Lay Plans for Annual Community Halloween Celebration

Seventeen students from public, private and parochial schools of the Pointe attended a meeting last Thursday in the Board of Education Building with a group of the adults who are helping direct the project which has become so popular. Standing, left to right, are: HARVEY HUCK, BEV BARRETT, HAL DRINKHAUS, BARBARA BENDLIN, RON PARKIN, LORRAINE BROUGHTON, JIM KELLER, CELESTINE BLONDELL and JANET KRAUSE. Seated, left to right: JOANNE HOLLISTER, BOB LAW, RICHARD NOER, MRS. EVERETT ROLL, MRS. JOHN S. FOLEY, MRS. HUBERT GOEBEL, JOHN YOUNG, DICK SUTHERLAND, ANNETTE TORREY, BETSY STEVENS and MARY DONAHOE.

Polio Cases Above Last Year's Mark

Total of 26 Reported Against 21 in All of Last Year; Only One Death

Up to Monday of this week there had been 26 cases of polio in the Pointe as against a total of 21 cases for all of last year.

The normal course of this disease is for it to rapidly diminish with the coming of the fall season but this year it appears to have kept up.

Single Death

There has been only one death. One of the more seriously stricken patients, Cloe Irvin, aged 11, of Buckingham road, who was in an iron lung for a period, is so far recovered that her family expects to bring her home in a few days. She had been stricken with bulbar polio.

Await Cold Weather

The local health authorities are hoping for the early arrival of reasonably severe fall weather. With its arrival they are confident the disease will quickly disappear for this year.

Pointers Abroad Will Cast Votes

That Grosse Pointers find themselves pretty well scattered over the world is evidenced by the unusual number of applications received at the various clerks offices in the Pointe for absentee ballots.

In the City alone, Clerk Norbert P. Neff had received up to Monday noon applications for 71 such ballots. He says this is no unusual number to be received at this period before election, but probably more are found in foreign lands now than normally. Mr. Neff is sending ballots to England, France, India and Japan. More applications are coming in by every mail.

Many of these of course are going out to men in the combat forces but there is also a general sprinkling to civilians abroad. Among this latter is an application from Joseph M. Dodge, who is in Japan on a financial mission for the Government.

Police Return Car to Owner Before He Knows It's Stolen

The chance stopping of a car with three boys aboard by Park Patrolmen Crandall and Fraser at 8:30 p.m. on Saturday, October 14 for nothing more serious than making an illegal left turn resulted in the recovery of a stolen car and its return to the owner before he knew his car had been stolen.

The usual grilling which the police apply to such cases quickly revealed that the boys were in a

Student Advisory Council Hears Discussion of Plans For Halloween Celebration

"Never a Dull Moment" Adopted As Motto For This Year's Community-wide Event; Mrs. John S. Foley Acting As Chairman

"Never a dull moment" is the motto back of the plans for this year's community Halloween celebration. On Thursday afternoon the Student Advisory Committee met with its chairman, Mrs. John S. Foley, to complete details of the parties to be held at the Grosse Pointe High School and the Pierce Junior High School.

Take Back Reports

Inasmuch as this is a community affair there were seventeen representatives from all the public, private and parochial schools. Part of their function is to report back to their schools details of the parties which will help to stimulate and interest the young people in participation.

Enthusiastic students attending the Thursday meeting were Joanne Hollister, Robert Law, G. P. High School; Barbara Bendlin, Richard Noer, Brownell; Bev Barrett, Hal Drinkhaus, Pierce; Annette Torrey, Betsy Stevens, G. P. Country Day; Dick Sutherland, D.U.S.; Celestine Blondell, James Keller, St. Paul's; Mary Donahoe, John Young, St. Clare; Janet Krause, Lorraine Broughton, Harvey Huck, and Ronald Parkin, St. Ambrose.

Others attending the meeting were Forrest Geary, general chairman; Mrs. Everett Roll, food chairman; and Mrs. Hubert G. Goebel, publicity chairman.

Advance Tickets Cheaper

Tickets will be sold in advance at all of the above schools for twenty-five cents, and for fifty cents if purchased at the door on Halloween. The advance sale of tickets greatly facilitates the handling of the crowds entering at seven-thirty, and it helps the food committee ascertain the quantity of food necessary for this occasion.

Food, which will be sold approximately at cost, includes cider, coca-cola, orange crush, hot dogs, tuna fish and cheese sandwiches, potato chips, doughnuts and Dixie cups.

Dancing In Two Schools

There will be dancing in both of the high school gymnasiums to the music of Tommy Weldon's and Al Ruth's orchestras. Robert Law has been appointed chairman to arrange and coordinate

intermission entertainment. These features will be provided by talented students from the various high school groups.

Dick Sutherland is in charge of posters which will be placed near the entrances and which will help to direct the young people who are not familiar with the high school.

At Pierce there will be dancing for the junior high school group to the music of Bill Gail's orchestra.

Plan Stage Shows

Outstanding stage shows suitable for the junior and senior level will be provided at the Pierce and High School auditoriums.

Parties for children of elementary age will be held at the Trombly, Defer, Maire and Richard Schools. Vaudeville acts and movies will be provided for these groups.

If requested, the Halloween Committee will provide movies for any schools having afternoon parties.

The chairman of transportation, Mr. J. D. Barlow, is endeavoring to see that busses will be available for those living in the Woods. It is expected that details of these arrangements will be publicized through the various schools.

To Divide Costs Of Traffic Light

Ever since the Park made Whittier a north bound one-way street for traffic from Grosse Pointe into Detroit, the matter of a red-green traffic control light at Mack has been the subject of negotiation between Detroit, the County Road Commission and the Park village.

It is of greater concern to Grosse Pointe than to Detroit as southbound traffic from Detroit cannot enter Whittier. An arrangement has just been completed between the three parties at interest whereby the Park will pay 37 1/2 percent of the cost, the Road Commission another 37 1/2 percent and the City of Detroit will pay 25 percent. The total cost of the installation will be \$2,040.

The County Road Commission will thereafter undertake the entire cost of the maintenance of the light.

Durant Plea For Debates Is Rejected

Rabaut Refuses to Meet Republican Nominee for Congress on Platform

Congressman Louis C. Rabaut, Democrat running for reelection, has refused to accept the challenge of Republican nominee Richard Durant to meet him in a series of debates before the election on November 7.

In announcing receipt of the refusal Mr. Durant made the following statement:

"MR. RABAUT says he has but a short time left to take his case to the people. If he is really sincere, in this desire, there would be no better way than a thorough discussion of the issues from a joint platform, so that the voters of the district may realize exactly how sharp the difference is between our thinking.

"I am afraid a good many people will feel that Mr. Rabaut, by declining my challenge for an open discussion of the issues, is unable or unwilling to defend his record of inflation, waste, higher taxes and farm subsidies. "My invitation is still open."

Rabaut Talks Turkey Topics

The following release was received from Congressman Louis Rabaut's Washington office on Monday.

While the Democratic party workers hustled into their campaign to re-elect Louis C. Rabaut at a pace that rivaled the speed of the famous "Turkey In The Straw," and as District Republican stood up to eat turkey buffet dinners at the Memorial Hall, Congressman Rabaut announced that his office now has available the newly revised Department of Agriculture Bulletin "Turkey on the Table Year Round."

"The suggestions contained in this new pamphlet," said Rabaut "will extend the off-season consumption of turkey beyond the circle of Republican political festivals. For instance, the pamphlet says that turkeys now come in a complete range of sizes, and this should mean that they will fit the dimensions of Democratic as well as Republican ovens."

The Bulletin points out that improved scientific breeding practices have produced a modern day turkey that is both meatier and more tender than his ancestors. It also lists new cuts of turkey, including quarter and half roasts and cross-cut steaks. There is also a description of a new boneless turkey steak of light or dark meat made by a

Voters to Decide Who Gets Durant; Army or Congress

Republican Nominee Takes Physical Examination; Will Continue to Wage Vigorous Campaign Until Ordered to Duty

Richard Durant, candidate for Congress on the Republican ticket from the 14th District, was notified on Wednesday, October 11, that he had been tentatively selected for active duty in the Army. Durant, a veteran of six years service in World War II, was ordered to report to Fort Wayne on Friday, October 13, for his physical examination.

Questioned by reporters after his examination as to the effect his orders would have on his campaign, Durant stated that it was his desire to serve his country to the best of his ability.

More Vital Than Ever

"I entered this Congressional race because, among other things, I was deeply disturbed over a bungled foreign policy which might bring on World War III. It is now more vital than ever that the facts of State Department bungling, meddling of Communists at home, and the appeasement of Russia abroad, be brought home to every American.

"I understand that Congressmen are forbidden military service. I intend to let the voters of our District choose whether I can serve them best in the Army or in Congress. My only desire is to serve my country to the best of my ability."

Would Scotch Rumor

Asked whether he would be allowed by his orders to finish the slam-bang campaign he had been conducting, Durant said, "It has been suggested—and I want to make it clear that I do not believe it—that pressure has been brought to bear to get rid of me because of the exposure I am making of the record of my Democratic opponent. I repeat, I do not believe that—and I want to end that rumor.

"Under normal circumstances, the required paper work to process my orders will take from 40 to 45 days—consequently the orders will have no effect on my campaign except to intensify it.

Will Continue Fight

"I shall continue to fight. The record of my Democratic opponent shows that he has not only voted with the only Communist fellow-traveler in the House—Representative Marcantonio of New York City—but that he has actually, by his votes, done everything in his power to raise the cost of living for the people of our District. He has voted for inflation and high prices; he has voted for farm subsidies and high prices; he has voted for increased hidden taxes and high prices; and he has voted against repeated attempts to cut waste and non-essential spending.

"I intend to continue to bring these facts to the voters of our District. I intend to continue challenging my opponent to openly debate these issues. I intend to get rid of a man who votes for a rotting dollar and a bungled foreign policy."

Tools Disappear From New House

E. H. Marks of 4319 Woodhall, Detroit, reported to the City police on Oct. 12 that two boxes of carpenter's tools had been stolen from the new house that is under construction at 373 Lincoln road.

The tools were taken from inside the house and as the house was locked and there was no evidence of breaking in it is assumed that the thieves had been equipped with keys to the place. The value of the tools taken was over \$300.

Pointe Archer's First Hunt Relegates Rifle to Closet

Ed Vernier of 170 Muir road, a novice archer with but four months practice, returned to the Pointe last Sunday, October 15, with a 130 pound spike horn buck deer.

Vernier got his prize Sunday morning at about 7:30 as it stepped out of a swamp thicket near St. Helen's, Michigan in Roscommon County. It was a 75 foot shot.

The kill was made with a 65 pound pull bow and a 28 inch cedar arrow with a flat tip with

1,661 Receive Free X-Rays In 1st Week

Unit Does Big Business; Will Remain in Pointe Until November 11

A total of 1,661 residents availed themselves of the opportunity to have free chest X-rays during the first week the mobile unit was stationed in the Pointe, it was disclosed this week. The unit will be here for a total of five weeks. George Elworthy, chairman of the Steering Committee for the Grosse Pointe x-ray Survey, has pointed out that the dollars' and cents' cost of tuberculosis in this country is conservatively estimated at \$350,000,000 a year.

Worst Toll

"That is a high tribute to pay a disease," Elworthy added. "But even so, it is only a small part of the cost of tuberculosis. The worst toll exacted by this disease cannot be computed in dollars and cents. It is paid for in suffering, in the pain of separation for months, perhaps years, from loved ones."

TB has a slow onset, thus too frequently it is not recognized and diagnosed until it has a firm hold on its victim, he added. Recovery then is a slow process and during the period when the patient is under treatment, he is deprived of normal family life, of earning a livelihood, of following a chosen vocation.

No One Is Immune

"Anyone can get tuberculosis—tuberculosis selects its victims from all walks of life . . . no one is immune to TB," Elworthy emphasized.

He pointed out that the Chest X-Ray Survey now being conducted in Grosse Pointe by the Wayne County Health Department and the TB and Health Society is for the protection of every resident in Grosse Pointe.

Where To Go

The unit is located at Defer School today from 8:30 to 12 and 1 to 4, and tomorrow it will be at the St. Clare School, 9:30 to 12 and 1 to 4.

'Cavalcade' Launches Big Campaign

Parade Followed By Rally On High School Grounds With Plenty of Entertainment

The "Cavalcade of the Pointes," Grosse Pointe's first Torch Fund parade and rally, will have been added to the annals of community events by the time this story is read. By press time plans had reached the final stage and every indication was that this kick-off function would be attended by hundreds of citizens and the parade would include hundreds of cars.

For weeks past promotion committees have been meeting to lay the plans for this undertaking. Civic-minded men and women have given willingly of their limited free time in order to organize the show offered to the residents of Grosse Pointe. Approximately 50 people have been working on the promotion and publicity committees for the parade and rally, not to mention the hundreds involved in the residential and business solicitation groups.

Chairmen Meet

A meeting of committee chairmen was held at the home of David Rust, Parade Chairman, on Sunday afternoon at which plans for the parade and entertainment at the rally were discussed. Mr. Rust said that, although it would be a complicated maneuver to assemble and route the many cars expected in the parade, it appeared that with the co-operation of the police chiefs of the five Grosse Pointes, the many community agencies participating, and the Boy Scouts everything "should move like clock-work."

Mr. Rust's parade committee included Harrison Watson, Parade Marshal; Hunter Williams, in charge of bands and Boy Scouts; and Joe Buck, in charge of trucks and engines. Mr. and Mrs. Allison Munroe and A. George Elworthy, co-chairmen of entries for the parade, estimated that more than 200 vehicles would participate, including trucks, station wagons, private cars, mobile army equipment and floats.

Twelve floats which appeared Tuesday in the Detroit Torch Fund parade were also scheduled to appear in the "Cavalcade of the Pointes." Many of the local community organizations, as well as individuals and business concerns promised to enter the parade and add to its color and originality. Bands from the High School, Pierce Junior High and St. Paul's School were looking forward to competing with the United States Air Force Band from Selfridge Field.

The Schedule

The schedule called for the line of cars to start passing the reviewing stand at Fisher and Kercheval at 7 p.m., at which time Grosse Pointe's own Torch, 16 feet high and constructed by Eric Ramstrom, was to be lighted by a United Foundation official. On the reviewing stand were expected to be Grosse Pointe Committee Chairmen of Region I and other city officials and dignitaries, including the heads of the five Grosse Pointes, Homer C. Fritsch, William F. Connolly, Jr., Ralph B. Netting, Alois A. Ghesquiere and Ernest C. Putnam.

Personal Appearances The rally, which was planned to provide entertainment for the people of all the Grosse Pointes as well as speeches about United Foundation, aimed at spurring on the solicitations which began yesterday, Oct. 18, and was to feature

Farms Predicts Building Record

The Farms expects to touch its highest mark in October for the dollar value of building permits ever issued in any one month in its history.

It is calculated by Engineer Murray Smith that this figure will reach \$1,500,000. This is largely accounted for by the St. Paul and Kerby Schools; the former representing \$300,000 and the Kerby School \$500,000.

Private dwelling house construction however is continuing at a high rate. Among these permits have been issued for 12 houses whose value is \$30,000 or more each.

Actual construction on the two big schools is underway.

Durant Uses Two Grocery Baskets in Potent Speech

At a rally at the Belgian Hall, Richard Durant, nominee for Congress on the Republican ticket from the 14th District, used dramatic and effective means to visualize how thoroughly the value of a dollar has shrunk. Durant, World War II veteran who is putting on an aggressive and active campaign, told in simple terms the story of your grocery basket.

He began by holding a \$10 bill before his audience. Then he

asked how many people remembered exactly what you could buy with \$10 back in 1940.

"Let's pretend," he said, "that we are back in 1940 and march into the corner grocery to do some shopping with this \$10 bill. What could we get for it?"

Then he turned to two big laundry baskets on the table by his side. "Right on top," he remarked, as he pulled them out of the basket and laid them on the table in full view of the au-

dience, "are four loaves of bread. To go with the bread we need some butter—and here are two pounds of it. I've got three small children in my family, so we need plenty of milk—and here are four quarts of it."

As he went on talking, Durant kept taking different items from the two baskets until finally he had piled in front of him the bread, the butter, the milk, three dozen eggs, a cabbage, 15 pounds of potatoes, six cans of tomatoes, two pounds of coffee, 10 pounds of sugar, a five-pound roasting chicken, and a 16-pound ham.

Pointing to the small mountain of foodstuffs which towered in front of him, Durant went on, "You could buy all that in 1940 for a \$10 bill. Quite a lot of food, isn't it?"

"Now—what can we buy today with our \$10?"

And he reached under the table and produced one 16-pound ham. "This is all \$10 will buy today," he stated. "This one ham. It costs \$10 all by itself. Our money has shrunk from that—pointing to the big pile of food—"to this one ham!"

Durant then went on to explain why the contents of our grocery basket has shrunk.

"There are four reasons," he said, "why our dollar has rotted in value. There's inflation, there's waste, there's hidden taxes, and there's the nightmare policy of paying subsidies to farmers."

"I'm not going to claim that the Democrat from our District, did this all by himself—but he has done his bit toward it. He has voted for inflation and higher prices; he has voted for hidden taxes and higher prices; he has voted for farm subsidies and higher prices; and he has resisted efforts to cut non-essential spending."

"He has worked and voted to

Intruder Eludes School Engineer

As Alger Lodewyk, the night engineer at the High School, was making one of his periodic rounds at about 7:30 p.m. on Sunday, October 15, he saw a young man walking through the corridor and hailed him to know what he wanted there. The fellow started to run and Lodewyk grappled with him but the intruder broke away.

Lodewyk then called the Park police and then they in turn asked the City to send up a car as they wanted to surround the place as well as possible to catch

the party. He had gone however before the place was surrounded. It was found the party had gotten in by breaking the window in room 124. A diligent search did not reveal that anything had been taken.

SAIL BOAT STOLEN
James L. Graham of 1380 Somerset reported to the Park police on Oct. 12 that he had a sail boat hull stolen from the water front park.

Express Company Rebuffs Shores

Grosse Pointe Shores has been rebuffed again in its efforts to get American Railway Express delivery throughout the whole village.

The effort has been maintained for some years to get this extension of express deliveries. About two years ago the express company denied the request on the ground the haul was too great and the expense did not warrant any further extension of the service. Express is already delivered as far as Oxford road.

In answer to the last request made a few days ago the express company sent a reply to Manager Thomas Jeffries on Monday again denying the appeal.

With the completion of the new sewer system, for which provision is being made, there will probably be a great growth in the northern part of the village. The village has the vacant land available for expansion which some landwise speculators estimate will push the population up to 3,000-4,000.

Charbonneau To Give Lecture

A lecture on the "Responsibility of Being a Citizen" by Colonel Louis Charbonneau will be presented by the Grosse Pointe War Memorial Center at 8 o'clock Friday evening, October 20.

Colonel Charbonneau is the Chief of Staff, 21st Armored Division, Reserve. A veteran of two world wars, whose two sons served overseas in the last war, he has been active in the reserve for 32 years.

He is a native Detroitter and has made his home in Grosse Pointe for the last ten years.

The lecture is open to the public and there is no admission charge. For further information please call the War Memorial Center, TU. 1-6030.

FORD MOTOR COMPANY'S New Automatic Drive Makes its Bow in the new 1951 MERCURY

"Smoother, simpler, more efficient!" —that's how engineers hail this amazing new automatic drive that's coming soon in the new 1951 MERCURY.

Called Merc-O-Matic

Merc-O-Matic is the name. And of this you can be sure: there'll be nothing like it on the road! The thrilling new 1951 Mercury will be making a debut in our showrooms in a very few days. And once you see it, we think you'll agree:

For "the drive of your life," it's the new 1951 Mercury with Merc-O-Matic Drive!

What is Merc-O-Matic Drive? It's a completely new, completely automatic drive developed under the direction of Ford Motor Company and Borg-Warner transmission engineers, and made to order for Mercury's great, V-type, 8-cylinder engine. It's s-m-o-o-t-h-e-r, simpler, more efficient!

Makes every driver an expert

Naturally, there's no clutch or gearshift. But there the resemblance to other drives ends. For this new Merc-O-Matic Drive is different. Even the easier-to-read indicator panel is different. The drive selector is so arranged that a person accustomed to a standard shift will feel perfectly at home. And if you're familiar with other drives, you'll notice immediately the big

difference in the way this new 1951 Mercury with Merc-O-Matic performs.

There's no "mushiness." With Merc-O-Matic Drive you get instant, certain response. You start in one smooth sweep of power. No tugging as gears change. There's a "down-shift" for extra hill-climbing and passing power; just press the accelerator smartly to the floor. And Merc-O-Matic is cool operating — no uncomfortable heat in the passenger compartment.

There's no "runaway" downhill. You are in control all the time with the engine's compression at work to save your brakes.

There's no stalling in traffic. Park on a hill if you like. You're safe. Merc-O-Matic Drive locks when in Parking position.

Yes, Merc-O-Matic is going to make you forget all you ever knew about automatic transmissions. This is it—the easy, sure, safe, s-m-o-o-t-h-e-r, "drive of your life." And—it's extremely thrifty.

Dozens of New Features in 1951 Mercury

But Merc-O-Matic is only part of the great new Mercury for 1951. There's a new look from end to end . . . beautiful new styling . . . rich, new fabrics and colors to make Mercury for 1951 one of the smartest cars on the road.

New safety, too—the new rear window alone gives you more than 1,000 square inches of safe viewing area. Greater comfort in a new, improved ventilating system which brings you just the amount of fresh air you want, when you want it, and where you want it.

It's the plus car of the year—plus on beauty, plus on comfort, plus on safety, plus on economy—plus on everything but price!

All that and the great new Merc-O-Matic Drive, too. Yes, you'll want to see these new Mercurys. So watch Mercury showrooms for the new 1951 Mercury with Merc-O-Matic for "the drive of your life"—for "the buy of your life."

Politics, Charity and Success in Korea Grant Temporary Holiday to OCD Officials

George Elworthy, head of the local Civilian Defense work, says that the Torch Drive and the coming TB campaign has so monopolized public attention that interest in the Civilian Defense program has bogged down, at least for the time being.

The successful turn to the war in Korea has also had a great effect in allaying the fear of the people as to a general war.

Thus far the headquarters OCD offices in Lansing and Washington have failed to send any instructions or information of any

description whatever to the local office.

A goodly number of men have called at the offices in the Neighborhood Club seeking to sell sirens and other sorts of supposed devices useful to civilian defense, but Elworthy says not a thing of this sort will be purchased unless directed by State or National headquarters.

The Chicago office which put on a hypothetical bombing of Chicago a few weeks ago has made an elaborate report on that experience and had it published in pamphlet form. They wished to

know how many copies of the book Grosse Pointe would like to buy—at \$3.50 per copy. We are not going to buy any.

Mr. Elworthy himself attended that demonstration and was not at all impressed by what he saw there. He said there was altogether too much guess work and assumption of facts at that show for it to be of any value.

Another factor which has had much influence in slowing down interest in Civilian Defense has been politics. Elections in practically all of the states as well as the Nation at large have placed a lot of the OCD lads on the anxious seat as to the tenure of their jobs and for the time being they are completely useless for guidance or help in any direction.

That the people themselves are not completely indifferent to the civilian defense problem was illustrated the other day when a Grosse Pointe woman called up Mr. Elworthy and told him she has three extra rooms in her house which were not in use and he might list these as available for sick or injured persons in the event of a bombing.

Elworthy says, however, this is the first instance of this kind that has been reported to him.

All in all 'Civilian Defense seems to have taken a holiday here and the general report is that this is the situation throughout the country.

The general attitude seems to be "everything is going fine in Korea," so, why worry. And, politics has slowed down official cooperation to almost the vanishing point.

BOSTON SYMPHONY COMING

The Boston Symphony Orchestra, with Charles Munch as Conductor, will appear at Masonic Auditorium Saturday, October 21, at 8:20 p.m. Mr. Munch, new conductor of the Symphony, was formerly guest conductor of New York Philharmonic.

College Queen

MISS BARBARA MANN, daughter of Mr. and Mrs. Alvin C. Mann, of 1192 Vernier road, Grosse Pointe, ruled over Hillsdale College's homecoming activities over the past week-end, (Oct. 14-15).

She was chosen for the honor by student vote, was crowned between halves of the Hillsdale vs. Kalamazoo College football game on Saturday and occupied a throne at the homecoming dance at the college fieldhouse on Saturday evening.

Park to Conduct Traffic Survey

The Grosse Pointe Park Planning Commission is about to undertake a complete survey of the traffic and highway safety problem in the Park.

This has been authorized by the Board of Village Commissioners and the authority has been given to employ an expert to have general charge of the work.

The survey is intended to cover the whole range of the street use problem with respect to the convenience and safety of the public. It will delve into the subject of traffic accident prevention, traffic routing including one-way streets, street lane markings, traffic lights and street lights, necessary amendments to existing traffic ordinances and the passage of new ordinances, street, parking, the possible installation of parking meters, parking lots and their operation and the conducting of a general campaign of public education on the matter of street safety.

The commission is investigating several leads on obtaining a thoroughly competent man or organization to undertake the work.

Youth Council Members Paid Honor at Dinner

Members of the Grosse Pointe War Memorial Youth Council honored Chuck Reno and Bill Cole at a dinner given recently in the McMillan road home of Mr. and Mrs. Charles B. Lord.

Bill, who has served on various committees during the past year, was chosen chairman of the council to succeed Chuck at the September meeting.

Hallowe'en Committee Asks Cooperation of All Parents

In the interest of their children's safety, parents are being urged to cooperate with the committees planning this year's Hallowe'en parties, by seeing that the kids attend these organized events instead of roaming the streets.

The following letter is being published with the hope that it will gain the parents' cooperation.

To the Residents of Grosse Pointe: Hallowe'en parties will be sponsored again by the civic groups and organizations of Grosse Pointe, in the centers listed below. As you know, these parties were originally started to occupy the youth of our community with the hope of elimin-

inating the usual pranks associated with this day in the past.

Particular effort will be made to interest the younger age group this year. All police and safety officials have expressed concern over the hazards to small children running about the streets with masks and costumes obscuring their vision and curtailing their freedom of movement. The possibility of accidents is increased by the heavier traffic connected with Hallowe'en.

To avoid these dangers the committee hopes that all parents will encourage their children to substitute full participation in the parties, in place of begging. Children in areas where parties cannot be held, are invited to attend where facilities offer the possibilities of having these functions.

Parties are scheduled at the following schools:

Young Children—7 to 9 p.m.
Defer—Kercheval and Notting-ham.

Richard—Kercheval and McKinley.

Maire—Kercheval and Cadieux.

Trombly — Beaconsfield and Essex.

Junior High School Students 7:30 to 9 p.m.

John D. Pierce Junior High School 7:30 to 12 p.m.

Grosse Pointe High School. The committee hopes that all organizations will use every means in their power to pass this

information on to the parents of the community.

Yours very truly,
Hallowe'en Participation Committee: J. Dunton Barlow, Defer P.T.A.; Mrs. Forbes Henderson, Grosse Pointe Motion Picture Council; Dr. Rudolph J. Noer, Richard P.T.A.; Edward J. Potgraz, Rotary Club; Miss Warren Rhodes, Grosse Pointe Teachers' Association.

Unitarian Church to Install New Minister October 23

The Rev. William D. Hammond will be installed as minister of the Grosse Pointe Unitarian Church at 8 o'clock Sunday evening, October 23. Presiding will be Dr. Tracy Pullman of the Detroit Unitarian Church of Our Father, parent church of the Grosse Pointe Unitarian Church.

Dr. E. Burdette Backus of the All Souls Unitarian Church of Indianapolis will deliver the sermon entitled "The Prophetic Church."

Others participating in the service will be the Rev. Edward H. Redman of the Unitarian Church of Ann Arbor, the Rev. Randall S. Hilton of Chicago, Secretary of the Western Unitarian Conference; Mrs. John A. Herrman, President of the Board of Trustees of the Grosse Pointe Unitarian Church; and the Rev. Frank Fitt, minister of the Grosse Pointe Memorial Presbyterian Church.

Immediately following the installation service a reception honoring Mr. and Mrs. Hammond will be held in the church parlors.

The Rev. Hammond was born in Kalamazoo, Michigan but reared in Columbia, Missouri, where his father is chairman of the Physics Dept. at the university. He received his education at the University of Missouri, the University of Chicago Divinity School, and Meadville Theological School at Chicago. He also studied at the Institute of General Semantics under the

St. Pauloscope

Friday the 13th ushered in St. Paul's first big social event, "The Autumn Nocturne," given in honor of the Frosh by the class of '51. At the dance, the seniors congratulated them for being good sports on their "Initiation Day."

On the morning of the Big Day, the Freshmen brought to school all the quaint clothing they had been asked to bring. At all their classes they clanked and swished as the uncomfortable regalia bumped around them.

In the late afternoon the whole high school assembled in the gym to watch the Frosh go through their paces of mimicking, reciting poetry, shining the older students' shoes, and other hilarious routines.

The Faulities all showed fine spirit in their turnout at the dance that night. Many of the Seniors worked until quite late decorating and preparing the gym for this event, using the rustic fall colors for the theme.

Dick Dowd, Joan Dirkes, Gary O'Conner, Rita Fincham, John Bergman, Margaret Wade, Frank Wright, Audrey Hillebrand, Mike

Sheean, Nancy Mason, Jerry Slater, Clair Lenz, Ken Webb, Mary Roth, Pat McEchin, Poppy Zemper, Paul Preuss and Barbra Healy joined in the celebration of their first St. Paul Dance.

Among the Senior hosts and hostesses were Mary Lou Fisher, Pat McCormick, Joan Schwartz, Bob Bertoline, Jerry Kirsch, Kathleen Weot, Carolyn Floer, Tom Mack, Joann Rabaut, Rudy D'Elessandro, Mary Jo Trombley, Don Balmes, Ray Bertoline and Dorothy Marcereau.

Pat Cook, Bob De, Rogue, Chuck Haddock, Sally McCarron, Tom Berg, Loretta Cook, Jerry Marshall, Barg Flowers, Dave Sherwood, Molly Murphy, Tom Pelkey, Marilyn Baker, Denny Furton, Ann Tidderington, Leo Kennedy, Pat Savage, Joe Gaugh, Cel Blondell, Jim McManus and Judy Beaupre were among those dancing to the satisfying rhythms of Jimmy Brown's Band.

St. Paul's first social event was terrific! And now that the wheel of activities has begun to go round, there will be no stopping it until mid-June. Next Feature - our part in Junior Town Hall over WJR October 29!

Two Groups Join Forces For United Nations Week

In observance of United Nations Week the Grosse Pointe League of Women Voters and the Grosse Pointe Association of University Women will present Mrs. Stanley Cain of Ann Arbor, at the War Memorial Center on Tuesday, October 24 at 2 p.m.

Mrs. Cain, former Michigan Delegate to the National L.W.V. Conferences at Lake Success in 1949, will speak on "Present Problems." Interested members of the community are cordially invited to attend the meeting.

MSC Alumni To See Movies

The Michigan State College Alumni Club of Grosse Pointe will gather in the Grosse Pointe High School tomorrow night, Friday, October 20, at 8 o'clock, to see moving pictures of the college football team in two of its games this fall.

Films of the Michigan and Williams and Mary battles will be shown. All Staters are urged to attend.

Guild Prepares For Ingathering

Members of the Detroit Branch of Needlework Guild of America have been sewing infants' and children's garments for the annual ingathering. On Monday and Tuesday, Oct. 23 and 24, they will take the goods to the collection base at Jefferson Avenue Presbyterian Church.

One three-generation sewing group includes Mrs. Joseph B. Schlotman, chairman of the literature and bag committee, her daughters, Mrs. Ledyard Mitchell Jr. and Mrs. William M. Joy, plus Mrs. Joy's three-year-old daughter Vicki, who accompanies her mother to afternoon sewing circles and models dresses. Another is Mrs. James B. Book, Jr., her daughter, Mrs. Lansing M. Pittman, her daughter-in-law, Mrs. Edward I. Book, and two-year-old Toni Book.

Other local women who take an active interest in the guild's work are Mrs. John S. Newberry, Mrs. John N. Lord, Mrs. Phelps Newberry, Mrs. Truman H. Newberry II, Mrs. Henry B. Kinzie, Mrs. Paul D. Gard and Mrs. Standish Backus.

Needlework officers include: Mrs. Henry B. Joy, honorary president; Mrs. Edward R. Doyle, president; Mrs. Eric P. Ramstrum, first vice-president; Mrs. Alfred L. Marks, second vice-president; Mrs. Otis U. Walker, treasurer; Mrs. Henry Ledyard, secretary; and Mrs. Allan Shelden III, assistant secretary.

Chives, an onion-like green, may be raised the year round in flower pots just like any other house plant.

Defer PTA Gets Early Start on Sale Plans

Plans, suggestions and ideas for an auction sale to be held on January 15 were discussed by an enthusiastic group of Defer P.T.A. members on October 13.

Present were: Mrs. A. J. Ruegsegger, Mrs. Dan Myers, Mrs. Robert Kulow, Mrs. Mitchell Andrews, Mrs. Kenneth Locke, Mrs. Norman Parker, Mrs. A. W. Nickels, Mrs. Charles Harris, Mrs. Saleen Metry, Mrs. George Van de Putte, Mrs. William Hunter, Mrs. Henry Eckout, Mrs. Raymond Lyons, Mrs. L. M. Sa'di, Mrs. Herman Vieweg and Mrs. Paul Loehr.

Mrs. Dan Myers, program chairman, was hostess to the group in her home in Bedford road.

The services of a professional auctioneer have been promised to add an authentic touch to the occasion.

Contributions of household articles and decorations will be promptly collected. The request is urgent for auction material, so contact Mrs. Dan Myers, TU. 2-8580; Mrs. A. W. Nickels, VA. 2-1758; Mrs. Robert Kulow, TU. 1-9279; Mrs. William Hunter, VA. 2-5722; or Mrs. D. W. Stapleton, TU. 1-0411 to arrange for your donation "pick-up."

A PTA member skilled in furniture refinishing will be available to rejuvenate, if possible, any donated furnishings. Another member has offered the use of his trailer for cartage of heavy pieces.

White elephant booths will be set up to take care of the ma-

terial which is saleable but not suitable for auction.

The money obtained from the auction sale will be given towards purchasing equipment for Defer school.

This auction sale will be of interest to all Grosse Pointers—contribute, come, bid and support the P.T.A.

Mrs. A. J. Ruegsegger, Defer P.T.A. president, announced at the meeting that the children's Christmas program in December would have as an added feature, booths where toys appealing to both girls and boys could be bought.

Women of Navy League Sponsoring Fashion Show

The Detroit Women's Council of the Navy League has slated a fund raising fashion show for Thursday afternoon, Oct. 26, at the Brodhead Naval Armory. Proceeds will aid families of naval reservists called to active duty bridge the gap of time before official aid is given.

Mrs. J. Rex Queeney has been named chairman of the fashion cast. Among the hostesses who will act as models are Joyce Ebling, Mrs. William Zeder Breer and Mrs. Thomas C. Watts Jr.

Presiding at tea tables after the show will be Mrs. Fred M. Zeder, Mrs. James O. Murfin, Mrs. Fred T. Murphy, Mrs. Benjamin S. Warren and Mrs. Charles A. Dean Jr.

New Brochure on Memorial Center Most Enlightening

A mass of valuable information on the services the War Memorial Center is offering to the people of Grosse Pointe is contained in a rather elaborate brochure which the Center recently put out.

First of all there is a "General Calendar of Fall events sponsored by the Grosse Pointe War Memorial Center Program committee."

Then follows a listing of "Special Activities for Young People." This schedules the activities for young people from

the Ninth Grade through the twenties.

The pamphlet takes pains to stress that the Center aims to provide social, cultural and educational activities appealing to all of the people of Grosse Pointe, and that the institution belongs to them to take advantage of as they see fit.

Following the general description of the activities fostered there is a list of seventeen events thus far scheduled for the fall season up to December 26 with the note there will be a New

Year's Ball, the details of which are to be announced later.

There is in the pamphlet also a page of "Notes about activities sponsored by the Center on a continuing basis throughout the year."

These activities and interests cover every age group from High School freshmen to what is called an "Older Ladies Group" for women over sixty.

The "Younger Married" group is for that age group which its title implies. In these meetings younger wives meet who wish to

hear talks on various aspects of home life, such as interior decorating and child psychology. This group also has occasional social evenings with dancing or cards.

There is also a page of listings of the facilities available at the Center with the nominal charges made for them. This is published by the House Committee of which Mrs. Charles Ellis is chairman.

There is a public address system available which can be rented for \$7 a day. Tables and chairs for up to 200 persons are

available for card parties at the Center.

As many as 300 persons can be seated for a lecture (public address system available.)

Tea cloths are available for use at the Center if one pays to have them cleaned.

Silver tea services and silver punch bowls are also available. Cakes and sandwiches can be made at the Center for teas and parties.

Openness to flattery is the common disgrace of declining life.

United Nations Forum Oct. 23

Residents of Grosse Pointe are especially invited to attend a free public forum at the WWJ auditorium on Monday, October 23, at 8 p.m. honoring the United Nations Week.

This program will not be broadcast, but those wishing to attend should be seated by 7:45 p.m. Members of the International Institute will be ushers, appearing in their native costumes.

The subject of the forum is: "United Nations at the Crossroads" and Harding F. Bancroft and Ross G. Riddell will be guest speakers.

Mr. Bancroft is director of the Office of United Nations, Political and Security Affairs, U. S. State Department. This office is responsible for policy decisions on such matters as Korea, Formosa, Indonesia, Kashmir, atomic energy and military staff problems.

Mr. Riddell, formerly deputy secretary for External Affairs, is the new Canadian permanent delegate to the UN. Forum discussion will follow their talks.

Korea Discussed By H. Whang

"The present war is but the tail end of things not settled in World War II," said Harry Whang, addressing a group of Bahais and their friends in Grosse Pointe on Thursday evening, Oct. 12.

"When I returned this spring to my native land after many years in America, I had a chance to talk to many of my classmates who had been under the communist rule in North Korea. They told how the churches and schools had been closed; the picture of Christ was replaced by that of Stalin, the Bibles burned and the Marxist books used instead.

"I am convinced that communism has not changed the thinking of the Koreans because of the population shift. By May, 1950, 8 million people had migrated from North Korea into South Korea, leaving their homes and possessions to escape the severity of the regime in their home cities. I do not know of any cases where people went from South Korea into North Korea voluntarily.

"The story of Korea is very significant. The success of the Korean situation under the UN will be a turning point of world history; its success would mean the beginning of world peace; its failure would mean a world holocaust which would destroy us all.

"Until the event in Korea, the UN was nothing but a debating society. But the Korean incident caused the beginning of a world police force which has long been considered by many thinking people as an essential part of world federation."

Property Owners' Groups Conduct Joint Conference

A lively interest has been manifested lately among the property owners in certain sections of the Park in effecting the organization of strictly neighborhood groups to be alert to the advantages of safeguarding the interests of their localities. Their purpose is to discuss mutual help in the prevention of encroachments on zoning laws by business, on civilian defense, on exchange of all information useful to their purposes and to work for more comprehensive zoning laws.

Three Groups Gather
Dr. John G. Slevin of 1132 Whittier, reports on the outcome of a meeting held on Tuesday evening, Oct. 10 of three such associations as have already been formed.

One of these is composed of property owners on Whittier and Audubon south of Kercheval. Dr. Slevin is president of this group and associated with him are Earl Graef, vice-president, of 1052 Whittier; Harold S. Ellington of 1058 Audubon; Thomas G. McCormick of 1126 Audubon; G. Ballerini of 1031 Whittier, and Mrs. Vivian Fox, secretary, of 1148 Audubon.

Another Group
Attending this same meeting, and representing the Kensington Property Owners Association were Peter Wemhoff, president, of 1353 Kensington; L. J. Hicks, vice-president, of 1335 Kensington, and Mrs. Gardella, secretary.

The third group at the meeting was representing property owners on Audubon and Whittier north of Kercheval. These were Clarence Bowser, president, of 1386 Whittier; A. C. Hollerbach of 1360 Whittier, and Clarence E. Klem of 1209 Whittier.

Hope for Company
The company urged that similar groups representing other areas in the Park be formed. It was reported that E. W. Doherty of 788 Grand Marais is organizing a similar group for his neighborhood.

In this connection it is interesting to note that the Board of Commissioners of Grosse Pointe Park has already given authority to the Planning Commission of the Park to have a complete survey of the entire village made and has given authority to the Planning Commission to employ an organization or expert individual, specializing in such work in all its phases to make the survey.

Ground Broken for New St. Michael's Chapel

Ground-breaking ceremonies were held Sunday afternoon at the site of the new building for St. Michael's Parish of Christ Church. The structure will be erected in Sunningdale drive near the Parcels School on Vernier road. As RT. REV. DR. RICHARD EMRICH, Episcopal Bishop of Michigan, turned over the first shovel full of earth, interested spectators included from left to right: the REV. HENRY W. SHERRILL, cupate of Christ Church; the REV. EDGAR YOEMAN, vicar of St. Michael's Parish; WENDELL W. ANDERSON, senior warden of Christ Church; and the REV. DR. J. CLEMENS KOLB, rector of Christ Church.

Henry Ford II To be Honored

Henry Ford II will be cited for "outstanding contributions to the preservation and furtherance of American freedom" by the University of Detroit.

The President of the Ford Motor Company, along with four others, will receive an honorary Doctor of Humanities degree at the first annual Gabriel Richard invitational lecture on Nov. 9 in the Rackham auditorium.

Ross J. Hoffman, University of Fordham history professor and author will speak on "The Future of Freedom."

In addition to Ford and Professor Hoffman, others receiving degrees will be:

Carlton J. H. Hayes, historian and former ambassador to Spain; the Rt. Rev. Msgr. Edward J. Hickey, chancellor of the Archdiocese of Detroit; and the Rev. Father Robert I. Gannon, S.J., Catholic author and educator.

"The degree of Doctor of Humanities is a just honor for proficients in human rights, liberties and obligations," explained the Very Rev. Celestin J. Steiner, S.J., President of the University of Detroit.

"In its simplest terms it means: Expert in the Freedom of Men." The Gabriel Richard lecture is sponsored by the National Catholic Educational Association and is to be co-sponsored annually by different universities.

"This first lecture has been scheduled for Detroit," Father Steiner explained, "because Father Gabriel Richard's activities centered about this city."

Fatally Hurt On School Job

George Bettiga, aged 45, of 17151 Kentfield, Detroit, who operates a caterpillar tractor on the construction job under way at the John Monteith School on Cook road, was fatally injured on Tuesday morning, October 17.

Mechanical trouble had developed in the motor and Mr. Bettiga was working in the transmission with a crowbar while the motor was running in an attempt to remedy it.

The gears suddenly threw out the crowbar with great force striking him on the forehead causing a skull fracture.

He was removed to Cottage Hospital where he died at 5 p. m. Tuesday.

Police Continue With Probe Into Mrs. Vernier's Death

The St. Clair Shores police and the Prosecuting Attorney's office in Mt. Clemens are pretty well satisfied that Mrs. Frances Vernier of 795 Lake Shore drive met her death by being struck by a passing automobile.

She was found lying in the middle of the road about 70 feet from the Mack-Maxine intersection between 1:30 and 2 a.m. on Sunday morning, October 15, by Mr. and Mrs. Raymond Cranick of 656 St. Clair avenue, Grosse Pointe.

The St. Clair Shores police took her to the St. Joseph Hospital in Mt. Clemens where the doctors pronounced her dead on admission.

Her husband, Stanley Vernier, with whom she had been spending an evening in drinking, interspersed with frequent quarrels, was arrested by the St. Clair Shores police sleeping in their car in front of their home at 795 Lake Shore drive. They occupied living quarters over the

Grosse Pointe Shores Municipal Building. Vernier has been an employee of the village for the past eleven years.

When picked up, Vernier denied any knowledge of what had happened and was in a highly befuddled state from drinking.

The Prosecuting Attorney's office in Mt. Clemens said that Vernier had been discharged, but under orders to hold himself ready for further examination.

The Prosecuting Attorney's office is now chiefly concerned with whether Vernier had pushed his wife out of the car or she had jumped of her own volition; also the identity of the car which

had struck her. The three young children who survive Mrs. Vernier were taken in charge by relatives. The funeral was held on Tues-

day night in the Verheyden Funeral home and burial was made in the family plot in Saginaw where Mrs. Vernier's father is buried.

TRIPLETS BORN HERE
The Cottage Hospital nursery has a set of triplets among its occupants. The triplets, two girls and a boy, born Saturday, October 14, are doing nicely. Mr. and Mrs. Michael Lukon of Van Dyke, Mich., are the parents.

Society News Gathered from All of the Pointes

From Another Pointe of View

by Jane Schermerhorn

It was just as if Arthur Godfrey spent every Friday evening at the Pointe . . . when the Harold R. Boyers entertained "America's Sweetheart" at their East Jefferson avenue home last week-end . . .

"Easy to meet" doesn't half describe Sir Arthur . . . who was strumming on his ukelele and exchanging favorite Hawaiian memories with Pointers . . . before you could say, "Have a cup o' Lipton's?" . . .

Godfrey had, earlier the same evening, helped open Detroit's second annual Torch Fund drive . . .

And then with his host . . . C. E. Wilson . . . dropped by at the Boyers . . . the next day Mr. Boyer and Mr. Godfrey whizzed to Rose City for hunting . . .

Ukelele Duet

Mrs. Wesson Seyburn . . . the Wilson family . . . the William McGiverins . . . Paul H. Deming, Jr. . . Mr. and Mrs. C. Henry Buhl . . . Mr. and Mrs. George E. Schenck . . . Mr. and Mrs. T. D. Buhl . . . Mr. and Mrs. George O. Johnston . . . Mrs. William Curran . . . Dr. and Mrs. John B. Hartzell . . .

Were among those at the informal gathering . . . when everyone agreed that the Star of The Airways is m-u-c-h younger looking in person than on the TV screen . . . (despite that back breaking schedule of his) . . .

Mrs. T. D. Buhl . . . long an ardent Godfrey fan . . . at first left her own ukelele in the car . . .

But upon invitation . . . eagerly produced it for the Godfrey autograph . . .

And was thrilled to death to play along with Godfrey in what she called her "not inimitable style" . . .

Spend Fortnight in East

We can't help but wonder . . . now that Mrs. Boyer and Mrs. C. Henry Buhl have arrived for a fortnight in Manhattan . . .

(Where they're stopping at the Buhls' New York apartment) . . .

If they won't be in the "live" audience at one of the Godfrey broadcasts . . .

Snyder - Peabody Wedding

The Pointe will welcome, any day now, Mr. and Mrs. Edwin Nichols Peabody . . . who are at the moment on their wedding trip in Northern Michigan . . .

They'll make their home on Windmill Pointe drive . . .

The wedding took place last Saturday evening at the Church of Our Father with the Rev. Dr. Tracy M. Pullman officiating at a 7:30 ceremony . . . following which the bride's mother, Mrs. Clifford L. Snyder of Atkinson avenue, entertained at a reception in her home . . .

Mrs. Glen Thornton was her sister's only attendant and S. Keller Nissley assisted Mr. Peabody . . . while the ushers were Robert T. Keller and Glendon H. Roberts . . .

The bridegroom is the son of Mrs. Edward B. Caulkins and the late Witter J. Peabody.

Morning Musicales

Do you realize that this will be the s-l-x-t-h season for the Grosse Pointe Morning Musicales? . . .

The season's opening program has been set for Thursday morning (always 11:30, you know) at the Country Club . . .

And the Pointe's John Scripps Sweeney III, pianist of the Little Symphony of Detroit, will be the featured artist . . .

Gloria Suzanne Rickel Speaks Wedding Vows

Becomes Bride of Leander Hamilton McCormick-Goodhart in Ceremony in Grosse Pointe Memorial Church

An empire gown of heirloom Brussels lace was worn by Gloria Suzanne Rickel for the 3 o'clock service on Saturday, at which she became the bride of Leander Hamilton McCormick-Goodhart. Dr. Frank Pitt heard the exchange of vows in Grosse Pointe Memorial Church.

The bride's mantilla style veil of rose pointe was taken from the court train of her grandmother's wedding gown, and she carried a bouquet of white orchids surrounded by stephanotis and ivy. She is the daughter of Mr. and Mrs. Armin Rickel of Edgemont park.

Mrs. William C. Porter, the bride's sister and sole attendant, wore a delphinium blue frock fashioned with tight-fitting bodice, full skirt and matching stole. American Beauty ostrich feather tips accented her small halo headpiece, and she carried an arm bouquet of American Beauty roses.

The bridegroom, son of Mrs. Gladys McCormick-Goodhart of University place, and the late Frederick H. McCormick-Goodhart, asked Henry Stephens IV to be his best man. Ushers were the bride's three brothers-in-law, Mr. Porter, Joseph Wolf, of Washington, D.C., and Bentley T. Handwork, of Toledo, O.

A reception followed the ceremony in the Rickel home overlooking Lake St. Clair. Out-of-town guests included the bridegroom's sister, Mrs. James McMillan Gibson, of Washington, D.C.

After a motor trip to Florida, the newlyweds will fly to Jamaica and visit Cuba. They will make their home in Alexandria, Va.

Patricia Hughes Bride Of Lawrence Gourlay

Ceremony in St. Paul's Followed by Wedding Breakfast in Kensington Road Home of Bride's Aunt

Patricia Frances Hughes of Kensington road and Lawrence Gourlay were married at an 11 o'clock nuptial mass on Oct. 14 at St. Paul's Church on the lake shore. The Rev. Father Richard Parrish officiated.

Given in marriage by her uncle, Vincent A. Hughes, of Dallas, Tex., the bride wore a candlelight satin gown, styled with sweetheart neckline, fitted bodice, full skirt and sweeping train. A band of pearls secured her fingertip veil of illusion, and her flowers were white orchids and stephanotis. Patricia is the daughter of Mrs. Frank J. Hughes, of Washington, D.C., and the late Mr. Hughes.

Mrs. Thomas L. Flattery, wearing a turquoise taffeta gown with lace bodice and long sleeves, was her sister's matron of honor. Her Juliet cap was of matching taffeta and she carried a bouquet of pale yellow carnations. Henry Strong, of Washington, D.C., who had been a classmate of the bridegroom at Williams College, performed the duties of best man. Lawrence is the son of Mrs. Lawrence Gourlay, of New York City and Long Island, and the late Mr. Gourlay.

Parties Honor Alice Mary Dey

Alice Mary Dey of Moross road, who is being married October 21 in Grosse Pointe Congregational church to John Harrison Klose, has been feted with a number of showers.

A surprise kitchen shower was held at the home of an Aunt, Mrs. F. A. Tangerstrom of Manistee, Michigan while Alice was visiting there Labor Day weekend.

Mrs. Robert Whan, who is to be the bride-elect's matron of honor, gave a miscellaneous shower on September 23 at her home on Second Blvd. Detroit.

A surprise miscellaneous shower was given at the home of Mrs. Frank Updegraff of Moross road, with Mrs. Lorenzo Klose the bridegroom's mother, as co-hostess.

Mrs. Edward Anderlitz and Miss Ruth Fintley were joint hostesses at a linen shower on October 7th at the home of Mrs. Anderlitz's mother Mrs. Raymond Miller of Glenwood ave., Detroit.

Saturday, October 14, Mrs. R. V. Moran and Mrs. Orm Beupre entertained jointly with a miscellaneous shower at Mrs. Beupre's home on Ridgemont road.

A practical shower was given for Alice by Mrs. Wm. Kuitinen and her mother, Mrs. Horace Farmer, at the latter's home on Moross road, Tuesday evening, October 17.

Mrs. Lawrence Gourlay

The former PATRICIA FRANCES HUGHES, of Kensington road, daughter of Mrs. Frank Hughes, of Washington, D. C., and the late Mr. Hughes, who was married on October 14 to the son of Mrs. Lawrence Gourlay of New York City and the late Mr. Gourlay.

Meathe-Munger Vows Exchanged

Following their Saturday marriage at St. Clare de Montefalco Church, Mr. and Mrs. Philip James Meathe are honeymooning in Florida. Before her marriage the bride was Jeanne Marie Munger, daughter of Mr. and Mrs. Horace Parker. Munger of Buckingham road. Her husband is the son of Mrs. William Meathe of St. Clair avenue, and the late Mr. Meathe.

French lace and fan-pleated net fashioned the bridal gown. Pearls edged the satin pillbox which held her illusion veil, and she carried a bouquet of white orchids, stephanotis and ivy.

Marilyn Rees, honor maid, was gowned in golden brown velvet with matching plumed velvet cap and carried bitter-sweet. Wearing similar frocks of gold and carrying wheat and fall leaves with bitter-sweet were the bridesmaids, Sally Ann Munger, Ann Meathe, Maude Suzanne Schaff, Eylene Mae Hoffman, Marilyn Convery and Mrs. Raymond Fink, of Chicago.

George Meathe was his brother's best man. Edgar Meathe, Howard Meathe, Leo Kulka Jr., Rolf Muentner, Frederick Otto Jr., and Gilbert Hamel ushered.

A breakfast at the Book Cadillac Hotel followed for the wedding party and families. The afternoon reception took place at the same hotel.

Duffield-Hersey Wedding Nov. 25

Jeanette Burnet Hersey, daughter of Mr. and Mrs. Louis Edward Hart Jr., of Chicago, has joined the ranks of November brides-elect. Jeanette has chosen Nov. 25 as the date of her marriage to George William Duffield, whose parents are Mr. and Mrs. George B. Duffield of Merriville road.

A reception will be given at the Racquet Club after the wedding in St. Chrysostom's Church, Chicago.

Daphne Hersey expects to come home from Westover School to be her sister's maid of honor. George V. Hick's will serve as best man, and John P. Worcester will usher.

The couple plan to live in Grosse Pointe.

Marjorie Oberteuffer To Wed Douglas McClure

At a cocktail party on Saturday in their Edgemont park home, Mr. and Mrs. Reece B. Oberteuffer told their friends of the betrothal of their daughter, Marjorie, to Douglas T. McClure.

Marjorie is a graduate of the Grosse Pointe Country Day School, Pine Manor Junior College and the University of Arizona. She is a member of Tau Beta and the Junior League.

Her fiance is the son of Dr. and Mrs. Roy D. McClure of Iroquois avenue. He was graduated from The Hill School and Princeton, where he was a member of Cap and Gown.

Antique Show Readied By Junior Goodwill

Third Annual Antique Show Will Be Held Nov. 6, 7 and 8 in Brush-Boulevard Building of Goodwill Industries; Thirty-three Dealers to Show

The Junior Group of Goodwill Industries is getting ready to ring up the curtain on its third (and dazzling) antique show to be held Nov. 6, 7 and 8 at the Brush-Boulevard Goodwill plant, 6522 Brush street. This is an event Grosse Pointe women have marked up in their engagement books for three years now . . . a MUST. And naturally such a show is making heavy demands of the many Pointe members of the Goodwill group, who have been working since last Fall on its preparation.

Mrs. Clarence A. Kramer of Bedford road is general chairman of the show which will be open each day from 11 a.m. to 10 p.m. And just so the visitors won't even have to take time out for lunch during their visit, there's to be a special room . . . The Bamboo Room . . . where refreshments will be served. Hot sandwiches, desserts, coffee, milk and soft drinks . . . in other words enough to sustain without having to dash away to eat.

Mrs. Charles S. Porritt of Bishop road is in charge of the Bamboo Room. And other Pointers who head committees include: Mrs. Raymond G. Walk of Moran road, finance; Mrs. Arthur L. Evely of Lake Shore lane, patrons; Mrs. Edgar E. Martmer, window display and posters. Still other chairmen include Mrs. Cleary N. Swanson, dining room; Mrs. George B. Martin, admissions and tickets (charge is seventy five cents for tickets); Mrs. Ernest O. Borglin, program; Mrs. Harold G. Perkins, hostesses; Mrs. John Dodds and Mrs. Earl Glynn, publicity; Mrs. Horace W. Prunk, co-chairman with Mrs. Kramer for the show.

Thirty-three dealers (some from out of State) will show antiques and a percentage of the sales is returned to the Goodwill to be used to benefit the handicapped employees of Goodwill Industries. This year, the Junior Group hopes to raise enough money to buy a station wagon for transporting those handicapped employees unable to walk or travel by public transportation, to and from work. These people are capable of working and eager to earn their living so again the Goodwill Industries will try to give folks, not charity, but a chance.

Then, according to Mrs. Kramer, it is also hoped that there will be funds to restore the print shop, which was discontinued when organization moved into its new building.

There are still many other things the Junior Group want to do. You'll recall that funds raised last year helped to furnish a

Barbara Allen To Wed Oct. 28

A reception at the Grosse Pointe Yacht Club will follow the evening rites on Oct. 28 at which Barbara June Allen and A. Russel Werneken are married. The Rev. Dr. Frank Fitt will read the nuptial service at Grosse Pointe Memorial Church.

Parents of the couple are Mr. and Mrs. William K. Allen of Westchester road, and Mr. and Mrs. Frank E. Werneken of McKinley avenue.

Janet Allen, a student at Bennett Junior College in Millbrook, N.Y., will be her sister's only attendant, George A. Devlin will be the best man, George R. True, Charles Johnson Jr., and Louis C. Gillette will usher.

Mr. and Mrs. Frank B. Ware have already given a large cocktail party in their St. Clair avenue home to honor the couple, and Mrs. Bayard Wilson of Lakeview avenue entertained at a personal shower for Barbara. Joan Rockwell was hostess at a dinner dance at the Country Club, and Mary Richardson gave a kitchen shower in her Lincoln road home.

Mr. and Mrs. Charles R. Murphy have scheduled a buffet supper honoring Barbara and Russ on Oct. 22 in their home on Balfour road.

Auditions are Planned By Tuesday Musicales

Auditions for active membership in the Tuesday Musicales will be held in the Lecture Hall of the Art Institute Tuesday, October 24 at 10:30 a.m.

Appointments will be made by the chairman of the Audition Committee, Mrs. George W. Peppard, 710 South Waverly, Dearborn.

Tip Toppers Club Getting Ready For Annual State Presentation

Margaret M. Schweitzer, Devonshire road, Grosse Pointe, is co-chairman of the ticket committee of the Tip Toppers Club of Detroit. The Club is presenting its annual stage production in Music Hall on Friday and Saturday, November 3 and 4. The play is a comedy entitled "Happy is the Bride."

All seats are reserved. Tickets may be obtained at \$1.20 each by calling Miss Schweitzer at TU. 2-9840. This is one of the few activities during the year to which the general public is invited.

The Tip Toppers Club of Detroit is a social, non-profit organization numbering some 250 tall people. Their minimum height requirements are 5'9" for girls and 6'1" for fellows. Its activities are many and varied—house parties, dances, swimming, horseback riding, games bowling, hayrides, hikes, camping trips, and more.

Organized in 1940, a semi-formal dinner dance is held each year to commemorate its founding. A summer semi-formal is given in July of every year. Social activities are scheduled every week and a business meeting is held once a month.

Miss Schweitzer suggests that persons desiring to attend the play secure their tickets early as the choicest seats will be the first sold. In previous years many persons have been disappointed because of the limited number of tickets available.

Students and Mothers Honored at College Tea

An autumn tea for the students of the Detroit Commercial College and their mothers was given at the Women's City Club, Wednesday afternoon. Hostess for the affair was Miss Lola Maclean, director of education at the College.

Ann LaFerte, who was accompanied by her mother, Mrs. Alfred LaFerte, of 181 Touraine road, assisted with the arrangements for the tea.

Mrs. R. E. Lamb, of 275 McKinley road, presided at the tea table decorated with fall flowers and bronze appointments. Her daughter, Marguerite, is now in her second year of business training.

The Wake Island Mission

Without in any way reflecting on the honesty of President Truman's desire to get first hand information from the military Commander-in-Chief in the Orient, the belief is well justified that he seeks to clear up certain politically dangerous impressions abroad in the land which might have serious repercussions on the elections next month.

The inability of our meagre military forces on the spot to crush without great effort the Korean communist invasion from the north has left a bad taste in the mouths of the American people.

When the "policing action," to which the President referred, rapidly moved into the status of a sizable war, when the idea was brooded about that our intelligence service which operates from Washington had been woefully lacking and that additional military force which MacArthur had repeatedly asked was not forthcoming, a bothersome kanker developed in the public mind which Mr. Truman would wish to cut out as soon as possible.

It is noticeable that Mr. Truman's preliminary report on his meeting with MacArthur carried the message "it was apparent that the excellent co-ordination which has existed between Washington and the field, to which General MacArthur paid tribute," politely facilitated the discussion.

After the little "policing" operation had resulted in the killing, wounding and missing in action of more than 20,000 American boys the opinion of the folks back home that there was a screw loose somewhere in Washington was confirmed.

Mr. Truman had some real fish to clean when he went to Wake Island and the most important of the lot was to have the men in Tokyo believe that matters between Washington and our men in Tokyo was altogether sweet and lovely.

To do this it looks as if he had placed some timely words in MacArthur's own mouth.

It will be interesting to learn what MacArthur has to say, if he dare, on this same subject.

The Ohio Campaign

Not in many years has an election within a single state held the concentrated interest of the thinking people of the country as does the issue in Ohio this year. Senator Robert A. Taft, who is seeking reelection, is universally acknowledged as one of the ablest men in the senate. His speciality has been the domestic field, leaving uncontested the Republican spokesmanship in foreign affairs to our own Arthur Vandenberg.

Taft is generally recognized as a man of limitless courage in bringing his personal convictions and arrived judgment into his political life and has never hesitated to align himself with the apparently unpopular side of any public issue when once convinced it was his public duty to do so.

A striking instance of this appeared in 1946 when the Republicans had gained what proved to be a temporary control of Congress. Taft had a large voice in the apportionment of committee leaderships and took for himself the chairmanship of the Labor Committee in the Senate which he undoubtedly knew to be one of the hottest spots in the Congress at the moment when there was a general recognition of the necessity of placing certain curbs and legal limits on the activities of organized labor in our national industrial life.

He sponsored the Taft-Hartley Law which has been generally recognized as just and fair to labor, not depriving union labor of a single constitutional right to which it was entitled. The law has been so reasonable that it has been strong enough to resist every effort towards its repeal. Many labor union men themselves, most of the thinking element in its ranks, acknowledged this.

Labor Union leaders, however, chafe at the wholesome checks it placed on their abilities to play fast and loose with the public welfare and from these the orders have gone out to "defeat Taft." Most national Democratic leaders have joined the pack howling for his defeat and not the most quiet of these has been the President of the United States himself.

Taft lacks the personal magnetism which has so often substituted for ability to advance meaner men to political preferment. His opponents are relying largely on this to accomplish his defeat, knowing that the considered weighing of his abilities against the backslapping mediocrity of his professional political opponent would assure Taft's triumph.

The Taft election or defeat in Ohio has become a major political issue this year which momentarily resists with the voters of Ohio to decide. Taft's success will make him a major contender for the Republican nomination in 1952 and, if the result of the Congressional elections next month should show a decided drift towards the return of sanity and honesty in our political life, he will be the last man Mr. Truman would want to face.

The Taft fight presents a very real national issue, which will be watched with keen anxiety by millions of Americans next month.

Drafting 18-Year-Olds

The acknowledgment by General Hershey, in charge of the Selective Service work, that the Government is seriously considering drafting 18-year-old boys, will be received with mixed emotions by the parents of that age group.

The more sensible ones will admit that such a step will only anticipate a move that would in all probability be taken a year later anyway. They should also realize that it is much fairer to their son that he should have the advantage of a year's earlier training before being taken into the armed forces.

It is highly improbable that any of these young boys will be tolled off for actual combat duty any earlier than would have been the case if they had not been drafted until a year later.

The more of these boys who are subjected to military training there are, the less the probability exists that any of them will be called to combat duty.

The calling up of 18-year-olds for training now is in effect the adoption of general compulsory military training which has long been advocated by our military leaders and by many parents in civil life as a routine procedure in making the nation strong for defense and, as advanced by many, a worthwhile step in building up the physical and moral

Grosse-Exaggerations

A. PRYOR

"Alas! how easily things go wrong! A sigh too much or a kiss too long, And there follows a mist and a weeping rain, And life is never the same again." (George Macdonald)

When Arthur Godfrey was in town last week, he was entertained by a Pointe family, following the United Fund drive rally. One of our underground spies who performs such menial tasks for us as looking in windows and performing at key holes, gave us a peepers-eye view of some of the highlights of the evening. We gather that Mr. Godfrey is even more charming in person than he is on t-v or radio. He also "gives" with the entertainment... having played and sung innumerable tunes on his "ookalalie"...

Even higher than a highlight... is this true account of what one of the female guests almost got away with. Apparently our heroine had never seen Godfrey nor had she ever heard him on the radio... incredible as it seems. When he arrived at the party, there were other guests flustering in and out... many of whom our little woman didn't know. Finally, the hostess sauntered up to this local character (with Godfrey in tow) and, thinking it unnecessary to mention his name, merely said, "This is my Lion!" Our heroine politely said, "How do you do, Mr. Lyon?"... and went about her business. Some time later she was talking with a co-guest, when Godfrey ambled through the room. She looked up and said to her companion, "Who is that Mr. Lyon?" When she learned it was guest-of-honor Godfrey, her face turned as red as the lovable Arthur's hair!

There comes a time in every woman's life when she is plagued with something about her person that is or has already "fallen apart." We went through such a siege last year when we suddenly discovered that our feet had grown a size larger... through no fault of our own. We found to our amazement that we could no longer cram them into nine and a half stockings and seven shoes! This year, we have discovered evident traces of a double chin... and we started to do something about it. The one-thing all literature on the subject tells us, is that when bending over to write at a desk or read a book, we must NEVER, NEVER drop our head! Have YOU ever tried to write or read the way you invented that idea? He's probably the same bloke who wrote the song, "With Her Head Tucked Underneath Her Arm."

At this writing, we are trying to perfect a device that will permit us to write while lying on our back with our head thrown back and throat-line taut. Reading that way is easy. We have our book suspended from a pulley overhead. When we want to turn a page, we ring for the second butler, whose job it is to do, just that for us.

Our pet screwball fan is at it again. This time with a letter referring to an item in our column two weeks ago about the guy who collected Scotch for the hell of it. The letter follows here, scrambled word for scrambled word... and we predict it will give you a chuckle, even if you aren't familiar with the realm of the alcoholic haze:

"Dear Pryor: 'It is probably an undeniable circumstance that no one is quite as aware as a columnist of the appalling inevitability with which one week follows another, creating thereby a white void that must be filled with what, with considerable license, we may call gems of wit and wisdom.

"Columnists, being nuts, think the rest of the world is squirrely, and this undoubtedly accounts for some of the odd praver they feed their customers.

"Take, for instance, that item in your column about the gentleman who collects scotch whiskey—keeps \$20,000 worth of it, corked and locked in a display cabinet. This is pretty hard to swallow.

"In a spirit of research, I have purchased one bottle as a starter on a collection and it is right here on the desk in my study as I write this. Your story specified 'rare' scotch, and this bottle is plainly labeled '25 years old.' I am aware, however, that the liquor business is infested with scoundrels, and perhaps I have been taken in.

"I am now in a position to state that, in my opinion, this scotch is at least 18 years old—or perhaps 19—or maybe 20—or around there somewhere.

"Since the above was written, I have been assailed by further doubts and I am now uncertain whether this half bottle of scotch is 13 or 22 years old. I must remind myself to get a full bottle next time to add to my collection.

"anybody thinks they can elect \$20,000 3@xxxxxxx/c rare scotch just let them try it on for size. I doubt it. Haig and Haig, yes. cuty sark yes dDewers take itt of leave it alonexxxxl/jc.

"watsa point collecting stamps butterflies. Rare old scotch makes sense.

"Personally 'watsa point collecting stamps butterflies some like bourbon not particular Old Grand canyon or national forest. Wonder if an octopus is a 8 fisted drinker.

fibre of the young manhood of the country for the duties of civil life regardless of the prospects, immediate or remote, of actual war coming to the Nation.

The sensible view for parents to take now is that it has been deemed necessary by those responsible for the national defense and will give their sons an additional training which will stand them in good stead in the great gamble of survival if war comes.

Our Water Blessing

The movement that is currently under way to increase the rainfall in certain arid areas of the west, notably in east central Colorado, and western Kansas, should give rise to an infrequently expressed gratitude among us residents along the water courses of the Great Lakes.

We are never threatened here by lack of water. Neither are we menaced by floods as the great expanse of the inland seas absorbs the rainfall without accompanying floods.

The problem of our water resources authorities is not concerned with its supply, but to preserve its purities for our use, and the preservation of our fish and wild life.

These impurities are wholly man made and as such can be controlled or entirely prevented when we make up our minds to move to that end.

The haunting fear that the precipitation in our great west central area is diminishing to a point where agriculture and stock raising cannot be carried on hangs over large areas. This fear can never come to us. The moisture arising from the surface of thousands of square miles of water assures an abundance for all growing and living things, while the water needed for domestic consumption and sewage and industry is limited only by the mechanical lifting appliances which we ourselves see fit to provide.

This is one of the great credit sides to life by the inland seas.

What Goes on at Your Library

by Jean Taylor

The 1950 theme for United Nations Week, being celebrated October 16-24, is "Today's Best Hope for Peace — Is UN Plus You."

Most of us rationalize our inactivity in world matters... The problem is so big and we as individuals are so small... but foreign affairs are our affairs.

We quote from a brochure of the Enoch Pratt Free Library... "Foreign affairs"—the words call to mind conference tables, secret meetings, frock-coated diplomats, formal, remote...

"Your affairs"? Yes, because every day you pay a share of the bill for our foreign program, every day you and your family use many articles that come from foreign trade. Your sons may be called to service; you yourself may be in danger.

You cannot have a personal seat at the conference table where decisions are made that affect your life so closely, but the United States representatives who are there will act in accord with public opinion when that opinion is made clear. You can help make it clear.

The books here listed will not make you an expert on foreign affairs, but they will help you to form an opinion so that you can act.

One word of warning. The topics covered are living, burning issues. They mean, literally life or death to many people. Not everyone can write objectively about such matters and it would be a mistake to by-pass all the sincerely passionate books, even though they may be one-sided. Both kinds of writing should be read for a balanced view.

The issues of today have their roots in the actions of yesterday. What has our policy been, up to now? How must we alter it to fit in with UN plans? What have we aimed for, and how far have we succeeded?

Help in Serving Villagers Solicited by Woods Club

The Grosse Pointe Woods Community Club, anxious to do everything it can to best serve the interests of the community, has issued the following statement asking the cooperation of residents in helping to expand the facilities of the club:

"The Community Club is eager to provide the kind of community services for children and adults that the Grosse Pointe communities want and need. The

present building at 20883 Mack avenue is too small and too poorly located to serve the entire community. Therefore, the Community Club is ready and eager to begin activities in other parts of the Village where residents want to use the services.

"This means that the Community Club will need to have meeting places; it might be a recreation room in a home, a heated garage, an empty building, anything that could house a group of children or adults for a two hour weekly meeting. The Community Club will provide group leadership, program materials, and some ideas, and will help to find volunteers to carry part of the program.

"Someday—in the not too far distant future—there may be a beautiful big Community Club building in the Village. In the meantime, the Community Club seeks the support of the people of the community in their attempt to prepare for that day of new building, and to provide for the present interests of all.

"Won't you phone the Community Club at TUxedo 1-7970, if you or your neighbors wish to share in these new activities?"

Blood Clotting That Saves Lives

By Fred M. Kopp, R. Ph.

Under normal conditions a blood clot forms when a vessel is cut or injured and thus prevents death from hemorrhage. The elements that cause blood to clot are not manufactured in the blood itself but come from other sources in the body. It took many years of research to discover this and to find a way of inducing blood to clot artificially.

Today in performing surgical operations where bleeding is difficult to control, doctors use a compound known as thrombin. It is sprayed on the surface and its effect is almost instantaneous.

Scout Leaders Plan Big Event

Over 500 Scouters and Cubbers of this area and their wives will meet and be entertained at the Annual Dinner Meeting of District III, to be held on Wednesday evening, November 8, at the Briggs Manufacturing Company's Outer Drive Plant.

This gala affair is the big social event of the year for the Scoutmasters, Cubmasters, assistants, Den Mothers, institutional representatives, commissioners, committee members, and counsellors who work together during the year in their common interest of advancing the Boy Scout movement in the eastern part of Detroit and neighboring Grosse Pointe communities.

Dinner will be served at 7 o'clock, followed by an elaborate program including music and a songfest, recognition of the Eagle Scouts of 1950, presentation of Scouter awards, and the announcement of elections of new executive committee members.

An address will be given by the Rev. G. Paul Musselman, rector of historic Mariner's Church in Detroit. He has recently returned from a speaking tour covering a third of the United States.

The entertainment for the evening will be highlighted by the appearance of the two "Gay Deceivers," whose zany antics as pantomime artists have delighted thousands of Detroiters. They are also known as the "Wax Wackies" on television.

A sell-out crowd is assured, repeating last year's successful meeting, and the tickets are now being distributed through the Council office and by the Commissioner's Staff for those who wish to attend.

Before the Torch Was Lighted

MRS. DAVID WALLACE, MRS. H. HUNTER WILLIAMS and CAROLINE WHITE, neighbors of Eric Ramstrum of Grosse Pointe Farms, inspect the huge 16-foot torch which Mr. Ramstrum has constructed for the Torch Fund campaign in Grosse Pointe. The torch, which will remain lighted throughout the three weeks of the campaign as a flaming symbol of the Torch Drive, has been erected at the corner of Kercheval and Fisher roads and was lighted at the High School rally Wednesday night. Mrs. Wallace is chairman of Special Assignments and Mrs. Williams is chairman of Publicity in Grosse Pointe, Region I.

An unmasked excuse infers transgression.

Pointe Artists Adding Classes

The series of classes, sponsored annually by the Grosse Pointe Artists, is being enlarged this year because of popular demand. Mrs. William R. Hamilton, new president of the group, announces.

Classes which will be held at the Grosse Pointe War Memorial Center, are as follows: Sculpture—Margaret Gifford, instructor; six weeks course starting Nov. 6; 7:30-10:30 p.m. Water Color, Oils, Drawing—Warren Simpson, instructor; six weeks course welcoming beginners, starting Nov. 7, 1-4 p.m.

Oil—Guy Palazzola, instructor; six weeks course for advanced students, starting Nov. 8, 1-4 p.m. Oil, Water Color—Edgar Yaeger, instructor; six weeks course starting Nov. 7, 7:30-10:30 p.m.

Although the number in each class, will be limited, anyone is eligible for membership. For information and reservations, call Mrs. Gordon Johnstone, TU. 5-1060.

Reckless Drivers Pay Up in Court

There were seven cases heard and disposed of before Judge C. Joseph Belanger in Park Police Court on Wednesday morning, October 11.

David Wilburn, 418 Lakeland, for speeding 45 m.p.h. on Jefferson on Sept. 12, paid a fine and costs of \$20.

Vincent Pangori, 19165 Mapleview, Detroit, charged with making a wide right turn at Kercheval and Lakepointe, causing an accident on Sept. 23, pleaded guilty and paid a \$5 fine.

Joseph Landry, 244 Ashland, for passing on the right, causing an accident in front of 15117 Vernor, on Sept. 15, pleaded not guilty, was found guilty, sentence suspended and directed to attend two sessions of Traffic School.

Marlie Andrew Miles, Jr., 624 Lakepointe, for stop street violation at St. Paul and Lakepointe on Sept. 2, paid a fine and costs of \$20.

Edward Barry, 2969 Ashland, for reckless driving causing an accident at Mack and Beaconsfield on Sept. 14, stood mute, paid the damages involved and witness not appearing, case was dismissed.

Frank G. Schwartz, 1038 Kensington, for driving into moving traffic causing an accident at Jefferson and Berkshire on October 8, pleaded not guilty, was found guilty, placed on probation for 30 days and directed to make full restitution.

Gerald Mason Spalding, 14630 Riverside, Detroit, for speeding 38 m.p.h. on Mack avenue on Sept. 8, pleaded guilty and paid a fine and costs of \$15.

Police Arrest Youth Speeding on Lake Shore

Arrested for speeding on Lake Shore road at 6:30 p.m. on October 15, Travis Edward Burris, 20, of 1483 Field avenue, Detroit, was sent home in a taxi by the Farms police. Burris paid the fare.

The car was held by the police until its ownership could be cleared up. Burris said it was owned by J. E. Stafford of the same Field address, but he did not have the registration with him.

Group Attends College Parley

Mrs. Gillespie, Miss Mutton, Miss Schermer, and Miss Weier were representatives of Grosse Pointe High School at a conference of Southeastern Michigan College Agreement Schools held at St. Mary's Lake, Battle Creek, recently. (Grosse Pointe High School is a member of this program). This conference was sponsored by the College Agreement Committee of the Metropolitan Detroit Bureau of Cooperative School Studies.

Attending the conference were representatives of 22 secondary schools, the University of Michigan, Wayne University, Michigan State Normal College, the State Superintendent of Public Instruction, and the Metropolitan Detroit Bureau of Cooperative School Studies. Seven students in member schools were also participants.

Topics discussed at the conference were: Core or Common Learnings, Guidance, Staff Planning, Follow Up Studies of Students, Grouping Students in Required Subjects, Student Participation in School Government, Michigan College Secondary School Agreement, and Techniques of Teacher-Pupil Planning.

Schools belonging to this agreement, numbering about 130 in the state, have signed a contract with the Michigan colleges. The purpose of the member schools and colleges is the improvement of education in the secondary schools of this area.

These conferences are held four times yearly. The next one is planned for February 16-18.

Cars Bombarded By Egg Tossers

Joseph Murphy of 1227 York-shire reported to the City police at 9:57 p.m. on Friday night, Oct. 13, that, as he was driving on Lincoln road between St. Paul and Kercheval, some boys in a 1949 blue Pontiac car threw eggs against his car. He had obtained

the license number and the police went around to the address indicated and found nobody at home except the grandmother. They left word with her to have the boy of the family come around as the police wanted to talk to him.

He appeared on Saturday morning and after a talking to that he will long remember he was notified to take such civil action as he deemed necessary. That same evening Donna (Continued on Page 19)

Hear Complaints Of Leaking Gas

In recent weeks there have been a large number of gas odor complaints coming into the City police station. The police themselves venture the opinion that the increased pressure in the gas mains which the Michigan Consolidated has been making recently has caused leaks from old piping that had not showed up under the former lower pressure.

Taking up the matter with R. W. Bartlett of the Michigan Consolidated he said that it was true that the company had stepped up its gas pressure in recent weeks but he doubted very much whether this would have been sufficient to cause gas leaks more than usual.

Mr. Bartlett, assistant to the Superintendent of Custom Relations, explained that the installation of more than 125,000 house heating gas units in the Detroit area in recent years had compelled the gas company to increase its pressure to add to the gas carrying capacity of its mains. There have been no gas explosions or manifestations of danger from any of the City places.

In the same interview Mr. Bartlett gave the reassuring information that the gas reserves in sight, according to the judgment of their scientific experts, was sufficient to assure a supply of gas fuel for heat for at least 25 to 30 years yet.

Joan Seabridge Elected Queen

Miss Joan Seabridge, sophomore, has been elected Homecoming Queen by the men students of Kalamazoo College. She will be crowned during half-time of the Kalamazoo-Albion football game, October 21, at Angell field and will reign over the remainder of the game and at the Homecoming dance that evening.

The 1950 Queen is of medium height and has short dark brown curly hair, blue eyes, a slightly freckled face and is 18 years old. She is the daughter of Mr. and Mrs. Olga Michael Seabridge, 600 Washington road, Grosse Pointe.

Serving as freshman representative to the student senate, Miss Seabridge also has been an active member of the college radio and newspaper staffs and was selected to be a counselor of new students this fall.

Her court will consist of the Misses Phyllis Casey, Marilyn Glaser, South Bend seniors; and Carolyn Davis and Joyce Tiefenthal, Kalamazoo freshmen.

Another Grosse Pointe student who held the same honor as Miss Seabridge was Mrs. Donald McMurray, nee Anne Wakeman, 1943 Homecoming Queen.

Marvin Nelsons Get Dream House

The Ideal Dream Home at 2133 Vernier road, Grosse Pointe Woods, became the "dream-come-true" for the Marvin Nelson family of 1720 Hampton road, Sunday, October 15.

The spacious stone and brick home was built by the parishioners and friends of the St. Joan of Arc Church, St. Clair Shores. Mr. John Gallagher, chairman of the project, called Mr. Nelson to inform him that he is the new owner.

The Nelsons have three children, Ronald, 15, Kathleen, 11, and Deborah, 2 years old. Their residence on Hampton has been for sale for several months because it was too small for the growing family. They plan to move in about three weeks.

The home is valued at \$22,000.

Center Offering Lecture on Art

Franklin Page will give the last of a series of four lectures on "The Arts of Our Time" at the Grosse Pointe War Memorial Center, Tuesday, October 24, at 8 o'clock.

Mr. Page's previous lectures were "Painting Architecture," "Painting Today," "Experiencing Modern Sculpture" and "Today's Architecture."

The title of this talk is "Modern Art in Home and Industry." Mr. Page will tell how the influences of modern esthetics and design have been felt in the development of home furnishings and in industrial design.

Please call the War Memorial Center, TU. 1-6030, for your reservation. The lecture fee will be \$1.00.

Dryden Meeting Scheduled By Village Garden Club

The Village Garden Club will meet on Friday, October 20, at the home of Mrs. Denis J. Allison of Dryden, Michigan.

There will be a business meeting at 11 a.m. followed by luncheon at noon. Annual reports of officers and committees will be heard at 2 p.m., followed by election of officers.

Assisting hostesses will be Mrs. G. Leslie Fields, Mrs. Sidney Ferriss and Mrs. Francis H. Phelps.

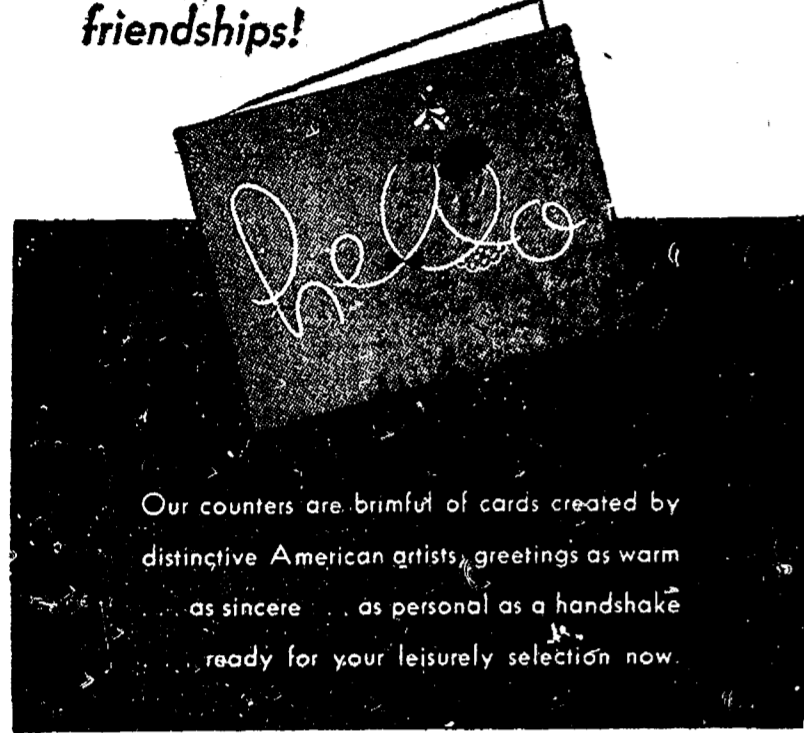

To See Movies Of Grid Classic

The University of Michigan Club of Grosse Pointe invites all who attended the university to gather at the Pointe War Memorial at 8:30 tomorrow night, Friday, October 20, to see the movies of the Army-Michigan football game played in New York last Saturday.

Al Wistert will be on hand to describe the highlights of the game. Refreshments will be served after the movies.

Girl Scout News

Mrs. B. D. O'Neill's Intermediate Troop 703 of Brownell Junior High did their service project this month at the Community Chest Building, where they were put to work sealing envelopes. Afterward they went to the Hobby Show at Convention Hall, accompanied by their leader and

Mrs. Miller, co-leader.

A simple but impressive candle-light investiture service was conducted at St. Paul's School recently, when Brownie Troop 847 "flew up" to become Intermediate Scouts of Troop 5. A brief history of their Brownie days was given by Patty Kalkoff, and Barbara Boylan presented the 847 troop flag to Susan Schreiber of the Brownie troop.

Wings were presented by Mrs. M. G. deNavarre, the Girl Scout Mason and the new World Fin was pinned to the girls' pockets by Mrs. J. McCormick. Troop 5 will be under the leadership of Mrs. Thomas Jarrett, Mrs. William Mason, Mrs. A. C. Bratton and Mrs. Neil McEachin. Refreshments were served after the ceremony to the Scouts, the 32 mothers present and the new Brownie troop.

On Sunday, October 29, at 3 p.m. the Girl Scouts of the Grosse Pointe district will hold a "Scouts' Own" at the Grosse Pointe Memorial Church. It will be an inspirational service with the lighting of friendship candles to honor Juliette Low's birthday.

Mrs. C. R. Sutton, program chairman, heads the committee which consists of one person from each neighborhood school. All Grosse Pointe Girl Scouts and their parents are invited to attend this service, which is the first of its kind ever to be held here.

Brownie Scout Troop 685 of Kerby School was entertained at Grosse Pointe Farms Park recently by Julie Van Gallow and her mother. The occasion was Julie's birthday. Mrs. Moore assisted Mrs. Van Gallow. Mrs. Bremer and Mrs. Allor are the leaders of the troop.

On October 17 Diane Koelbel, as representative of the Grosse Pointe Girl Scouts, presented Robert Edgar of the Grosse Pointe News and Toni Ebner of the Grosse Pointe Review each with a scroll in appreciation for their cooperation with the Girl Scout organization.

Old Fight Over Pollution To Be Resumed at Meeting

There will be a meeting of the State Water Resources Commission at Haven Lodge on October 24, but the matter of Fox Creek pollution will not be on the agenda.

When the Commission adjourned for the summer recess last June it was given out that the Fox Creek matter would not be taken up until October, and now definite word has come to the Grosse Pointe people that it will not be taken up earlier than the November meeting, and if not then, not until the January meeting.

This has to do with the complaint of the Detroit Water Board that the affluent poured out of Fox Creek is polluting the Detroit water supply at the intake at the eastern end of Belle Isle. This has been a moot question between the Detroit and Grosse Pointe communities for a long time.

Some of the Grosse Pointe sanitary engineers are inclined to resent the alarming aspect of the Joint Commission of the United States and Canada put on water pollution at the Detroit water intake. It said in its report winding up four years of study of the problem that if the measures were adopted which it recommended the "Detroit water supply would again become fit for drinking without excessive treatment."

Our local sanitarians say Detroit's water has never been greatly polluted nor has it ever required excessive treatment.

The Joint Commission lays the water pollution to both drainage from abutting municipalities and their industries and also from the pollution arising from water borne traffic. Grosse Pointe is free from responsibility for pollution arising from either industry or water borne commerce and the incidental pollution which arises from sewer drainage is consequential.

Detroit's water supply is now wholesome and safe and always has been and such minor pollution as arises from Grosse Pointe sewer drainage is too minor to be mentioned.

It was the contrary allegation from Detroit's Water Board which led to its elaborate scheme to have Grosse Pointe share in the cost of diverting the Fox Creek flow to Conner Creek, a project which would have loaded more than \$5,000,000 burden on the three Grosse Pointes charged with responsibility. This was more than half the total cost and about double what Detroit itself would have paid.

This plan has since been abandoned.

It is expected that at the Haven Lodge meeting on October 24 much consideration will be given to the establishing of standards of pollution.

The Grosse Pointe people say it is practically impossible to work on pollution abatement until it is known what percentage of pollution of the different kinds is permissible. On this score they have had to work in the dark.

When these standards are set it will be possible to ascertain whether or not the Pointe's an offender by overstepping the degree of permissible pollution.

Blue Devils Stick in Title Race by Beating Wyandotte

Defending Champions of Border Cities League Given Decisive Trimming by Grosse Pointe High Gridders

By FRED RANNELLS

Grosse Pointe High bounced right back into the Border Cities League football title picture last Saturday afternoon, October 14, with a lopsided 25 to 6 victory over the defending champion Wyandotte Bears.

Under the direction of Billy Winkler, who called a magnificent game from his quarterback position, the Devils left little doubt of the outcome of the game when they rushed across a quick touchdown in the first period and came back, to tally twice in the second.

Wyandotte's only score came as the result of a blocked kick in the late stages of the second period.

March 62 Yards

Grosse Pointe's first touchdown came minutes after the opening kickoff when the Devils used 16 plays to march 62 yards to pay dirt. Jimmy Barker, playing his first game in three weeks due to an injured leg, was on the receiving end of a double reverse and skirted around left end from the 9 yard line to score.

Anderson's conversion kick was wide of the uprights but the Devils were out in front 6 to 0.

The Devil's second score came after end Fred Mery blocked Al Caterino's punt, and recovered the bounding pigskin on the Bears' 20 yard line.

Makes First Down

Fullback Chuck Shaw drove 11 yards to a first down on the Wyandotte 9 yard line. Bray cracked the center of the Bears line down to the 2.

Winkler tried two quarterback sneaks which took the ball to the six inch line as the second period opened. On fourth down Bray cracked the center of the line and went over but fumbled.

Lanky Bud McCullough fell on the ball in the end zone for the Pointers second tally of the game. Anderson's kick again was wide of the mark and the Devils held a 12 to 0 lead.

Bob Anderson's kickoff went to Caterino on the Bears' 10 and he was brought down on the 22 yard line. Three plays lost three yards and Caterino punted out of bounds on the Bears' 42.

Resort To Passes

Throwing the Pointers aerial circus into high gear Winkler used three passes and a line play to notch the Pointers third touchdown. It was Bray who took Winkler's third toss on the Bears' 22 yard line and raced down the sideline into the end zone. Anderson's kick was again no good but it didn't seem to be of much concern to the Devil fans as their team had a comfortable 18 to 0 margin.

Late in the second quarter the Bears made a break for themselves when a 15 yard Grosse Pointe penalty and some hard charging by the Wyandotte forward wall forced the Devils back to their own 30 yard line.

Kick Is Blocked

At this point Center "Porky" LeClair smashed through to block and recover Dick Limberg's punt. He picked the ball up on the Pointers' 8 yard line and rumbled over the goal line all alone. Joe Nicita's conversion

was blocked and the teams left the field at halftime with the Pointers out in front 18 to 6. Grosse Pointe added its final touchdown early in the third period when they smashed 67 yards in 15 plays. Chuck Shaw, Ben Bray and Barker spearheaded the attack which was kept mostly on the ground. Bray ambled 28 yards on one play and Shaw had 9, 2 and 8 yard advances while Barker picked up those all important two and three yards for first downs which kept the drive alive.

Bray Tallies

It was Bray who tallied the final marker with a bull like smash over center that sent the opposition flying like ten pins. He could have gone all the way to Kercheval if he had to. This time Anderson came through with his conversion kick to give the Devils their final point.

The victory was an important one as far as the Blue Devils were concerned because it kept them right in the thick of the battle for loop honors although the road to the league title is a rocky one in the next two weeks.

Face "Dark Horse"

The Pointers must meet the "dark horse" of the race October 21, this week, on the local gridiron in Highland Park and next week tackle this Fordson in a nocturnal contest on the Tractor's home field. If the Pointers can get by these two teams it is likely they may capture their first Border Cities League football title in the history of the school.

The game marked the first time since 1943 that the Devils have beaten Wyandotte and the fourth time since 1934 when the two schools started football relations. One of those victories was a forfeit which was back in 1934 when Wyandotte called off the game because one of their players was killed the week before the game.

Old Score Repeated

Strange as it may seem the last time the Devils tipped over the Bears it was by exactly the same score as this years victory 25 to 6.

The Bears hold the distinction of beating the Devils by the most lopsided score in the seventeen year span and that was back in 1945 when they won 25 to 0. On the other hand the Pointers have the distinction of running up one of the biggest scores against the Bears in recent years and that happened last Saturday on the school's fourth annual Dad's Day which was originated by Athletic Director Frank Banach.

Another week of bowling provided another new leader in the Grosse Pointe Businessmen's Bowling League.

Pointe Insurance Agency moved into first place by taking four from Rustic Cabins. Gil Sarkison's 564 provided the biggest punch, with assists from teammate Pete Licari and captain Max Brown.

Nowak Rolls 582

High series of the evening was rolled by D. Nowak, whose 582 helped Cramer Elec. Co. to split with Better Made Potato Chips.

Best single game was Hal Benner's 222, rolled while his Imperial Cleaner team was winning four from slow-starting Schulte Hardware.

In the only other shutout, Tom Boyd, Inc., won from Kennelly Catering.

Three Game Winners

Teams winning three were: Hall Dodds, Inc., from floundering Turner Buick, Inc.; Boutin's Service from Belding Cleaners; Testa Cement Co. from Dart In Bar, last week's leader; and Bruce Wigle, whose previous best effort was one point in four weeks, over Revere Cleaners.

AHEAD OF THEIR TIMES

The Etruscans, who left Asia Minor before 1000 B. C. and later settled in Northern Italy, would do well on our television shows of today. They held outdoor festivals with pirouetting ballarinas draped in graceful transparent costumes. The dancers clapped castanets and jingled silver bells which were strung on a flimsy stole.

Friday the 13th proved to be lucky day for the Liggett School, but an unfortunate one for Country Day. The school played their first field hockey game of the season on the D. U. S. field.

Held to a 0-0, tie the first half, Liggett's captain, Emily Hardy, scored the only goal on a breakaway and the localites lost their opener 1-0. Country Day and Liggett Reserves fought each other to a 0-0 standstill.

Sunday, October 15, was the day when the Country Day alumnae challenged the present C.D.S. varsity to a hockey game. Captained by Barbara Bayne, the grads put up a good fight, but the younger girls were the winners.

Janie Ottaway scored the first goal with a beautiful shot that was too hot for alumnae goalie Annie Weathoff to handle. The second score came as the result of a penalty bully with Sally Fageol handling the ball. Both goals were scored in the first half.

That Winkler Combination

POP WINKLER gives son BILLY that helpful tug on his jersey before the Wyandotte game. Then Billy went out and called his prettiest game from his quarterback position to give the Blue Devils their first win over the Bears in seven years 25 to 6.

'Coach' Winkler Shares Son's Football Glory

By FRED RANNELLS

For fourteen years likeable Bill Winkler, custodian of the boys locker room at Grosse Pointe High has seen Devil athletes come and go. He shared some of the Blue Devils' most thrilling victories but last Saturday he received the thrill of his life when his son Billy directed the Pointers to a lopsided 25 to 6 win over the Wyandotte Bears.

"Coach" Winkler, which is the tag many of the Devil athletes put on him because of his ardent interest in sports at the school on Fisher road, was beaming from head to toe when the victorious Devils tromped into the locker room after their glorious triumph. When son Billy came in there wasn't a big hug from his pop, which was in order, but just the same pat on the seat of his pants that he gave all the boys on the squad. But one could see Pop Winkler was busting at the seams with pride.

That victory over Wyandotte topped all the other thrilling moments "Coach" Winkler has experienced in his fourteen years because of the important part his boy played in it.

He recalled his thrills previous to his biggest one. There was the time three years ago when "Pig"

Flaugher kicked a field goal in the last minute of play to beat Fordson 3 to 0 to give the Pointers their first win over the Tractors in fourteen years. Then there was the time the Devils trampled the Mount Clemens grid team for the first time in twelve years.

Going back and recalling some of the boys who have worn the blue and gold of Grosse Pointe, he recalled Ed Wernet, the Devils' present head coach who has done a remarkable job in bringing the Blue Devils out of the last four years. Then there were Ted Held, Dan and Buzz Cronin, Ross Herron, Don McPhail, Scotty Tanner, Dick Finch, Bob Sturman, Bob Olson, Paul Grubbs, Johnny Rummel, Ed

Isbey Tom Wilson, Tom Touey Glenn Holt, Bob Carman, Bill Hanson, Bob Messmer, Tom Ireland, the four Neeme brothers, Tom Follis and many, many more too numerous to mention.

All of these boys will recall how "Coach" Winkler always came to the rescue when a shoe lace, a pair of basketball shoes or various other pieces of athletic equipment were needed. He always seems to be able to supply the athletes' needs when the cry for help rents the locker room, ough, air.

Every Blue Devil coach starting with Forrest Geary right down through the years to the present staff of Banach, Wernet, Fisher and Kaultitz have nothing but praise for the little, jovial "Coach" Winkler.

St. Paul Loop All Tied Up

The Jablonski and Reno teams are deadlocked for first place in the St. Paul's Bowling League with 16 points each after four weeks of competition.

Eight of the fourteen remaining teams in the league are within striking distance of the league leaders with Dansbury and DeRiemacker holding down second and third positions.

4 Tie For Fourth

Four teams are locked in a tie for fourth place while a two way tie exists for fifth place.

The Dansbury keglers hold the high three game total with 2583 pins while the Harry Furton squad holds the single game high with 934 pins.

In the individual bracket R. Harris is tops with a three game series of 602 and Jim Sweeney holds the single game high at 238.

Nine 200 Games

Nine 200-plus games were rolled on Thursday, October 12, with R. Harris getting 210 and 224, P. Allard 202 and 209. Single 200 games were notched by D. McCarron 216, T. McLaughlin 204; W. Gurche 202, and J. Williams, 201. Substitute H. Billiet collected a 212.

St. Paul '11' Loses Fifth

By Leo Kennedy

St. Paul's chalked up its fifth loss of the season when the team bowed to St. Catherine's Friday night, 28-13.

Under the lights at Mack Park the "Flyers" made a staunch attempt to route St. Catherine's "Warriors." In the opening minutes of the game they started rolling by recovering the ball from a "Warriors" fumble. On the first play Sherwood ran 65 yards for a tally. The conversion was good.

The "Warriors" retaliated in the closing minutes of the second when Polet ran for a touchdown. The kick was good, making the score 7-7 at the half time.

Midway in the third period the "Flyers" threatened down to the three yard line but failed to "hif" pay dirt. The "Warriors" tallied twice in the third, once on a pass-interception and once on an end run. Both extra points were good.

Heavy penalties in the fourth halted the "Flyers" threatening power. Midway the "Warriors" broke through and tallied once again. The conversion was good.

The score was now 28 to 7. The last bid was a tally on a line plunge by Sherwood.

The Flyers will play St. Martin's next Sunday at Grosse Pointe High field for the final grid game of the season.

Donnelly Makes Staff Of U. of D. Newspaper

A Grosse Pointe resident, Harold Donnelly, Jr., commerce junior at the University of Detroit, has been appointed on the advertising staff for the Varsity News, student newspaper.

A resident of 735 Lincoln, he will be in charge of all local advertising for the paper.

The appointment was announced by W. T. Rabe, News Bureau Director and acting moderator of publications.

This is a new policy of allowing students to obtain practical experience on the business side of the newspaper just as the journalists do on the editorial staff, Mr. Rabe explained.

D'HONDT AT FORT POLK

Marcel D'Hondt, 24, of 611 St. Clair Ave., inducted into the army September 26, was sent to Fort Knox, Kentucky, and from there, he was separated to Fort Polk, La.

Kid Bits

By Janet Ballentine

There's one thing you can say about those Blue Devils. They have the team spirit it takes to be champions. There may be teams with more power, but there are none with a greater will to win.

This was the spirit that carried Grosse Pointe to a 25-6 victory over Wyandotte Saturday afternoon, October 14 - Dads' Day.

The team knew that Janet Holtz, Marcia Boothe, Kay Catchik, Mary Lou Lane, Nancy Fricke, Jinnie Davis, Chris Mueller, Marcia Istock, Anne Lampman, Winnie Likert, Don Coury, Shy' Meeker and all the other kids in the bleachers were 100 per cent behind them.

Janet Gregory, Joan Abrash, Carolyn Keith, Bev Crain, Judie Baker, Joyce Dannecker, Janet Radcliffe, Sally Owen, Pat Putnam, Jeanette Jacobs, Kay Wallace, Bill Klink, Jerry Ewart, Marilyn Walter, Don Venderbush, Don Landis, Tommy Williams and Robin Ryan knew they were seeing a great game.

After the game a pleasant surprise was in store for BEV FAIRCHILD. Cherie Neeme was hostess at a supper party in honor of Bev's seventeenth birthday. Linn Tapert, Mary Anne Waggoner, Sally Steenrod, Ellie Gerlach, Bonnie Reitz and Gail De Gurse were on hand to congratulate Bev.

A big pep rally was held Friday night, Oct. 13, on the high school grounds. Cheerleaders, bandmen, fans and team members turned out to assure Wyandotte of a hard fight Saturday afternoon.

Standing around the huge bonfire were Bill Johnson, Fred Slocum, Marv Jackson, Juddee McNaughton, Carol Larwin, Jane Rippe, Hank Hubbard, Pete Davidson, Diana Nylund, Carol Loveless, Janie Joachim and Janice Gelhaar.

Cheering as the dummy of Wyandotte went up in flames were Dale Ewart, Jim Schoeck, Pat Brogan, Jim Barker, Sally Lemon, Bertie Roberts, Joyce Blashill, Margaret Ann Joop, Ellen Berrard and Patti Lee.

Anyone wanting tickets for the Michigan-Indiana game Nov. 11, for one dollar should contact Chet Sampson.

All the engaging little birds and mice from Walt Disney's movie came to life again at "Cinderella's Ball," Saturday night's S. A. Dance.

Dancing to the music of Don Barbour's band were Jill Reid and Jack Westphall, Noel Wood and Bill Detlinger, Marcia Blecki and Ray Eddy, Nancy Blair and Mike Doody, Sally Seiber and Don Freeman, Joanie Merrill and Skip Fessl, Elaine Kihen and Bill Winkler and Alice James and Bill Rexford.

Cinderella's pumpkin coach made an attractive backdrop behind Dick Saunders and Ellie Frizzell, Ralph Cross and Nancy Ramsay, Barb Drinkaus and Jim Schoeck, John Tower and Carol Fredericks, Joan Smithers and Rich Limberg, Molly Murphy and Harvey Fischer, Sam Shaw and Ann Hoover and Joan Hollister and Dick Rydberg.

Just like the fairy tale heroine, Janet Holtz and Bob Law, Margaret Koehler and Ted Hinchman, Joyce Blashill and Norm Lasca, Harry Eason and Wanda Michaels, Ken Rice and Nancy Brinker, Janet Fricke and Dick Groening and Tom Stein and Nancy Hoyt left the dance at the stroke of twelve.

Twenty lucky girls left Grosse Pointe Friday afternoon, Oct. 13, aboard Chet Sampson's station wagon caravan to see the sights of the nation's capital.

Betty Amason, Sandra Dickely, Pat Van Hoyton, Corinne Kozell, Shirley Pressel, Carol Sober, Marilyn Mower and Ann Langs visited Mount Vernon, the Library of Congress, the Tomb of the Unknown Soldier and had lunch in the Senators' private dining room.

Sally Sharrer, Bev Hudson, Janet Ewart, Penny DeCou, Judy Marston and Mary Shenefeld were more of the girls who saw money being printed and toured the F.B.I. headquarters.

Before their return Tuesday, Jill Schneider, Dorothy Cullers, Piny Field, Ellen Chronowski and Meg Morang visited the U. S. Naval Academy at Annapolis, Maryland.

Before the Wyandotte game a collective luncheon was held at HILDA BRISTOL'S. Some of the girls who each brought a dish to contribute to the luncheon were Margaret Walsh, Mary Lou Coole, Marilyn Lang and Nancy Blair.

More of Hilda's guests were Mary Lou Lane, Sally Seiber and Irmgard Schlageter.

Be sure to reserve October 28 for a special kind of a dance to be held at the Memorial Center. We'll have more details for you next week. So long 'til then!

Two Big Events Planned By Junior Symphony Group

Members of the Junior Women's Symphony Association got acquainted with their new officers last week at a DAC luncheon, and discussed the group's two big events of the year.

Mrs. Arthur W. Sempliner, president, announced Oct. 18 as the date of the Fashion Fair, and revealed that Noel Baker would head the association's big dinner dance in January.

Other new officials are: Mrs. Edward J. Donovan, first vice-president; Mrs. Richard W. Allen, second vice-president; Mrs. Bill O. Brink, third vice-president; Mrs. Russell G. Heyl, recording secretary; Mrs. E. Hans Schiewe, corresponding secretary, and Mrs. Neil W. Hyde, treasurer. Mrs. H. Stanley Maxon Jr. heads the membership committee; Mrs. David Gordon, program; Gloria Morrison, publicity; Mrs. Homer Z. Pharis, historian, and Mrs. Charles W. Gauss II, social secretary.

Town Hall Books Dr. Norman Peale

Dr. Norman Vincent Peale, well known columnist and author, will tell a Detroit Town Hall audience how to break the worry habit, Wednesday morning, October 25, at 11 o'clock in Fisher Theatre.

The speaker has specialized in helping people solve their personal problems through the combined mediums of religion and psychiatry. In New York, he conducts a clinic, staffed by four psychiatrists, who assist in interviews. Regular visitors, at the clinic are scores of businessmen who seek guidance for the trials of everyday living.

Mary and Martha Circle To Hold Party in Circle

The Mary and Martha Circle of the Iroquois Avenue Christ Lutheran Church is sponsoring a Bridge and Canasta Party at the Grosse Pointe War Memorial Building, Saturday, October 28, 1950, at 8 o'clock in the evening.

Mrs. Paul Moreland, chairman of the committee, will be assisted by Mrs. Robert Carl and Mrs. Marvin Ortwein.

Will Celebrate 101st Birthday

Mrs. Salome Chiera of 832 Notre Dame will celebrate her 101st birthday on Tuesday, October 24, with a quiet family dinner. Mrs. Chiera was born in Grosse Pointe and aside from extensive traveling the world over has always lived here.

Last year Mrs. Chiera was featured as the Pointer of Interest on the occasion of her 100th birthday.

Caulkins-Cordner Wedding Date Set for November 8

Beverly Cordner, daughter of Mr. and Mrs. Thomas Cordner, of Port Colborne, Ont., has named Nov. 8 as the date of her marriage to Ralph Stone Caulkins. Following the wedding in Port Colborne, a reception will be given at the Cherry Hill Country Club.

Ralph, who has been living in Port Colborne, is the son of Mr. and Mrs. Henry L. Caulkins of Lewiston road.

The bride-to-be was graduated from the University of Toronto. Ralph is a graduate of Choate School and Yale University.

Beautiful Store Full of Lights

The opening of the Grosse Pointe branch store of Michigan Chandelier at 19329 Mack avenue a week ago brought to the new Mack-Moross section one of its finest shops. The great windows of the store provide a beautiful setting for both hanging and floor lighting fixtures.

The store is made up of individual departments and the displays of all known types of lamps and chandeliers are vast. Fireplace fixtures and occasional pieces of traditional furniture are also shown.

The company is one of the best-known of its kind in America.

Mrs. J. W. Carson Wins \$1100 in Radio Contest

Mrs. John W. Carson, 1035 Hampton road, Grosse Pointe Woods, received a check for \$1100 as first winner in the Pepsi-Cola-sponsored "My Friend Irma" contest.

Mrs. Carson was awarded the first week's prize on Station WJR's "Anything Goes" program, on Thursday, Oct. 12.

Liggett School Fair October 26

Mrs. Oscar A. Markus, of El-lair place, is a member of the Liggett School Mothers' Committee which is sponsoring the first all-school fair on Thursday, October 26, to raise funds for all the school's charitable contributions through the year. The fair will run from 1:30 to 5:30 p.m.

Mrs. Charles E. Shannon, of Lochmoor boulevard, is the parent-sponsor of the sixth grade booth: candy, popcorn, candy apples. Mrs. Shannon and her daughter Barbara, a member of the sixth grade, are looking forward to a busy week at the stove.

Mrs. John Webster and her daughter Gail, of Windmill Pointe drive, are meanwhile working

with the eighth grade on the Spook House, a traditional Halloween thrill at Liggett. Their job is to convert two levels of gym lockers into a horror-maze. Every class from the nursery through the senior grade will have a booth or be responsible for one of the activities such as the turtle race, a cartoon movie, Jean LeRoy's miniature circus, and a fish pond. The older classes have made beautiful knitwear, ceramics, and painted articles for their booths.

To iron sheer fabrics that dry out quickly, place a damp cloth under the material. You will have fewer wrinkles and easier ironing.

Elementary School News

TROMBLY SCHOOL
A welcoming hand from Trombly School goes to these new parents and children who have moved into the district this school year.

Brothers, Douglas and Frank Gmeiner have joined Grades 2 and 6 respectively and Steven and Peter Fitzpatrick are in 5A and 6B grades.

Lester Porter, Elizabeth Court, Richard Maun, and Ricky Buell are additions to Grade 2.

Howard Rochte and Dennis Cross from the Vernier School district are also new members of Grade 2.

Robert Gillette, Patricia Cromwell, and Mary Etta Pilbeam in Grade 5, Bonnie Campbell, Charles Todd, and Alan Foraker in Grade 4B, George Irwin in 4A, George Schmidt and Tom Pilbeam in Grade 3 and Gilbert Schafer in 6B are rapidly making friends in the school.

Grade One has received Frank Svoen, James Todd, Jay Cromwell, Tony Longo, and Cyril Wright.

The Kindergarten is buzzing with fifty little folk for whom school is a new and happy experience.

The staff extends an invitation to all of these new parents to come and get acquainted. Appointments for after school conferences may be made at any time over the telephone.

The Patrol Boys of Trombly School were "Johnny on the Spot" the first day of school. Organized by the sponsor, Frank Welkenbach, last June, the boys met the roll call 100 per cent. The patrol is captured by Neil Georgi, Lieutenants are Robert Dunlap and Richard Denise.

A representative from the Grosse Pointe Park Police department and a representative from the A.A.A. are scheduled to talk to the Patrols at their meeting on October 23.

Safety on the way to and from school was pointed up by Sgt. Fernelius and his wooden puppet, Jerry McSafely, on October 2 when they visited the school.

Teachers have been instructing children in the safe and proper use of playground slides, jungle gym, swings and other playground apparatus so that accidents there will be kept at a minimum.

All pupils viewed a film on Playground Safety the first week of school.

MASON SCHOOL
The activities of the Mason Room Mothers were initiated with a meeting and tea held at Mason School on Tuesday, October 10.

The mothers were invited to meet with the principal, Miss Ethel Tucker, in the auditorium during the afternoon. Miss Tucker discussed the different ways in which Room Mothers have helped in former years, and plans were considered for the coming year. Tentative plans for a future fund raising activity were made. The mothers were also unanimous in expressing the wish to assist by supervising the luncheon again this year.

There are thirty four groups of children at Mason School this year, and one mother from each group is invited to serve on this committee. Mrs. Nelson McLaughlin and Mrs. Nelson McLaughlin who are members of the organization last year, are chairman and co-chairman respectively.

When the children were dismissed from their classes, the teachers joined the Room Mothers and tea was served. Mrs. Vandenberg and Mrs. McLaughlin poured.

The kindergarten Room Mothers are: Mrs. Donald Schoof, Mrs. Stuart Micklethwaite, Mrs. Ernest Chielens, Mrs. James Crombie, Mrs. Elwood O'Hare, Mrs. Edward Krawczak, Mrs. John Held, Mrs. William Frederick, Mrs. Bruce Gilmore, and Mrs. Oreste Tomei.

Those who are sponsoring the second and third grades are: Mrs. James Darling, Mrs. Willis Bullard, Mrs. George Riveschl, Mrs. Peter Reilly, Mrs. Carl Asmus, Mrs. John Buell, Mrs. Kenneth Smith, Mrs. Calvin Keech, Mrs. Curtis Andrews, Mrs. Harold Love, Mrs. Mason Leddick, Mrs. Lloyd Hunter, Mrs. Richard Priezt, and Mrs. Donald Waite.

Among those who made personal appearances and spoke briefly were Mrs. John J. O'Brien, John Coleman, J. A. Mullen, Joseph Parker, Herman Wecker, Wendell Anderson, Clarence Blessed, Louis Rabaut and Richard Durant, while the principal speaker was Walter C. Laidlaw, executive vice-chairman of the United Foundation. Speakers were joined on the platform by well-known leaders of churches and fraternal orders in Grosse Pointe.

Entertainment was to include music and singing by a well known orchestra and male and female singing stars; also acts by famous local radio entertainers and stage personalities. The evening's gaiety was also augmented by the appearance of Miss Detroit of 1950 and Miss Torch, already known from her appearances at the Detroit rally and parade.

Reports Silver Pieces Missing

Charles A. Barlow of 290 Stephens road reported to the Farms police on October 14 that a number of pieces of silver had disappeared from his home during the last two months.

Listed as missing were a sterling silver tray, a 2-piece vegetable dish and tray, a gravy boat and tray, a water pitcher and two cream and sugar sets.

Turkey Season Is Back Again

Don't wait until Thanksgiving or Christmas to enjoy that turkey dinner, is the advice this week from Mary Bodwell, agricultural economics department food specialist at Michigan State College.

You'll be missing some good buys and lots of eating pleasure. This season's turkey crop has already started to market, and will carry reasonable price tags and good quality at the store.

Formerly most turkeys came on the market just before the holidays. With better refrigeration and storage, the growers now market the birds for use any time from September through January.

Doing a good job of buying and preparing a turkey does not require any unusual skills, but calls for a knowledge of few facts and simple rules. Miss Bodwell says.

First, buy a large enough bird to "go around," and one of good quality and most favorable price. Tom turkeys are just as good in quality as hens of the same age.

Look for quality or "finish" on the side of the breast. A yellow or white colored skin indicates proper finish. The amount of fleshing is indicated by the width and depth of the breast, and how well thighs and drumsticks are filled out.

In choosing a whole turkey at the store, most homemakers would probably be more satisfied with the oven-ready birds. They cost more per pound but this is compensated for by less waste and bother, and saving time in the kitchen.

Here are a few guides to insure success in the cooking. For easiest and most satisfactory roasting, put the turkey on a rack breast down, in a shallow pan without a cover. Cook at 275 degrees for 25 minutes per pound or until the leg bone will move easily.

Wedding on West Coast Of Interest to Pointers

Of local interest was the Oct. 7 marriage of Marie Corinne Palms and Robert John Van Nostrand Abell, which took place at an afternoon ceremony at St. Andrew's Catholic Church in Pasadena, Calif.

The bride, daughter of Mr. and Mrs. Hamilton Carhart, Jr., wore the ivory satin wedding gown trimmed in rose point lace, which had been her mother's. Her full length veil, also accented in rose point lace, was a family heirloom.

Pointers present for the wedding and reception which followed immediately in the garden of the Carhart residence, were Mrs. Harold D. Baker, the bride's aunt, and Mrs. Edward Murphy, godmother of the bride.

Mr. and Mrs. Abell will make their home in Pasadena.

Baumgarten-Smith Wedding Scheduled for October 28

An 8 o'clock evening service at the First Presbyterian Church in Ann Arbor on Oct. 28 will unite in marriage Catherine Campbell Smith and Dr. Thomas William Baumgarten.

Catherine, daughter of Mr. and Mrs. Richard B. Smith, of Flint, will have Mrs. James Smith, of Flint, for her matron of honor. Bridesmaids will include Marilyn Page, of Battle Creek; Mrs. Clark Herrington, of Mt. Clemens, and Patricia Baumgarten.

The prospective bridegroom, son of Dr. and Mrs. Elden C. Baumgarten of Windmill Pointe drive, has asked his father to be his best man. Dr. Henry Ross Hume, of Philadelphia; Dr. T. S. Painter, of Austin, Tex.; Dr. Marvin Bonzoless, of Holland, Mich.; John Corbett and Robert M. Smith and James M. Smith, of Flint, Catherine's brothers, will serve as ushers.

Marilyn Rita Burr Bride Of James Andrew Vernier

James Andrew Vernier, son of Mrs. James Vernier of Brys drive, and the late Mr. Vernier, claimed Marilyn Rita Burr as his bride on Sept. 16 in Guardian Angels Church.

Evelyn Carnaghe was honor maid for the bride, who is the daughter of the Mathias J. Burrs of Linnhurst avenue. Bridesmaids were Judy Athman, Dolores Athman and Barbara Stock. Arvin Stock attended as best man. Ushers included Meryl Stock, Laverne Athman and Eugene Burr.

The couple are traveling through the Smoky Mountains and the southern states. A home on Brys drive awaits them.

Stein Hardware Moved To Pointe 10 Years Ago

Among the anniversaries being marked in the Pointe this week is that of the Stein Hardware store, 1826 Mack avenue at East Warren, which is observing its tenth year in its present location.

The Stein Hardware was established 43 years ago on Gratiot avenue near Sheridan in Detroit and when it moved to Grosse Pointe in 1940 it became the pioneer store in the district that now looms up as another great shopping center.

Anthony Stein, son of the founder, has been owner and operator of the establishment for the past 15 years.

Watch Special Offered As Anniversary Feature

Celebrating its third birthday in its present East Warren avenue location this week is the Valente Jewelry company. The store, one of the largest in the area devoted to fine jewelry, is noted for its sterling and plate silver, clock and watch trade. It imports many of the timepieces it sells, among which are the sought after German chime clocks.

Marking the anniversary, Joseph Valente, head of the company which was located, on East Adams avenue prior to coming to its present location, announces a week-long selling of twenty-one jewel watches for both men and women at twenty-one dollars.

These watches bear the Valente name and the Valente guarantee. Also, as an anniversary feature the store has on exhibit an imported collection of antique watches and small clocks.

Elmer Lee Boyd Taken by Death

Elmer Lee Boyd, 43, well known heating engineer, died in his home at 662 Sunningdale drive, on October 14.

Mr. Boyd was president of the Boyd Distributing Company. He was a member of the Grosse Pointe Yacht Club and of the Peninsular Club of Grand Rapids. He is survived by his wife, Herma Lou; a son, Jerry; and his mother, Mrs. Elizabeth Epps of Grand Rapids.

Richard A. MacRae Raps Government Interference

Richard A. MacRae, Republican nominee for State Senator from the First District, recently returned from an extended tour through England, Scotland and Ireland where he studied the economic and general situation. He found taxes excessive and burdensome, and that nationalization of industry has brought many unsatisfactory results.

"Governmental operation of many things has produced higher costs and much less efficiency," he states. It is his belief that we would be much better off in America to keep away from too much governmental interference in all business lines.

He is anxious to help all who are needy, but does not believe in wasteful spending of public moneys.

Eleanor Jackson Bingham Married to Louis Kean

Eleanor Jackson Bingham and Louis Kean spoke their nuptial vows on Saturday at rites in Grosse Pointe Memorial Church before the Rev. Dr. Frank Fitt. A reception was held in the Kercheval avenue home of the bride's parents, Mr. and Mrs. John J. O'Brien.

Richard W. Jackson gave his sister in marriage. She chose a cocktail length frock of teal blue taffeta with matching hat. Mrs. Richard W. Jackson attended her sister-in-law as honor matron. She wore a grape-colored taffeta dress with small hat.

Russell E. Kean was best man for his brother. They are sons of the late Mr. and Mrs. Louis H. Kean. Marvin Kean, Richard J. Bingham and Howard B. Bingham ushered.

After spending a month motoring in the West, the couple will be at home on Merriweather rd. after Nov. 15. For traveling, the bride wore a black taffeta suit, tiny black velvet pillbox and gardenia corsage.

The police removed a man who lives in Ashland avenue and locked him up. To add to the gaiety of the situation he tried to get out and got stuck in the bars at the top of the cell. It required the best engineering talent on the force to extricate him from his trap.

Thomas Harris Honored By Funeral Directors

At their annual convention in East Orange, N. J., the Advertising Funeral Directors of America elected a Detroit president for 1951. He is Thomas L. Harris, general manager of the R. G. & G. R. Harris Funeral Homes, Inc.

Harris, 29, is the youngest man to be named president in the organization's 17-year history. Next year, the Advertising Funeral Directors of America will convene in Detroit.

Two Patriotic Societies' Meetings Attract Pointers

Mrs. Henry B. Joy, honorary national president, will report on the national board meeting recently held in Washington, when Michigan Daughters of Founders and Patriots of America held their fall meeting at 11 a.m. Friday, Oct. 27, at the Detroit Athletic Club.

Mrs. Lloyd DeWitt Smith, state president of the Huguenot Society of Michigan, will preside at that group's annual meeting Saturday, Oct. 28, at the Michigan Union in Ann Arbor. Localities who will attend the meeting include Arthur Hamilton of Barrington road and Mr. and Mrs. Arthur C. Gerow of Notre Dame avenue.

"There are old standby recipes in the bulletin," said Rabaut, "for such delicacies as turkey dumplings, baked turkey hash, and turkey chowder, with new recipes for turkey noodle scallop, barbecue turkey wings and turkey wings creole."

In short said Rabaut, the bulletin goes a long way in transforming turkey from the class of the traditional Thanksgiving and Christmas feast to a year-round staple from the American family table.

Bombard Cars

(Continued from Page 11) Steenrod of 880 Nottingham notified the police that her car had been similarly treated. There is no certainty however that it was the work of the same 16-year old youth and his two companions who bombarded the Murphy car. The police say there were several cars on the ledge in Grosse Pointe that evening using eggs or rotten tomatoes as missiles. The latter are found in abundance now in many gardens.

Preparing Several Meals At Once May Mean Loss in Food Values

Preparing food for several meals in one batch is a favorite time saving scheme of many Grosse Pointe homemakers. Whether this is a wise procedure or not depends on how much loss of food value may occur during the storage period and on whether it is possible to make up for this loss by using other foods in the meal which may be especially rich in the missing nutritive elements.

Cooked potatoes lose from one-third to one-half of their vitamin C content in 24 hours, even if they are stored in the refrigerator. If you like to prepare enough at one time so you can serve them mashed the first day and have enough left over for a salad, creamed potatoes or hashed browned potatoes later, it's important to remember this loss. It's easy to make up for it at this time of year by including an abundance of fresh fruits and vegetables which are so plentiful just now. The green leafy vegetables, particularly when they're served raw, citrus fruits, tomatoes, strawberries and melons are extra rich in vitamin C.

Another good point to remember, according to the Food and Nutrition Service of the American Red Cross, is that you can protect that precious vitamin C as well as other vitamins and minerals by cooking the potatoes in their skins in a minimum amount of water and only until they are tender. Store them in their jackets in a covered bowl in the refrigerator until you're ready to prepare them for serving.

Mixers are great time and trouble savers. A variety of them on the pantry shelf makes it possible to add something special to the simple fall meals most of us prefer without spending an undue amount of time in the kitchen.

Stores carry many of these preparations, but you may like to mix your own. Keep them in tightly covered jars in a dry place. For those which call for shortening, be sure to choose a fat that does not need refrigeration.

Put Puff Cakes One cup make-your-own mix, 1/2 cup boiling water, 2 eggs. Do not pack mix into measuring cup. Add mix to boiling water in a saucepan and stir

Michigan Mirror

As preparedness is emphasized throughout the State, Michigan moves its machinery along to recruit 1,500 air raid spotters. Detroit's defense will be tested in October with a simulated atomic bombing of key installations.

And car dealers have been warned that competition is near again despite possible shortages. J. C. Doyle, central regional manager of the Ford Motor Co., tells them: "You have been given a reprieve (from competition) but it's a temporary reprieve... this is not a business for the next few months but for the future."

over low heat for about 1 minute or until dough follows spoon and forms a ball. Remove from heat and beat in eggs one at a time, beating vigorously until dough looks satiny. Drop by spoonfuls on baking sheet. Bake in hot oven, 450 degrees, for 15 minutes. Reduce heat to moderate, 350 degrees F., and bake 20 minutes more. Let stand in oven with the door open for about 10 more minutes to dry out.

Fill with cream filling, whipped cream or ice cream. Serve plain, sprinkled with powdered sugar or topped with crushed, sweetened fruit or chocolate or butterscotch sauce. Makes 5 large puffs.

Pastry Two cups make-your-own mix, 1/4 cup butter or margarine, 1/4 cup hot water. Melt butter or margarine in the hot water. Sprinkle over mix and toss lightly with a fork to form ball of dough. Chill for easy rolling. Makes enough pastry for a two-crust 8-inch pie.

Put Puff Cakes One cup make-your-own mix, 1/2 cup boiling water, 2 eggs. Do not pack mix into measuring cup. Add mix to boiling water in a saucepan and stir

DEARIE, DO YOU REMEMBER?

When one of the Pointe's show-stoppers was the appearance of the OWEN TWINS... HELEN and MARY... in their "double carriage?"

When the Winter season was never complete until the bachelors of Detroit feted the debutantes at a gala ball?

When the fashion columns of society pages raved and r-a-v-e-d about the way MRS. EMORY MORAN FORD could wear "a train"?

The midget auto PHELPS NEWBERRY, JR., drove around the Pointe?

The LATE HENRY B. JOY'S private radio station?

The "ham" radio sets that occupied so much of the time of the bachelor BILL DUCHARME?

That dreamy ermine cloak MRS. DON SCHILLING (then RUTH DUCHARME) wore to the Winter dances?

The divine and bouffant gowns worn by MRS. WILLIAM LAURIE as THAYER HUTCHINSON?

HENRY B. KINZIE, JR.'s "Penny Club"?

When many of today's svelte and graceful matrons were husky members of the Convent's hockey team?

The capacity schoolboy BENSON FORD had for sodas and ice cream cones at his favorite Pointe corner drug store?

PILFERINGS

While Crossley reports what programs are fighting for the most audience attention in radio, Harvard University recently undertook to determine the negative side of the matter and find out what the audience disliked.

It was found that advertising had the greatest annoyance power; musical programs won second honors; and comedy programs won the dubious third spot.

However, Harvard was quite ready to admit that the radio is an integral part of every household, even for the grouches who hate it, because the great variety of programs sooner or later will offer something to please the hardest critic.

Oscar Wilde had either his name or his initials monogrammed on his 700 shorts and his 250 shirts.

The little girl came home with a very unsatisfactory report card.

"Young lady," remarked her father, "what is the trouble?" "There isn't any trouble," said the youngster calmly. "You know how it is yourself; things are always marked down after the Holidays."

Sweden's King Gustav was walking near his country home when two young girls spied him and were, of course, duly impressed. "But my," gasped one, "he looks old and wrinkled!"

At that the monarch turned and said benignly, "Yes, but he hears well!"

Well, I was all set to turn this job over to someone else after this column but find that I have been reappointed publicity chairman. So, I hope you'll all cooperate and send me all the news you can.

At our Executive Board Meeting last Friday night, the following appointments were approved: Parliamentarian, Sue Hamilton; Color Bearers, Jean Parker and Elizabeth Lavender; Chairman on Americanism, Hazel Allor; Child Welfare, Alice Marrs; Community Service, Rowena Weaver; Constitution and By-Laws, Sue Hamilton; Education of War Orphans, Ethel Loughlin; Girls State, Margaret Gradler; Gold Star, Helene Gregory; Legislation, Nell Baldwin; Membership, Gladys Charrier; Memorial Scholarship, Ethel Loughlin; Music, Jennie Ford; National Security, Margaret Bridges; Pan American, Emily Crell; Poppy, Elva Nielsen; Publicity, Doris Nielsen; Radio, Jennie Ford; Rehabilitation, Mary Del Barba; Sick and Flowers, Viola Farnum; Social, Nell Baldwin; Trophies and Awards, Betty Hoyt.

Our sincere congratulations to Pearl Trudell who at the National Convention was elected National Historian for 8 et 40.

Also, congratulations to the following Unit members who were given District appointments: Nell Baldwin, Gold Star Chairman; Elva Nielsen, a Representative on the Round Table of Catholics, Protestants and Jews; Rowena Weaver, Radio Vice-Chairman; Doris Nielsen, Mimeograph Vice-Chairman; and to Rowena Weaver who was elected a member of the Executive Board for 8 et 40.

Our delegates for the year 1951 are Elva Nielsen and Doris Nielsen; alternates are Nell Baldwin and Gladys Charrier.

If you can work on the United Foundation Torch Drive October 23, please call Rowena. We get no credit for working in Grosse Pointe—only where we've been assigned.

Reflections

by paul gach

Months ago I mentioned a desire to assist anyone having a portrait problem. Shortly after, I had a call from a confused young mother who was being pressured into a "deal" for several years of free pictures of her baby. I explained some of the costs of photography and tried to show that what may appear free at first will cost more at last. No honest photographer will give his work away for nothing unless he can sell something along with the free come-on. That being the case, why not just go and buy what you want, where and when you want it. Stay away from fabulous offers. There are plenty of photographers who will tell you what you have to pay before you start.

Pointer of Interest

—Picture by John Henderson

COL. LOUIS CHARBONNEAU OF KENSINGTON ROAD

Between his law work, teaching and interest in military science and tactics, Col. Charbonneau manages to maintain a very full schedule. A lawyer by profession, he has also been on the faculty of his alma mater, the University of Detroit law school, for the past 25 years. At present, he is teaching only one class weekly.

Lectures At U. of M.

For the past few years, the colonel has been a non-resident lecturer at the University of Michigan, and has taught a real estate law course for the U. of M. Extension Service at the Rackham Building. His varied activities have resulted in his becoming a popular lecturer. In this capacity he will speak on the "Responsibility of Being a Citizen" under the sponsorship of the Grosse Pointe War Memorial Association at the War Memorial Center on Friday, Oct. 20.

Served In Two Wars

Actively interested in the military for the past 33 years, Col. Charbonneau saw service in both world wars. Between the wars and since World War II, he has been in the reserve corps. His current assignment is Chief of Staff of the 21st Armored Division of the Reserve.

Have Five Children

The Charbonneaus have five children. Frank and Louis, both World War II veterans, and Helen, were graduated from the University of Detroit. Frank has just completed his law school course at Wayne University, and Louis is a faculty member in the English department at the U. of D.

Daughter Ann is in her junior year of high school at Grosse Pointe Academy of the Sacred Heart, and young Michael is in his freshman year at U. of D. High School.

Has Hobbies

A great proponent of national defense, Col. Charbonneau has urged a sound program of defense and national security for years, remaining active in the reserve as a part of that work. Aside from military interests, reading and baseball are his favorite hobbies.

Born in Detroit, Col. Charbonneau has been a resident of the Pointe since 1940.

DePetris Talks To Garden Club

Japan was not the original home of the chrysanthemum as so many assume, Vincent DePetris told the Garden Club at the Memorial Center Friday afternoon, Oct. 13, in an interesting talk on that popular flower.

The chrysanthemum, he said, originated in China as early as the days of Confucius whence it spread into lower Siberia and over into Korea. From the latter stopping place in its spread throughout the world it went into the Japanese Island Kingdom where it has received its highest development and is now the national flower.

In later years it has become one of the most popular flowers in the United States. Much of Mr. DePetris' talk was devoted to instruction on its care and cultivation. It is not a difficult flower to raise.

WINTER PROTECTION

In climates where there is a deal of alternate freezing and thawing, bulbs should be protected with a mulch of leaves or straw. This mulch should be applied AFTER the ground is frozen.

Only 13 of the 45 members of Wayne's 1950 football squad have seen military service.

VIRGINIA SPOON BREAD

Contributed by Mrs. William M. Rosborough

- 2 c. milk
- 1/2 to 1 c. corn meal (depending upon desired consistency)
- 2 t. baking powder
- 1/2 t. salt
- 3 eggs

Put milk in top of double boiler and add sifted meal gradually to the warm milk. Stir as needed and bring to boiling point. Then, add the well-beaten eggs, baking powder and salt. Mix well. Bake in buttered dish for about 40 minutes at 350°.

Most recipes for spoon or batter bread require egg yolks and whites beaten separately, but this method proves most satisfactory. To make authentic Virginia Spoon Bread, one should use yellow water-ground meal.

KNOW YOUR ROSES

The top ten roses of all time as selected by a jury of nationwide rose experts, according to the American Association of Nurserymen, are: Peace, Charlotte Armstrong, Lowell Thomas, Taf-feta, Nocturne, Rubaiyat, Fortyniner, Katherine T. Marshall, Mir-randy and San Fernando.

"Happy Birthdays" are being beamed this week in the direction of MARIE BIRD'S Beauty Salon. Although it seems only yesterday, it is one year ago today that she opened the doors of her studio... and a current of excitement is running through the shop this week.

This f-i-r-s-t anniversary is a very happy one! During the year past many new friends have paid one visit to MARIE BIRD'S smart salon perched top the Hill on Kercheval... and have returned again and again. The quarters, which seemed so spacious at first, have become somewhat cramped during rush hours, yet patrons and staff cooperated so heartily that things continued to run smoothly.

The friendly atmosphere, the top-flight staff of trained beauticians, the cordiality of the customers... these are among the factors which have helped to make MARIE BIRD'S name as popular as it is in Grosse Pointe beauty circles.

Hunt Club Plans Heavy Schedule

William K. Allen, recently elected president of the Grosse Pointe Hunt Club for the coming year, has appointed the following committee chairmen to assist him with the Club's social, organizational and sporting activities: membership, Joseph A. Vance Jr.; house, A. W. Erik-fritz; stable and grounds, retiring president Ernest C. Putnam; horse show, R. Edmund Dowling; entertainment and riding activities, John W. Mulford; junior advisory, Mrs. Curtis R. Andrews; junior activities, Mary Mulford and Susan Denler; swimming activities, Frederic Olli-son Jr.; tennis activities, Guerin Todd, Jr.; printing and announce-ments, Walter V. Stewart and John W. Mulford; Hunt Club news editor, Mrs. Walter V. Stewart; social news editor, Mrs. Joseph J. Marshall.

Plans for the season include Tuesday evening riding instruction classes for juniors and seniors; Wednesday twilight trail rides, followed by family dinner in the clubhouse (later in November Wednesday evenings will be devoted to organized musical rides for seniors, with buffet supper in the Ring Lounge); Thursday evening musical rides for juniors; Sunday morning rides or drag hunts, followed by buffet luncheon. Special events on the program include a series of schooling shows, the first to be held during November, a New Year's Eve party in the clubhouse, and the traditional New Year's Day horse show and dinner. A Feather Party, a series of square dances and several formal parties are also being discussed as future possibilities.

To remove starch that has browned on the iron and is marking other garments, place a bit of salt on clean brown paper and run iron over it several times.
