THE SENATE Intelligence Committee, reporting that the government has used bugging, burglary and blackmail to collect vast information on the private lives and political beliefs of Americans, called again Wednesday for strict controls over the CIA, FBI and other spy agencies. But even before the report was made public, the Senate Rules Committee moved to dilute one of its principal recommendations—creation of a congressional committee to monitor the intelligence community. The same recommendation has been made in the intelligence panel's report on foreign activities, made public Monday.

A HANDWRITTEN DOCUMENT, described as the will of the late Howard Hughes, was turned over to a Nevada court Thursday, 24 days after the billionaire's death. But the document and the circumstances surrounding its discovery failed to clear up any of the mystery involved in the Hughes estate. There were immediate expressions of skepticism from officials of Hughes Summa Corp. and indications of a long court fight ahead. According to the three-page document, the bulk of the estate, estimated at up to \$2.5 billion, goes to medical research and charitable organizations.

ITALY'S CHRISTIAN Democrat government collapsed Friday night, moving the troubled nation toward a general election and possible further Communist gains at the polls. Premier Aldo Moro, facing Italy's worst economic crisis since World War II, announced the resignation of his 11-week-old minority government at an urgent cabinet meeting, then presented it formally to President Giovanni Leone at the Quirinal Palace.

TEAMSTERS STRUCK the United Parcel Service Saturday, virtually shutting down the giant delivery system in Michigan and a dozen other Midwest and Rocky Mountain states. The strike idled some 14,000 drivers, loaders and sorters, including 1,500 UPS employees in Michigan, 243 of them in Grosse Pointe. Picket lines began going up in affected states shortly after midnight Friday, when the union's three-year contract with UPS expired.

THOUSANDS OF ONLOOKERS waited patiently through rain showers Sunday to watch while the nine-mile-long Wayne County Bicentennial Parade rolled down Woodward avenue for almost four hours. Parade promoters claimed afterward that the giant event, with an estimated 268 floats, bands and other units, was the "world's longest parade." Police were unable to estimate the size of the crowd because of the great distance covered by the parade, but a police spokesman called it a "very good turnout."

AGRICULTURAL SECRETARY Earl Butz said Monday in Washington that he expected supermarket food prices in the U.S. would go up only three to four percent this year, even if the Soviet Union purchases more American grain. The reduced inflation forecast, which he said would materialize if farmers get average weather this year, compares with price increases of 8.5 percent last year and 14.5 percent in each of the two previous years.

Planting Pride at South High School

The planting of flowering trees at the Fisher road entrance to South High School marks the completion of a year-long project led by the Grosse Pointe Garden Club Council. Completing the work, (from left to right), are BEN ZENN, director of support services; FURREL FOUNTAINE, supervisor of maintenance; DAVID SULTZMAN, a Kerby school kindergarten stu-

dent; MRS. H. JAMES GRAM, Garden Council president; DR. JAMES A. HOEH, South High principal; MRS. CARL SULTZMAN, South High planting chairperson; DAMIAN KISKA, vice-president of the South High Student Association; and MRS. URBAN BORESCH, publicity chairman for the Garden Council.

South High Sports New Landscape

Many Participate in Beautification Project, Which Will Be Dedicated Tomorrow

By Susan McDonald

Capping off a half decade of renovation of the aging landmark, South High School's outside face lift was completed this week with the dedication and planting of the last of dozens of flowering trees to brighten up the school's Fisher road entrance.

The trees, along with about 50 shrubs, new walkways and sitting areas, was all part of a "Plant Pride at South High" campaign led by Grosse Pointe's Garden Club Council.

The council, along with representatives from many involved, local groups, will dedicate the new landscape at a Friday, May 7, ceremony at 10:30 a.m.

Many Play Role

The project began in the spring of 1974 with a \$1,500 gift from the council, but grew with contributions from many other groups including the Soroptimist Club, Woman's Club, Education Association, Delta Kappa Gamma Society, South High Mothers' Club, Rotary Club and the South Student Council. The remaining \$2,500 deficit will hopefully be made up by proceeds from the gardeners' Pointe Garden Tours Friday-Saturday, May 14-15.

Trees and shrubs are not all that's new around South High, though. Last month the Board of Education announced its special "family" guest pass and park permit. Gate

Pointe Municipal Parks To Officially Open on Memorial Day Weekend

Starting Dates for Use of All Recreational Facilities Vary in Each Community As Completion Of Work, Weather Play Roles

By James J. Njain

All Pointe municipal parks are open to some degree for certain types of recreational activities, although the official opening date is set for the Memorial Day weekend, May 29-31. At the same time, weather is a big factor in determining the use of the parks during the entire month of May, according to information released by the various city officials.

Admission to all parks are by residential passes issued to citizens of the respective communities. They contain sections to be punched for admission of family and other guests.

Construction at The Woods' Lake Front Park, which is located at Jefferson and Marter road, St. Clair Shores, is still underway with many areas still torn up, e.g., the old swimming pool area still needs to be filled. Officials ask residents to be patient and understanding, while using the park until all work is completed.

On Last Lap

The boat marina was opened for use on Saturday, May 1. Meanwhile, the swimming pool contractors put the finishing touches to the new swimming pool, bringing it up to specifications. They were scheduled to finish this job on Tuesday, May 4.

Hopefully, the pool will be ready for use by May 29. Bids will be taken for the demolition and filling in of the old swimming pool, after which this area will be used for picnicking purposes.

Residents desiring to bring guests into the park on weekends and holidays must use their special "family" guest pass and park permit. Gate

guards are on duty to check passes.

Park hours are from 7 a.m.-11 p.m., while pool hours are from 10 a.m.-10 p.m. daily.

Park Crews Busy

Other parks available for the use of residents of different age groups are Ghesquiere Park, at the rear of the Municipal Building; Chene-Trombley Memorial Park, at Mack avenue and Ridgemont; and Sweeney Park. The latter may be reached by public walks from Fair court, Marford court, Balfree court, Holiday road, Clairview court and Ford court.

Further information may be obtained by contacting the Municipal Building at 884-6800.

The Park's Windmill Drive Park and Three Mile Drive Park are being made ready for use by local citizens. Crews are cleaning each park, landscaping, seeding, painting the wading pools and cutting the grass.

The marina has been open to boating enthusiasts since April 15 at Windmill Pointe Park, which is for active recreation and picnicking. The swimming pool at this

Club Curtails Antique Show

After 21 years, the Grosse Pointe Rotary Club sponsored Antique and Collectibles Show-Sale will no longer be held as the club's board of directors recently passed a resolution discontinuing the event.

"The club is seeking other means of raising funds," said Peter Higbie, club president, who noted that the preponderance of similar shows in the area also played a role in the board's decision.

The antiques show has been a good thing for the club and the community, he stated, but the Rotary Club had the growing feeling that it has now been duplicated in other areas.

At the same time, Mr. Higbie stressed the club is continuing with its action auction. This event was held in January and it may possibly be held again this fall, he said.

Pointes View Aspects of Bike Safety

Officials Urge Cyclists To Obey All Rules of The Road, Comment Upon Ordinances

By George Polgar

After a long winter of just trying to keep warm, nothing is more heartening for the body and soul than a sunny spring day and a long bike ride.

Unfortunately, in their pedalling passion many bicyclists, young and old, forget that man does not travel by bike alone. The result is a dangerous disregard of basic traffic rules which apply to bikes and cars alike.

Each year the police departments of all the Pointes send out traffic safety officers to present lectures on bicycle safety to local school children. Leaflets explaining state and local ordinances concerning the operation of bicycles on public streets are available at each station.

Adults Are Cited

Local police also conduct licensing and inspection programs. The inspections, which are arranged through the schools, are on a voluntary basis but licensing is mandatory.

The registration system is the only way police can deal with lost or stolen bikes. Surprisingly, adults are the most frequent violators of the licensing codes, according to Park Sgt. George Blair.

For the most part the rules of safe biking are based on the unchanging considerations of common sense. Observation of traffic signals, riding to the right of the roadway, only one on a bike, and not transporting bulky packages are important to remember.

The enforcement of these kinds of rules ultimately rests with the police but parents also should remind their children of the hazards of carelessness.

A number of public doubts that any bicycle ordinances can be effectively enforced. On the one hand such violations are too minor to receive serious attention yet the potential for serious injury is too great to be neglected.

Woods Law Viewed

If any aspect of bicycle safety bears closer examination, it is clearly the question of young children riding on busy thoroughfares such as Lakeshore road. This problem was recently underscored by a tragic accident in The Farms in which one boy was killed and two others were injured. Two of

Ordinance Regulating Conduct in City Owned Parks Referred Once Again to Committee of The Whole; Legalities of One Section Causes Concern to Some Council Members

By Roger A. Waha

A proposed ordinance to regulate conduct in city owned parks, which The Woods Council has been considering for most of the year, has once again been referred to the Committee of the Whole, (C-W), for further study. This action was taken at the regular meeting Monday, May 3, on a 6-1 vote.

This proposal, which was being considered for its second reading and final adoption, was earlier referred to the C-W at its second reading stage back on February 2.

At that time, indications were made that City Attorney George Catlin might receive specific directions from the council regarding potential adjustments in troublesome sections, e.g., one explaining the need for permits for certain activities.

Main Problem

However, Mr. Catlin said he received no precise instructions during the last two months and will now await possible guidance from the C-W in this respect. As a result, the proposal came full circle with the council concurring with the C-W on Monday, April 5, that it should be adopted, and then approving its first reading on Monday, April 19. Now, it's back to the C-W again.

A main problem in the content of the proposal, and one which has been of concern to Councilwoman Joan M. Mullan and Councilman Ronald R. Keegen, is Section 23, Subsection 2.

This says that a permit must be obtained prior to any public meeting, assembly or parade, including but not limited to drills, maneuvers, ceremonies, addresses, speeches or political meetings.

Both Mrs. Mullan and Mr. Keegen felt this sub-section was too general, could interfere with the C-W again.

Big Band Ball Set for May 7

The fourth annual Big Band Sound Ball, sponsored by the Grosse Pointe Fraternal Order of Police Lodge 102 Associates, will be held tomorrow, May 7, at the Light Guard Armory, East Eight Mile road at Ryan, from 9 p.m.-1 a.m.

Carl Edison and his 17-piece band will play the music of the last 30 years for everyone's listening and dancing pleasure.

The tickets are \$5.50 per person with the proceeds going to benefit the associate's needy causes, e.g., the widow and orphans fund.

For further information on tickets, contact any Pointe police station or Warren Brush, chairman, at 884-4147.

Woods Considers Survey Of Trees in Spring 1977

By Roger A. Waha

A tree survey and census may become a reality in The Woods sometime during the spring of 1977 as the city has been in contact with the College of Agriculture and Natural Resources at Michigan State University regarding the utilization of students for the project.

City Administrator Chester E. Petersen had the original idea for the survey and requested the Beautification Commission to coordinate and pursue it.

The city asked for consideration in the college's program plans for 1977 for the purpose of using students in an arboriculture class to conduct the survey, said Mr. Petersen.

The project would include

Farms Agree to Be Lead Applicant for Grant Monies in Effort to Curb Dirty Water

The Farms Council voted 6-0 to become the lead applicant for a Step 1 Planning Grant for water pollution control facilities in areas within four Pointe communities and Harper Woods not included in the Fox Creek Drain.

This action was taken at the regular meeting Monday, May 3.

The proposal will be sent to the Department of Natural Resources, (DNR), for confirmation. If the DNR approves the request of The Farms to be the lead applicant, the community will then serve as a "funneling agent" for the four other communities to the DNR, according to Farms City Manager Andrew Bremer.

Besides Harper Woods, the four Pointe communities involved are The Woods, The City, The Farms and The Shores. The Park is in the Fox Creek District. The plan would study the storm water run-off from the substantially combined sewers serving these five communities, and the ensuing overflow into Lake St. Clair directly or via the Milk River.

Federal Funds

Once the DNR has approved The Farms' request, the communities involved in the Step 1 Planning Grant can apply for Federal funds to help carry out the studies in their communities. The Federal Government would supply 80 percent of the cost, while the other 20 percent is provided by the cities involved.

The local communities will then contract with consulting engineers to complete their particular portion of the facilities plan for the study area with one of the consulting engineers being responsible for the overall coordination of the study. In

Board Asks Approval of 27.97 Mills

Voters to Decide on Additional Increase for Schools, Libraries for One Year Terms; Renewal Propositions Separate

By Susan McDonald

Voters will be asked to decide on a 2.2 school and .11 library millage increase in the second round of school elections on Monday, June 14.

Both additional millage proposals are for one year terms. In addition, on two separate ballots, will be four-year propositions for 24.35 school and 1.31 library millage renewals.

The Board of Education decided to reduce its requests for additional mills after Pointe voters rejected a combined four-year package for 27.1 school, (including 2.75 additional), and 1.45 library, (1.31 additional), millage proposals on March 29.

Reserve Cut Out

Robert Warner, Board treasurer, explained at the Monday, May 3, public meeting, that the Board was able to reduce its request for additional millage only because the duration also was decreased.

"When we were considering a four-year package, it was necessary to have some reserves for future planning," he said. "In this one-year package, we have cut out all of the reserves."

The difference between the original and the new school millage propositions, .55 mills, would equal about one half million tax dollars.

Grosse Pointe Education Association, (GPEA), president Doris Cook said she was personally disappointed that the Board decided to reduce the amount of additional millage requested. She said that her membership will decide at a Tuesday, May 11, meeting if it will support the reduced proposal.

We had committed ourselves to the Board to bargain within the perimeter of the renewal and a 2.75 additional mills. Now the GPEA will have to go through an "agonizing reappraisal," she said.

The GPEA did not support the last millage proposition. They had originally proposed a four-year package of 6.8 additional mills or 3.82 for one year, according to Mrs. Cook.

But the realities of the millage defeat and of 162 teacher layoffs forced us to compromise our high hopes for the future," she said.

Driver to Face Circuit Court

James Howard, of Charest road, Detroit, has been bound over to Wayne County Circuit Court for trial on a charge of manslaughter, (motor vehicle), in the hit-and-run death of a Park youth on Monday afternoon, April 19.

This action was taken at his examination before Farms Municipal Judge Robert Pytell on Wednesday, April 28.

Howard's pre-trial arraignment is scheduled for Tuesday morning, May 25, before Judge Robert J. Colombo.

A plea of not guilty was entered for Howard at his arraignment before Judge Pytell on Tuesday, April 30. Howard is currently released on a \$25,000 bond.

Conviction of the manslaughter, (motor vehicle), charge could bring up to 15 years in prison.

Steve Salkowski, 10, of Harward road, and two other boys, Billy Trombley, 12, of Washington road, and Jamie Burke, 11, of Muir road, were struck from behind as they rode single file on their bicycles along Lakeshore road.

Steve was killed instantly, while the other boys sustained minor injuries.

Cities Join to Fight Water Pollution

(Continued from Page 1)
In this case, the coordina-
ting engineering firm for all
the information would be
representing The Farms.
According to Mr. Bremer,
the Federal statute decreed
that all waters of the na-
tion be cleaned up by the
various local communities
has "been on the books for
about five years now. In our
case, this means the waters
of Lake St. Clair. This con-
cerns everybody," he said.
"This will cost billions of
dollars all across the coun-
try."

Has No Idea

"Only about one-third of
The Farms is involved in the
direct run-off into the lake,"
said Mr. Bremer. "The rest
goes to our pumping plant
for proper disposal. When
we have a very heavy rain-
fall and our sewers can't
handle the overflow, it is
automatically dumped into
the lake, rather than back
it up into people's base-
ments."

The only trouble, accord-
ing to Mr. Bremer, is that
The Farms has no idea how
often this dumping occurs.
"We've had monitoring
posts installed along the
lake for two years now. These
posts are monitored by De-
troit and the data on how
long they dump and when
it's recorded downtown. We've
called to ask for information
on how many times the doors
open and for how long, but
Detroit is in no position to
give it to us," he said.

"So actually, we don't
even know if we really have
a problem with dumping into
the lake or not."

Farms City Comptroller
Carroll Lock sees the prob-
lem as one of money. "If
you dispose of waste, and
you don't want to pollute,
you've then got to pay to
get rid of it," he said.
"If we do receive Federal
funding, we will use the
money to look at our poten-
tial overflow, our problem
sewers and see if we have
a problem. If we do have

troubles, we will see what
is necessary to correct
them."

According to City Man-
ager Thomas Kressbach of
Grosse Pointe City, his com-
munity isn't too sure yet
whether to associate itself
with the Fox Creek Drain
or the Step 1 Planning
Grant for the Milk River
project.

"Our problem," he said,
"is that The City doesn't
drain into the Milk River at
all, but does have a small
area that drains into Lake
St. Clair. The rest drains
into Fox Creek."

"In that regard, the Wayne
County Drain Commission
submitted a similar project
to the State, involving The
City, two years ago for Fox
Creek drain basin improve-
ments. There has been no
work on it."

The City has decided to

take a wait-and-see position
on the projects.

"Until we get some noti-
fication from the State, the
City isn't able to determine
which of the projects it will
associate itself with, (i.e.,
Fox Creek or Milk River).
More information from the
County Drain Commission
and the State is necessary
to determine which of the
planning areas would be
most logical for The City,"
he said.

"Hopefully, further infor-
mation from the State will
be coming soon. Until then,
The City Council will not
make any decision."

Meanwhile, The Woods
and Harper Woods Councils
both passed similar resolu-
tions of participation in the
Step 1 Planning Grant last
month.

The Woods Council con-

curred in a Committee of
the Whole recommendation
that the solons go on record
as being in agreement that
The Pointe communities and
Harper Woods jointly seek
such a grant for water pol-
lution control facility studies.

At the same time, the
measure says the council ap-
proves The Farms as a lead
agency for the grant, and
authorizes Mayor Benjamin
W. Pinkos to sign an ap-
propriate letter conveying
the council's position to the
DNR.

Not High Priority

Woods City Administrator
Chester E. Petersen said all
The Pointes and Harper
Woods were advised by the
DNR that steps would have
to be taken in the future to
curb water pollution in Lake
St. Clair via overflows in
heavy storm periods.

He stated The Woods will
spill an estimated 10-12
times a year in Lake St.
Clair from the Milk River
Detention Basin. "Our con-
tribution to Lake St. Clair
is very minute," continued
Mr. Petersen, who added
such a number wasn't of a
high priority as far as get-
ting rid of pollution.

Finally, Shores Village
Superintendent Thomas Jefferis recently said the council
expects to pass a similar
resolution in the near fu-
ture. He added his commu-
nity would further explore
the matter and consider
what the other communities
do, along with potential ad-
vice from the DNR and the
Wayne County Drain Com-
missioner's office.

Board Sets Proposals

(Continued from Page 1)
The Board also explained,
in a slide presentation, some
of the program cuts that it
would make if the additional
proposition is again rejected
by voters.

In the libraries the cuts
would take the form of elem-
ination of Sunday service at
all branches, no Saturday
service at the Central branch
in July and August, further
reductions in branch hours
during week days and cut-
backs in equipment, mainte-
nance and materials.

Many Cuts

Elementary classes would
be about 10 percent larger
and art, music, skills talent
and library programs would
be eliminated if the additional
millage is rejected, the Board
said.

In the middle and high
schools, a voter rejection
would mean a cut of one
hour in the school day, (ex-
cept for the ninth grade), and
further reductions in counsel-
ing, administrative and li-
brary services and elimina-
tion of many advanced
courses.

System-wide cuts would
include the elimination of
the four-year-old testing pro-
gram and the developmental
pre-school, speech and lan-
guage projects.

The Board has already given
notice of dismissal to 162
teachers and several admin-
istrators and office workers.
Although the Board also has
decided on a cut of about
\$100,000 from the extra-pay-
for-extra-duty fund, Board
president Joan Hanpeter said
she could not say yet which
sport and club activities
would go.

State Aid Discussed

About 200 people attended
the two-hour Board meeting,
most of them millage sup-
porters.

One exception was Dr.
Louis DePerro, who was very
vocal in his opposition to the
last millage election.

Dr. DePerro, speaking at
the meeting, said he would
support the renewal proposi-
tions but not the additional
proposals until he was cer-
tain that no State aid to the
schools would come from
Lansing.

This year about a half mil-
lion dollars originally budg-
eted in Lansing for Grosse
Pointe schools was not re-
ceived because of Gov. Will-
iam Milliken's fall budget-
trimming. Pointe schools are
involved in a suit, along with
several other high-valuation
districts, to try to regain the
lost funds but they are not
counting on receiving any
funding next year, according
to Mrs. Hanpeter.

Rep. William R. Bryant, in
a letter to Mrs. Hanpeter
agreed that The Pointe will
probably not receive any
funding next year from the
State.

"It is reasonably certain
that our district will be at
least promised categorical
aid," he said. "Like this year
though, and last, because of
the State budget crunch, our
district may lose all or nearly
all aid in cuts during the next
year."

Dr. DePerro, though, sug-
gested that Pointers should
rally in Lansing to have the
State aid allocated to The
Pointe rather than pay addi-
tional millage.

New Landscape

(Continued from Page 1)
nounced the completion of
a \$150,000 renovation of the
school's auditorium as well.

Among the most startling
improvements are a new
blue and red carpet, scarlet
seats and 32 movable ac-
oustical clouds that hang by
chains from the ceiling.

Theatrical productions will
be improved with \$3,000
stage curtains, new lights
and controls and a \$800 pro-
duction booth. Audiences may
be a little more comfortable
with the new heat, air condi-
tioning and ventilation sys-
tems as well.

Protests in 1920's

The South High building
has been a landmark in The
Pointe since its completion
in 1927. With its tower pat-
terned after that of Inde-
pendence Hall in Philadelphia,
the building, which contained
36,000 square feet of marble
and a solid reinforced steel
and concrete construction,
reached a final cost of al-
most \$2 million.

In fact, the proposed high
school was contested bitterly
by a handful of early 1920's
Pointe residents, who claim-
ed, among other things, that
the high building price,
"would make the citizens of
Grosse Pointe townships a
laughing stock in the future."

The protestors' appeals
were eventually taken to the
Michigan Supreme Court in
1928, where a decision was
made in favor of the Board
of Education's plans.

The recent auditorium re-
novation was funded from the
remains of a 1971, \$3.5 mil-
lion bond issue which pro-
vided for a complete re-
modeling of the school. A
hectic two years of construc-
tion added 31 teaching sta-
tions, 63,000 additional square
feet of space and upgraded
fire and electrical systems.

An Irresistible Winner

Flashing the smile that made him famous, 11-month old MATTHEW MARCHESE likes the attention he's been getting lately. Chosen as a winner in the Kinney Shoe "Great American Face" photo contest, Matthew beat out over 5,000 entries to become one of 12 winners across the U. S. The son of Paul and Marie Marchese, of Hollywood avenue, Matthew declined to talk about his new found fame.

Woods Baby Picked As 'Great American Face'

By Tom Greenwood
Let's face it. Eleven-month-old Matthew Marchese of The Woods is a winner. Just one look will prove it.

Please notice the open, honest look. Take in the jolly little grin that says "everyone is my friend." The large, liquid eyes are deep and dark enough to fall into.

Don't forget that little nose either. It sits between two rosy cheeks like a button between two apples.

He's the All-American Boy and Mr. Personality rolled into one. And his parents aren't the only ones who think so.

The judges of the Kinney Shoe sponsored photo contest seeking 12 "Great American Faces" to commemorate the Bicentennial year also concurred.

The contest, which was open to amateur photographers only, was conducted throughout the U.S. and was aimed at highlighting portraits of Americans from all walks of life. Matthew, with the "Baby-Boy" category of the contest.

Other divisions included male and female entries in the baby, pre-teen, teenager, young adult, mother, father,

grandmother and grandfather classifications.

Matthew, the only winner from Michigan, was chosen from a field of 5,000 entries. The judges included John Durniak, picture editor for "Time"; Charles Reynolds, picture editor for "Popular Photography"; Dr. Robert Akeret, author of "Photoanalysis"; Irvin Desfor, photography columnist for the Associated Press; David Finn, fine arts photographer; and Arnold Newman, fine arts photographer.

The judges chose the winners on the basis of the subject's face, plus special qualities of character, personality, strength, emotion and warmth.

It all began when Paul and Marie Marchese, of Hollywood avenue, read about the contest in the "Detroit News." A quick search of the house turned up Matthew's winning photograph and the rest is history.

It really is. With the 11 other winners, Matthew had his name entered in the Congressional Record, with sponsorship provided by Minnesota Sen. Hubert Humphrey. The senator also sent a communication to President Gerald Ford, outlining the contest, its goals and listing the winners.

Matthew's name appears in the Congressional Record, volume 122, #23, dated Monday, February 23, 1976.

Other prizes include a photo essay of the family shot by Mr. Newman, who has photographed the last six U.S. Presidents. He spent several days with the family, shooting them at work and at play.

Matthew's picture, along with the other winners, also appeared on the "Today" show and was featured on one of Harry Reasoners' ABC news programs.

The photos also were exhibited by the Morristown, N.J., "Museum of Arts and Sciences" and the "Museum of Sciences and Industry," Los Angeles. The photos have gone international, too, as they have been shown abroad by the United States Information Agency.

Perhaps the most exciting proposal to the Marchese family is the interest of the United States Treasury Department in using the photos in a new Bicentennial advertising campaign to sell savings bonds.

At 11 months of age, Matthew has proven he's a winner. But where do you go from up? Will he be a has been at one year of age?

Don't worry. With a face like his, he's a shoo-in to win the "grandfather" category of the Tricentennial photo contest.

NHS Parents Aid Students

The Grosse Pointe North High School Parent Club has announced it once again plans to provide scholarship help for North students so they may participate in enrichment programs this summer.

The announcement was made jointly by Mrs. Richard Szejbach, president, and Mrs. Louis Neuder, scholarship chairman.

"In the past, financial assistance has been given to students for summer band camp, vocal music, forensic speaking, drama, art and physical education," said Mrs. Neuder. Last year \$1,095 was awarded to 31 students who took part in various summer enrichment programs throughout the nation.

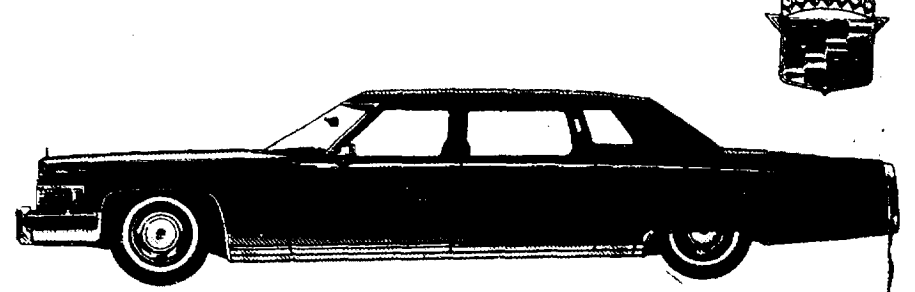

"These grants are designed for underclassmen who may be expected to continue in their respective programs in the coming year, and thus will strengthen the school in the areas of their special study," said Mrs. Szejbach.

Grants are made primarily on the basis of the ability of the student and the needs of the school rather than on the basis of financial need, although this may be a consideration, according to Mrs. Szejbach.

Up to one half of tuition and fees, or approximately \$100, whichever is the lesser amount, will be provided, added Mrs. Neuder.

Students must be recommended by a North teacher for a specific program in order to be eligible for the summer enrichment program. All recommendations must be submitted to Mrs. Neuder by Monday, May 10, for consideration this summer.

Parks Officially Open Memorial Day Weekend

(Continued from Page 1)
park is being left for last when it will be cleaned and checked over and then filled with water. It's scheduled to be ready by Friday, May 28.

The Three Mile Drive Park, which has been set aside for passive recreation, such as picnicking, golf putting, etc., is being landscaped and seeded. A new fence is being erected at the southwest corner of this facility.

Hours All Set
There are several tennis courts located in this park for tennis buffs, as well as at Windmill Pointe Park.

Windmill Pointe Park, located partially within The Park city limits and partially within Detroit city limits, is in Windmill Pointe Park drive, at the foot of Alter road, while the Three Mile Drive Park is in Essex boulevard at the foot of Three Mile Park drive.

Windmill Pointe Park will be open from 7 a.m.-11 p.m. daily, and the swimming pool, from 7 a.m.-10 p.m. Three Mile Drive Park will be open from 7 a.m. until dark because there are no lights in this park.

The Norbert P. Neff Memorial Park, in Jefferson avenue, at University place, was partially opened on Saturday, May 1, with gate guards on duty and the grounds and marina open to visitors.

The swimming pool will officially be put into use on Saturday, May 29, and will be open daily from 10 a.m.-10 p.m.

From Monday through Saturday, early bird swimming will be from 7-9 a.m., and open swimming from 10 a.m.-10 p.m. This may be revised when lessons start.

Work on Pool
Work crews have been busy painting docks, installing a new over-flow in the small, children's pool and installing a new partial steel wall in front of the small pool to protect it from high lake water. It's hoped the cleaning of the pools will be finished on schedule Saturday, May 15.

Tennis courts in Neff Park and at St. Clair are open with weekend reservations being taken Saturday, May 8, from 7:45 a.m.-10 p.m.

At The Farms Municipal Park, Lakeshore and Moross

roads, the marina was opened to boat enthusiasts who rented spaces on May 1.

The official opening date of the large swimming pool is Memorial Day weekend, but if weather permits, swimming will be allowed beginning May 15. If the temperature becomes cold, the pool will be shut down. Cleaning of the pool should be finished by May 8.

Depending on the temperature and pollution count of the water, lake swimming will be permitted. A roped off area with buoys will be set 100 feet out into the lake, and guards will be on duty.

Net Courts Open
Picnic tables and benches have been painted, and some areas have been in use for family picnicking since early in April. Tennis courts also

have been open since early last month.

Presently, the municipal park is open 24 hours a day, with personnel opening and closing gates for those wishing to use their boats, plus other facilities. When the official opening day arrives, the park will be open from 5 a.m. until midnight.

The swimming pool will be in use from 10 a.m.-10 p.m. The bathhouse should be ready by May 15, with hot and cold running water provided.

At The Shores' George Osius Park, Lakeshore and Vernier roads, the marina was officially opened on April 15.

Crews are in the process of cleaning up the park, landscaping and seeding the grounds and painting picnic

tables and benches. The official opening date is usually Memorial Day weekend, but it's not unusual for the opening to be delayed until the first week in June, or a few days thereafter.

Students Help Out
Park hours are from 8 a.m.-10 p.m. Here, too, the closing time depends on the temperature of the day. The swimming pool is put to use with the opening of the park and is shut down at about 10 p.m.

Since the installation of lights, the tennis courts are in use from early morning to about 10 p.m.

During the summer use of the parks, all municipalities normally hire vacationing college students, who are expert swimmers, as life guards, with employment terminating when the students return to classes in the fall.

Bike Safety Viewed

(Continued from Page 1)
the three were under 12 years of age.

All of the local police departments recommend that children under the age of 12 ride their bicycles on sidewalks but only The Woods has an ordinance to that effect.

In fact, The Woods law goes even further in requiring bicyclists between the ages of 12-15 to have parental permission to ride in the

Receives 1-2½ Years in Prison

A 25-year-old Detroit man was sentenced in Wayne County Circuit Court to from one to two and a half years in prison last month on a charge of attempted larceny over \$100, reported Woods police.

Darryl Lee Burroughs was reportedly involved in an embezzlement incident last summer at a Mack avenue service station, said police.

Burroughs was apprehended in March by Woods officers, who learned another department had the man in custody. A Michigan State Police teletype advised that Lincoln Park was holding the man under another name. However, a fingerprint comparison revealed both to be the same person.

streets. This permission must be filed at public safety department headquarters.

Officials of the other Pointes question the practicality of this ordinance, again citing the problems of enforcement. However, the fact that a violation of such a code carries a misdemeanor penalty, may be an incentive for parents to caution their children to stay away from busy streets.

The State cannot pass a law restricting bicyclists of any age from public roads because in many rural communities there are no sidewalks for youngsters to ride.

Called Unfeasible
Most officials regard the suggestion of a bicycle lane, similar to the one that runs along Jefferson avenue from the city limits to 14 Mile road in St. Clair Shores, as unfeasible.

Park City Manager Robert A. Slone said that the three-foot wide lanes were not practical and added that they were even dangerous.

In The City some corners are being ramped in an effort to accommodate sidewalk bike riders but, because of the limited width of Lakeshore road, separate bike lanes are considered impractical.

A proposal to revise The Woods' bicycle ordinance is expected to be presented to the council very soon. This revision would involve extra safety feature requirements for bicycles registered in The Woods.

To make bicycling as safe as it is enjoyable, the most important thing still appears to be individual prudence.

HARKNESS PHARMACY.

A good standing posture can be determined by using the plumb-line test. The test is conducted from a side view. The body is in good alignment if a straight line can be drawn from ear through the shoulder, elbow, hip and knee joints, and to a point just in front of the ankle bone. By the time he is six years old, a child's leg should be straight. By the age of ten, the average youngster carries his head, neck and shoulders in good balance. The posture of adolescents needs the most attention. Their growth is rapid, and muscles are changing.

**Film Series
Ends May 13**

The Grosse Pointe Public Library will present the last of the 1975-1976 Family Film Night Series Thursday, May 13, in the exhibition room of the Central Library, 10 Kercheval avenue. Show time is 7:30 p.m.

An outstanding winner of many awards, "A Time Out of War" reveals a one hour truce between two Yankees and a lone Rebel. The three meet across a stream, exchange tobacco, hardtack and talk about themselves.

This short friendship is tested when one Yankee, who has gone upstream to fish, snags his line on the body of a dead Union soldier. However, after a moment of warily facing each other, all three join in firing a salute to the dead soldier and call good night to one another as the war continues in the background.

The high country, with a view of areas seldom seen by most visitors, is featured in "Yosemite-Valley of Light." This tour on film includes the beautiful waterfalls and the bold massiveness of Half Dome. Whether planning a vacation or simply enjoying the beauty of nature, this film should be an inspiration to all.

Have you ever started out to do one thing, gotten sidetracked into another and, as a result, completely forgot your original task? "Just Say Hi!" is the story of such a misadventure.

This Turkish folk tale tells of young Hasan who sets out on a task and is launched into a series of hilarious misadventures. The laughs will be shared by the young and the young-at-heart alike.

Very young patrons will enjoy the film "Hercules." In this story a retired horse-drawn fire engine saves the town hall after its modern rival broke down.

Smiles Sum Up Project

Members of Girl Scout Troop 887 joined Woods Senior Citizens Commission chairman IRENE SUTTON, (standing, far right), in a ceremony Monday, April 26, in which ornaments, which represented many community organizations, were hung on a "Bicentennial Symbolic Tree" at The Woods Municipal Building. City officials, commission members and residents also attended the ceremony. The project, sponsored by the commission, was termed a big success.

**Woods Seniors Pleased
Over Bicentennial Tree**

A "Bicentennial Symbolic Tree" project, sponsored by The Woods Senior Citizens Commission, has turned out to be a big success. A ceremony, featuring the hanging of ornaments representing various community organizations, successfully climaxed the project Monday evening, April 26, at city hall.

Pleased over the response from all segments of the community, Irene Sutton, commission chairman, said she was impressed with the project's success and with the ceremony, which was attended by an estimated 100 people including city officials, residents, Girl Scout leaders and organization representatives.

"The objective was to involve the whole community from children to young people, plus the schools, churches and service organizations," she said. And Mrs. Sutton feels this goal has been accomplished.

Around 20 ornaments were hung on the tree, which is located in the lobby, during the ceremony, four more were added later and at least six more have been promised. It's planned that the tree remain until the July 4 holiday so residents should have plenty of time to admire it.

Girl Scout Troop 887 opened the ceremony by signing in "Celebration of 1776." Mrs. Sutton then called representatives of each organization in attendance to hang an ornament on the tree, which was donated by Mr. and Mrs. Harold Lyndrup from their garden.

Ornaments received included those from the War Memorial, hung by John Lake, executive director; the Woods Branch Library, hung by Mrs. Betty Siefert, director; The Woods Boat Club, hung by Commodore Donald Benson; Girl Scout Troop 887, hung by Michelle Gier; Christ the King Lutheran Church, hung by Alma Miller, secretary; and the

**GP Academy
Plans Session**

The Grosse Pointe Academy is offering its annual Montessori Summer Session for children three-six years of age from June 21-July 30.

It will be held from 9 a.m.-12 noon with an option to continue in an afternoon arts and crafts session from 12:30 p.m.

The summer class provides an opportunity for exposure to the Montessori Method. The basic idea of the Montessori philosophy of education is that every child carries unseen within him the man he will become.

In order to develop his physical and intellectual powers to the fullest, the child must have freedom achieved through order and self-discipline.

Dr. Montessori recognized that the only valid impulse to learning is self-motivation of the child. Children move themselves toward learning. The teacher prepares the environment, directs the activity and functions as the authority.

However, it's the child who learns, who's motivated through the work to persist in his task.

Further information on the session can be obtained by calling 886-4833.

Park Law Under Study

(Continued from Page 1)
fere with the right of assembly and freedom of speech and, in fact, could be unconstitutional. Mr. Catlin acknowledged the sub-section could be interpreted in a given case in such a way. (One hypothetical example cited by Mrs. Mullan was the possibility that two citizens, who are discussing politics on park grounds, could be arrested unless they have obtained a permit).

Explains Intent

Mr. Catlin said the intent of this sub-section was to provide notice for the parks and recreation director regarding a large gathering at a park, plus the possible conflict of having two or more large groups e.g., 100-200 people, at one location at the same time.

The facility would be made available for a group, he continued, but an effort would be made to avoid having two or three such groups utilizing a park at once.

Mayor Benjamin W. Pinkos, after listening to the discussion, interjected by saying he was led to believe the proposal was reasonable and equitable to all but quickly added, "Now we may have problems." He suggested that the proposal be revised by Mr. Catlin.

The city attorney said it was possible the section and its wording may be held to be unconstitutional but this would depend on the particular facts of a particular situation. Feeling the content wasn't quite right, he said.

Old Place Cited In 'Motor News'

Diamond Phillips' Old Place restaurant, 15301 East Jefferson avenue, is highlighted in the Automobile Club of Michigan's May issue of "Motor News" magazine.

"The Old Place has been redecorated, the menu expanded and dinner dancing has been added," Auto Club's 1.2 million readers are told in the publication's "Dining Out in Michigan" column.

The new menu features 44 different sea food items, including at least eight fin fish entrees daily, 10 variations of lobster, six combinations of "off and shore" dinners, and two seafood platters, reports "Motor News."

some citizens may interpret the language to do something that wasn't even being intended.

Before the final vote on the substitute motion, i.e., to refer the proposal back to the C-W, (the first motion was to adopt the ordinance), Mrs. Mullan stated it was the intent of the right of assembly to be spontaneous and questioned the feasibility of interjecting a numerical ceiling in the sub-section.

Proposal's Background

A group of three, (for instance), could grow in number past a numerical limit, she said. Then, it was possible that group members "could be arrested in a Bicentennial year of all years! Is this what our country is coming to?"

So it was back to the drawing board for the proposal with Councilman Conrad A. Naegel, who felt it should be acted upon at the meeting so the parks and recreation department would have the necessary "teeth" on the enforcement front, casting the lone "no" vote.

This proposal is an outgrowth of the ordinance approved by St. Clair Shores last September, (and governing the Lake Front Park which is located in that community). It would give the city a measure with which to work regarding the enforcement of park rules.

Prior to the proposal, the city had no ordinance governing conduct in its own parks except rules and regulations for Lake Front Park which were drafted in an ordinance form giving the parks and recreation director the authority to establish such rules for the park, said City Administrator Chester E. Petersen in an earlier interview.

The proposal spells out regulations governing the operation of vehicles within city parks, special provisions applicable to bicycles, tricycles, motorcycles, scooters and mini-bikes, protection of wild animals, firearms and dangerous instruments and the use of picnic areas.

It also covers fires, animals and pets, games, alcoholic beverages, drunkenness, noise and language and gestures.

What most people really need is a longer interval between the mow shovel and the lawn mower.

SPORTS HIGHLIGHTS

by Tom Seiter

King George VI had a ping-pong table installed at Buckingham Palace at the outbreak of World War II, and then provided his daughter, then young Princess Elizabeth, with facilities for the game at Balmoral Castle. Sportsmen of all types however find table tennis an excellent way of fun and conditioning. It gives agility to the player, demands good footwork, and lightning speed, and promotes faster reflexes. In fact, industrial psychologists stress that the game contributes to higher efficiency in people's work.

If you prefer outdoor sports, you'll find everything you need to perfect your game and enjoy it more at GRAY'S SPORT SHOP, 106 Kercheval ave., Grosse Pointe Farms. We feature a fine selection of tennis rackets by leading manufacturers. Our experienced staff will make sure the one you choose is the right weight and grip for you. We also have a stylish selection of tennis clothing including warm-up suits, shorts, and shirts. Let our expert clothing fitters fit you to the proper tennis shoes. Call us at 885-8900. We are open daily from 9:30 A.M. until 5:45 P.M. GRAY'S has been serving the Pointes for more than 30 years!

DON'T KID YOURSELF!

You are possibly about to lose thousands in the value of your home!

HOW?

As real estate people, we know why the value of our Grosse Pointe homes is better than our Detroit neighbors.

\$45,000.00

GROSSE POINTE

\$25,000.00

DETROIT

The dramatic difference is because our Grosse Pointe schools are vastly superior — at least that's what the buying public feels. For this, thousands of families are longingly looking to our Grosse Pointe area for their next home.

But... take this away — and you'll take away the fantastic sales talk for all of us real estate people. The value of your property will plunge in a loss that could take years to regain.

Retirees — you'll lose most. Can you afford to lose \$10,000 value in your closing retirement years?

Mature owners with no children — same thing — can you afford to take such a loss?

You can prevent all this — we feel — if you will open your minds and carefully consider what Grosse Pointe's assets are to incoming buyers — you'll find our schools rank number one. We can keep our schools with a simple "yes" vote in the next millage election. Don't think that because your children are grown and no longer in school that this is good reason to hold back. It's a simple logical conclusion.

If you value your property investment — don't vote away the same sales advantage that has already attracted thousands to our community.

For no other reason than to protect our property values and our livelihood, we are voting yes on the next school millage vote. If you expect your home to appreciate as it has in the past, we know you'll vote yes and tell your friends to vote yes also!

RIGHT! Thanks...

Kiwanis Club Sets Free Blood Pressure Screening

The Grosse Pointe Kiwanis Club is sponsoring a free blood pressure screening program on Saturday, May 15, at the Woods Municipal Building, 20025 Mack avenue, from 10 a.m.-4 p.m.

The actual screening takes only minutes and all citizens of the Pointes and surrounding communities are encouraged to take advantage of this opportunity, said Robert F. Hill, chairman. Blood pressure testing will be taken by Pointe pharmacists as a public service and actual reports will be given to each person. A copy also will be sent to an individual's physician.

People without a regular physician, or those unable to secure the services of one, should call the Wayne County Medical Society for assistance or the names of several physicians who will help, he stated.

High blood pressure is the primary cause of 60,000 deaths and a major contributor to one and a half million heart attacks each year in the U.S. alone, posing a serious health threat to one of

every seven American and Canadian adults.

It also can occasionally be found in teenagers and is most serious in these instances, said Mr. Hill.

Doctors have labeled it the "silent killer" because it strikes with virtually no warning. Hypertension is not accompanied by warning signals such as pain or respiratory problems, and most people who have dangerously high blood pressure may be unaware of it.

We do not know what causes high blood pressure, but we do know that if blood pressure remains above normal for months and years, the patient will have a good chance of experiencing a stroke or heart disease or kidney disease, he continued.

We also know that patients who keep their blood pressure within normal limits can eliminate the serious associated diseases.

Many discover the problem too late, for hypertension is as deadly as it is unpretentious, he noted.

This free testing program is a part of the national Kiwanis "save-a-life" program and has been approved and endorsed by the Wayne County Medical Society, the American Pharmaceutical Association and the Metropolitan Pharmaceutical Association.

Mr. Hill added that all Pointe mayors have proclaimed May 15 as "Blood Pressure Awareness Day."

Bon Secours To Give Tests

Bon Secours Hospital will offer free blood pressure screening during National Hospital Week, May 9-15.

Nurses will perform the simple test in the hospital lobby at 468 Cadieux road on Thursday, May 13, from 11 a.m.-8 p.m. They will be across from the dining room in Jacobson's Apparel Store, Kercheval and St. Clair avenues, on Friday, May 14, from 11 a.m.-4 p.m.

"Healthy Birthday, America," the Bicentennial theme of National Hospital Week, prompted the screening program for hidden hypertension. Those tested will receive a written record of their blood pressure level. Persons with high levels will be encouraged to see their family doctor.

Bon Secours Hospital is promoting May as Hidden Hypertension Month to increase public awareness of preventive medicine measures and involve individuals in protecting their own health.

Plays Role In Exhibit

A Park resident is a coordinator of an event sponsored by Detroit Ukrainians in the Hall of Nations at the International Institute of Detroit.

Mrs. Anastasia Sosnowsky, of Kensington road, a member of the committee, and her daughter, Marynell, will take part in the "Treasures of Ukraine," an exhibit of ethnographic and fine arts, which will be presented from May 9-June 10.

Our standard of living is so high these days that most of us can't afford it.

'Freedom Fair' Set at Poupard

The Poupard School PTA is sponsoring a "Freedom Fair" Saturday, May 8, from 10 a.m.-3 p.m. at the school, 20655 Lennon, Harper Woods.

It will feature a bake sale and a large assortment of Mother's Day gifts, including corsages, plants, arts and crafts at children's prices.

Many of the items have been made by the trainable mentally retarded students, whose classes are held at Poupard School, from the Grosse Pointes and Harper Woods area, as well as by the regular Poupard students and their parents.

In addition, the midway will feature games and prizes, a tattoo parlor, fish pond and magic show. The white elephant sale will include toys, games, books and household articles. For those desiring lunch at the fair, hot dogs will be 40 cents, cotton candy, 35 cents, and popcorn, chips, pop, coffee and donuts, all 15 cents each.

All proceeds will be used by the PTA for educational equipment and extra-curricular activities for Poupard students.

The "Freedom Fair" is part of Poupard's Bicentennial Year activities, which included a successful play, "A Bicentennial Birthday Party," which was presented at Parcels auditorium on Wednesday, April 7, to a standing room capacity audience including parents, relatives and friends.

The entire student body, including the developmental primary class, took part in the play which was written and directed by fifth grade teacher Charles Stewart. Second grade teacher Mrs. Margaret Johnson was soloist, and the choir was directed and accompanied by Mrs. Anne Maters, music teacher.

Poupard principal Edwin Wendt expressed appreciation to all teachers and parents for their assistance and help with costuming and rehearsals.

Woods Reports Three Break-ins

Three breaking and enterings were reported to Woods police within a two-day period Thursday, April 29, and Friday, April 30. In the incidents, two homes and one business were entered.

A South Rosedale court citizen said on the 29th her home was entered twice in late April. In the first instance, an electric guitar, valued at around \$80, was taken, along with a six-pack of beer. Several articles of jewelry, with a total combined value of \$525, were found missing in the second incident, along with \$2.

Police believe entry in each break-in was through an unlocked garage door with the culprit or culprits then slipping a lock on the grade door.

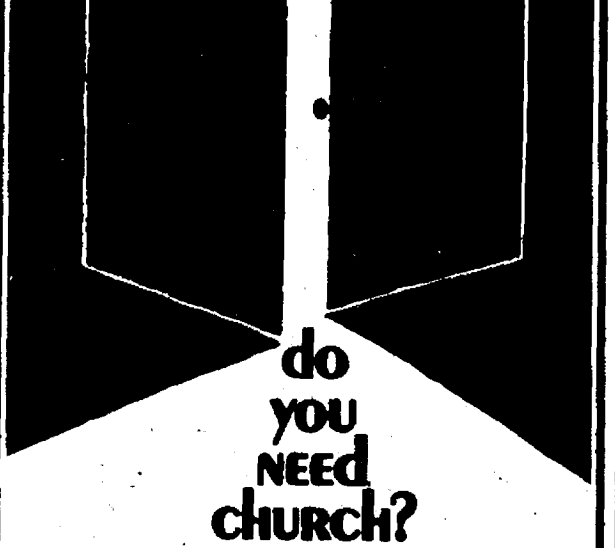

A patrolling Woods officer heard an audible alarm emitting from Pointe Electronics, 19755 Mack avenue, on the 30th around 3 a.m. and discovered that the business had been entered.

The front door was broken out with two large rocks, police said, and four stereo radios and two 19-inch color television sets, all of unknown value, were discovered taken.

Over an hour later, a Lancaster road citizen also reported a burglary. In this incident, some pennies, of an unknown amount, and some jewelry were found missing.

The third and finest class of wine is called Appellation d'Origine Contrôlée. These wines are made from the best vineyards and every stage of their making is carefully supervised. Wines accorded AOC status are sold under the name of the region, district, village or commune, or individual vineyard from which they originate. So, in order to understand wine labels, one needs to know something about the French wine-making regions. In France, the laws determine the grape varieties that are grown, as well as the methods of cultivating, control of volume, production, and many other factors.

We at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, 885-0626 will be happy to answer your questions about wine. We feel wine is a fascinating delicacy and will be glad to discuss the proper selection, preparation and serving of wine with you. Let us prepare an unusual gift basket for you to give Mother this Mother's Day. Open: 10-10 Mon.-Thurs.; 10-11 Fri., Sat.; noon-10 Sun.

GP Probation Sets Training

A training session for new volunteers for the Grosse Pointe Volunteer Probation Program begins this evening, May 6, at The Woods Municipal Building council chambers, 20025 Mack avenue. The session will run for five consecutive Thursdays from 8-10 p.m.

Volunteers are training to work with young offenders ranging in age from 17-30, who are referred from the municipal courts of the Grosse Pointe community.

Those interested in volunteering may appear at the first and succeeding sessions, or call probation offices at 885-8228.

Center to Show Student Art

A special Bicentennial Student Art Show will be displayed in the Josephine Gregory Room of the War Memorial's Alger House on Thursday, May 13, from 10 a.m. to 3 p.m.

The exhibited art will be the work of boys and girls in Mrs. Carol Lachiusa's classes at the Center. They range in age from 5-15 and their works are done in many media, often involving scraps and unusual items from the home assembled with imagination and skill in regard to color and design.

NHS Students Earn Awards

Twenty-six North High School seniors will be awarded Phi Beta Kappa certificates Monday evening, May 10, at Ford Auditorium, according to principal G. Bruce Feighner.

The certificates of merit are presented to metropolitan area senior students who have compiled a 3.7 or above grade point average in English, mathematics, social studies, science and foreign language classes during the 10th, 11th and 12th grade years. Only the first semester grades of the senior year are used in computing the average.

Susan Stark, "Detroit Free Press" movie critic, will deliver the keynote address. Special music will be provided by the Wayne State University Concert Band under the direction of Harold H. Arnold.

The awards program is sponsored by the Detroit Association of Phi Beta Kappa to recognize academic excellence at the high school level.

North students being honored include David Bastianelli, Lori Bohlinger, Catherine Gould, Philip Howells, Rosemary Jordan, Barbara Kurth, Jeanne Lenz, Anne Lepley, Amy Lowichik, Carrie MacMillan, Barbara Martin, Kathryn McEnroe and Clifton Morehead.

More are Roger Mourad, Joseph Parise, Gerald Prokopowicz, Donald Roberts, Mair Roberts, Richard Rosin, Elaine Schmidt, Susan Shepard, Paul Stadnik, Gerard Stratakis, Robert Trombly, Paul Van Horne and James Wishart.

School Board President Against Proposed Bill

A proposed State Senate bill outlawing the combination of property tax renewals with tax increases on a single ballot met with negative reaction from School Board president Joan Hanpeter.

The bill No. 1449, was proposed on Thursday, April 29, by Sen. John Bowman, (D-Macomb County), who explained that the combination of renewal and additional requests on the ballot can be confusing to many people.

"They may either think the proposal is nothing more than a renewal of existing taxes, or they may be taxed by the local school board or other governmental unit, who can threaten economic disaster if the renewal fails, unfairly pressuring voters to approve additional millage," he said in a press release.

"I'm saying that if those school boards want additional millage at the same time they ask for millage renewal, they will have to separate those two issues on the ballot so that voters can decide on the issue," he continued.

Mrs. Hanpeter said that while she realizes the bill's intentions are good, she "hates to see any kind of legislation passed that will restrain the freedom of local school boards."

The Board of Education's combination of additional and renewal proposals into one ballot in schools' recent millage vote, March 29, annoyed many Pointers, who claimed that the procedure denied them a choice in the matter.

That request for 27.1 mills for the schools was rejected by voters by 7,187 to 5,544. A library millage of 1.45 also was rejected by a smaller margin of 6,378 to 6,304 votes.

Mrs. Hanpeter said she realizes that the Board made a mistake in combining the additional and renewal proposals in the March election. When the propositions go before voters for a second time on Monday, June 14, they will be split into two propositions.

In an uphill struggle it is doing our level best that counts.

Season Begins For Ruth Loop

By Julian Thomas

In the season opener on Saturday, May 1, in the Babe Ruth majors a well played game between the Midwest Steel Phillies and the Burger Chef White Sox saw the lead change four times before the Phillies won it in the seventh, 5-4.

Dave Thill went the distance for the Phillies, giving up four hits and fanning eight. Dave aided his cause with a run scoring hit. Ted Formunczyk rapped a single and double to tally twice.

Mark Schoenberg of the Sox drove in two runs, while Tom Temrowski had a big stand-up double. Sox rookie Marty Hollerbach had a perfect day with the stick.

In their opener at Kerby Field, the Northdurt Tool Red Sox edged the U.S. Equipment Dodgers, 2-1, in a fine pitcher's duel.

Kevin Rinkel took the win tossing a fine one-hitter. Jim Davey worked the final inning for the Sox and also drove in the winning run.

The Tape Recorder Specialists Brewers got off on the right foot with a 13-11 win over the Venderbush Sheet Metal Expos in the All-American League. Dave Knott was the winning pitcher with help from John Jones, who came in with the bases loaded and no outs in the fifth and retired the side.

The hitters took over as the IXL Glass Astros dumped the Colonial Federal Reds, 8-5. Joe Wierzbicki took the win and also went two for three, including a triple. Brad Swegles also had two hits.

Standouts defensively for the Reds were Bill Peatte and John Miere. Dan Veen of the Reds stroked a triple and single.

REPORTS GARAGE THEFT

A West Kings court citizen told Woods police on Wednesday, April 28, that someone entered his unlocked garage and took a lawnmower, valued at \$150, a girl's bicycle, \$100, and two wheel covers, \$30.

Introducing Sabroso.

"Savory, delicious, palatable, tasty, pleasant, delightful..."

— Appleton's New Spanish-English Dictionary.

Who are we to quarrel with noted authorities?

After all, we make Sabroso Imported Coffee Liqueur to be the richest, smoothest coffee liqueur you can buy.

Some say it's the world's richest coffee liqueur. They can go on saying it.

We gather the finest coffee beans in all of Mexico to make Sabroso. They provide the flavor, the body, the coffee-ness that extracts just do not have.

Try it straight. On the rocks. Or in a mixed drink. After dinner—or after anything. You'll see why we insist on making Sabroso from scratch.

Yet at \$6.99, this rich liqueur is many pesos less than the leading brand.

Our liqueur is so rich, we had to call it "Sabroso"—Spanish for "savory, delicious, palatable," etc. That's why of all the coffee liqueurs we get rave reviews in every Spanish-English dictionary.

Gets Probation In Drug Case

A Woods man, who was found guilty of the unlawful use of PCP, (an animal tranquilizer and a controlled substance), was recently sentenced in Wayne County Circuit Court to three years probation, reported the Youth Service Division's (YSD), office.

David Costan, the defendant, was arrested last October after a month-long police surveillance, which included the participation of several undercover agents and YSD officers.

South Nine Improve Mark

By Lisa Roumell
During the week ending Saturday, May 1, South High School's baseball team played three games, including one in league competition. The Devils won two of the three contests and now stand at 7-7 overall and 1-4 in EMI play.

The league game against Mount Clemens scheduled for Tuesday, April 27, was rained out and will be rescheduled if possible.

On Thursday, April 29, South lost to Port Huron, 5-2, in league play. The Devils collected six hits and made five errors. Bob Glass was the starting pitcher for South

and was charged with the loss. Glass fanned eight and walked five before Rick Thomas relieved him in the seventh. South scored both their runs in the first inning. South swept a double-header from South Lake, 10-8, and 7-3, on Saturday, May 1.

In the first game Devil bats exploded for 10 hits. Bob Gough, the star of the game with four RBI's, hit a two-run homer and a double allowing two to score. Tony Abraham also made a fine showing by going four for four. Rick Baker started for South and received the win.

The Devils collected nine hits and made five errors in their second victory of the day. John Beebe pitched the whole game for South, striking out 10 and giving up five hits.

Glass, Jack Brabb and Grant Piche each had two hits. Several Devil players were tried out at new positions in the second game of the South Lake double-header. The result proved positive and coach George Duditch feels the versatility his players continue to show will be a great asset.

FLEC Sets Discussion Of Issues

Drugs, Alcohol, Health Education Will Be Viewed by Panel at Public Event May 12

The public is invited to attend a Family Life Education Council, (FLEC), sponsored panel discussion, "Legislative Issue," which views drugs, alcohol and health education, on Wednesday, May 12, in the War Memorial's Crystal Ballroom beginning at 8 p.m.

Reservations aren't required and there's no charge for the event.

Panel members will include Judge George N. Bashara Jr., moderator; Senate majority leader William B. Fitzgerald; Sen. John Hertel; Rep. William R. Bryant Jr., minority leader of the House of Representatives; and Dr. Edward Leibson, director, Wayne County Department of Substance Abuse Services.

Pleased Over Panel
"We are privileged to have so much expertise at one time to discuss such issues as the marijuana reform bill, the decriminalization of public drunkenness and the advisability of raising the legal drinking age from 18 to 19 or 21," said FLEC president, Mary Evelyn Self.

"Rep. Bryant is the acknowledged expert on the marijuana reform bill, and Judge Bashara, chairman of the Michigan Advisory Commission on Substance Abuse Services, has actively supported Public Act 339, the decriminalization of public drunkenness."

Mrs. Self felt this event offered a good opportunity for the public to voice their concerns to legislators on the aforementioned subjects.

The panel discussion is the program of FLEC's annual meeting, and it will be preceded by a brief business session at 7:30 p.m.

Many Programs
FLEC is a non-profit organization dedicated to strengthening the family unit through community-oriented programs. It currently sponsors Center Point Crisis Intervention Center, Dialogue Adult Help Line and community education programs.

The FLEC office is located in Brownell Middle School, 260 Chalfonte avenue, and Center Point Crisis Center is located at 17150 Maumee avenue.

For additional information on the annual meeting, call 885-3510.

Proposed GP City Budget Calls for Tax Increase

By Susan McDonald

The proposed 1976-77 Grosse Pointe City budget calls for a .74 mill tax increase, bringing City property taxes up to their legal limit of 20 mills.

Coupled with a 5.7 percent increase in State equalized valuations, City residents will be facing an average 9.4 percent increase in city property taxes if the budget is approved. It will go before the public and the council at a Monday, May 10, public hearing at 7:30 p.m. in City offices.

Tax increase notwithstanding, City Manager Thomas Kressbach warned that The City's financial condition is moving towards a "financial pinch" in future years.

Four Flags Flew

In 1781, during the American Revolution, a Spanish party from the Spanish lands west of the Mississippi captured Fort St. Joseph in Niles from the British and held it for several days. Thus, four flags have flown over Michigan — French, British, Spanish and American.

Tax revenues for the current year grew only five percent, he pointed out in his budget message, but many expenditures, wage increases in particular, are in double digit percentages.

Even so, staff and service reductions made in the proposed budget are limited to cutting back one fireman, one public works employee and a decrease of \$22,000 in the public improvement fund.

Other possibilities to cut expenditures which may be considered in future years, according to Mr. Kressbach's budget message, include, the following:

- Consolidation of the police and fire services.

- Adoption of a rubbish collection tax, (limited by State law to three mills).

- Increase in local charges such as marina and traffic violation fees.

- Institute curb side trash collections.

- Reduction of park and recreation services.

- Political consolidation.

The proposed \$1,852,745 budget represents an increase of 8.4 percent over last year.

Woods Adopts Electric Code

The Woods Council unanimously approved an ordinance amending a chapter of its city code by repealing the 1962 National Electric Code and adopting the National Electric Code of 1975, which provides a new schedule of fees for permits and licenses.

Focusing on such areas as licenses for electrical work, permit fees, e.g., minimum fee, circuits, fixtures, motors, et al, and installation standards, the measure becomes effective 20 days after its enactment.

Copies of the ordinance can be viewed at the municipal building, 20025 Mack avenue.

MERIT!

'Enriched Flavor' process prompts unprecedented response to taste of new low tar MERIT.

Smokers are talking about a new kind of cigarette.

It's MERIT. The remarkable new low tar cigarette made with the 'Enriched Flavor' process.

MERIT has only 9 mg. tar. One of the lowest tar levels in smoking today. Yet, taste tests proved that MERIT delivers as much—or more—flavor than cigarettes having up to 60% more tar.

If you smoke, you'll be interested in what people like yourself are writing to us about MERIT.

"You can be proud of your new Merit cigarettes. They are the first and only low tar brand that doesn't taste like so much hot air."

—Burl Barer
Bellevue, Washington

"Merit is the best yet—it hit my taste buds perfectly!"

—Ernest Walters
Lutherville, Maryland

"Whoever finally came up with the cigarette is a genius. Thanks again, all your effort was worth it!!!!!"

—Mrs. Christine Buczak
New York, New York

"Try a Merit and you'll want to share it."

—Mrs. Sue Theriot
Indianapolis, Indiana

"Thanks to all of you for discovering 'enriched flavor!'"

—Sheldon M. Weisman
Dallas, Texas

"As far as I'm concerned, Merit has them all beat for taste and flavor... It puts all other low tar and nicotine cigarettes to shame."

—Nicholas J. Materia
Newark, New Jersey

"It's very seldom that a product really impresses me, but Merit filters are great."

—Skip Anderson
Millstadt, Illinois

"The eight friends I have introduced to MERIT have asked me to include their thanks for your new product."

—Paul J. Weiss
Long Island City, New York

"Merit should be called the T.T.T. Cigarette (True Tobacco Taste)."

—J. W. McLeod
Manning, South Carolina

"Low tar cigarettes were out of the question, had tried 'em, and, as far as I was concerned, they were a smoker's joke. And along came Merit."

—Ms. Christie Pavoni
Memphis, Tennessee

"Today a friend handed me a complimentary pack of Merit. I'm delighted!"

—Carolyn Perdue
North Miami Beach, Florida

"I've tried all the low tar and nicotine cigarettes without finding a winner, until now.... MERIT is definitely a winner."

—Mr. Raymond L. Rubin
Milwaukee, Wisconsin

"Finally, a good tasting cigarette low in tar and nicotine. And you feel like you're smoking something besides air."

—Susan Wilmington
Chicago, Illinois

"Finally someone has made a low tar and nicotine cigarette that is really good."

—Ms. Joan Connelly
Livonia, Michigan

"MERIT Menthols provide a very satisfying taste and I am sure I will be smoking this brand from now on."

—Mrs. Margaret Hargan
Memphis, Tennessee

"Three cheers for Merit! I don't know how you did it, but congratulations."

—Mrs. Samuel Garre III
Barrington, Illinois

"I've tried other low tar brands as they came on the market, but they all lacked something. Merit has that something the others lacked."

Jewels & gems
by Jerry Valente

The ear is one of the body's most sensitive areas, and one that deserves to be beautified. Perhaps that explains why so many women and some men are having their ears pierced. There are no more delicate and exquisitely wrought ornaments in the world than pierced earrings. Small, dainty, in a number of different styles, plain with precious or ornamental stones, the pierced earring can be used to complement your outfit, other jewelry or simply your most expressive feature — your eyes.

You will find beautiful earrings at VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800. If you are a buyer of unique items, come in and see the antique jewelry and object of art left with us on consignment by their owners. Some of the art objects and antique jewelry we have on display dates back to the 14th and 15th century. Ask about our convenient layaway plan.

Letters to The Editor of The NEWS

To the Editor:

To those of the Grosse Pointe community who have helped us in our sorrow at the untimely death of Steven, the Salkowski family wishes to express our sincere gratitude.

The response by our neighbors and friends was overwhelming and the help and understanding of the Grosse Pointe Farms police was most comforting.

We feel proud to be a part of a community that can prove itself so capable of lending personal assistance when tragedy strikes.

The Salkowski Family,
Grosse Pointe Park

To The Editor:

It was the height of irony that the same issue, (April 22), of the "Grosse Pointe News" which carried the story of the mass teacher layoff also carried a news item about the very superior showing made by North High School students at the annual State Solo and Ensemble Music Festival.

North entered 39 solo and ensemble events in the State Festival — no mean accomplishment in itself since participation in the State Festival is possible only if a rating of one, (the highest rating), is acquired in the earlier District Festival.

The achievement by the North students reached outstanding proportions when of the 39 events, 31 were awarded first division ratings. Few if any schools in the State could match such a performance, and the school, as well as the community of which it is part, should be justly proud.

The irony was that Nathan Judson, who as North High's music director, is the one person most directly responsible for this outstanding showing by North students, is one of the teachers slated for dismissal in the wake of the last millage vote.

As the parent of two sons who have had the good fortune to come under Mr. Judson's influence—one now in the University of Michigan School of Music, the other a junior at North—I am outraged that a teacher of Mr. Judson's obvious capabilities, amply demonstrated in the eight years since North opened its doors, should be terminated with no apparent regard for his excellent record.

I would hope that parents of his students over the years, as well as the students themselves most of whom are now of voting age, share my feeling.

I am sure that there are many other teachers included in the School Board's wholesale axing for whom parents and former students have similarly high regard. I hope that these parents and students feel as strongly as I do about the apparent injustice of rewarding a job well done with dismissal.

I am unaware of any clear and straightforward explanation by the School Board of the formula used to select the teachers to be dismissed. In view of the many excellent teachers they seem willing to lose to achieve their budget cut, I would not be surprised if the formula involved something as crude as a lottery.

It would also be interesting to know which curriculum areas were more favored than others in the cutting, and for what reasons.

Whatever the answers to these questions may be, however, they will not alter the fact that the loss of so many good teachers must inevitably represent the first step — and a considerable and possibly irreversible step it is — in the deterioration of our school system. We have only to look next door to Detroit for a prime example of the effect of such deterioration. Is this what we want, just to save a few dollars in taxes?

If it is not, the only way to forestall it available to us at this point is to vote "yes" in the upcoming millage decision, and convince everyone with any concern for the future of this community to do likewise.

It is unthinkable that parents with children still in the school system would vote "no." If their quarrel is with the "frills" one is always hearing about, the way to protest whatever frills may actually exist is not through wholesale teacher dismissals which "no" votes beget.

Let them also look at the curriculum areas where the cuts are being made — English, science, art, business education, music, social science, home economics, etc. None of these can be regarded as frills by any reasonable person.

Now, what about those voters who have no children in the school? It may seem that the only thing they get for their "yes" vote is an increase in their taxes. But is this really true?

It is still their community, and its make-up is deter-

mined to a substantial extent by the quality of its schools. Deterioration of a community almost inevitably follows the deterioration of its schools. Again, we do not have far to look for proof of this. When a community's schools become second and third rate, people who regard a first-rate education for their children as the deciding factor in where they live will go where such education is offered.

As these generally desirable people leave a community under these circumstances, who replaces them? In a few instances, possibly others of the same caliber who can overlook educational deficiencies because they have no children to educate. But not many fall in this category.

And the rest are likely to be those who either cannot afford to go where the best school systems are, or those for whom the education of their children is not that important an issue. So the community's make-up changes, and not for the better.

No one escapes the effect of such a change in the make-up of his or her community—young or old, those with children or those without. So if a first-rate school system helps avoid this effect, then everyone in the community has a stake in keeping the school system first-rate.

Education is a bulwark against the jungle, and the better the system providing that education; the stronger the bulwark. It is as simple as that. And when we get right down to it, that, rather than the few extra tax dollars involved, is what the millage vote June 14 is all about.

Paul Barbour,
Grosse Pointe Woods

To the Editor:

I am a 1973 graduate of North High School and it amazes me that after only three years of absence, the school system has fallen to such a point that Board members feel a necessity to resort to teacher layoffs. It saddens me to see teachers such as Herm Clein included in this cutback. Mr. Clein has played a very influential role in my life. I spent four years singing in his choir and small ensembles. After my junior year I spent the summer singing with the Young Americans all over Europe, one of two Michigan residents representing our state.

And consequently, on May 1, 1976, I was graduated from the University of Michigan with a major in music as well as in Radio/TV/Film.

During my four years at North I participated in numerous community and high school affairs. I remember days of millage campaigning, school board elections and executive board meetings with Citizens for Education. Through these experiences I learned the importance of quality education. I felt well prepared to meet the challenges of competition at U of M.

My high school activities and academic background were excellent preparation for my college career and because of this background, I have been able to complete my undergraduate career in only three years.

This would never have occurred had it not been for the numerous, highly qualified teachers and faculty who guided me through high school.

The time has come for the Board of Education to take a critical look at the causes for the recent millage defeat. It's also time for the citizens of Grosse Pointe to wake up and realize the caliber of quality education in our system is slipping. We need superior teachers working in our system to maintain the high standards I once knew.

The influence of a high school education does not stop with a diploma. Nor does competition in college and the business world lessen with time. Students must begin early, during junior high and high school, to prepare for their futures.

It's my hope that the citizens and the Board of Education will reevaluate their actions and vote in favor of the next millage and reinstate the teachers who have been asked to leave.

I see no reason, in a wealthy community such as ours, for the level of education to fall below anything less than what it was a few years ago.

We are living in a time of advancement and all of us must continue to improve today to be prepared for tomorrow.

Respectfully,
Tracy L. Allen,
Grosse Pointe Shores

Pointe Police Win Four In Big Softball Weekend

By John Kraiza

The Grosse Pointe Police softball team started its 1976 season one week late due to a rain delayed double-header on Friday, April 23.

To keep pace in the standings, two twin bills were played on Saturday-Sunday, May 1-2.

Spring Concert Set at Richard

Part one of the annual Richard School spring concert will be a pop concert dedicated to "Mom" by first, second and third graders accompanied by beginning instrumentalists Thursday, May 6, at 8 p.m.

A short PTO business meeting will precede the musical program.

The second part of the concert will be held Wednesday, June 2, at 8 p.m. The fourth, fifth and sixth graders will present an original musical entitled "The Making of America."

Parents also will have an opportunity to meet candidates for the Board of Education on this evening.

The school is located at 176 McKinley road.

JC Auxiliary To Hold Sale

The Grosse Pointe Jaycee Auxiliary is holding its spring cleaning garage sale Friday-Saturday, May 7-8, at 1646 Newcastle road from 9 a.m.-4 p.m. both days. There's no early sale.

Articles which will be offered range from toys, clothing and infant goods to furniture with the proceeds going to charity.

The Jaycee Auxiliary performs many fund raising projects throughout the year for various charities in Michigan. Members say those attending the event will help the group continue their work to aid these charities.

Hawaiian Luau Benefit For Juvenile Diabetes

Mr. and Mrs. James Taggart, of Woods Lane, are among those involved in planning the Polynesian Luau set for Sunday, May 23, at Royalty House in Warren. The evening benefits the Juvenile Diabetes Foundation.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Mrs. William J. Young, Jr., opened her Fair Acres drive home recently for a Women's Association of the Boy's Clubs of Metropolitan Detroit membership tea, and we're pleased to report that the fledgling, (it was founded just last year), organization is a very healthy baby.

Its first fund-raising activity — remember? — was the Detroit Auto Show Preview at Cobo Hall early last January. Thanks to the combined efforts of Mrs. Jack A. Tompkins, of Tonnancour place, president, Mrs. David Easlick, of Balfour road, vice-president, and an excellent, energetic committee, this proved to be a most successful endeavor.

The Detroit Auto Dealers Association was pleased, too: the Dealers have asked the Boy's Club ladies to be a part of the 1977 Auto Show.

Needless to say, the Boy's Club ladies have said "Yes."

In the interim, they won't be exactly inactive. There's an annual meeting coming up Wednesday, May 19, at the Detroit Boat Club, at which a new slate of officers will be submitted.

The Women's Association is making Camp Drusilla Farwell on Harsens Island one of its pet projects, and is planning a reprise of last summer's delightful outing there.

The Association also will assist the Boy's Clubs with their "Christmas in July" Day, Wednesday, July 21, on the Kern Block.

Boss of the Year

According to the Macomb Chapter of the National Secretaries Association (International), there's NOBODY better to work for than Peter R. Fink.

In fact: the Chapter recognized Mr. Fink, of Ridge road, as "Boss of the Year" at a banquet at the Little Cafe honoring bosses and secretaries during Secretaries Week.

Opera to Aid Music School

The Grosse Pointe Conservatory Opera Theatre will present an evening of Broadway musicals and Grand Opera Tuesday, May 11, at 8 o'clock in Fries Auditorium of the Grosse Pointe War Memorial, as a benefit for the Detroit Community Music School.

The program includes Puccini's entire "Sister Angelica," (in English), Verdi's Duet from "La Traviata," the "Rigoletto" quartet, Rogers and Hammerstein's "Cinderella," and selections from John Kander's "Funny Lady."

Doris Pagel, of Aline drive, musical director of the Opera Theatre, will sing the role of Sister Angelica.

Miss Pagel has studied at the Juilliard School of Music, Southern Methodist University and the Aspen School of Music. She has sung leading soprano roles throughout the country in "Madame Butterfly," "Tosca," "La Boheme" and many other operas.

Doris Eubank, of Berkshire road, guest conductor of "Sister Angelica," is on the faculties of the Grosse Pointe Conservatory, Detroit Community Music School and Mercy College. She also teaches privately, and is director of music for the Grosse Pointe Unitarian Church.

Terry Prim, stage director, is a drama and language teacher in the Detroit Public Schools and a part-time fac-

ulty member of Wayne State University's Humanities Department.

Mr. Prim's creation, The Children's Theatre of Western High School, has toured Detroit elementary schools for the past two years. His Western High School Dinner Theatre, in its second year, is currently doing a comedy.

Tickets for Tuesday's performance may be purchased at the box office the night of the performance. Proceeds will help provide scholarships for students at the Detroit Community Music School. Further information may be obtained by calling 831-2870.

Molly Drake Bride Of John Anderson

Pair Vacation in Toronto after March 20 Ceremony in Christ Church, Grosse Pointe; They Are at Home in Ann Arbor

Mr. and Mrs. Kenneth Stephens Drake entertained at a reception in their Touraine road home for members of the wedding party, relatives and friends of the bride and bridegroom following the marriage of their daughter, Molly Gertrude Drake, and John Albert Anderson.

Officiating at the Saturday morning service March 20, in Christ Church, Grosse Pointe, was The Reverend Robert McGregor, rector.

The bride, given in marriage by both her parents, chose an Empire gown of ivory Qiana for the 11 o'clock ceremony. Pearls in a V formation trimmed her high neckline.

She wore a matching headpiece with pearls and Belgian lace taken from the wedding gown of a friend, and carried a cascade of ivory roses, stephanotis, baby's breath and English ivy.

Constance M. Drake, of

asked his father to serve as best man, Berry L. Rubin, of Ann Arbor, and Dennis A. Velie seated the guests.

The mother of the bride wore a floor length dress of mauve Qiana styled with a crocheted bodice, its full skirt belted at the waist. Scalloping accented the belled sleeves, cuffs, neck and hemline of the bridegroom's mother's full length Qiana dress and jacket ensemble. Both mothers chose cymbidium orchid corsages.

Out-of-town guests included the bridegroom's grandfather, Albert V. Anderson, and his aunt, Mrs. Ruth MacLay, of Dubuque, Iowa; the bride's college roommate, Mrs. Richard Ryon, of Pottsville, Pa.; Miss Josephine Dodd, of Charleston, W. Va.; Miss Elaine Majester, of New York City; the bride's uncle and

aunt, Mr. and Mrs. Earl S. Watson, of Marion, Ind.; another aunt, Mrs. Loretta McCormick, of Albany, Ind.; Miles DuCore, of Chicago; and Arthur Lerner, of Bowling Green, O.

The former Miss Drake, a graduate of Bradford College, Bradford, Mass., and the University of Michigan, also attended schools in Geneva, Switzerland, and Grenoble, France. She is a reporter with The Chelsea Standard in Chelsea, Mich.

The bridegroom attended Eastern Michigan University and the University of Michigan, and is presently director of Communications with the Jervis B. Webb Company.

The newlyweds vacationed in Toronto before returning to Ann Arbor where they make their home.

Quester Focus Is on Cuisine

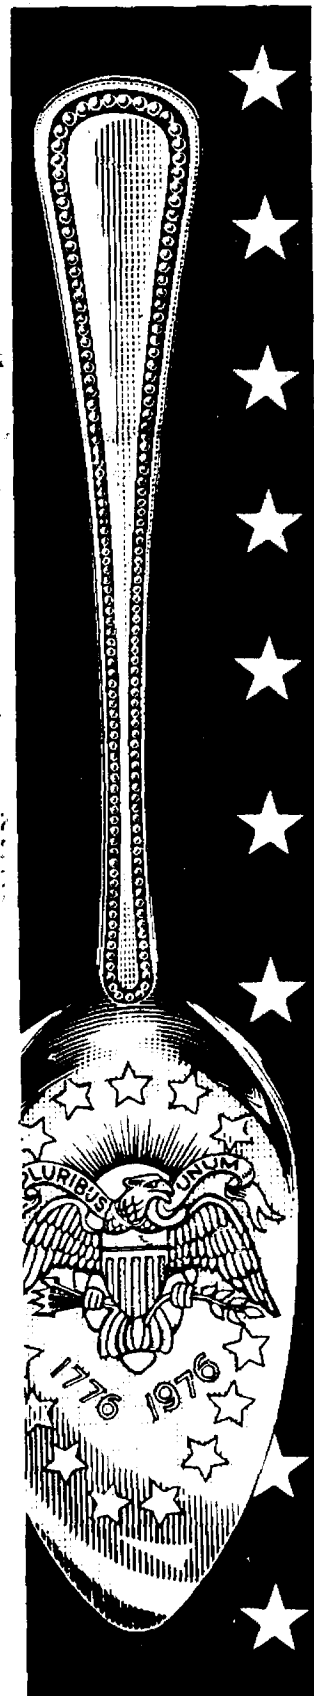

Presenting a program on Early American Cuisine at the Windmill Pointe Chapter of Questers' meeting Monday, April 26, in the University place home of Mrs. Leo Hardwick was Mrs. Frank Kremble.

Mrs. Kremble mentioned the three wrought iron necessities in every Colonial kitchen—tea kettle, stew pot and skillet with lid—in her well-researched paper. Her program followed a business session during which newly-elected officers, including Mrs. Howard Harrison, president, and Mrs. Erwin Goring, vice-president, were introduced.

Mrs. Richard Beaudry will serve as secretary. Mrs. Howard Reed as treasurer during 1976-77. President Harrison appointed Mrs. William Simpson publicity chairman and Mrs. John Gillis historian for the coming year.

Mrs. Fred Carter is coordinating a May luncheon for members and their guests, to be held at the Moross House.

Spring Tea Time at Memorial Church

An audio-visual treat is in store for the Women of Grosse Pointe Memorial Church and their guests preceding the Women's Association's annual May Tea next Tuesday, May 11, at 1:30 o'clock, under the chairmanship of MRS. ROBERT B. BAT- TEN, (seated, center), assisted by co-chairman MRS. FLOYD SE- CREST, (seated, right), and commit-

tee heads including MRS. J. AL- FRED GROW, JR., (seated, left), in charge of tickets, MRS. JAMES L. SCHEULER, decorations, MRS. JAMES G. OATES, kitchen, (stand- ing, left and right), and, (not pic- tured), Mrs. George Ciavola, dining room chairman, and Mrs. David Coolidge, publicity chairman.

Prior to the tea, to be served in Fellowship Hall, The Reverend Kenneth V. Kettlewell will present a

program, "Our Presbyterian Heritage," in the Church Sanctuary. Using music and slides, he will

trace the history of Presby- terianism, from its begin- ning in Scotland, to Switzer- land, to America, to Detroit.

Mrs. J. Sidney Probert is doing the Showcase, using the Presbyterian Heritage theme.

The Reverend Kettlewell, born in Ohio, held pastorates in Pennsylvania and his home state before coming to De- troit in 1973. He is now pas- tor of First Presbyterian Church, founded in 1816 as the First Protestant Society in Detroit, mother church of many of the city's Presby- terian churches. He has served on many United Pres- byterian (USA) boards and committees.

His talk will follow an organ prelude by Paul L. Reynolds and a welcome from Mrs. Charles R. Beltz; Women's Association presi- dent. Devotions will be given by The Reverend Ray H. Kleij. Mrs. John L. Mc- Creight will introduce the speaker.

Tea tickets at \$1.25 are available in advance from the Church Office, Mrs. Grow, 885-2060, or at the door.

Party to Benefit Stapleton Center

Mrs. Robert Thibodeau Appoints Mrs. Theodore Clark to Chair May 19 Fashion Luncheon in Fries Auditorium

The Friends of Stapleton Center will sponsor a benefit luncheon and fashion show starting at 11:30 o'clock Wednesday, May 19, in the Grosse Pointe War Memorial's Fries Auditorium.

Reservations for tick- ets, at \$7 per person, must be made by Sun- day, May 16, with Mrs. Joseph E. Bejin, of Lake- shore Road.

Stapleton Center, the new- ly-completed home for the elderly in Annunciation Par- ish, provides gracious retire- ment living for 62 residents.

Its campus-concept complex features 59 units, 10 of which are four-room, the remaining 49 one-room, with private bath.

The Center occupies a square block, including a beautifully landscaped court- yard and fountain, with com- fortable lawn furniture.

Spring luncheon proceeds will provide funds for moni- ly birthday parties and holi- day treats. The Friends also hope to extend piped-in music to the new dining room and lounge.

At a recent board of direc- tors luncheon meeting in the Lake court home of Mrs. Charles T. Fisher, Jr., Mrs. Robert Thibodeau, Friends president, invited Mrs. Theo- dore Clark to chair the event. Her co-chairmen are Mrs. William P. Chester and Mrs. Fred J. Schreiber.

In charge of models who will show clothes by Maria Dinon, (Rachel Ryan is pro-

viding the music), is Mrs. William B. Fisher. Mrs. Richard Mrowczynski is handling invitations. Mrs. Charles T. Fisher, Jr., is re- sponsible for decorations. Rosemary Downey and Mar- garet Lynch share finance responsibilities.

Mrs. George L. Van Ant- werp and Mrs. Aloysius F. Power are collecting prizes, while Mrs. Jerry T. Flanagan handles publicity.

Others assisting with party plans are Mrs. Joseph F. Flaherty, Mrs. Thomas A. Murphy, Mrs. Edmund Dil- worth, Mrs. Frank Pageau and Mrs. Elwood Dryden.

Arpi Swedish Chorus Sates Spring Concert

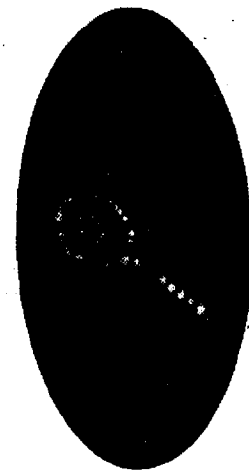

Detroit's Arpi Swedish Male Chorus will present a spring concert this Saturday, May 8, at 8 o'clock at Im- manual Lutheran Church, Chandler Park drive at Dic- kerson.

The program features Swe- dish, Norwegian and Ameri- can songs. Soloist Edward Paul Kraynak, concertmas-

ter with the Scandinavian Symphony for 20 years, founder of the Allen Park Symphony, will present vi- olin selections from Sweden, Hungary and America.

Tickets at \$1.50 may be purchased in advance by contacting Ernest Gunnar- son at 864-0428. They will also be available at the door.

Detwiler-Batchelor Vows Exchanged

Pair Will Return from Month's Vacation in Europe to Make Home in Ypsilanti; Bride's Sister Is Honor Matron

A reception at the Country Club of Detroit followed the wedding of Christine Cecile Batchelor and Frederic Bradley Detwiler Saturday evening, May 1, in Christ Church, Grosse Pointe.

The bride is the daughter of Mr. and Mrs. Edward Armistead Batchelor, Jr., of Touraine road, the bridegroom the son of Mrs. Phyllis Detwiler, of Pompano Beach, Fla., and John Detwiler, of Three Mile drive.

The newlyweds, vacationing in Europe for a month, will return to make their home at Ford Lake, Ypsilanti.

For the 8 o'clock rites at which Mr. Robert McGregor presided, the former Miss Batchelor chose a white jersey gown styled with a high neckline filled with a deep V of illusion embroidered with seed pearls.

Illusion and pearls edged

the cuffs of her long, slender sleeves, and her full length panel skirt, over an underskirt, was gathered in back to form a train.

A cap of white French lilies held her Cathedral length, double veil of illusion scattered with lilac blossoms. She carried a cascade of Eucharis lilies, stephanotis and trailing ivy.

Mrs. Norman B. Brehmer, honor matron for her sister, and bridesmaids Phyllis S. Detwiler, the bridegroom's sister, Leah E. DuPont, Mrs. Robert F. Meier and Anne R. Donnelly wore emerald jersey frocks and matching, ruffled-edges tie capelettes.

Best man was Robert F. Meier. Ushering were Ed-

Engaged

Mr. and Mrs. Martin J. Schiessler, of Birch lane, have announced the engagement of their daughter ANN CHRISTINE to Terrence Edward Dean, son of Mr. and Mrs. George Dean, of Dearborn Heights. A summer wedding is planned.

Miss Schiessler, a 1970 Grosse Pointe North High School graduate, received her Bachelor of Arts degree from Alma College and is currently employed as a legal secretary.

Her fiancé also received his Bachelor of Arts from Alma, and a Masters degree from the University of Michigan, where he is currently enrolled in a graduate program.

ward A. Batchelor, III, the bride's brother, George Detwiler, Jr., the bridegroom's cousin, Anthony Roumell, Dr. Michael Papo and Peter Storrs, who came from New Hampshire for the ceremony.

The mother of the bride wore a spring floral-printed jersey, styled with long, slender sleeves and a high, round neckline. The bridegroom's mother selected a chiffon floral print, also long-sleeved and round-necked.

Plan Autumn Flower Show

The 15 garden clubs comprising the Eastern Area of the Federated Garden Clubs of Michigan are planning an area Standard Flower Show for September 17 and 18, at the Grosse Pointe War Memorial.

Theme will be "American Heritage in Grosse Pointe: 1879-1979." Alger House, with its antique furniture, will be the setting for 48 artistic arrangements and horticulture specimens.

Mrs. Alfred Goolsby, of the Trowel and Error Garden Club, general show chairman, has seen that working schedules have been distributed to each of the participating clubs, so mem-

bers will have ample time to plan for the autumn event.

Advance registration for the 12 artistic and two horticulture classes must be made with each of the class consultants. They are Mrs. James B. Lewis, representing the Junior League Gardeners; Mrs. Lowell Montgomery, Grosse Pointe Woods Garden Club; Mrs. Gaylord W. Gillis, Jr., Garden Club of Michigan; Mrs. Raymond Kaye, Harper Woods Garden Club; Mrs. William Beckenhauer, Suburbia Garden Club; Mrs. Osborne Day, St. Clair Shores Garden Club; and Mrs. Leland Carter, Grosse Pointe Garden Club.

The Michael Pastors

In Grace Brethren Church, Worthington, O., Saturday, February 7, TERESA SUSAN HUNT spoke her marriage vows to Mr. Pastor. Teri is the daughter of the Robert J. Hunts, of Columbus, O. The Michael N. Pastors, of South Oxford road, are the bridegroom's parents.

Fete for Little and Big Ladies

The Women's Special Membership and the Detroit Boat Club Women's Committee are combining forces to present a luncheon and afternoon honoring mothers and daughters this Saturday, May 8, featuring "100 Years of Fashion" courtesy of the Detroit Historical Society Guild.

The new slide show will focus on gowns worn by prominent Detroit and Michigan women and children. Also on the program is a Fashion Show by Pepe, Mrs. Al Ghesquiere's dog who has entertained at both the DBC and the Women's City Club in the past.

Featured at the piano prior to the 12:30 o'clock luncheon will be Mrs. James Skillman of Birmingham.

Committee members planning the event under the aegis of Mrs. Milton B. Osgood, of Harsens Island, assisted by Mrs. William M. Skillman, are the Mesdames Milton B. Osgood, Jr., Denne J. Osgood, W. McKay Skillman and Robert O. Artner, and Miss Gail Artner.

Prizes and favors will be featured. The party begins at 11:30 o'clock, with cocktails.

Schedule Final DSYO Concert

The Detroit Symphony Youth Orchestra will present the final concert of its sixth season Sunday evening, May 9, at 8 o'clock in Ford Auditorium, with DSYO conductor Philip Greenberg on the podium.

Featured soloist will be Kenneth Kelter, who won the 1975 Grinnell Award in the annual Piano Technicians Guild competition.

The concert opens with the overture to Leonard Bernstein's "Candide." Mr. Kelter then will perform Felix Mendelssohn's Piano Concerto No. 1 in G Minor with the Orchestra.

After the intermission, Mr. Greenberg will lead the DSYO in Nikolai Rimsky-Korsakov's "Scheherazade."

Philip Greenberg, conducting assistant of the Detroit Symphony Orchestra, formerly assistant conductor of the Grand Rapids Symphony and still a frequent guest conductor there, is also music director of the Muskegon Symphony of Winds.

A native Detroit, his conductorial training includes work at the Meadow Brook School of Music and with Theo Alcantara at the University of Michigan, where he was awarded U. of M.'s first Master of Music in conducting. He has studied most recently with DSO Music Director Aldo Ceccato. Mr. Greenberg joined the DSO conducting staff in the fall of 1974. He now has major responsibility for the continuing development and conducting of the DSYO.

Kenneth Kelter, pianist of the DSYO, studies with Marvin Abramson. A native of Birmingham, he is a student at Groves High School and hopes to attend the Curtis Institute of Music.

Besides the Grinnell Award he has won several others, including the Schoolcraft College Award in 1975.

General admission to the concert is \$2. Tickets are available at Ford Auditorium Box Office, 961-0700.

This May 9 performance replaces the DSYO concert originally announced for May 2.

Michael Craig Pastor claimed Teresa Susan Hunt as his bride Saturday, February 7, at an early afternoon ceremony in Grace Brethren Church, Worthington, O. The Reverend John W. Willett officiated at the 1:30 o'clock double ring rites.

Teri, daughter of Mr. and Mrs. Robert J. Hunt, of Columbus, O., is a legal secretary with City National Bank of Columbus.

Mr. Pastor, son of Mr. and Mrs. Michael N. Pastor, of South Oxford road, was graduated from Grosse Pointe High School, received his Bachelor of Arts degree in Political Science from the University of Michigan and his Masters degree in Public Administration from Kent State University, is continuing postgraduate studies at Capital University and was recently appointed by the Governor to serve as Fiscal Officer for the Department of Industrial Relations for the State of Ohio.

A church reception followed the ceremony. After an evening dinner reception at the Barclay Square clubhouse, the newlyweds left to vacation in the Bahamas. They are making their home in Columbus.

The former Miss Hunt, given in marriage by her father, chose a formal, fitted wedding gown of ivory chiffon velvet, Alencon lace accented and styled with an attached train.

A pearl and lace crown caught her cathedral length

In floor length, Empire frocks of pink crepe and brief jackets of ruby velvet, featuring capelet sleeves, were Tammy Hunt, honor maid for her sister, bridesmaids Mrs. Robert J. Hunt, Jr., and the bridegroom's sisters, Nancy Beebe, of Mount Lebanon, Pa., and Dr. Sharon Simson, of Philadelphia, and junior bridesmaid Brooke Beebe, the bridegroom's niece.

Deep red velvet streamer tied their Colonial bouquets of pink Sweetheart roses, stephanotis and baby's-breath.

Mark Askins, of Mansfield, O., the bridegroom's Sigma Chi fraternity brother, was best man. Ushers were Reuben G. Beebe and Dr. Michael B. Simson and the bride's brothers, Robert J. Hunt, Jr., and Ronald Hunt.

Barton Beebe, the bridegroom's nephew, was ring-bearer.

The bride's mother wore a floor length ensemble of violet crepe and chiffon. The bridegroom's mother chose a lime green, floor length sheath, with a brief, fitted jacket. Both mothers' flowers were gardenias.

Miss Wilcoxon Wed in March

She Speaks Vows to Donald Edward Mullen at Noon Ceremony; Pair Vacation in Vermont, Are at Home in Massachusetts

A U-necked princess-style gown, its hem circled with pointe de Venise lace, was Ann Roloson Wilcoxon's choice for her noon marriage Saturday, March 20, to Donald Edward Mullen.

She wore a cameo on a white velvet ribbon around her neck and sprigs of baby's-breath in her hair, and carried a bridal bouquet of white tulips and narcissus, stephanotis, sweet

peas and baby's breath. The former Miss Wilcoxon, a Grosse Pointe South High School graduate who received her Bachelor of Arts degree from Olivet College and was graduated from Katherine Gibbs, Boston, is the daughter of Mr. and Mrs. Otis Roloson Wilcoxon, of Radnor circle.

Mr. Mullen, a Boston College graduate, is the son of Mr. and Mrs. John F. Mullen, of Scituate, Mass.

The rites in Grosse Pointe Congregational Church at which Dr. Roy R. Hutcheon, assisted by Father Ronald L. Heideberger, presided were followed by a luncheon at the Grosse Pointe Hunt Club.

The newlyweds vacationed at Stowe, Vt., and are at home in Cohasset, Mass.

Honor maid Mary Lee Wilcoxon, of San Diego, Calif., and honor matron Mrs. C. Kenneth Perry, Jr., sisters of the bride, and bridesmaid Dorothy Mullen, the bridegroom's twin sister, wore green skirts and green-striped white blouses. They carried baskets filled with ivy and baby's-breath. John F. Mullen, Jr., of Plymouth, Mass., was his brother's best man. Ushers were Jonathan Story, of Scituate, the bridegroom's brother-in-law, and Mr. Perry.

A long-sleeved gown of coral chiffon, styled with a rolled collar, was Mrs. Wilcoxon's choice for her daughter's wedding. The bridegroom's mother selected blue chiffon, with a matching, full length coat.

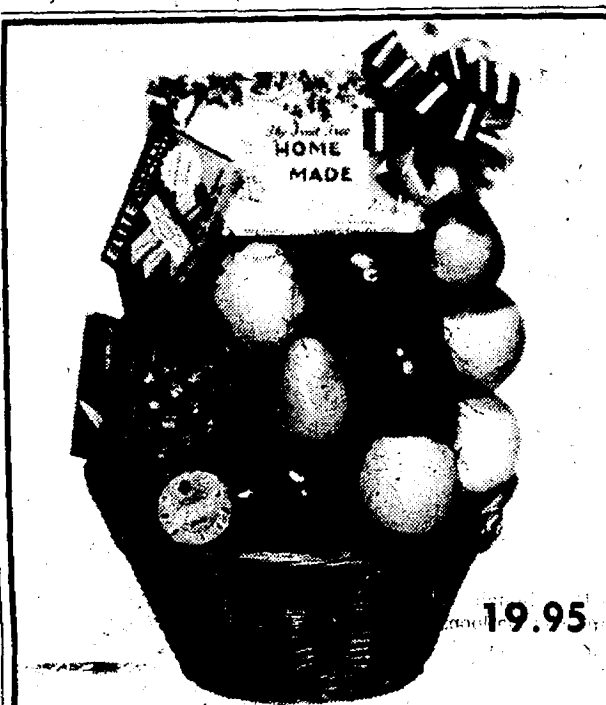

Out-of-town guests included Mrs. A. Norman Hurd, of Ottawa; Gail Lowrie, of Chicago; and Frederic B. Lowrie, Jr., of Andover, Mass., cousins of the bride; Mrs. Story and Mrs. Mullen, Jr.; Mrs. George Moran, of Towson, Md.; Mrs. Arthur Armstrong, of Marshfield, Mass.; and Mrs. Dorothy O'Connell, of Milton, Mass., aunts of the bridegroom; Jennifer Wiseman, of Marblehead, Mass., a Katherine Gibbs classmate of the bride; and Mark and Sarah Porath, of Marcellus, Mich., Olivet College classmates of the bride.

Special Adult Section to Be Featured at McCann Rink, John and Jane Vanderzee Are General Chairmen This Year

The always-fun, always-successful University Liggett Fair is set for Friday, June 4, from 4 to 10 o'clock, and Saturday, June 5, from 10 in the morning to 10 at night, with traditional rides and games to be augmented this year by an adult extravaganza.

The 1976 format hopes to attract more parents and "grown-ups" by offering them a very special area in the Francis J. McCann Rink, adjacent to the fairgrounds at University Liggett's Cook road campus.

The Rink will feature the best in baked goods, antiques, plants, vegetables and mini-golf, plus special booths manned by Kaleidoscope, the Greenhouse, the Mole Hole, Pointe Pedlar and many other specialty shops. Assisting general Fair chairmen John and Jane

Set Deeplands Club's Meeting

Mrs. John Richardson, of Lakeshore road, will be assisted by co-hostess Mrs. Wallace Temple when she entertains Deeplands Garden Club members this Monday, May 10, at a noon meeting. The program will feature a slide lecture presented by Mrs. Walter Parsons, authority on wildflowers and plant life, board member of the Michigan Nature Association and conservation chairman for the Romeo Garden Club.

Vanderzee are co-chairmen Wendy and Lou Barroll. For the fourth straight year, students have taken charge of scholarship ticket sales. Amy Woodhouse and Bill Gilbride are student ticket sales chairmen, Allison Kuhnlein and David Buhl co-chairmen. A adult scholarship ticket liaison is being provided by Karyn French and Betty Campau, faculty liaison by George Andrews. Karla Fink is handling promotion, Rip Odell publicity.

Finance is the province of Tony Barry and Tony Fruhauf. Lloyd Sample is serving as legal counsel, Susan King as secretary.

Prize committee members include Lollie Biggs, Dinky Casey, Judy Chrysler, Betsy Dance, Joy Dickson, Stephanie Donaldson, Helen Gilbride, Kitty Gushee, Mary Kate Hastings, Friskie Hickey, Nancy MacColl and Nicole

A Show of Hands for Hutzel Party

sion, MRS. DAVID OLSON, MRS. MILTON HANCHERUK and MRS. LAWRENCE WARREN. The party, largest annual fund-raiser for the Detroit Medical Center hospital, is scheduled for Saturday, May 22, at the Detroit Athletic Club.

Stroh. Assisting Rink chairman Joan Woodhouse and her committee of Mel Cunningham, Midge McClure and Mary Ann Zinn are Lil Andrews, Anna Eliza Black, Janet Bogle, Patsy Calkins, Chrissie Finkenstaedt, Susie Fruehauf, Audrey Holley, Eunie Jewett, Ann Gordon, Annie Paddock, Chrissie Powers, Susie Lambrecht, Judy Smith, Alice Wardwell, Laila Young and Susan Logan.

There'll be crepes by Mireille Wilkinson and a flea market organized by Carol Cracchiolo, Angie Pollizi, Eleanor Pugliesi and Mary Lou Pursel are in charge of the Bake Sale.

Goody Semple and her crew, Clare Connor, Barry Fitzsimmons, Don Schrom and Lynn White, are handling decorations. Entertainment is being organized by Jan Gilbert and Rick DelGrosso.

The Food Tent will be manned by John and Ann Park, while Terry and David Hamilton lead the corps dispensing soft drinks. The Midway is the responsibility of Ken Perry, Conie Jacob and Bob Viewig.

Bill Cudlip is manpower coordinator, with Kevin Conley in charge of student manpower. Karla Standish and Carolyn Russell chair the ride ticket sales committee. Assisting Pet Show chairmen

Larry and Fay Buhl are Gordon and Linda Ford, Harry and Eunie Jewett and Mark and Joan Smith.

Security and money pickup responsibilities are being shared by Bob White, Dick Butinger, Jack Hastings, Hugh Harness and Dick White. Bob and Ann Ford will be in charge of the gate.

Fashion Fete For Bayview

The Bayview Yacht Club fashion show, an annual event designed to give the wives of old members an opportunity to meet the wives of new members at the beginning of the sailing season, is scheduled this year for Tuesday, May 11, at noon, at Bayview.

Chairman of the committee planning the party is Mrs. James (Betty) Schudel, of Moross road, wife of Bayview's commodore.

Among her assistants are Mrs. William (Helen) McGraw, of Pemberton road, wife of the vice commodore, Mrs. John (Tina) Pappas, of Fisher road, wife of the rear commodore, Mrs. Kenneth (Dee) Argo, of Hunt Club drive, Mrs. Warren (Sue) Jones, of Vendome road, Mrs. Donald (Barbara) Landers, of Kerby road, Mrs. John (Helen) Wiley, of Hollywood avenue, Mrs. Albert (Peg) Jones, Mrs. William (Barb) Burt, Mrs. Burton (Denise) Jones and Mrs. Jean Hunt.

Modeling fashions by Jacobson's will be Mrs. Hunt, Mrs. McGraw, Mrs. William (Dorothy) Connolly, of Berkshire road, Mrs. Edward (Jeanne) Bunn, of McKinley avenue, Mrs. James (Judy) Fraser, of Lincoln road, and Mrs. Richard (Ginger) Grow, of Washington road. "Sail Into Summer" is the party theme. Red, white and blue flowers will center blue-covered tables. Hand-crafted items will serve as prizes.

Year-End Luncheon For Alpha Mu DKG's

Alpha Mu Chapter of Delta Kappa Gamma honorary organization for women in education will introduce new members and officers at 11:30 o'clock Saturday, May 8, at the Grosse Pointe Yacht Club.

Dr. Alfreda Frost, Marcia Kearney and Jean Rusing will be welcomed in a special pre-luncheon ceremony. Virginia Downs will pass the presidential gavel to Merc Jacobs.

Lil Goodwyn will serve as first vice-president, Laura Gregory as second vice-president. Gladys Gies continues as treasurer. Blanche Kegen will act as recording secretary, Kerin Kopec as corresponding secretary.

The Chapter traditionally honors its retiring members at this spring luncheon. This year, only one member is retiring—but we're sure Merc Jacobs will continue to keep busy enough as Alpha Mu's president for the next two years.

Let's Talk Real Estate

by John E. Brink

Property value has a way of changing with the times. This is probably hind sight but back in the 1950's I can remember time and time again Detroit voters were voting down the school millage proposals. I used to hear people talk of the downfall of Detroit's school system. They pointed out that if the schools go — so will the community, the city — and the whole country!

I don't know if this is true — or truly if it has even happened — but we can all hear the same talk again. This time it's from people I know and respect a great deal — right here in Grosse Pointe.

The arguments here-to-fore have been by those who wanted and cared for schools and those who couldn't care less. Now it's different. The people who seriously fear for the value of their property are voicing their opinions.

Probably one of the best judges on the school millage vote is Real Estate people. They enjoy selling Real Estate in the finest, most desirable property in the world! They say if we lose our school system as we now know it — we will lose one of our most positive sales paints!

There is another way to keep up the sales advantages on your home and it's with Grosse Pointe Real Estate (882-0087) one year warranty. If you are selling or buying, Grosse Pointe Real Estate Co.'s warranty is available. Don't overlook this very serious peace of mind.

HAVE WE GOT CONDOMINIUMS. In Grosse Pointe Woods and St. Clair Shores you have a choice from fifteen townhouse condominiums! All have either attached garages or carports. These are centrally air conditioned and come available with a multitude of options. See our six model apartments at SHOREPOINTE off Mack between 8 and 9 Mile Roads.

FIFTY-FOUR ALREADY SOLD our last is a three bedroom townhouse with spanning new kitchen and decorated with colors and carpeting of your choice. Centrally air conditioned with a first floor lavatory and ready for immediate occupancy. See our model apartment at 19986 Vernier, one block east of Eastland shopping.

AVAILABLE BY APPOINTMENT

PRICED BELOW the competition because our owner has already purchased another house and is ready to deal. This colonial has that all important extra first floor room and the completely remodeled kitchen has a breakfast room. Priced realistically at \$43,700.

DON'T DESPAIR if you have been searching for a four bedroom colonial with a large family room with fireplace and an attached garage. We can offer you a selection of two such houses to choose from. Both are presently under construction and will be ready for occupancy by June. One house is on a deadend street which leads to the lake. The other is on Oxford Road in the Woods.

DREAM OF a rambling Italian Villa designed by Hugh Keyes on a one and half acre sloping site in Grosse Pointe Farms and surrounded by quiet oaks. French doors open to intimate gardens on one side and a long stretch of lawn on the other. The large master suite has a fireplace, as do two of the three remaining family bedrooms. Two fireplaces and a sixteen foot high hand-painted ceiling in the living room, and fireplaces in both the dining room and library provide plenty of atmosphere. As a bonus an art deco separate apartment or party room with its own kitchen and outside entrance is all part of the package.

IN THE WOODBRIDGE Condominium complex we have a two bedroom townhouse which has just been completely decorated with carpeting and new kitchen appliances. Our owner is moving out of state so has allowed us to place the realistic price of \$39,900 on this like-new apartment.

A PETITE MANSION which will really turn you on if you like that French country house look. This one has a Mansard roof and circular drive and looks as great inside as it does from the curb of Oxford Road. All the bedrooms have private baths and there is a library and family room, both with fireplaces.

FIRST OFFERING—FARMS
Moran road, center entrance, English Colonial. You'll first notice the typical English carved, stone fire places, then, as the view unfolds you'll pick up the elegant hand-crafted moldings throughout the house. The masters library beautifully paneled with wormy chestnut. (You can't even buy wormy chestnut anymore!)

Formal dining room, fairly well up-dated kitchen, butlers pantry, many bedrooms and 4 baths. Three car attached garage hidden at rear of house. Architecturally absolutely beautiful!

We told the owners they could get one hundred ten thousand but they don't want to mess with it. Offered at a low \$92,000.00!

Also included in this price is a one year warranty which leaves only one thing to worry about which is whether you can get your offer in fast enough!

FIRST OFFERING—PARK
Berkshire Road—one of the most beautiful in all the Pointes. Four bedrooms, sun room, large living room, huge formal dining room, up-dated kitchen. A good start on a recreation room. This house is in move-in condition, beautifully decorated. Huge rear yard, nicely landscaped and well cared for. If you want huge livable rooms with the comfort and feel of fine living, you'll like this home. Priced in low sixties.

Don't forget too, it's covered with a one year warranty. Something you really shouldn't overlook when purchasing your next home.

COLONIAL—G. P. WOODS
Perfect home for couple who can appreciate the opportunity to decorate and do their thing! This is a perfect home for those who want three bedrooms. There's also a modest family room! The good part about this clean and simple home is it's priced in the low forties! We've seen the same home sell for ten thousand more.

You can also purchase without fear because it's covered with a one year warranty. No buyer beware with this home!

Mike Schomer Big in Four Events

Pointer Mike Schomer scored in four events for Western Michigan's track team on Tuesday, April 25, at DeKalb, Ill., as it tallied 111 points to defeat host Northern Illinois, 62, and Bradley University, 24. The Bronco senior won the hammer throw, (187-11), was runner-up in the javelin, (212-6), and discus, (160-5), competition, and finished third in the shot put with a new WMU varsity outdoor record of 54-9 1/4. Western Michigan now boasts a string of 54 dual meets without a loss since 1965.

Little League Results

THE FARMS Major League By Joe Fromm

The Indians and Pirates opened up the 25th Little League season in The Farms with impressive victories on Saturday, May 1.

Gregg Restrum pitched a three-hit shutout as the Indians defeated the Phils, 15-0. Restrum struck out 11 and was backed by errorless ball by the Indian defense.

Craig Haase and Joe Evola led the 12-hit Indian attack. Haase went four-for-four including two doubles. Evola batted in five runs with two triples. Peter Ruwart collected two of the three hits by the Phils.

The Pirates broke up a 9-9 tie with 10 runs in the fifth inning and went on to a 19-13 win over the Red Legs. Gerry Chamberlin provided the big blows for the Pirates with two three-run homers. Rich Gallagher went five-for-five for the Pirates.

Mike Downs went the distance on the mound to pick up the win. Don Keller, David Nurmi and David Snow each collected three hits for the Red Legs.

The Yankee-Tiger game was rained out in the third inning and has been rescheduled for Wednesday, May 12 at South High School.

At the opening day ceremonies, Mayor James H. Dingeman of The Farms presented league president John Brooks with a resolution adopted by The Farms Council proclaiming May 1 as Little League Day in The Farms. This commemorated the 25th anniversary of the organization of Little League ball in the community.

Jim McWatt, chairman of the 25th anniversary, introduced some of the original founders of the league including Bob Chope, Bob Ayrault, Mayor Dingeman and Herb Bumpus.

Tom Timmerman, the 1970 Detroit Tiger of the Year, was the parade marshal and guest of honor. The winning teams for the best decorated cars in the parade were the Tigers in the Major League and Toledo in the Class C League.

THE PARK

Gray skies didn't cloud spirits or festivities for Park Little Leaguers opening day, Saturday, May 1. Games, a

parade and more games went on as scheduled. Efforts of Nancy Kline, league recording secretary and food concession chairman, were willingly accepted.

The parade was enhanced by the presence of Robert A. Slone, Park city manager, and Councilman Clayton Alandt. Rob Hayes and his motorcycle cleared the streets for firefighters to proceed on the scheduled route.

A very special thanks goes to The Park's finest—all of the policemen who gave distinguished service to honor the safety of parade members and spectators, pedestrians and motorists. They helped to make the parade the extravaganza everyone expected.

In games played, Air Force defeated Army, 8-7. Erik Nicholson, AF, hit a home run in the third inning scoring three runs and Jim Peck of Army came up in the fourth and did likewise. Michigan State beat Illinois 8-6, in spite of Steve Kostecke's homer.

The final score for the Marines and Navy game, called because of a time limit, was 18-10 for the Marines.

Minnesota and Ohio State caught the late afternoon rain and will finish their game Friday, May 7. Mike Ruffner, Minnesota's roving center, did a fine job bagging two fly balls in a row in the second inning. Michigan and Purdue played in the afternoon cloudburst. Mark LeChard pitched Michigan's 12-11 victory.

The Braves and Giants went seven innings to decide their score. Three doubles were hit by David Goulet, David Miller and Tony Alfonso of the Braves. Tony Tocco of the Giants hit a double and Willie Ratsec smacked a sixth inning homer in the Giants 9-8 win.

The Cardinals lost to the Pirates, 18-2. Tom Emmerich of the Pirates hit a home run in the third inning. Meanwhile, the Red Legs fell to the Dodgers, 13-1. Joe Yoti, Dodger pitcher, hit a double and struck out 12 Reds. Joe Craig had a double in the fourth. Alex Posada, Red Legs' left fielder, caught a fly ball and turned it into a double play at second base after his quick and accurate throw.

Devon Jeffrey pitched the Orioles to a 9-4 win over the White Sox. The Yankees lost to the Athletics, 5-1. Bob Zimmerman had three hits, one a double, and scored two runs for the A's. Pat O'Neill doubled in the sixth and got two RBI's to decide the victory. Pat Drumme and Chris Shaalan both doubled for the Indians in a 6-3 loss to the Senators.

Art Auction Planned By Oakland Alumni

Oakland University's Alumni Association is sponsoring a benefit art auction Sunday, May 16. The 3 p.m. champagne preview and 4 p.m. auction will be held in Verner Recital Hall on the Rochester campus. Admission donation is \$1 per person.

Admission fees and 20 percent of gross sales go to the Alumni Fund, to help support student scholarships and loans, research grants and contributions to the Kresge Library Book Fund.

Further information may be obtained by calling 377-2158.

TRAILS TO HIGHWAYS
Many of the Indians' old network of trails lie under Michigan's super highways. Drivers from Detroit to Chicago follow the old St. Joseph trail made by the Sauks and Ottawas; the Grand River Trail went from Detroit to Grand Rapids; the Saginaw Trail, from Saginaw Bay to the River Rouge and along the Detroit River; and the old Green Bay Trail, from Wisconsin to St. Ignace in the upper peninsula.

CITY OF Grosse Pointe Farms

WAYNE COUNTY, MICHIGAN

NOTICE OF PROPOSED ORDINANCE

TO THE RESIDENTS OF THE CITY OF GROSSE POINTE FARMS:

Notice is hereby given that a Public Hearing will be held in the City Hall,
90 Kerby Road, Grosse Pointe Farms, Michigan, on

MONDAY, JUNE 7, 1976

at 8:00 p.m., for the purpose of hearing any taxpayers, residents or citizens of
the City of Grosse Pointe Farms on the following proposed Ordinance.

CODE NO. 11-10 ORDINANCE NO. 207

AN ORDINANCE TO REGULATE THE MAINTENANCE OF RESIDENTIAL PROPERTIES
IN THE CITY OF GROSSE POINTE FARMS

The City of Grosse Pointe Farms ordains:

Section 1. Adoption of Code by Reference. Pursuant to the provisions of Section 3(K) of Act 279 of 1909, State of Michigan, as amended, The Building Officials & Code Administrators International, Inc., Basic Housing-Property Maintenance Code (hereinafter referred to as the BOCA Basic Housing-Property Maintenance Code/1975, third edition), is hereby found and declared to be an acceptable code for that purpose and is hereby adopted by reference as in this Ordinance modified, for the purpose of protecting the public health, safety and welfare in buildings in the City of Grosse Pointe Farms and on the premises hereinafter provided by:

- 1) Establishing minimum standards for basic equipment and facilities for light, ventilation, space heating and cooling and sanitation; for safety from fire; for safe use and location; and for safe and sanitary maintenance; for cooking equipment in all structures now in existence;
- 2) Fixing the responsibilities of owners, operators and occupants of all structures;
- 3) Providing for administration, enforcement and penalties.

Section 2. Code on File. Complete printed copies of the BOCA Basic Housing-Property Maintenance Code/1975, third edition, shall be adopted, are available for public use and inspection at the Office of the City Clerk.

Section 3. References in Code. References in the BOCA Basic Housing-Property Maintenance Code/1975, third edition, shall be read as referring to the City of Grosse Pointe Farms.

All references therein to the "municipality" and to any and all of the personnel, bureaus and/or subdivisions of said Building Department shall be read as referring to the Public Service Director of the City of Grosse Pointe Farms and such representative(s) as may expressly designate. All references therein to the legal representative of the municipality shall be read as referring to the City Attorney of the City of Grosse Pointe Farms.

Section 4. Changes in Code. The following sections and subsections of the BOCA Basic Housing-Property Maintenance Code/1975, third edition, are hereby amended or deleted as set forth and additional sections and subsections are added as indicated. (Subsequent section numbers used in this Ordinance shall refer to the like numbered sections of the BOCA Basic Housing-Property Maintenance Code/1975, third edition.)

Section H-104.4 is modified to read as follows:

H-104.4 Penalty for Violations: Any person violating any provision of this ordinance shall upon conviction be subject to a fine of not more than \$500.00 or imprisonment for not more than ninety days, or both, in the discretion of the court. Every day that a violation continues after due notice has been served, in accordance with the terms and provisions hereof, shall be deemed a separate offense.

Section H-105.0 is modified to read as follows:

H-105.1 General: Any owner or person who is aggrieved with the ruling or decision of the enforcing officer in any matter relative to the interpretation or enforcement of any of the provisions of this ordinance may appeal the decision or interpretation.

H-105.2 Filing: This appeal must be filed with the Public Service Director in writing, within fourteen (14) days of the date of the rendition of the decision or interpretation. Also, at the time of filing, a fee shall be paid in an amount as set from time to time by the Council.

H-105.3 Decision: The City Council shall act as an appeal board and shall have the duty, responsibility and authority to decide the matters referred to them.

Section H-201.0 is modified as follows:

The following definitions are deleted from Section H-201.0: Dwelling, Family, Hotel, Motel, Rooming House, Rooming Unit and the asterisk material at the end of such section. For the definition of Dwelling and Family to be used as a part of this Ordinance, see the City of Grosse Pointe Farms Zoning Ordinance. If there is any conflict between a definition in this Ordinance and a definition in the City's Zoning Ordinance, the definition in such Zoning Ordinance shall control.

Section H-301.8 is added to the Code to read as follows:

H-301.8 Sidewalk and Driveway Maintenance: Sidewalks on public rights-of-way shall be maintained in accordance with Grosse Pointe Farms Ordinance No. 102. All other sidewalks and driveways shall be maintained in a manner that prevents them from falling into a state of disrepair or becoming unsafe.

H-301.9 Fences: All fences shall be maintained structurally sound and in good repair.

Section H-302.4 is modified to read as follows:

H-302.4 Exterior Walls: Every exterior wall shall be free of holes, breaks, loose or rotting boards or timbers, and any other conditions which might admit rain or dampness to the interior portions of the walls or to the occupied spaces of the building. All exterior surface material must be treated in accordance with acceptable standards, except those exterior materials normally not treated, and all siding material must be kept in repair.

Section H-302.6.1 is modified to read as follows:

H-302.6.1 Structural Safety: Every outside stair, cornice, parapet, overhang, every porch, and every appurtenance attached thereto shall be so constructed as to be safe to use and capable of supporting the loads to which it is subjected as required by the building code and shall be kept in sound condition and good repair.

Section H-302.6.2 is modified to read as follows:

H-302.6.2 Handrails: Every handrail and balustrade shall be firmly fastened and shall be maintained in good condition.

Section H-302.7.3 is modified to read as follows:

H-302.7.3 Windows: Windows need not open if the room is provided with adequate ventilation through air conditioning or other appropriate means.

Section H-302.8 is modified to read as follows:

H-302.8 Exit doors: Every door available as an exit shall be capable of being opened from the inside easily.

Section H-302.9 is modified to read as follows:

H-302.9 Screening: Where windows are used for natural ventilation, guards and screens shall be supplied for protection against rodents and insects.

Section H-303.8 is modified to read as follows:

H-303.8 Interior Walls, Ceilings and Floors: All interior walls, ceilings and floors shall be structurally sound, in good repair, free from defects, and otherwise maintained in a safe condition.

Section H-400.6 is modified to read as follows:

H-400.6 Garbage Disposal Facilities: See the City of Grosse Pointe Farms Ordinance No. 132 (Code No. 7-14).

Section H-401.6 is modified to read as follows:

H-401.6 Electrical Outlets and Fixtures: Every electrical outlet and fixture, as required in Section H-403.0, shall be installed, maintained and connected to the source of electric power in accordance with the provisions of the electrical code of the municipality.

Section H-403.2 is modified to read as follows:

H-403.2 Natural light in habitable rooms: Every bedroom shall have at least one (1) window of approved size facing directly to the outdoors or to a court. The minimum total window area, measured between stops, for every bedroom shall be ten (10) percent of the floor area of such room. Whenever walls or other portions of a structure face a window of any bedroom and such obstructions are located less than three (3) feet from the window and extend to a level above that of the ceiling of the bedroom, such a window shall not be deemed to face directly to the outdoors nor to a court and shall not be included as contributing to the required minimum total window area for the bedroom.

Section H-403.3 is modified to read as follows:

H-403.3 Light in non-habitable work space: Every laundry, furnace room, and all similar non-habitable work spaces located in a building or structure shall have at least one (1) supplied electric light fixture available at all times.

Section H-403.4 is modified to read as follows:

H-403.4 Light in Common Halls and Stairways: Every common hall and inside stairway in every building shall be adequately lighted.

Section H-403.8.1 is modified to read as follows:

H-403.8.1 Cooking facilities: Cooking shall not be permitted in any sleeping room in any dwelling or dwelling unit, and cooking facility or appliance shall not be permitted in any sleeping room.

Section H-403.6 is modified to read as follows:

H-403.6 Adequate Ventilation: Every room shall have adequate ventilation or circulation as provided by natural or artificial means.

Section H-405.0 is added to the Code and will read as follows:

SECTION H-405.0 CERTIFICATE OF OCCUPANCY; CONFORMANCE WITH MINIMUM STANDARDS

H-405.1 Certificate of Occupancy: It shall be unlawful for any person or persons hereafter to commence occupancy or for any owner or agent thereof to permit such person or persons to commence occupancy of any dwelling or structure or part thereof, for any purpose, unless a new Certificate of Occupancy has been issued by the Public Service Department with respect to such dwelling or structure. The Certificate of Occupancy shall state that the Public Service Department has inspected the dwelling or structure and that said Department has determined that the dwelling or structure may be occupied. The Certificate of Occupancy shall also bear this legend in capital letters or bold-face type: "THIS CERTIFICATE DOES NOT CONSTITUTE ANY REPRESENTATION OR WARRANTY AS TO THE CONDITION OF THE DWELLING OR OTHER STRUCTURES ON SAID PREMISES DESCRIBED HEREIN (OR ANY ASPECT OF SUCH CONDITION), AND INTERESTED PERSONS ARE ADVISED AND ENCOURAGED TO MAKE THEIR OWN INSPECTION OF THE PREMISES IN ORDER TO DETERMINE THE CONDITION THEREOF."

This Section shall not apply to any occupancy in existence at the time of the adoption of the ordinance.

H-405.2 Application and Fee: Application for a Certificate of Occupancy may be made by the owner, or his designated agent of a dwelling upon a form provided by the Public Service Department and the payment of an inspection fee as established from time to time by resolution of the Council of the City of Grosse Pointe Farms.

H-405.3 Inspection; Conformance with Minimum Standards: Upon receipt of the application and fee, an Inspector shall inspect the owner's dwelling within five days and, if such dwelling is in conformance with the minimum standards set forth in Articles 3 and 4 hereof, a Certificate of Occupancy shall be issued immediately. If the dwelling is not in conformance with the minimum standards set forth in Articles 3 and 4 hereof, the Inspector shall give notice of violations within three working days following his inspection, and a Certificate of Occupancy shall not be issued until such standards are complied with to the reasonable satisfaction of the Inspector.

H-405.4 Conditional Certificate of Occupancy: In the event, for any reason, an owner or purchaser requests that a Certificate of Occupancy be issued prior to complete conformance with the minimum standards of this Code and if the absence of complete conformance does not, in the judgment of the Inspector, constitute material health or safety hazards, a Conditional Certificate of Occupancy may be issued upon the condition that complete conformance be achieved within a reasonable time specified by the Inspector, but in not less than seven (7) days, and the owner's or purchaser's assurance that complete conformance will be achieved by deposit with the City of Grosse Pointe Farms of cash or bond acceptable to the City of Grosse Pointe Farms in an amount as determined by the Public Service Director, but not less than \$250 and not more than 150% of the estimated cost of remedying such defects. In the event of issuance of a Conditional Certificate of Occupancy, the owner or purchaser shall notify the Inspector, by or before the end of the time period specified by the Inspector for achieving conformance, that said conformance has been achieved, and a Certificate of Occupancy shall be issued and the owner's or purchaser's bond returned if the Inspector is satisfied as to the owner's or purchaser's compliance. If the owner or purchaser fails to comply as agreed, the Public Service Department may use so much of the cash or bond as is necessary to instigate legal action to secure conformance or to undertake the specified work with return of any balance to the owner or purchaser. In the event that the amount of the cash or bond is not sufficient to cover the entire cost of conformance, then any additional cost hereunder shall be charged against the premises and the owner of said premises, and shall be collected as provided for special assessments in accordance with Ordinance No. 87 of the City of Grosse Pointe Farms.

H-405.5 Access for Repairs: Every occupant of a dwelling or structure shall give the owner or his authorized agent (which shall include the Public Service Department or its designees affecting repairs or alterations pursuant to cash or bond) access to the dwelling and any accessory building at any reasonable time for purposes of making such repairs or alterations as are necessary to insure compliance with this ordinance and enable the issuance of a Certificate of Occupancy.

Deletions: Sections H-100.4, H-301.7, H-302.9.1, H-302.9.2, H-403.8, H-500.1 through H-500.6, and H-501.1 through H-501.7 are hereby deleted from the Code.

Section 5. This ordinance shall take effect ninety (90) days after its enactment or upon its publication, whichever is later.

This Notice is given pursuant to direction of the City Council.

COPIES OF THE BOCA BASIC HOUSING-PROPERTY MAINTENANCE CODE ARE AVAILABLE AT THE CITY OFFICES FOR PUBLIC INSPECTION DURING REGULAR OFFICE HOURS, 8:30 A.M. UNTIL 4:30 P.M., MONDAY THROUGH FRIDAY, AND UNTIL 6:00 P.M. ON WEDNESDAY.
