

WOODS BUDGET APPROVED

HEADLINES of the WEEK

As Compiled by the
Grosse Pointe News

Thursday, May 13
PRESIDENT FORD has delayed the scheduled signing of a major nuclear test ban treaty with the Soviet Union because of the pressure of the upcoming Michigan primary, administration sources said Wednesday. U.S. and Soviet officials worked out a simultaneous ceremony in Washington and Moscow for Thursday to sign a treaty limiting peaceful nuclear explosions. However, Mr. Ford's advisors convinced him it would be politically damaging to sign a treaty with the Russians less than a week before the crucial Michigan primary.

Friday, May 14
THE SENATE INTELLIGENCE Committee said Thursday it has evidence that may show why Lee Harvey Oswald shot John F. Kennedy, and recommended that Congress continue a probe into the role of U.S. intelligence agencies in the death. The panel, in a closed door session, voted to give the evidence it has uncovered to a proposed permanent panel for further examination. Sen. Richard Schweiker, (R-Pa.), a panel member, said he feels more strongly than ever that the "Cuban connection holds the key to the riddle" of the assassination.

Saturday, May 15
A TENTATIVE AGREEMENT was reached Friday between the United Parcel Service and negotiators for 14,000 Teamsters who have been on strike in 13 midwest states since Saturday, May 1. Federal mediators said. Another labor dispute involving the Teamsters also appeared near settlement when the union and Anheuser-Busch, the nation's largest beer maker, reached tentative agreement on a new contract that could send 8,000 workers back to work at nine breweries across the nation.

Sunday, May 16
FIGHTING FOR HIS political life, President Ford rode a campaign train across Michigan Saturday asking voters in his home state to come to his aid in Tuesday's primary. Leaving Flint in gloomy, drizzly weather, the president plaintively told a crowd of thousands: "I ask you to help us in Michigan, and Flint is very important." It was a basic message he delivered at six stops across Michigan, where he was trying to rally voters in the out-state area.

Monday, May 17
A 17-YEAR-OLD ARAB girl was killed by Israeli soldiers Sunday in the occupied West Bank during a riot that Israeli officials said was started by school-children. Arab officials claim the girl was shot when she "ran into a house to seek refuge from the soldiers. A soldier ran in after her and shot her." Military sources, however, said she was killed when a soldier tripped and discharged his rifle by accident as he chased the demonstrators. Hundreds of Arabs attended the girl's funeral later Sunday.

Tuesday, May 18
RELIEF WORKERS rushed aid Monday to a mountainous area of the Soviet Asian republic of Uzbek hit by a powerful earthquake. Soviet officials said there was damage but they had no reports of casualties. The quake was several times stronger than the one which devastated northeast Italy early this month, killing more than 900 persons. A Moscow seismologist said on television that Monday's quake measured 7.3 on the Richter scale, and the Italy quake registered 6.5 to 6.9. The official news agency Tass said the shock caused "material damage in a number of places," but gave no specifics.

Troop 479 Welcomes Nine Eagle Scouts

Nine members of Boy Scout Troop 479, sponsored by the Parcels School PTO, received their Eagle Scout Awards at a Court of Honor Wednesday, May 3. The recipients include, (standing, from left to right), JOSEPH MEEHAN, GARY PATROSSO, Scoutmaster DENNIS CROOKS,

MICHAEL VILLAIRE and MICHAEL VINING, and, (sitting, from left to right), ROBBIN ROD-DEWIG, JEROME SULLIVAN, RICHARD CYR, GREGORY DeSANDY and PAUL BROWN. (See story, Page 14).

Center Gets \$118,446.11 From 5,444

Hopes to Announce Its
Goal of \$135,000 Has
Been Reached at Me-
morial Day Service

The War Memorial's 1976 Annual Family Participation Campaign has drawn abreast of the returns received by the date last year.

However, the number of contributors heard from so far this year has not quite caught up with the pace of last year.

As of Monday, May 17, \$118,446.11 had been received from 5,444 donors as compared to \$118,102 from 5,649 contributors at the same point in the drive last year.

Support Will Come
Edward J. Hickey III, chairman of this year's annual campaign and former board president of the Center, feels confident that the support of the Memorial Center is forthcoming but that because of the severe winter and late Easter everyone has been a little slower in responding this year.

William D. Dahling, current president of the Memorial Association, still feels assured that he will be able to announce the successful conclusion of the annual drive on the traditional date, Memorial Day.

Rose Terrace Party
To insure this end, the Center has scheduled a final Benefit Supper and Tour in (Continued on Page 10)

Woods Considers Request On Use of 50-Meter Pool At Special Session Tonight

Solons Await Recommendation from Citizens Recreation Commission Before Deciding; Proponents Express Hope Bid Passes

By Roger A. Waha
The question of approving or nixing a request from the Fitzgerald Swim Club for the use of the new 50-meter competitive pool at the Lake Front Park for training will be considered by The Woods Council at a special meeting tonight, May 20, beginning at 7:30 p.m. in the council chambers.

Action on this request was tabled by the solons on a 6-1 vote. (Councilman Ronald R. Keigen voting "no"), at the regular meeting Thursday, May 13.

Originally, the council, sitting as the Committee of the Whole, (C-W), on Monday, May 10, unanimously approved the bid from Jack Shook, vice-president of the swim club who's also masters swim chairman for the Michigan AAU. The request also originated from Tom Teetaert, head swim coach at North High School.

Based upon the bid, the C-W approved the following motion from Mr. Keigen: That the C-W recommend to the council the approval of the request from the club for the use of the pool by members of the club and the North swim team for the period from June 1-30, not to exceed five days a week during the hours of 6-8 a.m. at a cost of \$25 per day.

The motion also stipulated that the program be coordinated with Parks and Recreation Director Donald J. Hallmann and the office of City Administrator Chester E. Petersen, plus the fact that

Panel Views Pieces of Legislation

Drug-Related Crime, Alcoholism, Drug Abuse
Are Focus of FLEC-
Sponsored Discussion

By George Polgar Jr.
Despite the best efforts of many able lawmakers and public officials, legislative solutions stand a slim chance of stemming the cancerous growth of drug-related crime, alcoholism and drug abuse.

That was the impression some observers came away with after a panel discussion on "Current Legislative Issues," sponsored by the Grosse Pointe Family Life Education Council, (FLEC), on Wednesday, May 12, at the War Memorial.

The panel members included Judge George N. Bashara Jr., William B. Fitzgerald, Senate Majority Leader, John C. Hertel, State Senator, Second District, William R. Bryant Jr., State Representative, 13th District, and Dr. Edward Leibson, director of the Wayne County Department of Substance Abuse Services.

Alcoholism Focus
The problem of alcoholism, which is by far the most abused substance in America, according to Dr. Leibson, is the target of two particular legislative proposals in the coming year.

One of those measures, the decriminalization of public intoxication, has already been passed by the legislature and signed by Gov. William G. Milliken.

The purpose of this action is to officially recognize that alcoholism is a disease and that alcoholics need to be helped rather than punished.

Before going into effect, the new policy of enrolling persons picked up for public drunkenness into voluntary detoxification programs will be tried in the form of limited pilot programs.

"The detoxification programs would be on a purely voluntary basis, with some assistance from the police," said Dr. Leibson. "There will not be any physical restraint of an individual who does not want to stay for the initial 72-hour treatment."

Drinking Age Proposal
One of the most important aspects of controlling alcoholism is to dispel the notion in many people's minds that such State-funded programs are only for Cass Corridor down-and-outers. (Continued on Page 4)

Farms Okays New Fiscal Year Budget

Residents Will Pay About 11 Percent More in Taxes Reports City Comptroller; Most Areas Show Increased Costs

By Tom Greenwood
Residents of The Farms can expect to pay about 11 percent more in city taxes this year, according to Farms Comptroller Carrol Lock as The Farms Council voted an increase of three-quarters of a mill for the upcoming fiscal year at its regular meeting Monday, May 17.

Where residents paid \$15.74 per \$1,000 State Equalized Valuation last year, they will pay \$16.50 this year. The increase will raise the July 1, 1976-June 30, 1977, fiscal budget to \$3,123,518 from last year's total of \$2,995,488.

"Actually, the increase is over a two-year period, since we didn't raise taxes last year," said Mr. Lock.

"While the council was reluctant to increase the millage, they felt it was necessary to provide ample monies for the city's contingency fund, which is being rapidly depleted by our repair costs at Harbor Hill."

Monies Needed
The "Harbor Hill problem" is a long section of sewer pipe that has collapsed at that location and proved difficult for The Farms to repair.

"The Farms has already spent \$25,000 on repairs, but further repairs could cost an additional \$35,000 before the problem is corrected," said Mr. Lock. "Our contingency fund contained \$95,000, but with the sewer repair costs, and the possibility of pay raises for city employees this year, we felt we wouldn't have enough funds to face any unforeseen emergencies that might come up this next fiscal year."

Expenses to The Farms have increased in nearly all areas. Farms policemen were paid \$705,572 in wages last year. This year they will receive \$736,292, an increase of \$30,720. Firemen's wages last year were \$431,720. This year they will be \$438,720, an increase of \$6,500. The public works fund will jump (Continued on Page 8)

Correction

In last week's issue of the NEWS it was reported that The Park Council had approved a budget of \$3,165,000 for the fiscal year 1976-77, which begins July 1. It was also reported that the 1976-77 tax rate would increase from 18.60 mills to 19.60 mills, (\$19.60 per \$1,000 of State Equalized Valuation).

This should have read that the 1976-77 tax rate would increase from 17.60 mills to 18.60 mills for operations and the total tax rate would increase from \$18.60 to \$19.50 per \$1,000 SEV. This includes a 90-cent rate for debt service, which is a voted levy and which does not effect the 20-mill operating limitation set by The Park City Charter.

School Board Rehires Nine Laid Off Teachers

By Susan McDonald
The Board of Education rehired nine laid off teachers and promised more call-backs to come at its Monday, May 10, meeting.

The rehiring reduced the number of laid off Grosse Pointe teachers to 153. Assistant Superintendent of Personnel Lawrence Kennedy said as many as 12 more full-time and 20 fractional positions could open up within two weeks. The final list is contingent on his department's receipt of revised class schedules from middle and high schools, he said.

The called-back teachers have been tentatively assigned as follows: John Herrold, North High School; Virginia Gordon, Parcels; Barbara Weaver, physical education

Memorial Service Set By Center

Officials Call Event,
Planned for May 31
at 11 a.m., The Most
Impressive Yet

The War Memorial's lakeside terrace and lawn will be the setting for the most impressive Memorial Day Service ever to occur in Grosse Pointe on Monday, May 31, at 11 a.m., report Center officials.

A special fire, drum and standard bearer will lead in the 4th Marine Air Wing Drum and Bugle Corps, who are being flown from New Orleans for this service.

After the Marine band concert, the Memorial's new veterans chairman, Dr. Allan A. Zaun, pastor of the Jefferson Avenue Presbyterian Church and former Navy Chaplain, will host the ceremony in memory of Pointe citizens who fought and died in the World Wars and other armed conflicts.

To Use Excerpts
In his address, Dr. Zaun will use excerpts from the sermon which won him national recognition over some 20,000 others, and which he gave at Valley Forge this year after its selection.

The order of the service is as follows:

Raising and Half Masting of Colors — Grosse Pointe American Legion Post 303, Richard Cornelius, Service Officer, V.F.W. Alger-Hoffman Post 393, William C. Hunter, Commander.

Advancing and Placing of Colors — Drum Major, Staff Sgt. Walter Hardy, USMC. "Revolutionary Spirit of 1776"—Dayna Hartwick, Fife, Tim Tyler, Drummer, Dr. John A. Pericin, Standard Bearer.

Honor Roll
Invocation—Dr. Zaun. Welcome and Introduction of Dignitaries—William D. Dahling, president, Grosse Pointe War Memorial Association.

Band Concert—4th Marine Air Wing Drum and Bugle Corps. Address: "We Shall Remember"—Dr. Zaun, chairman, Veterans Committee.

Presentation of Gold Star Honor Roll—Honorable James (Continued on Page 4)

\$3,424,968 Needed for Next Year

Public Hearing Before
Adoption Produces No
Arguments from Res-
idents Attending
Session

By Roger A. Waha
The Woods Council, via a unanimously passed resolution, approved the city's budget for fiscal year 1976-77 after a "silent" public hearing came to a quick close at the regular, re-scheduled meeting Thursday, May 13.

Considering debt service, operating and drain tax levies, the total millage jumps from 14.53 mills in fiscal year 1975-76 to 15.07 mills, a hike of .54 of a mill. Based upon city computations, a citizen will pay around \$31.90 more in taxes during the new fiscal year.

The total general fund budget, including debt service, reaches \$3,424,968 as against \$3,028,714 in the 1975-76 fiscal year. This includes increases in the amounts budgeted for the general government, public safety, public works and parks and recreation departments.

Revenue Side
On the revenue side, the estimated revenues from sources other than taxes on real and personal property are anticipated to be \$1,509,000. (The amount in fiscal year 1975-76 was \$1,343,321). The amounts necessary to provide the proper funding of the debt service and the general fund appropriations are \$180,495 and \$1,735,473, respectively.

According to the resolution, both sums are deemed necessary to be raised by ad valorem tax levies on all real and personal property within the city. The amounts are scheduled for spreading on the 1976-77 tax rate at the rate of 1.10 mills per thousand of the city's current assessed valuation for debt service and at the rate of 10.57 mills per thousand of the city's assessed valuation for general operating fund purposes.

The debt service tax levy in fiscal 1976-77 shows a .08 reduction from the 1.18 mill figure this fiscal year, while the operating tax levy figure increased .82 of a mill from the 9.75 mill amount in 1975-76 to the 10.57 figure. Finally, the drain tax levy dropped from 3.60 mills to 3.40 mills in 1976-77. Hence, the overall increase of .54 of a mill.

How Computed
Since 1968, the city has used a 1.00 factor, which is assessed at 50 percent of the market value but because the residential and commercial rate is below 50 percent, a factor of 1.07 was applied to assessments in fiscal year 1976-77.

As a result, the 14.53 mill figure, (fiscal year 1975-76), was based upon each \$1,000 of State Equalized Assessed Valuation, while the 15.07 mill total was based upon each \$1,000 plus a factor of 1.07, State Equalized Valuation. (Continued on Page 2)

Library Stops Sunday Service

The last day of Sunday service at the Central Branch of the Grosse Pointe Public Library will be May 23, according to Library Director William Peters.

The Board of Education will not approve a public library calendar for the coming year until results from the June 14 millage election are in, Mr. Peters said.

Board members have indicated that unless the 1.31 renewal and 11 additional millage proposals are both passed by voters, Sunday service will be permanently discontinued.

Mr. Peters also noted that about 17,000 materials were circulated on the 36 Sundays the library was open during the 1975-76 school year.

Stick to the truth and you will seldom talk about yourself.

In the court of public opinion men decide in their favor.

Woods Council Approves New Budget

(Continued from Page 1)
Based upon these figures, the average home assessed at \$20,000 in fiscal year 1976-77 times the 1.07 factor times .01507 would equal \$322.50. However, the fiscal year 1975-76 figure for a \$20,000 home times .01453 would equal \$290.60. The difference between the amounts is \$31.90.

Proves Acceptable
Mayor Benjamin W. Pinkos called the budget a reasonable one which contains a minimal increase. He indicated there will be an increase in wages for all city employees, and cited a considerable increase in expenses at the Lake Front Park regarding taxes, maintenance and materials for the new pool complex.

He termed the budget increase in line with the overall hike in expenses. "We are not contemplating any major capital investments so it will not be necessary to increase the millage rate to a great degree," stated Mr. Pinkos.

In citing the fact that no resident spoke at the hearing, plus others in attendance didn't seem too interested in the budget, Mr. Pinkos concluded, "By and large our taxpayers and residents are satisfied the budget is an acceptable one."

At the same time, he stated, "We in the city have done all we could to hold costs and increases to their lowest possible point."

He added unless the city has some unexpected increases in wages and salaries via negotiations or arbitration, the budget would hold. If this wasn't the case, Mr. Pinkos cited the possibility of a transfer of funds along the way to avoid any potential operations under a deficit budget.

Explores Increases
The NEWS explored the content of the package with City Administrator Chester E. Petersen, who worked hundreds of hours since early February in preparing the budget. "As city manager, the preparation of the budget is the most important function I perform," he said.

In explaining the reasons for the \$396,254 increase in the total general fund and debt service amount over fiscal 1975-76, Mr. Petersen cited several factors including:

- The inclusion of a "modest increase" for all personnel. The city is currently in negotiations with the department of public safety and with public works and administrative-clerical employees.
- Fringe benefit costs for all employees, e.g., Blue Cross-Blue Shield hospitalization insurance went up 28 percent and he said workman's compensation practically doubled over the previous year. Pension contributions also went up considerably.
- Lake Front Park-related costs reached \$65,400 with the

Farms Tankers Face Tryouts

All persons interested in trying out for The Farms swim team are asked to fill out application forms available at the Pier Park, at the foot of Moross road. Applications should be submitted by the first practice session Monday, May 24.

cost of utilities totalling \$32,600 and taxes on the park reaching \$32,800.

In short, he felt the general inflationary trend played a big role, overall, and affected other areas such as street lighting and incineration.

All Departments Up
The amount budgeted for the department of general government rose from \$291,135 to \$340,912 in fiscal year 1976-77. "We budgeted on the basis we wouldn't receive CETA funds," he said. In fiscal year 1975-76, the city received around \$45,000 in such monies. At the same time, Mr. Petersen said Administrative Aide Gerard McNamara would be picked up on the city's payroll rather than via the CETA route.

In the department of public safety's budgeted amount, the figure climbed from \$1,296,074 to \$1,448,208. Accounting for this increase were such factors as fringe benefits, (i.e., hospitalization, workman's compensation, pension costs), which jumped \$32,000, the department's share of motor vehicle costs which increased \$25,000, plus \$15,000 to build up a reserve fund for replacement of fire apparatus, (the second year for this action), along with the incorporation of a salary increase.

The amount budgeted for the department of public works rose from \$1,061,030 to \$1,177,367. Mr. Petersen cited several factors, here, including the rise in the cost of the aforementioned fringe benefits, (up \$23,600), the increase in the cost of rubbish collection, incineration, (\$8,300), the transfer from public works to the local street maintenance program of \$24,000 and the department's share of motor vehicle costs (around \$16,650).

Finally, monies budgeted for the department of parks and recreation increased from \$173,520 to \$254,988. In this case, the aforementioned fringe benefits for the parks and recreation director jumped \$2,000, plus the cost of utilities and taxes. The department's share of the motor vehicle costs went up \$4,000.

Pair Discontinued
Monies have been allotted in the new budget for the resumption of the publication of a quarterly report to citizens, along with an annual calendar for 1977, (plus a full-time administrative aide, i.e., Mr. McNamara).

On the other hand, two programs have been discontinued, said Mr. Petersen. One is the winter gym program, previously held at such schools as Mason and Monteth. The council was of the opinion it could be better handled through the Neighborhood Club program.

The second is the subsidy regarding the ice skating program at University Light School. "We have been advised the same open skating program for Woods residents can be supplied by the Grosse Pointe Community Rink or the St. Clair Shores Ice Arena," he stated.

On the commission's front, Mr. Petersen said the several groups, e.g., Beautification, Senior Citizens and Bicentennial Commissions, will share a lump sum of \$7,500.

On Negotiations
Exploring the current employee contract negotiations in more depth, Mr. Petersen said the city has had three sessions with public safety department representatives. These mainly focused upon non-economic provisions of the contract. Bargaining on economic provisions will begin shortly.

Fiscal year 1975-76 was the

last year of a three-year contract with department of public works and administrative personnel. Mr. Petersen said he recently received the demands from the union, which represents both groups, 60 days late. As a result, he said no firm time has been set up as yet for negotiations, and that such action would transpire sometime in June.

When asked if the city contemplated any employee layoffs during the entire budget preparation process, Mr. Petersen acknowledged layoffs were considered at one point in time.

"We had to know how we would finish out the present fiscal year." As it turned out, "we were able to finish the current fiscal year in the black without deficit spending." Thus, no layoffs are contemplated, he said.

Question on Sharing
As part of the long resolution, the city also adopted its special funds and enterprise funds budgets. The former budget, which includes Federal Revenue Sharing, highway and motor vehicle and equipment, climbed from \$906,481 to \$1,054,378.

Federal Revenue Sharing monies, anticipated by the city, would increase from \$88,720 to \$89,554. Such funds would be utilized for the maintenance, repair, resurfacing and other improvements of the local street system.

As for these monies, Mr. Petersen said it's pure speculation that Federal Revenue Sharing will be renewed this year. This is one of the inherent dangers of budget preparations regarding dependence on the Federal Government, he stated. If these funds aren't forthcoming, he said the city will do less work on its streets.

Meanwhile, highway monies via the gas tax from the State jumped from \$336,338 to \$594,309, and the motor vehicle and equipment fund increased from \$281,423 to \$370,515. This includes the aforementioned increased costs via each department's share, plus garage maintenance, salaries and wages for mechanics, maintenance of office equipment, et al.

The enterprise funds budget, which isn't supported by tax monies, totals \$1,026,286, up from the figure of \$955,689 in fiscal year 1975-76.

Views Water Hike
Included in this budget are water-sewer costs, which increased from \$677,203 to \$715,523. Mr. Petersen said the city contemplated the 39 percent increase from the City of Detroit in its budget figure.

Whether the hike was, for example, 22 percent or 39 percent, the city budgeted for the full 39 percent total. "When this matter is finally resolved, we will adjust our budget accordingly," he stated.

Other areas making up the enterprise funds budget include parking, \$118,000; boat docks, \$38,380; concession, \$14,300; and the Youth Service Division, \$140,083.

The drain fund, which is payable as a separate drain tax in December, reached \$555,041.63.

In a recent memo to the council, City Comptroller-Assessor Frederick G. Hornfisher said the operating maintenance of the Milk River Pumping Station has increased \$8,746.66 due to the increased cost of utilities and labor. However, he added the increase in assessed valuation offset these amounts, so the drain tax was able to be reduced from 3.60 mills to

3.40 mills per thousand. In a final note, Mr. Petersen expressed a concern over future budgets in the light of increases in the past.

He said some cities are at their maximum charter limitation regarding tax levies, i.e., 20 mills for operating purposes, (excluding the debt service and drain levies). "In our city, we haven't approached it as yet," he said.

"All the Grosse Pointes must explore ways and means to reduce costs to their citizens but not the quality of service."

Children's Home Has 140th Birthday

Joining the celebration with a slice of the Children's Home of Detroit's 140th birthday cake on Wednesday, May 12, are (left), JAMES BOOMGARD, director, and, (right), MRS. GERALD C. MOONEY, president of the Home's Board of Trustees, and two of the children. The

Cook road facility is one of the oldest child-care homes in the State, founded in 1836 in the wake of a devastating cholera epidemic as the Ladies Orphan Association of Detroit. The home serves about 72 children, most from the Detroit, tri-county area.

Open Hydrant Floods School

Pranksters opening a fire hydrant on the grounds of South High School flooded the basement of the school, causing minor damage. Officials from The Farms Fire Department believe the hydrant was opened sometime around midnight Thursday, May 13.

The hydrant was turned off by firefighters at 3:30 a.m. Friday, May 14. The open hydrant was discovered by a passing Farms policeman.

Dr. James Hoeh, principal of South, said he thought the pranksters had no real intention of flooding the school. "Most likely they just opened the hydrant for the fun of it. I don't believe they thought it would flood the basement," he said. "Of course, that doesn't excuse what they did."

The water from the hydrant, located between the old and new sections of the school, seeped into the basement and activated the sump pumps located there. While the pumps handled most of the seepage, some areas of the basement were under two feet of water, while others were left dry.

A number of motors in the basement were waterlogged, but school officials believe they can be dried out.

"It was more an inconvenience than an act of vandalism," said Dr. Hoeh. "The water was cleaned up by the time school opened. No classes were cancelled."

Shores to Keep Water Bill At Minimum for Residents

By James J. Njaim

The Shores Council on Tuesday morning, May 18, agreed to accept the new water and sewage rate increase declared by the Detroit Board of Water Commissioners and Wayne County, and to pass on only the amount involved to Village residents.

There will be no increase in the cost of service, it was stipulated. Detroit had announced that it will jump water service to all its suburban customers, as well as its own residents, by 39 percent. It sells water to more than 90 suburbs and the suburbs in turn resell the water, plus sewage disposal service, to their respective resident-householders, along with a service charge.

Shores Village President Gerald Schroeder recommended, and the council agreed, that it will pass on only the added 39 percent, or 90 cents per 1,000 cubic feet, imposed by Detroit, effective with the third quarter billing.

However, it was pointed out, this could be subject to change at a later date, depending on future wage contract negotiations with personnel of The Shores Water Department, or other factors, which would alter the cost of service. Under the old rate, The Shores buys its water from

Detroit at \$1.41 per 1,000 cubic feet; the county sewage disposal service rate is \$7.045 per 1,000 cubic feet.

These rates have been increased: water, 39 percent to \$1.96 per 1,000 cubic feet, and sewage disposal, 50 percent to \$1.0545 per 1,000 cubic feet.

The present rate charged Village residents, (in the water billing), is: water, \$3 per 1,000 cubic feet, and sewage, \$1.25 per 1,000 cubic feet. The water hike amounts to 55 cents, sewage disposal, 35 cents, for a total of 90 cents.

The total rate charged householders in The Shores, under the old rate, is \$4.25. The 90-cent increase will raise the cost to \$5.15, which amounts to an overall hike of 21.1 percent.

"We want to keep our rates down as low as possible and as long as possible," Mr. Schroeder said. "We realize that eventually we will have to increase the rates, when such things as wage negotiations and increased material costs will make this step necessary. In the meantime, we will just pass on only the 90-cent increase, and no more, to our residents."

He said although the hike is to take effect immediately, it probably will not be passed on to the residents until the September billing.

St. John Sets Blood Tests

Saint John Hospital is offering free blood pressure tests to members of the community Monday-Friday, May 24-28, from 2-8 p.m. in the hospital's Health Education Center, 22101 Moross road, classroom D.

The hospital's "National Blood Pressure Week" is sponsored by the Saint John Guild, the Fontbonne Auxiliary and the hospital's Health Education Department.

Estimates are that 23 million people in the U.S. have high blood pressure but only half of them are aware of it.

The National Institute of Health has proclaimed May "National Blood Pressure Month" to focus national attention on the nature and control of the disease.

SPORTS HIGHLIGHTS

by Tom Seiter

Steeplechasing is one of the most popular of horse races, and involves much skill on the part of both rider and horse. Tradition has it that the earliest steeplechase was run from one church steeple to another over a distance of about four miles, in England, in the year of 1752. From there the sport spread to Ireland, where it came to be known as the "National Sport." Hunters and cavaliers particularly enjoyed this sport, and sponsored many exciting chases. It improved everyone's skill as well as providing exercise and enjoyment.

Proper fitting equipment and uniforms improves everyone's skill in any sport. Personnel at GRAY'S SPORT SHOP, 106 Kercheval ave., Grosse Pointe Farms, are specialists in making sure you have the proper equipment for the sport of your choice. We handle well-constructed, safe, and long-lasting equipment. Whether you prefer baseball, tennis, football, swimming, basketball or hockey, you'll find everything you need at GRAY'S. We are open daily from 9:30 A.M. until 5:15 P.M. Call us at 885-8900. Come in alone or with your team; every customer gets the same personalized attention!

Pool Usage Request

(Continued from Page 1)
year," (for such an activity), she stated.

Mayor Benjamin W. Pinkos said, when the C-W met, the council considered referring this matter to the commission but I and other council members had been led to believe it was imperative that a decision be made prior to June 1.

As a result, the council sitting as the C-W determined that a recommendation be made based upon all conditions as specified in the motion, he said, while noting he was told such proposed usage wouldn't interfere with the use of the pool by citizens.

"I was told there was no way the Citizens Recreation Commission could make a recommendation to the council prior to June 1," he added.

Mrs. Babcock replied the commission could make a recommendation prior to June 1 via a special meeting with the petitioners.

As it turned out, such a meeting was to take place Tuesday, May 18, so the commission could make a recommendation to the council. This will be considered at the special meeting tonight.

For his part, Mr. Shook told the council it was imperative for the club to know where it stands regarding securing a 50-meter facility. If there was a delay, it could destroy the program, he indicated.

He said at least two weeks would be needed, (prior to June 1), to organize the entire program. If the council nixed the request, the swimmers might have to use Brennan Pools in Detroit. However, this pool isn't heated, thus making it difficult for swimmers in the early part of the long course season and reducing their chances to qualify for the Olympic Trials and U.S. Nationals, he stated.

Saying around 30 of the swimmers involved would be from The Pointe, (some 60 percent of the total), Mr. Shook stressed, "I hope for the sake of competitive swimming in the State, the request passes." He added he has been working for two to three years towards developing such a program for national swimmers.

He had previously said the

proposal shouldn't conflict with any recreation or city usage, while adding Fitzgerald swimmers could supply the recreation department with necessary waivers that have been used in the AAU to relieve the city of any liability.

Mr. Teelaert said it was important to start the training program immediately, while citing the need to maintain enthusiasm, which is at a high point at this moment.

Mr. Keegen, who's chairman of the Parks and Recreation Committee, said such an opportunity is a "once in a lifetime" thing for the athletes and the community. He stated he didn't advise the commission because the C-W had already made its recommendation and "I honestly didn't think about it."

Indicating he was in a "strange position" in this case because he's close to the commission and has respect for them, Mr. Keegen said he really doubted if the group could make its recommendation within a period of a week. He felt there was no benefit in the delay and would vote "no" on the substitute motion to table, (the original motion was to concur in the C-W's recommendation).

Mr. Hallmann cited a problem at this point in regard to keeping the pools clean. He said the vacuuming of filters until now has been a big problem. Much of the area around the pools is without grass, containing only dirt. As a result, during a heavy windstorm, some of the dirt ends up in the water.

He added personnel have been working long hours the last three weeks cleaning the pools.

When asked what his thoughts were on the request, Mr. Hallmann said "We should make available to the residents of the City of Grosse Pointe Woods as much pool time as possible." But, at the same time, he stated this was a decision which the council has to make.

In a final note, Mr. Petersen reported at the meeting the pool passed the State of Michigan Board of Health inspection that same day. He suggested that the council table action on the bid and Mrs. Mullan agreed, offering the substitute motion.

Eastland only

LEES EXPO '76 AND SALE 15% to 30% off on every Lees carpet in Hudson's entire collection now through May 23 at Hudson's Eastland only

Shags, twists, plushes and carpetings with Antron® nylon pile—you'll find all the newest patterns and you'll save on quality sponge rubber waffle padding. Panel Views Legislation

(Continued from Page 1)
There also is increased interest this year in a proposal which was offered last session by Rep. Bryant which would change the drinking age in Michigan back to 21.

The most convincing argument in favor of such a move is based on statistics that show a 150 percent increase in traffic accidents in the 18-21-year-old age group since the age of majority was lowered.

Judge Bashara and Rep. Bryant suggested that raising the drinking age to 19 may be the solution to the immediate problem of getting liquor out of the reach of high school students.

Senators Fitzgerald and Heftel oppose changing the drinking age based upon the evidence presented by supporters of the bill because they felt further examination was needed in this area.

The proposal is expected

to meet stiff opposition from liquor lobbyists who claim that a drop in liquor sales also will account for a loss of revenue at a time when the State needs every penny it can get.

A major legislative package that would throttle the flow of heroin and other hard drugs through Michigan also is expected to be passed this year.

The Rosenbaum bill, introduced by Senate Judiciary Committee member Paul Rosenbaum, would toughen penalties for drug dealers and give the State Court of Appeals the power to authorize wiretaps to be used in drug investigation.

Sen. Hertel questions the effectiveness of such measures because of what he calls the "inherent danger to civil liberties" regarding the wiretap provisions and the problem of middlemen in the drug trade getting tough sentences while suppliers and big dealers escape prosecution.

"The drug traffic is a well oiled machine. When one man in the chain is picked up another man replaces him," said Sen. Hertel. "They can never get the top man who pushes the button that makes the machine run."

Another problem with the proposal is the cost of absorbing more felons into the Michigan prison system for a longer period of time.

Concerning the legalization of marijuana, a bill which is presently dead or dying in the House of Representatives, Sen. Fitzgerald said that he doubted it would have enough support to pass this year even if it reaches the Senate.

The reservation and qualifications aired by the panelists and audience on the bills discussed suggest that none of the solutions to be proposed in the legislature are risk free or fool proof.

The problems of society apparently run too deep to be legislated out of existence.

Richard PTO Sets Yard Sale

The Richard School PTA is sponsoring a yard sale on the school grounds Saturday, May 2, from 10 a.m. to 4 p.m.
The event is slated to replace numerous individual family yard, porch or garage

sales. Refreshments will be available with the proceeds going to the school.
The "exchange" of toys, games, books and household goods is designed as a social event for community families.

Bryant Plans To Run Again

State Rep. William R. Bryant Jr., House Republican floor leader, announced last week he's seeking re-election representing the Grosse Pointes, Harper Woods and part of Detroit.

He serves as vice-chairman of the Judiciary Committee and the Urban Affairs Committee and is a member of the House-Senate Joint Committee on Administrative Rules in addition to his duties as floor leader.

First elected in 1970, Rep. Bryant is an attorney and a graduate of Princeton and the University of Michigan Law School.

A lifelong resident of Grosse Pointe, he and his wife, Lois, and children, Jennifer and Andy, live in Mount Vernon road.

New Public Service Head Approved by Park Council

By James J. Njaim

Acting on the recommendation of City Manager Robert A. Slone, The Park Council approved the appointment of James G. Ellison, of 654 Roslyn road, as the new Director of Public Service at its regular meeting Monday, May 10.

He was one of seven candidates who applied for the position and scored the highest in a competitive examination.

A native of Detroit, he is a 1943 graduate of Eastern High School. Immediately following his graduation, he enlisted in the United States Army and undertook a surveying course with the Army Specialist Training Corps at the University of Kentucky. He completed the course in 1943.

He was assigned to the Army's 57th Engineers Combat Battalion, American Division in the South Pacific Theater of Operation, with the rank of staff sergeant.

With his construction experience, he was in charge of about 40 men operating a saw mill in Bougainville, 1943; responsible for the layout of a military cemetery in Bougainville, 1944; and the layout of an airfield in Cebu, Philippines, that same year. He also served as platoon leader with the U.S. Occupation Forces in Japan in 1945, after which he was honorably

discharged.

He received a Bachelor of Science degree in Civil Engineering from the Detroit Institute of Technology in 1953; a Bachelor of Fine Arts degree from Wayne State University in 1972; and recently completed a Public Speaking and Human Relations Dale Carnegie course.

From 1947-1949, he was a member of a surveying party for Warner and Warner, an engineering firm, and from 1949-1951, he was made surveyor in charge of layout of subdivisions, sewers, streets, et al, for Postiff Co., a civil engineer and surveying firm. In 1951 he was hired as a layout engineer by Darin and

Armstrong, and was responsible for the layout of buildings, machinery and parking areas. Then in 1953 he switched to the Sun Oil Co. as a senior draftsman for the preparation of site plans. In 1955 he was elevated to the post of field inspector. This entailed inspecting new construction and maintenance work and assisting the firm's district manager in preparing annual maintenance budgets.

In 1960, Sun Oil appointed him as a region field engineer. He was responsible for extensive and varied engineering designs, preparation of plans and specifications and new construction and maintenance costs.

Among his many duties as region field engineer was the responsibility for the administration of annual construction budgets of between \$500,000 to \$1 million over a two-state area.

He is married to the former Alice Pollex of St. Clair, Mich. They are the parents of two boys, Dan, 14, a student at North High School, and Jamie, 12, a student at Ferry School.

Mr. Ellison, who will assume his new duties Tuesday, June 1, succeeds Herbert Heger, who retired on March 31 after more than 30 years of service with The Park.

Woods Nixes Variance Plea

The Woods Council, sitting as a Board of Appeals, unanimously denied a request, based upon a petition of Bart Edmond of Grosse Pointe, for a variance in the off-street parking requirements at 21316 Mack avenue.

This action was taken at the regular meeting Monday, May 3. Requested on the grounds of undue hardship, the variance was denied after an estimated hour-long discussion between the council, some 20 protesting citizens, Building Inspector Earl Wakely and attorney Wilfred A. Steiner, who represented the salon.

Mr. Wakely reported the salon wished to occupy a vacant building, which formerly housed a Manufacturers National Bank branch office, next door.

With the new request to expand the salon into the neighboring building, his office rejected the certificate of occupancy due to the fact that the salon parking requirements were deficient based on the number of employees.

He noted the original certificate of occupancy issued to the salon indicated they had six employees. However, it was learned 11 employees now work at the salon.

Mr. Wakely said if the request was granted and the salon expanded into the vacant building, there would be a five-space deficiency.

The several residents who spoke against granting the request lived in Aline drive. They all cited parking problems, e.g., traffic and congestion, in the immediate area and felt if the request was granted, the situation would worsen. In fact, one citizen said he failed to see the salon's undue hardship plea. He stated if the business expanded, the undue hardship would rather be on the residents.

Mr. Steiner told the audience there's sufficient off-street parking in the immediate area and he indicated, in response to the residents' concern over parking problems, that such a situation wasn't caused by the salon alone. "There are other businesses there, too," he stressed.

A nearby parking lot has 48 spaces and there are 24 metered spaces on East Eight Mile road, which, according to information received by the city, are utilized by salon employees.

Adjourn Exam In Drug Case

The examination date of three men, who are charged with delivery of a controlled substance, i.e., marijuana, (sale), has been adjourned from Wednesday, May 12, to Wednesday, June 16, reports the Youth Service Division, (YSD), office.

Those arrested in the April 7 incident include Charles Briggs Raudabaugh, 25, of 2216 Michael, Warren; Phillip Nelson Porter, 27, of 27745 Bohnhoff, Roseville; and Robert Patrick Romain, 24, of 937 Washington road.

The trio were arrested after an intensive investigation, which was conducted for around one month by YSD Det. Donald Schmaltz and an undercover agent from Capac, Mich. Several officers provided aid the day the alleged sale was made including all YSD detectives and men from The Woods, Farms and a representative from East Detroit's Narcotics Unit.

Farms Budget

(Continued from Page 1), by \$16,970 to \$673,860 from \$656,890.

Increases Shown
Other projected costs for the next fiscal year show \$241,566 for administrative costs, up from \$236,736; \$69,768 for public service, up from \$63,650; \$175,849 for recreation, up from \$177,300; \$13,700 for municipal court, up from \$12,050; \$131,740 for sewage pumping, up from \$127,120; \$294,540 for general funds, up from \$293,385; and \$281,653 for major and extraordinary funds, up from \$160,500.

The Farms expects to raise the budget money for the coming fiscal year in the following areas: \$2,013,193 through levied taxes; \$180,000 through surplus appropriated; \$721,325 through estimated revenue; and \$209,000 through other funds.

Woods Denies Bid of Senior

The Woods Council by a 5-2 vote concurred in a Committee of the Whole recommendation to deny the request of Ferdinand Jossart, of Manchester boulevard, regarding the reduction of boatwell fees for senior citizens, (those 65 and over).

This action was taken at the regular meeting Thursday, May 13, after being referred to the C-W at the Monday, May 3, session.

Mr. Jossart, who's 83-years-old and a fishing buff, originally wrote the council around two years ago seeking such a reduction, while cit-

ing other institutions, including those in the private sector, which offer seniors special discounts.

Awaiting an answer since his first communication, he even sent a "Letter to the Editor" of the NEWS on this matter. The letter was published in the April 8 edition.

Mayor Benjamin W. Pinkos, who along with Councilman George Cueter, voted "no" on the motion to deny, said the majority of the council isn't disposed to consider a reduction of the boatwell fee for seniors. Indicating both Mr. Cueter's and his vote of opposition, the mayor said such a percentage reduction, if enacted, would have probably been minimal.

Boat wells are not self-sustaining at this time, said Mr. Pinkos, so there was no point in reducing such fees at this moment.

I positively feel we in Grosse Pointe Woods haven't been doing anything for senior citizens where many others have regarding the fee reduction area, he stated.

Eventually, he hoped a majority of the council would agree with his way of thinking in this area.

Camera Club Slates Banquet

"Magic of the Dunes," a sound and picture presentation designed to appeal to those interested in nature, will be the featured attraction at the Grosse Pointe Camera Club's annual banquet Friday, May 28, in the ballroom of the War Memorial, 32 Lakeshore road.

The evening begins with a social hour at 6 p.m. and dinner at 7 p.m. preceding the program.

Tickets are \$7.50 per person.

Speakers John and Kitty Kohout, from La Grange Park, Ill., specialize in scenic and closeup photography of natural wonders. He's rated one of the top 10 nature photo exhibitors in the world and teaches photography in the Chicago area, besides creating photographic aids for closeup picture taking.

Besides working closely with her husband in their programs, Mrs. Kohout is an outstanding photographer in her own right and has many published pictures to her credit.

The "Dunes" program has been well received everywhere and was selected by the Photographic Society of America for presentation at an international convention.

There also will be a showing of top print and slide photos by the club members over the past nine months.

Reserved tables can be arranged on request for parties of four or more. For reservations and tickets, call Lillian Kirchner at 822-0386.

Pointe AARP Meets May 26

Grosse Pointe Chapter No. 2151, American Association of Retired Persons, will meet in the Crystal Ballroom of the War Memorial Wednesday, May 26, at 6:30 p.m.

Co-hosts Mr. and Mrs. Byron Chambers and Mr. and Mrs. Sam Owens are providing a Bicentennial theme for the event.

The program will feature Tom Easton, who will give a slide presentation, "This Is My Country." Attorney Edward Bunn also will speak on wills and trusts.

The Ways and Means Committee reminds members to bring pre-priced white elephants, (small items only), to the June meeting, instead of the May meeting as previously announced.

Reservations may be made by calling 823-5127.

Negotiations Off to Good Start for GPEA, Schools

By Susan McDonald Contract negotiations between the public schools and the 604-member Grosse Pointe Education Association, (GPEA), reportedly got off to a good start on Wednesday, May 5.

Bargaining committees for both groups are meeting three times a week for four hours in an attempt to settle before the June 30 contract expiration date.

Superintendent of Schools Dr. James A. Adams reported at the Board of Education's Monday, May 10, meeting, that "every attempt would be made to settle a new contract at the earliest possible date, hopefully June 18."

GPEA President Doris Cook said the bargaining was off to a "cordial start." She hopes to settle in time to attend a National Education Association convention in Miami, Fla., the last week of June.

The basic ground rules for bargaining have already been firmly established, according to Mrs. Cook, including the GPEA's financial responsibility for substitutes hired for teacher-negotiators during school hours.

In a statement to the Board of Education several weeks ago, Mrs. Cook denied speculation that the recent layoff of 162 staff members would soften the GPEA bargaining stand.

"We cannot afford to subsidize the education of the children of Grosse Pointe," she said. "We have been doing so for three years as the cost-of-living and cost of everything else has risen over 25 percent and our average take-home pay has gone up only 11 percent."

A "Detroit News" survey, published last month, put Grosse Pointe teachers ninth among Wayne County School District pay scales, at an average teacher salary of \$17,123.

Representing the GPEA on their negotiation team are

NAME CANVASSERS
The Board of Education has named Mae K. Broderick, Kenneth Fox, Esther Glasser and Helen Graves to the Board of Canvassers for the Monday June 14 millage and trustee elections. The action was taken at the Board's Monday, May 10, meeting.

Gordon Morlan, Curtis Wange, Patricia Fox, Gene Wigglesworth and Janeane Avery.

Bargaining for the administration are William O'Connor, Lawrence Kennedy, Joseph Spagnoli, Donald Bassett, William Christofferson and attorney Thomas Coulter.

Besides the GPEA negotiations, the administration has yet to bargain new contracts with plant personnel, office staff and cafeteria worker groups, all of which are represented by Management Employee Associates.

Negotiations with the office staff were scheduled to begin yesterday, May 19, according to Mr. Kennedy, assistant superintendent-personnel, but dates have not been set yet with the other groups.

Choirs to Sing in Washington

Grosse Pointe United Methodist Church's Senior High Youth Chorale and Wesley Bell Choir will join a Bicentennial observance in the nation's capitol on Sunday, June 20, with an 11 a.m. concert at the National Cathedral.

The invitation to perform came from Mrs. Alexander L. Wiener, of Woodland place, second vice-president of the National Cathedral Association Board of Trustees.

The youth of the church have planned two benefit activities to help finance the Washington trip, including a Sunday, May 22, \$1.50 car wash from 9 a.m.-2 p.m., and a Monday, May 24, 8:30 concert featuring excerpts from "Jesus Christ Superstar."

The chorale and choir also

made a tour of the United Kingdom last summer and will go to Philadelphia on Sunday, June 13, for another concert.

They will perform in other churches in the Washington area, completing their American Heritage Tour with the 30-minute Cathedral prelude.

The choir is directed by Camille Thompson, who's also the church organist and music director.

does CHRISTIAN SCIENCE REALLY HEAL?

Yes, it does. Because the healing Principle taught and practiced by Christ Jesus can apply to anyone at any time. New proofs of its healing power occur every day.

Healing in Christian Science means much more than physical release. It means a victory over fear. A clearer understanding of God, and of yourself.

You're invited to learn more at our Sunday service. The Bible Lesson you'll hear will explain more of how Christian Science heals.

Won't you come this Sunday?

Ticket Drive for Fest

(Continued from Page 1)

Richard Kay, board of the Grosse Pointe Symphony, and Frederic DeHaven, musical director of the festival.

Personalized ticket solicitations will go to all ticket holders of previous Summer Music Series and appeals are being made in the press and/or on the air to support the festival.

The Detroit Symphony's concert is expected to draw many boating parties to the patrolled area adjacent to the Center's lawn and many family picnickers, who are welcome to gather beginning at 5 p.m.

Both these groups will be charged an area admissions charge of \$3 per person though no seats will be provided. Those who wish may reserve in advance picnic suppers prepared by the Center at \$3.50.

Reserved sections for the four concert series is \$25. There is a special patrons section at \$50 and also a series ticket for those under 18 for \$12.50, purchased in connection with an adult ticket.

There will be no unreserved area tickets available after the first concert and seats for individual concerts will be sold at \$7.50 each evening.

The second musical evening in the series will be an "Evening of Opera Music" featuring Leo Goeke, tenor, and Margery Ryan, soprano, soloists of the Metropolitan Opera Co. The concert will be held at 8 p.m. in the Center's Fries Auditorium.

This and all the remaining concerts will be preceded by picnic suppers either brought or bought on the Memorial's grounds by the lake.

The Brandenburg Concerti will be played Wednesday evening, July 14, in the Center's Crystal Ballroom by a chamber orchestra of musicians including baroque trumpeter Martin Berinbaum from New York, Gordon Staples, concert master of the Detroit Symphony, and Britt Wheeler, harpist, with Mr. DeHaven conducting.

The series concludes Wednesday evening, July 21, with Mr. Frank, international pianist virtuoso, performing in Fries Auditorium.

The series concludes Wednesday evening, July 21, with Mr. Frank, international pianist virtuoso, performing in Fries Auditorium.

Give Retarded Use of Pool

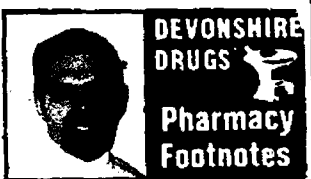

The recreation program for retarded children, which has been held every summer for the past 10 years at the Woods Lake Front Park and pool facilities, will continue this summer.

The Woods Council voted 6-1 to approve the program at its regular meeting Thursday, May 13. Councilman George Custer, who cast the lone dissenting vote, expressed a concern over non-Woods residents using the park and pool.

Through June 18, 21, 25 and 28, July 2, 9, 12, 16, 19, 23, 26 and 30 and August 2 and 6, the children will be permitted to use the facilities between 9:30 a.m. - 12 noon.

Parents of the children involved in the program have been very grateful for the community's cooperation through the years, it was noted. Many of the children are Woods residents.

This program is financially sponsored by the Wayne County Board of Intermediate Education, which is funded jointly by the State and county.

by John C. Gawryk R. Ph.

The leading cause of blindness in the United States is glaucoma. There are over 800,000 men and women in this country who are slowly losing their sight because of this disease. The National Society for the Prevention of Blindness points out that any one who needs a frequent change of glasses with little or no improvement in vision, who fails to adjust to darkened areas, who has loss of side vision or blurred vision, and who sees colored rings around lights, should contact his physician at once.

Professional pharmacists are always on duty at DEVONSHIRE DRUGS, 16037 Mack on "Tiffany Lane," to help with your health needs and take care of your prescriptions. We have a complete, modern prescription department offering personalized and dependable service. For your convenience and safety, we keep accurate "patient profile" records of your health data; these records are a safeguard in filling your prescriptions and often enable us to refill a prescription you may have lost. Call us at 881-0478 for free prescription delivery. We are open Monday through Saturday from 9 A.M. until 9 P.M.

Plastic contact sheets are fun for everything from covering a cookbook to match your kitchen, to covering a whole closet.

Candidate for Board Post Shares Strong Opinions

By Susan McDonald

If you attend a PTA or PTO meeting between now and the June 14 Board of Education trustee elections you will probably run into John J. Schonenberg.

He plans to visit every one of those get-togethers he can, to hold discussion meetings in his home and "to drink coffee until I can't stand it anymore" in order to gain the confidence of, and insight into, Pointe voters.

Although he will be looking for ideas from the people he meets, there's no question that Mr. Schonenberg, 61, already has very strong opinions about how a school system should be run.

"I think one of the most important areas of the curriculum, especially in terms of the parents' concerns, is language arts," he said.

"I agree with many that there are too many electives in the English departments of the high schools, especially when I hear of college students who can't spell or write."

He'd like to see the re-institution of many enrichment classes, including college-credit math and science courses, that he says were cut in 1971.

"I don't think we have ever recovered from the 1971 staff cutbacks," he maintains, "but I would like to encourage the community to fund a system like that again."

Mr. Schonenberg's school activities include work with the social studies, middle school and PTA/PTO curriculum committees and with the moral, ethical and religious study commission.

He also has guest lectured at both the University of Michigan and Michigan State University Schools of Business Administration and is a member of the Friends of the

RECEIVES PROMOTION

Former Woods resident Robert P. Heidrich has been promoted to supervisor of systems and programming for the Cleveland Cliffs Iron Co. in Ishpeming. Mr. Heidrich was graduated from Grosse Pointe High School in 1954 and received his bachelors' and masters' degrees from Northern Michigan University. He moved from the area in 1966.

SHS Students' Art on Display

South High School's Student Art Exhibition, which opened with a reception on Wednesday, May 19, will continue through Friday, May 21, in the Wicking Library. It is open during school hours to parents, students and interested citizens. The exhibit includes students' drawings, paintings, crafts, photography, graphics, designs, textiles, lettering ceramics and jewelry.

**Woods to Renovate Old
Pool at Lake Front Park**

The bid of the T and T Contracting Co. of St. Clair Shores in the amount of \$72,256.50 was unanimously accepted by The Woods Council for the complete renovation of the old Lake Front Park swimming pool.

This action was taken at a special council meeting Monday evening, May 10.

The original contract price submitted by T and T, (\$63,621.50), was the lowest of the nine bids considered by the solons, (the highest was in the amount of \$123,066.36). City Engineer Laurence H.

Pate of Pate, Hirn and Bogue, Inc., recommended the acceptance of T and T's bid because his office has had previous working experience with the company, which has performed previous work at the old pool site and is familiar with the existing concrete facilities.

At the same time, he noted each contractor, as part of the requirements of the bidding documents, was requested to insert the unit and total cost to remove all of the concrete pool bottom from an elevation of four feet below the existing perimeter pool walk elevations.

In T and T's bid, this amounted to an additional \$8,635. Mr. Pate recommended this amount be added to the original concrete price and the solons agreed. The monies will come from the Recreation Construction Fund.

John F. DeBusscher, also of Pate, Hirn and Bogue, Inc., said renovation work should begin the latter part of this month for completion sometime during the summer. He indicated nearly 7,000 yards of concrete will be removed, (including the pool bottom), and estimated some 9,000 cubic yards of dirt will be needed to fill the pool.

According to the city's requirements, the work includes removing reinforced concrete piers, the concrete pool bottom, steel diving platform framework, pool overflow pump and appurtenances, main re-circulation pumps and motors, fencing and spray pool appurtenances.

The work also includes the placement of items as the new dewatering pump and motor, concrete walk repair, storm sewers and appurtenances, electrical work and filling, grading and seeding the entire pool area.

All labor, material and equipment will be furnished by the contractor.

**St. John Plans
Cardiac Classes**

Cardiac arrest can occur anytime, anyplace and needs immediate treatment.

Saint John Hospital, 22101 Moross Road, in an effort to make members of its community more knowledgeable on the techniques of Cardio-Pulmonary Resuscitation, is offering the general public the opportunity to learn these techniques free of charge.

Delores Woodstock, RN, a Michigan Heart Association certified instructor and Saint John Hospital patient educator, will be conducting regular classes on the first and third Tuesdays of the month from 7-9 p.m. in meeting room Z of the hospital's Center for Health Education.

At the completion of one two-hour class, Michigan Heart Association certificates will be given to those participants who are able to satisfactorily perform the techniques of mouth-to-mouth breathing and external cardiac massage on mannequins.

The class sessions will include the presentation of a Michigan Heart Association film, "The Pulse of Life," a demonstration of techniques of Cardio-Pulmonary Resuscitation on adult and infant mannequins and a practice session for participants.

Since class size is limited to 25 persons, (when this number is reached classes will begin), an appointment must be made by calling Saint John Hospital at 881-8200, extension 321.

**Cancer Society
Offers Program**

The American Cancer Society will present a program, "Living with Cancer," at its next meeting at the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue, on Thursday, June 3, at 7:30 p.m.

The purpose of this self-help group is to bring together persons who have experienced problems as a result of the disease and give them the opportunity and encouragement to discuss mutual concerns. A nurse consultant is available at each meeting.

The meeting will feature the showing of the film "Journey Into Darkness."

YSD Reports Drop in Cases

A total of 61 cases, (with one proving to be unfounded), were referred to the Youth Service Division for investigation last month. The actual cases, totaling 60, are a decrease of 16 under the previous month and a decrease of nine under last April.

The total case load for the year through April is 224. This is a decrease under the amount, (265), for the same period last year.

Vandalism was the category of highest incidence, totaling 13 cases. These involved 30 identified juvenile males. The division says one case remains unsolved and the perpetrators unidentified at this time.

Larceny, nine incidents, burglary, three, and robbery not armed, one, involved a total of 13 male and two female juveniles. Two incidents remain unsolved.

Eight runaway incidents were committed by eight girls. Three were arrested and transported to the Wayne County Juvenile Home or the D. J. Healy Children's Center. Five were self returned to their homes and parents.

Violation of controlled substances reached five cases and included four marijuana abuse incidents and one sale

of a quantity of the drug. These involved a total of four male adults and four male juveniles.

There also were three incidents of presenting and passing forged or altered prescriptions to obtain illegal quantities of controlled drugs, and two minors in possession of alcohol cases.

Twelve applications for petition were filed with Juvenile Court with five being acted upon at this time. Three were authorized and two were denied.

PROGRAMS**

Eastpointe is initiating a special teaching program which will provide you with quality instruction along with the availability of practice time at an inexpensive rate.

By joining our regular clinic program, you will be eligible to practice during the two week period in which you are participating in the clinic for the price of \$1.00 per person per hour. We feel that this will allow both the beginner and the advanced player the opportunity to improve their game through both instruction and practice.

Regular Clinics:

1-1/2 hours twice per week for two weeks (six hours of lessons — \$30.00).

Regular clinic programs begin every two weeks.

Beginners:

9:00 a.m.-10:30 a.m. Monday and Wednesday
1:00 p.m.-2:30 p.m. Tuesday and Thursday

Advanced Beginners:

1:00 p.m.-2:30 p.m. Monday and Wednesday
10:30 a.m.-12:00 noon Tuesday and Thursday

Intermediates:

10:30 a.m.-12:00 noon Monday and Wednesday
9:00 a.m.-10:30 a.m. Tuesday and Thursday

Beginners through Intermediates:

6:30 p.m.-8:00 p.m. Monday and Wednesday
6:30 p.m.-8:00 p.m. Tuesday and Thursday

Adult Camps

For active players with a limited schedule. Players are grouped according to their ability, with one instructor for every 4-5 players, stroke instruction, analysis and correction is given in detail, with playing drills, conditioning exercises, video tape and ball machine practice to supplement the lessons.

Monday through Friday
9:00 a.m.-12:00 noon
or 1:00 p.m.-4:00 p.m.

3 hours daily
One hour of instruction
One hour of drill and conditioning
One hour of play/optional

Cost: \$50.00 for 15 hours of tennis
*No make-ups allowed

**JUNIOR
PROGRAMS**

The Eastpointe Junior Program is for all levels of junior players who are interested in learning how to play and for those who are interested in improving their skills. Due to the varying needs and plans of families during the summer months, Eastpointe offers a flexible plan.

Separate instruction for beginners, intermediates and tournament players.

Your choice of one week, two week or three week programs.

Monteith Plans To Hold Social

Monteith School's annual Ice Cream Social will be held Wednesday, May 26, from 6:30 p.m. at 1275 Cook road. The PTO-sponsored event, organized by Mr. and Mrs. Dave Kopitzke, will feature an old-fashioned cake walk, Sundae, cupcake, coffee and milk, available in the gym, will be served by Girl Scouts of Monteith Troop 798.

Little League Results

FARMS LITTLE LEAGUE MAJORS

By Joe Fromm
The Tigers moved into first place with three victories last week. After dropping the first game of the season to the Pirates, the Tigers have won five straight and have a half game lead with a 5-1 record.

The Indians and Pirates both lost a game last week and are tied for second with 4-1 records.

The Red Legs also won three games last week to move into fourth place with a 3-3 record. The Phils and Yankees are in fifth and sixth places with records of 1-5 and 0-6, respectively.

The Tigers knocked the Indians from the undefeated ranks with an exciting 11-10 win on Thursday, May 13. Gordy Farquhar singled with the bases loaded in the bottom of the sixth to drive in the tying and winning runs. It was Farquhar's fourth hit of the game. He also homered and doubled.

The Tigers took a 9-3 lead but the Indians battled back and took a 10-9 lead in the top of the sixth as Craig Haase drove in the tying run and scored on Joe Evola's double.

The Tiger defense pulled winning pitcher Paul Guttwald out of trouble with a triple play in the fifth and an unassisted double play by Todd Ciavola in the sixth.

Ciavola started the triple play by catching a pop up at second and doubling an Indian runner at first. An Indian runner at third was picked off by Mark Brooks' throw to Todd Pierce to complete the triple play.

John Keane won his first game of the season on a two-hitter as the Indians blanked the Phils 4-0 on Saturday, May 15. Rob Carr led the Indians' offense driving in two runs with a double and a single. Pete Ruwart and John Vismara picked up the two hits by the Phils.

David Chamberlin won his first game of the season as the Pirates downed the Phils 13-5 on Wednesday, May 12. John Stickford was the leading hitter for the Pirates with two triples, a double and single for a perfect day at the plate.

Steve Webster, Rob Warner and Jamie Burke turned in good defensive plays for the Pirates. Pete Ruwart and Jim Zavell picked up a double each for the Phils.

The Tigers topped the Yankees, 11-7, on May 12. Paul Guttwald had two home runs and a triple for the Tigers. Todd Pierce won his first game of the season.

FARMS CLASS C

By Joyce Donaldson
Columbus met Toledo at Brownell Monday, May 10, and won its second game of the season, 7-5. George Krappmann was the winning pitcher, while Toledo's Eric Doelle had a single and double.

Rochester won its first game Tuesday, May 11, with a 3-1 victory over Albany. Charlie Snow and Mike McFarlane were the pitchers of the day with Snow clouting a home run. Dan Bowen pitched a good game for Albany and added a home run. Syracuse came back for its third game of the season May 12, with a smashing 22-2 victory over Buffalo.

Ty Zablocki and Phillip Rahm were the winning pitchers with Rahm also showing as a strong hitter.

In a battle between undefeated teams, Richmond edged Miami 2-0 on May 13. Brett Augburger pitched no-hit ball and struck out 17 batters.

The Richmond attack was led by Steve Nagler with a double and a single and Kevin Downs with a double.

David Spindler pitched a strong game for Miami, allowing only three hits and striking out 16 batters.

On May 15, Syracuse met Rochester at South High and won, 2-1. Ken Fruehauf and Ty Zablocki combined as pitchers, allowing a triple to Rochester's Steve Palffy.

Phillip Rahm batted in the

winning runs at the bottom of the sixth, bringing Syracuse to its third win of the season.

Kevin Downs celebrated his ninth birthday May 15 by pitching a no-hitter as Richmond slipped by Toledo, 3-0.

Downs struck out 13 batters and received strong support in the field from Jeff Kaye and Steve Nagler, who snagged a line drive off the bat of Eric Doelle for the final out.

Richmond's defense was paced with two singles by Kris Dingeman. Brett Augburger doubled and batted in two runs.

Jim Upplieger, pitching for Toledo, struck out 13 and allowed only four hits.

Columbus won its third game on May 15, 2-1, over Albany, with Lisa Travillian pitching her second no-hitter of the season.

William Fitzsimmons had two hits, including a triple, and drove in one run with Travillian getting the other hit.

Freddie Fordon showed himself as a strong pitcher for Albany.

In a rain-shortened game on May 15, Miami whipped Buffalo, 22-0. Pat Imesch pitched no-hit ball for 3½ innings.

FARMS AAA

By Roy Hartmann
Newark opened the week with a 5-2 win over Phoenix. Mike Ottaway pitched a three-hitter with the losing pitcher, Doug Roby, giving up only two walks. Danny Doyle hit a home run on top of the fieldhouse and Jeff Colton hit a triple for Newark.

Hawaii beat Sacramento in a game featuring four home runs, hit by Paul Naimish and Sam Fuqua for Hawaii and Skip Waterfall and Jeff Clark of Sacramento. John Jackson batted three-for-four for Hawaii.

Louisville beat Denver 7-5. Phoenix beat Hawaii 19-0 in a game with brilliant pitching by Bob Schmidt of Phoenix who gave up just one hit and one walk. Phoenix had six extra base hits by Peter McClure, Ed Wilberding, Bill Bonk and Dan Garska. Doug Roby had two extra-baggers.

Portland beat Denver, 7-4. Louisville beat Hollywood, 12-1, in a game between pitchers Mike Hartmann for Louisville and Karl Doelle for Hollywood. Each gave up only two hits. Jerry Steketee of Louisville saved a couple of runs when he snagged a hard-hit line drive in center field.

Newark gained their fifth win against no defeats, beating Sacramento, 16-7. Extra base hits were collected by Mike Ottaway, including a home run and a double, plus Tim Reimann and Kurt Dingeman for Newark and Peter Toenjes with a home run for Sacramento.

G. P. PARK

By Fran Ceaser
Be brave, Little League Buckaroos! Baseball weather will improve. Until then, Major League Standings are the only complete stats at this writing.

The Orioles lead the American League with a 5-0 mark. In their last two games, the Birds' victories were decided by one run. They took the Senators May 10, 4-3, in spite of a second inning double by Dean Kuhnlein which drove in two runs. Rick Overby came back and belted a triple, drove two Orioles home, and tied the game. Winning pitcher Devon Jeffery, socked a double in the sixth and an Oriole scored to win the game.

In their duel with the Athletics May 12, the Orioles sneaked by 6-5. Jim Schaaf and Paul Urtel got hot in the second inning, hitting home runs. The fifth inning featured the Orioles' comeback. Ken Vermeulen clouted a double as did Harold Cole, who had two RBIs.

The Athletics and Senators are tied for second with 3-2 records. The A's stopped the Indians, 7-6, on May 10 in extra innings. Pat Drummy snared two RBIs with his double in the third inning for the third place Indians. Rob Zimmerman whacked two doubles for the A's, as did Paul Hawk. On a base hit, Paul Urtel drove a runner

home to win the game in the seventh inning.

On May 12, the Senators took the White Sox, 9-7. Karl Stronski walloped a home run in the sixth inning, but it wasn't enough to give the Sox a win. Tied with the Yankees in last place, 1-4, the White Sox were shutout May 10 by the Yanks, 13-0. Ted Oastendorp grand slammed in the fourth to help the Yankees' cause. But on May 12, the Indians slid by, 4-3, and denied the Yankees a win.

The Pirates, National League Leaders, also are undefeated, standing 5-0. Their per game run average is a rounded off 12! The "Buc's" squashed the Dodgers, 11-1, on May 11. Mike Lyon started the Pirates' run streak with a homer in the first inning with two men on.

On Thursday, May 13, the Giants were defeated by the "Black Hats," 11-4. Known as home run hitters already, Dan Levitt and Tom Wilson blasted one "Pirate Special" each. Charles Janson started his home run record with one in the third inning.

By beating the Cards on May 11, the Giants secured second place with a 3-2 mark. Tony Tocco lambasted a homer in the sixth to snatch a 6-5 win. The Cards fought hard all the way with doubles by Bob Morosi and Todd McCoy. Jeff Griffin and Trevor Dinka sliced triples.

Tied for third place at 2-3 are the Cardinals, Dodgers and Red Legs. The Dodgers vied with the winless Braves on May 13 and went down with a 3-2 loss. Tony Alfonso and David Goulet pitched for the Braves' first win of the season while Harry Constant Jr., tripled, Mack Schneider and Bill Kohr shared the mound for the Dodgers.

The previously winless Red Legs defeated the Braves, 9-3, on May 11. P. J. Driscoll pitched a two-hitter and struck out eight for the Reds in six innings on the mound.

On May 13, the Reds nipped the Cards 9-8. Pat Bopp rivaled Trevor Dinka on the mound and ended a six inning duel, 7-7. Richard Moelering and Jamie Dupree doubled for the Cards. P. J. Driscoll and Dave DeSmyter responded with Reds' rallies. In the seventh inning Reds' catcher Domenic Ceasar clouted a double to drive in a run and break the tie. The Reds scored another run on a steal. Dinka slashed a homer for the Cards with nobody on.

The Braves, 1-4, watched the extra inning as "winners." They are in last place, but now have an exciting win under their belts.

The Instructional Leagues saw some tremendous ball Saturday, May 8 as the Air Force defeated Navy, 15-9. Bill Cleland grand slammed for AF in the third inning. Army lost to Illinois on May 11. The final score was 8-7 in spite of Patrick Scanlon's three run Army homer in the sixth. Navy moved by Army, 10-8, on May 13. Matthew Castonier pitched the full six innings for Navy.

The May 1 Notre Dame vs. Marines game was one coach's dream. Marines' third baseman, Art Shaalan, had an unassisted triple play in the game. With bases loaded, he caught a fly ball, stepped on the bag evacuated by the third base runner, and tagged the runner from second. The Marines won, 8-6.

Notre Dame lost to Michigan State on May 13, 9-5. Third inning homers were smacked by Chuck Pentecost, ND, and Chris Morlan, MSU. Tim Lyon tripled for Michigan State as well as pitching the entire game.

Minnesota had a heart-

SUCKER BAIT

breaking week in their two Minor League games. They lost by one run in overtime in both games. On May 10, Michigan defeated them 5-4. This was another pitching duel. Eric Lauder milk, Minnesota pitcher, went the regulation six innings and had 13 strike outs, while Mark LeChard went two and had five. Ed McCarty homered in the first for Michigan.

Purdue won both its games. Against Northwestern on May 10, the score was 12-10. Against Minnesota, May 12, Purdue scored a tie-breaking run to win, 16-15.

G. P. CITY

By Ralph Gray
The Pirates won their fourth game against one loss on May 14, by drubbing the Phillies, 10-3. The Pirate bats came alive with a homer and triple by Scott White and three doubles by John Weber. Others chipping in were Marshall Stalker, Emery Audretsch, Dave McRea, Pete Huebner and George Bournais.

The defense was handled by Herman Guavera, Mark Smith, Kevin Roberts, Jeff St. John, Paul Gormley and Hal Ford.

The Yankees doubled the score on the Mets, 10-5, on May 12, with leading hitters being Troy Brown with a triple and two RBIs, Kevin Monahan with a three RBI double and Terry Treiber with a three RBI double.

The Yankees also doubled the score on the Orioles, 8-4 on May 15, with hitting highlights provided by Walter Connolly who got a home run and a single for two RBIs and a perfect day at the plate. He also pitched two innings.

The Braves beat the Dodgers, 8-6, after the Dodgers rallied for four runs to tie the score and send the game into extra innings. That rally featured hits by John Conway, Bill Hoey, Paul Kadri and Jim Thompson.

The Braves came back with three runs in the top of the seventh while the Dodgers added another one in the May 11 game.

Two days later the Dodgers started off with a seven-run first inning only to lose to the Cubs, 11-10. The Dodgers tied the score in the top of the sixth on John Strabel's second home run of the game but the Cubs put together three base hits in the bottom of the inning for the win.

The Cardinals had it their way on May 12 when they stopped the Braves, 12-5. Dave Christofferson, the Card's pitcher, allowed 13 hits but was backed by a good defense. Ned Sparrow led the futile hitting of the Braves with three hits and Stark Lange had two.

Great Lakes YC Hosts Regatta

By C. G. Engeldes
The rain in Spain that falls mainly on the plain moved to Lake St. Clair for the first yacht race of the season as the Great Lakes Yacht Club hosted its 10th annual Early Bird Regatta Saturday, May 15.

The winds were easterly 10-15 knots and moved to the southeast with gusts of up to 20 knots.

First around the course was Sassy, E. R. Schmidt's C & C 61. Unfortunately, he was unable to save his time and dropped to seventh on corrected time.

Frank Piku's Aggressive II won Class A, which was dominated by the two-tonners, Leading Edge and Ricochet, which placed second and third, respectively.

N. L. Muench's Moonraker, and Erickson 39, took a first in Class B with F. J. Somes Jr.'s Hotspur, another Erickson 39, 55 seconds behind on corrected time.

Only four one-tonners start-

ed, and Talaria, skippered by S. Irwin, won this class. By contrast, the three-quarter tonners had eight starters, with B. Stuart's Rogue, first, and G. Gerow's Quicksilver, second.

Herb Mainwaring sailed Easterly to a first place in Class C. Since Easterly was boat of the year in 1975, Herb's victory was no surprise.

Jim Pierce's Cheers, a revamped Carter 33, won Class D easily when he took off on a reach with his new chute.

Coaches Slate Cage Clinics

The Grosse Pointe Department of Community Services is sponsoring summer basketball clinics for interested boys in grades six through 12. The coordinators for the program are Chuck Hollosy, at South High School, and Ray Ritter, at North High School.

The schedule of practices and fees are as follows: South High School, session one for six and seventh grade boys, from 9-10:30 a.m. and session two for eighth and ninth grade boys, from 10:30-noon. All sessions are on Tuesday-Thursday, June 15-July 22. The fee for six weeks is \$20.

At North High School session one for 10-12 grade boys is from 7:30-9:30 a.m., session two, six and seventh grade boys, from 9:30-11 a.m. and session three, eighth and ninth grade boys, from 11-12:30 p.m. These sessions run Monday-Friday, June 14-July 9. The fee for four weeks in session one is \$30. The fee for session two and three for four weeks is \$22.50.

Persons interested in registering should contact the department immediately to reserve space in a session. Enrollment is limited. For further information, call 885-3808 or 885-0271.

Piano Students Slate Recital

Rose Bachmann, of West Kings court, will hold a piano recital for her students, Wednesday, June 2, at the First Bethany United Church of Christ in Harmon street, St. Clair Shores.

The students will each play two selections, consisting of both a classical and popular piece. Admission is free.

SHS Ball Team Drops 2 of 3

By Lisa Roumell
During the week ending Saturday, May 15, South High School's baseball team completed three games in a league competition. The Devils won only one of the contests and now stand at 9-11 overall and 2-7 in EML play.

On Monday, May 10, South was defeated by East Detroit, 8-4, in a game rescheduled from a May rain-out. John Beebe, (3-2), started for South and was charged with the loss. He pitched only the first inning before he was relieved by Rick Thomas who finished the game.

Five East Detroit runs scored in the first on five errors, four walks and two hits. Only two of these five runs were earned.

South made six errors and collected six hits in this poorly played defensive game. In one play alone, South made three errors allowing two East Detroit runs to score.

Tuesday's game, (May 11), against L'Anse Creuse North proved better for South as they won, 3-2. Beebe went the distance for South. In a strong performance, he struck out nine, walked three and was charged with only one run.

The Devils had eight hits and made two errors. Jack Brabb and Bob Gough doubled, and the game was tied 2-2 until the fifth when Charlie Murphy singled in Brabb to give South the winning run.

South was defeated by Port Huron Northern, 5-0, on Thursday, May 13. Bob

Glass, the Devil starter, was charged with the loss. Glass had trouble in the second inning when all five Huron runs scored. After the second, he settled down and went on to strike out 10, giving up one hit. South made three errors and had three hits in their scoreless effort.

The Devils are now batting .285 overall. Individual leaders are Glass, .412, Tony Abraham, .358, and Murphy, .318.

PRACTICAL PROOF

The young fellow who is most firmly convinced that he is not making enough to support a wife already has one.

NHS Thinclads Run to Victory

By Diane Marsteller
This past week the North High School track team competed in two dual meets, winning both by a wide margin.

On Tuesday, May 11, the Norsemen thinclads ran against South Lake winning, 92-40. North won 11 of the 18 events, with the long jump being won by Sam Arvanitides at 19' 7 1/2", the high jump by Ken Humes at 6' 4" and Rich Nacey, the pole vault at 13' 0".

Don Wollenzin was a double winner in the shot put, 47' 3/4", and the discus, 133' 9/16". In the running events Bill Weidenbach won the 880-yard run in 1:58.7; Bob Roberts won the 100-yard dash in 10.4; the 440-yard dash was won by Darrel Graham in 51.7; and the Norsemen won three relays, the 880-yard, 440-yard and mile relays.

On Thursday, May 13, the Norsemen traveled to Lakeview and handed the Huskies a 72 1/2-59 1/2 defeat. Wollenzin again was a double winner in the shot put, 52' 8 1/2", and discus, 140' 4 1/2".

The North jumpers took first, second and third places in the long jump and high jump. Arvanitides, 19' 11 1/2", Joe Vier, 19' 9", and Dave Vroom 19' 3" finished one, two, three in the long jump. In the high jump it was Ken Humes, 6' 0", Vroom, 6' 0", and Phil Humes, 5' 9". Dan Beck won the 880-yard run in 1:59.6 followed by Joe

Babe Ruth Loop Has Full Week

By Julian Thomas
Joe Kanan, of the Burger Chief White Sox of the Babe Ruth League, was outstanding as he went the distance, fanning 10 and giving up but four hits in a 6-1 win over the Grosse Pointe Police Officers Association Giants.

Joe, along with Lloyd MacEachern, Kevin McMahon, Marty Hollerbach and Keith Ribant supplied the offense for the Sox. Matt Reno took the loss, striking out eight and scoring the only Giant run. Gary Belfore connected for a double.

Marty Hollerbach and Kevin McMahon teamed up to pitch a one-hitter as the White Sox ripped the U.S. Equipment Dodgers, 9-2.

Kevin took the win and contributed two hits. Marty drove in the winning run in the fourth.

Tom Martinelli was outstanding defensively and with the stick, scoring two runs and stealing two bases. Mark Shonenberg's stand-out double and Keith Ribant's and Sean English's two runs each added clout to the Sox offense.

It was a big week for the D. M. Egan Tigers as they picked up three wins. In a 7-4 win over the U. S. Equipment Dodgers, John Heidt went four scoreless innings of relief for his first win. Scott McPhail had two of the Tigers' seven hits.

The Tigers defeated the G. P. Park Police Officers Association Giants in an exciting extra inning game, 3-2. John Heidt came on in relief to take his second win of the week. Dave Spencer started for the Tigers and gave up one hit and fanned seven in six innings. Jim Heidt, Steve Brandt and Dan Gallagher combined eighth inning hits for the winning run.

Gary Belfore went the distance, striking out seven and adding two hits.

The Tigers closed out the week with a 4-2 win over the Arrow Metal Products Mets. Bob Orban and John Haskett combined fine pitching, with Haskett getting the win in relief. Scott McPhail continued his hot hitting pace as did John Wade.

The M. and J. Asphalt Padres came from behind for their first win, defeating the Colonial Federal Reds, 6-5. Tim Keelin, John Arducci and Pat Keating all had hits. The turning point of the game was a double play started by Eric Frakes, in a relay to brother Drew, then to catcher Dan Salowski. Dave Veen had two doubles for the Reds.

The Recording Tape Brewers downed the M. and J. Asphalt Padres, 10-2. Dave Knott was the winning pitcher. The Brewers record is now 2-2-1.

Pointers Plan Michigan Week

Two Pointers played a major role in planning the 23rd annual Michigan Week, May 15-22.

Wesley Johnson, of The Farms, is general chairman in charge of the Statewide activities of this year's Bicentennial Michigan Week, while Mrs. Nora Martin, of

The Park, is serving as Wayne County chairperson of the celebration. Michigan Week was started in 1953 in an effort to generate pride in the resources and advantages of the State via various programs. The 1976 theme of Michigan Week is "Michigan Pioneers in Progress."

Sabroso is delightful!

by Pat Ulatowski

Brandy means any spirit distilled from wine. The brandies of Cognac and Armagnac in France are famous throughout the world. Only spirit distilled in authorized areas has the right to bear the name of Cognac and Armagnac. Since brandies are blends of spirits in varying ages, every shipper has his house style. Among the best known firms in Cognac are Hennessy, Martell, Delamain, Salignac, Hine, Remy-Martin, Courvoisier and Bisquit. Armagnac does not have large and famous shippers like Cognac, and its business is almost entirely in the hands of small growers based on the towns of Auch, Condom, and Eauze.

And you'll find a wide variety of brandies to choose from at PARKIE'S PARTY SHOPPE, 17255 Mack, Corner of St. Clair, 885-0626. If you are planning a party over Memorial Day weekend, why not serve your guests genuine draft beer; we have keg beer in both 1/4 and 1/2 barrels, and you can choose from among any keg beer available in the State of Michigan. Open: 10-10 Mon.-Thur.; 10-11 Fri., Sat; noon-10 Sun.

WINE WISDOM:

Grape brandies should not be confused with fruit brandies, which are quite different.

Five Invoices Paid by Woods

The Woods Council approved the payment of five invoices from the Recreation Construction Fund to cover park improvements at its regular meeting Thursday, May 13.

Bockstanz Brothers Co. was paid \$403.65 for cabinets and other supplies. Tile Town received \$100.09, while the Ed Maliszewski carpeting bill was for \$287.34.

Other payments approved included \$452.63 to American Playground Device Co. and \$63.25 to Contractor Publishing Co.

Obituaries

LEON J. SHILSON

Services for Mr. Shilson, 82, of Moselle place, were held Saturday, May 15, at the Verheyden Funeral Home.

He died Wednesday, May 12, at the Arnold Nursing Home.

Born in Traverse City, he was the owner of Shilson Motors. He was a veteran of World War II, the Army Air Corps. He was head of the Financial Responsibility Division for the State of Michigan. He also was a member of the Senior Men's Club.

He is survived by his wife, Jean T.; two sons, John T. and William T.; one sister; and two grand children.

Interment was at Elmwood Cemetery.

MISS MARY F. MARCIC
Services for Miss Marcic, 54, of Maryland avenue, will be held Thursday, May 20, at the Verheyden Funeral Home and Saint Ambrose Church.

She died Sunday, May 16, at Cottage Hospital.

Miss Marcic was a lieutenant in the Army Nursing Corps during World War II. She was a member of American Legion Post 303 and the Altar Society of Saint Ambrose Church.

She is survived by her parents, George and Mary Marcic, and two sisters. Interment will be at White Chapel Cemetery.

MRS. MARGUERITE STRICKROOT

Services for Mrs. Strickroot, 85, of Mack avenue, were held Tuesday, May 18, at the Verheyden Funeral Home and Saint Philomena Church.

She died Friday, May 14, at Saint Joseph Hospital.

Born in New York City, she is survived by two sons, Dr. Fred J. and John C.; a daughter, Mrs. Betty Thompson; 12 grandchildren; and nine great-grandchildren.

Interment was at Holy Sepulchre Cemetery.

MRS. ALICE A. MCBRIDE
Services for Mrs. McBride, 81, of Nottingham road, were held Monday, May 17, in Saint Ambrose Church.

She died Friday, May 14, in Cottage Hospital.

Mrs. McBride had been active in church affairs for many years. She is survived by her husband, William; three sons, William Jr., Robert and Harold; a daughter, Mrs. Marion Erwin; 12 grandchildren; seven great-grandchildren; and two sisters.

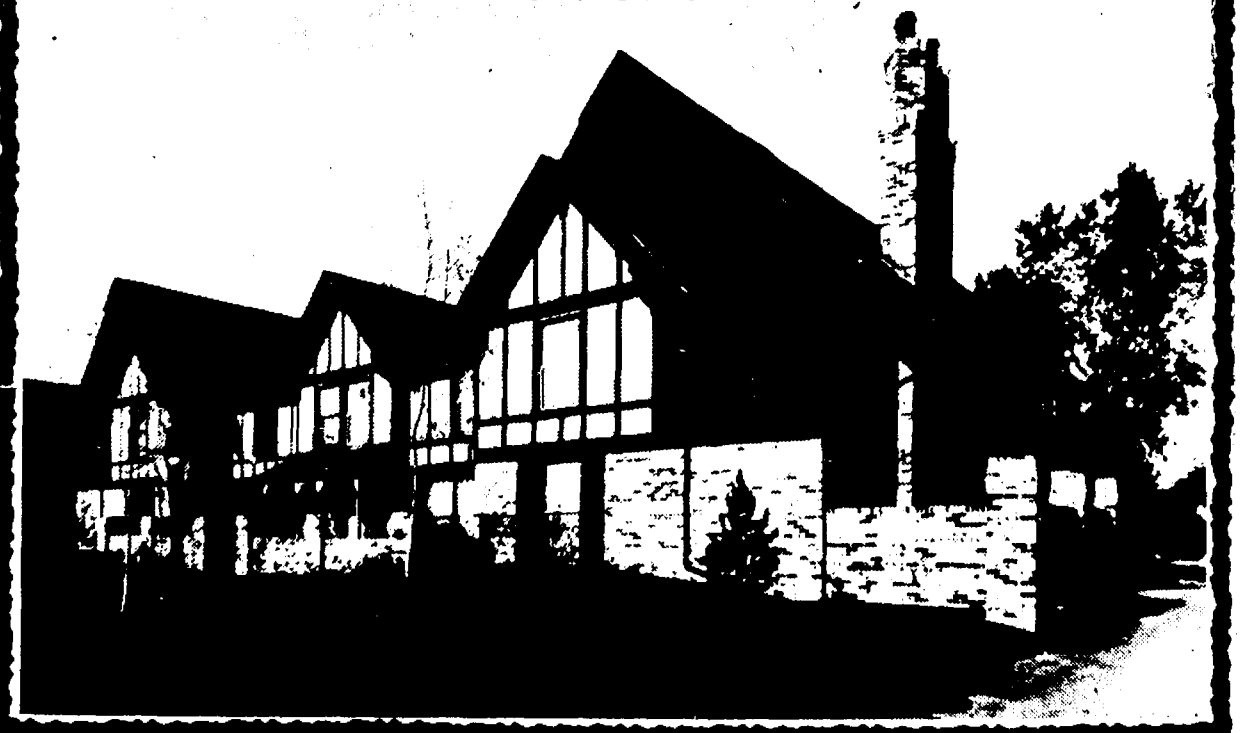

Interment was at Mount Olivet Cemetery.

Letters to the Editor

To the Editor:

In February my 16-year-old daughter was driving west on Kercheval, and hit a car which ran the stop sign going North on Whittier. The elderly driver was extremely rude, and refused to wait to make a police report at the scene. He insisted she was responsible for the accident and he would call the Grosse Pointe Park police when he returned home. My daughter and I made a report that evening.

At court, two months later, we learned that this gentleman had two traffic accidents being tried that same day. He neither recalled this incident, nor appeared to be aware he had been driving irresponsibly. I understand his license was suspended.

This man was 86-years old. His action could have caused serious injury to, or killed, my daughter, yet he didn't even remember who she was.

I feel driving tests for the elderly should be more stringent and required at

closer intervals to help eliminate formerly competent drivers who are no longer responsible because of age or infirmities — to deserve a license.

Sincerely,
Carol P. Pollina,
Of Lothrop road

To the Editor:

I was born and raised in the Pointes, and educated in the school system. Of course, few children realize the excellence of educational opportunity when they are involved in the process, but I can look back and count the innovative techniques and materials, and remember the interest of the teachers.

I have been following in your paper, the demise of the school system, and have to react.

I am now a mother, and an educator in Charlotteville, Va. I wish the residents who refused to fund the millage could visit the systems in Virginia and other communities where the residents do not even have the opportunity to vote on the school's expenditures. The budget figures are decided upon by the politicians in the locality.

Beyond the lack of opportunity for involvement in the process, the results, (systems), are sadly behind the educational times.

Grosse Pointe is well-known for a variety of reasons, but the most constructive and reputable factor it has going for it, is the educational system.

I hope that when you go to the polls again in June, you will consider what you have and will not just give it away.

Lynne Steyer Noble,
Ivy, Va.

To the Editor:

Having just attended a University Liggett play, "A Thousand Clowns," I want to share this experience. There's so much I could have said when presenting Mr. Schwab, (Richard Schwab, public affairs coordinator), with a certificate of appreciation, but the standing ovation said so much in itself.

These fine young people, with their Mr. Schwab, reached out into the community supporting the Foundation for Exceptional Children, (a program for physically and mentally handicapped children), with a series of plays for the second year. Each performance was sincere, enthusiastic and each a complete success.

We think of the University Liggett Players as friends — a truly tremendous group. Our thanks to them for making our "special" children's lives a lot happier and a little more hopeful.

Sincerely,
Sis Pierce,
Parents Group

Nine Scouts Earn Eagle Awards at Court of Honor

Nine members of Boy Scout Troop 479, sponsored by the Parcels School PTO, received their Eagle Scout Awards at a Court of Honor and Banquet held at Alcamo's Hall on Wednesday, May 5.

The Eagle recipients include Paul Brown, the son of Mr. and Mrs. Robert Brown of South Brys drive, Richard Cyr, the son of Mr. and Mrs. Thomas Cyr of Hampton road, Gregory DeSandy, the son of Mr. and Mrs. Gilbert DeSandy of Hampton road, and Joe Meehan, the son of Mr. and Mrs. John Meehan of Oxford road.

More are Gary Patrosso, the son of Mr. and Mrs. Albert Patrosso of Edmondton road, Robbin Roddewig, the son of Mr. and Mrs. Robert Roddewig of Roslyn road, Jerome Sullivan, the son of Mr. and Mrs. Thomas Sullivan of Brys drive, Michael Villaire, the son of Mr. and Mrs. Marvin Villaire of Hampton road, and Michael Vining, the son of Mr. and Mrs. Michael Vining of McKinley road.

The Eagle Scout Awards were presented by outgoing Scoutmaster Dennis Crooks. Besides that, each of the Eagle recipients received personal congratulatory notes from Governor William Milliken and President Gerald Ford. Special proclamations from the City of Grosse Pointe Woods were presented to each scout by Major Benjamin V. Pinksos.

New scouts welcomed into the troop included Peter Altobelli, Paul Grandis, David

Gross, James Huetteman, Bradley Richards and Joseph Serwach.

Tenderfoot Awards were presented to Thomas Berger, Todd Chaisson, Eric Collis, Stuart Johnson, Lester Klose, Bob Luberto, Patrick Marlow, John Rudy, Dean Stuhlmueller and Scott Sturgeon.

Second Class Awards went to Chris Christensen, Dennis Cyr, Sam Goosen, Stuart Johnson, Patrick Marlow, Patrick Minturn, Drew Plath and Robert Perkin.

First Class Award recipients included Charles Finley, John Kamm, Peter Mogk, Mike Przydalek and Mark Rolain.

Star Scout Awards were presented to Thomas Cyr, David Giard, Charles Jeffrey, Don Luberto, John Marlow, James Michaels and Mark Rolain.

Life Scout Awards went to Vito Barbaro, John Bates, James Lawlis, Mike Luberto, Gary Shannas and Mark Vining, and an Eagle Scout receiving his second Gold Palm was Thomas Sullivan.

Over 150 merit badges were presented throughout the evening.

Television personality Dean Miller was the guest speaker for the evening, which also featured the presentation of a special proclamation from the City of Grosse Pointe Woods via Mr. Pinksos to Scoutmaster Crooks.

Troop 479 presently numbers approximately 85 members, and is one of the largest troops in the Detroit Area Council. The troop is presently in its 28th year.

Couzens Heads Catholic Drive

Frank Couzens Jr., of Saint Paul Parish, Grosse Pointe, is the general chairman of the 1976 Archdiocesan Development Fund Appeal of the Roman Catholic Archdiocese of Detroit. Priest Chairman of the Appeal is Father Bernard Harrington, pastor of Holy Name Parish, Birmingham.

The annual Appeal is underway now through Sunday, May 23, in each of the 341 parishes and missions of the Archdiocese. The Development Appeal provides the funds for ongoing religious, educational, and charitable programs and services in Lapeer, Macomb, Oakland, Wayne, and St. Clair Counties.

Cardinal John Dearden, Archbishop of Detroit, has set two objectives for the 1976 Appeal: an increase of \$400,000 over last year's total of \$1.5 million, and 25,000 new contributors. The Cardinal indicated the Archdiocese was limiting expenditures but that increasing costs made the additional \$400,000 necessary to continue the ongoing programs and services supported by the Appeal.

Mr. Couzens, a senior vice-president and trust officer at Manufacturers Bank, is a native Detroit and a graduate of the University of Detroit. He also serves as a director of Jacobson Stores, Inc. and the Wakelee Corp.

For many years, Mr. Couzens has been active with Metropolitan Detroit's United Community Services and is currently president of the agency. He also is a trustee

Woods Grants Group's Plea

The Woods Council, after a plea from organizers of the Tennis and Crumpets Charity Tournament, reconsidered a request for the use of all 10 Lake Front Park tennis courts for the event on September 18.

This action was taken at the regular meeting Monday, May 3.

At a recent meeting, the council granted the group permission to use the four courts at Ghesquiere Park and four of the 10 courts at the Lake Front Park from 9 a.m.-4 p.m. However, organizers cited a need for the utilization of all the Lake Front Park courts as it would amount to a sizeable donation to Children's Hospital.

Mrs. Rex Ciavola, benefit chairman, said enough tennis players are available, including Woods residents, to fill all 10 courts. All court hostesses would be from The Woods, plus the vast majority of players.

In noting some \$56,000 were raised for the hospital last year, Mrs. Ciavola said without the use of the 10 courts, the group would suffer a big loss.

The council was sympathetic to the request but also considered the fact if it was approved, city residents would be excluded from the courts for the seven hour period.

After a brief discussion, Councilman George S. Freeman moved that the bid to use all 14 courts be okayed inasmuch as the majority of players would be from The Woods and a potential loss of monies would result. His motion was approved by a 5-2 vote with Councilwoman Joan M. Mullan and John Sabol voting "no."

APPOINTED

Nancy Began, a native of The Woods, has joined the Tucson office of Dean Witter and Co. as an account executive. She's a business graduate of the University of Arizona, Tucson.

What Goes On at Your Library

By Arthur M. Woodford
Chief of Central Library

This is the third of a 10-part series entitled "Bicentennial Biographies." The subject of this week's column is Thomas Paine, (b. Thetford, England, 1737-d. New York, N.Y. 1809).

Paine, pamphleteer, agitator and writer on politics and religion, was the intellectual father of the American Revolution and the prime maker of public opinion in the New World at the end of the 18th century.

The most influential American pamphleteer of that period, he was far more a "radical" who proposed a democracy in England, a member of the French revolutionary government, an inventor, an alcoholic, but, above all, an extraordinary, complex character.

Paine has been described as an "Englishman by birth, French citizen by decree, and American by adoption." His opinions and personality aroused strong feeling in those around him. Some admired him greatly, but others hated him fiercely.

Many historians regarded Paine as a patriot who did much for his adopted country and asked nothing in return. He stated clearly and concisely, political ideas that other men accepted and supported, if necessary, to the point of death. Yet, he died a social outcast.

Alone and poor in 1774, he gained the friendship of Benjamin Franklin, then in London, who advised him to go to America. Soon after his arrival here, (and with Franklin's help), he became a contributing editor to the "Pennsylvania Magazine," and began working for the freedom cause.

In 1776, he published his famous pamphlet: "Common Sense." It demanded complete independence from England and the establishment of a strong federal union. George Washington, Thomas Jefferson and other colonial leaders read it with approval.

Then in December 1776, Paine followed "Common Sense" with a series of pamphlets called "The Crisis." The first of these began, "These are the times that try men's souls. The summer soldier and the summer patriot will, in this crisis, shrink from the service of their country . . . Tyranny, like hell, is not easily conquered."

Washington was so impressed with this pamphlet that he had it read aloud to his soldiers. Paine's bold, clear words encouraged the Continental Army during the darkest days of the war.

Paine's other two most famous works were published after the war. His "Rights of Man," which ably replied to Edmund Burke's attack on the French Revolution, was written during 1791-92 while he was in England. His "Age of Reason," which stated his views on religion, was written while Paine was in France.

The Grosse Pointe Public Library has in its collection a 10-volume set of THE LIFE AND WORKS OF THOMAS PAINE published in 1925 by the Thomas Paine National Historical Association. Included in this set are: "Common Sense"; "The Crisis"; "Rights of Man"; and "Age of Reason." In addition to these volumes, three new biographies of Thomas Paine have recently been added to our library.

First published in England in 1973, Audrey Williamson's THOMAS PAINE, (St. Martin's), is an important biography that takes full advantage of a great amount of new information about Paine. It does not, therefore, simply plow already cultivated ground.

While painstakingly detailed, Ms. Williamson's style is even and flowing enough to hold the reader's attention. What emerges from her efforts is a fascinating new glimpse of the political views, the social goals, the attitudes of slavery and social welfare of a figure made less enigmatic and legendary by them.

REBEL, (Praeger), by Samuel Edwards is a solidly professional popular biography. The author weaves considerable research into his picture of Paine as a man who was less an original thinker than a popularizer of the great ideas of the Enlightenment. In revolutionary America he was a fearless champion of republican principles, yet destined to lose his popularity.

Mr. Edwards writes of Paine's friendships with famous men, his affairs, his engineering and scientific achievements and his ultimate dissolute, embittered decline.

David Freeman Hawke's PAINE, (Harper and Row), is a more scholarly and definitive portrait of Thomas Paine than the Edwards' book. Inevitably any honest and disciplined biographer must show Paine's personal tragedy and his virtual exclusion from the family of "founding fathers" in the context of forces of prejudice and self-righteousness.

It is one of the distinctions of Mr. Hawke's study that Paine emerges as a human and lonely figure whose true heroism, which was nothing less than his uncompromising struggle to define man's fullest freedom and worth, greatly needs to be understood today in the country he helped bring to birth.

Pointers Seek Olympic Berth

By George W. McHugh

In its first competition of the season the Detroit Boat Club, (DBC), open four-man crew with coxswain beat the University of Wisconsin at the Mid-Western Rowing Championships held at Madison, Wisc., on Saturday, May 1.

Joel and Chris Penoyer, of Rathbone road, and Kim Hadley, of The Farms, teamed up with Bob Miller, of St. Clair Shores, and Rick Schwanitz, of Detroit, the crew's coxswain, to win this race.

The DBC foursome have been training since early February in preparation for the Olympic trials which will be held in Collingwood, N.J., June 25-27. The crew is coached by Dick Bell, head rowing coach at the Boat Club.

In the same Mid-Western Championships, Mark O'Brien, of Mount Clemens, and John Carabass, of Maryland road, won the open pair oared event besting a strong pair boated by the University of Wisconsin. Mark is following in the footsteps of his father, Roy O'Brien Jr., who trained for the 1952 Olympics at the Detroit Boat Club.

The DBC crews are looking for new blood. There are openings for both male and female rowers. Experience is not necessary. For further information, call Al Arbury at 882-3522 or 225-1482.

Woods Seniors Begin Survey

A survey is currently underway to find out how many senior citizens are living in The Woods area, with an objective of using the results in the planning of future projects.

Anyone over the age of 55, who hasn't attended the seniors' organizational meetings twice a month at North High School, should contact Harold Lyndrup at 884-1657.

Silver filled metal has been around a long time. As a matter of fact, in 1749, experts say, an English silversmith accidentally fused a copper coin to the blade of a sterling knife. The result was a new product known as Sheffield Silver. A similar process is used to make silver filled jewelry. A layer of silver, at least 1/20 by weight of the total content, is mechanically bonded to supporting alloys and nickel silver. Silver filled jewelry gives the look of sterling at a less expensive price. On the other hand, it is generally more precious than simple silver-plated jewelry.

Did you know that some of the art objects and antique jewelry that we have on display here at VALENTE JEWELRY dates back to the 14th and 15th centuries? We invite you to come in and view these items as well as to ask you to bring in your antique and estate jewelry and leave them with us on consignment. There is no cost for this service. We're conveniently located at 16601 East Warren at Kensington, Detroit, 881-4800.

GEM FACT:

A pure emerald has proverbially been an almost unattainable goal and less than one per cent of emerald material found is of fine quality.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

It's Supper with the Stars time again, and participating in the panel discussion following dinner Sunday evening, May 23, at 7 o'clock in the Grosse Pointe War Memorial's Fries Auditorium will be Tatiana Troyanos, star of "Carmen," the Metropolitan Opera's opening night production in Detroit.

Also appearing on the panel will be Anthony A. Bliss, the Met's executive director, and Francis Robinson, assistant manager.

The Grosse Pointe War Memorial, in conjunction with the General Committee of the Detroit Grand Opera Association, presents the "Suppers" prior to the Met's opening in Detroit each year.

Chairman of the '76 event is Mrs. Scott McKean. Mrs. James T. Farley is co-chairman.

A Sentimental Journey

Decorators' Show House, the Junior League of Detroit's spring project, closes its doors this Sunday, after three super-successful weeks, and among those who've passed its portals and wandered through its beautifully "done" rooms is Mrs. C. H. Fletcher, Jr., who came all the way from Sewickley, Pa., to visit 900 Lakeshore road.

It was a Sentimental Journey, for Mrs. Fletcher, (Continued on Page 17)

Short and to the Pointe

JOANNE (Mrs. Ronald V.) SARTOR, of Warren, daughter of HENRY GALA-ROWICZ, of South Renaud road, has been judged into membership in the National Guild of Decoupeurs upon submission of a decoupage box which met the Guild's rigid standards in hand coloring of prints, cutting, composition, lining and finishing techniques. Purpose of the Guild is to set decoupage apart from other arts and crafts and to preserve high standards of quality and authenticity to meet 18th Century standards as researched by the Guild. Members advance in the Guild from layman to journeyman to master craftsman by submitting decoupage objects in various techniques. Inquiries about the Guild may be directed to the National Guild of Decoupeurs, P.O. Box 5119, Grosse Pointe, Michigan 48236. Joanne is in the process of completing 250 pieces, some Bicentennial in design, for the May 22 Sterling Heights Cultural Commission Craft Show.

KATHY GROEHN ELMESSIDI, daughter of MRS. THOMAS E. GROEHN, of Lochmoor boulevard, and the late Mr. Groehn, has finished her Doctoral degree in American History at the University of Oklahoma, Norman. She defended her dissertation on the subject of the impact on American history of the 1948 GM-UAW Contract, which brought about a large scale wage escalation according to the BLS cost-of-living index, and annual wages according to worker productivity. It also began longer periods of labor peace. Kathy, who researched her topic in Detroit in the summer of 1974, is now in West Texas with her husband, ADEL, a petroleum engineer.

Among 267 University of Michigan law students who received awards at the Law School's annual Honors Convocation April 9 were AR-

Tau Beta to Mark Diamond Jubilee

Tau Beta celebrates its 75th anniversary this year, and Diamond Jubilee chairman MRS. THEODORE R. BUTTRICK, JR. (left), is deep in plans for a gala dinner celebrating this most important milestone. So is MRS. GORDON B. RIGGS, current Tau Beta president. The party's planned for Wednesday evening, June 16, at the Grosse Pointe War Memorial. For more about it, and about Tau Beta, past, present and future, check out next week's "From Another Pointe of View."

THUR. W. WATERS, of Lakeland avenue, recipient of a Lawyers Cooperative Publishing Company Book Award for the highest grade in his Evidence class; GIL- LIAN STEINHAUER, of Bishop road, named a Case Club Judge, (the title is given to senior students selected to teach legal writing and to preside over moot court debates); and ROSS E. EISENBREY, of Windmill Pointe drive, cited as a member of the Lawyers' Guild steering committee of members of the local chapter of the national group of lawyers and law students working on projects for legal and political reform.

Grosse Pointe North High School sophomore ROBERT L. JENNINGS, son of MR. and MRS. JOHN JENNINGS, of Moorland drive, took third place in the General Woodworking Division of the state student project competition jointly sponsored by the Michigan Industrial Education Society and the Detroit News. He submitted the table model pendulum hall clock that took a first place award in the Region Two competition held recently in Grosse Pointe South High's gymnasium. STEPHEN J. HYSICK, JR., son of the STEPHEN HYSICKS, of Vernier road, won a first place in the EL-2 Digital Electronics Division of the Regional for the digital stop watch he constructed in his vocational electronics class at South High.

Saint Paul High School graduate ROBERT ALEX-ANDRE ARENE, son of MRS. ALEXANDRE ARENE, of McMillan road, has been graduated summa cum laude with a grade point average of 3.96 from the University of Dayton, where he majored in French, was vice-president of the "Cercle Francaise" French club, and participated in the French Dramatic Presentation in 1972, '73 and '74. He also participated in the Transient Student Program, spending a semester of study in France in 1975, won the French Honor Award in 1974, and made the Dean's List every

Calling Sacred Heart Alumnae

Mrs. Robert A. Grambo, of Edgemere road, president of the Grosse Pointe Alumnae of the Sacred Heart, will welcome Alumnae and Children of Mary Sodality members to their annual meeting and luncheon Friday, June 4, in the Grosse Pointe Academy Parlour.

The day begins with Mass in the Academy Chapel at 11 o'clock. Reunion classes of 1926, 1936, 1951, 1956 and 1966 will be honored. The slate of officers for the coming year will be introduced.

Accepting reservations accompanied by checks for \$4 payable to "Alumnae of the Sacred Heart" is Mrs. William Hurley, of Lakeland avenue.

Bicentennial Theme For Antiques Show

University Liggett Exhibit and Sale to Run June 10 Through 12: Forty Dealers Coming from Seventeen States

The 11th annual University Liggett Antiques Show and Sale, which opens Thursday, June 10, and will run through Saturday, June 12, at the ULS Liggett campus in Briarcliff drive, will have a Bicentennial theme.

Thursday and Friday hours are noon until 10 at night. Saturday hours are noon to 6 o'clock.

General admission, payable at the door, is \$3. A preview party Wednesday evening, June 9, at \$35 per person, will feature cocktails and dinner, a sealed bid auction, and an opportunity to browse and buy "a head of the crowds."

Reservations for the preview may be obtained by calling 884-1839.

Forty antique dealers from 17 states will exhibit and sell at the show, considered by dealers and collectors to be one of the most prestigious in the country. It is directed by Russell Carrell, of Salisbury, Conn., nationally-recognized manager of antiques shows.

The public will have an opportunity not only to view and buy, but to learn about antiques. Once again, exhibitors will conduct popular Walking Tours. They're scheduled for 10:45 o'clock Friday and Saturday mornings.

A special exhibit has been arranged by Walter Simmons II, curator of the Henry Ford Museum, and an open panel Saturday, at 2 o'clock, entitled "Your Question Please," will feature three experts answering questions on collecting.

The annual Antiques Show and Sale is sponsored by University Liggett parents and alumni for the benefit of the School's Endowment Fund.

Mrs. Edsel B. Ford is honorary chairman, Mrs. Harold L. Frank general chairman of the 1976 exhibit.

Committee members include Mr. Carrell, Mr. and Mrs. Simmons, II, and Mr. and Mrs. Raymond P. Robbins (he's ULS headmaster). Mr. and Mrs. James Premo, Walter E. Simmons, the Misses Dorothy M. Stevenson and Joan Primo, and the Mesdames H. Ecclestone Biggs, Lawrence D. Buhl, Jr., W. Gerald Warren, Ross Roy, Charles M. Endicott, Louis A. Fisher, Jr., Frederick Sloan Ford, Horace C. Ford, William Clay Ford, H. Kennedy Mitchell, James M. Kennedy, Willard P. Kerr, E. F. Lambrecht, Jr., John Lesesne and Palmer T. Heenan.

More are the Mesdames Ben F. Stormes, Willis L. Gaw, Frank A. Germack, Jr., Henry J. Zukowski, Thomas E. Swanteck, Tracy H. Tingley, Nelson Robertson, Robert G. Hartwick, Wilfred Livermore, Robert McKean, R. E. Hinz, Charles MacKinnon, Joseph C. Primo, John G. Martin, J. K. Purdy, Charles J. Merrill, John R. Murphy, M. Marshall Scherer and Samuel B. Sherer.

Mrs. Donald Bernard

Photo by Licata

Married Friday evening, April 23, in Saint Paul's-on-the-Lakeshore to Mr. Bernard, son of Mr. and Mrs. Julian C. Bernard, of Harvard road, Detroit, was SUSAN MARIE WEBER, daughter of Mr. and Mrs. Raymond H. Weber, of Village lane.

Mrs. Gaspare Taormina

Photo by Licata

Exchanging marriage vows in Saint Mary's Church, Greektown, Sunday, April 4, were ANGELA MARIE ORTISI, daughter of the Salvatore Ortisi, of Fleetwood drive, and Mr. Taormina, son of the Salvatore Taorminas, of St. Clair Shores.

Miss Ortisi Wed To G. G. Taormina

Pair Are at Home in Pointe After Cruise and Vacation in Puerto Rico; Family Friend Fashions Bridal Gown

A reception at the Hillcrest Country Club Penthouse followed the Sunday, April 4, wedding of Angela Marie Ortisi and Gaspare Gary Taormina in Saint Mary's Church, Greektown.

The bride, daughter of Mr. and Mrs. Salvatore Ortisi, of Fleetwood drive, was graduated from Saint Paul's High School.

The bridegroom, an Austin Catholic Prep School alumnus who received his Bachelor's degree from Western Michigan University, is the son of Mr. and Mrs. Salvatore Taormina, of St. Clair Shores.

The newlyweds have returned from cruising the Caribbean and vacationing in Puerto Rico to make their home in Grosse Pointe.

The former Miss Ortisi chose an Empire-waisted gown of ivory sateu over satin, its sheer neckline and sleeves heavily embroidered with Alencon lace, pearls and crystals, for the 3 o'clock rites.

Matching lace, pearls and crystal beads trimmed her cathedral train and the Renaissance headpiece holding her triple-tiered, lace-accented cathedral length veil. The gown, veil and headpiece were designed and made by a family friend, Mrs. Frank Amara. The bride's aunt, Mrs. Salvatore

Michael Lebrayk, another cousin of the bridegroom, Joseph Ruggeri, Joseph Floreno and Michael Argy.

Steven Taormina, another brother of the bridegroom, was ring bearer.

Bugle beads accented the aqua Qiana gown, styled with long, sheer sleeves and a sheer neckline, chosen by

Mrs. Ortisi for her daughter's wedding. Off-white cymbidium orchids formed her wrist corsage.

Gold and pink beads trimmed the neck, waist and wrists of the bridegroom's mother's champagne beige chiffon gown. She, too, selected a wrist corsage of off-white cymbidium orchids.

Finazzo, assisted Mrs. Amara with the beadwork.

The bridal bouquet, pear-shaped, featured open and closed silk roses accented with seeded silk lilies, set in a cluster of ivory-tinted baby's-breath.

Honor maid Mary Kay Ortisi, sister of the bride, junior bridesmaids Rosann Ortisi, another sister, and Annette Gallo, their cousin, and flower girl Jenny Marie Dimercurio, cousin of the bridegroom, wore long-sleeved frocks of flowing, pale pink Qiana.

They carried silver baskets filled with pink silk apple blossoms and baby's-breath. Bridesmaids in pale blue Qiana, their baskets featuring blue silk blossoms, were Mrs. Sal Taormina, Mrs. Vito Finazzo, the bride's cousin, Mrs. William Kirchner, the bridegroom's cousin, Laurie Ann Gallo, Annmarie Battani and Christina Jackowski, three other cousins of the bride, Mrs. John Briles and Marianne Badamo.

Paul Taormina was his brother's best man. Guests were seated by Sal Taormina, another brother, Matthew Ortisi, brother of the bride, Mr. Finazzo, Mr. Kirchner,

Rites in St. Paul's For Susan Weber

Alencon Lace Accents Bride's Traditional Gown; Attendants Wear Apricot Qiana; Pair Vacation in California

Marriage vows were spoken Friday evening, April 23, in Saint Paul's-on-the-Lakeshore by Susan Marie Weber, daughter of the Raymond H. Webers, of Village lane, and Donald Julian Bernard, son of the Julian C. Bernards, of Harvard road, Detroit.

A reception at Penna's followed the 6 o'clock rites at which Father James Cronk presided.

The newlyweds, who vacationed in California, are at home in Harrison Township.

The bride's traditional, Empire-waisted gown, trimmed with Alencon lace, featured a chapel train. A matching cap held her bouffant, fingertip illusion veil. She carried apricot roses and white miniature carnations.

Honor maid Marie Spindler and bridesmaids Sandra Weber, the bride's sister, Mary Ann Balone, Mrs. Robert Klei, sister of the bridegroom, and Juliann Stansberry, niece of the bridegroom, wore Empire-waisted frocks of apricot Qiana.

They carried yellow and white daisies, mums, carnations and baby's-breath.

Flower girl Suzanne Stansberry, another niece, carried a small basket filled with daisies.

Acting as his brother's best man was Raymond Bernard. Guests were seated by Robert Bernard, another brother, Mark and Michael Weber, brothers of the bride, and Robert Golden.

David Klei, the bridegroom's nephew, was ring bearer.

Mrs. Weber selected an Empire-waisted gown of pale rose silk crepe for her daughter's wedding. The bridegroom's mother wore A-line

aqua crepe. Sweetheart roses, baby's-breath and daisies formed both mothers' wrist corsages.

First Society Helps Others

The First Society of Detroit, a 13-year-old organization of young adults whose four annual parties benefit Detroit-area charitable organizations, recently donated \$3,100 to the Detroit Public Schools' Oakman School for the purchase of orthopaedic equipment.

Proceeds from this month's spring benefit will go to Friends and Relatives of the Retarded, a local unit of Oakland County's Association for Retarded Citizens.

one of the granddaughters of George Osius, who built the house, spent many happy hours there as a child.

The Osius daughters, Mrs. Reginald MacArthur, of Stanton lane, and Mrs. Albert G. Sherman, who now makes her home in Miami, Fla., grew up there.

Their father was president of the Village of Grosse Pointe Shores for 17 years, (1911-1928), retiring finally because of ill health. During his term as president, he changed the Shores' dirt road atmosphere, developing the double parkway along the lake and the lakeside park that now bears his name.

He was also instrumental in the development of the Grosse Pointe Yacht Club, "just down the road apiece" from his lovely lakeside home.

Honored by Architects

At the American Institute of Architect's annual convention in Philadelphia May 2 through 5, Philip J. Meathe, of Grosse Pointe boulevard, was inducted as Chancellor of the AIA's College of Fellows, and honorary AIA membership was bestowed upon Ann Stacy, of Buckingham road.

Phil Meathe you already know about, (he was "Pointer of Interest" last fall), but Ann Stacy hasn't been profiled in the NEWS, so here's a bit of background on the lady:

She's executive director of the Michigan Society of Architects and the Detroit Chapter AIA. She's been active in and out of the architectural profession, involved with Orchestra Hall and Round Island Light, a founder of the Friends of Belle Isle, member of the Governor's Committee on Environmental Arts, the Michigan Week Committee and Organizational Executives of Michigan.

Among her major interests is an architectural awareness program for Michigan school districts.

She's a member of the American Society of Association Executives, Organizational Executives of Detroit, the Detroit Metropolitan Chapter Association Executives, the Council of Architectural Component Executives, the Detroit Press Club, the Founders Society Detroit Institute of Arts, the

St. Joan of Arc Sets Spring Festival

Making final arrangements for Saint Joan of Arc Catholic Parish's 1976 Spring Festival are, (left to right), MURIEL BONDY, THERESA DERIAN, JoANN SCALISI, LINDA CARROLLO, MARY LOU ROWE and MARGE BARBARO, whose Flea

Market will be a feature of the May 21 through 23, Friday through Sunday, event. There'll be carnival rides, too, and games and prizes, plus a light dinner served Sunday afternoon on the Festival grounds at the Church in Mack avenue.

Slate Catholic Women's Day

Theme of the annual day meeting of the Council of Catholic Women of the Archdiocese of Detroit, scheduled for Wednesday, May 26, from 8 to 3:30 o'clock, is "Spirited Women: 1776-1976."

Cost of the meeting, including luncheon, is \$8. Cost of the meeting only is \$3. Further information may be obtained by calling 237-5896.

Over 800 women are expected to hear guest speaker Dr. Ruth Mondschien, staff assistant for special projects to the Assistant Secretary of the Department of Health, Education and Welfare, speak on "Volunteer Women in America and What They Have Accomplished."

Included in the day-long program will be 9 o'clock mass celebrated by Bishop Walter J. Schoenherr, delegate for the clergy, Archdiocese of Detroit.

Regina Rambeau, president of the Council of Catholic Women, will give a welcoming address. Six service awards for outstanding accomplishments in the area of volunteerism will be presented. A general business meeting and election will be held.

First English Lutheran Nursery Seats Officers

Newly-elected officers of the board of directors of First English Lutheran Co-op Nursery are Mrs. Robert Waldeck, president, Mrs. Nicholas Thomas, vice-president, Mrs. David Frantz, secretary, and Mrs. Gary Dettloff, treasurer.

Mrs. James Thompson serves as equipment chairman, Mrs. William Wilson as membership chairman, Mrs. William Blake as health chairman and Mrs. James Carnago as publicity chairman.

Parents are essential to the co-op nursery's daily program, which this year featured such special supplements as the opportunities to look through a microscope and do basic tumbling, a Father's Night and a trip to see a school orchestra practice session.

Both classes rounded out their year by making originally-designed plates. The four-year-olds were graduated Wednesday, May 12.

Information on enrollment may be obtained by contacting Mrs. Wilson at 881-1852.

Cantwell-Elsey Rites Revealed

The wedding of Suzanne Marie Elsey and William Raymond Cantwell Saturday, January 3, in Saint Basil's Catholic Church was followed by a reception at the Gourmet House, after which the newlyweds left to vacation in Montreal, Quebec and Toronto.

The bride, daughter of Mr. and Mrs. Robert G. Elsey, of Severn road, received her Bachelor Science degree in Nursing from Mercy College of Detroit. She is a Public Health Nurse in Macomb county.

The bridegroom, son of Mr. and Mrs. John Cantwell, of Warren, was graduated from the University of Detroit. He is a CPA, associated with a local accounting firm.

A gown of off-white chiffon-ette was the former Miss Elsey's choice for the 2

o'clock rites. She wore a band of baby's-breath and Sweetheart roses in her hair, and carried a bouquet of off-white dried flowers.

Cynthia Elsey, who came from Evergreen, Colo., to serve as her sister's honor maid, and bridesmaid Pamela Elsey, another sister, wore frocks of persimmon polyester crepe and carried dried floral arrangements.

John Cantwell acted as best man for his brother. Ushering were two other brothers, Michael Cantwell, of Cleveland, O., and Richard Cantwell, and Thomas Smith.

The mothers of the bride and bridegroom selected silk gowns, the former's apricot, the latter's aqua, and both wore wrist corsages.

The newlyweds will make their home in the bridegroom's Mount Clemens apartment.

Family Mart For ULS Fair

This year's University Liggett Fair, set for Friday, June 4, from 4 to 10 o'clock, and Saturday, June 5, from 10 in the morning to 10 at night on the ULS Cook road campus, will have even more than the usual rides and midway.

This year, the Fair will introduce a special Family Mart, located in the McCann Rink, (right next to the large ride and midway area), featuring 23 local, national and international boutiques, plus a Finder's Dream Flea Market, miniature golf, a caricaturist and a variety of home baked goods.

There'll also be a French cafe serving crepes and a special celebrity booth with, at various times, Lem Barney, Charlie Sanders and Bob Lanier.

Ribbon Farms Meets Monday

Members of Questers' Ribbon Farms Chapter gather Monday, May 24, at 12:30 o'clock at the home of Mrs. John Schneider in Riviera drive, St. Clair Shores, for their annual business meeting and election of officers.

PACHYSANDRA

Women Artists Slate June Show and Sale

Pointer Chloe Boehm is a member of the committee planning the Detroit Society of Women Painters and Sculptors' show, juried by Cranbrook's Ray Fleming, and sale of original creations, including works in acrylic and ceramic, glass, oils, prints, sculpture and watercolors, set for June 3 through 12, Thursday through Sunday, at Somerset Mall in Troy.

Chairperson is Eve Sgiagyi. Other committee members are Meridith Sterritt, Rita Skoczen, Margaret Wilson and Betty Yorgen.

Pins Reward Harper Service

Five Grosse Pointe women have been honored for their volunteer service to Harper Hospital in the Detroit Medical Center.

Elizabeth Mistele received a pin recognizing 3,000 Harper hours. Ellen Jane Rankin and Vonnie Willis each were cited for 1,000 hours. Donna Bell received an award for 500 hours. Norma Nebel for 100 hours of volunteer time.

The recognition award pins were presented at Harper Hospital Auxiliary's recent annual meeting at the Detroit Golf Club.

Society News Gathered from the Pointes

Ladies Feted by Traffic Club

Chairpersons for the Traffic Club of Detroit's annual Ladies Day luncheon were Alice and Grover Cheffins, of Hollywood avenue. The program Wednesday, May 19, at the Grosse Pointe Yacht Club featured a Bicen-tennial theme, with a fashion show of Claire Kelly's clothes for the summer of '76 and a parade of Centennial styles by Valerie Smith, from the Detroit Historical Society.

Welcoming the 160 ladies in attendance were Traffic Club officers Omer DeBeau-dry, president; Fred Haack and Ray Pochmara, first and second vice-presidents, res-pectively; and Tom Burke, secretary-treasurer.

Other Ladies Day commit-tee members were Jane and John Dugan, Marie and George Gatecliff and Bobby and Jack Ringwood.

May Wedding Date Revealed

Mr. and Mrs. Jack B. Frey, of St. Clair avenue, an-nounce the marriage of their daughter, Prudence, to Dale E. Heikkinen, of Ann Arbor, Saturday, May 15, The Re-verend Mr. John L. McCreight, of Grosse Pointe Memorial Church, presiding.

Prue, a graduate of Ver-mont's Middlebury College, is a provisional member of the Junior League of De-troit.

Mr. Heikkinen, son of E. A. Heikkinen, of Alston, and the late Mrs. Heikkinen, re-ceived his Bachelor of Arts degree from Northern Mich-igan University and two Masters degrees from the University of Michigan.

The Paul Dixons

Dr. and Mrs. Albert P. McKay's Beaconsfield avenue home was the setting for the Saturday, March 20, marriage of their daughter, JILL ANN McKAY, and Mr. Dixon, son of Mr. and Mrs. Richard DeHones, of Bloomfield Hills.

Jill McKay Bride Of Paul H. Dixon

Candlelight Rites Are Held in Her Parents' Beaconsfield Avenue Home; War Memorial Reception Follows

At home in Williamston until he completes studies at Michigan State University's College of Veterinary Medicine in June are Mr. and Mrs. Paul Henry Dixon, who vacationed in northern Michi-gan and northern Wisconsin following their Sat-urday, March 20, wedding.

Mrs. Dixon is the for-mer Jill Ann McKay, daughter of Dr. and Mrs. Albert P. McKay, whose Beaconsfield ave-nue home was setting for the candlelight rites.

The bride's uncle, The Reverend Fred G. Wilkins, came from Buchanan to pre-side at the 5 o'clock cere-mony for which the former Miss McKay chose a gown of cream crepe featuring a lace front panel and long sleeves with lace inserts.

Lace accented her shoulder length veil. She carried yel-low roses and ivy.

She was attended by Mrs. Robert Davis, of Lansing, in a scoop-necked, Empire-waisted floor length print, carrying a Colonial arrange-ment of spring flowers.

The bridegroom, son of Mr. and Mrs. Richard DeHones, of Bloomfield Hills, asked Dr. Davis to act as best man.

For her daughter's wed-ding and the reception at the

Grosse Pointe War Memorial, Mrs. McKay selected a floor length, azeala pink gown, with crystal bead accents. She pinned a white orchid at her waist.

The bridegroom's mother accented her scoop-necked, pale aqua gown with silver jewelry and a white orchid.

Out-of-town guests included Mr. and Mrs. Charles Blei-cher, Jr., and the bride's grandmother, Mrs. Ernest C. Schmidt, of Bay City; Dr. and Mrs. Virgil McClintic, of Houghton Lake, and Mrs. Henry Hamme of Essex-ville.

Mr. and Mrs. William J. Pearce, of Neff road, hosted the rehearsal dinner. Mr. and Mrs. Laurence E. Schmidt, of Bedford road, uncle and aunt of the bride, gave the wedding day luncheon.

The former Miss McKay was graduated from Grosse Pointe South High School and received her Bachelor of Sci-ence degree from Michigan State University, where she is employed as catering manager at Kellogg Center.

Pair Exchange Nuptial Vows

Wedding vows were spoken in Saint Joan of Arc Church Saturday morning, May 1, by Agnes Jane Meagher, daughter of Mr. and Mrs. Thomas Meagher, of St. Clair Shores, and Anthony Goddeeris, son of Mr. and Mrs. James Goddeeris, of Hawthorne road.

Father Edward Mitchell, Saint Joan of Arc pastor, presided at the 11:30 o'clock rites, with Daniel Meagher, brother of the bride, and Thomas Cleyman serving on the altar.

The bride's white Qiana gown featured an English net yoke and neckband ap-plied with Alencon lace and pearls. Her long sleeves ended in pearl and lace.

She carried lilacs, white roses and baby's-breath.

Ginny Meagher, honor/maid for her sister, wore pale blue jersey and carried a nose-gay of mixed daisies and baby's-breath.

Michael Goddeeris acted as best man for his brother. Michael Osborn and Michael Waters, brothers-in-law of the bride, and Dennis Mirani, brother-in-law of the bridegroom, ushered.

Katherine Waters, niece and godchild of the bride, was flower girl. Mark Goddeeris, nephew and godchild of the bridegroom, was ring bearer.

Mrs. Meagher selected a long, light pink gown and a corsage of pink roses and baby's-breath for her daugh-ter's wedding. The bride-groom's mother accented her pale blue jersey gown with a similar corsage.

New Officers Named By DBE of Michigan

New president of the Daughters of the British Em-pire in Michigan is Mrs. Gerald Coker, of Birming-ham. Named corresponding secretary in the recent elec-tion was Mrs. A. S. Drum-mond, of Norwood drive.

League Meets At Hunt Club

The Michigan League for Crippled Children will gath-er at 12:30 o'clock next Thursday, May 27, at the Grosse Pointe Hunt Club for a luncheon, meeting and program on Plant Care by Kathy Wyer, of Dearborn Heights' "Get Growing."

Accepting reservations by Monday afternoon, May 24, are Mrs. George Peterson, 882-6940, and Queen Bauer, 526-9719.

Train Surgery Lounge Aides

With the opening of Cot-tage Hospital's new Surgery Lounge, where families and friends of patients in surgery may wait, volunteer hostesses will receive special orien-tation for their duties, ac-cording to Cottage Adminis-trator Ralph L. Wilgarde.

The orientation is sched-uled for next Tuesday, May 25, at 12:30 o'clock in the Hospital board room. Further information about it may be obtained from Margaret Hutchings at 884-8600, Exten-sion 315, or Lucy Grenzke, 881-8678.

The Surgery Lounge will be ready for use in the near future.

Plan Renaissance Center Preview

Music Hall Association Schedules Its First Major Benefit for June 26; Evening Begins with Champagne Concert

A gala evening beginning with a champagne concert by Sergio Franchi, featuring his sister, Dana Valery, followed by "A Garden Party in the Sky" preview of Detroit's Renaissance Center, forms the program for Music Hall's first major benefit.

Pauline Young, president of the Music Hall Association, sponsor of the benefit, revealed plans for the Saturday, June 26, affair at a special open rehearsal of "El Capitan."

The concert/preview is designed to raise \$50,000 for the non-profit performing arts center. Honorary chairmen of the event are Mrs. William Milliken, Roy D. Chapin, Jr., Robert E. Dewar, Henry Ford, II, Ray W. Macdonald, Alex Manooogian, Thomas A. Murphy, John Riccardo and Detroit Mayor Coleman A. Young.

In between rehearsal scenes for Music Hall's revival of John Philip Sousa's 1896 comic opera, various Music Hall and Association personnel spoke of future plans for the Center and its benefactor organization, the Association.

More than 500 prospective Association members watched TV and film star Dick Shawn sharpen his role as Sousa's bungling dictator, Mr. Shawn spoke briefly to the group, to encourage membership in the Center's auxiliary.

Although a final count of new members recruited at the event is still incomplete, membership chairman Sylvia Gershenson believes "we may have doubled the size of the 150-member organization."

Membership remains open year-round, in two classifica-

tions: volunteer, (\$10 per year), requiring 10 hours of annual assignments; and sustaining, (\$15), for those whose time is limited, but who are interested in supporting the non-profit Center.

Men and women interested in joining are invited to call or write Music Hall.

It was also announced that over half the 1,200 tickets for the benefit, at \$75 each, have already been subscribed. Ruth Vance is general chairman of the evening, which begins at Music Hall with Mr. Franchi's concert.

Concert-goers will be transported by bus to the Renaissance Center, where they will enjoy cocktails at sunset, supper and dancing on two upper floors of the Northwest Tower.

Tibaud-Mann Troth Is Told

Dr. and Mrs. Andrew Mann, of Audubon road, are announcing the engagement of their daughter, Mary Lou, to Frank M. Tibaud, son of the Vito Tibauds, of Harper Woods. A June wedding is planned.

The bride-elect was graduated from Grosse Pointe South High School and the Detroit Practical Nursing Center. Her fiancé holds a Bachelors degree from Wayne State University, where he majored in Chemistry.

They'll Lead Beta Xi DKG in 1976-77

Leading Beta Xi Chapter of Delta Kappa Gamma in 1976-77 will be, (left to right), ELEANOR PAWLUK, first vice-president, BETH TLUSTY, recording secretary, NORMA STEVENSON, president, KAY MULLANEY, second vice-president, and JUANITA ARNDT, corresponding secretary, installed Wednesday, May 5, at a Chapter salad supper in the Whittier road home of Marilyn Soderberg, with nominations committee members Jane Bicsak, Vir-

ginia Johnston and Lois Blackburn as hostesses. DKG, an honorary organization for women in education, founded in 1929 by Dr. Annie Webb Blanton as an instrument for stimulating women teachers in their personal growth and helping them to understand and participate in the activities of the world around them, now numbers chapters in Sweden, Norway, Finland, Mexico, The Netherlands, Canada and Iceland, as well as throughout the United States.

Flag Program For Questers

Harold T. Glasford will speak on "Flags of the American Colonies and the United States" before Grosse Pointe Chapter of Questers, Number 147 members and guests tomorrow, Friday, May 21, at Lochmoor Club.

Officers to be installed at this annual meeting and luncheon include Mrs. J. A. Alexander, president; Mrs. Edgar Hahn, vice-president; Mrs. R. E. Roddewig, secretary; Mrs. Runar Anderson, treasurer; and Mrs. M. L. Van Dagens, historian. Committee chairmen are Mrs. Hazen Keith, program; Mrs. John Martin, yearbook; Mrs. Austin Wheatley, publicity; Mrs. Richard Mertz, nominating; and Mrs. John Fear, librarian.

Detroit Garden Center Adds Its Own Shop

Something new has been added by Marie Kennedy to Moross House, home of the Detroit Garden Center, and the public is invited to visit the Center next Wednesday and Thursday, May 26 and 27, between 10 and 3 o'clock, to "take a look."

It might not be a bad idea to bring along a dollar or two, for the Something New is a shop, stocked with pottery and decoupage, wreaths, dried flower pictures, handbags, jewelry, note paper, flower arranging supplies, historic items, et al.

Profits will help meet the growing demand for the Center's services in the metropolitan area. The shop will always be open four days, the second Tuesday and fourth Thursday of every month, from 1 to 3 o'clock. Additional information is available by calling the Center office, 258-6363.

Mrs. Bertovik Is a Winner

Alpha Mu Chapter of Delta Kappa Gamma honorary organization for women in education cited Geraldine (Mrs. George) Bertovik as its 1976 "Woman of Distinction" at its annual spring luncheon, held earlier this month at the Grosse Pointe Yacht Club.

The key for selection to this honor is service—to the organization, to education, and to others. For Gerry Bertovik, of Middlesex boulevard, service is a way of life.

She was initiated into Alpha Mu Chapter in 1964, served as its president from 1972 to 1974, and has been secretary of DKG's Metro Council, "The Wolverine," DKG's state publication, was under her direction for two years.

She is presently serving on DKG's State Professional Affairs committee. She has been involved in education since, at 16, she began giving piano lessons in the northeastern Lower Peninsula. She continued her teaching career in Rose City, West Branch and Saginaw.

She was an assistant in Communication Arts at Michigan State University when Grosse Pointe's Jerry Gerlich approached her about coming to the Grosse Pointe School System.

In The Pointe, Mrs. Bertovik has followed her interests in English, Speech and Drama. She has coached high school debate and forensics teams to district and regional championships.

She has become noted for "giving her all" to her students; for the past eight years, North High School's teens have found an open door and a willing listener when they approached their counselor, Mrs. Bertovik.

She finds time to teach evenings at Wayne County Community College. She has been on WCCC's staff since its very beginning.

She is a wife, mother and grandmother as well as a highly-skilled, highly-appreciated professional, recipient of numerous awards, including (this is the one she probably appreciates most), the Distinguished Service Award from the Michigan Speech Association for her contribution to the Golden Anniversary edition of the "Speech Association Journal."

Inside the Mothers Club

The executive board of the Grosse Pointe South High School Mothers' Club approved the following policy at its May meeting: "The Mothers' Club of South High resolves that the policy of the Club shall be to refuse requests of outside organizations to make announcements concerning and/or sell tickets to their own individual fundraisers at Mothers' Club meetings, functions and discussion groups, and to refuse requests to include notices of such fundraisers in our monthly newsletter."

"This policy shall cover all groups with the exception of student-related groups, and community groups which may be sponsoring events the proceeds of which would benefit South High School, its students or the school system at large."

Committee reports were received, including Membership: 638 members—\$1,814.00, 48 donations—\$149.50, making a total of \$2,063.50; Scholarship Tea: \$3,405.30 raised for the Scholarship Fund; Fertilizer Sale: announced profit of \$2,023.77; Scholarship committee: \$200 received from the Optimist Club; Family Fun Night: "Almost Anything Goes" cancelled because of timing problems; Homecoming committee: The Board approved purchase of 50 reams of paper for Homecoming 1976; and Graduation Party committee: The Party will take place on June 9 at the Grosse Pointe War Memorial. Kent Drugs is underwriting the tickets. The theme will be "Yesterday and Today." Ticket prices are \$2 in advance, \$2.50 at the door.

The remainder of the meeting was turned over to a discussion of the best way to promote passage of the school millage proposals. A donation of \$100 was approved for the Citizens Millage Steering committee.

A telephoning committee will be established to contact all parents of South High students who do not

Change Green Thumb Topic

"Bugs and Sprays" are all very fine—but it's annual planting time, and the Grosse Pointe War Memorial is delighted to announce that its free Green Thumb Lecture next Wednesday, May 26, at 10 o'clock in the Garden Center Room at the Grosse Pointe War Memorial will focus on Blooms for Everyone's/Anyone's Garden.

Gerald Draheim, director of the Wayne County Office of the United States Cooperative Extension Service, promises a slide program on new varieties and old favorites.

Everyone is invited to come and ask questions—even about "bugs and sprays," although that previously-announced program has had to be scrapped in favor of the new, timely topic.

"Even if the cigarette tested had 60% more tar than MERIT, a significant majority of all smokers tested reported new 'Enriched Flavor' MERIT delivered more taste."

—American Institute of Consumer Opinion

Extensive taste-testing with thousands of smokers shows 'Enriched Flavor' MERIT delivers more taste than higher tar brands.

The bottom line was conclusive: In a series of taste tests conducted for MERIT by the American Institute of Consumer Opinion, smokers from all across the country judged MERIT to have more flavor than five leading low tar cigarette brands.*

What's really startling—and of major importance to all smokers—is that MERIT has less tar than these five brands.

Less tar. Yet more taste.

That's the report on a remarkable new taste process called 'Enriched Flavor.' A way to pack tobacco with extra flavor without the usual corresponding increase in tar.

'Enriched Flavor.' It's exclusive to MERIT. The cigarette with only 9 mg. tar, one of the lowest tar levels in smoking today.

MERIT MENTHOL is packed with 'Enriched Flavor' too. And in similar tests, 9 mg. MERIT MENTHOL was reported to deliver as much—or more—taste than the 11 mg. to 15 mg. tar menthol brands tested.

You've been smoking "low tar, good taste" claims long enough. Now smoke the cigarette.

MERIT.

Balloons to Signal Market Day Start

Grosse Pointe Symphony Week Culminates This Saturday with Day-Long Festivity at North High School

Grosse Pointe's mayors have been invited to officially open the Grosse Pointe Symphony benefit Market Day at 10:30 o'clock Saturday, May 22, at Grosse Pointe North High School, by releasing 1,000 balloons, all stamped with the Symphony name and a phone number.

Anyone who finds a balloon and calls in will receive a pair of tickets to one of next season's concerts.

Television personalities Jerry Hodak and Vic Caputo will be masters of ceremonies at a 1 o'clock Celebrity And Et cetera Auction during which fun and serious articles—some new, some used—will go to the highest bidders.

Among the auction items are a handsome volume on Washington, D.C., from Senator Robert Griffin; cuff links and a signed letter from Henry Ford, II; a set of bloody mary glasses sent from Beverly Hills by Sandy Duncan; weather satellite maps signed by Jerry Hodak; a bow tie from Justice G. Mennen (Soapy) Williams; an autographed pen from Mrs. Gerald Ford; pearls from Mrs. Frank W. Coolidge; a Polaroid camera from Edward P. Frohlich; and an elephant tusk from Mark C. Stevens.

Other contributors to the auction include Mark Belaire, Mrs. William G. Milliken, Mrs. Wilber M. Brucker, Ray Macdonald, Mrs. Thomas Schoenith and Representative William R. Bryant, Republican floor leader, who promises a "Day in Lansing and Lunch."

Additional Market Day attractions include two demonstrations: a cooking how-to by Charity Sucek and an explanation of the fine point of framing by Mrs. Nicholas Lindheim, wife of the president of the Grosse Pointe Symphony Society.

The arts and crafts section will feature paintings by May Shaye, who will be present, plus a display and sale of Pewabic Pottery, arranged by Mrs. Herman Moser.

The basket stall will be in

the capable hands of Mrs. Philip J. Skillman. Ernest Beck is bringing his collection of antique frames, and Mrs. Winfield S. Jewell, Jr., and Mrs. Frank Collier will preside over a Grosse Pointe Symphony Society membership booth, where season tickets for the 1976-77 concert series will be sold.

Market Day shoppers and browsers may enjoy homemade baked goods, plants, a flea market, a snack bar and an array of quality collectibles.

Mrs. Paul Kelley is general chairman of the Grosse Pointe Symphony Women's committee, sponsor of the fund-raiser for the local orchestra which brings live classical music to Grosse Pointe in four concerts each season.

Others working with Market Day chairman Mrs. Lyndie R. Martin are Mrs. Edward F. Suits, Mrs. Harold D. Gumper, Mrs. Kelley, Mrs. L. Verne Ansel, Mrs. Harold Lee, Mrs. Ralph Urso, Mrs. Richard W. Kay, Mrs. Raymond J. Duffy, Jr., Mrs. Michel A. Skaff, Mrs. Elmer L. Barber, Mrs. Leonard Hopkins, Mrs. J. Marshall, Roy Scharfenberg and Mr. Kelley.

Market Day, last event of Grosse Pointe Symphony Week, May 17 through 22, will be open from 10:30 to 6:30 o'clock at North High School.

Card Party Scheduled By Ama Deus Circle

Daughters of Isabella Ama Deus Circle 616 has scheduled a card party social for Monday evening, May 24, at 8 o'clock at Gabriel Richard Knights of Columbus Hall in East Warren avenue. Donation is \$1.75.

Shades of Yesterday

Modeling dresses their great-grandmas would have been proud to wear are strictly up-to-date ladies LINDA (Mrs. Karim) SHAALAN and JAN (Mrs. Robert) REHMANN, (standing, left and right), as LIZ (Mrs. Gregory) OATES, dressed for turn-of-the-century bathing, adjusts a flounce for her more formally attired "sisters." The trio are sure to be a hit at today's Bicentennial Fashion Show at the Grosse Pointe Yacht Club, a feature of the Northeast Guidance Center Assistance League's annual meeting. Highlight of the program will be presentation of a check for \$36,000 to the Northeast Guidance Center.

Grand Finale for Newcomers

Members, alumni and guests are invited to participate in the grand finale of Grosse Pointe Newcomers' year: an elegant "Summer Breeze" evening of champagne, dinner and dancing Saturday, June 5, at 8 o'clock in Alger House of the Grosse Pointe War Memorial.

Assisting party-planning committee chairmen Mr. and Mrs. Rowland Austin are Mr. and Mrs. Dennis Perkins, the Steve DiCarlos, the Ed Christians, Mr. and Mrs. John Nicholas, the Pat McCormicks and the Donald Parrots.

Reservation deadline is next Thursday, May 27.

Receiving "thanks for a job well done" during the evening will be Newcomers' outgoing officers: Mr. and Mrs. Thomas Willison, president; Mr. and Mrs. Richard Ottens, past-president; Mr. and Mrs. Austin, vice-president; Mr. and Mrs. Joe Trowern, secretary; and Mr. and Mrs. Russell Thompson, treasurer.

Serving as social chairmen in 1975-76 were Mr. and Mrs. Ken Roberts and Mr. and Mrs. Michael Burns. Dr. and Mrs. David Frantz and Mr. and Mrs. Charles Braitsch were in charge of membership.

Newly-elected board members are Mr. and Mrs. Thompson, president; Mr. and Mrs. Perkins, vice-president; Mr. and Mrs. Willison, past-president; Mr. and Mrs. Dan Lee, secretary; and Mr. and Mrs. Richard Semack, treasurer.

The Thompsons will announce the appointed positions of social and membership chairmen at the June dance.

Couples who have recently moved to the Grosse Pointe area are eligible for Newcomers' membership. Interested persons are invited to contact the membership chairmen at 885-2779 or 882-5626.

Backgammon Tourney Set

All classes of players are welcome to participate in a Backgammon Tournament on the front lawn of the Grosse Pointe Academy starting at noon this Sunday, May 23. Entrance fee, including a picnic style luncheon, is \$10. Further information may be obtained by contacting Mrs. David Summers at 882-5616.

Center Assistance League Ends Year

Service, Projects and Proceeds Top Records in '76; Northeast Guidance Center Receives Check for \$36,000

It's a star-spangled '76 for the whole USA, but especially for members of the Assistance League to the Northeast Guidance Center who, in this Bicentennial year, topped all previous records to raise \$36,000 for the Guidance Center.

To celebrate this record amount, (and the Bicentennial), Assistance League members have scheduled TWO fashion shows in conjunction with their annual luncheon and meeting today at the Grosse Pointe Yacht Club.

The first, a parade of authentic costumes from America's past, will be followed by Maria Dinon's selection of clothes for the star-spangled Summer of '76.

Barbara (Mrs. John) Jay will present the check for \$36,000 to Dr. Eli Rubin, director of the Guidance Center, before handing over her presidential gavel to Jan (Mrs. Thomas) Arndt.

First vice-president Pat (Mrs. Arthur) Spindler is turning over her office to Marilyn Stedem, while Sharyn (Mrs. Christopher)

Seat Welcome Wagon Heads

Featured event of the Welcome Wagon Club of Grosse Pointe and Harper Woods' spring luncheon today at Lochmoor Club will be the installation of officers for 1976-77.

Mrs. John Horton is the new president. Mrs. James Kotsonis and Mrs. Julius Horvath will serve as first and second vice-presidents, respectively. Mrs. Robert Pollack is the new recording secretary, Mrs. Ralph Sharkey the new corresponding secretary.

Mrs. Donald Kraus will serve as treasurer. An afternoon of bridge will follow the installation ceremony.

Rose Terrace Farewell Set

Grosse Pointers may enjoy cocktails, supper and a final tour of Rose Terrace Wednesday evening, June 2, their \$15 admissions, (including parking, supper and the tour; cocktails are by subscription), benefitting the Grosse Pointe War Memorial Center, once the Alger family's "Moorings," two estates away from the late Mrs. Horace Dodge's home.

The fabulous Dodge mansion, probably the finest example of French formal architecture in this country, falls before the wreckers this summer.

The benefit party and tour, scheduled to start at 7 o'clock, will precede previews and a sale of magnificent furniture, filling the mansion in the same style in which the Dodes lived.

Exquisite jewels and silver also will be on display. As they tour the first and second floors, June 2 benefit guests will be the first to view these riches, and may place bids on them, as well as on the handsome appurtenances. (panelling to fireplaces and chandeliers), of the house itself.

Supper will be served on the terrace overlooking the lake, weather permitting, under a tent in case of rain. Reservations are limited. Further information may be obtained by contacting the War Memorial.

Oates will relinquish the recording secretary's seat to Joanne (Mrs. David) Frantz. Next year's corresponding secretary is Joy (Mrs. John) Williams, who this year served as treasurer. Joy's "old" job is being assumed by Chris (Mrs. John) Eickhorst.

The Assistance League set a record for number of projects as well as amount raised this year, presenting, in addition to a weekly games night at Alcamo's Hall, such special events as a Lobster Bake at the Ranger House, the charity preview of the Detroit Auto Show, the "Guidance Gazette" supplement to the NEWS, and an April Carnival at Eastland. Local businessmen supported Assistance League efforts in '76, too. Doug Sanders, of Hair Unlimited, raised \$1,000 via a special open house and contribution week at his salon, Kimberly Korner was open to Assistance Leaguers at a post-remodeling champagne preview that netted the League a healthy profit for the Center.

Service to the Center also has expanded. Assistance League volunteers work with adult socialization groups and child day treatment, as well as with various members of the staff in duties ranging from help with arrangements for special events to making holiday favors to answering phones at Guidance Center units.

Let's Talk Real Estate

by John E. Brink

The purpose of an evaluation or an appraisal is usually indicated by the label the evaluation is given: assessed value, condemnation value, liquidation value, cash value, mortgage value, fire insurance value. What is the value of your home? It is up to us, your real estate professional to set a value on your home that is comparable to the value of homes that are similar, and located in the same area. Because we are an expert in value, we can set a fair market value on your home, and you will be satisfied with the way your home sells.

In appraising, would you say a home that is sold with a Warranty against loss of certain vital parts is worth more than a similar one without a Warranty? Of course it is. Be sure to contact Grosse Pointe Real Estate Co., 882-0087 to find out just how valuable a home Warranty really is.

DID YOU KNOW?

Doorways and walks free of impediments make a welcoming place to visit or buy.

Persian Film Set at Center

Though officially retired, Nicol Smith is coming from California to Detroit this May to appear on the George Perrot television show and personally present his color film, "Persian Panorama," in The Pointe.

It will be shown tonight, May 20, in the War Memorial's Fries Auditorium. The 8:15 p.m. show will be preceded by a dinner at 7 p.m. in the Crystal Ballroom featuring ethnic specialties of the area.

Mr. Smith has a reputation as an explorer of strange,

remote and interesting places. He was the first person to explore and photograph the remote interior of the island of Hainan and first to make a round trip over the fabulous Burma Road in interior China during the rainy season. He has journeyed to the South Seas, and over the familiar byways of Europe.

Perhaps his most unusual adventure was his caravan journey across western Tibet to Lake Pangong, the first of the great salt lakes of Central Asia, and to the hidden Valley of Himis.

Since then he has reached the base of Angel Falls, the world's highest waterfall. There he made the first motion pictures ever taken of this wonder.

He is the author of five books, the most recent of which is "Golden Doorway to Tibet."

During the war Lt. Col. Smith was a secret agent for the OSS in both Thailand and Vichy, France.

His interest in exploration, however, is not that of the archeologist or the historian. He is interested chiefly in people, for he has the conviction that every individual is in reality a fascinating personage. His programs are essentially stories about people: fascinating, bizarre, strange and amusing.

The entire evening, including dinner and film is \$8.75. The show only is \$2.75. Diners must be paid reservation at the Center's office in advance.

Junior League Backs Calendar

Grosse Pointe will soon have a community calendar, which will list, on a monthly basis, the dates and time of public functions held by various community groups.

The purposes of the calendar are to allow community members to see at a glance what upcoming events are offered, and to help organizations avoid conflicts in dates.

The project includes a "hot line" number — to call and check out a date or list an event. The printed calendar will begin publication in September. Although it's not certain where the calendar will be published, the aim is to reach as many Grosse Pointe homes as possible.

The "hot line" which is being maintained by the staff of the Grosse Pointe Department of Community Services, is now open for calls. The number is 885-3808 or 885-0271.

The Community Calendar began as a Junior League of Detroit research project but the steering committee has expanded now to include representatives of several other organizations.

Serving on the steering committee are the Assistance League of the Northeast Guidance Center, Janice Arndt; Department of Community Services, Carl Schoessel; Grosse Pointe American Association of University Women, Mrs. Frances Schonenberg; Grosse Pointe League of Women Voters, Sue Kinnaird; Hill Merchants Association, Frank

Sladen; and Junior League of Detroit, Nikki Hurd.

More are Junior Women's Association for the Detroit Symphony Orchestra, Marilyn Domalski; Neighborhood Club, John Bruce; the Village Merchants Association, William Lafer; and War Memorial, Marge Richardson.

The Junior League is providing "seed money" to get the calendar project started.

Brecht Equals WSU Records

With one swing of the bat, Wayne State University senior All-American hopeful Greg Brecht, of Moran road, tied three Tartar baseball records.

The 6'3", 210-pound catcher-outfielder swatted his sixth homer of the season at the University of Detroit Sunday, April 30, to tie a season mark set by Ken Madeja in 1971, and equalled by Madeja in 1973 and Naif Baidoon last year. The blast was the 14th of Brecht's four-season Tartar career and tied Madeja's career record. The two RBIs on the shot brought his career total to 72 to tie still another Madeja record.

A day later, Brecht's single against Ferris State accounted for his 73rd RBI and a career record. It's his second career mark at WSU.

Brecht laced four hits at U-D and two more in the second Ferris game to bring his career total to 109, 16 shy of Paul Janas' career mark and two behind second-place Baidoon. Brecht is one total base behind Madeja's record 175 total and one double behind Madeja with 19 after swatting 11 this season to trail Baidoon's 1975 record of 12.

ULS Girls Win Three in Row

By Marguerite Judge

The girls' varsity lacrosse team at University Liggett continued its winning ways last week, racking up three victories in a row. The ULS record now stands at 4-1. The only ULS loss was against Bowling Green University.

The Knightettes stopped the girls from Michigan State University for the second time this season, winning 7-2, on Tuesday, May 1. The game was played at ULS.

On Wednesday, May 12, the ULS team traveled to Bloomfield Hills, where they overpowered Detroit Country Day School, (DCDS), 14-1. The first half of the game was controlled by the ULS defense, with goals scored by senior Patty Berry, junior Barbara Huber, junior Margaret Hindle and sophomore Jenny Dow. Eloise Henkel, a junior at ULS, scored two goals.

By the end of the half, the Knightettes had scored six goals, while leaving DCDS scoreless.

In the second half Country Day finally got in a goal against the tough ULS defense. Scoring for ULS in the second half were Barbara Huber, Kitty Farely, Margaret Hindle and Janet Peters. Eloise Henkel also scored two goals in the second half.

ULS went up against its arch-rivals Sacred Heart Convent on Friday, May 14, at The Pointe campus and won, 4-0. The ULS girls held the Sacred Heart team scoreless while adding four goals themselves. Scoring for ULS were Carol Gregg, Margaret Hindle, Patty Perry and Eloise Henkel.

Playing Roles In Greek Fest

Several Pointers are participating in the weekend Greek Ethnic Festival which begins Friday, May 21, at 12 noon on the City of Detroit's riverfront.

Serving as members of the committee are Louis Vlahontones, Mrs. Ignatios Voudoukis and Mrs. Leo Hantzakos, while Andy Costopoulos and James Anton, members of the Zorba dancers, are scheduled to perform during the event.

First Time Out, First Time In

Mrs. William Kabbush, of Doyle place, shot her first hole-in-one Monday, May 11, at the Sunny Acres Golf Club. Using a three wood, Mrs. Kabbush, aged the 125-year-old, sixth hole, while competing in the Women's Monday League.

It was Mrs. Kabbush's first time on the links this year.

The future of our own country depends upon the sound, sane thinking of its citizens.

North Girls Share Second

By Sue Fancett
The North High School girls' varsity softball team is at the midway point in its Bi-County League season. They are currently tied for second place with a 4-3 record.

The Norsemen opened the season on Wednesday, April 28, with a 9-3 victory against the Clintonville Dragons. Barb Bidigare pitched a fine game, going the distance for the win.

They won their second game of the season on Wednesday, May 5, against the Roseville Brables, 5-2. In this game, Barb Bidigare knocked in two runs while Lisa Andary, Ann Belloli and Sue Fancett each had a RBI.

Behind the two-hit pitching of Barb Bidigare, North defeated the Fraser Ramblers, 13-4, on Monday, May 10. Freshman catcher Ann

Belloli drove in five runs and second baseman Mary Spagnolo brought in another four runs with a grand slam in the first inning.

Paula Ehler pitched a one-hitter, and slammed a home run to lead North to a 9-0 win against Clintonville on Thursday, May 13. Ann Belloli also had a home run and Mary Spagnolo brought in another three runs with a double.

The Norsemen complete the season next week. They play a double-header with Lake Shore on Monday, May 24. The first game starts at 3:30 p.m. Then, they play a single game with Fraser on Wednesday, May 26, which starts at 4 p.m.

National patriotism is nothing more than the lengthened spirit of community spirit.

NO OUTSIDE HELP
Today's adversity is surely a man-made condition—and it is up to man to remedy it.

Virtue may have its reward, but the notorious still tell their stories to the magazines.

Grosse Pointe Woods NOTICE TO BIDDERS

The City of Grosse Pointe Woods will accept lump sum quotations for the operation of a refreshment stand located at the Lake Front Park, 23000 East Jefferson, St. Clair Shores, Michigan. Quotations will be received at the Grosse Pointe Woods Municipal Building, 20025 Mack Avenue, Grosse Pointe Woods, Michigan 48236 until 3:00 p.m. on May 21, 1976.

Copies of the license agreement may be obtained at the Municipal Building.

NOTICE OF HEARING ZONING BOARD OF APPEALS

Notice is hereby given that the Zoning Board of Appeals will meet in the City Hall at 90 Kerby Road, Grosse Pointe Farms, on

Monday, June 7, 1976

at 8:00 p.m. to hear the appeal of Mr. and Mrs. James Taylor, owners of the premises located at 281 Merriweather Road, from the denial of the Building Department to issue a Permit for the construction of a new family room to the rear of their home at the foregoing address. Such permit issuance was denied for reason that the residence located on the foregoing premises is non-conforming for reason that it projects into the required open side yard space in violation of the provisions of Article XIII, Section 1300 of the City's Zoning Ordinance, and in accordance with the provisions of Article XV, Section 1502, Item 4-A of the City's Zoning Ordinance, no such structure may be enlarged or structurally altered unless a variance is granted.

The Hearing will be public. Interested property owners or residents of the City are invited to attend.

Richard G. Solak
City Clerk and Secretary
Zoning Board of Appeals

CITY OF Grosse Pointe Farms WAYNE COUNTY, MICHIGAN NOTICE of PROPOSED ORDINANCE

TO THE RESIDENTS OF THE CITY OF GROSSE POINTE FARMS:
Notice is hereby given that a Public Hearing will be held in the City Hall, 90 Kerby Road, Grosse Pointe Farms, Michigan, on

Monday, June 7, 1976

at 8:00 p.m., for the purpose of hearing any taxpayers, residents or citizens of the City of Grosse Pointe Farms on the following proposed Ordinance:

Code No. 12-03
Ordinance No. 208

AN ORDINANCE TO AMEND SECTION 402 OF THE ZONING ORDINANCE OF THE CITY OF GROSSE POINTE FARMS, BEING: AN ORDINANCE TO PROMOTE, PROTECT AND PROVIDE FOR, IN THE INTERESTS OF THE PUBLIC HEALTH, SAFETY, COMFORT, CONVENIENCE AND GENERAL WELFARE IN THE CITY OF GROSSE POINTE FARMS, THE CONSERVATION OF PROPERTY VALUES IN THE CITY, ITS CHARACTER AS A RESIDENTIAL COMMUNITY, AND THE GENERAL TREND THEREIN OF BUILDING AND POPULATION DEVELOPMENTS; TO ESTABLISH DISTRICTS IN THE CITY; TO REGULATE THE USE OF LAND AND STRUCTURES THEREIN AND TO REGULATE AND RESTRICT THE LOCATION OF TRADES AND BUSINESSES, AND THE LOCATION OF STRUCTURES DESIGNATED FOR SPECIFIC USES; TO REGULATE AND DETERMINE THE AREA OF YARDS, AND OTHER OPEN SPACES; TO LIMIT AND RESTRICT THE MAXIMUM NUMBER OF FAMILIES WHICH MAY BE HOUSED IN DWELLINGS; TO PROVIDE FOR MINIMUM OFF-STREET PARKING FACILITIES FOR MOTOR VEHICLES; TO PROVIDE FOR THE ADMINISTRATION AND ENFORCEMENT OF THIS ORDINANCE; TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES AND TO PRESCRIBE THE PENALTIES FOR THE VIOLATION OF THE PROVISIONS OF THIS ORDINANCE.

THE CITY OF GROSSE POINTE FARMS ORDAINS:

Section 1. Section 402 of the Zoning Ordinance of the City of Grosse Pointe Farms, being Ordinance No. 192, enacted July 16, 1973, is hereby amended to read as follows:

"SEC. 402. AREA AND BULK REQUIREMENTS:

See ARTICLE XIII, 'SCHEDULE OF REGULATIONS' limiting the height, and bulk of buildings, the minimum size of lot as permitted by land use, and maximum size of lot as permitted by land use, and maximum density permitted with the following exceptions and additions:

1. All residence and other structures on lots abutting Lakeshore Road will be set back at least 75 feet from Lakeshore Road.

2. In residential districts there shall be on every lot a front open space, the minimum depth of which shall be twenty-five (25) feet except that on a lot of record at the time of passage of this Ordinance, having a depth of less than one hundred (100) feet, the depth of the front open space required shall be reduced to one-fourth (1/4) of such lot depth, but this shall not permit a less depth than twenty (20) feet in any case. If on the effective date of this Ordinance, more than fifty (50%) per cent of the lots on one side of the street, between two (2) intersecting streets within residential districts, were occupied by dwellings have a front open space of greater or lesser depth than twenty-five (25) feet, any building hereafter erected on any one of such lots shall have a front yard not less in depth than the average front open space of such existing dwellings, but this shall not require a greater depth than seventy-five (75) feet or more than one-third (1/3) the depth of the lot, nor permit a less depth than twenty (20) feet in any case."

Section 2. In all other respects, Ordinance No. 192 as heretofore amended, shall remain in full force and effect, except as amended herein.

Section 3. This ordinance shall take effect twenty days after its enactment or upon its publication, whichever is later.

This Notice is given pursuant to direction of the City Council.

The Hearing will be public. Interested property owners or residents of the City are invited to attend.

The Gallery of Homes ®

90 Kercheval 884-6200

OPEN SUNDAY 1-6

THE KIND OF HOUSE that will catch you looking. It has that curb appeal that causes you to wonder if it's as attractive inside . . . and it is! This one has a two-story entrance foyer with library, family room, living room and formal dining room. The kitchen has every built-in imaginable and there are two first floor lavatories. Up stars a private bath services each bedroom. Located in the first block off Lake Shore Road. 551 Oxford, near Morningside.

CONDOMINIUMS GALORE. In Grosse Pointe Woods and St. Clair Shores you have a choice from fourteen townhouse condominiums! All have either attached garages or carports. These are centrally air conditioned and come available with a multitude of options. See our six model apartments at SHOREPOINTE off Mack between 8 and 9 Mile Roads.

FIFTY-FOUR ALREADY SOLD. The one remaining is a three bedroom townhouse with spanking new kitchen and decorated with colors and carpeting of your choice. In the Grosse Pointe School District and centrally air conditioned with a first floor lavatory and ready for immediate occupancy. See our model apartment at 19986 Vernier, one block east of Eastland shopping.

IN THE WOODBRIDGE Condominium complex we have a two bedroom townhouse which has just been completely decorated with carpeting and new kitchen appliances. Our owner is moving out of state so has allowed us to place the realistic price of \$39,900 on this like-new apartment.

AVAILABLE BY APPOINTMENT

LOVELY, CUSTOM BUILT Colonial in beautiful park-like setting. Three bedrooms, two and one half baths and garden room. Unusual opportunity to acquire a smaller house in beautiful condition on a 140 foot lot on a quiet deadend street in the Farms. Call us at once as this should sell rapidly.

POPULAR CENTER ENTRANCE COLONIAL where you can enjoy the good life. Top condition with four bedrooms and the family room (13.6x25) is paneled. The Mutschler kitchen has a large dining area with complete built-ins.

BEEN SEARCHING for a four bedroom Colonial with a large family room with fireplace and an attached garage? We can offer you a selection of three such houses from which to choose. All three are presently under construction and will be ready for summer occupancy. Two houses are on a deadend street which leads to the lake. The other is on Oxford Road in the Woods.

DREAM OF a rambling Italian Villa on a one and one half acre sloping site in Grosse Pointe Farms and surrounded by quiet oaks. French doors open to intimate gardens on one side and a long stretch of lawn on the other. The large master suite has a fireplace, as do two of the three remaining family bedrooms. Two fireplaces and a sixteen foot high hand-painted ceiling in the living room, and fireplaces in both the dining room and library provide plenty of atmosphere. As a bonus separate apartment or party room with its own kitchen and outside entrance is all part of the package.

GROSSE POINTE'S FINEST

From its grand scale to its meticulous detail, this house would be called a Villa if it were in Europe. This well maintained residence, of manageable size, is perfect for a large family. The dead-end street assures privacy and quiet. Just a short walk from Lake St. Clair and a private park.

Nestled on a quiet street in the most prestigious area of the Farms is a home that offers the connoisseur of warm and elegant living every joy and comfort. Downstairs are a large living room, library, family room (all with fireplace), dining room and 2 powder rooms, breakfast room, and large kitchen. Six bedrooms and four baths are upstairs.

The elegance of the Mediterranean is preserved in this meticulously well maintained and modernized home. Five bedrooms, three baths, powder room, modernized kitchen, family room and recreation room provide comfort and leisure. Adjoining lot affords room for the tennis enthusiast.

For investors we offer a two family home in excellent condition and realistically priced to allow for a good return on the investment. Each unit has two bedrooms, dining room, living room and kitchen. Certificate of occupancy available at closing. Ready to sell and owner wants it sold.

First Offering . . . Three bedroom one and a half bath ranch in St. Clair Shores. With central air conditioning, a great porch, a patio, and large kitchen with eating space, this home should not last long. Immediate possession is available.

882-4838 After 6 p.m.

1128 LAKEPOINTE
By Owner
REMODELED, 3 1/2 bedroom country house, 1 full, 2 1/2 baths, living room, dining room, family room, updated kitchen, 2 1/2 car garage, excellent condition, convenient location to schools and parks.
824-3251

FIRST OFFERING
FARM COLONIAL in The Woods, 5 bedrooms, 3 1/2 baths, spacious family room. Immediate occupancy. \$40,000 assumable mortgage at 7 1/4% makes this home a great buy. 1580 Oxford, \$63,900.
EXCLUSIVE LISTING BY
DETROIT BOND AND MORTGAGE CO.
424 Book Bldg., Detroit
961-1611 or 961-4557

Grosse Pointe Real Estate CO.

7,397 ACRES — 149 PARCELS
AVAILABLE IMMEDIATELY
Owner desires to sell entire real estate holdings which are spread over Michigan in parcels averaging 40 acres each. All of the acreage is listed under the commercial forest reserve act. This means that taxes are only 15 cents per acre!
Owner will consider land contract. He is also willing to accept a price considerably lower than the actual value. This makes this property an excellent investment which could be immediately put on the open market through a program we already have prepared.

CITY OF Grosse Pointe Farms

WAYNE COUNTY, MICHIGAN

NOTICE OF ADOPTION

ARTICLES OF INCORPORATION

CITY OF GROSSE POINTE FARMS BUILDING AUTHORITY

These Articles of Incorporation are adopted, signed and acknowledged by the incorporating unit for the purpose of forming a non-profit City Building Authority under the provisions of Act 31, Public Acts of Michigan of 1948, First Extra Session, as amended (hereinafter sometimes referred to as the "Act"), the Articles being as follows:

ARTICLE I

The name of this corporation and authority is the City of Grosse Pointe Farms Building Authority (hereinafter sometimes referred to as the "Authority").

ARTICLE II

The incorporating unit is the City of Grosse Pointe Farms, in the County of Wayne, State of Michigan (hereinafter sometimes referred to as the "City"), a municipal corporation in the State of Michigan.

ARTICLE III

This Authority is incorporated for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating or maintaining a building or buildings, automobile parking lots or structures, independently or adjacent to other buildings and recreational facilities, and the necessary site or sites therefor, together with appurtenant properties and facilities necessary or convenient for the effective use thereof, for the use of any legitimate public purpose of the City of Grosse Pointe Farms.

ARTICLE IV

Section 1. The Authority shall be a body corporate with power to sue and be sued in any court of the State of Michigan.

Section 2. The Authority and the City shall have the power to enter into a contract or contracts of lease whereby the Authority shall acquire property necessary to accomplish the purposes of this incorporation and contemplated by the terms of the enabling Act, and lease said property to the City for a period not to exceed fifty (50) years, all in accordance with the provisions of the Act.

Section 3. The corporate limits of the Authority shall be deemed to coincide with those of the City.

Section 4. For the purpose of accomplishing the objects of its incorporation, the Authority may acquire property by purchase, construction, lease, gift, devise or condemnation, and for the purpose of condemnation it may proceed under the provisions of Act No. 149 of the Public Acts of 1911, as now or hereafter amended, or any other appropriate statute.

Section 5. The Authority shall also have the power to enter into a contract or contracts of lease pursuant to which the Authority will acquire a building or buildings, automobile parking lots or structures, independently or as adjunct to other buildings, recreational facilities, and the necessary site or sites therefor, together with the appurtenant properties and facilities necessary or convenient for the effect use thereof, to be leased to the City for sublease to any one or more persons, firms or corporations, for purposes which benefit and serve legitimate public purposes of the City.

Section 6. The Authority may issue Building Authority Bonds in accordance with and subject to the provisions of the Act for the purpose of acquiring, improving and/or enlarging any such building or buildings, automobile parking lots or structures, independently or as adjunct to other buildings, recreational facilities, and the necessary site or sites therefor, together with appurtenant properties and facilities necessary or convenient for the effective use thereof.

Section 7. When all bonds issued to finance a specific building, automobile parking lots or structures, independently or as adjunct to other buildings, recreational facilities or maintenance facilities, shall have been retired, the Authority shall convey title to said building, automobile parking lots or structures, independently or as adjunct to other buildings, recreational facilities, or maintenance facilities, the site therefor and any appurtenant properties and facilities therein financed by such bonds, to the City.

Section 8. All property owned by the Authority shall be exempt from taxation by the State or any taxing unit therein.

Section 9. The Authority shall possess all the powers necessary to carry out the purpose of its incorporation, including the incidental powers necessary thereto. The powers herein granted shall be in addition to those granted by any statute or charter and the enumeration of any power, either in these Articles of Incorporation or in the Act, shall not be construed as a limitation upon such general powers.

Further, the Authority shall also have the power to contract with public agencies, private persons, partnerships or corporations for the operation, maintenance or repair of any buildings, automobile parking lots or structures, independently or as adjunct to other buildings, recreational facilities or maintenance facilities acquired by the Authority; provided, however, that the Authority shall not be entitled to any compensation for services rendered to the Authority unless such compensation shall be authorized by the Commission and approved by a majority of the members elect of the Council of the City of Grosse Pointe Farms.

Section 10. The books and records of the Authority and of the Commission, officers and agents thereof, shall be open to inspection and audit by the City at all reasonable times. The Authority shall submit an annual report to the City Council at the same time as the audit of the City's General Fund is received and approved by the City Council.

ARTICLE V

GOVERNING BODY - OFFICERS

Section 1. The Authority shall be directed and governed by a Board of Commissioners of three members known as the "Commission". The members of the Commission shall be appointed by the Mayor of the City, subject to the approval of the City Council. All members of the Commission shall be registered electors of the City of Grosse Pointe Farms.

Section 2. (a) The terms of the Commissioners shall be two years.
(b) Members of the Commission may be removed from office by the Mayor subject to the approval of the City Council.
(c) The terms of all Commissioners shall commence on the first day following adoption and publication of these Articles of Incorporation.
(d) In the event of a vacancy on the Commission, the Mayor, subject to the approval of the City Council, shall appoint a person to fill the vacancy for the balance of the unexpired term.

Section 3. The Commission, by majority vote, shall designate a Chairman, a Secretary and a Treasurer from its members.

Section 4. The Commission shall adopt and may amend By-Laws and rules of procedure consistent with the provisions of the Act and provide therefor regular meetings of the Commission. Such By-Laws and rules of procedure shall be reviewed and approved by the City Council prior to adoption by the Commission. Such By-Laws and rules of procedure shall provide that all checks, bonds and other obligations of the Authority shall be signed by at least two members who shall be designated from time to time by resolution of the Commission.

Section 5. The Commission shall adopt a corporate seal.

Section 6. The Chairman shall preside at meetings of the Commission and shall sign and execute all deeds and contracts in the name of the Authority when so authorized by the Commission. He shall do and perform such other duties as may be fixed by the By-Laws and from time to time assigned to him by the Commission. In the absence of the Chairman, the member of the Commission so designated by the Commission by resolution from time to time shall serve as acting Chairman, and shall exercise all of the duties of the Chairman.

Section 7. The Secretary shall keep the minutes of all meetings of the Commission, and of all committees thereof, in books provided for that purpose; he shall attend to the giving, serving, and receiving of all notices of process or of against the Authority; he shall sign with the Chairman in the name of the Authority all deeds and contracts authorized by the Commission, and when so ordered, he shall affix the seal of the Authority thereto; he shall have charge of all books and records, all of which shall at all reasonable times be open to inspection and examination by the Commission, or any member thereof. The Secretary shall do and perform such other duties as may be fixed by the By-Laws and from time to time assigned to him by the Commission.

Section 8. The Treasurer shall have custody of all the funds and securities of the Authority which may come into his hands or possession; when necessary or proper, he shall endorse in behalf of the Authority for collection, checks, notes and other obligations, and shall deposit them to the credit of the Authority in a designated bank or depository; he shall sign all receipts and vouchers for payment made to the Authority; he shall keep moneys of the Authority invested in proper legal investments for moneys of the Authority; he shall render a statement of his cash accounts when required by the Commission; he shall enter regularly in the books of the Authority to be kept by him for that purpose full and accurate accounts of all moneys received and paid by him on account of the Authority, and shall at all reasonable times exhibit his books and accounts to the Commission or any member thereof when so required. He shall prepare and submit to the Commission an annual budget covering the next fiscal year, which budget shall be prepared and so submitted at least three (3) months before the commencement of such fiscal year. He shall perform all other acts incidental to the position of Treasurer fixed by the By-Laws and as assigned to him from time to time by the Commission. He shall be bonded for the faithful discharge of his duties as Treasurer, the bond to be of such character, form and in such amount as the Commission may require.

Section 9. The members of the Commission shall be entitled to be reimbursed for expenses incurred by them while on authorized Authority business. The members of the Commission shall not be entitled to any compensation for services rendered to the Authority unless such compensation shall be authorized by the Commission and approved by a majority of the members elect of the Council of the City of Grosse Pointe Farms.

Section 10. The books and records of the Authority and of the Commission, officers and agents thereof, shall be open to inspection and audit by the City at all reasonable times. The Authority shall submit an annual report to the City Council at the same time as the audit of the City's General Fund is received and approved by the City Council.

ARTICLE VI

These Articles of Incorporation shall be executed in duplicate and delivered to the County Clerk for the County of Wayne, who shall file one such duplicate in his office and the other with the Secretary of the Authority when selected. The Clerk of the City of Grosse Pointe Farms shall cause a copy of these Articles of Incorporation to be published once in the Grosse Pointe News, a newspaper of general circulation within the City of Grosse Pointe Farms, accompanied by a statement that the right exists to question the incorporation in a court of competent jurisdiction within 60 days after the filing of certified copies of the Articles of Incorporation as provided in the Act. The said County Clerk shall file one printed copy of such Articles of Incorporation with the Secretary of State and one printed copy in his office, attached to each of which printed copies shall be his certificate setting forth that the same is a true and complete copy of the original Articles of Incorporation on file in his office and also the date and place of the publication thereof, all as provided in the enabling Act.

ARTICLE VII

AMENDMENTS

Amendments may be made to these Articles of Incorporation as provided in Section 10 of the Act.

ARTICLE VIII

REGISTERED OFFICE

Location of registered office and post office address is:
Office of the City Clerk
30 Ferry Road
Grosse Pointe Farms, Michigan 48236

ARTICLE IX

These Articles of Incorporation shall become effective and be in full force and effect upon their publication as provided in Article VI hereof and in Act 31 of the Public Acts of Michigan of 1948, First Extra Session, as amended.

IN WITNESS WHEREOF, the incorporating unit, by a majority vote of the members elect of its Council, has adopted and authorized to be executed these Articles of Incorporation, in behalf of the City of Grosse Pointe Farms, County of Wayne, a municipal corporation of the State of Michigan, by the Mayor and the City Clerk of the City of Grosse Pointe Farms.

CITY OF GROSSE POINTE FARMS
Wayne County, Michigan

By JAMES B. DICHMAN
Mayor

By RICHARD C. SOLAK
City Clerk

APPROVED AS TO FORM:
GEORGE E. W. DEAN
City Attorney

CERTIFICATE

The foregoing Articles of Incorporation were adopted by the Council of the City of Grosse Pointe Farms, County of Wayne, Michigan, at a regular meeting held on the 15th day of May, 1976.

RICHARD SOLAK
City Clerk
City of Grosse Pointe Farms

Pursuant to Act 31, P. A. Michigan of 1948, First Extra Session, the right exists to question the incorporation in a court of competent jurisdiction within 60 days after the filing of certified copies of Articles of Incorporation as provided in the Act.

Guild Gives Its Gift to Bon Secours

Highlight of Bon Secours Hospital Guild's May annual meeting was the official presentation by MRS. ELWOOD WACHTER, Guild president, of a check for \$5,200 to BARRY M. SPERO, Bon Secours executive director. The contribution is earmarked for construction of a conference room for therapeutic dieticians and food service managers, with a portion reserved to meet next year's pledge for a consultation room. Following the business pro-

gram, featuring annual reports by Mrs. Wachter, Mrs. Chester Clark, first vice-president, Mrs. Raymond Kraus, second vice-president, Mrs. Roderick McKnight, corresponding secretary, Mrs. Frank Hilton, treasurer, Mrs. Herbert Kelleher, financial secretary, and Mrs. Norval Labadie, recording secretary, the Sisters of Bon Secours entertained Guild members with tea, sandwiches and pastries.

Trinity Honors Marcella

Trinity College, oldest Catholic college for women in the nation, dedicated Seymour Court during a spring mass on the Washington, D.C., campus. The Court is named in honor of alumna MARCELLA MCMALE SEYMOUR, of Edgemont Park. The mass was celebrated by her close friend THE REVEREND EUGENE BURKE, CSP, who taught Theology at Trinity and the Catholic University of America for 25 years.

Mrs. Seymour, wife of the late Bartholomew A. Seymour, has served as president of Trinity's Alumnae Association and is a charter member of its President's Council.

First woman to receive a graduate degree from the University of Detroit, she holds an honorary (1973) degree from Trinity. She has been very active in the metropolitan Detroit community, serving as supervisor of Social Services for the League of Catholic Women and as associate director of the Education Department of Detroit's Board of Health, and in more recent years on the board of United Community Services and the Archdiocese of Detroit.

Two of her five children, Isabel (Mrs. John) Fitzer, of Bloomfield Hills, and Marcella (Mrs. John) Lilly, of Riverside, Conn., are Trinity alumnae.

Detroit is Poised For Opera Week

Traditional Pre-Opening Night Performance Dinner to Be Presented Monday at Detroit Club; Hosts Are DGOA Officers

Detroit's social season reaches a high note Sunday evening, when the 350-member Metropolitan Opera Company begins arriving in the city for a week of Masonic Temple performances.

Social highlights of the week include "Supper with the Stars" at the Grosse Pointe War Memorial Sunday night, (see "From Another Pointe of View" for more about this festivity), preceded by a cocktail party hosted by Mr. and Mrs. Arthur A. Seder, Jr., at their Renaud road home.

Officers of the Detroit Grand Opera Association, sponsor of the Met's annual visit, will hold their traditional dinner at the Detroit Club prior to the opening night performance.

Hosting the Monday, May 24, affair are Mr. and Mrs. Frank W. Donovan, of East

Register Now . . . for Spring Craft Classes. Combination Craft Workshop, Tape and Decorative Painting, Country Carving, Dried Flowers, Quilting . . . Fisher Wallpaper and Paints' Crafty Corner in the Village. 16947 Kercheval.

Here is good news if you are wondering where to go for quality drapery cleaning. HENRY'S CLEANERS in Grosse Pointe Woods will make them look their best. Bring them into their plant at 20119 Mack Avenue and see for yourself.

Short and to The Pointe

(Continued from Page 15) STEPHEN ELIASON, son of the PAUL ELIASONS, of Balfour road, was recently inducted into Mortar Board national senior honors society at Hope College.

JON WATTS, son of MR. and MRS. FRANK WATTS, of Cloverly road, has received his third year varsity letter in swimming from Bowling Green State University, where he is a junior.

Pointers DAVID BROWN and FREDERICK LEHMANN have been named to the Grand Valley State College' College of Arts and Sciences winter term Dean's List.

Among participants in the Midwestern Association of Behavior Analysis' second annual convention was Western Michigan University graduate student NANCY A. NEEF.

DR. and MRS. THOMAS D. KENNEDY, of Bowling Green, Ky., announce the birth of a daughter, CHRISTINE ELIZABETH, April 20. Mrs. Kennedy is the former CHRISTINE MEYER, daughter of the NORWOOD MEYERS, of Greenbriar lane. Paternal grandparents are MR. and MRS. C. T. KENNEDY, of Elkins, Ark.

ANTONINA M. BREM, Ph.D., a microbiologist at Saint John Hospital, has been elected president of the Alger-Hoffman VFW 393 Auxiliary.

Visiting Scotland and England this spring with a University of Michigan tour were DRS. ELIZABETH and JOHN A. ROSS, of Harbor Hill.

Appearing on WJBK-TV's "People" show May 9 was DR. CARL E. THOMAS, of Balfour road, director of Lutheran Social Services of Michigan.

ROBERT B. HEALY, of Mount Vernon road, has been elected to his fourth term on the Michigan Heart Association's board of trustees. He has held several leadership positions with the Association, including membership on the program priorities and public relations committees.

Among more than 400 Masons from 11 southeastern Michigan counties who received Scottish Rite Freemasonry's 32nd degree at the conclusion of a two-weekend reunion April 24 at Detroit's Masonic Temple were JAMES F. MUNDT, of Vernier road, and WALTER H. MUNDT, of Harper Woods.

New Notre Dame Club Officers Are Elected

Pointer James Mutschall, Jr., will serve as secretary of the Notre Dame Club of Detroit in 1976-77. Other officers whose terms begin this month are Burke Cuseny, of Bloomfield Hills, president; Jerrold McPartlin, of Detroit, and Terence Desmond, of Troy, first and second vice-presidents, respectively; and Jerome Kelly, of Birmingham, treasurer.

The Detroit Club, with 1,150 metropolitan alumni, is the fourth largest Notre Dame alumni unit of approximately 64 located around the world.

Some 50 of 1,650 freshmen entering Notre Dame each year are from the Detroit area. Women, being accepted at a much larger rate, make up nearly one-fifth of the student body.

Over 80 percent of the 1976 freshman class were in

tives, will be attending the dinner.

Once again, the DGOA General Committee has invited members of the Met company to a mid-week luncheon. Host this year is Hiram Walker, Inc. Buses will transport the company to Windsor Wednesday, May 26, returning everyone to their hotels in time for the evening performance.

As always, Detroit's opera lovers have scheduled a round of private dinner parties throughout the week. Opera Week begins with Monday evening's production of "Carmen."

"Il Trillio" will be presented Tuesday, May 25, "Die Meistersinger" Wednesday, May 26, "La Gioconda" Thursday, May 27, and "Aida" Friday, May 28. "Le Nozze di Figaro" will be the Saturday, May 29, matinee performance. "Un Ballo in Maschera" ends the season Saturday evening.

From Another Pointe of View

(Continued from Page 17)

Michigan Historical Society, National Trust and the Engineering Society of Detroit.

Patrons of Art

Stephen Veresh's eight-by-twelve foot "Phoenix Rising from its Ashes" is in place on the west wall of the Scarab Club, thanks to the generosity of a pair of Pointers, Curtis Carmichael and Ira Latimer, who made possible materials and work area for the copper sculpture.

Cited for Service to Blind

Bill Dennes, of Fisher road, was in Washington last week — at the White House, no less! — accepting an award from Mrs. Gerald Ford on behalf of National Recording for the Blind, Inc., for service to students.

Mrs. Dennes is chairman of Recording for the Blind's local chapter.

WHAT A Sister Act!

Suzanne Lia Leon added another laurel to her growing list of musical honors when she emerged as first alternate winner in the first annual Meadow Brook Music Festival young artists competition.

The 14-year-old daughter of Mr. and Mrs. Harold Leon, of Ridgemont road, has studied violin under Jeanne Rupert at the Detroit Community Music School for the past nine years. For the past three summers, she has also studied under Sally Thomas at Meadowmount School of Music's summer camp in New York state.

She's presently concertmistress of both the Grosse Pointe Junior Symphony and the Grosse Pointe South High School Symphony, (not bad for a ninth grader!), and has been a winner of the Zerounian strings award competition and a Southfield junior symphony contest.

At Meadow Brook, Suzanne performed Wieniawski's Concerto Number 2 in D Minor, Opus 22, for violin and piano as her audition selection. Pianist Stephanie Leon accompanied her little sister.

Stephanie's been getting her share of musical honors this spring, too: the South High sophomore was named one of Michigan's five Outstanding High School Soloists for 1976 by the Music Committee of the Youth Arts Festival of Michigan Week.

Stephanie, a pupil of A. J. Fillmore at the Detroit Community Music School, chose the First Movement from Edward MacDowell's Concerto Number 2, Opus 23, in D Minor for her Central Michigan University audition piece.

She returns to CMU this Saturday as featured soloist with the Grand Rapids Youth Symphony in a Michigan Week program showcasing top high school talent in music, art, dance, drama and creative writing.

Now that's SOME Sister Act, right? . . . Well, would you believe a Family Quartet! There's no end to musical talent in the Leon household, with littlest sister Kelly, 11, following in Suzanne's footsteps as a violinist, and big brother Craig, 19, a pianist like 15-year-old Stephanie.

Cited for Red Cross Service

A pair of Pointers, Mrs. Sophia Hill and Mrs. Harley Higbie, were among a quartet who recently received pins for 35 years' service to the community through Red Cross.

Staff member Mrs. Hill has supervised Southeastern Michigan Chapter Blood Center Records since the early 1960's. She began her Red

the top 10 percent of their high school classes and were members of the National Honor Society.

Notre Dame Club of Detroit activities for 1976-77 will include a night at the Detroit Race Course, a family picnic at Burroughs Farms, a golf outing at Great Oaks Country Club and a bus trip to the Michigan State-Notre Dame football game in East Lansing.

Among those receiving pins for 30 years' service was another Pointer, Mrs. William K. Muir, Chapter board member.

Elected to the board of directors in 1944, she has served on a number of committees, including the Building Fund steering committee which successfully raised over \$1 million for Chapter headquarters at Mack avenue and John R street.
