#### Rose Terrace Faces Final Days

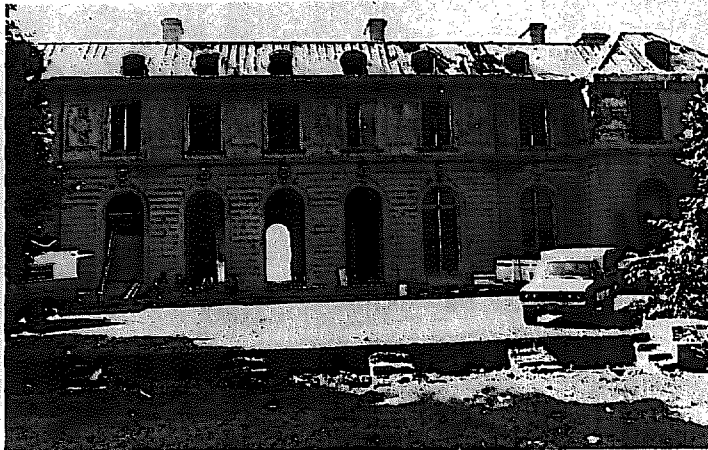

Photo by Tom Greenwood

Crumbling steps, litter and an empty shell are all that now remain of the once great Rose Terrace. The former home of Anna Thomson Dodge has been completely stripped of interior

and exterior furnishings. Panels, tiles, glass, doors, draperies and all fixtures have been removed. Workmen estimate the walls of the relic of a bygone era will come down in two to three weeks.

### Annexing of Colonial Road Land Viewed

Shores Council Expresses Interest in Possibility of Arranging for Joining of All Properties at End of Street Presently in Woods, But Served by Village

By George Polgar Jr.

While considering extension of water and sewage service to two proposed new homes to be built at the end of Colonial road, The Shores Council expressed an interest in the possibility of arranging for the annexation of all properties at the end of the street which are presently in The Woods but are serviced by The Shores.

This proposal was discussed by The Shores Council at its Tuesday, July 20, meeting.

The council authorized City Attorney William Kilbuck to contact Woods City Attorney George Catlin to discuss the feasibility of annexing the five lots at the end of Colonial road which are serviced by Shores public works and public safety personnel.

The issue arose out of realtor Robert G. Edgar's recent appeal for a variance in lot size specification before The Woods Council. The property at the end of Colonial road is the proposed building site for two new homes by Mr. Edgar.

At a public hearing where Mr. Edgar presented his variance appeal, The Woods Council accepted the contention that the subdivided lots would be as large as 80 percent of the rest of the properties on Colonial road.

However, a final decision on the matter was deferred until a meeting concerning the extension of service could be worked out with The Shores. The date set for final disposition of the matter was Monday, August 2, in The Woods.

The Woods home owners living at the end of Colonial road pay no taxes to The Shores for the services they receive, but The Woods is billed \$103 quarterly for Shores garbage collection services.

Shores council members did not voice any basic disagreement with the mutual cooperation agreements between the communities but their sentiments about the extent of these arrangements were summed up in a half joking remark by Councilman C. Bradford Lundy.

"So The Woods will approve the building of two more homes and those nice people in The Shores will take care of them," he said.

Another area of concern for Shores officials is the fact that the four-inch water main that serves the homes on Colonial road is already reportedly inadequate for residents in The Shores and The Woods.

This question also was raised at the Woods' hearing by a neighbor of the proposed new homes.

Mr. Catlin said he had no comment to make at this time but indicated this could be a policy question for the Council to decide.

### Bid to Put Question on Ballot Fails

One Mill for One Year Proposal Loses As Council Nixes Motion, 4-3

By Roger A. Waha

A motion to place the subject of a fishing pier on the November 2 election ballot was defeated by The Woods Council via a 4-3 vote at its regular meeting Monday, July 12.

As a result, the outlook for further action this year on the proposed pier appears slim.

The motion to concur with a Committee of the Whole, (C.W.), recommendation, made by Councilman George Custer, that the matter of the construction of the pier at the Lake Front Park in the amount of one mill be placed as a referendum question on the ballot, provoked discussion between council members, particularly in the area of costs.

If the motion passed and the voters approved the question, the one mill would have raised around \$100,000 which would have gone along with some \$100,000 tentatively set aside from the Lake Front Park bond issue, said Councilman Chester E. Petersen. The estimated total cost of the project would be \$200,000, including engineering and contingency fees.

At the same time, if the motion was approved, the voters would be asked to authorize to levy an additional one mill for one year.

Asked what is the outlook for the proposal, Mayor Benjamin W. Pinks said he would try to get the council back together and see if some members would change their minds. However, he indicated that action this year on the question was on the dim side.

Noting that it wouldn't cost the city anything to have the question placed on the ballot, Pinks said he would like to see the question placed on the ballot in August 31, the mayor stated a vote from citizens would give a good indication of how many wanted, or didn't want, the pier.

Authorize Plans  
He felt this November was the best time to have such a question placed before voters because of the expected

### City Invites All to Concert

As their part in the summer's Bicentennial celebrations, Grosse Pointe City fathers have invited the entire community to a free-open-air Grosse Pointe Symphony Orchestra concert on Wednesday, August 4.

Residents of all the Points are invited to the Neff Memorial Park performance beginning at 8 p.m. Seating will be available on a first-come basis, while admission is free to citizens with their local park pass.

The City and the Grosse Pointe Symphony Society are sponsoring the event.

Felix Resnick will conduct a program beginning with "The Nutcracker" (Marius Petipa), including Copland's "Billy the Kid" and "Rodeo," Strauss' "Tales from Vienna Woods" and Lewis Surell's arrangement of the traditional "Waltzing Matilda."

Selections from Rodgers and Hammerstein's "Sound of Music," Mancini's "String on Fire," Casavara's arrangement of Copland's "Wildcat," Hayman's "American Suite" and Ward's "America the Beautiful," also will be performed.

Concertgoers may park in the Neff Park parking lot, the adjacent street parking area and the National Bank lot in Rivard avenue.

The rain date is Friday, August 6.

### GP Woods Approves Two Laws

License Application Fees, Duplex Housing Units Subjects of Ordinances

Two ordinances to amend the city code were unanimously adopted by The Woods Council at its regular meeting Monday, July 12.

One law provides that license application fees be paid at the time the license is approved, while the other prohibits changing the appearance of duplex housing units.

A memo from Public Safety Director Henry Marchand to City Administrator Chester E. Petersen regarding a vendor's license was the driving force towards the amendment.

In that communication, Director Marchand strongly urged that the policy of accepting the applicant's money be rescinded immediately for two reasons.

First, most, if not all, vendors begin their business upon paying their fee and before the application is approved, he said. Second, the necessity of returning fees when an application is denied and the confusion involved was mentioned.

The director then cited the application of a "classic example."

"After he paid his fee he immediately began his ice cream business, until stopped by one of our officers. He said he paid his fee and thought it was all right to start selling."

"Here we have an individual with eight points on his

### GP Woods Approves Rules Governing Use of Tennis Courts at Ghesquiere Park

Regulations Are Outgrowth of Some Citizen Complaints over Usage; Public Safety Director Marchand Expresses Concern over Enforcement of Guidelines by Officers of Department

By Roger A. Waha

Rules and regulations governing the use of the tennis courts at Ghesquiere Park were adopted by The Woods Council at its regular meeting Monday, July 12, via a 6-1 vote. The rules regulating play are new and are an outgrowth of past concerns over non-residents utilizing the courts to the exclusion of residents.

At the same time, another concern was expressed over the enforcement of the rules by Public Safety Director Henry Marchand in a memo which Councilwoman Joan M. Mullan, who was the dissenting vote, requested he send to citizens in the audience.

City Administrator Chester E. Petersen said the department will be responsible for enforcing the regulations and told the council it was the department's duty to enforce any ordinance or regulations the city may have.

Cites Reasons  
As for the reasons for the requirements, Mr. Petersen cited two points based upon his understanding. One is that Ghesquiere Park tennis courts are being utilized by many non-residents "and our citizens are apparently not able to get on the courts."

The second factor is based upon complaints from some citizens, who said groups would hold courts for an indefinite period of time and not give other residents a chance to use them.

"As you know, the proposal to regulate tennis playing at the Ghesquiere Park courts came from the Committee of

the Whole itself," Mr. Petersen told the council. He cited the use of the courts by some non-residents but felt the problem wasn't as great "as some of us might like to think it is."

Nonetheless, Mr. Petersen added the rules give the city an opportunity to control court usage.

Never Been Problem  
In his memo, Director Marchand felt that problems, which do not presently exist regarding the use of the courts, might be created.

"I can count the number of instances reported at the police desk on one hand relating to conflict over the use of the tennis courts since they were erected many years ago," he said.

"The use of tennis courts has never been a problem and is not a problem now, so why create unnecessary work and expense to the city, let alone inconvenience to potential tennis players."

Indicating his opposition to

### Bike Policy Gets Results

A new "get tough" bike safety policy is taking its toll on cyclists who continue to disregard the basic rules of the road, says The Parks Police Department in a report on bicycle enforcement activity for June.

Under the special summer enforcement program announced by Parks Police Chief Robert Ferber in May, Parks police are keeping a close watch on juveniles and adults who disregard stop signs, red lights and other traffic regulations.

During the first month of the program, Parks officers gave out 210 verbal warnings to juveniles and 125 verbal warnings to adults. Written warnings were handed out to 29 adults and 10 juveniles.

For adult violators were fined for various infractions, while 69 juveniles had contact cards sent to their parents or guardians. Two juveniles had their bikes confiscated and released to parents, while one case was referred to juvenile court.

### Park, City To Benefit From Funds

Community Development Block Grant Monies to Be Used for Various Programs

Wayne County succeeded this year in more than tripling the area's share of Federal Community Development Block Grants, benefiting The Pointe to the tune of \$119,000.

The Park's \$66,000 grant will be used to provide open space and increased off-street parking in the community's Kercheval and Mack avenue business areas.

Most of The City's grant, \$46,000, will be used to fund the on-going street resurfacing program. Another \$13,000 will go to upgrade the street lighting system in Kercheval avenue business section from Cadieux to Neff.

"Terrific Indication"  
Last year Wayne County netted \$637,000 for 18 participating communities including \$26,000 for the City of Grosse Pointe. The grant for The Park to buy land for off-street parking.

This year a grant for 24 participating communities was approved in the amount of \$2 million, which Wayne County Board of Commissioners chairman John Barr said "is a terrific indication of what we can achieve with cooperation and coordination."

Wayne County was able to significantly increase funding to its members this year because of better organization and more widespread participation, according to Mr. Barr.

Under the grant program, now in its second year, cities apply for the Housing and Urban Development funds in the form of proposals through their county. Amounts of funds received by communities depend on their population, per capita income and other factors.

In a letter to the mayors and other chief officials of participating communities, Mr. Barr said that "this program provides an opportunity for Wayne County and local units of government to form another constructive partnership and I want to extend thanks for the cooperation received."

Others in Need  
The Park and City are the only Points in the program.

In The Woods, Mayor Benjamin W. Pinks said the majority of the council de-

### Requests for Use of Park Discussed by GPW Solons

By Roger A. Waha

Two requests from residents for the use of the Lake Front park to celebrate the 100th birthday of the city were discussed before being approved by The Woods Council at its regular meeting Monday, July 19.

The council approved a request from Mrs. Joseph Fik, of Yorktown road, by a 5-1 vote for use of the park on Wednesday, August 1, for a family picnic in honor of her mother's 72nd birthday.

Then the solons unanimously okayed the bid of Eugene Schmidt, of Allard road, not for use of the park to celebrate his father's 80th birthday on Sunday, August 1, as originally requested, but on Saturday, July 31.

Both requests provoked considerable exchanges, mainly

### Farms Boat Club Slates Big Regatta

Event, Set for July 23-25, Features Boat Races, Bike Contest, Pageant and Parade

All residents of The Farms are invited to a three-day regatta being sponsored by the Grosse Pointe Farms Boat Club Friday-Sunday, July 23-25.

The regatta, which will be the 24th annual gathering held by the club, will again take place at the Farms Pier according to Betty Lardner, information chairman.

Festivities will begin on Friday evening at 8 p.m. with a teen dance, which will be held at The Adrenaline. Mr. and Mrs. Peter Frame are chairing this event.

Off to Races  
Power boat races will be held Saturday morning, starting at 9:30 a.m., under the direction of Harold Messer. At 12 noon, Dr. Edward Eldredge, chairman of all racing events, and Bill Steinhilber, who is directing the sailing races, will hold a skippers meeting with the sailing races to start at 1:15 p.m.

A new addition this year will be a race for skippers who have never before competed.

The popular Decorated Bike contest will begin at 2 p.m. under the direction of Pat Naidow. Each entrant will receive a gift. Then Ross Naidow will conduct the children's games and contests starting at 3:30 p.m.

Adult games will begin at 5 p.m. with the annual egg-toss high on the list of happenings.

Pageant Planned  
The Miss Grosse Pointe Farms Pageant will start at 6:30 p.m. The judges for the event include Stelene and John Mazer, Pepper White-law, Beth Karsa, Commissioner Ervin Steinhilber, Police Chief Robert Ferber and William Demerott.

Among the contestants are Leslie Edmonds, Vickie

AN EARTHQUAKE on the island of Bali has killed at least 22 persons and injured 2,500, officials said Thursday.

The quake, measuring 5.6 on the Richter Scale, hit Wednesday, far from the tourist areas on the island. It destroyed 80 percent of the homes in the Bueleng district on the island's northern tip and Seririt in central Bali was almost destroyed, officials reported. More than 100 persons, mostly children, were injured in Bueleng by falling buildings, while 10 children died in Seririt when a school building fell.

#### Saturday, July 17

TWENTY-SIX CHILDREN and their bus driver vanished after a summer school session in the rural central California community of Chowchilla late Thursday, and the FBI said it believed they were the victims of a mass abduction. However, before dawn Saturday, the children and driver were reunited with their families, while a search for three suspects began after a terrifying 36-hour adventure in which the bus was waylaid by masked gunmen. The occupants were herded into vans, and then buried alive in an earth-covered truck trailer they believed was fashioned as their coffin. They escaped by digging their way out of their prison.

THE FINAL 56 delegates to next month's Republican National Convention were selected Saturday with President Gerald Ford sweeping all 35 Connecticut delegates and Ronald Reagan winning 20. Connecticut's 35 votes boosted Mr. Ford's count to 1,038—only 32 short of the 1,070 needed for nomination. Mr. Reagan's total climbed to 1,062, there are 99 uncommitted delegates, and a third of them can determine the nominee.

SIX YOUNG MEMBERS of a southwest Detroit family died Sunday morning in the firebombing of their home. Two other members of the family were severely burned. Six others escaped from the house at 1270 North Solway before it was destroyed in a four-hour blaze. Police held for questioning nine persons who allegedly were involved in a neighborhood feud with the fire-bombed family. The six victims were all male and ranged from three to 20 years of age.

#### Tuesday, July 20

SIX PERSONS, two of them children, were pulled nearly unconscious from the chilly waters of Lake St. Clair early Monday after spending eight hours adrift in their life preservers. They had plunged into the lake after their 27-foot cabin cruiser struck rocks and sank shortly after midnight. Bobbing in the waves, the group sang and talked and played alphabet games in an attempt to hold their fear, ignore the cold and stay afloat.

### Proposed Parking Ban Draws Fire from Citizen

By Susan McDonald

The Grosse Pointe City Council was told their plans to ban parking on Cadieux road from the house at 1270 North Solway before it was destroyed in a four-hour blaze. Police held for questioning nine persons who allegedly were involved in a neighborhood feud with the fire-bombed family. The six victims were all male and ranged from three to 20 years of age.

If parking were prohibited on Cadieux, Miss Whitten maintained, it would be impossible for the residents to entertain guests, receive visitors or any other visitors as the closest parking spaces

would be blocks away. The condominiums are provided with only one space per unit. "We were stunned and horrified to hear of this plan and we know we couldn't live with it," she said.

Miss Whitten estimated that the ban would reduce the value of their property by as much as \$2,000 per unit.

The council approved a resolution at its Monday, June 21, meeting, saying that if their current Federal highway grant application was approved, providing The City with funds for new street signs, they would prohibit parking on Cadieux as well as five other streets.

Other streets affected would be North Maumee from Cadieux to Fisher; north

## Rules for Use of Tennis Courts Approved ni Woods

(Continued from Page 1)  
enforcement of the rules resting with officers of the department, the director said. "The work load of the department should indicate that we have all we can take care of, let alone enforce a rule relative to tennis court use."

**Wrong Priority**  
He then asked why can't an employee of the parks and recreation department be on duty at the park until 10 p.m.? "If public safety has to control the parks, do we need a parks department?"

The director also said he could see where the issuance of permits will become the responsibility of the clerk-dispatchers, while stressing they didn't need this additional work.

He cited another point, "In

the event one of the stand-by men were out in the park settling a dispute over the use of the tennis courts and missed a fire or ambulance run, I think we would be hard-pressed to justify the delay in response to an emergency run."

Mrs. Mullan agreed with Director Marchand's viewpoint and said his letter made sense. She felt the priority was wrong in having the department enforce the rules.

"We have some problems over there but there are better solutions, like hiring a part-time summer employee to check park passes and the equitable use of the tennis courts," said Mrs. Mullan.

**Need Reservation**  
There are 15 rules and regulations including the following:

• Tennis courts shall not be used without first making a reservation and obtaining a permit.

• For the period from 7:30 a.m. every day, courts are available to residents on a first-come-first-serve basis.

However, from 8:30 a.m.-5 p.m., Monday-Friday, reservations for the use of a court must be made on a daily basis at the information desk in the municipal building, 20025 Mack avenue. When reservations are made for such times on a Saturday, Sunday or holiday, they must be made on a daily basis at the public safety desk.

From 5-9 p.m., Monday-Friday, Saturday, Sunday or on a holiday, reservations must be made on a daily basis at the public safety desk.

• Reservations must be made in person by one of the parties seeking court time. No telephone reservations will be accepted. The names of all persons in the party must be recorded at the time the reservation is made.

• Multiple reservations may be made for any one day provided a minimum of three hours elapses between reservations. Consecutive reservations shall not be made by other members of the party.

• Tennis courts will be available for Woods residents, who hold valid park passes, on each and every day between 7 a.m.-10 p.m.

• Parties playing doubles may reserve a court for a one and a half hour period, while parties playing singles may reserve a court for a one hour period.

• Upon making a reservation, a resident will be issued a permit which states the court number, time and reservation date. The permit must be brought to the court at the appropriate time and must be retained until the reservation time has expired.

Should the reserved court be occupied, and the parties in possession of the court fail to yield to the duly authorized permit holder, such action may be construed as a violation of a city ordinance, and shall be subject to enforcement by the public safety department.

• Regulation soft-soled, heel-less shoes must be worn while playing.

• A regular or tennis shirt must be worn while playing.

• Smoking is not permitted on the courts or while using the courts.

• Park permits must be displayed upon the request of the tennis court attendant or park personnel.

## Outlook for Pier Dim

(Continued from Page 1)  
heavy turnout for the presidential election.

As for another proposed ballot question, Mr. Pinkos stated he doesn't see one on a special election basis where citizens via the initiative petition route request that the matter be placed on the ballot.

We'll probably wait another year unless there's an initiative petition drive or the council decides to use the monies we have with a direct tax levy to pick up the rest of the funds. However, Mr. Pinkos added he was reluctant to use the latter approach unless the people were receptive.

At the first of the year, the council concurred in a C-W recommendation authorizing the city engineer to formulate engineering plans for the proposed pier, (cost not to exceed \$100,000), and research the project as a cost not to exceed \$2,000.

**Concern over Monies**

Mr. Petersen said the preliminary design called for pre-cast concrete piling and deck, plus aluminum railing, along with initial dredging which would meet Department of Natural Resources

criteria to attract additional fish. As proposed, the pier would be around 350 feet in length, be lighted and of a sufficient width to accommodate fire apparatus and the ambulance.

In noting the mixed feelings of officials on the pier project, Mr. Pinkos said the council generally felt they wouldn't like to go ahead, thus abandoning the forward thrust of the proposal, because there might not be enough money to complete the project. So the mayor said he suggested giving the people a chance to determine the question.

Related to this, Councilman Ronald R. Keegen, chairman of the Parks and Recreation Committee, stated that in order to build the kind of pier, some had in mind it would cost in the area of \$250,000.

He indicated that the \$100,000 set aside for such a purpose would result in a smaller pier, plus the concern of higher costs if the city decided to go in several construction phases over a period of time.

**Questions Raised**

For his part, Mr. Keegen cited a main concern over the use of the amount set aside for the pier. "We have a brand new facility and we really need a contingency if problems occur. It's just good business, that's all," he said.

At the meeting, both Councilwoman Joan M. Mullan and Councilman John Sabol, who, along with Mr. Keegen and Councilman George S. Freeman, voted against the motion, felt a referendum question should call for the entire cost of the pier—not just an additional amount to be added with the bond issue monies set aside.

Mr. Freeman asked if it was possible to have a revenue producing project with some boat dockage in the immediate pier area. It was said the council could determine a revenue bond issue in such a case. He felt a further investigation of the entire matter should be made, while adding he would vote "no" at this time.

(Those voting "yes" included Mr. Pinkos, Mr. Cuetter and Councilman Conrad A. Naegel).

Finally, the council, by a 5-2 vote, also concurred with a C-W recommendation that it not proceed any further on any application, permit, design or construction of a fishing pier at the present time.

## Carnation Sale To Aid Research

The American Cancer Society, in cooperation with Detroit area Jaycees and the Allied Florists of Metropolitan Detroit, will conduct the society's third annual "Carnation Sale for Cancer Research" tomorrow-Saturday, July 23-24.

The Cottage Hospital Branch number one, which consists of Grosse Pointe, Harper Woods and northeast Detroit, will have booths set up in-the-Village by Jacobson's and Cunningham's. Two areas also will be located at Eastland Center.

Money raised from the sale will be used for research, public education and service programs.

## Requests for Park Usage

(Continued from Page 1)  
would be rough and it would be, overall, a hardship to hold the event at their home. City Administrator Chester E. Petersen noted the city has received more and more such requests because of the popularity of the park, with its new facilities. He said no policy has been set up to allow such activities, and this was the reason why both requests were before the council regarding the adoption of a policy to permit such affairs.

Mr. Petersen stated if the council agrees on formulating a policy, it would be incorporated into park rules and regulations.

Mayor Benjamin W. Pinkos noted that by special council action, approval for park usage during weekdays has been granted in the past based upon the guideline that 50 percent or more of the residents participating were Woods citizens.

In the case of the Fikany request, Mr. Cueter replied they shouldn't be penalized "for a lack of effort on the city's part to formulate guidelines."

Meanwhile, Mrs. Schmidt, who represented her family, also cited traffic problems on her street while saying her family has paid taxes for 20 years, were not asking for a special privilege but just wanted a little consideration.

In reply, Mr. Pinkos said taxpayers deserve a lot of consideration, while adding the council was wrestling with the problem in relation to many other citizens coming before officials with similar requests. He indicated each one would have to be considered on a separate basis.

As it turned out, Mr. Cueter moved that the Fikany bid be granted and Councilman Conrad A. Naegel supported the motion. The tally was taken and Councilman John Sabol cast the lone dissenting vote.

In explaining the reasons for his "no" vote, Mr. Sabol said, "When citizens make a request of the council, I feel as long as the council spends its time on the matter, the individual should come to the council chambers."

At the same time, Mr. Sabol said the family lived in a new northeast subdivision area which contain larger homes, and felt Mr. Cueter's argument on parking problems, inconvenience, et al, wasn't actually the case. The whole neighborhood has parties constantly and there's not much inconvenience regarding parking, he noted, while adding, surrounding neighbors often extend the use of their driveways to

help, and the request wasn't really one of hardship.

In the second instance, Mr. Cueter also moved that the Schmidt request be approved for Sunday, and Mr. Naegel seconded the motion. However, moments later, Mrs. Schmidt was advised to try to change the date to a Saturday, with Mr. Naegel saying the vote would be more favorable.

Then Councilman Ronald R. Kefgen made a substitute motion that the request be approved but for Saturday, July 31, and this passed unanimously. Mrs. Schmidt said she would try and contact the 30-35 guests to see if there would be problems regarding the date change. She was told, if complications arise, to contact Mr. Petersen.

Councilwoman Joan M. Mullan, who felt some policy should be set regarding such requests, then moved that the matter be referred to the Citizens Recreation Commission for its study and recommendation. This motion also passed unanimously.

## Woods Okays Two Laws

(Continued from Page 1)  
traffic record plus a criminal record driving around our city. For all I know he could be looking for possible buildings to break into," the director said.

"Waste of Time"  
"This is not the first time I have denied an application after an applicant has paid his fee and started his business. This practice seems to be a waste of employee's time and the taxpayer's money."

In an effort to avoid further similar problems, the new amendment says upon approval of any application for vendor or peddler licenses and house-to-house solicitor and canvasser licenses, the city clerk will issue the required permit and license. Permit and license fees will be payable to the city upon approval of the application.

The annual fee for a vendor or peddler license is \$20, while the solicitor and canvasser fees are broken down in three categories. They are a per diem fee of \$2, a per month fee of \$10 and a per year fee of \$50.

All annual permits and licenses issued after September 1 will be one half of the aforementioned amounts. This measure becomes effective 20 days after the date of its enactment.

**Need Approval**  
The duplex housing units law was originally recommended to the council by the Planning Commission to prevent the deterioration of such units.

As approved, the amendment says any proposed repair, remodeling, renovating or repairing of a duplex housing unit or condominium unit which would result in a contrasting appearance of the exterior of the unit or units will not be permitted.

Any proposed work on a duplex or condominium unit must be submitted to the city building inspector for approval of such repair, remodeling, renovating or repainting.

This amendment also becomes effective 20 days after its enactment date.

## Parking Ban Draws Fire

(Continued from Page 1)  
Charlesvoix from Cadieux to Fisher; west St. Clair from Jefferson to Mack; north St. Paul from Cadieux to Fisher; and south Waterloo from Cadieux to Fisher.

City Manager Thomas Kressbach explained that the city must ban parking on these streets in order to maintain their State classification as major roadways. If that classification is lost, the city would lose as much as \$60,000, or \$18,000 per mile, in State highway funds used mainly for street resurfacing.

## Boy Recovering From Accident

A five-year-old boy, who was severely injured when he was accidentally run over by a milk truck in the driveway of a Grand Marais boulevard home on June 14, was recently released from Saint John Hospital and is reported to be doing well.

Christopher Steinhel, of Fisher road, is at home but comes back to Saint John for physical therapy to his right arm, according to the hospital.

The lad was riding in the truck with his father on his early morning rounds. Park police said the boy, who was standing to his father's left, fell out the door with the left rear wheel of the truck going over the right side of his body.

He was immediately rushed to Bon Secours Hospital and operated upon. At the time, Bon Secours reported he suffered a collapsed lung, perforated stomach and ruptured spleen. The boy was ultimately transferred to Saint John.

## Park Okays Tax Payment

The Park Council at its regular meeting Monday, July 12, approved the payment of half of a \$10,906.80 bill from the City of Detroit for the use of the Windmill Pointe Park.

Since the park is in Detroit and is not open to the general public, The Park must pay taxes for the property based on the assessed value of the land.

The payment of the tax bill is being made under protest by The Park, which feels the assessment of the property is too high. The Park has appealed the assessment of the land to the State Tax Tribunal and is waiting for a resolution.

Payment of half the bill by Sunday, August 15, will satisfy the terms of the agreement without incurring any late fines.

## Woods Studies Structure Of Seniors' Commission

By Roger A. Waha

Several items relating to senior citizens were focused upon by The Woods Council at its regular meeting Monday, July 12.

The Senior Citizens Commission, which has been beset by five recent resignations reducing the number of commission members to four, submitted the names of six persons for the consideration of Mayor Benjamin W. Pinkos and the council for appointment to the group.

In a letter to the mayor, Irene Sutton, commission chairman, felt those named would benefit the organization because of their leadership abilities. She expressed her hope for quick action because the commission needs "to get back to work in full force again."

Those listed include Harry Findley, Mrs. Alice Cairns, Thomas Barlow, Frank Komerska or his wife, Fritzelt, and Mrs. Audrey Dolgner.

No action was taken by the council because a proposal from Administrative Aide Gerard E. McNamara to reconstruct the commission is currently in the Committee of the Whole, (C-W). So the recommendations from Mrs. Sutton also were unanimously referred to the C-W.

In his proposal, which was referred to the C-W on June 7, Mr. McNamara recommended that the commission be dissolved and that an ordinance be drafted creating a new commission.

## Board Okays Meeting Dates

At the Board of Education's annual meeting Monday, July 12, the trustees approved dates and locations for all regular meetings for the 1976-77 year, with a number of the sessions scheduled in schools around the district.

All regular meetings will be held at 8 p.m. on the second Monday of each month from August-June.

Meeting dates and locations will include August 9, Board Room, 389 St. Clair avenue; September 13, South High School, 11 Grosse Pointe boulevard; October 11, North High School, 707 Vernier road; November 8, Ferry School, 748 Roslyn road; and December 13, Board Room.

In 1977, the Board will meet, January 10, Piquette School, 20655 Lennon, Harper Woods; February 14, Board Room; March 14, Richard School, 176 McKinley road; April 11, Board Room; May 9, South High School; and June 13, Board Room.

All regular meetings of the Board are open to the public.

## Clinic Slated to Open July 23

The formal opening of the Grosse Pointe Psychiatric Clinic, 63 Kercheval avenue, Suite 210, takes place tomorrow, July 23.

Under the direction of Douglas Sargent, MD, the psychiatric clinic is the only private, outpatient facility under medical direction in the Pointes.

Structured to evaluate all types of emotional and mental problems, the clinic also provides treatment, if necessary, for children, adolescents, adults and elderly patients.

Grosse Pointe Psychiatric Clinic makes available traditional psychiatric treatment, individual, group and family psychotherapy, as well as vocational and career counseling, treatment for learning disorders, speech therapy, resident school consultation and a special treatment for drinking problems.

An evening family crisis clinic provides immediate help for urgent family problems.

The clinic's staff includes Virginia Sargent, MA, a State certified consulting psychologist and director of psychological services, and James F. Staebler, MA, certified psychological examiner and certified social worker, in addition to Dr. Sargent, who is certified in psychiatry.

Several consultants include James W. Bodary, BA, alcoholism therapist; Shirley Dobbie, PhD, group psychotherapy; Kathleen M. Herschelman, PhD, career and vocational counselor; Shirley G. Jensen, MEd, certified speech pathologist; and Edith Sterba, PhD, child analyst.

More are Richard F. Sterba, MD, psychoanalyst; Florence B. Stroll, ACSW, (Academy Certified Social Worker), psychiatric social worker; and Peter Seidel, MPA, (Master of Public Administration), administrative consultant.

## Woods Studies Two Proposals

A Planning Commission recommendation to deny the adoption of a proposed ordinance amending the city code, and defining and regulating the storage of commercial vehicles, was unanimously referred to the Committee of the Whole, (C-W), for further study by The Woods Council at its regular meeting Monday, July 12.

A recommendation from the commission on the incorporation of language into the city code on this proposal also was referred to the C-W.

The council had earlier referred this subject to the commission for its study and recommendation. City Attorney George Catlin said the present definition is somewhat subject to more than one interpretation so the commissioners were requested to explore the matter.

Finally, the solons also referred a commission recommendation, that a proposed development, "be adopted, to the C-W. This proposal provides minimum standards for dwelling unit size, lot area, parking space, access roads and set back requirements.

This application submitted by the city focuses upon providing services designed to assist seniors to continue living independently in a home environment. A total of \$54,378.90 in Federal funds was requested with the city providing \$6,042.10 in matching funds, making a grand total of \$60,421.

The program is being coordinated on a county level by the Detroit-Wayne County Area Agency on Aging.

In other news, Mrs. Sutton stated Woods seniors are meeting for fellowship in the new pool area at the Lake Front Park Monday-Friday from 11 a.m.-1 p.m.

## James Boomgard Named Head of Children's Home

James J. Boomgard Jr., who has spent the past six months completing a study of the Children's Home of Detroit, 900 Cook road, for a technical assistance firm, was named director of the facility by its board of trustees effective Thursday, July 1.

Mr. Boomgard, who brings considerable experience in management and institutional administration to his new job, said he has high hopes that the Home can become "one of the elite child care facilities in the nation" under his administration.

"Most of the past directors of the center have come from a social service background," Mr. Boomgard said. "I do not, and because of that, I think I can bring a fresh perspective to the center and can strengthen it in all areas."

Mr. Boomgard received his MA degree in hospital administration from the University of Chicago. He has worked at many levels of institutional administration and also has helped establish several retirement centers across the country.

The Children's Home is a treatment oriented, residential facility for emotionally disturbed children between the ages of 6-13. It is an independent institution, supported since its birth by endowments and contributions. It can accommodate up to 72 children.

One of the major jobs Mr. Boomgard sees before him at the Home is to make a stronger effort to solicit funding from various foundations which help children.

Although he is very pleased with the center's therapeutic program and especially its staff, "with increased funding we could turn it into one of the best facilities in the nation . . . something all Grosse Pointe could be very proud of."

Already he has solicited a sizeable grant from the Webber Foundation to expand the Home's program to follow up on children's progress once they leave the facility.

"But we need brick and mortar funds too," he said, as the 11 buildings, built in the early 1950's, are in need of some renovation to keep up with numerous new State

and Federal guidelines on such facilities. The Children's Home, founded as an orphanage in the wake of a devastating cholera epidemic in 1836, is one of the oldest child care facilities in Michigan.

It has evolved slowly from a simple facility for the care and feeding of orphans to a fairly sophisticated treatment center for "orphans of the living"—children who have suffered severe emotional disturbances from often chaotic home lives.

The children live in the 15-acre facility for an average of two years before their release. Schooling is provided through the Grosse Pointe Public School System, which is reimbursed for most the costs by State special education aid.

## To Benefit from Funds

(Continued from Page 1) clined to participate because of their concern over possible Federal intervention in the administration of the program.

For his part, Mr. Pinks felt there would be no problem regarding the administration of the funds. If we found that there were strings attached to the receipt of the funds, that it became a matter the city couldn't live with, we would refuse to participate, he said.

## Park Denies Waiver Bid

A request for a waiver of a mandatory retirement date by Ptl. Donald Del Place, as provided for in a 1973 union agreement between The Park and its police department, was unanimously denied by the council at its Monday, July 12, regular meeting.

The request was made by the patrolman in anticipation of an improved pension benefit proposal slated to come before voters in November, which would considerably improve his pension.

Under the present contract, as of July 1, 1976, police in The Park have received improved benefits in return for a requirement where officers must retire by 55 years of age or after 25 years of service. Ptl. Del Place is more than 55 and has served more than 25 years.

Park Police Chief Henry Coonce sent a letter to the council requesting that the waiver be denied. His recommendation for denial was based mainly on the fact that a new officer has already been hired to replace Ptl. Del Place.

Footnotes

by John C. Gawryk R.Ph.

An estimated ten million Americans are victims of allergic complaints such as hay fever, asthma, hives, eczema, gastrointestinal allergies, allergic headaches, drug allergy, and eye inflammations. Allergic reactions are of many different types, depending upon the substance which caused the reaction, and the body tissues involved. The reason why some individuals are allergic and some are not has not been clearly established, but there is evidence of a hereditary tendency or predisposition.

The latest prescription and non-prescription medications for allergies are available at DEVONSHIRE DRUGS, 16037 Mack on "Tiffany Lane". We work closely with your doctor to make sure we have the proper medications available for when you need them. For your protection, we keep complete "patient profile" and family prescription records which are available only to your doctor for instant review, and to you to assure that you get full tax credit. Come to DEVONSHIRE DRUGS for all your greeting cards, health and beauty aids, liquor, beer and wine, and sick room supplies. Call us at 881-0478 for free prescription delivery. We are open Monday through Saturday from 9 A.M. until 9 P.M.

## Many in Parade

Sunday's schedule starts at 1:30 p.m. with a parade which will include area officials, the officers and directors of the host Grosse Pointe Farms Boat Club, as well as Congressman Lucien Nedzi, Wayne County Sheriff William Lucas, Commissioner Steiner, the Highlanders and the Americans from the Moslem Temple.

There will be the popular

Calliope, antique cars, the Queen and her Court, plus many other entries.

The parade will start at the parking lot behind Kroger's, then go to Kerby, down Kerby to Chalfonte, on Chalfonte to Moran, on Moran to McMillan, on McMillan to Kercheval, on Kercheval to Moross and on Moross to the Pier Park.

During ceremonies at the reviewing stand, the boat club will formally present to Farms residents a gift of a new boat hoist.

Under Commodore Robert Maddox, this year's general chairman of the regatta is Vice-Commodore George Toy. Frank Peterson is coordinator of finances and is assisted by Liz Holmes and Otto Wuerfel.

The event is the culmination of a year's effort on the parts of club members.

# Now you can enjoy the convenience of annual meter reading and budget payments, too!

If you'd like the added convenience of  
having your Gas meter read only once a year,  
plus all the benefits of our 12-Month  
Budget Payment Plan,  
here's good news.

Michigan Consolidated Gas Company is pleased to announce the availability of its Annual Meter Reading Program, as recently approved by the Michigan Public Service Commission, in conjunction with its 12-Month Budget Plan. You may now take advantage of the additional convenience of having your Gas meter read only once a year, while continuing to enjoy the practical benefit of paying a level Gas bill all year long.

The Annual Meter Reading Program means just what it says. You'll be billed each month for your established budget payment amount, but your Gas meter will be read only once each year. Modern billing procedures assure that only one annual reading is needed to determine your year-end account adjustment as well as compute your budget payment amount for the next year.

Because the cost of Natural Gas is rising,

along with other energy forms, the 12-Month Budget Payment Plan is a customer convenience that continues to make more sense each year. It allows you to pay for your full year's Gas cost over 12 balanced payments, eliminating the normal highs and lows that result from seasonal variations in use. In fact, mid-winter payments can be reduced by nearly half from what they might otherwise be if calculated on a "pay-as-you-go" basis.

To begin benefiting from the convenience of both programs, simply mark the enrollment card we're sending you and return it by mail. We'll do the rest to enroll you in the Annual Meter Reading and 12-Month Budget Payment Plan programs.

\*To qualify for Annual Meter Reading, you must also be a residential customer on the 12-Month Budget Payment Plan. But it is possible to join the Budget Plan without taking advantage of the additional convenience of Annual Meter Reading.

### Troop 156 Welcomes New Eagle

Boy Scout Troop 156, sponsored by Christ Church, recently held a Court of Honor and THOMAS E. MARKS, (second from left), was presented the Eagle Scout award during the ceremonies. Offering their congratulations are his parents, MR. and MRS. ROBERT E. MARKS, and Scoutmaster DAVID J. FROMM, (far right).

### Scout Earns Eagle Award

Highlighting Boy Scout Troop 156's recent Court of Honor at Christ Church was the presentation of the Eagle Scout award to Thomas E. Marks, the son of Mr. and Mrs. Robert E. Marks, of East Crescent Lane.

"Earning the Eagle award is a very prestigious accomplishment," explained Scoutmaster David J. Fromm. "Only one percent of all young men who join scouting in this country achieve the Eagle rank," he said.

In addition to earning 24 merit badges, the Eagle candidate must plan, develop and give leadership to other scouts in a service project for his school, religious institution or community. For his project, Tom chose to survey all of the streets in The Woods, photograph all unsafe conditions and then report his findings to the city council.

Following the Eagle presentation, Troop Committee Chairman Wilson Moin recognized Scoutmaster David J. Fromm for his two years of service to the troop and presented him with an engraved plaque from appreciative scouts and parents. Mr. Fromm is resigning as scoutmaster Sunday, August 1, in order to attend graduate school in Boston.

Assistant Scoutmaster David C. Secord was presented with a camper's dutch oven for his one year of service to the troop. Dr. Secord is leaving to study orthodontics in Chicago. Douglas Campbell, of Provincial road, addressed the group of scouts and parents and reminded scouts of their responsibilities and benefits as members of the Boy Scouts of America. Mr. Campbell is the immediate past troop committee chairman and was a member of the troop when it was first formed 47 years ago.

### Woods Okays Funds Transfer

The Woods Council unanimously concurred with the recommendation of City Comptroller - Assessor Frederick G. Hornfisher regarding the transfer of funds for the end of the budget year 1975-76.

This action transpired at the regular meeting Monday, July 12. The resolution says the sum of \$116,500 in the 1975-76 unappropriated surplus account of the general fund be transferred in the general fund account as the beginning fund balance of the adopted 1976-77 budget.

It also says any other excess revenue collected in the general fund, unencumbered general fund appropriation, together with excess funds, be transferred to the unappropriated surplus account.

### Old Michigan \$ Now on Display

A collection of 19th century bank notes from Michigan's "free banking" era and depression script that was exchanged like money in the 1830's will be on display at Manufacturers Bank, Mack Avenue and Lochmoor Boulevard, through Friday, July 30.

In the days before the national banking system issued Federal paper currency, individual banks and companies issued their own bank notes, most of which were the creation of artisans whose specialty was hand-engraving on steel plates.

These "free banking" notes, often of questionable dependability, were decorated with vignettes geared to express all the virtues a bank should possess—integrity, solvency, fidelity and a bit of patriotism.

One of the favorite ways to demonstrate a bank's integrity was to borrow the name of men like George Washington and Benjamin Franklin by using their portraits on a note.

Solvency and prosperity were evoked with the use of bountiful harvest scenes, ships and trains. Farm animals also were used to convey a feeling of prosperity.

As for the virtue of fidelity, a dog was often shown in a protective role with a small child.

The depression script on display is that used by Detroit and Hamtramck city employees to pay government obligations and taxes. The Detroit script is signed by Detroit Mayor Frank Couzens, whose son, Frank Couzens Jr., is currently senior vice-president of Manufacturers Bank's trust department.

The display, in the lobby of the bank office, is open from 10 a.m.-4:30 p.m. on Mondays-Thursday and 10 a.m.-7 p.m. on Fridays.

## Computer Aids Cardiac Unit

During seven months of operation in Bon Secours Hospital, a cardiac monitoring computer, the only one of its kind in a 200 mile radius, has monitored and documented every heartbeat of 276 heart patients.

Some of these patients may be alive today because the computer, which, unlike conventional monitors, will re-

cord life-threatening changes in their heart action for instant replay.

With conventional monitors, the nurse can be attending another patient when the alarm sounds and may not get back quickly enough to see the heart fluctuation on the monitor. With the computer, a dangerous heart pattern is recorded so that it can be retrieved for the physician's study and recommendation of specific treatment.

Heart attacks are often followed by a change in rhythm of the heartbeat or extra heartbeats in rapid succession. If these changes, lasting only a few seconds, are detected and identified, the proper drug can be administered to stabilize the heart and reduce the risk of complications.

The computer can monitor eight patients at the same time.

Presently, there are six cardiac care beds on the computer, one intensive care bed and one progressive care. The progressive care patient is someone who has recovered enough to be transferred from one of the critical care units, but still needs close surveillance.

Carole Greenberg, RN, head nurse in the Cardiac Care Unit, said, "This equipment is the most advanced tool for monitoring the patient who has had a heart attack or is in danger of one."

"The nurses in the unit are all specially educated people who are dedicated in their work. They appreciate the computer because they can see the results of using this advanced technology to preserve life."

The cardiac monitoring computer was purchased with a gift from the James and Lynelle Holden Foundation.

## GP Americans Take Tourney

**By Julian Thomas**  
For the first time ever, the GP American, 13-year-old Babe Ruth All Stars were victorious in the finals of the District B Tournament at L'Anse Creuse.

John Cammett was the winning pitcher as the Americans edged GP Woods Automotive, 3-2. A key hit was a single by Mike Mahon with the bases loaded to tie the score. Defensively, outfielder Paul Profit's throw to the plate to cut down the tying run for The Woods was outstanding.

Coach John Hoben commented that a "big factor in the team's success was that only one error was committed by my boys in the tournament."

Members of the All-Stars include the following: from the Indians, Mike Mahon, Erwin Yee, Mike Smith and John Cammett; the Tigers, John Heidt and Chris Janis; and the White Sox, Marty Hollerbach, John De Boer and Rex Ciavola.

Others are from the Red Sox, Glen Pische and Andy Montague; the Oakland A's, Paul Profit, Dave Zerwicki and Bob Maywood; and the Yankees, Mike McBrearty and John Vens.

Coaches for the Americans are Hoben, Joe Maul, Chuck Campbell and George Cairo, while the bat boy is Rick Campbell.

The Americans now move into regional competition on Friday, July 30 at Belleville, Mich. Details as to time will be available from the coaches or players at a later date.

In regular league play, the American League playoff was won by the Tigers as they defeated the Red Sox, 9-0. Bob Baker tossed a one-hitter and had 11 strikeouts.

A two-run double by Scott McPhail and a triple by Baker were the big hits though every Tiger in the starting lineup had a hit, as the winners scored all their runs in the fourth inning.

World Series competition began Tuesday, July 20, at Kerby Field with the American League Tigers pitted against the National League Giants. The second game was scheduled for Elworthy Field yesterday, July 21, and a third at Kerby today, July 22, if necessary.

Final American League standings show the Tigers, 15-5; Yankees, 10-5; Red Sox, 14-7; White Sox, 12-9; Indians, 11-10; and A's, 5-16.

## GP Methodist Cites Bishop

Bishop Dwight E. Loder will be the preacher at the 9:30 a.m. service of the Grosse Pointe United Methodist Church, 211 Moross road, on Sunday, July 25.

Bishop Loder, who's completing 12 years of service as Bishop of the Michigan area, will soon become the Bishop of the West Ohio area. He will be stationed in Columbus.

In this service, the congregation will say farewell to Bishop and Mrs. Loder, who have made their home in Grosse Pointe and are much beloved by area Methodists, said the Rev. Perry A. Thomas, Pastor.

The service will be held in the grove of trees on the west side of the church and the congregation invites the community to join them in this service.

## GPW Officials, Citizens Have Fruitful Meeting

**By Roger A. Waha**  
A meeting between three Woods officials and three citizens to discuss solutions to an apparent disturbance problem, which has caused great concern to residents in the Wedgewood drive-Maple lane area, proved beneficial to all concerned.

The session, which was held Tuesday, July 13, was an outgrowth of complaints from citizens over what they said were noise, littering and vandalism stemming from a party at a Maple lane home in June.

An estimated 15 citizens attended the regular council meeting Monday, June 21. At that time, a petition bearing 35 signatures from residents seeking relief was presented to the solons.

Mayor Benjamin W. Pinkos suggested that citizen representatives meet with City Administrator Chester E. Petersen, City Attorney George Catlin and Public Safety Director Henry Marchand to work towards a solution, and the council had no objection to this action.

Mr. Catlin said the residents reached a better understanding of the operation of the law regarding enforcement problems in such cases.

"We asked them to report any further difficulties to the public safety department, and advised them of the kind of information which is needed for a complaint," e.g., identification of alleged perpetrators, a complainant, et al, he said.

In such instances, the city has several laws which could come into effect. For example, one law which may be applicable says the person in charge of a residence is responsible for a noisy party, while another is the city's general excessive noise ordinance, which might be difficult to enforce, he noted. A problem, here, is the person who, say, turns up a record player to its peak, could be impossible to identify.

Meanwhile, Mr. Petersen called the meeting a very good one where citizens gained a further understanding of enforcement problems, while the city acquired a further understanding of their problems and concerns.

"We explored various ordinances applicable to such a situation, and the residents were very understanding of the problems involved," he stated, while noting com-

plaintants, testimony and witnesses would be needed in such incidents.

We believe we mapped out a variety of ways and means which we hope will prevent reoccurrences, while viewing the proper action that will keep such things from happening again, he added.

For his part, the Wedgewood drive citizen, who spoke at the June 21 meeting and who drafted the letter signed by area residents, said the representatives received guidelines to follow the city.

He stressed the interest and cooperation from the three officials and said, "Mr. Petersen did a hell of a good job directing it."

The wide and beautiful river Loire, travelers tell us, rises in France's Massif Central and slowly winds its way to the Atlantic some 600 miles away. Along its meandering course are the vineyards of the Loire Valley, and despite the many variations of soil and grapes, the wines retain one common characteristic—they are flowery, light and refreshing. In general, these wines are at their best when young, and are delicious with fruit, bread, oysters, or cheese.

Whether you are looking for light, flowery wine or a full-bodied one, you'll find a wide selection to choose from at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, 885-0626. And if you have a preference for a wine we don't have, we'll be happy to special order and stock it for you. Free delivery service. Hours: 10-10 Mon.-Thurs.; 10-11 Fri., Sat.; noon-10 Sun.

## Trio Involved in Job Changes

Three Grosse Pointers were recently involved in major executive level changes at American Natural Resources Co., parent company of Michigan Consolidated Gas.

Arthur R. Seder Jr., of The Shores, succeeded retiring Wilber H. Mack, of The Farms, as chairman and chief executive officer, while Ellsworth G. Reynolds, of The Woods, was elected president of American Natural Service Co., a subsidiary.

Mr. Seder retains the position of president of the parent company, a post he has held since 1973. He joined American Natural in 1960 as a legal counsel.

Mr. Mack will continue as a member of the board of directors of American Natural and serve as chairman of its newly created executive committee.

He has served as chairman since 1973, capping a series of executive responsibilities since he joined the system in 1952 as general attorney for its Michigan

Wisconsin Pipe Line Co. subsidiary.

Mr. Reynolds, of The Woods, succeeds Mr. Seder as president of the service company, which provides technical and other services to subsidiaries of American Natural. He has held the post of senior vice president-administration in the service company. Mr. Reynolds started in the utility business as a staff attorney with Michigan Consolidated in 1948.

## Ruth Stars Make Finals

The Grosse Pointe Woods-Shores Automotive Babe Ruth All Stars recently won the District No. Two Championship at L'Anse Creuse by defeating a Farms team, 12-1.

The 14-15-year-old boys advanced to the finals against The Farms by defeating Clintondale, 32-2, and L'Anse Creuse, 1-0.

Woods-Shores ball players, managed by Rick Zaraneck and coached by Ron Keifgen and Dennis Crooks, now advance to the State Babe Ruth, (14-15), finals at Niles, Mich., which begin Saturday, July 24.

The tournament is a two game knockout and The Woods-Shores team has high hopes of coming home with a State title and a trip to Florida for the National tournament.

Members of the district champion team are Bob Brown, Mark Claravino, Brian Engle, Scott Engle, Kevin Freeman, Dan Kelly, Keith Kurtz, Mike LeFevre, John Long, Paul Ortman, Tom Shook, Bruce Stafford, John Thomas and Mike Toomey, all from The Woods, plus Brian Moody of The Shores.

## Just Call Him 'Mr. Mayor'

Photo by Tom Greenwood

Smiling happily beside his creation, eight-year-old Tom Baks plans to expand "Tiny Town's" city limits. Made completely of paper and perched upon a ping-pong table, "Tiny Town" is a perfect place to live—if you're one inch tall.

## 'Tiny Town' Becomes Big

By Tom Greenwood

There's a new city springing up within The Woods. The town limits enclose a rodeo, a fort, farms, a circus, a zoo, an Indian village, campgrounds, an airport, a few skyscrapers and a growing population.

Nobody pays any rent, the climate is clear and dry year 'round and there's absolutely no crime problem. There's just one catch to this man-made utopia.

You have to be one inch tall to live there.

The new municipality is called "Tiny Town" and eight-year-old Tom Baks, of Oxford road, is the mayor. Made entirely of paper, the city is a growing community located on a ping-pong table

in the family's recreation room.

Tom, the son of Richard and Victoria Baks, started building his city about four months ago. "I like to make things," he said. "And this way I can be the mayor of my own city. It's lots of fun."

A third-grader at University-Liggett, Tom buys the material for his thriving metropolis at local department stores. It usually takes him a full week to construct the town and arrange its streets and parks.

What would he like to be when he grows up? An architect? Engineer? How about a city planner? "Not really," said Tom, with a serious look. "What I'd really like to be is a pet doctor or a basketball player. They really have fun."

## Adjourn Exam In B-E Case

The Woods Municipal Court examination of a 32-year-old Park man, who's charged with attempt breaking and entering with intent to commit larceny, was adjourned from Wednesday, July 14, to yesterday, Wednesday, July 21, according to Woods police.

The suspect, Earl Harrison Prather Jr., was arrested Thursday evening, July 8, after allegedly trying to enter Smith, Hague and Co., Inc., 20155 Mack avenue.

He was apprehended after officers received information on the incident from two witnesses.

Law enforcement is only as good as people want it to be.

## Seder Named To UF Post

Arthur R. Seder Jr., of The Shores, chairman and president of the American Natural Resources Co. and its subsidiaries, has been named service unit chairman in the United Foundation's 1976 Torch Drive.

Mr. Seder, who held the same volunteer post in last year's campaign, will direct the solicitation of over 2,000 service-oriented organizations in the metropolitan Detroit area.

The service unit, one of the six chapter campaign units that together raises more than 90 percent of the Torch Drive's total goal, includes insurance firms, utilities, hotels, motels, restaurants, plus the communication, transportation and construction fields.

After graduating magna cum laude from Northwestern Law School in 1949, Mr. Seder served as law clerk to then U.S. Supreme Court Justice Fred M. Vinson.

He was elected president and chief administrative officer of American Natural Gas Co. in 1973 and chairman of American Natural Resources Co. and its subsidiaries this July.

Mr. Seder is a trustee of Saint John Hospital, and a director of the National Bank of Detroit, Detroit Symphony Orchestra and the Detroit Grand Opera Association.

## Group Plans Cancer Talk

Cancer patients and their families will have an opportunity to discuss mutual problems when the American Cancer Society holds a meeting of the "Living with Cancer" group in the ladies' parlor at the Grosse Pointe Woods Presbyterian Church, 19050 Mack avenue.

The session, which will be held Thursday, August 5, at 2 p.m., will offer the assistance of a nurse consultant. For further information, call the area office at 343-9006 or 336-0030.

The uphill trail is always the hardest to travel, but it is the only one that rises to fame.

## What's better than a summer vacation?

you ought to know a DETROIT BANK-er better

## A summer vacation plus the help of a Detroit Bank-er.

Short of rubbing suntan lotion on your back, there is a lot your DETROIT BANK-er can do to make your summer vacation a much more pleasant time.

To begin with, you can get your whole trip financed with a Detroit Bank & Trust vacation loan, or you can charge whatever portions of it you wish—hotels, restaurants, gifts—on your Master Charge. (Apply for your card at any office.) Of course, you don't want to take too much cash along, so you can purchase Travelers Checks in the amount you need at any office.

While you're away, you'll want things to run smoothly at home. So for safekeeping, put valuables from your home into a safe deposit box at Detroit Bank & Trust. And while you're gone there are several automatic services you can arrange with your DETROIT BANK-er like direct deposit of your Social Security check, automatic transfer of funds from checking to savings and much more.

These are only some of the things Detroit Bank & Trust can do to help you have a better vacation this year. Your DETROIT BANK-er can probably suggest a few more. So be sure to talk with your DETROIT BANK-er before you leave town. He can take your mind off money so you can relax and enjoy your vacation.

## Little League Results

### PARK LITTLE LEAGUE

By Fran Ceaser

The Instructional League playoff game pitted Michigan State against Air Force Tuesday, July 6, and MSU won 4-2. Greg Roach doubled in the third for AF and Rick Whitney struck out 14 in a losing cause. Chris Ross and Tim Lyon shared the mound for MSU.

In the Major League World Series, the Pirates, (19-1) for the season, defeated the Orioles, (16-4) for the season. The "best of three" saw the Pirates take the title in two.

The first series game was played July 6 and the Pirates won, 10-4.

Tom Wilson went the full six as winning pitcher and batted two homers, each with one on, Ken Vermeulen and Jeff Fuga hurled three innings each for the Birds. Bill Winger and Devon Jeffrey smacked Orioles' doubles and Rich Overbey tripled in the first inning. Jeffrey came out in the sixth and clobbered a homer.

However, the "power-packed Pirates" out-bomered the Birds. Besides Wilson's pair, Charlie Janson socked two and Tom Emmerich sliced one.

On Thursday, July 8, the Pirates made their mark with a 15-1 victory. Mike Lyon blasted two homers for the Pirates, one with one on and the other with two on. Dan Levitt and Janson rocketed one each. Devon Jeffrey pitched for the Birds, and Tom Herndon won it for the Pirates.

The Minor League World Series went three games with Michigan and Ohio State competing for the championship. Ohio State took the series in the third contest. The first game was played July 6 with OSU winning, 7-2. Mark LeChard pitched for Michigan and Bob Stakov and Phil Agby for OSU.

The second duel occurred July 8. Michigan came out atop 9-3, with Joe Sharp taking the win and belting a fifth inning double. Tom Rohr doubled and Tim Maniere tripled for Ohio State.

OSU's "champ" status was decided on Friday, July 9. The final score was 9-4 with the Stakov-Agby pitching duel. Marty Heger went all the way for Michigan.

Congratulations are in order for Major League 11-12-year-olds who made the All Stars.

American Leaguers set to play Harper Woods Sunday, July 25, are Larry Bauer, Larry Edwards, Devon Jeffrey, Bob Kouetter, Eric MacMichael, Mark McCormick, Rick Overbey, Steve Root, Jim Schaafsma, Dan Shine, Karl Stronski and John Trelice.

Alternates are Harold Cote,

Jeff Fuga, Ken Hawk, Guy Pawlak and Paul Urtei. Bill Ehrlich will coach the All Stars in their game.

National Leaguers will meet Harper Woods Saturday, July 24. They are Tony Alfonso, Pat Boll, Dom Ceaser, P. J. Driscoll, Tom Emmerich, Dave Goulet, Tom Herndon, Bill Kohr, Mike Lyon, Todd McCoy, Willie Ratsch, Mark Schneider, Tom Wilson and Joe Yott.

Alternates are Jamie Dupree, Charlie Janson, Dan Levitt and Alex Posada. Roy Gaglio, Herm Golnick and Skip DeSmyter will share NL coaching duties.

The pleasure of writing a column such as this can only occur because of the excellence of the executive board, managing and coaching staff, and official scorekeepers. Without these people—all volunteers—the Little League could not exist.

Space does not permit listing 12 board members, 48 managers and coaches and 24 scorers. On behalf of all who participated, "thank you."

The final day of play for the American League Majors was Monday, June 28. Dan Shine smacked a homer for the Yankees in their 12-6 win over the Indians.

The A's beat the Orioles, 10-7. It was a good night for John Astalk who homered in the first and doubled in the fifth. Then the White Sox creamed the Senators, 28-13.

On Tuesday, June 29, the last action in the National League Majors was played. The Pirates stomped the Giants, 9-1, with Tommy Wilson pitching the full six for the win. The Dodgers shook up the Braves, 3-0. Bill Kohr hurled the win.

The Red Legs and the Cards really had fun in their last game. There was no pressure on either team for the World Series, so everybody played everywhere and the Cards took it 14-4. P. J. Driscoll of the Reds walloped two triples.

Minor League results came when Michigan downed Minnesota, 14-12, on June 28. On that same night, Northwestern was defeated by Purdue, 15-5. Jim Maniere parked two homers for Purdue, one in the first inning and the other in the fifth.

Minnesota zonked Purdue, 15-3, on Wednesday, June 30. It was a cold, rainy night for baseball but the game went the full six innings.

There was one sensational homer by Joe Kronk of Minnesota in the sixth inning. On June 29 Army slaughtered Navy, 25-1. Bobby Gillyooly batted in the first three Army runs with his bases loaded double.

The North and South All Stars recently met in a game filled with excellent pitching, fine fielding and timely hitting. The South broke open a tight game with six runs and went on to defeat the North, 8-1.

Hobey Echlin paced the South attack with a double and two singles for three RBI's. Brett Augsburger had two hits, scored twice and knocked in two runs. Pat Imesch brought in two more runs with a long triple in the sixth inning.

Wendy Honstain and George Krappman also hit safely for the winners. David Spindler, Lisa Travillian, Brett Augsburger, Rick Waugaman and Pat Imesch combined their pitching efforts in limiting the North to three hits.

Dan Bowen had a big double for the North team and Steve Palffy and Mike MacFarlane added singles. Freddie Fordon, Steve Palffy, Charlie Snow and Dan Bowen did the pitching for the North squad.

Rochester, behind the strong pitching of Steve Palffy, upended regular season champion Richmond, 3-2, to become the playoff champions. Palffy scattered five

hits as he struck out 15, while walking two.

He homered in the second for the first run of the game and later singled in the eventual winning run in the fourth.

Robbie Chown, who also had a double for the winners, started the fourth with a single. He went on to third on a hit by Mike MacFarlane, who was trying for a double. Charlie Snow singled Chown home and eventually scored the winning run on Palffy's single.

Richmond scored in the fourth on a single by Steve Nagler and a double by Brad Restum. They added their final run in the sixth on doubles by Wendy Honstain and Nagler. Palffy then bore down and struck out the next two hitters to seal the victory.

The Farms All-Star team will meet the All-Stars from The Woods American League in the second round of the Little League regional tournament Sunday, July 25, at 9:30 a.m. at the Harper Woods High School field, 20225 Beaconsfield.

Both teams drew a bye in the first round of games set for Saturday, July 24. Harper Woods is the host team for the tournament.

The Tigers will have five players on the team including Paul Gutwald, Mark Brooks, Todd Pierce, Gordy Farquhar and Rusty Travillian.

Representing the champion Indians will be Steve "Froggy" Kornmeier, Gregg Restum and Rob Carr, while the Pirates will have Rick

Gallagher, Mike Downs and Gerry Chamberlin on the team.

Powerful Bryan Augsburger and David Snow will represent the playoff champion Red Legs. Pat McKee and John Pastoria will represent the Yankees and Peter Ruwart is the lone representative of the Phils.

Augsburger, Kornmeier and Ruwart were on the 1975 All-Stars that advanced to the second round of the tournament before losing to The Woods.

Brooks, Pierce and Pastoria are 11-year-olds and all the others are 12-years-old.

Dick Gallagher, manager of the Pirates, will manage the team. He will be assisted by Dick Nugent, Red Legs manager, and Al Restum, Indians coach.

### Letters to the Editor

To the Editor:

This letter is in response to your front page story in the July 8 issue of the NEWS describing a centralized police and fire dispatch system for all of the Pointes and Harper Woods.

Surely any issue as basic as this one to the safety and well-being of our citizens should be decided by the citizens themselves, not by a committee of public officials.

I believe there are at least three compelling reasons why such a centralized dispatch system should be actively opposed by every thinking member of the community.

First—the centralized dispatch proposal assumes that the only important nighttime activities of our police station are initiated by a telephone call and are handled by dispatching a patrol unit. I believe that a local police station, manned around the clock, is a strong deterrent to local crime. Moreover, I have advised all of my driving-age children that if they have difficulties while on the street, they should drive directly to the nearest police station. That advice has served them well on more than one occasion.

In addition, I have stopped by our local police station to report problems of less than an emergency nature, rather than to call a patrol unit which might otherwise be occupied with more important business.

Mr. Petersen's, (Woods City Administrator Chester E. Petersen), suggestion to "handle" this walk-in business with some sort of two-way communications system located at each of the closed-for-the-night police stations seems foolish on the face of it.

At best, it might provide the centralized dispatcher with a front-row seat at a mugging conducted on the steps of a defunct and useless police station.

Second—the claimed savings of the proposal rests on the reduction of dispatcher personnel, the argument being that the total number of incoming calls could be handled by fewer dispatchers than the number presently employed.

I'm sure that is true; and if we were discussing routine clerical services, the argument might be sound. But it loses sight of the fact that in matters of public safety and personal emergency, availability is a more important consideration than dollars-and-cents efficiency.

When your house is on fire, a neighbor is having a heart attack or someone is attempting to break into your home, you don't need a "busy" signal when you call for help!

We have already experienced peak periods when our present dispatchers are overloaded. Consider the devastating ice storm last winter when power lines were down and dangerous throughout

the area, and trees were crashing into streets and houses. How would fewer dispatchers have handled that kind of widespread emergency?

Third—I am opposed to centralization in principle, as a move away from the concept of home rule and local self-determination. If we are to consider only cost efficiencies, then surely the same logic that argues for centralized dispatching would also argue for one police department, one fire department, one mayor and one administrative staff for all of the five Pointes and Harper Woods.

Indeed, why stop there? Let's really save money and opt for a county or even State-wide dispatcher system, fire and police department and governing body!

The point is simply this: certain "inefficiencies" are inherent in any activity involving public safety. These inefficiencies provide fall-back and back up systems to assure help when it is needed.

An airline co-pilot represents a significant waste of expensive manpower, since he is unnecessary most of the time. But when he's needed, he's worth every cent spent, and more!

Our present dispatchers may not be busy every minute of their time. But when they're needed they're worth all of the wasted time they have spent.

There's nothing wrong with our present police department and dispatcher operation... except that they are occasionally overworked. Let's not add to that problem in the name of "efficiency!"

Thank you,

To the Editor:

Just a note to thank Gordon and Rita Blake, and all those responsible for the folk concert at the Grosse Pointe War Memorial benefiting the Grosse Pointe Interfaith Center for Racial Justice.

It was a memorable evening filled with talented performers who were in every sense professional. The spirit of the audience was a delight (in that) they were privileged to be a part of this spark of creativity.

But most of all, in this Bicentennial year, it showed that many of us intend to work toward the goal of a racially just society, a society where the benefits, opportunities, protection and responsibilities of that society will benefit all people both black and white.

Our approach is positive and constructive. It is our belief that a racially just society can and will be attained.

We invite and welcome your participation in achieving that goal.

## Benefits, Business of TM, Plus Local Growth, Viewed

By George Polgar Jr.

The first official Transcendental Meditation (TM) center opened in Grosse Pointe in late 1972 and operated out of the living room of its founders, Louis and Andree Leonard.

Since then, TM has outgrown not only that temporary facility but also a business suite at 63 Kercheval road, settling finally in a neo-colonial office building at the corner of Mack avenue and Cadieux road.

At first the visitor to the TM center is mildly surprised at its stark businesslike atmosphere. It is to this place which could easily double as an insurance agency, that people dizzied by the pace of modern living come to learn the calming wisdom of the ancient orient?

In the last of three adjoining offices is a sort of boardroom with an L-shaped desk arrangement that is watched over by an imposing color portrait of Maharishi Mahesh Yogi. Maharishi is the Indian monk who first introduced the TM technique in the United States 17 years ago.

Leslie and Jeff Smith are TM instructors working without pay at the Grosse Pointe center for the summer. They are both students on vacation from the Maharishi International University, (MIU).

They are pleasant and articulate, serious though not somber, and better groomed than most college students. They also are committed to educating people, without pedantic pressure, about the virtues of TM.

Their explanations of what TM is, and is not, come easily and simply.

"There are certain questions that everyone interested in TM asks," said Jeff, perhaps anticipating the suspicion aroused by answers coming so easily. "So we get used to answering them."

Another TM instructor explained that TM representatives also owe their facility in handling questions to a wholeness of understanding acquired through meditation.

First Leslie and Jeff explained that TM is not a religion, as many people believe. The spiritual well-being that is often mentioned by meditators is mistakenly associated with religious practice.

"The word 'spiritual' has lost all its depth and meaning," said Jeff.

"There is a wholeness, a pure awareness and fulfillment that can be achieved through meditation," said Leslie. "There are practical improvements in performance as well as a general well-being that could be called spiritual."

Nor is TM a therapy reserved for people with great personal problems.

"TM is a mental technique that takes a person from where they are, no matter where they are, and raises their level of achievement and happiness," said Jeff.

"There is nothing mystical about it. TM helps develop the full potential of the mind," added Leslie. "It's a very natural technique."

Although there is no reason to doubt the sincerity of meditators like Leslie and Jeff, there is no way to disregard the complex business machinery behind all the altruism.

The scale of the TM operation, which has trained 1,200,000 people in the technique world-wide, demands organization.

The TM teaching network is a fully tax exempt non-profit educational organization which reinvests all its income into the operation, except, of course, the administrative costs of salaried teachers and managerial personnel.

There are almost 400 neighborhood TM centers like the one in Grosse Pointe and the fee for basic instruction in the meditation method ranges from \$35-\$125.

In the four years that the Grosse Pointe center has been operating, 2,500 people have taken the TM courses. This single center could have taken in between \$87,500-\$312,500.

Besides the local centers, there also are a number of TM academies and, of course, the capstone institution of the Science of Creative Intelligence, (of which TM is the practical aspect), MIU, in Fairfield, Iowa.

Even sincere sales people and a sophisticated organization can't do much if they have no real service to offer, so it is worth asking whether TM really works.

On the strength of scientific studies, 300 independent research projects to date, and the testimonials from a pantheon of famous meditators from Merv Griffin and Clint Eastwood to Joe Namath and Detroit's own Ron LeFlore, the answer is a blisful "yes."

Of course, it depends

from one person to the next how beneficial meditating will be, but even people who have given up TM for one reason or another rarely deny that it offers calming, energizing and extremely pleasant results.

The meditation process, as far as one can find out without taking the course and paying the money, is a simple relaxation exercise. Meditators are advised to sit in a comfortable straightbacked chair twice a day for 20 minutes and repeat their mantra, a meaningless sound assigned to each meditator for their own use only.

The secrecy surrounding the mantra is a favorite point of attack for critics of TM.

"The only reason people are told not to tell other people their mantras," explained Jeff Smith, "is so that other people don't just sit in a chair repeating someone else's mantra and think that they have tried meditation. The mantras are assigned systematically according to individual personalities."

They explain further that the effectiveness of the mantra for the meditator could decrease if it was not something private for them alone.

All this explains, and doesn't explain, what appears to be the real "magic" of TM. The rest of the TM method turns on these crucial meaningless sounds and exactly how they are assigned to meditators.

The mantra also is the orb around which the whole slick TM marketing scheme revolves.

TM representatives are hardly reticent about everything else having to do with TM. Even the casual visitor to the center will be loaded down with armfuls of literature.

And yet a person can read it all without really knowing much more than peripheral details.

The panoply of books, pamphlets, testimonials and scientific charts, (they love to use charts), attests only to the fact that TM is a mental and spiritual Vic Tanny health spa.

The Maharishi gives you no reason to distrust him but you know he could probably turn in his white sheet and sandals for something in a Wall Street grey.

### DSO Receives Kresge Grant

The Kresge Foundation has awarded the Detroit Symphony Orchestra a grant of up to \$150,000 for the fifth consecutive year, terms being that the Foundation will match 150 individual contributions of \$1,000 or more made for the Symphony's general operating purposes.

The Kresge Foundation awarded the Detroit Symphony Orchestra a grant of \$450,000 in 1972, on a matching plan in which the Foundation would contribute \$150,000 annually over a three-year period contingent upon the Symphony securing 150 individual gifts of \$1,000 or more in each of those years.

This grant was very successful: more than \$900,000 was raised from the qualifying individual contributions toward the total goal of \$4.5

million for that three-year period.

The Foundation extended the grant for another year in 1975, agreeing to match the first \$1,000 of each individual contribution of \$1,000 or more up to \$150,000. Again, in spite of a difficult economic climate, \$280,000 was raised for the Symphony's support.

Paul S. Mirabito, chairman of the Orchestra's 1976 "Quest for Excellence" fund-raising campaign, announced that the Kresge Foundation has again extended the \$150,000 grant on the same basis as the previous year.

Mr. Mirabito and Robert B. Sample, president of the Detroit Symphony Orchestra, pointed out that this grant will provide the incentive to enable the Symphony to achieve its goal of \$1.5 million for the 1976 drive, adding that the stimulus of the grant will generate increased support from the entire community, as did the previous grants.

### Woods Okays Two Requests

The Woods Council unanimously approved two requests from citizens at its regular meeting, Monday, July 12.

Sitting as a Board of Appeals, the council granted the request of Gary J. Cooper for a deviation and variance in the lot coverage requirement of not more than 30 percent for two-family zoned districts as stated in the city code for two parcels of land in Vernier road.

Mr. Cooper wanted to add on two 15'4" by 14'6" rooms on the back of the homes and requested the deviation and variance on the grounds of undue hardship.

Meanwhile, the council, after a public hearing, granted the request of Elsie Rose for authority to erect a six-foot fence on her Hampton road property for the protection and well-being of the premises.

### Farms Okays Cookout Aug. 24

A request from the Saint Paul Men's Bowling League to The Farms Council for use of the Pier Park facilities Tuesday, August 24, for the annual Saint Paul Parish family cookout was approved by a 7-0 vote.

The request was brought before the council at its regular meeting Monday, July 12, by Saint Paul Bowling League vice-president F. Joseph Belanger.

## What Goes On at Your Library

By Arthur M. Woodford  
Chief of Central Library

While everyone is well aware of the fact that this is our nation's 200th birthday, many residents of our community do not realize that this also is an important birthday anniversary for the City of Detroit.

On July 24, 1701, 275 years ago this week, Antoine Laumet de la Mothe Cadillac, accompanied by 50 uniformed soldiers and 50 Canadians, landed at the site where the Veteran's Memorial Building now stands. Within two hours of landing, Cadillac's axemen were in the nearby woods felling timber for the construction of a new village — "Fort Pontchartrain du Detroit."

Founded as a French outpost to control the rich fur trade of what is now Michigan and the Old Northwest, the small fort on the banks of the Detroit River grew into the sprawling metropolitan industrial complex that we know today.

Within the past few years many excellent books about Detroit and its history have been published. This week I would like to share with you some of these books which have been added to the collection at your Grosse Pointe Public Libraries.

Three of the newer titles are Frank Angelo's YESTERDAY'S DETROIT, (Seemann), Robert Conot's AMERICAN ODYSSEY, (Morrow), and Lon Lochbiller's DETROIT'S COMING OF AGE, (Wayne State).

Of the three, the Conot book received the greatest coverage on the national level, including a review in the Sunday "New York Times." Subtitled "A Unique History of America Told Through the Life of a Great City," this book is as much a sociological study of urban America as it is a history of Detroit.

Well researched with an excellent index, an extensive bibliography and many pages of footnotes, this book will be a valuable reference tool for many years to come.

While the Conot book is a

scholarly tome, Mr. Lochbiller's DETROIT'S COMING OF AGE is anything but. This is a collection of 52 stories about Detroit covering the years 1873-1973.

Originally written as articles for the "Detroit News," which celebrated its centennial in 1973, this history "written by a dramatist-reporter who knows that it is wonderful, various, cantankerous, adventurous people who make news — and the same people who give Detroit its identity."

Mr. Angelo's story is primarily a pictorial history of Detroit from its founding to the celebration of its 250th birthday in 1951. He makes Detroit's story come alive with pictures that capture the city's people at work and at play.

More than 200 historic photographs, (many of them never published before), help tell this story of the people who have molded the character of a great city.

Other books in our collection are biographies of two of Detroit's most prominent mayors: Hazen S. Pingree and Frank Murphy.

In REFORM IN DETROIT, (Oxford), Melvin G. Holli recounts the career of Hazen S. Pingree, Mayor of Detroit from 1890-1897, was in many ways the most remarkable figure among a series of significant reform mayors at a time when American cities were undergoing marked "growing pains."

In FRANK MURPHY, (University of Michigan), published just last year, author Sidney Fine focuses on Murphy's Detroit years when he brought his courtroom skills to bear on landmark legal battles, forged a New Deal type of coalition that altered the structure of political power in Detroit and led the city through the darkest days of the Depression.

Along with the older standard histories of Detroit by such authors as Silas Farmer, (1896), Clarence M. Burton, (1922), and George B. Cathin, (1928), the library has copies of DETROIT'S FIRST AMERICAN DECADE, (University of Michigan), by F. Clever Bold; OF ME I SING, (Bobbs-Merrill), by Malcolm W. Bingay; and ALL OUR YESTERDAYS: A BRIEF HISTORY OF DETROIT, (Wayne State), by Frank B. and Arthur M. Woodford.

Other books in our collection are Hawkins Ferry's BUILDINGS OF DETROIT, (Wayne State), Raymond C. Miller's two volume history of Detroit Edison, THE FORCE OF ENERGY AND KILOWATTS AT WORK, (Wayne State), and Arthur M. Woodford's DETROIT AND ITS BANKS, (Wayne State).

Detroit is a fascinating city with a fascinating past. It is easier to understand the city of today, when we know something of the city of yesterday!

### LCC Reports Painting Theft

A painting called "Classic Serve," a signed serigraph by Leroy Neiman showing a tennis player in action, was reported missing by the Lochmoor Country Club, (LCC), 1068 Sunningdale, on Friday morning, July 16, reported Woods police.

The 14" by 20" framed and matted painting, which has a replacement cost of around \$535, was taken from the tennis house in April.

An LCC official said there is a set procedure for borrowing paintings from the club by members but, on occasions, members borrow the art works without signing for them. Usually they are returned in a matter of days.

However, the official informed police there is no record of any member signing for the missing painting, and that was the reason for the delay in reporting the incident.

### Board Accepts Resignation

South High School vocal music instructor Leonard Riccinto has resigned his post after 11 years in Grosse Pointe to accept a position at Battle Creek's Central High School.

His resignation, effective Friday, July 30, was accepted by the Board of Education at its Monday, July 12, meeting.

The most highly prized pearls are spherical in shape, and come in many colors. When a pearl that has been cut from the shell presents a hemispherical surface, it is sometimes called a gem bouton. If a solid pearl has an irregular shape, having grown over a rough object, it is known as a baroque pearl. Sometimes pearls are hollow, and these have the name of coq de perle. In the trade, pearls are known as pearl, bell, or drop, according to its shape. River pearls are produced by fresh water mussels in various parts of the world.

If you are looking for something truly different, at VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800, we have a wide variety of one-of-a-kind items on display. We are very favorably known throughout the area for our integrity and high degree of professional workmanship and invite you to come in whether you are presently contemplating the purchase of a fine piece of jewelry or not.

## Circumnavigators Ready to Safari

International President William Berchtold, a Former Pointer, Is Coming from New York for Midsummer Party

Circumnavigators Club members will journey beyond Pontiac Sunday, August 1, for their 20th annual Summer Safari, to be held at the farm of Circumjudge Ralph and Emmalyn Freeman.

The party's theme and decor will—naturally!—be Bi-centennial this year.

Festivities begin at 3:30 in the afternoon, with a visit to the farm buildings, dating from 1885. A Dressage Exhibition, featuring the Olympic Grand Prix movements executed by expert riders, all under 18, with their instructor, Dave Lackey, is scheduled for 5 o'clock.

A short program including greetings from International Circumpresident William Berchtold and presentation of scrolls to new members will be held at 6, before the buffet dinner begins "under the big tent" at 6:30 o'clock.

Mr. Berchtold and his wife, Kay, former Pointers, are safaring all the way from New York for the party. When the Berchtolds were residents here, they belonged to both the Grosse Pointe Yacht Club and the Old Club . . . so, on Monday, Paul and Charlotte Moreland, (Paul is president of the Circumnavigators' Michigan Chapter, one of the most active in the country), will conduct the "returnees" on a tour of GPYC's expanded facilities.

Then it's all aboard for a cruise to the Old Club.

The '76 Summer Safari committee includes Herman and Ruth Daldin, Francis and Brownie Van Dusen, Donald and Doris Rothang, Rip and

Fern Zwickey and Fred and Ruth Flom.

Of the 258 Michigan Chapter members, 76 are Pointe area residents — and that number will swell August 1, when membership scrolls are presented to Pointers Henry K. Wallstrom, Thomas F. Russell, Dr. Robert B. Clarke and Richard S. Werner.

Reservations deadline for the party is next Thursday, July 29.

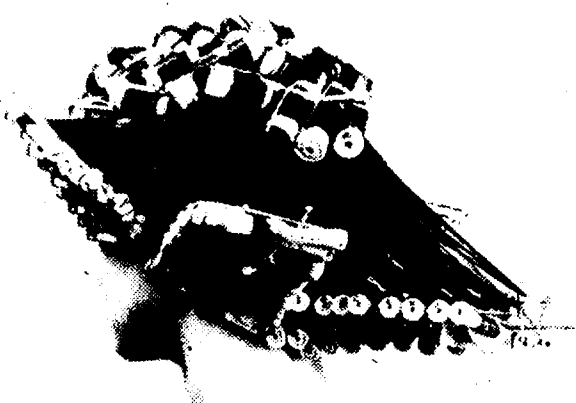

The Circumnavigators Club is an organization of men who have circled the globe in one continuous journey. Some have taken unique routes. Rear Admiral Robert E. Peary, who discovered the North Pole, qualified by walking around the pole.

Talbert Adams qualified by circling the North Pole in an airplane. Captain James F. Calvert, skipper of the nuclear submarine USS Skate, by circling the North Pole under the ice: the first undersea circumnavigation.

John Glenn qualified in a space capsule. Others have done it by jeep, car, jet plane, sailing craft—any way, and in any combination, that it can be done.

United States President Gerald R. Ford became Circumnavigators' honorary president in 1975. President William Howard Taft and Herbert Hoover were mem-

## Nancy Abbs Says Vows in St. Paul's

Richard Charles Rappas Will Make Their Home in Ann Arbor after Vacation at Bar Harbor, Me.

Saint Paul's-on-the-Lakeshore was the setting for the wedding of Nancy Jane Abbs, daughter of Mr. and Mrs. Jerome King Abbs, of Cadieux road, and Richard Charles Rappa, son of the Alfred Charles Rappas, of Saginaw.

The 11 o'clock ceremony Saturday, July 17, at which Monsignor Francis Canfield presided was followed by a reception at the Grosse Pointe War Memorial.

The newlyweds, vacationing at Bar Harbor, Me., will return to make their home in Ann Arbor.

The former Miss Abbs chose a sleeveless gown of white, embroidered English net, with stephanotis appliques, for her morning wedding. Seed pearl beading accented her high-necked bodice. Heirloom crystal detailed her skirt and chapel train.

An applied Juliet cap caught her illusion veil, and she carried an arrangement of phalaenopsis orchids and stephanotis.

Her attendants wore sleeveless, floor length frocks of

white pique, with matching wraps. Their hems, deeply flounced, featured embroidered pastel flowers, matching the floral embroidery on their bodices.

They carried baskets filled with garden flowers, and wore white picture hats.

Shelagh Abbs was honor maid for her sister. Bridesmaids were Mrs. Frank Rush, another sister, Suzanne Pratt, of La Jolla, Calif., and Jane Markey, of Saginaw.

Best man was Robert Gleffe, of Saginaw. In the usher corps were Gregg Schiaff, of Mason, Jay Jacobs and John Shimmis, of East Lansing.

The bride's mother selected a floor length, high-necked gown of peach chiffon, sleeveless and featuring a three-quarter length ivory lace jacket applied in peach and

## Mrs. Richard C. Rappa

Exchanging marriage vows Saturday, July 17, in Saint Paul's-on-the-Lakeshore were NANCY JANE ABBS and Mr. Rappa, son of Mr. and Mrs. Alfred Charles Rappa, of Saginaw. The bride is the daughter of Mr. and Mrs. Jerome King Abbs, of Cadieux road.

## The David Pruetts

Married to Mr. Pruett, son of the Fred J. Pruetts, of Pontiac, in Bethany Lutheran Church Saturday, June 12, was JANIS GAIL PETRICH, daughter of Mr. and Mrs. Walter A. Petrich, of Stanhope avenue.

## Claudius Gage Weds in South

Claudius Candler Gage, member of an old Detroit family, and Grace Chavanne Ninas, of New Orleans, were married Saturday, July 3, in St. Anna's Episcopal Church, New Orleans.

The Reverend Robert Dod-will presided at the small wedding, which was followed by a reception in the Vieux Carre home of Mrs. Harry Schwartz, who attended her sister.

Mr. Gage, a retired Chrysler executive who moved to New Orleans several years ago from Grosse Pointe, was attended by Donald M. D. Thurber, of Rathbone place. Following a brief trip, the newlyweds will live in the bride's home in the Vieux Carre.

Mr. Gage, whose first wife, Catherine Thurber Gage, died last year, has four children, all of whom make their homes in Grosse Pointe. The former Mrs. Ninas, a graduate of Sophie Newcomb College, is active in civic work in New Orleans, has a daughter by a former marriage.

### Linguistics Institute Useful for Teachers

A Linguistics Institute, especially useful to public school teachers in the Detroit metropolitan area and for pre-service teachers, will be offered August 5 through 31 by the Department of English at Wayne State University.

Open to non-matriculated students of the University it

will, however, offer graduate credit of up to eight hours for in-service teachers.

Directed by three linguists on the English faculty, it will introduce participants to contemporary English linguistics in both theoretical and practical terms. Further information is available from the Department of English,

Patron and donor seats, ranging from \$12.50 to \$50 per night, are now available by mail from Mrs. Geiger, P.O. Box 565, Bloomfield Hills, Michigan 48013. Ticket information may be obtained from Olympia Stadium by phoning 895-7000.

Also competing in the tournament, to be underwritten and sponsored by Pointer Ozzie Olson's Olsonite Corporation, will be Rod Laver, four-time world champion, and Vitas Gerulaitis, the young American star who eliminated defending champion Arthur Ashe at Wimbledon before losing a tough, four-set match to Raul Ramirez in the quarter finals.

Winners of the two singles matches on the first night of the tournament will square off in the championship final the second night, while the two losers face each other in a consolation match. A doubles match will complete the second night's play.

## Footloose on Three Continents

Steve Potter, after a year abroad, touched base for a few weeks, checking in with his mother, Mrs. Lois G. Potter, of Kenwood court, and is now on the way to San Francisco, where he plans to live.

Of course, if an opportunity to go back to Africa came up, Steve would be off across the seas again like a shot.

He traveled via foot and train through the Scandinavian countries, meandered his way down Europe and spent several months in Africa before coming home to Grosse Pointe.

Now he's headed west... and after that, who knows? There are still two more continents waiting for Steve's restless feet.

## Farewell to the Duperré

After an extraordinary week which will see everything from a barbecue to a ball to Cadillac sailing, (again!), up the Detroit River, the French destroyer Duperré, which came to town in the midst of America's 200th birthday celebrations to help Detroit celebrate its 275th birthday, sails away next Tuesday morning.

## MCF to Offer Free Pap Tests

Pap tests, which aid physicians in detecting cervical cancer in its early, curable stages, will be given as a free service of the Detroit East Unit Office of the Michigan Cancer Foundation August 3 through 5, Tuesday through Thursday.

Tests will be available at Alexander Blain Hospital in East Jefferson avenue from 9:30 to 4 o'clock daily, except Wednesday, when Pap tests will be given until 7 o'clock.

Appointments may be made by calling the Unit Office, 372-2078, between 10 and 4 o'clock weekdays.

The Pap test is a simple, painless examination that can help physicians detect cervical cancer before symptoms appear.

Cervical cancer is curable if detected and treated early, and every woman over the age of 18 is urged to make the Pap test part of her annual health routine.

Pat McEvoy will serve as Pap clinic chairman, coordinating the work of volunteers staffing the clinic. Distributing educational materials will be Christine Ryan.

The Michigan Cancer Foundation, a Torch Drive-United Way agency, provided more than 33,000 women with free Pap tests in 1975. The MCF also maintains screening and detection for breast and oral cancer.

Technological University, and is now a chemist with the Dupont Company in Troy.

The bridegroom, son of Mr. and Mrs. Fred J. Pruett, of Pontiac, received both his Bachelor of Science and Master of Science degrees in Chemistry from Michigan Tech, and is now a Doctoral candidate at Michigan State University.

After a reception at Hillcrest Country Club, the newlyweds left to vacation in Pennsylvania's Pocono Mountains. They are making their home in Brighton.

The bride's A-line white chiffonette gown was trimmed with Alençon lace and scattered beading. Her high-necked bodice was beaded. Her long, straight sleeves were edged in lace, as was her train.

More lace edged her triple-tiered, fingertip length illusion veil. She carried her mother's wedding prayer

book, covered with butterfly roses, ivy and stephanotis.

She was attended by her college room mate, Mrs. Timothy Hepworth, of Lansing, as matron of honor, and bridesmaids Diane and Debora Pruett, the bridegroom's sisters.

Their Empire-waisted frocks of apricot embroidered nylon featured square necklines, short sleeves and ruffled hems. They wore matching apricot picture hats, and carried European hand-tied bouquets of yellow and apricot flowers.

Kenneth Tabor, of Kalamazoo, a high school friend of the bridegroom, was best man. Robert and Richard Petrich, the bride's brothers, seated the guests.

Mrs. Petrich chose a three-tiered gown of yellow chiffon for her daughter's wedding. The bridegroom's mother wore mint green chiffon. Both mothers selected cymbidium orchid corsages.

Out-of-town guests included the bride's uncles and aunts, Dr. and Mrs. Warren Schmidt, of Sepulveda, Calif., and Mr. and Mrs. Raymond G. Petrich, of Lynchburg, Va., and the bridegroom's aunt, Mrs. Milton Likis, of Birmingham, Ala.

DWIGHT BROWN, of Lochmoor boulevard, has been re-elected to the board of directors of the Michigan Association of Certified Public Accountants.

## Art to Schools Marks Decade

The Art to the Schools Committee of the Founders Society Detroit Institute of Arts celebrated the conclusion of its 10th year of service recently at a luncheon at the Southfield home of Mrs. David Levin.

The committee's 50 volunteers speak to children in the elementary schools of Detroit and its suburbs, lecturing on a variety of art subjects and carrying reproductions for the children to see and touch.

In the past school year, 560 metropolitan area schools were visited. Almost 32,000 children heard an Art to the Schools talk.

Committee officers for the new year include Pointer Mrs. Jean Partamian, in charge of scheduling.

Chairman and vice-chairman are, respectively, Mrs. Robert Miller and Mrs. John Scott. Mrs. David Snyder serves as secretary-treasurer. Mrs. Ted Simon is in charge of programs, Mrs. Judy Miller of special events and Mrs. Sheldon Klimist of publicity.

New members are always welcome. Anyone interested in joining is invited to contact John Hunter at the museum's Education Department.

PAUL DOUGLAS BUDAI, of Lothrop road, has received a Bachelor of Arts degree from Baldwin-Wallace College.

## Nancy Abbs Says Vows in St. Paul's

Richard Charles Rappas Will Make Their Home in Ann Arbor after Vacation at Bar Harbor, Me.

Saint Paul's-on-the-Lakeshore was the setting for the wedding of Nancy Jane Abbs, daughter of Mr. and Mrs. Jerome King Abbs, of Cadieux road, and Richard Charles Rappa, son of the Alfred Charles Rappas, of Saginaw.

The 11 o'clock ceremony Saturday, July 17, at which Monsignor Francis Canfield presided was followed by a reception at the Grosse Pointe War Memorial.

The newlyweds, vacationing at Bar Harbor, Me., will return to make their home in Ann Arbor.

The former Miss Abbs chose a sleeveless gown of white, embroidered English net, with stephanotis appliques, for her morning wedding. Seed pearl beading accented her high-necked bodice. Heirloom crystal detailed her skirt and chapel train.

An applied Juliet cap caught her illusion veil, and she carried an arrangement of phalaenopsis orchids and stephanotis.

Her attendants wore sleeveless, floor length frocks of

white pique, with matching wraps. Their hems, deeply flounced, featured embroidered pastel flowers, matching the floral embroidery on their bodices.

They carried baskets filled with garden flowers, and wore white picture hats.

Shelagh Abbs was honor maid for her sister. Bridesmaids were Mrs. Frank Rush, another sister, Suzanne Pratt, of La Jolla, Calif., and Jane Markey, of Saginaw.

Best man was Robert Gleffe, of Saginaw. In the usher corps were Gregg Schlaff, of Mason, Jay Jacobs and John Shimmie, of East Lansing.

The bride's mother selected a floor length, high-necked gown of peach chiffon, sleeveless and featuring a three-quarter length ivory lace jacket applied in peach and

THE DETROIT INSTITUTE OF ARTS

troit Institute of Arts, the dress will be returned to the Detroit Historical Museum and carefully stored for Detroit's 300th anniversary in 2001.

It was first worn 25 years ago, at a party commemorating Detroit's 250th anniversary. As the '76 Birthday Ball is to be period costume or black tie, Mireille Wilkinson will wear a French gown of the 1700's. Ms. Garrett will be in contemporary dress.

Activities July 24 will begin in the morning, with a reenactment of Cadillac's landing and a parade, and climax at the \$100-per-person dinner and ball, for which reservations are available through the Detroit Bicentennial office, 224-1776, or the Detroit Historical Society, 833-1805.

## Art to Schools Marks Decade

The Art to the Schools Committee of the Founders Society Detroit Institute of Arts celebrated the conclusion of its 10th year of service recently at a luncheon at the Southfield home of Mrs. David Levin.

The committee's 50 volunteers speak to children in the elementary schools of Detroit and its suburbs, lecturing on a variety of art subjects and carrying reproductions for the children to see and touch.

In the past school year, 580 metropolitan area schools were visited. Almost 32,000 children heard an Art to the Schools talk.

Committee officers for the new year include Pointer Mrs. Jean Partamian, in charge of scheduling.

Chairman and vice-chairman are, respectively, Mrs. Robert Miller and Mrs. Scott. Mrs. David Snyder serves as secretary-treasurer. Mrs. Ted Simon is in charge of programs, Mrs. Judy Miller of special events and Mrs. Sheldon Klimist of publicity.

New members are always welcome. Anyone interested in joining is invited to contact John Hunter at the museum's Education Department.

PAUL DOUGLAS BUDAI, of Lothrop road, has received a Bachelor of Arts degree from Baldwin-Wallace College.

## Quintet Learns Water Safety

Summer camp is usually a fun-filled week of swimming or sailing on the lake, singing songs around a campfire and playing tricks on fellow campers, but for five Grosse Pointe area residents who attended the Red Cross Safety School, fun took a back seat to a week of hard work.

Betsy Haddad, Tim Nann, Laura Hamlin, Nancy Currier and Lynn Navarro passed the written and physical tests at Camp Copneconic, Fenton, last month. They are now qualified to teach Red Cross Aquatic or First Aid classes offered in their communities.

To earn Water Safety Instructor (WSI) Certificates, the quintet participated daily for seven hours in 10 hours of instruction, spending at least six hours per day in the water.

In addition to the physical mechanics of the Red Cross course, the students discussed leadership practices and outlined a variety of teaching methods for different age groups with different abilities.

"The students attend Safety School for a purpose—not a vacation," explains George Wibby, Red Cross Safety Program director. "They work hard and bend over backwards to help each other."

Making this special camp possible were 19 men and women who took time off from their regular professions to teach the Red Cross Aquatic and First Aid programs.

Other generous people donated the 25 sailboats needed to conduct the sailing classes.

In spite of the hard work, there was still time for some camp fun. Different groups got together and made up songs and skits poking fun at fellow campers.

There was also a "get acquainted" dance, and a special graduation ceremony on the last day.

## The Richard Adairs

Photo by the Jackson Hole Guide

The Grand Teton formed the backdrop for the ceremony in Wyoming Saturday, June 19, at which MELISSA BROOKS MALM and Mr. Adair exchanged marriage vows. Their parents are Dr. and Mrs. James Royal Malm, of Irvington, N.Y., and the J. Douglas Adairs, of Stratton place. That's "Cyrus" in the lower right hand corner of the picture.

## Adair-Malm Rites Read In The West

Many Pointers Travel to Tetons for Mid-June Ceremony; Bridal Gown Dates from 1893; Outdoor Brunch Follows Outdoor Service

In a meadow bloom with lupines and daisies, adjacent to the Moose, Wyo., home of Lyle McReynolds in Grand Teton National Park, with the snow-capped Teton Mountains as a backdrop, Richard Herbert Adair claimed Melissa Brooks Malm as his bride.

Brunch in the meadow followed the 10 o'clock ceremony Saturday, June 19. Gregory Smith presided at the service.

The former Miss Malm is the daughter of Dr. and Mrs. James Royal Malm, of Irvington, N.Y. Mr. Adair is the son of Mr. and Mrs. J. Douglas Adair, of Stratton place.

The newlyweds are at home in Jackson, Wyo.

The bride's gown of ivory heavy silk and lace, trimmed at the yoke with a pale green ruffle, had been worn by her great-great-aunt, Ella Marie Wheelock, at her wedding in 1893.

The antique Rosepoint lace headpiece had been worn by the bride's mother at her wedding. White daisies and ivy formed the bridal bouquet.

Former Pointer Mrs. Clarence A. Livingood, Jr., who now makes her home in Jackson, Wyo., applied the bodices of the attendants' pale green fine whale cor-

blouse. The bridegroom's mother chose a long, fitted dress of apple green calico, ruffled at sleeves at hem.

Mr. and Mrs. Frederick McCabe gave a milk can stew party at their Circle EW Ranch for members of the wedding party and out-of-town guests, including, from

The Pointe, Mrs. John D. Adair, Jr., with Dori and Jeremy; Mr. and Mrs. John A. Tompkins, Marianne Tompkins, Ann Beausoleil, Daniel J. Griffin, Topher Ware and Mrs. A. Patton Gage; and the bridegroom's uncle and aunt, Mr. and Mrs. Richard Wilson, of Littleton, Colo.

## Notre Dame Club Alumni Will Golf

The Notre Dame Club of Detroit Alumni Golf Outing is scheduled for Monday, July 26, at Great Oaks Country Club in Rochester.

Notre Dame Head Basketball Coach Richard "Digger" Phelps, principal speaker at the dinner beginning at 7:30 o'clock that evening, will discuss last year's successful team, the loss of all-American Adrian Dantley and next year's prospects.

Chairman of the event is David Bodkin. Co-chairmen are Gene Schroeder and Thomas Ryan. Further information is available by calling Mr. Bodkin at 338-0234.

## Varied Fare For Festival

Paul Paray returns, at 90, to conduct Meadow Brook Music Festival concerts by the Detroit Symphony Orchestra tonight, Thursday, July 22, and Saturday, July 24, under the stars at Baldwin Pavilion on the Oakland University campus.

Programs both evenings will be devoted to music by six of the French maestro's countrymen: Hector Berlioz, Ernest Chausson, Edouard Lalo, Georges Bizet, Maurice Ravel and Paul Dukas.

Maynard Ferguson will bring his present-day band sound and the rich tones of his trumpet to Meadow Brook Friday, July 23. The New England Conservatory Ragtime Ensemble will present two-and-one-half hours of nostalgia at Sunday's pops concert.

Tickets for all performances are available at the Meadow Brook box office and Hudson's, Sears and Montgomery Ward ticket outlets.

## Appointment For Dr. Tutag

Dr. Robert Hubbard, dean of Wayne State University's College of Lifelong Learning, has announced the appointment of Dr. Nola H. (Mrs. Edward) Tutag, of Radnor circle, as director of the College's University Studies/Weekend College Program.

Dr. Tutag has been serving as interim director of the Program, initiated in 1973 to provide working adults with the opportunity to earn a Bachelor of General Studies degree, since December, 1975.

A native of New Zealand, she has been a WSU faculty member since 1959 when she joined Montclair College, has served on many University committees and is presently secretary of WSU's Phi Beta Kappa chapter.

Her Doctor of Education degree in Art History was awarded by Wayne, which uniquely utilizes television instruction, discussion groups and weekend conferences in the US/WC Program.

## Trio to Exhibit At Palmer Park

A trio of Pointers will be among exhibitors in the Palmer Park Citizens Action Council's first art festival, scheduled from 10 to 6 o'clock Saturday and Sunday, August 7 and 8, around Lake Frances in Palmer Park.

James L. Webers, of Lakepointe avenue, a teacher of Art and English, works in porcelain and stoneware and fashions ceramic animals. He has exhibited at the Grosse Pointe Artists Association Festival, at Pewabic Pottery and in the Junior League's recent Decorators Showcase.

Gene Pluhar, of Lincoln road, teacher and potter, works in stoneware and porcelain pottery. He has exhibited at the Grosse Pointe Show, the Detroit Artists Market, the Ann Arbor Fair and Birmingham.

Julie Strabel, of Lakeland avenue, an art instructor, fashions fiber pillows, jewelry, and silk batiks. She has exhibited for seven years at the Ann Arbor Art Fair, and took first prize in the Detroit Art Teachers Show at the Scarab Club.

## Tennis and Buffet For Italian Cadets

**Lochmoor Club to Be Setting for Supper Following Games' Afternoon at Wimbledon Racquet Club Next Wednesday**

AMIT (American-Italian Professional and Business Women's Club) will participate in the Bicentennial celebrations via a tennis reception and buffet next Wednesday, July 28, honoring officers and cadets of the Italian S.S. San Giorgio.

The San Giorgio is one of the large ships visiting Detroit at the invitation of the City's Bicentennial Commission.

The tennis reception at Wimbledon Racquet Club starts at 3 in the afternoon, with cocktails and hors d'oeuvres — and tennis, of course, AMIT members, their daughters and friends teaming up with the cadets.

Then the action shifts to Lochmoor Club, where a wine and buffet supper will be served at 6:30 o'clock. Vari-

ety entertainment and dance music by Fontaine will highlight the evening.

Dr. Silvio Fagiolo, Detroit, Italian Consul, will join in the festivities honoring his country's young seamen, as will His Excellency Giulio Tamagnini, Acting Italian Ambassador, Captain Carlo Vandini, Naval Attache, and the San Giorgio's Captain Carlo Jorio.

Mrs. Nino Uberti, AMIT president, has asked Mrs. Joseph N. Impastato, a past-

president, to chair the patriotic party. Co-chairman is Miss Bridget Gioia.

Pointers assisting them on various committees are Joan Rossi, Linda Eugenio, Lillian and Laberta Licata, Rose and Vera Giglio and the Mesdames Fedele Bianco, Victor Caputo and Dennis DeSantis.

More party-planners are Marion Orsini, Mrs. Charles Cataldo, Mrs. Edward L. Baker, Mrs. John Puleo, Alma Petrini and Mrs. Paolo Polidori.

## Fall Bride

Plans for an October 30 wedding are being made by SUSAN SYDNEY LITTLE and Chester Mansfield Brown, Jr., whose engagement has been announced by her mother, Mrs. Glory Little, of Moran road.

The bride-elect was graduated from Grosse Pointe South High School in 1973. Her fiancé, son of Mr. and Mrs. Chester M. Brown, of Nottingham road, is also a Grosse Pointe South High alumnus, Class of '72.

Among Leelanau School athletes receiving awards at a special ceremony May 26 was NANCY OTTO, cited for Horsemanship, daughter of the JACK L. OTTOS, of Moorland drive.

## Mr. Fernstrum Weds in Iowa

Exchanging marriage vows Friday, May 28, in the First Presbyterian Church of Hesperia, Iowa, were Shirley Jean Boersma, daughter of Mr. and Mrs. Harry Boersma, of Hesperia, and Lee Adams Fernstrum, son of the Richard F. Fernstrums, of Willson road.

The Reverend Robert Offord officiated at the 6:30 o'clock rite which was followed by a reception in the Church's Fellowship Hall.

The bride, given in marriage by her father, chose a gown featuring a Victorian neckline edged with narrow rows of lace. Matching lace motifs were repeated on her bodice, sleeves and hem.

She wore the gold cross which had belonged to the bridegroom's great-great-grandmother and which his mother had worn at her wedding.

The bridal veil was held in place by a lace Juliet cap. The bridal bouquet featured white Sweetheart roses and baby's-breath.

Helen Boersma was her sister's maid of honor. Mrs. John Blom of Hesperia, was bridesmaid. They wore identical gowns floral-printed in shades of aqua, blue and green.

Charles Osborne, of Saline, acted as best man. John Blom was groomsmen. Ushers were Thomas Fernstrum, brother of the bridegroom, and Donald Boersma, the bride's brother.

Mr. and Mrs. LeRoy Boersma, brother and sister-in-law of the bride, presided at the guest book. Serving punch were Mr. and Mrs. David Fernstrum, brother and sister-in-law of the bridegroom. The bride's mother chose

a floor length, pale aqua knit. The mother of the bridegroom selected a long, dusty pink gown. Both wore corsages of pink Sweetheart roses and baby's-breath.

Out-of-town guests included the bridegroom's grandmother, Mrs. John F. Mehlhop, of Santa Monica, Calif.

The newlyweds will make their home in Charlevoix.

New members of Ferris State College's Society of the Golden Eagles, a select group of emeritus alumni made up of former students who attended the College at least 50 years ago, are Pointers THOMAS HERRIGAN, DR. CARL L. JOHNSON and MISS M. REVA LARSON.

Fly Aweigh on the "Fun Ship"

The two largest cruise ships from the port of Miami are the TSS Mardi Gras, and, the TSS Carnival, which was introduced most successfully this year. Each ship has intimate night clubs with professional entertainment and 4 orchestras, international and American cuisine and a complete casino. They call themselves the "Fun Ships" and they have activities such as Trap Shooting, Bridge and Shuffleboard Tournaments, Bingo, Beer Drinking Contests, Grandmother Bragging Parties and a Masquerade Party. Both ships depart weekly with the TSS Carnival departing Saturday to San Juan, St. Maarten and St. Thomas, and the TSS Mardi Gras departing Sundays to Nassau, San Juan and St. Thomas.

Both ships have special Fly Free Plans where the cruise lines will pay the one-way air fare to Miami, making them excellent values. Rates start at \$460.00 for the cruise and round trip air fare. For further information, contact the cruise specialists at TRAVELWORLD, 21127 Mack Avenue, 882-8190.

## Farewell to Society's Mr. Smith

Pointers were saddened last week to hear of the death of Birney Walker Smith, "Mr. Smith" whose presence at weddings and debutante balls and receptions was indispensable.

No society function was complete without Mr. Smith's presence at the head of the receiving line, announcing guests to the host and hostess. He began his "second

career" (his first, during the day, was as a Juvenile Court probation officer), in 1927, at the invitation of Detroit's social arbiter Sara E. Burnham.

His first debutantes and brides were succeeded by their daughters, and Mr. Smith bridged the generation gap. He knew everyone. He went everywhere, and everywhere he was known, and

greeted, by the families, Fords to Boyers, Buhls to Joys, whose Big Events he had been so much a part of. An automobile accident precipitated his retirement in 1969.

He died at 91, and was buried last Thursday in Brighton, where he lived with his wife, by whom he is survived. He is also survived by three children.

## Bremer-Swanson Vows Exchanged

**Bride Fashions Her Wedding Gown of White Polyester with Lace-Accented Tucks; She Is Attended by Her Sister**

A reception at Lochmoor Club followed the wedding of Lynne Eileen Swanson and William Joseph Bremer Saturday, June 12, at 4:30 o'clock in Grosse Pointe Congregational Church.

The daughter of Mr. and Mrs. Leonard O. Swanson, of Chalfonte avenue, made her white polyester gown, Empire-waisted and chapel-trained, styled with long, sheer sleeves and lace-accented tucks.

She wore a white picture hat, and carried an arrangement of baby's-breath, Sweetheart roses, stephanotis and trailing ivy.

which The Reverend Dr. Roy R. Hutcheon presided.

Diane also made her gown, a green, blue, peach and white pastel print, similar in style to the bridal gown, featuring elbow length, puffed sleeves. Daisies, baby's-breath, yellow miniature carnations and trailing ivy formed her bouquet.

John F. Bremer, of Orland, Ind., was his brother's best man. They are the sons of Mr. and Mrs. John H. Bremer, of Sanford.

The bridegroom's brother-in-law, Glenn Hubbell, of Hemlock, and the bride's brother, Leonard E. Swan-

son, ushered.

The mother of the bride wore a long, sleeveless, V-necked gown, of apricot tulle, with a long-sleeved jacket. The bridegroom's mother's mint green gown, also V-necked and floor length, featured long, sheer sleeves.

Yellow roses and white miniature carnations formed both mothers' corsages.

The newlyweds vacationed in Toronto and will make their home in Saginaw, where the bridegroom, a Michigan Technological University graduate in Computer Science, is an agent with an insurance company, and the bride, a Michigan Tech Medical Technology graduate, will work at St. Luke's Hospital.

## Mrs. William Bremer

Photo by Lud Schomig

LYNNE EILEEN SWANSON was married Saturday, June 12, in Grosse Pointe Congregational Church to Mr. Bremer. He is the son of the John H. Bremers, of Sanford. The Leonard O. Swansons, of Chalfonte avenue, are the bride's parents.

## Chair As First Oboe for Nancy Ambrose

Participating in the Schoolcraft College Summer Music School and Festival is Nancy Ambrose, daughter of Dr. and Mrs. Robert H. Ambrose, of Roslyn road.

Nancy is playing First Oboe in the Festival Orchestra and Wind Ensemble, and

has participated in all of the Chamber Music recitals.

The Schoolcraft College Summer Music School is a four-week program for musically-talented youth in the Detroit area. Members are selected by audition, and range in age from junior high through college.

The program includes a String Orchestra, Wind Ensemble, Full Orchestra, Chamber Ensembles, and classes in Music Theory, Harmony and History. Classes may be taken for credit by college age musicians.

The faculty is made up largely of members of the Detroit Symphony. They may be heard in concert each Tuesday evening at 8 o'clock.

Student concerts are Friday, July 16, and Friday, July 23, with a Chamber Music concert Wednesday, July 21. All concerts are at 8, and are free of charge.

## Up and Away At Little Club

It was "up, up and away" at the Grosse Pointe Club Saturday evening, July 10, as the Junior League of Detroit gave a party to introduce its 1977 calendar, "Rediscover Detroit, Get to Know Me Better," at a cocktail fete featuring hot air balloon rides. Launching pad for the balloon was the Little Club's lawn overlooking Lake St. Clair.

## Laura Lives Her Heritage

Laura Price, daughter of Mr. and Mrs. E. W. Price, of Lakepointe avenue, was among 200 Girl Scouts and Girl Guides participating in Heritage Highlights—Home-spun, Hearth and Harvest, (with a touch of Pennsylvania Dutch), at Camp Tohikanee, Quakertown, Pa., this summer.

The two-week program featured echoes of America's past through 50 Colonial craftsmen and their demonstrations. The young participants themselves provided a look into the future.

The opening campfire included Fire and Drum music, flag ceremonies and the national anthems of the United States, United Kingdom, Germany and Belgium. Old-fashioned games, candy making and a square dance were on the agenda Fourth of July eve.

The Fourth itself was celebrated via a Colonial Feast featuring an ox roast and such Pennsylvania Dutch specialties as corn pudding, potato salad with German dressing, squash and gingerbread, plus a special Bicentennial Campfire, lit at 10 at night in a ceremony arranged nationally by the American Camping Association to commemorate Amer-

ica's 200 years of freedom. Among other activities were arts and crafts learning sessions, field trips to Valley Forge and other places of historical significance and a chance to greet the Bicentennial Wagon Train upon its arrival in Quakertown.

Flags of the 39 states represented by campers were displayed in the camp dining hall during the program.

## Let's Talk Real Estate

by John E. Brink

Did you ever have to move to a strange city, without knowing where to go, what to look for, or whom to turn to for help? These days more and more mobile Americans are turning to real estate brokers and sales personnel for help in making that very difficult, and very important move. The easiest way to find a piece of property to suit your family's needs is to go to a real estate broker for help. Tell him exactly what your family is looking for. Let us do the leg work. We will find you a number of possibilities in your family's price range. And we will be able to advise you about the neighborhoods, shopping, schools, whatever you need to know to make you feel more at home.

How nice it is to purchase a home with a One year Warranty. If the furnace blows up—it's replaced. A Warranty is peace of mind—a way of trusting the person who now owns the home you are buying. Ask the people at Grosse Pointe Real Estate Co. 882-0087 about this \$100.00 deductible one year Buyers Protection Plan.

DID YOU KNOW?

Clean your garage—you will be amazed at how attractive it can look without all that clutter and those cobwebs.

## 13—REAL ESTATE FOR SALE

## OPEN SUNDAY 2-5

**FIRST OFFERING. 1358 Harvard.** Enclosed inside the brick walls of this French Colonial you will find a beautiful three bedroom, two and one half bath home. A wormy chestnut paneled study and a jalousie windowed Florida room (which can be winterized) give this house those "extra rooms" that are so desirable. A new floor graces this attractive kitchen and breakfast area with a bay. This home exudes a very warm and homey feeling that will make you want to say: "THIS IS IT!"

**812 BALFOUR** . . . Grosse Pointe Park's finest location. We offer for your perusal this three bedroom, two and one half bath Colonial with family room and finished basement. If within walking distance to schools, shopping and Lake St. Clair is your desire, then this is a home you will enjoy for many years to come. John France will be happy to show you through.

**551 OXFORD**—located just 4 blocks from the lake, this fine offering has a private bath for each bedroom and a kitchen with every imaginable built-in. From the two story foyer are entrances to the living room, dining room and library. In addition, there is a step-down family room.

**19201 LINVILLE, HARPER WOODS.** This three bedroom, bath and one half home has all the privileges of Grosse Pointe residents. There is a paneled recreation room, study and stall shower in the basement, two car garage and family room. Priced in the low \$40's.

## FIRST OFFERINGS

**SPACIOUS CENTER ENTRANCE** Colonial on one of the Pointe's most prestigious tree-lined streets. Step down living room plus music room and family room. Total of six bedrooms and four baths all on the second floor. Includes an extra lot well landscaped and screened from the street to provide privacy. A call to our office will provide you with more information on this very desirable property.

**TIRED OF STAIRS?** No ups and downs in this three bedroom, one and one half bath ranch with two and one half car brick and block garage, jalousie porch, all major appliances included. Grosse Pointe schools, quick occupancy available. \$38,500.

## AVAILABLE BY APPOINTMENT

**SPACIOUS** four bedroom center entrance Colonial located in one of the most desirable areas of Grosse Pointe Woods. This fine home features a fireplace in both the living room and in the 23-foot long family room. Other desirable pluses include central air conditioning, electronic air cleaner, built-in appliances and an outdoor grill. This outstanding home is a delight to see and a pleasure to own.

**JUST THE THING** for a low budget buyer who wants an east side location at a minimum cash outlay. This two bedroom bungalow is listed at \$14,900 and is currently on a month-to-month lease. Cash flows prove this to be a good investment either as a landlord or occupant.

**THIS FRENCH INFLUENCED** Colonial on Lake Shore Road could be the small house you've been waiting for with the big rooms. The front entry is served by double doors which open to a gracious, marble floor foyer. There are three fireplaces to add plenty of atmosphere, and having a private bath for each bedroom is pure luxury. The lake breezes are a constant delight, however this house is completely air conditioned.

**A CAPE COD** located on Lincoln Road is just a block from everything. There is a master bedroom on the first floor, plus a library and family room. On the second floor are two more bedrooms and another bath. A great yard with plenty of privacy is also serviced by a sprinkler system. Central air comes with the fare.

**A MUST SEE** is this gracious country house being offered in one of the best locations in Grosse Pointe Farms. This could be the ultimate house for the family which desires elbow room both within and without the house. Completely restored and updated in all categories. The large gourmet kitchen could contain a cocktail party. Each of the family bedrooms has a private marble bath. There is a separate apartment over the attached garage.

**GP Woods Sets Hearing Date**

A public hearing date of Monday, August 2, was unanimously set by The Woods Council based upon a request from Our Lady Star of the Sea Church, 575 Ballantyne road, to consider the erection of a fence on the premises. This action was taken by the council at its Monday, July 12, regular meeting. The Rev. Ralph V. Barton, pastor, said the fence, which would be located on city property, is necessary to protect "our little school children from the traffic on Morningside drive and Fairfield road." Officials added this bid also would require an ordinance amendment.

**Several Items Taken in B-E**

Woods police learned that several items were found missing after the burglary of a Van Antwerp road home, which occurred while the owner was on vacation. The breaking and entering was reported on Thursday, July 1, and the resident contacted police on Thursday, July 8, regarding the stolen articles.

These items included one automatic eight-shot gun, one black and white television set, one stereo receiver and turntable, three speakers and around \$25 in assorted coins and paper currency. All the articles are of unknown value.

**NAME "REPS"**

The Woods Council unanimously named Mayor Benjamin W. Pinkos and Councilman George S. Freeman as the city's official representative and voting delegate and alternate official representative, respectively, to the Michigan Municipal League's annual meeting September 8-10 in Lansing. The solons also unanimously approved a motion that any or all council members be permitted to attend the session with the reimbursement of all necessary expenses. This action was taken at the regular meeting Monday, July 12.

**LICENSES APPROVED**

A total of 26 parking lot licenses were approved for issuance by The Woods Council at its regular meeting Monday, July 12. Applications and license fees had been received and the lots were inspected and approved by the building inspector. Those who had their licenses approved included a variety of businesses and schools.

**Hilgendorfs Have Big 4th**

When an old Grosse Pointe family, the Hilgendorfs, limited its Fourth of July Bicentennial party to just "the family," they don't do it to be unsociable.

Actually since the clan of William and Marceline (formerly Trombly) Hilgendorfs numbers more than 150, they were hard pressed to find accommodations as it was.

So the Hilgendorfs finally converged on Baldack Park, Detroit, and had a grand family reunion which they hope will become an annual affair.

Plans are already in the making for a tricenennial Hilgendorf family reunion to be held in Pontiac Stadium.

**Farms Grants Two Permits**

The Farms Council voted 7-0 Monday night, July 12, to issue a building permit to Ted Pongracz, of Kercheval avenue, to begin construction on a new attached two-car garage at the rear of his present dwelling.

The council also voted 7-0 to approve a building permit for Mr. and Mrs. Thomas Laquiere, of Moross road, so they may construct a six-foot stockade fence running parallel with the front line of their property.

**Trio Receive Track Letters**

Three Grosse Pointe athletes were among 30 Wayne State University trackmen recently recommended for varsity letter awards by head track coach Jerry Quiller.

Tom Murphy, a sophomore and a graduate of South High School, Bill Walker, a freshman and Steve Zaranek, also a sophomore and a graduate of North High School, are members of WSU's Great Lakes Intercollegiate Athletic Conference championship team.

**AGENTS ATTEND SEMINAR**

Pointers N. William O'Keefe, Michael J. Cavanaugh, Dennis Cavanaugh and Walter R. Cavanaugh were among the members of the life insurance industry's Million Dollar Round Table, (MDRT), which gathered at Boston, Mass., recently for its annual conference. MDRT is an international association of about 12,000 life insurance agents recognized by the industry as the top echelon of agents. Its members must produce \$125 million of annual sales and meet high performance requirements.

**NITZSCHE PROMOTED**

The National Bank of Troy, a subsidiary of National Detroit Corp., recently elected its board of directors at its first annual meeting of shareholders. Arthur A. Nitzsche, of the City, president of National Bank of Troy, was elected chairman of the board of directors. The other directors are Thomas H. Jeffs II and Charles W. Elliott, of The Farms.

The higher grade politicians are seldom machine made.

**LICENSE APPROVED**

A vendor's license to sell ice cream by truck was approved by The Woods Council at its regular meeting Monday, July 12, by a 6-1 vote. With the approval of the application from Beatrice Farese, of Detroit, the city has three ice cream vendors licensed for 1976. The lone negative vote was cast by Councilman John Sabol.

## Pointe Counter Points

By Pat Rousseau

Posh Fans . . . you saw the Walton-Pierce ad this week Page One of Society, featuring three new styles. Be sure to catch the trunk showing. You'll love the "Moonlighting Tunic-Dress." The top is a screen printed stripe, dot and fluer design on Qiana worn over dotted pants. There's a long Indonesian orchid print in sapphire tones. A short chiffon cocktail dress comes in spirited autumn colors. A paisley velveteen coat can be worn over many little dinner dresses. Posh also has a smart Ultra-Suede coat-dress to use either way. There are so many beautiful fashions in this exciting, wearable collection. It will be informally modeled 11-5, Tuesday, July 27th, Somerset Mall . . . Wednesday and Thursday, July 28th and 29th, Grosse Pointe. Mr. Sidney Scher, Posh representative can help you with color and fabric selections when you order or you can choose many styles from the Walton Pierce stock. You'll also be happy to hear that Robert Janan dresses with matching scarves are in and the fall colors are smart. Ciao knits are arriving daily. One favorite is a dress combining a tan Ultra-Suede skirt and black knit top, trimmed with Ultra-Suede at the cuffs and neckline. In the Sportswear Department you'll find many jumpsuits. An outstanding one is a gray knit styled with zip front, turtle neck and a striped, fringed pancho. From Paris the new Tricosa dresses and costumes are coming in. Be the first to see them.

## Bon Secours Gift Shop Is Their Pride

Every day, for the past year, ROSEMARY (Mrs. John B.) HASTINGS, (left) and LOUISE (Mrs. Charles D.) LaFOND have worked together in the Bon Secours Hospital Gift Shop, with volunteer members of the Bon Secours Assistance League taking turns manning the cash register and counters—and not once during the year has the shop been closed because someone failed to honor a scheduled staffing com-

mitment. The Gift Shop is one of the Assistance League's main sources of revenue, raising funds for the League's pledge to Bon Secours' Building Fund. Twelve committees see that it operates properly. Rosemary, the shop's immediate past-chairman, recently relinquished her chairmanship to Louise—but we're sure both ladies will continue to see a lot of one another in between ringing up sales.

## Mark Is Amazed!

MARK BELANGER, son of Grosse Pointe Farms Police Officer Joseph Belanger, looks on with utter disbelief as magician FELIX LORENZ "cuts off" the tie of SNOOKY the CLOWN—promising to make it whole again! Mark was among a number of volunteers' youngsters who watched an impromptu performance of Felix at the Southland headquarters of the Children's Leukemia Foundation where the magician will entertain Sunday, July 25, at a Michigan Leukemia Week kick-off blood drive. Children, accompanied by adults, are welcome.

The Magic Show will highlight a blood drive kicking off observance of Michigan Leukemia Week, July 25 through 31, when the Children's Leukemia Foundation draws attention to its statewide program of assistance to Michigan patients suffering serious blood diseases, and to the strides being made in the treatment and care of individuals stricken with leukemia and related blood ailments.

All adults attending the Sunday celebration will be asked to donate blood, through facilities made available by

the American Red Cross. All children must be accompanied by an adult.

Magic Performances will be held at noon and 2 o'clock, after which free refreshments and literature will be available to all.

The Children's Leukemia Foundation, a United Fund Agency, does not solicit funds. It does provide services for both adults and children, living in the state of Michigan, stricken with any serious blood disease. Further information may be obtained by calling 353-8222.

### Merry Mart Preview

Christ Child Society of Detroit previews Merry Mart '76 next Wednesday, July 28, at Alger House of the Grosse Pointe War Memorial where, from 6 to 9 o'clock, each booth to be featured at the traditional pre-Christmas bazaar will offer a representative sampling of its wares.

Complimentary hors d'oeuvres will be available to browsers and buyers as they examine fine handcrafted items ranging from Christmas decorations to jewelry to knitwear.

Among the new departments at the '76 Merry Mart Preview will be Cheese, Paper Goods, Flowers, Crafts, Wrappings and a Provisional Project Booth.

Mrs. Thomas McGann, of Touraine road, chairman of the evening, heads a corps of Pointe ladies who are enlisting their husbands' aid to make the party a smashing success.

Mrs. John Tulloch, of Lincoln road, has been holding meetings to prepare Christ Child's cookbook for its debut. Many Society members have contributed their favorite recipes. Mrs. Joseph Lenz, of Kercheval avenue, is preparing samples for Wednesday's hors d'oeuvres trays.

Other women involved in party preparations are the Mesdames Roger Stanton, Gregory Kassab, James Snyder, Richard Unti, Joseph Fromm, Leonard Winzer, David Wenzler, James Lemhagen, Donald Currier, Richard Golobic and Shad Kozlowski.

The Merry Mart '76 Preview is open to the public at \$2.50 per person by advance reservation, \$3 at-the-door. Reservations may be made by sending checks to Mrs. Thomas Mayer, 953 Trombley road, Grosse Pointe Park, Michigan 48230, (499-3576).
