#### HEADLINES of the WEEK

As compiled by the Grosse Pointe News

Friday, December 24

Police Commissioner John Witherspoon resigns and is succeeded by John F. Ballenger, Supt. of the Department of Public Welfare. Witherspoon will return to his old job as principal Assistant Corporation Counsel in charge of tax matters. Corporation Council Krause says he is considering additional compensation for Witherspoon for the important tax problems that lie ahead.

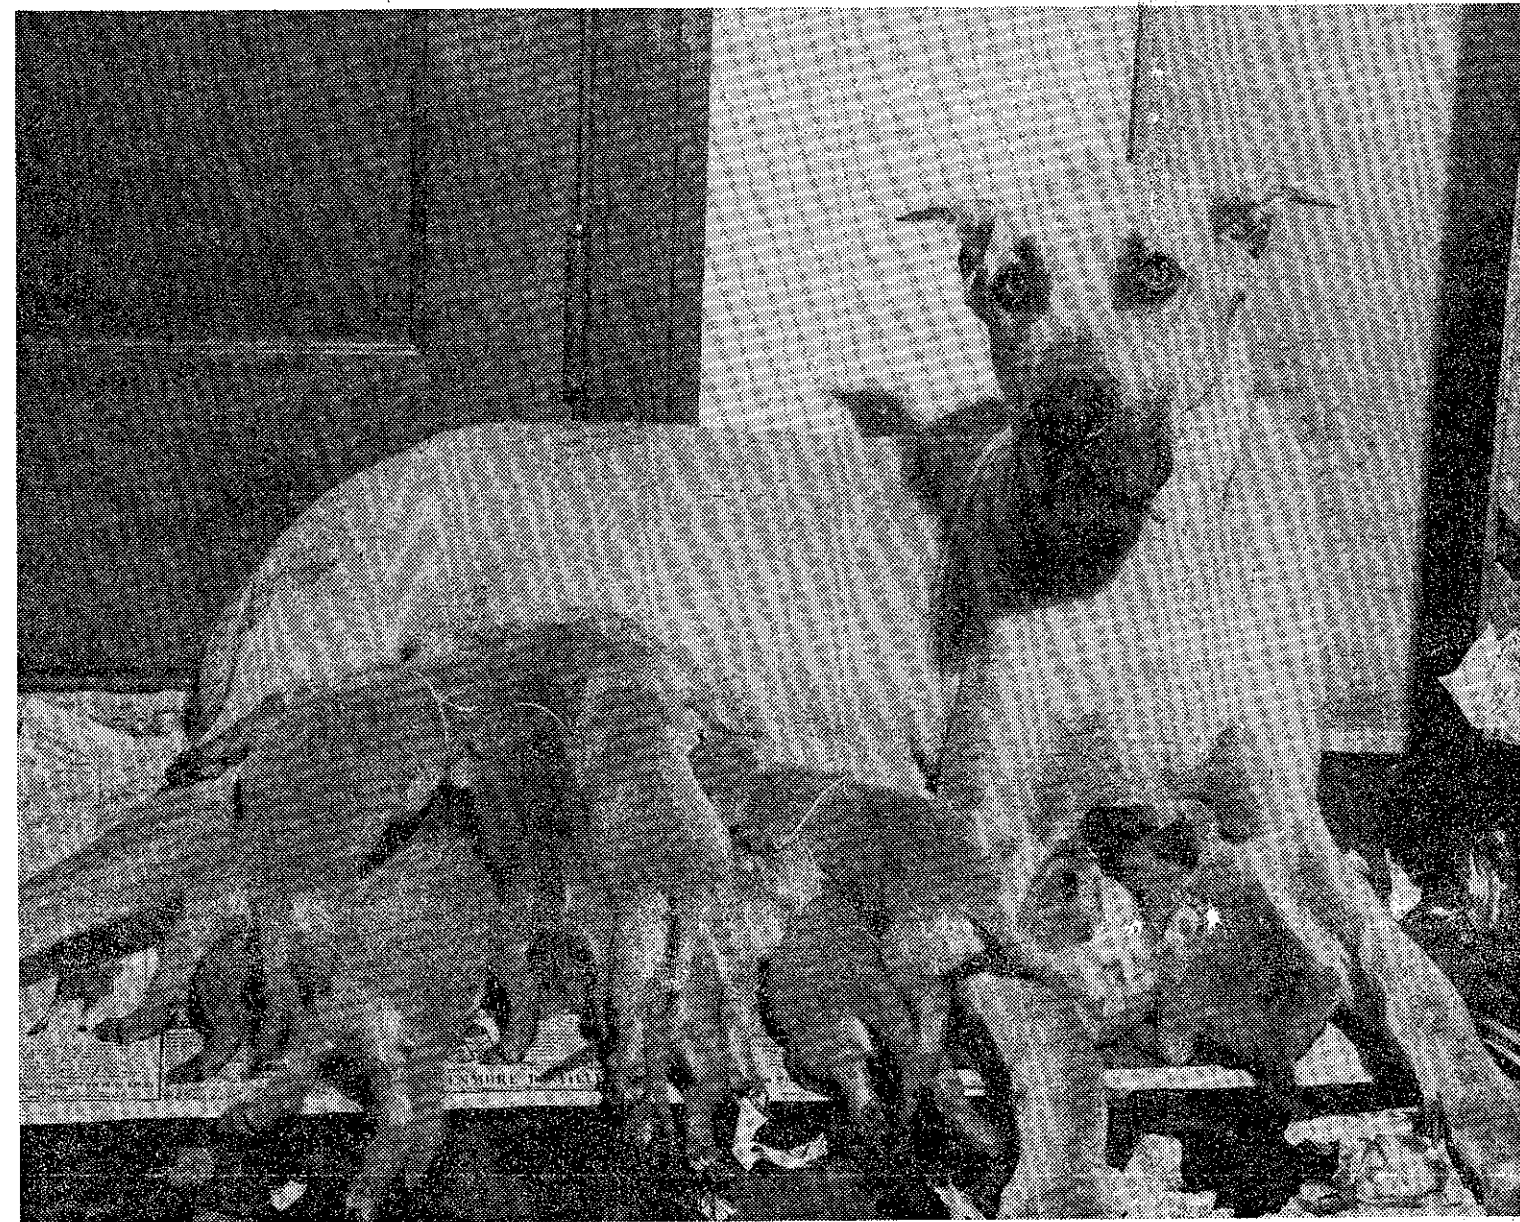

General Dwight D. Eisenhower has been selected as supreme commander of the greatest United Nations enterprise of the war, i. e. the allied invasion of Western and/or Northern Europe.—Marshall to remain as Chief of Staff of all American forces throughout the world.—Mediterranean and Middle East supreme command to go to an English officer.

City shocked by the disclosure in the Free Press that the Licensing Bureau will grant State Permits to drink liquor to practically any teen-aged youngster who shows up with a \$1 bill and no questions asked about age.—Personal licenses supposed to be issued only to those between ages 21-25.

President Roosevelt speaks to world-wide audience over greatest hookup in radio history.—Running translation of his speech made in French, Italian and Norwegian with later rebroadcasts arranged in 30 languages.

Roosevelt's disposition to pull away from his past political moorings indicated by his alleged preference for a new slogan, "Win the War," instead of "The New Deal" which has done service as a rallying cry ever since he came into power ten years ago.

#### One for Every Month of the New Year

"QUEENIE," beautiful Great Dane owned by Mr. and Mrs. C. Henry Buhl of Ellair place, has 12 three-weeks-old puppies to bring up properly during the coming year. She appears capable of handling the job well. There were 13, but one died shortly after birth. The strings around the necks of some of the pups indicate their feeding order. There are too many mouths to be handled in a single shift, so a formula is used for supplemental sustenance. All of the youngsters are strong and healthy. There are eight males and four females. The proud papa is Caesar, another magnificent Dane owned by Mr. and Mrs. Harold R. Boyer of East Jefferson avenue. Another picture of the pups is carried on an inside page.

#### Roll of Honor Now Assured for Pointers

Names of All Serving Their Country in Armed Forces Will Be Included

The Grosse Pointe Honor Roll Committee which was created last week, held its first meeting in the AWVS headquarters on Kercheval on Monday.

There was a full attendance of the committee present, which includes: William J. Watkins, chairman; Norbert P. Neff, Miss Florence Severs, Capt. John J. O'Brien, Kenneth Thomas, Paul J. Moreland, Dexter M. Ferry, Jr., George L. Schaefer, Alger Shelden, Arnold Diesing, Sergt. Julius Stork, George Elworthy, Mrs. Alger Shelden, and Clarence D. Blessed.

As had been previously announced the first thing the committee was to discuss was whether

#### Parents Hear From Soldier Believed Dead

A tiny postcard carrying only two or three brief notes, brought to Mr. and Mrs. Wilbur A. LaBonty of 1920 Lakepointe last Thursday morning the happiest Christmas of their lives.

The card was from their son, Robert, whom they had been mourning as lost in the war ever since they received a formal notice from the War Department more than eighteen months ago that he was "missing in action" at some far away, unidentified place in the vast Pacific area.

The postal was from their boy, signed by him but limited in information to the few facts permitted on such forms. He said he was a prisoner of war of the Japanese in Burma. In addition to that it said he was well and getting along all right.

The big news for his father and mother was that he was alive. Instead of a son mourned as dead they now look forward to seeing him again some time in the not too distant future, alive and whole.

Young Bonty was one of the first boys drafted from Grosse Pointe. After a year's training in army camps in this country, he was sent across the Pacific some time in the early summer of 1942. His parents said they had received one letter from him which they had reason to believe was sent from Java.

Since then there has been no word concerning him except the doleful message from the War department 18 months ago, which his stricken parents had had to accept as equivalent to his death notice, until this supremely happy news came in the little card a week ago today.

Robert has been in the infantry ever since he joined up. He is now 24 years old. His school days were spent in the St. Ambrose school. His parents have been residents of Grosse Pointe for the past twenty years.

#### News' Annual Baby Contest Offers Prizes

Miss or Master Victory Will Be Welcomed With Many Attractive Gifts

The Grosse Pointe News annual First Baby contest starts at midnight Friday night and ends with the announcement of the first baby born to parents of Grosse Pointe or Gratiot Township in the year 1944.

The rules are simple. The parents must be residents of either the Pointe or Gratiot and a full statement of the birth, including parents' address, hospital if any, and statement from the attending physician, must be sent or brought to the News office.

Many worthwhile gifts await Miss or Master Victory of 1944. Steadman's Drug Store is offering a choice of infant vitamins up to a value of \$3.00. Meier's Jewelry Store is presenting a Sterling silver baby spoon and fork.

The Grosse Pointe Florists will send the mother a lovely plant and a bottle filled with flowers for the child. The Grosse Pointe Bank will give the child a financial start, with a \$5.00 bank account.

Shepler's will clean and press a dress for the mother and suit for the father of the first baby of 1944. Hornung's shoe store is presenting the lucky youngster with its first pair of shoes.

The Farms Market will give 1944's first Pointe baby a dozen jars of Brown's Baby Foods. The Grosse Pointe Drug Company is offering a complete Johnson and Johnson Baby Kit, and Henry's five cent to one dollar store tops off the list of prizes by awarding a Bunting Suit with a Detachable Bonnet.

#### Black Market Case Will Be Closed Soon

Defendant's Attorney Says She Will Enter Plea; Information Filed

Helen Gale Howe-Wright, indicted last August 11 by a federal grand jury on 11 counts involving Black Market operations in her Pointe food store, is expected to enter a plea of guilty before the Federal District Attorney within the next week, it was announced Wednesday.

Assistant United States Attorney Joseph C. Murphy, who handled the case against Mrs. Wright, was out of town, but a spokesman who has been handling Mr. Murphy's business in his absence, stated that it could be announced there would be action in this long-delayed case very shortly.

Mrs. Wright's attorney has informed federal officials that his client will plead guilty rather than face a jury trial. Information has already been filed, but "due to the press of business in the District Attorney's office, no plea has yet been taken."

Should Mrs. Wright change her mind about pleading guilty, officials announced, her case will be set for early trial. She faces maximum penalties of one year in jail and fines of \$10,000 on each of seven counts, and one year in jail and fines of \$5,000 on each of the other four counts.

#### Usual Thefts Plague Stores Over Holidays

No more than the usual number of thefts and petty crimes that crop up with the holiday rush of Christmas buying occurred in the stores of the Pointe this season.

Among those reported to date was a theft from Kopp's Drug Store where a lady's bag valued at \$42.40 and a bottle of Coty's perfume were taken; also a pen and pencil set.

The Kroger store reported it had been stuck with a bad check for \$30 passed on them by a party giving the name of George Johnson, jr., address unknown. The Detroit police report this same party has recently left a trail of phony checks throughout Michigan and northern Ohio.

Proper's Store reports the loss of a polo coat worth \$75.

A local character of known shady reputation tried to film the young woman at the cigar counter in Cunningham's but she was too smart for him and he beat a quick retreat.

#### Post Office Officials Seek Suitable Location for New Pointe Classified Branch

Indications Are There Will Be Little Delay in Establishing Rented Headquarters With New Building to Come After War

There is to be little delay in the establishment of the new Classified Post Office here in Grosse Pointe. Already several officials from the Detroit office have been out looking over the ground for prospective locations. On Tuesday a Mr. Burlingame from the Post Office Department in Washington was here on the same quest. He is an official of the Department who negotiates the leases for rented quarters.

There has been expressed a general hope throughout the community that the Classified post office will be located on Kercheval avenue in the City of Grosse Pointe. A large proportion of the residents of the Pointe go there for their marketing and general shopping and the office there would permit them to combine their postal errands with their general buying, contributing much to the saving of gas and tires.

There is every reason to expect that when the war ends and normal building conditions have returned the Government will erect a permanent post office building here. Direct encouragement in this direction has been given by persons in close touch with the Post Office Department.

Congressman Louis Rabaut has taken a lively interest in the matter from the beginning and will doubtless do everything in his power to obtain such a structure for the Pointe area, which incidentally, is also his home. The Rabaut home is located on Three Mile Drive in the Park.

When the time comes to select a location for the permanent structure it is likely that special regard will be given to the geographical center. The anticipated growth of the Pointe area in the years to come may bring the center of population then in approximately the same region as the geographical center.

#### Youths 21-25 Can Get Drink Permits Here

Young men and women of the Pointe area between the ages of 21 and 25, who will need a card to obtain a drink of intoxicating liquor in a public place, need not stand in line to obtain these required permits, it was announced Tuesday by Caspar Lingeman, County Clerk.

Mr. Lingeman telephoned the GROSSE POINTE NEWS to say that a plan had been worked out which would save both the individual and his office a lot of trouble.

Late Wednesday afternoon the Sheriff's motor squadron delivered to all Pointe police departments and that of Gratiot township, all the proper application blanks for obtaining these cards. When filled out correctly, they will be collected by the Sheriff's department and taken to the County Building, where they will be executed and permits mailed to the applicants, within 24 hours wherever possible.

Those in the Pointe area desiring cards should go to their nearest police headquarters and fill out the application blanks. They must have with them documentary evidence, such as a birth certificate, baptismal certificate or marriage license, to testify to their age, and a picture of themselves, one and a quarter by one and an eighth inches.

#### Stolen Camera Contained Pictures of Dead Aviator

The thief who stole several cameras from a parked automobile on Pemberton road late Saturday night, December 18, should feel awfully ashamed if he knew that one of them contained undeveloped pictures of an Army flier killed in a bomber crash in New Mexico.

The owner of the camera is Mrs. F. M. Clements of 123 Meadow lane. The film in the motion picture camera, an 8 mm. Eastman, contained pictures of her brother, Lieut. L. H. John-

#### GAS COUPONS EXPIRE

OPA reported today that the following old type gasoline ration coupons will be invalid for use by consumers after December 31:

1. 1 gallon bulk coupons which were used at one time for bulk deliveries of gasoline and for furlough travel by members of the armed forces.

2. Transport ration coupons bearing the designation "TT".

#### CAR KILLS DOG

Fred Davis of 862 Neff reported to the Park police on Tuesday that as he was driving on Kercheval at Wayburn, a dog darted out into the street directly in front of his car and he had run over him, and he feared, had killed him. The police went around and found the animal dead.

#### Army Taking Five Jan. 6

Three more Pointe boys and two from Detroit will leave on Board 57 next Thursday, January 6, for the Army. A sendoff will be given by the Neighborhood Club prior to their departure.

Those leaving are: Robert J. Hayden, leader, Herman Gardens; Victor W. Kamischke, 41 Vernier road; Harvey J. Christenson, 2080 Anita; Albert H. Verstraete, 383 Kercheval avenue; and Joseph Jesky, 9062 Garold street, Detroit.

#### Detroit Finds Pointe No Place to Celebrate

Among the Detroit citizens whose conception of a proper way to celebrate the Holidays is to get a skin-full of the all cheerful and park themselves behind the wheel of a car, was one Joseph Goodrich who the Park police picked up at Jefferson and Trombly Friday night.

They took his car away from him, including the ignition key, and told him to skidoo until he was able to drive.

The next morning he celebrated Christmas day by going around to the police headquarters, now in a greatly improved condition for safe driving, and getting his property.

#### Goodfellows Net \$4,026.29

Township Supervisor Carl Schwiakart, chairman of the Grosse Pointe Lions Club Goodfellows collection, reports that up to Tuesday afternoon the returns from the collection had totaled \$4,026.29.

Mr. Schwiakart expressed himself as much pleased with the results. He particularly thanked the Grosse Pointe News for the donation of its papers for the sale.

He said also that the Lions Club was deeply appreciative of the help of the Grosse Pointe Policemen and Firemen who, in this sale as in all previous sales, gave their whole-hearted and effective support to the work.

#### Welkin Ringing, Rooster Eating, May Cancel Out

The war time food production campaign in the Pointes has its four side Richard Krakow of 1045 Kensington complained that his neighbor kept chickens. While Mr. Krakow did not complain of the commendable poultry industry he was much perturbed by the vocal gymnastics of the members of the flock of the male persuasion.

These feathered gentlemen were accustomed to make the welkin ring at unholy hours in the morning. But now the social concord has been re-established and peace and quiet will open reign. The neighbors have promised that hereafter they will eat roosters—and often.

#### Delivery of Piano Costs One Light Pole

The Farms police received a call that a pole was down at Oak and Grosse Pointe boulevard Monday afternoon. Officer Boylan rushed to investigate and learned from a resident of the neighborhood that the pole and a Detroit Edison light had been demolished by a truck that had disappeared down Oak street.

A piano was delivered at 125 Oak and the driver of the truck, Glenn Pelkey, admitted to Officer Boylan that he had done the damage while backing up. He was given a ticket for reckless driving.

#### "Free" Holiday Trimmings Costly in Embarrassment

Steve Van Tiem who has been conducting a Christmas tree sale on a vacant lot along Kercheval, reported to the City police that a certain well known woman who lives in the neighborhood of the Radnor Circle community, had taken a tree from his lot on Monday and gone away with it without so much as by your leave.

They knew there had been some kind of mistake but called on the woman and, sure enough, there had been a mistake. She was all confusion and embarrassment.

She knew the Christmas tree selling season was over and thought the trees remaining on the lot had been abandoned. She simply wanted one to strip down for a little extra holiday trimming in her home. She was only too happy to pay full market price for the greens when she learned that the vendor still claimed ownership.

### Honor Roll

(Continued from Page 1)

or not such a project should be inaugurated here. The individual members of the committee had been busy in recent days in sounding public opinion on the subject and unanimously reported the people in the Pointe were heartily in favor of the proposal.

#### Limited to Pointe

It was decided by a resolution adopted by the committee that the area to be observed in the preparation of the roll should be the geographical boundaries of the five Pointe communities.

It was the unanimous opinion of the committee that the project should be financed by popular subscription, and Memorial Day, 1944 was fixed as the latest date for the dedication.

The location and design of the Roll were discussed at length, but many details of these essential matters were lacking and determinative action was postponed until the next meeting, which is scheduled for Thursday, January 6.

Chairman Watkins announced the following appointments for the organizational setup for the committee:—

Mrs. Alger Sheldon, secretary; Paul I. Moreland, treasurer; Arnold Dising, publicity; Miss Florence Severs, names committee; Alger Sheldon and Paul I. Moreland, site committee; and Clarence D. Blessed, design committee.

#### Blessed Welcomed

The name of Mr. Blessed was added to the General committee

after the original announcement last week, but the members of the Committee are deeply gratified that he has been included and has signified his willingness to serve.

Mr. Blessed has under him a large number of Pointe citizens who are enrolled in the Air Warden service and it is quite probable that he will ask this group already well organized to assist in the considerable task of obtaining a complete and up to date list of all men and women from the Pointe area who are enlisted in the armed services.

The committee will gladly receive subscriptions from all citizens who are interested in this project, in advance of the general solicitation, which will be arranged and announced later. The address of the treasurer, Mr. Moreland, is 1184 Harvard, Grosse Pointe Park.

#### Permanent Roll Later

The Honor Roll which is now planned will be a list of the names of all of the men and women of the Pointes who are actively in the war. It will be of construction and character suitable for outdoor display, and sufficiently permanent to last for several years.

It is not intended to take the place of a permanent roll which will some day be provided in the community in stone or enduring bronze. But meanwhile the work of preparing the current list of names during the progress of the war will make much easier the final and complete listings which can only be obtained when the war is over.

#### "LOST" IN STORE

Upon receipt of a phone call last Wednesday night from the Titus Drug store at Kercheval and Fisher, informing them that a drunk was "lost" in the store, Farms police escorted Ernie Shaw, 44 of Detroit, to a cell block, where he was allowed to sober up.

### Traffic Court Tries Eight

#### Fines Paid By Speeders and Reckless Drivers Arrested In Park

Proceedings in Park Traffic Court on December 22 were: Dorothy F. Plourn, 10231 Lakepointe, for speeding 40 miles per hour on Jefferson on Dec. 5, was fined \$10 plus \$5 costs.

Roy C. Jenkins, 316 McKinley, for speeding 45 miles per hour on Vernor on Nov. 26 was fined \$20, plus \$5 costs or twenty days in jail.

Merton L. Lamking, 859 Bedford, passed stop sign at Charlevoix and Bedford on Dec. 13, was fined \$5 plus \$5 costs.

Michael J. VanMaldeghem, Lakeview, Detroit, for reckless driving involving an accident on Jefferson at Beaconsfield on Dec. 13, because of his previous good record and having assumed all damages, paid only \$5 costs or five days in jail.

In Traffic Court on December 29:

Cecil F. Pringle, 650 Ormsby street, Mt. Clemens, for speeding 40 miles per hour on Jefferson on Dec. 15, was fined \$10 plus \$5 costs.

Fred J. Gill, 17620 E. Jefferson, for speeding 40 miles per hour on Jefferson on Dec. 24, was fined \$15, plus \$5 costs.

Louis Hinchman, 10228 Woodward, for speeding 38 miles per hour on Vernor on December because of his previous good record having never been given a ticket for any offense, was let off with a fine of \$5 and \$5 costs.

Helen Gale Howe, 731 Grand Marais for failing to stop at a stop sign at St. Paul and Audubon on December 8, was fined \$10 plus \$5 costs.

### Reckless Drivers Draw Stiff Fines

Judge De Baeke held bi-weekly police court in the Woods on Tuesday night and dispensed justice as follows:

Clarence C. Smith of 17193 Westphalia street, Detroit, took a chance on running the red-green traffic light at Vernier and Mack on Christmas night and paid for the experiment with a \$50 fine plus \$5 costs. He also had his license revoked for 30 days.

James Anthony Feit of 22076 California street, St. Clair Shores brought his car to a stop on the Red light at the same crossing at 7 o'clock in the morning Dec. 21, but Arthur Kurko of Gordon road, St. Clair Shores, who was following closely behind him at a faster than prudent rate, couldn't stop in time and bumped into him causing minor damage which the court directed him to pay, plus a fine of \$10 and \$5 costs.

The worst offender seemed to be Roy Sample of 5207 French road, Detroit, who smashed into the car of Elmer Loos, stopped at the same fateful intersection for the red light and damaged his car to the extent of \$45 on Christmas eve at about 7:20 o'clock. The damage he had to pay and also drew a fine of \$100.

#### Two Slightly Injured as Cars Crash on Mack

Melvin F. Mann of St. Clair Shores, and Tom Comerford, a passenger in his car, were treated in Cottage Hospital for face cuts Christmas Eve when Mann's car, said to be driving on the wrong side of the street, crashed into another driven by Roger Coppens of Lillibridge, Detroit, at Mack and Warren.

Damage to both cars was estimated at about \$200. Mann was given a ticket for reckless driving.

# All Pointe Municipalities To Be Asked to Share Cost Of Temporary Post Office

### May Take as Long as 90 Days Before New Classified Branch Can Be Established, Officials Estimate

Officials from the Detroit Post Office have informed City Clerk Neff that from the experience they have had in the opening up of other classified post offices in the area they fear it will take from a month to ninety days before they will be able to get the new permanent office in operation.

This is caused not only by the time consumed in finding a suitable place but also because of the difficulty in obtaining labor and materials for the alterations and equipment that are inevitable in greater or less degree in every new office.

While the Christmas Emergency office in the City's property on Maumee was still in operation in that status, which expired on December 24, Postmaster Huston agreed to continue the Christmas office. This of course was on the expectation that it would remain in the same quarters and that there would be no charge for rent, which time and red tape at Washington would delay. The expense of these quarters for heat, light, janitor service, but not rent, amounted to \$85-\$100 per month and this expense was

borne by the City of Grosse Pointe on authority of the City Council.

If however it should be intended to use these same quarters for as long as 90 days this item of expense should be shared by the other Pointe municipalities which all benefit equally by the continuance of the local post office.

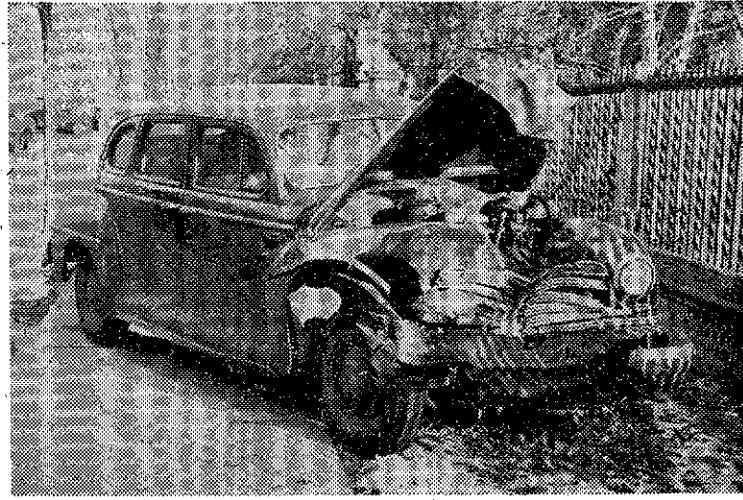

The cost to each municipality would be trifling, but if carried by the City alone would be a considerable item in the city emergency budget.

Mr. Neff is putting the proposition up to the other villages with his suggestion that they go along on the expense. The expectation is that they will be very willing to do so in view of the great convenience the office offers all of their citizens. President Goddard of the Park has already expressed the opinion that the Park Village Commissioners will be glad to cooperate.

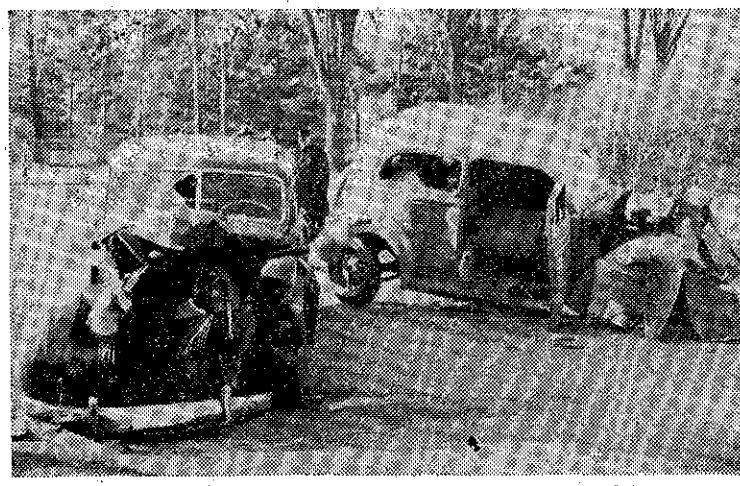

#### HEALTH HINT

# Four Drinks Blamed for Three Car Smashup

One of the most serious automobile accidents seen in the Pointe in many months occurred Friday afternoon when a car driven at excessive speed down East Jefferson, crashed into the rear of another car going in the same direction and sent it spinning into the path of a third machine being driven up Jefferson. The picture on

the left shows the car that started all the trouble, after it came to rest more than 100 feet after the first crash. In the picture on the right, the right hand car, after being struck from the rear, was hurled into the path of the Cadillac, (left) that was coming up Jefferson. Details of the accident are told in the story below.

## Sleeping Driver Receives Callers Twice in Night

Peter Wilhelmson, the watchman of the property at Rathbone and Jefferson reported to the City police Monday night that a party had parked his car in the driveway to the property. Lieutenant Beclaus and Patrolman Teetart investigated and found a man answering to the name of Joseph Barry of 14910 Cedargrove, Detroit, who had obviously pulled in for a quiet rest.

The police considerably maneuvered his car out into the street where he could continue his recuperation without trespass on private property. Later on in the evening Mr. Barry awoke but evidently had not yet got all the rest he needed. He ran into a tree in front of 17700 E. Jefferson.

On the police's second call on Mr. Barry they found that he had done no damage whatever to the tree but had crumpled his car a little. This however was a strictly private matter and the slumbering one, now being apparently awake and alert, was urged by the police to be on his way.

#### SOLDIER ARRESTED

Upon the request of Army officials in Frederick, Maryland, Howard A. Socia of 319 Beatupre lane, was picked up at his home last Tuesday afternoon by Farms police and later turned over to Sgt. Harvey M. Cheely of the Military Police stationed in Detroit. Socia was said to have been AWOL.

#### ALLOR SWITCHES BADGES

Officer Sid Allor of the Farms police is now wearing Badge No. 7 instead of his usual one, No. 16. The latter was ripped off his uniform while he was assisting at an accident and was run over and broken.

History suggests that the rail splitters make better statesmen than the hair splitters.

## Driver Who Caused Crash Admits to Visiting Beer Parlor and Hoisting Few

### Three Cars Badly Mangled as Occupants Miraculously Escape Death; One Woman Seriously Injured and Confined to Hospital

An automobile driver who had wandered more than five miles off his appointed course and was hurrying to get back on his right track after fortifying himself "with only two whiskies and two rums," caused an accident on E. Jefferson avenue between Fisher and Lincoln roads on Friday afternoon at 2:50 o'clock that miraculously failed to snuff out five lives. All three cars in the mixup were badly damaged, one completely beyond repair.

William Hogsett, aged 35, of 3721 14th street, who works for the Douglass Tool company at 3750 the same street, had been sent out between 10 o'clock and 10:30 a. m. by William Jewell, proprietor of the tool company, to pick up certain articles at Davison and Mt. Elliott and at 1839 Mt. Elliott. The car he drove belonged to Mr. Jewell. His movements after getting the items is uncertain but he acknowledged to the Grosse Pointe City police that he had stopped in one beer garden and had a few drinks, but only four as itemized above.

#### Next Seen Here

Mr. Hogsett is later discovered tearing down Lake Shore road at a speed estimated by the only actual eye witness at between 60 and 75 miles per hour.

He was going west on Jefferson and honking his horn like a fire siren for all and sundry to give him gangway.

As he ripped into the Fisher-Lincoln block on Jefferson, Albert H. Hutton, aged 59, and his wife, of Route 6, Mt. Clemens were in his way and he plowed into their car on the left rear, causing it to turn completely around on a right swing so that it faced an oncoming Cadillac car, driven by Edward A. MacDonald of 1094 Grayton road, going east on Jefferson. The MacDonald car struck the Hutton car broadside on the right side, even with the front wheels.

The Hogsett car, after striking Hutton's, coursed on its way, jumping the curb on the south side of Jefferson about 150 feet beyond and came to a stop on the sidewalk against the iron fence in front of the Alger estate.

#### Witnesses Crash

The only eye witness of the accident who has been discovered is James L. Murtagh, of 2229 Beniteau. He was walking out Jefferson avenue on the North side and was about 100 feet past Lincoln road when he saw the two cars coming down Jefferson with the rear one going at terrific speed and its horn honking. At the moment of impact he made a flying leap over the hedge in front of the Russell Alger property believing he would be in the midst of the crash.

Mr. Hutton was not seriously hurt but his wife, Eva Ann, was dangerously injured. Murtagh carried her to the curb and covered her with a blanket. Soon after she was taken to the Cottage Hospital where it was found she had cuts on both wrists and

#### Serious Fire Averted By Firemen In Park

A fire occurred at 5:45 o'clock Friday evening in a four family flat at 1001 Beaconsfield, that for a few moments promised to be a serious matter for the four families residing therein, and the whole neighborhood.

## Nice Cooperation Among Police of Pointe, Detroit

The Grosse Pointe police and the police of the neighboring Detroit 5th precinct have been exchanging trade lasts with each other in the matter of recovering stolen cars.

On Christmas eve Raymond La Fave of 1422 Lakepointe reported to the Park police that his car had been stolen from in front of 1465 Lakepointe. The theft also included a \$25 war bond. The next morning the Detroit police reported the car recovered, but one of the license plates was missing. Whether the bond was still in the car was not learned.

On Monday evening Park Patrolmen A. Walsh and Deane picked up a car at Hampton and Maryland previously reported by the Detroit police as stolen on Thursday evening. Wrapped around the steering post of the car was an owner's certificate naming Gertrude R. Williams of 18600 Northlawn, Detroit, as the owner.

#### SIDESWIPE CAR

Joseph Carey of St. Clair Shores, was ticketed for reckless driving on Christmas Eve when he sideswiped a car owned by George Elsworth and parked on Kercheval in the Farms. Carey also didn't have a driver's license when arrested.

#### SKATERS SHOOD

Mrs. Edwin Lodge of 60 Lake Shore asked the Farms police last Thursday afternoon in getting rid of some boys who refused to stop skating on her lawn. They were gone when the police arrived.

# Figures on Business Done at Christmas Post Office Disclose Need for Branch

### Quarter of Population of All Pointes Visited Temporary Establishment in Little More Than Three Week Period

Figures which Leland F. Lindow, in charge of Grosse Pointe's temporary post office, has collected showing the remarkable volume of business transacted there from December 1 to 24, is convincing proof of the wisdom of the Detroit office in deciding to continue the office here without interruption of service until the permanent quarters are provided for the Classified office which the Pointe area will soon have.

Between the Holiday dates of slightly more than three weeks 108 pouches of first class mail were shipped out of the office on Maumee. These were all letters.

There were 1340 sacks of parcel post mail and 475 large "outside" parcels, i.e. individual parcels too large to be put in a sack or other general container. Insurance was written for 5347

parcels and 168 C.O.D. parcels were received. This latter covers only parcels mailed by merchantile houses, as private users are not permitted to send parcels C.O.D.

The value of postage stamps sold was \$8,824.67. This included 79,000 2 cent stamps and 67,000 3 cent stamps.

The total number of parcels of all description shipped out of the office was 25,619, and the post office was visited between the dates Dec. 1 and 24 by 9,837 persons, or practically one fourth of the population of the entire Pointe area.

Although the office was maintained this year over a much longer period than last season, Mr. Lindow estimates that the average daily volume of business was at least 60 per cent higher than last year.

## Good Samaritan Takes in Lost Elderly Woman

About 10 o'clock Monday night Mrs. Philip K. Mebus of 1308 Whittier phoned the Park police that an elderly woman had just come to her house who seemed to be lost and greatly confused. She was indefinite about her home and even her name, but named a well known physician living on Outer Drive as her son.

A phone call to the physician's home got no response. Eventually the police contacted a citizen living near the house of the physician and he cheerfully agreed to receive the old lady at his home, but seemed to be uncertain about identifying her.

The Police took her over there and left her at the home of the Good Samaritan.

## Many Parties Honor Guest from New York

Teas, Dinner and Buffet Suppers Arranged for Mrs. Alice Herlofson, Visiting Mr. and Mrs. E. Llywd Ecclestone

Many parties are on the holiday horizon in honor of Mrs. Alice Herlofson, of New York and Shanghai, who is the house guest of Mr. and Mrs. Llywd Ecclestone of Lincoln road.

On the day Mrs. Herlofson arrived, Mrs. James Trudell of Lincoln road, entertained for the guest at a luncheon at Al Green's, Monday evening, Dr. and Mrs. Frank Purcell gave a dinner in their home on Edgemont Park; Tuesday, Mr. and Mrs. Franklin C. Robinson entertained at cocktails and a buffet supper in their home in Roosevelt place.

### Cynthia Dean Host at Buffet

Miss Cynthia Dean entertained a group of her young friends Monday night at a buffet supper, in the home of her parents, Mr. and Mrs. C. A. Dean, jr., of Touraine road, in honor of Peggy Tenney, of Springfield, Mass., who is visiting her grandmother, Mrs. George O. Begg.

Miss Tenney's mother, Mrs. C. M. Tenney, of Springfield, Mass. and her brother, C. M. Tenney jr. are also visiting Mrs. Begg.

The guests at the buffet supper included: Jean Preble, Jacqueline Stevens, "Betty" Hunter, Frances Stroh, Joan Waldo, Mary Tiedeman, Anne Crouse, Joan Henry, Edith and Isobel Seyburn, Mary "Liz" Hodges, Joan and Virginia Vanderzee, Elizabeth Robb, "Betty" and Jerry Sweeney, Cynthia Book, Betty Crapo, Julia Ann Harris, Mary Lou MacDonald, Virginia Woodhall and Helen Posselius.

### Kid Bits

Jeeppers! Everyone is still talking about the nifty "Sock Stomp" that the A.W.V.S. Juniors threw last Tuesday night. Leap year's just around the corner so the lasses moved 'up the customs a few days and let the girls do all of the asking. They've been planning it since way back when many a committee sat up far into the night making all of the detailed plans. Lois Gehrig had all of the final say-so about the affair, seeing as how she's president of the whole gang.

The credit for all of the extra scrumptious decorations all over the gym at the high school on that night goes to Cynthia Penoyar and her bunch of loyal committee members. The kids who

put in their time doing the planning and putting up were: Betty Bauman, Darlene Brink, Carole Smith, Gail Whitehead, Katie Kalbfleisch, Libby Powell, Joyce Bowen and Carol Castricum.

And did you see those marv' looking posters hanging in the village beforehand? Sally Stratton is the little lady who did 'em all—just to be sure everybody'd know about it.

We thought it was a real neat idea to dance in our stocking feet—saved our new shoe ration stamp, anyhow. Of course it was kind of sad for the folks with the extra huge feet 'cause the kids in the check room whipped out their rulers and measured every shoe—and then charged a penny per inch!

Lesley Yeager was in charge of getting the music so she engaged Bob Millard for the evening. Saw Sarie Malcomson and Bill Kerr dancing for all they were worth and right near 'em were Kathy Stuart and Johnny Bracken, Pat Robinson and Dick Ryan, Jane Heron and Jim Gullberg, Marilyn Buck and Bob Donnelly, Sally Critton and Roy Smith, Shirley Smith and Butch Ireland—oops! pardon me a minute, my typewriter's out of breath.

You should have seen all of the kids by the refreshment counter. Nora Guy, Barbara Dill and Barbara Ogden were kept real busy handing the pepsi over the counter to Di Faulk and

ment of **DORIS O'LEARY**, daughter of **MRS. EDWIN D. O'LEARY** of Lincoln road and the late Mr. O'Leary, to **JAMES EDWIN COYLE**, was announced. James is the son of **MR. AND MRS. MARVIN E. COYLE** of Detroit and Oxford.

**LIEUT. FRANK J. ORLEMAN** left on Sunday for Bainbridge, Md., after spending Christmas with his wife in their home on Merriweather road.

**MR. AND MRS. HARLEY EARL** of Touraine road, invited a few friends for cocktails on Tuesday to say "hello" to **MRS. ARTHUR GARDNER**, who arrived this week from Washington to spend a few days in the Pointe.

**MR. AND MRS. ANDREW P. HAPPER** gave a small informal cocktail party on Christmas Eve in honor of Mrs. Happer's father, **MR. ARNOLD THEITIG**, who will leave for his home in Cincinnati on Friday after spending a week with the Happers in their home on University place.

**MR. AND MRS. LOUIS GROCH** of St. Paul avenue entertained a group of their friends at an informal supper on Sunday evening.

**MRS. HOWARD EVANS** and her daughter **MISS EVELYN EVANS** left on Monday for their home in Pittsburgh after spending Christmas with Mrs. Evans' son-in-law and daughter, **MR. AND MRS. EMORY M. FORD** of Woodland place. The Fords will follow Mrs. Evans to Pittsburgh to spend the New Year weekend there.

**MR. AND MRS. W. S. B. HENDERSON** of Yorkshire road, entertained at a buffet supper for 75 guests in their home on Wednesday evening.

**MR. AND MRS. ROBERT C. MARTIN** of Grosse Pointe boulevard, entertained at a cocktail party and buffet supper in their home on Sunday evening.

**MR. AND MRS. MERTON E. FARR** of Cloverly road, will leave January 3 for Pasadena, Calif., where they will be at the Huntington until April 1.

**PFC. RICHARD O. SPEIR** is home visiting his parents, **MR. AND MRS. EARL R. SPEIR** of Lothrop road, for the holidays.

### Cocktail Party to Be Given by Mr., Mrs. Harold Boyer

Among the guests who have been invited for cocktails by Mr. and Mrs. Harold R. Boyer of East Jefferson avenue, before going on to the Little Club for dinner on New Year's Eve, will be:

Mr. and Mrs. C. Henry Buhl, Mr. and Mrs. John T. Woodhouse, Mr. and Mrs. George Schenck, Mrs. Theodore D. Buhl, Major and Mrs. Thomas Keresey, Harry Rust, Mr. and Mrs. W. Dean Robinson, Mr. and Mrs. Wendell W. Anderson, Robert B. Edgar, Mrs. Jewett Dwyer, Lieut. and Mrs. Charles Creodon, Mr. and Mrs. Harley Earl and Dr. and Mrs. J. Stewart Hudson.

### Radio Stars to Entertain Dominican Mothers' Club

On Wednesday evening, January 5, the Mothers' Club of Dominican High School will hold its regular meeting at the school at 8:15 p. m.

Entertainers from Radio Stations WJR and WJLB will be the Guest Artists for the evening. Tea will be served.

Cobby Bartlett, Joannie Bauman and Jim Smith and Janie Gehlert and Bill Bokrum.

Comin' out of the movie before the dance we saw Annette Davis and Tommy Ronan with Joanne Morrison and Dick Seymour. Right behind them were Jo Ann Russell and Bill Penoyar, Lois Gherig, and Dave Fairless, and Jane Mozena and Mike Bloy.

Heard Katie Kalbfleisch and Sandy Malcomson lamenting about the holes they had worn in their socks and likewise with Elaine Kramer and Dick Meyers, Barb Galamo and John Casey and Sally Baker and Bob Cudlip.

On account of the man-power shortage Darlene Brink, Alice Jackson, Pat Romain, Ginny Morten and about fifty other gals decided to go hag.

## THE LIGHT IN THE FRUIT CELLAR

Someone, perhaps Mrs. Jones, went down to get a jar of victory garden tomatoes last evening and forgot to turn off the light. It wasn't discovered until next morning—washday, luckily—when Mrs. Jones started working in the basement.

Ordinarily a small light left burning all night wouldn't be too important. But today ANY waste of electricity is serious because it wastes coal—as well as transportation, manpower, and other critical resources. That is why the Government requests you to conserve electric power—voluntarily—in home and store and office.

Even though electricity is not rationed and there is no shortage in this area, conserve whenever you can, as much as you can. The Detroit Edison Company.

## Behind the Detroit Front

by JANE SCHERMERHORN

The day before Christmas at one of the many depots where boxes for servicemen were being wrapped there was a great manpower shortage.

We like to tell this story because it concerns a Grosse Pointe woman whose list of good deeds is as long as the land.

When she learned that more workers were needed she packed her two grandsons, her secretary, maid and chauffeur into her automobile and drove to the depot. There the six worked all day long.

Late in the afternoon it was suddenly discovered that a certain camp in Northern Michigan had been totally forgotten.

Said the Grosse Pointer, "Call the camp's commanding officer and ask how many men he has."

There were 4000 boys who would be without a Christmas. But the Grosse Pointer then talked to the commanding officer and asked him if he would buy 4000 two dollar presents from the merchants in the small town.

She said she would drop her personal check for \$8000 in the mail the minute their phone conversation ended.

There was one thing she asked concerning the whole matter—no publicity or exploitation.

To this Grosse Pointer we say "Happy New Year" and the many more deserved by her great heart.

It was the vogue around town this Christmas to say:

"Oh, thank you for the BEAUTIFUL BOX... the gloves came in it are offily nice, too!"

Did you happen to see those perfectly adorable pastel yarn dolls that Miss Annie Ward Foster made for the pupils of her baby dancing classes this Christmas?

About eight inches tall, they were knitted and crocheted in cleverest manner... and around their soft, wooly necks jingled little silver bells.

Have you heard: There was a young bard from Japan

Who found it difficult to make verses scan

Said she, "The trouble with my Verse is I try

"And I mean I sincerely endeavor, to make the very last line just as long as I possibly can."

You're going to be thrilled by the voices in the choruses of the Civic Light Opera Company when January 11 rolls around.

That's the date of the first opera, "Naughty Marietta" in Masonic Auditorium.

The choruses were selected from Detroit talent and after a month of coaching by the finest New York staff, they're going to be something to hear.

The Civic Light Opera Association will probably grow into a permanent part of Detroit. Its officers and members (men as civically-conscious as Leo S. Fitzpatrick, Henry T. Ewald, etc) are enthusiastic about the chance such an organization gives to the young people of the city.

## Prepare Your Tin For Next Pickup

"There is a job that you can do in the war effort," says Terry Bannon, chairman of the tin can division of the Wayne County Salvage Committee. "This job," Bannon continued, "won't take but a few minutes of your time each day, but it means a great deal to the war effort. That is, properly prepare and save your tin cans. Tin is considered one of the most important metals in the entire war production set-up."

According to Bannon, statistics show that it takes tin from 27,000 tin cans to provide enough tin for a long-range bomber and 21,000 for a short-range bomber. It takes tin from 9,000 cans to manufacture a light tank and 168 for a trench mortar. An average family's supply of tin cans for two weeks is 16 and that is the number it takes in building a machine gun. Tin is also used as the container for the service man's food and medicine supplies. All in all, it probably plays the most important part of all secondary metals in the war effort.

Save your tin cans by washing them thoroughly, removing the labels, taking off the tops and tucking them within the can, and flattening the can.

Bannon states that the next collection for Wayne County will be January 15 and a new record is expected to be set. The highest total collected to date was 1,600 tons on October 23, 1943.

## Home on Leave

**PETTY OFFICER 3/c LAURETTA J. VAN BECELAERE**, daughter of Police Lieut. and Mrs. Arthur Van Beceleare of 510 Notre Dame, has arrived to spend a six-day leave with her parents after completing a course at Stillwater, Okla. She will report for further duty and training at Mitchell Field, N. Y.

Wave Van Beceleare enlisted last September 7 and was sent to Hunter College, New York City, for boot training before going to Oklahoma.

The results of the recent School-at-War Jeep Campaign at Kerby School was \$12,953.00. Kerby School purchased two Flying Jeeps, two Amphibian Jeeps and two Original Jeeps. The school will receive a special treasury citation from the War Finance Committee stating that we have purchased the Jeeps.

Wednesday afternoon, Dec. 22 the Kerby School Chorus, consisting of the fourth, fifth and sixth grades, under the direction of Mr. McLeod, Miss Heinke and Mr. Shaffer, entertained their parents with a recital of Christmas songs and pantomime. The same group visited the Marine Hospital Tuesday afternoon and sang Christmas Carols for the patients.

Kerby School children purchased \$62.00 worth of Tuberculosis Seals. This is an average of five seals per child.

You can use the old wool blanket as a warm interlining for a child's coat or for a baby bunting.

Public awareness of the critical need for waste paper salvage is rapidly spreading, if telephone calls to Randolph 8282, the official salvage number, are any indication, according to Edwin J. Anderson, chairman of the Wayne County Salvage Committee. Some interesting facts are being brought to light by a survey of these telephone calls.

One of these facts is that of 200 calls for actual pick-up, who claimed they had 100 pounds or more of paper, these calls actually averaged 250 pounds each for a total of 50,000 pounds. The percentage of calls has increased approximately 300% in three weeks, putting Detroit in third place in number of telephone calls on waste paper in all large cities supporting the drive.

The Rhythmaids from the Fraser Studio of the Grosse Pointe School of Music were very happy over the reception they received at the Armory on the Times Santa for Servicemen program.

Alice Fraser, their leader who was in Florida, arranged to give each girl in the group an opportunity to M. C. a show during her absence.

Joanne Gunther proved she knew how; so, she will get a chance to do it again at the Armory on Piquette soon.

Dolores DePiero, accordionist, is an added attraction on the Rhythmaids program.

A new course in Typing will be offered at Grosse Pointe High School beginning Monday, January 3, at 7:30 p. m. This course is for both beginners as well as advanced typists and will be under the direction of Mrs. Florence McGrath.

Please call NI. 2000, extension 25 for reservations or further information.

## Silhouettes

Patricia O'Ferrall, who plays the part of the svelte empress, Enetra, in "The Great Quest," has been a member of Everyman's Theatre for almost two years. A Grosse Pointer, Miss O'Ferrall was graduated from Liggett School, then attended the University of Michigan, leaving there to study dramatics at the Goodman School of Drama in Chicago. She played summer stock in East Hampton, Long Island, for two summers with the Rollins' players, toured the New England states with them in the fall of 1941, and later accompanied the same group to the University of Arizona to study under T. W. Stevens of Globe Theatre fame. "Tish" is the daughter of Dean and Mrs. Kirk B. O'Ferrall of Lakeland Ave., and at present is active in professional radio and a member of Theatre Arts. "The Great Quest" comes to St. Paul's Cathedral for presentations on Thursday, December 30 and Sunday, January 2, both at 8 p. m.

## Town Hall Books Chinese Scholar

Detroit Town Hall in the Cass Theatre resumes the Friday morning lectures after the Christmas recess, on January 7 at 11 o'clock, with Colonel M. Thomas Tchou, brilliant Chinese philosopher, scholar, soldier and world citizen, speaking on "China's Fight for Civilization."

Colonel Tchou (pronounced Chew), former secretary to the Generalissimo of the Chinese army, General Chiang Kai-shek, has been director of the labor department of the government and China's chief representative at the International Labor Conference at Geneva.

Under the personal direction of Generalissimo and Madam Chiang Kai-shek he established the Officer's Moral Endeavor Association, the forerunner of the New Life Movement. Colonel Tchou drafted China's housing plans, her factory laws and labor relation laws.

As founder of the World Citizen Movement, launched in 1940 Colonel Tchou is making a timely contribution to the study and creation of a better world order. He knows Europe well, having spent many years there. His degree was received from the University of Glasgow in mechanical, civil and naval engineering and he is an accomplished linguist, speaking English, French and German.

## Elizabeth Cass Chapter Will Meet on January 4

Elizabeth Cass Chapter, D. A. R. will hold their January meeting at the Women's City Club, Tuesday, January 4, at 1:30.

The program of the afternoon will include an address by Col. Owen W. Cleary, Commanding Officer of the Michigan State Troops, who will tell about his own work and that of the State Troops.

## Household Hint

To clean a calcimined wall use a good wall paper cleaner and handle the same way as in cleaning wall paper. Calcimine streaks more easily than paper, so to avoid streaking clean smaller stretches at a time, and change the wad of cleaner frequently.

Service which the Intermediate and Senior Departments and the Married People's Class will attend. Please note this change of hour and inform your neighbors who may be absent this morning. The 9:45 hour will be resumed on January 9.

The Sacrament of the Lord's Supper will be observed on Sunday, January 2 at 11 a. m. New members will be received at this service, and those who are thinking of uniting with the church are requested to confer with Dr. Pitt at their earliest convenience.

## ST. JAMES LUTHERAN CHURCH

St. James Lutheran church of Grosse Pointe holds divine service every Sunday at 11 a. m., in the Punch and Judy theatre. Sunday school begins at 9:45 a. m.

The Rev. George E. Kurz, pastor of the congregation, will preach the New Year's message next Sunday on the subject: "The Name Jesus."

The following men will be installed as new officers at this service: President, Edward Bauman; Vice-President, Fred Carnarius; Treasurer, Eugene Rummel; Secretary, Louis Ver Wiebe; Financial Secretary, Ralph Tasker; Elder, Fred Wuebold; Trustee, Fred Flemming; Sunday School Superintendent, T. G. Dahlen.

The following men remain in office, having been elected for a three year term: Elders, Dr. Austin Neeb, Edwin Wagner; Trustees, Ernest Moeller, Sr., Fred Holmes. People in the community without a church of their own are cordially invited to worship at St. James church and send their children to the Sunday school.

## Catholic Theater Play Continued

Detroit just can't seem to get enough of The Catholic Theatre Children's Stage presentation of the hilarious comedy, "Peck's Bad Boy."

This three-acter, which tells the story of a typical American boy and all his chums, will be shown twice on Sunday, January 9 at the new C. Y. O. Center, Mack and Maxwell.

Reservations are available at The Catholic Theatre Office, Chancery Building, 1234 Washington Blvd., or telephone CADillac 1700. There will be both an afternoon and evening performance—2:30 and 8:30 p. m., both open to children and adults at 25c and 55c.

"Peck's Bad Boy" was originally scheduled for only two performances at The Players Theatre in the middle of November. They were sell-outs and the production has played five command performances to date, including a trip to Adrian, Michigan. Mary Delly is production manager; Betty Collins is director; the cast is composed of children and adults, with children actively assisting on all production committees.

## New Year's Resolutions

Tomorrow night on the stroke of twelve, as an old year dies and a new one is born, a fitting moment comes to the people of this country to exercise the old but often unhonored custom of making resolutions.

In normal times these New Year resolutions have to do only with the personal habits or codes of our private lives. This year there is a resolution already at hand which every man and woman and every child that has arrived at the age of accountability should take to his heart as peculiarly his own and with a fixed determination to keep inviolate during all the remainder of the year.

This is in brief to do everything that lies within our power to help our common country emerge from this war completely victorious as quickly as possible. Unless we win the war all of our declarations and dreams for a better world will come to nothing.

First of all let each one of us realize that we are still a long, long way from a victory; so far that even in this so-called good year of 1943 we have not been able to do much more than hold the battle line. The line on the home front we have held only indifferently well and already many alarming cracks are showing.

We must resolve to support our country by paying our taxes and buying the securities of the Government to the absolute limit of our ability. This is necessary not only to fight the war as it progresses but just as necessary to preserve the foundations of our civil life on which we can begin to build this better world after the war has been won on the battle field.

With this, we must play fair with the whole country. We must resolve not to cheat in act or thought. We must play fair with the rationing system which is necessary to assure an equitable distribution of food and other commodities among all of us. We must avoid patronizing black markets as we would shun a place placarded with a small pox sign.

We must save every useful thing and make everything we use go as far as possible. We should contribute to the salvaging collections every discarded article which the Government tells us is needed for reclamation.

The worker in the war plant should determine unalterably that he will under no circumstances, nor under any provocation, contribute in the least degree to the interruption of the flow of material to the boys on the fighting lines. These are the only ones who are making any real sacrifice in this war. To withhold from them is treason to the country and betrayal of the men who are fighting for us. It is an abandonment of our own sons and brothers.

The producer of foodstuffs should determine that come what will in the way of prices he will rely on the inherent sense of justice and fairness of his countrymen to see that he gets a decent reward for his products, and proceed to produce all that he can of that one first requisite of life in peace or war—food.

The manufacturer should resolve to produce all he can and of the best quality possible in return for the money he receives. Any who does less should not only be punished to the extreme limit of the law but in addition should be banished from the company of decent men.

If all the men and women and boys and girls in this country from this New Year's Day on do their part, there would not be again in the whole course of this war, however long it may last, any question about the ability of this country to produce every essential thing needed to carry on this war to a victorious conclusion. This country can do this job and can come through strong with its foundations unimpaired if all of its people unite as a single patriotic unit to serve its cause.

The only question mark in the whole situation must be placed after the query as to the spirit of the people themselves. They must cast out every selfishness and make their country's welfare the guiding principle of their lives.

This is no time to debate drifts or tendencies. We are in a war up to our necks. We should all realize this by now. It is no time to look back or even too far ahead. The issue stands out just as clearly today as it did the day after Pearl Harbor.

This New Year's Day is an appropriate moment for every American to repeat to himself the forthright declaration of Stephen Decatur:

"My Country; May she always be Right; but My Country, Right or Wrong."

But this time, Mr. and Mrs. American, you need waste no time on useless queries. YOUR COUNTRY IS RIGHT.

## New Slogans

We have it on no less authority than Mr. Roosevelt's private secretary that he wishes to change the slogan of his party.

The "New Deal" has grown decidedly threadbare. It is badly frayed and worn by ten years of overwork. It is time, the President thinks, it should be put away in mothballs.

Obviously Mr. Roosevelt is thinking hard about a better rallying call for 1944. Some of his ear-filling catchphrases have already been interred, and so quietly and completely that nobody seems to have noted the demise.

The "Forgotten Man" has passed out of the political nomenclature. Of course there is no forgotten man any more; they have all been remembered, unless it might be the businessman and he never did count enough noses in the political jackpot to be seriously considered.

Postmaster General Walker, who from his premier political position in the Cabinet and from the fact that he has more than a nodding acquaintance with the money bags of the country, should know Mr. Roosevelt's innermost political cogitations, says that he doesn't know whether Mr. Roosevelt will run again and further says "I do not think Mr. Roosevelt himself knows whether he will run."

Doubtless Mr. Walker spoke the truth. We may be certain that as the time approaches next year when a decision must be made if Mr. Roosevelt thinks there is grave doubt of his election, he will assume his most serious mien and declare, almost piously, against the propriety of any man seeking the Presidency for a fourth term.

If he thinks he has better than an even chance; that is very, very much better, nothing short of the wreck of matter and the crush of worlds will prevent him from crowding everybody else in his party out of the convention limelight.

## Politics Versus Transportation

Because Woodrow Wilson was launched on his Second term in the spring of 1917, when we had just entered the last war, and because he was not troubled with even the most fleeting dream of being elected President for a Third term, he was able to do without hesitation at the very outset of the war what it has taken two years of desperate war to move President Roosevelt to do when well advanced in his Third term and immersed to his gills in heavy thinking and maneuvering for a Fourth election.

On Monday, with a tieup of the entire railroad system of the country only hours away he finally placed the roads under the control of the National Government.

Knowing Mr. Roosevelt's cavalier attitude toward all matters of mere money spending we may be certain it was not thought of the tremendous additional cost it will pile on the war expense that made him hesitate.

The Government's venture into the field of railroad operation in 1917-18 cost that relatively pinch-penny administration a matter of \$750,000,000 a year for those two years. Such peanut items surely hold no worries for our present grandiose Government.

William G. McAdoo, Secretary of the Treasury, Administrator of the Railroads, Presidential son-in-law, etc., etc., did a fairly good job of it at that. He was not handicapped, however, by having to carry along with the rest of his responsibilities the greater one of landing the Big Chief in the White House for another term.

## OCD Is Worried

Disturbed with the complacency over the war situation that has penetrated some parts of the country like an enervating miasma, the Army has requested the OCD to arouse the people to the danger that still hangs over the country. The Army believes it is yet well within the realm of possibility that an actual bombing raid might be pulled off and if such should occur the great Detroit munitions center would be a likely objective.

Pursuant to this warning Captain Don C. Leonard, Michigan State Director of the Office of Civilian Defense, has called a meeting of the OCD Commanders throughout the State at Lansing on Wednesday, January 5.

The purpose is to impress on the local commanders the great necessity of maintaining a spirit of alertness in their respective communities and to combat the feeling that has penetrated the country with our improved military and naval situation that the day of possible danger to civilians has passed.

The military authorities, who are best qualified to express judgment on this possibility, think otherwise, and it is a matter of deep concern to them that the civilian population has been receding from its early vigilance.

There was, of a certainty, something more than a wild rumor behind the four-hour alert which Mayor LaGuardia recently caused to be issued in New York City.

The Army earnestly desires to impress on the civilian population the necessity of keeping intact all of its provisions for meeting emergencies. It suggests to the people at home that Eternal Vigilance is the price of Security as well as Liberty. This phrase will be the keynote and motto of the coming meeting at Lansing.

George Elsworth is the local OCD Commander. He is going to attend the Lansing meeting.

## The Pershing Role

General Dwight D. Eisenhower seems all set for the Pershing part in World War II. The people both here and in Britain are well pleased with his selection. The actual military and naval leaders are prevented from expression by the rigid discipline which obtains in the fighting services but the columnists who function in and about Washington who often give the public an inside view on matters otherwise veiled say his appointment meets with the genuine approval of his professional associates.

They not only concede his great abilities for high command but are particularly pleased with the prospect that his naming will keep intact the triumvirate of Marshall, King and Arnold as heads of the Army, Navy and Air Force, whom all observers, both lay and professional, agree are the best in the services for their assignments.

## Elementary School Notes

**RICHARD SCHOOL**  
Richard School pupils, have been doing a fine job these last months in the purchasing of bonds and stamps for the prosecution of the war. Olive Stringer, teacher of the fourth grade in the school, in anticipation of the next big bond drive beginning on Jan. 18 writes as follows:  
Shall we start out the New Year right? Shall we help Jimmie and Jerry get their stamp books all filled ready for our next bond drive which begins Jan. 18. Their stamp books must be completely filled before they may purchase a bond. What about that money they got for Christmas from Grandma? She would love to see them have a bond or stamps we know. The month following Christmas is always our largest Defense Stamp sales month.

the A.W.V.S. who sells the stamps directly to the children, which gives the children the experience of actually handling the money and making their own purchases, counting their own stamps, and checking their own change. Mrs. Diedrich is very fond of children and very pleasant with them at all times.

At present Mrs. Diedrich takes the applications for the bonds and brings back the bond the following week. During our next bond drive Mrs. Diedrich will sell the stamps to the children but they will order their bonds from their own teacher in their own room and they must present their book completely filled with stamps before an order for a bond will be accepted. To be sure we will accept checks or cash for bonds as usual but we cannot accept a partially filled stamp book plus the remainder in cash or checks.

Let's all work together then for the minute-man flag for good Old Richard School and let's go over the top in the bond drive.

## Grosse Exaggerations

A. PRYOR

"If, as they say, some dust thrown in my eyes  
Will keep my talk from getting over-wise,  
I'm not the one for putting off the proof.  
Let it be overubelming!"

(Robert Frost)

We know of one woman who has solved the porter problem while traveling. We saw her at the station recently, towing in her wake a large suitcase which had been fixed with a wooden board and four small wheels. All she has to do is lay the thing on its side, unwind the rope from the handle and pull the suitcase along—even as we used to do our little red wagon.

In Time Magazine last week we read the following: "In Detroit, Mrs. M. Clegg's advertisement of an electrolytic depilatory announced that it would "permanently and safely" remove "unsightly hats." We could hardly wait to check with Mrs. Clegg. She informed us that the ad appeared in only two papers—the Grosse Pointe News and one of the dailies. "Unsightly Hats" appeared in the daily ! ! ! Ho hum!

**OUT OF THE MOUTHS OF CLUB EMPLOYEES DEPARTMENT**  
A young woman living in the Pointe telephoned her husband at a local club where he was in the process of giving a stag dinner. She asked for her husband and heard the operator tell a boy to fetch him. Apparently, the messenger asked who he was because the woman heard the operator say, "HE'S the bald-headed guy who's giving the party."

We ought to be used to it by now, but we aren't—operators who take telegrams over the phone. A woman we know sent a wire last week to a friend, advising him that his Christmas present would be late and that she was sorry, etc. At the end she said to the operator, "I don't suppose I can say 'have fun' or some such thing?" The operator allowed as how she couldn't. "Well, suppose I say 'Don't have fun'—will that be alright?" The operator chewed on her teletype for a few minutes, then said, "Yes, I guess that will be okay."

Another woman we know sent a wire recently and told the operator to sign it "Vangie." The W. U. gal asked, "Is that short for Evangeline?" The woman admitted this, then the girl asked, "Is that YOUR name?" The woman also admitted this and waited breathlessly for the girl's next question. All she heard was a very distinct titter which still puzzles her.

Chances are that when we (or you) have unexpected callers, we're stuck with them, but not so with some of the Grand Dames that live around here. Just heard that one woman has two carriage lights on either side of the front door—for signals, not light. If they're on, Mi'lady is IN, if they're off, even the insurance collector wouldn't have the temerity to raise the knocker. Another woman has an iron black boy at the gate. All visitors have learned to look at the card in his outstretched hand. If it reads "IN," you're in and if it reads "OUT," you're out of luck.

Speaking of those little iron "carriage boys" that are parked on the curbs in front of some Pointe houses, we wish someone would repeat the trick played on a local couple a few years ago. On Christmas morning, the snow was about three inches deep—everything was silvery white and beautiful. Two neighbors of the couple gathered together a small truck load of you-know-what from the Hunt Club stable and dumped it in the white snow, right at the little iron carriage boy's feet. It was a beautiful old-fashioned sight.

Best radio cracks of the week—Archie in Duffy's Tavern, "Let's go into the ConVERSatory—that's a place where you can talk and smell flowers at the same time." And the contestant on a quiz program, who, when asked what Leonardo DaVinci would be most noted for if he were alive today, answered, "His age!"

## Michigan Mirror

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way—in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only."

When were these words written? No, guess again. Possessing all the timeliness of 1944, they were written in 1860 by Charles Dickens. The words form the initial paragraph of Dickens' greatest work, "A Tale of Two Cities," a story of the French revolution 70 years earlier.

Approaching events of history cast their shadow ahead. On the basis of current information, we predict for 1944:

**BUSINESS.** Another boom year! The curve of the industrial index is climbing higher. It makes the pre-war years look like the first steps of a tall ladder. Back in 1929 when they say we had prosperity, the peace-time record was \$48 billions. The estimated sales total for 1943 is \$63 billions; and the experts insist that higher prices in 1944 should boost this dizzy sum to around \$65 billions! As long as Germany holds out, American arms production generally must continue at high level.

**FARM INCOME.** Cash farm income is expected to rise 5 to 10 per cent in 1944 for another new record. Yet the sale of goods to farmers may decline due to shortage of merchandise. Farmers are accumulating surplus earnings for the post-war period. They will be heavy buyers of consumer durable goods (refrigerators, etc.) when the situation eases. Watch for a farm land boom. It's already on the way.

**INVASION.** The big channel invasion is likely to take place between April and June. The Balkans invasion, probably a diversionary thrust, may come earlier. Invasions will bring new gasoline restrictions for American motorists. Casualty lists will grow. The time is here for frontal attack by the doughboy, supported by air and land artillery. Air power alone will not knock out Germany. We predict: Unconditional surrender of the

**LOBBYISTS.** The grand jury investigation has resulted in indictment of several legislators and a few individuals who were interested in pending legislation at Lansing. Hence, the so-called lobbyists are vulnerable in 1944 to legislative reform. Any severe restriction would affect legislators as well as lobbyists, for it is ethically possible for an attorney to serve both the people and a private client when he votes as a member of the house or senate. We predict that the legislature will impose mild regulations, if any.

**RESORTS.** Our third summer in war, plus nerve jitters from invasions, will stimulate public demand for rest and relaxation. Michigan's northland resorts should have a fine season, if their facilities are adequately publicized.

## THE OLD JUDGE SAYS...

"The men overseas don't mince any words about the way they want to find this country when they come marching home... do they, Judge?"

"They certainly don't, Herb...and they shouldn't. They're doing a masterful job fighting over there to protect our rights and they have good license to expect us to protect theirs back here at home. One thing they're mighty clear on is their stand on prohibition."

"I saw in the paper just the other day the results of a poll taken among American service men in England by the British Institute of Public Opinion. They asked hundreds of men point blank how they would vote on prohibition. 85% of them stated, in unmistakable terms, that they would vote against it. There's no doubt about it, Herb...the men overseas don't want any action taken on that subject while they're away."

"And they're 100% right, Judge, because I know how I felt when I came home after the last war—only to learn that we had been over there fighting for so impractical a thing as Prohibition."

## Dear Friends:

Once again we are about to encounter a New Year, and can not help but reflect upon the finish of 1943.

We've gone a long way since Pearl Harbor.—It has been difficult, but perseverance and belief in ourselves and our fellow-Americans has carried our banner forward.

This struggle dug deep into our reserves of Manpower, equipment and supplies. Many times the future looked black, but only until American ingenuity came forth to pave the way.

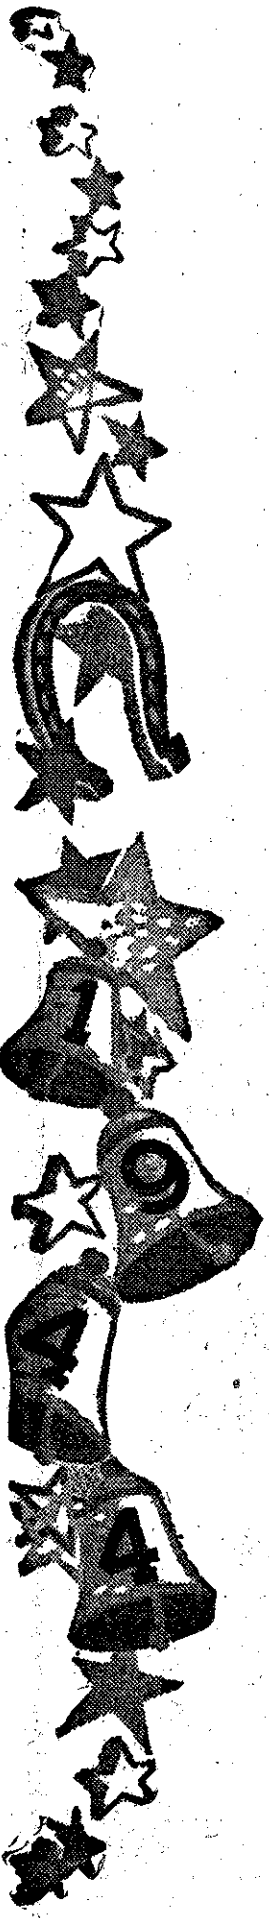

We of Al Green's, are proud of our record. It has always been our endeavor to make the best of conditions and to do our best at all times.

We thank you for your consideration and your co-operation and it is our sincere hope that it shall be our good fortune to serve you again this coming year.

With the Season's Greetings, I remain,

*Sincerely,*

### Hallet Abend to Talk Here

Author and Foreign Correspondents to Appear on Pointe Lecture Series

Hallet Abend, well known author and foreign correspondent

will be the speaker on Tuesday, January 4, for the monthly series of lectures sponsored by Grosse Pointe Lectures, Inc.

Mr. Abend's topic for the evening will be "America's Stake in the Pacific."

The lecture will be presented at the John D. Pierce Auditorium, located on Kercheval near Bal-four at 8:30 p. m.

Hallet Abend's terse, timely, ominous reports on the Far East have an authority possible only

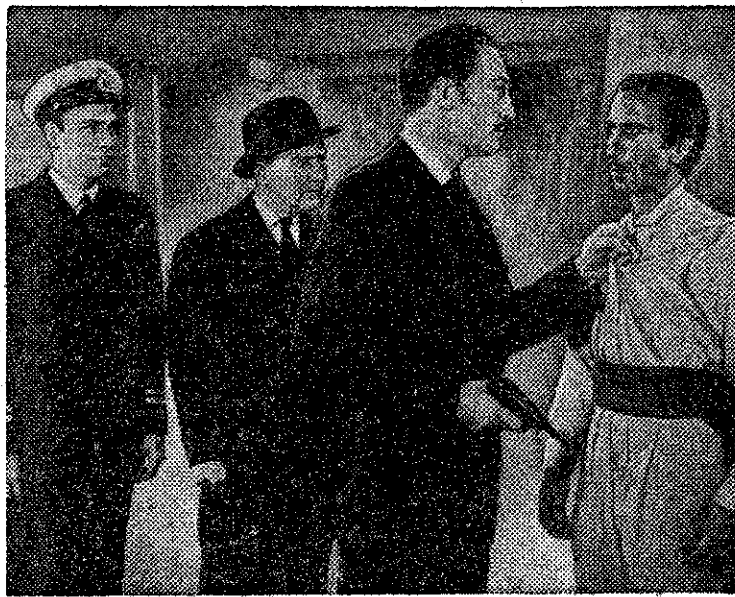

to a speaker with his long and distinguished record in the Orient. For fifteen years preceding the attack upon Pearl Harbor, he was the New York Times Chief Far Eastern Correspondent. It was his advance story on Japan's joining the Axis that first informed the world of Japan's proposed scope of military and political ambitions.

**Prolific Writer**  
Mr. Abend is a contributor to the Readers Digest, Saturday Evening Post, Look Magazine, Liberty and the American Mercury. He is the author of many books, that are considered as standard references for students of Far Eastern Affairs. "Japan Unmasked," "Ramparts of the Pacific," "Pacific Charter" and "Tortured China" are a few of his books.

Hallet Abend first went to the Far East in 1926, covering the guerrilla warfare, bombings and civil wars so prevalent in that part of the world at that time. He was in the midst of the bombing of Shanghai, witnessed the attack on Tsinan where 7000 Chinese charged to certain death from Japanese machine guns. He has met and interviewed Konoye, Matsuoka, Tojo, MacArthur, Chennault, Halsey—virtually all of the key figures directing hostilities in the Pacific area.

**O'Brien is Moderator**  
John J. O'Brien, director of the Grosse Pointe War Council will introduce Mr. Abend and act as moderator for the question period following the lecture, which will allow time for many questions to be answered by Mr. Abend that remarks.

### For New Year's Day

WARREN WILLIAM, THE LONE WOLF, GIVES A DEMONSTRATION on the proper way to bargain with agents of the Axis, while ERIC BLORE and young ROBERT STANFORD look on approvingly. The scene is one of the many exciting ones from Columbia's "Passport to Suez," showing on the screen of the Lakewood Theatre, New Year's Day. Andre de Toth directed and the fine cast also includes Ann Savage, Sheldon Leonard and Siga Arno.

### Howard is Star at Club Royale

Johnny Howard, inimitable comedian, is definitely the bright star of the Club Royale's holiday revue. Johnny, who has many loyal fans in town, has added sure-fire new material to his stock in trade—mainly his "dramas," his singing and his whistling. His act is smooth—well perfected to the last detail—and presented in a way that wins him top applause.

Jerry Knight, a girl with loads of pep and personality, is a most engaging songstress who includes in her repertoire all the current favorite tunes such as "My Ideal" and "Close To You." Jerry, by the way, is the miss who penned the popular "I Heard You Cried Last Night."

Held over to baffle the ring-siders is Jimae, whose deft sleight of hand, is the cause for many "oh's" and "ah's." His mystifying magic, quick and sure is carried out with nonchalance that makes his act more intriguing.

The Burton's, a brother and sister team, are a personable duo who specialize in variety dancing. All their routines are well polished and their ballroom number is executed with charm and grace.

Carol Crane, a pert little miss, does some neat control acrobatics that wins appreciation. Nimble of foot and having perfect body control, Miss Crane receives sound applause.

The Royalties break the revue with several appealing production numbers including appropriate seasonal routines. Roy Tracy, master of ceremonies, watches over the show capably, and Cyril Ray's orchestra plays for the revue and for dancing enjoyment.

### Police Set to Clamp Down on Drunken Holiday Drivers

Although the State Liquor Control Commission has taken the lid off New Year's Eve celebrations by extending the closing hour of bars and taverns to

4 a. m., Detroit police will continue to keep the lid on drunk driving and, according to Traffic Director Christian Nelson, they may even clamp it down a little tighter.

Several tragedies in which drunk driving was a factor have already marred the holiday happiness of several Detroit families.

"Insofar as it is humanly possible for us to do it, we will prevent similar tragedies by exerting every effort to keep drunk drivers off the streets," Nelson said.

Earlier, police had called to the attention of bar owners their responsibility in the event a patron of their bars is later involved in an accident.

With most bars in the Metropolitan area posted with the Traffic Safety Association's poster, which warns that "Drunk Drivers Go To Jail," barkeepers report they have had little difficulty in dissuading patrons.

Police will maintain an all-night vigil around bars and taprooms to prevent persons who have been drinking to excess from driving their cars. Squad cars will be on the alert for drivers whose behavior is the least bit suspicious.

Pedestrians who are obviously under the influence of liquor will be picked up on a "Golden Rule" charge as a protective measure for themselves as well as to prevent their causing an accident by making motorists swerve in order to avoid them.

In a warning directed to holiday celebrants, Nelson said that the police and the courts are deadly serious when they say, "Drunk Drivers go to jail."

Court records for the past four years prove that from 85 to 90 per cent of those convicted do.

### New Year's Eve Brings Big Show

Five star vaudeville acts and three big pictures feature the program the Lakewood Theatre is planning for its customers at the midnight show on New Year's Eve.

Manager Gallagher promises unusually high class numbers for the vaudeville program.

"Passport to Suez," "Mexicali Rose" and "After Midnight" are the features which will be shown on the screen.

### Colorful Opening Staged by Casino

One of the most colorful grand openings in recent years marked the premiere of the new Grand Terrace Casino, one of the country's finest theatre-type night clubs, on Tuesday of this week.

A spectacular fifty-person revue, comparable to Manhattan's most lavish musical productions and providing four solid hours of entertainment, starring beautiful Ann Corio, Monogram Pictures star, is the casino's initial offering.

Prominent in the huge supporting cast are Frances Wills, sensational acrobatic dancer; Val Irving, clever comedy master of ceremonies; Milah Brooks' famous Hollywood Cover Girls; Calgry Brothers, knockabout comedy sensations; Art Duke, clay-modeling genius, featuring his novel "Plastique Comique"; Julie Dawn, light-operatic songstress; Dick Rowland, baritone, and the 12 Dolly Nutter Girls, lovely precision dancers.

Bill Bennett and his orchestra interpret the revue's specially-composed musical score and also play for dancing. The revue begins promptly at 9 nightly.

### New Services are Provided by Temporary Post Office

An authorization is expected momentarily from Washington which will permit the Grosse Pointe post office to handle registered mail and issue money orders. It will also be prepared to sell war savings bonds, but the postal savings department will not be opened for some little time.

Leland F. Lindow, in charge of the Grosse Pointe office, says that with the taking over of the registered mail and money order functions the office here will be performing every postal function that is exercised by the big post office down on Kercheval and Marlborough.

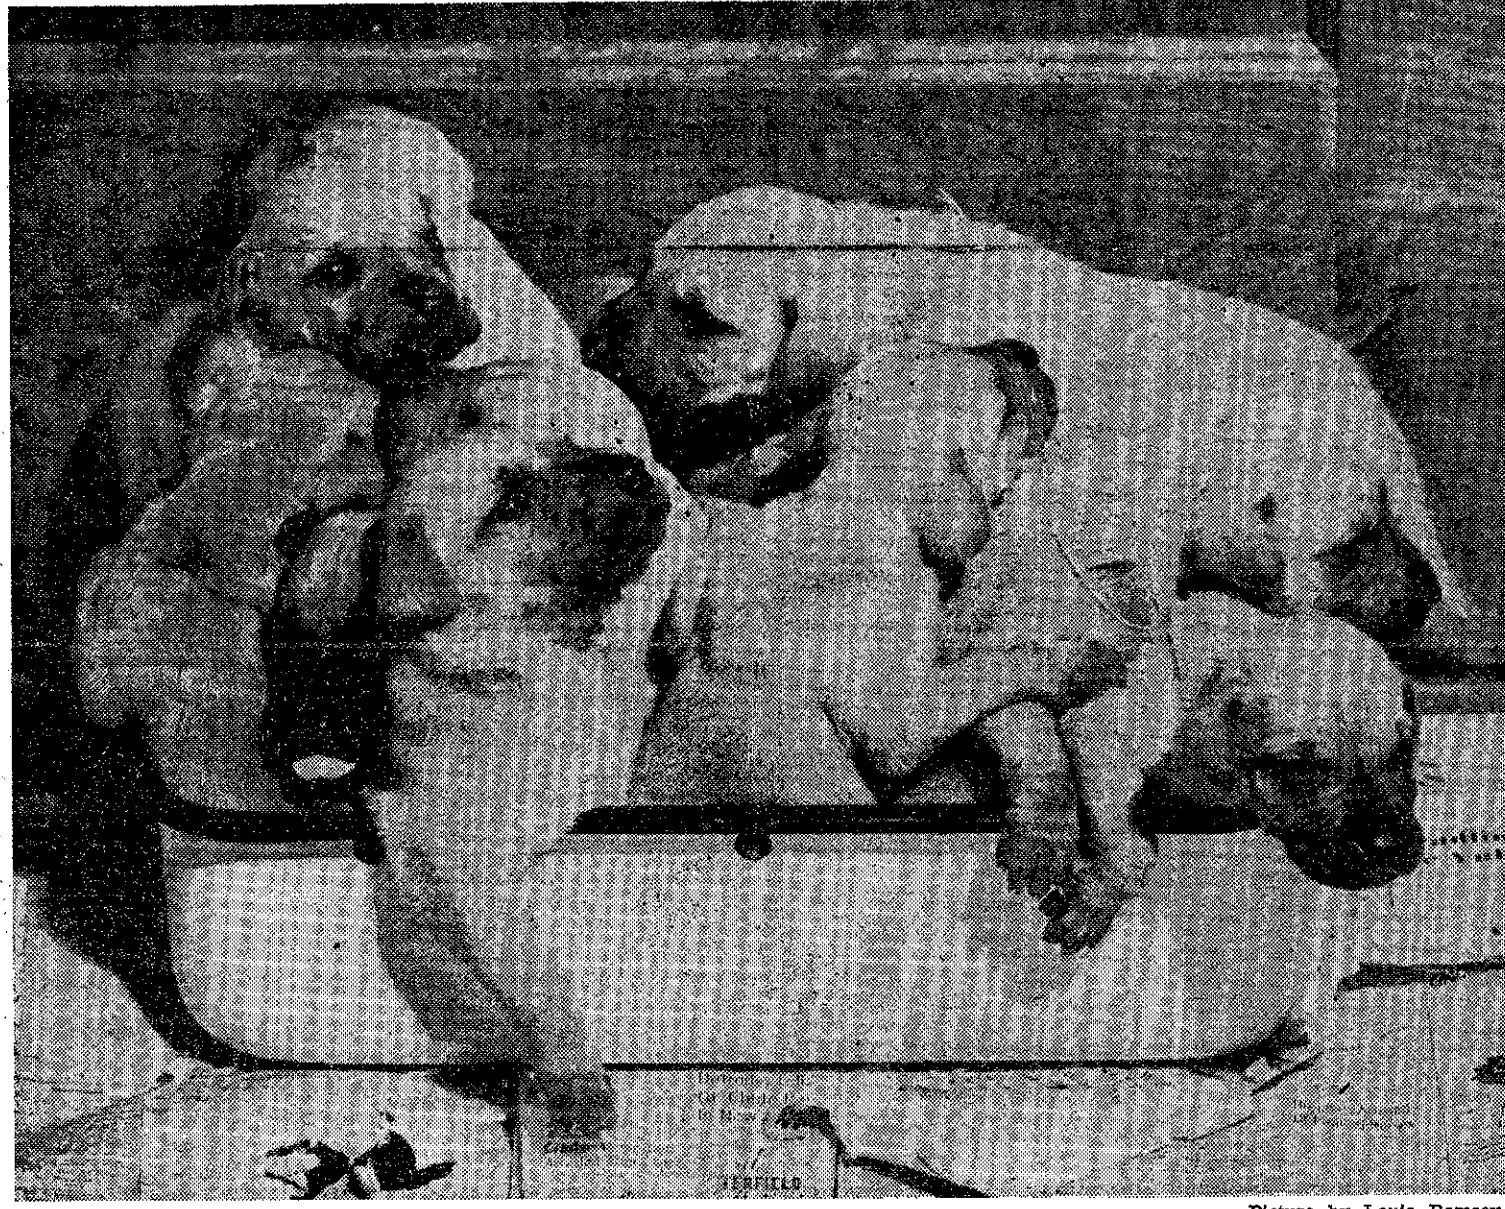

It was expected that the registered mail and money order business would start here last Tuesday, but the office learned on that morning that it must await an order from Washington.

### Mrs. George Tiedeman Succumbs to Illness

Mrs. George Washington Tiedeman of Savannah, Ga. and Detroit, died last Friday morning, December 24, in the home of her daughter, Mrs. Roy D. Chapin of Lake Shore road. She had been ill but a few days.

Mrs. Tiedeman had lived at the Parkstone for the last several years. Funeral services were held Sunday afternoon in the home of her son, Carsten Tiedeman of Kenwood road, with the Rev. Francis B. Cramer of Christ Church officiating.

### Think of the Ration Points They'll Consume in 1944

Queenie's 12 Great Dane puppies are already a lot of dog in any language, but imagine them by the time the New Year comes to an end. This picture and the one on page one were made in the veterinary hospital of Dr.

Fred A. Meier on Harper avenue, where Queenie is seeing to it that her family gets the proper start in life. Louis C. Ramsey took both pictures.

photography and mosaics at Lowry Field. He is a graduate of Grosse Pointe High School and attended the University of Michigan for a year before entering the Army.

Two Grosse Pointe men have won early promotions in the U.S. Navy as a result of their civilian technical training. Because they have had sufficient experience in trades essential to the Navy, and have been able to qualify with standards set for those ratings, they were given advancements upon completing their recruit training at the U. S. Naval Training Station at Great Lakes, Ill.

Now home on leave, they will soon return to Great Lakes for re-assignment to active duty aboard a warship in the U. S. Fleet, or to some naval shore station.

The Bluejackets from Grosse Pointe and their new ratings are: MARTE JOHN BARO, Jr., 18, 1427 Harvard road, Hospital Apprentice, second class; GORDON FRANCIS ALLARD, 27, 1246 1/2 Wayburn avenue, Water Tender, first class.

PFC. ARNOLD L. DUFFE, 23 years old, arrived home December 24 to spend the Christmas holidays with his parents, at 299 Rivard boulevard. He enlisted in the Marine Corps January 1941 and was with the first Marines to land on Guadalcanal. He was there until September 14 last. Since then he has been in the Naval Hospital in Oakland, California.

Now receiving basic flight training as an aviation cadet at the Bainbridge Army Air Field in Georgia is HERBERT H. BEEVER, son of Mr. and Mrs. Albert Beever, 2017 Hunt Club Drive, Grosse Pointe Woods, Mich. He completed pre-flight training at Maxwell Field, Ala. and his primary training at one of the many fields throughout the Southeast.

The Bainbridge flying school, a unit of the vast Army Air Forces Flying Training Command, is commanded by Colonel Mills S. Savage, a graduate of Georgia Tech and a veteran in the Army Air Forces.

Cadet Beever, who is a former student of Wayne University, enlisted for aviation cadet training on January 27, 1943.

### Higher New Year's Prices Allowed

Restaurants and eating and drinking establishments may charge 15% over their Sunday ceiling prices on New Year's Day if they customarily charged higher than Sunday prices on New Year's Day previously, OPA reported today.

If the establishment did not charge more in previous years, the ceiling price will be the same as the Sunday ceiling price for the same eating or drinking place.

The OPA provided this increase to assure the continuance of customary practices with reference to special New Year's traditions. The additional charge permitted is deemed sufficient to take care of the ordinary added expense for the holiday service in the special foods and decoration. This order in the future will include Easter, Thanksgiving and Christmas days.

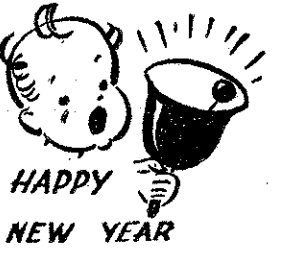

OPA pointed out, however, that this new regulation in no way affects prices for New Year's Eve. As previously ruled, New Year's Eve prices will be the same as charged in the same establishment on New Year's Eve, 1942.

### Christmas Spirit Comes to Rescue

The Christmas Spirit afflicts man and animal alike. The Farms police blotter carries these items this week:

On Tuesday Officer Fardon saw a crate of oranges that had been delivered by the express man to the residence of Dr. Albert E. Vossen, 222 Moran road. Knowing that there was no one home and that the fruit would freeze, he carried it in his scout car to police headquarters, where it awaits the family's return.

And on Monday afternoon Officer Elmer Labadie reported that while he was "pulling box 27, a setter dog jumped right into the scout car and wouldn't get out."

So, Officer Labadie, filled with the milk of human kindness and the Christmas spirit, suffered the setter to stay with him until he took him to the police department and deposited him safely and warmly in headquarters to await a call.

### BUY INVASION BONDS 'TIL IT HURTS and keep Faith with the BOYS IN THE SERVICE

A new recruit at the U. S. Naval Training Station, Great Lakes, Illinois, is WILLIAM BYRNE MESMER, 17, son of Mr. and Mrs. Robert B. Mesmer, 558 Neff road.

Now undergoing "boot" training, he is being indoctrinated into Navy life, and is being instructed in Seamanship, military drill, and naval procedure. Soon, he will be given a series of aptitude tests to determine whether he will be selected to attend one of the Navy's service schools, or

will be assigned to active duty at sea. Upon completion of his recruit training, he will be granted a nine-day leave.

Training at another field. Cadet Nutter is the son of Mrs. A. G. Nutter of 118 Moran road and the late Augustin G. Nutter, who was a major in the 17th Infantry, Duke of York's Royal Canadian Hussars in the last war. Major Nutter was wounded at Courcellette in the Second Battle of the Somme.

Young Nutter is a graduate of the Fountain Valley School at Colorado Springs and was attending Cornell University when he entered the armed services last March 29 at Syracuse, N. Y. He has taken previous training at Keesler Field in Mississippi, with a training detachment in Toledo and at the Santa Ana Army Air Base in California.

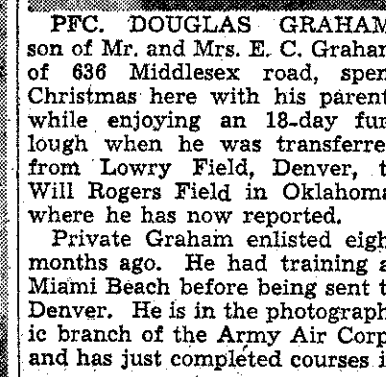

1ST LT. ANDREW B. SPEED, CWS, of Lake Shore road, Grosse Pointe Shores, has arrived in England. He is attached to the 8th Air Force and is ranking first lieutenant of the base and also the youngest.

PVT. ANDREW JOSEPH ALLARD, JR. of the Army Air Corps, has been home for Christmas and will also spend the New Year's with his parents in their home at 247 Ridgemont.

Private Allard, 21, is a graduate of St. Paul's High School. He enlisted in the Air Corps in October 1942 and had training at three different fields in Texas before being sent to the University of New Hampshire, where he is taking a college course at the present time.

AIR CADET RUSSEL H. NUTTER, 19, has just completed the Army's Primary Flight Training course at Thunderbird Field No. 1 at Glendale, Arizona and has now commenced his Basic Flight

PFC. DOUGLAS GRAHAM, son of Mr. and Mrs. E. C. Graham of 636 Middlesex road, spent Christmas here with his parents while enjoying an 18-day furlough when he was transferred from Lowry Field, Denver, to Will Rogers Field in Oklahoma, where he has now reported. Private Graham enlisted eight months ago. He had training at Miami Beach before being sent to Denver. He is in the photographic branch of the Army Air Corps and has just completed courses in

**YOUR INCOME TAX PROBLEM IN MARCH 1944**  
This coming March the problem of preparing an accurate income tax return is complicated by the necessity for considering the years 1942, 1943 and 1944.  
The Wage Earner's tax problem has not been solved by Pay-As-You-Go; even though his employer is now withholding his tax, he must file a return for 1943 and in addition file an estimate of his 1944 income, calculate his 1944 tax and pay 25% of same, all on or before March 15, 1944.  
Business and Professional Men are confronted with a dual tax and accounting problem. Taxpayers is now a serious and perplexing year-round proposition. Estimating business profits, commissions and net returns from income producing property a year in advance, then translating these into terms of tax liability and payments, calls for a combination of sound accounting practice and competent professional tax experience. The day of the curbside "expert" has passed.  
So too, good tax work today cannot be done on a production basis. Each individual still has his own particular tax problems, and his accounting must be tailored to fit his circumstances.  
To this task our organization brings the "Know How" acquired from more than 23 years tax and accounting experience. We conduct a tax, accounting and report service for 12 months of the year; our office and facilities, including free consultation service, are available all year round, and thousands of taxpayers have availed themselves of it.  
We will be glad to discuss your tax problems with you. No obligation.

Men's "Keep Fit" Class  
Will Start January 5  
A "KEEP FIT" class for men  
sponsored by the Grosse Pointe  
Board of Education will start on  
Wednesday, January 5 at 7:30 p.  
m. at Grosse Pointe High School.  
The class will be directed by  
Frank Banach, Grosse Pointe  
High School physical education  
instructor. Body exercises, volley  
ball and swimming will be in-  
cluded in the class program.  
This class is limited to 30 men.  
It is advisable to make a class  
reservation by calling NI. 2000,  
extension 25.  
Household Hint  
Whitish stains on polished fur-  
niture, such as a piano, may be  
removed by wiping with a solu-  
tion of one tablespoon of cider  
vinegar in one quart of water.  
Rub with a soft cloth in the di-  
rection of the grain, and wipe dry;  
then polish.  
Don't Forget to Put  
Name on Ration Books  
If you lose your ration book  
and it does not have your ad-  
dress on the cover, you will  
have little chance of getting it  
back, the OPA has warned.  
Through the cooperation of  
the post office, lost ration books  
deposited in the mail are for-  
warded directly to the owners  
whenever they can be located.  
A recent check showed that  
93% of War Ration Book Three  
received by the post office were  
unable to be returned to the  
original owner because they lack-  
ed an address. Be sure and write  
your address on all ration books.  
"Blood" on Broken Arm  
Gives Parents a Scare  
Young Pat McFarlin, 5 year  
old son of Patrolman McFarlin  
fell in front of 404 Rivard on  
Christmas Day and broke his  
right arm while trying to nego-  
tiate a new pair of roller skates.  
When his parents first picked  
him up they were alarmed to find  
his sleeve liberally smeared with  
blood, but on closer inspection  
found the "blood" was cranberry  
sauce from his Christmas dinner.  
There was nothing phony how-  
ever, about the broken arm; that  
was real.  
HELP FUEL MOVEMENT  
To stimulate the movement of  
fuel into Detroit and the sur-  
rounding territory where a cri-  
tical shortage of heating fuel for  
homes exists, the OPA allows  
jobbers to pass on increased  
costs of moving oil into the  
shortage area from greater than  
normal distances.
