First New Year Arrivals at Local Hospitals

—Picture by Fred Runnells

The first three babies to be born in Pointe hospitals on New Year's Day in 1959 were all boys, and none of their parents are residents of the Pointe. JOHN, right, was the first born in St. John Hospital, at one second past midnight, to MRS. JOHN VAN BRENNEN of 6453 Henitz, Detroit. He weighed in at 9 pounds, 14 ozs. On the left is JOSEPH ANTHONY, 8 pounds,

3 ozs., born in Bon Secours Hospital to MRS. ANTHONY ZYNEL of 908 Manistique, Detroit, at 4:30 a.m. In the center is JEROME STEVEN, 7 pounds, 15 ozs., born in Cottage Hospital at 5:15 a.m. to MRS. ANDREW E. BRADLEY of 13797 Hendricks, Warren, Mich.

Woods Gives Recognition To Guards

School Crossing Officers Get Official Status With No Police Powers

The Woods council, at a meeting held on Monday, January 5, took steps to give school crossing guards official recognition as members of the city police department, but without police powers.

An ordinance recognizing the guards was approved at the meeting, and tabled for approval at the next meeting of the council on January 19.

Law Like Detroit's

The ordinance, patterned after that of Detroit's, officially brings the guards under the jurisdiction of the Public Safety Department.

It was pointed out that at several locations, school guards have a problem in getting children across streets safely, and the guards at these locations find it necessary to stand out in the street and direct the flow of traffic.

No Police Powers

It was also pointed out that the measures does not in any way delegate police powers to the guards, in that they carry side-arms, wear police badges and enforce laws. However, it does empower them to direct traffic, at their assigned posts, if this is needed. They have no power to issue tickets to traffic violators.

The ordinance was enacted to give the guards "some kind of public authority", it was said, and does not change anything other than to give them official status.

SPORTS CAR SHOW

The Henry Ford Museum's eighth annual sports car show will be held February 6 through 22, Alan R. Symonds, show chairman, announced. Containing many of the world's leading competition cars, "Sports Cars in Review" is the nation's only automobile show devoted entirely to sports models. The annual exhibit will bring together more than 50 cars from Italy, England, Germany, France and the United States. Symonds said some foreign cars will be shown at the Ford Museum show for the first time in this country.

Vandals Join Celebration In City on New Year's Eve

New Year's celebrations for some with a warped sense of the holiday's meaning meant acts of vandalism—and three such instances were reported in the City of Grosse Pointe.

Edna Elwart, of 8130 Smart avenue, Detroit, reported to police that the rear of her car window had been severely smashed. She estimates the damage occurred sometime between 10:30 New Year's Eve, and 3 the next morning, during which time the car was parked in the public lot behind the Alger Post 995, at 17145 St. Paul.

A resident new to the Pointe last July, Romuald H. Gomey of 908 Washington road, also had a New Year's Day complaint to register. Sometime

Grosse Pointe Ski Club To Be Organized Jan. 14 At War Memorial Center

Great Local Interest in Sport Evidenced; Will Plan Supplemental Activities to Fill In Between Long Trips

Anyone interested in joining the Grosse Pointe Ski Club being organized at the Center is cordially invited to go to the Memorial at 32 Lake Shore, Wednesday evening, January 14 at 8 o'clock. The group is to be made up of both single and married adults and will include both beginning and advanced skiers. It is to be a sort of mid-week group.

Good ski movies will be shown and competent instructors and ski specialists will hold clinics. Trips to nearby ski areas such as Mt. Christie and Holly will be scheduled on week nights and Saturdays. There will be some pleasant socializing connected with these outings.

Supplemental Program

The Grosse Pointe Ski Club is planned to supplement ski week-ends spent at the more northern clubs and lodges, to provide mid-week sessions, to relieve the week-ends, see movies or squeeze in a little night skiing with a congenial group.

The mid-week or Saturday excursions via Greyhound to and from the Center are to accommodate those who don't feel they can give the whole week-end to skiing from a standpoint of either time or money. The Center will staff the trips off with something warm to eat and have hot coffee ready on the return. Traveling time to and from the slopes will be limited to 1 or 2 hours.

Frank McBride, Jr. has consented to take on the head organizing job for this new ski group at the Center. Letters are going out to many who are known to have expressed interest and all who read this article and would like to participate are most welcome to come to the Center January 14, at 8 p.m.

Will Organize Events

Wednesday, January 14, at 8 p.m. a ski movie will be shown, there will be a brief ski clinic and then members will be enrolled in the group and the first trip to the slopes scheduled. No dues are planned but events will be organized on a basis of cost payment in advance.

In connection with this interest in skiing and because so many Pointers are avid followers of the sport, this recent release on Michigan skiing from the Michigan Tourist Council, is published here.

There was a time when you could tell a skier by his jacket. Snowbunnies (beginners) were a cinch: bulky potato sacks topped with a fancy Tyrolean hat or cap. But no more. Today it's hard to tell a "sit-zmarker" from a "steelhanger"—off the slope anyway.

For the conversion of millions of men, women and children to the slat-et, foreign ski experts and instructors invaded the nation's ski areas and brought with them a whole new sports vocabulary (schussboomer: hot-rodder on skis; sitzmarker: hole in the snow by fallen skier), and a fashion trend toward elegantly tailored wind-proof clothing.

Once considered a singular form of Scandinavian suicide, skiing is now the fastest growing sport on two feet. Its followers number some four million in the nation, and skiing has become a \$14 million industry in Michigan, according to the state Tourist Council.

Behavior of this winter cult may seem a bit peculiar to the non-skier. At the first sight of snow clouds that send most of us scurrying for the nearest fireplace, the dedicated skier takes to the hills. And in Michigan this season, three more snow-making machines (now totaling nine), additional rope tows, T-bars, Poma lifts, and another chair lift have been added to this vacation state's winter sports facilities, the council reports.

But skiing, of course, is old as the hills. It all began in Norway some 7,000 years ago. According to historians of the

Mazer Quits City to Run For Judge

Council Will Decide His Status as Public Safety Commissioner at Next Meeting

The Commissioner of Public Safety for the City of Grosse Pointe has filed a candidacy for Detroit Common Pleas judge — for which position only residents of the City of Detroit are eligible.

John Mazer, former assistant prosecutor, and unsuccessful Democratic nominee for sheriff last fall, (which only required a Wayne County residency) — testified before Detroit's Election Commission, on Monday, January 5, that he established residency at the home of his in-laws, Mr. and Mrs. William Maslowski, 4702 Mitchell, in Detroit, as of December 1, 1958.

Still Owns Home

He admits to still owning his former residence at 877 Loraine avenue, in Grosse Pointe, and claims that his wife and family are still living in the house. However, Mazer told the Commission, he has plans to sell the house in June, at which time his son will have graduated from junior high school.

His "political future," he testified, is in the City of Detroit and, for that reason, he changed his registration and planned to make Detroit his permanent residence — as of December 1, 1958.

Monday morning's hearing was held at the request of William H. O'Brien, executive secretary of the Detroit Citizens League. Robert Reese, attorney for the Election Commission, determined, in the face of Mazer's testimony, that his intent and purpose were justified and in accordance with the law.

Woods Lifts Building Ban

The Woods council on Monday, January 5, lifted a five and a half-year ban on subdivision in the city because of the progress being made in the construction of the Grosse-Grault Drain.

Applications for building permits and subdivision improvements will be accepted on April 15 of this year, and other permits will be accepted after May 1.

The council approved the lifting of the restrictions, on recommendations made by the City Planning Commission, by adopting a resolution which rescinded a resolution passed on July 27, 1953, and a clarifying resolution passed on November 7, 1955.

A halt to residential construction was called in 1953 because storm and sanitary sewers were not adequate enough to handle adequate loads.

The lifting of the ban will make it possible to construct an additional 1,000 homes in the Woods, it was said. The city lost about one million dollars in taxes while the ban was in effect, according to City Administrator William Lange. The Grosse-Grault Drain is expected to be completed by March, 1960.

Woods and Park Scene of Latest Fires; Considerable Damage Reported for Each; Firefighters Rescue Three

The Woods Fire Department was called upon to fight the last house fire in the Pointe before the end of the Old Year, and the Park Fire Department was summoned to battle the first house fire for 1959.

Damage to each of the homes was extensive, according to fire reports.

Hit by the fires were the homes of Raymond Oleszko, 1170 Elford court, where damage was estimated at between \$5,000 and \$8,000; and Dr. D. J. Nivison, 1161 Devonshire, where damage was estimated at about \$7,000.

In each case the home owners had praise for their respective fire departments and personnel, and for the manner in which the fires were handled.

The alarm in the Woods came at 9:33 p.m. on December 31, and all equipment was dispatched to the scene. Hurried calls were sent to off-duty regulars, and volunteer firemen. (The Woods has a combined police-fire department, where-in policemen double as firemen.)

Boy Sounds Alarm

Mr. and Mrs. Oleszko were not home at the time the alarm was called in by their oldest son, Gregory, 12, who when the fire started, tried to put it out with a hand extinguisher. When this proved futile, the boy called the department.

Firemen arrived to find the house full of smoke, and the fire going strong in an upstairs bedroom and attic. Gregory, and the Oleszko's two other children, Larry, 11, and Mark, 5, were out of harm's way.

The fire was confined to the area of its origin. Most of the damage throughout the house was caused by the smoke. Water damage was almost nil, according to insurance appraisers.

Cause of the fire was attributed to an electric heater placed too close to a wooden partition in a room under construction in the attic.

Volunteer Injured

A volunteer fireman, David McQueen, 47, of 2139 East Eight Mile road, who was ordered home for a change of dry clothing and told to return to the station house to help put equipment back into shape, fell on a slippery sidewalk on Brys drive while returning, and fractured a collar bone.

He was taken to the office of City Physician Clarence Candler, 20040 Mack avenue, where the injury was taken care of.

All firemen and equipment were back at the station just 45 minutes after the New Year was born.

In the Park, the alarm was sounded at 10:30 a.m. on January 1, when a short in a string of Christmas tree lights ignited the yule tree.

Firemen Rescue Three

Firefighters at the scene had to raise a ladder to rescue Martha Jane, wife of Dr. Nivison, and their seven-month-old son.

Seek Revival Of Old Plan For 6 Cities

Action Stirring to Bring Pointe-Harper Woods Pact Back to Life

Action is stirring in the Park and City to revive a Mutual Fire Aid Pact, similar to that sought more than two years ago, but which died when the City could not meet the requirements.

At a meeting held on Monday, January 5, the Park council heard arguments supporting the revival of a mutual aid pact between the Pointe and Harper Woods, presented to them by Park Fire Chief George deCausin.

The chief outlined a mutual aid plan identical to that which the Pointe and Harper Woods agreed to late in 1955, which required at least one piece of equipment and a minimum of four men be sent to an adjoining neighbor city fighting a fire, if help is needed.

Would Heed Standby

With all the equipment out of the station of the city in which the fire is being fought that city is left unprotected, so a designated community, not helping in battling the flames, sends a piece of equipment to the unprotected city for standby service.

Chief deCausin said that the City, the Pointe which could not meet the requirements of the pact at the time it was initiated and signed by the other Pointes and Harper Woods, can now fulfill these requirements.

It was pointed out at the council meeting that at present there is no formal agreement with the other Pointes and Harper Woods, and none with Detroit, which at one time was committed, by agreement, to come to the aid of the Park if needed.

It was hinted that in the event of an extreme emergency, such as a fire in a school or hospital, Detroit would send assistance, even without an agreement in force.

Enough Equipment

The fire chief aid that there is enough available equipment and manpower in the Pointe and Harper Woods to take care of any emergency, and if mutual aid is carried out properly, Detroit aid would not be needed, unless there is an extreme emergency.

He said that at present, of the six cities, the Park and the Farms have the only aerial ladder trucks, and soon the

Letter Praises Farms Firemen

Praise mingled with criticism in the handling of a fire on Monday, December 22, which destroyed the palatial home of Dr. John Buell, 188 Provincial road.

Among those who lauded the manner in which the destructive fire was taken care of, was Oscar Webber of 21 Beacon Hill, father of Mrs. Buell.

In a letter jointly addressed to Farms Fire Chief M. William Mason and Farms Police Chief James Furton, Mr. Webber had this to say:

"On behalf of my daughter and son-in-law, Dr. and Mrs. John Buell, and their family and myself, I thank you and all the members of your two departments most deeply and most sincerely for the splendid cooperation you gave upon the occasion of the fire at the Buell residence last Monday morning."

"I arrived on the scene about an hour after the fire was discovered, and from personal observations, it seemed to me that you all did everything that was humanly possible to bring the fire under control—in addition to being very kind to the members of the Buell family and myself."

"I cannot compliment the members of your two departments too highly, and extend to you our grateful thanks."

Chief Mason tackled the letter onto the fire station bulletin board for all to see.

Apologetic Bandit Sticks Up Book Store; Steals \$100

An apologetic robber held up the Grosse Pointe Book Shop, 19459 Mack avenue, at gun point and escaped with \$100 in cash on Tuesday, January 2.

Mrs. Marcelle Gospel, 45, of 20650 Vernier circle, an employee of the store, told Woods police that about 6 p.m., a lone white man walked into the store, and pulled out a long-barreled, blue steel revolver, and demanded money.

She said that the man apologized, saying, "I am sorry I have to do this, but I'm desperate," then scooping up the money from the register, fled from the store.

Mrs. Gospel said that she remembered seeing the man in the store earlier in the day. She described the man to police as being about five feet

eleven inches tall, about 180 pounds, stocky build, and wearing a gray top coat and a gray hat. He appeared to be about 40 years old, she added.

Police said that Mrs. Gospel called the owner of the shop, C. A. Scott of 19243 Raymond, to inform him of the robbery before she put in a call to the police department.

CAR MIRROR STOLEN

Paul Russo, of 5919 Kensington road, reported to City police on Saturday, January 3, that a rear view mirror had been stolen from his 1958 Buick station wagon. He made the discovery at 4:26 Saturday afternoon. He told police the car had been parked in front of his business address, 17854 Mack, most of the day.

What Is The Largest "Farm Group" In Michigan?

112,000 Farm Families That Regularly Save Trading Stamps Are The Biggest "Farm Group" In Michigan.

America's farm families are traditionally thrifty. The same pattern of thrift is found in Michigan. It is only natural, therefore, that the response of Michigan farm families to one of the oldest forms of thrift—the trading stamp—is so noticeable.

Today over 112,000 farm families save them. You might almost say that these savers constitute the largest single farm group in the state.

During 1957 alone, thousands of dollars worth of trading stamp merchandise went into farm households in the state, and every 2 seconds a farm family is

redeeming trading stamps. There is still another side—direct income for farmers. During 1957 the stamp industry purchased from Michigan farmers \$975,000 worth of primary materials that go into the manufacture of merchandise for stamp redemption.

No one can contemplate these facts and fail to realize that both personally and economically the trading stamp industry is a meaningful and welcome force in the life of our state.

This message is published as public information by THE SPERRY AND HUTCHINSON COMPANY, originator 63 years ago of S&H Green Stamps.

Two Fires

(Continued from Page 1) old son, Thomas, from a rear porch, and another son, David, 13.

The fire was discovered by Mary Jane, 11, who awakened her father and mother sleeping in an upstairs bedroom.

The doctor said about a third of the tree, which was in the living room, was burning, when he came downstairs. He tried to put it out with an extinguisher.

When the fire got out of control, he called the Fire Department.

Dr. Nivison said that he carried his other children, Frances, 7, Michael, 5, and Ann Teresa, 2, to safety, just as the firemen arrived to aid his wife and two sons.

Twin Rescued Last

He said that just when they thought everyone was out of danger, it was discovered that Thomas' twin, Charles, was still in the house, and the doctor went back in and brought him out.

The fire was confined to the living room, which was a total loss. There was much smoke damage throughout the house. Here, again, water damage was almost nil, according to reports.

Fire Plan

(Continued from Page 1) Park will be getting its new engine pumper. The other communities have up-to-date fighting equipment.

As far as the manpower is concerned, Chief deCaussin said, the Park has a maximum of nine men on duty at all times; the City, five; Farms, eight; the Shores (combined police-fire department) can get five men at once, and 19 men later (mostly volunteers); the Woods (combined police-fire department) five men and nine volunteers; and Harper Woods, six men on duty, and nine volunteers.

Also Enough Manpower

He said that combined, the six cities have all the equipment needed and all the manpower needed.

Mayor Kenneth Cunningham, expressing the sentiments of the Park council, said that a mutual aid is favored and the Park is "ready to extend a right hand" to the other cities, and "ready to go to work with you".

City Manager Robert Slone and Chief deCaussin said that the mutual aid plan revival was broached by the City, and that the other communities appeared interested.

Mayor Cunningham, with the approval of the council, appointed Mr. Slone and Chief deCaussin as representatives for the Park to negotiate with the other cities.

The city manager and the chief said that they will press for an early date with officials from the other Pointes and Harper Woods, individually or collectively, to discuss the matter.

Seldom are the actions of a man as good as the sample submitted.

Mazer

(Continued from Page 1) accordance with the law and, as such, his application for candidacy is accepted as officially approved.

Detroit law requires that a person establish residency in the City at least 30 days prior to the date of election, before he can be a registered voter. The primary election date for Common Pleas judge is February 16, and the election not until April 6; therefore Mazer was qualified by the end of last month for a Detroit voter's registration.

In the meantime, the question arises as to his present position as Commissioner of Public Safety in the City of Grosse Pointe—to which post he was appointed on October 20, 1953 by the previous City Mayor, Ralph B. Netting, and Council.

Norbert Neff, City Clerk, claims that he—to date—has had no official notice from Mazer as to the change of residence. His office did receive a copy of a "cancellation of previous registration" form to the effect that one John Mazer, previously registered at 887 Loraine, was registered as an elector in Detroit. The form was dated December 9, 1958.

Mazer told the Election Commission, in Monday's hearing, that he had sent the City office a letter advising it of the change of address and questioning his current capacity as Public Safety Commissioner—offering to submit his resignation, if a voting residence is a requirement for service as a member of the Commission.

Although the City office did not receive such a letter, one to that effect was sent to David E. Burgess, Chairman of the Public Safety Commission, on December 2nd, a copy of which was sent to the City office on Monday, January 5.

To date, the City Council has not seen this letter, but it will be brought up—as will the question of Mazer's eligibility for the job of Public Safety Commissioner—at the next meeting, January 19.

Farms Council Gets Report

(Continued from Page 1) Kane will be past members, Alvin M. Gouin and James J. Meehan. Earl I. Heenan, Jr. has resigned his post.

Upon completion of the regular agenda, the Farms Council adjourned as an official body and excused the few remaining persons present, (mostly representatives of the press), before going into closed session on a thorough discussion of the recent, highly-publicized Buell fire.

It was explained to this reporter that inasmuch as the Council, for the most part, was still uninformed as to the details of the handling of the fire, and "a lot of embarrassing questions might ensue", the private meeting was deemed the most expedient.

In conferring with Mayor William Connolly the next morning, this paper was informed that the meeting consisted primarily of a detailed report by Fire Chief William Mason with regard to his department's handling of the fire.

"No negligence" was evident to the Council in the handling of the six pieces of equipment and 35 men who ultimately fought the tremendous blaze. In referring to the criticisms lodged against the "inadequacies" of the separate Pointe fire departments, Connolly stressed that every Pointe fireman is trained by the City of Detroit, before joining the local departments. Mayor Connolly and his Council did agree that there is room for improvement in the over-all coverage of the entire Pointe and, consequently a four-man committee, which

will stand by to meet with representatives of other Councils for discussion for more potent fire protection, was appointed. Serving on the committee, which will meet again next Monday night with Chief Mason, are Councilmen Henry E. Bodman, II; William G. Butler; William G. Kerby; and Edward C. Roney, Jr.

A similar complaint was registered by Arthur King, of 381 Rivard boulevard. King reported to City police the larceny of ten fluorescent

bulbs, which served as Christmas trim around his door. He last saw them at 10 p.m., New Year's Day. A request for special watch on the King's dance was also made.

Residents to Determine Shift in Boundary Lines

Property owners whose homes are partly located in the Woods and partly in Harper Woods, will be given a choice of whether they wish to have their residence and lot situated entirely within either city, with the majority votes guiding the decision.

On Monday, January 5, the Woods council announced that the matter can be settled in this manner by State statutes permitting the boundary change, through mutual resolutions passed by councils of cities involved.

Effected would be homes on the boundary lines from Eight Mile road at the county line, to Kenmore drive, and homes in Linville, from Bournemouth to the Detroit city limits.

Woods City Administrator William Lange said that letters and questionnaires have been sent from the Woods city office to the residents involved, with questionnaires returnable to the Woods, since that city is handling the correspondence.

In the letter to the residents, the perplexing problem is outlined, stating that it undoubtedly caused the residents some inconvenience, just as it has presented numerous administrative problems to each of the cities.

"These problems can be eliminated," the letter stated, "by placing the city limit line on a lot boundary line, thereby placing all of the lot entirely within Harper Woods, or Grosse Pointe Woods. State statutes permit the city councils of Harper Woods and Grosse Pointe Woods to adopt simultaneous resolutions declaring the new boundary lines to be placed in effect."

At a recent joint meeting of the councils of the two cities, a general procedure for advising the residents and to obtain their feelings in the matter was agreed upon.

After the Harper Woods council approves the letter form and questionnaire, residents will have two weeks in which to submit their desires, after they receive the papers. The replies will be tallied and held for the councils of the two cities until their decisions on the boundary lines are made.

Center Offering Lithograph Show

Currently on exhibit on the second floor of the Grosse Pointe War Memorial are the fine color lithographs of internationally recognized master, Emil Weddige. The display will remain hanging through January 30.

The Center is open both day and evening, but it is always wise to telephone before going, to make sure that none of the display rooms is occupied by a meeting.

Emil Weddige, Canadian born Professor of Art at the University of Michigan, pioneered in the contemporary renaissance of color lithography and has made the most significant contribution to its development in America. Through the medium of color lithography this widely acclaimed artist has brought original art works of the finest design and most subtle color within the purchase range of the average American.

For many seasons Mr. Weddige and his wife have spent part of each year in France where he completed his advanced study.

In addition to winning many prizes and awards both in America and abroad and having his work purchased by most of the larger museums and private collections, Emil Weddige has been commissioned to do work for several of the large industrial corporations. Among these concerns are Chrysler Corporation, Parke-Davis, The Detroit Edison Company and Michigan Consolidated Gas.

Just in 1957 Mr. Weddige was commissioned by the Dow Chemical Company to do a series of color lithographs on the process of paper making. Presented in newspapers and magazines across the nation these lithographs have been given to all colleges and universities that include a course of paper processes in their curriculum.

Color lithography in its re-

naissance is surprisingly suitable and adaptable to modern homes where in growing number a Weddige masterpiece is found.

Contributions to the Alumni Fund and Capital Gifts Program of the University of Michigan total more than \$200,000.

Lenox to Preach Here January 11

The Grosse Pointe Memorial Church will welcome as guest minister on Sunday, January 11 the Reverend G. Merrill Lenox, D.D., Executive Director of the Detroit and Michigan Councils of Churches.

Dr. Lenox will preach at both the 9:30 and 11 o'clock services. His sermon topic will be "Arise—Be Doing!"

Dr. Lenox, a graduate of Bucknell University and Colgate-Rochester Divinity School, received the Doctor of Divinity degree from Alderson-Broadbent College, West Virginia. He is the regular weekly religious commentator on WJR Detroit, and Michigan Correspondent for the Christian Century.

He has travelled abroad and reported his observations in a column in a Detroit daily paper. Dr. Lenox, who is a member of several national boards and committees, appears frequently on radio and television, and has preached over two national radio broadcasts.

GPHS to Have Joint Concert

Music lovers will be treated to the first performance of the Grosse Pointe High School's band and orchestra, under the direction of their new conductor, Richard Snook.

Mr. Snook replaced Dewey Kalember this fall, when the latter took over the leadership of the budding musicians at the new Brownell Junior High School.

The joint concert, to be given by the two groups, will be held at Parcels Junior High School, in that building's auditorium, on Sunday, January 18. It will commence at 4 p.m. and tickets may be purchased, for 50c, at the door the day of the performance.

tion later evolved into 12-ft. timbers steered by a single long pole. With this refinement, the sport caught on and spread from Norway to the Alps in the late 1800's and by immigration to the United States.

In Michigan the sport of skiing has been around for more than half a century. Ishpeming, in the state's upper peninsula, has been holding ski-jumping tournaments since 1897, and the National Ski Association was organized there in 1904. Ishpeming also boasts the National Ski Museum and Hall of Fame.

Yet, even a decade ago, skiing was not generally popular, except with a fringe of the college crowd. Hiking on the long slabs of wood and climbing uphill "herringbone" style was tricky, not to mention hard work. And jumping was for daredevils in the newsreels. But downhill skiing, this was real sport—if you could get to the top of the slope.

So when the chance came to ride up and schuss down, as long as your legs and skis held out, the fun really began. And skiing's fantastic growth got underway.

Now with fast and easy uphill transportation by every conceivable means except the skiers' feet, and ski slopes practically in the backyard, skiing is everyman's (and woman's) winter sport.

This season the Michigan Tourist Council's statewide ski map—available on request—lists 69 winter sports centers in operation. "They cater to beginners as well as would-be experts," says Robert J. Furlong, council executive secretary. "For the trend today is toward family-type recreation, and this means little sitzmarks

beside the big ones."

Michigan's ski slopes range in length from 500 to 6,000 feet, he said, the longest being at Boyne Mt. Lodge in the northwestern portion of the state's lower peninsula. And the world's highest artificial ski jump is a butter-slippy slide down a 156-ft. high scaffold at Pine Mt. Lodge near Iron Mountain in the upper peninsula.

Michigan ski centers and winter sports areas dot the state's map from the northern reaches of the upper peninsula's "copper country" to Kalamazoo and Pontiac "down below."

Six new ski centers opened for the first time this winter, while other resorts are offering ski enthusiasts expanded facilities, the Michigan tourist chief said. Nine of the state's 69 areas manufacture their own snow to insure a longer skiing season and more reliable conditions in marginal snowfall areas.

Michigan ski center offerings include cross-country trails, slalom bowls and ski-jumps. Toboggan runs and skating rinks also are featured at many areas. And for indoor enjoyment there are restaurants, snack bars, lounges and warming shelters. Skiing equipment can be rented at most centers and several Michigan resorts offer "ski week and weekend" packages which include lodging, meals, equipment and instruction.

Interest in Michigan skiing has been booming since 1953 when there were 38 ski centers in the state hosting some 65,000 skiers, said Furlong. By the end of the 1958-59 season, at least 150,000 skiers will have skied Michigan slopes, averaging three trips each, he forecasts. "Weather permitting, of course." On the basis of a \$33 expenditure per trip, Michigan's skiing fraternity will swell the states vacation travel business by some \$14 million during the season.

Skiing is a spine-tingling sport, a multi-million dollar business, a fashion and an invigorating recreation all wrapped into one. But whatever you call it, for the thousands who visit Michigan each winter, skiing is a recreation that ranges from an excuse to get outdoors in winter to a way of life.

"If you don't ski," the tourist council says, "you probably will; if you have skied, you undoubtedly will again."

HOUSEHOLD HINT

If one of your 1959 resolutions is to straighten up family finances, the Michigan State University leaflet, "Managing Your Family's Credit" may come to a timely rescue. The publication is authored by Lucile Ketchum, extension specialist in home management and may be obtained by request to Bulletin Office, Agricultural Hall, Michigan State University.

Russian Schools Lecture Subject

Dr. Marion L. Edman, Professor in the College of Education at Wayne State U. will address members and guests of the Women's Alliance of Grosse Pointe Unitarian Church, when this group meets on January 13 at 1:30 p.m.

Dr. Edman's topic will be based on her observations and experiences gained during a 13 day tour when 71 educators from America and Western Europe took a look at Russia's school system during August 1958. This tour was part of an educational exchange program approved by the U.S. Dept. and the Russian government.

A 12:30 p.m. luncheon will precede the opening of the 1:30 meeting. Visitors from the community, interested in the program topic are cordially welcome to come and hear Dr. Edman's address.

Catholic Youth Form Council

"We wish to form ourselves according to the Church's principles regarding good human relations and to inform others." This is the purpose of the Junior Division of the Catholic Interracial Council.

The first regular meeting of the East Side Division is to be held at St. Anthony High, Saturday, January 10, from 1-3 p.m.

Among the officers of the J.D.C.I.C. are two Grosse Pointers, president Charles Baier, from Austin, and recording secretary Shirley Neuenfeldt, from St. Paul's.

Questions will be asked concerning race relations corresponding with the Law and the Catholic faith. The guest speakers are Judge Elvin Daventport, Lorraine Swann, a member of the Federation of Catholic College Students, Sister Nathanael, senior advisor at St. David's and Richard E. Peck, a member of the post

Whitlock Mute At Arraignment

Kenneth W. Whitlock, 26, of 1489 Hampton, (Park), stood mute on arraignment before Woods Judge Don J. Goodrow on Wednesday, December 31, on a charge of uttering and publishing.

Judge Goodrow entered a plea of innocent for him and ordered a bond of \$500 set pending an examination scheduled for Wednesday, January 21.

Whitlock, who was recently placed on two years probation by the Detroit Recorder's Court Probation Department, for passing bad checks, is accused of passing two phony checks in the Woods, one for \$25, and the other for \$30. Woods Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that Whitlock, who is wanted by other Detroit area police for investigation of passing the worthless paper in their communities, wrote out the two checks in the Woods on the date he was placed on probation, Friday, December 21.

The Woods detectives said if Whitlock is found guilty at the examination, he will be turned over to the Recorder's Court Probation Department for violation of his probation.

Fog's Frosty Fingers Paint Lovely Scene

Monday, December 29, was a day of awesome beauty in the Pointe. The fog was so dense that it froze on earthly contact. Every twig on every tree became a crystal ornament as Nature built up one of her most breath-taking productions. This is Fisher road looking from Grosse Pointe boulevard toward East Jefferson avenue.

Club to Hold Toboggan Party

The members of Our Lady Star of the Sea Teen Lighters Club will meet at the Church Club Room for an afternoon Toboggan Party, next Sunday, January 11, at 2:30.

Riverbank toboggan slide is the destination and transportation by bus, admission and toboggan rental are all included in one price of \$1.50.

Zeta Tau Alpha Group To Meet on January 14

The East Side Junior Group of Zeta Tau Alpha will meet next Wednesday, January 14, at the Allen court home of Mrs. Frank Paone, Jr. in St. Clair Shores. Members are asked to convene at 8 p.m.

The evening will be devoted to making toys for College Women's Volunteer Services.

March of Dimes Broadens Scope

The March of Dimes opens its 1959 campaign with the determination that its bold new program will lead toward even greater victories than those achieved against polio.

Here and in communities all over the country a total of two million volunteers are acquainting the public with the aims of the National Foundation's expanded health program. They move into the annual drive with the sure knowledge that they have a winning combination that spelled success over a major disease in the past. It was the partnership of laymen with physicians and research scientists that produced the Salk vaccine and rehabilitated thousands of victims.

Now, as Basil O'Connor, president of the National Foundation, recently said, "This team is ready to apply its unique formula for success to the solution of other perplexing diseases of mankind." Then he added:

"Our concept for the future is the development of an organized force in the fields of medical research, patient care and professional education, flexible enough to meet new health problems as they arise, with specific goals initially."

An immediate broad attack will be launched against arthritis and birth defects (congenital malformations), but spokesmen emphasized that as long as polio patients need care and rehabilitation the March of Dimes will provide it. In 1958, for example, about 50,000 polio victims received aid from the National Foundation which totaled approximately \$18,900,000.

Other funds raised during the 1959 drive will be used for a greatly enlarged research program. This activity is devoted to studies not only of arthritis, birth defects and polio, but of virus diseases and disorders of the central nervous system in general.

The need to train more medical specialists also is being met by expansion of the professional education program. Polio, arthritis and birth defects have crippling factors in common and demand the attention only highly skilled and well trained professionals in health can give. Patient aid will be extended in 1959 to cover victims of arthritis and certain birth defects through the age of 18.

Bride Elect

Mr. and Mrs. James McCoy of Fisher road announced the engagement of their daughter, MARY JO, to Richard W. Butner, at a family dinner party. He is the son of Mr. and Mrs. William A. Butner of Grosse Pointe boulevard.

Miss McCoy, a graduate of Kingswood School, will be graduated this month from the University of Michigan, where she is affiliated with Kappa Alpha Theta sorority.

Mr. Butner was graduated from Kiski Preparatory School and Purdue University, where he was a member of Theta Chi fraternity.

Coterie Holding Ball Saturday

Coterie invites all Grosse Pointe married couples and their guests to a Snow Ball on Saturday, January 10, from 9 until 12, at the War Memorial.

Coterie, the married couples dance group, meets at the War Memorial the second Saturday of each month to renew old friendships, make new friends, and enjoy an evening of dancing to the music of a good live dance band.

Refreshments will be served during the intermission and many of Coterie's "old timers" headed by president Jack Whiteley, will be on hand.

Sports Headlines of 1958 Gathered From News Files

OCTOBER 2—Carter Sales won the annual Raven Fall Series held off Grosse Pointe Yacht Club by beating Boyd Benkert on September 27-28. It was revenge for Sales, who was beaten by a quarter of a point by Benkert in the Spring series. Paul Short was elected president of the Grosse Pointe Little League at the annual meeting. St. Ambrose ripped St. Paul 13-12 in the first meeting between the two teams since both entered Class A competition in the East Side Catholic league. The Blue Devils came from behind to grab two touchdowns and then hang on to beat Flint Northern on the local gridiron. It was revenge for the Pointers who lost only one game the year before and that to Flint by a 7-0 margin fashioned on a surprise 87-yard jaunt near the end of the first half. Austin squeezed past Notre Dame 7-6 for its second win of the season.

OCTOBER 9—Royal Oak surprises Blue Devils with 12-0 shutout to knock the Pointers from the ranks of the undefeated and seriously threaten the Devils' chances to repeat as BCL champions. Powerful U of D walloped Austin 20-0 to snap the Friars two game streak and bid for the Central Division title. St. Paul Lakers hampered by injuries came back to tie St. Anthony 13-13. St. Ambrose kept its winning streak alive by beating St. Stanislaus 32-0.

Joe Belfore, Detroit Golf Club professional for the past 28 years, was honored by his colleagues when they voted him the presidency of the PGA. Alee Chapman and his new L boat "Atemis" set a new record for the 70-mile North Channel race with an elapsed time of 11 hours and seven seconds.

OCTOBER 16—Devil grid-ders bounced back into BCL title race with lopsided 27-0 shutout of Fordson. St. Paul Lakers gain first grid win by downing St. Francis 12-6 on touchdown in final minute of play. Austin Friars shutout St. Joseph 13-0 to hold second place in Central Division race. Boston family successfully defends Thistle Icebreaker series while "Pop" awards helps Hank Burkard take Meteor III to Florida for Southern Ocean Racing series in February. St. Ambrose eleven remains undefeated in East Side Division race by whipping Servite 39-20. GPUS Junior football team trips Southloke 25-7. Pete Goebel wins annual Buckeye Lake Y.C. Snowball regatta with Al Bortolotti's Raven sloop "Nauti-gal."

OCTOBER 23—St. Ambrose clinches share of East Side Class A title by beating St. Catherine 13-7. Austin Friars edge De La Salle 7-6 to hold second place in Central Division race. St. Paul Lakers take second win by beating St. Stanislaus 15-6. Grosse Pointe Little Football teams sweep all opponents over successful weekend. Maple Lanes jump to top of Business Men's pin loop by narrow margin. Only six points separate first ten teams in 18 team league. Devils tie for lead in free scoring 35-21 victory over Monroe Trojans.

OCTOBER 30—Blue Devils stay tied for BCL grid lead with Royal Oak by dumping Wyandotte 19-12. St. Paul Lakers swamp St. Stanislaus Broncos 31-0 for third win. Devil Reserves remain undefeated by beating Royal Oak 18-0. St. Ambrose Cavaliers win East Side Parochial grid crown by beating St. Anthony 38-12. GPUS beats Detroit Country Day 30-18 in annual game. Bayview Lightning sailors prove to be gracious hosts as out of town skippers take top honors in annual Fall Series. Herm Nickles of Fenton Lake wins title over 22 boat fleet.

NOVEMBER 6—Grosse Pointe Blue Devils take "MUST GAME" by beating winless Highland Park 19-6 to share BCL title with Royal Oak. Devil Reserves swamp Wyandotte 25-6 for fourth win in five starts. GPUS Knights beat Oak Park 31-7. Lakers upset St. Catherine in a surprise 13-7 win to run win streak to four and third place in East Side Parochial Class A league. St. Ambrose ready for City grid playoffs against U of D, champions of the Central Division. Austin Friars romp to 28-14 win over Cathedral Central to take second in Central Division race. Grosse Pointe Badminton Club launches 29th consecutive season. Bayview-Mackinac sailors gather for annual award banquet at Bayview Y.C.

NOVEMBER 13—GPUS Knights edge Lutheran East in free scoring 33-20 grid contest. St. Paul 78ers blank St. Julian 13-0 to take Northeast Division championship of the CYO Grade School League. St. Ambrose dumped from Parochial City playoffs by U of D 20-7. Blue Devils whip Port Huron 14-7 to take Suburban "A" title with 7-1 record. Midgett and Giant basketball leagues for 1958-59 season at Neighborhood Club. Larry's keglers

Maples Lanes Tops Keglers

A four point sweep over Cramer enabled Maple Lanes to move into a one point lead in the Grosse Pointe Business Men's Bowling League. John MacDonald paced the Maples with a 612 series.

Woods Lounge jumped from its ninth place second division spot to the first division in sixth place when it swept its match with tenth place Larry's.

All other matches ended in three-one decisions in favor of Wigle over Belding, Goebel One over Barrett's, Pharmacy over Goebel Two. The winners remained in contention for the first half season championship as only six points separate the first five teams. The last night of the first half season will pit the first four place teams against the second four place teams on position night. The results could be upsetting for the leader.

Fifteen 200-plus games were posted by: Jack Leithauer 243, Ernie Nierath 227, 202, John MacDonald 225, Frank Fletcher 220, 203, Bob O'Toole 219, Sam Sarvona 215. Harry

Boat Banter

Remember that old time comic who used to say "Wanna buy a duck?" The mos' recent takeoff on that one is "Wanna buy a slightly used 12-meter?" The English "Sceptre" is on the block and the syndicate will accept bids of \$42,000 bucks or over. Maybe the ad should read: "Slightly used 12-meter, raced little, one year old, would make wonderful cruising yacht with alterations."

We wonder how long it will be before the Englishmen put together another challenger. Possibly some other country will challenge in an attempt to wrest the coveted America's Cup from these shores.

It would be interesting, if it were at all possible, to know just how much has been spent winning the Cup originally and defending it over the past 107 years it's been in our possession.

Detroit Yacht Club will hold its annual Officers' Ball Thursday, January 22, and at this time Commodore Fred Jensen, Vice Commodore Alfred Steiner and Rear Commodore C. Joseph Belanger and their ladies will preside at the gala occasion. This is undoubtedly one of the most fabulous social gatherings in local yachting circles and the DYC members do their club proud. Big is the word the DYC wears well. It is the largest, membership-wise, in the country and everything undertaken is planned to be big.

Neptunus Rex will make his annual visit to the Grosse Pointe Power Squadron to examine and pass on the qualifications of the Neophytes for membership in the Squadron at the January meeting, on the 13th, at 7:30 p.m.

The new Piloting class will start at Grosse Pointe High School in room 348 B on January 26, according to Commander Larry Reif. The Engine Maintenance class will be organized at the Grosse Pointe Y.C. on January 26. Registration will be in the Grill at 7:30 p.m.

NOVEMBER 20—GPUS Knights beat Harper Woods 41-13 in final game to post a 5-2 record for season. Blue Devil and Laker cagers open practice. Cruising D class holds award banquet to honor season champion Aaron Evans and other winners at Bayview Y.C. Grosse Pointe Little Football Inc. plans annual awards banquet to honor players and coaches.

NOVEMBER 27—Devil swim team opens practice in defense of BCL crown. Grosse Pointe City Little League Baseball organization reelects William P. Bradley, Jr., as president for 1959. Austin Friars open cage drills minus their "BIG GUY" Dave DeBuschere with high hopes for another successful season and another State Class A championship.

DECEMBER 4—Detroit Cruising Club holds annual election meeting and elects Kurt Keydel, of the Detroit Boat Club, commodore and Lynn Stedman, Jr., vice commodore. Avery Macklein remains secretary-treasurer job. Mrs. Roy D. Chapin's national election champion springer spangiel, Staindorp Breckenhi II Chip, retained her title at the National Championships Trials at Weldon Springs, Miss.

DECEMBER 11—St. Paul Lakers sparkle in Class A debut by beating St. Stanislaus 78-48 in opening tilt. Blue Devil cagers edge Dearborn 56-49 in opening non-league game. Devil swimmers display power in downing strong Ann Arbor 49-47 and then drop 50-46 decision to powerful Birmingham in first two non-league meets. GPUS cagers win first two basketball games beating

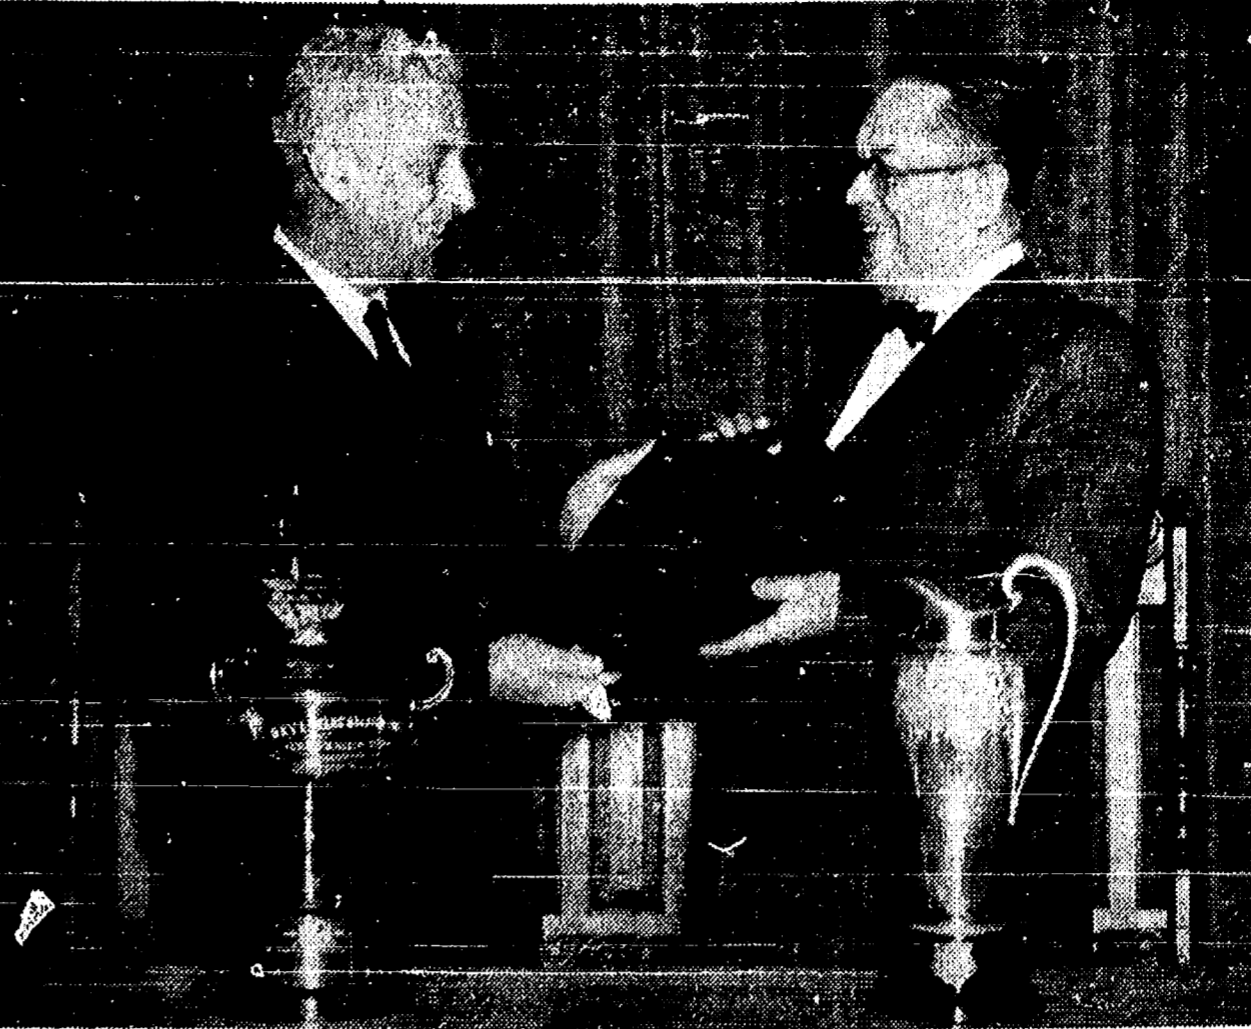

Madison Lamphere 53-21 and Huron Valley 43-20. Austin Friars pick up where they left off last season by beating two foes to open 1958-59 season. Friars turned back non-league Servite 74-46 and league opponent Cathedral Central 53-30.

With the Junior programs reaching an all-time high in interest among many of the member clubs of the Detroit River Yachting Association, the need for incentive trophies was answered by three local Commodores. Sports Editor Has Praise For Good Sports of 1958

Whether or not 1958 was good to you, at this time, wish one and all a HAPPY NEW YEAR.

Especially we would like to wish a Happy New Year: To Austin High School whose basketball team captured the Central Division, Parochial, Metropolitan and State Class "A" championships. Also for being named the top team in the State cage ratings in "A."

To Clarence Baker and Jerry Clements who won the DRYA Cruising A title and their victories in the Mackinac race. Also to Freddie Ford, Jr., who won Cruising C and second place overall honors in the Bayview-Mackinac race with "his brand new yawl" "Quintet."

To Jimmy Carlin who once again topped Cruising D in the BYC-Mackinac race.

To Chuck Coe and Walt Robinson, co-owners of "Aquavit," who never give up trying to win in the red hot Cruising B class and to Gerd Schneider who does the same in Cruising C class.

To the race committees of the various DRYA member clubs who work in comparative obscurity making plans which made every inter-club regatta on Lake St. Clair a success in 1958.

To the Detroit River Yachting Association judges who give so unselfishly of their time to conduct the regattas with no opportunity to share the glory enjoyed by the winning sailors.

To William Patrick Connolly, Bradford Pyle and Fred Knippenberg, who in our estimation, along with Commodore Paul Adam were pillars of strength in the yachting picture locally.

To all clubs and their officers who made the 1958 sailing the best ever.

To the Junior sailors of the member DRYA clubs who provided the excitement and anxiety, as only youngsters can, in the wonderful Junior program that promises to make the sailors of the future.

To Aaron Evans who won the championship of the newly formed Cruising D class and to the men who worked so diligently in the formation of this class that proved so successful.

To Henry Cawthra who brought the National Lightning championship back to the Pointe and assured us of national competition in that class on Lake St. Clair next summer.

Mendell already has played 17 non-league games and won 14 which include the Christmas tournament in which it was runner-up.

Leading the Mendell team against the Friars will be co-captains Walt Katuzny, a 6-3 1/2 three-year veteran and 5-8 senior guard Joe Dirschl. Along with these veterans will be the Stallings brothers Tom and Mike. Tom, a 5-10 guard, was named All Tournament guard and Mike, a 6-3, 210-pound forward received the most valuable player award from the Chicago press writers.

Mendell is also an Augustinian school the same as Austin and has an enrollment of 1550 boys as compared to the Friars who number 750.

Preceding the varsity game will be a freshman game between Austin and Catholic Central of Detroit. The Friar freshman are undefeated after three games.

Pointe Athletic Teams Get Back in Action This Week

Now that the Christmas holidays are a thing of the past, Grosse Pointe athletic teams will swing back into action this week.

All the high school teams are very much in the thick of title chases in their respective sports and leagues. These races will be decided sometime in March about the time the first robin chirps. It's a long pull from now to then and the teams that have championship poise will be there at the final tabulation.

Coach Howard MacAdam's once beaten Blue Devil basketball team will dive into Border Cities League action when it travels to Wyandotte on Friday, January 9. Currently the Devil is tied for second. On the same day, Coach Paul Wheeler's Devil swimming team will entertain Wyandotte and will be seeking to hang onto second place behind Monroe, the only BCL team to trip the Pointers this season. Non-league Birmingham also won a victory over the Devils, which doesn't count in the BCL race.

Lakers Unbeaten
Unbeaten St. Paul Lakers will attempt to stay at the top of the East Side Parochial Class A cage race when they play St. Florian away from home on Friday, January 9.

Austin High saw action against league opponent Salsesian on Tuesday, January 6, the results of this game came too late to make the News deadline. The Friars will have a man-size chore on their hands on Saturday, January 10, when they play host to non-league Mendell of Chicago which owns a 14-3 record so far this season.

The GPUS Knights won't get back into cage action until Tuesday, January 13, because of mid-term examinations. The Knights are unbeaten but play an independent schedule, so no championship is involved.

The eight team Midgett League at the Neighborhood Club resumed play on Monday, January 5, and will continue until early March when the championship playoffs are scheduled.

Coaches Hate Rest
It has been three weeks of idleness from competition most of the teams, a fact of the coaches' bemoan. "I don't like a long layoff, particularly if your teams commenced to "jell." Now the teams hold practice during the layoff to maintain sharpness.

It seems, now that Grosse Pointe has four class A teams within its boundaries, a day cage tournament is a "MUST." A tournament of this nature would serve purposes. First, it would give the teams in action and see if it would serve to answer an oft-asked question, "My team is the best?"

Last year this question was answered in a round away. Austin won the Central Division title and then defeated St. Paul, who won the Side Second Division crown in the Parochial City play. The Friars settled the tie in the Regionals when they tripped the Blue Devils' whale of a battle in the game.

GM CAR PRODUCTION
General Motors produced 2,697,721 passenger cars and trucks in the United States and Canada during 1957 and was announced today as year-end production. This compares with 3,422,000 units produced in 1957, the total units produced in 1958, 2,327,897 were passenger cars and 369,324 were trucks in the United States. Canada was 353,000 passenger cars and 49,128 trucks compared with 304,412 cars and 37,338 trucks during the first month of 1957. It marked first month since November 1955, that GM produced more than 400,000 cars and trucks in the U.S. and Canada.

Behind the Iron Curtain education is a prime asset. The scholars are given preferred treatment, even abroad for further study. Andrew L. Ehrlich is the Polish scholar in this country now on a Ford Foundation grant to study American business schools.

Mr. Ehrlich is currently the house guest of the C. V. Burns, Jr., of Touraine road. Mrs. Blackburn is busin and earlier this fall traveled to Poland with Miss Alice M. Comstock, of Centerdale, R. I., sit Mr. Ehrlich's parents, Mr. and Mrs. Ludwik, of Cracow.

The Polish visitor is a manager of a chemical plant and while he is in Detroit will be visiting the companies. For the nine months of his stay in the he will study at Harvard. All the foreign scholars is particular grant have their master's degrees, and their doctorates.

The Blackburns entertained at cocktails Sunday Mr. Ehrlich, who will be returning to Harvard this end. He will sail for Poland in June.

Anniversary

To honor her parents, the J. Henry Smiths, of Kenmouth road, Mr. and Mrs. Charles W. Bishop, of Paul avenue, will give a brunch Sunday at the try Club.

The party will mark the Smiths' golden wedding anniversary and over 100 close friends and members of family will gather to celebrate with them.

Coming from Chicago for the party will be Mrs. Marie Plamondon, and her brother-in-law sister, the Allan B. Riples, Judge and Mrs. Joseph hih, of Newark, N. J., will be here to commemorate mother's anniversary.

With the Bishops, three daughters and one son, all ers, will gather to honor their parents, the Francis otchers, the J. Henry Smith, Jr., the George E. ers and Dr. and Mrs. Francis P. Blake.

On January 14, the actual anniversary day, Mass he said in St. Paul's on the lakeshore and later that the Bishops will be hosts at a family dinner.

Seekers

At the crack of the zero weather Monday Dr. and A. Duane Bean, of Lincoln road, packed their car drove southward. They will spend some time in au before going to their winter home, "Siboney" e Island of Eleuthera.

Planning on visiting them next month will be Dr. Mrs. Nelson Diebel, of Touraine road.

Already enjoying warmer climes are the David M. neys, Jr., who left before the New Year to spend winters in Florida.

Grand Marais Garden Group Meets Jan. 12

Grand Marais Branch tional Farm and Garden tion is planning a very esting meeting for Janu- 12 at the home of Mrs. erick Fisher, 858 Bed- road. Dessert will be served at 1 o'clock followed by a busi- ness meeting. The program will be a talk and demonstra- tion on "Growing Arrange- ments" by Miss Mabel Kling of Paseslks.

Cheryl Powers Betrothed

Mr. and Mrs. Robert Bruna Powers, of Rivard boulevard, and Skyline Farms, Almont, have announced the engagement of their daughter, CHERYL, to HOWARD SMITH BUHL, son of Mr. and Mrs. Arthur H. Buhl, Jr., of Provencal road.

"Cherry" was graduated from Rogers Hall in Lowell, Mass., and attended Briarcliff Jr. College and Randolph-Macon Women's College. She was presented at a ball at the Country Club during the Christmas season of 1956. The bridegroom-elect was graduated from the Hotchkiss School, and attended Washing- ton and Lee University, Lynchburg, Va., where he

pledged Phi Gamma Delta fraternity. Wedding plans are for June after which they will live in Carmel, Calif., until Howard's military obligations to the U.S. Army have been completed.

To celebrate the betrothal, Mr. and Mrs. Powers entertained 100 friends of the young couple and the families at a reception at the Country Club on Saturday.

Single Adults Bid to Party

The first week-end after the holidays is inclined to be pretty much of a let-down and the Center Club of the Grosse Pointe War Memorial has determined to do something about it.

Friday night, January 9, big log fires will blaze in the Memorial's huge walk-in fireplace to welcome all the Pointe's young single adults in their twenties and thirties and their guests.

Bill Knicy's orchestra will play throughout the evening for dancing. Refreshments will be served at small congenial tables in the main dining room.

President Dick Gale promises everyone a warm welcome and a good time. Special mid winter activities are being planned so come and get in on the fun.

Prof. to Talk To Smith Club

Members of the Birmingham and Detroit Smith College Clubs will turn out Wednesday, January 15 for a luncheon meeting at the Woman's City Club.

Speaker of the afternoon will be Donald M. Sheehan, Smith College professor of history and assistant to the president. Prior to teaching at Smith he held positions at Columbia University, Bard College and Rutgers University.

He is the author of several books on American History and is current president of the New England American Studies Association. His topic will be "Liberal Education and Contemporary Problems."

Clark Women's Club To Be Host at Party

The Clark Women's Club will entertain their husbands and friends at a dinner on January 12, at 6:30 p.m. at the Grosse Pointe War Memorial Center in Lae Shore road.

Mrs. Jack Thorpe of Hidden lane has arranged the program and is in charge of reservations. The feature of the evening will be a travel talk and films entitled "Around the World in 62 Days" to be given by Mr. and Mrs. Ben W. Beyer.

Stenglein-Stanton Vows Solemnized

Following Saturday Rites in the Jefferson Avenue Presbyterian Church the Newlyweds Traveled to New York; Will Live in Saginaw

Judith Stanton, daughter of Mrs. Elder Howe, of East Vernor highway, and H. Monroe Stanton, of Saginaw, was married Saturday in the Jefferson Avenue Presbyterian Church to James Walter Stenglein.

For the ceremony the bride wore a gown designed with a Chantilly lace bodice and a tiered skirt of tulle trimmed in Val lace.

A pill box of Chantilly lace caught her short illusion veil and she carried fleur-de-lis and ivy centered with a white orchid.

Mrs. John Charles Peachey, sister of the bride, came from Buffalo, N. Y., to be matron of honor. She wore pale blue antique taffeta and carried a cascade of delphinium and white carnations.

William C. Stenglein was his brother's best man. They are

the sons of the Walter Stengleins, of Saginaw. Ushering were Thomas A. Stenglein, another brother, and John Stegeman, of Ann Arbor.

Following a reception at the Whittier the newlyweds left for New York. They will live in Saginaw.

CARE OF HOUSE PLANTS

Here's an easy way to root your African Violet plants: Cover a glass of water with paper, pierce it and stick the stem of the African Violet through the hole so that its base is in the water and its blade above the paper. You can keep insect pests off your new plants with a regular spray of Antrol African Violet and House Plant Insect Bomb, an easy way to protect the plants against mealy bugs, mites, thrips, and aphids.

Pointe GOP Women Hear Welch Talk

Robert Welch, prominent world traveler, lecturer, and publisher, will speak at the meeting and election of officers of the Women's Republican Club of Grosse Pointe which will hold a luncheon meeting at 12:15 o'clock on Wednesday, January 14, at the Grosse Pointe Club. His topic will be, "The Score!"

Welch attended the University of North Carolina, the United States Army Academy and Army Law School. He lived in Belmont, Mass. for the past 20 years. Mr. Welch is the author of "Road to Salesman-

ship," "May God Forgive Us," and "The Life of John Birch." He is editor and publisher of "American Opinion," a monthly magazine which reviews current events and appraises contemporary leaders on the world stage. Mr. Welch re-

cently spoke before the Economic Club of Detroit. Mr. Welch is former vice-president in charge of sales and advertising of the Welch Candy Company and is a bank director and on the board of several business corporations. For seven years, he served as a member of the board of directors of the American Association of Manufacturers, for three years as a regional vice-president, and for two years as chairman of the educational advisory committee.

As of January 1, 1957, Mr. Welch gave up most of his business responsibilities to devote practically all of his time and energy to the anti-communist cause.

He believes that the only thing the communists now fear is having the truth about the methods and the progress of the whole international conspiracy become widely known. For his readers, or his listeners, Mr. Welch simply and clearly puts together clear cut separate facts about the communist advance, so that their significance becomes apparent.

Through this method he is trying to alert as many of his fellow citizens as he can, since the majority of them do not appreciate the horror and the imminence of the dangers which they face.

Annual reports of the officers and chairmen of the standing committees of the Women's Republican Club of Grosse Pointe are being printed and will be distributed to members at the annual meeting to obviate lengthy reading of reports. The luncheon committee consists of Mrs. Henry T. Bodman and Mrs. Jane Ingraham, club president. Reservations must be made by noon on Monday, January 12, by telephoning Mrs. Fred Kaess at TU 4-5373 or Mrs. Henry Bodman at TU 4-5111. All Republican women are invited.

In Brazil, coffee costs 3/4 cent per cup on even-numbered days, and 1 1/2 cents per cup on odd-numbered days. Reason? They figure about a cent as the proper price, but have no coin of that denomination.

Mrs. Orland J. Smith

At a recent ceremony in St. Philomena's Church, JUDITH ANN HAGAN, daughter of the William G. Hagens, of Cloverly road, was married to Mr. Smith, son of the Charles Smiths, of Bluehill road.

Scout Leaders Plan Meeting

"Program Fair," a meeting of planning aids for Girl Scout troop leaders in the Grosse Pointe area will be held Wednesday, January 14, at 12:45 to 3:15, at the Congregational Church, Chalfonte and Lothrop.

Special displays will be shown to aid leaders working the national Girl Scout art contest to be held in April. Art work is to be centered around the theme "Our Home Frontier." The Grosse Pointe Public Library will have a list of books available at the meeting to assist leaders in instructing in the various art medias as well as information available about Grosse Pointe.

"MacTavishes' Traveling Show," a puppet extravaganza devised by Troop 1811 of St. Paul's School will be shown at the meeting. Mrs. John Egan and Mrs. E. Jurgis will hold a workshop explaining the techniques used by the troop in their production.

Fun songs for girls of all ages will be taught by Mrs. Miriam Frederickson. Flag ceremonies and closing ceremonies will also be briefly reviewed.

All Girl Scout Troop Leaders are urged to attend as well as anyone interested in Scouting. The meeting is sponsored by the Leaders Association of the Grosse Pointe Girls Scouts Association.

Judith Ann Hagan Weds Orland Smith

In St. Philomena's Church recently Judith Ann Hagan, daughter of the William G. Hagens, of Cloverly road, spoke her marriage vows to Orland J. Smith.

The bride wore a gown of Chantilly lace designed with a sabrina neckline, long tapered sleeves and a tiered skirt. A tiara of pearls and sequins caught her fingertip veil and she carried stephanotis and orchid with her prayer book.

Leona Jacob was maid of honor in a red velvet frock made with a scoop neckline and a butterfly bow in the back. With it she wore a white fur head band and carried red and white carnations on a white fur muff.

Clare Plourde and Betty Goosen were bridesmaids, also in red velvet.

Henry Kusz was best man

for the bridegroom, son of the Charles Smiths, of Bluehill road. Seating the guests were the bridegroom's cousins, Michael Cohres and Raymond Franks, and Robert Brown.

For her daughter's wedding Mrs. Hagan wore blue lace with a matching velvet hat. Mrs. Smith was also in blue lace, edged in satin, and a feathered hat. Both mothers wore orchids.

The newlyweds left on a trip to Washington where he is stationed with the US Army.

Step in Right Direction

The \$250,000 fire at the Provencal road home of the Dr. John H. Buell family on December 22 has at least kindled a revived and much-needed interest in the subject of adequate fire protection for the community as a whole. This is a project that has been kicked around for a good many years, with little or no progress being made. It is to be hoped that this time the councils of the various municipalities involved will stick with it until something concrete has been devised.

The Park council, at its regular meeting Monday, came up with the idea of reviving the mutual protection plan for all the Pointes and Harper Woods. This proposed program was under study for several years, but was never really put into effect. Back in 1955 it was stated that the City of Grosse Pointe did not have sufficient equipment or manpower to qualify it to be a part of the mutual aid plan. The others did qualify but the program was never carried out.

It was pointed out at the Park meeting Monday that the City has since obtained enough additional equipment to make it eligible to be a part of the proposed program. Which naturally poses the question of why the program was not put into effect just as soon as the City had corrected its deficiency? It would appear that the long study made of the advantages of a mutual aid pact didn't turn up enough evidence to impress enough officials to get the plan into effect. The pact was agreed upon by five of the six municipalities involved, but never was given even the dignity of having the signatures affixed.

It is understood that the Park has already contacted other municipalities involved and that a meeting has been called to open up the discussion again on the mutual aid program. Certainly this is a step in the right direction and developments will be awaited with great interest.

We do hope that while the program is being discussed, attention will also be given to the idea of creating a single fire district for the Pointe community. In the opinion of many experts, this is the solution that makes the most sense in the over-all picture of giving this area the best fire protection possible.

Letters to the Editor

Dear Mr. Edgar:
 All of us here at the Tuberculosis and Health Society, as well as the 2,000 Detroit and Wayne County tuberculosis patients in our hospitals, want to thank you for your wonderful help during the Christmas Seal Sale in November and December.

We feel that the sale has been very successful and, when the late contributions come in, we will have enough money to increase our forces against tuberculosis just a little during 1959.

We feel that our Seal Sale expresses the true spirit of Christmas since the desire to give comes from the individual himself. There is no pressure to give. There is no "keeping up with the Jones" in the amount that is given. This is a true measure of each person's generosity and how important he feels our program is.

It is most gratifying to find that people are becoming increasingly aware of the problems of tuberculosis and how they affect everyone in our community and are doing their part to make it possible to work on these problems.

The success of our campaign is due in no small part to the help of your paper and its readers, so may we again "thank you" and wish you the healthiest and happiest of New Year's.

Most cordially yours,
 Mrs. Virginia P. Wegmann
 Seal Sale Director.

Dec. 30, 1958

To The Editor:
 There should be some serious reflection by the governing bodies of the Grosse Pointes upon their failure to develop a Fire District with a consolidated Fire Department. The recent serious residence fire and loss offers a challenge to our elective officials to be sure that the greatest possible efficiency and security is provided against fire destruction.

There must be some concern over the present operation of some five Fire Departments individually staffed and directed to cover an area which is smaller and with less risk than a battalion district of the City of Detroit. The cooperation arrangements now in effect leave much to be desired in the way of direction, responsibility, and a manned equipment representative of the type of fire prevention the Pointe area is entitled to. With the Grosse Pointe Board of Education as an ex-

ample of accomplishment through consolidation of former individual efforts, the governing bodies of the Pointes are faced with a challenge in the need for similar action in Fire Protection. That there is need for serious consideration of this opportunity for improvement and greater efficiency is best substantiated by recommendations of qualified authorities and surveys going back over some twenty years.

It is not a question of economies. Rather it should be the desire of every resident of every Grosse Pointe community to receive the maximum of protection for the costs now involved. The Grosse Pointes offer one of the finest opportunities for the creation of a Fire District similar to those that have been developed in other parts of the country. It is not something new.

Would it not be well for our officials to secure a well-documented, authoritative survey upon the merits of consolidating our Fire Departments? I am sure that recently retired Fire Marshals of the Detroit Fire Department are available for such services.

Such action would do much to eliminate the sentiment for the status quo and stimulate action toward improved fire protection of lives and property that residents of Grosse Pointe have a right to expect.

Sincerely,
 CLARENCE D. BLESSED,
 114 Moran Road,
 Grosse Pointe Farms.

Editor's Note:—
 Mr. Blessed, who was formerly Commissioner of Public Safety for the City of Grosse Pointe, also sent a copy of a letter he has written Mayor William F. Connolly of the Farms, which we print here.

My dear Mayor Connolly: Believing that you are interested, as I am, in the greatest possible protection of lives and property for residents of the Grosse Pointes I am most hopeful that you have had an occasion to read the article in the editorial page in the Detroit News of December 24th which covers the recent fire in our city.

For many years, well qualified authorities have advocated the creation of a Fire District for the Pointes. There is practically no question upon the greater efficiency that would result from a consolidated Department. And with an example of the benefits to accrue

What Goes On at Your Library

By Jean Taylor

"Fictionized biographies of famous men and women offend me," says Catherine Drinker Bowen. "In writing biography, fact and fiction shouldn't be mixed. And if they are, the fiction parts should be printed in red ink, the fact parts in black ink."

Despite the popularity of historical and biographical fiction, many readers will agree with Miss Bowen. Bona fide biography continues in constant demand at the library, and there have been a number of interesting books in this category published in the last six or eight months.

With the play, "Sunrise at Campobello" bringing the Roosevelt to the fore, the two biographies and one autobiography of Eleanor Roosevelt, all recent publications, make timely reading.

In "Mrs. R.," Alfred Steiner surveys with understanding the lifetime of this remarkable woman from her early unhappy childhood to the present.

Richard Harriott and Ralph G. Martin's book, "Eleanor Roosevelt—Her Life in Pictures," was published on the eve of her seventy-fourth birthday. The photographs and text provide a vivid portrait of this world citizen.

Since that day in April, 1945, when Mrs. Roosevelt became a private citizen, she has served as a delegate to the General Assembly of the United Nations, and as first chairman of the Human Rights Commission. In her book "On My Own" she describes her life since her husband's death, and comments upon the events of this period during which she has travelled extensively.

The redoubtable Theodore R. comes to life under the pen of Edward Wagenknecht. "The Seven Worlds of Theodore Roosevelt" written one hundred years after his birth is a sympathetic and vivid picture of a versatile personality.

"Henry Knox" by North Callahan, an addition to the shelves of American Revolutionary History, is a long, well-written biography of a man, overlooked by historians, Washington's friend, founder of West Point and First Secretary of War.

Also an addition to American Revolutionary history and biography is Katherine Anthony's "First Lady of the Revolution." This life of Mercy Otis Warren, playwright, historian and intense patriot, is interestingly written and carefully documented.

On the other side of the water we have two recent biographies of Sir Winston. Geoffrey Bocca in "The Adventurous Life of Winston Churchill" gives a lively treatment of Churchill's life from his earliest years to his retirement in 1955.

"My Years With Churchill" by Norman McGowan, proves that a man CAN be a hero to his valet.

The much publicized "Memoirs of Field Marshal Montgomery" is interesting whether he writes of military strategy or of his philosophy of life and war.

It has been said that Thomas B. Costain writes history with the pen of a novelist and fiction with the pen of a historian. "The Three Edwards" is the third in the "Pageant of England" series, and is concerned with the years from 1272-1377 and Edwards I, II and III.

In "I Sailed With Rasmusen," Peter Freuchen, the world-famous explorer, writes of his friend, Knud Rasmusen, also a great explorer. Published shortly after the author's death, this will be enjoyed by those who like tales of Arctic adventure.

Robert S. Johnson, the famous fighter pilot, combines with Martin Caidin to give us "Thunderbolt," one of the best contributions to the personal narrative literature of World War II.

The twin daughters of Harry Hays Morgan, Thelma and Gloria, who later became Lady Furness and Gloria Vanderbilt, tell their own story in "Double Exposure." This twin autobiography is entertaining reading for the socially curious.

We also recommend for biography devotees, "The Autobiography of Mark Van Doren," Agnes de Mille's "And Promenade Home" which continues her story from her earlier book "Dance to the Piper," and "Ezio Pinza: An Autobiography."

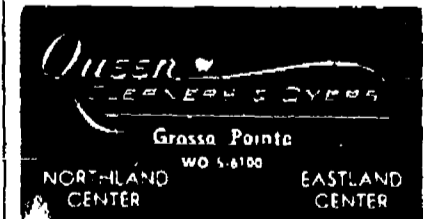

William Kirby Seeks Re-election to Council

In last week's issue of the News, a list of Farms council incumbents, seeking reelection in the coming spring election, did not contain the name of Councilman William Kirby of 91 Handy Place, who had also met the filing deadline in announcing his intention to seek voters' approval to retain his council seat. The omission is regretted.

Leeches For Sale

By Fred Kopp, R.Ph.
 At one time, you could buy jars of leeches at most pharmacies. That was in the days when bleeding was considered a cure for many ailments. And leeches are good bloodsuckers! How lucky we are to be living in this age of modern medications, with effective—and pleasant—treatments for infections and other illnesses. Remember, reliable medications are important to you—they may mean the difference between pain and comfort . . . between life and death. So, when you are ill, seek your physician first. Then come to us for the medicine he prescribes.

Judith Nelson Names Feb. 14 Bridal Party

Wed Kenneth Robertson, of Flossmoor, Ill., in Grosse Pointe Memorial Church With Reception To Follow at the Country Club

Bride-elect Judith Nelson, daughter of the Dwight Nelsons, of Windmill Pointe drive, has been coming between here and Chicago to enjoy the parties which precede her February 14 wedding to Kenneth Robertson.

Nelson will speak to the son of the bride, Kenneth Robertson, of Flossmoor, Ill., in Grosse Pointe Memorial Church with a reception at the Country Club.

usher corps will be Jack Luedtke and Charles Baker, both of Flossmoor; Roy Wiley, of Homewood, Peter Whitman and Dwight M. Nelson, Jr.

Miss Nelson has already been to Flossmoor for a brunch given by her aunt and uncle, the R. E. Nelsons, and a cocktail party by the George A. Dauberts, of Chicago.

On Tuesday she was honored at a luncheon and shower at the Women's City Club given by Mrs. Kenneth E. Chamberlin, of Lincoln road.

Thursday she will be in Chicago again for a linen shower to be given by Mrs. ...

Mrs. Gerald T. Furton

In St. Clare of Montefalco Church Saturday, RUTH PIOTROWSKI, daughter of the Cass Piotrowskis, of Grayton road, was married to Mr. Furton, son of the James Furtons, of Kerby road.

AAUW General Meeting Jan. 15

Grosse Pointe Branch members of the AAUW will hold their General Meeting and Tea next Thursday, January 15 at 1 p.m. at the Grosse Pointe War Memorial Center.

The Contemporary Literature Group will present the program, entitled "Oh Men, Oh Women" It will involve a discussion of current books on the specific subject of men and women in modern society.

Serving on the panel will be Dorothy Bersey, Mary Cohan and Helen Graves. Hostesses for the affair will be Mesdames Arthur E. Fleming, Ben W. Beyer, Joseph V. Carr, Emil O. Dauch, Charles Ellis, Arthur H. Ericson, and Frederick J. Schumann.

Louise Rau will be hostess to the Social and Economic Issues Group at their meeting on Monday, January 12, at 1 p.m. Mrs. William T. Krebs will discuss "Organization Women in the Lonely Crowd."

"The Modern Theatre and Theatre Briefs on Current Broadway Plays" will be the topic of conversation for the Drama group's meeting, Tuesday, January 13.

Mrs. Edward F. Suits will open her 820 Rivard boulevard home to members at 7:45 p.m.

Married

Mr. and Mrs. R. H. Billingsley, of Bishop road, announce the marriage of their daughter, JUDITH FAY, to Corporal T. H. Heenan, Jr. on December 24, 1958. Cpl. Heenan is the son of Dr. and Mrs. T. H. Heenan, of Three Mile drive. He is currently stationed in Puerto Rico.

The couple plan to attend Michigan State university in the fall.

The man who is liberal in his views sometimes gives himself away.

Ruth Piotrowski Weds Mr. Furton

A Reception at the Detroit Yacht Club Followed the Rites in St. Clare of Montefalco Church; Bride Wore Italian Silk and Chantilly Lace

A reception at the Detroit Yacht Club followed the Saturday wedding of Ruth Helen Piotrowski to Gerald Thomas Furton in St. Clare of Montefalco Church.

The bride is the daughter of Mr. and Mrs. Cass Piotrowski, of Grayton road, and her husbands parents are Mr. and Mrs. James Furton of Kerby road.

The bride wore a princess style gown of Italian silk with a bodice of Chantilly lace. Her fingertip veil was caught to a small crown of orange blossoms and she carried a bouquet of stephanotis and gardenias.

Mrs. Charles Myers, sister of the bride, was matron of honor, and Sally McHaffie, Elizabeth Freeman, Francis Babcock and

Suzanne Newton were bridesmaids.

They were gowned alike in lavender taffeta, princess style dresses with matching accessories, and carried bouquets of white chrysanthemums and pink roses.

Jim Furton was his brother's best man and the four ushers were Bob Furton, another brother of the bridegroom, Kenneth Furton, Dennis Furton and Charles Myers.

A doughty old doctor, who rode the circuit during the Civil War, then retired to start an iron furnace and a car ferry service, also founded one of the Pointe's most illustrious families.

Dr. George B. Russel came to Detroit when the state was a territory, in 1836 from medical school in Pennsylvania on the invitation of General B. Porter, later governor of the Michigan territory and victim of a bad cholera epidemic.

For 27 years Dr. Russel rode from Amherstburg to Belle River on the Canadian side, from Mt. Clemens to Wayne on the American side of the river ministering to the sick. In his saddlebags he carried drugs and the scales for measuring the doses.

In 1837 he traveled to Connors Creek where an Indian tribe suffering from small pox was camped, to inoculate the patients. Later he founded a Small Pox Hospital, a free clinic in which he treated over 200 patients a year. He was a trustee of Harper Hospital and chief of staff there.

In 1863 he gave up medicine to found the Detroit Car Works, build the first iron furnace and first steamer to carry ore on the Great Lakes. He spent his summers in Canada leading a hearty life and died at 88 after a street accident at the corner of Woodward and Congress when he was struck by a bicycle.

His son, Henry, became first attorney for the Michigan Central Railway, and built Weeanna, a summer cottage near the Convent on the lakeshore. He later was senior partner in the firm of Russel, Campbell, Bulkeley and Ledyard. Henry married Helen Muir, daughter of William K. Muir, another summering Pointer. Their children were Christine (Mrs. Allen F. Edwards), Anne (Mrs. James T. McMillan), Helen (Mrs. Harold F. Wardwell), John and William.

Mrs. Wardwell lives with her husband in another old Russel home, dating from before 1800 on the corner of Three Mile Drive and Jefferson.

In Detroit society at the turn of the century the Russel family was an important leader. The doctor, who married Anna Davenport, daughter of a ferry boat owner; entertained a great deal at small suppers in his McDougall street mansion. Scalloped oysters and ambrosia trifle were menu favorites. His wife had gone by stage coach to Philadelphia to school. Her sister, Tillie Davenport, who married General John H. King, a Civil War hero, had a long friendship with Edward Everett, who spoke with Lincoln at Gettysburg. Their sister, Sarah, married Henry A. Wight, and met Empress Eugenie on her wedding trip to France.

The Russel family married with most of the Pointe's most prominent citizens, did business with many more of them, led civically and socially for more than a century.

CURLY GHESEQUIERE, OF CHARLEVOIX AVENUE

By Patricia Talbot

Picture by Fred Runnells

When the pigeons are flying in early May over 125 members, with the birds they fancy, may turn up at the Union Homing Club in Charlevoix near Lakepointe and ask proprietor Curly Ghesquiere about entering their pigeons in the race.

Right now time hangs heavy on the hands of pigeon racers. Birds are breeding in the many home-made lofts all about the city. Curly is doing the paper work connected with the club and preparing for the spring races.

Name Misleading

The genial master of the Homing Club does not have curly hair, and what he does have is white and sparse. But he does have twinkling eyes behind blue rimmed spectacles and a huge store of pigeon lore. Like most of the Belgians in the club he inherited his love of pigeons from his ancestors in the old country.

Most members of the club are either Belgian or Polish. Many of them live near the lake, which is kept open year round by its proprietor, to serve the cup that cheers. Almost any day in the winter a group of pigeon owners may be found gathered about the scrubbed bar, swapping racing yarns and anticipating what their birds will do in the spring. Curly is usually behind the bar, to serve refreshments and check on club members' questions.

Wife Feeds Birds

He raises about 30 to 50 pigeons in a coop behind his St. Clair Shores home. While he's at work his wife feeds the birds their corn and water. He promises her if the pigeons do well in the summer races she will be remembered with a big present.

For 35 years Curly Ghesquiere has been running a neighborhood bar and pigeon club. He came to the Charlevoix-Lakepointe address in 1933 but he has been around those streets for a long time. The Ghesquiere name is an old one in Pointe history. Curly remembers the family farm on Mack near the city

School Offering New TV Series

"Grow Me a Person," a new series to be presented by The Merrill-Palmer School on Channel 56 will start Friday, January 9, from 7:30 to 8 p.m. and will continue for thirteen weeks.

The host for the series is Dr. Melvin J. Baer, Physical Anthropologist at Merrill-Palmer. Nutritionist, Mrs. Muriel G. Wagner will appear with Dr. Baer at various times throughout the series. The programs will be concerned with the exploration of some of the basic processes in physical development.

The development of an individual is an orderly process from conception to death and the environmental influences on normal development will be explored along with the significance of nutrition on growth. The series will, also, demonstrate the manner in which a child's growth is studied and will show how predictions can be made about a child's final stature when he reaches adulthood.

The opening program will deal with some cultural concepts of some of the ideal physical types. The points of individual differences will be emphasized and some of the major factors which make for individual differences will be examined. The title for the first program is "A Date Is Not Always Blind."

The second program entitled a "Game of Chance" will illustrate the nature of hereditary mechanism that guarantees each individual will be unique in his hereditary environment.

no-one else could," is his boast.

The club met during the war but there was trouble obtaining the tin bands for the birds' legs. Now Curly keeps the bands on a string behind the bar and when club members want them for new birds they are available.

Old Country Sport

Pigeon fanciers are a unique breed of sportsmen. Winning the big trophy with the fastest racer is a matter of great pride to owners who have bred, raised and trained their birds, most of them in garden coops or attic lofts in their own homes. Curly Ghesquiere is worried that the sport is dying out in the new generation. None of his four children are interested in pigeons. His sons were great football players for U. of D., but that's no sport for a pigeon racer.

True to the culture pattern of the old country are the Belgians in the Pointe, some of their descendants of early pioneers who fought the Indians for their lands. Many of them still speak the mother tongue, most of them are over 40. When spring comes they will be filled with excitement as they watch the graceful swell of their own pigeons on the wing.

EDUCATORS TO MEET

More than 1,000 educators and parents are expected at the Detroit-Wayne County Regional Conference on "Studying Michigan Schools," beginning at 9:30 a.m. Saturday, Jan. 10 in the Rackham Memorial Building auditorium. The conference is sponsored by Wayne State University in cooperation with the Michigan Congress of Parents and Teachers and the Michigan Department of Public Instruction.
