A TOP SOUTH KOREAN intelligence officer is "co-operating" with the FBI in the early stages of its investigation of alleged payoffs to a number of American congressmen, government sources said Wednesday. The Korean, Kim Sang Keun, has been identified by sources close to the investigation as a contact here for South Korean businessman Tong-sun Park, who was alleged to have dispensed up to \$1 million a year since 1970 in cash, gifts and campaign contributions to congressmen and other U. S. officials.

THREE HUNTERS WERE killed and 13 wounded during Michigan's 1976 deer season, the lowest total ever. The 16 shootings compared with 49 last year, the previous record low, according to the Department of Natural Resources. The 1975 figures included nine fatal shootings. Meanwhile, hunters killed about 91,300 of that state's estimated one million deer during the 16-day season which ended Tuesday. The number was down slightly from last year. Better safety training, better attitudes and increased use of bright orange clothing were believed responsible for the safe season, the DNR reported.

THE MICHIGAN COURT of Appeals said yesterday that a laid off worker may be eligible for unemployment benefits, even if he turns down a chance for another job. The court's ruling concerned two laid off Chrysler employees who refused jobs because of an excessive distance away from their homes. Both men were refused unemployment compensation because of their refusal to follow up on the offered positions. When the case was brought to court, the Monroe Circuit Court ruled the men were eligible for benefits, and the Appeals Court agreed.

A CAR LADEN WITH DY-NAMITE exploded 100 yards from the town residence of leftist leader Kamal Jumblatt Saturday in Beirut, killing two persons and wounding 15. The blast threatened to topple an already shaky two-week-old cease-fire in war torn Lebanon. Eight cars and several apartment buildings along the street in the select Msaitbeh Moslem residential district in West Beirut were heavily damaged by the blast.

Monday, December 6

THE FOOD AND DRUG Administration proposed a new warning Sunday to advise women who take birth control pills about the risks of birth defects, tumors, blood clots and, in women over age 40, heart attacks. At the same time, however, the agency said those warnings would be accompanied by a statement that "Birth control pills are the most effective method of contraception except for sterilization." The combined warning and endorsement are part of a new brochure that, for the first time, will be required of packages of birth control pills when they are purchased from the drugist.

Tuesday, December 7

THE LIBERAL DEMOCRATIC Party in Japan, battered at the polls in the wake of the Lockheed and other scandals, hung onto the government Monday by persuading eight independents to join its ranks. But the party still faced a stormy leadership fight and the need to placate a maverick reform group that won strong support from the voters. The LDP lost its parliamentary majority for the first time in 21 years in Sunday's elections.

Anyone Care for a Crunchy Beer?

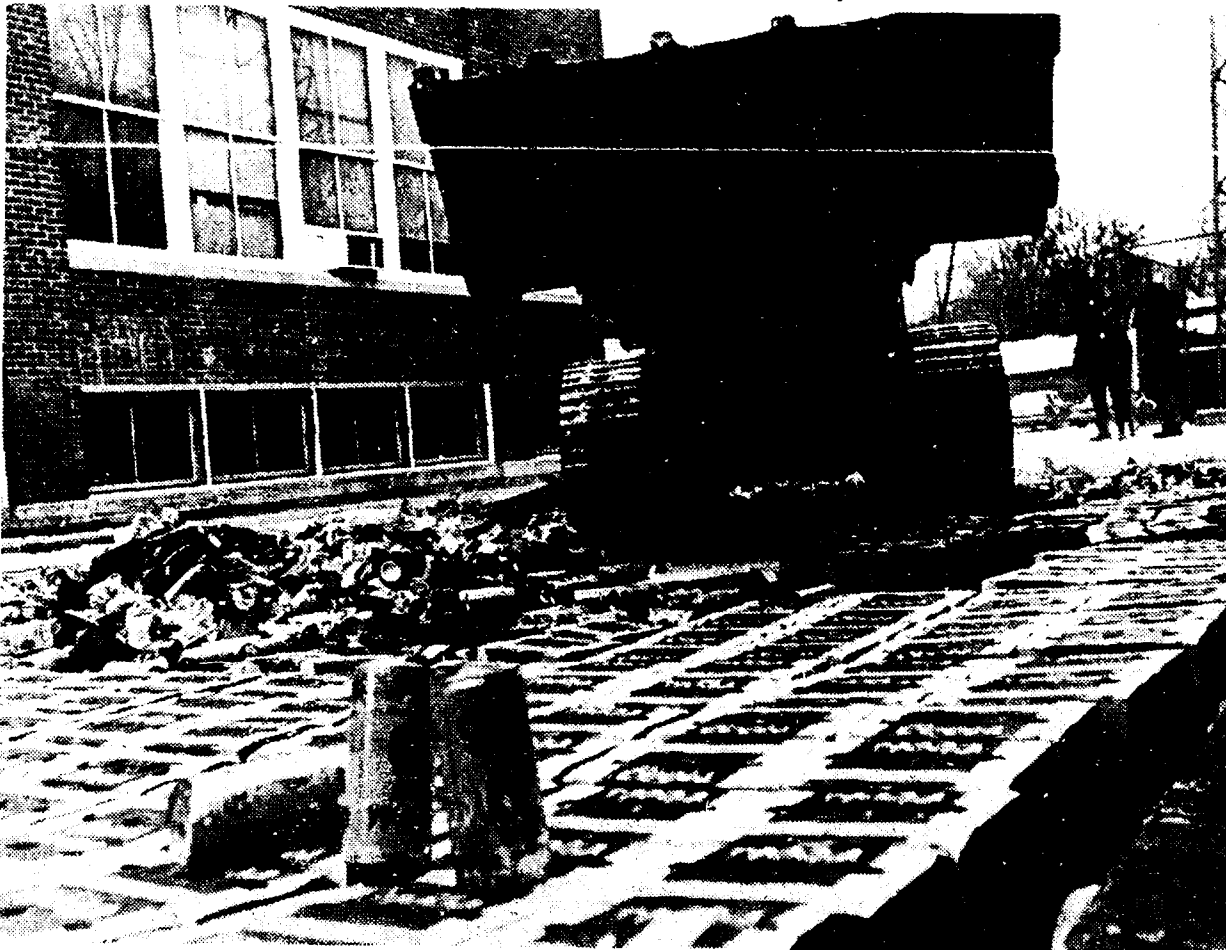

Photo by Tom Greenwood

Just a few seconds away from disaster, these three cans of Coors beer joined 9,597 other cans in melting the snow Friday morning, December 3. The beer, confiscated in an October raid, was

ordered destroyed by the state Liquor Control Commission—all 400 cases, 900 gallons, 115,200 ounces of it.

Agreement Reached On Storage

Attorneys for Woods Service Station Operators Agree on Guidelines Pending Zoning Law Amendment

By Roger A. Waha
When a combined total of 36 citations, (for motor vehicles), were issued to seven Woods service station operators for the outside storage of such vehicles on their premises, the dealers were naturally concerned over the public safety department's action.

The citations, which were issued in September, were in relation to possible violations of the city's zoning ordinance. But, now after meetings between Woods City Attorney George Catlin and Mark Cousins, general counsel to the Service Station Dealers Assoc., who represented four of the involved operators, an agreement was reached permitting the dealers to have vehicles on their property under specific guidelines.

May Amend Law
Based upon this agreement, Mr. Catlin said he will recommend to the council, as a reasonable solution to the problem, an amendment to the ordinance specifically defining storage. He indicated his recommendation will be made to the council sitting as the Committee of the Whole, (i.e., in executive session), with possible action on the proposal being taken (Continued on Page 12)

'Coors Caper' Reaches Climax As Farms Sewer Becomes Lone Beneficiary

Speculation Ends Regarding Denouement As 400 Cases Are Crushed in Parking Lot; Police Chief Says Case Is Closed with Entire Matter Being An Inconvenience

By Tom Greenwood
There was a flood of "suds" in The Farms last week. The flood came after a bulldozer gnashed and smashed 400 cases of contraband Coors beer, the fabled, but forbidden brew from Colorado. The beer, seized by Farms police in October, was destroyed Friday morning, December 3, after weeks of speculation over whether it would be condemned or sold for charity.

The state Liquor Control Commission finally decided the beer must go, after determining it had gone "skunky" and was unsafe to drink.

Just after daybreak, the beer was laid out in the parking lot behind the police station. A large construction vehicle started crushing the cans, but soon ran into problems.

Mixed Emotions
"We didn't know Mr. Coors made his cans so sturdy," said Det. Sgt. George VanTiem, in charge of the "Coors Caper." "We finally had to call in a bulldozer to finish the job."

After the bulldozer began tap dancing on the red and white cartons, cans, beer and foam flew in all directions. Not everyone was happy to see it happen.

A few firemen muttered darkly about throwing their bodies before the bulldozer, but cooler heads prevailed. "There's a crime being committed here," said another fireman, half-jokingly, "and the police are accomplices."

Reporters, photographers and a cameraman from a local TV station scrambled to record the destruction, while office workers peered from windows.

A nearby sewer became backed up with the brew, and a large, frothy head formed over the grate. "There's going to be an aroma of Eau de Coors around this parking lot for awhile," said Farms Det. Earl Field. "But at least our storage room is empty again."

After the deed was done, the crushed and crunched cans were dumped into a Reynolds Aluminum Co. truck. At 15 cents a pound, The Farms collected \$60 for the more than 400 pounds of reusable all-aluminum cans. The money went into the city's general fund.

Bernie Vanopdenbosch, of Pointe Asphalt Paving, Inc., did the actual crunching, and admits it was a weird sensation.

"It was a lot of fun," he (Continued on Page 10)

NH Band Starts Patron Program

The Band Department at North High School has initiated a "Patrons of the Band and Orchestra" program at the school to help boost the young musicians' funds for uniforms, scholarships and other programs.

Musicians can become a "Silver Patron" for a donation of between \$25-\$39 or a "Gold Patron" for \$40 or more.

All patrons are supplied family passes to all concerts and will receive regular band announcements and newsletters. Their names will be listed in the programs as well.

Interested persons may contact North's instrumental music head Nathan Judson at the school, 886-8100, or send their donations to Brett Hope, Jr., 2037 Allard road, Grosse Pointe Woods. (Continued on Page 13)

Passage of Bill Pleases GP Woods

Measure Gives Wayne County Communities Greater Control over Liquor License Issuance

By Roger A. Waha
Woods officials have expressed their pleasure over a bill, passed late last month in the State Senate, which would give communities in Wayne County greater control over the issuance of local liquor licenses. The bill is now awaiting the signature of Gov. William G. Milliken.

The bill, as passed, says applications for licenses to sell beer and wine or spirits for consumption on or off the premises have to be approved by the local legislative body.

As some Woods citizens realize, the city, which has stressed the "home rule" concept of government on various issues, has been at odds with the state Liquor Control Commission, (LCC), over the issuance of Class C licenses, (selling liquor by the glass), in the community.

Would Dismiss Suit
The municipality via unanimous council action in April 1975 instituted a lawsuit against the LCC. In a Wayne County Circuit Court hearing which followed, a temporary restraining order stopping the LCC from issuing any additional licenses during the pendency of the suit or until further order of the court was given.

The Attorney General's office filed an answer shortly thereafter to the lawsuit in which the LCC acquiesced to the issuance of the temporary injunction. And that's the way the situation currently stands.

However, if the bill becomes law, City Attorney George Catlin said the lawsuit would be a moot question. "I would move to dismiss it and dissolve the injunction," he stated.

"The passage of the bill directly restores the concept of 'home rule' in the area of Class C licenses to those municipalities in a county with a population of a million or more," (such as Wayne County), said Mr. Catlin.

The Woods Council strongly opposed provisions in the Michigan Liquor Control Act which they felt were unfair and discriminatory to local communities situated in counties containing a population of over 1,000,000. (Continued on Page 6)

School Trustee Accuses MEA in Power Struggle

Vice-President John Bruce Feels Board Is Victim of Attack, Allegations Denied; Status of Negotiations Explored at PTO/PTA Council Meeting

By Susan McDonald

In its attempt to protect management rights in negotiations with teachers, the Board of Education has become the victim of a Michigan Education Assoc., (MEA), attack, according to Board Vice-President John Bruce.

Mr. Bruce told the audience at a Tuesday, November 30, PTO/PTA Council meeting the Board "has become increasingly aware of the influence that local, state and national teacher unions have. They will utilize any tactic that will benefit their special interest," he said, pointing to alleged "misrepresentations and half-truths" disseminated locally by the Grosse Pointe Education Assoc., (GPEA).

Delusions of Grandeur?
"The Board of Education has been firm about its desire to protect management rights — and consequently, we have become a focal point for a MEA attack," he said.

MEA President David McMahon denied the allegations. "We have not singled out Grosse Pointe for anything, I'm no more interested in the situation there than I am in any of the other 115 units that have no contract yet."

"We offer each local the same assistance. I'm just afraid your vice-president is suffering from delusions of grandeur."

Mr. Bruce said in an interview after the meeting he sees evidence of the "attack" in the great deal of time and concentrated effort he thinks the MEA has put into Grosse Pointe, mainly in the form of technical assistance to the local unit at the bargaining table.

Denies Implication
"I'm not one to instigate confrontations, but I do believe Pointers should be aware of the overall movement of the state teacher's union," Mr. Bruce said. "This is a battle that is important to the MEA and the people here must understand that."

GPEA President Doris Cook also denied the implication that the state union is using the local for its own (Continued on Page 4)

Two Pointes Set to Fight Boosts in Sewer Rates

By James J. Njaim
Officials of the six municipal members of the South Macomb Sanitary District, (SMSD), which includes The Woods and The Shores, are scheduled for a second all-out battle against the Wayne County Road Commission's, (WCRC), proposed sewer rate hike.

The meeting on the proposal is set for today, December 9, at 3:30 p.m. at the commission's building, 415 Clifford, Detroit.

The first meeting between the WCRC and the SMSD was held on Wednesday, December 1, to review the proposed increases. The six members of the system voiced strong objections to the proposed increases, stating the grounds they are not justified and there is no need for higher rates at this time. Under the terms of the SMSD Bond Ordinance, enacted years ago to construct a four-mile long trunk sewer line, the road commission is required to give members six months notice of any intended jump in rates, before a public hearing is called on the matter.

2 Gunmen Hold Up Bar In GP Park

Twelve Persons Are Victims of Robbery; Bandits Escape with Undetermined Amount of Cash

Two armed robbers entered the Little Paris Bar, 15130 Mack avenue, on Saturday, December 4, and held up 12 customers and employees, and escaped with an undetermined amount of money, reported Park Police Lt. Gordon Duncan.

It was disclosed that the pair walked into the bar at about 3:30 p.m. One sat at a table near the front door and ordered two beers, while the second man went to the men's rest room, emerging almost immediately with a large nickel-plated revolver in his hand.

This man ordered all the customers to put their hands on the bar and announced a holdup.

Ordered to Rest Room
The lieutenant said that the man sitting at the table drew a handgun from his pocket, and pointed it at the 10 customers, the bartender and waitress. The 12 victims were ordered to empty all the cash from their pockets and put the money on the bar.

When this was done, the bandits emptied the cash register and then ordered all the people into a rest room.

They closed the door after telling the victims not to leave for at least five minutes. The pair then left the bar and escaped, method or direction unknown.

The man who went directly to the rest room was described as a white male, about 40-years-old, between 5'10"-6' tall, about 200 pounds, having dark brown hair with heavy sideburns and a "Fu Manchu" mustache.

He was wearing wire-rimmed tinted glasses, a three-quarter length light coat and dark trousers.

His companion, also was described as being a white male. He was said to be about 50- or 55-years-old, approximately 5'9" tall, about 180 pounds, wearing a dark short jacket and an old Fedora hat.

Activities Of Religious Group Aired

Residents Express Frustrations over Forever Family; Seek Assistance from City

By George Polgar Jr.

For many of the residents of Roslyn road who turned out at the Woods Council meeting Monday, December 6, to protest the presence of the Forever Family in their neighborhood, it was a final desperate appeal to their elected officials.

Almost two years have passed since the youthful religious group moved into a rented bungalow in Roslyn road and complaints of area neighbors concerning their activities have been constant.

The aggrieved citizens have met repeatedly with the council, with the city attorney and with police, but to no avail. They are frustrated and angry and have all but given up hope that something can be done.

Demand Action
With these prevailing moods the Woods Council meeting was alternately the scene of acrimonious assault and intermittent laughter. Both situations were prompted by the impossibility of the stand-off.

The Forever Family controversy came to the attention of the council again in the form of a petition signed by 14 immediate neighbors, calling for some action which would "help stop the decay of our neighborhood."

The first flurry of appeals from protesting neighbors called for the city to move against the Forever Family based on a zoning ordinance which limits the number of unrelated persons living in a dwelling to five.

"We know that more than five unrelated people are living in that house," said one citizen. "And the city has the fact on record, too. Many of the people living there have been ticketed and they all give the same address. If there are more than five people on record as living there why can't the city enforce its ordinance?"

City Police Stay with Local

City police officers will stay with Teamsters Local 214, even though the Police Officers Association of Michigan, (POAM), has decided to cut its ties with the union.

POAM's executive board voted on Monday, November 29, to disassociate itself from the Teamsters, in part because of the poor public image the union has had and the fact that Teamsters were behind in their payment of dues, according to POAM board member, Farms Patrolman Gordon Evans.

"The Local 214 is about as straight a group as you're going to find, but all the bad press the national is getting has made a lot of people nervous," said Patrolman Evans.

The Grosse Pointe Farms Police Officers Association will maintain its ties, for limited service only, with POAM, according to local president, Patrolman Clarence Reichling.

But City Patrolman David Teolis said he recommends that City police officers stay with the Teamsters, despite their somewhat tarnished reputation.

"They're still more stable and better organized than POAM," he explained. "I can't go with any organization that is always changing their format like POAM is."

In the past, POAM has served as a source of information on contract negotiations and laws affecting law enforcement for about 8,000 police officers. They have referred local police agencies that want to organize as a labor union to the Teamsters since 1972.

Now, however, POAM will begin organizing local unions under its own name, offering full service, for contract negotiations.

Forever Family Subject of Discussion

(Continued from Page 1)
The answer to this argument came from both the City Attorney George Catlin and Public Safety Director Henry Marchand.

View Harassment

"The fact that more than five people have given that house as their address for citations is not evidence that they are all living there now," said Mr. Catlin. According to Director Marchand, the high turnover of residents in the Forever Family house makes the suggestion of using citation records as proof of the zoning ordinance violation impossible.

"There is such a constant turnover in that house that a person issued a citation giving that address probably doesn't live there anymore," said Director Marchand. "We have found out that as soon as any of these kids get into any trouble in one state they move to another state."

The council was questioned as to the legality of the religious group's harassment techniques.

"Isn't there a law against someone walking along the street asking my son to come join their church even though my son has told them he is not interested?" a resident asked. "Isn't that some kind of harassment?"

Again, both Mr. Catlin and Director Marchand responded that harassment of that sort could not be found defined in any law book.

Not Change Problem

The discussion soon turned to changing the zoning ordinance to limit the number of unrelated people living together to two rather than five.

Mr. Catlin responded that just as the five-person limit was difficult to enforce, the two person limit would be equally problematic.

"Changing the number of people living in a house is not going to change the enforcement problem, and as far as the existing problem, a new ordinance would have no effect," he said.

"Because of the concept of nonconforming prior use, a new ordinance limiting the number of unrelated persons living together would not apply to the Forever Family

because they are already there. It would only apply in future cases."

The residents then expressed their wish that such an ordinance be enacted to forestall the possibility of further problems with other groups of renters.

(Since the Forever Family problem first came to the attention of the council a similar situation has developed further down Roslyn road where a group of renters have enraged neighbors by throwing loud parties and parking cars on the front lawn.)

Raises Question

On this suggestion Councilwoman Joan M. Mullen spoke out against changing the zoning ordinance limit from five to two.

"The problem is not with unrelated people living together. The problem is with people whose activities upset their neighbors," she said. "If we change this limit we will not only be stopping the 'bad guys' from moving in but the 'good guys' as well."

She went on to say that she saw no reason to prohibit two or three or up to five people from living together just because they might possibly be trouble makers.

"That means that three working women who want to share a house would not be permitted. Why shouldn't they?"

At this point a woman in the audience rose and began to taunt Mrs. Mullen with an argument that has often been raised by Roslyn road residents.

"Where do you live, Mrs. Mullen? Would you want to have these kind of people living next to you?" the citizen called out before she was ruled out of order by Mayor Benjamin W. Pinkos.

Mrs. Mullen answered that she lives in Sunningdale drive, even though Mr. Pinkos advised her that she did not have to answer.

Impose Tyranny?

Again the same woman, now recognized by the chair, burst out, "Oh, Sunningdale, I'd like to live on Sunningdale, too. It's a very nice neighborhood. You don't have to put up with the same kind of problems we have, do you?"

Mrs. Mullen answered that her neighborhood had the same, as well as other problems, all of which have nothing to do with unrelated people living together.

"You want us to impose tyranny to take care of this situation?" she told the emotional resident.

Other suggestions offered during the evening were having the house condemned, harassing the Forever Family with motor vehicle violation tickets, buying or renting the house away from the present occupants and cracking down on possible minors staying at the house. Most of these proved unfeasible.

Though stricter enforcement of all parking and noise-related ordinances is possible, it is beyond the resources of the police alone, commented Mr. Catlin and Director Marchand.

Woods Passes Parking Law

By George Polgar Jr.

In an effort to attack one facet of a spreading problem in Roslyn road and other areas of the community, the Woods Council enacted an emergency ordinance to limit the parking of motor vehicles between the curb and the front setback of residential properties.

This action was taken at the Monday, December 6, regular meeting.

According to an explanation by City Attorney George Catlin, the provisions of the new ordinance would make the parking of motor vehicles on the front lawn of a property illegal.

This ordinance would limit parking in front of a home to paved parking surfaces. These surfaces could not exceed 30 feet in width or take up more than 30 percent of the frontage.

"The exceptions to this ordinance are already approved lots serving multiple family dwellings, semi-circular drives and certain hardship cases," said Mr. Catlin. "In those cases the home owner would have to apply for a variance to the ordinance. This ordinance will become effective immediately on passage by the council."

The new law was drawn up in direct response to complaints of Roslyn road residents at a recent council meeting concerning the parking of motor vehicles on the front lawn of a home in Roslyn road.

The parking situation was only one of many charges brought against residents of the home, and concerned citizens turned out in force to voice their various complaints.

"We are trying to solve a specific problem of parking in this instance; the other issues will be dealt with later," said Mayor Benjamin W. Pinkos, who admonished a resident who attempted to comment on other situations arising from the living arrangement of a particular group of renters.

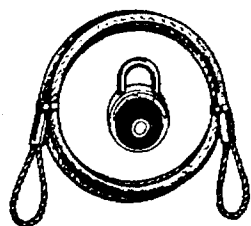

The residents of Roslyn road have expressed their belief that some action must be taken to protect their neighborhood from the influx of groups like the Forever Family and the other group living in the street.

The council adopted the proposed ordinance after stipulating that paved surfaces do not include gravel drives and changing maximum allowed paved area of frontage from 40 to 30 percent.

The penalty for the violation of this new emergency law is 90 days in jail and/or a \$500 fine.

Lions Clubs Getting Set For Goodfellow Sale

By George Polgar Jr.
Members of the Grosse Pointe Lions and Woods Lions Clubs will hit the streets on Monday, December 13, selling their special Goodfellow edition newspapers to raise funds to provide Christmas baskets for needy families, and also for the variety of charitable causes supported by the Lions.

This year the GP Lions have set a financial goal of \$6,000 for the drive while Woods Lions are expecting to sell about 500 papers toward a goal of above \$1,500.

Members of both clubs will be aided as they have in the past by Pointe police and firemen in their street corner collections.

The current president of the GP Lions is Walter Wilson and co-chairmen of this year's drive are Richard Fischer and Nicholas J. Leto. Woods Lion officers are president Thomas Clarke, while the drive's chairman is John Deising and co-chairman is Bob Fisher.

Among the organizations receiving donations as a result of the Lions drives are the War Memorial, Boy Scouts of America, Michigan Lions Eye Bank, CARE, Glaucoma Clinics and Lutheran School for the Deaf. The clubs also obtain eyeglasses for needy people with vision problems and donate to local scholarship funds.

Other recipients are Leader Dogs for the Blind, Welcome Home for the Blind, a Grand Rapids home for elderly blind persons from all over the state, and the Penickton Center for physically handicapped pre-schoolers.

Both Pointe clubs urge residents to support them in their drive to provide aid to these worthwhile charities.

Woods Lions Club secretary Adolph Angelilli also reminds Pointers to notify the Lions if they know of any needy families in the community who could use aid. The Lions also are open to suggestions for community projects that might be funded by the club's drives.

GPF Boat Club To Light Tree

The Grosse Pointe Farms Boat Club will sponsor the sixth annual Tree Lighting Ceremony at the Pier Park on Sunday, December 19, at 5:30 p.m.

All residents of The Farms are invited to attend with carol singing by Saint Philomena's Choir a planned part of the occasion.

Mayor and Mrs. James Dingeman will be present and Miss Grosse Pointe Farms will throw the switch. Following the ceremony, coffee and cocoa will be served at the boathouse.

Bill DeGalan has been busy in his workshop refurbishing the 1,100 bulbs that go into making the tree. He and Jerry Janisse designed and made the tree originally, and each year make sure Farms residents and all who travel Lakeshore road can enjoy the tree lights.

Little attention is paid to the drama and tragedy that happens to most people in their everyday experience of life.

Get Flu Shots At GP Academy

Volunteer physicians and nurses from Bon Secours Hospital will join the American Red Cross in staffing a swine flu inoculation center at the Grosse Pointe Academy, 171 Lakeshore road, on Saturday, December 11.

From 10 a.m.-5 p.m., the staff will vaccinate persons over the age of 18 with one of three vaccines.

A mono-valent vaccine protecting against swine flu only will be available to the general public.

Senior citizens and persons suffering from chronic illnesses will receive a bi-valent vaccine which will guard against both swine flu and the A/Victoria strain.

Because the immunology mechanism in young people is somewhat slower, those who are 18-24-years-old will receive a vaccination that will require a booster shot in one month.

Significant numbers of people in this age range received a first inoculation on November 12 at North and South Schools. The inoculations on Saturday will offer them an opportunity to receive the booster.

Parking will be available in the parking lot of Saint Paul's Church, 157 Lakeshore road, providing easy access to the Academy through the Lakeshore administration area.

Choirs to Give Yule Concert

The three choirs of Saint James Lutheran Church, McMillan road near Kercheval avenue, will present a concert of Christmas music Sunday, December 12, at the 11 a.m. service.

Under the direction of Herman Klein, the chancel choir will include in its numbers the singing of "The Snow Lay on the Ground" and "Do You Hear What I Hear."

The children's choir, made up of boys and girls in grades one through four, directed by Mrs. Frank Dicey, will sing "Gloria" and "Glory to God."

Finally, the bell choir, directed by Mrs. Robert Ambrose, also will be a part of the concert. The handbell choir and the chancel choir will jointly present "Christmas Carol of the Bells."

The congregation invites its community friends to participate.

Officers Picked by Men's Club

The Acacia Masonic Retired Men's Club held its annual election of officers for 1977 on Monday, November 29, at Pointe Masonic Temple, 1850 Vernier road.

Those elected included Harold K. Howell, president; John S. Profant, first vice-president; Wilfred Bergeron, second vice-president; Charlie P. Huggins Sr., treasurer;

Harry Buckerrough, secretary; and John Caullay, sergeant at arms.

They will be installed on Monday, December 13.

Any senior retired Master Mason in good standing may participate by three attendances any Monday morning. Recreation transpires before meeting at 10:30 a.m. and after lunch.

Board Vice-President Accuses MEA in Power Struggle

(Continued from Page 1)

"As far as we're concerned the MEA and the NEA exist as a service to our members, not as a governing body," Mrs. Cook said.

"Every contract year we start out with a new group of bargainers right out of the classroom. The state provides us with legal advice, research and statistics so we

School Board Meets Monday

The regular monthly meeting of the Board of Education will be held Monday, December 13, in the Board Room of the schools' Administration Building, 389 St. Clair avenue, at 8 p.m.

The meeting is open to the public.

know what is going on in other districts."

Mr. McMahon also said that for about every 800 union members, the state union provides one staff liaison. MEA employee Al Gaiss serves the 600-member GPEA along with a few other small locals in the area.

The Board of Education requested a spot on the PTO/PTA Council's monthly agenda in order to present its viewpoint of negotiations with the union and to "find out what citizens are thinking about the way things are being handled," said Trustee Joan Hanpeter.

About 70 parents, teachers, administrators and five Board members were present.

Many of the school administrators present echoed Mr. Bruce's statements, including chief negotiator for the Board,

William O'Connor.

"These negotiations have not only been concerned with economics," Mr. O'Connor said. "From day one, my team has been asking one basic question: 'Who is going to control the school system?'"

Superintendent of Schools Dr. William Coats added, "What we're talking about is the very survival of local control of school districts, not just here, but across the country."

While many citizens speak-

ing from the audience at the meeting said they appreciated the Board's position, most insisted that a quick resolution of the contract is in the best interest of the community.

"I realize there is a power struggle here," said one man, "but I would like to see it buried and a contract agreed upon."

Ann Berry, who served as millage campaign co-chairman last spring, expressed the concern of many about the affect prolonged negotia-

tions will have on school financing.

"We won't have a chance of passing the millage this year if the contract is not settled soon," she said. "So think about that."

Both Board members and union representatives, who responded to questions from their seats in the audience, said the meeting was helpful and they'd like to see more public discussion of the issues.

"I hope it was informative for the citizens and I know it helped me to hear the concerns of our citizens," said Mrs. Hanpeter.

Mrs. Cook concurred that the meeting was informative, but added it would have been more appropriate if the union had been allowed to present its case from the podium as the Board did.

Woods Police Pick Officers

After the ballots were counted last week, Officer Stephen Petrik was elected the new president of the Grosse Pointe Woods Police Officers' Association. His one-year term, along with

the other officers, will begin Saturday, January 1.

Others elected to association posts include Thomas Morawski, vice-president, Robert Kwiatkowski, secretary, and Paul Crook, treasurer.

Woods Pleased by Bill's Passage

(Continued from Page 1)

They particularly cited a provision of the statute, (via a resolution), which provides that local legislative bodies must approve the issuance of Class C bar licenses as a prerequisite to approval by the LCC, but cities located in counties of more than 1,000,000 population have no such voice or approval authority over the issuance of such licenses.

Now, with the passage of the bill in the House and Senate, local communities in a county of more than 1,000,000, will have such control, if the bill becomes law.

According to the bill's provisions, local governing units of all Wayne County communities, except for Detroit, will have the authority to approve or disapprove licenses for on-premise liquor consumption. Under the present law, Wayne County establishments must apply to the LCC for a liquor license.

The bill puts communities in Wayne County on an equal basis with all other communities in the state.

Meanwhile, due to the large number of liquor establishments in Detroit, that city will continue to make application for liquor licenses to the LCC.

Strengthens Position

Rep. William R. Bryant Jr., who, at the request of Woods officials, introduced House Bill No. 5498 last fall, which provided the foundation for the "final product," said the governor's staff sees no problem regarding his signing of the measure.

He indicated the bill, if signed, will have immediate effect with the governor having.

DENTIST HONORED

Dr. Daniel Pierron, of The Pointe, was inducted as a Fellow of the International College of Dentists at the recently held College Convocation in Las Vegas, Nev. The college, which is an honorary organization for the recognition of outstanding and meritorious service to the profession, presented Dr. Pierron a membership plaque and gold key symbolic to his membership in the college for conspicuous service rendered the Arts and Science of Dentistry.

ing until around Wednesday, December 15, to sign it.

Reacting to the bill's passage in the senate, Woods City Administrator Chester E. Petersen said, "I think that gives cities of Wayne County the same prerogative as other cities in the rest of the state. It strengthens our position that our ordinance adopted by referendum, (in November 1952), is a valid ordinance with the city having the right to determine the number of Class C licenses in the community."

(The ordinance restricts the council to approval of only three Class C licensed establishments within the city. In relation to this, the LCC in July 1971 notified the city that, under the 1970 Federal census, the municipality's population was such that The Woods was entitled to have 15 Class C licensed establishments in accordance with the population formula contained in state statutes).

Mayor Comments

Noting that his city has always been a stringent advocate of the "home rule" concept of government, Mr. Petersen added, "Our city did take the initiative to introduce the legislation and we're happy to see some results of our initiatory action."

Meanwhile, Mayor Benjamin W. Pinkos said the Michigan Municipal League voted last week to send a telegram to the governor asking him to approve the bill.

"The council and I have no intent of increasing the amount of Class C licenses in the city," he stressed, while citing the municipality's law limiting the number to three.

As for SDM licenses, (carry out, beer and wine), and SDD licenses, (carry out, hard liquor), the mayor indicated the council by majority feels the current number of such licenses is sufficient to take care of the citizens' needs today. The Woods has 12 SDM licenses and six SDD licenses. These licenses, he noted, aren't really limited according to ordinance and are considered based on need and usage.

Cites Problems

Emphasizing he's in favor of the bill as passed, Mr. Pinkos said, if the measure

becomes law, potential problems might be on the horizon.

Citing some past problems with the LCC, ("with or without our consent they determined the amount of SDM and SDD licenses and proposed to do this with Class C licenses"), he said a community may have a council, (in the future), so disposed to aggravate the condition more than the LCC by issuing licenses in a "hodge-podge" manner.

In the case of The Woods, he felt the law controlling the number of Class C licenses, for example, was effective enough to control the actions of future councils in this respect.

While the bill which passed the House and Senate was ultimately introduced by Rep. William Keith, Rep. Bryant said the bill he introduced provided the ground work for the cleared measure.

"The present act was an example of unreasonable provisions discriminating against communities in Wayne County," said Rep. Bryant.

"The legislature finally agreed there was no legitimate reason why our communities should not have the same authority to restrict the issuance or re-issuance of liquor licenses that all communities outside of Wayne County have always had."

SATISFY MY NEEDS

"O God, I beg two favors from you before I die: First, help me never to tell a lie. Second, give me neither poverty nor riches! Give me just enough to satisfy my

needs! For if I grow rich, I may become content without God. And if I am poor, I may steal, and thus insult God's holy name." (Proverbs 30: 7-9)

Tax-Deferred Earnings For Your Retirement

Your opportunity
to retire rich.

If you are not covered by a regular pension plan (other than Social Security), you are eligible for an Individual Retirement Account (IRA) at Detroit & Northern. With an IRA, you can save up to \$1,500 or 15% of your gross annual income (whichever is less) and not pay income taxes on it until you retire. The earnings from your savings are tax-deferred until retirement too. You save for your retirement while you cut your income tax bill. The table below shows how your retirement savings build if you were to deposit \$1,500 per year to your IRA at D&N.

Number of Years	IRA Tax-Deferred Savings Account At \$1,500 Per Year
5	\$ 8,809.97
10	21,789.10
15	40,910.37
20	69,080.45
25	110,581.52

This table assumes \$1,500 deposited on the last day of each year in D&N's 7% savings certificate.

With an annual deposit of \$1,500, at the end of five years you would accumulate \$8,809.97. Assuming you had to pay a 25% income tax each year on the deposits and their earnings, you would only have \$6,607.48. With IRA you save \$2,202.49 from your tax bill. At the end of 25 years your income tax savings would amount to \$27,645.38. Is it in your best interest to open an IRA today at Detroit & Northern? No question about it.

Besides tax savings, though, there are more good reasons for starting your Individual Retirement Account at D&N. Check these benefits:

1. **High rate of return.** Our high interest savings plans are available, including one with an effective annual yield of 8.05%.
2. **No cost.** Currently, you pay no start-up or operating costs.
3. **A record of earnings.** Each participant receives a statement which reflects all deposits and accrued earnings.
4. **Eliminates investment risk.** Your money at D&N is not subject to the uncertainties or fluctuations of the money market.
5. **Insured safe.** Deposits are insured safe by a permanent agency of the U.S. Government and by the strength and experience of a pioneer Michigan financial institution.

Simply send us the coupon below for information on how to get started. Send it today.

Pointes to Fight Boost in Rates

(Continued from Page 1)
ing that the WCRC's proposed hike is unwarranted and every legal means will be used to block the commission.

Mr. Petersen said that at the first meeting, the members showed commission officials discrepancies in the commission's proposal and a second meeting was arranged to continue the review.

"Detroit raised its sanitary sewage disposal rates in April 1975, and now, the county road commission comes up with its own rate increase," said Mr. Petersen. "We pump into a major interceptor, over which the county has jurisdiction, and from there it is pumped into a Detroit trunkline to a treatment plant in that city."

"We are going to battle this all the way because we do not think that such an increase is justified. At the next meeting, (today), they, (the commissioners), are supposed to present additional figures, since we cannot seem to agree."

The Woods city administrator said the WCRC claims that it needs operating capital, or cash flow to pay Detroit's fees and penalty charges for late payments. No community in the northeast district is guilty of making late payments, but the commission might have had some problems with downriver communities, he pointed out.

He also said that commission officials claim that capital is needed to pay off the interceptor bond issue in the district. This bond has been paid off years ago, he said.

James Hamilton, road commission engineer, said about 34 percent of the approximate overall total of the 55 percent hike is for operating

costs and maintenance. The balance will be set aside for a three-year amortization of a \$208,000 deficit caused when the commission was unable to pass along its increase to its customers and to build up an operating fund to erase the commission's cash flow problems on the sewer operations.

He also said that payment to Detroit is due on the first day of each quarter, which the commission is unable to meet because its customers haven't yet paid their bills, resulting in late fees and penalties.

Mr. Petersen repeated that the northeast communities pay their bills on time and as far as the six-member system is concerned, it is not fair to them.

Probably where some of the deficit comes from, he added, is in the meters recording the flow of sanitation sewage from the six cities. The meters are owned and maintained by the commission, he said, and possibly need repairs.

"What the road commission is asking in its rate increase is not justified. We will fight this legally. What it is asking is bigger than

that demanded by Detroit in April 1975," Mr. Petersen said. "If we lose our fight, it will certainly leave a big dent in our current budget."

Meanwhile, Mr. Jefferis said, "What the commission is asking for is out of line and we certainly intend to fight this all the way. If we lose, then, of course, we will have to pay and this will hurt our fiscal budget."

The commission's requested increase means that the sewage fee rates will go up from \$1.054 per 1,000 cubic feet to \$1.635 per 1,000 cubic feet, making the net increase about 43 percent.

Besides The Woods and The Shores, the other members of the SMSD are Harper Woods, St. Clair Shores, Roseville and East Detroit.

If the commission wins its battle, the proposed rate increases will still need the approval of the Wayne County Commissioners' Board of Department of Public Works.

The county owns two of the four pumps in The Farms' sanitation pumping station at Kerby and Chalfonte roads, which is used to pump sewage from the four-mile trunkline stretch into a Detroit interceptor for treatment in a Detroit plant.

Mrs. Peters No Longer Champ

All good things come to an end, and so it is with state lottery winnings. Mrs. Margaret Peters, of The Farms, lost in her bid to win another \$100,000 in the state Michigan lottery last Thursday night, December 2.

Don't feel too sorry for her though. Along the way, she won \$412,500 in four weeks as the champ. Not a bad return for a 50-cent investment.

Mrs. Peters and her husband, Vince, plan to take an extended second honeymoon to Hawaii with her winnings. The Peters celebrated their 29th wedding anniversary last month.

After Mrs. Peters was dethroned as champion she received a check for \$82,500. She will receive four more checks just like it over the next four years.

Aloha, Mrs. Peters. The advice of some people should be accompanied with very carefully printed directions.

The first tax shelter for the little guy.

If you're not now in an employer-sponsored pension or profit sharing plan where you work, act fast and you can save yourself a lot of tax dollars this year. You can postpone paying Federal income taxes on 15% of what you earn this year, up to a maximum of \$1500.* By opening an Individual Retirement Account (IRA) at National Bank of Detroit by Dec. 31.

How it works.
An IRA is your own personal pension fund. The money you put into the IRA, and the interest that money earns, are exempt from federal income taxes until the money is withdrawn. At retirement age, when you begin to withdraw money, you're likely to be in a lower tax bracket, which means an additional tax reduction.

We'll help you set it up.

You can open an IRA at any NBD office. We'll answer your questions and help you select the NBD savings plan that's best for you. And you can walk away secure in knowing your money is protected by the Federal Deposit Insurance Corporation, and by the substantial capital of Michigan's biggest bank.

Open your account now.

Interest rates on savings at NBD have never been higher—a full 7-1/2% annual interest over 6 years on Investment Savings Certificates in amounts of \$1,000 or more. (Substantial interest penalty required for early withdrawal.)

Come in and open your IRA today. It's about time you got a tax break. But you have to act now.

*Has your company terminated its pension plan? Have you changed jobs so that you will receive money from your previous employer's pension plan? You can tax shelter that money in an IRA if you open the account within 60 days after you receive the funds.

Making banking better for you.

Wealth may be a curse, but those who have it swear by it.

Picking the proper wine glass can be an art in itself. The best glass is one that makes wine taste and look its best. If you want one all-purpose wine glass, experts recommend that it have these four qualities: it should be clear to show the wine's color and clarity; it should have a stem to keep the heat from your hand from interfering with the serving temperature or the aroma; it should be tulip shaped so that the aroma can more easily reach the nose; and it should also be large enough so that an average four ounce serving fills the glass half way or less. The rest of the space is for the aroma. Of course, the most important thing is that you enjoy it, and that you like the taste.

We at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of St. Clair, 885-0626 will be happy to recommend a wine we think will suit your taste. A bottle of wine can add a touch of gaiety and conviviality to a holiday dinner party. Your complete party store, we can take care of your needs whether you are having an elegant party or just beer and sandwiches. Open 10-10 Mon-Thurs; 10-11 Fri. Sat; noon-10 Sun.

WINE WISDOM:

Sherry is best served in a 4-5 ounce glass that is wide enough at the top for just sniffing the aroma.

Because the brew is not sold in Michigan, local news of the beer bust soon blossomed into a story of national interest.

Farms police received calls from papers and radio stations in Texas, New Mexico, Colorado, Connecticut and Massachusetts wanting more information.

Letters streamed in from across the nation. Some urged, while others demanded, the beer be saved and auctioned off for charitable purposes.

One writer from Pasadena, Calif., even asked Det. Field to send him a crushed Coors can "to add to his crime memorabilia collection." He was turned down.

The police still have no idea who bought the beer. It was stored in an empty house in Muir road one night, and after police surveillance failed to turn up any suspects, the beer was confiscated.

"As far as we're concerned, the case is closed," said Farms Police Chief Robert K. Ferber. "The entire matter has been an inconvenience and we're glad it's over. At last our storage room is open. We really need the space."

Beer Bust Is Go

Officials from the Liquor Control Commission kept five cases of the beer to be used as evidence, in case the owner of the brew ever turns up.

But all is not lost. The idea of using a beer bust for charity has led a Pointe resident, George Williamson, and WJR radio personality, J. P. McCarthy, into throwing a Stroh-a-Party next month.

"We really wanted to auction the Coors off for charity," said Mr. Williamson, "but unfortunately, it just wasn't possible. J.P. and I got together and thought that if it couldn't be done with Coors, we could do it with Stroh's."

The fund-raising party is scheduled for January 27 at the Stroh Haus. Proceeds will go to "Spaulding for Kids," a charity dedicated to placing adoptable children into homes.

"We haven't established a ticket price yet, but we plan to have entertainment and local celebrities," said Mr. Williamson. "We also hope to auction off articles donated by celebrities. Everything we collect will go to charity."

Who knows, maybe the guy who bought all the Coors originally will even buy a ticket. He might as well. He's "paying" for the party.

Pointers with 'Roz' on Visit to Detroit

ROSALIND RUSSELL, (center), poses with the founding members of the Kenny-Michigan Rehabilitation Foundation during one of her many fund raising visits to Detroit. Her daughter's recovery from polio made Roz a life-long booster of charitable causes. In the front row, (from left to right), are the late Dr. FRANK PURCELL of The Pointe, Dr. ETHEL T. CALHOUN of The Pointe and active associate director of the foundation, the late Dr. JOHN R. WILT,

Miss Russell, the late DEXTER HORTON, DONALD CARNEY and STEVEN JAY of The Pointe. In the back row, (from left to right), are the late WILLIAM HUBBARD, KARL L. VOGELHEIM, the late Judge CARL M. WEIDEMAN of The Pointe, (his son, Carl Weideman Jr., also of The Pointe, now serves as secretary of the foundation), and DANIEL C. FISHER. The picture dates back to the 1940's.

Pointer Recalls Fond Memories of Roz Russell

By George Polgar Jr.

The death last week of Rosalind Russell was marked by the usual front page obituaries befitting a great star of the stage and screen, but for a number of Detroit and Pointe area residents her passing was a more personal blow.

Thirty years ago Miss Russell lent her name and fame to the cause of fighting polio and, as a direct result of her efforts, a group of prominent Detroit area citizens, many from the Pointes, founded the Sister Kenny-Michigan Foundation.

The name of the charitable organization, initially formed to fight polio and now dedicated to aiding all disabled persons, is in honor of the enterprising Australian army nurse who brought the concept of manipulative therapy to the United States.

According to a long time Pointe resident, Steven Jay, who was one of the founding members of the Sister Kenny-Michigan Foundation, Elizabeth Kenny came to this country with a polio treatment which supposed that a major part of curing the disease involved removing the mental block against

moving aching joints.

"Well, she came here with this revolutionary concept and was doubted by many doctors. Then, she went to Minneapolis and started treating some patients up there with great results," he explained.

"About this time Miss Russell's daughter was suffering from polio and she heard about Sister Kenny's work, (Sister is the standard term for a military nurse in Australia).

"So Miss Russell went up to Minneapolis and asked Sister Kenny if she would come to her home and treat her daughter. She offered her \$50,000. Well, Sister Kenny gave it right back and told Miss Russell that she wasn't doing her work for money and suggested that she donate the \$50,000 as a contribution toward her work."

At this time a Kenny-Foundation had already been established in Minneapolis and that city was her base of operations. That foundation was already firmly grounded enough to have a Detroit chapter affiliated with it.

Mr. Jay continued, "Well, finally Sister Kenny went to Miss Russell's home and after a few weeks totally cured her daughter. Roz was so grateful that she became very active in Sister Kenny chapters and foundations all over the country. She came to Detroit a number of times and helped raise a lot of money."

Today the State organization under the new name of Kenny-Michigan Rehabilitation Foundation is involved in services ranging from diagnosis, therapy and loans of equipment to communities setting up centers to aid disabled persons.

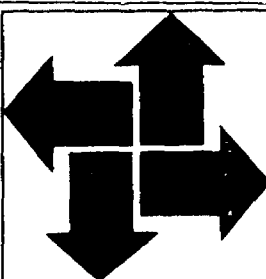

While many of the Pointers who assisted in the founding of the organization have passed away, Mr. Jay thought that they as well as Miss Russell should be remembered for their work.

North Offers Yule Shopping

Christmas shoppers on a tight budget can take advantage of the "Scrooge Fifth Avenue" being offered on Sunday, December 12, from 12 noon-6 p.m. at the North High School "North Pole."

The "Scrooge Fifth Avenue" is a combined result of the efforts of five pre-vocational classes.

An array of inexpensive Christmas gifts including, knit items, wreaths, gift soaps, towels, stockings and candles have been assembled by the Distributive Education, Commercial Foods, Business Education, Adjusted Learning Program and the Art Department.

A GIFT FOR ALL SEASONS.

It's a unique book that never becomes obsolete. It combines prose, poetry, history and science. And it can inspire your loved ones to find peace of mind, purpose, and healing through a deeper understanding of God.

It's the King James Version of the Bible.

Why not give the Bible today to someone you love? You're welcome to stop in at a Christian Science Reading Room, and browse through the many editions we have to offer. There are paperback, hardcover, and genuine leather editions. Also foreign language and Braille editions. And while you're there, ask the librarian how Christian Science can help you discover new meaning to the Scriptures.

Reach Agreement

(Continued from Page 1)

sometime next month. As a result of the pact, the citations were dismissed pending compliance, and there was no reason for the operators to appear in court on Wednesday, December 1, to answer the charge.

The agreement, which contains three points, was called reasonable and fair by both attorneys. According to the pact, vehicles under repair will be permitted to be parked outside on service station property for a 24-hour period provided the number doesn't exceed two vehicles per service stall.

Second, if a vehicle is parked longer than 24 hours, that's permissible, provided notice is furnished to the public safety department. The dealer also must give the department an estimate of how long repairs will take. And time extensions shouldn't exceed five days without the approval of the public safety director.

City's Objective
Third, vehicles may include "ordinary vehicles," e.g., cars, trucks, vans, et al., but no renting of parking space will be permitted to any party.

"The object the city wants to attain is that service stations in the community will not be utilized as parking lots," stressed Mr. Catlin. He added his recommendation to the council will be in the area of making a more definitive statement on what storage is and to provide a legitimate use of the parking of such vehicles.

The affected section of the ordinance, which falls under commercial district, permitted uses, says, "Gasoline service stations when approved by the Board of Appeals; such service stations shall also be permitted to do minor automotive repairs and installation, including installation of mufflers, provided that the provisions hereof shall not be construed so as to permit outside storage of automobiles, or auto wash establishments, or muffler installations where such is the primary business activity."

Dealers Had Input
For his part, Mr. Cousins, who represented the Grosse Pointe Service Center, Ray Summers Service, Connolly Brothers and Dale's Standard

Service, all in Mack avenue, said, while he represented the four businesses, the agreement also applies to the others.

Indicating that the dealers had input into the pact, Mr. Cousins noted each side recognized the interest of the other, i.e., the need for some kind of storage of vehicles for the operators and the city's concern over the situation getting out of hand.

The three other service stations which were originally issued citations include Joseph's Service Center, Woods Service Center and Richards Service, all in Mack avenue.

**Church Choirs
Slate Concert**

The life of Saint Nicolas, universally known to children in his disguise of "Santa Claus," will be depicted in an evening performance of the late Benjamin Britten's cantata, "St. Nicolas," by the combined choir of Christ Church, Grosse Pointe, 61 Grosse Pointe boulevard, on Sunday, December 12, at 7:30 p.m.

Mr. Britten, a leading composer of the 20th century, finished "St. Nicolas" in 1948. One of the most sensitive and successful creators of vocal music in recent times, he passed away on Saturday, December 4.

Saint Nicolas, who lived during the fourth century, is the patron-saint of children, seamen and travelers. He is the hero of many popular legends, but few facts of his life are certain.

The choir of men and boys, the girl choir and the Christ Church Chorale will perform the cantata with a chamber orchestra comprised of members of the Detroit Symphony Orchestra. The performance will be under the direction of Frederick De Haven, Christ Church organist and choirmaster.

Phillip Mooney, a reknown Detroit-area tenor, will sing the principal role of Nicholas. Other soloists include boy sopranos from the Grosse Pointe area.

For further information on the concert and tickets, which are \$2.50 per person, contact the church at 885-4841.

Foreign Study Program Slated

For the first time in several years, the public school system is sponsoring a summer foreign study travel program for Pointe students who have completed grades nine through 12 or their freshman year in college.

The trip, scheduled for June 30-July 28, is sponsored by the Foreign Study League, a subsidiary of the Readers Digest Assoc., Inc. It will include visits to Madrid, Rome, Florence, Salzburg, Paris and London.

The program cost of \$1,460 includes all travel expenses, lodging, two or three meals a day, gratuities, insurance and textbooks.

More information about the program will be presented at a meeting Thursday, December 16, in Brownell Middle School's music room, 260 Chalfonte road, at 8 p.m.

At the meeting, the Michigan director of the study league will describe the travel program, expenses and

answer questions from the audience.

The advisory staff from this side of the ocean will include South High instructors Norman DuCoin, Alma Fleming, Robert Rathbun and John Rice. North High teachers planning to travel with the group are Geraldine Bertovick, Mary Beth Carduck, Herman Klein and Jack Schwan.

William Taylor, a teacher at Brownell, Sharon Vachon, from Mason, and Robert Welch, director of secondary education, also plan to join the group.

In addition, the students will be guided by qualified foreign instructors.

The schools would like to sign up about 40 students for the trip. Although there will be ample opportunity to improve foreign language skills through the program, they are hoping to attract students interested in the arts, music, history and sciences as well.

The Board of Education will soon consider a proposal to give five hours of high school credit for the program, according to Mr. Welch.

Interested persons should call 685-2000, extension 14, for further information.

by Fred Seltzer, R.Ph. THE PARK PHARMACY

Cerebral palsy is a condition in which a person is not able to control muscles voluntarily because of damage to the central nervous system. The condition is not inherited and is not transmitted from person to person. The cause is damage to the motor areas of the brain as a result of such factors as birth injury, RH incompatibility between mother and child, and disease conditions such as German measles during the first third of pregnancy. Cerebral palsy is another reason why prenatal care by your physician is so necessary.

This is the week to check your medicine cabinet for first aid medications and other health aids to take you safely through the holiday season! At THE PARK PHARMACY, 15324 E. Jefferson, Grosse Pointe Park, we have a complete supply of all your health and beauty needs. Our professional prescription department offers prompt, personalized service. We also carry a full line of convalescent aids for rent or for sale including wheel chairs, walkers, crutches, commodes, etc. Visit THE PARK PHARMACY for greeting cards, liquor, fresh candies and baby supplies. We are open daily until 9 P.M., weekends until 8 P.M., and Sundays from 10 A.M. until 3 P.M. Call us at 822-2580.

Nutrition Program

(Continued from Page 1)

such as bingo and cards are on the docket for this week.

"We also hope to begin helping them with their income tax and legal affairs, plus planning some field trips," she said. Such excursions might be to the new Fairlane Shopping Center in Dearborn and to Frankenmuth.

For every 100 people fed at the site any given day, 15 home-bound citizens can be served with the meals being sent out via volunteers. Happily, both ladies report many volunteers are participating in such deliveries, in setting up tables, serving meals, et al., but some aren't steady on a day-by-day basis.

While consistent volunteer help remains a need, they want the entire community to become involved, including younger people. Mrs. Alek said those who are interested in helping out should

call Sandy Anderson, site coordinator, at 224-0953.

With the amount of seniors consistently growing from week-to-week, the ladies are decidedly pleased over the interest and enjoyment being expressed by seniors over the program. But they noted the interim site isn't conducive for expansion.

As soon as the Grosse Pointe Woods Presbyterian Church becomes available to house the program, (this is scheduled for Tuesday, January 4), they feel around 800 people could be served.

"We've heard nothing but good comments on the food. Citizens have said it's tasty and that they get enough," said Mrs. Alek. The meals, which aren't highly seasoned, have included such dishes as Salisbury steak, chicken chop suey over rice and frankfurters, along with a vegetable, salad, dessert, bread and coffee, tea or milk.

The lunch is free although a 50-cent donation is requested but isn't mandatory. Up to this point, Mrs. Alek noted most of the seniors have been paying for the food.

Those close to the program admit the socialization aspect is decidedly important with the biggest need of many participants being to be with their fellows. But the nutritionally balanced meal also remains a necessity.

For instance, the ladies reported that a 69-year-old Woods woman has apparently been living on a primary diet of peanut butter and pop since her husband passed away. She's lonely and comes all the time to site, they said. Having no one else, her only recourse in case of emergency is to call police.

In another instance, a senior, who suffers from emphysema, comes to the site to pick up a meal for his invalid wife, they added.

So from the indications at this time, the program is serving a definite need in the community. Open to all seniors in the county, it utilizes federal funds under Title VII of the Older American Act with The Pointe's interim site being one of over 300 such locations in the county.

Jewelry Taken In Woods B-E

A variety of articles, including several pieces of jewelry, were taken from 45 Allard road home Friday afternoon, December 3, according to Woods police.

The resident told police he and his wife left home around 4:30 p.m. and returned over two hours later to find their rear door closed but a window broken. Police said entry was through the back door via breaking the glass. Screwdriver pry marks also were found on the door.

Items missing include a man's turquoise ring in a gold setting, valued at around \$300; a woman's gold watch, \$92; a woman's dinner ring in a silver setting with nine diamonds and a blue sapphire in the middle, \$400; a pair of man's cuff links, \$10; and a tire gauge, \$1.50. The citizens are checking for further possible missing articles.

Police said two bedrooms were ransacked with the contents of drawers and closets dumped all around the rooms. The culprits also entered a linen closet, the den and a dining room china cabinet.

The thieves are believed to have exited through the front door.

Several Hurt In LS Mishap

Four women, three of whom suffered non-bleeding bodily injuries, were involved in a two-car collision on Lakeshore at Roslyn road Wednesday, December 1, when their car, which was extensively damaged, was struck by another vehicle. A bus waiting booth also was totally demolished in the mishap.

According to a Shores public safety accident report, no complaints were signed and no violation tickets were issued. No one was hospitalized.

Public Safety Officer Robert Bensinger was the first to arrive at the scene, followed within minutes by PSO Daniel Healy, when the report was given to authorities at 9:43 a.m.

In statements made at The Shores station, Kathryn Manoleas, 21, of 28713 Hollywood, Roseville, was driving southbound on Lakeshore when her automobile was struck in the left rear panel by a car driven by Sam Ficcarri, 68, of 598 Moorland. He was going northbound on Lakeshore and then made a turn onto Roslyn.

The impact spun the Manoleas car around and it smashed into the bus booth with its right rear quarter panel, splintering the wooden structure.

According to the report, there were passengers in Ficcarri's vehicle, who suffered injuries, but refused medical attention. The extent of their injuries was not disclosed, nor were their names.

In the Manoleas vehicle, the three passengers hurt were Lynn Ann Linhardt, 19, of 22113 Violet, who suffered injuries to both ankles; Beverly Ann Giles, 19, of 22305 Frazho, who complained of a hip injury; and Marilyn Marie McBride, 19, of 22300 Martin road, who suffered head injuries. All are from St. Clair Shores.

A service station truck was called to tow away the woman's car.

A crew was dispatched from the Shores Highway Department to remove the debris from the smashed booth.

In this modern world the friends that promises bring will not last long when excuses replace fulfillment.

Group's Petition Drive Views Drinking Age Law

By Susan McDonald
The Grosse Pointe Study and Action Committee is being revived with a new legislative aim—a revision of the state's drinking age law. Doris Graham and Joanne Mills, who are currently the only active members of the legislative committee of the PTO/PTA Council, are distributing unofficial petitions calling for a ban of teenage drinking in the area.

They are being joined in the effort to raise the drinking age by members of 14 other Detroit-area school districts. The petition cites "rampant abuse of alcohol" by youths and the increase in the number of alcohol-related auto accidents as reasons to push for a legislative increase in the drinking age. It does not specify what age drinking should be made legal, however.

Mrs. Graham said though she thinks the petition language is rather strong in some areas, she thinks many Pointers agree with the basic intent to force some change in the law. "I think most people are now starting to realize the filter down process as it works in the schools, with 18-year-olds buying for their younger classmates," she explained.

Honor Bestowed On Rev. Thomas

Former Pointer, the Rev. Margaret Jean Thomas, has been elected to a high ranking administrative post in the United Presbyterian Church in the USA, according to a report from the denomination's press office in New York City.

Rev. Thomas, who was graduated from South High School in 1961, will have the title of Deputy Executive Director of the General Assembly Mission Council. She has the distinction of being the first woman ever to hold such a high ranking position in the United Presbyterian Church.

been repeatedly expressed by Pointe law enforcement officials and, unofficially, by Board of Education trustees. The Study and Action Committee has been involved in the past in testifying before the state congress and informing the public about various bills relating to education funding and the busing issue.

Mrs. Graham said she would like to see the group become more active in the future. A current movement in the state legislature to change the basis of school financing, the new NAACP push for a regional busing plan and inadequacies in the juvenile court system are issues, according to Mrs. Graham, that need attention.

Any person interested in signing or helping distribute the "Outlaw Teenage Drinking" petitions should call Mrs. Graham at 885-2522.

Vandals Cause Costly Damage

Woods police received further information on damage costs resulting from vandalism to windows at two homes and one business. The incidents were all reported within a one and a half hour period early Thursday morning, November 25.

At the Original Pancake House, 20273 Mack avenue, a 9'x5' plate glass window was shattered by a brick. The replacement cost was placed at \$127, while the amount to board it, pending replacement, was \$47.50, making the grand total \$174.50.

Then, the destruction at a Higbie place home totaled approximately \$150 in labor and replacement costs, police said. In this instance, three windows were damaged by bricks—one was an 11'x12' bedroom window, another a 8'x8' kitchen window and yet another a 4'x6' family room window.

Meanwhile, labor and replacement costs were placed at \$100 via damage to a window at a Yorktown road home.

Group Starts Fund Appeal

The Grosse Pointe Jaycees will host a presentation concerning the research and fund raising work being done to combat a mysterious childhood disease known as Reye's Syndrome on Thursday, December 16, at the American Legion Hall, 20916 Mack avenue, beginning at 7:15 p.m.

The local chapter of the Jaycees started the fund raising effort for Reye's Syndrome last year and it has since become a statewide project of the Michigan Jaycees.

The state chairman for the Jaycees project is Rie Rutan, of The City, and the director of Reye's Syndrome Study Center is Dr. Edgardo Arciniegue, also of The Pointe.

Mr. Rutan and Dr. Arciniegue will give talks at the meeting and will be calling for the continued support of the Grosse Pointe Jaycees in mounting a major public awareness campaign.

Reye's Syndrome attacks young people, 18 and under, and affects the functioning of the liver, brain and skeletal muscles. The symptoms of the disease include vomiting, delirium, behavior changes, severe hyperventilation and coma.

Reye's Syndrome is often mistaken for encephalitis, hysterical reaction and drug intoxication. Because of the high mortality rate, the disease must be promptly diagnosed and treated. Half of all victims of Reye's Syndrome die, as a result and the course of the disease is extremely rapid.

The Reye's Syndrome Study Center is located at Children's Hospital of Michigan. The task of research and treatment is performed by a team of 30 professionals. Funding comes from grants and gifts from families whose children have died from Reye's Syndrome.

Other support comes from the Kenny-Michigan Rehabilitation Foundation.

For further information, contact Mr. Rutan at 881-8970 or write him at 20365 Mack avenue, Grosse Pointe.

Citizen Expresses Concern Over Shooting of Her Dog

By Tom Greenwood
A Farms police officer mistakenly shot and killed a pet dog while pursuing two wild dogs on private property last week, according to police reports. The dog, "Sam," was owned by Mrs. Frankie Dietz, of Lakeshore road.

Patrolman John Kraiza reported he had been chasing two wild dogs, believed responsible for biting residents of The Farms, when they ran onto the densely wooded lot belonging to Mrs. Dietz.

Officer Kraiza, armed with a shotgun, said Mrs. Dietz came onto her front porch and demanded to know what he was doing. Officer Kraiza told her about the dogs and told her to go back into her home.

After being told three times, Mrs. Dietz went in, warning the police officer not to shoot and to allow her to bring her own two pet dogs into the house.

"Sam," barking furiously inside a fenced-in area next to the home, crawled under his fence, and attacked Officer Kraiza, according to his report.

The officer fired once, missing the animal, and when it lunged again, he shot it. Officer Kraiza dispatched the wounded animal with his service revolver.

According to Farms Police Chief Robert K. Ferber, Officer Kraiza was "terribly upset by the incident and is taking it with deep remorse." He also said the officer "has expressed a genuine concern for Mrs. Dietz's personal welfare."

Mrs. Dietz isn't sure what to think. "My whole home is dedicated to my dogs," she said. "They're all that I think about. I don't have any children. My dogs are my children."

Mrs. Dietz said she found "Sam," a 75-85 pound, mixed breed German Shepherd, after seeing him hit by a car. "No one stopped to help. He had no collar on when I picked him up," she said. "I took him to the veterinarian where he got a shot for distemper, and had his leg fixed."

"Sam" lived in Mrs. Dietz's house and was not a "wild dog," she said. "There are no 'wild dogs,' said Mrs. Dietz, "just abandoned animals." If anyone finds a homeless dog, they should

feed him and call the Humane Society. That's the proper thing to do."

According to Mrs. Dietz, the dog was harmless. "He wouldn't hurt anybody," said Mrs. Dietz. "Maybe me screaming at the policeman made him do something unusual. I don't know."

"Sam" was wearing a collar with six tags on it which made a lot of noise, she said, while wondering how the officer could mistake "Sam" for anything but a pet?

Mrs. Dietz reported she makes a habit of feeding any "strays" that come onto her property, and that some homeless animals come by her residence for "months" to be fed. "I have been feeding two other dogs since April," she said, "but they didn't come by yesterday."

Mrs. Dietz reported she didn't see any wild dogs on her property at the time of the incident, but also admits she didn't see the confrontation or shooting between patrolman Kraiza and "Sam."

"The last time I saw 'Sam,' he was about 15 feet away from the officer," said Mrs. Dietz. "As I was running through my home, I heard about five shots."

After the incident, the dog's body was removed by Officer Kraiza. When Mrs. Dietz called The Farms the next day to recover the body, she was told the dog had already been "disposed of."

When informed of the shooting, Chief Ferber personally talked to Mrs. Dietz and sent her a letter, expressing his and Officer Kraiza's "regret and sorrow over the loss of 'Sam.'"

Mrs. Dietz, who has since acquired another dog, intends to bring the incident before the Farms Council.

Music Players Plan Program

The Chamber Music Players of Grosse Pointe will present its third program for the season on Sunday, December 12, in the War Memorial's Fries Ballroom at 2:30 p.m.

A Sonata for Violin and Piano by American composer, Henry Cowell, will be played first by violinist Cecilia Marony, with Camella Ehrlich at the piano.

In keeping with the Christmas season, violinists Lucille Zocharski, trombonist Bettjane Crossen, with Helene Vabolis, continuo, will perform the Sonata 3, by Heinrich Biber.

Viola Meredith, mezzo-soprano, accompanied by Alma Exley, will sing "See Now the Bridegroom" and "Prepare Thyself, Zion" from the Christmas Oratorio by J. S. Bach, followed by two British folksongs arranged by Benjamin Britten.

To end the program as it began, on a Bicentennial note, Helene Vabolis and Frances Wilson will play the Ballet Suite, "Souvenirs," by the American composer, Samuel Barber.

Mrs. Burt E. Taylor Jr. will be in charge of refreshments, assisted by Mary Louise Anderson and Mrs. Frank Zocharski. Mrs. Adrian Wallace is the general social chairman.

These concerts are open to the public. There is an admission charge of \$1.

THE POWER OF GRATITUDE

There's always a lot to be thankful for. And as you accept the good that comes to you each day from God, you become ready to receive more of His goodness.

Being grateful is so important, it's part of our church activity. People share their gratitude in testimonies of healing, and tell what they're learning about God's care for them.

We'd love to have you join us this week.

Easlick Named to Board Of Trustees at St. John

David K. Easlick, of The Park, was recently appointed to the board of trustees of Saint John Hospital, announced Hugh C. Daly, board chairman.

Mr. Easlick is president and chief executive officer of Michigan Bell Telephone Co. He was previously vice-president of the Human Resources Development Department of the American Telephone and Telegraph Co. in New York City.

His career at Michigan Bell began as a traffic student in Ann Arbor in 1948. Subsequently he served in the company's traffic, commercial and personnel departments, and rose through the ranks to become vice-president, personnel, in 1960.

He moved to AT&T in 1963 to become assistant vice-president, operations, and later that year was appointed vice president, operation, at Indiana Bell Telephone Co. He was elected president of Indiana Bell in 1970 and held that post until January 1972 when he was appointed a vice-president at AT&T.

In his New York post, Mr. Easlick, early in 1973, negotiated an historical agreement on behalf of the Bell System with the United States Department of Labor and the Equal Employment Opportunity Commission to facilitate the movement of minorities and women into better jobs.

Mr. Easlick was born in Jackson, and was graduated from University High School in Ann Arbor and earned an AB Degree in Business Administration from the University of Michigan in 1942.

He was a Sloan Fellow at the Massachusetts Institute of Technology in 1954 and was awarded an Honorary Doctor of Law by Butler University in 1972.

Mr. Easlick is a member of the executive board of the Detroit Area Council of Boy Scouts of America, and is a director of Detroit Renaissance, Detroit Symphony Orchestra, Economic Club of Detroit and United Foundation.

He's a trustee of Citizens Research Council, Greater Detroit Safety Council, Metropolitan Fund, Inc., New Detroit, Inc., United Hospitals of Detroit, and is on the advisory council for Junior Achievement of Southeastern Michigan and Sales Marketing Executives of Detroit, Inc.

Mr. Easlick also is a member of Inner City Business Improvement Forum, Engineering Society of Detroit, Hundred Club of Detroit, Michigan Economic Expansion Council, National Alliance of Businessmen business advisory board, Newcomen Society and United Negro College Fund business and industry committee.

He is a council member of Operation Action-UP and is state government liaison chairman of the Greater Detroit Chamber of Commerce. He was elected first vice-chairman of the Greater Detroit Chamber of Commerce this June 1, 1976.

Mr. Easlick recently received the International B'nai B'rith Humanitarian Award.

Know Your Schools

By Dr. William Coats,
Superintendent of Schools

During a series of recent meetings and conferences, the Board of Education, in addition to working with negotiations and many other issues, has been attempting to develop a statement covering the educational philosophy and basic goal areas of the Grosse Pointe Public School System.

Documents on which these discussions have been based include the philosophy statement approved by the Board of Education in 1951, results of the community survey taken in 1975 and priorities and goals developed for the 1975-76 school year.

Groups involved in discussions have included parents and citizens from all segments of the community, students, teachers, administrators and representatives of all employee groups.

The overall statement of philosophy is too lengthy to be presented in this column, but when it is finished, it will be distributed to the entire community through the Board of Education's community newsletter, "Emphasis '77."

As a part of the philosophy statement the Board has reduced a large number of broad education goals down to seven basic areas which can be listed here.

Labels for these goal areas are (1), Basic Skills; (2), Student Discipline; (3), Citizenship; (4), Academic Excellence; (5), Career Preparation; (6), Cultural Development; and (7), Sound Management.

These areas reflect the major priorities for the entire school system. Recognizing that the labels alone are not sufficiently descriptive, we will attempt in future columns to define and explain more clearly what is included in these various goal areas.

We will also discuss in more specific terms what programs and practices are being implemented to insure that these goals are achieved.

Jewels & gems
by Jerry Valente

What to wear this year is more exciting than ever. The idea is to capture the casual and to look like an individual all at once. It is the same with jewelry. Soutache, silk cord, braided cord, narrow waxed leather cord, and flat braided cord in all widths is only part of a necklace collection. Semi-precious stones combined with dentition shells, ceramic bead, hammered silver and ancient coins give today's jewelry an ethnic and natural look.

Bring your Christmas list to VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800, and you will find something for everyone here. We have diamonds for the lady in your life, watches for "him," engraving done on the premises, art objects and antique jewelry dating back to the 14th and 15th century for the antique hunter. Tell us what you want incorporated and we will design and custom-make jewelry to your taste.

On Zoning Ordinances

When the Park Council attempted last month to bar two men from living together in a rented house, based on the provisions of a single family residency ordinance, civil libertarians far and wide howled "unconstitutional" and the local and national press picked up the scent.

While all interested parties wait for the final decision of the Park Council, which is expected at the Monday, December 13, meeting, the basic question of whether a city can reasonably regulate how people choose to live within its boundaries will probably not be resolved so easily.

The zoning ordinance in question restricts residency of homes to families, defined as persons related by blood, marriage or adoption, (including household servants), allowing unrelated persons to live together if they can obtain a variance from the council, sitting as a board of appeals.

The decision of the council to approve or reject such appeals is based on the nature of the association, the duration of the association and the reason for such associations, according to Park City Manager Robert A. Slone.

Richard Gronan and Donald J. Mazzola, the two renters over whom The Park controversy has swelled, were served eviction notices, which have since been rescinded because their variance appeal failed in a tie vote of the council.

As in many questions of far reaching impact, this case is serving only as a catalyst. Specific problems between area residents and the owners of the house, Verheyden Funeral Homes Inc., tend to muddle the real issue.

Can restrictive zoning ordinances intended to maintain a given character of a neighborhood be administered fairly from case to case? If not, can such ordinances be allowed to stand?

In the 1964 case of Belle Terre vs. Boraas, the U.S. Supreme Court upheld the right of communities to regulate, through zoning ordinances, the character of residential neighborhoods.

Each of the Pointes has ordinances of this sort ranging from the strict limitation of occupancy to families, defined as persons related by blood, marriage or adoption, (including domestic servants), to a more liberal law which allows as many as five unrelated persons to live together.

In The Park and The Farms where not more than two unrelated persons may live together after obtaining the necessary variance from the city council, problems like that of the former community can arise because the criteria for deciding to grant or reject the variances are vaguely defined.

As it has happened in The Park, not one solid charge has been lodged against Mr. Gronan and Mr. Mazzola, which would suggest that their presence would be to the detriment of the community.

According to the minutes of the October 25 meeting of the Park Council, two members and the mayor could find no reason that the two men should be denied their request. Three other members, however, found enough cause in the loud complaints of the area residents to vote against granting the variance.

The simple fact seems to be, based on the granting of previous variances to The Park ordinance, that enough council members can be swayed by the protests of voters to make the administration of the zoning ordinance extremely arbitrary.

The more people who come out in protest, whether their protest is supported by factual evidence or not, the better the chances that the variance will be denied. This is the classic case of the tyranny of the majority.

At the other side of the spectrum is The Woods with its liberal ordinance which allows five unrelated people to live together without any variance required. In its attempt to base the law on the most egalitarian principles, The Woods has in effect bound itself hand and foot.

As that community has seen with the Forever Family controversy, no amount of public outcry can dislodge a group of unrelated people which is obviously causing a great disturbance in the community.

The Forever Family is, according to reports, violating the five person residency limit but it is so difficult to prove that neither the city council or the police can move against them.

The Woods Council meeting on Monday, December 6, brought out between 30-50 residents neighboring the Forever Family and none of their complaints yielded any results. The absolute tyranny of minority rights has left The Woods with no other option than using harassment tactics like issuing citations for illegally parked vehicles.

The final irony in this business of restrictive zoning is that the ordinances of The City and The Shores, which are the most strictly worded, are in fact the fairest to all parties.

In both those communities the zoning ordinances restrict the occupancy of houses to families. Families are defined as persons related by blood, marriage or adoption, (including domestic servants). There is no option for variances for unrelated people. At the same time there are no requirements that persons renting homes in those communities declare who is living there.

The fact is these ordinances are unenforceable unless a complaint is filed. The result of this is that unrelated people can, and do, with perhaps only the tacit acknowledgment of city officials, live together in those communities.

If they are quiet, neighbors folks, they live undisturbed. If they are unruly party-givers, or unruly cultists or just unruly, their neighbors need only lodge a formal complaint and the city will evict them, based on their violation of the zoning ordinance.

The Shores has never had any such cases in the recollection of Village Superintendent Thomas K. Jefferis, and yet there are and have been unrelated people sharing dwellings in that community.

The City had one notable test of its ordinance this past summer in the case of a group of nuns working at Bon Secours Hospital who were to be lodged in a home across the street.

In that case, City Attorney Richard Hinks suggested that the communal living arrangements of a religious order was protected by a 1947 State Supreme Court ruling in the case of the Paulist Fathers vs. Boston-Edison.

The precedent set by the state high court classified religious orders as families for the purposes of zoning ordinances. A similar case is now pending in Wayne County Circuit Court involving an order of Capuchin Priests who are fighting their eviction from a house in Detroit.

Apparently the only way a city can reasonably, that is fairly, regulate who lives within its boundaries is by passing strict laws and then looking the other way until complaints arise. If none arise, fine. If they do they can be dealt with simply. By the law.

Of course there is another side to this question which does not have anything to do with the clear and present detrimental effect of having unrelated people living together in the same communities with more conventional families. It is a question of life styles.

As hackneyed as that may sound it is at the crux of the controversy. There are people, apparently like those in The Park, who believe that unrelated people living together, forming alternative households, are by their very nature a threat to the neighborhood.

What they feel threatened by is the eventual disintegration of the family as the basic social unit. That eventually, as far off as it really is, has made considerable progress in recent years but not for the unholy and decadent reasons that moralizers imagine.

There are economic forces at work. More women are staying single longer, forming careers. For them it is uneconomical and undesirable to live alone.

The case is basically the same for men. As the inner city, which is traditionally the home of apartment dwellers, becomes more unsavory, the bachelor apartment is becoming less desirable than a spacious suburban home with a yard. Renting this kind of home alone is a burden that even well-to-do young professionals can ill afford.

Can suburbanites take it upon themselves to keep single people from seeking the same amenities of living in quiet, clean communities as they and their families enjoy?

Letters to the Editor

To the Editor:

At 7:30 p.m. on a recent miserable rainy evening, I had the misfortune of having a power failure at my home, due to line trouble at the pole.

Upon routinely calling for service, I was informed that Edison no longer renders night service. This applies to the greater Detroit area, hospitals and iron lung patients excepted.

If you have an invalid or chronically ill person in your home, your Edison record should be so marked, otherwise there is no after dark service. I wonder how many people are aware of this?

As a result of my complaint, an Edison representative called at my home several days later and explained the reasons for this curtailment in service.

I understand to some degree the problems their employees are having and do not argue with their reasoning. However, I do question the necessity for penalizing law abiding citizens whose rights, freedom and life are threatened and eroded every day.

I wonder how far we can retrench and how long we must give way to the criminal element while our law-makers worry about more comfortable jails, better prison conditions and protecting the "rights" of the criminal.

Whatever happened to the right of the majority?

I am a widow and do not find the prospect of spending a night alone in a dark, cold house a very comforting thought, yet I do not know

where to turn to right this wrong.

Most of our communities have a very fine police force. Could we appeal to our city councils and police to protect utility servicemen while they go about making their night service calls?

Respectfully,
A Woods resident for 22 years

Discover Cause Of Power Loss

The cause of the power failure, which affected around 1,300 Detroit Edison Co. customers in the north-east section of The Woods for almost three hours Thanksgiving evening, has been pinpointed to a buried section of cable under the driveway of a Hawthorne road residence, reported the company.

Power went out at 8:19 p.m. and was essentially restored around 11 p.m., except for a handful of customers, on the 25th.

After the fault was traced from the Vernier substation, Vernier road and Mack avenue, power was restored by jumping the cable to other circuits as a temporary measure, said Rick Sylvain of Edison's public information office.

He reported last week personally energized the cable with it "testing fine." Now, employees will ultimately switch back to the original hookup in the near future.

Mr. Sylvain didn't know the specific cause of the fault but speculated it might have been from the cable's "old age" or from seeping water.

The affected area encompassed Eight Mile road on the north, Mack on the west, Vernier road on the south and Wedgewood drive on the east.

Seniors' Group Names Officers

The Woods senior citizens group, which meets twice a month at North High School, elected its first slate of officers on Thursday, December 2. They are scheduled to take over at the first meeting in January.

Irene Sutton, chairman of the city's Senior Citizens Commission, was elected president. Other officers include Roy Deltmer, vice-president, Irene Berno, recording secretary, Ann Dietz, corresponding secretary, and Dr. Albert Eckel, treasurer.

Hazel Ashley was chairman of the nominating committee, which also consisted of Dan Schofield and Emma Kaltenbach. The committee conducted the election in behalf of the group.

While primarily socially oriented, the organization has been involved in seniors' housing, Senior Citizens Day and, most recently, in the Food and Nutrition Program offered by Wayne County.

Many of the group's members came to the conclusion that it would be beneficial to elect officers "from the ranks" toward a further growth of the group, noted George Kaltenbach, publicity director of the commission.

MAJOR PRIORITY

"Never forget to be truthful and kind. Hold these virtues tightly. Write them deep within your heart. If you want favor with both God and man, and a reputation for good judgment and common sense, then trust the Lord completely; don't ever trust yourself. In everything you do, put God first, and he will direct you and crown your efforts with success." (Proverbs 3: 3-6)

Among the nicest traditions of the Grosse Pointe Alliance Francaise is a Soiree Musicale, held each December in a residential setting, featuring music, (accent on FRENCH music, of course), light refreshments and loads of lovely holiday bonhomie. Mr. and Mrs. Peter Stroth are opening their home tomorrow evening for the '76 Soiree. It is, as always, a members-only party.

It will feature the premiere performance of the newly-formed Cassiodorus Ensemble, which specializes in music of the Baroque Period, in a program of music of the French court: songs of the 13th to 17th centuries and instrumental music of the 18th century, including compositions by Couperin and Leclair.

Members of the Ensemble are Detroit Symphony musician Edouard Kesner, violin, Alice Lungershausen, harpsichord, Kirsten Deaver, recorder, and Barbara Hawksley, soprano.

After a champagne interlude, the Madrigal Society of the University of Michigan-Dearborn, under the direction of Dr. Phil Peter, assistant professor of Music History at the U. of M.-Dearborn, will present a selection of English madrigals, Christmas songs and French compositions.

Included in the latter group will be works by Passereau and Poulenc. Mrs. Joseph J. Marshall is program chairman of the Grosse Pointe Alliance.

Mrs. Warren S. Wilkinson is president of the local branch of the non-profit, non-political, American

'Queen of Lights' Heralds Christmas

Jenny Lind Club of Detroit Has Scheduled Its Lucia Party for December 11, at The Grosse Pointe Yacht Club

Swedish people on both sides of the Atlantic celebrate an important tradition with the crowning of their "Queen of Lights" at Christmastime, and the Jenny Lind Club of Detroit traditionally participates in that celebration.

Jenny Lind members have scheduled their annual Luciafest for Saturday, December 11, at the Grosse Pointe Yacht Club.

Co-chairing the party are Mrs. William Berge, whose daughter Catarina, a Lahser High School student, has been selected as this year's Lucia Queen, and Mrs. Karl Eklund.

Committee members Mrs. H. A. Berker, Mrs. Walter Wood and Mrs. Robert Peebles are assisting Mrs. Arne Lagerkvist, in charge of the Processional.

Mrs. Hugh Carney is president of the club for women of Scandinavian descent. Catarina's attendants will be Yvonne and Michele

Paulus, daughters of Mr. and Mrs. David Paulus, and Catherine Dally, granddaughter of Mrs. Bernard Ver Hoven.

Two exchange students from Stockholm, Christina Stridh, now at Birmingham's Groves High School, and Jyette Wahlstrom, at Madison Heights High School, will participate in the pageant.

Star Boy attendants will be Fredrik and Pontus Genberg, sons of Mr. and Mrs. Edward Genberg, of Bishop road.

The Lucia legend goes back to pre-Christian times in Sweden, where the longest night of the year was celebrated.

DRC to Honor Its Presidents

Three-inch red candles, circled with artificial fruit and festive Christmas greens and ornaments, and 24 - inch Christmas trees decorated with velvet bows and jewels will highlight tables at the Detroit Review Club's annual Presidents' Day Luncheon, set for Friday, December 10, at the Detroit Yacht Club.

Mrs. Charles Hauer, social chairman, designed and created the centerpieces. She is taking luncheon reservations for Grosse Pointe and East Side DRC members.

Mrs. Alfred Massnick, (nee Ida Mae Koerber), DRC's sponsor at the DRC, is chairman of the day. President Vera Brown will act as hostess at the noon luncheon, to be preceded by cocktails, and will conduct a brief business meeting before Mrs. Wayne Garrett, first vice-president, presents DRC's past - presidents and Life Members.

DRC, founded in 1891, was instrumental in 1895 in organizing the Detroit Federation of Women's Clubs, and several DRC presidents have gone on to serve as Federation presidents.

Pointers who have served as DRC presidents are Mrs. Marvin C. Dahnke, Mrs. Robert G. Kates, Mrs. Frank Scott Perkin and Mrs. Aaron E. Wilcox. Miss Brown, the current president, is a Pointe resident. Life Member Mrs. William Oddy is a former Pointer.

Other past-presidents to be honored include Mrs. Wynn Wakeman, Mrs. Benjamin Springborn, Mrs. William Bondeson, Mrs. J. Robert Martin, Mrs. L. James Keiler, Mrs. N. Conner Gunn, Mrs. Marion H. Crawford, Mrs. H. Lloyd Patterson and Mrs. Louis Hopping, who is also a Life Member.

Life Members include Mrs. Joseph Gauthier, Mrs. W. Clare Skinner, Mrs. Carl H. Wolff and Mrs. George Seabold, who celebrated her 100th birthday October 1, receiving letters of congratulation from President and Mrs. Gerald Ford, Governor William Milliken, Mayor Coleman Young and the Federation of Women's Clubs president.

ceiving letters of congratulation from President and Mrs. Gerald Ford, Governor William Milliken, Mayor Coleman Young and the Federation of Women's Clubs president.

Mrs. Seabold has been a DRC member since 1907.

The Kendallarks, a semi-professional women's chorus specializing in three-part harmony, skits and solos, will provide the day's entertainment. Betty O'Connor is coordinator of the group's individual "small acts."

Accompanist is Norma Niblett, a professional musician transplanted from New York to the Farmington area.

Director and musical arranger is Bea Scaglione.

Boston-Edison Homes To Be Open for Walk

The Detroit Historical Society and the Boston-Edison Historic Association will sponsor a Christmas Walk featuring seven holiday-decorated homes in Detroit's historic Boston-Edison area, on Sunday, December 19, between 1 and 5 o'clock.

Advance reservations are required. They may be made by sending checks to the Detroit Historical Society, 5401 Woodward avenue, Detroit, Michigan 48202, or by stopping in at the Society office Tuesdays through Fridays, between 1 and 4:30 o'clock.

Tickets also are available at the Detroit Historical Museum's Old Detroit Shop on Saturdays, from 10 in the morning until 4 in the afternoon.

Cost is \$4 per person, \$2 for children under 10. Those requesting tickets should indicate their preference for an early or late tour.

Parking will be available in Second avenue and around Voigt Park. Shuttle bus service will be provided, so it will not be necessary to walk more than a few blocks between houses.

As numbers are restricted, there will be no outside waiting in line.

Homes to be visited are Rackham-Przekop, Stevens-Hereford, Tilton-LaRose, Johnson-Barri, Larowe-Van Der Griet, Dunk-McBride and Moore-Kosnik. All were built in the early 1900's. Second floors will be open in three of the houses.

A guide will be assigned to each tour group, and booklets will be distributed for personal reference. Hot ginger ale and coffee will be served at the Moore-Kosnik residence.

Boston-Edison, largest historic district in the county, is listed in the National Register of Historic Places, the State Register and the Detroit Register.

Lossing-Klimchuk Vows Are Spoken.

Bride Enters Church on The Arm of Her Father As Twin Guitars Play "Sunrise, Sunset," Pair Are at Home in Troy

Setting for the afternoon wedding of Debra Carol Klimchuk, daughter of Dr. and Mrs. Murray M. Klimchuk, of Lothrop road, and John Courtney Lossing was Grosse Pointe Baptist Church.

The Reverend Edward Steinhart, Grosse Pointe Baptist Church associate pastor, and The Reverend Robert A. Bretz, pastor of Guardian Angels Church, Clawson, presided at the Saturday, October 2, ceremony.

The bride, given in marriage by her father, wore floating chiffon, styled with a bodice of beaded, re-embroidered Alencon lace. Her Bishop sleeves ended in lace cuffs. Her chapel train fell from a high yoke.

Pinned inside her gown was an heirloom which belonged to her maternal grandmother, Mrs. Donald MacCartney: a 50-year-old silk handkerchief from the Panama Canal.

The bride's cathedral length mantilla, outlined in lace motifs, fell from a cap of beaded lace. Sweetheart roses circled her bouquet of white roses, miniature white carnations and baby's breath.

Honor maid Joanne Tobin carried a cascade of yellow Sweetheart roses and rust mums. Bridesmaids, carrying arrangements of fall mums, were Mrs. Gary Laskowsky and Mary Lou Lossing, sister of the bridegroom.

Their V-necked, Empire-

bodied frocks of copper Qiana featured full sleeves and soft skirts. They wore matching cloche hats, with small nosegays attached to one side.

Mr. Lossing, son of the Courtney M. Lossings, of Bloomfield Hills, asked Mr. Laskowsky to act as best man. Kevin Judge, of Cheshire, Conn., and Robert Moore, of Crawfordville, Iowa, ushered.

The mother of the bride wore a floor length shirt-waist of brown chiffon, printed in rust. She pinned gold cymbidium orchids to her purse. The bridegroom's mother selected a long gown of beige jersey and chiffon, and a wrist corsage of green cymbidium orchids.

After a dinner reception at Lochmoor Club, the newlyweds left to vacation in San Francisco and Maui, Hawaii. They are making their home in Troy.

The bridegroom is a graduate of Northwood Institute, Midland. The bride will be graduated this month from Oakland University.

Out-of-town guests included Mr. and Mrs. Philip Pontius, of Indianapolis, Ind., Mr. and Mrs. Glenn Jewell, of Davenport, Iowa, the R. W. Finlaysons, Mrs. Norma Ford and the Douglas Lammings, all of Toronto, the Murdo MacKenzie, of Oakville, Ont., the Milton Lossings from Ontario.

Marriage vows were spoken in Saint Paul's-on-the-Lakeshore Saturday, October 2, by CHRISTINA MARIA FAMULARO, daughter of Mr. and Mrs. Vincent Famularo, of Kerby road, and Mr. Babcock, son of the James Babcocks, of Lakeshore road.

Makris-Mok Troth Is Told

A February wedding is being planned by Janet K. Mok and Dr. Nicholas G. Makris, whose engagement has been announced by her parents, Mr. and Mrs. Ira Mok, of Torrey road.

The bride-elect was graduated from Our Lady Star of the Sea High School and received her Bachelor of Science degree from Eastern Michigan University, where she is presently working toward a Masters degree in Educational Administration. She expects to receive the degree next August. She is

a teacher of the hearing impaired in the Ypsilanti Public Schools.

Her fiancé, son of the late Mr. and Mrs. George Makris, of Royal Oak, was graduated from Royal Oak Dendero High School. He received his Bachelor of Arts degree from Wayne State University and his M.D. from WSU's School of Medicine.

After two years of general practice in Gaylord, he is now a resident in Internal Medicine at William Beaumont Hospital.

Car Care Tips For Girl Scouts

If you see a group of teenage girls with grease on their noses and jumper cables in their hands, don't be surprised. They're not training to be mechanics — they're Girl Scouts who've decided they've put up with the "mystery under the hood" long enough.

Pam Abbott, of University place, Karen Coulter, of Westchester road, Laura Crandall, of Shoreham road, Karen Dolson, of Harbor court, Lynda English, of Lakepointe avenue, Sheryl Kurze, of Perrien place, Janet Lieblich, of Roslyn road, Laura Price, of Lakepointe avenue, Mary Wilson, of Rivard boulevard, and Kathy Ziegler, of Moorland drive, are among a group of more than 70 Senior Scouts who have registered for four-and-a-half hour Auto Maintenance Seminars.

Pointer Marge Price is coordinator of the program designed to help girls learn some basics about caring for their cars. It's being offered for the first time by the Girl Scouts of Metropolitan

Sigma Kappa Alumnae To Exchange Cookies

Grosse Pointe Sigma Kappa Alumnae gather Wednesday, December 15, at 8 o'clock in the Fairfield drive home of Mrs. David Brown for a cookie Christmas party and fund exchange. Further information may be obtained by contacting Mrs. Keith Provost, 386-0864, or Mrs. Michael French, 774-9177.

Detroit.

In Grosse Pointe, the Seminar will be presented this Saturday, December 11, from 9:30 to 2 o'clock at Patmon Oldsmobile, which is donating its time and facilities.

The girls will be informed on responsibilities of home auto maintenance, (checking water, oil and tires), safe techniques to follow in emergency situations, (stranded in a stalled car, or with a flat tire), and diagnosing auto problems so as to effectively communicate with a Service Department.

They also will see a movie on career opportunities in auto-related areas, and will be given a tour of Patmon's Auto Service Department.

Christina Famularo Wed in St. Paul's

Afternoon Rites at Which She Becomes Bride of Thomas Babcock Are Followed by Reception at His Parents' Lakeshore Road Home

At an afternoon ceremony Saturday, October 2, in Saint Paul's-on-the-Lakeshore Christina Maria Famularo, daughter of the Vincent Famularos, of Kerby road, spoke her marriage vows to Thomas Babcock.

He is the son of Mr. and Mrs. James Babcock, whose Lakeshore road home was the setting for the reception following the 1:30 o'clock rites.

Venise lace trimmed the bride's eggshell satin gown and edged her fingertip veil. She carried white roses, peach carnations and baby's breath.

In ivory frocks and picture hats trimmed with peach and brown ribbons, carrying yellow and orange carnations and mums, were honor maid Rene Gilbert and bridesmaids Mrs. Vincent Famularo, Sue Linenger, the bride's cousin, Judy Sullivan and Lucy Babcock, the bridegroom's sister. Best man was William

Shortt. In the usher corps were the bride's brothers, Vincent and Patrick Famularo, Harry Babcock, the bridegroom's brother, and William Murphy, the bridegroom's cousin.

Additional ushers were John and Leo Babcock, younger brothers of the bridegroom.

Father Michael Donovan presided at the wedding, for

which the mother of the bride chose a long, forest green dress and coat ensemble, and a corsage of yellow Sweetheart roses.

The bridegroom's mother's long, beige dress was trimmed in brown. Peach Sweetheart roses formed her corsage.

The newlyweds vacationed in upper Michigan. They are making their home in St. Clair Shores.

Luncheon for Retired School Personnel Set

The Detroit Association of Retired School Personnel's meeting at noon tomorrow, Friday, December 10, will be a luncheon at Fairlane Club, Dearborn.

Helen Armstrong is chairman of the day. Russel Johnson will open the program with an invocation and close it with a benediction.

Walter Kendall will lead the Pledge of Allegiance. Vantella Robinson will ac-

company the singing of "God Bless America," and will direct a performance by the Livonia Bentley High School Mixed Ensemble.

Special guests will be Dorothy Eubank, executive director of the Retirement Coordinating Council, LaBeryl Haylar, state director of the National Retired Teachers Association, and Clara Sinclair, president of the Michigan Association.

Mrs. Gary Bitterman

Janet Brady Bride Of Gary Bitterman

Rites Are Followed by Reception at Grosse Pointe Hunt Club; Pair Vacation in Toronto, Are at Home in Warren

At an evening ceremony Friday, November 5, in Our Lady Star of the Sea Church, Janet L. Brady, daughter of Mr. and Mrs. Thomas F. Brady, Jr., of Crescent lane, was married to Gary Bitterman.

Father Hector Saulino presided at the 6:30 o'clock rites, for which the bride chose a gown of white silk taffeta with lace inserts. She carried white Sweetheart roses.

In hunter's green frocks trimmed with aqua and beige grosgrain ribbon, and matching chiffon jackets, were honor maid Sandra Emery and bridesmaids Mrs. Russell LaBarge and Mrs.

George Dyson, sisters of the bride, Kathy Gray and JoAnne Bitterman, the bridegroom's sister.

Dark green, aqua and beige dried flowers formed their nosegays.

Mr. Bitterman, son of Mr. and Mrs. Alex G. Bitterman, of Edmundton drive, asked Leslie Charbarneau to act as best man.

Guests were seated by Dr. Robert Bitterman, James

List Non-Sexist Books for Children

By Katie Elsila

Books make wonderful holiday presents for children, and the shelves of Grosse Pointe bookstores are chock full of colorful and exciting children's books. The selection is truly overwhelming—but the Grosse Pointe Interfaith Center has made the job of the concerned shopper much easier.

The Center's Education Task Force has compiled a list of books which present

people in non-sexist ways. The books listed also include many about friendship, about adult role models, about males who learn to express their feelings and care for others, and about many varied family situations.

The books are categorized

from picture books through the upper elementary level, and the Center also has compiled a list of multi-ethnic books.

The list is available at the Grosse Pointe Interfaith Center in East Jefferson Avenue, 824-0350, and at the Pointe Public Libraries.

You can spend your money but good taste is hard to find.

Woman's Club Schedules Tea

The Grosse Pointe Woman's Club's traditional Christmas tea for members and their guests has been set for next Wednesday, December 15, at 12:30 o'clock in the Grosse Pointe War Memorial's Crystal Ballroom.

Program chairman Mrs. Lloyd A. Boemer will introduce The Mercyaire, 19 young people from Mercy College who will present a musical program.

The gift exchange of past years has been replaced by a request that each member contribute one dollar to the Salvation Army. Brigadier Magnus Micaelson will be a guest at the tea, and will accept the gifts on behalf of the Salvation Army.

Tea co-hostesses are Mrs. Elmer Holke and Mrs. Joseph G. Maurer. Their committee includes the Mesdames Arthur W. Anderson, L. Verne Ansel, Alexander Ashley, Aaron E. Wilcox, Lee W. Garrett, Augustus J. Christie, A. M. Menninger and Vene L. Whims.

More are the Mesdames Charles H. Backoff, Robert F. Maddox, Bewley D. Priestman, Maurice Dalesandro, Arthur G. Davies, Joseph A. Erdos, Sidney DeBoer, Vernon E. Landry, Edward L. Weber, Horst J. Jensen, Howard J. Haarer, H. H.

'Lucia' Opens Holidays

(Continued from Page 17)
brated as the Festival of Lights: the date from which the days would grow longer and the sun return.

With the coming of Christianity and tales brought back by traveling Norsemen of the goodness of Santa Lucia, a beautiful and holy girl born of rich and noble parents in Italy during the third century, her feast blended with the ancient Festival of Lights.

Lucia became the new symbol of the victory of light over darkness.

The Christian Lucia gave food and clothing to the poor at night, putting a candle on her head to light her way as

she carried her gifts. She was denounced for her religion, and sentenced by the Emperor Diocletian to be burned... but the wood would not catch fire.

Finally, Lucia was killed by a sword thrust on December 13 — the very day the Swedish people believed light began its return to their land. Santa Lucia exemplifies the Swedish ideal of a woman devoted to helping others in spite of obstacles.

In keeping with this tradition of giving, at dessert time during the Luciafest Catarina Berge, the "Queen of Lights," will make her entrance, dressed in a long, white, flowing robe, a crown of greens and glowing candles on her head.

Accompanied by her attendants, also in robes and

November Rites For Jan Haughton

John Robert Tracys Will Live in Dallas, Tex., Where He Has Been Making His Home; Christ Church Is Setting for Service

The ivory satin gown worn by her mother and her aunt, Mrs. Frederick Pierce, was Jan Haughton's choice for her wedding Saturday evening, November 27, in Christ Church, Grosse Pointe, to John Robert Tracy.

Alencon lace encrusted her fitted bodice, featuring a deep, square, illusion-filled neckline. Her full skirt swept into a cathedral train.

Her silk illusion veil fell from a cap of matching lace, and she carried a bouquet of Sweetheart roses, stephanotis and ivy, centered with an orchid.

She is the daughter of Mr. and Mrs. Ronald W. Haughton, of Cloverly road. Mr. Tracy is the son of the John A. Tracys, of Lakepointe avenue.

low Elegance carnations formed their bouquets. James Barlow came from Washington, D.C., to serve as his college roommate's best man. Ushers were Michael Tracy, the bridegroom's brother, John Haughton, brother of the bride, Charles Gobba, of Jackson, and Dr. Carl Lapplander, of Mount Clemens.

The bride's mother's coral gown, gathered at the waist, featured a softly-draped cowl neckline. She pinned Eucharis lilies to her purse. The bridegroom's mother wore a gown of lace-over-ecru peau, styled with long, fitted sleeves ending in white satin cuffs, matching her white satin collar. Her corsage was a cymbidium orchid.

Welcome Holidays Via Viennese Ball

War Memorial's Glittering Crystal Ballroom to Be Setting December 18 for Festive Christmas Party

The Grosse Pointe War Memorial's Viennese Christmas Ball, featuring dancing and music in the tradition of Old Austria, is invariably a sell-out, attracting a glittering array of "wouldn't miss it for the world" guests.

It's set for Saturday, December 18, this year, in the holiday-decked Crystal Ballroom, where the Center's huge, spectacularly-laden tree is an annual feature of Grosse Pointe's Christmas decor.

Because the tree is so large, tables, arranged cabaret style in order to provide adequate space for dancing, are limited, and early reservations advised.

The ball begins at 9, so party-goers may enjoy a leisurely dinner hour. Formal dress is not required—but it is encouraged, "for beautiful people make a beautiful evening."

Musie for dancing, with many waltzes and polkas, will be by the University of Michigan Graduate School's 14-piece Johann Strauss Salon Orchestra.

This ensemble has been playing for the Center's Viennese evenings, (with great success!), for more than five years, performing musical scores imported from the original publishers in Vienna, specializing in authentic interpretations of works by Strauss, Lanner and Lehar.

Maribel and Alex Suezek will again provide the traditional intermission interlude, leading guests in well-known Austrian carols to celebrate the Ceremonial Lighting of the Advent Candles.

Viennese Ball tickets, at \$6.50 per person, are available at the Center's office, where further information may be obtained by calling 881-7511.

They will conclude their presentation with a few of the popular Viennese lieder. (Regulars at these evenings enjoy joining in the chorus in the tradition of the famous "Heurigen.")

Also invited are Deborah Day, assistant resident director, Barbara Foote Shingleton, dietician, Jean Coulter, House president, Mrs. Isabel Quail, retired director, Mrs. Ellen Scott, retired assistant director, and Miss Sara Rowe, retired assistant director.

Martha Cook Breakfast Set

The Martha Cook Alumnae Association of Detroit has scheduled its annual Christmas breakfast for Saturday, December 11, at the Detroit Athletic Club. Festivities start at 11 o'clock, with a social hour during which members of the Young Musicians League of Royal Oak will provide seasonal music.

Co-chairpersons for the event, which benefits Martha Cook's Scholarship Loan Fund, are Mrs. Edward Shenton and Miss Mary Helen Holmes.

Miss Carol Yavruian is providing the centerpieces and name tags. Board members are supplying table decorations.

Special invited guests include Pointers Mrs. Russell Peebles and Ann Cook and Mrs. Stewart Smith, of Grosse Ile, members of Mar-

tha Cook's board of governors, and Olive Chernow, director of the University of Michigan residence hall for upper-classwomen who have demonstrated superior scholastic ability.

Linda Ostrowski, Alumnae president, will introduce the guests. The English Gothic residence was erected in 1915, a gift from U. of M. graduate William Cook in honor of his mother. The Alumnae Association, now numbering 125, was established in 1935.

Alpha Phi Alumnae Set Christmas Fete

Jim and Martha Mast will open their Cloverly road home for Detroit East Suburban Alpha Phi Alumnae's annual Christmas party Friday evening, December 17. Festivities begin at 7 o'clock. Diane Terrien, 778-0318, is

taking reservations and recipe contributions through Tuesday, December 14. Alpha Phi's float in the Cotton Bowl parade, "Our Hearts Belong to You," will feature scenes revolving around cardiac aid.

Yachswomen Meet Tonight

Yachswomen gather this evening, Thursday, December 9, at 8 o'clock at the St. Clair Yacht Club for their annual Christmas party. Elsie (Mrs. George) Verbal and Maxine (Mrs. Robert) Logan are in charge of festivities.

The group's new officers, elected last month, are Claire (Mrs. Kenneth) Johnston, president; Beverly (Mrs. John) Stevenson, vice-president; Laura Range, recording secretary; Robert Jurkiewicz, treasurer; Lois Williams, assistant secretary-treasurer; and members-at-large Evelyn (Mrs. Arthur) Klezka and Sharon (Mrs. James) Stewart.

Pointe Co-op Nursery Involved in Busy Year

The Grosse Pointe Co-operative Nursery is holding classes for the 24th consecutive year in Grosse Pointe Methodist Church.

Mrs. Robert (Fran) Meyer teaches four-year-olds Monday, Wednesday and Friday mornings.

Mrs. Richard (Marge) Adrian has recently resumed her teaching responsibilities after the arrival of Jonathan Peter Adrian, who already has had a get-acquainted visit with his mother's Tuesday and Thursday morning three-year-old class.

Coming up in January is the Co-op's participation in a Northeast Guidance Center evening workshop.

Special events for the children will include Father's Day, (when dads have a chance to share a morning at school), a field trip to the Detroit Science Center and a ride on Detroit's new trolley.

Members of the 1976-77 board of directors are president Patricia Stumb, vice-president Trudy La Savage, secretary Susan Mello, treasurer Ann Chevalier, membership chairman Pat Barthel, health chairman Carolyn Caste, toys and equipment chairman Marilyn Wolfe and program chairman Dorothy Bejin.

Regina High Mothers To Sell Baked Goods

Regina High School Mothers' Guild presents its annual Christmas Bake Sale, featuring the nuns' famous "Regina Peanut Butter Patties" and Manor Texas fruitcake as well as home-baked breads, pies, cakes and cookies, Tuesday, December 14, from 9 in the morning to 3 in the afternoon in the lobby of Regina High in Kelly road, Harper Woods.

Grand Marais Club to Meet

Grand Marais Garden Club's meeting this month will be a Christmas party Monday, December 13, at the Park lane home of Mrs. Paul Nagel, who will be assisted by Mrs. Ellsworth Allison and Mrs. Cecil Shuert. Gifts will be exchanged. Each member has been asked to donate a Christmas decoration or baked goods for a silent auction.

Faulkner-Reinman Rites Celebrated

Pair Vacation in Toronto After Small, Family Ceremony; Bride Carries Heirloom Prayer Book with Lilies, Stephanotis and Ivy

A reception at the Officers' Club followed the wedding of Sandra Ann Reinman and John W. Faulkner Friday evening, November 5, in the Selfridge Air National Guard Base Chapel.

The Reverend Donald Robinson presided at the 7:30 o'clock rites for which the bride, daughter of Mr. and Mrs. Joseph Reinman, of Ridgemont road, chose an Empire-waisted gown of candlelight Qiana.

Her V-neck was framed in lace, matching the lace accenting her long, tapered sleeves.

She carried a 41-year-old prayer book, traditional part of family weddings and first communions, trimmed with Eucharis lilies, stephanotis and ivy.

She was attended by her sister, Mary Jo Reinman, in

an Empire-waisted, ruffle-sleeved frock of rust boucle, carrying a small, Colonial bouquet of matching carnations, Zorina Sweetheart roses and baby's-breath.

Mr. Faulkner, son of Mrs. B. A. Faulkner, of Romeo, and the late Mr. Faulkner, asked William G. Coon, of Sterling Heights, to act as best man.

The mother of the bride pinned a pale yellow cymbidium orchid to the floral-printed, Empire bodice of her toast Qiana gown. The bridegroom's mother accented her teal blue knit with an ivory cymbidium orchid.

In the Selfridge Air National Guard Base Chapel Friday evening, November 5, SANDRA ANN REINMAN, daughter of the Joseph Reinmans, of Ridgemont road, was married to Mr. Faulkner, son of Mrs. B. A. Faulkner, of Romeo, and the late Mr. Faulkner.

Mrs. C. J. Reinman, came from Ottawa, O., for the small, family ceremony.

The newlyweds vacationed in Toronto and are making their home in Sterling Heights.

Sandra, a Grosse Pointe South High School graduate, works in Accounting for the United States Defense Department. John, a Michigan State University graduate who received his Law degree

from Detroit College of Law, is currently employed by the government.

Five Pointes Club to Meet

Members and guests of Five Pointes Garden Club gather at 12:30 o'clock next Thursday, December 16, at Lochmoor Club for luncheon, each member bringing a handmade or "interesting" Christmas item for a show-and-tell program. Hostess is Mrs. Edward Weber.

Mixing Music With Puppets

Detroit Symphony conductor-in-residence Paul Freeman will be on the podium in Ford Auditorium to lead the Orchestra in a pair of Young People's Concerts this Saturday, December 11, at 11 and 2 o'clock.

The concerts, which inaugurate the DSO's 1976 Christmas Festival, feature the nationally-known Pickwick Puppet Theatre in performance of Tchaikovsky's "Sleeping Beauty."

Narrator is Marygrove College's Guillermo Resto. The concerts also will be highlighted by a mini-preview of Dance Detroit's "Nutcracker" performance set for later this month, and by a holiday songfest in which the audience joins in seasonal carolling with the Orchestra and Maestro Freeman.

The Pickwick Puppet Theatre, founded in 1951, has been directed since 1971 by Ken Moses.

Known for combining classical music with puppetry in theatrical productions intended to introduce young audiences to the arts, the company has developed the art of musical pantomime to a degree unique in the field.

The Pickwick Puppets have performed with many major orchestras, including those of Cleveland and Buffalo, and in such important theaters as Jordan Hall in Boston and Avery Fisher Hall in New York.

Pickwick's "Sleeping Beauty," with its five-foot tall rod puppets, has drawn full houses wherever it is presented.

Tickets for each of Saturday's Young People's Concerts, priced at \$2.50, \$3 and \$4 are available at the Ford Auditorium box office, 961-0700, all Hudson's and Ward's ticket outlets.

Detroit Phi Beta Kappa to Mark Founders Day

At the Detroit Association of Phi Beta Kappa's Founders Day celebration, a dinner meeting set for tomorrow, Friday, December 10, at Fairlane Conference Center, Dearborn, Bicentennial Awards will be presented to Eugene and James Beall of Bedford road, Dr. Edith Kovach and Rosalind Barrett for their contributions to the Society's Freedoms Lecture Series last winter.

An award also will be made in memory of Dr. Alfred Kelley, WSU dean and historian emeritus, who passed away just before he was to have delivered one of the Freedoms Lectures.

Dr. Louis Pino, of Oakland University, the Association's

program chairman, has planned a program of retrospect and forecast following the dinner, arranged by Sherrill Lowitt, who has been accepting reservations.

Dr. Thelma James, the Association's archivist, a charter member of both the Detroit Association and Phi Beta's Wayne State University Chapter, will reminisce on the local history of the organization.

Cal Stevens, a founding member of the WSU Chapter, will speak on the future of Phi Beta Kappa, founded in the year the United States was born, 1776, at William and Mary College, with Bushrod Washington, a nephew of the first President,

Invite History Group to Party

Members of the Detroit Historical Society and their families have been invited to enjoy the Detroit Historical Commission's and the Detroit Historical Society's Old - Fashioned Christmas Open House at the Detroit Historical Museum this Sunday, December 12, from 1:30 to 4:30 o'clock.

Guest musicians will be students from the Detroit Community Music School.

among the 12 founding members of Alpha of Virginia.

Children may fashion heirloom ornaments in a special Craft Corner. Parents are encouraged to bring cameras.

Too hats and cloaks will be available for those who wish to "dress up" for family portraits with a dry plate camera.

The Society's board of trustees and Historical Commission members will be serving punch and Christmas goodies in the Streets of Old Detroit.

LEISURELY HOLIDAYS

2 - 6 weeks

Condominium vacations have skyrocketed into popularity in the past few years for people that enjoy the leisurely approach to vacations and want to "live in" rather than face the hectic pace of hotels. Exotic destinations that have two to six weeks condominium programs are Hawaii, Spain, Mallorca, Florida, Athens, Sorrento and Portugal. You will have time to do more than visit. You'll make yourself at home at your own pace, and get to know your vacation paradise.

Complete information on condominium vacations can be obtained at TRAVELWORLD, 21127 Mack Avenue (north of Vernier), open daily till 6 p.m., Thursday till 8 p.m., Saturday and Sundays 9 till 3. Call TRAVELWORLD, 882-8190.

Students LINC with the Needy

"Hey Mom, do you have a job around the house I could do?"

Again this holiday season, Grosse Pointe area students will have an opportunity to participate in Operation LINC's gift exchange program. Last year, the students contributed over 800 presents to foster care children in Detroit.

Many students earned money for their gifts by shoveling snow or doing other odd jobs around the house. Operation LINC hopes parents will encourage their children to participate again this year.

Fifteen schools are aiding Operation LINC's 1976 gift program. Instead of exchanging gifts among themselves, students will donate their presents, or pool their money to buy a couple of special presents.

A volunteer from Operation LINC will pick up the presents and give them to the Foster Care Unit of the Wayne County Department of Social Services.

Plan Holiday Tea at Memorial Church

Committee members planning Grosse Pointe Memorial Church Women's Association's Christmas tea, to be held Tuesday, December 14, at 1:30 o'clock at the Church, are, (back row, left to right), MRS. JOSEPH SPITZLEY, general chairman, MRS. JAMES G. OATES, MRS. GLENN CLARK and MRS. JAMES SCHUELER, (front row, left to right), MRS. DAVID MALAND, MRS. EDWIN S. ROSS and MRS. ROBERT LEFEVRE, general chairman.

Dinner and Program For Personnel Women

Dr. William A. Boyce and the Wayne State University Readers, candidates for WSU's Doctoral program in Theatre Arts, will present an adaptation of Stephen Vincent Benet's "Western Star," highlighted by traditional and original folk music, at Personnel Women of Detroit's holiday dinner meeting this evening, Thursday, December 9, at the Top of the Flame.

Newcomers Set Holly Ball

Grosse Pointe Newcomers Club has set Saturday, December 18, as date for its traditional Holly Ball. The evening begins with cocktails in board members' homes. Dinner and dancing follow at the Grosse Pointe Yacht Club.

Assisting party chairmen Russ and May Thompson are committee members Larry and Judy Coffey, Mark and Debbie Gramke, Pat and Myra McCormick, Jerry and Delores Olbeter, Dennis and Bonnie Perkins, Don and Roberta Pollock, Bill and Jan Sturgeon and Oscar and Cheryl Westerfield.

Guests of members and Newcomers Alumni are welcome to attend. Further information may be obtained from any committee member.

The club has a new logo, designed by Bob Tyrrell.

books for the whole family to enjoy...

The Saturday Evening Post Christmas Book with illustrations by Norman Rockwell and others... a big color volume with famous story classics, carols to sing, crafts, recipes, paintings by Italian masters, natural decoration ideas. 9.95

The Santa Claus Book, A Pictorial Biography by E. Willis Jones, a book to delight the entire family with its wealth of prints, poems, pieces and paintings that show the many guises of Santa Claus over the past 1,700 years. 9.95

The Father Christmas Letters by J.R.R. Tolkien, a collection of letters and drawings he, as Father Christmas, sent to his own children at Christmas time over a span of twenty years beginning in 1920. In them he described his home, his friends and events, both hilarious and alarming, at the North Pole. 8.95

This year, the Foster Care Unit will be helping over 1,000 children. Often there is only money for bare essentials — and never money for Christmas.

This is where the Grosse Pointe area students can, and will, help. The personal satisfaction the children have in giving a present to a youngster in need is unmeasurable. New clothes, toys, money—even canned goods—are high priority needs to brighten an inner city youngster's holiday.

Pick up of gifts is scheduled for Friday, December 10, at the schools, in order to give social workers sufficient time to distribute the gifts before Christmas. Each gift should be labeled with: (1) what it is; (2) what sex/age child it is for; and (3) the name and school of the donor. Food should not be wrapped.

Founder's Day Fete For Pi Lambda Theta

The Detroit Alumni Chapter of Pi Lambda Theta, a gold key organization for women in education, joined forces with Wayne State University's Alpha Pi Chapter for a recent Founder's Day program in the WSU Alumni House lounge.

Over 100 members watched the Alumni initiate two women, Alice Simpkins and Millicent Campbell, and — for the first time in its history — one man, Deo Forest Reynolds.

Alpha Pi Chapter also admitted its first male, Dr. John Simpkins, dean of WSU's College of Education.

Featured speaker Dr. Philip Mason, professor of History and director of the Walter Reuther Archives of Labor History and Urban Affairs at WSU, conducted a tour through the Archives building.

Wayne State was designated repository for the United Auto Workers' historical records in 1962. The UAW adopted a resolution, honoring its late President Walter Reuther, in 1966, approving construction of a building to house the Archives, bearing Reuther's name, on the WSU campus.

Construction was financed via UAW funds and a supplementary HEW grant.

The Archives contains a total of 20 million items and enjoys an international reputation as one of the largest and most comprehensive research facilities of its kind.

It maintains a 4,000-volume library of reference and labor history books, periodicals, pamphlets and other printed materials from labor union collections and the personal papers of men and women associated with the labor movement, plus thousands of photographs, filmstrips, audio tapes, newspaper clippings, minutes of union meetings and documents.

The collections are available to qualified researchers, historians and sociologists, as well as to rank and file unionists studying labor history. Contributions of union papers and records are welcome.

History Lunch For Deeplands

Deeplands Garden Club meets Monday, December 13, at 11:30 o'clock in the Lewiston road home of Mrs. Douglas Buck for a Bicentennial potluck luncheon, featuring favorite dishes of American presidents, starting with President McKinley's cardinal punch.

Mrs. Pierre Palmentier and Mrs. Edward Weber will assist the hostess. Mrs. Urban Boresch will present a program on the evolution of Christmas carols. The day will end with a \$3 gift exchange.

School of Government Discovers 'Uncle Sam'

Program chairman for the School of Government's Christmas party, a holiday tea set for Wednesday, December 15, at 1:30 o'clock at the Detroit Athletic Club, is Mrs. Cass Sherman, past-president of the School of Government, Inc., who has arranged for a showing of the 16mm color film, "Uncle Sam—the Man and the Legend," narrated by E. G. Mashall.

The movie shot on location in Troy, N.Y., Arlington, Mass., and Mason, N.H. tells the story of Sam Wilson a United States meat inspector during the war of 1812, who stamped the initials "U.S." on barrels of salted meat and became known to soldiers as "Uncle Sam."

His story was first told

Pointe North High School student SHEENA LIVINGSTONE, who comes from Scotland, Grosse Pointe South High School student MARC BUDGE, from Australia, and University Liggett student BURGETT MAHNER, from Germany.

Member of the Michigan Technological University Log Roll team, which took second place in the 25th annual Midwestern Forestry Conclave competition hosted by the Michigan Tech Forestry Club in mid-October, was Pointer CURTIS BOWER, who also took second place in the Bolt Throw which consists of throwing a six-foot bolt, five inches in diameter, as far as possible.

MR. and MRS. ROBERT E. MILLIGAN, III, (Nancy Ferguson), of Littlestone road, announce the birth of their second son, JEFFREY RYAN, September 2. Paternal grandparents are MR. and MRS. ROBERT E. MILLIGAN, JR., of Lakeland avenue. Ryan was welcomed home by a three-and-a-half-year-old big brother, REMMY MILLIGAN.

Grand Marais Questers Meet

Grand Marais Chapter of Questers gathers tomorrow, Friday, December 10, at the Hamilton court home of Mrs. Joseph P. Thompson for a Christmas meeting and potluck luncheon, gift exchange and show-and-tell program.

Each member has been asked to bring her favorite treestop ornament, to tell where and how it was chosen.

Santa to Visit Dinner Dance

Santa Claus will drop in on Merry-Go-Rounders' second dinner dance of the season Saturday, December 18, at the Grosse Pointe Hunt Club, with a bag so full of gifts he is bringing two lovely helpers to assist him.

Invitations for the party, featuring cocktails at 7 o'clock, dinner at 8 and dancing from 9 until 1 in the morning to the music of John Serito and his four-piece band, have been mailed by Merry-Go-Rounders' secretary Mrs. Joseph Chojnowski, who advises early reservations because of limited space.

Decorations chairman Mrs. Robert Hanzl and her committee are meeting this Monday, December 13, at 1 o'clock at the Balfour road home of Mrs. J. W. Harrison, to complete table centerpieces. Dorothy Turri, GPHC manager, has gone all out with Christmas decorations.

Host and hostess Mr. and Mrs. J. R. Roehm will be on hand to greet members and their guests at the black tie Christmas ball.

Let's Talk Real Estate

by John E. Brink

Grosse Pointe Real Estate Co. is fortunate to have five beautiful female sales Representatives who have all purchased homes with the intent to renovate and profit. We don't suggest that you must be a beautiful gal to be able to do this but these are the facts.

These gals have each done their own thing and someday perhaps we should have a Grosse Pointe Real Estate Co. house walk to show you what they've been able to accomplish. One house is now worth over \$100,000, two that were purchased for pitiful small amounts are now worth around sixty thousand! A couple have been simply conventional homes purchased at the going rates and now they have appreciated so much that they have helped bring up values on the entire street!

What this all means is that renovating can be absolutely fantastic. There is something about an older home that has been "deluxed" up to Mercedes Benz standards. A person can purchase just about any home in Grosse Pointe in any area and any street and the magic formula will perform!

It is frustrating that the buyers today cannot realize this. It's understandable however that many cannot visualize the potential. But we want to go on record. Someday every home in Grosse Pointe will be a part of renovating, every home will be masterfully revitalized—cost a fortune and be worth it!

Grosse Pointe is going through the stage now. As many say—there is no finer place to go—so let's do it here!

Grosse Pointe Real Estate Co. 882-0087 has a designer on its staff that is for their customers to use at no cost. If you have renovating ideas he'll put them on paper for you and price out the projected costs. This is an exceptional service from an exceptional Real Estate Co.

OPEN SUNDAY 2-5

6 LAKESIDE COURT—a dead-end street leading to the lake from Jefferson near Bon Secours Hospital. Brand new and ready for you. This recently completed four bedroom colonial is located just two doors from the lake. This home features a step-down living room, library, first floor laundry and spacious family room with cathedral ceiling.

A SMART LOOKING farm colonial is always in style. This one has four bedrooms and a super family room with fireplace and beamed ceiling. The laundry is on the first floor and the garage is attached. Central air conditioning and electronic filter system contribute to easy maintenance. Look into 254 LINCOLN ROAD near Jefferson.

AT 379 RIDGEMONT near Chalfonte, there is the opportunity to buy a house in the Farms with two full baths and a full two car garage for less than \$43,000.

20505 WILLIAMSBURG COURT, Harper Woods. Townhouse condominium. Two bedrooms, one and one half baths. All new carpeting first and second floor, G.E. stove, self-cleaning oven, frost-free refrigerator, dishwasher, disposal all new 1975. Gas FA heat and central air conditioning. Grosse Pointe school system. Off Vernier, two blocks East of Eastland.

1766 LITTLESTONE. A gem in the Woods. See one of the finest homes available today. Featuring spacious living room with fireplace, formal dining room, large comfortable family room, a possible first floor laundry and a recreation room with a wet bar. Located on a beautifully landscaped lot in a very desirable area of Grosse Pointe Woods, this tastefully decorated home is truly in "move-in" condition.

843 N. RENAUD—It isn't exactly a colonial—it isn't really a ranch—IT IS one of the finest custom built homes in Grosse Pointe Woods. Elegance from the moment you enter the stately entrance hall with its spiral staircase. This home features a step-down living room, formal dining room and a paneled library for the executive of the home. A very unique home awaits a very special buyer.

AVAILABLE BY APPOINTMENT

THE MAJORITY OF HOUSES ON LAKE SHORE are just too large for most families. We think this four bedroom colonial will appeal to those who want generously proportioned rooms and an easy to maintain yard. Three fireplaces, central air conditioning and service stars off the rear hall are features not found in many newer homes.

WHERE CAN YOU BUY a three bedroom home with all Grosse Pointe privileges for \$15,000? We have a brick one with full basement plus one and one half car garage. Must sell to settle estate.

PLACED ON ONE AND ONE HALF ACRES in the heart of the Farms is this architect's dream. French doors open to intimate gardens on one side and a long stretch of sloping lawn on the other. Three of the six bedrooms have fireplaces and the two-story living room has fireplaces at either end. A private apartment with outside entrance is also part of the package. Offered for \$129,000.

A SPACIOUS ENGLISH MANOR HOUSE with separate apartment over the attached three car garage. The main floor is comprised of a most generous proportioned living room and dining room, both with bay windows. To complement these formal rooms, there is also a library, sun room and heated garden room.

UNDOUBTEDLY ONE OF THE FINEST houses built in the Pointe within the last dozen years. Just a skip from Lake Shore Drive, this Southern Colonial is complete to the last detail. May be purchased with or without a buildable lot which fronts on Lake Shore.

Nature Walk Set for Dec. 12

Winter to many is a time of death. But to visitors of Seven Ponds Nature Center it offers a fresh, crisp view of the natural world.

Trees silhouetted against a winter sky patiently awaiting the spring for which they prepared last summer. Animal tracks in the glistening snow, meadow mole mazes beneath the snow blanket, busy winter birds and frost patterns on the board walks.

All of this and more awaits the winter visitor to the Michigan Audubon Nature Center in Dryden.

The public is invited to attend a free guided exploration of the trails on Sunday, December 12, at 2 p.m. The Nature Center is located on Crawford road four and a half miles southwest of Dryden.

For further information, call the Nature Center office at 796-3419 any day between 9 a.m.-5 p.m.

Bishop to Visit Christ Church

The Right Reverend H. Coleman McGehee Jr., Bishop of the Episcopal Diocese of Michigan, will make an official visit to Old Christ Church parish Sunday, December 12, at the 10:30 a.m. service.

Bishop McGehee will perform the traditional rites of Confirmation on the largest group of new members in the historic church in recent years and will preach the sermon for the day.

Dr. Samuel S. Johnston is the Rector of Old Christ Church, located at 980 East Jefferson avenue.

The special music for the service will be a duet, "The Best of Rooms," sung by Jeannette Dagger, Haviaris and Eleanor Feivel, confirmants of the Class of '76. The offertory anthem, featuring Faye Blakely Washington as soprano soloist, will be Dawson's "Behold, the Star."

The 42-voice choir is under the direction of Dr. Malcolm Johns, organist and choirmaster.

The public is cordially invited to the service. Further information is available by calling Nancy Hammitte, church secretary, at 259-6688.

Woods Seniors Set Yule Party

The Woods senior citizens group, which currently meets twice a month at North High School, will be having its Christmas party on Thursday, December 16, at the school, 707 Vernier road.

Games, songs and good cheer will be featured at the party which begins at 4 p.m. in the cafeteria. Afterwards, a smorgasbord dinner will be held at 5 p.m. Alice Cairns, event chairman, said the meal, which will cost \$3.75, is by reservation only. Those interested should call her at 886-8199.

The evening is open to members of the group and their guests.

Citizens also will attend a Christmas concert at the school on Wednesday, December 15, at 8 p.m., with the event free of charge to seniors.

MAKE YOU CLEAN
"Come, let's talk this over! says the Lord; no matter how deep the stain of your sins, I can take it out and make you as clean as freshly fallen snow. Even if you are stained as red as crimson, I can make you white as wool!" (Isaiah 1: 18)

Appeal Issued by Post Office

The Detroit Post Office has issued an appeal for "Even Earlier Than Usual" Christmas mailing, and at the same time announced its plans to expand certain services, beef up its work force and gear its total operations to achieving its goal of delivering all the holiday mail by Christmas day.

Postmaster Joseph J. Loukotka said, "Because of the substantial increase in parcel post volume we are already experiencing as a result of the United Parcel Service strike, and an anticipated heavier than usual total Christmas work load, our task this year promises to be a particularly challenging one."

The postmaster said window service hours will be expanded on the Saturdays preceding Christmas.

Neighborhood stations will be open from 8 a.m.-1 p.m., and the Fort Shelby Station downtown from 8 a.m.-3 p.m. Weekday hours will be from 8 a.m.-5 p.m., except at the General Post Office where hours will be from 8 a.m.-11 p.m., Monday-Saturday until Christmas Eve.

Mr. Loukotka expressed confidence that with the public's cooperation in mailing early, using ZIP Code, and packaging gifts well, the Detroit office would again match its successful Christmas operations of the past three years.

WINS PROMOTION

Paul M. Rothenburg, 34, of The Woods, has been promoted to circulation director of the "Detroit News," according to John W. Harms, vice-president and director of marketing. In his new position, Mr. Rothenburg is responsible for all sales, service and distribution operations, including the transportation department which operates the News' fleet of delivery trucks and staff cars. Mr. Rothenburg joined the News as circulation promotion supervisor in 1969. He was later promoted to assistant to the promotion research director and then to marketing services manager. In January 1974, he was promoted to circulation sales manager, becoming circulation manager in March of this year.

The Snow May Be Snowing... but at Walton-Pierce things are sunny and bright. The new resort collection by Bleyle for Hooper has arrived. Fresh mint green, lemon yellow, sky blue and warm, sandy beige are the colors from which you can mix and match pants, skirts, blazers, shirt-jackets and tops. There's also an interesting abstract print blazer in red, white, beige and black. It's meant to coordinate with many things. There are several plaids, one is a particularly good looking pastel. A new neckline is now on the scene. It's called the cup and saucer... a combination of turtleneck and crew neck on the same sweater. It comes in French blue, black, white, tan, red or yellow. For those of you who have a special liking for maize and blue, there's a new group of blazers, pants and T-shirts to put together. There's a new selection of half sizes that includes a red and white print jersey dress and jacket ensemble, a black and white polka dot dress with a sleeveless jacket and a good looking navy and white dotted jersey with red piping. A very pretty south-bound party dress is a navy and white striped chiffon with a deep ruffled hem. It also comes in brown and white.

Own a Mutschler Kitchen? Then you should be using Mutschler polish, \$1.75 per 16 oz. bottle. Recommended for other fine furniture as well. 20227 Mack Avenue, TU 4-3700.

Matinee Musicale at Memorial Church
For 61 years, the Madrigal Club of Detroit has maintained its reputation as one of the best women's choral groups in Michigan.

This Sunday afternoon, at 3 o'clock at Grosse Pointe Memorial Church, the Madrigal Club introduces its new director, Charles Gleason, in a program of seasonal music, featuring sacred and secular Christmas compositions from the 16th through the 20th centuries.

Included are two Victoria motets, Bach's "O Jesu So Sweet" and Mozart's "Sing a Song of Merry Christmas," as well as the rarely-performed "Choral Suite for Christmas," composed and arranged for the club by its late director, August Maekelberghe.

Also on the program are "A Time for Joy," a pop-style Christmas ballad, "Greensleeves," "Silent Night" and several folk carols.

Tickets at \$2.50 per person, (50 cents for students), will be available at the door. Madrigal Club members come from all over the metropolitan Detroit area; among them you'll find several East Side ladies, including Marge Kallin and Sally Murray, and Pat McKeever, of Devonshire road.

A Christmas Wish for Pat

That Pat McKeever, by the way, has been a very busy lady, what with singing in and handling publicity for the Madrigal Club, AND handling publicity for the Junior Women's Association for the Detroit Symphony Orchestra.

The Christmas Walk, one of the Symphony Juniors' biggest annual fund-raising projects, is on today and tomorrow, (10 to 4 o'clock both days), in Palmer Woods.

Pat's done her job well—you all know that the seven homes to be opened are those of Mr. and Mrs. Carl Bauer, Mr. and Mrs. Thomas C. Canter and Dr. and Mrs. John A. Feemster, all in Wellesley drive, of Dr. and Mrs. Julius V. Combs in Strathcona drive, of Richard W. Dettloff in Lucerne drive, of Mr. and Mrs. James A. Edwards in Suffolk drive and of Dr. and Mrs. Arthur Z. Ostrowski in Cumberland way, and you all know that, if you didn't get admission tickets in advance, you can still get them today and tomorrow, at any Walk house, at \$4 per person.

Now you all know about the Madrigal Club performance this Sunday at Grosse Pointe Memorial Church, too: when to show up, how to get tickets...

Pat can relax. We wish her not only a Merry Christmas, but a lovely, quiet pre-Christmas time.

Keeping Occupied at Cottage

Anyone who's ever been a getting-better hospital patient knows there comes a time when you just can't read any more, you've done every crossword puzzle in every paper and the only things on television are game shows.

"If they don't let me out soon, I will go—and not quietly!"—nuts...

You know the feeling—and that's why you'll know Cottage Hospital Sunshine Guild's Diversional Therapy Cart is such a good idea.

Volunteers have assembled kits containing all the ingredients necessary to make decorative and useful items, Christmas decorations, hand puppets, et al. The kits are offered to patients at a price covering the cost of the materials.

The Sunshine Guild welcomes assistance, from kit assemblers to cart pushers to "new idea" designers. Margaret Hutchings, Cottage's director of volunteers, may be reached at 884-8600, Extension 315.

sponsored by the church, will demonstrate the art of making Vietnamese stars, and Sally Apel and Cheryl Erickson will help the children with popcorn and cranberry stringing.

Karen Bendure and Betty Rose will provide additional crafts for children.

During workshop activities, the Jul-Tomtes (good spirits of the house), will distribute candies.

Mrs. Janet Johnson is in charge of the Swedish refreshments, assisted by the Deborah Circle.

Pointer Margaret Steele and Mrs. Edith Kraai will provide music during the Lucia service. Mrs. Patricia Thomas, of Balfour road, will be speaker at the service.
