Thursday, October 17
JOHN DEAN, listing his address as federal prison and his last job as counsel to the President of the United States, took the witness stand Wednesday and accused five of his old White House associates of participating in a massive Watergate cover-up. Virtually all of this first day's testimony was a repetition of the story Dean told the Watergate Committee last year.

Friday, October 18
FORMER PRESIDENT NIXON's lawyer said yesterday that Mr. Nixon's health is improving rapidly and he should be well enough to testify at the Watergate cover-up trial. U.S. District Judge John J. Sirica made it plain that he wants the ex-President on the witness stand before the trial is complete, but also stated that "nobody, including this court, wants to do anything to injure Mr. Nixon's recovery." Herbert J. Miller Jr., Mr. Nixon's chief lawyer, asked for three weeks before making what he said he expects will be a final medical report to the court.

Saturday, October 19
NELSON ROCKEFELLER, vice-president-designate, announced last night he will pay \$820,718 in additional federal income taxes for the past five years, as the result of audits by Internal Revenue Service. He said in letters to the two congressional committees considering his nomination that the IRS had reduced substantially deductions he had taken for office and investment expenses and for charitable contributions. He revealed today that he has given \$24.7 million for charity since 1957. It was the first full listing of charitable donations by any member of the Rockefeller family. He said he was making the list public because of the delay in reopening Senate hearings on his confirmation as vice-president, as he had requested.

Sunday, October 20
THE UNITED STATES and the Soviet Union have agreed to limit U.S. grain sales to Russia at least until next summer, Treasury Secretary William Simon announced yesterday. Mr. Simon said the Soviets would buy only 2.2 million tons of grain from the United States. Their remaining needs will be supplied by other nations. Russia also agreed to make no further purchases in the U.S. market this crop year, which ends next summer, Mr. Simon added.

Monday, October 21
PRESIDENT FORD said yesterday that he is willing to make public the tapes of any conversations between himself and former President Nixon in the White House prior to Mr. Nixon's resignation. The only condition Mr. Ford placed upon such disclosure was the approval of the Watergate special prosecutor. He also stated that Mr. Rockefeller's vice-presidential nomination is being scrutinized under "a pretty stringent standard" by Congress, but believes he will still be confirmed.

Tuesday, October 22
CHARLES R. RICHEY, U.S. District judge, issued an order yesterday temporarily blocking former President Nixon from getting custody of his White House papers and tapes, but allowing him to look at them in the meantime. He issued the order in response to competing motions asking him on the one hand to force the White House to stop giving out the materials and on the other hand to order them held in government custody. At present, the White House is to hold on to the papers.

Hope to Make Halloween Happy for Little Patients

The young patients at Saint John Hospital during Halloween won't miss all the trick and treating, thanks to Grosse Pointe Jacobson's and their Miss J Girls. The girls plan to come to Saint John's pediatric floor to entertain and dole out goodies. Leaf Fires Blamed on Halloween

Total of 56 Blazes Put Out by Pointe Firemen during Weekend of Oct. 18 through 20

A total of 56 leaf fires were put out by Pointe firemen the weekend of Friday, October 18, through Sunday, October 20. Fire chiefs are attributing the fires to youths on Halloween pranks.

Chief Joseph Vitale, of The Shores Public Safety Department, said this "is an annual thing at Halloween. The leaves are in large piles to be picked up and they get set on fire.

In one incident in The Farms, leaves were piled up in the middle of a street and set on fire.

Park Fire Chief Phillip Costa said burning leaves can cause asphalt to crumble. "The oil base under the asphalt is released by the fire and the asphalt crumbles away."

Chief Costa also pointed out that there is a county no-burning ordinance and a city no-burning ordinance.

Other spokesmen said there is also potential danger to telephone poles, trees and cars parked near the curb. Fire chiefs from all the Pointes suggest homeowners wet the leaves down so they are not dry enough to catch fire, nor let the leaves pile up. (Continued on Page 2)

True Friendship Theme Of Amazing Dog Story

By Roger A. Waha
"This is such a story!" exclaimed Max Lukas, head guard at the Grosse Pointe Yacht Club. "We felt people should know about it."

This unusual and heartwarming happening of which he says, "I've never heard anything like it before," is about two dogs, a St. Bernard and a miniature Schnauzer, both of whom participated in a harrowing adventure.

While at his post on Tuesday, October 15, the dogs, who apparently wandered away from their family's home in Detroit, walked into the Yacht Club's grounds. "I tried to catch them but they disappeared," he said.

Then a half hour later, the Schnauzer, who was bundled

Police Furnish Figures On Pointe Auto Thefts; Offer Protection Advice

Three Primary Categories of Thieves Cited; Luxury Cars Constitute Main Targets for Professionals and Strippers

By Roger A. Waha

Earlier this month, a 1974 Lincoln Mark IV, containing an estimated \$2,700 of tools in its trunk, was taken from the drive of a Wedgewood road resident. It has not been recovered at this time.

Over a week later, another Mark IV, with many pieces of athletic equipment, was snatched from an apartment bay of a Vernier road citizen. He was luckier than the other victim for his auto was recovered at the rear of 3003 St. Jean, Detroit, minus the articles.

Perhaps "lucky" is the wrong word for, according to information released by Woods police, the car wasn't drivable, five tires were taken, its ignition was punched and both inside sun visors were missing.

While stolen cars aren't a prominent crime in The Pointe area in comparison to other offenses, they are a costly one. In an effort to explore some aspects of this crime, along with hints for residents in protecting their autos, the NEWS talked with Woods Detective Everett Plumb.

Luxury Cars Targets
Luxury cars, such as Lincolns, Cadillacs, Buicks, Oldsmobiles and Chryslers, are more susceptible to being stolen because there's a fast market for them out of the State, he said.

Here, one focuses upon cars which can cost over \$6,000 with all those extras and up to \$10,000-\$11,000 in the case of a Mark IV, which the detective calls a "hot item."

Detective Plumb cited three primary categories of car thieves. First, there's the professional, who steals a car and turns it over to a handler who, in turn, contacts a buyer. In a small operation, however, the thief could handle everything himself.

Second, there's the indi-

Woods Ballot Sans Proposals

The Woods was recently advised that amendments to the city charter focusing upon retirement allowances for general employees and public safety employees, which was scheduled for voter approval at the Tuesday, November 5, general election, won't be on the ballot after all.

City Administrator Chester E. Petersen cited several reasons for this. One was that the council's resolution submitting the charter amendments to the electorate was submitted too late according to State statute. It had to be adopted 60 days prior to November 5; however, the council's action took place at the September 9 meeting.

Mr. Petersen stated, according to the attorney general's office, the ballot proposition exceeded the maximum 100 word limit, plus the fact the wording of the proposition wasn't clearly defined. "The attorney general's office implied that such amendments might be better accomplished through the collective bargaining process," he said.

As a result, this matter has been referred back to the Pension Board and the employees as to whether or not they will request the council to hold a special election or include it in negotiations for the 1975-76 contract, stated Mr. Petersen.

Farms Acts To Eliminate Rat Problem

Admits Both City and County Failed to Follow-Up after Residents Filed Complaints

By Barbara Bruno

Farms City Manager Andrew Bremer at The Farms Council meeting Monday, October 21, reported to McKinley avenue residents that their continuing problem with rats in their neighborhood was due in part to "a complete lack of follow-up on the part of the County and city departments."

Mr. Bremer said The Farms is now working to eliminate the rodents and has baited sewers in the street and will check them every three months. He said there was evidence that some animals, most probably rats, had been eating the bait.

Residents Complained
Residents came before the council Monday, October 7, complaining of the problem and the inadequate solutions provided by the Wayne County Department of Health. They said at that meeting Farms officials told them to contact the county about the rodent problem since they have a rodent control division.

Mr. Bremer said The Farms should have provided a solution. He added that the city is now in the process of monitoring the problem.

Mr. Bremer explained three approaches The Farms is taking at present as a result of the complaint.

First, he said, Farms officials are going to "all down and look at our own system" to see where the flaws lie and to make sure that future complaints are kept active until they are solved.

Secondly, The Farms plans to meet with county officials to determine why the Health Department did not satisfactorily deal with the complaint.

In a third step, to eliminate communication gaps between Farms residents and officials, the periodic Farms newsletter to all residents will ask that those with problems that need solving or complaints about city departments contact The Farms.

Woods Proceeds To Replace Fired Crossing Guards

Hope to Have Minimum Required Number Hired This Week; Study Being Made by Public Safety Department

By Roger A. Waha

Three part-time crossing guards have been hired by the City of Grosse Pointe Woods, (as of Monday morning, October 21), after 17 guards were fired earlier this month when they failed to report to work Friday afternoon, October 11, after a city directive.

"We are proceeding to receive and process applications as they come in and hope to have a sufficient number of crossing guards by the end of this week," said City Administrator Chester E. Petersen.

"We would like to get a minimum of eight guards," stated Mr. Petersen, who added this number could go higher. This excludes public safety officers, meter maids and the dog warden who have been manning affected corners in the city.

Will Relieve Officers
"After a few days training for the new guards, we'll relieve the public safety officers as quickly as we can. But for the time being, they will continue working the corners until we see the direction in which we'll be going."

The main objective is to relieve the officers from doing guard duty while we re-evaluate the criteria of the crossing guard program and the number of guards needed."

When asked about the former 17-guard total against the proposed minimum of eight guards, plus the concern of the previous guards over safety factors, Mr. Petersen replied, "It's always been management's prerogative to determine the work force and work assignments."

He also stated that one guard has been handling four corners, i.e., Mack and Cook, Anita and Mack, Mack and Vernier and Vernier and Mack, for around 60 days and that the public safety department had recommended that those crossings could be handled by one guard.

Set Exam Date In Club Theft

John Gill, 23, of 14858 Robson, Detroit, will appear before Farms Municipal Judge Robert Pytel Wednesday, November 6, for a preliminary examination on a breaking and entering charge in connection with a theft from the Country Club of Detroit Tuesday, September 10.

Farms detectives arrested Gill on a writ of habeas corpus presented at the Oakland County Jail Wednesday, October 9. He was arraigned by Woods Municipal Judge J. Patrick Denis that same day. A plea of not guilty was entered for him by the court.

Police said that including The Farms case, Gill has five cases pending against him in Wayne, Oakland and Macomb counties.

Students at NHS Worry Over Traffic Congestion

By Roger A. Waha

A concern over traffic congestion at the Vernier road entrance to North High School was shared with The Woods Council by students Timothy Muccianale and Eric Bryen at the regular meeting Monday, October 21.

This matter was unanimously referred to the Committee of the Whole for further study with City Administrator Chester E. Petersen being requested to explore some of the problems raised by the students with Public Safety Director Henry Muccianale.

"Everyday after school we have a major traffic jam at the Vernier road entrance of our school made by students leaving... in cars or buses at 3 p.m.," said Mr. Muccianale.

City Adopts BOCA Code On Housing

Minimum Standards Established to Protect Public Safety, Health and Welfare

By Nancy Kramer

In action taken at a regular council meeting on Monday, October 21, The City adopted a housing maintenance code, which it hopes will go into effect by December 1 of this year.

The matter had already been considered at the regular September council meeting and, at that time, was tabled for further study. City administrators relied heavily on a system already in effect in The Park, in planning their own program.

The new code establishes minimum standards to protect the public health, safety and welfare and calls for a building inspection by city officials any time there is a change in occupancy. It does not apply to commercial buildings.

Sees Several Benefits
The council felt the code would benefit The City in several ways and City Manager Thomas Kressbach, noting that many homes in the community were built during the 1920s and 1930s, said a code enforcement program would act as preventative medicine against property deterioration.

A locally tailored system, the council felt, would lead toward the rehabilitation necessary to insure a sound economic future for The City.

"The council has spent a great deal of time studying this," said Mayor John King, at Monday's meeting. As a frame of reference, The City is using the Building Officials and Code Administrators International, Inc. (BOCA), Basic Housing, Property Maintenance Code which includes a 1971 supplement.

Sets Up Standards
The BOCA Code, as modified by the council, sets up minimum standards for basic equipment and facilities for light, ventilation, space heating and sanitation; for safety from fire; for safe and sanitary maintenance, and for (Continued on Page 6)

HW Petition For Transfer Is Rejected

Effort to Acquire Portion of Pointe School District Denied by Intermediate Board

By Nancy Kramer

Although the Wayne County Intermediate School Board has denied the Harper Woods Board of Education's petition which sought the transfer of property located within the Grosse Pointe School District to their city, it looks as if Harper Woods does not intend to let the case rest.

"I can say frankly, that the Board is of a mind to appeal," reported Thaddeus A. Penszynski, president of the Harper Woods Board of Education, "but no formal action can be taken until the next Board meeting which will be held Tuesday, October 22," (after press time).

If an appeal is made, it would go to the State Board of Education, and ultimately, to the courts.

At the public hearing, before a crowd of about 500 people assembled in the Poupard School gym, on Thursday, October 17, the Wayne County Board unanimously turned down a resolution passed by the Harper Woods Board on August 27, which requested a transfer of land located within the city, that is a part of the Grosse Pointe School District.

Has 1,157 Students
The disputed territory contains Poupard School, and involves 1,157 students and approximately \$1 million in taxes annually.

The Grosse Pointe Board of Education reacted to the Harper Woods motion by passing a resolution of its own on September 9, stating its unanimous and unequivocal opposition to the annexation.

At that time, in a statement of position, the Board maintained the Harper Woods plan would adversely affect the entire Pointe school system.

The Board claimed that many families had purchased homes in the area in question with the idea of having (Continued on Page 2)

Retirees Form Pointe Chapter

A new chapter of the American Association of Retired Persons (AARP) for members living in the Pointe area is now being organized. The first meeting is scheduled for Monday, October 28, at 1 p.m. in the Fellowship Hall of the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue.

Frank J. Ryan, AARP Assistant Director for Eastern Michigan, said the new chapter will promote programs and services designed to involve older citizens in the affairs of their country, community and state.

AARP is the nation's largest organization of older persons committed to achieving retirement lives of dignity, independence and purpose, according to Nora Blixt, publicity chairman of the new group.

All persons 55 years of age or older, retired or still employed, are eligible for membership in the local chapter by joining AARP at this meeting. A question and answer period will be included in the program.

Interested persons who cannot attend the meeting may contact Mrs. Blixt, 919 Vernier road, or Gladys Greenburg, 1476 Cook road, both in The Woods, for further information.

An annual membership fee of \$2 provides subscription to Modern Maturity magazine and the AARP Bulletin plus the use of AARP insurance programs, travel services, prescription services, and other income-stretching services operated for association members.

Intermediate School Board Rejects HW Petition

(Continued from Page 1)
to that district in the light of decreasing enrollment and its difficulties in raising necessary operating revenues.
In presenting his case, Mr. Zatkoff cited a transfer which was approved by the Wayne County Board in 1957, the Allard-Stanhope transfer, as a precedent.
That annexation came about as a result of boundaries that were established between Grosse Pointe and Harper Woods before the two communities ever came to be known as such.
Boundaries Redrawn
During the 1920's or 30's, the subdivision of the Township of Grosse Pointe, Village of Lochmoor, which later became Grosse Pointe Woods, had the Wayne County Commissioners redraw the boundary lines to include Stanhope and Allard avenues so residents of those streets could take advantage of municipal water lines and other similar conveniences. The school district lines were not changed, however, and when the area became a part of The Woods, it was still included in the Harper Woods School District.
And, in 1957, as the result of a Wayne County Intermediate Board decision, the two avenues were annexed to the Grosse Pointe District.
Initiated by Citizens
However, as Grosse Pointe School System attorney Douglas West pointed out, the move to annex this area to the Grosse Pointe School District was initiated solely by citizens of that area and not by the Grosse Pointe Board of Education.

"The Board of Education had absolutely nothing to do with it," he remarked. "There is a provision that states two-thirds of the residents can petition to have the transfer, and that's what they did."
"I would submit," said Mr. West, "that these residents tonight, have the same right to self-determination."
The superintendents of each district, Dr. Joseph Babich, of Harper Woods, and Dr. James Adams, of Grosse Pointe also spoke during each side's initial 15-minute presentation.
The issue at hand was not really a property transfer, said Dr. Babich, but the resolution of an educational problem. "Will that resolution be consistent with Michigan goals?" he asked. "This is not a contest," he said of the hearing, "but is the result of an evolutionary process. The problem is, will the structure that has developed serve the needs?"
Dr. Adams explained that the Grosse Pointe School System was just that, a system, and he said that removal of any part would be detrimental to the whole. The loss of the area in question, he added, would wreak havoc.
Finally, Mrs. Joan Hanpeter, Grosse Pointe Board president, took the floor and expressed concern over the precedent that might result if the Board decided to approve Harper Woods' request. "Harper Woods merely passed a resolution," she reminded the Board. "There was no vote involved. What will prevent them from asking for another eight percent (of the Grosse

about police officers ticketing pedestrians crossing against the red light, which, he said, sometimes only holds green for 30 seconds. He asked that ticketing be stopped until the study is completed. And, besides that, he stated that the pedestrian light basically stays on "don't walk."
Both students said, due to this situation, traffic often gets backed up to the school's parking lot.
The NEWS contacted Director Marchand who said the timing of the light would be restudied to see if its cycle could be changed. On the ticket situation, he said students were warned last week about the issuance of tickets, which started this Monday. The director emphasized that tickets will continue to be issued to violators and that the law will be enforced.
He urged the students to cooperate.
Mr. Mucciante's letter to the council was forwarded to the director for his reply. He thanked him for his interest and concern and said, "The Department of Public Safety has previously solicited the aid of the Michigan State Highway Department, the Wayne County Road Commission and the Automobile Club of Michigan, through their traffic engineers, for possible solutions to the congestion."
"Nothing short of a pedestrian overpass would help, and the cost would not justify the 10 to 15 minutes of congestion daily. Nor do we have any assurance that the students would use the overpass."
"The main problem is caused by pedestrians disregarding the traffic signal, failing to cross Vernier at

the light and generally showing a total disregard and disrespect to the driver."
"Experience has proven that the presence of a police officer at this location only added to the problem. We found that students would walk a block or two from the crossing rather than have the officer cross them. Therefore, we no longer assign an officer at the school drive exit."
"On many occasions I have solicited the aid of the Student Council in order to gain the cooperation of the student body to cross Vernier road at the light — and with the light — to not defy the motorist, and generally cooperate with each other during the few minutes it takes to get out of the school and cross Vernier road."

that the primary goal of the city is to provide service for the residents and this must not be allowed to slacken.
"We certainly will tighten our thinking in this area, (of complaints), and hope to eliminate such problems in the future," he said.
Mrs. Donald Sullivan, of McKinley avenue, said the residents were pleased with the response they got from The Farms after appearing at the last Council meeting.
Another resident asked that methods to discourage rodents, such as covering trash containers, keeping woodpiles off the ground and keeping food such as bird feed off the ground, be included in the next newsletter.
Mr. Bremer said this was a good suggestion and the information would be included.

Rotarian Honored for Attendance

To attend the weekly meetings of any club for 25 years, without missing a single session is a real achievement. MAURICE H. The presentation took place earlier this month.

Invite Visitors To North High

To celebrate American Education Week, which extends from Monday, October 28 through Friday, November 1, North High School is extending an invitation to the citizens of the community to visit the school any day during regular school hours, 8:15 a.m. to 3 p.m.

The plan calls for visiting the departments according to this schedule: Monday—Social Studies and Art, Tuesday—English and Industrial Arts, Wednesday—Science and Business Education, Thursday—Mathematics and Performing Arts and Friday—Foreign Language, Home Economics and Physical Education.

The school library will be open to receive guests any day during the entire week.

Visitors are requested to come to the main office and sign the guest book before proceeding to classrooms. Guides will be available to assist in any way necessary.

The staff and students of North High hope many residents will accept the invitation to see them at work.

Endangered Species Live In EAN Coloring Book

By Barbara Bruno

A coloring book with pictures of animals is not unique. What is unique is a coloring book featuring pictures of dozens of endangered species of animals accompanied by an informative text.

The Pointe's own Environmental Action Now (EAN) has published just such a book and 15,000 copies have come off the presses. The coloring books are slated for distribution throughout the United States and in Canada.

EAN President Grace Blain said the purpose of the coloring books is to increase young children's awareness of endangered animals of the North American continent.

But children aren't the only ones profiting from the educational book.

"The text is geared for children in the second through fifth grades but the adults who see it are learning just as much from it," she said.

Author of the book is Linda W. Riley, of Bloomfield Hills, who approached EAN with the idea of writing and illustrating the book. She has long been involved in the conservation field and has written several children's books on animals.

The contents range from mammals to birds, reptiles to amphibians. The adjacent text not only tells why the animal is considered endangered but also gives facts about the living habits of the animal.

For example, the southern bald eagle nests in trees in the southeastern United States. The text goes on to explain that with its sharp beak and curved talons, the eagle can capture fish and carry them back to its nest. The text notes that trees with eagle nests are protected by conservationists.

In describing the Mississippi alligator the author explains that it is endangered because of poaching and

ERVIN A. STEINER, JR., County Commissioner from our district, who lives in Grosse Pointe Farms, is running for re-election to his 3rd term. In 1970, he was rated Preferred and Well Qualified by Civic Searchlight and endorsed by the Detroit News and Detroit Free Press. In 1972, he was again rated Preferred and Well Qualified by Civic Searchlight and endorsed by the Detroit News and Detroit Free Press. When called upon by Grosse Pointe Park City Manager, Mr. Robert Sloane, to have East Jefferson resurfaced, Erv Steiner saw that the job was done within a year. When the residents of Moross called upon Commissioner Steiner to have Moross resurfaced, he had this taken care of. When Councilman Jack Cudlip requested that diseased Dutch elms be cut down from the county right-of-way, to prevent infection of other healthy Dutch elms, Commissioner Steiner had them cut down within 3 days of the request. These are only three of the many ways Erv Steiner has served the people in his district. There is no request too big or too small for him to listen to. Erv Steiner HAS, DOES and WILL give his personal attention to each problem brought to him. He is truly a representative of the people of our community. Won't you join us, your friends and neighbors, and cast your vote for COMMISSIONER ERV STEINER ON NOVEMBER 5th.

Police Offer Auto Theft Figures, Protection Advice

(Continued from Page 1)
vidual who snatches a car,
strips it of its parts and sells
those items to buyers.

Next are the so-called "joy
riders," who steal an auto,
drive it around for a few
days and ultimately abandon
it.

Pros Well Organized

"The professionals are well
organized. Someone steals a
car, turns it over to a handler
who gets it shipped out of the
State to a buyer. In the
case of a Mark IV, he could
sell a \$10,000 car for \$5,000,"
said Detective Plumb. "This
is a case of buyer beware
if he gets too good a price."

The first thing that's done
after a car is stolen is to
change the vehicle identifica-
tion number, (VIN number),
and then get it out of the
State to someone who had
ordered it, he stated. In such
a case, the autos are moved
at a fast pace out of Michi-
gan.

"If you don't find a car
within a couple of days, striped
and/or abandoned, the
owner probably won't get it
back," emphasized Detective
Plumb.

Such an operation on the
professional front is expen-
sive. "Every big city has its
own individual organization
which specializes in stealing
cars," he said.

Some Are Specialists

As there are specialists in
burglary, frauds and other
areas of crime, there are
those who do nothing but
steal cars, noted Detective
Plumb, who added a dozen
or more people could be in-
volved in such an operation.
"People who are involved
in this crime could be em-
ployed somewhere else and
do this as a sideline or they
may do nothing else."

After a stolen car goes to
a handler, it isn't always re-
painted unless the car has
a particular, outstanding
feature, he said. And when
it goes out of State, new
license plates are obtained.
When these factors are con-
sidered along with a new
VIN number, an auto is very
difficult to trace.

Face Storage Problem

If the thieves get eight to
10 cars at a body shop, ga-
rage, rented building or what-
ever location "alterations"
are made at one time, there's
a problem of storage and
housing. "They must have an
outlet for the autos out of
state. Without an outlet, the
cars are no good to them,"
stated Detective Plumb.

The thieves, who take cars,
strip and abandon them, sell
the various parts to buyers.
On occasions, juvenile "joy
riders" will strip the autos

and use the parts themselves.

"Some older cars have been
taken by kids because they
have some parts they can
use," e.g., tires, motors, et
al, said the detective.

At other times, "joy rid-
ers" will steal a car, drive it
around and then dump it
with minor damage without
picking it apart.

Not Big Problem Here

While noting that car thefts
have never been a real big
problem in The Woods, he
admitted it was still a prob-
lem. "But we don't have the
problem major cities have in
this area, as in any category
of crime."

Nonetheless, with such a
potential threat to residents,
the detective explained what
a citizen can do to prevent
someone from stealing his
car.

First, make sure your car
is locked at all times. If it's
in a garage, make certain
the garage also is locked.

Second, do not leave your
keys inside the car. In re-
lation to this, no car should
be left unattended with its
motor running. "This is a
violation of the law and a
driver can be ticketed for
it," said Detective Plumb.

Third, he stated, while
burglar alarms are helpful,
they aren't foolproof.

Fourth, don't leave any-
thing inside an auto in full
view because the temptation
may be too great for a pros-
pective thief.

Identification Needed

Finally, Detective Plumb
felt certain parts of a car
should contain the owner's
operator's license number in
case of theft and dismem-
berment. Just as household
items should contain proper
identification such as a li-
cense number, parts of an auto
should be engraved.

Then, in case a car is
stolen, police would have
something with which to
identify the particular auto
in the event it's recovered.

He advised, "We need
something relating the car
to you. Two people could
use the same mark but a
license number would be
your own." Where a citizen
marked his number would be
up to him and his own imagi-
nation — just as long as he
knows where each mark is
for identification purposes.

Big Monetary Loss

As the detective pointed
out, car theft isn't a major
problem judging from the
number of incidents proces-
sed by the public safety de-
partment. But in monetary
figures, it can be as awesome
as seen in figures released by
all Pointe departments.

In The Woods from Janu-
ary-September 1974, 23 such
offenses, including attempts,
were reported. The attempts,
however, account for only
around 10 percent of this
total. The losses for this
period reach \$41,695 but re-
coveries total \$33,970.

During this same period
last year, 13 offenses were
processed with losses total-
ing \$47,900 and recoveries
reaching \$35,700.

33 Stolen in Park

In The Park, from Janu-
ary-September 1973, a total
of 23 automobiles were stolen
with a total value of \$49,170.

For the same period this
year, 33 cars were taken with
a total value of \$55,785.

Police said the thefts rang-
ed from youngsters or other
persons, plus car theft rings,
taking autos and stripping
them for parts. The car
bodies are usually sold to
junk dealers and run through
crushers.

St. John Sets Diabetes Forum

"Diabetes-Update 1975" is the title of a public forum to be held in the Chapel at Saint John Hospital, 22101 Moross road, on Tuesday, November 12, at 7:30 p.m.

The forum, sponsored by the Saint John Hospital Guild in cooperation with the hospital medical staff and the Michigan Diabetes Association, is part of a series of such forums and clinics on major health related topics held throughout the year.

These programs are offered without charge as a community service by the hospital to give citizens the latest information on symptoms, diagnosis, treatment and control of major health problems.

Future programs will be presented on smoking withdrawal, arthritis and rheumatic diseases, cancer of the breast and cervix and coronary artery diseases.

Appearing on the diabetes program are James J. Aiuto, M.D., chief of the diabetes section at Saint John and president of the Michigan Diabetes Association; Joseph M. Beals, M.D., nephrologist, Saint John Hospital; David M. Levin, D.P.M., podiatrist, Alexander Blain Hospital; and Joan McHale, R.D., director, nutrition services, Saint John.

Speakers will present the latest information on diabetes, its detection, treatment and control.

Free tickets to the diabetes forum and information on future forums may be obtained by calling 881-8200, ext. 511.

Found Guilty Of Bad Driving

Two Detroit men pled guilty to reckless driving charges in The Shores Municipal Court Wednesday, October 9, and were fined \$100, police reported.

Roy Charles Klein, 22, of 13138 Longview, and Furman Lon Thompson, 24, of 4800 Eastlawn, were cited for exceeding the speed limit while they were driving motorcycles on Lakeshore road on September 10.

Visiting the Firemen

Children from the morning kindergarten class at Richard School were among classes who visited The Farms Fire Department during Fire Prevention Week, October 7-12. The department also went to schools in The Farms to participate in fire drills.

The firefighters explained the operation of the trucks, hoses and ladders and demonstrated how a firefighter slides down the brass pole at the station. The ambulance and portable resuscitator also were brought out and their use was explained.

The children left chattering about the high ladder, the wailing sirens and the water gushing from the hose. And their excitement wasn't short-lived. Dozens of letters from appreciative children were received by the department thanking the men for the demonstrations.

A fourth grade class at Richard sent individual letters and several sum up the sentiments of most.

"Dear Fire Department. Thank you for coming. That is a nice truck. I like it. How far does the ladder go up? Is it fun up there? sincerely yours, George Palms."

"Dear Fire Department. Thank you for coming to Richard on Wednesday. It was thrilling to see what you did. I can't wait till you come again. Doesn't that siren hurt your ears? I liked the ladder

the best. From, Vicky Webster."

"Dear Fire Department. I thought the way the water came out was neat. How the way the ladder went up and down was neat too. You must have to push a lot of controls when you make it run and make it go places. It must be fun being a fireman. You must have to do a lot of work all day putting out fires. You must be hot wearing all of those clothes, but when it's cold you must be warm. I enjoyed having you come to Richard school. Sincerely, Amy Race."

"Dear Farms Fire Department. I was very excited when you came Wednesday. And I hope you come again. And the best thing you did was when you squirted the hose. Well by now come again. Yours Sincerely, Debbie Gulecki."

"Dear Grosse Pointe Farms Firemen, I saw your new big fire engine that came to Richard School this week on Wednesday. Have you gone on any very bad fires? I drew a picture of a fire engine. I hope you do well at the fire station. Have you fought any very big fires? Tommy Streicher."

DON'T WASTE SOIL

Only 175 years ago the United States boasted 500 million acres of fertile cropland soil. We have already damaged 200 million acres through ignorance and carelessness. We are wasting another 400 million acres today. To learn how you can help prevent soil erosion, contact the State Soil Conservation committee, Michigan Department of Agriculture, Lansing, 48913.

Two Policemen Newly Certified

Two Farms police officers, Donald L. Dewey and Timothy F. Morrison, have completed the Breathalyzer Operator certification at Michigan State University's Kellogg Center for Continuing Education.

As certified operators, the men will be able to test persons arrested for drinking and driving offenses using the breathalyzer instrument and to present testimony in court as expert witnesses.

The requirements for certification were completed at a 40-hour course conducted recently by a teaching team from the Michigan Department of Public Health and State Police and Michigan State University's Highway Traffic Safety Center.

Woods Okays Rezoning of Lots

By Roger A. Waha

The Woods Council approved the rezoning of two residential lots located at the former Marter Road Pumping Station to R-1C, Single Family Residential District, by a 6-1 vote after a public hearing at the regular meeting Monday, October 21.

With the council's approval, a section of Article 44, (the zoning map), of Ordinance No. 88 was amended to provide for the rezoning.

The properties are described as follows: a parcel of land on the north side of Hollywood avenue, east of Marter road, and a parcel of land on the northeast corner of Hollywood avenue and Marter road. The ordinance will become effective 20 days after its enactment.

After the old pumping station was torn down, the majority of citizens in the area wanted the property zoned for residential purposes. In its recommendation to the council, the Planning Commission at its September 10 meeting noted that the surrounding area is zoned R-1C and suggested the property be rezoned to R-1B.

But the council at its September 16 meeting felt an "either - or" specification should be included in this case, i.e., to rezone this property from Community Facilities District, (CF), to either R-1B or R-1C, Single Family Residential District.

The difference between R-1B and R-1C centers upon the size of a lot. R-1B is of a large size and requires a 75-foot frontage, 8,500 square feet of land area and a total minimum floor area of 1,820 square feet. On the other hand, R-1C requires a 60-foot frontage, 7,200 square feet of land area and a total minimum floor area of 1,680 square feet.

Thomas Fahrner, chairman of the Planning Commission, explained why the Commissioners recommended the R-1B classification. He felt the R-1B category upgrades the area at a higher plane than R-1C. "Homes in that location will be upgraded in that classification," he said.

Mr. Fahrner stated a survey of homes in that immediate area between Marter and Wedgewood road was taken and that all the houses were brand new. Commissioner E. D. Grady added all houses in the block, outside of one, are larger size homes.

In stressing the fact that he wasn't in favor of spot zoning, Councilman Rodger

A. Graef said that with the price a buyer would pay for the properties, (presently owned by the city), quality homes would be built on the land. So he moved that the property be rezoned to R-1C in accordance with a plat from Pate, Hirm and Bogue, city engineers. His colleagues, with the exception of Councilman George S. Freeman, agreed.

New Traffic Restrictions Posted on Belanger Road

In an attempt to alleviate traffic problems on Belanger road near Mack avenue, the Farms Police Department

has instituted restrictive parking measures and an experimental traffic control order.

On Wednesday, October 16, the department received a petition signed by 93 percent of the residents in Belanger road between 461 Belanger and the Mack alley, requesting restricted parking.

The Farms approved the request and signed and zoned

the west side of Belanger in the affected area, "No Parking At Any Time."

Police Chief Robert Ferber said enforcement of the restriction will be rigid. He asks the assistance of residents in contacting the department if motorists persist in parking in violation of the posted signs.

In addition, a traffic control order has been implemented on an experimental basis stating that, "No traffic from the Mack avenue alley will be permitted to enter Belanger road."

The order will be in effect while the Grosse Pointe Farms Planning Commission and City Council study the problems of the entire area.

In order to implement the restriction, "No Left Turn," "No Right Turn" and "Do Not Enter" signs have been placed at the intersection of the alley and Belanger.

Violation of this traffic control order will result in the issuance of a traffic citation and the accompanying fine and points being as-

essed against the motorist's driving record.

Residents of the first two blocks south of the Mack avenue alley were advised of the changes in a direct communication from the Police Department.

The annoying traffic and parking problems of the area were brought to the city's attention at a Council meeting Monday, September 23, when close to 70 residents appeared to object to a proposed enlargement of a Mack avenue restaurant.

During discussion of this matter, traffic, parking, litter and noise problems residents say they have been experiencing surfaced. The Council said it would study the problems further and also asked The Farms Planning Commission to take up the matter.

The Police Department said feedback on the new measures from affected residents and businesses would be appreciated since the program is experimental and open to change.

Ski Hi Club Plans Trips

Ski Hi, the War Memorial's club for skiers and would-be skiers in grades 7-12, held its opening meeting in the Crystal Ballroom Tuesday, October 15, at 7:30 p.m.

Membership to the club is \$5 per person. The group is divided into Junior Schuss (7-8 grade), and Senior Schuss, (9-12 grade).

The list of ski trips for the 1974-75 season was announced.

Two-night trips to Pine Knob are planned for Friday, December 20, January 3 and 17 and February 7 and 21, and are open to both Junior and Senior Schuss.

The Christmas vacation five-day trip to Boyne Country is for Senior Schuss only and is planned for Thursday-Monday, December 26-30. Lodging and meals will be at the Marches at Walloon Lake with skiing at Boyne Highlands, Walloon Hills, Thunder Mountain and Boyne Mountain. Charter bus transportation, shuttle service to and from the slopes and supervision are included.

The four-day semester break trip to Northern Michigan is scheduled for Thursday-Sunday, January 23-26. Transportation will be by charter bus with shuttle service to and from the slopes and supervision, lodging and meals will be at the Marches at Walloon Lake and skiing will be at Boyne Highlands, Walloon Hills and Boyne Mountain.

From Friday-Sunday, February 14-16, there will be a special trip to Blue Mountain at Collingwood, Ont. for Senior Schuss only. Going by charter bus, the group will stay at the inn at the slope. This trip is limited to 38 members.

A final weekend trip to Schuss Mountain is planned for Friday-Sunday, February 28-March 2. The group will be going by charter bus. Accommodations will be at the Sudendorf Condominiums at the slopes.

Steiner Heads Cleary Board

At a meeting of the Board of Trustees of Cleary College in Ypsilanti, Mich., on October 17, Ervin A. Steiner Jr., of Grosse Pointe Farms, was selected to the position of Chairman of the Board. Since taking over the position in April of 1974, Mr. Steiner has proposed sweeping changes, aimed at increasing enrollment in the school and making students, alumni and faculty more active in school affairs.

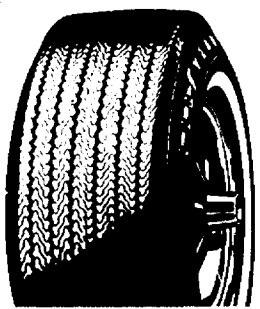

Mr. Steiner has increased the membership of the Board of Trustees to inject new ideas and concepts into fund

raising for the privately-owned and run institutions. The Cleary College Board of Trustees, headed by Mr. Steiner consists of: Dr. Evert W. Ardis, Dr. Ernest W. Baker, Roscoe O. Bonisteel Jr., Dr. Glenn H. Friedt Sr., Dr. Wynne Garlow, Dr. Walter Greig, Dr. Bradley M. Harris, John T. Lynch, Donald M. Silkworth, Jerry D. Roe, Thomas Schoenith, Mrs. Dolie Cole and Lynn D. Brenne-man, acting president of Cleary College.

NEW APPOINTMENT

Malcolm L. Denise, formerly vice president — Labor Relations for Ford Motor Company recently was appointed vice-president — Labor Policy Planning for the company. In the new position Mr. Denise will be responsible for developing corporate labor policies and long-range labor relations objectives. He was graduated from the University of Michigan with bachelor of arts and juris doctor degrees. Mr. Denise lives in The Pointe.

Ferry to Hold Art Auction

Ferry Elementary School's PTA will sponsor a benefit Art Auction which will be held in the school, 748 Roslyn road, on Friday, October 25. Action will get underway with a punch preview at 7 p.m., and the auction, conducted by the Gallery at The Kingsley, will begin at 8 p.m.

Over 400 pieces of art, including framed oils, lithographs, prints, acrylics, macramé and sculpture will be auctioned off by Harry Weinsaft, owner of the gallery. They will be circulated through the audience by Ferry faculty members and two artists will be on hand to do pastel portraits. Several pieces will be given away as prizes.

Proceeds from past auctions have been used to finance a crafts enrichment program and to purchase gym equipment, tape recorders and film strips. The Ferry PTA Board of Directors will decide later what should be done with this year's profits. Chairman of the event is Ronald Quick.

His assistants include Edward Williams, of Blairmoor court, Norman DuCoin, of Hollywood avenue, Mrs. Richard DeRonne, of River road, Mrs. Robert Judd, of Champagne place, Dr. Marguerite Hendrie, of Willison road, Victor Caputo, of Roslyn road, Mrs. Robert Papineau, of Hampton road, Mrs. William Dinan, of Roslyn road, James Gilleran, of Perrien place, Mrs. James Wishart, of North Brys drive, Mrs. Walter Westman, of Virginia lane and Mrs. Donald Zysk, of Hawthorne road.

The auction is open to the public and tickets priced at \$1 per person will be available at the door.

Woods Reports Two Burglaries

Thieves entered Mr. Tony's Restaurant, 19341 Mack avenue, and took \$1,285.13 in cash and receipts, Woods police said. The incident was reported Monday morning, October 14.

Then, on Tuesday evening,

BOCA Code

(Continued from Page 1) cooking equipment in all structures. It also establishes the responsibilities of owners, operators and occupants and provides for administration, enforcement and penalties for violations.

An inspection checklist, detailing 36 specific guidelines inspectors are to follow, was also included in the adopted code.

Several points must still be worked out before the code can be considered operational, among them, fee scales and payment of workers performing the inspections.

Councilman George Henry suggested a different pay scale be considered for residents who would like to have their homes inspected on a voluntary basis and the solons agreed that this would be a good idea.

The vote to adopt the ordinance was unanimous and copies of the code will be available for public use and inspection at the City Offices, 17147 Maumee avenue.

Woof! Woof!

(Continued from Page 1) water. "At that point, the little Schnauzer was about to go down in the lake," said Mr. Lukas.

However, that didn't happen, thanks to Mr. Eseller, who rescued the pooch from his watery grave and carried him to the guard's post while the St. Bernard, realizing that his pal was safe, followed close behind.

"When the Schnauzer was placed by the heater to dry off, the St. Bernard came and lay on top of him," said Mr. Lukas, who expressed wonderment at the dog's protective nature.

"Thanks to The Shores police, both dogs were returned to their owner," said Mr. Lukas, who then paused a moment before adding, "We have a very fine police department."

The same may be said of the Schnauzer's companion. For through the St. Bernard's alertness, his life was saved. And at the same time, the Schnauzer learned a very important lesson — what true friendship really means.

October 15, police learned that a Broadstone road residence had been burglarized. In this break-in, the culprits took jewelry and various coins, including some gold pieces.

An employee of Mr. Tony's came to work Monday morning and discovered the safe had been entered and the rear door, leading to the alley, was unlocked. She contacted the manager, Richard Barrett, who came to the scene and called police.

Investigation revealed that the thieves took \$90 from a cash register \$502.39 in receipts from Sunday, October 13 and \$692.74 in receipts from Saturday, October 12.

Police also discovered several envelopes and receipts which were originally in the safe scattered on the floor. Some papers in a desk had been gone through, too. Tools, which the culprits might have used to enter the safe also were discovered.

Meanwhile, in the burglary of the residence, the citizen said he left home around 6 p.m. and returned at approximately 8:40 p.m. to discover the break-in.

Articles reported missing at this time include a gold watch with a gold band and an inscription, insured for \$500; six \$30 gold pieces; two Dwight D. Eisenhower silver dollars; one silver charm bracelet, valued at around \$150; \$5 in coins from a rubber bank; and \$30 in coins from a glass piggy bank.

Police discovered three pry marks on a sliding glass door jam and one mark on the sliding glass door. A bedroom screen door, located on a porch overhanging the sliding glass door, had around a 10-inch slash in the screen.

Both incidents are under investigation by the detective bureau.

NAMED DIRECTOR

Carolyn M. Elliott, daughter of the Lester Elliotts of St. Paul avenue, political science professor at the University of California, Santa Cruz, has been named director of the Center for the Study of Women in Higher Education and the Professions. The Center was established this summer and is sponsored jointly by Wellesley College and the Federation of Organizations for Professional Women, an association based in Washington, D.C. which represents nearly one million working women in the United States. In her new position, Professor Elliott said she plans to view women's concerns in terms of national and international goals.

Judge Studies Lawsuits Case

A hearing on two separate lawsuits filed by Woods public safety officers against the city and Public Safety Director Henry Marchand was held Friday, October 18, in the courtroom of Wayne County Circuit Judge James N. Canham.

When the hearing was adjourned from Friday, October 11, to the 18th, the court asked

both attorneys in the case to file briefs. The judge wants time to study the briefs and will take the matter under advisement, reported City Attorney George Catlin after the hearings on the 18th concluded. He added both attorneys will be notified of further proceedings.

Both lawsuits cite alleged injustices and irregularities in promotional procedures during the recently conducted public safety department examinations.

The lawsuits were filed by Detective Sergeant Bernard Kelly and by the Grosse Pointe Woods Police Officers Association on behalf of Corporal Thomas Kervin, Officer Theodore Hinz, Detective Donald Sun and Youth Service Division Detective Donald Schmalz.

There's An Art to Blowing Up Balloons

Photo by Nancy Kramer

BUTTONS the clown wipes out his opposition, DALE WERKEMA and SUSAN JAEGER, in a balloon blowing race held at the University Liggett Pre-school. The Ringling

Bros. and Barnum and Bailey Circus came to the University Liggett Pre-school Monday, October 14, in the person of Buttons the clown.

And, almost entranced, the youngsters watched as, fast and furious, he went through his routine which included magic tricks, reviewing colors and counting numbers, a rundown of who's in a circus and a lesson on when it's safe to cross a street.

There's no question that Buttons is an advance man for the circus which will be in town through Sunday, October 27. The "magic words" he always requested before

making good on each trick were always "Ringling Brothers and Barnum and Bailey." It may have been a mouthful for four-year-olds, but 60 strong, they managed to spill it out.

It must have been gratifying for Buttons, alias Leon McBryde, a 30-year-old native of a South Carolina who quit his public relations job in a South Carolina department store to attend Ringling Bros. and Barnum and Bailey's College of Clowns. He claims the thing he enjoys most about his line of work is meeting and talking with children.

The feeling was mutual on Monday. One teacher noted that as the visit went on, the kids crept closer and closer to Buttons who was perched on a table in front of them.

If he hadn't already won them over, staging the balloon blowing race was the coup de grace. The girls, rooted for Susie Jaeger, boys for Dale Werkema, "and a faculty will please cheer for me," Buttons asked.

Actually there was no contest. Buttons won hands down and when he gave the balloons he'd inflated to his two competitors, they flew away while the audience howled with laughter.

As a final trick, he transformed another balloon into a dog which he told the children to pronounce "dawg," and presented it to Susie. Since it was her birthday, then, he was on his way, ducking out the side door with the youngsters scurry-

ing behind to chorus their goodbyes.

"We had Bozo the clown here once," a teacher confided after he was gone, "but he wasn't nearly as good as Buttons."

PWP to Meet on October 25

The Pointe Chapter of Parents Without Partners has scheduled a meeting for Friday, October 25, at the War Memorial, 32 Lakeshore Road. Guest will be Tommy Thompson giving a humorous talk on "Happiness Is!"

Coffee hour is at 7:30 p.m. with an orientation for prospective members being held at 8:15.

Parents Without Partners is an international organization for the single parent, whether divorced, widowed, separated or never married. The Grosse Pointe chapter holds its meetings the second and fourth Fridays of each month.

Men Gardeners Hear Collector October 18

The Men's Garden Club of Grosse Pointe held its 21st annual dinner meeting at the Grosse Pointe Hunt Club in Cook road on Friday, October 18. An awards ceremony was held following the dinner. Members brought flowers for their respective tables.

The main speaker was Mrs. Paul H. (Jane) Rieker of Southfield, who introduced the organization to a new hobby, the collection of cut glass. Her topic on the subject was "The Brilliant Period—1680-1915."

Mrs. Rieker and her hus-

band's interest in cut glass started about six years ago, when Mrs. Rieker received a cut glass bowl as a Christmas gift. She and her husband, a Detroit attorney, discovered that there are many excellent books and catalogues on the subject, museums with fine collections, and shows to attend in Michigan and elsewhere sponsored by collectors and dealers.

Her talk included some of the history, methods of design and cuttings, patterns, signatures or trademarks and collecting, what to look for

and what to avoid, and also the care of cut glass.

The Riekers are members of the Glass Collectors Club of Toledo, O., one of the most active groups of knowledgeable people in this hobby field.

For the November meeting, the club will have as its guest, Don Theison of GTE Sylvania Corporation, who will talk about "Growing Plants Under Fluorescent Lamps."

The Goblins Will Getcha If You Don't Watch Out

Kids, it's that time of year again. Yup, Halloween is just around the corner, and just think how much fun it's going to be dressing up like all kinds of neat characters and eating all that candy.

Halloween might not be so much fun though, if you or your friends get hurt. That's why it's important to remember a few safety tips brought to you by your local police and the Michigan Optometric Association.

Judge Pytell Hears 5 Cases

Farms Municipal Judge Robert Pytell held court Wednesday, September 25, and heard five cases.

Lawrence Platz, of 1095 Roslyn road, pled not guilty but was found guilty of being drunk on a public thoroughfare, and was fined \$25.

Robert Joseph Dorn Jr., of 21008 Ardmore park, St. Clair Shores, was found guilty after pleading not guilty to speeding 44 miles per hour in a 35 mph zone. He was assessed court costs of \$10.

Edward J. McLeod, of 220 Stephens road, pled not guilty to a charge of careless driving. He was found guilty and fined court costs of \$35, placed on six months probation and ordered not to drive for five days.

Denis Mullen, of 16857 Asbury park, Detroit, pled not guilty but was found guilty of speeding 38 mph in a 30 mph zone, and was fined \$15.

Eugene Berry, of 3641 Seminoles, Detroit, pled not guilty to a charge of possession of heroin. The case was dismissed on the recommendation of the city attorney.

First, said Chief Robert Ferber of the Farms Police Department, make sure your costume is safe. It shouldn't be too long because you could trip and fall, and you shouldn't carry parts of your costume, like a sword, that could hurt you when you fall.

It should also be non-flammable. Masks, especially, should be checked to see if they are fire-proof and have holes big enough to see out of.

Even better than a mask is using make-up on the face, letting an adult help so it doesn't get in the eyes. (You could make it all red for a Spiderman costume.)

You could also put reflective tape on your costume in all kinds of designs, (use your imagination), so drivers can see you in plenty of time. You might also want to carry a flashlight. Cross at corners only, and look both ways.

Another important thing to do, Chief Ferber said, is to have a parent go with you. You should only go to neighbors' homes or where you know the people who live there.

Have Mom and Dad turn on all the porch and yard lights. After all, you wouldn't want fellow trick or treaters falling on your porch.

The most important thing of all is to inspect your candy and treats. Don't eat anything until you can take it home and look at it with Mom and Dad. If it looks suspicious, don't eat it. If you do find something wrong with your candy or treats, take it to your local police station.

Well, kids, if you follow these suggestions, you should be ready for a safe, happy Halloween. Happy Trick or Treating.

The man who thinks he's smart enough to be his own lawyer should go to great lengths to keep out of trouble.

Woods Seniors Plan Big Night

Woods senior citizens have a big evening planned Friday, October 25, when they will have a catered dinner in the cafeteria at North High before seeing the school's production of "Brigadoon."

Senior Citizens Commission chairman Irene Sutton said 45 citizens have already made reservations for the affair. She stated such an event not only gives seniors a place to go for an entire evening, but also introduces them to the school, its activities and what the students are doing.

"In the interest of community involvement, seniors will be allowed to take advantage of all North High School activities without charge," she said. However, all persons must make reservations and pick up tickets, (depending on the activity), ahead of time.

Before the citizens' Thursday, November 7, meeting at Christ The King Lutheran Church, 20338 Mack avenue, beginning at 12 noon, bridge lessons will be conducted from 9:30-11:30 a.m., said Mrs. Sutton, who added oil painting classes are planned in the near future.

Pointers Take Part in Outing

Sunny skies, fresh air and the beautiful scenery of Three Mile Drive Park contributed to a late summer outing for 13 residents of the Moroun Nursing Home of Detroit. Special permission to use the park was acquired by Pointer Mrs. Lee Millard of Windmill Pointe Drive, whose mother is a patient at Moroun.

The outing was sponsored by the activity department at the home and organized by the staff of Sue Gregway, Jean Springer and Catherine Privet. Ms. Springer provided the entertainment by conducting a sing-along and accompanying the group with guitar. John Moroun, of Lakeland avenue, who is administrator at the home, served as chief cook and hot dog slinger.

Residents attending the picnic were Louise Jones, Adele Mayer, Bertha Mathieson, Marguerite Newman, Geraldine Moore, Eva Brown, Ann Holihan, Victoria Fizia, Rose Sallom, Josephine Hyler, Lean Brown, Estelle Lutz and Catherine Cauley.

All are looking forward to next spring when the weather gets warm and they can do it all over again.

Teachers Meet at Saint Paul

Some 200 Parochial School elementary teachers from the Archdiocese of Detroit met at St. Paul School last Tuesday, October 15, to participate in an educational seminar entitled *The Workshop Way*.

The keynote address was given by Father John Zwiers, Superintendent of Schools for the Archdiocese. "School children are in different stages of growth so they have different kinds of understanding of the meaning of the word... respect," Father Zwiers noted.

"Unless children are in danger of being hurt, teachers wait for behavior to change through the process of learning something intellectual each day. In this way, self-discipline gets a chance to happen and move children ahead in human development."

The Workshop Way, developed at Xavier University in New Orleans, discounts heredity and environment as factors that determine a child's success in school. Dave Giles, principal of St. Paul's, further stated that "This is a system of education that gives teachers the way to create another environment within any child that becomes the essential factor for successful learning of academic studies in school."

That new environment in turn becomes a condition of intellectual safety, the source of security that frees children to learn well."

The Workshop was sponsored by the Educational Development Team of the Archdiocesan School office. Sisters Ann McMann and Mary Dalton are co-directors of the program.

Church to Fete Music Director

Paul L. Reynolds assumed the duties of director of music for the Grosse Pointe Memorial Church on Sunday, October 20.

Mr. Reynolds has completed four years as director of music for the Church of the Covenant, Cleveland, O.

While in Cleveland, he was a member of the music faculty for Case Western Reserve University where he taught courses in Choral Literature and directed the University Chorale and Chamber Choir.

Mr. Reynolds, son of a Congregational minister, received a Master of Sacred Music degree from Union Theological Seminary, New York City, in 1954. His post graduate summer study was done in England and Holland.

Mr. Reynolds and his family will be honored at a reception after each of the two morning services, (9:30 and 11:30 a.m.), Sunday, October 27. Mr. Reynolds and his family reside in Westchester road.

Troop 61 Has Fun Campout

Boy Scout Troop 61 enjoyed an exciting and colorful three-day campout in Harrison, Mich., the highlight of which was a canoe trip down the AuSable River.

The scouts were led by scoutmaster Lee Temrowski with the assistance of senior patrol leader Chris Webb.

Beaver patrol leader Paul Wilson had scouts Peter Zavell, Paul Berg, Tom Molter and John Wagner; Eagle patrol leader John Berg had scouts John Meier, Jamie Keogh and Jim Wagner; and Pine Tree patrol leader Tom Temrowski had scouts Larry LaFerte and Scott Wayland. The boys were assisted in their camping by Eagle Scout John Temrowski. A fine turnout of fathers accompanied the boys and they included Harry Webb, George Wilson, Emil Berg, Bill Wayland, Jack Meier and Dr. Jack Wagner.

North Senior Is Interpreter

Charles VanBecelaere, a senior in fifth-year French at North High School, served at Cobo Hall as an interpreter during the World Energy Conference. He was the only high school student serving in this capacity.

Charles worked at the central information booth and helped with the dispatching of buses. His only language difficulty was with an Italian gentleman who spoke no English. The two found that using a third language, French, presented interesting problems.

He attended President Gerald Ford's speech, went to the closing dinner and reception and made some new friends who are already planning reunions.

Pointer Takes Part in Show

The 11th annual Northwood Institute New Car Auto Show was held Friday - Sunday, October 11-13, in Midland, Mich.

Students in the automotive classes at Northwood have been working year round to produce the only new car show in outstate Michigan for 10 years.

The show's student director was Michael Brenkman, a

senior from Pekin, Ill. Assisting with the show was fellow student Peg Bartush from The Farms, who was in charge of the import division.

JUDGE POINDEXTER THE BEST QUALIFICATIONS FOR WAYNE CIRCUIT COURT

Judge Thomas L. Poindexter, well known Judge of Recorder's Court is a candidate for one of the five new vacancies in Wayne Circuit Court to be filled at the Nov. 5th Election. He has a reputation for being one of the fairest, hardest working judges in Wayne County.

Among his awards Judge Poindexter lists — The Detective's Award for Law Enforcement; The Homeowners Award for Public Service and the U.S. Army Enlistment Service Award.

Judge Poindexter says that if elected he intends to do an outstanding job as Circuit Court Judge.

Judge Poindexter says that although he is usually considered a "Law and Order" judge, in his eight years on Recorder's Court he has had about 20,000 defendants before him without complaint of unfairness — racial or otherwise. Judge Poindexter has tried such well publicized cases as the Nun Murder Case (the sniper who shot her through the convent window); The Detroit Bombers (who blew up police cars, numerous public buildings, U of M Chemical Lab, etc.); The Dr. Gunne Case (girl in the trunk); Dr. Clark Case (the sodium pentothal murders); Alvin Shaw Case (who burned down Jackson Prison); The Kidney Transplant Murder Case; all the 1968 Riot Cases; and just last week the Myrtle Street Bus Stop Rapist, now sentenced to two life terms, and one of 25 to 30 years.

Before election to Recorder's Court, Judge Poindexter had been a Detroit City Councilman, and for many years was recognized as one of Detroit's outstanding Attorneys, practicing law with past Presidents of Michigan State Bar Assn.; Detroit Bar Assn.; and Michigan State Bar Foundation. In College, he was the top student in Law School, winning 3 annual scholarship awards and receiving the Alumni Gold Medal on Graduation from Wayne State University. On entering the practice of law, he established a remarkable record of winning 14 cases in a row in the Michigan Supreme Court; arguing and winning 3 different Supreme Court cases the same day. He helped prepare annotations for the Michigan Court Rules; served as a member of the committee to revise the Unemployment Compensation Law; annotated the Workmen's Compensation Law for the Casualty and Surety Association.

In 1972, with support from such varied groups as Detroit Police Officers Association, Greater Detroit Homeowners Council, Polish Senior Citizens, Central Citizen's Committee (Polish), Baptist Minister's Conference (Black), Steuben Society (German) and numerous political and labor organizations, Judge Poindexter was re-elected to Recorder's Court with over 145,000 votes. In Polish Areas; he ran highest of all judicial candidates, ran first with 88% of the vote in white areas of Detroit, and received over 40,000 votes in Black Areas. He points out that in the present election, he has the support of many additional organizations.

NIBM Seeks Public's Aid in Caring for Fire Victims

If you see a cannister featuring a picture of a tiny tot with a bandage around its head and a badly scarred face, it's placed for a particular purpose—to help burn victims. The cannister is a silent appeal to your generosity.

The fire departments throughout the Metropolitan Detroit area, in conjunction with October, fire prevention month, are placing cannisters wherever they are given permission to do so by owners of business and commercial establishments with the blessing of The National Institute for Burn Medicine (NIBM).

The NIBM is a new organization dedicated to saving lives of burn victims and reducing the degree of disability and disfigurement they suffer. The Institute's prime goal is to make the best possible care a reality for all burn victims, not just the one in 10 lucky enough to receive care.

The NIBM, which has its headquarters in Ann Arbor, gives these facts about burns:

- More than two million Americans are burned every year.
- More than 75,000 persons are hospitalized with burns each year.
- Burn treatment is expensive as severely burned

patients face a hospital stay of six months to a year;

- For those suffering permanent disfigurement and disability, the problems are life-long;
- Severely burned children may require five or more operations throughout their growing years;
- Only 30 of 6,000 acute care hospitals in the United

States can provide advanced burn care and treatment;

- Nearly 90 percent of all those hospitalized with burns receive less than the best care available.

No matter how well equipped a hospital is, it's only as good as the medical personnel in it. The Institute's Professional Development will give physicians, nurses and

technicians the specialized training needed for burn patient care.

Too few communities have burn care facilities they need. The NIBM can help a community determine its needs, then provide information, consultation and initial funding to communities establishing burn facilities.

More than 40 percent of all burn accidents could have been prevented. NIBM seeks to make all information on the causes of burns and ways to prevent them available to the public.

The complexity of burn injuries makes them difficult to treat. The NIBM supports research designed to provide better infection control, develop better burn-care equipment and improve surgical techniques.

The NIBM's International Library includes all articles on burn treatment published in the last 20 years and makes them available, through its reprint service, to doctors throughout the world.

The National Burn Information Exchange (NBIE), provides a way for hospitals to share information about patients, including the way they were burned and the type of treatment they received. It gives doctors in participating hospitals access to information about more burn cases than they could treat individually in a lifetime.

The NIBM believes that, through its programs, the burn problem can be resolved within the next 10 years. The NIBM is a tax-exempt organization. All contributions are tax deductible. Contributions should be sent to National Institute for Burn Medicine, 200 North Ingalls street, Ann Arbor 48104.

Listening In At North

The scene at North High School lately is one of noisy activity and enthusiastic planning as a fully scheduled calendar was presented at the Parent's Club's recent first board meeting.

Dan Beck, president, introduced the new officers: Mrs. Richard Szejbach, mother vice-president; Douglass Hoerner, father vice-president; Elmer Bame, treasurer; Mrs. Jon Study, recording secretary; Mrs. Robert Flood, corresponding secretary; Mr. and Mrs. Floyd Nixon Jr., membership; Mrs. Thomas Potts, memorial gifts; Mrs. Louis Neuder, scholarship; and Mr. Hoerner, ways and means.

Administrative advisors are G. Bruce Feighner, principal, and Mrs. Eugene Miller, assistant principal-pupil personnel.

Student representatives to the board include the class presidents: seniors, James Bernacki; juniors, Robert Bashara; sophomores, Thomas Rousseau; freshmen, Patrick Kelly; and president of the Student Association, Chris DeCoster.

The North Theater will present its first production of the season, "Brigadoon," Thursday-Friday, October 24-25, directed by Gael Barr. Bill Atkins, April Austin, Dave Sulfridge, Sharon Awey and Tom Filgo will carry the lead roles. The production also will feature the North Orchestra, under the direction of Nathan Judson.

Grosse Pointe Band and Orchestra Parents Club launched its year's activities with a potluck dinner on Tuesday, October 22. It's an annual event which helps provide scholarship funds for talented North musicians to participate in enrichment programs outside the school. Robert Marowski is this year's group president.

Other major fund-raising events for the year include the Spring Tea being planned by Mrs. Michael Counen and Mrs. Stewart Pursell, and the Geranium Sale with this year's chairman, William E. Lacey.

Chairman of the Neighborhood Groups, Mrs. Eldert Bontekoe, has announced a double feature money raising event for the year, a couples bridge marathon, open to all residents in the North area, and a men's afternoon bridge group to meet once a month. Mrs. Bontekoe hopes that retirees or professional men will take advantage of the new afternoon group.

Any interested North High area resident can reserve a spot in either group by calling her at 884-7552. She would like to stress that having a student at North High is not a prerequisite for joining either group.

Two foreign students are on the North High campus this year. From Turku, Finland, is Timo Ruikka, who's making his home with Dr. and Mrs. Robert Everett, of Woodland Shores drive. Ann-Charlotte Berggren, of Stockholm, Sweden, is living with Mr. and Mrs. Robert Martin, of Lochmoor boulevard.

The girls' athletics program this year includes full

varsity schedules in basketball, swimming, softball, gymnastics and track, with a new junior varsity schedule in basketball. Coaches are Marlene Maige, Carol Currin and Mary Dube.

New in the curriculum this fall are the Vocational Auto courses taught at North for both North and South students by Frank Sumner. A variety of automobile and power courses keep the shop humming from 7:15 a.m.-4 p.m. every day.

Many residents may not be aware that North also has three other co-op vocational education fields: Distributive Education, Office Practices and Commercial Foods. Students receive credit for both classroom and on-the-job experience. The faculty includes Brian Killian, Paul Pierron and Rose Bellanca.

Mr. Beck announced that Mrs. Fred Lepley has accepted the chairman's spot for the North High Christmas Tea.

ULS Kickers Beaten Twice

By Steve Bohn
The ULS varsity soccer team met Ypsilanti Baptist on Tuesday, October 15. The first half was action packed with play moving back and forth across the field with both offenses and defenses playing well. The opening half featured many scoring attempts by both teams but the goalkeepers kept the ball out of the net and the half ended in a 0-0 tie.

The second half was much like the first with lots of action. The Ypsilanti team capitalized on two shuffles in front of the ULS net to win, 2-0.

On Friday, October 18, ULS played Green Hill for the second time this season. The last meeting of these two teams resulted in numerous injuries to the ULS team, and a 2-0 loss.

This week's game was different in the playing, (no injuries), but had the same score with ULS on the losing end.

Again, the first half was scoreless with both of the Green Hill goals being scored late in the second half.

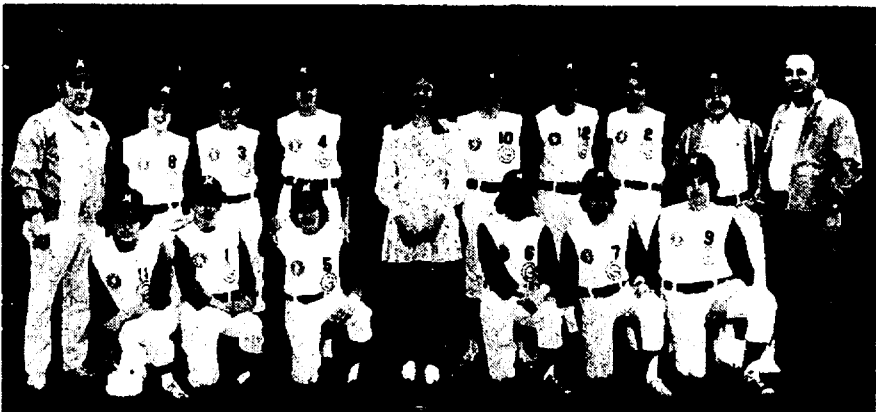

Coach Al Benavides said his team was still inexperienced but he is confidently looking forward to the next games against Notre Dame and Maumee, O. Maumee is the team's long time arch rival and the game should be a good one.

All-Americans Woods-Shores Champs

The recently crowned All American champions of The Woods-Shores Babe Ruth League won both the first and second half crowns, thus eliminating any need for a playoff. Sponsored by Monoco Market, the All Americans, who range in age from 13-15, and their coaches include, (top row, from left to right), coach Dennis Crooks, Phil Georgeson, Chris Cul-

mone, Curtis Major, team queen Marie Zaptowski, Jim Perry, Pat McEachin, Jim Amluxan, manager Jim Perry and coach, Dr. George Kypros. In the front row, (from left to right), are George Kypros, Tom Alfano, Doug Tito, James Abbott, Tom Stevenson and Jeff Carter. Paul Bockstanz isn't pictured.

Barons Sweep to Four Wins

On an extremely cold Sunday, October 20, the Grosse Pointe Red Barons hosted the Northeast Detroit Shamrocks at ULS's field.

In the freshmen game, the Red Barons went to the air to win, 7-0. On the third play of the game, Brian Augsburger gathered in a half-back option pass from Craig Stafford and loped 37 yards for the lone TD.

Craig Hasse played well at linebacker, nearly intercepting two passes, while John Bautista made two desperate tackles from the strong safety position to thwart Shamrock scoring drives in the third and fourth quarters.

At the junior varsity level, Chick Steepe scored three TDs on just three carries and Darryl Chauvan scored one TD to lead their unit to a 28-0 victory. Bruce Stewart, Paul Keller, and Gary Kinder added the extra points to round out the scoring.

Greg Piche intercepted a pass and Harvey Voskopi recovered a fumble, while Mike Frontera, Karl Kurtz, Steve Wayman and Peter Mogk played solid defensive football. Coach Don Komlenovich said after the game, "Our offensive bench

strength showed itself today."

Bob Brown scored two TDs and Pat Day scored one TD to lead the varsity team to a 20-7 victory over a previously undefeated Shamrock squad. Coach Scott Burns did an excellent job in preparing the Red Baron defense.

Bill Babcock played well at QB and the punting of Jim Rothis kept the Shamrocks off balance and deep in their own territory. Mike Smith, Steve Annas, Scott Mullan and David Monark played fine defensive football. This was definitely a team victory and the boys and coaches can be proud of what they have accomplished, report Baron officials.

In the junior freshmen game, the Red Barons defeated their opponents, 6-0. A fumble recovery by Ross Amideucci and the strong running of Joe Cardosi led to a TD by Ken Sanders. Tom Couban, John Sheldon, Robert Diabrio, Chris Koehler and Mark Young made their presence felt.

Pointe Skaters Have 5-0 Mark

The Pointe's Senior "A" Sherwood Forest hockey team ended its exhibition season with a spotless 5-0 mark after defeating Brighton, Mich., by a comfortable 7-2 margin Saturday, October 19, at the Grosse Pointe Community Rink.

After Dwight Thomas opened Sherwood's scoring early in the first period, the Springer brothers took over and netted five straight goals to put the game out of reach. Ron Springer scored the "hat trick," while brothers Fred and Joe tallied one goal each. Sherwood's last goal was scored by Mike Stecko late in the third period.

The club opens its regular season against Belmont, Ont., on Saturday, October 26, at the Community Rink. Game time is 8 p.m. This contest marks the first time any American team played an official league game in the famed Canadian Blue Water League.

To Honor Area Natators Nov. 3

Six of the 10 Detroit Yacht Club swim team members to be honored at the Michigan Aquatic Association banquet live in Grosse Pointe. They will be awarded certificates for being outstanding swimmers in the State.

One Pointe DYC swimmer will receive a plaque for breaking the State record in the 13-14 year old boys' 200-yard breast. Eric Rodin accomplished that in the AAU State Swimming Championships last March.

The other Pointe swimmers to be honored are Toby Lindheim, Sara Brieden, Nick Trost, Todd Lindheim and Laurie DeSantis.

The banquet will be held in Garden City Sunday, November 3, with these swimmers in attendance along with their coach, Ralph Stevens Jr.

At a recent DYC swim banquet over 150 swimmers and their families heard coach Stevens award trophies to Pointe area swimmers. Some of the trophies are over 30 years old and boast a tradition of great swimming.

The high point for 15-16, Eric Rodin; high point for 11 and 12, Todd Lindheim; high point for 9 and 10, Sara Brieden; high point for eight and unders, Jack Nelson and Cindi Gannon. The attendance award was shared by Mary Austerberry and Laurie DeSantis, while the most improved swimmer was Mimi Storen, who also won the high point trophy for first year swimmer. Captains' plaques were awarded to Sue Trost and Eric Rodin.

Coach Stevens was awarded a plaque of appreciation from the DYC swim team parents. The team won the MICA championship for the second year and are swimming hard to make that three years in a row.

HARKNESS PHARMACY

What do you do when you wake up in the morning? Do you groan, get out of bed with your eyes shut, feel your way to the kitchen for your first cup of coffee? Why not change that wake-up routine? The best way to do this is to have plenty of fresh air in the room. Toss off bedclothing, way off, even from your feet. Push away the pillows and lie flat. Stretch legs and arms one at a time and make them feel long. Then tense abdominal muscles, relax, tense and relax. Limber your neck the same way. Climb out of bed easily. Now you are awake and you feel great.

Now is the time to think about stocking your medicine cabinet with supplies to help cope with winter colds and flu. Pharmacists at HARKNESS PHARMACY, 20315 Mack Ave., at Lochmoor Blvd., Grosse Pointe Woods, can advise you on what you will need. When you bring your doctor's prescriptions to us, we take professional pride in serving you with prompt and personal attention. We also offer free prescription delivery. Call us today at 884-3100. We are open daily until 9 P.M., Saturday until 8 P.M.

2nd Samaras Book Published

Pointer Bob Samaras, Wayne State University basketball coach, has had his second book published this month.

Parker Publishing Co., the athletic arm of Prentice-Hall, has just published "Cut-and-Slash Basketball." They were the publishers of his first effort, "Blitz Basketball," which has sold some 19,000 copies to date.

"Cut-and-Slash Basketball" is 240 pages and has some

150 diagrams plus coaching guidelines. The nucleus of the book served as Mr. Samaras' dissertation for his doctorate which he received in June 1973.

The first book was published while Mr. Samaras, holder of three WSU degrees, was the head basketball coach at the University of Windsor. At the time, it was the first book on the sport ever authored by a coach of a Canadian basketball team.

Bruins Boast 8-1 Record

Only a recent 3-1 loss to Detroit Slator in a Michigan Open League game mars an otherwise perfect season so far for the Grosse Pointe Bruins, who boast an 8-1 mark. The lone Bruin goal was a rebound shot by Greg Johnston from Jim Morris.

In their second Michigan Open League game, the Bruins were victorious over St. Clair Shores, 4-0. Allen Taber, Mike Burkheiser, Matt Costello and John Davies netted the goals. Drew Mascarini posted his first shutout of the year.

On Friday, October 11, the Bruins dumped Robert's Pool in an exhibition game, 4-0. Costello opened the scoring with Burkheiser getting the assist. Taber posted goal two on a pass from Burkheiser and Costello. Morris shot in a rebound from Davies and Johnston. Burkheiser finished the scoring after a Tony Curtale pass.

The Bruins faced Little Caesar's on Sunday, October 13, and won 4-1. Bill Seaver, Rob Brykalski, Costello and Burkheiser scored the goals.

The Bruins then traveled to Utica for their third league game and topped Sterling Heights, 5-0. Burkheiser and Taber combined for three of the goals, while Johnston and Morris posted the other two. Mascarini was credited with another shutout.

Mascarini's fourth shutout was a 6-0 victory over District Two in another league game. After a scoreless first period the Bruins really opened up. Taber scored on a power play with Burkheiser and Jim Kennary assisting. Davies scored on a rebound shot from Johnston and Morris.

Taber scored his second of

the game on a pass from Burkheiser. Morris tipped in a shot after a pass from defenseman Joe Bucciero and Curtale. Costello shot in a backhand goal after a pass from Burkheiser. The final goal was a slap shot by Davies, unassisted.

The Bruins then outshot the Windsor All-Stars, 49-4, and registered a 5-1 win with the Windsor goaltending out-standing in keeping the score so low. Mike Fredal led the way with two goals. Scott Seaver and Fredal were in complete command as penalty killers.

Austin Beaten by Notre Dame

By Paul T. Denis

Greg Hipple dominated the Notre Dame offense again to beat Austin, 22-0, on Sunday, October 20. The shutout was the first of the season for the Friars offense.

Hipple had a hand in all of Notre Dame's points, scoring twice, passing for a touchdown and holding for an extra point and a field goal. His touchdowns came on runs of two and 24 yards in the first and fourth quarters, respectively. Paul Pochmara kicked the extra point after the first touchdown with Hipple holding.

In the second quarter Hipple passed to Frank DeMartino on the halfback option for a 48-yard touchdown play which fooled the Friars defense. Late in the same quarter, Pochmara kicked a 25-yard field goal with Hipple holding again.

The Austin defense looked strong again in the second half in only allowing one touchdown in the final minutes of the game. Coach Peter Pucher said of Notre Dame, "They are a strong team as

Strong Defense Aids SH, 7-6

By Damian Kiaka

South High School squeezed by Roseville, 7-6, on Friday, October 18.

Again, the Blue Devil's defense was the salvaging light in the victory. Senior linebacker Tom Dirks led the defense with 16 tackles and assists. He also blocked an extra point kick by Roseville that eventually saved the game for the Devils.

Junior Tim Corbett had a fine game on defense by grabbing two interceptions, (almost five), and recovering a Wildcat fumble. Senior Bill Abraham also had a

good game with an interception and a recovered fumble. The defense has been the bright spot all year giving up only an average of six points a game.

The offense, however, has not been able to gain any consistency throughout the year.

Leading the offense was junior Dave Wyborski with 137 total yards. But he was involved in three fumbles, which could have ruined an otherwise great game.

Early in the first quarter, Wyborski started off a drive with a 43-yard rush. On the next play, senior Pete Frasier rambled around end on a 16-yard touchdown run. Mike Dooley's extra point kick was good.

The score at halftime was 7-6. Third quarter action saw the Devils fumble away almost everything they got. Three fumbles and mass confusion were the governing rules for the rest of the quarter.

The Devils will have to regroup their offense, especially their negligible passing attack for their next game. They will play probably the best team they will see all year in Sterling Heights.

The game will be on Saturday, October 26, on South's home field. All alumni are invited to the contest and the dance afterwards.

indicated by their 5-0 record."

He felt Austin's defense played well as a team against Notre Dame, a strong offensive team.

On the offense the coach said, "The offense must practice at sustaining their blocks." By this he meant that he wanted them to continue to be in the right places but to stick with their blocks to make them good.

Austin is now 1-5 for the season while Notre Dame is 6-0. In league play Austin is still winless while Notre Dame is undefeated.

Easy street has no miracle avenues leading to success.

Police Arrest Drag Racers

Two teenagers, one a juvenile, will have to face charges in separate courts on charges of reckless driving and drag racing. Both were arrested on Sunday, October 20, after they sped past two Shores public safety officers cruising east on Shorecrest circle.

The officers, Patrolmen Harry Hamilton and Gary Mitchell, in their report, stated that Laurence J. Denomme, 18, of 875 Anita; and a 16-year-old, each in 1974 make automobiles, drove by them at an extremely high rate of speed at about 8:45 p.m. The policemen took up pursuit, pacing the pair at between 60 and 65 miles an hour.

Hamilton and Mitchell said they observed that during the chase that Denomme and the younger driver sped in and out while passing other cars on the roadway, and in and out over both traffic lanes, and were constantly pulling away from their scout car at the continued speed.

The 16-year-old was stopped at Lake Shore road and PSO Mitchell took him into custody, while PSO Hamilton continued the chase of the older driver, south on Morningside and west on Anita. Denomme pulled into the driveway of 875 Anita and exited his auto. He was placed under arrest by Hamilton. Both teenagers were taken to the station, where they were issued violation tickets for reckless driving-drag racing.

Denomme was required to post a bond of \$75 and is scheduled to appear before Shores Municipal Judge Patrick Denis on November 27. The father of the 16-year-old was told his son will have to appear in Juvenile Court and will be informed of the date.

Lions Gridders Have 2 Shutouts

The Grosse Pointe Lions freshman team met the Roseville Chiefs Sunday afternoon, October 20, at Elworthy Field and dominated the game with a running attack and hard blocking by John Gregg, John Kline, Joe Leto and Brian Carlon, plus fine running by Mike Sullivan.

A long pass from Harry Constant to Greg Rivard helped on the 60-yard touchdown drive. The rushing attack picked up 10 first downs.

The offense was backed up by a strong defense centered around linebackers Bob Codens, Jamie Harrison, Harry Constant, Mark Jennings and Mike Sullivan in the Lions' 7-0 victory.

The Lions junior varsity won its contest 7-0. After the game, coach Jack McAllister said, "This was one of the finest total team efforts of the year!" The Lions defense played its best game in holding the stubborn Chiefs scoreless.

The Chiefs were on the Lions one-yard line at the end of the first half with Tom Keans, David McAllister, Eric Mikesell, Devon Jeffrey, Mike Wood and Ward Krull demonstrating a determined goal-line stand. The Lions offense was led by Mike Allen and Dean Graham who kept the Chiefs' defense off balance.

The lone score came on a two-yard run set up by the blocking of Charles Wilmoth, Pat Sullivan, Tony Alfonso and Tom McCarren.

The Roseville Chiefs varsity team marched 68 yards in five plays on its opening series to gain a 14-13 victory over the Lions varsity. A 43-yard pass play accounted for the Chiefs other touchdown early in the second quarter.

Chris Mebus, Rich Harrison and Todd Platt sparked an offensive effort resulting in touchdown drives of 81 and 73 yards. The second score was capped by a 43-yard pass play in the third quarter. The Lions began a drive from their own 18 yard line in the last minute of the game but the final gun halted it on the Roseville 32-yard line.

Defensive coach Jim Duff commented, "Our offensive game was very consistent. We were particularly proud of the rapid adjustment made by our defense to stop Roseville's triple-option threat after the opening series of downs." Steve Kienle, Pat Coyle, Greg Drais and Mike Leonard provided solid play for the defensive unit.

"These young men had never seen an option offense this season. It's rarely seen in our level of football because of the heavy emphasis on the ability of the quarterback. We think the adjustment they made proves their flexibility in meeting unusual situations," added coach Duff.

Men Arrested Carrying Loot

Two men who were arrested while carrying an allegedly stolen stereo and four speakers face charges of breaking and entering an occupied dwelling in Wayburn avenue with intent to commit larceny.

Arrested at 11:30 p.m. Saturday, October 5, at Kercheval and Alter, were Bruce David Diola, 22, of 3313 Pirrin, Waterford, and George William Ridge, 24, of 12801 Madison, St. Clair Shores.

Arraignment was held before Park Municipal Judge John Urso on Monday, October 7. Being held in the Park jail each on a \$2,500 bond, two sureties, the men were scheduled for a preliminary examination Wednesday, October 16.

Their court appointed attorney was unable to attend and the examination was rescheduled for tomorrow, October 23.

Two Wayburn avenue residents, upon return home that evening, discovered the theft and reported it to Park police at 1:11 a.m. Sunday, October 6.

Under investigation, Park police found a portable television and dietic scale in the back yard of the home. Entry to the house had been made by tearing the screen of the rear storm door and forcing the inner door.

Reveal Essay Contest Rules

Morality in Media of Michigan, Inc., at an awards dinner held recently in the Grosse Pointe Yacht Club, announced the rules for its Annual Youth Essay Contest.

The topic for the competition is: "Do you agree that pornography in all its forms is a major factor in the appalling rise in the crime rate and, if so, what can the youth of America do about it?"

All Michigan junior and senior high school students are eligible and may submit original essays not exceeding 500 words. All works must be signed by a parent and an English teacher.

The student with the winning essay will be awarded a \$100 savings bond, and other cash prizes will be given. The deadline for entries is November 30 and they should be mailed to Box 8621, Detroit, 48224.

Further information may be obtained by calling Mrs. S. H. Murphy, at 775-4049, or Mrs. A. C. Elsentreger, at 779-8266.

At NBD, you get a lot more than 7 1/4% interest.

Let's be honest... just about every bank in Detroit will give you 7 1/4% interest on savings certificates of \$1000 or more left on deposit for 4 years. And so will National Bank of Detroit.

But NBD can give you something extra no other bank in Michigan can give you — the security of dealing with Michigan's

biggest bank, with assets of more than \$8,000,000,000.

And you don't have to have a thousand dollars, or leave your money on deposit for 4 years, to have your savings protected by NBD. The same \$8 billion in assets, and long-time reputation for financial soundness, stand behind every NBD savings plan... even if you open a

regular EveryDay Interest account with only a few dollars.

Why not get the safety and security of Michigan's biggest bank, by starting a savings program at the NBD office near you?

We have what it takes to make banking a lot better for you.

Making banking better for you.

Letters to the Editor

To The Editor:

As a member of the Grosse Pointe Youth Service Division I would like to take this opportunity to express my thanks to the many parents who helped supervise the "building of floats" activities for the 1974 Grosse Pointe North Homecoming.

James H. Cooper, assistant principal, Grosse Pointe North High; Donald Dungan, member of the school faculty; and I went around to the different "places of assembly" on Friday night, October 11, and at each place were met by many students, (ladies and gentlemen, all), and several parents and sponsors. The enthusiasm was terrific; and again, there were no problems with vandals, etc.

Responsible students and involved parents assure us of, generally, problemless activities. Since "devil's night" and Halloween are approaching, I would like to ask the parents of our Grosse Pointe youth to cooperate in the effort to reduce the destruction and malicious activities. Unsupervised window soaping, toilet papering, etc., often result in vandalism and obscene graffiti, which is not fun but criminal activity.

Please keep your children at home, and they will not be confused with the roving vandals of less concerned parents. If they have a legitimate place to go, please make sure they arrive — and stay.

Halloween is an event for youngsters that has become a hassle for society; however, with every parent and young person cooperating, we can return it to the youngsters,

and all of us can have fun. Detective Wayne G. Baum, Grosse Pointe Youth Service Division

Dear Sir:

As a resident of Harper Woods with children attending schools in Grosse Pointe we would like to use this means to publicly thank all those involved in our behalf in the recent hearing held before the Wayne County Intermediate School Board regarding a proposed transfer of land in the Grosse Pointe School District to the Harper Woods School District.

After attending the meeting we are aware of how much time and effort went into the successful outcome, and it is deeply appreciated. A special thanks to the Grosse Pointe students for the interest shown their fellow classmates.

Sincerely,

Mr. and Mrs. Louis Zenoni

Dear Editor:

Our Grosse Pointe Branch AAUW Used Book Sale is over and it was a tremendous success. The proceeds from the sale go to the AAUW Educational Foundation which awards graduate fellowships for women.

We would like to thank the community for generously donating thousands of books and for supporting the sale. We also owe special thanks to The Grosse Pointe News and Janet Mueller for their enthusiastic support of our project.

Sincerely,

Hope Paslar

One View From The Capitol

By William R. Bryant, Jr.

Proposal D was placed on the ballot by the legislature pursuant to the provisions of Article IX, Section 16, which requires voter approval of State bond issues.

Proposal D states: "The proposal would (1), Authorize the State to borrow the sum of 1.1 billion dollars to finance the planning, acquiring, constructing and equipping of various land, air, and water transportation systems, other than operating and maintenance expenses; (2), Authorize the State to issue

general obligation bonds therefor; and (3), Provide for repayment from the general fund.

You vote "yes" or "no" on the proposal.

Because of the reduction in annual cost of other bonds now outstanding, it is projected that the State can fund this new issue without appreciable increased bond retirement cost and, therefore, without budget strain.

My thoughts are mixed on the issue. It is a big bond issue and the interest cost will nearly equal the cost of the principal. The programs this issue will fund, however, are needed; and the Federal money and projects will generate much needed new employment.

I will vote "yes" on Proposal D.

Purdue's Band Plays Oct. 26

Pointers, who love the sounds of marching bands, will have an opportunity to hear one of the best from the University of Purdue on Saturday, October 26, at 7:30 p.m. at the Lake Shore High School stadium, Jefferson Avenue and 13 Mile road, St. Clair Shores.

St. Clair Shores' three high schools, South Lake, Lakeview and Lake Shore, are hosting the Purdue band, which will perform with the bands from the three schools.

The 350-member Purdue band will put on a 45-minute show after the high school bands perform. Called the "All American Band," the Purdue band is a leading proponent of pageantry type football shows.

Tickets for the show are \$1 for adults and 50 cents for children. They may be obtained at the gate.

COOK WITH BEANS

Michigan produces more navy (pea) beans than any other state. The Michigan Department of Agriculture says, "Treat your family to Michigan navy bean soup and hearty baked Michigan beans."

GPSC Captures High Team Trophy in Meet

For the first time in its history the Grosse Pointe Swim Club came home with a high team trophy. This was at the 4th International Windsor Invitational held Saturday-Sunday, October 19-20, at the University of Windsor. Forty-two teams from the United States and Canada participated with the Grosse Pointe Swim Club coming out on top as they scored the most points of any American team.

Coach Tim Kennary's "A" swimmers showed this year that they have tremendous depth. They were represented by over 35 "A" swimmers and were able to place a swimmer in almost every event.

He attributed the swimmers' good times to their accelerated work program this fall. Coach Kennary said that the five day a week workouts, plus a great team spirit, produced good results early in the indoor season.

In 10 and under, the girls medley relay team of Lynn Mollahan, Sarah Bernard, Chris Bourget and Chris Barnes took third place and then they came back to duplicate their feat in the 200 free relay.

The 10 and under boys' team with Watty Bernard, Jeff Colton, Jim Strong and Mark Stoyka did 2:18.6, which was good for a first in the medley relay. The same boys then came back to win the 200 free relay.

Watty Bernard, Jeff Colton and Mark Stoyka were the individual stars in boys 10 and under. Watty won the 50-yard free in 28.6 and was second in the 200 freestyle. Jeff was first in the 100 back at 1:16 and fourth in the 100 IM. Mark was nosed out in the 50 breast with his 39.0.

In the 11 and 12 age group, the medley relay team of Pam Rinke, Whitney Semple, Frances Shook and Amy Rentschler broke the Canadian meet record. Their winning time was the fastest medley relay time swam by a Michigan team this year. Amy, Frances, Pam and Cheryl Stoyka also took a second in the 200 free relay.

Individual events for girls 11 and 12 saw Frances Shook win the 100 breast with her time establishing a meet record. Frances also was third in the 100-yard backstroke and sixth in the 200 IM.

Amy Rentschler was third in the 100 breast. Pam Rinke was second in the 50 fly and fourth in the 50-yard free. John Burchette was second in the 50-yard fly and sixth in the 100 back.

In the 13 and 14 age group and the open events the Grosse Pointe team showed great depth. In 13 and 14, the girls medley relay team of Megan Montagne, Lisa Colletti, Abbie Frame and Debbie King took second place with a time of 2:03.6.

The boys 200 medley relay team swam the open and Tom Hessburg, Craig Swanson, Drew Pillsbury and Ray Bernard had a winning time of 1:46.8.

Tom Hessburg was first in the 200 open breaststroke. Mike Bernard was fourth in the 13 and 14, 200 free. Ray Bernard won the 100 open backstroke and Drew Pillsbury placed in the 100 open backstroke.

In the girls open 200-yard medley relay, the GPSC

Suffers Burns From Fireplace

A Shores woman suffered minor burns about the face and arms on Monday, October 14, when a fire from a blocked fireplace flared out at St. John Hospital for treatment and released.

Chief Joseph Vitale said that when public safety officers and volunteers arrived at the home of Josephine Shearer, 85 Clairview, heavy smoke was pouring out of the front door of the house.

The flame backfire ignited the wooden mantel and the firefighters put out the blaze with a fire extinguisher. However, there was smoke damage throughout the first floor of the house, it was disclosed.

The public safety officers removed the charred wood from the fireplace after putting out the flames and then used a large fan to air out the residence. Smoke damage on the first floor was medium to heavy, Chief Vitale said.

The chief said that an investigation of the cause of the fire disclosed that the chimney flue was closed when wood in the fireplace was ignited.

The personnel of the Woods Public Safety Department automatically responded to the alarm under the Mutual Fire Aid Pact, but returned to their station when it was found they were not needed.

team of Mickey Montagne, Megan Montagne, Lisa Colletti and Debbie King took a close second, Megan Montagne placed in the 100 back and the 200 IM and has judge's decisions in the 100 free and the 200 freestyle. Megan was without a doubt the heaviest point getter among the 13-14 girls, it's reported.

Tom Hessburg, Drew Pillsbury and Ray Bernard were strong in the boys open events. Tom also won the 100 breast. Drew was fourth in the 200 IM at 2:13.6 and sixth in the 200 free. Steve Swanson was third in the 100 breaststroke.

The boys 13 and 14 free relay took fourth place with Chuck Stoyka, Mike Bernard, Tim Nelson and John Hessburg.

The Grosse Pointe "A" team goes to Fitzgerald for the first U.S. AAU indoor meet of the year this weekend and coach Kennary is expecting another solid performance from his natators.

Motorcyclists Offered Advice

A Harper Hospital doctor who spent six months studying motorcycle accidents and injuries has discovered that most cyclists have had inadequate training and don't know how to avoid serious accidents.

Dr. William H. Salot, of The Farms, chief of the outpatient orthopedic clinic at Harper Hospital in the Detroit Medical Center, studied 140 accidents that were reported to two hospitals he serves. He found that 54 percent of the injured drivers had been riding motorcycles for two years or longer, but none had had any formal training in how to ride, or how to take safety precautions that can avert accidents or lessen injuries.

Dr. Salot, who is also on the faculty of the Wayne State University School of Medicine, became convinced from his study that motorcycle riders, auto drivers and the companies that manufacture motorcycles all need to work toward one objective—decreasing the number of motorcycle collisions with cars. He found that cycle-car collisions resulted in the most serious accidents.

He reported that of the cases he studied, the average accident happened on dry city streets during daylight hours. The injured cyclists were an average of 23.8 years old and 97 percent of them were male. There were no accidents on freeways. He indicated that the most common time for an accident to occur was between 4 and 7 p.m. on a Saturday.

Of 25 injured cyclists who were admitted to hospitals for treatment, 80 percent had been hurt in collisions with cars, frequently as the car made a left turn.

Of 115 cyclists who were injured, but not seriously enough to be admitted to a hospital, 68 percent of them had lost control of their motorcycles. Another 20 percent were hurt in collisions with cars, seven percent because of mechanical failure of the cycle and five percent because of road conditions.

Dr. Salot noted that most of the cyclists who were admitted to hospitals had severe injuries. The 25 patients remained a total of 600 days, with the average stay being 24 days. A third of these people are still disabled a year to 18 months after their accidents, he reported. The others, now recovered, were disabled an average of 18 weeks each. The 25 patients admitted to hospitals had 67 operations and surgery in still

UN Day Plans Set for Oct. 24

Plans for the observance of United Nations World Development Information Day, October 24, are being made by the Macomb County Baha'i Community.

Mrs. Jahan Fets, of Kerby road, is the press representative of the group and is assisting committee chairman Mrs. Dorothy Haselhuber.

Purpose of the World Development Information Day is to increase awareness of the interdependence of all people in the world and the need for global solutions to problems of population, environment, energy and food and water resources.

A program for the observance of United Nations Day, also October 24, will be held at 8 p.m. at Macomb County Community College, Student Union, (k 306), 14500 Twelve Mile road in Warren. David Pauls will speak at the meeting on "The Need for Global Solutions to World Problems." The public is invited to attend.

What Goes On at Your Library

By Arthur Woodford
Chief of Central Library

October is National Hobby Month and for those readers who are interested in learning more about a favorite hobby or undertaking a new handicraft, I would like to recommend some of the new hobby books available at your Grosse Pointe Public Library.

"Papier Mache is 20 centuries old but it is still a young art." So state Carla and John Kenny in their book THE ART OF PAPIER MACHE (Chilton). Following a short historical introduction the authors cover the various methods, materials, designs, tools, and suppliers for creating a variety of objects from paper.

Terence McLaughlin, in his book CANDLE MAKING (Drake), gives to the reader all the background needed to become an expert candle maker at home. He discusses all the materials, waxes,

wicks, molds and molding materials — how to get them and how to use them. The book is illustrated with many color photographs and black and white line illustrations.

If you like flowers and enjoy looking at them, may I suggest FLOWER MAKING (Taplinger) by Priscilla Lobley. Paper flower-making is both easy and fun and even if you are not the greenest of thumbs, the author shows you how to grow a magnificent garden right in your own home.

Other hobbies of this type for which we have a good selection of materials, include: needlepoint, quilting, leathercrafting, and crewel embroidery.

For the model builders, we also have a good choice of books. Gene Johnson's SHIP MODEL BUILDING (Cornell) is a book for the handicrafter from 8 to 80 who has never built a ship model and would like to learn this fascinating hobby.

Here the beginning craftsman will find all the fundamentals needed to get a start in model building, beginning with the simplest steps and leading up to the completed ship.

If you don't have room for a large ship model, author Donald Hubbard suggests building a ship in a bottle. In his book SHIPS-IN-BOTTLES (McGraw-Hill) Hubbard provides the necessary directions. Each chapter of this how-to-do-it book is well-illustrated with photographs and drawings that guide the hobbyist step by step from start to finish: selecting the model to build; choosing and preparing the bottle; preparing the hull, deck, spars, and rigging; placing the ship in the bottle; and sealing and finishing the bottle. Included are a selection of plans and a glossary of nautical terminology.

Now that you have a Clipper Ship on the mantle and a Gloucester Schooner in a bottle, how about a couple of pieces of scrimshaw on the coffee table.

A good step-by-step guide to this venerable nautical craft will be found in SCRIMSHAW (Sterling) by Carson I. A. Ritchie.

In this well-illustrated volume author Ritchie gives the reader directions on selecting and polishing a whale's tooth; choosing tools; carving the design; adding color; and "leveling" the bottom.

Ritchie concludes his book with a good list of suppliers of whale's teeth. And, if you can't get a whale's tooth, try "boars" teeth which can usually be obtained from the local meatpacking house.

For those modelers who want to try something a bit more traditional we have a very good selection of materials on model airplanes, model cars, and model railroad building. Along with books, we have magazines such as MODEL RAILROADER, and MODEL AIRPLANE NEWS, RAILROAD MODEL CRAFTSMAN.

We also have books and periodicals for the hobbyist who is a collector. For example, we have STORIES TO COLLECT STAMPS BY (Philatelic Books) by Herman Herst, STAMPS TELL THE STORY OF THE UNITED NATIONS (Meredith) by Emory Kelen, the latest Scott's STANDARD POSTAGE STAMP CATALOGUE, as well as the periodical STAMPS, the weekly magazine of philately.

For the coin collector we have such titles as COINS: AN INVESTOR'S AND COLLECTOR'S GUIDE (Regnery) by Mort Reed, A CATALOGUE OF THE WORLD'S MOST POPULAR COINS (Sterling) by Fred Reinfield, THE COMPLETE BOOK OF UNITED STATES COIN COLLECTING (Macmillan) by Norman M. Davis, and COIN WORLD, the weekly newspaper for the entire numismatic field.

In addition to the subjects covered here we have books for the hobbyist on bangle stitching, big-knot macrame, felt crafting, metal and wire sculpture, off-loom weaving, photography, potato printing, and tole painting to name but a few.

The curtain rises tomorrow, at 1:30 o'clock, in The Players' Playhouse in East Jefferson avenue on Theatre Arts Club of Detroit's first production of its 64th season.

It's Paul Zindel's "And Miss Reardon Drinks A Little," the contemporary three-act drama that starred Grosse Pointe's Julie Harris when it was presented at the Fisher Theatre a few seasons ago.

It's directed by Mrs. Arnold Combrinck-Graham, produced by Mrs. Edmund R. Shurly and Mrs. Philip C. Dickinson. Mrs. Donald G. Cherry will be holding script.

And—wonder of wonders!—there'll be a MAN on the stage!

This is a hairdresser Looking at your face

In other words, this is a hairdresser that cares. He doesn't consider his clients faceless ladies in shapeless robes. He considers them interesting individuals. Which is why he studies their faces and clothes and asks about the lives they lead and the way they really see themselves. It's also why he gets the most beautiful results. This kind of hairdresser isn't easy to come by. But if you come to our place, you'll find quite a few. You see, it's the only kind of hairdresser we believe in. Sketch by Bart Edmond & Ron Kotes.

Hold Welcome Wagon Program

Representatives from three area hospital volunteer corps discussed their work at the last monthly meeting of the Welcome Wagon Club of Grosse Pointe and Harper Woods Thursday, October 3, at the Grosse Pointe War Memorial.

Virginia Douglas spoke on behalf of the Saint John Volunteers, Pat Clayton on behalf of volunteers at Cottage and Irene Decker on behalf of those at Bon Secours.

Welcome Wagon has had added to its own corps over the summer.

Among new members are Mrs. Donald Pollack, Mrs. Dieter Deuchler, Mrs. William Malone, Mrs. John Marr, Mrs. Howard Schorer, Deanna Marlowe, Mrs. Peter

Perani, Mrs. Peter Ulbrich, Mrs. Ned Gilliom, Mrs. Charles Kiesel, Mrs. Howard Draper, Mrs. Stephen Herbel, Mrs. Herbert Kohls, Mrs. James Mallon, Mrs. Delbert Connor, Mrs. Michael Sheldrick and Mrs. John Moss.

The Club's next meeting is scheduled for Thursday, November 7, at the War Memorial. Judge Ernest Boehm, guest speaker, will reveal What Women Should Know About Wills.

Anyone new to The Pointe or Harper Woods is invited to attend the meeting. Welcome Wagon membership eligibility is contingent upon a visit from a Welcome Wagon hostess.

Ladies new to the area who have not been called on may contact Betty Tocco, 886-1551.

and Today's Sexual Revolution are, left to right, SANDRA KING, conference Assistant League Co-chairman, DR. ANNETTE RICKEL, Guidance Center program Coordinator, and BRENDA VEIT, Assistance League chairman. Further information may be obtained by calling 886-7923.

Nancy Adams Speaks Vows

Nancy Beth Adams, daughter of Mr. and Mrs. Gordon W. Adams, of Lakeview avenue, and Christopher Derrick Lundy, son of Mr. and Mrs.

Garry Lundy, of Cottam, Ont., were married in Saint James United Church Saturday, September 14.

The 3:30 o'clock rites at which The Reverend Edgar Cowan presided were followed by a reception at The Other Place, Windsor.

The former Miss Adams wore her mother's Chantilly lace-trimmed satin wedding gown, styled with a Chapel train, and a shoulder length veil.

She was attended by her sister Mrs. Edward Moody as honor matron and bridesmaid Mary Beth Kearney. They carried apricot mums complementing their frocks fashioned with Venetian lace bodices and pale apricot skirts.

B. J. Lundy, of Wardville, Ont., acted as best man for his brother. Ushers were Edward J. Moody and James Adams, the bride's brother.

The mother of the bride wore a long-sleeved shirtwaist of brown and white silk, the bridegroom's mother a plaid woolen skirt and ecru silk blouse. Carnations and baby's-breath formed their corsages.

Sugarless Halloween Treats Fight Cavities

Members of the Macomb Dental Auxiliary, Mrs. William Cosgrove, of North Brys drive, president, have developed a policy of serving sugarless treats to the hobgoblins, witches and scarecrows who come knocking at their doors Halloween night.

It's part of their continuing Dental Health Education program under the co-chairmanship of Pointer Mrs. Grant Walters and Mrs. Michael Linebaugh, of St. Clair Shores.

Since research has shown that when sugar has been introduced into the mouth a chemical reaction occurs and plaque begins to form on the teeth if they are not brushed or flossed immediately, and since trick-or-treaters have neither the time nor the inclination to stop and clean their teeth after sampling the goodies in their beggars' bags, the Macomb Dental Auxiliary ladies are pushing no-sugar treats again this year.

The newlyweds vacationed in Ontario and will make their home in Windsor.

Pointe Braille Club Convenes in Algonac

Nineteen members of the Grosse Pointe Braille Club gathered for their first fall meeting of the year at the Algonac home of former Pointer Mrs. John Huettel, Tuesday, October 8.

The business session conducted by President Elvera Parlington featured reports from Loraine Glynn, secretary, Marietta Tornow, treasurer, Patricia Huegli, bindery chairman, Marie Millett, assignment chairman, teacher Betty Potter and Tri-County Vice-President Charlotte McClellan.

The Club will host a "petit déjeuner" next Wednesday, October 30, at noon in the Grosse Pointe War Memorial's Alger House for the combined Tri-County Braille Groups. Speaker Jim Stoner will also entertain at the piano.

Jim, an accomplished pianist, enjoys Scuba diving. His request for brailled mathematics formulas created some questions from those who were brailled textbooks for him—until it was learned that he had to know the formulas to pass the Scuba diving examination, although he had been diving for over a year.

In answer to a request for a speaker from the Friendship Lions Club Marie (Mrs. John) Millett addressed the group October 15, demonstrating how braille is written, what work goes into completing a finished book, what the aims of the Club are and what it has accomplished.

Special recognition has been given to Betty (Mrs. A. Lawson) Potter who received a Meritorious Award—Sapphire from the National Braille Association, Inc., for Braille and Special Services. Betty has rendered, unpaid, over 3,000 hours of braille.

The Award was presented by National Headquarters and written about in the Association's Fall Bulletin.

Others attending the October 8 meeting-luncheon were Lo Ann Less, Winifred Coleman, Thelma Dikeman, Kay Myers, Anne Baker, Helen Brusoe, Elaine Tyrant, Grace Walker, Doris Booher, Kay Peltier and Phyllis Wesley.

The 1974-75 Grosse Pointe Braille Club class began October 9 at the Grosse Pointe Public Library with the maximum number of students Library and Club facilities can handle.

Zonta to Host Lunch Program

Zonta Club of Detroit is sponsoring a luncheon this Saturday, October 26, at noon in the Pontchartrain Hotel's Ontario Room to celebrate United Nations Status of Women.

Patricia Burnett, past-president of the Detroit Chapter of NOW, World Chairperson of the World Feminist Commission and a Detroit Zonta member, will speak on the Status of Women in Comparative Cultures.

Joan Israel, immediate past-president of the Detroit Chapter of NOW, will discuss the Status of Women in America Today.

Mary Anne Sweeney, director of Social Services at Henry Ford Hospital and Detroit Zonta program chairman, will moderate the program.

Hette Brenaman, of Hidden Lane, 881-8831, is accepting reservations.

Zonta is an international service organization of executive and professional women. Detroit Chapter members accepted an invitation from Mrs. Lynn Townsend, chairman of the board of trustees of Children's Hospital, for luncheon and dedication of the playroom and halter pumps to be used in Children's Dialysis Department last Friday.

The local Chapter equipped the playroom with games, tables and chairs, music and pictures to keep the children occupied and amused while they wait their turns on the kidney machines, and raised funds for purchase of the two halter pumps which increase the capacity of a kidney machine so that two additional children can be accommodated.

Zonta of Detroit also furnished Hutzl Hospital with a kidney machine this year.

John O. Peters, of Cranford Lane, is the brave and talented actor who will appear as all-female Theatre Arts Club's second, ever, male guest performer.

He's a veteran of the all-male Players and of Fine Arts Society's mixed troupe, so characterization should be no problem.

But if I were in Theatre Arts' audience tomorrow, I simply couldn't resist letting out the loudest whistle you ever heard when Mr. Peters takes his curtain call.

Now: how does a gentleman in unmixed ladies' company react to that?

Besides the extraordinary Mr. Peters, the cast includes the Mesdames Frank H. Finney, John Levenez, John B. Hastings, Paul M. Koch, Glenn W. Carpenter and Roger C. Hubbard.

The afternoon's program will open with Theatre Arts Chorale Ensemble, the Mesdames Ellsworth W. Allison, Armand DeGaetano, Martin Linder, Charles C. Truscon, Ellwynn A. Gilbert, Charles F. McLaughlin and Bewley D. Priestman, directed by Mrs. J. W. Mills, singing the Theatre Arts Song, accompanied at the piano by Mrs. Joseph N. Jennings who wrote the words and music.

President Mrs. Kenneth P. Locke will extend an official welcome to members present for the launching of the Club's new season.

Walton-Pierce Presents Golden Anniversary Collection

Sketched for the Grosse Pointe News are four original models from the Walton-Pierce Made-to-Order Collection. It is Mrs. William Rust Pierce's 50th collection. The cape makes a strong fashion bid this year and here you see it two ways. A full length black cape of nubby textured French wool is fashioned with a raised close-fitting neck and simple elegant lines. It is worn over a black wool challis dress with a match stick floral print in russet tones and white. The design features fit

Mrs. Pierce chose a fine camel hair imported wool for a three tiered coat. The sleeves are worked beautifully into the first tier without a shoulder seam. Patch pockets accent the third tier. This no button style shows a harlequin print dress of camel, brown, black and Perth blue. The diamond printed design of the fabric is deftly used as a focal point on the bodice and in the releasing of pleated fullness in the skirt. Even the pointed collar carries through the theme.

For romantic evenings a beguiling black chiffon gown is cut with a deep V in front and back, the waist is encircled with black satin ribbon and bow. The ruffle down the front follows around the hem of a wide dancing skirt.

Soft feminine clothes such as a "now" look in fashion has always been the fashion for 50, golden, successful years in the Walton-Pierce Made-to-Order Collection. This year Mrs. William Rust Pierce interprets the look in the finest imported fabrics with figure flattering silhouette, featuring fit and flare and unusual sleeves. Hems are below the knee for day and to the floor for evening.

As always, coat and dress ensembles go together beautifully or are important enough to lead separate lives and interchange. This has

always pleased customers who travel. A fall harvest of wheat, gold, yellow and bark brown are the colors of a single breasted horizontally striped tweed coat worn over a nutmeg wool crepe dress. Seamed banding collars the neck, cuffs the long full sleeves and sashes the waist of a flaring skirt. For that good black coat in your wardrobe, there is an elegant ribbed wool single breasted model with a nicely stated waistline. Perfect under it, is a black silk crepe dress with surprising slit designs at the neck and near the cuffs of the long puffed sleeves. A seamed pleat effect encircles the neck, cuffs and hem. A smashing suit of luscious plum tweed features a single breasted lengthened jacket with accent pockets worn over a slenderizing skirt.

A soft feminine dove gray dress is fashioned with a deep neckline and long sleeves. It is seamed and gathered through the bodice to show a feminine figure to best advantage. It goes out to dinner and to the theatre and is sure to charm an escort. R.S.V.P. to holiday cocktail invitations in a short sleeveless brandy brown French matelasse party dress with a slit square neckline, fit and flare line and a deep front pleat.

For elegant parties at home, for openings and galas, there is an excellent

selection of beautiful long gowns. Roseate chiffon makes the perfect black tie holiday dinner dress. The high blouson affect, short sleeves and a wide band defining the waist gives way to a skirt where fullness is gracefully freed at the sides. Another fashion toast to holiday entertaining is a claret brocade patterned with black. The long princess line is enhanced by full length side inserts of black satin. The long trumpet sleeves lined with black satin makes even the slightest gesture eye catching. A garden of pink, purple, orange and yellow blossoms are scattered on black for a gay border print entertainment. The deep border motifs deline-

ate the sleeves, square neck and hems the gathered skirt. Another young feminine enchantment is an almond brown chiffon striped with metallic gold and strewn with green stemmed flowers of blue, pink and orange over coral silk. Gatherings of handmade cut-out flowers form the straps of this bare shouldered beauty. The deep border print hems the skirt. For galas, French blush pink faille with a geometric circular imprint is cut with a deep V in front and back. The ball gown skirt is a wide shaping of released pleats. A jewel of a dress is a turquoise, gold and copper-brown metallic brocade in a pattern surely inspired by stain glass windows. A square neck in front is deepened in back and accented with a pouf bow. A criss-cross effect shapes the midriff, and the skirt is all graceful dancing fullness.

Designing and guiding a collection to completion is an art which Mrs. Pierce has perfected for 50 years, using the elements of highest quality, flawless production, experience and imagination. The designs are prettier than ever. And the new Walton-Pierce Made-to-Order Collec-

tion is sure to please today's fashion connoisseur as it has for four generations of distinguished Detroiters.

Kathleen Dickson Wed In Ann Arbor

Selects Lace and Organza Gown for Late Morning Rites at Which She Speaks Vows to Dr. Frank J. Tinney; Campus Reception Follows Ceremony

Vacationing in Ireland and Scotland are Dr. and Mrs. Frank J. Tinney who exchanged marriage vows Saturday, September 28, at a morning ceremony in Saint Mary's Student Chapel, Ann Arbor.

The 11 o'clock rites at which Father Robert Livingston presided were followed by a reception at the Campus Inn.

The bride is the former Kathleen M. Dickson, daughter of Mr. and Mrs. Charles R. Dickson, Jr., of Roland court, Dr. Tinney is the son of Mrs. Hugh Tinney, of Brooklyn, N.Y., and the late Mr. Tinney.

For her marriage the former Miss Dickson chose a white organza gown styled with an Empire bodice of re-embroidered ivory lace. Seed pearls detailed her high neckline. Her hemline and train were trimmed with a double lace band and her tapered bell sleeves were fashioned of lace and organza.

Matching lace edged her Cathedral length illusion mantilla. She carried an arrangement of white daisies, pink Sweetheart roses and stephanotis.

Honor matron Mrs. Frederick L. Feldkamp, of Mil-

waukee, Wis., and bridesmaids Mrs. Robert Mida, of Belleville, and Dr. Diane L. Broome, of Los Angeles, Calif., carried pink daisies and baby's breath and wore halter frocks of floral-printed pink chiffon with short cape jackets.

Best man was Robert Callari, of Floral Park, N.Y. Ushers were Bruce C. Patterson and Dr. Thomas Mich, both of Ann Arbor.

Mrs. Dickson selected a long chiffon gown, watercolor-printed in shades of blue and coral and featuring long, full sleeves and a high neckline, for her daughter's wedding.

The bridegroom's mother wore a long blue gown with a beaded cowl neckline, long sheer sleeves and a matching sleeveless coat. Both mothers chose white orchid corsages.

The newlyweds, both of whom had been residing in Ann Arbor, will return there to make their home.

Exchanging marriage vows in Our Lady Star of the Sea Church Friday, September 27, were KATHRYN L. DECKER, daughter of the Frank N. Deckers, of Oxford road, and Mr. Burlingame, son of Dr. and Mrs. Donald O. Burlingame, of Warren.

Burlingame-Decker Rites Celebrated

Pair Are at Home in St. Clair Shores after Week's Vacation in Northern Michigan; Lochmoor Reception Follows Evening Nuptials

A long gown of ivory silk organza and Chantilly lace was Kathryn L. Decker's choice for the ceremony Friday evening, September 27, in Our Lady Star of the Sea Church at which she became the bride of Richard T. Burlingame.

Clusters of seed pearls accented her bodice and

the cuffs of her full, Bishop sleeves. Matching lace bordered her mantilla veil and blue asters dotted her lily-of-the-valley bouquet.

The new Mrs. Burlingame is the daughter of Mrs. and Mr. Frank N. Decker, of Oxford road. Mr. Burlingame is the son of Dr. and Mrs. Donald O. Burlingame, of Warren.

The 6:30 o'clock rites at which Father Hector Saulino presided were followed by a reception at Lochmoor Club after which the newlyweds left for a week's vacation in northern Michigan.

They are at home in North Shore drive, St. Clair Shores.

Honor matron for her sister was Mrs. Robert Breard, of Owosso. Bridesmaids were Suzanne L. Holland and Wendy S. Burlingame, the bridegroom's sister.

Lace entwined with blue satin ribbon accented the high necks and Empire waists of their blue jersey

frocks. Their long sleeves ended in lace and ribbon cuffs.

They carried arrangements of multi-toned blue asters.

James O. Burlingame acted as his brother's best man. Ushering were Robert Breard and Michael Crosson, the bridegroom's brother-in-law.

The bride's mother wore a long gown of beige silk flecked with gold metallic

threads, the bridegroom's mother wore a long blue jersey gown. Both pinned matching corsages to their purses.

The Grosse Pointe Coliseum would like to introduce their new staff members. Special introductory offer: **FREE HAIRCUT or FREE CONDITIONER** with a regular shampoo and set. This offer with new staff members only on Monday, Tuesday, Wednesday. (limited time)

Double Ring Rites For Miss Breadon

Newlywed Thomas Charles Turners Vacation in Upper Peninsula Before Returning to Mount Clemens to Make their Home

The 6 o'clock candlelight ceremony Saturday, October 5, in Grosse Pointe Woods Presbyterian Church at which Denise Sue Breadon and Thomas Charles Turner exchanged marriage vows was followed by a reception at Hillcrest Country Club.

The Reverend John M. Deason presided at the double ring rites for which the bride, daughter of Mr. and Mrs. Robert Breadon, of Lochmoor boulevard, chose a princess gown of candlelight Chantilly lace.

Satin ribbon circled her mandarin neckline and banded the wrists of her long, fitted sleeves. Satin buttons trimmed the narrow ribbon accenting the front of her gown. Her full chapel train was outlined, with natural lace scallops and embroidered lace medallions were scattered over her imported

silk illusion veil. She carried an arrangement of baby's-breath, white roses and ivy.

In identical long-skirted, long-sleeved frocks of apricot chiffon were honor maid Pat Edson, bridesmaids Jeanne Lenz and Kathy Turner and Mrs. Ronald Wentz, sisters of the bridegroom, and junior bridesmaid Gail Turner, another sister.

They carried natural wicker baskets filled with wheat, bittersweet and butterscotch and yellow chrysanthemums.

Mr. Turner, son of Mr. and Mrs. Robert Turner, of East Detroit, asked Douglas Jager to act as best man. In the

Phase I Ready For Halloween

Phase I, an all-singles group, will hold a Halloween Party featuring two horror films, dancing and treats at 7:30 o'clock this Sunday, October 27, at Grosse Pointe Memorial Church. Singles between the ages of 20 and 40 are invited to attend — in costume, if they wish.

A Phase I progressive dinner is scheduled for Saturday, October 26. Reservations are required. Details may be obtained by calling 881-2163.

Phase I meets every Sunday night at Memorial Church. Further information on the group's activities may be obtained by contacting Gust Jahnke at 882-5330.

usher corps were Ronald Wentz, Joel Hildebrandt and Thomas Breadon, the bride's brother.

The bride's mother selected a Grecian style gown of chocolate chiffon and a cymbidium orchid corsage. The bridegroom's mother wore a long gown of celery green chiffon and a corsage of cymbidium orchids.

Mrs. Thomas C. Turner

DENISE SUE BREADON and Mr. Turner were married in Grosse Pointe Woods Presbyterian Church Saturday evening, October 5. Their parents are the Robert Breadons, of Lochmoor boulevard, and the Robert Turners, of East Detroit.

Smith College Club to Meet

Mrs. F. James Robinson, II, will open her Merriweather road home next Wednesday, October 30, for Detroit Smith College Club's first fall meeting. Mrs. James T. Dickerson, president of the Birmingham Smith Club, will give the Alumnae Report. A new club directory will be distributed.

The Club's fall crop of scholarship pecans is in, available for gift-giving or home use in the familiar "Smith Scholarship" wrapping.

Alpha Delta Kappa Install New Member

Carole Suzanne Lee, teacher-consultant in Special Education, Grosse Pointe teaching staff, was initiated into Alpha Delta Kappa honorary sorority for women educators during ceremonies that were part of ADK's regional Founder's Day Workshop and luncheon held recently at the Holiday Inn, Mount Clemens.

Margot Kahl, of the Ferry School staff, served as chapter chairman.

Grosse Pointe School Superintendent James Adams will speak at the local ADK group's meeting Tuesday, November 12, in the Central Library at 8 o'clock. His topic is Women's Role in Education. The public is invited.

Rowene Neidow, of Parcels, is chairman of the evening.

Alpha Delta Kappa seeks to build a fraternal fellowship among women in the teaching profession which will add to their effectiveness in the promotion of excellence in teaching.

DSO Performs in Worcester

The Detroit Symphony Orchestra makes its 17th annual appearance at the Worcester, Mass., Festival, oldest continuing music festival in America, established in 1858, and its first with Aldo Ceccato on the podium this week.

Six concerts are being played October 21 through 26, including a Young People's Concert Saturday morning with Theo Alcantara conducting.

Guest artists appearing with the Orchestra and Maestro Ceccato include violinist Pinchas Zukerman, soprano Anna Moffo and pianist Agus-

tin Anievas.

Appearing with the Orchestra under Theo Alcantara's direction will be dancers Kay Mazza and Peter Martins, soprano Loretta Giles, baritone Francis Hester and the Worcester Chorus in a concert version of Gershwin's "Porgy and Bess."

The Orchestra returns home for concerts in Ford Auditorium next Thursday, October 31, and Friday, November 1, with guest conductor William Steinberg and violinist Pinchas Zukerman.

DSO Seeking Public Support

Launched by a full-page newspaper advertisement encouraging "Invest in the Detroit Symphony" plus an extensive coordinated mail solicitation, the 1974 Quest for Excellence campaign has entered its public fund-raising phase.

With the campaign almost one-third of the way to its goal of \$1,500,000 the general public is being asked to indicate support for one of the area's most valuable cultural assets via a tax-deductible contribution.

Campaign chairman Norman A. Bolz, of Winthrop place, notes that last year's drive resulted in a 63 percent increase in the number of individual donors, thus broadening the base of support for the Detroit Symphony while adding substantially to its income.

"The response to this year's campaign so far is most gratifying," Mr. Bolz says, "and includes several hundred new contributions in addition to the fine loyal support of our long-time contributors."

"We have a distinguished and exciting new music director, Aldo Ceccato, and have dramatically renovated the acoustics and esthetics of Ford Auditorium. Those who have attended are enthusiastic about our new image and the dramatic impact of the Orchestra."

"Hopefully, this month's activities will activate the kind of ground-swell support for Detroit's Orchestra experienced by the Orchestras of many other great American cities."

All who wish to invest in the future of their Orchestra may send tax-deductible contributions, (check payable to the Detroit Symphony Orchestra, Inc.), to the Development Office, Detroit Symphony Orchestra, Ford Auditorium, Detroit, Michigan 48226.

New Talents for Detroit's Symphony Orchestra

Five new musicians have been added to the Detroit Symphony Orchestra roster since the end of the 1973-74 concert season in April. They include a new principal bassoonist, two violinists, a cellist and an apprentice conductor.

Robert Williams is the new principal bassoonist. For the past two years he was first-chair bassoonist with the Winnipeg Symphony. He has also played with the Minnesota Orchestra and the Colorado Philharmonic.

A native of Tucson, Ariz., he studied with Norman Herzberg at the University of Southern California.

Joseph Goldman became one of the Orchestra's assistant concertmasters last May. He studied with Tiberius Klausner at the University of Missouri, with Paul Makanowicz and Gustave Roscoe at the University of Michigan, and with David Martin in London. He has appeared as soloist with several orchestras.

He is married to DSO violinist LeAnn Toth.

Gary Koslosky joined the Orchestra in September, coming from Indiana University where he is a candidate for the Doctor of Music degree. A native of Regina, Saskat-

chewan, he studied violin with former DSO concertmaster Josef Gingold.

He is a frequent recitalist on CBC Radio and plays a Stainer violin built in 1665.

Cellist Karen Baskin joined the DSO at the beginning of the summer after graduation from Indiana University where she studied with Janos Starker and Fritz Magg. She also studied with Lynn Harrell at Aspen.

Born in Washington, D.C., she is married to DSO assistant principal oboist Theodore Baskin.

Philip Greenberg has been appointed to the apprentice conductorship, a new post with the DSO. Detroit-born, he studied violin with DSO player Jack Boesen and received his Bachelor of Music degree from Indiana University where he studied with former DSO concertmaster Josef Gingold.

He studied conducting with Sixten Ehrling at Meadow Brook and with Theo Alcantara at the University of Michigan, receiving the first Master of Music in Conducting awarded by the U. of M.

He was assistant conductor of orchestras at Michigan and Interlochen. He is presently assistant conductor of the Grand Rapids Symphony and of the Hope College Orchestra.

As apprentice conductor of the DSO Mr. Greenberg will be a member of Mr. Ceccalo's staff and will assist him in musical matters.

Oldani-Osak Rites Read October 5

Bride's Mother Fashions White Velvet Wedding Gown Trimmed with Beaded Venice and Pink Ribbon

The wedding of Marie Osak and James John Oldani Saturday, October 5, in Saint Clare de Montefalco Church was followed by a reception at Hillcrest Country Club after which the pair left to vacation in the Bahamas.

For the 10:30 o'clock rites at which Father William Hoffman presided the bride, who has been making her home in Utica, daughter of Mr. and Mrs. Thaddeus A. Osak, of Bad Axe, chose a white velvet dress trimmed at V-neck, bodice, cuffs, hem and train with beaded eggshell Venice lace. The gown, designed and fashioned by her mother, featured pink ribbon cuff and hem accents. She wore a fingertip illu-

The James Oldanis

At a mid-morning ceremony in Saint Clare de Montefalco Church Saturday, October 5, MARIE OSAK, daughter of the Thaddeus A. Osaks, of Bad Axe, became Mr. Oldani's bride. He is the son of the Edmund P. Oldanis, of Kensington road.

sion veil and carried a cascade of white carnations, pink roses, stephanotis and baby's-breath.

Honor maid Muriel Spencer and bridesmaids Mrs. Thomas Luca and Mrs. Paul Wemhoff wore ruffled bodysuits of white polyester and long skirts of wine-colored velvet sashed with pink

satins. Their nosegays were fashioned of wine, pink and eggshell dried flowers.

Edmund M. Oldani acted as best man for his brother. They are the sons of Mr. and Mrs. Edmund P. Oldani, of Kensington road.

Arthur La Fave, the bridegroom's cousin, and Paul Wemhoff seated the guests.

For the mid-morning ceremony and the reception the bride's mother selected a long dress of gold and white brocade. Her flowers were pink roses, stephanotis and baby's-breath.

The bridegroom's mother chose a long gown of embroidered deep apricot silk chiffon and a corsage of yellow roses, stephanotis and baby's-breath.

The newlyweds will make their home in Warren. The bridegroom, an Austin Catholic Prep School alumnus, received his Bachelors degree from Michigan State University and his Masters degree in Business Administration from the University of Wisconsin.

The bride is an alumna of Bad Axe High School, Saginaw Business Institute and Oakland University.

To Spotlight Tiffany Glass

The South Rensselaer home of Mrs. James Schroth will be setting for the Monday, October 28, meeting of the Windmill Pointe Chapter of Quilters. To highlight her presentation on Louis C. Tiffany iridescent glass of late 19th century America Mrs. Schroth will display two vases and a Tiffany lamp.

Present Camp Fire Fashions at Defer School Oct. 1

Clothes for school, leisure, dressing-up and sleepwear were modeled by 16 Camp Fire Adventurers at Defer Elementary School Tuesday afternoon, October 1.

The girls, fifth graders, are members of a group led by Joan Hanpeter.

What does all this have to do with the Camp Fire program for girls? It began as a simple activity to fulfill requirements for a Camp Fire honor bead for each girl.

The program book suggests the girls have a fashion show to display camping attire.

Personal benefits include learning about color coordination, different types of fabrics and their durability and practicality and how to handle oneself gracefully while walking, moving and sitting.

As their show plans progressed over the summer the girls became more excited and decided to send invitations to all other Camp Fire groups in The Pointe area.

Then in an even more generous frame of mind Brownie and Girl Scout troops were included on the guest list.

The Camp Fire Adventurers hosted between 150 and 200 guests. The school was decorated with pennants representing local public and private schools. Posters were distributed throughout the community.

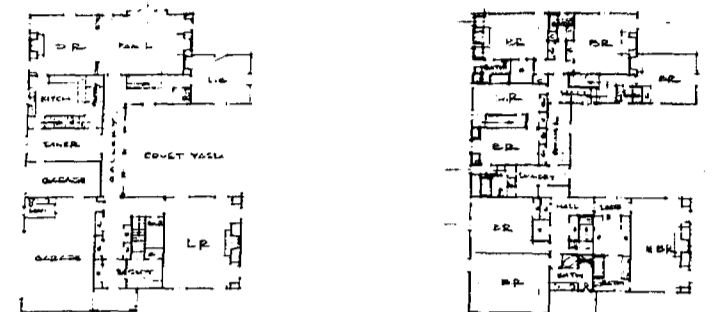

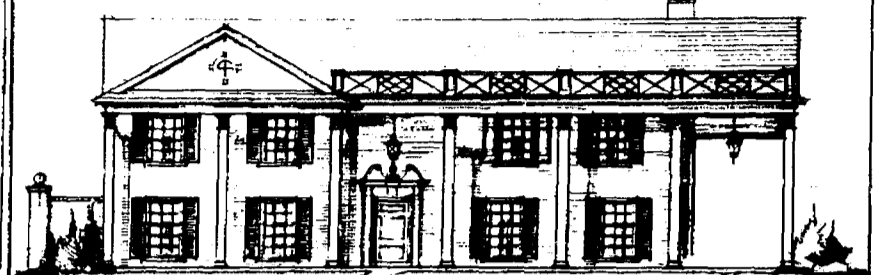

Someone at Jacobson's in Grosse Pointe spotted a poster and telephoned Joan Hanpeter the week of September 23, offering 10 Jacobson's outfits for the youngsters to model plus the services of a staff dresser. The offer was accepted.

first style show last April at Grosse Pointe Memorial Church," explains Mrs. Hanpeter. "They just loved it. They sat on the edges of their chairs for two hours, absorbed in everything that was going on."

At a pre-show meeting of the Adventurer group the older sister of a member, who had had some modelling experience, showed the girls how to show fashions. "Even though they are all arms and legs at this age they tried hard to imitate her," says Joan.

Camp Fire is a Torch Drive Agency.

Society News Gathered from the Pointes

Launch LWV Finance Drive in Grosse Pointe

Lenore Marshall, chairman of this year's League of Women Voters of Grosse Pointe Finance Drive, (she previously served as publicity chairman and voters' service chairman for the League), has announced that the major thrust of the Drive will be conducted now

through November via mailings, personal contacts and telephone calls. Half the League's annual budget is provided by members. For most of the rest the League must rely on the community it serves. The Grosse Pointe League has acquired five new ad-

visors this year. They are Charles A. Parcels, Jr. (Charles A. Parcels & Company), Clarence F. Wascher, (Jacobson's Stores, Inc.), Cleveland Thurber, Jr., (Detroit Bank & Trust), Rosemary Dykema, M.D., and Dr. Nola Huse Tutag, (Monteith College, Wayne State University).

Continuing advisors are Walker L. Ciesler, (Detroit Edison Company), Michael A. Gaskin, (Taylor and Gaskin, Inc.), George H. Helm, (Helm, Schumann & Miller), Miles M. O'Brien, (Alexander and Alexander of Michigan, Inc.), Edward Hickey, Jr., (E. J. Hickey Company), Brandon Rogers, (Parkins, Rogers & Associates, Inc.), and Charles Verheyden, (Charles Verheyden, Inc.).

The League, a non-partisan organization, is fueled largely by the dedicated volunteer work of its members who are concerned about a multitude of community problems.

Mrs. Marshall points out that LWV community-oriented activities include candidates' forums, voters' guides, a brochure called "Your Elected Officials," telling not only who they are but how you communicate with them, the booklet "Know Your Grosse Pointe" and available speakers on timely topics.

League President Mrs. Joseph Thompson, whose number is listed under League of Women Voters, reports a continuous stream of calls about polling places, candidates and issues, from a complete spectrum of the community.

"If we don't have the answers, we can tell people where to call for the correct information," she says.

Mrs. Thompson adds that in addition to publications on the Grosse Pointes the League has available state and national publications on a variety of subjects, including juvenile problems, ecology and land use.

League speakers frequently appear before student and Scout groups as well as adult organizations, supplying factual non-partisan information carefully and thoroughly researched.

Troth Told

Mr. and Mrs. Thomas J. Moran, of Sunningdale drive, are announcing the engagement of their daughter, MARY PHILOMENE, to Arthur Lee Foley, III, son of Dr. and Mrs. Arthur Lee Foley, of East Lansing. The bride-elect received her Associate of Arts and Science degree in Inhalation Therapy from Ferris State College. She presently works at Butterworth Hospital, Grand Rapids. Her fiancé will receive his

As an example of the League in action Mrs. Thompson cites the study more than a decade ago that developed standards for school financing against which all school millage and bond proposals can be measured.

The Northeast Guidance Center came into being as the result of a League study. The group also was among the first to work for a Wayne County Community College.

Harriette Slown, charter member and past-president, reminisces that the League was originally founded over 20 years ago at the request of "several dedicated gentlemen residents of Grosse Pointe Park, who urged and encouraged the founding of a League of Women Voters in that community in 1950."

"As a provisional League, action—after research, study and consensus—was a requirement. "In cooperation with two political parties League members made a complete canvass of the Park to increase the number of registered voters."

Engaged

Mr. and Mrs. Harry C. Smith, Jr., of University place, are announcing the engagement of their daughter CATHERINE COOPER to Michael Sherman Mitchell, son of Mr. and Mrs. Sherman Mitchell, of Winthrop place. A February wedding is planned.

Doctor of Medicine from Michigan State University in December. An early January wedding is planned.

To Marry

Mr. and Mrs. Steven J. Mathews, of Higbie place, are announcing the engagement of their daughter EMILY to Charles Thompson Neave, son of Mr. and Mrs. Arthur S. Neave, Jr., of Cincinnati, O.

Miss Mathews, a graduate of Grosse Pointe North High School, is currently a senior at Hillsdale College.

Her fiancé, a Hillsdale graduate, is employed by Hill and Company, Cincinnati.

DBE Planning Fall Tea Party

The Daughters of the British Empire in Michigan will hold their annual fall Chrysanthemum Tea at the Lakeland avenue residence of British Consul General James Hyslop O.B.E. and Mrs. Hyslop tomorrow, Friday, October 25, from 1:30 to 4:30 o'clock.

Mrs. Russell Skitch, of Balfour road, president of the State Society, will welcome members and guests.

The Daughters help raise funds for the support of four senior citizens homes throughout the United States. They also support local philanthropies, both monetarily and via volunteer help. The mid-west DBE senior citizens home is located in Springfield, Ill.

Hostessing at the tea will be Pointers Mrs. Austin (Janet) Wheatley, Mrs. Robert (Jill) McBride, Mrs. Arthur (Mabel) Hillegas, Mrs. Ruth McCoughlin, Mrs. Fred (Marion) Cousins and Mrs. Gordon (Mildred) Murray.

Also helping will be Mrs. Dennis (Judith) Darin, Mrs. James (Anita) Dunne, Mrs. William (Florence) Chisholm M.B.E. and Mrs. John (Ethel) Burtwell. Mrs. Gerald (Marion) Coker is general chairman of the day.

Pointers Work for Museum

Among six new trustees and officers of the Founders Society Detroit Institute of Arts are three Pointers: Thomas K. Fisher, of Cameron place, Dean E. Richardson, of Cloverly road, and Mrs. G. Menen Williams, of Tonnancour place. All have been elected to three-year terms on the museum's board of trustees.

Mr. Fisher is also a trustee of St. John Hospital. Mr. Richardson is on the board of the Detroit Symphony and Detroit Renaissance.

Mrs. Williams and her husband, State Supreme Court Justice Williams, former Governor of Michigan and former Undersecretary of State for African Affairs, have made extensive contributions to the Institute's Oriental and African collections and are active in the Founders Society African Art Gallery committee.

Honorary board chairman of the Founders Society for 1974-75 is William M. Day, of Winthrop place. Mrs. Gaylord W. Gillis, Jr., of Merriweather road, is a Society vice-president.

Dr. Frederick J. Cummings, director of the Detroit Institute of Arts, continues as executive director of the Founders Society and Frank A. Morgan, of Chalfonte avenue, as manager.

The Founders, 12,000-strong, is a public organization which underwrites special exhibitions, the continuing purchase of works of art, publications, visitors' services and all levels of education for the Detroit Institute of Arts.

Kappa Alpha Theta Juniors Start Year

Kappa Alpha Theta Junior Alumnae gathered Wednesday evening, October 16, in the Canterbury road home of Mrs. Edwin J. Stedem, Jr., for their first meeting of the 1974-75 season. Any Theta interested in joining the group may contact Trudy Rhoades, 889-0755, for further information.

SELLING YOUR HOME

There's a local firm called Grosse Pointe Real Estate Co. that has come up with a new idea in selling homes. If successful, it could change their industry in Grosse Pointe considerably. It's called GROUP LISTING, which means they will immediately purchase your home, at your asking price, one you have listed with them. The one circumstance, they say, is that they must have a group of five similar homes before their plan takes effect. Once achieved, they buy all five homes simultaneously. They say it's easier to sell five homes in a group because it's easier on the buyer and much easier to promote. For more information you can call Grosse Pointe Real Estate Co., 882-0087, direct.

First Offering

Attractive brick and shake shingle semi-ranch in Grosse Pointe Farms with 4 bedrooms, 2 baths, spacious breakfast area overlooking fascinating rear yard features, etc. recreation room. Kerby, Brownell, and St. Paul schools. \$45,000.

A Lot Of Good Reasons

For considering this one! It's distinctive Early American Colonial design, its construction quality, its spacious grounds, its convenient Grosse Pointe Farms location to Lake St. Clair and both public and private schools, its library and family room, its very modern kitchen, its neighbors, etc. 5 bedrooms, 3 baths, 3 lavatories, 3 car garage, and many more features. Also provides quick possession and a very reasonable price. Find out the rest by contacting one of our consultants today!

Your First Home?

Here's one that will give you an ideal location for a price of only \$33,900. Grosse Pointe City. 3 bedrooms, den, 1½ baths, living room fireplace. Immediate possession.

Deeplands

Talk about wanting your next home to be bright and cheerful. This Grosse Pointe Shores home is that... and more. Very secluded setting. 3 bedrooms, 2½ baths, family room, 2 car attached garage plus expansion area for additional living space. Priced in the eighties. Call us for complete details.

22 Bedroom Ranch

home in quiet central location in Grosse Pointe Farms. 1½ baths, paneled library, glassed and screened porch. Small lot affording just the proper space for the gardener but plenty of privacy. Priced in the forties.

Sparkling

Painted white Ranch home in Grosse Pointe Farms. 3 bedrooms, 1½ baths, den, covered patio overlooking very attractive grounds. 2 car attached garage, heavy grade "shake" roof, etc. Kerby and Brownell schools within walking distance. Priced in the fifties.

Youth Council Plans Events

Two youth affairs are planned at the War Memorial by the Center's Youth Council. The first is a Halloween party for 7th and 8th graders to be held in the ballroom on Thursday, October 31, from 7:30-10:30 p.m.

"Black Sleep," a horror movie starring Bela Lugosi, Basil Rathbone, John Carradine and Lon Chaney will be shown. The band "Cypress Rock" will provide music for listening and dancing. Students are invited to come either in Halloween costume or regular school clothes. Prizes will be awarded for the best costumes. Tickets are \$1.25 in advance and \$1.50 at the door.

A "Sadie Hawkins" dance

Dr. Paul Doerring, president of Psychological Institutes of Michigan, Inc., will complete the "Discovery Series—New Options in Family Living" lecture-discussions with a final talk on Sunday, October 27.

Dr. Doerring's lecture topic will be "What Are the Risks If I Choose to Change Now?" emphasizing the problems of giving up old forms of behavior, attitudes and expectations.

The lecture-discussions are open to the community, and are sponsored by the Grosse Pointe Memorial Church, 16 Lakeshore road. The meeting begins at 7:30 p.m. in the second floor lounge.

Schools Offer Swim Classes

Swimming classes are reopening for all Pointe youngsters as the Fall session of activities is about to begin. Hundreds of children will be enrolling for lessons and participating in recreational activities under the leadership of a staff of qualified supervisors in four Pointe public school swimming pools.

The schedule of activities begins Saturday, November 2. In addition to the usual class offerings for beginners, intermediates, swimmers, and competitive swimmers, special interest area classes in beginning and advanced diving, junior lifesaving, women's swim, men's swim, pre-school swim, synchronized swimming and swimming for handicapped children also are being offered.

All classes are limited in size, and interested persons should call the offices of the Department of Community Services at 885-3808 or 885-0271 to reserve class space.

ORDINANCE NO. 63

AN ORDINANCE TO REPEAL CERTAIN PROVISIONS OF CHAPTER 37, GENERAL BUILDING REGULATIONS, OF TITLE VIII, BUILDING REGULATIONS, OF THE CITY OF GROSSE POINTE PARK ORDINANCE CODE AND TO ADOPT IN

SUBSTITUTION THEREFORE NEW SECTIONS 8.1, 8.2, 8.3 AND 8.4 OF CHAPTER 37, BUILDING REGULATIONS, OF TITLE VIII OF THE CITY OF GROSSE POINTE PARK ORDINANCE CODE.

THE CITY OF Grosse Pointe Park ORDAINS

1. The following Sections of Title VIII of its Ordinance Code are hereby repealed: Sections 8.1, 8.2, 8.3 and 8.4 of Chapter 37, General Building Regulations, except subsections 117.1 and 121.7 of Section 8.4 which subsections are renumbered Section 8.5 and Section 8.6, respectively.

2. There is hereby adopted Sections 8.1, 8.2, 8.3 and 8.4 of Chapter 37, General Building Regulations of Title VIII, Building Regulations, to read in their entirety as follows:

TITLE VIII, BUILDING REGULATIONS, CHAPTER 37, GENERAL BUILDING REGULATIONS

8.1 Adoption of Code by Reference. Pursuant to the provisions of Section 3 (k) of Act 279 of 1909, State of Michigan, as amended, The Building Officials and Code Administrators International, Inc., Basic Building Code /1970, Fifth Edition, as amended by accumulative supplements through 1973, (hereinafter called the BOCA Code) is hereby found and declared to be an acceptable code for that purpose and is hereby adopted by reference as in this Chapter modified, for the purpose of regulating the erection, construction, enlargement, equipment, alteration, repair, moving, removal, demolition, conversion, use, height, area and maintenance of all buildings and structures in the City of Grosse Pointe Park.

8.2 Code on File. Complete printed copies of the BOCA Code herein adopted, are available for public use and inspection at the office of the City Clerk.

8.3 References in Code. References in the BOCA Code to "name of municipality" shall mean the City of Grosse Pointe Park; references to "department of building inspection" shall mean the Department of Public Service and references to "building official" shall mean the Director of Public Service.

8.4 Additions, Insertions and Changes in the BOCA Code

105.1 The words "October 25, 1974" are hereby inserted to replace the words "date of adoption of this code."

109.0 Section modified to read in its entirety as follows:

109.0 The Board of Rules shall consist of the duly elected members of the City Council of the City of Grosse Pointe Park as from time to time constituted.

The Board of Rules shall provide rules and regulations for the issuance of all licenses and permits pertaining to the work of the Department of Public Service as may be required by all codes and ordinances of the City. The Board shall, by general rules, prescribe the fees for examinations, permits, licenses, inspection of boilers, buildings, elevators, testing of materials and all other work of the Department. The mayor shall be the Chairman of the Board.

Four (4) members shall be necessary for a quorum. No matter shall be determined except by a majority of all members present and in no case shall any motion be passed without at least three affirmative votes. The Chairman shall be entitled to vote. The City Clerk shall act as Secretary of the Board. The Secretary of the Board shall, at the order of the Mayor, call meetings of the Board and shall notify the members thereof in writing at least two (2) working days in advance of such meetings. The Secretary shall keep a record of all decisions of the Board and shall furnish copies thereof to all interested parties upon request.

As provided in Section 127.0 hereof, the Board of Rules shall also act as the Board of Appeals.

118.0 Section modified to read in its entirety as follows:

118.0 Fees. Fees for inspections and the issuance of permits or certificates or copies thereof required or issued under the provisions of this Chapter shall be collected by the City Treasurer in advance of the issuance of such permits or certificates. The amount of such fees shall be established by resolution of the Board of Rules, from time to time, and shall cover the cost of inspection and supervision from the enforcement

of this Chapter. The fees shall be paid to the General Fund of the City of Grosse Pointe Park.

122.0 Violation Penalties: Any person who shall violate a provision of the Basic Code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the building official, or of a permit or certificate issued under the provisions of the BOCA Code, shall be guilty of a misdemeanor, punishable by a fine of not more than One Hundred Dollars (\$100.00) or by imprisonment not exceeding ninety (90) days, or both such fine and imprisonment. Each day that a violation continues shall be deemed a separate offense.

125.2 Unlawful Continuance: Any person who shall continue any work in or about the building after having been served with a stop order, except such work as he is directed to perform to remove a violation or unsafe conditions, shall be liable to a fine of not less than fifty dollars (\$50.00) or more than one hundred dollars (\$100.00) or both.

126.3 Compensation of Board of Survey: The third member of the board shall receive for his services a fee of fifty dollars (\$50.00) to be paid by the appellant.

127.2 Section modified to read in its entirety as follows:

The Board of Rules shall also act as a Board of Appeals.

301.1 FIRE DISTRICT NO. 1 Amend section to read: Fire District No. 1 shall comprise the areas which are within the business districts of the City zoning ordinance, as the same now exists and as hereafter amended.

301.2 FIRE DISTRICT NO. 2. Amend section to read: Fire District No. 2 shall comprise the areas which are within the residential districts of the City (Residence A and Residence B) under the City zoning ordinance, as the same now exists and as hereafter amended.

1308.21 DEEP EXCAVATIONS. Whenever an excavation is made to a depth of more than three feet, six inches, (3' 6") below the established curb, the person who causes such excavation to be made, if afforded the necessary license to enter the adjoining premises, shall preserve and protect from injury at all times and at his own expense such adjoining structure or premises which may be affected by the excavation. If the necessary license is not afforded, it shall then be the duty of the owner of the adjoining premises to make his building or structure safe by installing proper underpinning or foundations or otherwise; and such owner, if it be necessary for the prosecution of his work shall be granted the necessary license to enter the premises where the excavation or demolition is contemplated.

1308.22 SHALLOW EXCAVATIONS. Whenever an excavation is made to a depth less than three feet, six inches, (3' 6") below the curb, the owner of a neighboring building or structure the safety of which may be affected by the proposed excavation, shall preserve and protect from injury and shall support his building or structure by the necessary underpinning or foundations. If necessary for that purpose, he shall be afforded a license to enter the premises where the excavation is contemplated.

1408.1 FILING BOND. No person shall erect, install, remove or rehang any sign for which a permit is required under the provisions of the BOCA Code until an approved bond shall have been filed in the sum of one hundred dollars (\$100.00) as herein required.

3. Nothing in this Ordinance shall be construed to affect any suit or proceeding pending in any court or any rights acquired or liabilities incurred or any cause or causes of action acquired or existing under any ordinance hereby repealed.

4. This ordinance shall take effect October 25, 1974.

Gifts Galore . . . at Walton-Pierce. One of the prettiest wreaths we've ever seen is made of delicate ly colored bisque china flowers with a golden butterfly perched on it. Bisque china floral pieces come in charming little baskets and other decorative containers. From Sweden, have come crystal Christmas trees, stars and angels (\$15) that hold candles. Mirrors both circular and square are framed with antiqued brass shell designs. We couldn't believe the silver and pretend turquoise Indian necklace was a copy until we looked at the \$20 tag. There are earrings to match. Lladro figures and Cranbrook sculpture are always cherished gifts. We would love to have one of the beautiful little evening purses in fine leather or peau de soire come Christmas.

Peace and Quiet, Where Is It? . . . at the Jefferson Apartments, Grosse Pointe's newest condominium! They really care about your comfort and convenience. It's part of the gracious living at The Jefferson Apartments. Spacious apartment-homes feature 9 ft. ceilings, individual gas heating and cooling, top of the line G. E. kitchen with an ice-maker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet, and there are natural fireplaces. There are separate elevators and approximately 1,000 square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community and you'll be a neighbor to some of the nicest neighbors in Grosse Pointe. Residents are home owners and enjoy tax deduction and the investment security of being a property owner and equity advantages. The model apartment is open 12 to 5 daily, except Wednesday. MRS. C. B. CONOVER, OF BERKSHIRE ROAD

By Janet Mueller

The amazing thing is this: this is the first time any newspaper has done a story on Ruth Conover. We're always looking for "interesting" people, right? We always try to spotlight achievers. We love to uncover rich, unique personalities, to spread them out, share them . . . It's the name of the game.

So how come Mrs. Conover had to wait until she was a great-grandmother before a newspaper got around to doing a feature story on her? She's been busy.

"I was left a widow suddenly in 1937, with four girls to bring up. I made up my mind that they'd all have a college education, at the best colleges."

She took the first job she could find, as a file clerk at \$75 a month with her husband's old company. She kept some piano pupils. She took on two church choirs instead of one; they rehearsed different nights, one sang in the morning, one in the evening—it was possible.

Hated Filing Job She hated file clerking. Not only was it boring, but she found herself training office boys who were making more money than she was. Ruth is not now, nor has she ever been, a bra burner. She remains formally, happily, Mrs. C. B. Conover, not Mrs. or Ms. Ruth Conover. But mention Women's Lib, and Ruth recalls that \$75 a month . . .

She kept her eyes open for a better job. Not more money, necessarily, but one that would use her, stretch her.

"I finally got the kind I wanted, as head of the Sociological Division for a mining company in New Jersey." She worked closely with the State Board of Child Welfare, the tuberculosis people, various state and local social service agencies.

She already knew the town: she'd taught there years before, young Miss Ruth whose long golden curls cascaded down her back when she let her hair down. She found she remembered, and was remembered.

She Taught Retarded She had other jobs. She was a music teacher. She took classes in order to teach the retarded, work that combined her interest in sociology with her love of children.

She raised her four daughters, saw them all through Colby College in New Hampshire. "It was a task, a struggle. The girls worked, but Colby gave them scholarships too."

Ruth supplied the rest, making Shores Bunk and Trundle . . . is now handling charming dinette furniture in pine or maple, 23155 Mack Avenue in St. Clair Shores . . . 773-2650.

Austin Catholic Prep School graduate JAMES L. BIDIGARE, JR., son of MR. and MRS. JAMES L. BIDIGARE, of Edmundson drive, has begun first semester freshman studies at the Massachusetts Institute of Technology.

DONNA L. DUFFY, of Pemberton road, has begun freshman year studies at Blackburn College, Carlinville, Ill., where she plans to major in Biology.

Appearing as Puck in The Theatre of the University of Detroit/Marygrove College's production of "A Midsummer Night's Dream" is DENNIS BAILEY, of North Renaud road.

Sigma Gamma Meets Oct. 30

Mrs. Gordon T. Ford will open her Kercheval avenue home for Sigma Gamma's fall meeting next Wednesday, October 30, at 9:30 in the morning. Guest speaker Dr. Aaron L. Rutledge, psychologist from the Mott Center for Human Development, will discuss Dealing With Children's Emotional Problems.

breaking-in period. In Hinsdale Ruth soon found herself on the LWV board.

They Squeaked Through "The Bar Association had asked the State League to help pass the Judicial Amendment. It was tough, but we squeaked through."

She found a very fine League in Olympia Fields, Ill. She'd become involved in Hinsdale in a state LWV study of the Illinois Department of Welfare. She finished the second year of that two-year study in Olympia Fields.

Willingborough, N.J., was a brief stop in the Halada-Conover peregrinations but Ruth discovered a lovely League there. "I hated to leave it. We were studying the need for a community college. The girls were young in that League—many had children who hadn't even started school—but they could see the rising prices. They were looking ahead."

In Cherry Hill, N.J., she found the Camden League, "the same one that Betty McCollister, (publicity chairman for the Grosse Pointe League now), is from." In Cherry Hill it was back to LWV Welfare Item study for Ruth. "I think it was called Human Resources by then."

Joins Pointe League Myrt Everett was president of the Grosse Pointe League of Women Voters when Ruth Conover landed in The Pointe. The first thing Ruth did, of course, was transfer her LWV membership.

"I came in February. That winter and spring I just went to Unit meetings and listened."

By fall Myrt had discovered the new jewel in her midst: when the Pointe LWV Welfare chairman had to resign, Myrt asked Ruth to take over. "We got a committee together, studied and presented our conclusions on various types of Welfare Reform."

Last year Ruth served as chairman of the Pointe LWV Morning Unit. "We built it up, I think." This year the Pointe League is establishing an Evening Unit, complementing its monthly morning

Decoupeurs Off To Flint

Many Pointers will be in Flint this weekend, attending the fifth annual Mid-Continental Decoupage Exhibition which runs Saturday and Sunday, 10 to 5 o'clock both days, at Mott Community College's Student Center Building.

Exhibitors are coming from six states and there'll be a special National Guild of Decoupeurs display representing 18th Century Decoupage as judged according to national authorities.

Our own Louise Hoyt will be there, of course. She's founder and past-president of the National Guild. So will Marie Mitchell, founder and chairman of the Guild's Standards and Judging committee. So will Patricia Nimocks, of Louisville, Ky., honorary charter member.

So will busloads and carloads of dedicated amateur decoupeurs and decoupage aficionados, coming to view everything from repousse (sculptured prints) to potichomania (decoupage under glass), to listen to mini-lectures and to observe new decoupage techniques.

Everyone's Invited

The Grosse Pointe Garden Center wishes to emphasize that its Green Thumb Lectures are open to EVERYONE.

Because the Center's two main sources of support are memberships and proceeds from its annual Hours Tours, non-members must be charged 75 cents per Green Thumb talk—but they are very, very welcome.

The next Green Thumb Lecture is scheduled for this Monday, October 28, at 10 o'clock at the Grosse Pointe War Memorial. Plants by Life's Howard B. Joerin will demonstrate how plants are grown under artificial light and will provide information on light requirements.

It could be the start of a fascinating winter project.

Christ Church Fair Coming

Yes, Virginia, there IS a Christ Church Fair this year . . . and it will be presented exactly two weeks from today, Thursday, November 7, from 9:30 to 4:30 o'clock at Christ Church, Grosse Pointe. And there WILL BE a shuttle service, so you can park in the Grosse Pointe War Memorial lot and avail yourself of car door to Church door transportation.

So circle your calendar now . . . and check out next week's "Pointer of Interest" for further information . . .

and afternoon series of programs on topical issues. All Unit meetings are open to any interested persons.

Heads Membership Mrs. C. B. Conover's home was the setting for the first Pointe LWV Evening Unit meeting Wednesday, October 16. So what else is new? "I'm filling an unexpired term again," Ruth admits. She's this year's Pointe LWV membership chairman. Her telephone number is 498-1950 and she welcomes inquiries.

"We welcome anyone who wants to join. If people can't join but want to come to our meetings, we welcome them."

Auditor or full participant, Ruth guarantees a stimulating LWV experience. "And we have loads of fun! I'm all for laughter in the League."

That's laughter plus meat, of course. "The advantage to me in League Study," Ruth muses, "is that it gives me something to build my thinking on."

"I can go to meetings. I can listen. I can read League materials. I can be on the lookout for related articles." She can stretch, learn and

feel effective. She can determine the programs and policies she believes in, and work for them. It's a good way to never grow old.
