HEADLINES of the WEEK

Thursday, March 31
THE HOUSE VOTED 230-181 Wednesday to extend the life of the controversial committee investigating the assassinations of President John F. Kennedy and Dr. Martin Luther King Jr. The action means the panel can function through January 1979, the end of the current congressional year. The committee's authority was due to expire at midnight Thursday.

Friday, April 1
IT WILL COST ABOUT \$90,000 to buy a medium-priced new home by 1986, an economist told Congress Thursday. That's about twice as much as present prices, and it means you'll have to make an average down payment of about \$23,000. The disheartening news for people planning a future dream home came from economist Kenneth Rosen of Princeton University. He said the country is experiencing "a housing crisis of unprecedented proportions" that will get worse in the next decade. "The American dream of universal home ownership is virtually dead," he remarked sadly in testimony before the Senate Banking Committee.

Saturday, April 2
THE PRESIDENT of the American Cancer Society said Friday the government's proposed ban on saccharin may harm many people while the optically protecting a few. Dr. R. Lee Clark said there is no evidence that saccharin causes human cancer, even though tests show large doses cause cancer in rats. He said diabetes and obesity which saccharin helps control pose more immediate dangers than the possible cancer-causing ability of the widely used artificial sweetener. He recommended that Congress review the matter to see if saccharin should be exempted from the ban.

Sunday, April 3
A FIVE-YEAR-OLD BOY was killed and dozens of other persons were injured Saturday as tornadoes slashed across four western and central Michigan counties hitting hardest in the tiny farm communities of Augusta and Olivet. The boy was killed when a pickup truck his father was driving was lifted by a tornado and flung several hundred yards off I-69 northeast of Olivet. At least 39 other persons, including the dead boy's three-year-old brother and his father, were injured in Olivet, Augusta and surrounding farm areas of both communities, which are near Battle Creek.

Monday, April 4
PRESIDENT CARTER, emerging from a meeting with Secretary of State Cyrus Vance, said Sunday the U.S. "is determined to succeed" in arms limitation talks with the Soviet Union. Following a two-hour meeting in the residential section of the White House, both men told reporters in the Rose Garden they were optimistic about the next round of talks, slated for the middle of May in Geneva. Mr. Vance, who returned Saturday from a disappointing round of disarmament talks in Moscow, said he hopes Soviet leaders will reconsider their rejection of U.S. proposals "once they reflect on them."

Tuesday, April 5
A SOUTHERN AIRWAYS DC9 with 85 persons aboard, trying to crash land with both jet engines flamed out, roared down a two-lane highway "like a tornado" Monday, disintegrating cars and demolishing a store before it exploded. Sixty-six persons were killed in the crash which occurred near New Hope, Ga. Several hours after the crash, area hospitals reported 27 persons injured, most of them burned. At least six local people were killed and officials said other residents were reported missing.

Child Safety Program Underway in Pointe

Photo by Tom Greenwood

An initial meeting of educators and police officers toward implementing a Pointe-wide child safety and Emergency "E" program was attended by an estimated 40 persons on Thursday, March 31, in The Woods council chambers. The response to the program, which is being coordinated by the Youth Service Division, (YSD), has been very positive on the part of all officials.

Those playing prominent roles in organizing the effort are, (from left to right), Woods Traffic Safety Officer PAUL CROOK, Woods City Administrator CHESTER E. PETERSEN, division coordinator, Woods Det. Lt. JACK PATTERSON, division supervisor in the detective bureau, and YSD Det. PATRICK FAGAN.

Protection Of Seniors Aim of Bill

Sen. Hertel's Legislation
Provides for Mandatory
Sentences in
Crimes Against
Elderly

By Roger A. Waha

"The persons who have lived the longest, who have worked the hardest and who pay their taxes, have the least amount of security," said State Sen. John C. Hertel in relation to a bill, focusing upon senior citizens as victims of crime, which he introduced in the Senate on Thursday, March 31.

It provides for mandatory sentences for anyone convicted of committing a crime of violence against a person 55 years or older.

If passed, the legislation would set a mandatory sentence of five years in prison for a convicted offender in addition to the sentence for the crime itself. The mandatory sentence also could not be suspended by a judge.

Cites Increase

Saying that his district, (number two, Harper Woods), has the highest average age of any of the 38 senatorial districts, (i.e., 37 years, hence, a higher concentration of senior citizens), Sen. Hertel stressed his concern (Continued on Page 8)

GP Woods Postpones Acceptance of Bid For Parkway Project

Council Learns That Cost Estimate for Proposed
Development is \$13,000 More Than Stipulated;
Matter Referred to Committee of Whole
Pending Further Recommendation
from Beautification Commission

By Roger A. Waha

Action on accepting a bid for the development of the "Veterans Memorial Parkway" was temporarily postponed by the Woods Council, who learned that the total, estimated cost of the project was some \$12,000 more than originally stipulated. As a result, pending a further recommendation from the Beautification Commission, the council at its regular meeting Monday, April 4, unanimously referred this matter to the Committee of the Whole for further study.

The council had set a maximum cost of \$16,000 for the development of the Vernier road islands at the west and east ends of the city.

The work would include the erection of early American brick walls at the Harper Woods border on the west and at the eastern terminus of the Vernier road median east of the Mack avenue intersection. Three flagpoles, two colonial light poles and selective plant material would be located at each wall.

Eyes West End

However, City Administrator Chester E. Petersen informed the council that the overall, estimated cost of the project would be around \$29,128.

This figure included the recommended low bid, (via the firm of Eichstedt, Grissim and Young, landscape architects), of the Greater Detroit

Landscape Co. in the amount of \$19,285.79, an estimated \$6,000 cost for electrical services, e.g., bringing in underground electrical wiring to the sites, around \$2,648 in contingency and inspection fees and \$1,212 in landscape architects fees.

With this additional information, several possible actions could take place. Dr. Albert C. Howe, commission chairman, who expressed his surprise at the new figures, said the group will probably recommend to the council that the wall, light poles, flagpoles and selective landscaping transpire only at the western border, thus eliminating (Continued on Page 6)

Deadline Nears For Board Race

The deadline for filing petitions of candidacy for two Board of Education posts is Monday, April 11, at 4 p.m.

The positions now held by Laurence Harwood and Melissa Maghielse will be filled in an election June 13.

Petitions must contain the names of at least 88 local registered voters and must be filed in the school's business office, 389 St. Clair avenue. Petitions are available from that office.

Mr. Harwood announced at a recent meeting that he will seek re-election to the Board. Mrs. Maghielse said she will not run for an additional term.

Candidates must be residents of the school district and qualified registered voters. The term of office will run from July 1, 1977-June 30, 1981.

For more information, call Thomas Ott, director of business affairs, at 885-2000.

Board Eyes Bilingual Program

Part-Time Teacher Hired
To Assist Children
Who Cannot Function
in English

By Susan McDonald

The Pointe public school system will begin its first program aimed at assisting bilingual children in the district later this month with the help of funds from the Michigan Department of Education.

The Board of Education approved the hiring of a part-time teacher specializing in bilingual education to serve the system's 10 students, who cannot function in English and are having significant problems with school work.

This action was taken at its Monday, April 4, meeting.

Meetings Planned

Until now, there has been no program for such children in the system. "Each teacher has been doing the best he or she can during regular classroom hours," according to Director of Elementary Education, Dr. Alfreda Frost.

Study aids, including a programmed work book, have been available to assist the classroom instruction of the bilingual.

The new instructor will meet with the 10 students individually or in small groups twice a week for about one hour per session. In addition, the teacher will be required to meet with regular classroom teachers for additional consultation on students' progress and needs.

The bilingual teacher will travel to the different schools to meet with students. But, in the event a student must go to a different building for the special sessions, parents will be responsible for transportation.

Director of Community Services, Carl Schoessel, said he received notification Friday, April 1, that \$77 per student in funds will be available from the state for the program.

Tutorial Program

The state school code mandates bilingual programs in districts containing 20 students in a single language category who are not functional in English.

The Pointe public schools have a total of 168 bilingual (Continued on Page 4)

New Three-Year Pact Approved By Board, GPEA

Ten Months of Negotiations Come to End with
Formal Action by Both Parties; Teachers
Ratify Agreement by Wide Margin

By Susan McDonald

Ten months of negotiations came to an official end Monday, April 4, with the formal approval of a new three-year contract by both the Board of Education and the Grosse Pointe Education Assoc., (GPEA).

GPEA members filed into the Parcels Middle School gym after school Monday to cast their votes, approving the settlement 456-70—a six to one margin.

"It was overwhelming," said GPEA President Doris Cook after the ballots were counted.

The Board unanimously approved the contract at its regular Monday evening meeting, after a 45-minute, closed-door session called for "strategy purposes."

Get Hike in Pay

"We are pleased we have concluded these long negotiations," said Board President Robert Warner, and "we look forward to a harmonious relationship for the next couple of years."

The contract, based on a fact-finder's report issued in February, calls for 19-21 percent pay increases for teachers over the next three years on top of the automatic two percent increment raises.

A teacher at the top of the salary scale will move from a present pay rate of \$19,850 to \$23,406 in the 1978-79 school year under the agreement.

The cost of this year's pay hike will total about \$990,000, according to Director of Personnel Lawrence Kennedy. Checks for retroactive pay, averaging \$1,100 a teacher, will begin going out on Friday, April 29, he said.

Some Unhappy

Fringe benefits, totalling 2.5 percent of teachers' salaries, will be received during the 1977-78 and 1978-79 school years. They will probably involve dental, optical and improved life insurance policies, according to Mr. Kennedy.

Overall, the settlement follows the fact-finder's report "very closely," Mr. Kennedy said.

Although the GPEA approved the contract by a large majority, "Many in the unit had very strong feelings against some portions of it," said Mrs. Cook.

Cancer Group Seeks Aides

The American Cancer Society branch office at Cottage Hospital is looking for volunteers to man the annual Carnation Sale to be held on Friday-Saturday, May 13-14, in the Village and at Eastland.

Carnations will be sold in the Village from 10 a.m.-6 p.m. and at Eastland from 10 a.m.-8 p.m. both days.

Anyone interested in selling carnations for two hours either day is asked to contact the American Cancer Society at 343-9006.

Youths Addressing Girls Nabbed by Woods Officer

Two youths, who addressed a pair of girls from their car via a PA system on Thursday afternoon, March 24, were stopped by a Woods officer on Tuesday, March 29, and turned over to the Youth Service Division, (YSD), for investigation.

The girls, both of whom reside in the Children's Home of Detroit, were approached in two separate incidents, which occurred within a half hour of each other. They ran away along Cook road after being called over to the car.

YSD Det. Wayne Baum, who interviewed the youths, an 18-year-old Harper Woods boy and a 17-year-old Woods boy, said the only reason why there will be no prosecution in the case is because the Children's Home didn't

wish to pursue it in light of the pair's identification and the reasons for the boys' actions.

"The boys' statements were not that threatening or enticing," noted Det. Baum. "They were just out to have a good time and they didn't give much thought to their actions."

However, he emphasized if any other similar incidents occur, every attempt will be made to prosecute the offenders under a local ordinance entitled "Indirect and Improper Conduct."

Key points of the law make it unlawful for any person to follow, annoy, molest, disturb or insult by voice, conduct or actions any child under 21 years of age or any woman (Continued on Page 4)

Program to Aid Parents Underway

School, Police Officials
Attend Meeting As
Part of YSD-Coordinated Program

By Roger A. Waha and
Susan McDonald

An intensive outreach effort on the subject of child molesting and school safety in general has taken a big first step forward when an estimated 40 educators and police officers attended a meeting Thursday afternoon, March 31, in The Woods council chambers.

It was held toward developing a community-wide program involving the school system, PTA-PTO representatives and local police departments.

A cross section of schools, both public and private, along with officers from The Woods, Farms and City, were represented, with all expressing their support of the Youth Service Division's, (YSD), coordinated effort. While officers from The Park and Shores were unable to attend, each department indicated its support of the program.

Objectives Accomplished

"We've touched the tip of the iceberg," said Woods Det. Lt. Jack Patterson, YSD supervisor in the detective bureau. He felt the main objectives of distributing pamphlets on the child molester as an aid to parents and getting the Emergency "E" program understood and accepted on a community-wide basis were accomplished.

An estimated 6,500 pamphlets have already been printed with the monies coming from the YSD's current fiscal year budget, while around 1,500 Red Emergency "E's" are scheduled to come off the press this week, courtesy of the Kiwanis Club.

Several other developments, besides an obvious spirit of cooperation between participants, came from the meeting. They include the following:

• Woods City Administrator Chester E. Petersen, YSD coordinator, directed the division to formulate a suggested policy and procedures in the area of child safety toward setting up an overall program in the community. When completed, it will be presented to all local police departments and to school officials for their consideration.

Ready to Recruit

This policy will be formulated as soon as possible and will focus upon the Emergency "E" program and a coordinated fan out system as part of departmental procedure in handling reports of missing persons.

• A strong support for the Emergency "E" program was shown on the part of school representatives, many of whom indicated they will recruit individuals to participate in an ongoing plan.

At this time, it was pointed out that some schools are active in such a program, while others are not. Woods Traffic Safety Officer Paul Crook emphasized a need for the plan on a uniform basis throughout The Pointe-Harper Woods area.

Officer Crook said after PTA-PTO groups complete their recruiting drives, the local police department can conduct a criminal record check on submitted names to screen for eligibility. He indicated all local departments would be provided with a list of names and if questions arise, the department's (Continued on Page 2)

Farms Okays Tree Planting

The Farms Council at its regular Monday meeting, March 28, okayed a bid of \$2,640 from Shock Brothers, Inc., to plant 30 trees in the city, in accordance with the community's specifications.

The trees, mostly locusts and maples, will be used to help replace trees destroyed in the 1976 ice storm.

Kids' Safety Discussed at Meeting

(Continued from Page 1)

school safety or traffic safety officer can be contacted.

Busy Speakers

He suggested that names of participating citizens be resubmitted every year.

In this program, several homes within a block would have the big "E" in their front windows as a haven of safety for a youngster in trouble. No specific number of homes per block displaying the card has been selected, although one earlier suggestion was to have at least three houses, two at the corner and one in the middle of a block, take part.

At this point, police officials are awaiting specific information from the schools regarding participants in the "E" program, called by one meeting participant, the "eyes of the neighborhood."

Besides an accelerating interest in the distribution of the pamphlets, the speaking schedules of the YSD's four officers, Dets. Patrick Fagan, Wayne Baum, John Albrecht and Donald Schmalz, are apt to become heavier.

Lt. Patterson emphasized that the four detectives, (throughout the school system), and Officer Crook, (in The Woods only), are available to give safety-oriented presentations not only within the classroom to youngsters but also to adult organizations and outside school groups, such as the Boy Scouts.

"Eyes and Ears"

He said those who would like to schedule a speaker should call the YSD office at 886-2908 and supply all necessary information on the organization, the number of people attending, et al. Questions on the pamphlets also may be directed to the division's office.

Other potential developments of this massive effort were viewed at the meeting. Lt. Patterson, for instance, mentioned the use of safety patrol boys and girls as the "eyes and ears" of the street, thus supplying them with a pad and pencil so they can report any suspicious activity as necessary.

While this approach has similarities with a school check-off system, the lieutenant emphasized the time factor of notifying authorities in the event something may happen to a youngster between his leaving home for school, for example.

"I want to look for a sponsor for this program, maybe the FOP," (Fraternal Order of Police, Grosse Pointe Lodge 102), he said.

Yet another possible outgrowth of the total program could find YSD detectives meeting with officers from all local departments and conducting training sessions in relation to child molesters and abductions.

Deterrent to Crime

The overall emphasis of the program is preventive and Det. Fagan emphasized YSD detectives will be "low key" in classroom presentations, while Lt. Patterson said he associated the Emergency "E" plan with the visibility of police scout cars, street lighting, et al., as an integral safety aid and deterrent to crime.

Local police officials who attended the meeting besides The Woods' contingent, which also included Public Safety Director Henry Marchand, included Farms Dets. Earl Field, Sam Cardella and George VanTiem and City Police Chief Robert VanTiem.

Calling the Emergency "E" program a marvelous idea, Det. Field said it was something which was needed throughout all the Pointes and Harper Woods on a uniform basis. He questioned the suggested placement of the cards, however, feeling more should be displayed in the middle of some blocks.

For his part, Chief VanTiem said his department will cooperate in the overall Emergency "E" venture with the YSD.

While The Shores and Park were unable to send representatives to the meeting, both Shores Public Safety Director Joseph Vitale and Park Lt. Gordon Duncan expressed their department's cooperation in the Emergency "E" plan.

Program Needed

"I think it's a good idea which will go forward with good cooperation from everybody," said Director Vitale. "This program is needed in all communities, particularly in light of what has happened," (in reference to the tragic murders of youngsters in Oakland County).

Meanwhile, Lt. Duncan said he plans to get together with Det. Fagan to further explore the program. Noting that his city has had such a program before, (as did Chief VanTiem), the lieutenant indicated it was hit and run and ultimately fizzled. "I'm sure we will go along with it," he added.

As for the meeting itself, Lt. Patterson stated, "I'm very glad the way it went. There was a nice turnout, lots of interest and much input." He added he plans to contact Harper Woods to see if that city plans on participating.

Mr. Petersen echoed these remarks. "I thought it went well. The reception the people in attendance gave us, (e.g., PTA-PTO representatives), showed their eagerness and willingness to cooperate in any manner to implement a child safety program in the Grosse Pointe area," he said.

Eyes Selling Job

"It went beyond my expectations," stated Director Marchand. "I was pleased with the turnout, there was some good input and the response was excellent from the participants." He also was pleased with the work of Det. Fagan and Officer Crook at the session.

Saying the meeting was a step in the right direction, the director said it could be a tough job to get the Emergency "E" program going because some are unaware of the concept and a strong selling job might be needed.

"Many parents will have to be reached because not everyone goes to all PTA-PTO meetings," said Director Marchand. "It will be the responsibility of each individual police department after the initial response is received, (regarding Emergency "E" program participants), to make an assessment of the overall situation so all blocks can be covered."

In relation to participants, the director felt the program "would be great for retired people. It would give them a feeling of being part of the community." At the same time, many senior citizens would be home on a more consistent basis in comparison to those having jobs and, thus, being in and out.

Must Face Facts

As with police officials, the reaction of school representatives to the program also was positive.

About three-quarters of the participants at the meeting were representing local schools. Parents, principals and counselors were present from all public elementary schools, except Defer, and public middle schools as well as Saint Clare de Montefalco, Saint Paul's, Saint Ambrose, Saint Peter and Our Lady Star of the Sea parochial schools.

They generally responded enthusiastically to the YSD's planned program. "People always have a tendency to think it's not going to happen here," said Our Lady Star of the Sea representative Therese Buccellato.

"But we must face the fact that it is possible and take some kind of action."

Ferry PTO President Joan DeRonne, citing a recent incident of a missing child in her district, was most anxious to see a link established between the police and the already established telephone fan out system in most schools.

Praises "E" Plan

Under the fan out system, Richard Principal Jay Flowers said every parent in his district can be contacted within 10 minutes.

"Nothing could be faster than that when you're looking for a child," he said.

School representatives were most enthusiastic about reviving the Emergency "E" card system in the area. Although the program was started in most elementary schools more than seven years ago and received good reception from parents then, it has become less effective through the years.

"We originally issued almost 300 cards in our district," said Ferry Principal John Rohrer. "But now, I sincerely doubt if many of them are still up in the windows."

"After a while you've got to pump some lifeblood into a program like this. As a deterrent, I think the "E" program will be a great help."

John Hammel, Monteith Elementary School principal, agreed that a recent lack of interest has allowed the "E" program to die out.

Hitch-Hiking Concern

"But moving the whole school system at one time like this is certainly the best way to start it up again," he said. "If we get it going, it should be very effective in reassuring the children and deterring criminals."

Both elementary principals said they began the next day to get their programs back underway with mailings to parents.

Barbara Sjolander, a counselor at Brownell Middle School, was especially concerned with the needs of junior high school students in the area and was pleased to hear that the YSD's visual aid program also was directed to that age group.

"Hitch-hiking," she said, "is a major concern at this age level. Since the Oakland County incidents, the staff here has been more and more aware and concerned about the number of school children thumbing rides in the mornings."

Mrs. Sjolander said she plans to inform the Brownell staff of the availability of speakers on the subject.

Not Far Away

The public school's Director of Instruction Dr. Joseph Spagnoli, who also is a member of the YSD's board of managers, said the central school offices plan to fully cooperate with the new program, including offering use of the school mails for distribution of literature.

"People are nervous out here," he said, "and they should be. We don't know where this character, (the Oakland County child killer), is hanging out or where he lives, but Birmingham is not that far away from Grosse Pointe."

In addition, Director of Elementary Education Alfreda Frost said the schools have films on the subject available in stock. In recent weeks she said safety patrol sponsors have been advising students on proper behavior and that principals have been warning students to walk in groups to and from school.

Artists Visit High Schools

More than 800 students at North and South High Schools will receive professional exposure to various art media through the Foundation for Academic Enrichment's Visiting Artist program which continues through Wednesday, May 25.

The program, sponsored by the Joanne P. Bokram Memorial Arts Fund, began on Wednesday, March 9, when wood carver John Macheski held three seminars for 180 students and took some of them for a visit to his studio.

He was followed on Wednesday, March 23, by Joseph Maniscalco, who led a group in portraiture and on Wednesday, April 6, by Jim Barwick, who spoke about stained glass.

On Friday, April 22, Bob Fisher will be at North High School demonstrating the art of cloissone. South High will host Carolyn Hall on Thursday, April 28, with a demonstration of weaving and soft sculpture.

Artists scheduled for shows in May are Jerry and Madeline Berta, demonstrating hand built ceramics at North High on May 4; Howard Bond, photographer, at South High on May 18; and Don Schrom, mixed media, at South on May 25.

The sessions are offered to selected students only at both high schools. They are being coordinated by John Wargelin of the North High School art department.

The Bokram Fund is administered by the Grosse Pointe Foundation for Academic Enrichment, under current officers Marieke Allen, president, John Wargelin, vice-president, Crit Leibbrand, treasurer, and Peggy Fox, secretary.

The foundation uses the several funds under its jurisdiction to enrich the curriculum of Pointe public schools. Contributions or requests for information may be sent to the foundation, 32 Lakeshore road, Grosse Pointe Farms, 48236.

Mason Students Present Easter Play

"The Rabbit Who Wanted Red Wings," a musical play in one act, was presented this week by Carolyn Harwood's first grade class at Mason Elementary School for pupils and parents. The children took all the parts and made their own scenery for the Easter holiday production.

Those participating included, (from left to right), Mother Rabbit, DEBRA WILSON; Narrator, STEPHANIE SCHAEFER; Butterfly, KRISTIN GAST; Little White Rabbit, PHIL IDESON; Fairy, DIANE BENDURE; and, (kneeling, center), the Duck, CRISTA LEMKE.

Center Slates Spring Trips

The War Memorial Assoc. offers its patrons opportunities this spring to visit and view the treasures of ancient Egypt now on exhibit in Chicago, the finest in early American art at the Du Ponts great Winterthur museum and at the Rockefeller's restored Williamsburg as well as the best in theatre in New York.

On Sunday, April 17, at the Center, there will be a complimentary meeting at 7:30 p.m. for all those going and interested in going on the Memorial's chartered ship, the "Independence," sailing Sunday, April 24, on an eight-day cruise to the Solomon Islands, Yorktown, Williams-

burg, St. Michaels, Chesapeake City, Old New Castle, Winterthur and Baltimore. There will be slides of the treasures of Winterthur and a film of Williamsburg. Four cabins have opened up for those who may not already have signed up.

The War Memorial group flies to New York May 13-15 for a theatre weekend for the comedy "Sly Fox" and the musical "Chicago," while staying at Hotel Lexington. The tour is offered at a discount rate.

A weekend to Chicago to visit the great Tutankhamun exhibit on loan from Egypt is scheduled June 10-12, staying at the Sheraton Chicago with transportation, escort service, baggage handling, admissions and transfers to the museum included, tour members will pay \$79 double occupancy, (\$10 single supplement), with a \$25 tax deductible gift to the War Memorial's new art wing included.

Impersonator Startles Youths

Two nine-year-old Pointe youths reported to City police that they were approached by a man on Wednesday, March 30, who was dressed as a female. The man, who approached the youths in front of the Notre Dame Pharmacy, 1600 Kercheval avenue, at about 5:45 p.m., was carrying a Polaroid camera. They said the man asked them to take his picture and told them he was working on the Oakland

County murder case. The youths described the man as white, wearing a medium-long black wig. The youths, and one of their fathers, who also was in the area, saw the man drive off in a small, red and black auto. They did not get a license number, although the father said he believed the car had Ohio plates.

White Cane Sale Okayed

The Grosse Pointe Woods Lions Club received the unanimous permission of the Woods Council to conduct its White Cane sale at various Mack avenue intersections on Saturday, April 23. The action was taken at the regular meeting Monday, March 21. In its recognition of White Cane Week, April 25-May 1, club members are scheduled to solicit funds from 6 a.m.-1 p.m.

Anti-Smoking Laws

(Continued from Page 1)

avenue, will make six tables available for non-smokers.

While most restaurateurs are not complaining about the new law, many admit that business considerations will dictate compliance.

"If it's a packed house and there are two empty non-smoking tables, they will not be reserved," said one bar owner.

According to Mrs. Pat Arens of the American Lung Assoc. of Southeastern Michigan, enforcement of the law will really be up to the people.

"These laws were adopted to protect non-smokers and it will be up to them to make people comply," she said.

"Now a non-smoker, who is bothered by a smoker in a restaurant or supermarket, won't just be asking politely. It's the law now, and people will have to put out their cigarettes."

Officially the penalties for not following the new smoking prohibitions are \$100 fines for persons smoking in food stores, enforcement of the law for restaurant, hospital and nursing home operators.

While these measures sound severe, the new laws are only additions to a long list of requirements which are checked only during routine inspections.

"There won't be specific enforcement of these ordinances alone," said a state health department spokesman. "This will be just one more thing that we will check during our inspections every six months," (the interval that restaurants are checked).

So far, the biggest problem for restaurant operators has been finding out what they have to do to comply with the law. Managers of all the restaurants contacted by the NEWS reported that they had not received official notification of the new laws and had to find out from the news media like everyone else.

The manager of Piper's Alley, 18636 Mack avenue, didn't even know about the law until the day before it came into effect and then found out about it from a reporter who called to ask what preparations were being made.

Officials of the state health department claim that smoking regulation notices were sent out with annual license applications during February. They noted that some of the people who said they weren't notified were probably the same ones who haven't gotten their license applications in.

The new restrictions on smoking also apply to private clubs like the Grosse Pointe Yacht Club and Country Club of Detroit, unless they are reserved for private gatherings.

With the adoption of these smoking laws, Michigan becomes one of a half dozen states to have taken steps to protect the rights of non-smokers. Though anti-smoking groups consider the laws a triumph, they admit the real impact is more symbolic than anything else.

"Sure there will be enforcement problems," said Mrs. Arens. "But this is an important first step for a non-smoker's rights."

or to induce, coax, persuade or induce by threat any child under 21 or any woman to enter any vehicle or any conveyance.

Anyone found to be in violation is subject to a fine of \$500 and/or 90 days in jail.

While the boys escaped prosecution in this case, both received a stern warning from Det. Baum, who informed their parents of what transpired, along with a few days to think about their actions as neither was informed prosecution wouldn't take place until Friday, April 1.

Officer Ronald Hayden, who spotted the boys while on patrol, received praise from Det. Baum for his "good police work" and persistence which led to the identification of the perpetrators who were, in fact, proven not be child molesters at all, (an important piece of information to police).

At the same time, Officer Hayden was praised by Det. Lt. Jack Patterson for his alertness and follow-through ability in the case after the initial stop. Public Safety Director Henry Marchand also extended his appreciation and compliments to Officer Hayden for a "job well done."

In his report, Officer Hayden said he observed a brown Gremlin going west on Fairholme equipped with a citizens band radio antenna. Noting that the driver and the auto matched the description of the individual and car wanted in the previously reported case, the youth was stopped.

After informing the boy why he was stopped, the youth said he was driving along Cook on the 24th and used his PA system to talk to friends. He agreed to come to the station for further questioning.

The youth told Det. Baum he and his 17-year-old friend were going west on Cook from Morningside drive, while noting they had recently installed a CB in a friend's car and were talking to him.

After spotting the girls, the boy reportedly stated over the PA, "Hey little girl, want a candy bar?" His friend concurred with that statement except for the candy bar overture.

At the same time, the statements, "Hey you, what are you doing . . . Hi there little kid" also were spoken, according to the report.

St. Paul Class Visits Toronto

Sixth grade students at Saint Paul School learned a lesson in financial responsibility while enjoying a two-day tour of Toronto Thursday-Friday, March 24-25.

Plans for the Toronto classroom began last spring with each student given the assignment of earning \$55 for the trip during the summer. The 50 sixth graders succeeded in the task with odd jobs around the neighborhood, mowing lawns, delivering newspapers and babysitting.

They got a chance to spend their hard-earned savings on a round-trip train ride from Windsor to Toronto, an afternoon bus tour of the city, including Casa Loma, a planetarium show at the Royal Ontario Museum and a tour of the Science Center.

The students were accompanied by 21 adults, including teachers Phyllis Lopez and Jackie Curtin.

students enrolled this year, but only 10 have been identified by a recent teacher survey as non-functional in English. There are 41 with limited functioning ability and 113 who are bilingual but need no special assistance.

The 10 students attend classes in seven different schools and speak Arabic, Yugoslav, Persian, Greek, Polish and Spanish.

Mr. Schoessel said he also coordinates a tutorial program for the students using high school volunteers, most of whom speak only English. He added that he has had many requests for tutors from principals which he has not been able to fill.

For foreign language speaking adults moving into The Pointe school district, Community Services offers a no-credit, night class which concentrates on developing speaking skills.

GP Park Police Promote Two Officers, Add Recruit

Two veteran police officers were promoted to the rank of corporal, and a new recruit was hired to boost the Park Police Department complement from 33 to 34 men, it was disclosed by Police Chief Henry O. Coonce on Thursday, March 31.

The new corporals are William Furtaw, 38, of Detroit, who was promoted to the uniform division on January 24, after serving with the detective bureau since January 1973, and Collin LaLonde, 39, of The Park, who assumed his new rank on Saturday, April 2.

The new policeman, who completed his three-month basic training at the Criminal Institute of Justice at Cass Tech, Detroit, is Barry Oleksyk, 27, of St. Clair Shores. His official duties began on Sunday, March 20, according to Chief Coonce.

Cpl. Furtaw, who was appointed to the department on November 7, 1961, is a native of Detroit and a 1957 graduate of De LaSalle High School, Detroit. He is married and the father of four children.

He was promoted from the uniform division to the detective bureau as a detective-patrolman, serving four years in that post with distinction.

Woods Adopts Traffic Code

The Woods Council unanimously approved an ordinance repealing a title of the 1975 city code to provide for the adoption by reference of the Uniform Traffic Code for Cities, Townships and Villages, August 1976 edition.

This action was taken at the regular meeting Monday, March 21.

City Attorney George Catlin told the council the measure is one which updates the city's present law regarding the adoption of the new Uniform Traffic Code. By adopting the Uniform Traffic Code, we can charge people under our city ordinance, he said.

Sections of the law view such areas as the designation of through streets, e.g., Mack avenue and Vernier road, establishing speed limits, e.g., Mack, 35 mph, all other streets, excluding Mack, 25 mph, not to exceed 25 mph, and prohibition of hitch-hiking.

One section, on trespassing on posted property, notes that it's unlawful for any person to enter upon any premises with a motor vehicle or park the vehicle when the premises has posted signs prohibiting such an action.

Another section views deletions and substitutions to the Uniform Traffic Code, while yet others view special permits and the parking of commercial vehicles.

As an emergency ordinance, the law became immediately effective.

TO FILL TERM

The Woods Council at its regular meeting Monday, March 21, unanimously appointed James R. Daoust Sr., of Lochmoor boulevard, to fill the unexpired term of Rose Zoufal on the Board of Councillors. The term expires this December 31.

Churches Join in Celebration

Saint James Lutheran Church of Grosse Pointe, McMillan road near Kercheval, will be joined by Saint Paul Lutheran Church on Good Friday, April 8, for a joint service at Saint James from 1-2 p.m.

Pastor George Kurz of Saint James will preach the sermon, and the Rev. Hal Blay, interim pastor of Saint Paul, will be the liturgist. Special music will include a solo by Kim Menagh, "I Know My Redeemer Liveth" by Handel, and a duet by Bill Christofferson and Albert Cain, "So Thou Lifest Thy Divine Petition" by Stainer.

Pastor Kurz and Pastor George Scheller will conduct the traditional Tenebrae Vesper Service at Saint James on Good Friday at 8 p.m. Structured around the "Seven Last Words," this is a service of narration, music, meditation, candlelight and darkness, the word tenebrae meaning "shadows."

There will be three services at Saint James on Easter Sunday, April 10, at 6:30 a.m. and 9:30 a.m., followed by

the Festival Service at 11 a.m. at which Holy Communion will be celebrated.

The beautiful floral decorations will blend with the triumphant Easter music by the Chancel Choir, under the direction of Herman Klein, director of music at Saint James.

After the Sunrise Service, the youth of Saint James will sponsor the traditional pancake breakfast between 7:30-9:30 a.m.

Friends of the community are invited to celebrate the love of the Lord with St. James members during this most Holy Week.

Bid for Parkway Postponed

(Continued from Page 1) such work at the east end altogether at this time. Other alternatives include possible selected cuts in the proposed project toward reducing costs or going ahead with the total project as originally proposed. The latter avenue, however, is most unlikely. "Some real cutting will have to take place," said Mayor Benjamin W. Pinkos. Indicating better, i.e., lower bids, could be obtained the second time around, the

mayor stated the estimated \$29,126 figure was too much money to spend on the project as other priorities for the city must be considered.

For the commission, the latest estimate was startling as the group is in the process of making plans for an official announcement of the project, along with Dedication Day, (tentatively set for June 19).

"The latest figures which were brought out were not known to us beforehand," said Dr. Howe. "Our original idea was to go with the west end only, while the east end was part of the architect's plan and we went along with it. If the west end is developed in its total capacity, we should get it within the figure of \$18,000."

Citing his concern over the latest estimates, Dr. Howe stated, "It's regrettable that this wasn't researched by the city in more detail," while adding his disappointment that the information came in at "the 11th hour."

Library Hosts Family Films

The Grosse Pointe Public Library will present this month's Family Film Night in the exhibition room of Central Library, 10 Kercheval avenue, on Thursday, April 14, at 7:30 p.m.

"Happy Anniversary," a humorous black and white, 13-minute film will feature the art of French pantomime Pierre Etaix. The film comedy is about a man trying to reach home in time to celebrate his wedding anniversary, and the frustrations he encounters.

"The Golden Fish" is in color and is 20 minutes long. A classic in its field, but without narration, it involves a little French boy and a goldfish prize he wins in the carnival. The problem starts when an alley cat comes in through the window.

George Pierrot, on his television program, has said that he believes the scenery from Calgary to British Columbia to be some of the most beautiful in the world.

In "Highway One," a 27-minute, color film, magnificent views are seen. Banff, Lake Louise, Glacier National Park and the Selkirk Range are highlighted.

SOUR GRAPES

The people who are unwilling to sweat for their own success are always ready to criticize those who have earned it.

Woods Approves Pact with Police

(Continued from Page 1) adding he feels the officers got a good pact.

Eyes Corporals' Pay

Meanwhile, Officer Patrick DeVine, a member of the association's negotiating team, assessed the feeling of the troops after their ratification vote by saying the men were basically relieved. "I think it was fair that the city resubmitted the same pact, Mr. Petersen was reasonable and he had the city and the department's best interests in mind," he stated.

"The agreement is more than fair and reasonable to me personally. I feel most satisfied and relieved it's over," added Officer DeVine. For his part, Officer Thomas Hunke, also a bargaining committee member, indicated he was reasonably happy with the contract, calling it a "fair settlement."

However, he cited his hope that the corporals' salary differential, (regarding pay between them and patrolmen, an earlier concern), would be brought closer to the corporals of other local departments in 1979.

Under the first year of the pact, (July 1, 1976-June 30, 1977), all public safety officers with four years seniority will receive \$17,675 per year, while the corporals will be paid \$18,625 per year.

Costs Cited

Mr. Petersen said the officers' previous pay, before the new agreement was approved, was \$16,325 with a last increment of \$16,500, while the corporals received \$17,350 at their last increment.

During the second year of the agreement, (July 1, 1977-June 30, 1978), the officers will be paid \$18,775 per year, while the corporals will receive \$19,725 per year.

The cost to the city of the total package for fiscal year 1976-77 is an average \$1,786 per officer with at least 10 years experience, a 6.45 percent increase, noted Mr. Petersen. That figure jumps to \$2,151 per man during fiscal year 1977-78, a 7.29 percent hike, he said.

In further exploring cost factors, the city administrator revealed the total cost, (including salary and fringe benefits), to maintain one public safety officer in fiscal

year 1975-76 was \$27,702. For fiscal year 1976-77, it rose to \$29,488, while in fiscal year 1977-78, it will climb to \$31,639.

These total cost figures encompass such areas as salary, cost-of-living bonus, longevity, overtime, court time, holiday pay, pension, vacations, sick leave, health care, (i.e., Blue Cross-Blue Shield, dental), severance, clothing allowance, life insurance, workman's compensation and continuing education.

Sick Leave Viewed

Highlights of the agreement for the 1976-77 fiscal year, include, under "hours of work and scheduling," that bargaining unit members are permitted, subject to departmental manpower requirements, to voluntarily trade shift work and/or leave days, provided a request has been made to the on-duty shift commander at least 48 hours in advance.

Meanwhile, overtime distribution provisions are more clearly spelled out, said Mr. Petersen, in relation to three different steps.

At the same time, a new provision in relation to sick leave has been incorporated giving bargaining unit members an opportunity at the end of each fiscal year to bank all accumulated unused sick leave days, or to receive pay for one-half of accumulated unused sick leave days and to bank one-half of such days.

The agreement stipulates that this option will not be exercised unless the officer has a minimum of 15 days

remaining in his sick leave bank.

Under the 1977-78 fiscal year, officers will receive 10 paid holidays, with the addition of Easter. Others include New Year's Day, Washington's Birthday, Memorial Day, Independence Day, (July 4), Labor Day, Columbus Day, Veterans Day, Thanksgiving Day and Christmas Day.

Cost-of-Living

Payments for the cost-of-living bonus will be based upon the geographic consumer price index established by the United States Bureau of Labor Statistics for the metropolitan Detroit area. The payment of the bonus will be made annually during January, covering a 12 month period from December 1-November 30.

For each .4 increase in the current 12 month index average over the preceding 12 month index average, an officer will receive one cent per hour, as a cost-of-living bonus, for each hour worked during the current 12 month period. Beginning with the period from December 1, 1976-November 30, 1977, the figure changes from a .4 increase to a .3 increase.

Other provisions in the pact view specifics in contract language in the areas of maintenance of conditions, (which notes that shift differential payments are incorporated within the base salary structure), separability and duration, (which contains provisions in relation to future negotiations).

Protection of Seniors

(Continued from Page 1)

over the increase in the number of crimes committed against seniors.

In citing recent cases in the Detroit metropolitan area where seniors have been attacked in their homes, the senator indicated his concern is not limited to crimes of violence in the street. "We hope the bill will deter others from committing these kinds of crimes against senior citizens," he said.

In relation to this, Sen. Hertel noted that seniors have been victims of more violent crimes per capita than any other age group in society over the past three years. "Violent crimes against senior citizens are almost always pre-meditated with seniors being picked out because many are defenseless," he stated.

Sen. Hertel said he introduced a similar bill last year as part of a mandatory sentencing package, while indicating he plans to introduce a new, similar package this year with a variety of changes. The senior citizens-mandatory sentencing bill was introduced separately, he noted, because its content hadn't changed much.

"Would Think Twice" The bill now goes to the Senate Judiciary Committee, of which Sen. Hertel is a member, and he will make a strong effort to get it

through the committee and onto the Senate floor, where he feels there are enough votes for approval.

Introduction of the legislation drew favorable comments from individuals involved in senior citizens' activities in The Pointe.

Irene Sutton, chairman of the Woods Senior Citizens Commission, said, "I know senior citizens are scared to go out at night because they are afraid of crime," while noting, "Senior citizens can't protect themselves like a younger person. There's no question about that."

In saying she hoped the bill would deter potential criminals from acting against senior citizens, Mrs. Sutton stressed, with a five-year mandatory sentence, "they would think twice about it."

She also echoed Sen. Hertel's statement that seniors are often defenseless against potential attackers because of age, sight and hearing problems, et al.

Real Concern Mary Ale and Diane Heavner, co-directors of The Pointe's Food and Nutrition site for senior citizens, housed in the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue, also felt the legislation was worthwhile.

Calling seniors an "easy prey" for crime, Mrs. Ale said potential criminals are the ones who can and pick on senior citizens such as in purse snatching incidents. Feeling seniors are a neglected group in society, she added the bill was a good one to consider.

Meanwhile, Mrs. Heavner stated she liked the mandatory sentencing idea of the legislation because "crime is a big fear of senior citizens, a real concern of theirs." Hoping such a bill would deter potential attackers, she added the legislation deserves to be further explored.

In a news release from his office, Sen. Hertel pointed out that both New York and California have enacted similar legislation giving stiff penalties for crimes against seniors. He noted the California Supreme Court already has upheld the constitutionality of the statute.

GP Memorial Sets Musicales

Juliet King, dramatic lyric soprano, will be the featured artist for the Musicales program at Grosse Pointe Memorial Church, 16 Lakeshore road, on Sunday, April 17, at 4 p.m.

She will sing works by German, Italian, Russian and American composers, as well as spirituals and folk songs. Her professional pianist/accompanist, Cheryl Rascoe, also will perform several works of Chopin.

The door donation is \$2 for adults and \$1 for children under 12.

Mrs. King has won acclaim in both this country and abroad. Highlights of her first European tour in 1973 included a concert in London's Westminster Abbey, six performances for the Armed Forces stationed in West Germany and as a guest soloist at the World Council of Churches, Geneva. Since then she has made five additional tours of Europe.

In America, Mrs. King's repertoire of operatic arias, oratorio, light opera, semi-classical, spirituals and hymns has appealed to a variety of audiences including those at art centers, colleges/universities, churches and national conventions of various organizations.

She also has appeared on television and has been featured in several publications. Her concerts are never just performances; they are inspiring experiences in communication. With the warmth and radiance of her personality, the refinement of her natural dramatic talents, the richness of her tones and her striking stage presence, she quickly captivates an audience, the church reports.

Family Night Draws Crowd

The second Family Fun Night, co-sponsored by the Department of Community Services and the Neighborhood Club, took place on Friday, March 25, at Brownell Middle School.

Over 120 families participated in the event. Activities included swimming, basketball, volleyball, trampolining, tumbling, arts and crafts, children's activities and movies.

Because of the tremendous success and number of participating families, the two organizations say they are considering a number of options to respond to the overwhelming interest in recreational activities for families in the Pointes.

Even though the evaluations returned by the participants have expressed satisfaction, the sponsoring groups would like to improve the program so that the number of participants does not limit individual participation.

The next Family Fun Night will be on Friday, April 22, at South High School from 7-9:30 p.m. The activity is open to all residents of the Grosse Pointe Public School District and there is a charge of \$2 per family or \$1 for an individual.

Children must be at least three years of age to participate, and those 16 and under must be accompanied by at least one adult.

STILL IS TIME

"Gather together and pray, you shameless nation, while there still is time—before judgment begins, and your opportunity is blown away like chaff; before the fierce anger of the Lord falls and the terrible day of His wrath begins. Beg Him to save you, all who are humble—all who have tried to obey." (Zephaniah 2: 1-3)

GP Parishes Attend Meeting

More than 440 delegates from throughout the six counties of the Archdiocese of Detroit met Saturday-Sunday, March 26-27, to consult with Cardinal John Dearden and four assistant bishops of the Archdiocese at the fourth annual Archdiocesan Pastoral Assembly, (APA), at Sacred Heart Seminary, Detroit.

The delegates included laymen and women, priests and religious leaders who were elected or appointed and are a cross section of Catholic people who are representative of the church in the archdiocese.

The assembly is in keeping with the concept of "shared responsibility" outlined by the Second Vatican Council.

There are 339 parishes and missions in the archdiocese serving about 1.5 million Catholics. These parishes are grouped into 28 clusters called vicariates.

The APA delegates from the Detroit-Grosse Pointe Vicariate included the following from area churches attended

by Pointers, Pointe schools or area schools having students enrolled from The Pointe:

William Barron of Our Lady Queen of Peace Parish; Brother Richard Benton-House of Bishop Gallagher High School, both of Harper Woods; Father Ricardo Bass of Saint Philomena Parish, which is in Detroit and borders The Farms; and Father Lawrence DuCharme of Saint John Hospital.

Others include Mrs. David Henes of Saint Clare de Montefalco Parish; Mrs. Bridget Melvin of Our Lady Star of the Sea Parish; Dick Yeskey of Saint Ambrose Parish, (the church is in The Park and the school in Detroit); and Sister Rosemarie Roney, Edward Roney Jr. and Mrs. Bernice Zilly, all of Saint Paul on the Lake Parish.

A 53-member group elected by the APA meets quarterly with Cardinal Dearden to deal with needs surfaced by the assembly.

Well-adjusted people keep out of the ruts of prejudice.

"2 days a month helps pay for our 4 on the floor."

"The pay wasn't the only reason I had for joining the Naval Reserve, but I've got to admit that monthly check comes in mighty handy. Especially in this day and age."

Good pay. It's a good reason to join the Naval Reserve. But it's only one way of making your experience count.

When you join the Naval Reserve, you'll also get the satisfaction that comes from doing an important job. And doing it well. If you left active duty with a critical rating, we'll try

to get you back in the Reserve and working in that same rating. You'll do the job you were trained to do, with an opportunity to do it even better.

Life insurance is another extra. Just \$3.41 a month buys \$20,000 worth of insurance. You can't beat that price anywhere!

But there's more. You'll once again be eligible for Exchange privileges. As well as knowing that time spent in the Reserve builds toward a retirement pension.

So what's the catch? You have to work one weekend a month, plus two weeks during the year on active duty. But if you think you can spare the time, you owe it to yourself to find out more. Just call or visit the Naval Reserve unit nearest you. And find out what your monthly check will be.

DIA Film Tours Rugged Canada

Don Cooper hikes, canoes and rafts wild rivers and rugged mountain country in the World Adventure Series color movie, "Western Canada," to be shown Sunday, April 10, in the Detroit Institute of Arts, (DIA), auditorium at 3 p.m.

Mr. Cooper, the Alaska lumberjack, crosses the rolling prairies of Alberta following modern Edmonton, the bronc busting and careening chuck wagons at the Calgary Stampede before heading into the towering Canadian Rockies.

He canoes the Athabasca and Peace rivers filming close-ups of grizzly bears, moose, osprey, eagles and rare movies of a fox catching a salmon for dinner.

Other sequences show the Bow River, Banff and Jasper National Parks and all the tourist highlights of the cities of Vancouver and Victoria.

For tickets, call the World Adventure Series at 832-7676 any day between 9:30 a.m.-5:30 p.m.

Seniors' Class Has New Date

The gym/swim class arranged by Woods senior citizens, and originally scheduled to begin on Tuesday, April 12, has been rescheduled to begin on Tuesday, April 19, due to the closing of school for Easter vacation.

The two-hour class consisting of one hour of calisthenics and one hour of swimming will be held at Parcels Middle School, 20600 Mack avenue.

It will be held from 5-7 p.m. and will continue for a period of eight weeks. The course is tuition free to all resident taxpayers who are 55 years of age and retired.

Registration will be held on April 19 only and the class is limited to 30 persons.

SEMTA Narrows Regional Transit Choices to Four

Fourteen months of study culminated Tuesday, March 22, in the selection by the Southeastern Michigan Transportation Authority, (SEMTA), of the four "best" possible transportation systems for the southeastern Michigan region, reports an authority news release.

The one final system to be built will be selected from the four after further testing and evaluation.

The four systems were selected from a field of 16 possible systems by the SEMTA board of directors during a special board meeting on Tuesday.

All 16 systems were computer tested over the past 14 months, and evaluated based on their cost-effectiveness, economic and social environmental impacts and economic development potential.

The systems selected includes the following: Express bus service, (technically known as intermediate level service), along Woodward avenue from the Detroit Central Business District to Pontiac, express bus service along Gratiot from the Detroit Central Business District to Mount Clemens and commuter rail service along Michigan avenue to Ann Arbor.

Commuter rail service along Michigan avenue to Ann Arbor, heavy rail service along Woodward to Eight Mile and heavy rail service along Gratiot to Conner.

Commuter rail service along Michigan avenue to Ann Arbor, light rail service along Woodward to 16 Mile and light rail service along Gratiot to 15 Mile.

The present regional transit system with programmed

improvements to 1985.

Each of the systems also includes a downtown People Mover. The People Mover would operate from Cobo Hall, west to Cass, along Cass to Grand River, east on Grand River to Randolph, south on Randolph to the river and back to Cobo Hall.

Heavy rail systems are distinguished from light rail systems in that heavy rail—commonly known as rapid transit—must be situated either above, (elevated), or below, (subway), ground. The light rail system, commonly associated with the modern day streetcars, may be situated at grade, (street), level or grade separated like the heavy rail systems.

The 14-month study, known as the Alternatives Analysis, began in December 1975. The purpose of the study is to identify the most viable and cost-effective transit system for this region in a 1990 time frame.

The \$1.2 million study is being financed by the federal government, (80 percent), and the State of Michigan, (20 percent). The State also is providing funds for the \$110,000 economic and social development study and a \$139,700 commuter rail study. The \$721,000 economic development study is being financed by the federal government.

A final system will be selected by the new board of directors which takes effect Friday, April 15. That system must then be approved by the Federal Urban Mass Transportation Administration.

If approved, the system will be financed by a combination of federal, state and local funding.

Gets Probation In B-E Case

A 30-year-old Detroit man was placed on three years probation and issued court costs of \$495 at his sentencing date in Wayne County Circuit Court on Tuesday, March 29, reported Woods Det. Charles Philip Hamel.

Raymond George Vujnov had pled guilty to a charge of attempted breaking and entering with intent to commit larceny in February stemming from an incident last December.

He was charged in the burglary of a Roslyn road home in which a stereo, turntable and two speakers were taken and later recovered by police.

He was apprehended by officers at Mack avenue and Roslyn road a short time after the incident was reported.

The way of life of the transgressor is a rough, one-way street that leads nowhere.

Police Nab Drag Racers

Two young men were arrested by a Shores public safety officer early Sunday morning, March 27, when the officer witnessed the pair drag racing along Lakeshore road.

Arrested were Daniel Harris Wells, 18, of 765 Balfour, and Jeffrey Dane Oetting, 17, of 104 Kensington, both of whom were ticketed for speeding 65 mph on Lakeshore, a .35-mile zone, at 3 a.m. on Sunday.

PSO Harry Hamilton disclosed in his report he was on routine patrol, heading north, when he observed two cars traveling southbound at a very high rate of speed. The radar check showed the pair were doing 70 mph as they approached Vernier road.

THE PARK PHARMACY

Most physicians agree these days that in what is usually called a "heart attack," the heart does not attack the victims. On the contrary, it is generally the other way around. Heart attacks are often carried on for years without the owner of the muscle being aware of it. The chief enemies of the heart are worry, anxiety, and overwork. Give your heart some relaxation, and it will give you one. Slow up. Use moderation in everything you do. Cut down the speed at which you work. Go to bed early, or get adequate amounts of rest.

Helping to keep you and your family healthy is an important service of pharmacists at THE PARK PHARMACY. 15324 E. Jefferson, Grosse Pointe Park! We work closely with your doctor to make sure we have the latest medications on hand for when you need them. Bring your prescriptions to us for prompt, personalized and dependable service. We also have a complete line of liquors, beer and wine. Stop in for fine candies, greeting cards, baby supplies and all health and beauty aids. Call us at 822-2580. We are open daily until 8 P.M., Fridays and Saturdays until 9 P.M., and Sundays from 10 A.M. until 3 P.M.

CITY OF Grosse Pointe Farms MICHIGAN

Summary of The Minutes March 28, 1977

The Regular Meeting was called to order at 8:00 p.m.

Present on Roll Call: Mayor James H. Dingeman, Councilmen Jack M. Sudlip, Nancy J. Waugaman, Joseph L. Fromm, W. James Mast and Lloyd A. Semple.

Those Absent Were: Councilman Harry R. Fruehauf, Jr.

Mayor James H. Dingeman presided at the meeting.

The Minutes of the Regular Meeting which was held on March 14, 1977, were accepted as corrected.

The Council scheduled a Public Hearing before the Zoning Board of Appeals on Monday, April 25, 1977, for the purpose of hearing the appeal of Mr. Donald Sanford, from the denial of the Building Department to issue a Permit for the enlargement of the second floor of his home located at 104 Muir Road.

After receiving communications from Mr. and Mrs. Robert L. Goffredson, requesting Council action disclaiming any easement interest of the City regarding their property located at 270 Grosse Pointe Boulevard, and further requesting the Council's approval of their proposal to divide such property, the Council referred the foregoing requests, along with the matter of outlots A, B and C of the Palombit Greiner Subdivision, and the matter of access to 269 Lake Shore Road, to the Mayor's Advisory Planning Committee for their study and recommendation and subsequent report to the Council.

The Council adopted a resolution to further extend, for a period of one year, the provisions of the 1974 Agreement between the City and the Cottage Hospital of Grosse Pointe, concerning the Hospital's acquisition of properties along the south side of Muir Road.

The Council adopted a Resolution For Operating For The Next Fiscal Year, in application to the State Department of Treasury Municipal Finance Commission to borrow monies in anticipation of the collection of 1977 taxes.

The Council adopted a resolution approving the proposed By-Laws for the Grosse Pointe Farms Building Authority.

The Council adopted a resolution rescheduling the Regular Meetings which will be held in April, 1977, from April 4 and April 18, to 8:00 p.m. on April 11 and 8:00 p.m. on April 25, 1977, and further rescheduling the Regular Meetings to be held on July 4, 1977 to 8:00 p.m. on July 11, 1977, due to the observance of Independence Day, and September 5, 1977 to 8:00 p.m. on September 12, 1977, due to the observance of Labor Day; and further approved the Notice of Regular Meetings of the City Council, as revised, for posting in the lobby of the City Hall in accordance with the provisions of Act 266 of the Public Acts of Michigan, 1976-Open Meetings Act.

The Council approved the low bid of Shock Brothers, Incorporated, in the total amount of \$2,640.00, for planting thirty trees within the City.

The Council approved payment of invoices from the Mancini Construction Company, in the amounts of \$8,081.59; \$10,574.35 and \$6,702.06, for work done in connection with the Kerby Road Sewer Repair Project.

The Council approved the low estimate of the Capizzo Construction Company, in the total estimated amount of \$2,105.00, for the necessary cement work to repair the damage resulting from water main breaks within the City during the past winter season. In accordance with the order of the Municipal

Judge, the Council approved payment in the total amount of \$1,040.00 to the firm of Nelson and Louisell, for professional services rendered by Mr. John C. Louisell, as court-appointed attorney representing Mr. Russell Harte, in the matter of the City of Grosse Pointe Farms vs. Steffens and Harte.

Upon proper motion made, supported and carried, the meeting adjourned at 9:50 p.m.

Student Wins State Honor

A Career Unit in a ninth grade civics class was responsible for starting Linda Povlitz on the road that led to her selection as Miss BOEC, (Business Office Education Club), for the State of Michigan at a recent State Leadership Conference.

Linda was named top vocational student in Michigan and was awarded a full tuition, four-year Insignis Scholarship for full-time study at the University of Detroit.

"I was asked to select an area of vocational interest and to investigate it by my civics teacher," Linda said. "The topic I selected, accounting, has since become my vocational goal."

"After the research, I became so interested in the area that I went on to talk to Business Education chairman Jack Harrigan to learn more about what North offers in the field."

From there, Linda enrolled in the Office Co-op program

and in the BOEC Club. For the last two years she has been BOEC secretary as well as an outstanding business student.

She credits her involvement in the club, sponsored by North business teacher Paul Pierron, with increasing her confidence and leadership skills.

Fund raising activities, such as the Special Olympics walk-a-thon and bagel and bake sales were valuable experiences, according to Linda, because they require efficient organization and scheduling.

Just how effective these efforts were is obvious.

North BOEC's walk-a-thon enabled the chapter to make the top donation in the state, \$1,500, to the National Special Olympics Assoc. this year.

The BOEC Club also has many social activities which Linda feels increase cooperation and a team spirit among the members, including monthly breakfasts, progressive dinners and participation in regional, state and national conferences.

U-M Schedules Stratford Talk

The University of Michigan Extension Service will offer a three-part lecture series on Shakespearean plays that will be presented at Stratford, Ont., this summer.

The lectures, conducted by Dr. Philip Traci, will be held at the War Memorial Center, 32 Lakeshore road, on Thursdays, June 9, 16 and 23, at 8 p.m.

The first lecture will deal with "Richard III: Inhuman Villain or Flawed King?" "All's Well That Ends Well: Or Is It?" and "Much Ado About Nothing" will be subjects of the next two talks in the series.

Fee for the series is \$12, or \$5 for a single lecture.

For further information, write UCAE, 60 Farnsworth, Detroit 48202, or call 832-7400 or 577-4665.

Center Hosts Disco Dance

Lively and energetic Ricky Dove, who somehow manages to tape shows for TV and teach gymnastics, will direct another of his popular disco dancing evenings at the War Memorial, 32 Lakeshore road, on Saturday, April 23, at 8 p.m. in the Center's Crystal Ballroom.

Everyone is invited, couples, dates, parties and singles. The cost is \$4.50 per person and refreshments are available.

The sum of your endeavors depends wholly on whether your calculations were based on cold facts or imagination.

Methodist Altar Gets New Look

On Easter Sunday, April 10, Grosse Pointe United Methodist Church, 211 Moross road, will dedicate new white paraments. The altar, pulpit and lectern antependiums were created by Marion P. Ireland, noted ecclesiastical designer of Glendale, Calif.

The designs are executed on white monk's cloth in pastel hues taken from colors in the windows of the sanctuary. The shapes of the hangings are related to the arched beams in the nave.

A variety of embroidery stitches in metallic and silk threads add a tapestry effect to the silk and leather appliqued pieces, giving depth and texture. Overlapping produce blending colors and forms.

White paraments are used at Christmas and Easter, as well as for weddings and memorial services. Depicted in the designs are events of Jesus' birth celebrated at Christmas and Jesus' death and resurrection at Easter.

The main symbols of Christ-mas of the rude manger in which Christ was laid and at Easter the cross on which he died are linked on the altar antependium by the empty tomb.

The Iota Chi, the star-shaped figure in gold leather, is superimposed, spreading its radiance, victorious over death.

At the left is the manger, glowing with the "Light of the World" formed by the nimbus, an ancient emblem of divine power. The star above the manger and the sceptre are reminders of the Old Testament prophecies: "There shall come a Star out of Jacob, and a Sceptre shall rise out of Israel..." (Num.

bers 24:17).

In Christian art, stars are used to refer to the promised coming of Christ. The stars on these paraments are circles, which also declare the eternity of God. The Sceptre or staff at the left of the manger recognizes the sovereignty of Jesus for those of royal or imperial authority carried a sceptre in ancient times. The sceptre finial is a Cross Patee, the eight points symbolize the Beatitudes.

At the right of the empty tomb is the stone that was rolled away, and the cross of Calvary, bearing the draped garment of the crucifixion. A chalice emerges from the shadows of the cross, referring to the redemptive event of the crucifixion.

The Nativity subject is repeated on the pulpit antependium and the Resurrection theme on the lectern. On the lectern the cross is superimposed by the radiant monogram signifying the risen Lord.

The circular shape which was the stone that was rolled away on the altar design now represents the world, the darker shapes, shading to light, so that "people that walked in darkness have seen a great light." (Isaiah 9:2).

Austin Honors Top Athletes

Austin High School honored its athletes on Monday, March 28, at its annual winter sports banquet. Most valuable player awards were given out in each of the four winter sports.

In swimming, senior Hessburg received the MVP award for the third straight year. Rich Counsman received the MVP award for basketball and football.

Receiving the MVP award in bowling was junior captain Tony Yearago for the second straight year. Jeff Weipert received the bowling program's bowler of the year award carrying a 170 league average.

Junior Bob Rahaim received the MVP award in hockey, while sophomore Kevin Knight placed on the Michigan Metro Hockey League's first team. Dave Baratta and Bob Rahaim were named to the league's third team. Receiving honorable mentions from the league were Jerry Shiner, Dan Sahutsky and Ken Knight.

Hessburg broke the state record in the 100-yard breaststroke and was runner-up in the state finals in that event. He also was named All-American.

NHS Thinclads Capture Two Relays, Set Records

By Diane Marsteller

The North High School track team has started its season in first place. The Norsemen won the Huron Relays at Eastern Michigan University on Saturday, March 26, with 45 points, then traveled to Michigan State University to capture first place in the Spartan Relays on Saturday, April 2. The Norsemen totaled 53½ points at MSU.

Coach Tom Gauerke was very pleased with both of the wins because a North team hasn't won either of these meets since 1970.

Along with the team's win at the Huron Relays came a first place and a new meet record from Joe Claravino, Darrell Graham, Dan Beck and Bill Weidenbach in the distance medley at 10:29.6.

The Norsemen had two second places in the mile run with Weidenbach at 4:21.6, and in the two mile relay with Karl Tech, Ed Hammer, Mark Kennedy and Steve Brandt at 8:21.3.

Ken Humes was third in the high jump at 6'2". In fifth place was the sprint

medley team of Tech, Bob Roberts, Carl Weber and Beck at 3:43.7. In fifth place also was the shuttle hurdle relay team of Neil Buchanan, Joe Sayce, Bob Brown and Brian Patman at 29.7.

Contributing to the Norsemen's total was the 880-yard relay team of Roberts, Weber, Tech and Graham in seventh place at 1:37.3.

The Norsemen competed against 50 other teams at the Spartan Relays, but finished on top because 16 of its 19 athletes scored points in 10 of the 15 events.

Norsemen thinclads won the distance medley relay setting a new Michigan record at 10:17.1.

Claravino ran a 2:02.9 half mile, followed by Graham who ran a 51.9 quarter mile. Then the baton was handed to Beck who ran 3:08.4 for ¾ of a mile, and finally it went to Weidenbach who ran a 4:13.8 mile giving the team the fastest time this season in the U.S. by a high school squad.

Weidenbach also won the mile run at 4:16.4 giving him the athlete of the meet title because of his dual wins.

Humes finished in second place in the high jump setting a new school record at 6'6". In second place also was the two-mile relay team of Tech, Hammer, Kennedy and Brandt at 8:18.8.

In the 60-yard dash Roberts was third at 6.5. The 880-yard relay team of Roberts, Weber, Tech and Graham finished in fourth place at 1:34.8. Buchanan, Sayce, Brown and Patman tied for fourth in the shuttle hurdle relay at 29.7. In fifth place was the sprint medley relay team of Brown, Weber, Graham and Beck at 2:31.9.

The mile relay team of Weber, Tech, Claravino and Beck finished sixth at 3:33.8. Joe Vier finished eighth in the long jump at 19'11¼".

The Norsemen are off to a good start and will be competing in Mansfield, O., in the Mansfield Relays on Friday-Saturday, April 15-16.

Stations of The Cross Service Planned

A Stations of the Cross Service will be held on Good Friday evening, April 8, at Saint Paul Evangelical Lutheran Church, 375 Lothrop road, at 7:30 p.m.

The service will include musical selections, (vocal and instrumental), for each of the seven stations and a dramatic monologue. Dismas, the thief on the cross, will be given by Pastor Hal Blay, interim associate pastor at Saint Paul, who also wrote the service itself.

"The version of the Stations of the Cross which we are using is derived from several ancient liturgies," said Pastor Blay, "and are backed with both contemporary and traditional music to enhance their meaning to our modern world."

Various voices from the Passion History also will be employed to make the service more meaningful. Sara Bowles, John Myers, Scott Dornbrock, and Kebbie Blough all

have major speaking roles. The Chavirin Singing Group and instrumentalists from First English Lutheran

Church, Grosse Pointe, will provide contemporary music, including "Bold Peter," "I Don't Know How to Love

Him" and "Somebody Touched Me."

Kathy Wesseling, Kim Judson, Dan Ellison, Meredith Longley, Janet Edwards, John Ulmer, Linda Ford, John Ford, Nathan Judson, Lisa Thomas and Suzanne Thomas are all members of the Chavirin Group.

Traditional music will be provided by Dave Fox, Saint Paul organist, Paul Niehaus, drummer, and Albert Cain and Bill Christofferson, soloists.

An integral part of the service will be the hooding of the altar crucifix and processional cross and the extinguishing of the lights to dramatize the meaning of Good Friday.

Pastor Ken Lentz, senior pastor at Saint Paul, will be the liturgist and conduct the litany of the cross.

Easter services will be held at Saint Paul at 7 a.m. and 11 a.m. on Easter Sunday, April 10. Special music will be featured at both services.

Here's a Plant That Reacts

A plant that moves when you touch it? You bet! It's called the Sensitive Plant, (Mimosa pudica), and it curls up its leaves when touched.

A great favorite of small children, the Sensitive Plant grows best in warm temperatures: 80 to 85 degrees F during the day, 62 to 65 degrees at night. It also prefers moist soil and higher than normal home humidity.

Michigan State University Extension horticulturists suggest that the best way to provide this combination of conditions is to grow this tropical plant in a large terrarium or a warm kitchen or bathroom.

Place the plant where it will get bright light from a sunny window. If it is in a

terrarium, do not place it in direct light. Sunlight shining through the glass container would raise the temperature inside so high that the plant would be literally cooked to death.

To keep a Sensitive Plant from getting leggy and straggly looking, prune it occasionally.

In the home, Mimosa pudica is grown as a foliage plant. In the tropics, where it grows wild as a weed, it bears flowers that look like powder puffs.

Propagate the Sensitive Plant by seeds. To make it easier for the seeds to germinate, scratch the outer seed coat with a fingernail or knife or pour boiling water over the seeds to loosen the hard shells.

An active mind in an active body is a great aid to longevity — particularly for pedestrians.

Some of our politicians would be more successful if they had better terminal facilities.

Pointers Win Music Honors

Out of 31 events entered by music students from South High School at the recent State Solo and Ensemble Festival in Flint, 23 first division honors were awarded.

South students earning the honors were Julia Berry and Mickey Kemp on viola; Sue

Ulmer, string bass; Peter Meleitzke, piano; and Ann Rabideau, Nancy Sultman, Pat Blenman, Abby Frame, Emily McIntyre, Kelly Bernard and Katie Walton, all flautists.

Others are Eric Peabody and Jay McCormick, clarinet; Barbara Gabhart and Patty Murphy, bassoon; Christine Carmell, baritone saxophone; and Jean Beaudoin, Ted Pethick and Christopher Greiner, trumpet.

Ensemble first were awarded to Valerie Kvale and Chris Kallardos for a violin duet; Abby Frame and Emily McIntyre, flute duet; Nancy Sultman, Kelly Bernard, Ann Rabideau and Katie Walton, flute quartet; and Mike McBrearty and Ken Klein for a trumpet duet.

South flautist Katie Walton was singled out by her judge as the outstanding performer of the day in that section.

This honor entitles her to audition for one of five soloists picked statewide for performances at the Youth Arts Festival in May.

GOUSEN AWARDED

Woods resident Edward C. Gousen, of Roslyn road, has been awarded the Residential Member designation by the governing council of the American Institute of Real Estate Appraisers. Mr. Gousen is a member of the Real Estate Alumni of Michigan, the Graduate Realtor Institute and the Detroit Board of Realtors. He is an alumni of Wayne State University.

One View from the Capitol

By William R. Bryant Jr.

The transportation plans for the southeast Michigan region now being considered by SEMTA, (Southeastern Michigan Transportation Authority), are of great significance to the future of our region.

The SEMTA board has narrowed consideration to four different plans, varying from already planned, continued expansion of regional bus service all the way to subways.

I have tried to keep an open mind as to subways or other forms of so-called "heavy rail" transportation but the recent experiences of San Francisco and Washington, D.C., really scare me. It isn't even the incredible construction costs which scare me most. It is the operational costs, the costs per passenger mile, which scare me the most.

To complicate matters fur-

ther, other plans have been published by the area road commissions and by Oakland County.

Each of the four "finalist" plans being considered by SEMTA include a downtown Detroit people mover system. I concur in this. I think it is a worthwhile project and would bring together, and make more functional, the entire downtown area.

Each of the SEMTA plans also includes expanded bus service throughout the region though the nature and degree of coverage will vary depending on other components.

The big capital cost items, other than purchase of buses, which are a p p r o a c h i n g \$100,000 per bus now, are the various rail systems being considered.

Oakland County and the road commissions, as well as certain options of the SEMTA plans, propose updating the existing railroad track from downtown to Pontiac and to Ann Arbor and providing better and more frequent railroad passenger service.

Some of the SEMTA proposals include "light rail" service out Gratiot as far as 15 Mile road and out Woodward as far as 16 Mile road. These would be new versions of rail street-cars.

The most costly version calls for "heavy rail," either subway, ground level or elevated, and could even utilize monorail for an elevated system. Such "heavy rail" would be out the Woodward corridor to Eight Mile, and out the Gratiot corridor to Con-

nor. Although it is up to the board of SEMTA to make the decision on a regional plan for submission to federal transportation officials, its choice will affect all of us and further will affect me because the state legislature will be called on to approve aid or funding mechanisms.

My personal choices to date are really a combination of elements from some of the proposed plans.

My preference is (1), to update the rails and increase rail passenger service on existing railroad rights-of-way to Pontiac and Ann Arbor, (2), to provide express bus service to Mount Clemens and Pontiac, (3), to provide some high level, low or free fare, service from downtown to the New Center area, either bus, people mover or even monorail, (4), to greatly increase regional bus service, and (5), to encourage private enterprise marine service from Metropolitan Park to Belle Isle, downtown, Windsor and perhaps further to Grosse Isle and Wyandotte.

I need to know your views.

GPFA Seals Take Crown

The Grosse Pointe Hockey Assoc. held its Mite Division playoff's over the past two weeks, with the Seals, coached by Dave Dennis and assistants Jack Blum and Key Roy, coming out on top.

The Seals, regular league champions with a 14-2-2 record, did not have an easy time of it in the playoffs.

After dropping the first game to a strong Blue team, 1-0, the Seals defeated a tough Ranger team, 7-3. Goals were scored by Danny Spitz, Matt Dennis, Andy Roy, Jason Bessert, and a three-goal performance was put in by William Fitzsimons.

Assists went to John Birgauer, Brian Francis, Brian Brooks, David Olson, Mike Semack, Ben Paolucci and Link Bessert.

The Seals next opponent, the Sabres, were stopped 2-1, with goals scored by Fitzsimons and Birgauer.

The fourth game of the tournament was a marathon for the Seals as they battled the Blues to a 1-1 tie in four overtime periods. The game was re-scheduled for Thursday, March 17, and was again forced into overtime when neither team could score during the regulation period.

The Seals finally won on a goal by Birgauer with three minutes left in the overtime period.

In the finals, the Blues stopped the Flyers 4-1 and 3-0 in back-to-back games.

Members of the Seals team include Jason and Link Bessert, Birgauer, Brooks, Dennis, Ted Evans, Fitzsimons, Francis, Ben and Tom Guiney, Rick McBrien, Olson, Paolucci, Roy, Eric Schaeper, Semack, Spitz and Dominic Vitale.

ULS Sponsors Trip to Spain

Luis Gomez is organizing his fourth summer trip to Salamanca, Spain, for high school students from the metropolitan Detroit area.

This special program is designed for a limited number of students and provides an excellent opportunity to learn Spanish, to see the country and enjoy the native hospitality, as well as to acquire insight into Spanish art and culture.

Mr. Gomez is the president of the War Memorial Spanish Club for the third consecutive year and is a teacher at the University Liggett Upper School. He has degrees from the University of Murcia, Spain, Jacksonville University and Middlebury College, and has been teaching Spanish to high school students since 1963.

Among the "highlights" of the students' trip will be three and a half days spent in Madrid, visiting the Royal Palace, the Prado Museum, the Royal Armory, a Flamenco Fiesta and a bullfight at the famous Plaza de Toros de Madrid. In addition, they will tour the cities of Toledo, Avila, Segovia and Guernica.

Salamanca is the "home base" where the students will live in private homes where no English is spoken.

The Royal Palace in Madrid was built in the latter part of the 18th century by King Charles III, and was used as the residence of the

Spanish royal family until 1931. It has 2,800 rooms, each decorated from a different period with a fine collection of antique furniture, tapestries and art masterpieces by El Greco, Goya and Velasquez.

The Prado Museum has been in existence since the beginning of the 19th century and is believed to be the best art museum in the world.

The Flamenco Fiesta is held in an old building in downtown Madrid, where dancers from Andalusia perform nightly in colorful native costumes, accompanied by castanets and flamenco guitars.

Summer is "bullfight season" in Spain, and the students will visit the most "prestigious" bullfight ring in the country, the Plaza de Toros de Madrid.

For four weeks the students will live with "host" families in Salamanca. It is said that the "purest" Spanish in the world is spoken in Salamanca, and it is the home of one of the oldest universities in the world, founded in the year 1214. Classes will be held there each morning and credits may be earned by completing a final exam.

One of the trips the students will make is a visit to the historic city of Toledo, south of Madrid. El Greco, the famous artist, made his home here for 37 years.

Students will also take full-day excursions to the cities of Avila, Segovia and Guernica and will visit the Valley of The Fallen near Madrid.

Further information concerning this year's trip may be obtained by contacting Mr. Gomez, University Liggett School, 1045 Cook road at 884-4444 or 778-9751. Applications must be in by Saturday, April 30.

SH Musicians Get Good Marks

For the first time in the school's history, three South High School instrumental music ensembles received first division ratings at District Band and Orchestra Festivals in early March.

The Wind Ensemble was the only group at the Livonia festival to receive all first ratings. The Symphony Band won firsts from three concert judges and a second place rating in sight reading.

The Symphony Orchestra, competing in Dearborn Heights, also received straight first division ratings.

The South Bands and Orchestras are under the direction of Russell Reed.

A Commendable Effort

The effort toward a community-wide program focusing upon child safety with an emphasis upon molestation and a uniform Emergency "E" plan throughout The Pointe-Harper Woods area is a decidedly commendable one.

This program, while an outgrowth of the development of a total safety-oriented program within the classroom by Youth Service Division, (YSD), Det. Patrick Fagan and Woods Traffic Safety Officer Paul Crook late last year, has been given even greater emphasis on a local level because of the tragic murders of youngsters in Oakland County.

Intensified through the effort of Woods Det. Lt. Jack Patterson, YSD supervisor in the detective bureau, and given a willing go-ahead by Woods City Administrator Chester E. Petersen, YSD coordinator, the program will be handled by the division.

The YSD, actually, is the ideal vehicle for such a program because it serves, and is funded by, all the Pointes and the School Board. The NEWS totally agrees with Mr. Petersen when he says, "This is another example of how the YSD can better serve all the Grosse Pointes collectively."

An initial focus of the plan has been the distribution of some 6,500 pamphlets providing specific information on the child molester for parents including rules for personal safety which adults should discuss with youngsters.

At the same time, an effort is being made to begin a uniform Emergency "E" program on a Pointe-wide basis where willing participants, (after they pass a record check by local police departments), will display a big, red "E" in their front window. Homes displaying the card will become a place of safety for a youngster in trouble.

What is needed to make this program a success is the consistent and unified support of all Pointers, not only those involved within the school system in various capacities, such as PTA-PTO groups, and those who are members of local police departments.

The schools and police have already indicated their support of the plan which offers an exciting potential for development in the areas of child safety, in particular, and law enforcement, in general—hence, toward the well-being of the entire community.

While much work remains to be done, the opening phase of what appears to be a productive program is underway. The NEWS wishes all those who are currently involved, and those it hopes will become involved, its very best in this unified, total community venture. R.A.W.

MHS Views Easter Pets

While baby chicks, ducks and bunnies may be cute and cuddly, grim statistics indicate that 90 percent of such pets are either maimed or dead within one week after Easter, reports the Michigan Humane Society, (MHS).

The few surviving rough play are either rejected later or disposed of because of zoning restrictions. The society notes it cannot find new homes for unhousebroken chickens, multiplying rabbits or ducks, even if they are named after cartoon characters.

Easter pet sales are restricted by state and local ordinances in many communities in the greater Detroit area. Despite this, each year a few unscrupulous merchants attempt to evade the law and distribute such pets.

Previous subterfuges include "leasing ducks," giving them away in quantities larger than six and dying pets as toys, says the organization.

The society urges everyone's cooperation to make this year a humane Easter and suggests chocolate pets as a more palatable substitute for the occasion.

No, it's not the Avon lady. Actually it's just Charles Daas Jr., of Washington road, who specializes in delivering delicacies door-to-door. Namely, the "New York Times" and fresh baked coffee cake. Charles will deliver the paper and pastries every Sunday for \$3.50. He's trying to earn \$300 to go to Europe with his scout troop next summer.

Enterprising Lad Offers More Than Just The News

By Tom Greenwood

Ah, there's a lot to be said for decadence. To roll in bed on Sunday mornings, reading the "New York Times" while sipping hot coffee and nibbling freshly baked croissants. Sigh.

For the mere sum of \$3.50, this economy size package of paradise can be yours, according to Charles Daas Jr., of Washington road.

Charles, 12, a member of Grosse Pointe Memorial Church Boy Scout Troop 96, is the pudgy entrepreneur behind the "Sunshine Express," a newspaper route with a delicious difference.

On Sunday mornings, rain or shine, he'll deliver a fresh "New York Times" to your door, accompanied by fragrant, hot croissants, or savory coffee cake.

Charles is delivering the goods to earn \$300 towards a trip to Europe with his scout troop next year. "The fee for each scout is about \$700," said Charles Daas, Sr. "Half the fare will be raised via unit activities, such as paper drives and car washes. The remainder will be earned by the boys themselves."

"We were wondering how to raise the money and capture people's imaginations, when my wife Mary came up with this idea. We run out for the Times every Sunday, as do a lot of people. In the east, they have a delivery service complete with baked goods, so why not here?"

Mr. Daas has made arrangements for the papers to be delivered en masse Sunday mornings to the Daas home, while the baked goods will come from Josef's Bakery, which will prepare them that day.

Since mom and dad will chauffeur Charles on his route, the service will be open only to residents of the

EXPERIENCE

It's paradoxical, but cold feet in many cases are the direct result of burned fingers.

by Jerry Valente

The sentiment of May's birthstone, the emerald, is love. Indeed, the stone was dedicated to Venus, the goddess of love. Women born in May are supposed to have great happiness in love and marriage. Cleopatra herself had a fabulous collection of emeralds mined from Egypt. The precious emerald heads the beryl species of mineral. Its green color was once thought to cure bad eyesight. Unlike other gems, the emerald retains its color in any light—whether indoor or outdoor, natural or artificial. Most emeralds contain a network of tiny cracks which the French call "the garden of emerald." Emeralds without these flaws are exceedingly rare, but they do exist in a few collections.

Thinking of giving someone special a birthday gift next month? Then think of us at VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800, where you will find beautiful jewelry in all price ranges to suit your personal tastes. You can have engraving done right here on the premises to add that personal touch to that special gift. We have been designers of fine jewelry since 1934.

GEM FACT:

Chatham emeralds are synthetic stones grown from the beryl mineral. They are expensive, but much less so than the natural gem.

What Goes On at Your Library

By William T. Peters,
Director of Public Libraries

If Robert Morley, the jovial, portly pitchman for British Airways, has his way all of us will journey to Britain this year to join in celebration of the 25th anniversary of the reign of Elizabeth II.

Certainly England has much to offer the visitor and London, the greatest city of the British Commonwealth, seems to be the logical place to start this brief "book tour of England."

COLOURFUL LONDON, described by A. N. Court, (Jarrold and Sons, Norwich, 1971), is an illustrated description of London's principal points of interest. The main text is in English with identification of the 85 photographs it contains given in English, French and German.

Lacking an index, or even a table of contents, the book serves mainly to whet one's appetite to learn more about this unique capital city that pestilence, fire or enemy bombs could not destroy.

Of all the castles in the world Windsor Castle offers the most familiar image. To westbound air passengers leaving London's Heathrow Airport, the castle's outline and roofscape, its whole plan, courts and towers and terraces, stand revealed.

Alfred Leslie Rowse has written an historical record on the structure entitled **WINDSOR CASTLE IN THE HISTORY OF ENGLAND**, (Putnam, New York, 1974).

William the Conqueror began this stupendous royal fortress at about the same time that the Tower of London was begun in 1078. Enclosing nearly 13 acres, it is the largest castle in England.

Standing on a hill of chalk near the Thames, it was originally built to guard London's approaches. The castle has grown continuously since it was established. Edward III considerably enlarged the royal apartments in Upper Ward and founded Saint George's Chapel for the Order of the Garter in 1348.

An immense amount of restoration and embellishment was undertaken under George III, George IV and Victoria, and much of what is seen today is the creation of this period. Henry VIII was much attached to Windsor: his shade looms large over the place and its folk.

He built the main gate into the castle, and is buried there with his favorite Queen, Jane Seymour. Some 80 black and white and 16 color illustrations add to the book's interest.

THE BEST OF ENGLAND by Garry Hogg, (Argo, 1974), is the author of nine other books on different aspects of England. He has now made a carefully selected choice of places that should not be missed by the visitor who has only two weeks or so to spend.

London is the inevitable starting point. Then he takes off to the provinces and countryside to see the great castles and stately homes, Oxford, Cambridge, Durham, Stonehenge, Stratford-upon-Avon and much more.

Half of this 104-page book is made up of beautiful colored photographs. While a Hogg's book only skims the surface, it skims beautifully.

A book that limits its scope to a section of England known for its beauty and attraction for visitors is **WARWICKSHIRE** by Vivian Bird, (Batsford Ltd., London, 1973). Stratford-upon-Avon, Compton, Wyngates, Kenilworth Castle, Henley-in-Arden, Ragley Hall and Warwick—these are the places traditionally associated with Warwickshire.

Yet as the author, a journalist, broadcaster and lecturer, shows in this book, the country has much more to offer than the ordinary tourist ever sees. With its 31 excellent illustrations and map this is an original and delightful contribution to the bibliography of Warwickshire.

Robert Browning in his work **HOME THOUGHTS FROM ABROAD** summed up the lure of England in this way:

*Oh, to be in England
Now that April's there,
And whoever wakes in England
Sees, some morning,
unaware,
That the lowest boughs and
the bushwood have
Round the elm-tree bole
are in tiny leaf,
While the chaffinch sings on
the orchard bough
In England—now!*

Musicians Win State Honors

North High School's Band and Orchestra instrumentalists scored a resounding success at the State Solo and Ensemble Festival sponsored by the Michigan School Band and Orchestra Assoc. Saturday, March 26, at Flint Southwestern High School.

Of the 46 events North entered, 35 earned First Division ratings or passed the proficiency level. Proficiency levels are successively more difficult, with Proficiency Three being the most advanced.

Five North students passed Proficiency Three including Mary Huettman, flute, David Thomas, trumpet, Karen Montauk, flute, David Reed, violin, and David Paton, percussion.

Proficiency One scores were earned by Pamela Thomas, clarinet, Kathryn Thomas, flute, Meredith Longley, clarinet, Ann Willison, oboe, Beth Ferguson, flute, and Michael Reed, horn.

Others scoring were Karen Fine, clarinet, Monica Bodendistel, flute, Mary Clare Toiffanetti, flute, Sarah Gall, violin, Kenneth Clein, trumpet, Susan Saelen, flute, and Betsy Sweet, flute.

In the Solo Division, open only to ninth grade students, Nancy Ambrose, oboe, earned First Division.

Christ Church Offers Rites

Christ Church, 61 Grosse Pointe boulevard, has announced a full schedule of rites in observance of Easter Holy Week.

Good Friday, April 8, will be observed with a 10 a.m. contemporary litany, a litany and reading of the passion and sermon at 1 p.m. and the Mozart Requiem at 8 p.m. The Easter eve lighting of the new fire and the first celebration of the Holy Eucharist on Saturday, April 9, will begin at 5:30 p.m.

Easter day rites will begin with the 7 a.m. Dawn of Easter service with full choir and sermon. At 9:15 a.m. the Holy Eucharist and a sermon will be offered, and at 11:15 a.m., the congregation will begin the Festival Celebration of Our Lord's Resurrection with full choir and sermon.

For further information, call the church at 885-4841.

Single Parents Meet April 8

Parents Without Partners, (PWP), Inc. celebrated its 20th birthday on Monday, March 21. Gov. William G. Milliken recently presented members of PWP with a birthday present by issuing an executive declaration designating the week of March 20-26 as "Parents Without Partners, Inc. Week in Michigan."

PWP is an international non-profit, non-sectarian educational organization devoted to the welfare and interests of single parents and their children. It was incorporated in the State of New York in March 1957, and now has chapters in every State of the Union, Canada and Australia. Its program and activities are entirely the volunteer work of members of PWP, Inc.

In local PWP news, Grosse Pointe Chapter 192 of PWP has elected the following new officers for the coming year: President, George Seeley; vice-president, Casey Ayotte; treasurer, Kay Waddington; recording secretary, Barbara Burke; membership director, Dorothy Brannon; program and education director, Al Van Horn; family activity director, Marcia Powell; and adult activity director, Thelma Pollard.

More are community service director, Mildred Pierce; newsletter editor, Ann Billing; publicity director, Rita Stauffer; discussion director, Mary Brush; member service director, Lotus Bischoff; and hospitality, Fran Tichenor.

The general meetings of the Grosse Pointe chapter are held on the second and fourth Fridays of the month at the War Memorial, 32 Lakeshore road. Coffee and conversation begins at 7:30 p.m., the business meeting and program at 8:30 p.m. and afterward, (place to be announced), at 10 p.m.

The speaker for the April 8 meeting will be Clyde Hipwell, former president of the Warren Chapter of PWP. He will present the "ins" and "outs" of PWP and tell what it all about.

To be eligible for membership in PWP, a person must be the parent of one or more living sons or daughters, and be single by reason of death, divorce, separation or never married, or other reason which may be deemed acceptable by PWP International.

Custody of children is not a factor of eligibility.

Peoples' manners are mirrors — they enable many others to ascertain your true character.

Leave it to Addie (Mrs. Russell E.) Bauer, of Lakeshore road, to take on something big—and it's hard to find anything bigger than the first-of-its-kind Heritage Ball, slated to open Michigan Week observances in the Detroit area Sunday, May 15.

Consider: THIRTY—count 'em!—metropolitan Detroit ethnic groups have pledged their support and promised to participate in the event.

Consider: Governor William G. Milliken and Detroit Mayor Coleman A. Young have agreed to serve as honorary co-chairmen.

Consider: ethnic entertainment will be featured every half-hour in the Detroit Plaza's Renaissance Ballroom, where the party will run from 7 to 11 in the evening.

The ethnic "acts" will alternate with American dance music, and there'll be Heritage Gift Shops where guests can purchase items from different countries, and there'll be refreshments, and everyone is encouraged to dress for the occasion, preferably in ethnic finery.

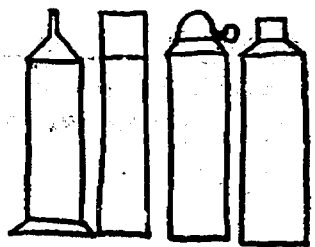

It promises to be quite a party, fitting climax to a Heritage Day celebration of Michigan's contributions to the cultural, economic, ethnic pride and historical growth of America.

It's Addie Bauer's baby, and like all veteran chairpersons she knows that the FIRST thing you do when you tackle a project of this size is pull together the finest committee you can get.

She got Mrs. William Bundesen, Mrs. Thomas G. Girard, Mrs. Jerome Johanningsman, Mrs. Norah Martin and Mrs. Herman P. Sattler. We'd say she's got it licked.

A. Vern Plumley is general chairman of the 24th annual Michigan Week. Mary Ball is Heritage Day chairman.

Among those participating in Heritage Ball plans are Pointers Mrs. Frank Germack, Jr., rep-

Take a Look at Detroit

A perfect way to prepare for Michigan Week, and Heritage Day, is to take a look at Detroit, and the Junior Women's Association for the Detroit Symphony Orchestra is making that very easy this year.

The Juniors' Detroit '77 Bus Tour departs from Eastland, (and from Northland, and Top of Troy Building, and Orchard Mall—but Eastland's Lot Five is the place most of us will want to catch it), Thursday, April 28, and Friday, April 29, at 9:30 in the morning.

By the time it arrives back again, at 4 each afternoon, passengers will have toured the new Renaissance Center, seen Ford Auditorium, viewed Smith, Hinchman and Grylls' solar collector, dropped in on Orchestra Hall and Smiley Brothers and the home of Colonel Frank Hecker, built in the 1890's.

They'll have had a chance to relax in Greektown: perhaps buy some baklava or stop at Old St. Mary's Church.

Not only will they know what the shouting is all about, (the word is out that the city is getting great, but suburbanites who never go downtown tend to take that information with a grain of salt), they'll probably be doing some "Yeah, Detroit!" shouting themselves.

Tour guides stationed on each bus will give the facts, past and present: a mini-course in Detroit. (Continued on Page 28)

Madrigal and Orpheus Clubs to Give Concert

The Madrigal Club of Detroit, a women's choral group, and the Orpheus Club male chorus began joint rehearsals Monday, March 28, for a spring concert scheduled for Sunday, April 24, at 3 o'clock at Saint John's Episcopal Church in Woodward avenue, Detroit.

The program's major work will be Mozart's "Coronation Mass," with solos by members of both clubs and string accompaniment by Cass Technical High School musicians. Each group will perform separately during the first half of the concert.

The Orpheus and Madrigal Clubs, founded in 1911 by one man, Charles Frederick Morse, appeared together on stage for the first time since 1950 this past Christmas season, performing Handel's "Messiah" in the Scottish Rite Cathedral.

Charles Gleason is director of the Madrigal Club. Dalos Grobe conducts the Orpheus Club. Ticket information may be obtained by contacting Cleo Hamilton at 645-0663.

Yachtswomen Meet April 14

Yachtswomen will hold their April meeting next Thursday, April 14, at 8 in the evening at the Shorian Inn, where the business session will be followed by a workshop in which members will design and construct favors for their annual spring fashion show, to be presented this year Saturday, April 30, at the Detroit Yacht Club.

Hostesses for next Thursday's meeting are Catherine Weinberg, chairman, Angeline Walsh, Beatrice Burke, Meg Burke and Jib Wampler.

Proceeds from the fashion party, to begin with a noon luncheon, will, in keeping with Yachtswomen's aim to promote boating and boat safety, be contributed to ongoing boating and water safety projects.

Show chairman is Theda French. Ticket chairman is Sally Romaniuk. Maxine Logan is handling reservations. Prizes' chairman are Bobby Jurkewicz, Florence Westby, Bette Savage and Helen Jean Reichling.

Grand Marais Club to Meet

The Grand Marais Garden Club will meet Monday, April 11, at the Fleetwood drive home of Mrs. Don Miller for a noon luncheon and a talk on "Planning Your Garden" by George Meldrum, of Vienne Nursery and Landscape Company.

Mrs. Miller's co-hostesses are Mrs. John Cook and Mrs. Clinton Hardy.

Detroit Garden Center To Present Workshop

Michigan State University's Robert Kelly will discuss "Getting a Head Start in Your Garden" today, Thursday, April 7, in a workshop program beginning at 10 in the morning at the Detroit Garden Center located in the Moross House in East Jefferson avenue.

Sowing techniques, transplants as a time saver and types of plants to use are some of the topics to be covered and demonstrated. Mr. Kelly also will describe seed propagation techniques.

The workshop is open to the public. Registration fee is \$2, and each participant is asked to bring a sandwich. Beverages will be provided.

Mr. Kelly will present a second workshop Tuesday, May 3, on "Putting It All Together," covering planting times, general garden maintenance, time savers and general care techniques.

ABWA's Belle Biscayne To Choose Its Finest

Belle Biscayne Chapter of the American Business Women's Association has scheduled its next regular meeting for Thursday, April 21, at the Polish Century Club, where guest speaker will be Mitchell Ratusniak, of Seagram Distillers, Southfield, and vocational speaker will be Audrey Hesson.

Members gather at 6:30 in the evening. The chapter is choosing its "Woman of the Year," who will be eligible for ABWA's 1977-78 Top Ten Business Women awards.

Current ABWA membership throughout the United States and Puerto Rico stands at over 88,000. Many Belle Biscayne members plans to attend ABWA's regional meeting, to be held April 15 through 17, Friday to Sunday, in Fort Wayne, Ind.

Let's Talk Real Estate

by John E. Brink

Whenever we are invited to inspect one of our magnificent Grosse Pointe homes — and after we've seen its spacious, well kept lawns, its huge rooms and the ample accommodations for family and guests, we realize that this is exactly the kind of home every ambitious couple should own.

Its impressive size, its location in one of the nation's most affluent communities and its proximity to World-famous neighbors lends prestige and an aura of success to every member of the family.

... but after the youngsters have left to start their own little families, when the working days are over and "prestige" and "business connections" are no longer needed, should the man and wife continue to occupy and maintain a residence which has become too large — and maybe too costly and burdensome for their needs?

We don't believe its wise, particularly when we can sell the home quickly, and at a surprisingly big profit. Furthermore, we'll locate the exact type, style, size and price home you'd be most comfortable with, and in the neighborhood of your choice!

Call us for a free appraisal and a pre-view of some of the smaller homes on the Grosse Pointe market. You'll be pleasantly surprised with the variety available — and the profit you can add to your bank accounts!

Sneak Preview Set at Summit

The first fund-raising event of the newly-formed Auxiliary to the American Diabetes Association-Michigan Affiliate, chaired by Mrs. Lee Iacocca, will be a "sneak preview" of the Summit, the revolving restaurant and lounge atop the Detroit Plaza Hotel, set for Sunday, April 17, the eve of its public opening.

The benefit will feature cocktails, hors d'oeuvres and entertainment by Susan Reed and her Singing Strings.

Proceeds will go to the Diabetes Association's programs of diabetes research funding, education of patients, health professionals and the general public, free diabetes testing and Camp Midicha, a medically-supervised summer camp for children with diabetes.

Salvation Army Ladies To Have 'Spring Fling'

The Auxiliary to the Salvation Army will have a "Spring Fling" Friday, April 29, at the Detroit Athletic Club, where festivities are scheduled to begin at 11 o'clock.

Luncheon will precede a fashion show including coiffures and make-up by Jacobson's "The Complete Woman." Tony Dannon will provide the musical accompaniment. Prizes will be featured.

Reservations, at \$25 patron, \$15 sponsor or \$10 individual, may be obtained by contacting chairman of the day Mrs. John Ganschow at 355-0282.

Mrs. Ganschow's co-chairman is Mrs. Robert Gerisch. Mrs. Roy Edwards is in charge of the fashion portion of the program.

Party proceeds will go to support the 14 Salvation Army Corps in and around metropolitan Detroit.

Seek Summer Host Families

Michigan families are needed to host English-speaking European teachers as guests in their homes for a seven to 10-day period this summer via a program sponsored by The American Host Foundation.

American Host is one of the few nonprofit, nongovernmental programs designed to show the American way of life to foreign visitors by pairing them with American families.

It is a nationwide home hospitality program, endorsed by the Department of State.

Now in its 16th year, American Host has opened doors to better understanding for more than 10,000 European teachers who have passed on their new understanding of America to their students, colleagues and friends when they returned to their homelands.

Being a Host Family is open to anyone who has the desire to increase understanding and friendship between Europeans and Americans.

Host Families are required to provide a private room and meals for their guest and to give the guest the opportunity to meet friends and neighbors and see local sights of interest.

American Host Foundation arranges all transportation, but Host Families are asked to meet their visitor upon arrival in the area. Visitors and Host Families have the opportunity to correspond for at least a month prior to the visit.

Anyone interested in being a Host Family or learning more about the foundation's

Spring Offers Eight 'Choices'

A new series of courses and workshops begins this month at Choices, the women's resource center located in Hampton road in Grosse Pointe Park.

Job Hunting, a realistic approach, will run for four weeks on Thursdays, April 28 to May 19, from 1 to 3 o'clock.

Assertiveness I, in which participants learn to be effectively and reasonably firm, will run for four weeks on Mondays, April 18, to May 8, from 9:30 to 11:30 in the morning.

Assertiveness II, further development of Assertiveness I, will run for four weeks on Tuesdays, April 19 to May 10, from 9:30 to 11:30 o'clock.

Cost for both Assertiveness programs is \$10. Also offered at \$10 is Active Listening, (learn to spot key words and feelings in conversations), scheduled for four weeks on Tuesdays, April 19 to May 10,

from 9:30 to 11:30 o'clock. Life Planning will take a look at options, careers and interests for four weeks on Wednesdays, April 20 to May 11, from 12:30 to 3:30 o'clock. Cost is \$20.

A four-week workshop on Gardening will focus on organic gardening, terrariums, bonzai and houseplants on successive Wednesdays April 20 through May 11, from 9:30 to 11:30 o'clock. Each item may be taken individually. Cost per program is \$5.

Two single-session programs have been scheduled for Tuesday, April 26. How to Write Publicity for Women's Organizations will run from 9:30 to 11:30 in the morning. Resumes: New Thinking on Resume Writing, from 1 to 3 in the afternoon. Cost for each is \$4.

Baby sitting is available for all sessions. More information may be obtained by calling Choices, 330-6048.

DSO Presents Cabaret Pops

Trumpeter Doc Severinsen and "Mr. Country-Western Piano" Floyd Cramer headline a variety entertainment bill for the Detroit Symphony Orchestra's annual Cabaret Pops series, scheduled for May 11 through 28 at the Light Guard Armory in East Eight Mile road.

The series is under the direction of the DSO's principal Pops conductor Richard Hayman.

Twelve evenings at the Pops offer musical treats for every taste, with concerts Wednesday through Saturday evenings over the three-week period.

Program features include salutes to the music of Broadway and Hollywood, the country-western field and the great dance band era. The Rackham Symphony

Choir will join the DSO and four vocal soloists for two evenings of the music of Cole Porter.

Well-known musician and radio personality Karl Haas will make his pops conducting debut with the Orchestra in a pair of concerts. Pianist Eunice Podis will be featured on another program pair.

DSO assistant conductor Philip Greenberg is slated to be on the podium for the Doc Severinsen concerts.

Drinks and refreshments will be available at all concerts. Tables seating four may be reserved for \$24 and \$20 at the Ford Auditorium box office, 961-0700, and at all Ward's and Hudson's ticket outlets.

Some single tickets at \$7 and \$6 may be available at the Light Guard Armory on concert nights only.

Giant Garage Sale Preview Is Slated

Benefit Proceeds Will Help Send Detroit Youngsters to Junior Olympics; Celebrities and Special Auctions to Be Featured

Mrs. Alfred M. Pelham and Frederick C. Matthaei, Jr. are serving as honorary co-chairmen of the benefit preview for Metro Detroit's World's Largest Garage Sale. The preview will run from 6 to 9 o'clock Tuesday, April 12, at Cobo Hall. The actual sale is set for Wednesday and Thursday, April 13 and 14.

Mrs. Pelham, a Detroit civic leader, is active with the Detroit Historical Society. Mr. Matthaei is an industrialist and chairman of New Detroit, Inc.

Proceeds from the preview will send individual and team entrants to the United States Youth Games — the "Junior Olympics" — providing funds for uniforms, equipment and transportation.

Detroit youngsters have always performed admirably at the games. Last year, approximately 70 of the 84 local athletes who participated returned home with medals, and nine team trophies were won.

Mrs. Pelham and Mr. Matthaei will be joined at the preview by a group of celebrity hosts, including former Detroit Mayor Jerome P. Cavanagh; WXYZ-TV personality and author of a book on handicrafts, "Wanna-Make-Something-Out-Of-It," Carol Duval; WXYZ-TV newsman and show host Don Haney; Detroit News columnist Charley Manos; general manager and vice-president of WXYZ-TV James Osborn; and Free Press columnist Bob Talbert, who will introduce visiting dignitaries, celebrities and entertainers.

There will be no direct sales of merchandise at the preview, although all booths will be open for viewing and

a special auction with Detroit antiques and art authorities Ernest and Lawrence DuMouchelle as auctioneers will offer some unusual donated items including an antique jukebox, flying lessons, a billboard to be used as a greeting card, a new wedding dress, a pinball machine, restaurant dinners, gift certificates, jewelry, works of art, more antiques and an extraordinary sculpture by Carrie Lederer, daughter of Creighton Lederer, director of the City's Building and Safety Department.

Her "Bigfoot" is indeed a big foot—10 feet in length and 250 pounds in weight.

WXYZ-TV's Sonny Eliot plans a special sports auction with a bit of help from such friends as U. of D. Titans Coach Dick Vitale and Senior Captain Dennis Boyd, with their presentation of Titans T-shirts and uniforms, a ball autographed by the team and a week at Dick Vitale's and Bob Lanier's basketball school this summer.

Among the evening's enter-

tainers will be the Michael Wynn Gospel Singers, the Harbinger Dance Company and Apus Four, a singing-instrumental group.

Popular singer-pianist Ami Jackson will offer a song written especially for the 1977 World's Largest Garage Sale.

Tickets for the benefit preview at \$5 each may be purchased in the lobby of the City-County Building or at the ticket office of the Detroit Institute of Arts.

Tickets also may be obtained by mail from the Department of Public Information, 608 City-County Building, Detroit, Michigan 48226, or purchased at the door the evening of the preview. Checks should be made out to the City of Detroit.

Both light snacks and a cash bar will be available.

Set Meeting At Goodwill

The Honorable Geraldine Bledsoe Ford of Detroit Recorder's Court will be guest speaker at the Wednesday, April 13, meeting of the Women's Association of Goodwill Industries.

A noon donation mini-luncheon will be served in the Goodwill Building, Brush street at East Grand boulevard, by Miss Geraldine Sellers and Mrs. James Wellons, committee members.

Judge Ford will talk, following luncheon, using as her theme a recent book by Dr. Karl A. Menninger, "Whatever Became of Sin?" Mrs. Bernard M. Segner, of Westchester road, will introduce the speaker.

Following Judge Ford's address, Mrs. Elroy Scheifele, president, will officiate at the organization's annual meeting. Mrs. A. Warren Brock, president emerita, will announce final plans for the Spring Fair, to be held in the Goodwill Building Wednesday, April 20.

Membership and attendance

Dinner and Program For Personnel Women

Personnel Women of Detroit will host Mary K. Minter, training director, Edwards Brothers, Inc., at a dinner meeting next Thursday, April 14, at the River House's Hoy Tin Restaurant.

Ms. Minter, a graduate of Purdue University with a Masters degree in Organizational Communication who has taught at the college and high school level, will speak on "Time Management for the Professional."

She has most recently been conducting workshops for business organizations on such topics as Transactional Analysis, Time Management, Management by Objectives, Business Communication and Training Needs Analysis.

The social hour begins at 5 o'clock. Guests are welcome. Reservations may be made by calling 225-2222, Line Company, 965-1816, Extension 2252.

CATCH 22 — You can go to Cuba, But you can't buy a U.S. Package

The U.S. Treasury Department has taken President Carter's order lifting the ban on individual travel to Cuba literally, sending tour operators back to the drawing board in their plans to package travel arrangements for Americans. New regulations issued by the Treasury Department allow individuals going to Cuba (provided they get a visa) to spend as much as they want there and bring back \$100 in Cuban merchandise, but the new rules do not provide for U.S. Travel companies to do business in Cuba???

A treasury official states "We have not authorized any commercial transactions with Cuba, and any travel company who gets involved in commercial transactions will be in violation of the law." See what I mean — CATCH 22.

Most any other destination in the world can be reached by contacting TRAVELWORLD, 21127 Mack Avenue (north of Vernier), hours are 9 a.m. to 7 p.m. daily, Thursday till 8 p.m. and Saturday and Sunday 10 a.m. to 2 p.m. Stop by or call for further information 882-8190.

Detroit Garden Center To Present Workshop

Michigan State University's Robert Kelly will discuss "Getting a Head Start in Your Garden" today, Thursday, April 7, in a workshop program beginning at 10 in the morning at the Detroit Garden Center located in the Moross House in East Jefferson avenue.

Soiling techniques, transplants as a time saver and types of plants to use are some of the topics to be covered and demonstrated. Mr. Kelly also will describe seed propagation techniques.

The workshop is open to the public. Registration fee is \$2, and each participant is asked to bring a sandwich. Beverages will be provided.

Mr. Kelly will present a second workshop Tuesday, May 3, on "Putting It All Together," putting planting times, general garden maintenance, time savers and general care techniques.

ABWA's Belle Biscayne To Choose Its Finest

Belle Biscayne Chapter of the American Business Women's Association has scheduled its next regular meeting for Thursday, April 21, at the Polish Century Club, where guest speaker will be Mitchell Ratusniak, of Seagram Distillers, Southfield, and vocal speaker will be Audrey Hesson.

Members gather at 6:30 in the evening. The chapter is choosing its "Woman of the Year," who will be eligible for ABWA's 1977-78 Top Ten Business Women awards.

Current ABWA membership throughout the United States and Puerto Rico stands at over 88,000. Many Belle Biscayne members plans to attend ABWA's regional meeting, to be held April 15 through 17, Friday to Sunday, in Fort Wayne, Ind.

Sneak Preview Set at Summit

The first fund-raising event of the newly-formed Auxiliary to the American Diabetes Association-Michigan Affiliate, chaired by Mrs. Lee Iacocca, will be a "sneak preview" of the Summit, the revolving restaurant and lounge atop the Detroit Plaza Hotel, set for Sunday, April 17, the eve of its public opening.

The benefit will feature cocktails, hors d'oeuvres and entertainment by Susan Reed and her Singing Strings.

Proceeds will go to the Diabetes Association's programs of diabetes research funding, education of patients, health professionals and the general public, free diabetes testing and Camp Midicha, a medically-supervised summer camp for children with diabetes.

Salvation Army Ladies To Have 'Spring Fling'

The Auxiliary to the Salvation Army will have a "Spring Fling" Friday, April 29, at the Detroit Athletic Club, where festivities are scheduled to begin at 11 o'clock.

Luncheon will precede a fashion show including coiffures and make-up by Jacobson's "The Complete Woman." Tony Dannon will provide the musical accompaniment. Prizes will be featured.

Reservations, at \$25 patron, \$15 sponsor or \$10 individual, may be obtained by contacting chairman of the day Mrs. John Ganschow at 355-0282.

Mrs. Ganschow's co-chairman is Mrs. Robert Gerisch. Mrs. Roy Edwards is in charge of the fashion portion of the program.

Party proceeds will go to support the 14 Salvation Army Corps in and around metropolitan Detroit.

New Lawyers Wives Event

Grosse Pointe Lawyers' Wives have decided to give themselves an opportunity to become better acquainted in a more casual setting — and to meet the lawyers whose wives their fellow members are — and have scheduled their first annual progressive dinner for Saturday, April 23.

Mrs. John P. Williams is accepting reservations through next Monday, April 11, (that's the ABSOLUTE deadline!). All Pointe Lawyers Wives and their husbands are invited to participate.

Let's Talk Real Estate

by John E. Brink

Whenever we are invited to inspect one of our magnificent Grosse Pointe homes — and after we've seen its spacious, well kept lawns, its huge rooms and the ample accommodations for family and guests, we realize that this is exactly the kind of home every ambitious couple should own.

Its impressive size, its location in one of the Nation's most affluent communities and its proximity to World-famous neighbors lends prestige and an aura of success to every member of the family.

...but after the youngsters have left to start their own little families, when the working days are over and "prestige" and "business connections" are no longer needed, should the man and wife continue to occupy and maintain a residence which has become too large — and maybe too costly and burdensome for their needs?

We don't believe it's wise, particularly when we can sell the home quickly, and at a surprisingly big profit. Furthermore, we'll locate the exact type, style, size and price home you'd be most comfortable with, and in the neighborhood of your choice!

Call us for a free appraisal and a pre-view of some of the smaller homes on the Grosse Pointe market. You'll be pleasantly surprised with the variety available — and the profit you can add to your bank accounts!

Seek Summer Host Families

Michigan families are needed to host English-speaking European teachers as guests in their homes for a seven to 10-day period this summer via a program sponsored by The American Host Foundation.

American Host is one of the few nonprofit, nongovernmental programs designed to show the American way of life to foreign visitors by pairing them with American families.

It is a nationwide home hospitality program, endorsed by the Department of State.

Now in its 16th year, American Host has opened doors to better understanding for more than 10,000 European teachers who have passed on their new understanding of America to their students, colleagues and friends when they returned to their homelands.

Being a Host Family is open to anyone who has the desire to increase understanding and friendship between Europeans and Americans.

Host Families are required to provide a private room and meals for their guest and to give the guest the opportunity to meet friends and neighbors and see local sights of interest.

American Host Foundation arranges all transportation, but Host Families are asked to meet their visitor upon arrival in the area. Visitors and Host Families have the opportunity to correspond for at least a month prior to the visit.

Anyone interested in being a Host Family or learning more about the foundation's

CATCH 22 — You can go to Cuba, But you can't buy a U.S. Package

The U.S. Treasury Department has taken President Carter's order lifting the ban on individual travel to Cuba literally, sending tour operators back to the drawing board in their plans to package travel arrangements for Americans. New regulations issued by the Treasury Department allow individuals going to Cuba (provided they get a visa) to spend as much as they want there and bring back \$100 in Cuban merchandise, but the new rules do not provide for U.S. Travel companies to do business in Cuba??? A treasury official states "We have not authorized any commercial transactions with Cuba, and any travel company who gets involved in commercial transactions will be in violation of the law." See what I mean — CATCH 22.

Most any other destination in the world can be reached by contacting TRAVELWORLD, 21127 Mack Avenue (north of Vernier), hours are 9 a.m. to 7 p.m. daily, Thursday till 8 p.m. and Saturday and Sunday 10 a.m. to 2 p.m. Stop by or call for further information 882-8190.

Spring Offers Eight 'Choices'

A new series of courses and workshops begins this month at Choices, the women's resource center located in Hampton road in Grosse Pointe Park.

Job Hunting, a realistic approach, will run for four weeks on Thursdays, April 28 to May 19, from 1 to 3 o'clock.

Assertiveness I, in which participants learn to be effectively and reasonably firm, will run for four weeks on Mondays, April 18 to May 8, from 9:30 to 11:30 in the morning.

Assertiveness II, further development of Assertiveness I, will run for four weeks on Tuesdays, April 19 to May 10, from 9:30 to 11:30 o'clock.

Cost for both Assertiveness programs is \$10. Also offered at \$10 is Active Listening, (learn to spot key words and feelings in conversations), scheduled for four weeks on Tuesdays, April 19 to May 10,

from 9:30 to 11:30 o'clock. Life Planning will take a look at options, careers and interests for four weeks on Wednesdays, April 20 to May 11, from 12:30 to 3:30 o'clock. Cost is \$20.

A four-week workshop on Gardening will focus on organic gardening, terrariums, bonsai and houseplants on successive Wednesdays April 20 through May 11, from 9:30 to 11:30 o'clock. Each item may be taken individually. Cost per program is \$5.

Two single-session programs have been scheduled for Tuesday, April 26. How to Write Publicity for Women's Organizations will run from 9:30 to 11:30 in the morning. Resumes: New Thinking on Resume Writing, from 1 to 3 in the afternoon. Cost for each is \$4.

Baby sitting is available for all sessions. More information may be obtained by calling Choices, 330-6048.

DSO Presents Cabaret Pops

Trumpeter Doc Severinsen and "Mr. Country-Western Piano" Floyd Cramer headline a variety entertainment bill for the Detroit Symphony Orchestra's annual Cabaret Pops series, scheduled for May 11 through 28 at the Light Guard Armory in East Eight Mile road.

The series is under the direction of the DSO's principal Pops conductor Richard Hayman.

Twelve evenings at the Pops offer musical treats for every taste, with concerts Wednesday through Saturday evenings over the three-week period.

Program features include salutes to the music of Broadway and Hollywood, the country-western field and the great dance band era. The Rackham Symphony

Choir will join the DSO and four vocal soloists for two evenings of the music of Cole Porter.

Well-known musician and radio personality Karl Haas will make his pops conducting debut with the Orchestra in a pair of concerts. Pianist Eunice Podis will be featured on another program pair.

DSO assistant conductor Philip Greenberg is slated to be on the podium for the Doc Severinsen concerts.

Drinks and refreshments will be available at all concerts. Tables seating four may be reserved for \$24 and \$20 at the Ford Auditorium box office, 961-0700, and at all Ward's and Hudson's ticket outlets.

Some single tickets at \$7 and \$6 may be available at the Light Guard Armory on concert nights only.

Giant Garage Sale Preview Is Slated

Benefit Proceeds Will Help Send Detroit Youngsters to Junior Olympics; Celebrities and Special Auctions to Be Featured

Mrs. Alfred M. Pelham and Frederick C. Matthaui, Jr. are serving as honorary co-chairmen of the benefit preview for Metro Detroit's World's Largest Garage Sale. The preview will run from 6 to 9 o'clock Tuesday, April 12, at Cobo Hall. The actual sale is set for Wednesday and Thursday, April 13 and 14.

Mrs. Pelham, a Detroit civic leader, is active with the Detroit Historical Society. Mr. Matthaui is an industrialist and chairman of New Detroit, Inc.

Proceeds from the preview will send individual and team entrants to the United States Youth Games — the "Junior Olympics" — providing funds for uniforms, equipment and transportation.

Detroit youngsters have always performed admirably at the games. Last year, approximately 70 of the 84 local athletes who participated returned home with medals, and nine team trophies were won.

There will be no direct sales of merchandise at the preview, although all booths will be open for viewing and

a special auction with Detroit antiques and art authorities Ernest and Lawrence DuMouchelle as auctioneers will offer some unusual donated items including an antique jukebox, flying lessons, a billboard to be used as a greeting card, a new wedding dress, a pinball machine, restaurant dinners, gift certificates, jewelry, works of art, more antiques and an extraordinary sculpture by Carrie Lederer, daughter of Creighton Lederer, director of the City's Building and Safety Department.

Her "Bigfoot" is indeed a big foot—10-feet in length and 250 pounds in weight. WWJ-TV's Sonny Eliot plans a special sports auction with a bit of help from such friends as U. of D. Titans Coach Dick Vitale and Senior Captain Dennis Boyd, with their presentation of Titans T-shirts and uniforms, a ball autographed by the team and a week at Dick Vitale's and Bob Lanier's basketball school this summer.

Among the evening's enter-

tainers will be the Michael Wynn Gospel Singers, the Harbinger Dance Company and Apus Four, a singing-instrumental group.

Popular singer-pianist Ami Jackson will offer a song written especially for the 1977 World's Largest Garage Sale.

Tickets for the benefit preview at \$5 each may be purchased in the lobby of the City-County Building or at the ticket office of the Detroit Institute of Arts.

Tickets also may be obtained by mail from the Department of Public Information, 608 City-County Building, Detroit, Michigan 48226, or purchased at the door the evening of the preview. Checks should be made out to the City of Detroit.

Both light snacks and a cash bar will be available.

Set Meeting At Goodwill

The Honorable Geraldine Bledsoe Ford of Detroit Recorder's Court will be guest speaker at the Wednesday, April 13, meeting of the Women's Association of Goodwill Industries.

A noon donation mini-luncheon will be served in the Goodwill Building, Brush street at East Grand boulevard, by Miss Geraldine Sellers and Mrs. James Wellons, committee members.

Judge Ford will talk, following luncheon, using as her theme a recent book by Dr. Karl A. Menninger, "Whatever Became of Sin?" Mrs. Bernard M. Segner, of Westchester road, will introduce the speaker.

Following Judge Ford's address, Mrs. Elroy Scheffele, president, will officiate at the organization's annual meeting. Mrs. A. Warren Brock, president emerita, will announce final plans for the Spring Fair, to be held in the Goodwill Building Wednesday, April 20.

Membership and attendance

Dinner and Program For Personnel Women

Personnel Women of Detroit will host Mary K. Minter, training director, Edwards Brothers, Inc., at a dinner meeting next Thursday, April 14, at the River House's Hoy Tin Restaurant.

Ms. Minter, a graduate of Purdue University with a Masters degree in Organizational Communication, who has taught at the college and high school level, will speak on "Time Management for the Professional."

She has most recently been conducting workshops for business organizations on such topics as Transactional Analysis, Time Management, Management by Objectives, Business Communication and Training Needs Analysis.

The social hour begins at 5 o'clock. Guests are welcome. Reservations may be made through the Personnel Women of Detroit, 1111 Michigan, Wisconsin 2116, Extension 2252.

CHARMED WE'RE SURE you'll be when you see this four bedroom with spanking new decorating. Keep mama out of the kitchen unless you want to be forced to buy this one. Mutschler did it and did it right.

OFFERED IN MID-THIRTIES, three bedroom one and one-half bath ranch, with jalousie porch, two and one-half car garage, utility room, all major appliances are included. Grosse Pointe schools. Closing estate. Quick occupancy.

THE ADDRESS COULD BE EASY STREET, actually it is EASTBORNE. This delightful three bedroom brick bungalow is located 47 feet from Grosse Pointe, which accounts for its low price in the mid-\$30's, yet still offers Grosse Pointe schools and walking distance to stores.

WE HAVE FOUR condominiums at SHOREPOINTE. Off Mack Avenue near Eight Mile Road adjacent to Georgian East. All these condominiums have two bedrooms, are centrally air conditioned, have full basements, fireplaces and fully carpeted. We have something for every pocketbook. Prices range from low fifties to the high nineties.

ON LAKESIDE COURT, a deadend street which is gained from Jefferson near Bon Secours Hospital, we have three from which to choose. If you have a hankerin' for a new home and insist on four bedrooms, then these should be seen. Look first at the white shingle colonial on your left as you enter the street. This home has fireplaces in the family room, the living room and the master bedroom. There's a step-down den and living room. Lotsa charm and bright decorating.

FOR SOMEONE WHO DOESN'T want to put on his eggs in one basket why not consider this ranch house on Huntington which has three bedrooms and an attached garage. A separate dining room is a good place for the hutch. Hop to it before someone else does.

LESS THAN ONE YEAR OLD—Four bedrooms, two and a half baths, beautifully beamed cathedral ceiling, family room with wet bar makes this home in which to invest your nest egg. A library with bookshelves and storage, along with professional landscaping says this home is ready for spring and you.

FIRST OFFERINGS

This sparkling white brick Cape Cod in the Woods has a beautiful yard and patio—and CENTRAL AIR CONDITIONING! A wonderful house for the summer just ahead. Three bedrooms, two baths, family room, formal dining room, and the rooms are generous in size. Priced in the 60's. 886-4200

Summer's coming, and you'll be glad for the CENTRAL AIR in this 3-bedroom brick in Grosse Pointe City. Two full baths, formal dining room, den, covered patio, attached garage are further comforts. Priced low 40's. 886-4200

The popular CAPE COD. This one is white brick and located on a nice corner lot in the Woods. Lots of space for little money—two bedrooms up, two down, Florida room, recreation room. \$31,900 and sure to sell fast at that price. 886-4200

BUDGET PRICED HOUSE in mint condition. This is a rare find in the Pointe—a very livable, roomy family home priced under \$20,000. Four bedrooms, modernized kitchen and bath, newer roof. Curtains and carpets stay. You could move right in. It's squeaky clean. 886-4200

3-BEDROOM RANCH in the Woods. Compare with other Grosse Pointe listings, and you'll agree it's a good buy at \$46,900. There's a finished basement, pleasant screened porch, lots of closets, sprinkling system. Kitchen appliances included. 886-4200

LAKESHORE DRIVE is the lovely setting for this elegant Mt. Vernon Colonial. It's manageable in size, and custom built about 20 years ago. Five spacious bedrooms, 4 1/2 baths, library, family room with natural fireplace, superior kitchen—and of course a fabulous view of the lake. Priced well below comparable homes in the area. 886-4200

OPEN SUNDAY, 2-5. Four large, airy bedrooms, and a gracious dining room with bay are among the many nice features in this spotless English which can be toured Sunday at 711 Balfour. There's a large living room, 3-car attached garage, a sprinkler system... and a quiet, tree-lined street. Priced in the 80's, and worthy of your inspection. 886-5800

EXECUTIVE'S TRANSFERRED, and reluctantly leaves this handsome center-entrance Colonial on a beautiful large lot. There are four bedrooms, 2 1/2 baths, a cheerful Florida room, and a recreation room with a natural fireplace. County of Wayne and County of Macomb**MILK RIVER DRAIN****NOTICE OF MEETING TO HEAR OBJECTIONS TO APPOINTMENTS OF COST OF ABOVE INTER-COUNTY DRAIN**

NOTICE IS HEREBY GIVEN, that the maintenance cost of the Milk River Drain, an inter-county drain located in the Counties of Wayne and Macomb and the Cities of Harper Woods, Grosse Pointe Woods and St. Clair Shores has been tentatively re-apportioned as follows, to-wit:

Public Corporation	Percentage of Cost
City of Grosse Pointe Woods	60.49831%
City of Harper Woods	35.107571%
City of St. Clair Shores	4.89332%
County of Wayne, on account of drainage of county highways	1.473702%
State of Michigan, on account of drainage of state highways	2.299463%
	100.000000%

NOTICE IS FURTHER GIVEN, that the inter-county Drainage Board for the Milk River Drain, will meet at 10:30 o'clock A.M., Eastern Daylight Time, on Thursday, the 28th day of April, 1977, in the City Hall of the County of Wayne, 1967 Harper Avenue, Harper Woods, Michigan, for the purpose of hearing any objections to the said re-apportionments.

NOTICE IS FURTHER GIVEN, that said re-apportionment of maintenance costs is based upon the transfer of jurisdiction over part of Verner Avenue from the State of Michigan to the City of Harper Woods thereby changing appointments to said City and to the State.

NOTICE IS FURTHER GIVEN, that all persons having any public corporation assessed or any taxpayer thereof, will be entitled to be heard.

NOTICE IS FURTHER GIVEN, that after consideration of all objections to the appointments, the Drainage Board shall determine whether the appointments fairly reflect the benefits to accrue to each public corporation and the extent to which each public corporation contributes to the conditions which make the drain necessary. If the Drainage Board determines that appointments are equitable it will enter a REVISED Final Order of Apportionment confirming the appointments. Section 483 of Act No. 40, Public Acts of Michigan, 1956, as amended, provides that the REVISED Final Order of Apportionment shall not be subject to attack in any court, except by proceedings in certiorari brought within 20 days after the order is filed in the office of the Wayne County Drain Commissioner, the Secretary of the Drainage Board for the Milk River Drain, and that if no such proceedings shall be brought within said 20 day period the legality of the assessments for the drain shall not thereafter be questioned in any suit at law or in equity, either on jurisdictional or non-jurisdictional grounds.

NOTICE IS FURTHER GIVEN, that the REVISED Final Order of Apportionment, a special assessment roll assessing the maintenance cost of the drain against the public corporations in accordance with the confirmed appointments will be prepared and presented to the Drainage Board for approval from time to time. The Drainage Board then intends to carry out maintenance on the Milk River Drain in anticipation of the collection of said assessments. Each public corporation assessed is obligated to levy sufficient taxes to pay the assessments as the same become due unless there has been set aside moneys sufficient therefor.

This notice is given to and for the benefit of the aforesaid public corporation and all taxpayers thereof by order of the Drainage Board of the Milk River Drain.

Stanley R. Quackenbush
Chairman of said Drainage Board

ated: March 3, 1977.

THE JOSEPH T. RYAN FAMILY, OF BALFOUR ROAD

By Janet Mueller

Emotions do not flit lightly over the visage of President Park Chung Hee of South Korea. His nickname is "Stoneface." But a year ago, when President Park was about to present the Samil Award, South Korea's second highest presidential award, to Dr. Joseph T. Ryan for his work with Planned Parenthood in developing the Korean vasectomy program, and someone mentioned that Dr. Ryan was, (at that time), the father of 11 children—Stoneface broke up.

South Korea is, incidentally, one of three countries approaching ZPG (Zero Population Growth). Another is the United States.

If the Ryans were a country, they'd be at the bottom of the ZPG list. On the other hand, on the list for spirit, spunk and laughter, they'd knock the top off the statistics column.

Pictured above with Joe and Flo is the Ryan family, minus two. Three, if you count their dog, a "Korean Sheltie."

Anyone for Chess? There's Jeanne, 15, who plays piano and guitar, and is currently the fifth ranking woman chess player in the United States and top Junior, (under 21), in the country.

There's Joe, Jr., 14, who plays trumpet and guitar — and chess.

There's Rebel, who'll be 13 in a few weeks. Rebel's real name is Rebecca, but as she was the first Ryan born in the South, during Joe's years as a scientist/engineer with the Research Triangle Institute in Raleigh, N.C., and as the name seemed to fit, she was Rebel from the first. Rebel plays alto sax — and chess.

There's David, 11, who plays trombone and is the second ranking Junior chess player in the country. There's John, nine, who plays trumpet and is a rated chess player, and Jacky, eight, who plays drums and is a rated chess player.

There's Mary, six. Jeanne is teaching her to play the piano. There's Rachel, five, who doesn't like having her picture taken.

Two Are Korean There's Jimmy and Timmy, both four, both Korean. Jimmy came to the Ryans at three months, one of "Flo's babies." In Korea, Flo was a Foster Mother for Catholic Relief Services. Many babies passed through the Ryan home. One stayed.

Timmy came from the hospital where Flo was doing volunteer work. A lady, interested in adopting, called Flo and asked if she'd mind going over to the hospital and showing some babies. Flo agreed, vowing privately, "I'm just going WITH this woman. I won't even go up on the third floor, where the babies are kept."

What has miles of beautiful beaches, hidden coves, lagoons, mountains, wild rain forests, with bright flowers and birds that would put a rainbow to shame, pubs and clubs with reggae music you'll never forget, or a moonlit dinner on your terrace? Do you give up? It's a big, wondrous, green island called JAMAICA. If it's the one place you've never been you really ought to go! Call Dely Travel 884-6231, or stop by 20225 Mack, we can help you get there.

At ultima... Ronald Ruel is featuring the latest methods of hand wrapped streaking. From soft golden brown to pastel blondes: If you have any problem achieving your desired hair tone, Ron will see that you have the color you prefer plus your hair will shimmer and glimmer with health and vitality. He believes in keeping hair in excellent condition. The greatest compliment a professional can get from his peer has come to Ron many times. hadn't seen any of them for eight years—and, after two weeks, presented them with the gift of the use of her house until they found their house: Mrs. Ryan, Sr., packed up and went to visit her married daughter in Maryland, who has one child.

Eight Toilets Did It Six weeks after the Ryans arrived from Korea, they had found, bought and were in their new home in Balfour road. What sold Flo were the eight toilets. "In Korea, we all, (including the housemaids and 'Flo's babies'), really shared two."

Based in Seoul for five years, Joe Ryan, who holds several advanced degrees including a Doctor of Engineering in Mechanics and Mathematics, was the Senior Science Advisor to the United Nations Command and United States Forces in Korea.

Before that, he was Science Advisor to the Commander-in-Chief, Pacific, and the family lived in paradise: in Honolulu, in a six-level home.

Heads Tank Labs He was transferred to Detroit to head the Test and Methodology Laboratories at the United States Army Tank Automotive Research and Development Command in Warren.

After 21 hours of travel — "half of Korea saw us off" — the Ryans arrived in Michigan. The kids were convinced America was the Arctic. Their first 30 days here, the thermometer never went above freezing.

But they were delighted to discover America had a blue sky. Like kids everywhere they are TV watchers. Korean television is broadcast only in black and white. The younger Ryans watched American TV programs in Korea, and concluded that America must be rather a colorless place.

They LOVE color TV. And CB radios. They love America. It's all new, and it's all theirs. "Did you notice, Jeanne?" said David, turning to his sister in their first American airport, "everybody's speaking English!"

Have Checked Memorial They've already checked out the Grosse Pointe War Memorial, and figure that's where they'll be spending a lot of their time. The Chess Club meets at the War Memorial. The Ryans, in one fell swoop, brought seven rated United States Chess Federation players into the area. The Chess Club may never be the same.

Dr. Ryan, whose forte is statistics, got into chess at the instigation of General Stillwell. "He said there was a tournament, and he said I

Rose Society Sets Program

"Let's Grow Good Miniature Roses" is the topic for the Grosse Pointe Rose Society's meeting next Wednesday, April 13, at 7:45 in the evening in the Grosse Pointe Public Library's Main Branch, Kercheval avenue at Fisher road.

Speaker will be Fred Rogalski, of Dearborn Heights, member of the Detroit, Tri-Town and American Rose Societies, an ARS Accredited Judge and Consulting Rosarian for 20 years.

Mr. Rogalski presently grows 250 miniature rose plants and has another 50 growing from seed. He also grows 100 bushes, in a combination of Hybrid Teas, Grandiflora and Floribundas.

One year, he entered four shows—and won three Queens of Show and one King.

Refreshments will be served after the program. Entrance is via the rear of the library building. The meeting is open to all, free of charge.

Residents of Harper Woods and St. Clair Shores are welcome, at programs and as members of the Grosse Pointe Rose Society.

ought to be in it." Joe entered, played five rounds, and lost all five. "If I'd won one, that would probably have been the end of it." But he lost them all, and was so embarrassed he decided to study the game.

Today, he terms himself a B-rated player. He's ranked fifth in the family, behind David, whose trophies include the Brilliant Prize awarded in a tournament in which the UN Command challenged the 2nd Division. (David was nine at the time), Joey, Jeanne and Johnny.

All Good at Karate Karate is another family affair. Joe, Sr., Jeanne, Joey and Rebel are all black belts. David is a red belt. He'd have been a black belt in a few more days, if the family hadn't left Korea.

Involvement is a family tradition. The young Ryans have already played in concerts at South High and Pierce. After two years of living on the economy in Korea, Joe and Flo moved their brood into the American Residential Community.

Joe learned a lot about how communities operate during his term as president, (mayor), of the American Residential Community.

As of two-and-a-half weeks ago, when this interviewer showed up at their door, read the hand-lettered-on-the-back-of-a-manilla-envelope sign stuck in the door — "Please knock hard. The doorbell is broken"—knocked hard and walked into an unforgettable evening, the Ryans had been in residence in their new home a little over three weeks.

A Miracle Occurred The place looked darn good. Their furniture had, miracle of miracles, arrived ahead of schedule, so the borrowed cots and pots and pillows had gone back to the friends who had rallied to the cause. Two of those friends, Bob and Judy Jogan, a couple Joe and Flo met at a Saint Clare de Montefalco Prayer Group, dropped over with their, (the Jogan), kids during the evening, to see how things were getting on.

Fortunately, by the time the Jogan's arrived, the photographer had left. Had they come earlier, odds are there'd have been at least one mix-up: a Jogan substituting for a Ryan, perhaps, or an extra head in the picture. The interviewer would

An Annual Meeting

The 100-member Grosse Pointe Farm and Garden Club will hold its annual meeting at the Country Club next Wednesday, April 13, at 12:30 o'clock. Luncheon will precede the roll call and election of officers.

Mrs. Arthur R. Seder, Jr., will continue as president. Hostesses for the day will be Mrs. Henry Kuhlman, Mrs. Richard Emerson and Mrs. Edgar Howbert.

MR. and MRS. RICHARD FLAHERTY, of Oxford road, announce the birth of a son, JOSEPH ROBERT, February 1, Mrs. Flaherty is the former LINDA SCHULTE, daughter of the ALFRED SCHULTES, of Fairford road.

Paternal grandparents are the JAMES FLAHERTYS, of the North Shore Apartments. Joseph was welcomed home by two big brothers: ANDREW, six, and CHRISTIAN, two.

JANE L. GREIFENSTEIN, daughter of MRS. EVELYN GREIFENSTEIN, of York-shire road, recently received the Sojourner's Medal from the Detroit Chapter #1 of the National Sojourners and The American's Creed from the Michigan Retired Officers Association. She was cited as Eastern Michigan University's outstanding ROTC cadet reflecting patriotism and dedication to American principles.

have disclaimed all responsibility: "I did the best I could."

3 Back-Hall-Falls As of two-and-a-half weeks ago, Flo Ryan was on her third, and last, back-hall-full-of-boxes. When the boxes containing all the family's goods arrived from Korea, they filled the back hall with a giant spillover into the basement. The first back hallfull was emptied. A second took its place.

The third had to be emptied and gone by Easter, for that's when Flo's mother, Ann Mrazik, who's been making her home with the Ryans for 10 years now, is expected home. Mrs. Mrazik decided to visit another daughter in Cleveland until things got settled. The back hall leads to Mrs. Mrazik's bedroom.

As of two-and-a-half weeks ago, the back hall was virtually impenetrable; if one

did, by climbing and sidling manage to make it to Mr. Mrazik's bedroom, one would find that Mrs. Mrazik's bed had been broken in transit.

Nothing's impossible. An impossible situation... and yet, somehow, this one is convinced that today the back hall is clear, the bed fixed. That's the way the Ryans operate.

Now if only everyone's shoes will last a while: Korea was not only a fascinating experience for the whole family, a good part of all their lives—it was cheap.

"Addidas cost about \$2 a pair," Flo recalls. "I would line 10 kids up, take them to the shoe store and pay not more than \$20 for shoes for the whole bunch."

You think cleaning out three back hallfulls of boxes is a Project? Try keeping 11 kids in shoeleather, in Grosse Pointe, Michigan, U.S.A.!
