35,000 to carry out the successful pilot project conducted in four councils throughout the country.

The National Institute of Mental Health, interested in the program from a research and evaluation perspective, assisted by printing a large portion of the needed literature, and the Institute is continuing its financial support.

Dr. Greer, who is in charge of Microbiology and Serology at Sirai Hospital of Detroit, has been active in the scouting program for many years. This past summer he was invited to serve on the staff conducting the Wood Badge course of advanced training for scoutmasters and other skilled adults.

Dr. Greer's long career in scouting includes such activities as institutional representative, cubmaster, scoutmaster and unit commissioner. He is a Brotherhood member of the Order of the Arrow, a recipient of the Scouters Award, the Scouter Key and Wood Badge Beads.

Robber Hits Farms Store

Alert Farms Patrolmen Gordon Evans and Kenneth Pine noticed a broken window in the front door of the Allard Hardware, 18626 Mack avenue, about 12:30 a.m. Monday, October 7, and found the premises had been burglarized.

Owner Walter Allard came to the scene and told officers it appeared someone had rifled several cabinets and a desk. Missing from the cash register was between \$5 and \$10 in change.

Farms detectives are continuing their investigation.

POINTERS PROMOTED
Two Pointe residents have received promotions at the Bank of the Commonwealth. Peter W. Ronan, of The Farms, was appointed assistant vice-president of the Bank of the Commonwealth legal department. Michael J. Kirchner, of The Woods, was appointed trust officer.

Thieves Enter 3 Cars in City

Three incidents of larceny from an auto, all occurring between Saturday, October 5, and Sunday, October 6, were reported to City police.

Initially, police heard from Eugene Cadieux, of St. Paul avenue, who said he had recovered some goods. When Officer Dennis Van Dale and Sgt. Douglas Allor responded he turned over an eight-track tape deck which he said he found near his home.

The officers then checked the vehicles parked in the vicinity, along St. Paul, and noted considerable damage had been done to one auto.

A check of the neighborhood showed the owner was an Alpena resident, Greg Warren, who had been visiting friends on St. Paul.

Mr. Warren identified the tape deck as his and, upon looking at the car, told officers two speakers had been ripped out of the rear shelf. His antenna also had been broken off and a green case containing 10 tapes had been stolen.

Entry into his car had been gained through the left front door.

While Officer Van Dale was in the process of investigating the theft from Mr. Warren's car, Reynold Semmler III, a St. Paul resident, approached him and said his auto had also been entered.

When they checked his car, officers found the hinges on the right rear window broken and the window forced open. At that time, Mr. Semmler said, the only items he could

discover missing were a toilet bag and a hot air comb. He said he had parked and locked the car around 9 p.m. on Saturday.

Later on that night, he came into the station and said he had located the toilet bag, but noticed a radio speaker from his car was taken.

The third theft occurred in the driveway of a Lakeland avenue residence and was reported Sunday at 9:20 a.m.

The complainant, A. D. Draper, a visitor from Peru, Ill., said he had parked his station wagon in his brother's drive at about 9 p.m. the night before. When he returned to the car at 8 a.m., he found someone had entered it and had stolen a pair of blue nylon sleeping bags.

He said other items had been missing but were recovered in the neighborhood. The bags were mummy-shaped and valued at \$30 apiece.

A U-Haul truck parked in the same place also had been entered and an owner's manual was taken and left on the ground beside it.

NMSC Cites NH Students

Seven seniors at North High School have been named Merit Program Commended students by the National Merit Scholarship Corporation, (NMSC). Principal G. Bruce Feighner said Donald A. Allen, Joanne T. Blum, Susan Hooper, David D. Howell, Edward J. Howell, William Papineau and Catherine Thomasson have received letters of commendation.

They are among the 38,000 commended students named on the basis of their high performance on the 1973 Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test, (PSAT/NMSQT). Commended students are in the upper two percent of those expected to graduate from high school in 1975.

Although commended students ranked high on the PSAT/NMSQT, their scores were just below those of the 15,000 semifinalists announced in September. Commended students do not continue in the Merit Scholarship competition.

Newspaper Boy Robbed in Park

A 15-year-old newspaper boy was robbed of an undetermined amount of money on Friday, October 4.

The youth told Park police at 5:55 p.m. that a black male between 14-16 years, under the subterfuge of how to get a paper route, had confronted him at 675 Bal-four road.

He said the robber threatened to whip him, then demanded his money.

The black youth was last seen walking across the Korte bridge at Altar road.

The case is still under investigation.

The Official Presidential Inaugural Medal

To assure the continuity of Official Presidential Inaugural Medals, (struck for every President since William McKinley in 1901) the Presidential Inaugural Medal Committee, headed by Senator Mark Hatfield, has authorized the issuance of an Official Presidential Medal to honor Gerald R. Ford, the 38th President of the United States.

The Gerald R. Ford Medal will be struck in dramatic high-relief by Medallic Art Company, medalist of nine previous Official Presidential Inaugural Medals including those for Franklin D. Roosevelt, Dwight D. Eisenhower, John F. Kennedy, Lyndon B. Johnson and Richard M. Nixon.

The uniqueness of Mr. Ford's ascent to the Presidency coupled with the profound artistic skill of portrait sculptor Mico Kaufman, combine to give this medal tremendous collector appeal. (Mr. Kaufman also created the Official V. P. Inaugural Medal for Mr. Ford.)

The new medal will be struck in strictly limited editions of 24 kt. Gold on Pure Silver (Vermell), Proof Finish Pure Silver and Antique Finish Pure Silver. An unlimited edition Antique Finish Bronze will also be produced. All medal sales proceeds to the committee will be donated to a special non-profit fund to be personally selected by the President.

Limited Editions—
Each Medal 2 1/2" in Diameter and Serially Numbered

The Gold Vermell Edition (24 Kt. Gold electroplated on Pure Silver) has an antique patina finish of incredible beauty. The appeal of precious gold, combined with the extremely low limit of the edition, will make this a desirable acquisition.

Symphony Opens Its 22nd Season Oct. 13

(Continued from Page 1)
 at a reception immediately
 following the concert.

The reception, which is to
 be held in the school's cafe-
 torium, offers the audience
 an opportunity to meet the
 guest artists, orchestra per-
 sonnel, conductor and friends.

Mrs. Duenweg has asked
 the following Pointe ladies to
 pour at the reception: Mrs.
 William E. Barry, Mrs. Rus-
 sell A. Bauer, Mrs. H. Wil-
 liam Butler, Mrs. Windsor
 S. Davies, Mrs. Charles Ex-
 ley, Mrs. Harold Gumper,
 Mrs. Charles Helin, Mrs.
 Reginald T. Murphy, Mrs.
 Dwight Nelson, Sr., Mrs.
 William G. Self and Mrs.
 Michel Skaff.

Students of Mrs. Buresyk
 will act as ushers for the
 concert. They include Helen
 Doychich, Peggy Gillis, Carol
 Kalafut, Debbie Lissoto,
 Amy Lowchik, Pamela
 Mann, Deborah Nordy, De-
 anna Perich and Lynn Whit-
 ston.

Tickets for the concert are
 still available at \$3 for adults
 and \$1.50 for students by
 calling 884-3052 or they may
 be purchased at the box of-
 fice the afternoon of the per-
 formance.

By Betty McCollister

The symphony is having its
 third full rehearsal for its
 opening concert. There's a
 good turnout, save for only
 three violas and two cellos.

Felix Resnick, conductor,
 has thrown off his jacket and
 tie and is on the podium,
 sometimes sitting, usually
 jumping up to make his
 points.

The orchestra is working
 on Dvorak's irresistibly en-
 gaging Slavonic Dances, full
 of key changes, tempo
 changes, rubatos, tricky
 rhythms. It sounds like a
 good ensemble already, with
 only two full rehearsals plus
 one section rehearsal behind
 it. But not good enough. Mr.
 Resnick stops the players.

Sticker for Detail
 "There's a D sharp there.
 Somebody played a D natur-
 al."

Rat Problem

(Continued from Page 1)

The members of the Coun-
 cil expressed their surprise
 and shock that the rat prob-
 lem existed at all. Several
 said they were displeased
 that the city had not made
 sure Wayne County had ex-
 terminated the rats.

Acting Mayor James Ding-
 eman cited the extremely
 rapid rate of procreation of
 the rodents and stressed that
 the problem must be elimi-
 nated immediately.

City Comptroller Carol C.
 Lock said The Farms would
 begin work on a solution
 immediately.

"Apparently there was no
 follow up on the complaint to
 see if we were doing our
 portion after the county came
 out," he said. "We will check
 to see if we can't solve this
 problem right away."

The council members said
 they wanted a report on the
 situation by the next meeting,
 Monday, October 21, and
 stressed that the residents in
 the affected area should be
 contacted well before that
 time.

al. Can we start from the last
 forte, please? Right!"
 Stop again.
 "Right here. This phrase
 where we just stopped. I want
 to hear the bassoons and the
 cello. F sharp. I want to hear
 F sharp."

Again they play. Again they stop.

"All right, everybody at
 letter E." Mr. Resnick ad-
 dresses himself to the wood-
 winds. "You made the ac-
 celerando, but you didn't
 make the crescendo. I want
 you to do them both."

Again, and it goes better.
 He's a stickler for detail.
 The first dance is concluded.
 The orchestra begins the
 second. Stop.

Strives for Perfection
 "It's that beginning," he
 points out. "We are a little
 bit rough. Could we refine
 it?"

Try again.
 "Very nice playing, but too
 much."

Again.
 "That's it!" he says, de-
 lighted. "Now, violins, this
 last tempo I would like you
 to play with practically no
 bow at all."

Change of tempo.
 "Piccolo, where are you?
 I don't think that everybody
 knows where we are. We're
 at the piu mosso."

And so it goes, phrase by
 phrase, detail by detail. Who
 has the solo, who holds
 down? What are the key
 changes? How are the strings
 supposed to bow to get the
 right effect?

Switch to Kodaly's Hary
 Janos Suite. A very difficult
 second measure. Start with
 the second measure. Not
 right. Again. Still not right.
 A third time. Ah, better.
 Start at the beginning.

Seek New Members

And that's how the Grosse
 Pointe Symphony rehearses
 Wednesday evenings until 10,
 with a short refreshment
 break courtesy of board
 members who take turns.

Amateurs, but skilled and
 dedicated, many of whom
 are experienced, from high
 school students receiving or-
 chestral experience to people
 like Paul Kelly, trumpet, who
 joined the orchestra two years
 ago after practically giving
 up music and who is so en-
 thusiastic he's now studying
 with Frank Kaderabek, prin-
 cipal trumpet of the DSO.

While the symphony is al-
 ways looking for new mem-
 bers, especially strings, oboes
 and bassoons, the Symphony
 Society also is looking for
 new members and set aside

the week of Sunday, October
 6 as Grosse Pointe Symphony
 Week for a special push.

Ann Wallace, violinist and
 chairman of new member-
 ships, says "I think it's im-
 portant to remember that
 this orchestra is community
 based. We are sponsored by
 the Department of Commu-
 nity Services of the Grosse
 Pointe Public School system.

"This is totally a commu-
 nity enterprise. This is for
 parents and children. We
 want families to join and
 parents to come with their
 children to hear us."

A "Banner Year"
 As for former members
 and renewals, Mrs. Winfield
 S. Jewell, membership chair-
 man, has a glowing report.

"I feel that we are going
 to have a banner year. Out
 of all the renewal letters I
 sent, I've had only one resig-
 nation."

And, when everyone is
 hurting from inflation, Mrs.
 Jewell adds, "A very healthy
 sign of community interest in
 the orchestra is that several
 people have actually raised
 their category of member-
 ship. It's delightful!"

Mrs. Jewell is convinced
 that "the community orches-
 tra gives everybody a feeling
 of self-expression, players
 and audience both, that they
 couldn't get any place else."

The fellow who saves a
 little money saves a lot of
 worry.

Barons Have 2-1-1 Week

The Grosse Pointe Red Barons played host to the Denby Bulldogs at University Liggett's field on Sunday, October 6.

In the freshmen game, Tom VanPelt scored one TD as the Red Barons battled their opponents to a frustrating 6-6 tie. The Barons played excellent offensive football despite managing only six points as they opened huge holes in the Bulldog defense.

Bill Raven, Dave Babcock, Alan Gidner, Jim Mestdaugh, Ron Cornell, Tom Gentile, Pat James, Mike Paolucci, Steve Lesha and Robert Henry blocked extremely well, while Brian Augsberger and Brian McGivern pounded the Denby line for long yardage from the fullback slot.

Tom Brown scored two TDs, and Chick Steepe and Glenn Piche one each, to lead the junior varsity to a 25-0 Barons victory. Gary Kinder fired two TD passes of over 40 yards to Brown and Piche.

Ray Chown, Scott Turnbull, Harvey Voskop, Pete Mogk, John Vens, Mark Kaiser and Pete Kotula figured prominently in the win.

At the varsity level, Charles Haring scored three TDs to pace the Red Barons to a 26-0 win. Brian Meda returned an errant Bulldog pass for the final score of the afternoon.

Brian Engle, Jerry Marzefon, Mike Fry, Steve Shucker, Jon Stewart, Bob Brown and Bill Babcock played fine football.

Head coach Werner Lueckhoff said after the game, "The entire team can take credit for this victory. Each boy did his absolute best."

The Red Barons junior freshmen absorbed a disappointing 12-0 loss to the St. Clair Shores Green Hornets. But Brad Kangas, John Polizzi, William Jackson, Dan Rustman, David Nurmi and Kurt Vining played well in defeat.

Youths Start Fire at Park

Four youths, apparently started a fire, which was extinguished by Woods officers, in the comfort station at Ghesquiere Park Tuesday afternoon, October 1.

Cpl. Robert Setchell and Officer Michael Cavanagh spotted smoke emitting from the structure's windows. They discovered the men's bathroom door had its bottom half pushed in and that a fire was burning in the sink. This was started by igniting paper and twigs which were placed in the sink.

Officer Jack Treppa was immediately called and he extinguished the blaze. Police added the sink was broken and the floor was covered with various debris.

A witness said four youths, three boys and a girl, all of whom were described as being between 16-18 years of age, had been in the building when the fire started. The girl was described as wearing a gold brown suit, while the boys wore jeans.

Two of the four went north on Jackson avenue, while the others went east through the park. A search of the area surrounding the park proved negative.

Police added the highway department was notified to secure the building.

Gasoline Odors Cause Alarm

Co-operative work between The Park Fire and Police Departments solved the mystery of strong gas odors in the 1100 blocks of Beaconsfield road and Lakepointe avenue.

Police were notified about the odors by a Lakepointe resident at 6:00 a.m. Saturday, October 5, and relayed the message to the fire department.

That morning, a cab driver at the Grosse Pointe Cab Co., 15246 Kercheval avenue, had put a gasoline pump into the tank of his car, and the pump didn't shut off automatically.

As a result, police discovered, approximately 100 gallons of gasoline had run west on Kercheval and into the sewers, also going west.

Simultaneously, the fire-fighters had gone to check the complaint of gas odors at the homes in 1128 and 1130 Lakepointe avenue. By using a charcoal filter meter, they detected a petroleum reading which showed there were no flammable gases.

Learning the cause of the odors from the police, fire-fighters washed down the streets in the neighboring area. They also flushed out the sewers where the gas odors had bypassed sewer traps and spread into the homes.

NH Celebrates Homecoming

North High School will celebrate Homecoming this Saturday, October 12, with a number of special activities.

Festivities will get underway at 12:30 p.m. with a parade of marching bands, floats and cars leaving Montclair School and traveling up Cook road to Morningside drive and from Morningside to North.

Kick off time for the game between the Roseville Grizzlies and the Norcrossmen is 2 p.m. Half time will feature a show by North's marching band with Nathan Judson conducting as well as the announcement of Homecoming Queen and winners in the float and car competition.

Later on, from 9 to 12 p.m., Autumn will play for a dance, the theme of which is David Bowie's "Changes."

In charge of planning, preparing and promoting the 1974 Homecoming are Chris DeCoster, Student Association president, who oversees all the events; Rob Seski, vice-president, who is in charge of the homecoming court and queen; Lisa Schaefer, secretary, who handled tickets and invitations; Julie Siebert, treasurer, who took care of decorations; Lynn D. Prisk, corresponding secretary, who handled publicity; and David Howell, activities director,

who took care of refreshments.

Donald Dungan is sponsor of the Student Association.

Vandal Strikes Barnes School

Someone kicked in a door at Barnes School, 20090 Morningstar drive, shattering a window, and causing an estimated \$200 damage, said Woods police.

The destruction was discovered early Sunday morning, September 29, by Officer Jack Treppa, who was on routine patrol. He checked the interior, found no one inside and reported there were no signs that a burglary had been committed.

Detective Everett Plumb contacted Principal Jack McMahon Monday, September 30. Mr. McMahon stated he didn't feel the building was entered as a complete check was made and no articles were discovered missing.

He added this was the third time since June that a wire window had been broken at the school.

Mr. McMahon was advised patrol units would give the school special attention in an effort to nab those responsible for the destruction.

This generation is turning to higher things—particularly the higher cost of living.

Lion Gridders Drop 3 Games

Five fumbles cost the Grosse Pointe Lions varsity game in a 13-6 loss to the St. Clair Shores Green Hornets Saturday, October 5.

An otherwise fine offense led by Todd Platt, who drove in for the only score, and Mark Raymond, who picked up several critical first downs, played a "ball control" game behind excellent blocking from their forward wall.

A strong defense led by the tackling of Greg Drals and Dan Sullivan kept the opposition in check except for two long gainers which resulted in two touchdowns.

The Lions played good, solid football, putting together their most consistent game of the season.

The Lions junior varsity lost its game, 20-0. The Green Hornets combined a fine passing attack with a steady defense to stop the Lions' offensive team.

Despite a staunch defense led by Doug Ross, Bob Codens and Mark Jennings, the freshmen team went down to defeat, 18-0, although they showed a tremendously increased spirit against a much heavier team.

The offensive team had difficulty in moving a heavier line despite the efforts of several players.

SH Comes Back with EML Win

By Damian Kiska
South High School had a rebirth in the Eastern Michigan League, (EML).

The Devils defeated Sterling Heights Stevenson at South 16-7 on Saturday, October 5.

East Detroit, the only league team that beat South, was trimmed by Roseville, 8-6, and Port Huron Northern was beaten by undefeated Mount Clemens. This put South in a three way tie for second, with South playing Mount Clemens Saturday, October 12.

The Devils rebounded from a 7-0 halftime deficit to come back for their win over Stevenson.

The first half failed to show anything good for the Blue Devils as the Titans scored in the second quarter on a 10-yard run after a fumble by Jeff Welscher on his own 11.

However, South came out in the second half as a whole new ball team. From the opening kickoff return, South started to dominate the Titans.

On the first drive of the second half, the Devils marched to the Titan two-yard line, setting up a two-yard touchdown plunge, by junior Bruce Kennedy, who also ran in the two point conversion.

In the fourth quarter, Kennedy popped in from the two and junior Dave Wyboraki scored the two-point conver-

Interfaith Center Offers Recorders Court Seminar

A six-week seminar, "Paradon Our Courts," to be held at the Grosse Pointe Interfaith Center for Racial Justice, will give a comprehensive view of Wayne County Recorders Court.

The seminar will be held every Wednesday evening, beginning October 16, at 7:30 p.m. at the Center, 15222 E. Jefferson avenue.

A Recorders Court study undertaken by the Center's Equal Justice Task Force and directed by Pat Schneider was recently published by the Wayne State University Press. The study, "Justice: Is It Just? Is It Equal?" unearthed numerous facts about criminal justice in the county.

The text will be used in the course along with guest speakers who are familiar with the complex issues involved in criminal justice.

John Barkal, director of the Criminal Adversary Program in Recorders Court, will be the guest speaker at the first meeting. Topic that evening will be "An Overview of the Court System."

Neil Bush, a member of the defense counsel for the Attica Brothers, will discuss bail bond and its alternatives on October 23.

"What Comprises a Quality Defense?" will be the topic October 30 when Sheldon Halpern is guest speaker. Mr. Halpern is an attorney and former staff member of the Detroit Defenders Office.

Plea bargaining will be discussed by Mike Sapala, a former Wayne County Assistant Prosecutor, on November 6. The attorney assignment process in Recorders Court will come under scrutiny November 13 when Lou Heldman, a Detroit Free Press reporter who covered the courts, speaks.

The final meeting on November 20 is entitled "The System." Arthur Tarnow, a legal consultant for the Team for Justice and a former appellate defender for the State, will be guest speaker.

There will be a question and answer session after each discussion.

The fee for the entire seminar is \$10, or \$2 for individual meetings. These may be paid at the door. Checks may be sent to the Grosse Pointe Interfaith Center for Racial Justice, 15222 East Jefferson, Grosse Pointe Park 48230.

The text is included with the course.

Austin Bows To U-D, 26-13

By Paul T. Deas

U-D's devastating ground game led by co-captain Ron Robinson made the difference as the Cubs beat Austin, 26-13, in league action Sunday, October 6.

The Cubs scored first on a 36-yard run by Ron Robinson, the first of his two touchdowns. Peter Lambropoulos kicked the extra point. Austin came back in the second quarter with junior Tom Kasunic capping a long drive with a one-yard plunge. The extra point attempt was missed.

The teams traded touchdowns again before half time. U-D quarterback Darryl Robinson hooked up with Keith Jackson for a 40-yard touchdown pass. The extra point attempt was blocked by senior Tom Charbeneau.

The Friars scored on a one-yard quarterback sneak by sophomore Joe Sabatella. The touchdown was set up by Sabatella's pass to senior Phil Russo. Junior John Pollack kicked the extra point. The half ended as Austin's Brad Merrill intercepted a Darryl Robinson pass.

U-D did all the scoring in the second half. Jackson caught another touchdown pass, this one for 25 yards. Lambropoulos kicked the conversion again. Then Ron Robinson went in from the five for his second touchdown.

Austin's offensive efforts in the second half were hurt by two fumbles and a pass interception. Strong running performances were turned in by juniors Kasunic and Keith Kroll, a transfer student from University Liggett.

The Friar's record currently stands at 1-3 for the season and 0-2 in league.

Burglar Takes Lottery Haul

Lottery tickets, receipts for more than one day's sale of tickets and lottery ticket money were stolen from the Verdonck Bakery, 15046 Mack avenue, some time between midnight and 3:30 a.m. Friday, October 4.

George Verdonck, owner of the bakery, called Park police at 3:32 a.m. when he discovered the theft while opening the baking operations for the day.

One or more burglars entered the rear of the building and forced open a locked door which divides the baking and retail sections of the store.

The missing items, taken from the retail section, were in a small gray metal box, a shoe box and a paper bag. Police are still investigating the case.

Highly engineered roadways call for additional skills on the part of the driver. Before a driver enters an expressway, it's very important that he thinks again of all the important facets of expressway driving. If, for example, you are not going to fit neatly into the flow of traffic in a fast highway, use a regular road. Also, you must use more advanced concentration and alertness. You must act in advance of your normal driving habits. Remember these things before you drive on any fast highway.

One View From The Capitol

By William R. Bryant, Jr.

Proposal B on the November 5 ballot is for a Vietnam Veteran Bonus.

In case this issue sounds familiar, there was a question on the 1972 ballot pertaining to a bonus for Vietnam veterans, but it was a much larger and more controversial proposal.

The question two years ago included payments for tuition and the total amount of the bond issue was more than twice the amount of Proposal B.

The language of the ballot is: "The proposal would (1) authorize the State to provide veterans of Vietnam and other conflicts who served between January 1, 1961, through September 1, 1974, with a service bonus;

and (2) authorize the State to borrow the sum of 205 million dollars for this purpose; and (3) authorize the state to issue general obligation bonds therefor; and (4), provide for repayment from the general fund. Should this proposal be approved?"

And you vote "yes" or "no" on the question. For each of the major wars or conflicts since World War I, the State has provided a bonus to veterans.

If ratified by the voters, Proposal B would authorize the State to finance a bonus of \$600 maximum for combat veterans of the Vietnam war, and would authorize a \$450 bonus for Vietnam era veterans who served on a non-combat basis.

As I mentioned before, veterans of prior wars have been given similar bonuses. My personal view is that it is appropriate that bonuses be given again.

In fact, it seems particularly necessary that we show in tangible manner our gratitude to the thousands of Michigan veterans who served. I will vote "Yes" on Proposal B.

Soccer Program Draws Large Turnout at Club

By Barbara Bruno

"Soccer, n. The most common international type of football, in which two teams of 11 men each on a rectangular field with net goals at either end maneuver a round ball mainly by kicking, butting or by using any part of the body except the arms or hands in attempts to score points."

—The American Heritage Dictionary

Not only is this game an international favorite. It's now being played on a local level, right here in beautiful Grosse Pointe.

The Neighborhood Club, for the first time, is sponsoring soccer clinics and a league for youths in the fourth through eighth grades and the response, for a game not typically played on American turf, was phenomenal.

Program Director Mike Kenyon said 130 youngsters are participating in the program, 100 from grades 4-6 and 30 from grades 7 and 8.

"We didn't anticipate the large turnout," said Mike. "We thought if we got 50 kids we'd be lucky."

He noted the club tapped a different clientele with the activity since many foreigners and people who knew nothing about the club have joined. He said no more than 10 percent knew what the game was all about.

"Since soccer is a non-contact sport, the low injury factor probably impressed many parents who encouraged their children to join," he speculated.

Mike added the low cost of the program, \$8 for 16 lessons, was also an attractive feature. Classes began Tuesday, September 17, and last through Tuesday, November 19.

ULS Gridders Roll On, 26-0

By Frank T. Judge III

The unheralded University Liggett football Knights routed Hamtramck, 26-0, on Friday, October 4, for their fourth straight victory and second conference win.

Four players scored for Liggett, which had a touchdown in each period. The scoring opened on a 28-yard pass play from quarterback Whit Boyd to flanker Bill Albrecht. Senior fullback Mark McKee powered across the goal line for the two point conversion.

Liggett scored again in the second quarter as Boyd intercepted an overthrown pass and scampered 55 yards along the sideline for the touchdown. The conversion attempt was unsuccessful.

The Knights added to this 14-0 half time lead marching 49 yards in six plays climaxed by Frank Judge's seven-yard end sweep. The scoring ended on the first play of the fourth quarter as McKee scored on a one-yard plunge. On both touchdowns, the attempts to kick the extra point failed.

In the victory, Liggett netted 278 yards in total offense while their highly touted defense held Hamtramck to 98. McKee led the ULS offensive attack gaining 103 yards in 19 carries. Defensively, Liggett head coach Tom Taber was pleased with the squad and added that line-men Joe Carolan, Jim Swan and Drew Miller, along with linebacker Bob Neville, played "super" games.

The Knights tackle last year's Metro Conference champions, Lutheran West, in a contest Friday, October 11.

The Blue Water League has eight teams with The Pointe squad being the only Michigan entry. Other clubs include Belmont, Ont.; Petrolia, Ont.; Parkhill, (London, Ont.); Point Edwards, Ont.; Forest, Ont.; Watford, Ont.; and Lucan, Ont.

Admission prices are as follows: adults, \$1.25; children between 12-17 years of age, 75 cents; and children under 12 will be admitted free if accompanied by a parent.

For further information, call the rink at 885-4100.

5. The last four weeks will be spent in mini-league tournament play. Sessions are held twice weekly on Tuesday afternoons, 5:30-7 p.m., and Saturday mornings, 9:30-11:30 a.m., at Brownell Middle School.

Included in the sessions are drills in dribbling, passing, shooting, goal tending and trapping as well as warm-up exercises.

Instruction is provided by two paid instructors. Gerry Bencich played soccer for three years at Western Michigan University and was a member of a team that won 37 straight games.

Agostino Hardin, the second instructor, has played amateur soccer in Detroit for the past four years.

Seven volunteers also are assisting the program. They are Jim Collis, Keith Dunham, Vjeko Mikelic, Richard Rosinski, Tom Shore, Alex Szermaj and John Wilson.

"We are still in desperate need of more volunteers since the large turnout of boys was not expected," Mike said. "Volunteers don't have to have knowledge of the sport but work in a supervisory capacity helping the boys complete the drills."

Mike said he thinks the popularity of soccer increased in this country after the large amount of publicity given to the World Soccer Cup competition this past summer. A film from the 1970 World Cup games will be shown to the youngsters during one of the soccer clinics.

"We would like to hold clinics throughout the year that would serve as training for the fall season," Mike said. "And next year we will divide the kids into smaller groups. We didn't have that kind of hindsight this year."

He added perhaps next year some girls will sign up for the program. Although it was open to both boys and girls this year, not one girl registered for the sessions.

Persons interested in finding out more about the program or assisting the instructors should call the Neighborhood Club, 17150 Waterloo, at 885-4600.

Home Opener Set for Skaters

The Grosse Pointe Sherwood Forest Hockey Club, a Senior A team which participates in the Canadian Blue Water League, plays its opening home game Saturday, October 12, against Novi at the Grosse Pointe Community Rink, 4831 Canyon. Game time is 8 p.m.

Last season the team, which boasted a 63-2-1 record, was out of St. Clair Shores but this year they will make The Pointe their home. With that impressive record, Sherwood finished second to Minnesota in the United States Senior Nationals.

The Blue Water League has eight teams with The Pointe squad being the only Michigan entry. Other clubs include Belmont, Ont.; Petrolia, Ont.; Parkhill, (London, Ont.); Point Edwards, Ont.; Forest, Ont.; Watford, Ont.; and Lucan, Ont.

Admission prices are as follows: adults, \$1.25; children between 12-17 years of age, 75 cents; and children under 12 will be admitted free if accompanied by a parent.

For further information, call the rink at 885-4100.

What Goes On at Your Library

By Arthur Woodford
Chief of Central Library

It didn't really all start with Brando in "The Wild One," but since that 1953 movie, the motorcycle rage has come a long way. Thierry Sagnier's BIKE! MOTORCYCLES AND THE PEOPLE WHO RIDE THEM, (Harper & Row), surely packs more of the mystique, lore, roar and excitement of Harley's, Hondas, Choppers and other two-wheel beasts than any other book on the market.

Mr. Sagnier's style is by turn terse, tense, idling, thoughtful and colorful; he knows and uses the lingo of the biker's world in hot blood, but he's lucid and straightforward in making his points.

He writes fairly of the bad image America's motorcycle buffs have suffered from the Hell's Angel-Wild One syndrome. Clubs, he says, aren't necessarily "gangs" — why hound bikers like outlaws or psyche them a la Freud, who never had a motorcycle anyway?

This book is jam-packed with an insider's information on the motorcycle world — bikes, people, racing, the future — included are over 70 excellent photographs.

Mr. Sagnier's book is a good one, but it is only one of a number of new titles on motorcycles and motorcycling now available at your Grosse Pointe Public Library.

Two very fine histories are included in our collection: THE GREAT MOTORCYCLES; HISTORIES OF 22 MAKES, (Cycle World), by Geoffrey Wood and Richard Renstrom, and A HISTORY OF THE WORLD'S MOTORCYCLES, (Harper & Row), by Richard Hough and L. J. K. Setright.

Researcher Wood and sportswriter Renstrom have written a comprehensive history of the progress, achievements and reputation of 22 world-famous motorcycles.

The men and the events of international motorcycle racing are interwoven with the history of each machine, and the people involved are made visual as the authors described and unadorned engineering of the exotic racing models and their impact on the industry, economy, and competitive sport of each country.

The Hough and Setright book begins with the earliest development of motorcycles in Europe and Great Britain at the end of the 19th century and continues the story right up to the advent of the lightweight Hondas and Yamahas. This well-written and finely illustrated book will appeal to the general reader as well as to the automotive and motorcycle historian.

For those of you who want to repair your motorcycle,

no matter what its size or shape, I recommend MINI-BIKE SERVICE MANUAL written and published by Intertec Publishing Company.

This is a comprehensive survey of minibikes illustrated with many clear drawings and diagrams of engines and other working parts. The fundamentals' section describes briefly Otto, diesel, two-stroke and four-stroke cycle engines, three types of carburetors, several ignition systems, engine power and torque rating, trouble-shooting and repairing.

The vehicle section discusses 30 makes of minibikes giving information on vehicle maintenance, adjustment and overhaul and engine maintenance. Thirteen engines and their maintenance and repairs are covered in the final section.

We also have a series of other service manuals in our collection such as Chilton's BMW MOTORCYCLE REPAIR AND TUNE-UP GUIDE, and Chilton's HARLEY-DAVIDSON SINGLES REPAIR AND TUNE-UP GUIDE, which covers all two-stroke and spring models from 1947 to 1972.

There are nearly 20 million motorcyclists in the United States. Analyzing them all is impossible, yet Lee Gutkind in his book BIKE FEVER, (Follett), makes an enviable attempt.

He explores the history and functioning of the machine, as well as the mythology, psychology and sociology of its riders — the commuters, the racers, the trail-riders, the daredevils and the gangsters; from Evel Knievel and Lawrence of Arabia to the Hell's Angels.

Mr. Gutkind discusses the controversies surrounding safety and ecology fairly and sensibly, but he is at his best when describing his own cross-country 34 state tour on a big BMW 600.

This is an intelligent book, mainly for those who have never stomped a kick starter; and it succeeds commendably in capturing the mystique and magnitude of this growing pastime.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Melody of Fashions is topic for discussion at Lochmoor today, where members of the Grosse Pointe Symphony Women's Committee and their guests, gathered for the Committee's first meeting and luncheon of the 1974-75 season, will hear all about a benefit dinner-dance featuring holiday/resort plumage for women AND men.

Mrs. Walter Isley and Mrs. Michel A. Skaff, co-chairmen of the fund-raiser, are among those giving reports at the 11 o'clock meeting.

They've booked the Grosse Pointe Yacht Club for their Friday, November 1, gala.

Also reporting is Mrs. Louis Duenweg, head of the concert receptions committee, who will announce her hostesses and tea pourers for the Symphony's first post-concert party this Sunday afternoon, October 13, at 2 o'clock.

This is a fixer-upper.

It does the most marvelous things. Like it can give your hair body. And make it glister. And keep it from going flat in the rain. And even add a couple of days between settings. Not everybody needs a fixer-upper, but most people do from time to time. We watch for when you need one and then we prescribe the right one and then we watch for when you need one again. If your hair could use a little fixer-upper, see us. Office hours by appointment, six days a week.

Tuesday Musicales Season To Open

Program in Fries Auditorium Will be Followed by President's Reception in Crystal Ballroom Where Orchids Will Provide Touch of Elegance

MacIntosh, of Birmingham.

She also has won the Lenore Berup Memorial Award at the Washington, D.C. International Competition for Strings.

Her most recent honor in addition to the Tuesday Musicales Award is the Stanley Medal, highest award granted by the University of Mich-

Schedule First Coffee Concert

Music of three 20th-century Russian composers will be featured at Detroit Symphony Orchestra concerts in Ford Auditorium this evening, Thursday, October 10, at 8:30 o'clock and Friday morning, October 11, at 10:45 o'clock.

DSO music Director Aldo Ceccato will conduct. Soloist will be pianist Agustin Anievas performing Rachmaninoff's Piano Concerto No. 4.

Other works on the program are Prokofiev's "Classical" Symphony and Shostakovich's Symphony No. 9.

Friday morning's concert is first in a series of five NBD Coffee Concerts.

The Coffee Concerts, presented throughout the season in cooperation with National Bank of Detroit, offer mid-morning audiences a chance to relax over complimentary coffee and doughnuts starting at 9:30 o'clock. A short fashion show will be presented by Crowley's immediately preceding this week's concert.

Future NBD Coffee Concerts are scheduled for December 6, January 24, February 21 and April 11. Group discounts are available at 100 NBD offices.

Agustin Anievas was born in New York where his mother, a piano teacher, had emigrated from Yucatan. He studied with Adele Marcus at the Juilliard School of Music.

At four he was determined to become a concert pianist. At 12 he gave a recital in Mexico's Palace of Fine Arts. He first appeared with the DSO in 1963, in Ford Auditorium and on tour. He has recently recorded the Rachmaninoff Concerto No. 3 with Aldo Ceccato.

Just as Prokofiev's First Symphony, (1916-17), reinterprets the spirit and manner of the "Classical" style of Mozart, so Shostakovich's Ninth Symphony, (1945), looks back to the style of Haydn whose symphonies Shostakovich regularly played at the piano during its composition.

Rachmaninoff's Concerto No. 4, (1926-41), likewise evokes an earlier age — in this case because Rachmaninoff's whole life was an anachronism which carried the tradition of 19th century romanticism far into the 20th.

Tickets for Thursday evening's concert at \$7.50, \$6.50, \$5.50, \$5, \$4.50, \$4 and \$3.50 are available at Ford Auditorium Box Office, 961-0700, all Hudson's and Grinnell's ticket outlets.

A limited number of tickets for student and senior citizens is available at Ford Auditorium Box Office beginning at 7:45 o'clock Thursday night.

Friday morning's concert is sold out.

MacDonald Travel Company and he is a creative specialist with the E. F. MacDonald Incentive Company.

For her wedding the former Miss Miller chose a silk organza over taffeta princess gown styled with a bib of Cluny lace embroidered with pearls. Her long, fitted sleeves were fashioned of matching lace and pearls as was the deep ruffle circling her chapel train. Venice lace appliques accented her A-line skirt.

Twelve Pointers Enjoy An Interlochen Summer

The National Music Camp at Interlochen was summer setting for 12 talented young Pointers. Among those participating in the eight-week session of concentrated study in the arts was Piano major Barbara J. Beil, 13, daughter of Mr. and Mrs. Leo J. Beil.

A camper since 1971 Barbara also has studied oboe and ceramics and sung in the Intermediate Chorus. She studied piano with Faith Forrest and oboe with John Bentley. Her favorite Camp sports were tennis, canoeing and archery.

Barbara is oboist with the Saint Clare de Montefalco School Orchestra. She is an eighth grader at Saint Clare. She has been a piano student for the past five years and presently studies piano at home with Tamara Fields.

"Interlochen is fun," she says. "You learn a lot. Everybody enjoys it."

Viola major Julia Berry, also 13, is the daughter of Mr. and Mrs. Sterling P. Berry. This was her second summer at Camp. She studied nature lore and was a member of the Intermediate Chorus and Intermediate Cadet Orchestra.

She especially enjoyed swimming and canoeing during recreation periods.

Julia is a freshman at Grosse Pointe South High School where she plays viola in the Symphony Orchestra. She has studied with Wendy Eliason and is presently studying with Pam Rapalee.

She terms Interlochen "a great experience for anyone attending — you can't help but love it. It's so beautiful and is an inspiring place for musical study."

Virginia Berry, Percussion major, 12, Julia's sister, is also a second-year camper. She was a member of the Intermediate Band and Chorus and also studied nature lore. Her percussion teacher was Scott Stevens.

Fontainebleau Talk Tonight

The Reverend Father Joseph Rekas, a member of the Grosse Pointe Alliance Francaise, lectures this evening, Thursday, October 10, at 8 o'clock in the Grosse Pointe War Memorial on Fontainebleau: Une Maison Des Siecles. The talk, in French, will be accompanied by color slides.

Father Rekas is a member of the Norbertine order. He was born in Hungary and has been in the United States since 1952.

He earned his Doctorate at Fordham University and holds degrees from the University of Budapest and the Sorbonne. He has taught and lectured in Hungary and France.

For the past 15 years Father Rekas has spent his summers in France and other Western European countries. Among his special interests is contemporary French theatre; his annual May and June sojourns in Paris permit

him to catch the end of the big theatrical season.

The palace of Fontainebleau, chief glory of French Renaissance architecture, was built by Francis I and expanded by later monarchs. It was long a favorite royal residence because of the excellent hunting in the vast forest of Fontainebleau. Many famous artists, including Benvenuto Cellini, contributed to the beautification of its interior.

Napoleon signed his first abdication at Fontainebleau in 1814.

A light refreshment will be served following the lecture, which is free to Alliance members and their guests. Mrs. William Martin and Mrs. Roman Forish are hostesses for the evening.

Prior to the program Alliance President Helen Tourney and Dr. Garfield Tourney will honor Father Rekas at a dinner in their Washington road home.

The newlyweds are at home in Marblehead. They plan a vacation at Dorado Beach, Puerto Rico.

Out-of-town guests included the bride's brother-in-law and sister Mr. and Mrs. Michael Petteys, of Plymouth, and Miss Ina O'Neill, of North Deepfields road.

Patients, staff and volunteers were among the first customers in the Rehabilitation Institute's new gift shop which officially opened at 10:30 o'clock Monday morning, October 7.

Located in the lobby of the Institute in Detroit's Medical Center, it is decorated in a vivid yellow and orange motif with contemporary accents.

Opening of the facility, which offers greeting cards and wraps, flowering plants, toiletries, toys, small gifts and jewelry marks the culmination of the largest single project to be undertaken by the Institute's 250-member Auxiliary, just three years old. Volunteers will serve as sales personnel.

"We've had a roving gift cart for some time," said Mrs. Gerald E. (Joan) Warren, of Merriweather road,

president of the Rehab Auxiliary, "but our new shop will complement one of the basic concepts of physical medicine and rehabilitation: to get patients moving again, even if they're on a stretcher cart or in a wheelchair."

All proceeds from the sale of merchandise will be returned to the Institute for purchase of necessary medical equipment for patients.

Among those on hand for the opening, besides Mrs. Warren, were Dr. Joseph N. Schaeffer, president and director of the Institute, Mrs. Joseph C. (Dottie) Smith, of Lakepointe avenue, an Auxiliary vice president in charge of the gift shop project, Mrs. William (Ginny) Peattie, Auxiliary past-president, and Mrs. Willard (Jane) Smith, of Colonial road, coordinator of the gift shop volunteer staff.

A Lovelier YOU

by JOE

What is your style? Only you can decide that. But when you choose clothes, choose something that fits your style. Choose "high-style" clothes — extreme styles, or way ahead of current fashions in your area — only if you have a fine figure, a generous clothes allowance, and expect your clothes to be noticed and discussed. On the other hand, remember that understatement in clothing can become dull and monotonous.

So many teenagers today have long hair and think that hair cuts are not necessary. At GROSSE POINTE COIFFURES, 20427 Mack Ave., 884-2090, we feel that long hair should be properly cut once every six weeks. As a matter of fact, we will even teach you how to properly care for your hair between the cuts. We are experts in hair-cutting and give precision hair cuts, bias cuts, scissor and razor cutting.

Help For Dirty Diamonds

Have your diamonds lost their sparkle, your emeralds their fire; do your rubies look dull? Chances are, what they need is a good cleaning: it's one of those things we all tend to leave a bit too long.

Besides, it's a drag to cart a tiara along on a trip to the supermarket in order to run it in later to the jeweler next door, and the Energy Crisis being what it is, it's downright unpatriotic to make a special trip JUST to get a slightly more sparkling tiara.

If this is your problem, your worries are over. Saint Paul Altar Society's "Salute to the New Village" next Wednesday at the Grosse Pointe Yacht Club will feature, along with cocktails, luncheon, a Mini-Mart of Village merchants' wares and fashions by Walton-Pierce, (they go very well with good jewelry), an in-person jeweler who'll clean up any treasures you care to bring along, for a nominal fee. All proceeds going to the Altar Society, of course.

Mrs. Joseph M. Scanlan is Society president. Mrs. Thomas K. Fisher is honorary chairman of the New Village Salute. Mrs. Charles D. LaFond is general chairman, Mrs. Hamilton Kotcher co-chairman.

Committee chairmen include Mrs. Michael A. Tusa, Mrs. William L. Hurley, Mrs. Lorenzo Brown, Miss Luella Godfrey and Mrs. R. E. Thibodeau. Hostess chairman and co-chairman are Mrs. Edward Schoenherr and Mrs. John T. Huntington, Jr.

piano. Studying at Interlochen was an enjoyment for Ellen. It gave her the opportunity to spend the summer exclusively with the arts.

Grant Garrett, Trumpet major, 18, son of Dr. and Mrs. Francis G. Garrett, has been a camper since 1972. His studies also included voice and jazz arranging. He played in the High School Concert Band and Stage Band (Jazz). Grant is a junior at Culver

Military Academy where he is in Brass Choir and the Concert, Stage and Lancer Bands. He participates in school sports—varsity soccer and varsity track (pole vault)—and holds rank of sergeant.

Grant has studied trumpet for two years and is presently a student of Mr. Earl's in Culver, Ind.

New camper Peggy Gillis, Piano major, 15, daughter of Mr. and Mrs. Philip A. Gillis, selected additional studies in music theory and clarinet. She found sessions of piano ensemble work very interesting. Her teachers were Andry Dutkiewicz, piano, and Robert Rose, clarinet.

Recipient of a partial scholarship from the Grosse Pointe South High School Mothers' Club, she lists swimming and tennis as her favorite sports.

Peggy is a sophomore at Grosse Pointe South, in the Marching Band and Ski Club. At home she studies piano with Ruth Burezyk and clarinet with Bill Zeldner.

Her recent musical accomplishments include two first ratings in district festivals in piano solo and clarinet trio, superior ratings by the National Federation of Music Clubs and a 96 percent rating by the National Guild of Piano Teachers.

"Interlochen was really nice and I hope to go again next year," she says.

David Gregory, Composition major, 20, son of Mr. and Mrs. James Gregory, has been an Interlochen Camp Scholar since 1972. This past summer he was a University Division student of piano and composition. Dr. George B. Wilson was his composition instructor.

David also was graduated this summer from the University of Michigan School of Music.

He has established a touring company called "The New Kinetic Consort" with Interlochen dance instructor Cathryn Williams. This collaborative group of musicians and dancers plans to spend early autumn on the West Coast and eventually establish residency in New York.

His piano studies at home were with Virginia Shover. Karen Muer, violin major, 12, daughter of Mr. and Mrs.

Charles A. Muer, has concluded her second summer as a camper. Her studies also included ceramics, art and crafts and modern dance.

She was a member of the Intermediate Cadet Orchestra. Her violin teacher was Patricia Berg. Archery and swimming were her favorite sports.

Karen is an eighth grader at Saint Clare de Montefalco School where she plays in the Orchestra and is a member of the Grosse Pointe Junior Symphony. Her violin teacher at home is Louise Lawrence.

"I like Interlochen a lot and I'm going again next summer," she says.

Leonard E. Swanson, Tuba major, 17, son of Mr. and Mrs. Leonard O. Swanson, spent his first summer as a camper. His teacher was Rex Connor. He played tuba in the World Youth Symphony Orchestra and High School Symphonic Band and did tuba ensemble work.

He attended camp on an Interlochen Camp Work Scholarship as well as an Interlochen Camp Scholarship and another from the Grosse Pointe South Band and Orchestra Scholarship Fund.

Leonard was one of six Detroit area students who captured top honors at the annual awards convocation at the end of Camp. His award was a half-tuition scholarship to the University of Michigan.

He also plays trombone, recorder and piano. His sports activities included swimming and soccer.

He is a senior at Grosse Pointe South High School where he is a member of the Band, Orchestra and Choir, serving as Band and Orchestra president. He is in the National Honor Society.

At home he studies tuba with Abe Torchinsky of the University of Michigan School of Music. He has been in the All-State Honors Band for two years and has won first state festival ratings for the past three years.

"I really enjoyed the experience of Camp," he says. "I found myself having to play my best at all times to maintain my position of first chair in the orchestra."

Jan Thorwaldsen, Double

Bass major, 17, daughter of Mr. and Mrs. Stanley E. Thorwaldsen, was a first-time camper. She attended the All-State program in 1972-73.

She also studied music theory and played in the World Youth Symphony Orchestra, High School Concert Orchestra and string ensembles. Her Camp teacher was Professor Lawrence Hurst, of the U. of M. School of Music, with whom she continues double bass studies at home.

She attended camp on an Interlochen Camp Scholarship, a Michigan Youth Symphony Orchestra Scholarship and a grant from the Grosse Pointe Symphony Society.

Sailing took precedence over all other sports.

Jan, a senior at Grosse Pointe South High School where she plays in the Symphony Orchestra, says, "I really loved Interlochen — and I gained a lot of discipline from the Camp experience."

John P. Wilhelm, Classical Guitar major, 21, son of Mr. and Mrs. Johann Wilhelm, attended camp as a University Division student with

additional studies in composition and American Literature. John, a first-time camper, studied classical guitar with Michael Smith. His teacher at home was Robert Reverb.

Presently he is preparing to attend the California Institute of Arts in Valencia as a junior Music major, (performance).

"Interlochen has an excellent faculty — and its surrounding atmosphere of arts and nature is really great," he says.

The Camp's schedule of headline performers has always been outstanding and last summer was no exception. Featured were pianist Van Cliburn with the World Youth Symphony Orchestra conducted by Dr. George C. Wilson, Camp director; the Count Basie and Woody Herman Bands and the United States Air Force Band conducted by Colonel Arnold D. Gabriel; the First Chamber Dance Company of New York and the Detroit Symphony Orchestra conducted by Aldo Ceccato.

Pointers at Interlochen

Interlochen Photo by Mary Hahn

Relaxing on the waterfront behind Kresge Auditorium at Interlochen are some of the young Pointers who attended Interlochen National Music Camp this summer, (back row, left to right), GRANT GARRETT and JOHN P. WILHELM, (center, left to right), ELLEN CLARK, JAN THORWALDSEN, LEONARD E. SWANSON and VIRGINIA BERRY, and (front), PEGGY GILLIS. Pointers Barbara J. Bell, Julia Berry, Richard Bowers, David Gregory and Karen Muer were Interlochen campers this summer too, but their schedules called for work rather than relaxation when the picture was taken.

Shopping for a Home?

You'll find an elegant new high quality condominium home in the Jefferson Apartments compares favorably with the current market for fine homes in Grosse Pointe.

And there are the extra advantages of security, convenience and service.

Not one, but a network of the most modern security systems guard you, your home and your possessions.

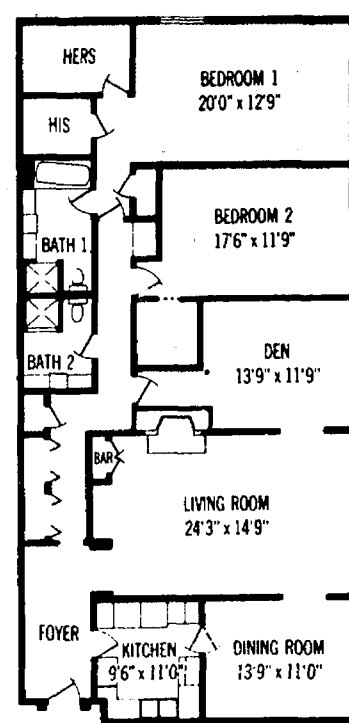

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. THE ENTRY COMMUNICATIONS SYSTEM enables a resident and a caller to have a private conversation using the touchtone panel telephone in the lobby. AN ON-GUARD ALERT SYSTEM notifies of an intrusion into any apartment when the occupants are away. The doorman or manager activates the apartment security supervision at the request of the owner. THE FIRE PROTECTION ALERT SYSTEM notifies each individual occupant of a fire in an unoccupied apartment. Further elements of security and service are the uniformed doorman attendant and around the clock resident caretakers.

Here is a typical spacious floor plan and interiors of an apartment home which features 9 foot ceilings, individual gas heating and cooling, top of the line G.E. kitchen, with icemaker and washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces.

There are three separate elevators and approximately 1,000 square feet of private storage. Exterior maintenance, gardening and snow removal are arranged for a monthly fee. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages. Located 2 blocks from a park with boat slips, 3 blocks from Grosse Pointe shopping, 20 minutes from downtown Detroit by bus.

Model open 12 to 5 daily except Wednesday. Enter on Neff or St. Clair Roads. Priced from \$73,394.

SELLING YOUR HOME?

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, once you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five houses simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

Pointer of Interest

BETHINE S. WHITNEY, II, OF VENDOME ROAD

By Janet Mueller

She's sugarplum fairy pretty, Alice in Wonderland just a little bit older, so it's rather a shock to discover the practical streak. What Beth did after two years at Briarcliff, an Urban Studies major—"I was going to reform the world"—was this: she spent six months at Detroit Business Institute "learning how to do something."

Then, skilled, she looked around for something to do. "I wasn't—I'm still not particularly interested in a 9 to 5 five days a week job." The Whitneys had lived in Muskoka road, with Mr. and Mrs. Ross Wilkins, Jr., as neighbors. When you're talking Planned Parenthood League of Detroit, sooner or later Mrs. Wilkins' name comes up. Ross has become pretty pro-Planned Parenthood over the years, too.

A Perfect Fit So when Beth, fresh from six weeks in Europe, secretarial-skilled and looking for something to do, dropped in to say hello to "Uncle Ross," the lightbulbs started exploding over his head, and he made a quick call to Planned Parenthood's headquarters in the Professional Plaza Concourse Building, Woodward Avenue, Detroit, saying, in effect, "Have I got a girl for you?"

He certainly had. That was 1970. In 1974 Beth's a "professional" Planned Parenthood volunteer, Tuesdays and Thursdays are her Clinic days, and nothing, (except an out-of-town vacation), interferes with them.

"They were going to train me to be a receptionist and conduct interviews. Now interviews are handled by professional personnel only. "What do I do? . . . Well, everybody who comes in sees me first. I train most of the receptionist volunteers. I'm a Gopher—I go out for coffee, for whatever's needed."

Frees Up The Pros "It would be CRIMINAL to have a nurse spend her time doing what I do."

What Beth does, in short, is free up professional personnel to do their jobs. "We'd like to have two volunteers on duty each day. Unfortunately, we don't." One woman comes in regularly on Mondays; two, (including Beth), on Tuesdays and Thursdays. Friday the entire staff is at the Clinic, so the need for volunteers is not so great, but Wednesdays . . . "At the moment we have no Wednesday volunteers. There are always a lot of club meetings on Wednesdays . . ."

Anyone interested? "There are mailings to get out, filing, paper work, thousands of things volunteers can do at Planned Parenthood," Beth explains. "I really enjoy it: if I don't like

CLARK C. JOHNSON, of Meadow Lane, has been appointed a full-time Detroit College of Law faculty member. Professor Johnson, a 1962 University of Michigan graduate, received his Doctor of Law degree cum laude in 1970 from Wayne State University, has participated in a Practice Institute at Harvard Law School and formerly served as assistant attorney general of the State of Michigan. He served as a Lieutenant Commander in the Navy and is presently active in the United States Naval Reserve, the United States Naval Academy Foundation and the United States Navy League.

JAMES H. QUELLO, who has moved from Berkshire road to the Washington, D.C. area, to take up his responsibilities as a Federal Communications Commissioner, received Michigan State University's College of Communication Arts Alumni Association's Outstanding Alumni Award October 5, in ceremonies prior to the MSU-Notre Dame football game in East Lansing. He was keynote speaker at the event. Also honored were past-presidents of the CCA Alumni Association, including Pointer EDWARD D. DEEB, a founder and the organization's first president, (1971-72), who received gavel.

MRS. ROBERT C. CHOPE, of Hall place, was initiated as an honorary member of Phi Gamma Nu, national professional business sorority, at the group's 15th anniversary convention in St. Charles, Ill.

DR. HENRY B. MALONEY, of Hollywood Avenue, has been named vice-president and Dean of Faculties at the University of Detroit. Prior to joining U. of D. in 1963 as director of the Division of Teacher Education he

lined up volunteers for a two-hour Mart selling shift, Beth's made sure HER children's clothes saleswomen KNOW, (preferably HAVE), children.

The Holiday Mart is a three-day bazaar at which specialty shops from all over the country display and sell their wares. It will run October 15 through 17, next Tuesday through Thursday, at the Sentinel Center in East Jefferson Avenue.

Valet parking will be available all three days. Beth will be down at the Sentinel Center Tuesday during the day, setting-up, and plans to return for the Opening Night Party that evening.

She'll be at the Mart again Wednesday, checking on her 4 to 6 o'clock shift volunteers, perhaps finding a few last-minute replacements, (people can catch colds, sprain ankles: "the best-laid plans of mice and men . . ."). "I have quite a list of substitutes."

Post-Mart Relaxation Wednesday night she'll join 20 or so friends, volunteers she's recruited, for dinner out after the Mart day's done.

Her schedule is typical of Holiday Mart committee members who put in long hours before, during and after the Mart. The 1974 committee's headed by Mrs. Gordon T. Ford and Mrs. Henry H. Hubbard, III. Patron chairman is Mrs. Benson Ford.

Mart hours are 5 to 9 o'clock Tuesday evening—that's the Preview Party, and it's as open to the public as the two following days—10 to 8 o'clock Wednesday and 10 to 5 o'clock Thursday.

From Another Pointe of View

(Continued from Page 19)

sponsored by the Grosse Pointe Branch of the American Association of University Women opens next Tuesday, and if you're glad about that, and the AAUW's glad about that, it's nothing compared to how glad the NEWS' Editorial staff is!

Because we're the ones who've been getting all the calls: "Just when is that Used Book Sale?" . . . "Is the Used Book Sale over yet?" . . . "I lost last week's paper; can you give me the number to call for Used Book Sale donation pickups?" . . .

This has been going on for months, (literally), the tempo picking up in the last few weeks — "Are you SURE the Used Book Sale isn't this week?" "Lady, I'm sure, I'm sure . . ."—and although the staff loves the Used Book Sale, although we support it in theory and practice, as used book buyers and donors, ENOUGH IS ENOUGH!

So PLEASE, if the Used Book Sale is your cup of tea, cut out the following portion of this column and put it in a safe place and DO NOT throw it out until the Used Book Sale is over.

The 12th Annual Pointe AAUW Used Book Sale will run Tuesday, October 15, through Saturday, October 19, at the Grosse Pointe Woods Presbyterian Church in Mack Avenue.

Tuesday through Friday hours are 10 in the morning to 9:30 in the evening. Saturday hours are 9:30 to 2 o'clock.

Prices are increased 50 percent Tuesday, reduced Saturday, with traditional "Bargain Bags" available during closing Sale hours.

AAUW members will, upon request, search for a particular book while they are organizing stock. A \$1 search fee will be charged ONLY if the book is found.

Search service may be arranged in advance by calling Mimi Krembel, 886-5091, or may be requested at the Sale.

Emma Wright, 885-8619, and Pauline McNeill, 882-8600, are in charge of donation pickup.
