### 'Best Winter Ever' Is Their Opinion

—Picture by Fred Runnels

While most of us are beefing about the rigors of the weather, high fuel bills and horrible driving conditions, these youngsters think things couldn't be better. This scene has been re-enacted for many years on the inconsequential slope at the Grosse Pointe

Farms water pumping and filter station, Lake Shore at Moross, but the abundant dry snow of this year makes it much better than it has been for a long, long time in the eyes of the outdoor-minded young.

### 122 Graduates Get GPHS Diplomas; Last January Class

Dr. Bushong Makes Presentation, with Principal Jerry Gerich Revealing Winners of Honors; Three Students Speak

The Class of January, 1959, was graduated from Grosse Pointe High School on January 22. The last January class in the public school system to be graduated from the High School contained 122 members.

Approximately 1,200 people attended the commencement exercises. Including the January class, the high school has awarded 9,218 diplomas since 1925.

Three members of the graduating class were the commencement speakers. John Sparks spoke on "Achieving Success Through Knowledge of One's Self." Sue Cooper's topic was "Achieving Success Through Service to Others." Barbara Browne's talk was on "Achieving Success Through Faith in God."

**Presents Diplomas**  
Dr. James W. Bushong, Superintendent of Public Schools, presented diplomas to the graduates, assisted by Mr. Donald R. Campbell, assistant principal.

John Nicholson, president of the graduating class, gave the invocation and benediction. The Grosse Pointe High School Concert Orchestra played the overture from the opera, "Didon," by Puccini.

Mr. Jerry J. Gerich, principal of Grosse Pointe High School, awarded the class honors.

Citizenship Awards were given to five percent of the class. In order to become eligible for these awards, the seniors must have shown respect for others and the feeling that "the world is my country and to do good is my religion."

Honesty, courtesy, sincerity, cooperation, and loyalty are major considerations. Contributions to the well-being of others is also a factor.

**Award Winners**  
The award winners are Sue Cooper, Joanne Danna, Carol (Continued on Page 2)

### Mobile Unit Coming Here February 4

Center Makes Plea to Residents to Replenish Badly Depleted Community Bank

The American Red Cross Bloodmobile is paying its annual visit to the Grosse Pointe War Memorial next Wednesday, February 4, to collect badly needed blood donations from the citizens of the Grosse Pointe communities and the neighboring areas. Appointments are being taken from 2:15 in the afternoon to 8:15 in the evening. So far, however, only about a dozen appointments have been made.

This year those having appointments are guaranteed no waiting. A special clerk nurse and doctor will always be ready to accommodate them as soon as they check in. To insure short waits for walk-in donors, more beds and staff have been arranged.

Yet with amplified facilities for blood collection the response this year is so far very poor.

The War Memorial's own Grosse Pointe Community Blood Bank is dangerously low. Any pointer can call the Center in case of emergency and immediately have blood released free of charge, but these supplies must be replenished in order to continue this service.

Blood can be donated to any blood bank or individual. This is a wonderfully convenient way to contribute to people or organizations in the immediate neighborhood.

Anyone in good health between the ages of 18 and 59 can contribute, though minors must have written permission from their parents. It is perfectly all right to contribute again after a lapse of two months; a person may make five donations a year. Though previously announced as acceptable, those who have had malaria must wait two years to donate and those who have acute jaundice should not try to give.

Every convenience is being provided to make blood donations at the Center easy. Baby sitters will be on hand, a canteen and resting rooms will be provided and transportation to and from home will be arranged for those needing it.

Supplies are low everywhere. This donation of blood is far more valuable and needed than money.

### Law Breakers Pay in Shores

Only one of three minors who appeared before Shores Judge John Gillis on Monday, January 19, on a charge of illegal possession of alcoholic beverages, was able to pay his fine. The other two were sent to the Wayne County Jail for 10 days.

Richard R. Jurkiewicz, 17, of 440 Emerson; Donald Agby, 17, of 3057 Lennox; and Charles D. Harrison, 20, of 2932 St. Jean, all of Detroit, were found guilty of the charge, and ordered to pay a fine of \$25 each, or face the jail term. The first named youth was the one who paid.

Jurkiewicz, who was also charged with not having his car under control and causing an accident in front of 881 Lake Shore, after which the police found beer in the car, was found not guilty of the second charge, and this case was dismissed.

Richard F. Dinan of 1706 Boston boulevard, Detroit, was found guilty of reckless driving on Lake Shore, and was fined \$100, and his driver's license was revoked for a period of 30 days.

Hazel M. Thomas of 17124 Waveney, Detroit, was found guilty of making an improper turn on Vernier road, and causing an accident while driving on Vernier.

### Neighbors Find Homes Burglarized

While Checking 1 House, Park Police Find Second House Had Been Entered

Park police called to one home in answer to a burglary call on Sunday, January 25, found two burglaries to investigate, when tracks, apparently made by the thief, led to a neighboring house.

At 10:26 p.m. on the Sunday date, Donald Newell of 1265 Yorkshire, arrived home after several hours absence, to find that his home had been broken into. He called police.

Police Chief Arthur Louwers said that Patrolman Henry Coonce, one of the officers who arrived at the scene, discovered foot prints in the snow in the back yard, leading from the rear of the Newell home and decided to trace them.

**Paid Another Visit**  
The tracks led to 1303 York-shire, the home of the John Murphys, where the officer discovered a rear door open.

Investigating this, Patrolman Coonce found no one home, but evidence proved the house had been entered by force.

Chief Lawwers assigned Det. Lis. Stanley Enders and Arnold Hough to the double-burglary case.

The detectives said that entry into the Newell home was made by the burglar through the rear door, which was opened by reaching (Continued on Page 2)

### State Answers Questions About Responsibility for Fire Safety in Schools

Chief George deCausin Sent Letter to Lansing for Clarification on Whether State or Local Governments Have Control

A letter "relative to certain questions on fire safety" in schools, recently sent to the Michigan Department of Public Instruction by Park Fire Chief George deCausin, was answered by Lloyd E. Fales, consultant of School Organization and Plant, for the department.

The reply was read to the Park council on Monday, January 26, including the questions submitted by Chief deCausin, who said he was seeking a clarification of who is responsible for fire safety

in schools, the state or local governments.

The following are the questions and the answers:

1. Who is the responsible party relative to fire safety in schools?

Your first question is quite complex. Normally, fire safety within a building may be divided into two categories: That of structural safety and that of building operation. The plans and specifications for new school construction must be approved by this office prior to construction and the buildings must be inspected by representatives of the State Fire Marshal prior to occupancy. This review and inspection provides for sufficient exits, fire segregation and other elements of building design which have a bearing on human safety. It is also within the power of the State Fire Marshal to inspect and require certain changes in existing buildings if he feels that a hazardous condition exists. State law also requires that a certain number of fire drills (10) be held each year in each school building of the state.

Hazardous conditions which may develop because of insufficient school operation is, of course, the responsibility of the school administration.

2. Is the installation of sprinklers required in new school construction?

Sprinklers are not required in new school construction as a general rule but may be required for stage fly lofts and large storage areas.

3. Do you require the installation of sprinklers in old school buildings?

Sprinklers are not required in existing school structures except by special order of the State Fire Marshal after his inspection of the facility.

4. If a local Ordinance requiring the installation of sprinklers in all school buildings were passed, would it supersede our State Laws?

The relationship between local ordinances and school districts has not been firmly established. There has been a circuit court decision and an attorney general's ruling covering the items of municipal inspection and building permit matters respectively. The (Continued on Page 2)

### 2 Deaths Mar 1958 Traffic Record Here

Police Record 1,092 Reported Accidents and 248 Personal Injuries

Two persons died, and 248, including pedestrians, were injured in Pointe traffic during 1958, according to accident statistics compiled by the five Pointe Police Departments.

The departments recorded a total of 1,092 reported accidents for the year, ranging from minor to serious damages. Injuries also ranged from minor to serious.

The two deaths resulted from an accident in the City on October 17, in which Joseph Frabotta, Jr., 22, of 3406 E. Alexandrine, and Albert N. Mantz, 21, of 12214 Stringham, both of Detroit, died of injuries, when their car smashed into a tree at Neff road and Mack avenue.

**Died Week Apart**  
Frabotta died within hours after being taken to Bon Secours Hospital; and Mantz died a week later.

The biggest number of accidents, all types, was recorded by the Park, which set the figure at 326.

Of this number, 71 were non-fatal (accidents in which persons were injured); and 255 resulted in property damages. Eighty-nine persons were injured.

Included in the total number of accidents was 13 involving automobiles and pedestrians, resulting in 13 non-fatal, with 14 injuries; and seven automobile and bicycle accidents, with four non-fatal and three injuries.

The City Police Department submitted its traffic accident record as follows: total accidents, 213; vehicles damaged, 315; vehicles involved, 370; persons injured, 51; fatalities, two; violations issued, 109; fixed objects involved (trees, posts, etc.), 16; pedestrians injured, eight; automobile and bicycles, five, with minor injuries to cyclists, and automobiles and motorbike, one minor injury.

**299 in Farms**  
The Farms recorded a total of 299 reported accidents, all types, in which 44 persons suffered varied degrees of injuries, with no fatalities. The accidents included nine involving cars and bicycles; six pedestrians hit; two with cars and motorbikes and one each involving a car and motor scooter and car and motor-cycle.

The total amount of property (Continued on Page 2)

### 10,367 Students Now in Schools

According to preliminary reports received by telephone, the total enrollment in the Grosse Pointe Public School System at the end of December, 1958, was 10,367. This is three less than the previous month and 369 or 3.69 percent above that of a corresponding tally one year ago.

The enrollment for the elementary schools was 5,888 which is two more than in November and 74 above last year's figures. The junior high school enrollment was 2,292, one less than November and 39 more than 1957's statistics for December.

The Senior high school enrollment was 2,177—four less than November but 255 above 1958's figures. The enrollment in the Nursery School for Exceptional Children was 12, the same as the month of November.

**Shores Traded Truck**  
He said that the Shores had an aerial ladder truck, but traded it in for another fire fighting apparatus in September, 1957, and that Harper Woods sold its old aerial ladder truck and bought a new pumper last summer. The Detroit Historical Museum bought the truck for one dollar.

Shores Chief Fred Duemling, on Tuesday, January 27, said that his department had a ladder truck, but that in a sense it is not considered as such, since the ladders are (Continued on Page 2)

### Porchlights to Welcome Marching Mothers Tonight

An army of dedicated volunteers will take to the streets in their neighborhoods on Thursday, January 29, from 7 to 8 p.m.

The Mothers' March, biggest fund raising event of the campaign, is a fitting climax to the greater 1959 March of Dimes.

Householders are urged to flood the wintry streets with light to encourage and welcome their neighbors and to give generously to the exciting new program of the March of Dimes.

The women will extend the white gloved hands of mercy asking for money because of these reasons: The fight on polio will be continued to final victory with aid to all polio patients assured and continued research to discover new ways to fight the disease. The rheumatic diseases, including arthritis, are the principal cause of disability in the U. S., affecting more than 11 million persons. They will be new targets of research as well as birth defects. These are urgent problems of child health. Children up to 18 years suffering because of these crippling will be given the same fine care polio victims have received. The Mothers' March was largely responsible for the development of the miracle of the Salk vaccine. "Toward Greater Victories" is the slogan of the Mothers' March this year. You join the Mothers' March when you turn on YOUR porchlight and extend a helping hand to the volunteer who calls on you.

### Man Charged with Robbery Changes Mind Bit Tardily

Walter Simard, 28, of 7482 Steger, Detroit, who is being held at the Wayne County Jail to await trial for armed robbery, appeared unconcerned about the trouble he caused law enforcement authorities on Wednesday, January 21.

Simard is in custody for the robbery of the Robert Dale home, at 500 Ballantyne, during which Simard and a companion, Donald Lisiewski, 28, of 17349 Mendota, Detroit, terrorized the Dales' daughter, Margaret, 15, and a friend of hers, Ann Cronenworth, 17, of 525 Sheldon, on January 10.

On the Wednesday date, according to Shores Police Chief Fred Duemling, Simard, against the advice of his attorney, demanded an examination in the Shores Municipal Court on the robbery armed charge.

### Fire Safety in Schools

(Continued from Page 1) clarifying material in each case would indicate that school districts are independent units of government established by the state and are not subordinate to any other local unit of government, be it municipal, district or county in nature. The specific question of fire ordinances or health ordinances has not been determined.

Under Michigan law it is required that the plans and specifications for any school building having a monetary worth in excess of \$15,000 be prepared by and the work supervised by an architect or engineer licensed to practice in the State of Michigan. It is further required that the plans and specifications for construction be approved by this office before construction begins. The law also provides that the Superintendent of Public Instruction publish such recommendations and regulations as he may deem necessary. This publication is designated as Bulletin 412, revised, "Planning Together for Better School Buildings" and was written by a joint committee of Department of Public Instruction Personnel, the State Fire Marshal's office, the Michigan Department of Health and others. Since its publication, certain additional material has been developed in the form of supplemental letters. In both the bulletin and letters the word "shall" is used to designate a mandatory item.

### Two Deaths

(Continued from Page 1) erty damage is estimated at \$38,383.50.

The Shroes' report showed 63 accidents, involving 109 vehicles. There were 24 injuries, including three to pedestrians hit by cars.

Of the number of accidents, 43 resulted in property damage, 21 of which were only minor. One was a hit and run.

Decrease in Woods  
In making its report, the Woods Police Department disclosed that there was a decline in the number of accidents during 1958 as compared to 1957. The number of reported accidents last year is listed at 191, and for that of the previous year, 211, which officials attribute to stricter law enforcement and a better traffic safety program instituted through the year.

Of the 191 accidents last year, 32 were non-fatal; 40 persons were injured, three severely, and the others sustaining only minor injuries.

There were three automobile and bicycle accidents, one of which was a non-fatal, and resulting in injury to two persons. Six pedestrians were struck by cars, with all six suffering injuries.

The high point on all the accidents statistics of the five departments is the general agreement that most accidents are caused by motorists following too close behind other vehicles, and those who speed.

### Burglaries

(Continued from Page 1) through the milk chute and throwing the latch.  
At first it was believed that nothing had been taken, the officers said, but later, Mrs. Newell discovered that \$22 in quarters that she had removed from a piggy bank, and stacked on a nightstand, was gone. Nothing else was reported missing.

Does Better Here  
At the Murphy home, however, the burglar was more fortunate. Here, he took \$35 in dimes, and a pair of cuff links, made of two solid gold 20-franc pieces with the figure of Emperor Napoleon III engraved on them. The links are valued at \$200.

Also taken were six bottles of whiskey and six bottles of Scotch.  
Lts. Enders and Hough said that entrance into the house was gained by breaking the window of the bathroom on the first floor.

Mrs. Frank Perkins of 325 Lakeland, daughter of Mr. and Mrs. Murphy, went through the house to determine what else was missing, and said nothing other than what the police have noted, is gone.

The detectives said the thief went through both homes in a somewhat orderly fashion, not disturbing very much in his forage.

### Fire Aid Pact

Park Mayor Kenneth Cunningham then introduced a resolution, approved by the council, in which he was authorized to appoint a committee to further discuss the possible merger of the Park and City Fire Departments.

Given the authorization, the mayor named the committee, comprised of himself, Councilmen Stanley Fildew and Thomas McCormick, City Manager Robert Slone and Chief deCausin. They will meet with City representatives at a future date to talk over the matter.

Shores police charged Paul R. Heymes, 23, of 1443 Lakepointe, with driving while his operator's license was revoked. The motorist was arrested for speeding on Lake Shore road on Monday, January 26. Heymes posted a bond of \$150 until his appearance in court on February 9.

### Graduates

(Continued from Page 1) Hutchins, Elizabeth Leete, John Nicholson, Joyce Reuter, Sue Schutte, and John Sparks.  
To the top five percent of the graduating class, based on scholastic achievement, the Mothers' Club awarded a leather-bound, engraved dictionary. These winners are Joyce Andrews, Sue Cooper, Barbara Browne, Joanne Dana, Elizabeth Leete, Carol Bagel and Sue Schutte.

Four members of the January class qualified as semi-finalists in the National Merit Scholarship competition. The finalists in the nation-wide competition will be announced in May. The semi-finalists are Barbara Browne, William Dennes, Joyce Reuter, and Sharon Smith.

Top Students Recognized  
Mr. Gerich also recognized the members of the graduation class who maintained a "B" or better academic average for three years in the high school. They are—Joyce Andrews, Barbara Browne, Sue Cooper, Joanne Dana, William Dennes, Diana Egle, Carolyn Henning, Marjorie Jackson, Elizabeth Leete, Parke Malcolm, Judith Poppen, Joyce Reuter, Carol Sagel, Sue Schutte, Sharon Smith, and Betty Veitch.

The officers of the Class of January, 1959 were John Nicholson, president; Sue Cooper, vice-president; Elizabeth Leete, secretary; and Carole Borushko, treasurer.

Following the commencement exercises, a reception for the parents and friends of the graduates was given by the Mothers' Club.

The chief said that the examination was scheduled for 9 a.m., but with all the delays, Judge John Gillis could not convene the court until about 10:45 a.m.

"After all the trouble we went through," Chief Duemling said, "and after everything was ready to proceed, Simard announced he wanted to waive the examination."

Simard's attorney, Arthur Holihand, petitioned Judge Gillis for a reduction of Simard's bond from \$10,000 to \$5,000 but the judge refused the plea, and ordered the bond continued.

Simard was returned to the County jail to await trial in Circuit Court and everyone went back to their duties.

Chief Duemling said that extradition papers are in the office of Gov. G. Mennen Williams, waiting for the governor's signature, for the return of Lisiewski, who is still in the custody of Brownsville, Tex., police, who arrested Lisiewski on January 15.

Simard was arrested by Detroit police on the night of the robbery when he drove his car through a red light at Six Mile and Grafton. Lisiewski fled as police approached the car and nothing was taken from him until he was picked up in Brownsville.

# DID SOMEBODY MENTION GASOLINE MILEAGE?

Although we deliberately engineered improved gas mileage into the '59 Buicks, we have not made much point of it in previous advertising for THE Car. People's driving habits can get very different results even from the same car. So we are now happy to report that our plans for greater economy of operation have been very successful indeed . . . in everyday owner experience.

Owners report excellent records  
Most owners are naturally proud of their new cars, and may sometimes overstate a little. But even allowing for that, listen to these reports from owners! A Detroit man drove his Electra 9,000 miles around the country, and reports a little over 19 miles a gallon. A Louisiana

LeSabre, with Twin Turbine Transmission, after 4,000 miles is giving its owner 17.6 miles per gallon. A St. Paul man reports 18.1. From Atlanta comes 17.5. From Pittsfield, Mass., 20. Some are even higher. Some lower. But these are typical.

Tests confirm new economy  
Recently a very thorough set of tests was run, putting Buick LeSabre and another car of comparable size which is known for good economy, through identical tests under all sorts of driving conditions. The Buick came out best in every single test.

How Buick mileage was improved  
It took a combination of several steps. New,

more efficient Wildcat engines was one . . . compression up to 10.5, better carburetion. In the case of LeSabre there is also a new, twin-barrel economy carburetor as standard equipment. All this to get more power out of the fuel. In addition, new combinations of transmissions and rear axles put this power to work more efficiently.

Owners also report QUALITY outstanding  
"Best-performing Buick ever!" . . . "My sixth Buick and the best I ever owned!" . . . "Best operating car I've driven in thirty years!" . . . "Much the best Buick yet!" . . . Learn for yourself why this year's Buick owners are so enthusiastic. Go to your Quality Buick Dealer and see why The Car is The Buy.

Feb. 3 Program**

On February 3 at 10:30 a.m. in the Detroit Institute of Arts Lecture Hall, Tuesday Musicales will present its program.

Naomi Donaldson, Camella Ehrlich and Gizi Szanto, pianists; Maria Noumeil, soprano; and Rebecca Frohman, Nellie Thornton and Ernestine Barnes playing a Trio for Piano, Oboe and Horn, will be featured.

Alice Lungershausen is chairman of the program.

**Cottage Hospital Has 40th Birthday**

The Cottage Hospital of Grosse Pointe Farms, Michigan, known as "The Hospital on the Hill" by more than 60,000 residents of the five Grosse Pointe communities, celebrated the institution's fortieth anniversary and the thirtieth year in the present building, at the annual meeting on January 28, held in the nurses' residence on Ridge road. DR. JOHN MacKENZIE, left presented gavels to MRS. HENRY B. JOY, JR., second from left, president of The Cottage Hospital Board of Trustees, and to DR. HAROLD E. CROSS, chief of the medical staff. MISS CAROLYN WICKS is director of the hospital.

The gavels were made from one of the original spruce beams used in the small cottage which served as the hospital from 1919 and until the present building was erected ten years later.

Dr. MacKenzie, who was a member of the hospital's first medical advisory board and later its chief, fulfilled a long

wished-for ambition when after searching many years for a piece of wood from the original "cottage", he located a 2" x 4" piece of spruce at the McCullough residence next door to the nurses' home and within five hundred feet of the hospital.

The Cottage Hospital is the oldest in the Grosse Pointes. The need for a hospital in this growing area was keenly felt during the "flu" epidemic of 1918.

Cottage is a direct result of this epidemic. A number of prominent, civic-minded Grosse Pointe women appealed to the residents of the community for funds to buy the small cottage to remodel it for a hospital. The cottage was purchased in January of 1919 and opened as a hospital in March of the same year.

**Children's Art  
Classes Form**

After school art classes for children will begin again at the Grosse Pointe War Memorial on Tuesday, February 3, at 3:30 p.m. for ages 7-11 and on Thursday, February 5, at 3:45 p.m. for ages 11-13.

Margheritta (Mickey) Loud will again be the instructor and the classes will be held this term in the Center's terrace room with windows looking out on Lake St. Clair where the classes can move on the terrace proper in the spring.

Mrs. Loud's teaching methods have proved very popular with the young people. Mother of five at home, Mrs. Loud was an art major at Sarah Lawrence and received graduate training at the Corcoran Galleries in Washington, D.C. where she taught art at the National Cathedral School. In Detroit, Mrs. Loud is well known for organizing the program of the Junior League Senior Center and for her activity in the Detroit Artists Market and in the Grosse Pointe Artists Association.

Fifteen one and one half hour lessons are offered for \$22.50 plus a \$2.50 materials charge. It is really "art for fun" for the youngsters who are encouraged to use their own imagination and ingenuity in choice of materials and art forms. Classes are limited to 13 so advance enrollment is advised.

Every year is leap year, for pedestrians.

**State Gives  
Library \$1,860**

The Michigan State Library has begun distribution of 1958-59 grants to public libraries in the state, as provided by the State Aid for Public Libraries law.

Checks totaling \$128,654 have been mailed to 59 libraries in Michigan, the first of four payments to be made during the next few months to qualifying libraries. Total amount of the grants will reach about \$294,000.

The grants are used to enable local communities to increase their public library service but not to relieve them from providing local tax support. They may be spent for any library purpose except the purchase or construction of library buildings or the payment of principal or interest charges on any indebtedness. Expenditures of the grants are subject to review of the State Board for Libraries.

The grants are based on an allotment of 4 cents per person

served by the library. The Grosse Pointe was granted \$1,860. Public Library Account of 1860.76.

**Ski Club Set  
For Third Trip**

Enthusiastic response to the War Memorial's newly formed Grosse Pointe Ski Club has led to the scheduling of a third mid-week ski trip to the Oxford area for Wednesday, February 4.

Chartered busses will leave the Center at 6:15 p.m. sharp. Hot box suppers will be served enroute. Two and one half hours will be allowed on the slopes and busses will return at midnight. Round trip bus transportation, supper and tow charges are included for \$5. For those who wish to toboggan only, the charge is \$3. Ski lessons may be had for \$2, and ski equipment can be rented for \$2. Toboggans are provided free of charge.

All who have gone thus far are most enthusiastic about this bargain deal. It has been a most congenial crowd and everyone has had fun.

Both single adults and married couples who reside in Grosse Pointe are welcome and may bring guests from elsewhere if they wish.

All tickets for the trip must be purchased by 10 p.m. Tuesday, February 3, at the Center, 32 Lake Shore, TU 1-7511. No refunds are made unless the trip is cancelled due to weather. The ticket purchaser is requested to call in if departure is questionable due to a thaw.

Church Offering Special Service

Rev. Irving Camerer, pastor of the Evangelical Community Church, Parma, Ohio, will be the guest pastor at Grace United Church of Christ, Evangelical and Reformed, Lakepointe at Kercheval, Grosse Pointe Park, for a series of evangelistic services to be held every evening at 8 p.m., Monday through Thursday, February 2 to 5. The public is invited.

Rev. Camerer was graduated from Elmhurst College, Elmhurst, Illinois, in 1937 and from Eden Theological Seminary, Webster Groves, Missouri, in 1941. He has been pastor of the Evangelical & Reformed Church at Parma, Ohio, a suburb of Cleveland, for the past 13 years. He is president of the Parma Ministerial Association, a member of the board of directors of Evangelical Deaconess Hospital and has many other activities.

Rev. Camerer's mission at Grace will be to bring the Living Word of God to all in our community and to endeavor to enlist all in the neighborhood to make a Christian Commitment to Christ.

Chairmen for the committee set up at Grace to further this Evangelistic Program are Dr. Harry Weller, steering chairman; prayer, Raymond Schleicher; visitation, Kenneth Peterson; publicity, Mrs. Rose Telep; Mrs. Frances Gardner; hospitality, Mrs. Magdalene Bartel; Mrs. June Swetta; music, Miss Adele Shoub; telephone, Mrs. Esther Riske; ushering, William Hogan; William Schleicher, Jr.

This program at Grace is designed to meet the upsurge in religion that is evident in

the United States today. More of our people are wishing to take an active part in the development of Christ in their life. Grace Church and the committees appointed are hoping that all in the community, whether now attending a church or not, will take advantage of these evening meetings to learn more about Christ, how to make him an active part of their everyday life and how best they may put their natural talents to work for Christ in their own community.

### GPUS Alumni Hold Meeting

An estimated 190 alumni, and spouses, gathered for the Annual Membership meeting at Grosse Pointe University School last Friday evening, January 23. Graduates of the old Country Day and Detroit University Schools, for the most part, along with "fresh-out" graduates of the newer, merged, institution, convened socially at the Hunt Club, prior to dinner which was served in the cafeteria at GPUS, and beautifully arranged by Mrs. William Gold.

Following the dinner, President Charles Wright III addressed the group, with the announcement of three additions to the present Board of Governors. In addition to Mr. Wright, Otis Walker (vice-president), Doria Ann Shover Brucker (secretary), and Earl Heenan (treasurer), Susan Gillis and Nancy Pierson Gard also serve on the board.

Mr. Heenan, however, has tendered his resignation, along with board members Theodore Hodges and Mary Gage Parke. The Alumni Association voted to replace the three out-going members with William H. Gage, Tom Mackey and Mrs. Richard Kimbrough to serve on the board.

Headmaster John Chandler Jr. discussed, briefly, the School's academic record and admissions policy, following which the meeting was adjourned and most of the alumni moved to the gymnasium where they cheered the GPUS basketball team on to a thrilling 54-52 basketball victory over Maumee Valley (O.) Country Day School.

The Board of Governors will call their annual meeting early next month.

**New Sherwood Apartments Are Near Pointe**

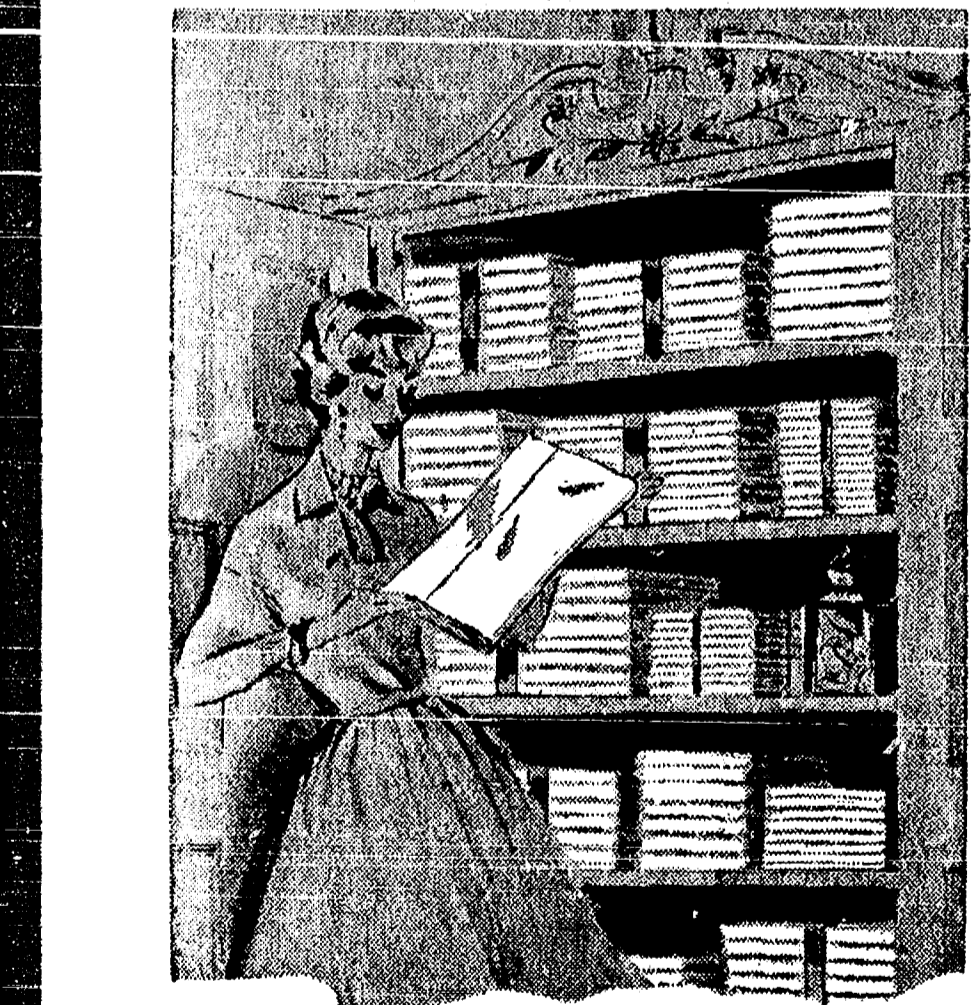

SHERWOOD, a unique apartment building under construction East side of Detroit, is offering many new features for ultra living for its prospective tenants. This is the area's first apartment building with a swimming pool complete with terrace, by the tenants and their guests, providing somewhat of a club atmosphere yet having all city conveniences. The building comprises an entire block on Frankfort Avenue, between Chalmers and Marlborough, and will consist of 12 two-bedroom units and 20 one-bedroom apartments. Each apartment will have its own thermostat for individual heat control, plus 30" electric ranges and 9 cu. ft. refrigerators, with built-in freezers, in a choice of three colors will be provided. There will also feature Birch cabinets with formica counters, sinks and vent fans. Ceramic tile baths in a choice of four colors, another of its attractive features.

Off-street parking will be provided for the occupants, as well as laundry facilities, separate storage area, master T. V. antenna, and many rods.

Choice of decorator colors for the apartments is being offered prospective tenants making application prior to February 1. The building will be ready for occupancy March 1, 1959, with rentals from \$105 to \$150 per month including heat.

Obenauer, 16844 E. Warren Avenue, is the owner and builder of the apartment.

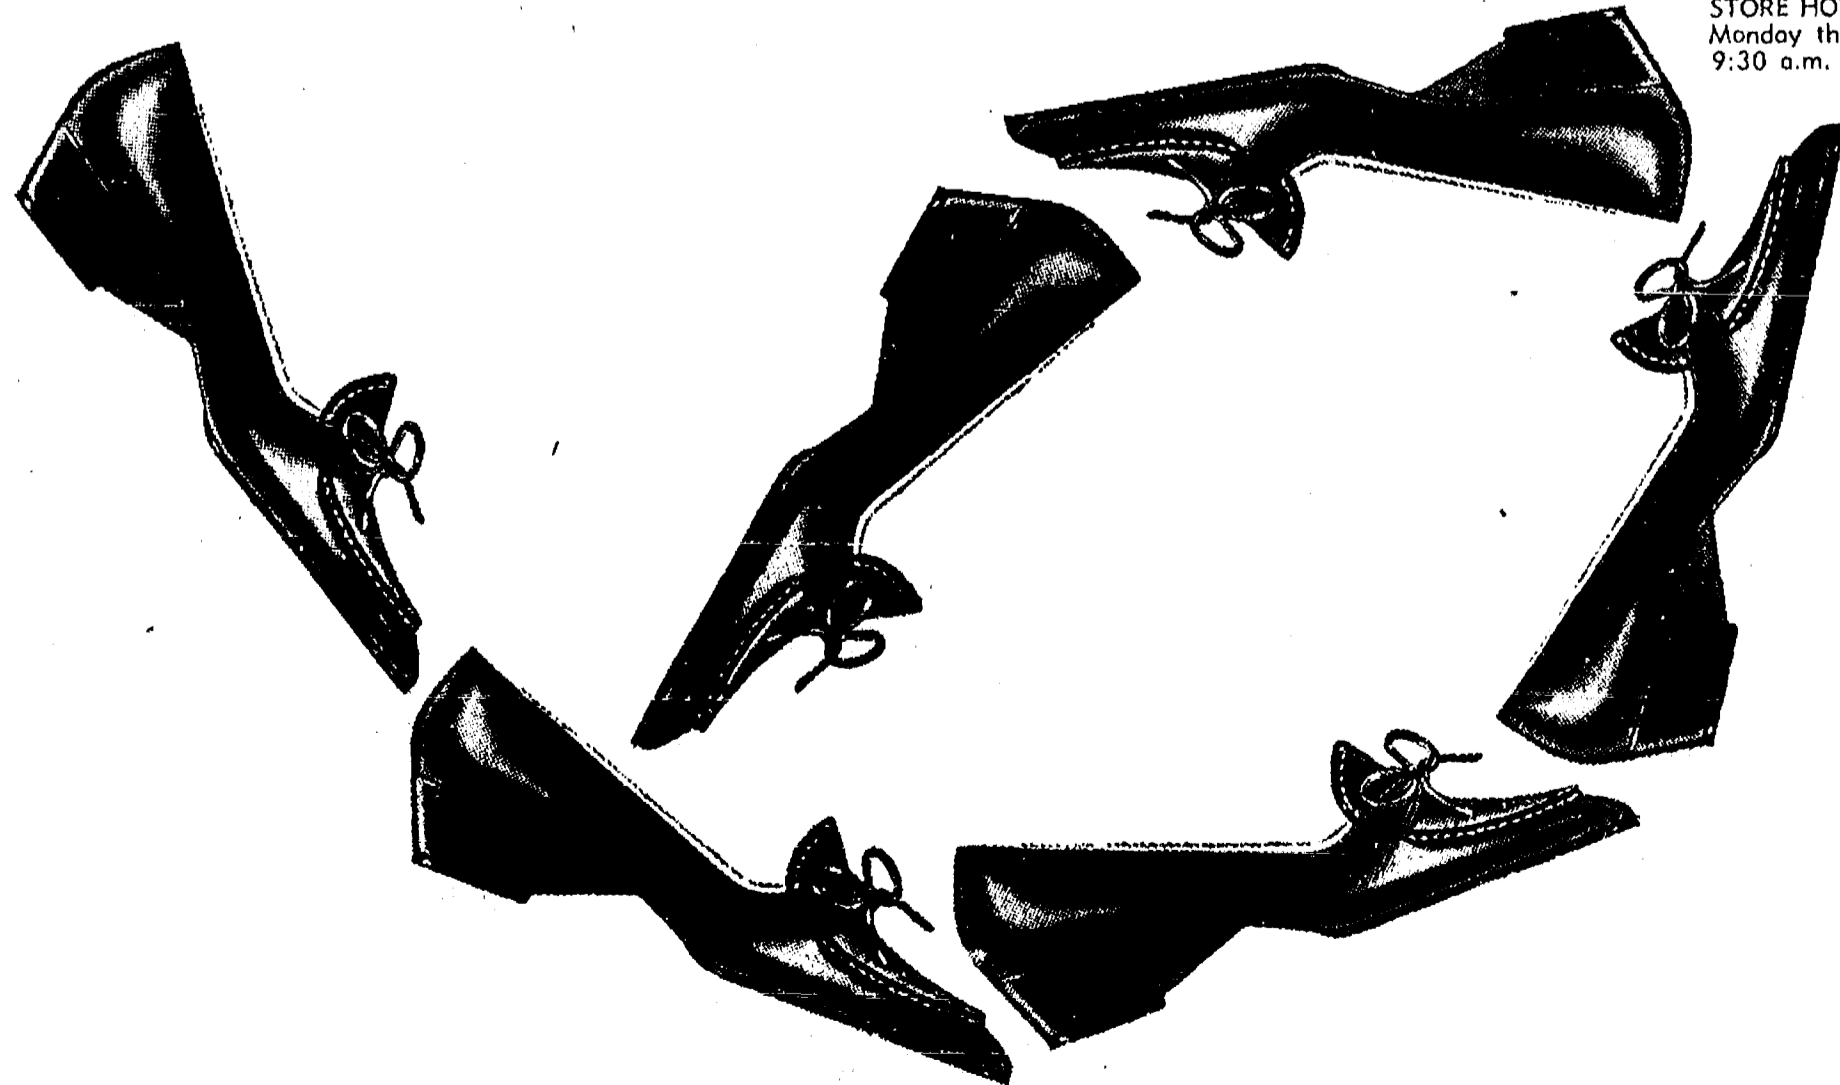

Detailed information regarding this new building may be obtained by calling TU 2-2803 or LA 7-8795. A typical floor plan in the two-bedroom and one-bedroom apartments may be obtained from the office of the builder.

### Lesson in Love

A poignant lesson in love, devotion and constancy brought lumps to the throats of many as they read of the great swan which became separated from his mate in the icy loneliness of the lower Detroit river. Two members of a flock which settled on the river in their long flight south seeking warmer suns the female became frozen in the ice, hopelessly trapped and helpless. Apparently the male was foraging afield and did not see the conservation men from the Pointe Mouille Game Area chip the great bird free and carry her away to a pen where she could be nursed back to health. This was a month ago.

The rest of the flock stayed with their frantic friend for a few days, while he desperately plied the waters seeking his vanished mate. Then, impatient for the southland and probably instinctively fearing for their own fate in the zero weather, they took off, leaving the lone swan, forlornly but doggedly pursuing his quest for his vanished love.

Residents along the river watched the pitiful plying of the lovely bird. Food was put out, which he came to get when the humans were far enough away. Attempts were made to trap him, and there was talk of placing the pair in the Detroit zoo, if the female recovered and the male could be captured. As the seemingly endless vigil continued, there was fear that the extremely cold weather would also snare the male in the ice.

On Sunday two trumpeter swans settled on the river and the desperately lonely bird swam out to see if either was his mate. One can imagine the sickening disappointment when he met but strangers.

Then on Monday the female had recovered sufficiently to be set free. She was carried down to the water's edge and her mate was standing close in to shore, but not close enough to be sure. The conservation men put her in the water and almost instantly she was air-borne, glorying in her release. She flew to the middle of the river, lit and rolled over in the water, stretched her long neck gracefully, rose straight up and hung in the air, her wings flapping.

Then her mate knew. He swam slowly toward the channel, away from the tense audience on the shore. She circled widely and then settled near him. They looked at each other and then the male started slowly downstream and out into Lake Erie, and she took her accustomed place, behind him and slightly off to one side. Soon the pair were only specks in the sun against the blue ice beyond the river's mouth. United once more, they were free to ride the winds of the sky trails leading south, to warmth and happiness and rest.

(With a deep bow to Louis Cook, who so beautifully wrote the news story of this event in Tuesday's Detroit Free Press.)

### How About Donating Blood?

The Red Cross Mobile Unit will come to War Memorial Center next Wednesday, February 4, for a most important blood collection. The cooperation of all eligible residents is urgently requested. Stocks in the community blood bank the Center maintains are reported to be dangerously low.

During wartime, a patriotic fervor stimulates the citizens to give freely of their blood to care for the battle wounded. There does not appear to be the same urgency in peacetime, but the need of the sick and those injured in accidents make it imperative that there always be an ample supply of whole blood and plasma on hand.

The blood bank at the Center is available to all residents. Anyone may request blood at any time. None of us knows when an emergency may arise. Of course it is hoped and expected that any blood borrowed will be replaced as soon as possible. If one does not wish to donate to the Center bank, the contribution can be designated for any bank desired.

Every effort is being made to eliminate delays in making the donations. Extra tables and staff members are being provided. Those making appointments in advance are assured they will be taken immediately. Transportation and nursery care for children who accompany their parents will be provided on request.

The giving of blood is a painless procedure and actually makes the average person feel better, both physically and mentally. All those who can be urged to call the Center, TUxedo 1-7511, and make an appointment. The collection hours are 2:15 to 8:15 p.m.

### Letters to The Editor

Gentlemen:  
The Board of Directors have asked me to express our thanks for the fine coverage your newspaper gave the Grosse Pointe Park Little League on our basketball game of December 30, 1957 which was staged to raise funds for our coming season. The businessmen in the Village and on the Hill were most cooperative in allowing us to display our signs in their windows during what was their busy season. This combined effort made this fund raising a success and we do thank you all sincerely.  
Paul N. Short,  
Grosse Pointe Park Little League.

### Farms Submits Building Report

The Farms issued three miscellaneous building permits during the month of December, worth a total of \$18,000, which added to the value of all types of permits granted since January 1, 1958, makes the grand total \$1,700,000. The information was released by Farms City Engineer Murray M. Smith, in his last monthly report of the year. There were no permits issued for construction classified as nonassessable, during 1958, according to Mr. Smith, and only one permit for a business building, worth \$210,000. Twenty-five residential contracts of \$1,064,000, were approved throughout the year. Miscellaneous permits, including the three issued last month, numbered 108.

## Grosse Exaggerations

### A. PRYOR

"Two shall be born, the whole wide world apart,  
And speak in different tongues and have no thought  
Each of the other's being, and no need;  
And these, o'er unknown seas, to unknown lands  
Shall cross, escaping wreck, defying death;  
And all unconsciously shape every act  
And bend each wandering step to this one end...  
That one day out of darkness they shall meet  
And read Life's meaning in each other's eyes."

#### Dept. of utter chaos

A friend writes us from a small town in the East, comparable to Grosse Pointe... relating the following tale. One day last week during a freezing blizzard, she felt so sorry for the postman, she asked him in to have a cup of coffee. They talked about post-officing in general, then he admitted he had once been a fireman for ONE DAY.

He explained that when he joined the fire department he found it a little difficult to manipulate his clothing and boots and get down that pipe as fast as the rest of the men. He had not been there a week, when an alarm came in... WOOSH went the rest of the department, down the pole, in the truck and OFF... just like that... while poor Horace was still trying to get his suspenders untangled from his boots and hat. Just old butter-fingers. Nothing daunted, he finally DID get dressed and with axe and pail in hand... he noted the address of the fire and proceeded to go there in a passing taxi, which he hailed!

He drew up in his cab in front of the burning house BUT there was no fire department in sight! He ran around aimlessly wondering what he could do to help... when suddenly the fire trucks clang-clanged down the street. It turned out they had gone to the wrong address!

Our friend, most impressed by the man's ability to at least "THINK" in a crisis... asked "Surely the department must have given you a citation or something?" "CITATION," screamed the postman, "Hell no. They fired me!" He added later that his private opinion was that the Chief was so embarrassed when he saw the guy waiting at the fire and in a taxi yet... that he didn't want his face around the place to remind him of the big fat boner HE made. Could be!

#### More taxis

The above reminds us of a story we heard some time ago (true), about the track coach from an Eastern college, who was sure he had some good material to enter in a big meet, thereby winning the college a piece of glory.

He had a talk with the boy and immediately put him in training for the big Cross Country Race held in New York's Van Courtland Park. The big day finally came and our hero was in fine shape. No question about it... he would be the winner. Time was at hand for the end of the race and Coach dear is standing glued to the finishing line with his nose hanging over the fence waiting to see Henry tear across the ribbon. Suddenly his mind was distracted by a screeching taxi that drew up somewhere behind him. He turned to glare at it and out stepped his pride and joy... the boy wonder track man.

He started to scream at him... words we can't use here... and told him it was not in the rules to end a race in a cab. Poor Henry explained that he had developed a cramp in his leg during the race and obviously could not continue... so he left the pack and hailed a cab in the Park.

#### Gravy, anyone

A local dowager who was given some chickens (dead ones) by a farmer friend, decided to roast them and give a couple to one of her married granddaughters. She called the gal and told her about it and added "I've left some wonderful gravy I made too. It's in a glass jar on the kitchen table... so be sure to take that along. I won't be home, but you just run over and get it whenever you like."

Granddaughter arrived in due time and the only person in the apartment was a young man there to clean the place. She went about her business of picking up the chickens and the glass jar of gravy and took off. About an hour later, Madame arrived home and seeing the jar of gravy still sitting on the PANTRY table, she called her grandchild and asked WHY she took the chickens and not the gravy? They got into one of those "But I DID take it... NO you didn't take it... I'm looking at it right now... you can't be because I'm looking at it right here" etc., etc., etc.

Fortunately, the young man walked into the room at that moment and said: "Mrs. Thingamebob, I can't find my Murphy Oil Soap. I had it sitting right here on the kitchen table in a glass jar." Madame shouted into the phone... "Don't use what you have on the chickens, it's SOAP!" Shortly thereafter the transition from soap to gravy was made and everyone concerned, happy. The young man doing the cleaning was one Thomas Kingston, well known to Pointers in general. ANYONE who knows him is aware that he lives and breathes with Murphy Oil Soap... which by the way, DOES look like chicken gravy. So beware when Thomas and his brogue are in your house the same time chicken gravy is!

#### Soap again

This seems to be memory day. The above also recalls to mind the local woman who gave a tremendous bar of soap to an elderly couple for Christmas... because the husband always complained that his wife bought bars of soap much too small for his bath. The woman half of the couple whose sight is not what it should be... but who refuses to wear glasses... opened the package, showed it to her husband and said: "Isn't this a wonderful looking cheese Mrs. McThing sent us!" Fortunately Monsoor uses glasses... so they didn't eat it!

## What Goes On at Your Library

By Jean Taylor

Statistics, for the most part, we find unbearably dull, but we are always interested in the trend of American Book Publication, and frequently are surprised by some of our findings.

According to Publishers' Weekly, 13,462 new books were issued by American Book Publishers during 1958, 320 more than in 1957. Fiction, with 2,235, was larger than any one class of non-fiction. However, the consensus is that the American readers' trend today is away from the novel. This is borne out when we find five books of non-fiction are published to every one of fiction. Next in line after fiction came books for children (1,522). Religion and science (1,050) having the slight edge of 50 over science. History followed with 801 and biography with 697. The mentioned other classifications accounted for 100 and 800 for the past year. Science fiction accounts for 104 titles in 1958, 15 more than in 1957. Mysteries were 19 more with 415 last year. Interest in the great open spaces however, seems to be on the

wane, with only 238 titles in 1958, about thirty less than the previous year.

These statistics point trends not only in book reading, but reflect the opinion of thought and in our country today.

Measurement of books in other parts of the world more difficult to ascertain because of some discrepancies what constitutes a book. The above statistics, a considered to be 65 per cent more. In 1959, figures based on all items 49 per cent more, as recommended UNESCO in a recent which hoped to provide a basis for inter-comparisons.

Against the 1,522 new for children published United States last year, 167,000,000 juvenile book sold in that time. These, the old favorites high, with "Little Women" published over 90 years, selling 2,000 copies. "Rabbit" (1902) and "The Willows" (1908) also in great demand.

Children recently proclaimed, from the Philadelphia Free through the eighth that their favorite book "Little Women," "Lassie Home," "Black Beauty," "Popper's Penguins" and "Peverell Goes to Mars." Proves that the public date means little to a and that any book is book until you have it.

### Adult Education Courses Added

General Semantics, a study of the effects of language on human behavior, is being offered by the Department of Community Services of the Grosse Pointe Public School System, to begin on Tuesday, February 3 at 7:30 p.m.

Instructor for this course will be William P. Hammond, who studied under the late Alfred Korzybski, pioneer researcher in this field.

The growing interest in this subject is evidenced by the fact that large companies have instituted study courses in Semantics for their supervisory personnel. Fortified with the knowledge gained through this study, the student is better able to cope with the person who "knows it all", or the fellow with a closed mind. Pointless arguments, misunderstandings and mistakes which crop up frequently in personal affairs and business organizations, are more easily resolved with the knowledge of this subject.

Practical Public Speaking is available for men and women who are called upon to participate in or preside at group meetings. This course will develop the student's self-confidence, ease of manner and an enthusiastic approach in successfully presenting himself and his ideas to others. The course content and teaching techniques used are based on the instructor's experience for many years with a nationally-recognized speech organization.

The following subjects will also be starting 10-week semesters immediately: Bookkeeping; Conversational French, German and Russian; Italian and French Conversation for beginners; Understanding Our Children and Ourselves; Music Appreciation; Interior Decorating and Rhythmic Exercises for Women. Class reservation and further information may be obtained by calling the Department of Community Service, 43 Grosse Pointe Boulevard, at TU 5-3808 or TU 5-0271.

### STATE POLICE REPORT

State Police officers 18,587 arrests in Detroit which 17,384 were for offenses, according to the department's monthly report. Not included totals were the arrest juvenile traffic offenses 289 delinquent and 9,242 minors. There were 9,242 complaints and 49,771 Department vehicles with 1,807,178 miles, of a 1,215,543 were on patrol.

### How to Add Years to Your Life

By Fred Kopp, R.N. 100 years ago the average American could expect to live about 40 years. Today about 70. Modern sanitation, drugs and medical practice have added years to our life span. Note that 70 is a very long time. You can live longer. You can live longer by being a "longer" eat properly and get medical care. This periodic checkups by physician. As pharmacists are pleased to help supplying the drug doctor prescribes. We're so conscious of effectiveness of modern medicine that we're living for a life span of years.

**St. Joan Offers Inquiry Class**

St. Joan of Arc Church is extending an invitation to all interested parties to attend a series of classes explaining the teachings of the Catholic Church. The classes which are designed especially for those who are not Catholics begin Thursday, January 29 at 8 p.m. in St. Joan's School, Mack and Overlake in St. Clair Shores. They will be held each Monday and Thursday thereafter.

Such Inquiry Classes afford an opportunity to interested parties to learn more about the teachings of the Church which propagates the religion which is the faith of so many of their friends and relatives.

Some of the topics which will be discussed are: The Catholic Church and the Bible, Evolution and the Book of Genesis, Telling Your Sins to a Priest, The Church's Stand on Marriage, etc.

The classes are informative in nature and no pressure is put on anyone to continue in the course or to enter the Catholic Church. Open discussion is allowed at any time. There are no obligations and no fees of any kind.

This is the eighth in a series of Inquiry Classes under the direction of Fathers James A. Moloney and Leonard Partensky.

There are 26 public classes, each lasting from forty-five minutes to an hour. Opportunity is given for private interviews where these are desired.

Some of the reasons which the inquirers offered for taking the course were the following: "I'm just interested in finding out something about what the Catholic Church teaches." Or, "I'm going to marry a Catholic and I want to know something about his religion."

Fathers Moloney and Partensky wish to extend a cordial invitation to all who are inquisitive about the teachings of the Catholic Church.

It's better to save than be sorry, said Frugal Ben Franklin. U.S. Savings Bonds are a sure, safe way to save.

**Literature Group To Hear Piggins**

Edward S. Piggins will address the Grosse Pointe Council of Better Literature for Youth on Monday evening, February 2, at 8:15 o'clock. His topic will be, "Tomorrow's Strength," an analysis

EDWARD S. PIGGINS

of the problems confronting the present generation of youngsters and teenagers. It will also be an evaluation of the effects caused by contemporary codes of morality in the business and social world.

As the Detroit Commissioner of Police, 1954 to 1956, Mr. Piggins established an intensive program of juvenile delinquency prevention. The growing delinquency rate has always been one of his chief concerns, and it has prompted him to devote much of his time to combating the problem. Included in his memberships on boards of directors, and executives are: Boy's Clubs of Detroit; Boy's Republic and Boy Scouts of America.

Mr. Piggins, a lifelong resident of Detroit, is married and has three sons. He is a graduate of Wayne State University, and holds a Doctorate of Law, from the Detroit College of Law.

His 26 years of law practice have been highlighted with such posts as: Assistant Friend of the Court; member and former president of the City Plan Commission; member of Wayne County Board of Supervisors; board of directors member for United Foundation, and the Detroit Historical Society; co-chairman Emergency Wayne County Polio Committee.

Mrs. Jacob Wenzel, Council President commented, "Because of his extensive background in youth problems, Mr. Piggins is well qualified to discuss and analyze the situation that exists for our young people today. His comments should be informative and inspirational to all."

The Grosse Pointe Council of Better Literature for Youth meets at the Central Branch of the Grosse Pointe Public Library, Fisher and Kercheval Avenues. All meetings are open to the public, and all interested parents and citizens are invited to attend.

**Pointe Theater Doing Comedy**

"The Solid Gold Cadillac" has been called a play tailor-made for Grosse Pointe audiences. It will be presented by the Grosse Pointe Community Theater at the Grosse Pointe High School auditorium on Friday and Saturday, February 6 and 7, at 8:30.

A disarmingly naive old lady, stocks, bonds, shareholders' proxies and high finance are some of the ingredients of the gag-stocked lampoon of big business and politics by Howard Teichmann and George S. Kaufman. It ran for 66 weeks on Broadway a few years ago and had similar success on a long road tour.

Mrs. Rickie Girodat, 1342 Beaconsfield, is starred as a wistful, loveable old lady who, as the owner of 10 big shares in a huge corporation, pops up at a stockholders' meeting, asks an awkward question or two and sends the directors of the corporate empire reeling.

William Dennes, 202 Fisher road, has the principal male role—that of Ed McKeever, who has resigned as chief executive of General Products in order to take a government post in Washington. To accept the post, he was forced to sell his stock at a profit of \$3,000,000.

Roles of executives in General Products ("If we don't make it, there's no money in it") are handled by Hoyt Spicer, 831 Fisher road, George Wilson, Allen Hayes and Charles Carson.

The cast of 20 is being directed by Mrs. Betty Cook, 16720 E. Jefferson. Tickets are available from GPCT members or at the box office on performance nights at \$1.25 for adults and 75c for students.

**Cold, Snow and Ice Take Toll in Devious Ways**

The recent epidemic-like onslaught of cold, snow and ensuing ice has taken a wicked toll throughout the country. Fortunately, the Pointe has suffered on a lesser scale, the most noticeable effect showing in the accident reports on the various police blotters.

For the most part, the accidents are minor, many the results of ice skids or poor visions.

On Tuesday, January 20, a pedestrian was the innocent victim of the weather conditions and a driver who failed to take the proper precautions.

Sandy Forton, 18, of 323 Beaupre, was crossing the driveway at Farms Market, on Fisher road, when Richard Witford turned into it and, out of control, skidded into her with his car. She was knocked down and shaken up. A subsequent examination at Cottage Hospital revealed she had suffered a slight injury to her left wrist, but she was released shortly afterwards.

Witford, who lives at 388 Rivard boulevard, was ticketed by City police for not having his car under control.

**REPORTS LARCENY**

William Wiseman of 1349 Lakeview, Detroit, complained to Woods police on Wednesday, January 7, that two fender skirts were stolen from his car while it was parked in a lot at the rear of 20233 Mack avenue.

### Center Theater Now Enrolling

Having won their spurs with their performances of the "Curious Savage" and the "Red Shoes" given last week, the Children's Theater, under the direction of Mrs. Sydney Reynolds, is about to embark on its second term of classes and projects at the Grosse Pointe War Memorial.

The theater's second term begins this Saturday, January 31, and Mrs. Reynolds will be on hand from 10 to 12 a.m. and 1 to 3 p.m. to enroll all young people between the ages of 9 and 15 who are interested.

In addition to the usual classes in acting, stage craft and production, several major performances are planned both in Grosse Pointe and Detroit.

### PTA at Barnes Meets Feb. 4

The forthcoming PTA meeting at Barnes School on February 4 is a "first" and should attract many parents interested in the activities of their children.

As a follow-up to the usual room visitations, those attending will have the opportunity of examining all of the audio-visual equipment that the school—and the school system—has to offer.

Miss Sarah Alexander of the Board of Education office will present a brief talk prior to the opportunity of interested parents to observe the audio-visual facilities available, not only in each building, but in a coordinated manner through the Central Office.

### March of Dimes Issues Appeal

With the 1958 March of Dimes near the closing date, an urgent appeal to all citizens of Wayne County to send in their "mailers" as soon as possible was made by Charles L. Gehring, former Tiger great, who is Wayne County's 1958 March of Dimes campaign director. He also made a request of all newspapers in Wayne County.

"Please tell your readers," Gehring said, "that we realize that a few people receive more than one appeal for the 1958 March of Dimes. This is because our mailings are done from lists. It would cost thousands of dollars to hire personnel to check these lists and eliminate duplications.

"We regret, of course, that there is a single person who receives two appeals from the March of Dimes. However, the cost of those two is practically nothing compared to what it would mean to comb the lists."

Gehring pointed out that Wayne County's 1958 polio epidemic numbered 871 cases at year's end. Almost half of the victims were five years old or younger who will need care for years to come. Thanks to the national scope of the March of Dimes, money is sent on request wherever epidemics break out. The Wayne County Chapter was able to extend aid to everyone who needed it and as much as was needed.

"The expanded program promising care for young arthritis patients and babies with birth defects, together with research into many of the ills of mankind will bring new victories to benefit all of us," Gehring concluded. Please send contributions to March of Dimes, 153 E. Elizabeth street, Detroit 1.

### DUCKS UNLIMITED

Since its founding in 1937, Ducks Unlimited has conducted what The Wall Street Journal describes as "a sort of privately-supported foreign aid program in neighboring Canada," with the support and financial assistance of the provincial Canadian governments. More than 725,000 acres have been flooded, and a like amount seeded and set aside as marsh and grassland. The result: North America's duck population has recently been estimated at more than 150 million—a 500 per cent increase since 1937.

### Pointe Business Notes

T. Murray McDonnell, former managing partner of McDonnell & Co. and now president of McDonnell & Co., Incorporated, members of the New York Stock Exchange, has announced the election of C. Henry Buhl, III and C. Lyman Crane as vice-presidents. Buhl, a former Pointe resident, is now connected with the foreign and syndicate departments of the firm in New York while Crane, of Lincoln road, has been manager of the Detroit office of McDonnell & Co. for the past 10 years.

J. B. (Jack) Sales, 1098 Brys Drive south, has been promoted to purchasing agent of the McCord Corporation according to an announcement by D. A. Pyke, director of purchases.

Mr. Sales has been associated with McCord Corporation for 25 years as assistant purchasing agent.

Meyer has been with Parke, Davis since 1929. MacCartney, a past-president of the American Pharmaceutical Association, joined the company as a sales representative in 1928.

At a meeting of the Casualty and Surety Executives Association of Michigan on January 14, R. K. Davis, Jr., of 807 Washington, manager of the Hartford Accident and Indemnity Company was elected president of the Casualty and Surety Executives Association of Michigan.

A Grosse Pointe Farms resident was among 22 Chevrolet engineering employees honored at a special ceremony Monday after completing 25 years of service with the company. He is R. K. Thomas 411 Madison, a general supervisor in the test laboratories. Thomas and 21 others this year rounded out a total of 550 years of service with the company and were presented with gold watches by Chief Engineer Harry F. Barr at a dinner in the Park Shelton Hotel, Detroit.

From the Detroit Bank and Trust Company comes word of the promotions of four Grosse Pointe men, in that organization, as determined at its board of directors meeting on January 20.

J. Calvin McClellan, of 1300 North Oxford road, was appointed an Assistant Trust Officer. Mr. McClellan has been with the Bank since 1925.

Harry C. Pratt, of 19282 Raymond place, was appointed an Assistant Vice President and Assistant Trust Officer. Mr. Pratt joined the Bank in 1958. Arnold W. Lungershausen, of 849 Berkshire road, as appointed a Vice President and Trust Officer. A tax attorney, specializing in Federal and State Tax Laws, he has been a member of the firm of Lungershausen and Canfield for the past 14 years.

W. Howard T. Snyder, of 285 Hillcrest road, was appointed an Assistant Vice President and Assistant Trust Officer of the Bank. He stated his banking career in 1931.

Victor W. Klein, of the law firm of Butzel, Eaman, Long, Gust and Kennedy, was elected to the board of directors of The Michigan Bank at the annual meeting of the stockholders January 20, John C. Ray, president announces. The other 11 members of the board were re-elected.

Following the stockholders meeting the new board met and Patrick F. Pray was named an assistant vice president of the bank.

Klein is also a member of the board of Bohn Aluminum & Brass Corp., and on the board of D.W.G. Cigar Corp. Mr. Pray has been with The Michigan Bank since 1951.

Power Squadron Honors Weber

A prominent past commander of the Detroit Power Squadron, Richard S. Weber, was named National Executive Officer with the rank of Vice-Commander and became second in command of the 253 United States Power Squadrons now totalling over 42,000 members.

At the national annual meeting in New York City, January 17, V.C. Richard S. Weber received the well deserved honor for his many years of work in the public educational water safety program which is the main object of all the United States Power Squadrons.

Mr. Weber is a member of the Detroit Yacht Club, and a long time resident of Grosse Pointe. His many years of participation in the pleasure boating field and mainly through the education program of the Detroit Power Squadron which offers each fall and spring a free public piloting class has won him legions of friends and honors, both in and out of the boating field.

Religious activities in Boy Scout camps are carried out under religious leaders of all faiths.

## Devil Swimmers Defeat Royal Oak Impressively

The Grosse Pointe Blue Devil swimming team cracked the Royal Oak Acorns with an impressive 61-35 victory in the local pool, Friday, January 23, to end the first half of the Border Cities League race.

The victory enabled the Devils to break out of a two-way second place tie with the Acorns and take over second place all alone with a 4-1 record in league competition. The Monroe Trojans currently are leading with a 5-0 mark.

Royal Oak's orthodox breast stroke star, Chip Ashton, set a new pool record in the 100 yard event by handing the Devils' Dick Law his first defeat of the season with a 1:08.2. The old record was held by Harry Huffaker who traveled the distance in 1:08.8 during the 1957 season. The State record is held by Ronald Clark of Ann Arbor who posted a 1:07 in the 1957 State Meet.

The Devils were never seriously challenged after Bill Pattee, Chris "Machine" Kimball, John Mertz and Mike Bremer splashed to victories in the 40-yard free style, 100 yard butterfly, 200-yard free style and the 100-yard breaststroke, respectively, to open the meet and give the Pointers a comfortable 26-10 lead. Royal Oak never got closer than 12 points to the Devils at any

time as the Pointers swept seven of the ten first places.

The league will swing back into action after the midterm graduation at the end of January.

## Reserve Tankers Beat Birmingham

Grosse Pointe's reserve swimming team under the direction of Bob Kinnier, defeated Birmingham 63-31 in the latter's beautiful pool on Thursday, January 22.

The victory enabled the Pointers to stretch their consecutive win streak to two in as many meets this season. The win also was a measure of revenge for their varsity counterparts who dropped a 49-47 non-league decision to the Birmingham varsity in the second meet of the season.

The reserves moved into an early lead with a sweep of the 50-yard freestyle event when Dave Dawes and Mike Hammond finished in that order. Birmingham bounced back in the next two events to take a one point, 14-13 lead but this was shortlived when Howard splashed home first and his teammate Larry Colepeart placed third to give the Devils a two point, 19-17 lead which they never relinquished.

Bill Beckenhauer and Ben Weying swept the 100 yard breaststroke as did Mike Hammond and Dave Dawes in the 100 yard freestyle to pad the lead. Diver Jim La Blonde

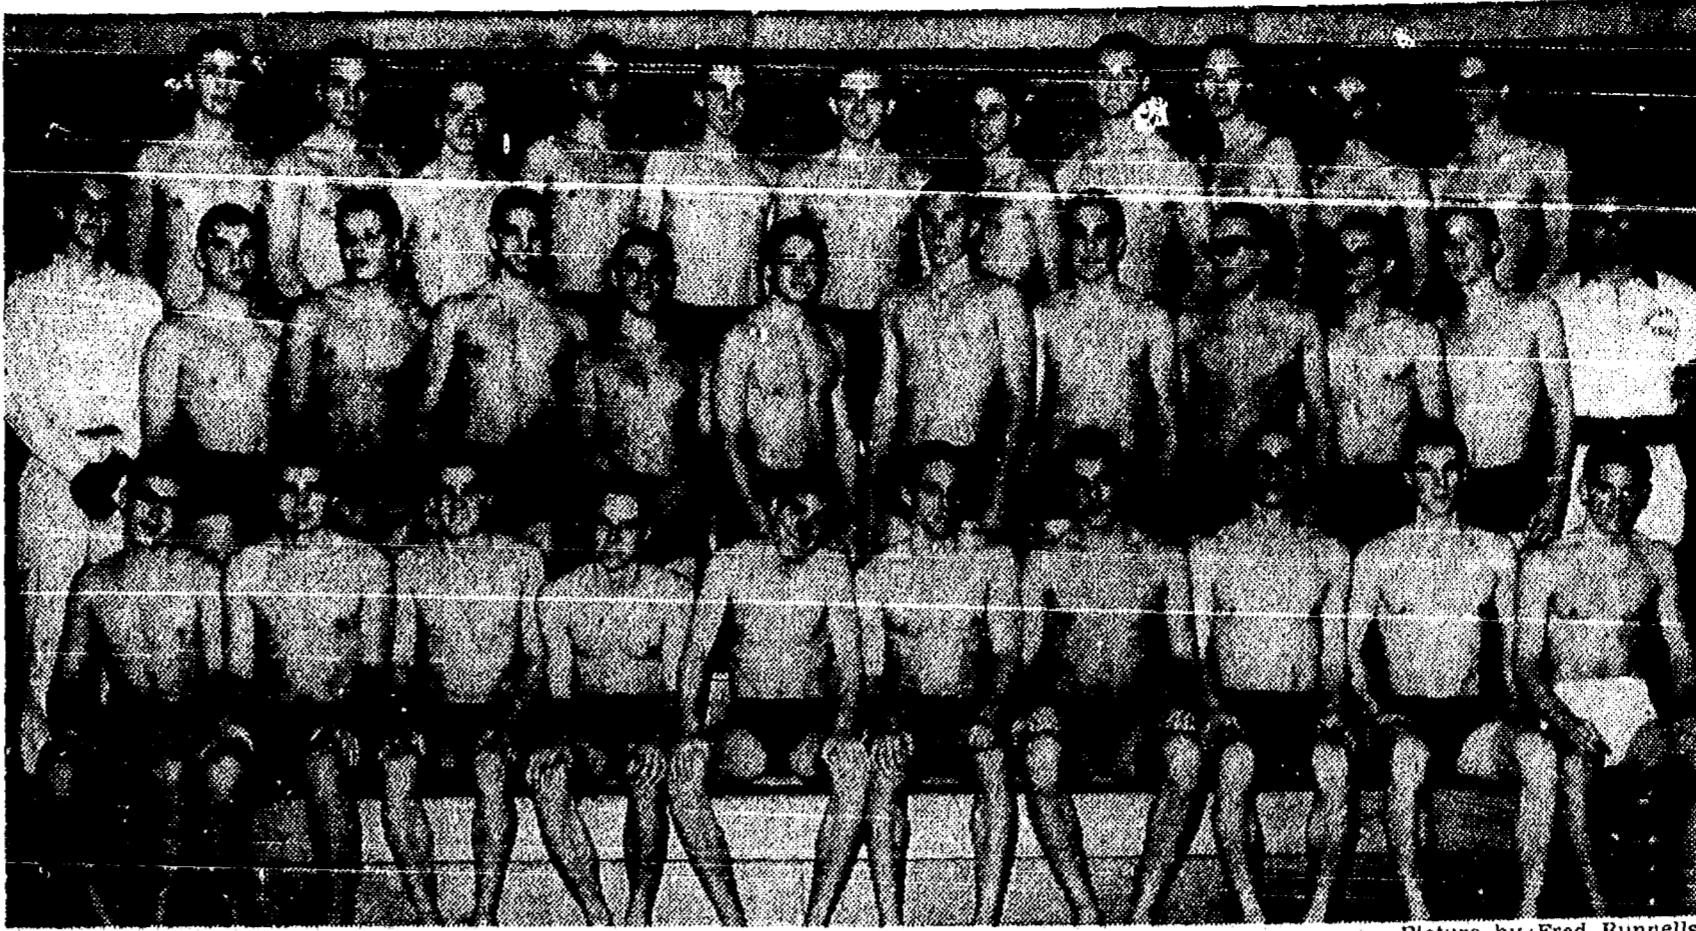

scored 28.1 points to push the Pointers out in front 40-23.

George Measel and Mike Platt swept the 150-yard individual medley to clinch the meet.

Grosse Pointe's two relay teams climaxed the meet with lopsided wins. Howard, Gauss, Beckenhauer and Teetart won the 200 yard medley and Johnson, Watts, Davis and Jefferis took the 200 yard freestyle relay for the final point.

## Austin High Court Team Unconquered

Undefeated Austin continued to dominate the Central Division in the Parochial League with a 54-42 victory over Cathedral Central, Friday, January 16, on the latter's home court.

The Friars poured it on in the first quarter to build up a comfortable 18-5 lead and squish any ideas Central may have had of pulling an upset.

With what appeared a "duck soup" game the Friars appeared to relax a bit and Cathedral's scoring machine went into action behind the sharpshooting of its captain, Dan MacAuliffe, and closed the gap to trail 25-18 at halftime.

Coach Chuck Hollosy took no chances of being upset and he ordered the Friars to open up a sizeable lead to enable him to clear his bench which he did in the final quarter.

It was Cathedral who gave the Friars the most trouble in the first round of play and it had ideas that it might snap Austin's league victory string which has now reached 35. The Friars have never tasted defeat since entering the Central Division four years ago.

## Three Teams Tie In Bowling Loop

The second half season of the Grosse Pointe Business Men's Bowling League got out to a flying start with Goebel One sweeping four points from Adam Simms behind the pin topping of Ray McDonnell, who posted a 639 series.

Goebel Two tripped Kennedy for four points as did Pharmacy over Belding to create a three-way tie for first place.

All remaining matches ended with three point victories for Cramer over Wigle, Larry's over Prestwick, Woods over Atwell, Beaconsfield-Kercheval over Maple Lanes and Barrett's over Cox-Baker.

Twenty-two 200-plus games were rolled with McDonnell leading the way with games of 238 and 222. Others were: Don Stange, 213; Ernie Nierath, 213; Dick Stehlin, 211; Les Henderson, 208; Bruce Warren, 204; Harvey Reid, 203; Duane Van Dresser, 203; Bill Stafford, 203; Al Bell, 202; Mel Persky, 201; John Schoenherr, 200; Ray McDonnell, 238-222; Don Sarvis, 237; Sam Kunath, 225; Harry Rudge, 223; Don Bayhan, 223; Jim De Smedt, 222; Bob Lieckfelt, 216; Ange De George, 216; Larry Miner, 215; Sam Sarcona, 215.

## St. Paul Lakers Clinging To Second Place in League

The once-beaten St. Paul Lakers walloped St. Anthony's 68-40, Friday, January 16, on the Grosse Pointe High court which the Lakers call home.

The victory kept alive a slight glimmer of hope for at least a share of the East Side First Division Parochial title. But if the Lakers are to share the title, help will have to come from the outside. The biggest chance St. Paul had went kaput when Servite blew its game with league-leading St. Florian on the same night.

Servite had an excellent chance to tumble St. Florian but this was not in the cards. The defending champions turned on the steam and rolled from behind to win and stay unmolested at the top of the heap.

The Lakers have one last chance. That is to win all of their remaining three games and hope that Florian gets over-confident and is upset.

Against St. Anthony's the Lakers started fast behind the sharpshooting of Joe Lauer, who captured scoring honors with 18, and Dave Ayrault who tied for runner-up honors with the Teutons' Koch with 14 points.

Coach Eddie Lauer had an opportunity to take a look at his second stringers after the starting five built up a commanding 28-18 lead and increased it to 46-31 at the end of the third stanza. Everyone of the 14 Laker players saw action.

## Devil Reserves Defeat Acorns

Coach Jim Epperson's Grosse Pointe Blue Devil reserve basketball team chalked up its seventh win in nine starts when it tripped the Royal Oak Acorns 43-35 on the latter's court, Friday, January 16. The victory gave the Devils a 3-2 league record, having lost to Highland Park and Fordson, and an overall mark of 7-2.

It was a struggle through the first sixteen minutes of play with the Pointers holding a narrow 6-5 first period lead and deadlocked at 18-18 at halftime. From there on it was all Grosse Pointe with Doug Aldinger providing the scoring punch on the end of fast breaks and plays set up power came from Larry Englehardt who counted 14 rebounds off both backboards.

Ken Stanley, the Devils' usually reliable scoring threat had an off night and made only two of 13 field goal attempts from his favorite spot on the court.

It was Aldinger that set the Devil scoring machine in motion when he stole the ball twice and converted important baskets to give the Pointers an early lead to start the productive second half.

Brian Mumaw was still missing from the lineup due to illness but Jim Kolpe picked up the slack with a 10 point production to annex runner-up honors behind Aldinger and the Acorns' Pyles who tied for individual honors with 13 points each.

## GPUS Knights Win and Lose

It was an exciting week for basketball fans at Grosse Pointe University School last week as the Knights were nosed out, 47-45, by L'Anse Creuse on Tuesday but came back to squeeze by Maumee Valley on Friday night by the equally close score of 54-52.

The first half of the L'Anse Creuse game was a seesaw battle that ended with the seesaw in a state of equilibrium at 26-26. Things looked up, late in the third quarter, when the Knights took a five-point lead. The five points looked good, and the fans had a chance to sit back and relax for a minute.

The problem was that the Knights themselves relaxed for a minute and found out too late that L'Anse Creuse was back in the ball game. Skip Winwright was the big man for L'Anse Creuse. He amassed a game total of 22 points and was the man who scored the tying and winning baskets in the last minute of play. George Haggarty led the Knights, with 19 points. Wood had eight.

Friday night's game had all the excitement of the L'Anse Creuse game, but it had the added attraction of being a two-point victory rather than a two-point loss. The Mohawks looked as though they might win the ball game, but this time it was the Knights who overcame a small lead to win late in tie game. Pete Handwork, of Maumee, took the game honors in scoring, with 29 points. For G.P.U.S. Haggarty was high man for the second straight game, this time with a total of 16 points. Bob Wood scored 10. Jack Pingel, who scored two important baskets in the last minute, Gordie O'Brien, and Bruce Birgbauer had eight points each. It was the first time in five years that the Knights had beaten the boys from the Buckeye state in basketball.

## GPHS Title Chances Fade With Defeat by Royal Oak

Once-beaten Grosse Pointe Blue Devils had a chance to remain in a two-way first place tie in the hot Border Cities League cage race when they dropped a close 87-65 decision to Royal Oak on the Acorn court, Friday, January 16.

The defeat was the second of the 1958-59 campaign and dropped the Devils into a two-way second place tie with Fordson, who bumped Wyandotte the same night. Both have 3-2 records as compared to the league leading Highland Park Polar Bears and Royal Oak who have lost only one game for identical 4-1 marks.

Highland Park remained one of the front runners by storming through winless Monroe 71-44 and is an odds-on favorite to retain the league crown which they shared with the Blue Devils last year.

**Wage Good Battle**  
Against Royal Oak the Devils put up a terrific battle in the first quarter and held a narrow 19-18, lead. At one time during the period the Pointers held what looked to be a comfortable 17-10 margin behind the sharpshooting of Lars Anderson and Ronnie Schram.

But, once in the lead, the Devils appeared to relax and the Acorns closed the gap rapidly behind the excellent play of John Meadows and Mike Joyce who annexed individual and runner-up scoring honors, with 26 and 23 points, respectively. At halftime the Acorns owned a 30-30 lead which they built into a comfortable 10 point 53-43 margin going into the fourth stanza.

**Captain Tossed Out**  
The Devils suffered a damaging blow late in the third period when captain Larry Bruzese was ejected from the game with five personal fouls. Tom Andris took over and although his play was creditable it couldn't make up for the loss the team felt when its captain was sidelined.

At this point coach Howard MacAdam inserted Jerry Gerich for the lithe Dave Veenedaal to combat the rough

play under the boards. Gerich came through in the final period, scoring 11 points to give the Devils a 53-43 victory. The game was lost in the final period, 53-43. The game was lost in the final period, 53-43.

University of Michigan alumnae realize the need for more scholarships and emergency aid for women students and hope to increase the funds to be made at their annual Scholarship Bridge scheduled Saturday afternoon, February 21, from 1 to 4:30 o'clock in the auditorium of the J. L. Hudson Company.

Mrs. Stuart G. Baits, former member of the University's Board of Regents for 16 years, reports immediate response to her calls while setting up committees as acting general chairman of the project.

Working with Mrs. Baits as coordinating chairmen are: Mrs. Oliver D. Marcks, who was chairman last year, Mrs. James L. Frey, Mrs. Frederick C. Weyher and Mrs. James A. Lafer, former national chairman of the Alumnae Council of the University Alumni Association.

Mrs. Raymond J. Hodgson is chairman of hostesses; Mrs. William F. Charles, tickets; Miss Joan Edmonds, who is president of the Detroit Association of University of Michigan Women sponsoring this event, has charge of prizes; Mrs. M. Alfred Darling, the treasurer, is finance chairman; Miss Clarissa Vyn, school contact chairman, and Mrs. Gaylord Todd, flower chairman.

Heads of committees will meet at noon on February 5 at the Detroit Athletic Club and again on February 13 at the Women's City Club.

## Mt. Holyoke Grads To Honor Gettells

New President of Women's College and His Wife to Be Feted at Reception and Dinner in Statler Hotel January 30

Tomorrow night, January 30 alumnae and friends of Mount Holyoke College will have an opportunity to meet the man who took over the presidency of that leading women's institution in 1957, Dr. Richard G. Gettell.

Dr. Gettell and his wife will be honored by the Mount Holyoke College Club of Detroit with a reception and dinner party in the Michigan Room of the Statler-Hilton Hotel.

Mrs. Elliott H. Phillips, of Moran road, is in charge of the dinner arrangements, with Mrs. H. Paul Sloan, Jr. assuming responsibility for the entire evening. A committee of hostesses, all alumnae of the College, consists of Mesdames Donald A. Cargill, Steele Sellers, William H. Ducker, William W. Coon, Stanley Westberg, Leonard W. Horton, Norman R. Carpenter, Konrad Matthal, Stanley Cain, Kenneth McCoy, Gene White and John R. Gordon.

For 15 years before he succeeded Roswell G. Ham as president of the 120-year-old college for women, Dr. Get-

tell had acted as an economist and operations analyst for business concerns and the U.S. Government. He came to Mount Holyoke from the Texas Company in New York, where he had been chief foreign economist.

He began his academic career prior to World War II, having taught at Harvard, Yale and Wellesley. He holds a Ph. D. in economics from the University of California, and an honorary LL. D. conferred by Amherst College in June, 1957.

This will be the Gettells first visit to Detroit since he became president of Mount Holyoke College.

The honest self-made man knows himself too well to think that he was wholly self-made.

## See Her on the Stage

RICKY GIRODAT, 1342 Beaconsfield, playing in "The Solid Gold CADILLAC," inspects a mobile of "solid gold" automobiles, stars and wheels. The comedy by Kaufman and

Teichman is being presented by Grosse Pointe Community Theater on Friday and Saturday, February 6 and 7, at 8:30 p.m. at Grosse Pointe High School.

### POOR WORKMANSHIP

A man can mend his ways—but it's difficult to do it so the patches won't show.

### MAN OF THE HOUR

Taking things as they come and selling them at a profit is another form of success.

## U of M Grads To Give Benefit

Alumnae of the Martha Cook Dormitory at the University of Michigan will do honor to the memory of Mrs. Frederick B. Stevens on February 7 at a benefit dessert bridge at the War Memorial.

The scholarship fund bearing her name, the Anne E. Shipman Stevens Scholarship Fund, will be supplemented by profits from the party.

Mrs. Stevens was vice chairman of the board of governors of Martha Cook Building, 1914 to 1918, and chairman from 1918 to 1933. This revered lady was a member of 20 cultural, civic and church organizations and served at least nine as an officer. She was also president of the Michigan Auxiliary of the National Council of Episcopal Women.

Deserving students living in the dormitory are aided by the fund. Among those working on the benefit are Mrs. Frank E. Cooper, of Merriweather road, who is taking reservations, Kay Mullany, of Hillcrest road; Mrs. Otto Scherer, of Berkshire road, and Delphine Waigenbach, of Barrington road.

## Boat Club Reopens Saturday with Ball

Club Will Be Dramatized in Winter Blue Lights "Snow Ball," First Party of the New Season; Mr. and Mrs. Dan Abbey Are Co-Chairmen

The traditional formal Detroit Boat Club "Snow Ball" will be held on Saturday, January 31, to celebrate the winter season and the reopening of the social season at the Boat Club. The Club has been closed since New Year's Day for redecorating and refurbishing.

Mr. and Mrs. Dan Abbey are chairmen of the party committee with Mr. and Mrs. Charles F. Rodgers as co-chairmen and the following committee members: Mr. and Mrs. Peter Tainsh, Mr. and Mrs. Cecil Shuert, Mr. and Mrs. Ernest Korb and Mr. and Mrs. Mayne Glock.

An enormous 12-foot snowman in the entrance foyer will set the decorative theme for the party and hundreds of other smaller snowman will be used throughout the club dramatized with winter-blue illumination and multi-colored pin-point sequin spots.

The Fred Netting orchestra will provide dancing music and Janie Palmer is to be the featured vocalist.

Reservations for groups have been made by the Walter Gul-

ers, the Paul Kochs, Presley and Mrs. William Muller, Ronald Pepins, the Dan Campbell and Mrs. Edwin Taylor being the new entertainment chairman, and the Arthur A. Schmidts.

Among others attending party from Grosse Pointe are the Frank Reids, the Rich Burrs, Mr. and Mrs. Joe Hosier, Mr. and Mrs. Malo Denise, the Eugene Allens, Charles A. Fecks, Mr. and Mrs. Elmer Rolley, Dr. and Mrs. Hugh Fuller, Mr. and Mrs. Paul Nagel, Mr. and Mrs. Sheldon Drennan, Mr. Mrs. Woodward H. Warr, Mr. and Mrs. A. J. Cuthbert and the Bernard Whitneys.

A recent survey of school children in one western state showed that 78% of pupils rolled were born outside the state.

### HOUSEHOLD HINT

Maybe you like your hamburgers rare or medium or well done but you want the flavor of the meat to be the best. The Detroit Consumer Marketing Information agent suggests that you loosen the wrapper on ground beef before you put it in the refrigerator. The package looks so neat the way the butcher wrapped it—your first thought may be to put the package in the refrigerator just the way it is. But have a second thought—meat needs air to keep it from getting stale. Be sure to loosen that wrapper before ground beef gets into the refrigerator. Then plan to use the ground beef a day or two after you buy it.

### LICENSE PLATE STOLEN

Someone stole a license plate from the car of Dr. L. P. Rahn of 1046 Audubon, on Sunday, January 11, according to a complaint made by the doctor to Park police. The car was in the garage at the time, a report stated.

## Commodore's Ball Honors Mr. Weber

Mr. Weber Wore Jade Green Silk to Receive With Husband Saturday Evening in the Grand Ballroom of the Grosse Pointe Yacht Club

The Grosse Pointe Yacht Club's Commodore's Ball came off with a brilliant fashion last Saturday, Jan. 24, after days of winter worry. When rain, snow, slush, sleet and ice had much of the week before, club members merely "Keep your fingers crossed", and went on with their plans.

Mr. and Mrs. Fred J. Somes, Jr. (small roses and glistening paillettes bordered the overskirt of her American Beauty peau de soie ballgown) were with Mr. and Mrs. R. F. Kolowich, the Robert Woods, Walter Woods and Irwin Kunerths.

The Frederick C. Wests entertained the Ted Fells and Mr. and Mrs. William Thomas, of Flint; also the Warren, Traffons, Michael Markarians and Francis Seavittes.

Guests of Mr. and Mrs. Frank A. Krue, Jr., were the F. Robert Krues, the Reid Hallas, Mrs. Frank A. Gorman, the Richard B. Kings, Edward C. Roneys, Robert B. Gottfredsons, Joseph L. Hickey, Mr. and Mrs. James W. Lyons, and the Clarence Sweeney's of Indianapolis.

Mr. and Mrs. Peter J. Gallette were hosts to their son, Richard, and his fiancée, Constance Kriebel, who came from Northwestern University for the week-end; the Marvin C. Johnsons, L. George Hoopers, William F. Drevants, the Ron Todghams of St. Clair Beach, Ont., the Charles Stofkos of Plymouth; and the Robert Andersons, Franklin Birds, Harry Chesebroughs, Virgil Exners, and Mr. and Mrs. James W. Shank, all of Birmingham.

The John J. Wetzel's (she in floor-length honey beige peau de soie beaded and jeweled at the neckline) and their guests, the Allan Fosters, were in a group with the George Vandermarks and their guests, the C. H. Hamels and Dr. and Mrs. Donald Wicke; also the Lawrence Reifs, the Ray B. Johnsons, Dr. and Mrs. Clifford Loranger and Dr. and Mrs. Stanley Dolega.

Before the ball, the J. Douglas Adairs hosted cocktails in their Colonial Road home. Here, and later at a long table at the club, were the closely-knit friends and members of the GPYC's Tuesday Bowling League—the Paul L. Barkers, Carl G. Andersons, Bill O. Brinks, Rex Brophys, David L. Gambles, Mr. and Mrs. George M. Brooks, Joseph W. Caskeys, Mr. and Mrs. J. Vernor Davis and Mr. and Mrs. Thomas C. Fox.

Mr. and Mrs. Calvin Gauss, Jr., Mr. and Mrs. Charles Gauss II, the Edgar M. Gregorays, Jr., Mr. and Mrs. T. A. Jacob, the George Gillfills, Jr., the Howard Shaws, the Robert J. Nixons, William A. Muer, and the Mortimer Crocetts, who come back regularly to GPYC functions although now living in Chicago, completed the group.

## St. Clare Women to Serve Family Dinner From Another Pointe of View

MRS. JOHN GALBO, left, served small LOUIS C. RABAUT II an ice cream clown as a preview of the menu she and the ladies of the Archconfraternity of St. Clare of Montefalco Church will serve February 8 from 4 until 8 o'clock. MRS. EDWARD MOELLER, ticket chairman and MRS. JOHN COOK, co-chairman, are also working on the family dinner preparations.

(Continued from Page 11)

Mrs. Edwin Fisher, Mrs. J. V. Jenks and Mrs. Jack Stephenson.

Mrs. S. incidentally, will be trying the beginners slopes for the first time. She's invested in ski equipment and is determined to make a go of it.

### U Club's 60th Year

For 60 years members of the University Club have been honoring their president at an annual party. This season's proxy, Bill Baldwin, of Birmingham, will have his turn this Friday evening. There will be cocktails in the big room, music by a new band called the School-teachers and a special pantomime act by Yonely.

Going in a body from the Pointe for the occasion will be the Richard Gushees (he's the University Club vp), the Henry T. Ewalds, Jr., the George E. Bushnells, Jr., the John Worcesters, the Peter Thurbars, the John Howard Stephenson, Jr., the William Kerrs and the Frank B. Wares.

### New York Attracts

New York has special allure at this time of year with the theater aglow and all the Easter fashions making an appearance.

This Sunday Mrs. Hudson Mead will fly off to the Big City with her mother, Mrs. Harold Raymond Boyer, for a visit. She will be away about five days and wants to see the musical, "Music Man."

Opera is Mrs. William R. Witherall, Jr.'s first concern when she reaches New York, also on Sunday. She will stay with her University of Alabama roommate, Nora Reynolds, who is a Manhattan career girl.

### Bachelor Dinner

Garey Symington was home over the week-end from Chicago to visit with his parents, the Charles H. Symingtons, of Provençal road, and to report on his February 7 wedding plans. Originally he was to be married to Marilyn Edwards in Chicago later in the Valentine month but now its just ten days away.

While he was home his father decided this was the time for the bachelor dinner. Garey's friends, 30 strong, joined him at the Little Club Friday evening to dine and make merry.

## To Give Play for Children at Parcels School

"Utah Trail," an action-packed true Indian drama, is expected to draw a full-house of Grosse Pointe youngsters when it is presented on stage at Parcels Junior High School on Saturday, February 7, by the popular Michigan State University Players.

### TWO CARS TANGLE

While in the process of making a left-hand turn onto Neff road from Mack avenue, Paul E. Knoop collided with Joseph Cappell, of 20239 Sunnyside, St. Clair Shores. The accident occurred on Monday afternoon, January 19. Knoop, who lives at 4140 Kensington, in Detroit, was ticketed for not having his car under control.

### HOUSEHOLD HINT

Rich red color and tangy flavor of tomatoes add to any meal—slice them for sandwiches, stuff them with chicken salad for a luncheon main course, cut wedges or cubes for a crisp combination salad. Fresh tomatoes are found in most markets the year round. However, as most shoppers know, there are times when flavor goes down and price goes up. Tomatoes add to any meal.

She'll Become Bride of William Edward Dinan at Ceremony in St. Clare de Montefalco Church On February 7

Mary Palmyre Rabaut, daughter of the Joseph Humphrey Rabauts of Kensington road will marry William Edward Dinan on February 7. The couple will speak their vows in Saint Clare de Montefalco Church with a reception following at the Detroit Boat Club.

The prospective bridegroom is the son of the James W. Dinans of Boston boulevard west. Shirley Ann Sphire will be maid of honor and the attendants will be her twin sister Gloria Ann Sphire and Kathleen Schulte. Mary Dinan, neice of the bridegroom-to-be will be flower girl.

The bridegroom asked his brother, Richard Dinan, to be his best man. Ushering will be the bride's twin brother, Joseph H. Rabaut, Jr., the bridegroom's twin brothers, Patrick and Michael Dinan, Len J. Dillon, Jr., and Robert Quarters.

Parties for the bridal pair began in late October when Carol Gillow of Warrington drive entertained at a brunch and kitchen shower. The Len J. Dillons, Jr., and the Robert Quarters honored the couple at a cocktail party at the Dillon home in Asbury Park.

Early in November a tea

honoring Mary was given by Mrs. Edward Stenger of Birmingham. The holidays were filled with many more parties beginning with a bathroom shower given by Mrs. Robert Quarters of Royal Oak. This was followed by a cocktail party and dinner given by William Reason of Birmingham.

Gloria and Shirley Sphire of Neff lane were hostesses at a cocktail party and buffet for the couple. Mr. and Mrs. John O. Buchler of Somerset road entertained at another lovely cocktail party.

In January a miscellaneous shower was given by the bridesmaids, Shirley Sphire, Gloria Sphire and Kathleen Schulte, at the Schulte home in Audubon road. On January 24 Mrs. Robert Miller, Mrs. Thomas Maher and Mrs. Virginia Sullivan entertained Mary and Bill at a buffet dinner and bar shower.

The Dwight Edwards of Westmoreland will entertain

Photo by Paul Gach  
Dr. and Mrs. Frank J. Condon, of Lakepointe road, announce the engagement of their daughter, JANE ELIZABETH, to Edward John Klein, son of the Frank Kleins, of Drexel avenue.

The bride-elect is an alumna of the University of Michigan School of Nursing and was affiliated with Alpha Xi Delta. Her fiance is a graduate of Michigan State University. They will be married in May.

at a table top shower for Mary and Bill on January 31. A brunch at the Detroit Boat Club will be given on February 1 by Mrs. Thomas Conway, Jr., Mrs. Courtney Fitzsimons, Mrs. Leonard Healy, Mrs. Robert Gofredson, Mrs. C. Larsen and Mrs. E. L. White.

The spinster dinner will be February 3. The rehearsal dinner is being given by the James Lyons of Wellesley drive and the Frank Gormans of Lothrop place at the Detroit Boat Club on February 5.

## TAKES INVENTORY

In taking an inventory of her personal belongings, Miss Frances Huntington, of 549 Rivard boulevard, reported the following items missing: a pair of women's figure skates, valued at \$20; two finished boards, 8'x2', valued at \$6.40 each; one brown folding table, worth \$10; and one chair, valued at \$10. The total value of the missing objects was set at \$46.40, which report is on file at the City's police station.

## To Hold Dance At St. Joan's

The St. Joan of Arc Mothers Club will sponsor a Mister and Missus Dance, in the school auditorium on Saturday, February 7, from 9 p.m. to 1 a.m.

The music will be by the Pete Prainito Orchestra, and the event will have a Gay Nineties theme.

Admission will be four dollars a couple. A hot buffet lunch will be served. Chairman of the dance is Mrs. Mary Ann Fontaine. Tickets may be obtained from Mrs. Marge Wilson, PR 7-1957; and Mrs. Betty Lonergan, TU 4-5447, and may also be purchased at the door.

This is the club's second annual dance, and the organization expects the affair to be as successful as that of last year.

## Sorority Honors New Chapter

Several Grosse Pointe women will participate in activities connected with installation of Alpha Pi chapter of the international women's fraternity Alpha Gamma Delta, at the McGregor Memorial Center, January 31 and February 1, when members of the former Sigma Sigma sorority of Wayne State University will be initiated into Alpha Gamma Delta.

Alpha Gamma Delta was organized in 1904 at Syracuse University and the new chapter is its 71st on college campuses in the United States and Canada, including Chi chapter at the Michigan State University and Alpha Beta chapter at the University of Michigan. Alpha Gamma Delta became a member of the National Panhellenic Conference in 1909.

Mrs. Patrick J. Burke, of Lakeside avenue, and Mrs. George E. B. Rogers of Cloverly road have been members of the general committee of alumnae members of Alpha Gamma Delta which planned for the installation of the new chapter.

Mrs. Frank Perkin, of Lakeside avenue, is one of the former Sigma Sigma group who was initiated and this becomes a chartered member of the new chapter. Mrs. Perkin is active in the Twentieth Century Club, Harper Hospital and Wayne County Auxiliaries.

Nancy Sue Reik, of Earrington road, is a member of Alpha Gamma Delta at the University of Michigan.

Several Grand Council officers and Alpha Province West officers are present for the workshops attended by alumnae and undergraduates from Indiana, Michigan and Ohio as well as guests from the Canadian chapters; initiation of 24 undergraduate and 27 alumnae members of the former Sigma Sigma; the formal Installation Banquet on Saturday.

On Sunday afternoon the Fraternity's Grand Council will present members of the new chapter at a tea to which University faculty, officers, Panhellenic delegates, officers of campus organizations and City officials are invited. In 1926, Sigma Sigma was the first sorority to be recognized by the newly established four-year College of the City of Detroit, now Wayne State University. Within a few months three other sororities were recognized and Sigma Sigma proposed formation of an Inter-Sorority Council, now functioning as a Panhellenic Council, and presented the Council with a scholarship cup, now the Panhellenic merit award, currently held by Iota Alpha Pi.

Two founder-members of Sigma Sigma were initiated and became charter members of the new chapter, Mrs. Del C. Gardner (Orin Jane Bragg), of Farmington and Mrs. Milton Bachman (Eleanor Bashfield), of East Lansing.

Other alumnae of Alpha Gamma Delta living in the Grosse Pointes are: Mesdames Norman A. Baker, Dale K. Boyles, Paul Cornelsen, Se-

bastian Buffa, Stanley Cook, Joseph DiCicco, George Fredrickson, W. H. Gramme, R. D. Halford, Verne Hamill, Frederick Holder, Victor Johnson, William Kirby, Rudolph Larson, B. F. Martin, Robert Martin, John Nieman, Byron Phillips, Andrew Rauth, James Schaffer, Richard Schmitz, Carl W. Swanson, Arthur J. Williams, O. S. Williams; and the Misses Patti Bauer, Evelyn Lis Devris, Eleanor Edwards Button, Cecelia Corfield, Phyllis and Cora Schoecraft.

Mrs. Rogers is chairman of the East Side group of Detroit Alumnae Club of Alpha Gamma Delta.

## Teens to Dance For Charity

This Saturday is the date the Teen Age Set of Grosse Pointe have picked to hold their benefit dance for the March of Dimes. The dance, which will start at 8:30 in the Grosse Pointe High School gymnasium, climaxes a month of planning by a representative group from all the Pointe schools.

Disk-jockey, Clark Reid, will be on hand to help with the records. Conrad Twitty and the Ski Brothers will provide some of the "live" entertainment. The Ivys and the Echo's have also promised to appear. The teens are still working and by Saturday night hope to have even more talent lined up.

The dance is for all High School students from ninth through twelfth grades, the dress is casual and the donation is fifty cents.

Tickets will be on sale at Jacobson's Wednesday, Thursday and Friday.

## Parental Sex Education Course Being Offered

The Christian Mothers' Society of St. Lucy's Church will present a Parental Sex Education course beginning Tuesday, February 10, at 8:30 p.m. and continuing on February 17 and 24. It will be held in the school at 23401 Jefferson, St. Clair Shores, and is open to the public.

This is an adult education course for fathers and mothers consisting of three two-hour sessions one week apart. Each session is a lecture followed by a question and answer period.

Father Arthur Meloché of the London diocese will be the first speaker. He will explain the responsibility of the parents to educate their children for life.

Speakers for the second evening are Dr. and Mrs. James Maher who will relate medical experience and theology to practical living. Final speakers will be Dr. and Mrs. Linus Maino speaking as parents and applying the principles of the first lectures to family living.

A small charge of one dollar per couple for the series will be made. Mrs. Laurence Beaudette is in charge of arrangements.

## Bank Welcomes Youngest Depositor

Four and a half year old CELESTE RACINE puts her new electric Fury Junior Convertible to practical use by making a deposit at the drive-in window of City Bank's Mack-Cadieux branch. Undaunted by the fact that the ledge was a little over her head, but determined, nevertheless, to follow the wise precepts she has learned from Mother, Celeste drove up, and got the attention of the lady behind

the plate glass window. It is a coincidence, of course, that the lady happened to be Celeste's mother, MRS. BEATRICE RACINE of 18072 Fairport. We think the picture is not only cute, but puts across a couple of excellent ideas; one, that you can't start to save too early in life; two, that City Bank's drive-in service makes banking easy and convenient.

too much is being demanded of the child, that he is being pressured somewhere along the line and looking for ways to relieve tension and pressure. Dr. Scott also pointed out that a child is more secure if he knows what is expected of him, and is not handled over-permissively. Children, usually, want to do what their parents want them to do if there is a good relationship between child and parent.

Ice skating is nice skating for GPUS Nursery School boys and girls. They are using the big rink back of the lower school and finding that double and single runner shoe skates keep them in a more upright position with fewer spills. The children find that it is easier to learn without holding an adult's hand. If practice makes perfect, the nursery school skaters will be confident ones by the end of March—weather permitting.

One of the nursery school fathers, Jack Doerr, became so interested in the GPUS Nursery School program, at a Saturday session for fathers, that he offered to make a movie of our school activities. Mrs. Bacon helped by writing the script and by outlining days for shooting of particular scenes. It took a year to do the photography and write the script, but the result is a 16 mm. film in color and sound, "Nursery School in Action."

Mr. Doerr showed his understanding of children by placing the cameras in the school for an observation period so that when the camera action began the children were unaware of it. Mrs. Bacon took the film, as soon as it was printed, to the National Association for Nursery School Education Convention, in Cincinnati, October, 1957, to show in a seminar to nursery school teachers and directors from all over the country. They commented that it was the only film of its kind, and were interested in it in terms of parent and personnel use. Mrs. Bacon has been asked to show

A St. Clair Shores man was ticketed by City police on Friday, January 9, for driving his car without control. Fred W. Welling, of 22490 Pointe drive, was headed south on Notre Dame avenue and stopped at the corner of Maumee. He pulled out into the intersection about 8 feet and there collided with Carl C. Funkhouser, who lives at 877 Westchester road. Funkhouser was issued a witness notice to testify in court.

## G.P.U.S. News Notes

Headmaster Chandler's assembly dwelt first on the contribution that had been made to the life of the school by its popular groundskeeper, Mr. Sam Fittis, who died on January 9. Mr. Chandler stressed the thought that everyone's contribution, even though it be a humble one, is important in the life of the school.

He went on to add that the zeal with which we perform our tasks and our interest in them are the qualities which determine the worth of what we do. Students must "hunger" for achievement in cultural fields, not simply because such achievement helps them to get high grades and ready admission to college, but as worth-

while ends in themselves.

Student assemblies were conducted by Jim Michelson and by Sally Champion. Mr. Michelson stressed the importance of taking an attitude toward marks and school work which would combine both realism and optimism. Sally Champion discussed her concept of the word God. Steve Norcott played a clarinet solo to open the Jim Michelson assembly.

Miscellany: The G.P.U.S. skating rink has been used almost constantly since early December through the present mid-January, thanks to the continuing cold weather.

The Upper School saw an excellent Detroit News current events film on Friday, January 9. Recent visits have been made to G.P.U.S. from representatives of these colleges: Hobart, University of Southern California, and Wheaton. The first pep rally of the second half-year took place Friday, January 16, and produced some of the enthusiasm that must have helped the varsity go on that evening to put across its stunning 74-60 victory over the highly touted Oak Park basketball team. Mr. Alfred O'Connell is conducting weekly luncheon sessions for his advanced placement American history seniors at which they discuss the news of the preceding seven days. The winter show, "Stage Door," is now in rehearsal. Save March 6 or 7 for this good event. If you notice any particularly Herculean-looking G.P.U.S. students in the next few weeks, they may be participating in Mr. Cragg's weight-lifting class, that meets for daily sessions of some 40 minutes.

Dr. Marriion Scott, a pediatrician, talked to the parents of the Grosse Pointe University School, Monday evening,

**CITY OF GROSSE POINTE FARMS SUMMARY OF MINUTES**  
 JANUARY 19, 1959  
 Meeting was called to order at 8:00 P.M.  
 Present on roll call: Mayor William F. Connolly, Jr., Councilmen Henry E. Bodman, II, William G. Butler, William G. Kirby, Richard L. Mason and Edward C. Roney, Jr.  
 Absent: Councilman J. Lawrence Buel, Jr., Mayor William F. Connolly, Jr., presided.  
 Minutes of the regular meeting of January 5, 1959 were approved with minor changes.  
 Mr. Benjamin H. Long explained to the Council the amount of work which was still necessary to complete the codification of the Ordinances of the City and made certain recommendations in connection thereto.  
 As a result of the recommendations of the Council ordered that Ordinance No. 16—Traffic Violations Bureau be scheduled for repeal, and, at the time of its repeal, a new Violations Bureau be established by order of the Municipal Judge, and a resolution was adopted whereby the adoption of any franchise ordinances with regard to public utilities operating in the City of Grosse Pointe Farms be deferred indefinitely without prejudice to the rights of the Council or other City authorities, to proceed at any time by order or otherwise in this regard.  
 The following reports were ordered received and filed:  
 Fire Department for the month of December, 1958.  
 Police Department for the months of November and December, 1958.  
 Building Department for the month of December, 1958.  
 The City Clerk reported receipt of a communication from Mr. John K. Roney of 414 Kercheval Avenue expressing his appreciation for the very splendid and courteous service performed by the Fire Department in response to a call at his residence on January 7, 1959.  
 Jeremiah Brosnan, having completed his one year of service in the Fire Department in a satisfactory manner, was classified as a regular employee.  
 Approval was given to employ Margaret Elliott in the administrative office.  
 The City Clerk reported that 1,210 notices of cancellation of voting registrations were mailed to all registered voters who had not voted within the past two years and that of these, 420 had renewed their registrations and 790 were deleted from the registration rolls.  
 Approval was given to pay Great Lakes Landscape Company the sum of \$1,300.00 as part payment on their contract for work at Kerby Field.  
 A proposed Swimming Pool Ordinance was ordered laid on the table for action and a notice of public hearing on the proposed Ordinance to be held in the City Hall at 8:00 P.M. on February 16, 1959, was ordered published.  
 A contract for labor and equipment for painting the steel sheeting at Pier Park was awarded to the Austin Company, the low bidder, in the amount of \$1,174.00.  
 Approval was given to purchase the necessary paint for painting the steel sheeting at the Pier Park and from the Crowe Company in the amount of \$1,036.00.  
 The City Manager was instructed to write the various municipalities, who assisted in combating a fire at 188 Provincial Road on December 22, 1958, expressing the sincere appreciation of the Council for their very able assistance.  
 After discussion of a verbal request for permission to erect a sign on Mack Avenue between Moross Road and Kerby Road, it was the sense of the Council that they were not favorably disposed towards signs which project over the public rights-of-way and that the feasibility of the City to erect signs directing traffic to parking lots should be considered.  
 The Council authorized the Mayor and City Clerk to sign the revised Mutual Aid Firefighting Agreement.  
 On proper motion made, supported and carried, the meeting adjourned at 10:00 P.M.

The City of Grosse Pointe Farms Ordains:  
**Section 1.** It is hereby determined that outdoor swimming pools endanger the public safety unless properly constructed.  
**Section 2. Definition:**  
 The term "Swimming Pool" as hereinafter used shall mean any structure or container, either above or below grade, designated to hold water to a depth of greater than eighteen (18) inches when filled to capacity and intended for immersion of the human body whether for swimming or wading or both.  
**Section 3.** It shall be unlawful for any person to construct or maintain an outdoor swimming pool without first making application to the City Engineer and obtaining a permit therefor.  
**Section 4.** Such application shall show the name of the owner, the location of the proposed swimming pool, information showing the size, depth and capacity of such swimming pool, and shall be accompanied by a copy of the plans of the swimming pool, which plans are to remain on deposit with the City Engineer, and such application shall also provide such other information as is deemed necessary by the City Engineer for the protection of the public health and safety. There shall also be filed with the City Engineer a plot plan of the property showing the location of the swimming pool thereon and full information as to the type, height and location of the fence surrounding such swimming pool and the number of gates therein. Such plot plan shall also remain on deposit with the City Engineer.  
**Section 5.** All swimming pools shall be completely enclosed by a substantial wall or fence of not less than four (4) feet in height. All openings in such walls or fences shall be equipped with gates having self latching self closing devices with the latch on the inside of the gate so that it is not readily accessible for children to operate. All existing swimming pools shall be enclosed by a fence or a wall as herein required within ninety (90) days after the effective date of this Ordinance.  
**Section 6.** No electrical service conductors or other overhead wires shall be located above any swimming pool. All swimming pools having a side wall of three (3) feet or more in depth shall have one (1) permanent ladder by which exit from the pool may be made. Lights used to illuminate any swimming pool shall be so arranged and shaded as to reflect light away from adjoining premises.  
**Section 7.** No swimming pool shall be constructed in a front yard or in or over an easement.  
**Section 8.** There shall be no direct cross-connection with the City water supply and the water supply for the pool. There shall be provided an air-gap delivering connection at least six (6) inches above the flood rim of the pool or make-up tank.  
**Section 9.** An appeal to the Council may be taken from any action of the administrative officers of the City denying a permit for a swimming pool. Appeals must be in writing and filed within ten (10) days after the decision appealed from is mailed or otherwise communicated to the appellant. The Council may upon appeal reverse, modify or affirm the action of the administrative officers. The Council may also, upon any such appeal, and in its discretion, reduce or modify the requirements of this Ordinance in individual cases, where it determines that such action will not impair the general effect and intent of this Ordinance, and (a) where there are practical difficulties or unnecessary hardships, in complying with the provisions of this Ordinance, or (b) when such modification will not jeopardize the public health, safety, and general welfare.  
**Section 10.** A person violating any of the terms or provisions of this Ordinance shall upon conviction be subject to a fine of not more than \$500.00 or imprisonment for not more than ninety (90) days, or both in the discretion of the Court. Each act of violation and every day upon which violation shall occur shall constitute a separate offense.  
**Section 11.** Any swimming pool constructed, operated or maintained in violation of any provision of this Ordinance shall constitute a nuisance, and the City may, in addition to the penalties hereinbefore set forth, maintain any proper action for the abatement of such nuisance.  
**Section 12.** If any provision of this Ordinance shall be held invalid, the remainder of the Ordinance will not be affected thereby.  
**Section 13.** This Ordinance shall take effect twenty (20) days after its enactment or upon its publication, whichever is later.

when the POINTE was growing up... By PAT TALBOT

(Editorial note: we are indebted to Mrs. Norman Preble for loaning us a scrapbook of newspaper clippings compiled by her grandfather, Cleveland Hunt, prominent lawyer, civic leader, and Pointe resident of the 1880's.)

In the close knit Detroit society and business circles of the late nineteenth century, one of the most prominent and popular figures of the day was Cleveland Hunt, who was to join the summer colony in the Pointe.

Mr. Hunt traced his lineage to a Revolutionary War hero, Col. Thomas Hunt, through Henry Hunt, a Detroit merchant in 1812, and Gen. Henry Jackson Hunt, Gettysburg hero, and husband of Mrs. Lewis Cass' sister.

Very little went on in Detroit in which Cleveland Hunt did not have a hand in the 80's. He served in the state legislature, helped organize Grace Hospital, promoted the beautification of Belle Isle, gave money to found The Ladies of the Industrial School Association, to name just a few of his interests.

He was, of course, a member of the early Grosse Pointe Club, and entertained there often. A newspaper clipping speaks of a dinner he gave for some New Orleans guests: "It was, of its kind, the most noteworthy incident that has occurred at that center of summer fashion. . . . Good taste and eloquence were apparent in all detail, from the arrangement of the tables and the character and quality of the service, to the largest decorations that helped to make the scene memorable."

He lived in the summer, with his wife, the former Helen Wetmore, next door to the Brushes in Lakeshore road. His summer home had been built many years before his occupancy by Mrs. Canfield, daughter of General Lewis Cass. A description of the time says "It is located about 400 feet back from the highway, and is a very neat structure with an extensive lawn in front."

The Hunts' summer neighbors, two doors down, were the W. K. Muirs, and in this era when the Pointe was almost a closed colony there was such a tight knit social life that intermarriage between the two families was the usual and accepted course. Wetmore Hunt, Cleveland's son, was married to Isobel Kerr Muir, third daughter of the W. K. Muirs, in a brilliant ceremony in the Muirs East Jefferson avenue home on June 3, 1886.

The bride wore a princess gown of white satin trimmed with seed pearls and lace and a diamond necklace. Her bridesmaids, in white tulle carrying yellow and pink carnations and chrysanthemums were Bessie Wight, Jessie Muir, of Milwaukee, Susie Muir and Crissie Muir. The couple left by boat for Cleveland, toured the east and then returned to make their home in Jefferson avenue.

In the summer they traveled to the Pointe and were living in the cottage in September 1889 when fire destroyed most of it. Mr. Hunt told an "Evening News" reporter that the fire was discovered at 3 in the morning and that the loss was about \$5,000, covered partly by insurance.

who, where and whatnot by whoozit

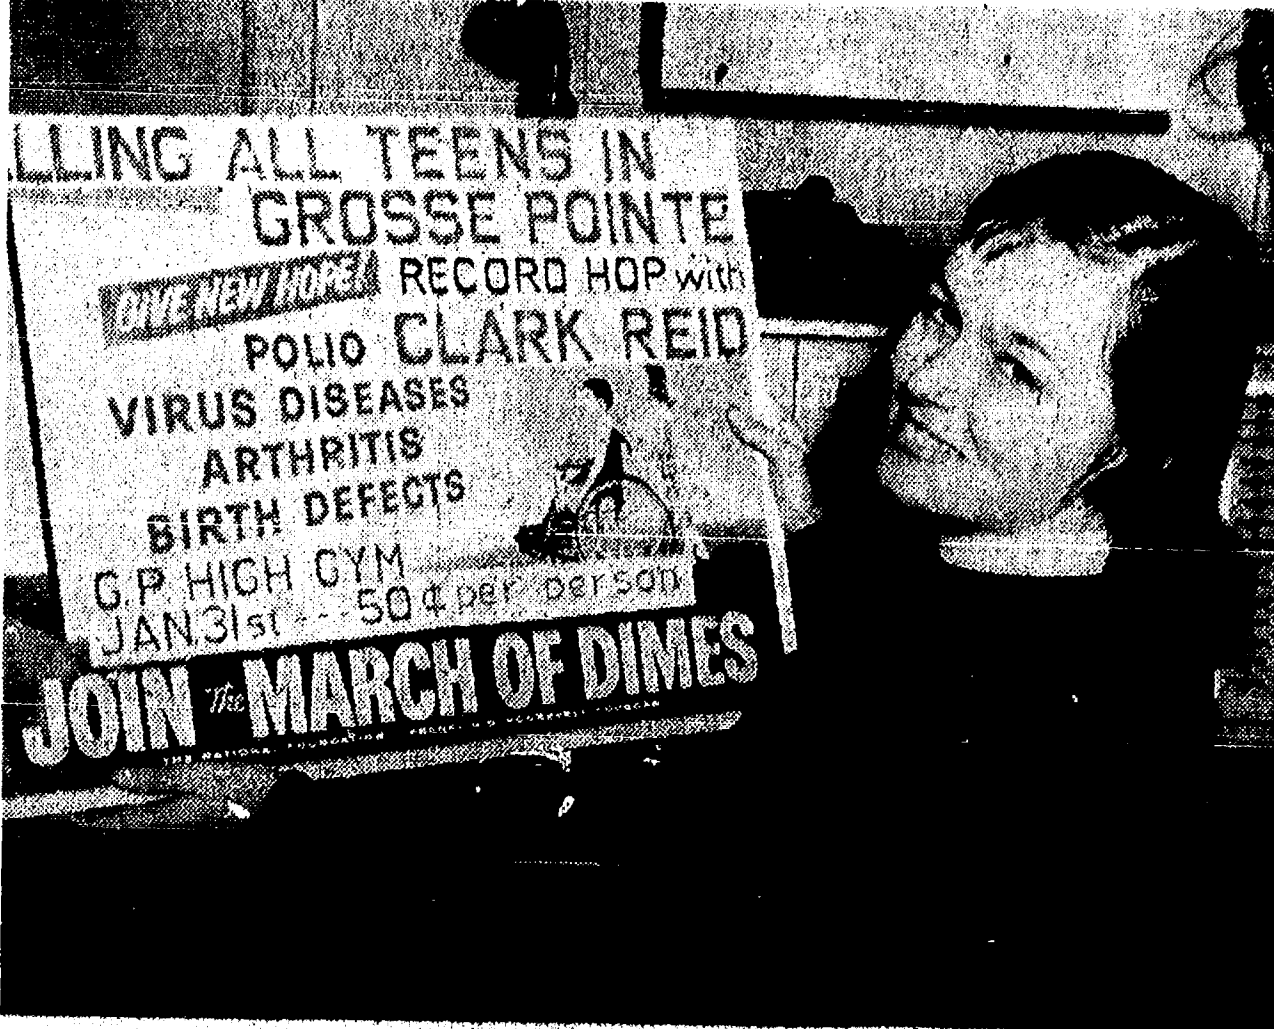

Legends of the winter are building up, many an old time resident spreading the word that this icy chill is nothing compared to winters 25 years back. Frank Webb, veteran bus driver on the East Jefferson run, takes the weather in his stride. He was telling one of his regular passengers last week that cold January morning he began his 37th year of driving. Blustery and snowy it was so the passenger remarked that his trip 37 years ago could hardly have been as difficult. "Oh yes, replied Frank. "That morning it was 4 below."

Out in Bloomfield right now the Art Association is presenting a Collector's Show. Featured in the exhibit, which also includes a round table, a critic's night, and a lecture, is Mrs. Owen Skelton's painting "Portrait of a Girl", and two other paintings from her collection.

Every Tuesday morning members of the Junior Goodwill meet in the Pine court home of Mrs. John Denler to decorate Italian straw hats which they will sell at their Spring Fair.

Dr. Alfred Whittaker called to tell us about the current exhibit of the Detroit and Michigan Artists Memorial on the second floor of the old city hall. "Architecture Worth Saving" is a collection of drawings and paintings loaned by the Museum of Modern Art in New York and will continue until February 16. The Whittakers, incidentally, will be moving to their East Jefferson avenue estate as soon as the weather improves in the spring. They live downtown in an apartment during the winter.

TRUDY PROEFKE, OF IDA LANE

By Patricia Talbot

While her parents and younger sister are sunning in Florida, Trudy Proefke has remained at home, to take her senior final exams, dance at the Prom and superintend arrangements for a giant March of Dimes dance at the high school gymnasium.

She is one teenager who takes not only her studies seriously but also her civic responsibilities. She is secretary of the Youth Council, which meets at the War Memorial, and it was through this organization she heard of the March of Dimes appeal.

Teenagers have had their own drive for this fund which aids not only polio victims, but this year, for the first time, also suffers from arthritis, birth defects and virus diseases.

Judy and her committee hope that over 1,000 teens will turn out for the disc jockey dance on January 31. Tickets are 50c if bought in advance and 75c if purchased at the door. She stresses that this is not a date party, the lads and lassies may come alone.

Going Steady The pretty dark haired chairman doesn't have date troubles herself, for she goes steady with a Wayne State University student. His picture graces her bureau and he took her to the recent high school senior prom. She wore a delicate pink embroidered organdy frock and looked a vision.

Right now the party dress is hanging in her closet at the Wesley Robinsons' home in Ridge road where Trudy is staying with her friend, Lisa, while her parents are vacationing.

Wants To Teach After graduation from GPHS in June she intends to enter the U. of M. (she's already been accepted with her fine B average) and study to become a teacher. She likes children and hopes to find a summer job working in a nearby nursery school.

Trudy has been secretary of the Student Association and a class secretary. This year she is president of the Y Teens, the girls group affiliated with the YWCA at the high school. As a Y Teen leader, and a member of the Youth Council, she has assisted at many service projects. Just now both groups are interested in the Blood Bank, many of the girls working there as volunteers on Saturdays. They have helped welcome newcomers to the community, planned the Christmas Tree lighting festivities at the War Memorial, served at Settlement houses.

Service And Social Life But Trudy points out, these responsibilities are not so grim and earnest. The Youth Council also has hay rides and dances for the 40-50 members and plenty of parties. They are
