tion and Honorary Curator of the Detroit Art Museum. A better authority on his subject could hardly be found.

Mr. Ferry is fortunate also in being able to draw upon all the material of the late Kenneth Moore who was well known for his excellent research and findings in the field of Grosse Pointe history and his efforts in behalf of the Grosse-Pointe Historical Society.

Newberry Homes

Among the mansions to be seen in the pictures and to be lectured on will be the former Truman H. Newberry mansion, "Drybrook," Mrs. John F. Newberry's "Lake Terrace," Mrs. Horace Dodge's "Rose Terrace," also included will be the Fred Alger, Russell Alger, Standish Backus, Ralph Booth, C. A. Dean, Jr., Julian P. Bowen, D. M. Ferry, Edsel Ford, Henry B. Joy, Alvan Macauley, Fred T. Murphy, Weston Seyburn, Edward H. Brown, Ledyard Mitchell, and H. N. Torrey houses.

Mr. Ferry has elected to speak on mansions built since 1900. He refers to this as the "eclectic" period of architecture when American buildings were imitative of historical styles.

The early part of this century saw the peak of the grand manner of living in Grosse Pointe, a period when as a result of development of the automobile the prominent families of Detroit undertook to develop suburban estates like European country villas.

Not only the best of Detroit's architects worked on these buildings but the most famous architects from the east were brought to Detroit to superintend this estate construction.

Many of the mansions were built especially to house and form proper background for huge art and antique collections as, for example, the Ralph Booth house and the Horace Dodge home which later was decorated by Sir Joseph Duveen.

Detroit tradition worked against "modern" trends in building even though Frank Lloyd Wright was active in this period. The estates developed into long narrow acreages because the original French Grosse Pointe farms has been laid out in narrow ribbons running back from the lake.

STUDENT FAINTS

Maureen Clifford, 15, of 1371 Berkshire, was taken to Bon Secours Hospital on Tuesday, September 19, when she fainted on the stairway of Grosse Pointe High School. Whether she was injured was not disclosed.

The Middle West's first hydro-electric plant was built in Grand Rapids in 1881.

Federal Savings Opens Harper Branch

Peoples Federal Savings and Loan Association opened a new branch office on Monday September 12th. The new office, located on the northwest corner of Harper and Outer Drive is conveniently equipped with a drive-in window fitted with complete intercommunication facilities. A parking lot, adjacent to the drive-in off Outer Drive is available for customers and a night depository is located near the Harper lobby.

WALLET FOUND

John Hodgson of 315 Beaupre, reported to Farms police, on Wednesday, September 20, that he found a wallet with no identification in it, but with a sum of money. He said he will keep the wallet and money until the owner claims them.

Scouts Name Your District, Contest Open to Pointers

All east side scouts under 18 years of age, and members of good standing in scouting units, are eligible to compete in a District Name Contest sponsored by the District Three Executive Committee.

For the lucky scout who submits the name that is finally accepted, there will be a personal award of camping equipment. The unit to which the winner belongs will also receive a camping item of use and value.

District Three, Boy Scouts of America, is a large section of the eastern part of Detroit and includes all of the Grosse Pointes. The western edge of District Three runs along the Grand Trunk RR at Beaufait, and at the eastern border of Hamtramck. From that point, the District

angles northeast with its boundary again on the Grand Trunk RR that crosses E. Eight Mile at Hoover. The north boundary follows E. Eight Mile to Lake St. Clair. The shores of Lake St. Clair and the Detroit River down to the U. S. Rubber Company complete the boundaries.

Each scout who qualifies is to submit one entry on a 3x5 card together with his name, the name of his unit, and the name of his unit leader no later than midnight of October 26.

In case of duplicate entries of the winning name, the entry with the earliest postmark will be the prize winner. All entries are to be sent to the District Three Name Contest, Boy Scouts of America, 51 W. Warren Avenue, Detroit 1, Michigan. A panel of

three impartial judges will determine the winner. LEADERS - DISCUSS THIS WITH YOUR BOYS. HAVE FUN - WIN A PRIZE. The Detroit Area Council has suggested that we name our Districts instead of numbering them. So, before long, District III will blossom out with a new name—maybe one you have chosen.

For the Cub Scout, or Explorer, (under 18) first to submit the new name that will be accepted for District III, there will be a personal award, a prize of something of use and value in Scouting, AND the Unit to which the winner belongs will also receive an item of use and value.

FOLLOW THESE SIMPLE RULES

1. Think of an appropriate name for District III—short and original.
2. Write it on a 3"x5" piece of paper, sign your name, and also sign your Cub Pack, Troop,

or Explorer Unit number and your Unit Leader's name. 3. Put this in an envelope addressed to: District Three Name Contest, Boy Scouts of America, 51 West Warren Avenue, Detroit 1, Michigan.

This is very important. Entries not addressed as required will not be judged.

4. Contestant must be a member in good standing, at the time of his entry and also at the time of the award; of a Cub Pack, Scout Troop, or Explorer Unit of District III.

5. Only one entry per boy. 6. In case of duplicate entries of the winning name, the entry with the earliest postmark will be the prize winner.

7. This contest begins September 13, 1955 and ends October 26, 1955. Any entry bearing a postmark not later than midnight October 26 will qualify for judging.

8. The decision of three impartial judges chosen by the Dis-

Carpenter Dies Of Heart Attack

A Detroit carpenter died of a heart attack on Thursday, September 22, while working in an attic in a Pointe home.

Henry E. Reimer, 71, of 21301 Telegraph road, was pronounced dead by Dr. E. J. Hammer of 16616 Mack avenue, who was called to the residence of the John J. McCulloughs, 734 Lincoln road, where the Detroit was working.

Mr. Reimer had complained of being ill before the attack.

The body was released to the Wayne County Medical Exam-

iner's Office and then turned over to a member of the dead man's family for funeral arrangements.

Board of Education Increases Use of Film in Classrooms

When Johnny comes running home from school with glowing accounts of a film he has seen, a recording he has heard or a jinx he has handled, chances

are that the Audi-Visual (A-V) Section of the Department of Instruction has supplied the material.

If needed they will also send supplementary equipment. A request from the teacher to the Department of Instruction is all that is needed to have these items delivered to her classroom door.

The chief objective of the A-V program is to strengthen the learning experiences of boys and girls. While the printed page still is the most frequently used medium for developing understandings, the use of pictures about Williamsburg, or a short film on colonial life, or the contact with a group of dolls dressed in colonial costumes; develops a clearer picture of one stage in our national development for many pupils.

The A-V Section is the responsibility of Mrs. Wanda Daniel, As Curriculum Assistant in Charge of Audio-Visual Aids, she reports directly to Dr. Leroy Selmeier, Director of the Department of Instruction.

On the average each film in the film library was used more than 30 times during the last school year, and each projector was used in more than 325 classroom periods. More than 10,000 requests for audio-visual materials were processed in this section of the department.

Nearly 40,000 items such as recordings, supplementary books, museum articles and film were sent from the A-V Section.

Some 150 educational trips for 4,800 children were provided to such places as an industrial plant, a railroad depot, a dairy, and a TV station.

The A-V emphasis is on education and not on entertainment, although the child is expected to enjoy this learning experience. "The picture-slides, folk-song recordings, miniature birch bark canoe or supplementary books, which we provide," says Dr. Selmeier, "are not used as rewards for good work or sedatives for bad."

"The use of our A-V materials and equipment is always related directly to basic classroom teaching. Experience has shown that these services are essential to an effective, modern program of education."

Find Dead Man On LS Breakwall

A man who was found dead in the county parkway by the seawall on Lake Shore road on Tuesday, September 20, was found to have died of natural causes, a Wayne County Medical Examiner report showed.

According to Farms Det. Sgt. Harold Seelow, the man, Fred G. Trumeur, 36, of 4087 Baldwin, Detroit, was part time employe of the J. Deane Ruckers, 80 Lake Shore, was found to have died of an acute hemorrhage. An autopsy was performed by the Medical Examiner, the following day, and the findings disclosed.

The body was found by John Horvath, houseman employed by the Ruckers. Trumeur had been dead for some time. Rigor mortis had already set in.

Horvath called police and Sgt. Seelow and Patrolman Earl Fields answered the call.

The body was hidden from passing motorists by a thick shrub. Beside it was found five whiskey bottles, each of one-fifth gallon capacity. Two bottles were empty and one was one-third full, and two bottles were still full.

The empty bottles lead to the mistaken conclusion that the man had apparently died of intoxication, but the medical report showed Trumeur was not drunk.

Cotrie Dance Club Plans Celebration at Center

"Back to School" is the theme of the Cotrie Dance Club's celebration scheduled for Saturday, October 8, from 9 p.m. to 12 a.m., at the War Memorial Center.

Sponsored by the Center, the group, composed of married couples, welcomes newcomers to the Pointe to come and dance to the music of Al Ross.

Jack Whiteley of Shoreham road is the new president of the organization.

War Memorial Holds 7th Annual Meeting

Following a smorgasbord and dinner for present and past Board members and committee workers the 7th Annual Meeting of the Grosse Pointe War Memorial Association convened.

The meeting was conducted by Donald M. D. Thurber, Vice President. Mr. Vincent Peterson, guest speaker, informed Association members of the work being done in the "Leadership Training" classes conducted at the Center.

The business portion of the meeting followed. Mrs. Robert H. Patterson, Assistant Secretary, read the minutes of the previous annual meeting and presented proof of publication of a notice of the meeting.

Mr. Robert M. Surdam, Treasurer, presented the profit and loss statement for the fiscal year which ended July 31, 1955. He pointed out that the great growth in the use of the Center had resulted in a correspondingly large increase in expenses as well as income. The Center operated on a \$98,757.00 budget during the past year.

Marion K. Kellogg, Association President, in his report emphasized the increased attendance at the Center which in the past year was 81,686; an increase of 31 per cent over the previous season. Mr. Kellogg called attention to the new plaques commemorating Korean Service.

He highlighted the Program successes achieved by Mrs. T. R. Buttrick, Program Chairman. These included concerts of the first order, lectures from the U. of M. Extension service, Connoisseur's courses by out of town experts, hobby shows, art and sculpture exhibits, decorator's displays, social events for every age group as well as welcoming receptions for newcomers and a host of other highlights.

Mr. Kellogg stressed the services of the Center to the Community through its Cancer In-

formation and Service Center, the Service Guild for the Children's Hospital, the American Red Cross, Braille Transcription classes, the hospital equipment available on loan free of charge and its blood bank activity.

The president outlined the repair work and kitchen renovation accomplished. Included was complete roof repair, plumbing repair, painting and carpentry, work inside and out and a complete replacement of cooking equipment.

Mr. Kellogg gave special thanks to the many volunteers who give their efforts to the Center helping with mailings, recording, contributions, telephoning, etc.

He also warmly thanked his Committee Chairmen; Mrs. Hansel D. Wilson, Garden Center; Mr. Hilary H. Micou, Jr. Building; Mrs. L. Rothe Farr, Furnishings; Mr. Vincent DePetris, Grounds; Mrs. F. F. Stetkuh, House; Mr. Earl I. Heenan, Jr., Insurance; Mr. Alger Shelden, Investments; Mrs. Russell Alger, Memorial Gardens; Mr. Ralph B. Netting, Personnel; Mr. Richard F. Huegli, Policy; Mrs. T. R. Buttrick, Jr., Program; Col. D. Walter Allard, Veterans; Mrs. Miles F. McKee and Mr. Robert T. Herdegen, Jr., Youth.

Mr. James W. Lee II, chairman of the nominating committee for new Board members, presented and introduced the following slate of nominees: Mr. Charles W. Elliott, Mrs. L. Rothe Farr, Mr. Paul Maxon, Mrs. John B. Ross and Mr. Bert H. Wicking.

Dr. Frank Pitt moved that the Secretary cast a unanimous ballot for these nominees, which motion was carried.

These new Board members replace Mrs. T. R. Buttrick, Jr., Mrs. John F. Hering, Mr. James W. Lee II, Mr. Donald M. D. Thurber and Mr. Robert M. Surdam who are retiring after three years of service.

Success that is not planned and worked for is never enjoyed. The man who is his own best friend occasionally gets left.

Navy Sets December 10 For Annual NROTC Exam

The tenth annual competitive examination for high school seniors, who desire to attend college and train for careers as Naval Officers will be held throughout the nation on December 10, the Navy announced today.

Applications for the NROTC are now available, but must be received by November 19, the announcement added.

Successful candidates will start their Naval careers in colleges and universities across the country in 1956, with substantial financial assistance from the government.

After a normal college education, graduates will be commissioned in the Regular Navy or Marine Corps for active duty with the Fleet throughout the world.

Male citizens of the United States, between the ages of 17 and 21 are eligible to apply for the NROTC aptitude test. Persons who attain a qualifying score will be given the Navy's rigid midshipman physical examination next February.

From the pool of qualified candidates remaining in competition, approximately 1,800 young men will be selected for appointment to the NROTC, and the college of their choice.

The Department of Community Services of the Grosse Pointe Public School System is again able to offer the Reading Improvement course which proved so popular during last year's program.

The class will be conducted by Roger Wood of the Reading Improvement Services, Bureau of Psychological Services of the University of Michigan, and is to start on Thursday, October 13.

Research in this field has established that most readers maintain a speed of 250 words per minute — when the rate of 500 words per minute can be attained with very little effort through proper training. The additional speed also results in the student absorbing more of his reading material, as he learns to concentrate more completely.

A new addition to this year's program is a course in General Semantics. This subject is an aid in the study of those aspects of human behavior and adjustment that are related to the use and mis-use of language.

Being "taken in" by misleading advertising, getting involved in "pointless arguments," inability to solve problems and resolve disputes in family, business and public life—these are but a few of the innumerable situations in which a better understanding of language-fact relationships can be of great help.

William D. Hammond, who is to teach the course, was a student of Alfred Korzybski, who did the pioneer work in this subject.

Other classes in which there are available reservations at this time are: Conversational French, Lip Reading, Photography, Slide Rule, Ceramics, China Painting, Pictures in Copper, Textile Painting, Parliamentary Law, Practical Public Speaking, Spelling and Vocabulary Building, Flower Arranging, First Aid, Home Nursing, Japanese Flower Arranging, Millinery, Rug Hooking and Rug Braiding, and Weaving.

For further information and class reservations, please call the Department of Community Services, 43 Grosse Pointe Boulevard, at TUxedo 5-3808 or TUxedo 5-0271. Classes will be starting within the next two weeks, and it is suggested that interested persons call for reservations as soon as possible, as all classes are limited as to enrollment.

Firm Opening Foreign Car Showrooms

John Lockyear Pottle, Grosse Pointe architect redesigned this building for Foreign Car Associates, Inc., 16090 East Warren, where famous foreign cars will be shown, sold and serviced. Shown above, left to right are FORBES HOWARD, Vice President, E. S. ANGI, technical director and SERGE DANILOFF, president.

Foreign Sports Cars Get New Home in Pointe Area

With the doubling in the past year of foreign car sales in America, and the trend still on the rise, a group of prominent local business men under the name Foreign Car Associates have leased and rebuilt this modern service building at 16090 East Warren avenue to include spacious showrooms. It opened for operations during the past ten days.

Those identified with the new enterprise are Serge Daniloff, president, who held important posts with Packard Motors through the past quarter of a century; Forbes Howard, vice-president in charge of sales, who formerly was with United Car Fester and in more recent years, operated his own car parts firm; Edward Macaulay, son of the late Alvin Macaulay, former president of Packard, is a vice president. He is well trained in European automobile styling trends; E. S. Agni, Technical director was previously with Ford and more lately in charge of special engineering projects at Packard which brought him in contact with competitive developments here and abroad. He was on the technical contest board of AAA at the last Indianapolis race.

Among the foreign cars represented by the new firm are the British Triumph TR-2 sports car, Simca of France, (it will be recalled that the Simca Company merged with the French Ford plant this year) the British A. C. car, and the Italian body builders,

the Carrozzeria-Boano of Turin, Italy.

First shipments of the new cars are due to arrive here October 1. However, service and parts business are already in operation.

Park to Aid Little Football

The Park council at a regular meeting held on Monday, September 26, approved appropriations to purchase uniforms and equipment for Park youngsters participating in Little League Football.

Members of the council were unanimous in their approval to spend \$1,000 to the realizing of the Little League goal, but with one stipulation. Because a city ordinance prohibits outright gifts of funds for this and similar projects, the equipment purchased will remain the property of the Park and will be issued to the League as a sort of "lend-lease."

A spokesman for the League, who appeared at the meeting seeking the aid of the council in this worthy program, stated the League has the backing of the Grosse Pointe Board of Education.

He said that last year a total of 500 Pointe youngsters participated in the program and that this year about 105 youngsters, between the ages of 9 and 12, will be from the Park.

Park Certifies Delegates

The Park council on Monday, September 26, certified city delegates who will attend a Municipal Employee's Retirement System Conference which will be held in Lansing on Friday, October 7.

Selected to attend the one-day conference are Fireman Martin Neilson, delegate; Patrolman Gordon D. Duncan, alternate; City Comptroller Robert James, delegate; and Clerk-Treasurer Charles Heise, alternate.

The council also approved appropriations for registration and expenses for Park Judge C. Joseph Belanger who will attend a Traffic Court Conference at Northwestern University, Evanston, Ill., from October 24 to 28.

GP Rotary Lauds Good Members

Forty-five of the 80 members of the Grosse Pointe Rotary Club were cited at a meeting held on Monday, September 26, for a total of 393 years of perfect attendance.

President Glenn Pratt complimented the members whose unblemished records range from one to 16 years. He stated that there must have been something worthwhile in keeping up a perfect attendance otherwise the members would not have been interested in it.

Topping the list was Bob O'Neil, past president of the Club, who attended every single meeting for the past 16 years.

Dick Maxon and Bill Moir tied for second place, with 13 years each to their credit.

The following are the other members and years of perfect attendance praised by President Pratt: David Burnett, Fred Kopp and Joseph DeGrimme, 12 years; Bob Boyer, Al Herrmann, Claude Jurgensen and Austin Neeb, 11 years; Ernie Graham, Ed Rector, Gil Hauke, Andy Rauth, Max Salisbury, Dode Tapert and Allan Walter, nine years.

Also, Russ Piche, eight years; Dave McCarron and Herb Savage, seven years; Maurie De Keyser, Glenn Pratt, Rem Purdy and Ken Smith, six years; Cliff Ashton, Bob Orr, Herb Baker, Frank Palmer, John Baker and Ed Pongracz, five years; Jim Alexis, Tom Jacques, Bruce Bockstanz, Dutch Wahl and Norm Bonney, three to four years; and Ralph Burke, Harold Golla, Ed Salkowski, Vern Cleveland, Jim Passanante, Joe Wozniak, Bill Dant, Mike Roberts and Andy Yaklin, one to two years.

Those credited with this proud record were given an ovation by the other members at the meeting.

Symphony Sets Oct. 13 Opening

Opening Night for the Detroit Symphony Orchestra's 1955-56 concert series is Thursday, October 13, sharp at 8:30 in the Masonic Auditorium.

Paul Paray, returning for his fourth season as conductor from the triumphant first European tour of the Israel Philharmonic, will be on the podium to open the most brilliant season the Symphony has ever presented.

Season tickets for the series are on sale now at the Symphony office at a saving up to 30%.

Plans for the 24-week series of 18 subscription programs are complete and attractive. This season the orchestra presents 22 of the world's most honored artists as soloists, two of America's most distinguished conductors for guest appearances, the 300 voice Rackham Symphony Choir in a presentation of the magnificent Mozart "Requiem," and more than 60 works of unusual interest.

Detroit can be proud of this orchestra, the finest it has ever had in its long history. In less than a month it enters its fifth season since reorganization with national and international respect won through recordings and tours.

Season ticket holders for the coming season will have priority in allocation of seats when the orchestra moves into the new Henry and Edsel Ford Memorial Auditorium next year.

Dr. Bartemeier to Head Mental Health Board

Dr. Leo H. Bartemeier, formerly of Grosse Pointe, has been named chairman of the trustees

DR. BARTEMEIER

of the newly-formed Joint Commission on Mental Illness and Health it was announced in Washington last week.

Dr. Bartemeier left the Pointe on October, 1954 to become the medical director of the Seton Institute in Baltimore, Md.

Organized to carry out provisions of the Mental Health Study Act of 1955, the Joint Commission will carry on a nationwide analysis and reevaluation of the human and economic problems of mental illness.

An appropriation of \$1,250,000 for over a three-year period was authorized by the Act, with \$250,000 for the first year.

The money appropriated is assigned to the Surgeon General of the United States Public Health Service, who may grant it to one or more qualified non-governmental organizations.

The Joint Commission is made up of representatives of the leading national organizations and agencies that have a primary interest in the mental health field.

"The Mental Health Study Act of 1955," said Dr. Bartemeier in Baltimore, "offers the chance of a lifetime to develop guide posts for the American people that will point the way to a fundamentally new, a tack on this staggering problem."

Past president of the American Psychiatric Association, Dr. Bartemeier was also assistant professor of psychiatry in Wayne University School of Medicine.

Coming Soon! . . . from **THE FORWARD LOOK '56**

THE FLIGHT-SWEEP

The fresh note in car design that's headed for the future!

The moment you see it you'll know you're seeing **NEWS!**

It's the clear crisp note of modern car design you'll be seeing on Plymouth, Dodge, De Soto, Chrysler and Imperial . . . the all-new cars of the **FORWARD LOOK** for 1956. Only on these will **THE FLIGHT-SWEEP** be!

It is clearly and beautifully the shape of things to come. Like a jet plane or a big speed boat or racing car, the silhouette of these graceful cars sweeps in one fast rush from out-reaching nose back along the sides to the high-spirited, upswept tail.

The mass of the car hugs close to the road. The whole look of the car says motion . . . "Let's go!" Once you spot it, there's no mistaking it. And no mistaking the fact that here's the **right** note in design for today and for tomorrow, too.

And behind this new design is more good news you'll not want to miss. For here are the **newest** new cars of all!

Here's news in **PUSHBUTTON POWERFLITE**. Put your finger on a button on the dash at your left and you're in the driving range you want!

Here's news in **power** . . . still greater performance, still greater economy, from the most advanced engine designs in any cars today!

Here's news in new hydraulic braking systems that bring stopping ease and safety to an all-time new high in driving satisfaction.

Here's news in an all-road ride that other cars are still on the search to equal. And news in the full-time Safety-Touch Power Steering that really gives the control and ease and certainty that part-time versions reach for . . . and miss!

Here's real news in safety for you, too. New Life-Guard door latches that hold faster under stress than any have ever done before. New Safety Seat Belts if you wish them. Rigidity and stamina of body work to surpass even Chrysler Corporation's known high standards of construction.

Watch for **THE FLIGHT-SWEEP**. Watch for these cars at your dealer's. Soon comes the **second** year of **THE FORWARD LOOK**. Chrysler Corporation's challenge that has already won the hearts of well over a million families in 1955, against the toughest competition this industry has yet seen.

Unitarians Plan Square Dance

The Grosse Pointe Unitarian Church is beginning its fourth year of sponsoring square dances by holding an Anniversary Square Dance at the Kerby School, 285 Kerby Road, on Saturday, October 1, at 8:30 p.m.

Wes and Julie Rea will do the calling, and during the evening they will feature both old and new square dances with instructions on the latter. Anyone who knows the basic fundamentals of square dancing is invited.

Next year will be the time for making presidential slates—the time for smashing them will come sometime later.

GP Symphony Society Slates Four Concerts

The first meeting of the Grosse Pointe Symphony Orchestra Society was held on Friday evening, September 23, in the main library at Kercheval and Fisher roads; David Sutter, newly elected president of the board, presiding.

Plans were discussed for the coming season and judging from the great interest and enthusiasm shown by those present, it should be a most successful one.

The orchestra, which has been enlarged and improved considerably, will be under the direction of Wayne Dunlop who has just returned after a year's study aboard on a Fulbright scholarship.

Four concerts are planned for the winter season, October 30, December 5, February 19 and April 15, and a summer concert on June 3. All will be held in the auditorium of Parcels School on Sunday afternoons as in previous years, with the exception of the summer concert which will be held outdoors.

The committee is most anxious to make these symphony concerts real "family affairs" for the people of Grosse Pointe and with this thought in mind have kept the price of tickets very low so that parents may come and bring their children to enjoy an afternoon of delightful music and the reception which will follow each

concert in the gymnasium of the school. Season tickets or memberships are \$5.00 for adults and \$3.00 for students and entitle the purchaser to attend all five concerts. Individual tickets may be purchased at the door or from a member of the committee for \$1.20 but it is the aim and ob-

jective of the membership committee under the chairmanship of Mrs. Winfield S. Jewell, Jr., assisted by Mrs. Robert Armstrong to increase the season ticket sales considerable this year, so all those interested in supporting this very worthwhile community enterprise are urged to get in touch with a member of the committee as soon as possible.

Mrs. Jewell's telephone number is TU 5-8861 and Mrs. Armstrong's TU 5-2432. Mrs. Edward A. Baumann, TU 2-3832, will be

in charge of individual ticket sales.

Other members of the committee attending the meeting were Mrs. E. C. Bowen, Mrs. Daniel J. Murphy, Mrs. Ralph L. Fisher, Miss Joan Sattley, Mrs. Willis Bugbee, Mrs. D. M. Corson, Miss Camilla Ayers, Mr. and Mrs. D. J. Nigro, Mrs. Reginald T. Murphy, Mr. A. J. Chronowski, Mr. R. N. Deal, Mr. Gilbert Stammer, Mr. John Sweeney.

Mrs. Mark K. Edgar and Mrs. Sherman J. Fitzsimmons, Jr., will assist on the publicity committee for the coming year.

North Channel Race Last On Sail Schedule

Upwards of twenty five skippers and their crews will tangle in the fourteenth annual North Channel Race next Saturday, October 1, in the last sailing event of the 1955 season.

The North Channel race, commonly referred to as the "Poor Man's Mackinac" or the "Steeplechase" or the "crap game" is a

70-mile course which takes the fleet from the starting line in front of the Grosse Pointe (little) Club up the North Channel around the Russell Island lighted buoy at Aigonac and back down the ship channel across the lake and down river to the finish line in front of the host club, Bayview Yacht Club.

The race is open to C boats, L boats, Luder 16's and Privateer's. Each class will be competing for its own class trophy but what every skipper will be trying to do is win the overall Morrill Dunn Trophy which goes to the first boat to finish. All the yachts are of comparable size and race against one another, not on a handicap basis, but boat for boat.

Last year's overall winner was "Wind Toy" which also won the Privateer class. Bill Dunn paced the C boats home and Bob Dodd

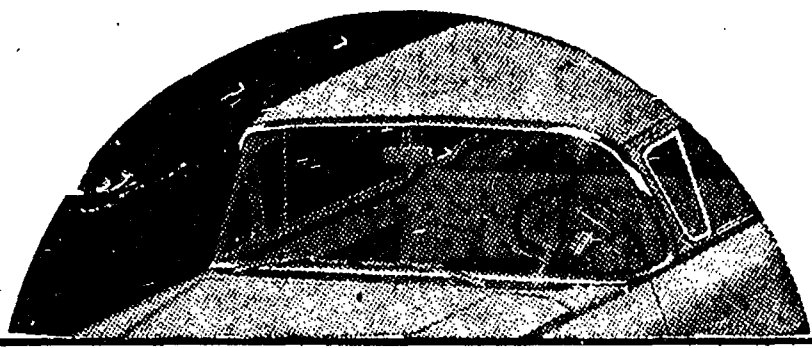

led the L boats home. Dick Wozniak was the winner in the Luder class.

The race will get underway at 8:15 a.m. on Saturday, October 1, and Aaron Evans Oxford 400 sloop will act as the judges' boat and will patrol the course.

GOODWILL MEETING

The Junior Group of Goodwill Industries will hold their regular meeting on Monday, October 3, at 12:30 o'clock in the Goodwill Industries Building, 6522 Brush.

GP Newcomers Club To Observe 10th Season

The first meeting of the Grosse Pointe Newcomers Club 1955 season will be held on Friday, October 7th at 8:30 p.m. at St. Michael's Church. On the agenda for the evening is the election of officers for the coming year. George Cutler, past president, will give a short resume of the club's history. Following will be a program designed particularly for the "tenth anniversary year." Vincent Norako will be the Master of Ceremonies.

His able assistants are Mr. and Mrs. Gus Koester, chairmen; Mr. and Mrs. Walter Pattee, Mr. and Mrs. Dan Corson, Mr. and Mrs. George Cutler, Mr. and Mrs. John Krider, Mr. and Mrs. Walter Greenholt, Mr. and Mrs. Robert King, Mr. and Mrs. Arthur Walker, Mr. and Mrs. James Ely, Mr. and Mrs. James DeRemer, Mr. and Mrs. Norman Germond, Dr. and Mrs. Wyatt Haisten, and Mrs. Vincent Norako.

Club was founded in 1945 by Mr. and Mrs. Bennett Burgoon. The initial membership was seven couples, although over 250 couples have been received into membership since its inception.

The prime purpose of the club is to acquaint couples who have moved to Grosse Pointe from outside the Greater Detroit area and who have not lived in the area for more than two years.

The program is purely social, designed toward stimulating friendliness among the members. Membership is limited to a three-year period after which couples are eligible for membership in the alumni group.

entertainment is enjoyed by the group. Activities include bridge and canasta parties, boat trips, dances, dinners, picnics, hayrides, and mystery parties. There are two formal dinner dances held each year, one at Christmas and one in the spring.

The Christmas dance this year will be a tenth anniversary celebration for all active and past members.

The club is governed by a board comprised of the officers of the club, the social chairman, the assistant social chairman, the membership chairman, the past president and their respective wives or husbands. The board meets once a month during the social year to plan their activities.

The club is run on a non-profit basis with each party being on a self supporting status. There are approximately 80 couples in the active group at the present time.

Alumni Group Picks Fall Slate

The new governing committee of the Grosse Pointe Newcomers Alumni, Mr. and Mrs. Herbert Anderson, Mr. and Mrs. Robert Halford, Mr. and Mrs. Clifford Lundgren and Mr. and Mrs. Richard Stoner plan an active and interesting '55-'56 season.

Some 50 couples will enjoy the goodfellowship and fun of a series of dinner dances, card parties and mystery parties.

All graduate members of the Grosse Pointe Newcomers Club are most cordially invited. For information on membership in the Alumni group contact Mr. and Mrs. Robert Halford at Valley 4-0221.

Mrs. Halford Invites Alpha Gamma Deltas

The first meeting of the East Side Group of Alpha Gamma Delta will be held on Tuesday, October 4, in the home of Mrs. Robert Halford on Harcourt road.

Luncheon will be served at 12:30 p.m. All members in the vicinity are invited to attend. For reservations call the hostess by Monday, October 3, at Valley 4-0221.

4 Pointe Students Pick Taft School

Watertown, Conn.—Taft School opened for its sixty-sixth year as 303 boarding students returned for dinner last evening. Twenty-nine day students from Watertown and Watertown returned to school when classes began on Thursday, September 22.

Boys enrolled this year come from 32 states, the District of Columbia, and 10 foreign countries. Of total, 110 boys come to Taft for their first year.

The following students are from the Pointe: Joseph Candler, Jr., son of Mr. and Mrs. J. Boyer Candler of 537 Lakeland avenue; Frank Donovan, Jr., son of Mr. and Mrs. Frank Donovan of 17160 East Jefferson; Stephen Earl, son of Mr. and Mrs. William Earl of 80 Kenwood road; and John Fink, son of Mr. and Mrs. George Fink of 69 Cloverly road.

Women's Club Visits Fairlane

Northeastern Women's Club opens its fall season with a luncheon on Monday, October 10 at 12:30 p.m. It will be held in St. Stephens Episcopal Church, 14225 Frankfort street.

The program committee with Mrs. William Robertson as chairman will serve the luncheon. The business meeting will follow with Mrs. D. A. McGinty presiding.

Elizabeth Bowen will paint a picture and talk about her hobby under the title "So You Want to Paint a Picture."

Members of the club and their friends visited Fairlane, the estate of the late Henry Ford on September 19.

Southeastern Women To Hold Pot Luck Lunch

A potluck luncheon and meeting is set for Monday, October 3, at 12 noon by the Southeastern Women's Club. It will be held in St. James Presbyterian Church. Guest speaker will be congresswoman, Martha Griffiths, who will speak about "A Woman Goes to Washington."

Reservations may be had by contacting Mrs. Murray Smith or members of her committee.

Chorus Invites New Members

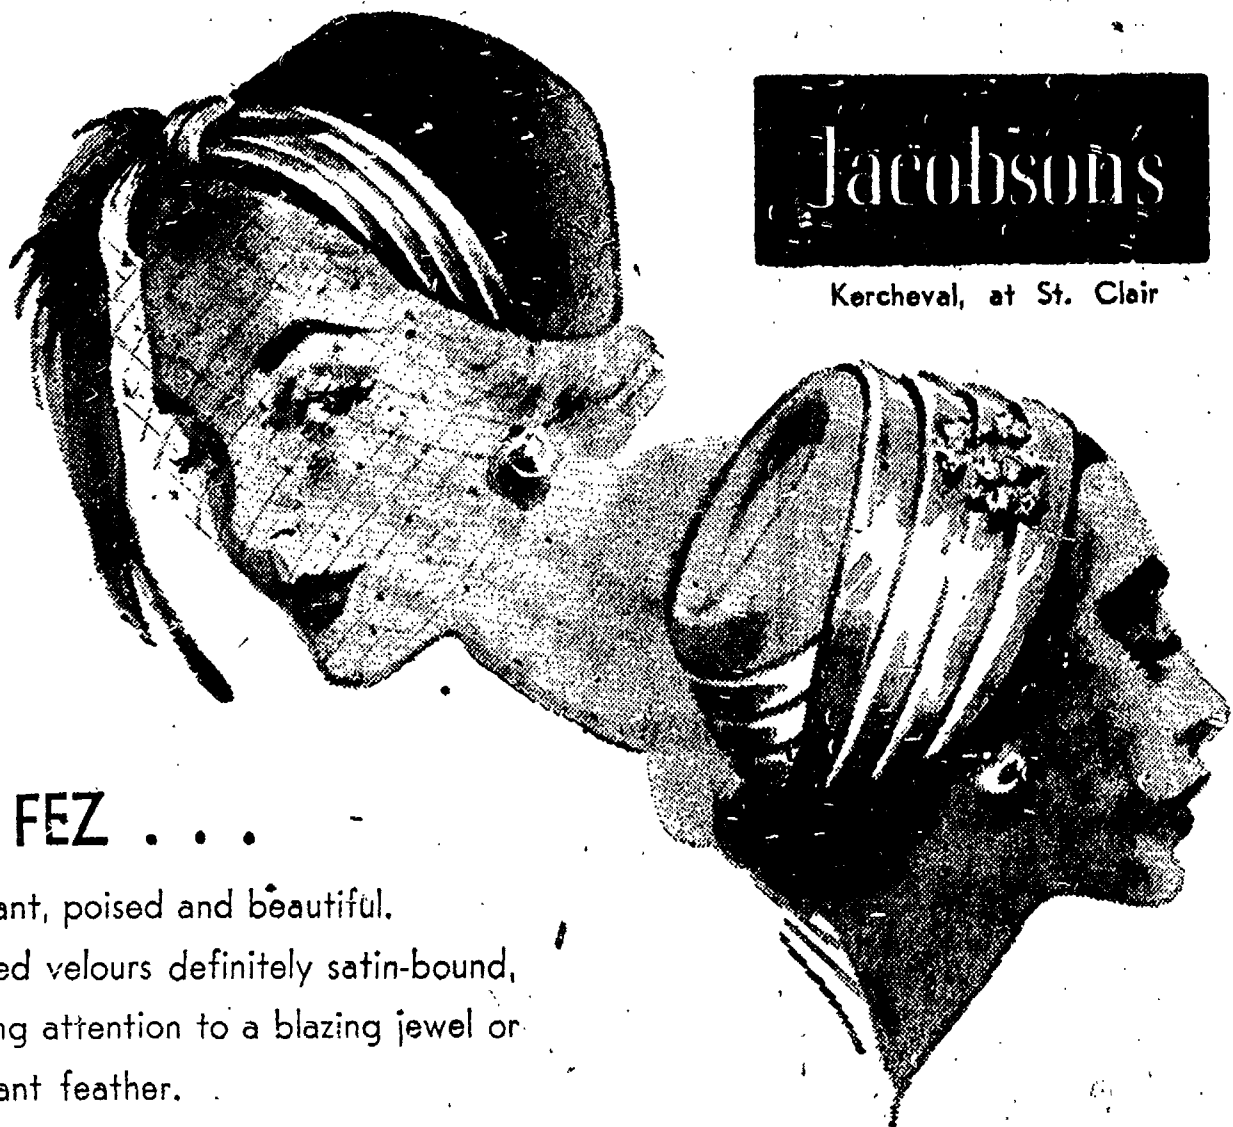

The Treble Clef Chorus of the Clark Women's Club extends a cordial invitation to the ladies in the community to join their group. They will begin rehearsals

under the direction of Mrs. Grace Brufold on the first Wednesday in October.

Many fine programs have been presented in the past, and a number of activities are on their calendar for the current club year.

Their first major project will be a Christmas program to be presented in several churches during the Yuletide season. You will enjoy working with

this very pleasant and energetic group. Won't you join them! For information as to time and place of meetings, contact the chairman, Mrs. Frank Tramposh, Tuxedo 5-6705.

Michigan Week Set for May

Michigan Week, the annual observance dedicated to telling people of the state and the country about Michigan's greatness, will be celebrated in 1956 May 20-26.

Russel Swaney, head of Detroit's Federal Reserve Bank, who was Wayne county chairman for the 1955 Michigan Week, will be general chairman.

The announcement is made by Walker L. Cislser, president of Detroit Edison Co., as president of Greater Michigan Inc., and Dan Gerber, president of Gerber's Baby Foods, Fremont, as chairman of the state Economic Development Commission. These two organizations are the principal sponsors of the event.

Mr. Swaney will now appoint a county chairman for each of Michigan's 83 counties, who in turn will be expected to appoint a chairman for each community and to organize whatever county and community committees may be needed to handle the numerous activities of Michigan Week and its seven special days.

The full schedule of special days remains to be worked out, but Michigan Week will again open with Michigan Spiritual Foundations Day, Sunday, May 20, and close with New Frontiers Day, Saturday, May 26, and somewhere between will again be Exchange of Mayors Day.

At the same time that county and community committees are being appointed, a state executive board will be organized along with numerous state committees. Every effort will be made to complete the organization of next year's Michigan Week early.

So successful was Michigan Week in its first two years that the sponsors expect communities, schools and organizations everywhere in the state to get preparations for the third observance under way rapidly and thoroughly. The sponsors believe next May 20-26 will see the greatest outpouring of pride and enthusiasm that the people of a state have ever shown for the place where they live and work. They expect it to make a big impression for the good of Michigan over the whole country.

The new general chairman was born in Detroit and raised on a farm at Brohman in Newaygo county. He now owns the family farm there. Mr. Swaney is married and has five children. He lives at Birmingham and has a summer home at Holland.

Mr. and Mrs. Sam R. Barnes of McKinley road announce the September 3 marriage of their daughter, Patricia, to Charles Joseph Hawkins, son of Mr. and Mrs. Oscar Hawkins, of Adel, Ia.

The couple were married at Park Air Force Base Chapel in Pleasanton, Calif.

The bride was graduated from Grosse Pointe High School and Harper Hospital School of Nursing. For the past two years she has been working at the Veterans' Hospital in San Francisco.

Gröver C. Dillman, of Michigan College of Mining and Technology, Houghton, who was general chairman of the 1955 Michigan Week-May 15-21. General Chairman of the first Michigan Week May 2-8, 1954, was Jay D. Runkle, then vice president and general manager of the Crowley Milner department store, Detroit, who for the past year has been retail trade advisor to the NATO countries in Europe.

Michigan Week now appears to be standardized as the week beginning with the third Sunday in May—late enough to have good weather for outdoor celebrations in all areas of the state, early enough to be a major event of the school year and timed to give a big boost to the summer tourist season.

Headquarters will be in the offices of the Economic Development Commission in the Stevens T. Mason building, Lansing and the Commission's executive director, Don Weeks, will be managing director of Michigan Week.

Wayne Teacher Goes to Lebanon

Dr. Marjon Edman, professor of education, has been invited by the Lebanon Ministry of Education and the United States Department of State to serve in Beirut as a top-ranking consultant in a new teachers college.

She will assist in planning rural teachers schools and guide the development of in-service training in that Mediterranean Republic. This is the first time that a woman has ever received such an important assignment in a Near Eastern country.

Dr. Edman has coordinated international education activities at Wayne since 1950 when she returned from four years in Germany as a consultant in teacher education.

From Another Pointe of View

By Kitty Marriott

Thanksgiving weekend means wedding bells for Lynne Hennecke, who is up to her eyebrows in plans for her November 26 marriage to Bill Johnson. The pair will be married at 11 o'clock that Saturday morning in St. Paul's Church on the lakeshore.

Lynne is the daughter of Mr. and Mrs. James F. Hennecke of Provençal road. Bill's parents are the Carl W. Johnsons, of North Chicago, Ill.

Lynne and Jessie Zimmerman, who was her classmate at Grosse Pointe Convent of the Sacred Heart, have already shared joint honors at several pre-wedding showers. Jessie walks to the altar of St. Paul's almost a month ahead of Lynne, when she married John Hitchens on October 29.

Many of the parties were scheduled before their chums headed back to school. Nancy Kottenstette and Janet Faber gave a linen shower for Lynne at the Kottenstette home in Harvard road. The two couples will be feted Saturday evening, October 15, when Marcia Byrnes entertains for them in her Lake Shore road home.

Entertainment Department

Mrs. Orville R. Aronson gave a small tea Friday afternoon in her Newberry road home in honor of her mother, Mrs. Victor Gauvreau, who was visiting from Tucson, Ariz. Mrs. J. Lane Donovan, Mrs. John Osgood and Mrs. J. Henry Smith alternated at the tea service. Mr. and Mrs. Gauvreau, who formerly lived on Trombley road, were in town for two weeks. They left Saturday for their Tucson home. . . . Friday evening, the C. Allison Monroes entertained for Mrs. Monroe's brother, Franklin Hills, who dropped in for a brief visit from "Birchills," his home on the Au Sable near Grayling. Mr. Hills' and Mrs. M.'s brother-in-law and sister, the Clement Penroses, came in from Bloomfield for a reunion.

October Celebration

At long last comes the event so many Pointe members of the Detroit Athletic Club have been waiting for—the big October "do" which marks the formal dedication of the completely redecorated main dining room. A five-evening celebration, October 10 through October 14, will present a floor show headlined by the great Dunninger, master mentalist, who needs no introduction.

A decor of pale champagne and coral tones has completely transformed the DAC main dining room, not to mention its conversation piece, Jules Rolshoven's huge painting, "Masquerade."

In an opening night party together will be the Simon D. Den Uyls, Mr. and Mrs. Leigh B. Middleditch, Dr. and Mrs. D. J. Leithauser, the Jesse G. Vincents, Mr. and Mrs. Robert J. Byrnes, the Gerald Hahns, the Arnold F. Malows, the C. Bayard Johnsons, the Reece B. Oberteuffers and the George Haggartys.

JOHN T. MOTSCHALL, son of Mr. and Mrs. John F. Motschall of Three Mile drive, recently enrolled in Fark's College of Aeronautical Technology of St. Louis University. He plans a career in the field of Air Transportation. He is a 1955 graduate of De La Salle High School.

MRS. ARTHUR C. BOYLSTON of St. Louis, Mo., is the guest of her son and daughter-in-law, Mr. and Mrs. A. Gray Boylston of Lakepointe Avenue.

DR. and MRS. HENRY BURKHARDT and sons, HENRY II, WILLIAM and ROBERT, have returned to their home in South Hadley, Mass., after spending two weeks with Dr. Burkhardt's parents. Mr. and Mrs. Henry Burkhardt of Trombley road.

MRS. T. B. SWEGLES of 704 Pemberton road will be the hostess for a luncheon meeting of the Daughters of the British Empire, Princess Beatrice Chapter on Monday, October 3, at 12:30 p.m. Co-hostesses will be Mrs. George Ballentine, Mrs. R. B. Swegles.

Twelve friends joined MARYLYN KLUCENS on Saturday, September 24, to help her celebrate her 13th birthday. The luncheon party was held in Marylyn's home on Broadstone road. Her parents are Mr. and Mrs. Theodore Klucens.

A daughter, who has been christened SARA LYNNE, was born to MR. and MRS. DONALD M. FURTAW of Glenwood avenue, on August 21. Mrs. Furtaw is the former Judy Huettner of Hawthorne avenue.

MARY LOU HURLEY of Rivard boulevard will board the S. S. Vulcania from New York on October 4, for a cruise in the Mediterranean Sea. She will be accompanied by her two aunts, MRS. MICHAEL W. HACKETT of Montreal, and MRS. WILLIAM DEAN of Portland, Oregon. Among the cities they plan to visit are Rome, Lisbon and Naples.

JUDY and HOLLY LOMAX, daughters of MR. and MRS. ALLEN LOMAX of Maumee avenue, have the same birthday, October 1, but they'll have separate parties. Judy, who will reach the ripe old age of 11, plans to have her sixth grade classmate from Grosse Pointe University School, over Friday night. Holly's chums will help her celebrate her seventh birthday on Saturday afternoon.

MR. and MRS. GEORGE T. HALL of Rivard boulevard and the DAVID CRAWFORDS invited a group of their friends out Sunday afternoon for a picnic at the farm property the two couples share near Armada.

Honeymoon in Northern Michigan Follows Double Ring Ceremony at St. Ambrose Church.

A honeymoon in Northern Michigan followed the September 10 marriage of Dorothy Ducastel and Richard Mispelon. The double ring ceremony was performed at a 10 o'clock nuptial high mass in St. Ambrose Church.

The bride, daughter of Mr. and Mrs. Henry Shives of Maryland avenue, wore a lace and tulle gown. Panels of lace and tulle alternated on the skirt which extended into a chapel train, and her fingertip illusion veil fell from a coronet headpiece. A white orchid centered her bouquet.

Matron of honor Mrs. James Burns wore a ballet length gown of ruby crystalite. Bridesmaids Catherine Thomson and Mrs. Robert Shives were in pale blue crystalite. The three attendants carried white spray arrangements.

The bridegroom, whose parents are Mr. and Mrs. Odell Mispelon of Lakepointe avenue, asked George Mispelon to be his best man. Robert Shives and James Herman escorted guests to their seats.

Mrs. Shives wore a rose crystalite dress and Mrs. Mispelon chose powder blue crepe for the wedding. Both mothers wore white orchids. A breakfast and reception followed at the Club Cheyenne.

Morrison's Tour East; Son Attends Choate

After a tour of eastern colleges with their son, Madison, the James G. Morrisons of Hall place have returned to their home. The Morrisons took Madison to visit Yale, Harvard, and Princeton and New York City before driving him to The Choate School in Wallingford, Conn.

Madison will attend Choate School for the next two years. This year he has as housemates in the Logan Monroe House, his friends from the Pointe, Micky Caulkins and David Hinchman.

Fannie Hurst Leads Off Celebrity Series Oct. 6

Mrs. Joseph J. Goncz of Bish road, general director of the Grosse Pointe Celebrity series, announces that Fannie Hurst will open the 1955-56 season on Thursday, October 6.

The morning lecture will bring season ticket holders to the Esquire Theater, 45311 East Jefferson, at 11 a.m.

The celebrity luncheon is scheduled at Al Green's, following the lecture. Miss Hurst will give a short and informal talk at luncheon.

Fannie Hurst is one of America's most beloved authors and a great personality of our day. She started her career by writing short stories, published in volume form as early as 1914. Her novels, of which "Black Street" and "Imitation of Life" are the best known, have been translated into fourteen languages.

Besides a very active literary career, Miss Hurst has been conspicuously active in civic and intellectual fields and has lectured and traveled extensively.

Other speakers scheduled for the Grosse Pointe Celebrity series this season are Dwight Cook, Norman Rice, Ivy Baker Priest, and Honorable Ernest Gruening.

The second annual celebrity series has a lot to live up to as successful as the first. Last year the 115 members raised \$10,000 for the Assistance League of Bon Secour Hospital.

Mrs. Michael Chargo of Balfour road, is president of the Assistance League.

Working with Mrs. Goncz this year are the following committee chairmen: Mrs. Joseph McQuillan, co-chairman; Mrs. William Imhoff, properties; Mrs. Peter

J. Koenig, tickets; Mrs. John Conway Cook, circulation; Mrs. C. A. Greiner (Lakeshore drive), hostesses; Mrs. Orville Philli, advertising; Mrs. Clarence Kramer, talent; and Mrs. Evan Bayne, talent.

A limited number of season tickets are still available and can be ordered by sending your check for \$12.00 with your name and address to Bon Secours, 468 Cadieux, Grosse Pointe. The lecture series is held on the first Thursday of each month.

Tickets for individual performances will be available at the box office the morning of the performance.

One of a Kind Race Won By Raven Sloop

The first "one-of-a-kind" race ever held on Lake St. Clair became a reality last Sunday, September 25, when nine owners of one design class sailboats competed over the six mile triangular course off the Seven mile road dock.

Actually the race for first place was exciting as Barbier's Raven sloop "Frolic" crossed the finish line first and what appeared to be an easy victory.

Mr. and Mrs. Claude A. Greiner of Lake Shore road will be hosts for a cocktail-dinner party in their home on Saturday, October 1.

Catholic Women To Give Exhibit

Senior or retired citizens of Southeastern Michigan are being urged to submit applications by the National Council of Catholic Women for the Southeastern Michigan Arts and Crafts Fall Exhibit to be held at Kundig Center from October 21st through October 30th.

The NCCW has established a social service committee to assist the Archdiocesan Catholic Charities office in promotion of its projects.

All applicants must be persons of retired age, as the purpose of the exhibit is to demonstrate how wide and varied are the creative interests of these senior citizens.

Many resident homes for retired persons also have applications. These include homes of Catholic, Jewish, Lutheran, Methodist and other denominations.

Farms Sewer Damage Repair Cost Estimated

Several residents, in whose area sewer relief installations have been made, appealed to the Farms council on Monday, September 26, seeking council action on street repaving and repair of their areas.

A group of people, mostly from Grosse Pointe boulevard, appeared at the council meeting, and although the matter was not on the normal agenda of business, asked the city to take steps to repair the streets, curbs, driveways, etc., which had to be torn up to facilitate the installation of relief sewers.

He disclosed that there is an unexpected balance of \$11,000 left from the \$380,000 sewer improvement bond fund, which coupled with enough taken from a Public Improvement Reserve fund, should cover the cost of the repair.

The exhibit will be judged by the following members of the Ecclesiastical Arts Guild of Detroit: Joseph N. LeLauro, president; Gerald G. Diehl, secretary; Joffre J. Hyde, Margaret Bouché and Fritz Blumenau, members of the board of directors.

Funeral services for Mr. Clemens, 56, of 377 Merriweather, who died of a heart attack on Sunday, September 18, in Washington, D.C., was held on Thursday, September 22. Burial was in White Chapel cemetery.

Mr. Cotton, 54, of 170 Fisher road, sales manager of the Industrial Automotive Division of the Acme Quality Paint Company, died on Sunday, September 25, in Deaconess Hospital.

Funeral services were held yesterday, September 28. Burial was in Woodlawn cemetery.

Services in St. Paul's Church for Mrs. Nichols, 75, of 181 Lake Shore road, who died on Thursday, September 22, in Jennings Hospital, were held on Saturday, September 24. Burial was in Battle Creek, Mich.

She was a member of St. Paul's Church, the Garden Club of Michigan and the Grosse Pointe Country Club.

WILFRED E. CLEMENS

Funeral services for Mr. Clemens, 56, of 377 Merriweather, who died of a heart attack on Sunday, September 18, in Washington, D.C., was held on Thursday, September 22. Burial was in White Chapel cemetery.

Mr. Clemens had been in Washington as a financial adviser for the fiscal division of the U.S. Air Force for only a week when he was stricken.

Navy Recruiter To Aid Scouts

C/M Roy Roberts, USN, whose recruiting office is located in the Park Municipal Building, has made his services available to the scout troops throughout the Pointe area.

Chief Roberts revealed that he is ready and willing to aid scoutmasters in their program to teach young scouts the art of knot tying, first aid, and other things which go with the scouting program.

Also, said the chief, there are hundreds of films on Navy, life, etc., which he will be glad to show to the scouts, if scoutmasters wish it.

Scoutmasters and members of troop committees interested in balancing out a good program, should contact Chief Roberts at the Park City Hall, VA 2-6200, Ext. 8.

President Urges Hiring Physically Handicapped

President Dwight D. Eisenhower urged everyone to observe National Employment of the Physically Handicapped Week, October 2-8. Adding impetus to the campaign, he asked that a fourth "equality of opportunity" be added in our hearts to these of race, color and religion.

"Include in these qualities of opportunities," the president urged, "the equality of opportunity for anyone who may be physically handicapped so long as that person can be made a useful member of society."

Many of the physically handicapped who have found jobs in Detroit industry were first conditioned and trained at Detroit Goodwill Industries.

Last year alone Goodwill Industries sent over 300 handicapped people into private firms and since 1921 when Goodwill was founded in Detroit, over 20,000 handicapped men and women were trained at Goodwill before industry hired them.

Harold H. McKinnon, executive secretary of Detroit Goodwill Industries, pointed out that

everyone could help hire the Handicapped. He said: "Although Employment of the Physically Handicapped Week is primarily aimed at employers to acquaint them with the abilities of handicapped people, the week has a secondary purpose, that of making everyone in the Detroit area conscious of the worth of the handicapped person as an integral part of society.

"As an individual, the householder cannot hire a handicapped person, it is true, but they are able to aid immeasurably in keeping four-hundred handicapped people gainfully employed at Goodwill Industries. These workers renovate usable discarded which would otherwise be wasted. They sell them in six Goodwill Industries' stores. During this week, it would be a nice gesture if everyone who was able to do so would fill a Goodwill bag."

It must also be remembered that this National Employment of the Physically Handicapped Week is merely meant to draw attention to a growing problem in our community. The problem exists throughout the year and there is no easier way for the average person to help his less fortunate neighbor than to remember Goodwill Industries, when discarding materials.

Council Hears (Continued from Page 1)

Kercheval and Chalfonte did not seek signatures of the people on the other side, until it was discovered that the businessmen had sent letters to these people seeking their favor in having McMillan closed.

No Public Hearing Now

After the pros and cons of the closing was discussed, the council agreed that the matter should not be referred to a public hearing for the present.

Mayor Connolly stated that the matter appeared unsolvable, but suggested that the interested people write letters to City Manager Harry Furton with suggestions as to what should be done as a way of solution. He said that perhaps some of the suggestions might bring about the solution that would prevent a possible closing of McMillan.

Too many people try to make an honest dollar dishonestly.

Salk Vaccine (Continued from Page 1)

will inoculate the 5-9 year old age group first along with pregnant women.

Available Soon to All

Before the next polio season rolls around Dr. Davies believes immunization will be available to everyone.

Of the 14 cases of polio reported this season in the Grosse Pointe and Harper Woods area only one was paralytic. Only one of the 14 had been inoculated and his case was not paralytic.

This figure compares favorably with the 1954 figure of 43 cases. Not since 1951 have there been so few polio cases reported in the area.

Dr. Davies, on behalf of the Wayne County Health Dept., wishes to thank all the individuals and organizations who made the program so successful.

Among those participating in the operation were volunteer physicians and nurses, members of the Mothers Health Council, Bon Secours Hospital, school personnel and above all mothers and children.

Torch Drive (Continued from Page 1)

Money raised in Grosse Pointe goes toward the support of 150 health and community services, all of which are available to residents of this region. During 1954, statistics released by the United Community Services showed, seven Grosse Pointe children were cared for by child care services made possible by the Torch Drive.

Another Grosse Pointe child was cared for in an institution supported by the Torch Drive, one Grosse Pointe mother was aided by a Torch Drive-supported maternity home; 62 Grosse Pointe families were helped by family services which benefit from the Torch Drive; another 62 by special services; 14 by health services; 11 by clinic and outpatient services; 149 by nursing services; one by the UAW-CIO Mental Hygiene Clinic, and 69 by miscellaneous services.

5,830 in Group Work

In addition to those benefitting from child care, health, family and miscellaneous services, 5,830 Grosse Pointers were members of group work and recreation services made possible by the Torch Drive.

Group work and recreation services which benefited Grosse Pointers include youth-serving organizations such as the American Youth Hostels, 20 Grosse Pointe members; Jewish community center, 5; International Institute, 112; YMCA, 248; YWCA, 1024; Boy Scouts, 1,359 in 32 troops; Camp Fire Girls, 77 in six troops; Girl Scouts, 1,707 in 67 troops.

Civic Centers Helped

Settlements and community centers provided recreation and training for another 1,284 Grosse Pointers. Three were members of the CYO Community Center; two of the Delray Neighborhood House; 459 of the Grosse Pointe Woods Community Club; eight of the Harper Community House of the Polish Aid Society; and 812 of the Grosse Pointe Neighborhood House.

In addition to services provided through United Community Services, the Torch Drive provides funds for many other agencies, principally in the health field, which benefit Grosse Pointers but from which exact figures on services are not available.

These include the Roscoe B. Jackson Memorial Laboratory, Leader Dogs for the Blind, Michigan Association for Better Hearing, Arthritis and Rheumatism Foundation, National Multiple Sclerosis Society, Sister Elizabeth Kenny Foundation, Children's Aid Society, Michigan Epilepsy Center, Michigan Heart Association, and Michigan Nursing League.

Others are Michigan Society for Mental Health, United Cerebral Palsy Association, United Defense Fund, including USO, American Red Cross, American Cancer Society, Metropolitan Detroit Polio Foundation, Detroit Orthopaedic Clinic, Detroit USO, and Detroit area's quotas for such organizations as the United Health and Welfare Fund services.

FISH HOOK

Park police took Fred Neal of 931 Nottingham, to Bon Secours Hospital on Monday, September 19, after a three-barbed fish hook embedded in his right forearm while fishing at the Park waterfront park.

The world would make more progress if fewer people sat on the fence waiting for opportunity to come their way.

Lutherans Honor 25th Anniversary

Next Sunday St. Paul Ev. Lutheran Church, Chalfonte and Leokrop, will participate in the 25th anniversary of the formation of the American Lutheran Church. Special speaker at the 10:45 a.m. Service will be professor Robert Spielger of the Lutheran Theological Seminary, Columbus, Ohio.

The annual Rally Day of the Sunday School will be observed with an appropriate program being planned for 9:30. Mr. Robert Gibson is the superintendent.

A "Fall Round-Up" has been arranged for tomorrow evening at 7:15 for children and young people. There will be western games, western entertainment and western refreshments. "Davy Crockett" will be in charge.

Pessl, who has taken many trips to the Hudson Bay area, told of killing ptarmigan and some fish to augment their meager supply of food.

While he remained at Baker

Lake his four companions were flown to Churchill, Man., so that they could return to college.

They were George Grinnell, of New York; Bruce LeFavour, of Amsterdam, N.Y.; Edward Lanouette, of San Paulo, Brazil; and Peter Franck, of Woodside, Calif.

Mr. and Mrs. Pessl were relieved to learn of their son's safety, although they mourned the death of Moffatt, "a wonderful friend and advisor," to their son. The geologist is survived by his wife Carol and two small children.

When Skip returns home after his tragic mission he will journey to Norwich, Vt., to visit his friend's widow. He is planning on entering the Navy.

Thief Ransacks Thompson Home

An unknown thief entered a Park home in the absence of its residents and ransacked the place thoroughly, taking a small sum in cash and several valuable items, it was disclosed by Park Police Chief Arthur Louwers.

Chief Louwers stated the incident occurred on Thursday, September 22, at the home of Mr. and Mrs. Stanley Thompson, 1367 Balfour.

The thief entered the home by breaking the glass of a rear door of the house and turning the lock. He ransacked all the drawers in the house.

Mrs. Thompson informed the authorities that she had left the house and was gone all day, and when she returned she discovered the work of the intruder.

Reported missing, according to Det. Don Dean, was \$35 in cash; \$16 worth of U.S. bond saving

stamps; a suit case; two musical instruments, a clarinet, valued at \$200, and a trumpet, worth \$70; and a set of silverware, which cost \$200.

The thief completed his work between the hours of 12 and 3:45 p.m.

Cranbrook Attracts 4 Pointe Youths

CRANBROOK — Four young Grosse Pointe boys were recently admitted as new students to Cranbrook School in Bloomfield Hills.

James T. Barnes, son of Mr. and Mrs. James T. Barnes, Sr., 910 Lakeshore drive, will enter the ninth grade. He is fourteen years old.

Mr. and Mrs. Harold O. Love's son, Robert E., will be a boarding student in the eighth grade. He previously attended Parcels Jr. High School in Grosse Pointe. The Loves live at 56 Lochmoor blvd.

John T. Mitchell, sixteen-year-old son of the James T. Mitchells of 1466 Lochmoor blvd. is a tenth grade boarder coming from Grosse Pointe High School.

The fourth "new boy" is Albert E. Vossler. He is the son of Dr. and Mrs. Albert E. Vossler, Sr., 222 Moran road. During the coming year Albert will be a tenth grade boarding student. He previously attended Grosse Pointe High School.

Letter Writing Week Oct. 2-8

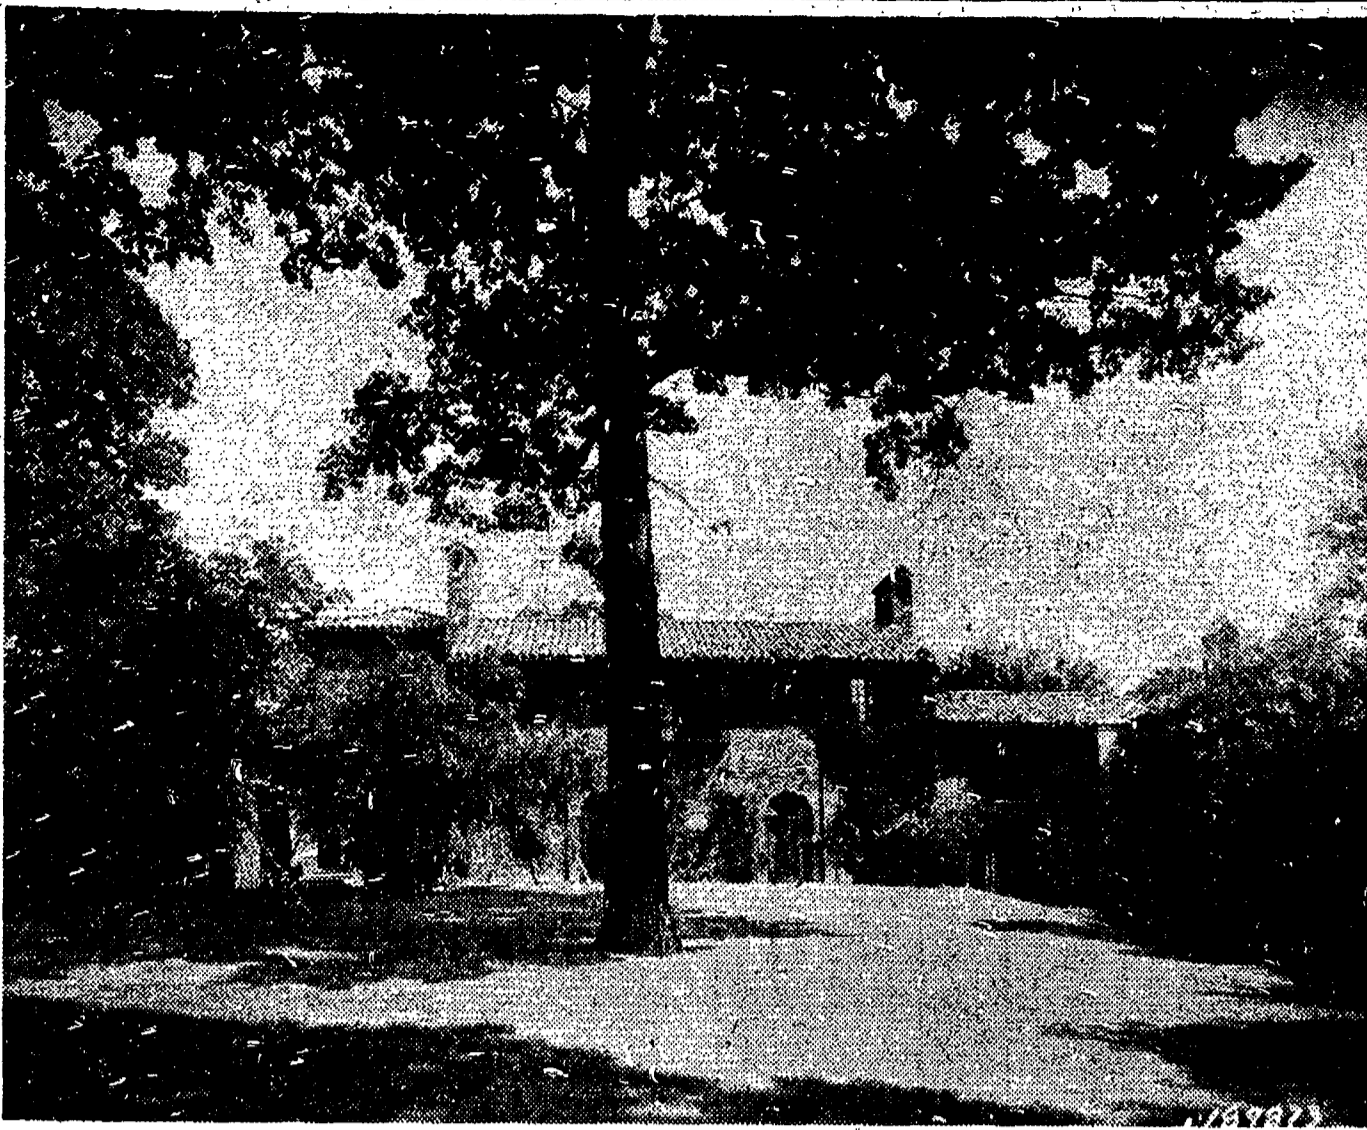

Postmaster General Arthur E. Summerfield has proclaimed the week of October 2 to 8 as National Letter Writing Week for 1955.

The enthusiastic and widespread interest shown in this worthwhile endeavor by the public and postal employees has been most inspiring and their universal participation has served to make it progressively successful.

Postmaster Edward L. Baker urges all Detroit area residents to observe this event by writing letters to loved ones, old friends, a forgotten disabled veteran in some far off hospital, and servicemen and women everywhere.

Letter writing week presents unlimited possibilities for promoting good. It is through the medium of letters that the intervening miles separating families and friends are bridged with messages of love and hope, and courage. As a result of the observance of Letter Writing Week many home ties are renewed, old friendships recaptured and new ones discovered.

Postal employees are very close to the hearts and everyday life of the American people and it is their sincere hope that the celebration of this event will bring pleasure and happiness to millions throughout the country, and that the resulting letters will serve to renew many contacts and friendships which might otherwise have been lost.

Above, the CHARLES A. DEAN, JR., Lewiston road home and below the lake shore road home of MRS. STANDISH BACKUS will be among the 20 mansions discussed tonight by Hawkins Ferry, noted architect in a lecture beginning at 8 o'clock at Grosse Pointe War Memorial.

Museum's Trio of Exhibits Draws Pointers Interest

Three special exhibitions of Philadelphia mansion reconstructed within the museum walls.

Two "new" old rooms from two of the most famous eastern seaboard examples of colonial architecture have been installed on the second floor of the hall and decorated with specially woven fabrics and fine antiques.

In addition to the hostess chairmen, most of the other members of the Women's Committee will be on hand to greet guests. They are: Mrs. Lawrence Fleischman, Mrs. Edsel B. Ford, Mrs. R. M. Hansen, Mrs. A. H. Meyer, Mrs. James O. Keane, Mrs. Russel Nowels and Mrs. Donald Shelley.

The hours are from 8 to 11. A refreshment table will be set in the Great Hall adjoining the exhibition galleries. Largest of the three special exhibitions will be "Collection in Progress," consisting of some 65 paintings and sculpture from the collection of youthful Detroiters, Mr. and Mrs. Lawrence A. Fleischman. One of the top private collections in America, it spans 180 years—from John Singleton Copley in the 18th century to the contemporary Franklin Watkins.

Next in size will be the show of Indian Arts of Alaska and the Pacific Northwest, a colorful and exotic group of costumes, carvings, ceremonial paraphernalia and utensils.

Small and extremely select will be an exhibit of 18th Century American Decorative Arts in Michigan Collections including some of the finest antique furniture, silver and ceramics in the country.

These three reviews of American art have been assembled to celebrate the reopening of one of the Institute's greatest treasures, Whitby Hall, the 18th century

Slippery Wheel Causes Crash

A slippery wheel caused a good deal of grief for driver Stella Aynes of 36454 Fierz in Mt. Clemens Sunday, September 18.

Mrs. Aynes told the Park police that a slippery wheel was the cause of the accident in which she rammed a tree at the corner of Jefferson and Bedford.

She was turning right onto Jefferson when she lost control. Considerable damage was done to her car. She was issued a ticket for not having her car under control.

Lane Going to Parley Of Engineers in Miami

The City of Grosse Pointe Park will not be represented at the City Managers Conference, this year to be held in Bretton Woods, N. H., it was learned this week. Instead, City Manager Everitt Lane will travel to Miami Beach to attend the Municipal Engineers Conference and Public Works Assembly.

Said Lane, "I think more can be learned from the Miami conference, which I haven't attended in a few years." Lane has been a regular member of the City Managers' group for some years. This is the first time in a number of years that the City Managers Conference has not been held in Miami Beach. The Engineers conference and Public Works Assembly will be a four day meeting held in January.

Mrs. Robinson to Host Clark Women's Club

Members of the Clark Women's Club will gather at the home of Mrs. Grace Robinson, 664 Shoreham, Grosse Pointe Woods, on Monday, October 3, at one o'clock for its first meeting of the year.

In the crisp autumn air, tea will be served in the garden and guests and members will have an opportunity to enjoy the panorama of color in her lovely garden. Hostesses for the afternoon will be the past presidents.

The guest speaker for the occasion is Reverend Lewis L. Redmond, director of the Cass Community Recreation Center. The focal point of his talk will be the work carried on at the Center.

For the club year, the program Mrs. Mack-Monroe, has planned committee under their chairman, a very diversified calendar which should be of interest to all.

Included on the slate are: "How to Develop Charm and Personality"; "Youth Problems"—by a member of the Governor's Youth Committee; "Your Spring Garden"; a film on "Poor Joe in Europe"; and music and monologues.

Under the able direction of Mrs. M. E. Johnson and Mrs. W. F. Heyd and their committee, plans are under way for the Club's benefit luncheon and fashion show which will be held at the Grosse Pointe War Memorial on October 26.

Proceeds from this affair will benefit the aged cared for by the Cass Community Recreation Center.

U of D to Discuss Training of Foreign Language Profs

The problems of training future instructors in foreign languages for both high schools and colleges will be the considerations of a panel discussion at the fall meeting of the Catholic Association of Foreign Language Teachers at the University of Detroit, Saturday, October 8.

An interpretation of the writings of Gertrude von Le Fort, contemporary Catholic German novelist, will also be discussed at the meeting.

The Very Reverend Celestin J. Steiner, S. J., president of the University of Detroit, will welcome the delegates to the fall session. Dr. Jose E. Espinosa, vice-chairman of the U. of D. Department of Modern Languages and president of the association, will be the meeting chairman.

More than 80 members of the association are expected to attend — representing 21 high schools, 9 colleges and 2 universities in Ohio and Michigan.

Dr. J. J. Peirolo, professor of Spanish and Italian at John Carroll University, Cleveland, Ohio, will be the chairman of the panel considering teacher training.

The panel members are: Sister M. Bertrand, O.P., chairman of the department of Modern Language at Aquinas college, Grand Rapids, Mich.; Sister Laurine, O.P. professor of Spanish at Sienna Heights college, Adrian, Mich.; Sister Trinita, I.H.M., professor of Latin at Marygrove college, Detroit, Mich.; and Dr. J. Edouard Comeau, assistant professor of French at the University of Detroit.

The Catholic Association of Foreign Language Teachers was founded in May, 1953 as an instrument of intellectual, scholarly, social and spiritual companionship among Catholic teachers of foreign languages.

In addition to the program above, the delegates will view French and Spanish films.

Prosperity, Peace Seen Possible

ANN ARBOR — A world of peace and prosperity is possible, provided "men turn their minds and hearts to the solution" of the problems of war and depressions.

This is the conclusion reached by J. Philip Wernette, professor of business administration at The University of Michigan, in a book, "The Future of American Prosperity," published by the Macmillan Co.

Professor Wernette says "major depressions can be prevented in the future by the combined actions of private enterprise and government."

For the government, he recommends the establishment and operation of a "functional fiscalmonetary system" which would supply an appropriate money supply, properly timed, to provide an adequate market for "the huge and growing stream of goods which an expanding economy can produce."

On the subject of war and peace, he said a world race is going on—a race between cooperation and catastrophe. "Men of good will have only one course—that of supporting world cooperation. Without that, the fragile thing which we call civilization may disappear from the face of the earth in a final holocaust."

In the 262-page book, which is well supplied with charts and tables, Professor Wernette reviews the economic history of the past and present and takes a look into the future.

Rackham Choir Asks for Singers

Placement tryouts for the Rackham Symphony Choir, which is sponsored by the University of Michigan Extension Service, will open at the Rackham Educational Memorial on Tuesday, October 4, and continue through the first few weekly rehearsals. The Choir meets at 7:30 p.m. each Tuesday.

Qualified singers in the Detroit area are invited to join this mixed group, which has been acknowledged as one of the major musical organizations of the city.

Trained and conducted by Maynard Klein, nationally known choral festival leader, the Rackham Symphony Choir is the official choral group of the Detroit Symphony Orchestra, and appears in concert with the Symphony once or twice during the season. This year, it will sing Mozart's "Requiem" with the Symphony in March.

The Choir is also planning a concert of its own at the Rackham Educational Memorial in December. Prof. Klein announces. For this program, the group will sing the Bach "Magnificat" and other major Christmas works as well as part songs and motets appropriate to the season.

Since the Choir is organized as an extension class, an enrollment fee of \$12 for the entire year is charged to help in defraying expenses.

Pvt. Ronald B. Hopkins Aids Forest Fire Fight

YREKA, Calif. — Army Pvt. Ronald B. Hopkins, son of Mr. and Mrs. P. B. Hopkins, 448 Colonial ct., Grosse Pointe, Mich., recently helped fight forest fires in the Klamath National Forest near Yreka, Calif.

Private Hopkins, a member of the 2d Infantry Division at Fort Lewis, Wash., was returning to the fort from Camp Roberts, Calif., where he had helped with summer Reserve training. His convoy stopped at the disaster and he was on the fire lines for five straight days.

Hopkins is a rifleman in Company E of the division's 23d Regiment.

Ford Motor to Entertain 30 Best Young Craftsmen

Ford Motor Company will entertain 31 of the nation's best young craftsmen — top award winners in the 1955 Ford-sponsored Industrial Arts Awards competition — with a three-day holiday program in Detroit and Dearborn beginning Thursday (September 29).

The visitors, who will arrive from 15 states and the District of Columbia, include winners of outstanding achievement, ingenuity and creative design awards in the IAA program. Detroit is represented by Merle Baghtel, 14, of 11800 Patton, whose booklet received a top award in the program's printing division.

Ford also will be host to instructors of the award-winning youths for the three days of entertainment.

As a highlight of their Dearborn visit, the winners will receive their certificates and cash awards at a banquet Thursday night from George W. Walker, Ford vice president and director of styling. Harold S. Vincent, superintendent of Milwaukee, Wis., schools, will be the banquet speaker.

Other events planned for the students and teachers include a visit to Windsor and tours of Greenfield Village, Henry Ford Museum, Ford's Rouge plant, Fair Lane, former residence of the late Henry Ford, and points of interest in Detroit. They also will inspect the company's styling, engineering and test track facilities.

On the last day of their stay, the group will visit the University of Michigan campus and attend the Michigan-Michigan State football game.

Entries which won recognition for the 30 boys and one girl now are on display in the Rotunda, Ford's Dearborn exhibition building.

In its sixth year of Ford sponsorship, the IAA competition attracted 40,000 entries from every state, U.S. territory and Canada. The program seeks to encourage pride of craftsmanship and creative imagination among the nation's students in junior, senior and vocational high schools.

City Denies Firm Building Permit

The City council, at a public hearing held in the Neighborhood Club, turned down a request by a real estate company to build an office building at Mack and Notre Dame.

Approximately 40 in the immediate area were present at the hearing on Monday, September 26, to give their views on having such a type building in their neighborhood.

GP Women's Club Hears Doctor at Fall Session

At the meeting of the Grosse Pointe Woman's Club at the Grosse Pointe Memorial Center

on September 21, Dr. Harvey M. Merker, Director of Public Relations for Parke Davis Company, was guest speaker.

Dr. Merker, who was introduced by Mrs. Kennard L. Jones, listed important discoveries in the field of medicine from a hundred years ago to the present day.

Mrs. D. M. Corson, President, expressed the feelings of the entire audience when she thanked Dr. Merker for sharing an afternoon of his busy and interesting life.

The beautiful bouquet of roses which adorned the speakers' table was presented by the National Rose Festival. The Grosse Pointe Woman's Club was one of the few clubs in the Detroit area to receive the award, which is given annually to organizations for outstanding community service.

Mrs. G. R. Koester, chairman of the Service Group, gave an outline of extensive plans that will include a variety of services. One of the Service units, with Mrs. P. B. Hopkins as chairman, has done admirable work with the Blood Bank. Throughout the summer there was excellent cooperation of members of the club.

Plans for the Literature Group were presented by the chairman, Mrs. Alfred Mitschke. The first meeting is to be October 12, at the Friends Room of the Grosse Pointe Public Library, and will continue to meet there the second Wednesday of each month. The time is one o'clock.

The first meeting for bridge will be October 5, at the Memorial Center, at 12:45. All members who are interested in an afternoon of bridge or canasta are urged to remember the date. Bridge chairman is Mrs. Richard Stoner. The group is scheduled to meet the first Wednesday of the month throughout the year.

Mrs. Charles Park and her committee are making plans for a telephone card party to be held the first week in November.

Preceding the meeting, at which there were a hundred and thirty members and guests, there was a social tea hour, with Mrs. Earl Walke as hostess. Assisting at the tea table were Mrs. J. G. Scales, Mrs. Frank Wilson and Mrs. P. B. Hopkins.

Wayne to Start Educational TV

Wayne University will begin operations on Detroit's educational television station, WTWS (UHF channel 56) Monday, October 24, at 8 p.m.

The TV studio is located in the old auditorium of the University's Old Main Building. The studio is large enough to telecast as many as 21 programs consecutively including large concerts, dance and ballet programs.

Wayne will present adult education programs every night of the year from 8-8:30 and 9-9:30 p.m. and will also televise many special programs at other times.

Programs for the adult viewer include "Whyne Reports," a report of University events to the community (Mondays, 8 p.m.); "Today's Student," typical and unusual Wayne students are interviewed (Monday, 9 p.m.); "Comment," University professors discuss trends in the news as it affects their fields (Tuesdays, 8 p.m.); "Search and Research," discussion of the relation of physics to the life of modern men (Tuesdays 9 p.m.); "Conversational French," forty French classrooms of the air (Wednesdays and Fridays, 8 p.m.); and "Parliamentary Law," lectures explaining correct procedures of order in governing bodies (Wednesdays, 9 p.m.).

"All programs are supervised by members of the Wayne TV staff and their production is effected by qualified students," according to Dr. Paul Rickard, director of University radio and television activities. "The Wayne studio provides a training ground for the many TV courses offered by the University."

It's a little strange that some of the self-made men didn't take time to do a first class job.

The person who has learned to keep his troubles to himself has learned the secret of popularity.

Cass Opens Fall Season With Anniversary Waltz

When "Anniversary Waltz," the laugh-packed comedy hit by Jerome Chodorov and Joseph Fields, opens a two-week engagement at the Cass Theater on Monday evening, October 3, local playgoers will be witnessing in action four performers who've achieved the mark of popularity. They're Leif Erickson, Phyllis Hill, Howard Smith, and Josephine Brown.

Erickson has distinguished himself both on stage and screen. Prior to "Anniversary Waltz" he was acclaimed for his excellent portrayal of the bullying schoolmaster on the New York production of "Tea and Sympathy" opposite Deborah Kerr and Joan Fontaine.

Phyllis Hill was first seen in the theatre as a member of the Mordkin Ballet, soon deserted classical realm for musical comedy, and then went into straight dramatic work. Before "Anniversary Waltz" came along, audiences saw her on Broadway in "The Fifth Season."

Howard Smith has had a noted career in show business, first as a vaudeville act, then a radio actor, to be followed up by work in front of Broadway's footlights and then picture-making in Hollywood.

Josephine Brown is a performer of long standing. She was William Gillette's leading lady in his last production of "Secret Service," she played opposite John Barrymore, she appeared with Maurice Evans in "Man and Superman," and with Audrey Hepburn in "Gigi."

"Anniversary Waltz" is being presented by Joseph M. Hyman and Bernard Hart, for whom the popularity tag also applies. In the past, they've sponsored such endearing productions as "Dear Ruth," "Light Up The Sky" and "Make Mine Manhattan."

Director is Moss Hart whose previous contributions have been "Once In A Lifetime," "You Can't Take It With You," "The Man Who Came To Dinner," "As Thousands Cheer," "Lady In The Dark" and "Winged Victory."

While on the subject of popularity, authors Chodorov and Fields, come in for their share, as well. They've been basking in successes since they first combined to write "My Sister Eileen." Other creative triumphs include "Junior-Miss," "Wonderful Town" and "The Girl In Pink Tights."
