DELEGATES FROM WEST VIRGINIA put President Ford over the top in his tight battle with Ronald Reagan this morning for the right to represent the Republican party against Democrat Jimmy Carter. After his victory, President Ford held a 30-minute discussion with Mr. Reagan and came away with the former California governor's pledge of loyalty in the upcoming presidential fight. Mr. Reagan re-affirmed that he would not accept a vice-presidential spot from the president or encourage a draft movement in the convention by his supporters.

THE U.S. AND NORTH Korea put their combat forces on alert and the two sides traded blistering accusations Thursday over a bloody melee in which North Korean guards hacked two U.S. Army officers to death in the demilitarized zone. The U.S. reinforced its air strength in South Korea by sending two squadrons of combat planes to the peninsula. Washington officials said the reinforcement was precautionary and did not presage U.S. military action against North Korea.

CHRISTIAN AND MOSLEM gunners Friday pounded civilian residential areas of the capital of Lebanon with around-the-clock shelling. Leaders on both sides vowed to fight to the last man. Indiscriminate artillery duels in Beirut sent shells thundering without warning into streets, shops and houses in every quarter of the capital. At least 42 civilians were killed and more than 85 wounded.

ONE CASE OF THE DANGEROUS mosquito-borne disease called St. Louis encephalitis was confirmed in Windsor Saturday, and Michigan researchers reported evidence that mosquitoes carrying the virus are also on this side of the border. Public health officials immediately asked for a campaign against mosquitoes. There is no vaccine for the disease and no specific treatment. The best protection is considered to be in mosquito control. The disease killed four persons in Wayne County last year and five in Windsor.

ACCORDING TO "NEWSWEEK" magazine Federal investigators know who killed Jimmy Hoffa and also how and where the stormy union boss was disposed of after his abduction more than a year ago. The magazine account reports that Hoffa was strangled in the basement of a home only four minutes away from the suburban restaurant parking lot where he was last seen. The investigation has concluded that two major suspects, Anthony Giacalone and New Jersey teamster official Anthony Provenzano were not present when Hoffa was garroted by out of town hit men. According to "Newsweek," investigators will soon have enough evidence to indict those involved.

THOUSANDS OF BLACKS boycotted their jobs Monday in an attempt to apply economic pressure on the white minority government in South Africa. Police gunfire killed at least one black in clashes with groups enforcing the work stoppage. Many companies in Johannesburg reported 40-80 percent absenteeism by black workers. Most of the blacks who supply the labor force for South Africa's commercial capital must live outside the city, most in the huge segregated black township of Soweto.

Making New Home Out of Old House

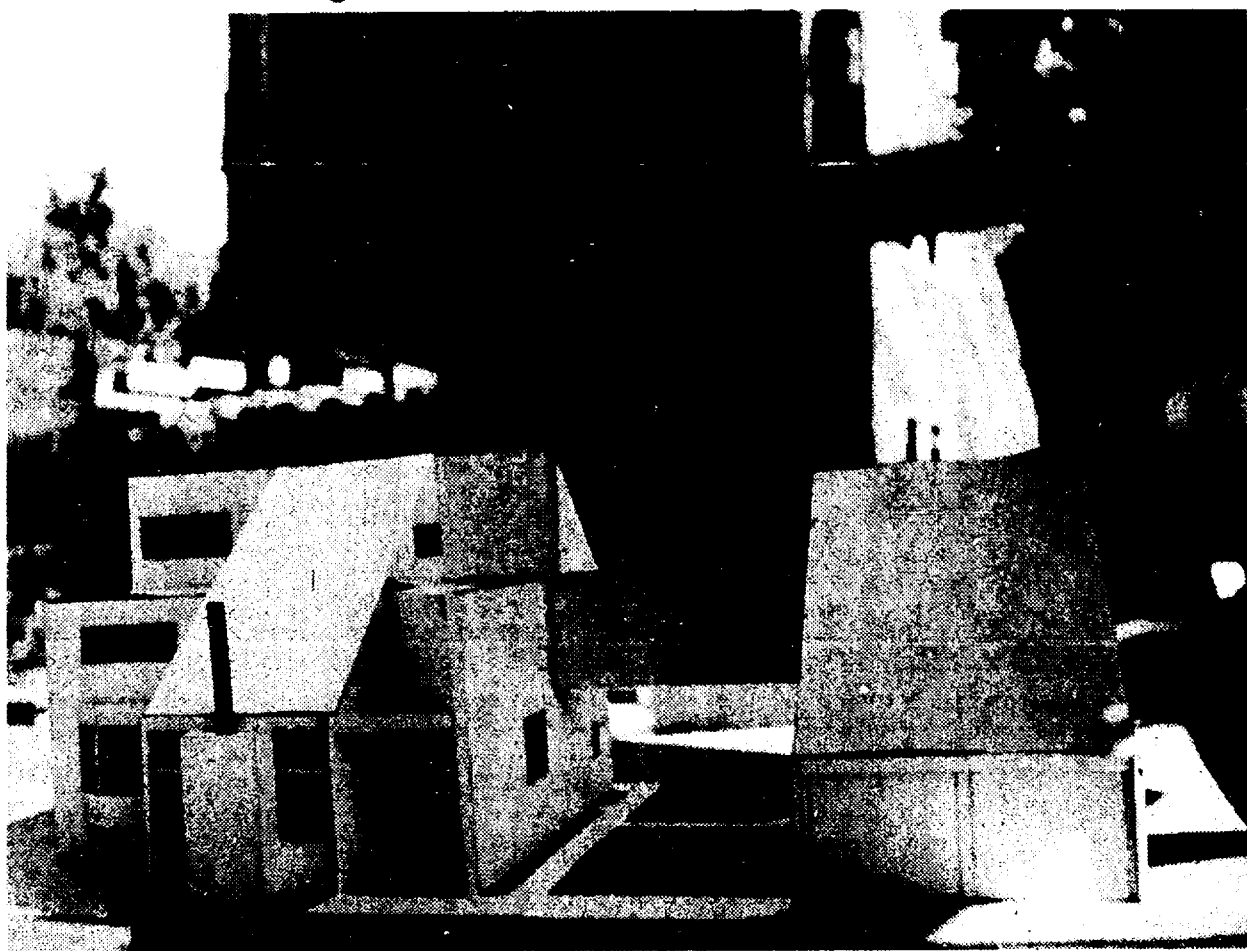

Photo by Tom Greenwood

Though only a cardboard model, it serves as a sneak preview for the curious wondering what Richard Adrian's home, on Moross road, will look like when builder Larry Black is finished. Mr.

Black, a home "recycler" did a similar facelift on his own 100-year-old home on Vernier road. For details, see story at bottom of columns 6 and 7 on this page.

Man Given Probation in Cycle Death

Detroit Will Serve First Six Months in DeHoCo for Incident in April

James Howard, of Charest street, Detroit, was sentenced to five years probation, with the first six months to be served in DeHoCo, (Detroit House of Correction), for the hit-and-run death of 10-year-old Steve Salkowski, of Harvard road.

Howard, who pled nolo contendere in the use of a motor vehicle on public property which resulted in the death, was sentenced Tuesday, August 3, before Wayne County Circuit Court Judge Joseph B. Sullivan.

Take Blood Test

Steve was killed instantly and two other boys, Billy Trombley, 12, of Washington road, and Jamie Burke, 11, of Muir road, were injured when they were struck from behind as they rode their bikes along Lakeshore road on April 19.

A test of Howard's blood, after he refused to take a breathalyzer test, showed a .09 level of alcohol in his system.

One-tenth of one percent in the blood is considered legally drunk in Michigan.

Metropolitan Club Holds Kids' Field Day Saturday

Games, clowns, food and prizes—all the makings for a fun afternoon for the kids—will be part of the 35th annual Grosse Pointe Police-Firemen field day this Saturday, August 28, at Brownell Junior High School, 260 Chalfonte avenue. From 10 a.m.-2 p.m. about 30 of Grosse Pointe's finest will see to it that the kids are entertained with the help of nine clowns, a "moon walk," races, hot dogs, cotton candy, ice cream and pop. It's all free to Grosse Pointe children who bring their local park passes along with them for admission. Last year's field day drew about 3,000 youngsters and parents. A special feature this year will be the '40 and 8 Box

School Board Hosting Number of Luncheons With State Lawmakers

Similar Meetings Last Year Had Positive Effect on Relationship with Legislators; Financial Problems Discussed

State Sen. Joseph Snyder met with Board of Education trustees, staff and PTO/PTA representatives on Monday, August 23, in the first of a series of luncheons hosted by the Board aimed at improving communications between the legislators and the school district.

Assistant to the superintendent of schools George Eddington termed the meeting "helpful" especially in terms of new measures to relieve senior citizens of property tax burdens.

Others Scheduled

Other luncheons are scheduled with Rep. William Bryant on Wednesday, September 8, and Sen. William Fitzgerald on Thursday, September 9, in the Board offices. Plans are still in the making for a similar discussion session with Sen. John C. Hertel.

Trustee Joan Hanpeter, who acts as hostess for the meetings, said she is hoping to make the legislators aware of some of the financial troubles the schools are having and at the same time become better informed herself about the goings on in Lansing.

Similar meetings held last year had a very positive effect on the Board's relationship with the legislators, she said.

Surprised Guests

"We surprised them with the number of financial problems we had in relation to the bills passed in Lansing last year," she said.

Woods Printing Annual Report

A 1977 calendar and annual report will soon become a reality for Woods citizens as the council accepted the bid for the publication to Troy Oaks Graphics, of Troy, in the amount of \$3,063.75, their bid being the lowest received.

This action was taken at the regular meeting Monday, August 16.

The motion also stipulated that City Administrator Chester E. Petersen be authorized to issue a purchase order on the city's behalf for the contracting of the report, while indicating that the monies for the project will be paid from the general fund.

Mr. Petersen said the publication will feature a calendar of each month on one page. This will incorporate the meeting dates of the council and the municipality's several commissions, along with other items of special interest.

The other page will contain pictures, stories about the operation of the various departments of the city, et al. He said the calendar and report should be ready for distribution sometime in December and will be delivered to every home in the community. Around 7,500 will be printed.

Proud Pop Also Named Best Driver

Wins Driver-of-Year Award on Wednesday, Becomes Father of Girl on Thursday

By George Polgar Jr.

When things are good for Samuel M. Smith, of The Park, things are really good. Like last week when he received the Traffic Safety Association of Detroit's (TSA), Driver-of-the-Year award at noon Wednesday, August 18, and then became the proud father of a bouncy baby girl at noon on Thursday, August 19.

We all know more or less how the second stroke of good fortune came about but what of the best driver honor?

"Well I was on my way to work through Chandler Park, kind of lost in the music playing on the radio when I noticed a police car signaling me to pull over," Mr. Smith explained. "I knew I wasn't speeding so I figured that I must have gone through a red light."

Picked As Finalist

Before Mr. Smith could get through his initial protests of innocence, the police officer assured him that he was not stopped for a violation. On the contrary, the officer had been following him for a time and wanted to enter him in the annual Driver-of-the-Year competition. "He must have noticed me because I was wearing my seatbelts and keeping within the speed limit," he said.

Representatives of TSA got back in touch with Mr. Smith earlier this month and informed him that because of the officer's recommendation, and a subsequent check of his driving record, he had been chosen as one of the five finalists.

Worth a Break

Along with the distinction of being the best driver in the motor city, Mr. Smith received a \$100 savings bond and a free lunch at the Detroit Press Club. As a result of this honor he feels a great responsibility to keep up his exemplary

GP Farms-City Team Captures Regional Title

Thirteen-Year-Old Babe Ruth All Stars Compete Along with Clubs from Indiana, West Virginia, Illinois, Ohio and Kentucky

Two weeks ago, a 13-year-old Babe Ruth League All-Star Team representing The Farms-City won the State championship at Belleville, Mich. Next, it was the regional crown as the team represented The Pointe and Michigan in the Ohio Valley Regional held at Anderson, Ind., from Saturday-Friday, August 14-20.

Other teams entered in the tournament were clubs from Indiana, West Virginia, Illinois, Ohio and Kentucky.

The Pointe team emerged victorious as it won the second game of the doubleheader against runner-up Terre Haute, Ind., 9-3, on Sunday, August 22, to take the regional title in the double elimination tournament.

Posts 4-1 Mark

Grosse Pointe put together a 4-1 record at the regional to bring its overall tournament record to 9-1 along with the district, state and regional championships.

It was a true team effort with different boys providing the winning margin in each game.

On Saturday, August 14, the Pointers stopped Kentucky, 11-10. John Cammett pitched most of the game with relief being provided by John Heidt. Big hitters for the local team were Cammett with three hits, Glen Fletcher, John DeBoer, and Heidt, two hits each, and one by John Vens.

Sunday, August 15, saw The Pointe team top West Virginia, 8-7, with the lead being exchanged numerous times until the Michigan team pulled it out. John DeBoer was the winning pitcher. Contributing two hits, one a double, was John Cammett. Other heavy hitters were John Heidt, Paul Proppit, both with doubles, Mike Mahon provided the winning run with a timely bunt.

Advance to Finals Grosse Pointe shutout Terre Haute, 3-0, and advanced to the finals of the tournament on Tuesday, August 17. John Heidt pitched a five-hitter to earn the win, striking out six and walking four. Paul Proppit had two RBIs, and Mike McBrearty provided great defense in center field.

The only loss came on Friday, August 20, as the Pointers were topped 7-0 by Terre Haute. The Indiana team scored early on starter John Tottle at TU 4-5570.

Boat Safety Classes Slated

The Grosse Pointe Power Squadron is inviting all interested persons to attend free classes in boating starting Monday, September 13, at 7:30 p.m. in the cafeteria of North High School.

The classes will continue for 12 weeks. For further information contact Tymon C. Tottle at TU 4-5570.

Recycled House Under Construction in Farms

By George Polgar Jr.

When Larry Black, of The Stores, sets about building a house he does it armed with the standard tools of his trade and a not so standard philosophy. Buildings like the one he and architect Jerry Reinhold are creating for Richard Adrian and his family are designed with many factors in mind. They are functional, pleasant to look at and live in and also attuned to a family's attitude toward its surroundings.

"This is a very slick age we are living in and that is why people are looking for a little roughness and texture in their surroundings," he explained. "These houses have an edge, interesting new lines made of a good basic material. This cedar exterior

Two Youths Nabbed for Firing B-Bs

Pair Allegedly Cause \$1,800 Damage at Penney's; Strike Girl with Shots

Two youths, both of whom are allegedly involved in a B-B gun incident earlier this month, had petitions filed upon them by the Youth Service Division, (YSD), on Friday, August 20, charging each with malicious destruction of property over \$100 and assault, (with a B-B gun).

The pair, a 15-year-old Farms juvenile and a 15-year-old St. Clair Shores boy, are charged with shooting a B-B gun resulting in holes in two 9' by 12' windows at J. C. Penney's, 19251 Mack avenue, and with striking an 11-year-old Woods girl, who claimed she was hit twice on the leg with B-B shots.

YSD Det. Stuart Gerow, who investigated the incident, said Penney's reported each window was valued at around \$900, (making the damages total an estimated \$1,800). He stated the girl wasn't seriously hurt, receiving only superficial wounds.

Shoot from House

Woods Officer Donald Sun reported on Saturday afternoon, August 7, he received a call to see a Penney's employee, who said boys were shooting a B-B gun from a house located at Allard and Mack.

After receiving information on the damaged windows, the officer went to the Allard house and found the juveniles sitting in the rear yard with a B-B gun on the ground between them.

The Farms boy told the officer he couldn't get into any more trouble because he has been in trouble in the past.

During the course of his investigation, Officer Sun was told by a Manchester road woman that her daughter was struck in the leg with a B-B while they were walking north on Mack at J. C. Penney's.

The girl said she was first hit in the right ankle and then on the right thigh. The officer

Over 40 Employees Affected

Pay Raises, Other Benefits Given to Public Works, Administrative Personnel

By Roger A. Waha

A new three-year agreement between the city and Local 1121 of Council 23 of AFSCME, (American Federation of State, County and Municipal Employees), AFL-CIO, was unanimously approved by The Woods Council at its regular meeting Monday, August 16.

The pact, which is retroactive to this July 1, is from fiscal year 1976-77 through fiscal year 1978-79 and affects public works and administrative personnel — all general employees with the exception of department heads, appointed officials and public safety officers.

Over 40 employees, around 50 percent of the city's full time workers, are covered by the agreement.

Increases in Pay

City Administrator Chester E. Petersen, who was chairman of the municipality's negotiating team, said the package provides a 10 cent pay increase in fiscal year 1976-77, a 20 cent hike the following fiscal year and a 30 cent jump in fiscal year 1978-79.

For example, a public works operator II would receive \$5.44 per hour, including the 10 cent pay boost this fiscal year, \$5.64 an hour in 1977-78 and \$5.94 an hour in 1978-79.

Clerk-dispatchers will make \$5.16 per hour with the 10 cent, first fiscal year pay hike, (including five cents an hour shift differential), \$5.36 in 1977-78 and \$5.66 the last fiscal year.

Under the pact, in fiscal year 1978-79, a mechanic II will make \$6.67 per hour, (including five cents an hour tool allowance), a crew chief will make \$6.30 per hour, an administrative clerk I will make \$5.18 an hour and a meter maid, (parking enforcement), will make \$4.64 per hour.

Health Care Plan

All regular full time employees of the bargaining unit are provided with a health care plan offering group hospitalization and surgical insurance, with a deductible prescription rider clause, major medical clause, eye care plan and a dental care plan.

The dependents of employees also are covered by the benefits, all in accordance with recognized standard plans for such group health care plans.

Mr. Petersen said under the dental plan, an employee pays 25 percent of the dental cost and the insurance pays the other 75 percent, with the city paying the entire cost of insurance. Noting there's a (Continued on Page 2)

Paving Project Given Approval

The Woods Council accepted the low bid of \$56,491.55 by Cooke Contracting Co. for an asphalt parking lot, road construction and resurfacing project. This action was taken at a special Monday, August 23, meeting.

The contract calls for work to be done at a number of locations at the Lake Front Park and also for the resurfacing and repair of the parking lot at the city hall.

The only discussion on the matter was a disagreement among some council members over the payment of the bill from the various fund categories. Some councilmen felt that the \$23,736.50 charged to the boat dock fund was too much while others considered it too low.

Mayor Benjamin W. Pinkos assured the council that the breakdown of the bill between the boat dock fund, the recreational fund and the parking utility fund is simply a question of bookkeeping and that it has no effect on the payment of the contract.

Woods Inks Three-Year Agreement

(Continued from Page 1)
28 percent increase in Blue Cross-Blue Shield coverage, he stated the city "picks it up" for the three years.

Effective July 1, 1977, Mr. Petersen cited a pension improvement for employees, which is the same public safety officers currently have, (under their 1975-76 pact).

"It brings provisions for their retirement system up to the same provisions of public safety officers," stated Mr. Petersen, who noted members of the local aren't being discriminated against in their pension provisions. "As it stands now, pension benefits are equalized among both groups of city employees."

Benefits Cited

However, he quickly added, the public safety officers are currently bargaining for improved pension benefits.

Mr. Petersen said an employee can voluntarily retire at 55 years of age with 20 years of service, (the mandatory retirement age is 65).

According to the contract, the employee will receive a straight life retirement allowance consisting of the benefits provided (in two paragraphs) and he will have the right to elect to receive his retirement allowance under an option in the agreement in lieu of a straight life retirement allowance.

One of the paragraphs on benefits views an annuity which shall be the actuarial equivalent of his accumulated contributions standing to his credit in the annuity savings fund at the time of his retirement.

The other paragraph on benefits cites a pension which, when added to an employee's annuity, will provide a retirement allowance equal to two percent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service, not to exceed 25 years, plus one percent of his final average compensation multiplied by the number of years, and fraction of a year, of his credited service which is in excess of 25 years.

Improved Longevity

Effective July 1, 1978, employees will receive improved longevity pay. For instance, an employee who has completed five to nine years of accumulative service will receive \$200 annually, twice as much as before.

Meanwhile, an employee who has completed 20 or more years of such service will earn \$800 annually. This, again, is double the amount previously paid.

Other provisions of the agreement include the following:

★ Layoffs — The layoff of employees shall be made by inverse order of their seniority within the bargaining unit. No probationary, permanent employee shall be laid off from any position while any temporary employee is still employed in the same position classification.

★ Temporary and seasonal employees — The employer, (the city), shall not assign any truck driving duties to a part time or seasonal worker without first discussing this matter with the union.

★ Work schedule, meter maids — The normal work day for meter maids is from

8:30 a.m.-5 p.m. with a one hour duty-free lunch period, unless otherwise mutually agreed upon by the employer and the union.

On Sick Leave

★ Overtime pay, public works employees — Such employees, who are required to perform rubbish collection services upon the Saturday immediately following any of the prescribed holidays, shall be compensated for a minimum eight hours of straight time pay, based upon their current hourly wage rate, regardless of the number of hours required to perform the collection service.

★ Sick leave — All full time employees will have the privilege of converting, on an annual basis, three days of the employee's accumulated sick time personal leave and to deduct such from the employee's total accumulated sick leave time.

Insofar as possible, all such personal leave requests shall be filed with the employer at least 48 hours prior to the effective date.

In the event of the death of any regular full time employee, while still in the employ of the city, the employee's surviving spouse and/or estate will receive payment for 100 percent of the deceased employee's unused accumulated sick leave days.

★ Training assignments — The employer shall encourage any employee to continue his education by providing, as an incentive, the reimbursement of any personal expenses for tuition costs, based upon three requirements.

Praises Union

They include the following: The education course was offered through a recognized and/or accredited college or university; the employee completed the education course and maintained a grade average of "C" or its equivalent; and the employee didn't receive any subsistence, allowance, grant or aid from any other public or private source while enrolled for the particular education course.

More provisions of the pact include those covering grievance procedure, seniority and employee fringe benefits, (e.g., providing uniforms for public works operators, clerk-dispatchers and meter maids, along with clothing for mechanics).

In reviewing the negotiations, which began in early March, Mr. Petersen stated, "We had a very good rapport during all negotiations with Local 1121. We believe this contract is of mutual benefit to the local and to the city as an employer."

"We are especially grateful for the exemplary cooperation and leadership, (the local at one point turned down the proposed pact at a ratification meeting), of

New Home

(Continued from Page 1)
ered by clear plastic bubbles.

By Mrs. Adrian's request the laundry room will be on the second floor from where most laundry comes. There will be a secluded library above the garage connected to the main house by a second story enclosed bridge.

The interior of the house is designed to maximize open air space of the steep sloping ceilings. In the bedrooms elevated sleeping lofts will maximize open floor space. The design of the home even anticipates the future use of solar energy.

"There was no problem in getting a building permit from the city," Mr. Black said. "As far as official co-operation goes The Farms has been beautiful."

Though he admits that the house is distinctive, Mr. Black does not consider it radical architecture. Nor does his client, Mr. Adrian, who comes out to the building site from time to time to help move the work along.

"When you build a piece of architecture, you take on a big responsibility," Mr. Black explained. "Not just to please the person you're building for, but also for all the people who pass by and see it. The response to this house is incredible. People are constantly stopping to take a look and ask about it. That's also why we're a week behind schedule."

Woods Accepts Insurance Tip

A recommendation from the Insurance Commission regarding obtaining liability insurance for public officials unanimously approved by the Woods Council at its 11th meeting Monday, August 16.

The commission at its Thursday, August 5, meeting recommended to the council that it secure a \$1 million policy with \$2,500 deductible per person and \$7,500 minimum deductible per loss for \$2,759 plus two percent sales tax from the International Surplus Lines Insurance Co. and the solons concurred.

City Comptroller-Assessor Frederick G. Hornfisher said a main focus of the protection is for members of the Planning and Insurance Commissions because the former deals with homes, construction, variances, et al., and the latter is responsible for making certain the city is covered in all respects.

Besides members of the aforementioned commissions, he said the council also is covered along with himself, City Administrator Chester E. Petersen and City Treasurer Helen L. Fox.

Woods Earns Award of Excellence

The Woods received its 10th Award of Excellence in 11 years in the American Automobile Association's (AAA), Pedestrian Safety Inventory. Mayor BENJAMIN W. PINKOS, (left), received the award from Automobile Club of Michigan Grosse Pointe Manager JOHN ANDERSON, (center), at the regular council meeting Monday, August 16. Looking on is Public Safety Director HENRY

MARCHAND. AAA's second highest award honors The Woods for its pedestrian safety programs for school-age children and for its superior safety record. The community has not had a pedestrian fatality in 18 years. The Woods competed with 805 other U.S. cities in the 10,000-25,000 population class during the 37th annual competition.

Traffic Study Negates Any Change in Control

An accident analysis regarding a traffic study at Morningside drive and Vernier road, prepared by the AAA, traffic services section, was unanimously received and placed on file by The Woods Council at a recent regular council meeting.

As a result, the issue is now a dead one, based upon the study's findings, said City Administrator Chester E. Petersen.

In view of the results, R. V. DeCorte, traffic engineer, traffic services section, safety and traffic engineering, said there's no need for any change in traffic control at the location at this time.

"Neither traffic counts nor traffic accidents approach the minimum criteria needed for the installation of a traffic signal. If a signal were to be erected, delay time would increase during most periods of the day. While there might be a slight decrease in turning crashes, rear-end collisions would increase on Vernier road."

"The tremendous costs to realign Morningside drive to form a standard four-legged intersection are not justified by the few vehicles that would cross Vernier road. Regular maintenance of existing stop controls, paint markings and clear vision at the corners are all that is

necessary to safely control traffic," said Mr. DeCorte.

Areas included in the study were accident analyses, analysis of accident scenes, analysis of drivers, traffic volume summary machine count and a vehicle volume count.

The study was conducted because of complaints that southbound traffic on Morningside was unable to enter Vernier road, encountering some delay time, plus the overall aspect of traffic congestion at the intersection, added Mr. Petersen.

THE PARK PHARMACY

Poliomyelitis is an acute, infectious, occasionally crippling disease caused by a virus organism. It affects those of all ages, but children from one to sixteen are more likely to develop it than adults. Older children and young adults appear to become infected more frequently now than formerly. Early symptoms of the disease are headache, sore throat, fever, fatigue, pains in the muscles. Polio vaccines are essential protection against this disease, and parents must be sure their children are immunized.

Farms Receives AAA Safety Award

Accepting an award from the Automobile Club of Michigan's Grosse Pointe Manager JOHN ANDERSON, (right), is Farms Mayor JAMES DINGEMAN, (middle). Looking on is Farms Police Chief ROBERT FERBER. The Farms pe-

destrian injury rate of 25 per 100,000 persons in 1975 places it far below the 44 per 100,000 average injury rate established by other cities in its class. The presentation was made at the Monday, August 16, regular council meeting.

Burglar Takes \$15 in Church

Someone entered Saint Michael's Episcopal Church, 20475 Sunningdale, and took an estimated \$15 in petty cash, said Woods police, who received the report Monday morning, August 16.

The church custodian discovered the break-in upon reporting for work. Officer Ronald Hayden said the culprit apparently entered the building through a door which could have been unlocked.

This door enters into a storage area where the suspect moved a bench under a window, which allows entry into the chapel. The culprit climbed through the window, leaving an approximate size nine, ripped-sole footprint in

some dust upon the bench. A green eyeglass case was found on the floor at this location.

The suspect then proceeded to the locked secretary's office and pried the door open with a 12-inch wooden handled screwdriver, which was left on a desk in the office.

Then the culprit went to a locked door, which adjoins the secretary's office and the director's office. After breaking out a six-by-12-inch window, the suspect reached through and unlocked the door. Two pieces of a green rubber glove were found on the floor near the smashed window.

The suspect also pried open a locked wooden storage case in a corner of the gymnasium.

Police added the building was vacated around 9:30 p.m. Sunday, August 15, after it was used by an Alcoholics Anonymous group.

Pointers Take Title

(Continued from Page 1)
DeBoer, who was eventually relieved by John Vens. Mike Smith and Andy Montague collected base hits.

This set up a rematch between the two teams for the championship.

The championship game was played on Friday, and The Farms-City team had an

easy time of it. John Cammett was the winning pitcher. Batting support was provided by John Heidt and Dave "Zeke" Zerweck. Chris Janis, playing catcher for the injured Glen Piche, collected four stolen bases.

Many Thanked

Injured and not playing in this game was Erwin Yee. Other members of the team are Bob Maywood, Marty Hollerbach and Ricky Campbell as bat boy. The team manager is John Huben, with coaching assistance from George Cairo, Joe Maul and Chuck Campbell.

The entire Babe Ruth organization, along with the players and coaches, says it wishes to thank those organizations making the trip possible.

Major contributors were Crawford, Elter and Bruce Builders; Gray's Sport Shop; Peter VanOdenbosch Construction Co.; Grosse Pointe Farms Police-Fire Assoc.; Grosse Pointe City Police-Fire Assoc.; The Metropolitan Club; and other individual contributors.

Special thanks was given by the team to Chrysler Corp. for supplying two vans to transport the club.

LICENSES APPROVED

The Woods Council approved the issuance of 32 parking lot licenses at its regular meeting Monday, August 16. Among those approved were Perry, Mason, Barnes, Parcels, Monteith and North High Schools, 10 city lots and the Grosse Pointe Baptist Church along with Christ the King Lutheran Church.

Many people never listen to their conscience because they know they'll get poor reception.

Catch Basins To Be Fixed

The Woods Council unanimously approved the emergency repair of two catch basins on Oxford road which were under consideration for repair before they caved in during the recent flood. This action was taken by the council at a special Monday, August 23, meeting.

City Administrator Chester E. Petersen recommended that the repairs, which were assessed previous to the flood by city engineers Pate, Hirn and Bogue at \$6,100, should be done for not more than \$6,200.

He also suggested that the city obtain two more bids for the project and then proceed with the lowest offer.

Two Youths Arrested

(Continued from Page 1)
cer stated the shot caused a red mark in the thigh area.

Parents to Blame

In noting that the B-B's traveled a distance of around 300 feet in this instance, Det. Gerow stressed that a B-B gun is a powerful weapon.

"Parents don't realize the damage which can be done by a B-B gun," he said. He wasn't only referring to the possibility of serious injury to an individual, but also to the monetary losses incurred by a businessman or a citizen from destruction to property via B-B's.

The detective stated each of the Pointes has an ordinance regarding the discharge of such a weapon in the community, while emphasizing the fact that parents must be aware of their children's activity regarding the use of B-B or pellet guns.

"I blame the parents, (in such an incident). They shouldn't supply their children with guns. And if they see their children with a gun, they should take it away," he stressed.

Other Reports

Painfully enough, the danger and destructiveness of the use of B-B or pellet guns is apparent in several reports received in The Woods Tuesday-Wednesday, August 17-18.

For example, a Blossom lane citizen on the 17th reported three B-B holes in a gas lamp at the front of his home, one hole in a front bedroom window and another hole in a front bedroom window.

Meanwhile, that same day, Pointe Paint and Decorating Center, 19655 Mack, reported B-B or pellet holes in four 36" by 32" panes of glass.

Then on the 18th, the Ship's Wheel, 19605 Mack, told police someone fired B-B holes into one front window valued at around \$200.

Finally, on Friday, August 20, David's of Grosse Pointe, 19588 Mack, reported someone shot a B-B through two plate glass windows sometime between Monday, August 16, and the 20th. One window is around 9' by 4' and the other 9' by 9'. Police said the estimated damage was placed between \$300 and \$500.

One little hole in a large window, e.g., at Penney's, can lead to a great deal of monetary damage.

But more than that, the threat to the safety of a person via an errant B-B is potentially awesome.

66 Complaints Received By YSD Probed in July

The Youth Service Division, (YSD), received a total of 66 complaints from the five Pointe police departments for investigation last month. Two of the cases, however, proved to be unfounded making the actual total 64.
This amount was 14 cases under last July's total and a drop of 12 under this June.
Through July, the overall total of incidents reached 422, whereas, through last July, the total was 472.
Larcenies, 11 incidents, burglaries, four, robberies, two, one armed and one unarmed,

Motorcyclist To Face Court

A 24-year-old cyclist was pursued and apprehended by Woods police early Friday morning, August 20, and charged with reckless driving after officers chased him at speeds in excess of 80 mph.
Gary Michael Denolf, of North Rosedale, was first spotted by Woods Officer Bruce Marone, who was on patrol along Mack Avenue north of Hampton road.
The driver made a right turn onto eastbound Brys and proceeded at a high rate of speed. He then made a left onto northbound Goethe from Brys and ran a stop sign at that location, the officer said. At this time, he activated the overhead lights and siren but the driver refused to stop.
Then the cyclist made a right turn onto eastbound Yorktown and failed to stop for a stop sign at Westbrook court and also disobeyed a stop sign at Yorktown and Marler as he made a left turn onto northbound Marler, reported Officer Marone.
The driver proceeded north on Marler at speeds in excess of 80 mph before ultimately being stopped at Marler and Villa lane, he added. Officer Stephen Petrik assisted in the chase.
Denolf was issued the reckless driving violation and was released on a \$100 cash bond. His scheduled court date is Wednesday, September 15.

Your conversation may be very flat, but a good many people like to have it flatter.

plus possession of stolen property, two cases, involved 27 male juveniles, (one adult male was associated in one incident), and two female juveniles, (three adult females were involved in two incidents).

Bicycle thefts and shoplifting were the seasonally predominant types of stealing in July, says the YSD, while one case of uttering and publishing, (the forging of two checks), involved two male juveniles.

Runaways, nine cases, also seasonally high, involved four male and five female juveniles. Of these, three girls and one boy were self returned to their homes, with one of the girls subsequently being filed upon with the Wayne County Juvenile Court.

Three males and one female were arrested and turned over to their parents. While one female was arrested and transported to the county juvenile home.

Violation of controlled substances, two cases, consisted of the apprehension of two male adults arrested for traffic offenses, who were subsequently found to be in possession of marijuana. One incident of attempted fraudulent procurement of a controlled substance involved the arrest of two male adults and one female adult.

Meanwhile, there was one driving under the influence of alcohol incident involving one male juvenile and three minors in possession of alcohol cases involving seven male juveniles and one female juvenile.

Four applications for petition were filed with the juvenile court and three have received court action. Two cases, both for trespassing, were referred to the Macomb County Juvenile Court, while a petition filed upon a youth charging him with larceny under \$100 was authorized.

Consistently in full gear, the division's counseling program is providing counseling for 17 juveniles, 15 boys and two girls, at this time. The average length of counseling program per youth is three months, with one to two meetings a week.

Through July, 24 boys and six girls have been or are now being counseled.

Austin Classes Begin Sept. 10

Freshman orientation at Austin Prep School will be held on Wednesday, September 8, from 9 a.m. - 2 p.m.

The day's activities will include receiving new policies and sports, so ninth graders are asked to wear sports clothes and bring a bag lunch.

Orientation for 10th, 11th and 12th graders will be Thursday, September 9, beginning at 10 a.m. through noon.

The book room will be open during orientation as well as Monday - Tuesday, September 2 - 3, from 9 a.m. - noon.

School will begin on Friday, September 10, with a full day of shortened classes beginning with an 8:15 a.m. homeroom and opening mass. Classes will continue until 1 p.m.

Students should be present in each of their classes and have all their text books for this day.

Full class periods will begin Monday, September 13, at 8:15 a.m.

Austin is continuing to accept students in all grade levels through orientation. Interested students should visit the office at 18300 East Warren, Detroit, or call 881-5531 between 8 a.m. - 3 p.m. Monday - Friday.

Center Staging Foliage Tour

All those who wish to experience, first-hand, nature's glorious fall art work in an unspoiled area can join the group from Grosse Pointe War Memorial Center going to the famed, spectacular Agawa Canyon north of Sault Ste. Marie, Canada, where nearly every known tree in the northern part of our continent will be on display in its best and brightest color.

The nature study color tour leaves Wednesday morning September 22, by charter bus to Sault Ste. Marie, Canada. A box lunch packed by the Center will be enjoyed at one of the state parks enroute.

Accommodations in twin bed rooms with private bath have been reserved in the new high rise Holiday Inn overlooking the dramatic locks between Lake Superior and Lake Huron.

The Inn is also convenient to the railroad depot of the Algoma Central on which the group will embark for an all day trip through the Canyon on Thursday.

In the Canyon there is a two hour lay over to explore and identify the beauties of nature and photograph them. Picnic lunches may be bought through the railroad by advance reservation. The group will be fully guided throughout and after a second night at the Inn will return to Grosse Pointe Friday.

Cost is \$85 per person based on double occupancy of twin bedded room. There is a \$20 single supplement. The group is limited.

Home Buyers Deserve Expert Help...

...they can count on Detroit & Northern

Because we specialize in home financing, you get the best help available when you talk to one of our home loan specialists. He'll tell you about our many loan plans and options and how to determine how costly a home you can afford. At D&N there is a loan plan right for every budget. We have the popular conventional loan, as well as FHA and VA loans for those who qualify. Our home loan rates are competitive, but beyond that, the home buyer can expect much more at D&N.

Several Options . . .
We've been lending money to home buyers since 1889, and our experience shows in the service we render our customers. For example, at D&N we have several term options to help meet each borrower's particular needs. The term of the loan, along with the down payment amount and interest rate determine your monthly payment. Depending on the age and condition of the home, a term of up to 30 years may be selected. Ask a D&N home loan specialist to explain how your monthly payment is affected by the term you choose.

For your security, D&N offers mortgage life insurance. This protection provides for the full payment of your loan in the event of death. Disability insurance is available, too, providing for the payment of your monthly loan if the family breadwinner should become disabled.

Loan Payment Convenience . . .
In addition to security, D&N offers some real conveniences, too. To make your monthly payment as easy as possible, we have a plan called "Transmatic." With this plan, your mortgage payment is automatically deducted from your checking account and transferred to D&N on a set date each month. Using the "Transmatic" plan, you needn't worry about forgetting to make a payment when you are on vacation or out of town. A special trip and writing an additional check each month are eliminated when you choose "Transmatic."

Handling Details . . .
Many of the details involved in closing the deal will be handled by Detroit & Northern. We will arrange for an appraisal of the property, which will assist in determining the amount of the loan. If a survey is required, D&N will arrange for it. In addition, we can arrange for title insurance. D&N will perform the routine credit checks and handle the recording of your purchase. At the "closing," Detroit & Northern will assemble the various mortgage and legal documents and review them with you.

Continuing Service . . .
After receiving your Detroit & Northern home loan, you will enjoy the continuing services we provide homeowners. D&N will handle the payment of your property taxes, hazard insurance, mortgage life and disability insurance. For your records at the end of each year we will send you an analysis of your escrow account and a statement outlining each financial transaction.

AT DETROIT & NORTHERN YOU ARE CONSIDERED A FRIEND AND NEIGHBOR. WE VALUE YOUR BUSINESS. BEFORE BUYING A HOME, SEE A DETROIT & NORTHERN HOME LOAN EXPERT. HE'S A PROFESSIONAL.

Girl Welcomed by DPW Males

The traditionally all-male ranks of the department of public works in Grosse Pointe City were invaded this summer by a petite, 19-year-old blonde and no one, bones, fellow workers or Sara Tobin herself, is complaining.

Although the 1976 South High School graduate is hoping to find a new job, preferably indoors before winter comes, right now she's very happy with her job on the DPW.

Sara has done everything, from working the garbage route to hand mowing the field at the pumping station, to driving high above the street signs on "those big rigs" used for snow removal and maintenance.

She comes home from work awfully tired, but Sara says it's all worth it for the experience she's getting.

"I like learning about how things work from the mechanical standpoint," she explains. "I get a real kick from just being able to work alongside them and I'm picking up a lot of knowledge about machines."

The guys on the department tease her a lot, "and often times I believe things they say when they really don't mean them," but overall she's enjoying her co-workers' company.

"But they're an outgoing group and always cheer me up when I'm down. They treat me like their daughter," she says.

Her co-workers may lament having to clean up the locker and their language a bit while Sara's around, but they say they have enjoyed having her there and that she's a very good worker.

When she's not dumping garbage cans or working maintenance, Sara keeps herself busy weaving, embroidering and doing patchwork, and even spins some of her own fibres at home.

She makes all her own clothes and would like to learn more about design, with a possible career in mind. Her work on the DPW is a long way away from the world of fashion design, but Sara doesn't mind.

"After all I'm lucky just to have a job right now with so many teenagers out of work, and I am learning."

Two Proposals Placed on File

The Woods Council received and placed on file two resolutions adopted by the Board of Trustees of the Wayne County Community College to levy operational and debt millage rates. This action was taken at a recent regular council meeting.

The .25 of a mill levied for operational expenses translates into tax payments of \$14,826.57 by The City, \$30,154.88 by The Farms, \$22,810.25 by The Park, \$40,949.50 by The Woods and \$11,920.11 by Grosse Pointe Township.

The .54 of a mill for debt purposes represents payments of \$33,238.39 by The City, \$67,546.47 by The Farms, \$51,094.95 by The Park, \$91,726.87 by The Woods and \$26,701.05 by Grosse Pointe Township.

Concerts Slated at Art Institute

Pianist Van Cliburn, soprano Shirley Verrett and violinist Pinchas Zukerman are three established stars of the musical world appearing in the 1976-77 Founders Society Detroit Institute of Arts Concert Series, which opens Tuesday, September 14, with the 90-member Buffalo Philharmonic Orchestra conducted by 28-year-old Michael Tilson Thomas.

The Israeli-born conductor pianist has directed the New York Philharmonic's Young People's Concerts for CBS-TV for four years.

Sister Named To New Post

Sister Rosaria Buesching, O.P., has been appointed director of pastoral care at Bon Secours Hospital.

Sister Rosaria has a Bachelor's degree in science from Siena Heights College in Adrian, and a Masters in biology from the Catholic University of America in Washington, D.C. She did further graduate study in guidance and counseling at De Paul University in Chicago, and received a certificate in clinical pastoral education from Duke University Medical Center in May 1976.

She was executive director of the pre-retirement/retirement education program of the Adrian Dominican Sisters in Adrian from 1969-1975. Prior to that she was involved in secondary education, first as a high school principal, and later as director of guidance and counseling.

She is a member of the National Association of Catholic Chaplains and was certified as a clinical pastoral associate by that organization in March 1976. She also is a member of the Association of Clinical Pastoral Education and the National Association of Women Religious.

Spring Solves Noise Problem

The second of Bon Secours Hospital's noise pollution problems, this one originating from valve springs in the air conditioning units, was solved last week, according to hospital officials.

The hospital reports that new, larger safety springs for a valve that releases excess steam pressure from the system, were received and installed by Wednesday, August 18.

Residents in the area say they had been complaining since April 1975, that the periodic release of steam produced a noise, "like a steam locomotive running through your house," often times late at night or early mornings.

Several of the residents attended the Grosse Pointe City Council's Monday, August 16, meeting to voice their objections and find out what could be done to resolve the situation.

Hospital public relations director Susan Weiss said the hospital was not aware of this particular noise problem until five months ago. She said the parts to repair the system were ordered in May for a June delivery, but were lost in transit.

The hospital tested the new parts last week and reported that no noise was emitted with the release of steam. Officials said they anticipate no further sound problem.

Several area residents confirmed that there had been no sound problem since the new parts had been installed.

The residents had been riled over the past two summers about the steam release noise and another, continuous noise emitted by the air conditioning units on top of the hospital.

The latter problem also was finally resolved early this month with the construction of huge masonry sound baffles around the units.

It Doesn't Pay to Tell a Lie

It does not pay to lie to the authorities, or even to try to get your father to lie for you, because the truth will out.

Frank Joseph Prainito, 27, of St. Clair Shores, was stopped for speeding 49 miles an hour north on Lakeshore road by Public Safety Officer John Frasad, who was on radar watch. Lakeshore is a 35-mile zone. The officer pursued the man and stopped him at Verrier road.

When asked for his operator's license, Prainito presented one that restricted his driving to and from work only. He pleaded with the officer to let him go because he was on his way to St. John Hospital where his mother is dying and the occasion was an emergency.

When informed that he had passed the road to St. John's, Prainito said he was on his way to pick up his brother.

PSO Frasad told the man that he would have to follow him to the Shores station.

At the station, the officer made a call to the hospital, and information was disclosed that no person with the last name Prainito had been admitted. The accused man was allowed to call his home to speak to his father whom he tried to convince to back his story.

The parent refused and came to the station and informed PSO Frasad that Prainito's mother had died some time ago.

The officer wrote out a violation ticket charging Prainito with speeding. Prainito was refused release until he posted a bond of \$35. Court date is scheduled for Wednesday, September 22.

Downtrodden men are victims of the wheels of progress.

Farms Police Sergeant Parsons Poet at Heart

By Tom Greenwood

Farms Sgt. Arnold Parsons stands 6'1" and weighs 190 pounds. His badge wears a constant shine and a .38 police special sits on his hip. In his youth he played a few seasons of International League hockey against ex-NHL players before the league was disbanded.

He had offers to play professional golf and still shoots in the mid-70's.

Pistol champion of The Pointe police for five years, he loves to hunt and fish. He also writes poetry.

Better than average poetry.

"I started writing poetry when I was 31," said the 47-year-old sergeant. "I was on assignment to the library and it was raining like crazy. It was very quiet; no one was coming in, and I was alone with my thoughts. So I just started putting them down on paper."

"A Man's Prayer" is one of his favorite poems.

"I'll ask you Lord for a piece of land—
with seed in hand, and
water running by.

And please dear Lord, if it's not too much—
Just a tiny patch of sky.
I'll plant the seed, for the food I'll need—
I'll drink the water when I'm dry—
And the sun will shine and the rain will fall
from that tiny patch of sky.
I'll hunt the land the way you planned—
And I'll fish that stream nearby.
And I'll thank you Lord for every moment
spent beneath your tiny patch of sky.
And when I'm old and weary,
some day I'll return that land—
with crops that stand, with the water clear and high.
Then I'll ask you Lord to take me—
To that tiny patch of sky.
"When I was a kid, I only read poetry when I was forced to," he said with a smile. "I didn't try to understand it. I'm understanding more of it now."

A 27-year veteran of the

force, Sgt. Parsons hasn't sold any of his work, but has had offers from greeting card companies.

"A friend sent some of my work to a card company and they responded favorably," he said, "but I never followed up on it. Most of the things I write are given away to my friends, if they care to have it."

Writing poetry about nature, love, friendship and flowers may seem odd for a police sergeant, but nobody kids him about it at work.

"Actually, hardly anyone at the station knows that I do any writing," he said with a grin. "But they'll probably let me have it once the word gets out."

Calling his efforts "layman's poetry," Sgt. Parsons writes about things people can relate to. "I write so people can read, understand and enjoy my poetry," he said. "My family likes it, especially my four boys. I write a lot about our hunting and fishing trips."

Inspiration comes from many sources for the sergeant, most of it happy, some of it sad. He dedicated one poem to a son the Parsons' lost at birth.

"There He was, smiling at me—
His outstretched arms waiting for me.
Without hesitation I cheerfully smiled—
Extended my arms to become His child.
His gentle touch ended all pain—
Pain that would never be known again.
He took my hand—and led the way—
Out of darkness, forever to stay.
And close to His side was a place there for me—
His own chosen angel—destined to be.
So feel not sorrow, and know from the start—
The very few chosen are nearest His heart."

"The nurses at Cottage Hospital asked for copies of that poem," he said. "They said it might make things easier for others who faced the same loss."

Sgt. Parsons has just completed one poem that took 11 years to write. Called "Blackface," the poem relates the relationship between a hunter and the prize he stalks over the years.

Starting out on a hunter-prey basis, they grow to know and respect each other more with each passing season.

The poem is special to the sergeant and he'd like to see it presented in a special manner.

"I think it would be great if it could be narrated on a Christmas show on a program like 'Michigan Outdoors.' You know, with three generations of hunters sitting around a campfire. One of them reciting the poem before the flickering flames. It's the kind of poem a hunter can relate to."

So far, he hasn't gotten

Registration Bill Blasted

The Voters Registration Act, which would permit voter registration by postcard, was unanimously opposed by The Woods Council via a resolution at its regular meeting Monday, August 16.

Noting that supporters of the legislation say it would facilitate voter registration and encourage participation in the elective process, the resolution states it would appear voter registration records clearly establish that there exists absolutely no relationship between voter registration and voter participation.

It says that implementation of the bill would establish a voter registration administration in the "General Accounting Office" and initiate a registration program via the Federal Postal Service, delivering registration forms to every household in the United States as well as

making the forms available in postal offices and other public places.

Saying this legislation would create a dual registration system, one for Federal elections and one for state and local elections, the resolution notes such a system would create a procedure that could only create chaos, totally confuse many potential registrants and "encourage a monstrous number of duplicate and fraudulent registrations."

It also says many voters would fail to register for local and state elections assuming that the mailing of the Federal registration card would serve as a complete registration and that many postcards would "certainly be illegible and incomplete and result in reduced overall voter participation."

A copy of the resolution will be sent to President Gerald Ford and Senators Robert Griffin and Philip Hart.

CARALIS APPOINTED

George Caralis, of The Park, has been appointed director of housekeeping for Harper Hospital and the Grace Hospital Central Unit.

Mr. Caralis, former director of housekeeping for Harper, is a graduate of the University of Michigan where he obtained a Bachelor of Science degree in zoology. He holds Master's degrees in biology from Wayne State University and another in business administration from Michigan State University. He joined the hospital full-time in 1971 as a unit manager and was appointed executive housekeeper in 1973.

CHRISTIAN
SCIENCE
REALLY
HEAL?

Yes, it does. Because the healing Principle taught and practiced by Christ Jesus can apply to anyone at any time. New proofs of its healing power occur every day.

Healing in Christian Science means much more than physical release. It means a victory over fear. A clearer understanding of God, and of yourself.

You're invited to learn more at our Sunday service. The Bible Lesson you'll hear will explain more of how Christian Science heals.

Won't you come this Sunday?

Center Adding New Courses

Grosse Pointe War Memorial Association has added many new classes to its educational offerings this fall.

To get ready for the Holidays, a course in Creating Holiday Skirts will be offered Thursdays, September 16 to October 7, 9 a.m.-noon. Jane Beebe, instructor, will teach students how to make their own colorful and original crazy quilted skirts.

The patterns may be of the individual's choice and students must bring their pre-shrunk muslin and assorted colors and textures of fabric swatches to assemble. There is a \$16.50 charge for the four three-hour sessions.

Miss Beebe is also going to teach Painting On Fabric in a two session workshop on Saturdays October 2 and 9 from 10 a.m.-2:30 p.m. Here, students will be able to create their own high-fashion skirts blouses, bags, umbrellas and slacks with acrylic paint and original design. Instructional fee is \$11 plus \$10.20 for paints and brushes.

Because of the current re-awakened interest in Tarot, there will be a complimentary lecture on Tarot Thursday nights September 23-October 14, 8-10 p.m. Mr. Dan Wieme will give an in depth study of the history of the card deck, the Celtic cross and major spreads. The instructional fee is \$24.

Basic Techniques of Silk Flower construction will be taught Tuesday mornings October 5-November 2, 9:30-11 a.m. Students will learn to make a variety of colorful permanent flowers from vio-

Cyclist Injured In LS Mishap

A St. Clair Shores bicyclist was struck by a car on Sunday, August 22, at Lakeshore and Willison roads, and suffered a number of cuts on his left leg. The injured cyclist refused medical attention and no complaints were signed, according to a Shores Public Safety Department report.

Public Safety Officer Michael Kenyon, who was dispatched to the accident scene, stated in his report that Mr. and Mrs. Alfred Wargnier of St. Clair Shores were pedaling their bikes north on Lakeshore, in the southbound lane, when Patrice Noel Porkorny of The Shores approached the Lakeshore-Willison intersection. The officer said the woman motorist was traveling east on Willison and came to a stop, but assumed that they were going to stop for her so she continued a turn south onto Lakeshore, and hit Mr. Wargnier, knocking him to the pavement.

Both Mr. and Mrs. Wargnier told PSO Kenyon that the car driver failed to come to a complete stop at the intersection, and that she also failed to look southward for approaching pedestrians.

Mr. Wargnier suffered cuts on both the front and back of his left leg, and the front wheel and fork of his bike were damaged.

Woods Rejects Bid for Fence

A request on the part of Our Lady Star of Sea Church for authority to erect a fence on the city's right-of-way for the protection of students, failed as The Woods Council voted 3-3 on a motion to approve.

This action was taken at the regular meeting Monday, August 16, after the public hearing had been adjourned at the Monday, August 2, session.

A motion to okay the request would have authorized City Attorney George Catlin to prepare an agreement between the city and the church providing for the erection of the fence with the stipulation that the fence be removed upon the decision of the council. City Administrator Chester E. Petersen or Public Safety Director Henry Marchand.

It also stipulated that the agreement contain an indemnification clause indemnifying the city against any damages.

However, with the tie vote, (Councilman John Sabol was absent), the motion failed. Voting "yes" were Councilmen Ronald R. Keegen and George Cueter along with Mayor Benjamin W. Pinkos. Nixing the request were Councilwoman Joan M. Muland and Councilmen George S. Freeman and Conrad A. Naegel.

The request originated from Father Ralph V. Barton, pastor, who said such an enclosure was necessary to protect the youngsters going to and from school.

Mr. Catlin, who recommended that such a pact transpire, said both Director Marchand and Father Barton had agreed on the proposed fence regarding height, (42 inches), and location, (parallel to Fairford road and parallel to Morningside drive but two feet back so as not to obstruct a driver's vision on Morningside or Fairford, an earlier concern).

But several points against the proposal were cited during the hearing, e.g., the potential difficulty of operating a snow plow along the fence, detracting of aesthetic values of homes along Morningside and the enclosure and the overall necessity, in fact, to have a fence, and the tie vote resulted in the bid's defeat.

Woods Studies Seniors' Bids

Two recommendations from the Senior Citizens Commission were considered by The Woods Council at its regular meeting Monday, August 16.

One, that the council pursue the Food and Nutritional Program offered by Wayne County, was referred to the Committee of the Whole for further study. The other, that the cost of the Senior Citizens Day program be absorbed by the senior citizens budget, was tabled.

City Administrator Chester E. Petersen said the council wanted the commission to obtain more information on the nutritional program before reaching a decision. Such information would include the use of a specific facility, any potential cost to the city, what the program consists of and how many citizens would avail themselves of the program.

Commission chairman Irene Sutton, who said she was not told that either recommendation would be on the agenda, stated specifics on the need for the program, plus other information, probably wouldn't be available until after the seniors' social group gathers Thursday, September 16, for Senior Citizens Day at the Lake Front Park.

She said the seniors were recently asked if they wanted the city to pursue such a program and the group responded with a unanimous "yes." Mrs. Sutton added it was hard to go to people and ask them if they had a need for such a program.

As for Senior Citizens Day, Mr. Petersen stated more information would have to be obtained regarding food, beverages, entertainment, et al, plus costs.

Specifics on the program remain to be finalized, as the commission scheduled a meeting for yesterday, August 25, to iron out further plans for the gathering. A flyer, which will be sent out to all Woods seniors announcing the event, also was set to be approved.

At this point, it's hoped that square dancers will perform and provide instruction, along with the appearance of bell ringers from St. Clair Shores, (all of whom are deaf children). The awarding of prizes also is slated.

By the end of the 18th century several primitive varieties of baseball, each known by a different name, were being played in the United States. One of the versions, popular in New York City, was called "One Old Cat," and is still played by children in some sections of America. By 1835, other varieties, such as "Town Ball," and "New York Ball," were played by established teams in the larger Eastern cities. Most of the early games were played on a square field with staves at the corners, and a "striker's box" situated about midway between the first and fourth stations.

Children's Art Classes Slated

Registration for children's Art Classes at Grosse Pointe War Memorial will be held Saturday, September 18 from 10 a.m.-1 p.m. with instructor Carol Lachiusa. All students will learn the basics of design color and composition and will use familiar objects as subjects as well as materials they can work easily with in either two or three dimensions.

Students six-eight years old will meet Mondays, September 20-December 13, 4-5 p.m. with a fee of \$21 for the 12 weeks plus a \$4 materials charge.

Children ages nine-11 will meet Tuesdays 4:50-6 p.m. September 21-December 14. Fee for their 12 weeks of hour and one-half classes is \$29.50 plus a \$6.50 material charge.

Boys and girls 12 years and more meet Wednesdays September 22-December 15, 4:50-6 p.m. for the same \$29.50 fee and material charge of \$6.50.

Mary Ellen Cooper, director-instructor of the Center's corps de ballet for the past 20 years will register students by interview on Friday, September 17, 3:30-6:30 p.m. and on Saturday, September 18, 10 a.m.-3 p.m.

Graduate of the Royal Conservatory of Toronto and on the International Board of Cecchetti Review, Miss Cooper teaches the traditional Italian Ballet which stresses poise, grace and rhythm. All students are grouped in small classes according to age and ability which are accompanied by Miss Cooper's concert pianist mother. All students also participate in ballet productions on the stage of Fries Theatre.

CITY OF Grosse Pointe Farms MICHIGAN SUMMARY OF THE MINUTES

The meeting was called to order at 8:00 p.m.

Present on Roll Call: Mayor James H. Dingeman, Councilmen Harry R. Fruehauf, Jr., Nancy J. Waugaman, W. James Mast and Lloyd A. Semple.

Those Absent Were: Councilmen Jack M. Cudlip and Joseph L. Fromm.

Mayor James H. Dingeman presided at the meeting.

Councilmen Cudlip and Fromm were excused from attending the meeting.

The Minutes of the Regular Meeting which was held on August 2, 1976, were accepted as submitted. Representatives of the Automobile Club of Michigan were present and presented to Mayor Dingeman a Special Citation for Pedestrian Program Activities in the City of Grosse Pointe Farms.

Following a Public Hearing concerning the matter, the Council adopted a resolution establishing a Special Assessment District made up of properties which abut sidewalks requiring necessary repairs as set forth in the 1976 Sidewalk Repair Program, and have not, as yet, been repaired.

The Council adopted a resolution recommending the State Liquor Control Commission's approval of the request from 123 Kercheval, Incorporated, for the transfer of ownership of a 1976 Class C licensed business located at 123 Kercheval Avenue, known as the "Bronze Door", from the Kercheval Investment Corporation.

The Council enacted Code No. 2-05, Ordinance No. 209, a revision to the City's Unemployment Compensation Ordinance; such revision being required by State law.

The Council adopted a resolution authorizing the Mayor and the City Clerk to execute, on behalf of the City, a contract between the City and the Michigan State Highway Commission, for the upgrading and improvement of signs on roads and streets off the Federal-aid system throughout the limits of the City of Grosse Pointe Farms.

The Council approved the low quotation of Paul Theon, in the approximate lump sum amount of \$1,682.85, for the necessary concrete replacement work on Harbor Hill, due to the recent sewer repairs.

The Council approved the low bid of Anderson Vehicle Sales, Incorporated, in the amount of \$5,000 for the purchase of one Cushman refuse vehicle.

The Council adopted a resolution establishing a fee in the amount of \$45.00 per application for the issuance of a Certificate of Occupancy, pursuant to the provisions of the City's Property Maintenance Code.

The following Reports were received by the Council and ordered placed on file:

A. Fire Department Report for the month of July, 1976.

B. Police Department Report for the month of July, 1976.

C. The Controller's Report for the quarter which ended June 30, 1976.

The Council approved the proposal of Sewer Specialists, Incorporated, in the unit amount of \$48.00 per joint, for chemically grouting the points in a portion of the 36" sewer line on Grosse Pointe Boulevard; and in the further amount of \$50.00 per hour for cleaning the foregoing sewer with a high velocity water cleaner, if necessary; the Council having first determined that approval of the foregoing proposal serves the best interests of the City, and no advantage would be gained through the solicitation of competitive bids.

The Council adopted a resolution to cancel the Regular Meeting scheduled to be held on September 6, 1976, due to the observance of Labor Day on that date; and further, to reschedule such meeting at 8:00 p.m. on Monday, August 30, 1976.

The Council adopted a resolution authorizing the Administration to prepare a written commitment to the Grosse Pointe Public School System concerning their portion of the funds which will be forthcoming to the City from the Estate of Benjamin Long, pursuant to the terms of his will.

Upon proper motion made, supported and carried the meeting adjourned at 10:00 p.m.

Know Your Schools

By William Coats,
Superintendent of Schools

I am grateful to the NEWS for allowing me space on a continuing basis in this paper to comment on current educational issues facing The Grosse Pointe Public School System. It is my expectation that the 1976-77 school year will be challenging, exciting and rewarding for the Board and staff as we work together to meet the educational needs of the young people of our community. I look forward to being part of a joint effort to help The Grosse Pointe Public School System realize its full potential as the best K-12 district in the United States.

Since I arrived here on a full-time basis July 19, I have encountered a number of matters on which I wish to comment. One of these topics is the rationale for the organizational realignment of the schools' staff, a matter which has recently received considerable press coverage.

It is important to understand that this is actually a realignment that will correspond to expenditures for the previous year. While the overall realignment involves a total of 15 positions, only one of these is a new one. And this single new position will

be more than offset by savings in other areas.

The decision on staff realignment was reached only after an extensive assessment of our instructional program. It appears that the system is fairly solid at the conceptual or developmental level. However, the program seems to lack continuity, commonality and follow-through. Therefore, we have restructured certain positions and duties specifically to fill these voids through the elimination of several unnecessary posts.

The organizational realignment has been proposed for one reason: to improve the district's instructional program. Our commitment to better instructional leadership is being implemented in such a way that it will not require an increased outlay of funds. Thus, the words "realignment" and "reorganization" are not synonymous with "increase" either in cost or numbers of staff.

Again, let me say how pleased I am to have been appointed Superintendent of Schools in Grosse Pointe. I look forward to meeting and to working with the citizens and students of our community.

Woods Accepts Bid for Sign

The Woods Council unanimously concurred in a Committee of the Whole recommendation and awarded the contract for the preparation of a site survey and preliminary plans for a Vernier road median entrance sign to Eichstedt, Grissim, Young and Associates, of Farmington Hills.

This action was taken at a recent regular meeting on the bid of \$1,200, which was the lowest bid received by the city.

The motion also stipulated that City Administrator Chester E. Petersen be authorized to issue a purchase order on behalf of the city for the preparation of the site survey, preliminary plans, et

al., and that the funds for the contract be paid out of the major streets fund.

A criteria for the entrance way for the "Veterans Memorial Parkway" cites several points including the following:

- The sign will say either "Grosse Pointe Woods Veterans Memorial Parkway" or "Veterans Memorial Parkway Grosse Pointe Woods."
- Ground lights may be used illuminating the whole structure or lights may be used only to illuminate the lettering. Cost and energy problems are considered in this respect.
- The structure shall conform to the Early American or Colonial design of the city.
- It shall be simple, but durable, with provisions for extremely easy maintenance and shall be as vandal-proof as possible.
- The structure shall contain provisions for the use of flags.
- The architect shall provide an innovative provision for service club signs, not only existing ones, but for future clubs.
- The structure shall include a flagstone or concrete base or patio for use in connection with ceremonies or wreath laying.

Damp Climate For Stephanotis

The bride's flower, (Stephanotis floribunda), is a twining vine with oblong, shiny, dark green leaves and clusters of tubular, white, highly-scented flowers.

Michigan State University horticulturists observe that providing sufficient humidity for stephanotis is usually the most difficult part of growing it. Humidity of 50 percent or more is required for best growth.

Average house temperatures, with a minimum of 65 to 68 degrees at night, are sufficient.

Pot stephanotis in a well-drained, humus soil made of equal parts loam, sand, peat and leaf mold. Keep the soil evenly moist during the growing season. During winter, water just enough to keep the plant from drying out.

Beginning in February, fertilize about once a month through fall.

Though the flowers are most abundant during June, stephanotis will bloom most of the year. Short days and low light during winter usually prevent its blossoming then.

Propagation is by four-inch cuttings taken in spring or early summer and rooted in moist sand. Keep cuttings warm and in high humidity to hasten rooting.

Woods to Hold Public Hearing

The Woods Council set a public hearing date of Monday, September 13, on the request of Thomas and Lucille Handlos, of Handlos Real Estate, 20879 Mack avenue, for the rezoning of a Hollywood subdivision lot from R-1 single-family residential district to a C, commercial business district.

This action was taken at the regular meeting, Monday, August 16.

In a letter to the city, they indicated they would like to build a residence where from which their real estate business will be operated.

The Planning Commission at its Tuesday, July 27, meeting, unanimously recommended to the council that their request be granted.

Pointers Get Ewald Award

David Stuart Janese, a graduate of University Liggett School, and Linda Sue Lawrence, a South High School grad, were among 12 area students awarded scholarships at the 20th Annual H. T. Ewald Foundation Scholarship awards on Saturday, August 14.

The foundation was incorporated in 1929 and received its principal assets through endowments by the late H. T. Ewald, founder of the Campbell-Ewald Advertising Co. It is presently headed by the founders' son, Ted Ewald.

The scholarships vary from \$500-\$1,000 a year and are based on students' financial needs, scholastic records and character, as determined through interviews and letters of recommendation.

The \$32,000 awarded this year brings the total recipients up to 162 students since

the program was started in 1957.

Mr. Janese, is the son of Reverend and Mrs. Frederick B. Janese, of Bedford road, plans to attend the University of Rhode Island.

Miss Lawrence, daughter of Mr. and Mrs. Clark Lawrence, of Hillcrest road, will attend Northwestern University.

Jewels & gems
by Jerry Valente

An enameled bit of jewelry possesses a colorful glaze applied by fusion. Fine pottery is also enameled. It turns out that chemically, enamel is identical with glass. Among the ingredients that are used for enamel are feldspar, fluorspar, borax, boric acid, clays, carbonate, silica. Quartz or fine white river sand may be used as a source of silica. Enamel points are combinations of pigments with a vehicle which dries with a glossy finish. Finely enameled wear makes for possessions which are as precious as they are beautiful.

At VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800, we have a wide selection of dinner rings, many with genuine stones. Whether you are making a purchase or having an item repaired, our reputation is your guarantee of satisfaction. Come in and ask about our convenient layaway plan. If you are looking for something truly different, then we are the place to visit. We can design and custom-make jewelry to your taste.

Center Offers Dance Classes

Monday and Thursday night this Fall Social Dance classes for adults will be taught at Grosse Pointe War Memorial by Mr. and Mrs. Ted Forrest. Both couples and single individuals are welcome.

The Thursday Dance Club, September 16-December 2, 8-9 p.m. is for beginners who will learn both traditional ballroom dancing and the latest steps. The Intermediate class meets from 9-10 p.m.

Included in both classes is one night of instruction in ethnic Greek dancing followed by a trip to Greektown for practice and refreshments "dutch treat". On the final evening the club will meet for dancing at the Detroit Yacht Club.

The Monday Night Dance Club, September 13-November 22, 8-9 p.m. is for more advanced dancers who have already participated in the Thursday group.

The pattern will follow that of the Thursday night club including Greek dance instruction and a trip to Greek town.

A Dreadful Waste

Drunk drivers maim and kill. And they get away with it. In the past 17 months, there have been three hit-and-run accidents involving drunk or drinking drivers in The Pointe.

Two of the three accidents resulted in deaths, while the third involved serious injuries.

In March 1975, Farms Police Officer Kenneth Pine was killed by a hit-and-run driver whom police believe to have been drinking.

When Farms police arrested the driver, a Woods woman, it was too late for a breathalyzer test. She pled nolo contendere to the hit-and-run death and was sentenced to four weeks of volunteer work with the Salvation Army, two years of no driving and was told to stop drinking.

She also was ordered to attend alcoholic abuse therapy sessions and was assessed \$330 in court costs.

Officer Pine left a wife and two daughters.

In September 1975, a Farms resident, whom a witness testified had been drinking for hours at the Pier Park, ran down a Pier Park guard who was driving him home.

When the guard left his car to open the park gates, his passenger slid behind the wheel and ran him down. After parking on a side street, the drunk driver strolled past the bleeding guard and resumed his drinking at the pier.

The guard suffered a fractured skull, a brain concussion, abrasions, lacerations and contusions. It also took 25 stitches to close his lacerated scalp.

The hit-and-run driver pled not guilty to careless and negligent driving. He was found guilty.

His sentence for nearly killing a man was a 60-day suspended sentence at DeHoCo, (Detroit House of Correction), two years probation, no driving and he was ordered to report to the court three times. He also was ordered not to be seen drunk in a public place and was assessed \$50 in court costs. The guard was 67-years-old.

In April of this year, 10-year-old Steve Salkowski was killed while riding his bike next to the curb on Lakeshore road. Two other boys riding with him were injured.

After striking the boys from the rear, the driver sped on the green strip between the road and Lake St. Clair for 400 feet before swerving back onto Lakeshore and speeding away. Tire tracks showed the driver was off the road, his 4,000 pound car straddling the curb when he ran the boys down.

After his capture, and forcible subduing by Farms police, the driver refused to take a breathalyzer exam.

The police were forced to obtain a search warrant to allow blood to be withdrawn for an alcohol test.

The result showed a .09 level of alcohol in the blood. One-tenth of one percent more and the man would have been legally drunk.

His driving record was not the best. He had been involved in four previous auto accidents and had been convicted at least once for drunk driving. He also had been forced to drive on a financial responsibility license because of his record of alcoholic abuse.

The driver, a Detroit resident, pled not guilty at his arraignment, but was found guilty of using a vehicle in an accident resulting in death, and with leaving the scene of an accident.

He was given five years probation, with the first six months to be served in DeHoCo.

Steve Salkowski was given a funeral. There are about 50,000 auto deaths annually in this country and approximately 50 percent of them involve drinking drivers.

Think of it. Many more than the entire population of The Woods are killed yearly by drunken drivers.

What good are laws that provide stringent punishment for murderers, but not for death-dealing drunken drivers?

The laws of man may note the technical difference between murder and vehicular homicide, but the laws of nature do not.

Dead is dead, whether by a gun or a two-ton machine.

If murderers are sentenced to jail, so should drunken drivers who kill. A multi-year minimum sentence should be imposed on drunk drivers and that sentence should be made mandatory.

Once the driver is released from prison, he should be forced to attend alcoholic abuse sessions for at least another year.

And he must never be allowed to drive again.

If judges would toughen up sentences to drunk drivers, maybe the drunks would think twice before mixing alcohol and gasoline.

Putting more drivers behind bars is easier to do than putting a loved one in the ground.

TV to Repeat Heart Special

Bon Secours Hospital Cardiologist, Robert Griffin, MD, will be one of several area doctors appearing on Channel 56's award winning special "Attack Heart Attack" next month.

The four-part special, produced in co-operation with the Michigan Heart Assoc., received such overwhelming public response at its first

showing it will be repeated on Wednesdays, September 1, 8, 15 and 22, at 9 p.m. Once again, viewers are invited to phone in questions to a panel of medical experts. Each segment is a combination of a half-hour film which focuses on one or two of the major causes of heart disease and an hour-long, live phone-in show.

Letters to the Editor

To The Editor:

This is in response to a recent story you published in which a SEMTA official erroneously reported that bus service would not be discontinued along Marter road.

Bus service will be eliminated in a two-step process, which is the way it is usually done.

Step one begins September 9, when passengers will be "served" by a shuttle bus running the wrong way on Marter, adding miles and a transfer to the already over-long bus ride downtown.

Step two commences sometime shortly after passengers wait in the cold and rain four times a day to make a simple roundtrip downtown. Ridership, of course, will decline.

SEMTA will then point to its empty buses as proof its passengers have deserted them and end the service.

In other words, SEMTA will eliminate service along Marter and make it look like it was the passengers' idea.

This is a widely known technique employed by the more backward transportation outfits in this country.

Many people have come to rely on the Marter road service and even in the face of this contemptuous gesture by SEMTA want to believe they are not being sold out.

If they do not know it now, on the first cold day in November, they will know that they've been had.

Sincerely,
Barry Rohan,
Of Roslyn road,
Grosse Pointe Woods

Editor's Note: The NEWS contacted John Powell, SEMTA service supervisor, who commented on Mr. Rohan's letter.

As a result of the public hearing in The Woods on Wednesday, August 18, SEMTA took a look at its service and a decision was made to have what Mr. Powell termed a "slight reduction" in service along Marter road.

He stated three buses would go down Marter road towards downtown per half hour during the peak periods in the morning, while three buses would go up to Marter per half hour during the peak periods in the afternoon.

Mr. Powell said, in comparison to the previous schedule, there would be a decline in trips along Marter, e.g., off peak hours offered bus trips every half hour and they will now be offered every hour.

This, he felt, was sufficient. Secondly, he said the utilization of the transfer was by no means an attempt to cancel service. He said the transfer is used to continue service in an area where ridership doesn't merit service. But, he quickly added, Marter road does merit service and that a transfer system was set up "because we want to serve the area but not on the same scale as previously offered."

Finally, Mr. Powell emphasized there was no attempt in putting the plans together "with the long range attempt to eliminate service." He reiterated service along Marter road will not be eliminated.

To the Editor and residents of Grosse Pointe Woods:

Recently, upon a visit to our lake front park, I had a most displeasing encounter with a gentleman employed as a gatekeeper. For years I have been bringing my two, well trained, well behaved dogs, restrained by lead, in my car to a point where it

requires no more than a 100 foot walk, again restrained on lead, across a paved surface into a boat—privately owned yet publicly restricted as to its occupants and operation.

I was reminded, in a most discourteous manner, of the rule stating "No Dogs Allowed!"—with which I agree. However, after reading and observing the above noted pattern I employ with my dogs, it could be said the dogs are not allowed in the park, but in the boat—or the boat of any individual desiring to do likewise.

As a resident, I feel this is an unnecessary restriction placed upon me. If one were to go by the strictest interpretation of the rules, each car should be thoroughly searched for any type of violation.

On numerous occasions I have observed picnics involving alcoholic beverages. However, it concerned responsible, mature adults who retained a certain amount of class and dignity, thus the beverages served as a thirst quencher—not as an overpowering intoxicant.

As a dog breeder, owner and trainer, I feel I am able to control the actions of my dogs. Should an accident occur, I am responsible enough to remove any fecal matter deposited.

I am concerned for the children, unsupervised and often uncontrollable, allowed to play on the boat docks. Not only because they could fall and drown, or become seriously injured, but because of the damage they cause when they play with the water hose in another's boat, or throw matches, etc.

In conclusion, I call upon the residents of The Woods to join me in voicing an opinion to those actively involved in the formulation of policies concerning our parks. It seems there is an urgent need for a uniform interpretation of rules—one that is fair and just for all.

Thank you,
C. A. Heifner

Dear Sir:

We want to thank all the people involved in the evening concert at The City's Park on August 4.

We "outsiders" appreciate being included for this delightful program.

Hopefully it will become an annual event—with perhaps a different "Pointe" hosting the performance each year. Please pass along our sentiments to the Symphony members also.

Sincerely,
Lenora L. Stone,
Of Grosse Pointe Woods

Crescent Sail Regatta Slated

The 43rd Annual Crescent Sail Yacht Club Regatta will be held Saturday, August 28.

The day long race will finish in front of the Crescent Club with a fleet of more than 250 yachts greeting the racers.

Later in the evening Commodore Harvey Freeman, Vice Commodore Lee Sutton and Rear Commodore Roy Broman will host a dinner on the grounds of the club for fellow Detroit River Yachting Association sailors.

Commodore Freeman's presentation of individual awards to the winners will climax the evening.

What Goes On at Your Library

Biographies of royalty are books which are always in demand at every public library and the Grosse Pointe Public Library is no exception. This week I would like to review for you a sample of some of our frequently requested biographies of the kings and queens of England.

HENRY II, (University of California Press), by Wilfred L. Warren. Henry II, (1154-1189), was an enigma to his contemporaries and has received widely divergent judgments ever since. Dramatic incidents of his reign, such as his quarrel with Archbishop Becket, have been written about by many historians.

This book is a comprehensive reappraisal of Henry's reign based on contemporary sources and provides a coherent and persuasive reevaluation of the man and the king.

RICHARD LION HEART, (Scribner), by James A. Brundage. Richard I, (1189-1199), has always been a compelling figure—one of the best-known and colorful of medieval monarchs.

In this authoritative account of Richard's life, Mr. Brundage describes the career and character of the king, and the peculiar combination of events that marked the period of the crusades.

HENRY VIII AND HIS COURT, (Macmillan), by Neville Williams. Henry VIII, (1509-1547), is one of the most read about monarchs. His battles with the church, his six wives, and a succession of ministers are all well known.

This study of court life during Henry's reign reveals not only the personality of the King and his immediate circle of family and friends, but the very character of his government.

GLORIANA: THE YEARS OF ELIZABETH I, (Coward, McCann), by Mary M. Luke. Dominating these years is, of course, Elizabeth I, (1558-1603), herself, a woman terrified of losing her Crown, in emotional bondage to her subjects, a demon with her ladies-in-waiting, an incredible coquette, a demanding monarch and, at the same time a poignantly lovable woman and Queen.

Utilizing material of the period, Mrs. Luke presents a fascinating portrait of a fascinating monarch.

Wine Lines

From the northern hills of Piedmont to the sunny shores of Sicily, the land of Italy is extremely favorable to an abundant growth of vines, and wines of Italy are among the most ancient known to man. As a matter of fact, the yearly yield of wine from Italy is sometimes greater than that of France.

Lambrusco is one of Italy's most delightful wines, produced just west of Bologna, in northern Italy. Lambrusco is a rich, red wine, semi-sparkling and colorful, with a rich, fruity taste, and tantalizing tang.

From still to semi-sparkling to sparkling, PARKIE'S PARTY SHOPPE, 17525 Mack, corner of St. Clair, 885-0626 features a wide selection of wines to suit your taste. We have over 20 different brands of champagne to choose from and also stock beer from all over the world, with over 50 brands of imported canned beer for your selection. Ask about our 1/4 barrel and 1/2 barrel of beer for your next party. Open: 10-10 Mon.-Thurs.; 10-11 Fri., Sat.

WINE WISDOM:
Wine glasses should be crystal clear, not tinted and preferably not cut or engraved.

KING JAMES, (Knopf), by Antonia P. Fraser. James I, (1603-1625), was the strange and complex monarch who united the kingdoms of Scotland and England in 1603.

Here Lady Fraser tells of the explosive tensions between political and religious factions during the reign of this poet-king who is remembered by many as the prime mover behind one of the monuments of the English language—the Authorized Version of the Bible.

THE LIFE AND TIMES OF CHARLES II, (Doubleday), by Christopher Falkus. Charles II, (1660-1685), called "The Merry Monarch" was one of the most popular of kings. Mr. Falkus seeks to show why this is so and indicates that the secret lay not so much in the positive achievements of his reign, as in the essentially human qualities which set him apart from other sovereigns.

GEORGE IV: REGENT AND KING, (Harper), by Christopher Hibbert. This fine biography of George IV, (1820-1830), tells of his years as Regent and King, a reign which opened with the noisy excitement of Queen Caroline's trial in the House of Lords and closed with the King's extraordinary last days in the secrecy of his overheated scented rooms in Windsor Castle.

Based largely on the King's papers in the Royal Archives at Windsor, this is a well-written biography that is rich in detail.

QUEEN VICTORIA, (Knopf), by Cecil Woodham-Smith. Called "an important biography of Queen Victoria," (1837-1901), by many reviewers, this book includes excerpts from Victoria's journals and letters.

Here Mr. Woodham-Smith gives a detailed chronology of the life, times and entourage of Queen Victoria from childhood to the death of the Prince Consort. It's a book which provides insight for the general reader.

AGE-OLD PROBLEM
History proves that every time several armies get through shuffling the cards some kings are missing from the deck.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Last year it was Oriental Odyssey; this year it will be The Young Americans: more than a fashion show, better than a party.

It's an Event with a capital "E", presented by The Professionals of The Junior League of Detroit, sponsored by Jacobson's.

Invitations for The Young Americans Party, Bicentennial in theme, to be held at Jacobson's in the Village Saturday evening, September 11, went out in mid-month.

Oscar de la Renta is flying in from New York for the gala. His fall collection will highlight the evening, in a full fashion presentation.

There'll be an art exhibit, too, featuring Michigan artists who will be present with their work, and an exhibit of fine jewelry by the best American designers.

Carolyn Barnhart, Jacobson's public relations director who so successfully coordinated last year's Oriental Odyssey, is working this year with Young Americans Party committee chairmen Lois Waterman and Mrs. George R. Short.

Proceeds from the Event will help swell the Junior League's Community Trust Fund. That's a (Continued on Page 26)

Cottage Will Reap Preview Harvest

Soroptimists Sponsor Invitational Benefit Opening Week-Long Exhibit of Paintings by Andrea Day at Charterhouse

Noted California artist Andrea Day is bringing a collection of her paintings to Grosse Pointe this fall, and Cottage Hospital will reap the harvest as beneficiary of monies raised via an invitational preview of her exhibit.

Mr. and Mrs. Richard P. Joy, III, are honorary chairmen of the 4 to 8 o'clock party Sunday, September 19, at Charterhouse in-the-Village, where Mrs. Day's work will be on exhibit for a week.

Hosts and hostesses will include Mr. and Mrs. Horace C. Ford, Mr. and Mrs. John B. Ford, III, The Honorable and Mrs. G. Mennen Williams, Dr. and Mrs. Harold E. Cross, Mr. and Mrs. John N. McNaughton, Dr. and Mrs. Frank B. Walker, II, and Mr. and Mrs. John L. Booth.

More are Mr. and Mrs. Robert E. Powers, Mr. and Mrs. Paul Alandt, the H. Gordon Woods, the William C. Beardslee, Mr. and Mrs. Howard F. Smith, Jr., Mr. and Mrs. W. Michael Williams, Mr. and Mrs. Walter Buhl Ford, II, the Hudson Meads, the William P. Huntingtons, Noel B. Gamble, the Gordon T. Fords, the Edwin N. Peabodys, the Kenneth F. Kahns, Mrs. John T. Huntington and Mr. and Mrs. H. Richard Fruehauf, Jr.

The preview is under sponsorship of the Grosse Pointe Soroptimist Club, with Miss Carolyn Thomson and Mrs. Nancy Y. Davidson representing the Soroptimists as co-chairmen.

Grosse Pointe Soroptimists have taken a great interest in

Cottage Hospital since the 1956, with Cottage Administration local Club was founded in 1956 by Carolyn Wicks as a charter member.

Miss Wicks eventually served as president of the Club, and was active in all Soroptimist projects until her retirement in 1966.

In the past few years, the Soroptimists have made Cottage a major beneficiary of their money-raising projects, contributing many thousands of dollars to the Hospital's Building and Development Funds.

When Charterhouse was offered by its president, W. Michael Williams, as a gallery for Mrs. Day's exhibit, titled "Mostly Women," he did so because of interest in the cultural affairs of Grosse Pointe—but what an appropriate place for a benefit for Cottage Hospital!

The last benefit for Cottage, (it attracted people from far and near, as this exhibition is expected to do), was staged in 1974 by the Cottage Hospital Auxiliary at Stonehurst, the late Mrs. Joseph B. Schlotman's English Renaissance mansion in Lakeshore road.

Mrs. Schlotman was one of the founders of Cottage, and served on its board of trustees for more than half a century.

Her love of beauty is now an influence at Charterhouse, (Continued on Page 14)

Anne Fisher Bride Of John D. Mabley

Mrs. Charles Watts Comes from Ann Arbor to Serve As Her Sister's Honor Matron; James Mabley Is His Brother's Best Man

A reception on the terrace and lawn of the Lakeshore road home of Mr. and Mrs. Rankin Peck followed the wedding of their niece, Anne Mary Fisher, and John Donald Mabley in Saint Paul's-on-the-Lakeshore.

The bride is the daughter of Mr. and Mrs. Edwin Fisher, of Washington road, the bridegroom the son of Dr. John Donald Mabley, of Lewiston road, and the late Mrs. Mabley.

Presiding at the 5 o'clock rites Friday, July 23, was Monsignor Francis Canfield. The former Miss Fisher wore an Empire gown of off-white silk net, styled with a high neck and cap sleeves. A cluster of gardenias was pinned in her hair, matching her gardenia bouquet.

Mrs. Charles Watts came from Ann Arbor to serve as her sister's honor matron. Other attendants were Mrs. Christopher Terry, another sister, Mrs. Anthony Fisher, their sister-in-law, Mrs. Peter LaFond, Joan Blake, of Bos-

ton, Mass., Louise Hudson, Jennifer Peck, cousin of the bride, and Sarah Watts, the bride's niece.

They wore green and white polka dot silk dresses, and carried baskets of white daisies and ivy.

James Mabley was his brother's best man. In the usher corps were Edwin Fisher, the bride's brother, Dr. Anthony Fisher, another brother, Dr. Watts, their brother-in-law, Ronald Berli, Robert Ottaway, Mr. Terry, the bride's brother-in-law, Robert Peterson and Robert Milligan.

Mrs. Fisher chose a pale blue and pink painted chiffon dress for her daughter's wedding.

The newlyweds vacationed in Bermuda. They are making their home in Beverly road.

Garden Wedding For Gail Baldinger

She Speaks Vows to Donald George Barr, Jr., at Evening Ceremony; Mrs. Ronald Watkins Is Honor Matron for Her Sister

The Grosse Pointe War Memorial's gardens were the setting for the wedding of Gail Baldinger, of Beaconsfield avenue, and Donald George Barr, Jr., with a reception following in the War Memorial's Fries Ballroom.

The newlyweds vacationed in Colorado following the 6:30 o'clock ceremony Saturday, July 17. The Reverend Larry Michaels presiding, and are at home in Grosse Pointe Woods.

The bridegroom, who received his Masters degree in Business from the University

of Northern Colorado, is a correspondent loan officer with City National Bank, Detroit. The bride, like the bridegroom, a graduate of Grosse Pointe High School and Eastern Michigan University, is a kindergarten teacher in New Haven. The former Miss Baldwin

daughter of the Marcel M. Baldingers, of Lancaster boulevard, chose a wedding gown of pointe d'esprit, styled with an A-line skirt and Watteau train. Her Empire bodice featured a bertha collar and mandarin neck of Venice lace. Lace medallions were embroidered at her deep hem. Her silk illusion veil fell from a matching lace headpiece, and she carried a cascade of yellow Sweetheart roses, white daisies, ivy and baby's-breath. In white pique sundresses, their bodices, pockets and hem flounces embroidered in yellow, pink and blue tulips, were Mrs. Ronald Watkins, honor matron for her sister, and bridesmaids Karen and Wendy Barr, the bridegroom's sisters. They carried baskets of yellow, pink and white daisies, ivy and baby's-breath. Rachel Watkins was flower

girl for her aunt. The bridegroom, son of the Donald Barrs, of Wendy lane, asked his father to act as best man. Ushers were Greg Hefner, Dennis Wornizak, who came with his wife from Tigard, Ore., for the rites, and Robert Wilkie, the bridegroom's cousin. Bugle beads trimmed the waist of the bride's mother's pink polyester gown. A pair of cymbidium orchids formed her wrist corsage. The bridegroom's mother chose aqua jersey and a corsage of matching carnations. The bride's cousin, Mrs. Michael Munday, came from Prescott, England, for the ceremony. Out-of-state guests included Charles Oursler, of San Diego, Calif., Geri Gryzenia and Dennis Jikaku, both of Aiea, Hawaii, the Michael Edmonds, of Downers Grove, Ill., and Mrs. Laighton Scott, of McHenry, Ill.

Mrs. Donald Barr, Jr.

Julie Speaks Vows

Ushers were James Dyle, another brother, and Mark deCausin. The bride's brother, John deClaire, served as altar boy. Pearls accented the neckline and sleeves of the bride's

mother's pale green Qiana gown. The bridegroom's mother wore a blue knit, with a gold-trimmed Paisley jacket. Phalaenopsis orchids and rosebuds formed both mothers' corsages. Out-of-town guests included uncles and aunts Mr. and Mrs. George deClaire, of Boca Raton, Fla., and Mr. and Mrs. George Fairweather, of Schererville, Ind.

Braille Course to Be Offered

Seek Volunteer Service Aides

The Cancer Crusaders, Service Guild for Children's Hospital and Braille Transcribers, all re-convening this September at the Grosse Pointe War Memorial, all welcome volunteers with the time and interest to help in good works.

The Cancer also maintains, along with its Community Blood Bank, a free hospital loan closet. Gifts of wheel-

chairs, hospital beds, walkers and other equipment are always appreciated.

Cancer Crusades will meet Monday, from 10 to 3 o'clock, beginning September 13. Volunteers may come for any number of hours. Coffee is provided; workers bring their own luncheon sandwiches.

Cancer Crusaders make, store and issue cancer pads to those in need, and disseminate information about cancer. Gifts of clean, white, ironed material, always appreciated, may be left in the Center's office.

The Service Guild for Children's Hospital will meet Tuesdays, beginning September 14, from 10 to 3 o'clock. Members of the group, only one permitted to work on hospital supplies outside the hospital, fashion a variety of bandages, bronchoscopes, etc. cetera needed daily by sick children, and occasionally pool their resources to con-

tribute some item of specially-needed equipment.

Volunteers earn uniform caps and insignia according to the number of hours contributed.

The Braille Transcription Class will meet Thursdays, from 10 to 11 in the morning, beginning September 16. Mrs. John McNamara provides free instruction to sighted people willing to learn to transcribe into braille instructional and reading materials needed by the blind.

Ann Malcolm Wed in West

Ann Malcolm and Rodney Lee Plotzke exchanged marriage vows outdoors at the Escondido, Calif., home of her parents, former Oxford road residents Mr. and Mrs. Irvin L. Malcolm, Thursday, August 5, with Judge F. V. Lopardo presiding at the rites.

The 6 o'clock ceremony was followed by a reception in the Malcolm home and surrounding avocado grove.

Relatives and friends from all over the country came to celebrate three events: Ann's wedding, the 60th wedding anniversary of her grandparents, Mr. and Mrs. Robert C. Mathes, and the fourth wedding anniversary of her brother-in-law and sister, Mr. and Mrs. John R. Carr, III, of Indianapolis, Ind.

Among the guests were former Oxford road residents Mrs. Virginia Bullard and Mrs. Donald Jennings.

The former Miss Malcolm wore a mint green Qiana gown. She was attended by her sisters, Mrs. Carr and Mrs. William J. Eichen, of East Detroit, as co-matrons of honor, and by bridesmaid Linda Plotzke, the bridegroom's sister.

Their blue and green print frocks were made by Mrs. Carr, and they carried arrangements of sugar bush protea, a native African flower. The bride carried king protea.

Mr. Plotzke, son of the James Plotzkes, of Denver, Colo., asked his uncle, Charles Yarton, of Los Angeles, Calif., to act as best man. Ushers were Robert H. Mathes, of San Diego, Calif., uncle of the bride, and Harris Evans, of Salina Beach, Calif., the bride's cousin.

Mrs. Malcolm wore a print Qiana gown. Her flowers came from the Malcolm garden. The bridegroom's mother chose green silk and a corsage of gardenias.

Garden Wedding For Gail Baldinger

She Speaks Vows to Donald George Barr, Jr., at Evening Ceremony; Mrs. Ronald Watkins Is Honor Matron for Her Sister

The Grosse Pointe War Memorial's gardens were the setting for the wedding of Gail Joyce Baldinger, of Beaconsfield avenue, and Donald George Barr, Jr., with a reception following in the War Memorial's Fries Ballroom.

The newlyweds vacationed in Colorado following the 6:30 o'clock rites Saturday, July 17, The Reverend Larry Michaels presiding, and are at home in Grosse Pointe Woods.

The bridegroom, who received his Masters degree in Business from the University

of Northern Colorado, is a correspondent loan officer with City National Bank, Detroit.

The bride, like the bridegroom a graduate of Grosse Pointe High School and Eastern Michigan University, is a kindergarten teacher in New Haven.

The former Miss Baldinger, who received her Masters degree in Business from the University

of Northern Colorado, is a correspondent loan officer with City National Bank, Detroit.

er girl for her aunt.

The bridegroom, son of the Donald Barrs, of Wendy lane, asked his father to act as best man. Ushers were Greg Hefner, Dennis Wornizak, who came with his wife from Tigard, Ore., for the rites, and Robert Wilkie, the bridegroom's cousin.

Bugle beads trimmed the waist of the bride's mother's pink polyester gown. A pair of cymbidium orchids formed her wrist corsage. The bridegroom's mother chose aqua jersey and a corsage of matching carnations.

The bride's cousin, Mrs. Michael Munday, came from Prescott, England, for the ceremony. Out-of-state guests included Charles Oursler, of San Diego, Calif., Geri Gryzenia and Dennis Jikaku, both of Aiea, Hawaii, the Michael Edmonds, of Downers Grove, Ill., and Mrs. Laila Scott, of McHenry, Ill.

Seek Volunteer Service Aides

The Cancer Crusaders, Service Guild for Children's Hospital and Braille Transcribers, all re-convening this September at the Grosse Pointe War Memorial, all welcome volunteers with the time and interest to help in good works.

The Center also maintains, along with its Community Blood Bank, a free hospital loan closet. Gifts of wheel-

chairs, hospital beds, walkers and other equipment are always appreciated.

Cancer Crusaders will meet Monday, from 10 to 3 o'clock, beginning September 13. Volunteers may come for any number of hours. Coffee is provided; workers bring their own luncheon sandwiches.

Cancer Crusaders make, store and issue cancer pads to those in need, and disseminate information about cancer. Gifts of clean, white, ironed material, always appreciated, may be left in the Center's office.

The Service Guild for Children's Hospital will meet Tuesdays, beginning September 14, from 10 to 3 o'clock. Members of the group, only one permitted to work on hospital supplies outside the hospital, fashion a variety of bandages, bronchoscopes, et cetera needed daily by sick children, and occasionally pool their resources to contribute some item of specially-needed equipment.

Volunteers earn uniform caps and insignia according to the number of hours contributed.

The Braille Transcription Class will meet Thursdays, from 10 to 11 in the morning, beginning September 16. Mrs. John McNamara provides free instruction to sighted people willing to learn to transcribe into braille instructional and reading materials needed by the blind.

Mrs. Donald Barr, Jr.

Exchanging marriage vows Saturday evening, July 17, in the gardens of the Grosse Pointe War Memorial were GAIL JOYCE BALDINGER, of Beaconsfield avenue, daughter of the Marcel M. Baldingers, of Lancaster boulevard, and Mr. Barr, son of Mr. and Mrs. Donald Barr, of Wendy lane.

Volunteers earn uniform caps and insignia according to the number of hours contributed.

The Braille Transcription Class will meet Thursdays, from 10 to 11 in the morning, beginning September 16. Mrs. John McNamara provides free instruction to sighted people willing to learn to transcribe into braille instructional and reading materials needed by the blind.

of pink rosebuds, carnations, baby's-breath and daisies, and wore pink rosebuds and baby's-breath in their hair.

David Dyle was his brother's best man. Ushers were James Dyle, another brother, and Mark deCaussin. The bride's brother, John de Claire, served as altar boy. Pearls accented the neckline and sleeves of the bride's

mother's pale green Qiana gown. The bridegroom's mother wore a blue knit, with a gold-trimmed Paisley jacket. Phalaenopsis orchids and rosebuds formed both mothers' corsages.

Out-of-town guests included uncles and aunts Mr. and Mrs. George deClaire, of Boca Raton, Fla., and Mr. and Mrs. George Fairweather, of Schererville, Ind.

Braille Course to Be Offered

A course in Braille Transcription to be taught by Mrs. Glyn Myers, of Gray-ton road, assisted by Mrs. John Slavko, of Kenmore drive, starts at the Grosse Pointe Public Library Main Branch, Kercheval avenue at Fisher road, Wednesday, September 29, at 10 in the morning.

Classes will continue through the season Wednesday mornings at the library. Participants will begin on a slate with a stylus, and advance to Braille machines. Reservations may be made by calling Mrs. Myers, 886-0396, or Mrs. W. A. Huegli, president of the Grosse Pointe Braille Club, 777-3553.

Lees-Griffith Rites Read in Mid-July

Bride's Uncle Is a Concelebrant of Friday Evening Mass in Saint Joan of Arc Church; Reception Follows at Athena Hall

The wedding of Mary Lee Griffith and Steven James Lees featured a Bicentennial theme, carried out in flowers, frocks... and the wedding cake, topped with an old-fashioned couple dressed in red, white and blue.

There was a fountain, too, and red, white and blue flowers.

The new Mrs. Lees is the daughter of Mr. and Mrs. Myles Griffith, of Roslyn road.

Mr. Lees, an Eastern Michigan University graduate teacher, is the son of Mrs. Jack Lees, of St. Clair Shores, and the late Mr. Lees.

Officiating at the concelebrated mass Friday evening, July 16, in Saint Joan of Arc Church were Father George Charnley and Father J. William Griffith, the bride's uncle.

The 7 o'clock ceremony was followed by a reception

at Athena Hall. The newlyweds vacationed in Washington, D.C. and Virginia, and are at home in Chatsworth avenue, Detroit.

The bride's white summer satin gown was Empire-waisted, featuring accented sleeves and skirt, trimmed in Irish lace and seed pearls. More lace and pearls accented the pleated headpiece holding her veil.

She carried long-stemmed red roses.

Dressed in long, blue and white polka dot frocks with wide, white sailor collars, were Mrs. Gary Regentin, of Union Lake, honor matron for her sister, and bridesmaids Mary McNair, Roberta

Mr. and Mrs. S. J. Lees

The Kevin Boltons

In Saint Joan of Arc Church Friday evening, July 16, marriage vows were spoken by MARY LEE GRIFFITH, daughter of Mr. and Mrs. Myles Griffith, of Roslyn road, and Mr. Lees, son of Mrs. Jack Lees, of St. Clair Shores, and the late Mr. Lees.

Setting for the wedding of MARY LYNN THOMPSON, daughter of Mrs. John Lee Thompson, of Grayton road, and the late Mr. Thompson, and Mr. Bolton, son of Mr. and Mrs. Thomas J. Bolton, formerly of Oxford road, now of Paradise Valley, Ariz., Sunday, May 30, was Grosse Pointe United Methodist Church.

Festival Finale This Weekend

Meadow Brook Music Festival rings down the curtain on its 13th season this weekend with concerts at Baldwin pavilion on the Oakland University campus featuring Barry Manilow, Bobby Short and the Musica Aeterna Orchestra with conductor Fred-eric Waldman and pianist Eugene Istoman.

Barry Manilow's performance yesterday evening was a complete sell-out, as is his concert Friday evening, Au-

gust 27. Pianist-vocalist Bobby Short, with Beverly Peer on bass, Gene Gammage on drums, will present stylized reminiscences of Cole Porter, George Gershwin, Noel Coward, et al. Sunday evening, August 29, at 7:30 o'clock.

Mozart compositions will be featured exclusively at the classical concerts Thursday, August 26, and Saturday, August 28, both starting at 8:30 o'clock.

Matheson and Jodi Lees, the bridegroom's sister.

They carried white baskets filled with red, white and blue straw flowers, and wore white picture hats trimmed with polka dots and matching flowers.

Robert Lees was his brother's best man. Ushering were James and Patrick Griffith, brothers of the bride, and David Martin.

The mother of the bride chose a gown of blue chiffon, long-skirted and Empire-waisted, featuring a ruffled collar and long sleeves, ending in ruffled cuffs. She wore a wrist corsage of red roses.

The bridegroom's mother, selected a long, blue and white striped dress, with a jacket. She carried her corsage of red roses.

Honored guests included the bride's grandparents, Mr. and Mrs. Kenneth Creagh, who will be celebrating their 57th wedding anniversary.

Out-of-town guests were Mrs. Thomas McAskin, of San Clemente, Calif., Robert Griffith, of Los Angeles, Calif., and Charles McNair, of Segon, Tex.

Bolton-Thompson Vows Exchanged

Bride Wears Mother's Wedding Gown, a Tailored Shirtwaist Banded Diagonally in Satin; Pair to Live in Southwest

At a 4 o'clock ceremony in Grosse Pointe United Methodist Church Sunday, May 30, The Reverend Perry Thomas presiding, Mary Lynn Thompson spoke her marriage vows to Kevin Michael Bolton.

The bride, given in marriage by her brother, John Lee Thompson, Jr., is the daughter of Mrs. John Lee Thompson, of Grayton road, and the late Mr. Thompson.

The bridegroom is the son of former Oxford road residents Mr. and Mrs. Thomas J. Bolton, who came from their home in Paradise Valley, Ariz., for the wedding, with their three daughters, Barbara, Patricia and Eileen Bolton.

The rites for which the former Miss Thompson chose to wear her mother's wedding gown, a tailored shirtwaist accented with diagonal satin bands, were followed by a reception at the church and a dinner for members of the families and the wedding party at the Detroit Boat Club later that evening.

Attending the bride were honor maid Lynn Montgomery and bridesmaid Stephanie Smith, both former Pointers, and bridesmaid Elizabeth Symond, of Washington, D.C., the former

Miss Thompson's classmate in Aix-en-Provence, France. Julia Long served as junior bridesmaid, for her aunt. Each attendant wore a dress of her own choosing.

Jim Bolton was his brother's best man. Ushers were David Lapeza and George Mestritz, both former Pointers.

Out-of-town guests included the bridegroom's grandparents, Mr. and Mrs. William Burke, of New York City; his uncles and aunts, Mr. and Mrs. William Burke, Jr., and Dr. and Mrs. Donald F. Bradley, who came from Connecticut; and the bride's sister, Mrs. S. C. Long, and her son Jason, of Alexandria, Va., as well as their brother, who came from New York City.

Kevin and Lynn, both University of Michigan graduates, plan to live in the southwest. Lynn has been a student at the University of Michigan English Language Institute this summer. Kevin plans to pursue graduate studies in Economics.

Monica Mullins Wed in St. Paul's

Alencon Lace Accents Cathedral-Trained Gown in Which She Speaks Vows to Paul Arnone; They Are at Home in St. Clair Shores

The wedding of Monica Ann Mullins and Paul Arnone Friday evening, August 6, in Saint Paul's-on-the-Lakeshore was followed by a reception at the Grosse Pointe Yacht Club, after which the newlyweds left to vacation on St. Thomas in the Virgin Islands.

They have returned to make their home in St. Clair Shores.

For the 7 o'clock rites at which Father Patrick Halfpenny presided, the bride, daughter of Mr. and Mrs. Bernard F. Mullins, of Bishop

prayer book, with white orchids.

In ivory-trimmed frocks of pale green Qiana, carrying dried flower bouquets, were Sheila Mullins, honor maid for her sister, and bridesmaids Mrs. Anthony Tripodo, of Plantation, Fla., another sister, Mary Arnone, the bridegroom's sister, Nancy Everett, who resides in New Hampshire, and Margaret Licata.

Al Arnone acted as best man for his brother. They are the sons of Mr. and Mrs. Joseph Arnone, of Three Mile drive.

Guests were seated by Anthony and Lawrence Arnone,

two other brothers, Dale Cunningham, of Sault Ste. Marie, and Matthew Mullins, the bride's brother.

Mrs. Mullins chose a silk screen muted print chiffon, in shades of taupe and apricot, styled with a softly gathered neckline and flowing sleeves. Her flowers were brown cyclamen orchids.

The bridegroom's mother's peach chiffon shirtdress was accented with paillettes. Her flowers were peach cyclamen orchids.

Symphony

(Continued from Page 16) a first for the DSO Chamber Orchestra, opens Saturday, October 30, with Szymon Goldberg as guest conductor-violinist.

Rafael Druian will be on the podium Thursday, December 23, for a program of seasonal music.

The series concludes Thursday, February 17, with the DSO conducting debut of Alexander Schneider.

All three performances are scheduled for 8:30 o'clock.

Highlighting the holiday season will be the 1976 Christmas Festival, featuring a Messiah Singalong at 8:30 o'clock Tuesday, December 21. DSO Conductor-in-Residence Paul Freeman will direct this audience-participation performance.

Vocal support for music-inclined concertgoers will be lent by soloists Candace Goetz, soprano, Louise Parker, contralto, Maurice Stern, tenor, Benjamin Matthews, bass-baritone, and the R a c k h a m Symphony choir. Jacques D'Amboise will guest star in Dance Detroit's production of Tchaikovsky's "Nutcracker" ballet.

Under the direction of Jacob Lascu, artistic director and choreographer, Dance Detroit of Marygrove College will perform with the Detroit Symphony at 2 and 2:30 o'clock Wednesday and Thursday, December 29 and 30, and at a special New Year's Gala at 9 o'clock Friday, December 31.

A toast-the-New-Year party will be held in Ford Auditorium's Social Room immediately following the December 31 performance.

Last year's spectacular performances demanded the return of the City Center Joffrey Ballet, which has been set for February 19 and 20. Performances will take place at 8:30 o'clock Saturday and 2:30 and 8:30 o'clock Sunday. Further program details will be announced at a later date.

Zany Professor Peter Schickels will be performer and intellectual guide through an evening of musical madness when "P.D.Q. Bach" comes to town for a Pension/Maintenance Fund Benefit Concert at 8:30 o'clock Friday, February 25.

P.D.Q.'s last uproarious visit to the Detroit Symphony stage was in the spring of 1973.

Season tickets for the Chamber Music Series, priced at \$15.50, \$12 and \$7.50, are available now through the Season Ticket Department at Ford Auditorium, 961-0700.

Single tickets for all events will be placed on public sale at Ford Auditorium Box Office at 9 o'clock Monday, September 13.

Messiah Singalong tickets will carry a general admission price of \$4.

Matinee prices for the "Nutcracker" are \$5.50, \$4 and \$2.50, with evening prices set at \$8.50, \$5 and \$3.50. Children 12 and under will be admitted for half-price to these "Nutcracker" performances.

Prices for the New Year's Eve "Nutcracker" are \$6.50, \$5 and \$3.50. The post-ballet

Schedule Summer Old World Market

Dance and Music Performances and Craft Demonstrations to Be Featured at Late August Ethnic Festival

It was first held as an outlet for craft skills of new Americans during the Great Depression of the 1930's, and ever since—for 44 years—the Old World Market has been operated by the International Institute at its Detroit Cultural Center headquarters.

Now, in America's Bicentennial Year, comes a Change of Place: Old World Market—Summer '76, a gala ethnic festival scheduled for Friday through Sunday, August 27 to 29, in the Birmingham Ice Sports Arena.

Pointer Mary Gill is Summer Market co-chairman, with Mrs. Randolph Africh, of Southfield. Among those working with them are Pointers William Henry Dance and William H. Schervish.

Old World Market—Summer '76 will feature performances by dance and musical groups representing many nationalities, old world crafts demonstrations and booths featuring foods and handicrafts from many parts of the globe.

It's co-sponsored by the International Institute and the International Visitors Council.

Zoo Is Scene Of Art Show

The Detroit Zoological Park will hold its second annual art fair this Sunday, August 29, from 9 to 5 o'clock in the mall area surrounding the Rackham Fountain.

The non-jury, outdoor exhibit of paintings, drawings, prints, textiles, sculpture and crafts is open to amateurs and professionals of all ages.

Participation of amateurs, high school students and college students is encouraged.

Registration is still open. Registration fee is \$2. Those interested may obtain registration forms at the zoo, libraries or art supply stores.

Designers coming to Detroit, particularly those sponsored by United States Government agencies, and by educational exchange groups.

Admission to the Old World Market—Summer '76 will be \$1 for adults; 50 cents for children under 12, \$4 for an entire family.

Admission to a special benefit preview is by invitation only. Members of the Detroit area consular corps will be special guests at the event, scheduled for 6 to 10 o'clock Thursday evening, August 26.

The annual fall Old World Market will be held November 18 through 21, at the International Institute.

Pointe Pair to Exhibit at Lafayette Art Fair

Two Grosse Pointe artists, Mary Ewald, of Maryland avenue, and Chloe Boehm, of Prestwick road, are among artists and craftspersons selected from more than 250 applicants to display their work at the annual Lafayette Park Art Fair, to be held Saturday and Sunday, September 11 and 12, in the Towers Shopping Plaza, East Lafayette and Orleans, near downtown Detroit.

Mary will be exhibiting ink drawings. Chloe will show prints. The Fair opens at 10 in the morning and closes at 6 in the evening both days. Fibers, ceramics, sculpture, drawings, paintings, photography, glassware, jewelry and toys are among art forms included.

Special attractions will be art auctions at 3 o'clock Saturday and 2 o'clock Sunday, and art activities for young visitors from 11 to 5 o'clock both days.

Let's Talk Real Estate

by John E. Brink

Generally, mortgages on your home require the signatures of both husband and wife, and the property cannot be sold without the specific consent of both. Even if there is no mortgage, many states say that the home cannot be sold or put up as a debt security without mutual consent, unless that consent is waived voluntarily. Estate matters affect the home, too. Most likely it must pass to your spouse, no matter what your will says—unless she or he has formally given up that right of inheritance.

For an honest evaluation of your home talk with the professional representatives of GROSSE POINTE REAL ESTATE CO., 20087 Mack Ave., Grosse Pointe Woods, 882-0087. We will take the time to make sure you get the most in personal attention and service as this is very important to us. Let us use our knowledge of real estate and our vast experience to assure you of maximum market value. Call us today for the listing. "We Love Our Business". Open: Mon.-Sat. 9-5, Sun. noon-5, 24 hour answering service.

DID YOU KNOW?
One right you have when your home is used as security for a home improvement loan is a three day period to think things over.

Three Mile Park area — neat, 3 bedrooms, 1½ baths, eat-in kitchen, family room, dining room, central air, finished basement games room, attached 2 car garage, large back yard. Assumable 7 3/4% mortgage. Mid-fifties.

VIEW OF THE LAKE

This French influenced colonial on Lake Shore Road could be the small house you've been waiting for with the big rooms. The front entry is served by double doors which open to a gracious, marble floor foyer. There are three fireplaces to add plenty of atmosphere, and having a private bath for each bedroom is pure luxury. The lake breezes are a constant delight, however this house is completely air conditioned.

OPEN SUNDAY 2-5

THE KIND OF HOUSE that will catch your eye. It has the curb appeal that causes you to wonder if it's as attractive inside... and it is! This one has a two-story entrance foyer and library, family room, living room and formal dining room. The kitchen has every built-in imaginable and there are two first floor lavatories. Upstairs a private bath services each bedroom. Located in the first block off Lake Shore Road, 551 OXFORD, near Morningside.

WON'T YOU CONSIDER a four bedroom colonial with a large family room with fireplace and an attached garage? We can offer you a selection of three such houses from which to choose. Two are ready for immediate occupancy and a third is scheduled for your fall move. See us at 770 S. OXFORD, corner of Wedgewood and also on LAKESIDE COURT, a dead-end street leading to the lake from Jefferson near Bon Secours Hospital.

AVAILABLE BY APPOINTMENT

A FABULOUS four bedroom colonial in Grosse Pointe Farms with a view of the lake. This house comes complete with central air conditioning even a separate furnace to melt the snow in the driveway. There are two sets of stairs to the basement and service stairs to the rear of the house. Priced realistically for early Fall occupancy.

SUPER LOCATION and a super house comes with a realistic price of \$74,500. This house on Lincoln Road has a master bedroom on the first floor, a library and a family room. There are two more bedrooms on the second floor and the entire house is air conditioned.

CUSTOM BUILT this spacious three bedroom home on Renaud Road has an extremely large, step down living room and a library paneled in pickled oak. A covered patio has cocktail party size proportions and the backyard has plenty of privacy. Price recently reduced.

WELL SITUATED on an extra-wide lot this brick colonial has four bedrooms and two second floor baths. The first floor features a 23-foot long family room with fireplace and formal dining room complements the living room. Central air conditioning and a well landscaped, and fenced backyard make this one of the better houses of the neighborhood. Offered at \$89,500, below the competition of similar houses in this area.

AT THE CORNER OF LINVILLE and Kingsville we would like to show you a stand-out three bedroom colonial with an enclosed breezeway connecting the house and garage. Priced at \$41,500 this house is offered at less than market.

GROSSE POINTE PARK'S finest location. We offer for your perusal this three bedroom, two and one half bath colonial with family room and finished basement. If within walking distance to schools, shopping and Lake St. Clair is your desire, then this is a home you will enjoy for many years to come.

TO BUY NOW, OR WAIT.

In case you haven't noticed, there is an excellent supply of fine homes, and many are realistically priced. Interest rates are within 1/2% of recent lows. Resale values continue at near record levels, and inflation will drive values higher, especially here in Grosse Pointe. The right home for your needs at a fair price is what we do best. If a fresh approach by trained professionals is needed to help you, think of us. At the risk of sounding square, "we do good work."

\$89,900 FIRST ADVERTISED: Elegant, almost brand new custom built 4 bedroom Colonial with central air, beautiful decor. Spacious modern kitchen, and a family room with fireplace and bookcases! IN ONE OF THE POINTE'S NICEST COMMUNITIES. DON'T BE DISAPPOINTED... CALL NOW.

A SCOTT-BUILT COLONIAL
IN A CHOICE LOCATION

The two story foyer with curving staircase and balcony is a dramatic entrance leading to the formal living room and dining room. A large, sunny kitchen with ample eating space is the glamorous hub of the house. Completely carpeted, and furnished with Quaker Maid cabinets, it includes the finest of G.E. appliances, including double self-cleaning ovens. Sliding doors lead from the eating area to a canopied patio. A handsome paneled family room with fireplace and built-in book cases, a first floor laundry area, and 2 half baths complete the main floor.

The lower level of this house can hardly be called a "basement". A carpeted stairway leads from the kitchen down to the games room. This 29x29 room has the ambience of a Spanish bodega. Rough swirled plaster and dark paneling set off the spanish patterned carpeting. Tiles, set in the plaster over the fireplace, depict a monk in his wine cellar. The wet bar is surrounded by dark wood cabinets. A handsome powder room boasting Spanish light fixtures and tile motif wall paper continues the theme. An adjacent storage work-shop room is tiled and fitted with custom shelving.

The four large bedrooms in this house each have a huge walk-in closet. The master bedroom is 13'9x16'10. It is connected to the master bath by a dressing area which features a built-in vanity. Three other bedrooms, measuring 13x14, 12x13, and 13'9x14'11, open off the balcony. The main bath has a huge linen closet and built-in vanity.

Dog Obedience Classes Slated

Two dog obedience courses will be offered this fall at Grosse Pointe War Memorial. One class, for novices, will meet Monday evenings 7-8 p.m. beginning September 13.

Intermediate training will be held Tuesdays, 7-8 p.m. beginning September 14. Both groups are under the direction of trainer, Tony Rico.

Enrolling dogs in the Novice and Intermediate classes are asked to meet together at the Center without dogs on Tuesday, September 7 at 7 p.m. to listen to an outline of the training program.

Dogs will be taught to sit, stay, heel and obey commands. Hints on feeding and grooming also will be given. The fee is \$25 for the nine week course.

Completion of the Novice Course is prerequisite for enrolling in the Intermediate group. Classes are held out doors behind Fries Auditorium, weather permitting.

Yoga Classes Being Formed
Both daytime and evening Yoga classes will resume this fall at Grosse Pointe War Memorial Center. A new daytime instructor, Colleen Spinar, will teach the Tuesday morning classes for women only from 10 to 11 a.m. September 14 to November 2.

Richard Probert will continue to teach evening Yoga classes open to both adults and teens of both sexes. These classes are scheduled for Wednesday evenings, September 15 to November 3. The beginners group meets from 7 to 8 p.m.; the intermediate group, 8:15 to 9:15 p.m.

Yoga, as taught at War Memorial, does not involve Eastern Mysticism but is presented as a series of exercises and concentrations designed to loosen taut muscles, relax nerves and tone basic organs.

Fee for the instruction is \$20 for eight weeks. Students are asked to wear loose exercise clothing and bring a rug sample or something similar to act as an exercise mat.

Planning Adult Ballet Classes
Adult ballet students will be interviewed for Grosse Pointe War Memorial's Corps de Ballet by director, Mary Ellen Cooper, on Friday afternoon, September 17, 3:30-6:30 p.m. or Saturday, September 18, 10 a.m.-3 p.m.

The Adult Ballet classes will be held Monday, Wednesday and Thursday evenings beginning September 20.

The Wednesday class will begin at 7:45 p.m.; the Monday and Thursday classes at 8:15 p.m. The fee is \$28 for 10 weeks instruction in addition to a performance in Fries Auditorium.

Police Accuse Errant Driver

Two Shores public safety officers were eyewitnesses to a speeding motorist traveling on Lakeshore road on Friday, August 21, observing him sharply cutting in and out of moving traffic, but only one of the officers was able to apprehend him. The second officer was deterred because of very heavy traffic.

Arrested was Frederick A. Miller of Birmingham, who was charged with speeding and reckless driving.

According to an official report, PSO Robert Bensington was cruising south on Lakeshore when he observed Miller traveling north on the road at a high rate of speed, moving in and out of traffic. The officer made a turn in an island crossover and gave chase and continued to observe Miller's reckless handling of his vehicle.

The officer said Miller approached North Edgewood, made a left turn and continued west on the street at more than 50 miles an hour. As Miller approached Ballantyne, he turned and saw the pursuing police car and came to a stop for the stop sign at the Ballantyne - North Edgewood intersection, where the officer activated his scout car lights and ordered the man to pull over to the curb.

The motorist was informed that he was under arrest for speeding and reckless driving. At this point Cpl. Chester Painter arrived at the scene and stated that he also had seen Miller speeding and driving in a reckless manner. The corporal said he tried to pursue Miller, but was held back because of the heavy congestion of traffic.

Miller was taken to the Shores station where he was issued violation tickets on both charges. He was required to post a bond of \$150 before he was released. His court hearing is scheduled for Wednesday, September 22.

Pointer of Interest

MRS. DENIS LUZ, OF STEPHENS ROAD

By Janet Mueller

She committed herself to the job—chairman of Bon Secours Hospital Assistance League's 1976-77 Celebrity Series—two years ago, and began work in earnest a year ago this August, selecting, appointing and submitting committees.

September, October and November '75 were busy with meetings of the Talent Committee and interviews with Lecture Bureau agents. There are so many celebrities, famous names from the world of show business, politics and fashion, newsmen and authors... and the Grosse Pointe Series presents only five speakers per season.

The line-up must be balanced. The budget must be respected. There must be a REALLY famous name or two, to "sell" subscribers and fill the theater.

The celebrities chosen must be available on the dates desired.

"By January," says Sarah Luz, "all contracts are signed." Press releases and "glossies" arrive. Sarah and her co-chairman, Pat (Mrs. Calier H.) Worrell, turned all this information over to brochure chairman Anne (Mrs. Leo) Marx, who wrote the program biographies.

"Flyers" Distributed In February, "flyers" on the coming year's line-up were printed. They're distributed at the last lecture of each season's Series, so the audience can look over what's in store for them, and reserve tickets for the Series-to-come.

Meanwhile, Ruth (Mrs. Frank) Day, master file chairman, had been busy. Her job, keeping the records of Celebrity Series ticket holders from previous years, up-dating addresses, adding names, never stops.

Ruth and Peg (Mrs. William A.) Cole prepared themselves for the next procedure: the printing of the tickets, patron letters, envelopes and return cards so, in March and April, Nancy (Mrs. F. Mullen) Barrett and Marilyn (Mrs. Herbert) Hagenmoser, mailing and addressing chairmen, respectively, could gather all Assistance League members in the Bon Secours Science Hall for two days of "getting everything out."

4,000 Pieces of Mail That job's often done in a single day. Each Assistance League member, (there are 200-plus of them), is responsible to show up for a writing stint—and they all do, and by the end of the day, 4,000 pieces of mail are ready for the Post Office.

This year, to cut costs, the Celebrity Series has dispensed with its advertising agent. Group representatives, under the aegis of Sally (Mrs. Francis) Blake, program and advertising chairman, and Ann (Mrs. John) Gehlert, co-chairman, have made this an all-volunteer project, via special letters of appeal to donors advising them that their contributions will be 100 percent gifts to Bon Secours.

Donor names will be printed in the program book, with its circulation of approximately 1,300. Returns keep Celebrity Series committees busy during the summer. Ticket chairman Ann (Mrs. John) Ault is recording all sales this year.

Works In Vacation But things do slow down a bit in the summer; even the Celebrity Series' general chairman managed a break: two weeks "back east" with her husband and family.

Sarah, from Waltham, Mass., is a Registered Nurse. She met her husband in Newport, R.I., where she was nursing and he was intern-

ing. Dr. Luz, a pathologist, is director of Laboratory Services at Bon Secours.

They have three children: Michelle, 16, a student at Our Lady Star of the Sea High School; Denise, 14, graduated from the Grosse Pointe Academy this spring, headed for Star of the Sea in the fall; and Denis, Jr., 10, at the Grosse Pointe Academy.

They have a dog, Tippy, an all-American mutt from the Michigan Humane Society. Sarah stopped work as an R.N. when her first child was born. Seventeen years ago that was the thing to do, but times have changed—today's woman maintains her career throughout her working life, with time out for pregnancies and early child rearing—and Sarah Luz thinks that's a very good thing indeed.

Back to College She intends to enroll at Mercy College next year, to brush up on her nursing and get her Bachelor of Science degree. Eventually, hopefully, she intends to get back into uniform.

Her favorite recreations are painting and tennis. "I never have enough time for either." She makes as much time as she can, however, for she won't give up the courts or the easel.

Her prowess as an artist is attested to by two paintings in the cool, blue Luz living room: a Cathedral town in spring over the mantel, facing an autumn woodland landscape on the opposite wall.

(How many times have you entered an amateur artist's home, to be confronted by examples of the owner's work all over the walls and, knowing you're expected to say SOMETHING, find yourself searching, desperately, for something other than the outright lie? At the Luz home you don't have to worry; Sarah's paintings really merit a "How lovely!" or "That's very good.")

Family Tradition The summer trip back east is a Luz family tradition. They started in Pennsylvania this year, visiting Michelle at camp in the Poconos before heading for Massachusetts. "We always end up in New Hampshire and Maine." The lakes are nice, but Sarah was born near salt water. "I miss the ocean."

So, every year, she checks to see that it's still there. "I suppose we do travel a lot as a family." Besides the summer break, there's a spring vacation trip to Florida every year. Sarah manages, too, to go along with Denis to one or two out-of-town medical meetings per year.

She is a member of the PIME Missionaries' Auxiliary and AMIT, (American Italian Professional and Business Women's Club). She joined Bon Secours Assistance League about 10 years ago. "When Denis was an infant... that's how I remember."

Denis, Jr., is a dedicated Little Leaguer, et al., now. Denise, the family swimmer, is particularly interested in diving.

League Has Groups Bon Secours Hospital Assistance League is divided into Groups, each of which raises money for the hospital via its own projects, all of which combine to run the Bon Secours Gift Shop and the Celebrity Series.

Short and to The Pointe

(Continued from Page 13)

ANNE CHRISTINE HUGHES, of St. Paul avenue, and JUANITA LESLIE STORMES, of Ridge road, received Bachelor of Arts degrees from Ohio Wesleyan University this June, the latter graduating summa cum laude and Phi Beta Kappa, (junior election).

EDWARD ROBERTSON STROH, son of MR. and MRS. ERIC W. STROH, of Grayton road, has been graduated from Tabor Academy, Marion, Mass., where he participated in hockey, sailing and soccer, was a Tabor Boy officer and a member of the Navigators Club, Tabor Yacht Club and Folk Music Club. He plans to attend Lake Forest College.

ELISABETH (Mrs. Andrew V.) BARTLETT, daughter of MR. and MRS. THOMAS K. JEFFERIS, of Lakeshore road, has received a Ph.D. in English 17th Century Literature from Brown University.

Marine Lance Corporal JEFFREY J. STITZEL, a Grosse Pointe North High School graduate, son of the WALTER J. STITZELS, of Stanhope avenue, was promoted to his present rank while serving at the Marine Corps Air Station El Toro in Santa Ana, Calif.

Among seniors who received Distinguished Service Awards from Bowling Green State University this spring was JOHN FISHER, son of MR. and MRS. E. DAWSON FISHER, of Peach Tree lane.

SUSAN McNAMARA, R.N., a Grosse Pointe South High School graduate who received her Associate degree this spring from St. Clair County Community College, has been appointed to the nursing staff of Harper Hospital in the Detroit Medical Center. She previously worked as a medical assistant for Doctors Hospital Clinic.

Attending the 67th annual convention of Rotary International, held June 13 through 17 in New Orleans, La., was DR. ALBERT J. CERAYOLO, of Washington road, accompanied by his wife NORMA and daughters MARYANN, FRANCINE and ROSANNE.

LINDA JEAN LANGMAN, daughter of the WILLIAM LANGMANS, of Buckingham road, has received a Bachelor of Arts degree from Wittenberg University, where she majored in English. Named to the most recent Dean's List at Hope College were Business major JEFFREY A. BREMER, son of the ANDREW BREMERS, of Hillcrest road, and Music major STEPHEN ELIASON, of the PAUL G. ELIASONS, of Balfour road.

most successful model agency in the world, is in.

Have Had Surprises "There have been a few lecturers who did not come up to our expectations," Sarah admits, "but there have been a few 'unknown names' who surprised us all, turning out to be the stars of the season."

"We hope the people we have chosen will meet the audience's expectations, and ours. We will continue, as we have in the past, to try to bring balanced, quality programs to Grosse Pointe."

The 1976-77 Celebrity Series opens October 14, with show business husband-and-wife team Peter Lind Hayes and Mary Healy. "For Amusement Only" is their lecture topic.

Eileen Ford will address herself to "The More Beautiful You," offering sound advice to girls from 18 to 80 November 11.

To Discuss E.S.P. Anyone curious about the inner mysteries of the human mind, (that's everyone, for aren't we all?), should enjoy Russ Burgess' "E.S.P. in Action" January 13.

Bill Lignite presents "A Day in the Life of a Courtroom Artist" February 10, and the Series closes with a real bomb-buster March 10, when Ambassador and Mrs. Angier Biddle Duke speak on "The Making of the American Image Abroad."

With line-ups like these, it's no wonder the Grosse Pointe Celebrity Series is usually a sell-out. Those who know get their reservations in very early. We've given you the information on how to reserve. A word to the wise...

From Another Pointe of View

(Continued from Page 13)

"must"—all monies raised by the Junior League from the community are returned to the community.

Last year's proceeds went to The Nature Center on Belle Isle, the Detroit League for the Handicapped, the Goodwill Senior Center's Christmas Party and Project LINC.

Summer Snapshots

Riffling through this season's collection of summer snapshots, (mental, but nonetheless VIVID), we keep coming back to our favorite: ex-Alliance Francaise de Grosse Pointe President Helene Tournay in beads, buckskins and the blackest of black wigs, ("Who is that lady? ... I KNOW I know that lady!").

Background for this "snap" was the French Festival of Detroit's pre-Cadillac's Landing party at the Woodland place home of Cadillac himself, circa 1976, and Mme. Cadillac, aka Warren and Mireille Wilkinson.

Since it was a Costume Party, (those who were to take part in the pageant were bidden to come-in-character), it was also a summer snapshot field day.

The Indian Maiden arrived under escort of The Comte de Tournay, alias Dr. Garfield Tournay. With them, in mufti, was Garfield's brother, visiting from Texas, looking confused—the cure (priest) he'd just met turned out to be Georges de Bary, father of his hostess—but happy.

With his wig, frock coat and buckled shoes, that "priest" had been a pretty odd-looking duck, anyway.

Color Portrait

One of the year's most beautiful books is "Between Friends/Entre Amis," Canada's official gift to the United States in honor of the Bicentennial, a magnificent volume of photographs, with appropriate quotations, focusing on the Canada-United States border country.

If the couple on page 173 look familiar... they should: that's Roy D. Chapin, Jr., and his wife Lois, in a lovely semi-formal color portrait at home in Country Club lane.

Fall Art Festival

The 17th Annual Fall Art Festival co-sponsored by the Grosse Pointe Artists Association and the Grosse Pointe War Memorial will be presented Saturday, September 11, from 10 to 5 o'clock, on the War Memorial's lawn, with 165 local and out-state artists and craftsmen exhibiting.

It's always a beautiful show, and a good one. Many of the exhibitors will be demonstrating their crafts and/or working methods. Prizes will feature original art. Light lunches will be available.

There'll be a carillon concert, bells peeling forth from next-door Grosse Pointe Memorial Church, and visitors are welcome in the tower to watch the musicians. (Having made that trip, we can't recommend it too highly. If you get a chance, GO! It's loud, but it's fascinating...)

Corinne (Mrs. Stanley) Dolega heads the 1976 Fall Art Festival committee, assisted by co-chairmen Lee (Mrs. John) McKinley and Elizabeth (Mrs. Thomas) Jefferis.

Julia (Mrs. Watson) Ford is in charge of entries. Marjorie (Mrs. Bruce) Caulkins chairs the Jury committee.

Other sub-committee chairmen and co-chairmen are Doris Weaver, Shirley McGregor, Heather Bokram, Chloe Boehm, Molly Flinterman, Marilyn Stocker, Nancy Frohbit, Bette Prudden and Alice Balfrey, and James Stelma and Edgar Yeager have signed up for yeoman service as Information and Festival Grounds chairman and co-chairman.
