DELAY LAW'S ENFORCEMENT

HEADLINES of the WEEK

As Compiled by the
Grosse Pointe News

Thursday, November 14
PALESTINIAN GUERILLA
LA leader Yasser Arafat, in the United Nations General Assembly for the creation of a peaceful Palestine nation, is under heavy guard following threats on his life from the militant Jewish Defense League. Arafat slipped out of the country today, headed for Cuba, after his precedent-setting address to the UN. His departure from the UN left the body deeply divided over the future of Palestine and an Israel fearful of its demise at the hands of the Palestine Liberation Organization.

Friday, November 15
ELVEN GARDEN CITY
teachers were ordered to go to jail late yesterday after Wayne County Circuit Judge Charles Kaufman ruled that their strike violates a previous court order which ended a three-week teacher walkout in September. John Melchor, chief negotiator for the teachers union, was sentenced to 30 days in the Detroit House of Correction, while 10 other union leaders were jailed for five days each. This marks the first time in Michigan that teachers have been jailed for refusing to end a strike.

Saturday, November 16
AUTO INDUSTRY SOURCES
are saying that Chrysler Corp. is planning on shutting down virtually all operations for the entire month of December. Declining sales and a four-month inventory of new cars are being cited as the reasons for the possible move. A final decision on the proposal will not be made until Chrysler Chairman Lynn A. Townsend returns from an out-of-town trip Monday. The auto firm has 114,000 U.S. hourly workers with over half of them in the Detroit area. The rumors of the shutdown were based partly on notices the auto giant sent to suppliers Wednesday and Thursday which listed no parts requirements for next month.

Sunday, November 17
BOTH ISRAEL AND SYRIA
have alerted their armed forces on the Golan Heights frontier, according to a statement by Israeli Defense Minister Shimon Peres. The alert came at a time when other world leaders worried about the possible outbreak of another Middle East war with the threatened Syrian refusal to renew the ceasefire of the UN peace-keeping force on the Golan Heights. In Damascus, Syrian Foreign Minister Abdel Halim Khaddam charged Israel with planning an attack.

Monday, November 18
PRESIDENT FORD is in Japan today. This is the first visit by a U.S. head of state to imperial Japan. The President was welcomed without fanfare by a group of Japanese officials with only a few hundred citizens coming out to greet him. Meanwhile, Japanese police clashed with about 1,600 young radical leftists who were demonstrating against the Ford visit. A meeting between the President and the imperial family and Emperor Hirohito will highlight the trip.

Tuesday, November 19
CHRYSLER CORP. President Lynn A. Townsend said yesterday the auto firm has no plans to shut down all operations for the month of December as had been rumored throughout the industry late last week. In a Detroit press conference he said substantial plant closings are planned. He added that the Jefferson Avenue assembly plant in Detroit will remain open at least until production of 1975 cars ends in midsummer. Mr. Townsend gave no estimate as to how many workers will be affected by the partial closings.

Village to Welcome North Pole Visitor

A familiar figure waves his greeting as he prepares to enter the helicopter that will transport him to The Village on Friday, November 29, where he will take up temporary residence in Jacobson's second floor. His companion, W.

MICHAEL WILLIAMS, Charterhouse and Company president, newest Village merchant, will pilot the big bird, giving Santa's reindeer a chance to rest up for their long haul on Christmas Eve.

More Cars Get Sprayed By Vandals

Dozen More Cases, Six Each by City, Farms, Reported as Happening Tuesday Night

Vandals armed once again with cans of black spray paint struck areas of The Farms and City sometime last Tuesday evening, November 12, leaving a trail of obscene drawings and words on parked cars, sidewalks, fences, homes and garages.

Six incidents were reported to each department on Tuesday night and Wednesday morning. A similar spray painting spree occurred only in The Farms on Sunday evening, November 10.

In The City, the vandals centered their actions on Lincoln, Washington and Fisher roads. The first complaint was reported at around 9 p.m. with a Lincoln road resident saying his white brick fence had been the target. Soon after, a Washington road home was reported.

Hit Doctor's Office
A doctor's office on Fisher road was later reported and a Rathbone place resident, who had parked his car on Lincoln at 9 p.m., returned to the vehicle two hours later to find the left side sprayed with black paint.

A car parked in the side drive of a Washington home was yet another target and a resident of the same neighborhood reported his front windows were also sprayed.

All but one of the complaints registered in The Farms were reported the following day, Wednesday. (Continued on Page 2)

New Light Cycle Eases NH Congestion Problem

By Roger A. Waha
The traffic congestion problem at the Vernier road entrance to North High School appears to be easing since the Wayne County Board of Education extended the timing of the light for exiting traffic late last month.

Public Safety Director Henry Marchand said he's been on the scene since the light cycle change and termed the situation "a lot better." He said, "Very rarely have exits not been able to get out on one light change and very rarely have pedestrians not been able to cross on one light change."

Plan Special Festivities To Mark Santa's Arrival On 'Christmas Street'

Will Be Flown into Village by Helicopter
Piloted by W. Michael Williams of
Charterhouse Jewelry Store

Santa's traditional arrival in The Village will once again be marked by special festivities. Kercheval avenue will be renamed "Christmas Street" for the holiday season and bright new decorations in Village store windows will dazzle the eyes of youngsters.

The final touch will be added on Thanksgiving Eve, when the lights along "Christmas Street" will be turned on.

The day after Thanksgiving, Friday, November 29, Santa arrives at his Grosse Pointe "branch office" in The Village. Arrival will be via helicopter since the famous team of reindeer are still resting up for their Christmas Eve trip around the globe.

Williams to Pilot
The "copter, piloted by local merchant, W. Michael Williams, of Charterhouse and Company, will circle the Village and land on the deck of the Carriage House parking ramp at 1:30 p.m.

A licensed helicopter pilot for nearly five years, Mr. Williams says the planned flight could only be delayed by freezing rain, very low fog or a heavy snow-storm. And, "If his helicopter is grounded, we'll get him in somehow, even if we have to pull his sleigh ourselves," he declared.

Santa's appearance is being sponsored by the Grosse Pointe Village Association, which was delighted to have their newest member volunteer the helicopter.

Plenty of Experience
Mr. Williams took instruction and received his license while working with another jewelry firm that had purchased a helicopter to aid in replacing lost and stolen

gems for out-state insurance companies. Soon he was making runs to most of the larger cities in Michigan as well as several in Ohio. Since opening his own firm three years ago, he has continued to fly various-sized helicopters and now has logged more than 200 hours at the controls.

Will Be Welcomed
Once on the ground, he will be welcomed on St. Clair Avenue by City Manager Thomas Kressbach and other Village dignitaries. At this time Santa will receive the official key to the City of Grosse Pointe.

Santa then will be escorted by an honor guard of Village businessmen to his house in Jacobson's second floor. (Continued on Page 4)

The City Council, at its regular meeting Monday, November 18, unanimously gave representatives from Kroger's in The Village the go-ahead to renovate their building.

Council Okays Kroger Plans

The City Council, at its regular meeting Monday, November 18, unanimously gave representatives from Kroger's in The Village the go-ahead to renovate their building.

The solons reviewed the site plans as the architect explained the front of the store, located at 16919 Kercheval, would be completely bricked in with the same type and color of material that has been used at Jacobson's and the McCourt Building.

A series of small arches will accent the store's entrance and a three-foot shelter will project over the front door. The same sign facade of the building.

The project will probably take about three months to complete.

GPF Solons Seek Input On Problem

Lakeview avenue Subject of Study Session on January 13; Alternatives Include Upgrading Roadway or Vacating Street

By Barbara Bruno
Only a handful of residents appeared before The Farms Council Monday, November 18, to hear the latest administration recommendations to help eliminate problems along Lakeview avenue between Mary and Carver streets.

Earlier meetings discussing whether to close or improve the gravel road, which has been the scene of youthful parties and excessive trash, generally brought a much larger turnout.

Last Monday's decision resulted in no firm decision but the council did move a step closer toward resolving the problem. By unanimous vote it was agreed to hold a study session Monday, January 13, after notifying all residents within 300 feet of the affected area.

No Effect on Services
Basically, the alternatives open to the council are to either upgrade the roadway, with paving and lighting installed, or to vacate the street.

Farms officials told the council members that vacating the street would have no effect on public services. The eastern end of the road would be maintained as a turnaround and a utility easement would be provided.

A private easement was proposed for a Moross road resident, Frank Murphy, who has no other access to his property except in the rear via Lakeview avenue.

Mr. Murphy told the council members that installing a driveway from Moross road would be impractical since it would extend about 100 feet in front of his home and would necessitate curving among 50-year-old trees.

Objects to Easement
Mr. Murphy objected to the idea of a private easement and stated his preference for a narrow, paved road. He questioned whether keeping the road open as far as his home, about 25 feet off Carver street, would keep cars from turning and then having to enter around.

Councilman James Mast said if the road were closed, signs would be posted indicating it was a dead end street making it no different than any other cul de sac in The Farms.

Robert Rathbun, of Carver street, added that cars would still be able to park along

Woods Officers To Expand Roles In Community

Association Approves Publication of Booklet to Help Residents Know How to React in Emergency Situations

By Roger A. Waha
By the nature and responsibilities of his job, a police officer plays an active and important role in the community he serves. This involvement will be expanded by members of the Grosse Pointe Woods Police Officers Association (GPWPOA), for the benefit of all city residents based upon several developments which transpired at the GPWPOA's monthly meeting Wednesday, November 13.

At the session, Youth Service Division Det. Wayne Baum presented his idea of a booklet for residents which drew a favorable response from association members.

The two main purposes of the booklet are to provide information to citizens on how to react in certain emergency situations and to give information on the role of a public safety officer in the community, said Det. Baum, who worked on and off for a six-month period shaping the booklet.

Form Committee
Developing from a discussion on the booklet was a feeling that the officers in various community activities, said Youth Service Division Det. Patrick Fagan, GPWPOA president. And growing from this was the formation of a public relations committee which includes Dets. Baum and Fagan at this time and will include three other members.

This committee will be involved in planning various programs, such as seminars, to develop and broaden the relationship between citizens and officers in a positive way. The main point, here, is more person-to-person contact.

In noting that many large police departments have a community relations bureau, Det. Fagan said, "We are a small department so association members decided to take this on themselves."

More Than Tickets
Det. Baum said, regarding the booklet, "I really felt this was something we should do," while stressing this, along with public relations activities, are entirely association projects.

Vandal Breaks Door at Church

A malicious destruction of property by Farms police Sunday, November 17, reporting damage done to Grosse Pointe Memorial Church, 16 Lakeshore road.

Farms police said a complainant from the church said the incident took place sometime between 6:15 and 7:30 p.m. Saturday, November 16.

The glass of a rear door about eight feet by four feet was shattered by the vandal. Damage was estimated at more than \$100.

PTA Council Will Form 3 New Subcommittees

Superintendent of Schools Dr. James A. Adams announced at the last regular meeting of the Board of Education on Monday, November 11, that the Grosse Pointe Council of Parents and Parent Teacher Associations (PTA), recently approved the formation of three new standing committees in order to expand its sphere of operation.

Dr. Adams gave a short run-down on the new committees, outlining operational guidelines and possible areas of endeavor for each group.

A budget subcommittee of the PTA Council will help fully become conversant with the 1974-75 school budget, and members should be prepared to contribute to budget

Woods' Bus Ordinance Goes to C-W

Council to Study
SEMTA's Offer of Presenting Semi-Annual Safety Inspection Reports to City

By Roger A. Waha

Ever since The Woods Council approved an ordinance providing for the annual inspection and licensing of all buses operated within the city at its August 19 meeting, SEMTA, (Southeastern Michigan Transportation Authority), has expressed great concern over the measure's provisions.

In an effort to avoid this problem, the Authority's acting general manager K. Ross Childs gave a presentation to the council on Monday, November 18, and offered to present to the council reports of its own semi-annual safety inspections, plus reports of safety inspections conducted by the Michigan Public Service Commission.

Besides stressing the Authority's maintenance program towards providing for safer vehicles, Mr. Childs said, "We will request the Public Service Commission to conduct semi-annual inspections to serve Grosse Pointe Woods and other cities who are concerned over safety."

Seek Advice
After Mr. Childs' presentation, which stressed the Authority's willingness to cooperate with the city, and after several solons had the opportunity to ask him questions, Councilman Conrad A. Naegel moved to delay enforcement action of the ordinance.

Mr. Naegel's motion also stipulated that this matter be referred to the Committee of the Whole, (C-W), that the council would expect to see copies of semi-annual coach inspections and that the advice of the public safety department would be sought on this. His colleagues unanimously agreed.

During the course of his presentation, Mr. Childs cited several points including the Authority's improved accident record; that while all SEMTA's equipment "is not what we want," new buses are expected next summer which will provide around 30 percent of the Authority's total fleet replacement; that by the end of next year substantially new equipment will be in service; and that since the Authority acquired Great Lakes and Metro Transit, it has conducted an increased maintenance program.

Undue Burden
In noting that compliance with the ordinance would place undue burdens upon the Authority, Mr. Childs, in a letter to City Administrator Chester E. Petersen, cited a section of Act 204, P.A. 1967, which says, "Authorities and their property, real, personal

Woods Has 11 Guards on Job

Eleven part-time school crossing guards are currently on the job in The Woods, reported City Administrator Chester E. Petersen on Monday morning, November 18.

The city has 19 additional applications in reserve although no further guards will be hired at this time. Those working now are receiving \$2.20 per crossing or \$4.40 an hour, said, while adding no meter maids, public safety officers or the dog warden are manning any corners.

Mr. Petersen stated two guards are working at the Mack Avenue-Anita Avenue crossing although one guard remains at the Mack-Cook road, Vernier road-Mack and Mack-Vernier crossings.

The city requested the AAA to conduct a safety study of all crossings and principally the Mack Avenue crossings, he added, with the AAA indicating its cooperation in this venture.

Three Subcommittees to Be Formed

(Continued from Page 1) improvement. He also recommended the subcommittee establish ties with other youth directed groups and agencies such as the Youth Service Division, the Neighborhood Club, Center Point, FLEC

and the War Memorial. Dr. Adams hoped the communications subcommittee would help provide citizen input on related school system projects.

A third group, the curriculum subcommittee, was asked to look at a number of potential issues and select one or more for detailed study in order to arrive at some recommendations to be presented to the Council by the end of the year.

Possible subject areas include: feasibility of community use of the Performing Arts Center at North High, a review of needs in relation to services offered in special education, a study of the college-type scheduling presently in use in each high school, the effectiveness of special services provided by the Department of Pupil Personnel, a review of the system's grades 1-8 accountability model and a study of a potential intramural program on the middle school level.

Representatives from each building of the school system are expected to be included on each subcommittee of the PTA Council during the year and that activity reports will be made to that Council at its regular meetings during the year.

(Continued from Page 1) and mixed, are exempt from assessment, levy and collection of all general and special taxes of the State or any governmental unit."

He also had previously stressed a review of the cost involved in compliance, considering the number of other local communities through which the Authority operates, could be substantial to SEMTA.

Mayor Benjamin W. Pinkos explained the background and rationale of the measure to Mr. Childs.

The mayor said its creation stemmed from the concern of citizens over the Authority's older buses and their feeling that some were not kept in good repair, hence, overall safety factors.

To this, Mr. Childs said, "Your concern is well taken. It's our intention to operate our buses as safely as possible."

On Serious Problems Daniel D. Morrill, operations manager, had earlier said an estimated 15-20 Authority vehicles would be affected by the measure. In a related matter, Mr. Childs focused upon the repayment of funds to The

Councilman John Sabol asked Mr. Childs if a set of specifications regarding repairs would be available. Mr. Childs replied, "I'd be happy to have the public safety department meet with our maintenance supervisor to make sure the ranges are adequate." He stated the Authority is "tight" on this aspect because of potential insurance problems.

After Mr. Naegel's motion was approved, Mr. Pinkos told Mr. Childs that he hopes the council will receive all proper reports immediately.

And after the meeting, City Attorney George Catlin, when asked for his thoughts on Mr. Childs' presentation and the council's action, said, "It demonstrates the council's concern is for the safety of all passengers, and it appears to me that SEMTA is making an effort to improve its equipment and service."

To Repay Funds

Daniel D. Morrill, operations manager, had earlier said an estimated 15-20 Authority vehicles would be affected by the measure.

In a related matter, Mr. Childs focused upon the repayment of funds to The

Woods, which were advanced for the purchase of Lake Shore Coach Lines, Inc., in his letter to Mr. Petersen.

Mr. Childs said he recommended to the SEMTA Board that its formal action be amended to provide for payment of one-half of the advanced funds in fiscal year 1975-76 and the remaining one-half in fiscal year 1976-77.

SEMATA's Board has taken formal action authorizing the payment of one-half of the funds advanced in the current fiscal year, with the remaining one-half to be paid in the next two fiscal years.

But Mr. Childs cautioned, "Inasmuch as SEMTA is currently holding public hearings in order to provide budget cuts to meet the combined inflationary maintenance costs as well as the reduction in gas tax receipts, it would be inappropriate to confirm the payment of one-half in this fiscal year."

Hence, his recommendation. He concluded by saying, "It should be made very clear that there is on record a definite commitment on behalf of the SEMTA Board for repayment of the advanced funds made available by the City of Grosse Pointe Woods and others."

Bike in Trunk Leads to Arrest

A yellow, 10-speed bicycle protruding from an automobile trunk caught the eyes of Wood's officers and led to the arrest of two Detroit men, both of whom are charged with possession of stolen property under \$100, late Tuesday morning, November 12.

The accused pair, Donald Hill, 21, of 908 Dickerson, Detroit, and John Sloan, 21, of 5863 Garland, Detroit, were arraigned before Woods Municipal Judge J. Patrick Denis later that afternoon. Both stood mute and a trial date was set for yesterday, Wednesday, November 20. The pair were released after posting 10 percent of a \$1,000 bond.

After spotting the bike, Officer Michael Giffer and Sgt. Thomas Kane stopped the auto at Kenmore road and Mack avenue to check on its proper ownership, due to many bike thefts.

Upon stopping the pair, the officers received information from Harper Woods police that a bike was just stolen at Harper and Parkcrest. And the missing cycle happened to be a yellow, 10-speeder.

A short time later, Harper Woods police arrived at the scene with an 11-year-old boy who identified the bike as his own. Sgt. A. J. Louzen was with the boy. Both suspects were then arrested and taken to the station.

Cities' Fight Helps in Order

By Roger A. Waha

When the Michigan Public Service Commission entered an order granting approximately \$30.3 million interim relief to Detroit Edison on September 30, no increase was granted with respect to street lighting.

This was attributed by Woods City Attorney George Catlin to the involvement of several communities, including The Woods and The Park, who joined forces in opposition to the Edison rate increase.

A progress report and funds request centering upon Case U-4570 from Grant B. Alberts, finance director, City of Highland Park, and chairman of the communities in opposition to the Edison rate increase, was unanimously received and placed on file by The Woods Council at the regular meeting Monday, November 4.

The commission order was entered pending completion of the case, and final relief may exceed the \$30.3 million figure, noted James A. Smith, of Bodman, Longley, Bogle, Armstrong and Dahling. Mr. Smith is an associate of Park City Attorney Richard D. Rohr.

In a letter to Mr. Alberts, Mr. Smith noted the interim order had the effect of increasing domestic rates by approximately 3.4 percent,

while commercial and industrial bills would be increased by approximately 4.8 percent. However, when a final order is granted in the case, sometime during the first part of the year, a rate increase for street lighting could transpire, noted Mr. Catlin.

In his progress report on the case and request for funds, Mr. Alberts asked each community to pledge two percent of its 1973 annual street lighting charges or a maximum of \$3,000, whichever is lower. The Michigan Municipal League provides administrative assistance and acts as the holder and disbursing agent for all funds, he said.

As of September 27, cash had been received from 12 communities who are opposing the rate increase. Of these, both The Woods and The Park have each pledged \$3,000 of the \$16,448 total. Six other communities were listed as committed or probable, while several others were undecided, were unable to be contacted or wouldn't participate, (one of these, Ferndale, was handling its own opposition).

This increase marked the second time this year Edison has asked to raise its rates. The commission authorized a \$45.7 million increase on January 4.

Resuscitation Aids Ill Baby

A 6½-month-old baby who appeared to have stopped breathing while enroute to Saint John Hospital via emergency ambulance, started breathing while enroute to receiving mouth-to-mouth resuscitation from a Woods public safety officer Tuesday morning, November 12.

Lt. Peter Thomas and Building Inspector Earl Wukely rushed to the home of Thomas Teetaert in Broadstone road on a report of trouble with a baby.

At the scene, the lieutenant found the baby, who was having difficulty breathing, turning blue. After being placed in the ambulance, the child seemed to have stopped breathing so mouth-to-mouth resuscitation was quickly applied by Lt. Thomas.

It was given until the baby started breathing again on its own. Upon arriving at the hospital, the child was breathing on its own and its blueness was gone, the lieutenant said.

Mrs. Teetaert told police the baby had a cold and was having respiratory problems. The NEWS contacted Mrs. Teetaert who said the men

were wonderful. "I'm so grateful to live in a place where citizens have facilities like that. We owe them so much," she stated.

She said a neighbor called the ambulance and the officers rushed in and took the baby with them. Mrs. Teetaert added she didn't ride in the ambulance and didn't know what transpired enroute.

The baby started doing better on Sunday, November 17, she said, while the hospital reported Monday afternoon, November 18, that the baby was listed in good condition.

which serves The Pointe area, would be affected by several of the proposed route and service changes.

These include the elimination of Kercheval-Deanehurst Sunday service; reducing the frequency of mid-day service from downtown to the city limits from 15 to 30 minutes; elimination of the last two trips in the evening on Kercheval-Deanehurst; elimination of the Warren-Dash bus service; elimination of Jefferson Sunday service; and elimination of the last two evening trips on Jefferson.

But what will be done on this front and on other proposed changes depends on what action the Authority's Board takes. A special meeting of the Board will be held tomorrow, Friday, November 22, to review all testimony. Mr. Childs said decisions could be reached at that time but if not then, possibly, within a week.

Mrs. Patty Harper, whose home is on the corner Moross road lot, wondered if a turn-around at the east end of Lakeview wouldn't generate more traffic than at present.

Old Problem

Councilwoman Nancy Waugaman noted the problem has been before various Farms' councils in the past and that this body must come up with a solution.

Mayor William Butler said he would like to receive input from all affected residents before a final decision is made.

The idea of a study session was proposed and the council members expressed their hope that the majority of residents in the area could attend and voice their opinions.

RED CROSS VOLUNTEERS

The Red Cross is a voluntary organization, with 1,594,020 volunteers serving in the nation's communities, 6,153,200 students participating in Red Cross programs in schools, 3,114,743 volunteer blood donors, and 36,464,592 Americans who contribute funds to its support.

(Continued from Page 1)

The overall aspect of officers becoming more active in their community was discussed at the meeting. Det. Baum stated it was felt the officers didn't want residents to feel they were just interested in a place to work for eight hours and then get their checks. He said most officers want to do a good job in the community and want all citizens to have a better understanding of their roles.

Det. Fagan put it another way and said that many residents only have adverse contacts with police such as being the recipients of tickets. But with the booklet and other planned activities, it's felt that citizens will realize the police aren't around just to issue an assortment of violations.

Helpful Information

The content of the booklet as proposed will contain valuable information for citizens. "It will train people on how to react to certain situations, what they should do and how to respond, e.g., what to do if a family member has a heart attack," said Det. Baum.

"Sometimes when this happens, people don't call us, (the department), directly and take appropriate first aid measures. Instead, they call their doctor or a relative," he stated. As a result, precious time is wasted. Besides procedures resi-

To Expand Roles to Benefit Community

dents should follow in emergency situations, Det. Fagan said the booklet will contain a phone index citing certain emergency numbers and space for numbers citizens can include.

It also will have a section on the functions and job of public safety officers, plus services available from the department such as the ambulance.

Many Plans

The next step for association members is to review the content of the booklet as proposed by Det. Baum, organize it and iron out the rough spots. "The booklet will go out in the association's name," said Det. Fagan, "with all members approving the final draft."

"We'll get the booklet ready as soon as possible," stated Det. Baum, who added its cost will be paid from association funds. He hopes to have one booklet, which will be free of charge, for each household.

While plans are being made for the book, association members also are working towards various programs which will show residents the interest the officers have in them.

"We're going to ask for volunteers, for guys really interested in devoting their time for seminars such as ways people can protect their property and themselves," said Det. Baum.

And, undoubtedly, association members will have a variety of ideas to contribute in this regard.

Other Factors

Playing a role in these developments are other factors including Det. Baum's motivation for the booklet. He felt public safety officers weren't receiving as much support from citizens as in the past.

While noting that citizen support is on the plus side, he said, "In talking with the men, 10 years ago the residents of the community were really behind the department with many citizens and officers knowing one another. It was a small town type of atmosphere."

However, today, the development and expansion of the community appears directly proportional to a growing distance between residents and police officers.

Det. Baum wants such support to grow and not decline. He feels that while the community is a good one now, an expanding relationship between citizens and police will help make it even better.

Concern Over Morale
Related to this is another factor. "I'd like to see morale within the department increase, however that can be done," he said.

He expressed a concern over "the guys' morale" in relation to certain disputes with the city over contracts, plus other incidents, during the past few years.

Det. Baum stressed the officers are interested in the community and said, "The greater majority of us want to do a good job and not have

to fight for everything we want, such as wages."

While he said the officers don't expect everything they ask for, "the proportionate importance of our job, (as public safety officers), to the overall good of society isn't reflected by the wages we currently receive."

At the same time, he emphasized that the officers are "giving better service to citizens than in any community I've known in my seven years as a police officer."

Finally, he said the GPWFOA will be taking a more current role in commenting upon issues which affect the community. "We are a group of men who are responsible for the people and we'll say what we think," stated Det. Baum.

Talks about Guards

As an example, both he and Det. Fagan cited one subject which came up at the association's meeting. This was on the school crossing guards and the feeling that many residents were of the opinion that all officers supported the dismissal of the guards.

"A lot of guys feel we have taken a bum rap for certain decisions. We don't want the residents to think we advocated the dismissal of the crossing guards. We feel they are necessary to the community," said Det. Baum.

Both he and Det. Fagan cited a memo, published in the NEWS' lead story on crossing guards in the November 7 edition, from Lt. Jack Patterson to City Administrator Chester E. Petersen. It was dated September 30.

This memo focused upon a departmental study, regard-

ing the reduction of crossing guards along Mack avenue, conducted by Lt. Patterson and Traffic Safety Officer Stephen Petrik as ordered.

Gets Feedback

The lieutenant said, "In order to expedite this I am recommending that the first three requests be carried out now. In all instances the reduction of guards along Mack avenue will not jeopardize the safety of the children. The fact that properly trained safety patrols are assigned to the curb as well as the island assures that the children will be held while the guard changes sides."

"In locations where traffic lights are used the children normally stop in the island anyway as it takes two light cycles to complete a crossing."

Det. Fagan said one officer was getting feedback on the crossing guard situation, and cited this memo as published.

"People just heard this as coming from the department of public safety. We didn't institute this," he said, while adding the GPWFOA wasn't in agreement with having less guards along Mack avenue.

Robber Awaits Sentence Date

Park Police Lt. Gordon Duncan disclosed on Monday, November 18, that word has been received that Floyd E. Smith, 23, of 2553 Dickerson, had pled guilty to a charge of attempted larceny from a person. Smith is being held in Wayne County Jail in lieu of \$2,500 after pleading guilty at a trial held before Circuit Court Judge John D. O'Hair on Thursday, November 14.

Smith was originally charged with larceny from a person, after he was apprehended in snatching a purse from an 80-year-old woman walking on Mack avenue on September 4. Conviction on this charge, a felony, would have meant up to five years in prison on conviction. However the judge accepted the lesser plea of attempted larceny, which is a high misdemeanor, which could mean that Smith could get up to two and one half years in prison. Judge O'Hair set January 6 as the date for sentencing.

Smith was captured by a passing motorist on the September 4 date, who witnessed Smith on a bicycle, pedalling west on Mack between Lakepointe and Maryland, knocking the elderly woman to the sidewalk and grabbing her purse.

The motorist, Frank Calcaterra Jr., of Detroit, stopped his car, leaped out and grabbed Smith as the latter was pedalling away, continuing west on the avenue.

At the moment of capture, Police Chief Henry Counce and Lt. Duncan, returning to the station from lunch, made a turn from Maryland and

saw the apprehension of the purse thief and stopped to investigate.

Calcaterra informed the officers of the incident and Chief Counce formally placed Smith under arrest. A warrant charging Smith with larceny from a person was approved by the Wayne County Prosecutor's Office. The lesser plea was accepted by Judge O'Hair at the trial.

The chief and lieutenant praised Calcaterra for his action and as a citizen who was not afraid of being involved.

Elect Officers At Hunt Club

The members and directors of the Grosse Pointe Hunt Club elected the following to office at their 63rd annual meeting recently.

Kenneth F. Kahn was elected president, succeeding Norman J. Werthmann; Edwin V. Larson was elected vice-president; Dr. Robert H. Gregg was elected secretary, and John S. Malcolm was elected treasurer.

Garland M. Knight Jr., Edwin V. Larson, Harry W. Mellen, and Edwin N. Peabody were elected to the board of directors for a three year term. Peter Shields was newly elected to the board of directors.

Other members of the board are Norman K. Carr, DDS, William E. Barry, John H. Sarvis and Norman J. Werthmann.

Park Council Okays Fall Leaf Pick-Up Schedule

At a meeting held on Tuesday, November 12, rescheduled from Monday, November 11, because of Veterans Day, a legal holiday in Michigan, the Park Council approved the picking up of leaves with the leaf suction truck for the balance of November. This is normally done between October 1 through November 30, City Manager Robert Slone said.

Beginning December 1, all leaves must be placed in plastic bags or other suitable containers and placed at the curb for pick-up on regular rubbish pick-up days, the city manager said.

Until the end of this month, leaves may be raked into a pile close to the curb, between the curb and the sidewalk for the pick-up by the leaf trucks.

Mr. Slone said that all picked leaves have been partially shredded and piled at the Three Mile Drive Park.

"There are tons of shredded leaves available for local residents who might wish to use them as compost," the city manager said. "This type of organic compost makes excellent fertilizer, and is at the Three Mile Drive Park for the asking until March 1, after which, if there is any left, they will be taken to the incinerator in Clinton Township for burning."

"We plan to use these shredded leaves for fertilizer on city-owned property, besides letting our citizens have what they might want to take."

The leaves are free. "However, anyone who might want an extensive amount, say, for example, taking away the leaves with a truck or some large conveyance, should contact William Starr, director of Parks and Recreation, 822-2812 and let him know the time and date they will be there, so that he will be at the park to let them in."

Mr. Slone said that the use of the shredded leaves will reduce the use of fertilizer, and will make a good mulch. Besides, this will save the city the cost of transporting and burning.

In other actions, the solons, on recommendation of Mayor Matthew Paterson, approved the reappointment of Thomas V. LoCicero of 1105 Three Mile drive, to a four-year term on the Merit Board, and the reappointment of Oswald W. Zeidler of 1022 Buckingham, to the Board of review. This term is for three years.

The city manager also announced that he has been informed by the Southeastern Michigan Transportation Authority (SEMTA), that a contract for the construction of a bus shelter at the corner of Jefferson and Pemberton has been completed, and if everything goes according to schedule, work on this should start within two or three weeks.

SEMTA received a Federal Government grant to build several such structures along its routes, with one to be located in the Park. The cost of a shelter is about \$3,000, Mr. Slone said.

The city manager said that The Park has already signed a contract with SEMTA, whereby the city has agreed to pay the cost of any needed repairs of the shelter and to keep it clean at all times.

Camera Club Meets Nov. 26

The Grosse Pointe Camera Club will meet Tuesday, November 26, to view a picture adventure, "Rafting on the Colorado," presented by LeLand Maschmeyer.

The program will begin at 8 p.m. in Brownell Middle School, 2801 Chalmers avenue. Visitors and guests are welcome.

Considering its great age, this is a mighty fast old world.

POINTERS PLAN TENNIS WEEK AT TREASURE CAY

When movie director Mike Nichols was looking for a location to film most of "Day of the Dolphin," starring George C. Scott, he discovered Treasure Cay, Abaco in the Bahamas. The miles of powder soft sand and the crystal clear waters proved an excellent locale.

This is the destination for Pointe tennis enthusiasts, golfers and sun and sand lovers planned for early next year.

Departure dates of January 12 and February 9, 1975 were selected as an ideal winter break with some fun and relaxation.

To acquaint local residents with this enchanted island, The Bahamas Tourist Bureau together with Patti Quarters of Mr. Q. Travel arranged a weekend trip for several residents and a staff member of The Grosse Pointe News. So de-

lightful was the weekend that they decided to promote two separate seven day trips immediately.

The Sunday to Sunday vacation at \$499. offers a complete travel package. Round trip air fare via Air Jamaica (complete with rum bamboozles and a fashion show) and Bahamasair from Nassau to Abaco. Excellent accommodations at the Treasure Cay Hotel and Villas . . . breakfast and dinners, plus unlimited free calls are all inclusive in this price.

December 10 is the reservation deadline with \$100 deposit required to guarantee your booking for either date.

Escorting the group will be Patti Quarters of Mr. Q . . . She can be reached at 886-0500 or you can stop by at 19517 Mack avenue for further details.

TREASURE CAY, Abaco—You won't find any all-night discotheques here. And you won't find any crowded casinos.

But you might find something you've been unable to find anywhere else in the world . . . tranquility and innocence. And that's a fitting description for a beautiful Bahamian resort—Treasure Cay, an innocent island.

The hub of attraction on the 1,400-acre resort is the Treasure Cay Beach Hotel and Villas. The rooms and villas are all in walking distance to a miles-long stretch of beach, the Treasure Cay Marina, and the champion-

ship golf course—one of the best in the Bahamas.

In addition to all of the facilities and luxury that lure the visitors to Treasure Cay, a community spirit prevails. As one walks lazily around the "neighborhood," there may be seen the Treasure Cay Elementary School, a tiny but modern building which serves as a place of learning for about 30 youngsters, most of them children of the hotel employees. A doctor's clinic and a shopping center also are nearby.

Take a Sunday morning stroll down one of the winding pathways and you will hear a melodious blend of voices coming from the cur-

tained window of a white building—Methodists at worship. Pass by the same building an hour later and a different group of worshippers can be seen kneeling in prayer at an inter-denominational service. If you are a late riser, an evening mass will save your day. Several faiths—but one church—Treasure Cay Community Church. And a good way to get to church on time is to hitch a ride on the first golf cart heading in your direction.

Visitors to Treasure Cay now have an opportunity to visit the quaint settlement of Marsh Harbor, 30 miles away. Once a week a catamaran cruise is arranged so guests might do a bit of shopping or relax at the Conch Inn and enjoy the excellent cuisine, or sample Abaco dishes at Cynthia's Kitchen, or just stroll through the narrow streets of the old settlement and make conversation with the friendly residents.

Treasure Cay is about to ready itself for a busy winter season. Its old friends will be returning . . . and new ones will be coming in search of peace and tranquility on an innocent island. Come join us . . . we're friendly and proud of our island.

Police Arrest Teen Burglar

Detroit police called on Park authorities for assistance in apprehending a juvenile burglar who had broken into Kaleidoscope, 16135 Mack avenue, on Tiffany Lane, Saturday evening, November 16, reported Park Lt. Gordon Duncan.

Detroit police discovered the break-in of the business place at about 10:06 p.m., and followed footprints in the snow to the home of the juvenile, a 15-year-old boy, who resided in the 1400 block of Bedford. Detroit officers were unable to enter the home without a search warrant and called Park authorities for aid. Patrolman Alan Prettly was dispatched to help.

Park Det. William Furtaw attempted to contact Park

Municipal Judge John Urso, but was unable to locate him for the needed paper. However, the detective was able to contact Farms Municipal Judge Robert Pytell who signed a search warrant.

Armed with this document, the Detroit and Park policemen, and Det. Patrick Fagan of the Youth Service Division, who was called to the home, entered the house. In the house, police officers found a six-foot Panda bear, a number of crockery, pottery, several earrings and other items taken from Kaleidoscope. Also found in the house was a set of drapes taken from the Gay Cleaners located adjacent to Kaleidoscope. The cleaning establishment also is located in Tiffany Lane. The value of the recovered items was not given.

The 15-year-old boy was released to Detroit authorities for further investigation and questioning. Charges against him have been filed with Juvenile Court officials.

YSD Case Trend Becomes Reversed

The recent downward trend in complaints processed was dramatically reversed in October, reports the Youth Service Division (YSD).

Seventy-seven complaints were received by the YSD last month. This was an increase of 31 cases over September and a jump of 14 over last October.

The total of cases handled by the division through October is 613. This is a rise of 31 incidents over the same period last year.

"The downward trend in case incidence rate noted for the past two months was decisively reversed during October," says the YSD. "Admittedly MDP, (malicious de-

struction of property), incidents are seasonally high this time of year, but our October 1974 rate was double that of October 1973." Twenty MDP complaints were reported last month.

Larceny/theft was the next category of highest incidence as 15 such cases were processed. When taken with other categories of related offenses, i.e., robbery, three cases, stolen property, two, burglary, one, and auto theft or unlawful driving away of an auto, three, the total reaches 24.

Violation of the Controlled Substances Act, all involving abuse of marijuana or of marijuana and alcohol, totalled 10, while violation of liquor laws reached three.

The drug abuse cases included eight marijuana or hashish incidents involving six male adults, eight male juveniles and one female adult, while two marijuana and alcohol incidents involved one male adult and eight male juveniles.

Meanwhile, the liquor laws violations included three alcohol cases involving two male juveniles and two female juveniles.

Eight runaway cases involved four boys and four girls. Of these, two boys and one girl returned home voluntarily. Two boys were arrested with one being transported to the Wayne County Youth Home. One girl also was arrested and taken to the Youth Home. As of this

report, two girls are still missing.

Twelve applications for petition were filed with Wayne County Juvenile Court with five being authorized for court action.

The breakdown of total cases for last month shows MDP, 20; larceny/theft, 15; violation of the Controlled Substances Act, 10; runaways, eight; robbery, arson, and other criminal contacts, three each.

More are other assaults, possession of stolen property, sex offenses, drunkenness and disorderly conduct, two apiece; and burglary, auto theft, violation of liquor laws, mischievous children complaints and other miscellaneous complaints, one each.

More are Joan Machamer, Mariel Oakman, Elizabeth Race, Carolyn Reed, Ronald Scherer, Edward Schervish, Richard Schroder, Carol Statin and Diane R. Zedan.

Thieves Enter Lochmoor Club

Ten sets of golf clubs plus a golf bag with a combined, estimated value of \$2,452.50 were stolen from the Lochmoor Club's pro shop, 1018 Sunningdale. This incident was reported to Woods police Sunday morning, November 17.

In his report, Officer William Duster said a check outside the building housing the cart house and pro shop revealed a broken 28 by 30-inch window located in the door leading to the cart house.

Nothing was missing from the cart shop but a small window leading to where golf carts were kept was open. It had been closed and locked the previous day. A check of the pro shop revealed a shattered 4 by 8-foot window at the southwest entrance.

The following sets of clubs were found missing:

A set of ladies woods, (four clubs), valued at around \$145; a set of ladies irons, (nine clubs), \$208; a set of mens irons, (nine clubs), \$266; a set of mens woods, (four clubs), \$125; a set of mens irons, (nine clubs), \$225.

Other articles include two sets of woods, four clubs per set, around \$265 each, total \$530; two sets of iron, nine clubs per set, around \$292.50 each, total \$585; one golf bag, \$80.50; and one set of mens irons, (nine clubs), \$290.

After checking the area, police believe the culprits broke the door window into the cart house. Then they entered and opened the small window to get into the golf cart area to try the two doors which led to the pro shop.

The thieves then left by the way they entered and broke out the window going

into the pro shop. Blood was found on three of the golf boxes and a door going into the pro shop storage room.

The incident is under investigation by the detective bureau.

As a man thinks, he acts—and that's why so few ever act.

Dial down. It adds up.

Dial down your thermostat and you'll save money. All you have to do is consistently maintain lower temperatures in your home.

Let's look at a few facts.

1. You can save about 3% for every degree you permanently dial down during a heating season. For example, set your thermostat back five degrees, leave it there, and you'll save about 15%.
2. If you regularly set your thermostat back each night, you can save, too—more than 1% for every degree dialed down for an eight-hour period. For example, set your thermostat back seven degrees, and you'll save about 9%. Set it back ten degrees and save about 12%.
3. Of course, you can save even more by leaving your thermostat down

every day and dialing even further down at night.

4. You can save still more Gas and money by dialing down to 55 degrees while you're away from home for vacations or long weekends.

Any time you dial down for more than five hours you save. Just how much you'll save depends on several factors. How many degrees you dial back. How many hours you maintain this lower temperature setting. And the weather. The colder the weather, the greater the savings.

Our Gas is your lowest cost fuel. Use it efficiently and you'll save even more. So dial down. The savings can really add up. Conserve America's vital supplies of Natural Gas, too.

Motorist Rams into LS Tree

A driver of a small automobile escaped serious injuries when his vehicle crashed into a tree in front of 551 Lake Shore road, at 2:55 a.m. on Sunday, November 17.

The driver of the car was identified as Kevin S. Good, 23, of 22825 Bayview, St. Clair Shores, who suffered only a scraped face and a bump on the forehead. His

automobile, a 1973 Volkswagen, had extensive damage to the front end.

The Shores Public Safety Department was called by a citizen residing at 535 Lake Shore, who reported that someone was banging frantically at her front door. PSO Gary Mitchell was dispatched to investigate and the person who had created the disturbance told him of finding the car smashed against a tree and that a person was inside the vehicle.

Patrolman Mitchell went to the accident scene and found Good behind the wheel of the car, a two-door, and both doors jammed shut by the impact against the tree. The officer directed and assisted Good out of the car through the window on the passenger side. The accident victim refused to be taken to the hospital for medical attention.

PSO Mitchell drove Good to the station to make out a report. The officer stated that Good had been drinking and was on his way home when the accident occurred.

Good claimed that he was traveling north on Lake Shore, when he was forced off the road by another driver. However, he was unable to give a description of the other auto.

He was not given a breathalyzer test and later was released to his father. His wrecked car was towed to a service station.

SH Musicians Slate Concert

The Music Department of South High School, under the direction of Russell Reed and Leonard L. Riccinto, will present a combined pops concert, "That's Entertainment," Friday and Saturday, November 22 and 23, at 7:30 p.m., in South's gymnasium.

The show will consist of the music of Broadway, the popular sound of today and famous semi-classical selections with over 300 performers from the bands, orchestra, choir, girl's glee club and special groups like the Crazy Eight Plus One, the Towerbellies and the Stage Band.

The evening also will include refreshments and musical favorites like the Music Man, West Side Story, Porgy and Bess, Songs from the 20's, Bolero and novelty song and dance tunes.

Tickets are \$1.50. Children 12 and under will be admitted free.

DOCTORS GIVEN AWARDS

First and second Semmes Awards were presented to Jose A. Gonzalez, M.D. and M. Mazen Mardini, M.D. by Robert J. Griffin, M.D. at Bon Secours Hospital's Fall Symposium. The award is presented to the intern or resident whose genuine interest in and concern for patients best exemplifies the spirit of the Sisters of Bon Secours and Bon Secours Hospital. The semi-annual award fund was established by Pointe residents Brewitt and Valerie Semmes.

Woods Clerk Retires Nov. 15

By Roger A. Waha

When asked what she will miss the most about her five years of work at The Woods, Deputy City Clerk Elizabeth E. Wiedbusch, who spent her last day at work Friday, November 15, said, "All the friends I have made" and then jokingly added, "I'll miss those Michigan winters."

But one really wonders if the joke's on us when Mrs. Wiedbusch noted, "I'll be laughing like crazy when I'm in Arizona." For the hard working city employee is retiring from service to live with her sister in Sun City, (eat your hearts out, everyone).

For four of the five years, Mrs. Wiedbusch has held the responsible position of deputy city clerk which includes a variety of duties such as handling elections, issuing licenses, e.g., boat, parking lot, vendor, under city ordinance, and, when needed, stenographer at council meetings.

She's enjoyed every aspect of her job particularly working with elections. "I've liked working with the election inspectors and getting acquainted with them. This has been most pleasing. I've also enjoyed meeting the public and the council work," she said.

City Administrator Chester E. Petersen had sound words of praise for Mrs. Wiedbusch. "She's worked for us for five years and during that time she has proven herself to be a very capable and faithful employee. She has the opportunity to take an earlier retirement and we wish her well and God's speed."

He cited her fine work in being in charge of elections. "She's gone through major elections during her tenure with ensuing problems and was able to handle them and continue providing good service to voters in the community without a great number of complaints."

With Mrs. Wiedbusch's retirement, the city has hired Mrs. Nancy Hammitte, who will be under the supervision of Senior Deputy City Clerk Louise S. Warnke. And at the same time, Miss Warnke's responsibilities will expand and include being in charge of elections.

Thieves Enter Mr. Tony's Safe

Someone broke into a safe at Mr. Tony's Restaurant, 19341 Mack avenue, and took over \$500 in cash, said Woods police. The incident was reported Tuesday morning, November 12.

Entry into the building was gained through a window after the culprits pulled off a wooden framed screen and pried off a metal bar. A plexiglass window also was pushed in as was a thin piece of aluminum which was screwed into the frame.

A door, which was pried off the safe, was found inside the box with a pair of pliers and a sheer-type knife. Two steel bars, believed to have been used to pry off the door, were found near the safe. Police said checks and envelopes were torn in small pieces and thrown in and around the safe.

Officers were told the building was secured at 11:30 p.m. on Monday, November 11, with the break-in being discovered at 9:15 a.m. on the 12th.

League Cites Nettie Duffield

Jeannette Duffield, of Rivard boulevard, a member of the Grosse Pointe City Council, was recently appointed to the Michigan Municipal League's Legislative Committee for 1974-75.

The committee makes recommendations to the League's board of trustees, on which City Manager Thomas Kressbach serves.

Mrs. Duffield will be assisting the board in various areas including the planning of legislative strategy, drafting bills that are of interest to a number of municipalities and reviewing legislation introduced in Congress or in the legislature.

Between board meetings, Mrs. Duffield will establish

on a temporary basis, subject to approval at regular board meetings, the policy of the League with regard to pending legislation.

Board to Preview Richard Talent Class Production

By Nancy Kramer
 Have the kids in Miss Betty Brady's special talent class at Richard School ever got a show worked up for the Board of Education? They've concocted a musical song and dance affair and promised the Board a command performance at 8 p.m. Monday, November 25, in the place where it all began — Richard.

That's where the act was first spotted by Board member Melissa Maghielse who suggested that her fellow trustees might be interested in seeing where the special talent program was heading at the school.

The program is one of this year's school system innovations. Its purpose is to give students who demonstrate talent or skills in a particular field the opportunity to develop them under special guidance and supervision.

The supervision in this case was Miss Brady, the drama and music talent teacher, and Mrs. May Krager, the school music teacher.

The talent includes Robin Lees, ("She's the superstar," the cast certifies), Karen Alpert, Cathy Borland, Trisha Lees, Amy Dietz, Chris Roberts, Kathy Bonior, Bill Prince at the keyboard and Randy Mills, drummer.

There are a total of around 45 Richard 5th and 6th grad-

ers involved in the production entitled "What's It All About?"

Miss Brady, her music and drama class and Miss Krager scripted, choreographed and wrote the music for the entire show.

"It took us about 18 days," Mrs. Krager said. They worked on the speaking parts during their talent class period and put in untold extra hours before school, during lunch time and after school.

The cast members are quick to explain that their production has a definite message.

Opening with an old fashioned teacher criticizing her pupils for hiding her glasses when they are actually on her face, the students go on to bemoan their plight and wish things were otherwise. "School Should Be Cool," they exclaim.

Going through the proper channels, they travel to Washington, D.C., to petition Congress which reluctantly gives in to their wishes mainly to get the students off its collective back. A law allowing students to run their own school is then enacted.

"School is Gonna Be Great Now," the children celebrate and proceed to substitute games for related lessons. Instead of math,

they opt for bingo. During grammar class they play scrabble. Monopoly beats economics any day, but when someone suggests actual scuba diving to take the place of an oceanography class, the students become a bit reluctant and soon tire of education in disguise.

They approach their teachers to suggest they return to their respective classrooms but each comes up with a different excuse for not doing so.

Finally the children come to the conclusion that it's time to start over. They give in, compromise a little and

discover their teachers are equally willing to be flexible. And they find their "old fashioned" teacher will make the biggest change of all.

Not all cast members are actually special talent class students, Mrs. Krager explained, but the hard core workers who wrote the show are.

The Board is undoubtedly interested in seeing "What's It All About" because it will give them an idea of how the talent program, which is being conducted in all elementary schools, is working out. They should be delighted with Richard's results.

AFS Students Tour Detroit

Three American Field Service (AFS), exchange students living with Grosse Pointe families were among a total of 22 students from 19 different countries who were introduced to Detroit on Wednesday, November 6.

All the students are in their senior year of high school and attend schools in the greater metropolitan area.

The November 6 field trip is designed to help the youngsters discover the many elements which make the city unique as a center of culture and industry. Participants from Grosse Pointe included Timo Ruikka, of Finland, who lives with the Robert Everetts, Claire Servant, of France, who's living

with the George Houchens and Ulli Tack, of Austria, a member of the Edwin Peabody family.

The day started with a welcome from Mayor Coleman Young in the City-County Building. The introduction to city government was followed with a walking tour of the Renaissance Center including "Detroit under Three Flags" and the transportation exhibit in Cobo Hall.

Lunch, sponsored by the First Federal Savings Bank, featured George Bushnell, chairman of New Detroit and several members of the Consular corps. Arrangements were made to view the bank's unique computer.

List SH Honor Society Juniors

In recent National Honor Society elections held at South High, the following 11th grade students were named members: Stephen Bogan, James Champion, Lisa Erwin, Sally Face, Beth Foster, Kyle Gaspar, Martin Hawley, Patricia Jobbitt, Philip Johnson, Damian Kiska, Robert Krueger, Elizabeth Laitner, Linda Lawrence and John Linne.

More are Nancy Litch, Karen Mann, Michele Montagne, Robert Montgomery, Patricia O'Donnell, Drew Peterson, Janet Price, Mimi Race, Mary Ruble and Robert Worrell.

Afternoon discussions centered on housing problems and solutions. Police officers spoke on crime and justice and a Public Health nurse discussed health and nutrition. Exploration of various neighborhoods included a look at recreational services and cultural opportunities.

The day's program was put together with the help of the Center for Urban Education which strives to promote better understanding of Detroit. AFS is a worldwide organization which works to produce understanding and peace through an interchange of living and learning experiences.

Further information on AFS is available from Mrs. J. V. Jenks, 882-0338.

AUTO FACTS

by KEN MEADE

When you are planning a trip, pack your car safely. Distribute the total weight, including that of the passengers, as evenly as possible over the entire car. If too much weight is in the rear, you could overload the shock absorbers. This would make the car difficult to control. The experts recommend that you consider a luggage rack, carefully installed on center of the car roof, as one of the best ways to achieve better weight distribution. Heavy-duty shock absorbers may be in order if you do most of your travelling with a heavily loaded car.

EXHIBITION/EXHIBITION SOFT

In ski boots comfort is the name of the game. And nobody puts comfort and performance together better than Hanson. We start with our thermo-plastic wax custom fitting system to spread pressures evenly over your foot. A seamless wrinkle-free liner cradles your foot like a long lost friend. You can adjust forward flex simply by moving that little front clip up or down. The Exhibition and Team models have high "floating" fronts to soak up those shin-thumping bumps plus 24 degree forward lean that puts you in proper "attack" position. Come in and let the Ski Hut's experts give you the line... the Hanson Line.

THE PARK PHARMACY

Twenty-eight to thirty thousand people die and over four million are injured each year from home accidents. There are relatively few accidental deaths on campuses, schools, etc., but such institutions have impressive records of painful injuries. Accidents occurring on the farm account for over 13,000 fatalities, over one million injured annually. The prevention of these accidents and death is primarily a matter of eliminating environmental dangers, and of educating careless or ignorant individuals.

When accidents and painful injuries do occur, you: local pharmacists are ready with the medications and convalescent supplies to help you get well. At THE PARK PHARMACY, 15324 E. Jefferson, Grosse Pointe Park, we offer fast, professional service on all prescriptions. We also sell and rent all kinds of convalescent aids including walkers, crutches, wheel chairs and commodes. Stop in and see our displays of Christmas cards and Christmas candies. Our liquor department includes a full line of liquor, beer and wine. Call us at 822-2580. We are open daily until 8 P.M., weekends until 9 P.M., and Sundays from 10 A.M. until 3 P.M.

Pointe Skaters Win Big, 12-2

The Pointe's Sherwood Forest Hockey Club skated to an easy 12-2 victory over Ann Arbor Saturday evening, November 16, at the Grosse Pointe Community Rink. The win upped Sherwood's record to 12-1 with their only loss coming at the hands of Point Edwards, 9-8, last week.

Against Ann Arbor, Sherwood blasted in four goals in each period and was in complete control from the start.

Former Detroit Junior Red Wings Ken Ritter and Dave Fulton netted a pair of short-handed goals to give the Pointers an early 2-0 lead. Paul Nadow made it 4-0 with two goals before the opening period ended.

In the second period, Ron Springer, Ken Murry, Mike Stecko and Brent Rutherford each scored to make it 8-0. After Ann Arbor tallied two power play goals to open the final period, Rich Nadow scored two of his own and Fred Springer then netted a pair to wrap up the win.

Point Edwards comes to town Saturday, November 23, and Sherwood hopes to avenge its earlier loss to the club. Game time is 8 p.m. at the Community Rink.

Woods Police Receive Thanks

The Woods Department of Public Safety received the thanks of the Detroit Police Department for its cooperation in making available a photo-fit kit, used for making composite pictures of criminal suspects based on the description of witnesses, to Detroit officers.

In a letter last month to Director Henry Marchand, Detroit Police Chief Philip G. Tannian said, "I would like to express my sincere appreciation for the extraordinary cooperation you have extended to our department during the past several months, in making available the use of your Penry Photo-Fit Kit whenever our Women's and Children's Service Section needed it."

"The special abilities of officers of the Grosse Pointe Woods Police Department who assisted us were invaluable."

"As you know, we recently obtained our own kit, and were able to arrange for officers from our WACSS, ARMTS and Homicide Section to receive instruction in

All Set to Face Ohio State on Saturday

This year's University of Michigan marching band is the biggest in the history of the band. Playing prominent roles are several area residents who surround conductor GEORGE CAVENDER, (center), including, (from left to right), JONATHAN WEBSTER, of Roslyn road; PETER VAN-HORNE, of Blairmoor court; DAVID WALLACE, of Lincoln road; FRANK KRAGER, of Hunt Club, Harper Woods; DAVID BRYK, of Huntington road; and MARK KUSCH, of Moorland drive.

There are 250 members but lack of uniforms keeps 15 of the reserves out of the active ranks. So when the marching band takes the field there are actually only 235 on the field.

The band started practice on September 1, and has followed an intensive practice schedule since. The band was scheduled to make appearances at all of the six games in Michigan Stadium plus away from home trips to Madison, Wis., on October 19 and to the Michigan-Ohio State game on Saturday, November 23, in Columbus, O.

The trip to the Wisconsin game also included an appearance at the Whitewater-Lake Geneva high school game in Whitewater, Wis., so the band is scheduled for a total of nine performances at football games during the 1974 season.

Mr. Cavender is in his fourth season as conductor of bands at Michigan. His assistant, James Keene, is in his second year.

Vandals' Fire Burns Garage

Young vandals started a leaf fire at the rear of the property of James Gooch, 917 Beaconsfield, which was responsible for damaging Mr. Gooch's garage. It was disclosed by Park Fire Chief Philip Costa. Sparks from the burning leaves ignited the wood siding of the building causing a hole and charring the side of the garage.

The chief said that it was by chance that Mr. Gooch went out to the garage and saw the burning leaves, and discovered that sparks from the fire ignited the side of the garage, the chief said. This incident occurred last month.

He said the leaves were piled near the rear of the garage, ready for pickup, when apparently some children set a match to them. The only damage sustained was a hole about 15 to 20 inches in circumference and the wood on the side facing the alley being charred, the fire chief said.

"I know for a certainty, that if Mr. Gooch had not discovered the fire in time, the garage building would have been a total loss," Chief Costa said. "We have answered a number of alarms to leaf fires, but this is the first time it resulted in any property damage. Starting leaf fires is a dangerous practice."

Play Last Game For North High

The NEWS' football correspondent from North High School, Bob Evanski, reports that several seniors appeared in uniform for the last time in the Norsemen's 19-15 victory over South High School on Saturday, November 9.

(In last week's NEWS, that ever present gremlin took the "one" from in front of the "five" distorting the score).

Seniors playing their last game included Chuck Martin, Pat Persichini, Brian Pastoria, Ray Spitzley, Fritz Lehmann, Dennis Hermann, Charlie Ochylski, Gary Maier, Brian Trupp, John Calandro, Kevin Calka, Mark Wayne, Frank Vitale, Bob Isherwood, Jim Barbaglia, Drew Brophy and Mark Johnson.

Theater Sets Art Auction

The St. Clair Shores Young People's Theatre, which includes among its members many Pointers, has set Monday evening, November 2, for an art auction to be held in the St. Clair Shores Recreation Ballroom, 24800 East Jefferson avenue.

A champagne preview will kick off the evening at 7 p.m. with bidding to begin at 8 p.m. Admission is \$2 and hors d'oeuvres will be served.

A variety of paintings, Japanese plates and sculpture will be available. All paintings will be framed and backed at no extra cost.

Proceeds from the auction will benefit the theater which has been in existence for close to two years. It began with 25 members and now has about 300 members from the entire east-side area. It

has presented such plays as the "Wizard of Oz" and "Camelot" and will present "West Side Story" this summer.

The group is open to all and ages of east members in the last production ranged from eight to 30 years.

PORSCHE '75

THERE IS NO SUBSTITUTE.

A new 1975 Porsche can be many things. It can be a Carrera (on top) with all the racing blood you could ask for in a high-performance sports car. Or a 911S with Targa styling (the middle one) which creates more excitement parked than most cars do in fourth gear. Or it could be a mid-engine 914 (the bottom one), a two-seater Porsche that combines everything you'd like in a sports car with everything you thought you had to give up (like 27 mpg*). But there is one thing these Porsches will never be—and that's like any car you've ever known. They are Porsches. With 25 years of Porsche engineering and design behind them. And for that, there is no substitute.

Bryant, Fitzgerald Given Leadership Roles

Two Pointe representatives in Lansing have been elected by their colleagues to major positions within their parties. State Rep. William B. Fitzgerald, 32, was elected

Democratic majority leader of the Michigan Senate for 1975-76. William R. Bryant, Jr., 36, was elected Republican Floor Leader for 1975-76, one of seven leadership positions voted on by the Republican caucus in Lansing last week.

Sen. Fitzgerald, a freshman senator with less than four years of legislative service, will take over the leadership spot from an uncle, Sen. George S. Fitzgerald of Grosse Pointe. The elder Senator has not sought reelection.

Sen. Fitzgerald, an attorney, will serve as top spokesman for the Capitol Democrats.

Rep. Bryant, first elected to the House in 1970, is an attorney and former member of the Wayne County Board of Commissioners.

Bryant represents the 13th district which includes all the Pointes, while Fitzgerald represents the first district which represents all the Pointes except The Woods.

SEMTA Runs Parade Buses

Everyone loves a parade and one of the best parades of the year will be the Hudson's Thanksgiving Day Parade in downtown Detroit on Thursday, November 28.

The Southeastern Michigan Transportation Authority, (SEMTA), is offering special park-and-ride round-trip bus transportation to the parade from locations originating in The Pointe area.

SEMTA riders will view the parade from a special area on Woodward at Mack avenue with buses leaving for the return trip immediately following the parade.

Cost of the round-trip ride is \$1.25 per person. Tickets must be purchased in advance. SEMTA welcomes entire families or individuals but asks that children under 12 be with an adult.

Pointe area ticket and pick-up locations are as follows: Buses leave Grosse Pointe Woods City Hall, 20025 Mack avenue, at 8:30 a.m. Purchase tickets at The Squirrel's Nest-Sphere gift shop, 19849 Mack avenue.

Buses leave from Grosse Pointe City Park, Jefferson avenue between Rivard boulevard and University place, at 8:30 a.m. Purchase tickets at Mr. McCourt's shoe store, 16990 Kercheval avenue.

Buses leave from Eastland Shopping Center, Lot 5, at 8:30 a.m. Purchase tickets at the J. L. Hudson Co., Eastland Ticket Office.

Section 1. Section 1 of the Electrical Code Ordinance, Code No. 11-04, enacted as Ordinance No. 133 on September 8, 1958, as heretofore amended, is hereby amended to read as follows:

Section 1. Adoption of Electrical Code. A certain document, a copy of which is on file in the office of the City Clerk, available for inspection by the public at all times, and which is marked and designated as the "National Electrical Code, 1971" and which is an electrical code promulgated by an organization or association organized and conducted for the purpose of developing such code, is hereby adopted, and is to be used in regulating the installation, alteration, repair, servicing, maintenance and use of electrical equipment in the City of Grosse Pointe Farms; and each and all of the provisions, conditions and terms of such National Electrical Code, 1971, on file in the office of the City Clerk, are hereby referred to, adopted and made a part hereof as if fully set out in this ordinance, with the additions, insertions, deletions and changes prescribed in Section 2 of this ordinance. The intent of the Council of the City of Grosse Pointe Farms in adopting this amendment is to exempt itself from the provisions of Act 230 of the Michigan Public Acts of 1972, as amended, and enforcing the nationally-recognized model electrical code described above.

Section 2. In all other respects, Ordinance No. 133, enacted September 8, 1958, as heretofore amended, shall remain in force and effect.

Section 3. Severability. If any provisions of this ordinance shall be held invalid, the remainder of the ordinance shall not be affected thereby.

Section 4. Effective Date. It is hereby declared that this ordinance is immediately necessary for the preservation of the public peace, health, and safety, and is, therefore, given immediate effect.

CODE NO. 11-01

AMENDMENT TO BUILDING CODE ORDINANCE

ORDINANCE NO. 200

AN ORDINANCE TO AMEND SECTIONS 1 AND 2 OF THE BUILDING CODE ORDINANCE, CODE NO. 11-01, ENTITLED "AN ORDINANCE TO REGULATE THE ERECTION, CONSTRUCTION, ENLARGEMENT, EQUIPMENT, ALTERATION, REPAIR, MOVING, REMOVAL, DEMOLITION, CONVERSION, USE, HEIGHT, AREA AND MAINTENANCE OF ALL BUILDINGS AND STRUCTURES IN THE CITY OF GROSSE POINTE FARMS; AND TO PROVIDE FOR THE ISSUANCE OF PERMITS AND COLLECTION OF FEES THEREFOR; AND TO REPEAL ORDINANCES NUMBERED 19, 30-A, 37, 61 AND 66".

THE CITY OF GROSSE POINTE FARMS ORDAINS:

Section 1. Section 1 of the Building Code Ordinance, Code No. 11-01, enacted as Ordinance No. 107 on December 21, 1953, as heretofore amended, is hereby amended to read as follows:

Section 1. Adoption of Building Code. Certain documents, copies of which are on file in the office of the City Clerk, available for inspection by the public at all times, which are marked and designated as the "BOCA Basic Building Code, Fifth Edition, 1970", and "BOCA Basic Building Code, Fifth Edition, Accumulative Supplement 1973" and which were promulgated by the Building Officials Conference of America, Incorporated, an organization or association organized and conducted for the purpose of developing such codes and hereby adopted, and are to be used, considered and enforced jointly in regulating the erection, construction, enlargement, equipment, alteration, repair, moving, removal, demolition, conversion, use, height, area and maintenance of the buildings and structures in the City of Grosse Pointe Farms; and each and all of the regulations, provisions, conditions and terms of said "BOCA Basic Building Code, Fifth Edition, 1970" and the "BOCA Basic Building Code, Fifth Edition, Accumulative Supplement 1973" on file in the office of the City Clerk, are hereby referred to, adopted and made a part hereof as if fully set out in this ordinance with the additions, insertions, deletions and changes prescribed in Section 2 of this ordinance. The intent of the Council of the City of Grosse Pointe Farms in adopting this amendment is to exempt itself from the provisions of Act 230 of the Michigan Public Acts of 1972, as amended, by adopting and enforcing the nationally-recognized model building code described above.

Section 2. Section 2 of the Building Code Ordinance, Code No. 11-01, enacted as Ordinance No. 107 on December 21, 1953, as heretofore amended, is hereby amended to substitute the "BOCA Basic Building Code, Fifth Edition, 1970", and the BOCA Basic Building Code, Fifth Edition — Supplement 1973" as the documents referred to in this section and to indicate that the "BOCA Basic Building Code, Fifth Edition, 1970" is the document to which the itemized corrections in Section 2 apply. In all other respects Section 2 will remain in effect as amended to date.

Section 3. Section 2A of the Building Code Ordinance, Code No. 11-01, enacted as Ordinance No. 107 on December 21, 1953, as heretofore amended, is hereby amended to read as follows:

Section 2A. The following Articles and all sections contained herein are deleted from the "BOCA Basic Building Code, Fifth Edition, 1970" as adopted above:

- (1) Article II, entitled "Heating Equipment and Appliances, Mounting, Clearances and Connections" which includes sections 1100 through 1139, (and subsections thereof) all inclusive;
- (2) Article 15, entitled "Electrical Wiring and Equipment" which includes sections 1500 through 1506 (and all subsections thereof), all inclusive; and
- (3) Article 17 entitled "Plumbing, Drainage and Gas Piping" which includes sections 1700 through 1707 (and all subsections thereof), all inclusive.

Inplace of the material deleted by subsection (1) above, the City's Heating Code Ordinance, being Ordinance No. 109, enacted December 21, 1953, as heretofore amended, will be fully applicable and in full force and effect. The City's Electrical Code Ordinance, being Ordinance No. 133, enacted September 8, 1958, as heretofore amended, will be applicable and in full force and effect in place of the material deleted by subsection (2) above. The City's Plumbing Code Ordinance, being Ordinance No. 188, enacted April 3, 1972, will be applicable and in full force and effect in place of the materials deleted by subsection (3) above.

Section 4. Severability. If any part of this Ordinance shall be held invalid, the remainder of the Ordinance shall not be affected thereby.

Section 5. Effective Date. It is hereby declared that this Ordinance is immediately necessary for the preservation of the public peace, health and safety and is, therefore, given immediate effect.

Seek Homes for Visitors

Grosse Pointe area families are needed to entertain English-speaking European teachers as guests in their homes for a 10-day period next summer, it was announced recently by the American Host Program.

According to J. Stuart Perkins, board member of the Host Program, and president of Volkswagen of America, American Host is one of the few non-governmental programs designed to show the American way of life to foreign teachers by pairing them with U.S. families.

Now in its 13th year, American Host has opened

doors to better understanding for more than 5,500 European teachers who have passed on their new understanding of the country to their students, colleagues and friends.

Mr. Perkins said that being a Host Family is open to anyone who has the desire to increase understanding and friendship between Americans and Europeans. Host Families are required to provide a private room, meals for their guest, the opportunity to meet their friends, neighbors and perhaps fellow teachers and to see places of interest in the area.

American Host arranges all transportation and families are asked to meet their guest upon arrival in their area. Teachers and Host Families have an opportunity to correspond for at least a month before meeting.

Arrangements to host a teacher may be made by writing to The American Host Program, Hotel Commodore, Suite 2100, New York, N.Y., 10017. The number to call is 212-683-6567.

PIONEER P20
"The lightweight that cuts like a heavyweight."

If you're like me, you want a chain saw with plenty of muscle. So you can use as little muscle as possible. The Pioneer P20 is your saw. A P20 has a 3.14 cubic inch engine. Bigger than other saws in its class. That gives the P20 more lugging power. And with a 14" bar, you can handle a 28" cut with ease. But, the P20 is light. Only 10 pounds, 3 ounces. And that means it's easy to use. The P20 also has automatic chain oiling, automatic compression release for easy starting, and an exclusive anti-kick saw chain. It's a tool with more muscle. For men who like to use less.

'Future Is Now' for Friar Cagers

By Paul T. Denis
"The future is now" was originally said by George Allen, coach of the Washington Redskins. Now it's the theme of Austin's new basketball coach John Switchchulis.

Mr. Switchchulis comes to Austin from Warren Lincoln where he taught and coached for 11 years. He has had 12 years of coaching experience, nine of them as a head coach.

The starting lineup for this year will be totally new. Senior starters Charley Paye, Jim Dixon and Vic Conti have all graduated. Tim Leeper transferred and Chip Berschback can no longer play due to a knee injury. The team also is quite small in comparison to its opponents. "We'll probably be smaller than all of our opponents," stated Mr. Switchchulis.

In order to compensate for their lack of size, the club will play a running, pressing, moving type of game. "The game will be a more exciting brand than that played last year," commented the coach.

The team is composed of seven seniors and eight juniors. All sophomores are on the junior varsity and freshmen are on their own squad. This is in keeping with Mr. Switchchulis' theory on playing for the present. He wants to win on all three levels, not on only the varsity front.

Austin's first game will be Tuesday, November 26, at St. Ambrose. The first home contest won't be until the second week of December.

Grads of EHS Plan Reunion

The 1920-30 graduating classes of Eastern High School are sponsoring the fifth annual Alumni Reunion at the Bayview Yacht Club on Saturday evening, November 23.

The honored guest this year will be the Hon. Judge David C. Vokes. A graduate of Eastern and University of Michigan Literary and Law Colleges, a licensed attorney for 45 years and judge of Common Pleas Court for 26 years. He retired four years ago and is now serving as a visiting Circuit Court Judge.

At Eastern he was a member of the City and State Championship track teams. He was editor of the Indian, Eastern newspaper; a sports writer for the Detroit Free;

Press; an assistant attorney general, served as general counsel of the Michigan Unemployment Compensation Commission, and has been a lay reader for the Episcopal Church of Our Savior for 30 years.

He is active in many Masonic bodies and is a 33rd Degree Mason. He is a past president of the Old Good-fellow Newsboys. A native Detroit, he was the past president of the Literary Alumni of the University of Michigan.

Dinner will be at 7 p.m. Tickets are \$10 per person. For information call Chairman Wilfred A. Steiner, 881-1900; Dorothy Uumann, 331-6874; or George J. Jaglowicz, at 521-1498.

Area Parishes Support ADF

Eleven Roman Catholic parishes in the Grosse Pointe area have contributed over \$179,000 to the Archdiocesan Development Fund Appeal (ADF).

The ADF is an annual appeal by the Archdiocese of Detroit which raises funds for a variety of educational, social service and special projects throughout the Archdiocese.

Mrs. C. Bradford Lundy Jr., of Ballantyne road, a member of Our Lady Star of

the Sea Parish, and president of the League of Catholic Women, was general chairman of this year's appeal.

"I am honored to have had the opportunity to serve the Archdiocese in serving Christ through its vital services to the people and community."

The 11 parishes in the Grosse Pointe Area make up the Detroit-Grosse Pointe Vicariate of the Archdiocese of Detroit. These parishes include St. Ambrose, St. Clare of Montefalco, St. John Berchmans, Detroit, St. Juliana, Detroit, St. Martin, Detroit, St. Matthew, Detroit, Our Lady Queen of Peace, Harper Woods, Our Lady Star of the Sea, St. Paul, St. Philip Neri, Detroit and St. Philomena, Detroit.

The coordinators of the 1974 ADF in the Detroit-Grosse Pointe Vicariate were Father Francis McDonnell of St. Clare of Montefalco Parish and Mrs. Martha Lohrstorfer of St. Martin Parish.

Scouts Enjoy 3-Day Campout

Boy Scout Troop No. 61, of St. Paul's Church, 157 Lakeshore road, recently returned from three days of camping at the D-A Scout Reservation in Metamora.

Under the leadership of patrol leader Tom Temrowski, the following boys secured their hiking skill award: John Wagner, Tom Molitor, Gordon Kasza, Peter Zavell, Scott Wayland, John Hurley, Jim Wagner and Larry LaFerte.

Meanwhile, the following boys secured their cooking skill award: John Wagner,

Tom Molitor, Gordon Kasza, Peter Zavell, John Hurley and Jim Wagner.

The youths were assisted by Eagle Scout Joe Temrowski, who furnished a leadership training and advancement program.

During the course of the campout, one scout was selected to receive the outstanding camper award. Larry LaFerte received this honor based upon his contribution to the scouting spirit, leadership and advancement.

Will Showcase Students' Art

The Scholastic Art Competition for Southeastern Michigan is returning after a one year absence. The exhibition will be held at the Tel-Twelve Mall from February 15 through March 1.

All schools from Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne Counties have been invited to participate in this year's competition. Entries will be accepted at the Mall, located in Southfield, from Monday, January 27, through Saturday, February 1, from 4 to 9 p.m. weekdays and on Saturday, before noon.

Sponsors for this year's event are the Tel-Twelve Mall, Council of the Arts and The Detroit News.

Further information may be obtained by calling Joe Piasecki, at 652-0116 or Ron Seavold, at 353-4111.

Take advantage of NBD's money-back guarantee.

Every bank makes it easy to put your money in. National Bank of Detroit thinks it should be just as easy to get your money back out.

That's why we've installed 24-Hour Bankers at 14 convenient locations (with more to come), where you can make deposits, withdrawals, transfer funds or even take out a small loan... 7 days a week, 24 hours a day.

And we've extended our drive-in branch hours so they're open when you're most likely to drive in. 70NBD drive-in offices are now open until 7:30 every weeknight and until one in the afternoon on Saturday.

We've also installed a Computer Contact System that makes it easy for you to do your banking at any NBD office you happen to be near instead of just the one that has your account.

NBD really wants to do everything possible to make banking better for you. But if we don't make you happy, we guarantee to give you your money back... anytime.

To Show Film of Switzerland

Thayer Soule, dean of travelogists, personally presents his color film of Switzerland on Thursday and Friday evening, December 5 and 6, on Grosse Pointe War Memorial's George Pierrot selected Grosse Pointe Adventure Series in Fries Auditorium.

Harvard graduate, a Marine Colonel and protégé of original travelogist Burton Holmes, Thayer Soule has been presenting his travel films since 1936. He has appeared for 22 consecutive years before the National Geographic Society.

Switzerland is a traveler's paradise. Like a favorite story of a well loved song, it can be enjoyed again and again. Each time memories are sparked anew, and new wonders, new delights unfold. The big development of recent years is the mechaniza-

tion of the Alps. Roads and cableways, built primarily for skiers, lift the summer traveler to magnificent high country and a whole new dimension of experience. In the lowlands too, everything is easier to reach, and more rewarding than ever before. In addition to all this are the great classic sights that have thrilled visitors for generations.

Here is the best of summer Switzerland, filmed by one of America's foremost travelers who knows from long experience what memories are made of.

The Center will be beautifully decorated for the Christmas holidays in time for Thayer Soule's visit. In the Crystal Ballroom around the Christmas tree, a holiday banquet featuring continental cuisine will be served at 7 o'clock prior to the show in Fries Theatre at 8:15. Tickets for the complete evening—banquet and show (tax and service included) are \$8.75. The show only is \$2.75. Advance reservations are requested.

Letters Praise Woods Officers

Several commendatory letters were received by The Woods Department of Public Safety stemming from a variety of activities and incidents this fall.

These include a communication regarding Youth Service Division Det. Michael Ferrence for his participation as a lecturer in a school liaison police officer seminar at the Macomb County Criminal Justice Institute.

Seminar supervisor James P. Burke said, "Those in attendance reported they greatly enjoyed your presentation and gained greater insight in the area of the role of the school liaison officer. We hope you will continue to be available for future engagements in our projects."

Det. Ferrence also received a Macomb County Community College award of appreciation for outstanding service to criminal justice education.

In another letter, three South Brys drive citizens cited the work of Sgt. Thomas Kane, Cpl. Gerald Kensora

and Officer Thomas Morawski in an ambulance run. "It is with great pride and gratitude I write this note to express our gratitude to the emergency squad who came within minutes after our phone call on August 15, about 7:45 p.m."

"My husband had a massive heart attack and three strong, but ever so gentle policemen administered to his needs and had him at St. John Hospital in no time."

"What also made me feel so wonderful was after waiting for word about my husband's condition, an officer, the sergeant, came over and asked me if I had some way of getting home. Imagine, this man who has so much to do answering emergency calls had time to think about me and my safety home. This is truly a compliment to himself and the department."

"I'm so proud to be part of Grosse Pointe Woods if only for the caliber of men hired to help us."

Finally, two Van K. drive citizens wrote Public Safety Director Henry Marchand regarding police action to quell a disturbance in their area.

"I'm writing you a note to let you know how one resident feels about the action of our police department. On Friday, September 6, at Blairmoor and Van K, a large group of teenagers had gathered at a home for a party."

"By 9 p.m., it had grown to the point where only police action could help. Without pushing or shouting, your officers quietly but firmly got the neighborhood back in order. They also stayed around to make sure the party did not erupt once more."

"This is one house that says 'thanks' to our police force."

Sentence Due In Circuit Court

A 24-year-old Woods man, who recently pled guilty to attempted breaking and entering of a business place, is scheduled for sentencing in Wayne County Circuit Court in mid-December, reported Woods police.

Larry Joseph Reininger, of Aline drive, was arrested after Woods detectives put in a combined, estimated total of 200-300 hours of investigative work over a six-week period this fall. Reininger was originally charged with the break-in of the Roslyn Market, 21020 Mack avenue.

With his arrest, 19 burglaries, including seven in The Woods and one in The Farms, were cleared, police said. These clearances also included a combined total of 11 break-ins in St. Clair Shores, Detroit and Roseville.

The officers who worked on the case include Dets. Everett Plumb and Donald Sun and Det. Sgt. Bernard Kelly.

If you are determined to live and die a slave to habit, see to it the habits are good ones.

Wayne Concert Set for Nov. 26

The Wayne State University Choral Union and Orchestra will present the eighth annual salute concert to downtown Detroit at Old St. Mary's Church in Greektown, on Tuesday, November 26 at 12 noon.

Prof. Malcolm Johns, of Rivard boulevard, will conduct Bach's Cantata Number 150, "Lord My Soul Doth Thirst for Thee" and Vincent Persichetti's "Te Deum," a first performance in this vicinity.

A group of Ithex members will be seated in a special reserved section. Mr. Johns will take them to the Grecian Gardens restaurant and then on a strolling tour of Greektown.

Admission is free and ample parking is available adjacent to the church at St. Antoine and Monroe.

City to Install 2 Street Lights

The Grosse Pointe City Council, at its last regular meeting last month, authorized the installation of two additional street lights, one to be situated in St. Clair avenue, south of Kercheval and the other in Notre Dame, south of Kercheval.

The council believes both lights will improve not only traffic safety, but pedestrian visibility as well. The total annual cost of the lights will add \$312 to The City's present annual street lighting budget of \$79,000.

Councilman Robert Nugent abstained from voting because he works for Detroit Edison.

MSU Offers Helpful Hints for Thanksgiving Meal

Looking for ways to save money on this Thanksgiving dinner?

"The smart shopper will buy turkey big enough for several meals," says Kathy Bufton, Michigan State University Extension home economist.

The larger the turkey, the less the cost per serving. A family of four can have five or six meals from a 12½ pound turkey.

Think your family will get tired of eating turkey? No problem. Simply separate the meat from the bones. Place meal sized portions of sliced or diced turkey in moisture-vapor proof package and freeze. These will keep for a month. If the cooked turkey is covered with a broth or gravy, it will keep well for six months in a freezer.

Freeze several packages of three cups diced turkey. Each package will be enough for a meal such as turkey tetrazzini, turkey casserole, etc. Try making "turkey supreme" by layering cooked noodles, broccoli and turkey and cover with a can of cream of mushroom soup. Heat.

How about turkey club sandwiches? Simply place sliced turkey, lettuce, tomato and mayonnaise on toast.

For a different treat make a turkey pinwheel. Mix finely chopped turkey, with chopped celery and onions. Spread evenly over biscuit dough, rolled like a jelly roll. Cut into slices and bake for 20 minutes in a 450 degree F oven.

Give your turkey salad a little something extra by adding grapes, pineapple chunks and apple wedges. Blend with salad dressing. Serve on lettuce and top with almonds.

Change from Pilgrim to Oriental by making sweet and sour turkey or turkey chop suey. Turkey is a king, turkey pie and turkey souffle will add some variety.

To make turkey turnovers, mix chopped onions, chopped parsley, chopped turkey and cream of chicken soup. Pour onto uncooked pastries, cut into circles. Then fold the pastries in half and bake at 425 degrees F for 40 minutes.

The last of the roast turkey makes excellent soup. Use turkey bones and meat to make a broth; add rice or noodles.

Having trouble deciding what size, and kind of turkey you should buy for Thanksgiving?

"Turkey is sold in so many different forms, the hostess can serve a family of two or a large crowd," says Mrs. Bufton.

A small family can purchase a small bird or turkey parts, cut from a larger bird. For church groups and clubs, tender birds are available that weigh as much as 30 pounds.

"Look for the USDA grade mark. U.S. Grade A poultry is the finest available, but all

inspected poultry is nutritious and wholesome," states Mrs. Bufton.

Ninety-five percent of the turkey crop is prepared ready-to-cook, either fresh-chilled or frozen. A ready-to-cook turkey is fully drawn, pinfeathers removed and cleaned inside and out. Giblets are wrapped and packed inside the body cavities.

In some places, turkeys are sold dressed. They have been bled and picked, but not drawn. The head and feet haven't been removed. So the homemaker must draw and clean the turkey before cooking it.

When buying whole, ready-to-cook turkeys weighing under 12 pounds, allow ¾ to one pound per serving. For larger birds, allow ½ to ¾ pound per serving.

Use this table as a guide: Approximate servings needed—4 to 10, 10 to 20, 20 to 30, 30 to 40, 40 to 50; ready-to-cook turkey pounds 4 to 8, 8 to 12, 12 to 16, 16 to 20, 20 to 24.

For each serving of roasted turkey quarter or half cut from a larger bird, allow ½ to ¾ pound of the ready-to-cook weight per serving.

Most homemakers buy the tender young hens and toms, (5 to 6½ months old). Roasting-age young hen turkeys of all breeds may weigh five to nine pounds, ready-to-cook; the toms 9 to 15 pounds. (These are small meaty turkeys such as Beltsville Whites).

Slightly larger breeds — white Holland, black, bourbon red and the Narragansett are available. These ready-to-cook hens weigh about 9 to 11 pounds; toms 11 to 18 pounds.

Nab Juveniles In Ferry Fire

Youth Service Division Detective Wayne Baum discovered that three 10-year-old juveniles were involved in setting fire to three doors at Ferry School, 748 Roslyn road, on Sunday, October 27, in the course of investigating another incident.

The detective talked to the boys and their parents last week. It was determined that each family would pay \$25 for the damage. (The cost of repairing each door is \$25). The total of \$75 would be paid to the school.

At the same time, the young trio were warned about their actions and released to their parents for purposes of discipline.

Fail to Show for Sentencing

Two men who recently pled guilty to attempted larceny from a building failed to show for sentencing in Wayne County Circuit Court on Wednesday, October 30, reported Woods police.

As a result, a capias, (a writ of arrest), was issued by the court for Daniel Sherwood Belleville, and Walter Joseph Gibbs, of 11117 Borgman,

Broad breasted bronze and the new large whites are the largest turkeys. Ready-to-cook hens average 10 to 15 pounds; toms 16 to 30 pounds. Fully matured hen or tom turkeys are occasionally found on the market.

"They are less tender than young hen and tom turkeys and have hardened breast-bones and coarse skin," says Mrs. Bufton. "Do not roast these turkeys. Braise them in a covered roaster in a pressure cooker."

Lights are dim, background music is playing, the smell of turkey, dressing and pumpkin pie is in the air.

But is it safe to eat that scrumptious meal? It will be if you follow food safety precautions when preparing the Thanksgiving feast.

"Thaw your turkey in the refrigerator," recommends Mrs. Bufton.

Place a tray under the turkey to catch the drippings. The turkey will thaw in one to three days, depending on the turkey's size.

If you must thaw the bird quickly, put it in a water-proof plastic bag, seal tightly and defrost in cold water. Change the water frequently. Small birds will thaw in three to four hours, big birds in six to seven hours. Never let the turkey thaw at room temperature. Spoilage bacteria will have an excellent chance to grow.

Cook the bird thoroughly to an internal temperature of 180-190 degrees F. Don't partially cook the bird and finish cooking it later. Spoilage bacteria grows between 40° and 140° F and can survive in the partially cooked turkey.

Stuffing inside a warm turkey is a great breeding place for bacteria. It's safest to cook the stuffing outside the bird and stuffing cooked this way is easier to serve to a large crowd.

"If you do cook the dressing inside the bird, cook until the meat thermometer inserted into the stuffing reaches at least 165 degrees F," warns Mrs. Bufton. "Never stuff the turkey the night before cooking."

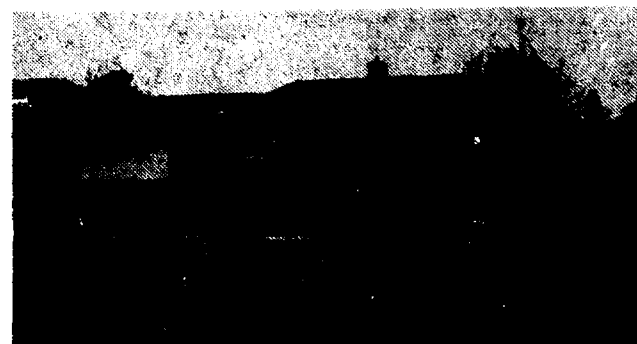

If you buy a commercially frozen stuffed turkey, do not defrost it. Place the frozen turkey directly into the oven and follow cooking instructions on the package.

When the meal is over, refrigerate the turkey immediately. Remove the stuffing

A TIME FOR THANKS. AND A BOOK TO BE THANKFUL FOR.

At this very moment you can be grateful, for God's goodness is real, present, and provable.

And you have the Bible to help you see it.

Our Thanksgiving service includes a special Bible Lesson... readings from the Scriptures and from Science and Health with Key to the Scriptures by Mary Baker Eddy (a lesson you can also read this month in any Christian Science Reading Room).

You'll join in singing hymns, and hear people tell of healings — their own proofs of the power of Bible truths. You'll feel your burdens lightened, too.

Won't you join us in giving thanks?

AARP to Hear Helen Leonard

The American Association of Retired Persons, AARP, will hold a meeting Monday, November 25, at 1 p.m. at the Grosse Pointe Woods Presbyterian Church, Mack at Torrey road.

Mrs. George E. (Helen) Leonard of The Park, will be the featured speaker. Mrs. Leonard, a graduate of Wayne State University, with a degree in Geriatric Library Science is currently making taped studies of retired persons with an intent to bring new insight into ways and means of adjusting to living without the daily obligation of reporting to a job.

Reports will also be heard on future plans for the chapter to involve older citizens in the affairs of their community, state and country.

Officers protem have been elected and are Mrs. Albert (Nora) Blixt, president; Don Goodrow, vice-president and Byron Chambers, treasurer.

Building Stays Put in Woods

The relocation of a portable classroom building from Ferry School to the city's Department of Public Works site was discussed by The Woods Council at the regular meeting Monday, November 4.

Because only one bid was received for such work, and because the solons felt the amount was exorbitant, the council unanimously voted that such relocation be discontinued and no further action be taken.

The lone bid received was a cost estimate in the amount of \$19,850 from C. A. Johnson and Son, Inc., of McGraw avenue, Detroit, for the removal and reconstruction of the building from its present site to the west side of the DPW garage.

SOLID CORNERSTONE

Ralph Booth of The Farms was a key man for the Harvard soccer team as it put together one of its most successful weeks in recent years: a 1-1 tie on the road with Connecticut, the nation's 11th-ranked team, Wednesday, October 16, and a 1-0 Ivy League victory Saturday, October 19, over 14th-ranked Cornell. Booth, a junior, is the cornerstone of the Crimson defense at the center full-back position. Booth, a former Hotchkiss School star, is majoring in economics at Harvard. He is the son of Mr. and Mrs. John L. Booth, of 300 Lakeshore road.

One View From The Capitol

By William R. Bryant, Jr.

Well, now I got myself into something new and for the 1975-76 term, I will serve as the House Republican floor leader. It will be new and I'll need lots of help, but I'll do my best. It is a big task, a substantial challenge.

For the 1967-68 term, Grosse Pointe had the Speaker, Republican Bob Waldron. From 1969-1972 it had a different Speaker, Democrat William Tyan who represented part of Grosse Pointe, that part of The Park below Jefferson.

For this term no State representative representing any part of the Pointes was in top leadership on either side of the aisle.

But, for some years in the Senate our Senator, George Fitzgerald, who is retiring this year, has been the Democrat minority leader.

Now, for the 1975-76 term his nephew, Bill Fitzgerald, newly elected to a now Democrat - controlled Senate will be majority leader of the Senate.

The Pointes also claim a native son, Jim Damman, the new Lieutenant Governor.

Leadership for the ensuing term is selected in party caucus, by secret ballot.

House Republicans chose our leadership for the 1975-76 term, to take effect in January, at a caucus held Tuesday November 12.

You know, it may have been even more nerve-wracking going through that "election" than running for reelection as your representative. It involved being judged by a small number of my peers most of whom know me and the other candidates well and have seen us work. It is consequently very difficult to know how to go about "campaigning" for a leadership post.

A further variable is the newly elected "freshmen" representatives, most of whom do not know well any of the leadership candidates. So I wrote all caucus members letters and tried to contact them to see if they had any questions and avoided bargaining for votes. For one thing, such bargaining for votes is folly because the votes are taken by secret ballot.

One does meet up with some problems like representatives wanting a promise they will be put on the Appropriations Committee or be given a vice-chairmanship of a committee, but, by and large, happily, it is a serious affair in which the great majority seek nothing in return for their support.

So we had our caucus the 12th, and I was fortunate enough to emerge from a three-way contest as the new Republican floor leader, generally considered the second most important leadership position, behind the Republican leader.

Thanks to you who cared enough to vote, because you granted me, not only the honor of continuing to represent you, but of seeking the added responsibilities and challenges of being floor leader.

Next week I'll explore with you what the job of floor leader is and how it may vary depending on the size of the caucus being represented.

The story traces the misadventures of Snoopy when he decides to leave home because he is fed up with so many "no dogs allowed" signs that are hampering his style in Charlie Brown Town. It's a wonderful look at the Schultz philosophy that will delight young and old alike.

The film will be shown in the Exhibition Room at the Grosse Pointe Central Library, 10 Kercheval. For additional information, call the Audio-Visual Department at 34-2200.

And little harm will come to tomorrow's joy if you borrow a little of it for today.

What Goes On at Your Library

By Arthur Woodford
Chief of Central Library

The relentless hunting of whales has brought these leviathans to the verge of extinction. Only at the eleventh hour, largely as a result of the United Nations Conference on the Environment in Stockholm, has progress been made at halting this slaughter. It now seems likely that the great whales, including the blue whale—the largest creature that has ever lived—may after all survive.

Robert Burton in his book *THE LIFE AND DEATH OF WHALES* (Universe) presents a well-balanced coverage of the whaling story.

This concise study considers the biological history of the whale and reviews the highlights of the international whaling industry with a concluding plea for conservation of the sea-borne mammals.

Accompanied by black-and-white photographs of different species and of whaling processes, the text gives data on whale behavior, both routine and unusual, and discusses aspects of their life-cycle.

Age-old and modern efforts of man to find and kill sperm, bowhead, gray and other whales are explained in readable detail. Burton concludes his book with a chapter on legislation for the preservation of these magnificent mammals.

First published in Sweden in 1971, *SMARTER THAN MAN?* (Pantheon) by Karl-Erik Ticheltus questions the position of man as the most intelligent of the mammals. Besides giving all sorts of interesting information about whales and dolphins in general, the author compares the relative brain size and cerebral regions of these mammals and concludes that man's intelligence may well be inferior.

Since their critical brain areas are much larger than man's, they must be able to do more with them, even though we don't as yet understand all the mechanisms involved. You may not be willing to accept all the arguments involved, but the book will give you plenty to think about.

THE WHALE: MIGHTY MONARCH OF THE SEA (Doubleday) by Jacques-Yves Cousteau is one of the most attractive books of this group. Illustrated with 125 full-color and 20 black-and-white photographs, this book records in detail the size, temperament, intelligence, speed and love life of the whale.

As Captain Cousteau leads his expedition across the oceans, he uncovers many facts about the elusive whale. Its enormous size contrasts with its relative lack of aggressiveness and ferocity. It is a mammal of paradoxical fragility.

While many whales are studied, the behavior of the whale in captivity and a chapter on the baby whale contribute to an enthralling and enjoyable book.

Faith McNulty's book *THE GREAT WHALES* (Doubleday), a sprightly essay which originally appeared in the "New Yorker" in a slightly different form, will do much to increase the reader's feeling of kinship with whales. Ms. McNulty presents the anatomy, physiology, evolutionary development and behavioral characteristics of the whale in colorful, non-technical language.

The beginning of this small book is a bit stilted, but once the author gets into the real heart of her project she reflects the sensibility of a poet.

THE STORY OF YANKEE WHALING by the editors of "American Heritage" is a handsome pictorial history of whaling from colonial off-shore whaling to the great whaling voyages of the nineteenth century.

This factual account covers such aspects as the ship, its gear and equipment, the lives of the masters, men, wives and children aboard the whaling ships, whaling capitals and whaling adventures.

The many illustrations, which are chiefly documentary and the most exciting and valuable part of the book, include old drawings, whalemen's sketches, period prints, painting, photographs and maps.

A book written for children, but one that can be enjoyed by adults as well, is *THE WHALE HUNTERS* (Time-Life) by Joseph Phelan. This is a succinct and clearly written story of the American whalers of the mid-1800's.

A great deal of information on Yankee whalemanship, whaling ships and whale hunting is packed into this slim, eye-catching volume. Of particular interest and value are the many fascinatingly detailed illustrations which include full-color paintings, several of them double spreads, and precise, labeled line drawings. (Last week's column on children's books was written by guest columnist Jacqueline H. Michaels.)

Pointe Bowlers Set Sights On Old Timers Tourney

Many Pointe bowlers are expected to play a vital part in the 44th annual tournament of the Old Timers Bowling Association Saturday, November 30, at the Thunderbowl Lanes, Allen Park.

Bowling which will be confined to a single squad using all 94 lanes, starts at 1 p.m. Dinner will follow at 4 p.m. Herbert C. Fach, of Balfour road, Harper Woods, reports that last year's record total of 426 participants could be exceeded this year.

One group of Pointe bowlers will be headed by Fred Wolf of Lochmoor Club. Mr. Wolf is currently the second vice-president of the old timers, a past tourney champion and a member of the Detroit Bowling Hall of Fame.

Ed Heiden, of Rivard boulevard, who's a member of the Pointe Senior Men's Club, is a distinguished life member of the Old Timers

Choirs Offer Rare Concert

The choirs of Christ Church, 61 Grosse Pointe boulevard, will present the Handel oratorio, *Alexander's Feast*, on Sunday, November 24, at 4 p.m.

Alexander's Feast is John Dryden's ode honoring the patron saint of music, St. Cecilia, set to music. Composed in 1726, it became an immediate success and was performed many times during Handel's life.

Soloists for the November 24 performance include Dorene Davis, soprano, Charles Fantazzi, tenor, Phillip Mooney, tenor, Charles Babcock, baritone, and Oswald Lewis, bass.

The artists will be accompanied by a student orchestra drawn from the music school at the University of Michigan. Edgar Billups, organist, choirmaster of Christ Church will direct the performance.

Parcells Slates Holiday Bazaar

Parcells Middle School PTO is inviting the public to its Holiday Bazaar this Saturday, November 23. Doors will be open from 10 a.m. to 6 p.m. The school is located at the corner of Mack avenue and Vernier road in The Woods.

More than 60 artists and craftsmen have reserved booths and will be ready to help shoppers with their holiday buying needs. Some will present demonstrations and an endless variety of items to choose from, including baked goods will be available.

The P.T.O. will have a special display of books and educational toys for children of all ages. Orders for these

gifts will be taken at the Bazaar. Anyone wishing a preview of this display may see it in the school's second floor library beginning Thursday, November 21.

The student council will show Disney films free to children throughout the day and candy and treats will be sold to those who want to munch while they watch.

The lunchroom will be open all day for shoppers' convenience. Among the items served will be Kielbasa and sauerkraut sandwiches. Senior citizens will be offered a discount on their lunch.

Proceeds from Bazaars are used to purchase educational materials for the school.

Organize New Local Ski Club

Promising something for everyone, the Snow Birds Ski Club of Grosse Pointe is designed specifically for those who are interested in learning to ski or for those who already know the basics but would like to perfect their techniques.

Weekly discount package ski trips have been scheduled at Mount Brighton, beginning Wednesday, January 8, through March 10. Trips include all transportation costs, all lift tickets and one hour of ski instruction for \$8 a person. Ski lessons will be given by the Mount Brighton Ski School early in the morning so participants will have the remainder of the day to practice.

Buses will depart from St. Paul's Lutheran Church on Chalfonte at 8:15 a.m. and return between 3:30 and 4 p.m.

Two mid-week trips to northern Michigan have been planned to allow club members the opportunity of putting their skills to the test on bigger hills, better snow and without the long weekend lift lines.

Prices for these trips which will be held Tuesdays through Thursdays include all transportation, lodging, meals, lift tickets, snacks on buses, wine and cheese parties, races and trophies.

Further information on joining the group may be obtained by calling 882-3227.

Fine Arts Society of Detroit's opening 1974-75 season production is a three-act comedy, "How The Other Half Loves," to be presented for members and their guests Friday and Saturday evenings, November 22 and 23, at the Players Playhouse in East Jefferson avenue.

The play, unusual in its presentation and staging, is the story of three married couples whose lives and loves are enacted simultaneously in one stage setting.

Charles S. Davis, III, of Ellair place, in charge of lighting, has created a double-exposure two-apartment effect on the single stage. Mrs. Davis is one of the couples, paired with Edmund Oldani. The others are Frank E. Brossy and Mrs. Paul M. Koch and Donald W. Kuhn and Mrs. Haig Avedisian.

Director Roy Adelberg is being assisted by his wife Susan as script-holder. Producers are Mr. and Mrs. Frederick S. Neumann. Albert Siewart designed the set, and among the Pointe's busiest ladies (Continued on Page 19)

Attending the Wells College Alumnae Council meetings October 13 through 15 were JANE (Mrs. John S.) HOEY, of Lakeland avenue, member of the Alumnae Association's Award committee, and MERLE (Mrs. Tracy) TINGLEY, of Rivard boulevard, delegate of the Detroit Wells Club.

Enrolled at Pine Manor Junior College, Chestnut Hill, Mass., for the 1974-75 academic year are BARBARA M. GRACEY, daughter of the PAUL C. GRACEYS, of Touraine court, and VIRGINIA M. THIBODEAU, daughter of the ROBERT L. THIBODEAU, of Stephens road, members of the Class of '76, and ANNE H. KANZLER, daughter of the ROBERT H. KANZLERS, of Lakeshore road, and JULIE ANN MANTHO, daughter of MRS. MARY L. MANTHO, of Edgemont Park, members of the Class of '75.

Among 27 new faculty members whose appointments to the regular instructional staff at the University of Michigan-Dearborn have been approved by the University of Michigan regents is Pointer WILLIAM E. SLAYMAKER, lecturer in German.

Grosse Pointe South High School's GAIL ELIZABETH HAMMOND is recipient of a National Council of Teachers of English 1974 Achievement Award in Writing.

MRS. EDWARD J. WASNER celebrated her 75th birthday Saturday, November 2, at a cocktail and buffet dinner party for more than 50 guests at the family home in East Jefferson avenue hosted by her husband and son EDWARD J. WASNER, JR. The Wasners leave for La Jolla, Calif., to winter in the sun shortly after the Christmas season.

Committee Representing Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar and Wellesley to Present Panel November 30

Members of the Detroit Committee for the Seven Eastern Colleges, Inc., are busy planning their 1974-75 calendar. The committee, comprised of graduates of Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar and Wellesley, is traditionally involved in fund-raising activities and college information and recruitment.

It was formed in 1937 as a joint endeavor to raise scholarship funds for qualified Michigan students.

It has offered a variety of programs for Detroit audiences including presentations by such outstanding personalities as Henry Cabot Lodge, the late Edward R. Murrow, Dr. William Menninger and Arnold Toynbee, theater for children, Cordon Bleu cooking lessons, Pops concerts with Arthur Fiedler conducting the Detroit Symphony Orchestra and benefit performance.

Grosse Pointe North High School graduate JACK REINELT, son of the EDWARD REINELTS, of Doyle place east, a Western Michigan University sophomore, guard on the WMU football team, has started in five of Western's first six games this year. His season blocking average is 71 percent.

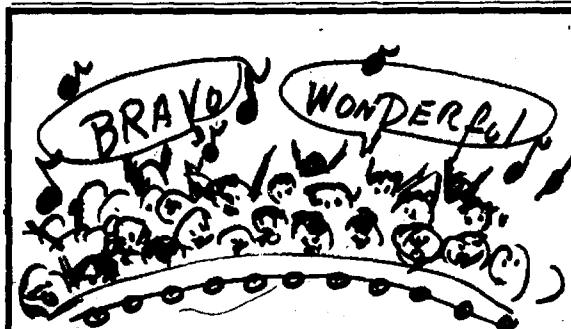

CAROL HOLLAR, daughter of MR. and MRS. ARTHUR W. HOLLAR, JR., of South Oxford road, is on High Honors at Kents Hill School, Me. (Continued on Page 23)

ances at Wayne State University's Hilberry Theater. During a September meeting officers for the current season were elected. Mrs. John Barnes, Jr., is general chairman. Project chairman is Mrs. John Controulis. Vice chairman is Mrs. James Holmes, corresponding secretary and calendar coordinator is Mrs. Samuel Polk, recording secretary is Mrs. Ladislav Saymanski, treasurer is Mrs. Edgar Gordon, College Information chairman is Mrs. Robert Leidich, publicity chairman is Mrs. David Wenzler and Registered Agent is Mrs. Leonard Grabow.

Highlighting this fall's calendar will be a College Information day Saturday, November 30, at 1 o'clock at Stouffer's Northland Inn.

All area high school students, parents, counselors and alumnae are encouraged to attend. There is no admission charge.

A panel of recent graduates, undergraduates and representatives of the Seven Eastern Colleges will speak on admissions, financial aid for low and middle income families and educational programs, and will answer any questions.

Met Opera Casts For '75 Revealed

Mrs. John C. Griffin, of Lakeshore Road, Is Named Co-Chairman of Next Year's Season; Ticket Prices Remain Unchanged

Announcement of casts for the 1975 Detroit season of the Metropolitan Opera Company, April 28 through May 3, has been made, following the recent annual meeting of the Detroit Grand Opera Association, sponsors of the annual Metropolitan Opera season.

Also announced was the appointment of Mrs. John C. Griffin, of Lakeshore road, as general co-chairman of the 1975 season, serving with Mrs. David L. Gamble, of Ridge road, whose appointment as general chairman was previously announced.

Wilber H. Mack, of Country Club drive, president of the DGOA, explained highlights of an expanded promotional program to stimulate greater awareness of Opera Week.

"The Met is recognized everywhere as the finest opera company in the world and Detroit is one of only seven cities included in its annual national tour," Mr. Mack noted.

"Opera is for everyone, and plenty of tickets are available for nearly every performance. We must get this message across to every one in the community."

A key part of the promotional program will be the mailing and distribution of colorful opera brochures to more than 50,000 households in the metropolitan area.

Included in the brochures are details and illustrations about the season and a form on which recipients may order tickets well in advance of box office sales.

"The cost of bringing the Met increases each year," Mr. Mack said. "During the 1975 season it will require more than \$80,000 to raise the curtain on each production."

"However those ordering tickets will be pleased to know that there has been no increase in prices."

Opera Week in Detroit opens Monday, April 28, with Rossini's "L'Assedio di Corinto," (The Siege of Corinth), featuring Beverly Sills, Shirley Verrett, Harry Theyard and Justino Diaz, Thomas Schippers conduct-

Pointe Pair Head Opera Committee

MRS. JOHN C. GRIFFIN, (right), of Lakeshore road, has been named general co-chairman of the 1975 April 28 through May 3 Metropolitan Opera Week in Detroit season. Her appointment was announced by MRS. DAVID L. GAMBLE, of Ridge road, general chairman. The two women are holding a sample of the poster which will be used to promote interest in the Opera. Mrs. Griffin's long history of

support for the Metropolitan and local opera companies includes chairmanship of the annual Supper With the Stars, the dinner at the Grosse Pointe War Memorial which traditionally inaugurates opera week. Her husband is a director of the Detroit Grand Opera Association, sponsors of the visits of the Metropolitan to Detroit's Masonic Temple.

Set Christian Business Women's Fair Program

Members of the Detroit East Side Council of Christian Business and Professional Women will gather for a dinner program and their second annual In Praise of Hands Christmas Fair Tuesday, November 26, at 6:30 o'clock at Thomas Manor in East Detroit.

The program will feature piano solos by Irah Sarber, and vocal duets by Dorothy and Glenn Munger. Marge Flora will talk on matters relevant to women living in today's complex culture.

The Christmas Fair will offer a selection of original handmade items in an Arts and Crafts Shoppe, Candle Corner, Boutique Feminine, Shoppe de la Fleures, Papier Shoppe, This - n - That and Sweet Tree-Shoppe.

Among handicraft demonstrations will be one on trans-art plaque-making by Pointer Catherine Wedge. All ladies are invited to at-

Miss Jansen Speaks Vows

Former Pointer Mrs. Sally Thomas Jansen, of Houston, Tex., announces the marriage of her daughter, Melinda Margaret, to Clark Gruening Saturday, November 16, in Anchorage, Alaska.

The bride, director of the Education Program for the Alaska State Council on the Arts, is the granddaughter of Mr. and Mrs. Ralph Thomas, of Merriweather road.

Mr. Gruening, a native of Anchorage and a lawyer, has just been elected a State Representative from Anchorage. The newlyweds are vacationing in San Francisco. They will be at home in Anchorage until after the first of the year, when they will move for several months to Juneau, the State Capital.

ing. Gounod's Romeo et Juliette", Tuesday, April 29, will star Judith Blegen, Franco Corelli, Dominic Cossa and John Macurdy, Henry Lewis conducting.

Verdi's "Falstaff", Wednesday, April 30, will feature Evelyn Lear, Benita Valente, Fedora Barbieri, Cornell MacNeil, Jose Carreras and Thomas Stewart, Peter Maag conducting.

Conductor for Verdi's "La Forza del Destino", Thursday, May 1, with Rachel Mathes, Richard Tucker, Matteo Manuguerra and James Morris, will be announced at a later date.

On Friday, May 2, a double bill will present Mascagni's "Cavalleria Rusticana" with Elinor Ross and Barry Morel, John Nelson conducting, followed by Leon-

cavallo's "I Pagliacci" with Atsuko Azuma, James McCracken and Lenus Carlson, John Nelson conducting.

The matinee Saturday, May 3, is Verdi's "La Traviata" with Adriana Maliponte, Enrico DeGiuseppe and Robert Merrill, Peter Maag conducting.

Saturday evening, May 3, Puccini's "La Boheme" will feature Katia Ricciarelli, Rita Shane, Franco Corelli and Giorgio Tozzi, Lief Segerstam conducting.

Mrs. Griffin and her husband John, a director of the DGOA, have a long history of support for the Metropolitan and local opera groups. Each has been a member of the DGOA since the Met began visiting Detroit 17 years ago. Prior to that time the Griffins attended performances of the Met during its annual stay in Cleveland.

Mrs. Griffin has served on numerous committees of the DGOA, has been active in its advertising efforts and was a DGOA area chairman for three years.

She has been chairman of Supper With the Stars, the Grosse Pointe War Memorial event which traditionally inaugurates opera week. "Opera is the ultimate in music and drama, and it is a great privilege to play a part in bringing an opera company which best portrays these arts to our area," she says.

Mrs. Griffin also has been active in many civic projects, including volunteer efforts on behalf of Bon Secours and Saint John Hospitals, the Navy League and the Detroit Symphony Orchestra.

The Griffins have seven children. They have lived in Grosse Pointe Farms since 1951.

Zink-Connolly Troth Is Told

Mr. and Mrs. Joseph D. Connolly, of Duchess avenue, Detroit, are announcing the engagement of their daughter, Margaret Mary, to Thomas G. Zink, son of Mr. and Mrs. Thomas Zink, of Fairholme road.

Miss Connolly, a graduate of Michigan State University, is now teaching in St. Johns. Her fiancé, an Eastern Michigan University graduate, currently teaches at DeLaSalle Collegiate.

Quick! Phone The Network . . . !

Did you ever wonder about the precincts national television networks use for their early election return projections? Well . . . Precinct Nine, in The Woods, was one of those selected by ABC for its coverage last election night.

Here's how it happened: ABC got in touch with the Michigan League of Women Voters, and LWV State Coordinator Catherine Brown called League representatives in the districts ABC identified as trend-suggesters. That brought Grosse Pointe League of Women Voters Service Chairman Fran Higbie into the picture.

Fran, in turn, asked Pointe League member and past-president Harriette Slowin to go with one other person, (Fran chose her husband, Leonard; after all, he was handy), to Precinct Nine immediately after the polls closed.

The Slowins phoned in early returns, especially those for gubernatorial candidates Milliken, Levin and Ferency, to Paramus, N.J., where they were fed with others from key precincts nationwide into ABC's computer, and thence to the network.

150th Anniversary For St. Paul's

Saint Paul's Episcopal Parish was founded November 22, 1824, holding its first meeting in the Indian Council House at the corner of Jefferson avenue and Randolph street, Detroit. As the Parish of the Cathedral Church of Saint Paul it celebrates its 150th anniversary tomorrow evening, another November 22, with a large dinner at the Engineering Society of Detroit.

The Presiding Bishop of the Episcopal Church, The Right Reverend John M. Allin, D.D., is coming to be guest speaker.

Coming, too, are the Bishops of the Dioceses of Western Michigan, Northern Indiana and Huron, Ont., as well as the Bishop of Michigan, The Right Reverend H. Coleman McGehee, Jr., D.D.

ESU to Meet November 26

Many Pointers, members of the English-Speaking Union, will be traveling across town to Bloomfield Hills next Tuesday evening, November 26, for dinner and a program meeting at the Village Woman's Club.

Speaker will be Lord O'Neill, Prime Minister of Northern Ireland from 1963 to 1969. His topic is Britain 1974.

Women's Health Care Is Topic For MAHA

The Southeast District Michigan Association of Hospital Auxiliaries met at noon last Tuesday, November 19, in the David Whitney House, Wayne County Medical Society, Antietam street, Detroit, to hear Dr. David Hislop, a gynecologist in practice in Port Huron, speak on Health and Care for Women.

Engaged

Mr. and Mrs. Daniel M. Lemanske, of Stillmeadow lane, have announced the engagement of their daughter MARGARET MARIE to Spencer Edward Akers, son of Mr. and Mrs. Edward G. Akers, of St. Clair Shores.

The bride-elect is a member of Grosse Pointe North High School's first graduating class. Her fiancé, an Austin Prep alumnus, will receive his Bachelor of Science degree from the University of Detroit in December.

A June wedding is planned.

Twelve Oaks Business Women Plan Meeting

The Twelve Oaks Charter Chapter of the American Business Women's Association will hold its November dinner meeting at the Holiday Inn in Telegraph road, Southfield, Tuesday, November 26, at 7 o'clock.

Clarence T. Willson, attorney, will discuss the Importance of Wills. Vocational speaker will be Betty Kenyon. Further information may be obtained by contacting Vivian Nosakowski, 225-8300.

Invite Entries in Horticulture Yule Show

The Harper Woods Garden Club under the chairmanship of Pointer Mrs. Laddy Rice, president and resident of Hawthorne road, will present a Christmas Past flower show at the Moross House in East Jefferson avenue Saturday, December 7, from 10 in the morning to 4 in the afternoon, and Sunday, December 8, from noon to 4 o'clock.

Arrangements themes include Deck the Halls, Silent Night and Tannenbaum. Four tables will be judged as Santa's Snack on Christmas Eve and ornaments to adorn a Christmas tree must have plant material in their makeup and depict the mid-1800's. Decorations will be reminiscent of a Williamsburg Christmas.

All area residents are encouraged to enter Division II, Horticulture, with classes including Ivy, Ferns and House Plants, (flowering foliage and dish gardens), as well as a collection of five different labeled varieties of evergreen trees and shrubs to be displayed in an exhibitors basket and Evergreen Trees and Shrubs, (trees ranging from 18 to 24 inches, shrubs from 15 to 20 inches.)

There is a class for herbs, potted and dried collections of five labeled on paper plates), and hanging gardens and poinsettia held over from Christmas 1973 will be judged.

There will be an additional class for any plant material not covered in the above classes.

Further information on the Horticulture exhibits may be obtained by contacting Mrs. Peter Baciorowski, 527-3139.

Judging will be by the Standard System with the decision of the judges final. Absolutely no artificial materials are allowed, as this is to be a greens show, nostalgic in feeling.

Entries of dried materials may be brought to the Moross House from 10 to 2:30 o'clock Thursday, December 5.

Fresh materials may be entered from 9:30 to 11:30 o'clock Friday, December 6.

The House must be cleared for judging by 12:30 o'clock Friday. All exhibits are to be removed Monday, December 9, between 9:30 and 2:30 o'clock.

In the Horticultural Division house plants must have been in the possession of the exhibitor for at least three months. Specimens should be identified on entry tags.

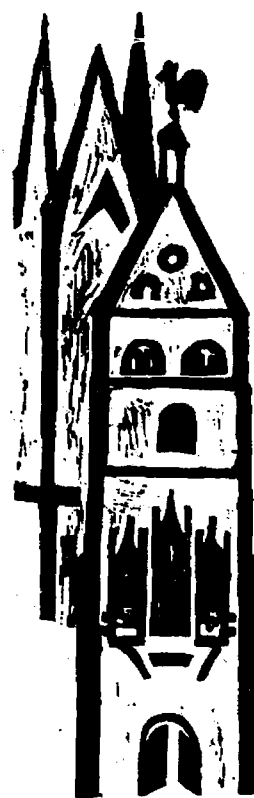

Exhibitors may enter as many specimens as desired, but only one variety in the same class.

Further information may be obtained by calling Mrs. Rice, 886-2097, consultant, or Mrs. Charles Pollock, 626-4284, or the Detroit Garden Center, 961-8686.

Mark Review Club Birthday

Baskets of fall flowers and fruit will key the Detroit Review Club's birthday luncheon next Tuesday, November 26, at noon at the Detroit Press Club. Mrs. Charles Hauer, social activities chairman, is in charge of decorations and luncheon arrangements.

Mrs. Frank Scott Perkin, DRC president, will act as official hostess.

Following luncheon Mrs. Aaron E. Wilcox, program chairman, will introduce Don Ball, investigative reporter for the Detroit News, who for the past 44 months has been investigating and writing about programs of the Federal Housing Administration, especially their administration in the Detroit area by the local office of the United States Department of Housing and Urban Development (HUD).

Mr. Ball, born in Missouri, was educated in Michigan and has spent most of his adult life in Detroit. He went to work for United Press

covering State government in Lansing in December, 1948, shortly after his graduation from Michigan State University.

He was transferred to the Detroit UP office in October, 1952, and early the following year was hired by the Detroit Times. He headed the Times city hall bureau for the next three years.

After the Times closed Mr. Ball was chief of information for the U. S. Army Tank Automotive Command in Warren. He joined the Detroit News in 1968.

As a result of Don Ball's series of articles on the FHA starting in January, 1971, a number of other newspapers in the nation have also dug into FHA. In Detroit, more than 120 HUD officials, real estate speculators, contractors and their firms have been convicted of contributing to a \$250 million FHA scandal through fraud, bribery and conspiracy.

Don is married to the former Mary Georgilas, director of Special Events for the city and executive director of the Cultural Development Commission. The Ball's have five children ranging in age from seven to 19. They live in northwest Detroit.

Evening Wedding For Miss Schmelz

Richard Owen McGees at Home in Atlanta, Ga., After Vacation in Quebec City; Rites are Followed by Lochmoor Reception

Grosse Pointe Woods Presbyterian Church was setting for the evening service at which Martha Elaine Schmelz, daughter of Mr. and Mrs. Jack E. Schmelz, of Wedgewood drive, spoke her marriage vows to Richard Owen McGee.

Mr. McGee, who had been making his home in Livonia, is the son of the late Mr. and Mrs. Owen McGee, of Detroit.

The 6 o'clock rites Saturday, September 7, at which The Reverend John Deason presided, were followed by a reception at Lochmoor Club. The newlyweds vacationed in Quebec City and are making their home in Atlanta, Ga.

The bride's white jersey gown was Empire-waisted and featured a bodice of Brussels lace with small Venise lace appliques. Match-

ing lace formed her high neckband. Her full Bishop sleeves were trimmed with lace tiers.

Her long illusion veil fell from a lace-edged bonnet headpiece and she carried a cascade of stephanotis, Sweetheart roses, English ivy and mums.

In identical maize voile print dresses, sleeveless and styled with high necks, fitted waists and full, gathered skirts, were honor matron Mrs. Robert E. Schmelz and bridesmaids Cindy Gardner, of Port Clinton, O., Mary Ann

Spagnola, of Benld, Ill., and Susan C. Buttry.

They carried Williamsburg arrangements of strawflowers and yellow carnations in baskets accented with orange streamers and wore matching flower and streamer accents in their hair.

Frederick W. Metzger, of Ann Arbor, was best man. In the usher corps were Robert E. Schmelz, the bride's brother, Leslie J. Pulver, of Royal Oak, and David Zmyslowski, of Chicago.

The bride's mother wore a floor length gossamer green silk print sheath and pinned rosebuds and baby's-breath to her purse.

The bridegroom's grandmother Mrs. Katherine McGee, of Windsor, Ont., pinned an orchid corsage to her floor length blue silk crepe gown.

Out-of-town guests included the bridegroom's uncle and aunt Mr. and Mrs. Don Hewer, of Ottawa, Ont., Mr. and Mrs. Robert L. Gardner, of Port Clinton, O., Otis Young, of Defiance, O., Pat Walkley, of Houston, Tex., Robert Knudtson, of San Francisco, Mrs. Herbert Smith, of Rockford, Ill., Cheryl Gray, of Euclid, O.,

Scott Milne, of Hilton, N.Y., Mrs. Walter Misteale, of West Lorne, Ont., and Elaine Engibous, who came from Switzerland.

Coffee Concerts Draw Pointers

More than 300 women from Grosse Pointe think that downtown Detroit is being made more attractive by events such as the NBD Coffee Concerts.

The concerts scheduled throughout the year and sponsored by the National Bank of Detroit and the Detroit Symphony Orchestra, draw people from every neighboring suburb. Challenging the fuel shortage by utilization of buses and car pools they make a day downtown a very attractive proposition.

Buses and cars bringing as many as 3,000 women—and sometimes a few men—can be seen rolling up to Ford Auditorium on five Friday mornings each year. Some come in groups as large as forty-six. Some are by themselves or with a friend.

For many it is an opportunity to meet with friends not often seen.

Doors open at 9:15 o'clock when the coffee hour begins. At 10:30 the action shifts to the auditorium where the women are offered a mini fashion show.

Then at 10:45 the real excitement begins, with the Detroit Symphony Orchestra playing selections from such well-known composers as Prokofiev, Rachmaninoff and

Santa Benefit Set For Adults

Tom Schoenith, of Devonshire road, chairman of an Intimate Evening with Santa Claus and Christmas Carol, has planned a swinging, fun party for adults only with coordinating assistance from the Cosmopolitan Women's Club of Detroit.

Downtown Hudson's 12th floor Twinkle Land will be the setting for the cocktail fete featuring light tidbits, dancing and entertainment Monday evening, November 25, from 8 to 9 o'clock.

Celebrity Santa Claus from radio, TV, sports and the entertainment media have volunteered their time.

Pointe committee members include Mr. and Mrs. Robert Benkert, Mrs. Judy Chrysler, Mr. and Mrs. Hudson Holland, Mr. and Mrs. Willard Kennedy, Mr. and Mrs. Harold O. Love, Mr. and Mrs. Chuck Muer, Mrs. Arthur Pfannenschmidt, Mr. and Mrs. Charles Rowe, Mr. and Mrs. Wilfred Steiner, Jr., Mr. and Mrs. George Simon, Mr. and Mrs. Emmett Tracy, Jr., Mr. and Mrs. Victor Wertz and Miss Kay Wise.

Proceeds from the benefit event will be turned over to the non-profit Archives of American Art. Tickets are \$5 per person. Cocktails will be \$1 each.

Further information and/or tickets may be obtained by contacting the Archives office at 833-2199. Ticket purchases are tax deductible.

Celebrity Santa Claus will include Charlie Manos, Bob Talbert, Jim Herrington, Vic Caputo, Errol Mann, Charlie Sanders, Mr. Belvedere, Norm Cash, Dennis Wholey, Mrs. Edward N. (Dollie) Cole, Sonny Eliot, Dick Purton, Forrest Tucker and J. P. McCarthy.

Mrs. Claus will be Mrs. Thomas (Sis) Murphy, Jerry Wendt, Florence Sisman and Mrs. Rod Rieser.

Christmas Carols, Ricki Niederlander, Jackie Kallen, Beverly Payne and Joyce Garrett.

Hilberry Year Gets Underway

Sponsors of the theater at Wayne State University were guests of President and Mrs. George E. Gullen, Jr., and the Understudies women's committee Friday, November 8, at the 12th annual President's Preview in WSU's Hilberry Theater.

The Preview featuring Hilberry's graduate repertory company in "The Magistrate," Sir Arthur Wing Pinero's 19th-century comedy, was given especially for those who have contributed \$100 or more to the Theater this season.

Among the Understudies and husbands attending were Mr. and Mrs. Morton Barak, Mr. and Mrs. Martin Barr, Mrs. James J. Bird, Mr. and Mrs. Henry V. Bohm, The Honorable and Mrs. Wilber M. Brucker, Jr., Mr. and Mrs. Avern L. Cohn, The Honorable and Mrs. Michael J. Connor, Mr. and Mrs. Edward L. Cushman, Mr. and Mrs. John D'Ascenzo, Mr. and Mrs. Sidney Dillick, Mr. and Mrs. Irving Dworkin, Mr.

and Mrs. Walter Greene, Mrs. Robert Hastings, Mr. and Mrs. Ronald Haughton, Mr. and Mrs. Paul Kircos, Mr. and Mrs. James P. McCormick, Mr. and Mrs. Omer Petti, Mr. and Mrs. Herbert Pomerantz and Mr. and Mrs. Fred C. Schneidewind, Jr.

More were Mr. and Mrs. Melvyn Maxwell Smith, Mr. and Mrs. David Tabashnik, Mr. and Mrs. Edward St. C. Thomas, Dr. and Mrs. L. Murray Thomas, Dr. and Mrs. Arthur L. Thompson, Mr. and Mrs. Emmet E. Tracy, Jr., Mr. and Mrs. Edward J. Tutag, Mr. and Mrs. Joseph A. Vance, Jr., Mr. and Mrs. Anthony J. Vinci, Miss Katherine Wasserfallen, Mrs. Melvin M. Weinberg, The Honorable and Mrs. G. Mennen Williams and Mr. and Mrs. Stanley Winkelman.

Others seen among the 500 guests were Mr. and Mrs. Irving J. Bluestone, Mr. and Mrs. Ferdinand Cinelli, Mr. and Mrs. Walker L. Cister, The Honorable Geraldine B.

Mrs. Joseph Farrell

In Grosse Pointe Woods Presbyterian Church Saturday, November 16, MEGAN EILEEN FREDERICK, daughter of the William Frederick, of Torrey road, was married to Mr. Farrell, son of the Joseph Farrells, of Fords, N.J.

Ford, Mr. and Mrs. Douglas Fraser, Charles H. Gershenson, The Honorable and Mrs. Horace Gilmore, Mr. and Mrs. Jack Hilberry, (son and daughter-in-law of the late

WSU President Clarence Hilberry for whom the Theater is named), The Honorable and Mrs. Kurt R. Keydel, The Honorable and Mrs. Charles L. Levin, The Honorable and Mrs. Max J. Pincus, Mr. and Mrs. Gerard R. Slatery, The Honorable and Mrs. Norman O. Stockmeyer and The Honorable and Mrs. Willis Ward.

Before the last act of the Preview performance President Gullen thanked guests for their support and introduced Mrs. Winkelman, chairman of the Understudies, who announced that a record \$37,100 had been raised by the 50 Detroit-area women who sponsor a fund-raising drive and the President's Preview.

President Gullen expressed the University's gratitude for the loyal and enthusiastic work of the Understudies through 11 Theater seasons. Since the committee's inception in 1964 over \$300,000 has been turned over to Wayne State University for the Hilberry program.

Before the Preview 250 of the guests gathered for cocktails and dinner at the Standard Club in the Sheraton-Cadillac Hotel.

Funds raised by the Understudies help support Hilberry's repertory company of 42 graduate students who this year have come from 18 states to pursue studies toward Masters or Doctors degrees and to participate in the Theater's intensive training, rehearsal and performance program.

The company will perform eight productions in weekly repertory over eight months during the current academic year.

"The Magistrate" officially opened to the public yesterday, Wednesday, November 13, at 8:30 o'clock.

Other productions in the 1974-75 repertory include "Of Mice and Men," "Medea," "Hadrian VII," "Waltz of the Toreadors" and "The Taming of the Shrew."

The repertory also includes revivals of last season's "Tartuffe" and "Hamlet," which have been playing since early October.

Further information is available from the Theater box office, 577-2972.

Joseph Francis Farrells Will Return to Detroit to Make Their Home Following Bahamas Vacation

A gown of ivory peau de soie and Venise lace was Megan Eileen Frederick's choice for her Saturday, November 16, wedding to Joseph Francis Farrell. A matching cap caught her illusion veil and she carried an arrangement of dried white and ivory flowers.

The 7:30 o'clock rites in Grosse Pointe Woods Presbyterian Church, The Reverend John Deason presiding, were followed by a reception at Georgian Inn.

The new Mrs. Farrell is the daughter of Mr. and Mrs. William Frederick, of Torrey road. Mr. Farrell is the son of the Joseph Farrells, of Fords, N.J.

Honor matron Mrs. Bruce Bellard, sister of the bride, and bridesmaids Janice Rushton, Barbara Pfeiffer and Mrs. Thomas Van Tol, of Grand Rapids, wore floor length frocks tapestry-patterned in shades of antique blue.

They carried lavender, white and blue Biedermeier bouquets.

Approve Grant To Music Hall

The Ford Foundation has approved a grant of \$125,000 over a two-year period to the Music Hall Center for the Performing Arts, for an experimental program involving inner city students and senior citizens.

The three-fold grant includes a student scholarship program which will bring 600 elementary and high school students to the theater to see six dance or six theater productions, augmented by classroom discussions and demonstrations in the theater on all aspects of dance and theater; a senior citizen scholarship program allowing 500 senior citizens to attend dance and theater presentations; and an expanded media program designed to reach all segments of the community.

Woody Miller, formerly of the Detroit Repertory Theater and director of the Repertory Artist Galleries and Touring Exhibits, has joined the Music Hall staff to administer the grant.

An advisory board soon will be selected to offer guidance so the grant will have maximum impact.

Dr. David DiChiera, executive director of Music Hall Center, notes: "It has long been recognized that the arts are a vital part of a civilization, 'essential nourishment for our intellectual, emotional and spiritual growth, and not just a luxury in affluent times.'

"Enjoyment, appreciation and interest in the arts can only come through continual exposure."

Pointer Ruth R. Glancy, chairman of the board of the Music Hall Center, comments: "I am delighted that the Ford Foundation has entrusted us with the opportunity to undertake a program which will enhance our ability to fill a need left in our technological urban environment.

"Hopefully, this grant will succeed in introducing an expanded audience necessary to the future of the performing arts."

SELLING YOUR HOME?

Grosse Pointe Real Estate Co. has more unique ways than you can imagine. They purchase outright at fair prices. They have their designer review your house for total potential at their expense. They also have a guaranteed sale listing. If this isn't enough they will also take trade ins — from houses and yachts to farms and vacant land.

This ability to be flexible is all important to buyers and sellers alike. So call them and hear their story. We'll bet they will win your favor.

Christine Whitty Wed To Dr. Dias

Saint Paul's-on-the-Lakeshore is Setting for Evening Rites; Bride's Sister is Honor Maid. Bridegroom's Brother Serves as Best Man

At home in Chicago prior to moving to Sao Paulo, Brazil, where they will make their permanent residence, are Dr. and Mrs. Luciano Souza Dias who exchanged marriage vows Friday evening, October 4.

Setting for the 6 o'clock ceremony was Saint Paul's-on-the-Lakeshore.

Mrs. Dias is the former Christine Gabriel Whitty, daughter of Mr. and Mrs.

Robert J. Whitty, of Neff road.

Dr. Whitty is the son of Dr. and Mrs. Mauro Souza Dias, of Sao Paulo.

A reception at Lochmoor Club followed the rites for which the bride chose a simple, long-sleeved, cowl-necked white jersey dress.

A matching cap held her lace and illusion veil and she carried an arrangement of pink and white roses.

She was attended by her sister Sarah Whitty as honor maid and bridesmaid Lucia Freitas, the bridegroom's sis-

ter, in long-sleeved frocks of dusty rose crepe, carrying bouquets of pink, dusty rose and white flowers.

Luis Dias acted as best man for his brother. The

bride's brothers Dr. Michael Whitty, John Whitty and Robert J. Whitty, Jr., ushered.

The newlyweds vacationed in Jamaica.

Pair Planning January Rites

Mrs. Betty Hoffman Chapman, of Orchard Lake, and James P. Chapman, of Bloomfield Hills, have announced the engagement of their daughter, Sheryl Lynn Chapman, to A. Frederick Kammer, III, son of A. Frederick Kammer, Jr., of Cloverly road, and the late Mrs. Barbara Holton Kammer. A January wedding is planned.

The future bride made her debut in 1964 at the Grosse Pointe Club and also was presented in Palm Beach at the home of her uncle and aunt, Mr. and Mrs. Jerome C. Earl. She is a member of the Junior League of Birmingham.

Miss Chapman received an Associate degree in Fine Arts from Lasell Junior College, Auburndale, Mass., and a Bachelor of Arts degree in Fine Arts and Art History from Oakland University. She is general manager and assistant editor of the Home Hunters Guide of Metropolitan Detroit. She also continues her painting.

Her fiancé was graduated from Hotchkiss School, Lakeville, Conn., and attended the University of Maryland, the University of Vienna and the University of Detroit. He is owner and operator of the Port Huron Racquet Club and a member of the Country Club of Detroit and the Bloomfield Hills Country Club.

As a sentimental gesture MRS. WAYNE J. DUPUIS elected to wear the pink chiffon gown she had designed for her husband's first official function as Detroit Yacht Club Commodore, last year's Officers' Ball, at the NYC's Bon Voyage party for MR. DUPUIS at the conclusion of his year as Commodore. Entertainment committee chairmen Mr. and Mrs. William Irwin chose a Camelot theme for the October 26 gala. Special guests of the Dupuis' included their son-in-law and daughter Mr. and Mrs. Norman Kraus and son Mark Dupuis with Pam Conder.

groom are both descended from pioneer Detroit families. Miss Chapman is a granddaughter of Arthur R. Hoffman, of Windmill Pointe drive, and the late Mrs. Hoffman. Her great-grandfather, the late Edward C. Kinsel, founded Kinsel Drug Company in 1888.

Mr. Kammer is the grandson of Addison E. Holton, of Grosse Pointe, and the late Mrs. Holton, Mr. Holton was

founder and president of Essex Wire Company, now known as Essex International, Inc.

Dianne Bockstanz Wed To Dr. Hoyt

Bride Wears Mother's Gown; Flowers Duplicate her Bridal Bouquet; Pair Are Home on their Farm in Grand Blanc

At a candlelight ceremony Saturday, November 2, in Grosse Pointe Woods Presbyterian Church, Dianne Ruth Bockstanz, daughter of Mr. and Mrs. Bruce Knight Bockstanz, of North Brys drive, and Birney Charles Hoyt, D.D.S., exchanged marriage vows.

Dr. Hoyt is the son of Dr. and Mrs. Charles N. Hoyt, of Port Huron.

The 7 o'clock rites at which The Reverend Mr. John Deason presided were followed by a reception at Lochmoor Club.

The newlyweds are at home on their farm in Grand Blanc where the bridegroom, an orthodontist, University of Detroit Dental School graduate, is setting up his practice.

The bride is completing work for her Dental Hygiene degree at the University of Detroit.

The former Miss Bockstanz wore her mother's wedding gown and veil. The gown, of heavy antique ivory satin, featured a back bustle, leg-o-mutton sleeves, a Sweetheart neckline outlined in pearls and a bodice accented with seed pearls and embroidery. A Juliet cap outlined in

orange blossoms caught the veil. Her flowers, a duplicate of her mother's bridal bouquet, were Fuji mums and stephanotis.

Carrying similar, smaller bouquets were honor matron Mrs. Roger Lorey and bridesmaid Mrs. James Bockstanz, the bride's sister-in-law. They wore floor length frocks of dusty rose peau with matching, hooded jackets.

Douglas Read came from Traverse City to serve as his brother-in-law's best man. Ushering were James, David, Paul and Gerald Bockstanz, the bride's brothers, and Edward Cleland.

The bride's mother wore a pearl-trimmed pink Empire gown, floor-length, with a matching mink-trimmed coat. The bridegroom's mother selected a high-waisted emerald green gown and forest green velvet cape.

Debut at DSO For Akiyama

Kazuyoshi Akiyama makes debut as a guest conductor of the Detroit Symphony Orchestra at concert tonight and Saturday, November 21 and 23, at 8:30 o'clock in Ford Auditorium. Soloist will be well-known black pianist Natalie Hinderas in her first DSO appearances since 1959, featured in the DSO premieres of Ginastera's Piano Concerto.

The program also includes Mozart's "Linz" Symphony and Edgar's "Enigma" Variations.

Kazuyoshi Akiyama who became music director of the American Symphony Orchestra in New York last fall is also music director of the Tokyo Symphony and the Osaka Philharmonic, and since 1972 of the Vancouver Symphony.

He made his United States debut in 1964 on tour with the Toho String Orchestra.

Born in Tokyo, he attended the Toho School of Music, graduating in 1963 as first conductor-graduate since Seiji Ozawa in 1958. Since then his career has been international.

Natalie Hinderas made two of her earliest appearances as a concert artist with the DSO in State Fairgrounds concerts in 1958 and 1959. A native of Oberlin, O., graduated with honors from the Oberlin Conservatory, she also studied with Olga Samaroff at Juilliard and Eduard Steuermann at the Philadelphia Conservatory.

She has performed with nearly every major United States orchestra and is a veteran of several State Department-sponsored foreign tours. She has produced several important television specials and her DSO recording "Natalie Hinderas Plays Music by Black Composers" has been widely praised.

Mozart's "Linz" Symphony, (No. 36 in C major, K.425), was composed in 1783 for performance by the orchestra of a patron, Count Johann Joseph Thun, at his estate near Linz in Austria.

Elgar's "Enigma" Variations, composed in 1899, also reflects a country house—Malvern, Elgar's own, where the friends memorialized in the Variations used to gather.

Ginastera's Piano Concerto (1961) like Mozart's Symphony was commissioned—not by an individual but, in the 20th-century mode, by a foundation, (The Koussevitzky Foundation).

Tickets for the concerts priced at \$7.50, \$6.50, \$5.50, \$5, \$4.50, \$4 and \$3.50 are available at Ford Auditorium Box Office, 961-0700, all Hudson's and Grinnell's ticket offices.

A limited number of tickets for students and senior citizens is available at Ford Auditorium Box Office beginning at 7:45 o'clock concert nights.

HEAD AND SHOULDERS . . . above the other. This new offering comes with den, first floor lavatory, large screened porch, extra half-bath on second floor and stairs to full attic. Priced to sell and ready for your furniture.

HAVE THE BEST OF BOTH WORLDS . . . first floor or second floor living. This Cape Cod influenced house in the Farms has a total of four bedrooms. Two on each floor. There is a family room behind the dining room, a formal living room and the convenience of an attached garage. The home is ideally located just a short walk to both public and parochial schools. You'll like having the lake a block away and Hill Shopping a block in the other direction.

HOW WOULD YOU LIKE to get away from it all? Get out in the woods where you share your surroundings with only the birds and squirrels. Each year creeping urban sprawl makes it more difficult to find such a haven. It now takes over an hour to drive out of town. Well, we can offer you your own private woods right here. They come with a contemporary house so special it has been featured in several architectural books.

AN HONEST HOUSE with pure Georgian colonial design make this offering a standout from the curb. But wait until you get inside! The oval center hall is highlighted by a sweeping staircase which ascends the two story hall. On the second floor are five bedrooms and four baths. The main floor has a formal living room, dining room, library, card room and garden room. The house is air conditioned and located in the Shores just a stone's skip to the lake.

A CLASSIC EXAMPLE of traditional colonial architecture on a street that behoves its elegance. The center entrance hall is surrounded by a formal dining room, living room with natural fireplace, kitchen, library with natural fireplace. A heated garden room has access to a brick patio and lushly landscaped garden. The beautiful center staircase takes you to a second floor which has six bedrooms and three baths. The home was built on a double foundation and its interior details attest to the fact that only the best went into this colonial masterpiece.

A PICKET FENCE, a rustic bridge over a babbling brook, a rose garden, a formal garden, a children's play area and a brick patio surround this clapboard, honeymoon house. The step-down living room has a cathedral, beamed ceiling, French doors and a fireplace. The master's quarters is a three room suite with fireplace. If you're looking for a specialty house, this is it.

As Seen In Vogue . . . November first issue. The colorful Robert David Morton ad featuring a bouquet of cruise fashions in floral prints. Pick a daisy pajama costume or a long evening dress scattered with pansies. Daffodils brighten a figure flattening, party going, suntan showing, long dress with tiny straps and a big dramatic stole. Hydrangeas pattern a charming short cocktail dinner dress. All go South and into spring with style and they pack beautifully. P.S. Don't forget all the fashions temptingly sale-tagged at Walton-Pierce.

Peace and Quiet, Where Is It? . . . at the Jefferson Apartments, Grosse Pointe's newest condominium! They really care about your comfort and convenience. It's part of the gracious living at The Jefferson Apartments. Spacious apartment-homes feature 9 ft. ceilings, individual gas heating and cooling, top of the line G. E. kitchen with an ice-maker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet, and there are natural fireplaces. There are separate elevators and approximately 1,000 square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community and you'll be a neighbor to some of the nicest neighbors in Grosse Pointe. Residents are home owners and enjoy tax deduction and the investment security of being a property owner and equity advantages. The model apartment is open 12 to 5 daily, except Wednesday. Enter on Neff or St. Clair Roads, Jefferson Apartments, 17111 E. Jefferson. Sales and management by Michigan Condominium Corporation . . . 882-7708 or 886-4880.

Want to cut down your cooking time in the kitchen? And the clean-up time as well? Use a Thermador microwave oven. Dinners in a hurry—warm-ups without dry-ups. You can cook on some serving plates or on glass ovenware, and even re-heat on paper plates. Mutschler Kitchens, 20227 Mack Avenue. TU 4-3700.

Gift Lists . . . are easily checked off in The Notre Dame Pharmacy Gift Department. Florentine gold Kleenex boxes, trays, pencil holders, ash trays, waste baskets come in a beautiful selection of white and gold, black, orange and gold, black and gold, green and gold. Also find Cornwall wooden pieces and Stylebuilt accessories.

Talking to Joyce and Madelyn the stylists at the Woods Optical Studios, they mentioned that one question that frequently rises is about eyebrows. Should they show or not. The ladies who are very "hep" to these things tell me that there's no rigid rule, if a lady has lovely brows they will try to have a portion of the brow showing. If brows are rather sparse and not a special asset it often helps if the frame covers them creating a more definite line. 19599 Mack Avenue between 7 and 8 Mile Roads.

School Room Clocks by Cornwall . . . have Arabic numerals just like the old days—but battery operated, \$65, at the Squirrel's Nest-Sphere, 19849 Mack Avenue, 884-6615.

PROBLEM NAILS . . . Beautiful nails are here for everyone—wrapping is the answer to all problem nails. See one of the two experts at the Edward Nepi Salon, 19463 Mack or call TU 4-8858. (Nail biters included.)

A select group of sportswear, dresses and coats reduced 1/2 and more at The Margaret Diamond Shop, 377 Fisher Road.

Store-wide Thanksgiving SALE . . . up to 1/2 off on selected merchandise. Dresses—long and short, pantsuits, costumes and costume jewelry. Alterations at cost by the staff. Hurry to Mr. Julian Fashion Boutique, 15114 Kercheval, 822-2818.

Tommy Dorsey Fans . . . will applaud the band directed by Murray McEachin with Rosemary Clooney singing your favorite songs and an appearance by Joan Bennett—January 11 on the Fair Sea cruise ship. Call those folks at M. Q. 886-0500.

A quote . . . recently released by the industry on carpeting to Mr. Maliszewski and which he is passing along to his customers. "Things are tough all over, however floor covering today costs no more or occasionally even less than it did 20 years ago. Since it is an infrequent purchase consumers are not really familiar with price, although that they have risen along with everything else, cannot be denied." Shop Maliszewski Carpeting, 21435 Mack Ave., 776-5511.

At Wright's Gift and Lamp Shop . . . 18650 Mack Ave., you will find a great array of thermal mugs, individualized with names. Choose one for each member of the family with his or her name, most are available, at \$2.39 or special order names at \$4.00 each. These make great gifts. Convenient and free parking for customers.

HURRAH! . . . Cheese balls are back at The Merry Mouse in cheddar, cheddar with wine and bleu. Get them while they are hot! December 15th is the last day they will be available unless specially ordered for Christmas. Kercheval at Notre Dame.

Searching for CALICO . . . see the Country Store in Romeo where you will find the very finest selection of authentic hand-to-find old fashion calico. Also shop for penny candies, cheese, reproductions of old fashion iron toys. See THE COUNTRY STORE in Romeo where it is fun to shop in an atmosphere of yesteryear. Pointer of Interest

RICHARD REINS, OF NEWBERRY PLACE

By Janet Mueller

He loves to paint pictures of Grosse Pointe because he loves Grosse Pointe. "I think it's the greatest place in the United States," says Dick Reins. His most popular view is the Lakeshore, looking down toward the Grosse Pointe Yacht Club.

"I've sold about six pictures of the lake with the GPYC in the background." One lady, a former Pointer who lives now in Chicago, saw a Dick Reins' Lake View with Yacht Club at Jacobson's in-the-Village where Dick was the Grosse Pointe Artists Association September Artist of the Month.

She bought the picture as a Christmas present for her husband. Another woman ordered two lake views for her two sons who live out of the city.

The Grosse Pointe War Memorial is another popular subject. Dick has done the War Memorial "in repose" and as it looks during the annual autumn Art Festival, driveway and lawns dotted with displays.

Has Done Library He's filled a request for a view of the Grosse Pointe Public Library Main Branch at the corner of Fisher road and Kercheval avenue, and he's thinking about a portrait of Grosse Pointe South High School.

But the lakeshore remains Dick's, and everyone's, favorite subject. "It's what people think of when they think of Grosse Pointe."

He works only in watercolors. "I don't like oils at all. I do transparent watercolors, not use any white . . . The colors are pure. They sparkle."

He uses photos as a reference, supplement to first-hand impressions. He went up to the War Memorial in a car during the Art Festival and sat in the driveway to soak up Festival atmosphere, then went home and went to work . . .

For a man who retired in 1969, he maintains a pretty steady working schedule.

Took Over Bedroom His studio is upstairs, a converted bedroom with plenty of light and plenty of clutter, obviously a "working" room. There's always one picture, at least, in progress. Grace Reins has given up on that room. It's Dick's, and Dick's a working artist, and the clutter is permanent.

Grace and Dick Reins were both born and raised in Cincinnati. He came to Detroit in 1937. She followed in '38, when they were married. They've always lived in Grosse Pointe, first in the Woods, for more than 20 years now in Newberry place. "We were the fourth house on the street." They moved in before there were locks on the outside of the doors.

They have one daughter, Ma-gie (Mrs. Theodore) Smith, who lives in Edshire lane. The Smiths are parents of seven and five-year-old girls, Stephanie and Sandra.

In Advertising Art Dick began working for Brooks, Smith and French in

We Have Sabatier Knives . . . Italian ceramic mugs, beautiful copper cookware and many other interesting "gadgets" for your Christmas giving. Find these in "THE COOK'S NOOK" at the Wicker World, 20643 Mack Avenue, 886-8469.

GREAT SELECTION OF CHRISTMAS CARDS . . . at 10% savings. Kaleidoscope of Grosse Pointe, Mack Ave., at Roslyn and Brys. We will be open Friday evenings and on Sundays 11 to 4.

Thanksgiving is close—then Christmas. Don't wait until the last minute to have your precious jewels or wedding ring restyled or remounted. Mr. Cueter of Bijouterie Jewelry has a beautiful selection of new mountings available NOW. 19860 Mack Ave.

In that studio, Grace says. **Donates to Artfair**

His contribution to this weekend's Channel 56 Artfair on the Air is a view of Michigan's Upper Peninsula Lake Superior coastline. He loved that coast, as he loved Vermont, and Williamsburg, and so many places he and Grace visited. But not Florida.

Grace and Dick Reins, who could run for the sun, don't they preter Grosse Pointe. Even in winter.

"One of the best things about being retired," says Dick, "is waking up on a really cold winter morning, when it's icy, and snowing . . . and knowing you don't have to GET UP . . . and turning over and going right back to sleep!"

The studio's there. He can begin those five hours with his watercolors any hour he wants.

THEY ARE FINALLY HERE . . . Bowlby's bits. "A pecan substitute. The Merry Mouse, corner Kercheval and Notre Dame.

Saint Paul's Parish received a Territorial Charter from Lewis Cass, Governor of the Territory of Michigan, March 8, 1825. Cornerstone for the first church building was laid on the east side of Woodward avenue, just south of Congress street, August 10, 1827.

This first Gothic church in Michigan was completed in 1828, enlarged in 1834 and outgrown by 1852. A second church, at the northeast corner of Congress and Shelby streets, served the congregation for 44 years before it became inadequate.

Finally, July 18, 1892, property was purchased at the northeast corner of Woodward and Hancock avenues, then considered "way out in the country, now in the heart of Detroit's Cultural Center. A chapel was erected on the new site by Theodore H. Eaton, Jr., then Senior Warden, in memory of his mother Anne Eliza Gibbs Eaton, a member of the Parish from 1842 to 1879.

The chapel was placed at the far north end of the property to allow enough ground for a contemplated Cathedral. Ground was broken for the Cathedral in June, 1908. The cornerstone was laid the following November. A little more than two years later, in January, 1911, the first morning Service was held in the completed building.

The Cathedral Church of Saint Paul was dedicated May 17, 1911, and consecrated October 12, 1919, when completely free of debt.

From 1824 to 1910 the Parish had eight different rectors. From 1911 to 1974 the Cathedral has had seven Deans.

Un-Birthday Party For Mrs. Ruwe

Everybody who knows Ruth (Mrs. Lester F.) Ruwe knows she loves New York, and that "everybody" includes sons James E. Scripps, III, and Nicholas L. Ruwe, Assistant Chief of Protocol, who hosted a "21" dinner party last Tuesday with Ruth as guest of honor. Les was a special guest, too, of course.

The occasion? No occasion . . . Nick and Jim just decided their mother, who's always entertaining for others, ought to be entertained herself in her favorite city.

Wasn't that a nice idea . . . ?

SYTHE, of Gates Mills, O. Among the 75 guests were out-of-towners MRS. CHARLES SMITH, MRS. JAMES HAYES, MISS HELEN HAYES, MR. and MRS. WILLIAM HAYES, MR. and MRS. JOHN HAYES, MRS. PETE HOFFMAN, the ROBERT HOFFMANS, the HENRY HOFFMANS, the GEORGE MUZERS, MRS. CLIFFORD CALAHAN and MR. and MRS. JAMES COLE. PETE CRACCHOLA provided the music. Autumn colors decorated the room.

WILBER H. MACK, of Country Club drive, has been re-elected to his second term as chairman and chief executive officer of the Interstate Natural Gas Association.

CLIFFORD S. DIRKSEN, son of MRS. TOULA B. DIRKSEN, of St. Clair avenue, has enrolled at Babson College for the fall semester of 1974.

University-Liggett graduate CHARLES UPTON SHREVE, IV, son of former Pointers COLONEL and MRS. CHARLES UPTON SHREVE, has been graduated from Trinity College, Hartford, Conn., and is now

associated with a local bank. **GEORGIA SHREVE**, also a ULS graduate, received a degree in Banking from Columbia University and is associated with a bank in New York.
