## Award Bids To Protect Pointe Elms

Farms to Spend \$2.26 Each For Thorough Spraying of Estimated 2200 Trees

Bids were approved by the City of Grosse Pointe Farms Monday night, March 17, for the spraying of the estimated 2,200 elms on city-owned property. The work will be done sometime next month before the foliage appears on the trees.

The spraying campaign is part of the joint community effort to have all elms sprayed as protection against the spread of Dutch Elm disease.

Cost \$2.26 Per Tree  
Low bidder for the work in the Farms was the Suburban Tree Service Company. The cost will be \$2.26 per tree, the city to pay only for the exact number of elms sprayed.

The Farms will have one of its own employees supervise the work to guarantee that a spray of sufficient strength to afford protection is being used, and that each tree gets a thorough soaking. The Farms furnished its own specifications for the work.

Two Gallons Per Tree  
Federal and state departments of agriculture advise that about two gallons of solution are needed to spray an average sized elm. The company which was awarded (Continued on Page 2)

## Nurse Home on Leave Tells Her Experiences in Korea; Cites Great Need for Blood

Lt. Marie Therese Genest Says GI is Accomplishing More Than Any Policy of International Diplomacy

Lt. Marie Therese Genest is home now after 18 months in Korea. She is spending part of her 30-day leave with Mrs. Edna Pfunder at her home at 64 Mapleton. The rest of the time she will be with her family, the Joseph Genests, of 8634 Dumbarton road, Detroit.

Lt. Genest left Korea February 18, and flew to Japan with 11 other Army nurses, and then to San Francisco. That took 36 hours. It took 14 days when she went over, but that was by boat and they landed at Yokohama and then flew to a landing field near Teegu. She remembers that they landed during a battle and "went right to work."

In At Beginning  
That was August, 1950. In 1941 she matriculated at Wayne University and left in 1944 to study nursing at the Deaconess Hospital for three years. Then she went back to Wayne to get her Bachelor of Science degree in Education.

After Wayne, Lt. Genest worked for the U. S. Marine Hospital in Detroit, and later for the Veterans Administration. In 1949 she joined the Army and was stricken two months after her enlistment with polio. Korea had started when she recovered.

With Mobile Unit  
In Korea, Lt. Genest was assigned to a Mobile Surgical Unit and at different times served with the 24th and 1st Cavalry, and the 1st, 2nd, and 3rd Marines, but most of the time she was with elements of the IX Corps. She remembers at the beginning, before the Chinese entered, that the war was a Guerilla war, and that the Koreans "during the day were quiet farmers, and at night they became full-blown soldiers." She remembers, too, that the casualties were heavy.

At Heartbreak Ridge  
In the battle of Heartbreak Ridge, Lt. Genest was a member of a hospital unit staffed by one other nurse, three doctors, and 20 Medics. She said, "It seemed for days and days and days there was no let up. We received patients by the hundreds. They just kept coming in by the hundreds."

But she cited that the mortality rate was less than 2%, and she attributed it to the fact that the medical units are always close to the fighting, and that with helicopters, it is only a matter of minutes between injury and hospitalization. It was that and the antibiotics that saved hundreds of lives.

Praise for Red Cross  
Contrary to what she felt had become popular opinion in this country, Lt. Genest explained that the Red Cross is doing an excellent job in Korea. Red Cross workers work closely with the medical units, working the same hours and under the same conditions as the nurses and doctors.

She also cited the great need for blood. Too many men have been lost because "we haven't had enough blood." She told of a soldier who had been shot in the (Continued on Page 2)

## Nine Park Policemen Get Citations

Three Awards Go to Patrolman Donald Del Place, Chief Louwers Discloses

Chief of Police of the City of Grosse Pointe Park, Arthur Louwers, announced Friday, March 14, that nine patrolmen and two sergeants were awarded citations for felony arrests in the clearance of crimes.

The citations will be added to the records of the officers and have a merit value which will be recognized as additional points to the scores made on promotion examinations.

Three for Del Place  
Patrolman Donald Del Place received three citations for the arrest of an auto thief and the recovery of the auto, for the arrest of an armed bandit, and for the arrest of an auto thief that cleared 11 cases of car thefts.

Patrolmen William Crandell and Thomas Fraser were cited for the capture of three auto thieves and the recovery of the car.

Patrolman Lawrence Cools was awarded a citation for the arrest of an armed bandit.

Arrests Car Thief  
Patrolman Marcel Vervacke received a citation for the arrest of an auto thief which cleared 11 car thefts.

Sgt. Stanley Enders received the award for the arrest of a forger.

For burglary arrests, citations were awarded to Sgt. Arnold Hough, Patrolmen Stanley Johnston, Arthur Conlon, Adhemar Mouton and Gus Boone.

## Seek to Reduce Chalfonte Traffic

Communications received from residents of Chalfonte road north of Moross have led officials of the Farms to make a survey of the traffic conditions there. The residents had complained of speeding delivery trucks and heavy construction trucks using the street indiscriminately.

The council took action Monday night to remedy the situation. Signs will be posted barring through trucking traffic from the street. It was pointed out that the trucks are using the street to avoid the traffic light and heavy congestion at Mack and Moross.

## Youth Conference To Draw 500 Boys; Hi-Y Clubs Hosts

Girls of Two Y-Teen Clubs Will Help Entertain Delegates From All Over State at Important Parleys Next Weekend

In just one more week the 500 outstate delegates to the fiftieth Michigan Older Boys' Conference will begin to arrive in Grosse Pointe for the three day-program arranged for them by their hosts, the Blue and Gold Hi-Y Clubs of Grosse Pointe High School. In checking the program, the Detroit YMCA, sponsors of the Hi-Y Clubs, declare it the best in the history of the state conferences.

The two Y-Teen Clubs, under the leadership of Laurie Smith and Karen Temple, have volunteered to act as hostesses to many of the events planned for the three days. They are enlisting the help of 500 Grosse Pointe girls to help with the Friday afternoon Mixer, the Friday night Open Houses, and the Saturday night Carnival and Dance. Many of the girls will also entertain the boys in their homes.

Plans Completed  
Conference Co-Chairmen Bobb Hardies and Dick Seales and Program Chairman Tom Lister reported that they have completed arrangements for the 75 discussion groups to be held during the three periods to be devoted to this form of activity. The first 25 groups will discuss personal problems of teen-agers. The next session will discuss vocations, and the last one Hi-Y Club problems. Don Corey is arranging for all of the rooms for these groups, as well as all other meetings.

Social Activity  
Recreation Co-Chairmen Jerry Davis and Dan Webb are not only busy on the Carnival arrangements and other parties, but they are arranging for a Saturday afternoon visit by the group to Greenfield Village, a trip to be made in a fleet of buses. Registration, under the supervision of Bob Schaller and Coby Martin, will begin on Friday, March 28. The closing session will be on Sunday afternoon, March 30.

To Be House Guests  
All boys will be housed in Grosse Pointe homes, which will provide them with Saturday and Sunday morning breakfast and Sunday dinner. All other meals have been arranged for by Norm Lasca at the Grosse Pointe High School. Bill Rexford, Housing Chairman, needs quite a few more homes for these delegates. If you are able to assist the clubs, please phone Bill at his home, VA. 4-4533.

General Chairman of the Conference, Chet Sampson, states: "This conference is providing just one more valuable educational experience for the boys and girls of our community. The lessons learned in planning for the conference, in entertaining the visiting delegates, in carrying out the thousands of details associated with the sessions, and in evaluating the results are of inestimable value in preparing for the responsibilities of adult citizens."

## Burglar Foiled By Safety Chain

Harold Miller of 793 Notre Dame, reported to City police that someone had attempted to enter his home during the night of March 13. Mr. Miller's son, Guy, stated that he thought he had heard something about 3 a.m.

Investigation by Patrolmen Foster Mauck and Douglas Allor revealed that someone may have tried to enter the house by forcing the door. The safety chain attached to the door and the door-jam showed signs of having been forced. No entry had been gained, however.

## Farms' Main Drag, Alleys Scheduled For New Paves

The Wayne County Road Commission has notified the City of Grosse Pointe Farms that it intends to replace the old road on the Farms side of Mack avenue between Fisher and Moross roads with a new pavement and new curbs this year.

When the two lane highway was constructed there the old road was used for the east-bound lane in this section. Curbing was omitted and there have been many complaints during heavy storms about water running off the street into store basements. The city has also been forced to make many temporary repairs.

The announcement of the plan to replace the old road has caused the Farms to consider widening the entrances to the seven Farms streets which lead off of Mack avenue in this stretch.

The council voted Monday night to ask the Road Commission to include in the preparation of its plans the improvement and widening of these streets. The seven streets would be widened from 24 to 30 feet to make entrance and egress into and from Mack avenue safer. The widening would extend back to the alley line.

The council also Monday night approved the taking of bids for the paving of this alley in the rear of Mack, northerly from Kerby road across the Kerby subdivision, and of the alley west of Kercheval between Fisher road and McKinley avenue in the rear of the Punch and Judy Theater building.

## School Board To Share Cost Of Surfacing

Project Costing \$33,000 Expected to Be Completed By Late Summer

Nearly fifty residents of Grosse Pointe Woods gathered at a Public Hearing Monday night, March 17. They were directly concerned with a project proposed by the city council to pave Cook road from Mack avenue to the Milk River.

The problem aired was the determination of the proper distribution of assessment for the project which has been estimated at a cost of \$33,000.

Costs Pro-Rated  
On the theory that the cost of any improvement should be borne by those who would clearly benefit by it, all lots fronting the project area will be charged \$8.85 per front foot, and all lots that flank the area will be charged \$3.54 for each foot of flankage. Lot owners whose property neither fronts nor flanks the section to be paved but who will benefit directly by the project, such as residents of courts whose direct access to Mack avenue is normally along Cook road, will be assessed \$7.84. The assessment will be made on a 10-year payment basis.

City to Pay \$7,570  
The City has accepted a \$7,570 share of the total cost, and the Grosse Pointe School Board has agreed to contribute \$5,800. Although schools are not legally assessable for such projects, the Board is making its contribution on the grounds that it owns a sizeable portion of the property that fronts the improvement area, the new Monteith School; and that it will benefit directly from its completion.

Approve Modernity  
The most conservative elements seemed to approve the blonde shelving, aqua-colored walls, and up-to-date reading chairs and tables that decorate the main reading room. These were supplemented by bouquets donated for the occasion by various groups and individuals in and around Grosse Pointe.

One particular eye-catching feature was the modern lighting system. The abundant overhead windows and Smith-Craft fixtures are in direct contrast to the monastery-like facilities previous generations have come to associate with a library.

D. M. Ferry, Jr., whose generosity made possible the new Central Library now being constructed at Kercheval avenue and Fisher road, remarked that he didn't see how the lighting there could surpass the Woods Branch. Charles A. Parcels, Jr., in his (Continued on Page 2)

## Cities Okay Joint Survey

Approval to join the other four Pointes and Harper Woods in having a joint survey made of the refuse disposal problem in the community, was granted Monday night, March 17, by the Grosse Pointe Farms Council.

The six municipalities will hire expert engineers to make a complete study and furnish recommendation. The cost will be \$3,000. The Farms agreed to pay its share, about \$575. Cost of the survey is being pro-rated on a population basis.

The Park approved the plan a week previous, and also on Monday night both the Woods and City of Grosse Pointe councils approved having the survey made. Harper Woods has already sent in its check to Everitt Lane Park manager, who is acting as treasurer for the project.

The Park's share of the cost is \$800; the City's, \$380, and the Woods, \$635. Harper Woods contributed \$550.

## Injured by Fall Into Glass Door

Woods police received a report that Stephen Wedyke, aged 68, of 2072 Ridgmont, fell into a plate glass door of a china cabinet at his home, March 15.

Although he never lost consciousness, Wedyke lost nearly a quart of blood from three lacerations about the head. Two cuts on the right side of his forehead, were about two and one and a half inches long.

He was rushed to Saratoga Hospital. Ten stitches were required to close his wounds.

## SLIDES INTO CRASH

L. Garrison Hooker, 445 University place, while driving his 1950 Oldsmobile north on University, March 13, slid through the stop street at Charlevoix and struck the Chevrolet driven by Howard Crawford of 806 Lincoln road. Hooker and Crawford agreed to settle between themselves. No tickets were issued.

# Library Dedication Draws Crowd of 500

(Continued from Page 1)  
dedication speech also referred to the combination of "truth and light" to be found in the Woods Branch.

Of course, books are the first measure of a good library. At present there are approximately 7,000 volumes on the shelves, which, with storage space, have a capacity of 20,000.

**Attracts Children Too**  
While their parents examined the periodical, recording and reference sections, a number of younger subscribers could be ob-

erved judiciously inspecting the new picture books and especially scaled-down furniture in the Children's Section at the south end of the main room.

A glance across Vernier road at the crowded Mason School shows the need for a well-developed children's program in this region. Incidentally, Miss Susan Thompson, in charge of the library's child activities, announced that the first Story Hour will be held this coming Saturday morning.

**Complete Staff Room**  
The main room wasn't all that drew "oh's" and "ah's" from the visitors. The modern staff room—complete with facilities for preparing snacks—the ample work room, the spacious stack room for older periodicals made Miss Mastin and her staff the envy of all neighboring library officials who came to look over the new Branch.

High point of the afternoon was the Formal Dedication held at 3 o'clock in the Meeting Room, with Marion K. Kellogg, Friends President, acting as chairman.

**Blessed by Rector**  
After Reverend Edgar H. Yeoman of St. Michael's Episcopal Church had asked God's blessing on the school and library, Mr. Kellogg spoke. He itemized the functions of a good library and also the objectives of the Friends organization—the primary purpose being to serve as a link between the library and community.

He concluded by reminding his audience that a library must become more than a mere physical plant, that it must strive to meet the several needs of the community, and that the community should in turn take an active interest in it.

Bert H. Wicking, Board of Education President and the first speaker, recalled the various signs in trying to make the library needs and facilities coincide with each other. With these new facilities, he stated, "there can be no limit to the service the Public Library shall be able to render."

Mayor Leon D. Ratcliffe of Grosse Pointe Woods, next traced the expansion of that community, citing statistics to illustrate its property as well as its population growth over the last twenty-five years.

After Mr. Kellogg had intro-

duced several Board of Education members in the audience and Mr. Ferry, Mr. Charles A. Parcels, Jr., offered his sincere praise and thanks on behalf of his father, in whose honor the building was dedicated.

**Bushong Has Compliments**  
James W. Bushong, Superintendent of the Grosse Pointe Public Schools also complimented the promoters of library expansion and pledged his support to their program.

Robert M. Orr, Public Library Director outlined the growth and present status of the various branches and offered his thanks to all those who contributed toward the occasion.

**Staff Introduced**  
Miss Mastin followed him to explain some of the inner workings of a modern branch library and to introduce her three fellow staff workers. Miss Thompson and Miss Anne Studnicka, she said, were the artists responsible for the posters and displays which added to the appearance of the main room. Mrs. Edward Grenard was described as the person who sends reminders to people with overdue books.

Before the audience rose to compliment the various officials responsible for the Branch and to resume sight-seeing, Reverend Andrew F. Rauth, Minister of the Woods Presbyterian Church, pronounced a concluding benediction.

On the way out, a poster, quoting Charles R. Sanderson of the Toronto Public Libraries, stated the theme of the occasion: "The public library is the pivot of democracy. If a community is permitted to think (and democracy rests its case on this) it must have books; and libraries, for most of us, means public libraries. Providing books to make it possible for ourselves to think, to think with intellectual honesty, to think with informed minds, remains the primary job of the public libraries."

The Friends repeat their original invitation to inspect the new Branch to include those who were unable to attend the Open House.

# Elm Trees

(Continued from Page 1)  
the contract has, the latest equipment of mist sprayer.

The City of Grosse Pointe let a bid for spraying its elms to the Suburban Tree Service Co., at a cost of \$2.28 per tree. However, the City claimed an option that it may buy its own materials.

Grosse Pointe Woods accepted the bid of the Davey Tree Expert Co., with the provision that Davey would spray 2,000 of the city-owned elms, at \$2.20 per tree, and the remainder of the trees on municipal property would be sprayed by Woods employes.

**To Get Instruction**  
It was agreed also that Davey employes would explain the proper spraying methods to employes of the municipality who would then operate the city's machine.

While the Village of Grosse Pointe Shores has not yet awarded a spraying contract, it was announced that it has been taking bids. The trustees of the village have not yet met to take official action.

It was reported that the low bid was also from the Suburban Tree Service Co., for \$1.74 a tree.

**Size Makes Difference**  
The reason for the difference in the amounts of the varying bids is explained by the fact that the size of the trees varies greatly in the different municipalities. The Shores has many elms along Renaud, Colonial and Lochmoor road that are not more than 35 feet high and consequently will require much less material.

# Army Nurse

(Continued from Page 1)  
spleen and needed blood badly. They put out a call for blood and were able to give the soldier 17 pints of blood within 12 hours.

**General Among Volunteers**  
A Brigadier General was among the volunteers. "But they need more blood. Men in the combat area should not have to give. But they come forth, always, 100%."

Lt. Genet pointed up the feeling of mutual admiration of the UN troops. "The feeling is very strong," she said. "The GI is accomplishing far more than any policy of formal international diplomacy."

**Disgusted at Delays**  
About the truce talks, she felt the general tenor was one of disgust. After a time the UN ceased the policy of motorized warfare and began fighting the enemy's war and went into the mountains. The Chinese were being routed when the peace talks started. Now, with a loss of confidence in what the talks are accomplishing and the knowledge that the Chinese are building forces behind the truce negotiations, the attitude has become one of "get it over with; even if it means more heavy fighting."

**May Reenlist Again**  
Lt. Genet will leave here March 25 to report to Camp Leonard Wood in Missouri. Her enlistment is not up until July of 1953. "But," she concluded, "whether or not I will remain in longer is dependent on world conditions."

# Two Cars Tangle At Intersection

Bertram A. Richner, 392 Alton and Essex.  
Jefferson, McCloskey had already entered the intersection from Essex.

Richner was travelling south on Barrington when he struck the right rear of a car driven

ton and Essex.  
Both Richner and McCloskey were ticketed for entering an intersection without due caution.

The formal reception will be from 8 until 11 p.m. on the evening of April 5. The exhibition will include oil, watercolor and tempera paintings, and will be juried by Edgar Yaeger. The show will be from April 5 until April 21.

**Robert Sinclair Home Ransacked**  
Farms police were notified that sometime between the evening of March 13 and the late afternoon of March 14 someone had broken into the home of Robert W. Sinclair, at 235 Vendome.

Investigation by Detective Sergeant Elmer Labadie and Detective Eugene Boylan revealed that entry had been gained through a basement window at the rear of the house. The lock on the door leading from the basement to the first floor had been forced, and the door to the liquor cabinet had been broken open. The house had been completely ransacked. Labadie and Boylan found fingerprints on one of the bottles in the liquor cabinet.

Mrs. A. J. Day, Sinclair's daughter, told police that her father was out of town and would return on or before March 23. She said she had no idea of what might be missing.

**For Normal Driving - It Loafs!**

You cross over the boundary into another state—and there are the posted rules and regulations.

Maybe the daytime limit for passenger cars is "forty-five"—or "fifty-five." Or, maybe no limit at all... just your own good common sense and the general rules of safety.

Well, whatever the legal limit, your Golden Anniversary Cadillac is going to "loaf!"

Down under its hood is the most powerful engine ever used in a standard American passenger car. There's more power there than you'll ever need—except for emergency.

But don't think that great power doesn't work for you—even when you are driving within the legal limits!

It works for your safety... because a great reserve of power is a wonderful safeguard in most of the driving emergencies that present themselves.

It works for your comfort... because no car rides so well, or handles so superbly, as when it "coasts along," with a great percentage of its power still under the accelerator.

And it works for your peace of mind... for it is unbelievably comforting to know you have tremendous acceleration, should the necessity for it arise.

Of course, power has to be harnessed and handled in order to be your friend and servant.

So the Golden Anniversary Cadillac has superb new brakes—larger and more efficient—and designed and built to double the span of their endurance.

And those who want the ultimate in easy handling may order at extra cost Cadillac's new power steering that eliminates up to seventy-five per cent of normal steering effort.

It would take a volume to tell you all the things that have been done to make this a "car among cars."

But it will take but a mile or a minute for you to sense what it means in terms of pleasure and satisfaction.

It means something wonderful... too wonderful, in fact, to miss!

Better come in today—for a look—and a ride—and a revelation.

### Course to Teach Owners How to Train Their Dogs

The Owner-Dog Obedience Training classes, sponsored by the Department of Community Services of the Grosse Pointe Board of Education, will start next Tuesday evening, March 25. The classes will meet in the Boys' Gymnasium of the Grosse Pointe High School.

These Owner-Dog classes have created a lot of interest during the past four years. More than 400 students have participated in these ten weeks training sessions.

The opening meeting of the Spring program will be devoted to a lecture on the principles of dog training. This will be the only meeting when the student does not bring his dog. The owner will be given the scope of the course and shown what he can do to take advantage of the natural desire of his dog to please him.

Any breed of dog can be trained. It is just a matter of teaching the owner what to do and how to do it. The only requirement is that the owner work with his dog a few minutes every day. Every dog is a better companion after this type of training.

Instruction will be under the direction of Marion K. Kellogg, member of the Southern Michigan Obedience Training Club. Classes will be divided into Beginning Training as well as advanced work for former student dog-owners who have completed their novice work.

For class reservations and information call TU. 5-2000, Extension 25.

### Arguing Drivers Both Get Tickets

L. H. Wilson, 22437 Stephens road, St. Clair Shores, told Farms police that while he was driving west on Lake Shore road on March 13, he was forced over the curb by a passing Studebaker, just west of Kerby. He said that again near 99 Lake Shore the Studebaker cut into him and struck the left rear of his Chevrolet.

Farms police broadcast a hit and run call, and the Studebaker was located by Woods Police on Mack near Michigan Chappelier Co. The driver, Sylvère H. Coussment, 20651 Fryer, St. Clair Shores, was taken to the Farms station.

He told police that he had reported Wilson to Grosse Pointe City police for cutting him off on Lake Shore road. A check proved that Coussment had made the report. Farms police issued tickets to both Wilson and Coussment for reckless driving and leaving the scene of an accident.

### Car Hits Tree As Driver Dozes

Both George A. Francis of 1557 Torrey, and Audrey W. Russell of 22525 St. Clair drive, were injured March 13, when the car driven by Francis struck a tree on Jefferson avenue. Francis said he had fallen asleep. The accident occurred at 3:50 a.m.

They were taken to Bon Secours Hospital where Miss Russell was treated for an injured right knee and hip. Francis was treated for abrasions of the right knee and hand and a cut over his left eye.

### Thief Ransacks Home in Farms

Harry K. Perkiss, houseman for the Edmond T. Hammonds of 35 Edgemere, reported to Grosse Pointe Farms police March 12, that someone had broken into and ransacked the house.

Detective Sergeant Elmer Labadie investigated and found that entrance had been gained through a sunken basement window. The library desk had been rifled and possibly a change purse, containing \$15 or \$20, had been taken.

According to Mr. Perkiss nothing had been taken from the second floor, although Sergeant Labadie reported that the bedrooms had been gone through by the thieves. No finger prints were found.

The entry was made sometime between March 11, at 4:30 p.m., and 10 a.m., on March 12.

### Hunting and Fishing Movies To Be Shown at High School

The Grosse Pointe Bait and Fly Casting Club will present the second of a series of fishing and hunting films on Tuesday evening, March 25 at the Grosse Pointe High School, Fisher road and Grosse Pointe boulevard, 7:45 o'clock.

"Fishing in Alaska" and "Hunting in Alaska" will be presented through the cooperation of the Grosse Pointe Nash Sales and Service and the Department of Community Services of the Grosse Pointe Board of Education.

The lifelong ambition of every real fisherman is to fish the streams of Alaska, for here fighting game fish abound amidst some of the finest scenery in the world. "Fishing in Alaska" will show the beaching of giant rainbows and an amazing salmon migration.

"Hunting in Alaska" will feature the finest game hunting in all the world. Here bear, moose and caribou abound. Here is your opportunity to see moose lured by expert moose callers, to watch crick marksmen bag giant caribou, and to see Kodiak bear in their habitat.

The films were produced for Nash Motors by Larry Madison, outstanding movie maker and sportsman.

There will not be a charge for the evening's program. If you desire information regarding the Grosse Pointe Casting Club, please call TU. 5-2000, Extension 25.

### Thousands Visit Two New Schools

Open Houses at two of the Pointe's new school buildings attracted an estimated 4,500 persons last Sunday afternoon.

School board officials stated that between 3,500 and 4,000 inspected the new Parcels School at Mack avenue and Vernier road, while between 700 and 1,000 visited the recently completed New Kerby School in Kerby road.

The two schools represent an investment of more than three and a quarter million dollars.

**HOSIERY HINT**  
Rule of thumb for hosiery buying: "Denier" means thickness of the thread and the lower the denier number, the sheerer the hose; "Gauge" means number of stitches per inch and a half of fabric and the higher the number of stitches the finer, sheerer the stocking.

**WINS FOOTBALL LETTER**  
Bill Monahan, son of Mr. and Mrs. Edward Monahan of Lothrop road, was awarded his football letter at Albion College in a recent Chapel Hour ceremony. Monahan is a senior at Albion.

### Speeder Nabbed Following Chase

Joseph H. Weatherford, 2018 East Lincoln, Royal Oak, posted a \$100 bond with Grosse Pointe Farms police March 14, after he had been picked up for speeding at 2:57 a.m.

Officers Beaupre and Lyford chased Weatherford at high speeds from Provençal to the St. Clair Shores city limits.

### Fire Department Changes Revealed

Lieut. Philip Trombley of the Farms Fire Department will be retired effective April 1 after serving the department for 25 years and 11 months.

Raymond Sney, who has been a member of the department for the last 22 years, will be promoted to lieutenant to succeed Trombley. The retirement and promotion, recommended by the public safety committee of the council, were approved at a council meeting on Monday, March 17.

Jerome Gant of McKinley avenue, who applied for service in the department a year ago and passed his examinations successfully, will be appointed to fill the vacancy in the department.

### Student Writers Receive Awards

Fifteen Grosse Pointe High School students were among 536 winners in the Southeastern Michigan Regional Scholastic Writing Awards contest.

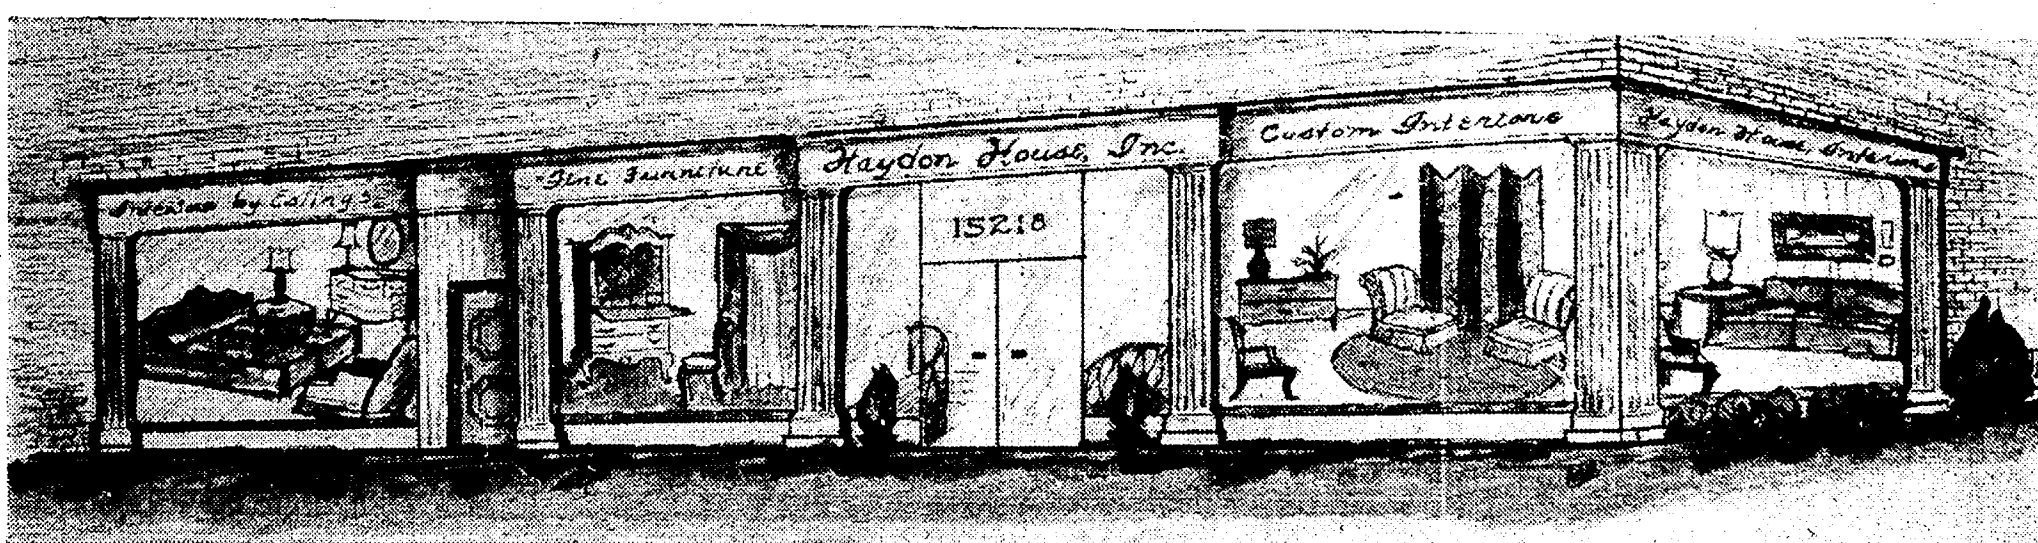

Donald Freeman was awarded achievement keys, the highest award, in three divisions of competition: humor, short story, and journalism. He was also named for honorable mention in the humor and journalism feature story divisions; and for commendation in the humor and essay divisions.

George Denison was also a winner of an achievement key for his contribution to the journalism column division. Denison also received honorable mention in the journalism editorial feature and sport story divisions.

Other winners of the achievement key were John Eberly, editorial division; Jack Grenard, essay division; B. G. Rich, sport story division; Elaine Burr, short story division, and Donna Hewitt, who was graduated in January of this year, in the literary article division.

Joyce Judson, Thelma Whitely, Virginia Davis, Peggy Lutton, Nancy MacDonald, Bill Jones, and Ann Lampman were also among those to receive awards in the contest.

All winners will receive certificates, and those who were awarded the gold achievement keys will in addition receive a copy of Webster's Collegiate Dictionary. The Detroit News sponsored the contest in this area.

**LITTLE BOY BLUE**  
The Cretans had their own "Little Boy Blue" as far back as 1460 B. C., of a livelier nature than his celebrated namesake in the Mother Goose rhyme. He was "blue all over," including his skin and hair and eyes. A colorful fresco showing him frolicking in a pasture, picking crocuses, was found in the ancient ruin of the fabulous Palace of Knossos, on the Island of Crete.

# Students Hear Durant Rap Truman Foreign Aid Policy

"The effect our aid to foreign nations has is the same as if a man with a hemorrhage were given a blood transfusion—it serves to extend the condition rather than correct it."

This statement was made by Richard Durant, of Lincoln road, Republican candidate for Congress in 1950, last Thursday afternoon, March 13, before a group of history students at Grosse Pointe High School.

Mr. Durant, speaking on President Truman's Point Four program for technical assistance to underdeveloped nations and America's foreign aid program in general, stated that "I believe our economic aid program rests on a false assumption."

The youthful investment counselor made it clear that unless foreign governments put their own financial houses in order, no amount of U. S. dollars will ever improve the conditions.

Mr. Durant outlined the three basic factors which "allow a standard of living to improve" as:

1. Human energy.
2. Natural resources.
3. Tools (which includes tables, chairs, books, hammers, etc.).

"The last," he stated, "is the only one which may be expanded and if governmental policies discourage such expansion the standard of living in those countries will be lower."

"Any nation which follows a tax policy which discourages the creation of tools," Mr. Durant contended, "is keeping itself backward."

Mr. Durant mentioned Arabia as an outstanding example of a country which has encouraged investment by private capital, e. g. Standard Oil and Socony, and by so doing has kept its finances in good condition.

"In countries where the government encourages investment," he pointed out, "no aid is needed because private investments will come in naturally."

Mr. Durant believes that to provide aid to nations which do nothing to help solve their own

financial plight is to subsidize socialism and weakness.

To help the nations of the free world Mr. Durant proposed two actions on the part of the United States:

"First," he stated, "we must lower our tariff barriers to implement foreign production."

"Second," he is convinced, "we must state that we won't dictate to them, but that we won't send aid until they take steps to encourage private investment."

# Three Honored As Top Students

**NORTHFIELD, Minn.**—Antonina Chronowski, sophomore, and Janet Ballentine and Mary Ann Gibson, freshmen at Carleton College, from Grosse Pointe, were honored on March 17 at the annual scholarship dinner for highest ranking women students at Carleton.

Forty-four Carleton women ranking academically in the upper ten per cent of their classes were guests of honor at special banquets held on the campus for freshmen, seniors, and for juniors and sophomores together. Each class chose a faculty member as guest speaker for the occasion, and each high-ranking girl found a red rosebud at her place.

Miss Gibson, daughter of Mr. and Mrs. William M. Gibson, 883 Westchester, and a graduate of Grosse Pointe High School, received the Phi Beta Kappa bracelet awarded each year to the highest ranking freshman girl at Carleton.

Antonina, a graduate of Grosse Pointe High School, is the daughter of Mr. and Mrs. A. J. Chronowski, 1151 Berkshire. In addition to her high scholastic standing, she has been a member of the Carleton choir, and took part in the annual May Fete, last year.

Janet, also a graduate of Grosse Pointe High School, is the daughter of Mr. and Mrs. Richard K. Ballentine, 259 Hillcrest. She recently assisted at the Careers Conference held at Carleton.

# League Favors Proposed Bills

Current State Senate bills on child care are the subject of active interest to members of the League of Women Voters' Children's Service Committee, headed by Mrs. William Gall, of Moross road.

Designed to improve the foster care program, bills No. 234 through 238 would establish specific child care funds on the county level, and all money spent for this purpose would be accounted for. Under existing laws, foster care monies come from general county funds. Provision is made in the bills for counties to pay a proportionate share of their foster care program.

In the past, counties have been "dumping" their charges in state institutions, and these have become severely overcrowded. The League feels that under the new law counties would be encouraged to provide their own child care facilities.

Standards for licensed boarding homes would be raised and placement of both new-born babies who are state charges, and children from Juvenile Court would be expedited and done on a more selective basis.

To show active support for this proposed legislation, League members are writing to their representatives in Lansing, encouraging them to vote for passage of these bills.

# Cornell Show Here On Monday

The Cornell Glee Club will present its Spring Tour Musicale, "Total Eclipse," Monday night, March 24, at 8:15 o'clock in the Pierce Junior High School Auditorium. Variety acts will also be performed by members of the 50-man club.

Mr. and Mrs. Paul W. Thompson will give a dinner at their home on Devonshire for the Glee Club before the Musicale. Among the guests will be Mr. and Mrs. James W. Parker, Mr. and Mrs. Walker L. Sisler, and Mr. and Mrs. Charles M. Drake, of Birmingham.

After the performance the club members will be feted at the home of Mr. and Mrs. Matthew Carey on University place.

Among the Grosse Pointers now at Cornell are David K. Bull, Lee Eskridge, Elizabeth N. Jones, George M. Kennedy, Gary S. Long, and William J. Waughman.

# To Represent Albion At State Discussion

Joyce Wiek, daughter of Mr. and Mrs. Harold Wiek of 244 Fisher, will represent Albion College at the State Discussion of the Michigan Intercollegiate Speech League to be held Saturday, March 22, at Western Michigan College of Education, Kalamazoo. Twelve universities and colleges will then discuss the question, "How Can We as a Nation Improve Our Ethical and Moral Conduct?" Miss Wiek is a junior at Albion College.

**New Studio of Haydon House Fulfills Dream for Esling**

Harry Esling of Neff road, co-owner with Don Schilling of Colonial road, of Haydon House, Inc., will realize an ambition nurtured for many years when that establishment opens its beautiful new studio at 15218 East Jefferson avenue this Friday.

Don Schilling, a major in the Army Air Corps and veteran of World War II, was recalled to active duty and is now stationed in Texas. But Mr. and Mrs. Esling will be on hand when the studio holds its formal opening from 7 to 10 o'clock on March 21.

**Since Turn of Century**

The Esling name is one that has been synonymous with fine decorating since the day in 1900 when Harry's father opened his first shop on Miami, (now Broadway), in Detroit. The establishment was later moved to West Adams, then to East Adams in a location now occupied by the Irving Shop.

Two East Jefferson locations followed, the later and better known one where the Wedgwood Room is now situated. When Esling moved in there he obtained a three story French facade from the Metropolitan Museum of Art and re-did the entire front of the building.

This studio, which catered to many of Metropolitan Detroit's wealthiest families, was closed when Harry was called to service in World War II.

**Get Feet in Door**

In 1946, their war duty ended, Harry and Don opened a small studio dealing mainly in lamps, at Kercheval and Beaconsfield. This was only a temporary measure, getting their feet back in the door while James Holden was erecting his new building at Kercheval and St. Clair. Haydon House moved in as soon as this building was completed in 1947, giving the Pointe one of the finest furniture and decorating establishments in the Detroit area.

Mrs. Esling confided, when we found them knee-deep in painters, paper hangers, carpenters and electricians in the new location Monday morning, that Harry had never really been happy about the change of the business since the old studio days. His ambition was to get back onto East Jefferson and into an establishment that would be more of a studio than a furniture store.

**Miraculous Changes**

Crews of workmen have been busy since the shop in The Village was closed on February 1 after serving the Pointe for five years. The changes that have been wrought in the former Ray Whyte Oldsmobile headquarters are miraculous. It has been transformed into what will undoubtedly rank as one of the finest decorating studios in the entire country.

Mr. and Mrs. Esling have been busy as beavers and happy as larks guiding the work that is making his dream come true. Unsurpassed facilities for displaying the myriad items for home decoration have been provided. Many new departments, such as a complete rug section, have been added. There are special booths for selecting wall coverings, conference rooms, material sample room, a very large lamp department.

**25 Percent More Space**

The additional space, 25 percent more than the former store provided, allows room for elaborate displays of each type of furniture, be it modern, period, traditional or for the garden, porch or outdoor living room. Everything from ash trays to completely furnished rooms will be displayed in their own lavish settings.

The ingenuity shown by the Eslings in creating their new studio is illustrated by the way they handled a sun problem. Huge windows on the west side of the building admitted a blind-

ing glare of late afternoon sun. This was a simple matter for Harry to solve.

**Has Electric Curtain**

He has installed a great curtain trough across the top of this expanse of glass. An electric eye will control the massive traveling curtain. When the sun's rays reach the nuisance point, the electric eye will automatically draw the curtain and shut off the glare. After the sun has set, the electric eye will again go to work, and the curtains will magically open up, revealing the lovely displays inside.

**Owners Are Proud**

Haydon House is proud of its new studio and the services it will be able to provide Pointers. Top lines of every kind of decorating item will be found there. Interior designs are created by the large and fully qualified staff of decorators.

The company has its own workrooms in its own building at Charlevoix and Maryland, where custom furniture, draperies, slipcovers and upholstering are executed.

**Eleven Pledged By Fraternities**

New fraternity pledges at the University of Michigan numbered 275 at the close of the spring rushing period.

Approximately two-thirds of the new pledges are freshmen, bringing the total of freshmen in fraternities to almost 40 per cent of the male freshman enrollment, according to University officials.

Joseph H. Fee, assistant to the Dean of Students and counselor to fraternities, extended best wishes to the "students who have taken on the added responsibility of fraternity life and are following in the footsteps of the men of the past hundred years who have contributed so much to their University through their fraternities."

The first fraternity on the campus was recognized by the University in 1850. The 44 fraternities which are present members of the Interfraternity Council celebrated their 101st anniversary last December.

New pledges from Grosse Pointe include: Bruce B. Allen, 656 Lincoln road, Chi Psi; Lee E. Allgood, 949 Vernier road, Kappa Sigma; George Beauchamp, 1676 Stanhope, Phi Delta Theta; Ralph E. Cross, 37 Roslyn, Phi Kappa Psi; Eugene Halbrook, 894 Beaconsfield, Phi Gamma Delta; James A. Lafer, Jr., 53 Oxford road, Delta Kappa Epsilon; Robert D. Law, Jr., 1357 Maryland road, Chi Psi; Alex W. Mann, 365 Rivard, Phi Gamma Delta; James R. Stewart, 569 Fisher, Theta Xi; William Winkler, 35 Grosse Pointe boulevard, Phi Gamma Delta; John C. Kolb, 61 Grosse Pointe boulevard, Chi Phi.

**Car and Truck Figure in Crash**

The 1950 Plymouth driven by Charles W. Elliott of 23222 Edsel Ford court, St. Clair Shores struck a truck driven by Warren E. Piche, 347 Hillcrest, as Piche was making a wide right turn off Lake Shore, March 13.

Damage to the rear end of the truck amounted to about \$5. Elliott's Plymouth incurred damages to the right side estimated at \$25.

**Pointe Theatre Play Saturday**

"John Loves Mary," the delightful comedy by Norman Krassna, is being presented Saturday, March 22, at 8:30 p.m. at the Grosse Pointe High School by the Grosse Pointe Community Theatre.

Both the Rotary and Kiwanis Clubs of the Pointe have taken a block of seats for the performance, but there are a few seats left. Tickets, \$1.25 are on sale at Doubleday Book Shop in the Village or call Mrs. Genter, TU. 1-4586. Better still, buy your ticket from a member whom you know personally. There's a stupendous prize for the member who sells the largest number of tickets—a large, juicy steak.

Members of the cast are: Mary

and Bob Koebel, Robert Morris, Dean Erskine, Joan Hall, John Wilson, Dan Buell, Irene McCubbin, Townsend Goebel and John Steinhauser.

Leonore Marshall is the director. John Sinclair designed the set, and helping back stage are Jean Standish, stage manager; Barbara Roney, props, assisted by Nancy Hoyt, Joanne Karnatz, Greta Angus and Tom Stain; Rae Bambas, make-up; and Lois Gehrig, costumes.

**Reckless Drivers Pay Up in Court**

Judge C. Joseph Belanger disposed of five cases at the Grosse Pointe Park Municipal Court session, Wednesday, March 12.

Helen V. McEwan, 872 Beaconsfield, was charged \$5 in costs for an accident in which she was involved on Beaconsfield, February 15.

Cross Ruffino, 8141 Georgia, was found not guilty of an accident that occurred February 21, at the corner of Charlevoix and Lakepointe.

A fine of \$10 was given Clarence J. Fecteau of 1809 Schools road, Mt. Clemens, for an accident at Jefferson and Audubon, February 13.

Floyd G. Carpenter, 918 Harcourt, was fined \$10 for disobeying a stop sign on February 7.

For failure to appear in court to answer charges of speeding on Kercheval, February 9, Edward P. Smith of 5137 Conner, forfeited a bond of \$15.

**Forced Off Road, Driver Declares**

Farms police found a 1951 Mercury owned and driven by William R. Cosgrove, of 1295 Eastlawn, stopped in a small clump of bushes on one of the islands along Lake Shore road, March 16.

Cosgrove said he had been forced off the road by an unidentified car. With him at the time was Roy Gogolin, 4110 Manistique. Cosgrove assumed all responsibility. Neither man was injured.

### Library Friends To Hear Pastor

Rev. Hugh C. White, Minister of the Grosse Pointe Methodist Church, will speak to the Friends of the Grosse Pointe Public Library next Tuesday evening, March 25, at 8:30 o'clock at the Woods Branch of the Public Library, Vernier at Mack. He

will review Whittaker Chambers' book "I Was A Witness". Rev. White was born in Evanston, Illinois, and was raised in Chicago and its suburbs. He was graduated from North Central College, Naperville, Illinois, and later from the Theological School of Northwestern University.

He came to Grosse Pointe in 1945, and organized the Methodist Church here from its beginning. On his 5th anniversary, his congregation moved into the beautiful new church in Moross road. Rev. and Mrs. White have two sons, Stuart Clifford, 3½ years, and Jeffrey Starres, 3 months. Rev. White will review the startling and important Chambers' book from the standpoint of a clergyman. However, he indicates that there is no intention of sermonizing. He feels the book is of such importance that everyone should read it, and the review will be directed toward stimulating a wide reading of this book. Rev. White will lead a discussion period on the book following the talk.

The meeting will be held in the new Woods Branch Library, and the Friends of the Public Library cordially invite the community to attend. Miss Helen Bower, speaker at the last Friends meeting, was well received by a large and enthusiastic group.

### Old Lamps Popular in Pointe

JOE OLLIG'S ELECTRIC SHOP IS BUSY PLACE IN SPRING

In the spring it's not only a young man's fancy alone that turns! According to Joe Ollig, who like the man in the fairy tale, gives new lamps for old lamps, literally loads of them, make their appearance at his electric shop along about robin-return time, and the reason is love. Old lamps that families love and can't part with. They must be repaired, rewired or even rebuilt. And Joe Ollig is master of that corner of the lamp world. Joe not only gets a great deal

of repair and rebuilding work from Grosse Pointe homes, but also from decorators, builders and the hotels throughout the state. The latter ship their lamps here during slack season.

One of the very interesting features of the plain little shop is its many quaint, old hanging oil lamps which are to be wired before going into the smart new ranch style homes.

Joe Ollig tells us that it was his son, John, an expert electrician who worked at the Atomic Bomb headquarters in New Mexico, who induced him to specialize in lamps. That was 10 years ago, and the senior Ollig has been busy ever since.

Yes, there are old chimneys available for any lamp in existence and there are so many other small, intricate parts that one marvels at the stock the shop carries. Ollig, however, is a true mechanic as well as electrician, and turns out many of the needed fixtures in remaking lamps.

### Helping to Photograph Combat Zone in Korea

Photographic coverage of the Korean combat zone, showing enemy troop maneuvers, bomb targets and bombing effectiveness, is provided by a Navy squadron with headquarters at San Diego, Calif.

Claudius B. Hocking, aviation electronics technician, third class, USN, son of Howard Hocking of 1667 Littlestone road, Grosse Pointe, is serving with the fighter photo team which is the only squadron of its type. Composite Squadron 61 operates from several aircraft carriers with the Pacific Fleet.

Men of the squadron fly in the Navy's F9F Panther Jets to gather the information for the United Nations intelligence commands.

### Business Group To Pick Leaders

The Grosse Pointe Business Men's Association will hold its annual elections on April 8.

Candidates for office include: for president, S. Willard Hosking; vice-president, Cyril Verbrugge and Charles Verheyden; directors, Jack Coney, Frank Lemmer, C. D. Houston, Al DeRiemacker, Lawrence Korte, David McCaron, Bart Trail, Mrs. Thomas F. Paddock and John W. Baker.

Four directors will be elected and one of the two candidates for vice-president will be named.

### Trombly P.T.A. Conservationists Meets March 24

"Tahiti and the Islands Under the Wind" will be featured at the Trombly P.T.A. meeting on Monday, March 24, at 8:15 p.m. Globe-trotter Earl B. Brink will present his film, a lecture classic in natural color motion pictures.

Mr. Brink's pictures afford an enchanting visit to the South Seas where life is exotically simple, people smiling, unspoiled, happy, and nature a riot of beauty.

Preceding this feature in the auditorium, parents will visit the classrooms to see what Johnny has been doing and to talk to his teacher.

Mrs. Armand Kerber, second grade Room Mother, Mrs. Carroll Grigsby, third grade Room Mother, together with the Social Committee chairman, Mrs. Stanley Huestis and co-chairman, Mrs. Walter Crow are planning the social hour following the business meeting.

Boys and girls of the fifth and sixth grades under the direction of Miss Ruth Ernst, vocal music teacher, and William Ferry, instrumental music teacher, will present several vocal and instrumental numbers.

### YOUNG REPUBLICAN

Joyce Schmidt, daughter of Mr. and Mrs. Ottmar E. Schmidt of Hampton road, has been elected secretary of the Young Republican Club of Bowling Green State University at Bowling Green, Ohio.

### Conservationists Plan Celebration

The Grosse Pointe High School Conservation Club will celebrate its 15th anniversary Tuesday evening, April 1, from 7:30 until 10 o'clock in room 124 at the school. All former members of the club are invited to attend.

Mrs. A. Myrtle Wagner, club sponsor, asks that those able to attend contact her or Mary Cobane. Mrs. Wagner may be reached at ED. 1-7577. Miss Cobane may be reached during the evenings at TU. 5-7934.

### Plan Open House At High School

There will be Open House at the Grosse Pointe High School on Thursday evening, March 27. Under the sponsorship of the Mother's Club, the home room mothers will assist the teachers to carry on their work of meeting with the parents.

Mrs. Robert T. Schaller, working with the mothers and teachers, is coordinating the work of telephoning, and the efforts to especially great parents of the 7B and 10B children.

Although this is a special opportunity for parents to meet the teachers, the parents are requested to confine their interviews to three minutes because of the great number of parents to be interviewed.

The Hi-Y boys will assist in the distribution of programs.

### Scout Banquet Nets New Hat

Seventy happy Cub Scouts from Maire school left their annual Blue and Gold banquet at Christ Church on Thursday, March 6. They had honored their fathers with a delicious roast beef dinner, handmade table decorations and entertainment by Fred Wolf, Cass Michaels and Don Lund.

Left behind after the guests had departed was a new, fancy, grey felt hat. A search of the property by committee chairman Rene Linden and cubmaster Edward Kennedy failed to produce the missing owner.

### LENTEF SERVICES

Dr. Benjamin E. Mays, President of Morehouse College, Atlanta, Georgia, will be the speaker at the Noonday Lenten Services of the Detroit Council of Churches from March 17 to 21. The services are held daily Monday through Friday at Central Methodist Church, Woodward at Grand Circus Park, from 12:10 to 12:50 p.m. Dr. Mays, in former years, has addressed capacity audiences and has returned to Detroit upon special demand.

## Betrothal Told

Dr. and Mrs. Eugene Klaver of Lincoln road announce the engagement of their daughter, **HELEN ELIZABETH** to Ronald John Jenkins, son of Mr. Florian Jenkins of Lexington road and the late Mrs. Jenkins.

Elizabeth was graduated from the University of Michigan and Katharine Gibbs School in Boston. At Michigan she was affiliated with Chi Omega. Ronald is also a graduate of the University of Michigan, and at present is a senior at the University of Detroit Dental College. His fraternities are Theta Delta Chi and Psi Omega.

Plans are being made for a summer wedding.

## Mrs. Digby-Seymour Returns To Home in Derby, England

Mrs. W. T. S. Digby-Seymour left last week-end to return to her home in Derby, England, following a visit with her parents, Mr. and Mrs. Edward Cope Smith of University place. During her stay in the states, Mrs. Digby-Seymour and her mother spent a vacation at Sanibel Island off the Gulf Coast of Florida.

A bill was passed locating the State Capitol at Lansing on March 9, 1847. This was a blow to Detroit which had been the State Capitol. The Capitol building was located in present day Capitol park in downtown Detroit.

## 'Y' Offering Ladies Day Out

Enthusiastic preparations are being made by Ladies' Day Out'ers at Central Branch YWCA for a 10-weeks Spring Holiday for Homemakers.

The Spring Holiday, which begins March 25, is designed as a once-a-week release from household chores. Every Tuesday, from 9:30 a.m. until 3:30 p.m., homemakers will have an opportunity to join in rhythmic gymnastics, rollerskating and swimming with other women of mutual interest.

Instruction in bridge, psychology, painting crafts, and tips on glamour in a "Personal Inventory" class, are among the opportunities available to women enrolling in the Ladies' Day Out program.

A nursery will be available for pre-school children. March 25 will be a "Come and See Day" when interested women may have a preview of the 10-weeks activities.

Registration may be made at Central Branch YWCA, or information may be obtained from Mrs. Roland Likert, 969 Notting-ham road.

The first motor car to run in Detroit was driven on March 6, 1896 by Charles B. King. Henry Ford's car was tried out a few weeks later.

# Society News Gathered From All of the Pointes

## From Another Pointe of View

By Jane Schermerhorn

This Easter will find most of the debutantes home for Spring vacation . . .

With the earliest to arrive being Bobbie Phelan, and post deb Mary Meade who are getting in from Smith College this Saturday . . .

With a quartet of lasses, the James J. Phelans, Jr., of Moross road, will be enjoying schoolgirl visits from now until mid-April . . .

Ann Phelan, who just happens to be having a quick trip home this week-end, and Ellen (both of whom attend Georgetown Visitation Convent in Washington) will be arriving about the fourth of April to be here until after Easter . . .

Inasmuch as the family simply couldn't settle on a vacation spot fascinating to all . . . some of the Phelans wanted to get warm . . . others wanted their sunshine in Bermuda . . . week-ends at their Metamora lodge will probably be favored . . .

They are one family who never close their hunting lodge . . . and who actually pray to be snowbound there on Winter week-ends for the sheer beauty of the hilly country-side in all white mantle . . .

### You Are Asked To Help

At the moment, Mrs. Phelan is keenly interested in the drive being conducted by the Thrift Shop, over there on Waterloo . . . for which rummage and used clothes contributions are being asked . . .

The shop will have a special sale, March 18 through April 1, of these contributed articles . . . and proceeds will be used to augment the Neighborhood Club's Summer Day Camp fund . . .

A part time nurse is sorely needed . . . and additional funds must be had to help buy handcraft materials for the campers . . .

Mrs. George N. Munro III is general chairman of the Thrift Shop . . . and Mrs. Oscar Buhr is its publicity chairman . . .

Shop hours, you know, are Tuesdays through Fridays, 10 to 12 a.m. and 2 to 4 p.m.; Thursday evenings, 7 to 9, and Saturday mornings, 10 to noon . . .

**Debs Arriving For Easter**

Back to the debs: this will be Mary Johnston's first Easter in the Pointe in three years . . . she'll arrive from Briarcliff around April 2 . . . to be with her parents, Mr. and Mrs. George O. Johnston of Lothrop road . . .

George Johnston, Jr., is arriving this Thursday for the spring vacation from St. Paul's in Concord, N. H.

With both Mary and George receiving diplomas this June . . . the Johnstons will have a purposeful visit East . . . and the quite sub deb Lynn intends to accompany her family on these important occasions . . .

Gay Buhl, another Briarcliff gal, arrives with Mary . . . and she'll holiday with her parents, Mr. and Mrs. Arthur H. Buhl, Jr., of Provençal road . . .

**The Pointe Easter Parade**

The March 27 week-end will find Ann Woodhouse joining Mr. and Mrs. John T. Woodhouse of Lake Shore road . . . Ann is a Bennett Junior College girl . . .

And her sister deb, Lee Wadsworth, arrives April 2 from Pennsylvania College for Women, Philadelphia, to be with

### Club To Hold Open House

—Picture by Fred Rannels

The Grosse Pointe High School Mothers' Club will sponsor an Open House in the school on March 17. Left to right are MRS. ALFRED F. TAYLOR, assistant chairman; MRS. ROBERT T. SCHALLER, chairman of the Home Room Mothers, and MRS. JAMES G. MORRISON, sponsor of the 7th Grade. They are checking telephone numbers of parents to be called and invited to attend the event.

MR. and MRS. JOHN T. WOODHOUSE are in Ponte Vedra, Fla., and plan to return to their Lake Shore road home early next week.

MR. and MRS. W. DEAN ROBINSON returned to their home on Provençal road Saturday following a short stay at the Casa Blanca near Phoenix, Ariz.

MR. and MRS. JOSEPH S. SHERER JR. of Ridge road, with their children, have taken a house for several weeks at Sea Island, Ga.

Leaving by plane for Florida last week-end were MR. and MRS. HAROLD R. BOYER, of East Jefferson avenue, MR. and MRS. HARLEY J. EARL, of Touraine road and MR. and MRS. WILLIAM O. EARL of Kenwood road. The William Earls will vacation in Fort Lauderdale while the Harley Earls and the Boyers will make Palm Beach their headquarters.

MR. and MRS. CARSTEN TIEDEMAN, of Kenwood road, are making a pre-Spring visit to Cuba.

MR. and MRS. ROBERT STOEPPLER, of Lakeland avenue, and ROBERT C. MARTIN, of Grosse Pointe boulevard, left this week for a sojourn at Ponte Vedra, Fla.

MR. and MRS. HAROLD L. WADSWORTH of Cloverly, road recently returned from a vacation at Cat Cay and Fort Lauderdale, Fla.

JANIS WOODRUFF, daughter of MR. and MRS. DONALD M. WOODRUFF of Lewiston road, doesn't think there are any important dates between now and June. That is the month she and a former classmate at Bennett Junior College, GERTRUDE ADIKES, of Long Island, leave for Europe. The girls will join the Marsh Tour, a mixed group of young people, who will spend three months visiting Scotland, England, Belgium, Holland, France, Germany, Denmark, Sweden, Finland, Italy and Norway.

MRS. RAY E. HARMS has returned to her home in Ford court following a two months' stay at the Miami Beach home of her parents, MR. and MRS. E. A. KUNDINGER of Devonshire road. Sharing the Southern holiday were Mrs. Harms' sons, STEVIE, RAY JR. and ANDIE.

The Detroit Smith College Club met Tuesday evening at the home of MRS. JULIUS F. E.

HUEBNER of East Jefferson avenue. The group discussed "Service to Families" and was led by MRS. T. HOLLISTER MABLEY. MRS. JAMES W. LEE II was in charge of reservations. A social hour followed the meeting.

MRS. ORVILLE ARONSON of Neff road is spending a fortnight in Tucson, Ariz.

MRS. JAMES W. LEE II, of Chalfont avenue, who has been rising every Tuesday morning at 6:30 in the interests of the Dione Lucas French Cooking School, celebrated a later rising hour this week by entertaining a foursome of her friends at bridge and luncheon.

A quartet of Dobbs Ferry school girls will arrive April 4 for their Spring vacations. They include ELAINE SCHENCK, daughter of MR. and MRS. GEORGE E. SCHENCK of Lakeland avenue; JEAN LOCKE, daughter of MR. and MRS. JOHN LOCKE; ALEXIA ANGELL, daughter of MR. and MRS. JAMES N. ANGELL of Stephens road and LINDA HART, daughter of MR. and MRS. FREDERICK P. HART of Hillcrest road.

Recent return to the Pointe was made by MR. and MRS. BRUCE CHALMERS of Grosse Pointe boulevard who spent a fortnight in Bermuda.

DR. and MRS. CLARENCE L. CANDLER are back in their Faircourt road home following a vacation in Fort Lauderdale, Fla., where they stopped at the Ponsettia Beach Hotel.

Returned from a West Indies cruise are MR. and MRS. A. CRISWOLD HERRSHOFF of Lincoln road and MR. and MRS. F. RANKIN WEISGERBER also of Lincoln.

MRS. FRANK W. COOLIDGE of St. Clair avenue left Sunday to spend three weeks in Florida. Mrs. Coolidge traveled with MRS. MORGAN DOUGLAS.

MR. and MRS. HARRY R. ESLING, of Neff road, will leave in April to spend three weeks in New Orleans, Biloxi, Miss., and Fort Worth, Texas.

DR. and MRS. WILLIAM BREMER of Touraine road are receiving congratulations on the birth of a son, STEVEN WESTCOTT BREMER, Feb. 28. Mrs. Bremer was CONSTANCE HARRY.

The ROGER W. HULLS who made their home on Neff road have taken the Bishop road home recently vacated by MR. and MRS. CHARLES B. HULL III who have moved to St. Louis.

MR. and MRS. JOHN H. FRENCH JR. have returned to their home in Merriweather road after two and a half weeks in Florida. In Daytona Beach they visited Mr. and Mrs. JOHN H. FRENCH SR. and stopped in Hillsboro Beach for a visit with MR. and MRS. RUSSELL FRENCH, who make their year-round home in Florida.

MR. and MRS. LEROY E. SWIFT, of Provençal road, are vacationing in Miami Beach.

MR. and MRS. FREDERICK G. JONES of Yorkshire road are at Rutters-by-the-Sea, Fort Lauderdale. They have been joined by their daughter SALLY, vacationing from Cornell, and JULIE MOSHER and will spend the week fishing off the island of Eleuthera.

JOHN SCRIPPS SWEENEY III, of Moran road, will leave in May to spend several months in Paris.

MR. and MRS. ROBERT C. EVERETT, of Pittsfield Village, Ann Arbor, Michigan, announce the birth of a son, ROBERT ALLEN, on March 13. Mrs. Everett is the former MYRTLE ATKINSON, daughter of MRS. JAMES E. ATKINSON of Buckingham road.

### Bakers Return From Long Trip

Mr. and Mrs. Robert E. Baker of Radnor circle, and their four children, Bobby, Patty, Ricky, and Mimi have just returned from a six weeks' trip to the west coast and Hawaii.

The entire family visited Grand Canyon, Painted Desert, Petrified Forest, Boulder Dam, Las Vegas, Los Angeles and San Francisco. While the youngsters visited their maternal grandparents, Mr. and Mrs. Bart Lewis of Van Nuys, California, Mr. and Mrs. Baker boarded the SS. Lurline for a two weeks' holiday in Hawaii.

When the SS. Lurline docked in Honolulu, the Bakers were delighted to receive not just the traditional friendly Hawaiian welcome, but also a Grosse Pointe's welcome as well, as waiting at the pier to greet them were Mr. and Mrs. William Henderson of Ridge road, Mr. and Mrs. Alphonse DePaeppe of Lochmoor boulevard, and Mr. and Mrs. Victor DeBaekke of Lakeshore lane.

They all stayed at the Royal Hawaiian Hotel.

Fuller of Winter Haven, Fla., will go to her home, Bourne Brook Farm, Stonington, Conn.

## Pointe Learns News Of Two Engagements

### Sally Scovel Frost Plans Autumn Marriage to Maurice Clark Perkins Jr.; James R. Teetzel to Wed Carol Brenot in California April 19

Two engagement announcements this week occupied the interest of Grosse Pointe.

Over the week-end, Mr. and Mrs. John Crawford Frost, Jr., of Merriweather road told of the betrothal of their daughter, Sally Scovel Frost, to Maurice Clark Perkins, Jr., of Parker avenue.

And earlier, in Los Angeles, Mrs. Wilcox Brenot announced the engagement of her daughter, Carol Marlene, to James R. Teetzel, son of Mr. and Mrs. Wilfred Scott Teetzel of McMillan road.

Sally and her fiancé are planning to be married next Autumn. She is a graduate of Grosse Pointe Country Day School and Bradford Junior College.

The bride-elect also graduated from the University of Michigan where she was affiliated with Delta Gamma sorority.

She was presented to society at a tea in the Country Club in September of 1948 and her local clubs include Tau Beta and Junior League.

Mr. Perkins, who is the son of Mr. and Mrs. Maurice Clark Perkins of Saginaw, graduated last June from the University of Michigan.

He is a member of Delta Upsilon and during World War II served with the Marine Corps.

The Brenot-Teetzel marriage will take place April 19 in the Church of the Angels, Pasadena, Calif.

Miss Brenot is a graduate of the University of California, Los Angeles.

Jim has been making his home on the coast for the past two years prior to which he was graduated from Michigan State College at Lansing.

Mrs. Teetzel, whose family live in Pasadena, will leave for the West Coast the beginning of next month planning to visit before the wedding.

Mr. Teetzel with their daughter, Joya, who is to be a bridesmaid in her brother's wedding party, will leave April 9, by plane, for Los Angeles.

Following their wedding trip, Jim and his bride will return to Grosse Pointe to make their future home.

## May 3 Favorite Date With Pointe Couples

Two More Engaged Couples Choose May 3 for Their Nuptials; Barbara Sickels to Wed Herbert Bayer Jr. and Barbara Rising Will Marry Lieut. H. B. Stover Jr.

Something special about May 3 this year, for it looms as The Most Popular Wedding Date with a growing number of Pointe couples, as well as those in other parts of town.

Already Joyce Culehan, daughter of Judge and Mrs. Miles N. Culehan of St. Clair avenue and Charles Gehlert have announced they'll be married then.

This week two more brides-elect chose it for their marriage ceremonies.

They were Barbara Sickels, daughter of Mr. and Mrs. R. G. Sickels of Grand Marais, who will marry Herbert Bayer, Jr., son of Mrs. Norma Beyer of Devonshire road; and Barbara Rising, daughter of Mr. and Mrs. Frederick O. Rising of McMillan road who will marry Lieut. Harney Bivens Stover, Jr., son of Mr. and Mrs. H. B. Stover of Milwaukee.

Barbara and Herb will speak their vows in Christ Church, Grosse Pointe and the wedding reception will take place at the Detroit Boat Club.

Mrs. Frank G. Ryder of Norwich, Vt., will be her sister's honor matron and bridesmaids will include Karen Lindh, Mrs. Robert Cole, Patricia Baumgarten and Mrs. Theodore Elder.

The bridegroom-elect has asked Lt. Frank Keahy of Virginia Beach, Va., to be his best man and the groomsmen will be Donald Bartz, Dean Firth, Robert Cole and Frank G. Ryder.

Mrs. William Duerr was hostess at a luncheon for Barbara Saturday and next Saturday, Mrs. Beyer will fete her son's brides-elect at a tea in her Pointe home.

On March 29, Mrs. H. F. Laing, Mrs. C. B. Swift and Mrs. Edward Best will combine to give a luncheon at the Boat Club for Barbara.

The Rising-Stover rites are to be solemnized in Grosse Pointe Memorial Church at 4:30 o'clock with a reception following at Lochmoor Club.

Barbara's maid of honor will be Virginia Persons of Birmingham, Ala., and her bridesmaids will be her cousins, Nancy Bushnell of Wyoming, O., and Marjorie Dalacker of Park Ridge, Ill.; Ileana Lindh and Stacie Pleva of Hammond, Ind.

Lieut. Stover will be assisted

## Plan Bake Sale At Mason School

The Mason School Room Mothers will sponsor a "Grandmother's Pantry" Bake Sale on March 25, from 11 a.m. to 8 p.m.

Mrs. William Rapaugh is chairman of the Bake Sale committee which includes Mrs. Donald Emerson, Mrs. Maxwell Conway and Mrs. Martin Chamberlain. Mrs. John LeBlond is in charge of transportation.

The proceeds from the sale will be used to furnish the teachers' lounge.

## Nancy DuBrul Weds in April

Nancy Du Brul, daughter of Mr. and Mrs. Stephen Du Brul, of Sunningdale drive, will be an April 19 bride when she marries Dr. Robert J. Kalthoff in SS Peter and Paul Jesuit Church.

A reception is to follow at Grosse Pointe Yacht Club.

Nancy, who has been working in New York for the past two years, will arrive in the Pointe April 1 and her fiance, son of Mr. and Mrs. Robert Kalthoff of East Detroit, is due April 16.

He will come from Puerto Rico, where he's stationed with the Air Force Medical Corps.

Mrs. Ernest Cole, sister of the bridegroom-elect, is to be Nancy's matron of honor and her sister, Helene Du Brul, will be maid of honor.

Two more sisters, Katherine Du Brul and Sheila Galvin, and Marjorie Mattince of Toledo will be bridesmaids.

John Gottfredson will be Dr. Kalthoff's best man and groomsmen will include Victor Kalthoff, brother of the bridegroom-elect; Nancy's brother, Stephen Du Brul, Jr., Urban Fisher of Grand Rapids and Ernest Cole.

The Little Theater Group of AWWS will meet in the home of Mrs. E. Wilson Wardell at 241 Merriweather road, at 5 o'clock on Sunday afternoon, March 23.

An important announcement is promised.

A sandwich supper will be served and husbands and friends are invited. Reservations should be made through Mrs. Wardell at TUxedo 1-2110.

Theater Group of AWWS Calls Important Meeting

Dr. and Mrs. Carlisle Rueger, Mr. and Mrs. Ellsworth Allison, Mr. and Mrs. Edwin T. Taylor, Mr. and Mrs. Paul Nagel, Mr. and Mrs. Theodore Feldman, Mr. and Mrs. Eimer Wagner.

Still others present were Mr. and Mrs. Jack Ferrell, Mrs. Robert Howe, Mr. and Mrs. L. M. Reeves and Mr. and Mrs. Glenn Massnick.

## Church Women Plan Fashion Show And Tea

St. James Lutheran Church women will sponsor a fashion show and tea at Lochmoor Club on Thursday, March 27. Proceeds will go to the new Lutheran Home for Old Folks. MRS. LOUIS CARBONE, left, models one of the prizes for MRS. SIGGE SVENSON, MRS. OKE OLSON, general chairman, and MRS. CARLISLE RUEGER.

## YW Launches Annual Drive

More than 500 women and girls, representing membership committees of YWCA branches and centers in metropolitan Detroit, started the YW's annual drive Monday, March 17, to add members to the Association.

"The YWCA is for You," the slogan of this year's campaign, points up the fact that membership is open to girls and women of every race and creed.

Burton L. Fralick, metropolitan membership chairman, said, "YWCA membership has a special significance for every woman and girl—either through participation in YW classes and clubs, through volunteer work as committee members, or simply through becoming an Association 'well-wisher'."

For the teen-age girl, Y-Teen clubs are sponsored in most of the high schools and intermediate schools in the city, she explained.

Clubs are sponsored also for the young employed woman, and many of these are co-ed clubs.

"Our Ladies' Day Out programs are planned for the needs of the homemaker," Mrs. Fralick added, "and in our health and general education classes, girls and young women may learn to swim, to dance, to sew, and to acquire many other skills for practical and personal enjoyment."

Among the women from this area working on the membership

campaign are: Mrs. Henry M. Ballard, 979 Fisher road; Mrs. Violet Roberts, 727 St. Clair; Mrs. Ray H. Wertz, 1056 Balfour road; Mrs. Orville Ashton, 457 McKinley; Mrs. T. A. Boyd, 1016 Harvard; Mrs. William Boyer, 414 Madison; Mrs. Abram Brown, 74 Moran; Mrs. Edgar Cooper, 1224 Grayton; Mrs. O. B. Devoe, 1923 Hunt Club drive.

Mrs. Ione Dill, 576 Neff road; Mrs. Clarence Fox, 1148 Audubon; Mrs. Edward French, 16825 Cranford lane; Mrs. Waldo C. Grasse, 1101 Whittier; Mrs. Robert Hannah, 41 Radnor circle; Mrs. Rudolph Hirt, 1410 Balfour; Mrs. William Humphrey, 2056 Hawthorne; Mrs. M. E. Ion, 648 Neff road; Mrs. Frank Klingbeil, 15648 Windmill Pointe drive; Mrs. E. P. Lamb, 1137 Audubon; Mrs. H. W. Merrill, 55 Stanton lane; Mrs. Charles Peabody, 408 Washington road.

Mrs. M. M. Schaeffer, 1215 Audubon; Mrs. C. Q. Swenson, 637 Lincoln road; Mrs. Alfred F. Taylor, 84 Handy road; Mrs. John P. Thomas, 800 Washington road; Mrs. M. L. Van Dagens, 1316 Somerset; Mrs. Reyer Van Zanen, 2135 Lancaster; Mrs. Ray J. Wilcox, 280 Kirby; Mrs. Lawrence H. Wilson, 840 Rivard.

## Three Birthday Parties Set for John Mazer, Jr.

John Mazer, Jr., son of Mr. and Mrs. John Mazer of 867 Lorraine road, will celebrate his eighth birthday March 25.

Three parties will be given for John, the first, on March 22, will begin at the Mazer residence.

Dickie Feinmuth, John Randall, Emery Kesteloot, Bobby Moore, Buzzie van Houten, Billy Tyler, Davie and Michael MacDonald, and Doug Jones will comprise the group that will help John celebrate. They will lunch at a restaurant and then attend a movie matinee.

A family dinner will be given for John on March 23. And a final party, on his birthday, will be given in the second grade room at the Maire School. The Mazers intend to record the party on a wire recorder. Prizes will be given to all the children.

John's home room teacher, Mrs. Eileen Hoard, will attend.

LETTER WINNER Robert Grant, son of Dr. and Mrs. Donald Grant of 1333 Roslyn, was awarded his letter for outstanding work during the past season in football. Grant is a sophomore at Albion college.

## North, East South Lure Vacationing School Set

Teen Ageds and Parents Travel to All Points During Spring Holidays From Local and Boarding Schools; Ledyards Leave for Tour of Washington

The sub deb set has taken a firm stand this Spring 1952 and holidays from local and boarding schools find the young crowd whirling their parents to points South and East and North for a Fling.

In the Henry Ledyard family, for instance, Spring vacation is being devoted to a tour of Washington, D. C., especially for Elizabeth Ledyard, who'll be paying her first visit to the nation's capitol.

Mr. Ledyard, who has business in Washington, will accompany his wife and daughter to the capitol and then return to the Pointe while they tour. During their Eastern stay, Mrs. Ledyard and Elizabeth will go to Bucks County, Pa., for a visit with the former's sister, Mrs. George T. Thomas.

Allen Ledyard, who attends Taft at Watertown, Conn., will go early next week to Mont Tremblant with Teddy Parker, who goes to Pomfret School in Pomfret, Conn. They'll ski for a week, following which Allen will come to the Pointe to visit his family.

Teddy, who is the son of Mr. and Mrs. Edward C. Parker of Metamora and Grosse Pointe, will be due back at Pomfret.

The John L. Kenowers of Village lane will be starting off for Delray at the insistence of cute young Mimi Kenower. Another Grosse Pointe Country Day girl.

Susie Gillis, daughter of Mr. and Mrs. David Carter Gillis, and brother David Carter Gillis, Jr., have special invitations from their grandparents, Mr. and Mrs. Charles A. Hughes who are spending the Winter in Miami Beach.

Gay Mercer and her parents, Mr. and Mrs. Edwin J. Mercer of Washington road also will be Delray bound.

Sue Johnson, niece of Mr. and Mrs. David A. Wallace, will join her aunt in Fort Lauderdale and is taking with her as her guest, classmate Kathy Benson, daughter of Dr. and Mrs. Clifford Benson.

Mr. and Mrs. Alan T. McHenry of Grayton road postponed their own Winter holiday so that it would coincide with daughter Sally's Spring vacation. With Sally in the crowd there wasn't any question of locale, her very favorite vacation spot of all: Fort Lauderdale. Sally has asked Georgia Schenck, daughter of Mr. and Mrs. George E. Schenck of Lakeland avenue, to go on the Florida junket. They leave Saturday and will return to the Pointe about April 7.

Three parties will be given for John, the first, on March 22, will begin at the Mazer residence.

Dickie Feinmuth, John Randall, Emery Kesteloot, Bobby Moore, Buzzie van Houten, Billy Tyler, Davie and Michael MacDonald, and Doug Jones will comprise the group that will help John celebrate. They will lunch at a restaurant and then attend a movie matinee.

Proposed Platform

Republican Voters Associated is the name adopted by a group of Pointe residents who became so concerned about the future of their country that they decided they would at least try and do something about keeping America free.

Committees were delegated to write planks on the most important issues of the day. The full organization was then given an opportunity to hear and discuss them. Each plank was then voted on to make up the complete platform.

The NEWS is happy to present this platform as an example of what some conscientious citizens think of conditions in the country today, and their suggested remedies.

The foreign policy portion of the platform is largely the work of Richard Durant, Republican candidate for Congress in the last election. Much of the domestic policy of the platform was written by John Hutchinson, member of the Grosse Pointe Farms council.

Proposed Platform for 14th Congressional District

Gradually this nation of ours is making up its mind on the greatest question it has faced since the decision was made which brought it into being.

It is a question from which there is no escape. It is this: Shall we modern Americans accept the pagan principle of the all-powerful state and insignificant citizen in place of the Christian concept on which this nation was founded and by which it has grown?

The concept that the single function and purpose of government is to secure and protect the inalienable God-given rights and sovereignty of each individual man as a temporary, physical, personal embodiment of an immortal soul?

Call it by any name we please, put on it any tag we can find—that is the fundamental issue before us.

Foreign Policy

The foreign policy of the United States should be directed to insure the liberty and security of the people of the United States.

The policy—or more properly, the lack of policy—of the present Administration has undermined the liberty and security of the people of the United States.

From our position of easy dominance at the end of World War II we have traversed the long path to a cringing and uncertain defense. Our State Department has led us down that path by a succession of blunders, untruths, and false promises.

Whatever its merits may have been, the Marshall Plan was sold to us with the promise that it would make Europe strong enough to support and protect itself.

Not until later were we told that the Marshall Plan was inadequate for the purpose—that in addition we had to guarantee their military security. Then came the revelation that we had to garrison Europe with American troops—that we had to create a European army—that we had to pay for its armament—that we had to involve ourselves in "police action" in Korea—and now we are told that we must spend another \$7.9 billions to buy the support of the free world.

It is not generosity—it is strength that attracts dependable allies. It is not a passive defense—it is an active offensive that will keep the peace and win the cold war. It is time we realized these facts.

We propose that the United States abandon the defensive and carry the cold war to Russia; that it should be our policy to encourage revolution within the captive countries; that we give immediate hope and the tools for action to the enslaved individuals behind the Iron Curtain.

We state flatly that the United Nations has failed to preserve world peace; that in the one positive action it has taken, it has required the United States (with a few others) to pay the lion's share in lives and money; and further that its planning has been so well dominated by socialists and communists that our freedom of the press, our freedom of enterprise, and our Bill of Rights are seriously threatened.

We propose that the United States lead a move to eliminate the totalitarian aspects of such agencies as the ITO, UNVESCO, ILO, the IMC, etc. Failing this, we propose that if necessary a constitutional amendment be passed to prevent the gutting of our Bill of Rights by United Nations legislation.

We propose that the claim of foreign governments to military assistance from the United States be made dependent upon their contribution to the mutual defense effort in accordance with the economic ability of each. Such contribution is to be measured not only by their military programs, but also by the measures taken to put their financial houses in order.

We propose that the Point Four program be eliminated entirely from the Federal budget, and that other forms of foreign economic aid be ended after a specified period. Socialist deteriora-

ments do not attract private investment, and for us to subsidize them is to defeat our own purposes.

We state that it is impossible for confused and inept leaders who follow inconsistent and strictly negative programs to build a strong foreign policy. To correct that, we therefore propose that the incoming Republican President appoint General MacArthur Secretary of Defense.

We propose that the present Loyalty Board be scrapped; and that every department in the government be cleansed of its socialist and communist sympathizers.

We propose that every individual who has been responsible for the blunders in policy which are being paid for by the 100,000 and more casualties in the Truman War—be fired. And we propose that the American people begin this housecleaning in November by firing Harry S. Truman and his Administration.

Domestic Policy

History shows all too clearly that without economic freedom all other freedoms perish.

We Republicans stand for the maximum possible economic freedom for each individual. At present the Federal Government is taking in taxes more than 1/2 of each earned dollar. These ever increasing taxes result in stifling initiative and progress. We maintain that taxes can and must be lowered by reducing the functions of government to their proper role in our every day life.

The Truman Administration has spent more money than all the previous administrations in the history of our country put together, including the cost of two world wars. We believe non-defense spending should be drastically cut. Existing bureaus should be greatly reduced and many eliminated entirely.

The annual budget could be balanced if this were done. A balanced budget is essential to stop inflation. For with an unbalanced budget, the government can meet the deficit only by printing money. For the past fifteen years this process has increased the money in circulation over two and one-half times.

When the government makes new money and spends it, the effect on the supply of things in the market which civilians can buy with their earnings, and the effect on prices, is exactly the same as when any private counterfeiter does so. The only difference between the two is whether it is a private counterfeiter that gets benefits looted from others, or whether it is a counterfeiting government spending it on projects that the citizens are unwilling to finance either by private investment or by tax payments.

In ten years our dollars have shrunk at a rate which, if continued for 12 additional years, will leave them worth exactly their weight as scrap paper. The Truman Administration is, for purely political reasons, pretending it can stop inflation by controls and other artificial and futile means.

It is important to remember that government interference always means either violent action or the threat of such action. Government is, in the last resort, the employment of armed men, of policemen, soldiers, prison guards and hangmen. The essential feature of government is the enforcement of its decrees by beating, killing and imprisoning. Those who are asking for more government interference are asking ultimately for more compulsion and less freedom.

The only cure for inflation is to stop printing money. All pensions, insurance and savings will be worthless if this present extravagant policy of our government living beyond our means continues. We can and must stop inflation now. Failure to do so is purely and simply a matter of negligent, political cowardice.

We realize that moral decay from within is as great a danger to our security as foreign aggression from without. The last 20 years of Democratic administrations has seen a steady deteriora-

"To see the world in a grain of sand, And a heaven in a wild flower; Hold infinity in the palm of your hand, And eternity in an hour."

He who doubts from what he sees Will never believe, do what you please. If the Sun and Moon should doubt, They'd immediately go out."

In the mail this week, another postcard from E. B. Rall... "somewhere North of 38" ... in Korea. The card pictures an Oriental gent in cap and satin jacket. Underneath the picture is the caption "Upper Class Korean Gentleman." It gave us pause for thought. Why can't we purchase cards like that over here? Instead of the eternal "Woolworth Building" or the "Fountain at Rockefeller Plaza," why can't we have cards for sale (to send to our overseas "neighbors"), bearing the likeness of... let us say... some of our "Men Of Distinction"???

Anyways, our postcard pal, Rall, has this to say, in part: "I see by the Grosse Pointe News that you got my card. Am getting used to sitting cross-legged on heated floors. Like the rice, but not the raw fish. You take a piece, dip it in Oriental sauce and down it quick like raw oysters." We see what you mean, son!

There is a red-faced young matron in our midst who is being dubbed (kindly) by her friends, as the "Gypsy Rose Lee of Grosse Pointe." It seems that one evening last week, our heroine attended a flossy dinner party at a flossy house in the Pointe and as she stood in the center of the living room sipping daintily on a cocktail, her "petticoat" (as grandma used to call it), dropped gracefully to the floor! Without so much as dropping a comma of her conversation, she reached down, picked it up and in due time, carted it from the room for readjustment. The reason her friends are giving her the so-called "needle" is that it has happened BEFORE!

We like this story about the two immigrants who came to this country many years ago, worked very hard and saved their money in order to live comfortably in their declining years. A nice little married couple, whom we shall call "Anna and Heinrich." As we've said, they both worked at this and that, very hard... and in this land of plenty, it wasn't long before they began to amass a nice pile of dough, after having scrimped and saved and cut corners... with one goal in mind... an investment that would be safe and sound and secure for old age.

Time marched on and they were GETTING on, so decided to make the big plunge that meant their eventual retirement. One day, walking down an avenue in Detroit, Heinrich stopped suddenly in front of one of our larger department stores, looked in the windows, looked up at the building, then said, "Anna, this looks like a good place, I think we'll buy it!" They entered the store and made inquiries about the owner and were soon shown to his private office. Heinrich announced without preamble that he wanted to buy the store... and how much was it!

The owner of the establishment allowed as how it would cost a million dollars to buy... but without batting an eyelash our hero turned to his wife and said, "Anna, run home, get our money from under the mattress, put it in suitcases and come right back."

When Anna returned with the million in cash, the two men were busy going over papers etc., so Heinrich told her to leave the money and go take a look around the store. "See if you like it," he said. Anna departed and was gone for almost two hours. When she returned to the office, she found her husband about to sign a legal document. "STOP!" she shrieked. "DON'T SIGN ANYTHING HEINRICH! I just went all over the store. It's fine... a fine store... but there ain't nyp lace to LIVE IN THE BACK!"

We've had a sneak preview of Lucien Lelong's new Spring "line" of cosmetics... "Harom," which includes a liquid make-up base that looks lush... and a new scent called "Joli Boquet," which we have already put to good use. The latter is a solid stick cologne that smells as fresh as the first Spring posy that rears its lovely head and its pale mint shade is cool... cool... cool...

Someone sent us a column from a Scotch newspaper, that pays 5 shillings for jokes sent in by the reading public. Just so you don't think we are keeping anything from you... here is a sample of some of the jokes:

"A doctor and a clergyman of the same name lived on the same road. Just as the doctor got a job in Africa, the clergyman died. On reaching his destination, the doctor sent a cable to his wife but it was delivered to the clergyman's widow by mistake. It ran as follows: 'Arrived safely. Heat Terrific!'"

Here's another: "Did you know women used cosmetics in the middle ages?"

"Why of course. That's when they need them, exactly."

And another: "Sir, may I have your daughter for my wife?" "Bring your wife around and I'll see!" These bring five shillings each. Think we'll put our Joe Miller in the duffle bag and move to Scotland. What can we lose?

Notes from our rose-colored note book: The fifteen minutes we listened with rapt attention to Fred Kendall singing Irish ballads on St. Patty's day. Is there anything more melodic to a Harp (which we are) than the sound of an Irish ballad? No there isn't. And for that matter, is there anything more pleasant to the ears than Kendall's voice? What he can do to an Erin ditty would fill a book.

Rose-colored note number two: Hedda Hopper, when asked by a member of her audience how OLD she was, replied: "Any woman who would tell her age... would tell ANYTHING!" We like that.

tion of the moral fibre of our government. The cancer of corruption has spread from the White House itself to the lowest level of the Federal bureaucracy. We have seen the sordid succession of mink coats, deep freezes, cooperation with criminals, the shakedown of private citizens by tax collectors, bribery, embezzlement of government property, kickbacks, and influence peddling on all levels.

All this has been caused, not only by the character of the men who have held office, but also by the very size of the machine they have created. We must put men of integrity in public office; we must cut the size of our swollen bureaucracy until we have constitutional, limited government again—there must be no influence for anyone to peddle.

State Policy We, republicans, in order to reaffirm the principles of limited Federal Government, as set forth by our founding fathers, do hereby declare, the following objectives to be necessary for the effective functioning of good state government.

1. Reapportionment of the balanced plan in which the Senate represents territory and the House population, plus dividing Wayne County into legislative districts.

2. A Constitutional Convention as the only method whereby we can resolve fully all state organizational problems, including the tax muddle.

3. Carry out the recommendations of the Little Hoover Commission that have been arrived at after volumes of work to streamline and make more efficient the Government of Michigan.

Conclusion No, America has not yet made known its answer. The decision is still in the making. It is slowly and inexorably being worked out—not by Congress, or state legislatures, or labor leaders, or politicians, or heads of industry—it is being worked out by you and me.

Freedom rests, and always will, in individual responsibility, individual integrity, individual effort, individual courage, and individual religious faith. It does not rest in Washington. It rests with you and me.

What Goes on at Your Library

by Jean Taylor

A plea for greater charity toward the people who make the movies was made by Miss Helen Bower when she spoke to the Friends of the Grosse Pointe Library last week on moving pictures and the show business. Theirs, said the speaker, is a prodigious job.

Moving picture critic of the Detroit Free Press, Miss Bower effervesces with enthusiasm for her job. Tales of her normal work day and her entertaining assignments, recounted in her breezy, humorous way, evinced her ability to get the last ounce of fun from any situation.

In spite of her demanding schedule Miss Bower still finds time to read. Most of the books mentioned by her concerned the movies but three touched on the legitimate stage.

SHOW BIZ by Abel Green and Joe Laurie is "a history of all phases of the show business during the last fifty years." Nostalgically interesting, this to our mind, is a book to dip into as your fancy dictates rather than one to be read carefully through from beginning to end.

NO PEOPLE LIKE SHOW PEOPLE by Maurice Zolotov gives eight entertaining biographies of prominent people of today's stage.

Albert Hirschfeld has written SHOW BUSINESS IS NO BUSINESS with tongue in cheek. Both phases of acting, playwriting and directing with waggish humor.

A published edition of a book first revised in 1945, PICTORIAL HISTORY OF THE MOVIES by Deems Taylor and others was brought out in 1950. This covers chronologically the years 1893 to 1949.

We'd like to add a plug for a book we have recently enjoyed, DANCE TO THE PIPER by Agnes de Mille. This deals with a different art of the stage and screen world than those depicted in the above mentioned books. Although primarily a biography, it shows in a somewhat indirect way, the history of the ballet in the English speaking world since Pavlova.

Agnes de Mille, granddaughter of Henry George, daughter of William de Mille and niece of the fabulous Cecil, through amazing determination as well as ability, has achieved outstanding success in her chosen field. Her story makes fascinating reading.

Too often in a book of this kind the artist, or in most cases the ghost writer, fails to do a good job of writing. Agnes de Mille is not only a talented choreographer but a literary artist. You are convinced as you read that no ghost writer has had so much as a tiny finger in this pie.

We are looking forward to hearing Reverend Hugh C. White, who will speak to the "Friends" group next Tuesday evening at the Wood Branch on I WAS A WITNESS by Whittaker Chambers, now running serially in the Saturday Evening Post. This book will be not yet published, but will be released in a month or two.

The new Woods Branch is now officially open. The dedication last Sunday afternoon was a happy occasion and our appreciation goes to the Friends of the Library responsible for the program.

We are also grateful to this enthusiastic group and to our many other friends for the lovely flowers which lent added beauty and color.

Library users, visiting librarians, friends of the library et al were loud in their praises of our newest library addition. These visitors were equally enthusiastic about the attractive, well equipped Parcels Junior High School, one wing of which constitutes the public library.

Our best wishes go to Jean Mastin and her able staff, Anne Studnicka, Susan Thompson and Mrs. Edward Grenard.

Accidental Deaths From Drugs By Fred M. Kopp, R.Ph.

Do you know that 1500 people die each year in the United States from accidental poisoning?

The contents of unlabeled bottles, remains of old prescriptions, and poisonous drugs that are kept for general use, cause many of these deaths, especially among children. Many adults die each year from overdoses of sleeping pills.

Why not clean out the medicine chest now and prevent a serious mishap in your family. Dispose of the contents before throwing away bottles and pill boxes.

Art Institute Has Fine Exhibit More than 50 rare and valuable prints by Durer, Rembrandt, Goya, Whistler, and others considered the "old masters" of graphic arts are included in the exhibition, "Five Centuries of Fine Prints," March 18 through April 13 at the Detroit Institute of Arts.

From the Yale University Art Gallery, the collection features outstanding examples of woodcuts, engravings, etchings, mezzotints, aquatints and lithographs from the 15th through the 20th centuries.

Etchings by Rembrandt show the same command of light and line characteristic of his paintings. Goya's aquatints show the turmoil of early 19th century Spain; Daumier continues the social comment with brilliant satires of mid-19th century France; Whistler's exquisite etchings portray Victorian England; scintillating lithographs by Toulouse-Lautrec reveal the Paris of the gay nineties.

Among other famous European artists represented are Mantegna, Campagnola, Delacroix and William Blake, while the Japanese school is represented by Harunobu, Moronobu, Utamaro and others.

Letters To The Editor

March 13, 1952. To the Editor: I would like to thank you for the opportunity to thank you for the splendid publicity in our recent Blood Typing Program for the Grosse Pointe Area Civil Defense.

The State authorities have been very complimentary of the way our publicity was handled in Grosse Pointe, and considered the Grosse Pointe Program the most successful of any that has been conducted to date. The Grosse Pointe News may accept a great deal of the credit for this success.

Yours truly, GEORGE ELWORTHY, Co-Ordinator Grosse Pointe Area Council of Defense.

To the Editor: The present week marks the forty-second year of activity for the Camp Fire Girls, a National organization, and it seems particularly appropriate to call attention to the splendid service performed last Saturday, March 15, by more than thirty local girls of the Camp Fire Group, under the leadership of Mrs. Edwin S. Ross, chairman of the Southeastern District, and Mrs. Russell Baude, Representative to the Grosse Pointe Community Council.

In distributing the pamphlets prepared by the Grosse Pointe Property Owners Association, concerning the matter of the serious Elm Tree Blight, these young people rendered an outstanding service to the commu-

nity. In addition, they pooled their lunch money provided by the City, and contributed the aggregate sum as a gift to the United Foundation.

On behalf of the City, our grateful thanks is tendered this fine group for their community service. NORBERT P. NEFF, City Clerk.

Dear Sir: On behalf of the United States Daughters of 1812 in the State of Michigan, it is my pleasure to express to you my thanks and appreciation of that organization for excellent publicity supplied during its 53rd State Council held in Detroit this week, at the Hotel Whittier.

Our members are always interested in what the Press has to publish about their Meetings. Thanking you again, I am, Very truly yours, State Corresponding Secretary

## South American Assignment For Much-Traveled Family

Dr. and Mrs. Donald Bush and their children are off again. They have covered a good sized portion of the earth's surface in the last few years. This time their destination was Montevideo in South America.

Mrs. Bush is the daughter of Mr. and Mrs. George Elworthy of Mapleton road. Her husband is a veterinary doctor and holds a master's degree from Michigan State College for his studies on public health.

Something more than two years ago Dr. Bush was sent by the Department of State to Japan, where he was assigned to work under the Army. Stationed in Kuri, he worked on public sanitation, inspected canneries and carried on many other forms of health work.

Mrs. Bush and their three-year-old son, Donald, Jr., joined him in Japan six months after he started his assignment. Until the second child, Deborah, was born,

Mrs. Bush, who is a qualified medical technician, also worked in the Army laboratory at Hiroshima. Deborah was born in an Australian hospital, with a Japanese doctor in charge of the delivery.

When they returned to this country from Japan, in August of 1951, Donald, Jr., could speak Japanese better than either of his parents. He had also taken it upon himself to teach the baby sister the language and various Japanese customs.

The Bushes spent some time visiting his parents in his home town of Augusta, Maine. Two weeks ago he left for Montevideo, again in the employ of the U. S. Department of State. He will help the Uruguays solve their problems of cattle diseases and other health measures.

Mrs. Bush and the children left for New York on Sunday. Monday morning they boarded a plane for Montevideo, where they arrived Tuesday, ready to start another two year shift in another strange country.

## Camp Fire Girls and Bluebirds Give Party

The annual Father and Daughter Banquet was held by the Camp Fire Girls and Bluebirds at the Grosse Pointe Woods Presbyterian Church on March 10. Bluebird Lillian Schrotzberger, left, receives instructions from her mother, Mrs. Edwin S. Schrotzberger, on how to draw coffee from the urn in the church kitchen. Camp Fire Girl Janice Friedli waits patiently with the serving tray.

## Pier Sheeting Contract Let

A contract for driving the new steel sheeting on the inside of the Farms municipal pier was awarded at the council meeting on March 17.

Lee Merrill Co. will do the work as soon as weather permits. The low bid calls for driving the sheeting at a cost of \$15 per foot. It is estimated the total for the work on the inside of the pier will be \$7,800.

The council also approved the purchase of 130 long bolts to tie the sheeting to the pier. These will cost \$149.35.

The government has not approved the purchase of tie rods to tie the two sides of the pier together, so it will not be possible to go ahead with the sheeting of the outside of the pier until these tie-rods can be obtained. They will measure more than 15 feet long, securing the two sheets together through the entire width of the pier.

After both sides of the sheeting have been installed, the top will be capped with concrete to make a permanent job.

While the installation of the inside sheeting will provide calm waters within the boat harbor during the coming season, the Farms expects to have its share of trouble keeping the top planking in place. Any rough water is expected to bounce off the new sheeting inside the pier and go up through the planking. It is realized that a lot of the planking will be loosened or torn off, and will have to be replaced.

This will all be eliminated when both sides of the sheeting are installed and the top is capped with concrete.

The Farms has taken delivery on all the sheeting for both sides of the pier.

## Youth Beaten Up In Beer Brawl

Grosse Pointe Park police officers investigated a report of a fight on Beaconsfield at 11 p.m. on March 14. When the police arrived at the scene they found a mob in the street in front of the home of Gerald J. Stamberski, at 825 Beaconsfield.

Gary Featherstone, aged 19, of Wheatley, Ontario, had been hit on the head by a beer bottle and beaten in the face while on the ground. He was rushed to Bon Secours Hospital where he was treated and held until the following day.

On Saturday, Featherstone identified 20-year-old William Lambert, 913 Tennessee avenue, as one of his assailants. Further questioning of juveniles, held by the police after the fight, revealed that Stamberski had provided beer for a party at his home. Events leading to the fight were not clarified.

Featherstone refused to sign a complaint, but the police continued their investigation and arrested Stamberski on charges of contributing to the delinquency of minors.

## Chief Newport Submits Report

In the February report of the Grosse Pointe Farms Fire Department, Chief William H. Newport, revealed that of 20 calls answered, only one was a residence fire. Damage to the building, valued at \$10,500, was \$50. The contents were not damaged.

Two automobile fires and two miscellaneous fires were reported.

One call to aid another community was recorded. There were 14 emergency calls.

Thirty-three days of vacation were taken during the month, and only one day of sick leave was reported.

## Report Submitted By Police Chief

Chief of Police of Grosse Pointe Farms, Walter R. Hoyt, reported that during the month of February, his department recorded 34 traffic violations and 114 parking violations. A total of \$425 was collected through court costs and fines.

Four injuries resulted from 24 traffic accidents, and the damages totalled about \$2,900.

There were two cases of breaking and entering and eight cases of simple larceny. The combined loss was \$182.

Five ambulance calls and five fire calls were answered by the police department. The police answered a total of 168 calls.

Sixteen arrests were made during the month, four of them being juveniles, and all of them males. The arrests ranged from investigation of unlawfully driving away an automobile to violation of probation.

## First Aid Class Offered Women

The Grosse Pointe War Memorial Center is again offering the women of the community the opportunity of taking a class in First Aid.

The class is conducted through the cooperation of the office of Civil Defense and Red Cross headquarters.

Beginning on Wednesday, March 26 at 1 p.m. and extending over a nine week period, the class will be instructed by Edward Schnaubel, considered by the Red Cross to be one of their finest teachers. At the discretion of the class two extra lessons are made available to them on atomic warfare.

It was felt the hours of the class, 1 p.m. to 3 p.m., should appeal to the mothers of school-age children.

To register for the class or for further information please call the Center TU. 1-6030.

Memorial Church Group To Meet on March 25

Mrs. Zoltan Irshay of Delray Community House will discuss "A New Mind for A New Age".

**IN COLLEGE PLAY**  
Janet Bleil and Stuart Friesma, both of the Pointe, are in the cast of the play "Death Takes A Holiday", which will be presented by the Alma College Drama Club on April 7 and 8.

## Model Garden Prizes Awarded

To stimulate the interest of high school students in gardening and home landscaping, the Junior League Garden Club recently sponsored a contest open to students of the Grosse Pointe Country Day School, the Academy of the Sacred Heart Convent and St. Paul and Grosse Pointe High Schools.

Grosse Pointe High School students took top honors in each of the two divisions of competition. First prize in the scale model division went to David Netherton, second prize went to John DeGurse, and third prize was won by Mary Labadie.

The three winners of the scale drawing division were Marilyn Maynard, Ed Tilliston, and Mary Hoover. Prizes in each division were \$5, \$3 and \$2.

Contestants were limited to a scaled area of 50x60 feet. They were asked to illustrate the theme "How I Would Like My Back Yard to Look." Their work was exhibited at the War Memorial Center.

## Congregational Women To Hear Book Review

All groups of the Women's Association of the Grosse Pointe Congregational Church will meet in the church parlors at 12:30 on Tuesday, March 25, to hear Mrs. J. L. Hauke give a review of the new book by Elizabeth Goudge, "God So Loved the World."

## Pedestrian Hit By City Fireman

Sevryn Bliss, a 37-year-old Grosse Pointe fireman, whose home is at 884 St. Clair, was held for investigation of manslaughter my Detroit police after he struck and killed a pedestrian at 8:30 p.m., Saturday at the corner of East Warren and Anderson.

Bliss told police that the victim, Sidney L. Winstanley, 66, of 4877 Maynard, had stepped from the curb into the path of his car.

It had been erroneously reported that Bliss was driving with an expired operator's licence. Sgt. Andrew Teetaert of the Grosse Pointe City police issued a license to Bliss last September.

Bliss was released by Detroit police when no complaint was filed against him.

## Floyd Peltier Training At Indiantown Gap, Pa.

INDIANTOWN GAP, Pa.—Pvt. Floyd G. Peltier, age 19, son of Mr. and Mrs. Michael G. Peltier, 819 Beaconsfield, Grosse Pointe, Michigan has been assigned to the 5th Infantry Division here for 16 weeks of basic training.

His training at Indiantown Gap with the "Red Diamond" division will include the care and use of light and heavy infantry weapons, living in the field, strenuous day and night marches, and combat tactics.

Combat-experienced veterans of World War II and the Korean campaign will be in charge of his training. The division is commanded by Major General Laurence B. Keiser, who himself is a veteran of Korean action.

## Episcopal Dean To Speak Here

Dean Sydney E. Sweet of Christ Church Cathedral, St. Louis, will address the Men's Club of Christ Church on March 23. The Dean will speak at 9 a.m., following Communion, about the opportunity for church contribution toward a Christian community.

Dean Sweet is one of only a few hundred people born on Mackinac Island in Lake Huron. He attended Yale University and received an honorary degree of Doctor of Divinity at Illinois College in 1936.

He has served in the ministry in Jersey City and Columbus, and has reached a position of prominence in St. Louis through his efforts to make the Christ Church Cathedral one of the most active churches in America. One of the primary reasons for the church's activity has been its interest in social service programs, especially among servicemen.

## Rose Talk Given To Garden Club

Mrs. Mark C. Stevens presided at the March business meeting of the Grosse Pointe Garden Club held Tuesday at the home of Mrs. Elmer Clark on Grosse Pointe boulevard.

Mrs. Stevens, secretary of the club, took over in the absence of the club president, Mrs. Sherwood Reekie.

Following luncheon members were addressed by Brand Hampton, landscape architect, whose subject was "Care and Culture of Roses."

# PARKING METER ORDINANCE OF THE CITY OF GROSSE POINTE

An ordinance regulating the use of public streets and highways within certain established parking meter zones of the City of Grosse Pointe; and providing for the designation of individual parking spaces, for the use of such parking spaces, and for the use of parking meters in conjunction therewith.

The City of Grosse Pointe Ordains:

Section 1. DEFINITIONS: As used in this ordinance, the following words shall be defined as follows:

VEHICLE shall mean any device in, or upon, or by which any person or property is or may be transported upon a highway or public parking space in the City of Grosse Pointe.

PARKING or PARK shall mean the standing of a vehicle whether occupied or not, upon a street or in a City parking lot, otherwise than temporarily for the purpose of, and while actually engaged in, loading or unloading passengers, or when obeying traffic signals or regulations.

PARKING METER shall mean a device which shall indicate the length of time during which a vehicle may be parked in a particular place; which shall have as a part thereof a receptacle or chamber for receiving and storing coins of the United States money, a slot or place in which such coin may be deposited, and a timing mechanism to indicate the passage of the interval of time during which parking is permissible; and which shall also display an appropriate signal when the aforesaid interval of time shall have elapsed and brief instructions as to operation thereof.

PARKING METER SPACE shall mean any space within a parking meter zone, adjacent to a parking meter, and which is duly designated for the parking of a single vehicle by lines painted or otherwise durably marked on the curb or on the surface of the street or public parking lot adjacent to or adjoining the parking meters.

PARKING METER ZONE shall mean and include any restricted street or public parking lot upon which parking meters are installed and in operation.

PERSON shall mean and include any individual, firm, co-partnership, association, or corporation.

OPERATOR shall mean and include any person who shall operate a vehicle as the owner thereof, or as the agent, employee, or permittee of the owner, or who is in actual physical control of a vehicle.

STREET shall mean any public street, avenue, road, boulevard, highway or other public place located in the City of Grosse Pointe and established for the use of vehicles.

Section 2. PARKING METER ZONE: The City Council shall have the power under this ordinance from time to time by resolution (a) to designate the street or streets or parts thereof, or areas within any public parking lot, which are declared to be included within the "Parking Meter Zone" and (b) to fix the amount to be deposited in any such parking meter by the person or persons using the space for parking adjacent thereto; Provided that any area and the amount so designated shall become subject to all of the terms and conditions of this ordinance upon publication of such resolution in a newspaper of general circulation in the City and the posting of the resolution in at least five public places within the City, and upon the installation and placing in operation of parking meters in such "Parking Meter Zone" as so designated.

Section 3. INDIVIDUAL PARKING SPACES: The Chief of Police is hereby authorized and directed to designate and mark off such individual parking spaces as he deems proper

along the streets and in public parking lots in the parking meter zone for the parking of vehicles. At each place where individual parking spaces are so marked off, each vehicle shall be parked entirely within an individual parking space.

Section 4. PARKING METERS: The City is hereby authorized and directed to place, install, maintain, and remove parking meters upon the curb side or in the immediate vicinity of individual parking spaces designated and marked off in any parking meter zone where parking is restricted, all such parking meters shall comply with the conditions set forth in Section 1 of this ordinance.

Section 5. OPERATION OF PARKING METERS: Except in a period of emergency determined by an officer of the Fire or Police Department, or in compliance with the directions of a police officer or traffic control sign or signal, when any vehicle shall be parked in any parking space alongside or next to which a parking meter is located, the operator of such vehicle shall, upon entering the said parking meter space, immediately deposit or cause to be deposited in said meter such proper coin of the United States as is required for such parking meter and as is designated by proper directions on the meter, and when required by the directions on the meter the operator of such vehicle, after the deposit of the proper coin or coins, shall also set in operation the timing mechanism on such meter in accordance with directions properly appearing thereon. Failure to deposit such proper coin and to set the timing mechanism in operation when so required shall constitute a violation of this ordinance. Upon the deposit of such coin (and the setting of the timing mechanism in operation when so required), the parking space may be lawfully occupied by such vehicle during the period of time which has been prescribed for the part of the street or public parking lot in which said parking space is located; Provided, that any person placing a vehicle in a parking meter space adjacent to a meter which indicates that unused time has been left in the meter by the previous occupant of the space shall not be required to deposit a coin so long as his occupancy of said space does not exceed the indicated unused parking time. If such vehicle shall remain parked in any such parking space beyond the parking time limit set for such parking space, and if the meter shall indicate such illegal parking, then, and in that event, such vehicle shall be considered as parking overtime and beyond the period of legal parking time, and such parking shall be deemed a violation of this ordinance.

Section 6. PARKING TIME LIMIT: The City Council shall have the power under this ordinance, by resolution, to designate, and redesignate from time to time the days on which and the hours during which said parking meters shall be operated in said Parking Meter Zones; Provided that the days and the hours so designated shall become subject to all of the terms and conditions of this ordinance upon publication of such resolution in a newspaper of general circulation in the City and the posting of the resolution in at least five public places within the City of Grosse Pointe.

The time limit for legal parking in any Parking Meter Zone shall be that period specified upon the parking meter or upon signs in the vicinity of the parking meter.

Section 7. VIOLATIONS: It shall be unlawful and a violation of the provisions of this ordinance and of any resolutions duly adopted by the Council as provided herein for any person:

(a) To permit any vehicle to be placed in any parking space adjacent to any parking meter without compliance with this ordinance and any resolutions duly adopted by the Council as provided herein.

(b) To cause, allow, permit or suffer any vehicle to be parked overtime or beyond the period of legal parking time established for any parking meter zone as herein described and in any resolutions duly adopted by the Council as provided herein.

(c) To park any vehicle across any line or marking of a parking meter space or in such position that the vehicle shall not be entirely within the area designated by such lines or markings.

(d) To deface, injure, tamper with, open or wilfully break, destroy, or impair the usefulness or any parking meter installed under the provisions of this ordinance.

(e) To deposit or cause to be deposited in any parking meter any slugs, device or metal substance, or other substitute for lawful coins.

Section 8. ENFORCEMENT: It shall be the duty of the police officers of the City of Grosse Pointe, Michigan, witnessing a violation hereunder, acting in accordance with instructions issued by the Chief of Police to report:

(a) The number of each parking meter which indicates that the vehicle occupying the parking space adjacent to such parking meter is or has been parking in violation of any of the provisions of this ordinance or of any resolution duly adopted by the Council as provided herein.

(b) The State license number of such vehicle.

(c) The time during which such vehicle is parking in violation of any of the provisions of this ordinance.

(d) Any other facts, a knowledge of which is necessary to a thorough understanding of the circumstances attending such violation.

Each such police officer shall also attach to such vehicle a notice to the owner or operator thereof that such vehicle has been parked in violation of a provision of this ordinance and instructing such owner or operator to report at the Traffic Violation Bureau of the City of Grosse Pointe, in regard to such violation. Each such owner or operator, may, within 24 hours of the time when such notice was attached to such vehicle, pay to the Traffic Violation Bureau as a penalty for and in full satisfaction of such violation the sum of One Dollar. The failure of such owner or operator to make such payment within said 24 hours shall render such owner or operator subject to the payment to the Traffic Violation Bureau as a penalty for and in full satisfaction of such violation the sum of Two Dollars.

Section 9. PENALTY: Any person who shall violate any provision of this ordinance and shall fail to comply with all the terms of Section 8 hereof shall be guilty of a misdemeanor, and upon conviction thereof before a court of competent jurisdiction shall be punished by a fine of not to exceed \$100.00, or by imprisonment for not to exceed 90 days, or by both such fine and imprisonment in the discretion of the Court. Provided, however, that nothing herein shall be interpreted to prevent prosecution under the laws of the State of Michigan of any person who shall wilfully tamper with, and remove or attempt to remove or to steal coins from any parking meter.

Section 10. COLLECTIONS: The City Council shall designate some person or persons, who shall be properly bonded to collect the coins deposited in parking meters. In collecting such coins, the person or persons so designated, shall remove the coins from each parking meter and deliver the same to the City Treasurer or Deputy Treasurer of the City of Grosse Pointe. The method of removal and recording thereof shall

be as directed by the City Council. The Treasurer or Deputy Treasurer of the City shall count the coins so delivered and deposit the same to the credit of the City, such money so collected to be used solely for parking purposes, including maintenance.

Section 11. PURPOSE: This ordinance shall be construed as a supplement to the general traffic ordinance and all other ordinances of the City of Grosse Pointe, regulating the traffic, parking, and use of streets, which shall be in force and effect in the Parking Meter Zone, except insofar as modified by the provisions hereinbefore set forth. Any authority heretofore or hereafter exercised by the City of Grosse Pointe under any ordinance, rule or regulation restricting or prohibiting parking, independent of time limits, shall in no manner be affected by this ordinance or any of the provisions thereof. The purpose of this ordinance is to assist in the regulation of parking by the use of parking meters, and it shall be so construed.

Nothing in this ordinance shall be construed as prohibiting the City of Grosse Pointe from providing within the Parking Meter Zone for free parking space for loading and unloading, for taxicab stands, and for other matters of similar nature.

Section 12. SEVERABILITY: All sections of this ordinance shall be deemed to be separate and independent and the invalidity of any section or provision hereof shall not affect the remaining sections.

Section 13. REPEAL: All ordinances or parts of ordinances in conflict with the provisions of this ordinance be and the same are hereby repealed.

Section 14. EVIDENCE: In any proceeding for a violation of the provisions of Section 7 of this ordinance, or of any other provisions of the ordinance, or of any rule or regulation adopted pursuant to any provision hereof concerning the parking of any motor vehicle, the registration plate displayed on such motor vehicle shall constitute in evidence a prima facie presumption that the owner of such motor vehicle was the person who parked or placed such motor vehicle at the point where such violation occurred.

Section 15. EFFECTIVE DATE: This ordinance shall be in full force and effect from and after its passage and publication as required by law.

## RESOLUTION RE PARKING METERS

As provided for in the "Parking Meter Ordinance of the City of Grosse Pointe," the Council of the City of Grosse Pointe does hereby resolve as follows:

1. That the parking meter zones referred to in Section 2 of such ordinance shall be on the following portions of streets, all in the City of Grosse Pointe: both sides of Kercheval from Cadieux Road to the middle of the block between Neff and Lakeland; on both sides of Notre Dame and St. Clair, north and south of Kercheval Avenue to a point approximately 150 feet from Kercheval.

2. That in accord with Section 2 of such ordinance, the amount to be deposited in any such parking meter shall be one cent for twelve minutes and five cents for each hour, no parking in any metered space by the same vehicle to continue for more than two successive hours.

3. That the days on which and the hours during which such parking meters shall be used, as provided in Section 6 of such ordinance, shall be nine a.m. to six p.m. on all days excepting Sundays, and New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day or the day following any such holiday if the holiday falls on Sunday.

A copy of the foregoing after adoption shall be forthwith published in a newspaper of general circulation in the City of Grosse Pointe and shall be posted in at least five public places within the City of Grosse Pointe.

# St. Paul's Great Basketball Team Good Even in Defeat

By Fred Runnells

St. Paul basketball fans are proud of their great basketball team despite the fact the Flyers were beaten in the second round of the Troy Regional tournament by a good Algonac quintet last Friday night, March 14, by a 43 to 38 score.

Algonac went on to win the Regional crown by tripping up the pre-tournament favorite, St. Gregory, in a squeaker, 42 to 41, on Saturday night, March 15, to gain the quarter-finals against the winner of the Saginaw Regional.

**Trombly Big Star**  
St. Paul's great All-City cager Jack Trombly practically carried the Flyers on his back throughout the tournament. He paced the Flyers in both games scoring 16 and 17 points respectively, besides controlling both backboards in a remarkable defensive performance.

In the first game against Keego Harbor on Thursday, March 13, Trombly pushed the Flyers into a 12 to 5 first period lead and kept them out in front until the final gun, which saw the Flyers on the long end of a 40 to 30 count. However, Trombly had to be satisfied with runner-up scoring honors behind Keego Harbor's captain John Collins, who caged 17 points. Trombly had 16.

**Second Game Thriller**  
The second game of the tourney was a thriller from start to finish with neither team having more than a six-point edge at any time.

The score changed hands no less than nine times and was tied on four occasions.

Algonac held a 12 to 9 first period lead but the teams left the floor at half time all tied up at 24-all. Algonac squeezed

into a 35 to 34 advantage at the end of the third quarter. Then Algonac took advantage of a Flyer lapse for a few fleeting moments at the start of the final period.

**Take Quick Advantage**  
During the Flyer letdown which lasted for less than a minute of the fourth period Joe McKeon popped in a field goal and his teammate Ted Meldrum caged another to put Algonac out in front by five points.

With this edge Algonac successfully tried a daring stunt which paid off big dividends. Six minutes and forty seconds remained when the victors began their stalling tactics and the game became a contest of keep away, with the Flyers trying desperately to get the ball to score.

**Glenn Walters Scores**  
Glenn Walters collected the Flyers' only field goal when he grabbed a loose ball but Algonac broke loose Will Rogers for two buckets and put the game out of reach as they continued to successfully stall out the clock.

Before the game Coach Eddie Lauer stated "Algonac, in my opinion, is the team to beat. If they get by us tonight they will win the tournament." He was so right, much to the dismay of the pre-tournament favorite, St. Gregory.

# Safety Patrol Boys Get Early Start in Sports

PRINCIPAL MARSHALL JAMESON of the John Monteith School instructs the members of the school's Safety Patrol at regular basketball sessions after school on Fridays. This activity is a reward for the fine work done by the patrol boys in helping handle school traffic and safeguarding the lives of the young students. The beautiful new gymnasium at Monteith is being greatly enjoyed by the youngsters and the athletically-minded principal.

# Middies Keep Bowling Lead

Wolverine Potato Chips, who had just moved into third place and had been counted upon to give the leaders in the Rotary Bowling league a real battle, was set upon by Village Wine Shop last Friday night at the G. P. Woods Recreation, Village Wines, just coming out of a bad slump that had dropped them considerably in the standing, set Wolverine Chips a'reelin' with a 4-bagger.

Kopp's Pharmacy joined Village Wines in a tie for third by trouncing Steiner Ford 3-1.

Middle Atl. Transp. Co. retained its 2-point lead by taking three from Mondry Cleaners.

P. and J. Cocktail Lounge had to fight for its three-pointer over Motor City Tires. They dropped the opener but won the middle game. In the last game the Judges were seven marks behind in the seventh frame but came on to win and also took total pins.

Earl Holzbaugh's team finally put across a four-bagger at the expense of the Auto Club. Jack Grady put together games of 179, 233 and 228 for a 640 series, second high in the high three department. Farms Market split with Fiches Barber Shop. Chuck Blay was top bowler for the barbers with 540.

# Determined Memorial Team Whips Unbeaten Woods Five

A determined Grosse Pointe Memorial Church basketball team, winner of one game in three starts in the second round of the Inter-Church Basketball League; upset the unbeaten, league-leading Woods Presbyterian Woods Preachers, 34 to 33, in a double overtime contest last Saturday, March 15, at the Grosse Pointe High School.

The defeat dropped the Preachers into a two-way tie with the St. Paul Longhorns, who whipped the Christ Church Tigers earlier in the day, 34 to 21.

The Preachers were hard pressed all the way despite their overwhelming height advantage under the boards.

**Memorial Is Tenacious**  
Memorial, seeking to stay in the race for second round honors, trailed the Preachers by a scant two points, 7 to 5, at the end of the first quarter but forged ahead 12 to 11 at the halftime intermission. The Preachers grabbed the biggest lead held by either team during the contest when they moved out in front 24 to 21 going into the final period. Almost everyone figured the Preachers would really start rolling in the final period and win going away. But Memorial had other ideas and knotted the score at 28-all with only seconds remaining in the game. Lanky Tom Barry was in the process of letting fly a hook shot that swished the net, but it was disallowed because the whistle had sounded before the ball left his hand. This threw the game into overtime.

**Bruce Chambers Scores**  
Bruce Chambers put Memorial out in front in the very first few seconds of the overtime and then his team almost stalled out the clock. But Bob Prince forced the game into the second overtime period when he hooped a shot in the second overtime with less than four seconds remaining of the three minute overtime, to tie the score at 30-all.

Bob Schurley put the Preachers out in front by one point in the early stages of the second overtime when he dropped a foul shot. This lead was short lived when Bruce Chambers again put Memorial out in front with a bucket and Memorial attempted to stall out the clock. However, Tom Barry caged a hook shot to put the Preachers out in front with less than 15 seconds remaining.

**Tom Kaser Is Hero**  
Tom Kaser became Memorial's hero of the day with his game-winning shot in the fading seconds.

In the locker room after the game big Tom Barry commented to Memorial's coach Russ Livermore: "that was a swell game wasn't it?" However, the Preacher's manager Bill Marr and Coach West talked of protesting the game and playing it over. No written protest was filed with

# Bakers Annex Court Crown

George Verdonck's basketball team fought off the determined challenge of the Grosse Pointe Metropolitan Club quintet in last Monday's championship game at the Neighborhood Club, to win the 1951-52 Major League title.

The Bakers won the title contest 41 to 34 in the last quarter after the Metro Club had knotted the score at 27-all halfway through the final stanza. Verdonck grabbed an early lead in the first period and appeared well on its way to an easy victory and held a 22 to 18 edge at halftime.

**Messing High Scorer**  
Frank Messing paced the Bakers' attack with 15 points, good for individual scoring honors. Jerry Schy and Jack Des Rivers led the Metro teams' scoring with 8 points apiece.

Both teams had a scramble on their hands in the semi-finals to reach the title game. Verdonck whipped a strong E and S Ford quintet, 47 to 35, and the Metropolitan Club squeaked into the finals by beating E and S Ford 51 to 49, in a sudden death overtime contest.

**Schy's Basket Wins**  
Jerry Schy's basket in the sudden death period put the Metro team into the finals. Both semi-finals were played at the Neighborhood Club Monday night, March 10.

In the Minor League Lockwood Hardware paced by Danny Slowe with 12 points, eliminated the Dragons, 32 to 29, last Tuesday, March 11, to vault into the semi-finals against Grosse Pointe Hardware, who dropped a heart-breaker to the Red Wings the same night.

Michigan State Police made 6,554 arrests, including 5,859 for traffic offenses during January, according to the department's monthly activities report. Not included in the total were 296 juvenile offenders. The officers travelled 423,039 miles on patrol and 270,420 in handling complaints. They also made 25,393 property inspections and 4,084 liquor inspections.

**Pirates Go Into Tie**  
In the other Junior Division contest the Woods Pirates moved into a two-way tie with the Panthers with a 28 to 12 victory over the much beaten smaller Christ Church Lions. Bob McQueen and Denny MacDonald led the Pirates' attack with six points apiece to tie for individual scoring honors.

Next Saturday, March 22, there promises to be plenty of action in the Senior Division when the victory flushed Memorial quintet tackles the victory hungry Christ Church Tigers in the 9 a.m. game and the St. Paul Longhorns meet the Woods Preachers in a battle for first place at 11 a.m.

In the Junior loop the Christ Church Lions will be seeking their first victory of the second round when they meet the St. Paul Panthers at 10 a.m., and the unbeaten Methodist cagers will be trying to keep their slate clean when they take on the Woods Pirates at 12 noon.

League standings as of March 15:

Senior Division		W.	L.
Woods Preachers	3	1	
St. Paul Longhorns	3	1	
Memorial	2	2	
Christ Church Tigers	0	4	
Junior Division		W.	L.
Methodist	4	0	
Woods Pirates	2	2	
St. Paul Panthers	2	2	
Christ Church Lions	0	4

# Two Pointe Teams Defeated In First Round of Regionals

By Fred Runnells

Grosse Pointe's chance of gaining state basketball honors this year was reduced by two-thirds when Grosse Pointe High School bowed to Ferndale, 54 to 39, in the Class A Ferndale Regional, and Detroit University School took it on the chin with a 65 to 44 beating by Spring Harbor in the Class D. Regional. Both defeats came in the first round of play on Wednesday, March 12.

Only the St. Paul Flyers were successful in the first round of the State tournament when they clipped underdog Keego Harbor 40 to 30 in the Class C Regional Thursday, March 13, at Troy High School in Birmingham.

**Lakeshore Loses**  
A strong favorite from this area, Lakeshore High School in neighboring St. Clair Shores, that could have given this locale a measure of basketball pride, was dumped by an underrated Algonac quintet in the first game at Troy, 47 to 37, on Thursday, March 13.

Grosse Pointe, in losing to Ferndale, produced its poorest performance of a disastrous season which saw the Pointers drop 14 games in 17 starts. This is the poorest showing by a Blue Devil team in the history of the school. The Devils' poorest season up to this year was turned in by the 1924 quintet which lost 10 games in 13 starts.

**In Game Four Minutes**  
Only for the first four minutes of the Ferndale contest did the Pointers have a chance, although they never held an advantage at anytime in the game. In those first four minutes the Pointers fought back to tie the count on three occasions after Ferndale had jumped off to an early three point lead.

Then the roof fell in on the Pointers when the Ferndale Railsplitters, paced by Jack Hodges, ran up a 15 to 7 advantage as the first period drew to a close.

In the second quarter Ferndale put the game on ice when it racked up 18 points while holding the Blue Devil scoring machine to a mere 5 points. Only one field goal by Jack Smith was registered by the Pointers in the sad second period.

**Attack Slows Down**  
The Railsplitters attack slowed down slightly in the third quarter when they collected only 11 points but this didn't help the Devils one bit as they could only find the hoop for 8 points of their own and trailed going into the final stanza on the short end of a 44 to 20 score.

Coach Burkhardt emptied his bench in the last quarter as did Coach Ed Wernet. However, Burkhardt was attempting to open the gates of mercy while Wernet was vainly seeking a combination that could produce some points and save the Blue Devils from complete humiliation.

**Both Purposes Accomplished**  
Both moves served their purpose. Ferndale's attack slowed down and produced only 10 points and Grosse Pointe chalked up its biggest scoring of the night when it hit for 19 points but

failed to make the score respectable in the eyes of the huge crowd that packed the beautiful, spacious Ferndale gymnasium.

The Ferndale victory cannot be directly traced to good defensive maneuvers on the part of the Railsplitters, but to the mechanical mistakes made by the Blue Devils. They made the same errors in the very first game of the season and have repeatedly made them during the 17-game disastrous cage campaign this year.

**Loss Jerry Gobel**  
The Pointers suffered a serious blow early in the third period when they lost the services of their big center Jerry Gobel who played a good defensive game but produced few points to the Devils' cause. The Pointers were trailing by a sizable margin at the time.

The Blue Devils' final showing of the season was a particularly embarrassing one for Coach Wernet inasmuch as he has always produced a strong contender in his first five years as coach of the Blue Devil quintets. The loss was by no means a reflection on Wernet's coaching ability and anyone who blames him for the poor showing by the Devils this year is simply stupid.

**Has Fine Record**  
Just to refresh your memory, Coach Wernet has produced two Border Cities League champions and a Regional champion besides having three of his quintets tied for second place in the BCL and capturing second place outright another year.

No one likes to direct the blame to any one player or players but a personal observation of this year's Blue Devil quintet is that the Pointers were lacking in natural talent and refused to benefit from early season mistakes. They repeatedly made the same mistakes over and over again.

**Green as Grass**  
Of course, this year's Blue Devil team had the misfortune of being green as grass and being faced with the tremendous record posted by the 1950-51 quintet which finished second in the Border Cities League and then went on to become Regional champions in the Pontiac Regional tourney.

Of course, the fact that Coach Wernet lost fourteen of his fifteen players from last year's squad didn't help matters any.

The record book will contain the facts of this year's poorest of seasons but the book can be put away to collect dust and be forgotten. Let's forget the past season and look forward to brighter things in the 1952-53 season.

Al Gouin Team Pacing League

Al Gouin's bowling team is giving the other fifteen teams in the St. Paul Bowling League a rough time these days. Gouin's boys held a three point 32 to 29 edge over second place Ed Corbett's outfit and they show no signs of weakening as the season draws nearer its climax.

Murray Smith's team is holding down third place by a scant one point margin over the fourth place Eddie Lauer quintet which has a total of 25 points for the second half of the season.

Two new lows were hit in last Thursday's (March 13.) session when Pete Martin, usually a better than average bowler, turned in an inglorious 435 three game total and Gus Van Tiem failed to knock down 100 pins in his first game of the night.

Jim Williams, a 141 average bowler, turned in a 491 series and his league playmates made him undergo a saliva test. Results—Doc says there was no sign of dope—he did it with his ten pinkies.

The Tractors won the crown handsily by annexing 47 points to dethrone defending champion Battle Creek who finished second this year with 38 points.

Grosse Pointe's natators finished ninth in, according to Coach Frank Banach "was the fastest State meet he has ever seen."

The Pointers garnered six points on Tony Pears third place in the 50 yard free style event which was good for four points and the 200 yard free style relay combination of Burke, Smith, Gilder and Pear placed sixth for the other two points. This combination negotiated the distance in the good time of 1:41.8 which two years ago would have been fast enough to take first place in this event according to the Blue Devil mentor. That's the kind of a meet it was this year.

Twenty one schools competed and eleven of them went scoreless. State records were established in two events the individual medley relay and the 100 yard backstroke events.

The Border Cities League is on the threshold of gaining even greater State recognition.

BCL Athletes Get Recognition

By Fred Runnells For years we sports writers in the communities that have school in the Border Cities League, have vainly been trying to get recognition in the State for our athletes. But each time it seemed that we would reach our goal our teams would fold in the big contests and once again the Border Cities League would drop back into the shadows.

Last year the League moved into the State limelight briefly when Highland Park's basketball team went all the way out to Kalamazoo. But by having one of the League's teams reaching the State finals it was like a salesman getting his foot in the door of an unwilling customer.

This year the League really broke into bloom. Last Saturday, March 15, Gus Stieger's Fordson swimming team swept to the State Class A swimming title marking the first time a Border Cities League school has gained such honor.

Forrest Geary piloted two Blue Devil cage teams to the State finals only to lose out in the big games and on another occasion the Pointers lost out in the semi-finals.

### PILFERINGS

Society Bores, as described in 1892 by Lady Violet Greville:

Women who imagine themselves to be beauties . . .

Women who believe all men are in love with them . . .

Women whose every gesture is a pose . . .

Women who attitudinize before a circle of pretended admirers . . .

Women who pride themselves on never saying anything nasty or mean about anyone but whose remarks generally fall into the category of, "Poor Lotty, she is so nice isn't she!"

**Social Go-Betweens: Who introduce the impecunious somebody to the rich nobodys . . .**

The would-be smart person whose life is made up of wishes and regrets, who desires to be among the guests of some great big-wig, and incessantly regrets she is not. She drags grand names galore into her conversation and boasts of her intimacies with leading families. Like a frontier state, she is always in hot water between her fear of not doing the right thing, and her dread of being in the least degree affable or kindly to her inferiors, lest she should not be thought "smart."

### The overperfumed.

The pungent bore including: The sporting bore, who talks of nothing but his wonderful shots, his marvelous prowess, and his feats of activity . . . the musical bore, who informs you he has gained a note in his vocal register since last you saw him and expects fulsome admiration for his feeble compositions or his rendering of familiar songs . . . the literary bore who maneuvers to make you buy his books . . . everyone who bears letters of introduction . . .

The hundred and one people whose object in life is to live on their friends, while prompt to laugh at and abuse their good nature behind their backs.

## Pointer of Interest

MRS. GEORGE G. MATTHEWS OF ANITA ROAD

by Ann Schrage

Grosse Pointe Woods Police Chief Walter Goulette was rather startled when tall, attractive Alice Matthews came in the station about two years ago and requested a license to carry concealed weapons. To his knowledge not more than half a dozen women in the entire Pointe area had ever received one.

He was relieved to find that the license was for carrying her guns (she has three) to and from shooting ranges for target practice.

**Is National Champion**  
More impressed was he on learning that our Pointer of Interest happened to be the women's national pistol champion.

Mrs. Matthews won this title at the Women's All-Around Pistol Shooting Championship of the United States in September, 1946, at Camp Perry, Ohio. Her total was 1,586 points out of a possible 1,700. She used both a .22 and .38 caliber pistol. Her third gun is a .45 caliber automatic pistol. It is a standard side-arm of the men in service. And only 10 women in the country use it in competition.

**Undeclared to Date**  
To date she remains undefeated and will defend her title again this fall in Jacksonville, Fla.

She got started shootin' in 1942, when tired of being a weekend widow, she accepted her husband's invitation to come along and watch the members of his rifle club perform. (Mr. Matthews is a champion pistol shot, too) He thought perhaps she would like to learn to shoot.

So he bought her a gun (brave man) and learn she did. A short time later, still in 1942, Alice competed in her first registered match and beat the 29 opponents, all men.

**Has Over 400 Medals**  
Since then Alice has won over 400 medals and trophies in competition and exhibitions in many meets throughout the United States.

Much credit goes to her husband for his time and patience in helping her train; and the encouragement she got from her friends. Also to her natural flair for shooting, which she claims many women have.

One exercise Alice used to steady her shooting arm was grasping a milk bottle with only an inch of water in it, and lifting it up and down with arm outstretched; then each day adding more water until the bottle was filled to the top. She did this several times each day. Neither of the Matthews smoke, she said, because it is not too conducive to a steady hand.

**Loads Own Ammunition**  
They both use flat-nosed bullets for practice. They drill clean holes in targets. Alice, like many experts, loads her own ammunition (a special license is required to be able to do so), because it is economical. A .38 caliber shell can be used 20 to 25 times.

Another contest Alice likes to remember was one she almost didn't get to, because she had 150 miles to drive and was late. It was the 1949 annual International Police Pistol Tourney at Teaneck, N. J. She outshot all women competing with a target of 298 out of a possible 300 score. Her present shooting activities are confined to teaching members

of the Detroit Edison Gun Club each Tuesday evening.

**Gun Club Governor**

Another evening is spent as governor and top score member of the Vickers Gun Club. They are now competing in a 10 week series of postal matches in the United States Revolver Association. Alice is a member of the association's board of directors, the only woman thus honored since its start in the 1870's.

The match involves shooting slow fire, ten shots in ten minutes; time fire, 5 shots in 20 seconds; rapid fire, 5 shots in 10 seconds. All targets are signed by two witnesses and the governor and mailed to Springfield, Mass.

**Forms Women's Team**

Last, but very important to her is the formation recently of a three-woman team. On it are two housewives, both with small children; one the wife of a Dearborn physician, and Alice. They hope to be able to compete with similar teams in the future.

Our Champ bemoans the fact that more women don't take up shooting. She said it's a "cinch" for them. It doesn't require any special strength. Just steady nerves; about 6 easy lessons; patience to practice, and a gun with a case to carry it in.

**Here's Your Chance**

Only about 50 women to 300 men have taken up shooting as a hobby. (So if it's male companionship you want, join a gun club, girls!)

In teaching both men and women to shoot, Alice has noted many times that women are more patient and persevering and don't give up too easily. Also that many women with "nerve" trouble are helped by this hobby.

**Natives of Atlantic City**

The Matthews moved here from Broomall, Pa., a suburb of Philadelphia, about two years ago. Previous to that they both lived in Atlantic City, N. J., their home town.

Alice was the youngest of 12 children, six boys and six girls. There were two sets of twins. She said she didn't know how her mother did it, but they had a truly happy wholesome family life, which she feels has given her such steady nerves and good physical health.

**Is Also a Pilot**

George is a service engineer for the Bower Roller Bearing Company and travels a good deal. So about a year ago he bought a Beachcraft "Bonanza," a four-place job, to shorten his traveling time.

Alice, like the good wife and companion she is, has now learned to fly. She is co-pilot and navigator for her husband. They keep their airplane at the City Airport. So far they have flown about 30,000 miles, and just returned from a two weeks' stay in Florida. Their flying time down there was 6 hours. "Now," she said, "our problem

### PRIZE WINNING GINGERBREAD

Contributed by Mrs. Edward M. Apple

(Editor's Note: The flour in Mrs. Apple's Ginger Tea Bread was omitted in the recipe printed last week. With our apologies to followers of Good Taste and to prize winning Mrs. Apple, we print the corrected recipe.)

- 1/2 c. Crisco
- 2 1/2 c. sifted Sno-Sheen flour
- 1/2 tsp. salt
- 1/2 c. white sugar
- 3/4 tsp. ginger
- 3/4 tsp. cloves
- 3/4 tsp. cinnamon
- 1 c. light molasses
- 2 eggs
- 1/4 tsp. vanilla
- 2 tsp. baking soda dissolved in
- 1 c. boiling water

Mix all ingredients in bowl except last two. When well blended add the hot soda water quickly and blend well. Batter will be thin but cake will be thick. Bake in well greased 8"x12"x2" pan in 350 degree oven for 30 minutes or until done. This cake keeps very well and stays moist. Can be baked in muffin tins (baking time 15 minutes) and decorated with swirls of orange frosting.

## To Be In Rome Easter Sunday

Mrs. Edward C. Roney, Jr., of Merrifield road, and her mother, Mrs. Frank Couzens of Longfellow avenue, will sail April 2 on the Constitution for Rome.

They will join Mrs. Couzens' brother-in-law and sister, Mr. and Mrs. St. Clair McEvenue, of Toronto, and the foursome will spend Easter in the Holy City.

Following travel on the continent, they'll return to the United States May 14 aboard the Queen Elizabeth.
