Thursday, November 4
GEORGIA GOV. JIMMY CARTER turned to the task of forming a Democratic administration Wednesday, only hours after clinching his slender victory over President Gerald Ford in their battle for the White House. Gov. Carter, an outsider who came to power, accepted the congratulations and the promised support of Mr. Ford. In an appearance in his hometown of Plains, Ga., the president-elect said his first task must be "the unification of our country after a close and hard-fought election."

CITING ECONOMIC and environmental concerns, the State Highway Commission has decided to cut back on the use of salt to get ice off Michigan's highways this winter. The new policy will mean somewhat more inconvenience in driving during storms, especially on lightly traveled roads, according to Highway Department officials. Martin O'Toole, assistant to the department's engineer of maintenance, said the new salt policy is not expected to result in more accidents this winter. The department is hoping to cut back on salt use by 10 percent and save taxpayers about \$1 million.

UNEMPLOYMENT IS still going up, increasing the chances of a federal tax cut next year. New government figures issued Friday showed that the nation's unemployment rate increased to 7.9 percent in October. It was the fourth rise in the last five months, and provided fresh evidence that the economy is stagnating. The announcement of the joblessness increase followed President-elect Jimmy Carter's statement that he might attempt to counter economic sluggishness by asking Congress for a tax cut in January.

THE NATIONAL SWINE flu program has vaccinated less than one-tenth of the people it was intended to reach, although it is one-third of the way through its planned time period. The early performance has raised serious doubts among some experts that the much-delayed effort can achieve its goal of protecting most adult Americans before the onset of the 1976-77 flu season.

POLICE ON BOTH SIDES of the Atlantic have found evidence that terrorist groups may be preparing to use or sell deadly nerve gas, the "Boston Globe" reported Sunday. Simultaneous raids in Vienna and Berlin last February 27 turned up more than a quart of nerve gas similar to a chemical developed during World War II by the Nazis, the newspaper said it was told by diplomatic sources. Another incident occurred in the U.S. several months ago when postal authorities discovered a package containing a small charge designed to explode a vial of nerve gas when the package was opened. It was disposed of by the Army.

ATTORNEY GENERAL Frank Kelley said Monday that a woman may not be denied a loan because of her marital status or her husband's financial situation. "If a woman applies for credit, and she has the individual creditworthiness to be granted that amount, what her husband does or what his creditworthiness is, should be of no concern to the creditor," Kelley stated. He said refusing credit on the basis of marital status is a violation of the Federal Equal Credit Opportunity Act of 1974 and a 1974 Michigan act prohibiting credit discrimination.

New Officers Elected by Health Education Council

New officers of the Grosse Pointe Health Education Council, who were selected at a recent meeting are, (from left to right), BETTY SCHNEIDER, co-treasurer; JUANITA GAYNOR, treasurer; PEGGY BROWN, corresponding sec-

retary; HELEN MEYERING, president; MARILYN DOVAL, vice-president; and JOHANNA GILBERT, recording secretary. The 150-member organization was founded in 1945 to serve the health education needs of all five Grosse Pointes.

Police Seek Attacker of Park Lady

She Suffers Approximately 40 Abrasions; Intensive Investigation Continues

Mystified Park police are still investigating an unprovoked assault on a Park woman in her home on Tuesday, November 2. The woman, name and address withheld, suffered around 40 superficial cuts, categorized by Chief Henry Counce as mostly scratches and abrasions, after being attacked by a male intruder.

The chief said on Monday, November 8, that an intensive investigation is still underway, and every aspect of the case is being looked into, including possible business connections.

The victim is an employee of the Salvation Army's Harbor Light Mission in Detroit and it is possible that the man also works for the Mission.

Appears No Motive
She suffered the cuts, inflicted with some kind of cutting instrument, about the arms, hands and shoulders. The woman was conveyed to Bon Secours Hospital and treated for the wounds, of which only one was deep enough to require stitches. There appears to be no motive for the attack, the chief stated.

According to a report given to investigating officers, the woman said she heard a knock on her front door at (Continued on Page 2)

Pair to Challenge Park Residency Law in Court

By James J. Njaim
A sales representative and an automobile salesman were mailed legal papers by Park City Manager Robert Slovic on Thursday, November 4, sending them notice to vacate their residence at 1435 Kensington because they are unrelated and living in a single-family home. Their residency is in violation of a city zoning ordinance which prohibits persons not related by blood, marriage or adoption from living in the same home as a family. Ordered to leave the house, owned by the Verheyden Funeral Home, Inc., Mack and Whittier, are Donald Mazola, 28, and Richard Gronan, 30. The eviction notice was sent by registered mail to them because of the furor

War Memorial Visitors Share Chilling Moments after Hotel Catches Fire; One Traveler Injured But 56 Others Remain Unscathed

By George Polgar Jr.
Fifty-seven Pointers, who were roused from their early morning slumber late last month when fire swept through the National hotel where they were staying in Moscow, have returned from Russia with love and some love lost.

According to John Lake, executive director of the War Memorial, which sponsored the trip, he was awakened at about 5 a.m. because his room seemed very warm.

"Then as I was getting up, I heard the person in the next room banging on the wall saying that the hotel was on fire," said Mr. Lake. "At first I didn't think it was a fire. I thought the heat might have been coming from a service facility in the area."

On Fifth Floor
"Then I looked out my door into the hall and saw that it was full of thick smoke, so I closed the door and went to lean out my window until they came to get me."

At the time, Mr. Lake was on the fifth floor which made the window an unlikely escape route. He and other hotel guests did eventually make their way through the smoke-shrouded corridor to safety when they were assured that the fire was on a lower floor.

"Apparently the fire was on the third floor and the smoke was rushing up through the wide stairwell connecting the floors, and accumulated on the upper floors where we were," said Mr. Lake.

News Bettering Phone Service

The NEWS remains in the process of having direct lines installed to its editorial, display advertising and classified advertising departments. New lines will be installed to both editorial, i.e., news and society material, and display advertising, i.e., "picture" ads or ads other than classified material. Classified advertising, the subscription department, plus accounting and management, will have the present telephone number, (832-6900). Our readers are urged to watch for further announcements regarding the new numbers for editorial and display advertising. At this time, the 882-8900 will still reach all departments.

Land Sought By Seniors For Housing

Woods Commission Makes Bid for Property Owned by Mrs. Edsel B. Ford for Complex

By Roger A. Waha
The Woods Senior Citizens Commission has expressed an interest in Mrs. Edsel B. Ford's property, in the event some land becomes available, as a potential site for a housing complex for all Pointe seniors.

In a letter mailed last week to J. S. Peters, office manager, estate of Mrs. Ford, Irene Sutton, commission chairman, and Audrey Dolner, commission housing chairman, made the request. At the same time, a copy of the letter was sent to Woods Mayor Benjamin W. Pinkos and all Pointe city managers.

The letter says the commission, on behalf of senior citizens of all the Pointes, "again asks that in the event some property of Mrs. Ford's estate is to be disposed of, to please give consideration to our request for a location for a senior citizens housing complex in Grosse Pointe."

Merits Consideration
"This would make a fitting memorial to Mrs. Edsel Ford, Grosse Pointe's most distinguished senior citizen, having housing for Grosse Pointe seniors nearby, where she spent most of the years of her life."

"Inasmuch as there are few or no other available sites left in the Pointes, we believe this matter merits your consideration, as Mrs. Ford had the interests of seniors and Grosse Pointers at heart."

Mrs. Ford, in her will, donated her 60-room Gaultier Point home, along with a \$15 million maintenance fund for the structure and property, to the public for charitable purposes.

At the moment, there are no plans to dispose of the property, said Pierre V. Heffler, Mrs. Ford's attorney, who felt, at this time, the request was a moot issue.

Indicating the seniors apparently wanted to get themselves on record, he stated, "If the property is placed on sale, all possible prospects would be canvassed."

Officials View Need
This request isn't the first bid by the seniors regarding the property, Mrs. Sutton said she wrote Mrs. Ford in November 1974 asking her to sell some of her property to (Continued on Page 8)

Absentee Voters Set New Record In This Election

All Pointes Report Heavy Amount of Ballots; Liberalized Voting Laws Cited As Main Reason

By Susan McDonald
Voting by absentee ballot was at an all-time high in Grosse Pointe in the recent presidential election. Almost one of every five Pointe voters were absent on November 4—as compared to just 17 percent in the 1972 presidential election.

The City showed the highest percentage of absentee ballots at 825 out of 2,923 total votes, a three percent increase over 1972. The Shores was second at about 19 percent. Unofficial figures put their absentee rate at about 19 percent as well.

In The Park, about 18 percent of the 7,500 voters mailed in their selections, as did about 17 percent in The Woods.

Need Extra Time

Most city officials attribute the increase to the liberalized absentee voting laws. In 1972 the eligible age for absentee ballots was lowered from 65 to 62 years. In 1974 it was lowered again to 60-years-old.

In addition, City Manager Thomas Kressbach pointed to the inconvenience of long lines at area schools and the increasingly complicated ballots that may be keeping citizens away from voting booths.

With dozens of items on most ballots, many citizens feel they need the extra time at home to study the sheets.

What may be more convenient for citizens, though, has caused some administrative problems in city offices. The increased number of absentee ballots puts an extra strain on clerk staffs as they all must be counted by hand, Mr. Kressbach said.

Longer to Count
Shores Village Superintendent Thomas K. Jefferis had a similar problem November 4.

"It's like going back to the days of paper ballots," he said. "Even though I had a great crew of workers, they take much longer to count and can really slow things down."

Nevertheless, Mr. Kressbach thinks the mail ballots may be the wave of the future.

"When you reach the point that one out of five citizens are voting by absentee ballot it raises the question whether in the next five to 10 years it will be necessary to allow all voters the same opportunity," he said.

SCHUCKER PROMOTED
Roy Schucker, of The Woods, has been appointed group vice president-stampings and frames for the Budd Co. Mr. Schucker is responsible for the stamping activities of Budd's Detroit, Philadelphia and Gary Plants, and the chassis frame operations of the Red Lion Plant in Philadelphia and the Kitchen, Ont., plant of the Budd Automotive Co. of Canada Limited.

Mr. Bolanowski said as far as he was concerned, the firefighters had made their point in court. "Now they know if they try to implement any part of the public safety ordinance," (Continued on Page 2)

Defeat in Park Causes Babe Ruth League Rift

By Tom Greenwood
The Farms and The City, two members of a three-city, Park, Farms and City Babe Ruth League, have decided to break away from the organization and form their own two-city league, according to Babe Ruth League President John Hoben. The decision was based on the defeat in The Park of a proposal to allow the construction of a new baseball diamond at the Three Mile Drive Park. "We were shocked at the outcome of the voting," said Mr. Hoben. "This furthers the problems we have had with this organization as it now stands." "Our Babe Ruth League has grown 22 percent in recent years. We have boys on

80 Percent Of Voters Cast Votes

Park Police, Firemen Are Pleased over Passage of Pension Proposal; Area Votes for GOP Again

By George Polgar Jr.

Local voters made their customarily heavy showing at the polls last week with all of the Pointes reporting voter turnout figures in the area of 80 percent.

At some polling places citizens had to wait in long lines to cast their votes, especially in the morning, while other locations reported sporadic and even sparse traffic throughout the day.

In The Park, voters approved one of the ballot propositions put before them and rejected a second, while Shores voters returned two unopposed slates of officials for new terms.

On Proposition One, an amendment to the city charter which would raise the pension benefits of Park police and firemen from 1.7 to two percent, Park voters voted "yes" by a 72 to 28 percent margin.

Diamond Defeated

Police and firefighters in The Park are pleased by the success of the proposal which they interpret as a mandate of support and satisfaction with the jobs they are doing.

"We have certainly gotten encouragement from the results of the election," commented Officer Michael Kostas, president of the Grosse Pointe Park Police Officers Association, (GPPPOA). "It is nice to know we have such firm support from the citizens and I suppose the only thing we can say is, 'thank you.'"

Firefighter Marty Buss echoed these sentiments on behalf of his colleagues, saying that the passage of the proposal was the result of a strong, joint effort by both groups and primarily the support of the citizens.

On the second Park proposition, which would have called for the construction of a \$15,000 baseball-softball facility at the Three Mile Park, the voters decided to reject the plan by a 74 to 26 percent margin.

What Citizens Wanted

Park Councilman Charles Tompkins, who was very active in opposition to the baseball field at Three Mile Park, said that he was satisfied with the outcome and enumerated some of his reasons.

"Now first I have to say that I'm 100 percent in favor of activities for youngsters, I have kids of my own so I do have an interest in such things," he said. "But when this property was acquired, the city fathers agreed to the passive park concept that the residents wanted. I think to go back on that agreement would be to the detriment of (Continued on Page 2)

Meet to Slate Food Plan Date

A meeting was scheduled to be held this week to set a starting time for the Food and Nutritional Program for senior citizens 60 and over which will be housed in the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue.

Judy Maghakian of the church staff, Caroline Lewis, director of the out-county nutrition program, and Woods Administrative Aide Gerald E. McNamara were to gather to finalize plans for the program, which is under the auspices of the Wayne County Agency on Aging and is open to all seniors in the county.

Nutritionally balanced meals are provided to seniors under Title VII of the Older Americans Act during the noon hour. Besides the lunch, another emphasis of the program is socialization, where citizens will have the opportunity to meet and mix with new people.

Pointes Report Heavy Turnout

the trust citizens put in their elected officials.

"Besides we in The Park pay an equal share towards the construction of school sports facilities, where most of the baseball is played now. I don't know why we should agree to invest more money into a separate facility when none of the other Pointes do. Also, I don't think the school fields are being used to maximum utility because of the way they schedule games."

John Bruce, who worked for the passage of the proposal, was understandably disappointed and commented that perhaps the presentation of certain facts in their campaign might have changed many voters' minds.

On Negative Factors

"It is very difficult for me to comment on this without sounding like sour grapes but some of the claims about alternative uses for the park may have misled some voters," Mr. Bruce said. "In

fact alternative uses are not really forthcoming. But it was the will of the people and it has to be accepted as that."

Mr. Bruce went on to say that along with some of the issue clarifications which might have bolstered support for the proposal, the negative factors were price and the use of the park by outsiders.

In The Shores the unopposed officials of Grosse Pointe Township returned by the voters were Supervisor Gerald C. Schroeder, Treasurer Walter R. Frizzell, Clerk Thomas K. Jefferis, Trustee William Killebrew and Constables Don Haigh, Frank Jefferis, Albert Klick and Frank MacWhirter.

In Lake Township, (that part of The Shores which is in Macomb County), the officers include Supervisor Jay Smith, Treasurer Carl E. Hedeon, Clerk Arthur J. Berk and Trustee John J. Zolad.

The voters in The Pointe returned unopposed incumbent state Rep. William R. Bryant to his 13th district seat. First district Wayne County Commissioner Ervin Steiner Jr. also was returned as he defeated Democratic challenger Val Huvaere.

In the presidential, sena-

torial and congressional election most Pointe voters were disappointed by the outcome. Local voters consistently favored Republicans Gerald Ford and Robert Dole, Marvin Esch and John Getz, all of whom were defeated by their Democratic opponents.

In The City, voters cast 754 ballots for the Jimmy Carter-Walter Mondale ticket and 2,888 for President Ford and Sen. Dole. Donald Riegler received 821 votes to Esch's total of 2,279 for U.S. senator, while Lucien Nedzi received 1,316 votes to the 2,107 cast for Getz in the 14th congressional district race.

Farm voters cast 1,121 ballots for Carter and 5,535 for Ford. Riegler received 1,284 votes and Esch garnered 5,267. Nedzi received 2,091 votes to the 4,167 cast for Getz.

Park voters gave Carter 1,862 and Ford 5,399. Riegler received 2,208 votes while Esch tallied 4,963. Nedzi received 2,918 and Getz took 3,786.

The Shores gave a total of 262 votes to Carter and 1,654 to Ford. Riegler received 281 votes to the 1,602 cast for Esch. Nedzi received 523 votes to 1,241 for Getz.

In The Woods, voters gave Carter 2,474 votes to Ford's 9,231. Riegler received 2,999 votes to the 8,546 cast for Esch. Nedzi took 4,341 votes compared to 6,429 cast for Getz.

In voting for state ballot proposals, Pointe residents voted more consistently with the rest of the electorate.

Proposal A, which was approved statewide, won by a 68 to 32 percent margin among Pointe voters. That mandate calls for the banning of disposable cans and bottles in Michigan effective two years from now.

Proposal B, which would have made 18-year-olds eligible to run for the state legislature, was soundly rejected by Pointe voters, (as it was throughout Michigan), by an 87 to 13 percent margin.

Proposal C, the tax limitation amendment, was voted down by Pointers by a narrow 53 to 47 percent margin. It was similarly defeated statewide.

Proposal D, the income tax reform amendment, also was overwhelmingly defeated by an 86 to 14 percent margin in The Pointe. It, too, was defeated statewide.

Hoben.

"The Park won't do its fair share to provide playing space to residents of The Farms, City and Park. We hope the results of our decision will provide time and space for every boy who hopes to play."

When asked to comment on the decision to break away, Park Mayor Mathew Patterson said "I really have no comment. It's their prerogative to do what they wish. If that's their policy, we'll have to honor it."

The State Board of Education reports that 101,539 teachers were employed in public schools in Michigan last year.

City Battle

(Continued from Page 1)
nance, they'll end up with an injunction stopping them.

"I could only assume they planned to implement the new law. If not, why did they pass it?"

The new ordinance, passed at the October City Council meeting, outlaws separate police and fire forces and combines them into a public safety department in which all employees are "peace officers" responsible for fire and crime fighting duties.

It is based on a Citizens Research Council of Michigan study that concluded if The City consolidated the departments, they could reduce the work force by three men and save \$88,000 a year in salaries. The council voted to approve the plan in October and charged City Manager Thomas Kressbach with its immediate implementation.

Not Done Before

The City firefighters are backed in their fight against the consolidation by their International Fire Assoc., with promises of help with legal fees and lawyers.

Both sides are scheduled to appear in front of Judge Burdick again on Wednesday, December 1, to argue their cases in relation to a plea for a permanent injunction against the plan.

The completion of arbitration proceedings between the two groups may still not settle the dispute. Mr. Bolanowski said he is confident the arbitrator will not allow the public safety plan to be forced on the men. "No arbitrator in Michigan has ever done it before and I can't see it happening here," he added.

Baum to Talk On Court Plan

A proposal to reorganize the criminal justice system in the State wherein local district courts would have the responsibility for all misdemeanors for juveniles and adults will be viewed by Youth Service Division Det. Wayne Baum in a program sponsored by the Grosse Pointe Park Civic Association this evening, November 11.

It will be held in the Pierce School auditorium at 7:30 p.m.

The proposal by Det. Baum, copies of which were sent to Senators Joseph Snyder and John Hertel, plus Rep. William Bryant, was an outgrowth of his dissatisfaction, and the concern of others, over the lack of service provided the Pointes by Wayne County Juvenile Court.

A disenchantment with the Department of Social Services in its past handling of juvenile cases also was a reason for the proposal. The detective, at the same time, also issued a proposal in relation to criminal justice detention facilities.

The meeting is open to all citizens.

Police Seek Attacker

(Continued from Page 1)
about 11:30 p.m. She opened the door and saw standing on the porch, a lone black man, who began slashing at her.

Her screams possibly saved her life because it awakened her 13-year-old son who came running down the stairs from a second floor bedroom. This apparently frightened the attacker, who fled from the house. Nothing was taken, police said.

Seek Police Aid

"People should not open the door to just anyone who knocks or rings a bell," Chief Coonce said, "especially if that person is a stranger."

"If you do not recognize the caller, talk to him through the door, or better still, call your local police and have them check out the person. Also, be suspicious if a stranger asks to use your phone. This is one of the oldest ruses known to enter a home."

"Citizens should exercise good judgement in situations of this type. Just don't talk to any person who comes to the door."

Don't feel that you are bothering the police if you call. That is what they are working for as they are trained to deal with incidents such as happened to the woman, the chief said.

Your police would be very happy to check out suspicious

strangers. Preventing a crime before it happens is better than investigating one after it is committed, Chief Coonce added.

Bon Secours Expands Area

The Bon Secours Hospital physical therapy and rehabilitation services department recently moved into its new suite of rooms where it will offer expanded service to a growing patient population.

The new section is four and one half times larger than the former department. Increased space provides room for equipment used for new treatments in addition to promoting a more private relationship between patient and therapist.

Department Director Nina Fragola, RPT, heads a professional staff which includes three registered physical therapists. While all therapy must be ordered by a physician, an orthopedic surgeon provides additional care as medical advisor, available for consultations.

A spacious carpeted waiting room welcomes patients to the suite where 10 rooms are connected by an intercom system permitting the staff to communicate without leaving a patient unattended.

One room is separated into four treatment cubicles where ultrasound, diathermy and other pain relieving procedures will be done.

The activities of daily living, (ADL), bathroom is a

training site where patients can learn to handle their own toilet and grooming needs—important skills that help a disabled patient maintain his independence.

An eight-foot long Hubbard tank occupies another room. The stainless steel tub can accommodate a stretcher. Exercising in the water alleviates the strain patients experience out of water where gravity must be overcome.

Burn patients also may be treated in the sterile tank where water allows dressings to be changed more comfortably.

Employing the same principle on a smaller scale, three whirlpool baths are contained in another room. In these, injured extremities may be successfully treated.

Electromyography and nerve conduction studies will be introduced to Bon Secours in the new EMG treatment room. Performed by a neurologist, these examinations can determine the degree of nerve damage resulting from acute and chronic neuromuscular conditions.

When not being used for electromyography, the room will be available for routine treatments and will be used by a speech pathologist on referral.

Finally, a large gym containing mats, parallel bars, stairs and other exercise equipment is located at the far end of the department. This area can be of great benefit to amputees and stroke, mastectomy or fracture patients who must learn to use muscles damaged by trauma or disease.

"By speeding the healing process, relieving pain, teaching self care and helping patients regain the use of limbs, physical therapy and rehabilitation can enrich the quality of a patient's life," Miss Fragola said. "We are ready to meet that challenge in our new modern facility."

Seniors' Class Slated to Begin

The Woods Senior Citizens Commission in cooperation with Wayne County Community College, (WCCC), which funds the program, are sponsoring classes for seniors once again this year. Free of charge, the classes can be taken for college credit.

Frank Komerska, education chairman of the commission, said an art class, i.e., painting, is scheduled to begin in two segments of around 16-17 people each next week.

One group will meet on Tuesday, November 16, while the other meets on Wednesday, November 17. The class, which runs from 4-6 p.m. both days, will continue for eight sessions.

Those who have expressed an interest in this class will be receiving a notice in the mail regarding an assignment to a specific session, he said, while indicating there are still about five openings in each segment.

At this point, the class is slated to be held in room C-1 at Brownell School, 280 Chalfonte avenue.

Meanwhile, a legal affairs in later life class is slated to begin in January. Mr. Komerska said this class will be held for two hours per week for eight weeks. At this time, it's proposed that the Woods Council Chambers will be the location. A total of 49 seniors have expressed an interest in this course stemming from an earlier survey.

"We also are trying to get classes put together in beginner's golf and physical fitness, with swimming not being included in the latter until late in the spring," he added.

For further information on the program, contact Mr. Komerska at 881-1543.

ACCEPTS RESIGNATION

The Woods Council at its regular meeting Monday, November 1, unanimously accepted with regret the resignation of Richard W. Thams from the Citizens Recreation Commission. He cited business pressures and other outside activities as reasons for his decision.

Balloons Away on Saturday

Hundreds of brightly colored balloons will float overhead on Saturday, November 13, as a result of a sale held by the Grosse Pointe North Foreign Exchange Club.

The two foreign exchange students at North this year, Sheena Livingstone, of Scotland, sponsored by American Field Service, (AFS), and Bjorn Stove, of Sweden, sponsored by Youth for Understanding, (YFU), will release the balloons during halftime ceremonies of the North-South football game on North's field at 2 p.m.

Each balloon will carry a postcard signed by the purchaser which, if returned from some distant spot, may entitle the winner to a prize.

Two tickets to the Detroit Lions Thanksgiving Day football game will be the first prize, while three eight-track carrying cases donated by Pointe Electronics will be awarded to the runners-up. Balloons may be purchased in advance at North, or at the gate for 50 cents.

The balloons also are a notice to the community that the Foreign Exchange Club would like to explain the many, varied aspects of its programs at an information night, on Tuesday, November 16, in the North cafeteria. The program begins at 7:30 p.m.

Speakers will be the American students from North who spent the summer visiting in foreign countries through the AFS and YFU programs.

Woods Views Completion Of Street Lighting Plan

By Roger A. Waha

With the removal of overhead lines from the north side of Vernier road between Wedgewood and the east city limits by the Detroit Edison Co., and the installation of six ornamental light poles with underground wiring, the final phase of The Woods' street lighting program will be completed.

The program, which began around 1963, was completed in 1972 with the exception of the aforementioned area, said City Administrator Chester E. Petersen. Now, he said, this work will hopefully be finished by spring.

At its regular meeting Monday, November 1, the council unanimously authorized the issuance of a purchase order to Edison in the amount of \$5,850 for the completion of the project based upon a letter from John Holt, industrial marketing engineer, Detroit division.

In his communication to Mr. Petersen, Mr. Holt indicated that Edison updated its design and cost estimates for the removal of the overhead lines and the completion of the street light system on Vernier.

The company experienced "extreme difficulty" in obtaining rights-of-way from some of the residences for the required new poles, stated Mr. Holt, who noted this summer Edison finally received permission from the last property owner, with the city's assistance.

In 1972, Edison quoted a price of \$4,418 to remove its overhead lines in the area, along with the rereading of the residences from the rear. "Since that time, we have changed our method of determining charges for relocations. This, along with inflation, has increased our price to \$15,531," said Mr. Holt.

While feeling there was some justification for charging the current price as

Edison wasn't responsible for the four-year delay in the project, he said the city also wasn't directly responsible for the delay. There is no doubt that The Woods fully intended to proceed with the project as soon as rights-of-way were obtained, he stated.

As a result, "we are willing to use 1972 accounting methods and escalate the price for inflation to \$5,850," said Mr. Holt.

Mr. Petersen, who felt the quoted price was reasonable, was most happy to see the program completed. "Since it was started, we converted all our street lights from incandescent to mercury vapor, too," he said. And prior to 1962, the city never had any ornamental poles with underground wiring.

At the same time, Mr. Petersen added he was very pleased over the removal of the overhead lines and wooden poles at the main entrance to the city from the beautification aspect.

Pointe Tour Group

(Continued from Page 1)
"We were told that they were all right but all we could see after the fire was out was a burned out corridor and thick smoke."

After the ordeal was over, the victims did receive official cooperation in salvaging and cleaning their smoke and water logged belongings, Mr. Lake added.

Fight Fire First

The only member of the Grosse Pointe tour who was injured in the fire was Mrs. G. E. Tolkmitt, of Lincoln road, who tore a ligament in her leg as she tripped over a piece of furniture while escaping through a clouded corridor.

"We were on the fifth floor where there was no fire, only dense smoke," said Mrs. Tolkmitt, who spent the rest of the trip on crutches as a result of her injury. "The worst thing was that no one woke us up—we were the last ones left on the floor when the smoke woke me up."

Mrs. Tolkmitt commented that the crisis was generally not handled very well by hotel officials. She cited communications problems and the lack of proper alarms, and said that the firemen had arrived and were battling the blaze before she and her husband woke up.

"The firemen finally brought us both out because I had hurt myself and my husband had gone back into the room to get his glasses and got trapped," she said.

In the days following the fire, Mrs. Tolkmitt said her Russian hosts tried very hard to make amends as best they could for the inconvenience she was suffering.

Mr. Lake Praised

When the group went on to Leningrad and visited the Hermitage, she had to stay at the hotel because of her problem getting around on crutches. So that Mr. Tolkmitt would not miss anything during her stay, officials ar-

ranged for her to be taken to the gallery by private car accompanied by a guide.

"I think Mr. Lake deserves much of the credit for keeping things relatively under control during the fire," she said.

Mrs. William Griffith, of Oxford road, was one of the hotel residents who was trapped in the isolated wing of the third floor. Ironically, Mrs. Griffith explained that it was the isolation of their rooms which saved them.

"The area at the end of the hallway where we were stranded was an addition to the original building so it was slightly below the level of the third floor," she said. "There were five or six steps leading down to our rooms and another staircase leading to the upper floors. Luckily, the fire went up the staircase and not down into our rooms."

Even though they were not immediately threatened by the spread of the fire, Mrs. Griffith said they were ready to try and escape through the windows and had already begun tying sheets together when they were rescued.

Plane Problems Next

She also said that other than the trauma of being trapped at the end of the hall, they suffered less from the smoke than many others in other parts of the building.

"By the way, the reports that came from the wire services that there was snow on the ground, and that many of the hotel residents had to flee half clothed into the streets, was not quite accurate," added Mrs. Griffith. "It was cold but no one had to go outside. Everyone was waiting in the hotel lobby."

The origin of the blaze was traced to a man whose cigarette had ignited something in his third floor room. The man was not part of the Grosse Pointe tour.

The fire that made headlines halfway around the world was not the only harrowing incident that The Pointe travelers experienced, according to Mr. Lake.

Woods Slates Awards Night

The Woods Beautification Commission will hold its second annual "Awards Night" ceremony on Thursday, November 11, at 8 p.m., in the council chamber of the municipal building, 2025 Mack avenue.

The commission will present certificates to 78 Woods businesses, professional offices, schools and churches, citing them for the exemplary condition of their properties. One of these nominees also will receive a plaque.

A plaque from Keep Michigan Beautiful Inc., won by the commission, is scheduled to be presented to Mayor Benjamin W. Pinkos by the commission. The plaque will then be put on display along with other awards won by the community.

NHS Bands Set Annual Potluck

Four North High School music groups will perform at their annual Bands and Orchestra family potluck dinner on Thursday, November 11, at 6:30 p.m.

The dinner, in the North High gym, will include meat casseroles, salads, cupcakes, brownies, fruit and coffee from various band and orchestra families.

Parent group sponsors will be calling North High parents this week to arrange for contributions.

The potluck dinner is the group's main fund raiser for summer music scholarships. Donations to the fund will be accepted at the dinner.

Service Links Teeners, Jobs

No one knows better than Bonnie Garr how rough it is for kids to get jobs these days. As career counselor at North High School, she hears from the jobless teens daily. Most of them are 14- or 15-years-old, with no experience, just looking for a start.

And she's trying to help with a new plan to link the teens with jobs in the community. Besides small businesses, there are hundreds of residents who occasionally need help around the house, whether it's raking leaves, housework or running errands for a shut-in.

A few weeks ago Mrs. Garr let it be known around school that she's accepting applications. The student response has been great.

"The kids who come to me just want a start and they'll do practically anything. They can address envelopes, help committee members with phone calls, prepare dinners—just about anything, if you give them a chance."

She screens applicants and gives them a few pointers before sending them out. The rest, including negotiating a wage with their employers, is up to them.

"It can be a great learning experience for the kids," she said. "If they aren't hired after an interview we sit down and talk about what they did wrong."

"If they learn from their

mistakes now, it might prevent them from losing a job in the future."

So far dozens of students have been placed in a variety of jobs from checking houses for vacationers, to preparing dinners for two working couples.

Still, there seem to be more workers than there are jobs.

The kids are willing and all they need now is community support, in the form of jobs, to get them started. If you can help, call Mrs. Garr at the school, 886-8100.

Health Council Names Officers

The Grosse Pointe Health Education Council recently named a new slate of officers for the 1976-77 year with terms expiring next June.

Serving as president "will be Helen Meyering, vice-president, Marilyn Doyal; treasurer, Juanita Gaynor; co-treasurer, Betty Schneider; corresponding secretary, Peggy Brown; and recording secretary, Johanna Gilbert.

The council has planned a number of activities for the coming year including a new Family Health Education Program for students and parents and a fluoride treatment program in the elementary schools, which is now underway.

GP Theatre Welcomes Legendary Lady's Debut

More than 60 years after her Broadway debut, one of Grosse Pointe's legendary ladies is finally making her first appearance in a Grosse Pointe Theatre production.

For Lillian Hicks, of St. Clair avenue, her role in the season-opening "A Little Night Music" is the newest chapter in a lifetime filled with theatrical credits.

Starting in a church choir at the age of 10, she's done a little of everything—summer stock, singing with a symphony orchestra, touring companies, community groups.

"I've done so many things and been in so many productions," she says, "that I can hardly remember what I've done. You could say I have a brilliant future behind me."

Others in the cast and crew of the highly-acclaimed Stephen Sondheim musical apparently don't agree with these modest words. There are many who hope that Mrs. Hicks is just beginning what will be a long association with Grosse Pointe Theatre.

The admiration is mutual. "I've been around a long time," Mrs. Hicks points out, "and I've never seen a group that can touch this one for dedication and the efficiency

of their approach to theater. My hat's off to all of them."

Mrs. Hicks admits to being equally taken with the role she plays—a wise, witty, sophisticated woman who enjoys all her memories.

"It's a great challenge, but I'm enjoying myself thoroughly. This woman has had kings and dukes; her character has equal amounts of humor and pathos."

Mrs. Hicks, who also is wise, witty and sophisticated, felt she shouldn't receive any publicity because she's "a newcomer" to the Grosse Pointe Theatre.

Yet she has been pleasing audiences at the Fine Arts Society and the Theatre Arts Club for many years; her being a "rookie" at the age of 80 makes her quite a story. She was a star in her own right before her fellow cast members were born.

Among those cast members are George Hunt, of Trombley road, as Fredrik Eggerman; Lois Bendler, of St. Clair Shores, as Desirée Armfeldt; Barbara Trudel, of Nottingham road, as Charlotte Malcolm; Peter Brown, of Fraser, as Count Carl Magnus Malcolm; Paul Wheeler, of Sterling Heights, as Henrik Eggerman; and Gail White, of Southfield, as Anne Eggerman.

The director of "A Little Night Music" is William Clynne, of Detroit. The show's producer is Gwen Samuel, of Moran road, David Rodgers, of Beaconsfield avenue, is stage manager, and Arthur Thompson, of Oxford road, is technical director.

Others on the staff include Jac Purdon, of Village lane, set designer; Dr. John Perlin, of Ballantyne road, musical director; Ciro Vitale, of Detroit, choreographer; and Gene Shea, of Detroit, vocal director.

The show will be performed every night except Monday, November 15, until its final performance on Saturday, November 20. Some tickets for this "stylish celebration of romantic love... a fairy tale for adults, set in the enchanted birch groves of Sweden at the turn of the century" are still available.

For further information, call the Grosse Pointe Theatre box office at 881-4004.

Pointer Makes Film for State

Bandanna Media, Inc., has completed production of a new, 26-minute documentary, "Walkin' Too Slow" for the Michigan Coalition of Runaway Services and the Office of Children and Youth Services of the Michigan Department of Social Services.

In 1975 over one million young people ran away from home. The film, produced and directed by Bill Pace, of St. Clair avenue, is a documentary which explores every aspect of this growing national problem.

The 16mm color movie, shot on location in Michigan and throughout the United States, views six young runaways who reveal their experiences in crisis centers, juvenile court, youth homes and on the streets of America.

A recent award winner at the International Film and Television Festival of New York it also is being considered in the final judging at the Festival of the Americas this month in the Virgin Islands.

A former radio news director, Mr. Pace co-founded and was first executive director of the Detroit Transit Alternative Runaway House, Inc.

Production crew members on "Walkin' Too Slow" included Judith Schoenberg, associate producer; Robert Handley, cinematographer; Scott Smith, sound engineer; Ron Medico, editor; and Harvey Ovshinsky, production consultant.

"Walkin' Too Slow" is available for showing to Michigan schools, churches and youth, community and professional groups.

For further information, contact Bandanna Media, Inc., 572 St. Clair at 885-2491.

Youth Choirs Plan Concert

An original Bicentennial dramatic and musical presentation, "To Build a New Country," will be presented by the Grosse Pointe Woods Presbyterian Church youth choir on Sunday, November 21, at the church, 19950 Mack avenue, at 4:30 p.m.

The production is directed and produced by Mrs. Frank Krager.

For further information, contact the church at 886-4300.

Cites Concern on Cycle Law

Secretary of State Richard H. Austin, in a news release from his office, says his Bureau of Automotive Regulation is becoming concerned that hundreds of Michigan motorcyclists may miss out on their first chance to meet the requirements of the state's new Motor Vehicle Service and Repair Law.

The law requires every motorcycle repair shop in the state to employ at least one certified mechanic after December of next year—less than 13 months from now.

The first motorcycle mechanic certification exam will be given in six weeks, on Saturday, December 11, with a Monday, November 15, deadline for registering to take the exam.

After this exam, says the bureau, motorcycle mechanics won't have another opportunity to become certified until after April 1977, when the next exam will be held.

Mr. Austin pointed out,

"Early certification will give motorcycle mechanics immediate increased value on the job market—in meeting the needs of the repair shops, as well as in increasing customer confidence in their individual skills."

"In addition, it will give them an important head start on meeting the requirement that every motorcycle mechanic in the state must be certified after December 1980."

Examination announcements are available at all Secretary of State branch offices and at most Michigan motorcycle dealers and repair shops, as well as at many community colleges.

Copies may also be obtained directly from the Bureau of Automotive Regulation in Lansing by calling (517) 373-9060.

The exam cost is \$5, and it's payable by the November 15 registration deadline.

Thespians Plan Play at Denby

Troupe 1685 of the International Thespian Society at Denby High School will present its fall production of "The Effect of Gamma Rays on Man-in-the-Moon Marigolds" Thursday-Friday, November 18-19, in the school auditorium, 12800 Kelly road, Detroit.

Tickets for this two-act drama by Paul Zindel may be obtained at the box office the night of the shows.

Save up to \$75 in your attic this winter.

Insulate!

Nobody likes higher Gas bills, including us at Michigan Consolidated. But because the cost of Gas we buy from our suppliers has gone up, your Gas bills will be higher this winter than they were last year.

So it makes sense to stretch each dollar's worth of Gas just as far as possible, and to keep your Gas bills as low as you can. One way to do this is by insulating your home.

Once again, Michigan Consolidated is offering a low-cost Home Ceiling Insulation Program designed to conserve Natural Gas and save you money.

Since the program's introduction nearly three years ago, more than 115,000 of our customers have installed ceiling insulation, and have cut their home heating costs by as much as 17% each year. Based on expected Gas prices for this winter, this means a customer who has not yet insulated may be able to reduce his annual heating cost by as much as \$75, starting immediately.

If you do the job yourself, you should be able to buy insulation for a home with 650 sq. ft. of attic space

for about \$125.00. That means you'll probably save enough Gas to pay for the material in less than two years. Our free Do-It-Yourself Insulation Handbook tells you how. Pick one up at any of our customer business offices or any participating retail outlet. Or call or write, and we'll mail you a copy.

If you'd rather not do the job yourself, one of our participating insulation subcontractors can. The cost? About \$250.00 for homes with less than 1000 sq. ft. of ceiling area. You can pay cash. You can pay 20% down and pay the balance without interest over your next three Gas bills. Or you can make extended payments at an interest rate of 1% per month on the unpaid balance (ANNUAL PERCENTAGE RATE OF 12%).

So why not save money in your attic this winter with our low-cost Home Ceiling Insulation Program? We'd like to help you cut your heating costs, and we'll both be working to save our country's valuable Natural Gas supplies.

We do care about your tomorrow.

Park Residency Law to Be Challenged

(Continued from Page 1)

They based their protest on the claim that theirs is a one-family residential area, and if Mr. Mazzola and Mr. Gronan were permitted to live together, it would ruin the character of the neighborhood and deflate the value of their property.

Councilman Clayton Alandt, who is an executive director of Verheyden Funeral Home, was granted permission to disqualify himself in September and left his council seat to sit in the audience area. At the October 25 meeting, he was out of town.

The Board of Appeals, besides hearing the protests by the residents, also was presented a petition bearing 77 names of people living in the Kensington area, objecting to granting of the variance.

The zoning ordinance allows two non-related persons to live in a single-family home, provided they are given permission to do so by the Board of Appeals. In this case, Mr. Mazzola and Mr. Gronan had applied for a permit, but not until after they had already moved into the house.

The two men said a city official had informed them that they could move in and then apply for a variance of the ordinance. The official was not Councilman Alandt. Councilman George Verdonck stated that he did not see any difference in permitting the two gentlemen to live as a "family," any more than in the other 12 or 13 cases that were approved by the Board of Appeals over the past two years.

He also pointed out that none of the protesters had shown that the two men were "of bad character," or that they had caused any trouble in the neighborhood since they moved into the house.

The councilman's statement was echoed by Mr. Mazzola, who informed the Board that they had already invested approximately \$800 in moving into the house.

Councilman Dr. Roger McNeill, called the incident "unfortunate," however, the neighbors were against it and "I will have to listen to the people," and he voted against granting the variance.

Voting with Dr. McNeill were Councilwoman Camille Petersen and Councilman Douglas Graham. Siding with the two men were Mayor Matthew C. Patterson, and Councilmen Verdonck and Charles Tompkins. The tie vote lost the case for the tenants.

In a private interview following the October session, Mr. Mazzola, who was angry at the turn of events, declared that he was going to take his belongings and move out of the Park.

"This is something else," he said. "We have not bothered anyone in the neighborhood."

A few days later, Mr. Mazzola and Mr. Gronan decided that they would hold their ground and fight the issue in court.

"We have spoken to several lawyers," Mr. Mazzola said, "and they think we have a good case. We've gotten a few calls from some of the

neighbors who are not opposed to our residing in the house in which we live now."

Prior to mailing the eviction notices to the men, City Manager Stone said it was a hard thing for him to do.

"I certainly did not like the idea of notifying the two gentlemen that they have to move. It was a very hard thing to do, but under the existing ordinance it had to be done and it was my duty to serve the notices, whether I liked it or not.

Under the law, a similar notice that the gentlemen must evacuate the premises was also served on Councilman Alandt, in his capacity as executive director of Verheyden Funeral Home."

The city manager stated that the men have 30 days to remove their belongings from the house, and, if they fail to comply with the order, then court action will follow.

Councilman Alandt had this to say: "I was also served with a notice that the two gentlemen must leave and I had no alternative but to request that they comply."

"Before we rented the house to them, we checked their references thoroughly and found them to be of good character, law abiding and gainfully employed in their professions."

"I have no comments to make other than that the law must be complied with and that I am sorry that it became necessary to force them to leave."

The councilman added further that if Mr. Mazzola and Mr. Gronan intend to make this matter a court issue, it was entirely their decision.

SHS Musicians To Sell Fruit

The South High School bands and orchestra are holding their third annual citrus fruit sale during the month of November. Students will be taking orders until Monday, November 22.

Grapefruit and tangelos will be delivered to the buyers starting December 6, in time for Christmas.

The money earned from this project will be used for the purchase of new equipment, music camp scholarships and band and orchestra tours.

The guaranteed fresh fruit comes from the Indian River area in Florida. The grapefruit are pink or ruby red. The tangelos are a hybrid cross of grapefruit and tangerines, with a "zipper" skin for easy peeling.

Tangelos come in boxes of 40-50 for \$4.50, and 80-100 for \$7.50. The grapefruit come in boxes of 20-25 for \$3 and 40-50 for \$8.

For further information, or to place orders, contact any band and orchestra member. Phone orders may be placed by calling 885-1049 between 1-8 p.m. or 884-3200, extension 28, during school hours.

Maybe the eagle on the dollar was put there to demonstrate that money has wings.

Chamber Music Concert Slated

The Chamber Music Players of Grosse Pointe will present its second concert of the season in the Fries Ballroom of the War Memorial on Sunday, November 14, at 2:30 p.m.

Vicki Hansen, with Virginia Shover at the piano, will play the Soprano Recorder in a performance of J. B. Loelliet's Sonata in A minor.

Second on the program will be a trio featuring William Buckeye, clarinetist, Stanley Scotford, violinist, and Bettejane Crossen, pianist, playing the "Fairy Tales," Opus 132, by Schumann.

"Eight Gypsy Songs" by Brahms, sung by Dorothy Ignasiak, soprano, accompanied by Janet Young on the piano, will follow.

William Stoessel, former president of the Juilliard School of Music, and son-in-law of Walter Damrosch, will be represented on this program by his "Suite Antique," performed by violinists Catherine Goodsell and Edward Vabolis, and pianist Helene Vabolis.

Another Brahms composition

METRO PLINY (16 MIN) METRO TOWERS 1&2 Bedrm. Apts. From \$215 296-2320

tion will bring the program to a close. His "Trio in A minor" will be played by James Upstill, clarinetist, Donald Gregory, cellist, and Fontaine Laing, pianist.

Mrs. Harry Peets is refreshment chairman for this concert, which the public is cordially invited to attend. There is a \$1 admission charge for non-members.

We Don't Have A Pension Plan Where We Work, But We've Done Something About It.

Oh, we'd like a company sponsored pension plan, but in the absence of one, we decided to do something about it. After a thorough investigation of the individual retirement accounts offered by financial institutions, mutual funds, and insurance companies, we started our retirement plans at Detroit & Northern Savings.

Why D&N?

Well, to start with, our money earns more at D&N. It earns 7 3/4% per year compounded daily. None of the other plans we examined paid as much. That's one of the important considerations to keep in mind when you put your money in an individual retirement account, but there's more:

1. D&N'S IRA is inexpensive; in fact, it's FREE — no fees, commissions or charges;
2. There's no risk because your earnings are guaranteed, unlike mutual funds;
3. At D&N the money in your retirement account is insured safe to \$40,000 by an agency of the U.S. Government;
4. Each time you make a deposit to your account, you get a receipt for your records, and at the end of the year, D&N will send you a statement showing the deposits and earnings for the year, as well as a summary of the total amount in your account.

DETROIT &
NORTHERN
SAVINGS

36 OFFICES THROUGHOUT MICHIGAN

We're glad we started our individual retirement account at Detroit & Northern, and we're enjoying the tax break we get each year when we deduct our IRA contributions from our income tax. It's like pennies, no, dollars from heaven, if you know what we mean.

And remember, if you and your spouse both work and are not covered by a company sponsored pension plan, each of you can have an IRA. Each of you could save up to \$1,500.00 every year and deduct the total from your taxable income.

If you don't have a pension plan where you work, see the people at D&N. Or right now, fill out the form at the bottom of this page and mail it to them. They'll send you all the information you need to get started. Don't wait. Enjoy tax-free income now by putting your funds in an IRA at Detroit & Northern Savings.

Edwin Newman to Visit Grosse Pointe

"The language belongs to all of us," says Edwin Newman. "We have no more valuable possession."

This well known NBC correspondent will visit Grosse Pointe on Saturday, November 13 from 11:30 a.m. to 1:00 p.m. at The Book Shelf. Mr. Newman's latest book, "A Civil Tongue," was published November 8th by Bobbs-Merrill. The author plans to autograph copies of his book and meet the public. The Book Shelf owners, Betty and Frank Sladen, extend an invitation to all who are interested in meeting Mr. Newman.

After the publication of his bestseller, "Strictly Speaking," thousands of happy readers—students, judges, housewives and executives—wrote to Edwin Newman to cheer him on and to offer further evidence of the happy-sad state of American English.

This second book of sense and sensibility is not a progress report. How can progress be spoken of when a candidate for the Democratic nomination for President, refusing to ride in a limousine, says, "I cannot relate to that material possessory consciousness," when a college president is said to be "effective in crisis-type settings," when a pitcher talks about his "studiology" of baseball and when program notes at a Lincoln Center concert portray Dvorak as a late bloomer "composition-wise?"

From the press, sports, education; from bureaucracy, business, publications and the military four examples of language stretched to the snapping point, at once shocking and delightful, outrageous and hilarious.

Edwin Newman has been at NBC as correspondent, critic, and commentator for twenty-four years. During those years he has covered news events in at least 25 countries. He has been bureau chief in London (1956-57), in Rome (1957-58) and Paris (1958-61). He has covered five sets of national political conventions, four world's fairs—Brussels, New York, Montreal and Osaka—and numerous other national and international events. He was anchorman for NBC News' coverage of the Vietnam cease-fire, the six-day Arab-Israeli War, the funerals of Presidents Truman and Johnson and the assassination of Robert Kennedy and Martin Luther King.

Based in New York since 1961, Mr. Newman has frequently been the substitute host on "Today" and, often, a guest on that show. His interview program, "Speaking Freely," won several television awards. He was host of the ecology series, "In Which We Live" and "Comment!" appeared many times on "Meet the Press" and "First Tuesday," and been a reporter on a number of network specials, including "Pensions: The Broken Promise," "What Price Health?" and recently "Fair Trial, Free Press."

The lingo of television is a fertile field for Mr. Newman's survey in "A Civil Tongue." With an eye toward seriousness and an ear attuned for fun, it's small wonder that Mrs. Newman's little boy's anatomy includes a civil tongue in his head. "In arguing for a civil tongue," he writes, "I am arguing for naturalness, even when it leads to mistakes. We Americans don't have as much fun as we could with English. The fun is there to be had, but it requires some knowledge (which need not be formal), some imagination, and a sense of delight in what language can do."

Woods' Flood Plan Changed

A communication from the Department of Housing and Urban Development regarding the national flood insurance program was unanimously received and placed on file by the Woods Council at its regular meeting Monday, November 1.

The letter, from J. Robert Hunter, federal insurance administrator, by Richard W. Krimm, assistant administrator for flood insurance, indicated that the city was converted to the regular program as its Flood Hazard Boundary Map effective June 30 was rescinded.

In April 1974 and July 1975, the Federal Insurance Administration issued such a map for the city. However, Mr. Krimm said that information at this time indicates that the extent of the special flood hazard areas in the community is insignificant.

"As a result, it has been determined that the city . . . is not flood prone for purposes of the National Flood Insurance Program, i.e., would not be inundated by a flood having a one percent chance of occurrence in any given year, the so-called 100-year period," he continued.

So, the map was rescinded and the city was converted to the regular program, under which total coverage became available at actuarial, nonsubsidized premium rates. (The entire city was classified as zone C, i.e., area of minimal flood hazards).

City Administrator Chester E. Petersen commented on the letter by noting, "We only had a small part of the city involved in the flood insurance program. This was primarily city property in the area of the Milk River Pumping Station."

He added this matter has nothing to do with the subject of flooded basements.

Bonsai Subject Of Garden Talk

Mary Margaret McEnhill, charter member and current president of Shibui Bonsai Club of Metropolitan Detroit which meets in Southfield, will be speaker and guest of honor when the Men's Garden Club of Grosse Pointe holds its regular meeting, Thursday, November 18.

It will be held in the Central Library, 10 Kercheval Avenue, at 8 p.m. Miss McEnhill's talk, "An Introduction to Bonsai," is designed to impart knowledge and stimulate interest in the art of Bonsai.

Topics to be covered include a definition of Bonsai, its origin, what the gardener does to the tree, indoor versus outdoor Bonsai and what the tree does for us.

The speaker's program will include a slide presentation of the National Bonsai Collection, a group of potted plants given to the United States Government by the Japanese as a Bicentennial gift. The plants are on display in the National Arboretum in Washington, D.C.

Miss McEnhill has approximately 20 years experience in the field of Bonsai. She has displayed Bonsai trees in shows in the Detroit, Pontiac and Grosse Pointe areas. Her special interest is collecting naturally dwarf trees. She is manager and former owner of Nottingham Clinical Laboratory, Inc., in Detroit.

INSPECTORS PAID
The Woods Council unanimously authorized the payment of \$2.25 for each election inspector who attended a training school last month. A total of 69 out of 100 inspectors participated. This action was taken at the regular meeting Monday, November 1.

'Mary Poppins' Imagery Maintained by 'Sweep'

By Tom Greenwood

Santa Claus isn't the only roof "topper" whose life's work centers around chimneys. Another is August West—a chimneysweep who proves that grime does pay.

Completely decked out in a black outfit—topped with the traditional stove pipe hat—August vanquished the soot in the Trombley road home of Harry and Lois Constant this week.

"I like to combine work with fun," said August, peering up a blackened chimney. "I decided to wear the traditional garb of the chimneysweep because people expect it. They get a kick out of it, and so do I. Besides, everybody knows it's unlucky to go on a roof without a top hat on."

Once on the roof, August drops a weighted metal brush down the chimney with a rope. "This dislodges all the gunk clinging to the walls," he said. "Most home owners don't know it, but all this sooty material is flammable. Gathered in a pile outside the chimney, it will burn slowly."

"But contain 30 feet of this burning material inside a chimney that has over 1,000 cubic feet of air rushing through it creates a blow torch effect."

August went on to say there are more than 3,000 chimney fires in the Detroit area each year. Nationwide figures aren't known.

"The idea of sweeping out chimneys occurred about 1760 in London, when someone figured cleaning the chimneys would help prevent large sections of the city from burning down every 30 years," said August.

"The burning soot would shoot into the air and land on roofs, setting whole blocks on fire. The problem isn't as acute now, due to brick homes and fire retardant shingles."

August, 28, hasn't been a chimneysweep very long, but enjoys his new occupation. "I learned the ropes from a friend of mine in Connecticut last year," he said.

"He trained me over the summer and helped me locate the equipment needed for this job. You can't just walk into Sears and order their deluxe chimneysweep outfit. It has to be bought through special dealers."

Before turning to a life of grime, August was a freelance photographer, but changed positions "because I like to eat." Currently business is good, and getting better. "I'm averaging about 10 cleaning jobs a week now," he said. "But I'm getting busier as the word gets around."

Most cleanings last around an hour or a little more. "Actually, it depends on how hard it is to get on the roof . . . and stay there," said August.

"Would you believe I never knew I was afraid of heights until I started this job? The first time I climbed onto a two-story house I was scared stiff. It doesn't bother me anymore. I actually like it up there now."

Another surprise to August is the misinformation home owners have concerning their chimneys.

"Contrary to popular belief, very few chimneys are actually clogged up," he said. "Oh, you may find an occasional squirrel or bird up there, but mostly they're just dirty and dangerous. The majority of home owners don't know the construction of their chimneys either."

"First comes the hearth, then the damper, not the flue. That's followed by the smoke chamber, an area almost as wide as the fireplace itself, then the flue. The flue is usually located above the ceiling of the room. To become an expert in chimneys, all you've got to do is stick your head up one of them once."

Sometimes this lack of information leads to unnecessary cleaning bills. "Take a little bit of consumer advice," said August. "Don't believe it if con artists tell you the chimney to your furnace needs sweeping. Our country will be out of oil for 300 years before one of those clog up."

Not all the wood burning chimneys August inspects need cleaning either. Before beginning a job, August pokes, probes and peers into a chimney before delivering his verdict.

"If the chimney is safe and doesn't need a cleaning, I pass the good news onto the homeowner," added August.

Church Plans Folk Service

Saint James Lutheran Church of Grosse Pointe, McMillan road near Kercheval, will conduct its annual fall Folk service on Sunday, November 14, at 9:30 a.m.

This service, which features special music led by the guitar choir under the direction of Ellen Smith, will offer an inspiring worship experience of joyful fellowship.

Members of the guitar choir include David Couser, Amy Kackley, Ellen Smith, Tracy Seward and Carol Stillman.

Other young people assisting are scripture readers, Daneen Balcarak, Deborah Stillman; prayer leaders, Donald Kavanagh, Lisa Matthews, Thomas Stevenson; and ushers, Daniel Asmus, Robert Kitchen, Wendy Blake and Sherri Pieters. Pastor George Schelter will preach the sermon on John 3:17-24.

The congregation extends a cordial welcome to community friends to come on Sunday.

GPEA to Study Test Systems

Grosse Pointe Education Assoc., (GPEA), president Doris Cook announced the appointment of a new committee to study changes in the system's testing program from the teachers' viewpoint.

The Tests and Measurement Committee will be made up of representatives of all grade levels who have broad and varied academic and experience backgrounds. They will consider the validity and appropriate usage of test results.

Members of the committee are Susan Reames, Dr. James Kalliger, Kenneth Cook and Joseph Devine from the high schools; Dr. James Spillan and Douglas Schubert from the middle schools; and Joan Grogan, Rita Flaherty, Tom Whall and Wayne Bolden from the elementary schools.

Residents of the school district with concerns about the testing program are invited to contact the GPEA at 882-9119 or write to 17108 Mack avenue, 48224.

Seek Land for Housing

(Continued from Page 1) be used for senior citizens housing. However, a month later a reply indicated that Mrs. Ford didn't wish to sell at that time.

Indicating he agreed with her on the sending of a second letter, the mayor added, "Hopefully they might consider the request."

The NEWS contacted all Pointe city managers regarding their feeling if there was a need for such a housing complex in the Pointes, (not necessarily property which is part of Mrs. Ford's estate).

Noting that his city's Plan Commission has studied this matter, Park City Manager Robert A. Slone said there has been some interest in this question in his community.

Questions Labels The Plan Commission has studied different types of facilities and possible locations, he said. "Our thinking is, in meeting with builders, that such a facility shouldn't only be called a senior citizens complex," noted Mr. Slone.

"It's the builders' thinking, too, if the project is privately financed, that they don't like to tie a label on it as an exclusively senior citizens project."

In visiting one complex outside the Pointes, Mr. Slone was advised by the project's administrator that certain buildings were lined up for senior citizens, while others were planned for young couples with children and still others for singles.

People who put the money in such a project don't like labels indicating that a development is for the strict use of senior citizens, he said. There's a feeling, if it's a private development, that builders and others financing the project need latitude.

In relation to this, Mr. Slone felt some seniors might not wish to live in a typically identified senior citizens complex as they don't like labels, either.

The city manager noted, while there has been no over-whelming petition for such a complex in his community, some churches have indicated

interest in this direction and the Plan Commission is on top of the situation.

The possibility of a joint venture between Pointe communities would be the most feasible way to get such a project started, he added.

Meanwhile, Farms City Manager Andrew Bremer is of the opinion there is a specific need for such a complex in the area. But he felt the question was a difficult one because the communities are all built up.

"The amount of available land to do justice to the senior citizens and the Grosse Pointe communities is difficult to find," he stated.

City Manager Thomas Kressbach of Grosse Pointe City said no specific study has been conducted in his community in relation to need, while noting some organizations, including church groups, have explored this area.

Study Needed "Our general development plan has indicated a fair number of persons who would be in the senior citizen age group. Whether or not these persons in large numbers would be interested would entail an in-depth study of their needs, (including financial), and desires," said Mr. Kressbach.

He added he would advise the City Council of the letter from the commission.

Stressing that there was a need for such a complex, Woods City Administrator Chester E. Petersen declined to comment further, while Shores Village Superintendent Thomas K. Jefferis said he has no specific idea on the need for such housing for seniors.

State Okays Cottage's Plan

The state has approved a proposal by the administration of Cottage Hospital to renovate its nurses residence, according to a Michigan Department of Public Health news release.

The division of Health Facility Planning and Construction of the State Health Department has issued a Certificate of Need to cover the project. Concurring in that action were the Comprehensive Health Planning Council of Southeastern Michigan and the state administrators of the federal Hill-Burton program.

The work that will be done includes the construction of a new roof, the replacement of leaking windows and the replacement of the building's heating, plumbing and electrical systems, according to the department.

However, Cottage Administrator Ralph L. Wilgarde said it's too early to specifically tell the expense of the total project as only a preliminary survey has been made.

He said the health department's indication that the overall cost would be about \$303,000 is merely an estimate as no contract has even been signed yet.

Mr. Wilgarde added work is not expected to begin until next summer.

RESPONSIBILITY
Power is not to be regarded as conferring privileges, but by imposing serious obligations.

REAL EFFORT
Nothing worthwhile in life was ever accomplished that did not at first seem impossible.

Having a real social function, and confused about which wine to serve? One of the best is an "extra dry" which is really quite sweet — wine, such as Almaden Le Domaine, which is a very good wedding and reception champagne. If this does not suit, there are a number of others that can be substituted, give your price range. Your wine retailer is really a wine expert, and we will know which wines are successful for any large function that you may have.

Why not come in and see us today at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, 885-0626; whatever the occasion large or small — formal or informal, we have the wine to suit your taste and budget. And we give a 10% discount off of our already low prices for wine purchased by the case. Open: 10-10 Mon.-Thurs.; 10-11 Fri., Sat.; Noon-10 Sunday.

WINE WISDOM:
If the wedding lasts an hour, allow a minimum of a third of a bottle for each guest.

Take Thanksgiving home... with all the taste and trimmings

Let Stouffer's prepare your Thanksgiving dinner. We cook it. You just heat and serve... and take the bows. Order your turkey dinner and enjoy this succulent (and portable) feast:

- 1 delicious Roast Turkey (12 lbs.)
 - 1 Quart of Creamy Turkey Gravy
 - 2 Quarts of Savory Dressing
 - 1 Quart of Tasty Yams and Apples
 - 1 Pint Cranberry Relish
 - Choice of fresh Apple, Pumpkin or Mincement Pie Just \$35.00.
- But you must order and pay by November 19. Then pick up your dinner in our lobby between 8 a.m. and noon, Thanksgiving Day.

HARKNESS PHARMACY

Advanced as we are in health services, there is still a serious dental problem among the American people. Approximately 60 per cent of all patients twenty to thirty years of age seeking dental care, have one or more missing teeth. Dental decay among school children is very high. That is why today more than ever dental societies are working for better dental health education, and to train children and parents to use better dental hygiene. Dental care should always be a preventive, rather than a curative.

Everything you need to keep your teeth and gums healthy is available at HARKNESS PHARMACY, 20315 Mack ave. at Lochmoor Blvd., Grosse Pointe Woods. Our professional pharmacists offer prompt, personalized prescription service and are always willing to answer any questions on your medications. We also maintain full "patient profile" records of your allergies and other health data as a safeguard in filling your prescriptions. Call us at 881-3100 for free prescription delivery. We are open Mondays through Fridays until 9 P.M., and Saturdays until 5 P.M. Visit HARKNESS PHARMACY for greeting cards, cosmetics, and a full line of liquor.

License Plate Tabs Available

Michigan motorists will be able to purchase 1977 passenger car license plate tabs beginning Monday, November 15, according to Automobile Club of Michigan.

"Prepared applications have been mailed to Michigan's approximately 5.5 million passenger car and motorcycle owners," said Joseph Ratke, Auto Club licensing manager. "These forms can be mailed back to the Department of State immediately with orders to be filled after November 15." "Tabs also will be available at Department of State and 51 Auto Club offices across the state," Mr. Ratke stated. "One tab will be issued and it should be fastened to the upper right corner of the rear plate."

The issuance of tabs instead of new plates is expected to save the state approximately \$3.3 million.

The deadline for tabs being ordered by mail is March 1 for passenger cars and motorcycles and February 1 for commercial vehicles and trailers. The deadline for having 1977 tabs on passenger cars is April 1 while it is March 1 for commercial vehicles.

Approximately one million tab orders are expected to be filled by mail. Last year, vehicle owners purchased about 850,000 license plates by mail.

"Vehicle owners should check the prepared license plate tab application closely for errors, fill in missing information and sign the certification," Mr. Ratke advised. "Cost of the tab is printed on the form."

To obtain a tab at Department of State or Auto Club offices, motorists must bring in either the prepared renewal form, the 1976 registration or the certificate of vehicle title plus proof of public liability and property damage insurance.

"Motorists who use their vehicle title for proof must know their license plate number," Mr. Ratke added.

REMS Pointe Meets Monday

REMS Pointe, Recreation and Education for Multiple Sclerosis, will meet on Monday, November 15, at Saint Michael's Episcopal Church, 20476 Sunningdale drive, at 7:30 p.m.
The Wesley Hand Bell choir from the Grosse Pointe United Methodist Church will be featured at the gathering.

REMS Pointe is a group which brings patients and family members concerned about Multiple Sclerosis together to discuss mutual problems and exchange advice and experiences.

"Merit Delivers More Taste Than Higher Tar Cigarettes"

-American Institute of Consumer Opinion

Extensive taste testing shows Merit delivers flavor of cigarettes having 60% more tar.

The bottom line was conclusive:

In a series of taste tests conducted for MERIT by the American Institute of Consumer Opinion,* smokers from across the country judged MERIT to have more flavor than five leading low tar cigarette brands.

What's really startling — and of major importance to all smokers — is that MERIT has less tar than these five brands.

© Philip Morris Inc. 1976

9 mg. "tar," 0.7 mg. nicotine av. per cigarette by FTC Method.

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

Less tar. Yet more taste.

That's the report on a remarkable

new taste process called 'Enriched Flavor.' A way to pack extra flavor into tobacco without the usual corresponding increase in tar.

You've been smoking "low tar, good taste" claims long enough. Now smoke the cigarette. MERIT.

Unprecedented smoking pleasure at only 9 mg. tar.

Let's Talk Real Estate

by John E. Brink

The most common question today is "what's happening to Real Estate prices today?" Will it continue to appreciate or will next year experience a deflation of prices that will drop below our comprehension? Chances are we're headed for higher prices—at least that's what the experts are predicting. This all seems unbelievable to most Grosse Pointe residents because the last two years has seen an almost incredible increase in home values. This however isn't due to politics or even inflation. Grosse Pointe has simply been in a rut the past fifteen years. Our prices have traditionally been 20% even 30% below comparable areas in other areas.

So... we've finally been forced out of our rut. A few daring brokers have put competitive prices on deserving homes and they've sold! We're experiencing a few over-priced homes today—but as long as the sellers remain calm everything will work out fine. There is a slight lull right now—part of it is seasonal, part of it is due to the dramatic rise in prices. People are beginning to realize that prices aren't coming down. Some buyers have outsmarted themselves waiting for the market to reverse and now they must settle for far less than they could have had!

Grosse Pointe Real Estate Co. 882-0087 knows today's market, their sales associates constantly study this market. They know financing which is the key to all good Real Estate. Give them a call—they'll also tell you about their revolutionary one year warranty that has taken Grosse Pointe by storm!

North Loses Game, Title

By Robert J. Evanski

In a football game that was to decide the champion of the Bi-County League, a powerful Lake Shore team ousted North High School, 14-9, last week.

The title victory was Lake Shore's eighth in a row and sixth in the league.

North finished 5-1 in the league and is 6-2 overall.

Last year North shared the crown with Lake Shore on 6-1 league records and gave Lake Shore its only loss.

NHS Harriers Champs Again

By Diane Marsteller

This past week the North High School cross country team competed in two big meets. On Tuesday, November 2, the team ran at Huron Park and came home with the Bi-County League championship trophy.

Then on Saturday, November 6, the Norsemen traveled to Grand Rapids to compete in the state meet and carried home the first place trophy.

Bill Weidenbach won the Bi-County varsity race in a time of 15:14. Gary Carter from Lakeview was second at 15:29 and Ed Hammer of North was third at 15:30. Dan Beck was fourth at 15:52 and Dale Savage was fifth at 15:58.

In seventh place was Steve Brandt at 16:08, Joe Ciarravino was eighth at 16:32 and finishing 10th was Mark Kennedy at 16:46. Jim Schmidt won the J V race at 16:29.

Hammer lead the Norsemen to the state championship as he finished in fifth place at 15:20. Weidenbach was 11th at 15:29 and Beck was 15th at 15:30. Ciarravino finished in 24th place at 15:48 and in 39th place was Kennedy at 15:55, giving the Norsemen 94 points.

Savage was 50th at 16:06 and in 67th place was Luke Przeslawski at 16:15.

The Norsemen became state champs for the third time in four years, 1973, 1975, and 1976. Following North, Grand Blanc was second with 118 and Jackson was third with 141 points.

Coach Tom Gauerke was pleased with the meet and his comment was "super."

Lutheran East Hosts Cagers

Lutheran High School East, 20100 Kelly road, will host its annual Donkey Basketball game Friday, November 19, in the gym at 8 p.m.

The school's faculty will saddle up to oppose their counterparts from various east side Lutheran grade schools. Among the well-known steeds they will be riding are Beattie Bomb, Rigor Mortis, Thunder Ball and Honey Pot.

The school also will host an all-you-can eat spaghetti dinner in the cafeteria at 5 p.m. before the game.

Advance tickets for game are \$1 for students and \$1.50 for adults, and they may be obtained at the school or from participating teachers. Tickets purchased the day of the game will be 50 cents higher.

Tickets for the dinner are \$1 for students and \$1.50 for adults.

WINDOWS BROKEN

Woods police discovered 16 broken windows at Mason School, 1640 Vernier road, on Tuesday, November 2. Eight were on the school's west side and eight were found at the rear of the building. Police said the custodian found 28 broken windows on Monday, November 1, and fixed all but the 16.

Woods Studies Hardship Case

The Woods Council unanimously granted Edward Barbieri, of Birch lane, a hardship certificate of occupancy in his effort to convert Little Caesar's, 19767 Mack avenue, to a sit down restaurant. This action was taken at the regular meeting Monday, November 1.

Only four such restaurants are permitted under the city's ordinance which limits the number of types of businesses in the community, and Mr. Barbieri's will be number five.

At the same time, City Attorney George Catlin told the council that the operation would still have to conform to off-street parking requirements before Building Inspector Earl Wakely can issue the certificate. Mr. Catlin indicated the business must conform to 50 percent of such requirements.

Mr. Wakely said the guideline being followed is one parking space for 300 square feet of floor space. He stated Mr. Barbieri meets this criteria and the 50 percent criteria and he plans to issue him a certificate of occupancy.

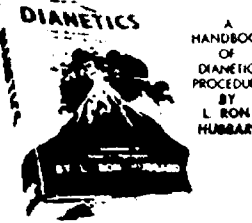

During the discussion on Mr. Barbieri's request, Mayor Benjamin W. Pinkos expressed a concern over the same parking requirements for sit down or carry out restaurants. Feeling there are varying parking problems for all sit down restaurants, the

mayor said further problems might result in this instance. He had no objection to the issuance of the certificate based on hardship but questioned the parking requirement stipulation.

For his part, Mr. Barbieri felt the proposed remodeling wouldn't create any parking problems and indicated there is parking in the rear for some 12-14 cars. He added he was striving for a "nice, cozy, small restaurant" with around 40 seats—a "small, little toy."

It can be a well-beaten path, and still not the right one.

NYC Natators Start Season

The Utica Swim Club started off the Michigan AAU swimming season for 1976-77 by hosting a Class C meet late last month.

With over 2,000 entries, the meet was long and hotly contested in every event in the Henry Ford High School pool. Detroit Yacht Club (DYC), swim teamers from The Pointe who swam their first AAU meet ever were Jim Smith and Greg Onychuk.

A bit more experienced, but still in the eight and under classification, were Bridget McKeever, Traci Lafleur and Geoff Brieden. Other DYC swimmers who are shooting for B times in the older age groups are Patrick McKeever, John Lafleur, Gayle Klein, Ann Gattorn and Linda Ash.

They joined the 25 swimmers from all other parts of the Metropolitan Detroit area for DYC relays.

Those placing in their individual events were Linda Ash 13 and over girls' 50 free, fourth place, and Geoff Brieden eight and under boys' 25 fly, third place, and 25 free, fourth place. Winning ribbons for their second place relay were Geoff Brieden and Bridget McKeever.

DYC swimmers are coached by John Stire and Paul Mispelon.

Blue Devils Nip Northern, 12-7

By Bob Stockwell
Coach Russ Hepner and his
Blue Devil team traveled to
Port Huron Friday night,
November 5, and beat Port
Huron Northern, undefeated
and eighth ranked in the
state.

South's 12-7 victory knock-
ed Northern out of undis-
puted first place in the EML.
The Devils finished second
in league standings, with
Northern and East Detroit
sharing the championship
with 6-1 records.

A hard-hitting first half
remained scoreless, however
the Huskies threatened to
score in the second quarter.
But South's defense forced a
Huskie fumble, recovered by
Bob Gough and Ken Stockwell
in the end zone, stopping their
drive.

A fired-up South offense
took the kick-off in the sec-
ond half and marched for a
TD. Good runs were made
by Dave Hollarbach, Tim
Brouillard, Paul Genter, Pat
Corbett and Brian Myers
along the way. Tom Nihem
took the ball over for a TD
on a quarterback sneak.

After the Huskies also
scored, South mounted an-
other attack. Nihem hit Nino
Tocco for two back-to-back
passes of 30 and 25 yards.
Then Genter, Gough and
Myers ran the ball to the one
yard line.

Nihem again scored to put
South ahead 12-7 with 8:26
left in the game.

After the punt, the Huskies
ground out yardage in 21
plays all the way to South's
nine-yard line. Then South's
great defense led by Al
Jones, finally stopped an ex-
citing last-ditch attempt to
score.

With 42 seconds left, fourth
down and five yards to go
on the nine-yard line the Hus-
kie's quarterback rolled out
on the pass-run option and
finding no room to run,
threw a desperation pass

which was batted down by
four South defenders.

Outstanding performances
were turned in by senior co-
captains Chris Fielding and
Myers, who had their best
game of the season.

On Saturday, November 13,
at 2 p.m. South will play at
North High School for the
final game of the season.
Both teams have had good
seasons, so this promises to
be one of the most exciting
games of the year.

GPYC Names New Officers

Grosse Pointe Yacht Club's
(GPYC), new commodore is
William D. Plante, of North
Brys Drive. He succeeded
Harold S. DeOrlow, of Bir-
mingham, after the club's
annual meeting Wednesday,
November 3.

Mr. Plante is president of
the Plante Co., Warren,
Mich., manufacturer and in-
ternational distributor of pho-
tographic art.

Elected vice commodore is
James L. Taylor, of North
Oxford road, who's the own-
er of Midwest Brake Bond
Co.

Rear commodore is Shel-
don F. Hall Sr. of Harbor
hill, an attorney with
O'Rourke, Fitzgerald, Kazul
and Rutledge, Detroit.

Other officers elected were
the club's secretary, Paul A.
Eagan, of Lothrop road, an
attorney with Marco, Eagan
and Kennedy, and the treas-
urer, James D. Mitchell, of
Lakeland avenue, president
of the F. J. O'Toole Co., elec-
trical contractor, St. Clair
Shores.

Re-elected to the board of
directors were Donald A.
Curtis, CPA with Touche,
Ross and Co., James R. Da-
oust, attorney with Glime,
Daoust and Wilds, Mount
Clemens; and Edward W.
Wilberding, president of the
W. E. DuBard Co.

Newly elected was Roy E.

Schools Mark Education Week

American Education Week
will be observed in the
Grosse Pointe Public School
System the week of Novem-
ber 15-19 in a number of
ways.

At Trombly School, the
second PTO meeting of the
year, to be held on Monday,
November 15, at 7:30 p.m. in
the auditorium, will feature a
special presentation, "Teach-
ing Reading—1976 Style."

Parents and interested
community residents who

wish to see the program at
North High School in opera-
tion may visit classes on
Tuesday, November 16, from
8:15-11:15 a.m. Visitors al-
so will be welcomed from 1-
3 p.m. on Thursday, Novem-
ber 18. Visitors are asked to
report to the school office
where they will be assigned to
student guides.

American Education Week
will be observed at Defer
Elementary School by special
bulletin boards and a series
of appropriate announcements
on the public address system.

Parents and others inter-
ested in Mason School may
visit the building any time
during American Education
Week. In addition, some
teachers are arranging spe-
cial programs.

Special programs and ac-
tivities are slated for all
buildings of the system at
some time next week.

McCAFFERTY ELECTED

Charles T. McCafferty, of
The Park, has been elected
vice-president of the Detroit
Boat Club, according to Jay
Marion, director of the club.
The election was held
Wednesday, November 3, at
the clubhouse on Belle Isle.
Mr. McCafferty, an urban
planner, has been a mem-
ber of the club since 1967.

City Okays Expansion

Grosse Pointe will soon
have a new restaurant in
"The Village" in the former
home of the Silloway Real
Estate Co., 16825 Kercheval.

The City Council approved,
at a special meeting Monday,
November 1, the new owner's
bid for a variance to allow
him to expand the building
onto land now occupied by
two parking spaces.

Although the present build-
ing only occupies half of its
lot, a 1967 city ordinance
mandates that any parking
spaces lost to expansion must
be replaced.

Since there is no available
land nearby for parking, such
a replacement was impossi-
ble.

In recommending the vari-
ance be approved by the
council, City Planning Con-
sultant Brandon Rogers noted
the new owner plans signifi-
cant renovation of the build-
ing, including a new paint
job, carriage lamps, flower
pots and awnings.

The new restaurant will
serve German cuisine from
8 a.m.-9:30 p.m. It has no
liquor license.

Candy Makes Youngster Ill

A 15-year-old Shoreham
road girl reported to Woods
police Friday, November 5,
that she became ill after eat-
ing some Halloween candy.

She was taken to Saint
John Hospital by her mother
where an examination re-
vealed the girl may have ex-
perienced a very mild case
of strychnine or acid poison-
ing.

This was only an assump-
tion doctors told police and
a number of tests would have
to be conducted to determine

the exact cause of her sick-
ness. However, her mother
declined to have the tests
made.

Youth Service Det. John
Albrecht, in his report, said
the girl experienced an up-
set stomach after eating the
candy. Then the youngster
started to hallucinate and
had difficulty with her co-
ordination. Her mother told
the detective she had never
seen her daughter in such a
state.

From the symptoms, it was
believed the girl might have
ingested a small quantity of
strychnine, "acid" or an un-
known hallucinogenic drug.

The youngster, who begged
at homes in Morningside
drive, North Oxford, Holly-
wood, Fairholme and Fair-
ford, has no idea where she
received the candy.

Det. Albrecht added the
case has been suspended until
the reception of additional
information.

Find Pin, Wire In Candy Bars

Halloween trick-or-treaters
reported two contaminated
candy bars to Woods police
Wednesday evening, Novem-
ber 3. A chrome straight pin
was found in one bar, while
a piece of wire was discov-
ered in the other.

While on her way to school
with a friend, a 12-year-old
Oxford road girl was told that
her friend found a piece of
wire in a candy bar she was
given. While going through
her "goodies," the girl open-
ed up a bar wrapped in its
original paper and found the
straight pin inside. The
round, flat end of the pin
was protruding from the end.

In the second instance, the
father, upon examination,
found a candy bar apparently
open at one end. A closer
look revealed a small hole
and the piece of wire, which
was over an inch long.

Both youngsters didn't re-
member where they received
the respective bars after
covering the Oxford road,
Fairway road and Holiday
road area. Both pieces of
candy were confiscated by
police.

Wayne County Honors Joyce

Mrs. Joyce Blumenstock,
of The Farms, was recently
honored at the third annual
"The County Cares" awards
ceremony, sponsored by the
Wayne County Board of Com-
missioners at the Roostertail
Restaurant.

She received the Volunteer
of the Year award from
Commissioner Jarrette Sim-
mons for her work as a pa-
ra-professional at the Family
Counseling Service of Wayne
County Circuit Court.

Mrs. Blumenstock donated
more than 800 hours of her
time to interview clients for
the service, according to
Mrs. Simmons.

Dr. Scratch Has Hole-in-One

Dr. Gordon Scratch, of
Lakepointe avenue, is eligi-
ble to win a free trip to
Scotland and \$1,000 as a re-
sult of scoring a hole-in-one
at the Gowan Golf Club.
Dr. Scratch's ace qualified
him for the 15th annual

Rusty Nail Hole-in-One
Sweepstakes, a national com-
petition sponsored by the
Drambuie Company of Edin-
burgh, Scotland.
The winner will be an-
nounced early next year.

Girl Basketball Popular at Club

This fall's Neighborhood Club girl's basketball program features fourth through eighth graders in league play. There are over 100 girls participating in the program. Four teams are made up of fourth through sixth graders, with six teams of seventh and eighth graders. The standings for the Midget, Midgie League, (fourth-sixth grades), show New York Windsongs, 2-0, Detroit Bombers, 1-1, Miami Spirits, 1-1, and the Marquette Hot Shots, 0-2.

High scorers include Tina Rolain, eight points, Carolyn Ahee, six points, Suzanne Coppelie, four points, Kathy Gowen, four points, and Krissy Schulte, four points. Midgi League, (seventh-eighth grades), standings show Buffalo Gals, 2-0, Denver Denverets, 1-1, Milwaukee Ladies, 1-1, Phoenix Pink Panthers, 1-1, and the Philadelphia Dunks, 0-2.

High scorers from the first two weeks of the season include Kathy Bonoir, 18 points, Andrea Evanski, 16 points, Kay Stetson, 16 points, and

Nancy Wright, 16 points. The teams practice and have games once or twice a week. Volunteer mothers, fathers, sisters and brothers coach the girls teams throughout the season.

North Girls Win Two Meets

By Sue Fancett
 North High School's girls swim team upped its Bi-County League record to 5-0 last week, easily defeating Fraser, 108-64, on Tuesday, November 2, and slipping past Lakeview, 91-81, on Thursday, November 4.

Against Fraser, the Norsemen started off slowly, but got it all together towards the middle of the meet.

First place finishes for North in individual events were claimed by Ann Hoffman in the 200 freestyle and the 100 fly, Margaret Wittmer in the 200 individual medley, Priscilla Langs in the 100 fly, Chris Truhol in the 500 freestyle, Audrey Garmen in the 100 breaststroke and Lisa Stout in diving.

Another first place winner for North was the 400 free relay team of Truhol, Hoffman, Lisa Mediodia and Jennie Elie.

North had a harder time against Lakeview. Many North swimmers were entered in events in which they do not normally compete. Mediodia took first place in the 50 freestyle, Hoffman captured first in the 100 fly, Kendall Goodson finished first in the 100 backstroke and Stout claimed top honors in diving.

North is now looking forward to hosting the Bi-County Invitational on Saturday, November 20, before wrapping up its season at home against Lake Shore on Monday, November 22.

Libraries Plan Puppet Shows

The Grosse Pointe Public Library will present Dick Waskin's puppets to celebrate Children's Book Week at each library on Saturday, November 13.

The performance at the Park Branch, 15440 Kercheval avenue, will be at 10 a.m.; at the Central, 10 Kercheval avenue, at 1 p.m.; and at the Woods, 20600 Mack avenue, at 3 p.m.

Space is limited at all three branches. It is advised that you pick up tickets beforehand in the library of your choice. "The Frog Prince" and "Sleeping Beauty" will be on the program.

Mr. Waskin has been in puppetry for four years. He has done a number of shows for the Detroit Libraries and the Detroit Parks and Recreation Department.

He is a member of the Detroit Puppeteers Guild and has performed at the Great Lakes Regional Puppetry Festival.

The program is best suited to children in grades one-four.

Group to Hear Bruce Feighner

The Grosse Pointe Volunteer Probation Program will meet Tuesday, November 16, in The Woods council chambers, 20025 Mack avenue, at 7:30 p.m.

The evening will be highlighted by a presentation by G. Bruce Feighner, principal of North High School, who will speak on "School Discipline and Its Implementation," at 9 p.m. following the business meeting which will be led by members of the board of directors and the program staff.

Mr. Feighner's presentation is one of many planned to keep probation volunteers well-informed as well as assisting them in the accomplishment of their aims and goals.

Insomnia can be caused by many things, but very seldom by things one doesn't say.

All Pointe Club Has Fine Start

Getting off to a good start this season, the All Pointe Swim Club beat Dearborn 328-222 recently. Five of the seven relays went to the local swimmers.

Winning in the seven- and eight-year-old category, 100-yard free, was Dwight Brown, Tom Grierson, Gail Stonisch and Sally Spilos.

The nine and 10, 200 free was won by Ryndy Dittmars, Cindy Tsangalias, Mike Woods and Patrick McGough.

Todd Ralph, Tony Montague, Karen Molitor and Mary Beth Mourad won the 15-18, 200 free. The boys 200 medley was taken by Steve

Kienle, Mike Bartoszewicz, Steve Makos and Craig Henzel.

The girls medley was raced by Suzy Spilos, Julie Ryszewski, Gina Bartoszewicz and Randy Dittmars.

All Pointe also took all first and second places in the free events. First places were won by Tom Houghton and Martha Weber, Craig Henzel and Ann Vanker, Brett Karmey and Maureen Cross, Dave Zerweck and Mary Beth Mourad, Tony Montague and Judy Good.

In the fly events, blue ribbons were won by Tom Grierson and Cathy Stickford, Ann Banker, Ron Bartsch, Steve Kienle, Gina Bartoszewicz and Steve Mako.

In the back events, first went to Scott Frame and Gail Stonisch, Craig Henzel and Cindy Tsangalias, Andy Scott and Steve Kienle, Suzy Spilos and Todd Ralph.

All Pointe also placed first and second in the 100 yard IM. Dave Kienle took a first place in the 13-18 category. Breaststroke winners were Gail Stonisch, Mike Bartoszewicz, Julie Ryszewski, Matt McCafferty, Kristin Dittmars, Dave Kienle and Gina Bartoszewicz.

Coaching the All Pointe Swim Club again this year is Lew Roddis. He is assisted by Elaine Schmidt.

Bus Services Transfers Set

Commuters using either SEMTA-operated buses or Tower, Inc. buses, will be able to transfer between the two bus services beginning Monday, November 15.

SEMTA bus drivers will accept transfers issued by Tower, Inc., the Mount Clemens-based operator serving most of north Macomb County in a reciprocal agreement. Tower bus drivers will accept SEMTA-issued transfers.

The area benefiting most from the transfer agreements extends from Metro Beach to Mount Clemens via Crocker, M-59 west to Rochester and Pontiac.

This coordinated transportation package expands the range of mobility for persons in the area and includes direct service to major traffic generators such as Lakeside Mall, Macomb County Community College, (South and Center Campuses), Oakland University and the business districts of Mount Clemens, Rochester, Utica, Pontiac and Keego Harbor.

SEMTA acting general manager Larry Salci indicated the transfer agreement should result in increased ridership for both the authority and Tower, Inc., while providing greater range of transportation services to residents of north Macomb and Oakland Counties.

League Offers Travel Movies

The Grosse Pointe Cinema League will present two films by John Jakel when it meets on Monday evening, November 15, in the War Memorial's Fries Auditorium at 8 p.m.

"Western Triangle" will take the audience to the northwestern United States and southwestern Canada. Included are scenes of the Spokane World's Fair and the mountain scenery of British Columbia and Vancouver.

"Land of the Maya" was photographed during a Caribbean cruise. The film covers sections of Colombia, Panama, the Honduras and Central America. There are views of the Mayan ruins of Chichen Itza, located in the northern region of the Yucatan Peninsula.

The public is invited to attend the film program without charge. The reception following is limited to members and their invited guests.

A War Memorial sponsored organization, the league welcomes new members. Annual dues are \$5 per person.

College Rep To Visit Area

An admissions counselor from Baldwin-Wallace College will be visiting Pointe area high schools on Thursday, November 18, to meet with guidance counselors and students to discuss the plans of college bound seniors.

Terry Donahue will be at University Liggett School on Thursday at 8:30 a.m., and also will visit North High School at 10 a.m. He will describe Baldwin-Wallace College's academic programs, physical plant and available activities.

The college is a liberal arts institution located in Berea, O., near Cleveland. It has an enrollment of 1,890 students with a student-professor ratio of 14:1.

Seniors', Beautification Bids Aired in GP Woods

By Roger A. Waha

Three separate items, two in relation to senior citizens and one to the Beautification Commission, were discussed by the Woods Council meeting on the Committee of the Whole, (C-W), i.e., in executive session, Monday evening, November 8.

One request from the Senior Citizens Commission which was referred to the C-W by the council at its regular meeting Monday, November 1, was that the council authorize the incorporation of the senior citizens social program into the budget under the direction of the parks and recreation department.

The second item discussed in relation to seniors was the commission's bid to apply for federal funds for the construction of a civic center

at Ghesquiere Park. This was referred to the C-W on October 4.

A request from the Beautification Commission to apply for federal monies in the amount of \$140,000 to finance the proposed Veterans Memorial Parkway project along Vernier road also was discussed. This was referred to the C-W on October 18.

In his report on the meeting, Mayor Benjamin W. Pinkos said the C-W made no official recommendation on the incorporation of the senior citizens social program into the budget under the direction of the parks and recreation department.

The second item discussed in relation to seniors was the commission's bid to apply for federal funds for the construction of a civic center

Woods Attorney Receives Praise

Woods City Attorney George Catlin received the congratulations of The Woods Council for his involvement in representing the community in a recently concluded Detroit Edison Co. case.

The council received and placed on file a letter from Mr. Catlin reviewing the case at its regular meeting Monday, November 1.

Last January, Edison filed an application with the Michigan Public Service Commission, (MPSC), to amend a rule of its rules and regulations.

"The proposal as filed would, among other things, have required municipal governments to give to the Detroit Edison Co. the estimated cost of new street light installations with no refund or credit to the governmental unit," he said. "The proposal would also have had application to the costs of any major street light conversion program."

He noted the final order of the MPSC "affirms the position taken by the municipalities to the effect that such proposed contributions would be unconstitutional and that portion of the proposed rule change has not been allowed."

Crash Victim Reported Fair

A 15-year-old girl, who was injured in a bicycle-van accident on Saturday morning, October 23, is reported in fair condition, (as of early Monday afternoon, November 8), in Saint John Hospital.

Mary Miller, of Harper Woods, suffered head injuries and a ruptured bladder after being struck by the van, driven by a 16-year-old Detroit boy, at the intersection of Lochmoor boulevard and Jackson avenue.

The case remains under investigation by the Woods Department of Public Safety.

Letters to the Editor.

To the Editor:

Why are the women in Grosse Pointe treated as second rate citizens when it comes to using a school gym during the evening?

It seems the Neighborhood Club can have all the gyms on all available nights. (Could this be because Mr. John Bruce, trustee of Grosse Pointe Board of Education, is employed by the Neighborhood Club?)

I am a member of the Ladies Aerobic Dance Class which is a class for physical fitness. Our class has been scheduled for two nights a week at Parcels for this year.

However, our members have now been informed that the Neighborhood Club is taking over these two nights as of December 4.

The Neighborhood Club is in Parcels' gym every night of the week that is available now and I understand they have tied up other Grosse Pointe School gyms in the same manner.

Why must there be such discrimination? — Or should I say politics?

(Editor's Note: The NEWS received three letters stating the above, one each from Irene M. Marshall, Shirley Kalkbrenner and Elmer Cote. Mrs. Arthur L. Culliton also expressed her displeasure.

In an effort to clarify their concerns, Dr. George T. Eddington, assistant to the superintendent of schools, responded on the question of the use of school facilities and the proposed shift of the Ladies Aerobic Dance Class, sponsored by the Department of Community Services, from Parcels to Barnes School in January.

The Board of Education's current policy on school usage is under review and will be a topic at an executive session slated for early December.

Although the details have not yet been finalized, it appears that the rental fee schedule will be divided into four categories: Class I — School Groups; Class II — School-Related Groups and Governmental Units; Class III — Community Groups; Class IV — Commercial and Private Groups.

Organizations which are categorized in Class I will

receive first priority consideration for use of school facilities, followed by those in Classes II, III and IV, respectively.

The requested time for a facility will determine priority for those organizations in Class II, III and IV. Organizations directly related to the school system will have priority over other organizations included in Class II.

The school system tries constantly to make its facilities available to as many community groups as possible. The Neighborhood Club, one of the primary users of school facilities, has priority for use by virtue of past reservations.

Since it had reserved the Parcels gym only for the winter session, a location, (other than Parcels), had been planned initially for the dance class for the fall.

If and when other groups develop programs that are as widespread in serving the community with the variety offered by the Neighborhood Club, every effort will be made to accommodate them also.

Incidentally, since the dance class (referred to) is a program of our own Department of Community Services, it would receive preferential treatment under the proposed policy.

Sincerely,
George T. Eddington

To the Editor:

The policemen and firemen of Grosse Pointe Park wish to thank the citizens who voted for our pension proposal on the November 2 ballot.

We were very sure that the people would support us once they were informed of the inequity between us and the rest of the Grosse Pointes.

As a police officer in Grosse Pointe Park for the past 32 years, I have had the feeling that our citizens are among the finest anywhere. Your votes proved me right. Many thanks to all of you from your firemen and policemen. The two percent pension helps all of us, including the chiefs and assistant chiefs of both departments.

Know Your Schools

By Dr. William Coats,
Superintendent of Schools

Negotiations between the Grosse Pointe Board of Education and the teachers' union have progressed from discussions at the bargaining table to mediation, and now, as a result of a prolonged stalemate — to fact-finding Monday-Tuesday, November 15-16.

Fact-finding as a means of resolving impasse is the normal step at this stage of the collective bargaining process.

This year, as the two parties have moved through these steps, some confusion and some misunderstanding by the public have arisen. Perhaps this was bound to happen since varying reports of these discussions have been widely circulated in the media.

Some confusion stems from improper use of the terms

"binding fact-finding" and "binding arbitration" which are different labels for the same basic concept.

As indicated publicly on numerous occasions, our Board of Education opposes binding arbitration as a solution to unsuccessful collective bargaining.

The reason for this position is that Board members believe it would be irresponsible to place in the hands of an outside observer the power to make binding decisions about the cost and quality of educational services provided to the citizens and students of the Grosse Pointe Public School System.

Such decisions are the right and responsibility of the duly elected members of the Board of Education. Furthermore, there is serious doubt as to whether the Board of Education would have the legal right to abdicate its decision-making responsibility.

The Michigan Attorney General has ruled in Opinion No. 4946, dated February 20, 1976, that "the legislature has not authorized boards of education to agree to binding arbitration of collective bargaining agreements to resolve impasses in collective bargaining. Thus, it must be concluded that boards of education lack statutory authority to agree to binding arbitration of the terms of collective bargaining agreements with representatives of their employees."

The bargaining teams met Tuesday night, November 9, to attempt to reduce through negotiations the outstanding issues in dispute and to clarify which of the disputed issues are to be submitted to the fact-finder.

During the fact-finding sessions, (after agreement by both parties as to the issues in dispute), each side will present reasons and rationale underlying its positions on various issues. Furthermore, each side is subject to examination and cross examination both by each other as well as by the fact-finder himself.

It is expected that the fact-finder's report will help to clarify the issues for the community and will serve as an important foundation on which to conclude successful negotiations.

Pointe Players Present Spoof

The knights and ladies of South High School will present "Once Upon A Mattress," an updated musical version of the spoof "The Princess and The Pea," at the Performing Arts Center, Thursday-Saturday, November 18-20, at 8 p.m.

Bruce Keigen will direct the 42-student cast, including Maura Sendelbach, as the shy princess Winnifred.

Winnifred's leading man, Dauntless the Drab, will be played by Marc Budge, an exchange student from Australia; Martha Terry will play his mother Queen Aggravain; and Rick Mills will perform as her mute husband King Sextimus the Silent.

The tumultuous romance of Sir Harry and Lady Larken makes, for both a comical and serious plot. Sir Harry is played by Jeff Riddell and Lady Larken by Terri Turpin.

Mary Hoeks will direct the chorus with assistance from Mrs. W. A. Riddell. Russell Reed will direct the orchestra.

"Barefoot in the Park," will be the players next presentation in March, in South High School's newly renovated auditorium. This will be the first production since 1968 in that theater.

The players will wrap up the season with "The Miracle Worker" in May.

What Goes On at Your Library

By Arthur Woodford
Chief of Central Library

In 1783, when the first aerial balloon was perfected, one of man's greatest and most dramatic adventures began.

What had seemed a fantastic dream suddenly became possible: man could conquer the laws of gravity, ascend into the unknown and view the world below from a new vantage point. The age of flight had arrived.

This week's column is devoted to some of the books in our collection that recount those adventures of lighter than air flights—the story of balloons and airships.

THE AERONAUTS, (Walker), by L. T. C. Rolt is a complete history of the great age of balloons, (1783-1903), and of the courageous men who flew them.

It tells the story of man's first aerial conquests and defeats; of the first overseas flights; of the first high-altitude ascents; of ambitious voyages planned in giant balloons, (culminating in Andree's ill-fated Polar expedition); of the first use of balloons in war, (including the Civil War); and of the first navigable balloons — steam, electric and gasoline engines.

Mr. Rolt begins this account with the brothers Montgolfier and their use of hot air, and concludes it with the flights of the LeBandy airship and of the Wright brothers' first airplane.

In 1852 Henri Gifford, clad in top hat and frock coat, made the first powered flight in the history of the world. So began the story of the airship—a story that seemed to end in disaster in May 1937 when the "Hindenburg" was destroyed by fire seconds after completing her first transatlantic flight of the season.

In between these years, the airship seemed the shape of things to come, and THE AIRSHIP, (Putnam), by Basil Collier is an enthralling account of that era.

It goes back to the days when German naval and military airships made raids on Britain during the First World War and shows how steps were taken to counter them; it describes how airships like the "Mayfly," the "Italia," the "Shenandoah" and the "Dixmude" ended their short lives in disaster, and how Umberto Mobile flew the "Norge" across the North Pole.

But the airship did not die in 1937 says Mr. Collier. Now that helium is available in ample quantities, there is a new wave of interest in the research and development of the large rigid airships as a freight carrier.

BALLOONS AND AIRSHIPS, (MacMillan), by Lenart A. Ege is a compact handbook which spans the development of these lighter-than-air machines.

There are 80 pages of full color illustrations of balloons and airships—from the original Montgolfier brothers' "cloud in a paper bag" to the extraordinary similar sport balloons of our own day. The accompanying text discusses each vehicle's history, construction and operating details.

Here are the stories of the giant Zeppelin airships that operated the world's first airline service; the "monsters of the purple twilight," which rained terror on London in the First World War; the first practical parachute; the unsung but highly successful blimps of the U.S. Navy.

Because of the excellent color drawings, this is a book that will be of particular interest to model makers.

THE AGE OF THE AIRSHIP, (Regnery), by Ed-

ward Horton begins its story from the end of the 18th century. It dwells in detail on the early experiments including those of the French adventurer, Santos Dumont. It chronicles the extraordinary exploits of Zeppelin and Eckener.

There are chapters on the airships in the First World War, on the marathon trips over the oceans and the poles in the 20's and 30's, and on the hideous disasters which put an end to the great age of the airships.

In his concluding chapter Mr. Horton points out that the airships may not have died in 1937.

There are those "who consider that an advanced airship would provide the answer to many problems that beset the cargo industry, not to mention the environment itself." Mr. Horton envisions truly enormous airships, (1,300 feet in length), which could pick up goods at the point of manufacture and speed them direct to the customer — anywhere in the world.

Could it be that the age of the airship is yet to come?

Hunt for Dog That Bit Girl

Shores authorities are looking for a German Shepherd dog, reported to have bitten Andrea Elise Peck, 13, of 23376 Westbury, St. Clair Shores, at about 5:35 p.m. on Sunday, November 7.

The canine was described as being of medium size and possibly wearing an orange-striped collar.

Cpl. Daniel Fronczak, who took the bite report, said Andrea told him that the animal was on a leash held by a man or a boy. She could give no further description of the person walking the dog, but did say that he was with a 14-year-old girl who was wearing blue jeans and a blue hooded parka with fur around the head covering.

The victim's mother, Mrs. Brigitte A. Peck, said her daughter was riding her bicycle and was passing the man and the girl with the dog in front of 1005 Lakeshore, when the animal snapped and bit her on the left ankle. Andrea did not lose control of the two-wheeler, nor did she fall to the pavement.

She said her daughter pedaled home and reported the incident. Then, they drove around the neighborhood, where the incident occurred, in hopes of locating the dog, without success.

Officers of the Shores Public Safety Department contacted all owners of that breed registered in the community by phone, but with negative results. The girl's mother was told to contact her family physician.

The doctor instructed Mrs. Peck to bathe the bite, said to be a half-inch abrasion, not a skin puncture. The physician also instructed the mother to bandage the ankle and to continue to look for the animal to have it checked for its health.

Shores police dispatched a report of the dog bite to the Macomb County Health Department, since the incident occurred in Lake Township, which, although it is an integral part of the Village of Grosse Pointe Shores, is located in Macomb County.

Anyone who has any information of the whereabouts of the animal or its owner, should contact the department at 795 Lakeshore, or call the authorities at 881-5500.

Holiday Is Theme For Berry Lecture

Reservations Now Being Accepted for Subscription Luncheon Following Grosse Pointe Garden Center's "Dividend" Program

"Traditional Holiday Decorations Updated" is the topic chosen by Robert Miller for the Grosse Pointe Garden Center's 1976 Berry Memorial Lecture, to be presented Friday morning, November 19, in the Grosse Pointe War Memorial's Fries Auditorium.

Mr. Miller is bringing between eight and 10 holiday door and table arrangements — and slides, to illustrate and demonstrate how they were created.

The speaker is assistant director of grounds and buildings at Greenfield Village and the Henry Ford Museum, Michigan's own "Williamsburg," as famous worldwide as the restored Virginia capital.

In his Berry lecture at 11 in the morning, he will explain and show how traditional concepts can be translated into fresh, new ideas for use in today's homes.

Mrs. Arthur O. A. Schmidt, Garden Center president, has asked Mrs. John C. Cook to chair this annual event: a November "dividend" for Garden Center members and their friends, a thank you for all they have done for the Center.

The late Eska and Raymond Berry, avid garden lovers, endowed the lecture, which always seems to start Grosse Pointe's holiday season.

Although the lecture is free, the luncheon following at 12:45 o'clock, in the Grosse Pointe War Memorial's Crystal Ballroom, is by subscription. Reservations at \$4.75 per person may be made by mailing checks to the Grosse Pointe Garden Center, 32 Lakeshore road, Grosse

Pointe Farms, Michigan 48236. They will be accepted on a first come, first served basis.

Luncheon tickets will be held for lecture day pick-up at the ballroom door. Luncheon chairman Mrs. Daniel J. Clifford promises a superb menu. She has been working closely with Miss Natalie Patten, in charge of War Memorial catering, as she was at the Women's City Club of Detroit.

They're holding out some surprises, but have revealed that the delectable City Club cheese souffle will be served, and dessert will be rainbow sherbet.

Mr. Miller has donated his arrangements, valued from \$15 to \$35 each. Each will go home with a post-lecture luncheon.

Pointe Garden Club to Meet

Mrs. Byron B. Phillips is opening her Fair Acres drive home to members of The Pointe Garden Club Monday, November 15. Mrs. Robert Conder, Mrs. J. C. Hurley and Mrs. Robert C. Winter will assist the hostess.

A feature of the day's program will be a display of pitchers containing floral arrangements designed by the members. A Bicentennial film, "Make Way for the Past," will be shown.

Jars of Goodies Stock Pantry Shelf

Packing up homemade jams and jellies, pickles, sauces, relishes and other goodies to stock the Pantry Shelf at the Junior Group of Goodwill Industries' 29th Annual Antiques Market and Sale are MRS. CLARK HINKLEY, (left), of University place, and MRS. JOHN F. FRALICK, whose Sunningdale drive

kitchen was the scene of the "boxing session." The jars—over 3,000 of them—will be sold today, tomorrow and Saturday during Antiques Market hours, (11:30 to 9:30 o'clock Thursday and Friday, 11:30 to 6 o'clock Saturday), at Dearborn's Fairlane Manor.

Plan Christmas Craft Programs

Two craft experts from Grosse Pointe Woods are scheduled to teach workshops in the making of pine cone and nut wreaths and Christmas plates on Mondays, November 15 and 22, at the St. Clair Shores Recreation Center in East Jefferson avenue.

The classes will be held from 10 to 2:30 o'clock. Participants are asked to bring bag lunches. Coffee and tea will be provided.

The instructors, both known on the East Side for their work as flower arranging and flower show chairmen at Woman's National Farm and Garden Association events, are Mrs. James Comins, of Anita avenue, and Mrs. Peter Biglin, of Robert John road.

They are scheduling the classes in November so that participants may complete Christmas decorations and gifts well ahead of the holiday rush.

The plates, which make heirloom gifts, feature decoupage Christmas decorations on glass, which is pearlized. Those making them for gifts may take favorite Christmas card scenes to the second class.

Charge for each class is \$2.50, plus materials. Further information on these classes, and a third one for which the date may be announced later, may be obtained by calling Mrs. Comins, 886-7344, or Mrs. Charles Stapleton, 779-3249, who also are handling class reservations.

Busy Year Has Begun For Alpha Zeta ADK's

The Roland road home of Gladys Ludwig, Patrice Ludwig and Claudia Greenhoe was the setting for Alpha Zeta Chapter of Alpha Delta Kappa's first meeting of the year, at which plans were made for members to attend the recent Alpha Delta Kappa State Day celebration luncheon at Somerset Inn.

Barbara Weaver, of Van Antwerp road, and Evelyn Toll were co-hostesses for the November meeting. Members brought supplies and directions for making decorations for the Michigan Memorial Institute, one of the year's altruistic programs.

Lecture-Rehearsal Series Scheduled

First of Three Programs Featuring Detroit Symphony Will Be Presented Next Wednesday Afternoon at Ford Auditorium

The 1976-77 Lecture-Open Rehearsal Series sponsored by the Junior Women's Association for the Detroit Symphony Orchestra opens next Wednesday, November 17, with "Their Nationality's Showing," featuring Mischa Kottler, pianist, and Andrew Davis conducting the DSO at Ford Auditorium.

Music to be performed includes Weber's Overture to "Oberon," Rachmaninoff's Piano Concerto No. 3, the Detroit premier of Sibelius' "Tapiola" and Four Slavonic Dances by Dvorak.

Each Open Rehearsal at 2 o'clock is preceded by a 1 o'clock lecture by Ruth (Mrs. Robert) Kaiser.

Tickets at \$2 each are on sale the day of the program. Tickets also are offered at \$1 for students, senior citizens and groups of 20 or more.

The three-program series is available at \$6 per person. Ticket information may be obtained by contacting East Side school coordinator Mrs.

Henry Drettmann, 823-6103, or East Side community coordinator Mrs. Karen Hollidge, 824-4809.

Mrs. Robert Winiecki is general chairman of the 1976-77 Lecture-Open Rehearsals, which benefit the Symphony Musicians' Pension and Maintenance Fund. Mrs. Henry Domzalski, of Windmill Pointe drive, is president of the Symphony Juniors.

Second program in the series, Wednesday, March 9, will focus on "Sibelius, Man and Musician." It will feature Aldo Ceccato conducting the DSO, and violinist Kyung-Wha Chung.

The final program, "Let's Try 'C' for Color," will be presented Wednesday, April

27. Aldo Ceccato will again be on the podium. Guest artist will be Murray Perahia, pianist. Three Overtures by Weber, Beethoven's Piano Concerto No. 1 in C Major, Opus 15, and Schumann's Symphony No. 2 in C Major, Opus 61, will be featured.

The Symphony Juniors gathered yesterday morning at the Detroit Golf Club, where members were informed of progress on four

current projects: the Olson-Fashon Lore, (presented in conjunction with the Detroit Historical Guild), the Lecture-Open Rehearsal Series and the Christmas Walk, to be held this year in Palmer Woods.

Entertainment at this November luncheon was provided by Mary G. Pardee, musician-in-residence at Oakland University, and pianist Teruko H. Yamasaki.

Interfaith Center Sponsors Holly Mart

Among those assisting KATHEY (Mrs. J. Thomas) McGOVERN, (standing, right), in planning the 1976 Interfaith Center Holly Mart, open today, Thursday, November 11, from 10:30 until 8 o'clock, and Friday, November 12, from 10 to 3 at the Grosse Pointe War Memorial, were CYNTHIA (Mrs. Peter) WARNER and DONNA (Mrs. Jerome) BELL, (standing, left and center), SUSAN (Mrs. William) FRANCIS, NANCY (Mrs. David) MARAN-

TETTE, ANN (Mrs. Michael) MacDONALD and CAROLYN (Mrs. Dennis) DETTMER, (seated, left to right). Twenty-five Michigan artists and craftsmen are offering items for the Christmas season, quilts to patchwork, ceramics to Studio Clare's German tree ornaments, toys to watercolors. The Mart features a bake sale and boutique items, plus the Interfaith Center's own Holiday Cookbook and Christmas cards.

Robert Agnone Weds in Ohio

Robert Louis Agnone, son of Dr. and Mrs. Eugene J. Agnone, who moved to Light-house Point, Fla., three years ago, after 20 years in Grosse Pointe, claimed Cathy Susan Hendricks, daughter of the James Hendricksens, of Sandusky, O., as his bride Saturday, October 16, in Sandusky's St. Peter and Paul's Church.

The 2 o'clock rites at which Father Daniel Zak presided were followed by a reception at the Sandusky Yacht Club, after which the newlyweds left to vacation on St. Thomas in the Virgin Islands.

They are returning to reside in Palatine, Ill., where the bridegroom has been making his home.

The bride's candlelight Qiana gown was lace-trimmed, and she wore the diamond necklace worn by her grandmother and mother on their wedding days.

In mint green Qiana knits, carrying fall bouquets, were honor attendant Carol Grocki,

of Rochester, N.Y., and bridesmaids Ann Carroll, of Findlay, O., and Mary Arnold, of Elmira, N.Y.

Dr. Eugene J. Agnone, Jr., came from Oxford road to serve as his brother's best man.

Ushers were Duke University student Louis Agnone, another brother, John Agnone, of Southfield, a cousin, Jack Terric, of Pittsburgh, Pa., Jack Shied, of New York City, and Daniel Pietragallo, Jr., of Los Angeles.

The mother of the bride wore a floor length aqua knit, with a long-sleeved jacket. Her corsage was a rose. The bridegroom's mother selected a long-sleeved, formal length gown of peach ultra suede, and white orchid corsage.

Among the guests were the bride's grandparents, Mr. and Mrs. James Hendricksen, of Sandusky, and the bridegroom's grandparents, Mr. and Mrs. Louis DeLuca, of Pittsburgh, Pa.

Sigma Kappa Alumnae Will Sponsor Bazaar

Grosse Pointe Alumnae of Sigma Kappa are sponsoring a bazaar of handcrafted items and baked goods this Saturday, November 13, from 10 to 4 o'clock at 19914 Helen court, Harper Woods. Proceeds will support various charitable organizations, including the Senior Center.

The Alumnae meeting Wednesday, November 17, at 8 o'clock in the Mount Vernon road home of Mrs. William Bryant will be devoted to making favors for the Senior Center Christmas Party.

Further information concerning the Christmas bazaar or meeting may be obtained by contacting Mrs. Keith French, 386-0864, or Mrs. French, 774-9177.

Newcomers Plan a Party

Grosse Pointe Newcomers and their guests will gather at the Grosse Pointe Yacht Club Saturday, November 13, for a Monte Carlo Night featuring wine, cheese and assorted snacks.

Accepting reservations at \$13 per person are Joe and Nancy Trowern, 822-1550.

Party planners include Gene and Beverly Brown, Chris and Maureen Denbeck, Scott and Jackie Funt, Paul and AnnaLee Henning, Bob

and Carol Lytle and Bob and Glory Schappe. Helping with the games will be Ron Crampton, George Eshelman, Bill Leith, Jay Barron and Seward Sloan.

Couples who have recently moved from an area not touching the boundaries of Grosse Pointe are eligible for Newcomers membership. Interested persons may contact the membership chairman at 886-8323 or 824-0374.

Women Accountants View Detroit Budget

The American Society of Women Accountants will present Marie Farrell-Donaldson, Auditor General for the City of Detroit, at its annual public relations dinner meeting next Tuesday, November 16, at the Sentinel Center in East Jefferson avenue.

The dinner hour begins at 6 o'clock. Dinner at 7 will be followed by Ms. Farrell-Donaldson's "View of Detroit's Budget." Reservations, at \$11 per person, must be made in advance by contacting Dorothy M. Peers, 757-8200.

Broadcasting DSO Concerts

Weekly broadcasts of live Detroit Symphony Orchestra concerts, which have not been available to radio listeners since April of 1975, began again Wednesday, November 3, at 8:30 o'clock over WDET-FM, (101.9 Mz).

The new series—marking the first time regularly-scheduled DSO concerts have been aired over WDET, or broadcast in FM-stereo over any station—will be heard every Wednesday evening over Detroit's Public Radio station, owned and operated by Wayne State University.

The first broadcast was a tape of the all-Berlioz concert which opened the 1976-77 season September 23, 25 and 26, featuring DSO music director Aldo Ceccato and Contralto Maureen Forrester. Commentator for the series will be WDET music director Orin Hood.

Station WDET-FM also will be responsible for production and distribution of broadcast tapes to the other 10 Public Radio stations throughout the State of Michigan, beginning in January. Virtually every resident of Michigan will thus be able to hear these delayed concert broadcasts.

A special \$100,000 grant from the Ford Foundation helped initiate the statewide broadcast project, believed to be the first venture of its kind in the nation.

The grant, made under the Foundation's special fund for Michigan, an annual allocation for philanthropic activities in the Foundation's state of origins and incorporation, covers a three-year period and has been used, in part, to purchase the stereophonic recording and duplication equipment necessary for these broadcasts.

Remaining funds will be used to help cover the cost of additional salary payments to DSO musicians for at least two seasons of broadcasts.

Nancy Van Tiem Married in July

Gourmet House Reception Follows Ceremony in Our Lady of Redemption Church at Which She Becomes Bride of Robert Elie Rashid

Mr. and Mrs. Robert Elie Rashid, who vacationed in the Caribbean, visiting San Juan, Puerto Rico, and Saint Thomas following their midsummer wedding, are making their home in St. Clair Shores.

Mrs. Rashid is the former Nancy Jean Van Tiem, daughter of Mr. and Mrs. Alfred Van Tiem, of Holiday road. Mr. Rashid is the son of Mr. and Mrs. Carl Rashid, of Edmundton drive.

The Right Reverend Agabois Riashi and The Reverend Hector J. Saulino, of Our Lady Star of the Sea Church, presided at the rites Sunday, July 18, in Our Lady of Redemption Church.

A reception at the Gourmet House followed the 4 o'clock ceremony.

Inserts of re-embroidered

Alencon lace and pearls accented the bodice and cuffs of the bride's off-white satin gown. Her cathedral length veil, extending the length of her train, was edged in satin studded with matching lace and pearls.

Satin streamers accented her bouquet of roses, stephanotis and baby's-breath.

Honor maid Julie Ann Van Tiem and bridesmaids Donna Marie Van Tiem, Sharon Rashid, Joan Rashid, Renee Rashid, Grace Rashid, Theresa Curtis, Chris Flannery, Sue Kreider and Sue Tiede were dressed in one-shoulder sheaths of Qiana, aqua, pink, apricot, pastel yellow and mint green, and matching.

The Robert Rashids

Marriage vows were spoken Sunday, July 18, in Our Lady of Redemption Church by NANCY JEAN VAN TIEM, daughter of the Alfred Van Tiems, of Holiday road, and Mr. Rashid, son of the Carl Rashids, of Edmundton drive.

Engaged

Plans for a January 22 wedding are being made by SHERRIE LYNN NEEF and Michael Howard Vail, whose engagement has been announced by her parents, Mr. and Mrs. A. Allan Neef, of Stonehurst road.

Miss Neef, granddaughter of Dean and Mrs. Arthur F. Neef, of Lincoln road, and Dr. and Mrs. Arlington F. Lecklider, of Berkshire road, was graduated from Grosse Pointe North High School and

Dennis Willette to Claim Bride

The engagement of Kathryn Lynn Snyder and Dennis Michael Willette has been announced by her parents, Mr. and Mrs. Richard P. Snyder, of St. Clair Shores. They plan a July 15 wedding, at Our Lady Star of the Sea Church.

The bride-elect received her Bachelor of Arts degree from Oakland University. She is presently a Secondary Education substitute teacher.

Mr. Willette, son of the Arthur V. Willette, of Cook road, was graduated from Grosse Pointe South High School, attended Wayne State University and the University of San Francisco, Calif., and is presently working toward a Bachelor of Science degree in Engineering at Macomb County Community College, while working as manager of Die-Fab Engineering Company in Warren.

received her degree in Psychology from St. Lawrence University, where she affiliated with Delta Delta Delta sorority.

She now works for a law firm in Albany, N.Y.

Mr. Vail, son of Mr. and Mrs. Robert Vail, of Schenectady, N.Y., was graduated

from St. Lawrence University with a degree in Biology, and is now employed by a bank in Albany. He plans to enroll in C. W. Post Center of Long Island University in February, to work towards a Masters degree.

His fraternity is Beta Theta Pi.

TRAVEL DOLLAR STRETCHES

With the heavy foreign travel season coming up, many countries are vying for the "All American Dollar" by offering special exemptions to tourists or by the devaluation of their money. Here are some examples:

Mexico last week floated the Peso allowing it to drop another 24.9% to a new low of 26.5 Pesos to the U.S. \$1. This means as of August 31st, the Peso has devalued about 52%.

Brazil has exempted visitors from a federal sales tax of 15% on merchandise when purchased with dollars.

England's pound is hard to keep up with due to daily fluctuations, but it has devalued from the official rate of \$2.40 to \$1.56 per pound (as of today).

TRAVELWORLD has some spectacular travel programs to the above where you can stretch your dollars. Come in for call TRAVELWORLD, 21127 Mack Avenue (North of Village) Open 9 to 6 daily, Thursday night till 8:00 p.m. 882-8190.

Santa Luncheon Set in December

Mr. and Mrs. Claus and Storybook Characters Will Be on Hand for Festivities at Grosse Pointe War Memorial

Grosse Pointe's Alpha Xi Deltas will host their 12th Annual Santa Luncheon Saturday, December 4, from noon until 2 o'clock in the Grosse Pointe War Memorial's Crystal Ballroom, and all Pointe children are invited to join in the fun.

Admission is \$3. No tickets will be sold at the door. Reservations may be made by calling 884-1368, by Tuesday, November 23.

The party is a benefit, raising funds for Grosse Pointe's Foundation for Exceptional Children and Family Life Education Council.

Entertainment will feature Grosse Pointe Children's Theatre members, singing songs from their presentation of "The Sound of Music," and Detroit Alpha Xi Delta Mary

Butler's "Winnie the Pooh" show.

All of last year's Storybook Characters will appear again, from Raggedy Ann and Andy and Mickey and Minnie Mouse to Little Bo Peep, Wee Willie Winkie and Little Red Riding Hood.

Each "character" is a Girl Scout from Kerby's School's Troop 424; they will help the Alpha Xi Deltas serve a luncheon of hot dogs, chips, cupcakes and ice cream. Santa will, of course, be

The Episcopal Church Women's Little Thrift Shop of Saint Michael's Episcopal Church will feature its own fall fashions next Tuesday, November 16, at a 12:30 o'clock salad bar luncheon and card party at the Church in Sunningdale park. Finalizing plans for the event are, (left), MRS. A. J. HOUSTON, manager of the Thrift Shop, which accepts clothes on consignment, a portion of

sale proceeds going to the consignor, a portion to the ECW which uses the income to support community projects, missionary work in foreign countries, seminary students and other Episcopal agencies, MRS. ROBERT KNAPP, (second from left), and MRS. EUGENE HOLSTEAD, (right), luncheon co-chairmen, and MRS. H. PETER WITZKY, ECW president.

luncheon guest of honor. He's bringing with him Mrs. Claus, (alias Florence Ericson), and Christmas Carol, (Lou Ann Portincasa).

There'll be prizes and gifts for each child attending, and a Holiday Boutique Table, designed to catch parents' as well as children's eyes, in the Fries Auditorium entrance hall.

Among those assisting luncheon co-chairmen Mrs. George Lewis and Miss Portincasa are Pointers Mrs. Arthur Leslie, Mrs. Michael Brogan, Mrs. Richard Williamson, Mrs. Ralph Jossman, Mrs. Dennis Velie, Mrs. Danny Lee, Mrs. Edith Rasch, Mrs. Normand Giard, Mrs. Robert Shannon, Mrs. Ronald Launs and Mrs. Alfred Wittwer.

More are Miss Joan Conventini, Mrs. Richard Swinbank, Mrs. Allan Bara, Mrs. James Starnes, Mrs. Daniel Stanczyk and Miss Patsy Turner.

School of Government Will Convene at DAC

Mrs. Louis Duenweg is accepting reservations for the School of Government's noon luncheon meeting Wednesday, November 17, at the Detroit Athletic Club, following a 10:45 o'clock board of directors meeting.

Mrs. Julius Bauer, the School's second vice-president, will present the 1 o'clock program on "Women in the American Revolution." Mrs. Bauer, a member of the 100-year-old Detroit Women's History Club, taught high school History and Government for some 40 years.

Her extensive travels include several around-the-world tours.

Brown-Kramer Rites Read in St. Paul's

Setting for the wedding of Susan Annette Kramer and Steven Ehlers Brown Friday evening, August 20, was Saint Paul's-on-the-Lake-shore. Father James Cronk presided at the 5:30 o'clock rites.

The bride, daughter of Joseph A. Kramer, of Madison road, and the late Mrs.

Kramer, wore a lace-accented, Empire-waisted gown of white dotted swiss, with a ruffled hem, and a floor length veil.

White ribbon streamers accented her bouquet of miniature yellow roses and baby's-breath.

Mrs. Jack Thomas was honor matron for her sister, Debra Kramer, another sister, was honor maid.

They and bridesmaids Janet Brown, of Falls Church, Va., the bridegroom's sister, and Jacqueline Noelke wore floor length frocks of mint green dotted swiss, Empire-waisted and trimmed with shiny mint green ribbon streamers, featuring large, ruffled collars and short sleeves.

Their A-line skirts ended in deeply flounced hems. They carried green and white bamboo baskets filled with miniature yellow roses,

baby's-breath and small, mint green carnations.

Best man was Herb Reschke. Ushering were Mr. Thomas, Tim Horrigan and John MacEarn.

Kim Kramer, the bride's niece, was flower girl. Shawn Thomas, the bride's nephew, was ring bearer.

The bridegroom is the son of Thomas W. Brown, of Silver Spring, Md., and Mrs. Dorothy Brown, of Fairfax, Va., who wore a long, Empire dress of deep salmon crepe, trimmed with variegated grosgrain ribbon, and a matching chiffon poncho. Her wrist corsage featured white carnations and baby roses matching her dress.

After a reception at Revere Hall, the newlyweds left to vacation in Maryland, Virginia and Washington, D.C. They are at home in Lake-pointe avenue.

Silent Auction Slated at DBC

The Women's Committee of the Detroit Boat Club has scheduled a repeat of last year's successful luncheon and Silent Auction for next Wednesday, November 17, under the co-chairmanship of Mrs. Larry M. Wheeler and Mrs. Charles Ferry.

Assisting with arrangements are the Mesdames Robert Chope, John Cook, Mary Davis, Philip Dexter, Stanley Smith, Henry Ruffro, Kenneth Locke, Charles T. McCafferty, Clinton Hardy and James Carty.

Mrs. John J. Bourne, fashion show chairman, has asked a group of Club members to model.

They include the Mesdames Andrew Bremer, Jr., Lampton J. Cardwell, Michel S. Skaff, William Koozt, Bewley D. Priestman, Edward Eissa, J. Wilfred Harrison, Augustus J. Christie, Alexander J. King, Joseph M. Scanlan, Martin Daher and E. Russell Phillips, Mrs. Joseph Chojnowski and her daughter, Mrs. Anthony Stoki.

Music will be by Mrs. Leo C. Huetter, hair styling by the Morri Salon d'Elegance. General chairman is Mrs.

Dick Warner, the Club's president. Co-chairmen are Mrs. William Kabbush and Mrs. Ralph F. Urso.

Mrs. Vene L. Whims designed the programs. Mrs. Henry D. Lampman is handling publicity. Benefit tickets are available through tomorrow, Friday, November 12, from ticket chairman Mrs. Jack H. Merritt, 886-8297, and cochairmen Mrs. John J. Kelly, 881-7683, and Mrs. Dallas E. Newkirk, 884-4290.

Party proceeds provide funds for Achievement Awards, based on high scholastic achievement, citizenship, character, leadership

and the need for financial Grosse Pointe South High assistance, to be presented School. The first Award was given to a 1977 graduate of Grosse Pointe North High School in 1952. In 1976, four awards and a 1977 graduate of were presented.

**No needles.
No pain.
No hair.
Depilatron.**

It's that simple. Depilatron uses no needles. So there's no pain. With the Depilatron method of hair removal, the electronic tweezer doesn't even touch your skin. In seconds, it seems to slide the hair right out. It's safe, effective, and completely painless even on sensitive parts of the body. See for yourself. Soroptimists Slate Brunch

Members and guests of Soroptimists International, Inc., of Grosse Pointe will gather for brunch at 1 o'clock Sunday, November 14, at the Grosse Pointe Hunt Club.

Information on the international classified service organization for business women will be displayed, and reports on Soroptimist activities made.

Internationally, the organization cooperates in United Nations women's and children's activities throughout the world. It is presently providing medical boats for the people of the Maldives Islands.

The American Soroptimists Federation has been responsible for much disaster relief in this hemisphere. It conducts an extensive scholarship program for retraining of older women who are entering the business world or further themselves in their present jobs.

McCall's Pattern Company is contributing \$2,500 to the latter project from the sale of a group of patterns, sponsored by Marlo Thomas, who is especially interested in the Soroptimist program.

One of the primary services of Grosse Pointe Soroptimists is active support of Cottage Hospital. The Pointe group recently sponsored an Art Preview to raise funds for the Hospital's development program.

All women who are eligible for membership in Soroptimist International, which affords busy women the opportunity to be of service to their communities, their country and the world.

Grosse Pointe Club members were hostesses for a recent District III meeting at the Grosse Pointe War Memorial. Delegates of all other Soroptimist groups in southwestern Michigan attended.

Harriet Helms and Kathryn Gannon were co-chairman of this all-day session of meetings and workshops.

Servite Mission Guild Presents Square Dance

The Servite Mission Guild will sponsor a square dance Saturday, November 13, starting at 8:30 o'clock at Saint Juliana Hall, Chalmers at Longview, Detroit. Donation is \$2. Everyone is invited.

Disco a Go-Go for Welcome Wagon

Photo by Beatrice Zwaan Studio

MRS. WILLIAM STEVENS, (right), discusses plans for the Welcome Wagon Club of Grosse Pointe and Harper Woods' first "Disco a Go-Go," scheduled for Saturday evening, November 20, at Gabriel Richard Knights of Columbus Hall in East Warren avenue, with MRS. JACK GLATT, (left), and MRS. ROBERT HOPE. Mrs. Stevens is chairman of the party for Welcome Wagon members, their husbands and friends, who will gather at 6:30 o'clock for cocktails and a buffet supper followed by an evening of dancing to "nostalgia" tunes and current, swinging numbers. Austin Prep seniors Tom McClanaghan and Steve O'Keefe will be the disc jockeys for Station WWWW, and an instructor will be on hand to teach the latest dance steps. "Outrageous" prizes are promised winners of the dance contests. The serious purpose behind all this zaniness is to raise funds for Welcome Wagon's Nursing Scholarship Program. Mrs. Robert Payne is assisting Mrs. Stevens.

Wedding Set In the East

Planning to be married November 20, at Newton Lower Falls, Boston, Mass., are Amy Rebecca Kaufman and Samuel Stephenson Perham Stanley, whose engagement was announced by her parents, Mrs. Betty Kaufman and Dr. Albert A. Kaufman, of Los Angeles, Calif.

The bride-elect attended Sarah Lawrence College and received her Bachelor of Arts degree from the University of California at Berkeley.

Mr. Stanley, son of Dr. and Mrs. J. Perham Stanley, of Cadieux road, is an alumnus of Connecticut's Taft School and received his Bachelor of Arts degree in Music from the University of California at Berkeley.

Management Focus For Beta Xi DKG's

Delta Kappa Gamma Society Beta Xi Chapter members decided, at their September meeting held in the home of Lois Smith, to schedule two meetings focusing on Management Training for Women.

The purpose of these programs is to develop awareness of the status of women among DKG members. A leadership team, provided by the state organization, conducts the sessions, using tapes and activities designed to expand awareness of women's status in education, and to elevate women so that they will accept leadership roles in various areas of their profession.

The second of these meetings will take place this evening, at 7:30 o'clock, at Viorita McClure's home, where refreshments will be served.

Tribute Fund Cards on Sale

Mrs. Russell Peebles, of Bedford road, and a committee of fellow Pointers are hoping that Christmas will bring summer enjoyment to children with physical and emotional handicaps who could participate in camping programs.

Through the sale of greeting cards, directors of The Tribute Fund, a United Community Services committee, provide monies for handicapped children to attend special summer camps, as well as funds for emergency assistance needed by individuals or families for whom there are no other community resources available.

Mrs. Peebles, chairman of The Tribute Fund, is being assisted by the Mesdames Edward I. Book, Theodore Buttrick, John W. Coe, John R. Decker, Burdette Ford, John H. French, Gaylord Gillis, J. Stewart Hudson, Alvan Macaulay, Joseph Murphy, Jr., and Edward D. Spaulding, all directors of The Tribute Fund.

The Tribute Fund, now in its 35th year, is often described as "a court of last resort," because of its ability to act quickly and avoid red tape. It provides services to tri-county, (Wayne, Oakland and Macomb), residents.

Cost of the holiday cards is \$4 per 25, \$5 if imprinted, and is tax deductible. Note-paper, too, is available at \$1 per 10 sheets. Orders may be

Sea Treasures to Be Shown

Grosse Pointe Chapter of Quarters #147 gathers tomorrow, Friday, November 12, at 10 in the morning at the Hillcrest road home of Mrs. Hazen Keith, for a program on "The Magic Lure of Sea Treasures," presented by Mrs. Keith.

The hostess' interest in shells and other underwater objects stems from her son Robert D. Keith's Ocean Technology studies at Florida

Institute of Technology. Among the unusual items she has chosen to illustrate her talk are a two-foot Australian trumpet shell, a spiny oyster found by Robert in sunken wreckage, prehistoric shark's teeth, coral samples and a precious Wendtrep shell.

Co-hostesses for the luncheon following the meeting are Mrs. Pierre Palmentier and Mrs. Robert Roddewig.

Kappa Kappa Gamma Groups Keeping Busy

Local Kappa Kappa Gamma Alumnae have scheduled a number of fall activities, including, next Tuesday, November 16, a noon luncheon and business meeting at the Washington road home of Mrs. Richard Miller.

Thanksgiving favors for patient trays at the Rehabilitation Institute will be fashioned. Reservations are being taken at 881-4815. Mrs. George Williams is chairwoman of the afternoon group.

That same date the evening group, under the direction of Nancy Reynolds, will meet at the Rivard boulevard home of Mrs. Donald Sweeney, III, at 8 o'clock, for an informal talk by Gay Shields of American Airlines, on space saving packing for travel and highlights of the recent Kappa convention in Coronado, presented by Mrs.

Michael Marston. The two groups join Tuesday, December 7, for a 7:30 o'clock meeting-dinner-Christmas party at the home of Mrs. John Smith in Lakeland avenue. Mrs. Herbert Schmitz, who served from 1940 to 1970 as national fraternity architect, will narrate slides of national headquarters in Columbus, O.

Donations for the Rehabilitation Institute of Detroit will be collected.

Mrs. Willard Smith calls attention to a Rehabilitation Institute patient birthday celebration scheduled for December 9. Mrs. H. Gordon Tanner invites all alumnae to participate in the above events.

Plan Tuesday Meeting For Southeast MAHA

The Southeast District Michigan Association of Hospital Auxiliaries will meet at noon Tuesday, November 16, in the Wayne County Medical Society's David Whitney House.

Following luncheon, Kay Wise will speak on "Exercising for Good Health." Mrs. Donald Kelnor is program chairman.

Members of all area auxiliaries are invited to attend. Reservations may be made by contacting Mrs. Gene Lamont, registration chairman, at 646-1376.

SIX HOUSES BORDERING G.P. Sometimes prices seem just about a year away — isn't this always the case. The problem today and next year is that if you wait till next year, inflation will have pushed it further away than ever. Our suggestion to this is a fine home bordering Grosse Pointe.

Here are a few special homes—all in superb condition and fantastically priced.

17118 Stricker	\$37,000
3547 Kensington	32,000
5500 Oldington	23,500
6001 Radnor	22,900

All have same construction as our Grosse Pointe homes and all come with our Buyers Protection Plan—a \$100 deductible one year warranty.

13—REAL ESTATE FOR SALE

OPEN SUNDAY 2 UNTIL 5

551 OXFORD. A petite mansion which will really turn you on if you like that French country house look. This one has a Mansard roof and circular drive and looks as great inside as it does from the curb. All the bedrooms have private baths and there is a library and family room, both with fireplaces.

1151 S. OXFORD—Center entrance colonial in a very desirable area of Grosse Pointe Woods. This home features a fireplace, formal dining room and large kitchen on a beautifully landscaped lot.

843 N. RENAUD—Super location, spacious step-down living room, paneled library in pickled oak, large private patio and large lot make this custom built a fine house for the money. See picture on page 13.

IT WILL GITCHA FROM THE CURB and we know we've gotcha once you step inside. A smart looking farm colonial is always in style. This one has four bedrooms and a super family room with fireplace and beamed ceiling. The laundry is on the first floor and the garage is attached. Central air conditioning and electronic filter system contribute to easy maintenance. Grab a look at 254 LINCOLN ROAD near Jefferson.

6 LAKESIDE COURT, a dead-end street leading to the lake from Jefferson near Bon Secours Hospital. Brand new and ready for you. This recently completed four bedroom colonial is located just two doors from the lake. This home features a step-down living room, library, first floor laundry and spacious family room with cathedral ceiling.

19201 LINVILLE at the corner of Kingsville is where you'll find this three bedroom colonial with an enclosed breezeway between the house and garage. Grosse Pointe schools and a price of \$38,500 should bring you on.

BE ONE OF THE FIRST to preview this three bedroom, brick cottage in the Farms. At 379 RIDGEMONT, near Chalfonte, there is the opportunity to buy a house with two full baths and a full two car garage for less than \$45,000.

AVAILABLE BY APPOINTMENT

SOUTH OF JEFFERSON is this four bedroom home which is ready when you are. It features a formal dining room, oak paneled den, sprinklers front and rear and the charm of an English country house.

UNDOUBTEDLY ONE OF THE FINEST houses built in the Pointes within the last dozen years. Just three doors from Lakeshore Drive this Southern colonial is complete to the last detail. May be purchased with or without a buildable lot which fronts on Lakeshore Road.

MEDITERRANEAN STYLE with tile roof, vestibule and hall. Large living room with beautiful marble fireplace, large formal dining room, paneled family room, breakfast room, tiled kitchen and powder room on first floor. Second floor has four large bedrooms, two baths—one connecting. Sprinklers front and rear, three car garage, rust-proofed fence. Priced in the mid-sixties. Shown by appointment only.

PERFECT, we think we have a house that is. This one has not one but two family rooms. There are four generous sized bedrooms and a fifth room which could be used as another bedroom or office. The house is brick to the belt line with aluminum siding above. Super landscaping beautifully surrounds the backyard swimming pool.

PLACED ON ONE AND ONE HALF ACRES in the heart of the Farms is this architect's dream. French doors open to intimate gardens on one side and a long stretch of sloping lawn on the other. Three of the six bedrooms have fireplaces and the two-story living room has fireplaces at either end. A private apartment with outside entrance is also part of the package. Included is a buildable lot with a five car brick garage. All offered for \$149,500.

THIS COULD BE THE SMALL HOUSE you've been waiting for with extra large rooms. There are three fireplaces to add plenty of atmosphere and a private both for each bedroom. On Lake Shore Road in the Farms with a tree-filtered view of the lake.

Holiday And Cruise... fun thoughts... happy fashions! Holiday and cruise clothes are perhaps the liveliest of the year. They are in at Walton-Pierce now. For the holidays, we love the short red jersey cocktail dress with a deep V neck, softly gathered skirt and elasticized, push-up sleeves. There's also a creamy jersey cut along the same lines but with a different treatment through the midriff. The provocative one shoulder jumpsuit, with elasticized waist is accented with rhinestone buttons on the shoulder. A slender white jumpsuit with thin straps and deeply cut front and back is covered up with a long red jersey tabard. You can put together looks from a new separates collection featuring a long black Qiana skirt, thinly strapped over top or sashed tunic top in black, red or white. Lots of other combinations too! Pick a new Lilly or two. There are cotton-poly blend short sleeve shirt and top costumes in jungle animal, floral, bird, pineapple, mimosa or tiger lily prints. A pretty nylon smocked tunic and pants comes in an assortment of brilliant floral prints. Cruising Tanners are also arriving among the group is a red and pink floral print jumpsuit. The print also comes in a shirt dress. For the traditional cruise look, how about a navy blazer, white slacks, navy vest and red and white dot blouse?

Mutschler Kitchens has a display of design-a-wall storage cabinets for any room of your home in oak, cherry and maple. Stop by 20227 Mack Avenue and choose the ones best suited for your needs... TU 4-3700.

This Christmas... start or add to a collection of dressing table and bathroom accessories from a collection at the Notre Dame Pharmacy. There are decorative make-up mirrors and tray mirrors, Kleenex boxes, soap dishes and many more useful and beautiful items in gold filigree designs. Handsome leather decanters are found among the bar accessories. A very thoughtful gift for all ages is a charming or amusing night light.

Yes, friends you can go on a jungle safari in Hawaii. We've learned that the ALOHA ACTIVITY CENTER in Whaler's Village at Kaanapali, Maui offers "Wild Boar Hunting" expeditions at \$150 a day. ARE YOU GAME? Call Those Folks at Mr. Q. 886-0500.

We're Cooking Up Something For Thanksgiving... with imported kitchenware from Le Ceuset, Armetale, Romertopff and Copco. You'll find this appetizing selection of creative cooking accessories at The Squirrel's Nest, 19849 Mack Avenue.

If you want the most luxurious broadloom available at a price you want to pay, stop at Maliszewski Carpeting and see his collection of KARASTAN broadlooms. They are famous for their opulence, stamina and strength and come in more colors than a Picasso... 21435 Mack Avenue... 776-5511.

MRS. EDWIN J. STEDEM, JR., OF CANTERBURY ROAD.

By Janet Mueller

Marilyn did her undergraduate work at the University of Michigan, Ned was an Ohio State student, (he wound up at the U. of M. for Law School, but that was LATER), so the Michigan-Ohio State Game has always been a Big Thing in the Stedem family.

They're giving it up this year.

For Something Bigger.

"Showboat Shenanigans" opens on the eve of the game, Friday, November 19, at 8 o'clock, at Parcels Middle School. The second performance is scheduled for Saturday, November 20, also at 8, also at Parcels.

Something had to give...

and since Marilyn is project chairman for the Assistance League to the Northeast Guidance Center this year, and since the Assistance League is putting on the local talent musical review, with a little help from his friends and New York's Jerome H. Cargill Company, that something is a Ned-and-Marilyn personal appearance at the Michigan-Ohio State Game.

For that, there's always next year.

It's Special "Special"

"Showboat Shenanigans" probably won't be an annual event. It's a "special," highlight of the Assistance League's 1976-77 program, and one of the things that make a "special" special is one-of-a-kindness.

A "King Kong" re-make, 40 years later, is an event.

"Son of Showboat Shenanigans" the year after a "Shenanigans I" could be a bit redundant.

So... if you want to see your friends and neighbors singing and dancing and making spectacles, (I mean this in the very nicest sense), of themselves, the time is now.

And if you're planning a holiday party, the time to pick up a copy of "The Happy Hostess Entertains" is now. It's a fabulous cookbook, compiled by the Assistance League, containing all sorts of recipes and party menu ideas.

If everything turns out as good as the luscious dessert Marilyn and I shared during an "interview break," you may gain 10 pounds—but it'll be worth it.

As project chairman for the Assistance League this year, Marilyn has her finger in every pie.

She's a native Pointer, graduate of Saint Paul's, who didn't meet Ned at the University of Michigan, despite the fact that they were in Ann Arbor at the same time and had mutual friends there.

They finally got together through mutual friends in Grosse Pointe.

Talented Photographer

Ned, from Columbus, O., is comptroller of the Ford Division of Ford Motor Company. He is also an extremely talented photographer, (he does his own framing), whose favorite subjects are Susan, Stedem, seven-and-a-half, Brad, five-and-a-half, and three - and - a - half-year-old Teddy.

As for Marilyn... if there's one thing she hates, it's knowing there's a camera pointed at her. "I freeze."

roast turkey, duck or chicken... homemade stuffing, bread, homemade pumpkin or mince pie plus the mouth-watering trimmings! Regular entrees, too. Perini's, 10721 Whittier is close, comfortable, delicious and family priced. Reservations accepted from 11 a.m. to 2 p.m. Call today, 371-2484.

Local Alpha Xi Deltas To Make Ribbon Belts

Area Alpha Xi Deltas will meet Monday, November 15, at 7:30 o'clock at the Kerby road home of Mrs. George Lewis, to participate in a ribbon belt-making workshop led by Judy Lees, of Two's Company.

Alumnae will have the opportunity to buy materials during the meeting, and to create their own belt designs while learning the new and popular craft technique.

Co-hostesses for the workshop session are Mrs. Michael Brogan and Mrs. Dan Piggins.

Topics for Monday's meeting will include discussion of final details for Alpha Xi Delta's 12th Annual Santa Luncheon, slated for December 4 at the Grosse Pointe War Memorial, and distribution of pecans for the Annual Alumnae Pecan Sale.

During last month's meeting, the Grosse Pointe Chapter affiliated three new members: Mrs. Xavier Velie, Miss Mary Butler and Miss LouAnn Portincasa.

Troy Junior Woman's Club.

"Half the fun of something like this," Marilyn admits, "is seeing your friends, people you know, on stage." The Stedems knew no one, and STILL thoroughly enjoyed the show. That sold Marilyn.

She was sold, too, by the comprehensiveness of the project. "There's so much involved in conjunction with this, it really is something the whole group can work on: we need ushers and baby sitters as well as stagehands and actors." There was a program book to be put together, a cast-and-patron party to be planned.

The Assistance League invited the whole community to participate. Everyone was welcome to "sign up" at a Meet-the-Director party held in late October at the Grosse Pointe Hunt Club.

Rehearsals Being Held. Rehearsals are well underway now, the sounds of music—and laughter—coming from the Grosse Pointe Congregational Church, (mornings), and Brownell School cafeteria, (evenings), as routines are blocked out and learned.

Program ads will be supplemented by "walk-on" ads. The post-performance party will be held at the Grosse Pointe Yacht Club.

Sharon Vasher is general chairman of "Showboat Shenanigans," assisted by talent chairman Fran Pastoria who has done a fantastic job. Tickets, (general admission \$5, patron \$12.50), may be obtained by calling 886-7425 or 886-6267.

Two for the 23rd

Looking for something to do Tuesday, November 23? Members of the Founders Society Detroit Institute of Arts don't have to look far, for they've been invited to preview "A Proud Tradition: Arts & Crafts in Detroit/1906-1976; The Movement-The Society-The School," at the museum. It's a "black tie optional" event.

A more informal evening will be underway at Hudson's Christmas Twinkle Land, on the 12th floor of the downtown store, where celebrity chairman Tom Schoenith has corralled the most extraordinary Collection of Clauses in metropolitan Detroit.

The "Disco Evening with Santa Claus and Christmas Carol," for adults only, is a holiday tradition. It benefits the Archives of American Art. Tickets, (admission donation is \$7.50 per person, tax deductible), may be obtained by sending checks, payable to the Archives of American Art, to Disco Committee, 28400 Brooks lane, Southfield, Michigan 48034.

P.S. If the Disco Evening is your bag, don't forget to bring your camera. Without pictures, your children never will believe!

The Yacup Report

The Walter Hines Page Scholarship Program was established in 1923 by the English-Speaking Union of the Commonwealth, named after Walter Hines Page, American Ambassador to the Court of St. James from 1914 to 1918.

Under the program, British teachers, 12 to 15 per year, spend a month in the United States, visiting a number of cities and observing American educational programs. Transatlantic transportation and travel expenses within the United States are provided by British sources. E-SU Branches in the States provide full hospitality.

Now that's all very good... but what about our own teachers? In 1975—high time!—announcement was made of a "Page Scholarship Program in Reverse," and the Denver and Detroit E-SU Branches were first to take advantage of this opportunity to send American teachers to Britain.

George Yacup, English Literature teacher at Grosse Pointe South High School, was the Detroit Branch's choice as its first Reverse Page participant.

Mr. Yacup spent June in Britain, on a \$1,000 grant from the Detroit E-SU, visiting 22 schools and Oxford University. "Everywhere," he reports, "I was treated with almost embarrassing warmth and hospitality."

He'll give a fuller Yacup Report, with slides, at the Detroit E-SU's dinner meeting next Wednesday, November 17, in the Grosse Pointe War Memorial's Alger House.

She's an Achiever

Sarah Goddard Power, daughter of Mrs. Wendell C. Goddard, of Provençal road, has been elected chairman of the United States National Commission for UNESCO, the 100-member body created by Congress in 1946, and is currently in Nairobi, Kenya, attending UNESCO's five-week worldwide conference.

Mrs. Power, one of five United States representatives to the conference, is a regent of the University of Michigan, a director of the United Nations Association of the United States and a director of the Associate Alumnae of Vassar College. She also serves on the board of the Detroit Community Music School.
