PIUS XII, for 19 troubled years the "Pope of Peace," died early Thursday in the papal summer castle alongside Lake Albano, at the age of 82. Death occurred at 9:52 p.m. Wednesday, Detroit time following a second stroke in his three-day illness, which he was unable to survive.

The death of the Pope signaled the beginning of a nine-day period of mourning for Roman Catholics. His body will be borne back to Vatican City, a distance of 18 miles, for the funeral rites.

The new Pope will be designated by the College of Cardinals in an election expected to be held at the Vatican within the next two or three weeks.

AN AIR FORCE C-123 plane crashed into a sagebrush field on a ranch about 10 miles east of the Southwest Idaho town of Payette, Thursday night. State Police reported no survivors among the 19 aboard.

The plane burned after hitting the ground but all 19 bodies were reported to have been recovered. One witness reported that the twin-engine plane appeared to run into a flock of geese—and this was later confirmed by others who had seen the crash.

PRESIDENT WALTER P. REUTHER Friday pledged the UAW international's continued support of "legitimate" demands of local unions still on strike at 112 General Motors plants.

The pledge, seconded by UAW vice president Leonard Woodcock, was made to 272 members of the union's National General Motors Council meeting in Detroit's Veterans Memorial Building.

THE MOON ROCKET, Pioneer, streaked through space Saturday, alive with instruments, on a course that will lead wide of its target but will return rich dividends in cosmic data.

The 85-pound space craft, launched at 3:42 a.m. Saturday, from Cape Canaveral, Fla., was the first in history aimed for a lunar orbit. According to the Air Force, it is "the first man-made object known to escape the earth's gravitation field."

Monday, October 13

AMERICA'S SHOOT-FOR-the-moon missile plummeted back toward earth and almost certain destruction Sunday after a record-shattering 79,212-mile surge into space.

The Air Force expected the missile, named Pioneer, to re-enter Earth's atmosphere about midnight Sunday (Detroit time) and burn up in the vicinity of the Indian Ocean. Scientists also announced that the rocket was sending back valuable data which proved encouraging to future space travelers. They said there were indications that the band of radiation circling the Earth diminishes as the Earth is left behind.

Tuesday, October 14

THE AIR FORCE has been authorized to launch two "space probes" in addition to the three lunar shots originally assigned, informed sources revealed Monday. One is likely to be an attempt to gather scientific data in the vicinity of the planet Venus.

It was revealed also that the Air Force has tentatively scheduled Nov. 7 as the date for its next attempt to send a rocket around the moon—by which time, it is hoped, Pioneer's deficiencies would be remedied.

Stolen Goods Returned By Juveniles

Detroit Youngsters Traced By Police After Theft, Leave Loot in Store

Park police recovered a portable radio and several items of clothing stolen from the home of the Robert Hakken, 1012 Kensington, on September 29.

On Monday, October 13, Police Chief Arthur Louwers disclosed that five Detroit juveniles returned the radio and clothing, valued at a total of \$104, leaving them in a drug store on Mack avenue.

On the day of the theft, the juveniles, according to Mrs. Hakken, were in the backyard negotiating the purchase of a motor scooter from the Hakken's son, Neil, 14. After the youths left, the radio and items of clothing belonging to Neil, were discovered missing.

Park Det. Lt. Arnold Hough traced one of the juveniles to his home, and took him to the Park station, where the youth admitted the theft. The boy did not state who his companions were, but promised a return of the stolen goods.

Chief Louwers said the items were found in the drug store, where the boys left them after a threat of prosecution, if the goods were not returned.

LARCENY REPORTED

9th Polio Case Reported Here

One new case of infantile paralysis on October 8 brings to nine the total reported in the Grosse Pointe-Harper Woods Health District this season. There were seven cases in the 1957 season.

The latest victim of polio is a 33-year-old man who lives in Grosse Pointe Park. As in all of the other cases there is no accompanying paralysis. Four of the nine patients had had three shots of Salk vaccine.

The third of the clinics being held here for inoculation against polio was to be conducted in Parcels Junior High School, Mack and Vernier, between 6 and 8:30 p.m. on Wednesday, October 15.

Nearly 4,000 received inoculations in the first two clinics held at Pierce and Brownell Junior High Schools. The three clinics will be repeated one month later, when second shots can be taken by those who had their first ones recently.

Lone Gunman Robs Woods Gas Station

Attendant Empties, Cash Register Before Being Locked in Office

A lone armed bandit who held up a Woods gas station during the early hours of Sunday morning, October 12, made good his escape after locking the attendant in an office at the rear of the building.

The robber, who surprised the attendant, Charles J. Riffenburg, 24, of 24759 Morgan court, Mt. Clemens, got away with \$77.59 from the cash register of Mack-Prestwick gas station 19419 Mack.

Whips Out Revolver

Riffenburg told police that the holdup man came to the station about 2:35 a.m., and asked for the use of the rest room facilities, then suddenly whipped out a blue steel revolver, and ordered him to open the cash register.

The gunman then ordered Riffenburg to put the register's contents, \$77.59, on the counter, after which he forced the attendant to an office in the rear and locked the door, then scooped up the money and left.

Woods officers, Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that the bandit's method and direction of escape is not known. They said Riffenburg turned in the alarm about 10 minutes after the holdup.

Had Blonde Mustache

The robber is described as being about 25 years old, five feet 10 inches, with a blonde mustache, wearing a white shirt, dark tie, dark trousers, tan army field jacket and tan hat.

Owner of the station is John Schroeder of 19605 Packside, Detroit.

Garbage Disposal Problem Studied By Park Council

Considers Enacting Ordinance Requiring Installations of Devices Wherever Sewer Lines Are Adequate to Handle Load

The Park is mulling over some form of a garbage disposal ordinance, which, if found impractical for all residences, would make disposal installations compulsory in new homes and for those remodeling kitchens.

The matter was given some discussion at a meeting held by the Park Council on Monday, October 13, and then tabled for further study.

The Council appeared a little hesitant about passing an ordinance which would make installation compulsory in all the homes because of the inadequacy of some of the sewer lines in parts of the city.

Percentage Increases

City Manager Robert A. Slone told the council that at present, more than half of the residences in the city have grinders or incinerators. He pointed out that in 1952, only 46 percent of the homes had disposals; now, it is 54 percent.

The discussion of some of the sewers which might be too small to take a possible overload of garbage, brought about the matter of passing an ordinance which would not apply to old homes, but to new homes and where kitchens are remodeled.

Mr. Slone presented the council a report of a study he made in the city pertaining to garbage collection and grinders.

Population Now 15,800

The report disclosed that the present population of the Park is 15,800, or 6,100 household units, of which 2,800 units do not have grinders, therefore, collections for those who do not have grinders, is done at a cost of \$9.72 a year for each unit requiring this service. Four men and one piece of equipment are required.

Installation of a grinder in an average Park home will cost an estimated \$130, with another \$15 added if the grinder is put in an old type sink, since the drain hole must be enlarged.

It is estimated that the average life of a grinder is 10 years, and that the annual cost to each householder will be slightly more than \$24, the city manager stated in his report. The figures are based on a canvass of local plumbers and the average cost of plumbing installations.

City Is Fortunate

Mr. Slone said that the city is fortunate in having a combined sewer system which is more adaptable to the acceptance of garbage, and that most of these sewers are of adequate size.

There are some sewers that may prove troublesome due to the additional garbage load, and these are located between Balfour and Whittier, Charlevoix to Mack; Cadieux, between Maumee and Jefferson; west side of Barrington, between Essex and Kortie; and Harcourt, from Essex to Windmill Pointe drive.

Detroit treats some of the Park's sanitary sewage, and would not object to additional grinders, but the increased

Police Arrest Teenagers In \$4,167 Woods Theft

Two 18-year-old Detroiters were arraigned before Woods Judge Done J. Goodrow on Monday, October 13, on a charge of stealing \$4,167 of personal belongings from Illinois visitors who were in the Woods to attend a relative's funeral.

A juvenile and another older person, both also from Detroit, are also involved. The juvenile was implicated in the theft and turned over to Juvenile authorities, and the other, Charles Amara of 12760 Maiden, was arrested by Detroit police on October 10, and arraigned in Recorder's Court on a charge of receiving stolen property. Amara waived examination and is awaiting trial in Circuit Court.

Voters Asked For Extension Of Authority

Continuation of Nine-Mill Levy Deemed Necessary For School Operation

At a regular meeting of the Grosse Pointe Board of Education on Monday, Oct. 13, a resolution was adopted specifying that a school election would be held December 2. The issue to be voted upon will be the request of the board for a continuation of its authority to levy nine mills with which to operate the school system.

Superintendent James W. Bushong addressed the Board of Education, reviewed the matter thoroughly, and recommended that they act promptly to put the matter before the voters in order that planning for succeeding school years could be carried on efficiently and in good season. The text of his remarks are printed herewith.

AUTHORITY EXPIRES

"Members of this Board of Education are well aware that the authority granted by the voters of The Grosse Pointe Public School System to levy nine mills for operational purposes expires during the current year, 1958-59. Inasmuch as we cannot operate this school system on the millage assigned to us by the Wayne County Allocation Board, steps must be taken to renew the board's present authority to levy the 9 mills for operation.

"For the record, let me review our present school tax structure. Our levy for operational purposes is now 17.95 mills. The Board's authority to make this operational levy originates from two sources as follows: (1) The Wayne County Allocation Board has authorized a school levy of 8.95 mills within the framework of State constitutional provisions. (2) The balance of 9 mills for operation has been authorized by the voters of our school district. (As indicated above, the authority to levy this 9 mills expires during the present school year.)

Debt Retirement Levy

"In addition to the millage requirements for operation, we now have a debt retirement levy of 3.76 mills. The levy for debt, as previously approved by our voters, is broken down as follows:

1950 Debt50
1953 Debt	1.75
1954 Debt80
1956 Debt71
Total Debt	3.76 mills

"Therefore, our total school tax levy may be summarized in the following manner:

Operation	17.95
Debt	3.76
Total Levy	21.71 mills

"It should be pointed out that this all-purpose school rate of 21.71 mills is 2.01 mills lower than last year's rate. This reduction of slightly more than two mills will be reflected in the school tax bills of December of this year (1958).

"It is quite obvious that our tax picture has improved and it is gratifying that we are not required to ask for an increase at this time.

Couldn't Operate

"It is also obvious that we cannot operate in the 1959-60 school year without a renewal of the board's present authority to levy the 9 mills for operation. This 9 mills represents more than one-half of our local tax levy for operational purposes and more than one-third (approximately two million dollars) of our total operational budget. To expect this school district to operate during the 1959-60 school year with a loss of more than one-third of its revenue is out of the question.

"This Board has studied this problem thoroughly and discussed it with community leaders and the officers of our Parent-Teacher organizations on several occasions. There has been 100 per cent agreement that the 9 mills must be renewed.

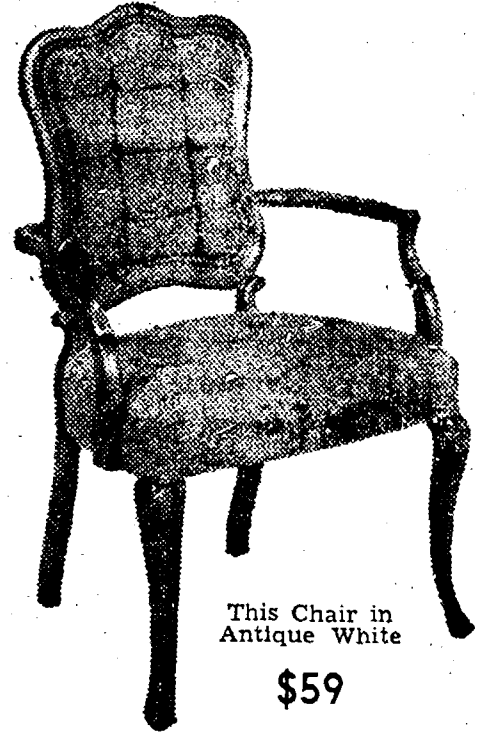

"Inasmuch as this is such a major part of our budget, it seems to me that it is highly desirable that the decision to renew be made soon. Planning (Continued on Page 2)

To Dedicate New Organs

(Continued from Page 1) Reverend Erville B. Maynard, the Rector of Christ Church.

The Guest Artist Miss Catharine Crozier, who will play the afternoon recital, is Professor of Organ and Organist at Rollins College, Winter Park, Florida.

She continued to give recitals, developing the twin career of teacher and concert virtuoso. She has appeared as featured soloist at several conventions of the American Guild of Organists.

Has Two Consoles The chancel console with its transparent music rack and desk type design offers an unobstructed view between the organist and the choir.

The organ in the choir room has been designed for organ practice and choir rehearsal accompaniment. It is a small two manual instrument of four ranks of pipes which are located on the north wall of the room.

Like their European counterparts, his instruments are noted for their clarity and individuality. Some of his recent installations may be heard at Yale University, Syracuse University, Massachusetts Institute of Technology, Oberlin College, Cleveland Art Museum, Eastern Theological Seminary, University of California and various churches throughout the country.

The original organ was given by Charles Henry Hodges in memory of his wife, Eliza Wetmore Hodges.

The new organ was given by Mr. and Mrs. A. D. Wilkinson in memory of her parents, Mr. and Mrs. Edgar B. Whitcomb. The console was given by Mrs. Lynn McNaughton in memory of her husband.

The Gallery Organ is a separate organ but may be used with the Chancel Organ to help congregational singing or for special antiphonal effects. The Pedal Organ serves as the bass for the instrument but still contains many stops of brilliance and high registers.

The three visitors arrived at the home of the Fantes' daughter, Mrs. Donald McPhail, 919 Vernier road, on Wednesday, October 8. They took four pieces of luggage out of the car and left it on the rear porch of the house, until rooms could be arranged for them.

Woods Det. Sgt. Walter O'Dell and Det. Leroy Tomian said the suitcases contained an Argentina mink coat valued at \$2,000, a lady's diamond wrist watch worth \$2,000, and wearing apparel valued at a total of \$1,167.

On October 9, the Macomb County Sheriff's Office was notified that three persons had given away items of clothing to a woman. They learned it was Lord, Paine and the 16-year-old.

Detectors from the Sheriff's office went to Lord's home and talked to his father, who said he did not know anything about what his son had done. A search of the young man's bedroom closet disclosed two of the missing suitcases empty and another containing toilet articles and clothing.

police, but not involved in the Woods theft, admitted taking the suitcases, Paine and the 16-year-old also admitted the thefts. Paine was arrested by Roseville police.

The three visitors said they sold the fur coat to Amara for \$12. The coat, with the label and serial number removed, was recovered by Detroit police, who arrested Amara, charging him with receiving stolen property.

Tiptaft to Talk About Socialism

On Monday evening, October 20, at 8:30 o'clock, the English Speaking Union of Detroit with the co-sponsorship of the Grosse Pointe War Memorial Association is presenting Norman Tiptaft, former Lord Mayor of Birmingham, England, in a speech on "The Consequences of Socialism in Britain." The public is cordially invited free of charge. A coffee hour, also free of charge, will follow the lecture allowing those in attendance to meet Mr. Tiptaft, chat with him, and ask him questions informally.

Mr. Tiptaft is no newcomer to the lecture circuit. Ten years ago he toured the major cities of America bringing them a factual picture of post-war conditions in Britain. Everywhere from New York to California he was praised, not only for the content of his talks but for his humor and speaking ability.

Since his last speaking tour in America, Norman Tiptaft, besides lecturing and writing, has been the European and British Commonwealth Advisor to an important American firm of engineers. This position has taken him all over the world and has enabled him to view the industrial situation from both the British and American side.

effect on the additional solids pumped into Fox Creek during storm periods. However, Mr. Stone said, since Detroit back-flushes the creek after storms, he felt this would add little to the contamination.

Makes Recommendation
After listing a number of items the council must consider before passing a grinder ordinance, the city manager recommended that if the council did not see fit to enact an overall ordinance, he would like to see a measure passed which would make it compulsory for such installations in new homes, or kitchens being remodeled.

The council tabled the matter for further study and for discussion at a future meeting.

If the Park enacts a grinder ordinance, it will be the third Pointe to do so.

The Woods has had such an ordinance for a number of years, and virtually eliminated garbage collections; the Farms passed one just recently, and has given householders, who have no grinders or incinerators, two years to comply. The City and Shores have no ordinances.

Warning on Guns Issued By Police

With hunting season just around the corner, a warning is issued by police, to hunters regarding the legal use of small arms, as defined by State law.

Any person who owns a pistol, revolver, or pellet gun, must register them with their police departments. Mere registration is the initial compliance with the law, but to carry a gun between your home, bank, business, use on the target range, or during small game, or deer hunting season, is illegal unless a permit to carry is obtained.

Concealed weapon permits are specific in defining the manner and place where the gun may be carried. Applications to carry are made through local police departments, with final approval given by the Concealed Weapons Board of Wayne County.

To own or carry a gun legally, a person must be 21 years of age, and a citizen of the United States.

Since children are attracted to guns, the following safety tips are advised: Insert and close an ordinary lock in the swing-out cylinder of a revolver, thereby making it ineffective for action. In the case of automatics, remove and hide the loading clips. This may save your child's life.

Legal disposal of a gun requires that the firearm be turned over to the Commissioner of State Police, through the local police departments.

Rifles and shotguns are not required to be registered, but it is important that a record of the serial numbers of these weapons be kept.

TO REMEMBER ORPHANS
Orphans and other children in institutions in Detroit and suburbs will be remembered "Sweetest Day," Oct. 18, with more than 5,000 boxes of candy.

"Sweetest Day" has been celebrated in Detroit for many years as a day to make people happy and each year orphans and shut-ins have been remembered.

AGE-OLD PROBLEM
People who can no longer grapple with a situation are on the verge of losing their grip.

School Tax

(Continued from Page 1)
for next year is already under way. It is difficult to plan with confidence until we know our financial resources. Beginning in January we start appointing members of our professional staff for the following year. Without an early decision by the voters to provide a definite assurance of the 9 mills, we could not begin our appointments and we could find ourselves in a very unfavorable position.

Doesn't Mean Increase
"May I again point out, and let there be no doubt about this, the recommendation in the next paragraph does not represent any increase in taxes. It is simply a request for the renewal of the authority we have at the present time."

"I therefore recommend that this Board of Education take the necessary legal steps to call a special election to be held December 2, 1958 for the purpose of requesting the voters to again grant levies for this Board to levy 9 mills for operational purposes for a period of five years."

In response to Dr. Bushong's remarks, President Franklin Dougherty of the board, acknowledged the need for action. He remarked on the indisputable soundness of the request and indicated he was in full agreement on the matter.

Dougherty recalled for the benefit of those present that the Board had met with leaders of the community on several occasions recently to seek their counsel. In each instance there was full and complete accord voiced, he reported. The P.T.A. Executive Council, meeting September 22, voted unanimous support, he said.

The board supported unanimously a motion calling for a vote December 2. The resolution adopted specified that the board would seek authority from the voters to continue levying the nine operational mills for a period of five years beginning in July 1959.

Anyone can be a reformer, but it's quite another thing to reform.

Firemen Douse Blazing Rafters

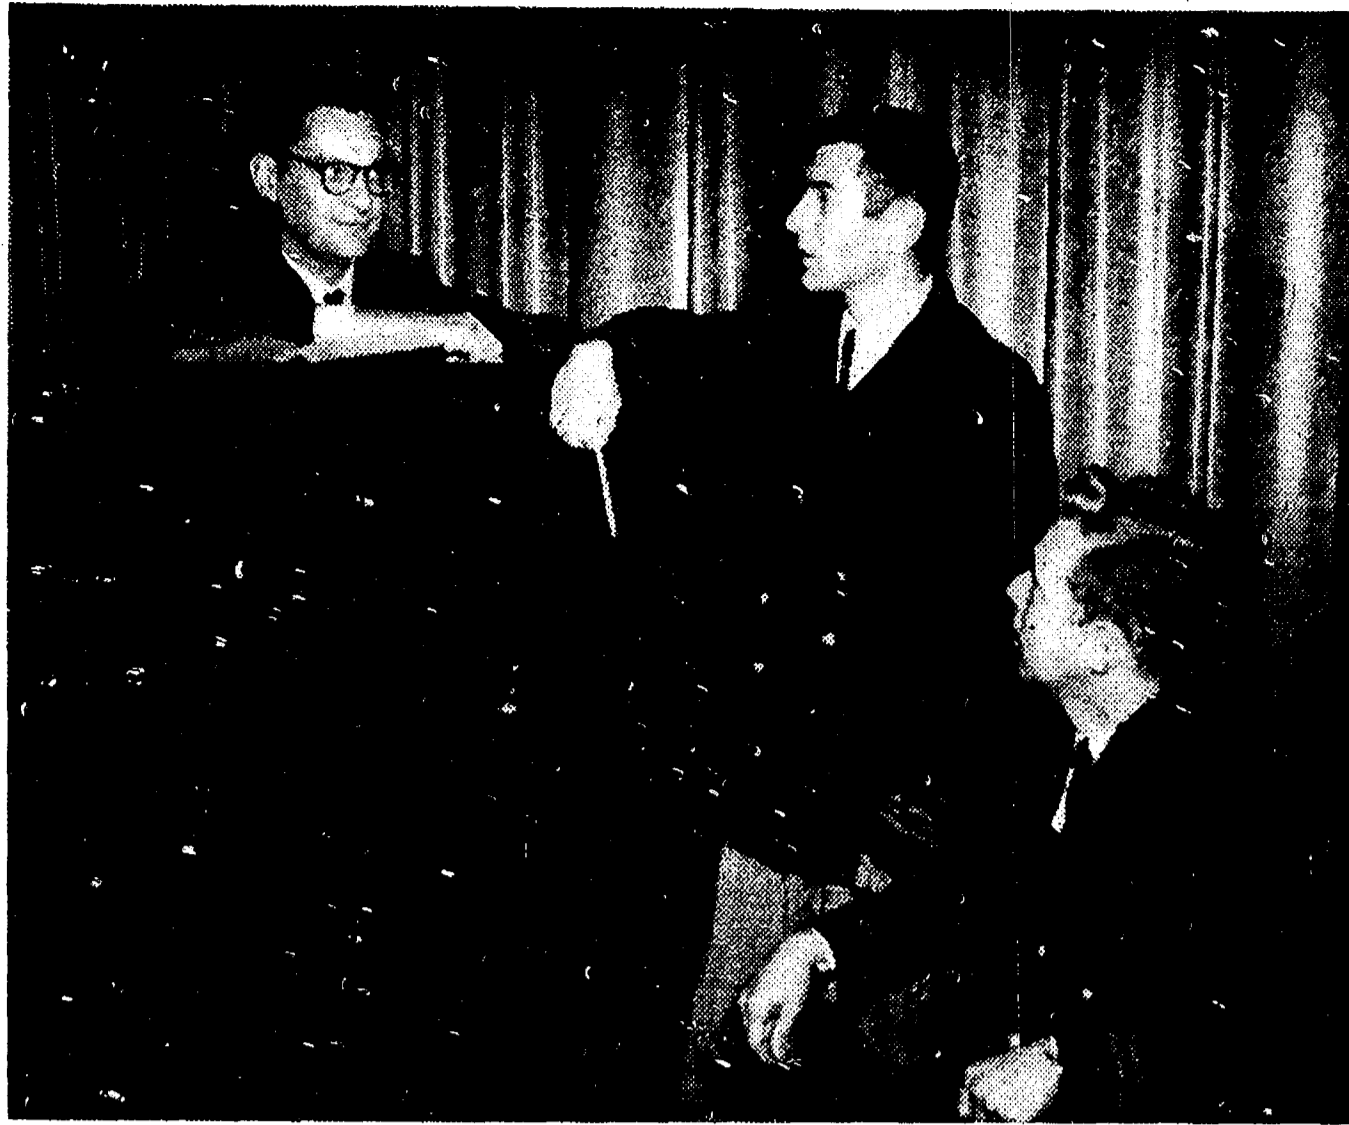

A call came into the Grosse Pointe City fire station last Wednesday, October 8, at 11:38 p.m. from Mrs. Ann McIlroy, of 456 Notre Dame avenue, re-

porting a fire under her house. Both trucks answered the distress call and found the rafters of the first floor were smoldering, as was some peat moss on the front lawn. The potential flames were extinguished with a booster line, but cause of the fire remains unknown.

Driver Crashes Into Light Pole

Dennis A. Duffy suffered only a minor injury when his car crashed into a Detroit Edison pole on Friday, October 10, on Marter road at the Wayne-Macomb County line, according to a Wood's police report.
 Duffy told police that he was going north on Marter, at about 45 miles an hour, and was crossing the Girard Drain bridge, when his car suddenly swerved sideways on the road which was slippery with oil and water.
 He said he was unable to straighten out and slammed into the pole, splitting it from top to bottom.
 Duffy suffered a minor shoulder injury, but refused treatment. He was given a ticket for reckless driving and for not having his car under control, causing an accident.

League to See Movies of Fair

Full color movies filmed at the Brussels World Fair this past summer will be featured at the Grosse Pointe Cinema League meeting next Thursday, October 23, at 8 p.m., in the War Memorial Center.
 The movies were taken by Charles Helin, of Windmill Pointe drive, who is well known for his fascinating travelogue films. This film is open to the public without charge.
 Mr. Helin caught the mood of the Fair for his audience by taking his pictures both inside and outside of exhibits and by shooting scenes at night as well as in the day. Among the exhibits shown are Russian and American ones, which he covered in detail, and also those of France, Czechoslovakia and Monaco.
 Included in the film is a ride in the overhead cars through the fairground and some excellent views of the Atomium. Mr. Helin, who has also filmed movies of the Far East, Africa, South America, and Australia, will be on hand to give the commentary on his film.

Police Arrest Young Prowlers

Two teenagers were arrested by Farms police Monday evening, October 6, within minutes after they broke into the home of Mrs. George K. Peets, 449 Allard.
 Mrs. Peets, according to Det. Sgts. Jack Paisley and George Van Tiem, was resting in an upstairs bedroom, when she heard the front door bell, but paid no attention, assuming it was a Halloween prank.
 Several minutes later, she heard a noise on the rear lower porch, and going out on the upstairs porch, demanded to know who was there. Then she saw two figures scurry from the porch, one of whom fell into a rose bush. The other ran around the corner of the house, but returned to assist his companion.
 Five minutes after Mrs. Peets called in the alarm, Farms police arrested Donald Osmulski, 19, of 3827 Beniteau, both of Detroit, on Chalfonte between Barclay and Cook roads.
 At the station the two youths admitted they were trying to break into the home, stating that prior to that they tried to break into a home at 681 Hawthorne, and when they were unsuccessful, went to the Allard address.
 The detectives said that the teenagers had cut the screen of the back porch and had broken a rear door glass leading to the dining room. The officers said the boys might have entered, and if they did, they were frightened away by Mrs. Peets.
 Osmulski and Wright dropped a tire iron and their gloves, and a flashlight, in their flight from the house, the detectives said.
 The youths admitted coming to the Pointe with the intention of breaking and entering into a home, the officers said.
 Osmulski and Wright were charged in a warrant with attempted breaking and entering in the night time and were arraigned before Municipal

Judge Grant E. Armstrong on Wednesday, October 8.
 Both boys pled guilty as charged and were released on \$100 bond each, until a trial date has been set in Circuit Court. They were placed in the custody of their parents until that time.

Plans Nearly Completed For Halloween Parties

Plans are going forward for the four Community Halloween parties to be held Friday, October 31. Many Grosse Pointe citizens put forth a great amount of effort to make this a gala night to be remembered in Grosse Pointe youth.

Forrest Geary, chairman of the Halloween Committee, has announced that five excellent name bands have been procured for the parties. Professional talent and movies will be provided as always.

Young people can count on lots of luscious food to satisfy the tastes of all and at bargain prices. Food chairman at Grosse Pointe High School will be Mrs. W. E. Pattee, assisted by Mrs. George Baer; at Parcels Junior High, Mrs. Donald VandeBunte, assisted by Mrs. John Zolad; at Pierce, Mrs. Mark E. Maun, assisted by Mrs. Raymond Baer; at Brownell, Mrs. William Frederick.

Chairmen of supervision for the parties will be: Milton Zuehlke at Grosse Pointe High School; Rex Johnston at Parcels Junior High; J. Dunton Barlow at Pierce.

The chairman of supervision at Brownell will be announced next week. Any parents or other interested adults wishing to volunteer their services to help at the parties, can call Mr. Geary, TU. 5-3808 or TU. 5-0271.

The police departments of the Pointes are 100 percent behind this project. Last year the departments reported not one single major or minor incident of malicious destruction.

Brooding Driver Slams Into Tree

Thomas A. Chatterton, 22, of 22511 Alexander, St. Clair Shores, was ticketed by Shores police on Monday, October 6, after deliberately ramming his car into a telephone pole in front of 485 Lake Shore road.

Chatterton was not injured, but damage to the front end of his vehicle was estimated at \$100.

The driver told police that he had been brooding about a physical examination for the Armed Forces, while driving

north on Lake Shore, when he decided to run off the road, according to Shores Police Chief Fred Duemling.

The chief said that Chatterton's operator's license was taken from him and a report of the case was sent to Lansing.

Chatterton is charged with reckless driving and not having his car under control and causing an accident. Court date is scheduled for October 27.

Nothing wrong with being in the pink of condition, but one shouldn't concentrate the color on the end of his nose.

AWARDED THE GOLD MEDAL for beautiful proportions—by the Comité Français de l'Élégance at the Brussels World's Fair

The elegant new Fairlane 500 Town Victoria SAFETY GLASS

Stylish, powered and priced for today's driving! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these '59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminum muffler that normally will last twice as long as conventional mufflers used on other cars... full-flow oil filtration that lets you change oil at 4000 miles instead of the 1000 often recommended... new Tyrex cord tires for greater economy and safety... a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts. NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving plus the "built-in" overdrive savings of an economy-geared axle.

Altogether NEW in everything you can see, feel or touch!

Lewis Honored By U-M Club

A dinner and reception were to be held yesterday, Wednesday, at the War Memorial Center, honoring Dr. James A. Lewis, University of Michigan vice-president for student affairs, and Mrs. Lewis. The affair has become an annual one for the University of

Michigan Club of Grosse Pointe. Mrs. Hubert Goebel was in charge of the arrangements for the dinner and Dr. James H. Teetzel, president of the club, was on hand to greet U-M Club members and friends.

Bible Lecturer To Speak Here

Since returning to the United States from the Middle East in April of this year, Edyth Armstrong Hoyt has presented her lecture entitled, "The Middle East: Land of the Bible and Its Challenge for Today," to over 3,000 people from Cleveland, Ohio to Pasadena, California.

In this area, only a single night's lecture is to be offered on this topic of current interest at Parcels Junior High School Auditorium (corner Mack avenue and Vernier road). It is scheduled at 8 o'clock on Tuesday evening, October 21. Tickets will be available at the door.

Mrs. Hoyt's repeated travels in the Middle East and Bible lands have presented many opportunities to talk with leading citizens and to closely observe the strategic situation today. As an internationally recognized Bible authority, her approach to this alerting subject is far different from that of the solely political, or economic observer.

Three different standard University courses on Biblical Literature, and other special lectures in conjunction with these classes, will be held between October 13-24 at the Birmingham Community House, and the one at the Grosse Pointe War Memorial Center. Further information may be procured from brochures at these locations, or by telephoning:

In Grosse Pointe: Mrs. Mary K. Frutig, TU 4-1599; Mrs. Richalou Selmeier, TU 4-2814.

In Birmingham: Mrs. James H. McPhail, Midwest 4-1702.

Frank W. Lindeman of 330 Rivard boulevard, was assessed \$10 for speeding on Vernier road; and Marianna Crumb of 234 Elmhurst, Highland Park, was charged a fine and costs of \$12.50, for speeding on Vernier.

A good thing to remember is that most of the time it's the advice that you don't get that does you the most good.

To Start Casting For New Show

The Grosse Pointe Community Theatre announced today that casting tryouts for "The Happy Time," its second production of the 1958-59 season, will begin at the Grosse Pointe War Memorial, 32 Lakeshore road, this Sunday, October 19, at 2:30 p.m.

Open to any interested Grosse Pointe residents, the auditions will also be held at the War Memorial on Tuesday and Thursday, October 21 and 23, at 7:30 p.m.

President Robert Koebel has announced that Mrs. Phyllis Reeve, who directed "Sabrina Fair" in 1957 and won the GPCPT's coveted "Clarence Award" as last season's best actress for her role in "Night Must Fall," has been chosen

by the GPCPT board to direct "The Happy Time." "The Happy Time" will be presented at the Grosse Pointe High School on December 5 and 6. Unlike the GPCPT's current production of "The Caine Mutiny," "The Happy Time" has both male and female roles.

Other GPCPT productions slated late this season are "The Solid Gold Cadillac," scheduled for February 6, 7, 13 and 14; "The Rainmaker," to be presented April 10-11; and "The Tender Trap," due on June 19, 20, 26 and 27. All will be presented at the High School, except "The Tender Trap," which will be produced at the Grosse Pointe War Memorial.

Harold Husband Directs Parley

President J. Harold Husband of the Association of School Business Officials of the United States and Canada presided over an international convention of three to four thousand school officials in New York City last week.

Mr. Husband is the Director of Administrative Services for the Grosse Pointe Public School System and has long been active in state and national affairs of the association.

Many notables graced the speaker's platform during the five day conference at the Hotel Statler. Mr. Husband had the honor of introducing Mrs. Eleanor Roosevelt when she addressed one of the general sessions Wednesday, October 8.

The West Point Cadet Chapel Choir performed at a Vespers Service Sunday, October 5. Many top authorities from the business and finance world came to share their ideas and knowledge with the school administrators. They helped to make the convention one of the most outstanding of the association has held.

The Michigan delegation presented Mr. Husband with a life membership in the National Association near the close of the convention. He also received a handsome wrist watch from the association in recognition of his leadership.

GPHS Mothers Club To Enroll Members

Mrs. Sheldon Drennan Chairman of Drive to be Held October 20-24; Club Lists Officers for Coming Year Headed by Mrs. Paul Hykes, President

The Grosse Pointe High School Mothers Club, which was organized in 1928 to benefit students, socially and financially, to interest mothers in the community and teachers in the club, has planned a full schedule of events this semester beginning with the membership drive.

Since its original organization, the Mothers' Club has enjoyed tremendous growth, both in membership and in program, but its original objective has remained unchanged. Each school year the Mothers' Club board, which includes faculty representation, meets monthly to plan its support for school events, and to discuss and take what action they may to meet some current need.

The income of this organization is derived from individual dues of \$1.00, from Neighborhood Group registrations, from the annual Spring Card Party and the proceeds from one performance of each Pointe Players' production.

From these funds financial grants are available upon application of deserving students who need financial assistance to continue their education, and Scholarship Awards of leather bound dictionaries, or a similar token, are given to all graduates who rank in the top 5 per cent of their class.

The membership drive for the Mothers' Club will be held from October 20-24 under the chairmanship of Mrs. Sheldon Drennan. The drive will be handled through grade chairmen, assisted by a committee of 150 mothers who will constitute a telephone committee.

Following are those serving on this year's executive board: president, Mrs. Paul Hykes; first vice-president, Mrs. Fred Flom; historian, Mrs. Robert Warmbold; hospitality, Mrs. Donald Neill; membership, Mrs. Sheldon Drennan and Neighborhood Groups, Mrs. Rex Regan.

Program: Mrs. Edward Kennedy; publicity, Mrs. James Zinn; room mothers, Mrs. Howard Gandelot; social, Mrs. Stanley Smith; bus chaperones, Mrs. Raymond Baer completes the list.

Committee chairmen for the year are: Christmas Tea, Mrs. Russell Hagland; Spring Card Party, Mrs. E. J. Dossin; Hal-

low'een, Mrs. Walter Patten; Halloween Assist, Mrs. George Baer; 10th Grade Chairman, Mrs. A. P. Bartholomew Jr.; January Commencement Parties, Mrs. Edwin Storey; June Commencement Parties, Mrs. J. O. Blair; Social Standards, Jan. '59, Mrs. Gordon Cameron; Social Standards, June '59, Mrs. Lawrence Ruby; Social Standards, June '60, Mrs. Paul Erickson.

Second Open House at GPHS

The second of two Open Houses to accommodate the parents of 2200 students at Grosse Pointe High School will be held Tuesday, October 21. Classroom visitation will begin at 7:30 for the parents of students whose last names fall between L and Z. Mrs. Stanley Smith, social chairman of the Mothers' Club, has arranged the refreshment hour to be held in the cafeteria from 8:30 to 10 during which parents will have the opportunity to meet Mr. Jerry Gerich, Grosse Pointe High School principal, Mrs. Fred Flom, Dean of Girls, and Mrs. Paul Hykes, President of the Mothers' Club.

On display in the cafeteria will be an exhibit of 13 reproductions of paintings by contemporary and classical artists which have been purchased for the school from the donations to the Walter R. Clevinson Memorial Fund. Following the Open House these pictures will be hung in the classrooms. Parents whose last names fall between A and K and who were unable to attend the Open House on October 15 are welcome to attend this second occasion.

Ask Candidates To State Views

The Voters Service Committee of the League of Women Voters of Grosse Pointe will sponsor a Candidates Rally, Thursday, October 30, at 8 p.m. in the Grosse Pointe High School Annex. Each candidate will be given a short time to state his views, after which there will be a question and answer period open to the audience.

Candidates for state and local offices of both parties have been asked to appear. The League of Women Voters candidates rally is unique in that it is the only rally at which members of both parties appear on the same platform to meet the public and discuss the issues. Here opportunity is afforded the voter to prepare for the November election.

Mrs. Douglas Graham, voters service chairman, is in charge of the rally.

His topic will be "An Overview of Our School Curriculum." Following Dr. Selmeier's talk, there will be a short business meeting and an introduction of the new teachers. After the meeting, parents are invited to visit their children's rooms. This will give the parents a chance to become better acquainted with the teachers, to meet the room mothers, and to see some of the work done by the children.

An informal social hour, with refreshments, will follow, in the downstairs gymnasium, under the able direction of Evelyn Kerbaw and her co-chairman Kitty Radcliff. From Another Pointe of View

By Patricia Talbot

That most glamorous of society's evenings, the opening of the symphony at the Ford Auditorium will take place tonight with Paul Paray conducting the orchestra in Beethoven's Sixth and Ravel's Bolero.

The Symphony faithful will be out en masse, dressed to the nines as befitting this occasion which formally initiates the fall season. Mrs. Russell Aiger has invited Mrs. Wood Williams, Mrs. Ralph Stoepel and Mrs. Sidney Miller to dine with her before attending the glittering concert. This foursome have been sitting together at the symphony for many years.

The Allen G. Barrys, (he's the new president of the board), have invited the A. D. Wilkinsons, the Robert L. Biggerses, the Rev. and Mrs. Erville B. Maynard, Mrs. Thomas P. Henry, the William M. Days, the Frank Donovans, Carter Wells and the Jerome H. Remicks, Jr., to dine with them at the Detroit Club before the overture.

Mr. and Mrs. John B. Ford, Jr., of East Jefferson avenue, will dine at home with the Ernest Kanzlers, Mrs. Edsel Ford and Robert Tannahill.

More Symphony Patrons

At the Detroit Athletic Club for dinner will be the Philip C. Bakers, the David L. Gambles, the Arvin Wheatons and Mrs. J. Bertram Bell. The Harold O. Lheats and the V. Everett Kinsey will be having their pre-symphony meal at the Country Club. Mrs. Gunnar Karlstrom will entertain Mrs. James B. Webber, Jr., the Hugh Lounds and the Daniel W. Goodenoughs at the Stockholm where the William Hickeys, the Stanley R. Days and the Cornelius N. Rays III will also be dining.

Most of these devoted patrons of the Symphony attended the very chi chi party given this past Sunday in the East Jefferson avenue home of the Howard Harringtons. The French tri color and the American flag flanked the entrance to the gracious home and the red, white and blue colors were carried out in the flowers decking the rooms and in the ribbons tying the white orchid corsages of the ladies in the receiving line.

Guest of honor Paul Paray and Madame Paray almost didn't arrive in time for the party. After he conducted the Bolero at the Brussels World Fair they sailed on the Mauretania which was buffeted about by hurricane winds and made port late.

Hostesses for House Tours

More news on the Garden Center House Tours which will take place this week-end, Saturday and Sunday. At the Allan Sheldens' III home in Provençal road the hostess list will include Mrs. Lewis S. Robinson, Mrs. Edward S. Evans, Jr., Mrs. Robert B. Evans, Mrs. Edward A. Skae, Mrs. Herbert Lord, Mrs. Wendell Anderson, Jr., Mrs. Warren Shelden, Mrs. William P. Bonbright and Mrs. George N. Monro III.

Others will be Mrs. James I. McClintock, Mrs. John B. Warren, Mrs. Donald Winans, Mrs. William Curran, Mrs. Sibley Moore, Mrs. Frederick Kammer, and Mrs. Lowrey Kammer. The pink drawing room with the elegant French Louis furnishings is the special treat in the Shelden home with the terrace done in vibrant turquoise another eye catcher.

Hostesses at the Louis A. Fisher home overlooking the lake will be Mrs. Sherwood Reekie, Mrs. William R. Hamilton, Mrs. Nelson Dieberl, Mrs. Harry B. Howen-

To Hear Talk By Australian

Dr. Fred Schwarz, noted surgeon and psychiatrist from Sydney, Australia, will be the speaker at the annual evening meeting of the Women's Republican Club of Grosse Pointe on Monday, October 20 at 8 p.m. in the Grosse Pointe War Memorial. All members are invited to bring their husbands.

Dr. Schwarz is an Australian physician, surgeon, psychiatrist, and lay preacher who is endeavoring to diagnose and prescribe treatment for the malignant physical, mental and spiritual disease of Communism. For the last 20 years he has been probing the mind and motivations of Communism to find out what Communists feel, think and believe, instead of what they say and do.

He has debated on an open platform with many leading Communists and has an open challenge to debate any Communist on any phase of the subject. He first debated Max Julius, now a member of the Central Committee of the Australian Communist Party, in 1940, at the University of Queensland, Australia.

Since the tremendous advances Communism continues to make, he has ceased medical practice in Australia and has dedicated himself to a worldwide campaign to combat Communism with education as to its true nature along with a challenge to Christian dedication. He is now Executive Director of the Christian Anti-Communism Crusade. His basic thesis is that accurate diagnosis must precede effective treatment. Understanding is the minimum of effective opposition.

Dr. Schwarz has traveled extensively and studied Communism in many lands. He has studied their basic theoretical texts which is even more important. He has spoken to many of the nation's Congressional, Military, and Administrative leaders. His audiences include The National War College; the Defense Department; Congressional Committees and Groups; the leading Civic Clubs, Veterans Groups, Colleges and Churches of the nation. His recent testimony before the House Un-American Activities Committee has received unprecedented acceptance. It has been published as a double-page newspaper advertisement in many of the outstanding papers of America.

Stephens Grads Slate Events

Mrs. R. C. Sheridan, of Harper Woods, entertained the Stephens College Alumnae Monday evening in her home.

Mrs. Thomas E. Coulter, of Grosse Pointe, President, proudly announced that although this is only the third year the alumnae on the east side have gathered together, as a group, this year marks the birth of an organized club with a constitution to: assist the college in their projects, assist the community in some form of charitable work, and to provide alumnae a chance to renew old friendships and make new ones.

This meeting's program centered around cards and chatter; led by the program chairman Mrs. Robert Knapp of Grosse Pointe. The hostess and her assistant, Mrs. Frank Ogan of Detroit, served coffee and dessert.

The business meeting included an announcement of the death of President-Emeritus Wood on September 28. Dr. Wood served Stephens for 35 years, and during his presidency the college grew in students and alumnae from 53 to 17,000; in faculty from 22 to 223; and most of the major buildings were built. The club voted to send a gift in his name to the Lela Rainey Wood Memorial Fund of Santa Monica, California.

Mrs. John Danta of St. Clair Shores, newly appointed projects chairman, announced that the club will start a series of meetings to be spent on a project to benefit some needy organization. The first meeting will be Monday evening, October 20.

Mrs. Knapp announced the November meeting will be a Toy Demonstration Party at the home of Mrs. W. W. Lee of Mt. Clemens. Future meetings will feature foods, member-produced forums, and bridge.

Mrs. Thomas E. Candler of St. Clair Shores, special events chairman suggested the members save December 12 for a Christmas party.

Claims Lesly Stockard as Bride Saturday in St. Thomas More Church; After Reception at Le Pavillon Newlyweds Leave for Florida Trip

Before their immediate families Frederick M. Alger III and Lesly Stockard exchanged wedding vows Saturday in St. Thomas More Church in New York.

He is the son of former ambassador to Belgium Frederick M. Alger, Jr., and Mrs. Alger, of Lincoln road. The Alger's wired their best wishes from Brussels where they are visiting diplomatic friends. She was attended by her sister, Susan Stockard and Mr. Alger's best man was his brother-in-law, Reese E. Howard. The Howards came to the wedding from their home in Far Hills, N. J.

Also attending the ceremony and the small reception which followed at Le Pavillon were Mr. Alger's grandfather,

Charles S. Dewey, of Washington; his aunt, Mrs. Harold R. Boyer, of East Jefferson avenue, and his cousins, Harold R. Royer, Jr., and Alger Boyer. Following the reception the pair left for a brief wedding trip to Pointe Vedra, Fla.

Hospital Auxiliaries Hold Project Clinic

Gathering at Hidden Valley Hears How Women Raised \$10,000 for Cottage Hospital With Special Events in Four Years

Over 200 delegates to the Tenth Annual Project Clinic of the Michigan Association of Hospital Auxiliaries Wednesday heard how the ladies auxiliary of Cottage Hospital in Grosse Pointe raised \$10,000 in four years for the purchase of new hospital equipment.

Mrs. William F. Heyd, publicity chairman and historian of the Grosse Pointe Auxiliary, who was one of the speakers at the Clinic held at the Hidden Valley Club, Gaylord, October 7 and 8, enumerated the various projects which were implemented by the group to amass this

sum. According to Mrs. Heyd, the more than 300 members of the auxiliary, which was formed in 1954, planned kitchen tours, donation teas, telephone bridge tournaments and devised other programs to raise the money for hospital equipment.

The funds were turned over to hospital officials and used for the purchase of two premature isolettes, which control oxygen for premature babies thus eliminating the possibility of blindness; an orthopedic table for use in setting fractures; a set of bronchoscopy instruments and several other smaller pieces of equipment.

The auxiliary has also given funds for a new operating table which is to be purchased soon, said Mrs. Heyd. The next task to be tackled by the auxiliary is the arrangement of projects to raise sufficient funds for an operating room ceiling lamp.

Principal speakers at the Project Clinic were George E. Cartmill, president of the Michigan Hospital Association, and director of Harper Hospital in Detroit; Bennett J. McCarthy, director of Hospital Affairs for Michigan Blue Cross; and Jacques Cousin, executive director of the Greater Detroit Area Hospital Council, Inc.

Mr. Cartmill spoke on "The Hospital As an Educational Institution," and Mr. McCarthy discussed "Problems in Prepayment," while Mr. Cousin had as his topic, "Co-ordinated Hospital Development."

Guest speaker at the Tuesday night banquet was Mrs. Cecil D. Snyder, past chairman of the Council on Auxiliaries of the American Hospital Association, whose talk was entitled "Tis A Gift to Be Simple."

Mr. DePetris To Talk to Club

The Garden Group of the Grosse Pointe Woman's Club, formerly scheduled to meet at the home of Mrs. Forrest J. Coulter, will meet Wednesday, October 22, at 1 o'clock at the Library on Kercheval and Fisher Road.

Mrs. John H. Carter, program chairman for the day, will introduce Vincent DePetris, as the guest speaker. Mr. DePetris will speak on "Chrysanthemums".

A discussion period will follow.

Mrs. Forrest J. Coulter has appointed Mrs. Arthur B. Baylis as hospitality chairman and Mrs. James Scott as head of the permanent telephone committee.

To Be Wed

—Picture by O'Connor
Mr. and Mrs. Gilbert F. Haskin, of Ridgemont road, announce the engagement of their daughter, SHARON RAYE, to John Edward Simpson, son of the John W. Simpsons, of Lansdowne avenue.

The bride-elect attended Michigan State University and her fiancé is an alumnus of Wayne State University. They will be married next August.

Request Yarn For Projects

The hard working Knitting Ladies of the Neighborhood Club are again in urgent need of scrap yarn. The many afghans they have knitted and which have been literally distributed throughout the world by the Red Cross, Cancer Clinic, maternity and nursing homes and to the aged has been made possible because of the generous donations of scrap yarn by many people of Grosse Pointe.

If you know of anyone that knits or you knit yourself—those little left-over pieces of yarn could be used for a most worthwhile cause—even old sweaters—the ladies will unravel—if you would either send them over to the Neighborhood Club, 17145 Waterloo or we would be most happy to call for any contribution at your home. Call TU 5-4600 and ask for Miss Masak so that arrangements can be made at your convenience.

HOUSEHOLD HINT

Sort clothes for laundry on a table, suggests Lucile Ketchum, home management specialist at Michigan State University. It's easier—and less tiring—than sorting them on the floor.

League to Hold Annual Bazaar

The Michigan League for Crippled Children, Inc., will hold its Annual Bazaar and Card Party on Wednesday, October 29, in the Fountain Room at Masonic Temple.

Proceeds from this outstanding party help the League in their maintenance and operation of Grace Bentley Camp for Crippled Children, located at Jeddo, Michigan on Lake Huron. Each year over four hundred orthopedic and cardiac children from Detroit and surrounding areas enjoy a vacation and camping experience they would otherwise be denied.

The Bazaar Committee is headed by Mrs. Carl Carlson of Huntington road. Some of the local ladies assisting are Mrs. Charles R. Brooks of Lakepointe avenue, Mrs. Henry Gardner of McMillan road, Mrs. Henry Zardowski of Berkshire road, Mrs. Charles Johnson of Pemberton road, Mrs. W. Emerson Clyma of Severn road, and Mrs. James Gilmour, also of Severn road, has charge of the White Elephant Booth.

Doors open at noon to give ample time to shop the bazaar before a relaxing afternoon of cards and the pleasant interlude of the fashion show.

There is no admission charge to the bazaar and the public is cordially invited. Tickets for the card party and fashion show sell at \$1.25 and may be obtained from any of the members or at the door of the Fountain Room.

Voters' League Units to Meet

The October Unit Meetings of the League of Women Voters of Grosse Pointe will be devoted to exploring the areas of state government in which major changes may be expected. There will be four units meeting in the following places:

Thursday, October 16, 10 a.m.: Mrs. Leonard Slowin, 1124 Nottingham road. Leader, Mrs. Leonard Slowin.

Monday, October 20, 7:30 p.m.: Mrs. Robert Everett, 899 S. Brys drive. Leader, Mrs. Robert Everett.

Tuesday, October 1, 7:30 p.m.: Mrs. Patrick Frank, 1343 Harvard. Leader, Mrs. Joseph Thompson.

Monday, October 27, 1:15 p.m.: Mrs. M. H. Collinson, 704 Westchester road. Leader, Mrs. Clarence Koebbe.

Principles may be good to talk about, but it's the almighty dollar that has the drawing power.

Bride-Elect

Mr. and Mrs. Hal A. Klie-mann, of Kensington road, announce the engagement of their daughter, JUSTINE GERTRUDE, to James Weitzmann, son of the George Weitzmanns, of Whittier road. A November 29 wedding is planned.

Circle Holding Square Dance

A square dance will be given by the Sacred Heart Circle at Our Lady Star of the Sea Church, the corner of Fairford and Ballantyne road, this Saturday, October 18, beginning at 9 p.m. The price of admission will be \$2 per couple, or \$1 apiece.

If a man intends to stand on his dignity he should have spikes in his heels.

III-TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased as provided by Section 21, Article X of the Michigan Constitution, by eleven one-hundredths (11/100) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of seventeen (17) years, from 1959 to 1975, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission of the Port of Detroit a port district established pursuant to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars if authorized by the qualified electors, for the purpose of acquiring sites and constructing necessary port improvements in said district?

Only properly registered electors who have property assessed for taxes within the County of Wayne, or the lawful husband or wife of such persons are entitled to vote on the bonding proposition.

All properly registered electors may vote on the tax-rate limitation increase proposition.

These propositions are being submitted in accordance with the following resolutions adopted by the Board of Supervisors of said County on the 4th and 15th of September, 1958, by the requisite three-fifths (3/5) vote:

Resolutions of Board of Supervisors of the County of Wayne

WHEREAS, the County of Wayne has diligently sought to bring the County budget into balance within the available allocated millage allowed by the Wayne County Tax Allocation Board by pursuing every possible economy and yet provide sufficient funds to meet the ever rising costs resultant from providing statutory services to a rapidly expanding population in a period characterized by increased cost of commodities and personal services; and

WHEREAS, this available millage under the 15 mill constitutional tax limitation has remained constant for the past 6 years and has not been sufficient when applied to the equalized property valuation of the County to adequately maintain the mandatory functions of County government at a level necessary to provide minimum health and welfare standards for the citizens of the county; and

WHEREAS, the County will be faced with a deficit as of November 30, 1958, of approximately \$12,500,000 consisting primarily of unpaid bills due the City of Detroit and State of Michigan for hospitalization and other social welfare functions; and

WHEREAS, the Wayne County Board of County Auditors has advised that there is no foreseeable means of obtaining the necessary funds to pay these existing obligations except by seeking authorization from the electorate of the County for the levy of additional millage for the sole purpose of retiring said obligations:

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Wayne, this 4th day of September, 1958:

1. That there be submitted to the qualified electorate of the County of Wayne, State of Michigan, at the General Election to be held in said County on Tuesday, November 4, 1958, the following proposition:

I-TAX-RATE LIMITATION INCREASE PROPOSITION:

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, State of Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Michigan Constitution, by three-tenths (3/10) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of five (5) years from 1959 to 1963, both inclusive, for the sole purpose of providing funds to retire debt obligations incurred by the County of Wayne in financing hospitalization and other social welfare functions which are the statutory responsibility of the County?

2. Said proposition shall be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballots shall state the proposition in the form set forth in the preceding paragraph.

3. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within

such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing proposition to the electorate of said County at such General Election to be held on Tuesday, November 4, 1958.

WHEREAS, the Port Commission of the Port of Detroit, a port district co-terminus with the County of Wayne, State of Michigan, established pursuant to the provisions of Act 234, Public Acts of 1925, as amended, has, pursuant to the provisions of Act 234, Public Acts of 1925, as amended, approved a comprehensive port development plan on September 3, 1957, after the requisite public hearing thereon, and by resolution adopted on July 24, 1958, provided for the borrowing of the sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars for the purpose of acquiring the land and properties and constructing the various port facilities encompassed within said plan, subject, however, to the approval of the Board of Supervisors of Wayne County and a three-fifths (3/5) majority of the qualified electors of the County of Wayne voting thereon at a general election or special election called for such purpose, as required by the provisions of said law.

AND WHEREAS, pursuant to the provisions of the above law, said resolution has been duly certified to this Board for its approval thereof and for the necessary procedures to submit the bonding proposition to vote of the qualified electors of the County of Wayne, being the municipal corporation comprising the Port District; AND WHEREAS, extensive meetings and discussions relative to said comprehensive port development plan have been held with the Port Commission and the Port Committee and Ways and Means Committee of the Board of Supervisors of the County of Wayne, as a result of which it is the determination of the Board of Supervisors that said plan should be approved, but that only that portion of the lands and properties embraced in said plan within the following description should presently be acquired, developed and financed by the issuance of bonds, to-wit:

LAND ACQUISITION

All that area in the City of Detroit bounded on the westerly side by the easterly line of Private Claim 563, which line is 150 feet, more or less, west of the westerly line of Scotten Avenue extended southerly to the U. S. Harbor line; bounded on the north by the southerly line of the Chesapeake and Ohio Railway-Wabash Railroad; Right-of-way on the east by the westerly line of the Evening News Association property and the northwesterly line of present West Jefferson Avenue and the westerly line of West Grand Boulevard at its intersection with said railroad right-of-way; and bounded on the south by the U. S. Harbor Line.

PORT FACILITIES

- 1. A wharf 1105 lineal feet long, sufficient for berthing two large or four small vessels.
2. Two transit sheds totaling 114,000 square feet of covered storage.
3. An open storage area of 386,000 square feet for lift-on-lift-off operation and general cargo.
4. Adequate space for maneuverability of trucks, trains, cranes, and other material handling and transporting equipment.
5. Adequate facilities for storage and maintenance of equipment.
6. Office space of 10,000 square feet, for Port and Terminal Administration.
7. Heavy-lift equipment for handling unit cargo up to 50 tons.
8. Adequate rail facilities connecting to the nearest railway.
9. Security fencing, A. D. T. and lighting installations.

These facilities would be adequate to handle 330,000 tons of cargo annually—the balance of the land, properties, and port facilities specified in said plan to be left for future determination as to acquisition, development and financing thereof.

AND WHEREAS, the estimate of cost of the acquisition of the lands and properties within the above designated area, and the acquisition of the port facilities specified for said area has been estimated by Harley, Ellington and Day, Inc., architects and engineers, of Detroit, Michigan, to be Seven Million One Hundred Thousand (\$7,100,000.00) Dollars;

AND WHEREAS, the Port Commission of the Port of Detroit has concurred in the program herein set forth, which is a revision of its original immediate acquisition program as outlined in its resolution adopted September 3, 1957, and duly certified to the Board of Supervisors;

AND WHEREAS, the Port Commission has submitted to the Common Council of the City of Detroit, the legislative body thereof, said comprehensive port development plan, all of the area and territory embodied in said plan being located within the corporate limits of the City of Detroit, and said Common Council, by resolution, has approved said plan, all in accordance with the provisions of Section 30 of Act 234, Public Acts of 1925, as amended;

AND WHEREAS, because of uncertainties under the law as to whether the Port District is an agency of the county and thus is limited in its taxing ability for the payment of bonds by the limitations expressed in Section 21, Article X of the Michigan Constitution, or is an independent municipal corporation having a charter tax rate limitation, and thus is not subject to the limitations of said constitutional amendment under the decisions of the Michigan Supreme Court, this Board feels that it is necessary in order to provide for all eventualities to submit to the qualified electors on a separate ballot, or as a separate proposition on voting machines, a proposition providing for an increase in the constitutional tax rate limitation as authorized by said Section 21, Article X of the Michigan Constitution in an amount sufficient to provide for the payment of the principal and interest on said bonds over a maximum seventeen (17) year period;

AND WHEREAS, this Board determines that the procedures for said general election should be as provided in the so-called "County Public Improvement Act," being Act 118, Public Acts of 1923, as amended, there being no procedure specified in detail in Act 234, Public Acts of 1925, as amended, which procedures will also comply with the provisions of the general election law of the State and will provide complete notice and opportunity for the qualified electors of the County to register and vote on the propositions to be submitted;

AND WHEREAS, the intent and purpose of this Board and the Port of Detroit Commission, if the bonding proposition is approved by the requisite majority of qualified electors of the County of Wayne, to devote to the net revenues from the operation of the port facilities to the retirement of the bonded indebtedness, thus reducing the amount of taxes necessary to be levied for the payment of said indebtedness to that extent:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF WAYNE THAT:

- 1. The comprehensive port development plan as proposed by the Port of Detroit Commission and approved by it by resolution is hereby approved.
2. The issuance of general obligation bonds in the amount of Seven Million One Hundred Thousand (\$7,100,000.00) Dollars for the acquisition of the lands, properties and facilities outlined in the preamble to this resolution, as a part of said comprehensive port plan, be approved.
3. There be submitted to the qualified electors of the County of Wayne, State of Michigan, at a general election to be held in said County, being the municipality whose boundaries are co-terminus with the Port of Detroit, a port district existing under the provisions of Act 234, Public Acts of 1925, as amended, on Tuesday, November 4, 1958, the following separate propositions:

II PORT OF DETROIT BONDING PROPOSITION

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law, co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars, and issue its general obligation bonds therefor for the purpose of acquiring sites and constructing necessary port improvements in said district; provided, that none of said bonds or any portion or series thereof, shall be issued unless approved by the Board of Supervisors of Wayne County?

III TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne,

Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X, of the Michigan Constitution, by eleven one-hundredths (11/100) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of seventeen (17) years, from 1959 to 1975, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Seven Million One Hundred Thousand (\$7,100,000.00) Dollars if authorized by the qualified electors, for the purpose of acquiring sites and constructing necessary port improvements in said district?

4. Said propositions shall be stated as separate propositions on the voting machines or on separate ballots to be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballot shall state the propositions in the form set forth in the preceding paragraph.

5. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing propositions to the electors of said County at such general election to be held on Tuesday, November 4, 1958.

A three-fifths (3/5) majority of the members-elect of the Board of Supervisors of the County of Wayne, Michigan, having voted in favor of the adoption of the foregoing resolution, the Chairman thereupon declared that said resolution was duly adopted.

Few suburbs in the nation can claim the distinction which Grosse Pointe has, a rare hamlet which grew up under three flags. French, British and American.

One of the Pointe's most frequent, though often unwelcome visitors in the 1760's, was the wily Indian chief, Pontiac, whose fame spread to European courts.

Pontiac allied himself with the French settlers and after the French and Indian war when English garrisons were thrown into the Great Lake forts he determined to capture them.

French Pioneers, descendants of the early woodsmen, who came with Cadillac, were already settled on the shores of Lake St. Clair, where our lovely lake-shore road winds today. Pontiac treated his French allies with consideration. At the time of his planned attack on Detroit he would bring from 600 to 3,000 Indians to camp near the ribbon farms along the lake.

In the summer of 1763 he moved in a huge force of Hurons, Ottawas and Pottawatomies, seeking refuge in the Pointe after a massacre of the Fisher family on Hog Island (Belle Isle). During the week before his ambush of the British garrison the lake road was crowded with painted savages, their feathered war bonnets waving, their tomahawks, guns and knives ready for action.

An Indian girl, in the savages' train, betrayed Pontiac's plan to Major Gladwyn, the British officer in charge of the fort at Detroit, and the Indian chief set up a state of siege. A relief party under the command of Capt. Dalzell, aide de camp to Gen. Amherst, was sent to the fort's rescue, to surprise Pontiac in his camp on Parent's Creek. (The only remains of this stream are in the Mt. Elliott Cemetery). The Indians, (probably from a French settler), knew of the attack and lay in ambush behind the French log cabins as the troops marched, flags flying, band playing up the avenue. The Indians fell on them near the Creek, ever since called Bloody Run, and the running battle extended to the edge of Grosse Pointe. Most of the British regulars were scalped, Capt. Dalzell, among them. Parent's Creek ran with blood. Only a few of the column reached the safety of the fort.

Col. Henry Bouquet subsequently led an expedition into Ohio which quelled Pontiac's allies and the great Ottawa chief sued for peace in August, 1765. He was killed in Cahokia, Ill. four years later by an Illinois Indian said to have been bribed by an English trader.

When excavation was begun on the Grosse Pointe High School many arrow heads, and other Indian relics, were discovered, supposedly abandoned after the fight at Bloody Run.

As late as 1926 Indian relics were unearthed in the Pointe. Out on Gaulker Point, where the Edsel Fords built their estate, a silver bracelet and other remnants of a chief's regalia were discovered.

Pontiac was the greatest of the Indian chiefs to figure in Pointe history, but Tecumseh was entertained by the English Commodore Grant in his castle here before fighting the Americans and as late as the War of 1812 painted savages would spring from the wilderness to attack the British and American pioneers beginning to farm in this section.

stein, Mrs. Donald Woodruff and Mrs. Arthur D. Sutherland, to name just a few.

Buhls to Go Hunting

Another home certain to attract a large group of viewers is the newly decorated C. Henry Buhl home on Vendome road. In the lovely Sheraton dining room, done in what Mrs. B. says is "Bluey-greenery, gray" are some unusual panels of wall paper imported from Hong Kong, each representing a different fruit tree. The silk curtains complement the walls as do the Kelly green upholstered chairs. In the bay window is a rare Sheraton table seating four for those intimate dinners too small for the huge table which can seat sixteen. The dining room is always lighted with silver candleabra to set off the charming decor.

As soon as the tours are over the Buhls will be leaving for their shooting lodge in Mikado, Mich., where they will be entertaining guests for the partridge and wood cock season.

The first contingent of shooting guests will be the Henry Woodhouses, Harry Rust and Mrs. W. Dean Robinson. Another group will include the Edward H. Jewetts II, the William Burtons and the Charles Creedons.

Anniversary Trip

Instead of a party marking their wedding anniversary this week-end the William Denlers, of Cloverly road, flew West. They motored from Colorado Springs to all the tourist sights, Black Canyon, Mesa Verde ending up at Scottsdale, Ariz. While they were away, their daughter Susan, who will have a birthday the day after her parents' anniversary, dashed off to New York with Ginny Evans and Pam Waterman.

Also traveling before their anniversary last Tuesday, which they marked with a dinner in their Elm court home, were the Sherod Scotts. They visited Cambridge, Mass., where their son-in-law and daughter, the Howard Pattersons, are living while he attends MIT.

Reunion at Wedding

There was quite a reunion in Shaker Heights, O., this past week-end at Charles Bayard Johnson's wedding to Mary Sue Bovington. On hand were Bob Martin, from the Pointe, the bridegroom's former roommate at Dartmouth and Bill Whittingham, who flew in from New York.

Also attending was J. Daniel Burke, who has been staying here with his brother-in-law and sister, the J. Alfred Grows, of Bishop road.

He left Sunday for Cambridge, Mass., where he will enter the Episcopal Theological Seminary with two other Pointers, Hayes Rockwell and Jay Newberry.

Pointer of Interest

DR. THOMAS S. DAVIES, OF WASHINGTON ROAD

By Patricia Talbot

The burnished browns and reds of our stately trees may mean another delightful autumn to most of you, but to Dr. Thomas S. Davies the striking fall foliage has another, deeply significant meaning this October. The polio season is just about over. As director of the Grosse Pointe Branch of the Wayne County Health Department Dr. Davies has been the man most concerned with the recent polio scare which brought 1,800 to Pierce Junior High School and 2,000 to Brownell for the clinic shots.

These clinics which are open to the public for polio shots at \$1.00 have been jammed due to the seasonal upsurge in cases in the Detroit area. Dr. Davies feels there is no real cause for alarm in the Pointe, where there have been nine cases of polio since June, but he would feel more secure if from 75-80 per cent of the citizenry were protected.

Clinic Job A Big One

His office has done a magnificent job of handling these clinics which offer this important medical service to the Pointe area. There was another clinic October 15 from 6 to 8:30 o'clock at the Parcels Junior High School.

Dr. Davies, during his 15 years as health commissioner in the Pointe, has never had an epidemic on his hands, nor a situation like the recent polio clinics. But he is eager to help when the need is there. During Detroit's diphtheria scare a year ago he offered his services to the hard pressed public health department to administer inoculation shots.

Health Department Services
The polio clinics have increased the already heavy work load of Dr. Davies' department which has five nurses in the Public Schools, three in the office and a supervisor two days a week. Dr. Davies works closely with the schools in maintaining a high level of health. School children are tested for hearing, eye sight, dental health and a careful check is kept on general physical well being.

He works with the physical education departments, too. This year he discovered a hernia case in a boy who was playing football, and frequently he has come across heart conditions. Dr. Davies, a calm, experienced doctor, finds Pointe parents most understanding, considerate and con-

scientious where their children's health is concerned.

Bowler and Curler

A picture of health himself, Dr. Davies looks much younger than his 75 years, and he believes it's due to his active life. He is a devotee of some unusual sports, bowling on the green in the summer, and curling on the ice in the winter. His father was a famous curler at 81 and Dr. Davies has been following his parent's lead. He wishes schools would teach sports which could be a lifelong hobby. You can't play football at 70, he reminds us with a laugh. He is enthusiastic over bowling, horseback riding and golf. Long hikes combined with a study of botany also offer a rewarding lifetime interest.

Dr. Davies lives in the house he built in Washington road 37 years ago. A widower for some years he shares his home with his son-in-law and daughter and three grandchildren. His whole life has been spent in the Detroit area. He was born near Corktown, (when it was a lovely neighborhood, he sighs). He was graduated from the old Detroit Central High School, now Wayne State University, where he studied Greek and Latin and played the violin.

Engineer, Too

He went on to the University of Michigan where he took an engineering degree and for some years worked in this field. Then he went to Wayne for his medical degree. For a quarter of a century he practiced pediatrics in Woman's Hospital, Children's Hospital and Herman Keifer Hospital before becoming Grosse Pointe Township Health Commissioner, succeeding Dr. Warren in the offices above the bank in East Jefferson avenue.

Six years ago the Health Department offices were moved

to Defer School. From this office the community's health is guarded constantly. Citizens may not be aware of it, but their water is tested both for drinking and swimming, infection controlled, grocery stores inspected. Among other services the department is fighting to protect the healthy citizens as well as those who already have contacted a disease.

Strain on Sewage System

Dr. Davies feels that public health in the Pointe is vigilantly watched. About the only serious problem he foresees is additional strains on our drainage and sewer systems. But he points out, our municipal governments are always alert to this situation and eager to cooperate with other communities in solving these sanitation problems.

In his leisure hours, away from the health offices, bowling green and curling ice, Dr. Davies is a student of the Bible. He has deep religious beliefs which stem from his student days and finds most answers to questions about troubled world conditions in the Bible. He believes that public and private health can be improved by deep faith, and his own glowing physical and mental health are firm proof that he has found many of the answers to successful living in giving.

Mr. Kozlowski Claims Bride

In Precious Blood Church on Saturday morning Phyllis Marie Artman spoke her marriage vows to Shad Kozlowski. Her uncle, the Rev. George S. Artman, officiated at the ceremony, which was followed by a reception in Dearborn Inn.

The bride is the daughter of the Joseph G. Artmans, of Hubbell avenue, and Mr. Kozlowski is the son of Mrs. Roman Albert Kozlowski, of Bedford road, and the late Mr. Kozlowski.

When the couple return from a trip to Bermuda they will live in Beaufait road.
