### HEADLINES

of the  
**WEEK**  
As Compiled by the  
Grosse Pointe News

**Thursday, February 24**  
**PRESIDENT CARTER** said Wednesday at his second press conference that he has reviewed reports that the CIA secretly paid millions of dollars to foreign leaders and has concluded that, "I have not found anything illegal or improper" in the agency's work. Somewhat angered, Mr. Carter also said Americans must understand the need for secrecy — and the danger of leaks — in intelligence work.

**Friday, February 25**  
**PRESIDENT IDI AMIN** of Uganda has prohibited Americans in his country from leaving and has planned a meeting with them, according to U.S. embassy spokesmen in Kenya. There are currently some 200 Americans in Uganda—many of whom are missionaries—the embassy reports. Observers suggest that whatever Amin is planning for the Americans will be a response to some critical remarks made against him by President Carter.

**Saturday, February 26**  
**UAW PRESIDENT LEONARD** Woodcock will head an American delegation to Vietnam in mid-March to ask for information about Americans missing in that country, the State Department announced Friday. A UAW spokesman said the five-member presidential commission also will discuss with Vietnamese leaders the normalization of relations between the two countries. Some 800 American soldiers and civilians are listed as missing in action and 1,750 more have been declared dead although their bodies have not been recovered.

**Sunday, February 27**  
**FOUR PERSONS REPORTEDLY** fell through the ice and drowned Saturday in Lake Erie waters off Sterling State Park north of Monroe. The Monroe County Sheriff's office said three victims died trying to rescue two men who fell through. One of the first two men involved managed to pull himself out of the water and was saved. Skin divers with the sheriff's department were at the scene Saturday night, but were unable to make any dives because a storm prevented deputies from precisely locating the spot where the fishermen fell in.

**Monday, February 28**  
**SOME 10,000 DETROIT** elementary students will be told to stay away from city schools beginning Monday, March 7, because their parents have ignored repeated warnings to have the children immunized against serious childhood illnesses such as measles and polio. In line with a strict new policy aimed at increasing the numbers of children protected against disease, the parents have been told repeatedly in recent weeks that their children would be barred from attending school unless they obtained proper vaccinations. But preliminary results show that the new program has been ignored by nearly all the parents involved, health officials say.

**Tuesday, March 1**  
**UGANDA PRESIDENT IDI** Amin, who had barred Americans from leaving his country until they appeared before him, announced early Tuesday they may leave any time they want, radio Uganda said. The announcement came only hours after Amin postponed a meeting scheduled for Wednesday in which he had demanded the appearance of some 240 Americans living in the East African country. Amin originally had summoned the Americans to meet with him Monday in the capital of Kampala and had forbidden them to leave the country. Later he rescheduled the session for Wednesday at the Entebbe Airport, which serves Kampala.

### Pointe Youngsters Set for Soap Box Derby

Pointer **ROBERT HUGHES** and his sons, **JIM**, (left), and **JOHN**, both 10, look over a Soap Box Derby racer at a recent derby display at the Eastland Shopping Center. A special derby construction clinic for interested youngsters and their parents will be held Sunday, March 6, in Cobo Hall, room 3122, at 2 p.m. On hand will be

former derby champions and their cars, and derby rule books. Complete construction and entry information also will be available. The metro-Detroit Soap Box Derby is open to children 10-15 years of age in Wayne, Oakland and Macomb Counties. (See story, Page 6.)

### Fire Losses Mount for City in 1976

**While Total Reaches \$153,000, Fewer Fires Are Reported in Comparison to 1975**

By Susan McDonald  
Although there were fewer fires in Grosse Pointe City last year, fire losses soared to \$153,000—four times the total of the preceding year. In fact, City residents lost more to fire in 1976 than in any other year of this decade, according to the department's annual report.

Some of the men on the force attributed the increased loss per fire to a shortage of manpower, but Chief Robert Marshall took a different view of the figures.

"I don't think manpower had anything to do with it," he said. "We just had a bad year with a few big fires."

**Expansion Viewed**  
"Those figures can be very deceiving. The losses all depend on where the house is, how expensive it is and what kind of insurance they have."

But, in a letter of introduction, the chief states he "hopes the content of the report will show areas that are in need of expansion." By that, the chief said, he means "manpower."

The 14-man department usually works with four men on a shift. But since the report (Continued on Page 4)

### Shores Urges Action To Repave Lakeshore

By George Polgar Jr.  
The Shores Council is encouraging the public to write letters to local Wayne County Commissioner Ervin J. Steiner urging action on the repaving of Lakeshore road. While no resolution was adopted on the subject at the rescheduled meeting of Wednesday, February 23, the council did express its concern over the present condition of the Village's major thoroughfare. They also predicted that the spring thaw would cause further deterioration.

It was decided that official attempts should be made to get some kind of action and that a letter-writing campaign of dissatisfied citizens may provide some extra leverage.

According to Village Super-

### Reye's Syndrome Subject Of Fund Raising Drive By Pointe Jaycees

**Organization's Monte Carlo Night on Saturday to Benefit Program at Children's Hospital; Local Doctor Explores Nature of Disease**

By George Polgar Jr.  
Reye's Syndrome is a childhood disease which is best described as mysterious. Thanks to fund raising efforts of the Grosse Pointe Jaycees and work being done by the Reye's Syndrome Study Center at Children's Hospital of Michigan, the mystery may be closer to being resolved.

It is a non-communicable disease attacking children under the age of 18. Its target centers are the brain and the liver. The symptoms include vomiting, delirium and coma.

Because of other symptoms like dilated pupils, disorientation, convulsions and fast deep breathing, it is often mistaken for a drug overdose.

**"Want to Help"**  
As yet the treatment of Reye's Syndrome is limited to dealing with individual symptoms. If sufficient time is allowed for the proper treatment, a child suffering from the disease has a good chance of recovery.

The existence of the Reye's Syndrome unit at Children's is largely to the credit of the local Jaycees who became interested in the disease two years ago and gained the statewide backing of the Michigan Jaycees to raise funds for research.

According to Pointe Jaycee "Ric" Rutan, who also is the state chairman for the Reye's Syndrome program, the group's commitment to this and other service projects is the whole reason for

their association.

"Taking care of things that need to be done in our community, as well as in Michigan in general, is the reason for the Jaycees," he said. "We are young men who want to help and we realize we can be more effective together than individually."

**Were Impressed**  
The Jaycees first heard of Reye's Syndrome when a member returned from Ohio with news of another chapter's efforts in the field.

"We invited a man from Ohio who had a lot of experience with Reye's Syndrome to speak to our general membership about it. The local Jaycees were very impressed and finally we got it accepted as a statewide project," said Mr. Rutan, who was state vice-president of the Jaycees at the time.

### Shores Seeks Block Grant

The Shores has filed an application for a Community Development Block Grant in the amount of \$80,000 with the intention of using the funds for a senior citizens activities center at the Vernier School.

According to Village President Gerald C. Schroeder the application was made without a specific proposal for the use of the funds.

"The grants were available and we didn't really know what kind of projects we could get money for," he said. "We applied and they (the county office in charge of grant processing), came back and told us that we could probably get \$80,000 for a senior citizens project."

He said that no specific plans have been formulated on how the money will be used if it is granted. The use of the Vernier School as a senior citizens center has been the only firm suggestion.

### GPWPOA, City Plan Meeting

**Session Toward Ending Impasse in Negotiations Is Scheduled for Today**

By Roger A. Waha  
A meeting between representatives of the Grosse Pointe Woods Police Officers Assoc., (GPWPOA), and the city is scheduled to be held today, March 3, in an effort to end the stalemate in negotiations between the two sides.

After association members expressed their concerns to the council on Monday, February 7, over the impasse in bargaining, (which began early last summer), City Administrator Chester E. Petersen issued a written invitation to the GPWPOA to resume negotiations.

As a result, Armand D. Bove, association attorney, in saying he would like harmony with the city, contacted Mr. Petersen late last month and the meeting was set up.

**"Go All Day"**  
"We hope to lay it all out," said Mr. Bove, who indicated his hope toward getting a contract. "We'll go all day until we arrive at something, or reach an impasse. I'm hopeful Mr. Petersen will reconsider our position on cost of living," (rolled into salary).

Mr. Bove added he planned on submitting an offer from the association on Monday morning, February 28, to Mr. Petersen.

For his part, Mr. Petersen said the session will feature an exploration of any grounds toward further negotiations.

"We requested from Mr. Bove a new written proposal for a chance to analyze it," he stated, while noting he would need time to review it before possibly offering a counter-proposal.

**Lingering Cloud**  
The cloud of attrition has been lingering over the proceedings since late last year.

In early January, Mr. Bove in a letter to Mr. Petersen, said it was apparent that compulsory arbitration was the only reasonable means left to resolve the stalemate. In fact, he even designated the GPWPOA's representative to a proposed arbitration panel.

However, since that time the overall situation appeared in limbo, with the hope that an agreement could be reached without going ahead with such proceedings.

### GP Park House Fire Claims Life of Woman

**Wife of Former Owner of Olympia Stadium Dies of Inhalation of Toxic Gas As Home Burns**

A three-alarm fire of unknown origin claimed the life of Mrs. Cecilia Y. Londres, 71, late Friday evening, February 25, as she slept in the front bedroom of the lower flat of her home at 792 Harcourt road. Mrs. Londres was the wife of the late Nick Londres, once owner of Olympia Stadium.

Park Fire Chief Phillip Costa said the blaze started in the rear of the two-family flat and involved both the first and second floor sun porches. How the fire started is still under investigation, he stated.

The chief said Mrs. Londres apparently died of inhalation of toxic gas resulting from the blaze. At the scene, two Park firefighters, Sgt. Joseph Block and Martin Buss, immediately donned masks and entered the lower flat to search for Mrs. Londres, who lived alone. They found her on a bed in a front bedroom and carried her out to the front lawn.

**Efforts Prove Futile**  
The two firemen, aided by Police Officer Howard Carl, applied cardio-pulmonary resuscitation when the woman showed no life signs, but their efforts to revive her proved futile.

They continued attempts to revive Mrs. Londres en route to "Bon Secours" Hospital in the department ambulance, but she was pronounced dead on arrival by the hospital doctors.

Chief Costa said the fire was discovered by two young, unknown boys who were walking by the residence and saw flames at the rear of the building. The boys ran to a nearby house and reported the fire, with the neighbor calling in the alarm at 9:28 p.m.

The chief said seven men and all apparatus responded from his department, but on arrival at the scene, an immediate second alarm was radioed at 9:31 p.m. and the City dispatched four men and two engines. A third alarm minutes later brought five men and two engines from The Farms.

Meanwhile, The Shores dispatched a manned fire truck to The City's station to (Continued on Page 6)

### Schools Host Seniors' Night

A full night of activities and a light dinner is being planned for resident senior citizens by the public school system's Department of Community Services and the Neighborhood Club.

The date for the occasion is Saturday, March 26, at Brownell Middle School, 280 Chalfonte avenue, and activities will include square and ballroom dancing, swimming and other recreational activities. For further information, call the department at 885-3808 or the club at 885-4600.

### Investigation Continues In Woods R/A Incident

The investigation of the robbery armed, (R/A), at Detroit and Northern Savings and Loan Assoc., 19307 Mack avenue, on Friday afternoon, February 18, and the ensuing shooting of an innocent man, whose description matched that of the suspect, is continuing.

Meanwhile, the man has retained an attorney to explore the details of the case. The Harper Woods Police Department, in conjunction with the Wayne County Prosecutor's Office, the FBI and the Woods Department of Public Safety are exploring the entire incident, which was termed by one officer as "bizarre."

### Teachers, Board Eye Settlement

**Hope to Complete Negotiations on Contract Before Millage Elections**

By Susan McDonald  
The negotiating team for Pointe teachers made a commitment this week to settle a contract with the Board of Education before school millage proposals go before voters, in less than two weeks.

In a statement issued Monday, February 28, the six-member Grosse Pointe Education Assoc., (GPEA), team said they "promise the teachers and the community that with the cooperation of the Board of Education—we will complete negotiations on a contract before the millage elections on March 12."

School Board and teacher union negotiators were set to begin 12-hour sessions Wednesday, March 2, to hash out a contract based on a state fact-finder's report. The sessions are scheduled to continue from 9 a.m.-9 p.m. through Sunday, March 6.

**Expresses Optimism**  
Chief Negotiator for the Board, William O'Connor, said he is optimistic and expects to reach an agreement by the end of the weekend.

The Board announced on Tuesday, February 22, that it would accept the fact-finder's report in full as a basis for a contract settlement.

The report, prepared by Dr. John Edward Simpkins, recommends pay increases of 19-21 percent for teachers over three years, in addition to a 2.5 percent increase in fringe benefits.

It also supports many of the Board-proposed changes in language to increase management's rights in terms of teacher evaluations, departmental chairpersons, personal leave days and composition of professional study committees.

But, according to GPEA officials, there is a great deal of work to be done to clarify language before a contract can be settled.

**Unclear Areas**  
GPEA President Doris Cook said in a newsletter to members that the report "is un-

### Park Okays Ordinance Amendment

**Action Allows City to Develop Lots Adjacent to Commercial Buildings**

By James J. Njaim  
Aware that off-street parking is vital to local commercial areas in the city, the Park Council on Monday, February 28, approved an amendment to a section of an ordinance which would allow the city to develop metered or unmetered parking lots adjacent to commercial buildings.

The amendment does not remove the residential zoning aspect of the properties, but only that they can be developed and utilized by the issuance of an annual permit, it was disclosed at the public hearing.

Councilman Charles S. Tompkins, mayor pro tem, presided in the absence of Mayor Matthew C. Patterson.

**Can Develop Lots**  
With the passage of the ordinance amendment, The Park placed the city in a position where it could develop off-street parking lots, not only at Jefferson and Lakepointe, but anywhere they are needed in the community.

However, there was still strong opposition, especially from residents living in the Windmill Pointe Subdivision, where the proposed parking lot will be located.

The residents of the subdivision are opposed to the development of two lots at Jefferson and Lakepointe, owned by the city, into a parking area because, they said, the lots are zoned residential.

They expressed fear that once developed, the parking area would deteriorate and would become a detriment to the subdivision and the neighborhood. They cited the Detroit parking lot on Jefferson, between Lakewood and Chalmers, as an example.

**Protected by Law**  
Restrictions on the several empty lots on the north side of Jefferson in the subdivision expired in the 1960's, but the residential aspect is protected by a zoning ordinance.

Mr. Tompkins told the residents present that the amendment will not apply just to the two lots at Jefferson and Lakepointe, but to other commercial areas in the city.

There are business strips in Jefferson, Charlevoix and Mack avenues which will be affected by the ordinance.

City Manager Robert A. Slone disclosed that an ordinance was passed in 1959 which allowed private businesses, such as the Verhey. (Continued on Page 2)

### Woods Complies With New Law

The Woods Council, based upon the recommendation of City Attorney George Catlin, unanimously agreed to an amendment to the existing Council Rules of Order and Procedure to comply with the "Open Meetings Act," which becomes effective around Friday, April 1.

This action was taken at the rescheduled regular meeting Monday, February 28.

The affected rule pertains to the calling of special council meetings.

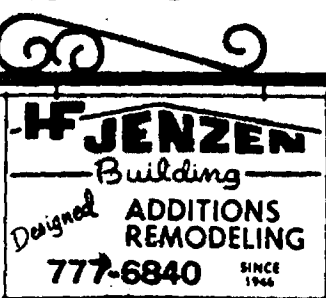

It permits the calling of such a session with less than 24 hours notice if all members are present or have waived notice in writing.

However, the "Open Meetings" statute doesn't permit the calling of a meeting with less than 18 hours notice, and such notice must be posted.

"The present wording concerning a special meeting called upon less than 24 hours notice could comply with the state statute by merely changing the words 'shorter notice' to '18 hours notice,'" said Mr. Catlin.

"This would permit a special meeting with 18 hours notice if all members were present or waivers of notice were secured from those absent."

den Funeral Home, Mack and Whittier, to have parking lots.

There are four other such lots in the city, and all operate on a permit from the city on a year-to-year basis, he pointed out.

**Citizens Complain**  
Under the 1959 law, he said, the city is excluded from operating a parking lot, metered or unmetered, and the amendment will give The Park permission to develop and meter such lots on residential property adjacent to commercial buildings throughout the city.

However, before the city, itself, can go ahead with the construction of a lot, it must adhere to the same procedure as private owners, i.e., hold a public hearing before it can issue itself a permit to develop and operate such a facility.

Before the development of any single lot, a public hearing must be held, said Mr. Slone.  
A number of persons in the audience expressed opposition to having any commercial businesses in The Park, claiming that the city was originally intended to be strictly a residential community, and they favored doing away with all businesses.

This aroused the ire of Councilman George J. Verdonck, a life-long resident of the area, who pointed out that there were businesses in the area longer than 50 years ago.  
The people were informed

that whether or not they wanted a parking lot, under the amended ordinance, the council had the final say.

The proposed lot at Jefferson and Lakepointe will be constructed with federal funds available to The Park under the Community Block Grant Program and will not be at the expense of the city taxpayers, said Mr. Slone.

Mr. Tompkins also pointed out to the audience that the city's elected officials had two responsibilities—to the people and to the community—and therefore it is obligated to help the business people.

One person, who strongly supported the amendment, said that parking is needed in the commercial areas, or if it is not provided, that the commercial buildings will be boarded up and the areas would look the same as many do in Detroit.

One employee of an auto dealership attempted to speak, but was given a hard time by some of the residents at the hearing, when he stated that he was a Canadian citizen and commuted to his job.

**Has His Say**

He was rudely reminded that he was not a taxpayer or a resident and should not speak, but Mr. Tompkins gave him permission to have his say.

The man pointed out that his employer spent approximately \$1,000 setting down sod to make the area look decent, which brought some comments from dissenters. He had his say, at any rate.

including the fact that parking was badly needed in the Jefferson area.

Councilman Douglas G. Graham remarked that the people elected the members of the council to serve them to carry out city business for the benefit of the community and its citizens.

He said that one of the council's duties is to resolve controversial issues such as that taking place at the hearing. If this is not the case, he said further, then "Why have a council at all? Why not do away with it and let the people take care of this?"

The latter remark was made when one citizen asked why not place the matter before the people and let them vote on the issue.

Mr. Verdonck said he has been on the council for 12 years, and that he is just as confused about the thinking of the people today as the day he first sat on the council.

**Cites Concerns**

Several businessmen were in the audience saying they favored the parking because, in time, the residents of the area will go to such shopping

centers as Eastland because there is ample parking there.

As one businessman said, if the people do not shop in The Park, businesses will leave, the stores and commercial buildings will be boarded up and there will be a blight on the area.

Another businessman disclosed that he spent \$14,000 modernizing his place in order to better serve the people of the city and surrounding areas.

The first businessman who spoke pointed out that another store at Kercheval and Lakepointe, cleaned up and beautified the area, after the present owner took it over.

Prior to that it was a mess, inside and out, and that debris were all over the sidewalk and street. Today, the store and section is a credit to the city.

One irate woman, who favored the parking, demanded to know who the people in the city thought they were, calling those who favored The Park being strictly residential "snobs." Business is needed in The Park, she said, for the benefit of the people.

Mr. Tompkins called a halt to the discussions and comments and asked for a vote on the amendment, which was passed, unanimously.

## R/A Incident

(Continued from Page 1)

Monterosso suffered two wounds, a through and through wound to the top of his right shoulder and a grazing wound at the base of his skull.

He was treated for the injuries at Saint John Hospital and released after one of the tellers at Detroit and Northern said he definitely wasn't the holdup man. Mr. Monterosso's van was struck at least 14 times by bullets.

Harper Woods Lt. Douglas Garascia said his department's investigation of the incident is progressing. "We know what happened but we need more statements. We want to make sure, because of the situation, that we have everything just right. We want a thorough investigation," he stated.

In referring to the prosecutor's office in relation to the need for professional guidance and advice, Lt. Garascia said the investigation will hopefully be completed by the end of this week.

Meanwhile, FBI Agent Larry McCormick said the bureau's investigation is continuing but at this point there are no suspects. He added the bureau is trying to further disseminate the photo of the suspect, which was published in last week's NEWS, to other publications.

Meanwhile, Richard A. Soble, attorney for Mr. Monterosso, said on Tuesday morning, March 1, he has written letters to The Farms for a detailed account of what specifically happened in relation to Mr. Monterosso in the incident.

Expressing his concern over the amount of shooting involved, while citing Mr. Monterosso's bullet-riddled van as an example, Mr. Soble said he wants the results of police investigations into the matter before possibly taking any legal action.

clear in several critical places and silent on other important issues," such as extra pay for extra duty, elementary lunch periods and librarians' pay.

But she added, "We promise to negotiate the 50 items which were not taken into fact-finding, the dozen items which were taken into fact-finding on which Dr. Simpkins remained silent and at least five items in fact-finding which are either vague or ambiguous."

Superintendent Dr. William Coats minimized the ambiguities in the report. If both sides agree to accept the findings, all that's needed to settle a contract is a few hours to translate the report into "legalese," he said in a recent interview.

The two teams have been negotiating since last May.

## GP Academy Set for Open House

Grosse Pointe Academy's (GPA), Headmaster John Poplawski, students, faculty, members of the board of trustees and parents will combine forces to host the school's annual Open House on Sunday, March 6, from 2-4 p.m.

Families interested in learning more about the Academy, 171 Lakeshore road, will visit classrooms in session, tour the facilities and enjoy the historic 22-acre campus overlooking Lake St. Clair.

"Over 38 percent of our families come from outside the Grosse Pointes," stated

Headmaster Poplawski. "Parents use our school transportation system or make their own driving arrangements because they want the best start for their children. The Academy enrollment includes students from all areas of metropolitan Detroit, Sterling Heights and Grosse Ile."

Sister Camille De Mario, head of the Academy's Montessori Early School and president of the Michigan Montessori Society, enjoys the amazement many visitors experience upon seeing her two and one-half to five-year-old charges happily engaged in French, math and science exercises.

"Small children have minds like sponges, and they are eager to absorb," states Sister Camille, who has the distinction of administering the oldest and largest Montessori school in the state.

Besides the regular classroom activities, visitors will observe athletic activities, short music programs and students learning basic design using a variety of media.

GPA offers a complete educational facility including an extensive library, science and language laboratories, gymnasium and outdoor athletic fields including tennis courts.

Guided tours and question-answer sessions are planned throughout the afternoon.

## Greenhouse Building Causes Furor in Shores

The Shores Council on Wednesday, February 23, authorized Village Attorney William Killbrow to institute legal proceedings in Macomb County Circuit Court against a Shorecrest circle resident, who, it appears, refuses to comply with an order to dismantle a partially constructed greenhouse.

Neighbors allege that the greenhouse is not only in violation of the Village Zoning Ordinance and a "monstrosity," but also a detriment to neighborhood property values.

Shorecrest circle is in Lake Township, which, although is an integral part of The Shores, is located over the Wayne-Macomb County line in Macomb County.

Cited as being in violation of the ordinance is Mrs. Edward Kuczynski, of 75 Shorecrest circle, who last October was granted a permit to construct a small "hobby" greenhouse on her property adjacent to her house.

Instead, according to her neighbors, she began building one that can easily be construed as being of commercial size.

The neighbors met with the Shores Planning Commission when it appeared, they contended, the size of the construction far exceeded the size authorized by the permit.

The greenhouse, as it now stands, is wider and higher than Mrs. Kuczynski's residence, and is in its partially constructed state, the neighbors charge, an "eyesore in Shorecrest circle and surrounding vicinity."

After two meetings, one in November and the other in December, before the Village Planning Commission, and a hearing before a Macomb circuit judge, the commission and the judge urged the neighbors to try to reach an amiable solution, which apparently failed.

At the second meeting with the planning commission, the neighbors were informed that the commission had no authority to order Mrs. Kuczynski to tear down her partially built greenhouse and to take up the matter with the Village council.

On January 25, the Shorecrest residents, represented by attorney Pieter van Horne, presented a petition bearing 22 names to the council, asking the council to take action against Mrs. Kuczynski.

On November 10, it was

disclosed, Harry McColm, Village building inspector, placed a "red tag stop order" on the structure, which in effect declared that Mrs. Kuczynski was in violation of the zoning ordinance, and revoked her construction permit. The building has remained in an incomplete state since.

Several of Mrs. Kuczynski's immediate neighbors charged that they signed a consent paper, under the impression that Mrs. Kuczynski intended to build a "hobby" greenhouse. They realized it was a mistake when they saw the size of the construction, and withdrew their consent. They then approached the council to order the structure torn down.

The greenhouse was originally planned to be 22 feet wide by 39 feet long and 13.6 feet high according to the plan presented before the issuance of the permit.

The home owner deviated from this by raising the structural figures to 22.8 feet wide by 39.8 feet long and 15 feet high, with the height slightly over that of her house, visible on both sides of the street and surrounding area.

At this point, with the building partially built, Mr. McColm placed the "red tag" on the greenhouse.

One neighbor charged that even after the "red tag" was placed on the greenhouse, construction workers attempted to continue with the erection of the building, but finally had to stop.

Mr. McColm said that he placed a "red tag" on the edifice because it was too large, too high, too conspicuous and not constructed according to plans and specifications. The original cost of the greenhouse, according to the initial plan, was set at \$3,500.

On January 25, the Village Council issued an order giving Mrs. Kuczynski 60 days to arrive at a compromise with her neighbors or tear down the structure, but according to information received, Mrs. Kuczynski appears to be remaining steadfast in her determination not to comply and has refused, so far, to reach a compromise with her neighbors.

One neighbor called the skeletal structure "obnoxious, an eyesore, and a blight on our beautiful neighborhood," while another stated, "We feel the residents of Shorecrest circle have been very fair and very patient in this matter and look to our elected officials to take action at once."

Still another neighbor said, "I think that a building anything like the subject greenhouse can only detract from the property values on Shorecrest circle," while still another noted, "As of this moment there has been no action to demolish the structure and it is definitely a detriment to the neighborhood."

So live that others will know you returned more to the world than you took from it.

### FINE OPPORTUNITIES

The U.S. Department of Labor's Bureau of Labor Statistics reports that job opportunities for well-qualified dental technicians are expected to be excellent through the mid-1980s.

### FAST GROWTH

Employment of dental technicians is expected to grow faster than average for all occupations due to expanding dental prepayment plans and an increase in the number of

older people who require dentures, according to the "Occupational Outlook Handbook in Brief," published by the U.S. Department of Labor's Bureau of Labor Statistics.

## Fund Raising Drive

(Continued from Page 1)  
was begun by the Ohio Jaycees. Then, local officers got in touch with a Berkley family which had lost a child to Reye's Syndrome and were informed of work being done by a small unit at Children's Hospital.

"At that point, we were kind of caught in the middle," Mr. Rutan explained. "We felt a certain commitment to the people in Ohio who helped us get our program together. Then, again, we also figured that if we were going to raise money for Reye's Syndrome research, we shouldn't neglect work already under way right in our own back yard."

**Hopes for Advances**  
Finally, the decision was made to direct all funds raised by the Michigan Jaycees to the Children's Hospital Reye's Syndrome unit. This decision prompted the hospital to enlarge its Reye's research program.

The Jaycees hope to raise \$50,000 in the first year for the center and point to their previous success in raising \$400,000 for the National Institute for Burn Medicine as an example of what they can do.

Dr. Edgardo Arcinue, of The City, heads the staff of the Reye's Syndrome Study Center and is hopeful that a well funded program of research can make advances in dealing with the disease.

## Fire Losses

(Continued from Page 1)  
tirement of one firefighter in 1975, that has become increasingly impossible. In 1976, there were only three men working 20 percent of the time.

Nevertheless, City Firefighters continued to supply strong assistance to their neighbors in The Farms and Park through mutual aid and pilot programs.

**Imbalance Remains**  
The City force made almost five runs to either The Farms or Park for every single run one of those communities made to The City.

The 1976 figures continue the trend of the past several years despite The City administration's attempt to reduce the imbalance of services by more closely determining the nature of fire calls before responding.

Under the mutual aid program, firefighters respond to another community's alarm when an "all apparatus call" is issued in case of large fires.

In the pilot program, calls to certain target areas, (such as schools and hospitals), are automatically responded to by the three departments involved in the program.

The largest single cause of the 103 City fires last year was leaves and rubbish, (25 fires), followed by appliances and motors, (13 fires), and liquid fuels, (10 fires). A total of 125 fires were reported in 1975.

**Inspect Homes**  
The department stepped up its efforts in home inspections last year, visiting more than 1,000 City residences and finding about 200 violations.

Although no tickets are issued for violations found in the voluntary inspections, Chief Marshall said he feels the program does a great deal to decrease fire losses and to make residents aware of potential hazards.

The inspectors gained admittance to about 30 percent of the homes they visited, according to the report.

The ounce of prevention costs as much today as the pound of cure used to cost.

## YSD Detective Addresses Nutrition Site Seniors

By Roger A. Waha  
An estimated 40 senior citizens who participated in the noon hour meal and program at The Pointe's Food and Nutrition site on Friday, February 25, obtained a variety of anti-crime information via a movie, pamphlets and a question and answer session with Youth Service Division Det. Donald Schmalz.

The emphasis of the program was to inform seniors of preventive measures which can be taken to prevent them from being a crime victim, and what to do in the event they are victimized.

Seniors, for example, are more susceptible to injury in a strong-arm crime than a younger person, said Det. Schmalz, who focused upon precautions which not only the elderly, but everyone, should take.

The movie, "Senior Power and How to Use It," obtained through the courtesy of the St. Clair Shores Police Department's Crime Prevention Bureau, offered suggestions to prevent, and cope with, such crimes as purse snatchings, breaking and enterings, obscene phone calls and carrying money from a bank.

Key points in the movie regarding purse snatchings included, for instance, keeping your wallet and keys in a pocket when walking or shopping, while blowing a whistle into a telephone usually discourages obscene callers from bothering a person again.

As for going to the bank, the film stressed that money shouldn't be displayed. In fact, a scene where a holdup victim was robbed featured a surprise on the culprits as the victim carried two wallets, and gave the criminals the one containing play money and mock credit cards.

In response to questions from seniors, Det. Schmalz said, in relation to a purse snatcher, for example, that it's best to give the thief what he wants and to stay as calm as possible.

He suggested that a whistle is a good deterrent while recommending that both men and women do not carry anything lethal, e.g., knives, guns, et. al., because such weapons could be used against the victim.

The best defense if attacked is a shrill scream or a yell continued shout for help.

When shopping alone, the detective advised individuals returning to their cars to look underneath their vehicles in

the event someone may be hiding there. A check also should be made inside the car.

"Be alert to who's present and what's happening, and keep your car doors locked," he said.

Noting this was the first time he's talked to a seniors' group, Det. Schmalz noted, "We, (division officers), talk to quite a few adult groups in the community, and these are normally parent groups." The focus of such talks are normally in relation to juvenile crime.

However, the detective said he enjoyed the program and was pleased at the reception and welcome he received from the seniors.

The information distributed included pamphlets on "Crime Reporting," "Preventing Crime Through Education: How to Spot a Con Artist," "How Secure Is Your Home?" (on steps to prevent break-ins), and a booklet entitled "Your Retirement Anti-Crime Guide."

The latter publication, copyrighted by the American Assoc. of Retired Persons and the National Retired Teachers Assoc., covers such areas as street and car safety, self-defense, making your home safe, how to choose locks and alarms and how to handle con artists.

## Gets Probation In Mishap Case

A 16-year-old Detroit boy pled nolo contendere to a felonious driving charge at a Wayne County Juvenile Court hearing Tuesday, February 22, stemming from an incident last October when the van he was driving struck a 15-year-old Harper Woods girl, reported Youth Service Division Det. John Albrecht.

The referee accepted the plea and placed the boy on probation for one and a half years, and also stipulated that his license be held by the court for the same time period.

Mary Miller was riding her bicycle at the intersection of Lochmoor boulevard and Jackson avenue when she was struck by the van.

She was taken to Saint John Hospital suffering from head injuries, a ruptured bladder and other injuries, but now she is home recuperating, according to Det. Albrecht.

The detective's investigation revealed that witnesses indicated the boy was speeding along Fleetwood and Jackson prior to the accident. Each street has a 25 mph speed limit and a trio of witnesses estimated the van was traveling between 40-60 mph on both thoroughfares.

## Family Films Set at Library

The hilarious Keystone Cops, north American black bears and the story of a kitten and a hare will be featured at the Family Film Night Series Thursday, March 10, in the exhibition room of the Central Public Library, 10 Kercheval avenue.

Show time begins at 7:30 p.m.

The first film on the program, "Scruffy," is an animated story of a runaway kitten, his adventures in the woods and eventual rescue by Grandfather Hare.

The Keystone Cops will entertain next in "Dollars and Sense," also featuring Ora Carew.

The Walt Disney production of "Bear Country," presenting photographic coverage of the North American black bear in his natural habitat, will conclude the program.

## GOOD OUTLOOK

The Bureau of Labor Statistics reports that employment opportunities in chemistry are expected to be good through the mid-1980s for graduates at all degree levels, and the overall employment of chemists is expected to grow faster than the average for all occupations during this period.

## St. John Opens New Child Unit

James T. Farley, president of Saint John Hospital, announced the opening last week of the hospital's new Pediatric Acute Care Unit.

The unit is designed to facilitate the care of acutely ill children between the ages of one month and 18 years.

The Pediatric Acute Care Unit is especially designed, in terms of facilities, equipment and personnel, to provide care for complicated medical and surgical patients through the use of intensive and concentrated treatment and nursing techniques.

The unit is under the direction of Hadi Sawaf, MD, vice-chief of pediatrics.

Mr. Farley said, "We wish to acknowledge the loyal support of the Fontbonne Auxiliary, the Saint John Hospital Guild, members of the Department of Pediatrics and prominent community leaders who have worked so diligently to bring this unit to fruition."

## Farms Employee Hurt in Crash

The rain swept intersection of McKinley and Ridge roads was the scene of an accident between a Farms dumpster scooter and a Gremlin on Wednesday morning, February 23.

Listed in stable condition with head injuries and a fractured leg is Farms city employee James Scott Brackett, 24, of 794 Rivard road. He was rushed to Cottage Hospital by the Farms Fire Department and was later transferred to Saint John Hospital.

The driver of the Gremlin, Rebecca Burdock, 16, of 283 McKinley road, was taken to Cottage Hospital for X-rays and treatment of minor injuries. She was later released.

A passenger in the Gremlin, Tracy Ann Whims, 16, of 227 Cloverly road, was not injured.

According to police, Miss Burdock said she was driving to school on McKinley road towards Kercheval avenue when the accident occurred. She reportedly was proceeding through a green light at the intersection when the Gremlin and dumpster collided. Miss Burdock told police she never saw the other vehicle.

The impact left the dumpster, used to collect garbage, upside down and sprawled half in and half out of the street. Debris from the three wheeled vehicle littered the scene.

The collision forced the Gremlin across the lawn of 183 McKinley road, leaving the black-and-white auto near the base of a large fir tree.

The car was towed to a Farms service station, while the dumpster was transported to the Farms Highway Department.

## Retires

Photo by Tom Greenwood

By Susan McDonald  
All DOUG ALLOR wants is to say one last "goodbye" to his friends and, after 32 years on The City police force, the good-natured sergeant has made a lot of them.

"I don't want any embellishments or frills. I did a good job, so leave it at that. Just tell everyone I'm gone."

His last day on the job was Thursday, February 24. Champagne for the celebration came in a box, glasses and all, from his son in Kalamazoo. But, even after the bottles were emptied, all the farewells said, it was still hard for Sgt. Allor to believe that, after three decades, he was actually leaving the force.

He's been a police officer since April 1945, when a neighbor, Andy Teetaert, (who later became Chief of City Police), urged him to go down any apply. He was promoted to sergeant in 1958.

He's never regretted joining the force. "I like the work; every problem is different, every day is something new." Even though retirement is required at 60 years, Sgt. Allor says, "I've no animosity about leaving."

First he's off to Florida for a few weeks with Ruth, his wife of 37 years. When summer moves up north, he plans to spend a lot of time at his home on Lake Superior and visit with his six grandchildren, two sons, Doug and Greg, and his daughter, Linda.

After that, he plans to come back in the fall and look around for "someone who can use me."

Whatever he does, there's no question he'll be back in The Pointe before long. Of the eight children born in the Allor home at 37 Oak street, (it's now called Muir road), he's the only one that stayed in The Pointe. After 60 years here, he has no intention to leave.

Events Slated At Food Site

Several events have been scheduled at The Pointe's Food and Nutrition Program site at the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue, this month.

Site directors Mary Aley and Diane Heavner report that Farms Municipal Judge Robert Pytell will address the seniors on Thursday, March 10, on the subject of trusts.

Then, on Tuesday, March 15, a cake decorating demonstration will take place, while on Wednesday, March 16, a Red Cross nurse will offer instruction in the area of home nursing. The latter program is scheduled to continue for five successive Wednesdays.

The nutrition plan, sponsored by Wayne County for seniors 60 and over, features a noon hour meal and socialization Monday-Friday between 10 a.m.-2 p.m.

Both directors indicated that volunteers are still needed to transport seniors to and from the site. If any individual or organization can help out, the ladies can be contacted at 888-4532 between the aforementioned times.

A piano player, preferably a senior citizen, for planned sing-a-longs also is needed.

## South American Movie Offered

The Grosse Pointe Cinema League will present a 16mm movie, "South America," when it meets on Monday, March 7, in the War Memorial's Fries Auditorium at 8 p.m.

This film showing is a tribute to the late Wallace Temple, a charter member of the Cinema League, who loved to travel the world over and to record on film the scenes and especially the people he observed.

Mr. Temple climbed both the Matterhorn and Mount Kilimanjaro before his death in 1971.

The program will be narrated by Mrs. Fern Zwickey. The movie touches briefly on Puerto Rico, then moves to the islands through the Greater and Lesser Antilles to Port of Spain, Rio de Janeiro, Brazil and San Paulo.

From San Paulo they flew across the South American continent, crossing the Andes and skirting the shore of the Pacific, north to Lima, the "City of the Kings."

There are spectacular views of Cuzco, the ancient Inca capitol, and Machu Picchu, high on a mountain top, with a magnificent view of the valley of the Urubamba River far below. Machu Picchu was discovered by the Yale University archaeologist, Hiram Bingham, and the excavations are a wonder to all who visit it.

The movie concludes with scenes in Panama.

The program is open to the public without charge. The reception following is open only to Cinema League members and their invited guests.

Jewelry, Cash Taken by Thief

A Shelbourne road woman reported to Farms police that her home was robbed of over \$1,000 in jewelry and cash while she and her husband were on a trip to Las Vegas from Thursday-Sunday, February 17-20.

Articles listed as missing from the home included a \$100 gold piece mounted on a gold chain with a gold rim. It was valued at \$285.

An Indian silver necklace, inlaid with mother-of-pearl, turquoise and coral also was taken. The initials JJR or JRR were engraved on the back. It was valued at \$400.

Around \$500 in cash was reported missing.

Look back now and then—it is possible to derive some useful lesson from past errors.

## South American Movie Offered

The Grosse Pointe Cinema League will present a 16mm movie, "South America," when it meets on Monday, March 7, in the War Memorial's Fries Auditorium at 8 p.m.

This film showing is a tribute to the late Wallace Temple, a charter member of the Cinema League, who loved to travel the world over and to record on film the scenes and especially the people he observed.

Mr. Temple climbed both the Matterhorn and Mount Kilimanjaro before his death in 1971.

The program will be narrated by Mrs. Fern Zwickey. The movie touches briefly on Puerto Rico, then moves to the islands through the Greater and Lesser Antilles to Port of Spain, Rio de Janeiro, Brazil and San Paulo.

From San Paulo they flew across the South American continent, crossing the Andes and skirting the shore of the Pacific, north to Lima, the "City of the Kings."

There are spectacular views of Cuzco, the ancient Inca capitol, and Machu Picchu, high on a mountain top, with a magnificent view of the valley of the Urubamba River far below. Machu Picchu was discovered by the Yale University archaeologist, Hiram Bingham, and the excavations are a wonder to all who visit it.

The movie concludes with scenes in Panama.

The program is open to the public without charge. The reception following is open only to Cinema League members and their invited guests.

## Gets from 2-10 on R/A Charge

A 17-year-old youth, who pled guilty to a robbery armed, (R/A), charge in Wayne County Circuit Court on January 31, was sentenced to from two to 10 years in prison before Wayne County Circuit Court Judge Thomas Brennan on Friday, February 18, reported Woods Det. Charles Philip Hamel.

Hubert Mays Jr. had originally requested a trial by jury but before the jury could be completely selected, he changed his mind and decided to enter a guilty plea to the charge, which stemmed from an incident last August.

Mays, on whom Woods police obtained a waiver in the case, was charged in the incident which occurred when a Yorktown road citizen was robbed at gunpoint of his wallet containing around \$40.

Another youth allegedly involved in that case, Henry Lee Bennett, 18, was recently sentenced to from five to 15 years in prison on an armed robbery charge stemming from a Harper Woods case.

Because of that incident, the similar case against him in The Woods had earlier been dismissed without prejudice in circuit court.

## North Woods Plans Dance

The North Woods Property Owners Assoc. is having a dinner-dance on Saturday, March 26, at the Msgr. Visnara K. of C. Hall, Harper Woods.

Tickets are \$28 per couple. The cocktail hour begins at 7 p.m. and is followed by dinner at 8 p.m.

Reservations must be made no later than Wednesday, March 16. For further information contact Marilee Rinke at 884-5172 or Mary Williams at 886-3291.

## Harte Placed On Probation

Russell Harte, convicted of assault and battery in the snowballing of his neighbor, was sentenced to time served and one year probation by Farms Municipal Judge Robert Pytell on Wednesday, February 16.

Harte, of 435 Manor road, served a total of 38 days in The Farms jail when he was unable to post \$10,000 bond on his misdemeanor charge.

Harte's probation is based on five requirements, according to Farms Chief of Police Robert K. Ferber. They include the commission of no violations criminal in nature to any person, especially to persons in Manor road; to obtain gainful employment earning a salary or his keep; and that the Northeast Guidance Center is to render emotional therapy treatment.

More are that all contact with Mrs. Lucy Steffens, owner of the residence at 435 Manor road, is to be directed through her guardian during her incompetency, and that any contact with Mrs. Steffens contrary to the wishes of the guardian, criminal in nature, shall be deemed in violation of probation.

Harte lived with Mrs. Steffens for a period of three and a half years as a "companion."

Harte will be enrolled in the Grosse Pointe Volunteer Probation Program for the probationary year.

Although Harte is out of jail, his troubles appear to be far from over. According to Chief Ferber, a notice of eviction was presented to Harte on Monday, February 28. The eviction notice will be processed through the Farms Municipal Court.

Harte is expected to appeal the eviction notice.

## North, South Students Attend Big Conference

By Debbie Rlter

A combined total of 10 students from North and South High Schools and one teacher were involved in the Greater Detroit Round Table Conference, "Building Positive Ties between Urban and Suburban Youth," Thursday, February 17, at Mercy College.

The 25th annual conference, whose goal was to reduce polarization and increase contact between Detroit and suburban youth, was attended by students from 22 Detroit high schools and 25 suburban high schools in surrounding communities, including Dearborn, Mount Clemens, Centerline, Farmington, Birmingham, Ecorse, Rochester, Ferndale and Grosse Pointe.

Students attending the conference from North High School were Margaret Cullen, Jeff Kirkman, Brian Kitzman, Judy Olsen, Tony Salvaggio and Joe Schee, along with social studies teacher Donald Dungan.

Mr. Dungan, also the student association sponsor at North High, said that a major point of discussion at the conference was a general criticism of media coverage of urban problems.

"In terms of urban news, we hear only the worst," Mr. Dungan said. "The conference is calling upon the media to set the record straight and be fair in its reporting."

Tony said that in a workshop with representatives from South, Denby and Martin Luther King, the role of parental influence in the isolation of suburban and urban youth was explored.

"Students develop prejudices by accepting parents' ideas without having their own experiences," he said.

For Brian, a discussion leader at one of the conference workshops, the problems of suburban-urban relations are not to be solved by a passive attitude.

"Crime is everywhere, not just Detroit," he said. "What are we supposed to do, lock our doors and stay inside all the time?"

Plans for student exchanges from urban to suburban schools and vice-versa are in the making at both North and South High, where the students are left to set up such programs on their own initiative.

At South, students Mark Budge, Nick Graves, Bob Payne and Nancy Stewart, all whom attended the conference, are working on an exchange with Martin Luther King students where students would meet on a relatively individual basis.

"The idea of a small exchange is really getting to know people we're exchanging with," Nick said.

"What we're interested in here is the student — finding out who these people are."

Mark, an Australian exchange student, said that people at the conference were sincere in their efforts to promote understanding.

"I think students are most encouraging and are easiest to have an impact on," he said.

"Contributions may at the moment sound insignificant but they could avalanche into something bigger."

Mark said he was particularly interested in the urban-suburban polarization and connected race-problems because they are something new to him. Coming from a somewhat smaller city than Detroit, Mark said that he would never worry about going downtown as he sees people doing here.

"You have concentric circles in Detroit, with urban people losing contact with suburban people," he said.

The Greater Detroit Round Table Conference was sponsored by the National Conference of Christians and Jews, Inc.

Fancy often paints a friend, but it never whitewashes him.

## Hawaii Subject Of DIA Movie

Stan Midgley, the California bicycling humorist, bicycles all over Oahu, Maui, Kauai, Molokai and the big island of Hawaii in his color movie, "Hawaii—Isles of Enchantment," Sunday, March 6, in the Detroit Institute of Arts, (DIA), auditorium at 3 p.m.

In the movie, which Mr. Midgley narrates in person, he rides along the bicycle lane through downtown Honolulu, shows surfing at Waikiki Beach, Pearl Harbor, Polynesian Center, the King Kamehameha Day parade and graceful hula dancers.

He flies with his bike to the "out" islands where he covers, among others, spectacular Waimea Canyon, the Spouting Horn, Kona Coast resorts, black sand beaches, Hilo, the Parker Ranch horse show and white-hot lava in an erupting volcano filmed from a daring 100-foot away.

For ticket information phone the World Adventure Series at 832-7676 any day between 9:30 a.m.-5:30 p.m.

## Women Police

Due to increased interest in police work among women, the employment of women as state police officers is expected to increase through the mid-1980s, according to the U.S. Labor Department's Bureau of Labor Statistics.

## Obituaries

**DR. IRA GEORGE DOWNER**  
 Services for Dr. Downer, 84, of The Park, will be held today, March 3, at the Jefferson Avenue Presbyterian Church at 1 p.m.

He died Monday, February 28, at his home.

A well known Detroit surgeon, Dr. Downer was a native of North Branch, Mich., and was graduated from the Detroit College of Medicine, now Wayne State University's School of Medicine, where he was a clinical professor of surgery for many years.

He interned at Herman Kiefer Hospital and served his residency at Harper Hospital. During World War I, he went overseas with the Harper Hospital Base Unit. He founded Detroit Riverside Clinic and was a charter member of the staff and first chief of surgery of Bon Secours Hospital.

## Pleads Guilty Of Bad Driving

A 19-year-old East Detroit youth pled guilty to a careless driving charge in the Woods Municipal Court Wednesday, February 23, stemming from an incident last December, and was fined \$25.

Police said the youth, David Charles Duckworth, apparently lost control of his car and struck four parking meters and the front of Woods Florist, 20923 Mack avenue. The front window of the florist shop was shattered from the impact, the owners reported.

# Merit Broadens Appeal.

**'Enriched Flavor' process adapted to new low tar 100mm cigarette with remarkable success.**

MERIT established a whole new taste standard for low tar smoking.

If you smoke but haven't chosen to take advantage of the MERIT breakthrough because you prefer a longer length cigarette, you'll be interested.

Because now there's a MERIT for you, too. New MERIT 100's. Only 12 mg. of tar. Yet packed with extra flavor. The kind of flavor that makes "low tar, good taste" a reality for 100's smokers.

## **'Enriched Flavor' Tobacco**

Like MERIT, MERIT 100's are packed with 'Enriched Flavor' tobacco. Tobacco fortified with certain key flavor-rich ingredients isolated in cigarette smoke, and

proven to deliver taste way out of proportion to tar.

We taste-tested MERIT 100's against some of the toughest competition we could find: higher tar 100mm cigarettes.

Here are the results.

## **Test Data Conclusive**

New 12 mg. tar MERIT 100's were taste-tested against a number of major 100mm brands ranging from 17 mg. to 19 mg. tar.

Thousands of smokers were tested. The results: *overall, they liked the taste of MERIT 100's as much as the higher tar 100mm brands tested.*

MERIT and MERIT MENTHOL. King Size and new 100's.

The taste barrier for low tar smoking has been broken again.

## Thieves Steal \$293 from Store

Farms police reported that Kroger's Market, 18870 Mack avenue, was the target of a \$293 unarmed robbery by two men on Saturday, February 26.

According to a cashier at the market, two men entered the store, passed the woman's register, took a advertising brochure, then stood in front of the store watching the registers.

While the woman was bagging groceries, one man suddenly pushed her and attempted to open the cash register. When she tried to stop him, the man pushed her against a display case, causing minor injuries to her hand.

After opening the register, the man grabbed the till and ran from the store followed by his companion.

The manager of the market pursued the men into the parking lot and saw them escape in a Ford or Mercury automobile, with a black over gold paint job. They drove north on Moross road.

One man was described as a black male, between 5'5" and 5'6" tall, of a medium build, with short, curly and processed hair. He was wearing a burgundy coat with dark trousers.

The second thief was a black male, between 5'5" and 5'6" tall, also of a medium build, with a short Afro. He was wearing a dark coat.

## South Wins EML Title, North Second in BCL

By Tom Greenwood

Cross-town rivals, South and North High Schools, both ended their regular varsity basketball seasons with impressive wins on Friday night, February 25.

South topped Roseville, 59-47, while North stopped L'Anse Creuse, 81-61.

The victory over Roseville was sweet for South Varsity Basketball Coach Chuck Hollosey since it locked up the championship of the Eastern Michigan League for the Blue Devils.

While the Devils compiled a so-so 13-7 overall record, they compiled an impressive 12-2 mark in the EML. "I'm very pleased with our winning the EML championship," said Coach Hollosey.

"Obviously, it's the high point of the season. What's especially satisfying is that we did it without a really outstanding shooter on our squad. The championship was completely a team effort. It's also the first EML title we've had at South in basketball since we joined the league."

In the Roseville game, high scorers for the Blue Devils were Gordie Early and John Hartman with 12 and 11 points, respectively.

At North, Coach Ray Ritter's Norsemen ran up an almost perfect season, ending with an 18-2 overall record, and a 12-2 standing in the Bi-County League.

The Norsemen finished second in the BCL, nipped out by first place Lakeshore with an 11-1 mark.

"We're very happy to be at 18-2," said Coach Ritter. "We received very good leadership from our seniors. We're disappointed we're not the champs, but we simply lost a game we should have won."

"Unfortunately, all five of my starters this year are going to graduate, so we'll have to start all over again next year."

In the game against L'Anse Creuse, the high scorer for NHS was Bob Brown with 35 points.

## Auto Accident Not Unnerving

The fact that his car overturned, resting on its top, and that he escaped without injury apparently did not phase Joseph Duncan, 27, of 60 Shorecrest circle, as Shores authorities found him at home asleep in bed.

According to police, a passing motorist stopped at the Shores station at 2:30 a.m. and said a car, which struck a Village sign, had overturned and was resting on its top.

Sgt. James Jurcak, Cpl. Daniel Fronczak and P.S.O. Michael Kenyon sped to the location, 1100 Lakeshore, at the northern section of the Village limits. They found a 1973 Vega upside down on the pavement, facing the sidewalk and empty.

A Law Enforcement Information Network, (LEIN), machine check from Lansing supplied information that the vehicle was registered to Duncan.

The officers went to the man's home and spoke to his mother, who said her son was not at home, as far as she knew. When asked to check his room, Duncan was found fast asleep in bed.

He was awakened and questioned about the accident. He told the officers he lost control while driving south on Lakeshore, and his car hit a "No Parking" sign before flipping over. Duncan said he got out, walked across a field to his home and went to bed.

After determining that Duncan sustained no injuries, they informed him that he was liable for damage to Village property and will be notified what the cost will be.

The accident report, made out by Cpl. Fronczak, did not disclose whether or not Duncan returned to the scene of the accident with the officers, but did state that the car was righted and towed from the scene. No tickets were issued because of lack of witnesses.

The report did reveal, however, that Duncan, whom the officers said had a slight odor of an intoxicant on his breath, merely turned over — and went back to sleep.

## Vandals Break Six Windows

Someone damaged six windows at the Grosse Pointe Baptist Church, 21335 Mack avenue, according to a report received by Woods police Wednesday afternoon, February 23. The total monetary loss was estimated to be \$240. Custodian Arthur Sonnerberg showed Officer Thomas Morawski where the windows were the recipients of B-B or pellet holes. One 36"x34" plate glass window was valued at \$65, while five 18"x18" plate glass windows were valued at \$35 each.

## Suspect Faces Circuit Court

A 44-year-old Woods man was bound over for trial in Wayne County Circuit Court on two counts of criminal sexual conduct, third degree, stemming from an incident on Wednesday, January 19.

This action was taken at the Woods Municipal Court examination of Lawrence Marco on Wednesday, February 16, before Judge J. Patrick Denis. His circuit court arraignment and preliminary has been scheduled for Friday, March 18.

Police said the warrant charges the suspect with forcing or coercing a 17-year-old Detroit boy to perform two different sex acts with him, one in the suspect's car and the second in the basement of the suspect's home.

However, at the examination, the defendant's attorney, Mark H. Cousens, made no attempt to deny the incident but argued that the charges were unfounded because the boy had consented to the alleged acts.

# Merit Broadens Appeal.

## 'Enriched Flavor'™ process adapted to new low tar 100mm cigarette with remarkable success.

MERIT established a whole new taste standard for low tar smoking.

If you smoke but haven't chosen to take advantage of the MERIT breakthrough because you prefer a longer length cigarette, you'll be interested.

Because now there's a MERIT for you, too. New MERIT 100's. Only 12 mg. of tar. Yet packed with extra flavor. The kind of flavor that makes "low tar, good taste" a reality for 100's smokers.

### 'Enriched Flavor' Tobacco

Like MERIT, MERIT 100's are packed with 'Enriched Flavor' tobacco. Tobacco fortified with certain key flavor-rich ingredients isolated in cigarette smoke, and

proven to deliver taste way out of proportion to tar.

We taste-tested MERIT 100's against some of the toughest competition we could find: higher tar 100mm cigarettes.

Here are the results.

### Test Data Conclusive

New 12 mg. tar MERIT 100's were taste-tested against a number of major 100mm brands ranging from 17 mg. to 19 mg. tar.

Thousands of smokers were tested. The results: overall, they liked the taste of MERIT 100's as much as the higher tar 100mm brands tested.

MERIT and MERIT MENTHOL. King Size and new 100's.

The taste barrier for low tar smoking has been broken again.

## Thieves Steal \$293 from Store

Farms police reported that Kroger's Market, 18870 Mack avenue, was the target of a \$293 unarmed robbery by two men on Saturday, February 26.

According to a cashier at the market, two men entered the store, passed the woman's register, took a advertising brochure, then stood in front of the store watching the registers.

While the woman was bagging groceries, one man suddenly pushed her and attempted to open the cash register. When she tried to stop him, the man pushed her against a display case, causing minor injuries to her hand.

After opening the register, the man grabbed the till and ran from the store followed by his companion. The manager of the market pursued the men into the parking lot and saw them escape in a Ford or Mercury automobile, with a black over gold paint job. They drove north on Moross road.

One man was described as a black male, between 5'5" and 5'6" tall, of a medium build, with short, curly and processed hair. He was wearing a burgundy coat with dark trousers.

The second thief was a black male, between 5'5" and 5'6" tall, also of a medium build, with a short Afro. He was wearing a dark coat.

## South Wins EML Title, North Second in BCL

By Tom Greenwood

Cross-town rivals, South and North High Schools, both ended their regular varsity basketball seasons with impressive wins on Friday night, February 25.

South topped Roseville, 59-47, while North stopped L'Anse Creuse, 81-61.

The victory over Roseville was sweet for South Varsity Basketball Coach Chuck Hollosey since it locked up the championship of the Eastern Michigan League for the Blue Devils.

While the Devils compiled a so-so 13-7 overall record, they compiled an impressive 12-2 mark in the EML. "I'm very pleased with our winning the EML championship," said Coach Hollosey.

"Obviously, it's the high point of the season. What's especially satisfying is that we did it without a really outstanding shooter on our squad. The championship was completely a team effort. It's also the first EML title we've had at South in basketball since we joined the league."

In the Roseville game, high scorers for the Blue Devils were Gordie Early and John Hartman with 12 and 11 points, respectively.

At North, Coach Ray Ritter's Norsemen ran up an almost perfect season, ending with an 18-2 overall record, and a 12-2 standing in the Bi-County League.

The Norsemen finished second in the BCL, nipped out by first place Lakeshore with an 11-1 mark.

"We're very happy to be at 18-2," said Coach Ritter. "We received very good leadership from our seniors. We're disappointed we're not the champs, but we simply lost a game we should have won."

"Unfortunately, all five of my starters this year are going to graduate, so we'll have to start all over again next year."

In the game against L'Anse Creuse, the high scorer for NHS was Bob Brown with 35 points.

## Auto Accident Not Unnerving

The fact that his car overturned, resting on its top, and that he escaped without injury apparently did not phase Joseph Duncan, 27, of 60 Shorecrest circle, as Shores authorities found him at home asleep in bed.

According to police, a passing motorist stopped at The Shores station at 2:30 a.m. and said a car, which struck a Village sign, had overturned and was resting on its top.

Sgt. James Jurcak, Cpl. Daniel Fronczak and P.S.O. Michael Kenyon sped to the location, 1100 Lakeshore, at the northern section of the Village limits. They found a 1973 Vega upside down on the pavement, facing the sidewalk and empty.

A Law Enforcement Information Network, (LEIN), machine check from Lansing supplied information that the vehicle was registered to Duncan.

The officers went to the man's home and spoke to his mother, who said her son was not at home, as far as she knew. When asked to check his room, Duncan was found fast asleep in bed.

He was awakened and questioned about the accident. He told the officers he lost control while driving south on Lakeshore, and his car hit a "No Parking" sign before flipping over. Duncan said he got out, walked across a field to his home and went to bed.

After determining that Duncan sustained no injuries, they informed him that he was liable for damage to Village property and will be notified what the cost will be.

The accident report, made out by Cpl. Fronczak, did not disclose whether or not Duncan returned to the scene of the accident with the officers, but did state that the car was righted and towed from the scene. No tickets were issued because of lack of witnesses.

The report did reveal, however, that Duncan, whom the officers said had a slight odor of an intoxicant on his breath, merely turned over — and went back to sleep.

## Vandals Break Six Windows

Someone damaged six windows at the Grosse Pointe Baptist Church, 21336 Mack avenue, according to a report received by Woods police Wednesday afternoon, February 23. The total monetary loss was estimated to be \$240. Custodian Arthur Sonnerberg showed Officer Thomas Morawski where the windows were the recipients of B-B or pellet holes. One 36"x34" plate glass window was valued at \$65, while five 18"x18" plate glass windows were valued at \$35 each.

### Kerby Hosts Craft Show

Kerby School will hold its second annual Arts and Crafts Show this evening, March 3, from 7-9 p.m. Sponsored by the Kerby Parent Teachers Organization, the show is designed to involve the whole Kerby School community — students, teachers and parents.

Darlene Krato, chairperson of the planning committee, and Raymond Marchesi, the school's art instructor, have assembled a many faceted collection of exhibits and demonstrations.

Virtually every student at Kerby will display work. The Cub Scouts will demonstrate their prowess in knot-tying and macramé while the Brownies will show puppets which they have made. Students who participated in the skills-talent program will exhibit their weaving projects.

A display of "customized" shirts and jeans will be presented by those children who joined an after-school workshop in quilting and applique. Leather craft, crewel work and embroidery, stained glass, drawing and paintings are only a few of the other student projects that will be featured.

Several Kerby faculty members also will contribute their talents to the show. Gene Pluhar, physical education instructor, will work with his potters wheel, while Gerald Ricard, sixth grade instructor, will display his collection of silhouettes. Richard Kay, principal, will set up a photographer's darkroom.

Representing the Kerby parents will be Pat Penoyar with her oil paintings, Connie Zylstra showing weaving, Pat Moehring with quilting, Adriani Thomas and her Greek needlepoint and crochet work, Wendy Brockie also doing knitting and needlepoint, Liz De Mercurio with needlepoint and countthread, Barbara Vaughan showing crewel work and Erin Hile with her watercolors.

Two "Picture Ladies" from Mairie School will be working during the show with two fourth grade classes. The Department of Community Services will participate with demonstrations from both the youth enrichment classes and the adult education program. Refreshments will be served, and all friends of Kerby School are invited to attend.

### Foursome Take \$50 in Holdup

Four men held up a Shell service station at 20397 Mack avenue Sunday morning, February 27, and escaped with around \$50 in cash, reported Woods police.

At the time of the incident, the 14-year-old son of the owner was in the station, while his older brother was out on a service call, said Det. Charles Philip Hamel.

Police are looking for a four-door light green colored Pontiac LeMans with a black vinyl top in connection with the holdup. The car reported to have had an estimated five-inch long and two-inch wide cash, resembling a scrape mark, on its right side.

The boy told Officer Michael Giffert that the car pulled up to the front of the station and stopped by the office door. Four men exited and entered the building. The lad said he asked if he could help them, whereupon one of the suspects stated, "You sure can," pulled out a gun and stuck it in the boy's chest.

Two others then produced guns and pointed them at the youth, while the fourth man attempted to open the cash register.

After being told to go out into the alley, the boy, with his dog, went to the south side of the building. When he heard tires spinning, the lad saw the vehicle exit the drive and go north on Mack at a high rate of speed.

The four suspects, all of whom wore stockings over their heads, were described as black and in their mid-20's. Three were respectively described as 6'2", 5'4" and 5'8" tall, while the other man was reported to have stuttered when he spoke. The man described as 6'2" also had a scar of approximately one-inch under his left eye.

In relation to the incident, Officer Richard Elsey, in responding to a call, said he lost control of his vehicle on an icy thoroughfare and struck a light pole. He suffered minor injuries to his knees after hitting them against the console upon impact, and was treated and released at Saint John Hospital. The car reportedly suffered extensive damage to its front section.

### GP Methodist Sets Musical

Grosse Pointe United Methodist Church, 211 Moross road, will present "100% Chance of Rain" on Sunday, March 6, at 4 p.m.

This is a musical presentation of the Noah story, featuring 17 different animals, which were designed and created by the children, a seven-foot ark and, of course, a rainbow.

The production is directed by Camille E. Thompson, church organist-director. Serving as production managers are Mr. and Mrs. Tom Ketzler of The Pointe, and as set designer, John Bogner, "arkitect" of The Pointe.

## Letters to the Editor

To the Editor:

I am writing in regard to your editorial, "On Unruliness in Court," in your February 17 issue. While you had some very valid points about the rights of a private citizen, I feel that a little more depth should be shown in understanding this particular case.

Yes, I'll agree that the people in the courtroom had feelings that were less than amorous. We, the neighbors of Mr. Harte, had been in court three times prior to the February 7 trial by jury. Each time court was postponed until a later date.

Many of us had filed complaints about Mr. Harte with the police department over a period of many months, and had gotten no satisfaction with this route.

We have lived in a neighborhood with a man who has kept our lives in turmoil. One never knew who he was going to be mad at next. We have been followed down streets, down alleys, been threatened verbally, harassed for driving our cars out of our driveways, had garbage run over because it was in the wrong place, had eggs thrown on windows, gardens ripped out and thrown across the lawn and children told to eat garbage that had been thrown on a driveway.

I was threatened because Mr. Harte "thought" he saw me "or another neighbor" drive in front of his house on one particular morning. I think that it should be noted that throughout this particular campaign, there has not been one act of retaliation toward Mr. Harte by any of the neighbors.

We all felt that the best course of action would be to ignore Mr. Harte and, hopefully, he would find that his harassment was doing no good. It didn't work.

Yes, there were groans from the people in the courtroom. It should be noted that these groans were heard after the court had run out of prospective jurors and had to go out on the streets for the third time to find someone else to serve.

Each time the court left to find someone else for jury duty, there was at least a 30 minute wait. It took three hours to pick six jurors.

Yes, we have our own theories about what has happened in the neighborhood and what we think should be done. Yes, we discussed the case among ourselves before the trial began.

However, not one of us has any idea that the prospective jurors were sitting in the courtroom with us until it was too late to take back any of what we had discussed.

I don't (think) that you can fault us for this unfortunate happening. The prospective jurors were not wearing signs that said, "Don't say a word! I'm a juror."

Yes, there were some unfortunate remarks made in the courtroom while the jury was out deliberating. I remember thinking how odd it was that Mr. Harte was left in a courtroom with a group that was obviously less than enchanted with the whole day and trial, while the judge, jury, clerk and both attorneys were in recess.

It seems kind of silly doesn't it, that in a trial stemming from a neighborhood feud, the two parties involved in the feud are left in a room at perhaps the height of tension for the day — waiting for the verdict; the culmination of a long, legal process.

I think that the "ordinarily good people" you alluded to in your article are still "ordinarily good people," but their bitterness has been building up for over a year. While they've been grinning and bearing it, their otherwise stable environment has been jostled by one man who has a grievance against car owners.

Perhaps if you had followed through on your "fair-

ness doctrine" as you professed in your article, you would have taken the time to put yourself on the other side of the door to see how the "other half" lives.

Kathleen S. Kendrick,

Grosse Pointe Farms

To the Editor:

The board of directors of the Grosse Pointe Inter-Faith Center for Racial Justice would like to go on record as being in strong opposition to the proposal of John E. Brink of the Grosse Pointe Real Estate Co. to "cut off" the five Grosse Pointes from "their biggest drawback" — Detroit.

Mr. Brink's plan which involves "cut de sacs" and mini-parks is based on the assumption that Detroit and its "larnished" reputation — as well as Detroit residents, (read: black) — has a negative impact on life in the Pointes as well as on housing values.

(We note that the complaint is not lowering of housing values, but that they are not rising as fast as they "ought to be".)

We feel that this kind of separatist thinking, (why not build a moat, too?), is destructive to the fabric of life in our whole metropolitan area, including that of the Grosse Pointes, and would like to state categorically that it reflects neither the philosophy of the Inter-Faith Center nor the ideals of numerous Pointe residents.

The negative publicity which arises from such outrageous proposals as Mr. Brink's tends to achieve an effect opposite from that which he intends.

We feel that the media coverage of Mr. Brink's plans — including Jim Fitzgerald's masterful slam on the back page of the February 23 "Free Press" — actually tends to lower the image of the Grosse Pointe area in the minds of many people, and that it will have a negative impact on housing prospects, not just in the areas of Grosse Pointe bordering on Detroit, but in all the Pointes.

We hope that Mr. Brink's plan will be laid to rest as soon as possible, and we have urged the local authorities in the five Grosse Pointes, (mayors, city councils, planning commissions), to concentrate on the real and vital issues of the quality of life in our area, and not on the false issues of presumed "stigma" from our Detroit neighbors and friends, both black and white.

Sincerely,

Thomas Kauffman,  
President,  
Board of Directors  
Gail Wingard,  
Executive Director

To the Editor:

I wish to stimulate more interest in the March 12 millage elections by considering the following points:

1. Last year's 2.2 mill increase was based on the assumption which considered no state payment for mandated programs. Actually there has occurred a payment of \$330,000 with an assured possibility of a total of \$500,000. This state-mandated program money should not be confused with direct state aid — state-mandated program money is paid regardless of school district wealth.

2. An estimated enrollment loss of 400-450 each year. The 450 student loss of 1976-77 equated to \$264,000 plus dollars. This figure is interesting as the saving for this student loss was quoted to be close to \$400,000 by negotiation spokesmen. It depends to what side we are listening to. I would tend to estimate closer to the lower administration figure. In any event this will be \$264,000 plus dollars.

3. Next year's increase in property assessments is estimated to be a six percent amount. This will create \$1,032,683 plus dollars without the 2.2 mill renewal of last year's increase. This automatically occurs each year as it is the property assessment scheme we have in Michigan.

The total of the above plus dollars equals \$1,796,683. This will be without the renewal of last year's 2.2 mill increase. This figure approaches the above amount because of state-mandated program money which was zero budgeted last year — the \$500,000 amount in section one.

Our community can negotiate all labor contracts with honor and generosity without the renewal of last year's 2.2 mill increase. It must be considered that property assessments are compounded increases each year. These increases reflect inflationary modes and we should keep within their limit.

There is ample money to negotiate present contracts without the approval of last year's 2.2 mill increase. This will amount in the range of nine percent of additional funds.

Sincerely,  
Louis J. De Perro Jr.,  
831 North Renaud road,  
Grosse Pointe Woods

### Know Your Schools

By Dr. William Coats,  
Superintendent of Schools

As residents of the community are becoming increasingly aware, an election to renew expired operating millage rates for the public schools and libraries is set for Saturday, March 12.

It should be noted that this election will be the first since 1959 that the Board has requested only a simple millage renewal without also asking for a millage increase.

We hope and believe that these two proposals, which will maintain our current program into the future, will be approved by all voters. Everyone has a stake in the election, since it is generally believed that good schools keep property values high. I have been asked, "If the proposals fail, what will the consequences to the school district be?"

One thing is certain — the schools and libraries will not be able to offer the same programs that they are currently providing. Proposition One will raise more than \$1,200,000 in revenues for the schools, while Proposition Two will raise about \$60,000 in funds for the operation of the public library system.

Up to this point in the informational millage campaign, we have said that during the coming year, without

the renewal, the program would be curtailed. We are currently releasing the specifics of this cut if the millage fails.

Among the programs to be eliminated in the event of a millage defeat are three in the elementary schools: Art, Skills/Talent and Fifth Grade Instrumental Music.

Reductions also are slated in the counseling program in the three middle schools as well as in both high schools. The number of periods in all the secondary schools would either be reduced by one, (with the exception of ninth grade), or there would be an increase in class size from 10-12 percent.

Naturally, reduction of the number of periods in the secondary schools from six to five periods would result in an earlier-than-usual dismissal.

Extra-curricular activities would be affected by a 46 percent reduction in salary allotments to staff members who direct athletics, clubs, activities and intramurals.

The public libraries would be affected by a reduction in personnel which would translate into the elimination of Sunday service at the Central Library, closings on Saturday during the summer and a reduction in evening hours in the Branch Libraries.

I have cited only a partial list of possible cuts. A number of other programs and budgets would be curtailed or eliminated. I have no desire to attempt to use this column as a threat or scare to the voters — I simply feel that it is my duty and responsibility to make them aware that a millage defeat will mean a reduced school and library program.

As a comparative newcomer to The Pointe, I have been told that citizens would have preferred information about possible program cuts prior to the March 29 millage defeat of last year.

Hopefully, readers will see this column as an attempt on my part to help citizens understand the importance of our current request for a millage renewal.

## Wine Lines

by John Lundberg

Chablis is produced here in the United States as well as in France. In California, climate, soil, and other conditions are right to grow Chablis. Cuttings of the best French vines were brought over in the late 1800's. Every condition known to be essential for the production of the highest grades of wines exists in California. It is for this reason that some of the best Chablis in the world comes not from France, but from the North coast region of California.

At PARKIE'S PARTY SHOPPE, 17255 Mack, corner of Mack, corner of St. Clair, 885-0626 you'll find delicious chablis from both California and France; indeed, we feature a full selection of imported and domestic wines. And we give a 10% discount off of our already low prices for wine purchased by the case. Hours: 10-10 Mon.-Thurs.; 10-11 Fr. & Sat.

This may be the year of the peanut. Recently a fast thinking producer of interesting jewelry produced 100 necklaces made very simply of a gold peanut on a gold chain. Reaction to the item was fantastic. It was so good, in fact, that this same jeweler went ahead and produced a whole line of jewelry, consisting of pendants, earrings, rings and bracelets, all sporting the peanut. Most popular of all, however, is one of the latest productions: a peanut locket newly designed.

There'll be cocktails, and a lavish buffet... and a boutique, filled with assorted treasures... and prizes, and a sing-a-long to piano music... AND a belly dancer at the Edward J. Stroble, Jr., home in Harvard road a week from tomorrow, Friday, March 11.

Occasion is Operation LINC's third annual kick-off party, officially commencing preparation for LINC's big, two-day City Fair.

The City Fair is set for June 1 and 2, Wednesday and Thursday, on the Kern Block downtown. It's Operation LINC's chief fund-raiser, where goods which have not been placed on LINC projects are sold.

LINC, (as you know, but let's say it one more time), stands for Linking Individuals to the Needs of the Community.

LINC takes a request and finds how to/who to/with what to fill it, drawing from the community to serve those organizations which serve the community.

Over 100 community organizations in Wayne County were helped by LINC last year.

Chairing the '77 kick-off party, which will run from 7:30 to 10 o'clock, are Mrs. Arthur E. Judson and Mrs. Peter Waggoner.

Tickets at \$9 per person must be obtained in advance, (they WILL NOT be sold at the door), by sending checks to Mrs. G. Howard Willett, III, (Continued on Page 17)

## Saint John Guild Plans Stag Dinner

Joe Garagiola to Headline Entertainment at 17th Annual Gala; Proceeds Go Toward's Hospital's Purchase of CT Scanner

Some 45 members of the Saint John Hospital Guild gathered recently to discuss plans for their 17th Annual Stag Dinner, slated for Tuesday, May 17, at the Detroit Plaza Hotel in the Renaissance Center.

Proceeds from this event will go toward purchase of a CT Scanner, (Computerized Axial Tomography).

Saint John is one of the few hospitals in the area to receive approval from the State of Michigan Public Health Department for the purchase of this equipment.

With this approval, Saint John becomes part of a regional program for locating CT Scanners in select hospitals throughout the state.

The Scanner uses its own computer to thread tiny pictures into single, high-resolution photographs.

Its great advantage over conventional X-ray techniques is its ability to highlight significant variations in brain tissue densities; this is essential in the early diagnosis of cancer.

The Scanner may also be used in diagnosing cancers and other growths in the soft tissue of the abdomen and thorax, with no discomfort or danger to the patient.

At the helm of this year's

the decorations committee. General chairman Mrs. J. W. Harrison will introduce the 52 new members who have joined Merry-Go-Rounders this season.

Early reservations are advised. Members may bring guests if reservations are sent in promptly.

Annual Dinner committee are George Cueter, general chairman, James F. Causley and John Cueter, co-chairmen.

Other committee chairmen include Alexander M. Nick, dinner; Vernon Glendening, prizes; Anthony Giorgio, tickets; and Kenneth Adler, Leo Kalyvas, Gennaro DiMaso, MD, and Eugene H. Boyle, MD, co-chairmen.

Richard Filippelli is in charge of reservations. Hoot McInerney and Roger Stanton will handle entertainment.

The evening begins with a 5:30 o'clock reception in a San Francisco Fisherman's Wharf atmosphere in the Renaissance Ballroom lobby, where cocktails and hors d'oeuvres will be served. A gourmet dinner follows.

Headlining the cast of star entertainers will be well-known sports commentator Joe Garagiola.

Gifts presented that evening will include two automobiles, two trips to England for two and two color television sets.

There will be an Open Bar throughout the evening and, for the road, hot goulash soup, fresh French bread and hot coffee. Valet parking will be available.

Tickets for this event are \$100 each. Further information may be obtained by contacting the Saint John Hospital Guild office, 881-8200, Extension 547.

Workshop chairman Mrs. Paul Ruble, (Harper Hospital), is being assisted by fellow Pointer Mrs. Barlow as co-chairman.

The workshop is open to all interested persons as well as members of auxiliaries.

Reservations at \$8 per person should be made before Tuesday, March 8, with Mrs. Harold LaBeau, reservations chairman, of Lincoln Park, (381-1568).

## Two Concerts for Musicales

Tuesday Musicales of Detroit, under President Mrs. Burt E. Taylor, Jr., of Ridge road, will present a duopiano program for its seventh morning concert of the season next Tuesday, March 8, at 10:30 o'clock in the Lecture Hall of the Detroit Institute of Arts.

Mrs. Milton Kevreson, of Huntington Woods, is chairman of the day. Mrs. Robert Crossen, of Tonnancour place, is general program chairman, assisted by Mrs. John Ehrlich, of Essex drive.

Four sets of two players, each set performing on two pianos, will present various works. The Concerto in C Major by Bach will be played by Mrs. Edward Gall and Mrs. Thomas I. Young, both of Grosse Pointe.

A string quartet, with Mrs. George Peterson and Mrs. Adrian Wallace, violinists, Mrs. Allen Middendorf, violist, all of Grosse Pointe, and Mrs. David VanOeyen,

cellist, of Detroit, will accompany the duo-piano solo.

"Six Etudes en Forme de Canon, Op. 56" by Schumann, (arranged by Debussy), will be performed by Mrs. James Gerlach, of Utica, and Mrs. Edward Wilson, of St. Clair Shores.

Mrs. Robert Laing, of Novi, and Pointer Mrs. T. Darrel Eubank will present the Polovetsian Dances from Prince Igor by Borodin, (transcribed by Victor Babin).

The program closes with Mrs. Philip Stephenson and Mrs. Robert Jackson, both from Huntington Woods, performing, "Tears," (from Suite No. 1, Op. 5), by Rachmaninoff, "Moreninha," (The Little Paper Doll), by Villalobos, "Caribbean Dance," (based on two Jamaican folk songs), by Benjamin, and finally "Polka," (from the opera Shvanda), by Weinberger.

The eighth morning concert of the season, also at the Lecture Hall of the Detroit Institute of Arts at 10:30 o'clock, will be presented Tuesday, March 22. Chairman of the day is Mrs. John Deaver, of Berkshire road.

"Variations in C minor" by Beethoven will be presented by Mrs. John Dolan, pianist, of Grosse Pointe.

Mrs. Jessie Nimmons, soprano, of Detroit, will perform four songs: "Vadaro Tutile" from Julius Caesar by Handel, "Sussreise" by Wolf, "Ser Ist," also by Wolf, and "Io Sone l'Umile Ancella," by Ceilela. Accompanist will be Mrs. Robert Laing.

Alice Ellison and Laurie Lindemulder, piano duettists, (four hands at one piano), will present "Ma Mere l'Oye" by Poulenc.

The final performance will feature Mrs. Emily Mutter Austin, violinist, and Mrs. Theodore Horowitz, of Huntington Woods, presenting Mozart's Sonata No. 15 in Bb, K. 454.

Information regarding active and associate Tuesday Musicales membership, may be obtained by calling 882-2983, or 886-3867. The next concert is scheduled for Tuesday, April 5.

## Van Assche-Dunn Vows Exchanged

Two Sisters Attend Bride, One As Honor Maid, One As Flower Girl; Their Three Brothers Seat Guests

After a reception in the Grosse Pointe War Memorial's Alger House following their wedding early Tuesday evening, January 4, in the Grosse Pointe Academy's Sacred Heart Chapel, Mr. and Mrs. Martin Van Assche left for Greeley, Colo., where he is completing pilot training at Emory School of Aviation.

They will be returning in June to make their home in The Pointe.

Mrs. Van Assche is the former Deidre Jane Dunn, daughter of Mr. and Mrs. Simon E. Dunn, of Roland court. Mr. and Mrs. John Van Assche, of Vernier road, are the bridegroom's parents.

Father Ralph Barton, of Our Lady Star of the Sea Parish, presided at the 5 o'clock rites, for which the former Miss Dunn chose a long gown of shirred white organza, featuring a high, ruffled neck and long, slender sleeves.

Pale pink roses accented the satin cummerbund defining her waist. Matching pink roses trimmed the crown of her white picture hat, with its ruffled brim of silk illusion and fragile, shoulder length veil.

She wore her maternal grandmother's lavalier of filigreed seed pearls, and carried an arrangement of pink Sweetheart roses, white Fuji mums and baby's-breath.

She was attended by her sister, Bridgid Dunn, as honor maid, and another sis-

ter, Molly Dunn, as flower girl. They wore frocks in complimentary shades of rose and pink. Bridgid's fashioned of Qiana, with a long, triple-tiered, pleated skirt, Molly's, also long, of eyelet lace.

Bridgid carried deep pink miniature carnations and baby's-breath. Molly scattered pink rose petals from a small, wicker basket, and wore pink ribbons in her hair.

Mikeal Borchak was best man, Brian, Kevin and Blair Dunn, the bride's brothers, seated the guests.

Mrs. Dunn accented her floor length silk caftan, striped in mauve, pink and magenta, with a single-strand amethyst necklace, matching earrings and an antique brooch. Her corsage was a bi-ribbon, lavender cymbidium orchid.

The bridegroom's mother wore a cowl-necked, rose-colored tunic of candlelight

Qiana. Her corsage was a purple cymbidium orchid. Dede majored in Occupational Therapy at Northwestern College in Tarrytown City. Marty attended Ferris.

## Inside the Mothers Club

The executive board of the Grosse Pointe South High School Mothers' Club met February 7. President Mrs. Gerald E. Warren spoke of the great importance of the spring fertilizer sale to the scholarship fund and other activities of the Mothers' Club. The sale was expected to contribute about \$3,000 to Mothers' Club coffers.

[The Mothers' Club board wishes to thank members of the community who supported the fertilizer fund-raiser. It was a success, thanks to all of you.]

The "Tower," Grosse Pointe South High's newspaper, is in financial difficulty. It is one of the top school newspapers in Michigan and the whole country.

After subscriptions and advertisements had been secured last fall as usual, the printer had to raise his prices. This left the "Tower" with a possible deficit of \$2,000.

Lisa Roumell, an editor, spoke of the staff's plans to erase this debt. They intend to publish a special issue for the school and the community, featuring articles promoting South, the millage, etc.

Money will be sought in several areas: high school classes will be space to tell the community what they do, and names of adult patrons at \$5 each, student patrons at \$1 will be printed in the paper.

Mrs. Frank Zinn moved that the Mothers' Club buy a full page ad for \$100 in this special "Tower" issue.

[We want you to know that our campaign to "Save the Tower" was a success and that the staff of the "Tower," the student body, parents, Grosse Pointe South High staff and other members of the community raised the \$2,000 necessary. We thank you for your support.]

The millage election is to be Saturday, March 12. Mr. and Mrs. Joseph L. Fromm have agreed to act as millage co-chairmen for South High.

Board members were asked to send absentee ballots to neighbors who will be out of town. Mrs. Warren also asked board members to participate in an extensive telephone campaign the day before or the day of the election, in an attempt to get people out to vote.

The meeting was adjourned early to allow ample time for a program on testing.

Jon Rice, reading consultant for Grosse Pointe South, began the program with a description of his workshops for the SAT. He emphasized that no one can cram for this test.

The workshops are to be held on two consecutive days — one hour each day — the week of March 21, just before the next SAT on March 26. They are designed to familiarize students with the format and design of the test.

Mr. Rice's goal is to make the kids feel better about themselves as they approach the test situation: to engender an attitude of "confident apprehension." Parents can help the students set goals. Students can determine the SAT scores desired by the colleges to which they are applying.

Mr. Rice's talk was followed by a very fine, new film entitled, "Let's Talk about the SAT." The film is designed to answer some of the parents' questions about the purpose, content and importance of the SAT.

Dr. Robert J. Hanson of the South High Counseling Staff, then spoke in more detail about the SAT, the ACT and the PSAT.

The PSAT, or Preliminary Scholastic Aptitude Test, is a two-hour version of the SAT. (Scholastic Aptitude

Test). Students usually take it in the fall of their junior year of high school.

It is designed to give students familiarity with the SAT, and is also the qualifying exam for the National Merit Scholarship.

The SAT is required by many out of state colleges, but locally only by the University of Michigan and the Liberal Arts College of Wayne State University. It is usually taken in the spring of the 11th grade. It is the scholarship test for the state of Michigan.

Counselors can use these scores to help students choose colleges where they will be comfortable and successful. Dr. Hanson described aids for students, and showed two books available in the school book store containing helpful information on these tests.

The Mothers' Club of South High convenes again March 7, at 12:30 o'clock, for a very important business meeting.

Special reports will be given on the following projects: Fertilizer, Christmas Tea, Spring Benefit, Scholarship and Paperback Book Project. All other regular committee reports also will be given.

## Will Wed

Making plans for a May 14 wedding are BETH ANN KRAY and TIMOTHY R. MILLER whose engagement has been announced by her parents, Mr. and Mrs. Richard Kray, of Aline drive.

The bride-elect was graduated from Grosse Pointe North High School and received her Bachelor of Science degree in Animal Husbandry from Michigan State University. She is a future editor for "The Drovers Journal," Kansas City, Kans.

Mr. Miller, son of the Wilfred H. Millers, of Lockport, N.Y., earned his Bachelor of Science degree in Animal Husbandry from MSU in 1975.

## Cancer Group Meets Tonight

The American Cancer Society will hold its monthly meeting for cancer patients and their families tonight, Thursday, March 3, at 7:30 o'clock in the Ladies Parlor of the Grosse Pointe Woods Presbyterian Church in Mack avenue.

This self-help group's purpose is to bring together persons who are experiencing problems as a result of the disease and, with the assistance of a nurse consultant, to give them the opportunity and encouragement to discuss mutual difficulties.

Further information may be obtained by calling the area office of the American Cancer Society at Cottage Hospital, 343-9000.

He is now finishing a Meat Science Masters program at Michigan State.

As MSU undergraduates, Beth and her fiancé were members of the Livestock, Horse and Meat Judging Teams, and officers of the Block and Bridle Club.

## Pointe Symphony Women at Work

Mini Benefits Add Up to Major Financial Help for Local Classical Orchestra Which Presents Four Concerts Each Year

The members of the Grosse Pointe Symphony Women's Committee are embarked on a series of special events, a roundup of mini do-your-own thing fund-raisers to benefit the local classical music orchestra. Mrs. Lyndle R. Martin and Mrs. John E. Young, Jr., are co-chairing the project.

Mrs. Stephen Moreland, Mrs. Melvin Vandagens and Mrs. Ivan M. Kirlin jointly hosted a Thursday, February 17, bridge luncheon at the Moreland home.

On Saturday, February 19, Mrs. Lester Maurer, of Cloverly road, invited a group of friends and neighbors to shop her sale of oddments.

Mrs. Ralph Urso and Mrs. Harold Lee organized 11 tables of bridge-playing friends for luncheon and an afternoon's play last Thursday, February 24, at the Lyndle Martin home.

On Friday evening, February 25, Mr. and Mrs. John E. Young, Jr., entertained at

Grosse Pointers Coped."

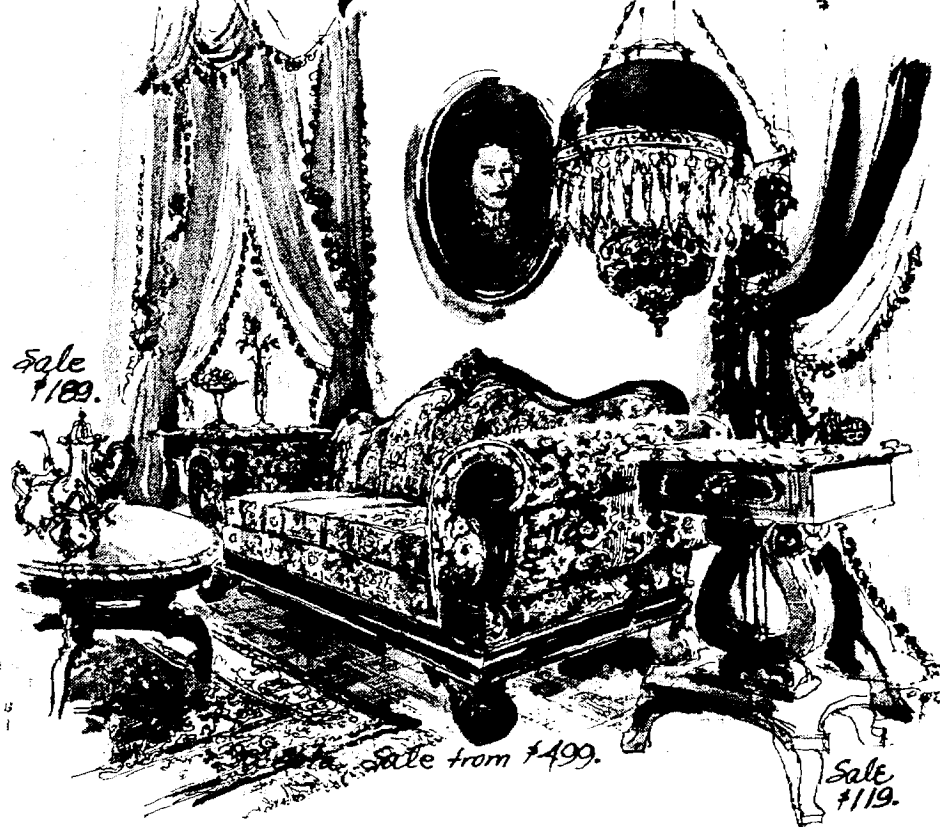

Other events in the planning stage include a progressive dinner and sing-along, being arranged by Mr. and Mrs. Elmer Barber, Mr. and Mrs. William O. Bradley, Jr., and the Martins; an afternoon of bridge hosted by Mrs. Michel A. Skaff and her daughter Mrs. Nabil Tawile; a two-piano evening, for which Mrs. Sterling Sanford and Mrs. Berdan Baynert are arranging the guest list; and a gourmet progressive dinner planned by Mrs. Richard O. Burr, Jr., Mrs. H. A. Powell and Miss Hazel Thomas.

Mrs. Peden A. Meikle is completing a needlepoint pillow prize. Proceeds from her effort, as well as all the others, go to support the Grosse Pointe Symphony, which traditionally plays four concerts each season in the Grosse Pointe North High School auditorium.

## CRUISES — LOW SEASON — BEST VALUES

The best values in cruising are coming up with what is called the "Low Season." Right after Easter and thru most of June, cruise rates are generally the lowest of the year and offer passengers the most reasonable fares on top quality luxury ships. Cruises have always been considered a bargain when you take into consideration that one price includes everything — flight, cruise, meals, entertainment, and now, at low season prices, it's something not to be overlooked, if you are considering a cruise. (Remember — April and May still get pretty chilly in our neck of the woods.)

Contact the Cruise Desk at TRAVELWORLD. You'll be surprised with the substantial savings. TRAVELWORLD is open 9 a.m. to 6 p.m. daily, Thursday night till 8 p.m. and Saturday and Sundays 10 a.m. to 4 p.m. Call 882-8190 or stop in at 21127 Mack Avenue (north of Vernier).

## Poster Promotes 'Flute'

GEORGE SNOW, age six, of McKinley avenue, and JAMES MUER, nine, of Alter road, are the featured artists for Michigan Opera Theatre's "Magic Flute" poster, being used in communities throughout Michigan to announce MOT's fourth annual Opera in Residence tour. Both boys attend MOT productions regularly and enjoy them thoroughly.

George, a first grade student at Richard School, son of MOT public relations director Phyllis Snow, and James, a fourth grader at Saint Ambrose School, son of MOT season ticket coordinator Louise Muer, were asked by Robert Israel, who was inspired by the relationship between the wonderland of a child's imagination and the magic of theater to look to his own childhood for his design concept of MOT's "Magic Flute," to contribute designs for Mozart's masterpiece.

Utilization of children's designs was integral to Mr. Israel's highly praised, if controversial, approach to the Mozart opera, which closed Michigan Opera Theatre's 1976-77 season at Music Hall and is the featured full-length work in the Opera in Residence program in Alpena, Petoskey, Traverse City, Livonia, Algonac, Holland and Battle Creek.

## To Conclude Pro Musica's Jubilee

Concert by Juliana Markova Will Complete  
Society's 50th Season of Uninterrupted  
Programming Sustained Entirely  
by Memberships

Piano virtuoso Juliana Markova will have her recital debut in Detroit with Pro Musica in the Lecture Hall of the Detroit Institute of Arts Friday, March 11, at 8:30 o'clock.

Her program, completing the Jubilee Concert Series commemorating Pro Musica's 50 years of uninterrupted programming sustained entirely by memberships, will be followed by a reception in the museum's Romanesque Hall.

At these traditional post-concert receptions, members and guests of Pro Musica enjoy an hour of refreshments, socializing and the opportunity to meet their guest artists.

Chairman of hosts and hostesses for the reception closing the Jubilee Year is Mrs. Frederick C. Greiling, of Bedford lane.

Among the hosts and hostesses will be Pointers Dr. and Mrs. M. J. Bucciero, Mrs. William Chester, Ben Hefler, Mrs. Eugene Ignasiak and Mr. and Mrs. Alfred E. Lindbloom.

More are Detroiters Mr. and Mrs. C. M. Gardisky and Miss Dorothy Kusch; Dearbornites George Yacup and Mr. and Mrs. Joseph Zanetti; Mr. and Mrs. Seymour Kapetansky and Mrs. Lucille Miller, of Southfield; Mrs. Ada Creedon, of Berk-

with sumptuous tonal colors. After studying and performing in Europe, Miss Markova first appeared in the United States in 1973, in concert with the Los Angeles Philharmonic under the direction of Zubin Mehta.

She made her American recital debut in Chicago's Orchestra Hall that same year.

New York's Carnegie Hall and Columbia Records chose her to appear with several young artists in the 1973 "Three by Three" series. She will return to New York to appear in the "Great Per-

formers Series" at Lincoln Center.

Miss Markova was graduated with the highest possible honors from the Verdi Conservatory in Milan. She launched her career by winning prizes in both the Georges Enesco Competition in Bucharest, Rumania, and the Marguerite Long Competition in Paris.

She has performed for the leading concert societies in London, Berlin, Florence, Milan and Genoa, and was a featured artist at the Festival of Two Worlds in Spoleto, Italy.

## A Message to INVESTMENT-MINDED Women

Many of our clients are women, who came to us initially for advice on their investments. They are still with us because they have confidence in the integrity and competence of our Account Executives. And they appreciate the fact that we have conscientious concern for their specific financial requirements and objectives.

Some of these women want maximum investment security, others are interested in growth, and still others are concerned with income. We try hard to please them all.

If you are an investor, or would-be investor, we invite you to discuss your program with us — without obligation. You'll like the courteous way we treat you. (And by the way, some of our Account Executives are women.)

## With Project HOPE in Egypt

James M. Pierce, M.D., is in the middle of a two-month tour of duty with the Project HOPE Medical Education Program in Alexandria, Egypt.

The Pointe doctor, who received his Medical Degree from the University of Cincinnati and completed his internship at University Hospital, Ann Arbor, is chairman of Wayne State University's Department of Urology.

In Egypt, he's conducting teaching programs in Urology at the University of Alexandria. HOPE and the Government of Egypt, as represented through the Ministry of Higher Education, have agreed to a five-year program of education in all health fields.

Using the counterpart approach, HOPE's educators are working to improve the health of the area by developing existing health care systems and training professional and auxiliary personnel to man those systems.

Egyptian professional communities in medicine, dentistry, nursing and allied health sciences were given the opportunity to establish their own professional needs and priorities.

HOPE's commitment over the five-year period will involve a total of nearly 250 teachers.

## Solo Show for Bette

A one-person show of paintings by Grosse Pointe Artists Association President Bette Prudden opens Sunday, March 6, with a 1 to 5 o'clock meet-the-artist reception at the Art Studio in Morang drive.

There'll be refreshments. The public is welcome.

Mrs. Prudden, best known in this area for her portraits of children, will feature Michigan scenes and "people paintings" in a variety of media in the Art Studio show, which runs through Saturday, March 19.

## Curtain Going Up!

The curtain rises this weekend at the Van Dyke Community Auditorium on the Van Dyke Theatre Company's "Waiting for Godot," directed by Pointer Jesse Villegas, with Pat Villegas among production staffers.

The former "Moving Company" has scheduled three performances of Samuel Beckett's tragicomedy: Friday and Saturday, March 4 and 5, at 8 o'clock, and a Sunday matinee at 3 o'clock March 6. Tickets may be reserved by phoning 755-5671.

The Sheraton Dinner Theatre opens the following weekend, with Friday, Saturday and Sunday, March 11 through 13, performances of Neil Simon's "Plaza Suite" featuring The Company, including former Pointer of Interest Ed Oldani.

Information on dinner and performance times at the Sheraton Motor Inn in Woodhaven may be obtained and reservations made by calling 676-8000.

The University of Detroit Centennial will be commemorated at a special Tribute Concert sponsored by the Wayne State University Department of Music Sunday, March 6, at 3:30 o'clock at SS. Peter and Paul Jesuit Church in East Jefferson avenue, with Pointer Elizabeth Parcels among the featured soloists.

## Detroit Symphony Orchestra Features Gyorgy Sandor

Detroit Symphony Orchestra music director Aldo Ceccato will conduct tonight's DSO concert featuring internationally renowned pianist Gyorgy Sandor performing Liszt's "Todtentanz," (Dance of Death) and Rachmaninoff's "Paganini Rhapsody."

The Thursday, March 3, program at 8:30 o'clock in Ford Auditorium also will feature Bartok's Concerto for Orchestra.

Post-concert, the audience is invited to meet the artist at a Reprise Reception, sponsored by the DSO's Junior Women's Association, in the auditorium lobby.

This evening's program will be repeated Friday morning, March 4, at a 10:45 o'clock NBD coffee concert, following a 9:30 o'clock coffee hour and a mini-fashion show by Hudson's at 10:15, and Saturday evening, March

5, at 8:30 o'clock.

Tickets for the Thursday and Saturday concerts, priced from \$3.50 to \$9, are available at the Ford Auditorium box office, all Ward's and Hudson's ticket outlets. NBD Coffee Concert ticket prices are \$8, \$6.50 and \$5.

Twenty-four hour information on all DSO concerts and ticket prices is available by calling 961-7017.

Gyorgy Sandor is acknowledged as one of the world's masters of virtuoso piano playing and an unrivaled interpreter of the music of Bartok, Kodaly and Prokofiev as well as the established 19th century works.

The Hungarian-born pianist's career has spanned six continents. He has earned the highest critical acclaim in recital and concerts with the leading orchestras of Europe, North and South America

and the Far East.

He received his musical training at the Liszt Conservatory in Budapest, where he studied piano with Bela Bartok and composition with Zoltan Kodaly.

Mr. Sandor is credited with the world premier and first recording of Bartok's Third Piano Concerto, (1946), as well as the Dance Suite's piano version, (Carnegie Hall, 1945).

Recipient of the Grand Prix du Disque for his re-

recording of the complete piano literature of Bartok in 1965, he also has recorded the entire piano solo output of Prokofiev and Kodaly. His piano version of the Tempo di Ciaccona and Fuga, (from the Bartok solo violin sonata), was triumphantly acclaimed in New York in 1975.

During the current season, following his United States concerts, his tours will bring him again to Europe, South America and the Far East.

## Let's Talk Real Estate

by John E. Brink

Well, we at Grosse Pointe Real Estate Co. have finally begun our Cul-de-Sac Community Improvement Program Survey. It will be interesting to view the results of our questionnaire.

We intend to keep you all posted on the public feeling to our program through this column each week. It is interesting to note that whether the Cul-de-Sac idea is accepted or not—the data gathered from the questionnaire will still be very valuable to the community. As nearly as we can tell, there has not been a traffic flow study that covered all of the Pointes simultaneously! In fact we're not sure that anything has ever been done by way of a community study that covered all five Pointes.

We have learned one wonderful thing about Grosse Pointe residents. They are very community minded and sincerely interested in its future. This seems somewhat incongruous when you consider that there are many neighbors who have never met each other!

One important thing . . . and that is to know what your real estate is worth. The people of Grosse Pointe Real Estate Co. 882-0087 can help you in this area. One can never tell when he might be approached to sell his home. It would be nice to say give me \$10,000 more than it is worth and I'll sell—but \$10,000 more than what? This is where we can help you.

## Phase I Has Double Dates

Ross Roy will speak this Sunday, March 6, at a 7:45 o'clock meeting of Phase I, an all-singles group, at Grosse Pointe Memorial Church.

Mr. Roy, president of the Ross Roy Advertising Agency, will discuss various aspects of his industry. All singles between the ages of 20 and 39 are invited to attend. A social hour follows the program.

Phase I invites all interested singles to participate in an evening of volleyball tomorrow, Friday, March 4, at Memorial Church. No experience is necessary. Play begins at 7:30 o'clock.

Phase I, open to all singles between the ages of 20 and 39, meets every Sunday evening at Memorial Church, where further information on the group's programs and activities may be obtained by contacting Gust Jahnke, 882-5330.

## Phi Mu Alumnae to Observe Founders' Day on March 6

Phi Mu's Detroit Alumnae Chapter will observe Founders' Day at a tea Sunday, March 6, at 2 o'clock at Linda Perkinson's Troy home. Special prizes will be awarded. ## Agape Breakfast Topic Is Lebanon

Former Pointer Who Lived for 15 Years in Middle East Will Be Speaker at Annual Grosse Pointe Memorial Church Program

"From Lebanon with Love" is the title chosen for a talk to be given by Mrs. Raja T. Nasr at the annual Agape Breakfast to be held in Grosse Pointe Memorial Church's Fellowship Hall next Tuesday, March 8.

The Women's Association of the Church—in particular the Service Guild—invites all women of the community to attend this simple meal and program.

Agape is a Greek word for Love. It signifies a reaching out towards one's fellowmen. The Agape Meal was an ancient service of the early Christians, often accompanied by the Eucharist.

Although Bonnie Nasr was born and grew up here, she and her husband lived in Beirut for 15 years and have only recently returned to The Pointe. With their two children, Raif and Randa, Dr. and Mrs. Nasr were in Lebanon during the difficult times of 1975-76.

## Children's Puts T&C Money to Work

MRS. REX CIAVOLA, of Cloverly road, Grosse Pointe area Tennis & Crumpets '76 benefit chairman, and DR. ROBERT H. GREGG, president of Children's Hospital of Michigan, look on as a hospital technician demonstrates the echo-cardiograph, a non-invasive heart diagnostic machine purchased with money donated by T&C, Inc. A check for \$77,000, proceeds from last September's mixed doubles tournament, was recently presented to Children's. The money, part of a four-year

pledge by T&C to raise \$200,000 for the hospital's Medical Cardiology Suite, is earmarked for the purchase of advanced and highly sophisticated equipment used to diagnose heart defects in children. Louise Ciavola, announcing the donation, expressed her appreciation to members of the benefit committee and all T&C participants. "Tennis and Crumpets is a tournament of winners," she said. "Everyone wins: our players, the donors—but most of all, the children."

## Goodwill Women Gather March 9

Mrs. Bernard M. Segner, of Westchester road, program chairman, will introduce June Shada, director of Women's Planning, Detroit Public Schools, Adult Education, guest speaker at the Wednesday, March 9, meeting of the Women's Association of Goodwill Industries.

Mrs. Shada will discuss "Today's Woman" following a donation mini-luncheon at noon in the Goodwill Building, Brush street at East Grand boulevard.

Mrs. Richard Chadwick is chairman. Mrs. A. Warren Brock, president emerita, will give the inspirational message. Mrs. Elroy Schiele, president, will officiate at a 10:30 o'clock board of directors meeting and a members' business meeting following the program.

Membership in the Women's Association and attendance at its meetings are open to all persons interested in providing job readiness evaluation, job training and employment for handicapped people. Supervised parking is available in the Goodwill lot, Milwaukee between John R and Brush streets.

## Slate Retired School Personnel's Meeting

The Detroit Association of Retired School Personnel meets Friday, March 11, at Westminster Presbyterian Church, Hubbell at West Outer drive, Detroit, at 1 o'clock for a program featuring Irene Auberlin, founder and president of World Medical Relief.

Mrs. Auberlin and her husband started WMR in 1953 as a means of sharing America's medical largesse with the sick and poor of the world.

Mr. Auberlin died three years ago, but Irene has continued the service through which medicines, surgical equipment and eyeglasses, donated by hospitals, doctors, pharmacists and individuals, are distributed where they are most needed.

The supplies are made ready for shipment with the help of nearly 600 volunteers. In addition to world relief, WMR fills some 45,000 prescriptions annually for the indigent aged in metropolitan Detroit's tri-county area.

Mrs. Auberlin, now in her 80's, is busier than ever. All Detroit Board of Education retirees, their friends and others interested in hearing Mrs. Auberlin are welcome to attend the meeting. Olga Look is program chairman.

## Church Hosts Sunday Series

The Near East in all its diversity is the focus of a four-part presentation to be illustrated by color slides taken by Grosse Pointers who have studied the area.

Audience participation is invited in the 50-minute talks scheduled at 10:30 o'clock over the next four Sundays in Room 204 of Grosse Pointe Memorial Church.

Historical geography of the region, surveyed by Dr. and Mrs. Jan Nyboer in an earlier meeting, will continue this Sunday, March 6, with an examination of the area's ethnic complexity by Mrs. Raja Nasr, a Grosse Pointe native who has lived in Beirut, Lebanon.

The heartland, the Jordan River valley, will be featured March 13 by Mrs. Thomas J. Little, III.

Jerusalem, holy of holies to three major modern faiths, will be viewed March 20 by Donn Kipka.

The series ends March 27 when Mrs. Gust Jahnke analyzes the spectrum of beliefs that emanate, even today, from this small territory.

The presentation is open to all. It is, in fact, called the ALL Program—adventures in living and learning—and in-

cludes two other topics in which input from participants is encouraged.

Coming in from Ann Arbor for each of the four Sundays are Dr. and Mrs. Bela Vasady, who will lead an intensive consideration of the difference that Christianity can make in life today, illuminated by their experiences in the Communist takeover of their native Hungary.

The church's second floor lounge will be the scene of their multi-directional perspective on the making of modern Americans.

Mrs. Walter F. Isley will moderate a discussion of issues of the day. The occult and psychic scene, sex exploitation, revivalism and justice for the imprisoned will be evaluated.

Pertinent statements of the Church's General Assembly will be considered in these colloquies, to be held in Room 304.

Parents attending any of these discussions may use Memorial Church's crib care and other facilities for the young, without charge.

School children through the sixth grade may study the problems of hunger in India in groups led by Mrs. Edward C. Hanpeter and Miss Lillian M. Goodwyn.

## Faculty Wives Off to Races

A Night at the Races is being planned by Grosse Pointe Faculty Wives for this Saturday, March 5, under the co-chairmanship of Mrs. Robert Shover and Mrs. Carl Schoessel.

Festivities begin at Windsor Raceway with a 6:15 o'clock buffet supper. Faculty Wives, their husbands and guests have been invited to attend.

ROBERT AMBROSE, son of MR. and MRS. ROBERT H. AMBROSE, of Roslyn road, has been awarded a Bachelor of Music degree from Hope College.

## Detroit Lawyers Wives To Have 'Day in Court'

Residents of the metropolitan area who would like to participate in "A Day in Court" are invited to join Lawyers Wives of Detroit Tuesday, March 8, for their annual tour of the Circuit Court.

The group will meet in the lobby of the City-County Building, Woodward avenue entrance, at 9:15 o'clock.

The Honorable James Canham, Chief Judge of the Circuit Court, will join the Lawyers Wives and their guests at luncheon at the Top of the Flame at 12:30 o'clock.

Reservations may be made by calling 559-0253 or 824-4343.

FIRSTS FOR WOMEN

Women were in the news in Marches past. On March 3, 1879, Belva Ann Lockwood of Washington, D.C., became the first woman lawyer to practice before the Supreme Court. Thirty-eight years later, on March 4, 1917, Jeanette Rankin, (R-Montana), took her seat in the House of Representatives, the first woman to serve in either house of Congress. Coming up at Henry Ford Museum, Dearborn, in May is a special exhibit focusing on women's achievements.

"I HAVE A FRIEND IN THE BUSINESS"

Placing your home with a friend who has a license but may be part time, or with a company that may lack much needed tools as a multiple listing service or a progressive marketing program for your property might end up costing you money. Ask yourself if you mind your friend knowing all about your finances, and why you are selling. Check with your friend to see how your house is to be appraised, and how they plan to creatively promote your property. After you've considered what's just been said, give us a call. We'd like you to know what we can do to help you maximize the value of your home. We feel our information will help you make the decision that's best for you.

## THREE SPECIAL FIRST OFFERINGS

**START WITH A PRIME 1.4 ACRE LOCATION.** Take an elegant home built when only the best was good enough. Add a 21st Century kitchen and total decor that can only be described as breath taking. You'd expect a prestige home in this price range to be unique, and it is. A spacious greenhouse off the dining room, the beautiful swimming pool just off the large screened porch, a 3 car garage and the step down living room are a few of the many desirable features to delight someone who wishes the best.

**NEAR LIGGETT SCHOOL**—How can you improve on a newer, custom built, one owner Colonial? By adding such luxurious as an elegant professionally done lower level games room, central air, over-sized family room, a den to this desirable four bedroom, 2½ bath home. The clincher—a first floor laundry room and a fully equipped, family sized swimming pool!

## CONDO IN THE VILLAGE

On a quiet short street, consider the charm of a colonial with the convenience of a condominium, plus a "walk-to-everything" location. Fresh decor and a modern kitchen just add to this desirable mid 50's "package"!

OPEN SUNDAY, 2-5, IF  
(NOT SOLD FIRST!)

## 269 LOTHROP — IN THE FARMS

By Diane Marsteller  
The North High School swim team traveled across town to meet and defeat South High by a score of 54-29 on Tuesday, February 22.

North's Andy Howe set a new pool record in the 100-yard butterfly at 54.9, on Tuesday, February 22, while his brother, Dave, set a pool record in the 500 yard freestyle at 5:01.3.

Other first places went to Matt Sobieski in the 160-yard freestyle at 1:32.7, Tom Shook at 1:39.2 in the 160-yard IM and Mike Brown in the diving event with 257.75 points.

Scott Nixon was a double winner in the 60-yard freestyle and 100-yard freestyle at 27.7 and 50.1, respectively, while the 400-yard freestyle relay team of John Dimond, Sobieski, Matt Brady and Doug Rentschler were victorious at 5:26.0.

On Friday, February 25, the Norsemen traveled to Ann Arbor to compete against number one state ranked Ann Arbor Pioneer. "The Norsemen put up a good fight," commented coach Tom Teet-aert, but were defeated by a score of 93-78.

First place finishers for the Norsemen were diver Brown with 276.55 points, Shawn Lakin at 5:06.7 in the 500-yard freestyle and Brian Deman in the 100-yard breaststroke at 1:07.2. The medley relay team of Gordon Haigh, Brian Deman, Andy Howe and Rentschler won at 1:45.2.

Nixon finished a close second in the 50-yard freestyle at 23.0. Dimond also finished

a close second in the 100-yard butterfly at 56.0, while Haigh at 58.8 was second in the 100-yard backstroke.

The Norsemen tankers will be competing in the Bi-County action on Friday, March 4, at 5 p.m. and Saturday, March 5, at 2 p.m. at Lakeshore High School.

**Farms Mayor Gets New Post**

Farms Mayor James H. Dingeman was recently elected to the board of directors of the Michigan Consolidated Gas Co.

Mayor of The Farms since 1975, Mr. Dingeman also serves on the boards of the Detroit Athletic Club, Detroit Council of Boy Scouts, Citizens Research Council of Michigan, Detroit Science Center and Saint John Hospital.

He serves as a consultant to both Parke, Davis and Co. and its parent organization, Warner-Lambert.

His other memberships include the Economic Club, Detroit Club, Country Club of Detroit, and American, Michigan and Detroit Bar Associations.

GPHA Devils Win Ice Title

The Blue Devils, Squirt "A" team of the Grosse Pointe Hockey Assoc., (GPHA), have emerged as champions of District #3 as a result of recent playoff action.

After suffering a Saturday, February 5, loss in the opening game to Warren Township, ranked number one in the state, the Blue Devils rebounded by defeating the St. Clair Shores Saints on Saturday, February 12. Drew Dennis posted the 4-0 shutout.

Again facing Warren, the Blue Devils took a hard-fought contest, this time winning 1-0. The lone goal was scored in the second period by Mike Brykalski assisted by Mike Seaver and Tom Trapiss.

The rules of the playoffs forced a third game with Warren and after a scoreless first period, a goal was posted for the Pointers by George Krappmann with assists from John Hirschfield and Jim Carson.

The remainder of the game featured the fine efforts of defensemen Rankin Barker, Jeff Koppich, Jim Valice and Stuart Whitney, and forwards Greg Henchel, Tony Tharenos and Albert Vergilio.

With David Willis playing in the nets, fine teamwork and relentless effort resulted in a shutout victory.

At the buzzer, the Blue Devils were announced as the District 3 champions. The team, comprised mostly of nine-year-old boys, will now face more stiff competition when they go into the state playoffs Thursday - Sunday, March 10-13.

During the regular season of league play the Blue Devils easily won the top spot in the Adray League Division with an impressive 24-1-1 record. Hours of hard practice and the determination of the boys has given them a fine overall 46-13-4 record including league and exhibition games.

The team also has been first runner-up in the Turkey Tournament as well as in the Silver Stick Tournament recently held in the St. Clair Shores Arena.

Backing up the Blue Devil players in their winning season is the support of the parents and, most of all, the dedication of coach Dave Seaver, assistant coach Ray Trapiss, team manager Alan Henchel and the generous support of sponsor Alex Gibson of Keystone Metal Moulding.

Dogs Needed To Aid Blind

Want to send your dog to school? Leader Dogs for the Blind, expecting another busy spring, needs year-old German Shepherds, Labradors and Golden Retrievers.

Leader Dog, the largest producing school of its kind in the world, trains friendly dogs to be assigned to blind people, free of charge. The dogs are trained for three months prior to being assigned to the individual, who will train the fourth month with their new leader.

The Rochester, Mich. school depends upon contributions of eligible dogs, (friendly, healthy and intelligent), for its training material. No dogs are purchased. Leader Dog maintains a constant training program, winter and summer, good weather and bad. It is necessary to have at least 150 dogs, preferably more, on hand at all times.

The Leader Dogs School maintains a puppy program that produces approximately 40 percent of the training stock, so 60 percent of the dogs used must come from families who no longer have need for a big dog in the house.

Leader Dogs receive the best of care during their four-month training period. Upon graduation, a Leader Dog has total dedication and tender loving care from the person who depends upon him for safe travel.

The contributor receives a photograph of the Leader Dog team if the dog trains successfully. If the dog is rejected, it will be returned to the owner, if desired. If not, it will be placed in a good home.

For further information, write Leader Dogs for the Blind, 1039 South Rochester road, Rochester 48063.

HE IS LIGHT

"Then Daniel praised the God of heaven, saying, 'Blessed be the name of God forever and ever, for He alone has all wisdom and all power. World events are under His control. He removes kings and sets others on their thrones. He gives wise men their wisdom, and scholars their intelligence. He reveals profound mysteries beyond man's understanding. He knows all hidden things, for He is light, and darkness is no obstacle to Him.'"

(Daniel 2: 19-22)

DSO's Quest Is a Success

The record-breaking results of the Detroit Symphony Orchestra's 1976 Quest for Excellence fund drive have been announced by Paul S. Mirabito, 1976 campaign general chairman.

Support for the Detroit Symphony Orchestra in 1976 reached an all-time high of \$1,385,033, received from a record number of donors—5,094 individuals and 567 corporations, businesses and labor unions.

Mr. Mirabito, who also serves as a vice president on the Detroit Symphony Orchestra's board of directors, saluted the campaign team captains and their more than

GP Natators Stay Unbeaten

The All Point Swim Club maintained its unbeaten streak by defeating the Ulica Swim Club, 353-117, on Friday, February 11.

The first place fly events went to Anne Vanker, (10 years and under), Tom Bartsch and Michelle DesRosiers, (12 years and under), Matt McCafferty and Mary Beth Mourad, (14 years and under), and Jean Zerweck, (18 years and under).

All of the backstroke first places were won by Pointers Scott Frame, Sally Spilos, Bill Luberto, Cindy Tsangalis, Andy Scott, Chris Lorenz, Joe Schmidt, Suzy Spilos and Jenny Elie.

Taking home blue ribbons for the breaststroke were Pointers J. B. A. H. M. S. and Denise DesRosiers, (eight and under), John Zerweck and Colleen Lorenz, (10 and under), Cathy Schmidt, (12 and under), Matt McCafferty and Kristin Dittmars, (14 and under), and Marie Zerweck, (18 and under).

Coming in with first place times in the free events were Dick Clark, (eight and under), Rolf Donath and Ryndy Dittmars, (10 and under), Michelle DesRosiers, (12 and under), Mike Donath, (14 and under) and Jenny Elie, (18 and under).

Tom Bartsch and Chris Lorenz turned in good performances winning the 100-yard, 12 and under IM. It was Tim Monahan for the 13 and up.

The Pointers won every relay except one. In the mixed free style eight and under, the team consisted of Cathy Stickford, Tom Grierson, Sally Spilos and Dick Clark. In the 10 and under, it was Bill Luberto, Ryndy Dittmars, Anne Vanker and Rolf Donath.

In the 13 and over, 200-yard freestyle, it was R. Richards, Mike Bartoszewicz, Brian McFadden and Kathy Carr. The boys age group medley relay of 200 yards was taken by Andy Scott, Mike Woods, Matt McCafferty and Larry Bartoszewicz.

The girl's age group medley relay of 200 yards was won by Kathy Nally, Cathy Schmidt, Ryndy Dittmars and Mary Beth Mourad.

In January All Pointe swimmers defeated Allen Park, 363-103. Gary Belfore, Jean Zerweck, Michelle DesRosiers, Tracy Henzel, Jenny Elie, Matt McCafferty and Cathy Schmidt were the high point winners, chalking up three blue ribbons apiece for their events.

Park Displays Smoke Alarms

Beginning Tuesday, March 1, the Park Fire Department will have on display various makes of smoke detectors and their costs. It was disclosed by Fire Chief Phillip Costa.

The detectors will be on display throughout the month from 10 a.m.-4 p.m., the chief said, but will not be sold by the department. The items will only be shown to inform the public of the importance of having such devices in their homes, and where they can be purchased.

Fire chiefs throughout the Detroit metropolitan area have expressed an interest in smoke detectors and the possibility that strategically placed detectors can emit warning signals in time to save the lives of members of households.

After School Courses Set

The winter session of special interest classes and activities for middle and high school students has been scheduled by the school district's Department of Community Services.

After school courses will be available in typing, natural foods cooking, Alpine ski maintenance, guitar, auto mechanics and others.

For enrollment and further information on the Youth Enrichment Program, call 885-3808 or 885-0271.

100 members whose efforts resulted in significant increases in the monies received and in the total number of contributors over 1975.

"This dramatic broadening of the Symphony's total base of support," he said, "is a strong vote of confidence for the Orchestra's appealing program format and underscores its recognition by the public as one of Detroit's and Michigan's most valued cultural attractions."

"Last April I stressed the difficult challenge which lay before us and the importance of raising enough funds to assure residents of the metropolitan area and the State of Michigan that their Orchestra would continue to exist as one of the region's most precious and productive cultural assets."

"Today I am proud to announce that we have been more successful than ever before in obtaining positive responses from individuals, businesses and all other sectors of the community, resulting in total contributions of \$1,385,033."

"Without the invaluable help of our loyal team captains and the valuable follow-through of team members, we never would have been able to report this impressive figure."

As Robert B. Semple, president of the Detroit Symphony's board of directors, congratulated Mirabito on his dedicated leadership he also commented, "All who enjoy the music of the Detroit Symphony Orchestra are forever grateful to the many men and women who volunteered their time and talents, and to the thousands of generous individuals, corporations and foundations for gifts large or small."

"Special appreciation is extended to the Kresge Foundation which, in its fifth and final year of a matching grants program, contributed \$131,000 due to be matched by 131 gifts of \$1,000 or more from individuals."

"Since the inception of this plan in 1972, the Kresge Foundation has donated \$721,000 to the DSO's annual fund drive to match an equal amount contributed by individuals."

The annual DSO fund drive activities are conducted to help cover the difference between the Orchestra's earned income and expenses, a gap of \$1 1/4 million dollars annually.

Total operating costs for the Detroit Symphony Orchestra in 1977 are expected to be more than \$4.2 million.

Give Maternity Plant Coolness

Kalanchoe tubiflora, alias Maternity Plant, is a non-flowering relative of Kalanchoe blossfeldiana and the other flowering kalanchoe varieties.

It is a sun-loving succulent with fleshy stems and tube-shaped leaves that grow tiny rooted plantlets at the ends. The plantlets fall off whenever the plant is jostled or windblown. They root readily in sand, soil or vermiculite.

The plant will do well in average home humidity and temperatures, but Michigan State University Extension horticulturists recommend giving it temperatures on the cool side.

A winter day temperature of 75 degrees F is about maximum. Place the plant where it will get light from a sunny window.

A standard potting soil made up of equal parts loam, sand and peat gives good results. Allow the soil surface to dry between waterings, the experts advise.

Kalanchoe tubiflora grows quickly if it is not overtopped, and it propagates itself readily. The tube-shaped leaves shrivel and fall off after plantlets drop, leaving a long, snake-looking stem.

For a steady supply of attractive plants, the MSU specialists suggest potting up the plantlets and discarding the parent plants as they begin to droop.

Hours Changed By Red Cross

The hours during which blood donations can be made at the Red Cross Center have been changed, effective last month.

The Blood Center, 100 Mack avenue, Detroit, will receive donors on Monday, Wednesday and Friday from 10 a.m.-4 p.m., and on Tuesday and Thursday from 12-6 p.m.

The adjusted hours were chosen in an effort to better accommodate prospective blood donors in the downtown Detroit area.

Appointments can be made by calling the Blood Center at 833-4440.

It may be true that blessings come in disguise, but trouble never bothers to put on makeup.

Club Cagers In Last Week

The Neighborhood Club boys' basketball league is into its final week of tournament play. League champions for fourth - twelfth grades, will be decided on Super Saturday, March 5, at Brownell Middle School, 260 Chalfonte avenue, beginning at 9:15 a.m.

Letter Winners Meet in April

Nine-letter winners Don Lund and Norman Daniels and many former Southeastern High School coaches will be featured at a reunion of all Southeastern men and women letter winners prior to 1968. The event is planned for Saturday, April 2, at the Detroit Yacht Club.

The party will be held at the ballroom and main dining room. A cash bar will be open at 6 p.m., with dinner beginning at 7:30 p.m. and dancing beginning at 9 p.m.

All Southeastern letter winners from Grosse Pointe are invited.

Requests for tickets, which are \$8 each, must be made before Wednesday, March 30. Checks should be sent to Southeastern Dinner, Detroit Yacht Club, Belle Isle, Detroit 48207.

ORDINANCE NO. 69

CITY OF

Grosse Pointe Park

ORDAINS:

Section 1. Section 5.14 of Chapter 20 of Title V of the Grosse Pointe Park City Code is hereby amended by adding thereto sub-section 10, so that Section 5.14 reads in its entirety as follows:

5.14 Off-Street Parking - Non-residential uses. Property used wholly or partly for non-dwelling purposes, shall unless determined otherwise by the Board of Appeals, have one or more free off-street parking lots for employees and patrons and shall have off-street loading facilities for service vehicles as follows:

- Where the non-dwelling use involves a building, the parking area shall equal two-thirds the ground coverage of the building, except that in the case of churches, the area shall be such as to accommodate one automobile for each ten seats, and in the case of theaters, auditoriums and the like, the area shall be such as to accommodate one automobile for every five seats. Where the use does not involve a building, the parking area shall be not less than one-third of the area devoted to such use. Such prescribed minimum parking area is exclusive of any required setbacks or buffer strips.
- Where a combination of uses is involved, the required parking area shall be determined by pro-rating on the foregoing basis. Required parking lots may be provided jointly by separate users but unless section 5.15 applies, the parking area shall be the aggregate of that required by such users separately.
- Parking lots required under this paragraph shall be provided where possible, on or adjacent to the premises, and in any case shall be within four hundred (400) feet thereof.
- Parking lots accessory to a use permitted in a residence district may be located in any district. Parking lots accessory to a use permitted in a business district shall be located in the business district, provided, however that such lots may, upon compliance with subsection (5) below, be located in a residence district.
- A parking lot accessory to a business use may be located in a residential district only after approval by the Board of Appeals, given under sub-section (5), and only when operated under unrevoked permit and license issued as follows:
  - A parking lot accessory to a business use (i) shall abut the business district or an alley in the rear of the business district or (ii) shall abut another parking lot, accessory to a business use established with the approval of the Board of Appeals.
  - An application for approval of any such parking lot shall be filed with the Department of Buildings and Safety Engineering accompanied by a plan of the proposed parking lot in such detail as the Department may require.
  - A public hearing on the application shall be held by the Board of Appeals. At such public hearing the Board shall determine whether or not the parking lot will be detrimental to the character of the neighborhood; if the Board shall find that such parking lot (as proposed in the application, or with such additional conditions as the Board may determine) will not be detrimental to the character of the neighborhood, it shall approve the same.
  - After the Board has approved a parking lot, the applicant desiring a permit therefor shall amend his application and plans to conform to all provisions of this section 5.14, except such as the Board may have waived, and to conform to such additional conditions as the Board may have determined and shall file with the Department a written agreement, in form satisfactory to the Department, in which the applicant shall agree, for himself and his successors in interest: To operate such parking lot in accordance with such reasonable regulations as may from time to time be specified by the City Manager; to assume responsibility for the use which others may make of said parking lot; and to surrender the permit and license for said parking lot and discontinue the use thereof under this subsection (5) whenever the same shall be revoked by the Board of Appeals after hearing and finding that said parking lot is detrimental to the character of the neighborhood, or does not conform to the requirements of this Chapter, or fails to comply with the terms, conditions and regulations referred to in this paragraph of subsection (5).
  - Upon compliance with all applicable provisions, the Department of Buildings and Safety Engineering shall issue a permit to establish the parking lot and a license to operate the same for the balance of the calendar year. Annually thereafter a renewal of such license shall be applied for.
  - No license to operate in a residential district a parking lot accessory to a business use shall be renewed in any case of failure to conform to the requirements of this Chapter or to the terms, conditions and regulations referred to in (d) above, nor if any objection shall have been filed to the operation of said parking lot by any person owning property within three hundred (300) feet thereof unless the Board of Appeals shall find after hearing, notice of which shall be given to every such objector, that said parking lot is not detrimental to the character of the neighborhood. Every such permit and license shall be subject to revocation by the Board of Appeals under (d) above.
  - No parking lot accessory to business use shall be operated in a residential district unless such a license therefore be outstanding, unexpired, and unrevoked. No such parking lot shall be changed from that shown on the approved plans, except after complying with the procedure here-in prescribed for the establishment of such parking lot.
- In a residential district every parking lot, whether accessory to a business use or to a use permitted in a residential district, shall have part of its area permitted in a residential district, shall have part of its area devoted to set-back and buffer strips, and only the remaining area shall be used as a parking lot, as follows:
  - The parking area shall be set back conforming to the front yard required in said district. The parking area shall be separated from the rear lot line and side lot line by buffer strips not less than ten feet in width except that where the property to the rear of the side is in a business district, or where the parking area abuts an alley, no intervening buffer strip shall be required.
  - A solid masonry wall of brick, stone, or other approved material and having a height of four feet above grade shall be provided (i) at the line between the parking area and the required buffer strip and (ii) at the line of the front yard set-back; provided that if the parking lot is depressed below grade the required height of said wall above grade shall be reduced by double the amount of such depression.
- In a business district the parking area shall be set back at least five (5) feet from the front lot line.
- In every parking lot, wheresoever located:
  - Each set-back and buffer strip shall be landscaped with lawn and ever-green trees and shrubs to provide a suitable screen; the landscaping shall be maintained in a neat and attractive manner; and the set-back and buffer strip shall not be used for any purpose other than ornamentation and screening.
  - The parking area shall be surfaced with dustless material, shall be properly drained, shall be provided along the sides with approved bumper guards or equivalent and shall have suitably located entrance and exit, all as shown in plans filed with and approved by the Department of Buildings and Safety Engineering.
  - The parking area shall not be used for any purpose other than off-street parking of transient passenger vehicles. None of the following shall be parked therein: buses, trailers, trucks or other commercial vehicles, vehicles not in operating condition, and vehicles held for sale or rental; and there shall be no servicing, repairing or washing of vehicles. The prohibition of this paragraph (c) shall not apply to vehicles operated as part of a main use to which the parking lot is accessory provided the parking lot is in a business district and adjoins such main use.
- In addition to providing a parking lot conformable to sub-sections 1 to 8 above, commercial buildings or users shall provide off-street facilities for the loading and unloading of commercial and service vehicles, such facilities to be adjacent to service entrances and located so as to permit passage of vehicles in alleys. No such loading and unloading areas shall extend into a residence district.
- Any property in a residential district, which is owned by, or leased by or to, the City may be used for parking, metered or unmetered, upon the City's compliance with all the provisions of sub-sections 5, 6 and 8 of this Section 5.14, including approval by the Board of Appeals.

Section 2. This ordinance shall take effect March 15, 1977.

SUMMARY OF THE  
MINUTES

February 21, 1977

The meeting was called to order at 8:00 p.m. Present on Roll Call: Mayor James H. Dingeman, Councilmen Harry R. Fruehauf, Jr., Jack M. Cudlip, Nancy J. Waughman, Joseph L. Fromm, W. James Mast and Lloyd A. Semple. Those Absent Were: None. Mayor James H. Dingeman presided at the meeting.

The Minutes of the Regular Meeting which was held on February 7, 1977, were accepted as corrected.

The Council adopted a resolution authorizing the Chief of Police to approve the request received from the State Liquor Control Commission, which was submitted by Piper's Alley, Incorporated, to enlarge their Licensed Class C premises located at 18696 Mack Avenue; further authorizing the issuance of a Building Permit for such proposed expansion, and further authorizing the Mayor and City Clerk to execute a revised contract in proper form between the City and Piper's Alley, Incorporated, pertaining to the construction of a wall which would separate the foregoing establishment from the adjacent residential neighborhood.

The Council adopted a resolution establishing the amount of \$186,400 which must be received from Rose Terrace, Incorporated, either in the form of a security bond or cash deposit to guarantee the installation of the plat improvements for the Rose Terrace Subdivision, plus a two percent fee, in the amount of \$3,278, for inspection and other related expenses to the City.

The Council adopted a Depository Resolution from the National Bank of Detroit, in correction of a similar resolution adopted by the Council last summer, which opened an Everyday Interest Savings Account for the General Fund.

The Council adopted a resolution authorizing the Administration to place into effect the Labor Arbitration Award which was granted to the Grosse Pointe Farms Police Officers.

The Council adopted a form resolution which was received from the Michigan Municipal League, which they require as a prerequisite to providing personnel selection services, whereby the City would agree to hold the League harmless against loss, liability or damage arising from the use of such service.

The Council approved payment of statements in the total amounts of \$1,842 and \$184 from the firm of O'Rourke, Fitzgerald, Kazul & Rutledge, P.C., pertaining to the matter of the City of Grosse Pointe Farms vs. Steffens and Harte, through January, 1977.

The Council adopted a resolution approving the low bid of Beck-Rank, in the total amount of \$15,591.15, for the purchase of one 1977 Dodge B-300 Maxivan Type 2 Ambulance.

The following Reports were received by the Council and ordered placed on file:

A. Controller's Report for the quarter which ended September 30, 1976.

B. Police Department Report for the month of January, 1977.

C. Fire Department Report for the month of January, 1977.

D. The Summary portion of the Grosse Pointe Youth Services Division's Report for the month of January, 1977.

The Council adopted a resolution designating Tuesday, March 15, 1977, from 2:00 p.m. until 9:00 p.m., and Tuesday, March 29, 1977, from 9:00 a.m. until 5:00 p.m., as the dates and times when the Board of Review shall meet for the purpose of reviewing the 1977 Assessment Roll for the City, and hearing those persons who shall appear before the Board deeming themselves aggrieved by such assessment.

The Council adopted a resolution proclaiming May 14 and May 15, 1977, as "Saint John Hospital Community Days" in the City of Grosse Pointe Farms.

The Council adopted a Resolution of Sympathy to the family of the late Mr. T. Raymond Jeffs.

The Council adopted a resolution to postpone the Regular Meeting scheduled to be held on March 21, 1977 until 8:00 p.m. on March 28, 1977, for reason that a quorum would probably not be present on March 21.

The Council adopted a resolution authorizing partial payment in the amount of \$80,000 to the Mancini Construction Company, pertaining to a statement received from such firm in the total amount of \$95,083.42, for work involved in the Kerby Road Sewer Repair Project.

Upon proper motion made, supported and carried, the meeting adjourned at 10:05 p.m.

## Pointer of Interest

MRS. JAMES E. ZIEGENFUSS, OF COUNTRY CLUB DRIVE.

By Janet Mueller

When Donna was six months old, Jim and Lynn took her east, for Jim's mother's 80th birthday. Donna had a slight cold, but babies get colds, and get over them, and Donna's certainly wasn't bad enough to call off the trip. "I have the feeling," Lynn says now, "that we were sort of sent there."

For Donna, instead of getting better, got worse. She was admitted to Children's Hospital of Philadelphia with a staph infection of the lungs, with complications. "We didn't expect her to get better."

And Lynn made a vow: if her child lived, she'd work, as soon as her children were in school, for a children's hospital.

To have a child desperately ill in a strange city... it's a mother's nightmare but, as it turned out, Philadelphia was the best place Donna could be. Children's Hospital of Philadelphia had recently had several cases like hers; the doctors knew what to expect, what to do.

Turn for Better Donna began to get well. Lynn stayed with her in-laws, taking the commuter train into the city every day to be with her baby and, when her baby napped, visiting other babies. "I'd look for children who needed TLC."

TLC—Tender Loving Care—goes by other names now, "lack of stimulation," e.g., but the prescription remains the same: touching, cuddling, loving, on a one-to-one basis, for a child who loses the feeling of being loved can literally die from it.

One day, Lynn walked into the hospital coffee shop. It was run, as are many such shops, by volunteers, with one paid worker. That day, the volunteers hadn't shown up. There were doctors at tables, waiting for service. Lynn sized up the situation, asked for an apron, and went to work.

TLC and "Coffee, tea or milk?"... Lynn Ziegenfuss, in Philadelphia, had become a children's hospital volunteer.

She Was Available She couldn't formalize the commitment until Peter and Donna were in school. As soon as they were, Lynn called up Children's Hospital of Michigan and said she was available.

"The first day I went in, it was 13 below zero. I wasn't used to expressway driving. Cars kept passing me, and

splashing me, so I turned on my windshield washer—and it froze!"

Lynn Ziegenfuss is half-way through the first year of a two-year term as president of the Children's Hospital of Michigan Auxiliary.

Peter has completed Hotel and Restaurant Management studies at Michigan State University, and is working at the Country Club in Lansing at which he worked while an undergraduate.

Donna is married, living, working and doing volunteer work in Kitchener, Ont. Her husband is still going to school.

Donna's States-to-Canada move is the reverse of her mother's; Lynn, born in Canada, came to Detroit as a child with her family.

Like to Travel The Ziegenfusses, (Jim's an engineer), have been Pointers for 20 years. They like to travel. "Last year, we took all three kids, (son-in-law Werner Slavik is very much a part of the family), to the Cayman Islands. It was fun being with them with everyone grown-up."

Lynn and Jim have been to Antigua, Hawaii, Bermuda, the Bahamas—"My husband likes warm weather"—but Lynn, whose sister lived in Alaska for 20 years, who's always had a yen to see the far north, never managed to make it to the 49th state.

She has managed to make it, with Jim, to Russia, leaving most appropriately on the day of an 18-inch spring snowstorm. That delayed flight departure a bit, but Aeroflot came through, as promised, with dinner: roast beef at 5 in the morning.

Fascinating Trip It was a fascinating trip.

"When I finish my present term in office, I want to take a course in Russian history," President Ziegenfuss notes. Pre-presidency, taking courses was one of her favorite pastimes. She's taken classes at Macomb Community College and Wayne County Community College.

In Speech, Psychology and "some of the self-improve-

ment courses they have started offering women since the inception of the Women's Rights Era."

Reading remains a favorite pastime, one she can't, (but then: she's never been able to), get enough of.

Jim and Lynn belong to the Grosse Pointe Congregational Church/American Baptist Church. He's a member of the board of trustees, and heads the House committee.

Glves Thanks for Club

Then there's Toastmistress Club... "If it weren't for Toastmistress," Lynn maintains, "I wouldn't be head of the Auxiliary." She's not the sort of person to whom public speaking or conducting a meeting comes naturally; she accepted the presidency figuring where there's a will there's a way, set about finding that way and happened into Toastmistress. It was a most fortunate happening.

"They have a technique you learn in spite of yourself." Post-presidency, along with her Russian History course, Lynn wants to become more involved with Toastmistress, "partly for my own sake—and partly because it's such a good thing for other women. They ought to know about it."

Her first job for Children's Hospital of Michigan was as a telephone: the "Calling Dr. Kildare" bit. In 14 years she's worked just about everywhere, Emergency to Recovery, Admitting to Premises. Some were long-term assignments, some fill-ins. All were jobs that needed doing.

Nice To Feel Needed "Some people think volunteers aren't really needed and work mainly for their own satisfaction, but in my 14 years at Children's I never once was made to feel by any of the staff or other employees that I wasn't wanted, needed and appreciated."

Children's Hospital Auxiliary members, (approximately 600 dues-paying, of whom about 200 are really active), come in all ages, students to 84-year-old great-grandmothers, from all over the metropolitan area, Anchorville to Inner City Detroit.

"We have male members now, and we welcome them warmly. Something else that is somewhat new is the participation of retired couples. We have several; they work as a team, mainly in the

Gift Shop, and they truly enjoy it."

A great many young, employed men and women volunteer evening time to Children's. They feel completely safe, as Lynn Ziegenfuss has from her very first downtown days. "I have no fear whatsoever, especially in the Medical Center." You couldn't find a better-patrolled, safer area in all of metropolitan Detroit.

Has Pointe Guild For people who would like to help but can't get down to the hospital, there's a Grosse Pointe Children's Guild which meets Tuesday mornings at 10 o'clock at the Grosse Pointe War Memorial. Members tackle all kinds of projects, from sewing to making dressings to getting out mailings to assembling booklets. All are jobs that need doing.

Patient care is an area in which Children's volunteers are very strong. They give baths and take temperatures, help in occupational and physical therapy, even handle newborns in the Neo-Natal Intensive Care Unit.

They're used, too, behind the scenes, in clerical jobs and on research projects. They operate Something Special, the hospital gift shop which serves a three-fold purpose, for it's patronized by employees as well as visitors, and all its money goes directly to Children's. Something Special is a cornerstone of the Auxiliary's fund-raising program, but the shortage of volunteer sales personnel is chronic. There's a continental breakfast and orientation for potential gift shop workers scheduled for Thursday, March 17.

"If anyone's interested in helping in Something Special," Lynn emphasizes, "we'll be VERY happy to see them."

Occasional Benefits Fund-raising is, of itself, an important aspect of the Auxiliary's work. The occasional benefit—the next is an Art Show, to be presented May 22 in connection with Children's Appreciation Day, the annual program at which the hospital says "thank you"

## Indoor Rose Clinic Slated

Program for the Grosse Pointe Rose Society's meeting next Wednesday, March 9, at 7:45 o'clock at the Grosse Pointe Central Library, Kercheval avenue at Fisher road, is an Indoor Rose Clinic.

David Bogart, member of the prizes and awards committee of the Great Lakes District of the American Rose Society, will tell how to select healthy roses. (He tends personally, to favor hybrid teas, his preference going to First Prize.)

John Cook will describe planting: how to dig a hole and get the bud union in the right place.

Elmore Frank, the Grosse Pointe Rose Society's Consulting Rosarian, will discuss pruning. Mr. Frank, who is currently raising 25 rose plants from seed, also engages in hybridizing.

Angelo Taveggia, a Consulting Rosarian and accredited American Rose Society Judge, will advise on proper methods of feeding and watering.

Gift Shop, and they truly enjoy it."

A great many young, employed men and women volunteer evening time to Children's. They feel completely safe, as Lynn Ziegenfuss has from her very first downtown days. "I have no fear whatsoever, especially in the Medical Center." You couldn't find a better-patrolled, safer area in all of metropolitan Detroit.

Has Pointe Guild

For people who would like to help but can't get down to the hospital, there's a Grosse Pointe Children's Guild which meets Tuesday mornings at 10 o'clock at the Grosse Pointe War Memorial. Members tackle all kinds of projects, from sewing to making dressings to getting out mailings to assembling booklets. All are jobs that need doing.

Patient care is an area in which Children's volunteers are very strong. They give baths and take temperatures, help in occupational and physical therapy, even handle newborns in the Neo-Natal Intensive Care Unit.

They're used, too, behind the scenes, in clerical jobs and on research projects. They operate Something Special, the hospital gift shop which serves a three-fold purpose, for it's patronized by employees as well as visitors, and all its money goes directly to Children's. ## From Another Pointe of View

(Continued from Page 17)

Parcells, of Cloverly road, won first place in Metropolitan Opera Regional Auditions in Cleveland last Sunday afternoon. She will be going to New York to audition for the Metropolitan Opera Company with regional winners from all parts of the country.

This Sunday, with the WSU Choral Union and Orchestra, she'll sing the coloratura soprano in Mozart's "Grand Mass in C Minor." Dennis, successor to Dr. Malcolm Johns, of Rivard boulevard, will conduct. The concert is free and open to the public.

### 'La Vrai France' Reprise

Tyty Bachrach is in France, scouting out delights for an encore of "La Vrai France," the 17 day tour of her native France she originated successfully several years ago.

She'll be back in The Pointe at the end of month to confer with Travelworld in Mack avenue on final arrangements for her group's May 2 departure.

Kenneth Wheeler, a former Grosse Pointe Rose Society president, also a Consulting Rosarian, will report on sprays to ward off pests and fungi.

The meeting is free and open to the public. A special invitation to participate is extended to rose growers in neighboring communities.

Harper Woods and St. Clair Shores, who also are welcome as Grosse Pointe Rose Society members. Refreshments will be served by Mary Currie and Hilgard Bogart.

to everyone who has helped it during the past year—supplements funds raised by such on-going projects as Christmas Card sales, the Carousel (re-sale) Shop and the Tribute Fund.

About 10 years ago, Lynn Ziegenfuss moved from the ranks of Auxiliary Indians to those of Auxiliary chiefs. The Tribute Fund, through which donations are made to the hospital in honor of individuals, living and dead, was her first chairmanship.

As president, she still puts in her regular volunteer day, averages an additional one or two days a week at Children's, and is on the phone constantly.

Gave Husbands Whistles "My president, when I was president-elect, was on the phone even more than I am. She gave her husband and mine whistles, with instructions to blow them if we were on the phone too long. That was our signal to hang up."

Lynn has out-hospital commitments, too. She'll be in Chicago in April for the Association of Hospital Auxiliaries' Tri-State Assembly, on Mackinac Island in June for the Michigan Association of Hospital Auxiliaries' annual meeting.

The Auxiliary works very closely with Children's director of volunteers, "Sometimes," Lynn muses, "I think that the impact our Auxiliary and volunteer programs have on the community-at-large is not realized."

"We initiated the Family Center for the Prevention and Study of Child Abuse. We provided initial funding for the Handicapped Child Clinic. We're involved with Poison Control."

Sometimes, too, she won-

ders if the community-at-large realizes what an extraordinary facility Children's Hospital of Michigan is. "We're the second largest children's hospital in the United States, (only Boston's is bigger), and our reputation is second to none."

She views the Medical Center complex, designed to encompass Harper-Grace, Children's, Hutzel and Detroit General Hospitals, the University Clinic and the Rehabilitation Institute, as part of something wonderful that is happening in and to Detroit.

The Renaissance Center is rising, the Cultural Center growing, Wayne State University expanding... "This city is going to be great!"

Her primary commitment remains simple: to help a child. "When I first went down to Children's Hospital of Michigan, there was one patient, an eight-year-old boy with no mother, a father in the Wayne County jail..."

Taking Friend's Place "He had a friend who would visit him every day, but one day the friend left a message that she couldn't come." So Lynn went in to say hello to reassure the boy his friend WOULD come again.

And the boy looked up at her and said, "But I don't have to worry: if I need something I can just call this number." And he handed Lynn the number of the Oakland County Juvenile Department.

And Lynn thought of her own children: loved, cared for, wanting for nothing... The volunteers who work at Children's find their personal commitments constantly renewed.
