

# SEMTA HIKES BUS FARES

## HEADLINES of the WEEK

As Compiled by the  
Grosse Pointe News

**Thursday, November 21**  
**THE JUSTICE DEPARTMENT** yesterday launched the largest anti-trust suit in history with the accusation against the American Telephone and Telegraph Co. of monopolizing telecommunications equipment and service throughout the United States. The government asked in federal court that AT&T, the world's largest private corporation, be required to sell off a major subsidiary, Western Electric Co., Inc., and to divest itself of other properties "as may be necessary to insure competition." The chairman of AT&T, John D. DeButts, issued a statement denying the charges and warning that customer service would suffer if the Justice Department succeeds in breaking up the communications network.

**Friday, November 22**  
**THE DETROIT AREA** is expected to receive at least \$138.2 million for transportation programs from the \$11.8 billion mass transit bill passed by the House of Representatives yesterday. President Ford has promised to sign the bill when he returns from the Far East. The awards are likely to be based on need and since the metropolitan area lacks a transit system even more dollars may be in the offing. The \$138.2 million would be guaranteed under a population density competition. The monies would be granted from 1975 to 1980.

**Saturday, November 23**  
**A MISSED FIELD GOAL** cost the University of Michigan the Big Ten championship as the Ohio State Buckeyes downed the Wolverines 12-10 in Columbus, O. It was the Wolverines' first defeat in two years and sent the decision over who would go to the Rose Bowl New Year's Day to a vote of the Big Ten athletic directors. A 33-yard kick by Michigan's Mike Lantry in the final 16 seconds of the game sailed off to the left of the goalposts. Last year Lantry missed a 58-yard field goal in the contest between Michigan and Ohio State. That game resulted in a 10-10 tie.

**Sunday, November 24**  
**ARAB TERRORISTS** who hijacked a British Airways jet Thursday, in Dubai on the Arabian Peninsula, shot and killed a German banker hostage apparently out of anger with Tunisian authorities. The four guerrilla terrorists threatened Sunday to blow up the airliner unless they were allowed to disembark in Tunis with guarantees against prosecution. Seven guerrillas freed from jail in Egypt and Holland at the hijackers' demand boarded the plane in exchange for the freedom of more than 40 hostages.

**Monday, November 25**  
**HAPPY ROCKEFELLER**, wife of vice-president designate Nelson Rockefeller, underwent her second mastectomy in less than six weeks today. Her doctor said after the operation she has a 90 percent chance of surviving 10 years, the medical yardstick used to define a cure. Physicians at Sloan-Kettering Memorial Hospital where the surgery was performed said the second breast-removal operation was similar to the first and that preliminary lab reports indicated the cancer had not spread to lymph glands under her arm.

**Tuesday, November 26**  
**U THANT**, retired secretary-general of the United Nations, died yesterday at the age of 65 of cancer. The former Burmese diplomat entered Pavilion of Columbia Presbyterian Medical Center last Thursday. Thant had been operated on a year ago for cancer of the larynx but a spokesman said there were complications this time, including pneumonia.

## Grosse Pointe Yacht Club's New Board

The Grosse Pointe Yacht Club's new board of directors meets for the first time after club elections Wednesday, November 6. Standing (left to right), are new officers: Commodore GEORGE BEARD, Vice Commodore HAROLD DEORLOW, Rear Commodore WILLIAM PLANTE, Secretary

JAMES TAYLOR, and Treasurer SHELDON HALL. Directors, seated, are JERRY GIRSCHNER, JAMES MITCHELL, DR. FRED J. LEPLEY, PETER O'ROURKE, DONALD CURTIS, and EDWARD WILBERDING. Missing is Paul Eagan.

## Men's Night To Be Held December 3

**Village Merchants Rolling Out Red Carpet for Male Shoppers for 30th Straight Year**

The perennially popular event for Pointe males, Men's Night in The Village, will be held this year on Tuesday, December 3. Stores will be open from 7 to 10 p.m. so men can do their Christmas shopping with little interruption from the distaff side.

Village merchants have been rolling out the red carpet especially for males one night of the year since 1945 when the first Men's Night in the nation was held.

**A Few Intrude**  
With the onset of Women's Liberation, some ladies have ventured into the scene, but most view the evening as one exclusive for gentlemen.

Shoppers can expect the same air of camaraderie and good cheer, refreshments and entertainment, as well as special attention from Village salespeople next Tuesday.

Christmas music provided by an authentic callopie will fill the air and all shops will be decked out in holiday finery.

Customers will also have a chance to take a good look at the "New Village," with its numerous renovations and overall Williamsburg theme, initiated by the merchants themselves, who worked closely with The City Council.

## Woods Studies Request For Beautification Group To Work on Annual Basis

**Proposal of Dr. Albert C. Howe Referred to Committee of the Whole; Ways of Financing Also Suggested**

By Roger A. Waha  
A request urging the city to form "The Grosse Pointe Woods Beautification Commission" was referred to the Committee of the Whole for further study by the council at the regular meeting Monday, November 18. The vote was 6-1.

Dr. Albert C. Howe, DDS, who made the proposal, said in a letter to the council, "For too many years, apathy, indifference and negativism have overshadowed beautification efforts in Grosse Pointe Woods."

But he felt, "This trend... can be reversed by the combined efforts of dedicated citizens and a responsible administration." So, he suggested that such a commission be formed.

**To Promote Projects**  
The commission's purpose would be to gather ideas and promote beautification projects within the city, said Dr. Howe.

"Such areas would include its parks, business districts and other selected localities."

For financing, he suggested utilizing the Mack avenue business occupancy tax, (Ordinance 327), as a base.

A section from this measure says that all fees received for the issuance of a certificate of occupancy will be credited to a special fund as may be designated by the city comptroller, and will primarily be utilized "for the purpose of improving or maintaining ecological, environmental or aesthetic values of any area zoned for business, commercial, professional or service operations" within the city.

It also says fees can be used for any other purposes "as may hereinafter be designated by the city council of the said city."

## Seniors Plan For Housing Strikes Snag

**Woods Council Tables Action on Request for Complex at Ghesquiere Location**

By Roger A. Waha  
While no official decision has been made by The Woods Council at this point, the recommendation of the city's Senior Citizens Commission that a seniors housing complex and activities building be located at the west end of Ghesquiere Park appears doomed.

For action on a Committee of the Whole, (C-W), recommendation to the council was unanimously tabled at the regular meeting Monday, November 18, pending receipt of a Citizens Recreation Commission recommendation on this. The subject is scheduled for consideration at the Thursday, December 12, regular meeting.

Around two dozen interested senior citizens were in the audience and they were told the C-W will recommend that the use of this location for the complex be denied because the park is public property used for recreational purposes for all residents.

**Gives Group's View**  
The Citizens Recreation Commission was to give its view on this question but its meeting wasn't scheduled until Tuesday, November 19, at which time they would discuss the request. So, the council tabled official action until the recreation commission issued its recommendation.

The NEWS contacted City Administrator Chester E. Petersen after the commission held its meeting and he said they would recommend to the council that no portion of the park be used for housing.

After hearing the C-W's recommendation, several senior citizens, obviously unhappy with the news, addressed the council.

Robert Boyd told the solons, regarding the location, "What we want hasn't been used that much and the property could be used all year round." Mrs. Boyd stressed the grounds were centrally located for seniors, and that the property already was city-owned and already they wouldn't have to buy other property.

## Despite Higher Costs Park Has \$80,526 Surplus

**Succeeds in Struggle to Maintain Best Possible Services in Inflationary Period; Increases Make Budgeting Difficult**

In spite of ever-increasing costs during the fiscal year of 1973-74, to maintain the highest possible municipal services to its citizens, which has added tremendously to the operation of the city, The Park's financial annual report showed it ended the year in the black. The excess of revenues over expenditures showed a total of \$80,526, according to Mayor Matthew Patterson and City Manager Robert Slone.

The report showed that The Park had a highway fund of \$271,271, of which only \$270,871 was expended; and the General Operations and Debt Service Revenue totaled \$2,887,425, of which total expenditures used came to \$2,607,199. The Park's financial books for the 1973-74 year were audited by Ernst and Ernst, Certified Public Accountants.

"The inflated costs of energy have made budgeting and financial control most difficult," City Manager Slone stated in the report to Park citizens. "At the same time, demands for service and the use of facilities have increased. Record numbers have enjoyed the facilities of Windmill Pointe Park and the Three Mile Drive Park, and as the trend continues to more fully utilize local facilities, more responsibility will be placed upon local government to furnish these services."

Mayor Patterson said: "During the past year, (1973-74), your city government worked diligently in order to meet the challenge of the day-to-day problems of our community. These problems have escalated due to inflation of the costs and demands for service. This condition is reflected in the higher operating costs in the past fiscal year."

"The cost of personal services has shown considerable increase which is the result of contracts negotiated with our city employees, a real problem for the administration since the majority of employees are unionized and their demands have to be negotiated."

The total 1974-75 fiscal budget calls for \$2,692,000. This budget, for general operations and debt services, was adopted on May 13, 1974.

Of this fiscal budget, the largest amount, 50 percent, or \$1,346,000, will be realized from property taxes; 14 percent, or \$378,500, will be from State-shared taxes; 11 percent, or \$297,200, will be from water and sewage charges; five percent, or \$137,700, will come from fines, penalties and interest; four percent, or \$93,600 from fees, rents and special charges; another four percent, or \$108,000, from surplus appropriations; and three percent, or \$65,000, is anticipated from miscellaneous revenue.

(Continued on Page 2)

## Big Deficit Attributed To Inflation

**10 Percent Jump Called Imperative; Delay Action on Potential Service Modifications**

Faced with a budget deficit approaching \$1.5 million, the Board of SEMTA, (Southeastern Michigan Transportation Authority), took several actions Friday, November 22, including a 10 percent fare hike effective Sunday, December 1, after a public hearing Thursday evening, November 21, on proposed fare revisions and service modifications.

Besides the fare increase, the Board deferred action for 30 days on potential service modifications and also on the possible elimination of the inter-line transfer program between SEMTA buses and the Detroit city bus system. What potential route and/or service changes will be made on the Lake Shore line, which serves The Pointe area, awaits further action.

The Board, which took some other cost-cutting actions including the elimination of various administrative and operating costs, hopes to adjust the deficit to a \$800,000 level.

**Hurt by Inflation**  
Fares were reluctantly increased, reports the Authority, which is feeling the pinch of inflation. SEMTA cites the fact that fuel costs have risen 160 percent since January 1973, while bus parts have jumped from 46 percent for brake parts to 86 percent for the replacement of window glass units.

In the face of these facts, the Authority says, revenue must be increased. This is something which hasn't been done since July 1972. At the same time, the Authority stresses its concern for passengers and said it will do everything possible to reduce the impact of these actions on its customers.

The Authority says its staff members will study the expected impact of funds from the mass transit bill, S-386, which has cleared both the House and the Senate and (Continued on Page 2)

## Park Doubles Parking Rates

The Park will have completed the change over of its parking meters this week, whereby parking meter rates will be doubled, it was revealed by City Manager Robert Slone on Monday, November 25. There are approximately 280 on-street parking meters in the city.

The city manager said that the parts which adjust the time limit on the meters were ordered two months ago and were just received. The cost of the time controls is about \$400, he said.

Mr. Slone said that The Park is the last of four Pointes to raise its rates, and that the rates have been hiked to conform with those of The City, The Farms and The Woods. The Shores, which is strictly a residential community, has no meter parking.

The Park city manager said that depending on the location of the meters, parking ranges from one to 10 hours.

The doubling of the rates, he pointed out, means that where in the past it cost one cent for 12 minutes, a penny will buy only six minutes of time; a nickel will allow only half an hour parking, whereas previously, it was one hour. One hour of parking will cost a dime, and a full 10 hours has jumped from 25 cents to 50 cents.

The costs and maintenance of the meters have spiraled, making it necessary that the parking rates be hiked, Mr. Slone said.

## Nab Suspect Following Medical Office Burglary

A Detroit man is free on \$1,000 personal bond after waiving a Wayne County Circuit Court preliminary examination on a charge of breaking and entering a Farms medical office.

The suspect, Thomas Raymond Mercatante, 20, of 9412 Camley, Detroit, will be arraigned in Circuit Court at 9 a.m. Tuesday, December 17. Mercatante is charged with breaking into the medical offices at 18430 Mack avenue on Sunday, November 10.

Two alert Farms police officers, Samuel Cardella and Timothy Morrison, were cruising the Mack avenue boulevard about 3 a.m. when they observed a screen partially pulled away from the rear side window of the building. The men shut off the lights

**OKAY ATTENDANCE**  
The Woods Council unanimously approved the request of City Comptroller-Assessor Frederick G. Hornfisher to attend two workshops at Ann Arbor, held Monday, November 25, with the reimbursement of all necessary expenses. The day covered two different sessions including Michigan Employment Security Act amendments which go into effect January 1, 1975, for municipalities, and a workshop on the Federal Fair Labor Standard Act which covers public safety employees to be covered on January 1. This action was taken at the regular meeting Monday, November 18.

## Housing Strikes Snag

(Continued from Page 1) the benefits of such a project because young people will grow old and become senior citizens. One resident suggested that the council consider public housing on public property.

Eleanor Larson, a resident for 34 years, was visibly upset with the C-W recommendation. She accused the city of "dragging its feet" in the area of senior citizens housing.

In saying she was fed up with recreation developments, she asked what's been suggested for senior citizens and then quickly answered, "Not a darn thing." She wanted the council's consideration in this area which she felt was long overdue.

If necessary, she said a house-to-house campaign would be conducted to inform the council of the number of city seniors and their feelings on housing. Another resident also said she felt Woods citizens would back the seniors up on a petition drive.

Mayor Benjamin W. Pinkos, in reply, said he agreed more can be done for senior citizens. But the question of public property for private housing was a difficult one, and was limited in the sense that all city residents wouldn't be served including other seniors who might not wish to live in such housing. "I'm sympathetic with the senior citizens," said Mr. Pinkos, "but this matter must be weighed carefully."

The NEWS contacted Irene Sutton, chairman, Senior Citizens Commission, for her comments on these developments. "I feel the senior citizens in Grosse Pointe Woods are very determined in this respect," she emphasized. She said seniors have de-

cided to circulate a petition on housing at this site and felt young people would support their request. "The council must recognize seniors are a driving force in the community," stated Mrs. Sutton, who added a petition would be circulated before the December 12 meeting. "We're working on it now."

In a final note, she said the city is well blessed with recreation facilities. Mrs. Sutton cited the Lake Front Park, schools and churches with recreation facilities, plus other city parks. "We're not taking away anything from the children," she said, "with the Ghesquiere Park recommendation."

## Woods to Have Two New Laws

Two new ordinances will be drafted by The Woods based upon the authorization of the council in action taken at the regular meeting Monday, November 18.

The solons unanimously authorized City Attorney George Catlin to prepare a new measure for soil erosion and sedimentation control in accordance with the requirements of Act 347 of P.A. 1972. At the same time, the council okayed an amendment to the city's current subdivision control ordinance to incorporate this charge.

Meanwhile, the second new measure will focus upon the establishment of an Unemployment Compensation System within the city as mandated by Act 104 of P.A. 1974.

Both proposed ordinances are scheduled for a first reading at the Thursday, December 12, meeting with final adoption set for the Monday, December 16, session in order that the city be in compliance with the provisions of the statutes.

In both instances Councilwoman Joan W. Mullan stressed the possible loss of the home rule concept of government in such cases.

## Park's Surplus

(Continued from Page 1) In the appropriations category, the largest expenditure 37 percent, or \$947,800, will be for public safety, (police and fire); 34 percent, or \$937,100, will be expended for the Department of Public Works; 10 percent, or \$284,000, is earmarked for employee's benefits; nine percent, or \$249,500, has been set aside for Administration and General; five percent, or \$125,000, will be for special appropriations; another five percent, or \$125,100, is for Parks and Recreation; and two percent, or \$42,500, will be applied for Debt Service.

## Farms Police Apprehend B-E Suspect

(Continued from Page 1) Police said they also found a vial of liquid medicine and a vial of water used for injections in the suspect's control.

Dr. Yvon Des Roberts, who also has offices in the building, was notified of the break-in and came to the office. A check of the premises showed the entire office area and examining rooms had been ransacked and an automatic answering machine and a decorative sword were missing. A search of the outside area

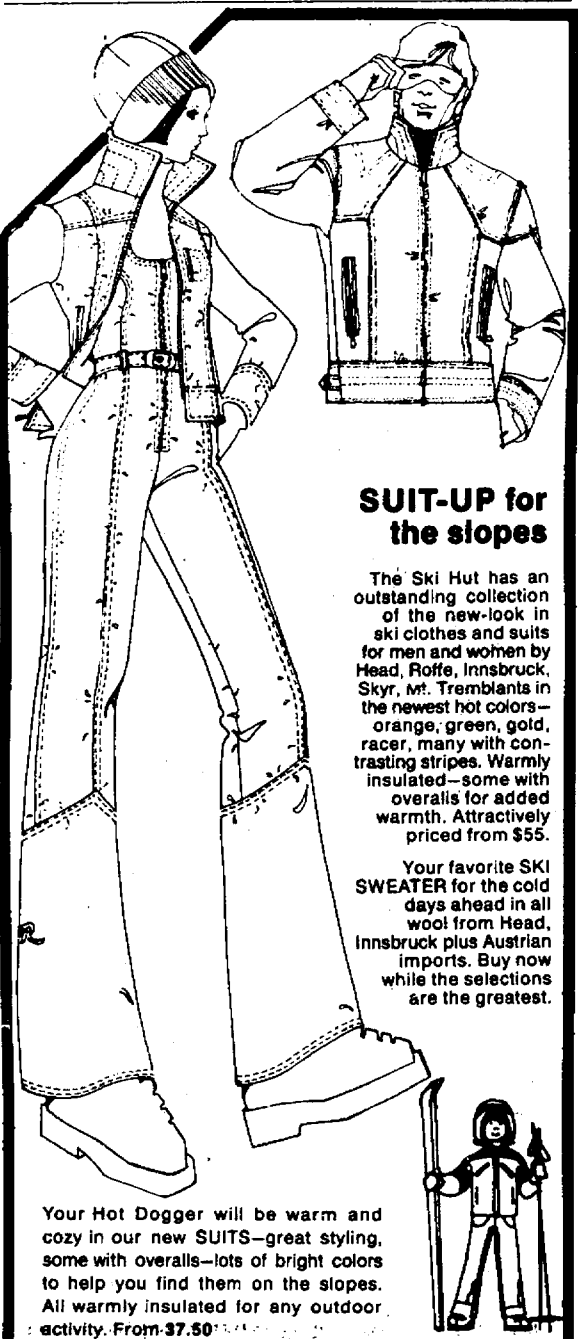

where the subject had been apprehended uncovered these items.

Cpl. Ronald Wooten found the subject's vehicle on the first block of Manor avenue, south of the Mack alley, police said. It was impounded. The suspect was held in a Farms cell when he couldn't post a bond of \$2,500 cash and two sureties ordered by Farms Municipal Judge Robert Pytell at his arraignment Monday, November 11. His release on \$1,000 personal bond was granted at

the intervention of the Wayne County Circuit Court Pre-Trial Release Program.

Charles Wenrich Named Shores Police Lieutenant

Ceremonies were held at the Shores Council meeting Tuesday, November 19, to present Shores Public Safety Sgt. Charles Wenrich with a gold badge signifying his promotion to the rank of lieutenant.

Village President Gerald Schroeder asked Police Chief Joseph Vitale to present Wenrich with the badge while the village trustees and several officers from the department looked on.

"I'm privileged as the President of the Village of Grosse Pointe Shores to make the promotion of Sgt. Charles Wenrich to the rank of lieutenant," Mr. Schroeder said. "I don't have to tell you that Chuck is a very dedicated public servant. His leadership has contributed to the fine reputation of the department."

The position of lieutenant will now be second in command of the department.

In accepting the promotion, Lt. Wenrich thanked Mr. Schroeder and the trustees, stating he would continue to do his best to serve the Village of Grosse Pointe Shores.

Chief Vitale commented that Wenrich was a good choice for the post.

"Lt. Charles Wenrich is an excellent public safety officer and a good, dedicated public servant," he said. "He deserved the promotion and worked hard for it. I am very pleased the village fathers saw fit to elevate him in rank."

Lt. Wenrich has been with the Shores Department of Public Safety longer than any other officer, having served there 23 years. From 1951, when he joined the force, until 1958, he was assigned to scout car patrol. In 1958 he was promoted to sergeant and in 1968 he assumed Fire Marshall duties. In this capacity he established a comprehensive fire training program for all department personnel.

During his public safety career, Lt. Wenrich has taken specialized courses of study at various institutions including scientific criminal investigation and modern management methods at Michigan State University, civil defense and disaster training at the University of Michigan and civil disturbance training with the Michigan State Police.

Before asking the lieutenant to come into the council chambers for the formal presentation, Mr. Schroeder explained to the trustees why he proposed the promotion.

He said the public Safety Department has been short one man since an officer was granted a disability retirement this year. Because of this the three shift pattern with six men each was disrupted.

This sometimes resulted in a shortage of manpower and necessitated paying overtime to some officers. Mr. Schroeder said the creation of the lieutenant's rank will eliminate the problem since Lt. Wenrich will go back into uniform and work a regular shift.

The trustees voted unanimously to officially confirm the promotion.

27 Men Fight Fire in Woods

Twenty-seven firefighters from The Woods, (including auxiliary officers), and Harper Woods participated in fighting a blaze at a Brys drive home early Saturday afternoon, November 20. There were no injuries in the fire, which originated in the basement and ultimately filled the entire house with smoke.

Materials first ignited included a paper box and its contents located near the furnace. The possible cause of the blaze, it's believed, was the proximity of combustibles to the furnace.

In his report, Sgt. Thomas Kane said Mrs. J. K. Desai was in her kitchen when she smelled smoke. After going to the basement to investigate, she discovered a cardboard box and its contents burning in front of the furnace.

Mrs. Desai notified a relative, who was in an upstairs bedroom, and together they took two children out of the house and then reported the fire.

Upon his arrival, the sergeant saw a large amount of brown smoke pouring out from windows on both floors. The family room also was burning freely, he said.

Firefighters hooked up the pump at a hydrant two doors west of the residence and extinguished the blaze in the family room with a booster line.

The snorkel was moved from the rear of the pump to a position directly in front of the home. A 2 1/2-inch line was applied through a basement window for three to four minutes. This line was ordered shut down when an attack was made down the basement stairs with two 1 1/2-inch lines. Windows on both floors were opened for ventilation purposes.

Set Inspection Fee Schedule

During a regular meeting held Monday, November 18, The City Council established an inspection fee schedule for its new Housing Property Maintenance Code which was adopted at its regular October meeting.

At that time the council put off the matter of setting up a fee schedule for further study.

The program, which goes into effect December 1, calls for a dwelling inspection and issuance of a Certificate of Occupancy each time there is a change of residence.

Inspection fees are \$45 for single and two-family dwellings and \$15 per dwelling unit with a minimum fee of \$45 for a multiple dwelling consisting of three or more units.

Voluntary inspections, when the resident does not necessarily need the Certificate of Occupancy but requests the check be done, will cost \$25 for single and two-family dwellings and \$10 per dwelling consisting of three or more units.

An additional charge of \$15 per hour or portion thereof will be charged when more than three code inspections are required in the same dwelling unit resulting from application and issuance of a Certificate of Occupancy.

Slides, Prints To Be Judged

A competition meeting of the Grosse Pointe Camera Club has been set for 7:45 p.m. Tuesday, December 3, in room C-11 at Brownell Middle School.

Area photographers and the general public are invited to view the color and black-and-white prints and color slides that will be up for judging. Judging will also include an analysis of technique and suggestions for improvement.

The club notes that the commentary should benefit all who attend.

Park Changes Meeting Night

The Park council on Monday, November 25, rescheduled its regular session from Monday, December 9, to Monday, December 16, since several members will be absent from the city on the first date.

The first Monday meeting of each December is designated as Awards Night, whereby employees who have worked for the city for a given number of years are awarded pins. Also honored are the municipal employees who have retired from service since last December.

The Awards Night is scheduled for after 7:30 p.m., the time of the meeting that evening.

Normally, the city council holds its sessions on the second and fourth Monday of each month, starting at 5 p.m.

It was pointed out that after the December 16 session, there will be no meeting until Monday, January 13, at 5 p.m.

## 'Woods Heritage Group' Name for Busy Seniors

By Roger A. Waha

As the holiday season approaches, Woods senior citizens have a variety of activities currently underway with others being planned.

Of these, one activity already held has given the seniors group a definite identity. This was a contest in which seniors submitted titles to call the organization. The one selected was the idea of Mrs. Clifford Greenburg, of Cook road, who submitted the name, "Woods Heritage Group," reported Irene Sutton, chairman, Woods Senior Citizens Commission.

Now, a contest is planned to design nameplates for seniors to wear to their bi-monthly meetings.

Several activities already underway include the gathering of material to make

dressers for Goodfellow baskets. Mrs. Sutton said the Grosse Pointe Kiwanis Club contributed \$40 to buy material for this yuletide project, and that any "little dresses" will be accepted for a contest in which the person who makes the most outstanding dress will be cited.

Judges are scheduled to name the winner at the group's Thursday, December 5, meeting at the First English Evangelical Lutheran Church, 800 Vernier road. For further information on this project, call Alice Rown at TU 4-2058.

Painting and bridge lessons are being given to seniors on meeting days, says Mrs. Sutton, at 50 cents a lesson. Two hours are set aside before the meeting begins and after it concludes for the instruction. Mrs. Chloe Boehn is the painting teacher, while Mrs. Jacqueline Mousiaux is handling bridge instruction. All seniors have been furnished supplies.

The citizens will have a big day at their Thursday, December 19, meeting. At that time, the group will have a Christmas party at North High School which includes dinner, a meeting and a choral concert. "North High principal G. Bruce Feighner invited senior citizens to the Christmas Choral Concert free of charge," said Mrs. Sutton. The catered dinner costs \$3.50.

This event, along with the Goodfellow project and interaction with the Kiwanians, is what she terms "community involvement." In this way, seniors, she feels, become involved with the high school and various local groups. The party begins at 6 p.m. with the deadline for reservations set for Friday, December 6. For further information on this affair, call Mr. and Mrs. William Elliott at 884-5256.

Finally, the "Woods Heritage Group" is making plans for a trip to Hawaii on January 4. A maximum of 40 persons can go on this conducted tour, she stated. For further information on this two-week trip, call Adele Ryder at 881-1750.

## Cites Hazards Of LS Corner

The Farms Council at the regular meeting Monday, November 18, received a communication from Wayne County Commissioner Ervin A. Steiner Jr., transmitting a letter from a Shores resident concerned about traffic flow at the Moross road-Lakeshore road intersection.

Robert F. Weber, of The Shores, recommended that northbound Lakeshore road be widened at Moross road to provide a left turn lane.

Mr. Weber also recommended that Lakeshore be widened at Vernier road in The Shores for the same purpose.

The council members stressed that the road is a county road and county funds go toward its improvement. Farms Police Chief Robert Ferber told the council that the Moross-Lakeshore intersection is the second highest accident spot in The Farms, following the Moross road-Mack avenue intersection.

Chief Ferber said the left turn only lane has merit and would not necessitate major construction since three narrow lanes exist at that site. He added that if there were a priority on the funds available for an improvement project in the area he would rather see the money go toward widening southbound Lakeshore road at the intersection.

Chief Ferber said cars turning right onto Moross often sideswipe Moross road cars since the turning radius is so small.

If improvements were made at this location the cost would be shared by The Farms and the county since Moross road is a Farms right-of-way.

It was noted that any improvements the county wished to make on the road would have to receive council approval.

## Leaf-Bagging

(Continued from Page 1)

Because of this, leaves generally cannot be raked more than 24 hours before the collection.

It also was noted that leaves in the backyard must be raked all the way down to the front curb which entails more effort than bagging them at the backyard site.

A safety factor was also mentioned. Small children often play in piles of leaves and could be struck by cars riding through the piles. Bicycles and autos can also fall victim to hidden bottles that could damage tires.

The leaf-collecting season is just about over now with most trees barren of leaves.

## LARGE AGENCY

The American Red Cross is the nation's largest single collecting, processing, and distributing agency for blood from voluntary donors, and provides nearly four million units annually.

## Beautification Group

(Continued from Page 1)  
 sion," she said, while adding the city has the makings of a good commission personnel wise. "At least, we could form a commission at this point."

Councilman Rodger A. Graef stated he wanted to clarify his "no" vote on the motion, and said he wanted it made clear he had no objection to the subject matter being referred to the C-W for further scrutiny.

## Worried About Cost

Mr. Graef told the NEWS he differed with Dr. Howe on the means to the end in accomplishing such beautification. He felt, with the formation of such a group whose interest would be concentrated in one area, cost factors could get out of line. He also was concerned over potential maintenance problems in this regard.

"The doctor seemed to infer that the city has done nothing on this front. While there has been some apparent lack of interest in this area, overall, the city has moved forward in this area,"

he said. Mr. Graef then cited the work of various groups towards beautification and, as an example, mentioned the Kiwanis Club and its donation of money for the planting of trees.

He stressed he was in favor of progress in the area in both residential and commercial districts but felt it should be a voluntary thing on the part of both citizens and businessmen, e.g., in helping keep their community clean.

## PROVIDES BIG KICK

North High School graduate Phillip Bertelsen, 21, a three-time varsity letter winner on Michigan State University's soccer team, once again gave the Spartans a solid boost on the field. The 5 foot, 11 inch senior held down the top spot in the full-back line this season.

Enthusiasm accomplishes little unless accompanied by a certain amount of planning and hustle.

## Woods Nixes Variance Bid

The Woods Council sitting as a Board of Appeals denied a request for a variance in rear-yard and lot width requirements at the regular meeting Monday, November 18.

At the session, the petition of Nick DiGiacomo and Mr. and Mrs. Franco Costantini, of 19691 Anita Avenue, Harper Woods, for a deviation and variance in the aforementioned requirements to permit the construction of a proposed residence located on Vernier road between Morningstar drive and Wedgewood drive was considered.

Neither Mr. DiGiacomo nor Mr. and Mrs. Costantini attended the meeting and no one else spoke in favor of the request. On the other hand, several citizens spoke against the petition.

During the discussion, it was noted that three variances were needed in this case. These included the width of the lot, plus the east side yard and west side yard portions; the depth was in conformance with zoning regulations.

Mayor Benjamin W. Pinkos said the granting of the variance must be based on hardship. And without the petitioners in attendance to state their case, it appeared the council was at a loss to determine specifics on the hardship front.

Councilman Rodger A. Graef said he failed to see a display of hardship in this instance and moved that the petition for a variance be denied. His colleagues unanimously agreed.

## GP Rotary Club Seeks 3 Fellowship Candidates

An opportunity to enroll for a year of expense-paid graduate study at any college or university in the world awaits three young men or women in the four-county area of Wayne, Monroe, Lenawee (Michigan) and Essex (Ontario), according to Fred Seltzer, president of the Rotary Club of Grosse Pointe.

"This is the official start of our search for qualified candidates to be nominated for the very prestigious Rotary Fellowship," Mr. Seltzer explained, "and all of us in Rotary are convinced that there are good prospects right here at home for this unmatched educational plum."

According to Mr. Seltzer, the Rotary Foundation in Evanston has guaranteed three of these awards for the 1976-77 school year to Rotary District 640, in which the local club functions.

Four types of awards are available: (a) Graduate Fellowships for those with Bachelor's Degree or equivalent, between the ages of 20 and 28; (b) Undergraduate Scholarships for those with at least two years of university level work in the 18-24 age span; (c) Technical Training Awards for those with secondary education and at least two years working experience, aged 21 to 35; and (d) Awards to teachers of the handicapped, (25 to 50 age limit), who have been engaged as full-time teachers, (at least two years), of the mentally, physically or educationally handicapped.

Each award includes round-trip transportation, ed-

ucational and living expenses for one academic year, and funds for intensive language training, if necessary.

Each Rotary Club in District 640 invites applications from prospective awardees residing in the area, regardless of where they have attended school.

After each local club has screened and evaluated its applications and interviewed the candidates personally, files are forwarded to a District 640 Committee which makes the final selection of three nominees and alternates; these recommendations are sent to the Rotary International Foundation in Evanston for final approval.

"Since the Foundation began its program of sending young adults abroad for study and to act as goodwill ambassadors from their home countries, more than \$17,500,000 has been expended to provide this educational prize for more than 6,000 young people. The Foundation is a non-profit enterprise and funds are voluntarily subscribed for this noteworthy cause by Rotarians and friends of Rotary."

"We know there are qualified candidates in our community, and we intend to locate and encourage them to apply. We urge young people who are interested or their parents, friends, teachers and other educators, to report names of potential Fellows to us promptly. Every member of the Grosse Pointe Rotary Club has details and will explain the program and supply printed material upon request," Mr. Seltzer said.

"Someone in the Grosse Pointe area deserves this honor, but we need help in knowing who, and where they are."

Current scholarship winners from the District include: Bridget Erickson (Dearborn), studying in Lucerne, Switzerland; Mary Jo Meyers (Westland), a student in Argentina; and Scott McCullough (Dearborn), doing graduate work in London, England.

### FIRST DIPLOMAT

Brandon H. Grove, the nephew of real estate broker George R. Grove, of Hampton road, is the first American diplomat assigned to East Germany. He recently arrived in East Berlin as part of an advance party preparing for the opening of the U.S. Embassy in that country. Mr. Grove will be deputy chief at the embassy. The U.S. recognized East Germany in September, reversing a quarter-century-old policy of officially ignoring the Communist half of Germany which was established as a republic in 1949.

## City Replaces Dead Trees

The City Council, in action taken at its regular meeting on Monday, November 18, approved the purchase and planting of 47 trees to replace those lost this past year as a result of Dutch Elm Disease, storm damage and other causes.

The locations and type of trees suggested for planting have been selected to permit proper growth and also to provide harmony with existing trees. Included in the planting schedule are seven trees to complete the planting at Elworthy Field on the north side of Waterloo.

The City received bids for the job on Thursday, November 18, and the council ac-

cepted the recommendation of City Manager Thomas Kressbach, that Shock Brothers, Inc., be hired to do the work for a price of \$3,198.

## City Opposes Edison Hike

The City Council, at a regular meeting held Monday, November 18, pledged \$500 from its annual street lighting charges to join forces with city fighting the Detroit Edison Company's request to increase street lighting rates.

The opposition to the rate hike, spearheaded by Highland Park, and chaired by that city's finance director, Grant B. Alberts, includes about a dozen municipalities, among them The Park and The Woods, each of which has pledged \$3,000.

Mr. Alberts has asked each community to commit two percent of its annual street lighting charges or a maximum of \$3,000, whichever is lower, in order to deter the Michigan Public Service Commission from granting the hike sought by Edison.

The Michigan Municipal League acts as holder and administrator of all funds.

Councilman Robert Nugent abstained from voting because he works for the Detroit Edison Company.

## Entries Being Accepted For Miss GP Pageant

By Roger A. Waha

The Jaycees are accepting entries for next year's Miss Grosse Pointe Scholarship Pageant which will be held Saturday evening, April 5, at the War Memorial's Fries Auditorium.

The minimum age for entrants has been reduced from 18 to 17 years by the national Miss America Pageant, said George A. Williamson, pageant general chairman and publicity director. The maximum age is 28 years.

"All girls must be residents of Grosse Pointe or attend Pointe schools. This includes the Harper Woods portion of The Pointe school district," he said. "There's also no limit on the amount of entries we can receive."

In citing some of the requirements for prospective entrants, Mr. Williamson said the young ladies must be single, of a good moral character and should have a talent or the ability to develop a talent. He stated participation in the pageant will give the

girls theatrical training, poise and a chance to meet many people in the community.

Entries are being taken by Tom Andris and Gil Finger, and this week's edition of the NEWS contains an entry blank for submission to the Jaycees. Mr. Finger can be reached for further information on entries, which close January 26, at TU 6-8487.

Members of the pageant committee are currently making preparations for the big night. The theme of the event, which is under the direction of Rick Stander, is "This Is My Country." At this stage, the group is putting together the rehearsal schedule as well as the music and props for the production.

Mr. Williamson announced that the South High School Stage Band under the direction of Russell Reed will be handling music for the pageant.

## Set Sentencing for Burglars

Two Macomb County residents, who were originally charged with breaking and entering an occupied dwelling in The Shores, pled guilty to a charge of attempted breaking and entering of the home of Dr. Frederic Watts, 7 Crestwood, at their trial held before Circuit Judge Blair Moody on Monday, November 18, information released by Shores Det. Sgt. Frank Mustazza revealed.

The pair's guilty plea to the lesser charge could mean up to 10 years in prison, rather than 15 years under the original charge, it was said.

The accused men, have been remanded to the Wayne County Jail until sentencing date, set by Judge Moody for December 16. Their bond of \$10,000 was continued.

Awaiting sentence are Dennis Young, 19, of 21155 Eastwood, Warren; and Clifford J. Steggell, 22, of 14616 Jacon, East Detroit.

The convicted duo are accused of entering and ransacking the doctor's home and looting it of more than

\$17,000 in cash and other items last September 9, including a late model car. Dr. Watts and his family were absent from home for several weeks at the time.

The entire loot taken from the house, and the car, was recovered by Washtenaw County deputy sheriffs, Randy Evans and Dan Cook, both of whom were credited with clearing the Watts burglary.

The deputies arrested Dennis and Steggell in Ann Arbor. While on routine patrol, the officers passed a gasoline service station, when they observed a late model Cadillac parked in the driveway and decided to investigate. Not only did they find and recover all the loot taken from Dr. Watts, all of which was in the car, the deputies found a loaded gun.

After charging Dennis and Steggell with carrying a concealed weapon and possession of stolen property, the Washtenaw authorities released the pair to Shores police for prosecution for the Watts burglary.

## Auto Looted in Club Lot

A portable television set and hockey gloves and other items were reported stolen to Shores authorities on Saturday, November 23, from a Grosse Pointe Yacht Club employee's car, parked on the Yacht Club's premises.

John A. O'Connell Jr., of 20635 Woodland, Harper Woods, a bartender at the club, told Shores police that he was about to take his TV into the building and on second thought decided against it until he got permission from the manager. He said his auto was in the employee's parking lot on the property.

Later, he gave his car keys to another employee, a friend,

and asked him to bring in the set. The friend returned to inform him that the television was not in the car.

Mr. O'Connell went to his car, which he had locked and which he found was still locked, and found that his friend had told the truth. He also found that not only was the set gone, but also several items of hockey equipment which were in the vehicle.

The bartender and police searched the area, including behind bushes around the parking lot, but found nothing. The owner said that the TV set cost \$80 when he purchased it brand new about three years ago. He valued the stolen articles, including the set, at about \$200.

## Chorus Offers Yule Concert

The Grosse Pointe Community Chorus will present its 22nd Christmas Concert on Sunday, December 8, at 3 p.m. in Parcels Middle School, Mack avenue and Eight Mile road.

The chorus will be singing a variety of Christmas songs. Soloists on the program will be Judy Hebda, Fat Bahn, Rita Opydyke, Walt Schlietling, Dolores Shaheen, Helen Whalen, Ted Krollowski and John Slimko.

On "Sing We Now of Christmas" by Harry Simeone they will be accompanied by young instrumentalists from South High School performing under the direction of Russell Reed. On trumpets will be Charles Austerberry, Don Miller and Dave Pear.

On trombones will be Joel Dykstra, Bill Deibbaugh and Dave Ehrlich. Rick Berg, Charles Boyce and Dan Zinn will handle percussion, and Leonard Swanson, tuba. Playing piano will be Janet Young, official chorus accompanist along with Lois Johns, wife of the director.

Tickets are available at the door — \$1.50 for adults and 50 cents for students. For information call the director, Richard Johns, 886-0710.

## Woods Studies Quotes on Audit

The Woods Council is currently studying quotes on auditing the city's budget over a three-year period, (1975-1977), from four different accounting firms. The solons referred these quotes to the Committee of the Whole for further scrutiny at the regular meeting Monday, November 18.

The companies and their quotes include: DeCook, Lutz and Solomonson, 1975-77, \$7,880 with inflation adjustments for both 1976 and 1977; Coopers and Lybrand, 1975-77, \$9,000 maximum, with a decrease if actual hours involved are less than estimated.

Others include: Touch Ross and Company, 1975, \$8,500, 1976, \$9,300, and 1977, \$10,200; and Price, Waterhouse and Company, 1975, \$11,000, 1976, \$11,900, and 1977, \$12,900.

# Save money this winter

## Cut your heating costs up to 17% with our official insulation program.

Last fall, at the direction of the Michigan Public Service Commission, Michigan Consolidated introduced a low-cost home ceiling insulation program designed to conserve Natural Gas and cut heating costs up to 17%.

How successful has the program been? Well, in the past 10 months, more than 37,700 homeowners have installed ceiling insulation and, as a result, over one billion cubic feet of Natural Gas per year is being conserved. That's enough to heat over 6,500 additional homes this winter. And, that's why we're continuing our insulation program again this fall. Because *now* is the time to insulate and save.

The heart of our program is simply this: Install six inches of ceiling

insulation in your home. It's a quick, easy and inexpensive project that most homeowners can accomplish by themselves for about \$100.

How can you get the job done? First, you can do it yourself, and we'll gladly provide a free handbook that tells you how. Secondly, you can have it done by an insulation contractor and, if you wish, we will provide you with a list of qualified firms. Or, third, we can have the job done for you through one of our participating subcontractors. The cost is often under \$200 for homes with less than 1,000 square feet of ceiling area.

If you want the job done through one of our participating subcontractors, we have a payment plan to suit every budget. You can pay cash. Or, you can pay over an extended period at an interest rate of 1% monthly on the unpaid balance. (ANNUAL PERCENTAGE RATE OF 12%.)

The need for energy conservation is as great today as it was last year. So insulate now. You'll be holding down winter heating costs and saving Natural Gas, too. Call us for details or for a copy of our handbook.

Our Gas is your lowest-cost fuel; conserve it and you'll save even more.

## Cubs Plan Sale Of Yule Candles

Scouts in Cub Pack 86 have chosen to sell Christmas candles as their holiday fund raising project. The 8 by 3-inch candles come in blue, yellow, green or red and can be purchased from any pack member for \$2.25.

Trombly scouts have been busy throughout the fall with activities which have included a successful paper drive, a cookout pancake breakfast and a trip to a Tiger baseball game.

At pack meetings the following scouts received their Bobcat badge: Den 1 — Colin Frank, Craig Kvale, Jeffrey Thomas, Richard Urso Jr., Eric Grider and Kirk Drettman; Den 2 — George Hess, Jeffrey Bodkin, Bill Hermann, Ernest Blazer, Peter Kelley and Harry Potter.

Den 3 — William Herbold, Richard Lintvedt, Charles Seicluna, Ashraf Shaalan and Steven Rotta; and Den 5 — Greg Summerville. From the Webelos, Robert Young received a recruiter's badge.

The pack hopes Park residents will be at home the evening of Friday, December 13, as Pack 86 members will be singing their Christmas best wishes to all.

For further information on the candles, call Mrs. John Bodkin at 881-3237.

## Boat Dockage Proposal Hit

The Woods Council unanimously received and placed on file a letter focusing upon the boat dockage procedure at Lake Front Park at the regular meeting Monday, November 18.

"It has come to my attention that the council is giving serious consideration to denying persons who have rented boat dockage at The Woods park the longest the right to renew their dock rentals in 1975," wrote Thomas A. Gallagher, of Hampton road.

He felt the council should give more respect to its own people whom they serve, "especially those who have paid rents over the years and have financed the present dock facilities."

Related to this, the council at its October 21 session unanimously referred to the Committee of the Whole for further study a letter from resident Richard Prietz, a public safety officer, which cited alleged inequities in The Woods' boat dock assignment procedure as contained in a section of Ordinance 269, which focuses upon boat dockage facilities.

Some folks waste time waiting for words of encouragement.

## Re-create Scene

Sixth graders at Kerby Elementary School re-created the first Thanksgiving scene in a hall showcase so that all the boys and girls in the building would understand how the Pilgrims celebrated. Shown putting the finishing touches on their handiwork are, (from left to right), JANE WILSON, DAVID BOYCE and CHRIS WARREN under the watchful eyes of their teacher GERALD RICARD.

## Hall, Orley Receive Honors

The International Career Management Institute honored two Pointe men at the organization's 216th management counseling session held at the Georgian Inn Thursday, November 21.

Edward I. Orley, of Pear Tree lane, was one of two men named Mr. Business Enterprise by the institute. He is the Director of Fiscal Affairs at Art Centre Hospital.

The MBE award recognizes top executives who provide positive reinforcement to tomorrow's executives through sharing their successful experiences. Recipients form a select leadership group of over 200 business executives across the United States who further excellence in management practice through the systematic utilization of knowledge for improved productivity and profits.

## Adult Ski Club Slates Parties

Prior to the opening of its busy winter skiing season, Grosse Pointe War Memorial's Adult Ski Club plans two activities for members and friends, both at the Center, 32 Lakeshore road.

On Tuesday, December 10, at 8 p.m., the Club will hold a Christmas square dance. The square dancing will be strictly for fun with the caller instructing and guiding novices.

Refreshments will be available and the ballroom will be aglow with Christmas decorations and a huge twinkling tree. Tickets for the event are \$3.50.

A wine tasting party will be held Friday, December 20, at 8 p.m. with professional lecturer Bill Jones explaining the fine points and uses of choice wines.

Reservations for the wine tasting party, at \$6 each, must be made at the Center no later than December 18.

## At NBD, you get a lot more than 7 1/4% interest.

Let's be honest... just about every bank in Detroit will give you 7 1/4% interest on savings certificates of \$1000 or more left on deposit for 4 years. And so will National Bank of Detroit.

But NBD can give you something extra no other bank in Michigan can give you — the security of dealing with Michigan's

biggest bank, with assets of more than \$8,000,000,000.

And you don't have to have a thousand dollars, or leave your money on deposit for 4 years, to have your savings protected by NBD. The same \$8 billion in assets, and long-time reputation for financial soundness, stand behind every NBD savings plan... even if you open a

regular EveryDay Interest account with only a few dollars.

Why not get the safety and security of Michigan's biggest bank, by starting a savings program at the NBD office near you?

We have what it takes to make banking a lot better for you.

## Park Solons Okay City Employees' UC Benefits

At its regular meeting held on Monday, November 25, the Park council opted to enact an ordinance, as one of three alternatives, whereby the city's full-time employees would be covered under the Unemployment Compensation Act (UCA). City Manager Robert Slone and City Attorney Richard Rohr, who are ironing out the finer points of the ordinance, said they will have it ready for State approval by the deadline, December 31.

Both informed the council that the State Legislature recently enacted a statute, which makes it mandatory that cities come under the Unemployment Compensation Act and must provide unemployment benefits to employees who are laid off. The benefits will not cover part-time employees, for example, such as those hired during the summer months when on vacation from colleges and universities.

Mr. Slone and Mr. Rohr disclosed that the Park had three options under which benefits could be enacted, one through the ordinance, approved by the State; and two others controlled by the State. If the city chose the State method, it would have to pay into the UC, just as private industries and employers do, or let the State handle the administration of the collecting of the UCA funds. Under both these methods, unemployment compensation is paid out by the State.

Mr. Slone and Mr. Rohr recommended that the city enact its own ordinance, thereby depositing the funds in the bank and drawing the interest from it.

If the ordinance is sanctioned by the State, then the city's laid off full-time employees will draw unemployment benefits distributed by the city itself. To the best of any Park official's knowledge, no employee has ever been laid off, but the compensation, which will be considered as a fringe benefit, will be available as a safeguard, it was said.

## Judge Pytell Hears 9 Cases

Nine cases came before Farms Judge Robert Pytell Wednesday, November 20. All nine defendants were found guilty.

Jon S. Smith, of 19972 West Doyle place, pled not guilty but was found guilty of accelerating through a yellow light. He was found guilty and fined \$20.

Roberta G. Trombly, of 1304 Beaconsfield, was found guilty after pleading not guilty to failing to signal and was given a suspended sentence. Mark Wayne, of 98 Webber place, pled not guilty to going through a red light. He was

## Will Prosecute Bike Violators

In a communication to the Farms Council Monday, November 18, Farms Municipal Judge Robert Pytell informed the members that arrest warrants would be signed for persons who violate bicycle safety laws and do not settle their tickets before or on the court date.

Persons who are ticketed for bicycle violations have two alternatives: a fine, the amount of which is stated on the ticket, can be paid or the person can come into court on the specified court date and protest the ticket.

If either alternative is not followed, the judge said he will sign an arrest warrant for all alleged offenders 17 years of age and older.

## Council Accepts Resignation

The resignation of Farms Councilman E. Rust Muirhead was accepted by the Farms Council at its regular meeting Monday, November 18, and a resolution of appreciation to Mr. Muirhead was adopted.

Mr. Muirhead, who has been a council member since 1969, has resigned to accept a business position in California.

In 1969 he was appointed to complete the term of Councilman William Kirby who died while in office. At the following municipal election Mr. Muirhead ran for the council seat and was elected in his own right.

The council now has 60 days to fill the vacancy according to a Farms ordinance.

The appointment will last one year, the unexpired portion of Mr. Muirhead's term.

Mayor William Butler commended the work Mr. Muirhead had done while serving on the council.

The mayor expressed his hope that a replacement could be named quickly.

"I think it important that the council be at full membership since we have so many important matters to discuss," he said.

## AAUW Donates Resource Book

The Emerging Nations resource Directory 1974 has been donated to the Grosse Pointe Central Library and the North and South High School Libraries as a "community service by the Grosse Pointe Branch of the American Association of University Women.

Copies were placed for ready availability to students, in the hope of encouraging young people's awareness and interest in Foreign Affairs.

Distributed throughout Michigan to the 87 communities where AAUW Branches are located, the Directory was compiled as a means of informing and interesting people at the local level in the developing nations of the world.

The volume is an outgrowth of AAUW's long history of interest in international relations. Over the years members have studied and supported forward-looking legislation in the area of Foreign Affairs.

This year's Grosse Pointe AAUW program includes a group devoted to the current national study topic: Global Interdependence — Budgeting for Earth.

## Auto Recovered In Mississippi

A 1974 Lincoln Mark IV, stolen from the drive of a Wedgewood road resident early last month, was recovered in Tishomingo County, Miss., reported Woods police on Monday, November 18.

However, while the vehicle was reported to be in a driveable condition, an estimated \$2,700 worth of tools, which were in its trunk, were found missing.

The total amount of recovery is \$7,500, police added.

## APPROVE PAYMENT

## Pointe Puppeteers Perform

ANGIE KEMP and JASON GROBBEL, who gave three performances in the toy department of Jacobson's last Saturday, November 23, stand alongside the stage they made. Their youthful admirers, among some 150 children who enjoyed one of the shows are, (left) JENNIFER BARNHART and HEDDI SUCZEK.

In spite of their youth, puppeteers Angie Kemp and Jason Grobbel are really entrepreneurs. Their Groemp Theater, (which combines the two last names), is a business venture complete with office and bank account. And the two cousins, both of Three Mile drive, treat their show with all due seriousness and respect.

But it was a series of light-hearted half-hour-or-so performances they gave in Jacobson's toy department at noon, 2 and 4 p.m. last Saturday, November 23, and for approximately 150 children who caught the 2 p.m. act, it seemed to be sheer delight.

With the expertise of pros, Angie and Jason put their collection of 8 marionettes through a three-act routine complete with music, song and dance. That they charmed their audience comes as no surprise to them since they figure their act appeals to all ages.

The two 12-year-olds have been in show business for about a year. It all started when Jason got his first puppet for Christmas, and the kids would like to continue performing for as long as possible. They are hoping to acquire more puppets this Christmas.

They say they rehearse a lot for the two or so performances they do a month, mostly at birthday parties, and base their scripts on books they've read and adapted to suit their own tastes or artistic inclinations.

Initially Mrs. William Kemp came with the children to talk with Jacobson's manager, Clarence F. Wascher, about having the kids perform for the store, but Jason and Angie really got the job on their own.

When they were inter-

viewed a second time on their own, they explained their belief in the ageless appeal of the Groemp Theater and were hired on the spot.

## Woods Studies Park Problem

City officials and the Woods Citizens Recreation Commission are still working on a proposed ordinance with the City of St. Clair Shores regarding the enforcement of rules and regulations governing Lake Front Park.

"All we will be doing ultimately is making a request of St. Clair Shores to adopt an ordinance governing private parks in their community," said City Attorney George Catlin.

Another possibility is that an amendment could be proposed to St. Clair Shores' ordinance which centers upon its park rules and regulations.

The Lake Front Park is located in St. Clair Shores and flowing from this are jurisdictional complications regarding police aid to enforce park rules.

"In St. Clair Shores' measure, there's no application of park rules to private parks owned by other communities, felt Mr. Catlin in his reading of the law.

It's true—it takes two to make a quarrel, but when one is willing it's easy to find another.

## Church Group Slates Messiah

Unity of the Infinite Presence will present a concert of Handel's Messiah at 8:30 p.m. in the Grosse Pointe War Memorial, on Wednesday, December 18.

The program will feature as soloists Carolyn Grimes, Robert Angus, Eleanor Felver and John E. Henkel, with the John Dovaras Singers and members of the Detroit Symphony Orchestra.

Handel's oratorio, Messiah was composed in 1741 and first performed in Dublin before an audience of about 700 persons. Since then, its beauty and power have captivated audiences all over the world.

Further information may be obtained by calling 521-5800.

## Spanish Club Meets Monday

Dr. Arturo L. Roberts will speak at the monthly meeting of the Grosse Pointe Spanish Club on Monday, December 2, at 8 p.m. in the War Memorial.

Dr. Roberts' talk entitled, Argentina, Charia para Estado Unidenses, will deal with his native country and the features it shares with the United States. The talk will be illustrated with slides.

Dr. Roberts, who is now

living in The Woods with his wife, Olga and their three children, is a native Argentinean and has spent many years in Patagonia, where his family ancestry goes back for more than 100 years.

Due to a lack of overall support for Monday night bingo, the Jaycees cancelled the games because of financial problems, as the event wasn't showing a profit.

At the same time, the organization wished to thank the residents who participated in the games.

Jaycee president "Ric" Rutan gave a special thanks to Dave Kingwell, who was bingo project chairman, and added he would keep alert to the bingo idea and see if it might be possible to reinstate the games in the future.

## Wine Solves Gift Problem!

In conjunction with fine wine stores throughout the country, Sonoma Vineyards makes it possible for individuals and business firms to give gifts of superb wines from California's famous North Coast District to friends and business associates almost anywhere in America. They can be delivered through participating wine merchants in hundreds of cities across the nation in three weeks or less.

Every bottle in each gift assortment is presented with a special inscription on the label to honor individuals and commemorate special events with unusual distinction.

Gift wines from California offers assortments of these outstanding wines in gift units of either 6 or 12 bottles, modestly priced for distinguished wines of recognized quality.

Upon receipt of your order a handsome gift announcement will be mailed direct from the winery to your recipient.

Call or see Village Foods Market at 18328 Mack, 882-2530, where special case prices are available on all wines. Adv.

## Listening In at North

The most recent board meeting of the Parents Club at North High was kicked off by a report of sophomore class activities given by Tom Rousseau, class president.

Coming up in the future are a class button design contest, a fudge sale, a ski trip, a car wash, a T-shirt sale, a class dance and a trip to Cedar Point.

Consideration is being given to the purchase of new skirts and jackets for the Valkyries, the active girls service group sponsored by Elaine Hayes. The group is composed of juniors and seniors who act as ushers and guides at the school.

President Dan Beck reported that, through the cooperation of parents, there was no vandalism at North during Halloween time.

Assistant Principal Jim Cooper announced that over 100 parents attended the meeting on financial aid for prospective college students held recently at the school. Wayne State University is offering five full tuition scholarships based solely on academic merit to North students and Northern Michigan University in Marquette is offering two such scholarships.

Hundreds of helium filled balloons soared off at the North-South football game, each with a postcard attached so it could be returned to Grosse Pointe, as part of a project to benefit the Foreign Exchange Club. Postcards have been coming in daily, some from as far away as northern Ontario.

Residents are encouraged to invite North's AFS students Timo Ruikka, of Finland, and Ann Charlotte Berggren, of Sweden, to their homes. Contact may be made with them by calling the school.

North and South High will present a Christmas Tea and Concert to the community on Wednesday, December 4, in North High at 2:30 p.m. The combined choirs will perform Christmas music and there is no charge for the afternoon.

Have Suspect  
In Car Theft

Farms police have a suspect in the theft of a car about 9 p.m. on Thursday, November 21, from in front of Gene's Party Store, 383 Kercheval avenue.

Derek Balabuch, 18, of 19321 Ike, Roseville, was arraigned before Farms Municipal Judge Robert Pytell Friday, November 22, on a charge of unlawfully driving away an automobile.

He was released after posting a \$1,000 cash bond. An examination was set for Wednesday, November 27, in Farms Municipal Court.

John Meurer, of Mt. Vernon road, reported to Farms police Thursday evening that his car had been left running outside the party store while he went into the store.

Police said the theft was entered into the Law Enforcement Information Network, (LEIN).

A witness told police she saw the suspect enter the vehicle outside the store. He was apprehended in Roseville by the Roseville Police Department.

The man was transported to the Farms where he was placed in a cell. Farms Det. Joseph Miller obtained a warrant from the Wayne County Prosecutor's Office Friday, November 22, charging him with the theft of the car.

## DR. BEDELL HONORED

Archie W. Bedell, M.D., Ph.D., director of the family practice residency program at Bon Secours Hospital, was elected a fellow in the American Academy of Family Practice, the highest standing in the Academy. He gained extensive experience in clinical practice, passed the examination for certification by the American Board of Family Practice and contributed to the advancement of the profession through teaching posts at Wayne State University School of Medicine as associate professor of family medicine and associate in the department of anatomy. Dr. Bedell was appointed director of the family practice residency program at Bon Secours in July.

## Cinema League Meets Dec. 5

"Wild Flowers of Northern USA" or "Nature in 3 Dimensions" will be the subject for the next meeting of the Cinema League on Thursday, December 5, in the Alger House of the War Memorial.

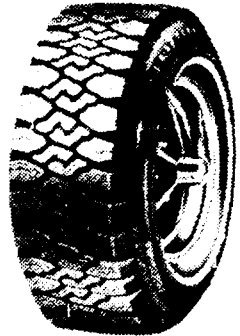

The session begins at 8 p.m. The program has been planned by Edgar A. Hahn, who's a fellow of the Grosse Pointe Camera Club, a member of the 3-D Society of England and an associate of the Photographic Society of America.

He's a four star exhibitor

and has won many awards in the PSA. The viewer will don special glasses to see these unusual three-dimensional nature slides.

Hostesses for the evening will be Mrs. Richard Pascoe and Mrs. Lester Elliott. As usual, the public is invited to attend. There is no admission charge.

## Police Catch Thief Napping

Freddie Lee Ruffin, 27, of 12050 Tuttle Hill, Milan, Mich., was literally caught napping and arrested for possession of stolen property under \$100.

Ruffin was found asleep in the rear of a 1966 Chevrolet station wagon by Public Safety Officers Daniel Healy and Robert Bensing, four minutes after midnight on Tuesday, November 19. The vehicle was parked in front of 17 Willow Tree lane, facing east, and at the curb. The station wagon did not look as though it belonged to any of the residents of the neighborhood.

The officers radioed their station for a check on the Law Enforcement Information Network (LEIN) machine, but at the time it was not functioning properly and was undergoing repairs.

Healy and Bensing decided that the matter should be investigated and approached the vehicle on foot. They found Ruffin fast asleep at the rear of the auto and all the car doors locked. Efforts to wake the man failed. Looking through the front door window the public safety officers observed that the ignition switch had been removed.

Using a portable radio unit, the policemen called the desk duty officer to check with Detroit authorities to determine if the station wagon was on the stolen list.

Healy and Bensing's efforts to arouse Ruffin were still unsuccessful and they radioed for assistance. Public Safety Officer Archie Grieve was dispatched to help. The man must have been a heavy sleeper because neither of the three patrolmen was able to wake him.

While trying to arouse Ruffin, a message was transmitted over the police cars' and portable radios, that the station wagon was the property of Thomas Adams of 13735 Linwood, Detroit, and that it had been reported stolen to the Detroit Police Department Auto Squad, earlier that evening.

The policemen finally succeeded in getting Ruffin to

open his eyes, after which they ordered him out of the vehicle at gun point. Ruffin emerged without any trouble and was taken to the station.

At the station, Detroit authorities requested that Shores police require Ruffin to post a \$50 bond on the auto theft, and another \$7 for an outstanding traffic warrant.

Shores Det. Sgt. Frank Mustazza said that a warrant was obtained from the Wayne County Prosecutor's Office charging Ruffin with possession and concealing stolen property under \$100, a misdemeanor. The man was released pending a hearing before Shores Municipal Judge Patrick Denis, scheduled for December 4.

## Austin Slates "South Pacific"

In its seventeenth season, the Austin Players will be presenting the Broadway musical "South Pacific" this weekend, Friday, November 29-Sunday, December 1, in Pierce Auditorium at 8 p.m. each evening.

Set in the South Sea Islands during World War II on a Navy Base filled with sailors and hospital nurses, the play tells the story of Nellie, a navy nurse, played by Patti Southlea of Star of the Sea, who meets a French planter, played by Tom Palazzo of Austin.

Nellie falls in love with the French planter, Emile de Becque, and soon grows close to Emile's two children, Ngana and Jerome, played by Rita Dollard and Bernie Stankov.

Throughout the play, a contest evolves between Luther Billis, an enlistee who runs the laundry and bath club for the sailors and nurses, and Bloody Mary, played by Posie Tindall, for control of the "rights" to sell native products on the base.

The Navy and the French soon meet when a naval officer and Emile de Becque set up a decoy for a threatened war invasion.

However, after many "Enchanted Evenings" all is resolved and once again there is "Happy Talk" and the entire cast soon find themselves in "Bali Hai" where they will live happily ever after.

Other cast members include Larry Kearney, Jerry Drolshagen, Paul Domin, Damien Benson, Mike Krausmann, Jim Meathe, Mike Gallagher, Carl Werner, David Dick, Tom Dennehy, and Paul Denis of Austin with Patti Southlea, Patty Hanna, Fran Bufalino, Nancy Krausmann, Lou Ann Kraus, Debby DeYonker, Kathy Lundy, Ann Evancho, Chris Opdyke, Corinne Nienstedt, Peggy Brenner, Pattie Bryce, Sue Ekin, Gerri Mazura, and Jayne Rizzo of Our Lady Star of the Sea.

Director of the Austin Players is Thomas E. Bailey, of Huntington road. Producer is the Reverend Lawrence P. Dore, vice-principal of activities.

DEVONSHIRE DRUGS

The chief toxic element resulting from burning tobacco is nicotine. It is an oily substance and is poisonous. There is enough nicotine in one cigar to cause quick death to an adult, should he receive the full concentrated dose into his circulatory system. Tobacco smoke contains not only nicotine, but also carbon monoxide, pyridine bases, hydrocyanic acid, and also ammonia. When absorbed into the body through the smoke, nicotine first stimulates the nervous system, and then depresses it.

## One View From The Capitol

By William M. Bryant, Jr.

Next term, starting January 1, I will be the Republican Floor Leader of the House of Representatives in Lansing.

As Floor Leader for the minority party in the House, my tasks are different in nature from those of the new majority Democrat Floor Leader, Joseph Forbes of Oak Park.

His primary task on the floor of the House is to determine the order of business and length of debate, although each is subject to vote by the membership.

As minority Floor Leader, my tasks are basically as the number two leader of our caucus and as the person with primary responsibility for what we do in floor debate.

Our leadership, working with and taking signals from our caucus members, meets with the Governor, Senate leadership, and the Speaker and Floor Leader for the House Democrats on many matters, from revenue and tax questions to when to adjourn.

Action on the floor of the House and in Committees is 80 percent nonpartisan or bipartisan. In these, our task will be to work with other leadership to find and perfect the best ways of doing things, the best statutory language or best program.

In the other 20 percent there is more role playing, more gamesmanship and more serious partisan battling. In such situations, I am the quarterback of the Republican members. I call the signals.

As in football, usually the other members follow, but at times miss the signal. Unlike football, at times some members rightly announce they cannot follow the "signal" and cannot follow the rest of the caucus for some reason.

It is relatively rare for sessions to break down totally into partisan wrangling. Sometimes it is fun when it does, for a while, but for me anyway such unproductive letting off of steam is very tiring and unsatisfying if it lasts more than a few minutes.

But at times, and depending both on the issue and on the degree to which the majority is abiding by the rules of the House, there are situations in which I must be ready, willing and able to defend the rights of the "loyal opposition" and point out, in no uncertain terms, the position and rights we, as the minority, have and intend to defend.

All in all, it should be an interesting two years.

Next term there will be 66 Democrats and 44 Republicans. This year there are 59 Democrats and 51 Republicans. Because the majority party has a three-fifths comfortable majority, they will have less concern over losing the votes of some of their conservative members

Your opinion of yourself does not count — you must prove it.

Life's but a brief lesson — and school's out before we know it.

Similarities between your engine and a wood stove or fireplace? Believe it or not, your engine collects waste material from the fire in the cylinders in much the same way as a wood burner collects ashes. If left in the engine, these wastes can dilute engine oil, and may do extensive damage to metal parts. Adequate ventilation is needed in the crankcase of your car to get rid of wastes. Modern cars have systems for recycling these wastes back through the engine, where they are completely burned off.

Come see the beautiful '75 cars available at POINTE DODGE, INC., 18001 Mack Ave., 884-7210, each one is covered by the brand new 12 month unlimited warranty. Every factory-installed part of the vehicle which proves defective in normal passenger car use except tires, of course, which are covered separately by the tire manufacturer's tire adjustment policy, are covered by this 12 month policy.

**AUTO FACT:**

The PCV valve is what redirects engine wastes for recycling.

## North Cagers Shooting for 4th Straight Title

By Tony DeMarco  
North High School's varsity basketball coach Ray Ritter has seemingly placed an emphasis on keeping and playing many seniors on his varsity teams during the past few seasons.

The few underclassmen who were kept on the roster usually served a year of apprenticeship before receiving an opportunity to display their talents on the court. There have been a few exceptions to this adage, notably Ron Zenn, Dave Chapman and Jerry Humes, but the list is brief.

Only four underclassmen have been starters in the past three years, Zenn in 1971-72, Humes and John Puleo in 1972-73 and Mark Johnson last season.

With the success that coach Ritter's teams have had, Bi-County champs in four of the last five years, and district winners in 1969-70, 1970-71 and 1971-72, his approach can hardly be questioned.

However, coach Ritter has seemingly changed his ideas on this subject. One look at

this year's varsity roster will strengthen this view.

Only four seniors survived the final roster trimming by Ritter. They are returning starter Mark Johnson, letterwinners Jim Marshall and Jim Everett, and newcomer Mark Zukowski.

With 14 players making up the current varsity team, a liberal total of 10 underclassmen caught coach Ritter's fancy—enough to find a spot on the team.

The long list includes juniors Phil Humes, Cliff Morehead, Doug Koepsell, Mark Hosea, John Grennan, Kurt Tech, Phil Howells and Terry Stratelak in addition to soph-

omores Dave Beyer and Bobby Brown.

The retaining of Beyer and Brown marks only the second time in North basketball history that two sophomores have been kept on the varsity roster, and will undoubtedly cause junior varsity coach Roy Matchko some headaches.

When asked why the big turn around from last year, when 11 upperclassmen were kept on the roster as compared to only four juniors, the coach said, "Not too many seniors showed a real interest in playing, as few have come out for the team in the last two years; consequently, I've gone with the

younger players."

However, Ritter made it perfectly clear that talent wasn't sacrificed for youth, as he also stated, "I feel that the best players are on the team. We're not building for the future, this group can win this year."

Although the team differs from past Norsemen squads as far as class ranks of the players is concerned, it will be much like Ritter coached teams of recent years in that it will be a good one.

Pressure, defense, fast breaking and teamwork will be stressed by the Norsemen, as they shoot for their fourth straight Bi-County League title.

Youth and experience could hurt, but enough talent is present to guarantee another winning season for North in 1974-75.

The Norsemen open season play Tuesday, December 3, at Sterling Heights.

### Mr. Verheyden Honored At Arts Ctr. Dedication

The Performing Arts Center, recently completed at Siena Heights College, Adrian, was dedicated in honor of Charles Verheyden, Pointe resident and benefactor of the college, on Tuesday, October 29.

The dedication was held in the Charles Verheyden Performing Arts Center with a brief ceremony, followed by a reception and tour of the new facilities. The Center houses the college's original Franciscan theatre and the new music and theatre wings.

The music wing is a complete class and practice facility for students; the theatre wing includes an instruction area and the Laboratory Theatre, which will be used for a variety of cultural experiences.

### Coach Praises ULS Gridder

While University Liggett's varsity football team had a rough time this season on the injury front, they posted a 6-2 mark thanks to the fine performances from every team member.

One player who had an impressive year was senior Whit Boyd, a 5-foot 9-inch tailback and safety, who received sound words of praise for his performance from coach Tom Taber.

Boyd scored eight touchdowns and had four conversions for 56 points. In 104 carries, he rushed for 672 yards for a 6.5 average. In 43 attempted passes, Boyd had 22 completions, including four for TDs, and one interception.

Coach Taber said, "For three years Boyd has started both ways for University Liggett School's varsity football team as a flanker or tailback on offense and a safety on defense."

"His explosiveness as a runner was made evident in our opening game against Whitmore Lake when he set a University Liggett School record by rushing for 215 yards in 19 carries and scoring four TDs and three conversions."

"When Liggett's starting quarterback suffered a broken ankle on the opening kickoff of the second game, Whit was called upon to play quarterback and handled the chores of field general. This definitely limited Whit's effectiveness as a break away runner, but it was felt that his leadership abilities and

coolness under pressure would be more valuable to the team as a whole.

"With the loss of five starters, (from the original 20), due to serious injuries, Whit's total value to the team became more apparent as the season progressed."

"He was a hawk on defense averaging an interception a game, (eight interceptions), and our deep safety on all punt and kick-off returns. Whit was also a sure handed punter who averaged 35.6 yards per punt."

Whit is a versatile athlete who has also lettered in hockey, baseball and track, (runs 40 yards in 4.5 seconds).

"He is a fine young man, a good student and I feel the best all-around Class D back in the State."

### Up Goldsberry On Commission

The U.S. Securities and Exchange Commission recently announced the appointment of William Dean Goldsberry as administrator of its Chicago Regional Office.

Born and raised in the Detroit area, Mr. Goldsberry and his wife Dorothy resided in Lakeland avenue while he was attorney in charge of the Detroit SEC office from 1966 to 1969. He was a commodore of the Grosse Pointe Boat Club and was active in the Grosse Pointe Sailing Club.

### Bruin Mites Skate to Wins

The Mite Division of the Grosse Pointe Hockey Association has completed its first round of games. The Bruins are leading the league with a record of 7-1-0. They were victorious in their last five games and did not allow their opponents to score any goals.

In a game Saturday, November 9, Ray Bauer scored his first goal as the Bruins defeated the Canucks with Craig Lenhard in goal.

A contest of fine defensive playing was featured on Saturday, November 16, with the Kings. It was a scoreless tie until the third period when Tommy Ugval scored unassisted. Goalie Rob Pytell turned away all shots keeping the Kings off the scoreboard.

Another defensive battle ensued on the following day with the Bruins emerging as 1-0 victors over the Seals. Tony Ugval posted the shut-out while Tony Tharenos scored the only goal.

Craig Lenhard posted his second shutout as the Bruins defeated the Stars. Tom Dombrowski opened the scoring early in the first period followed by a goal from Rankin Barker assisted by Tony Tharenos. George Krappmann tucked in another for the Bruins with an assist from John Weber. Keith Kovalick was the big scorer of the day as he turned in a hat trick with assists from Rob Pytell and John Hogan.

The Bruins and their families gathered after the game for a pizza party to top off the first round. During the festivities coach Jim Barker named Keith Kovalick, George Krappmann and Tony Tharenos as alternate captains.

The coaching staff of this year's Bruin team consists of coaches Barker and Nick Tharenos who are working mainly with the "Production Line" and the goalies, and assistant coaches Thad Ketchum and Bob Lenhard who are spending time with the "Scooter and Score Lines." The manager is Eleanor Barker with Glynis Weber as assistant manager. The team's sponsor is Carlo Ugval of Nino's Super Market.

### CITY OF Grosse Pointe Farms MICHIGAN SUMMARY OF THE MINUTES

November 18, 1974

The meeting was called to order at 8:00 p.m.

Present on Roll Call: Mayor William G. Butler, Councilmen James H. Dingeman, Jack M. Cudlip, Nancy J. Waugaman, Joseph L. Fromm and W. James Mast.

Those Absent Were: None.

Also Present: Mr. Philip Rice, representing the City Attorney.

Mayor William G. Butler presided at the meeting.

The Council accepted the resignation of Councilman E. Rust Muirhead from the City Council for reason that he has left the community to reside in California.

The Council appointed Mr. Mark C. Stevens, of 280 Moross Road, to the City Council to serve the remainder of a two-year term expiring in November, 1975, which was resigned by Councilman E. Rust Muirhead.

The Minutes of the Regular Meeting which was held on November 4, 1974, were accepted as corrected.

The Council acknowledged a public disclosure by Councilman Fromm of his relationship with the Charles Fromm Company, and further adopted a motion to excuse Councilman Fromm from voting on all future matters concerning the development of the Dodge Estate property.

The Council adopted a resolution to formally acknowledge funds expended over the Budget appropriations in the amount of \$20,706.63 in the Sewage Pumping Department; and in the amount of \$1,428.93 in the Recreation Department.

Based upon the auditors' determination that no change in the effective water rate was required at this time, the Council adopted a resolution that the current rate for water charged to the City of Grosse Pointe be continued.

The Council adopted a resolution authorizing a transfer of funds within the Highway Fund, in the amount of twenty-five percent of the revenue received in the Major Roads Account to the Local Roads Account, for the calendar year, 1974.

The following Report was received by the Council and ordered placed on file:

A. Police Department Report for the month of October, 1974.

The Council adopted a resolution authorizing the City Attorney to prepare a Resolution of Appreciation for Councilman E. Rust Muirhead, in recognition and appreciation of his dedicated service to the Council.

The Council authorized the Administration to prepare specifications and solicit bids for Public Officials Liability Insurance coverage.

The Council granted permission to the Grosse Pointe Farms Boat Club to decorate and light a Christmas tree at the Pier Park.

Upon proper motion made, supported and carried, the meeting adjourned at 10:55 p.m.

**Q** With words like "inflation" around, do words like "luxury, performance, and economy" mean anything?

It seems the tighter the money, the looser the language. And these days the word "luxury" is almost as inflated as the dollar.

The fact is, the Audi 100LS actually is a luxury car at a reasonable price. It handles so easily and rides so smoothly you'd simply expect it to cost much more.

Basically, for one reason: German engineering and craftsmanship.

Specifically, for reasons like these: seats that are

orthopedically designed to fit to the body and to help prevent fatigue; so much legroom and headroom you can stretch out even if you're well over 6 feet; front-wheel drive; front disc brakes; rack-and-pinion steering; independent front suspension.

And, with it all, 24 miles to the gallon\*.

"Luxury, performance and economy," even in times like these?

No question about it.

# The answer is Audi

## Pointe Skaters Go to Sweden

Three North High School students, who are members of the Fraser Highlanders, a midget, (15-16-year-olds), hockey team, left with their teammates Sunday, November 24, by chartered plane for an invitational amateur hockey tournament at Storsvald and Agne, Sweden.

The Pointe trio includes Pat Fox, of Blairmoor court; Mike Sandmair, of Blairmoor court; and Peter Wenzell, of Severn road. Going into the 10-day trip, the 16-player Highlander team boasted a 14-2-1 record.

The Highlanders also were selected to skate in the first game of the first world amateur midget tournament on Friday, December 27, against the Polish National Midget team at the Fraser Hockeyland Arena.

Since 1910, the Red Cross has issued 91,255,425 certificates to persons completing courses in first aid, water safety, and small craft safety.

## Library Offers Family Films Dec. 12

Dr. Seuss will be at the Grosse Pointe Public Library for "Family Film Night," Thursday, December 12. The program will be:

"Dr. Seuss on the Loose" — 25 minutes, color. Three short stories which take a humorous, lighthearted look at the personal and social attitudes. "The Sneetches" explores the problems of difference and conformity as the Plain-Belly Sneetches and the Star-Belly Sneetches struggle to decide which is better. "The Zax" shows the consequences of stubbornness when the North-Going Zax

and the South-Going Zax refuse to budge out of each other's path. "Green Eggs and Ham" tries to show that "things are not always what they might appear to be." More fun with Dr. Seuss. Animated.

"Special Effects" — 13 minutes, color. Shows how special effects such as fog, rain, fire, snow, explosions, gun and arrow shots are achieved on film. Also shows some scenes from films of W. C. Fields, Buster Keaton and Charlie Chaplin which used special effects. "A World Is Born" — 20

minutes, color. The biography of the first two billion years of our planet earth and the first living creatures, including dinosaurs, to inhabit it. Excerpted from the feature motion picture "Fantasia." Accompanied by Leopold Stokowski conducting the "Rite of Spring" sequence by Igor Stravinsky. A Walt Disney production.

The films will be shown in the Exhibition Room at the Central Library at 7:30 p.m. For additional information please call the Audio-Visual Department at the Central Library, 884-2200.

## Sherwood Has Weekend Split

The Pointe's Sherwood Forest hockey team gained a split over the weekend in Canadian Blue Water League action. Point Edwards dumped Sherwood, 5-2, on Saturday, November 23, but the Pointers came back to blast Forest, Ont., 8-4, on Sunday, November 24.

In the Point Edwards contest, Mike Stecko and Fred Springer scored Sherwood's

only goals. However, it was a different story in the Forest game as Dwight Thomas and Jeff Parrish each netted a "hat trick" in the victory.

Parrish scored all of his goals in the first period, while Thomas popped one in the net in the second frame and added two in the final period. Springer and Brent Rutherford wrapped up Sherwood's scoring.

Sherwood's goaltender Lyle Rostock played an important part in the win as he kicked out 54 shots while the Pointers only took 34 shots against Forest, Ont.

The next home game for Sherwood will be against Forest, Ont., on Saturday, November 30. Game time is scheduled for 9 p.m. at the Grosse Pointe Community Rink.

Blue Water League standings through the weekend's action shows Watford, Ont., in first place with a 7-1-1 mark for 15 points. They are followed by Petrolia, Ont., 6-2-1, 13 points; Sherwood, 5-4-0, 10 points; Point Edwards, 4-4-1, 9 points; Forest and Lucan, Ont., 4-5-0, 8 points; Parkhill, Ont., 2-6-1, 5 points; and Belmont, Ont., 2-7-0, 4 points.

## Pointers Swim In Livonia Meet

Over 2,000 entries from Michigan, Ohio, Iowa, Illinois and Canada competed in the State AAU "A" meet at Clarenceville High School, Livonia, in which several members of the Grosse Pointe Swim Club, (GPSC), showed strong performances.

In boys 10 and under, Mark Stoyka won the 50-yard breast-stroke with a 36.452. Mark's time was the fastest 50-breast swim in the State in 1974 and kept his win streak at three straight AAU meets in the last two months.

Frances Shook, GPSC's 11 and 12 breaststroker, gave a spectacular performance in the 50-yard breaststroke as she went 33.988, bettering the State AAU record which was 34.2. But Frances lost to Sue McMillan of Garden City who had a winning time of 33.564.

Billy Babcock, Cheryl Stoyka, Tom Shook and David Babcock also swam well.

Pointe swimmers are looking forward to strong competition as they will compete in the AA Wayne State Invitational to be held at the Matthaei Pool Friday-Sunday, November 29-30, and December 1.

The Wayne meet will be followed by a trip to Cincinnati, O., Friday-Sunday, December 13-15, to compete in The Cinn Marlins 8th Annual International Age Group Meet.

## Salute to Fine Organization

We believe that a note of appreciation should be sounded to Grosse Pointe's League of Women Voters for services prior to the recent election. In the hope that our readers share this view, we call attention to some of the League's contributions to this community, and to the fact that the organization is in the midst of its annual finance drive.

The League has never encouraged large gifts—an appealing idiosyncrasy in view of recent events in history.

Grosse Pointe's all-volunteer LWV has 144 members who pay \$15 a year dues for the privilege of working and studying together. Most members also contribute to the finance drive. A board of 20 persons carries heavy volunteer responsibilities. The League of Women Voters is, of course, non-partisan.

Many of their materials are distributed in the community free of charge. The pamphlet "Your Elected Officials" is updated several times a year and contains all information needed for citizens to correspond with those persons elected to represent them. Some 3,500 extensive Voters' Guides were distributed prior to the November election, until even the Library supply was exhausted.

The book KNOW YOUR GROSSE POINTE, LWV's most popular publication, gives governmental, school and community information, as well as an early history of the area. Now in its third edition, it is the best buy in town for \$1.50. The League realizes no revenue from KNOW YOUR GROSSE POINTE; receipts are escrowed for printing the next edition which experience indicates will be required around 1981.

The schools and countless adult and youth organizations avail themselves of League publications, speakers and forums. Citizens with a variety of concerns continually approach the League for help. Last year, when apprehension mounted about the fate of the Youth Service Division, representatives of other organizations invited the League of Women Voters to organize an informational forum.

LWV studies resulted in the idea of the Northeast Guidance Center, initial support for a Wayne County Community College, and in promoting public interest in the fate of our lakes a decade before pollution grew to crisis proportions.

It is difficult to imagine an election when we could not hear and question candidates by attending a League-sponsored forum.

We suggest that their members prefer to spend their money for community service than for postage to remind us of their financial plight, and of the fund drive now in progress. Mrs. Joseph J. Marshall, 35 Harbor Hill, is chairman.

The League of Women Voters is not a charitable organization with appeal to the heartstrings, but the members have great affection for this community and believe it is a better place to live because of this organization's tireless dedication, in our behalf, to responsible and effective citizenship.

## Horticulturists Give Awards

Several awards were presented at the 58th Anniversary Banquet of the Grosse Pointe and Eastern Michigan Horticultural Society Saturday, November 2.

Bill Law was the recipient of a life membership for his 30 years of continuous activity in the society and in appreciation of his life-long garden and estate maintenance. Due to health reasons Mr. Law could not attend. His honorary membership was accepted by Mrs. Law.

That same evening, the society awarded prizes to Pointe businessmen for their efforts in keeping their business establishments well-maintained and finely landscaped.

In Class A the first prize went to the Eppens-Van De Weghe Funeral Home with second prize awarded to the Verheyden Funeral Home.

Class B awards were first prize to the Automobile Club of Michigan and second prize to the National Bank of Detroit, St. Clair and Kercheval branch.

Charles Verheyden was present to accept his prize. Other prizes were delivered by the judging chairman, Bill Lutey and Paul Van Wassenhove.

The awards are given each year. Businessmen wishing to enter the contest may contact Mr. Hinsenkamp at 881-2029.

## Know Your Schools

By Dr. James A. Adams,  
Superintendent

What does vandalism cost our school system each year? Across the nation, for 1973-74, the cost has been estimated at \$11 per student.

How does this compare with our system's costs during the same period? A recent in-depth study in our system shows the annual cost to be \$2.25 per student in attendance.

For what comfort it gives, Grosse Pointe is far, far, far below the national average. But in my opinion, any expenditure for wanton destruction of school property—whether it be for glass breakage, plumbing, defacing walls, or for replacing stolen property—is unnecessary and should be stopped.

All of us connected with the schools and with young people know that property and equipment take a beating. A ball thrown through a window during recess may be an accident. But what I am referring to, the malicious destruction of property, occurs mainly when school is not in session.

But school vandalism, which occurs on weekends and after school, is only part of the total community picture. Last week a front-page article in this paper carried the headline: "More Cars Get Sprayed by Vandals." The story related the damage done by cans of black spray paint to parked cars, sidewalks, homes, and garages. These latest acts are part of a seemingly endless list being compiled by the municipalities comprising the school district.

How to eliminate—or even to reduce—vandalism in the Grosse Pointe communities? A concerted community effort is needed. From early, behind-the-scenes efforts, I am convinced that we have all the elements needed to make inroads to correct this situation: hard-working police and municipal officials, concerned school staff members, a growing awareness of the consequences of unnecessary expenditures by the student body.

The final element that is needed is total community awareness, and we hope to arouse this with a joint letter from the municipalities and school staff to all residents in the not-too-distant future. I was delighted by the response to a joint meeting between school and municipal officials held earlier this month.

What is the parent's role in this effort? I could write you a long list, but let me suggest that parents make an effort to

maintain a knowledge of their youngsters' whereabouts at all times.

What can the schools do to reduce costs?

The staff currently spends a great deal of time at all levels discussing citizenship with youngsters. Teachers and principals work closely with the children on projects designed to foster good citizenship.

Student government groups have developed action programs. As extensive as we believe these efforts have been in the past, they obviously must be accelerated, and, from the learner's point of view, made more meaningful.

A recently-prepared report shows that two elementary buildings, Richard and Maire, sustained no damage by vandals in 1973-74. These were the bright spots in our system. The total cost of vandalism last year to the school district was \$26,330.58.

Some of the worst of our horror stories: glass breakage at North High School amounted to \$4,376; destruction of school property equaled \$3,665 at South High; total damage sustained by Pierce Middle School was \$2,262.67; at Brownell it was \$2,225.50; at Defer it was \$2,650, and at Ferry it was \$1,246.

Our insurance policy allows us to collect, if a single incident is beyond the \$250 deductible provision, with glass coverage excluded. Wherever applicable, we have filed a claim and, in addition, have required restitution when the culprits have been apprehended.

Let me try to put all of this into perspective. Most of the incidents of school vandalism to which I have referred occur when the buildings are otherwise unoccupied by school activities. There is a strong desire on the part of the municipal officials to continue to work in concert with school personnel.

There is a growing awareness on the part of the student body that money being wasted could be channeled into positive activities to benefit the student body. The schools' staff are working on curriculum projects and other activities to reinforce the teaching of good citizenship.

And when our community-wide campaign gets rolling, we hope that every citizen will help us to save school, municipal, and private property from wanton destruction by unthinking youngsters.

## WOMEN'S PAGES

### From Another Pointe of View

By Janet Mueller

Traditionally one of The Pointe's prettiest holiday parties is the annual Christmas Concert and Tea presented by the Grosse Pointe North High School Parents Club and the Grosse Pointe South High School Mothers Club as their gift to the community.

The music, featuring choirs from North and South, and the refreshments are free. The decorations, always exquisite, are sold at—literally!—giveaway prices at the conclusion of the party.

Parents and Mothers Club members lend their silver tea services and candelabra to dress up the tables, bake and solicit hundreds of cookies and make additional hundreds of tea sandwiches.

Traditionally, a special invitation is extended to those members of the community whose children have graduated from one of the high schools, and to those whose children will soon be going to North or South High.

The Schools alternate as Christmas Concert and Tea locations. This year's party will be held at North High next Wednesday, December 4, with the glassed passageway between the Performing (Continued on Page 26)

### Serendipity Singers Performing Friday

To Appear in Fries Auditorium as Part of War Memorial's Lighter Side of Life Series; Black Tie Dinner Precedes Show

The Serendipity Singers, one of the most exciting and refreshing new young groups on the international scene today, will be featured in Grosse Pointe War Memorial's Lighter Side of Life Series this Friday evening, November 29.

The gala Thanksgiving weekend event begins with cocktails at the Grosse Pointe Yacht Club at 6 o'clock, continues with a black tie dinner in the Center's Crystal Ballroom at 7:30 and ends with the show on the Fries Theatre stage at 9.

As defined in the dictionary, "serendipity" is discovery of a new and happy event.

### Seventy Sigma Gamma Years

Sigma Gamma Association celebrates its 70th anniversary with a cocktail party this Sunday, December 1, at 5:30 o'clock at the Provencal road residence of Mr. and Mrs. Peter Stroh.

Honored guests will be 45 Sigma Gammans who have been members for 50 years. Junior members, dressed in the period of 70 years ago, will serve refreshments.

ary, "serendipity" is discovery of a new and happy event.

As used in the colloquial sense it is the ability or art of doing many things well at the same time—the faculty of making discoveries but unsought-for discoveries by accident as did the three princes of Serendip who in the fairy story looked for one thing and found another.

The Serendipity Singers, formed at the University of Colorado in 1963, moved to the Bitter End in New York, hit the Ed Sullivan Show and were launched on every major TV show including Dean Martin, the Kraft Music Hall, Bell Telephone Hour, Johnny Carson and Mike Douglas.

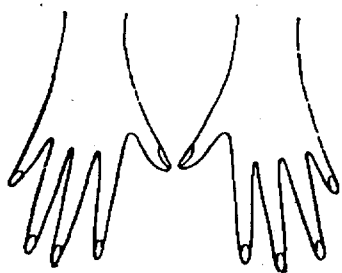

They have played in every state and 15 foreign countries.

From their hit "Don't Let The Rain Come Down" to their latest United Artist album "Love is a State of Mind" they have been wows.

They soon will be doing a Bob Hope Special.

They travel in their own custom-built \$125,000 flexible bus, 25-feet-long and containing a living room, complete bath and bar.

Tickets for the complete evening, cocktail party, dinner and show, or for the show only may be purchased at the Center Office.

## Alliance Presents Soiree Musicale

Intermission Table of Christmas Sweets, Coffee and Wines to be offered at Program in Washington Road Home of Dr. and Mrs. Garfield Tourney

The Grosse Pointe Alliance Francaise will present its second annual Soiree Musicale at the Washington road home of President Mrs. Garfield Tourney and Dr. Tourney Friday evening, December 6, at 8 o'clock.

"When we sent a questionnaire to the membership last May," says Mrs. Tourney, "a strong interest in classical music was indicated."

Given a choice of nine different types of programs, members gave classical music their second highest vote, surpassed only by French films.

"Our first Soiree Musicale was held in December of last year. Its apparent popularity seemed to justify a similar program in the current season."

Featured December 6 will be Patricia McCarty, violinist, and Eric Maddox, pianist, combining their talents in three selections: Cinq Anciennes Danses Francaises by Marin Marais, Sonate pour alto et piano by Jacques de Menasse and Catalane sur

des airs populaires by Henri Busser.

Miss McCarty, a native of Kansas, has studied viola since the age of seven, including several years at the National Music Camp, Interlochen, under Francis Boudreau. She was a winner of the Interlochen performance competition and appeared with the Interlochen Orchestra in the 1970, '71, '72 and '73 seasons.

She has earned scholarships to Wichita State University and the University of Michigan and in 1972, at the age of 18, participated in the 28th Geneva International Competition, placing second and winning the First Silver Medal for Violists and the Prix Radiophonique from Radio Suisse Romande.

She was a finalist in the Young Concert Artists Auditions in New York, won a

## November Rites For Miss Demeter

Bodice, Sleeves and Hem of Bride's Ivory Satin Gown are Encrusted with Peau d'Ange Lace; Her Attendants Wear Ginger Jersey

Vacationing in Acapulco, Mexico, are Mr. and Mrs. John William Hollington, Jr., whose wedding Saturday, November 23, in Grosse Pointe Baptist Church was followed by a reception at Lochmoor Club.

They will return to The Pointe, then spend a few days in Findlay, O., home of the bridegroom's parents, Mr. and Mrs. John Hollington, before traveling to Middletown, N.Y., where they will make their home.

The Reverend Edward Steinhart presided at the 5:30 o'clock rites for which the bride, the former Candace Jill Demeter, daughter of Mr. and Mrs. William Demeter, of Crestwood drive, chose a gown of ivory satin, its bodice, sleeves and hem encrusted with peau d'ange lace.

Her mantilla was fashioned of matching lace and ivory illusion. She carried a crescent of white sweetheart roses, stephanotis, peach immortalis, dried baby's breath and ivy.

Mrs. Charles Stanich, of Ann Arbor, was honor matron for her sister. Bridesmaids were Mrs. John Zaenglein, of Waterville, O., Shelley Griffin, of St. Clair

Shores, the bride's niece, and Beth Masters, of Findlay, the bridegroom's cousin.

They accented their ginger jersey long-sleeved A-line frocks with ruffle-edged scarves tied in loose knots at their V-necks. Italian orange wood fiber daisies, brown composit flowers, starflowers and statice formed their cascade bouquets.

Mr. Zaenglein served as best man. In the usher corps were William Bruce Demeter, the bride's brother, and David Hollington, the bridegroom's cousin, and James Herrin, Jr., both of Findlay. The bride's mother wore a beige sheer crepe gown styled with a high neck, long sleeves, a cummerbund and full skirt. The bridegroom's mother's gown, champagne in color, was long-sleeved, fashioned with a high, rolled collar and touched with gold and silver.

Both mothers carried gold handbags to which they pinned corsages of stephanotis and peach Sweetheart roses. The bride, a Grosse Pointe North High School graduate,

In Grosse Pointe Baptist Church Saturday, November 23, CANDACE JILL DEMETER, daughter of the William Demeters, of Crestwood drive was married to Mr. Hollington, son of Mr. and Mrs. John William Hollington, of Findlay, O.

received her Associate degree in Business in Accounting from Macomb County Community College. She had been working at Burroughs Corporation as an accounting analyst before her marriage.

The bridegroom holds an Associates degree in Advertising and Public Relations from Northwood Institute, Midland. He is presently advertising manager of the North Jersey Advertiser Photo News, Newton, N.J.

Mrs. Robert J. Davis

SUSAN CAROL BUTTREY was married to Mr. Davis, son of Mr. and Mrs. Jerome Davis, of Webster Groves, Mo., Saturday, October 26, in Grosse Pointe Baptist Church. She is the daughter of Mr. and Mrs. Delmer Buttrey, of Fairford road.

## Candlelight Rites For Miss Buttrey

Newlywed Mr. and Mrs. Robert Jerome Davis Are at Home in Somerset Road after Acapulco Vacation; Lace and Pearls Accent Bride's Gown

At a candlelight service Saturday, October 26, in Grosse Pointe Baptist Church, with Pastor Edward Steinhart presiding, Susan Carol Buttrey, daughter of the Delmer Buttreys, of Fairford road, spoke her marriage vows to Robert Jerome Davis.

For the 6 o'clock rites followed by a reception at Lochmoor Club the bride chose a high-necked, long-sleeved gown styled with a flounced, A-line skirt and Cathedral train.

Chantilly lace and seed pearl clusters trimmed her bodice and full sleeves ending in flounced wrists, and a lace and pearl Juliet cap caught her long silk illusion veil.

Blue baby's-breath accented her cascade of Jack Frost roses, snowdrift mums and stephanotis.

Her honor attendant was Christine Berger Arickx, a former college roommate. Bridesmaids were Diane Davis, the bridegroom's sister, Carolyn Chylinski D'Agostino, of Sterling Heights, and Martha Schmelz McGee, of Atlanta, Ga.

They wore floor length frocks of deep blue jersey, Empire-waisted, high-necked and sleeveless, with short royal blue velvet jackets. Their bouquets of white snowdrift mums, royal star-

flowers and baby's-breath with long blue velvet streamers matched the floral sprays in their hair.

Mr. Davis, son of Mr. and Mrs. Jerome Davis, of Webster Groves, Mo., asked Tim Garvey, of Livonia, his former college roommate, to act as best man.

Guests were seated by Brent Buttrey, the bride's brother, Benny D'Agostino and Christopher Davis, the bridegroom's brother.

The bride's mother complimented her long shrimp jersey dress and matching jacket with a shrimp orchid. Shrimp was also the dominant color in the bridegroom's mother's long gown of flowing pastels. White orchids formed her corsage.

The newlyweds vacationed in Acapulco, Mexico, and are making their home in Somerset road.

## Miss Veryser Bride Of B. H. Cornillie

Evening Ceremony is Followed by Reception at Hillcrest Country Club; Mrs. John Schmidt is Matron of Honor for her Sister

At home in St. Clair Shores following a Bermuda vacation are Mr. and Mrs. Bernard Henry Cornillie who exchanged marriage vows in Saint Lucy's Church Friday, October 25. The Reverend John Sullivan, pastor of Saint Lucy's, presided at the evening rites.

Mrs. Cornillie is the former Irene Marie Veryser, daughter of Mr. and Mrs. Charles O. Veryser, of Shorecrest circle.

Mr. Cornillie is the son of Mr. and Mrs. Bernard A. Cornillie, of Radnor circle.

Satin and rosebuds enlivened with pearls and crystals trimmed the bride's gown of ivory peau de sole and re-embroidered Alencon lace. Her illusion veil, cathedral-length, fell from a matching lace headpiece.

She carried a Colonial arrangement of Jack Frost roses, stephanotis and baby's-breath.

Honor matron Mrs. John Schmidt, the bride's sister, and bridesmaids Mrs. Thomas Prince, Mrs. Stephen Stephens, Barbara Krause-

neck and Mrs. Lawrence Kent, sister of the bridegroom, carried Colonial bouquets of autumn-hued mums and baby's-breath.

Their floor length frocks of willow green jersey were styled with long sleeves and high necks.

John Reilly acted as best man. Seating the guests were Michael Cornillie, Mr. Schmidt, Mr. Kent and David Cornillie, brother of the bridegroom.

For her daughter's wedding and the reception at Hillcrest Country Club following the ceremony Mrs. Veryser selected a long gown of navy blue silk chiffon.

The bridegroom's mother wore a long gown of coral silk chiffon. Both mothers chose white phalaenopsis orchid corsages.

## Bride-Elect

## GP Newcomers Welcome Yule

Grosse Pointe Newcomers are saying "Humbly!" to inflation, cold weather and gloomy days and beginning their holidays with a Christmas Carol, theme for their traditional yule party this year.

Festivities begin at 6:30 o'clock Saturday, December 7, with cocktail hours at a few board members' homes. Hosts and hostesses this season are Mr. and Mrs. Roy Greene, Mr. and Mrs. Dick Ottens, Mr. and Mrs. Jim Simpson, Mr. and Mrs. Frank Unger and Mr. and Mrs. Tom Willison.

Partygoers then proceed to Lochmoor Club where they will wine, dine and dance. The Christmas feast includes a prime rib dinner with all the trimmings -- and after dinner Santa arrives with prizes and surprises.

To top off the evening there's dancing from 9 until 1 o'clock to the swinging sounds of the Changing Times.

Assisting chairmen Dick and Daphne Ottens with party plans are committee members Mr. and Mrs. Chuck Braitsch, Mr. and Mrs. Walt

Cramer, Mr. and Mrs. Michael Krieg, Mr. and Mrs. Stephen Palmer, Mr. and Mrs. Bud Reitzel, Mr. and Mrs. Bob Schappe, Mr. and Mrs. Bill Stevens and Mr. and Mrs. Willison.

Couples who have recently moved to Grosse Pointe from outside the Detroit area are eligible for Newcomers membership. Interested persons are invited to contact the club membership chairmen at 885-3705 or 886-7871 for further information.

## Good Counsel Ladies Plan Christmas Party

Mrs. Clarence Klein, party chairman, and members of the Rosary Altar Society of Our Lady of Good Counsel Parish will present their annual Christmas Party and Buffet Dinner at 6 o'clock Monday, December 2, in the Parish auditorium, Sauer and Annot streets, Detroit.

Guests will be entertained by the Osborn High School Choir. Tickets at \$3.50, advance reservation only, may be obtained from Mrs. Leo Westrick 521-5235.

## Cusenza-Long Troth Is Told

Mr. and Mrs. Robert Yeiter, of Traverse City, have announced the engagement of their daughter, Tracey Christine Long, to Frank Frederick Cusenza, son of Mrs. Frank Cusenza, of Stanhope avenue, and the late Mr. Cusenza.

The prospective bridegroom, a graduate of Grosse Pointe South High School and Northern Michigan University, teaches in Chicago. They plan a December 28 wedding, in Traverse City.

## Consider City Of The Future

William Smith, City Planner of the City of Detroit, will speak on The Future of Detroit at a meeting of Phase I, an all-singles group, at 7:30 o'clock Sunday evening, December 1, at Grosse Pointe Memorial Church. A social hour follows the program.

A hayride, dinner and square dance is being planned by Phase I for Saturday, December 7. Interested singles may call 331-5278 for details.

Phase I meets every Sunday night at Memorial Church. Singles from 20 to 40 are invited to attend. Further information on the group's activities may be obtained by contacting Gust Jahne at 882-5330.

## Alpha Xi Delta Offers Social Service Grant

Alpha Xi Delta national social fraternity for women is again offering a \$2,500 graduate fellowship for advanced study in the field of Social Services. The award has been made annually since 1959.

Alpha Xi Delta offers this fellowship in support of the belief that an increasing need exists for qualified professional personnel to work with children and youth in preventing juvenile delinquency.

Pointe Alpha Xi Delta's have been aiding the Foundation for Exceptional Children and the Family Life Education Council since 1970.

## Newcomers Plan Party

The distaff half of Grosse Pointe Newcomers' holiday party committee got together recently to finalize plans for their December 7 "Christmas Carol," scheduled to start with cocktails in board members homes and continue through dinner and dancing at Lochmoor Club. Guardian angels for the evening are, (front row, left and right), MRS. BUD REITZEL and MRS. WALTER CRAMER, (second row, left to right), MRS. MICHAEL KREIG, MRS. CHUCK BRAITSCH and MRS. WILLIAM STEVENS, (back row, left to right), MRS. STEPHEN PALMER, MRS. RICHARD OTTENS and MRS. ROBERT SCHAPPE. Mr. and Mrs. Ottens are general party chairmen. Not pictured but very much a member of the committee is Mrs. Tom Willison.

At the present time they are assisting Pittman Hall, a home for girls, the fraternity's national philanthropy.

To be eligible for the fellowship applicants must be graduates of an accredited college or university, have a grade average of B or better, have applied or been accepted for admission to a graduate school of Social Work and must be interested in a career involving work with children or youth to combat delinquency in the

United States. Interested persons may obtain applications from Mrs. Alfred Wittwer by calling her after 6 o'clock at 884-4586.

## Harvard Club to Hear Address on Inflation

Dr. Warren A. Law, professor of Business Administration, Harvard Business School, will address the Harvard Club of Eastern Michigan on The Next Five Years, a talk concentrating on inflation, at a dinner meeting next Wednesday evening, December 4, in the Great Hall on the sixth floor of Slouffer's Northland Inn.

Cocktails at 6 will be followed by dinner at 7:15 o'clock.

The meeting is open to the public. Tickets at \$9 each may be reserved by writing to the Harvard Club of Eastern Michigan, 3700 City National Bank Building, Detroit, Mich., 48226. They will be distributed at the door.

## Dinner Planned by Methodists

The United Methodist Women of Grosse Pointe United Methodist Church present their annual Christmas Dinner next Tuesday, December 3. The evening begins with the traditional Wassail Bowl in the Church Parlor. Husbands and/or guests

are invited to join in the festivities and enjoy the entertainment. Reservations may be made through individual Fellowship Groups or by contacting Mrs. Richard Bantien, 881-2170, or Mrs. Duane Hefty, 885-0737.

## Pointe Symphony Women Plan Tea

**Traditional Holiday Get-Together Will Feature Music as Well as Refreshments; Mrs. Charles Helin's Windmill Pointe Drive Home to Be Party Scene**

Musical angels—fittingly enough—adorn the invitation being opened by members of the Grosse Pointe Symphony Women's Committee. Mrs. Joseph J. Marshall, chairman, and her Christmas Tea committee have set Monday, December 9, as date of the group's annual holiday get-together.

It will be presented between 2 and 4 o'clock at the Windmill Pointe drive home of Mrs. Charles Helin.

It's to be an afternoon of melody as well as tea-and-coffee sipping, with interludes of piano music provided by Committee members Mrs. John H. Marshall and Mrs. Jack W. Mills.

Highlight of the festivities will come when a group of pretty choristers from Grosse Pointe North High School gathers around pianist Susan Mogk to sing carols. Invited to perform by program chairman Mrs. Adrian V. Wallace are Linda Brucia,

Mary Christensen, Laura Hamlin, Melissa Sterr, Cheryl Duster and Gail Russell.

Guests will be greeted by members of the Women's Committee board of directors and an array of hostesses invited by Mrs. Robert J. Jay to act as official greeters.

Wearing distinctive badges of holiday greens will be Mrs. Volrad J. von Berg,

Mrs. Felix Resnick, Mrs. Frank J. Weston, Mrs. Clement Carter, Mrs. George Brand, Mrs. Michel A. Skaff, Mrs. Philip J. Skillman and Mrs. Carl M. Weideman.

Taking turns behind the tea and coffee services during party hours will be Wom-

Flanking DR. JAMES ADAMS, Grosse Pointe's new School Superintendent, at a recent meeting of the Grosse Pointe Chapter of Alpha Delta Kappa honorary sorority for the women in education are ROWENE Z. NEIDOW, (left), teacher at Parcels, and ROSE EVANSKI, Mair

School teacher. Dr. Adams, guest speaker, discussed Women Educators in Modern Times, touching on sex stereotyping, women's liberation groups and the possibility of increasing woman's role in administrative positions within the public schools.

## Set Workshop for Families

The annual Grosse Pointe Congregational Church Christmas Workshop will be held Friday, December 6, at 6 o'clock at the Church, where a potluck dinner will be followed by an evening of family crafts.

General co-chairpersons are Mrs. Alan Wright and Mrs. Jack Bowen.

Mrs. Carl Uridge and Mrs. David Olson are in charge of reservations. Mrs. N. William O'Keefe, Jr., is handling publicity.

The Workshop is planned so that every member of the family can be involved in at least one project. A nursery is provided for the very young.

Everyone over three years old has craft offerings from which to choose, ranging from Kris Kingle Santa making to cookie decorating, from a calico wreath to a hanging Christmas plant.

from Christmas card plaques to a Christmas banner to an angel centerpiece.

Project workshops will be led by the Mesdames Robert Schmeltz, James McIntosh, John Dockery, Dudley Arnold, Stanley Redding, Art Erickson, Walter Kurtz, Richard Hile, Alex McNeil, John Osler, William Penney and James Millies.

Alan Wright, Mr. and Mrs. Robert Choate, Mrs. Barbara Lindsley, Miss Martha Bates, Mrs. Doris Nagel and the Reverend Jay Cummings are

among others either leading projects or making the necessary preparations for them.

## Schedule Second Zodiac Concert Friday

Music from Scott Joplin's opera *Treemonisha* and works by Charles Ives and Gunther Schuller will be featured at this week's Detroit Symphony Orchestra concert in Ford Auditorium Friday and Saturday evenings, November 29 and 30, at 8:30 o'clock.

The concerts will be conducted by Gunther Schuller, president (director) of the New England Conservatory of Music.

Soloists for the Joplin excerpts will be soprano Carmen Baltrush, contralto Louise Parker, tenor Seth McCoy and baritone Francis Hester, with the Rackham Symphony Choir.

The program includes three works by Ives never before performed by the DSO, Set No. 1, The Pond and Ann Street, plus Schuller's own *Three Nocturnes* in their premiere performance by a professional symphony and the Hussite Overture of Antonin Dvorak.

Friday night's concert is

the second in this season's Zodiac series presented in cooperation with Wayne State University. Special series feature is a pre-concert Prelude offered at 7:30 o'clock at no additional admission charge.

Friday's Prelude will be a performance of Scott Joplin music by a small ragtime ensemble including pianist Muriel Kilby and 10 DSO musicians: violinists James Waring and Margaret Tundo, violist David Ireland, cellist Mario DiFiore; Clement Barone on the flute and piccolo, clarinetist Brian Schweickhardt, trumpeter Gordon Smith, trombonist Joseph Skrzynski, Wes Jacobs, tuba, and Sam Tundo on drums.

Another Zodiac feature is half-price admission for students, who are encouraged to visit backstage following the performance. Remaining Zodiac concerts will be presented February 14 and April 4.

The wide range of Gunther Schuller's musical activities and interests is unusual even

among Americans. Trained as a French horn player, member of the Cincinnati Symphony at 17 and the Metropolitan Opera Orchestra at 19, he is a prolific composer of classical symphonic works, (several have been performed by the DSO), and "third stream" jazz for such musicians as John Lewis and the Modern Jazz Quartet, Ornette Coleman and Eric Dolphy.

He has produced many television shows, written several award-winning books and is a versatile teacher and administrator.

In addition to directing the New England Conservatory he is currently artistic co-director of Tanglewood and director of the Berkshire Music Center, and has found time to make guest-conducting appearances with most of the major United States orchestras.

His previous appearance with the DSO was in November, 1970.

## Mrs. David G. Burt

CYNTHIA JEAN HASSIG, daughter of Dr. and Mrs. Walter W. Hassig, of Stephens road, and Mr. Burt, son of Mrs. L. Donald Burt, of Orchard Lake, and the late Mr. Burt, exchanged marriage vows in the gardens of the Grosse Pointe War Memorial Saturday, October 19.

## Cynthia J. Hassig Wed To Mr. Burt

Pair Will Teach in Australia for Two Years; then Continue Around the World, Visiting Africa and Europe Before Returning to the States

At a lakeside ceremony in the gardens of the Grosse Pointe War Memorial Saturday, October 19, Cynthia Jean Hassig, daughter of Dr. and Mrs. Walter W. Hassig, of Stephens road, spoke her marriage vows to David George Burt.

Two ivy plants formed the altar and the congregation faced the lake. The 12:30 o'clock rites at which The Reverend George E. Kurz assisted by The Reverend John Lohmann presided were followed by a reception in the War Memorial's Alger House.

The bride, in a gown of ivory lace, wore ivory daisies and roses and green ribbon in her hair and carried a cascade of white mums, yellow Sweetheart roses, orange carnations, baby's-breath and ivy.

She was attended by her sister Mrs. Frederick Gersdorff, in a dark green gown, carrying a similar cascade and wearing similar flowers, without ribbons in her hair.

William Burt acted as his brother's best man. They are the sons of Mrs. L. Donald Burt, of Orchard Lake, and the late Mr. Burt.

Ushering were Geoffrey Burt, another brother, and Walter Mark Hassig, brother of the bride.

The newlyweds toured the United States for a month. The bride, graduated from the University of Michigan in April, 1973, is pursuing grad-

uate studies in Mathematics at the U. of M. The bridegroom will receive his degree in Biology and Chemistry from the University of Michigan in December. Both have received U. of M. honors recognition.

They will be teaching in Australia for two years starting in February, then plan to continue around the world, stopping in Africa and Europe before returning to the States.

## Elizabeth Cass DAR to Focus on Carols in December

Elizabeth Cass Chapter Daughters of the American Revolution will meet in the Cadieux road home of Mrs. John E. Finch for a dessert luncheon next Monday, December 2, at noon. Mrs. Finch is being assisted by Mrs. Ralph A. Kimble.

The program will be presented by Mrs. Urban W. Borech, who will give a short history of some of the well-known Christmas carols and lead chapter members in singing.

Mrs. Borech notes that although most of the carols we sing today have originated in other countries, Americans can claim four of the most popular—"Oh Little Town of Bethlehem," "We Three Kings," "Joy To The World" and "It Came Upon A Midnight Clear"—as their own.

The display is coordinated with a sales promotion for 1975's "Rediscover Detroit," prepared by the Junior League as a way of reawakening pride in Detroit.

The Calendar, sells for \$2.50 and can be found in the Stationary Department on the first floor of Jacobson's Apparel Store.

The two exhibiting artists are Barbara Greene and Calvin Lee, both metropolitan area university students.

Winners in the original art work contest were selected by a juried panel including Hawkins Ferry, author of "Buildings of Detroit," Gertrude Kase, owner of Kase Art Gallery, William Bostick, curator at the Detroit Institute of Arts, and Ed Bailey, photography editor for the "Detroit News."

## Yule Exhibit At Pewabic

Detroit-area potters will be displaying their creations in the third Annual Christmas Show at Michigan State University's Pewabic Pottery in East Jefferson Avenue starting Sunday, November 24.

Twenty potters plus a number of selected students have been invited to show and sell their pots. Opening day hours are 1 to 5 o'clock.

The show continues from noon to 4:30 o'clock Monday through Saturday through December 24.

The historic pottery — including the Pewabic Museum — will be open to the public free of charge during the show.

Never forget that death on the highways takes no vacation.

Barbara Greene, a Masters students in Printing, created the cover for the "Rediscover Detroit" 1975. Her original picture has been added to Wayne State University's permanent museum collection.

Miss Greene is an accomplished artist who participated in Watercolor U.S.A., has had

## American Art Talks Offered at Museum

As the approaching Bicentennial accelerates interest in the nation's fine and decorative arts the Associates of the American Wing lecture program at the Detroit Institute of Arts offers informative illustrated talks by experts to match that interest.

The Printmaker's America 1670-1840 will be the subject next Wednesday, December 4, when Sinclair Hitching, for 15 years keeper of Prints at the Boston Public Library, discusses views of a young nation by its graphic artists.

Future lectures include Connecticut Furniture of the 18th Century by Phillip Johnson, a graduate of the Win-

thamur program in Early American Culture, now associate curator in charge of Decorative Arts at the Wadsworth Atheneum, Hartford, Conn., January 30; and Philadelphia Silver by David A. Hanks, curator of American Art, Philadelphia Museum of Art, formerly a curator of Decorative Arts at the Art Institute of Chicago, March 20.

All lectures begin at 8 o'clock in the lecture hall of the Detroit Institute of Arts. Admission is \$1.50, (students with ID 75c), at the door.

Membership in the sponsoring Associates of the American Wing of the museum's Founders Society offers a

program of travel, dinner meetings and visits to private collections. Further information may be obtained by calling 831-4680.

## Symphony Slates Zodiac Concert

(Continued from Page 24)  
appeared in the world premiere of the Treemonisha Suite at Tanglewood last summer. A native of Washington, D. C., she studied with Jennie Tourel and Martial Singher. She makes her DSO debut at these concerts.

Contralto Louise Parker is also making her DSO debut at Friday and Saturday's

concerts. Born in Philadelphia, she studied at the Curtis Institute and came to national attention in the world premiere revival of Treemonisha in Atlanta in 1972. She is a member of the New York City Opera.

Tenor Seth McCoy sang with the DSO in performances of Bach's B minor Mass at Meadow Brook in 1966. Well-known through his association with the Bach Aria Group and the Robert Shaw Choral, he has appeared with nearly every major American orchestra.

Baritone Francis Hester has appeared extensively in

opera, oratorio and symphonic and chamber concerts throughout the country, particularly in his native New England. A graduate of the Juilliard School, he first appeared with the DSO in Porgy and Bess at the Worcester Festival last October.

The Rackham Symphony Choir, co-sponsored by the University of Michigan Extension Service and the College of Lifelong Learning, Wayne State University, first appeared with the DSO in March, 1953, and has sung with the Orchestra every year since.

### Christmas Fete Slated At Saint Joseph Home

The Saint Joseph Carmelite Guild of Saint Joseph Home for the Aged will present its Christmas luncheon and card party next Tuesday, December 3, at 12:30 o'clock at the Home in Cadieux road, Detroit.

A Holiday Booth will be featured. Donation is \$2.25. Reservations may be made by calling TUxedo 2-3800.

## From Another Pointe of View

(Continued from Page 17)

Arts Auditorium and the Main Building transformed into an elegant, festive assembly room for refreshments following the 2:30 o'clock musical performance.

Co-chairmen of the joint venture are Mrs. Robert LeFevre and Mrs. Frederick Lepley. One is from North, one from South—and we're not going to tell you who is from where because, for this party, who cares?

Mrs. Charles Harwood and Mrs. Thomas Brandt are in charge of decorations. Mrs. H. R. Brinker and Mrs. James Fielding are borrowing the silver. Mrs. Francis Crowley, Mrs. Richard Wuerker and Mrs. William Jevons are involved with food.

Others on the arrangements committee are the Mesdames John Wooten, Julius Huebner, Herbert Ralph, William Fox, George Bashara, Robert Agne, Richard Speer, John R. Sutton and Donald Savage.

### A Family Affair

Concern, Inc., (that's the group dedicated to guarding and preserving the environment so many Pointers are dedicated to), has planned a family Christmas affair for Sunday after next, December 8.

Place is the Grosse Pointe Hunt Club. Hours are 11 to 3 o'clock. A \$15-per-family donation entitles every member of the family to refreshments and entertainment, and each family will take home a Christmas tree, Scotch pine or spruce according to family preference.

Since Concern would like to get an idea of how many trees to order, it would be nice, if your family is planning to attend, to call 879-1333 some time next week and get in your Scotch pine or spruce request.

Co-chairmen of the event are Mrs. William S. Hickey, of Touraine road, and Mrs. F. Charles Kaess, of McMillan road.

### Circumnavigators Holiday Ball

They drop names like Agadez, Kathmandu, Tierra del Fuego, at the drop of a hat, but it's not name-dropping: this is one group where NOBODY tries to one-up anybody else. Frankly, it's just not possible.

They're the Circumnavigators, all of whom have circled the globe in one continuous journey at least (Continued on Page 32)

## To Open Youth Orchestra Year Sunday

The Detroit Symphony Youth Orchestra opens its fifth concert season at Ford Auditorium Sunday afternoon, December 1, at 3:30 o'clock. Paul Freeman, DSO conductor-in-residence and conductor of the DSYO since its inception in 1970, will be

on the podium. Featured soloist is Cass Tech student Paul Wingert performing the first movement of the Dvorak Cello Concerto. Also on the program will be the overture to Glinka's Russian and Lud-

mila and a suite from Prokofiev's Romeo and Juliet ballet.

Tickets are available at the Ford Auditorium Box Office, 961-0700. All proceeds go to the Youth Orchestra scholarship fund.

Performing in the Trio in B-flat, Opus 99 by Schubert during a recent Hope College concert was Pointer STEPHEN ELIASON, cellist.

**FIRST OFFERINGS**

**ON A PRIVATE LANE** in the Farms we have a decorator's four bedroom, two and one-half bath home that was featured on the 1973 Christmas Walk. The living area has a parquet floor, bay window, bookcases and fireplace. The family room also has a fireplace, a tray ceiling, French windows and doors, antique brick floor and bookcases. The kitchen is bright, airy with all the new conveniences. Centrally air conditioned the house is on a lot with 110 feet of frontage, and just a block from the lake.

**FOR THOSE LOOKING** for a four bedroom, two and one-half bath home in the Farms, we proudly present this immaculate colonial. The kitchen was completely redone in the last three months. Also featured is a library, formal dining room, living room with natural fireplace, four large bedrooms, recreation room with natural fireplace, laundry room, central air conditioning and, best of all, a large assumable mortgage.

**OPEN SUNDAY 2-5**

**15439 WINDMILL POINTE DRIVE**. For the first time in recent history it is possible to purchase on Windmill Pointe Drive for less than a hundred thousand dollars. This mini mansion features four family bedrooms, two and-half baths, library with fireplace, family room, and is on a 100x190 foot lot. Mr. Owens will be your sales agent.

**A UNIQUE OPPORTUNITY** to own an elegant home on one of the finest streets in Grosse Pointe Farms. This spacious colonial is set on an equally spacious lot which is landscaped perfectly for the home it surrounds. You have an opportunity to view this property with its large family room, beamed sun room with radiant floor heat, library with fireplace, five bedrooms, four baths, maid's quarters, wet bar, swimming pool, and three car attached garage. Sunday 2-5 p.m. Norm Cassube of our staff will be your host and guide at 100 Lothrop between Kercheval and Grosse Pointe Boulevard.

**1937 SEVERN**. We offer this immaculate three bedroom one and one-half bath Colonial featuring a large family room, new wall-to-wall carpeting, remodeled kitchen, new aluminum storms and screens, gutters and downspouts, new roof. Mr. Koenigsmann will be your host.

**BY APPOINTMENT PLEASE**

**A STately HOUSE** located in the Farms and overlooking the lake. This mini mansion has a 21x17 master bedroom with lake view, plus a dressing room with full bath. Four additional bedrooms, all connect to bathrooms. The main floor consists of a large living room, formal dining room, library, and updated kitchen with butler's pantry. Built and maintained with tender loving care.

**IN THE CITY OF GROSSE POINTE** a spacious four bedroom center entrance colonial. Enjoy a paneled den and a view of the yard from the dining room and a large family room with a corner fireplace. The kitchen is by Mutschler. This well-designed floor plan has many added appointments.

**HANDSOME GEORGIAN COLONIAL** of time proven architecture. You enter this fine custom home through a large foyer with open staircase. The family room, library with fireplace, large dining room and living room are conducive to family living and entertaining. Upstairs are six bedrooms and four and one-half baths. The lot is large, private and in one of the most desirable areas of The Pointe.

**A CLASSIC EXAMPLE** of traditional colonial architecture on a street that behooves its elegance. The center entrance hall is surrounded by a formal dining room, living room with natural fireplace, kitchen and a library with fireplace. A heated garden room has access to a brick patio and lushly landscaped garden. The beautiful center staircase takes you to a second floor which has six bedrooms and three baths. The home was built on a double foundation and its interior details attest to the fact that only the best went into this colonial masterpiece.

**WASHINGTON ROAD** becomes even more attractive because it has this three bedroom home with the special features such as a den, a large screened and awning covered porch, a first floor lavatory and a second lavatory to supplement the full bath on the second floor. Just a few steps to Kercheval Avenue, this offering is ideally situated near schools and shopping.

**DOESN'T SOUND LIKE GROSSE POINTE**, however this mini estate is in the heart of the Farms and tucked away at the end of a private drive. The acre plus lot is densely wooded with enough room for tennis court and pool. Designed by Girara and Yamasacki, this contemporary home "opens up" to the outdoors, yet is completely private. There are four bedrooms and four baths in the owner's wing. Two more bedrooms and another bath are in the service wing. Living here you'll enjoy the best of two worlds.

**Buying A Security System?** . . . When you buy an apartment home at the Jefferson Apartments, Grosse Pointe's newest condominium, you get not one but a network of the most modern security systems to guard you, your home and your possessions. A closed TV monitoring system covers the entrance, outside parking areas and inside garage. The entry communications system is a new system conceived and engineered by Michigan Bell Telephone Company. An on-guard alert system features a control panel in the manager's apartment and attendant's office. This notifies of any intrusion into any apartment when the occupants are away. A fire protection alert system gives added protection to all occupants and will notify each individual occupant of a fire in an unoccupied apartment. Besides security you get really gracious living. MRS. MAURICE DAY, OF WOODS LANE

By Janet Mueller

It's Grosse Pointe's turn to lead off on the Junior Women's Association for the Detroit Symphony Orchestra Christmas Walk this year, with seven local homes, all dressed up for the holidays, open to the public between 1 and 6 o'clock next Thursday, December 5.

And this year the Juniors have added a new dimension to their annual holiday event. A tour of Grosse Pointe Memorial Church is included on the Pointe Walk-ers route. The following Thursday, December 12, the scene shifts to Birmingham-Bloomfield, where six residences plus Kirk in the Hills will be decked and open for walking.

**Six-Month Project**  
For Anna Marie (Mrs. Maurice) Day, co-chairman of the East Side Christmas Walk with Mrs. Charles (Susan) Davis, of Ellair place, next Thursday's Walk is the culmination of six months' work.

"The president, (of the Juniors), called in late spring and asked me to take on the East Side co-chairmanship," Anna Marie reports. "I had already been approached to serve as president of the Society of Engineers' Wives, and turned that down."

"I don't know how I let myself get talked into this." Never underestimate the persuasive power of a Symphony Junior.

But it's been fun as well as work, and Anna Marie, poised now for a Perfectly Beautiful Pointe Christmas Walk 1974, has no regrets.

Her early life was peripatetic. Born in Dallas, she lived in Hot Springs, Ark., El Paso, Saginaw and Pittsburgh before her father, in the wholesale meat business, finally moved his family to Detroit.

**D-Day Arrival**  
Anna Marie is unlikely to forget the date of her arrival. It was D-Day, June 6, 1944.

Nor is she likely to forget the date of her first meeting with her husband. "My father brought him home and gave him to me for my 16th birthday."

It happened this way: young Mr. Day had come from Iowa with a friend, to study at Wayne State University; Anna Marie's father's best friend was a cousin of Mr. Day's friend; Anna Marie's family gave a Discharge Party to welcome her brother home from World War II, and her father de-

Complimentary refreshments, 13800 E. 8 Mile Road, DR 1-5666.

**Christmas Miniatures** . . . from around the world to decorate trees are at Wicker World, 20643 Mack Avenue. How about a fernery of wicker or wrought iron for your plants. One of the newest and most welcome gifts. 886-8469.

"The Grosse Pointe Artists Association is pleased to announce an Art Show and Sale November 30 through December 7 to be presented at The Vineyard, a shoppe specializing in fine wines, 21016 Mack Ave., Grosse Pointe Woods, free parking in rear. 882-0140."

**UNIQUE GIFTS FOR CHRISTMAS** . . . Where? at Martha's Closet. Gifts for everyone on your list. Open Thursday nights during December until 9 p.m. Remember, complimentary gift wrapping. 375 Fisher Rd.

**THE CUT-UPS**. You are just a few minutes away from a delightful haircut. \$10 complete with shampoo, blow-dry styling. Just come in or call. 18134 Mack. 885-3240.

## Short and to The Pointe

(Continued from Page 17)

Pointer KURT F. HART-LIEB, member of the German-American Cultural Center board and president of the Concordia Singing Society, recently presented a \$5,000 check to Wayne State University President GEORGE E. CULLEN, JR. The money will be used for conversion of a room in Manogian Hall on WSU's campus as part of the University's Ethnic Classrooms project. Purpose of the Project, to which several ethnic groups have contributed, is to reflect the diverse and rich art of the many nationalities making up the Greater Detroit community. Present for the Mr. Hartlieb's presentation was German Consul General in Detroit HERBERT WEIL.

BARBARA M. GRACEY, Class of '76, daughter of MR. and MRS. PAUL C. GRACEY, of Touraine court, served on the properties crew for the recent production of "The Effect of Gamma Rays on Man-in-the-Moon Marigolds" at Pine Manor Junior College, Chestnut Hill, Mass.

selects students at the University of Detroit, Wayne State University and Detroit Institute of Technology who will receive benefit-raised funds.

**Science Fair Worker**  
The former ESD Junior Wives man the Metropolitan Detroit Science Fair, Anna Marie has been chairman of the Wayne State Regional Fair for the last two years.

She's relatively new to the Junior Women's Association for the Detroit Symphony Orchestra, having joined just a year ago. Perhaps that's part of the reason why, when the president asked her to take on the East Side Christmas Walk co-chairmanship, she found she couldn't say no.

"Our first duty is to locate the homes. Then we have a meeting with the owners, to work out traffic patterns, measure for runners, take pictures for a presentation to our membership and get a history of each house."

Those traffic patterns are of major importance. Walkers must be able to get in, and around, and out easily; some homes, lovely in every way, are simply not suitable for Walk-through viewing.

Some homes can accommodate Walk-ers downstairs but not up. Anna Marie is delighted that four of the seven homes to be opened in The Pointe this year will be showing both downstairs and upstairs rooms.

**Xmas Walk Hours**  
The 1974 Grosse Pointe Christmas Walk houses range from Mr. and Mrs. Alfred Epstein's English Tudor overlooking Lake St. Clair in Windmill Pointe drive, one of The Pointe's oldest and loveliest areas, to the dramatic French Provincial residence of Mr. and Mrs. Donald Cole in Cameron place, a "new" street.

The Cole house features a fountain in the front walk

once, most of whom have criss-crossed and hoppedscotched it for years.

They're getting together next Thursday at Kingsley Inn for their annual black tie Holiday Ball, honoring current Michigan Chapter Circumpresident James T. Fitzpatrick, of Hidden lane, and Mrs. Fitzpatrick, and a passel of Circumpastpresidents and their ladies, including Mark C. Stevens and Mrs. Stevens, of Moross road, and J. Lawrence Buell, Jr., and Mrs. Buell, of Vendome road.

The John W. Kinseys are coming back from Sun City, Ariz., for the party. The George Pierrots will be there, as will the Edwin O. Georges, the John D. Richardsons and Mr. and Mrs. Donald K. Barnes. The men are all Circumpastpresidents.

General chairmen of the evening with Circumpresident Francis X. Coughlin and Mrs. Coughlin are Les and Leona Putnam, of Earl court, Les is a Circumdirector too, of course.

So is Paul Moreland, of Harvard road, Circumpresident, in charge of 1974 Holiday Ball publicity. Paul and Charlotte, whose latest excursion was to Alaska, will be among the crowd enjoying circumbalms, dinner and the Grand March and dancing to tunes by Art Quatro's Musicales.

### Glancy Trains Go On Display

The fabulous Train Collection of the late Alfred R. Glancy, Jr., donated after his death to the Detroit Historical Museum so that it might be enjoyed by children, (and adults), throughout the metropolitan area, goes on display this weekend in the Museum's roundhouse foyer, and the Glancy family—Ruth, Al, Jody and Robbie—continuing Al Glancy, Jr.'s tradition of Christmas Train Parties for the Glancy children, their children, their children's friends and friends' children, will host a Train Party at the Museum Sunday, from 5 to 7 o'clock, for members of the Detroit Historical Society, their families and friends.

What a lovely tradition for Ruth, Al, Jody and Robbie to continue!

and a two-story entrance with circular stairway.

Two homes will be on view in Elmsleigh lane: Mr. and Mrs. Richard Measelle's new center hall Colonial, beautifully furnished, featuring accessories collected in Spain, and Mr. and Mrs. Haig Avedisian's house with its marble-topped English Tudor dining table and rich wood paneling.

The Robert Peterson home at the beginning of Lakeshore road has a one-and-a-half story living room and antique French marble fireplace. Family antiques mingle with contemporary furnishings.

Look for the Staffordshire calling card boxes in Dr. and Mrs. Philip Binns' English Tudor in Sunningdale drive, and check out the antique black walnut flooring, railings and balustrades in the Greek Revival residence of Mr. and Mrs. Donald M.D. Thurber in Rathbone place.

**Church Included**  
Memorial Church, built in 1865 overlooking Lake St. Clair, is the first Protestant church in Grosse Pointe. It features wood carvings, mosaics and stained glass windows. Its stone walls are carved with symbols and inscriptions. The Church is the place for Walk-ers to pause for refreshments, cider and doughnuts, and enjoy Christmas music before continuing on their way.

Patrons tickets at \$10 per person are good for admittance to both the Grosse Pointe and Birmingham-Bloomfield Christmas Walks. General admission tickets are \$3.50 per person per Walk in advance, and may

be obtained by contacting Mrs. Robert A. Yeung, 886-4629.

General admission is \$4 per person at the door. Walks are tax deductible, for the Walks benefit the Maintenance Fund of the Detroit Symphony Orchestra.

Pointers who would like to go Christmas Walking in Birmingham-Bloomfield the following Thursday, December 12, may travel out and around in comfort via Rudolph's Rig, an express bus which includes box lunches and cold duck among its amenities.

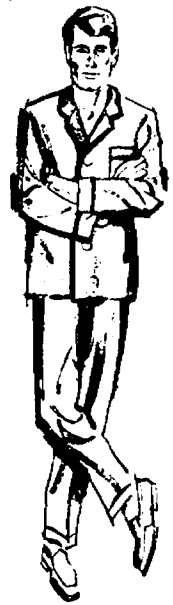

Rudolph's Rig reservations are limited. Mrs. Ronald Lovisa, 881-3583, is accepting them while they last.
