Mailman's Car Blaze Doused

Farms Patrolman John J. Farley, made haste to report an automobile fire he discovered while cruising in a squad car behind the Post Office on Mack avenue, Tuesday afternoon, February 5.

The blaze was in a 1955 Ford belonging to mailman Paul Brazear, who was in the post office checking out for the day. A small fire flared in the front seat while he was gone.

Another Delay Obtained By Parking Lot Opponents

It appears that a trial date when the City of Grosse Pointe Farms and the Board of Education will meet the Gabriel Richard School Improvement Association in court, will not be forthcoming until sometime in March.

After several postponements, lawyers representing all three groups met in circuit court last Friday, February 8. The improvement Association had obtained a court order in December of last year, challenging the Mayor and Council of the Farms to show due cause why an injunction should not be filed against the Farms because it negotiated a reciprocal lease with the Grosse Pointe Board of Education, agreeing that in exchange for a 65-foot wide strip running along the rear of the Richard School playground, to lease to the Farms for development into additional parking facilities; the School Board would be allowed to use the parking lot at the Farms' Municipal Pier for the driver training program.

The reciprocal lease would run for five years and could be terminated by either party. A court date was set for January 18, but on the day before the trial, the Improvement Association obtained a further delay when it asked that the Board of Education be named a co-defendant in the case.

On Friday of last week, at the trial, the Improvement Association argued that it had a right to the parking lot and that the Farms' lease was illegal. (Continued on Page 5)

Compile Background Information on Ten Council Candidates

League of Women Voters Interrogates Aspirants for Positions on Grosse Pointe Farms Governing Body

General background information concerning candidates for the Grosse Pointes Farms Council was compiled this week by the Voters Service Chairman of the League for presentation to the voters of this area.

The information was obtained by asking the candidates the following three questions:

- 1) What do you feel are your chief qualifications for the office you seek? 2) Why are you interested in this position? 3) What do you propose to do if elected?

WILLIAM F. CONNOLLY, JR., 48, 54 Moran road, is an incumbent candidate for re-election to the Farms City Council. Having received his A.B. and L.L.B. degrees from Georgetown University Mr. Connolly is now a practicing attorney with offices in the Buhl Building and has been a resident of Grosse Pointe for 25 years.

Mr. Connolly has served as Assistant Attorney General, Assistant Prosecutor of Wayne County, served on the Council of the Village of Grosse Pointe Farms and President of Village of Grosse Pointe Farms and is at present Mayor.

In his statement for publication Mr. Connolly said, "I enjoy public service and feel that I can contribute to our community. My experience of the past 12 years on the Council I feel qualify me for continued service. If elected I propose to continue the present policy of economy commensurate with service necessary to maintain the community."

GEORGE S. LANG, 50, incumbent Councilman for Grosse Pointe Farms, lives at 485 Kerby road. He holds an A.B. degree from Wittenberg College and is associated with the Underwood Corporation as an accounting machine salesman and procedures analyst.

Mr. Lang has served the community as Farm representative on the Wayne County Board of Supervisors and as a member of the Wayne County Tax Committee. He is active in the Grosse Pointe Farms Trap Shooting Club and the Out-County Supervisors Association.

Mr. Lang feels that 21 years as a salesman in Washtenaw, Oakland and Macomb counties, in the capacity of Municipal specialist, has provided him with a thorough knowledge of municipal government and many problems that come before a council for action.

He further states, "This almost daily contact for discussions on utility billing, taxation and various city expenditures has given me guidance in our own council chambers. As Wayne County supervisor I have faithfully attended every meeting and voted on all issues with the thought of what would be best for our community as well as the county. Besides the current issues presented, this contact has afforded many helpful discussions with various civic leaders of neighboring communities concerning problems common to all of us. General information and various viewpoints derived from these discussions have also been of great value to me."

These advance indications of approval," Zentgraf said, "seem to me to prove again that the residents of Grosse Pointe, in overwhelming numbers, want to continue the fine kind of school system which we have."

"Although not always adequate in volume, nevertheless our physical school plant provides an efficient and highly functional atmosphere in which to conduct the important job of teaching. We have superior boys and girls in our area, for which we are very fortunate. To meet their needs as well as the broad needs of our community, we have concentrated for many years on having a teaching staff second to none."

Benefits for All "Having a school system which not only provides great educational opportunities for our children but also keeps and attracts the highest type of person to our area is an enormous advantage to all of us."

"The proposal of the Board to obtain four additional mills of operating expense primarily for teachers' salaries is a sound business move for our community. Likewise, it is sound for the Board to include in this levy the funds necessary to finish equipping the 1956 building projects."

"The P.T.A. Council is appreciative of the enthusiasm already exhibited for the Board's action. We hope everyone will vote for support of the School Board and the school staff on March 5."

Thief Loots Garage

Wilson Jackson of 1269 Aline, reported the larceny of several items from his garage to Woods police. In disclosing the thefts on Monday, February 4, he said the following were missing: a tricycle, a power lawnmower, and a set of golf clubs and caddy cart. Their total value was \$164, he said.

Ten Seeking Council Seats In Farms

All Pointe Polls to be Open For Balloting on Sate and County Candidates

The Pointe is set for the state and county primary election to be held on Monday, February 18, with the Farms the only Pointe community concerned with its own primary for local offices.

The prediction, based on past experiences, is that the voting on this day will be very light.

36,480 Registered Here

At the last official count, the Pointe boasted a total of 36,480 registered electors, many of whom, it is safe to say, will not avail themselves of the privilege of making their wishes known on who is to run their government.

Yesterday, February 13, Farms voters were presented an opportunity to meet the 10 candidates for offices in their city, to learn of their qualifications and how each stands on local issues. They met these aspirants at a Town Hall meeting held in the Grosse Pointe High School, under the sponsorship of the League of Women Voters, a non-partisan organization.

First in 15 Years

The Farms primary will be the first held by that city in more than 15 years, and it will be interesting to note how many of the city's 3,767 voters will go to the polls. Seven vote-machine precincts will be staffed and ready to expedite the voting.

Ten candidates, four of them incumbents, are seeking seats on the council.

There will be no primary for the lone candidate for the office of justice of the peace.

Asking for a return to office are incumbents, William F. Connolly, present mayor; George S. Lang, Neil McEachin and Richard L. Maxon.

Opposing them will be Henry E. Bodman II, Paul A. Eagan, W. J. MacLeod, Jr., Joseph V. McQuillen, Henry L. Petri and J. Lawrence Buel, Jr.

Four to Be Elected

The three candidates receiving the highest number of votes, will serve on the council for four years; the fourth highest vote getters will serve for two years.

The council members themselves elect the mayor and mayor-pro-tem, who serve in that capacity for only one year.

The big issue, which might sway the voting, is that of the parking development controversy in the municipal parking lot in the Kercheval-on-the-Hill business district.

The city council favors the developing of a strip of the Gabriel Richard playground at the rear of the Muir road property line, for additional parking. The land has been leased from the Grosse Pointe Board of Education.

Polls throughout the Pointe will be open from 7 a.m. to 8 p.m., Monday, and all eligible voters are urged to vote.

Safety Patrol Boys See Circus

Last Friday afternoon the Safety Patrol boys from Defer and St. Ambrose Schools were sent to the Shrine Circus by the Fraternal Order of Police, Grosse Pointe Lodge 102.

An associate member, who wishes to remain anonymous, paid for the general admission tickets, furnished box seats for all 92 boys and paid for the two buses to transport them and their two escorts, Grosse Pointe Park police officers Arthur Conlan and Donald Del Place.

The boys were treated to refreshments at the circus from the funds of the F.O.P.

RECOVERS FROM ATTACK

Charles Trombley of 1241 Beaconsfield, was picked up by Park police on Thursday, February 7, when he suffered a heart attack in his home and was taken to Bon Secours Hospital. He was released following recovery.

Both Drivers Blamed for City Crash

Three Persons Injured as Two Cars Run Amber Lights At Cadieux and Jefferson

Two drivers were ticketed by Park police on Sunday, February 10, for an accident which caused injuries to three persons.

Ticketed were John H. Boughner, 21, of 1451 Townsend, Detroit; and Elwood C. Ellison, 64, of 233 Eastlawn, Detroit, both believed to be at fault in a collision of their vehicles at Cadieux and Jefferson.

Ignore Signal

Boughner, it was said, was driving west on Jefferson and went through an amber light at the intersection, just as Ellison who was traveling west, was making a left hand turn onto Cadieux on the amber. Both cars collided.

Reported injured were Mrs. Ellison, 63, wife of Ellison, who suffered severe cuts on the forehead and right upper eye lid; Ellison, who received cuts on the upper lip and facial abrasions; and Miss Bobbie Scalf, 20, of 629 Sheridan, Detroit, passenger in Boughner's car. She suffered severe abrasions below both knees and a possible broken leg.

Taken To Hospital

The injured were taken to Bon Secours hospital for treatment. Miss Scalf's leg was x-rayed, but no report as to whether it was broken was received.

Boughner was ticketed for going through an amber light, and Ellison received one for making a left turn on an amber, causing the accident.

Both drivers will appear in court on March 13.

Damaged besides the cars, police said, were two city owned signs, one indicating the city limits, and the other, a speed electric time sign.

Find Bad Check Artist in Jail

Farms police had no difficulty in locating Donald J. Berry, who was reported as passing a no account check in a local grocery store.

A check with Wayne County police authorities disclosed that Berry is serving time in the county jail. The Farms placed a hold on the man when he is released.

City Planning to Continue Fight Against Elm Disease

The following is a report by Norbert P. Neff, city manager for the City of Grosse Pointe:

"During 1957, your City will engage again in the fight to save elm trees from the ravages of Dutch Elm Blight Disease which has devastated many communities in the United States. We are entering our sixth year of this battle, and the success of our efforts is proven by the fact that only fifteen trees had to be removed in 1956 in this City, of which number seven were City trees in street or public property."

In our square mile we have a total of close to eleven thousand trees of all kinds. Of this number about three thousand are in public, City owned areas or in the streets. Not all are

elms, it is true, but elms are predominately in the majority. We have learned a good deal about spraying and other forms of control. The developments in the perfection of the chemicals used in both dormant and foliage sprays have been progressive. However, after extensive consideration we do not feel that we can as yet dispense with either of the sprays.

Consequently, we will continue with the early (dormant) spray as soon as weather and temperatures permit. It is not feasible or effective to spray if temperatures are under 30 degrees, wind more than twelve miles per hour, while the trees are frosted or wet, and before the buds break. Compile Background Information on Farms Council Candidates to Help Voters in Election

(Continued from Page 1)

ussions have also given me guidance in our present council chambers."

If re-elected Mr. Lang said he will help maintain the fine standards established in the community, and to conscientiously and honestly consider each problem as it arises.

*** NEIL S. MCEACHIN, 55, 348 Hillcrest road.** Incumbent for re-election to the Farms City Council. Mr. McEachin is a graduate of Junior College in Hibbing, Minn. and studied art display and design at Koester School, Chicago. A Grosse Pointe resident for 30 years he is head of McEachin Sign and Display Co.

He is now a member of the Grosse Pointe Safety and Traffic Council, has been a member of the Grosse Pointe Lions Club, Grosse Pointe Optimist's Club and the Grosse Pointe Rotary. For the past 11 years he has been a member of the Grosse Pointe Farms Council.

Mr. McEachin feels his qualifications for the office of councilman are his interest in the business part of the municipality since he has been a business man for 26 years, plus 4 years practical engineering experience. As a property owner for 30 years and a family man with children, he is interested in betterment to the council he proposes to continue giving Grosse Pointe Farms the best service at the lowest possible cost in taxes.

*** RICHARD L. MAXON, 61, 220 Country Club drive,** councilman of Grosse Pointe Farms

is an incumbent candidate for re-election to the Farms City Council. After graduation from Detroit University School in 1912 Mr. Maxon received his A.B. degree from Trinity College, Hartford, Conn., in 1916. He is in the Real Estate business and has been a resident of Grosse Pointe for 23 years.

Mr. Maxon is a past president of the Grosse Pointe Rotary Club. Between 1944 and 1949 he was a trustee of the Village of Grosse Pointe Farms and since 1949 has been a councilman of the City of Grosse Pointe Farms.

Mr. Maxon believes everyone should take part in some form of community service. To him City Government is an especially interesting activity of this nature. If elected, he states he will continue to give careful thought to matters and problems as arise with the view of continuing the character of Grosse Pointe Farms as a high class residential community.

*** HENRY E. BODMAN II, 211 McMillan road.** A Grosse Pointe resident for the past 18 years Mr. Bodman is presently serving in the U.S. Army under voluntary draft as an Army Auditor in the Contract Audit Division of the U.S. Army Audit Agency. He received a B.A. degree at Princeton Univ., M.B.A. in Business Administration, Univ. of Michigan. To date has not held a public office.

Mr. Bodman states, "I have a familiarity of governmental problems, especially in management, public relations, finance and personnel administration. I also feel I can bring a fresh and unprejudiced viewpoint to a council which has remained substantially unchanged for many years, and that I will be able to devote the necessary time and effort to administer the duties of office." If elected, he proposes to, "Contain commercial business in its present boundaries both on the Hill and Mack avenue, oppose rezoning of public and residential property for business use. Initiate measures to discourage heavy traffic on residential streets which now endangers the lives of children. To hold taxes down by elimination and/or preventing all city expenses

which benefit individuals or groups rather than taxpayers as a whole."

*** J. LAWRENCE BUELL, JR., 51, lives at 69 Vendome road** and has been a resident of Grosse Pointe for 25 years. He is a graduate of Detroit Public Schools, received a B.S. degree in Engineering from the Univ. of Michigan. Mr. Buell is president and general manager of the Formsprag Co.

He is active on the executive committee, United Foundation of Macomb County and is vice president of the Warren Chamber of Commerce.

Mr. Buell's engineering training, plus thirty years of successful business experience and his general interest in civic and community affairs, with a desire to offer any help that the community may wish qualifies him to be a member of the Grosse Pointe Farms City Council. If elected Mr. Buell proposes to take a serious and active part in council duties.

*** PAUL EGAN, 32, 218 McKinley avenue.** He received his L.L.B. degree from the Univ. of Detroit Law School in 1952 and is now an attorney associated with the law firm of Marco and Marco. Grosse Pointe has been his residence since Nov. 1955.

Mr. Egan has not held any public offices to date.

When asked what he felt were his chief qualifications for the office of councilman he said, "I believe that my legal education and experience as an attorney in the practice of general and corporate law qualify me to properly perform the duties of councilman in the governing and management of a municipal corporation."

Mr. Egan states he is interested in actively participating as a councilman in the government of Grosse Pointe Farms in order to institute and support all appropriate action necessary to safeguard and preserve the high residential character of the Farms to the end that Grosse Pointe Farms will continue to be one of the outstanding residential communities in the country. If elected he proposes to take action necessary to protect and safeguard the residential character of all areas of Grosse Pointe Farms by supporting and strengthening the existing zoning ordinance and to actively oppose any action which would tend to reduce the high standards of the community to the detriment of its residents.

*** W. J. MAC LEOD, JR., 40, 267 Kenwood court.** He received a B.S. degree in Mechanical Engineering and a M.B.A. degree in Business Administration from the Univ. of Michigan and now is manager of the

Sales and Planning Dept. General Products Division of Ford Motor Company. Grosse Pointe has been his residence for 22 years. Mr. MacLeod was president of the Detroit Junior Board of Commerce in 1945-1956 and is a Republican Party Precinct worker. He has not held any public offices.

Mr. MacLeod feels that his experience in the Detroit Jr. Board of Commerce has equipped him to do an efficient job as councilman for Grosse Pointe Farms. He believes the community should be run by an efficient organization that keeps its citizenry fully informed of the issues involved and then in turn carries out the wishes of the residents. However he states, "... that the present council has lost its desire or ability to truly represent the feelings of the public at large" ... and he feels that it is imperative to elect new members into the council.

If elected Mr. MacLeod pledges himself to evaluate each issue to the best of his ability and to vote in a manner which will best serve the interests of all the residents.

He favors the following actions: 1. Opposes the rezoning of any residential or public property for commercial use. 2. Favors containment of the existing commercial establishments within present boundaries. 3. Favors actions to discourage heavy traffic on residential streets. 4. Favors full development and utilization of recreational and playground facilities.

*** JOSEPH V. MCQUILLEN, 53, 270 Merriweather road.** After graduation from St. Francis Xavier High School in New York City in 1920 he received his A.B. degree from Georgetown Univ. in 1924. Then he attended M.I.T. receiving a B.S. degree in Electrical Engineering in 1928 and a M.S. degree in 1929. Mr. McQuillen is now re-

tired. He has lived in Grosse Pointe 18 years. Mr. McQuillen is a Precinct delegate of the 3rd Precinct, Grosse Pointe Farms. Between 1941 and 1946 he was Regional Rating Manager, War Production Board and from 1951 to 1953 served in the Detroit office of the National Production Authority.

"My training and experience in dealing with the diverse

problems of various units of government (Federal, State, County and City) and their relations with such activities as the Mich. Municipal League, Assoc. General Contractors of America, Purchasing Agents Assoc., Builders Assoc., etc., have given me an insight into and an understanding of the duties and responsibilities devolving upon the members of

Cadillac

International Synonym for "Achievement"!

Mention the name "Cadillac" wherever you will—in any part of the civilized world—and you will find a common meeting-ground of understanding.

It is, in brief, a world-wide synonym for personal achievement!

And this is, we think, entirely logical. For over the years, the Cadillac car has played a vital role in the lives of so many of the leading citizens of every community where automobiles are seen.

Cadillac is, in fact, the almost predictable choice of those who are able to choose their motor cars without restriction.

This is not to say that a motorist need necessarily possess an abundance of this world's goods in order to enjoy the satisfaction of Cadillac ownership.

On the contrary, this Cadillac car represents one of the soundest of all automotive investments.

Consider, for instance, the economy of buying a Cadillac. Several models are actually priced competitively with much smaller, lighter cars.

Then consider the practical aspects of driving a Cadillac. The car is remarkably economical from a standpoint of

maintenance, longevity and operation. And lastly, think of the wisdom of owning a Cadillac. Year after year, Cadillac returns a greater share of its owner's original investment than any other motor car in the land.

In other words, wisdom and practicality can lead you to the "car of cars" just as surely as prominence and prosperity.

We suggest that you come in soon—that you spend an hour at the wheel—and that you delay no longer in making the magic move to Cadillac.

We'll be looking for you—soon.

 the Farms Council, qualify me to be a councilman."
 "I am interested in the position of councilman because, as a long time resident of Grosse Pointe Farms, I believe that it will afford me an opportunity to contribute to its maintenance as a most desirable residential area. I will diligently discharge my responsibilities to the community and measure all of my decisions with the yardstick of "is this in the best interest of ALL of the people?"
 *HENRY L. PETRI, 42, 37 Handy road. Mr. Petri is sales engineer and administrative manager; Assistant to the Vice President of the United Car Fastener Corp. Educated in eastern schools and Germany he has resided in Grosse Pointe Farms the past 6 years.
 Mr. Petri feels his chief qualifications for the office of councilman are his wide and successful business experience and age. He is interested in the position he can help establish better representation of the people. To maintain the Farms as a high standard residential area and to run it on a more business like basis. If elected Mr. Petri will work towards keeping Grosse Pointe Farms a residential area, restrict commercial business to the present area and to take a more active interest in the job.

Friends of Library Plan Second of Film Forums
 The Grosse Pointe Public Library and the Friends of the Grosse Pointe Public Library announce the second in the series of Friends' Film Forums for tomorrow night, February 15, at 8 o'clock.
 The program, open to adults and college students, will consist of two timely and important films, "World Without End" and "Assignment Children," and a guest speaker, William Sergeant. Both films, and Mr. Sergeant's remarks will be centered about the workings of United Nations organizations.
 The first film on the program, "World Without End," unfolds in Mexico and Thailand (Siam) but is also true for other countries where today people are at work teaching and learning how to grow more food, how to live healthier lives, how to share the United Nations' ideal of progress and prosperity in a peaceful world.
 Medicine, agriculture, and education in the service of human need is the inspiring theme that unifies this basic film. Two world-famous filmmakers, Paul Rotha and Basil Wright, working together at opposite ends of the earth, have created this remarkable documentary film of the world's knowledge at work for the people of the world.
 The second film, "Assignment Children," is a heartwarming Technicolor account of "Danny Kaye's recent round-the-world tour on behalf of the United Nations Children's Fund (UNICEF). Filmed on the spot, this inspiring motion picture presents Danny Kaye at his best, in the role of a modern Pied Piper who brings smiles and a bit of sunshine into the lives of thousands of underprivileged, undernourished children of the Far East.
 Clark T. Wells will act as moderator of the program and will introduce the evening's speaker.
 The Friends' Film Forum will be held in the Meeting Room of the Central Library at Kercheval and Fisher. No reservations are necessary, no admission is charged, and no tickets are required. The Meeting Room, which seats approximately 135 persons, will be open from 7:30, and the newly acquired television set will be on display for early comers. If there is not a color program scheduled at that hour, patrons may view Channel 56.

Shores Cleaning Up Bond Issues
 In another two and one half years, the Shores will have completed payments on three bond issues, totaling \$184,000, which were sold to raise funds for general improvements in the municipal park, it was said by Village Superintendent Thomas K. Jeffers.
 Payments on two of the bonds, it was disclosed on Monday, a January 21 were completed last month, and the final payment on the third issue will be made in June 1958.
 Redeemed, said Mr. Jeffers, was an issue for \$57,000, which was sold in September 1926; and another for \$77,000, sold in December 1926.
 Still outstanding is \$10,000 of a \$50,000 bond issue sold in December 1926, he said. Two payments, \$5,000 each, must still be paid, one in June of this year, and the other in June of 1958, he added.

Come try the BIG BUY
 (You can boss this Buick Special for little more than the price of a smaller car!)

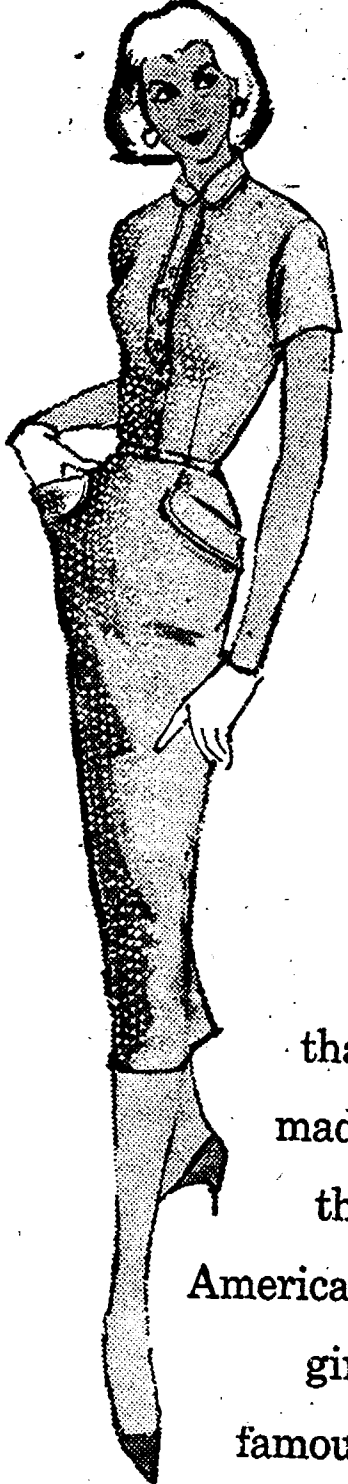

ONE LOOK at that price figure and you'll know that—again in 1957—if you can afford a new car you can afford a Buick.
 This fact has won hundreds of thousands of new owners to Buick in the past—and it's winning them again this year.
 Because—look what you get for so little extra money.
 You get the most completely new Buick brought to market in years.
 Not just brand new in styling and brand new in body design.
 But new in features that make this the dream car of the year to drive.
 You get brand-new performance because the engine is literally new from the crankshaft up.
 You get a brand-new instant response because we engineered brand-new torque into Variable Pitch Dynaflo.*
 And to give you the new sure-footed safety of a lower center of gravity—we built a brand-new frame—which lowers the car, but keeps the headroom, legroom and footroom that a big car should have.
 Fact is, there are more than 150 other chassis changes in this '57 Buick—waiting for you to try them. Do that soon—at your Buick dealer's.
 *New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Pointers Make MSU Honor Roll

One hundred fifteen students at Michigan State University were honored Feb. 7 for achieving all-A academic averages during the fall term at the university.

The students were honored at a dinner given by Dr. John A. Hannah, M.S.U. president. Dr. Stanley J. Idzarda, director of the new M.S.U. Honors College, was the speaker.

Names of the students are to be placed on the honor roll, which offers "recognition of the highest attainment in scholarship" during fall term.

Students from Grosse Pointe whose names will appear on the honor roll are April E. Cameron, daughter of Mr. and Mrs. G. B. Cameron of Anita avenue, junior, economics; Horace Prindle, son of Cecilia Prindle of Beaconsfield avenue, senior, mechanical engineering; Mildred Grivas, daughter of Mr. and Mrs. George Grivas of Rivard boulevard, senior, music; and Sandra Hickey, daughter of Mr. and Mrs. W. A. Hickey of Barington road, senior, English.

Years Have Brought Much Improved Street Lighting

Back in 1925, the Village of Grosse Pointe (which became a City in 1934) adopted a lighting program proposed by the Detroit Edison Company. At that time a system of ornamental street lighting was installed, eliminating the old fashioned, inadequate arc lights suspended on brackets from cedar poles. This installation proved to be a great step forward and was acclaimed by Pointe residents.

In subsequent years during which Grosse Pointe Village became a City, illuminating engineers kept pace with other progress, and about 1946 it was proposed that the City, Parks and Farms, all being involved in a pattern of parallel streets including Jefferson, Kercheval and Mack, etc., consider the proposal of uniform, improved lighting on a community wide basis. It was shown conclusively that many advances had been made in street lighting. Spot installations were made in the City for purposes of direct comparison between the new, advanced type of illumination, and the archaic system installed in the twenties.

As a result of the proposal and subsequent surveys by authorities, the improved type luminaire was adopted and installed gradually over a five-year plan. The plan includes Jefferson, Maumee, St. Paul, Kercheval and parallel streets, Cadieux, St. Clair and other north-south streets. The entire installation will be accomplished through 1958.

Favorable comment has been made from Pointe resident, and they are being given more efficient lighting for their money. For instance, the original type, now considered obsolete, threw a circle of light uniformly around its location and about 15 percent of generated light was distributed between the curbs. Lights were spaced at about

150 foot intervals in residential areas. The modern-type lamp recently installed puts about 50 percent of generated light between curbs, the lamp center being about 25 feet in height and extending over the street instead of at the curb. The light pattern is roughly rectangular and the pattern distribution is more effective along the streets and walks where needed.

By means of parabolic reflectors and prisms in the glass, the optical system has a main beam cut off of 50 percent toward street sides and 78 percent up and down the street, thus diffusing illumination where necessary and intended, not wasting it in the tree tops and equally ineffective places. Light unit installations are based upon 250 and 300 foot interval of location, thus reducing the number of units actually increasing the effective illumination of the streets at little overall increase in cost.

Thief Ransacks Offices in City

A thief or thieves broke into a building on Mack avenue near Neff road, and ransacked the seven offices in the building. City police were notified of the illegal entry a few minutes after midnight Saturday, February 9, by a telephone call from P. J. Funke, who has an office in the building.

Mr. Funke and his secretary had returned to pick up a car which had been left in front of the office. They decided to go inside and watch television and discovered pry marks around the door jam. In the office there was evidence that someone had attempted to force open desks and file cabinets.

Investigating police officers found that entry had been gained through a boarded up window which had been broken by plumbers several days previous. There were muddy tracks on the window sill and on the office rugs. All seven offices in the building had been ransacked.

It is believed that the intruder was interested in money because all that was reported missing was five dollars from a cigar box.

The building is owned by Richard L. Kimbrough, whose office was one of those entered.

Those who rise early in the morning rise above their troubles.

(Continued from Page 1) attorneys Edward P. Wright and Thomas C. Tilley, for the Farms, and Bruce and Thomas Coulter, for the School Board, presented their briefs showing proper cause for the reciprocal lease between the two parties.

Asks for Study Period Attorney Charles E. Raymond, representing the Gabriel Richard School District Improvement Association, asked that he be allowed two weeks to study the briefs and prepare his case. His request was granted and all parties were instructed to return to court on February 26.

It is expected that at that time a trial will be scheduled in Wayne County Circuit Court for some date in March.

What is
Christian Science?
 Christian Science is a religion which acknowledges one Supreme Being, or God. It is a system of healing based wholly on the words and works of Christ Jesus and on the lives of the prophets and apostles.
 The best way to learn about Christian Science is through its textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy.
 This book contains in simple, direct language the complete explanation of the Science of Christ, or Christian Science. It is read with the Bible in all Christian Science church services, and daily in thousands of homes, where it has brought inspiration and healing in all manner of need.
 Science and Health is a book for everyone to understand. Its blessings are freely open to all.
Science and Health may be read, borrowed, or purchased at any Christian Science Reading Room, or send \$3 and a copy will be mailed postpaid.

Motorists Pay For Bad Driving

Three drivers were heavily fined by Park Judge C. Joseph Belanger on Wednesday, February 6, after being found guilty of serious law violations.

Samuel B. Brewer of 702 LeLand, Detroit, was fined \$100, and had his driver's license revoked for a period of one year, for driving while under the influence of alcoholic beverages. Defective brakes cost him another \$5.

A charge of driving while drunk was reduced to reckless driving against Marion Frances Kowalski of 15560 Fordham, Detroit, who was fined \$95 and had her driver's license revoked for six months. In addition, she was ordered to report to the probation department once a month during the period of revocation.

The third heaviest fine was levied against George A. Kappaz of 4410 Harvard, who entered a plea of not guilty and was found guilty of causing an accident at Harvard and Charlevoix. His fine was \$40.

Pearl Young of 32130 Heathwood, St. Clair Shores, accused of running into a street sign, pled guilty and was fined \$15.

A fine of \$1 was paid by Helen Roth of 4733 Lakepointe, on an expired meter charge. Her plea was not guilty and she was found guilty.

Samie Johnson, Jr., of 8831 Neal, Detroit, did not appear in court to answer for causing an accident at St. Paul and Wayburn, and a report of the case was sent to Lansing.

Daniel J. Bellamy of 2642 Jay, Detroit, forfeited a bond of \$15 when he failed to appear for speeding on Jefferson.

Charles E. Watters of 3005 Eastlawn, Detroit, was fined \$10 for driving without having a driver's license.

William Demetros of 2175 Hampton, did not appear to answer for speeding on Mack avenue and forfeited his bond of \$12.50.

Stanton G. Goodin of 19756 Kenosha, Harper Woods, paid a fine of \$15 after pleading guilty to causing an accident at Charlevoix and Somerset.

Jules Buydens of 20007 Woodcrest, Harper Woods, was found guilty of causing an accident at Mack and Kensington and was fined \$10. His plea was not guilty.

Clarence A. Baker of 21908 Rosedale, St. Clair Shores, stood mute on a charge of causing an accident at Jefferson and Wayburn. His case was dismissed.

JA Fund Drive Reports Heard

The first report meeting for the '57-'58 Junior Achievement Fund Drive was held at the Detroit Athletic Club Wednesday February 6, and boosted prospects for the JA Fund Drive to go over the \$235,000 goal set for JA of S. E. Michigan.

James M. Roche, general fund chairman for the '57-'58 JA year heard 13 Detroit division chairmen and 9 suburban chairmen outline the progress made so far in the biggest JA Dollar Drive in the nation.

Ahead of the dollar quota last year at this time, the verbal reports made to Roche indicates the drive is well under way and will constitute a banner campaign in this section of the country.

Roche, General Manager of the Cadillac division of General Motors, said that Junior Achievement deserves a continuity of support by industry. He stated that he was very pleased with the excellent reports given him in the afternoon report-luncheon.

The breakdown of the three main units, their quota and percentages raised so far are: Detroit Unit No. 1 with a \$95,000 quota has raised \$54,913 representing 58 per cent of their \$90,000 quota to meet already has raised \$32,755 to date—36.4 per cent of the total. And the suburban unit with its \$50,000 quota has now received \$29,248 for 58 per cent of its goal.

Four New Classes Offered Adults by School System

Registrations are available in four classes being offered by the Department of Community Services of the Grosse Pointe Public School System, scheduled to begin this month.

A course in Basic Photography is being offered with Carl Joyner as instructor. The course will deal with important phases of picture-taking for the layman; basic composition, simple flash and flood light techniques will be studied. The developing and printing of photographs will be discussed.

Most important to the amateur photographer will be the sections devoted to the successful photographing of scenes, children and pets. It will be assumed in this course that the student knows nothing of photography and progress from there, including competent use of his own camera.

Mr. Joyner is a professional photographer, and graduated from a school of photography in Winona, Ind. In addition, he has completed additional courses at the Eastman Kodak Co. in Rochester, N.Y., and given a series of lectures for the Camera Club. This class will meet on Wednesday evenings, to begin on February 27.

A course in 35 MM color slides will also be offered with William F. Hoover the instructor. Emphasis will be upon the operation of the camera to capture anything before the lens, and to appreciate the possibilities and limitations of color films. Student graded quizzes presented in slide form will stimulate picture-taking situations, students being provided with mock exposure meters and cameras to solve these problems. Elementary art color filmstrips

will be used to acquaint students with color relationships and their uses. Points of photographic interest around Detroit will be presented along with solutions to their picture problems.

Mr. Hoover brings to this course 13 years of varied photographic experience including newspaper work. U.S. Camera, a national photographic magazine, recently published an article written by Mr. Hoover—Rediscovering the C-3. This class will meet on Monday evenings beginning February 25.

Textile Painting is also being offered, with Marilyn Kuharich as instructor. This is a unique art with which fabrics become alive and individualized as students learn to express their particular tastes in color and design. As well as being used on smaller articles; students have finished drapes and curtains using this medium, thereby adding a decorator's touch to distinguish their homes.

Mrs. Kuharich studied at Marygrove College, and has taught in the Detroit and Grosse Pointe Adult Education programs. This class will be on Monday evenings, starting February 25.

A series of Lectures on Personality Development (Charm) will be given by Arthur K. Brooks. The series will be divided into eight two-hour lectures including methods and benefits of figure control; proper make-up and hair-styling techniques; how to develop self-confidence; vocabulary and mechanics of speech; how to build a wardrobe suited to your figure; and how to capitalize on your best features and minimize the weak ones.

Mr. Brooks was formerly associated with John Robert Powers as lecturer, fashion commentator and make-up artist, and at present is active in television and motion picture work. This class will meet on Wednesday evenings, to begin on February 27.

All three classes will meet at the Community Service Center, 43 Grosse Pointe Boulevard. For further information and class reservation, call the Department of Community Services at TUxedo 5-3808 or TUxedo 5-0271.

Students Shown Alaskan Movies

An enriched understanding of life in the Arctic areas was experienced by two fourth grade groups at Mason School—Miss Helen Seymour's and Mr. Earl Penno's.

Mr. David Struthers, a former air corps officer who was stationed in Alaska for 18 months and at present is doing student teaching at the University of Michigan, showed a series of 35 mm. colored slides photographed in Alaska. The excellent selection of pictures depicted topography, climate, wild life, and customs, as well as everyday life.

Fanning for gold in the remote interior and a view of the large salmon battling their way against the strong rapids to the quiet inland waters were especially interesting.

To further satisfy the apparent thirst for more knowledge, a question and answer period followed. The eagerness and interest exhibited by the children indicated a worthwhile experience in obtaining a better understanding of Arctic living.

David Struthers was a former Mason School pupil. His sister, Jean, is in Miss Seymour's fourth grade.

HEART ATTACK FATAL
Park police rushed R. C. Auld, 63, of 4390 Bishop, Detroit, to Bon Secours Hospital, on Wednesday, February 6, when he suffered a heart attack while on the job at Turner Buick, 15103 Kercheval. He died minutes after he was admitted.

IT'S LIKE TWO ENGINES IN ONE!

Announcing
OLDSMOBILE'S NEW

J ROCKET!

It's the most exciting engine development since the first Rocket was launched! Engineers have dreamed for years of an engine that combined exceptional horsepower and torque potential with outstanding fuel economy in normal operation. And today, Olds has it in the new J-2 Rocket. You'll find it's like two engines under the hood! In your day-to-day driving, you enjoy the smooth, alert action of the Rocket—with the fuel economy of dual-jet carburetion and a 10-to-1 compression ratio. But to meet the exceptional driving situation, just open the accelerator beyond the 3/4 point and new additional carburetors automatically jet into action. There's an instant boost in torque and power. You'll appreciate the immediate response as another Olds contribution to your pleasure and safety at the wheel!

277-h.p. Rocket V-800 Engine standard on all models.
J-2 Rocket Engine, with 300 h.p., and special Rocket Engines with up to 332-h.p., optional on other models.

All Hail to the Knights

In contrast to the letters we have read deprecating a segment of the high school student population who linger around Fisher road after school hours to taunt passing motorists, a note was recently brought to our attention praising a group of high school boys who devote their extra time to helping motorists in distress.

organization, and asks the recipient to mail it to the City Police Station if he or she has appreciated the assistance. Chief Thomas Trombly has a drawer full of cards from motorists who have been helped by the Knights. The kind of letter which reached his desk last week is an encouraging illustration that the youth of Grosse Pointe are conscientious about the impression the general public has concerning them.

Letters to the Editor

To the Editor: The four-mill increase in school tax rate requested for the Grosse Pointe schools may not be necessary. This four mills means \$40 more tax on each \$10,000 of assessed valuation of our property. Excessive rates of taxation will lead to a reduction in the percentage of taxes collectible from assessments.

honest and experienced teachers will tell you they were not worth the salary they received the first year. Many new teachers do not intend to work more than two or three years. Why should taxpayers subsidize new teachers?

Col. Lloyd Arnold Leaves Air Force

SELFRIDGE AIR FORCE BASE, Mt. Clemens, Mich.—Maj. Gen. Robert E. L. Eaton, Tenth Air Force commander, has announced the retirement of Col. Lloyd E. Arnold, 425 Moran road, Grosse Pointe Farms, as his special assistant on reserve affairs at headquarters here.

Colonel Arnold, who won Brazil's Medal of War for his 14 months as commander of a U. S. aircraft repair depot at Belem, also put in 18 more in command of an air base at Panagarh, India.

What Goes On at Your Library

By Jean Taylor

How will today's best sellers be regarded by readers 50 years hence? More than likely, most of them will have dropped into limbo as have the books which were avidly read in 1900.

The term "Best Seller" is not to be confused with "best books" but applies rather to books which have had great popularity over a comparatively short time.

It is common knowledge that the Bible is the best seller of all time in this country. The estimate of average yearly sales of the complete Bible in the United States is in the neighborhood of seven million copies.

There are 24 books on religious subjects which have sold half a million copies or more. These range in publication date from 1896 to 1952. More of these have appeared on the annual best seller lists than the titles in any other category.

1953, it appears, was the biggest year of all for religious books. "Peace of Mind" appeared on three consecutive lists, 1946-1948; "A Man Called Peter" in 1952, 1953, and 1955.

Men Gardeners To Meet Feb. 21

tors Technical Center at Warren, Michigan, will be the subject of discussion at the meeting of the Grosse Pointe Men's Garden Club starting at 8 o'clock Thursday evening, February 21, at the War Memorial Center, 32 Lake Shore Road.

Edward A. Eichstedt, local landscape architect, will describe the planning and execution of this large project, illustrating his remarks with colored slides. Mr. Eichstedt, a Syracuse University graduate, has handled many extensive plantings such as those surrounding the Northland Center and the Ford Research and Engineering Buildings.

The meeting starts the club's fourth year of horticultural service in our community and a most comprehensive program is to be presented by the newly-

and "The Power of Positive Thinking," sixth in 1952, was second only to the Revised Version of the Bible in 1953, 1954 and 1955.

Statistics show that next to the Bible and books on religious subjects, cook books have been the most consistent best sellers since 1885. We claim no prowess in the culinary field, and without Irma Rombauer's "Joy of Cooking," we could not keep body and soul together. To our surprise we discovered eight other cook books precede this in popularity.

Miss Hackett points out that the Bible or Cook Books are seldom seen on the best seller lists regularly appearing in newspapers and magazines.

What's Your Life Worth?

By FRED M. KOPP, R. PH. A new car may cost you \$2,500... or \$3,000... or \$5,000. But a new miracle drug—which saves your life—may cost you \$3... or \$5... or (if it's especially expensive to make) as much as \$55. That's why... Today's Prescription Is the Biggest Bargain in History

Woman Injured In Car Smashup

Patricia Schneider, 33, of 1155 Wayburn, suffered several cuts about the face when she lost control of her car on Monday, February 4, and struck a tree.

She was driving north on Lakepointe, a Park police report said, and had stopped at Vernon Highway. As she was making a right hand turn onto Vernon, she lost control and the car leaped the curb, striking a tree on the south side of Vernon.

The woman was taken to Bon Secours Hospital police and was treated for cuts on the nose and the left eye lid.

She was ticketed for not having her car under control and striking a fixed object.

The car had to be towed away.

Elm Disease

(Continued from Page 1) spray cannot be done effectively during wet weather nor when it is windy.

Much of our success in the Elm Blight battle is due to the fact that our residents are determined to protect our priceless heritage of shade trees, and they have readily cooperated with us in the matter of spraying and other combative methods. In March, 1956 we adopted an ordinance requiring the spraying of all privately owned elm trees. Your response to this requirement has been excellent and we hereby tip our hats to you citizens whose cooperation has aided your officials in great measure to save our trees.

We, here at your office, will be pleased to assist you elm tree owners in all ways. If you desire information or help in the matter, just call TUxedo 5-5800.

Grosse Pointe News

From Another Pointe of View

By Patricia Talbot

Very understanding 'tis of the powers that be in the Junior League to consider the fate of the hearth-bound members at this Valentine season and come up with a dance to brighten the February scene.

The big night is February 23 and the scene will be the Little Club, transformed by the nimble and artistic fingers of Mrs. Anthony Moody and Mrs. Herbert P. Book into a springtime carnival.

Mrs. Roger W. Hull is chairman of the arrangements assisted by Mrs. Alvin G. Sherman, Mrs. Bruce T. Davenport, Mrs. Robert Boomer and Mrs. Robert Palms.

Invitations have already been mailed and the flurry of dinner party planning before the black tie affair at 9 o'clock is now in hand by a score of black tie hostesses.

League president Mrs. David C. Crawford and Mr. C. will be treating a group to one of her famed gourmet menus. And the junior William D. Byrons are finishing up the decorative touches on their new Rivard boulevard home before their dinner date.

The Jack Stephensons have invited a bevy to their Fisher road home and Mrs. William C. Loud is preparing for guests in her Trombley road home.

The Ronald W. Haughtons will be celebrating a wedding anniversary as well as marking the gala dance evening with their dinner guests. Mr. and Mrs. Edward J. Posselius, Jr., have also sent out bids to their Lewiston road home before going on to the Little Club.

Small Soirees

The Valentine scene is not a dull one locally with informal get-togethers gladdening the localities each weekend. The John H. Stephensons, Jr., have asked a small covey of friends to cocktails next Saturday in their La Salle place home.

The object of this party is to meet Dr. and Mrs. William Graf who will be the Stephensons' house guests over that week-end, coming from their home in Cincinnati for a mid-winter visit.

Last Sunday Mr. and Mrs. H. Kennedy Nickell tossed a cocktail pour with a rather different motif. Friends gathered in their Neff road home to pay homage to father-to-be, Hugo Higbie. The Nickells felt fathers don't always receive their fair share of honoring and so their party.

Washington Calls

Atomic-minded we all are, but only the clever few are on the inside of the fission world. And such a one is Richard Gushee, who will be traveling to the capital early in March to attend the Atomic Energy Commission hearings.

Winklers Wed For 37 Years

Mr. and Mrs. Irving T. Winkler of Merriweather road held an open house on Sunday commemorating their 37th wedding anniversary.

Among the guests were Mr. and Mrs. Joseph McQuillen, Mr. and Mrs. Wilber Brucker, Jr., Mr. and Mrs. Dan Shroy, Mr. and Mrs. Henry Hollister, Mr. and Mrs. Donald Peiter, Dr. and Mrs. H. G. Hinkle, Mr. and Mrs. Irving Winkler, Jr., and Mr. and Mrs. Bernard Allor.

Mr. and Mrs. Winkler were married in Detroit and have lived in the Pointe for 17 years. Mrs. Winkler is the former Freda Mitchell of Detroit.

Wives Honored By Rotarians

Grosse Pointe Rotarians "wined and dined" their wives during the club's annual Ladies Night party held at Al Green's on Monday, February 11.

Approximately 94 Rotarians, Rotarians and their guests participated in the festivity, the one event of the year Pointe Rotary holds to honor the wives of members.

Before and during the course of the party, those present were entertained by the Townsmen, a string trio, and then all joined community singing, led by Dearborn Rotarians' Ed Mozier and Cecil Cody.

A note of welcome was voiced by President Dave McCarron and Bruce Bockstanz, program chairman, to the Rotarians and other guests.

The party also served to "kick off" a publicity campaign for the club's second annual Antique Show scheduled to be held early in May at the War Memorial Center.

Rotarian Ed Taube is chairman of the Antique Show. Rotarian Bob Orr, Pointe Library System head, is in charge of publicity.

HOUSEHOLD HINT

To be good, a pie must have a well-baked bottom crust. M. S. U. food specialists advise that aluminum with a special dull finish and glass absorb heat readily so make excellent pie pans. Tinware must become darkened before it will bake undercrusts well.

Model Clothes of Lincoln's Day

MRS. JAMES E. HUNTINGTON, of Shoreham road, and MRS. JOHN L. NORRIS, of Marselles, modeled clothes of Abraham Lincoln's day as part of Goodwill Industries' fashion show "Fads and Fancies", given Tuesday, February 12, at Grosse Pointe Congregational Church. The show was sponsored by the Women's Association. All the clothes modeled were taken from the Goodwill bag and renovated by the handicapped workers. The show depicted clothes from 150 years ago to the present day.

Pre-Schoolers' Moms to Meet

The pre-school mothers of the Grosse Pointe Woods Community Club will meet on Monday, February 18, at 8 o'clock p. m.

The agenda of the meeting will include a discussion on the current operation of the pre-school program and a talk by the pre-school coordinator, Miss Nan Jones, to be followed by a film concerning pre-school physical and social development. Refreshments will follow a question and answer period.

The Community Club offers to the community a pre-school program for 4 and 5 year olds on a one-morning a week basis. The youngsters enrolled in the group have an opportunity to learn to adjust to group activities, engage in activities suitable for pre-schoolers, and to experience a beginning break away from home and mother, all as an aid for the youngster to enter kindergarten in the fall.

Former Pointer Marries Officer in Germany

Maureen Palms, daughter of Mrs. Edward Harold Murphy, of San Francisco, formerly of Grosse Pointe, and the late Mr. Murphy, traveled to Stuttgart, Germany, for her wedding.

She was married there on January 5 to Capt. Charles Wesley Davis. After a honeymoon in Munich the pair are making their home in Stuttgart.

AAUW Groups Plan Meetings

The A. A. U. W. Grosse Pointe Branch, Tuesday evening group will meet in the home of Mrs. Lowell H. Orebaugh, 215 McKinley avenue, February 19, at 7:45 p. m.

Mrs. William Williams, wife of the British vice-consul and trade commissioner of Detroit, will be guest speaker. Her talk will contrast aspects of life in Great Britain and the United States.

Mrs. M. L. Van Dagens will be co-hostess. Dessert will be served.

Mrs. Edward F. Suits, 320 Rivard boulevard, with co-hostess, Mrs. Ritter Newell, will welcome members of the Studio Art group in her home on February 20 at 7:30 p. m. Attending members are asked to bring a piece of art work to share; a painting, puppet, ceramic, mobile, collage, etc. and come prepared to discuss creative pursuits.

Children to Enjoy MSU Play Saturday

When the lads and lassies of Grosse Pointe go trooping down the aisles of Pierce Junior High School auditorium to see the play, "Land of the Dragon" this Saturday they will be assisted by a group of pretty, young high school usherettes.

They are: Bonnie Beltz, Bette Busby, Sue Cumberworth, Liz Elliott, Donna Day, Betsy Gibson, Elaine Gibson, Jeanne Giroux, Sue McKee, Marietta Pilbeam, Pat Price, Jan Macdonald, Audrey Schmidt and Pat Zaun.

"Land of the Dragon" is being presented by the Michigan State University Children's Theater players, under the sponsorship of the Grosse Pointe branch, American Association of University Women. There will be two performances, at 10:30 a. m. and 2 p. m.

This Chinese fantasy is an exciting play about the trials of a beautiful princess who loves dragons. She announces that the man she will marry, and who will become emperor, must own a dragon. For this reason, many of the men who covet the throne go around looking for dragons to present to the princess.

Tickets at 50 cents are sold by AAUW members, and at Doubleday's and Fromm's in the Village, Punch and Judy Toyland on the Hill in the Farms, and Harkness Pharmacy, 20315 Mack, Grosse Pointe Woods. Tickets also may be obtained at the door before each performance.

Ballet Performance To Help Hungarians

Many Pointers Working on Committees To Make Benefit In Masonic Temple Successful On March 15

Plans for a March 15 benefit performance of the American Ballet Theatre to aid some 500 Hungarian refugees in the Detroit area are being completed.

The idea for a benefit to aid the refugees resulted after a conversation between John W. Hoag, Jr., of Kenwood court and Dwight K. Hamborsky, director of the Hungarian Churches and Societies Organization.

Mrs. Thomas Ewing (Lucia Chase), a cousin of Mr. Hoag's and executive director of the American Ballet Theatre, agreed to turn over the first night of the forthcoming Detroit engagement to such a benefit.

The performance will be in the Masonic Temple auditorium and will feature the ballet theatre's new production, "Winter's Eve". It will star Nora Kay and John Kriza. The date of the performance is also the date of Hungarian Freedom Day.

James I. McClintock was appointed chairman of the planning committee and Mrs. Zoltan Sepeshy, co-chairman. Assisting their husbands will be Mrs. Hoag and Mrs. McClintock.

Heading the large task of mailing the some 8,000 invitations is Mrs. A. Frederick Kammer, Jr. Among her assistants are Mrs. John Renchard and Mrs. Franklin Walker.

Others who will work on the committee for the success of the ballet are the Warren S.

Nancy Ann Mueller Weds Mr. Babcock

Pair Speak Vows Saturday Morning in Guardian Angel's Church; Will Live in East Detroit After Florida Wedding Trip

At a morning ceremony in Guardian Angel's Church Saturday Nancy Ann Mueller, daughter of the Richard J. Muellers, of Lakepointe avenue, became the bride of Charles H. Babcock.

Her Dresden-like gown of Chantilly lace blended with crystal white tulle was fashioned with iridescent paillettes frosting the rose-patterned bodice. Lace scalloped the curved neckline and was repeated in the flounced bouffant skirt of tulle which extended into a slight train.

Her princess cap of Chantilly laced was etched with pearls and paillettes and held her fingertip veil. She carried a cascade of white roses centered with a white orchid.

Carol Ann Mueller was the honor maid with Joann Smith, Patricia Pytell and Janet Krause the attendants. The flower girls

Nancy Boyer Weds Donald Muehlenbeck

Wears White Lace Over Taffeta for Afternoon Rites
In Jefferson Avenue Presbyterian Church
Pair Will Live in Wheeling, Illinois

At a Saturday afternoon ceremony in the Jefferson Avenue Presbyterian Church Nancy Boyer, daughter of the Robert Boyers of Fisher road, spoke her marriage vows to Donald W. Muehlenbeck.

For her wedding she chose a ballerina length white lace over taffeta gown fashioned with a scoop neckline and short sleeves. A lace and seed pearl calot held her fingertip veil of illusion and her bridal bouquet was of Amazon Eucharist lilies and stephanotis.

Nancy's sister, Linda Sue Boyer, was maid of honor in an ice blue taffeta frock and she carried pink carnations.

The bridegroom asked his brother, Robert Muehlenbeck,

to be best man. They are the sons of Mrs. Alice Muehlenbeck, of Waukegan, Ill. Ushers were Nancy's brother, David R. Boyer; her cousin, William Boyer and Ronald Wortman.

For her daughter's wedding and the reception which followed in the church parlors Mrs. Boyer chose a soft blue silk suit with matching hat. Mrs. Muehlenbeck was a rose crepe with matching accessories.

When the newlyweds return from a short trip through Wisconsin they will make their home in Wheeling, Ill.

mainly to sightsee and vacation. Another pair with exciting reservations are Mr. and Mrs. Henry T. Ewald, Jr., who will be embarking soon on one of those balmy Caribbean cruises.

Off in their station wagon, packed to the rafters, were the Myron Mays last week. He is stationed at Fort Dix, N. J., and finally located the dream apartment nearby in Mt. Holly. He drove here to collect Mrs. May, who has been staying with her mother, Mrs. Eunice Lee Dryden, of Rivard boulevard, and they will be settled in the East for about a year and a half, if Uncle Sam allows.

Mrs. Dan E. Simmons, Jr., reports she and her husband have returned to the ski trails after some years absence and have discovered THE spot. They are trying out the trails near "Blue Mountain Lodge" in the vicinity of Toronto and will be away for a week.

P.T.A. to Hold Pancake Party

Calorie counters, beware—it's pancake time!

Do you ever get the yen for unlimited stacks of pancakes, drenched in rich butter, awash with syrup and chaperoned by tender sausages? They keep coming in hot, light and airy—and you don't have to cook a single one!

If this is your idea of caloric heaven, be on hand at John Barnes School, 20090 Morning-side drive Thursday, February 21, from 6 to 8 p.m. The Barnes P.T.A. is putting on an all-you-can-eat pancake feed, which

will also mean sausages, apple sauce, ice cream, coffee and milk.

This Foodrama Unlimited is on the block for only \$1.50 per adult, and \$1 per child, and is a continuous process until all comers have been stuffed.

Following the mountain of food will be free movies—cartoons and an educational film. Tickets are available at the door; or if you have children at Barnes, they can bring tickets home to you. But, remember, everybody is invited.

USC Women's Group Has 22nd Birthday

Mrs. Edwin O. Bodkin and Mrs. Carl B. Grawn Active On Planning Committee for Anniversary Luncheon At Masonic Temple Wednesday

A special film, "Who Kills the Tiger?" was the highlight of the 22nd birthday program of the Women's Committee of United Community Services of Metropolitan Detroit when the group met Wednesday at Masonic Temple for luncheon.

Mrs. Carl B. Grawn, chairman of the film committee, selected this unusual motion picture, to be shown on the anniversary because it offered a refreshing, unique approach in illustrating the many human problems encountered in human living.

Mrs. Edwin O. Bodkin, a speaker on the afternoon program, told of the work of the Women's Organization of the United Foundation, which she heads.

Throughout the years the Women's Committee has grown into one of Detroit's most active groups. The committee's slogan . . . "Memberships belongs to every woman who has an interest in the human needs of our metropolitan community" . . . has stimulated in 1956 participation of nearly 2,000 women in a wide variety of civic programs.

Some of the continuing work of the committee includes agency visits, community clinics, friendly visitors, speakers' bureau and tribute fund.

Fordson Tractors Conquer Devils in Bruising Game

Faced by the backcourt play of guards Bill Schudlich and Jim McIntyre, and the bruising rebounding combination of Ed Perpitch and Wes Davis, the Fordson Tractors showed the Grosse Pointe Blue Devils back into a tie for third place in the Border Cities League with a 57-48 thumping at Dearborn.

The game was close throughout, with the exception of the final four minutes of the first quarter and the opening four minutes of the second period. During this time the Tractors built up a lead sufficient to provide them with at least a seven point cushion for the remainder of the contest.

Measles Threaten

Coach Jim Vanderhull of the Tractors had feared that some of his boys, mainly McIntyre and Perpitch, would be sidelined from the game with measles. However, both had recovered enough to be in uniform and contribute significantly to the downfall of the Pointers.

Devil fans had plenty to cheer about in the initial stanza. Forward Tom Woodruff flicked in ten points to keep the Pointers within striking distance. At various moments the Devils looked as though they were all set to take command of the game, only to have the Tractors roar back and assume the lead once more. Under both baskets Perpitch and Davis worked together to snare rebounds from the clutches of Blue Devil center

Mark Murvay. From the outside, Schudlich and McIntyre not only defended Woodruff exceptionally well, holding him for four points in the second quarter, but also came through with timely two-pointers.

Stars Are Rested

When the Tractors lead had grown to fourteen points midway in the final period, Vanderhull took out Schudlich and Perpitch, enabling the Devils to close the gap to nine points by the final buzzer.

The defeat dropped the Devils back below the 500 mark in league competition and into a third place tie with the Wyandotte Bears. The Bears dropped a 62-49 decision to the seemingly unstoppable Highland Park Polar Bears (record: 7-0), while Monroe pulled out a 62-54 victory over the Royal Oak Aces.

In their next league encounter, the Blue Devils will engage the Trojans of Monroe on the local court tomorrow. Although Monroe boasts only two league victories, they looked very impressive in downing Royal Oak last week and should give the Pointers a good run for their money.

Huffaker Sets New Marks As Devils and Tractors Tie

By FRED RUNNELLS, III

Led by Harry "Go-Go-Gahtoa" Huffaker, who continues to break records every time he dives into the pool, Grosse Pointe's aquatic Blue Devils engaged a superior Fordson swim team in a deadlock, Grosse Pointe 48; Dearborn-Fordson 48.

With the score see-sawing back and forth after each event the final outcome went right down to the wire. Ingolf Bach, swimming for the Fordson Tractors, came up with a terrific anchor-leg on the freestyle relay to just touch out Mike "Iron Man" Kroeyer. The win in this event tied up the score at 48 all.

Turning point in the meet came during the 200-yard freestyle event. A tractor swimmer failed to touch on a turn and was disqualified. This gave Grosse Pointe a second and third place and much needed points.

Huffaker turned in his usual fine effort as he lowered the time in the 120-yard individual medley. The old record held by Huffaker stood at 1:12.7. Earlier in the meet "Gahota" took a first in the butterfly event with a clocking of 1:03.2.

Huffaker and the medley relay team of Cutler, Jim Thomas, Paul Alcott, and Mike Kroeyer were able to come through with first place points. Fred Walker of Fordson did an outstanding job for the Tractors.

Summaries
40-yard Freestyle—Walker (D-F); Thomas (GP); Ewald (GP). Time: 1:19.4.

Revere Grabs Pin Loop Lead

As a result of last week's bowling, the race in the Grosse Pointe Business Men's League has tightened the gaps between the contenders. Although general low scores prevailed, Revere moved into first place by virtue of a sweep of their match with the C. Miller quintet. Al Aalto led the new leaders with a 512 series.

The two teams close behind the leaders met in a match which resulted in a tie for second place. In this match Bruce Wigle took the measure of G.P. Recreation by three to one. Bill Kehter shot 540 for Wigle and Bob Valade a 510 for the Recreation.

City Glass led by the night high series of 582 by John Payne, moved to fourth place by taking all four points from Adam Simms. Fred Tervo rolled 500 for the losers.

Cox and Baker displaced Marv Boutin in fifth place by sweeping this match.

Norm Boarman, with a 562 series, led the way for all four points over Belding.

200 Scores: Al Bell, 214; Marv Boutin, 211; Ted Ricard, 205; Al Aalto, 204; Norm Boarman, 201; John Payne, 201.

Jaycee Bowling Tourney Feb. 23

The Grosse Pointe Junior Chamber of Commerce has announced that the biggest junior bowling tournament in the history of Grosse Pointe will take place on Saturday, February 23, at the Grosse Pointe Woods Recreation, 20422 Mack avenue.

The Jaycee-sponsored tournament will be an annual event open to the Pointe's junior citizens between the ages of 8 and 17 years and will be rolled on a handicap basis.

The bantams, consisting of youngsters between 8 and 12 years of age will bowl at 9 a.m. and the teen-agers will take over the alleys at 10 a.m. Trophies will be awarded to the first and second place champions in each division.

The entry deadline is next Wednesday, February 20.

For further information regarding the tournament, contact either Mr. Jerry Diesing at TUxedo 5-1595 or the Grosse Pointe Woods Recreation at TUxedo 1-8692.

Austin Tastes First Defeat

Austin Catholic has finally lost a basketball game, but it is far from being disgraced and has nothing to be ashamed of.

On Friday, February 8, Hamtramck, a finalist in the State Class A tournament last year, and rated as one of the most powerful squads in the area this season, handed the Friars their first setback, 60 to 51, after the Black and White had won their 11 previous contests.

Before the game, Austin Coach Chino Hollosy stated that, win or lose, he would be proud of his players. This turned out to be more than true as the Friars fought with "tooth and nail" to pull off the upset which would have sent them into the upcoming Catholic tournament undefeated.

As it was, the closeness of play, neither team being able to garner more than a four point lead most of the way.

The Cosmos, with the definite advantage of playing at home, shot into a 10 to 4 lead early in the first quarter as Austin seemed a little jittery. However, the Friars, with their great guard, Don Messing playing brilliantly, quickly recovered and the score at the period's end was 15 to 14, Hamtramck.

The second quarter was high-fighted by the work of Dave DeBuschere, the 6-foot, 5-inch high scoring center-forward of the Friars, who on the preceding Tuesday against St. Joseph, had scored 39 points. Dave almost singlehandedly matched

Skating Tourney Set for Saturday

The Grosse Pointe Junior Chamber of Commerce will give gay blades from all over the Pointe a chance to not only "strut their stuff" this coming Saturday, February 15, but to watch some mighty fancy exhibition skating.

The First Annual Skating Tournament, sponsored by the Jaycees, will be held next Saturday at the Farms pier at 1:30 p.m. The tourney will consist of a series of skating events on a professional course laid out by the Jaycees. The events are open to both boys and girls between the ages of 6 and 16.

After the tournament, contestants will be treated to some exhibitions of figure and speed skating by Michigan champions. Jaycees and skating notables will act as judges. Awards will be presented to the Pointe's junior champions.

Ajax Holds Lead In Bowling Loop

In the Grosse Pointe's Bowling League last week's action saw Ajax hold onto their lead by taking two from Jim's Barbers. Stopin rolled 200 for 566 for Ajax. For the clippers, Debuschere rolled 208 for 572.

Lusch dropped two to Heidi Hi's. Kopp's had a bad night when they gave up three to Fox. Rightenburg picked up their usual one point with Stapleton's 208 for 558. Stewart took two from Five X's. Redwood made an attempt to get out of the basement by taking two from Piche's.

St. Paul Lakers Capture East Side Parochial Title

St. Paul's powerful Lakers captured the East Side title in the Parochial League, second division, in bowling over a weak St. Rose team, 75-40, Friday, February 8, at the Grosse Pointe High gym.

By the victory the Lakers clinched a berth in the forthcoming Parochial League playoffs which start this Sunday, February 17, at the University of Detroit Memorial Building. St. Paul is scheduled to play Sunday, February 17, with the game starting at 6:30 p.m.

Led All the Way

St. Paul was in command all the way as 10 players had a share in the scoring. High man for the night was St. Paul forward Dave Ayrault, who collected 14 points. Russ Beaupre, also of St. Paul, followed closely behind with 12. Both Joe Noll and Rich Plonkey of St. Rose entered into the limelight for runner-up honors with 12 points each.

Coach Lauer seemed pleased with the performance of his boys, who had built up a third quarter lead of 61-16 before easing off.

Earlier in the week on Tuesday, February 5, the Lakers suffered their first loss of the season at the hands of Class A rival DeLaSalle, 47-39.

Hard Loss to Take

The loss was a hard one for the St. Paul squad as they led all the way until a late DeLaSalle scoring surge caught the Lakers flat-footed.

Bill Hennighan, famed LaSalle All-State quarterback, led both teams in the scoring department with 19 points. Runner-up honors went to Tom

North Star Sail Club Celebrates

On Saturday evening, February 2, the North Star Sail Club celebrated its Eleventh Annual Commodore's Ball at the St. Clair Shores Civic Center. Approximately 250 members and guests, including officials and their wives from several other yacht clubs, nearly filled the spacious ballroom.

Highlight of the affair was the presentation of a Past-Commodore's cap to retiring Commodore John Linton, Sr., who in turn presented flags to the new officers—Commodore Ray DeBlare, Vice Commodore Arnold Johnson and Rear Commodore Phil Gentile. An added attraction later in the evening was the awarding of trophies and plaques to the winning skippers of the various events held during the past sailing season.

Among the visitors from other clubs attending the dinner dance were Commodore and Mrs. George Brewer, St. Clair Yacht Club; Commodore and Mrs. Frank Kurk, Windmill Pointe Yacht Club; Commodore and Mrs. Fred Knippenbert, Edison Boat Club; Commodore and Mrs. C. J. Purdie, Eastern Yacht Club; Commodore and Mrs. Tom Wright, Port Huron Yacht Club and Commodore and Mrs. Ken Smith, Oakland County Boat Club.

who, where and whatnot

by whoozit

Dedicated do-it-yourselfers are Mr. and Mrs. John McCartney, who have already paneled a sunroom and rebricked a fireplace in their Washington road home.

Not everyone can boast of a real live thespian in the family, one who gets paid for acting, that is. But such is the pride of Mrs. Richard Fisher, whose brother, John Anderson, was here recently with "Cat on a Hot Tin Roof."

Mrs. Charles Stewart and Mrs. Don DeKeyser not contented with teaching tots all winter long at Christ Church Nursery School are already planning a summer camp at the church, which ought to make all the mammas happy.

Addition to the devoted 'collectors' department: C. Julian Hecker haunts old farmhouses and country stores for brass hardware. He buffs it himself to restore the sheen, and has quite a fascinating store of cowbells, harnesses, and such.

Debbie Massey, daughter of the John Masseys, of Washington road, is the envy of all her six-year-old comrades. She has the Most in mary-janes. These black suede ankle strap numbers of hers have small multi-colored flowers embroidered all over them.

PILFERINGS

Have you heard about the account executive in the ad agency who worried so much his hair turned charcoal grey?

Two strangers stopped to admire a handsome new automobile parked at a curb in Prague. "Beautiful model!" enthused one. "Another great triumph for Soviet initiative and ingenuity!" The other protested, "But that's an American car. Don't you know one when you see one?"

John Gunther, whose "Inside Africa" is the sixth of an amazingly successful series, was week-ending recently at a luxurious Long Island estate. The Japanese butler was an especial admirer of Mr. Gunther's talents.

And then there are these Texas stories: The Dallas school kids who sing, "The butcher, the baker, the Cadillac maker."

The oilman from Tyler, Texas, who got his first look at the Eiffel Tower and conceded, "Right purty. How many barrels does it produce?"

John Barrymore, who had good reason to know as much about the rocky road of love as he did about acting, remarked ruefully one evening, "Experience is what you have left after you have completely forgotten her name."

Mother: "Johnny, there were three pieces of cake in the pantry and now there is only one. How did that happen?"

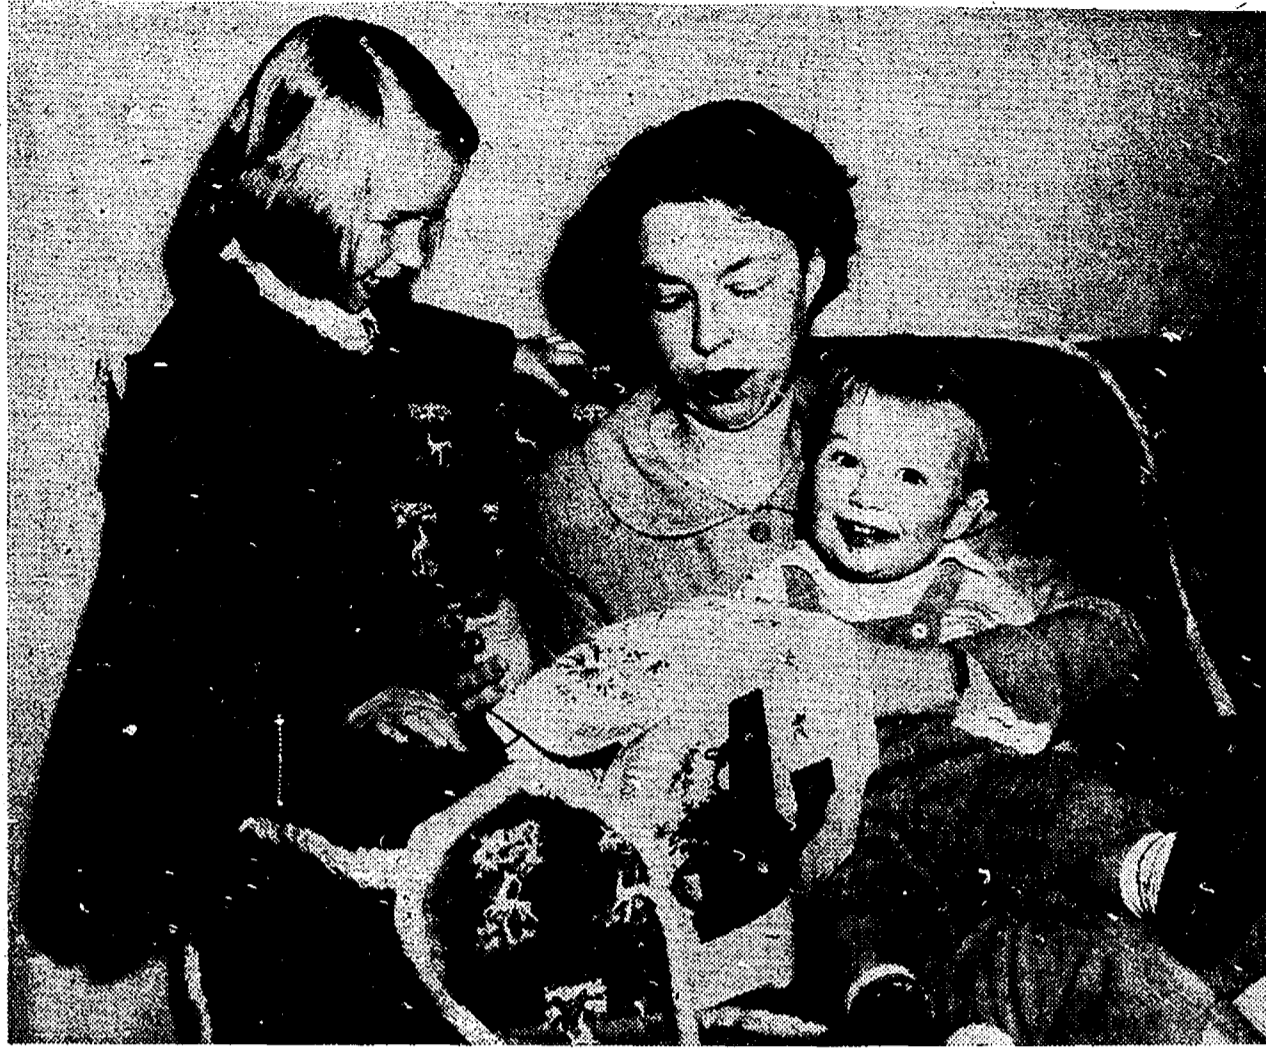

Johnny: "Well, it was so dark in there I didn't see the other piece."

MRS. EDWARD H. ST. GEORGE MOSS with NICKY and ANDREW, of Lakeland Ave.

By Patricia Talbot

She spent the war years in a Japanese internment camp near Shanghai, saw all her possessions confiscated, but she can say sincerely that her former conquerors are awfully decent people and quite endearing.

This ability to look objectively on all the world's citizens and enjoy them is a tremendous asset to her in her job as wife of Britain's consul here.

The Mosses arrived at the government-owned home on Lakeland avenue 18 months ago from a post in St. Louis. With them came Tony, 7, Nicky, 5 and brand new baby Andrew.

Both "China Babies" Both the Mosses are "China babies." Mrs. Moss lived her whole life in Shanghai where her father was in business. She was 20 at Pearl Harbor and soon after saw the Japs take over the city.

Her brother, who was a fine Chinese scholar, was captured in the up country of China and had a rugged time in a concentration camp.

Foreign Service Tradition Mr. Moss served in the infantry through the war, mostly in North Africa, but returned to the Foreign Office and was posted to Tokyo.

After their marriage they returned to England for a stay where the older children were born and then went to Belgrade. Serving at a consular post inside the Iron Curtain creates special problems.

Her brother, who was a fine Chinese scholar, was captured in the up country of China and had a rugged time in a concentration camp.

homemaker and mother and has experienced these roles in troubled areas of the world, she feels deeply that our best hope of peace is to surrender our nationalist outlook and become international-minded.

Supper Planned By Church Club

A Sunday evening supper at 7:30 o'clock on February 17 will precede the regular business meeting and election of officers when the 85 Club of the Grosse Pointe Congregational Church meets in the Church Social Hall.

The price of the supper is \$1.00 per couple and Betty Jones will take reservations until this evening. Call her at TU. 1-2347.

All young couples who combined ages do not exceed a total of 85 years are invited to attend and get acquainted.

The Queen's Birthday celebration in June is the high spot in the consular social year but there are various teas, receptions and dinners over which she must preside.

She loves to keep house and much prefers to wash dishes, cook and iron, and leaves the upbringing of her offspring to a capable English Nanny who accompanied her from London.

Your heart's surely his... when you wrap up a pair of fireman red pajamas and seal with a kiss. If they come from S. Stein and Co., in the village, they'll have a contrast of gray checks or stripes... match with red and gray shorts.

Hat-conscious we are, girls, after all. But for the club... the shows... any afternoon event, we want a hat that's fashion-bright, fashioned right for us. That's why we liked what we found at Irving's, on the hill, this week.

Imagine your own initials swirled into bracelets... earrings... pins. Takes only two weeks when done by the Village Store on the hill. We'd have ours made to dangle, thank you, in either the sterling or gold-plated silver.

Inseparables... you and a David Goodstein dress from Margaret Rice's, on the hill... your dress and its beautiful sweater. Just anywhere in the world or here at home, you'll never stray far from this delightful ensemble...

Marie Bird, from the top of the hill, continues to intrigue and delight on TV with her radiant hair fashions. For this week's "Lady of Charm" hour (Wednesdays, 2 p.m. to 3 p.m., Channel 7), she used a glowing swept-wing style to highlight the charms of a lovely Grosse Pointer.

It's a young point of view at D. J. Healy's, in the village, for those who wear the half-sizes. Silk and cotton dresses whisper of spring... blithe styles... many paired with their own jackets.

Vertical text on the right edge of the page, including "All The News Of All The People Every Thursday", "VOLUME 18-NO...", "HEADLINE of the WEEK As Compiled by the Grosse Pointe News", "Thursday, February 14, 1957", "PRESIDENT EISENHOWER accepted a revamped version of his policy concerning Middle East, as approved two powerful Senate committees. The President would American troops to the East in the event of Communist aggression. Democrats did write job on a key seat the Chief Executive's resignation at a joint meeting of the eign Relations and Armed Forces Committees. Stricken out was the last 'authorizing' Mr. Eisenstein was to use armed forces in the East, but it was expunged that was not done with idea of this denying him this. It was said that the President already has this power. Congress cannot constitutionally give him something ready has. BRITAIN ANNOUNCE has almost completed development of a megaton bomb, hydrogen weapon, and that bombs are in stages production. Defense Minister Duncan said during a debate in House of Commons, use word 'megaton', a bomb has the explosive force of million tons of TNT, but officials used the word changeably to describe the bomb. Sandys also said that the British were developing a version of the German V2 which carry a nuclear warhead. Range of these rockets, he said, 'would probably be sufficient to reach Britain from launching points in Soviet-controlled territory.' THIRTEEN PERSONS died a fire which enveloped a year-old nursing home in Hill Bluffs, La. Seventeen patients, three children and 10 employees managed to escape. Four patients and employees required hospital treatment, with the patients listed as in critical condition. The cause of the fire said to have started 'all of a sudden,' has not yet been determined. The flames were under control in about hours, but the building's total loss. Fire Chief Merrill charged the rest had pitifully few fire extinguishers and no sprinkler system to control the blaze. Friday, February 15 ROBERT TRIPP ROSS, assistant secretary of the President's resignation investigation. He became effective February 15, 1957. However, Ross wrote Chief Executive that he been guilty of no wrongdoing but felt that his worth had been impaired by the investigation. The Senate was looking into contracting millions of dollars to firms headed by Mrs. and her brother, H. D. W. of Knoxville, Tenn. Mrs. is president of Wynn I. Prises, Inc., of Knoxville. A SOVIET DEMAND for immediate debate on President Eisenhower's Middle policy and other alleged aggressive acts by the U. States, was turned down by United Nations Steering Committee, by a vote of 8-6. Delegate Henry Cabot Lodge, Jr., denounced the complaint 'stupidly false and a glib cock and bull story.' However, Lodge conform to the United States policy of ingal charges against the Soviet Union and voted with the Soviet Union for a debate on the matter. He said it is the UN every member government the right to make a fool of self if he wants to, and the Soviet Union has taken advantage of this. OFFICIALS in Washington might discuss the possibility of an exchange of visits between the two nations. (Continued on Page 2)
